LEGISLATIVE COUNSEL'S DIGEST

State government reorganization: hazardous substance and waste: solid waste.

(1) Under existing law, the State Department of Health Services and the State Director of Health Services have specified responsibilities for the admnistration and enforcement of various laws regulatng hazardous substances and hazardous wastes.

The State Water Resources Control Board and the California regional water quality control boards have specified responsibilities with regard to regulating surface impoundments and underground tanks containing hazardous wastes and with setting and enforcing groundwater protection and monitoring requirements for hazardous waste facilities.

Under existing law, the State Water Resources Control Board and the regional water quality control boards have specified responsibilty for cleanup of hazardous substance sites.

This bill, with specified exceptions, would transfer those responsibilities to the Department of Waste Management, which would be created in the state government. The adoption of regulations in this connection would be vested in the California Waste Commission consisting of 13 appointive members, which the bill would create in the department.

The bill would create within the commission 3 regional waste management boards consisting of 9 members each. The regional boards would be required, among other things, (a) to hold public hearings and provide recommendations or proposed regulations, (b) to hear appeals on decisions of the department on certificates of registration of hazardous waste haulers and hazardous waste facilities permits, and (c) to hear appeals on decisions of the department in denying any petition requesting the department to take action to correct an uncontrolled release or threatened release of hazardous substance.

The decisions of the regional boards on those certificates, permits, and petitions could be appealed to the commission.

The bill would transfer the Hazardous Substance Cleanup Arbitration Panel from the Office of the Secretary of Environmental Affairs to the commission.

The bill would abolish the Hazardous Waste Technical Advisory Committee and create the Scientific Advisory Committee consisting of 9 members to advise the department

(2) Under existing law, the California Waste Management Board and the State Department of Health Services have specified responsibilities regarding solid wastes, including, among other things, developing the state policy for solid waste management and the State Solid Waste Resource Recovery Program and taking various action under the enforcement program. In the board is the State Solid Waste Management and Resource Recovery Advisory Council to provide assistance and advice to the board.

This bill would abolish the board and, with specified exceptions, transfer its responsibilities to the department. The commission would be vested with the authority to adopt regulations in this connection and the state policy for solid waste management. The functions of the State Department of Health Services with regard to solid waste would also be transferred to the department.

The bill would abolish the advisory council.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

LEGISLATIVE COUNSEL'S DIGEST

Governor's Reorganization Plan No. 2 of 1985

State government reorganization: hazardous substance and waste: solid waste

(1) Under existing law, the State Department of Health Services and the State Director of Health Services have specified responsibilities for the administration and enforcement of various laws regulating hazardous substances and hazardous wastes.

The State Water Resources Control Board and the California regional water quality control boards have specified responsibilities with regard to regulating surface impoundments and underground tanks containing hazardous wastes and with enforcing groundwater protection and monitoring requirements for hazardous waste facilities.

This bill, with specified exceptions, would transfer those responsibilities to the Department of Waste Management, which would be created in the state government. The adoption of regulations in this connection would be vested in the California Waste Commission consisting of 13 appointed members, which the bill would create in the department.

The bill would create within the commission 3 regional waste commissions consisting of 9 appointed members each. The regional commissions would be required, among other things, (a) to hold public hearings and provide recommendations on proposed regulations submitted by the commission and (b) to hear appeals on specified actions or inactions of the department.

The decisions of the regional commissions and certain actions or failures to act by the department could be appealed to the commission.

The bill would transfer the Hazardous Substance Cleanup Arbitration Panel from the Office of the Secretary of Environmental Affairs to the commission.

The bill would abolish the Hazardous Waste Technical Advisory Committee and create the Scientific Advisory Committee consisting of 9 appointed members to advise the department.

(2) Under existing law, the California Waste Management Board and the State Department of Health Services have specified responsibilities regarding solid wastes, including, among other things, developing the state policy for solid waste management and the State Solid Waste Resource Recovery Program and taking various action under the enforcement program. In the board is the State Solid Waste Management and Resource Recovery Advisory Council to provide assistance and advice to the board.

This bill would abolish the board and, with specified exceptions, transfer its responsibilities to the department. The commission would be vested with the authority to adopt regulations in this connection and the state policy for solid waste management. The functions of the State Department of Health Services with regard to solid waste would also be transferred to the department.

