May we always have the ability to dream of a more perfect world, and may we always have the strength and determination to make our dreams become reality. May this be God's will.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

It was written by a Greek philosopher that:

No great thing is created suddenly, any more than a bunch of grapes or a fig. If you tell me that you desire a fig, I answer you that there must be time. Let it first blossom, then bear fruit, then ripen. (Epictetus)

Like a fig, or a bunch of grapes, the fruits of our labor must have time to be cultivated and nurtured into being. We must work, and we must wait, before we can see, understand and enjoy what we have created.

May the work of our hands always be blessed, and may the time not be distant before we can see the outcome we have labored for. May this be God's will.—AMEN.

Upon request of Speaker pro Tempore Keeley, Assembly Member Nakano then led the Assembly in the pledge of allegiance to the Flag.

May 14, 1999

Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: I respectfully request that we adjourn in the memory of Ella Schwartz, a highly successful retailer, who passed away last week. Ella was the daughter of Sam Levy, one of the founders of the City of Torrance. Beginning when she was sixteen, Ella worked with her father in retailing. The Sam Levy Department Store was the most prestigious in the city. After her father passed away in the mid sixties, Ella ran the business, eventually having the department store evolve into

a very stylish boutique. Until recently, Ella devoted six days a week to the family's retailing business. Finally, after providing family retailing service to the Torrance populous for seventy-nine years, Ella closed the store a year ago so she could spend more time with her grandson.

A gentle and strong minded woman, Ella was once barred from entering a restaurant for wearing slacks. She was just ahead of her times. With her passing an era of California society disappears. Ella represented a time when shopping was done downtown, long before malls existed. For Ella, retail service was primary and customer expectations were something not to be met but exceeded. Not only was downtown the center of the city, her family's store was the catalyst for good conversation and good taste.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of Ella Schwartz, a pioneering woman from a pioneering family, who will be deeply missed.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The Italian writer Ignazio Silone questioned the nature of human beings. He wrote:

From what source do some people derive their spontaneous intolerance of injustice, even though the injustice affects only others? And the sudden feeling of guilt at sitting down to a well-laden table, when others are having to go hungry?

How many times I have been misunderstood and thought: Why did so-and-so jump readily to a conclusion about me, when I am so different from what he seems to think of me, or when I meant something quite other than how she took it? If that be so, then keep me from jumping to such conclusions about others; teach me to wait and learn, and to accept that they don't have to be like me, or I like them, for us to live together.

May we always be inclined towards keeping an open mind and open ear to what others do and say. May we always be known for our tolerance and compassion towards all of God's creatures. May we find a way that all of humanity can live in peace and harmony with each other. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Thompson then led the Assembly in the pledge of allegiance to the Flag.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Correa was granted unanimous consent that the following statement be printed in the Journal:

Hector G. Godinez

Hector G. Godinez, (retired) District Manager of the United States Postal Service, born July 1st, 1924, on the mission grounds of the San Diego Mission. His family moved to Santa Ana, California about one year later. From that point on, Mr. Godinez made Santa Ana, California his home. He passed away on Sunday, May 16th, 1999 at 12 noon in St. Joseph's Hospital in Orange due to complications from Parkinson's Disease.

He attended Santa Ana schools as a young boy growing up in Santa Ana. From Santa Ana High School, Mr. Godinez entered the armed services and participated in the invasion of France and the ensuing five battles that led to victory in Europe. Mr. Godinez was most proud of his military service to his country in W.W.II as a tank commander for General George Patton's "Black Panthers Seek and Destroy" tank division. Mr. Godinez earned the bronze star for bravery under fire and was also awarded a purple heart for wounds received in battle.

On returning home from the war in 1946, he started his Post Office career as a letter carrier. At the same time he attended Santa Ana College at night from 1953 to 1958, majoring in business administration. He worked for the United States Postal Service for 48 years rising from letter carrier to Southern California District Manager. He was first appointed Postmaster of Santa Ana, California, in 1960, by the then President of the United States, John F. Kennedy. His appointment as Postmaster is recorded in the United States National Archives. During his tenure, Mr. Godinez was bestowed numerous national awards in production, innovation and efficiency for his management of postal operations.

