California State Auditor

2000-001
December 22, 2000

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The Bureau of State Audits presents its Independent Auditors' Report on the State of California's general purpose financial statements for the fiscal year ended June 30, 2000. These financial statements are presented on a basis in conformity with generally accepted accounting principles (GAAP). The financial statements show that the State's General Fund generated revenues of approximately \$10 billion more than it spent for the fiscal year. The General Fund ended the fiscal year with a fund balance of approximately \$8.4 billion. The GAAP basis statements include all liabilities owed by the State while the budgetary basis statements that are used to report on the State's budget do not reflect all liabilities.

We conducted the audit to comply with the California Government Code, Section 8546.4.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Budget.
