PRAYER

Upon invitation of Speaker pro Tempore Yee, the following prayer was offered by Assembly Chaplain Father Constantine C. Pappademos:

Lord, We observe a Day of Remembrance today, for those Japanese-Americans who, during World War II, were forced from their homes to live in detention camps. Although they had done nothing wrong, 110,000 American citizens were sent to internment camps in 1942, based only on their suspected intentions and their ethnicity. Yet the humility and dignity shown by that community, when faced with such overt injustice, inspires us today.

We ask, Lord, that You bless those internees on this Day of Remembrance, and that You guide our political leaders to exercise discretion in their governance, even as they seek to protect us in times of war.

Lord, let the dignity and humility of those incarcerated 64 years ago, be an example for us today, so that we may live calmly and serenely, in all piety and virtue.—AMEN.

Lord, Today, each of us will make hundreds of choices. The quality of our life is determined by the quality of our decisions, so we ask that You send us Your Spirit to guide us. Help us to listen to that small voice inside, that prompts us when we should or shouldn't do something. If we make a mistake, guide us to repentance and wholeness again, for it is important for us to stay true to our conscience. You have said through Your prophet Jeremiah, Lord, "I know the plans I have for you . . . plans for prosperity and not for disaster, to give you a future and a hope."—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Yee, the following prayer was offered by Assembly Alternate Chaplain Pastor Ivan L. Williams, Sr.:

Our Father in Heaven, We thank You for the bountiful harvest that comes from Your blessings of rainfall. It reminds us of where our blessings come from.

Please bless today these justices and legislators with Your wisdom that only comes from above. Give them discernment far beyond their experience, and understanding far beyond their exposure, gifts, and talents. We confess in these changing and uncertain times that we cannot make good decisions without Your guidance. We cannot go out or come in, without Your power. We cannot lift a hand to help or serve our neighbors or citizens unless You give us the spirit of self-sacrifice.

Thank You for giving and granting in these halls, a people, who have the real opportunity on a daily basis, to make a difference in the lives of citizens in this great state of California.

May Your Presence be so great, and Your influence so present that all who serve, will serve with diligence, hope, and righteousness.

In Your Name Our God we pray.—AMEN!

PRAYER

Upon invitation of Speaker pro Tempore Yee, the following prayer was offered by Assembly Member Cohn:

Members, on this Monday evening, let each of us remember that we all put our efforts into doing the best that we can do for the people of California.

As I go through tough days, I am guided by my version of something Mother Teresa said:

Colleagues are often unreasonable, illogical and self-centered;
Love them anyway.

If you are kind, colleagues may accuse you of selfish, ulterior motives;
Be kind anyway.

If you are successful, you will win some false friends and some true enemies;

Succeed anyway.

What you spend years building, someone could destroy overnight;
Build anyway.

If you find serenity and happiness, your peers may be jealous;
Be happy anyway.

The good you do today, your fellow legislators will often forget tomorrow;

Do good anyway.

Give California the best you have, and it may never be enough;
Give California the best you have anyway.

You see, in the final analysis, it is between you and your constituents, the people of California;

It was never between you and your fellow legislators, on the same side of the aisle or the other side of the aisle, anyway.

Upon request of Speaker pro Tempore Yee, Assembly Member Goldberg then led the Assembly in the pledge of allegiance to the Flag.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Negrete McLeod was granted unanimous consent that the following tribute be printed in the Journal:

There is a poem called “The Dash”, which is about the life you live between your birth and your death. The dash between 1912–2006 is Jessie Rodriguez Negrete’s life. She was born in 1912, in Dog Town, a neighborhood in downtown Los Angeles. The neighborhood was called Dog Town because the dog pound was across the street.

Her father came to this country in the 1890’s to work on the railroads. In 1905, her mother and brothers came to this country to work on the railroads too. They lived in company housing.