In those early years after the war, Mr. Godinez became a founding member of the Santa Ana LULAC Council (the Santa Ana Council is still active today). Mr. Godinez and those first Santa Ana LULAC members were participants and supporters in bringing to justice the 1948 *Mendez v. The Board of Education* case, a landmark civil rights

case which ended discriminatory practices against Mexican American children in Orange County schools. The Mendez case was later as a friend of the court brief in support of *Brown v. The Board of Education*, argued before the Supreme Court of the United States by Thurgood Marshall.

Through his aggressive style and service to his fellow man, Mr. Godinez became a recognized civil rights leader, Community Activist and nationally honored United States Postal Service executive. He was also National President of the League of United Latin American Citizens (LULAC) 1960–1961, one of the country's oldest and most respected Hispanic civil rights organizations.

CONSIDERATION OF DAILY FILE (RESUMED)
THIRD READING OF ASSEMBLY BILLS (RESUMED)

ASSEMBLY BILL NO. 26 (Migden)—An act to add Division 2.5 (commencing with Section 297) to the Family Code, to add Sections 1261 and 1374.58 to the Health and Safety Code, and to add Section 10121.7 to the Insurance Code, relating to domestic partners.

Bill read third time.

Point of Order

Assembly Member Olberg arose to the following point of order:

Assembly Member Floyd is not limiting debate to the merits of the bill and his remarks are an attack on another individual.

Point of Order

Assembly Member Kuehl arose to the following point of order:

There are no specific Assembly Rules requiring Members to confine debate to the measure; that previous debate today has not been confined to the measures being debated; and Assembly Member Floyd did not express an attack of anyone in his remarks in debate.

Ruling by Speaker pro Tempore Keeley

Assembly Member Keeley ruled the point of order by Assembly Member Olberg not well-taken; that it has been the custom and practice of the House and the Presiding Officer to permit latitude in debate; that the Presiding Officer has attempted to confine debate if a Member impugns the character or integrity of another Member; and that in the opinion of the Presiding Officer Assembly Member Floyd has not impugned the character or integrity of another Member.

Point of Clarification

Assembly Member Olberg arose to the following point of clarification:

Is it the position of the Presiding Officer that a Member may speak to any issue he/she chooses, as long as the character or integrity of another Member is not impugned?

Reply by Speaker pro Tempore Keeley

Speaker pro Tempore Keeley replied that a Member is required to speak to the issue or bill before the Body. It is the opinion of the Presiding Officer that Assembly Member Floyd is still debating the bill at hand.

The question being on the passage of the bill.

Bill passed by the following vote:

Sacramento, California*

Dear Mr. Speaker: As the author of Assembly Bill 1661, the principal local government finance trailer bill to the 1999–2000 State Budget, I wish to clarify a technical drafting error so as to avoid any confusion in implementing that new statute.

Section 7 of the bill is an uncodified provision to allocate funds to counties, cities, and special districts in proportion to their 1998–99 losses to the Educational Revenue Augmentation Fund. Subparagraph (A) of paragraph (3) of subdivision (a) contains a cross-reference to “subdivision (d).” There is no “subdivision (d)” in Section 7. That inadvertent typographical error should have read “subdivision (c).” Similarly, subparagraph (b) of paragraph (3) of subdivision (a) also references the same “subdivision (d)” and, once again, that should have read “subdivision (c)”

Within the context of Section 7, it becomes obvious that the allocation procedures are in subdivision (c) and not the nonexistent subdivision (d).

To avoid confusion, I request that my explanation be printed in the Assembly Daily Journal so that state and local officials may clearly understand our intent.

Sincerely,

TOM TORLAKSON, Assembly Member
Eleventh District

ADJOURN IN MEMORY

Assembly Member Honda was granted unanimous consent that when the Assembly adjourns on this day it do so out of respect to the memory of Manuel Chavez, of Bonita.

[Assembly Rule 45.5 suspended.]

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

* * *

Good Morning.

As all of you know, I am a Rabbi here in Sacramento. What you may not know is that I am a Rabbi at one of the Congregations that was bombed two weeks ago. On behalf of my Congregation, I would like to thank Speaker Villaraigosa and Assembly Member Steinberg for co-authoring the Resolution that all of you adopted a week ago Monday. Gestures such as that help us on our road to healing and recovery. We are deeply grateful for the support all of you have shown us.

