Legislative Intent—Assembly Bill No. 39

September 7, 2023

Sue Parker

*Chief Clerk of the Assembly
State Capitol, Room 319
Sacramento, California*

Dear Ms. Parker: The purpose of this letter is to expand on my intent as the author of Assembly Bill (AB) 39, which licenses and regulates companies engaging in digital financial asset business activity. Digital financial assets, also referred to as “virtual currency,” “cryptocurrency” or “crypto assets,” are money-like, digital representations of value that are not considered legal tender and are not issued by a central bank of a sovereign nation. Use of these assets has grown quickly in recent years and the lack of regulatory clarity has led to significant consumer harm.

My intent with AB 39 is to provide the Department of Financial Protection and Innovation (DFPI) with the authority and flexibility it needs to keep up with this new and quickly evolving area of finance. AB 39 is based on the model law developed by the Uniform Law Commission (ULC) after an extensive stakeholder and review process. One of ULC’s goals with the model law is to establish predictable and tailored regulations to this emerging industry so as to provide clarity and fairness to both consumers and companies.

It is not my intent to regulate those digital assets that are not financial assets. Under AB 39, a digital financial asset must be used as a medium of exchange, a store of value, or a unit of account in order for that asset to be covered by the bill. However, some digital assets do not fit that criteria. For example, a non-fungible token (NFT) is a digital token representing digital ownership of another asset or right. NFTs are typically associated with ownership of digital products such as art, trading cards, and music, or they convey a right to access to a live event. In many cases, these digital products are simply a type of digital collectible, and I do not intend for DFPI to begin regulating digital art or music marketplaces. To the extent that some NFT projects are scrutinized for their treatment under federal or state securities law, AB 39 contains a clear exemption for such securities.

Sincerely,

TIMOTHY S. GRAYSON, Assembly Member
Fifteenth District

Legislative Intent—Assembly Bill No. 1020

September 12, 2023

Sue Parker

*Chief Clerk of the Assembly
State Capitol, Room 319
Sacramento, California*

Dear Ms. Parker: I am the author of Assembly Bill 1020, which would ensure consistency between the workers compensation presumptions in the Labor Code and the presumptions in the Government Code, with regard to disability retirements in 1937 Act County Retirement Systems. The measure attempts to align with current Senate Bill 623 (Laird) which would extend the presumption for post-traumatic stress injury in the Labor Code.

Recent amendments to Senate Bill 623 extend the presumption for post-traumatic stress injury in Labor Code Section 3212.15. Recent amendments to SB 623 extend the sunset until January 1, 2029, rather than January 1, 2032, which is not aligned with AB 1020 in proposed Government Code Sections 31720.91 or 31720.91.

Should both AB 1020 and SB 623 be signed into law, it is my intention to introduce legislation in 2024 that will align the sunset dates in those provisions.

Sincerely,

TIMOTHY S. GRAYSON, Assembly Member
Fifteenth District
