### REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2010-117  
May 19, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the Department of Water Resources (Water Resources) and the Department of Finance's (Finance) administration and oversight of general obligation bonds.

This report concludes that Water Resources demonstrated effective oversight of general obligation bonds, but it could improve in certain areas. During our review of a sample of 10 projects, we noted that Water Resources made appropriate decisions when awarding bond funds and making payments for project activities. However, for two of the 10 projects, Water Resources could not demonstrate that it performed site visits or took other steps to ensure the projects achieved their expected outcomes. We also found that Water Resources lacks a documented review process to ensure information posted to the Bond Accountability Web site is correct. Our review of the Web site revealed instances where Water Resources posted inaccurate award information for certain projects and in some cases did not post any information at all.

We also found that Finance should do more to ensure transparency and accountability for bond spending related to the general obligation bonds approved by voters in November 2006 to fund the State's Strategic Growth Plan. The former governor's executive order from January 2007 required Finance to establish a Bond Accountability Web

site that was to include information on the amounts spent on each bond-funded project. However, Finance's approach to establishing the Web site required departments to post information on the amounts awarded and not the amounts spent. By not providing the public with periodic information on the amounts spent for each project—to then compare against amounts awarded—the public lacks a way to measure each project's progress towards completion. In addition, Finance lacks a tracking process to ensure that state departments update the Bond Accountability Web site and describe the expected or realized benefits of bond-funded projects in terms the public can readily understand. Finally, we noted that the executive order requires state agencies to either contract with Finance for audits of bond expenditures or make alternative arrangements for audits with Finance's approval. However, as of late April 2011, Finance had issued audit reports on only three of the state agencies administering the general obligation bonds that support the State's Strategic Growth Plan, and none were of Water Resources.

Sincerely,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Water, Parks and Wildlife.

**REPORTS**

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2010-118  
May 24, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report covering the operations of the California Prison Industry Authority (CALPIA).

This report concludes that although one of its primary responsibilities is to offer inmates the opportunity to develop effective work habits and occupational skills, CALPIA cannot determine the impact it makes on post-release inmate employability because it lacks reliable data. Specifically, both CALPIA and a consultant it hired were unable to match the social security number of parolees from the California Department of Corrections and Rehabilitation's (Corrections) Offender Based Information System to employment data from the Employment Development Department. We attempted to measure CALPIA's impact using a different source—Corrections' CalParole Tracking System—but could not because we found more than 33,000 instances of erroneous parolee employer information in this system. Our audit also revealed that while CALPIA created a set of comprehensive performance indicators for the entire organization, its opportunity to track its performance is limited because it only recently finalized a tracking matrix in March 2011. Moreover, several of these indicators are either vague or not measurable.

We also noted that CALPIA could improve the accuracy of its annual reports to the Legislature. Although we found that the recidivism rate for parolees who worked for CALPIA were consistently lower than the rates of the general prison population, CALPIA overstated by \$546,000 the savings it asserts result from the lower recidivism rate. Further, CALPIA did not acknowledge that factors other than participating in one of its work programs may have contributed to the lower recidivism rates among its parolees.

CALPIA's closure of more enterprise locations than it has opened has resulted in a decline of work opportunities for inmates. Since 2004 it has established two new enterprises and reactivated or expanded four others; however, during the same time period it closed, deactivated, or reduced the capacity of six other enterprises at 10 locations, resulting in a net loss of 441 inmate positions. Finally, although CALPIA's five largest state agency customers paid more for certain CALPIA products, overall they saved an estimated \$3.1 million during fiscal year 2009–10 when purchasing the 11 products and services that we evaluated.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Public Safety.

State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As required by California Business and Professions Code, Section 6145, the California State Auditor presents this audit report concerning the State Bar of California (State Bar).

This report concludes that the Lawyer Assistance Program (assistance program) of the State Bar lacks controls to ensure that the case managers for the program's participants submit reports of noncompliance promptly and consistently to such disciplinary bodies as the State Bar Court of California. Our review of case files for 25 participants in the assistance program showed that it does not have adequate procedures for monitoring case managers to ensure that they

are appropriately sending reports of participants' noncompliance, such as missed or positive laboratory testing results for drugs or alcohol. In fact, case managers failed to send six reports to disciplinary bodies when participants missed laboratory tests and failed to send 10 other reports in a timely manner.

Further, the assistance program lacks adequate controls and procedures to ensure that case managers treat all noncompliance issues consistently. The assistance program relies on case managers to bring participants' noncompliance to the attention of the program's evaluation committee when appropriate; however, the program has issued only limited guidance to help case managers determine when to notify the evaluation committee. Further, the assistance program does not have any formal process for monitoring case managers' adherence to policies and procedures. Nine of the 25 participants we reviewed each had 10 or more instances of noncompliance, but we did not always see evidence that the case managers brought these issues to the attention of the evaluation committee.

Finally, the assistance program needs to adopt mechanisms to better gauge its effectiveness in achieving its mission of enhancing public protection and identifying and rehabilitating attorneys who are recovering from substance abuse or mental health issues. Until it develops these mechanisms, the State Bar will be unable to determine how well the assistance program is performing.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Business, Professions and Consumer Protection.

### MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

#### **Governor's Reorganization Plan No. 1 of 2011–12**

Governor's Office, Sacramento

June 9, 2011

*The Honorable Darrell Steinberg*  
*President pro Tempore*  
*California State Senate*  
*State Capitol, Room 205*  
*Sacramento, California*

*The Honorable John A. Pérez*  
*Speaker*  
*California State Assembly*  
*State Capitol, Room 219*  
*Sacramento, California*

Dear Mr. Steinberg and Mr. Pérez: I am forwarding to you the statutory changes required to implement my "Reorganization Plan Number 1."

This reorganization will unify and streamline our State's personnel system by consolidating the two entities that currently oversee our State human resource functions: the State Personnel Board (SPB) and the Department of Personnel Administration (DPA). Study after study, including reports by the Little Hoover Commission, have recommended combining the operational functions of SPB with DPA, while maintaining SPB's independent constitutional authority to hear disciplinary appeals, approve classifications, establish probationary periods, and administer the merit system. This consolidation will increase efficiency and save money otherwise wasted on duplicative and disjointed systems.

Sincerely,

EDMUND G. BROWN JR.

