REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2007-114
June 12, 2008

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning low-level radioactive waste (low-level waste). The report concludes that public concern related to the disposal of low-level waste will likely increase in the near future as generators of low-level waste in California are losing access to one of the two disposal facilities they currently use. In June 2008 the disposal facility in Barnwell, South Carolina, is scheduled to cease accepting low-level waste from generators in many states, including California. Unfortunately for decision makers, the implications of this pending closure and what it means for the State's policy are not clear-cut. California's current approach to managing low-level waste is significantly affected by the lack of its own disposal facility, as well as incomplete data on the volume of low-level waste in the State.

The audit also revealed that the Department of Public Health (department) and its Radiologic Health Branch (branch) can better protect the public's health by improving their oversight of low-level waste. Specifically, the department has yet to develop dose-based

decommissioning standards that define when a physical location is sufficiently clean from harmful radiation. Further, we found that the department's branch cannot demonstrate that it conducts its oversight inspections on time. The branch's data systems for tracking inspections are not sufficiently reliable, while some inspections were not completed until they were more than a year overdue. The audit also found the branch is unable to justify its recent requests for more resources, such as the fee increases it imposed in 2005 and its requests to the State for more staff in fiscal years 2006–07 and 2007–08. Finally, the branch lacks a reasonable explanation as to why it has not provided the Legislature with data on the amount of low-level waste that is generated in California and requires disposal.

Sincerely,

ELAINE M. HOWLE
State Auditor

PRAYER

Upon invitation of Speaker pro Tempore Lieber, the following prayer was offered by Hon. Paul Cook, Assembly Member, 65th District:

Our Heavenly Father, We thank You today for the precious gift of life, for each and every one of us in this wonderful state of California. We further thank You for the great gift of freedom You have given each of us here today, and have so generously bestowed upon all who reside in the United States of America. Two hundred and thirty-two years ago last week, in a hall some three thousand miles away, our nation was officially born. Its Founders—each of whom pledged a firm reliance on the protection of Your Divine Providence—affixed their signatures to a Declaration of Independence that for the first time in human history acknowledged the truth that all are created equal . . . that each and every human being on the face of this earth is endowed by You, O Lord, with certain unalienable rights . . . rights that no man, and no government, can take away. It is therefore the duty of each one of us—particularly those who are privileged to serve in positions of elected office and public trust—to further the cause of these unalienable rights and timeless truths, which today are but imperfectly realized. To this end we invoke Your blessings, Your strength, Your wisdom, guidance and support, and humbly offer our sincere thanks.

As we today hear the words that announced the birth of a new nation, we also ask You to confer Your blessings, Your mercy and Your healing grace upon all those who have defended our freedoms, particularly those brave men and women who have suffered the injuries of battle, and who have given their last full measure of devotion to the nation to which we pledge our allegiance. May all who have served in the armed forces of the United States of America, together with their families and loved ones, fully appreciate the magnitude of our thanks for their service and their sacrifice. And may we all be heartened and healed by Your mercy and grace.

For all of this we pray.—AMEN.

MESSAGES FROM THE GOVERNOR

The following veto message from the Governor was received and ordered printed in the Journal and the bill ordered to the unfinished business file:

Veto Message—Assembly Bill No. 2106

Governor's Office, Sacramento
July 8, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 2106 without my signature.

While the intent of the author is laudable, there is an existing science-based process by which chemicals are determined to be harmful to the public. I signed legislation in 2005 to require manufacturers that sell any federally regulated cosmetic products to submit a list of their products sold in California along with an identification of any ingredients that cause cancer or reproductive toxicity. This bill circumvents our state's existing process and lacks enforcement and oversight provisions.

Harmful ingredients should be regulated based upon California's existing science-based process, rather than through legislation.

For these reasons, I am returning AB 2106 without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

RECEIPT

I acknowledge receipt this 8th day of July, 2008 at 4:30 p.m., of Assembly Bill 2106 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, and delivered to me personally by Jacqué Roberts.

BRIAN S. EBBERT
Chief Assistant Clerk

The following message from the Governor was received and ordered printed in the Journal:

Governor's Office, Sacramento
July 14, 2008

To the Members of the California State Assembly:

Assembly Bill 1936, in my opinion, constitutes an emergency bill within the meaning of that term as used in Section 12 of Article IV of the Constitution of the State of California, the consideration of which should not await the final enactment of the Budget Bill.

I, therefore, recommend consideration of Assembly Bill 1936 as an emergency measure.

