PRAYER

Upon invitation of the Chief Clerk, the following prayer was offered by Rabbi Mona Alfi, from the Congregation B'nai Israel, in Sacramento:

We are here today because the people of this Great State have entrusted to us a sacred task, not merely to represent them, but also to inspire and to lead them.

The people ask of their leaders to be just, and to have mercy, to be honest and to protect them.

The people ask of us to have the courage to do those things that they themselves sometimes do not want to do, or are afraid to do, because it is not popular, but things, that they know, must be done in the name of what is right.

As we embark on this sacred journey, we ask the Holy One of Blessing to always guide our steps with wisdom and compassion and to bless us with tolerance and patience for all of God's creatures.

We ask for courage and for vigor to help us fulfill the hopes and duties that we have been charged with.

Ba-ruch a-tah Adonai, Eh-lo-hei-nu meh-lech ha-o-lam, sheh-heh-cheh-ya-nu, v'ki-y'ma-nu, v'hi-gi-a-nu, la-z'man ha-zeh.

Blessed is the Creator for giving us life, sustaining us and for enabling us to experience this joyous moment.

May we always go from *chiel* to *chiel*, from strength to strength.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of the Chief Clerk, Assembly Member-elect and Dean of the Assembly, Lou Papan then led the Assembly in the pledge of allegiance to the Flag.

As used in this rule, "meeting" means a gathering of a quorum of the Members of the Assembly or a committee in one place for the purpose of discussing legislative or other official matters within the jurisdiction of the Assembly or committee. As used in this rule, "committee" includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), shall be held only after full and timely notice to the public as provided by the Joint Rules of the Assembly and Senate.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

(e) A closed session may be held pursuant to paragraph (3) of subdivision (c) under any of the following circumstances:

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property that the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum shall be exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

(h) For purposes of paragraph (3) of subdivision (c), "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(i) For purposes of this rule, all expressions of the lawyer-client privilege other than those provided in this rule are hereby abrogated. This rule is the exclusive expression of the lawyer-client privilege for the purposes of conducting closed-session meetings pursuant to this rule.

(j) Disclosure of a memorandum required under this rule shall not be

deemed a waiver of the lawyer-client privilege provided for under Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code.

11.4. No Member may participate in a meeting of a conference committee considering any bill that is not open to the public.

11.5. (a) The standing committees of the Assembly created pursuant to Rule 11, with the exception of the Committee on Rules, are hereby constituted Assembly investigating committees and are authorized and directed to ascertain, study, and analyze all facts relating to any subjects or matters which the Committee on Rules shall assign to them upon request of the Assembly or upon its own initiative.

(b) Each of the Assembly investigating committees shall consist of the members of the standing committee on the same subject as most recently constituted. The chairperson and vice chairperson shall be the chairperson and vice chairperson of the standing committee. Vacancies occurring in the membership of the committee shall be filled by the appointing authority.

The committee is allocated all subjects within the scope of legislative regulation and control, but may not undertake any investigation that another committee has been specifically requested or directed to undertake. The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. Each subcommittee shall be known and designated as a select committee. The Speaker is the Chairperson of the Assembly General Research Committee and may be a voting member of any subcommittee. Each member of the Assembly General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups, and to report thereon to the full committee. The Committee on Rules is authorized to allocate to any subcommittee from the Assembly Operating Fund those sums that the Committee on Rules deems necessary to complete the investigation or study conferred upon that subcommittee. The Committee on Rules shall further allocate, from time to time, to the Assembly General Research Committee from the Assembly Operating Fund those sums that are necessary to permit the Assembly General Research Committee and the members thereof to carry out the duties imposed on them. The committee has continuous existence until the time that its existence is terminated by a resolution adopted by the Assembly, and the committee is authorized to act both during and between sessions of the Legislature, including any recess.

(b) The committee and its members shall have and exercise all the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to the committee and its members.

(c) The committee has the following additional powers and duties:

(3) To report its findings and recommendations to the Legislature and the people from time to time.

(4) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this rule.

Assembly Legislative Ethics Committee

22.5. (a) The Assembly Legislative Ethics Committee is hereby created. The committee shall consist of six Members of the Assembly, appointed by the Speaker. Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second greatest number of Members in the Assembly shall be made from a list of nominees that the Minority Floor Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairs of the committee. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, shall apply to the committee and shall govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by

the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee shall have the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as "standards of conduct."

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

No complaint may be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority

vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the Attorney General, the Fair Political Practices Commission, and the district attorney of the county in which the violation allegedly occurred. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the Attorney General, the Fair Political Practices Commission, and the district attorney of the appropriate county. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the Attorney General, the Fair Political Practices Commission, and the district attorney of the appropriate county. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members

or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

The committee, in consultation with the Fair Political Practices Commission, shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at an amount that will permit the participation of lobbyists to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

Printing of Committee Reports

23. All requests for the printing of reports of Assembly committees shall be referred to the Committee on Rules. The Committee on Rules shall determine the number of copies needed and whether the report shall be printed in the Journal. In no event may more than 1,000 copies of any committee report be authorized by the Committee on Rules on the first printing, exclusive of the Journal copies if the report is to be printed therein, unless the Committee on Rules finds and determines that there is a special need for that report in greater numbers.

Upon determination by the Committee on Rules that additional copies of an Assembly committee report are required at any time following the first printing of the authorized number of copies, the Committee on Rules may authorize one or more additional printings in the numbers found by it to be necessary and may make funds available therefor.

No Assembly committee report may contain more than 100 pages, including the front and back cover thereof and any appendix, unless a greater number of pages has been approved and authorized by the Committee on Rules.

24. Every employee who works for a committee of the Assembly or a subcommittee of a committee, for a Member of the Assembly, for the Chief Clerk's office, or for the Sergeant at Arms, is an employee of the Assembly. Every applicant for employment by the Assembly shall prepare a formal application for employment on forms prescribed by the Committee on Rules. The application shall include a statement of his or her present employment, his or her employment during the preceding two years, and other pertinent information that the Committee on Rules may require. If the application discloses any fact that indicates that the applicant has a personal interest that would conflict with the faithful performance of his or her duties, the applicant shall not be employed. All applications shall be retained in the records of the committee.

Every employee shall complete the Assembly ethics course in the first six months of his or her employment. Thereafter, every employee shall take the course in the first six months of every legislative session.

(j) To assist the Committee on Rules, upon its request, in recommending the reference of bills to the appropriate standing committee.

Filling Interim Vacancies—Assembly Elected Officers

34. In the event a vacancy in any office, except Speaker, elected by the membership of the Assembly occurs during joint recesses, the Committee on Rules shall fill the office until the session reconvenes. If a vacancy occurs in the office of the Speaker during a joint recess, the Committee on Rules shall notify the membership within 15 days from the time the vacancy occurs and shall call a caucus of the membership of the Assembly for the purpose of filling the vacancy. This caucus shall be held at the State Capitol within 30 days from the time the vacancy occurs. Notice of the caucus shall be in writing and shall be mailed not less than 10 days prior to the meeting of the caucus. If the Committee on Rules fails to act within 15 days from the time the vacancy in the office of Speaker occurs, the Chief Clerk of the Assembly shall act in its place, following the procedure set forth in this rule. Any person selected to fill any vacancy pursuant to this rule shall hold the office until the session reconvenes.

An affirmative recorded vote of a majority of the duly elected and qualified Members shall be required for the selection by the Assembly caucus of a person to fill a vacancy pursuant to this rule. The procedure for selecting the Speaker at the caucus shall be the same as the procedure required for the election of the Speaker at a session.

B. Printing

Authority for Printing

35. The State Printer may not charge any printing or other work to the Assembly other than as provided by law or Assembly rule, except upon a written order signed by the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly. All invoices for printing furnished to the Assembly shall be itemized and rendered by the State Printer within 30 days after completion of the printing. When necessary, the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly may order certain printed matter completed in advance of its regular order by the issuance of a rush order.

Ordering of Printing

36. The Chief Clerk is authorized to order, and shall have the responsibility for ordering, the printing of bills, resolutions, journals, daily files, histories, and related documents.

The Chief Clerk of the Assembly, or the Chief Administrative Officer of the Assembly, shall order other printing as directed or authorized by the Committee on Rules, and the written order for that printing shall be countersigned by the Speaker or a person designated by the Speaker. The Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly shall also order other printing as directed or authorized by resolution or motion of the Assembly.

Printing Assembly History and Legislative Handbook

37. During the session, the Chief Clerk shall cause to be printed and placed upon each Member's desk, prior to convening on Monday of each week, a complete history showing all actions taken upon each measure up to and including the legislative day preceding its issuance. For each legislative day intervening between the issuance of each Weekly History, there shall be printed a Daily Supplemental History showing only actions taken upon any measure since the issuance of the preceding Weekly History.

The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

V. LEGISLATIVE PROCEDURE**Order of Business**

40. (a) The order of business of the Assembly shall be as follows:

1. Roll Call
2. Prayer by the Chaplain
3. Reading of the Previous Day's Journal
4. Presentation of Petitions
5. Introduction and Reference of Bills
6. Reports of Committees
7. Messages From the Governor
8. Messages From the Senate
9. Motions and Resolutions
10. Business on the Daily File
11. Announcements
12. Adjournment

(b) The Speaker may determine that a different order of business will result in a more expeditious processing of the business of the Assembly by ordering resolutions honoring an individual or an organization, introductions, and adjournments in memory of individuals to be taken up in a different order than that listed in subdivision (a).

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with, on motion, by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, shall refer it to some other committee. The action to refer a bill shall not be debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one legislative day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

Guests of the Assembly

45.5. Nothing in these rules shall prevent the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests.

A. Bills and Resolutions**Bills Defined**

46. (a) The word "bill," as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

- (1) It shall be given only one formal reading.
- (2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members. In each legislative session, on the first day when bills are introduced under "Introduction and Reference of Bills," the roll shall be called from A to Z and, as each Member's name is called, the Member may introduce one bill, constitutional amendment, or concurrent or joint resolution. After this roll call, the preprint bills shall be introduced in numerical order.

After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or joint resolution may at any time during a session send the same to the Chief Clerk's desk.

When received at the Chief Clerk's desk it shall, under the proper order of business, be numbered, read the first time, printed, and referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills, constitutional amendments, and concurrent or joint resolutions introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

Any committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member. No committee bill may be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, no action may be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 30 bills in the regular session.

(b) This rule does not apply to a constitutional amendment, any type of resolution, or a bill introduced by a committee pursuant to Rule 47.

(c) This rule may be suspended with respect to a particular bill by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, shall refer it to some other committee. A motion to refer a bill shall not be debatable, except as to the propriety of the motion, and it shall not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Introduction of House Resolutions

53. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Committee on Rules.

Each house resolution shall be signed by each Member who is an author or coauthor of the house resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of his or her immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions**Standing Committee Rules**

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. No committee or subcommittee may meet during any session of the Assembly, nor may any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee shall not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly Floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit.

The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee shall constitute a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, shall be required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. No action taken by a committee may be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68,

shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote shall be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule shall not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. No chairperson of a standing committee shall preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills**Daily File**

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided Rule 58 has been complied with in the order of their listing, unless otherwise ordered by unanimous consent or an affirmative vote of two-thirds of the Members present. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. No bill may be considered or acted upon on the floor of the Assembly unless and until a copy of the printed bill as introduced, and a printed copy of each amended form of the bill, have been placed upon the desks of the Members.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order

of business. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. (a) No subcommittee of the Committee on Budget may meet until the Chairperson of the Committee on Budget establishes in writing the General Fund appropriations limit for each subcommittee.

(b) Between the date upon which a committee on conference of the Budget Bill is appointed and the date the Assembly adopts the report of the conference committee, the Chairperson of the Committee on Budget shall provide weekly written reports to the Members on the progress of the conference committee deliberations. The weekly report shall detail all major resolved and outstanding issues before the conference committee on the Budget Bill.

No Budget Bill reported to the floor of the Assembly by the conference committee on the Budget Bill may be voted upon on the floor of the Assembly unless it does all of the following:

- (1) Balances expenditures with anticipated revenues.
- (2) Provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget Bill for the fiscal year, or provides for a reserve of not less than 1 percent and a specific plan to phase in a reserve of at least 3 percent within three years. The percentage of the General Fund reserve shall be calculated by dividing the reserve of the General Fund by estimated revenues of the General Fund for the fiscal year. The phase-in plan shall be contained in another bill or in a section of the Budget Bill and shall have detail sufficient to instruct future sessions of the Legislature regarding the manner in which the 3 percent reserve requirement is to be met.
- (3) Is based upon no external borrowing by the state other than borrowing that the enacted Budget Bill or other statute would require to be repaid during that fiscal year.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the effect of the amendment upon the bill can be readily understood by all of the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. No bill may be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Analysis of Conference Committee Amendments

68.7. No report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. No conference report may be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) No conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change shall be deemed the only action taken when

the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term "heard" means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, shall be in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. A copy of a bill that has been amended only to add coauthors to the bill is not required to be placed upon the desks of the Members if both the Speaker and Minority Leader grant an exemption.

Amendments offered from the floor during a bill's second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered unless otherwise ordered by an affirmative vote of 41 or more Members.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making

statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day. This subdivision shall not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) No motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, shall be in order on the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to him or her.

Electronic Distribution of Bills, Conference Reports, Amendments, and Analyses

69.5. Subject to subdivision (b) of Section 8 of Article IV of the California Constitution, any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members shall include electronic distribution of the same information to the desks of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. No bill may be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded shall require an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money shall require an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it shall be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. A vote on concurrence on the Budget Bill or any bill making statutory changes necessary to implement the Budget Bill may be taken even if those bills have not been on the unfinished business file for one calendar day. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee

of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

- First—To adjourn;
- Second—To recess to a time certain;
- Third—To lay on the table;
- Fourth—For the previous question;
- Fifth—To set as a special order;
- Sixth—To postpone indefinitely;
- Seventh—To refer to or to re-refer;
- Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. No appeal is in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

- (1) "Shall the decision of the Speaker be sustained?"
- (2) "Shall the decision of the Speaker be overruled?"

An appeal cannot be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal cannot be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting shall decide any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and cannot be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly sine die.

To Recess to a Time Certain

85. A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and cannot be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table cannot be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members, and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Special Order of Business

88. The Speaker may set any matter before the Assembly as a special order of business.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain shall be deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but no "amendment to an amendment" may be amended. A motion to substitute shall be deemed to be a motion to amend and shall be considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. No amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

No motion or proposition on a subject different from that under consideration may be admitted as an amendment.

No amendment is in order that changes the original number of any bill.

No Member may be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. No motion, whether oral or written, may be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) No bill or resolution may be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdivision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee shall require a majority of those members present and voting. No motion to withdraw a motion to withdraw shall be in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken from File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that no action may be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. No motion to rescind the action and expunge the record may be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and no further action may be taken prior to the next legislative day. When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate is in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order on the last legislative day preceding January 31 of the even-numbered year. The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

No motion to reconsider the vote whereby a bill is passed is in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate is in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

No motion to reconsider the vote whereby a bill is passed is in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and no person may be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom no leave of absence has been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms, his or her assistants, or any person designated by the Sergeant at Arms, including members of the

California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

No recess or adjournment may be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly excuses that Member by a majority vote of the Members present and voting.

No Member may operate the voting switch of any other Member, except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the voting switch of the presiding Member, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her

vote to any previously announced vote that had been taken during his or her absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed. The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker". Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

No Member may speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question shall have the right to open and close the debate thereon. No Member may be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. No Member may yield to any other Member the time for which he or she is entitled to speak on any matter.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is

seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. No Member may absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. No Member may obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any vote. If a Member does not explain his or her reason for being late, any other Member may raise a point of order under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. No Member or other person may be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take his or her seat,

until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

Committee of the Whole

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole “do now rise and report back to the Assembly,” shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chair of the Committee on Rules.