Receipt

I acknowledge receipt this 9th day of June 2011, at 4:58 p.m., of the Governor's Reorganization Plan, Number 1 of 2011, delivered to me personally by Jacque Roberts.

Kindness involves bringing out the best in others. Help us to start this day, Lord, not by spending time thinking about ourselves or how we can make our own life better. Inspire us to think of ways how we can make someone else’s life better by encouraging them. For as we sow seeds of encouragement and kindness, You will send people along our path to build us up as well.—AMEN.*

**MESSAGES FROM THE GOVERNOR**

The following veto message from the Governor was received and ordered printed in the Journal and Assembly Bill No. 98 ordered to the unfinished business file:

**Veto Message**  
**Senate Bill No. 69 and Assembly Bill No. 98**

Governor's Office, Sacramento  
June 16, 2011

*To the Members of the California State Legislature:*

I am returning Senate Bill No. 69 and Assembly Bill No. 98 without my signature.

In January, I presented a balanced budget solution with a mix of deep spending cuts and temporary tax extensions subject to voter approval. My plan would put these extended revenues in a lockbox, ensuring that they are only used to protect education and public safety. It would also address California's long term fiscal crisis by substantially paying down the \$35 billion wall of debt built up over the last decade.

Yet Republicans in the Legislature blocked the right of the people to vote on this honest, balanced budget.

Meanwhile, Democrats in the Legislature made valiant efforts to address California's budget crisis by enacting \$11 billion in painful cuts and other solutions. I commend them for their tremendous efforts to balance the budget in the absence of Republican cooperation.

Unfortunately, the budget I have received is not a balanced solution. It continues big deficits for years to come and adds billions of dollars of new debt. It also contains legally questionable maneuvers, costly borrowing and unrealistic savings. Finally, it is not financeable and therefore will not allow us to meet our obligations as they occur.

We can—and must—do better. A balanced budget is critical to our economic recovery. I am, once again, calling on Republicans to allow the people of California to vote on tax extensions for a balanced budget and significant reforms. They should also join Democrats in supporting job creation and ending tax breaks for out-of-state companies. If they continue to obstruct a vote, we will be forced to pursue deeper and more destructive cuts to schools and public safety—a tragedy for which Republicans will bear full responsibility.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 16th day of June, 2011 at 10:10 a.m., of Assembly Bill 98 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Gareth Elliott.

Upon invitation of Speaker Pérez, the following prayer was offered by Guest Chaplain Rev. Janice Steele of the Imani Community United Church of Christ, Sacramento:

*Amazing Creator, Who created humanity as one people, come among us now to reunify us. We confess that we have built cities for ourselves and sought fame and fortune. Sometimes we rush through our days with unseeing eyes, stopped-up ears, and dulled emotions. We confess that there are times when we are enslaved by our fears then freed by Your grace and we demand proof of Your existence but ignore the work of Your hands. During this time of Pride Celebrations and reflections, we confess that we have unanswered questions that sometimes misguide our steps and cause our faith to waver. We even confess that sometimes Your spirit is unreal to us because we insist on being in charge.*

*Out of our differences, create understanding and eagerness to explore Your spirit among us. Out of narrowness, fashion a breadth of involvement to feed our spirits. May we dream dreams and see visions. May we truly hear our sisters and brothers and respond to them in the spirit of unity, with empathy and love. Help us and save us from ourselves. In Your many names we pray.—AMEN.*

**REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL**

Assembly Member Charles Calderon was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

June 8, 2011

*E. Dotson Wilson  
Chief Clerk of the Assembly  
State Capitol, Room 3196  
Sacramento, California*

RE: Letter to the Journal—Assembly Bill 844  
(Chapter 731, Statutes of 2008)

Dear Mr. Wilson: I respectfully submit this Letter to the Journal to clarify the legislative intent of my AB 844, passed by this body in 2008.

AB 844 added Section 21608.5 to California's Business and Professions Code. Section 21608.5(d) states in part: "This section shall not apply to the redemption of nonferrous material having a value of not more than twenty dollars (\$20) in a single transaction, when the *primary purpose* of the transaction is the redemption of beverage containers . . . ."

The intent of AB 844 was for "primary purpose" to mean that the value of the beverage containers would have to be worth more than the value of the nonferrous material being recycled. For example, to recycle \$20 worth of nonferrous material and not be subject to the requirements of Section 21608.5, an individual would have to recycle at least \$21 worth of beverage containers in the same transaction. It was not meant to allow individuals to recycle beverage containers worth less than \$20 with \$20 worth of nonferrous material without meeting the requirements of Section 21608.5.

Thank you for the opportunity to clarify this matter.

Sincerely,

TOM BERRYHILL, State Senator  
Fourteenth District

*Lord, When the three Hebrew teenagers, Shadrach, Meshach and Abednego, were thrown into the fiery furnace by the King, You, Lord, did not deliver them from the fire; You delivered them through the fire. They walked and sang in the fire and came out without even the smell of smoke on them! (Daniel 3:1–30). They weren't worried, they knew everything was going to be alright. You didn't take away their problem, you gave them the power and the strength to handle it. Protect us from the fires we face, Lord, and give us Your strength to overcome them. And bless this great nation now, as we begin to celebrate its Independence Day, and always.—AMEN.*

### MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

#### **Governor's Message—Assembly Bill No. 114**

Governor's Office, Sacramento  
June 30, 2011

*To the Members of the California State Assembly:*

AB 114 directs schools to adhere to the level of state funding provided in the Budget and not assume a different, or lower, state funding level. If, in fact, revenues fall far short of projections—something we don't anticipate—this bill reduces funding beginning in February. It also provides schools the authority to shorten the school year by up to 7 days. This approach avoids the harmful effects of unnecessary cuts.

In fashioning their local budgets, school boards may nevertheless need to make reductions due to cost increases, loss of federal funds, enrollment declines or other factors. AB 114 does not interfere with these local school board decisions. School boards should take all reasonable steps to balance their budgets and to maintain positive cash balances.

Let us not forget that schools would have enjoyed billions more in state funding if Republicans in the Legislature had allowed the people of California to vote on tax extensions.

Sincerely,

EDMUND G. BROWN JR.

