To the God of Mercy, and Truth Grace and Love—the God of Law and Government—We honor and bless Your great name—We thank You that we have this wonderful opportunity to participate in Your glorious plan for the State of California—Your plan is perfect and precise and purposeful—We pray that You would grant Your guidance so that this Assembly will be sensitive to the needs of Your people—alive to their concerns—and committed to their relief and renewal—Unite, Oh God, we pray, this Assembly of selected men and women into a mighty voice for equality, fairness, and integrity—May they find as the very fabric of their hearts the threads of unity and faith—May they forever sense the severity of the assignment, and execute it with a gentle and genuine passion that establishes a higher standard for public service—Let Your love, joy, hope, peace, rain down upon them all—When they are weak, strengthen them—When they are hurt comfort them—When they are confused, give clarity—When they are divided, give them unity—When they are angry, give them relief—May they always have Your wisdom and the courage to use it—Move them to that place where the people of this great state will see Your hand at work through these vessels of service—May this Assembly mirror the methods of righteousness—May it reflect the image of your immense grace and mercy—Let Your will be infectious and inescapable—Help them to resist the temptation to stymie progress with the fuel of insensitivity—Breathe on them the refreshing breath of benevolence that all the people in their charge might be called blessed—Be pleased with them, Oh God, we pray, and may this Assembly bring joy to Your heart and a smile to Your face—In the name of love—AMEN.

As used in this rule, "meeting" means a gathering of a quorum of the Members of the Assembly or a committee in one place for the purpose of discussing legislative or other official matters within the jurisdiction of the Assembly or committee. As used in this rule, "committee" includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), may be held only after full and timely notice to the public as provided by the Joint Rules of the Assembly and Senate.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

(2) To consider matters affecting the safety and security of Members of the Legislature or its employees, or the safety and security of any buildings and grounds used by the Legislature.

(e) A closed session may be held pursuant to paragraph (3) of subdivision (c) under any of the following circumstances:

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property that the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum is exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

(h) For purposes of paragraph (3) of subdivision (c), "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(i) For purposes of this rule, all expressions of the lawyer-client privilege other than those provided in this rule are hereby abrogated. This rule is the exclusive expression of the lawyer-client privilege for the purposes of conducting closed-session meetings pursuant to this rule.

(j) Disclosure of a memorandum required under this rule shall not be deemed a waiver of the lawyer-client privilege provided for under Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code.

11.4. A Member may not participate in a meeting of a conference committee considering any bill that is not open to the public.

Assembly Investigating Committees

(b) Each of the Assembly investigating committees consists of the members of the standing committee on the same subject as most recently constituted. The chairperson and vice chairperson is the chairperson and vice chairperson of the standing committee. Vacancies occurring in the membership of the committee shall be filled by the appointing authority.

(c) Each committee and any subcommittee, and its members, have and may exercise all the rights, duties, and powers conferred upon investigating committees and their members by law and by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time, which rules are incorporated herein and made applicable to the committee or subcommittee and their members.

(d) In order to prevent duplication and overlapping of studies between the various investigating committees herein created, a committee may not commence the study of any subject or matter not specifically authorized herein or assigned to it unless and until prior written approval thereof has been obtained from the Committee on Rules.

(e) The Committee on Rules shall provide for the expenses of the above committees and their members and for any charges, expenses, or claims they may incur under this rule, to be paid from the Assembly Operating Fund and disbursed, after certification by the Chairperson of the Committee on Rules or his or her authorized representative, upon warrants drawn by the Controller upon the State Treasury.

Membership of Standing Committees

12. The Speaker shall determine the size, and appoint the membership and the chairperson and vice chairperson, of all standing committees and subcommittees. In appointing Members to serve on committees, the Speaker shall consider the preferences of the Members.

Committee on Rules

13. There is a Committee on Rules, which acts as the executive committee of the Assembly. The committee consists of the chairperson, who shall be a Member selected by the Speaker, and seven other members, four to be selected by the Speaker and three, including the vice chairperson of the committee, to be selected by the Minority Floor Leader. One alternate member of the Committee on Rules shall be selected by each party leader. Members and alternates so selected shall remain in office until their successors are selected as provided for in these rules. The Speaker or the Minority Floor Leader may designate any member of their respective parties in lieu of or in addition to the alternate member to fill a temporary vacancy.

An alternate member may serve when a committee member of the same political party is absent. No regular member of the Committee on Rules may simultaneously serve as a chairperson of any standing committee.

All meetings of the Committee on Rules that are required to be open and public shall be held in a room of appropriate size, and audio or video transmission of those meetings shall be provided.

The rules and procedures of each caucus shall be determined by that caucus, but may not be inconsistent with these rules.

(6) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of these rules and to direct the sheriff of any county to serve subpoenas, orders, and other process issued by the committee.

(7) To report its findings and recommendations to the Legislature and to the people from time to time and at any time.

(8) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of these rules.

(9) To make available to the Assembly, or to any Assembly or joint committee, or to any Member of the Assembly assistance in connection with the duties of the committee or other legislative matters as the personnel under direction of the committee or its other facilities permit.

The committee is allocated all subjects within the scope of legislative regulation and control, but may not undertake any investigation that another committee has been specifically requested or directed to undertake. The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. Each subcommittee shall be known and designated as a select committee. The Speaker is the Chairperson of the Assembly General Research Committee and may be a voting member of any subcommittee. Each member of the Assembly General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups, and to report thereon to the full committee. The Committee on Rules is authorized to allocate to any subcommittee from the Assembly Operating Fund those sums that the Committee on Rules deems necessary to complete the investigation or study conferred upon that subcommittee. The Committee on Rules shall further allocate, from time to time, to the Assembly General Research Committee from the Assembly Operating Fund those sums that are necessary to permit the Assembly General Research Committee and the members thereof to carry out the duties imposed on them. The committee has continuous existence until the time that its existence is terminated by a resolution adopted by the Assembly, and the committee is authorized to act both during and between sessions of the Legislature, including any recess.

(b) The committee and its members shall have and exercise all the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to the committee and its members.

(c) The committee has the following additional powers and duties:

Assembly Legislative Ethics Committee

22.5. (a) The Assembly Legislative Ethics Committee is hereby created. The committee shall consist of six Members of the Assembly, appointed by the Speaker. Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second greatest number of Members in the Assembly shall be made from a list of nominees that the Minority Floor Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairs of the committee. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, apply to the committee and govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee has the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the

Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as “standards of conduct.”

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

A complaint may not be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee’s determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of

Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the appropriate law enforcement agency. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the appropriate law enforcement agency. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the

Government Code, shall report thereon to the appropriate law enforcement agency. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

Pursuant to Section 8956 of the Government Code, the committee shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at an amount that will permit the participation of lobbyists to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

Printing of Committee Reports

23. All requests for the printing of reports of Assembly committees shall be referred to the Committee on Rules. The Committee on Rules shall determine the number of copies needed and whether the report shall be printed in the Journal. In no event may more than 1,000 copies of any committee report be authorized by the Committee on Rules on the first printing, exclusive of the Journal copies if the report is to be printed therein, unless the Committee on Rules finds and determines that there is a special need for that report in greater numbers.

