EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA

WHEREAS, An extraordinary occasion has arisen and now exists, requiring that the Legislature of the State of California be convened; now, therefore,

1. To consider and act upon an act providing an appropriation for the 92d fiscal year to the Relief Administrator and Relief Commission for the relief of hardship and destitution due to and caused by unemployment to be expended by the Relief Administrator and Relief Commission in accordance with the provisions of the California Unemployment Relief Act of 1935 for the relief of persons qualifying thereunder.

CULBERT L. OLSON,

ATTEST: PAUL PEEK,

Secretary of State.

Message from the Governor.

STATE OF CALIFORNIA, GOVERNOR'S OFFICE.

SACRAMENTO, September 13, 1940

*To the Members of the Senate and Assembly of the California Legislature,
Sacramento, California.*

GREETINGS: You have been called into special session on this date for purposes set out in a communication which I addressed to each of you when issuing the proclamation. Briefly, they are these:

(1) To provide further for unemployment relief.

(2) To create and provide for a State Council of Defense.

In the matter of Unemployment Relief, the State Relief Administrator reports to me that an immediate appropriation of at least \$1,450,000 is necessary to carry the present unemployment relief case-load from September 11th to September 30th, both dates inclusive, or all unemployment relief payments must be discontinued during that period.

To meet unemployment relief payments from September 11th through September 14th it was necessary for the Director of Finance, with my approval, to authorize incurrence of a deficiency of \$300,000 for that purpose. This amount is the maximum deficiency allowable according to the Attorney General's opinion, numbered NS 2082-A rendered to the State Controller December 11, 1939.

I was informally advised that the President Pro Tempore of the Senate and the Speaker of the Assembly intended to reconvene the Legislature on September 21st for the purpose herein contemplated. I would have preferred this procedure, and would, if possible, have avoided calling you into special session before then.

I understand that your Joint Committee on Unemployment Relief, in fixing September 21st as the date for reconvening, was under the impression that a larger deficiency could be authorized by the Director of Finance and the Governor; an impression caused by the following communication dated September 7th, from Director of Finance John R. Richards to Relief Administrator S. G. Rubinow, which was called to the attention of the Committee by Mr. Rubinow.

"Because of prior commitments, it will not be possible to finance unemployment relief out of the Emergency Fund from September 11 to September 21st as recommended by the Legislative Fact Finding Committee on relief. Resolution of committee should be to the effect that Director and Governor authorize relief administration to create a deficiency to be paid from any appropriations to be made by subsequent legislative action. With such a resolution of the committee, you could be authorized to use present cash on hand already committed for other expenditures to continue relief payments until Legislature meets and takes necessary action on September 21st and their action is enacted into law."

Since your Joint Committee is familiar with the present and prospective relief load under the terms of present law, Chapter 45 of the First Extraordinary session, and the present need for action, on your part, to release or appropriate additional funds for immediate use, doubtless, the full advice and recommendation of your Joint Committee will be immediately available, so that you may readily act upon this emergency, perhaps within one day.

In the matter of a State Council of Defense, every consideration of national and local defense warrants your prompt and vigorous action. I have heretofore appointed a State Council of Defense and the Executive Committee thereof. They have been at work since last June 24th with the formulation of plans and program for State and home defense and for civil defense activities, in accordance with advice and instructions received from the Council of National Defense and its advisory committee and with the aid and cooperation of a representative of the War Department.

In order to carry on this work, the council should be established and its support funds should be provided through legislative act.

A bill will be presented for these purposes. It will provide for the establishment and organization of this Council of Defense in the executive department of the State government in accordance with the plans of the Council of National Defense and its advisory commission and other agencies of the Federal Government, with power to plan for the mobilization of agricultural, industrial, communication and transportation facilities, for the preservation of the public peace, health, safety, and welfare, for the protection of individual rights and consumer interests, for the suppression of sabotage and subversive activities, to cooperate with similar agencies

authorized to be established in the cities and counties, to formulate a program of State and local government participation in the national defense program, to gather and disseminate information in regard to such participation, to integrate State and local programs with the national program, to make adjustments necessary for the prompt assimilation and unification of such programs, and to coordinate properly governmental and private agencies in the defense effort. This bill will provide for participation in the work of the California State Council of Defense by members of the Legislature. And it will appropriate money to the State Planning Board and to the California State Council of Defense for these purposes.

