Parliamentary Inquiry—

6/6/01, What is the response of the Chair as to the vote requirement for passage of AB 423, as it contains an appropriation?, reply: after review and analysis the Legislative Counsel determines the vote requirement and that the appropriation contained in AB 423 is not a General Fund appropriation, and it is therefore the opinion of the Presiding Officer that the bill requires 41 votes for passage (Keeley), 2236

8/27/02, What is the appropriateness of printing a letter in the Journal record stating legislative intent after the vote was taken on the measure?, reply: that the letter of legislative intent was appropriately presented by Assembly Member Koretz, and the request appropriately objected to by Assembly Member Cogdill. The House will decide the ultimate disposition of the request by a majority of those present and voting (Keeley), 8228

Announcement—

SBs Nos. 733 and 736, in the absence of objection, and pursuant to Assembly Rule 78, Member announced his intention to request bills be removed from the inactive file, prior to the listing of his name as the floor manager in the daily file, 2777

Parliamentary Inquiry—

- 5/31/01, Was not the motion by Assembly Member Leslie to take up the motion to reconsider on the next legislative day?, reply: the motion by Assembly Member Shelley, if carried, would require the motion by Assembly Member Leslie to be taken up on this day (Kehoe), 1937
- 8/19/02, Will the Presiding Officer clarify the basis of his ruling?, reply: that pursuant to Assembly Rule 102 it is his ruling that the question is not divisible, whereupon he cited the rule to the Body (Keeley), 7791
- 8/19/02, The Resolution to Suspend Joint Rules contains two bills and two constitutional amendments. Does that not represent a distinction, as relates to the citing of Assembly Rule 102?, reply: that it is his ruling that the Resolution is not divisible (Keeley), 7791
- 8/23/02, Is it not the custom and practice of the House to allow a Member to take up items that were passed temporarily earlier in the day, when the Member makes the request; and, is it the intention of the Presiding Officer to permit Members to take up items that were passed temporarily today?, reply: that it has been the custom and practice to proceed through the Daily File in order; and return to the beginning of the Daily File and take up those items that were passed temporarily, in File order; however, items are taken up, out of file order, in an effort to accommodate individual needs of the Members. There are numerous bills that were passed temporarily today and it is not the intent of the Speaker to continue to keep the House in Session (Keeley), 7986
- 8/23/02, Assembly Member John Campbell is prepared to take up a measure (SB 676) that he was granted permission to pass temporarily on earlier today. Will Assembly Member Campbell be granted the courtesy of returning to his item on file, for the purpose of amendments?, reply: that it has been the custom and practice to accommodate Members' schedules; however the rule of the House is to proceed on the Daily File, in order. Once items have been passed temporarily on file, Members may not always be granted unanimous consent to return to the items they missed, when they choose to return to the item (Keeley), 7986

COX, DAVE, MINORITY FLOOR LEADER/ASSEMBLY MEMBER—Continued

Parliamentary Inquiry—continued

8/24/02, Will the Assembly vote first on the proposed substitute amendments by Assembly Member Firebaugh, or on the proposed amendments by Assembly Member John Campbell?, reply: that if the Firebaugh motion to offer a substitute motion to amend SB 676 carries, the proposed substitute amendments by Assembly Member Firebaugh will be before the Body as the new primary motion and replace the original primary amendments by Assembly Member Campbell. The amendments by Assembly Member John Campbell will no longer be before the Body (Kehoe), 8017

8/31/02, Was the roll not opened on SB 773?, reply: that at the discretion of the Presiding Officer, the roll had been stricken (Kehoe), 8713

Points of Order—

6/27/01, Assembly Member Migden is making statements in debate not evidenced by fact, 2542

6/27/01, Assembly Member Migden continues to state points in debate not evidenced by fact and further requests that the Member limit debate to the merits of the bill and not attack the credibility of another Member, 2542

5/16/02, There is no order on the Floor; and furthermore, that the Body be encouraged to comply with previous requests of the Presiding Officer for order and courtesy on the Floor during debate, ruling: point of order well-taken (Keeley), 6152

5/29/02, Pursuant to the Rules, Members must operate their own vote switch, ruling: point of order well-taken (Kehoe), 6501

vote of the House, and, such motion is not in order while under Call of the
Assembly (Keeley), 4056

LEONARD, BILL, MINORITY FLOOR MANAGER & SECOND RANKING
 REPUBLICAN LEADER/ASSEMBLY MEMBER—Continued

Parliamentary Inquiry—continued

- 9/15/01, The hour of midnight having arrived, is the House not in recess pursuant to the Rules, with or without an adjournment motion, and are remaining bills not ineligible for further consideration?, reply: that in the absence of a motion to adjourn being made and carried, the House is not in recess and such a motion is not in order at this time (Keeley), 4056
- 2/4/02, Is AB 749 not keyed “fiscal” and therefore by rule, should the bill not be re-referred to the fiscal committee?, reply: AB 749 was returned to the Assembly for concurrence in Senate amendments, whereupon the bill was re-referred to the Insurance Committee. Pursuant to Joint Rule 26.5 the committee may vote to recommend concurrence or nonconcurrence in the amendments, or hold the bill. The Insurance Committee returned the bill to the House, recommending concurrence in Senate amendments. There are no requirements in the Rules that the bill be re-referred to fiscal committee. However, a motion to re-refer to committee is in order (Keeley), 4699
- 7/1/02, Does not the House determine the jurisdiction of the committees, and is it not the effect of Assembly Member Wyman’s motion to give such jurisdiction to the Committee on Natural Resources?, reply: that jurisdiction of standing committees is determined at the beginning of the legislative session by the Committee on Rules, and that Assembly Member Wyman’s motion is not consistent with the adopted guidelines that are established by the Rules Committee with respect to assignment of bills to policy committees (Keeley), 7135

Point of Order—

- 6/29/01, Assembly Member Strickland’s debate is limited to the propriety of the bill, ruling: point of order well-taken (Keeley), 2594
- 1/10/02, Assembly Member Reyes spoke prior to moving the previous question, ruling: point of order well-taken (Keeley), 4414
- 7/1/02, The House has control of the jurisdiction of a committee for a particular bill, and it is in order if the House wishes to override the jurisdiction established by the Rules Committee, ruling: point of order well-taken (Keeley), 7135

Point of Order—

5/25/01, Assembly Member John Campbell is using props to assist in debate and such action requires unanimous consent of the Body, ruling: point of order well-taken (Keeley), 1834

