Mr. A. Alan Post
Legislative Auditor
State Capitol
Sacramento, California

Dear Mr. Post:

I am a member of the law firm of Loeb and Loeb whose offices are located in Los Angeles, California. Each year for the past fifteen years we have represented certain employer associations in appearances before the Legislative Committee in the fields of unemployment and disability compensation. This year, as in the past, we will be representing those associations listed on Form 2 attached hereto. We also represent these associations in the same fields in connection with matters affecting unemployment and disability compensation other than directly before the Legislature. No attempt, therefore, has been made to specifically designate the portion of our fees allocable to legislative appearances.

My purpose in setting forth this information is to attempt to alleviate some embarrassment and personal inconvenience caused by the requirements of the statute regulating legislative representation. I am hopeful that my name may appear on the list of legislative advocates only as representing my firm and not the various employer associations. Such associations are represented by full-time legislative representatives and we are retained only for the purpose of assistance in the very narrow fields referred to above. This does not appear in the various reports filed and published and, accordingly, I am besieged by requests of all types from legislators who do not understand the fine distinction involved and who look upon me as the legislative representative for the various associations listed. This, however, is not the case, as I have explained, and I will appreciate your consideration in this connection.

I have not filed separate authorizations of these various associations because of the administrative difficulty in doing so. I can, of course, obtain them if you so desire.

Thank you for your consideration.

Kindest regards.

Cordially yours,

Roger H. Davis

Mr. Alan Post, Legislative Auditor
California Legislature
State Capitol
Sacramento 14, California

Dear Sir:

I am in receipt of a form letter from Honorable Charles W. Meyers, Chairman of the Special Assembly Committee on Legislative Representation along with the attached registration form for completion during the month of December in order to comply with the provisions of Section 9906 of the Government Code as amended at the 1955 Legislative Session.

The undersigned is retained as a full-time elected secretary-treasurer of the California State Federation of Labor, AFL, which is an unincorporated association, to wit, a bona fide labor organization with which most of the American Federation of Labor unions in the State of California are affiliated. This organization is basically, fundamentally and primarily a labor organization and is not concerned primarily with the influencing of legislatures or the members thereof. The undersigned is employed primarily and essentially as the full-time paid elected secretary-treasurer of such organization, and not as a lobbyist.

In view of this fact, I am of the opinion that neither I nor the California State Federation of Labor would be required to comply with the provisions of Section 9900 and following of the Government Code.

In my desire to cooperate fully with the State Government, the undersigned has registered on a voluntary basis with both Houses of the Legislature and has voluntarily submitted various statements called for under the provisions of the Government Code from time to time.

At this time I wish to call your attention to my letter of April 4, 1956 and to state that I have not performed any services incurring any expenses or obtained any fees with respect to any period since that mentioned in my letter of April 4, 1956. As full-time elected Secretary-Treasurer of the California State Federation of Labor, I receive a salary of $25,000. per year in addition to the actual expenses incurred while serving as the representative of that organization during the legislative session, as indicated by my previous filings made to your office, pursuant to Section 9906

Dear Mr. Post:

Attached are the completed forms with respect to the requirements of Statutes 1955, Chapter 713, requiring re-registration for each succeeding general session of the Legislature.

I note that my last report covering salary and expenditures for legislative work was for the period April 1 to April 30, 1956. To my best knowledge and belief, total expenditures since May 1, 1956, to the end of December, representing compensation for the performance of the type of work referred to in Section 9906 of the Government Code was $320.00 covering time expended in attending hearings and in conferences with Legislators with respect to flood control and water legislation.

During the period I made the following expenditures in carrying on said work for which I have been reimbursed:

Miscellaneous expenditures;
no one item of which exceeded
$25.00.....$56.25

Re: Legislative Representation

Dear Sir

The California State Federation of Labor, of which I am President, is a bonafide labor organization with which most of the American Federation of Labor unions in the State of California are affiliated. It is basically, fundamentally and primarily a labor organization and it is not concerned with the influencing of legislatures or the members thereof.

In view of the above, I am of the opinion that neither I nor the California State Federation of Labor would be required to comply with the provisions of Section 9900 and the following of the Government Code.

However, in order to cooperate fully with the State government, the undersigned hereby registers on a voluntary basis with both houses of the Legislature, and from time to time will submit the statements called for under the provisions of the Government Code.

I have never been convicted of a crime other than a traffic violation. I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code. As President of the Federation I do not receive any salary. However, I am employed as an assistant to the Executive Secretary on a yearly basis. My employment involves representation of the California State Federation of Labor on many matters aside from the specific situation involved in this communication.

Yours very truly,

THOS. L. PITTS,
President.

Dear Sir:

This will acknowledge receipt of form letter from Chairman Charles W. Meyers, together with the attachments, suggesting the possibility of registration during the month of December in order to comply with the provisions of Section 9906 of the Government Code as amended at the 1955 Session.

In reference to such communications, I hereby depose and say that:

I incorporate by reference the statement set forth by me in my letter of August 6, 1952, addressed to Mr. Louis A. Bolt, III, with copies to A. Alan Post, Legislative Auditor, and in that regard further state that in my opinion I am not retained by the California State Federation of Labor to act as a lobbyist on its behalf. On the contrary, I am retained as General Counsel for that organization, and as General Counsel have the obligation to advise it in all legal matters, including pending legislation, as well as to represent it in various types of litigation in which it may be involved. As a result, I am not employed as a lobbyist within the meaning of the provisions of the Government Code. Furthermore, the California State Federation of Labor for which I am General Counsel, is a bona fide labor organization with which most of the American Federation of Labor unions in the State of California are affiliated. It is basically, fundamentally and primarily a labor organization, and is not concerned with the influencing of legislatures or the members thereof. In view of the above, it is my opinion that neither I, nor the California State Federation of Labor, would be required to comply with the provisions of Section 9900 and following of the Government Code.