Upon invitation of Assistant Speaker pro Tempore Gatto, the following prayer was offered by Assembly Member David G. Valadao, of the 30th Assembly District:

*Our Heavenly Father, We thank You today for the precious gift of life, for each and every one of us in this wonderful state of California. We further thank You for the great gift of freedom You have given each of us here today, and have so generously bestowed upon all who reside in the United States of America.*

Two hundred and thirty-five years ago yesterday, in a hall some three thousand miles away, our nation was officially born. Its Founders—each of whom pledged a firm reliance on the protection of Your Divine Providence—affixed their signatures to a Declaration of Independence . . . that for the first time in human history acknowledged the truth that all men are created equal . . . that each and every human being on the face of this earth is endowed by You, O Lord, with certain unalienable rights . . . rights that no man, and no government, can take away. It is therefore the duty of each one of us, particularly those who are privileged to serve in positions of elected office and public trust, to further the cause of these unalienable rights and timeless truths, which today are but imperfectly realized. To this end we invoke Your blessings, Your strength, Your wisdom, guidance and support, and humbly offer our sincere thanks.

As we today hear the words that announced the birth of a new nation, we also ask You to confer Your blessings, Your mercy and Your healing grace upon all those who have defended our freedoms, particularly those brave men and women who have suffered the injuries of battle, and who have given their last full measure of devotion to the nation to which we pledge our allegiance.

May all who have served in the armed forces of the United States of America, together with their families and loved ones, fully appreciate the magnitude of our thanks for their service and their sacrifice. And may we all be heartened and healed by Your mercy and grace. For all of this we pray.—AMEN.

**MESSAGES FROM THE GOVERNOR**

The following veto message from the Governor was received and ordered printed in the Journal and Assembly Bill No. 1281 ordered to the unfinished business file:

**Veto Message—Assembly Bill No. 1281**

Governor's Office, Sacramento  
July 11, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 1281 without my signature.

This measure would allow the use of audioconferencing equipment at Board of Parole hearings, if the equipment is available. This measure is unnecessary. The Board already allows hearing participation through the use of audioconferencing equipment and there is nothing in law that prohibits its use. I will direct the Board to continue to accommodate those wishing to participate in hearings using audioconferencing. There is no need to codify this practice in law. For these reasons I am unable to sign this bill.

Sincerely,

EDMUND G. BROWN JR.

**Receipt of Bills**

I acknowledge receipt this 12th day of July, 2011 at 3:34 p.m., of Assembly Bill 1281 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts.

SUE PARKER

Assistant Chief Clerk of the Assembly

**REPORTS**

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2010-116  
July 12, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly:

As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the state's Sex Offender Commitment Program (program), which targets a narrow subpopulation of sex offenders (offenders)—those who represent the highest risk to public safety because of mental disorders. Our analysis shows that between 2007 and 2010 less than 1 percent of the offenders whom the Department of Mental Health (Mental Health) evaluated as sexually violent predators (SVPs) met the criteria necessary for commitment.

Our report concludes that the Department of Corrections and Rehabilitation (Corrections) and Mental Health's processes for identifying and evaluating SVPs are not as efficient as they could be and at times have resulted in the State performing unnecessary work. The current inefficiencies in the process for identifying and evaluating potential SVPs stems in part from Corrections' interpretation of state law. These inefficiencies were compounded by recent changes made by voters through the passage of Jessica's Law in 2006. Specifically, Jessica's Law added more crimes to the list of sexually violent offenses and reduced the required number of victims to be considered for the SVP designation from two to one, and as a result many more offenders became potentially eligible for commitment. Additionally, Corrections refers all offenders convicted of specified criminal offenses enumerated in law but does not consider whether an offender committed a predatory offense or other factors that make the person likely to be an SVP, both of which are required by state law. As a result, the number of referrals Mental Health received dramatically increased from 1,850 in 2006 to 8,871 in 2007, the first full year Jessica's Law was in effect. In addition, in 2008 and 2009 Corrections referred 7,338 and 6,765 offenders, respectively. However, despite the increased number of referrals it received, Mental Health recommended to the district attorneys or the county counsels responsible for handling SVP cases about the same number of offenders in 2009 as it did in 2005, before the voters passed Jessica's Law. In addition, the courts ultimately committed only a small percentage of those offenders. Further, we noted that 45 percent of Corrections' referrals involved offenders whom Mental Health previously screened or evaluated and had found not to meet SVP criteria. Corrections' process did not consider the results of previous referrals or the nature of parole violations when re-referring offenders, which is allowable under the law.

Our review also found that Mental Health primarily used contracted evaluators to perform its evaluations—which state law expressly permits through the end of 2011. Mental Health indicated that it has had difficulty attracting qualified evaluators to its employment and hopes to remedy the situation by establishing a new position with higher pay that is more competitive with the contractors. However, it has not kept the Legislature up to date regarding its efforts to hire staff to perform evaluations, as state law requires, nor has it reported the impact of Jessica’s Law on the program.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Public Safety.

California State Auditor

2010-105  
July 28, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly:

As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the University of California (university), focusing on public funding, student fees, and auxiliary enterprises. The report concludes that public revenues increased from \$9.3 billion in fiscal year 2005–06 to \$11.3 billion in fiscal year 2009–10. Revenue from tuition and fees grew the most of any single revenue category due to increased rates and increases in enrollment. This revenue increase along with new revenues from the federal American Recovery and Reinvestment Act of 2009 helped to partially offset the decline in state funding in fiscal years 2008–09 and 2009–10. We also concluded that public expenses, excluding certain retirement expenses, increased from \$8.2 billion in fiscal year 2005–06 to \$9.4 billion in fiscal year 2009–10. The retirement expenses increased by \$3 billion because of a change in accounting rules and updated actuarial valuations.

In addition, the university budgeted widely varying amounts to its 10 campuses. For fiscal year 2009–10, the per-student budget amount ranged from \$12,309 for the Santa Barbara campus to \$55,186 for the San Francisco campus. Although the university identified four factors that it believes contributed to the differing budget amounts, it did not quantify their effects. The university can also improve the transparency of its financial operations. Although the university publishes annually a report of the campuses' financial schedules, it could provide other information including beginning and ending balances for individual funds and could publish consistent information for its auxiliary enterprises. We further reported that the Office of the President needs to more precisely track about \$1 billion of expenses annually that it currently tracks in a single accounting code—Miscellaneous Services—and that a recent change in university policy allows campuses to subsidize auxiliary enterprises with funding from other sources, despite the intent that they be self-supporting. Finally, we discovered two instances when the university designated \$23 million in student funding to pay for capital projects on the Los Angeles campus that were not authorized by the student referendum establishing the fee.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Higher Education.