Use of Assembly Facilities: Smoking

117. The smoking of tobacco products is prohibited within any building, or portion of a building, occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. This smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Floor of the Assembly: Telephones

117.5. No cellular telephone may be used on the floor of the Assembly during any session of the Assembly.

Meeting of the Assembly: Firearms

117.7. No person, except a peace officer acting within the scope of his or her employment, may carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

Persons Admitted to Floor of the Assembly

118. No person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests may be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member may be admitted only upon

presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. No lobbyist, as defined by Section 82039 of the Government Code, may, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

No person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, may be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. No motion to disqualify a Member is in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended, and his or her membership on any committee is thereupon suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted, and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice thereof to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller may not draw any warrant payable to that Member except as provided in this rule.

The Seal of the Assembly

121. The Seal of the Assembly may be used only by or on behalf of a Member of the Assembly, or when specifically authorized by the Committee on Rules.

HOUSE RESOLUTION NO. 1 TAKEN UP

On motion of Assembly Member Hertzberg, House Resolution No. 1 was taken up.

HOUSE RESOLUTION NO. 1—Relative to the Standing Rules of the Assembly for the 1999–2000 Regular Session.

**Motion to Postpone to a Time Certain
by Assembly Member Leonard**

ADJOURN IN MEMORY

George Danielson, former Member of the Assembly and former State Senator; Hon. Fred Marler, former State Senator and former Judge of the Superior Court and Court of Appeals; Hon. Milton Marks, former Member of the Assembly, former State Senator, and former Judge of the Municipal Court; Hon. Ken Cory, former Member of the Assembly and former State Controller; Hon. John Williamson, former Member of the Assembly; and Hon. Tom Bradley, former Mayor of Los Angeles. Assembly Member Floyd was then granted unanimous consent that the following statements be printed in the Journal:

December 7, 1998

*The Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California*

Dear Mr. Speaker: On this first day of the 1999–2000 Legislative Session, I respectfully request that the Assembly adjourns in the memory of George Danielson, former Member of the Assembly and Senate who went on to serve in Congress and on the Appeals bench. Mr. Danielson passed away on September 16, 1998, and his loss is deeply felt by his close friends in legislative, administrative, and judicial branches of government here in California as well as in Washington D.C.

Mr. Danielson exhibited throughout his public career a strong commitment to public service. Restraint was central to his thinking, recognizing that successful public policy requires questioning, careful analysis, and the inclination to be open to the viewpoints of others.

A highly effective legislator, most of his proposals were signed into law. Very few bills were lost in committee or on the floor and fewer were vetoed. A brief review of his legacy provides a perspective that may be valuable as we begin this new session and close this century.

Between 1962 and 1971, Nebraska-born and University of Nebraska graduate, George Danielson was an Assembly and Senate member from the Los Angeles area before he went on to Congress and later the Appeals Court. He is probably most remembered for his role in the Nixon impeachment hearings as a member of the House Judiciary Committee.

Elected to the Assembly in 1962, Mr. Danielson was a member of a freshmen class of thirty-four. He was twice elected Assembly Caucus Chairman. Most of George's Assembly and Senate legislation dealt with our legal system. In both houses he was a member of each Judiciary Committee and, in the Senate, Chairman of the Public Utilities Committee before going to Congress in the early 1970's.

Close friendships and exact attention to detail were prevailing qualities of George Danielson. His seatmate throughout his Senate years was with his friend and 1962 Assembly Freshman classmate, Al Alquist.

He maintained his contacts with his Assembly colleagues, attending the class reunions that were held, as late as last January. He never saw a bridge that could be burned. His significant and fine-tuned judicial legislation reflects the importance of George's thorough preparedness, subtle gifts of persuasion, and ability to work with others.

Committed to representing his constituents in the most complete way possible, Mr. Danielson was a familiar face throughout his district. His wife and best friend, Candy, a Democratic Party activist who closely worked with Lt. Governor Glenn Anderson, accompanied her husband to constituent meetings throughout his decades of public service. An avid campaigner, Mr. Danielson and his wife often assisted other legislators in their election efforts, walking precincts and making every effort to make government meaningful to Californians throughout the state.

Mr. Danielson's public life provides lessons we should emulate as we proceed into these last two years of this millenium. Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of George Danielson, former Assembly and Senate member, Congressman and Appeals Justice.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

The Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: On this first day of the 1999–2000 Legislative Session, I respectfully request that we adjourn in the memory of Fred Marler, a highly respected former Senator who went on to serve as a Superior Court and Appeals Court judge. Mr. Marler passed away on September 19, 1998 and, although retired, his loss will be deeply felt throughout California’s legislative and judicial communities.

A California-born, University of California, Berkeley, graduate, Fred Marler came to the Senate in 1965 when, as a Redding attorney, he was victorious in a special election. He successfully represented Shasta, Tehama, Glenn, and surrounding agricultural counties until Governor Reagan named this Minority Floor Leader to the Superior Court in 1974. His former Senate seatmate, George Deukmejian, appointed him to the 3rd District Court of Appeal in 1987.

Mr. Marler’s legislative committee assignments were almost entirely tied to his agricultural district’s interests. He was also a member of the Education and Transportation committees. He legislatively addressed and solved important farm concerns, highway routes and drainage problems. Before going to the bench, Mr. Marler introduced and was able to get passed several education-related bills. At various times he effectively chaired the Senate’s Fish & Game and the Agricultural committees, running tight, no-nonsense hearings, honing oversight skills later exhibited in his highly respected Superior and Appellate Court career.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of Fred Marler, a highly respected Former State Senator and Jurist.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

The Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: On this first day of the 1999–2000 Legislative Session, I respectfully request that we adjourn in the memory of Milton Marks, former member of the California State Assembly and Senate, as well as the Municipal Court bench. Mr. Marks passed away Friday morning, December 4, 1998.

Born and raised in San Francisco, a Stanford graduate, with a father who served in several political offices, including the State Assembly, Mr. Marks was first elected to the Assembly in 1958. Mr. Marks quickly immersed himself in the fine points of the judicial and general government process, introducing legislation relating to legal trusts and municipal and justice courts. In 1966, Mr. Marks was appointed to the San Francisco Municipal Court, but the next year ran for and was elected to the Senate in a special election to finish the term of Senator J.

Eugene McAteer, who died in office. Mr. Marks was the first Republican in thirty-two years to be elected to the Senate from San Francisco. He represented San Francisco for the next three decades.

During his tenure in the Assembly and Senate, Mr. Marks' legislation created the Little Hoover Commission. Now named after him, this Commission is dedicated to eliminating government waste. Mr. Marks wrote legislation creating the Department of General Services and introduced the first bill to create personalized license plates to raise money for the environment.

Mr. Marks waged difficult re-election races. Many believed they could defeat him, but on election night, Mr. Marks invariably won re-election. A key to his political success was his continued effort to serve his constituents and his constant campaigning. As was stated in a recent San Francisco *Chronicle* article relating his passing, Mr. Marks constantly attended "weddings, birthdays, baptisms, bar mitzvahs, parades, testimonials, retirement parties, ribbon cuttings, ground breakings, banquets, fund raisers, funerals, and public gatherings of every stripe."

An avid reader, Mr. Marks was a student of Winston Churchill. In his home he had a floor-to-ceiling bookshelf with every book written by or about Churchill, each one read and remembered by this kind, gentle representative. Mr. Marks could quote extended passages of Mr. Churchill's speeches and often quoted the English Prime Minister's witticisms and wisdom in his presentations of legislation.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of former Assembly and Senate member and Judge Milton Marks.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

The Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: On this first day of the 1999–2000 Legislative Session, I respectfully request that the Assembly adjourns in the memory of Ken Cory, an Assembly member from 1966 to 1974, when he went on to serve three terms as State Controller. Mr. Cory passed away on November 13, 1998, and he represents a significant loss to all who are committed to education and government efficiency.

Many are not aware that the majority of Mr. Cory's Assembly legislation addressed our state's education needs. Mr. Cory had been a consultant to the Assembly Education Committee prior to running for his Orange County seat, and his commitment to the highest level of schooling was paramount in his thinking throughout his Assembly tenure. Curriculum, textbooks, school finance were some of many school issues he addressed.

Missouri-born and a product of University of Southern California and UCLA, Ken Cory was a member of the Revenue & Taxation Committee as well as the Education Committee during his three terms. A lesson we

can take from his time in the Assembly is the importance of education and Mr. Cory's sense of urgency that our classroom environment be the most effective possible.

In 1974, Mr. Cory went on to serve three terms as State Controller. During that time, Mr. Cory established a new personnel and payroll system which has continued to this day. Prior to Mr. Cory's innovation, state personnel files were divided among multiple agencies and often duplicated. Files were not coordinated and were many times incomplete, creating havoc among state personnel. There were not any ties between personnel and payroll until they were integrated under Mr. Cory's personnel/payroll system.

California's unclaimed property program was largely dormant until Mr. Cory became Controller. He initiated a successful lawsuit which resulted in more aggressive auditing which has resulted in approximately \$300 million a year filings to the state for eventual distribution to the rightful owners.

During Mr. Cory's tenure as Controller, he was a member of several fiscally oriented boards, including the Franchise Tax Board, the Board of Equalization, and the Public Employees Retirement System. In his board member capacity, he was constantly seeking ways for the State of California to benefit from better investments or various tax issues. In one situation, he dealt with a highly complex lawsuit dealing with the Howard Hughes estate. At-issue was a significant amount of taxes that were potentially owed to the State of California. Mr. Cory was instrumental in winning that case for the State of California. He was also the catalyst by which a large block of Hughes property being transferred to the state was swapped for land which was set aside as a natural preserve for water fowl.

As State Controller, Mr. Cory was one of the first advocates of California's current unitary tax method when dealing with multinational companies. As a result of his early efforts, the unitary tax approach became more acceptable and has resulted in significant tax revenue being generated for the state of California.

In his capacity as Chairperson of the State Lands Commission, Mr. Cory brought lawsuits for anti-trust violations. While many of the lawsuits continue to this day, the state has brought in over \$300 million as a direct result.

An avid sports enthusiast, Mr. Cory could usually be seen at Sacramento Kings basketball games in his first row seat by the basket where, he said, the game was "really played." Mr. Cory loved the game of golf, often winning his own golf tournament, including one year when a tie produced a sudden death round. Ever the competitor, he won that one as well. A "people person", he combined his sports interests in an effort to have the hundreds of State Controller office staff get to better know each other. He created a Controllers Office baseball league that resulted in closer ties among staff.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of former Assembly Member Ken Cory.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: On this first day of the 1999–2000 Legislative Session, I respectfully request that we adjourn in the memory of John Williamson, former Assembly Member, who passed away on October 13, 1998. A gentle man and dedicated public servant, Mr. Williamson represented a total commitment to conservation that will continue as California public policy.

Kansas-born and a UCLA graduate, John Williamson authored one of California's most far-reaching land preservation statutes, named after him, which preserves millions of acres of farmland from development. The Williamson Act which has changed the face of California, provided an appropriate climax to his important and extensive 1958–65 Assembly tenure.

Representing the Bakersfield area, Mr. Williamson's legislation primarily addressed farm and water needs. One proposal created the Kern County Water Agency in 1961 and, two years later, another formed the California Water Districts. Mr. Williamson was an effective Chairman of the Public Utilities and Corporation Committee, and had groundbreaking legislation relating to our court system and junior colleges. He co-authored legislation creating the state university at Bakersfield and another measure creating Sugar Pine Point State Park at Lake Tahoe.

Mr. Williamson's public service continued after leaving the Assembly, as Executive Director of the Joint Committee on Open Space Lands, which oversaw implementation of the Williamson Act and Chief Executive Officer of the Senate.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of former Assembly Member John Williamson.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

The Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: On this first day of the 1999–2000 Legislative Session, I respectfully request that we adjourn in the memory of Tom Bradley, former Mayor of Los Angeles, who passed away on September 29, 1998. One of California's greatest success stories this Texas-born and UCLA graduate, the grandson of a slave, oversaw Los Angeles' growth for twenty years. His tenacity and coalition building shaped this modern city and proved that hard work and perseverance *can* succeed.

In 1963, after twenty years on the Los Angeles police force, earning a law degree in the process, Mr. Bradley was the first African-American to be elected to the Los Angeles City Council. During his terms he was

an effective and outspoken civil rights advocate. He was asked to run for Secretary of State and Congress, but he decided to focus on administering Los Angeles' needs and, in 1968, he announced for Mayor.

Leading the incumbent 36% to 21% in the primary vote, Mr. Bradley was not discouraged when he lost in the runoff election. He was asked to run for Lt. Governor and Attorney General in 1970, but his eye remained on the mayor's office, to which he was elected in 1973 for the first of five terms, Los Angeles' first African-American mayor.

A month after his election, and days before being sworn in by former US Supreme Court Chief Justice Earl Warren, Mr. Bradley came to Sacramento and met with Governor Reagan. The Mayor-elect wanted to build cooperative ties between city and state. Mr. Bradley then addressed the California Assembly, calling for an end to partisanship as state and local government addressed the problems facing California.

Mr. Bradley's commitment to Los Angeles led to his turning down a cabinet position in the Carter administration. He also discouraged suggestions that he be named Director of the FBI. His ability to build extraordinary coalitions between races as well as business and labor leaves a legacy of downtown growth, a striking skyline, and the beginnings of Los Angeles' subway/light-rail system. Throughout his public service career, Mr. Bradley taught us to focus on the future, emphasizing positive cooperation over cynical negativism.

Mr. Speaker, Tom Bradley was a highly influential leader whose dedication has shaped California and our lives over the past thirty years. He gave testament that whatever our backgrounds and goals, we can succeed to the degree we are able to work together. He stood up in the storms with goals that were high, reached into the future, yet never neglected the past. He showed in his accomplishments an inspiration of life.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of former Los Angeles Mayor, Tom Bradley.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

The committee is allocated all subjects within the scope of legislative regulation and control, but may not undertake any investigation that another committee has been specifically requested or directed to undertake. The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. Each subcommittee shall be known and designated as a select committee. The Speaker is the Chairperson of the Assembly General Research Committee and may be a voting member of any subcommittee. Each member of the Assembly General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups, and to report thereon to the full committee. The Committee on Rules is authorized to allocate to any subcommittee from the Assembly Operating Fund those sums that the Committee on Rules deems necessary to complete the investigation or study conferred upon that subcommittee. The Committee on Rules shall further allocate, from time to time, to the Assembly General Research Committee from the Assembly Operating Fund those sums that are necessary to permit the Assembly General Research Committee and the members thereof to carry out the duties imposed on them. The committee has continuous existence until the time that its existence is terminated by a resolution adopted by the Assembly, and the committee is authorized to act both during and between sessions of the Legislature, including any recess.

(b) The committee and its members shall have and exercise all the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from

Assembly Legislative Ethics Committee

22.5. (a) The Assembly Legislative Ethics Committee is hereby created. The committee shall consist of six Members of the Assembly, appointed by the Speaker. Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second greatest number of Members in the Assembly shall be made from a list of nominees that the Minority Floor Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairs of the committee. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, shall apply to the committee and shall govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee shall have the power, pursuant to this rule and

Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as “standards of conduct.”

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

No complaint may be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee’s determination under paragraph (1) or (2) of this

subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the Attorney General, the Fair Political Practices Commission, and the district attorney of the county in which the violation allegedly occurred. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the Attorney General, the Fair Political Practices Commission, and the district attorney of the appropriate county. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for

disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the Attorney General, the Fair Political Practices Commission, and the district attorney of the appropriate county. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

The committee, in consultation with the Fair Political Practices

Commission, shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at an amount that will permit the participation of lobbyists to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

Printing of Committee Reports

23. All requests for the printing of reports of Assembly committees shall be referred to the Committee on Rules. The Committee on Rules shall determine the number of copies needed and whether the report shall be printed in the Journal. In no event may more than 1,000 copies of any committee report be authorized by the Committee on Rules on the first printing, exclusive of the Journal copies if the report is to be printed therein, unless the Committee on Rules finds and determines that there is a special need for that report in greater numbers.