Sincerely,

ARNOLD SCHWARZENEGGER

COMMUNICATIONS

The following communication was presented by the Speaker, and ordered printed in the Journal:

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Dear Dotson: This is to advise you that I have appointed Assemblymember Jim Beall as chair of the Select Committee on Foster Care. I will remain a member of the committee.

Sincerely,

Speaker of the Assembly

The following communication was presented by the Chief Clerk from:

John A. Wagner, Director, Department of Social Services, dated June 9, 2008, submitting letter of transmittal relative to a delay on submitting a report on Implementing Public Authorities and NonProfit Consortia to Deliver In-Home Supportive Services (pursuant to Senate Bill 1780, Chapter 206, Statutes of 1996). Referred by the Speaker to the Committee on Human Services.

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2007-002
June 26, 2008

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by California Government Code, Section 8542 et seq., the Bureau of State Audits presents its audit report concerning our review of the State of California's internal controls and compliance with state and federal laws and regulations for the year ended June 30, 2007.

This report concludes that the State did not materially comply with certain requirements for 29 of its federal programs or clusters of programs. Additionally, we were unable to obtain sufficient documentation to determine whether the State adequately complied with relevant federal requirements for 10 programs. Further, the State continues to experience certain deficiencies in its accounting and administrative practices that affect its internal controls over financial reporting and over compliance with federal requirements. Although none of the deficiencies we identified are material to the State's financial statements, deficiencies in the State's internal control system could adversely affect its ability to provide accurate financial information and to administer federal programs in compliance with applicable requirements.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Commission on Business and Professions.

California State Auditor

2007-122
June 17, 2008

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Health Care Services' (Health Care Services) Medi-Cal billing system, with particular emphasis on its billing instructions and coding for durable medical equipment (medical equipment).

This report concludes Health Care Services' policies and procedures regarding reimbursement methodologies for medical equipment generally agree with state laws, regulations, and federal program requirements. In addition, Health Care Services has adequately informed providers of the required procedures for calculating billings and reimbursements for medical equipment supplied to eligible beneficiaries, including changes to billing and reimbursement procedures and health care codes that have occurred since 2003.

Nonetheless, because Health Care Services has not identified a practical means to monitor and enforce its billing and reimbursement procedures, price controls enacted in 2003 have not met their intended purpose. During 2007 and 2008 Health Care Services conducted a limited review of 21 providers' billings for wheelchairs and their accessories with listed Medicare prices and found that the providers overbilled, and Health Care Services overpaid, about \$1.2 million, or 25 percent of the \$4.9 million those providers billed. Although Health Care Services has recovered almost \$960,000 of the overpayments, it does not know the extent to which other providers may have also overbilled for medical equipment. Health Care Services intends to use postpayment audits to enforce its price controls for medical equipment; however, its current auditing efforts do not provide enough coverage of medical equipment reimbursements to effectively ensure providers' compliance with the billing procedures.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

MESSAGES FROM THE GOVERNOR

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file.

Veto Message—Assembly Bill No. 1666

Governor’s Office, Sacramento
July 18, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 1666 without my signature. This bill is similar to a measure I vetoed last year because it failed to correct the broader inadequacies of California’s meal period law and because it interfered with local governments’ collective bargaining authority.

As the concerns raised in my prior veto message have not been addressed, I am returning this bill without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

Receipt of Bills

I acknowledge receipt this 18th day of July at 11:30 a.m., of Assembly Bill 1666 without the Governor’s signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Mikhael Skvarla.

LAWRENCE A. MURMAN

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 125

Governor’s Office, Sacramento
July 22, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 125 without my signature.

This bill is unnecessary since it simply provides legislative authorization to include the specified issues for districts to review in its annual, independent performance audits of local general obligation bonds. Nothing in current law prohibits a district from including these elements today, even in the absence of this measure.

For these reasons, I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 2576

Governor’s Office, Sacramento
July 22, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 2576 without my signature.

This bill is unnecessary since nothing under current law prohibits employee organizations from working with the district in obtaining the specified information now.

For these reasons, I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Receipt of Bills

I acknowledge receipt this 22nd day of July at 12:50 p.m., of Assembly Bills 125 and 2576 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Mikhael Skvarla.

MESSAGES FROM THE GOVERNOR

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file.

Veto Message—Assembly Bill No. 54

Governor's Office, Sacramento

August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 54 without my signature.

Without comprehensive health care reform that fully addresses affordability, cost containment and shared responsibility, I cannot support health plan mandates that place additional costs on a system that makes coverage less affordable and accessible for Californians.