* * *

The great American philosopher, and former California resident, Mark Twain, wrote these wise words:

Always do right.
This will gratify some people
and astonish the rest.

May our hearts always be open to knowing what is right and good, and may we always have the strength and moral courage to act on that knowledge.

May this be God's will.—AMEN.

Upon request of Speaker pro Tempore Keeley, Assembly Member Maldonado then led the Assembly in the pledge of allegiance to the Flag.

MESSAGES FROM THE GOVERNOR

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

Veto Message—Assembly Bill No. 907

Governor's Office, Sacramento
July 6, 1999

To the Members of the Assembly:

I am returning Assembly Bill No. 907 without my signature.

The bill has technical flaws which in the opinion of the Director of the Department of Finance would require the Superintendent of Public Instruction to allocate \$27 million to County Offices of Education in 1999–00. The legislative intent of the measure was to provide approximately one-third of that amount this year.

I would sign legislation that appropriates sufficient funding to assist County Offices of Education in implementing the education reform package the Legislature approved and I signed earlier this year. I would ask the author to work with Secretary Hart to achieve that goal.

For these reasons, I cannot support AB 907.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 6th day of July, 1999 at 9:26 p.m., of Assembly Bill No. 907 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Nancy Miller.

Veto Message—Assembly Bill No. 1112

Governor's Office, Sacramento
July 6, 1999

To Members of the Assembly:

I am returning Assembly Bill No. 1112 without my signature.

This bill would require the Department of Corrections to 1) establish and evaluate New Parole Model pilot projects at two locations to test a revised approach to the supervision, sanction, and control of parolees, and 2) provide authority to establish a "Community Punishment Pilot

Program” within the department to test the effectiveness of intermediate sanctions for low-level offenders who violate parole.

I support efforts to reduce parolee recidivism and the associated state prison incarceration costs, and I look forward to working with Assemblymember Wright towards that end. However, this bill reduces accountability for the conduct of parolees, as no single Department of Corrections employee would be responsible for the activities of an individual parolee. Additionally, authorizing the Community Punishment Pilot Program could result in the implementation of unproven intermediate sanctions for parole violators, potentially posing a danger to public safety.

Although I support programs which assist parolees in transitioning back into the community and succeeding on parole, the changes outlined above pursuant to the enactment of Assembly Bill No. 1112 are unnecessary in light of the \$15.5 million appropriation I have approved in Assembly Bill No. 1535 of the 1999–00 Regular Session for 230 new parole officers.

For the reasons stated above, I cannot support Assembly Bill No. 1112.

Sincerely,

GRAY DAVIS

The following item veto message from the Governor was received and ordered printed in the Journal and the bill ordered to the unfinished business file:

Item Veto—Assembly Bill No. 1115

Governor’s Office, Sacramento
July 7, 1999

To the Members of the Assembly:

I am signing Assembly Bill No. 1115, however, I am reducing the appropriations made in Sections 65, 66, 70, 72 and 73 by a total of \$15,526,000. These appropriations are being eliminated because I have specific concerns about the projects or to ensure the State maintains a prudent reserve. The specific reductions are as follows:

I am reducing the reappropriation in Section 65 by eliminating subdivision (b) which allocates \$200,000 to the Julian Union School District for kitchen equipment needed for nutrition programs. Although this program may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (c) which allocates \$200,000 to the Grossmont Union High School District for construction of a swimming pool at Steele Canyon

High School. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (d) which allocates \$100,000 on a one-time basis to the San Diego County Office of Education to provide assistance for schools to secure health insurance for uninsured, low-income pupils. Although this program may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by \$25,000 by reducing subdivision (e) from \$27,500 to \$2,500 for the Alta-Dutch Flat Union School District for afternoon school busing service. I am taking this action to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (f) which allocates \$100,000 on a one-time basis to the Los Gatos Union School District to support the expansion of science programs through the Youth Science Institute in the City of Los Gatos. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (g) which allocates \$250,000 on a one-time basis to the Oak Park Unified School District for the purpose of purchasing computer equipment and materials for the library at Oak Park High School. I am taking this action because the budget currently includes \$158.5 million which is allocated to all school districts on the basis of average daily attendance, which districts can use specifically for library materials and equipment.

