California State Auditor

2006-002  
May 10, 2007

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As required by California Government Code, Section 8542 et seq., the Bureau of State Audits presents its audit report concerning our review of the State of California's internal controls and compliance with state and federal laws and regulations for the year ended June 30, 2006.

This report concludes that the State did not materially comply with certain requirements for 18 of its federal programs or clusters of programs. Further, we were unable to obtain sufficient documentation to determine whether the State adequately complied with relevant federal requirements for two programs. Additionally, it continues to experience certain problems in accounting and administrative practices that affect its internal controls over financial reporting and over compliance with federal requirements. As a result, the State has not always complied with some state and federal regulations. Although none of the problems we identified are significant to the State's financial statements, weaknesses in the State's internal control system could adversely affect its ability to provide accurate financial information and to administer federal programs in compliance with applicable requirements.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Above report referred to the Committee on Business and Professions.

We pray for certain qualities of life which will not make us pious, but provide us with—

Wisdom, that we can vote for that which is ultimately right, not momentarily attractive.

Fidelity, that we can trust each other in presenting issues fairly.

Courage, that we may strive for integrity, rather than expediency.

In Our Lord's name.—AMEN.

**REPORTS**

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2006-116  
June 7, 2007

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Medical Board of California's Physician Diversion Program (diversion program).

This report concludes that although the diversion program has made many improvements since the release of the November 2005 report of an independent reviewer, known as the enforcement monitor, there are still some areas in which the program must improve in order to adequately protect the public. For instance, although case managers appear to be contacting participants on a regular basis and participants appear to be attending group meetings and completing the required amount of drug tests, the diversion program does not adequately ensure that it receives required monitoring reports from its participants' treatment providers and work-site monitors. In addition, although the diversion program has reduced the amount of time it takes to admit new participants into the program and begin drug testing, it does not always respond to potential relapses in a timely and adequate manner. Specifically, the diversion program has not always required a physician to immediately stop practicing medicine after testing positive for alcohol or a nonprescribed or prohibited drug.

Further, of the drug tests scheduled in June and October 2006, 26 percent were not performed as randomly scheduled. Additionally, the diversion program currently does not have an effective process for reconciling its scheduled drug tests with the actual drug tests performed and does not formally evaluate its collectors, group facilitators, and diversion evaluation committee members to determine whether they are meeting program standards. Finally, the medical board, which is charged with overseeing the diversion program, has not provided consistently effective oversight.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Above report referred to the Committee on Business and Professions.

As we draw near to Thee now in prayer, do draw near to us today, until we become more sure of Thee than of the midday light. Come to us in the common life that entangles us; meet us in the thorny questions which confront us; make Thy highways through the avenues of sense; clothe us with wisdom and guide us in all of our deliberations today. We ask it all in the Redeemer's Name.—AMEN!*

California State Auditor

2006-115  
June 14, 2007

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the administration of the Carl Moyer Memorial Air Quality Standards Attainment Program (Moyer Program) by the State Air Resources Board (state board) and the four local air districts we visited.

This report concludes that some policies and practices used by the state board and the four local air districts resulted in the Moyer Program achieving less cost-effective emission reductions than it otherwise could have achieved. California law impedes emission reductions by allowing the state board to set aside only 10 percent of Moyer Program funds for projects that operate in more than one district. A higher cap could lead to projects having intended emission reductions with lower costs per ton. Also, the methodology the state board uses to select projects for the multidistrict component undervalues the cost-effectiveness of emission reductions. As a result, the state board did not select some projects with lower costs per ton of intended emission reductions. Additionally, most projects the Bay Area Air Quality Management District used to meet the Moyer Program fund-matching requirement for fiscal year 2003–04 exceeded the maximum cost per ton of emission reductions established by the state board.