Under current law, acupuncture coverage is required to be offered by health plans. Approximately 86% of insured Californians already have access to such coverage because they have chosen to purchase such coverage.

These mandates, when taken collectively or individually, increase and shift health care costs to consumers and purchasers.

I continue to call on the Legislature to work with me in the remaining days of this legislative session to enact reforms that embrace prevention strategies, contain costs, and protect consumers.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 628

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 628 without my signature. This bill is similar to a measure I vetoed last year because it failed to correct the broader inadequacies of California's meal period law and because it interfered with local governments' collective bargaining authority.

As the concerns raised in my prior veto message have not been addressed, I am returning this bill without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 1155

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 1155 without my signature.

Current law already gives broad authority to the Department of Managed Health Care (Department) to assess administrative penalties against health plans for a variety of violations, including unlawful provider payment practices of health plans.

The Department has taken a number of actions to resolve payment disputes between plans and providers. Since the creation of the Department's provider complaint unit, it has assisted providers in recovering \$5.8 million in reimbursements. The Department has also collected over \$4.2 million in fines as a result of plans' failure to pay claims in a timely manner and based on other related violations of law.

It is ironic that the Department created an independent dispute resolution process as another mechanism to ensure the appropriate payment of non-contracting providers. Thus far, physicians have not utilized this process. Instead, many continue to engage in the practice of billing the patient when the plan and provider cannot agree on reimbursement. Providers should stop putting the patient in the middle of their payment disputes, and start developing a more comprehensive solution instead of a one-sided approach that AB 1155 represents.

For these reasons, I am returning this bill without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 1292

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 1292 without my signature.

I share the author's concerns that voters in one county in 2006 submitted absentee ballots before receiving sample ballots with candidate statements. However, I cannot support imposing additional costs on local governments in order to address something not shown to be a widespread problem. As absentee voting grows in popularity, it is crucial for absentee voters to ensure they have received and reviewed

the necessary information to make an informed choice. I believe the overwhelming number of absentee voters do this currently, making this bill unnecessary.

For these reasons, I am returning this bill without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 1769

Governor's Office, Sacramento

August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 1769 without my signature.

Currently a specified group of peace officers are exempt from voir dire due to the public need of their critical public safety function. This bill would extend the exemption to yet another specified group, in this instance police and peace officers employed by a community college or school district. All peace officers perform critical public safety functions but not all are exempt. In addition, this bill could reduce the pool of potential jurors, thus creating a strain on the judicial system. The judicial system already has enough difficulty gathering potential jurors. In the event that an officer is unable to serve on a jury, current law already allows jury service exemption for undue hardship, which renders this bill unnecessary.

For these reasons I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 1832

Governor's Office, Sacramento

August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 1832 without my signature.

Current law allows cities and counties, acting as local trustees of state-owned land, to grant lands to federal entities for the completion of publicly beneficial projects, consistent with the principles of the Public Trust Doctrine. Last year, I signed into law SB 815 (Migden, Chapter 660, Statutes of 2007) which authorized the City and County of San Francisco to lease, sell, or otherwise transfer certain tidelands and submerged lands, free of any use restrictions associated with the public trust.

Both current law and SB 815 exemplify the inherent interest cities and counties have in creating partnerships with the federal government and others in utilizing water front lands for the benefit of the people of California. These measures highlight the idea that local government can balance the goal of environmental protection and public access to these lands with economic and homeland security interests.

This bill requires the State Lands Commission to represent the state on boundary issues involving tidelands and submerged lands. Although the state has an interest in the beneficial use of these public assets, I am

unable to sign this bill because it removes local government authorization to grant tidelands and submerged lands to the United States and diminishes local input for these projects.

Local governments should have the ability to enter into these agreements for uses negotiated with the federal government. However, I strongly believe that any future agreements must include reversionary rights should the federal government choose not to use the land in the manner originally proposed.

For these reasons I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 2305

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 2305 without my signature.

This bill is another attempt to curtail the work of charter schools in serving California students and families. It creates another unnecessary, prescriptive, and bureaucratic process for determining whether a charter school or the chartering authority will be administering the statewide pupil assessments. While charter schools generally operate independently from the existing school district structure, current law specifically requires charter schools to have these assessments administered. This bill serves only to impose additional administrative requirements on charter schools.

For these reasons, I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 2396

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 2396 without my signature.