In order, however, to cooperate fully with the state government, the undersigned has registered on a voluntary basis with both houses of the legislature, and has voluntarily submitted various statements, called for under the provisions of the Government

I accordingly desire to supplement my letter of August 10, 1955, addressed to Mr. Louis A. Boli, III, Executive Secretary and Counsel, Special Senate Committee on Legislative Representation, a duplicate copy of which was forwarded to Mr. Alan A. Post, Legislative Auditor State Capitol, and in that regard I allege that I have not performed any services, incurred any expenses or obtained any fees with respect to any period since that mentioned in my letter of August 10, 1955, with respect to matters which would otherwise be included within the provisions of the Government Code hereinabove referred to.

I have never been convicted of a crime other than a traffic violation.

I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code.

With respect to any appearance made by me during the legislative session on behalf of the California State Federation of Labor in my capacity as General Counsel, I would be paid in addition to my retainer of $250.00 per month, whatever fee is mutually agreed upon, depending upon the nature, type and extent of the work involved, in the same manner as I am paid for all other services rendered as General Counsel by the Federation.

There is no special arrangement with respect to any of my appearances before the Legislature while it is in session in Sacramento, nor are there any special provisions with respect to any expenses to be paid to me while I am so engaged.

I assume that this communication will now bring my filing up to date currently, and will enable the prompt renewal of my certificate for the coming session as indicated by you in your communication.

With respect to my authorization to act as General Counsel for the California State Federation of Labor, I am attaching herewith a photostatic copy of an authorization duly signed

Dear Mrs. Wilkie:

This will explain to you Why I have to use photostats of confirming letters.

Your letter to me is postmarked Dec.21 and reached me on Dec.23. The president of our Association here is in Acapulco, Mexico until middle of January. The head officer of the Northern Association is East until after the Holydays. It is therefore impossible for me to have new letters signed in time for the General Session.

Also, Mr. Meyers, in his letter to me, dated Oct.19, writes:

"You have already returned the forms which we sent you for registering as a Legislative Advocate. Your name is on the approved list and will appear in the Assembly Journal at the beginning of the 1957 Session..."

I therefore had no inkling of any necessity for re-registering until Mr. Meyers mentioned it to me during our Meeting in San Francisco on December, 14. And even then we discussed the possibility whether a mere letter from me, re-affirming the status quo of my first application in July of this year, might be sufficient.

I sincerely hope that papers as submitted will suffice and that I will receive my credentials in early January.

Thanking you for the attention you are giving this matter, I repeat my "Happy New Year" wish, and remain, adding best personal greetings to Charles Meyers and his family,

Most sincerely,

Ralph A. Suppance.

Dear Mrs. Wilkie:

In receipt of your letter advising me of the necessity to re-register as a Legislative Advocate I enclose notarized forms and photostats of confirming letters from the two Associations. The originals are in the possession of the Legislative Auditor to whom they have been submitted in July, 1956, with my first application.

May I ask you, Mrs. Wilkie, to kindly forward these re-registering papers to the office of the Legislative Auditor in time for the 1957 Session.

I shall be in Sacramento on January, 7, 1957 and will be staying at the EL RANCHO HOTEL in West Sacramento.

Looking forward to seeing you then, and with best wishes for a Happy New Year, I am,

Received April 16 1956

Mr. Richard N. Little,
1831 "I" Street,
Sacramento 14, California.

Dear Mr. Little:

This letter will confirm the offer of the Westlands Water District assigning you to handle our legislative problems during the forthcoming session of the Legislature, when it convenes for its annual 1956 Budget and Special Session.

This agreement will cover your professional fees at the rate of $1000.00 per month. It will also provide for your necessary expenses in connection with your activities at Sacramento.

It would be appreciated if, insofar as practical, you supply our office with receipts for expenditures to facilitate the annual audit of the Water District accounts.

Ewing Hass will be available to assist you whenever needed, and I am confirming this by copy of this letter to him. Both you and Mr. Hass will represent the Westlands Water District in support of Federal construction of the initial unit of the San Luis project.

Sincerely yours,

J. E. O'Neill,
President.

Mr. Richard N. Little,
1831 "I" Street,
Sacramento 14, California.

Dear Mr. Little:

This letter will confirm the offer of the Westlands Water District assigning you to handle our legislative problems during the forthcoming session of the Legislature, when it convenes for its annual 1956 Budget and Special Session.

This agreement will cover your professional fees at the rate of $1000.00 per month. It will also provide for your necessary expenses in connection with your activities at Sacramento.

It would be appreciated if, insofar as practical, you supply our office with receipts for expenditures to facilitate the annual audit of the Water District accounts.

Ewing Hass will be available to assist you whenever needed, and I am confirming this by copy of this letter to him. Both you and Mr. Hass will represent the Westlands Water District in support of Federal construction of the initial unit of the San Luis project.

Sincerely yours,

J. E. O'Neill,
President.

Dear Mr. Post

Will you please remove my name from the list of legislative advocates. Cancellation of this registration actually is as of July 1, 1956. At that time, I left the employ of the San Diego Union Tribune Publishing Company and became a part of the staff of the State Department of Water Resources. There have been no expenses or receipts in the line of legislative work since that date

If there is any question concerning this matter, will you please contact me at state local 4163.
