MEMO TO: Assembly Judiciary Committee

FROM: John Francis Foran

SUBJECT: Committee vote on AB 362 (Ketchum)

I was present at the Assembly Judiciary Committee meeting on March 20, but I did not vote aye or nay on AB 362.

There are two major reorganizational bills dealing with the judicial system of the State of California. Both of these bills eliminate justice courts. Until this major reorganizational issue is resolved, I choose not to vote on AB 362 which deals with one aspect of the California Judicial System.

Dear Mr. Chairman:

-- I did not vote on Assembly Bill 409 in Education Committee on Tuesday, March 21, 1972. I would have been an aye vote on the bill in its original form, but felt the amendments accepted by the author weakened the entire area.

Very truly yours,

  
Ken Maddy

Dear Bill:

I regret that I was unable to attend the Assembly Health Committee meeting on March 20, 1972, due to a speaking commitment at that same time. Had I been able to attend the meeting, I would have cast my votes in favor of AB 90 and AB 443 - both of which received favorable consideration by the Committee.

I would appreciate it if your Committee records would so indicate my position on these two matters

Sincerely,

  
 HENRY A. WAXMAN

Due to an unavoidable situation I was absent at that portion of the Assembly Revenue and Taxation hearing on Monday, April 3, when the vote was taken on SB 56 and AB 595. Had I been present I would have voted "Aye" on both bills.

Honorable Bill Campbell, Chairman  
 Assembly Health Committee  
 Room 5168  
 State Capitol

Dear Bill:

I was present at the Assembly Health Committee meeting on April 10, 1972 and at that time voted in opposition to AB 192.

I cannot vote for any bill that perpetrates our current unreasonable criminal law dealing with marijuana possession. I have authored legislation to remove all criminal sanctions for private use or possession of marijuana.

Sincerely,

  
 HENRY A. WAXMAN

JOE A GONSALVES  
CHAIRMAN  
COMMITTEE ON REVENUE AND TAXATION

April 20, 1972  
Sacramento, California

Honorable Wadie Deddeh, Chairman  
Assembly Transportation Committee  
Room 4098, State Capitol  
Sacramento, California 95814

Dear Wadie:

Assemblyman Carlos Bee was unable to attend the Assembly Transportation Committee today because of illness and requested, in a telephone conversation, that I cast an "aye" vote for Assembly Bill 744 by Assemblyman Biddle.

I wish the record to show that I am opposed to Assembly Bill 744 but cast an "aye" vote as a courtesy to Mr. Bee.

I would appreciate it if you would place my letter in the Assembly Daily Journal regarding my vote on this measure.

Sincerely,

JOE A. GONSALVES  
Assemblyman, 66th District

We voted "No" on ACA 28 because a 2/3 vote requirement subverts one-man one-vote rule and gives an inordinate degree of power to the minority. Mr. Bagley has often discussed the tyranny of the minority that he encountered in trying to pass a tax reform bill in 1970. Had it not been for the 2/3 vote requirement, tax reform would be a reality in California today.

Honorable David C. Pierson, Chairman  
Assembly Finance and Insurance Committee  
Room 4112, State Capitol

Dear Dave:

I was present at the Assembly Finance and Insurance Committee meeting on Wednesday, April 26, 1972 at which time I voted in opposition to Assembly Bill 125.

I voted "No" because there was no evidence that the insurance rates people pay for auto insurance would be reduced. All this measure would do is prevent injured people from suing negligent drivers for certain kinds of injury.

Sincerely,

  
WALTER KARABIAN

The Honorable David Pierson  
Chairman, Assembly Committee  
on Finance and Insurance

Dear Mr. Chairman:

Although the Subcommittee on Workmen's Compensation included in its report a recommendation that AB 454 be held in committee, I would have voted "do pass" on that bill if I had been given the opportunity to separately vote on each individual bill included in the report.

Since the full Finance and Insurance Committee took one vote on acceptance or rejection of the entire Workmen's Compensation Subcommittee report, I was not able to record my individual vote on AB 454.

Sincerely,

  
PAUL PRIOLO

The Honorable Leroy F. Green, Chairman  
 Assembly Education Committee  
 Room 5159, State Capitol Building  
 Sacramento, California 95814

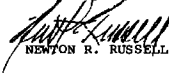

Dear Leroy:

I elected not to be recorded on Arnett's school finance bill (AB 1283) not because I oppose the measure, but because I felt that the committee and the public had not had sufficient time to review the implications of the bill as it was amended in committee.

We are embarking on a course that will make the most substantive and dramatic changes in school finance in the history of our state. For this reason we must be extremely cautious so that the finished product can properly withstand the tests of time and possibly the courts.

Finally, I would like to make it perfectly clear that my inaction on this matter should not be construed as opposition to AB 1283. In fact, I reserve the right, after proper review and consultation with experts from my district, to not only support the bill but to be added as a co-author if the facts so warrant.

Sincerely,

NEWTON R. RUSSELL

## California Legislature

### Assembly Committee on Revenue and Taxation

ROOM 4016  
 STATE CAPITOL  
 445 7878

JOE A. GONSALVES  
 CHAIRMAN

June 1, 1972

AB 555 will give a strong tax incentive for married couples to get a divorce and for single persons to live together without marriage. Under AB 555 the Legislature tells such a couple, "We will charge you two or three hundred dollars less a year if you get a divorce or live together as singles."

For example

|   | <u>AGI</u> | <u>Current<br/>Income Tax</u> | <u>Income Tax<br/>Under AB 555</u> | <u>Change</u> |
|---|------------|-------------------------------|------------------------------------|---------------|
| Married couple,<br>each earns<br>\$10,000                     | \$20,000   | \$530                         | \$530                              | \$-0-         |
| Unmarried couple<br>living together<br>each earns<br>\$10,000 | 20,000     | 530                           | 220                                | -310          |

For these reasons I voted "No" on AB 555

Dear Dave:

I disagree with the Workmens' Compensation Subcommittee report in that it sends to interim AB 1676. This legislation should be approved.

I voted for the report so that the other legislation could proceed.

Very truly yours,

The Honorable David C. Pierson, Chairman  
Assembly Finance and Insurance Committee  
Room 4112, State Capitol Building  
Sacramento, California 95814

Dear Dave:

The Finance and Insurance Committee meeting on August 3, 1972, had only two measures before it. Because the committee had a bare quorum and I was opposed to one of the measures, I cast a courtesy vote on SB 1026 (Zenovich) as I did not want to delay the adjournment of the committee to wait for a member who had been temporarily delayed.

Sincerely,

NEWTON R. RUSSELL
