PRAYER

Upon invitation of the Chief Clerk, the following prayer was offered by Bishop Henry M. Williamson, Sr., Presiding Prelate of the Ninth Episcopal District of the Christian Methodist Episcopal Church.

California State Invocation

God of Many Names, Gathered into one we praise You for Your mighty works through the mind, heart and body of Your people.

Today we have come to ask Your blessing of wisdom, courage and creativity upon this first session of the California State Assembly.

We pray especially for those who have been elected for the first time to this assembly . . . may these men and women along with their re-elected colleagues . . . be invigorated with a new sense of responsibility to provide protection, opportunity, and freedom for every citizen and person living in the state of California.

Look with favor on this assembly . . . giving them the vision to protect and to provide . . . for our young in the sunrise of their lives . . . and to our elderly in the sunset of their years.

O God, bless us and may there be special concerns and safeguards for the poor, homeless, defenseless, mentally and physically challenged . . . and for those victimized by racism, sexism and ageism.

Truly empower these men and women . . . with noble ideals to work together . . . across party lines . . . in the best interest of all the people . . . not just the privileged and rich . . . but also for the helpless and the hopeless who live among us.

Grant these leaders the courage to transcend partisanship and gift them with the foresight to produce great leaders for our state, nation and world.

Enable every citizen to learn the value of respecting and appreciating the cultural diversity of this great state.

Show us Lord that our diversity is a strength, blessing and immeasurable resource.

Finally, we pray that as Your servants do the work of legislating, help us remember the words of the slain moral and civil rights leader, Dr. Martin Luther King, Jr.

“We have no permanent friends, no permanent enemies, only permanent interests.”

Remember today that the eyes of the future are looking back at us and they are praying for us to see beyond our own time.

In the Blessed Name of our Lord and Savior Jesus Christ, we pray.—AMEN.

GOVERNOR ADDRESSED THE ASSEMBLY

Upon invitation of Speaker Núñez, Governor Arnold Schwarzenegger addressed the assemblage.

ADDRESS BY SPEAKER

Thank you for taking another chance on me as your Speaker.

I must admit, it is the nicest vote of confidence I have received since Maria generously agreed to re-marry me.

Without the love, support and inspiration of my family—Maria and our wonderful children Esteban, Teresa and Carlos—I cannot imagine doing this job.

The returning members know exactly how I feel. And new members, there will be many, many times when you will turn to the well of love and support from your families. Our families' encouragement helps us keep going and do our work to provide all California families with a future of hope and opportunity. The same kind of future Soledad and Pablo Núñez built for me.

Members, welcome to your Assembly. Welcome to the people's house.

Today, you become a part of history—and the future. Today, you start shaping your place in this body—the Assembly's place in California—and California's place in the world.

As part of the festivities today, we are honoring the 25th anniversary of the restoration of this magnificent building. In the 1970s there was a plan to tear down the Capitol and build two office towers instead. Fortunately, a more visionary approach won out, the Capitol was restored—and this was the final result.

Today we have options before us similar to those that surrounded the fate of the Capitol. It is always easy to tear down—and just let stalemate and stagnation rule. But together we can keep rebuilding, the way we did this year with the historic, bipartisan infrastructure bonds. And we can keep restoring the spirit of ingenuity, compassion, and common sense that put California on the map.

The Capitol restoration took more than 2000 workers, who each brought different skills, but worked as a team to get the job done.

Each of us comes from different places and has different skills, different abilities and different opinions. But working as a team we can get the job done.

The man whose portrait watches over these Chambers once spoke the words “with malice toward none and charity toward all.” As Speaker, I hope the hallmark of this house will be “with malice toward none and civility toward all.”

We have much to do in the coming term. Too much to let any excessive partisanship or rigid ideology get in the way.

We will tackle the issue of ensuring access to healthcare for all Californians. Governor, like you, we are serious about this issue.

We are serious, as well, about giving the children of the 21st Century the education they need to face the challenges of the 21st Century. The nation's leadership state demands and deserves educational excellence.

We will also be working to build on our landmark efforts to reduce global warming and explore incentives for R&D to spur new alternative energy and create a job-rich green economy for California.

Twenty-five years ago, Californians saw these beautiful results of visionary thinking in the Legislature. Soon, Californians will see the practical results of the visionary thinking and bipartisan cooperation we achieved earlier this year.

As proud as you are to have your families and friends watching you sworn in today, the best thing about the Assembly is that this need not be your proudest moment in this Chamber.

If we reject stalemate and stagnation and if we commit to a path of civility and cooperation, then who knows? Twenty-five years from now, this body may be honoring the lasting results of what we achieved together, here in the people's house.

SPEAKER PRO TEMPORE APPOINTED

Speaker Núñez announced that he had appointed Assembly Member Sally Lieber to serve as Speaker pro Tempore of the Assembly.

APPOINTMENT OF SELECT COMMITTEE

Speaker Núñez appointed Assembly Members Dymally, Leno, Bass, Tran, Hayashi, and Coto as a Select Committee on Escort to escort Speaker pro Tempore-elect Sally Lieber to the Rostrum.

OATH OF OFFICE ADMINISTERED

Speaker pro Tempore-elect Lieber appeared at the bar of the Assembly and took and subscribed to the following oath of office administered by Associate Justice Carlos R. Moreno of the Supreme Court of California.

OATH

for the Office of Speaker pro Tempore of the Assembly

I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution of the State of California against all enemies foreign and domestic; that I will bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of California; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter.

As used in this rule, "committee" includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), may be held only after full and timely notice to the public as provided by the Joint Rules of the Assembly and Senate.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

(2) To consider matters affecting the safety and security of Members of the Legislature or its employees, or the safety and security of any buildings and grounds used by the Legislature.

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be

If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property that the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum is exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

(h) For purposes of paragraph (3) of subdivision (c), "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. Each subcommittee shall be known and designated

as a select committee. The Speaker is the Chairperson of the Assembly General Research Committee and may be a voting member of any subcommittee. Each member of the Assembly General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups, and to report thereon to the full committee. The Committee on Rules is authorized to allocate to any subcommittee from the Assembly Operating Fund those sums that the Committee on Rules deems necessary to complete the investigation or study conferred upon that subcommittee. The Committee on Rules shall further allocate, from time to time, to the Assembly General Research Committee from the Assembly Operating Fund those sums that are necessary to permit the Assembly General Research Committee and the members thereof to carry out the duties imposed on them. Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second greatest number of Members in the Assembly shall be made from a list of nominees that the Minority Floor Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the

Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairs of the committee. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, apply to the committee and govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d)(1) The committee has the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as "standards of conduct."

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

A complaint may not be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f)(1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2)(i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause

exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the appropriate law enforcement agency. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the appropriate law enforcement agency. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the appropriate law enforcement agency. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules. At least once each biennial session, each Member of the Assembly and each employee of the Assembly shall attend one of these courses.

(q) Pursuant to Section 8956 of the Government Code, the committee shall do each of the following:

(1) Conduct, at least semiannually, an orientation course on the relevant ethical issues and laws relating to lobbying.

(2) Impose fees on lobbyists for attending the course specified in paragraph (1) at an amount that will permit the participation of lobbyists to the fullest extent possible.

Printing of Committee Reports

23. All requests for the printing of reports of Assembly committees shall be referred to the Committee on Rules. The Committee on Rules shall determine the number of copies needed and whether the report shall be printed in the Journal. In no event may more than 1,000 copies of any committee report be authorized by the Committee on Rules on the first printing, exclusive of the Journal copies if the report is to be printed therein, unless the Committee on Rules finds and determines that there is a special need for that report in greater numbers.

Upon determination by the Committee on Rules that additional copies of an Assembly committee report are required at any time following the first printing of the authorized number of copies, the Committee on Rules may authorize one or more additional printings in the numbers found by it to be necessary and may make funds available therefor.

An Assembly committee report may not contain more than 100 pages, including the front and back cover thereof and any appendix, unless a greater number of pages has been approved and authorized by the Committee on Rules.

(e) To refuse to permit any bills, papers, or records to be removed from his or her office or out of his or her custody, except upon duly signed receipts from persons authorized.

(f) To mail, before the commencement of each regular session of the Legislature, to each Member a blank form on which the Member may

indicate his or her committee preferences. Accompanying the blank form shall be mailed a stamped envelope addressed to the Chief Clerk of the Assembly for returning the form. After their receipt, all those communications shall be held by the Chief Clerk of the Assembly and the information contained in the forms shall be forwarded to the Speaker.

