PRAYER

Upon invitation of the Chief Clerk, the following prayer was offered by Rabbi Allen I. Freehling, Rabbi Emeritus, University Synagogue, Los Angeles:

When thinking about our being together this afternoon, and when we consider the awesome challenges and responsibilities each of you assume, as this new season of your laboring together gets underway, it is my hope and prayer that you will allow the Biblical prophet Isaiah to be your constant guide today and during those many days ahead. Especially when profound problems and confounding perplexities seem to be the most daunting, our ancient sage would urge you to turn and say to one another: “Come now; let us reason together.” Why? Because it will be by this means that you will be most productive.

In turn, we, who have called upon you—individually and as a body—to unconditionally represent us to the best of your ability, will be inclined to measure your many accomplishments and then declare that by your deeds you have caused this place to be “The city of righteousness; the faithful city.”

So, what is required of you as you tirelessly do the people’s business? (That you) “Be strong and resolute” in your doing everything possible to respond to the needs of every child and adult who seeks your care, compassion, strength, understanding and wisdom.

Despite the economic uncertainties and those related societal burdens that now rest upon your shoulders, listen to Isaiah; he reminds you that you have no other choice but to act courageously and faithfully. “Feed the hungry, clothe the naked, lift up the downtrodden,” and make it possible for all of us, who sent you here, to be assured of a better tomorrow and the next day after that.

May God be with each and all of you now and always!—AMEN.

SPEAKER'S ADDRESS PRINTED IN JOURNAL

Without objection, the following text of the Organizational Session Address by Speaker John A. Pérez was printed in the Journal:

John A. Pérez

Speaker of the Assembly

Organizational Session Address

Members of the Assembly, I want to thank you for once again placing your trust and confidence in me to serve as Speaker another term. I am honored and deeply humbled by your faith in my service.

Under the Constitution, the Speaker of the Assembly and the President Pro Tempore of the Senate are required to announce their goals and objectives for the Legislative Session during the inaugural meeting of that session. We know precisely what our goals must be: getting California back to work and putting California's fiscal house in order.

It's fitting that we start this session in the presence of so many of our friends and family. Serving in office can at times be difficult, but having loved ones to return home to makes serving our state easier. But your presence also underscores the fact that California is a family, and as a family, we need to overcome our challenges together.

And I particularly want to welcome our newest members who have asked for the responsibility to serve at an historic moment for our state. I am very much looking forward to getting to know you and work with you over these next two years.

As Speaker, one of my most important roles is to help you be the best representative for your communities that you can be, so I want you to know my door is always open to you. This is particularly important because the challenges facing our state will require a united and focused effort from all of us.

That fact is underscored by the presence of so many constitutional officers and state leaders, and I want to thank them for attending.

Each and every one of us knows that the economic pain wracking California will not subside until the 2.3 million Californians on the unemployment line find decent, quality jobs. Job creation is our top priority, and it's central to putting California back on the pathway to prosperity.

And this is a part of our continuing budget problems—

Until Californians go back to work, our deficit will not be eliminated.

As we continue the hard work of finding those solutions in the New Year, we should look to what we were able to accomplish in the last session.

With respect to jobs, I am proud of what we have accomplished. We came together and approved tax credits to increase green job growth and to jumpstart the construction industry. We approved a 30 million dollar package for small businesses that increases access to capital so they can expand and hire new workers. I asked small business leaders to sit down with me to identify areas where the state can help them recover, and we came together to support that package which will create jobs for Californians.

Each of us has also been working in our respective districts. I've held job fairs throughout the 46th Assembly District, and many other members have done the same.

But we absolutely know that it's not enough. This was a down payment on the kind of job creation efforts we need to be working on together. That's why I want to encourage each and every one of you to put forward your ideas on job creation. This is work we can accomplish together. And it is work that is vital to solving our budget problems. We must find budget solutions that do not cause catastrophic job losses.

That was our primary aim in the last budget, and I am pleased we were able to keep 400,000 teachers, cops, firefighters, healthcare workers, private sector workers and small business owners working.

While the Fiscal Year 10/11 budget process has been concluded, there is one issue that has remained a point of contention between Governor Schwarzenegger and the Assembly. That is the vital program that assists low income parents afford childcare and keep their jobs. This is a program that keeps working people working. The folks who utilize this program are the people who have successfully struggled to get themselves off of welfare. They are working to make a better life for themselves and their family, and that is admirable. With the Governor's decision to unilaterally wipe out this program, he put more than 60,000 Californians in danger of having to abandon the jobs they have and go back on welfare simply because they can't afford childcare.

Throughout the longest budget process in California history, we maintained that our number one priority was protecting jobs, and this is emblematic of the kind of cuts that kill jobs and hurt the economy that we spent 100 days trying to avoid.

Despite the Governor's line-item veto, we have stepped up to provide bridge funding to keep this program operational through the holidays by transferring money from our own budget savings. We partnered with First Five Commissions all throughout the state to keep these parents and childcare providers working. That was the first step.

Today, I am taking the second step by introducing a bill that will fully restore this program and keep the parents and childcare providers working. We will not stand idly by while others force parents back onto the welfare rolls and drive providers to the unemployment line. Failing to act will cost taxpayers far more than the cost of providing childcare.

This is about jobs, and I do not believe we can afford to take even a single step back on job creation and retention. We are facing some difficult choices and we cannot make our future problems worse by making the wrong decisions in addressing our present crisis.

The budget is a document of extraordinary complexity, and we need to make sure that the people of California know very clearly why we make the decisions we make, which means we need to build on the efforts to increase transparency in the process.

We held more than 100 budget hearings in Sacramento . . . more than any of our predecessors. But we also went beyond Sacramento, holding budget forums in every region of California because the people of California must be included in the conversation.

We posted the salaries of legislative staffers on our website, because we have an obligation to ensure that the people have access to information that will keep us accountable. And when the outrageous and shameful situation in the City of Bell made it to the light of day, the Assembly responded swiftly and forcefully to ensure that the flagrant

and arrogant abuse of power in one city can not take root in others. Government needs to be held accountable at every level . . . local, state and federal.

The City of Vernon, in my own district, provides another example for why this is true. For years, the entrenched leaders of that city have operated with impunity and no accountability. They have abused the trust of the taxpayers and been bad neighbors to the cities that surround Vernon. Recent reports have shown the city operates as something close to a racket. This is an unacceptable situation, which is why Cameron Smythe, the Chair of the Local Government Committee and I have joined together to introduce a bipartisan bill that will disincorporate the City of Vernon.

The episodes in Vernon and Bell clearly underscore the need for openness and transparency in office, and we must hold ourselves to the same standard.

Quite frankly, the challenges facing our state demand that every Californian be a part of the conversation, which means every Californian must be able to have a voice in the process.

I firmly believe the more transparency built into the process, the stronger the final product will be, whether it's a budget or a bill. This is important as we move forward on closing another massive deficit in a way consistent with California's values.

However, this year, the process will be fundamentally different. The voters, in their wisdom, passed Proposition 25, which amended the Constitution to require a simple majority to pass the budget. I believe they did this for two reasons: to decrease the gridlock and increase accountability.

Frustrated with years of late budgets, the voters decided that California's budget should be approved by a simple majority, as is the case in 47 other states and the federal government. But just because this budget can be passed by a simple majority of 41 doesn't mean that only 41 members have a responsibility for putting California's fiscal house in order. That is a responsibility shared by all of us.

I want to speak directly to my Republican colleagues. Over the past nine months, I have enjoyed working, and occasionally sparring, with you. And I know that each and every one of you is motivated by the same basic desire to serve our state. I firmly believe you have a role to play in crafting policy for California, which is why I have appointed Republicans to serve as Chairs of two committees.

We are facing a dire situation, one that was created before any of us served in this chamber. But we are serving now, and each of us has a responsibility to find solutions for our challenges. No party has a monopoly on wisdom or good ideas, and right now, California needs wise and dedicated people from all over the spectrum working together to move us forward.

We are facing a 25 billion dollar deficit this year with projections of continuing huge deficits for years to come. The sheer size of the number is breathtaking. Closing a deficit of this magnitude will require some difficult votes. But no vote we ever take is going to come close to the pain a person feels waking up each day wondering how they are going to provide for their family without a job.

That must be our focus. We are privileged to serve, and this is the price of that service. We were elected to do a job, and we must do it.

Next month, Jerry Brown will once again be sworn in as Governor of California. He has already begun meeting with Legislative Leaders to close our deficit. He and I have had several productive conversations, but we both recognize that our entire state must be involved in this process. He is committed to increasing transparency in the budget. He shares our commitment in not only closing this deficit, but in finally ending the structural deficit that has only been magnified by the recession.

Until we eliminate our long-term structural problems, we will continue to struggle with endless deficits and growing debt. In 2008, the global financial system seized up and nearly collapsed, sending our economy into a tailspin. In 2009, we struggled for a year to keep our state solvent. In 2010, our focus was to prevent the crisis from getting worse, especially with respect to jobs. 2011 must be the year where we stop reacting and start moving forward.