Jessie was one of ten children. She and her family moved to Pacoima in the early 1920’s. Her father bought a plot of land and grew their own food. Their nearest neighbor was half a mile away.

Jessie returned to the Los Angeles area at the age of seventeen and worked at various companies like the Blue Diamond Walnut Company. During the war she and my father worked at the Long Beach shipyards.

She was a very hard working woman. Employed by the same company for more than 30 years, she didn’t retire until she was a little past the age of 75.

After retirement, Jessie volunteered at various places such as the Montebello library, an East Los Angeles senior center near her home, and the Salvation Army in East LA where she often complained that there were so many old people. She also volunteered as a poll worker for more than 30 years. Jessie finally gave up volunteer poll work when her eyesight did not permit her to read the small print on the ballots.

Jessie leaves a marvelous legacy of determination, perseverance, hard work, devotion, and love of family that she instilled in her family.

She is survived by one sister, a brother, a remaining son, 5 daughters, grandchildren, great grandchildren, and great-great grandchildren who number 88.

Jessie Rodriguez Negrete died on Friday, March 10, 2006 at 2:45 a.m., at the age of 93, one month short of being on this earth 94 fruitful years. Jessie touched many lives along her journey through this life, and she will forever be cherished and missed by many, but none so much as by her family and her daughter.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Lieber, the following prayer was offered by Guest Chaplain Rabbi Mona Alfi:

In the book of Proverbs, chapter 31, the question is raised: “A righteous woman who can find? Her worth is far above rubies.” Proverbs continues to describe a woman whose good deeds extend far beyond her family, a woman whose actions reach out and impact her community. At the end of this passage we are told about this woman to “Place before her the fruit of her hands; wherever people gather, her deeds speak her praise.”

Today these chambers are a virtual treasure house. For we find in our midst not *a* righteous woman, but rather *many* righteous women from throughout our state whose deeds in their communities inspire us to stop and take notice and to learn from their examples.

The honor these women have brought to their communities is for acts of generosity, commitment, courage, and service. So we gather today as we are taught in the book of Proverbs to do, to place before these women the fruit of their hands, and to allow their deeds to speak their praise.

Praised be the Holy One who has blessed the State of California with an abundance of citizens who dedicate themselves to the needs of the community, and whose deeds bring honor to us all. May their examples continue to guide us, and motivate us to serve our community with generous hearts, creative spirits, and compassionate deeds.—AMEN.

Upon request of Assistant Speaker pro Tempore Lieber, Assembly Member Chu then led the Assembly in the pledge of allegiance to the Flag.

Prayer of the Farm Workers' Struggle

Show me the suffering of the most miserable;
 So I will know my people's plight.
 Free me to pray for others;
 For You are present in every person.
 Help me to take responsibility for my own life;
 So that I can be free at last.
 Grant me courage to serve others;
 For in service there is true life.
 Give me honesty and patience;
 So that I can work with other workers.
 Bring forth song and celebration;
 So that the spirit will be alive among us.
 Let the spirit flourish and grow;
 So we will never tire of the struggle.
 Let us remember those who have died for justice;
 For they have given us life.
 Help us love even those who hate us;
 So we can change the world.

In Matthew's Gospel we read:

How blessed are the poor in spirit; the Kingdom of God is theirs.
Blessed are the gentle; they shall inherit the earth.

Gentle God Who listens,

We remember today the passing of Marco Firebaugh from our midst. We remember his hard work, and the skills he exercised in this assembly.

We remember especially his concern for the poor, for immigrants, for education of young people. We are thankful for the mark he left on California, and the legacy that will live on long after he is forgotten.

We pray that today he is in Your presence, and that he is at peace—that peace for which we all long, that peace that is the fulfillment of every human heart.—AMEN.

En el evangelio de Mateo leemos:

Felices los que tienen espíritu de pobre, porque de ellos es el Reino de los cielos.

Felices los pacientes, porque recibirán la tierra en herencia.

