GOVERNOR’S REORGANIZATION PLAN—2002

No. 1—An act to amend Sections 12800 and 12803 of, to add Section 12813 to, and to add Part 8.5 (commencing with Section 15550) to Division 3 of Title 2 of, the Government Code, to amend Sections 50 and 1141 of, and to add Sections 18.5 and 19.5 to, the Labor Code, and to amend Section 301 of the Unemployment Insurance Code, relating to governmental reorganization.

LEGISLATIVE COUNSEL’S DIGEST

State government reorganization: labor and workforce development. Existing law establishes in state government the Department of Industrial Relations and the Agricultural Labor Relations Board. Existing law establishes the Employment Development Department in the California Health and Human Services Agency. An executive order of the Governor establishes the California Workforce Investment Board. Existing law does not provide for the establishment of a Labor and Workforce Development Agency in state government. This bill would create a Labor and Workforce Development Agency in state government consisting of the Department of Industrial Relations, the Employment Development Department, the Agricultural Labor Relations Board, and the California Workforce Investment Board. The agency would be under the supervision of the Secretary of Labor and Workforce Development who would be appointed by the Governor, subject to confirmation by the Senate. The bill would make conforming and related changes.

**PREPRINT ASSEMBLY BILLS
2001–02 SESSION**

Preprint A.B. No. 1—Papan.

An act to amend Section 1280 of the Unemployment Insurance Code, relating to unemployment insurance, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

General Subject: Unemployment insurance: benefits. Under existing law, the weekly unemployment compensation benefit for new claims filed prior to January 1, 2002, for an individual whose highest wages in the quarter of his or her base period exceeded a specified amount, is 39% of those wages divided by 13, but may not exceed \$230. Under existing law, for new claims filed with an effective date after January 1, 2002, and prior to January 1, 2003, the weekly benefit is increased, for an individual whose highest wages in the quarter of his or her base period exceed a specified amount, to a certain percentage of those wages divided by 13, and the maximum weekly benefit is increased, to \$330. This bill would make those increased benefits applicable to new claims filed with an effective date after July 1, 2001, and prior to January 1, 2003. Because this provision would increase the amount of unemployment compensation paid, it would increase the amount payable from the Unemployment Fund, a continuously appropriated special fund, and thereby would make an appropriation.

Preprint A.B. No. 2—Papan.

An act to amend Sections 1250.410 and 1255.060 of the Code of Civil Procedure, relating to eminent domain.

LEGISLATIVE COUNSEL'S DIGEST

General Subject: Eminent domain proceedings. Existing law provides that in determining the litigation expenses to be awarded to the defendant as costs in an eminent domain proceeding, the court shall consider the amount of an offer made by the plaintiff to acquire the property, as specified. This bill would also require the court to consider any deposit made by the plaintiff with the State Treasury to cover the probable compensation to be awarded to the defendant. Existing law provides that in the trial of the issue of compensation in an eminent domain proceeding, a witness may not be impeached by reference to any appraisal report, written statement and summary of an appraisal, or other statements made in connection with a deposit or withdrawal of a deposit of probable compensation, nor may the report or statement and summary be considered an admission of any party. This bill would instead provide that in the trial of the issue of compensation, an appraisal report, written statement and summary of an appraisal, or other statement made in connection with a deposit or withdrawal of a deposit may not be considered to be an admission of any party. However, the bill would also provide that if the person who prepared the report, statement and summary, or other statement is called at trial to give an opinion as to compensation, the report, statement and summary, or other statement may be used for impeachment of the witness.

Preprint A.B. No. 3—Leonard.

An act to add Section 152 to the Penal Code, relating to unattended personal property.

LEGISLATIVE COUNSEL'S DIGEST

General Subject: Unattended personal property. Existing law regulates the possession of personal property, but provides no criminal sanction for leaving personal property unattended in a public place. This bill would make it an infraction for a person to leave personal property outside of his or her immediate physical control in a public place.⁰⁷⁵The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

Preprint A.B. No. 4—Wyman.

An act to amend Section 19775.17 of, and to add Section 19775.18 to, the Government Code, to amend Sections 389, 395, 395.01, 399, and 399.5 of, and to add Section 395.09 to, the Military and Veterans Code, and to add Sections 17053.67 and 23667 to the Revenue and Taxation Code, relating to military service, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