Upon determination by the Committee on Rules that additional copies of an Assembly committee report are required at any time following the first printing of the authorized number of copies, the Committee on Rules may authorize one or more additional printings in the numbers found by it to be necessary and may make funds available therefor.

An Assembly committee report may not contain more than 100 pages, including the front and back cover thereof and any appendix, unless a greater number of pages has been approved and authorized by the Committee on Rules.

All applications shall be retained in the records of the committee.

Every employee shall complete the Assembly ethics course in the first six months of his or her employment. Thereafter, every employee shall take the course in the first six months of every legislative session.

The Chief Clerk of the Assembly, or the Chief Administrative Officer of the Assembly, shall order other printing as directed or authorized by the Committee on Rules, and the written order for that printing shall be countersigned by the Speaker or a person designated by the Speaker. The Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly shall also order other printing as directed or authorized by resolution or motion of the Assembly.

Printing Assembly History and Legislative Handbook

37. During the session, the Chief Clerk shall cause to be printed and placed upon each Member's desk, prior to convening on Monday of each week, a complete history showing all actions taken upon each measure up to and including the legislative day preceding its issuance. For each legislative day intervening between the issuance of each Weekly History, there shall be printed a Daily Supplemental History showing only actions taken upon any measure since the issuance of the preceding Weekly History.

The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

V. LEGISLATIVE PROCEDURE

Order of Business

40. (a) The order of business of the Assembly shall be as follows:

1. Roll Call
2. Prayer by the Chaplain
3. Reading of the Previous Day's Journal
4. Presentation of Petitions
5. Introduction and Reference of Bills
6. Reports of Committees
7. Messages From the Governor
8. Messages From the Senate
9. Motions and Resolutions
10. Business on the Daily File
11. Announcements
12. Adjournment

(b) With the exception of Special Orders of Business, the Speaker may determine that a different order of business will result in a more expeditious processing of the business of the Assembly by ordering resolutions honoring an individual or an organization, introductions, and adjournments in memory of individuals to be taken up in a different order than that listed in subdivision (a).

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with, on motion, by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refers it to some other committee. The action to refer a bill is not debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one legislative day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

Presentation of Guests or Memorials in the Assembly

45.5. These rules do not prohibit the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests. A request that a session of the Assembly adjourn in memory of a person shall be made in writing. The request shall be read by the presiding officer immediately prior to adjournment.

A. Bills and Resolutions

Bills Defined

46. (a) The word "bill," as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

- (1) It shall be given only one formal reading.
- (2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members. In each legislative session, on the first day when bills are introduced under "Introduction and Reference of Bills," the roll shall be called from A to Z and, as each Member's name is called, the Member may introduce one bill, constitutional amendment, or concurrent or joint resolution. After this roll call, the preprint bills shall be introduced in numerical order.

After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or

joint resolution may at any time during a session send the same to the Chief Clerk's desk.

When received at the Chief Clerk's desk it shall, under the proper order of business, be numbered, read the first time, printed, and referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills, constitutional amendments, and concurrent or joint resolutions introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

Any committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member. A committee bill may not be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, an action may not be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 40 bills in the regular session.

(b) This rule does not apply to a constitutional amendment, any type of resolution, or a bill introduced by a committee pursuant to Rule 47.

(c) This rule may be suspended with respect to a particular bill by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refer it to some other committee. A motion to refer a bill is not debatable, except as to the propriety of the motion, and it may not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If

the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Introduction of House Resolutions

53. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Committee on Rules.

Each house resolution shall be signed by each Member who is an author or coauthor of the house resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of his or her immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. A committee or subcommittee may not meet during any session of the Assembly, nor may any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee may not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with

regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Setting and Hearing Bills in Committee

56.1. All bills referred to a standing committee pursuant to Assembly Rule 51 shall be set and heard, if requested by the author, as specified by the Joint Rules. If the analysis of an author's amendment that is subsequently adopted pursuant to Assembly Rule 68 discloses that the amendment makes a substantial substantive change to the original bill as referred by the Rules Committee, the bill as amended shall either be set and heard by the committee having jurisdiction of the bill as amended or re-referred to the Committee on Rules pursuant to the Assembly Rules.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee constitutes a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, is required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. An action taken by a committee may not be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote may be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule does not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. A chairperson of a standing committee may not preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills**Daily File**

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided that Rule 58 has been complied with in the order of their listing, unless otherwise ordered by unanimous consent or an affirmative recorded vote of two thirds of the Members present. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. A bill may not be considered or acted upon on the floor of the Assembly unless and until a copy of the bill as introduced, and a copy of each amended form of the bill, has been distributed to the desk of each Member in hard copy or in portable document format (PDF) via computer.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. (a) A subcommittee of the Committee on Budget may not meet until the Chairperson of the Committee on Budget establishes in writing the General Fund appropriations limit for each subcommittee.

(b) Between the date upon which a committee on conference of the Budget Bill is appointed and the date the Assembly adopts the report of the conference committee, the Chairperson of the Committee on Budget shall provide weekly written reports to the Members on the progress of the conference committee deliberations. The weekly report shall detail all major resolved and outstanding issues before the conference committee on the Budget Bill.

The Budget Bill may not be voted upon on the floor of the Assembly unless it does all of the following:

- (1) Balances expenditures with anticipated revenues.
- (2) Provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget Bill for the fiscal year, or provides for a reserve of not less than 1 percent and a specific plan to phase in a reserve of at least 3 percent within three years. The percentage of the General Fund reserve shall be calculated by dividing the reserve of the General Fund by estimated revenues of the General Fund for the fiscal year. The phase-in plan shall be contained in another bill or in a section of the Budget Bill and shall have detail sufficient to instruct future sessions of the Legislature regarding the manner in which the 3 percent reserve requirement is to be met.
- (3) Is based upon no external borrowing by the state other than borrowing that the enacted Budget Bill or other statute would require to be repaid during that fiscal year.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the effect of the amendment upon the bill can be readily understood by all of the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. A bill, concurrent resolution, or joint resolution may not be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Analysis of Conference Committee Amendments

68.7. A report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may not be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. A conference report may not be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) A conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may not approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change is deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term "heard" means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session;

or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

Amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, are not in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. A copy of a bill that has been amended only to add coauthors to the bill is not required to be placed upon the desks of the Members if both the Speaker and Minority Leader grant an exemption.

Amendments offered from the floor during a bill's second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the

Daily File for one calendar day. This subdivision does not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) A motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, is not in order on (1) the last two legislative days preceding the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution or (2) the last three legislative days preceding the scheduled commencement of the interim study recess or the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly. Paragraph (2) may be suspended temporarily by two-thirds vote of the Members present and voting. This subdivision does not apply to amendments to a bill to add or delete an urgency clause, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to him or her.