The best way to ensure a strong future for our state is to bring our budget back into balance and to restore long-term stability to our finances so we can make the kind of investments that will ensure California's future remains golden.

This will not be easy. Nor will the solutions come overnight. But we must work with Governor-elect Brown and our partners in the Senate to develop a budget plan that not only meets our obligations to balance the budget one year at a time, but also puts us on a disciplined, multi-year program to eliminate the structural deficit. And we have to approach this not as Democrats or Republicans, but as Californians. This is a goal worthy of the people of California, and one I am absolutely confident we can meet.

Getting our finances in order will allow us to build the infrastructure to tap the job potential in fields like green manufacturing and biotechnology are already strengthening our economy. We know these will revolutionize the world economy the same way technology was able to in the last century. Those jobs are going to be created somewhere. And they must be created here. California is the natural home to these industries. We can maintain our status as a global powerhouse if we make the right investments in our future.

Each of us benefited from an earlier generation of Californians who made the decision to invest in opportunity for each and every one of our citizens. That is a legacy that has given California an almost mythical stature in our nation and the world. But that legacy is threatened, and we must respond accordingly. It will be difficult, but to paraphrase President Clinton, "there is nothing wrong with California that can't be fixed by what's right with California." Our state is known for its exceptionalism, inventiveness and creativity, and we will use these traits to overcome our challenges.

We must close our deficit responsibly. We must put our state on a focused, disciplined pathway to eliminate the structural deficit. And we must continue to fight for policies that will put unemployed Californians back to work.

This is an enormous responsibility, but it's one worthy of the people of California. We have a lot of work to do, so let's get to work.

Thank you.

Open Meetings

11.3. (a) Except as otherwise provided in this rule, all meetings of the Assembly or a committee thereof shall be open and public, and all persons shall be permitted to attend the meetings. As used in this rule, "meeting" means a gathering of a quorum of the Members of the Assembly or a committee in one place for the purpose of discussing legislative or other official matters within the jurisdiction of the Assembly or committee. As used in this rule, "committee" includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), may be held only after full and timely notice to the public as provided by the Joint Rules of the Assembly and Senate.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

(2) To consider matters affecting the safety and security of Members of the Legislature or its employees, or the safety and security of any buildings and grounds used by the Legislature.

(3) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated litigation, or whether to initiate litigation, when discussion in open session would not protect the interests of the Assembly or committee regarding the litigation.

(d) A caucus of the Members of the Assembly that is composed of members of the same political party may meet in closed session.

(e) A closed session may be held pursuant to paragraph (3) of subdivision (c) under any of the following circumstances:

(1) An adjudicatory proceeding before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator, to which the Assembly or a committee, Member, or employee thereof is a party, has been initiated formally.

(2) Based on existing facts and circumstances, a point has been reached where, in the opinion of the Assembly or a committee thereof, on the advice of its legal counsel, litigation against the Assembly or a committee, Member, or employee thereof is reasonably anticipated.

(3) Based on existing facts and circumstances, the Assembly or a committee thereof has decided to initiate, or is deciding whether to initiate, litigation.

(4) To confer with, or receive advice from, its legal counsel and negotiator prior to the purchase, sale, exchange, or lease of real property by or for the Assembly or a committee thereof regarding the price and terms of payment for the purchase, sale, exchange, or lease.

(f) Prior to holding a closed session pursuant to paragraph (3) of subdivision (c), the presiding officer of the Assembly or the chair of the committee, as appropriate, shall state publicly which paragraph of subdivision (e) is applicable. If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be

discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property that the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum is exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

(h) For purposes of paragraph (3) of subdivision (c), "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(i) For purposes of this rule, all expressions of the lawyer-client privilege other than those provided in this rule are hereby abrogated. This rule is the exclusive expression of the lawyer-client privilege for the purposes of conducting closed-session meetings pursuant to this rule.

(j) Disclosure of a memorandum required under this rule shall not be deemed a waiver of the lawyer-client privilege provided for under Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code.

(d) In order to prevent duplication and overlapping of studies between the various investigating committees herein created, a committee may not commence the study of any subject or matter not specifically authorized herein or assigned to it unless and until prior written approval thereof has been obtained from the Committee on Rules.

(e) The Committee on Rules shall provide for the expenses of the above committees and their members and for any charges, expenses, or claims they may incur under this rule, to be paid from the Assembly Operating Fund and disbursed, after certification by the Chairperson of the Committee on Rules or his or her authorized representative, upon warrants drawn by the Controller upon the State Treasury.

Membership of Standing Committees

12. The Speaker shall determine the size, and appoint the membership and the chairperson and vice chairperson, of all standing committees and subcommittees. In appointing Members to serve on committees, the Speaker shall consider the preferences of the Members.

Committee on Rules

13. There is a Committee on Rules, which acts as the executive committee of the Assembly. No regular member of the Committee on Rules may simultaneously serve as a chairperson of any standing committee. All meetings of the Committee on Rules that are required to be open and public shall be held in a room of appropriate size, and audio or video transmission of those meetings shall be provided.

(10) To make available to and furnish to the Assembly, and to Assembly investigating committees created at this session and to each of the members thereof, clerical, secretarial, and stenographic help as may be reasonably necessary for the Assembly to carry out its work, and for the committees and each of the members thereof, to make and carry on the studies and investigations required by or of them by the resolutions creating the committees, and for these purposes to employ additional stenographic and secretarial assistants as may be necessary, assign, reassign, and discharge these assistants and prescribe amounts, times, and methods of payment of their compensation. The committee shall allocate annually an amount for the operation of each investigating committee, which shall constitute the annual budget of the committee.

The two members from the political party having the second greatest number of Members shall be appointed from a list of nominees that the vice chairperson of the committee provides to the chairperson. The co-chairs of the Assembly Legislative Ethics Committee also shall be members of the subcommittee. The Chairperson of the Committee on Rules shall designate one of the members of the subcommittee to serve as chair of the subcommittee.

(b) The subcommittee shall formulate and recommend to the Committee on Rules procedures for the handling of any complaint of sexual harassment lodged against a Member of the Assembly or an Assembly employee. Those recommendations shall be submitted to the Committee on Rules no later than 30 days following the appointment of the membership of this subcommittee.

(c) Following the submission of the recommendations pursuant to subdivision (b), the chair of the subcommittee may cause the subcommittee to convene to review and recommend further changes in procedures as subsequent events may require.

Committee on Rules

15. The Committee on Rules shall continue in existence during any recess of the Legislature and after final adjournment and until the convening of the next regular session, and shall have the same powers and duties as while the Assembly is in session. In dealing with any matter within its jurisdiction, the committee and its members have and may exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which rules are incorporated herein and made applicable to the Committee on Rules and its members.

Independent Audit of Operating Funds

15.6. The Committee on Rules shall contract for an independent audit of the revenues and expenditures, for each fiscal year, from the Assembly Operating Fund. The organization performing the audit shall be selected by a majority of the membership of the Committee on Rules. The contract for the audit shall be awarded through a competitive bidding procedure. The audit shall be prepared in a manner and form to be determined by the organization performing the audit, and shall be consistent with generally accepted accounting principles.

The audit shall be completed and made available to the public within 180 calendar days following the completion of the fiscal year for which the audit is performed.

Performance Audit

The Committee on Rules, acting unanimously by appropriate resolution, on behalf of and in the name of the Assembly, may extend congratulations, commendations, sympathy, or regret to any person, group, or organization, and may authorize the presentation of suitably prepared copies of these resolutions to the persons concerned and to their relatives.

Assembly Operating Fund

17. The Committee on Rules is the committee identified in Section 9127 of the Government Code. The balance of all money in the Assembly Operating Fund, including money now or hereafter appropriated, except the sums that are made available specifically for the expense of designated committees or for other purposes, is hereby made available to the Committee on Rules for any charges or claims it may incur in carrying out the duties imposed upon it by these rules or by Assembly or concurrent resolution. The money made available by this rule includes the unencumbered balances of all sums heretofore made available to any Assembly or joint committee by the Assembly, upon the expiration of that committee, and shall be expended as provided in these rules.

Expenditures

The Committee on Rules shall provide, by rules and regulations, for the manner of authorizing expenditures by Members, committees, officers, and employees of the Assembly that are not otherwise authorized by law, these rules, or the Joint Rules of the Senate and Assembly. These rules and regulations shall incorporate a provision whereby construction, alteration, improvement, repair, or maintenance of real or personal property, and the purchase of supplies and equipment, shall be governed by competitive bidding. Further, the rules and regulations shall provide for the payment of expenditures, as authorized by these rules and regulations, from the Assembly Operating Fund upon certification of claims therefor to the Controller by the Committee on Rules or its authorized representative.

A Member may not be reimbursed for travel outside the State of California without prior approval of the Speaker or the Committee on Rules.

Rules and Regulations Governing Committees

20. All claims for expenses incurred by investigating committees of the Assembly shall be approved by the Committee on Rules, or its authorized representative, before the claims are presented to the Controller.