Further, we identified some concerns with the administration of the Moyer Program at the state board and the local air districts. The South Coast Air Quality Management District did not spend \$24.1 million in Moyer Program funds by the statutory deadline. Thus, the district

cannot ensure that it is achieving the prompt emission reductions intended by law. The state board is monitoring the district to ensure it spends the funds by July 1, 2007. Also, the state board may not perform on-site audits of local air districts' Moyer programs with sufficient frequency. Without sufficiently frequent on-site audits, errors in the districts' program administration may occur.

Finally, this report includes additional findings related to marketing and project inspections. It also identifies several best practices that can help local air districts select projects that will reduce pollution emissions more cost-effectively, reduce workload, or allow more time for applicants to complete their projects.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Above report referred to the Committee on Environmental Safety and Toxic Materials.

(d) Establish an involuntary exclusion program that allows a gaming operation to halt promotional mailings, deny or restrain the issuance of credit and check cashing services, and deny access to the Gaming Facility to patrons who have exhibited signs of problem gambling.

(g) This section is intended to supplement the Amended Compact and is not intended to supersede or negate any provision of the Amended Compact.

**Section 104. Minimum Internal Control Standards (MICS).**

**Sec. 104.1** So long as the National Indian Gaming Commission does not have the authority to adopt, enforce, and audit minimum internal control standards (MICS) for class III gaming devices and facilities and the State Gaming Agency does not have regulations in effect that contain internal control standards that are no less stringent than those contained in the MICS of the National Indian Gaming Commission, the Tribe agrees to maintain in full force and effect and implement minimum internal control standards for class III gaming that are no less stringent than those contained in the Minimum Internal Control Standards of the National Indian Gaming Commission (25 C.F.R. 542), as they existed on October 19, 2006, and, during that period, to submit to enforcement and auditing by the State Gaming Agency to ensure that the Tribe is in compliance with such MICS. This section is intended to supplement the Amended Compact and is not intended to supersede or negate any provision of the Amended Compact or any regulation that may be adopted by the State Gaming Agency.

**Sec. 104.2** Subject to the confidentiality provisions of the Amended Compact, the Tribe agrees to provide to the State Gaming Agency a copy of the annual financial audit required under Section 8.1.8 of the Amended Compact, as well as a copy of any Class III audit provided to the National Indian Gaming Commission.

**Section 105. Compliance.**

To the extent that a remedy to ensure compliance with this MOA does not exist within the Amended Compact, applicable law, federal and state policy, and any other agreements between the Tribe and pertinent governmental entities or parties, the Tribe agrees to the following provisions:

In recognition of the government-to-government relationship of the Tribe and the State (the "MOA Parties"), the MOA Parties shall make their best efforts to resolve disputes that occur under this MOA by good faith negotiations whenever possible. Therefore, the MOA Parties hereby establish a threshold requirement that disputes between the MOA Parties concerning this MOA first be subjected to a process of meeting and conferring in good faith in order to foster a spirit of cooperation and efficiency in the administration and monitoring of performance and compliance by each other with the terms and provisions of this MOA, as follows:

(a) Either MOA Party shall give the other, as soon as possible after an event giving rise to a dispute under this MOA ("Dispute"), a written notice setting forth, with specificity, the issues to be resolved.

(b) The MOA Parties shall meet and confer in a good faith attempt to resolve the Dispute through negotiation not later than 10 days after receipt of the notice, unless both MOA Parties agree in writing to an extension of time.

(c) If the Dispute is not resolved to the satisfaction of the MOA Parties within 30 calendar days after the first meeting, then either MOA Party may seek to have the dispute resolved by an arbitrator in accordance with this section as follows:

(i) For disputes concerning this MOA, the Tribe consents to binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the streamlined arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent). The sole issue shall be whether or not there has been material compliance with the provision or provisions of this MOA that are the subject of the Dispute, and the sole award shall be either a determination that no material non-compliance has occurred, or a determination that a material non-compliance has occurred and the setting of a reasonable time in which the violating party shall correct the non-compliance. Any corrections awarded shall be reasonable, taking all circumstances into account.