General Subject: Military service: benefits. (1) Existing law provides that a state employee who, as a member of the California National Guard or a United States military reserve organization, is ordered to active duty by either a Presidential determination that it is necessary to augment the active forces for any operational mission, or in time of national emergency declared by the President or otherwise authorized by law, shall receive for the duration of the event, for a period not to exceed 180 days, as part of his or her compensation the difference between the amount of his or her military pay and the amount the person would have received as a state employee, and all benefits he or she would have received had he or she not served on active duty, as specified. This bill would provide that a state employee, who is a member of the California National Guard or a United States Military Reserve organization shall receive these benefits for a period not to exceed 365 days if he or she is ordered to serve on active duty on or after September 11, 2001, as a result of Operation Enduring Freedom or any successor military action. (2) Under existing law, a public employee who is a member of the reserve corps of the armed forces of the United States, or of the National Guard or the Naval Militia, is entitled to a temporary military leave of absence for active military training, inactive duty training, encampment, naval cruises, special exercises, or similar activities for a period of 180 calendar days, if certain requirements are met. Existing law also grants an absolute right to the employee to be restored to his or her former office or position. This bill would instead allow temporary military leave for a period of 365 calendar days. This bill would instead allow also grant additional rights to an employee in a public safety or emergency services office with respect to being restored to his or her former office or position. (3) Existing law entitled any state legislative, executive, or judicial branch officer or employee, including civil service employees, who, as a member of the California National Guard or a United States military reserve organization, was called up to active duty as a result of the Iraq-Kuwait or Bosnia crisis to receive, while on active duty not to exceed 180 calendar days, as part of his or her compensation, the difference between the amount of his or her military pay and allowances and the amount the officer would have received as a state officer or employee, including any merit raises that would otherwise have been granted during the time the individual was on active duty. Existing law also entitled an officer or employee to receive, for 180 calendar days, all benefits that he or she would have received had he or she not been called to active duty, unless the benefits were prohibited or limited by vendor contract. This bill would entitle any state legislative, executive, or judicial branch officer or employee, including a civil service employee, who, as a member of the California National Guard or a United States military reserve organization, is called up to active duty as a result of Operation Enduring Freedom or any successor military action on or after September 11, 2001, to receive similar compensation and benefits. This bill would reduce these benefits by the maximum allowable benefit under the federal Ready Reserve Mobilization Income Insurance Program or a successor federal program, for certain employees eligible to participate in that program. This bill would apply these provisions to active duty served as a result of Operation Enduring Freedom or any successor military action. (4) Existing law prohibited eviction or distress, except upon leave of court, with respect to premises, rented at or below a certain monthly rate, that are occupied by the spouse, children, or other dependents of reservists called into active duty as a result of the Iraq-Kuwait crisis. Existing law also requires the court to issue stay for a specified period or make other prescribed orders, unless the court found that the ability to pay the rent was affected by that military service. Existing law made knowing eviction or distress, except as provided in the bill, a misdemeanor. The bill would provide the same relief for reservists called to active duty generally, without regard to any monthly rental rate, and would impose a state-mandated local program by applying the existing misdemeanor provisions to the additional reservists. This bill would also provide relief from vehicle leases to members of the National Guard, upon their mobilization for any reason by the federal government. (5) The Personal Income Tax Law and the Bank and Corporation Tax Law authorize various credits against the taxes imposed by those laws. This bill would authorize a credit against those taxes for each taxable year beginning on or after January 1, 2002, in an amount equal to 100% of the amount of benefits paid during the taxable year to qualified employees, as defined, who are on active military duty. (6) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state.

Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason. (7) This bill would declare that it is to take effect immediately as an urgency statute.

Preprint A.B. No. 5—John Campbell.

An act to amend Sections 17039, 17501, 17551, 23036, 23701s, and 23705 of, and to add Sections 17053.81, 17053.82, 17085.8, 17144.5, 17205, and 23642.5 to, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

THIRD EXTRAORDINARY SESSION

Proclamation by Governor Gray Davis

(Convened January 10, 2002)

WHEREAS, an extraordinary occasion has arisen and now exists requiring that the Legislature of the State of California be convened in extraordinary session; and,

WHEREAS, the California economy, already slowing prior to the terrorist attacks of September 11th, is in a recession along with the rest of the nation that will continue through at least the first half of 2002; and,

WHEREAS, California has suffered significant job losses totaling 64,300, or 11.2 percent of national job losses, since September 11th due to continued weakening of the economy and the effects of the terrorist attacks on the air transportation, lodging, and restaurant industries; and,

WHEREAS, as a result, California is facing the steepest revenue decline in more than half a century, which necessitates prompt action to reduce current-year General Fund spending in addition to the hiring freeze and operating expenses and equipment expenditure reductions already ordered pursuant to Governor's Executive Orders D-48-01 and D-49-01; and,

WHEREAS, the Legislative Analyst's Office and the Department of Finance are projecting a budget shortfall exceeding \$12 billion over the 2001-02 and 2002-03 fiscal years; and,

WHEREAS, it is necessary to convene the Legislature in extraordinary session to deliberate on critical budget issues;

NOW, THEREFORE, I, GRAY DAVIS, Governor of the State of California, by virtue of the power and authority vested in me by Article IV, Section 3(b) of the Constitution of the State of California, do hereby convene the Legislature of the State of California to meet in extraordinary session at Sacramento, California, on the 10th Day of January, 2002, at a time appointed by each house of the Legislature of said day to consider and act upon legislation to do the following:

1. Enact current-year General Fund spending reductions as specified in the November 2001 "Proposed Reduction in 2001-02 Spending."
2. Enact further General Fund spending reductions identified for 2001-02.
3. Make recently enacted unemployment benefit increases retroactive to September 11, 2001, accelerate the delivery of certain capital outlay projects to stimulate the creation of jobs by shifting the financing for these projects to lease revenue bonds, and authorize general obligation bonds for critically needed infrastructure.