All proposed expenditures, other than expenditures of the funds of an investigating committee, shall be approved by the Committee on Rules or its authorized representative before the expenses are incurred, unless the expenditure is specifically exempted from this requirement by the resolution authorizing it.

No warrant may be drawn in payment of any claim for expenses until the approval of the Committee on Rules, or its authorized representative, has been obtained in accordance with this rule.

The Committee on Rules shall adopt rules and regulations governing the awarding of any contract by an investigating committee, and rules and regulations limiting the amount, time, and place of expenses and allowances to be paid to employees of Assembly investigating committees or other Assembly committees.

These rules may provide for allowances to committee employees in lieu of actual expenses.

Mileage is an allowance to a committee employee in lieu of actual expenses of travel. 21. Each witness summoned to appear before the Assembly or any of its committees shall be reimbursed at a rate set by the Committee on Rules.

Assembly General Research Committee

22. (a) The Assembly General Research Committee is hereby continued as a permanent factfinding committee pursuant to Section 11 of Article IV of the California Constitution. The committee is allocated all subjects within the scope of legislative regulation and control, but may not undertake any investigation that another committee has been specifically requested or directed to undertake. The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. Each subcommittee shall be known and designated as a select committee. The Speaker is the Chairperson of the Assembly General Research Committee and may be a voting member of any subcommittee. Each member of the Assembly General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups, and to report thereon to the full committee. The Committee on Rules is authorized to allocate to any subcommittee from the Assembly Operating Fund those sums that the Committee on Rules deems necessary to complete the

investigation or study conferred upon that subcommittee. The Committee on Rules shall further allocate, from time to time, to the Assembly General Research Committee from the Assembly Operating Fund those sums that are necessary to permit the Assembly General Research Committee and the members thereof to carry out the duties imposed on them. The committee has continuous existence until the time that its existence is terminated by a resolution adopted by the Assembly, and the committee is authorized to act both during and between sessions of the Legislature, including any recess.

(b) The committee and its members shall have and exercise all the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to the committee and its members.

(c) The committee has the following additional powers and duties:

(1) To contract with other agencies, public or private, for the rendition and affording of services, facilities, studies, and reports to the committee as the committee deems necessary to assist it to carry out the purposes for which it is created.

(3) To report its findings and recommendations to the Legislature and the people from time to time.

(4) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this rule.

Assembly Legislative Ethics Committee

22.5. (a) The Assembly Legislative Ethics Committee is hereby created. The committee shall consist of six Members of the Assembly, appointed by the Speaker. Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second greatest number of Members in the Assembly shall be made from a list of nominees that the Minority Floor Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairs of the committee. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or

the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, apply to the committee and govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee has the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as "standards of conduct."

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

A complaint may not be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event,

the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the appropriate law enforcement agency. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the appropriate law

enforcement agency. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the appropriate law enforcement agency. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the

Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

The action to refer a bill is not debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one calendar day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

Presentation of Guests or Memorials in the Assembly

45.5. These rules do not prohibit the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests. A request that a session of the Assembly adjourn in memory of a person shall be made in writing. The request shall be read by the presiding officer immediately prior to adjournment.

A. Bills and Resolutions**Bills Defined**

46. (a) The word "bill," as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

(1) It shall be given only one formal reading.

(2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. (a) Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members.

(b) After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or joint resolution may at any time during a session send the same to the Chief Clerk's desk.

(c) When received at the Chief Clerk's desk each bill shall, under the proper order of business, be numbered, read the first time, printed, and referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills and constitutional amendments introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

(d) The Committee on Budget may introduce a bill germane to any subject within the jurisdiction of the committee in the same manner as any Member. Any other standing committee may introduce a total of five bills in each year of a biennial session that are germane to any subject within the proper consideration of the committee.

(e) No committee, except the Committee on Budget, may introduce or author a House Resolution, Concurrent Resolution, or Joint Resolution.

(f) A committee bill may not be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

(g) Subdivision (d) or (e) of this rule may be suspended with respect to a particular bill or resolution by approval of the Committee on Rules.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, an action may not be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 40 bills in the regular session. As used in this rule, “bills” includes constitutional amendments.

(b) Notwithstanding subdivision (a) of this rule, a Member may introduce not more than five resolutions in the regular session. As used in this rule, “resolutions” include House, Concurrent and Joint Resolutions, but do not include resolutions introduced by a Member for the specific purpose of organizing a session that is convened pursuant to Article IV, Section 3(a) of the State Constitution or resolutions introduced by the Speaker as part of a session honoring a retiring Assembly Member.

(c) This rule may be suspended with respect to a particular bill or resolution by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refers it to some other committee. A motion to refer a bill is not debatable, except as to the propriety of the motion, and it may not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author’s amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Resolutions

53. All resolutions shall be numbered and may be referred to the appropriate committee by the Committee on Rules.

Each resolution shall be signed by each Member who is an author or coauthor of the resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of his or her immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. A committee or subcommittee may not meet during any session of the Assembly, nor may any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee may not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Setting and Hearing Bills in Committee

56.1. All bills referred to a standing committee pursuant to Assembly Rule 51 shall be set and heard, if requested by the author, as

specified by the Joint Rules. If the analysis of an author's amendment that is subsequently adopted pursuant to Assembly Rule 68 discloses that the amendment makes a substantial substantive change to the original bill as referred by the Rules Committee, the bill as amended shall either be set and heard by the committee having jurisdiction of the bill as amended or re-referred to the Committee on Rules pursuant to the Assembly Rules.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee constitutes a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, is required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a

standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. An action taken by a committee may not be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote may be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule does not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. A chairperson of a standing committee may not preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills

Daily File

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided that Rule 58 has been complied with in the order of their listing. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. A bill may not be considered or acted upon on the floor of the Assembly unless and until a copy of the bill as introduced, and a copy of each amended form of the bill, has been distributed to the desk of each Member in hard copy or in portable document format (PDF) via computer.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. The Budget Bill may not be voted upon for final passage on the floor of the Assembly unless it complies with subdivision (f) of Section 12 of Article IV and Sections 1.3 and 20 of Article XVI of the California Constitution.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the effect of the amendment upon the bill can be readily understood by all of the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. A bill, concurrent resolution, or joint resolution may not be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Analysis of Conference Committee Amendments

68.7. A report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may not be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. A conference report may not be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) A conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may not approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change is deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term “heard” means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

Amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, are not in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. A copy of a bill that has been amended only to add coauthors to the bill is not required to be placed upon the desks of the Members if both the Speaker and Minority Leader grant an exemption.

Amendments offered from the floor during a bill’s second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk’s desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill’s second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk’s desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member’s desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, “bill” does not include a joint or concurrent resolution, but does include a constitutional amendment.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk’s desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day. This subdivision does not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) A motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, is not in order on (1) the last two legislative days preceding the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution or (2) the last seven days preceding the scheduled commencement of the interim study recess or the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly. This subdivision may be suspended temporarily by two-thirds vote of the Members present and voting. This subdivision does not apply to amendments to a bill pursuant to Joint Rule 23.5, amendments to a bill to add or delete an urgency clause, or amendments to a bill to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to him or her.

Consideration of Bills Amending the California Stem Cell Research and Cures Act

69.2. Pursuant to Section 8 of the California Stem Cell Research and Cures Act (Proposition 71 of the November 2, 2004, statewide general election), the following requirements apply to a bill that would amend the provisions of that act:

(a) The bill may not be passed until, 14 days prior to the date of passage, copies of the bill in its final form are made available by the Chief Clerk to the public and the news media.

(b) Passage of the bill requires the affirmative votes of 56 Members.

**Electronic Distribution of Bills, Conference Reports,
Amendments, and Analyses**

69.5. Any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members is satisfied by electronic distribution of the same information in portable document format (PDF) via computer to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. A bill may not be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded requires an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money requires an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it may be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. Concurrence in any Senate Amendment to an Assembly bill requires the same affirmative recorded vote as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed by the

Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

- First—To adjourn;
- Second—To recess to a time certain;
- Third—To lay on the table;
- Fourth—For the previous question;
- Fifth—To set as a special order;
- Sixth—To postpone indefinitely;
- Seventh—To refer to or to re-refer;
- Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. An appeal is not in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

- (1) "Shall the decision of the Speaker be sustained?"
- (2) "Shall the decision of the Speaker be overruled?"

An appeal may not be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal may not be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting decides any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and may not be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly sine die.

To Recess to a Time Certain

85. A motion to recess to a time certain is treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and may not be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table may not be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members, and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business is adopted by an affirmative recorded vote of 54 or more members. The motion is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain is deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion

to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but an “amendment to an amendment” may not be amended. A motion to substitute is deemed to be a motion to amend and is considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. An amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is not in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

A motion or proposition on a subject different from that under consideration may not be admitted as an amendment.

An amendment is not in order that changes the original number of any bill.