Electronic Distribution of Bills, Conference Reports, Amendments, and Analyses

69.5. Any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members is satisfied by electronic distribution of the same information in portable document format (PDF) via computer to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. A bill may not be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded requires an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money requires an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it may be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. Concurrence in any Senate Amendment to an Assembly bill requires the same affirmative recorded vote as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

- First—To adjourn;
- Second—To recess to a time certain;
- Third—To lay on the table;
- Fourth—For the previous question;
- Fifth—To set as a special order;
- Sixth—To postpone indefinitely;
- Seventh—To refer to or to re-refer;
- Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. An appeal is not in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

(1) "Shall the decision of the Speaker be sustained?"

(2) "Shall the decision of the Speaker be overruled?"

An appeal may not be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal may not be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting decides any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and may not be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly *sine die*.

To Recess to a Time Certain

85. A motion to recess to a time certain is treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and may not be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table may not be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members, and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business is adopted by an affirmative recorded vote of 54 or more members. The motion is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain is deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but an “amendment to an amendment” may not be amended. A motion to substitute is deemed to be a motion to amend and is considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative

does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. An amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is not in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

A motion or proposition on a subject different from that under consideration may not be admitted as an amendment.

An amendment is not in order that changes the original number of any bill.

A Member may not be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. A motion, whether oral or written, may not be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) A bill or resolution may not be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdivision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee requires a majority of those members present and voting. A motion to withdraw a motion to withdraw is not in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that an action may not be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. A motion to rescind the action and expunge the record may not be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. A motion to reconsider may not be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and takes precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and further action may not be taken prior to the next legislative day. When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order on the last legislative day preceding January 31 of the even-numbered year. The motion must be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion must be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill requires an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill requires an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day takes precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider is the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider requires a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and a person may not be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom a leave of absence has not been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms, his or her assistants, or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

A recess or adjournment may not be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly excuses that member by a majority vote of the Members present and voting.

A Member may not operate the voting switch of any other Member, except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the voting switch of the presiding Member, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote that had been taken during his or her absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed. The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

A Member may not speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question has the right to open and close the debate thereon. A Member may not be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. A Member may not yield to any other Member the time for which he or she is entitled to speak on any matter.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. A Member may not absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. A Member may not obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any vote. If a Member does not explain his or her reason for being late, any other Member may raise a point of order under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. A Member or other person may not be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take his or her seat, until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS**Committee of the Whole**

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chair of the Committee on Rules.

Use of Assembly Facilities: Smoking

117. The smoking of tobacco products is prohibited within any building, or portion of a building, occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. This smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Floor of the Assembly: Telephones

117.5. A cellular telephone may not be used on the floor of the Assembly during any session of the Assembly.

Meeting of the Assembly: Firearms

117.7. A person, except a peace officer acting within the scope of his or her employment, may not carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

Persons Admitted to Floor of the Assembly

118. A person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests may not be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member may be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. A lobbyist, as defined by Section 82039 of the Government Code, may not, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

A person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, may not be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. A motion to disqualify a Member is not in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended, and his or her membership on any committee is thereupon suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted, and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice thereof to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller may not draw any warrant payable to that Member except as provided in this rule.

The Seal of the Assembly

121. The Seal of the Assembly may be used only by or on behalf of a Member of the Assembly, or when specifically authorized by the Committee on Rules.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Frommer was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 2481

August 30, 2002

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol
Sacramento, California

Dear Mr. Wilson: Assembly Bill 2481 requires that underground storage tanks installed on or after July 1, 2003 be constructed to contain both the liquid and vapor-phase of the substance stored (Section 25290.1), in order to better protect the environment from unauthorized releases of methyl tertiary butyl ether (MTBE). This requirement is the result of recent findings by the State Water Resources Control Board (SWRCB) that of all underground storage tanks currently in operation in California (including both single-wall and double wall-systems), roughly 60 percent are releasing vapors into the subsurface environment.

In addition, AB 2481 authorizes local regulatory agencies to affix “red tags” to the fill pipes of underground storage tanks found to be in “significant violation” of any construction, monitoring, or other requirement, as that term is to be defined by the SWRCB in regulations (Section 25292.3). Underground storage tanks that have been red-tagged would be prohibited from receiving fuel until the violation has been corrected. The red-tag provisions in AB 2481 do not require owners and operators of underground storage tanks found to be in significant violation to replace the system; therefore, existing tanks would not have to be replaced solely because of having received a red tag.

This bill is intended to be a fair and balanced approach to help ensure the environment is protected from leaking underground storage tanks.

Sincerely,

DARIO FROMMER, Assembly Member
Forty-third District

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2002-106
December 4, 2002

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning our review of the Ortega Trail Recreation and Park District (park district). This report concludes that the park district complied with the law when it formed its two assessment districts in the early 1990s. However, the park district may have acted inappropriately by not seeking voter approval to continue levying one of the assessments following the passage of Proposition 218 (proposition) in 1996, which required voter approval of certain existing or new assessments. Consequently, questions remain regarding whether the park district appropriately continued to collect the assessment and, if not, what should be done with the roughly \$300,000 it collected after the proposition went into effect.

Furthermore, our review of its audited financial statements showed that the park district appeared to have used its assessments and other revenues appropriately to pay for the costs of its operations, capital improvements, and debt. In addition, the park district appropriately used the majority of the \$157,600 in Quimby Act fees it collected, and the land and improvements valued at more than \$596,000 it accepted appear to comply with the requirements of the Quimby Act. Finally, when the park district was dissolved in February 2000, Riverside County (county), by law, became responsible for winding up the affairs of the park district and took custody of the park district's assets and liabilities. Currently, the county is using the remaining park district assets, which primarily consist of land and cash, to pay the park district's debts.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Water, Parks and Wildlife.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the fees the Department of General Services (General Services) charges for services it provides to client departments.

This report concludes that General Services can improve its estimates of fees for capital outlay and telecommunication projects—which generated three-quarters of General Services’ project management fees during fiscal year 2001–02—by more consistently following time-tested and reputable best practices. These best practices include documenting the basis for estimates, supervisory review of estimates, using a historical database to help generate reliable estimates, and determining the reasons why past estimates varied from costs. Although actual costs are expected to vary from estimates, the significant variances we found in project estimates and line item estimates—many exceeding actual costs by more than 20 percent—further support the need for General Services to follow best practices when estimating fees. Moreover, General Services’ process for developing the hourly rates of staff—which are the basis of many fee estimates—appears reasonable; however, we found that some units could provide more accurate information to General Services’ management when it is deciding on the hourly rates to charge. In addition, because of cost accounting weaknesses, we could not determine whether the consulting fees that the Office of Public Safety Radio Services (Radio Services) charges to its clients were reasonable and fair. Finally, Radio Services does not review for errors in billings before they are sent to departments.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Business and Professions.

California State Auditor

2002-109
December 12, 2002

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Health Services' (department) purchasing and contracting practices for durable medical equipment (DME), medical supplies, and hearing aids under the California Medical Assistance Program (Medi-Cal).

This report concludes that the department's costs control procedures have been ineffective in reining in spending for items with no maximum allowable prices (unlisted items). For example, the department lacks tools, such as current price and item comparison tables, that would allow it to ensure that it pays the lowest possible price for items that meet the medical needs of Medi-Cal beneficiaries.