Upon determination by the Committee on Rules that additional copies of an Assembly committee report are required at any time following the first printing of the authorized number of copies, the Committee on Rules may authorize one or more additional printings in the numbers found by it to be necessary and may make funds available therefor.

No Assembly committee report may contain more than 100 pages, including the front and back cover thereof and any appendix, unless a greater number of pages has been approved and authorized by the Committee on Rules.

24. Every employee who works for a committee of the Assembly or a subcommittee of a committee, for a Member of the Assembly, for the Chief Clerk's office, or for the Sergeant at Arms, is an employee of the Assembly. All employees of the Assembly serve at the pleasure of the Assembly and the terms and conditions of their employment may be modified, or their employment may be terminated at will, at any time and without notice, by the Committee on Rules.

Every applicant for employment by the Assembly shall prepare a formal application for employment on forms prescribed by the Committee on Rules. The application shall include a statement of his or her present employment, his or her employment during the preceding two years, and other pertinent information that the Committee on Rules may require. If the application discloses any fact that indicates that the applicant has a personal interest that would conflict with the faithful performance of his or her duties, the applicant shall not be employed. All applications shall be retained in the records of the committee.

Every employee shall complete the Assembly ethics course in the first six months of his or her employment. Thereafter, every employee shall take the course in the first six months of every legislative session.

Filling Interim Vacancies—Assembly Elected Officers

34. In the event a vacancy in any office, except Speaker, elected by the membership of the Assembly occurs during joint recesses, the Committee on Rules shall fill the office until the session reconvenes. If

a vacancy occurs in the office of the Speaker during a joint recess, the Committee on Rules shall notify the membership within 15 days from the time the vacancy occurs and shall call a caucus of the membership of the Assembly for the purpose of filling the vacancy. This caucus shall be held at the State Capitol within 30 days from the time the vacancy occurs. Notice of the caucus shall be in writing and shall be mailed not less than 10 days prior to the meeting of the caucus. If the Committee on Rules fails to act within 15 days from the time the vacancy in the office of Speaker occurs, the Chief Clerk of the Assembly shall act in its place, following the procedure set forth in this rule. Any person selected to fill any vacancy pursuant to this rule shall hold the office until the session reconvenes.

An affirmative recorded vote of a majority of the duly elected and qualified Members shall be required for the selection by the Assembly caucus of a person to fill a vacancy pursuant to this rule. The procedure for selecting the Speaker at the caucus shall be the same as the procedure required for the election of the Speaker at a session.

B. Printing

Authority for Printing

35. The State Printer may not charge any printing or other work to the Assembly other than as provided by law or Assembly rule, except upon a written order signed by the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly. All invoices for printing furnished to the Assembly shall be itemized and rendered by the State Printer within 30 days after completion of the printing. When necessary, the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly may order certain printed matter completed in advance of its regular order by the issuance of a rush order.

Ordering of Printing

36. The Chief Clerk is authorized to order, and shall have the responsibility for ordering, the printing of bills, resolutions, journals, daily files, histories, and related documents.

The Chief Clerk of the Assembly, or the Chief Administrative Officer of the Assembly, shall order other printing as directed or authorized by the Committee on Rules, and the written order for that printing shall be countersigned by the Speaker or a person designated by the Speaker. The Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly shall also order other printing as directed or authorized by resolution or motion of the Assembly.

37. During the session, the Chief Clerk shall cause to be printed and placed upon each Member's desk, prior to convening on Monday of each week, a complete history showing all actions taken upon each measure up to and including the legislative day preceding its issuance. For each legislative day intervening between the issuance of each Weekly History, there shall be printed a Daily Supplemental History showing only actions taken upon any measure since the issuance of the preceding Weekly History.

The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

 9. Motions and Resolutions
 10. Business on the Daily File
 11. Announcements
 12. Adjournment
- (b) With the exception of Special Orders of Business, the Speaker may determine that a different order of business will result in a more expeditious processing of the business of the Assembly by ordering resolutions honoring an individual or an organization, introductions, and adjournments in memory of individuals to be taken up in a different order than that listed in subdivision (a).

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with, on motion, by a majority vote of the Members present and voting.
- (b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.
- (c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, shall refer it to some other committee. The action to refer a bill shall not be debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one legislative day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

Presentation of Guests or Memorials in the Assembly

45.5. These rules do not prohibit the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests. A request that a session of the Assembly adjourn in memory of a person shall be made in writing. The request shall be read by the presiding officer immediately prior to adjournment.

A. Bills and Resolutions

Bills Defined

46. (a) The word "bill," as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

- (1) It shall be given only one formal reading.
- (2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members. In each legislative session, on the first day when bills are introduced under "Introduction and Reference of Bills," the roll shall be called from A to Z and, as each Member's name is called, the Member may introduce one bill, constitutional amendment, or concurrent or joint resolution. After this roll call, the preprint bills shall be introduced in numerical order.

After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or

joint resolution may at any time during a session send the same to the Chief Clerk's desk.

When received at the Chief Clerk's desk it shall, under the proper order of business, be numbered, read the first time, printed, and referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills, constitutional amendments, and concurrent or joint resolutions introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

Any committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member. No committee bill may be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, no action may be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 30 bills in the regular session.

(b) This rule does not apply to a constitutional amendment, any type of resolution, or a bill introduced by a committee pursuant to Rule 47.

(c) This rule may be suspended with respect to a particular bill by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, shall refer it to some other committee. A motion to refer a bill shall not be debatable, except as to the propriety of the motion, and it shall not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If

the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Introduction of House Resolutions

53. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Committee on Rules.

Each house resolution shall be signed by each Member who is an author or coauthor of the house resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of his or her immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. No committee or subcommittee may meet during any session of the Assembly, nor may any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee shall not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with

regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee shall constitute a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, shall be required to report a bill out of the committee or subcommittee, respectively. Any vacancy

on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. No action taken by a committee may be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote shall be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule shall not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. No chairperson of a standing committee shall preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills

Daily File

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided Rule 58 has been complied with in the order of their listing, unless otherwise ordered by unanimous consent or an affirmative vote of two-thirds of the Members present. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. No bill may be considered or acted upon on the floor of the Assembly unless and until a copy of the printed bill as introduced, and a printed copy of each amended form of the bill, have been placed upon the desks of the Members.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. (a) No subcommittee of the Committee on Budget may meet until the Chairperson of the Committee on Budget establishes in writing the General Fund appropriations limit for each subcommittee.

(b) Between the date upon which a committee on conference of the Budget Bill is appointed and the date the Assembly adopts the report of the conference committee, the Chairperson of the Committee on Budget shall provide weekly written reports to the Members on the progress of the conference committee deliberations. The weekly report shall detail all major resolved and outstanding issues before the conference committee on the Budget Bill.

No Budget Bill may be voted upon on the floor of the Assembly unless it does all of the following:

- (1) Balances expenditures with anticipated revenues.
- (2) Provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget Bill for the fiscal year, or provides for a reserve of not less than 1 percent and a specific plan to phase in a reserve of at least 3 percent within three years. The percentage of the General Fund reserve shall be calculated by dividing the reserve of the General Fund by estimated revenues of the General Fund for the fiscal year. The phase-in plan shall be contained in another bill or in a section of the Budget Bill and shall have detail sufficient to instruct future sessions of the Legislature regarding the manner in which the 3 percent reserve requirement is to be met.
- (3) Is based upon no external borrowing by the state other than borrowing that the enacted Budget Bill or other statute would require to be repaid during that fiscal year.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the effect of the amendment upon the bill can be readily understood

by all of the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. No bill may be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Analysis of Conference Committee Amendments

68.7. No report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. No conference report may be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) No conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change shall be deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term "heard" means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, shall be in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. A copy of a bill that has been amended only to add coauthors to the bill is not required to be placed upon the desks of the Members if both the Speaker and Minority Leader grant an exemption.

Amendments offered from the floor during a bill's second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day. This subdivision shall not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) No motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, shall be in order on the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political

Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to him or her.

**Electronic Distribution of Bills,
Conference Reports, Amendments, and Analyses**

69.5. Subject to subdivision (b) of Section 8 of Article IV of the California Constitution, any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members shall include electronic distribution of the same information to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. No bill may be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded shall require an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money shall require an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it shall be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled

commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

- First—To adjourn;
- Second—To recess to a time certain;
- Third—To lay on the table;
- Fourth—For the previous question;
- Fifth—To set as a special order;
- Sixth—To postpone indefinitely;
- Seventh—To refer to or to re-refer;
- Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. No appeal is in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

- (1) "Shall the decision of the Speaker be sustained?"
- (2) "Shall the decision of the Speaker be overruled?"

An appeal cannot be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal cannot be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting shall decide any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and cannot be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly sine die.

To Recess to a Time Certain

85. A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and cannot be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table cannot be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members, and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business is adopted by an affirmative recorded vote of 54 or more Members. The motion is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain shall be deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but no “amendment to an amendment” may be amended. A motion to substitute shall be deemed to be a motion to amend and shall be considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. No amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

No motion or proposition on a subject different from that under consideration may be admitted as an amendment.

No amendment is in order that changes the original number of any bill.

No Member may be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. No motion, whether oral or written, may be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) No bill or resolution may be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdivision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee shall require a majority of those members present and voting. No motion to withdraw a motion to withdraw shall be in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that no action may be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. No motion to rescind the action and expunge the record may be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and no further action may be taken prior to the next legislative day.

When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate is in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order on the last legislative day preceding January 31 of the even-numbered year. The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

No motion to reconsider the vote whereby a bill is passed is in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate is in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

No motion to reconsider the vote whereby a bill is passed is in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting.

The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and no person may be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom no leave of absence has been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms, his or her assistants, or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

No recess or adjournment may be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly excuses that Member by a majority vote of the Members present and voting.

No Member may operate the voting switch of any other Member, except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the voting switch of the presiding Member, and any

Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote that had been taken during his or her absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed. The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES**Order in Speaking to Questions**

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

No Member may speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question shall have the right to open and close the debate thereon. No Member may be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. No Member may yield to any other Member the time for which he or she is entitled to speak on any matter.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. No Member may absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. No Member may obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any vote. If a Member does not explain his or her reason for being late, any other Member may raise a point of order

under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. No Member or other person may be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take his or her seat, until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

Committee of the Whole

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chair of the Committee on Rules.

Use of Assembly Facilities: Smoking

117. The smoking of tobacco products is prohibited within any building, or portion of a building, occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. This smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Floor of the Assembly: Telephones

117.5. No cellular telephone may be used on the floor of the Assembly during any session of the Assembly.

Meeting of the Assembly: Firearms

117.7. No person, except a peace officer acting within the scope of his or her employment, may carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

Persons Admitted to Floor of the Assembly

118. No person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests may be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member may be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. No lobbyist, as defined by Section 82039 of the Government Code, may, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

No person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, may be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. No motion to

disqualify a Member is in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended, and his or her membership on any committee is thereupon suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted, and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice thereof to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller may not draw any warrant payable to that Member except as provided in this rule.

The Seal of the Assembly

121. The Seal of the Assembly may be used only by or on behalf of a Member of the Assembly, or when specifically authorized by the Committee on Rules.

GOVERNOR'S ADDRESS PRINTED IN JOURNAL

Without objection, the following text of Governor Gray Davis' State of the State Address was printed in the journal:

The Era of Higher Expectations

Lieutenant Governor Bustamante, Mr. Speaker . . . Mr. President pro Tem . . . distinguished members of the Legislature, constitutional officers, distinguished members of the Supreme Court, my fellow Californians. Thank you and Happy New Year. Please join me in welcoming Sharon Davis.

Not since the year I immigrated to California, 1954, when Goodwin Knight took over for Earl Warren, has a former lieutenant governor had the honor of addressing the assembled Legislature as governor. Now I haven't been preparing for this moment for quite that long. Well, come to think of it . . .

Tonight I am calling on the Legislature to sit in extraordinary session beginning January 19 to address the overwhelming need to improve our system of public education. Nothing we do together in the coming months is more important to the people of California and to me.

Our collective challenge is to use lasting values, like decency and fairness, merit and accountability, as a guide to a new direction that achieves excellence in our schools and civility in our common life.

As I said Monday at my inauguration, I am a moderate and a pragmatist. I will govern neither from the left nor from the right, but from the center. I don't care which side of the aisle a good idea comes from, if it will work.

I'm pleased to report that California's economy is fundamentally healthy. More than 15 million people are employed and self-employed in California—more than the entire populations of all but two other states. We are the leading manufacturing state in the union and we are

home to one-fourth of all those employed in computer and related equipment manufacturing. We are the undisputed entertainment capital of the world, the nation's leading agricultural state and number one in exports.

We have emerged from recession. We are growing again. We are leading America into the 21st century.

We are, however, not immune from national and international economic conditions. Our Department of Finance estimates that growth of the nation's Gross Domestic Product will slow from a rate of 3.6 percent last year to 1.9 percent this year. And while California's economy continued to expand last year, the recession throughout Asia caused us to lose some 15,000 jobs in the aerospace and electronics industries, and the growth rate in non-farm employment has slowed.

This slowdown in our rate of economic expansion and the adoption of substantial tax relief measures and new spending commitments last year demand prudence and vigilance as we discharge our duty to manage the public's resources. To put it succinctly this year we face budget pressures that require discretion, financial caution and crystal clear priorities.

My first priority—in fact, my first, second and third priority—is education. And my goal is to set higher expectations for everyone involved in education: students and parents, teachers and administrators. This, I believe, is our duty to the future.

California invests nearly \$43 billion from all funds in the education of 5.5 million pupils. And although our schools are succeeding in some areas, too many children still enter high school without fundamental knowledge in English, math, science and history. And too many young people graduate high school without the basic skills necessary to begin a college education or master the high-paying jobs of tomorrow.

We must do better. And we will do better.

I am proposing \$444 million in new spending for measures to improve the reading skills of our children, to enhance the quality of our teachers and to institute tough standards of performance and accountability for each of our 8,000 schools.

I call this program READ: Raising Expectations, Achievement and Development. It represents a significant down payment on the future of our children.

Reading is the gateway skill for all California students. Unfortunately, our schools rank at or near the bottom of all states as measured by results on the National Assessment for Education Progress.

To attack this intolerable problem, I will call on you to allocate \$186 million for reading improvement programs, including \$75 million specifically for Intensive Reading Instruction Academies for pupils. I also will create a Reading Call to Action Campaign and special programs for English language learners to help accelerate the teaching and mastery of English. We will publish and distribute pre-school reading development guidelines and we'll provide funding for elementary schools to expand classroom libraries.

My budget also will include funds for a Governor's Reading Awards Program which will provide competitive cash awards to the top 400 schools whose students read the most books designated in the California Reading Lists.

This will help us assure that every child in California public schools is a competent reader by the end of the third grade.

Up there in the balcony are six pre-schoolers from Elk Grove. We're delighted to have them with us tonight. By the time I finish this term in office, I promise you this: these youngsters and tens of thousands like them throughout California will be reading with confidence and pride.

Now, in addition to improving students' reading skills, we're going to enhance the professional quality of principals and classroom teachers. For while there are tens of thousands of wonderful, motivated and committed teachers and administrators at work in our schools, some are simply not making the grade.

As a step toward reversing this situation, I will propose spending more than \$50 million to re-train our teachers and improve principals' performance. I propose to establish reading development institutes for teaching professionals, Governor's Teacher Scholarships and a Principal Leadership Academy.

For the first time, I will ask community colleges to create teaching and reading development partnerships with elementary and secondary schools. And I intend to train more paraprofessionals to become teachers and to waive credential fees for all new teachers.

We also will continue to provide \$10,000 merit awards to teachers who demonstrate extraordinary skills by successfully completing the rigorous process of obtaining certification from the national Board of Professional Teacher Standards.

Obtaining national board certification is a profoundly difficult task. To date, only about 130 or about one-half of one percent of California teachers have met the challenge. We are honored tonight to have half a dozen of them here with us. Please join me in applauding them for their dedication and great accomplishment.