A Member may not be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. A motion, whether oral or written, may not be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) A bill or resolution may not be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdivision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee requires a majority of those members present and voting. A motion to withdraw a motion to withdraw is not in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that an action may not be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. A motion to rescind the action and expunge the record may not be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. A motion to reconsider may not be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and takes precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and further action may not be taken prior to the next legislative day. When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, “bill” does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order on the last legislative day preceding January 31 of the even-numbered year. The motion must be taken up before the end of that legislative day.

As used in this paragraph, “bill” does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, “bill” does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion must be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill requires an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill requires an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day takes precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider is the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider requires a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant-at-Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant-at-Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and a person may not be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom a leave of absence has not been granted, shall be forthwith taken into custody wherever found by the Sergeant-at-Arms, his or her assistants, or any person designated by the Sergeant-at-Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

A recess or adjournment may not be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly excuses that member by a majority vote of the Members present and voting.

A Member may not operate the voting switch of any other Member, except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the voting switch of the presiding Member, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that he or she was present and did so

refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote that had been taken during his or her absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed. The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under

consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor. A Member may not speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question has the right to open and close the debate thereon. A Member may not be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. A Member may not yield to any other Member the time for which he or she is entitled to speak on any matter.

Rules of Decorum

108.1. (a) In accordance with Rule 10, Members of the Assembly shall conduct themselves in accordance with the rules of decorum specified in Sections 120 to 126, inclusive, of Mason's Manual of Legislative Procedure.

(b) Notwithstanding subdivision (a), the Committee on Rules may adopt additional rules of decorum by majority vote of the membership of the committee.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. A Member may not absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. A Member may not obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is

recorded on the roll call for any vote. If a Member does not explain his or her reason for being late, any other Member may raise a point of order under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. A Member or other person may not be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take his or her seat, until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

Committee of the Whole

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chair of the Committee on Rules.

A lobbyist, as defined by Section 82039 of the Government Code, may not, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

A person other than a Member of the Legislature, the Sergeant-at-Arms or his or her assistants, the Chief Clerk or his or her

assistants, or the Legislative Counsel or his or her representatives, may not be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Floor Attire

118.1. Notwithstanding any other provision of these Rules, Members of the Legislature, officers or employees of the Legislature, accredited members of the press, or any other persons may be restricted from admission to the floor of the Assembly during any session if they are inappropriately attired. The Committee on Rules may, as necessary, adopt policies to implement this rule.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. A motion to disqualify a Member is not in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended, and his or her membership on any committee is thereupon suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted, and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice thereof to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller may not draw any warrant payable to that Member except as provided in this rule.

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2011-601
December 21, 2010

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The California State Auditor presents its evaluation of California's American Recovery and Reinvestment Act of 2009 (Recovery Act), Section 1512 reporting on jobs created and retained (jobs data). This report is another in a series of reports we have issued regarding the State's implementation of the Recovery Act.

Our report concludes that although the federal Office of Management and Budget (OMB) and the California Recovery Task Force (task force) provide explicit guidance to Recovery Act recipients on how to calculate the jobs data each quarter—as mandated by the Recovery Act—state agencies do not always report their jobs data accurately. Of the five state agencies we reviewed that reported recipient-level jobs data, two did not follow this guidance. For example, one state agency reported triple the actual number of jobs created and retained, which resulted in an overstatement of 71 full-time equivalent positions. In addition, that same state agency calculated its jobs data using incorrect months. Further, three of the five state agencies did not include paid time off in the total number of hours worked as specified in the task force guidance.

Additionally, we found that although OMB advises recipients to be prepared to justify their jobs data estimates and the task force provides recommendations to state agencies on how to ensure that data submitted by their subrecipients is accurate and supported, state agencies do not follow the guidance completely. Specifically, all of the state agencies conducted an analysis for reasonableness of their subrecipients' data, whereas only one state agency reviewed their subrecipients' jobs data calculation methodology, and none of the state agencies reviewed supporting documentation to ensure the accuracy of the jobs data. In one example, a state agency tripled the number of actual jobs reported by its subrecipient in addition to other errors, which resulted in a net overstatement of 545 jobs for the quarter. Furthermore, we identified jobs data errors for two of the five local subrecipients we reviewed.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Business and Professions.

California State Auditor

2010-002.1
December 14, 2010

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: Pursuant to guidance issued by the U.S. Office of Management and Budget (OMB), the California State Auditor's Office (State Auditor's Office) presents its interim report concerning various state departments' administration of federal programs during fiscal year 2009–10. With the passage of the American Recovery and Reinvestment Act of 2009 (Recovery Act) comes a renewed emphasis on accountability and public transparency to ensure federal funds are spent properly. A key component of such accountability and transparency is the annual report from the State Auditor's Office on internal control and compliance with federal laws and regulations. OMB's June 2010 guidance stresses the importance of auditors communicating promptly any identified internal control deficiencies to management and those charged with governance. In addition, the guidance states that it is imperative that deficiencies in internal control be corrected by management as soon as possible to ensure proper accountability and transparency for expenditures of Recovery Act awards.

This interim report summarizes audit results pertaining to 20 federal programs administered by eight departments. Five of the eight departments received Recovery Act funding through nine programs during fiscal year 2009–10. The State Auditor's Office has currently identified 17 findings regarding the eight departments' administration of these federal programs during fiscal year 2009–10. In many cases the findings are recurring issues we identified in past audits. The findings focused on various federal requirements including those regarding allowable costs, reporting, and monitoring subrecipients'—such as counties—use of funds. We also reported that the departments fully

corrected 28 findings that we included in last year's annual audit report. The specific federal programs, and their administering state departments, are listed in the table of contents.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Business and Professions.

California State Auditor

2010-106
November 18, 2010

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning state and local agencies' compliance with the Dymally-Alatorre Bilingual Services Act (Act).

This report concludes that the State Personnel Board (Personnel Board) is not meeting most of its responsibilities under the Act. The Personnel Board has not informed all state agencies of their responsibilities under the Act and has not ensured that state agencies conduct language surveys to assess their clients' language needs. In addition, the Personnel Board does not obtain necessary information from state agencies that would allow it to evaluate their compliance with the Act and does not order deficient agencies to take the necessary actions to ensure they have sufficient qualified bilingual staff and translated written materials to address the language needs of their substantial populations of limited-English-proficient (LEP) clients. Moreover, the Personnel Board's complaint process needs improvement because it does not ensure that complaints are resolved in a timely manner and its report to the Legislature does not adequately address whether state agencies are complying with the Act.

We also found that state agencies are not fully complying with the Act. Although nine of the 10 agencies we reviewed conducted language surveys in 2008, four reported inaccurate survey results for one or more of their local offices, and two did not have sufficient documentation to support their survey results. In addition, only one of the state agencies we reviewed formally analyzed its survey results to determine whether the use of other available options, in addition to qualified bilingual staff in public contact positions, was serving the language needs of its clients as the Act requires. Further, none of the state agencies we reviewed had adequate procedures in place to determine whether they met the Act's requirements to translate certain written materials for their substantial LEP populations. Furthermore, most of the state agencies we reviewed have not developed plans to address their staffing deficiencies and translated written materials deficiencies. We also found that some state agencies are not maximizing opportunities to reduce their costs of providing bilingual services by leveraging existing state contracts for interpretation and translation services.

Finally, our survey of local government administrators and department managers in 25 counties and cities throughout California found that some are not fully addressing their clients' bilingual needs. As a result, their clients may not be receiving the government services to which they are entitled.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committees on Local Government and Public Employees, Retirement and Social Security.

We also call to mind, Lord, the heroes who were present that day, who put an end to the terrible violence. Since we know that this world is not Paradise, we look to You for protection when evil confronts us. Bless us all this day, Lord, and be with us every day of our life.—AMEN.

MESSAGES FROM THE GOVERNOR

The following budget message from the Governor was received and ordered printed in the Journal:

January 10, 2011

To the Senate and the Assembly of the California Legislature:

I hereby submit to you my proposed Budget for 2011–12.

This Budget proposes a far-reaching realignment of government functions by restoring to local government authority to make decisions that are best made closer to the people, not in Sacramento. My plan also envisions reorganizing state government to make it more efficient and save scarce tax dollars by consolidating or eliminating functions. Since it will take some time to fully implement these changes, I propose to ask the voters for a five-year extension of several current taxes so that we can restructure in an orderly manner with minimal disruption.

If we make the tough decisions now and put our accounts in order, we will again make California the national leader in job creation as our nation slowly recovers from the current recession.

We begin 2011, after the longest budget stalemate in the history of California, with a budget gap of more than \$25 billion. Short-term measures and gimmicks adopted in recent years did not solve our problem and in fact made it worse. This Budget closes our short-term budget gap and also eliminates projected future deficits.

The Budget focuses on the core functions of government and maintains essential services. Nowhere is this more important than in our public schools, which have taken big cuts in recent years.