While I recognize that there are many civic and other educational opportunities outside of the classroom, nothing under current law prohibits parents from working with a school to allow their child to participate in civic opportunities if they choose to do so, even without this measure.

For this reason, I am unable to sign this measure.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 2649

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 2649 without my signature.

Current law already requires physicians to determine the competency of, and bear responsibility for, the actions of the medical assistants under their supervision. To enact a law that prohibits a specified task on a specified population is both unnecessary and overly restrictive.

For these reasons, I am returning this bill without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 2843

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 2843 without my signature.

As one of the strongest proponents of After School Programs in California and being familiar with many across the state, I have never seen any of the programs denying the opportunity to provide foreign language activities in their educational enrichment component, particularly since they do not need any additional authority to do so. Therefore, providing a statutory authorization for that option is unnecessary.

For this reason, I am unable to sign this measure.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 2959

Governor's Office, Sacramento
August 1, 2008

To the Members of the California State Assembly:

I am returning Assembly Bill 2959 without my signature.

Existing law allows any voter to request a recount of an election, but protects against abuse by requiring the requesting party to pay a refundable deposit to cover the cost of the recount. This bill would require an elections official to provide the requesting party a daily, itemized estimate of the costs of the recount.

This bill imposes an unnecessary mandate on elections officials. Recounts are requested in a scant few elections and the proponents have failed to demonstrate any abuse on the part of elections officials estimating recount costs. Further, the bill potentially imposes a reimbursable state mandate of unknown costs.

For these reasons, I am returning the bill without my signature.

Sincerely,

ARNOLD SCHWARZENEGGER

Receipt of Bills

I acknowledge receipt this 1st day of August at 3:05 p.m., of Assembly Bills: 54, 628, 1155, 1292, 1769, 1832, 2305, 2396, 2649, 2843, 2959 without the Governor’s signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts.

Assembly Rule 112 Suspended

Assembly Member Spitzer was granted unanimous consent that Assembly Rule 112 be suspended to permit him to read a paper on the Floor of the Assembly.

Parliamentary Inquiry

Assembly Member Spitzer arose to the following parliamentary inquiry:

Assembly Member Mullin stated that Legislative Counsel would have raised its objection regarding the constitutionality of this measure. It’s not in the legal record whether or not Senator Lowenthal received a Legislative Counsel opinion. For the legal record, is there a Legislative Counsel opinion? Or did Assembly Member Mullin just surmise that Counsel issued an opinion?

Reply by Assistant Speaker pro Tempore Saldaña

The Assistant Speaker pro Tempore replied that without objection Assembly Member Mullin would respond instead of the Presiding Officer.

Reply by Assembly Member Mullin

Generally when we have issues with constitutional considerations we request a Legislative Counsel opinion. I do not know factually if Senator Lowenthal’s office requested an opinion. I will acknowledge the point that I do not have that particular information and for the record that was my assessment.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Lori Saldaña, the following prayer was offered by Assembly Chaplain Father Constantine C. Pappademos:

Lord, We pray today for the health of our friends: Tom Berryhill, Sharon Runner and Nell Soto. As physician of our souls and bodies, we ask that You extend Your hand from Your holy dwelling place, and grant them healing.

So often, our desires are determined by the amount of attention we pay to something. What we give our attention to, we will desire. If we focus on our favorite food, we will start thinking about it early in the morning and all throughout the day. Chances are, by the end of the day we'll be eating it. Lord, the world offers so many things for us to give our attention to, but they aren't things that necessarily satisfy us. Only You will truly satisfy us. Grant, Lord, that we hunger and thirst for righteousness—Your way of doing things—that we may be truly satisfied and live in peace forever.—AMEN.

MOTION TO SUSPEND THE RULES

Assembly Member Blakeslee moved that Assembly Rule 63 be suspended to permit returning to File item 52, Assembly Bill No. 1781, the Budget bill, for purpose of consideration.

Assembly Member Benoit seconded the motion.

Parliamentary Inquiry

Assembly Member Spitzer arose to the following parliamentary inquiry:

Why is this a motion to suspend the rules? The Assembly has not been proceeding under the orders of the day. Many items have been taken up out of File item order. The motion to suspend the rules is not the appropriate motion. Assembly Member Blakeslee’s motion should be similar to the motion I made last week; and allowed to debate the motion.

Reply by Acting Speaker Levine

The Acting Speaker replied that last week, as a courtesy, he was granted leniency on this issue and allowed to make a debatable motion. The House has been operating under the orders of the day. When the House has moved out of File item order, it has been done without objection from any of the members. Assembly Member Blakeslee's request to suspend Assembly Rule 63 is in order, it is not debatable, and there is a second.

