California State Auditor

97019

February 26, 1998

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As required by Chapter 518, Statutes of 1995, the Bureau of State Audits presents its audit report concerning Los Angeles County's (county) fiscal condition and the status of issues we previously reported. This report concludes that the county achieved a budget surplus of \$273.8 million for fiscal year 1996-97. To help balance its 1997-98 budget, the county budgeted the following: the use of approximately \$300 million of its \$1.2 billion of unused Los Angeles County Retired Employees' Association excess earnings, the receipt of approximately \$200 million from its health services relief package, and approximately \$200 million of additional funding for its hospitals with a high disproportionate share of indigent patients. However, we estimate that the county may exceed its overtime budget for 1997-98 by \$67 million. Finally, to maintain a balanced budget for 1997-98, the county will have to receive the revenues it has budgeted as well as control its overtime usage and find ongoing funding sources to pay for the salary increases it approved.

Respectfully submitted,

KURT R. SJOBERG  
State Auditor

Above report referred to the Committee on Local Government.