Along with responsibilities returned to local government through the proposed realignment, the Budget provides dedicated and ongoing revenues.

As California's economy begins to recover—and recover it will—our restructuring plan will make California government more transparent, efficient and responsive to the people.

This is a tough budget for tough times. I look forward to working with you and taking decisive action without delay.

Sincerely,

EDMUND G. BROWN JR.

Receipt

I acknowledge receipt this 10th day of January 2011 at 10:25 a.m., of the budget for the 2011–12 fiscal year, together with an explanatory message delivered to me personally by Jacque Roberts.

ADJOURN IN MEMORY

Speaker Pérez was granted unanimous consent that when the Assembly adjourns on this day it do so out of respect to the memory of Judge John M. Roll, Gabriel Zimmerman, Dorwan Stoddard, Phyllis Schneck, Dorothy Morris, and Christina-Taylor Green, victims of the shooting in Arizona.

(Assembly Rule 45.5 suspended.)

REMARKS BY SPEAKER OF THE ASSEMBLY

Members, I rise to request that we adjourn in memory of the men, women and young girl who were killed this weekend in Arizona. They are: John Roll, age 63, who served as a federal judge; Gabriel Zimmerman, age 30, who was an aide to Congresswoman Giffords; Dorwan Stoddard, age 76; Phyllis Schneck, age 79; Dorothy Morris, age 76; and most tragically of all, Christina-Taylor Green, age 9, who was born on September 11, 2001 and had just been elected President of her class at school when her life was taken.

By now, we are all familiar with the terrible events that occurred on Saturday. We are praying for the swift and speedy recovery of Congresswoman Giffords and the other victims who survived the shooting. And we mourn the men and women who lost their lives that day.

Certainly, much of the news has focused on the condition of Congresswoman Giffords, and on the deaths of her aide and Judge Roll. They died while serving our country in an official capacity. But we must also remember that the other victims of this shooting were also performing a service to our country. They were taking part in government as active and informed citizens.

As a nation whose laws are derived from the just consent of the governed, the highest duty each and every one of us has is to embrace our roles as citizens and to take part in the governing process. The fact that these men and women died in performance of that duty deeply saddens us all, and compounds this tragedy further.

As public servants, every single person under this dome knows that the privilege to serve the people comes with both risks and rewards, and this shooting is a terrible reminder of the risks. But we must remember that the ultimate reward is the opportunity to make our state and country a better place through our service. And that must continue to be our focus.

We live in an era of unprecedented economic pain. Millions of Californians and Americans are suffering on a daily basis, and as the events on Saturday showed all too clearly, sometimes that suffering leads to tragedy. While it will be some time before we fully understand the events leading up to the shooting, we already understand the pain our nation is suffering, and our duty to bring relief to that suffering.

Forty years ago, our nation was wracked by division and anger. Though the causes were very different, the effects were the same, and one victim of that violence was Dr. Martin Luther King, Jr. On the evening of his assassination, Senator Robert Kennedy was scheduled to address a rally in Indianapolis. It fell to him to inform the audience that Dr. King had been shot and killed. He understood the gravity of his words, and I believe they have a special resonance today. Senator Kennedy said:

“What we need in the United States is not division; what we need in the United States is not hatred; what we need in the United States is not violence and lawlessness, but is love and wisdom, and compassion toward one another, and a feeling of justice toward those who still suffer within our country . . .

We can do well in this country. We will have difficult times. We’ve had difficult times in the past. And we will have difficult times in the future. It is not the end of violence; it is not the end of lawlessness; and it’s not the end of disorder.

But the vast majority of . . . people in this country want to live together, want to improve the quality of our life, and want justice for all human beings that abide in our land.”

As we are called upon to solve challenges unprecedented in the modern history of California, we need to remember that the ties that bind us are far stronger than the small issues that divide us.

As we honor our fellow citizens who will be laid to rest, let us remember that fact and rededicate ourselves to serving our nation and state. That is the highest honor we can pay to the men and women who gave their lives on Saturday.

Members, I request you join me in adjourning in memory for these men and women, and I ask that the Assembly observe a moment of silence. Thank you.

MOMENT OF SILENCE OBSERVED

The Assembly observed a moment of silence to honor those who were wounded and those who were killed in the terrible events that occurred this weekend in Arizona.

Without objection, the following text of Governor Brown's State of the State Address was printed in the Journal:

Governor Edmund G. Brown Jr.
2011 State of the State Address
January 31, 2011

Thank you Lt. Governor Newsom, Speaker Pérez, President Pro Tem Steinberg, Senate Republican Leader Dutton, Assembly Republican Leader Conway, constitutional officers, members of the legislature, distinguished guests, and my fellow citizens:

First of all, I wish to thank all of you in this chamber for the cordiality and good will that you have extended to my wife and me during these opening days of what will be an extraordinarily difficult and wrenching legislative session.

California faces a crisis that is real and unprecedented. Each of us will have to struggle with our conscience and our constituencies as we hammer out a sensible plan to put our state on a sound fiscal footing, *honestly* balance our budget and position California to regain its historic momentum.

Although our state's economy has started to recover, we will not create the jobs we need unless we get our financial house in order. It's absolutely essential that we do our work boldly and without delay.

My intention is to make California again a leader in job creation, renewable energy and state of the art efficiency, innovation of all kinds and a solid primary and secondary education. Our universities are world renowned and I intend to see that they continue to enjoy the respect of students and scholars throughout the world. We also have to restructure our criminal justice system, carefully realign state and local government functions, and streamline state government. All of this can happen if we find the courage and summon the will to tackle our budget deficit head on and deal with it honestly and without purpose of evasion.

This is not a time for politics as usual. The stakes are too high. Our overall financial system, which came close to absolute breakdown, has not fully stabilized. Where we go from here—either more austerity or more stimulus—is hotly contested. Even the cause of the mortgage meltdown remains in dispute.

Voters are clearly telling us that our state and our nation are going in the wrong direction. Yet, our two main political parties both in Washington and in California are as far apart as I have ever seen them. Still, I know that politics is at the heart of democracy. It is the essence of our structure of freedom and the way in which we as a people make our collective decisions. We owe it to ourselves and to our forebears—and to our children—to rise to this occasion, do what is right and regain the public's trust. Kicking the can down the road, by not owning an honest budget, is simply out of the question.

If you are a Democrat who doesn't want to make budget reductions in programs you fought for and deeply believe in, I understand that. If you are a Republican who has taken a stand against taxes, I understand where you are coming from.

But things are different this time. In fact, the people are telling us—in their own way—that they sense that something is profoundly wrong. They see that their leaders are divided when they should be decisive and acting with clear purpose.

We are still a very rich society. In two years alone, Californians will have added more than \$100 billion to their personal income. Yet, our State's credit rating is the lowest of the 50 states, unemployment is higher than the national average and some journalists are calling California a "failed state."

The times call out for vision and for discipline. *Discipline* so that we live within the revenue which the state collects each year, and *vision* so that we rise above mere party, act as Californians first, and put our trust in the people.

Under our form of government, it would be unconscionable to tell the electors of this state that they have no right to decide whether it is better to extend current tax statutes another five years or chop another \$12 billion out of schools, public safety, our universities and our system of caring for the most vulnerable.

Let me read to you, Article 2, Section 1 of the California Constitution:

"All political power is inherent in the people. Government is instituted for their protection, security and benefit, and they have the right to alter or reform it when the public good may require."

When democratic ideals and calls for the right to vote are stirring the imagination of young people in Egypt and Tunisia and other parts of the world, we in California can't say now is the time to block a vote of the people. In the ordinary course of things, matters of state concern are properly handled in Sacramento. But when the elected representatives find themselves bogged down by deep differences which divide them, the only way forward is to go back to the people and seek their guidance. It is time for a legislative check-in with the people of California.

At this moment of extreme difficulty, it behooves us to turn to the people and get a clear mandate on how we should proceed: either to extend the taxes as I fervently believe or cut deeply into the programs from which—under federal law—we can still extract the sums required. Unfortunately, these would most probably include: elementary, middle and high schools, the University of California, the California State University system, prisons and local public safety funding, and vital health programs.

My plan to rebuild California requires a vote of the people, and frankly I believe it would be irresponsible for us to exclude the people from this process. They have a right to vote on this plan. This state belongs to all of us, not just those of us in this chamber. Given the unique nature of the crisis and the serious impact our decisions will have on millions of Californians, the voters deserve to be heard.

Do I like the choices we face? No. I don't. But after serious study of the options left us by a \$25 billion deficit, the budget I have proposed is the best I can devise. If any of you have other suggestions that you think are better, please, share them with us. After all, we are in this together.

In recent days, a lot has been made of the proposed elimination of redevelopment agencies. Mayors from cities both large and small have come to the capitol and pressed their case that redevelopment is different from child care, university funding or grants to the aged, disabled and blind.

They base their case on the claim that redevelopment funds leverage other funds and create jobs. I certainly understand this because I saw redevelopment first hand as mayor of Oakland. But I also understand that redevelopment funds come directly from local property taxes that would otherwise pay for schools and core city and county services such as police and fire protection and care for the most vulnerable people in our society.