The department has not ensured that it does not approve expenditures for unlisted DME items that should be charged under listed codes at a lower cost. Further, the department has delayed price updates for its medical supplies for an average of 15.5 years. In addition, many of the department's product codes may be obsolete. Better control of its costs is key especially given the increase in enrollments and the decrease in one of the department's funding sources, the federal medical assistance percentage. Any savings the department can achieve will free up funds that the State can use to support other programs or agencies in a time of state budgetary constraints.

To better control rising costs, the department plans to implement two cost-saving measures. The department hopes to convert its billing codes for some medical supplies to universal product numbers and plans to negotiate contracts with manufacturers of DME and medical supplies in fiscal year 2002-03. While both plans have the potential to reduce costs for the department, both could also result in increased administrative costs and a failure to reduce expenditures if the department does not thoroughly plan before proceeding. For example, for negotiated contracting, the department has not focused on clear objectives and appropriate staffing needs, has not contacted providers and manufacturers to ascertain their willingness to participate, and has not addressed the problem of how to determine reasonable prices.

GOVERNOR'S ADDRESS PRINTED IN JOURNAL

Without objection, the following text of Governor Gray Davis' State of the State Address was printed in the Journal:

**Governor Gray Davis
State of the State Address**

Assembly Chambers, State Capitol

Wednesday, January 8, 2003

Tonight, I come before you with a challenge as great as any in our state's history—and a real plan to meet that challenge.

When Governors speak from this podium, they ordinarily discuss a range of issues.

But these are not ordinary times. We have one overriding task before us.

We must come together to create new jobs and get our economy back on track.

This task will not be easy. But it is essential if we're going to continue moving forward.

And, together, my friends, we've made real progress.

Today, our student's test scores are up four years in a row. One million more children have health insurance than four years ago.

200,000 Cal Grants for college will be awarded this year—a 53 percent increase. 220,000 Governor's Merit Scholarships have also been earned over the past two years.

Three thousand more police officers are on the street. Three thousand miles of freeway are being improved.

500,000 more acres of precious land have been protected. Prescription drugs for seniors are being discounted. Services to our veterans are being improved. Five more veterans' homes are being built.

We've healed old wounds with Mexico. Recognized the rights of domestic partners. Passed the first significant laws in America on stem-cell research, global warming and paid family leave.

Together, we've made California stronger and better.

But, now, much of what we've built is being threatened by a struggling national economy and declining stock market.

The conditions which have brought us to this point are well known. Personal income is down. Employment is down. Retail sales and manufacturing are down.

This national recession has forced nearly every state in America into the red.

These are tough times. But Californians are made of tougher stuff.

On Friday, I will send you one of the toughest budgets ever presented. It will be balanced. It will be responsible. It will make significant cuts in nearly every program. And it will restore this state to sound financial footing.

My budget will protect, to the extent possible, our progress in public education, public safety and children's health insurance.

But make no mistake: my budget makes hard choices. We have faced the problem head-on. There are no tricks. No gimmicks. No evasions.

In short, my budget will erase the \$35-billion shortfall and eliminate the structural deficit.

Any alternative that does less is irresponsible and a waste of our time.

Already, my Administration has begun the hard work.

We've frozen hiring and spending. Eliminated more than 10,000 positions. Identified more than \$10 billion in reductions. And called an extraordinary session of the Legislature.

I urge you in the strongest possible terms to pass my \$10 billion in proposed cuts this month.

State government will need to do more with less—and we will.

But, as I stated in my Inaugural Address, it's not enough to simply pass a budget that balances the books.

We must re-write the book on California budgets.

Our current fiscal structure has not been updated in 25 years to reflect either our changing economy or demographics.

Our budgets have become painfully dependent upon extremely volatile sources of revenue, constraining our ability to make long-term vital public investments.

It's high time to free ourselves of this boom-bust syndrome.

My budget will discuss several structural reform proposals for the Legislature's consideration. They include restoration of the Executive's authority to make mid-year budget reductions in difficult times.

I will convene the legislative leadership, as well as major stakeholders, to solicit other reform proposals.

Now, I don't have all of the answers. None of us do. But I will lead the discussion. And I will not sign a budget without substantial structural reform.

My friends, we must end the budget roller-coaster ride.

But we also must do more to create new jobs now and to stimulate our economy.

Obviously, the federal government can do more than any state to promote economic growth.

Washington needs to step up and pass a real economic plan. One that puts Americans back to work this year.

But, at the same time, we can't afford to sit back and wait.

My most immediate priority can be summed up as jobs, more jobs, and even more jobs.

They are the engine of our future and the cornerstone of the California Dream.

My goal is to help create 500,000 new jobs over the next four years.

I'm proposing a new California Jobs plan that will put more Californians to work—not in years, but in weeks.

We'll begin with "Build California"—a new initiative to accelerate the flow of billions of dollars into our economy.

Last November, the voters of this state did their part by approving \$18 billion in bond measures for better schools, affordable housing and new water projects.

In December, I asked the State Allocation Board to expedite \$5.5 billion from our new School Bond. I thank them for their quick action. These funds will finance 1,000 new schools, 1,400 modernized schools and 135,000 new jobs.

Now, I'll be calling on them to commit the remaining \$6 billion in half the time of previous bonds. Specifically, I'll ask them to allocate \$300 million a month until every dollar is out the door—and another 150,000 new jobs are created.

We will also fast-track our \$2.1 billion housing bond. I'm asking that \$230 million be made available this month. This, by itself, will create another 68,000 new jobs. The entire bond issue will produce a total of 276,000 new jobs.

I will also direct my agencies to accelerate freeway and public transit projects by one full year.

And I will appoint "Build California" Teams to reduce red tape and speed these projects through the process.

I set up similar teams in our successful effort to expedite the construction of UC Merced by one full year and bring more electricity on-line over a 16-month period than in any other time in our history.

All of these efforts add up to one thing—jobs. Not down the road, but right here, right now.

Moreover, I will recommend that the UC Board of Regents Pension Fund invest in California housing. Similar investments by CalPERS have built 32,000 homes, created 60,000 jobs and yielded a 23-percent return over 10 years.

In addition, we need to do everything in our power to support small businesses—which employ more than half of all Californians.

In my first term, we doubled the number of certified small businesses from 5,500 to 10,000.

We increased small-business participation in state contracts from 12 percent to 31 percent, sending a total of \$2.1 billion to small businesses.

And I've appointed the first-ever Small Business Advocate in the Governor's Office. Please join me in welcoming Sonya Blake.

But there's more we must do.

I will charge the Small Business Advocate with rejecting all regulations that unfairly impact small business.

I will also ask her to review existing regulations and identify changes that promote growth and new jobs.

In addition, I will ask the Public Utilities Commission to create an Office of Economic Development. It will review all major proceedings before the PUC to determine their benefit to the economy, infrastructure and job creation.

Every large economy needs a vibrant manufacturing base. So I will ask you to extend the Manufacturers' Investment Credit.