(g) To perform other duties that are prescribed by law or the Committee on Rules.

(h) To make technical changes in measures and amendments pending before the Assembly. The Chief Clerk shall notify the Speaker and the author of the measure of any such change.

(i) To compare all bills, ordered or considered engrossed by the Assembly, with the engrossed copies thereof; before they pass out of the possession of the Assembly, to see that each engrossed bill is a true copy of the original, with those amendments that may have been made thereto; and to see that all engrossed bills are reported back in the order in which they were ordered engrossed.

(j) To assist the Committee on Rules, upon its request, in recommending the reference of bills to the appropriate standing committee.

The Assistant Chief Clerk shall have the powers and perform the duties of the Chief Clerk during his or her absence.

Sergeant at Arms

33. The Sergeant at Arms has the following duties, powers, and responsibilities:

(a) To attend the Assembly during its session, preserve order, announce all official messengers, and serve all process issued by authority of the Assembly and directed by the Speaker; the Sergeant at Arms shall receive actual expenses for himself or herself, or for an assistant, incurred in executing any process.

(b) To see that no person is admitted to the Assembly Chamber except in accordance with these rules.

(c) To have general supervision over the Assistant Sergeants at Arms and be responsible for their official acts and their performance of and regular attendance upon their duties.

(d) To execute all commands of the Speaker.

(e) To perform all other duties pertaining to his or her office as prescribed by law or Assembly rule.

The Chief Assistant Sergeant at Arms shall have the powers and perform the duties of the Sergeant at Arms during his or her absence.

Filling Interim Vacancies—Assembly Elected Officers

34. In the event a vacancy in any office, except Speaker, elected by the membership of the Assembly occurs during joint recesses, the Committee on Rules shall fill the office until the session reconvenes. If a vacancy occurs in the office of the Speaker during a joint recess, the Committee on Rules shall notify the membership within 15 days from the time the vacancy occurs and shall call a caucus of the membership of the Assembly for the purpose of filling the vacancy. This caucus shall be held at the State Capitol within 30 days from the time the vacancy occurs. Notice of the caucus shall be in writing and shall be mailed not

less than 10 days prior to the meeting of the caucus. If the Committee on Rules fails to act within 15 days from the time the vacancy in the office of Speaker occurs, the Chief Clerk of the Assembly shall act in its place, following the procedure set forth in this rule. Any person selected to fill any vacancy pursuant to this rule holds the office until the session reconvenes.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required for the selection by the Assembly caucus of a person to fill a vacancy pursuant to this rule. The procedure for selecting the Speaker at the caucus is the same as the procedure required for the election of the Speaker at a session.

B. Printing

Authority for Printing

35. The State Printer may not charge any printing or other work to the Assembly other than as provided by law or Assembly rule, except upon a written order signed by the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly. All invoices for printing furnished to the Assembly shall be itemized and rendered by the State Printer within 30 days after completion of the printing. When necessary, the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly may order certain printed matter completed in advance of its regular order by the issuance of a rush order.

Ordering of Printing

36. The Chief Clerk is authorized to, and is responsible for, ordering, the printing of bills, resolutions, journals, daily files, histories, and related documents.

The Chief Clerk of the Assembly, or the Chief Administrative Officer of the Assembly, shall order other printing as directed or authorized by the Committee on Rules, and the written order for that printing shall be countersigned by the Speaker or a person designated by the Speaker. The Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly shall also order other printing as directed or authorized by resolution or motion of the Assembly.

Printing Assembly History and Legislative Handbook

37. During the session, the Chief Clerk shall cause to be printed and placed upon each Member's desk, prior to convening on Monday of each week, a complete history showing all actions taken upon each measure up to and including the legislative day preceding its issuance. For each legislative day intervening between the issuance of each Weekly History, there shall be printed a Daily Supplemental History showing only actions taken upon any measure since the issuance of the preceding Weekly History.

The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

V. LEGISLATIVE PROCEDURE

Order of Business

40. (a) The order of business of the Assembly shall be as follows:
1. Roll Call
 2. Prayer by the Chaplain

3. Reading of the Previous Day's Journal
4. Presentation of Petitions
5. Introduction and Reference of Bills
6. Reports of Committees
7. Messages From the Governor
8. Messages From the Senate
9. Motions and Resolutions
10. Business on the Daily File
11. Announcements
12. Adjournment

(b) With the exception of Special Orders of Business, the Speaker may determine that a different order of business will result in a more expeditious processing of the business of the Assembly by ordering resolutions honoring an individual or an organization, introductions, and adjournments in memory of individuals to be taken up in a different order than that listed in subdivision (a).

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with, on motion, by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refers it to some other committee. The action to refer a bill is not debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one legislative day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

Presentation of Guests or Memorials in the Assembly

45.5. These rules do not prohibit the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests. A request that a session of the Assembly adjourn in memory of a person shall be made in writing. The request shall be read by the presiding officer immediately prior to adjournment.

A. Bills and Resolutions

Bills Defined

46. (a) The word "bill," as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

- (1) It shall be given only one formal reading.
- (2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. (a) Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members.

(b) After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or joint resolution may at any time during a session send the same to the Chief Clerk's desk.

(c) When received at the Chief Clerk's desk each bill shall, under the proper order of business, be numbered, read the first time, printed, and

referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills and constitutional amendments introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

(d) The Committee on Budget may introduce a bill germane to any subject within the jurisdiction of the committee in the same manner as any member. Any other standing committee may introduce a total of five bills in each year of a biennial session that are germane to any subject within the proper consideration of the committee.

(e) No committee, except the Committee on Budget, may introduce or author a House Resolution, Concurrent Resolution, or Joint Resolution.

(f) A committee bill may not be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

(g) Subdivision (d) or (e) of this rule may be suspended with respect to a particular bill or resolution by approval of the Committee on Rules.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, an action may not be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 40 bills in the regular session. As used in this rule, "bills" includes constitutional amendments.

(b) Notwithstanding subdivision (a) of this rule, a Member may introduce not more than five resolutions in the regular session. As used in this rule, "resolutions" include House, Concurrent and Joint Resolutions, but do not include resolutions introduced by a Member for the specific purpose of organizing a session that is convened pursuant to Article IV, Section 3 (a) of the State Constitution or resolutions introduced by the Speaker as part of a session honoring a retiring Assembly Member.

(c) This rule may be suspended with respect to a particular bill or resolution by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refer it to some other committee. A motion to refer a bill is not debatable, except as to the propriety of the motion, and it may not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Resolutions

53. All resolutions shall be numbered and may be referred to the appropriate committee by the Committee on Rules.

Each resolution shall be signed by each Member who is an author or coauthor of the resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of his or her immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. A committee or subcommittee may not meet during any session of the Assembly, nor may any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee may not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Setting and Hearing Bills in Committee

56.1. All bills referred to a standing committee pursuant to Assembly Rule 51 shall be set and heard, if requested by the author, as specified by the Joint Rules. If the analysis of an author's amendment that is subsequently adopted pursuant to Assembly Rule 68 discloses that the amendment makes a substantial substantive change to the original bill as referred by the Rules Committee, the bill as amended shall either be set and heard by the committee having jurisdiction of the bill as amended or re-referred to the Committee on Rules pursuant to the Assembly Rules.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee constitutes a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, is required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. An action taken by a committee may not be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote may be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule does not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. A chairperson of a standing committee may not preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills

Daily File

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided that Rule 58 has been complied with in the order of their listing. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. A bill may not be considered or acted upon on the floor of the Assembly unless and until a copy of the bill as introduced, and a copy of each amended form of the bill, has been distributed to the desk of each Member in hard copy or in portable document format (PDF) via computer.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. The Budget Bill may not be voted upon for final passage on the floor of the Assembly unless it complies with subdivision (f) of Section 12 of Article IV and Sections 1.3 and 20 of Article XVI of the California Constitution.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the effect of the amendment upon the bill can be readily understood by all of the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. A bill, concurrent resolution, or joint resolution may not be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Analysis of Conference Committee Amendments

68.7. A report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may not be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. A conference report may not be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) A conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may not approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change is deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term "heard" means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

Amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, are not in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. A copy of a bill that has been amended only to add coauthors to the bill is not required to be placed upon the desks of the Members if both the Speaker and Minority Leader grant an exemption.