So it is a matter of hard choices and I come down on the side of those who believe that core functions of government must be funded first. But be clear, my plan protects current projects and supports all bonded indebtedness of the redevelopment agencies.

From the time I first proposed what I believe to be a balanced approach to our budget deficit—both cuts and a temporary extension of current taxes—dozens of groups affected by one or another of the proposed cuts have said we should cut somewhere else instead. Still others say we should not extend the current taxes but let them go away. So far, however, these same people have failed to offer even one alternative solution.

As I have said before, I have not come here to embrace delay or denial, but to get the job done. If you have solutions that are truly viable, by all means present them. We need everyone's best thinking.

Wherever I look, I see difficult choices. But I also see a bright future up ahead and a California economy that is on the mend. When we get our budget in balance, California will be in a strong position to take advantage of its many assets and its strategic location on the Pacific Rim. As the countries of Asia and south of our border continue to thrive and expand their trade, our state will play a leading role, as it always has, and reap unimagined benefits.

We have the inventors, the dreamers, the entrepreneurs, the venture capitalists and a vast array of physical, intellectual and political assets. We have been called the great exception because for generations Californians have defied the odds and the conventional wisdom and prospered in totally unexpected ways. People keep coming here because of the dream that is still California, and once here, their determination and boundless energy feeds that dream and makes it grow.

When I first came to Sacramento, Steve Jobs and Steve Wozniak had not yet invented their personal computer. There was no wind-generated electricity, and we didn't have the nation's most advanced building and

appliance efficiency standards as we later adopted. Of course, Yahoo, Google, Facebook and Twitter did not exist—not even in someone’s imagination.

California’s economy has grown from less than 200 billion dollars when first I came to this rostrum to now over two trillion dollars expected this year. California has been on the move—a marvel, even a miracle and some kind of gift.

Yes, I will work with you on the issues—from water and realignment to healthcare and prisons, to agriculture, schools, environment and transportation. We must also face the long-term challenge of ensuring that our public pensions are fair to both taxpayers and workers alike. Finally, at a time when more than two million Californians are out of work, we must search out and strip away any accumulated burdens or unreasonable regulations that stand in the way of investment and job creation.

But let’s not forget that Job Number 1—make no mistake about it—is fixing our state budget and getting our spending in line with our revenue. Once we do that, the rest will be easy—at least easier because we will have learned to work together and earned back the respect and trust of the people we serve.

I look forward to working with all of you.
Thank you.

California State Auditor

Investigative Report I2010-2

January 18, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: Pursuant to the California Whistleblower Protection Act, the Bureau of State Audits presents its investigative report summarizing investigations completed between January and June 2010 concerning allegations of improper governmental activities.

This report details eight substantiated allegations involving several state departments. Through our investigations, we found patients placed at risk and state funds wasted during the continued employment of an incompetent psychiatrist, misuse of state resources, theft of registration fees, and failure to protect the security of confidential documents. As an example, we found that the Department of Corrections and Rehabilitation failed to promptly investigate allegations of a psychiatrist's incompetence, and in doing so, placed patients at risk and wasted nearly \$367,000 in state funds as it continued to pay the psychiatrist more than \$600,000 in salary while he was under investigation for nearly three years.

In addition, this report provides an update on previously reported investigations and describes additional actions taken by state departments to correct the problems we previously identified. For example, the Department of Industrial Relations filed a civil lawsuit against a former inspector in an effort to obtain reimbursement for \$70,105 in improper payments she received and formally reprimanded the inspector's immediate supervisor for his failure to monitor the inspector's time and attendance.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Business, Professions and Consumer Protection.

California State Auditor

2009-109
January 20, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the Sacramento County Superior Court and the Marin County Superior Court and their departments' or courtrooms' use of court appointees in child custody disputes, which are governed by the California Family Code and the California Rules of Court adopted by the Judicial Council of California.

This report concludes that both superior courts need to do more to ensure that the individuals who provide mediation and evaluation services and who act as counsel for minors in cases before their family courts have the necessary qualifications and required training. In addition, the two superior courts should follow their established processes for handling complaints, improve their processes for payments related to counsel appointed to represent the interests of minors involved in family law cases, and strengthen their procedures for dealing with conflicts of interest within the family courts.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Judiciary.

California State Auditor

2010-002.2
January 27, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: Pursuant to guidance issued by the U.S. Office of Management and Budget (OMB), the California State Auditor's Office (State Auditor's Office) presents its interim report concerning various state departments' administration of federal programs during fiscal year 2009–10. With the passage of the American Recovery and Reinvestment Act of 2009 (Recovery Act) comes a renewed emphasis on accountability and public transparency to ensure federal funds are spent properly. A key component of such accountability and transparency is the annual report from the State Auditor's Office on internal control and compliance with federal laws and regulations. OMB's June 2010 guidance stresses the importance of auditors communicating promptly any identified internal control deficiencies to management and those charged with governance. In addition, the guidance states that it is imperative that deficiencies in internal control be corrected by management as soon as possible to ensure proper accountability and transparency for expenditures of Recovery Act awards.

This interim report summarizes audit results pertaining to 14 federal programs administered by four departments. Three of the four departments received Recovery Act funding during fiscal year 2009–10. The State Auditor's Office has currently identified 17 findings regarding the four departments' administration of these federal programs during fiscal year 2009–10. In many cases the findings are recurring issues we identified in past audits. The findings focused on various federal requirements including those regarding eligibility and reporting. We also reported that the departments fully corrected six findings that we included in last year's annual audit report. The specific federal programs, and their administering state departments, are listed in the table of contents.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Business, Professions and Consumer Protection.

PRAYER

Upon invitation of Speaker pro Tempore Ma, the following prayer was offered by Assembly Chaplain Rev. Constantine C. Pappademos:

Lord, The word hypocrite is actually the Greek word for actor. Hypocrites act so as to appear a certain way in public only. Help us, Lord, to be the opposite. Help us to be constantly vigilant not to focus on the appearance of holiness, but to strive toward holiness in our life without drawing attention to ourselves. Guide us to ensure that our outward appearance and behavior become unspectacular, while the reality of our personal spiritual growth, while unseen, becomes profound.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Ma and in honor of Women's History Month, the following prayer was offered by Assembly Member Conway, of the 34th Assembly District:

Let us pray.

Most compassionate and merciful God, Scripture tells us You are a creator of great diversity. From the highest of heights to the depths of the sea, we see creation revealing Your majesty. From the snowcapped Sierra to the sparkling Pacific and to the lush Redwoods to the arid Mojave, every creation exclaims Your incomparable work, for which we give our deepest thanks.

We bow before You now to ask for Your blessing for today's Woman of the Year ceremony. We are so grateful to live in a land where outstanding women from every background can serve others in special ways. Whether it's serving others as her city's first female mayor, her children's school PTA President, her church or her local business association, we are humbled by their accomplishments.

Thank You for giving each of them a "tough hide and a tender heart," as Ruth Graham, one of your most faithful servants, once prayed. Please grant today's honorees renewed strength to continue to carry out their work to improve their communities. Help them, oh God, to continue to persevere in the midst of adversity.

And help us, oh God, the elected representatives of this state, to continue to persevere to find common ground as we work for a more just California. May You grant everyone in this chamber today the wisdom and humility to seek Your will as we carry on with our daily lives.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2010-102
February 8, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the Administrative Office of the Courts' (AOC) management and oversight of the statewide case management project, which includes two interim systems and the most recent version, the California Court Case Management System (CCMS). As of June 2010 the AOC and several superior courts had spent \$407 million on the project. The AOC's records show that as of fiscal year 2015–16—the year it expects that CCMS will be deployed statewide—the full cost of the project will be \$1.9 billion. However, this amount does not include \$44 million that the seven superior courts reported to us they spent to implement the interim systems or the unknown but likely significant costs the superior courts will incur to implement CCMS.

This report concludes that the AOC has not adequately planned the statewide case management project since 2003 when the Judicial Council of California (Judicial Council) directed the AOC to continue its development. Further, the AOC has not analyzed whether the project would be a cost-beneficial solution to the superior courts' technology needs and it is unclear on what information the AOC made critical decisions during the project's planning and development. In addition, the AOC did not structure its contract with the development vendor to adequately control contract costs. As a result, over the course of seven years, the AOC entered into 102 amendments and the contract has grown from \$33 million to \$310 million. Further, although the AOC fulfilled its reporting requirements to the Legislature, the four annual reports it submitted between 2005 and 2009 did not include comprehensive cost estimates for the project, and the AOC's 2010 report failed to present the project's cost in an aggregate manner. Moreover, the AOC has consistently failed to develop accurate cost estimates for the statewide case management project, which is now at risk of failure due to a lack of funding.

