To what it may concern

I am a practicing Hypnotist and secretary of the American Hypnotists Association. I first became acquainted with Dr. Bertuccioli in the spring of 1957. At that time I recognized in this man a great potential and many fine qualities of sympathy and integrity.

As I have observed Dr. Bertuccioli in practice, the opinions I had formed were confirmed. He has repeatedly demonstrated ability, good will and sincere desire to aid the mentally ill.

He has been duly elected President of this association and we feel that he is duly qualified to represent this association at the State Capitol, on any legislation which, from time to time, becomes necessary in order to further preserve the membership interests.

I, as well as the total membership, recommend Dr. Bertuccioli, without reservation, to represent this duly incorporated association.

Sincerely,  
*John Symmonds*  
 SECRETARY, A.H.A.

LEGISLATIVE ANALYST

Hon. Byron Frew, Assemblyman  
 State Capitol Building  
 Sacramento 14, Calif.

11/20/69

Dear Mr. Frew:

Owing to the fact that we have had a little organizational difficulty with our Agricultural Pest Control Association, I feel that I should resign as legislative representative for this group. Please accept same.

There has been no activity since the close of the Legislative Session that I have participated in. Later I will send you a copy of my letter as a report to the annual meeting which will be held, I understand, Dec. 3 and 4 in Fresno.

I appreciate, and I am sure the industry does, the work you have done for us.

Yours very truly,

*E. G. Corson*

Gentlemen:

Please be advised that the writer desires to withdraw and cancel his registration as a Legislative Advocate before the Assembly and Senate of our State. The occasion of the registration in April of this year, was a single representation of the Los Angeles Fireman's Relief Association, and was concluded on April 22, 1959. The writer's expenses were paid by the Association, along with a fee of \$500 for services rendered. At present, the writer does not contemplate further activities as a Legislative Advocate.

In appreciation of your courteous assistance, I am,

Very truly yours,

\* Since the date of my last report, during which period of time the Legislature was not in session, no services as Legislative Advocate were performed for The Sperry and Hutchinson Company. During such period, however, my firm was paid for all legal services rendered to The Sperry and Hutchinson Company during the year 1959, which included a fee for my services as Legislative Advocate. I would estimate my share of such fee as Legislative Advocate not to exceed \$3,000.

Dear Sir:

I hereby depose and say that everything contained in this letter is true and correct to the best of my knowledge, information and belief. This will supplement my letter of June 4, 1959, and I incorporate by reference the statements therein made in which I indicated that in my opinion I am not a lobbyist within the concept of the law but I am complying voluntarily in order that the Legislature may be fully advised.

Since my letter of June 4, 1959, I have received \$3,000.00 for services during the month of May, 1959, with respect to activities which would come within the requirements of the so-called Lobby Law.

During the month of June, 1959, I incurred expenses in the sum of \$182.88 with respect to my presence at Sacramento, no single item of which exceeded the sum of \$25.00 except my hotel bill in the sum of \$90.50.

I hope this now brings me in full compliance with the law.

Very truly yours,

  
Charles P. Scully.

 Legislative Auditor  
 State Capitol

Dear Mr. Post:

Having heretofore registered with you pursuant to Section 9906 of the Government Code, I file this statement pursuant to the third sentence of that Section.

During the month of May I spent less than three days in Sacramento on legislative work and spent about \$36.00 for my own hotel accommodations and meals for which I was reimbursed. During the remainder of the month I was active at my desk in San Francisco as the Manager of Public Affairs and Agricultural Department of the San Francisco Chamber of Commerce. My duties here included, among many other assignments, the study of bills with Chamber Committees, and correspondence with members of the State Legislature as to the position of the San Francisco Chamber on legislative measures. It is estimated that less than \$200.00 of my regular monthly salary could be attributable to this type of activity.

Very truly yours,

 Sandra F. Shields

Attention: Legislative Advocate Registrar

Gentlemen:

With the filing of the Form 3 for my February expenses, I wish also to clarify my status with regard to legislative activity by me before the California Legislature.

The organization for which I am now registered has employed me on a full time basis for many years. Legislation arising in the California Legislature affecting that organization is only a small portion of my total responsibilities so it is possible that such registration is not required because I have not engaged myself with such organization for the purpose of attempting to influence the passage or defeat of legislation.

For a number of years I have acted as California tax counsel for the National Automobile Merchandising Association in connection with a number of CITY BUSINESS LICENSES LAW MATTERS. This outside legal work has been possible because it involves city council meeting attendance in the evening and follow up correspondence on weekends. An hourly rate of compensation is received by me for this work.

The state legislative matter which has occasioned an inquiry of your office relative to my activities, is quite similar in its objectives to the city legislation which I have been following on behalf of N.A.M.A. Since its introduction several weeks ago, members of N.A.M.A. and others have made some number of contacts with me without realizing that my scope of authorized legal work is in the city legislative field. In each instance, therefore, I have had to point out to them that I am not engaged to work on this particular state legislative measure and that I could only associate them with the nature of it, the committee before which it is pending and the names of members of the committee.

No affirmative initial contact have been made by me with any person or organization with regard to this measure and since it does not come within my scope of authorized legal work, I cannot be compensated for any time spent in responding to inquiries made of me with respect to it.

Sincerely yours,

*Perry H. Taft* 1127
