Explanation of Vote—Assembly Bill No. 1846

August 28, 2012

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Dear Mr. Wilson: I inadvertently voted aye on AB 1846 but my intention was to stay off of this measure. I understand that the process for changing the vote is a two part process including staying after Session to change the vote from the desk and to verify at the kiosk. Due to the late hour, I inadvertently missed the second part of the process and did not verify my vote change at the kiosk. I would like to go on record that I am not in support of AB 1846.

Sincerely,

BRIAN NESTANDE, Assembly Member
 Sixty-fourth District

MESSAGES FROM THE GOVERNOR

The following veto message from the Governor was received and ordered printed in the Journal and Assembly Bill No. 1765 ordered to the unfinished business file:

Veto Message—Assembly Bill No. 1765

Governor's Office, Sacramento
August 27, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1765 without my signature.

This bill would require the California Commission on Teacher Credentialing to convene an advisory panel to come up with ways to identify and possibly reward teachers who help other teachers become more effective in the classroom.

Given that the Commission is facing a huge backlog of cases, it is not the time to assume additional responsibilities. While I enthusiastically support professional development, especially by skilled teachers, nothing precludes local educators from doing this work. I don't think another government panel is needed.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 27th day of August 2012 at 5 p.m., of the following Assembly Bill without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts:

But when it stops, the palm tree bounces right back up and actually grows stronger. Lord, strengthen us to come back even stronger when the storms of life blow. For with You on our side, even in the midst of the storms, nothing can hold us back.—AMEN.

Lord, We all look for perfection in the goals we set for ourselves. Yet, You don't look at the externals, You look at the condition of our heart. Someone who has a heart devoted to You, even though they make mistakes, pleases You more than someone doing all the right things for all the wrong reasons. Inspire our heart, Lord, to turn toward You, to make the proper adjustments in our life and to seek Your ways. May we get up each day, Lord, with a desire to please You.—AMEN.

REPORTS

California State Auditor

2012-106
August 21, 2012

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the City of San José's (San José) operating budget and current and future retirement obligations.

This report concludes that during fiscal years 2009–10 through 2011–12, San José experienced financial challenges as its budgeted revenues declined and retirement costs—consisting of pension and postemployment health benefits—increased. Although we believe that San José's financial challenges are real, we found that some of the retirement cost projections reported in San José's official documents in 2011 were not supported by accepted actuarial methodologies, nor were the underlying assumptions vetted and approved by the boards of San José's two retirement plans. For example, in supporting the need to reduce retirement benefits, the mayor and certain city council members referred to a projection that the city's annual retirement costs could increase to \$650 million by fiscal year 2015–16, a projection that our actuarial consultant determined was unsupported and likely overstated when assumptions approved by the boards of the two retirement plans

**SIX HUNDRED THIRTY-SIXTH CALENDAR DAY

Assembly Chamber, September 1, 2012

At 12 midnight.

Speaker pro Tempore Ma, presiding.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Charles Calderon was granted unanimous consent that the following statements of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 278 and Senate Bill No. 900

August 20, 2012

E. Dotson Wilson

*Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: On July 2, 2012, the California State Assembly passed Assembly Bill 278 and Senate Bill 900. Both bills were Chaptered by the Secretary of State on July 11, 2012, as Chapter 86 and Chapter 87, Statutes of 2012, respectively. I am providing this letter to the Journal to clarify the intent of those bills.

Under existing law, pursuant to Civil Code Section 2924(b), trustees do not have liability for any good faith error when relying on information provided by the beneficiary regarding the nature and amount of a default. Similarly, the conference committee amendments were not intended to impose liability on an entity that records documents at the direction of a trustee, substitute trustee, or beneficiary who is acting within the scope of authority designated by the holder of the beneficial interest and where the entity is carrying out its recording duties in good faith in the normal course of their activity.

Sincerely,

MIKE ENG, Assembly Member
Forty-ninth District

Legislative Intent—Assembly Bill No. 491

August 31, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: This letter for the Assembly Journal describes the author's intent for Assembly Bill 491, regarding cardiac catheterization.

AB 491 will permit cardiac catheterization procedures to be performed in an appropriately equipped and staffed outpatient setting that is on the hospital campus. The procedure will be performed under the direction of a cardiologist, and the medical staff must approve all hospital policies related to the procedures as stated in the bill.

The intent behind this bill is to ensure that medical staff oversight and applicable regulations shall address patient selection based on the operating cardiologist's professional medical judgment, which may include, but is not limited to, consideration of the patient's risk, and the patient's overall health status, to ensure that high risk patients receive treatment in the inpatient setting.

In Peace and Friendship,

FIONA MA, Speaker Pro Tempore
Twelfth District

Legislative Intent—Assembly Bill No. 837

August 31, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: Assembly Bill 837, of which I am the author, would require a manufacturer or supplier making an environmental claim relating to the recycled content of a plastic food container, as defined, to maintain information and documentation in support of such a claim. The bill would also require such a manufacturer or supplier to furnish this information, upon request, to any member of the public or to provide the information by furnishing a link to a document on its Internet web site.

The definition of "plastic food container" within AB 837 means a product that includes a tray, clamshell container, or other receptacle that is used, or intended to be used, to hold food. It is not my intention that this definition encompass bottled water that is regulated as a packaged food product in California and defined by the California Department of Public Health, California Health and Safety Code for Bottled, Vended, Hauled, and Processed Water: Chapter 5, Article 12, Section 111070.

Sincerely,

BRIAN NESTANDE, Assembly Member
Sixty-fourth District

Legislative Intent—Assembly Bill No. 889

August 30, 2012

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Dear Mr. Wilson: The purpose of this letter is to express my intent as the author of Assembly Bill 889.

The bill requires the Department of Industrial Relations (DIR) to adopt regulations to implement and enforce AB 889 under its plenary authority pursuant to the Labor Code, including its authority under Section 50.5 to foster, promote, and develop the welfare of the wage earners of California and to improve their working conditions.

In proposing the promulgation of regulations addressing meal and rest periods in Section 1451(b)(2), it is my intent that such regulations provide for daily flexibility in the scheduling of meal and rest periods.

It is the intent of this that promulgated regulations, addressing “meal and rest period,” that such regulations provide for daily flexibility in the scheduling of meal and rest period, and that such regulations also call for compensation for such “meal and rest period,” if such “meal and rest period” is not taken.

In proposing the definitional exemptions in section 1450, the bill is not intended to eliminate rights that any employee currently has under Industrial Welfare Commission Wage Order 15-2001. All such Wage Order 15-2001 protections shall remain fully enforceable. The bill similarly is not intended to eliminate any rights that employees working in a private household currently have under Industrial Wage Commission Orders 4-2001 or 5-2001, if their employment is covered by those wage orders.

Since the intent of the bill is to rectify historical exclusions, in proposing Section 1451(c), which provides that DIR may apply the provisions of Industrial Welfare Commission Wage Order 15 to domestic work employees, my intent is to ensure that the working conditions of domestic work employees are improved and are not in any way diminished. My intent in requiring DIR to adopt regulations in Section 1451 is to ensure overtime and meal and rest period protections are implemented for personal attendants, who are defined in IWC Wage Order 15-2001, Section 2(j), and are currently excluded from those protections; and appropriate uninterrupted sleep periods and rules regarding compensation for interruptions.

Finally, in regard to the scope of domestic work, my intent is that casual babysitters over the age of 18 not be covered by regulations promulgated pursuant to this legislation.

Sincerely,

TOM AMMIANO, Assembly Member
Thirteenth District

Legislative Intent—Assembly Bill No. 1181

August 31, 2012

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Mr. Wilson: It is not the intention of AB 1181 to interfere with or limit the right to negotiate, set, or adjust, in good faith, prices of purchased commodities in private transactions, whether bilateral or multilateral, such as those transactions performed under contract, pursuant to the Commercial Code, or consistent with course of dealing or usage of trade. It is also not the intention of AB 1181 to imply that the highest applicable price per unit that is publicly advertised must be honored in such private transactions.

Sincerely,

BETSY BUTLER, Assembly Member
Fifty-third District

Legislative Intent—Senate Bill No. 1456

August 31, 2012

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Dear Mr. Wilson: As principal co-author of Senate Bill 1456 (Lowenthal) and the Assembly Higher Education Committee Chair when SB 1456 was heard in the Assembly Higher Education Committee, I respectfully submit this letter to be printed in the Assembly Journal in order to provide clarification on the intent of SB 1456 and provide guidance on its implementation if signed by the Governor.

Senate Bill 1456 establishes new academic and progress standards to be met by students attending the California Community Colleges (CCC) in order to retain a Board of Governor's fee waiver. SB 1456 also establishes new requirements to be met in order for community college districts to receive matriculation funds.

Previous versions of this measure provided specificity designed to ensure that students who may be in jeopardy of losing their fee waiver eligibility are provided with adequate notice to improve their situation and meet the minimum academic and progress standards established by the CCC Board of Governors. I, like my colleagues in the Legislature, share the concern that students be provided timely notification of their failure to meet the standards. Students must have a reasonable opportunity to remedy deficiencies and thus not lose their fee waiver eligibility.

Specifically, any new standards adopted by the CCC Board of Governors would not go into effect for at least a year from the date of their adoption. It is critical that students who do not meet the minimum

academic and progress standards or those on academic or progress probation be immediately notified at the time the new standards are adopted so these students have the time to remedy any deficiencies. In addition, once new standards are in effect, it is critical that students be individually provided notice no later than the start of the academic term before the loss of fee waiver eligibility so they have sufficient time to remedy deficiencies.

It is my understanding that if this bill is signed into law, these important student protections will be enacted by the CCC Board of Governors as part of the regulatory process implementing SB 1456.

Sincerely,

MARTY BLOCK, Assembly Member
Seventy-eighth District

Legislative Intent—Assembly Bill No. 1532

August 31, 2012

E. Dotson Wilson

*Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: Assembly Bill 1532, of which I am the author, requires the Department of Finance (DOF), on the Governor's behalf, to develop a series of three-year investment plans to expend the auction revenues that will accrue under the State greenhouse gas cap and trade program.

AB 1532 requires that the Department consider specific criteria in the development of the investment plans, justify the investment plans based upon conformity with Division 25.5 of the Health and Safety Code, and engage in a public process in their development.

It was my intent in authoring AB 1532 that as a part of the Governor's annual budget submission to the Legislature, the DOF will include proposed expenditures consistent with the investment plans developed in accordance with Health and Safety Code Section 39716.

Sincerely,

JOHN A. PÉREZ
Speaker of the Assembly

Legislative Intent—Assembly Bill No. 1647

August 30, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: My Assembly Bill 1647 seeks to curb the growth in the illegal export of waste tires overseas to be converted into bunker fuel instead of being recycled in California. AB 1647 aims to address this problem through a multifaceted approach, including streamlining and expediting enforcement actions against unlawful tire facility activities, and requiring tire brokers to register with the Department of Resources, Recycling, and Recovery, and periodically report information on tire shipment activity.

AB 1647 defines a tire broker as “a person that arranges for the shipment of used or waste tires to or from a site located within the state, or through the state . . .” While this definition is meant to include those who are actively engaged in purchasing waste tires for resale in or outside of California, it is not intended to include motor vehicle dealers, as defined in Section 285 of the Vehicle Code, or tire retailers primarily engaged in the retail sale, service, and installation of tires on customer vehicles. These businesses merely generate waste tires as a byproduct of their primary business model of selling or servicing vehicles and/or tires.

