Unanimous Consent—

AB 1799, granted unanimous consent to permit Assembly Member Umberg to present the bill, 7238

Parliamentary Inquiry—

6/1/05, It has been the practice of the House that when a Member moves a call, that Member becomes the owner of that motion and they would be the one to lift the call. Has that changed?, reply: that according to the Assembly Rules, a majority vote of the Members present and voting determines whether a call is lifted (Yee), 2028

Point of Clarification—

8/17/06, Point 1: If SB 1519 fails passage and SCA 3 is adopted by both houses, SCA 3 would automatically be placed on the 2008 ballot, reply: in the affirmative (Umberg), Point 2: If SCA 3 is taken up today and is adopted by the Assembly, and if SB 1519 passes today and is transmitted to the Senate for concurrence in Assembly Amendments, and the Senate does not take up SB 1519, what happens to SCA 3?, reply: that the Secretary of State would not be authorized to place SCA 3 on the 2006 Ballot and the possibility of SCA 3 being placed on the 2006 Ballot would be in jeopardy (Umberg), 6609

6/2/05, Is there an appropriate way to go back to that last item? (Garcia), reply: that it would be inappropriate to go back to the last item because the vote was announced (Nunez), 2159

PARLIAMENTARY INQUIRIES—Continued

- 7/13/05, How can the Assembly take up SB 66 without reference to file when the bill has not been heard by the Committee on Transportation? (Mountjoy), reply: that a roll call vote was taken to permit the Assembly to take up SB 66 once it is properly before the House (Yee), 2640
- 8/18/05, What is the policy of the presiding officer regarding the punctuality of members on the Floor when the Call of the House has been placed? (Mountjoy), reply: that members will continue to be encouraged to come to the Floor in a timely manner once a Call of the House has been placed (Yee), 2748
- 8/25/05, Does the referral of SB 1026 to the Committee on Rules constitute a policy committee referral on a bill that has not been heard by a policy committee in either house? (Cogdill), reply: that is correct. The Committee on Rules is exempt from the deadlines set forth in Joint Rule 61 (Yee), 2891
- 8/29/05, Can a call be placed upon a bill after the vote tally has been announced? (La Suer), reply: that in the absence of an objection, a bill can be placed upon call after the vote tally has been announced (Yee), 2960
- 9/2/05, What authority does Legislative Counsel have to approve handwritten amendments? (Daucher), reply: that Assembly Rule 69 requires all amendments offered from the Floor during a bill's second or third reading shall be prepared, or approved to form, by the Legislative Counsel (Yee), 3283
- 9/2/05, Why is the date, 8/25/05 at the top of the amendment? (Daucher), reply: that that is the last date that the bill was amended (Yee), 3283
- 9/2/05, Is Assembly Member Haynes speaking to the merits of the amendments? (Frommer), reply: that debate needs to be limited to the merits of the amendments (Yee), 3285
- 1/31/06, What is the language of the proposed amendment? (Spitzer), reply: that Assembly Member Frommer would be asked to repeat his amendments (Nunez), 4182
- 1/31/06, Do the rules of the House require amendments to be placed across the Desk and approved to form by Legislative Counsel? (Bogh), reply: in the affirmative (Nunez), 4182
- 4/3/06, How many questions is a Member permitted to ask? (Ridley-Thomas), reply: that questions are allowed by unanimous consent of the body (Yee), 4758
- 5/30/06, The rules of the House, custom and practice require that authors presenting bills make a brief statement describing the bill (Frommer), reply: in the affirmative (Yee), 5715

- 6/15/06, Were the amendments adopted by roll call vote or voice vote? (Goldberg), reply: that the amendments were adopted by a voice vote (Yee), 6085
- 6/15/06, Can the amendments now be taken up with a roll call vote? (Goldberg), reply: that the action taken earlier today to adopt amendments to SB 1015 by voice vote would have to be rescinded to permit the amendments to be taken up again by a roll call vote (Yee), 6086

PARLIAMENTARY INQUIRIES—Continued

- 8/14/06, What are the rules and guidelines which govern the authorization of a Floor ceremony to honor people in the last three weeks of session? (Plescia), reply: that the decision is at the discretion of the Speaker (Yee), 6525
- 8/14/06, Why is it that the Assembly can have a Floor ceremony to honor these individuals, but not the birth of America? (La Suer), reply: that decision is at the discretion of the Speaker (Yee), 6525
- 8/14/06, Is it proper for the Assembly to not only recognize people by virtue of their achievements and contributions to our society? Is it right for us to recognize people because of their sexual orientation and preferences? Should I be obligated to sit on the Floor while such a ceremony takes place? (Mountjoy), reply: that as a result of the objection to suspend the rules to permit guests and a photographer on the Floor for the ceremony, a vote was taken giving Members who object an opportunity to record their opposition (Yee), 6525
- 8/14/06, Is there a rule regarding the content and subject matter of when the Assembly is going to recognize a particular group or contributions made by some of California's citizens? (Keene), reply: that the suspension of Assembly Rule 118 permits individuals other than a Member of the Legislature, the Sergeant at Arms or his assistants, or Legislative Counsel or his or her representatives, to be permitted in the area of the Floor of the Chamber which is occupied by the desks of the Members. The Assembly has suspended this rule 49 times this year to permit other ceremonies (Yee), 6526

