PARLIAMENTARY INQUIRIES

8/30/07, If a member references a Legislative Counsel opinion during debate,
should not that document be distributed to the members in accordance to
Mason's Manual of Legislative Procedure? (Spitzer), reply: that according to
Mason's Manual of Legislative Procedure it is an option, not a requirement, to
distribute Legislative Counsel opinions referenced during debate to the members.
The Speaker pro Tempore advised the body that the documents can be printed in
the Journal by unanimous consent of the body (Lieber), 2767

9/6/07, Was SB 5 amended yesterday during a Rules Committee Hearing? (Benoit),
reply: that SB 5 was amended yesterday pursuant to Assembly Rule 68 as a
pre-committee or pre-floor Author's amendment (Lieber), 3041

9/6/07, Were the amendments to SB 5 done on the Floor? (Benoit), reply: that
Author's amendments are done as a part of the committee process (Lieber), 3042

9/6/07, Can Author's amendments be done without a committee meeting occurring?
(Benoit), reply: in the affirmative (Lieber), 3042

PARLIAMENTARY INQUIRIES—Continued

- 9/6/07, Please explain Assembly Rule 68 (Spitzer), reply: that pursuant to Assembly Rule 68, bills are allowed to be amended without a committee hearing at the request of the author and with the consent of the author and committee chair (Lieber), 3042
- 9/6/07, Is the House in violation of the second paragraph of Assembly Rule 68 and Mason's Manual of Legislative Procedure Section 35? (Spitzer), reply: that Mason's Manual of Legislative Procedure is only applicable when the Assembly Rules are silent. Wednesday's Daily Journal, page 2990, indicates that SB 5 was read a second time; Author's amendments presented pursuant to Assembly Rules, read and adopted; bill ordered reprinted, and to be re-referred to the committee (Lieber), 3042
- 9/6/07, Is the second paragraph of Assembly Rule 68 being abided by or not? (Spitzer), reply: that Assembly Rule 68 is being followed the same way it has been for the last 25 years in this Chamber (Lieber), 3043
- 9/6/07, How is the second paragraph of Assembly Rule 68 being followed if SB 5 is being taken up without reference to file? (Spitzer), reply: that earlier today pursuant to a roll call vote, the Assembly Rules were suspended to withdraw SB 5 from the Committee on Rules. The Author's amendments to SB 5 were adopted on Wednesday, according to yesterday's Assembly Journal, page 2990 (Lieber), 3043
- 9/7/07, Madame Speaker do you have a bill on the same subject that did not get out of committee? (Silva), reply: that Assembly Member Silva's question is not a parliamentary inquiry (Lieber), 3068
- 1/24/08, If the Assembly fails to send a bill or bills to the Governor in response to the Governor's proclamation, declaring a fiscal emergency, pursuant to Proposition 58, what will be the scheduled work of the body, if any, on the 46th calendar day and beyond? (Spitzer), reply: that the Legislature has 45 calendar days to respond to the Governor's proclamation, declaring a fiscal emergency, pursuant to Proposition 58. 2/24/08 is the 45th calendar day. There are several committee hearings planned to meet between now and the deadline to ensure that the Assembly can deliver a responsible action to the current budget year's fiscal crisis before 2/25/08 (Nunez), 3804
- 5/28/08, Assembly Member Spitzer stated that he had been standing and waiting to be recognized to debate the amendments to AB 2593 prior to Speaker Bass standing to make the motion to lay the amendments to AB 2593 on the table (Spitzer), reply: that pursuant to Assembly Rule 80, the motion to lay amendments on the table is of a higher precedence than the motion to amend and is not debatable (Saldana), 5458
- 5/29/08, Who placed the call on AB 3011? (Spitzer), reply: that Assembly Member Huffman was recognized as moving a call on AB 3011 and the call would be lifted shortly (Lieber), 5585