(ii) Any arbitration shall be held on the Tribe's reservation or, if unreasonably inconvenient under the circumstances, at such other location as the MOA Parties may agree.

(iii) Each MOA Party shall bear its own costs, attorney's fees and one-half of the costs and expenses of the arbitration, unless the arbitrator rules otherwise. The provisions of Section 1283.05 of that California Code of Civil Procedure shall apply; provided that no discovery authorized by that section may be conducted without leave of the arbitrator.

(iv) The award of the arbitrator shall be a reasoned decision with findings of fact and conclusions of law in writing and shall be binding.

(v) To effectuate its consent to arbitration, the Tribe shall, in the exercise of its sovereignty, waive its right to assert sovereign immunity in connection with the arbitrator’s jurisdiction and in any action brought in federal court or, if the federal court declines to hear the action, in any action brought in the courts of the State of California that are located in the Riverside County, including courts of appeal (collectively and in said order, the “Court of Competent Jurisdiction”), to (1) enforce the MOA Parties’ obligation to arbitrate, (2) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (3) enforce or execute a judgment based upon the award. The Tribe agrees not to assert, and will waive any defense, alleging improper venue or forum non conveniens as to any Court of Competent Jurisdiction. Either MOA Party may bring an action in the Court of Competent Jurisdiction to compel arbitration under this MOA, to enforce an arbitration award, and to correct, modify or vacate an arbitration award. However, in actions seeking to correct, modify or vacate an award, the standard of review to be applied by said court to the arbitrator’s findings of fact and conclusions of law will be the same as that applied by an appellate court reviewing a decision of a trial court hearing the Dispute and sitting without a jury.

**Section 106. Effective Date**

**Sec. 106.1** This MOA shall be effective upon the effective date of the Amended Compact between the Pechanga Band of Luiseño Indians and the State of California, entered into August 28, 2006, and shall remain in full force and effect through December 31, 2030.

The undersigned sign this MOA on behalf of the State of California and the Pechanga Band of Luiseño Indians.

and the STATE OF CALIFORNIA**

WHEREAS, This Memorandum of Agreement (“MOA”) is entered into on a government-to-government basis by and between the Agua Caliente Band of Cahuilla Indians, a federally recognized sovereign Indian Tribe (hereafter “Tribe”), and the State of California, a sovereign State of the United States (hereinafter “State”); and,

WHEREAS, the Tribe is mindful of important public policy goals and principles which the Governor and Members of the California Legislature desire to secure for all Californians; and,

WHEREAS, the Tribe and the State entered into a Tribal-State Gaming Compact in 1999 and have negotiated an Amendment to the Compact that was executed by the Tribe and the State on August 8, 2006 (hereafter collectively the “Amended Compact”); and,

WHEREAS, the provisions of this MOA are intended to express the mutual intent of the parties to set further agreements between the parties in furtherance of these public policy goals and principles.

NOW THEREFORE, The Tribe and the State further agree to the following:

**Section 101. Child, Family, and Spousal Support Earnings Withholding and Assignment Orders.**

**Sec. 101.1** The Tribe and the State share a deep and mutual concern about the efficacy of the State’s beleaguered child support system. As a matter of comity with the State and its political subdivisions, the Tribe agrees to continue to require that its Tribal Gaming Facility employees comply with state court and agency orders pertaining to child, family, and spousal support concerning employees.

**Section 102. Worker’s Compensation.**

**Sec. 102.1** The Tribe agrees that, if it has not entered into the State’s workers’ compensation system, that it will submit to the State via the State Gaming Agency which, for purposes of this MOA, shall be the California Gambling Control Commission, in an electronic format acceptable to said Agency, a copy of the Tribe’s workers’ compensation policy, manuals, schedules, and other relevant ordinances and documents upon the effective date of this MOA, in accordance with Sections 10.3(a) and 15.8 of the Amended Compact, and thereafter as such policy manuals, schedules and other relevant documents may be amended, rescinded or otherwise modified. This section is intended to supplement the Amended Compact and is not intended to supersede or negate any provision of the Amended Compact.