I am reducing the appropriation in Section 65 by eliminating subdivision (h) which allocates \$175,000 to the Anaheim City School District for an after-school learning safe neighborhoods program. I am eliminating this project because the use of one-time Proposition 98 funding, for what appears to be an ongoing program, is not appropriate. Moreover, there is an existing grant program for this purpose, the After-School Learning and Safe Neighborhoods Partnerships program, which awards renewable grants and is increased by \$35 million in the 1999 Budget Act for the 1999–2000 fiscal year. Local programs may compete for renewable grants for either purpose by applying through the Department of Education.

I am reducing the reappropriation in Section 65 by eliminating subdivision (i) which allocates \$250,000 to the Rio Del Valle Elementary School District for construction of a gymnasium at Rio Del Valle Junior High School. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (k) which allocates \$6,000 on a one-time basis to the San Juan Unified School District for the purchase of a computer, printer, and appropriate software for the Cottage Elementary School library. I am taking this action because the budget currently includes

\$158.5 million which is allocated to all school districts on the basis of average daily attendance, which districts can use specifically for library materials and equipment.

I am reducing the reappropriation in Section 65 by eliminating subdivision (l) which allocates \$250,000 to the Saddleback Valley Unified School District for construction of a gymnasium at Laguna Hills High School. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (m) which allocates \$100,000 to the Woodlake Union High School District for construction of a swimming pool. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 65 by eliminating subdivision (n) which allocates \$110,000 to the Sacramento City Unified School District to support the Sacramento START after-school program. I am eliminating this project because the use of one-time Proposition 98 funding, for what appears to be an ongoing program, is not appropriate. Moreover, there is an existing grant program for this purpose, the After-School Learning and Safe Neighborhoods Partnerships program, which awards renewable grants and is increased by \$35 million in the 1999 Budget Act for the 1999–2000 fiscal year. Local programs may compete for renewable grants for either purpose by applying through the Department of Education.

I am reducing the reappropriation in Section 65 by eliminating subdivision (o) which allocates \$30,000 on a one-time basis to the Galt Joint Union Elementary School District to support an educational program using STAR test results to improve teaching. I am deleting this funding because I recently enacted legislation implementing the statewide accountability initiative to hold schools accountable for their performance and to reward high achieving and improving schools, therefore this proposal unnecessary.

I am reducing the reappropriation in Section 65 by eliminating subdivision (p) which allocates \$10,000 to the Oak View Unified School District to repair the school blacktop area. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 65 by eliminating subdivision (r) which allocates \$30,000 to the ABC School District for an after school project at Hawaiian Gardens Elementary School. I am eliminating this project because the use of one-time Proposition 98 funding, for what appears to be an ongoing program, is not appropriate. Moreover, there is an existing grant program for this purpose, the After-School Learning and Safe Neighborhoods Partnerships program, which awards renewable grants and is increased by \$35 million in the 1999 Budget Act for the 1999–2000 fiscal year. Local programs may compete for renewable grants for either purpose by applying through the Department of Education.

I am sustaining subdivision (z) of Section 65 which reappropriates \$700,000 to the Superintendent of Public Instruction for allocation to the County Office Fiscal Crisis and Management Assistance Team

(FCMAT) for distribution to the Compton Unified School District. However, I am requesting that these funds be used only for the specific purposes of implementing the school district's recovery plans. I also encourage the Compton Unified School District to fully avail itself of the existing program funding provided, including for summer school programs, after school programs, and the staff development day buy out program as appropriate, to assist the district in funding its reforms.

I am sustaining subdivision (aa) of Section 65 which reappropriates \$1,500,000 to subsidize the costs of low-income children's participation in residential science camps. However, I note that this is a one-time appropriation; this program should develop alternative funding sources for the future.

I am reducing the reappropriation in Section 65 by eliminating subdivision (cc) which allocates \$232,000 on a one-time basis to the Bilingual Foundation of the Arts to develop arts-based literacy skills in school age children. I am deleting the funding because the budget includes \$6 million for Local Arts Education projects which can be used for this purpose.