Amendments offered from the floor during a bill's second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b)(1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day. This subdivision does not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) A motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, is not in

order on (1) the last two legislative days preceding the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution or (2) the last seven days preceding the scheduled commencement of the interim study recess or the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly. This subdivision may be suspended temporarily by two-thirds vote of the Members present and voting. This subdivision does not apply to amendments to a bill to add or delete an urgency clause, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to him or her.

Electronic Distribution of Bills, Conference Reports, Amendments, and Analyses

69.5. Any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members is satisfied by electronic distribution of the same information in portable document format (PDF) via computer to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. A bill may not be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded requires an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money requires an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it may be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. Concurrence in any Senate Amendment to an Assembly bill requires the same affirmative recorded vote as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

- First—To adjourn;
- Second—To recess to a time certain;
- Third—To lay on the table;
- Fourth—For the previous question;
- Fifth—To set as a special order;
- Sixth—To postpone indefinitely;
- Seventh—To refer to or to re-refer;
- Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. An appeal is not in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

(1) "Shall the decision of the Speaker be sustained?"

(2) "Shall the decision of the Speaker be overruled?"

An appeal may not be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal may not be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting decides any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and may not be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly *sine die*.

To Recess to a Time Certain

85. A motion to recess to a time certain is treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and may not be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table may not be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members, and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business is adopted by an affirmative recorded vote of 54 or more members. The motion is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain is deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but an “amendment to an amendment” may not be amended. A motion to substitute is deemed to be a motion to amend and is considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative

does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. An amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is not in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

A motion or proposition on a subject different from that under consideration may not be admitted as an amendment.

An amendment is not in order that changes the original number of any bill.

A Member may not be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. A motion, whether oral or written, may not be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) A bill or resolution may not be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdivision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee requires a majority of those members present and voting. A motion to withdraw a motion to withdraw is not in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that an action may not be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. A motion to rescind the action and expunge the record may not be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. A motion to reconsider may not be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and takes precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and further action may not be taken prior to the next legislative day. When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b)(1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order on the last legislative day preceding January 31 of the even-numbered year. The motion must be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion must be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill requires an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill requires an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day takes precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider is the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider requires a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and a person may not be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom a leave of absence has not been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms, his or her assistants, or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

A recess or adjournment may not be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly excuses that member by a majority vote of the Members present and voting.

A Member may not operate the voting switch of any other Member, except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the voting switch of the presiding Member, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote that had been taken during his or her absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed. The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

A Member may not speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question has the right to open and close the debate thereon. A Member may not be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. A Member may not yield to any other Member the time for which he or she is entitled to speak on any matter.

Rules of Decorum

108.1. (a) In accordance with Rule 10, Members of the Assembly shall conduct themselves in accordance with the rules of decorum specified in Sections 120 to 126, inclusive, of Mason's Manual of Legislative Procedure.

(b) Notwithstanding subdivision (a), the Committee on Rules may adopt additional rules of decorum by majority vote of the membership of the committee.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. A Member may not absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. A Member may not obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any vote. If a Member does not explain his or her reason for being late, any other Member may raise a point of order under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. A Member or other person may not be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take his or her seat, until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS**Committee of the Whole**

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chair of the Committee on Rules.

Use of Assembly Facilities: Smoking

117. The smoking of tobacco products is prohibited within any building, or portion of a building, occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. This smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Floor of the Assembly: Telephones

117.5. A cellular telephone may not be used on the floor of the Assembly during any session of the Assembly.

Meeting of the Assembly: Firearms

117.7. A person, except a peace officer acting within the scope of his or her employment, may not carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

Persons Admitted to Floor of the Assembly

118. A person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests may not be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member may be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. A lobbyist, as defined by Section 82039 of the Government Code, may not, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

A person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, may not be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Business Attire

118.1. Notwithstanding any other provision of these Rules, a Member of the Legislature, officer or employee of the Legislature, accredited member of the press, or any other person may be admitted to the floor of the Assembly during any session only if dressed in appropriate business attire.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. A motion to disqualify a Member is not in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended, and his or her membership on any committee is thereupon suspended. REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2005-133
November 30, 2006

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Mathematics and Reading Professional Development Program (program) administered by the Department of Education (Education) with the approval of the State Board of Education (board). This program provides incentive grants to local

education agencies, primarily school districts, which choose to send their teachers through standards-based instructional training.

This report concludes that only a small percentage of teachers have completed the full 120 hours of mathematics and reading standards-based training for their current assignments. School districts we surveyed cited several barriers to increased participation in the program, including teacher apathy toward attending training, concerns about funding, and a lack of training providers in close proximity. Nevertheless, we found that school districts in counties with relatively large or small numbers of eligible teachers appear equally capable of accessing program services.

Although not specifically required to do so under the program's statutes, Education has done little to actively promote the program. We also found that Education has disbursed about \$113 million in program funds through fiscal year 2005–06 without ensuring that the compliance audits specified in legislation take place. Finally, we found that Education's July 2005 report to the Legislature was of limited value because it lacked relevant and accurate data regarding the number of fully trained teachers that are currently using the training in the classroom, and it provides no correlation between teacher training and student achievement.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Education.

California State Auditor

2005-130
November 21, 2006

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning our review of batterer intervention programs (programs) in California.

This report concludes that although state law requires an individual who is placed on probation for a crime of domestic violence to complete a 52-week program, only about half of batterers actually fulfill the program requirement. Some of the county probation departments (departments) we visited are counseling and referring batterers back to programs after they have been terminated for violations, rather than notifying the courts as required by state law. Because only two batterers in our sample of 125 ever completed a program after committing three or more violations, we question whether this practice only delays the inevitable court-imposed consequences of jail time or probation revocation and unintentionally sends the message that program violations are not serious and therefore will be tolerated.

Additionally, sometimes courts notified of violations simply return batterers to programs without imposing any additional jail time, even though batterers had multiple prior violations. This practice may be

sending the unintended message to batterers that they can avoid the program requirement without any significant penalty for doing so. This lack of batterer accountability reduces the effectiveness of programs designed to alleviate the problem of domestic violence in the State. Program effectiveness is also hampered by the departments' failure to adhere strictly to the statutory requirements for program monitoring.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

GOVERNOR'S ADDRESS PRINTED IN JOURNAL

Without objection, the following text of Governor Arnold Schwarzenegger's State of the State Address was printed in the Journal:

Governor Arnold Schwarzenegger
2007 State of the State Address
January 9, 2007

Lieutenant Governor Garamendi, Speaker Núñez, Senate Leader Perata, my fellow servants of the people, ladies and gentlemen . . . I am honored to stand here once again.

I want to thank the Legislature, as I did in my Inaugural, for putting the people above politics last year—an election year. The federal government was paralyzed by gridlock and games. But you here in this Chamber acted on infrastructure, the minimum wage, prescription drug costs and the reduction of greenhouse gases in our atmosphere. What this said to the people is: We are not waiting for politics. We are not waiting for our problems to get worse. We are not waiting for the federal government. We are not waiting—period. Because the future does not wait.

I believe that together not only can we lead California into the future . . . we can show the nation and the world how to get there. We can do this because we have the economic strength, the population, the technological force of a nation-state. We are the modern equivalent of the ancient city states of Athens and Sparta. California has the ideas of Athens and the power of Sparta.

As you know, California, if a nation, would be the sixth largest economy in the world. But it goes so much beyond that. According to *The Economist* magazine, California is home to three of the top six universities in the world. California has more Nobel Laureates, more scientists, more engineers, more researchers, more high-tech companies than any other state. We are responsible for one of every four U.S. patents. We account for one of every five U.S. technology jobs. We attract almost half of all U.S. venture capital, which funds the ideas and

industries of the future. California leads the nation in biotechnology. We lead the nation in nanotechnology. We lead the nation in medical technology. We lead the nation in information technology. We will soon be the recognized leader in clean technology.

Worldwide, clean-tech investments are up 50 percent in the first nine months of last year alone. California is spurring clean technology by the environmental standards we are setting. Our innovation, our science, our knowledge, our creativity is un-equalled on the face of the earth. The 21st century can be the Golden Century for the Golden State.

I have asked myself, what must we do in this Chamber to help fulfill this future? It starts very simply. We can start by working together.

