**PRAYER**

Upon invitation of Speaker pro Tempore Lowenthal, the following prayer was offered by Reverend Bob Oshita:

With our Floor Sessions ending before the autumn-winter holiday season, I'd like to share this reflection: from Thanksgiving in November to New Year's in January, we enjoy a very special family time of year. During those months, families will often come together again and again.

A few years ago, a teenaged boy, sadly said to me after losing his grandmother, "I attended our annual holiday family gatherings as if they were obligations . . . maybe even a chore. But after losing Grandma, I know that our family gatherings will never be the same."

I said to him, "You honor your grandmother with your tears, for they are tears of love; and she has earned them. And now you, at your young age, you know what we all will learn, again and again, in living life. It is this: If there is someone that has shown us kindness, let us thank them now. If there is someone we love, let us hold them close now. And let us not take for granted even one opportunity to be with those whose lives give meaning to our own . . . for we enjoy each day of life, because of them.

Through the coming autumn-winter holiday, let us remember that we are able to live each day, because of the loving support and sacrifices of so many others. And during the coming autumn-winter holiday season, let us not take for granted the people whose lives give meaning to our own.

Please keep safe and well until we meet again . . .

Namo Amida Butsu—Let us live with kindness and gratitude beyond words.

**UNANIMOUS CONSENT GRANTED TO PRINT IN JOURNAL**

Assembly Member Aguiar-Curry was granted unanimous consent that the following statements of legislative intent relative to Assembly Bill No. 8 and Assembly Bill No. 592 be printed in the Journal:

**Legislative Intent—Assembly Bill No. 8**

September 12, 2025

*Sue Parker**Chief Clerk of the Assembly**State Capitol, Room 319**Sacramento, California*

Dear Ms. Parker: As the author of Assembly Bill 8, I submit this letter to clarify my intent around the bill's implications for track and trace and the amount of THC allowed in hemp products under the Sherman Food, Drug, and Cosmetic Law. Overall, this bill seeks to protect public health by eliminating access to intoxicating hemp products outside authorized dispensaries, while establishing a pathway for the hemp and cannabis industries to participate in the federal- and state-regulated hemp marketplaces.

The changes made in Section 26068 of the Business and Professions Code replace a listing of individual commercial cannabis activities that must be logged in the track and trace program with a broad reference to the "commercial supply chain." This change is not intended to remove the requirement for the track and trace program to capture these different stages of commercial cannabis activity, including, but not limited to, cultivation, harvest, processing, manufacturing, distribution, inventory, sale, and delivery.

Amendments made to the Sherman Food, Drug, and Cosmetic Law reiterate the expectation of the State of California that food, food additives, beverages and dietary supplements do not contain THC. Amendments further allow cosmetics that are intended to be applied to the skin and are not consumable to contain no more than 0.3% total THC. Collectively, these amendments are intended to prevent intoxicating cannabinoid products from being sold without the appropriate regulatory oversight and purchasing age restrictions.

The Department of Public Health has regulatory authority to establish additional requirements or limits on hemp-derived products. This authority is not intended to allow the Department to establish higher THC limits but rather, it is intended to allow the provision of stricter requirements if evidence indicates it is necessary to do so to protect public health.

Further, the author's intent is that final form hemp products that could contain THC must undergo independent laboratory testing to confirm:

- compliance with state standards, including allowable THC concentration,
- concentrations of cannabinoids identified on the label,
- lawful sourcing of the industrial hemp, and
- contaminant levels specified in HSC § 111925.4.

These requirements are similar to those established in AB 45 (Aguiar-Curry, Chapter 576, Statutes of 2021). Under AB 8 and AB 45 Health and Safety Code section 111921 (a)(1) was intended to clarify that the THC limit referenced applies to the hemp extract that is used to manufacture a finished product, not the weight of the entire consumer good. This ensures that final form products like cookies or beverages cannot carry intoxicating doses of THC while claiming to be under a percentage-based THC limit.

In the event that cleanup legislation is needed to properly implement this legislation, I commit to working with stakeholders, legislative committees, and leadership staff to protect public health and create well-regulated, equitable hemp and cannabis markets in the state of California. Thank you for this opportunity to clarify my intent with AB 8.

Sincerely,

CECILIA M. AGUIAR-CURRY, Assembly Member  
Fourth District

**Legislative Intent—Assembly Bill No. 592**

September 12, 2025

*Sue Parker*

*Chief Clerk of the Assembly  
State Capitol, Room 319  
Sacramento, California*

Dear Ms. Parker: I write to express my intent in authoring Assembly Bill (AB) 592. In particular, it is my intent that nothing in these amendments to Section 114266 of the Health and Safety Code, shall limit, restrict, or impose additional obligations on the conduct of limited food preparation, authorized pursuant to Section 113818 of the Health and Safety Code, or any other provision of the California Retail Food Code that allows for food preparation outside of an enclosed kitchen. Existing authorizations issued by a local enforcement agency, including for limited-food preparation, shall remain in full force and effect and the amendments to this section shall be read solely as providing additional authority for open kitchens with open front-of-house full food preparation.

Thank you for the opportunity to clarify the intent of AB 592.

Sincerely,

JESSE GABRIEL, Assembly Member  
Forty-sixth District

**UNANIMOUS CONSENT GRANTED TO PRINT IN JOURNAL**

Assembly Member Aguiar-Curry was granted unanimous consent that the following statements of legislative intent relative to Assembly Bills Nos. 366 and 732 be printed in the Journal:

**Legislative Intent—Assembly Bill No. 366**

September 13, 2025

*Sue Parker**Chief Clerk of the Assembly**State Capitol, Room 319**Sacramento, California*

Dear Ms. Parker: As introduced and passed out of this house with no “no” votes on June 2, 2025, Assembly Bill 366 would have expanded California’s existing ignition interlock device (“IID”) program to apply to all individuals convicted of driving while intoxicated. As passed on concurrence today, the bill merely extends the existing program’s sunset date.

The purpose of this letter is to memorialize a commitment with the Administration to work through the details of expanding the program over the coming months.

It is my intent to introduce legislation in 2026 to implement a permanent, all-offender IID program to begin on January 1, 2028, the build-out of which would be supported by federal funds and cost-recovery mechanisms, such as per-device fees, until the technology upgrades necessary for program implementation are completed.

Sincerely,

COTTIE PETRIE-NORRIS, Assembly Member  
Seventy-third District

**Legislative Intent—Assembly Bill No. 732**

September 13, 2025

*Sue Parker**Chief Clerk of the Assembly**State Capitol, Room 319**Sacramento, California*

Dear Ms. Parker: I write to clarify my intent behind Assembly Bill 732.

The measure is intended to specify that County Agricultural Commissioners may issue an administrative civil penalty, as specified in Food and Agricultural Code 5647, for pest-related nuisances on properties with neglected or abandoned crops, identified in Chapter 7 of Part 1 of Division 4 of the Food and Agricultural Code.

It is not my intent that the bill be interpreted to expand penalty authority of County Agricultural Commissioners beyond this Chapter.

Thank you for your consideration.

Sincerely,

ALEXANDRA M. MACEDO, Assemblywoman  
Thirty-third District

**ADJOURN IN MEMORY**

Assembly Member Muratsuchi was granted unanimous consent that when the Assembly adjourns on this day it do so out of respect to the memory of Bob Parke of Palos Verdes Estates.

(Assembly Rule 45.5 suspended.)