This credit is widely recognized as creating hundreds of thousands of new jobs.

We will also do more to provide a well-trained workforce—focusing on teachers, nurses and disabled workers.

In addition, we will focus like a laser on two sectors that promise high growth and high wages.

First, Homeland Security.

In the months that followed September 11th, no state in America did more to protect its people and vital assets.

State and local law enforcement have answered our nation's call without question and without hesitation—but they shouldn't have to do it without compensation.

So, tonight, I call upon the President and Congress to fully fund the cost for all 50 states of defending our freedom here at home.

We will continue to do our part. I will establish a new, permanent state Office of Homeland Security. It will serve two critical functions:

First, it will coordinate security activities throughout California.

Second, it will highlight the extraordinary technological capabilities of California's private industry to help protect all Americans.

In the coming year, I will personally lead a high-level delegation to our nation's capital to underscore how California can lead the way in keeping America safe.

Please join me in recognizing those who stand on the frontlines of homeland security—CHP Commissioner Spike Helmick, General Paul Monroe of the National Guard, Sheriff Lou Blanas of Sacramento County, Sheriff Lee Baca of Los Angeles County and Sheriff Bill Kolender of San Diego County.

Finally, I'm pleased to introduce the Director of this new state Office of Homeland Security, George Vinson. George has spent 23 years with the FBI, 10 with the CHP, and the last year as my Security Advisor.

While we apply new technology to protect American lives, we will also use it to heal them.

Every year, we lose too many Californians to cancer, Alzheimer's, Parkinson's, and other life-threatening diseases.

For those of us who've experienced the pain of watching a loved one slip away, these aren't just numbers in a ledger. They are our mothers and fathers, our brothers and sisters, our family and friends.

And their stories summon us to focus our best skills and resources on building healthier, longer lives.

California has pioneered the field of life sciences. And, over the last four years, we've strengthened our position.

We've launched four world-class Institutes of Science and Innovation.

One of them is an institute of biotechnology, where, today, top-flight scientists are developing new discoveries to improve human health.

Please join me in welcoming some of the leaders of this extraordinary field:

- Dr. J. Michael Bishop—Lead Chancellor for our new UC Institute of Biotechnology and a 1989 Nobel Prize winner in Medicine.
- Dr. Elizabeth Blackburn—The 1999 California Scientist of the Year and one of the world's top cancer researchers.
- Dr. Cynthia Kenyon—Head of UCSF's Center for the Biology of Aging.
- Dr. Sydney Brenner—This year's Nobel Prize winner in Medicine for his groundbreaking work on organ development.

To keep California on the cutting-edge of this life-saving field, we need to launch a new Life Sciences Initiative.

My Administration will focus on three things: one, increasing the number of qualified lab technicians. Two, working with the University of California to simplify the transfer of technology. Three, increasing access to venture capital and federal grants.

The true value of this industry lies not in its bottom line, but in its higher purpose.

Let me tell you a story about a 10-year-old girl from Whittier named Anies Garcia.

Anies was born with non-functioning kidneys.

In 1997, she had a kidney transplant. Unfortunately, her body rejected it and she developed heart failure.

Her only hope was a combined kidney/heart transplant. But, at the time, the risk of rejection was simply too high.

So her doctor, Bob Ettenger, worked round-the-clock with a team of bio-scientists and specialists at UCLA and Mattel Children's Hospital.

Together, they developed breakthrough medicine—specifically for children, specifically for double transplants—that would stop her body from rejecting the new organs.

Because of these revolutionary drugs, Anies was able to become only the second child in America under the age of 10 to successfully receive a combined heart and kidney transplant.

Today, she's doing great. In fact, she's with us tonight. And she's here with the doctor who dedicated his life to saving hers—Dr. Bob Ettenger. Please give these heroic Californians a spirited welcome.

Theirs is a story of great inspiration. It reminds us once again how Californians have always defied the odds to triumph over adversity.

Our parents and grandparents sacrificed for us, fought and died for us, endured the Depression, and perished in the Holocaust.

Despite all of this, their generation invested in our future. They built our schools, our roads, our farms and our businesses.

They didn't fear their destiny. They seized it. They showed us how the worst of times can bring out the best in each other. And they left behind a far greater California for the generations that succeeded them. So shall we.

My friends, the state of our state has always been strong—not because of the size of our treasury, but because of the soul of our people.

Let us prove worthy of our rich legacy.

Let us rise to the challenge of our time.

Let us summon the courage to do what is right and the will to do it together.

RECESS JOURNAL NO. 7Assembly Chamber, Sacramento
Friday, January 10, 2003

The following Assembly Journal was printed for introduction of the Governor's Budget, in compliance with Article IV, Sec. 12(a) of the Constitution, and pursuant to unanimous consent granted on Thursday, January 9, 2003, for introduction of Assembly bills.

MESSAGES FROM THE GOVERNOR

The following Budget message from the Governor was received and ordered printed in the Journal:

January 10, 2003

To the Senate and the Assembly of the California Legislature:

I submit for your consideration the Governor's Budget for 2003–04.

Californians have proven time and again that there is no threat or crisis great enough to break our spirit. From devastating earthquakes, to deadly floods and firestorms, Californians have risen to the occasion, set aside personal concerns, and worked together to meet the challenge. Each time, we emerged stronger and more resilient as a community.

California now faces the most serious fiscal challenge in its history. The choices are difficult and the consequences of those choices will affect generations to come. This challenge must and will be met by California's leaders.

Over the past four years, working together, we have made critical investments in improving education, protecting public safety, expanding access to health care, and providing taxpayers with significant tax relief.

With the pace of both the national and state economies continuing to languish, and no significant rebound in sight, California has experienced the most dramatic decline in revenues since World War II. We bridged the budget gap last year with a mix of on-going and one-time solutions. This year, the problem is larger and the choices are more difficult.

Every crisis presents an opportunity for change. Yes, we must pass a budget and close the gap. This budget presents a plan to do that. We would be failing in our duty to those who elected us, however, if we pass

on the tough decisions and do nothing to permanently fix what we know to be broken. As California leaders address the fiscal crisis now before us, we must seize the opportunity to develop a new fiscal blueprint for California. We must design a new foundation for meeting the needs of an already-changed California.

The future is now. The challenge is ours. I look forward to working with the Legislature to meet this task head on.

Sincerely,

GRAY DAVIS

Accompanying Governor's Budget and Budget Summary ordered filed with the Secretary of State.

RECEIPT

I acknowledge receipt this 10th day of January 2003 at 12:25 p.m., of the budget for the 2003–2004 fiscal year, together with an explanatory message delivered to me personally by Casey Elliott.

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

99028.1

December 11, 2002

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 479, Statutes of 1999, the Bureau of State Audits (bureau) presents its audit report concerning the procurement of a single, statewide automated child support system by the Department of Child Support Services (department) with the Franchise Tax Board (board) acting as its agent. The statute requires the bureau to monitor the evaluation and selection process for any signs of bias or favoritism toward any bidder.