**ANNOUNCEMENTS****Formation of Legislative Records Task Force**

Speaker Pérez addressed the assemblage and the following remarks were printed in the Journal:

“Members, I’d like to welcome each of you back from spending time in your districts. I hope you had a productive few weeks meeting with your constituents. Today, I rise to make a brief announcement.

“From the day I was elected Speaker, I have talked about the importance of open government. This is an issue that continues to be of paramount importance to me today. As Speaker, it is my duty to carry out the policies and procedures of the Assembly as established in our internal rules, statutes and the State Constitution. It is also my duty to lead this Chamber forward when those policies need to be updated. That time has come.

“Members from both parties have expressed concerns to me about making Assembly expenditures more accessible. To that effect, I am announcing that Rules Chair Nancy Skinner will lead a task force to review the statutes, rules and procedures governing legislative records. Ms. Skinner will have a proposal to unveil by the beginning of next year’s Session. I believe that updating our policies to reflect the 21st century world we live in is a vital step toward that effort.

“How taxpayer dollars are expended is public information, and it is our job to ensure that the public has access to it. Currently, at my direction, all Assembly staff salaries are available on a publicly accessible web site, and we release audits of the Assembly budget annually. The task force, under Rules Chair Nancy Skinner will review our current statutes, rules and procedures, and I look forward to hearing their recommendations and conclusions.

“We have difficult work ahead of us in the next few weeks, and certainly, the efforts to restore health to our struggling economy and create new jobs will continue to be our primary focus for both this year of the Session and next. Thank you.”

**MESSAGES FROM THE GOVERNOR**

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

**Veto Message—Assembly Bill No. 96**

Governor's Office, Sacramento  
July 25, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 96 without my signature.

The bill would recreate, under a different name, the same Adult Day Health Care (ADHC) program that was eliminated as a Medi-Cal optional benefit through the 2011–12 Budget Act. While my Administration deeply shares the goal of “Keeping Adults Free from Institutions,” creating a new ADHC look-alike program at this juncture is unnecessary and untimely. It does not address the immediate need to transition ADHC beneficiaries to other home and community-based services that can meet their needs, and would cause confusion for both consumers and providers about when an ill-defined “KAFI” program would be available.

In order to ensure that ADHC beneficiaries do not face the risk of unnecessary institutionalization when the benefit expires, my Administration is currently working with adult day health centers, managed care plans, and local community-based organizations to ensure that needed medical services and home and community-based services are available. Additionally, in order to ensure that there is enough time for transition to such services, the Department of Health Care Services recently extended the ADHC benefit through administrative action until December 1, 2011, with federal funding approval.

Given the importance of these transition efforts, I am directing the Department of Health Care Services to work with the Legislature, stakeholders, managed care plans, and home and community-based services providers to ensure that ADHC beneficiaries will have a smooth transition to appropriate services, and those who are most at risk of institutionalization have access to services that will help them remain in the community.

Care in an integrated setting will be part of my Administration's plan to improve long-term care. To the extent that adult day health care-type services can become part of an integrated continuum of care, my Administration will work to bring such providers into the conversation on how these services can be efficiently and effectively delivered for the benefit of consumers.

For this reason, I am signing Senate Bill 91, which will allow adult day health centers to continue to operate after the fee-for-service payments under Medi-Cal expire. This will allow adult day health centers to be considered a care option as part of an integrated delivery system, or for consumers who may wish to access services apart from Medi-Cal.

Sincerely,

EDMUND G. BROWN JR.

**Veto Message—Assembly Bill No. 455**

Governor's Office, Sacramento  
July 25, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 455 without my signature.

This bill prescribes how all local merit or personnel commission members should be appointed. It requires that half of the members be selected by the employer and half by largest employee bargaining unit.

While intended to create more balanced commissions and address concerns relating to individual commissions, this measure imposes a top down, one-size-fits-all solution on all merit and personnel commissions statewide.

This measure seeks to impose a level of state control that is inconsistent with my administration's efforts to realign state services and to increase local control. Concerns relating to specific commissions should be addressed on a case-by-case basis at the local level.

Sincerely,

EDMUND G. BROWN JR.

**Receipt of Bills**

I acknowledge receipt this 25th day of July, 2011 at 2:35 p.m., of Assembly Bill 96 and Assembly Bill 455 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts.

E. DOTSON WILSON  
Chief Clerk of the Assembly

**Veto Message—Assembly Bill No. 201**

Governor's Office, Sacramento  
August 5, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 201 without my signature.

This measure would authorize superior courts to establish dedicated programs to serve eligible veterans of the United States military. While the provisions of this bill are well-intended, they create a clear expectation that our courts—already struggling with painful budget cuts—will establish a new program.

Given current budgetary constraints, the decision to adopt this kind of program—something already within the courts' authority—is better left to the sound discretion of the judiciary.

Sincerely,

EDMUND G. BROWN JR.

**Veto Message—Assembly Bill No. 312**

Governor's Office, Sacramento  
August 5, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 312 without my signature.

This bill would expand the provisions of the Ralph Civil Rights Act to include homelessness or the perception that one is homeless, thereby creating new private and administrative enforcement remedies.

It is undeniable that homeless people are vulnerable to victimization, but California already has very strong civil and criminal laws that provide sufficient protection.

Sincerely,

EDMUND G. BROWN JR.

**Receipt of Bills**

I acknowledge receipt this 5th day of August, 2011 at 9:35 a.m., of Assembly Bill 201 and Assembly Bill 312 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts.

SUE PARKER

Assistant Chief Clerk of the Assembly

**Veto Message—Assembly Bill No. 1395**

Governor's Office, Sacramento  
August 8, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 1395 without my signature.

This measure requires all state agencies and departments to post examination and vacancy announcements on the State Personnel Board's website. It also requires that the names of employees that are laid off from *department specific* job classifications be placed on "comparable" statewide reemployment lists.

While I support the author's intent to increase access to state employment opportunities for laid off state employees, this measure fails to provide adequate protections against an unqualified employee being misplaced on a comparable statewide list. Further, it may delay the layoff process and reduce the anticipated savings from future layoffs.