8/24/02, Assembly Member La Suer is not limiting debate to the merits of the motion by Assembly Member Firebaugh, 8016; ruling: that it is appropriate for Members to reference both the John Campbell original amendments and the proposed substitute amendments by Assembly Member Firebaugh; that, in essence, both amendments are before the Body (Keeley), 8017

Parliamentary Inquiry—

6/6/01, Is it not the custom and practice of the House that Members be recognized to debate in the order microphones are raised?, reply: that the House determines the outcome of the motion to close debate by a majority of those present and voting (Kehoe), 2271

Point of Order—

6/30/01, Assembly Rule 66.7(b)(1) states that no Budget Bill may be voted on the Floor of the Assembly unless it balances expenditures with anticipated revenues and it is his opinion that the expenditures in SB 75 exceed the anticipated revenues, ruling: point of order not well-taken; that it is his opinion that SB 75 meets the criteria set forth in Assembly Rule 66.7(b)(1); anticipated revenues to the State would include balances carried forward in the current fiscal year into the upcoming fiscal year, and when that is added to the revenues set forth in the Budget Act, the Legislature would be sending a balanced Budget to the Governor (Keeley), 2607

7/14/01, Assembly Rule 66.7(b) states that no Budget bill may be voted on the floor of the Assembly unless it balances expenditures with anticipate revenues and it is his opinion that the anticipated revenues in SB 739 do not equal the balances of expenditures, ruling: that the Budget bill before the Body has a \$6.935 billion carryover from the fiscal year 2000-01, and contemplates \$75.158 billion revenues, exclusive of the \$6.935 billion carryover. The total of those figures is a total revenue of \$82.091 billion and total expenditures of \$79.159 billion. Therefore, the budget before the Body is balanced, and in compliance with Assembly Rule 66.7(b)(1) (Keeley), 2808

PACHECO, ROBERT, ASSEMBLY MEMBER—Continued

Point of Order—continued

7/14/01, Assembly Rule 66.7(b) states that no Budget bill may be voted upon the floor of the Assembly unless it provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget bill for the fiscal year. The Budget bill before the Body has additional expenditures of \$76 million. the reserve of \$2.3 billion minus \$76 million in additional expenditures leaves a reserve of \$2.225 billion. That is a reserve of 2.8 percent and is therefore not in compliance with the 3 percent reserve requirement, ruling: that the total General Fund appropriations contained in the Budget bill before the Body are \$57.057 billion. The remaining expenditures are ongoing statutory appropriations of \$2.7 billion and ongoing constitutional appropriations of \$2.7 billion, neither of which are subject to the Budget bill. A 3 percent reserve on this Budget bill is \$1.7 billion. This Budget bill contains \$.7 billion liquidated encumbrances, \$100 million litigation set-aside, and \$2.133 billion for economic uncertainties for a combined total of \$2.934 billion. This represents a 5.1 percent reserve when tested against the requirement in the Rules and therefore, SB 739 is in compliance with the requirements of Assembly Rule 66.7(b)(2) (Keeley), 2809

Parliamentary Inquiries—

3/19/01, Is AB 10 keyed by Legislative Counsel requiring 41 votes for passage?, reply: in the affirmative (Keeley), 681

3/19/01, Does this bill properly conform with Article XIII A, Section 3 of the Constitution which would require a 2/3 vote?, 681; reply: that in the view of the Chair AB 10 is a conformity bill, does not raise tax rates, and therefore the Chair concurs with the Legislative Counsel opinion requiring 41 votes for passage (Keeley), 682

3/19/01, Is it the understanding of the Chair that while AB 10 is a conformity bill, it will result in increased taxes and therefore require 2/3 votes for passage?, reply: that although the bill may result in more revenue, it does not result in increased tax rates (Keeley), 682

3/19/01, The increased revenue will be the result of what action by the government?, reply: that the result of enactment of this bill would make the State of California consistent, and in conformity with federal law (Keeley), 682

3/19/01, Would the state therefore be collecting more taxes?, reply: it is the understanding of the Chair that enactment could result in greater revenue accruing to the State, but the bill is revenue neutral and does not increase the tax rate, and that is the threshold for the Legislative Counsel key as to whether the bill requires a majority vote for passage or a 2/3 vote (Keeley), 682

5/07/01, How is the vote on ACR 21 recorded in this Journal?, reply: a resolution adopted on a voice vote of the House is recorded as “read and adopted“ in the Journal (Keeley), 1449

6/6/01, Is a written copy of the Legislative Opinion relative to the vote requirement on AB 1206 available, reply: that Legislative Counsel notified the Clerk of the error and a corrected digest of the bill has been provided for the Members by Counsel (Kehoe), 2273

7/12/01, Is it not in order during debate on a proposed amendment to discuss the amendment, as well as the impact the amendment would have on the bill?, reply: it is appropriate to debate issues of substance, however, debate must be restricted to the motion to amend (Keeley), 2774

9/10/01, How many questions are permitted before the House is asked to vote on granting unanimous consent?, reply: that it is the customary practice of the House to permit questions to be asked on an author’s closing time for debate, if the author yields, and in the absence of objection, but ongoing dialogue is not permitted (Kehoe), 3625

1/24/02, What is the Rule of the House permitting a committee chair to decline to set a bill for hearing in the committee?, reply: cited Joint Rule 62 (Kehoe), 4564

Parliamentary Inquiries—continued

- 8/12/02, Will the Chair advise as to the need for a special session to pass the Budget if the August 31st deadline is exceeded; and, if so, what is the last day to pass the Budget after August 31st?, reply: that it is possible for the House and Senate to proceed beyond the August 31st deadline; such deadline applies to bills that do not contain urgency statutes and bills that do not provide for the customary and regular payments and expenses associated with the operation of state government. The House and Senate may not send bills to the Governor after November 15th (Keeley), 7549
- 8/12/02, What is the effect of exceeding the November 15th deadline?, reply: that pursuant to the Constitution, no Regular Session bills may be sent to the Governor after November 15th. The exception is if the House and Senate are called into extraordinary session. The final adjournment Sine die of the Regular Session is November 30th (Keeley), 7549
- 8/12/02, Can the Legislature be called into extraordinary session after November 15th?, reply: in the affirmative (Keeley), 7549
- 8/22/02, When is SB 1680 scheduled for hearing in the Committee on Government Organization?, reply: that a hearing has not been noticed in the Daily File and Mr. Pacheco is advised to consult with Rules Committee and the Speaker (Keeley), 7928