**Section 103. Problem Gambling.**

**Sec. 103.1** The Tribe agrees to:

(a) Train Gaming Facility supervisors and gaming floor employees on responsible gaming, and to identify and manage problem gambling.

(b) Display at all public entrances, automated teller machines, and exits of the Gaming Facility signage bearing a toll-free helpline number where patrons may obtain assistance for gambling problems.

(c) Maintain a self-exclusion program whereby a self-identified problem gambler may request the halt of promotional mailings, the revocation of privileges for casino services, denial of or restraint on the issuance of credit and check cashing services, and exclusion from the Gaming Facility.

(d) Establish an involuntary exclusion program that allows a gaming operation to halt promotional mailings, deny or restrain the issuance of credit and check cashing services, and deny access to the Gaming Facility to persons who have exhibited signs of problem gambling.

(e) Make diligent efforts to prevent underage individuals from loitering in the area of the Gaming Facility where gaming activities take place.

(f) Reasonably assure that advertising and marketing of gaming activities at the Gaming Facility contain both a responsible gaming

message and on printed advertisements, include a toll-free helpline telephone number for problem gamblers, where practical.

(g) This section is intended to supplement the Amended Compact and is not intended to supersede or negate any provision of the Amended Compact.

#### **Section 104. Minimum Internal Control Standards (MICS).**

**Sec. 104.1** So long as the National Indian Gaming Commission does not have the authority to adopt, enforce, and audit minimum internal control standards (MICS) for class III gaming devices and facilities and the State Gaming Agency does not have regulations in effect that contain internal control standards that are no less stringent than those contained in the MICS of the National Indian Gaming Commission, the Tribe agrees to maintain in full force and effect and implement minimum internal control standards for class III gaming that are no less stringent than those contained in the Minimum Internal Control Standards of the National Indian Gaming Commission (25 C.F.R. 542), as they existed on October 19, 2006, and, during that period, to submit to enforcement and auditing by the State Gaming Agency to ensure that the Tribe is in compliance with such MICS. This section is intended to supplement the Amended Compact and is not intended to supersede or negate any provision of the Amended Compact or any regulation that may be adopted by the State Gaming Agency.

**Sec. 104.2** Subject to the confidentiality provisions of the Amended Compact, the Tribe agrees to provide to the State Gaming Agency a copy of the annual financial audit required under Section 8.1.8 of the Amended Compact, as well as a copy of any Class III audit provided to the National Indian Gaming Commission.

#### **Section 105. Compliance.**

Because the parties desire that the terms of this MOA be enforceable, the parties to this MOA agree to the following enforcement provisions, invocation of which shall be limited to the parties to this MOA, and not by any other person or entity. This MOA is not intended to, and shall not be construed to, create any right on the part of a third party to bring any action to enforce its provisions.

To the extent that a remedy to ensure compliance with this MOA does not exist within the Amended Compact, applicable law, federal and state policy, and any other agreements between the Tribe and pertinent governmental entities or parties, the Tribe agrees to the following provisions:

In recognition of the government-to-government relationship of the Tribe and the State (the "MOA Parties"), the MOA Parties shall make their best efforts to resolve disputes that occur under this MOA by good faith negotiations whenever possible. (c) If the Dispute is not resolved to the satisfaction of the MOA Parties within 30 calendar days after the first meeting, then either MOA Party may seek to have the dispute resolved by an arbitrator in accordance with this section as follows:

(i) For disputes concerning this MOA, the Tribe and the State consent to binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the streamlined arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent). The sole issue shall be whether or not there has been material compliance with the provision or provisions of this MOA that are the subject of the Dispute, and the sole award shall be either a determination that no material non-compliance has occurred, or a determination that a material non-compliance has occurred and the setting of a reasonable time in which the violating party shall correct the non-compliance. Any corrections awarded shall be reasonable, taking all circumstances into account.

