Dear Jack

Thank you for sending along a copy of a pending bill in the California Legislature. You might check to see how this bill would effect Foreign Corporations operating in California Also, the status of the bill at this time. We may want to raise some objections and delegate you as our representative to meet with the Committee on Industrial Relations. Keep me advised on this.

This brings up another matter--we have received word that there has been a bill introduced into the California Senate(Senate Bill No 2093, which would create a Division of Retail Radio-Television Service and would require licenses of service dealers. This has been referred to the Committee on Business and Professions, Chaired by Mr. Fred H. Kraft. I'm enclosing a communication from the National Home Study Council which will give you background data on this bill and certain arguments offered by the Home Study Council.

Would you please check on the status of this bill. We certainly would want to raise objections and would delegate you as our representatve to appear before the Committee to state these objections.

Appreciate your checking on these as soon as possible, Jack, and letting me know.

Cordially,

BILL SAWYER

Mr. A. Alan Post
Legislative Analyst
State Capitol
Sacramento, Calif.

Dear Sir

I regret to have to report that we did not understand that a cumulative report of the year's expenditures was to be made early in January, in addition to the monthly reports whenever there was legislative activity. I am enclosing a Form 3 listing a cumulative figure which I was paid on January 31. for $31.24, for items too small to bother with during the summer and fall. It includes postage, an occasional telephone call, subscription to the Sacramento Bee. I billed the State League, since I had paid these out of my own pocket, and was reimbursed on January 31.

During 1957 I can safely report that the League of Women Voters of California spent no more for its entire Legislative Program, including education and information-without-advocacy for its members, than the budgeted figure which I reported in my letter of February 7, 1957: $1575 to a Legislative Secretary (Mrs. C.R.Clar of Sacramento, also a registered advocate for the League) to gather information, and $350 for usual costs postage, the Bill Service, etc. The origin of this money is membership dues and some contributions from interested citizens to our local Leagues for the entire League program of education and information. Out of a budget of $27,500, the Legislative program is allotted about $1300 to $1900 each fiscal year. We do not ask for contributions for legislative activity itself.

I hope this will serve as a report. We want to obey the law, but we find it rather confusing and complicated.

Cordially yours,

Mrs. Henry C. Castor

(The following Bills are up for consideration by the 1957 session of the California Legislature. They are intended to destroy many of your present benefits under the law. They will increase your payroll taxes - and could deplete the fund)

Gentlemen:

Please give us your frank opinion about these bills which could tax you out of business - weigh them by the amount of the harm they will cause your bank account.

Assembly Bill 683 will raise the wage bracket on which you pay taxes from $3,000 to $4,200. Your payroll taxes to the State will go up 40% on this bill alone.

Assembly Bills 364, 461, 687, 693 and 1261 will increase the amount charged to your account from $33.00 in benefits per week to a claimant to $65.00 per week, and, from a total of $594.00 to $1,690.00 or 2.84 times more than at present.

Assembly Bill 688 will prevent you from ever again getting another tax reduction on your payrolls. The present law permits your payroll tax-rate to go as low as zero and you are not required to pay anything into the unemployment fund.

Assembly Bills 782, 783 and 801 give preferential benefits to claimants who work as fishermen or as cannery or packing-house workers. These bills directly violate the fair principle of equal treatment for all.

These ten(10) bills will destroy your rights to most of your benefits under this law. These same provisions destroyed the entire Unemployment Fund in Alaska and, recently caused 38 states to lose more money from their funds than they collected in unemployment taxes.

Please tell us how you feel about them by marking and returning the enclosed ballot. We accept no fees for our legislative work - it is a free public service.

Cordially yours,

EMPLOYERS AUDIT BUREAU of
Corporation Counseling Service

R.G. Fjellstrom
Director

Dear Mr. Post:

Since it is unlikely that I would be making any further expenditures in connection with state legislation this month, I am taking the liberty of submitting my June report to you at this early date.

Having heretofore registered with you pursuant to Section 9906 of the Government Code, I file this statement pursuant to the third sentence of that Section.

To date this June, I have received salary as Manager of the Public Affairs and Agricultural Departments of the San Francisco Chamber of Commerce and $112.00 thereof represents to the best of my knowledge and belief compensation for the performance on a part-time basis of the type of work referred to in said Section.

To date this month, I have made the following expenditures in carrying on said work for which I have been reimbursed:

Miscellaneous expenditures, no one item of which exceeded $25.00 ..... $59.79

I am employed to support or oppose such legislation as to which the Board of Directors of the San Francisco Chamber of Commerce may from time to time take public position.

If during the ensuing period I should make any further reportable expenditures, I will report same. Otherwise, you may assume that this winds up my report to you for the 1957 regular session of the State Legislature.

Very truly yours,

Mr. A. Alan Post
Legislative Auditor
State Capitol
Sacramento, California

Dear Mr. Post:

Having heretofore registered with you pursuant to Section 9906 of the Government Code, I file this statement pursuant to the third sentence of that Section.

During the month of March, 1958, I made three trips to Sacramento where I spent about five days working as a Legislative Advocate for the San Francisco Chamber of Commerce. For March 1958 I received my monthly salary as Manager of the Public Affairs and Agricultural Departments of the San Francisco Chamber and $1400.00 thereof represents, to the best of my knowledge and belief, compensation for performance on a part-time basis of the type of work referred to in Section 9906.

During the month, I made the following expenditures in carrying on said work for which I have been reimbursed:

Travel, hotels, meals and incidentials... ..$112.73
(No one item exceeded $25.00)

I am employed to support or oppose such legislation as to which the Board of Directors of the San Francisco Chamber of Commerce may from time to time take public position. I did not appear in Sacramento during January or February of 1958, or so far this month, and will probably not be active as a Legislative Advocate from now until the beginning of the 1959 regular Session of the State Legislature. Should my plans change I will report as required.

Very truly yours,

Randle P. Shields

I had some expenses in Sacramento that were in no way connected with the legislature and these I have not included in this report. In my files I have indicated the amount with legislative connection, separated from the amount which was disconnected with legislation. For example, one week my family was with me in Sacramento and my bill was not made out separately. This was a vacation expense and is not included in my report.