This report describes the progress made during the past 2 years toward procuring a single, statewide automated child support system. While a team made up of personnel from the department and the board used a predefined and approved performance-based contracting approach, it received only one final proposal for the main system. The proposal included a total system cost estimate of over \$1.3 billion covering 10 years. Following an example from a previous state procurement where only a single proposal was received, the project team hired a consultant to examine the reasonableness of the cost, the results of which are still confidential.

During our evaluation of the process used by the project team to score the proposal, nothing came to our attention that would cause us to conclude that the team deviated from the evaluation criteria, nor did anything come to our attention to indicate that the project team materially deviated from the predefined evaluation process, resulting in bias or favoritism toward any potential bidders.

For the main procurement, the project team needs to complete contract negotiations, a feasibility study of viable options, and obtain approvals. Recent uncertainties may cause the contract award for the main system to extend from February 2003 to July 2003. Furthermore, the project team still needs to complete the procurement of the state disbursement unit, the second part of California's procurement of a single, statewide automated child support system that is less complex and in the early stages of the process.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Human Services.

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 310, Statutes of 1995, the Bureau of State Audits presents its audit report concerning the Department of Transportation's (department) revenues and expenditures authorized by the Seismic Retrofit Bond Act of 1996 (Bond Act). This report concludes that the department has ensured that seismic retrofit projects funded with bond proceeds are consistent with the purpose of the Bond Act. In addition, the department has continued to reimburse the State Highway Account (highway account) and the Consolidated Toll Bridge Fund (toll bridge fund) for expenditures incurred during fiscal years 1994-95 and 1995-96 as required by the Bond Act. As of June 30, 2002, the department has reimbursed the highway account \$78.1 million and the toll bridge fund \$79,000. According to the department, it intends to complete the reimbursement process for the highway account and the toll bridge fund before the Bond Act expires in 2005.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Transportation.

California State Auditor

2001-015
January 2, 2003

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 111, Statutes of 2001, the Bureau of State Audits presents its audit report concerning the Department of Social Services' (Social Services) Statewide Fingerprint Imaging System (SFIS), which was designed to detect duplicate-aid fraud.

This report concludes that Social Services implemented SFIS without determining the extent of duplicate-aid fraud through the State. In its eagerness to implement SFIS, Social Services based its estimates of the savings that SFIS would produce on an evaluation of Los Angeles County's fingerprint imaging system, rather than conducting its own statewide study. We have concerns that the methods Los Angeles County used to develop its savings estimate do not allow for the results

to be extrapolated statewide. Further, Social Services' use of this data assumes that conditions in Los Angeles County hold true in other counties. Similar concerns were expressed by the United States Department of Agriculture as early as 1998.

Social Services did not implement SFIS in a manner that would allow it to collect key statewide data during its implementation of SFIS. Therefore, we are unable to determine whether SFIS generates enough savings from deterring individuals from obtaining duplicate aid to cover the estimated \$31 million the State has paid for SFIS or the estimated \$11.4 million the State will likely pay each year to operate it. Further, the exact cost of SFIS is unknown because Social Services does not track the counties' administrative costs. Social Services estimated the total administrative costs that all counties except Los Angeles incurred for fiscal year 2000–01 would be roughly \$1.8 million, yet Riverside County told us that its estimated costs for the same fiscal year were roughly \$1.4 million. Therefore, Social Services may be understating the cost of implementing and operating SFIS substantially.

The primary benefits that the State derives from continuing to use SFIS are the proven effectiveness of fingerprint imaging technology to identify duplicate fingerprints and its ability to identify applicants who may travel from county to county seeking duplicate aid. However, opponents of SFIS raise what appear to be valid concerns. For example, they question whether the benefits of SFIS outweigh its potential negative effects on the Food Stamp program, such as the fear it may provoke in immigrant populations. Therefore, the State must weigh these factors in deciding whether to continue SFIS.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Our Father in Heaven, We pray this morning that Thou wilt teach us all how to live, that we may provide an example to all the world that all men and women are created equal in Your sight. Yet we confess before Thee that bigotry, injustice, and intolerance still plagues us in this land.

We pray, O God, that brother and sisterhood along with fairness, justice, love, and the spirit to do good will reign supreme in these halls of legislation. We thank You this morning for allowing us to stand in the legacy of one of Your sons named Martin Luther King, Jr., a man who left for us his life, mettle, and deeds. Your Son, O God, a drum major for justice.

We ask that in this place the striving for justice will be for all the people, and by people that California and America will be a better place for all of Your people and we ask this in the name of our God.—AMEN!

PRAYER

Upon invitation of Speaker pro Tempore Kehoe, the following prayer was offered by Assembly Chaplain Rev. Constantine C. Pappademos:

Merciful God, As we gather this day, we pause to remember the astronauts aboard the Space Shuttle *Columbia* who died tragically two days ago as they were making their return from a 16-day science mission in space. As people of faith, love and hope, we remember these crew members who were a magnificent mosaic of humanity and who heroically exemplified our ability to strive for achievement and progress for all the people of this planet.

Also on this day and in the days to come, we pray for our President and our national leaders; and we ask You, Lord, to grant them wisdom and strength as they address the needs that follow this national tragedy. Those who serve our country and our communities are exposed to grave danger each day as they serve. Lord, keep us mindful of their offering and their sacrifice.

May Your heavenly grace, O God, protect all of us and may Your presence bring us comfort and peace.—AMEN.

PRAYER

In observance of the Day of Remembrance for Japanese Americans interned during World War II, Speaker pro Tempore Kehoe invited Rev. Bob Oshita of the Buddhist Church of Sacramento, to offer today's prayer:

Honored members of the California State Assembly . . .

It is a pleasure to join with you this morning, in observing this very special Day of Remembrance; for in remembering the mistakes of our past, we quietly reaffirm our convictions to "do the right thing" in living today.

In this time of growing global tension, it is especially difficult to truly have a sense of calm within.

In opening our gathering today, please join me in a moment of calm, meditative hope and reflection.

Too often, in the busy-ness of our well scheduled days, we move so quickly through our agendas . . . trying to complete our lists of things to do; thinking of where we were, where we will be . . . where we want to be. And in our haste to do so much, we are unable to appreciate how fortunate we are to enjoy this Moment of Life . . . just as it is.

Our tradition is sometimes described as a "Journey to the Present." The Teaching that helps us to find our Way to the Present . . . and to live well, the Moment that is NOW; for if we live each moment well . . . we cannot help . . . but in time . . . look back on a life well lived.

We close our meditation, with a Buddhist expression of gratitude beyond words, we call, O-Nembutsu.

NamoAmidaButsu.

PRAYER

Upon invitation of Speaker pro Tempore Kehoe, the following prayer was offered by Assembly Alternate Chaplain Rev. Ivan L. Williams, Sr.:

Our Father, We pray for this land. We need Thy help in this time of testing and uncertainty, when men who could fight together on the field of battle seem strangely unable to work together around conference tables for peace.

May we begin to see that all true Americanism begins in being Brothers and Sisters; that it can have no other foundation, as it has no other roots.

