This bill would, with specified exceptions, prohibit a driver of a passenger vehicle or motor truck under 6,001 pounds unladen weight from operating the vehicle, unless the driver and all passengers under 18 years of age are restrained by a seatbelt or a child passenger restraint system specified above. The bill would prohibit passengers over 18 years of age from riding in such a vehicle without being restrained by a seatbelt. The bill (a) would not apply to specified physically handicapped persons and (b) would not apply to vehicles not equipped with seatbelts for each seating position unless the vehicle was required by federal law to have seatbelts at each seating position when initially sold and is not so equipped. Since violation of the bill would be an infraction, the bill would impose a state-mandated local program. The bill would specify that violations would not, however, establish negligence as a matter of law in civil actions.

(2) Article XIIIB of the California Constitution and Sections 2231 and 2234 of the Revenue and Taxation Code require the state to reimburse local agencies and school districts for certain costs mandated by the state. Other provisions require the Department of Finance to review statutes disclaiming these costs and provide, in certain cases, for making claims to the State Board of Control for reimbursement.

However, this bill would provide that no appropriation is made and no reimbursement is required by this act for a specified reason.

Vote: majority Appropriation no. Fiscal committee yes State-mandated local program: yes.

Preprint S.B. No. 16—Roberti.

An act to amend and repeal Section 51260 of the Education Code, to amend Sections 11965, 11965.3, and 11965.5 of, to add Section 11372.7 to, and to repeal Section 11969.7 of, the Health and Safety Code, relating to drug education, making an appropriation therefor and declaring the urgency thereof, to take effect immediately

LEGISLATIVE COUNSEL'S DIGEST

Drug education

Existing law provides for the School-Community Primary Prevention Program, which emphasizes joint school-community program drug abuse prevention planning and implementation focusing on children, youth, and families. Existing law also requires drug education instruction to be given in public schools, and specifies that these educational services shall not duplicate those provided pursuant to the School-Community Primary Prevention Program. The provisions relating to the program, and those pertaining to its relationship to mandatory drug education curricula, will be repealed July 1, 1985

This bill would require every person convicted of an offense involving controlled substances to pay a $100 drug education fee for each separate offense, in addition to any other penalty prescribed by law

This bill would impose a state-mandated local program by requiring county treasurers to maintain a drug education fund in which $100 for every conviction involving controlled substances would be deposited The moneys in the fund would be allocated, as specified, by the administrator of the county's drug program to drug abuse programs in the schools and community, subject to the approval of the board of supervisors.

This bill would specify that the School-Community Primary Prevention Program shall place special emphasis on pupils enrolled in grades 1 to 6, inclusive, and would eliminate the repeal of the provisions pertaining both to the program and its relationship to mandatory drug education curricula in the public schools.

Article XIIIB of the California Constitution and Sections 2231 and 2234 of the Revenue and Taxation Code require the state to reimburse local agencies and school districts for certain costs mandated by the state. Other provisions require the Department of Finance to review statutes disclaiming these costs and provide, in certain cases, for making claims to the State Board of Control for reimbursement.

However, this bill would provide that no appropriation is made and no reimbursement is required by this act for a specified reason.

This bill would take effect immediately as an urgency statute

Vote. 2/3. Appropriation: yes. Fiscal committee: yes State-mandated local program: yes.

LEGISLATIVE COUNSEL'S DIGEST

Bill No. as introduced, *_____. General Subject: State employees: Governor's Reorganization Plan No 1 of 1984.

Existing law requires the department of personnel Administration to administer various nonmerit aspects of state employment for civil service employees

This bill would transfer various functions from the State Personnel Board to the Department of Personnel Administration relating to the maintenance of an official roster of persons holding civil service positions and relating to the allowance of claims for additional reimbursement for work outside of the employee's classification, and would make related changes

This bill would delete specific administrative responsibilities of the State Personnel Board relating to the creation and adjustment of classes of positions in the state civil service under the Personnel Classification Plan. It would require the board, in establishing, altering, or abolishing classes, to consider the recommendations of the Department of Personnel Administration.

This bill would provide for the transfer to the Department of Personnel Administration of responsibilities with respect to the administration of the Personnel Classification Plan, subject to Article VII of the California Constitution, as well as the employees, records, property, and funds of the State Personnel Board, and would make related changes.

This bill would also make the department responsible for salary administration, position classification, and for the motivation and training of executive personnel in career executive assignments, and would make related changes

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