Padre misericordioso que escucha,

Recordamos hoy la muerte de Marco Firebaugh de entre nosotros. Recordamos su dedicación y cualidades de liderazgo que fueron notables en esta cámara.

Recordamos especialmente su interés por los pobres, los inmigrantes, y los jóvenes. Te damos gracias por la marca que dejó en nuestro estado, y el legado que vivará mucho después de ser olvidado.

Oremos que hoy esté en tu presencia, y que esté en paz—la paz que todos deseamos, la paz que es el cumplimiento de cada corazón humano.—AMEN.

Tlatelolco, Mexico City, April 5, 2006

Dear Carmen, Ariana and Nicolás,

The Mexican government, through its Ministry of Foreign Affairs, joins the Mexican-Californian community today in paying well-deserved homage to the memory of an exceptional Californian, Marco Antonio Firebaugh, whose productive work as a legislator and personal warmth assure him a place of honor in his young generation.

Marco Antonio Firebaugh will be remembered as a good man who used his talent and dedicated his indefatigable energies to promoting the welfare of the community, while emphasizing the betterment of the least fortunate. Above all, he was a visionary who, through his personal experience, saw education and access to health care as two pillars on which to build the future of a balanced society. In California's ethnic diversity, he saw enormous potential that needs more opportunities for the new generations in order to become a reality. In the dynamism of a population consisting mostly of young people, he saw a guarantee for a prosperous future based on providing those who fight to get ahead with the tools to do so.

Marco Antonio Firebaugh's life illustrates the nature of public service. His enthusiastic commitment to the best causes, while applying broad and proactive criteria, made it possible for him to promote legislature to provide broader access to college education for California students, to the benefit of that important state.

Mexicans today remember a friend, a fighter without borders, who received the Ohtli Award—the highest honor given by the Institute for Mexicans Abroad—at a very young age. I am sure that his shining example will endure as a tribute to his distinguished career.

Respectfully yours,

Luis Ernesto Derbez

PRESENTATION OF THE HONORABLE HERB J. WESSON, JR.

Acting Speaker Montañez then presented the Honorable Herb J. Wesson, Jr., Los Angeles City Council member and former Speaker of the Assembly, to the assemblage, whereupon he spoke in memory of the Honorable Marco Antonio Firebaugh.

PRESENTATION OF THE HONORABLE RICHARD POLANCO

Acting Speaker Montañez then presented the Honorable Richard Polanco, former Senator and former Assembly Member, to the assemblage, whereupon he spoke in memory of the Honorable Marco Antonio Firebaugh and gave the following statement:

Governor, Mr. Speaker, Members, relatives and friends, it is indeed most fitting that we pay tribute this evening to an extraordinary individual whom we came to know and love, Marco Antonio Firebaugh.

I want to begin my comments this evening by reading a poem written by George Bernard Shaw, because I believe it epitomizes our friend Marco Firebaugh.

“This is the true joy in life, the being used for a purpose recognized by yourself as a mighty one; the being a force of nature, instead of a feverish, selfish little clod of ailments and grievances complaining that the world will not devote itself to making you happy.

I am of the opinion that my life belongs to the whole community and as long as I live it is my privilege to do for it whatever I can.

I want to be thoroughly used up when I die, for the harder I work the more I live. I rejoice in life for its own sake.

Life is no “brief candle” to me. It is a sort of splendid torch, which I have got hold of for the moment, and I want to make it burn as brightly as possible before handing it on to future generations.”

Our friend Marco leaves us a powerful legacy. A legacy based on his core values of inclusion, of tolerance, of equal access and opportunity, and the core value of justice for all.

As you know, Marco was a very determined individual. He was extremely passionate, very caring and very giving to others.

Marco exemplified the hopes, the dreams and aspirations of millions of people who dare to dream, who dare to make a better life for themselves and their family and who dare to make that journey to this great country of ours, the United States of America. Marco had the burning desire to tear down the walls that stood between immigrants and their dreams.