The bill would abolish the advisory council.

PREPRINT ASSEMBLY BILLS—1985–86 SESSION

Preprint A.B. No. 1—Isenberg.

An act to add Section 751 2 to the Financial Code, relating to agricultural property.

LEGISLATIVE COUNSEL'S DIGEST

Agricultural property: foreclosure.

Existing law authorizes a bank or trust company to purchase, acquire, or hold real property only in limited situations. Among other things, a bank may purchase or acquire property at foreclosure sales under mortgages or deeds of trust held by it. However, except in limited instances, this real property is required to be sold whenever it can be sold to reimburse the bank or trust company for all loss.

This bill would provide that, if approved by the superintendent of banking, a bank or trust company may hold agricultural property acquired at a foreclosure sale. That property could only be held for the period specified by the superintendent, not to exceed 5 years. It could be leased for agricultural activities. During that period the original owner would have a right of redemption.

An act to add Sections 68209 and 68705 to the Government Code, and to amend Sections 189, 190, 190.2, 190.5, 190.7, 1239, 1246, 1247k, and 1385 of, and to add Sections 190.3a, 190.4a, 1078.5, 1240.2, 1247, 1508 1, and 1508.2 to, the Penal Code, relating to the death penalty

LEGISLATIVE COUNSEL'S DIGEST

Capital cases.

(1) Under existing law, there are various statutory and judicially declared provisions defining murder, including felony murder, and relating to the penalty therefor

This bill would, subject to a vote of the people, enact the "Save The Death Penalty Act of 1986" which would declare specified legislative policy and would revise applicable special circumstances and other provisions to, among other things, include additional conduct as subject to the death penalty or life imprisonment without possibility of parole, require imposition of life imprisonment without possibility of parole or a term of 50 years to life with respect to a minor, increase the penalty for first degree murder without special circumstances from 25 years to life to 50 years to life, increase the penalty for second degree murder from 15 years to life to 30 years to life, require the expeditious processing of appeals in capital cases, and prohibit dismissal of special circumstances which have been found by a jury.

(2) Under the Constitution, a judge of a court of record may not receive the salary for that office while any cause remains pending and undetermined for 90 days after it has been submitted for decision; and a judge is subject to censure or removal for persistent failure or inability to perform the judge's duties.

This bill would provide that a cause in which a judgment of death has been pronounced shall be deemed submitted for such purposes, and the Controller shall withhold payment of a judge's salary 90 days thereafter, when specified deadlines are not met applicable to the trial court, Supreme Court, and, with respect to petitions for writs of habeas corpus, the courts of appeal and Supreme Court. The bill would also provide that a judge's failure to meet specified deadlines shall be deemed a failure to perform that judge's duties for purposes of the Constitution.

(3) Under the Constitution, a sentence of death is automatically appealed to the Supreme Court, and various statutes provide for the trial and appeal of capital cases

This bill would require the examination of a prospective juror in a capital case in the presence of other prospective jurors except under extraordinary circumstances, as specified, would provide special rules of evidence regarding the corpus delicti of certain felony-based special circumstances and mitigating factors which can serve as a basis for a sentence less than death, would require the Supreme Court to appoint appellate counsel for a defendant sentenced to death within 30 days of the pronouncement of sentence, would require the Supreme Court rather than the Judicial Council to prescribe the rules on the appeal in capital cases, and would expand the record on appeal in capital cases.

(4) Under the Constitution, the Supreme Court, a court of appeal, and the superior court all have jurisdiction in habeas corpus proceedings.

This bill would authorize the Supreme Court and courts of appeal to transfer petitions for habeas corpus to the superior court, as specified, and would require the Supreme Court or a court of appeal to grant or deny the writ within 150 days of the petition, unless the petition is transferred to the superior court.

Preprint A.B. No. 3—Allen.

An act to add and repeal Section 11311.5 of the Welfare and Institutions Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

Work incentive program: refugees.