Accordingly, I wish to clarify my intent that such businesses are not required to comply with the provisions of AB 1647 applicable to tire brokers.

Sincerely,

RICHARD S. GORDON, Assembly Member
Twenty-first District**Legislative Intent—Assembly Bill No. 1657**

August 30, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Chief Clerk Wilson: I am writing to clarify the wording of AB 1657 approved by the State Assembly on August 27, 2012. In one sentence in the Legislative Counsel Digest and on Page 3, Line 19 in the bill, it incorrectly refers to the “state Treasurer” rather than “state Treasury.” The state Treasury is the correct reference and is used throughout the rest of the bill.

My staff has contacted the Legislative Counsel’s office which has recognized the oversight and suggested it be addressed next year in code clean-up language.

Sincerely,

BOB WIECKOWSKI, Assembly Member
Twentieth District

State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: This letter is to clarify legislative intent regarding provisions of AB 2402 (Huffman), and specifically those relating to the use of independent science and policy principles. These provisions are intended to enhance the capacity of the California Department of Fish and Game (Department), and to assist the Department in obtaining the resources it needs to fulfill its mission. These provisions are not intended to dictate or control policy decisions of the Department, or to limit or dictate the experts that the Department consults with. In particular, the utilization, or inability to utilize, the scientific principles called for in this measure is not intended to impair or otherwise impact commercial fishing activities in California. Commercial fishing is an important part of the California economy, and the future health of the commercial fishing industry is vital to the interests of the state. The Department is encouraged to work with all stakeholders, including the commercial fishing industry, in managing California's natural resources.

Sincerely,

JARED HUFFMAN, Assembly Member
Sixth District

Legislative Intent—Assembly Bill No. 2477

August 20, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: The basic intent of AB 2477 is to conform California law with federal law, on the bill's effective date of January 1, 2013, as to the placement of video event recorders on windshields of commercial vehicles. Federal law is currently governed by an exemption granted by the Federal Motor Carrier Safety Administration referenced on page 5, lines 25–31 of AB 2477 (as amended on June 28, 2012). The intent of the new provision, Vehicle Code section 26708(b)(14)(A), is to conform to that exemption.

The purpose of subdivisions (b)(14)(B) and (b)(14)(C) of section 26708 is to maintain conformity to federal law both in the event the current federal exemption expires and in the event the regulation is changed to incorporate the exemption. If the exemption expires, then the change in the law enacted by AB 2477 (Vehicle Code section 26708(b)(14)(A)) would become inoperative pursuant to subdivision (14)(B). However, if as is expected the federal regulation is revised to permanently adopt the exemption, the change in law enacted by AB 2477 would become operative pursuant to subdivision (14)(B) even if the federal exemption had expired. In both instances, the California Highway Patrol will make the determination of the state of the federal regulation.

This is consistent with the interpretation of the Legislative Counsel and the understanding of the California Highway Patrol.

Sincerely,

MARTIN GARRICK, Assembly Member
Seventy-fourth District

Legislative Intent—Assembly Bill No. 685

August 30, 2012

*E. Dotson Wilson
 Chief Clerk of the Assembly
 State Capitol, Room 3196
 Sacramento, California*

Dear Mr. Wilson: This letter is to clarify the intent of Assembly Bill (AB) 685, which would add Section 106.3 to the Water Code to declare that it is the established policy of the state that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes.

It is well documented that many water service providers face significant challenges in providing safe and clean water, but many also lack the capacity to overcome them without assistance, especially in rural and disadvantaged communities, where enforcement actions alone are insufficient to address the root cause of persistent problems. It is my intent with AB 685 to create a state policy priority and direct state agencies to explicitly consider it within their relevant administrative processes, measures and actions.

Therefore, subdivision (a) of Section 106.3 sets this state policy priority. It is implemented by subdivision (b), which directs relevant state agencies to consider this policy priority when engaging in agency actions that are likely to impact the safety, affordability, or adequacy of drinking water or sanitation. It is intended that subdivisions (a) and (b), together, establish a framework for administrative decision making that will improve access to safe, affordable domestic water service throughout the state.

Subdivision (b) does not direct any state agencies, including the State Water Resources Control Board, to commence proceedings to revisit existing policies and regulations to bring them into compliance with the policy priority in subdivision (a). It merely directs that when such an agency does revisit its existing policies and regulations, or adopts new policies and regulations going forward, those agencies must consider the policy priority. Therefore, it is not my intention that the State Water Resources Control Board be required by this section to alter existing policies or regulations relating to the granting, administration or enforcement of water rights.

Subdivision (c) addresses my intent that the declaration of state policy in subdivision (a) and the implementation provision in subdivision (b) do not impose a new obligation on the state to provide water service or to pay for water for those unable to afford it.

Subdivision (e) specifies that the implementation of this section shall not infringe on the rights and responsibilities of any public water system. This subdivision is intended to apply to a public water system as defined in Section 116275 of the Health and Safety Code. It is not my intent that Section 106.3 alter existing statutory requirements applicable to public water systems, including: (1) statutorily-mandated procedures to terminate water service (i) for nonpayment of water bills or (ii) for any violation of a rule or regulation adopted by a public water system or regulatory agency; (2) compliance with any applicable water quality requirement established pursuant to federal or state law; (3) compliance with any water planning process set forth in the Water Code, including but not limited to Water Code Sections 10608–10608.64, the Urban Water Planning Management Act (Water Code Sections 10610 et seq.), the Agricultural Water Planning Management Act (Water Code Sections 10800 et seq.) and Water Code Sections 10910–10915); (4) compliance with any statutory requirement pursuant to the California Environmental Quality Act (Public Resources Code Sections 21000 et seq.); (5) compliance with any statutory requirement pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Government Code Sections 56000 et seq.); (6) declaration of a water shortage emergency pursuant to Water Code Sections 350 et seq.; and (7) compliance with any requirements pertaining to the Public Utilities Commission regulation of water utilities pursuant to the Public Utilities Code.

Finally, it is my intent that nothing in Section 106.3 prohibits or is intended to restrict future changes to existing statutes or regulations, or the adoption of new statutes or regulations appropriate and necessary to implement the policy contained in subdivision (a).

Sincerely,

MIKE ENG, Assembly Member
Forty-ninth District

Legislative Intent—Assembly Bill No. 1486

August 31, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: I am submitting this letter to the Assembly Journal to provide clarity as to the intent of Assembly Bill 1486 relating to hearings and disclosure of information by the Los Angeles Regional Interoperable Communications System (LA-RICS) Authority.

Assembly Bill 1486 adds Public Resources Code §21080.25, relating to environmental documentation for certain LA-RICS projects. It is my intention that LA-RICS, through its use agreements with member agencies for LA-RICS projects, include an open and noticed public meeting process by LA-RICS and the member agencies in the approval of those use agreements.

Further, it is my intent that the LA-RICS Authority will do the following for LA-RICS projects:

- Hold a noticed public meeting prior to submitting an environmental assessment, prepared pursuant to the National Environmental Policy Act, to federal agencies for approval.
- File notices of exemption for all sites it determines are exempt under AB 1486 of the 2011–2012 Regular Session.
- Include the following information on its Internet website: 1) draft and final environmental documentation, in compliance with CEQA and NEPA; 2) the date of filing notices required pursuant to CEQA and NEPA, and 3) all notice and hearing information regarding review and approval of the environmental assessment by any federal agencies.

Finally, it is my intent that the Assembly Bill 1486 exemption does not apply to, and LA-RICS facilities will not be located on, any of the following: 1) school sites (none of the planned sites are located on school sites); and 2) cultural sites, including sacred sites as described in Public Resources Code §§5097.9 and 5097.993.

To the extent any clarification is necessary regarding the intent of this provision, I will pursue legislation to clarify these matters at the earliest opportunity.

Sincerely,

RICARDO LARA, Assembly Member
Fiftieth District

Assembly Member John A. Pérez was granted unanimous consent that the following statements of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 1098

August 31, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: It is my intent as the author of this legislation to restore critical funding for recently incorporated cities and cities with annexations which were significantly harmed by the enactment of SB 89 of 2011. These funds are critical to avoid the potential disincorporation of cities and to also ensure that essential public safety is protected.

A concern has been raised that this legislation could, in future years, reduce the amount of funding allocated to counties for 2011 realignment. That is not my intent.

On behalf of my sponsors, they commit to address these concerns in the next Legislative Session.

If you have any questions, please contact Robbin Lewis-Coaxum of my staff at (916) 319-2062.

Sincerely,

WILMER AMINA CARTER, Assembly Member
Sixty-second District

Legislative Intent—Assembly Bill No. 1492

August 31, 2012

*E. Dotson Wilson**Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: Assembly Bill 1492 would enact provisions related to forestry resource management. Among the bill's provisions, it would impose an assessment on a person who purchases a lumber product, as defined, in this state, at the rate of 1% of the sales price. I am submitting this letter to the Assembly Daily Journal to clarify the meaning of the term "lumber product" in AB 1492.

Section 4629.5(b)(5) provides that "lumber product" means a product in which wood or wood fiber is a principal component part, including, but not limited to, a solid wood product, or an engineered wood product, that is identified in regulations adopted by the board pursuant to Section 4629.4. The paragraph further provides that "lumber product" does not include furniture, paper products, indoor flooring products such as hardwood or laminated flooring, bark or cork products, firewood, or other products not typically regarded as lumber products.

I wish to clarify that the term "lumber product," as defined in Section 4629.5(b)(5) is in no way meant to include materials used for the processing or storage of beer, wine, or spirits.

Sincerely,

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2011-118
 2011-613
 August 23, 2012

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: The California State Auditor presents this audit report concerning the organizational structure and significant policies and practices of three public agencies that issue conduit revenue bonds: the California Health Facilities Financing Authority (Health Financing Authority), and two joint powers authorities—the California Statewide Communities Development Authority (California Communities) and the California Municipal Finance Authority (Municipal Finance).

This report concludes that it may be helpful for the Legislature or the Fair Political Practices Commission (FPPC), as appropriate, to provide

clear policy direction regarding whether contingency fees paid to private employers of consultants participating in financing decisions should be permissible under California's conflict-of-interest laws. Both California Communities and Municipal Finance are staffed entirely by private consulting firms. For their work, the consulting firms receive a percentage of the fees associated with each conduit revenue bond the joint powers authorities issue. During July 2006 through June 2011, California Communities and Municipal Finance paid their consultants roughly \$50 million and \$4.6 million, respectively. These amounts represent 59 percent of total revenues generated for California Communities and 49 percent for Municipal Finance. This method of compensation raises a concern under the Political Reform Act of 1974 (political reform act), which prohibits public officials—including consultants performing the work of public officials—from making, participating in, or attempting to influence certain governmental decisions in which they have a material economic interest. In explaining why they believe the compensation model does not violate the political reform act, consultants who advise the public entities rely on an advice letter issued by the FPPC to a different entity. However, neither the FPPC nor a court of appropriate jurisdiction have considered the applicability of the reasoning set out in that advice letter to the specific circumstances described in this audit report.

The joint powers authorities' use of consultants also raises a concern under California Government Code, Section 1090 (Section 1090). This state law prohibits public officials and employees from having a financial interest in any public contract whose formation or approval they participate in, which includes the issuance of conduit revenue bonds. Although there is some case law that suggests that consultants who contract with public agencies may be paid on a contingency fee basis for their services without violating Section 1090, no court has squarely addressed the specific question presented here and we therefore cannot reach a definitive legal conclusion.