Usually when a governor gives his State of the State Address, he talks about his vision. This year I want to talk about “our” vision, because I think we all want the same thing for Californians.

Let me tell you about some of the ideas of our legislative leaders. Speaker Núñez has made research into alternative energy and transportation fuels a top priority this year. Speaker Núñez, I will work with you.

A top priority for Senate Leader Perata is to create a world-class water transit system in the Bay Area that could maintain vital transportation links after an earthquake or other disaster. Senator Perata, I will work with you.

Republican leaders in both the Senate and the Assembly have made debt reduction and building water storage their top priorities this year. Senator Ackerman, Assembly Leader Villines, I will work with you.

Let me explain some of the other areas where we can come together this year. In November, the people approved the first phase of infrastructure bonds necessary to rebuild our state.

During a speech at the Pat Brown Institute, I heard Senator Perata say that the people of California expect to see the construction cranes right away. They want to see action. Senator, I agree absolutely. We, the elected leaders, must authorize the cranes, the bulldozers, the cement trucks to begin their work without delay.

This is a test for those of us in this Chamber in another way. Will the process turn into a porkfest as it did in Washington with all the earmarks and the backroom deals? Or, when we have allocated the spending, will the people say, “They spent our money wisely?” Yet this is more than just about the people’s money. It is about the people’s trust. Let us not disappoint them.

We must also be good stewards, because we must go back to the people for permission to build more and finish the job. The building has just begun. One year ago I unveiled the 200 billion dollar plan that prepared California for the next ten years. We are a big state and we have big needs. And we made a big down payment. But the job is not finished.

Some areas, such as prisons and water storage weren’t included. And we still have more roads to build, more schools to construct, more universities to equip to keep up with the future. As I said last year, California’s population is expected to increase by as much as 30 percent

over the next 20 years. That is the equivalent of adding three new cities the size of Los Angeles. We have to prepare for that growth.

So this year we must invest in five infrastructure areas in particular—public safety, water supply, transportation, education and disaster preparedness.

Let me give you a couple of examples why we must act. Public safety is the first priority of government. Our prisons are in crisis. We have inherited a problem that was put off year after year. Last year I called a special session to address the crisis. That session was not successful, so I declared a state of emergency. It is still an emergency. Our prison system is a powder keg. It poses a danger to prisoners, a danger to officers . . . and a danger to the well-being of the public if—as the federal courts have threatened—we are forced to release prisoners because of overcrowding. We have thousands of prisoners housed in gymnasiums, TV rooms, dining rooms, hallways, anywhere there is a space. 172,000 prisoners in facilities designed to hold about 100,000. That is a danger and a disgrace.

Here are the court-ordered choices we face: We build more prisons or we release criminals. We build more prisons or the court takes money from education and health care and builds the prisons itself. I am not in favor of releasing criminals. I am not in favor of taking money from classrooms and emergency rooms to build cells. Where do you stand? We must act. And we must act this year. Which is why on December 21st, I stood with Senator Gloria Romero and Senator George Runner and Assemblyman Greg Aghazarian to introduce comprehensive prison reform. We need a justice system that's fair, that's tough and that offers hope for those who can still turn their lives around.

Let me give another infrastructure example. The number of high technology companies we have in California is related to how many brilliant scientists we have in our universities . . . which in turn is related to how many smart undergraduates we have . . . which is related to the number of high school students who graduate . . . and so on down through the grades. That small child with the sticky hands starting the first day of kindergarten is the foundation of California's economic power and leadership.

We must invest in education. It's not just how much money we spend but also how we spend it. I have seen the need with my own eyes as I've toured schools across the state. I went to a school with bed sheets on the windows rather than blinds. I went to a school that was so overcrowded the gym's locker-room was used for teaching space.

The education bond that passed in November builds 10,000 new classrooms and renovates 38,000 more, but that gets us only through the next two years. We need to build for the future.

This year I ask you to invest in 15,000 more classrooms and renovate 40,000 more. Yet we must build not only structures, but accountability and transparency into our education system. As a step toward the day when parents will have real choice in our public education system where to send their children, we should provide parents with relevant, accessible information, not bury it in the bureaucracy. If you can get information about a car online, why can't you get information about your local school online? What percentage of money goes into the

classroom? Does the school offer after-school programs, music, art, PE programs? What is the graduation rate? The drop-out rate? You cannot easily get this information today.

So how can a school or a school district be held accountable? I want to work with the Legislature to make this information readily available and user-friendly for the parents so that they can make intelligent choices about their child's school.

We must also continue to reinvigorate career tech education, support quality charter schools and find innovative solutions to the teacher shortage. I will not discuss all of our infrastructure proposals this evening, but I want to say one final thing about this topic. Rebuilding California is not a burden. It is not a chore. It is a privilege. It is a privilege to be able to help this state reach its full potential. It is a privilege to be able to help future generations fulfill their promise. And when they look back, they will see you in this room, and they will be grateful for what you have done.

Now, in addition to addressing our infrastructure last year, the Legislature joined with me in passing the historic global warming measure that caps greenhouse gas emissions.

We hear so much about climate change. One area where we definitely need the climate to change is the national government's attitude toward global warming. It would not act so California did. California has taken the leadership in moving the entire country beyond debate and denial . . . to action. As California goes, so goes the rest of the nation.

I ask you to appropriate the funds to implement this global warming legislation, so that we can become part of the world market that is already trading credits for the reduction of greenhouse gases.

I also ask you to work with me on another environmental first. I propose that California be the first in the world to develop a low carbon fuel standard that leads us away from fossil fuels. And let us use the freedom and flexibility of the market to accomplish it. Let us blaze the way, for the U.S., for China and for the rest of the world. Our cars have been running on dirty fuel for too long. Our country has been dependent on foreign oil for too long.

I ask you to set in motion the means to free ourselves from oil and from OPEC.

I ask you to encourage the free market to overthrow the old order.

California has the muscle to bring about such change. I say use it.

When I first came here in 1968, one of the first things I did was to ask people where I could get health insurance because I knew that, as an athlete, injuries can happen. Here is the ironic thing about health care today. California's medical care, its medical knowledge, its medical technology is as strong and vibrant as a bodybuilder. Yet our health care system itself is a sick old man.

You know the reasons—rising costs, lack of coverage—nearly 6.5 million Californians have no insurance at all. Recently I visited California Hospital Medical Center in downtown Los Angeles. Last year, the uninsured people who came to the emergency room left behind 60 million dollars in unpaid bills. That's in one hospital. Multiply that

by the number of hospitals in California, and the amount runs into the billions. Guess who's paying for all this? You and me and all of us who are lucky enough to have coverage. That's who pays.

The people with insurance pay a hidden tax through higher deductibles, higher costs, higher premiums, higher copays.

This year we must take action on health care. Yesterday I announced my proposal. I know you also have proposals. I have always said you can never have too many ideas. So all ideas, regardless of origin, are still on the table. I do believe, however, that the ultimate answer will come from the principle of shared responsibility—by the government, by employers, by health plans, by doctors, by hospitals and by the individual.

In the past, health care reform was always dead on arrival. But this year you can feel something different in the air. You can feel the energy, the momentum, the desire for action. You can feel that the time is right. Both leaders have said to me, "We will get this done." Ladies and gentlemen, we will get this done. California is going to lead the nation in breaking new ground to meet the health care needs of its people.

Tomorrow, I will outline my budget, which is balanced and which fully funds education. When I first became governor, we had an operating deficit of \$16.5 billion. I said that through discipline and through new revenues that flow from economic growth, we would reduce the deficit over time. Last year, we got it down to \$4 billion. Tomorrow, I will propose a budget that will dramatically reduce this deficit even further.

Now here is the great thing. We have made this progress without raising taxes. We have reduced the deficit, not by burdening the people and our businesses, but by encouraging economic growth. This year California has the highest revenues in its history and the lowest unemployment rate in 30 years. Ladies and gentlemen, the state of our state is strong.

We still have very difficult choices to make on the budget, and I am eager to work with you on these choices. I am not asking you not to be a Republican or not to be a Democrat or to give up your principles. I am asking you to be Californians and to work out a solution that is the best possible answer to the challenges we face. As long as we recognize some progress toward our individual visions—whether Republican or Democrat—this should allow us the freedom to reach a budget agreement and to go forward together.