To Thy glory was this Republic established. We would pray that all over this land there may be a return to the faith of those men and women who trusted in God as they faced the perils and dangers of the frontier, not alone in crossing the continent, in building their cabins, in rearing their families, in eking out a livelihood, but in raising a standard of faith to which men have been willing to repair down through the years.

Thou didst bless their efforts. Thou didst bless American. Thou hast made her rich. Wilt Thou also make her good?

Bless those who bear responsibility. May they be led by Thee to do that which is right rather than that which is expedient or politically wise. Illumine the minds of management as well as labor, that there may be an end to selfishness and greed.

Bless this land that we love so much, our Father, and help her to deposit her trust, not only in armies and navies, in wealth and material resources, or in achievement of the human mind, but in that righteousness which alone exalteth any nation, and by which alone peace can finally come to us.

This we pray.—AMEN.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2002-111

February 27, 2003

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the governance, structure, and mission of the former Department of Information Technology and what reforms are needed to revise the statewide information technology (IT) program so that it can better meet the State's needs.

This report concludes that a variety of IT governance models could be made to work in California, as long as the statewide IT program includes factors our consultant identified as common among other successful programs. Factors that contribute to successful governance include exerting continuous executive leadership support for IT, using a collaborative management approach, showing commitment to IT employees during periods of change, and developing and implementing IT initiatives in modular form.

Whatever IT governance model is ultimately chosen, the resulting organization and staff must address a number of challenges such as deciding on the proper amount of centralization and standardization the statewide IT program should have, the level of IT activity that should be outsourced, and how to mitigate the negative effects on long-term IT priorities and initiatives caused by changes in administrations and the lengthy budget cycle.

Our report also concludes that the success of a new IT governance structure in California depends on the support and cooperation of many stakeholders, including the governor's office, the Legislature, control entities, client entities, and technical entities that will be affected by the

IT program. The selection, adoption, and development of a governance structure should, therefore, be a collaborative effort involving stakeholders at all levels.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

California State Auditor

2002-110
March 11, 2003

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the California State University’s (university) Common Management System (CMS). This report concludes that the university did not establish a business case for CMS by preparing a feasibility study report or other analysis demonstrating that CMS is a worthwhile expenditure of university resources. Further, its previous CMS cost projections have understated the full costs of CMS, most recently projected at \$662 million, including \$269 million for maintenance and operations, over the now nine-year development and implementation period. Moreover, it has yet to establish a mechanism to adequately monitor overall systemwide CMS costs, nor establish a systemwide funding plan for the project. Additionally, we noted problems that cast doubt on whether CMS will achieve all the objectives the university intended, nor offer what could have been achieved from a systemwide project.

Although the university followed recommended procurement practices to acquire data center services, its procurements for software and consultants raise questions about the fairness and competitiveness of its practices. For example, its solicitation document for the CMS software procurement did not provide for a method to objectively select one winning vendor, and the university could not demonstrate how it resolved evaluation team concerns. Finally, the university did not do enough to prevent or detect apparent conflicts of interest on CMS-related procurements.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Higher Education.

PRAYER

Upon invitation of Speaker pro Tempore Kehoe, the following prayer was offered by Rev. Faith Whitmore, Senior Pastor of St. Mark's United Methodist Church, in Sacramento:

God of All Creation, Known to us by many names—God of all people, all places, all faiths . . . renew our faith this beautiful but surreal day . . .

- this day when we awoke to clear blue skies and the freshest of spring air
- when we awoke to the anticipation of this day of celebration at this, our State Capitol—in honor of the many, many women who have given their lives in service and dedication . . .
- when we awoke from a fitful night's rest to be jolted once again by continuing news of war in a desert land, to lives lost and hearts of families and friends breaking . . .

Facing the uncertainty, O God, grant us all grace to do justice, love kindness and walk humbly with You . . .

May Your mercy flow freely . . .

May healing begin

May compassion abound

May beauty be known

May peace prevail sooner than later

Turn Your Spirit loose on this world and among those gathered here, that we might, with courage and truth, seek reconciliation with those with whom we differ; affirm goodness and generosity as it is offered; and direct our powers and our passions, here and now, to affirming life in its fullest.

In the spirit of hope, love and justice we pray . . . AMEN.

California State Auditor

2002-112
March 26, 2003

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning statewide procurement practices.

This report concludes that, while proposed reforms to procurement practices should help safeguard state resources, additional changes should be made to reduce the potential for misuse. Before the governor's May 2002 Executive Order called for sweeping reforms in the State's contracting and procurement practices, departments generally ignored the policies and procedures established by the Department of General Services (General Services) for the use of the California Multiple Award Schedules (CMAS). However, in the months immediately following issuance of the Executive Order departments more consistently obtained competing quotes from CMAS vendors. In addition, a lack of centralized accountability over the state Web portal project resulted in undisclosed costs and violations of state policy.

Ensuring that the State receives the best value when acquiring goods and services requires all state departments to make changes in their purchasing procedures. In addition, General Services needs to strengthen its review of sole-source contracts and emergency purchases and its oversight of other state purchasing activities, including the use of CMAS and master service agreements. The Governor's Task Force on Contracting and Procurement Review (task force) recommended significant changes to the State's contracting and procurement procedures. However, since the task force made its recommendations in August 2002, only a few have been fully implemented and these few recommendations have not been in effect long enough for us to measure their effectiveness.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Business and Professions.

Prayer of the Farm Workers' Struggle

Written by César E. Chávez, UFW Founder (1927–1993)

Copyright César E. Chávez Foundation

Show me the suffering of the most miserable;
 So I will know my people's plight.
 Free me to pray for others;
 For you are present in every person.
 Help me take responsibility for my own life;
 So that I can be free at last.
 Grant me courage to serve others;
 For in service there is true life.
 Give me honesty and patience;
 So that the Spirit will be alive among us.
 Let the Spirit flourish and grow;
 So that we will never tire of the struggle.
 Let us remember those who have died for justice;
 For they have given us life.
 Help us love even those who hate us;
 So we can change the world
 Amen

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2002-009
April 2, 2003

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Assembly Bill 1 of the 2001–02 First Extraordinary Session, the Bureau of State Audits presents its second audit report concerning the Department of Water Resources' (department) management of the power-purchasing program.

This report concludes that in the aftermath of the California energy crisis of 2000 and 2001, the department has had some successes in renegotiating its power contracts to better match consumer demand, reduce contract costs, and improve the terms of the agreements. During 2002, the department was able to minimize its sales of surplus power, but it was not able to coordinate the dispatch of its power resources with those of the investor-owned utilities, an action that could have produced savings to ratepayers.

Even though the investor-owned utilities are again responsible for providing power to cover the net short, including dispatching the power from the department's contracts, the department faces continuing challenges in managing the financial and legal risks in its contract portfolio. These challenges include the department's ongoing stewardship of the Electric Power Fund, mitigation of the potential high costs of its contracts, management of its operating and service agreements with the utilities, and the administration of the bonds issued to finance the power-purchasing program. Further, many aspects of the State's power market remain unresolved including creditworthiness of the utilities, long-term governance of the utilities' power procurement practices, further development of new power supplies, and dealing with the outcomes of outstanding investigations and litigation associated with the power crisis.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

PRAYER

Upon invitation of Speaker pro Tempore Kehoe, the following prayer was offered by Assembly Alternate Chaplain Rev. Ivan L. Williams, Sr.:

Our Father, Help us now to be as aware of Thy nearness as we are of the material things of every day. Help us to recognize Thy voice with as much assurance as we recognize the sounds of the world around us.