(ii) Any arbitration shall be held on the Tribe’s reservation or, if unreasonably inconvenient under the circumstances, at such other location in Riverside County as the MOA Parties may agree. If the parties are unable to agree on a location, the arbitrator shall determine the location.

(iii) Each MOA Party shall bear its own costs, attorney’s fees and one-half of the costs and expenses of the arbitration, unless the arbitrator rules otherwise. The provisions of Section 1283.05 of the California Code of Civil Procedure shall apply; provided that no discovery authorized by that section may be conducted without leave of the arbitrator.

(iv) The award of the arbitrator shall be a reasoned decision with findings of fact and conclusions of law in writing and shall be binding.

(v) To effectuate its consent to arbitration, the Tribe and the State shall both, in the exercise of its sovereignty, waive its right to assert sovereign immunity in connection with the arbitrator’s jurisdiction and in any action brought in federal court or, if the federal court declines to hear the action, in any action brought in the courts of the State of California that are located in Riverside County, including courts of appeal (collectively and in said order, the “Court of Competent Jurisdiction”), to (1) enforce the MOA Parties’ obligation to arbitrate, (2) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (3) enforce or execute a judgment based upon the award. Both the Tribe and the State agree not to assert, and will waive any

defense, alleging improper venue or forum non conveniens as to any Court of Competent Jurisdiction. Either MOA Party may bring an action in the Court of Competent Jurisdiction to compel arbitration under this MOA, to enforce an arbitration award, and to correct, modify or vacate an arbitration award. However, in actions seeking to correct, modify or vacate an award, the standard of review to be applied by said court to the arbitrator’s findings of fact and conclusions of law will be the same as that applied by an appellate court reviewing a decision of a trial court hearing the Dispute and sitting without a jury.

**Section 106. Effective Date**

**Sec. 106.1** This MOA shall be effective upon the effective date of the Amended Compact between the Agua Caliente Band of Cahuilla Indians and the State of California, entered into August 8, 2006, and shall remain in full force and effect through December 31, 2030.

Because the parties desire that the terms of this MOA be enforceable, the parties to this MOA agree to the following enforcement provisions, invocation of which shall be limited to the parties to this MOA, and not by any other person or entity. This MOA is not intended to, and shall not be construed to, create any right on the part of a third party to bring any action to enforce its provisions.

To the extent that a remedy to ensure compliance with this MOA does not exist within the Amended Compact, applicable law, federal and state policy, and any other agreements between the Tribe and pertinent governmental entities or parties, the Tribe agrees to the following provisions:

In recognition of the government-to-government relationship of the Tribe and the State (the "MOA Parties"), the MOA Parties shall make their best efforts to resolve disputes that occur under this MOA by good faith negotiations whenever possible. Therefore, the MOA Parties hereby establish a threshold requirement that disputes between the MOA Parties concerning this MOA first be subjected to a process of meeting and conferring in good faith in order to foster a spirit of cooperation and efficiency in the administration and monitoring of performance and compliance by each other with the terms and provisions of this MOA, as follows:

(i) For disputes concerning this MOA, the Tribe and the State consent to binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the streamlined arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent). The sole issue shall be whether or not there has been material compliance with the provision or provisions of this MOA that are the subject of the Dispute, and the sole award shall be either a determination that no material non-compliance has occurred, or a determination that a material non-compliance has occurred and the setting of a reasonable time in which the violating party shall correct the non-compliance.

Any corrections awarded shall be reasonable, taking all circumstances into account.

(ii) Any arbitration shall be held on the Tribe's reservation or, if unreasonably inconvenient under the circumstances, at such other location in Riverside County as the MOA Parties may agree. If the MOA Parties are unable to agree on a location, the arbitrator shall determine the location.

(iii) Each MOA Party shall bear its own costs, attorney's fees and one-half of the costs and expenses of the arbitration, unless the arbitrator rules otherwise. The provisions of Section 1283.05 of that California Code of Civil Procedure shall apply; provided that no discovery authorized by that section may be conducted without leave of the arbitrator.

