USE

The table shows each section of the Constitution, codes and uncodified laws affected by measures introduced in the Legislature. It may be used in two ways:

- 1 As a means of locating measures where the section of the Constitution, code or law is known.
- 2 To locate measures upon a particular subject, by using a published index to the codes and laws, such as Deering's General Index, the Larnac Consolidated Index, and West's General Index, to locate the existing sections, and then by using this table to locate the measures which affect those sections.

ARRANGEMENT

The table is arranged by codes and the Constitution listed in alphabetical order. Uncodified laws are listed at the end of the table under the heading "Statutes Other Than Codes," and are cited by year and chapter. References to Budget Items appear in a separate section following Statutes Other Than Codes.