PARLIAMENTARY INQUIRIES—Continued

- 8/4/08, Assembly Member Mullin stated that Legislative Counsel would have raised its objection regarding the constitutionality of this measure. It's not in the legal record whether or not Senator Lowenthal received a Legislative Counsel opinion. For the legal record, is there a Legislative Counsel opinion? Or did Assembly Member Mullin just surmise that Counsel issued an opinion? (Spitzer), reply: that without objection Assembly Member Mullin would respond instead of the Presiding Officer (Saldana), reply: Generally when we have issues with constitutional considerations we request a Legislative Counsel opinion. I do not know factually if Senator Lowenthal's office requested an opinion. I will acknowledge the point that I do not have that particular information and for the record that was my assessment (Mullin), 6185
- 8/7/08, When the presiding officer indicates that there are no measures from the Governor, is that reference to a formal transmittal? (Spitzer), reply: that the statement regards formal transmittals of messages from the Governor (Lieber), 6215
- 8/7/08, Does the Assembly have a formal transmittal from the Governor regarding the Budget? (Spitzer), reply: that there are no messages from the Governor (Lieber), 6216
- 8/7/08, Do members of the Assembly have the right to request that the Governor request that the Assembly take up the Budget bill immediately? (Spitzer), reply: all members of the Legislature have the right to communicate with the Governor. The Governor is not a member of the Legislature and does not have the authority to direct the Legislature to take action on any legislation (Lieber), 6216
- 8/7/08, What impact does the Governor's decision to not sign any bills the Legislature sends to him until a Budget is passed have on the proceedings of the House? (DeVore), reply: that the Governor's actions will have no impact on the proceedings of the Assembly (Saldana), 6231
- 8/7/08, Pursuant to Assembly Rules 40 and 63, is it in order to demand the orders of the day? (Blakeslee), reply: it is always in order to demand the orders of the day (Saldana), 6254
- 8/7/08, What is the effect of the Legislature missing the June 15th constitutional deadline to pass the Budget? What would happen if the Legislature adjourns at the end of August without passing a budget? (Adams), reply: that the Assembly may continue to work the Daily File even if the Budget has not been passed. Work continues on the Budget (Saldana), 6255
- 8/7/08, Is it the Speaker's intent, by moving to Adjourn in Memory, to move toward closure of this day's legislative business? (Spitzer), reply: that there is further business to be taken up by the House today (Saldana), 6255
- 8/7/08, If the orders of the day are demanded, how did the House get to the Consent Calendar without taking up File Item 67? (DeVore), reply: that there was not an objection when a request was made to move to the Consent Calendar (Saldana), 6262

PARLIAMENTARY INQUIRIES—Continued

- 8/7/08, Has the House completed all the business on today's Daily File? Is the intent of the presiding officer to take up the Budget bill today? (Spitzer), reply: that the motion to adjourn is pending before the body. Pursuant to the Assembly Rules and Mason's Manual of Legislative Procedure, the motion to adjourn is the highest ranking motion, it is not debatable, and is properly before the House. If the motion to adjourn is adopted by a majority vote of the Members present and voting, today's floor session will conclude (Saldana), 6263
- 8/12/08, Under orders of business, would now be the appropriate time to make a motion to take up the Budget bill which is the next eligible item on the Daily File? (Blakeslee), reply: now would be the time to make that motion (Saldana), 6328
- 8/12/08, What is the result of Assembly Member Torrico's motion to hold bills in enrollment on Assembly Bills? (Spitzer), reply: that the motion gives the Legislature control over its bills (Lieber), 6380
- 8/12/08, As a result of Assembly Member Torrico's motion, does the Speaker have the authority to send some bills to the Governor and not others; or will all bills be sent to the Governor as a group? (Spitzer), reply: that the Speaker and majority of the members have control over the bills. All of the bills will be sent to the Governor according to when the bills passed (Lieber), 6380
- 8/14/08, Why is this a motion to suspend the Rules? The Assembly has not been proceeding under the orders of the day. Many items have been taken up out of File item order. The motion to suspend the Rules is not the appropriate motion. Assembly Member Blakeslee's motion should be similar to the motion I made last week; and allowed to debate the motion (Spitzer), reply: that last week, as a courtesy, he was granted leniency on this issue and allowed to make a debatable motion. The House has been operating under the orders of the day. When the House has moved out of File item order, it has been done without objection from any of the members. Assembly Member Blakeslee's request to suspend Assembly Rule 63 is in order, it is not debatable, and there is a second (Levine), 6506
- 8/14/08, I never heard Assembly Member Blakeslee say that he is making a motion to suspend the Rules (Spitzer), reply: the motion to suspend the Rules was implied in Assembly Member Blakeslee's request to return to File item 52. In order to return to File item 52, it is necessary to suspend Assembly Rule 63 (Levine), 6507
- 8/14/08, Under what authority can the Speaker convene a Floor session on Sunday to debate a budget? (Spitzer), reply: that pursuant to Assembly Rule 2, the Speaker has the sole authority to convene session (Levine), 6510
- 8/18/08, Assembly Member Parra was given two hours notice to vacate her office space in the Capitol and move her office space across the street to the Legislative Office Building. Pursuant to Assembly Rule 26(a)(4), does the Speaker have the authority to move members' office space from the Capitol to the Legislative Office Building? (Spitzer), reply: that pursuant to Assembly Rule 26(a)(4), the Speaker has the sole authority to assign office space and the issue is not decided or debated on the Assembly Floor (Lieber), 6580