Parliamentary Inquiry

Assembly Member Spitzer arose to the following parliamentary inquiry:

I never heard Assembly Member Blakeslee say that he was making a motion to suspend the rules.

Reply by Acting Speaker Levine

The Acting Speaker replied the motion to suspend the rules was implied in Assembly Member Blakeslee's request to return to File item 52. In order to return to File item 52, it is necessary to suspend Assembly Rule 63.

Point of Clarification

Assembly Member Blakeslee arose to clarify that his motion was to suspend the rules.

Further Consideration of the Motion to Suspend the Rules

The roll was opened.

Motion lost by the following vote:

CONSENT TO PRINT IN JOURNAL

Pursuant to a roll call vote, Assembly Member De León was granted consent that the following statement of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 2059

August 7, 2008

*Dotson Wilson**Chief Clerk of the California Assembly
State Capitol, Room 3196
Sacramento, California*

RE: AB 2059 (Núñez)

Dear Mr. Wilson:

This letter is intended to clarify my intention in AB 2059 (Núñez) relative to a subscriber's telephone number.

On Section 1 of the bill a person would be required in paragraph (a)(2) of Business and Professions Code section 17514 to disclose the number to which calls are to be placed. However, if the solicitor does not have the phone number for the consumer a space should be provided on the mail solicitation for the consumer to provide this information to the sender of the mailing. By doing this, the sender of the mailing would be in compliance with Business and Professions Code section 17514.

Section 2 of the bill addresses a similar issue relative to consumers who are listed on the federal "Do Not Call" registry in paragraph (f)(2)(B) of Business and Professions Code section 17592. In order to comply with this provision the mailed solicitation should list the subscriber's telephone number which is listed on the federal "Do Not Call" registry. The sender of the mailing may also provide a space for the consumer to provide an alternate number to be contacted to obtain additional information.

I trust this clarifies my intention as to what is required for a mail solicitor to be in compliance with AB 2059 should it be signed into law.

Sincerely,

FABIAN NUÑEZ

PARLIAMENTARY INQUIRY

Assembly Member Spitzer arose to the following parliamentary inquiry:

Assembly Member Parra was given two hours notice to vacate her office space in the Capitol and move her office space across the street to the Legislative Office Building. Pursuant to Assembly Rule 26(a)(4), does the Speaker have the authority to move members' office space from the Capitol to the Legislative Office Building?

Point of Order

Assembly Member Feuer arose to the following point of order:

Assembly Member Spitzer is not raising a parliamentary inquiry. He is using this as an opportunity to debate an issue that is not debatable on the Assembly Floor.

Ruling by Speaker pro Tempore Lieber

The Speaker pro Tempore ruled the point of order well-taken. Pursuant to Mason's Manual of Legislative Procedure, a parliamentary inquiry is a procedural tool to ask a question of the presiding officer concerning a question before the body. A parliamentary inquiry is not an opportunity for an Assembly Member to make a statement.

**Reply by Speaker pro Tempore Lieber
to Assembly Member Spitzer's Parliamentary Inquiry**

The Speaker pro Tempore replied that pursuant to Assembly Rule 26(a)(4), the Speaker has the sole authority to assign office space and the issue is not decided or debated on the Assembly Floor.

PRAYER

Upon invitation of Acting Speaker Levine, the following prayer was offered by Assembly Chaplain Father Constantine C. Pappademos:

Lord, We all like to think that we have a spiritual side . . . that we are sensitive to a reality beyond what is perceptible to the senses. Yet, in our search for a spiritual life we sometimes turn toward an inner truth that is relevant to only ourself. Teach us, Lord, that when we worship the God within us, we will ultimately worship ourselves. Lord, You are transcendent. Help us to move away from an inner truth that is self-limiting and toward You who have revealed Yourself to us through Scripture and Tradition.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Acting Speaker Levine, Assembly Member La Malfa then led the Assembly in the pledge of allegiance to the Flag.

Help us to recognize our common humanity—our ability to love, to learn and to share. Help us to remember and respect that common humanity in all of official deliberations.

Give us victory over selfishness, and the desire to hold back 100% of our work and service because we disagree.

Build in this house a standard of going the extra mile, giving an extra hand, and sacrificial sharing so that our example may be known through our actions and not just our words.

May your blessings be upon us today we pray in thy name.—AMEN.