This report also concludes that the joint powers authorities could improve their contracting practices to better ensure the services they receive are reasonably priced. The boards of directors for California Communities and Municipal Finance have not required the consulting firms staffing the joint powers authorities to compete against other firms since the joint powers authorities were formed in 1988 and 2004, respectively. By not periodically bidding out the contracts for these services, the joint powers authorities have less assurance that they are getting the best value from their consultants. However, notwithstanding the potential problems described above, during 2006 through 2011 California Communities and Municipal Finance met bond issuance requirements and generally fulfilled reporting obligations, including those established in 2010 under Senate Bill 99. Similarly, the Health Financing Authority also met these requirements.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

California State Auditor

2011-127
August 28, 2012

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the acquisition of a new headquarters building for the Metropolitan Transportation Commission (transportation commission) and the Bay Area Toll Authority (toll authority). The audit also examined the toll authority's administration of toll bridge revenues, particularly the use of toll revenues for acquiring the headquarters building.

This report concludes that the decision the board governing the toll authority made to use toll revenues to fund the acquisition of a new headquarters building likely was legally permissible. However, a court would ultimately decide the legality of the purchase. Further, during the decision-making process the transportation commission and the toll authority could have done more to clearly articulate to both their shared governing board and the public the financial risks associated with purchasing the building. Specifically, the transportation commission's presentation to the board in September 2011 stated that toll payers are protected because the cash flows from the building would repay contributed toll revenues. However, in its projection the transportation commission did not discount the value of future cash flows to today's dollars. We converted the cash-flow projection and determined that, in the most conservative combination of rental and occupancy rates, cash flows would fall short of repaying contributed toll revenues by \$30 million. We also noted that the financial risk of being unable to repay all of the toll revenues significantly increased in May 2012 when the Bay Area Headquarters Authority announced plans to convert 101,000 square feet of the building into an atrium and building support space that will reduce rentable space available to generate income. According to the current occupancy plan, unless the three most optimistic combinations of rental and occupancy rates are used, cash flows will fall short of repaying contributed toll revenues by a range of \$1.5 million to \$53.7 million over 30 years.

The transportation commission developed property search criteria and followed a reasonable process for evaluating potential properties, but at 350,000 square feet, the specified criteria for the overall building size was roughly twice the amount originally shared with its governing board. Moreover, it is not clear to us what the transportation commission's motivation was in setting the search criteria for the building's size—planning for growth or generating income. Notwithstanding the building's size, the governing board was well informed about the transaction and was responsive to public comment. Moreover, the Bay Area Air Quality Management District (air district)

has signed a lease for space in the headquarters building with an option to buy. The transportation commission, toll authority, and the air district plan to move in to the headquarters building in fall 2013. Meanwhile, the transportation commission and the air district still need to resolve their options for disposing of their current headquarters buildings.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Transportation.

California State Auditor

2011-121
September 6, 2012

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor (state auditor) presents this audit report concerning payments collected from individuals convicted of crimes of domestic violence and sentenced to probation (probationers). The majority of these payments are used to support local domestic violence programs that are shelter-based (local shelters).

This report concludes that improved processes for managing and distributing these payments could increase support for local shelters. Our review of 135 domestic violence cases in four California counties—Los Angeles, Sacramento, San Diego, and Santa Clara—over a four-year period revealed that individual courts and county agencies use varying methods for collecting the payments required of probationers. Of the cases we evaluated, many of the amounts initially assessed against probationers were not collected, although collections in some counties were higher than others. Moreover, our review of the distribution of funds from the payments identified several issues that reduced the amount of funding available to local shelters. Specifically, Santa Clara County had a fund balance that grew to \$715,000 in undistributed domestic violence funds. Sacramento County accumulated a large balance equivalent to 20 months of disbursements. Further, counties and courts inaccurately distributed the state and county shares of their domestic violence funds leading them, in some instances, to misdirect funds that they should have distributed to local shelters. When county agencies and courts do not collect or distribute all available domestic violence funds, local shelters may not be able to provide as many services to victims of domestic violence as they otherwise would. Finally, we identified several other issues that can affect these payments and that may require legislative clarification.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

California State Auditor

2011-129
September 11, 2012

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor (state auditor) presents this audit report concerning juvenile justice realignment and the Youthful Offender Block Grant (block grant) that state law established to compensate counties for the increased costs related to detaining and providing services to realigned juvenile offenders.

The report concludes that limited information and a lack of clear goals prevent a meaningful assessment of the outcomes of juvenile justice realignment. In particular, as part of the realignment law, the Board of State and Community Corrections (board) is required to issue annual reports regarding counties' use of block grant funds. Although not specifically required by state law, we would expect the reports to allow the Legislature to make assessments regarding the outcomes of realignment. However, the board's reports are based on a flawed methodology and, therefore, should not be used for this purpose. Moreover, the board's reports could mislead decision makers about the effectiveness of realignment by making it appear that realignment has not been effective when this may not be the case. Because of the problems we identified with the board's reports, we did not use them to assess the outcomes of realignment. Instead, we attempted to use juvenile justice data from the counties as well as from the Department of Justice and the California Department of Corrections and Rehabilitation; however, we discovered limitations to these data that further impeded our ability to draw conclusions about realignment.

Furthermore, the realignment law did not clearly specify the goals or intended outcomes of realignment. Without clear goals, measuring whether realignment has been successful is challenging. Nonetheless, the chief probation officers of the four counties we visited all believe that realignment has been effective based on various indicators, such as a reduction in juvenile crime, new and enhanced services, and reduced state costs. In support of these assertions, we found evidence suggesting that realignment may have had positive outcomes for many juvenile offenders and thus for the State. Although these indicators are encouraging, the limited—and potentially misleading—juvenile justice data that are currently available makes any measurement of realignment outcomes arbitrary and may not fully represent the impact realignment has had on juvenile offenders and the State as a whole.

Respectfully submitted,

State Auditor

MESSAGES FROM THE GOVERNOR

The following veto messages from the Governor were received and ordered printed in the Journal:

Veto Message—Assembly Bill No. 1892

Governor's Office, Sacramento

September 13, 2012

To the Members of the California State Assembly:

This bill would require the Department of Consumer Affairs to place specific language on its website regarding construction defects. This has already been done.

So in keeping with the author's oft-stated mantra that government should not be wasteful or do unnecessary things, I am returning Assembly Bill 1892 without my signature.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2115

Governor's Office, Sacramento

September 13, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2115 without my signature.

It is obvious that written employment contracts between local health care districts and hospital administrators would provide the transparency people have a right to expect. In fact, most local health care districts already do this.

Other local health care district boards should adopt this practice forthwith if they have not yet done so. In this way we will get the transparency we need without the state being forced to pay for what is a responsibility of local districts.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 13th day of September, 2012, at 10:38 a.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts:

Assembly Bills Nos. 1892 and 2115.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1166

Governor's Office, Sacramento
September 14, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1166 without my signature.

This bill would prohibit a school district from including information about a pupil's standardized test scores or course grades on any materials a pupil may be required to carry while at school.

This bill is unnecessary, as existing federal and state laws already protect pupil privacy. Moreover, this bill was written in response to a problem that was resolved at the local level.

Local districts are governed by trustees elected by and responsible to their respective communities. The principle of subsidiarity suggests limits to state intervention in school district matters. Sacramento should not easily or too quickly pre-empt local decisions.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 14th day of September, 2012, at 12:05 p.m., of the following Assembly Bill without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers:

Assembly Bill No. 1166.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 823

Governor's Office, Sacramento
September 17, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 823 without my signature.

This bill establishes a "Children's Coordinating Council," consisting of members of government, to advise itself on how it can improve collaboration amongst itself when it comes to delivering services to the children of this state.

For almost two years now, my administration has worked to eliminate unnecessary boards, commissions, advisory bodies, and reports, so that government is not so overloaded with the work of form over the work of function.

I commend the author's heartfelt desire to improve the lot of all children in the state, but the creation of another Council is not the solution. If anything, it lulls us into the fallacy that forms can solve our problems. Instead, let's try to be honest and thoughtful about the good we can do, and then do the good—without the statutory decree, not because of it.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1657

Governor's Office, Sacramento
September 17, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1657 without my signature.

This bill adds a \$1 assessment to the cost of a moving violation ticket to fund the Roman Reed Program for spinal cord injury at the University of California.

Spinal cord injury research is certainly worthwhile, but the funding method chosen is not. Loading more and more costs on traffic tickets has been too easy a source of new revenue. Fines should be based on what is reasonable punishment, not on paying for more general fund activities.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2309

Governor's Office, Sacramento
September 17, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2309 without my signature.

Since I have now signed SB 1402, which reauthorizes the California Community Colleges Economic and Workforce Development Program, the objectives sought by this bill can be achieved under current law.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 17th day of September, 2012, at 1:36 p.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers:

Sincerely,

JOHN A. PÉREZ
Speaker of the Assembly

MESSAGES FROM THE GOVERNOR

The following messages from the Governor were received and ordered printed in the Journal:

Governor's Message—Assembly Bill No. 2531

Governor's Office, Sacramento
September 19, 2012

To the Members of the California State Assembly:

I am signing Assembly Bill 2531, which would allow state hospitals to quickly develop lists of contraband items, with input from patients and employees.

I commend the author for his efforts to improve safety at our state hospitals. This measure will help ensure that dangers to staff and patients are minimized.

Sincerely,

EDMUND G. BROWN JR.

Governor's Message—Assembly Bill No. 2160

Governor's Office, Sacramento
September 23, 2012

To the Members of the California State Assembly:

I am signing Assembly Bill 2160 to give the Insurance Commissioner the ability to prohibit California insurance companies from counting unstable investments in the Iranian energy and military sectors as part of their capital-asset requirements. The bill is consistent with and furthers the goals of the "Iran Threat Reduction and Syria Human Rights Act of 2012," which President Obama signed into law last month.

Sincerely,

EDMUND G. BROWN JR.

Governor's Message—Assembly Bill No. 1660

Governor's Office, Sacramento
September 27, 2012

To the Members of the California State Assembly:

I am signing Assembly Bill 1660.

This measure establishes a system to prevent registered sex offenders from representing minors who are performing or seeking to perform in the entertainment industry. This program will commence after the Legislature appropriates the necessary funding from fees that will be established under this bill and included in the 2013–2014 proposed budget.

Sincerely,

EDMUND G. BROWN JR.

Governor's Message—Assembly Bill No. 2358

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am proud to sign Assembly Bill 2358 in honor of Ronald Reagan. I served as Secretary of State when he was Governor.

Even in those days he demonstrated courage and unique leadership ability—even to the point of raising California taxes when he saw they were needed.

Sincerely,

EDMUND G. BROWN JR.

Governor's Message—Assembly Bill No. 2515

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am signing Assembly Bill 2515.

This measure appropriates \$9.1 million from the Indian Gaming Special Distribution Fund to provide local mitigation grants to offset the impacts of tribal gaming.

While I remain concerned about the looming insolvency of this funding source, I note that two recently negotiated compacts will benefit this special fund.

The fund can only sustain these distributions if these compacts are enacted without delay.

Sincerely,

EDMUND G. BROWN JR.

Governor's Message—Assembly Bill No. 1842

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am signing Assembly Bill 1842.

Assembly Bill 1842 amends the current law creating an endowment fund to build a veteran's cemetery on land at the former Fort Ord.