I am reducing the reappropriation in Section 65 by eliminating subdivision (dd) which allocates \$100,000 to the Los Angeles Unified School District to renovate the San Fernando High School Teen Health Clinic. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 65 of this bill by eliminating subdivision (hh) which allocates \$16,900 to replace funding reduced as a result of an audit exception at the North Cow Creek School District. An independent audit of the district's class size reduction funding determined that the district inappropriately claimed \$16,900 of incentive funding during the 1996-97 school year for classes with excess enrollment. Since the purpose of the incentive funding is to reduce enrollment to no more than 20 students per teacher and the program does not permit waiver of the class size requirement, it would be inappropriate, and establish an undesirable precedent, to restore funding to the district.

I am reducing the reappropriation in Section 65 by eliminating subdivision (jj) which allocates \$120,000 to the Golden Valley Unified School District for home-to-school transportation. I am taking this action because this augmentation provides funding on a one-time basis for costs that are ongoing.

I am reducing the reappropriation in Section 65 by eliminating subdivision (mm) which allocates \$288,000 on a one-time basis to the Oxnard Unified School District for the Parent University Project. I am taking this action because this augmentation provides funding on a one-time basis for costs that are ongoing.

I am reducing the appropriation in Section 65 by eliminating subdivision (oo) which allocates \$139,000 on a one-time basis to the Sacramento City Unified School District for the Center for Educational Excellence. This program provides local services and also disseminates the Center's language arts curricula and models statewide. This

augmentation would reimburse the district for additional costs of statewide distribution. It is not clear why this school district is involved in a program that distributes materials on a statewide basis or whether the materials meet the standards established by the State Board of Education. The distribution function described for the Center is currently and appropriately performed by the State Department of Education.

I am sustaining subdivision (pp) of Section 65 which reappropriates \$750,000 to the Superintendent of Public Instruction for allocation to the County Office Fiscal Crisis and Management Assistance Team (FCMAT) for an audit of the Oakland Unified School District. However, I am requesting that FCMAT conduct a comprehensive assessment of the District in its major operational areas and provide recommendations by January 31, 2000. FCMAT and the district, in consultation with the Department of Finance, should enter into a contract specifying the terms of the assessments and the responsibilities of each of the parties prior to allocation of the \$750,000 to FCMAT.

I am reducing the reappropriation in Section 65 by eliminating subdivision (qq) which allocates \$250,000 to the Capistrano Unified School District for a planning grant to develop a teacher training and development facility. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (ss) which allocates \$500,000 to the Los Angeles Unified School District for renovation of the San Fernando Middle School Auditorium. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 66 by eliminating subdivision (b) which allocates \$500,000 to the Sacramento County Office of Education for a State Resource Center for the California Reading Initiative. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 70 by \$2,820,000 by deleting subdivisions (a), (b), (c), (d)(1), (e) and (f), which would have provided for a variety of local projects for Community College districts. While voter registration is an important activity, I am reducing the \$300,000 in schedule (c) for voter registration purposes because it does not appear necessary to provide funding for an activity that could be easily undertaken by campus groups or other civic groups. Although the other deleted projects may be meritorious, I am deleting the funding for them to ensure the state maintains a prudent reserve.

I am reducing the appropriation in Section 72 by eliminating subdivision (a) which appropriates \$2,000,000 to the Department of Education for allocation by the Controller for reimbursement of Sacramento City Unified School District's 1998-99 voluntary desegregation audited claim. The state is not statutorily obligated to pay for any costs incurred for voluntary integration programs above the amount budgeted for that purpose. Desegregation claims are funded in accordance with an existing statutory formula, as limited by funding

appropriated in the Budget Act. Based on these statutory provisions, there is no legal obligation to fund these programs beyond the amount provided in the annual Budget Act.