At the age of one, Marco’s family moved from Tijuana Mexico, to San Diego. Marco became a naturalized citizen with the determination of getting the best education that California offered. And he did.

Marco saw a future in California where every child had a right to an education.

To Marco, children were non-negotiable.

He believed children deserved to be educated; he believed children deserved health care; and he believed children should be protected from second hand smoke while in the car.

Marco believed that through the education of its people, California could become more accepting, more tolerant and respectful of the different cultures and the contributions that made California the greatest state in the nation and the sixth largest economy in the world.

The torch has been passed on to generations to come. And despite our loss and our grief, Marco's hunger for justice lives on as evidence by the largest march in the history of Los Angeles supporting immigrant rights, their dreams and supporting justice for all.

Marco made a difference in the lives of people and because of that, his spirit, his love, his smile, his sense of loyalty and the core values he carried, will be our inspiration in keeping his legacy alive.

May God bless you.

PRESENTATION OF THE HONORABLE MARTHA ESCUTIA

Acting Speaker Montañez then presented the Honorable Martha Escutia, Senator and Chair of the California Latino Legislative Caucus, and former Assembly Member, to the assemblage, whereupon she spoke in memory of the Honorable Marco Antonio Firebaugh and shared the following letter written by Mr. Firebaugh to his mother:

“A Message With Love”

3-26-90

Dear Mom,

On this anniversary of your birth I send you this message of tenderness and respect for you, whom I truly love.

You, like no one else, knows what it is to struggle to survive. It has brought you much suffering, but that same struggle has brought you a sweet appreciation for what it means to live—truly live.

We have been poor. I accept that: it is our reality. It is not that I relish this fact nor do I find it just. It is simply that money does not motivate me—I don't live to be rich.

I do remember the house I promised you oh so many years ago and I hope you are not disappointed because you are the spring of all my hopes, “my rock of Aztlan.” In you and my siblings I find the strength to fight on, the love of life and the importance of my task ahead.

May you be truly happy on this day. You and the others remain the most important part of my life.

Your son,

MARCO

PRESENTATION OF RICARDO LARA

Acting Speaker Montañez then presented Ricardo Lara to the assemblage, whereupon he spoke in memory of the Honorable Marco Antonio Firebaugh, and addressed the following statement to the assemblage.

PRESENTATION OF CARLOS DIAZ

Acting Speaker Montañez then presented Carlos Diaz to the assemblage, whereupon he spoke in memory of his brother, the Honorable Marco Antonio Firebaugh, and addressed the following statement to the assemblage:

Good afternoon. My name is Carlos Diaz, brother of Marco Firebaugh.

On behalf of my family, I would like to thank Speaker Fabian Núñez, Senator Don Perata and the California Legislature for paying tribute to my brother, Marco Firebaugh.

Marco was in many ways the head of our family, the one who always inspired us to better ourselves and to lend a helping hand to those who were struggling to reach their goal.

Marco always encouraged us to educate ourselves in order to better our lives and the ones around us. Education was very important to my brother.

He believed that everyone should have the opportunity to reach their educational goal. He has passed along that very passion to my younger sister who is pursuing her master's degree in Social Work.

Over the past year and a half I had the opportunity to work with Marco for his consulting firm. While working at MAF I saw another side of my brother that most of our family never had the privilege to experience.

I was able to sit in board meetings with him. I would see first hand my brother at work. I was always amazed how he worked the crowd. He had this way of making people feel very comfortable.

I worked very close with him and our clients strategizing our next move. I also walked precincts with him during the special election. I could feel how strong he felt about politics and I could finally relate to his passion for positive social change.

I never realized how important my brother was until I had the opportunity to work with him. I saw the way people followed and respected him. To me he was always my older brother. He never demanded special treatment from us or acted like he was more important.

He was the Marco who loved Mariachi, enjoyed a good tequila and always asked Mom for frijoles when he would come from Sacramento.

