Dear Mrs. Smith:

I received your letter of August 21, 1968, in response to my letter of August 14, 1968, in which I requested information regarding the filing of a report as Legislative Advocate. Thank you for your prompt answer to my inquiry.

I am enclosing a completed report form for the month of August 1968. In conformance with the opinion rendered by the Legislative Counsel, since registered as a Legislative Advocate this year, the San Diego County Employees' Association has expended the sum of $50.00 for a testimonial and fund raising dinner for Assemblyman F. James Bear. In addition, from time to time, the Association has invited various Legislators to luncheons, but at no time has the expenditures for any one luncheon or conference exceeded $25.00.

I appreciate your very kind assistance in sending me the necessary information for the filing of my report.

Very truly yours,

Dear Mrs. Smith

Enclosed is a report for September 1968.

I am late in reporting expenditures for luncheons for September in that billings were just recorded.

Other than the five luncheons and conferences with Legislators no other funds were expended except for my own personal travel expenses of $7.96, being paid for by reimbursement from the Association, for travel expenses to Sacramento on September 11, 1968 and for committee hearings on retirement matters.

Attention: Mr. A. Alan Post

Dear Mr Post:

With reference to Section 9906 of the Government Code, I hereby despose and say that in my opinion I am not employed by the California Labor Federation, AFL-CIO, to act as a lobbyist on its behalf. On the contrary, I serve in the Research Department of the California Labor Federation, AFL-CIO, under the direction of Harry Finks, Vice President and Director of Public Relations, who is in charge of our Sacramento office Such activities as may involve legislative matters is purely incidental to my other duties.

I am not employed as a lobbyist within the meaning of the provisions of the Government Code The California Labor Federation, AFL-CIO, is a bona fide labor organization, with which most of the AFL-CIO unions in the State of California are affiliated. It is basically, fundamentally and primarily a labor organization, and is not concerned with the influencing of legislatures or the members thereof.

In view of the above, it is my opinion that I would not be required to comply with the provisions of Section 9900 and following of the Government Code.

In order, however, to cooperate fully with the State government, the undersigned is registering on a voluntary basis with both houses of the Legislature, and will voluntarily submit various statements called for under the provisions of the Government Code from time to time.

Mr. A Alan Post January 27, 1969

125

I have never been convicted of a crime other than a traffic violation

I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code.

With respect to any appearance made by me during the legislative session on behalf of the California Labor Federation, AFL-CIO, in my capacity as a member of the Research Department, I would be paid the sum of $1,000 00 per month, in the same manner as I am paid for all other services rendered as a member of the Research Department of the California Labor Federation, AFL-CIO

I assume that this communication will now bring my filing up-to-date currently, and will enable the prompt issuance of my certificate for the coming session

Very truly yours,

Douglas W Barrett

Dear Mrs. Smith

This will advise you that Mr. Sidney H. Bierly, our association General Manager, is authorized to act as Legislative Advocate in connection with its interests as they may arise during the current legislative session. He will appreciate it if the proper credentials can be sent to him at the address on this letterhead.

Enclosed are three forms which he has completed, as requested by your receptionist. One of these is for explanation for failure to report expenditures during 1968. Since no expense money was involved other than his salary, for the purpose of influencing the movement of legislation through the Legislature, no reports were made. He will report each month during this session on the basis of his salary, and any additional expenditures, if any.

Sincerely

John H Taylor

APR 9 1969

Senator Clair W Burgener, Chairman
Senate Committee on Legislative Representation
State Capitol
Sacramento, California

Dear Senator Burgener

This will reply to your letter of April 2 concerning my application to register as a legislative advocate

I am aware of the requirements of the Government Code concerning the filing of monthly reports for each month in which I am active as a legislative advocate

The reason no such reports were filed during 1968, nor during the months of January, February and March of 1969 is that I have not been active as a legislative advocate at any time during that period During all of 1968, I made one appearance before the Legislature and that was in my capacity as Chairman of the Marine Research Committee, a committee created by statute and a part of the Department of Fish and Game My appearance at that time was at the request of the Chairman of a Senate Appropriations Subcommittee to testify concerning the budget requested for the Marine Research Committee This appearance was not as a legislative advocate representing the California Fish Canners Division of the Tuna Research Foundation. I engaged in no other legislative activities during the entire year 1968, nor have I engaged in any such activities thus far in 1969

I trust the foregoing explains why no expense reports were filed. You may be sure that if and when I do function as a legislative advocate, the appropriate reports will be filed in timely fashion

Yours sincerely,

Chas R Carry

Attention Mr A Alan Post

Dear Mr Post:

With reference to Section 9906 of the Government Code, I hereby despose and say that in my opinion I am not employed by the California Labor Federation, AFL-CIO, to act as a lobbyist on its behalf On the contrary, I serve in the Legal Department of the California Labor Federation, AFL-CIO, under the direction of Harry Finks, Vice President and Director or Public Relations, who is in charge of our Sacramento office Such activities as may involve legislative matters is purely incidental to my other duties

I am not employed as a lobbyist within the meaning of the provisions of the Government Code The California Labor Federation, AFL-CIO, is a bona fide labor organization, with which most of the AFL-CIO unions in the State of California are affiliated It is basically, fundamentally and primarily a labor organization, and is not concerned with the influencing of legislatures or the members thereof

In view of the above, it is my opinion that I would not be required to comply with the provisions of Section 9900 and following of the Government Code

In order, however,to cooperate fully with the State government, the undersigned is registering on a voluntary basis with both houses of the Legislature, and will voluntarily submit various statements called for under the provisions of the Government Code from time to time

Mr A Alan Post February 3, 1969

936

I have never been convicted of a crime other than a traffic violation

I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code

With respect to any appearance made by me during the legislative session on behalf of the California Labor Federation, AFL-CIO, in my capacity as a member of the Legal Department, I would be paid the sum of $866 66 per month, in the same manner as I am paid for all other services rendered as a member of the Legal Department of the California Labor Federation, AFL-CIO

I assume that this communication will enable the prompt issuance of my certificate for the coming session

Very truly yours,