Converting Fort Ord to civilian use and building the cemetery are important projects. The state's support for the cemetery project is demonstrated by the appropriation of more than \$1 million in the 2011–12 and 2012–13 Budget Acts for design work.

This bill unfortunately creates the unintended risk that the general fund will be required to repay cash advances made to the endowment fund by third parties. The author has assured me he will pursue legislation that eliminates this risk.

Sincerely,

EDMUND G. BROWN JR.

Governor's Message—Assembly Bill No. 2109

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

This bill seeks to boost immunization rates for children in communities where vaccine rates are falling.

Current state law requires children to be vaccinated prior to enrollment in school or a child care facility, but allows a parent or guardian to opt out of this requirement based on a personal belief. This bill doesn't change that. Consistent with current law, AB 2109 allows parents with a personal belief to reject vaccination for their child.

This bill is about explaining the value of vaccinations—both the benefits and risks—for an individual child and the community. Whether these are simple “information exchanges” or more detailed discussions, they will be valuable even if a parent chooses not to vaccinate.

I am signing AB 2109 and am directing the Department of Public Health to oversee this policy so parents are not overly burdened in its implementation. Additionally, I will direct the department to allow for a separate religious exemption on the form. In this way, people whose religious beliefs preclude vaccinations will not be required to seek a health care practitioner's signature.

Sincerely,

EDMUND G. BROWN JR.

The following item veto message from the Governor was received and ordered printed in the Journal and the item ordered to the unfinished business file:

Item Veto Message—Assembly Bill No. 1477

Governor's Office, Sacramento
September 27, 2012

To the Members of the California State Assembly:

I object to the following appropriation contained in Assembly Bill 1477:

Item 8860-119-0001—For local assistance, Department of Finance, funding for counties.

I reduce this item from \$5,000,000 to \$0 and delete provisions 1 and 2 to conform to this action: I am deleting the \$5,000,000 legislative augmentation and the two provisions that would have provided funding to reimburse local elections officials for the costs of printing replacement elections materials associated with the November 6, 2012 election pursuant to AB 1466 or SB 1017 of the 2011–12 Regular Session. As neither of those bills were passed by the Legislature, the \$5 million augmentation and related provisions are unnecessary.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 27th day of September, 2012 at 5 p.m., of the Governor's statement of the line item veto from Assembly Bill No. 1477 delivered to me personally by Bianca Sievers.

SUE PARKER

Assistant Chief Clerk of the Assembly

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

Veto Message—Assembly Bill No. 18

Governor's Office, Sacramento
September 19, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 18 without my signature.

This bill would establish a 21-member California Task Force on School Finance to review and analyze alternative formulas for allocating funds to public schools.

I agree that California's complex school finance laws need urgent attention. Creating a task force, however, may actually delay action on reforms.

Rather than create a task force, let's work together and craft a fair Weighted Student Formula.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 19th day of September, 2012 at 3:42 p.m., of Assembly Bill No. 18 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1098

Governor's Office, Sacramento
September 19, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1098 without my signature.

AB 1098 would reallocate vehicle license fee revenues to recently incorporated cities that annexed inhabited territory.

As drafted, this bill would undermine the 2011 Realignment formulas in a manner that would jeopardize dollars for local public safety programs, provides cities new funding beyond what existed under previous law, and would create a hole in the General Fund to the tune of \$18 million. Given the current fiscal uncertainties, this is not acceptable.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 19th day of September, 2012 at 5:50 p.m., of Assembly Bill No. 1098 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1853

Governor's Office, Sacramento
September 21, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1853 without my signature.

This bill would require the Commission on Teacher Credentialing to create a committee to do the preliminary work that would be required to create yet another teaching credential—something we don't need.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2242

Governor's Office, Sacramento
September 21, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2242 without my signature.

This bill limits the authority of school officials to suspend a student for "willful defiance or disruption of school activities."

I cannot support limiting the authority of local school leaders, especially at a time when budget cuts have greatly increased class sizes

and reduced the number of school personnel. It is important that teachers and school officials retain broad discretion to manage and set the tone in the classroom.

The principle of subsidiarity calls for greater, not less, deference to our elected school boards which are directly accountable to the citizenry.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 21st day of September, 2012 at 1:52 p.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers:

Assembly Bills Nos. 1853 and 2242.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1223

Governor's Office, Sacramento

September 22, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1223 without my signature. While I support efforts to inform veterans about the health care options that best meet their needs, current law already requires screening of Medi-Cal beneficiaries for veteran status and allows for expansion of the Public Assistance Reporting Information System (PARIS) data match project beyond the current pilot counties.

Rather than requiring the PARIS pilot project to be implemented statewide, more effort should go into understanding which health care benefits work best for veterans, and how that outreach can be most effective before expending additional resources statewide.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1513

Governor's Office, Sacramento

September 22, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1513 without my signature.

Current law requires all premises of a food facility to be kept "clean, fully operative, and in good repair." Local health jurisdictions enforce this law, as they enforce myriad other requirements pertaining to restaurant food safety.

Until there's more evidence that the problem warrants new state law, let's maintain the principle of subsidiarity and let the locals enforce what can already be called a comprehensive mandate.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2206

Governor's Office, Sacramento
September 22, 2012

To the Members of the California State Assembly:

I am returning AB 2206 without my signature.

The Program of All-Inclusive Care for the Elderly (PACE) provides fully integrated care to people age 55 and older who need skilled nursing home type care, but can live in a community setting. California was the pioneer for PACE programs in the nation, having started the first one of its kind in the early 1970's.

Last year, I signed AB 574 to expand PACE, so that more providers could use this model and give aging Californians the benefits of fully integrated care. Since that time, my administration has embarked on a large scale effort to coordinate care for people who qualify for both the Medi-Cal and Medicare programs. The Coordinated Care Initiative, enacted through SB 1008 of 2012, will similarly build on the integrated care concept, using managed care plans to break down the silos that currently exist between medical and long-term care.

Within this effort, there will be ample opportunity for PACE to continue its mission and thrive as a model of care. I will direct my administration to involve PACE providers as the initiative rolls out. Enacting special provisions for PACE eligibility and referral is not necessary at this time.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2561

Governor's Office, Sacramento
September 22, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2561 without my signature.

I respect the time and effort that surgical technologists have put into developing their skills and obtaining voluntary certification. Such actions speak well of their professional commitment and desire to advance their careers.

I don't agree, however, that we need to establish "title protection" for certified surgical technologists in law. For those who have taken the time to become certified, let the marketplace reward their higher skills and education. Recognition by the state is not needed.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 22nd day of September, 2012 at 11:30 a.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts:

Assembly Bills Nos. 1223, 1513, 2206, and 2561.

SUE PARKER
Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1278

Governor’s Office, Sacramento
September 23, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1278 without my signature. Helping people to quit smoking is a laudable health goal. In fact, many hospitals already designate their campuses “smoke-free” and impose fines on violators. Nothing in current law prevents hospitals from adopting this practice.

Finally, I would note that this bill eliminates penalties for smoking in hospitals. Why?

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1625

Governor’s Office, Sacramento
September 23, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1625 without my signature.

This bill would establish a fund to assist persons who are transitioning conventional farms to certified organic farms, by subsidizing their organic certification costs not to exceed \$250 per farm or \$1000 per person.

I would prefer to see a nongovernmental entity take the lead in this matter, especially given our current fiscal uncertainties.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2200

Governor’s Office, Sacramento
September 23, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2200 without my signature.

This bill would suspend the carpool lane on eastbound I-80 in the Bay Area during the morning commute.

Encouraging carpooling is important to reduce pollution and make more efficient use of our highways. This bill goes in a wrong direction.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2611

Governor's Office, Sacramento
September 23, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2611 without my signature.

This bill authorizes superior courts to implement veterans treatment courts, and encourages those courts to maintain information and statistics regarding the success rate.

A 2008 Rand Corporation study found that nearly 19 percent of Iraq and Afghanistan veterans were reporting symptoms of post-traumatic stress disorder or major depression. I applaud the author's interest in encouraging courts to focus on helping these offenders rather than focusing solely on the punishment.

These matters, however, fall logically within the sound discretion of the courts. Veterans treatment courts operate today in 15 counties, including Los Angeles, Orange, San Diego and Ventura. Nine more counties are considering whether to establish one. A bill is not necessary. I urge courts to continue to explore ways to meet the needs of veterans who have served their nation, including establishing a veterans treatment court.

Sincerely,

EDMUND G. BROWN JR.

Assembly Bills Nos. 1278, 1625, 2200, and 2611.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 467

Governor's Office, Sacramento
September 25, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 467 without my signature.

This bill would allow recipients of Proposition 84 groundwater clean-up funds to leverage those funds by removing the requirement of having to pay back those state funds when they recover funding from parties responsible for the contamination, if they used the recovered funds for continued clean-up of their groundwater.

I support the leveraging of all available funding by ensuring that recovered funds are effectively used in the jurisdictions that recover them. Unfortunately, the structure that was developed is cumbersome and inefficient. I am directing the Department of Public Health and the Department of Toxic Substances Control, to once again work with the Legislature to develop a more streamlined way to reinvest these funds.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 955

Governor's Office, Sacramento
September 25, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 955 without my signature.

This bill would extend the sunset date of the California Recreational Trails Committee from January 1, 2013 to January 1, 2028.

While the Committee originally intended to provide opportunities for stakeholder participation on trail plans and issues, it did not meet for two years prior to 2011 and currently only plans to hold one meeting annually. In an effort to streamline state government and retain public participation, I have signed AB1478 which reconstitutes the make-up of the State Park and Recreation Commission.

I ask the Commission to dedicate time to discuss trail plans and issues during at least one annual meeting so that recreational trail stakeholders can offer their advice on recreational plans.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1811

Governor's Office, Sacramento
September 26, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill No. 1811 without my signature.

I agree that the funding gap created when a high school within a unified school district converts to a charter needs to be addressed. Shifting the inequity of the current funding system, however, from the school district to the charter school, as this bill does, is not right.

California's complex school finance laws need comprehensive reform and I look forward to working with the Legislature to craft a fair Weighted Student Formula that could resolve this issue.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1919

Governor's Office, Sacramento
September 26, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1919 without my signature.

This bill would require the State Department of Education to send individual pupil level data to school districts that request the information. The data would cover each and every student attending a charter school the district authorizes.

Authorizing districts may already collect this data, so another law is unnecessary. The locals can handle it.

Sincerely,

EDMUND G. BROWN JR.

I acknowledge receipt this 26th day of September, 2012 at 2:45 p.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers:

SUE PARKER

Veto Message—Assembly Bill No. 796

Governor's Office, Sacramento
September 27, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 796 without my signature.

This bill would create the Clean Energy Economy and Jobs Incentive Program in order to provide financial assistance for the manufacturing of clean energy technology projects. Though well intended, there is no funding source currently available for this program. It jumps the gun by establishing a program before we are ready.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 976

Governor's Office, Sacramento
September 27, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 976 without my signature.

This bill prohibits any company from doing business with a Community Choice Aggregation program if that company advised a local government on establishing the program.

This goes too far—local governments already have plenty of laws on conflicts of interests and transparent decision making. Adding the restriction in this bill would serve only to impede efforts to establish community choice energy programs.

Sincerely,

EDMUND G. BROWN JR.

I acknowledge receipt this 27th day of September, 2012 at 9:36 a.m., of the following Assembly Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers:

Assembly Bills Nos. 796 and 976.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 217

Governor's Office, Sacramento

September 27, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 217 without my signature.

