Points of Order—

4/15/99—

Assembly Member McClintock's name was not referenced in his remarks, and language he used in the course of debate was not offensive, ruling: point of order by Assembly Member Floyd not well-taken; that Assembly Rule 111 does not require that a Member's name be spoken in order for a point of personal privilege to be raised; and further, that Assembly Member Floyd use civil language in debate, consistent with the custom and practice of the House, (Keeley), 1109

5/20/99—

There is no order, ruling: point of order well-taken (Keeley), 1759

1/20/00—

The proposed amendments to Senate Bill No. 996 are before the Body and the Maddox motion to re-refer to committee is out of order, ruling: point of order not well-taken; that the motion to re-refer the bill and proposed amendments to committee is in order under the Assembly Rules (Reyes), 4887

6/1/00—

Reconsideration of Assembly Bill No. 2779 is the question before the Body, ruling: point of order well-taken (Keeley), 6998

Point of Personal Privilege, point ruled out of order, 5635; 7312

4/29/99—

Would it not be more appropriate to place the Budget trailer bills on the Inactive File?, reply: Pursuant to the Rules a one-day notice would be required to remove the bills from the inactive file and it was requested by the Chair of the Budget Committee that the bills retain their place on the third reading file for timely consideration (Keeley), 1391

Is the motion before the Body striking that provision in the Rules which prohibits reading a paper on the Floor of the Assembly?, reply: A motion for temporary suspension of the Rules is before the Body at this time, and further, the Assembly Rules must be amended by adoption of a resolution pursuant to Assembly Rule 8 (Keeley), 1965

Is it not correct that any Member can withhold on requests to pass and retain measures, thereby requiring that such measures be passed on file?, reply: in the affirmative (Keeley), 8075

8/25/00—

Is the motion before the Body to reconsider the vote on Assembly Bill No. 317?, reply: in the negative; that the motion before the Body is to take up the motion to reconsider immediately (Keeley), 8377; motion made by Rod Pacheco to take up the motion to reconsider immediately, motion carried, 8377; motion to reconsider, 8377; motion lost, 8378

Point of Information—

4/26/99—

An incidental motion is before the Body at this time. Would it not be appropriate to vote on such motion to determine the will of the Body?, ruling: point of order well-taken (Keeley), 1295

Points of Order—

The Presiding Officer is not permitted to address the merits of any issue from the Chair, reply: that Assembly Member Hertzberg was speaking to the process and not to the merits of the Strickland motion to suspend the Rules; and further that the motion to suspend the Rules is not debatable, and requires 40 votes to carry in a 79-Member House (Keeley), 5544

5/1/00—

The demand for a roll call is in order after a voice vote is taken if any Member is in doubt as to the outcome of the vote; roll call demanded (Strickland), amendments adopted, 6082

Assembly Bill No. 2412 is a tax increase and therefore requires 54 votes for passage, ruling: point of order not well-taken; that the information available to the Presiding Officer is the opinion of Legislative Counsel. He has opined that Assembly Bill No. 2412 is revenue-neutral, not a tax increase, and therefore requires 41 votes for passage (Keeley), 6763

A point of order is raised as to the ruling of the Chair that Assembly Bill No. 2412 requires a majority vote for passage, and it is his judgement that such ruling is a flagrant violation of Article XIII A of the California Constitution and calls for judicial redress; and further that his point of order be reflected in the Assembly Journal, reply: Speaker pro Tempore replied that he was now in possession of the written opinion of Legislative Counsel relative to Assembly Bill No. 2412, and without objection such opinion would be printed in the Journal; and that the point of order raised by Assembly Member McClintock and the ruling of the Chair would also be entered in the Journal record (Keeley), 6766

What is the Chair's policy relative to measures not taken up on this day's file?, reply: Measures not taken up on this day's file will be passed and retained rather than passed on file (Keeley), 2253

3/16/00—

Is it not the custom and practice of the House that a Member is permitted to speak when moving to withdraw a bill from committee?, reply: that under the previous Rules a Member was permitted to speak to his/her motion to withdraw a bill from committee, and debate was limited to the propriety of the motion; however, under the present Rules, such is not the case on a motion to suspend the Rules (Thomson), 5491

5/30/00—

Is it the ruling of the Chair that a Call of the Assembly will be permitted to be placed on bills three times?, reply: in the affirmative (Keeley), 6784

Will that be the ruling of the Chair for the remainder of this session, reply: in the affirmative (Keeley), 6785

OLBERG, KEITH, ASSEMBLY MEMBER—Continued

Point of Clarification—

5/27/00—

Is it the position of the Presiding Officer that a Member may speak to any issue he/she chooses, as long as the character or integrity of another Member is not impugned?, reply: A Member is required to speak to the issue or bill before the Body. It is the opinion of the Presiding Officer that Assembly Member Floyd is still debating the bill at hand, 1993

Point of Order—

5/27/99—

Assembly Member Floyd is not limiting debate to the merits of the bill and his remarks are an attack on another individual, ruling: point of order by Assembly Member Olberg not well-taken; that it has been the custom and practice of the House and the Presiding Officer to permit latitude in debate; that the Presiding Officer has attempted to confine debate if a Member impugns the character or integrity of another Member, and that in the opinion of the Presiding Officer Assembly Member Floyd has not impugned the character or integrity of another Member, 1993

Assembly Bill No. 2412 is a tax increase and therefore requires 54 votes for passage (McClintock), ruling: point of order not well-taken; that the information available to the Presiding Officer is the opinion of Legislative Counsel.