One last item. I again this year raise the issue of political reform. California politics is a centrifuge that forces voters, policies and parties away from the center. The centrifuge is powered by the way our legislative and congressional districts are drawn. They are drawn to eliminate party competition. They work against the mainstream, which is where most Californians are. Currently, ours is not a system of the people, by the people and for the people. It is a system of the parties, by the parties, for the parties.

In the past three election cycles, only 4 of California's 459 congressional and legislative seats changed hands. There was more turnover in the Hapsburg monarchy than the California Legislature.

I ask you to work with me to create an independent commission to fix a political system that has become petrified by self-interest. California certainly is not alone in this. No state Legislature in U.S. history has put a redistricting reform on the ballot. California can be the leader.

You will not benefit politically from this. I will not benefit politically from this. But the people will benefit from this. I ask you to work with me to do the right thing for the people.

Let me close with this thought. We accomplished historic things last year. Let us make this year historic as well. I know that what I have proposed is an ambitious agenda. I heard that last year and the year before that and the year before that. Yes, it's an ambitious agenda, but we must be ambitious to get California to the future. We are addressing needs that have been ignored for decades. This is important work. It is hard, heavy work. What we are doing relates directly to the kind of state this will be in ten or twenty years. But is this not what government should be doing?

For too long Californians just stared at this mountain called the future. We couldn't climb it because our current problems blocked the path. We couldn't climb it because it was politically too steep. We couldn't climb it because we couldn't agree on the route that takes us there. But last year, we made the decision, we took a deep breath and we began our ascent. Working together we can scale that mountain. We can stand on top of it. And one day we will look down from it and say to ourselves, look how far we've come, look where we are, look what we've accomplished for the people. Ladies and gentlemen of the Legislature, let us continue the climb we began last year.

Thank you very much.

MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

Governor's Office, Sacramento
January 10, 2007

To the Senate and Assembly of the Legislature of California:

In accordance with Article IV, Section 12 of the California Constitution, I submit to you the Governor's Budget for 2007–2008.

Three years ago, California's financial problems were dire—low credit ratings, possible bankruptcy, and a projected \$16.5 billion operating deficit that awaited us unless we took dramatic action to turn the tide in our state. Many said that raising taxes was the only possible option to lift us out of our fiscal hole. We disagreed.

We committed ourselves to responsible, common-sense budgets that would continue to make the investments in the critical services Californians expect us to provide, but that over time would bring our state's revenues in line with expenditures.

I am happy to say that our plan has worked. We have record revenues flowing into our treasury, and we are submitting a balanced budget for the coming year. The operating deficit that hung over our heads just a few short years ago is now gone. Our budget proposes ongoing spending that is in line with ongoing revenues, thus eliminating the net operating deficit completely. Moreover, this budget builds on last year's efforts to pre-pay the Economic Recovery Bonds and we now project that the bonds will be fully repaid by August of 2009, 14 years ahead of schedule. This is a remarkable turnaround and we accomplished it all without raising taxes—as a matter of fact, we reduced taxes by reversing the car tax in 2004.

We must remain vigilant, however, because spending pressures and revenue fluctuations could bring back the structural deficit as soon as the next budget year. I invite you to work with me to develop budget

reform to prevent the state from returning to spending more than it brings in. In doing that we lay the groundwork for continuing our historic work, begun last year, to rebuild California through the Strategic Growth Plan.

This is a budget that fulfills our promise to run state government so California and its people are stronger. Working together, investing strategically for our future, making smart decisions with the taxpayers' money, I know we can build a golden future for our state.

Sincerely,

ARNOLD SCHWARZENEGGER

Accompanying CD-Rom of the Budget ordered filed with the Secretary of State.

ADJOURNMENT

At 3 p.m., the Assembly adjourned until 9:30 a.m., Thursday, January 11, 2007.

COMMUNICATIONS
Proposed Initiatives

The following communications were presented by the Chief Clerk from:

Patricia Galván, Initiative Coordinator, Department of Justice, Office of the Attorney General, Sacramento, dated January 22, 2007, transmitting copies of the title, summary, and text of the following proposed initiative, pursuant to Section 9007, Elections Code:

Government Acquisition, Regulation of Private Property.
Initiative Constitutional Amendment. SA 06-0039

Referred by the Speaker to the Committees on Housing and Community Development and Judiciary.

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2006-032
January 23, 2007

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As required by Chapter 804, Statutes of 2002, the Bureau of State Audits presents its audit report evaluating the accuracy of crime statistics in the 2005 annual report published by a sample of six California postsecondary educational institutions. It describes the procedures these institutions used to identify, gather, and track data for reporting, publishing, and disseminating crime statistics in compliance with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

This report concludes that the sampled institutions misreported their crime statistics and the average error rate over the three years presented in their reports ranged from 7 percent to 56 percent. Because some crimes defined in California law are different from those definitions the Clery Act uses, some institutions did not correctly convert crimes defined in California law to crimes the Clery Act requires institutions to report and others either did not review or did not correctly report some crimes in potentially reportable categories. Further, several institutions we reviewed did not correctly identify all reportable locations when compiling statistics for their 2005 annual reports, and most have not established written policies or procedures for some of the items described in their annual reports.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Referred by the Speaker to the Committee on Higher Education.

It is during the trying times that our true nature shows, revealing who we really are and what is in our heart. Lord, as we begin this day, we ask that You give us strength to handle life's difficult moments. And remind us of the words of the prophet who said, "Blessed are those who trust in the Lord." REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2005-123
January 30, 2007

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the operations of the Department of Corporations (Corporations) to ensure that it is effectively fulfilling its responsibilities.

This report concludes that because Corporations has performed only limited analyses of its fees and assessments during the last six years, it has consistently overcharged for some activities and undercharged for others. The accumulated excess revenues may result in a violation of state law that takes effect on June 30, 2007, which requires Corporations to limit the reserve it maintains in the State Corporations Fund to 25 percent of annual expenditures. In addition, although Corporations has taken important steps in strategic planning for its operations, its efforts are undercut by inaccurate statistical information about its actual performance.

Moreover, we found that Corporations does not always process applications within the time limits set by state law. Although Corporations is responsible for some of the delays in processing applications, other factors outside of its control also contribute to lengthy processing times. Also, although there is no legal requirement dictating the length of time Corporations has to resolve complaints, we found examples of unnecessary delays in a sample of complaints that increased the length of the process. Further, the three primary information systems Corporations uses for complaint-related data are unreliable for determining certain critical information because the systems contain too many blank fields, duplicate records, and errors. Finally, Corporations has not conducted many of its required examinations of certain licensees within the last four years.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Referred by the Speaker to the Committee on Banking and Finance.

PRAYER

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Assembly Chaplain Father Constantine C. Pappademos:

Lord, We observe a Day of Remembrance today for those Japanese-Americans who, during World War II, were forced from their homes to live in detention camps. Although they had done nothing wrong, 110,000 American citizens were sent to internment camps in 1942, based only on their suspected intentions and their ethnicity. Yet the humility and dignity shown by that community, when faced with such overt injustice, inspires us today.

We ask, Lord, that You bless those internees on this Day of Remembrance, and that You guide our political leaders to exercise discretion in their governance, even as they seek to protect us in times of war.

Lord, let the dignity and humility of those incarcerated 65 years ago, be an example for us today, so that we may live calmly and serenely, in all piety and virtue.—AMEN.

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Guest Chaplain Pastor Benjamin Hollins of St. Andrews African Methodist Episcopal Church in Sacramento:

Almighty God, Who hast granted unto this nation the democratic ideal by which our destiny may be fashioned: We thank Thee that Thou hast blessed our land to survive the infectious climate of confusion and uncertainty, helplessness and irresponsibility, by preserving among us enlightened and concerned citizens who cherish their heritage and who have purposed in their hearts to extend it. We thank Thee for like-minded leaders whom Thou hast raised up to guide our republic. We would pray that Thou wouldst grant those whom we have entrusted with the authority of government to be responsible and wise, courageous and strong. And guide us, the people, to expect of them and to support them in all wise legislation and a faithful administration that we may all prosper under an equal law. Defend our liberties and grant us a sense of our responsibility. Achieve unity of purpose among us, and grant unto us the victory of faith in the ideals to which we are committed as a nation. Strengthen us with honor and grant us peace. Provide us, O God, with the strength and spiritual sustenance for performing with might the tasks with which our common life yet confronts us; this is our common prayer.—AMEN.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2006-035
 February 15, 2007

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As required by Chapter 875, Statutes of 2004, the Bureau of State Audits presents its audit report concerning the Department of Health Services' (Health Services) progress in carrying out the provisions of the Skilled Nursing Facility Quality Assurance Fee and the Medi-Cal Long Term Care Reimbursement Act of 2004 (Reimbursement Act). The Reimbursement Act required Health Services to implement a new reimbursement rate system that reimburses each facility that serves Medi-Cal beneficiaries based on its cost.