Under existing law, recipients of Aid to Families with Dependent Children (AFDC) are required to register with the Work Incentive Program (WIN) for manpower services, training, and employment as a condition for aid eligibility. Recipients who refuse to participate in the program without good cause are subject to the denial of aid. This bill would establish a pilot project in Orange County, requiring the State Department of Social Services to contract with a private nonprofit organization which would perform specified services, including those currently being performed under the WIN program by the Employment Development Department, for newly arrived refugees, as defined. The contractor would be responsible for providing services for refugees for 6 months after initial intake, after which time responsibility would revert to EDD. Federal and state laws applicable to EDD under the WIN program would also be applicable to the contractor. Performance of the contract would commence January 1, 1984, and would terminate January 1, 1987 The State Department of Social Services would report to the Legislature by July 1, 1987, and would include a recommendation regarding extending the program to include all refugees seeking AFDC. Necessary waivers would be sought by the State Department of Social Services and, if not obtained, the department would not implement the provisions of this section. This bill would be operative only until July 1, 1987, and as of that date would be repealed.

Preprint A.B. No. 4—Papan.

An act to add Section 42241.45 to, and to add and repeal Sections 42241.4, 42241.5, and 42241.6 of, the Education Code, relating to school finance, and making an appropriation therefor

LEGISLATIVE COUNSEL'S DIGEST

School finance: declining enrollment adjustment.

Existing law prescribes a method of determining state apportionments to school districts based generally on the computation of district revenue limits less property tax revenues received. Certain school districts are eligible to receive funding determined pursuant to a separate necessary small school formula. District revenue limits, and the amounts received under the necessary small school formula, are adjusted for various factors, including a prescribed inflation adjustment.

This bill would establish an elective declining enrollment adjustment for those districts that receive funding determined pursuant to the necessary small school formula.

This bill would require a school district receiving a declining enrollment adjustment to report annually to the Superintendent of Public Instruction regarding specified matters.

These provisions relating to the declining enrollment adjustment would repealed June 30, 1989.

The bill would prescribe a method for the calculation of a reduction in the declining enrollment adjustment prescribed by this bill for any school district that receives that adjustment and has an increase in average daily attendance between the prior school year and the current school year.

This bill would appropriate $15,000,000 from the General Fund to Section A of the State School Fund for the 1986-87 fiscal year for purposes of the declining enrollment adjustments established by this bill.

This bill would declare the Legislature's intent that commencing with the 1987-88 fiscal year, and each fiscal year thereafter, the declining enrollment adjustments established by this bill be funded only through appropriations for that purpose in the annual Budget Act.

This bill would state the legislative intent to make changes in state apportionments to school districts in the 1986-87 fiscal year and would require the Superintendent of Public Instruction to adjust allowances and disbursements for that fiscal year.

Preprint A.B. No. 5—O'Connell.

An act to add Chapter 10.7 (commencing with Section 13895) to Division 7 of the Water Code, relating to financing a program to provide aid in the planning, design, and construction of facilities for the protection of domestic water supplies through the issuance and sale of bonds of the State of California and by providing for the handling and disposition of those funds, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

Safe Drinking Water Bonds.

The California Safe Drinking Water Bond Law of 1976 and the California Safe Drinking Water Bond Law of 1984 each provided for the issuance of state bonds and for the expenditure of the proceeds for state loans and grants for the construction, improvement, or rehabilitation of domestic water systems, as defined.

This bill would enact the California Safe Drinking Water Bond Law of 1986 which would provide, conditioned upon approval of the state electorate, for the issuance of state bonds in an amount not to exceed $800,000,000 and expenditure of the proceeds for state loans and grants for those purposes The bill would require any proceeds of bonds authorized to be issued under the 1976 and 1984 bond laws which are unused and uncommitted on the effective date of this bond law, to be used for loans in accordance with this bond law.

The bill would provide for the submission of the bond law to the voters at the 1986 general election and those provisions would take effect upon adoption by the voters, except that procedural provisions governing the submission of the bond law would take effect immediately as an urgency statute

Preprint A.B. No. 6—McAlister.

An act to amend Section 6146 of the Business and Professions Code, to amend Sections 1431, 1432, 3294, 3333.1, and 3333.2 of, to add Section 1431.1 to, the Civil Code, to amend Sections 625 and 667.7 of the Code of Civil Procedure and to amend Sections 675 and 679.70 of the Insurance Code, relating to liability.