In addition, our survey of the seven superior courts using interim versions of the statewide case management project found they experienced challenges and difficulties in implementation, and some are reluctant to implement CCMS. Many of the remaining 51 superior courts not using an interim version expressed uncertainty about various aspects of the project. Although the Judicial Council has the authority to compel the superior courts to implement CCMS, our survey results indicate that its successful implementation will require the AOC to more effectively foster court support. Although state-level justice partners

indicated to us they look forward to CCMS, the extent to which local justice partners will integrate their systems with CCMS is unclear due to cost considerations.

Finally, the AOC has not contracted for adequate independent oversight of the statewide case management project. Our information technology expert believes that as a result of the AOC's failure to address significant independent oversight concerns and quality problems experienced, CCMS may be at risk of future quality problems. In light of these issues, we believe that prior to proceeding with the AOC's plan to deploy CCMS at three courts that will be early adopters of the system, there would be value in conducting an independent review to determine the extent of any quality issues and problems.

ELAINE M. HOWLE, CPA

Members of the Assembly: As required by Chapter 858, Statutes of 2003, the California State Auditor presents this audit report concerning the allocation and use of moneys from the Indian Gaming Special Distribution Fund (distribution fund).

This report, our second review of the allocation and expenditure of grants from the distribution fund, concludes that Indian Gaming Local Community Benefit Committees (benefit committees) continue to have difficulty complying with grant requirements and related laws. Our review of a sample of 20 grants totaling \$5.7 million revealed that in 10 instances the grant recipient either could not provide evidence of, or could not quantify, the impact of the casino. As a result, they were unable to prove that the funding was in proportion to the impact of a casino, as required by law. In three other cases, benefit committees awarded grants that were unrelated or disproportionately related to casino impacts, and the Yolo County benefit committee awarded the entirety of its nearly \$336,000 allocation to an ineligible entity. Further, in three of the counties we reviewed, benefit committees did not award some cities and counties the minimum amounts the law set aside for them.

In our review of the allocation of funds to counties by the State Controller's Office, we found that the formula established in law does not take into account the possibility of a change during the course of a year in the number of devices operated by a tribe. Had the law taken into account changes due to compact amendments that took effect during fiscal year 2007-08, approximately \$2 million would have been distributed differently, providing some counties with more money and others with less. We also found that many tribes with compact

amendments are negotiating agreements with local governments to directly fund mitigation projects, as required by their most recent compact terms. Finally, changes in contribution requirements due to amended compacts, as well as changes in the number of licenses, have altered the revenue streams of both the distribution fund and the Indian Gaming Revenue Sharing Trust Fund.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the decisions and actions of the California Housing Finance Agency (CalHFA) that contributed to its current fiscal condition and its future financial solvency.

The report concludes that, although CalHFA will continue to face significant risks, its major housing programs and the fund it uses to pay its operating expenses should remain solvent under most foreseeable circumstances. The report also concludes that past decisions by CalHFA, such as its decisions to significantly increase its use of variable-rate bonds and interest-rate swap agreements, and to launch new mortgage products that were easier for borrowers to qualify for, but that eventually proved to have high delinquency rates, contributed to its current difficulties. These decisions revealed the need for changes in how its board of directors (board) governs the agency. In particular, CalHFA's board should approve any new debt-issuance strategy or mortgage product prior to its implementation, which is something it had not always done in the past, and should include language in its annual resolutions delegating authority to CalHFA staff restricting staff's actions to the debt strategies and mortgage products specified in the annual delegations themselves, approved business plans, or subsequent board resolutions.

Members of the Assembly: The State Auditor's Office presents its Independent Auditor's Report on the State of California's basic financial statements for the fiscal year ended June 30, 2010. These financial statements are presented on a basis in conformity with generally accepted accounting principles (GAAP). The financial statements show that the State's General Fund had revenues and other financing sources that were approximately \$3.5 billion less than expenditures and other financing uses. The General Fund ended the fiscal year with a fund deficit of approximately \$19.6 billion. The GAAP basis government-wide statements include all liabilities owed by the State while the budgetary basis statements used to report on the State's budget do not reflect all liabilities.

We conducted the audit to comply with California Government Code 8546.4.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the Employment Development Department's (department) administration of the unemployment insurance program (unemployment program) with a focus on various processes and systems and their impact on the operations of the unemployment program.

This report concludes that over the last 10 years the department has consistently failed to perform at a level the United States Department of Labor considers acceptable regarding its timely delivery of unemployment benefits. The department's attempts to resolve its performance deficiencies have had mixed results. Although increasing its staff and allowing them to work overtime has enabled the department to process significantly more claims, mitigate the effects of furloughs, and likely improve its performance, it has not fully implemented certain key corrective actions and the impact of others has been minimal or remains unclear. In addition, historical data the department provided us

indicated that its previous phone system did not have the capacity to handle the necessary volume of calls and a high percentage of callers requesting to speak to an agent were unable to do so. The department activated its new phone system at its six main call center locations by December 2010. Although it is too early to tell using data from the new system, our limited capacity analysis suggests that the new system should be able to handle a substantially higher volume of calls; however, access to agents may continue to be a challenge. Moreover, in order to receive \$839 million in federal stimulus funds, the department must implement an alternate base period no later than September 2012 that would allow certain unemployed workers (claimants) to qualify for benefits if their earnings are not sufficient under the standard base period. Although the department stated that it will implement the alternate base period in April 2012, it is critical that it do so before the federal deadline. Finally, the department's process for determining California Training Benefits program eligibility for claimants has taken an average of four or more weeks, during which time the claimants did not receive unemployment benefits. Although the department has streamlined this process for some claimants, it does not appear to have a clear plan to improve its procedures for 80 percent of its determinations that involve claimants who desire to participate in self-arranged training.

Members of the Assembly: As required by California Government Code, Section 8543 et seq., the State Auditor's Office presents its audit report concerning our review of the State of California's internal controls and compliance with state and federal laws and regulations for the year ended June 30, 2010.

This report concludes that the State did not materially comply with certain requirements for 10 of the 32 federal programs or clusters of programs (federal programs) we audited. Additionally, although we were able to conclude that the State materially complied with requirements for the remaining federal programs we audited, we reported various instances of noncompliance relating to those programs. Further, the State continues to experience certain deficiencies in its accounting and administrative practices that affect its internal controls over compliance with federal requirements and over financial reporting.

Deficiencies in the State’s internal control system could adversely affect its ability to administer federal programs in compliance with applicable requirements and to provide accurate financial information.

Lead us, Lord, to remember that of all the things we can be devoted to, we should reserve first place for You, since there is no substitute for faith in this life, especially when circumstances seem impossible.—AMEN.

MESSAGES FROM THE GOVERNOR

The following messages from the Governor were received and ordered printed in the Journal:

Governor's Message—Assembly Bill No. 111

Governor's Office, Sacramento

April 4, 2011

To the Members of the California State Assembly:

I am signing Assembly Bill 111.

This measure will provide counties additional flexibility to access funding to increase local jail capacity for the purpose of implementing Assembly Bill 109. In addition to this measure, I will ask the Legislature to send additional legislation to reduce the contributions from local governments to fund these projects from 25 percent to 10 percent.

Sincerely,

EDMUND G. BROWN JR.

Governor's Message—Assembly Bill No. 109

Governor's Office, Sacramento

April 4, 2011

To the Members of the California State Assembly:

I am signing Assembly Bill 109.

California's correctional system has to change, and this bill is a bold move in the right direction. For too long, the State's prison system has been a revolving door for lower-level offenders and parole violators who are released within months—often before they are even transferred out of a reception center. Cycling these offenders through state prisons wastes money, aggravates crowded conditions, thwarts rehabilitation, and impedes local law enforcement supervision.

Under this bill, the State will continue to incarcerate offenders who commit serious, violent, or sexual crimes; but counties will supervise, imprison, and rehabilitate lower-level offenders.

By its terms, Assembly Bill 109 will *not go into effect* until the creation of a community corrections grant program and an appropriation of funding.

I will not sign any legislation that would seek to implement this measure without the necessary funding. In this regard, I intend to work closely with, and consult, police chiefs, sheriffs, chief probation officers, district attorneys and representatives of the counties and courts to ensure that any funding bill which makes Assembly Bill 109 operative is sufficient to protect public safety.

Regrettably, the measure that would provide stable and constitutionally protected funding for public safety has not yet passed the Legislature. In the coming weeks, and for as long as it takes, I will vigorously pursue my plan to balance the State's budget and prevent reductions to public safety through a constitutional guarantee. I will also continue to partner with counties and law enforcement on this important effort.

Sincerely,

EDMUND G. BROWN JR.

REPORTS

The following letter of transmittal was presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

2010-119
April 7, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the Commission on Teacher Credentialing (commission) educator discipline process with a general focus on the timelines of its review of allegations of misconduct against credential holders.

This report concludes that, according to commission management, as of the summer of 2009 the Division of Professional Practices (division) had accumulated a backlog of about 12,600 unprocessed reports of arrest and prosecution, resulting from an insufficient number of trained

staff, ineffective and inefficient processes, and a lack of an automated system for tracking the division's workload. These conditions appear to have resulted in delayed processing of alleged misconduct and potentially allowed educators of questionable character to retain a credential. Some of the more extreme cases involved allegations that credential holders distributed obscene material to a student, demonstrated recurring misconduct such as prostitution and petty theft, kissed a student, and made inappropriate sexual comments to female students.