I am reducing the appropriation in Section 73 by eliminating subdivisions (a), (b), (c) and (d) which allocate a total of \$6,724,100 to reimburse school districts desegregation program deficiencies for fiscal years 1994-95 and 1995-96. Desegregation claims are funded in accordance with an existing statutory formula, as limited by funding appropriated in the Budget Act. Based on these statutory provisions, there is no legal obligation to fund these programs beyond the amount provided in the annual Budget Act. In addition, the Legislature statutorily limited the funding formula for this program in the current year as well as in the past four years in the education trailer bills. The provisions statutorily limit the funding otherwise provided in statute for court-ordered desegregation and voluntary integration programs to the level of funding provided in the appropriation for these programs, consistent with all other programs funded through the mega-item appropriation. Finally, districts are advised of the amounts available for each fiscal year for these programs by the State Department of Education.

Sincerely,

GRAY DAVIS

PRAYER

Politics is a tricky business. Politicians are elected because they represent a particular view. Yet once they are elected, they represent not simply those who voted for them, but their entire community, even those with whom they disagree.

Blaise Pascal wrote sage words that apply to the political system. He wrote:

We show greatness not by being at one extreme,
but by touching both at once and occupying all the space in
between.

May the Creator of Time and Space enable each of us to experience the wonderment of being able to see and to understand the world from the perspective of one extreme to another, and to experience the glory of all that lies in between.

May this be God's will.—AMEN.

Item Veto—Assembly Bill No. 1662

Governor's Office, Sacramento

July 7, 1999

To Members of the Assembly:

I am signing Assembly Bill No. 1662, relating to booking fees after vetoing subdivisions (c) and (d) of Section 29550.4 of the Government Code as added by this bill.

AB 1662 continuously appropriates up to \$50 million annually from the General Fund to the Controller for allocation to cities for reimbursement of their actual booking and processing costs paid to counties. Under this bill, the amount appropriated from the General Fund would be increased annually by two percent beginning with the 2000–01 fiscal year. I am deleting the provisions authorizing this two percent annual adjustment because future increases in these reimbursements should be provided subject to the state's ability to fund these increases rather than automatically through a continuous appropriation.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 7th day of July, 1999, at 6:30 p.m., of the Governor's statement of the items of appropriation reduced or eliminated from Assembly Bill No. 1662 delivered to me personally by Nancy Miller.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Rev. Hamilton T. Boswell, Pastor Emeritus of Jones Methodist Church, in San Francisco, and former Chaplain of the Assembly:

Gracious God, Whose presence is our cover by night, and our strength in the day grant us, we pray, a remembrance of all those, our predecessors, in this Assembly. For in prayer we would honor them, the many Assemblypersons, who in yesteryears sat where these members now sit, and shouldered tasks and responsibilities of state.

Especially, today, would we recognize prayerfully, Willie Lewis Brown, currently Mayor of San Francisco, his home and district he represented in this Assembly for many years. He was the longest tenured Speaker in the history of our great state. From this dais, you and the public measured him as a man, a student of government, a believer in getting work done, a master politician and friend. We remember his frown, his smile, his laugh, and his chuckle. For Mayor Brown and all others who now and in years gone by, have been a part of the helm of state, we pray, but especially forgetting not this governance in which such democracy can work.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Shelley then led the Assembly in the pledge of allegiance to the Flag.

California State Auditor

98002
June 24, 1999

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
State Capitol, Room 219
Sacramento, California*

Dear Members of the Assembly: As required by the California Government Code, Section 8542, et seq., the Bureau of State Audits presents its audit report concerning our review of the State of California's internal controls and compliance with state and federal laws and regulations for the year ended June 30, 1998.

This report concludes that the State continues to experience certain problems in accounting and administrative practices that affect its internal control system over financial reporting and over compliance with federal requirements. Furthermore, these problems result in noncompliance with some state and federal regulations. Although these weaknesses are not individually significant, they have a cumulative effect on the accuracy of reported financial information and on the efficiency, effectiveness, and propriety of the State's operations.

Respectfully submitted,

KURT R. SJOBERG

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Shelley was granted unanimous consent that the following sonnet by Charles B. Garrigus, Poet Laureate for the State of California be printed in the Journal:

**A Sonnet Celebrating Willie Brown's Fifteen Years As
Speaker of the California Assembly**

Willie's understanding grasped the disadvantaged man
And learned to measure good by whatever helped his need.
He knew that freedom was reality where dignity began,
And legislative vigilance should always shackle greed.