PARLIAMENTARY INQUIRIES

3/19/01, Is AB 10 keyed by Legislative Counsel requiring 41 votes for passage? (Rod Pacheco), reply: in the affirmative (Keeley), 681

3/19/01, Does this bill properly conform with Article XIII A, Section 3 of the Constitution which would require a 2/3 vote? (Rod Pacheco), 681; reply: that in the view of the Chair Assembly Bill No. 10 is a conformity bill, does not raise tax rates, and therefore the Chair concurs with the Legislative Counsel opinion requiring 41 votes for passage (Keeley), 682

3/19/01, Is it the understanding of the Chair that while AB 10 is a conformity bill, it will result in increased taxes and therefore require 2/3 votes for passage? (Rod Pacheco), reply: that although the bill may result in more revenue, it does not result in increased tax rates (Keeley), 682

3/19/01, The increased revenue will be the result of what action by the government? (Rod Pacheco), reply: that the result of enactment of this bill would make the State of California consistent, and in conformity with federal law (Keeley), 682

PARLIAMENTARY INQUIRIES—Continued

- 3/19/01, Would the state therefore be collecting more taxes? (Rod Pacheco), reply: it is the understanding of the Chair that enactment could result in greater revenue accruing to the State, but the bill is revenue neutral and does not increase the tax rate, and that is the threshold for the Legislative Counsel key as to whether the bill requires a majority vote for passage or a 2/3 vote (Keeley), 682
- 5/07/01, How is the vote on ACR 21 recorded in this Journal? (Rod Pacheco), reply: a resolution adopted on a voice vote of the House is recorded as “read and adopted“ in the Journal (Keeley), 1449
- 5/17/01, Is AB 966 in violation of Assembly Rule 92? (Wyman), reply: committee amendments to Assembly Bill No. 966 were adopted by the Body on 5/15/01 and the bill is appropriately before the Body (Kehoe), 1672
- 5/31/01, Is the Shelley motion to immediately take up the Leslie motion to reconsider debatable? (Wyman), reply: in the negative (Kehoe), 1937
- 5/31/01, Was not the motion by Assembly Member Leslie to take up the motion to reconsider on the next legislative day? (Cox), reply: the motion by Assembly Member Shelley, if carried, would require the motion by Assembly Member Leslie to be taken up on this day (Kehoe), 1937
- 5/31/01, Is a motion to reconsider on the next legislative day valid under Assembly Rule 100(c)? (Wayne), 1938; reply: that under the Rules a motion to reconsider is noticed for the next legislative day; however, the Shelley motion having carried, requires that the Leslie motion to reconsider be taken up on this day (Kehoe), 1939
- 6/6/01, What is the response of the Chair as to the vote requirement for passage of AB 423, as it contains an appropriation? (Briggs), reply: after review and analysis the Legislative Counsel determines the vote requirement and that the appropriation contained in AB 423 is not a General Fund appropriation, and it is therefore the opinion of the Presiding Officer that the bill requires 41 votes for passage (Keeley), 2236
- 6/6/01, Is it not the custom and practice of the House that Members be recognized to debate in the order microphones are raised? (Robert Pacheco), reply: that the House determines the outcome of the motion to close debate by a majority of those present and voting (Kehoe), 2271
- 6/6/01, Is a written copy of the Legislative Opinion relative to the vote requirement on AB 1206 available (Rod Pacheco), reply: that Legislative Counsel notified the Clerk of the error and a corrected digest of the bill has been provided for the Members by Counsel (Kehoe), 2273

PARLIAMENTARY INQUIRIES—Continued

- 6/30/01, Assembly Rule 66.7(b)(2) states that no Budget Bill may be vetoed upon the floor of the Assembly unless it provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget Bill for the fiscal year, or provides for a reserve of not less than 1 percent and a specific plan to phase in a reserve of at least 3 percent within three years. Is such a reserve contained in this Budget Bill? (Richman), reply: Assembly Rule 66.7(b)(2) further states that the percentage of General Fund reserve shall be calculated by dividing the reserve of the General Fund by estimated revenues of the General Fund for the fiscal year. The proposed Conference Committee Report on SB 75 estimates General Fund revenues at \$75.158 billion and that amount multiplied by 3 percent is the determination as to whether the criteria set forth in Assembly Rule 66.7(b)(2) are met. The reserve contained in the Conference Committee Report on SB 75 is \$2.2 billion plus a \$100 million litigation reserve for a total of \$2.3 billion and it is therefore the opinion of the Chair that the criteria set forth in the Assembly Rules are met (Keeley), 2608
- 7/12/01, Is it not in order during debate on a proposed amendment to discuss the amendment, as well as the impact the amendment would have on the bill? (Rod Pacheco), reply: it is appropriate to debate issues of substance, however, debate must be restricted to the motion to amend (Keeley), 2774
- 7/14/01, Did the Chair state that the reserve threshold is \$1.7 billion, and if so, \$1.7 billion is 3 percent of what figure? (John Campbell), reply: that Assembly Rule 66.7(b)(2) requires that there be a 3 percent reserve of all General Fund appropriations made in the Budget bill for the fiscal year. The total general fund appropriations bill total \$57 billion. The remaining expenditures are ongoing statutory and ongoing constitutional appropriations and are not included in the calculation of General Fund appropriations made in the Budget bill. Those expenditures are exclusive of the appropriations made in the Budget bill (Keeley), 2809
- 9/10/01, How many questions are permitted before the House is asked to vote on granting unanimous consent? (Rod Pacheco), reply: that it is the customary practice of the House to permit questions to be asked on an author's closing time for debate, if the author yields, and in the absence of objection, but ongoing dialogue is not permitted (Kehoe), 3625
- 9/14/01, Subsequent to the conclusion of debate and dispensing with Calls of the Assembly, is the House not subject to adjournment at midnight pursuant to the Rules? (Wyman), reply: that adjournment of the legislative session in an odd-numbered year is not subject to the provisions of the Constitution and it has been the established custom of the Senate and Assembly to conclude all pending business prior to adjournment for the Interim Study Recess (Keeley), 4055
- 9/14/01, Would it not require a 2/3 suspension of the Rules of the House to proceed in Session past midnight? (Wyman), reply: that following the tragic events of Tuesday, September 11th, the Assembly did not convene; therefore losing one calendar day during the final week of the legislative session. Informal agreement had been reached by leadership to waive rules so that Members' bills are not disadvantaged (Keeley), 4055

