USE

The table shows each section of the codes and uncodified laws affected by measures introduced in the Legislature. It may be used in two ways:

1. As a means of locating measures where the section of the code or law is known.
2. To locate measures upon a particular subject, by using a published index to the codes and laws, such as Deering's General Index, Larmac's Index to California Laws, and West's General Index, to locate the existing sections, and then by using this table to locate the measures which affect those sections.