To further improve teacher performance, I will be seeking \$100 million to make California the first state in the nation to establish a genuine peer-review process for teachers.

Now I know this is controversial. Some people don't think front-line teachers should be involved in the process of reviewing their peers. I disagree.

Nobody wants to elevate the profession of teaching more than teachers do. The people best situated to assist in identifying under-performing teachers are skilled, veteran teachers. So I'm challenging my good friends in the teaching community to help us elevate their profession. Together we will reshape the Mentor Teacher Program to reflect the kind of self-examination common among doctors and other professionals.

Under my program, principals will be required to consider the results of peer reviews in their staffing decisions. If a teacher receives an unfavorable review, he or she will be given an opportunity to improve. But if there's no improvement after an appropriate period of time, the results of that review will be conveyed to the local school board.

The purpose of this effort is simple: to ensure that our 264,000 K-12 teachers constitute the best-trained, most competent teacher corps in the nation.

Now, I want especially to speak to the notion of accountability.

While a number of other states require students to pass a statewide minimal skills exam to graduate from high school, California does not. I believe we need to do even better.

I am proposing a rigorous high school graduation exam, second to none in America. It will require the mastery of math and communication skills. The goal is to assure students, parents, colleges and employers that a high school diploma signifies that graduates are truly prepared for the demands of the New Economy. I will request that you pass legislation directing the State Board of Education to adopt such an exam, to be required as a condition of graduation beginning in 2003.

When it comes to setting high expectations in public education, California will lead the nation.

I also intend to work with the U.S. Department of Education to seek authority to use federal class-size reduction funds to help lower student-teacher ratios in high school math and English classes to help students meet graduation requirements.

At the same time, I also will call on you to set aside \$150 million for Governor's Performance Awards for schools in every community that show significant academic improvement from the previous year. I want to reward all students, teachers and principals who hold higher expectations for themselves and who embrace achievement and excellence.

It's no secret that I have enormous respect and regard for the men and women who teach our children and administer our public schools. But the single most powerful complaint from the people of California is that deficient public schools must be held to task. And they're dead right.

So I am targeting \$42 million for school accountability to promote reforms in underachieving schools, including those in the middle that are failing to achieve their potential. This will be part of a comprehensive school accountability proposal that ultimately will hold all schools accountable for educating the students they serve.

We will give evaluation and planning grants to improve students' performance to 200 schools per year selected from the bottom 50 percent on standardized tests. They will receive outside help and guidance and matching funds to implement reforms.

If they fail to meet their goals after one year, we'll alert parents and the public that these are under-performing schools, allow students to attend other schools if they choose and, where appropriate, place the principal on probation. Schools that fall short of their goals but show significant improvement will continue in the program for another year.

After two years, schools that meet or exceed performance goals will be eligible for a one-time cash bonus. We will reward the pursuit of excellence.

But those that have shown no significant improvement will face serious consequences. These will include dismissal of the principal or reassignment of teachers or creation of a charter school by the parents or reorganization of the school, or even closure of the school or district.

When an NFL coach has one losing season after another, he gets replaced. Period. End of subject. I say we should be just as decisive when our children's future is at stake.

Accountability must not be just another buzz word. It must have real meaning in the real world. Our children deserve no less.

Just as we challenge students, teachers and principals to hold higher expectations, so too we must ask more of parents. No one is more important than parents in sending the signal that reading and education matter and that school work is not a form of drudgery but a ticket to a better life.

So I will use my office to urge school districts throughout the state to require parents to sign a contract with their schools. This is not something new. It's being done by many public, private and parochial schools. By giving their word to read to their children, to assist on homework, to engage the process of learning, parents can set an example for their children that is invaluable.

So, no one gets a free ride. Students will be tested. Teachers will be reviewed. Principals will be held to account. And parents will be urged to take greater responsibility.

Education, of course, does not end with high school. And we have to do what we can to keep down the costs of a higher education. In 1997 I urged you to pass the Ducheny Bill that reduced student fees at California's public universities and colleges. I am pleased to say my budget includes \$30 million to maintain that reduction. And I will propose spending \$5 million to increase the number of Cal Grants so that more financially needy students can attend college.

I will continue to support plans for a new University of California campus in Merced to provide a new center of higher learning in the heart of the most important agricultural valley in the world. As we negotiate a new Compact for UC and CSU, I will seek clear, quantifiable performance standards and productivity results along with competitive salaries. And I will urge the faculties to take a greater role in the mentoring and training of elementary school teachers and principals.

I will not seek to reverse the peoples' will as expressed in Proposition 209. I will, however, urge the UC Regents to admit truly superior students who graduate in the top 4 percent of every high school in California. This is a policy that rewards excellence across the board. It is blind to ethnicity, gender and race.

It should not matter which schools our children attend; what should matter is how hard they work and what they achieve.

As we seek to secure our future with a higher expectations approach to learning, we also must continue to secure the present.

Toward that end I propose extending the \$100 million Citizens' Option for Public Safety program which would otherwise sunset June 30, 2000. In making this an ongoing program, I also will ask you to redesign the program to encourage local governments to use these funds to hire up to 700 new police officers.

And while we're on the subject of public safety, let me assure you I will make good on my pledge to sign a tougher ban on assault weapons. As I've said many times before, I was trained in the use of these powerful weapons in the Army and they have a place on the battlefield. But we must do everything we can to rid them from the streets of California once and for all.

As someone who was standing in the jungle in Southeast Asia 30 years ago tonight, I feel special empathy with the men and women who risked their lives on the battlefield. Just as they honored their commitment to America by placing themselves in harm's way, we must honor our commitment by doing right by our veterans.

So I am proud tonight to announce that my budget includes \$14.6 million to open a new veterans home in Chula Vista in the spring of 2000, bringing to Southern California a second home for our brave former fighting men and women.

After education and public safety, the most vocal complaint from our citizens is traffic. It's just a symptom, really, of inadequate planning and overburdened systems. There are no quick, easy, inexpensive solutions. Estimates of our unfunded needs for traffic, schools and other public facilities are at least \$40 billion. But we can plan for the future and take charge of the present.

I will instruct Secretary of Business, Transportation and Housing Maria Contreras-Sweet and Transportation Director Jose Medina to ensure that CalTrans will more efficiently spend the hundreds of millions of dollars it has in the pipeline for new transportation projects. We will get the money for needed projects moving.

In addition, I will appoint and convene a Commission on Building for the 21st Century including business, labor, local government, environmental and transportation leaders to develop a plan to meet our capital needs. I will ask Lt. Gov. Bustamante to coordinate the work of the commission and report back to me by May 1 with proposals.

As we build for the future we must also protect our natural resources, our open spaces and our precious coastline.

I will propose \$10 million in challenge grants to fund coastal access and wetlands restoration projects and I will restore a previously vetoed \$981,000 in support to the Coastal Commission to assist local governments in completing their coastal plans and to strengthen enforcement of the Coastal Act.

My budget also will include more than \$20 million to pursue and enhance the environmental quality of Lake Tahoe and the Tahoe Basin. And my Secretary of the Resource Agency, Mary Nichols, and I will press Congress and the White House to extend the moratorium on offshore oil drilling to all undeveloped tracts off the California coastline.

I will keep the CalFed effort moving forward to address our critical water needs in a balanced and responsible way. I will ensure that all the parties have a stake in the process and I will require compromise by them all. No one will get everything they want but no one will come away empty handed.

Consensus will also be critical to finding a solution to one of the most difficult problems facing local governments: the conflict between the need to build more affordable housing and land use policies that seek to maximize local revenues by discouraging housing in favor of commercial and industrial development.

To begin addressing these concerns and others, I will establish a State Housing Task Force that will include Lt. Gov. Bustamante, Treasurer Phil Angelides and Secretary Contreras-Sweet. The task force will look at permanent sources of income for affordable housing, growth management incentives, tax distribution and it will consider whether state government should oversee the use of redevelopment funds.

I also have directed Secretary Contreras-Sweet and Health and Human Services Secretary Grantland Johnson to consult with medical, business and patient representatives, and to provide me options for more effective regulation of the health care industry.

Our goal is to make sure that the overwhelming number of Californians who rely on HMOs are receiving the quality of care they're paying for. No one should be exempt from accountability—including HMOs.

To provide more health coverage for the children of the working poor, I will propose a modest increase in the Healthy Families Program. And in our efforts to reduce the number of teenage pregnancies we will continue funding for the community challenge grant program which would otherwise sunset at the end of this year.

I will, of course, provide full funding for family planning programs. And I respectfully suggest to those who would deny a woman her right to choose, please don't waste our time.

No less important to Californians than their freedom is their sense of justice and fairness. They've had enough of noisy name-calling and divisive politics. I believe that voters responded to my candidacy in part because I wanted to lower the decibel level in this state. We are one people, and we will rise or fall together.

Whatever our job—whether we design computers or sweep the streets, manage businesses or flip hamburgers, whether we construct homes or clean them—we all depend on one another's success. I believe each individual success is predicated on the success of others. Even the most affluent CEO in Silicon Valley depends on working people to build the cars and planes safely, to educate our children, heal the sick and comfort the elderly.

I intend to honor and reward all Californians who get up every day, go to work, meet their challenges, nurture their families and give back to their communities. And that includes state workers who provide essential services to the public.

Californians are a fair and compassionate people and they believe people should be fairly compensated for their hard work. I know they will support the fact that I have budgeted a well-deserved pay raise for workers who have gone four long years without an increase in compensation.

Moreover, I know the people of California will support me when my Industrial Welfare Commission restores the 8-hour day to this state's working men and women.

My friends, I came to this Capitol nearly 25 years ago as a young man. Later, I had the privilege of serving in this distinguished body. In fact I sat at that desk right there in the second row. I've seen Sacramento at its best and at its worst. I've seen us pass historic legislation to protect farmworkers and our majestic coastline. I've seen us pass tough penalties for violent crime and myriad laws to improve California's business climate.

But in recent years we've had too much scapegoating and finger-pointing. I believe the time has come for all of us to pull together, not apart. So tonight I propose a four-year moratorium on wedge-issue politics. If we work together, there's no telling how far we can go or how high California can soar.

In that spirit, I extend a hand to both sides of the aisle, in the sincere request that we find common ground on behalf of the people of California.

So I say to you, the distinguished members of the Legislature, join me in ringing in the Era of Higher Expectations. We have much to do and far to go before we can rest. We will have differences, no doubt. But if we keep in mind our common purpose—to improve our schools and manage the state’s resources with a sense of decency, honor and service—and with God’s good grace, we will steer California in a new direction guided by our lasting values.

Thank you. God bless you. God bless California and God bless America.

REPORTS

The following letters of transmittal were presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

98021

December 8, 1998

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As required by the California Public Utilities Code, Section 421(f), the Bureau of State Audits presents its audit report concerning the Public Utilities Commission’s (commission) expenditure of fees paid by freight railroad and passenger transportation companies to the commission’s Public Utilities Commission Transportation Reimbursement Account. This report concludes that the fees the commission collects from privately owned railroad and passenger transportation companies may not sufficiently cover the costs of regulating these companies. As a result, the commission’s other fee payers, such as trucking and utility companies, may be subsidizing railroad and passenger transportation regulation.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Utilities and Commerce.

California State Auditor

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As required by the California Penal Code, section 13892, the Bureau of State Audits presents its audit report concerning our assessment of California's 19 local forensic laboratories. This report concludes that several of the local forensic laboratories have not established comprehensive quality control systems. Further, although required for accreditation, many of the laboratories do not have proficiency testing or court monitoring programs. As a result, these laboratories will have difficulty meeting certain professional standards for forensic laboratories. Additionally, many of the laboratories have cramped facilities or outdated and improperly working equipment. Laboratories could also improve efficiency by replacing outmoded equipment, installing management information systems, and providing training programs for their staff. Finally, most of the laboratories do not track information on costs of individual tests; thus, they cannot accurately assess the cost-effectiveness of the services they provide.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Public Safety.

California State Auditor

December 17, 1998

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning improvements needed to better protect California's groundwater from contamination by gasoline components and additives. This report concludes that in spite of mounting evidence of gasoline contamination of our drinking water, the Department of Health Services and the State Water Resources Control Board missed opportunities to aggressively address the problem.

Also, the State's process for regulating the safety of its citizens' water, and especially for ensuring that gasoline does not contaminate drinking-water sources, has multiple shortcomings. The State has been inconsistent in its efforts to identify and clean up leaking underground storage tanks, and the California Environmental Protection Agency's process for auditing the local agencies responsible for issuing permits to storage tank operators and for monitoring the tanks requires

modification to assure that the agencies catch all leaks and deficiencies. Also, the Department of Health Services needs to improve its procedures to ensure that public water systems submit laboratory results promptly so agencies can identify and alleviate contamination quickly.

Finally, the Department of Health Services and the state and regional boards are not making certain that public water system operators, storage tank owners or operators, and regulatory agencies responsible for detecting and cleaning up chemical contamination are doing their jobs. To further compound this problem, the Department of Health Services, the regional boards, and the local agencies have not vigorously enforced laws that require prompt follow-up monitoring for chemical findings and contaminated sites, notifying the public about chemicals found in groundwater, and managing the cleanup of chemical contamination of groundwater.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Water, Parks and Wildlife.

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The Bureau of State Audits presents its Independent Auditors' Report on the State of California's general purpose financial statements for the year ended June 30, 1998. These financial statements are presented on a basis in conformity with generally accepted accounting principles (GAAP). The financial statements show that the State's General Fund generated revenues of approximately \$3.0 billion more than it spent for fiscal year ended June 30, 1998. The General Fund ended the fiscal year with a fund balance of approximately \$547 million. The GAAP basis statements include all liabilities owed by the State while the budgetary basis statements that are used to report on the State's budget do not reflect all liabilities.

We conducted the audit to comply with the California Government Code, Section 8546.4.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

INTRODUCTION OF ASSEMBLY BILLS

MESSAGES FROM THE GOVERNOR

The following Budget Message from the Governor was received and ordered printed in the Journal:

Governor's Office, Sacramento
January 8, 1999

To the Senate and the Assembly of the California Legislature:

I submit for your consideration the Governor's Budget for 1999–00.

During the past decade the people of California have demonstrated a remarkable resilience. In the wake of the worse recession since World War II the citizens of this state have shown that it is possible to triumph over adversity—and emerge even stronger. And it is true that the fundamentals of California—the economy, its people and its resources—are strong.

Yet, important work remains to be done. Though serving some students well, the state's educational system fails to provide too many children with basic skills and, consequently, consigns them to lives of limited opportunity. This Administration's highest priority is to raise expectations and improve achievement in education. In the service of these goals, the Budget proposes to invest in efforts to ensure that every student in California schools can read by age nine. We must improve the performance of California's students, teachers, and schools so that our children can become productive, literate citizens.

The Budget includes other modest, though significant, investments in the areas of health care, environmental programs and student aid. The Budget also continues the reductions in fees for students at the state's higher education institutions I urged the Legislature to enact in 1997. In

spite of the fact that the pace of economic growth in the state has moderated, these investments are made possible by the exercise of prudent fiscal discipline.

With your collaboration and leadership, we can assure the future of our children and the future of this state.

Sincerely,

GRAY DAVIS

Accompanying Governor's Budget and Budget Summary ordered filed with the Secretary of State.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

It is the Jewish practice to begin with a question.

Once while teaching, the Jewish sage Ben Zoma asked: "Who is wise?" He responded by saying: "The one who learns from everyone, as it is written in the Book of Psalms: 'From all who would teach me, I have gained understanding (Psalms 119:99)'". . . Ben Zoma continued by asking: "Who is honored?" He taught: "The one who honors others."¹

It is human nature to only want to listen to those with whom we agree, and to only give honor to those with like-minded ideals.

But when we open ourselves up to hearing the wisdom that others hold, we become enriched, and when we treat others with the honor that we desire, we become elevated by our actions.

May the Holy One of Blessing, grant us the humility to learn from others, and the wisdom to honor all whom we encounter.—AMEN.