A humble man, with a heart of gold and the intellect of a giant, my brother raised the bar for all of us. Today, I accept his challenge and commit myself to carrying on his legacy.

CONDOLENCES OFFERED

Acting Speaker Montañez then presented to the family, the following written condolences from the Honorable Alejandra Bologna, Consul General of Mexico, who was unable to attend today's ceremony.

Sacramento, California, March 23rd, 2006

Mr. Fabian Núñez

Speaker of the Assembly

California Estate Assembly

On behalf of the government of Mexico, the Mexican-American community in California and my own, I would like to express to you and the Honorable Estate Legislature a sincere message of solidarity and condolences for the passing of former assembly member Marco Antonio Firebaugh.

Throughout his life, Marco Antonio Firebaugh proudly performed his noble vocation to work towards the well-being of the community, particularly of its most vulnerable members. As a symbol of sympathy and appreciation, the government of Mexico granted him the "*Ohtli*" Award of the Institute of Mexicans Living Abroad to acknowledge the greatness of his personal and professional commitment to social causes, his most important legacy.

With great sadness, I reiterate to you our heartfelt solidarity, and I kindly request your intervention to share this message to Marco Antonio Firebaugh's relatives and friends, the other members of the Estate Legislature and all the people of California.

Sincerely,

ALEJANDRA BOLOGNA
Consul General of Mexico

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2005-120
April 20, 2006

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the California Student Aid Commission's (Student Aid) administration of the Federal Family Education Loan (FFEL) Program.

This report concludes that changes in the federal laws governing the FFEL Program raise concerns about whether Student Aid will be able to remain competitive with other guaranty agencies. Specifically, one change requires guaranty agencies to either charge borrowers a 1 percent federal default fee on the principal amount of all FFEL Program loans issued after July 1, 2006, or transfer an equal amount from nonfederal sources into the Federal Student Loan Reserve Fund. Guaranty agencies with sufficient resources can elect to pay the fee on

behalf of borrowers while agencies such as Student Aid that have limited resources will have to charge the borrowers the fee.

The report also concludes that ongoing tensions between Student Aid and EDFUND, its auxiliary organization, have been costly and have delayed the completion of critical tasks. For example, these tensions, as well as turnover in leadership at EDFUND, hampered Student Aid's ability to renegotiate a revenue agreement with the U.S. Department of Education. At least \$24 million more may have been generated in federal fiscal year 2005 if the agreement had been finalized. This same lack of cooperation has delayed attempts to expand and diversify EDFUND's financial services and possibly generate additional revenue that could have been used for California students.

Finally, Student Aid has maintained poor oversight over EDFUND. For instance, Student Aid approved sizable bonuses for EDFUND's executive staff despite the fact that the FFEL Program had an operating deficit, and its policy for setting executive salaries does not meet federal requirements. Student Aid also has not ensured that EDFUND travel and business expense policies are fiscally conservative, which results in less funding available for Student Aid to fulfill its mission.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Higher Education.

PRAYER

Upon invitation of Speaker pro Tempore Yee, the following prayer was offered by Guest Chaplain Rabbi Mona Alfi, Executive Director of the Hillel at Davis and Sacramento:

As we memorialize the Holocaust today, I am reminded of Emma Lazarus's poem, the "New Colossus," inscribed at the base of the Statue of Liberty. It teaches us that America's greatness lies in our ability to invest in people, in their dreams and in their hopes for a better tomorrow. Inscribed at the foot of Lady Liberty are these words:

"Not like the brazen giant of Greek fame, with conquering limbs astride from land to land; here at our sea-washed, sunset gates shall stand a mighty woman with a torch, whose flame is the imprisoned lightning, and her name Mother of Exiles. From her beacon-hand glows worldwide welcome; her mild eyes command the air-bridge harbor that twin cities frame. 'Keep ancient lands, your storied pomp!' Prize she with silent lips. Give me your tired, your poor, your huddled masses yearning to breathe free, the wretched refuse of your teeming shore. Send these, the homeless, tempest tossed to me, I lift my lamp beside the golden door!" (*The New Colossus*, by Emma Lazarus)

Today we remember the refugees, the survivors, and the victims of the Shoah, the Holocaust. We can only imagine what those words must have meant to the survivors and refugees who sought to create a new life here. They were indeed the homeless and the tempest tossed yearning for freedom and for safety.