(iv) The award of the arbitrator shall be a reasoned decision with findings of fact and conclusions of law in writing and shall be binding.

(v) To effectuate their respective consents to arbitration, the State and the Tribe each shall, in the exercise of its respective sovereignty, waive its right to assert sovereign immunity in connection with the arbitrator's jurisdiction and in any action brought in federal court or, if the federal court declines to hear the action, in any action brought in the courts of the State of California that are located in Riverside County, including courts of appeal (collectively and in said order, the "Court of Competent Jurisdiction"), to (1) enforce the MOA Parties' obligation to arbitrate, (2) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (3) enforce or execute a judgment based upon the award. The Tribe and the State agree not to assert, and will waive any defense, alleging improper venue or forum non conveniens as to any Court of Competent Jurisdiction. Either MOA Party may bring an action in the Court of Competent Jurisdiction to compel arbitration under this MOA, to enforce an arbitration award, and to correct, modify or vacate an arbitration award. However, in actions seeking to correct, modify or vacate an award, the standard of review to be applied by said court to the arbitrator's findings of fact and conclusions of law will be the same as that applied by an appellate court reviewing a decision of a trial court hearing the Dispute and sitting without a jury.

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Hon. Martin Garrick, Assembly Member, 74th District:

*Our Heavenly Father,* We thank You today for the precious gift of life, for each and every one of us in this wonderful state of California. We further thank You for the great gift of freedom You have given each of us here today, and have so generously bestowed upon all who reside in the United States of America. Two hundred and thirty-one years ago last week, in a hall some three thousand miles away, our nation was officially born. Its Founders—each of whom pledged a firm reliance on the protection of Your Divine Providence—affixed their signatures to a Declaration of Independence that for the first time in human history acknowledged the truth that all men are created equal . . . that each and every human being on the face of this earth is endowed by You, O Lord, with certain unalienable rights . . . rights that no man, and no government, can take away. It is therefore the duty of each one of us—particularly those who are privileged to serve in positions of elected office and public trust—to further the cause of these unalienable rights and timeless truths, which today are but imperfectly realized. To this end we invoke Your blessings, Your strength, Your wisdom, guidance and support, and humbly offer our sincere thanks.

As we today hear the words that announced the birth of a new nation, we also ask You to confer Your blessings, Your mercy and Your healing grace upon all those who have defended our freedoms, particularly those brave men and women who have suffered the injuries of battle, and who have given their last full measure of devotion to the nation to which we pledge our allegiance. May all who have served in the armed forces of the United States of America, together with their families and loved ones, fully appreciate the magnitude of our thanks for their service and their sacrifice. And may we all be heartened and healed by Your mercy and grace.

For all of this we pray.—AMEN.

Mr. Speaker: I am directed to inform your honorable body that the Senate on this day adopted:

Senate Joint Resolution No. 13

GREGORY P. SCHMIDT, Secretary of the Senate  
By David Valverde, Assistant Secretary

### FIRST READING OF SENATE BILLS

The following resolution was read:

**SENATE JOINT RESOLUTION NO. 13**—Relative the César Estrada Chávez Study Act of 2007.

**MESSAGES FROM THE GOVERNOR**

The following veto message from the Governor was received and ordered printed in the Journal and the bill ordered to the unfinished business file:

**Veto Message—Assembly Bill No. 1706**

Governor's Office, Sacramento  
July 27, 2007

*To Members of the California State Assembly:*

I am returning Assembly Bill 1706 without my signature.

While this bill is an effort to make the provisions pertaining to sex offender registration in Penal Code section 290 more coherent, several noticeable errors still remain in the bill. I cannot in good conscience sign clean-up legislation that requires future clean-up.

Sex offenders are a major public safety policy concern for Californians. Due to the urgency clause contained in AB 1706, it is not advisable to risk adopting legislation that contains errors that may have an adverse effect on sex offender registration provisions. It is imperative that a clean-up bill that rearranges the provisions that govern released sex offenders should be accurate before it is adopted.