PARLIAMENTARY INQUIRIES—Continued

- 9/15/01, The hour being past midnight, is the Assembly not in recess by operation of the Joint Rules? (Leonard), reply: that in order to adjourn, a motion to adjourn and a second to the motion must be put to the House and carried by a vote of the House, and, such motion is not in order while under Call of the Assembly (Keeley), 4056
- 9/15/01, The hour of midnight having arrived, is the House not in recess pursuant to the Rules, with or without an adjournment motion, and are remaining bills not ineligible for further consideration? (Leonard), reply: that in the absence of a motion to adjourn being made and carried, the House is not in recess and such a motion is not in order at this time (Keeley), 4056
- 9/15/01, Is it proper procedure of the House to have bills remain on Call of the Assembly in order to extend the deadline? (Runner), reply: that it is not the intent of the presiding officer to have bills remain under Call for such purpose; but rather to attempt to conduct the business of the House in an orderly fashion following the loss of one calendar day of business earlier in the week (Keeley), 4056
- 1/24/02, What is the Rule of the House permitting a committee chair to decline to set a bill for hearing in the committee? (Rod Pacheco), reply: cited Joint Rule 62 (Kehoe), 4564
- 2/4/02, Is AB 749 not keyed “fiscal” and therefore by rule, should the bill not be re-referred to the fiscal committee? (Leonard), reply: AB 749 was returned to the Assembly for concurrence in Senate amendments, whereupon the bill was re-referred to the Insurance Committee. Pursuant to Joint Rule 26.5 the committee may vote to recommend concurrence or nonconcurrence in the amendments, or hold the bill. The Insurance Committee returned the bill to the House, recommending concurrence in Senate amendments. There are no requirements in the Rules that the bill be re-referred to fiscal committee. However, a motion to re-refer to committee is in order (Keeley), 4699
- 5/16/02, Is there objection to the request by Assembly Member Bill Campbell to ask a question of the author? (Bogh), reply: in the negative (Kehoe), 6133
- 5/23/02, Is the time for debate on AB 2624 starting anew and are Members recognized to speak who have already spoken? (Cogdill), reply: that the bill had been passed temporarily earlier and the debate is renewed (Kehoe), 6285
- 6/24/02, Is the vote requirement on the question of reconsideration, 41 votes, and is the subsequent vote on the question of passage of the bill, 54 votes? (Bogh), reply: that the question before the Body at this time is whether or not to reconsider the vote as it relates to SB 1830. If, by 41 votes, reconsideration is granted, the bill may be taken up for passage on this day, or upon a subsequent legislative day, and such vote requirement is 54 votes (Keeley), 6967
- 6/24/02, As relates to the question of reconsideration, is debate limited to the merits of the motion to reconsider, or is the bill debatable? (Leslie), 6967; reply: that under Mason’s Manual, it is permissible to debate the propriety of the motion to reconsider, as well as the subject matter of the bill (Keeley), 6968

PARLIAMENTARY INQUIRIES—Continued

- 7/1/02, Would it not be appropriate to re-refer AB 1493 to Appropriations Committee for fiscal review? (Bates), reply: that it is the opinion of the Presiding Officer that the fiscal issues contained in AB 1493 have been reviewed by the Appropriations Committees of both Houses; the bill was appropriately re-referred to the policy committee for review of amendments added by the Senate; and, that the bill is appropriately before the Body at this time (Keeley), 7133
- 7/1/02, Is it the understanding of the Presiding Officer that AB 1493 has been heard by the Appropriations Committee? (Runner), 7133; reply: that AB 1493 is substantially similar to AB 1058 and such fiscal issues were heard by the Appropriations Committees of both Houses; and further, that AB 1493 was re-referred to policy committee for review of additional policy amendments added by the Senate (Keeley), 7134
- 7/1/02, Is the motion before the Body debatable? (Bogh), reply: in the negative (Keeley), 7134
- 7/1/02, Does not the House determine the jurisdiction of the committees, and is it not the effect of Assembly Member Wyman's motion to give such jurisdiction to the Committee on Natural Resources? (Leonard), reply: that jurisdiction of standing committees is determined at the beginning of the legislative session by the Committee on Rules, and that Assembly Member Wyman's motion is not consistent with the adopted guidelines that are established by the Rules Committee with respect to assignment of bills to policy committees (Keeley), 7135
- 7/1/02, Was the California Climate Registry, referenced in AB 1493, enacted by legislation by this Body, and is the Registry required to report back to the Natural Resources Committee? (Pescetti), reply: that the original bill establishing the California Climate Registry, established the Registry for the purpose of reviewing issues relating to stationary sources. Stationary sources are within the purview of the Natural Resources Committee. Mobile sources, which are regulated by the California Air Resources Board, are the purview of the Transportation Committee. The amendments contained in AB 1493 are relative to expanding the role of the Registry relative to mobile sources, which is exclusively the purview of the Transportation Committee (Keeley), 7136
- 7/1/02, Have previous measures dealing with mobile sources as relates to the California Climate Registry been referred to the Committee on Natural Resources; and further, how many bill relating to mobile or stationary sources have not been referred to the Committee on Natural Resources? (Pescetti), reply: that it is not the custom and practice of the Presiding Officer to research decades of referrals to committees. The question before the Body is whether or not to re-refer AB 1493 to the Committee on Natural Resources (Keeley), 7136
- 7/1/02, Is the vote before the Body debatable? (Wyman), reply: The House is in the process of Dispensing with the Call of the Assembly on the question of immediately taking up the motion to reconsider the vote whereby Senate amendments to AB 1493 were concurred in. This is a procedural motion and is not debatable (Keeley), 7138

