PREPRINT ASSEMBLY BILLS—1999–2000 SESSION

Preprint A.B. No. 1—Papan.

An act to amend Sections 8007, 8008, 8010, 8016, 8017, 8023, 8024, 8024.1, 8024.2, 8024.3, 8024.4, 8024.5, 8024.7, 8025, 8025.1, 8026, and 8031 of, and to add Article 3.5 (commencing with Section 8028) to Chapter 13 of Division 3 of, the Business and Professions Code, relating to shorthand reporters, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

Existing law provides for the certification and regulation of shorthand reporters. Existing law also provides for the regulation of shorthand reporting corporations, which are professional corporations, governed generally under the Moscone-Knox Professional Corporations Act, that render professional services through certified shorthand reporters. This bill would, in addition, provide for the registration of company registrants, which are sole proprietorships, partnerships, corporations, joint ventures, and other businesses that are engaged in the business of shorthand reporting, as specified. This bill would establish new registration fees in this regard and would impose criminal sanctions in certain cases for violating these new provisions. Existing law establishes the Court Reporters' Fund, which is continuously appropriated to carry out the provisions governing shorthand reporters. By adding new registration fees for company registrants, this bill would increase the source of revenue flowing into the fund, thereby making an appropriation. Existing law makes it a crime to violate any of the provisions governing shorthand reporters. By adding these new registration requirements for company registrants to these provisions, this bill would expand the scope of an existing crime, thereby imposing a state-mandated local program. In addition, by including within these new provisions certain new crimes, this bill would impose a state-mandated local program. The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

Preprint A.B. No. 2—Papan.

An act to add Section 25221 to the Corporations Code, relating to securities.

LEGISLATIVE COUNSEL'S DIGEST

Existing law provides for the licensing and regulation by the Commissioner of Corporations of broker-dealers handling transactions of securities. Existing law authorizes the Department of Justice to furnish state summary criminal history information (otherwise known as a background check) concerning an individual to various persons and entities that are authorized to receive that information, including banks and other financial institutions, as specified. Existing law provides a similar process for local summary criminal history information available to local law enforcement agencies. This bill would authorize a licensed broker-dealer, or affiliate, or any officer or employee thereof, to deliver fingerprints taken of an employee, a director, an officer, or an applicant for employment to local, state, and federal law enforcement agencies for the purpose of obtaining a criminal background check relative to that employee or applicant, under the same terms and conditions applicable to similar requests submitted by a bank.

Preprint A.B. No. 3—Gallegos.

An act to repeal and add Section 1363.1 of the Health and Safety Code, and to repeal and add Section 10123.19 of the Insurance Code, relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans. A willful violation of those provisions is a crime. Existing law provides for the regulation of disability insurance. Existing law requires health care and disability contracts to disclose, as specified, provisions relating to binding arbitration. This bill would repeal the provisions of law requiring the disclosure of binding arbitration provisions in health care and disability contracts. This bill would prohibit a health care service plan, application, or contract issued or renewed on or after January 1, 2001, from requiring binding arbitration to resolve disputes under the contract. This bill would prohibit an application, policy, or certificate of disability insurance, as specified, issued or renewed on or after January 1, 2001, from requiring binding arbitration to resolve disputes under the policy or certificate.⁰⁷⁵The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

Preprint A.B. No. 4—Kuehl.

An act to add Chapter 2 (commencing with Section 1798.80) to Title 1.8 of Part 4 of Division 3 of the Civil Code, relating to financial privacy.

LEGISLATIVE COUNSEL'S DIGEST

Existing law prohibits a business entity that performs bookkeeping services from disclosing the contents of any record which is prepared or maintained by the business entity to any person, other than the individual which is the subject of the record, without the express written consent of the person. This bill would enact the Consumers Financial Privacy Act. The bill would prohibit a financial institution, as specified, without a consumer's written consent, from disclosing the nonpublic personal information collected by the financial institution in connection with any transaction with the consumer involving any financial product or any financial service or otherwise obtained by the financial institution. The bill would provide for specified civil remedies and the imposition of a civil penalty by a court or the imposition of an administrative fine by a regulatory agency.

Preprint A.B. No. 5—Gallegos.

An act to amend Section 2225 of the Civil Code, relating to profits of crime.

LEGISLATIVE COUNSEL'S DIGEST

Existing law provides that all profits and all proceeds in connection with the sale of materials based on the story of a felony for which a felon was convicted, as defined, are subject to a 5-year, involuntary trust for the benefit of the victims of the crime. Existing law defines profits to mean all income from anything sold or transferred, including any right, the value of which is enhanced by the notoriety gained from the commission of a felony, as specified. Existing law requires a court to grant, in certain civil actions authorized pursuant to these provisions and upon motion of a party, a preliminary injunction to prevent waste of proceeds or profits if it appears they are subject to these provisions, and that they may be subject to waste; and requires the issuance of a preliminary injunction to prevent waste upon motion of the Attorney General or a potential beneficiary where a felony indictment or information has been filed against a person in superior court, and as specified. This bill would revise the definition of profits for these purposes to specifically include income from internet sales.

Preprint A.B. No. 6—Papan.

An act to add Division 10 (commencing with Section 24000) to the Financial Code, relating to financial institutions.

LEGISLATIVE COUNSEL'S DIGEST

(1) The federal Gramm-Leach-Bliley Act provides for the privacy of nonpublic personal information, as defined, of customers of financial institutions, as specified, and permits states to enact statutes not inconsistent with, or that offer greater protection than, those provisions. This bill would enact provisions relating to the disclosure of nonpublic personal information by specified financial institutions, and would make the fraudulent access to financial information a crime, thus creating a state-mandated local program. (2) Existing law prohibits an insurance institution, agent, or insurance-support organization from disclosing one's personal or privileged information collected or received in connection with an insurance transaction, including the collection and disclosure of medical information, except as specified. This bill would permit specified insurers to disclose individual identifiable customer health and medical and genetic information, as specified.

Preprint A.B. No. 7—Gallegos.

An act to add Article 1.6 (commencing with Section 10116) to Chapter 1 of Part 2 of Division 2 of, and to add Sections 10338 and 10338.5 to, the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

Existing law authorizes the Department of General Services to contract with suppliers to obtain materials, supplies, equipment, and services. This bill would express the intent of the Legislature that all state agencies use a bidding process for professional service contracts via a request for proposal and that the winning bid be based on scope of work as reflected as best value for fees of service, as defined. The bill would also establish the Interagency Council on State Contracting and Business Partnerships to increase small business access to state contracting opportunities, as specified.
