2025–26 REGULAR SESSION

ASSEMBLY JOURNAL

RECESS JOURNAL NO. 24

INTERIM STUDY RECESS

Assembly Chamber, Sacramento
Friday, September 26, 2025

Pursuant to the provisions of Joint Rule 59, the following Assembly Journal for the 2025–26 Regular Session was printed while the Assembly was in Interim Study Recess.

SPECIAL COMMITTEE MEETINGS

By unanimous consent, the following committee was permitted to meet:

Select Committee on Alternative Protein Innovation, on Thursday, October 23, 2025, at 1:30 p.m., at UCLA, 10745 Dickson Ct., Los Angeles, 90095, Royce Hall, Room 314.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2024-108
September 23, 2025

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 319
Sacramento, California*

Members of the Assembly: As directed by the Joint Legislative Audit Committee, my office conducted an audit of the Alameda County Department of Children and Family Services (department) regarding its role in ensuring the health and safety of youth in the county’s foster care system. In general, we determined that the department did not always initiate investigations of alleged child abuse and neglect referrals within the prescribed time frames, did not always ensure that foster youth received timely critical physical and mental health services, and did not always ensure that youth maintained connection with family members.

The department must initiate investigations within one day when youth are in imminent risk (immediate referrals) and within 10 days when youth are not at imminent risk (non-immediate referrals); however, the late initiation of such investigations has increased since fiscal year 2019–20. In fiscal year 2023–24, the department initiated investigations of 11 percent of immediate referrals and 48 percent of non-immediate referrals after the required time frames. Furthermore, the department did not complete investigations within the prescribed 30 days after initiation, and it took the department an average of 105 days to complete investigations for about half of all non-immediate referrals in fiscal year 2023–24. Although delays in *initiating* investigations of the referrals that we selected for review were beyond the department’s control—when, for example, the department was unable to contact a family member after repeated attempts—the department could not always demonstrate why its *completion* of investigations took so long. We acknowledge that the department has faced high job vacancies, which has resulted in large caseloads for its staff in the Emergency Response Unit—the unit responsible for conducting investigations.

Because it lacked necessary documentation, the department could not demonstrate or did not ensure that youth received needed services in a timely manner. Inconsistent documentation leaves the department unable to know whether its staff have made adequate efforts to ensure that youth receive services in a timely manner. Similarly, we found that the department’s documentation did not include information about its efforts to identify, locate, and notify all relatives who could serve as potential caretakers or to engage youth with family members to expand the youths’ potential support networks.

Without timely investigations and thorough documentation, the department runs the risk of leaving youth in potentially unsafe circumstances or of not providing vital services that youth in its care require for their well-being, family connections, and successful transition into adulthood.

Respectfully submitted,

GRANT PARKS
California State Auditor

Above report referred to the Committee on Human Services.

MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

Signing Message—Assembly Bill No. 238

Governor's Office, Sacramento
September 22, 2025

To the Members of the California State Assembly:

I am signing Assembly Bill 238, which requires mortgage servicers to provide up to 12 months of forbearance to borrowers experiencing financial hardship due to the January 2025 Los Angeles firestorm.

This bill is a welcome expansion of the forbearance agreements my Administration secured earlier this year with major national lenders, as well as over 400 state-chartered financial institutions, to offer mortgage relief to LA firestorm victims. In particular, this bill requires mortgage servicers to honor forbearance requests, subject to applicable conditions, and ensures that the same requirements apply even if a loan is transferred or sold to a new servicer or investor. Under this bill, if a loan is transferred or sold during the required forbearance period, the borrower remains entitled to forbearance, and any denial of forbearance following a sale or transfer must be consistent with the terms of this bill.

Sincerely,

GAVIN NEWSOM
