Lord, When You look at humanity, You don't see different races. You don't see different social standings, colors or creeds. You just see us as part of Your beautiful creation, all made in Your own image and likeness. When we classify people, Lord, we aren't able to enjoy the presence of all those You may place in our lives. Help us to see others through Your eyes, so that we can all live in unity as children of God.—AMEN.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

I2011-1
August 25, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: Pursuant to the California Whistleblower Protection Act, the Bureau of State Audits presents its investigative report summarizing investigations completed between July 2010 and March 2011 concerning allegations of improper governmental activities.

This report details seven substantiated allegations involving several state departments. Through our investigations, we found waste of state funds, misuse of state resources, falsification of records, inexcusable neglect of duty, and failure to monitor time reporting. As an example, we found that an executive at the Department of Mental Health wasted at least \$51,244 in state funds in 2009—the one-year period that we examined—by employing a longtime senior official to perform activities that either were undertaken on behalf of a nonstate organization or did not serve a state purpose. In addition, a chief psychologist at a correctional facility operated by the Department of Corrections and Rehabilitation used his state-compensated time and state equipment to perform work related to his private psychology practice, costing the State up to an estimated \$212,261 in lost productivity over nearly five years.

This report also provides an update on previously reported investigations and describes additional actions taken by state departments to correct the problems we identified. For example, the Department of General Services signed an agreement in June 2011 with a now-retired fleet division manager directing him to reimburse the State for his misuse of state vehicles for his daily commute for three years. The terms of the agreement require the manager to repay the State \$12,379 in monthly payments from June 2011 through August 2016.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Business, Professions and Consumer Protection.

MESSAGES FROM THE GOVERNOR

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

Veto Message—Assembly Bill No. 142

Governor's Office, Sacramento
 September 6, 2011

To the Members of the California State Assembly:

I am returning Assembly Bill 142 without my signature.

This measure would require a court to advise a defendant prior to the entry of a guilty plea or plea of nolo contendere of possible federal penalties associated with a future prosecution if the person is deported and if the person subsequently reenters the country illegally. While a criminal defendant must be correctly informed about the direct consequences of a plea, including potential immigration consequences, this measure goes beyond what is necessary by advising a criminal defendant about the consequences of future criminality.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 274

Governor's Office, Sacramento
September 6, 2011

To the Members of the California State Assembly:

I am returning Assembly Bill 274 without my signature.

This bill is unnecessary. It directs employers to a technical guide used by the Employment Development Department (EDD) to adjudicate Unemployment Insurance eligibility.

Use of this guide, however, may cause confusion rather than assist employers in understanding what qualifies as "good cause" for responding late to an Unemployment Insurance claim notification. Information about what constitutes good cause is already stated on the existing form sent to employers when a claim is filed.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 293

Governor's Office, Sacramento
September 6, 2011

To the Members of the California State Assembly:

I am returning Assembly Bill 293 without my signature.

This bill requires county elections officials to establish a free access system where vote-by-mail voters can find out whether their ballot was counted, and if it was not counted, the reason why.

I support the author's goal of informing vote-by-mail voters of the status of their ballot, but, in view of California's severe fiscal challenges, I believe restraint must be exercised with regard to any new state mandates. Under existing law, local governments can implement this type of database on their own. In fact, many counties have done so.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 390

Governor's Office, Sacramento
September 6, 2011

To the Members of the California State Assembly:

I am returning Assembly Bill 390 without my signature.

This bill would codify the Department of Motor Vehicles' (DMV) practice of sending a 60 day written notice of expiration to holders of California identification cards.

As a result of 2008 legislation, DMV allows ID card holders the option to renew their cards by mail or Internet. The 60 day notice must be sent to prompt the ID holder to pay his or her fee and renew by mail or Internet.

Nothing suggests that the DMV is about to discontinue mailing out the 60 day notice. For that reason, this bill is unnecessary.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 6th day of September, 2011 at 9:45 p.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts:

Assembly Bills Nos. 142, 274, 293, and 390.