I note that the state departments and agencies working in conjunction with the Department of Personnel Administration currently have the authority to work collaboratively to designate comparable classes on a case-by-case basis as a part of layoff negotiations with employees and their representatives. Further, I encourage all parties to engage in this process whenever possible during these difficult fiscal times for the state, its employees and all Californians.

Sincerely,

EDMUND G. BROWN JR.

RE: Certification of the Statewide Maps

Dear Mr. Wilson: The California Citizens Redistricting Commission voted yesterday to adopt and certify statewide maps for the Assembly, Senate, Board of Equalization and Congressional Districts.

Attached with this letter are copies of the four resolutions the Commission passed, adopting and certifying the new districts, as well as copies of the maps themselves, and the Commission's final report.

Executive Director  
California Citizens Redistricting Commission

August 15, 2011

*The Hon. Debra Bowen  
California Secretary of State  
1500 11th Street  
Sacramento, California*

Dear Secretary Bowen: The California Citizens Redistricting Commission (Commissioner) was established pursuant to the procedures set forth by Proposition 11, the Voters First Act, and Proposition 20, the Voters First Act for Congress, the provisions of which are now found in Section 2 of Article XXI of the California Constitution and at Government Code Section 8252. These constitutional and statutory provisions set forth the Commission's responsibilities with respect to drawing the boundary lines for the California Assembly, Senate, Board of Equalization and Congressional districts (the Maps).

The Voters First Act for Congress requires the Commission to certify the Maps, and prepare a final report, and cause them to be provided to your office by August 15, 2011. Accordingly, this letter confirms that the Commission has timely completed these responsibilities and hereby provides the Secretary of State's Office with the following:

1. **State Assembly.** Resolution of August 15, 2011 certifying the statewide California Assembly maps were approved by the Commission in the manner required by Section 2 of Article XXI of the California Constitution; a copy of the statewide Assembly map; copies of the 80 individual Assembly districts; and a "disc" labeled `crc_20110815_assembly_certified_statewide.zip` SHA-1: 323d2c56df6bf3ad6b3b4e58fd7c5d0338a476b8 containing the unique data files for the Assembly districts, from which the statewide and individual district maps are created.
2. **State Senate.** Resolution of August 15, 2011 certifying the statewide California Senate maps were approved by the Commission in the manner required by Section 2 of Article XXI of the California Constitution; a copy of the statewide Senate map; copies of the 40 individual Senate districts; and a "disc" labeled `crc_20110815_senate_certified_statewide.zip` SHA-1: 14cd4e126ddc5bdce946f67376574918f3082d6b containing the unique data files for the Senate districts, from which the statewide and individual district maps are created.

California State Auditor

2011-601  
August 18, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly:

As authorized by Chapter 251, Statutes of 2004, the California State Auditor presents this audit report assessing high-risk issues the State and selected state agencies face. Systematically identifying and addressing high-risk issues can contribute to enhanced efficiency and effectiveness by focusing the State's resources on improving the delivery of services related to important programs or functions.

We have added the California State Teachers' Retirement System's (CalSTRS) Defined Benefit Program to the high-risk list. Contribution rates for teachers and administrators, which can only be changed through legislation, have not changed in decades and are currently not sufficient to ensure the payment of all promised future benefits. Currently the Defined Benefit Program is funded at 71 percent, well below the 80 percent considered necessary for a sound pension plan. Unless the State takes steps, such as raising the contribution rates of CalSTRS members and their employers, it may be responsible for providing the necessary funding using taxpayer money.

We believe that the State continues to face eight other significant high-risk issues: addressing the budget deficit, funding retiree health benefits, ensuring timely expenditure of the American Recovery and Reinvestment Act of 2009 funds, upgrading and expanding the State's infrastructure, ensuring a stable supply of electricity, effectively managing the State's workforce, strengthening emergency preparedness, and providing effective oversight of the State's information technology projects. We further believe that three state agencies continue to meet our criteria for high risk as they face challenges in their day-to-day operations: the California Department of Corrections and Rehabilitation, the California Department of Health Care Services, and the Department of Public Health.

We will continue to monitor the risks we have identified in this report and the actions the State takes to address them. When the State's actions result in significant progress toward resolving or mitigating these risks, we will remove the high-risk designation based on our professional judgment.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Business, Professions and Consumer Protection.

**REPORTS**

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2010-125  
August 23, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly:

As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the State Lands Commission's (commission) management of leases of state property. This report concludes the commission has not always managed its more than 4,000 leases in the State's best interest with the result that it has missed opportunities to generate millions of dollars in revenues for the State's General Fund. For example, the commission has allowed lessees whose rent is past due to remain on state land for years without paying rent. In fact, we estimated losses totaling \$1.6 million for a sample of 10 delinquent leases we reviewed. Additionally, about 140 of the commission's 1,000 revenue-generating leases are currently expired. We estimate the commission has lost \$269,000 for 10 expired leases because lessees continue to pay the rent established by an old appraisal that may not be indicative of the property's current value. Further, although the commission has a mechanism in place to periodically review—and potentially increase—rental amounts, we found that it generally failed to promptly conduct rent reviews, causing it to lose \$6.3 million in increased rent it may have been able to collect. Moreover, the commission does not appraise its leased properties as frequently as the lease agreements allow, and when it does conduct

appraisals, it sometimes undervalues its properties because it uses outdated methods, some of which were established more than 18 years ago.

We also found that the commission does not adequately monitor its leases. Specifically, the database used by the commission to store lease information is both inaccurate and incomplete, and is not used by staff to monitor the status of its leases. As a result, the commission is not appropriately tracking the status of some of its leases. For example, the commission apparently lost track of one of its leases, and as a result failed to bill the lessee for 12 years while the lessee remained on state property. Additionally, the commission does not regularly audit its revenue-generating leases, nor does it adequately oversee granted lands.

Finally, although the commission has undergone a series of staff reductions since 1990 and has made attempts to replace these lost positions, it has not taken sufficient steps to quantify its need for additional staff. Specifically, the commission has not developed any analyses to determine an appropriate workload and the number of staff needed to address such a workload.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Natural Resources.