He listened well to hear the heartbeat of humanity.
And heard the sound of misery's broad enclave.
He knew that only with equality can justice favor sanity,
That law and education could help the heritage
he worked to save.

He flavored serious business with anecdote and wit
To keep debate a process for success.
His intellect used argument to make an issue fit,
And thus he dispensed power with finesse.

From the vision of his duty his purpose never swerved.
His mark is every life enriched with hope because he served.

—Charles B. Garrigus

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Upon request of Assembly Member Shelley, Assembly Member Knox was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 60

July 8, 1999

E. Dotson Wilson

*Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Dotson: This is to clarify my intent with respect to two issues raised by Section 513 of AB 60.

In Section 513, an employer is prohibited from encouraging or soliciting an employee to request personal time off and to make up that time within the same workweek and without overtime compensation. I want to make clear that my intent is not to prohibit an employer from informing employees of their right to make a request pursuant to this Section. I expect that the Industrial Welfare Commission (IWC) will

issue a notice that employers will be able to use to inform their employees of the personal time off option.

Second, Section 513 requires that for each occasion that an employee requests personal time off that would be made up within the same workweek without overtime compensation, the employee must provide a signed written request. As with other issues raised by this bill, it is my intent that the IWC would prescribe the type of circumstance, if any, in which the request made pursuant to this Section could govern personal time off beyond any particular workweek. My intent is that personal time off will be used to supplement the regular work schedule or alternative workweek schedule. Accordingly, regulations by the IWC should restrict the length of time authorized by any particular written request to a relatively brief period beyond one week.

Sincerely,

WALLY KNOX, Assembly Member
Forty-second District

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Upon request of Assembly Member Shelley, Assembly Member Floyd was granted unanimous consent that the following communication be printed in the Journal:

July 12, 1999

Hon. Antonio R. Villaraigosa
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: Bill Craven died yesterday. Some refer to him as Senator Bill Craven, because of the years, since 1978, when he served in that House. Others refer to him as the consummate public servant, remembering the years when he served in the Assembly, 1973–78. The only true description is “gentleman”—for Bill Craven was that above all else, a gentle man.

He served his San Diego district very well, insuring that it received the state support it deserved. He served local government well, chairing that committee in both the Assembly and Senate. He served all his fellow legislators well, in his long-term capacity as Rules Committee member.

Bill was a true patriot and consummate public servant. Each year he made it a point to talk to constituents on Flag Day. He wore his Marine stripes well. Those who worked with him, when he was City Manager of San Marcos, a member and Chairman of the San Diego Board of Supervisors, Chairman of San Diego’s LAFCO, or a member of the California Legislature, knew what was best in public service. He was what we want to be, what we strive to be.

Mr. Speaker, I respectfully request unanimous approval that we adjourn today in the memory of former legislator William A. Craven.

Sincerely,

RICHARD E. FLOYD, Assembly Member
Fifty-fifth District

MESSAGES FROM THE GOVERNOR

The following messages from the Governor were received and ordered printed in the Journal:

Governor's Office, Sacramento
July 12, 1999

To Members of the Assembly:

I am signing Assembly Bill No. 1104 because it establishes the framework for improvements to various water quality programs. However, the bill does not reflect a consensus among the discharger, agricultural, industrial and environmental interests.

Despite its flaws, I am signing AB 1104, immediately followed by my signing SB 709. SB 709 addresses concerns raised over AB 1104 by providing flexibility to regulatory agencies to target Pollution Prevention Plans to only those contaminants posing a threat to water quality and providing clarification to the minimum penalty provisions. Combined, AB 1104 and SB 709 provide a consensus approach to this significant environmental program.

Sincerely,

GRAY DAVIS

Governor's Office, Sacramento
July 12, 1999

To Members of the Assembly:

I am signing Assembly Bill No. 1660 with the following message.

I intend to make every effort to ensure that all persons living in California are counted in the 2000 census. While I do not oppose the creation of a California Complete Count Committee (CCCC), the provisions of this bill are too restrictive for a proposal whose goal is to account for *all* persons living in this state. Specifically, the requisite criteria for gubernatorial appointees under this bill could have the unintended consequence of denying undercounted groups representation on the CCCC. Two of the gubernatorial appointments

outlined in this bill are effectively restricted to individuals in Los Angeles County. To limit the CCCC membership in this manner would be shortsighted and unfair to those whom the bill purports to champion.

