Dear Saul

I should work + type this letter but I want to get it off to you tonight. Today I went to Oakland and met with Herrling + Eichner. They have agreed with me that you are the best man to present the bill to the committee — with Hanto help. Also I have the Secretary-Treasurer's OK for the expense of the trip so Saul - if you can spare the time please come up for the committee hearing.

I have ask Sartori to be Regional Director for the San Joaquin Am + Delan for the Sac Valley area. Each will have meetings - I will try to get to the Sac valley one. Some of your men could help by encouraging Sartori to give this bill some attention at his meeting. I will not get to it but Herrling + possibly Eichner will.

Nissen is working for our bill with the Humboldt assemblyman. He knows him well and I think will help us a lot.

I intend to appoint McFarland and Hart to your committee for this bill which so far includes only you + Elmo Moen — if this is OK with you. Of course these men are apparently working very well with out assignment, and many others are helping. If you have suggestions as to who should be named to the committee please forward them

I will contact Hart soon to learn if he has given the amendment to Munnell

Thanks for your letters, revised bill, and other very useful information

Please overlook the hurried writing

Dear Sir:

This statement is filed pursuant to Section 9906 of the Government Code.

My name is Philip J. Gregory. My business address is 275 Bush Street, San Francisco, California.

I am an attorney employed by the law firm of Landels and Weigel of San Francisco. Mr. Edward D. Landels of that firm is retained as counsel by the California Bankers Association and as such represents that association before the Legislature. He also represents the Investment Bankers Association before the Legislature. I assist him in that work.

I therefore "appear or work" in the interest of the California Bankers Association and the Investment Bankers Association, California Group.

The duration of my employment is indefinite.

I am paid a salary by Landels and Weigel, of which I estimate $450 per month would represent my compensation for the above work during the Legislative session.

In addition to the above I am reimbursed for out of pocket expenses, including meals, lodging and travel.

I enclose herewith an authorization from the California Bankers Association and an authorization from the Investment Bankers Association, California Group, authorizing me to appear on behalf of each of them respectively.

Very truly yours,

Philip J. Gregory

Dear Sir,

Enclosed is Form 3 covering my monthly report in accordance with the provisions of Government Code Sections 9900-9911.

My activity as Legislative Advocate is limited to representation of Challenge Cream & Butter Association. I receive a $500 monthly retainer from this company covering various legal services, plus additional compensation for items not covered by the retainer.

On the enclosed form, I have scheduled only the additional fees paid to me in connection with my activities in Sacramento.

It is difficult to allocate the retainer to any particular items, and I am not certain whether or not the form of report requires the inclusion of the monthly retainer as well as additional compensation for services unrelated to legislative matters.

If I have not completed this report in proper form, would you please so advise?

Yours very truly,

Maurice E. Hibbert

Dear Sir:

This statement is filed pursuant to Section 9906 of the Government Code. I have previously filed statements pursuant to this section with you and the statute apparently requires no additional statement. Nevertheless, I deem it best to file it again.

My name is Edward D. Landels. My business address is 275 Bush Street, San Francisco, California. I am retained by the California Bankers Association.

The address of the California Bankers Association is 805 Mills Building, San Francisco, California.

I "appear or work" in the interest of the California Bankers Association.

The duration of my employment is indefinite.

I am paid a retainer as counsel to the Commission on Legislation and Taxation of the California Bankers Association of $1458.00 a month. Among my functions as such counsel is that of representing the California Bankers Association before the Legislature.

From said retainer I pay my proportionate share of the expenses of the law firm of which I am a member. I estimate that $600.00 a month of said expenses might be said to be properly allocable to work in connection with the above retainer.

In addition to the above I am reimbursed for out-of-pocket expenses.

The expenses included in the above are those occasioned by travel away from the office and other incidental expenses.

There has heretofore been filed with you under the signature of the Executive Manager of the California Bankers Association a written authorization for me to appear in its behalf.