#### **FIRST READING OF SENATE BILLS**

The following resolution was read:

**SENATE CONCURRENT RESOLUTION NO. 54**—Relative to Pain Awareness Month and Women In Pain Awareness Day.

**STATEMENT OF ASSEMBLY EXPENDITURES PRINTED IN JOURNAL**

The following Statement of Assembly Expenditures was ordered printed in the Journal:

*The Honorable John A. Pérez*  
*Speaker of the Assembly*  
*State Capitol, Room 219*  
*Sacramento, California*

Dear Mr. Speaker: Transmitted herewith is the annual report of Assembly expenses. It includes the total expenditures by Member, committee, leadership office, service operation, and overhead according to various categories for the 12-month period ending November 30, 2010. Every expenditure made from the Assembly Operating Fund during this period is accounted for. Additionally, the report includes an itemization, by Member, of per diem expenditures from the General Fund during the same period of time.

It is important to note that this report is compiled on a cash basis. Therefore, the cost of goods and services incurred by a Member during the preceding reporting period but paid for during the current period is included. Furthermore, some goods and services which were received toward the end of this reporting period were not paid for until the beginning of the December 2010–November 2011 reporting period and are, therefore, not included in this expenditure report.

The following indicates the types of expenditures which are included within each classification:

*Staff Salary:* This includes the salaries paid to all employees in the Member's district office as well as those employees who work in the Member's Capitol office, provided they are not committee or leadership office personnel. The salaries of the latter group of employees are included in the specific detail report for each of the respective committee and leadership offices.

All Assembly personnel are classified according to job descriptions approved by the Assembly Rules Committee. The committee has established specific salary ranges for each of the classifications. The salary within a range for a specific employee reflects a combination of years of service in his or her position and his or her own job performance since the amount of annual merit salary increases is based on evaluations of each employee's work. Thus, a Member whose office staff includes employees with substantial Assembly seniority, and/or outstanding records of service, will have a higher total expenditure for salaries than will a Member who employs more junior personnel.

*Member Travel and Per Diem:* Separate totals are shown for in-state travel and out-of-state travel. Most in-state travel expenditures are for attendance at interim committee hearings. Out-of-state travel expenditures are generally for participation in conferences dealing with an issue area pertinent to the legislative specialty of the Member or are for investigative trips.

*Staff Travel:* This category includes the expenditures incurred for the Capitol and district staff traveling for legislative business. It also includes mileage reimbursements to district office personnel. The staff travel expenditures reported by committee are generally costs incurred in connection with interim committee hearings which are generally held away from Sacramento for the convenience of citizens who wish to provide testimony to the committees.

*Car Lease:* The amount reported in this category is the automotive lease amount charged to each Member's budget by the Assembly Rules Committee. Members may elect to use a vehicle that is owned by the Assembly. The Assembly Rules Committee charges 90% of the total monthly lease amount to the Member's budget, limited to \$400 for a three-year lease and \$350 for a four-year lease. The Member must pay the difference from personal funds.

*Car Maintenance:* The costs reported in this category will vary significantly because of the variance in the number of miles driven by the Members. Members in large-sized districts and Members who represent districts wherein air travel between the Capitol and the district is not practical tend to utilize their cars more than other Members. Accordingly, the maintenance costs of such cars are likely to be higher than for others.

*Gas and Oil:* Expenditures in this category are for gasoline and oil supplied to cars and private aircraft for legislative business. These costs, too, vary for the same reasons as those affecting car maintenance.

*Car Rental, Staff and Member:* This expenditure category includes the use of state-owned pool cars and commercial rental cars by both the Member and his/her staff in the course of legislative business.

This category, as listed in the Support Services section of the report, includes, in addition to car rental, the costs of gas, oil, and maintenance for cars utilized by the office of the Sergeant at Arms.

*District Office Rent, Maintenance, and Utilities:* Each Member is entitled to rent an office within the district he/she represents so that constituents may have direct access to their legislators. In some of the larger districts, two or three offices are sometimes authorized. Accordingly, Members representing districts in high-rent metropolitan areas or Members representing large districts requiring more than one office will be reported with higher expenditures in this category than will other Members. Costs included in this expenditure item are rent, utilities (except telephone), janitorial service, and incidental maintenance costs.

*Telephone and Telegraph:* All telephone charges (except some equipment installation charges) are reported in this expenditure category. Included are the charges for district office telephones, Capitol telephones, and mobile telephones. Members who will likely have higher charges than many of their colleagues are those representing districts which are either far from the Capitol, or in regions which cover large geographic areas.

*Postage:* The category includes the total amount expended for postage except for the postage utilized in the mailing of legislative mailings authorized under provisions of Proposition 73 of June 1988.

*Communications:* The costs included in this expenditure category are primarily for handling and mailing of legislative mailings authorized under provisions of Proposition 73 of June 1988.

*Furniture and Equipment:* This category includes the purchase, rental, and maintenance of certain furniture and equipment items utilized in the Capitol and district offices of the Members. It does not include the purchase of items which will, during the course of their usefulness, be utilized by a number of Members during succeeding years. Expenditures for items of that description are reported in the Furniture and Equipment category as General Overhead Expenditures.

*Office Supplies:* Stationery items, other printing costs charged to the Assembly Operating Fund, general office supplies, and related miscellaneous supplies utilized in the Members' Capitol and district offices are reported in this expenditure category.

*Subscriptions and Publications:* Each Member is authorized to subscribe to the newspapers generally circulated within his/her district and to certain metropolitan daily newspapers. Members representing districts which include many cities and towns will frequently have higher expenditures in this category than will Members representing relatively compact areas. Expenditures for subscriptions and publications incurred by the committees and leadership offices are reported separately. Each committee is authorized to purchase relevant books and to subscribe to periodicals specializing in the subject matter of the committee for which the expenditure is made.

*Miscellaneous Services:* Most of the expenditures shown in the Miscellaneous Services category for the Members are for services such as telephone answering services in district offices and newspaper clipping services. Included in this category for the committee reports are such items as witness expenses, meeting expenses, data-processing costs, and other miscellaneous services.

A number of operational costs incurred by the Assembly are not directly attributable to any of the Members, committees, leadership offices, or support services. Such expenditures are classified as General Overhead and are reported according to the following categories:

*Miscellaneous Salaries:* Accrued vacation payments made to terminating employees, and salaries paid to employees on extended sick leave are reported in this category.

*Employee Benefits:* This expenditure category includes the Assembly's contribution to the OASDI (social security) fund, the Public Employees' Retirement System, various health, dental, vision, and life insurance premiums, the Compensation Insurance Fund, unemployment and disability insurance, and any other benefits approved by the Assembly Rules Committee.