I am sure that we all desire complete unity in matters of home and national defense; and I am sure that we will all agree that the legislative and the executive departments should cooperate and unite in the work of perfecting and carrying forward all defense plans and programs within our State. I recommend that the proposed act provide for a committee of the Legislature consisting of members of the Senate and Assembly who shall be authorized to meet and participate with the State Council of Defense and its executive committee, to advise and cooperate in the work of the council, and to recommend such legislation as may be found necessary to the accomplishment and success of the important work which it will be the duty of the State Council of Defense to conduct. I do not believe that any larger appropriation than \$50,000 is necessary at this time and I would recommend that amount.

I ask for and anticipate your cooperation, your prompt and favorable action in the matters here presented.

Since issuing the proclamation for this session I have been urged to include other matters related to national defense. One is a proposal to permit more intensive use of public school occupational training facilities to train artisans and mechanics. Another is a proposal to set up a sabotage and arson bureau within the State Fire Marshal's office.

It is now my understanding that your previous call to reconvene on the twenty-first can not be rescinded and that you will therefore meet then regardless of this present call. This being the case, I shall seek to discuss these proposals with your leaders. Should it appear to be your wish, and should they appear to be likely of passage, I shall be glad to issue a call to include these items.

Respectfully submitted.

CULBERT L. OLSON,
Governor of California.

Senators Fletcher, Hollister and Holohan appeared before the bar of the Assembly, and announced that the Senate had organized, and was now ready to proceed with the regular business.

Thereupon no member shall be permitted to leave the Assembly Chamber except by written permission of the Speaker and no person shall be permitted to enter except such member as is taken into custody as herein provided, or Senators, officers, attaches or employees of the Legislature in the official performance of their duties.

Those members who are found to be absent and for whom no leaves of absence have been granted, shall be forthwith taken into custody wherever found by the Sergeant-at-Arms or his assistants, and brought to the Assembly Chamber. No recess or adjournment shall be taken during a call of the Assembly. During such call the Assembly may consider and transact any matter of business by unanimous consent. A call of the Assembly may be dispensed with at any time upon a majority vote of the members present, at which time the completion of the roll call pending when the call of the Assembly was ordered, shall become the immediate order of business before the Assembly.

Leave of Absence.

34. No member shall absent himself from attendance at any session of the Assembly without leave of the Assembly, and no member shall obtain such leave of absence or be excused for nonattendance, except by a two-thirds vote of all members elected to the Assembly, or by unanimous consent.

Questions of Order Decided Without Debate.

39. All incidental questions of order, arising after a motion is made for any of the questions named in Rule No 38 and pending such motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal from Decision of the Speaker.

40. Any member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another member has the floor. No appeal is in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken.

Upon the appeal being seconded, the Speaker may give his reasons for the decision, and shall forthwith put this question to the Assembly: "Shall the decision of the Speaker be sustained?"

An appeal can not be amended and yields only to a motion to recess or adjourn, to lay on the table, or a question of personal privilege. If an appeal be laid on the table, such action shall have no effect on the pending question.

An appeal can not be debated when relating to indecorum, transgression of rules, or priority of business. A majority vote of the members present shall decide any appeal.

To Adjourn.

41. A motion to adjourn is not debatable and can not be amended, and is always in order, except (a) when another member has the floor; (b) when the Assembly is voting; (c) during a call of the Assembly. The name of any member moving an adjournment and also the hour at which the motion was made and adjournment taken, shall be entered on the Journal. Such a motion to adjourn must be adopted by a majority vote of the members present.

When such a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. Such statement shall not occupy more than two minutes and shall not be debatable.

To Recess to a Time Certain.

42. A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that such motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table.