May we on this day of remembering the Holocaust, never forget the importance of extending a hand to those in need. As we remember those who perished, may we remember the words "Never Again." Never again should any of us sit quietly as we watch a genocide occur. Never again, shall we passively watch populations transferred against their will, forced into exile, or worse. May we never again be silent when we see men, women and children seeking refuge for their families.

May it be God's will that in our act of remembering today, that peace and comfort be granted to those who have suffered, and that for those of us who have not known that pain—may our hearts be softened towards those who turn to us for help. May America's light forever shine as a beacon of hope.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Yee, Assembly Member Levine then led the Assembly in the pledge of allegiance to the Flag.

2005-001
April 21, 2006

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The Bureau of State Audits presents its Independent Auditor's Report on the State of California's basic financial statements for the fiscal year ended June 30, 2005. These financial statements are presented on a basis in conformity with generally accepted accounting principles (GAAP). The financial statements show that the State's General Fund had revenues and other financing sources that were approximately \$1.7 billion more than expenditures and other financing uses. The General Fund ended the fiscal year with a fund balance of approximately \$187 million. The GAAP basis government-wide statements include all liabilities owed by the State while the budgetary basis statements that are used to report on the State's budget do not reflect all liabilities.

We conducted the audit to comply with the California Government Code, Section 8546.4.

Respectfully submitted,

MESSAGES FROM THE SENATE

Senate Chamber, April 27, 2006

Mr. Speaker: I am directed to inform your honorable body that the Senate on this day adopted as amended:

Assembly Joint Resolution No. 42

And respectfully requests the Assembly to concur in said amendments.

GREGORY P. SCHMIDT, Secretary of the Senate
By David Valverde, Assistant Secretary

PRAYER

Upon invitation of Speaker pro Tempore Yee, the following prayer was offered by guest Chaplain His Eminence Archbishop Moushegh Mardirossian, Western Prelacy of the Armenian Apostolic Church of America:

Our Heavenly Father, Here, in this Hall, sits the State Assembly of our Beautiful Golden State in meditation, in consultation and in action. We, the people, regard it to be the sacred ground of freedom, equality and justice for all.

Therefore, we come here this morning, with the heart of a pilgrim to ask You to uphold it and guard it as the sanctuary of our dreams and as the stronghold of our hopes for each other.

Many of our finest and bravest have sacrificed their lives to uphold these values.

Today we ask You to remember those who died in the line of duty for democracy, for freedom and for human rights.

We ask You to remember the one and half million martyrs of the Armenian Genocide of 1915, who gave their lives for the love of freedom, for the love of our nation and our faith.

As our community joined the entire Armenian people in solemnly commemorating the 91st anniversary of the first Genocide of the 20th century on April 24, Armenian Memorial Day, today, we join You in offering prayers for the repose of the souls of our Martyrs and pay homage and tribute to their loving memory, as well as to the memory of martyrs of all peace-loving nations, who also fell victim of inhuman acts perpetrated by ruthless leaders.

Lord, we thank our Governor of the Golden State of California, Arnold Schwarzenegger for proclaiming April 23 to April 29, 2006, as Days of Remembrance of the Armenian Genocide.

Bless our Governor, our State Assembly Members and all those elected officials who are staunch supporters for Truth and Justice.

Make our ethnic, religious and cultural diversities pull us together in our common heritage of equality, justice, freedom for all, and in our belief of dignity of our common humanity.