LEGISLATIVE COUNSEL'S DIGEST

Tort liability.

Existing law limits the amount of contingency fee an attorney may receive for representing any person seeking damages in connection with an action for injury or damage against a health care provider, as defined, based upon the person's alleged professional negligence. Existing law permits the introducing of evidence of certain collateral sources of benefits received by a plaintiff in an action against a health care provider involving professional negligence. It also limits a plaintiff's recovery of noneconomic losses to compensate for pain, suffering, inconvenience, physical impairment, disfigurement, and other nonpecuniary damages to $250,000 in an action against a health care provider based upon professional negligence. Under existing law, in any action for injury or damages against a provider of health care services, a court shall, at the request of either party, enter a judgment ordering that money damages or its equivalent for future damages of the judgment creditor be paid in whole or in part by periodic payments rather than by a lump-sum payment if the award equals or exceeds $50,000.

This bill would extend the above-mentioned provisions to all actions for damages for personal injury or death and would permit the recovery of noneconomic damages not to exceed $375,000 or the amount of specified economic damages, whichever is less, if proved by clear and convincing evidence.

Existing law permits a plaintiff to recover damages by way of example and for punishment if the defendant is guilty of oppression, fraud, or malice.

This bill would require oppression, fraud, or malice to be proved beyond a reasonable doubt and would limit the award to $250,000 or 2 times specified economic damages, whichever is greater, except that if no more than one juror fails to concur in a greater award, or, if the trial is by a judge, if there are aggravating circumstances, an amount not to exceed 3 times specified economic damages could be awarded.

Under existing law, in an action based upon negligence or product liability against multiple tortfeasors for an indivisible injury, the tortfeasors are jointly and severally liable for all compensable damages attributable to that injury except that they are not liable for damages attributable to the negligence of the plaintiff. However, tortfeasors may seek equitable indemnity from other tortfeasors.

This bill would provide that in an action for personal injury, property damage, or death, where an indivisible injury was caused by 2 or more persons, the damages shall be equitably apportioned among them by the trier of fact. Each tortfeasor, would be liable for the percentage of those damages allocated to that person, and liability would be several and not joint. The apportionment of damages would be made without regard to any immunity, but the apportionment would not affect any immunity. The allocation of damages would not apply to intentional injuries, as specified.

The bill would enact related provisions.

Existing law regulates the cancellation and failure to renew certain property insurance and prohibits certain discriminatory practices by certain property insurers. The subject insurance includes insurance of legal liability of a natural person or persons for loss of, damage to, or injury to, persons or property

This bill would extend those provisions to insurance of the legal liability of any person.

Preprint A.B. No. 7—Calderon.

An act to repeal and add Article 4 (commencing with Section 550) of Chapter 4 of Division 1 of, to add Article 2.5 (commencing with Section 8100) to Chapter 7 of Division 2 of, and to add Article 1.5 (commencing with Section 14220) to Chapter 3 of Division 5 of, the Financial Code, and to add Section 13984 to the Government Code, relating to automated teller machines.

LEGISLATIVE COUNSEL'S DIGEST

Financial institutions: automated teller machines.

Existing law provides for the establishment and maintenance of bank, savings association, and credit union branch offices in the state. Existing law also provides for the establishment and operation of automated teller machine branch offices, as defined, by specified banking instuitutions, upon application to the Superintendent of Banks, as prescribed. Existing law requires the superintendent to approve applications submitted for purposes of establishing automated machine branch offices if the superintendent determines that the financial condition of the bank is satisfactory.

This bill would extend the requirements of existing law to any state or national bank. This bill would require applications to be submitted and approved for all publicly accessible automated teller machines, as defined, and all automated teller machine branch offices. The bill also would extend this authorization to establish and operate publicly accessible automated teller machines and automated teller machine branch offices to all state and national savings associations and credit unions, and would require savings associations and credit unions to submit applications for approval by the Savings and Loan Commissioner and the Commissioner of Corporations, respectively, as prescribed

Existing law does not provide for regulations establishing standards relating to measures to ensure the physical safety of persons using publicly accessible automated teller machines and automated teller machine branch offices.