PARLIAMENTARY INQUIRIES—Continued

- 8/29/08, Is the purpose of the underlying act to allow State Government to continue in the absence of a budget? (Spitzer), reply: The motion is not properly before the body. Your parliamentary inquiry is out of order (Lieber), 7027
- 8/29/08, Assembly Member Blakeslee's Motion to Recess the Regular Session is defeated. Is the measure AB 24 by Assembly Member Houston in the Third Extraordinary Session defeated for discussion? (Spitzer), 7028
- 8/31/08, Under the Rules of the House is it the practice of the House for the mover of the call to lift the call? (Blakeslee), reply: that the House can decide otherwise to lift a call by a majority of those present and voting under Assembly Rule 101 (Lieber), 7118
- 9/9/08, Is Assembly Member Torrico allowed to object to a motion without stating on the record why he is objecting? (Spitzer), reply: that Assembly Member Torrico does not have to explain why he is objecting. He is simply objecting to the motion to recess (Lieber), 7200

POINTS OF CLARIFICATION

9/5/07, Action taken in the Appropriations Committee on SB 691 would
grandfather in the issue of preemption with existing local ordinances (Leno),
29709/5/07, During the Appropriations Committee hearing on SB 691, it was clarified
that Assembly Member Berryhill's bill would not preempt existing city and
county ordinances. She stated she did vote for Assembly Member Berryhill's
bill and this is not the same bill as Assembly Member Berryhill's bill (Ma), 2970

8/14/08, Clarified that his motion was to suspend the rules (Blakeslee), 6507

POINTS OF INFORMATION

8/28/08, I request of the Speaker and Body that we start Floor session at the
scheduled time (Furutani), reply: that the comments are well-taken (Lieber),
6887

POINTS OF ORDER

- 3/26/07, Assembly Member Spitzer is not speaking to the merits and subject matter of the bill before the House (Arambula), ruling: point of order well-taken (Lieber), 672
- 3/29/07, According to the Rules, condition of the file is a timely motion upon the motion to adjourn (Spitzer), ruling: point of order not well-taken. Pursuant to Assembly Rule 84, speaking on the condition of the file is not a right, but a privilege that is subject to permission from the Speaker (Lieber), 751
- 6/6/07, Members are reading without permission of the body (Dymally), ruling: that members are allowed to refer to their notes, but need permission from the body to read all papers (Richardson), 1968
- 6/6/07, The debate is not on the merits of the bill (Aghazarian), ruling: point of order not well-taken (Lieber), 2017
- 9/7/07, Assembly Member Caballero said that the bill before the body would require actions taken by the Commission to come back to the Legislature to be heard. There is no guarantee in the bill that there will be a hearing on the Commissions actions (Spitzer), ruling: the point of order was not a point of order, but contentions with the remarks made by another Member (Lieber), 3068
- 9/7/07, Assembly Member Saldana is not making a correct representation of what the bill does (Spitzer), ruling: the point of order is not a point of order (Lieber), 3068
- 3/12/08, The announced schedule for today was Floor session in the Third Extraordinary Session. Floor session in the Regular Session was not announced. Do the Assembly rules permit Floor action on bills in the Regular Session? (Benoit), reply: that pursuant to Assembly Rule 2, the presiding officer has the authority to determine the time of convening a session (Lieber), 4226
- 6/23/08, Assembly Member Davis is debating the bill during debate of the motion to reconsider SB 606 (Spitzer), ruling: point of order not well-taken. Pursuant to Mason's Manual of Legislative Procedure section 471, when the question to be reconsidered is debatable, the entire question is opened to debate by the motion to reconsider (Lieber), 5836
- 8/12/08, The prior speaker stated that California should follow what the 9th Circuit Court of Appeals says. When a case is up on appeal by a higher court, it is not citable for purpose of precedent or citation (Spitzer), ruling: point of order not well-taken. The point referenced would be relevant in a courtroom, it is not relevant to the Rules of the Assembly (Lieber), 6333
- 8/18/08, Assembly Member Spitzer is not raising a parliamentary inquiry. He is using this as an opportunity to debate an issue that is not debatable on the Assembly Floor (Feuer), ruling: point of order well-taken. Pursuant to Mason's Manual of Legislative Procedure, a parliamentary inquiry is a procedural tool to ask a question of the presiding officer concerning a question before the body. A parliamentary inquiry is not an opportunity for an Assembly Member to make a statement (Lieber), 6580
- 8/22/08, The question before the body is the motion to reconsider SB 110, not amendments (Torrico), ruling: point of order well-taken (Lieber), 6812

