Lord, Many times the condition of our lives reflects the condition of our heart. When our thoughts dwell on negative, hopeless and mediocre things, our life can go down the same path. Lord, help us to capture our thoughts (2 Corinthians 10:5), and renew our minds and hearts with Your invisible power. Keep us from dwelling on any destructive thought that comes to mind. Instead, inspire us to think and to speak and to act in a way that is pleasing to You always.—AMEN.

Legislative Intent—Assembly Bill No. 2702

October 6, 2010

E. Dotson Wilson

*Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Subject: Assembly Bill 2702

Dear Mr. Wilson: I am the author of AB 2702. On August 10, I withdrew the bill from consideration and asked the Senate Appropriations Committee to hold it on suspense.

The measure was intended to clarify that the individual planning processes, which are the cornerstone of the Lanterman Act, were not changed as a result of last year's budget reductions. Decisions concerning the consumer's goals, objectives, and services and supports that will be included in the consumer's individual program plan and purchased by the regional center or obtained from generic agencies shall be made by agreement between the regional center representative and the consumer or, where appropriate, the parents, legal guardian, conservator, or authorized representative at the program plan meeting.

Last year, the Legislature adopted Chapter 9 of the Fourth Extraordinary Session of 2009 to implement changes to achieve \$334 million in savings in the Department of Developmental Services (DDS) budget. While the changes included in Chapter 9 establish new criteria for the purchase of some regional center services, regional centers nonetheless remain obligated, consistent with all provisions of the Lanterman Act, the Early Intervention Services Act, and implementing regulations, to follow the procedures required by Welfare & Institutions Code Sections 4646 and 4646.5 and Government Code 95020 when developing, reviewing or modifying a consumer's IPP or IFSP, including any changes to the provision of services that were adopted in Chapter 9.

DDS has agreed to issue an administrative advisory reminding regional centers that Chapter 9 did not change the IPP or IFSP procedural requirements in the Lanterman Act and reminding them to follow those procedures. Additionally, administrative law judges have issued fair hearing decisions recognizing that the Lanterman Act and the Early Intervention Services Act require regional centers to comply with the applicable statutes and regulations governing the IPP and IFSP processes. For these reasons, I decided not to proceed with the bill.

Sincerely,

WESLEY CHESBRO, Assembly Member
First District

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Speaker John A. Pérez was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 342 and Senate Bill No. 208

October 7, 2010

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: I am transmitting this letter to the Assembly Journal regarding SB 208 (Steinberg), part of a two bill package with my bill, AB 342, both of which implement the new Medi-Cal Demonstration Waiver.

I am writing to clarify the intent with regards to language in SB 208 in Welfare and Institutions Code Section 14182.3. It is our intent that the state will achieve \$500 million in General Fund savings through federal claiming of state-only programs and programs that serve special populations, including those specifically identified in the 2010–11 budget package. With regard to the language in 14182.3(c), it is not our intent to limit the reallocation of available federal funds to public hospitals from the \$500 million referenced in this section only to achieve “base funding” as defined in 14182.3(c)(3).

Additionally, in Section 14182.3(a), it is our intent that such payments shall function as interim payments which will be subject to reconciliation provided for under expected subsequent legislation described in Section 26 of SB 208. There is no intent, for the purposes of these interim payments, in the interval between approval of the new Section 1115 Waiver and subsequent legislation that addresses the allocation of the waiver funding, to alter the current funding methodology between hospitals.

It is my understanding that the California Department of Health Care Services intends to issue a provider bulletin consistent with the intent expressed in this letter.

Sincerely,

JOHN A. PÉREZ
Speaker of the Assembly