For these reasons I am returning this bill without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

Receipt of Bills

I acknowledge receipt this 27th day of July at 2:40 p.m., of Assembly Bill 1706 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Mikhael Skvarla.

LAWRENCE A. MURMAN

California State Auditor

2006-036  
July 12, 2007

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As required by Chapter 858, Statutes of 2003, the Bureau of State Audits presents its audit report concerning the allocation and use of moneys from the Indian Gaming Special Distribution Fund (distribution fund).

This report concludes that money provided to local governments was used for the statutorily mandated purposes. However, not every project we reviewed was related to an impact from a casino. Although it appears that the intent of the law is that projects are to mitigate the impacts of tribal gaming, there is no specific requirement that they do so. Prior to this year, the Legislature ratified five new compacts and eight amended compacts since the original compacts were ratified in 1999. These post-1999 compacts require tribes to negotiate directly with local governments to mitigate the impacts of casinos, and eliminate the requirement that these tribes contribute to the distribution fund. However, some counties where these casinos are located continue to receive mitigation grant money from the distribution fund for the casinos operated by these tribes as well as from direct negotiations with

the tribes. We also noted several instances when local governments did not use the interest earned on unspent grant funds to pay for expenses related to casino mitigation projects. Rather, the interest was deposited into the local government's general fund or other operational accounts.

Finally, amended compacts that were ratified by the Legislature in June 2007 and are pending approval by the federal Secretary of the Interior, along with one other amended compact that has yet to be ratified, may threaten the future viability of the distribution fund. However, we estimate that this same group of compacts will also provide substantial revenues to the Indian Gaming Revenue Sharing Trust Fund (trust fund) and the State's General Fund. Specifically, our estimates indicate the compacts will eliminate \$92 million in contributions to the distribution fund, increase contributions to the trust fund by \$6.9 million, and increase contributions to the General Fund by between \$174.3 million and \$175.1 million for fiscal year 2007–08. However, if required to fund the shortfalls in the trust fund, within four years the distribution fund would be unable to support the programs that depend on it.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Above report referred to the Committee on Governmental Organization.

California State Auditor

2007-008  
July 24, 2007

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: The Bureau of State Audits presents its audit report of the State Treasurer's Office statement of securities accountability as of December 31, 2006.

The statement of securities accountability presents the securities owned by or pledged to the State directly, or under investment agreements, and those securities held for safekeeping. The State Treasurer's Office is responsible for the safekeeping of all these securities held in the treasury or other depositories. It is not responsible for securities owned by or pledged to the University of California, or for securities in other depositories owned by or pledged to the Public Employees' Retirement System, the State Teachers' Retirement System, the Legislators' Retirement System, or the Judges' Retirement System. For the statement of securities accountability, the State Treasurer's Office assigned dollar amounts to each security for ease of accountability rather than for purposes of valuing securities at cost or market. The dollar amounts assigned represent various values, including the par or face value, the original principal value, or the current outstanding principal balance. Therefore, the dollar amounts presented in the statement of securities accountability should not be used to determine the value of investments owned by, or pledged to, the State. Additionally, the State Treasurer's Office recently changed the

way it accounts for securities held in the vault for general safekeeping. Before September 2006 the State Treasurer's Office accounted for common stock shares at \$1 per share and accounted for bond documents at par value. Now, the State Treasurer's Office has chosen to account for these items based on their number rather than their value. As a result, these items are no longer included in the statement of securities accountability, but are disclosed in Note 4 of this report. The effect of the State Treasurers Office's change decreased the value of securities reported on the statement of securities accountability by \$66.3 billion. We found that the statement presents fairly the securities accountability of the State Treasurer's Office as of December 31, 2006.

We conducted this audit to comply with the California Government Code, Section 13299.1.

Respectfully submitted,

ELAINE M. HOWLE
