The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

**California State Auditor**

2023-048  
August 29, 2024

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 319  
Sacramento, California*

Members of the Assembly: State law requires my office to conduct a performance audit of the local jurisdictions that received funds as part of the Local Jurisdiction Assistance Grant Program (Grant Program). State law also requires the Department of Cannabis Control (DCC) to administer the Grant Program, which we also audited. In general, we determined that DCC's inadequate oversight and the local jurisdictions' inappropriate expenditures during the first year of the Grant Program have weakened the program's ability to achieve its purpose, which is to assist certain local jurisdictions needing assistance in transitioning cannabis businesses that hold provisional licenses to obtain annual state licenses.

Although the 17 local jurisdictions that received grant funds (grantees) were able to transition about 530 provisional licenses to annual state licenses, the grantees still had more than 4,600 provisional licenses that needed to transition as of January 1, 2023. Several factors contributed to the grantees' slow progress, including their limited spending of grant funds in the program's first year and DCC's continued issuance of provisional licenses through September 2022. Moreover, DCC has not tracked key steps in its licensing process that would have allowed it to identify and address whether delays resulted from applicants, local jurisdictions, or its own processes.

Although DCC took steps to improve its administration of the Grant Program after we communicated concerns to its leadership in July 2023, some shortcomings in DCC's grant management practices remain unresolved. For example, DCC cannot accurately measure whether the 17 grantees are on track to accomplish the purpose of the Grant Program because DCC did not ensure that they provided clear goals or measurable benchmarks. DCC also did not obtain documents from grantees that would have revealed problems with their expenditures. As a result, two grantees reported to DCC \$26,000 in costs that we questioned because they could not substantiate that all of their grant fund spending was appropriate.

Respectfully submitted,

**GRANT PARKS**  
California State Auditor

Above report referred to the Committee on Business and Professions.

**Legislative Intent—Assembly Bill No. 2561**

August 26, 2024

*Sue Parker**Chief Clerk of the Assembly  
State Capitol, Room 319  
Sacramento, California*

Dear Ms. Parker: I write to express my intent in authoring Assembly Bill (AB) 2561 related to Local Public Agency Vacancies. AB 2561 requires local agencies—cities, counties, most special districts—to present at or hold a public hearing every fiscal year regarding the status of vacancies and recruitment and retention efforts. Recognized employee organizations that have bargaining units with vacancies of 20% or higher are entitled to request that the local agency presents additional information such as opportunities to improve working conditions.

AB 2561 requires local agencies to present at or hold public hearings to address vacancy concerns that may be occurring at the local level. AB 2561 does not seek to require the California Department of Human Resources (CalHR) to present at or hold the public hearings required under the provisions of the bill. While CalHR does provide hiring services for smaller local agencies, such as rural counties, AB 2561 is intended to capture public agencies regulated under the Meyers-Milias-Brown Act. AB 2561 is solely focused on local agency engagement with public sector employee organizations and residents of the communities impacted by local vacancies.

Thank you for the opportunity to clarify the intent of AB 2561.

Sincerely,

TINA MCKINNOR, Assembly Member  
Sixty-first District

**UNANIMOUS CONSENT GRANTED TO PRINT IN JOURNAL**

Assembly Member Bonta was granted unanimous consent that the following statement of legislative intent relative to Assembly Bill No. 3161 be printed in the Journal:

**Legislative Intent—Assembly Bill No. 3161**

August 29, 2024

*Sue Parker**Chief Clerk of the Assembly  
State Capitol, Room 319  
Sacramento, California*

Dear Ms. Parker: This letter is to clarify the intent of my Assembly Bill 3161, which passed the Assembly on Tuesday, August 28, 2024, and at the time that I am submitting this letter, is on its way to the Governor's Desk.

The bill requires hospitals to include demographic data on injured patients when they conduct analyses of patient safety events. As drafted, the bill requires health facilities to submit patient safety plans to the Department of Public Health (DPH) licensing and certification division biannually. This is a typographical error. The bill should require the patient safety plans to be submitted biennially, in concordance with DPH's licensing and relicensing surveys. This clarification will also remove any confusion about the timing of potential fines for a facility's failure to submit the patient safety plan to DPH.

As Chair of the Health Committee, I will be introducing a non-controversial omnibus bill in 2025 to make technical changes to the Health and Safety Code, and this spelling correction will be included.

Thank you for the opportunity to provide the public, my colleagues, and other stakeholders with this clarification of the intent of AB 3161.

Sincerely,

MIA BONTA, Assembly Member