The division needs further improvement in its processing of reports of misconduct. For example, the division and the Committee of Credentials (committee) have not addressed some of the important challenges to promptly reviewing reports of misconduct and making recommendations to the commission regarding discipline for the credential holders. Specifically, the division receives more reports each month than the committee can review. To streamline the committee's workload, the division will close or decide not to open cases if it believes the committee would not choose to recommend disciplinary action against the credential holder; however, we question the division's legal authority to do so.

Additionally, the division lacks written procedures for processing reported misconduct, adequate performance data regarding the time needed to review reports, accurate and complete data regarding its caseload, and adequate management reports to facilitate tracking of its caseload.

Finally, 40 percent of the commission employees who responded to our survey indicated that familial relationships or employee favoritism compromised the commission's hiring and promotion practices. In addition, the commission does not have a complete set of approved hiring procedures that it uses consistently, nor do its managers and staff consistently document their steps in the hiring process or their justification for selecting candidates. Consequently, the commission is vulnerable to allegations that its hiring decisions are unfair and that employment opportunities are not afforded equally to all candidates.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Education.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Gatto, the following prayer was offered by Guest Chaplain Father Hovnan Derderian, Archbishop of the Western Diocese of the Armenian Church:

Almighty God, We lift up our prayers to You with reverence and trust to guide us and strengthen us all in our calling to serve and protect the people of God. We praise You for blessing us with the gift of life, bestowing upon us all bounties of the world and challenging us to become Your good hands in our communities.

Today, we pray especially for the peace of the world and for all those who suffer as victims of injustice, war and poverty. Almighty God, we know well that the Honorable Members of this Assembly have responded to Your call to bring their wisdom for the well-being of the State of California.

The recognition of the Armenian Genocide by the State of California Assembly encourages the Armenian community as we continue to pay homage to the memory of the victims. Above all, the noble act gives us the spiritual strength to hold firm the essence of our Christian faith as devoted citizens of this blessed country of the United States of America.

April 24th is the sacred day in the life of the Armenian nation when we honor the memory of the martyrs, who through their sacrificial life, have envisioned the nation's rebirth. We have remembered the victims of the genocide in our prayers with reverence for the past 96 years. Our prayers will continue to honor their memory, thus not only showing our respect for their martyrdom but also sending out a clear message to all nations that the gift of life granted to us by God cannot be taken away forcibly or brutally.

We are here today, with dual responsibilities as Armenian Christians who ought to guard and cherish their God-given gifts and we are also here as citizens of the United States of America filled with the spirit of the founding fathers of this great nation to become exemplary leaders of our communities. This country has inspired us to cherish the true value of democracy and freedom as well as the universal respect for humanity as the reflection of God's love.

Almighty God, bless this Assembly with their Members and their mission. Grant them divine wisdom and love to carry on their duties diligently, to uphold firm justice for the past and be the path of justice for all generations to come.—AMEN.

*The Honorable John A. Pérez
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California*

Dear Mr. Speaker: I hope and pray your leadership journey, though challenging, is fulfilling and rewarding as you make a difference in the lives of the citizens of the great State of California.

I'm writing to share the news of a new ministry role that I have accepted as the Ministerial Director for the North American Division of Seventh-day Adventists. I will be serving and supporting 4500 pastors across North America. This new role requires that me and my family move to Silver Spring, Maryland, a few miles outside of Washington, DC. Because of this, I must resign my sworn appointment as the Alternate Chaplain of the California State Assembly effective June 1, 2011.

Please accept my resignation knowing it has been a great honor and privilege to serve this House, and its Members since December 2002, through ministry presence, intercessory prayer, and one-on-one spiritual communication. I will never forget this ministry journey and the God-given opportunity.

Thank you for allowing me to be a Chaplain for the California State Assembly.

Sincerely,

Pastor Ivan L. Williams, Sr., D.Min.
Alternate Chaplain for the

California State Auditor

2011-122
April 28, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the performance, management, efficiency, and budget of the California Department of Transportation’s (Caltrans) Capital Outlay Support Program (support program).

This report concludes that, despite a stated goal to reduce overruns in its support project budgets, Caltrans has performed little analysis to determine the frequency or magnitude of support cost budget overruns. Our review of projects that completed construction in fiscal years 2007–08 through 2009–10 indicates that 62 percent of the projects had support costs that exceeded their respective budgets. These overruns totaled more than \$305 million of the \$1.4 billion in total support cost expenditures for the projects that completed construction during these fiscal years. Our analysis found that the primary cause for support cost overruns was an increase in the hourly rate for support costs. For example, one project was approximately 14,600 hours under budget but exceeded its budgeted dollar amount by nearly \$6.8 million, representing a support cost overrun of 83 percent. The changes in the hourly rate for support costs were due, in part, to salary increases of more than 40 percent during fiscal years 2005–06 through 2008–09 for certain Caltrans employees, including engineers. We also found that project managers for 12 of the 40 projects we reviewed monitored their budgets based primarily on the hours charged and not dollars spent. If project managers do not pay attention to costs, escalations in the rate

paid per hour could cause a support cost overrun, even if the project remains under its budgeted hours. Further, project managers for 10 of the 40 projects we reviewed did not use a detailed approach to develop a support budget when the project was ready for construction.

Moreover, although Caltrans has established a goal of reducing support costs to represent a ratio of 32 percent of the total capital costs (support-to-capital ratio), according to our assessment Caltrans generally did not meet its goal for fiscal years 2007–08 through 2009–10. In addition, Caltrans has failed historically to use a consistent method to calculate this ratio over time, thus decreasing the value of the ratio for assessing Caltrans' performance in managing the support program. Furthermore, the support-to-capital ratio has limitations and could be defined more precisely to better measure efficiency, given that support costs can vary greatly depending on a project's size and type.

We also noted that Caltrans' time-reporting system lacks strong internal controls, and better project monitoring and consistent use of performance metrics, such as earned value metrics, could help it minimize support cost overruns. Further, although Caltrans recently sought to hire consultants rather than permanent employees to address a temporary increase in workload, it was not successful in doing so because requests for consultants have historically been revised during the legislative budget process to align with a staffing ratio of 10 percent consultants to 90 percent state staff.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

PRAYER

Upon invitation of Speaker Pérez, the following prayer was offered by Guest Chaplain Rabbi Richard Steinberg of Congregation Shir Ha-Ma'alot:

We pray . . .

Source of Blessing, On this day, we come to commemorate the memory of those lost to terror in the Holocaust and to celebrate those who survived to tell the story. On this day, ironically, some fourteen hours after justice has been achieved by the death of evil, we celebrate not only the value of justice, but the reality of it.

Source of Goodness, Plant within each of us eyes to see and ears to hear those who are in our presence and bear witness to life's depths and heights alike, so that we might recount their experiences to those who come after us.

O Source of Knowledge, Please continue to teach us that the Holocaust is not just Jewish history, that 9/11 is not just American history, but these events, these tragedies, are the world's history. The great theologian of the 20th Century, whose family died in the Holocaust, Rabbi Abraham Joshua Heschel, wrote, "Some are guilty, but all are responsible." So create in us an understanding that we are responsible to remember the past with vigilance and vigor so that justice will prevail for people everywhere.

Source of Life, We ask this day that You bless us with wisdom and understanding. Let us take the time to continue to transform the State of California into a state of acceptance, compassion and concern for each and every kind of person who lives among us. The Bible says, "Justice, Justice shall you pursue." As we hear today the stories of those who suffered the horrors of the Holocaust, let those words inspire us to bring justice to our homes, our districts, our state, our country and our world. Justice, Justice, shall we all pursue.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Pérez, Assembly Member Miller then led the Assembly in the pledge of allegiance to the Flag.

Lord, On this National Day of Prayer we realize that sometimes our days can be so full and busy that we forget how fragile life really is. Yet, each day is unique and irreplaceable. You have given us time that can be invested or wasted; hours that can be used or misused. As King David said, "Lord, teach us to number our days, that we may gain a heart of wisdom." (Psalm 90:12). This morning we ask, Lord, that You teach us to value every moment we've been given. Help us to draw closer to You and to experience the full blessing You have prepared for us, each and every day.—AMEN.

PRAYER

Upon invitation of Speaker Pérez, the following prayer was offered by Assembly Chaplain Rev. Constantine C. Pappademos:

Lord, Life comes at us fast. There are so many things to worry about, so many things to plan, so many things to do. It can become overwhelming. Yet, the sooner we get to doing something good personally for someone else, the closer we get to You. For as the Psalmist said, Lord, “You are good, and the source of good; train me in Your goodness.” (Psalms 119:68) Help us to deal with the fast pace of life, Lord, by coming closer to Your goodness.—AMEN.