43. A motion to lay on the table is not debatable and can not be amended. If carried by a majority vote of the entire elected membership, it carries with it the main question and everything that adheres to it; provided, however, that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, concurrent, joint or house resolution.

The Previous Question.

44. The previous question shall be put only when demanded by five members, and in this form: "Shall the question be now put?" And its effect, when sustained by a majority of the members present, shall be to put an end to all debate and bring the house to a vote only on the question then pending; except that the proponent of the matter pending shall be allowed not to exceed five minutes to close the debate.

Motion to Set Special Order.

45. A motion to set any matter before the Assembly as a special order of business must be adopted by a two-thirds vote of the members elected. It is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain.

46. A motion to postpone to a time certain shall be deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely.

47. When a motion is made to postpone indefinitely any bill, motion or amendment, it opens the main question to debate. Should the motion to postpone indefinitely prevail by a majority vote of the entire membership, the main question shall not be acted upon again during the session.

Motion to Amend.

48. A motion to amend may itself be amended, but no "amendment to an amendment" can be amended. A motion to amend is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the members present.

A motion to amend having been decided in the negative, shall not again be in order on the same day, or at the same stage of proceeding.

A motion to amend by striking out certain words having been decided in the negative, shall not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words; but in no case shall a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule, a motion to amend is in order during the second or third reading of any bill.

Amendment to Be Germane.

49. No amendment to any bill, whether reported by a committee or offered by a member, shall be in order when such amendment relates to a different subject, or is intended to accomplish a different purpose, or requires a title essentially different from the original title of any bill.

No amendment shall be in order which adds or deletes the name of a member as an author or co-author, or which changes the original number of any bill.

Substitute Motion.

50. A motion to substitute shall be deemed and treated as a motion to amend.

Motions in Writing.

51. Upon request of the Speaker all motions shall be reduced to writing and shall be read by the Speaker before the same are acted upon.

Consideration of Motions.

52. No motion, whether oral or written, shall be adopted until the same shall be seconded and distinctly stated to the Assembly by the Speaker.

Division of Questions

53. Any member may call for a division of the question, and the Speaker shall order the question divided if it comprehend propositions in substance so distinct that one being taken away, a substantive proposition shall remain for the decision of the Assembly.

Resolutions.

54. The adoption of any resolution authorizing the expenditure of money shall require an affirmative recorded vote of a majority of all members elected to the Assembly. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Speaker.

Withdrawal of Motions.

55. After a motion is stated by the Speaker, or a bill, resolution or petition read by the Clerk, it shall be deemed to be in the possession of the Assembly.

Motion to Be Germane.

56. No motion or proposition on a subject different from that under consideration shall be admitted as an amendment.

Bills Reported Back to Assembly.

57. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to

the Assembly forthwith, and the chairman of each committee is charged with the observance of this rule.

Motion to Withdraw and Recall Bills.

58. A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee may be made during the regular order of business. A motion to re-refer shall only be debatable as to the propriety of such reference.

No bill or resolution shall be withdrawn from committee and placed upon the Calendar except upon one day's notice thereof and except by a recorded vote of a majority of the elected members.

Bills Stricken from Calendar.

59. A motion to strike from the Calendar any bill or House Resolution requires a majority vote of the entire elected membership. Such bill shall not be acted upon again during the session.

Motion to Rescind Action and Expunge Record.

60. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by an affirmative recorded vote sufficient to take such action originally; except that no action shall be rescinded and the record expunged by a vote less than a majority of the entire elected membership. No motion to rescind the action and expunge the record shall be made twice on the same proposition.

Reference of Bills to Committee.

61. Immediately following its first reading the Speaker shall refer each bill to a committee, unless upon a motion, the Assembly by a majority vote of its entire elected membership, shall refer it to some other committee. Such motion to refer a bill shall not be debatable. Should several different committees be proposed, preference shall be given as follows:

1. Committee of the Whole.
2. Standing Committee.
3. Special Committee.

Record of Bills.

62. The Chief Clerk shall cause to be kept a permanent record of every action taken by the Assembly on every bill, and the date of such action. Every such action and the date thereof shall also be indorsed upon such bill.