Mr. Speaker: The Chair of your Committee on Insurance reports:
Assembly Bill No. 70

With author's amendments with the recommendation: Amend, and re-refer to the committee.

SCOTT, Chairman

ASSEMBLY BILL NO. 70—An act to amend Section 606.5 of, and to add Section 13004.3 to, the Unemployment Insurance Code, relating to employment.

Bill read second time; author's amendments, presented pursuant to Assembly Rules, read and adopted; bill ordered reprinted, and to be re-referred to the committee.

SPECIAL COMMITTEE MEETINGS

By unanimous consent, the following committees were permitted to meet:

Utilities and Commerce Committee, on January 25, February 1, and February 8, 1999, at 1:30 p.m., in Room 4202.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Upon request of Assembly Member Shelley, Assembly Member Keeley was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

September 10, 1998

*E. Dotson Wilson, Chief Clerk
California State Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: The purpose of this letter is to clarify two issues regarding Assembly Bill 1182, a bill that I authored.

First, it is my intent that the Monterey Peninsula Water Management District be included in the list of "affected parties" shown in Section 2(a).

Second, nothing in the legislation is intended to cause delay in the processing of California American Water Company's (Cal-Am) application pending before the California Public Utilities Commission.

Sincerely,

FRED KEELEY, Assembly Member
Twenty-seventh District

Upon request of Assembly Member Shelley, Speaker Villaraigosa was granted unanimous consent that the following communication be printed in the Journal:

January 5, 1999

*E. Dotson Wilson, Chief Clerk
California State Assembly
State Capitol—Room 3196
Sacramento, California*

Dear Mr. Wilson: This letter to the *Assembly Journal* is to declare my support for the Universal Health Access Study arising from SB 2123 (Lee and Watson).

Seven million Californians are without health insurance coverage. Over 80 percent of them are from working families. Many who have insurance are under-insured to the extent that a major illness would bring financial ruin to the entire family. Moreover, there is increasing evidence of compromise in the quality of care received by those with insurance, as witnessed by the multitude of diverse health insurance reform measures before the Legislature.

Hearings on SB 2123 demonstrated widespread support for a study of the different mechanisms by which universal access can be achieved. This support came not only from consumers but from all segments of the health care industry as well. I support the parameters for the study recommended by Senate President pro Tem John Burton in this August 28th letter to the *Senate Journal*. I encourage a comprehensive approach with regard to the options to be studied and the criteria by which solutions should be measured.

While the Legislature will consider many incremental approaches to the problems of access, cost and quality of care, it is vital that we explore, as well, the broader question of achieving universal coverage. A review of independent data, reveals that comprehensive approaches to health care have had excellent success rates throughout the

industrialized world. We in California would be remiss if we fail to explore these broader strategies.

I anticipate that the study will result in the information needed to guide the Legislature in designing comprehensive legislative resolutions to the health care problems of Californians. It is imperative, therefore, that the study be completed as quickly as possible, perhaps before the end of this year. Consequently, I call upon my fellow Assembly Members to join the Senate, the University of California and the private sector in this coordinated effort to address one of the most critical issues facing the people of California—access to quality medical care.

Sincerely,

ANTONIO R. VILLARAIGOSA
Speaker of the Assembly

Father, In Your Word, You say:

If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

In another passage (Psalms 103:1-5):

Bless the LORD, O my soul: and all that is within me, bless His holy name.

Bless the LORD, O my soul, and forget not all His benefits,

Who forgiveth all thine iniquities; Who healeth all thy diseases;

Who redeemeth thy life from destruction; Who crowneth thee with loving kindness and tender mercies;

Who satisfieth thy mouth with good things, so that thy youth is renewed like the eagle's.

And let us not forget (Micah 6:8):

He hath shewed thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?

PRAYER

Upon invitation of Speaker pro Tempore Keeley the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

When the Reverend Martin Luther King, Jr. received the Nobel Peace Prize in Oslo, in 1964, he spoke these words of hope:

He said: "I have the audacity to believe that people everywhere can have three meals a day for their bodies, education and culture for their minds, and dignity, equality and freedom for their spirits."

Thirty five years later, his words still speak to a common longing. He understood the Divine Truth, that until the needs of our bodies, our minds, and our souls are all met, peace amongst humanity will be delayed.

May the One who gave us Life, also grant us the compassion and strength needed to help nourish all who are in need of physical and spiritual sustenance. May the work of our hands and the meditations of our hearts always be directed towards bringing peace and wholeness to the world, and joy and celebration to all of humankind.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

While our nation has long championed the official separation between church and state, we have also understood the value of political action being influenced by the ethical and moral beliefs, that are promoted by religions, that strive to uplift the human spirit and elevate our actions towards one another.

In February of 1795, President George Washington declared a day of national thanksgiving. The Bishop James Madison preached a sermon in honor of the day. On the topic of religion and government he taught that:

“Virtue such as republics and heaven require must have its foundation in the heart; it must penetrate the whole man; it must derive its obligations and its sanctions, not from the changeable ideas of the political moralist, or the caprice of the wisest of human legislators, but from the unchangeable father of the universe, the God of love, Whose laws and Whose will we are incited to obey by motives, the most powerful that can actuate the human soul. Men must see and feel, that it is God Himself, their maker and their judge, Who demands obedience to duties which constitute their individual, their social, their eternal happiness. Then and not till then, will virtue reign triumphant in the hearts of citizens.”¹

Legislators are entrusted by the people with the sacred obligation to enact policies and laws, but, as Bishop Madison suggested, the people hope that their government will not be influenced simply by the changing whims of the political moralists and pundits, but rather by the motivation that their actions have the power to actuate the human soul, to elevate the human condition, and to bring us together in thanksgiving and understanding.

Master of All Creation, we ask of You to grant us humility in the awesome task to which we have been entrusted, we pray that You be an inspiration in our daily actions and that You grant us wisdom and compassion in all of our endeavors.—AMEN.

¹ Bishop James Madison: “Manifestation of the Beneficence of Divine Providence towards America,” February 19, 1795.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

That great philosopher on life, Helen Keller, saw the world with such a clarity, that those of us with sight often envy her of hers.

A woman who knew the loneliness of silence, and of being separate from the world, she strove not only to participate with her fellow travelers on life's journey, but to engage them, and challenge them, to make the world better for their having been here.

She once wrote: "A sane society whose riches are happy children, men and women, beautiful with peace and creative activity, is not going to be ordained for us. We must make it ourselves. Our destiny is our responsibility, and without faith we cannot meet it competently."

As she so clearly states "Our destiny *is our responsibility.*" And, the purpose of faith is to give us the courage and stamina needed to meet the often difficult challenge of transforming our ideals into reality.

May the Holy One of Blessing grant us the gift of seeing in our lifetime a world renewed, a world filled with happy children and adults, a world overflowing with the creative power of our spirits, a world at peace with itself.—AMEN.

Upon request of Speaker pro Tempore Keeley, Assembly Member Dutra then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Life is a wonderful and mysterious gift. Every year, we witness the cycle of life by watching the trees change in each season.

The writer Harry Emerson Fosdick realized that we humans have much to learn from the natural world, he wrote:

We ask the leaf, "Are you complete in yourself?" And the leaf answers, "No, my life is in the branches." We ask the branch, and the branch answers, "No, my life is in the root." We ask the root, and it answers, "No, my life is in the trunk and the branches, and the leaves. Keep the branches stripped of leaves, and I shall die." So it is with the great tree of being. Nothing is completely and merely individual.

When we look outside at the cold landscape of winter, and see the trees standing bare of their glory, we are reminded that we are as vulnerable as the tree. Our lives are not separate and complete in and of themselves; each of us is dependent on many layers to nourish and protect us. If we were asked "Are you complete in yourself?" We would have to answer: "No, my life is in my family, my friends, my community, my faith and beliefs—if you strip me of these, then surely I shall die."

Oh, Master of the Universe, we thank You for the precious gift of friends and family who fill our lives with blessing and protect us from the storms of life. We ask of You to shelter and sustain them, for without their support, we could not do the task that is asked of us. Blessed is the Creator, the giver of life.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

It was written by the philosophies of the Tao Te Ching:

If you want to see the world, don't look through the window before you have looked within. Attend to the center. The Sage is out there without going, sees without looking, acts without doing.

Sometimes we are so busy, running, looking, searching, working, we forget to simply stop, to breathe, to be. Often the answers and the wisdom we are grasping for can be found when listening to the quiet, still small voice within each of us.

Oh, Master of the Universe, grant us the ability to find You in the silence of our days and in the moments when we do not even know that we are looking for You. By attending to the center within each of us, may we find You to be in the center of all that we do.—AMEN.

California State Auditor

January 21, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning various counties' administration of their Emergency Medical Services (EMS) funds. This report concludes that while the six counties we reviewed appropriately allocate money to their EMS funds, legislation enacted after fiscal year 1990-91 has effectively reduced available funding for emergency medical services. Moreover, because of their own policies and legislative constraints, counties are not fully utilizing available EMS funds to reimburse emergency medical care providers.

California State Auditor

February 2, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 205
Sacramento, California*

Members of the Assembly: As required by AB 1656, the 1998-99 Budget Bill, the Bureau of State Audits presents its audit report concerning its evaluation of the Department of Justice's (department) claims review process for the Witness Protection Program. This report concludes that the department has taken important steps to implement controls ensuring that all program costs are appropriate and that only approved witnesses receive program services. However, the program policies and procedures display some shortcomings, that as the program increases in size, could lead to inconsistencies and backlogs in processing claims.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Budget.

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As required by the California Welfare and Institutions Code, Section 19640.5, the Bureau of State Audits presents its audit report concerning its fiscal audit of the Department of Rehabilitation's (department) Business Enterprise Program for the Blind (program). This report concludes that the financial condition of the program is sound, and although the department has improved its financial management of the program, some opportunities for further improvement exist. Specifically, the surplus in the Vending Stand Account—Special Deposit Fund appears excessive. Additionally, the department could increase vending machine income more than 35 percent by establishing contracts for all vending machines on state and federal property.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Labor and Employment.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

While Albert Einstein is best known for his theories about the universe, ultimately the time and space he was most interested in was the time and space each of us occupies that is called "life".

He once wrote:

Strange is our situation here upon the earth.

Each of us comes for a short visit,

not knowing why,

yet sometimes seeming to divine a purpose.

From this standpoint of daily life, however,
there is one thing we do know:

that we are here for the sake of others;

above all, for those on whose smile and well-being our own
happiness depends;

and also for the countless unknown souls with whose fate we
are connected by a bond of sympathy.

Many times a day I realize how much my own outer and inner life
is built upon the labors of others,

both living and dead,

and how earnestly I must exert myself

in order to give in return

as much as I have received and am still receiving.

Each of us live lives that have been built on the labors of others. This institution, this nation, is testimony to that. Part of how we can derive meaning from life is by acknowledging the gifts that we have been given, and in turn, we can give to others. Giving not with the expectation of personal reward, power or thanks, but contributing, by giving of ourselves, in many selfless ways. Giving, so when we are gone, the world will be better for the next generation.

We ask the Holy One of Blessing that our eyes always be open to seeing the many gifts we have been blessed with, we ask that our hearts will always be filled with a generosity of spirit towards those whom we encounter every day, and that the work of our hands will be used to create a world free from ignorance, violence, and pain.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Briggs then led the Assembly in the pledge of allegiance to the Flag.

The following communication was presented by the Chief Clerk, and ordered printed in the Journal:

February 12, 1999

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Dear Dotson: Please be advised that on February 12, 1999, the Assembly Rules Subcommittee on Sexual Harassment Prevention and Response adopted the enclosed Assembly Policy Against Sexual Harassment (rev. July 1997).

Please ensure this information is printed in the Assembly Journal. Thank you for prompt attention.

Sincerely,

ROBERT M. HERTZBERG
Chairman, Assembly Rules Committee

POLICY AGAINST SEXUAL HARASSMENT

It is the policy of the California State Assembly that sexual harassment in the workplace is prohibited. This policy is intended to prevent sexual harassment of Assembly employees. The Assembly will take all reasonable steps to prevent harassment from occurring, and will take prompt and appropriate action when it knows that sexual harassment has occurred.

Sexual harassment in the workplace is also prohibited by state and federal law. Under the California Fair Employment and Housing Act, sexual harassment is in violation of the law if the harassment is sufficiently severe or pervasive as to alter the conditions of employment and create an abusive working environment, or if submission to conduct of a sexual nature is made either explicitly or implicitly a term or condition of employment. Sexual harassment is prohibited in similar circumstances under federal law by Title VII of the Civil Rights Act of 1964.

The sexual harassment policy of the Assembly imposes a stricter standard of conduct than that in state and federal law. It is a "zero tolerance" standard, prohibiting sexual harassment (defined below) even though the conduct may not be sufficiently severe or pervasive to constitute sexual harassment in violation of law.

This policy does not create a contract. The Rules Committee may, in its discretion, discipline employees for conduct or follow procedures not described in this policy.

A summary of this policy shall be posted in every office and placed in the employee handbook. A copy of the policy shall be given to every employee upon employment, at the beginning of every session, and whenever the policy is revised.

WHAT IS SEXUAL HARASSMENT?

For purposes of this policy, sexual harassment includes unwanted sexual advances, requests for sexual favors, and other visual, verbal, or physical conduct of a sexual nature when: (1) submission to the conduct is made either an explicit or implicit term or condition of employment; (2) submission to or rejection of the conduct is used as the basis for an employment decision; or (3) the conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Conduct which violates this policy may take many forms and includes, but is not limited to, slurs, jokes, statements, gestures, pictures, or cartoons. Examples of conduct which may violate this policy also include requests for sexual favors, conversation containing sexual comments which would be offensive to a reasonable person of the same sex as the complainant, and unwelcome sexual advances. Specific examples of conduct which may be found to violate this policy are:

1. Offering employment benefits in exchange for sexual favors.
2. Making or threatening reprisals after a negative response to sexual advances.
3. Verbal sexual advances or propositions; or pressuring or persistently asking an employee for dates.

4. Visual conduct: leering, sexual gestures, display of sexually suggestive objects or pictures, cartoons, calendars or posters.
5. Verbal conduct: sexually degrading or derogatory comments, epithets, slurs or jokes regarding a person's sex or physical appearance; constantly questioning someone about his or her personal life and speculating about his or her sex life.
6. Written conduct: suggestive or obscene letters, notes, electronic mail messages, or invitations.
7. Physical conduct: unwelcome touching, assault, or impending or blocking normal movement.
8. Other unwelcome conduct of a sexual nature which is unbecoming of an Assembly official or employee and which creates an intimidating, hostile or offensive work environment.

Harassment may involve outside vendors, lobbyists, or visitors. If the harassment is by a person who is not employed by the Assembly, it should nevertheless be reported to one of the people listed below.

Not all conduct which an employee may find offensive will necessarily violate this policy. For example, an ordinary social invitation to an employee, made under circumstances and in a manner that would not intimidate or offend a reasonable person of the same sex under the same or similar circumstances, is not sexual harassment, even though the particular employee may find the conduct objectionable.

Until July 28, 2000, the Rules Committee will investigate only those complaints of sexual harassment which have been reported to it within three years of the alleged harassment. After July 28, 2000, Rules Committee will investigate all complaints of sexual harassment reported to it within one year of the harassment. Rules Committee will promptly investigate these claims and, if necessary, appropriate corrective action will be taken. The investigation will take into consideration the totality of the circumstances as alleged, including the nature of the conduct, the severity or frequency of the conduct, the total number of days over which all of the conduct occurred, and the context in which the conduct occurred.

WHAT TO DO IF YOU BELIEVE YOU HAVE BEEN SEXUALLY HARASSED

If you have been subjected to conduct of a sexual nature that is not welcome, you may choose to speak directly with the person responsible for the conduct. This could be a quick and effective way to bring the offensive conduct to a halt.