This bill seeks to eliminate one of several statutory exceptions to the general prohibition on indoor smoking in the workplace. Specifically, AB 217 would ban all indoor smoking, and also restrict outdoor smoking, at nursing homes and similar facilities.

While health and safety considerations must prevail, to the extent a resident's preferences can be accommodated, they should. Allowing an elderly resident, who can't go home and who has smoked for a lifetime, to smoke in a designated indoor area during inclement weather—this sounds reasonable to me. Let's rely on the locals, in this case the facility and its residents and employees, to figure out which accommodations work or don't work.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1790

Governor's Office, Sacramento

September 27, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1790 without my signature.

This bill would require textbook publishers to produce digital "equivalent" versions of printed instructional materials submitted for adoption by the State Board of Education or by local school districts.

This bill is contingent on the enactment of Senate Bill 1154, which I vetoed. As a consequence, this bill cannot become operative.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1872

Governor's Office, Sacramento
September 27, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1872 without my signature.

The bill would require family child care homes to serve food in conformance with the federal Child and Adult Care Food Program, which offers reimbursement for meals that meet certain criteria.

I can support a measure that helps family child care providers learn about nutrition and serve healthier foods at a lower cost, but this bill goes beyond that. Small businesses such as family day care providers don't need another confusing mandate that adds to their struggles to stay afloat.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1145

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1145 without my signature.

I commend the author for his hard work on this measure to more effectively re-train injured workers and improve return to work rates. I note that the provisions in this measure are included in the recently enacted comprehensive workers' compensation reform legislation—making a second measure unnecessary at this time.

These reforms—backed by both Democrats and Republicans—reduce costs to businesses and protect workers. Further, they will help to avert an imminent crisis of skyrocketing rates that would have hurt both injured workers and businesses.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1454

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1454 without my signature.

I commend the author for his leadership role in reforming California's Workers' Compensation system.

These reforms—backed by both Democrats and Republicans—reduce costs to businesses and protect workers. Further, they will help to avert an imminent crisis of skyrocketing rates that would have hurt both injured workers and businesses.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1687

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1687 without my signature.

The recently enacted landmark comprehensive workers' compensation reform legislation makes this measure unnecessary.

These reforms—backed by both Democrats and Republicans—reduce costs to businesses and protect workers. Further, they will help to avert an imminent crisis of skyrocketing rates that would have hurt both injured workers and businesses.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2333

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2333 without my signature.

This bill would allow police officers to issue a warning or impose a \$100 fine on a parent when their child breaks the law by having a BB gun in a public place.

Police officers can already educate parents about accountability and the responsible use of BB guns when appropriate. I urge them to do so.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2460

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2460 without my signature.

This bill would restrict law enforcement and military personnel—and *only* those individuals—from selling lawfully purchased handguns that have not been certified by the Attorney General Office.

This bill takes from law enforcement officers the right to an activity that remains legally available to every private citizen. I don't believe this is justified.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2493

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2493 without my signature.

The recently enacted landmark comprehensive workers' compensation reform legislation makes this measure unnecessary. The provisions of this measure are included in the larger reform package. I thank the author for his hard work and commitment to making the system better for employers and employees alike.

These reforms—backed by both Democrats and Republicans—reduce costs to businesses and protect workers. Further, they will help to avert an imminent crisis of skyrocketing rates that would have hurt both injured workers and businesses.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2638

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2638 without my signature.

This bill expands the information required to be included in three reports on tax expenditures.

Expanding reports is counter to the intent of Executive Order B-14-11, which is to reduce costs of preparing reports to the Legislature. The additional information this bill requires exists in the Legislature's own records or can be prepared by the Legislative Analyst.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2672

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2672 without my signature.

This bill requires the Department of General Services to report to the Department of Housing and Community Development on the number of businesses that claim enterprise zone or Local Agency Military Base Relocation Area preferences in competing for certain state contracts.

More reporting is counter to the intent of Executive Order B-14-11. The information this bill requires is already kept by and available from the Department of General Services.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1978

Governor's Office, Sacramento
September 28, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1978 without my signature.

The bill would prohibit placement of an unattended collection box on private property unless the owner or operator of the box obtains the written consent of the property owner.

I support the author's goal of giving property owners more tools to enforce their property rights. However, I believe the language can be more narrowly crafted to avoid unintended consequences to local charities and nonprofits. I look forward to working with the author next year to craft a more balanced approach.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 28th day of September, 2012 at 3:15 p.m., of Assembly Bill No. 1978 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Bianca Sievers.

E. DOTSON WILSON

Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 540

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 540 without my signature.

I commend the author for his efforts to mitigate the risks of alcohol and drug use for pregnant women and women of childbearing age in the Medi-Cal program.

The federal Patient Protection and Affordable Care Act requires comprehensive health care coverage to be provided in the private market and through public programs. Rather than embarking on this piecemeal effort, my administration will consider whether a more comprehensive approach to screening—for all Medi-Cal beneficiaries, including pregnant women and women of childbearing age—is possible, as we implement the changes that are necessary to comply with the Affordable Care Act.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1101

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1101 without my signature.

The state's retirement system boards need greater independence, not less. This bill would move in the wrong direction by giving CalSTRS members an additional representative on the CalSTRS board.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1594

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1594 without my signature.

Pupil nutrition is profoundly important, but so also is the fundamental premise of charter schools that they be free from large portions of the voluminous state Education Code.

I am reluctant to erode the independence and flexibility that have well served the families and teachers who choose charter schools.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1885

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1885 without my signature.

This bill mandates that all counties increase the reciprocity period from six months to one year for some county employees laid-off and later re-employed.

I don't believe it is reasonable to require counties to offer this benefit and reverse an explicit agreement made during the negotiations that led to the pension reform law I signed this month.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2034

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2034 without my signature.

The future of the Genetically Handicapped Persons Program and the health coverage of people with amyotrophic lateral sclerosis will be taken up as California implements the federal Patient Protection and Affordable Care Act.

A separate legislative report is unnecessary.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2053

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2053 without my signature.

This bill makes the vesting period for BART employee's retirement health benefits 15 years.

The labor contracts for BART's five bargaining units expire next year, so negotiations for new contracts will start soon if not already. The vesting period for health benefits is a matter that should be negotiated in the new contracts. This bill removes the vesting period from negotiations.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2366

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2366 without my signature.

This bill increases the cost of a fix-it ticket issued by a parking enforcement agency from \$10 to \$25. Some localities are even charging as much as \$20 for a local employee's signature verifying that the repair in fact was made.

The combination of fine and fee may encourage the issuance of tickets solely to raise local revenue with perhaps a disproportionate impact on the owners of older vehicles. Fix-it tickets should not be a profit center.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2527

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2527 without my signature.

Requiring rather than permitting a court to terminate an offender's probation any time good conduct might warrant it will impose new burdens on probation and the courts.

Our justice system is in the earliest stages of making the realignment program work, so I'm hesitant at this time to alter the authority and working practices of probation officers.

Sincerely,

EDMUND G. BROWN JR.

To the Members of the California State Assembly:

This bill authorizes Caltrans to use design-sequencing as the contracting method for eight new construction projects.

Caltrans has already constructed nearly 20 projects using design-sequencing contracts and is currently evaluating whether the state saved money. To be sure we get the most from our construction dollars, we should let Caltrans complete its evaluation before authorizing more contracts.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 345

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 345 without my signature.

This bill makes changes to the Community Redevelopment Law regarding redevelopment agencies' use of the Low and Moderate Income Housing Fund.

The intent of this bill is to govern use of the 20 percent set aside for low and moderate income housing established in SB 1156. Given my recent veto of SB 1156, this bill is premature.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1963

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1963 without my signature.

This bill would require another report on tax revenue volatility, this one from the Legislative Analyst.

The Legislature can have its own analyst prepare the report by simply asking. A law isn't needed.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2054

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2054 without my signature.

As I noted when vetoing a similar bill last year, allowing voters to return their vote-by-mail ballot at any polling location in the state will add complexity to the voting and election process without commensurate benefit.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2144

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2144 without my signature.

This bill authorizes the creation of Infrastructure and Revitalization Financing Districts to finance economic development projects. These projects would be funded if approved by a 55 percent voter approval.

Expanding the scope of infrastructure financing districts is premature. This measure would likely cause cities to focus their efforts on using the new tools provided by the measure instead of winding down redevelopment. This would prevent the state from achieving the General Fund savings assumed in this year's budget.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2442

Governor's Office, Sacramento
September 29, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2442 without my signature.

Finding innovative ways to maximize the way state property is managed is a goal I support. In fact, in an April Executive Order, I directed the Department of General Services to evaluate current leases to keep rental costs low and to determine whether leased space is essential for departments.

I am committed to increasing operational efficiencies and am confident that my Administration can work with the author and proponents to identify new ways to evaluate and use state property, without creating an additional board.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2551Governor's Office, Sacramento
September 29, 2012*To the Members of the California State Assembly:*

I am returning Assembly Bill 2551 without my signature.

This bill authorizes a legislative body of a city or county to form an Infrastructure Financing District in renewable energy zone areas to issue bonds to pay for renewable energy projects.

While I am supportive of the author's efforts to promote the development of renewable energy sources, this bill is premature. This measure would likely cause cities to focus their efforts on using the new tools provided by the measure instead of winding down redevelopment. This would prevent the state from achieving the General Fund savings assumed in this year's budget.

Sincerely,

Veto Message—Assembly Bill No. 369Governor's Office, Sacramento
September 30, 2012*To the Members of the California State Assembly:*

I am returning Assembly Bill 369 without my signature.

This bill would prohibit a health plan or insurer from requiring a patient to try and "fail" more than two medications before allowing a patient to have the pain medication prescribed by his or her doctor.

While I sympathize with the author's good intentions, I am not convinced that this bill strikes the right balance between physician discretion and health plan or insurer oversight. A doctor's judgment and a health plan's clinical protocols both have a role in ensuring the prudent prescribing of pain medications. Independent medical reviews are available to resolve differences in clinical judgment when they occur, even on an expedited basis.

If current law does not suffice—and I am not certain that it doesn't, any limitations on the practice of "step-therapy" should better reflect a health plan or insurer's legitimate role in determining the allowable steps.

Sincerely,

EDMUND G. BROWN JR.

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

This bill would create the School Energy Efficiency and Greenhouse Gas Reduction Fund. Though well intended, it jumps the gun by establishing a program before we are ready.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1270

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1270 without my signature.

While it is important for our prisons to allow media access, this bill goes too far. This bill would give reporters expansive new rights to record on-camera video interviews with virtually any state prisoner—and, conversely, would give prisoners dramatically expanded access to the television media.

Currently, reporters are allowed to correspond with inmates by visiting them face-to-face, or contacting them by telephone and mail. Wardens can also let reporters conduct random face-to-face interviews with tape recorders, notebooks, and cameras. But this bill would prevent wardens from denying on-camera television interviews unless they pose “an immediate and direct threat.” This standard is too high. Wardens should be able to deny television interviews when they may reasonably jeopardize safety or prison operations.

Furthermore, giving criminals celebrity status through repeated appearances on television will glorify their crimes and hurt victims and their families. And the cost of implementing and monitoring this expansive new level of access should not be imposed at a time when prison budgets are being cut.

I agree that too little media access may be harmful, but too much can be as well. This bill gives too much.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1450

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1450 without my signature.