- 8/22/06, What is the exact procedure pursuant to the Assembly Rules that a bill can be passed temporarily or passed and retained by a floor manager after debate has begun? (Spitzer), reply: that a floor manager may pass temporarily or pass and retain on a bill (Lieber), 6796
- 8/22/06, If debate has begun, under what rule can the floor manager pull the bill back? (Spitzer), reply: that Assembly Rule 63 and Mason's Manual, Section 494 permit a floor manager to pass temporarily or pass and retain on a bill after debate has begun, if there is no objection. If there is an objection, the floor manager would need an affirmative vote of a majority of those present and voting to pass temporarily or pass and retain on a bill after debate has begun (Lieber), 6796
- 8/22/06, Is this an informal courtesy or is there a specific rule that allows a bill to be passed temporarily or passed and retained once debate has begun? (Spitzer), reply: that if the courtesy is not extended to the floor manager to pass and retain, then an affirmative vote of the majority of those present and voting would be necessary (Lieber), 6797
- 8/22/06, Is it correct that passing and retaining on a bill after debate has begun is an informal request that the House has generally honored and not pursuant to a rule? (Spitzer), reply: that is not correct. The Assembly passes and retains on bills pursuant to Assembly Rule 63 every day (Lieber), 6797

PARLIAMENTARY INQUIRIES—Continued

- 8/22/06, Does the author need to state the reasons for making the request to pass and retain on a bill after debate has begun? (Spitzer), reply: in the negative (Lieber), 6797
- 8/28/06, Is there a standing rule in the Assembly that states that any Member is obligated to tell the truth when speaking on the Assembly Floor? (Mountjoy), ruling: that there is not a standing rule regarding telling the truth while speaking on the Assembly Floor, but all Members do take the Oath of Office (Yee), 7138
- 8/31/06, Is it normal procedure of the House to take up bills that have opposition while the Republican Caucus is meeting? (Mountjoy), reply: that he consulted with the Republican leadership before proceeding with business on the Daily File (Yee), 7467
- 8/31/06, What is the vote requirement to adopt the motion to Demand for the Previous Question? (Bogh), reply: that it requires an affirmative vote of a majority of the members present and voting (Nunez), 7632

Parliamentary Inquiry—

- 1/31/06, What is the language of the proposed amendment?, reply: that Assembly Member Frommer would be asked to repeat his amendments (Nunez), 4182
- 8/22/06, What is the exact procedure pursuant to the Assembly Rules that a bill can be passed temporarily or passed and retained by a floor manager after debate has begun?, reply: that a floor manager may pass temporarily or pass and retain on a bill (Lieber), 6796
- 8/22/06, If debate has begun, under what rule can the floor manager pull the bill back?, reply: that Assembly Rule 63 and Mason's Manual, Section 494 permit a floor manager to pass temporarily or pass and retain on a bill after debate has begun, if there is no objection. If there is an objection, the floor manager would need an affirmative vote of a majority of those present and voting to pass temporarily or pass and retain on a bill after debate has begun (Lieber), 6796
- 8/22/06, Is this an informal courtesy or is there a specific rule that allows a bill to be passed temporarily or passed and retained once debate has begun?, reply: that if the courtesy is not extended to the floor manager to pass and retain, then an affirmative vote of the majority of those present and voting would be necessary (Lieber), 6797
- 8/22/06, Is it correct that passing and retaining on a bill after debate has begun is an informal request that the House has generally honored and not pursuant to a rule?, reply: that is not correct. The Assembly passes and retains on bills pursuant to Assembly Rule 63 every day (Lieber), 6797

SPITZER, TODD, WHIP/ASSEMBLY MEMBER—Continued

Parliamentary Inquiry—continued

8/22/06, Does the author need to state the reasons for making the request to pass and retain on a bill after debate has begun?, reply: in the negative (Lieber), 6797

Point of Clarification—

1/31/06, According to case law, the words item and image are not the same, ruling: that a point of order should be used for matters that relate to violations of the Assembly Rules (Yee), 4180

Point of Order—

6/1/05, According to Sec. 90, Article 1 of Mason’s Manual of Legislative Procedure, debate is essential to the operation of a legislative body, therefore, the motion to demand for the previous question should not be used, ruling: point of order not well-taken. Mason’s Manual of Legislative Procedure is the governing source only when the Assembly or Joint Rules are silent (Yee), 2031

6/1/05, The use of disorderly words on the Floor is inappropriate, ruling: point of order well-taken (Yee), 2038
