CONSTITUTION

OF THE

STATE OF CALIFORNIA.
CONSTITUTION OF THE STATE OF CALIFORNIA.

ADOPTED BY THE CONVENTION, OCTOBER TENTH, EIGHTEEN HUNDRED AND FORTY-NINE; RATIFIED BY THE PEOPLE, NOVEMBER THIRTEENTH, EIGHTEEN HUNDRED AND FORTY-NINE; PROCLAIMED, DECEMBER TWENTIETH, EIGHTEEN HUNDRED AND FORTY-NINE; AND AMENDED, EIGHTEEN HUNDRED AND SIXTY-TWO.

We, The People of California, grateful to Almighty God for our freedom, in order to secure its blessings, do establish this Constitution.

ARTICLE I.

DECLARATION OF RIGHTS.

Section 1. All men are by nature free and independent, and have certain inalienable rights, among which are those of enjoying and defending life and liberty; acquiring, possessing, and protecting property; and pursuing and obtaining safety and happiness.

Sec. 2. All political power is inherent in the people. Government is instituted for the protection, security, and benefit of the people; and they have the right to alter or reform the same, whenever the public good may require it.

Sec. 3. The right of trial by jury shall be secured to all, and remain inviolate for ever; but a jury trial may be waived by the parties, in all civil cases, in the manner to be prescribed by law.

Sec. 4. The free exercise and enjoyment of religious profession and worship, without discrimination or preference, shall forever be allowed in this State; and no person shall be rendered incompetent to be a witness on account of his opinions on matters of religious belief; but the liberty of conscience, hereby secured, shall not be so construed as to excuse acts of licentiousness, or justify practices inconsistent with the peace or safety of this State.

Sec. 5. The privilege of the writ of habeas corpus shall not be suspended, unless when, in cases of rebellion or invasion, the public safety may require its suspension.

Sec. 6. Excessive bail shall not be required, nor excessive fines imposed, nor shall cruel or unusual punishments be inflicted, nor shall witnesses be unreasonably detained.

Sec. 7. All persons shall be bailable by sufficient sureties, unless for capital offences when the proof is evident or the presumption great.

Sec. 8. No person shall be held to answer for a capital or otherwise infamous crime (except in cases of impeachment, and in cases of militia when in actual service, and the land and naval forces in time of war, or which this State may keep with the consent of Congress in time of peace, and in cases of petit larceny, under the regulation of the Legislature) unless on presentment or indictment of a grand jury; and in any trial in any Court whatever, the party accused shall be allowed to appear and defend in person and with counsel, as in civil actions. No persons shall be subject to be twice put in jeopardy for the same offense; nor shall he be compelled, in any criminal case, to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use without just compensation.

Sec. 9. Every citizen may freely speak, write, and publish his sentiments on all subjects, being responsible for the abuse of that right; and no law shall be passed to restrain or abridge
the liberty of speech or of the press. In all criminal prosecutions on indictments for libels, the truth may be given in evidence to the jury; and if it shall appear to the jury that the matter charged as libelous is true, and was published with good motives and for justifiable ends, the party shall be acquitted; and the jury shall have the right to determine the law and the fact.

Sec. 10. The people shall have the right freely to assemble together to consult for the common good, to instruct their representatives, and to petition the Legislature for redress of grievances.

Sec. 11. All laws of a general nature shall have a uniform operation.

Sec. 12. The military shall be subordinate to the civil power. No Standing army shall be kept up by this State in time of peace; and in time of war no appropriation for a standing army shall be for a longer time than two years.

Sec. 13. No soldier shall, in time of peace, be quartered in any house without the consent of the owner; nor in time of war, except in the manner to be prescribed by law.

Sec. 14. Representation shall be apportioned according to population.

Sec. 15. No person shall be imprisoned for debt in any civil action, on mesne or final process, unless in cases of fraud; and no person shall be imprisoned for a military fine in time of peace.

Sec. 16. No bill of attainder, ex post facto law, or law impairing the obligation of contracts, shall ever be passed.

Sec. 17. Foreigners who are or who may hereafter become bona fide residents of this State, shall enjoy the same rights in respect to the possession, enjoyment, and inheritance of property, as native born citizens.

Sec. 18. Neither slavery nor involuntary servitude, unless for the punishment of crimes, shall ever be tolerated in this State.

Sec. 19. The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated; and no warrant shall issue, but on probable cause, supported by oath or affirmation, particularly describing the place to be searched and the persons and things to be seized.

Sec. 20. Treason against the State shall consist only in levying war against it, adhering to its enemies, or giving them aid and comfort. No person shall be convicted of treason, unless on the evidence of two witnesses to the same overt act, or conviction in open Court.

Sec. 21. This enumeration of rights shall not be construed to impair or deny others retained by the people.

ARTICLE II.

RIGHT OF SUFFRAGE.

Section 1. Every white male citizen of the United States, and every white male citizen of Mexico who shall have elected to become a citizen of the United States, under the Treaty of Peace exchanged and ratified at Guadalupe, on the thirteenth day of May, eighteen hundred and forty-eight, of the age of twenty-one years, who shall have been a resident of the State six months next preceding the election, and the county or district in which he claims his vote thirty days, shall be entitled to vote at all elections which are now or hereafter may be authorized by law; provided, that nothing herein contained shall be construed to prevent the Legislature, by a two thirds concurrent vote, from admitting to the right of suffrage, Indians, or the descendants of Indians, in such special cases as such a proportion of the legislative body may deem just and proper.