We would find Thee now in the privacy of our hearts, in the quiet of this moment. We would know, our Father, that Thou art near us and beside us; that Thou dost love us and art interested in all that we do, art concerned about all our affairs.

May we become aware of Thy companionship, of Him Who walks beside us. At times when we feel forsaken, may we know the presence of the Holy Spirit Who brings comfort to all human hearts when we are willing to surrender ourselves.

May we be convinced that even before we reach up to Thee, Thou art reaching down to us. These blessings, together with the unexpressed longing in our hearts, we ask in Thy Name, Oh God, we pray.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Kehoe, Assembly Member Cogdill then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker pro Tempore Kehoe, the following prayer was offered by Father Yeghia Hairabedian, of Saint James Armenian Church, in Sacramento:

Almighty God, our Heavenly Father, Blessed is Your holy name. We pray to You in the name of Your Son, Jesus, through Whom You have revealed Your love and Yourself to us. We pray for peace and stability in the world. At this time of global anxiety and potential volatile actions, we pray that You will work in Your mysterious ways among the world leaders and give them Your grace and wisdom, so that they may relate to each other with respect and negotiate in a humane manner so that this planet may breath relief.

We are tired and worn out with man's inhumanity to man. As creatures in Your image and likeness, let us use our God-given common sense and make great strides toward cooperation and peace. Let the heinous atrocities, such as the Armenian Genocide of 1915, in which 1,500,000 innocent Armenians perished for the sake of their Christian Faith and national heritage, be confined to history books and never curse the world again.

May the souls of the victims of that genocide, and all other innocents from other countries and races, who have suffered the brutality of genocide, rest in peace with the hope that history will not repeat itself. May we secure a better future for our children. We pray for peace. We pray for the day when Your Will will be done on earth as it is in heaven. Glory and praise be to You, and to the Son and to the Holy Spirit.—AMEN.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2002-030
April 24, 2003

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 342, Statutes of 1999, the Bureau of State Audits presents its audit report concerning the State Bar of California's (State Bar) disciplinary process and its management of mandatory and voluntary fees.

This report concludes that the State Bar continues to reduce its backlog of disciplinary cases that resulted from its virtual shutdown in 1998. For example, to address the backlog of cases, it created a team in its enforcement unit to work exclusively on these cases. Overall, the State Bar's efforts have significantly decreased the number of cases in its backlog from 1,340 at the end of 2000 to 401 at the end of 2002. In addition, the State Bar continues to ensure that dues for members are reasonable and are not used to support voluntary functions. However, deficiencies similar to those identified by the State Bar's staff in its 2000 internal random review of disciplinary cases continue to be an issue. For example, two recent reviews specifically noted staff's failure to enter information into the computer database, poor record keeping and file maintenance, and not sending closing letters to complainants or respondents. Moreover, the State Bar's financial forecast indicates that if fees remain at its current level, the State Bar could face a deficit in its General Fund at the end of 2005.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Judiciary.

PRAYER

Upon invitation of Speaker pro Tempore Kehoe, the following prayer was offered by Rabbi Brad Bloom, of Congregation B’Nai Israel, in Sacramento:

Dear God, Today as we commemorate Yom HaShoah, Holocaust Remembrance Day in the California Assembly, we cannot ignore the fact that Germany elected Adolph Hitler as Chancellor. The Nazis used democracy as their pathway to power. Dear God may we never take for granted the democratic system in America. The survivors of the camps understand why democracy and America are a haven and a blessing. That is why it is so appropriate that this Legislature pause from its deliberations this morning to reflect carefully about a time not so long ago when darkness ruled the earth and how hatred became a virus. There was no cure for it then and there is no cure for it today. In Judaism we teach, “Whatever is hateful to you, do not do to another.” Dear God may this hour inspire us to cherish the privilege of the offices we hold. Let us never succumb to hatred and bigotry, so that we may prove to every American who fought and gave his and her life to rid the world of Nazism that we have learned from the past, that our challenge is to fashion a world where, as the prophets exclaimed, “Everyone may sit under their vine and fig tree and none shall make them afraid.” We ask for Your blessings upon this country, America, and the legislators and people of the great State of California, and let us say—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Kehoe, Assembly Member Steinberg then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Chan, seconded by Assembly Member Cogdill.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Yee the following prayer was offered by Hon. Bonnie Garcia of the 80th Assembly District:

Padre Nuestro Que Esta en El Cielo, Sante ficado sea Tu nombre
 As we gather today to acknowledge this holiday,
 Let us not forget the sacrifices of all our people
 Provide the elected officials here today to be led by your wisdom;
 may they search your will and see it clearly.
 If we have turned from your way in our busy world,
 Give us your light and your truth to guide us
 To overcome prejudices and poverty that degrade and debilitate
 And help us build communities that celebrate diversity,
 And offer dignity and opportunity to all.
 Through our works, allow us to use our authority and actions,
 Not as pillars of oppression, but as forces for justice;
 Help us to honor and support the efforts of those who are
 disenfranchised,
 As they seek greater self-determination
 Guide us as we nurture the development of leaders that
 Focus on bringing together people of diverse socio-economic,
 religious, cultural and racial backgrounds
 And use us to promote the exchange of ideas and hopes;
 Lord as we work together to address the root causes of poverty
 and prejudice
 We pray you help us to be equitable and just as we honor the rich
 diversity of our state
 Te lo pido, en el nombre de El Padre, El Hijo y el Espiritu
 Santo.—AMEN.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2002-118
April 30, 2003

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning our review of the Department of Health Services' (Health Services) practices for containing Medical Assistance Program (Medi-Cal) pharmaceutical costs. This report concludes that Health Services may not fully achieve the roughly \$104 million cost savings to the State's General Fund that it predicted for fiscal years 2002-03 and 2003-04. Health Services' inability to generate the full savings stems from a lack of pharmacists, a failure to consider fully the consequences of some of its planned activities, and a lack of reliable data to support its estimates. Further, although it appears that California was one of the first states to use cost-saving strategies, such as its List of Contract Drugs and pursuit of supplemental rebates to contain prescription drug costs, Health Services has not adopted certain techniques other states use. For example, some states use disease management programs or target their educational efforts toward providers whose prescribing or dispensing patterns are inappropriate. Finally, Health Services may be able to achieve additional savings of up to \$80 million by eliminating optional pharmacy benefits.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Health.

Explanation of Vote—Assembly Bill No. 529

E. Dotson Wilson

*Chief Clerk of the California State Assembly

Dear Mr. Wilson: On Thursday, May 8, 2003, I inadvertently voted in support of File Item 169, Assembly Bill 529 (Mullin). Thank you for your consideration of this matter.

Sincerely,

WILMA CHAN
Majority Leader