If you believe you are being sexually harassed or have been exposed to a sexually hostile work environment, you should bring the problem to the attention of one of the following people: your supervisor, the Member of the Assembly in whose office you work, the Compliance Officer, the Chief Administrative Officer, or any Member of the Rules Committee. If you receive a sexual harassment complaint or observe conduct in the workplace which you believe violates this policy, you should notify one of these same people. Complaints of sexual harassment should be reported as soon as possible after the incident or incidents have occurred. **You are not required to notify your supervisor first, especially if your supervisor is the individual whom you believe is doing the harassing.**

**INTERNAL COMPLAINT POLICY AND PROCEDURES AVAILABLE
TO ALL ASSEMBLY MEMBERS AND EMPLOYEES**

Until July 28, 2000, the Rules Committee will investigate only those complaints of sexual harassment which have been reported to it within three years of the alleged harassment. After July 28, 2000, Rules Committee will investigate all complaints of sexual harassment reported to it within one year of the harassment. The Rules Committee will promptly investigate these claims and, if necessary, appropriate corrective action will be taken. The complainant and the accused will be interviewed. Other employees and witnesses may also be interviewed if circumstances warrant.

In most cases, the Rules Committee will attempt to resolve the problem informally. If informal resolution is not feasible or appropriate, a formal investigation, with specific findings, may be made. If the complaint is found to have merit, disciplinary action may be recommended.

The Rules Committee will strive to limit disclosure of any complaint to those directly concerned, consistent with its duty of fairness to the people involved and its duty to prevent harassment from occurring in the future. However, complete confidentiality cannot be guaranteed.

In determining whether or not particular conduct violates this policy, the Rules Committee will take into account such factors as the severity, duration, nature of the conduct, and the totality of the circumstances in each case. In addition, the Assembly prohibits retaliation against any employee for making a complaint or cooperating in an investigation. As set forth below, retaliation is a separate violation of this policy and the law.

I. INFORMAL RESOLUTION

A. Informal Resolution by a Supervisor

If a complaint of harassment is initially brought to the attention of a supervisor, the supervisor may attempt to resolve the problem informally within 10 working days, or may immediately refer the matter to the Compliance Officer. If the supervisor attempts to resolve the problem and either the complainant or the accused rejects the proposed resolution, the supervisor shall report both the complaint and the proposed resolution promptly to the Compliance Officer. If the supervisor successfully resolves the problem, both the complaint and its resolution shall be reported promptly to the Rules Committee personnel.

B. Informal Resolution by the Rules Committee

Any unresolved complaint of harassment brought to the attention of the Rules Committee shall be investigated and, where appropriate, effective corrective action shall be taken. The Rules Committee in its sole discretion may attempt to resolve the complaint through informal procedures, and will complete these procedures within 10 working days whenever possible.

The Compliance Officer, or other person designated by the Rules Committee, will interview the complainant, the accused, and other individuals as appropriate, and may review other evidence. The Committee will strive to keep the investigation confidential to the extent possible. In the event that informal resolution is unsuccessful, either the complainant or the accused may request that the matter be handled

through the formal procedure outlined below. At any time the Chief Administrative Officer or Compliance Officer may decide that the matter is to be handled through the formal procedure.

II. FORMAL RESOLUTION

The Rules Committee will conduct a formal investigation under the following guidelines:

A. Interviews and Information Gathering

1. If the informal resolution procedure has not resolved the complaint an outside investigator will review all reasonably available evidence and will interview the complainant, the accused, and other individuals with information on the matter, as appropriate.

2. The investigator will attempt to complete the investigation within 30 calendar days. The Rules Committee in its sole discretion may extend the time for completion of the investigation.

3. The Committee will strive to keep the investigation confidential to the extent possible.

4. The matter may be resolved informally at any time during the formal procedure.

B. Findings and Recommendations

At the conclusion of the investigation, the investigator shall prepare a written report of findings of fact, and shall file the report with the Chief Administrative Officer.

1. If the Chief Administrative Officer determines that the facts found by the investigator do not constitute a violation of this policy, the investigation is complete.

2. If the Chief Administrative Officer determines that the facts found by the investigator constitute a violation of this policy, the Chief Administrative Officer shall promptly notify the Chair and Vice-Chair of the Rules Committee of the determination that a violation of this policy has occurred. If an employee has violated the policy, the Chief Administrative Officer shall also notify the Chair and Vice-Chair of any corrective action that the Chief Administrative Officer proposes to take, and any discipline that the Chief Administrative Officer proposes to impose pursuant to Part IV. If a Member has violated the policy, the Chief Administrative Officer shall report to the Chair and Vice Chair pursuant to Part V.

Both parties shall be informed in writing of the outcome of the investigation immediately.

III. RIGHTS OF APPEAL OF AN EMPLOYEE

The decision of the Chief Administrative Officer shall be final. However, a party may appeal this decision to the Chair and Vice-Chair of the Rules Committee by filing written objections with the Chief Administrative Officers within 10 working days of receipt of notification of the decision. If the Chair and Vice-Chair both determine that the accused or the complainant has been denied a fair evaluation of the complaint, the Chair and Vice-Chair shall direct the Chief Administrative Officer to take remedial action.

IV. DISCIPLINE AGAINST AN EMPLOYEE

The Chief Administrative Officer shall take appropriate corrective action, and shall also impose appropriate discipline on an employee which may include, but is not limited to, reprimand, suspension without

pay, reduction in pay, demotion, or termination. In addition, an employee may be required to participate in additional training or individual counseling about sexual harassment and the responsibilities of personnel to maintain a working environment free from harassment.

The Chief Administrative Officer shall impose discipline upon an employee found to have violated this policy within five working days after the expiration of the appeals period.

V. SANCTIONS AGAINST A MEMBER

Upon receipt of a report by the Chief Administrative Officer that a Member has violated this policy, the Chair and Vice-Chair of the Rules Committee shall consult with the Speaker and Minority Floor Leader to determine what further action shall be taken. If appropriate, they may bring the matter before the Rules Committee in closed session. The Committee may decide on informal action, or it may vote to present a resolution to the floor of the Assembly for the formal discipline of a Member. Formal discipline may include reprimand, censure, or expulsion. In addition, a Member may be required to participate in additional training or individual counseling about sexual harassment and the responsibilities of supervisory personnel to maintain a working environment free from harassment.

VI. NOTICES AND RECORD-KEEPING IN ALL CASES

A. Notice of Action Taken

The Rules Committee shall promptly inform the complainant and the accused of the outcome of its investigation under this policy, including any corrective actions taken as a result of the complaint and investigation. The Rules Committee will limit the information conveyed in order to protect the reasonable expectations of privacy of the parties and witnesses.

B. Written Records to be Maintained

The Rules Committee shall keep written records of any supervisor's reports, informal or formal Rules Committee investigations, and any recommendations for discipline, corrective action, or sanctions made pursuant to this policy.

VII. STATE AND FEDERAL COMPLAINTS

In addition to or in lieu of filing a complaint with the Assembly under this policy, a person who believes that he or she has been subjected to sexual harassment in violation of law may file a complaint with the California Department of Fair Employment and Housing (DFEH) or the Federal Equal Employment Opportunity Commission (EEOC). Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Rev. Bob Oshita of the Sacramento Buddhist Church:

Honored members of the California State Assembly . . . it is a pleasure to join with you this morning . . . in observing this very special day of remembrance. In opening our gathering today, please join me in a moment of meditative hope and reflection.

In our lifetimes, how many months of February will be ours to enjoy. How many winters will we see turn into spring. 10? 20? . . . 40 more? However many, that number is limited. Realizing the momentary nature of life, opens our wisdom eyes . . . to see that we must live not taking for granted the love of family, the companionship of friends . . . or the gift of each day.

Today in remembering the past, let us be reminded to make the most of the gift . . . that is today.

I close our meditation, with this traditional expression of gratitude beyond words NamoAmidaButsu.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

There is an old Chasidic folk-tale that tells the story of a man who was on a journey that took him through a forest. While in the forest, he lost his way. After several days of wandering around, he encountered another man. The first man appealed to the second, and asked: Can you show me the way out of this forest? The other man replied: I have also lost my way. Every path I have taken has been wrong. But, at least I know what paths *not* to take. Come, he said, Let us search for the way out together.

It is often all too easy to get lost when we wander through the forests of our lives. There are no signs to mark the way, no paths to clearly lead us where we want to go. But, when we *share* our wisdom, and share our journey with others, the forest becomes less frightening and transformed into something altogether different. When we can recognize that there are other travelers also trying to find their way through the forest, we discover paths that we did not see before, and glimmers of light that had previously been shrouded in darkness.

May the Holy One of Blessing, illuminate our paths and help us find the markers along the way. May we be open to seeing the beauty of the journey, even when the road is unclear.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Havice then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker Villaraigosa, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Ralph Waldo Emerson wrote:

“In single file the days bring their gifts. We choose and pay for them with time. In the morning we have today; its hours are currency. At night they will have been exchanged. For what? For a task well done, a house lovingly cared for, for contentments or regrets, for a memory which blesses or burns, for a little more wisdom.”

Each day we are given is a gift. The question is what we will do with it. Will the time be squandered with sentiments such as “If only I . . .”, or “I wish I had . . .”?

Or will we be able to sit back each night and say, “I did something *today* that mattered, that touched a life, that helped another soul”? Will we be able to say “*Today* I used my gifts to bring the world closer to wholeness, to ensuring that children are educated, and my neighbors are safe?”

What will we say at the close of the day about how we used our gifts?

May the Holy One of Blessing enable us to fulfill the boundless potential of each and every day, and may the sum of our days exceed the expectations of our dreams. May each day bring a memory filled with blessing. May it be God’s will.—AMEN.

REPORTS

The following letters of transmittal were presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

February 18, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Los Angeles County Metropolitan Transportation Authority's (MTA) decision to convert its alcohol-fueled bus fleet to diesel fuel and to determine whether the use of public funds to convert these buses is justified. This report concludes that, based on the circumstances surrounding the purchase and the ongoing problems

associated with its alcohol-fueled buses, the MTA's choice to convert these buses to diesel was the most cost-effective option that meets environmental standards.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Transportation.

California State Auditor

98116
February 18, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning state agencies' progress in resolving computer system problems caused by the year 2000. This report concludes that 11 of the 14 agencies we believe provide the most vital services to Californians have not finished correcting the computer systems supporting those program services. Equally unprepared are almost two-thirds of all 462 state programs, which are not fully year 2000 ready because state agencies have not completed key remediation steps for computer systems supporting their programs. We further found that one of the State's large data centers does not have a complete strategy for testing its mainframe computer system, which could place hundreds of state clients at risk from the ill effects caused by year 2000 problems. Finally, the State lacks a clear picture of the year 2000 preparations for essential electrical and telecommunication utilities.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfí:

It was written by the philosophies of the Tao Te Ching:

Travelers, coming upon a place
whose lights and music and good food
invites them,
will feel at home.

How can words that point toward the Way compete?

You look and there is nothing to be seen;
you listen, and there is nothing to be heard.

But go upon that Way, and it will never let you down.

The Tao refers to the "Way", others call it Faith, or Belief, or the Divine Path. No matter what we call it, it is a curious thing.

While it can not be seen, it lights our path.

While it can not be heard, it offers guidance.

It cannot be comprehended, or measured or weighed in a conventional manner, but its worth is invaluable to those who have discovered it.

May the Holy One of Blessing enable each of us to find the Way we are meant to walk along. As we travel on it, may we discover the strength and wisdom that lies within each of us, and may we always find comfort and feel at home in our faith. May this be God's will.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Carl Becker once wrote on the topic of faith and the frontier. It seems to me that he could have been writing about California. He wrote:

“Idealism must always prevail on the frontier, for the frontier, whether geographical or intellectual, offers little hope to those who see things as they are.

To venture into the wilderness, one must see it, not as it is, but as it will be. The frontier, being the possession of those *only* who see its future, is the promised land which cannot be entered save by those who have faith.”

One hundred and fifty years after California has achieved statehood, we still see ourselves as living on the frontier, or in modern terms, the cutting edge. This is a land that has yet to realize the fullness of its potential, and it is filled with people full of faith that this indeed can be not only a land of promise, but, the promised land.

May it be the will of the Creator to imbue our hearts with the power to see beyond what is, and grant us the ability to find a way to create what might be. May this be God’s will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Robert Pacheco then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Thomson, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

It is human to want to discover “the meaning of life.” Most traditions have stories of disciples inquiring of their great teachers to share with them true enlightenment. There is a Zen teaching that addresses this question:

As he lay dying, the Master rose up to impart a last word to his grieving disciples. I will tell you, he said, one of my greatest discoveries. Till I was twenty I cared little for what people thought of me. Then, for many years, I worried endlessly about what people thought of me. One day, I suddenly understood that they hardly ever thought of me at all! This is Enlightenment: not to become divine; not to become a saint; only this; to become awake.

To be “awake” is to *see* when you look, to *hear* when you listen, and to be *present* in all that you do. We achieve enlightenment when we allow ourselves to live in the moment rather than to reside within our fears.

May the Holy One of Blessing enable us to live our days in fullness, awake to the possibilities around us and within us. May this be God’s will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Assistant Speaker pro Tempore Thomson, Assembly Member Pescetti then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Thomson, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

In the book of Genesis [Gen. 1:26–28] we are taught that before creating humans God spoke, saying:

“Let us create humankind in our image, after our likeness . . . and God then created humanity in the Divine image. In the image of God each of us were created, male and female we were created, and God blessed us.”

Each and every one of us is a physical and spiritual manifestation of the Divine presence. God can only begin to be seen when *we* can see the Divine in the face and deeds of every person, both male *and* female, in every shade, and shape and size.

Each of us is a reflection of the Divine, each one blessed by God, bringing our own unique gifts into the world.

May it be the will of the Creator that the time not be distant when each of us will be able to look into the faces of our fellow humans and *always* see the spark of the Divine within them, as well as within ourselves.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

I am sure with the Academy Awards occurring this Sunday night, there will be an extraordinary amount of prayers being offered in the next few days. With that in mind, it is appropriate to reflect on a writing of William Shakespeare. A man who understood the power of the word, he wrote:

“My words fly up, my thoughts remain below:
Words without thoughts never to heaven go.”

Words in and of themselves have no power. They are only as meaningful as the intention, or the thoughts behind them. Both the spoken and the written word are two of the most important gifts that humankind possess. The communicated word can be used to build up or tear down society, to spread enlightenment or to enforce darkness.

May the Holy One of Blessing inspire us to use our words to elevate the human condition, and to enable us to bring wisdom, hope, and compassion to all whom we encounter. God, may the words of our mouths and the meditations of our hearts always be acceptable to You.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Maddox then led the Assembly in the pledge of allegiance to the Flag.

Field Poem

By Gary Soto

(from *New and Selected Poems*, Chronicle Books, San Francisco, 1995)

When the foreman whistled
 My brother and I
 Shouldered our hoes,
 Leaving the field.
 We returned to the bus
 Speaking
 In broken English, in broken Spanish
 The restaurant food,
 The tickets to a dance
 We wouldn't buy with our pay.
 From the smashed bus window
 I saw the leaves of cotton plants
 Like small hands waving good-bye.

American Legislative Exchange Council

February 17, 1999

The Honorable Howard Kaloogian

State Assembly

State Capitol, Room 2175

Sacramento, California

Dear Assemblyman Kaloogian: It is our pleasure to inform you that you have been re-appointed as the American Legislative Exchange Council's (ALEC) State Chairman for California for a term of two years.

We look forward to your continued service at the helm of California's chapter and appreciate your dedication to the principles of free enterprise, limited government and individual liberty. Public servants like yourself are always in need to persuade like minded legislators to join with us in articulating these principles. In so doing, you will help make California one of the model states in the ALEC organization.

ALEC is, as you know, the largest individual membership organization of state legislators in the nation, comprised of approximately 2,900 state legislators from all fifty states and both political parties. Its unique partnership of Republican and Democratic

state legislators, coupled with corporate members, has created an innovative, dynamic, and active working relationship to advance the free enterprise agenda at the state and local level.

If you have any questions about this appointment, please call Senate President Burns (ph: 602-542-3160) or Gary Barrett (ALEC's Director of Membership, ph: 202-466-3800 ext. 231). We look forward to having you on our State Chairs' team.