Consideration of Constitutional Amendments, Concurrent and Joint Resolutions.

63. Constitutional amendments, concurrent and joint resolutions may be amended by a majority of the members present and shall be treated the same as bills, except that they shall be read but once. The ayes and noes shall not be called upon the adoption of concurrent resolutions, except those presenting charter amendments or authorizing expenditures of money, unless regularly demanded or required by statute or by the Constitution.

Second Reading of Bills.

64. All bills shall be read the second time in the order of their appearance upon the Second Reading Calendar. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading.

Committee Amendments.

65 Committee amendments reported with bills shall be considered upon their second reading and such amendments may be adopted by a majority vote of the members present. Assembly bills so amended shall be ordered reprinted and engrossed, and Senate bills so amended shall be ordered reprinted and to third reading.

Amendments from the Floor.

66. Any member may move to amend a bill during its second or third reading and such motion to amend may be adopted by a majority vote of the members present. Bills so amended on second reading shall be treated the same as committee amendments. Any bill so amended upon the Third Reading Calendar, shall be reprinted and all Assembly bills so reprinted shall be ordered re-engrossed. The Chief Clerk shall order printed not to exceed 1000 copies of all amended bills.

Committee on Engrossment and Enrollment

67. It shall be the duty of the Committee on Engrossment and Enrollment to compare all bills, ordered or considered engrossed by the Assembly with the engrossed copies thereof; and, before they pass out of the possession of the Assembly, see that the engrossed bill is a true copy of the original, with such amendments as may have been made thereto; and said committee shall see that all engrossed bills are reported back in the order in which they were ordered engrossed. The report of the Committee on Engrossment and Enrollment shall be in order at any time.

Engrossing and Enrolling Bills.

68. The Engrossing and Enrolling Clerk shall engross and enroll all bills which shall come to his hands for such purposes, in compliance with the provisions of section 539 of the Political Code, and in the order of time in which the same shall be acted upon by the Assembly.

69 Upon the final passage of any bill, if no notice of motion to reconsider such bill be given, the Speaker shall order the bill transmitted to the Senate under signature of the Chief Clerk. Senate bills refused passage shall forthwith be returned to the Senate under similar signature.

Bills Considered During Last Seven Days.

No Assembly bill shall be passed by the Assembly within seven calendar days previous to the time set for adjournment *sine die* of the Legislature, except upon recommendation of the Speaker and permission to consider and vote on such bill being granted by a recorded vote of three-fourths of the entire elected membership of the Assembly.

Concurrence in Senate Amendments.

71. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the Constitution for the passage of such bill. It shall require an affirmative recorded vote of two-thirds of the entire elected membership of the Assembly to concur in any Senate amendment to an Assembly bill which contains an item or items of appropriation subject to reduction or elimination under the provisions of section 34a of Article IV of the Constitution. The vote on concurrence or upon the adoption of such free conference report of the Assembly shall be deemed the vote upon final passage of such bill. When Senate amendments to an Assembly bill are concurred in, the bill shall be forthwith ordered enrolled, and the Chief Clerk shall notify the Senate of such concurrence.

Nonconcurrence in Senate Amendments.

72. If the Assembly refuse to concur in the Senate amendments to any Assembly bill, the Chief Clerk shall notify the Senate of such refusal and request the Senate to recede from its amendments. If the Senate so recede and notify the Assembly, the bill shall be forthwith ordered enrolled.

Committee on Free Conference.

73. Should the Senate refuse to recede from its amendments and so notify the Assembly, the Speaker shall thereupon appoint three members as a Committee on Free Conference. If there be a minority vote on concurrence, two of such members shall be selected from those voting against concurrence and the third member shall be selected from those voting for concurrence. The Chairman of the Senate Committee on Free Conference for the same bill shall arrange the time and place of meeting of such committee. It shall require an affirmative vote of not less than four of the members constituting the Committee on Free Conference to agree upon a report and the report shall be submitted to both the Senate and Assembly. Such report is not subject to amendment and if either house refuses to adopt such report, the conferees shall be discharged and other conferees appointed.
