**LEGISLATIVE BUDGET COMMITTEE  
AND  
LEGISLATIVE ANALYST \***

---

The Legislative Budget Committee through its Legislative Analyst stands always ready to serve the Members of the State Legislature individually or collectively in conducting investigations and reporting facts for legislative purposes.

Joint Rule No. 37 (1955) provides \* \* \* "the Legislative Auditor \* shall assist any Member of the Legislature or any committee thereof in any matter, and to that end shall make available to such members or committees any records, documents, or other data under his control."

The Legislative Budget Committee ascertains facts and makes recommendations to the Legislature and to the houses thereof concerning the state budget, the revenues and expenditures of the State and of the organization and function of the State, its departments, subdivisions and agencies with a view of reducing the cost of State Government and securing greater efficiency and economy.

In 1943, the committee was made repository for all documents and materials of all committees, except standing committees, when the work of such committees is concluded.

Assembly Temporary Rule 27 and Senate Temporary Rule 9.7 delegated to the Legislative Analyst the duties of the Chief Clerk of the Assembly and the Secretary of the Senate to receive and file registration information as is required to be filed by Chapter 8 of Part 1 of Division 2 of Title 2 of the Government Code, regulating legislative representatives.

The office of the committee is under the direction of A. Alan Post, Legislative Analyst, and is located in Room 306 of the State Capitol; telephone GI libert 2-4711, Local 4656.

\* Title changed from Legislative Auditor to Legislative Analyst by S C R No. 133, Res. Chap. 340, Stats. 1957.

**JOINT LEGISLATIVE AUDIT COMMITTEE  
AND  
AUDITOR GENERAL**

---

The Joint Legislative Audit Committee determines the policies of the Auditor General, reviews his reports and makes reports and recommendations to the Legislature and the house thereof concerning (1) matters disclosed by audit reports, (2) the revenues and expenditures of the State, (3) the accounting organization and accounting function of the State, its departments, subdivisions, and agencies, and (4) other pertinent matters.

It is the duty of the Auditor General to examine and report upon the financial statements prepared by the executive branch of the State to the end that the Legislature will be informed as to whether they present fairly the financial position of state funds and the results of operations for the year.

In addition, it is the duty of the Auditor General to make such special audits and investigations of any agency whether created by Constitution or otherwise, as may be requested by the Legislature or any committee of the Legislature through the Joint Legislative Audit Committee.

In order to perform the duties set forth above, the Auditor General has access to and the authority to examine during regular business hours, any and all books, accounts, reports, vouchers, correspondence files, and other records, bank accounts, and money or other property, of any agency of the State whether created by Constitution or otherwise.

The work of the Auditor General will not in any manner duplicate the work of the Legislative Auditor who is charged principally with a continuous study of revenues and expenditures of the various departments and agencies to determine whether a proper level of service is being maintained and that such service is performed at a reasonable cost.