Additionally, since this bill would not become effective until January 1, 2000, it is unlikely that a plan could be implemented to maximize the participation of California residents in the 2000 federal decennial census by the timelines specified in the bill. This bill would require the CCCC to implement the plan no later than February 15, 2000, and to continue implementation through September 1, 2000. Outreach activities, in order to be effective, would ideally commence long before the effective date of this bill. Moreover, the United States Census Bureau generally terminates public outreach activities after June 30, 2000, because those activities could interfere with the Bureau's accuracy and coverage evaluation survey used to adjust the census undercount.

It is my expectation, in signing this measure, that the CCCC provisions are proposed to be repealed in SB 711, thereby removing the restrictions on my ability to appoint appropriate members to the CCCC and the untenable timelines. Because I agree with the concept of this bill, I plan to establish, through executive order, a method by which an aggressive outreach program aimed at ensuring the complete count of all Californians can be undertaken within prudent time frames and with inclusive representation.

Sincerely,

GRAY DAVIS

Governor's Office, Sacramento
July 12, 1999

To Members of the Assembly:

I am signing Assembly Bill No. 1661.

This local government budget trailer bill, an urgency measure, specifies restrictions on the use of resources in the State Infrastructure and Economic Development Bank and establishes reporting requirements. In addition, it provides the mechanism for the allocation of a one-time \$150 million General Fund subvention to local agencies in the fiscal year 1999-00.

I am concerned about the provisions of this bill that would enact, contingent upon the passage of a constitutional amendment, capping the Education Revenue Augmentation Fund and requiring the State to provide specific property tax administration subventions to counties. Although I concur with the need to address the state-local fiscal relationship, AB 1661 presupposes that capping the ERAF and state assumption of certain property tax administration costs incurred by counties are appropriate solutions to reforming state and local government finance. I believe sustainable state and local government finance reform must be approached more broadly and comprehensively and not be restricted to examination of the property tax only. Furthermore, capping the ERAF value at the 1999-00 level would ignore the various measures that have already mitigated the impact of

the property tax shift. For some counties, the value of these mitigation measures exceeds the current value of their property tax shifts.

I support the technical amendments proposed in Senate Bill 711, which would clarify the provisions concerning the allocation of the \$150 million subvention in the 1999–00 fiscal year.

Sincerely,

GRAY DAVIS

Governor's Office, Sacramento

July 12, 1999

To Members of the Assembly:

I am signing Assembly Bill No. 1682 with the understanding that Senate Bill No. 710 will be enacted to delete the provisions contained in Sections 4 and 5 of AB 1682 which provides a 100 percent state share-of-cost above a capped county share-of cost for In-Home supportive Services (IHSS) provider wages above the minimum wage negotiated by public authorities. SB 710 instead would provide an 80 percent State share-of-cost for up to a 50 cent wage increase above minimum wage for providers in public authority counties for 1999–00 only.

I expect the State's participation in any future increase to return to the 65 percent share currently required for the payment of wages to IHSS providers up to the statewide minimum wage. The state has no role in IHSS provider wage and benefit negotiations and, therefore, would be unable to manage the program costs in which it would share. In addition, capping the county share-of-cost would remove the incentive for counties to contain program costs and result in significant General Fund costs in the future.

Sincerely,

GRAY DAVIS

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Kahlil Gibran expounded on the concept of what is a “labor of love”. He wrote:

And what is it to work with love?

It is to weave the cloth with threads drawn from your heart, even as if your beloved were to wear that cloth.

It is to build a house with affection, even as if your beloved were to dwell in that house.

It is to sow seeds with tenderness and reap the harvest with joy, even as if your beloved were to eat the fruit.

It is to charge all things you fashion with a breath of your own spirit.

When we work without passion, the task becomes drudgery, and our work less effective. But when we put ourselves into the work, when we remember for whom the buildings are built, the bills being written, the lives that are being affected and bettered by the labor of our hands, the work becomes transformed, it becomes elevated because we have put ourselves into the task.

May it be possible for people to see that every task we undertake is a labor of love. May this be God’s will.—AMEN.