Sincerely,

Senator Brenda Burns

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The great American poet, Henry Wadsworth Longfellow wrote:

If spring came but once a century instead of once a year,
or burst forth with the sound of an earthquake and not in silence,
what wonder and expectation there would be in all hearts,
to behold the miraculous change.

Because nature's miracles happen on a regular basis, we often forget to notice how miraculous they really are. Too often we take for granted the beauty and the gifts of the natural world and only notice them when they are taken from us by flood, or fire, drought or earthquake.

Through religious festivals such as Easter and Passover, we are reminded to pay attention to the annual miracle of the earth's reawakening every Spring. Similarly we are reminded that even into the darkest soul, light and redemption can take root.

May our eyes always be open to the miracles that have been bestowed upon us, and may it be God's will that we continue to be witnesses to the miracle of Creation in its many daily manifestations.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Jackson then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Thomson, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

With the Spring Recess coming up, I am reminded of a story. It is a story about the man who ran down the dock at the Staten Island ferry and flung himself into space, across the water, landing on the boat with a tremendous thud. He picked himself up, panting and dusting off his trousers, said: "Ahh, I made it!"

"So what was your hurry?" asked a passenger, "We're coming *in!*"

Sometimes we are so focused on running and achieving our goals in a hurry, we don't bother to stop and see if the way we are trying to achieve those goals are even in our best interest. As was the case of the poor Staten Island commuter who thought he was moving forward, only to find out that because of his haste, he was being taken further away from where he desired to be.

May the Holy One bless our comings and goings, and help us to learn to enjoy the journey as much as the destination.—AMEN.

Upon request of Assistant Speaker pro Tempore Thomson, Assembly Member Reyes then led the Assembly in the pledge of allegiance to the Flag.

*Mr. E. Dotson Wilson
Chief Clerk
State Capitol, Room 3016
Sacramento, California*

Dear Dotson: I am writing to create a subcommittee of the Appropriations Committee. The Subcommittee on Infrastructure Finance will be chaired by Assemblymember Robert Hertzberg, and have the following members: Assemblymember Bill Campbell, Assemblymember Bob Margett, Assemblymember Carole Migden, Assemblymember Darrell Steinberg, Assemblymember Helen Thomson and Assemblymember Roderick Wright.

Legislative Management of Infrastructure Is a High Priority. The Department of Finance estimates that the state needs to invest \$82 billion in capital between 1999 and 2009. Finance has identified funding for about half of this capital inventory. As a result, the state faces a \$40 billion capital deficit. Assuming this deficit will be financed primarily with bonds, the Legislature must secure the passage of bond proposals averaging \$8 billion, in *each* of the next five election cycles.

In crafting these bond proposals, the Legislature must ensure that the state's capital needs are met cost-effectively. It must also balance the state's economic, environmental and growth goals.

The Subcommittee to Develop an Overall Approach to Capital. The Subcommittee will have the following responsibilities:

- Hear all legislation dealing with capital outlay and public infrastructure.
- Provide oversight on state infrastructure finance.
- Consider the bills which would place bonds on the primary and general elections in 2000. The Subcommittee is charged with developing a balanced package of bond proposals.

The Subcommittee will work in concert with the recently appointed Governor’s Task Force on Infrastructure.

Sincerely,

ANTONIO R. VILLARAIGOSA
Speaker of the Assembly

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Alternate Chaplain Reverend Constantine C. Pappademos:

Lord, At this holy time of the year, when some have just celebrated Easter and as others observe Passover, our thoughts turn to the suffering of so many people in Serbia and in Kosovo. Lord, as the Serbian Christians prepare this week to celebrate Orthodox Easter next Sunday, we ask that You protect them from the bombs being sent by our own country. Guard the innocent citizens of that land with the power of Your Holy Spirit. Also comfort, Lord, the innocent refugees of Kosovo who endure horrible suffering. Teach the leaders of our own American government and the leaders of Yugoslavia that the way of missiles, and of war and of violence is not the way of God. Your way, O Master, is the way of peace and of love and of truth.

And so we ask, Dear Lord, that You shine within our hearts the pure light of Your divine knowledge, and open the eyes of our minds that we may do Your will. Instill in us also, reverence for Your blessed commandments so that we may pursue a spiritual way of life, both thinking and doing only those things that are pleasing to You.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Lempert then led the Assembly in the pledge of allegiance to the Flag.

REPORTS

The following letters of transmittal were presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

98118.1
March 10, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Board of Equalization's (board) audit program of the sales and use tax. This report concludes that the board's audit revenues fell \$123 million short of projections after it received an additional 250 auditor positions. A principle cause of the shortfall was that audit effort is still at the same level it was before the increase. In part, this is due to the board's decision to deploy over half of the additional positions to support functions. Also, the board's revenue projections contain several flaws, such as not factoring in lower revenues for new auditors and overestimating the average number of hours its staff directly charge to audits.

In addition, the board provided accurate information in its response to the Legislature's request. However, the request did not require the information necessary to analyze the benefit from the additional positions.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Revenue and Taxation.

California State Auditor

98114
March 23, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the effectiveness of the State Personnel Board (board) in managing disciplinary hearings. This report concludes that the board has improved the time it takes to resolve disciplinary appeals and has streamlined its efforts on these appeals. However, further efforts are needed to improve the time it takes to resolve other employment-related appeals and reduce workload on some disciplinary appeals. Several factors contributed to delays in processing appeals, including staffing deficiencies, a vacant management position for 16 months, an inadequate caseload tracking system, and outdated workload standards and strategic plan. Finally, this report concludes that overall, appellants do not appear to be dissatisfied with the board's fairness in handling appeals.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Floyd was granted unanimous consent that the following communication be printed in the Journal:

April 5, 1999

*The Honorable Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California*

Dear Mr. Speaker: I respectfully request that we adjourn in the memory of Wilson C. Riles, who, in three terms as Superintendent of Public Instruction, guided California's education policy between 1971 and 1983, implementing several successful breakthroughs in special education and encouraging greater parent participation in curriculum decision. When he became Superintendent in 1970, he was the first African American elected to statewide office.

Born into poverty in Louisiana, his family moved to Arizona after his high school days. Wilson Riles graduated from Arizona State Teachers College and served in the Army during World War II. He returned to Arizona State for his Masters Degree before moving to Los Angeles in the early 1950s. In 1958 Riles began his tenure with the Department of Education, working as director of compensatory education in 1965 and, in 1969, becoming Deputy Superintendent in charge of Special Education under Superintendent Max Rafferty.

In 1970, Wilson Riles challenged Rafferty for the Superintendent's position. The campaign offered Californians a clear-cut choice in education philosophy: Rafferty's emphasis on basics vs. Riles' progressive education focus. Wilson Riles' approach prevailed with the electorate as he won his first of three terms.

As Superintendent of Public Instruction from 1970 to 1982, Riles was able to attract greater federal support of California's Early Childhood Education program. He also worked to provide schools as much state support as possible in the days following the implementation of Proposition 13. In recent years, Riles continued his education involvement through his consulting firm that he ran with his son. The Sacramento and Grant school districts hired him to recommend district superintendent candidates. An imposing figure, Wilson Riles cast a long shadow over California's education that will continue well into the next century.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of former Superintendent of Public Instruction, Wilson Riles.

Sincerely,

RICHARD E. FLOYD, Assembly Member
55th District

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Oscar Edward Maurer wrote on the spiritual struggles of life. He wrote:

Waste not your life trying to push shut doors which God is opening. Neither wear yourself out in keeping open doors which ought to be forever sealed. Some episode in your life, over which you are anxious, is closed. It is in the past. Whatever its memory, you cannot change it. But you can shut the door.

Go into some silent place of thought. Test your self-respect. Ask your soul, "Have I emerged from this experience with honor, or if not, can honor be retrieved?" And if your soul answers "Yes," close then the door to that Past; hang a garland over the portal if you will, but come away without tarrying. The east is aflame with the radiance of the morning, and before you stands many another door, held open by the hand of God.

May the Holy One of Blessing enable us to see the portals that stand open before us, and may we always have the ability to walk away, with our honor intact, from the doors that have been closed. Blessed is the Creator who gives us the wisdom to distinguish between the doorways that should remain closed from the portals that need our hand to open them.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Margett then led the Assembly in the pledge of allegiance to the Flag.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Strom-Martin was granted unanimous consent that the following statement be printed in the Journal:

In Memoriam

I ask that we adjourn in memory of Carole and Juliana Sund, whose tragic deaths while on vacation in Yosemite saddened my district, the state, and the entire nation.

Carole Sund, a 42-year-old mother of four from Eureka, California, brought her daughter Juli, 15, and 16-year-old Argentinian exchange student, Silvina Pelosso, to Yosemite National Park. While on vacation, the unthinkable happened and their lives were tragically and maliciously taken from us.

In honor of the women whom I had the privilege to represent, I ask that you give me a moment to share their lives and achievements with you.

Born and raised in Sonoma County and educated at the University of San Francisco, Carole Sund worked in the real estate field and became a full-time mother to four children. Carole dedicated herself to many community causes and organizations. Most notably, Carole worked to assist abused children. She helped form Court Appointed Special Advocates (CASA) in Humboldt County to advocate for children through the court process. She was also an active member on the Council on Adoptable Children and volunteered as a foster parent. In addition, she served as a member of the Service Review Team through the Department of Welfare, which reviews cases and decisions regarding placement of children. Even with all these activities, Carole kept involved in her children's education, volunteering in their elementary classrooms.

Her daughter, Juli Sund, was born and raised in Humboldt County. A Sophomore at Eureka Senior High School, she was boisterous, fun-loving, and eager to try new experiences without fear of failure. An avid music-lover, she played the piano, violin and guitar. Also important to Juli was cheerleading, camping and the outdoors.

Carole and Juli will be dearly missed by their family. They are survived by husband and father, Jens Sund; sons and brothers, Jimmy and Jonah; daughter and sister, Gina; and their parents and grandparents, Francis and Carole Carrington.

Their many friends and the entire Humboldt community will truly miss them.

I ask for a moment of silence in honor of Carole and Juli Sund.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

From sunset this evening through sunset tomorrow, Jews around the world will be observing Yom HaShoah—Holocaust Memorial Day. As we remember our own losses we look across the ocean and are chilled by the specter of the past that seems to have come alive once again.

Elie Wiesel, the noted philosopher and writer, and survivor of Auschwitz and Buchenwald, spoke these words about the Holocaust when he received the Nobel Peace Prize in 1986:

“The victims perished not only because of the killers, but also because of the apathy of the bystanders. Those who perished were victims of Nazism and of society—though to different degrees. What astonished us after the torment, after the tempest, was not that so many killers killed so many victims, but that so few cared about us at all.”

Two generations of Jews have been raised with the watchword “Never Again”.

“Never Again” does not mean never again to us, to the Jews. It means “Never Again” period. Never again shall any people watch idly by while another people suffers from injustice, persecution, torture, exile, and mass murder.

The lesson of the Holocaust is that we live in an interconnected world, and sometimes apathy can become evil’s most potent tool.

May the Holy One of Blessing grant us the ability to confront evil in its many guises, even when we ourselves are not threatened. May we have not only the capacity to have compassion for all of God’s creatures, but may we also have the courage to act on that compassion.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Steinberg then led the Assembly in the pledge of allegiance to the Flag.

REPORTS

The following letters of transmittal were presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

97118.2
April 5, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning whether recent budget increases for the Department of Corporations (department) led to improvements in the protection of consumers of health care service plans (health plans). This report concludes that despite a budget increase totaling \$6.5 million, improvements have been limited. For example, although results of the department's enforcement and complaint resolution functions show some recent improvement, results of other functions do not. Specifically, consumer protection was less than expected because the department had not completed by December 1998 nearly half of all required medical surveys. Similarly, consumer protection was less than expected because the department had a modest backlog of one type of financial examination. Further, as of March 5, 1999, more than 200 complaints from consumers were still open even though the

department had exceeded the statutorily required 60 days to resolve complaints. We believe that the primary cause of these weaknesses is inadequate management.

We also determined that, during fiscal years 1996–97 and 1997–98, the department did not spend substantial portions of its budget allotted for health plan regulation. Since the largest single source of revenue for such regulation is assessments collected from health plans, large balances at year end result in health plans paying more fees than necessary for the costs of the regulation actually provided by the department.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Consumer Protection,
Governmental Efficiency and Economic Development.

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California*

Members of the Assembly: As requested by Chapter 324, Statutes of 1998, the Bureau of State Audits presents its audit report concerning the Department of Health Services' (department) operation of its port of entry Medi-Cal fraud detection programs, Port of Entry Detection (PED) and California Airport Residency Review (CARR).

This report concludes that the department's operation of the PED and CARR programs is no longer justified. Although the department recently modified its procedures for the programs in response to lawsuits and federal government concerns, the modifications significantly diminished the cost-effectiveness of the PED and CARR programs. Consequently, the department is no longer recovering enough payments to justify its investment in the programs. Thus, the State and the Medi-Cal program would be better served if the department redirected its investment to other fraud detection programs that more effectively prevent or recover fraudulent payments.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Health.

The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its report concerning the extent to which physicians and medical groups believe they receive late payments for their services and the effect any delays may have on their practices.

Based on the results of our surveys, this report concludes that 51 percent of physicians and 74 percent of medical groups report problems with some kind of delay in payments for their services. Fee-for-service payments from independent practice associations (IPAs), preferred provider organizations, and point of service plans came in for the most criticism from medical service providers. Twenty-eight percent of the physicians and 38 percent of the medical groups responding to our survey claim that delays negatively affected the fiscal aspects of their practices. However, few reported that delays affect their patient care.

In contrast, health plans and health care intermediaries report few payment difficulties and report that they receive and make most payments within reasonable time frames. Medical groups, IPAs, and management services organizations expressed concerns over the accuracy of the enrollment data on which capitation payments are based, as well as some problems with health care plans' distribution of risk pool moneys. The survey results have implications for California's regulatory structure over its health care industry. In particular, some health plans and intermediaries are either indirectly regulated by the State or not at all.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

Above report referred to the Committee on Health.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the operations and management of the California Science Center (science center) and its relationship with its auxiliary, the California Science Center Foundation (foundation).

This report concludes that although the State is the science center's primary benefactor, it relinquished governance of the science center to

the foundation. Specifically, while the State has historically controlled science center policy, management, and operations, these functions are now primarily under foundation direction. Further, we noted that state-appointed executives, who also serve the foundation in some capacity, are not properly protecting the State's interests in the science center and Exposition Park. This is due in part to a series of decisions that these executives made and actions they took, which favor the foundation's interests, particularly in matters of potential conflict between the State and the foundation. Finally, and perhaps as important, the science center's administration has also failed to operate in a fiscally responsible and legal manner in other aspects of its operations.

Communications

The following communication was presented by the Chief Clerk, and ordered printed in the Journal:

Explanation of Vote—Assembly Bill No. 542

April 12, 1999

*Mr. E. Dotson Wilson, Chief Clerk
California State Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: I respectfully request that the following statement be entered into the journal:

“During Assembly session on April 12, 1999, Assembly Bill 542 was considered and voted upon by the membership. When the vote on this measure was taken, I did not cast my vote. It was my intent to add on as an “Aye” vote, but missed the deadline for adding on to the vote. The citrus freeze of December of 1998 devastated local economies and forced many people out of work. For the record, I support AB 542. This measure will help to revive the local economy in the Central Valley while utilizing federal dollars to assist those who are unemployed in this area.”

Thank you for your immediate attention to this matter. If you have any questions, please feel free to contact me at: 319-2032.

Best regards,

ROY ASHBURN, Assembly Member
Thirty-second District

The great Chinese philosopher, Mencius taught:

If you would live greatly,
never think to make your words sincere,
your actions resolute:
Simply speak and do what is right.

When we listen to that still small voice within us, when we allow ourselves to follow our intuition, we will find that the ability to speak and do what is right will flow naturally from within.