This report concludes that although Health Services promptly created the reimbursement rate and fee systems, it experienced an eight-month delay in calculating the new reimbursement rates and applying them to claims submitted by facilities. Health Services attributed some of this delay to specific tasks that Health Services had to accomplish before the new rate system could be put into effect. Also, Health Services is required to audit the costs reported by facilities, but has not yet fully met the auditing requirement. The Reimbursement Act also imposed a new

fee on each facility to provide a revenue stream that would enhance federal financial participation in the Medi-Cal program. However, Health Services has not reconciled fee receipts to its record of anticipated collections. Conducting a reconciliation would help Health Services promptly identify facilities that are delinquent in the payment of the quality assurance fee (fee) or that may have paid an incorrect amount.

To develop the new reimbursement rate system, Health Services contracted with a consultant as allowed for by the Reimbursement Act. However, when we tried to replicate the reimbursement rate system, neither Health Services nor its consultant were able to provide a complete methodology used to develop the system. Until it can provide such a methodology, we cannot verify that the rates produced by the system are appropriate. In addition, we are concerned about Health Services' continued reliance on contracted services to maintain and update the new reimbursement rate system.

Health Services believes that even though the new reimbursement rate system will produce higher reimbursement rates, the cost of these increases will be offset by the new revenue stream of the fee and will result in a \$176 million savings to the General Fund over three fiscal years, ending with fiscal year 2007–08. However, Health Services' projected savings do not consider \$5.2 million in ongoing costs resulting from the implementation of the Reimbursement Act. Finally, between August 1, 2005, and July 31, 2006, Health Services' contractor responsible for receiving and authorizing payment of facility Medi-Cal claims, authorized over 2,100 duplicate payments totaling in excess of \$3.3 million.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Health.

SPECIAL COMMITTEE MEETINGS

By unanimous consent, the following committee was permitted to meet:

Local Government to hold an informational hearing, on Wednesday, March 14, 2007, at 1:30 p.m., in Room 127.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2006-108
February 27, 2007

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the California Institute for Regenerative Medicine (institute) and the Independent Citizens Oversight Committee (committee) that oversees the institute's operations.

This report concludes that the institute analyzed pertinent information, identified long-term research priorities, and considered the planning practices of other entities in creating its strategic plan. The plan contains strategic goals and mechanisms to measure performance, gauge scientific progress, and ensure accountability, but the institute has yet to implement a process to assess annual progress toward attaining the goals. The committee has approved intellectual property policies intended to provide benefit to the State from patents, royalties, and licenses resulting from institute-funded activities without unreasonably hindering essential research. However, insufficient documentation prevented us from reviewing analyses of research used by the committee's task force in the policy-making process. Further, the policies lack adequate guidance to grantees to ensure access to therapies for uninsured Californians.

The institute has developed a grants administration policy for nonprofit grantees, but it is still developing a policy applicable to for-profit grantees. Further, the institute has policies and procedures to identify and prevent conflicts between the personal interests and the work duties of its employees, members of its working groups, and committee members, but they need some improvement. The institute's contracting policy did not ensure that it received appropriate goods and services at reasonable prices, and its travel reimbursement policy did not provide sufficient control over travel expenses. In response to our concerns about contracting and travel reimbursements, the institute revised certain policies in December 2006. Finally, the institute cannot be certain that the salaries for certain of its positions comply with the requirements of the California Stem Cell Research and Cures Act because its salary-determination process contained errors, omissions, and inconsistencies.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Dear God, Divine Spirit,

As we bow our heads, we open our hearts to feel and experience the love that You pour continually in, through, and around us.

As we observe Women's History Month, may we be ever grateful for and reminded of the shoulders of the women ancestors upon whom we stand.

As we observe Your greatness in the midst of this magnificent Assembly, we call for blessings upon these legislators:

Asking that they be guided in each aspect of service to their constituents;

To stand in truth, honor, and integrity;

To stand humbly knowing that it is not they who do the work, but it is You Who does the work through them;

May they be inspired by Your love as they serve humanity;

May they be illumined by Your light to always seek truth;

May they be guided by Your wisdom to work with authenticity and integrity;

May they always be open and receptive to Your inspiration, guidance, love, wisdom, and truth; and

May they know in each and every moment what You would have them do, where You would have them go, and what You would have them say and to whom.

We thank You for the gifts and the givers.

We thank You in advance, for we know that even before we ask, You have heard us.

We acknowledge You in all that we do.

For this and so much more, we are eternally grateful.

Together in one voice and one heart, we say—AMEN.

Lord, The word love has so many meanings in today’s world, but the greatest meaning and the truest sense of the word love is simply “selfless benevolence”—doing something for someone else without expecting anything in return. Lord, this is the love You have always shown for us and this “selfless benevolence” will be the way that the world recognizes those who believe in You. Thank You, Lord, for loving us first. Give us the strength to love others.—AMEN.

*The Honorable Fabian Núñez, Speaker

Dear Mr. Speaker:

I hereby resign my Assembly District 39 seat, effective today.

As you are aware, the Los Angeles City General Election is scheduled for May 15, 2007, and by my resigning today, the Assembly District 39 election can be consolidated with the city election, saving taxpayers over \$100,000.00. The consolidated election will also serve to draw more voters to the polls. The consolidated election will additionally assure the residents of Assembly District 39 that a replacement Assembly Member will be elected and seated during the crucial state budget deliberations.

I thank you for your continued assistance to me and the residents of Assembly District 39.

Yours truly,

RICHARD ALARCÓN, Assembly Member
Thirty-ninth District

Lord, Many of us have learned recently about King Leonidas and the 300 Spartan soldiers who valiantly fought invaders in 480 B.C., against tremendous odds. The Greek ideal of freedom was the driving force that strengthened those ancient warriors. Your gift of freedom, Lord, also inspired the modern Greek nation to overthrow their tyrannical oppressors in 1821 and Greeks worldwide celebrate their independence day this Sunday. We thank You, Lord, for what we have and for the freedom to live, to worship, and to serve You. Make us mindful that our trust and faith must always be in You, Who will save us and lead us into the blessedness of Your eternal kingdom.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Guest Chaplain Rev. Monsignor Eugene J. Boyle, Retired Pastor, Diocese of San Jose:

I was closely associated with Cesar Chavez as friend and confidant from the day I first met him in 1966 during the March from Delano to this State Capitol—a Peregrinacion (a pilgrimage) he called it—until his death in Arizona on April 23, 1993.

I dare to say the prayer that I believe Cesar would be substantially uttering with you this day:

O God, You have gifted us with the beauty and challenge of this new day. For this we are thankful!

You have brought us into the company of people, who, bound strongly together in the union of brotherhood and sisterhood, are striving to join their efforts with Yours and to extend the full measure of justice, equality and freedom to all. The evidence of Your presence in the midst of this gathering of the caring and concerned is palpable. For this too we are grateful.

Strengthen in us, O Lord, the conviction that effective labor unions, like ours, the United Farmworkers of America, AFL-CIO, are by far the most powerful force in society for the achievement and protection of workers' rights and the improvement of their conditions; that no amount of employer benevolence, no campaign to achieve a sympathetic attitude on the part of the public, no increase of beneficial legislation, as helpful as all these are, can adequately substitute for organizational efforts on the part of workers themselves to achieve a living wage, adequate benefits, especially health insurance and decent working conditions. Never let us forget, O Lord, the word of Pope John Paul II that labor unions are indispensable in modern industrial society and enable us to spread that word far and wide.

We pray, Lord, for all who are deprived of the benefit of union and have to live in poverty—the hungry, the homeless, the immigrant, the working poor in our midst, and all who lack adequate health care. We pray that You awake us to the realization that we all have a vital stake in closing the swelling income gap between the more affluent in our community and the low-paid contingent worker with no job security, no benefits, no health insurance and only the most precarious tomorrow.

