## USE

This table shows sections of the codes and uncodified laws affected by measures as introduced and amended whether or not enacted. It may be used in two ways:

- 1 As a means of locating measures where the section of the code or law is known.
- 2 To locate measures upon a particular subject, by using a published index to the codes and laws, such as Deering's General Index, Larnac's Index to California Laws, and West's General Index, to locate the existing sections, and then by using this table to locate the measures which affect those sections.

## ARRANGEMENT

The table is arranged by codes listed in alphabetical order. Uncodified laws are listed at the end of table under the heading "Statutes Other Than Codes" and are cited by year and chapter.