This bill would require the Secretary of the Business, Transportation and Housing Agency, on or before July 1, 1987, in consultation with the Department of Justice and any other interested law enforcement representatives, to promulgate appropriate administrative rules and regulations applicable to banks, savings associations, and credit unions for the purpose of assuring that criminal conduct does not affect the physical safety of persons using publicly acessible automated teller machines and automated teller machine branch offices. The bill would require these regulations to include, among other things, provisions pertaining to lighting standards, hours of operation, standards to ensure the privacy of automated teller machine users in their transactions, and the installation and maintenance of alarm systems or other appropriate devices for the prompt notification of the nearest responsibile law enforcement authority of any assaults and batteries or attempted or perpetrated theft or robbery. Noncompliance with these regulations or a determination that a facility creates an unreasonable risk of injury or theft, would constitute grounds for revocation of authority to operate the machines or branch offices The bill would specify that nothing in these provisions shall be construed to prohibit a city, county, or city and county from adopting ordinances affording greater measures of security or protection to the users of publicly accessible automated teller machines than that provided by these regulations.

This bill would require that the Superintendent of Banks, the Savings and Loan Commissioner, and the Commissioner of Corporations require each bank, savings association, and credit union operating publicly accessible automated teller machines or automated teller machine branch offices to submit a quarterly report on the number of incidents of assault and battery and attempted or perpetrated theft or robbery occurring at each publicly accessible automated teller machine or automated teller machine branch offices.

LEGISLATIVE COUNSEL'S DIGEST

Public social services: Medi-Cal.

Under existing law, the California Medical Assistance Commission is authorized to negotiate contracts, which are binding upon the State Department of Health Services, with various types of health care plans in order to provide Medi-Cal services on a capitated rate basis. Eligible Medi-Cal recipients residing in specified geographic areas are given the option of choosing from among 2 or more health care plans providing services under those contracts.

This bill would exclude any eligible beneficiary receiving services under the Medicare program from any of those contracts without affecting his or her eligibilty in the Medi-Cal or Medicare programs, unless that beneficiary elects to be enrolled in a health care plan providing services under those contracts.

This bill would take effect immediately as an urgency statute.

An act to add Division 19 (commencing with Section 50000) to the Vehicle Code, relating to motor vehicle injuries.

LEGISLATIVE COUNSEL'S DIGEST

Motor vehicle injuries.

Under existing law, a person injured in a motor vehicle accident may recover costs of medical treatment, if at all, from another person at fault or under a policy of insurance.

This bill would establish the Catastrophic Loss Trust Fund governed by an 11-member board. The fund would pay for reasonable and necessary medical expenses in excess of $50,000 of a person who suffers an injury arising out of the operation of a motor vehicle. Money in the fund would be derived from a fee imposed at the time of registration or renewal of registration of a motor vehicle.

The bill would eliminate tort liability for any amounts payable from the fund.

The bill would apply to injuries occuring between January 1, 1987, and January 1, 1993.

An act to amend, repeal, and add Section 98.6 of the Revenue and Taxation Code, relating to public finance.

LEGISLATIVE COUNSEL'S DIGEST

Public finance.

Existing law provides for a Special District Augmentation Fund in each county for the purpose of augmenting the revenues of special districts through the allocation, as specified, of a portion of property tax revenues.

This bill would impose a state-mandated local program by revising the method for determining the amount of property tax revenues to be deposited each fiscal year in the fund. It would also impose a state-mandated local program by requiring a mandatory allocation of a portion of the fund to certain eligible special districts in a specified manner and by requiring the mandatory allocation of another portion of the fund to special districts, as the governing body deems appropriate. It would also impose a state-mandated local program by requiring that additional notices be given by the governing body to special districts concerning estimates of allocable funds, proposed allocations of those funds, and actual allocations of those funds.

This bill would provide that the above provisions are to become operative on July 1, 1987, and are to apply to Special District Augmentation Fund determinations and allocations for the 1987-88 fiscal year and fiscal years thereafter.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

LEGISLATIVE COUNSEL'S DIGEST

California Risk Retention Act of 1987.

Existing state law does not specifically provide for risk retention arrangements by nonprofit associations and individual businesses.

This bill would enact the California Risk Retention Act of 1987 for those stated purposes.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
