STATEMENT OF AUTHORIZATION

Our Junior Scientists program has been rent asunder by the voracious practices of E O C. Likewise, the *Cronicas Menores de Mexico*, of which I was founder and director, was rent asunder by the Gringo State Department. All of which could indicate that we must really have something of value.

Most of the people who were previously active have been intimidated and are waiting for me to act For the sake of our children and the future of our society, I wish to keep alive a program dedicated to pumping courage and self-respect into our sagging youth. Further information may be had from the Comprehensive Outline For Junior Scientists Of America, copyright No. A 910903.

Several people in Sacramento have recently suggested that jsa be revitalized, but they are yet afraid to openly associate with me due to the extensive extra-curricular activities in which I am involved.

Therefore, as Director of Junior Scientists of America and also of the Institute For Advanced Socio-Economic Studies and also for the yet nascent *Ombudsman* of California, I appoint myself, N K Fields, to act as Legislative Advocate without remuneration until further notice.

Respectfully submitted

Dated 30 January 1969 N K Fields

N K Fields, Director,

Attention: Mr A. Alan Post

Dear Mr Post:

This will acknowledge receipt of a form letter from you suggesting registering in order to comply with Section 9906 of the Government Code

With reference to such communication, I hereby despose and say that in my opinion I am not employed by the California Labor Federation, AFL-CIO, to act as a lobbyist on its behalf. On the contrary, I am the Director of Public Relations of the California Labor Federation, AFL-CIO, and such activities as may involve legislative matters is purely incidental to my duties as the Director of Public Relations of the above-mentioned organization.

I am not employed as a lobbyist within the meaning of the provisions of the Government Code The California Labor Federation, AFL-CIO, is a bona fide labor organization, with which most of the AFL-CIO unions in the State of California are affiliated It is basically, fundamentally and primarily a labor organization, and is not concerned with the influencing of legislatures or the members thereof

In view of the above, it is my opinion that I would not be required to comply with the provisions of Section 9900 and following of the Government Code

1256

In order, however, to cooperate fully with the State government, the undersigned has registered on a voluntary basis with both houses of the Legislature, and has voluntarily submitted various statements called for under the provisions of the Government Code from time to time

I have never been convicted of a crime other than a traffic violation.

I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code.

With respect to any appearance made by me during the legislative session on behalf of the California Labor Federation, AFL-CIO, in my capacity as Director of Public Relations, I would be paid the sum of $1,333 33 per month, in the same manner as I am paid for all other services rendered as Director of Public Relations of the California Labor Federation, AFL-CIO.

I assume that this communication will now bring my filing up-to-date currently, and will enable the prompt renewal of my certificate for the coming session, as mentioned by you in your communication.

Very truly yours,

Harry Finks
Director of Public Relations

Gentlemen

The Proprietary Association is an 88-year old trade association which is composed of manufacturers and distributors of proprietary medicines--medicines which are completely compounded, packaged and labeled for use by consumers and advertised directly to the public. They are classified as over-the-counter items, i.e., items not restricted by law or practice to sale on prescription. The Association was organized in 1881 and has been in continuous existence since that time. Its offices are located at 1700 Pennsylvania Avenue, N.W., Washington, D. C.

The purpose of this letter is to inform you that Daniel F. O'Keefe, Jr., Secretary, and James F. Hogo, General Counsel to this Association, are hereby authorized to represent The Proprietary Association before any appropriate body of the California Legislature on matters which would affect this Association or its members.

Sincerely,

James D. Cope
Executive Vice President

Senator Clair W. Burgener

Sacramento, California

Dear Senator Burgener

In reply to your letter of June 25, 1969, regarding my registration as a legislative advocate, you may disregard my application. At the beginning of the session it was thought that I would spend considerable time in Sacramento, however, there was so much activity here that I was unable to get away. I do go to Sacramento from time to time and talk with our legislative representatives from this area and with other legislators with whom I am acquainted. I am informed that it is not necessary for me to register as an advocate in order to do this.

If you have rules printed in regard to lobbying, I would appreciate your sending me a copy

If there is any change in regard to our participation in affairs in Sacramento, I shall again apply for registration In the meantime I will withdraw my request Sorry that I have delayed in answering your other letter.

Sincerely,

Jessie Lanning, Secretary-Manager