POINTS OF ORDER—Continued

- 8/28/08, Debate should be limited to the amendments taken in the Senate and not debate the bill in chief (Leno), reply: that it would be preferable for Members to restrict comments to the issue that may have changed now that the bill is back for concurrence; however, under the Assembly Rules Members are not restricted simply to debate on the amendments (Lieber), 6916
- 8/29/08, Assembly Member Spitzer is rising for a parliamentary inquiry for the purpose of debating the merits of an issue. The use of a parliamentary inquiry for this purpose is out of order under the Assembly Rules (Feuer), ruling: point of order is well-taken (Lieber), 7027
- 8/29/08, Assembly Member Spitzer is rising for a parliamentary inquiry for the purpose of debating the merits of an issue. The use of a parliamentary inquiry for this purpose is out of order under the Assembly Rules (Feuer), ruling: The measure AB 24 by Assembly Member Houston would have to be discussed in Third Extraordinary Session. The point of order is well-taken (Lieber), 7028
- 8/30/08, Assembly Member Gaines comments should be directed toward the motion to reconsider not the measure (Saldana), ruling: that the Rules of the House allow debate on the merits of the bill on a motion to reconsider (Lieber), 7069

POINTS OF PERSONAL PRIVILEGE

- DeVore, 1829; ruling: point of personal privilege not well-taken (Richardson), 1829
- Laird, 6797; ruling: point of personal privilege not well-taken and informed Assembly Member Laird that time was remaining on his close (Lieber), 6797
- Spitzer, According to the Rules, it is inappropriate to mention a member's name during debate, 1894; ruling: point of personal privilege not well-taken.
- Assembly Rule 111, point of personal privilege, does not allow the use of a member's name during debate to impugn a member's integrity, dignity, or honor. It does not preclude the mentioning of a member's name. Usage and custom also permits the use of a member's name during debate (Lieber), 1894; ruling: point of personal privilege not well-taken (Saldana), 5447

Parliamentary Inquiry—

- 8/30/07, If a member references a Legislative Counsel opinion during debate, should not that document be distributed to the members in accordance to Mason's Manual of Legislative Procedure?, reply: that according to Mason's Manual of Legislative Procedure it is an option, not a requirement, to distribute Legislative Counsel opinions referenced during debate to the members. The Speaker pro Tempore advised the body that the documents can be printed in the Journal by unanimous consent of the body (Lieber), 2767
- 9/6/07, Please explain Assembly Rule 68, reply: that pursuant to Assembly Rule 68, bills are allowed to be amended without a committee hearing at the request of the author and with the consent of the author and committee chair (Lieber), 3042
- 9/6/07, Is the House in violation of the second paragraph of Assembly Rule 68 and Mason's Manual of Legislative Procedure Section 35?, reply: that Mason's Manual of Legislative Procedure is only applicable when the Assembly Rules are silent. Wednesday's Daily Journal, page 2990, indicates that SB 5 was read a second time; Author's amendments presented pursuant to Assembly Rules, read and adopted; bill ordered reprinted, and to be re-referred to the committee (Lieber), 3042
- 9/6/07, Is the second paragraph of Assembly Rule 68 being abided by or not?, reply: that Assembly Rule 68 is being followed the same way it has been for the last 25 years in this Chamber (Lieber), 3043