We pray for those of Your people who are without legal rights, who are despised and maltreated because of the color of their skin, the tenets of their creed, or orientation of their sexual preference. We pray not only for those who suffer these injustices, but also for those who foster and increase them.

We pray, Lord, for the world today racked with violence and threats of violence. Give us the strength to break this vicious spiral first, in our own hearts, and then in the world around us.

We pray for those who are broken and crippled by violence, exile and war. We pray that a way to peace will continue to be pursued in the Middle East. And we pray especially for the safety and well-being of our service men and women in these troubled countries.

Give us all the wisdom and strength of Your spirit and help us to continue to call forth leaders from among us, on the local and national level, who will ever remind us of what makes for a just and peaceful society and contributes most surely to the common good.

Above all, make us gentle and forgiving and be Yourself merciful to us. Teach us to pardon one another and give us the strength to be compassionate.

You have given us life, this day, this company. Make us always ready to share with others so that the joy and happiness and achievement we experience this day may be the joy and happiness of all forever.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Lieber, Assembly Member Arambula then led the Assembly in the pledge of allegiance to the Flag.

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Guest Chaplain Archbishop Hovnan Derderian, the Primate of the Western Diocese of the Armenian Church of North America:

Almighty God, Gathered today at the Assembly of the State of California we remember the victims of the Armenian Genocide of 1915 and give thanks with a heart full of gratitude to all those who observe April 24 as a day of remembrance.

Amongst the many prominent leaders, the Honorable Mr. Arnold Schwarzenegger, Governor of the State of California has been a strong advocate of historical truths. In his proclamation dated 15th of April 2005, Governor Schwarzenegger declared April 24 a “Day of Remembrance of the Armenian Genocide” perpetrated by the Ottoman Empire.

Our Faith in God obliges us all to be true towards historical facts. As sons and daughters of the Genocide survivors, we uphold firm our respect not only for the lives of the victims who perished in 1915, but above all for the victims of all Genocides since the first Genocide of the 20th century.

Today, we pledge our allegiance for the well-being of the United States of America, where democracy and freedom continues to be the most cherished values of this great nation.

Almighty God, bless the State Assembly of California, the Governor, the members of the Assembly for their dedicated service and sense of responsibility. Grant them all wisdom and perseverance to continue the observance of April 24 as a “Day of Remembrance of the Armenian Genocide”.

Today, citizens of the United States of Armenian descent praise God for the gifts of this wonderful nation. Today, on this day of commemoration, we also remember the departed souls of the brave men and women of the United States Army who have fallen in defense of this nation.

Today, American Armenians throughout this country look highly upon you and are filled with pride and gratitude for your vision and honorable stance in recognition of the truth.

Today, we give thanks to God for your leadership as you work towards building a stronger America which stands firm to protect those who are deprived of justice.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Lieber, Assembly Member Aghazarian then led the Assembly in the pledge of allegiance to the Flag.

March 28, 2007

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The Bureau of State Audits presents its Independent Auditor's Report on the State of California's basic financial statements for the fiscal year ended June 30, 2006. These financial statements are presented on a basis in conformity with generally accepted accounting principles (GAAP). The financial statements show that the State's General Fund had revenues and other financing sources that were approximately \$2.5 billion more than expenditures and other financing uses. The General Fund ended the fiscal year with a fund balance of approximately \$2.7 billion. The GAAP basis government-wide statements include all liabilities owed by the State while the budgetary basis statements that are used to report on the State's budget do not reflect all liabilities.

PRAYER

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Guest Chaplain Rabbi Meyer H. May, Executive Director, Simon Wiesenthal Center:

Eternal G-d, Bless the United States of America and the brave men and women of our forces who have left their loved ones in defense of Freedom.

Bless the State of California, our Speaker and all the women and men of this great Assembly who lead our State with courage and distinction. Grant them the wisdom to continue to enact laws and policies that teach us that the freedoms we cherish are not ours in perpetuity, but must be earned and reclaimed each and every day.

Remind us on this Holocaust Remembrance Day that memory is more than just the record of the past, as a school is more than just a building, and a home is more than a place of residence. Rather, memory must be a pillar of life's unforgettable journeys, moments in time where lessons and values were taught by example and unspeakable acts failed to dim the spirit of truth.

Oh, Heavenly Father, as we struggle to keep peace with an ever changing and increasingly dangerous world, we ask for thy blessings. May Californians be endowed with the eternal teachings . . . to give credence to curiosity . . . to show preference for potentiality . . . to have reverence for responsibility . . . to respect and value our differences.

May our government be one that knows that wealth is not measured by the weight of vaults, but by the height of ideals . . . not by the budgets we balance, but by the beauty we leave untouched for others to enjoy . . .

May this Assembly leave its mark as a friend of truth . . . whose foe is deceit . . . whose instinct is compassion . . . whose inspiration is faith . . . so that Californians will find in this great state a place where lives torn asunder by despots and tyrants can be rebuilt . . . a place where dreams are worth dreaming . . . where sacrifices are worth enduring and where our tomorrows can be even better than our todays.

And let us say, AMEN!

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Lieber, Assembly Member Feuer then led the Assembly in the pledge of allegiance to the Flag.

Without objection, Assembly Member Núñez was granted unanimous consent that Frank Rothman's address be printed in the Journal:

Good afternoon.

Every survivor has their own story to tell. Mine started when Germany occupied Hungary, and I saw with my own eyes when Nazi troops entered our city.

It was a day I will never forget. It was the beginning to our tragic end. It was a day I will never forget. It changed my life forever.

Right away on the outskirts of our city, around an open field, fences were erected and a ghetto was built in a hurry. Then one day, large posters were hung on every street corner indicating that all Jews had to be outside their homes on the sidewalk at seven o'clock in the morning. Anybody disobeying the order would be shot.

All the Jews, men, women and children were rounded up and taken to the newly built ghetto. We spent five miserable weeks there. Then the big blow came. The Nazis decided to empty the ghetto.

In a group of two thousand, we were herded to the railroad station where cattle cars were waiting for us. They pushed us into the cattle cars without giving us any food or water. After the cattle cars were locked, we began to move.

The journey to our destruction began. Our destination was the infamous concentration camp "Auschwitz", which was in Poland, a place especially built to kill people.

After three nights and three days our nightmarish trip was over. We arrived at Auschwitz.

They pushed us out of the cattle cars, a so called selection took place which meant that some young people were ordered to step aside. The rest, men, women, and children were taken directly to the gas chambers and crematoriums. Within a few hours, only their ashes remained.

I lost that morning my beloved Mother, my beloved Father, 2 sisters, one was only 11 years old. They also killed all my uncles, all my aunts, some cousins. Even my 90-year old grandmother was not spared. She too was pushed into the gas chamber and then burned. So started my first day at Auschwitz.

We who were not taken to the gas chamber became slaves. We had to work 12–14 hours a day with little food. Hunger, beatings, torture, humiliation were part of our everyday life. The Nazis committed crimes of such a magnitude that no sane person can grasp it.

We who were at Auschwitz never believed that we would survive. We knew we too would eventually end up in the ovens or the crematoriums. Our biggest fear was that the world would never know what happened to us.

But a few of us with luck did survive.

Now it is our solemn obligation to keep the memories of those dark years alive. We owe this to the millions who were killed, the millions slaughtered in the Holocaust.

It is our duty to remember and honor them.

We must also teach our children, grandchildren, the new generation to fight discrimination, bigotry and hatred, so that similar tragedies won't happen in their lifetime. Let the Holocaust be a constant reminder what evil men can do if we allow them to be in power.

Now I want to express my deep gratitude to you members of the Assembly for carrying the Torch of Remembrance. The flame of this Torch shall never be extinguished. It is a noble task you are performing.

In the name of all survivors here, I salute you.

We are the last living survivors, the last witnesses to the Holocaust.

Many years have passed since the liberation, yet we remain as prisoners trapped in our tragic past. We still grieve, our wounds never healed and we will carry the awful memories of those dark years to our graves.

I hope and pray that future generations will be spared what we had to endure.

May you have Shalom, which in Hebrew means peace.

Thank you all for your attention.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2006-106
April 12, 2007

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Health Services' (Health Services) oversight of skilled nursing facilities.

This report concludes that Health Services did not always follow state and federal laws and regulations and its own policies governing the oversight process. In particular, we found that Health Services has struggled to initiate and close complaint investigations and communicate with complainants in a timely manner. In addition to timeliness issues, Health Services did not correctly prioritize certain complaints it received and understated the severity of certain deficient practices it identified at skilled nursing facilities. It also has yet to implement an Internet-based inquiry system as required by state law to provide consumers with accessible public information regarding skilled nursing facilities.