*Building, Rent, Maintenance, and Utilities:* Reported in this expenditure category are construction and remodeling costs and the rent, maintenance, and utilities for offices (other than Members' individual district offices) utilized and paid for by the Assembly outside the Capitol.

*Telephone:* This listing is for the cost of telephone equipment installation in all Assembly offices.

*Furniture and Equipment:* The expenditure indicated in this category is for the purchase, rental, and maintenance of furniture and equipment not reported elsewhere in the report. Most furniture and equipment are considered a capital investment which will be used, through the years, by a number of different Members or other offices and can therefore not be appropriately reported as an expense on behalf of any particular Member or office.

*Office Supplies:* The amount shown in this expenditure category represents office supplies which were purchased by the Assembly for the use of Members and other offices but which were not distributed to any such offices before the end of this reporting period.

*Annotated Codes and Law Books:* Each Member's office and certain other Assembly offices are furnished with Annotated California Codes and certain other law books. The cost of these books is

considered a capital expenditure in the same manner as many furniture and equipment items, and is therefore reported in this General Overhead category.

*Meeting Expenses:* This expenditure category includes certain costs incurred by the Assembly relative to the conduct of Assembly Sessions and Joint Sessions of the Legislature which cannot be readily charged to any other expenditure category, rental costs for some meeting rooms, and some conference registration fees.

*Freight, Moving, and Delivery:* This expenditure category includes costs incurred for the transport of furniture, supplies, and other items which are not chargeable to any particular office.

*Other Miscellaneous Services:* The major expenditures reported in this category are for the costs of photography services related to official Assembly publications, vehicle liability insurance, and organization memberships.

*Study Contracts:* From time to time the Assembly finds it practical to contract with individuals, firms, universities, and other governmental agencies in order to expand its research capability with respect to specific projects. The costs reported in this category are for payments made under such contracts during this period.

The next report of Assembly expenditures will be for the period between December 1, 2010, and November 30, 2011.

Sincerely,

NANCY SKINNER  
Chair of the Assembly Committee on Rules

*Lord, Some of us take vacations to get away from it all. Others lose sleep worrying about things or people in our lives. When we are overwhelmed we can be less tolerant of others—we're likely to say something we don't really mean. But You, Lord, want us to cast our cares on You and live with a gentle and humble attitude. When we release our burdens to You, we will find rest for our souls and peace in our heart. Refresh us and rejuvenate us, Lord, so that we can love others the way You love us.—AMEN.*

*Lord*, We pause this morning to remember the attacks made against our nation ten years ago on September 11th. We thank You for keeping us safe from any similar attacks since then and we pray that You strengthen our President and our security forces that they remain vigilant. We have changed in many ways over the past ten years, but one thing that hasn't been shaken is our devotion to the individual liberty that has been endowed to us by You. Your gift of freedom to humanity is a precious gift that all Americans cherish and that many around the world try to smother. Thank You for Your gift of freedom and of faith in You, O Good and Loving God. Grant rest to those who were killed in the attacks ten years ago, comfort their families, and bless all those who struggled to rescue and help in the aftermath. As we pray and remember this morning, we ask that You fill us with a holy determination to pursue all the dreams and desires You have placed in our heart, for You are blessed forevermore.—AMEN.

Upon invitation of Speaker Pérez, the following prayer was offered by Guest Chaplain Ranjit Singh:

Having first remembered God the Almighty, think of Guru Nanak. The Tenth Master Guru Gobind Singh Jee, father of the Khalsa who has blessed us with the gift of Amrit—may we enjoy his protection everywhere. Turn your thoughts, O Khalsa, to the teachings of Guru Granth Sahib and call on God, Wonderful Lord!

*Almighty God*, we humbly request You to keep all men and women who have laid down their lives to protect freedom and peace since 9/11 until today, the tenth anniversary, and please keep them at your glorious feet and protect them forever and comfort their families.

“Nanak Naam charhdee kala. Tere bhaaney sarbat da bhala.”

(O Nanak, may the Name be ever in ascendance! In Your will may the good of all prevail!)

**REPORTS**

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

I2011-1  
August 25, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: Pursuant to the California Whistleblower Protection Act, the Bureau of State Audits presents its investigative report summarizing investigations completed between July 2010 and March 2011 concerning allegations of improper governmental activities.

This report details seven substantiated allegations involving several state departments. Through our investigations, we found waste of state funds, misuse of state resources, falsification of records, inexcusable neglect of duty, and failure to monitor time reporting. As an example, we found that an executive at the Department of Mental Health wasted at least \$51,244 in state funds in 2009—the one-year period that we examined—by employing a longtime senior official to perform activities that either were undertaken on behalf of a nonstate organization or did not serve a state purpose. In addition, a chief psychologist at a correctional facility operated by the Department of Corrections and Rehabilitation used his state-compensated time and state equipment to perform work related to his private psychology practice, costing the State up to an estimated \$212,261 in lost productivity over nearly five years.

This report also provides an update on previously reported investigations and describes additional actions taken by state departments to correct the problems we identified. For example, the Department of General Services signed an agreement in June 2011 with a now-retired fleet division manager directing him to reimburse the State for his misuse of state vehicles for his daily commute for three years. The terms of the agreement require the manager to repay the State \$12,379 in monthly payments from June 2011 through August 2016.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Business, Professions and Consumer Protection.

Assembly Bill No. 189

 Assembly Bill No. 291

**MESSAGES FROM THE GOVERNOR**

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

**Veto Message—Assembly Bill No. 142**

Governor's Office, Sacramento  
 September 6, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 142 without my signature.

This measure would require a court to advise a defendant prior to the entry of a guilty plea or plea of nolo contendere of possible federal penalties associated with a future prosecution if the person is deported and if the person subsequently reenters the country illegally. While a criminal defendant must be correctly informed about the direct consequences of a plea, including potential immigration consequences, this measure goes beyond what is necessary by advising a criminal defendant about the consequences of future criminality.

Sincerely,

EDMUND G. BROWN JR.

**Veto Message—Assembly Bill No. 274**

Governor's Office, Sacramento  
September 6, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 274 without my signature.

This bill is unnecessary. It directs employers to a technical guide used by the Employment Development Department (EDD) to adjudicate Unemployment Insurance eligibility.

Use of this guide, however, may cause confusion rather than assist employers in understanding what qualifies as "good cause" for responding late to an Unemployment Insurance claim notification. Information about what constitutes good cause is already stated on the existing form sent to employers when a claim is filed.