Parliamentary Inquiry—continued

- 1/24/08, If the Assembly fails to send a bill or bills to the Governor in response to the Governor's proclamation, declaring a fiscal emergency, pursuant to Proposition 58, what will be the scheduled work of the body, if any, on the 46th calendar day and beyond?, reply: that the Legislature has 45 calendar days to respond to the Governor's proclamation, declaring a fiscal emergency, pursuant to Proposition 58. 2/24/08 is the 45th calendar day. There are several committee hearings planned to meet between now and the deadline to ensure that the Assembly can deliver a responsible action to the current budget year's fiscal crisis before 2/25/08 (Nunez), 3804
- 5/28/08, Assembly Member Spitzer stated that he had been standing and waiting to be recognized to debate the amendments to AB 2593 prior to Speaker Bass standing to make the motion to lay the amendments to AB 2593 on the table, reply: that pursuant to Assembly Rule 80, the motion to lay amendments on the table is of a higher precedence than the motion to amend and is not debatable (Saldana), 5458
- 5/29/08, Who placed the call on AB 3011?, reply: that Assembly Member Huffman was recognized as moving a call on AB 3011 and the call would be lifted shortly (Lieber), 5585
- 8/4/08, Assembly Member Mullin stated that Legislative Counsel would have raised its objection regarding the constitutionality of this measure. It's not in the legal record whether or not Senator Lowenthal received a Legislative Counsel opinion. For the legal record, is there a Legislative Counsel opinion? Or did Assembly Member Mullin just surmise that Counsel issued an opinion?, reply: that without objection Assembly Member Mullin would respond instead of the Presiding Officer (Saldana), reply: Generally when we have issues with constitutional considerations we request a Legislative Counsel opinion. I do not know factually if Senator Lowenthal's office requested an opinion. I will acknowledge the point that I do not have that particular information and for the record that was my assessment (Mullin), 6185
- 8/7/08, When the presiding officer indicates that there are no measures from the Governor, is that reference to a formal transmittal?, reply: that the statement regards formal transmittals of messages from the Governor (Lieber), 6215
- 8/7/08, Does the Assembly have a formal transmittal from the Governor regarding the Budget?, reply: that there are no messages from the Governor (Lieber), 6216
- 8/7/08, Do Members of the Assembly have the right to request that the Governor request that the Assembly take up the Budget bill immediately?, reply: all members of the Legislature have the right to communicate with the Governor. The Governor is not a member of the Legislature and does not have the authority to direct the Legislature to take action on any legislation (Lieber), 6216

- 8/7/08, Has the House completed all the business on today's Daily File? Is it the intent of the presiding officer to take up the Budget bill today?, reply: that the motion to adjourn is pending before the body. Pursuant to the Assembly Rules and Mason's Manual of Legislative Procedure, the motion to adjourn is the highest ranking motion, it is not debatable, and is properly before the House. If the motion to adjourn is adopted by a majority vote of the Members present and voting, today's floor session will conclude (Saldana), 6263
- 8/12/08, What is the result of Assembly Member Torrico's motion to hold bills in enrollment on Assembly Bills?, reply: that the motion gives the Legislature control over its bills (Lieber), 6380
- 8/12/08, As a result of Assembly Member Torrico's motion, does the Speaker have the authority to send some bills to the Governor and not others; or will all bills be sent to the Governor as a group?, reply: that the Speaker and majority of the members have control over the bills. All of the bills will be sent to the Governor according to when the bills passed (Lieber), 6380
- 8/14/08, Why is this a motion to suspend the Rules? The Assembly has not been proceeding under the orders of the day. Many items have been taken up out of File item order. The motion to suspend the Rules is not the appropriate motion. Assembly Member Blakeslee's motion should be similar to the motion I made last week; and allowed to debate the motion, reply: that last week, as a courtesy, he was granted leniency on this issue and allowed to make a debatable motion. The House has been operating under the orders of the day. When the House has moved out of File item order, it has been done without objection from any of the members. Assembly Member Blakeslee's request to suspend Assembly Rule 63 is in order, it is not debatable, and there is a second (Levine), 6506
- 8/14/08, I never heard Assembly Member Blakeslee say that he is making a motion to suspend the Rules, reply: the motion to suspend the Rules was implied in Assembly Member Blakeslee's request to return to File item 52. In order to return to File item 52, it is necessary to suspend Assembly Rule 63 (Levine), 6507
- 8/14/08, Under what authority can the Speaker convene a Floor session on Sunday to debate a budget?, reply: that pursuant to Assembly Rule 2, the Speaker has the sole authority to convene session (Levine), 6510
- 8/18/08, Assembly Member Parra was given two hours notice to vacate her office space in the Capitol and move her office space across the street to the Legislative Office Building. Pursuant to Assembly Rule 26(a)(4), does the Speaker have the authority to move members' office space from the Capitol to the Legislative Office Building?, reply: that pursuant to Assembly Rule 26(a)(4), the Speaker has the sole authority to assign office space and the issue is not decided or debated on the Assembly Floor (Lieber), 6580