Further, Health Services needs to improve some of its business practices. In particular, we identified weaknesses in controls over the integrity of data in the complaint-tracking system that could allow erroneous data to be entered into the system without being detected. We also found that, even though Health Services has completed its recent federal recertification workload within federally required time frames, the timing of some recertification surveys are more predictable than others, which diminishes the effectiveness of these reviews. In addition, Health Services has weak controls over its disbursements of funds from the Health Facilities Citation Penalties Account, which limits its ability to ensure the funds are used for necessary purposes.

Finally, Health Services' assertion that staffing shortages have contributed to many of its oversight problems has merit. Although the Legislature authorized an additional 115 facility evaluator positions in fiscal year 2006–07, Health Services continues to struggle to actually fill these positions and faces challenges in training new facility evaluators. Health Services' primary reliance on staff that are registered nurses is also problematic with the current nursing shortage and higher salaries offered elsewhere in state service.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Lord, We pray this morning for the victims of the Virginia Tech massacre, and we ask that You grant rest to their souls, and comfort to their families and friends who grieve for them.

You have said that the eye is the lamp of the whole body. If we focus only on the problems of this life on what we can't do, then that image of mediocrity will limit us. But if we learn to look at life through our eyes of faith, then we will see with our spiritual eyes, not just what exists today, but the life that is possible with You.—AMEN.

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2006-110
April 17, 2007

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Health Services' (department) provider application and referral processes for California's Medical Assistance Program (Medi-Cal). This report concludes that because of recent policy and administrative changes, the department's Provider Enrollment Branch (branch) has seen a decrease in the number of applications it receives from providers seeking to enroll in Medi-Cal; however, the branch does not process some applications within the time periods specified in statute. For instance, during federal fiscal

year 2006, the branch recommended seven applications for denial and sent each to its policy and administrative section (policy section), which generally reviews all denied applications. However, these applications remained in the policy section after their respective due dates had lapsed and because the branch does not track the length of time applications remain in its policy section, it automatically enrolled these ineligible providers. Further, we noted that branch staff enter incorrect and inaccurate data into the Provider Enrollment Tracking System (PETS), decreasing the branch's ability to effectively track the status of applications. Additionally, some applicants resubmit information to remedy their deficient applications soon after the required time period lapses, and state law requires the branch to deny these applications and treat them as new, preventing some eligible providers from offering services as soon as they otherwise could. Also, given that few applicants request preferred provider status and the branch's current low average time to process an application, the status offers applicants few benefits.

Further, the branch does not adequately track which of the department's review units it refers applications to or the reasons for these referrals. Moreover, state law does not prescribe a required number of days within which the branch must approve or deny an application it has referred for further review, and we noted that referred applications take an inordinate length of time to process. Further, although the branch uses fraud indicators to process applications that appear questionable or suspicious, these indicators generally do not align with the reasons the branch ultimately gives for referring applications in the PETS—hindering the branch's ability to track the legitimate reasons it has for referring applications and decreasing its capability to detect potential fraud trends during the enrollment process. Finally, because physicians applying to become providers in Medi-Cal and Medicare are asked to provide much of the same information, and given that the federal government is beginning two initiatives to ensure that more accurate and updated information is available about Medicare providers, the department may be able to rely on some of Medicare's data in the near future.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Health.

California State Auditor

2006-501
April 19, 2007

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the court-appointed receiver, the Bureau of State Audits presents its audit report concerning the California Department of Corrections and Rehabilitations' (Corrections) processes for procuring medical registry services, paying medical registry contractors, credentialing medical care providers, and identifying conflicts of interest related to procuring the medical services.

This report concludes that Corrections improperly awarded nine contracts with a maximum amount of more than \$385 million using the competitive bid process, usually because it failed to correctly apply a 5 percent small business preference. As a result, Corrections gave bidders a larger preference than allowed, causing some to incorrectly receive higher-ranking positions in the hierarchy for responding to prisons' service requests than they should have had. Additionally, Corrections failed to provide complete justifications for awarding two noncompetitively bid contracts with a total maximum amount of almost \$80 million. Corrections could add certain key terms to its medical service contracts to better protect the State's interests. Specifically, some contracts did not provide sufficient assurance to the State that contractors were insured against civil rights claims brought by inmates, and some contracts failed to impose an obligation on the medical care service providers to inspect and monitor the quality of their performance. Prisons failed to demonstrate that they follow the established hierarchy when requesting services. Prisons also did not consistently ensure that rates charged on invoices agreed with contract terms, and both prisons and regional accounting offices failed to ensure that they took advantage of discounts for prompt payment.

Further, Corrections' oversight of its registry contractors' compliance with the licensing and certification requirements contained in its contracts is inadequate. Corrections' credentialing unit did not always verify the credentials of certain types of providers. Specifically, the credentialing unit did not verify the credentials of providers who treat inmates outside of Corrections' facilities or those acting in a supportive role such as pharmacists, laboratory technicians, and physical therapists, rather than independently. The credentialing unit also sometimes verified the credentials of providers after they had begun providing services to inmate patients. Finally, Corrections lacks adequate controls to ensure that it complies with the Political Reform Act of 1974, which is the central conflict-of-interest law governing the conduct of public officials in California.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2007-030
April 26, 2007

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 342, Statutes of 1999, the Bureau of State Audits presents its audit report concerning the State Bar of California's (State Bar) strategic planning, financial outlook, Legal Services Trust Fund Program (legal services program) and disciplinary process.

This report concludes that although the State Bar initiated a strategic-planning process in 2003, many of its departments have not fully completed their plans and selected performance measures, or updated their annual action plans intended to outline steps and timelines for completing their strategic objectives. In addition, the State Bar has determined that its current information technology systems are not sufficient to effectively capture necessary performance measurement data that support the projects identified to achieve its strategic objectives. Because the State Bar has not yet linked its strategic planning process to its budgeting methodology, it cannot ensure that all resources are identified and properly allocated to effectively and efficiently accomplish its statutory mandates.

Moreover, even though it has not fully implemented its strategic planning process, the State Bar is seeking a \$25 increase in the annual membership fees of active members. The State Bar projects that without the fee increase, its general fund expenses will exceed revenues beginning in 2007, resulting in a \$12 million deficit in the general fund balance by December 31, 2010. Our 2005 audit report indicated that statutory changes effective January 2004 might improve the State Bar's ability to recover future disciplinary costs as well as some portion of the \$72.5 million in costs already billed to disciplined members that remain uncollected. Implementation of the new authority remains contingent on the California Supreme Court approving the administrative procedures required to enforce money judgments against disciplined members. However, the State Bar does not anticipate that implementing the law will immediately increase its cost recovery rates since it has found that most of the accumulated billings are owed by disciplined members who have been disbarred or forced to resign and are thus too financially distressed to pay.

The State Bar also needs to improve administration of its legal services program to ensure that it collects all money due from interest on certain trust accounts established by attorneys and properly monitors

legal service providers. Finally, while the State Bar has continued to reduce its backlog of disciplinary cases and improved its procedures for disciplinary case processing, it did not always follow these procedures. cases and improved its procedures for disciplinary case processing, it did not always follow procedures.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

PRAYER

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Hon. Alberto Torrico, Assembly Member, 20th District:

Lord, We gather this morning to begin another week of the people's business, in this the people's house. We ask that You grant each legislator the wisdom to lead our great state, and the humility to discern Your will.

As we honor the Latino Spirit Award recipients this morning, we thank You for all of their contributions and service on behalf of others.

Let our Latino honorees, and their lifetime of public service remind us of a verse from the Book of Matthew, which implores each of us to feed the hungry, and welcome the stranger.

Let the diverse heritage of our Latino honorees, remind us of Leviticus 19:33, which commands us to treat immigrants as if they were native born.

Finally, Lord, we ask that You
 Bless the hands of the people of the earth
 The hands that plant the seed
 The hands that bind the harvest
 The hands that carry the burden of life
 Bless the hands of the workers
 Bless the hands of those in power above them
 That the measure they deal will be tempered with
 justice and compassion

Lord, we ask that You bless all of our recipients, today's ceremony, and the important work that this body will conduct this week.

In Jesus' name we pray.—AMEN.