PARLIAMENTARY INQUIRIES—Continued

- 7/3/02, Is it not true that the Chair of the Joint Legislative Audit Committee is elected by the members of the committee? (Strickland), reply: that pursuant to the Joint Rules, the Speaker appoints the Chair of the Joint Legislative Audit Committee (Wesson), 7181
- 8/8/02, Is there a 2/3 vote requirement for adoption of Resolutions to Suspend Joint Rules? (Cogdill), reply: in the affirmative (Kehoe), 7476
- 8/12/02, Will the Chair advise as to the need for a special session to pass the Budget if the August 31st deadline is exceeded; and, if so, what is the last day to pass the Budget after August 31st? (Rod Pacheco), reply: that it is possible for the House and Senate to proceed beyond the August 31st deadline; such deadline applies to bills that do not contain urgency statutes and bills that do not provide for the customary and regular payments and expenses associated with the operation of state government. The House and Senate may not send bills to the Governor after November 15th (Keeley), 7549
- 8/12/02, What is the effect of exceeding the November 15th deadline? (Rod Pacheco), reply: that pursuant to the Constitution, no Regular Session bills may be sent to the Governor after November 15th. The exception is if the House and Senate are called into extraordinary session. The final adjournment Sine die of the Regular Session is November 30th (Keeley), 7549
- 8/12/02, Can the Legislature be called into extraordinary session after November 15th? (Rod Pacheco), reply: in the affirmative (Keeley), 7549
- 8/19/02, Will there be one day of intervening time between each committee hearing on SB 773? (Wyman), reply: that the question would be determined when the motion is made to waive the rules relative to file notice requirements (Keeley), 7788
- 8/19/02, Will the Presiding Officer clarify the basis of his ruling? (Cox), reply: that pursuant to Assembly Rule 102 it is his ruling that the question is not divisible, whereupon he cited the rule to the Body (Keeley), 7791
- 8/19/02, The Resolution to Suspend Joint Rules contains two bills and two constitutional amendments. Does that not represent a distinction, as relates to the citing of Assembly Rule 102? (Cox), reply: that it is his ruling that the Resolution is not divisible (Keeley), 7791
- 8/19/02, Is the basis of the ruling of the Chair that Joint Rule 61 cannot be divided? (Goldberg), reply: that such was the nature of his ruling (Keeley), 7792
- 8/22/02, When can Members expect a balanced Budget to vote upon that does not include tax increases? (La Suer), reply: that such is a function of negotiation and discussion between both parties of the House (Keeley), 7923
- 8/22/02, On what date did the Budget Conference last meet? (Mountjoy), reply: that the Budget Conference committee last met on 6/28/02 (Keeley), 7925
- 8/22/02, When is SB 1680 scheduled for hearing in the Committee on Government Organization? (Rod Pacheco), reply: that a hearing has not been noticed in the Daily File and Mr. Pacheco is advised to consult with Rules Committee and the Speaker (Keeley), 7928

PARLIAMENTARY INQUIRIES—Continued

- 8/23/02, Will the Presiding Officer re-refer AB 51 to the Committee on Elections, Reapportionment and Constitutional Amendments pursuant to Assembly Rule 77.2? (Cogdill), reply: in the negative; that the precise subject matter of AB 51 was contained in another bill and heard in the Committee on Elections, Reapportionment and Constitutional Amendments (Keeley), 7966
- 8/23/02, Is it not the custom and practice of the House to allow a Member to take up items that were passed temporarily earlier in the day, when the Member makes the request; and, is it the intention of the Presiding Officer to permit Members to take up items that were passed temporarily today? (Cox), reply: that it has been the custom and practice to proceed through the Daily File in order; and return to the beginning of the Daily File and take up those items that were passed temporarily, in File order; however, items are taken up, out of file order, in an effort to accommodate individual needs of the Members. There are numerous bills that were passed temporarily today and it is not the intent of the Speaker to continue to keep the House in Session (Keeley), 7986
- 8/23/02, Assembly Member John Campbell is prepared to take up a measure (SB 676) that he was granted permission to pass temporarily on earlier today. Will Assembly Member Campbell be granted the courtesy of returning to his item on file, for the purpose of amendments? (Cox), reply: that it has been the custom and practice to accommodate Members' schedules; however the rule of the House is to proceed on the Daily File, in order. Once items have been passed temporarily on file, Members may not always be granted unanimous consent to return to the items they missed, when they choose to return to the item (Keeley), 7986
- 8/23/02, Will Assembly Member Campbell be permitted to take up his item for purpose of amendment, prior to adjournment? (Strickland), reply: that the House will be in session tomorrow, at 10 a.m. and on Sunday, at 1 p.m. Assembly Member Campbell's amendments are timely, and he will be permitted to take his measure up for amendment tomorrow, when the item is taken up in order on the Daily File. The Senate is not in session this weekend, therefore, Assembly Member Campbell's amendments could be adopted and the measure would still be eligible for consideration on 8/26/02 (Keeley), 7986
- 8/24/02, What are the specific votes before the Body at this time? (Bill Campbell), reply: that the first question before the Body is whether or not to accept the motion by Assembly Member Firebaugh to offer a substitute motion to amend Assembly Member John Campbell's amendment to SB 676. Should that motion carry, the second question before the Body is on the adoption of the proposed substituted amendments offered by Assembly Member Firebaugh (Keeley), 8017

PARLIAMENTARY INQUIRIES—Continued

- 8/24/02, Will the Assembly vote first on the proposed substitute amendments by Assembly Member Firebaugh, or on the proposed amendments by Assembly Member John Campbell? (Cox), reply: that if the Firebaugh motion to offer a substitute motion to amend SB 676 carries, the proposed substitute amendments by Assembly Member Firebaugh will be before the Body as the new primary motion and replace the original primary amendments by Assembly Member Campbell. The amendments by Assembly Member John Campbell will no longer be before the Body (Kehoe), 8017
- 8/24/02, Is the House being asked to vote on the adoption of the proposed substitute amendments by Assembly Member Firebaugh that were distributed on the Members' desks, or upon a further set of amendments which were distributed, containing handwritten amendments? (Hollingsworth), reply: that if the Firebaugh motion to offer a substitute motion to amend carries, the House will be asked to vote on a motion to suspend the Rules to permit the first set of Firebaugh amendments to be amended to contain a handwritten amendment (Keeley), 8018
- 8/25/02, Has SB 676 been set for hearing in the Committee on Budget, and if not, will the Presiding Officer advise before the close of business today as to when the bill will be set for hearing? (John Campbell), reply: that the bill has not been set for hearing and that matter is under consideration by the Speaker at this time and will not be determined by the close of business today (Keeley), 8074
- 8/25/02, What is the deadline for amending bills in the Assembly? (John Campbell), reply: that amendments must be submitted to the Desk by 5 p.m. or upon adjournment on 8/27/02, for purpose of consideration on Wednesday which is the deadline for amending bills on the Floor, and that there is no deadline for acceptance of committee amendments (Keeley), 8074
- 8/27/02, What is the possibility of introducing a resolution at this stage of the legislative session, and if so, would rule waivers be required to set a resolution for hearing? (Runner), reply: that a resolution is not subject to the same limitations and 30-day print requirements as a bill; however, the limitation of committee deadlines would still apply (Kehoe), 8196
- 8/27/02, Would Rules suspensions be required to take up the resolution on the Floor? (Runner), reply: that a resolution could be introduced and would then be subject to Rule Committee process for referring bills (Kehoe), 8196
- 8/27/02, What is the appropriateness of printing a letter in the Journal record stating legislative intent after the vote was taken on the measure? (Briggs), reply: that the letter of legislative intent was appropriately presented by Assembly Member Koretz, and the request appropriately objected to by Assembly Member Cogdill. The House will decide the ultimate disposition of the request by a majority of those present and voting (Keeley), 8228