In spite of all challenges and sufferings, in spite of all hardship and sacrifices imposed upon us,

- We have developed enough courage to believe that only freedom sustains democracy.
- We have mastered enough experience to know that only justice heals and
- We have accumulated enough wisdom to see that equal opportunity for all makes peace prevail.

May the Lord bless us all.—AMEN.

By unanimous consent, the following committee was permitted to meet:

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2005-002
April 27, 2006

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by California Government Code, Section 8542 et seq., the Bureau of State Audits presents its audit report concerning our review of the State of California's internal controls and compliance with state and federal laws and regulations for the year ended June 30, 2005.

This report concludes that the State did not materially comply with a requirement for one of its federal programs. Further, it continues to experience certain problems in accounting and administrative practices that affect its internal controls over financial reporting and over compliance with federal requirements. As a result, the State has not

always complied with some state and federal regulations. Although none of the problems we identified are significant to the State's financial statements, weaknesses in the State's internal control system could adversely affect its ability to provide accurate financial information and to administer federal programs in compliance with applicable requirements.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Business and Professions.

California State Auditor

2006-103
May 2, 2006

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the compensation practices of the University of California (university).

This report concludes that the Corporate Personnel System (CPS) used by the university's Office of the President (president's office) to track the pay activity of university campuses contains inconsistencies and overly vague categories that did not allow us to determine the reliability of various compensation and funding source classifications contained within it and that limit its usefulness as an oversight tool. Despite the data reliability problems we found, the CPS is the most detailed and complete centrally maintained source of information, and in fiscal year 2004-05 it reflects that university employees earned approximately \$9.3 billion, comprised of \$8.9 billion in regular pay and \$334 million in additional compensation. CPS also indicates that the 4,071 university employees earning more than \$168,000 from all funding sources received 10 percent of total regular pay, but 26 percent of the additional compensation. Further, the regular granting of exceptions to university compensation policy by the president's office may weaken the credibility of the compensation policies it issues and create a culture of noncompliance. Indeed, in our review of 100 highly compensated employees we found that some university campuses circumvented or violated university policy, resulting in a significant overpayment to one employee, questionable forms of compensation

provided to others, and improper increases to some employees' retirement-covered compensation. In addition, we found that the university did not consistently disclose its officers' nonsalary compensation, such as housing allowances, to the Board of Regents as required by policy.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

REMARKS BY THE SPEAKER

Welcome, President and Mrs. Marta Sahagún de Fox.

This is an historic day for California, and for Mexico.

We know that you are not new to these Chambers.

The frequency of your visits, Mr. President, speaks volumes about your commitment to fostering the relationship between our state and your nation.

You know, as we do, that California and Mexico share so much more than a border and the language that many of us speak . . .

We share a common culture, a common history, and a common heritage.

Our relationship is built on mutual respect.

It is also a relationship of commerce.

Mexico has replaced Japan as California's number one export market.

That is why we have an obligation not to allow immigration to be an issue that polarizes our state, our nation, and our relationship with our most important trading partner. I remain optimistic that the Congress will pass comprehensive, compassionate immigration reform.

And I am confident Mexico, too, will do its fair share to find a common-sense, long-term solution to the immigration issues that face our two nations.

President Fox—You are a champion of human rights, governmental reform, and economic progress.

Continuing that economic progress is far more important than a wall or a fence in providing a real solution to the immigration concerns that we face.

President Fox—Liberty, equality, and justice have been the hallmarks of your tenure—values that we hold dear in the State of California. You have fortified a political system that works, but moreover, that people trust.

I am proud to present to you, His Excellency, Vicente Fox Quesada, President of the United Mexican States.

PRESENTATION OF HIS EXCELLENCY VICENTE FOX QUESADA

Speaker Núñez then presented His Excellency Vicente Fox Quesada, President of the United States of Mexico, whereupon he delivered his address.
