In the name of God, the most gracious, the most merciful.

Almighty God, Our God and God of all of our ancestors, we ask that the light of Your presence guide the hearts and minds of the leaders of this great state gathered here today. May the wisdom of Your teachings guide them to act for justice, and to lift up the cause of the stranger, the orphan, and the widow. Master of the universe, open the hearts of our leaders with Your compassion. Help them to lead with integrity, always remembering that Your wisdom resides in every heart as the deepest truth of our humanity. May our leaders always remember that Your guidance is not in the heavens alone, nor far beyond the sea, but within each of us—in our hearts to carry into action in the world. May our leaders, therefore, serve as beacons of justice and compassion, making this state a light to the United States of America.—*Ameen*.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Reyes was granted unanimous consent that the following statement of legislative intent relative to Assembly Bill No. 655 be printed in the Journal:

Legislative Intent—Assembly Bill No. 655

August 30, 2022

*Sue Parker**Chief Clerk of the Assembly
State Capitol, Room 319
Sacramento, California*

Dear Sue Parker: I authored Assembly Bill (AB) 655, the California Law Enforcement Accountability Reform (CLEAR) Act, in the 2021–2022 Legislative Session with the intent to combat the infiltration of our law enforcement agencies by extremists. Amendments throughout the legislative process have aimed to only take into account expressions not covered under the First Amendment, such as advocating for or committing hate crimes or genocide. To ensure clarity in the bill’s intent for purposes of implementation, I would like to affirm that the bill is not intended to curb otherwise protected First Amendment freedoms. The bill simply builds on the state’s existing ability to limit public employment opportunities if a person’s speech could interfere with the position’s duties. While peace officers have the right to freedom of expression and association, the U.S. Supreme Court has ruled that the government can limit employment opportunities in sensitive public sector jobs where group membership or speech would interfere with the performance of duties. The exercise of First Amendment protections by a peace officer can be further curtailed when it causes, or threatens to cause, actual harm or disruption to the mission and functions of a public safety agency. Law enforcement officers play a critical role in our communities and must have the trust of the public to do their jobs safely and effectively. AB 655 is a reasonably-limited proposal to add another layer of scrutiny to our hiring processes without infringing on personal freedoms or disrupting an officer’s rights.

Sincerely,

ASH KALRA, Assembly Member
Twenty-seventh District