PARLIAMENTARY INQUIRIES—Continued

- 8/27/02, Was it inadvertence that his motion for a Call of the Assembly, as it relates to SB 1661, was dispensed with by another Member, subsequent to his (Mr. Wyman's) announcement that he requested the courtesy of additional time? (Wyman), reply: that the Call of the Assembly was dispensed with by Assembly Member Firebaugh and that those Members who are not recorded may add on to the vote at the Assembly Desk (Keeley), 8238
- 8/31/02, Was the roll not opened on SB 773? (Cox), reply: that at the discretion of the Presiding Officer, the roll had been stricken (Kehoe), 8713
- 8/31/02, When SB 773 is returned for consideration later this day, will it be taken up for vote only? (Runner), reply: that further consideration of SB 773 will be subject to full debate, unless the House decides otherwise (Kehoe), 8713

Parliamentary Inquiry—

7/1/02, Was the California Climate Registry, referenced in AB 1493, enacted by legislation by this Body, and is the Registry required to report back to the Natural Resources Committee?, reply: that the original bill establishing the California Climate Registry, established the Registry for the purpose of reviewing issues relating to stationary sources. Stationary sources are within the purview of the Natural Resources Committee. Mobile sources, which are regulated by the California Air Resources Board, are the purview of the Transportation Committee. The amendments contained in AB 1493 are relative to expanding the role of the Registry relative to mobile sources, which is exclusively the purview of the Transportation Committee (Keeley), 7136

7/1/02, Have previous measures dealing with mobile sources as relates to the California Climate Registry been referred to the Committee on Natural Resources; and further, how many bill relating to mobile or stationary sources have not been referred to the Committee on Natural Resources?, reply: that it is not the custom and practice of the Presiding Officer to research decades of referrals to committees. The question before the Body is whether or not to re-refer AB 1493 to the Committee on Natural Resources (Keeley), 7136

POINTS OF CLARIFICATION

SB 1338, that the bill does not contain abortion funding; that all funds for this purpose were included in the initial budget allocation that was approved by the Body last year (Oropeza), 5997

POINTS OF INFORMATION

5/10/01, That his apology is offered for remarks made in debate on ACR 67 (John Campbell), 1544

1/24/02, Is it the intention of the Chair to re-refer AB 640 to committee pursuant to Assembly Rule 77.2 upon adoption of the proposed amendments? (Wyman), reply: that the Wyman motion to re-refer AB 640 to committee is the only motion before the Body at this time (Kehoe), 4557

7/1/02, Is it not true that a measure pending concurrence in Senate amendments cannot be amended? (Cardoza), 7139; reply: in the affirmative (Keeley), 7140

7/1/02, A measure pending concurrence in Senate amendments may be returned to the Senate and may be amended (Wright), reply: that a measure pending concurrence in Senate amendments may not be amended; if the measure is returned to the Senate, it ceases to be a concurrence item, and may be amended on the Senate third reading file (Keeley), 7140

8/27/02, Would it be appropriate to share copies of a Legislative Counsel opinion with the membership that states that a letter addressing intent, entered in the record after the bill is passed, would not be considered by the courts? (Wyman), 8229

POINTS OF ORDER

3/8/01, Assembly Member Leslie is not on the Floor at this time (Aanestad), ruling: point of order well-taken (Keeley), 598

3/22/01, Assembly Member Wright's remarks would be appropriately offered under "condition of the file" (Wyman), ruling: point of order well-taken (Keeley), 727

3/22/01, Assembly Member Lowenthal is reading a paper on the Floor of the Assembly (Mountjoy), ruling: point of order not well-taken; that a Member may refer to notes to assist in debate (Keeley), 731

3/22/01, Assembly Member Mountjoy's remarks are not confined to the merits of AB 22 (Cardoza), ruling: point of order well-taken (Keeley), 732

5/10/01, Assembly Member Cox is not limiting debate to the merits of the resolution (Cardoza), ruling: point of order well-taken; that pursuant to Mason's Manual, Sec. 101, debate must be confined to the question before the Body (Keeley), 1542

5/17/01, Assembly Rule 92 speaks to the germaneness of amendments and AB 966, as is before the Body, has been amended (Wayne), ruling: point of order well-taken (Kehoe), 1672

5/25/01, Assembly Member John Campbell is using props to assist in debate and such action requires unanimous consent of the Body (Migden), ruling: point of order well-taken (Keeley), 1834

POINTS OF ORDER —Continued

- 5/25/01, Assembly Member Nakano is reading a paper on the Floor of the Assembly (Mountjoy), ruling: point of order well-taken (Keeley), 1834
- 5/25/01, Assembly Member Pavley is reading a paper on the Floor of the Assembly (Mountjoy), ruling: point of order well-taken (Keeley), 1834
- 5/25/01, It is not germane for Assembly Member Mountjoy to debate amendments at this time which were previously disposed of (Kehoe), ruling: point of order well-taken (Keeley), 1835
- 5/25/01, That his debate is addressing that portion of the Budget bill relative to abortion funding (Mountjoy), ruling: the point of order by Assembly Member Mountjoy well-taken; that he had not limited debate to the merits of the Budget bill when the earlier point of order was raised by Assembly Member Kehoe, and that he could proceed with debate at this time, limited to the merits of the bill (Keeley), 1835
- 6/5/01, The demand for previous question takes precedence over the motion to re-refer to committee (Wayne), ruling: point of order well-taken (Kehoe), 2179
- 6/5/01, Assembly Member Mountjoy was recognized to ask a question of the author (Simitian), ruling: point of order well-taken (Kehoe), 2127
- 6/27/01, Assembly Member Migden is making statements in debate not evidenced by fact (Cox), 2542
- 6/27/01, Assembly Member Migden continues to state points in debate not evidenced by fact and further requests that the Member limit debate to the merits of the bill and not attack the credibility of another Member (Cox), 2542
- 6/29/01, Assembly Member Strickland is not speaking to the merits of the bill (Shelley), 2594
- 6/29/01, Assembly Member Strickland's debate is limited to the propriety of the bill (Leonard), ruling: point of order well-taken (Keeley), 2594
- 6/30/01, Assembly Rule 66.7((b)(1) states that no Budget Bill may be voted on the Floor of the Assembly unless it balances expenditures with anticipated revenues and it is his opinion that the expenditures in SB 75 exceed the anticipated revenues (Robert Pacheco), ruling: point of order not well-taken; that it is his opinion that SB 75 meets the criteria set forth in Assembly Rule 66.7(b)(1); anticipated revenues to the State would include balances carried forward in the current fiscal year into the upcoming fiscal year, and when that is added to the revenues set forth in the Budget Act, the Legislature would be sending a balanced Budget to the Governor (Keeley), 2607
- 6/30/01, The reserve in the Budget would need to be \$2.27 billion to meet the criteria set forth in Assembly Rule 66.7(b)(2) and it is his opinion that this Budget does not contain a reserve for litigation (Richman), ruling: that the proposed Conference Committee Report on SB 75 contains the following reserves: \$701 million liquidation of encumbrances; \$100 million set aside for legal contingencies; \$2.203 billion estimated economic uncertainties. Therefore a 3 percent reserve is constituted meeting the criteria of Assembly Rule 66.7(b)(2) (Keeley), 2608