Very truly yours,

Honorable James J. McBride

Ventura, California

Dear Senator McBride:

It is my pleasure to inform you that the Southern California Chapter of the Associated General Contractors has retained Mr. Kenneth A. Ross, Jr. as its legislative representative for the 1955 General Session of the Legislature.

As you know, Mr. Ross served as a member of the Assembly from the 66th District in Los Angeles and established a fine record as an able and conscientious legislator. We feel certain that you, as a former colleague, will welcome him in his new capacity and we are happy to have him represent our association.

The Associated General Contractors is the one trade association of general contractors which represents the second largest industry in California. As such, we are anxious to cooperate with you in the development of sound, equitable legislation and pledge our assistance toward this end.

Very truly yours,

Carl H. Wittenberg, President

Dear Mr. Boli:

I hereby depose and say that everything contained in this letter is true and correct to the best of my knowledge, information and belief. This will supplement my letter of May 5, 1954 addressed to you and I incorporate herein by reference my letter of August 6, 1952 addressed to you and the statements therein contained, in which I indicated that in my opinion I was not a lobbyist within the concept of the law but I was complying voluntarily in order that the Legislature might be fully advised.

Since my letter of May 5, 1954 I have engaged in no activities with respect to matters embraced within the law during the months of May through December, 1954, inclusive, except that I did attend various Interim Committee hearings of both the Assembly and the Senate, for which I incurred expenses and for which I received compensation. Since such appearances, however, are not embraced within the Act, I am not detailing and itemizing them herein.

During the month of January, 1955, I performed services at the legislative session and incurred expenses with respect thereto in the sum of $108.60. I have, however, not as yet received compensation for any of such services and accordingly no compensation for the month of January covering services embraced within the Act.

I hope this brings me in full compliance on a current basis.

Very truly yours,

Dear Sir:

This is to introduce Mr. Ralph Walters, Public Relations Representative of the California Council for the Blind.

As Public Relations Representative, Mr. Walters carries on a general public education program for the Council through publicity, public appearances and personal contacts. In addition to these duties he will represent the Council in all matters affecting the blind of California during the 1955 session of the State Legislature. He will act in this capacity under my direction and in compliance with policies established by the Council as a whole and by the Executive Committee of the Council.

Any assistance you can give him will be greatly appreciated.

Yours sincerely
Robert W Campbell

LEGISLATIVE AUDITOR

JAN 4 1955

Employed by: California Council for the Blind
Robert W. Campbell, President
2506 Shattuck Avenue
Berkeley 4, California

The interest being served here is that of advancing the cause of the blind throughout the State of California in such a manner as to rehabilitate and to assist with the adjustment of visually handicapped individuals who are in the productive years of life so as to make them contributing members of our society, and, in every case, to protect the best interests of the California taxpayer in any manner possible so as to insure them the maximum return that is possible on their investment.

This is a full-time position that was commenced on September 15, 1954, and includes not only the task of advocating the Council's legislative program, but including also the representation of the aforementioned interests of the California Council for the Blind at all levels of government and administration throughout the State, as well as to present the case of the blind in California to the citizenry writ large in the form of public education.

The California Council for the Blind pays me a monthly salary of $137.50 and allows me another $137.50 per month with which to meet all my expenses that may be incured in carrying out my functions, including rent, telephone, transportation, travel expense, hotel, and similar items. It is my purpose solely to attempt to secure statutes, administrative decisions, mass education of the sighted and blind that will enable the blind of California to help themselves.

The legislation that will be proposed and/or supported by our organization will include any bills designed to broaden and to extend the provisions of the various government codes as they pertain to the blind of California. On the other hand, any bills that attempt to destroy any part of the progress which the blind have attained over many long years of hard arduous effort will be opposed, for experience has aptly demonstrated that the most efficient, economical way of placing increasingly more blind people in the area of self-sufficiency is to grant them ever more opportunity for them to help themselves. Our group is aware to the taxpayers' great burden already, and are completely in sympathy with it inasmuch as many of the blind of our State are taxpayers themselves; thus it is our sincere intent to propose and support legislation that will place an increasingly growing number of blind individuals within the realm of self-sufficiency as is humanly and legislatively feasible.