SPITZER, TODD, CHIEF WHIP/ASSEMBLY MEMBER—Continued

Parliamentary Inquiry—continued

- 8/22/08, Is SB 1092 a budget trailer bill?, reply: in the affirmative (Lieber), 6796
- 8/29/08, Is the purpose of the underlying act to allow State Government to continue in the absence of a budget?, reply: The motion is not properly before the body. Your parliamentary inquiry is out of order (Lieber), 7027
- 8/29/08, Assembly Member Blakeslee's Motion to Recess the Regular Session is defeated. Is the measure AB 24 by Assembly Member Houston in the Third Extraordinary Session defeated for discussion?, 7028
- 9/9/08, Is Assembly Member Torrico allowed to object to a motion without stating on the record why he is objecting?, reply: that Assembly Member Torrico does not have to explain why he is objecting. He is simply objecting to the motion to recess (Lieber), 7200

Per Diem—

- Letter requesting that since the budget has been passed that per diem be resumed for any future legislative business, 7264
- Letter to waive per diem until the budget is enacted, 7197

Point of Order—

- 3/29/07, According to the Rules, condition of the file is a timely motion upon the motion to adjourn, ruling: point of order not well-taken. Pursuant to Assembly Rule 84, speaking on the condition of the file is not a right, but a privilege that is subject to permission from the Speaker (Lieber), 751
- 9/7/07, Assembly Member Caballero said that the bill before the body would require actions taken by the Commission to come back to the Legislature to be heard. There is no guarantee in the bill that there will be a hearing on the Commissions actions, ruling: the point of order was not a point of order, but contentions with the remarks made by another Member (Lieber), 3068
- 9/7/07, Assembly Member Saldana is not making a correct representation of what the bill does, ruling: the point of order is not a point of order (Lieber), 3068
- 6/23/08, Assembly Member Davis is debating the bill during debate of the motion to reconsider SB 606, ruling: point of order not well-taken. Pursuant to Mason's Manual of Legislative Procedure section 471, when the question to be reconsidered is debatable, the entire question is opened to debate by the motion to reconsider (Lieber), 5836
- 8/12/08, The prior speaker stated that California should follow what the 9th Circuit Court of Appeals says. When a case is up on appeal by a higher court, it is not citable for purpose of precedent or citation, ruling: point of order not well-taken. The point referenced would be relevant in a courtroom, it is not relevant to the Rules of the Assembly (Lieber), 6333

SPITZER, TODD, CHIEF WHIP/ASSEMBLY MEMBER—Continued

Point of Personal Privilege, According to the Rules, it is inappropriate to mention a member's name during debate, 1894; ruling: point of personal privilege not well-taken. Assembly Rule 111, point of personal privilege, does not allow the use of a member's name during debate to impugn a member's integrity, dignity, or honor. It does not preclude the mentioning of a member's name. Usage and custom also permits the use of a member's name during debate (Lieber), 1894; ruling: point of personal privilege not well-taken (Saldana), 5447

PARLIAMENTARY INQUIRIES

1/14/08, Under Proposition 58 the Legislature has 45 days to act once the Governor declares a fiscal emergency. When do the 45 days begin? Also if the Legislature fails to act within 45 days, what remedy if any, is available to the Governor? (Spitzer), reply: that the 45 calendar days begin on 1/11/08, the day after the proclamation was received by the Assembly. 2/24/08 is the 45th calendar day. Legislative Counsel is currently reviewing the issues relating to the implementation of Proposition 58 (Lieber), 7

1/14/08, Is it not correct that if the Legislative Counsel has not provided an opinion whether or not on the 45th day without legislative action, one of two actions can occur? 1) The Governor's proposed budget changes, midyear and other, would automatically take effect; or 2) The 45 days is a fiction under Proposition 58, the voters did not empower the Governor with any real authority in that 45 days come and go and a failure by the Legislature to act could result in the Governor declaring another fiscal emergency, thus starting another 45 days? (Spitzer), reply: that those issues are currently under review by the Legislative Counsel (Lieber), 8

1/14/08, When do you think the Legislative body will be given any information or an opinion about when the 45 days run and what it means? (Spitzer), reply: that the issue is currently under consideration by the Legislative Counsel. All members are entitled to confer with Legislative Counsel on this same issue or any other issue (Lieber), 8

3/12/08, Pursuant to Mason’s Manual of Legislative Procedure, Section 124, it is inappropriate to use another Member’s name during debate, remarks should be limited to the question before the House, and references to personalities should be avoided (Spitzer), ruling: point of order well-taken (Lieber), 95