POINTS OF ORDER —Continued

- 6/30/01, The Chair defined revenues as including the prior year's reserves in ruling on the point of order raised by Assembly Member Robert Pacheco (John Campbell), 2609; In the Chair's ruling upon the point of order raised by Assembly Robert Pacheco, reserves from a prior year were used as an element of revenues to the General Fund; In the Chair's ruling upon the point of order raised by Assembly Member Robert Pacheoc, reserves from a prior year were used as an element of revenues to the General Fund; in the Chair's ruling upon the point of order raised by Assembly Member Richman the same reserves were excluded in the calculation, and such calculations should be consistent (John Campbell), 2609
- 6/30/01, The Chair has already ruled upon the point of order raised by Assembly Member Robert Pacheco (Reyes), 2609
- 6/30/01, Mason's Manual, Sec. 180 refers to dilatory motions. The Chair has ruled on two points of order, and the Chair was sustained on appeal of two rulings (Wayne), 2610
- 6/30/01, The Chair has ruled on the points of order referenced by Assembly Member John Campbell, and the Body has voted on appeal from the rulings of the Chair (Vargas), ruling: point of order well-taken (Keeley), 2610
- 7/12/01, Assembly Member Mountjoy is not speaking to the merits of the motion to re-refer to committee (Wayne), ruling: point of order well-taken (Keeley), 2773
- 7/12/01, Assembly Member Mountjoy is not speaking to the merits of the motion to re-refer to committee (Goldberg), ruling: point of order well-taken (Keeley), 2773
- 7/12/01, Assembly Member Briggs is not speaking to the merits of the proposed amendments to SB 975 (Cardoza), ruling: requested that while broad latitude is permitted on debate of proposed amendments, debate must be limited to the merits of the amendments before the Body (Keeley), 2774
- 7/14/01, Assembly Rule 66.7(b) states that no Budget bill may be voted on the floor of the Assembly unless it balances expenditures with anticipate revenues and it is his opinion that the anticipated revenues in SB 739 do not equal the balances of expenditures (Robert Pacheco), ruling: that the Budget bill before the Body has a \$6.935 billion carryover from the fiscal year 2000–01, and contemplates \$75.158 billion revenues, exclusive of the \$6.935 billion carryover. The total of those figures is a total revenue of \$82.091 billion and total expenditures of \$79.159 billion. Therefore, the budget before the Body is balanced, and in compliance with Assembly Rule 66.7(b)(1) (Keeley), 2808

POINTS OF ORDER —Continued

- 7/14/01, Assembly Rule 66.7(b) states that no Budget bill may be voted upon the floor of the Assembly unless it provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget bill for the fiscal year. The Budget bill before the Body has additional expenditures of \$76 million. the reserve of \$2.3 billion minus \$76 million in additional expenditures leaves a reserve of \$2.225 billion. That is a reserve of 2.8 percent and is therefore not in compliance with the 3 percent reserve requirement (Robert Pacheco), ruling: that the total General Fund appropriations contained in the Budget bill before the Body are \$57.057 billion. The remaining expenditures are ongoing statutory appropriations of \$2.7 billion and ongoing constitutional appropriations of \$2.7 billion, neither of which are subject to the Budget bill. A 3 percent reserve on this Budget bill is \$1.7 billion. This Budget bill contains \$.7 billion liquidated encumbrances, \$100 million litigation set-aside, and \$2.133 billion for economic uncertainties for a combined total of \$2.934 billion. This represents a 5.1 percent reserve when tested against the requirement in the Rules and therefore, SB 739 is in compliance with the requirements of Assembly Rule 66.7(b)(2) (Keeley), 2809
- 7/14/01, The Chair has used a different calculation than the last time the point of order was raised (John Campbell), 2810
- 7/14/01, The Chair has ruled on the points of order raised by Assembly Member Robert Pacheco and a motion to appeal from the Decision of the Chair has been made (Shelley), ruling: point of order well-taken (Keeley), 2810
- 8/23/01, His microphone was raised early in the debate and he was not recognized prior to the demand for the previous question (Leslie), ruling: point of order not well-taken; that she recognized Members from the list given her when she was asked to preside (Kehoe), 3152
- 8/23/01, All time for debate has expired (Reyes), ruling: point of order not well-taken; that without objection Assembly Member Leslie would be permitted to ask a question of the author (Kehoe), 3152
- 8/23/01, Assembly Member Robert Pacheco was recognized to ask a question of the author and the author has responded (Goldberg), ruling: point of order well-taken; all time for debate has expired (Kehoe), 3153
- 9/6/01, Assembly Member Strom-Martin is reading a paper on the Floor (Papan), ruling: point of order not-well taken (Kehoe), 3508
- 9/6/01, His remarks in debate referred to his personal experience (La Suer), ruling: point of order well-taken (Kehoe), 3514
- 9/6/01, Assembly Member Steinberg is reading a paper on the Floor (Mountjoy), ruling: point of order not well-taken; that Assembly Member Steinberg is permitted to refer to notes to assist in debate (Reyes), 3514
- 9/10/01, The Chair has ruled on the matter (Vargas), ruling: point of order well-taken (Kehoe), 3625
- 9/12/01, Presentation should not be waived on measures that are controversial (Wyman), ruling: point of order well-taken (Keeley), 3820