This measure seeks to prevent discrimination against the unemployed based on their job status by prohibiting employers from stating in employment ads that applicants must be employed. Unfortunately, as this measure went through the legislative process it was changed in a way that could lead to unnecessary confusion.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1852

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1852 without my signature.

This bill would allow counties and cities with local registrars to place an additional fee of up to \$5 on certified copies of marriage, birth, death and fetal death records to fund local domestic violence and child abuse prevention programs.

Domestic violence and child abuse prevention programs are well worth the investment of public funds, but seeking a fee increase on vital records, when the fee is already going up by \$6 for some of these records, would burden people of modest means.

We must keep working to find ways to support the programs we value, while making government leaner and more responsive to those we serve.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2132

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2132 without my signature.

This bill would require the California State University and request the University of California to consider community service for the purposes of appointment, promotion, retention, and tenure review.

While I value the service contributions of faculty members, this bill is duplicative of existing systemwide policies that already identify service as a criterion for faculty reviews and personnel decisions.

I believe that the extent to which service is considered in such decisions should be a local, campus-based decision.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2389

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2389 without my signature.

This is a bill that ultimately is about the growing practice of subcontracting in the service industry. I agree that this is a topic that requires greater scrutiny—and more detailed information.

It is not clear to me that requiring logos on uniforms and vehicles solves any problems, but it may spawn confusion and some costs. I think we need to know more before prescribing practices such as those suggested by this bill.

Sincerely,

EDMUND G. BROWN JR.

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 145 without my signature.

Registration and voting fraud are issues raised not only in California but across the country. It is fundamental that we encourage both registration and voting to the maximum degree while, at the same time, carefully protecting the integrity of the process.

The provisions of this bill attempt to ban paying people to obtain voter registration “directly or indirectly on a per-affidavit basis.”

Current California law provides criminal penalties for voter registration fraud. Without more convincing evidence that per-card incentives hurt the democratic process, I am not prepared to ban them.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 889

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 889 without my signature.

Domestic workers work in the homes of ill, elderly or disabled people. They often share duties and responsibilities with the family and friends of the patient-employer. Those employed in this noble endeavor, like anyone who works for a living, deserve fair pay and safe working conditions. Seeking to improve the circumstances of these workers however, raises a number of unanswered questions.

What will be the economic and human impact on the disabled or elderly person and their family of requiring overtime, rest and meal periods for attendants who provide 24 hour care? What would be the additional costs and what is the financial capacity of those taking care of loved ones in the last years of life? Will it increase costs to the point of forcing people out of their homes and into licensed institutions?

Will there be fewer jobs for domestic workers? Will the available jobs be for fewer hours? Will they be less flexible?

What will be the impact of the looming federal policies in this area? How would the state actually enforce the new work rules in the privacy of people's homes?

The bill calls for these questions to be studied by the state Department of Industrial Relations and for the department to simultaneously issue new regulations to provide overtime, meal, rest break and sleep periods for domestic workers. In the face of consequences both unknown and unintended, I find it more prudent to do the studies before considering an untested legal regime for those that work in our homes.

Finally, a drafting error leaves most In Home Supportive Service (IHSS) workers subject to this measure—resulting in costs to the state of over \$200 million per year. This could require cuts in wages, reduced hours of care and other reductions to those served by IHSS workers.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1000

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1000 without my signature.

While I support the author's efforts to make oral chemotherapy treatments more affordable for the insured, this bill doesn't distinguish between health plans and insurers who make these drugs available at a reasonable cost and those who do not.

I am concerned about the high cost of these drugs, but I am also deeply sympathetic to the suffering of cancer patients.

I will direct the Department of Managed Health Care to work with the author and stakeholders to find alternative approaches to solve this problem.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1081

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1081 without my signature.

Undocumented immigrants play a major role in California's economy, with many performing low-wage jobs that others don't want. Comprehensive immigration reform—including a path to citizenship—would provide tremendous economic benefits and is long overdue. Until we have immigration reform, federal agents shouldn't try to coerce local law enforcement officers into detaining people who've been picked up for minor offenses and pose no reasonable threat to their community.

But I am unable to sign this bill as written. Under the bill, local officers would be prohibited from complying with an immigration detainer unless the person arrested was charged with, or has been previously convicted of, a serious or violent felony. Unfortunately, the list of offenses codified in the bill is fatally flawed because it omits many serious crimes. For example, the bill would bar local cooperation even when the person arrested has been convicted of certain crimes involving child abuse, drug trafficking, selling weapons, using children to sell drugs, or gangs. I believe it's unwise to interfere with a sheriff's discretion to comply with a detainer issued for people with these kinds of troubling criminal records.

The significant flaws in this bill can be fixed, and I will work with the Legislature to see that the bill is corrected forthwith.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1461

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1461 without my signature.

I realize how important it is to align our individual health insurance market rules with the federal Patient Protection and Affordable Care Act. This bill got almost all the way there. Unfortunately, the measure failed to adequately link our state reforms to the federal law.

The Affordable Care Act requires insurers to provide health coverage to all individuals regardless of their health status. This mandate on insurers is balanced by the mandate on individuals to obtain health coverage, with federal subsidies available to help lower-income people purchase it.

Without the strong foundation that federal law provides, a state-level mandate on insurers alone could encourage healthy people to wait until they got sick or injured before purchasing coverage. This would lead to skyrocketing premiums, making coverage more unaffordable.

I look forward to working with the Legislature to correct this problem and adopt the remaining essential provisions of this bill.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 1968

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 1968 without my signature.

This bill requires a chief probation officer to develop and implement an official policy covering the arming of deputy probation officers.

I am sympathetic to what the proponents are trying to accomplish by this bill. But since local circumstances differ, I am reluctant to force this matter from the state level. The chief probation officers are closer and better situated to make the decision. The principles of subsidiarity apply.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2031

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2031 without my signature.

This bill would add rank and file law enforcement and other members to the Board of State and Community Corrections and local Community Corrections Partnerships.

The membership of the Board and the local Partnerships was something I carefully considered and crafted as part of my realignment proposal. To date, I have not seen credible evidence that would convince me to change the original design. If, after a reasonable period of time, it becomes clear that the absence of rank and file members is a problem, I will be glad to reconsider.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2152

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2152 without my signature.

I agree with the need to provide adequate notice to consumers about relevant changes to their health coverage—in this case, the availability of contracted providers. However, this bill is technically flawed. It provides for stronger notification procedures at the Department of Insurance, but weakens the notification procedures under existing law at the Department of Managed Health Care.

I will direct the Department of Managed Health Care to work with the Insurance Commissioner, the Legislature and interested parties to correct these defects and develop a workable solution next year.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2162

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2162 without my signature.

The law already requires public officials to disclose their income and investments with enough particularity so that conflicts of interest can be identified. I am not convinced that this bill will provide more useful information to the public.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2220

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2220 without my signature.

I continue to share the author's concern that voters should understand the impact of their vote for or against an initiative measure.

The Legislative Analyst already prepares a detailed fiscal summary about each measure, and I am not convinced that adding one of these rote disclaimers will provide more clarity for voters.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2346

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2346 without my signature.

California's current outdoor heat standards are the most stringent in the nation, and compliance with them has been improving each year—from a low of 32% in 2006 to more than 80% in 2012.

I am convinced that these standards should be improved, but this bill is flawed: it would create through legislation a new enforcement structure that would single out agricultural employers and burden the courts with private lawsuits. I believe the regulatory process is more flexible and the better way to improve standards for farm workers.

My administration stands ready to help, but ongoing litigation about past enforcement practices continues to drain resources away from improving the existing heat standards and ongoing enforcement.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2451

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2451 without my signature.

California faces fiscal challenges unparalleled since the Great Depression. While much progress has been made to reduce our structural deficit, balance our budget, reform workers' compensation and rein in spiraling pension costs—much work remains.

This measure seeks to redress a problem whose scope is not fully knowable. Proponents cite the case of the firefighter who dies a lingering and painful death from cancer and note that if that death occurs even one day past an arbitrary statute of limitation—originally established in 1913—the surviving dependent family members are denied substantial death benefits.

Meanwhile opponents decry any expansion of this nearly 100 year old limitation as wildly fiscally imprudent, opening the doors to fiscal ruin and damnation of our efforts to restore fiscal sanity to our state.

What is needed is rational, thoughtful consideration of balancing the serious fiscal constraints faced at all levels of government against our shared priority to adequately and fairly compensate the families of those public safety heroes who succumb to work-related injuries and disease.

Unfortunately, little more than anecdotal evidence is available to base such deliberations upon. If deaths due to cancer for firefighters and peace officers approximate, let alone exceed, those of the general population, we can surmise the potential impact of doubling the statute of limitations. It could increase costs to the state by tens of millions of dollars and at the local level by hundreds of millions. Alternatively, there is little credible evidence that the circumstance this measure intends to address occurs other than rarely, yet tragically. In the later circumstance the costs would be modest and reasonable.

I understand that the National Institute for Occupational Safety and Health is in the midst of one of the largest studies of firefighters and risks of death from cancer and other job related disease ever conducted. It is my sincere hope that this study, as well as data collected through our comprehensive reform of the workers' compensation system, will provide a basis to make a more informed policy and research based decision on this question in the future.

In the interim, I cannot expose state and local governments to the serious fiscal risks enactment of this measure may entail. I reserve the option to revisit this question upon the availability of more thorough research and study of this matter and direct my Department of Industrial Relations to take all steps necessary to ensure that the State collects, maintains and studies the relevant data and third party research upon which to make informed policy decisions on this matter in the future.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2623

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2623 without my signature.

This bill would require the Department of State Hospitals to adopt and implement a policy to arm state hospital police officers.

I am sensitive to the unique challenges of providing security in our state's mental hospitals. This is a matter, however, best left to the discretion of the department director who already has authority to arm its officers.

Sincerely,

EDMUND G. BROWN JR.

Veto Message—Assembly Bill No. 2676

Governor's Office, Sacramento
September 30, 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2676 without my signature.

This bill would provide criminal penalties for anyone who directs or supervises farm workers and fails to provide sufficient amounts of shade and cool, potable water.

In recent years, California has enhanced its existing safety regulations to protect workers in all outdoor industries—implementing the most stringent standards in the nation.

Since these standards were adopted, enforcement has improved and compliance has increased. Cal/OSHA has conducted over 3,000 heat safety inspections per year for the past three years. Hundreds of citations and penalties for violations of the heat safety standards have been issued. Compliance has increased in all industries from a low of 32% in 2006 to over 80% in 2012, with even greater improvements in agriculture.

While I believe enforcement of our heat standards can be improved, I am not convinced that creating a new crime—and a crime that applies only to one group of employers—is the answer. Instead, we should continue to enforce our stringent standards for the benefit of all workers in all industries.

Sincerely,

EDMUND G. BROWN JR.

California State Auditor

2011-126
August 9, 2012

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor (state auditor) presents this audit report concerning whether nonprofit hospitals are providing a public benefit that justifies their tax-exempt status and whether the purchase or consolidation of nonprofit hospitals has resulted in reduced access to or affected the pricing of health care.

This report concludes that although state law requires most tax-exempt hospitals to prepare annual community benefit plans identifying the amount of benefits that the hospitals provided during the year, state law clearly states that the amount of community benefits provided cannot be used to justify the tax-exempt status of nonprofit hospitals. Additionally, we found that no statutory standard or methodology exists for hospitals to follow when calculating these benefits. Further, the four hospitals we reviewed have policies that qualify patients for full or partial charity care using different federal poverty levels, as allowed by state law. Moreover, hospital officials believe that the income levels of patients visiting the hospitals are the reason that some hospitals provide more uncompensated care, including charity care, despite employing the same policies as other hospitals that are part of the same organization.