Sincerely,

EDMUND G. BROWN JR.

**Veto Message—Assembly Bill No. 293**

Governor's Office, Sacramento  
September 6, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 293 without my signature.

This bill requires county elections officials to establish a free access system where vote-by-mail voters can find out whether their ballot was counted, and if it was not counted, the reason why.

I support the author's goal of informing vote-by-mail voters of the status of their ballot, but, in view of California's severe fiscal challenges, I believe restraint must be exercised with regard to any new state mandates. Under existing law, local governments can implement this type of database on their own. In fact, many counties have done so.

Sincerely,

EDMUND G. BROWN JR.

**Veto Message—Assembly Bill No. 390**

Governor's Office, Sacramento  
September 6, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 390 without my signature.

This bill would codify the Department of Motor Vehicles' (DMV) practice of sending a 60 day written notice of expiration to holders of California identification cards.

As a result of 2008 legislation, DMV allows ID card holders the option to renew their cards by mail or Internet. The 60 day notice must be sent to prompt the ID holder to pay his or her fee and renew by mail or Internet.

Nothing suggests that the DMV is about to discontinue mailing out the 60 day notice. For that reason, this bill is unnecessary.

Sincerely,

EDMUND G. BROWN JR.

**Receipt of Bills**

I acknowledge receipt this 6th day of September, 2011 at 9:45 p.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts:

Assembly Bills Nos. 142, 274, 293, and 390.

**SUE PARKER**

Assistant Chief Clerk of the Assembly

**ENGROSSMENT AND ENROLLMENT REPORTS**

Assembly Chamber, September 6, 2011

Mr. Speaker: Pursuant to your instructions, the Chief Clerk has examined:

California State Auditor

2010-124  
September 6, 2011

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the Department of Corrections and Rehabilitations' (Corrections) use of the Correctional Offender Management Profiling for Alternative Sanctions (COMPAS), which is a software tool that helps to identify the characteristics that cause offenders to commit crimes so they can participate in rehabilitative programs and thereby lessen their likelihood of reoffending.

Our report concludes that the benefits from Corrections' use of COMPAS are, at best, uncertain. Specifically, Corrections' use of COMPAS in its reception centers—facilities where inmates entering the correctional system are evaluated and assigned to a prison—does not meaningfully affect its decision-making concerning prison assignments, and by extension, the rehabilitative programs inmates might access at those facilities. Our discussions with staff from eight of Corrections' 12 reception centers revealed that other non-COMPAS factors, such as an inmate's security level and limited bed space at

receiving prisons, play more prominent roles in determining where inmates can be housed. Furthermore, the COMPAS core assessment identifies up to five different needs; however, Corrections has rehabilitative programs that address only two. Corrections has not established regulations defining how COMPAS assessments are to be used despite legal requirements to do so. As a result, we recommend that Corrections suspend its use of COMPAS until it issues regulations addressing these issues and develops a methodology for measuring whether COMPAS is achieving its intended outcome, helping Corrections reduce the State's recidivism rate.

Our review also revealed other problems with Corrections' deployment of COMPAS that negatively affect its usefulness. Some correctional staff we spoke with at reception centers and parole offices indicated a lack of acceptance of COMPAS, suggesting the need for further training or clarification regarding COMPAS's value. Further, Corrections use of COMPAS for placing inmates into its in-prison rehabilitative programs is limited to its substance abuse program. However, we found that many in this program either lack COMPAS assessments or have a low COMPAS-identified need for substance abuse treatment. Moreover, relatively few inmates with moderate to high substance abuse treatment needs, as determined through the COMPAS core assessment, are assigned to a treatment program. Finally, we found that Corrections lacks accounting records demonstrating how much it cost to fully deploy and implement COMPAS at its reception centers, prisons, and parole offices. The lack of such information prevents Corrections from demonstrating accountability for its spending on COMPAS.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Public Safety.

**MESSAGES FROM THE GOVERNOR**

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

**Veto Message—Assembly Bill No. 446**

Governor's Office, Sacramento  
September 7, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 446 without my signature.

This measure would authorize the use of restorative justice programs, but the courts already have the authority to create such programs. While the provisions of this bill are well-intended, they create a clear expectation that our courts—already struggling with painful budget cuts—will establish a new program.

Given current budgetary constraints, the decision to adopt this kind of program is better left to the sound discretion of judges.

Sincerely,

EDMUND G. BROWN JR.

**Veto Message—Assembly Bill No. 1216**

Governor's Office, Sacramento  
September 7, 2011

*To the Members of the California State Assembly:*

I am returning Assembly Bill 1216 without my signature.

This bill would give affected tenants and public entities the right to sue owners of assisted housing developments who are ending their participation in a subsidy program.

I strongly support preserving assisted housing units. Unfortunately, the bill fails to specify clearly the remedies available. This could lead to unnecessary litigation and delays.

Sincerely,

EDMUND G. BROWN JR.

**Receipt of Bills**

I acknowledge receipt this 7th day of September, 2011 at 1:05 p.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts:

Assembly Bills Nos. 446 and 1216.

SUE PARKER  
Assistant Chief Clerk of the Assembly

The following message from the Governor was received and ordered printed in the Journal:

**Governor's Message—Assembly Bill No. 412**

Governor's Office, Sacramento  
September 7, 2011

*To the Members of the California State Assembly:*

I am letting Assembly Bill 412 become law without my signature.

While this bill would enable increased funding for local emergency medical and trauma care services in Santa Barbara County, I am concerned about the growing use of penalty assessments and placing such a burden on a small group of people.

A person who commits an offense with a \$100 fine can end up paying more than \$500. A \$1,000 offense often becomes a \$3,700 liability. Increasing penalty assessments may have unintended consequences, such as forcing people of modest means to choose jail time over paying sums they can't afford.

Obviously, these penalty assessments are for good purposes: emergency medical services, the DNA data bank, court security, courthouse construction, traumatic brain injury, pediatric trauma centers, the fish and game preservation fund, and the automated fingerprint identification fund.

Costs of such projects, however, should not be borne by a narrow class of citizens. Those who break the law should be fairly punished for their transgressions, but not be subjected to ever-increasing costs that are more properly the responsibility of the public at large. Sooner or later, we must find better ways to pay for the public goods we truly need.

Sincerely,

EDMUND G. BROWN JR.