POINTS OF ORDER —Continued

- 9/13/01, Pursuant to the Rules, a Member may not author bills that are substantially the same; that Assembly Member Shelley has presented the same measure earlier this day (Wyman), ruling: point of order not well taken; that the bill presented earlier this day was a Senate bill (Kehoe), 3913
- 9/14/01, Analysis are not on the Members' desks for those measures on Supplemental File No. 5. (Mountjoy), ruling: point of order well-taken (Keeley), 4055
- 1/10/02, Assembly Member Reyes spoke prior to moving the previous question (Leonard), ruling: point of order well-taken (Keeley), 4414
- 1/29/02, Assembly Member Rod Pacheco is not debating within the confines of the Rules for debate (Vargas), ruling: point of order well-taken (Keeley), 4626

Parliamentary Inquiry—

6/30/01, Assembly Rule 66.7(b)(2) states that no Budget Bill may be voted upon on the Floor of the Assembly unless it provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget Bill for the fiscal year, or provides for a reserve of not less than 1 percent and a specific plan to phase in a reserve of at least 3 percent within three years. Is such a reserve contained in this Budget Bill?, reply: Assembly Rule 66.7(b)(2) further states that the percentage of General Fund reserve shall be calculated by dividing the reserve of the General Fund by estimated revenues of the General Fund for the fiscal year. The proposed Conference Committee Report on SB 75 estimates General Fund revenues at \$75.158 billion and that amount multiplied by 3 percent is the determination as to whether the criteria set forth in Assembly Rule 66.7(b)(2) are met. The reserve contained in the Conference Committee Report on SB 75 is \$2.2 billion plus a \$100 million litigation reserve for a total of \$2.3 billion and it is therefore the opinion of the Chair that the criteria set forth in the Assembly Rules are met (Keeley), 2608

Point of Order—

6/30/01, The reserve in the Budget would need to be \$2.27 billion to meet the criteria set forth in Assembly Rule 66.7(b)(2) and it is his opinion that this Budget does not contain a reserve for litigation, ruling: that the proposed Conference Committee Report on SB 75 contains the following reserves: \$701 million liquidation of encumbrances; \$100 million set aside for legal contingencies; \$2.203 billion estimated economic uncertainties. Therefore a 3 percent reserve is constituted meeting the criteria of Assembly Rule 66.7(b)(2) (Keeley), 2608

Parliamentary Inquiry—

9/15/01, Is it proper procedure of the House to have bills remain on Call of the Assembly in order to extend the deadline?, reply: that it is not the intent of the presiding officer to have bills remain under Call for such purpose; but rather to attempt to conduct the business of the House in an orderly fashion following the loss of one calendar day of business earlier in the week (Keeley), 4056

7/1/02, Is it the understanding of the Presiding Officer that AB 1493 has been heard by the Appropriations Committee?, 7133; reply: that AB 1493 is substantially similar to AB 1058 and such fiscal issues were heard by the Appropriations Committees of both Houses; and further, that AB 1493 was re-referred to policy committee for review of additional policy amendments added by the Senate (Keeley), 7134

8/27/02, What is the possibility of introducing a resolution at this stage of the legislative session, and if so, would rule waivers be required to set a resolution for hearing?, reply: that a resolution is not subject to the same limitations and 30-day print requirements as a bill; however, the limitation of committee deadlines would still apply (Kehoe), 8196

8/27/02, Would Rules suspensions be required to take up the resolution on the Floor?, reply: that a resolution could be introduced and would then be subject to Rule Committee process for referring bills (Kehoe), 8196

WYMAN, PHIL, MINORITY WHIP/ASSEMBLY MEMBER—Continued

Parliamentary Inquiry—continued

5/31/01, Is the Shelley motion to immediately take up the Leslie motion to reconsider debatable?, reply: in the negative (Kehoe), 1937

9/14/01, Subsequent to the conclusion of debate and dispensing with Calls of the Assembly, is the House not subject to adjournment at midnight pursuant to the Rules?, reply: that adjournment of the legislative session in an odd-numbered year is not subject to the provisions of the Constitution and it has been the established custom of the Senate and Assembly to conclude all pending business prior to adjournment for the Interim Study Recess (Keeley), 4055

9/14/01, Would it not require a 2/3 suspension of the Rules of the House to proceed in Session past midnight?, reply: that following the tragic events of Tuesday, September 11th, the Assembly did not convene; therefore losing one calendar day during the final week of the legislative session. Informal agreement had been reached by leadership to waive rules so that Members' bills are not disadvantaged (Keeley), 4055

7/1/02, Is the vote before the Body debatable?, reply: The House is in the process of Dispensing with the Call of the Assembly on the question of immediately taking up the motion to reconsider the vote whereby Senate amendments to AB 1493 were concurred in. This is a procedural motion and is not debatable (Keeley), 7138

8/19/02, Will there be one day of intervening time between each committee hearing on SB 773?, reply: that the question would be determined when the motion is made to waive the rules relative to file notice requirements (Keeley), 7788

8/27/02, Was it inadvertence that his motion for a Call of the Assembly, as it relates to SB 1661, was dispensed with by another Member, subsequent to his announcement that he requested the courtesy of additional time?, reply: that the Call of the Assembly was dispensed with by Assembly Member Firebaugh and that those Members who are not recorded may add on to the vote at the Assembly Desk (Keeley), 8238

Point of Information—

1/24/02, Is it the intention of the Chair to re-refer AB 640 to committee pursuant to Assembly Rule 77.2 upon adoption of the proposed amendments?, reply: that the Wyman motion to re-refer AB 640 to committee is the only motion before the Body at this time (Kehoe), 4557

8/27/02, Would it be appropriate to share copies of a Legislative Counsel opinion with the membership that states that a letter addressing intent, entered in the record after the bill is passed, would not be considered by the courts?, 8229

Point of Order—

3/22/01, Assembly Member Wright's remarks would be appropriately offered under "condition of the file", ruling: point of order well-taken (Keeley), 727

9/12/01, Presentation should not be waived on measures that are controversial, ruling: point of order well-taken (Keeley), 3820

WYMAN, PHIL, MINORITY WHIP/ASSEMBLY MEMBER—Continued

Point of Order—continued

9/13/01, Pursuant to the Rules, a Member may not author bills that are substantially the same; that Assembly Member Shelley has presented the same measure earlier this day, ruling: point of order not well taken; that the bill presented earlier this day was a Senate bill (Kehoe), 3913