Additionally, because of limited data we could not determine whether the changes in prices for health care services resulted directly from changes in ownership or operatorship of a hospital. Specifically, the unavailability of pricing data for some hospitals we reviewed and the unique codes the hospitals use to group medical services and related

charges kept us from determining how changes in ownership or operatorship affected the prices of health care. Although three of the four hospitals reduced or discontinued some services, we could not determine the effects on communities resulting from such actions. However, we did find that the costs of uncompensated care increased after a change in owners or operators for three of the four hospitals we reviewed.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Revenue and Taxation.

California State Auditor

2012-032
October 16, 2012

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 804, Statutes of 2002, the California State Auditor presents this audit report concerning the accuracy of 2010 crime statistics compiled and reported by a sample of California postsecondary educational institutions (institutions). The report also describes the results of our examination of these institutions' issuance of annual security reports, notification of the reports' availability, and disclosures of campus security policies required under the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

This report concludes that the six institutions we visited did not fully comply with the Clery Act requirements. All six institutions reported at least some inaccurate statistics, none of the institutions disclosed all of the required policies in their annual security reports, and four of the six institutions did not properly notify prospective employees of the availability of their annual security reports. Most of the errors leading to inaccurate statistics resulted in institutions reporting more crimes than the Clery Act required them to disclose. We also found that the most frequently missing policy disclosures were related to emergency response and evacuation procedures. Failure to comply with the Clery Act may result in federal financial penalties of up to \$27,500 per violation. Furthermore, the U.S. Department of Education has stated that the goal of safety- and security-related regulations is to provide students and their families, as higher education consumers, with accurate, complete, and timely information about safety on campus so that they can make informed decisions. We identified several reasons for institutions' lack of compliance with the Clery Act. These reasons included not adequately reviewing and adhering to guidance related to the Clery Act and the absence of a thorough review of annual security reports for accuracy before publication.

2012-037
October 23, 2012

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by the Health and Safety Code, sections 53533 and 53545, the California State Auditor presents its third audit in a series concerning the Housing and Emergency Shelter Trust Fund Acts of 2002 and 2006.

This report concludes that the Department of Housing and Community Development (HCD) and the California Housing Finance Agency (CalHFA) generally awarded funds in a timely manner and complied with legal requirements for making awards. However, HCD requested, and the Department of Finance (Finance) recommended, bond sales that were in excess of its cash needs at a time when the State's credit rating was declining and interest-rate volatility was high. As a result, the State paid as much as \$49 million in interest annually on the idle capital while the State was facing cash shortfalls.

Nevertheless, without these bond proceeds, the sustainability of certain housing bond programs likely would have been at risk. For most of HCD's housing bond programs, private lenders and banking institutions provide financing to sponsors, comprising entities qualified to construct or manage housing developments, for the construction of housing projects. Once the sponsor successfully completes the housing project, the sponsor uses its HCD award to repay the construction loan. Various state officials explained that key stakeholders cited significant concerns regarding the State's ability to fund these awards given the economic crisis at the time. In fact, state officials believed that without selling bonds in excess of immediate cash needs, and thereby demonstrating to the financial institutions that the State had the ability to fund the awards used by sponsors to repay the construction loans, many of the housing bond programs would have been suspended, or halted altogether. Thus, the reasons for the excessive bond sales appear to have some merit.

Additionally, HCD did not always adhere to controls established for its CalHome and Building Equity and Growth in Neighborhoods (BEGIN) programs. For example, as we reported in November 2009, HCD still is not ensuring that recipients submit required status reports for its CalHome program. Further, we identified that HCD needs to improve its monitoring efforts during the period following final payment up to the completion of all contract requirements. For instance, HCD had not finalized and implemented on-site monitoring procedures for its BEGIN program.

October 27, 2011

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Dear Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the provision of child welfare services (CWS) to abused and neglected children. This report concludes that California can and must provide these children better protection and support. Specifically, the Department of Social Services (Social Services), which oversees the CWS system, needs to use the Department of Justice's Sex and Arson Registry to better ensure that children—when removed from their homes—are provided safe out-of-home placements. Our comparison of addresses for registered sex offenders to Social Services' addresses for licensed facilities and out-of-home child placements found more than 1,000 matches. In July 2011 our office referred these address matches to Social Services for investigation. Social Services reported in October 2011 that it and county CWS agencies had investigated nearly all of these matches and found several registered sex offenders living or present in licensed facilities. Specifically, Social Services indicates it has begun legal actions against eight licensees (four temporary suspension orders and four license revocations) and issued 36 immediate exclusion orders (orders barring individuals from licensed facilities).

This report also concludes that county CWS agencies' increased reliance on foster family agencies has led to unjustified increases in out-of-home placement costs. The increased reliance on foster family agencies, which were originally meant as substitutes for expensive group homes for children with elevated treatment needs, has instead been accompanied by a matching drop in the use of less expensive licensed foster homes. One potential explanation for this trend is that Social Services does not require county CWS agencies to document the treatment needs of children who are placed with foster family agencies. Additionally, Social Services could not provide us with support for the monthly rate it pays foster family agencies—a rate that includes a 40 percent administrative fee.

Our review of county CWS agencies' investigatory and ongoing case management practices found that they generally comply with state regulations and county policies. Nonetheless, the agencies still need to improve the timeliness of investigations and the consistency of ongoing case visits. Our review also found that county CWS agencies generally performed required background checks before placing children in out-of-home placements, although they did not always forward information regarding instances of abuse or neglect to the Department of Justice, as required by state law at the time of our audit. Finally, we

determined that county CWS agencies that do not formally conduct internal evaluations of the services they delivered to a family prior to a child's death from abuse or neglect are missing opportunities to identify needed changes that may prevent similar future tragedies.

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly

State Capitol, Room 3196

Dear Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor (state auditor) presents this audit report concerning the administration of the Child Health and Safety Fund (health and safety fund) and the State Children's Trust Fund (trust fund). The Legislature designed these funds to address the need for the prevention of childhood injuries and abuse. This report concludes that the Department of Public Health (Public Health) and the Department of Social Services (Social Services) exhibited weaknesses in their administration of these funds.

Public Health is responsible for managing the part of the health and safety fund known as the Kids' Plates Program, a prevention program for unintentional childhood injuries. However, Public Health and its predecessor agency, the Department of Health Services (Health Services), violated state law when they contracted with the San Diego State University Research Foundation (research foundation) to manage the Kids' Plates Program from 2004 to 2010. Specifically, they did not comply with provisions of state law that prohibit state agencies from contracting with private entities to perform work that state employees could perform. Further, Public Health continued to have the research foundation perform services without an approved contract, in violation of state law. Because the research foundation had been operating without a contract, it was not able to award any grants to prevent unintentional childhood injuries between July 2010 and May 2011. Moreover, Public Health and Health Services paid the research foundation to administer the program from the funds that the Legislature had intended it to use directly for childhood injury prevention programs. They spent roughly 40 percent of their total appropriations received between fiscal years 2006–07 and 2009–10, or nearly \$2.1 million, on the research foundation's administrative costs for the Kids' Plates Program. Nearly two years after it stopped contracting with the research foundation, Public Health awarded 115 grants to community agencies, but it did not comply with its own contracting procedures when it awarded these grants.

Our review also noted weaknesses in Social Services' administration of the trust fund. Social Services did not fulfill certain monitoring requirements for payments it made to grantees that operate local child

abuse and neglect prevention and intervention programs. For example, we found instances in which Social Services may have used money from the trust fund to pay expenditures that did not meet the trust fund's requirements. In addition, although our review found that the five grantees we reviewed appear to have met the performance measures established in their grant agreements, Social Services' Office of Child Abuse Prevention (office) can improve its monitoring of grantees' progress. Specifically, the office's guidelines do not include a process for ensuring that its consultants review the grantees' reports and document their assessments of whether the grantees met the measurable outcomes contained in their grant agreements. Further, the office was unable to provide us with documentary evidence demonstrating that it had done so. Finally, the office has not fully complied with the state law that requires it to publish information about the trust fund. For example, the law requires the office to identify the programs it pays for using the trust fund and the target populations these programs serve. However, the office's Web site does not include conferences, education services, and outreach it paid for with the trust fund.

PRAYER

Upon invitation of the Chief Clerk, the following prayer was offered by Rabbi Allen I. Freehling, Rabbi Emeritus, University Synagogue, Los Angeles:

When thinking about our being together this afternoon, and when we consider the awesome challenges and responsibilities each of you assume, as this new season of your laboring together gets underway, it is my hope and prayer that you will allow the Biblical prophet Isaiah to be your constant guide today and during those many days ahead. Especially when profound problems and confounding perplexities seem to be the most daunting, our ancient sage would urge you to turn and say to one another: “Come now; let us reason together.” Why? Because it will be by this means that you will be most productive.

In turn, we, who have called upon you—individually and as a body—to unconditionally represent us to the best of your ability, will be inclined to measure your many accomplishments and then declare that by your deeds you have caused this place to be “The city of righteousness; the faithful city.”

So, what is required of you as you tirelessly do the people’s business? (That you) “Be strong and resolute” in your doing everything possible to respond to the needs of every child and adult who seeks your care, compassion, strength, understanding and wisdom.

Despite the economic uncertainties and those related societal burdens that now rest upon your shoulders, listen to Isaiah; he reminds you that you have no other choice but to act courageously and faithfully. “Feed the hungry, clothe the naked, lift up the downtrodden,” and make it possible for all of us, who sent you here, to be assured of a better tomorrow and the next day after that.

May God be with each and all of you now and always!—AMEN.

PROCLAMATION OF THE GOVERNOR

The following proclamation of the Governor relative to the 2011–12 First Extraordinary Session of the Legislature was received and ordered printed in the Journal:

**FISCAL EMERGENCY PROCLAMATION
BY THE GOVERNOR OF THE STATE OF CALIFORNIA**

WHEREAS, on the 6th of December, 2010, pursuant to Section 10(f) of Article IV of the Constitution of the State of California, Governor Arnold Schwarzenegger; proclaimed a fiscal emergency; and

WHEREAS, that proclamation contained certain findings supporting the declaration of a fiscal emergency; and,

WHEREAS, on January 10, 2011, I released my proposed budget for the State of California and that budget reflected current economic, budgetary, and cash information; and

WHEREAS, without corrective action the combined operating deficit for Fiscal Year 2010–11 and Fiscal Year 2011–12 is \$25.4 billion; and

WHEREAS, revenues are \$3.1 billion lower than were projected at the time of the 2010 Budget Act; and

WHEREAS, the passage, in November 2010, of Proposition 22 created an additional budget shortfall of \$1.6 billion; and

WHEREAS, decisive action is required to solve the State’s persistent and severe budget problems, continue economic recovery, promote job growth, and preserve public education and the quality of life for all Californians.

NOW, THEREFORE, I, EDMUND G. BROWN JR, Governor of the State of California, in accordance with Section 10(f) of Article IV of the Constitution of the State of California, HEREBY DETERMINE that General Fund revenues for Fiscal Year 2010–11 will decline substantially below the estimate of General Fund revenues upon which the Budget was based, and General Fund expenditures will increase substantially above the estimate of General Fund revenues, and further, that this will create a carry-over deficit affecting the cash reserves and the budget for Fiscal Year 2011–12.