May it be the will of the Creator that justice and righteousness will come easily to us, that the words of our mouths, the deeds of our hands, and the paths that we pave be used to heal and not to hurt, to comfort and not afflict.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Upon request of Assembly Member Shelley, Assembly Member House was granted unanimous consent that the following communication be printed in the Journal:

April 14, 1999

In the face of barriers encountered while attempting to guide their destiny, four intrepid men formed the Cortez Growers Association on April 18, 1924. Yonekichi Kuwahara, Nenokichi Morofuji, Seitaro Yoneyama, and Zenshiro Yuge formed the nonprofit corporation to overcome prohibitions against alien land-holding and difficulties encountered in dealing with a culture very different from their own. Within a year, membership had grown to eleven, a packing shed was built, a well was sunk, and a telephone installed. Crops grown by the Association included peaches, carrots, eggplant, strawberries, walnuts, and onions.

The Cortez Growers Association prospered for seventeen years, helping its members and the surrounding community weather the bleak years of the Great Depression. Then, on December 7, 1941, news was received of the bombing of Pearl Harbor. By May of 1942, the farming families of Cortez had been removed from their homes, placed in internment camps, or sent to fight in the European Theater. With great forethought, the members of the Association had placed their operations in a trust that kept their farms intact with tenant farmers.

Following the war, the families returned to Cortez and, on February 1, 1946, brought the Growers Association back to life. While the

immediate post-war years were difficult, the people of Cortez persevered and prosperity returned. Association membership has increased and diversified as have the number and types of crops grown. Innovation has become the hallmark of the Cortez Growers Association and this trend continues today with the development of new technologies and procedures.

The future holds promise for the farming families of the Cortez Growers Association because of the commitment of the membership and the ability of a dynamic board of directors and management to quickly adjust to ever accelerating change. With this letter we commend and honor the Cortez Growers Association and wish them continued success.

GEORGE R. HOUSE, JR.
Assemblyman, 25th District

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

I would like to share with you an old story about faith. There was once a flood that threatened a small community, and as the river began to rise, homes became in danger, including that of a local clergyman. When the water began to come into the ground floor of the clergyman's home, a rowboat with police came by, and an officer shouted up to the clergyman saying: "Let us evacuate you! The water level is getting dangerous."

The clergyman replied, "No thank you, I am a righteous man, who trusts in the Almighty, and I am confident I will be delivered."

Three hours go by, and the rains intensify, at which point the clergyman has been forced up to the second floor of his house. A *second* police rowboat comes by, and the officer shouts up: "Let us evacuate you! The water level is getting dangerous!"

The clergyman replied, "No thank you, I am a righteous man, who trusts in the Almighty, and I am confident I will be delivered."

The rain didn't stop, and the clergyman was forced up onto the roof of his house. A helicopter flew over, and the officer shouted down to the clergyman: "Grab the rope and we'll pull you up! You're in terrible danger!"

The clergyman replied, "No thank you, I am a righteous man, who trusts in the Almighty, and I am confident I will be delivered."

The deluge continued, and the clergyman was swept off the roof, and carried away in the current and drowned. He went up to heaven, and at the Pearly Gates he was admitted, and came before the Divine Presence.

The clergyman asked, "Dear Lord, I don't understand. I have been a righteous and obedient servant my whole life, and depended on You to save me in my hour of need. Where were You?"

And the Lord answered, "I sent two boats, and a helicopter, what more did you want?"

Costen Harrell gave this piece of advice about the art of prayer that would have been helpful to the clergyman in the story. He wrote:

Prayer is opening the heart to God. It is not all petition. It has its listening side. Prayer is more than speaking to God; it is giving God an opportunity to speak to us.

May it be God's will that our hearts and eyes always be open to hearing and seeing the Divine message in the many shapes it might come in.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Honda then led the Assembly in the pledge of allegiance to the Flag.

REPORTS

The following letter of transmittal was presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

98117
 April 13, 1999

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 219
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the progress made by the Department of Health Services'

(department) Childhood Lead Poisoning Prevention Program in identifying and protecting children with lead poisoning.

This report concludes that after 12 years, the department is no closer to determining the extent of childhood lead poisoning statewide—having only identified about 10 percent of the State's estimated 40,000 children requiring medical care and an investigation to find the source of their lead exposure. The department's inability to identify more lead-poisoned children is a direct result of its failure to ensure (1) children receiving services from its Medi-Cal and Child Health Disability and Prevention programs receive blood-lead testing as required, and (2) the State's remaining children receive an evaluation for the risk of lead poisoning during periodic health assessments. Furthermore, the department's process for tracking blood-lead testing results is severely flawed and provides insufficient data for it to identify the number of children tested, those with elevated blood-levels, and the areas within the State where lead poisoning occurs most frequently. Finally, we found that the department has had mixed results in achieving its other childhood lead poisoning prevention program responsibilities.

Respectfully submitted,

KURT R. SJOBERG
State Auditor

PRAYER

Upon invitation of Assistant Speaker pro Tempore Thomson, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Harold Melchert gave this advice on how to experience the pilgrimage of life. He wrote:

Live your life each day as you would climb a mountain. An occasional glance toward the summit keeps the goal in mind, but many beautiful scenes are to be observed from each new vantage point. Climb slowly, steadily, enjoying each passing moment; and the view from the summit will serve as a fitting climax for the journey.

May we always remember to stop and experience the view from where we are, and may we never be so intimidated by the distance between ourselves and the summit that we become too paralyzed to continue.

May the Holy One bless us with strength and with stamina, with courage and with the ability to glory in the moment. And when the day comes that we stand at the summit of our lives, may we look at our journey with satisfaction and with peace. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Strickland then led the Assembly in the pledge of allegiance to the Flag.

Over his extensive career, he won the Eclipse Award in 1971, 1982, and 1989 as the best trainer in North America. His horses won the Kentucky Derby twice, when he was 73 and again at 76, the oldest trainer ever to accomplish such a feat. He trained eight national champions, won more than 2,400 other races and 650 other stakes. Charlie led all trainers in prize money seven times, and was elected into the Racing Hall of Fame in 1974.

Spending most of his career in California, Charlie won the San Juan Capistrano Stakes 14 times, the San Bernardino 11 times, the Californian 11 times, the Sunset Handicap 11 times, the Santa Anita Handicap 9 times, the Beverly Hills 9 times, the San Luis Rey 9 times, the Hollywood Gold Cup 8 times, and the Santa Barbara Stakes 7 times.

His national champions included Porterhouse in 1953, Ack Ack, the 1971 Horse of the Year, Cougar II in 1972, Estrapade in 1986, Ferdinand in 1987, and Sunday Silence in 1989.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The last week has been a disturbing one. The headlines go between Kosovo and Columbine, and we are reminded about the temporal nature of the human body and the fragility of the human soul.

W. MacNeile Dixon wrote on what activates and motivates the human spirit. He said:

The astonishing thing about the human being is not so much . . . intellect or bodily structure, profoundly mysterious as they are. The astonishing and least comprehensible thing about us is our range of vision; our gaze into the infinite distance; our lonely passion for ideas and ideals . . . for which . . . we will stand till we die; the profound conviction we entertain that if nothing is worth dying for nothing is worth living for.

In the book of Deuteronomy, we are told that at the end of his journey in the wilderness, Moses addressed the people and said: "I have set before you this day life and goodness, death and adversity, therefore choose life—that you and your offspring may live." [Deut. 30:19]

Each day we are given the choice to live by ideals that draw us closer to death, or closer to life. I pray that we always heed the word of the ancient prophet, and that our actions reflect that we have chosen life.

May the Holy One of Blessing help us to heal the wounds that plague our world, and may our hearts always be turned towards life and goodness.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Papan then led the Assembly in the pledge of allegiance to the Flag.

Tribute to Leonard Grimes

I would like to close the Session today in honor of our dear friend Leonard Grimes who passed away last Thursday at his Sacramento home. A native Californian, born in Los Angeles in 1923, Leonard Grimes was a unique individual who balanced a distinguished career in public service with an equally celebrated career as a tireless volunteer who supported numerous important and worthy causes. If you asked Leonard what he was most proud of, I believe that he would say that he was fortunate enough to have the honor of mentoring so many young people in all of his jobs. Leonard was a humble man whose sense of justice and passion for life touched whomever he came in contact with.

Leonard's public service career spanned both Democratic and Republican Administrations, with gubernatorial appointments from each. His last job in the public sector was as Assistant Director Special Projects for the Department of General Services, having been appointed by Governor Deukmejian in 1984.

He began his career in state government in 1975 when Governor Jerry Brown appointed him as Director of the State Department of General Services. Under Leonard's Directorship he oversaw the multi-million

dollar State Capitol Restoration where we meet today. He next became the Secretary of State and Consumer Services Agency and a member of the Governor's cabinet.

In 1979 Governor Brown appointed him to the Public Utilities Commission where he was the first Black American to serve in that capacity. He was elected President of the Commission in 1983 and reelected President in 1984.

Leonard's career began in Los Angeles with the Golden State Mutual Life Insurance Company, the largest black-owned life insurance company in the nation, where he served as Vice President and a Board member of the Golden State Minority Foundation which provides scholarships to minority university students.

A veteran of World War II where he served in the Pacific Theater, Leonard received an honorable discharge in 1946.

Leonard was also an accomplished photographer, painter and stained glass artist and a music lover with an extensive and eclectic collection. He shared his passion for the arts with his friends.

Some of the beneficiaries of his community service were the Truman Club, 100 Black Men, the IDEA gallery in Sacramento, and the Busing Program in the early 1960's in Los Angeles.

He leaves behind his wife of many years, Joan Benbrook, and a daughter, Carla.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

It was written by the philosophies of the Tao Te Ching:

It takes thirty spokes to make a wheel:

but the hole in the center

makes it useful for a cart.

It takes a lump of clay to make a pot:

but the empty space within it

gives the pot its value.

A house needs doors and windows:

but the empty space is what

we call "a room to live in".

Thus fullness has its role,

but emptiness redeems it.

We fill our lives with work, obligations, and activities. Who can survive a day without their calendar or dayplanner? Yet, often, the most important times are the spaces in between those activities, the quiet times we never bother to schedule into our day: those few moments when you wake up, before you realize what you have to do that day, sitting on the couch and sharing a silent moment with someone you love, looking at a sleeping child, the two minutes to spare between meetings, the luxury of being somewhere—anywhere—where there are no phones, faxes, e-mail, or pagers. These spaces between our daily tasks and appointments are what make life worth living.

May the Holy One of Blessing give us the ability to find satisfaction in the silent moments and to delight in the empty spaces in our lives.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Cardoza then led the Assembly in the pledge of allegiance to the flag.

Legislative Intent—Assembly Bill No. 499

April 6, 1999

*The Honorable Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

RE: Assembly Bill 499, Chapter 914, Statutes of 1998

Dear Mr. Chief Clerk: It has come to my attention that my bill, AB 499 relating to educational equity, contains a drafting error, as it was chaptered at Chapter 914, Statutes of 1998. I am writing to correct the error that occurred at the time the amendments were taken to the bill April 9, 1997.

Prior to the passage of AB 499 (1997–98), the Education Code's prohibition of discrimination against students was enforceable through a civil action for legal and equitable relief. It was the legislature's express intent in enacting AB 499 to limit that private right of action under the Education Code, by requiring students to go through an administrative grievance process prior to the pursuit of civil remedies other than injunctive relief. Under the existing law at the time, no such administrative process was mandated prior to the pursuit of civil remedies, but the civil remedies themselves existed.

AB 499, as introduced, stated that, "the amendments of Section 262.3 of, and the addition of Section 262.4, to the Education Code made by this act do not constitute a change in, but are declaratory of, existing law." In the April 9, 1997 amendments the bill limited the cause of action clarified in Section 262.3 and Section 262.4 of the Education Code and the language cited above was deleted. However, inadvertently, this language was not replaced with legislative intent language stating that the bill was limiting an existing cause of action.

Sincerely,

SHEILA JAMES KUEHL, Assembly Member
Forty-first District

MESSAGES FROM THE ACTING GOVERNOR

The following message from the Acting Governor was received and ordered printed in the Journal:

PROCLAMATION***Cinco de Mayo***

WHEREAS, Cinco de Mayo, or the Fifth of May, commemorates the defeat of the French army by the Mexican army at the Battle of Puebla in 1862; and

WHEREAS, the battle at Puebla in 1862 happened at a violent and chaotic time in Mexico's history. After Mexico won its independence from Spain in 1810, it faced internal power struggles that left it in a state of instability and rebellion for years. During this period, Mexico accumulated heavy debts to several nations,

including France which was demanding payment. Mexican President Juarez Benito issued a moratorium suspending all foreign debt payments for a brief period; and

WHEREAS, France refused to allow President Juarez to do this and invaded Mexico, determined to get payment by whatever means. Napoleon decided to establish his own leadership in Mexico by installing French Archduke Maximilian as ruler. Although American President Abraham Lincoln was sympathetic to Mexico's cause, the United States was involved in its own Civil War at the time and unable to provide assistance; and

WHEREAS, When, in 1862, the French army began its advance, Mexican General Ignacio Zaragoza led 5,000 Mestizo and Zapotec Indians who defeated the French army under General Lorencez. The following year, however, the French captured Puebla and ruled Mexico. In 1865, at the end of the American Civil War, President Lincoln demanded that the French troops withdraw from Mexico or American troops would be sent to fight on the side of Mexico. Two years later, the last French troops left Mexico and European armies were never again to invade the Americas; and

WHEREAS, Cinco de Mayo not only commemorates the courageous victory of the Mexican troops, it also celebrates the patriotism of Mexicans and symbolizes the right of people to self determination and national sovereignty. Cinco de Mayo reminds us of the solidarity between the people of Mexico and the people of the United States; now, therefore, be it

RESOLVED, that I, Cruz M. Bustamante, Acting Governor of the State of California, do hereby call on the people of California to join the people of Mexico in celebrating Cinco de Mayo as a defining moment in Mexican history and for encouraging close cultural ties between Mexico and California, home to a large number of Americans of Mexican descent.

IN WITNESS WHEREOF, I hereunto set my hand
and have caused the Great Seal of the State of
California to be affixed this fifth day of May,
Nineteen Hundred and Ninety-Nine.

CRUZ M. BUSTAMANTE, Acting Governor

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

A holy man once had an apprentice who worked very hard for him. In fact, the holy man only kept him because of his great effort, since otherwise he thought the apprentice was rather stupid.

One day, a rumor spread that the apprentice had walked on water, crossing a river as easily as if he were crossing a street. The master questioned him: Is this true? Can you really cross the river by walking on the water?

Ah, yes, the apprentice replied, thanks to you. Every step of the way I repeat your saintly name and that is what holds me up.

The holy man thought to himself: If it is in my name that this miracle occurs, I must possess power I did not suspect. But, after all, I have never tried it.

So, the master hurried to the river, stepped off the bank unto the water, chanting with complete faith: *Me, me, me*. And he sank.

(By: Sheldon Kopp)

When we think too highly of ourselves we can forget that there is something to be learned even from the simplest of people, and that even the apprentice has something to teach the master.

May we always know the difference between knowledge and wisdom, self-respect and hubris. May the Holy One of Blessing help us to have the humility to learn from those around us.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Cox then led the Assembly in the pledge of allegiance to the Flag.

May 10, 1999

Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: I respectfully request that we adjourn in the memory of Robert T. Forsyth, who passed away Saturday after battling cancer of the lymph glands for twelve years. Bob Forsyth was a study in courage. After years as a highly successful and respected reporter, Bob joined Senate President pro Tem David Roberti's staff as Press

Secretary and, for several years, diligently worked with the capitol reporters, providing excellent work as writer and communicator.

After learning he had cancer in the late 1980s, Bob remained in his Press Secretary position, continuing his duties. Even as he underwent chemotherapy, he kept working with the press in the capitol.

Just two weeks ago, Bob was here, working in his capacity as Applicant's Attorneys Association representative. He was in tremendous pain, yet he maintained his cheerful ways, mixing capitol gossip with political insight.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of Robert T. Forsyth, veteran Sacramento journalist and political consultant.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District