I, EDMUND G. BROWN JR, Governor of the State of California, HEREBY DECLARE and REAFFIRM that a fiscal emergency exists.

I, EDMUND G. BROWN JR, Governor of the State of California, HEREBY IDENTIFY THE NATURE OF THIS FISCAL EMERGENCY to be the projected budget imbalance for Fiscal Year 2010–11, which is causing budgetary and cash deficits in Fiscal Year 2011–12.

I, EDMUND G. BROWN JR, Governor of the State of California, further determine, in accordance with the findings set forth herein, and the legislation that I am proposing to the Legislature in connection with this proclamation, that this proclamation dated January 20, 2011, supersedes the proclamations issued on December 6, 2010, for the purposes of Section 10(f) of Article IV of the Constitution.

IN WITNESS WHEREOF, I have hereunto set my hand
and caused the Great Seal of the State of California
to be affixed this 20th day of January, 2011.

EDMUND G. BROWN JR.
Governor of California

ATTEST:

DEBRA BOWEN
Secretary of State

Proclamation Receipt

I acknowledge receipt this 20th day of January, 2011 at 11:07 a.m., of a proclamation by the Governor, regarding the First Extraordinary Session, accompanied by proposed legislation to address the fiscal emergency, delivered to me personally by Jacque Roberts.

SUE PARKER
Assistant Chief Clerk of the Assembly

(NOTE: The above proclamation issued by Hon. Edmund G. Brown Jr., Governor of the State of California, declares and reaffirms that a fiscal emergency exists and supersedes the proclamation issued on December 6, 2010. ASSEMBLY JOURNAL

RECESS JOURNAL NO. 4

RECESS UPON CALL OF SPEAKER

Assembly Chamber, Sacramento
Friday, July 8, 2011

Pursuant to the provisions of Joint Rule 59, the following Assembly Journal for the 2011–12 First Extraordinary Session was printed while the Assembly was in Recess Upon Call of Speaker.

MESSAGES FROM THE GOVERNOR

The following veto message from the Governor was received and ordered printed in the Journal and Assembly Bill No. 34 ordered to the unfinished business file:

Veto Message—Assembly Bill No. 34Governor's Office, Sacramento
July 7, 2011*To the Members of the California State Assembly:*

I am returning Assembly Bill 34 without my signature.

The Senior Citizens' Property Tax Postponement Law was enacted beginning for the 1977–1978 fiscal year to give property tax relief to seniors. It was subsequently expanded to include blind and disabled persons. The law was suspended in 2009 due to the realities of the state's budget. AB 34 would repeal the suspension so that postponement claims can once again be accepted by the Controller. In addition, the bill would establish a new fund in the State Treasury and provide a continuous appropriation for the Controller to pay postponement claims.

Given the very significant cuts to state and local core public services that are occurring, the state cannot afford the \$19.3 million that the Department of Finance estimates this bill would cost during the 2011–2012 fiscal year or the continuing estimated annual revenue cost of \$30 million.

For this reason I am unable to sign the bill.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 8th day of July, 2011 at 11:06 a.m., of Assembly Bill No. 34 in the First Extraordinary Session without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts.

SUE PARKER

Assistant Chief Clerk of the Assembly

The following message from the Governor was received and ordered printed in the Journal:

Governor's Message—Assembly Bill No. 29

Governor's Office, Sacramento

July 7, 2011

To the Members of the California State Assembly:

I am signing Assembly Bill 29 because establishing a fire protection and prevention fee in state responsibility areas will reduce General Fund costs, and ensure property owners in developed wildland areas pay for a portion of the fire and emergency response services they receive.

As a result of population increases and urban development in state responsibility areas in recent decades, there has been a significant increase in state costs associated with fire protection in state wildland areas. This bill recognizes that a portion of the costs borne by the state for wildland fire prevention and protection services should be funded by the landowners in these areas.

Specifically, this bill will establish a \$150 fire prevention fee on each structure within state responsibility areas. The purpose of this bill is to make the necessary statutory changes to realize \$50 million of General Fund savings identified in the budget bill by allocating the revenue generated from this fee to the Department of Forestry and Fire Protection's (CAL FIRE's) fire protection program, as well as \$200 million in ongoing General Fund savings.

A fee consistent with the "beneficiary pays principle," such as the one intended in this bill, can achieve significant General Fund savings. However, as currently drafted, the revenues may not materialize. I am directing the Department of Finance and CAL FIRE to work with the Legislature during the remaining legislative session to identify necessary clean-up language to realize these revenues.

The budget bill includes provisional language requiring CAL FIRE to convene a working group consisting of legislative staff, department executive staff, the Department of Finance, the Legislative Analyst's Office, and at least two fire chiefs to discuss options for future funding, realignment, and possible changes in the state's management of wildland firefighting. The working group, guided by the clean-up legislation noted above, will develop recommendations to establish a state responsibility area fee and address relevant legal, programmatic and implementation issues.

Sincerely,

EDMUND G. BROWN JR.

PRAYER

Upon invitation of Speaker pro Tempore Ma, the following prayer was offered by Assembly Chaplain Rev. Constantine C. Pappademos:

Lord, Only faith, hope and love will last into eternity. We can't have faith until we have hope and our faith won't work without love. We can do a lot of "good things" or have a lot of knowledge in life, but if we don't have love, those "things" won't matter in eternity. Lord, when love is the foundation of everything we do, then we aren't just going through the motions—all that we do will have value. Show us ways to grow in love, Lord, as we keep our hearts and minds fixed on You.—AMEN.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Charles Calderon was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 28

September 9, 2011

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

RE: Letter to the Journal—Assembly Bill XI 28
 (Chapter 7, Statutes of 2011)

Dear Mr. Wilson: We respectfully submit this Letter to the Journal to document the legislative intent of my ABX1 28, passed by this body in 2011 and the original bill AB 153 upon which ABX1 28 was based.

As authors of ABX1 28 and AB 153, respectively, we are writing to clarify our intent with regard to Revenue and Taxation Code Section 6203(c)(5)(A)–(C). These provisions were meant to draw a clear line between activities that are “mere advertising” versus more sufficiently meaningful in-state activity that should properly be characterized as “soliciting business” for purposes of meeting the definition of a “retailer engaged in business in this state.” Given the evolving nature of online advertising, and the anonymous manner in which it may be delivered to online customers, it is important to note that, in isolation, online advertising, including those ads tied to Internet search engines, banner ads, click-through ads, Cost Per Action ads, links to retailer websites and similar online advertising services should not be considered a “referral” under subparagraph 5(A), nor “direct or indirect solicitation specifically targeted at potential customers in this state” under subparagraph 5(C). Those types of advertising services are generated as a result of generic algorithmic functions and are anonymous and passive in nature and thus do not rise to the level of referring or soliciting business. Agreements for such advertising services are not covered, unless the person entering the agreement also engages in other activities on behalf of the retailer in this state—such as sending flyers or making phone calls—that are specifically targeted at customers in this state.

Thank you for the opportunity to clarify this matter.

Sincerely,

BOB BLUMENFIELD, Assembly Member
 Fortieth District

NANCY SKINNER, Assembly Member
 Fourteenth District

MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

Governor's Message—Assembly Bill No. 21

Governor's Office, Sacramento
September 16, 2011

To the Members of the California State Legislature:

I am pleased to sign Senate Bill 335 and Assembly Bill X1 21.

Returning the state's finances to long term balance remains my number one priority. This year's budget plan is balanced, honest and responsible. It closed a \$26.6 billion deficit and reduced future deficits from up to \$21.5 billion to less than \$5 billion.

Senate Bill 355 and Assembly Bill X1 21 represent a solid partnership between private businesses and the state to fund vital health care services while living within our means and delivering on key elements of this year's difficult budget agreement.

The quality assurance fee on hospital providers in Senate Bill 335 will raise \$7 billion in revenue. It will bring in an additional \$6.1 billion in new federal funds and save the General Fund more than \$850 million over a 30-month period. This amounts to over \$500 million more in savings to the State General Fund than previously estimated. With these new funds, many hospitals can continue to serve low-income, vulnerable patients and the state can maintain funding for children's health services.

Extending the tax on health care service managed care plans for an additional year through Assembly Bill X1 21 will raise more than \$200 million in new revenue, bring in an additional \$300 million in federal funds, and save the General Fund \$103 million this fiscal year. This will help maintain funding for the Healthy Families low-cost health insurance program for children and teens.

Sincerely,

EDMUND G. BROWN JR.

APPENDIX TO THE ASSEMBLY JOURNAL

MOTION TO PRINT IN JOURNAL WITHOUT OBJECTION

Without objection, pursuant to Assembly Rule 42(c), Assembly Member Blumenfield was granted permission to print a letter in the Journal for the Regular Session and in an Appendix to the Journal for the First Extraordinary Session, relative to Assembly Bill No. 26 in the First Extraordinary Session. Legislative Intent—Assembly Bill No. 26 in the First Extraordinary Session

January 10, 2012

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

RE: AB 26 X1

Dear Mr. Wilson: AB 26 X1 (Blumenfield) Chapter 5, Statutes of 2011–12 First Extraordinary Session, passed by the Legislature and approved by the Governor as part of the 2011–12 Budget, dissolves redevelopment agencies and directs the resolution of their affairs. As part of the dissolution process, successor agencies (generally the city or county that created a redevelopment agency), would fulfill various obligations of the former redevelopment agencies. By virtue of the State Supreme Court decision in this matter filed December 29, 2011, cities or counties must decide by January 13, 2012, whether they will serve as the successor agency for their respective redevelopment agency.

I am writing regarding the intent of legislative action regarding this bill and specifically to make clear the distinction between liabilities of a former redevelopment agency and of any city or county that acts as a successor agency under the legislation. Nothing in the bill implies that cities or counties are anything but distinct legal entities from successor agencies, and therefore the liabilities of the former redevelopment agencies and the successor agencies do not become the liabilities of the corresponding cities or counties.

Part 1.85 of the legislation addresses “Dissolution of Redevelopment Agencies and Designation of Successor Agencies,” and indicates that obligations of the former redevelopment agency become obligations of the successor agency. Health & Safety Code Section 34173(b), added by AB 26 X1, states in part that “...obligations previously vested with the former redevelopment agencies...are hereby vested with the successor agencies.” Section 34173(e) goes on to indicate that the liability of the successor agency is limited to the extent of the property tax revenues it receives and the value of assets transferred to it as the successor agency.

This Part further defines enforceable obligations payable from property taxes of the former redevelopment agency to include various employee payments. Specifically, Health & Safety Code Section 34171(d)(1)(D) indicates that enforceable obligations that are to be paid from revenues that would have been received by the redevelopment agency include “...legally enforceable payments required in connection with the agencies’ employees, including, but not limited to, pension payments, pension obligation debt service, unemployment payments, or other obligations conferred through a collective bargaining agreement.”

As directed in Health & Safety Code Section 34172(d), revenues that would have been received by the redevelopment agency absent its dissolution are to be deposited in the “Redevelopment Property Tax Trust Fund” and used to pay obligations of the former redevelopment agency. Section 34190(e) restates and reemphasizes that a collective bargaining agreement, which would include any negotiated pension agreements, represents an enforceable obligation.

The intent of AB 26 X1 is clear: the assets and liabilities of successor agencies are separate and distinct from those of the cities and counties themselves.

Sincerely,

BOB BLUMENFIELD, Assembly Member
Fortieth District

JOHN A. PÉREZ, Speaker

AMY LEACH, Minute Clerk