Sec. 2. Electors shall, in all cases except treason, felony, or breach of the peace, be privileged from arrest on the days of election during their attendance at such election, going to and returning therefrom.

Sec. 3. No elector shall be obliged to perform militia duty on the day of election, except in time of war or public danger.

Sec. 4. For the purpose of voting, no person shall be deemed to have gained or lost a residence by reason of his presence or absence while employed in the service of the United States, nor while engaged in the navigation of the waters of this State or of the United States, or of the high seas; nor while a student at any seminary of learning: nor while kept at any almshouse or other asylum at public expense: nor while confined in any public prison.

Sec. 5. No alien or insane person, or person convicted of any infamous crime, shall be entitled to the privileges of an elector.

Sec. 6. All elections by the people shall be by ballot.

ARTICLE III.

DISTRIBUTION OF POWERS.

Section 1. The powers of the Government of the State of California shall be divided into three separate departments: the Legislative, the Executive, and Judicial; and no person charged with the exercise of powers properly belonging to one of these departments shall exercise any functions appertaining to either of the others, except in the cases hereinafter expressly directed or permitted.
CONSTITUTION OF CALIFORNIA.  

ARTICLE IV.  

LEGISLATIVE DEPARTMENT.  

SECTION 1. The Legislative power of this State shall be vested in a Senate and Assembly, which shall be designated the Legislature of the State of California, and the enacting clause of every law shall be as follows: "The People of the State of California, represented in Senate and Assembly, do enact as follows."  

SEC. 2. The sessions of the Legislature shall be biennial, and shall commence on the first Monday in December next ensuing the election of its members, unless the Governor of the State shall, in the interim, convene the Legislature by proclamation. No session shall continue longer than one hundred and twenty days.—[Amended, 1862.]  

SEC. 3. The members of the Assembly shall be chosen biennially, by the qualified electors of their respective districts, on the first Wednesday in September, unless otherwise ordered by the Legislature, and their term of office shall be two years.—[Amended, 1862.]  

SEC. 4. Senators and members of Assembly shall be duly qualified electors in the respective counties and districts which they represent.  

SEC. 5. Senators shall be chosen for the term of four years, at the same time and place as members of the Assembly; and no person shall be a member of the Senate or Assembly who has not been a citizen and inhabitant of the State and of the county or district for which he shall be chosen one year next before his election.—[Amended, 1862.]  

SEC. 6. The number of Senators shall not be less than one third, nor more than one half, of that of the members of the Assembly; and at the first session of the Legislature after this section takes effect, the Senators shall be divided by lot, as equally as may be, into two classes. The Senate of the Senators of the first class shall be vacated at the expiration of the second year, so that one half shall be chosen biennially.—[Amended, 1862.]  

SEC. 7. When the number of Senators is increased, they shall be apportioned by lot, so as to keep the two classes as nearly equal in number as possible.  

SEC. 8. Each House shall choose its own officers, and judge of the qualifications, elections, and returns of its own members.  

SEC. 9. A majority of each House shall constitute a quorum to do business; but a smaller number may adjourn from day to day, and may compel the attendance of absent members, in such manner and under such penalties as each House may provide.  

SEC. 10. Each House shall determine the rules of its own proceedings, and may, with the concurrence of two thirds of all the members elected, expel a member.  

SEC. 11. Each House shall keep a journal of its own proceedings, and publish the same; and the yeas and nays of the members of either House on any question shall, at the desire of any three members present, be entered on the journal.  

SEC. 12. Members of the Legislature shall, in all cases except treason, felony, and breach of the peace, be privileged from arrest, and shall not be subject to any civil process during the session of the Legislature, nor for fifteen days next before the commencement and after the termination of each session.  

SEC. 13. When vacancies occur in either House, the Governor, or the person exercising the functions of the Governor, shall issue writs of election to fill such vacancies.  

SEC. 14. The doors of each House shall be open, except on such occasions as, in the opinion of the House, may require secrecy.  

SEC. 15. Neither House shall, without the consent of the other, adjourn for more than three days, nor to any other place than that in which they may be sitting.  

SEC. 16. Any bill may originate in either House of the Legislature, and all bills passed by one House may be amended in the other.  

SEC. 17. Every bill which may have passed the Legislature, shall, before it becomes a law, be presented to the Governor. If he approve it, he shall sign it, but if he shall return it, with his objections, to the House in which it originated, which shall enter the same upon the journal, and present to reconsider it. If, after such reconsideration, it again pass both Houses, by yeas and nays, by a majority of two thirds of the members of each House present, it shall become a law, notwithstanding the Governor’s objections. If any bill shall not be returned within ten days after it shall have been presented to him, (Sundays excepted,) the same shall be a law, in like manner as if he had signed it, unless the Legislature, by adjournment, prevent such return.  

SEC. 18. The Assembly shall have the sole power of impeachment, and all impeachments shall be tried by the Senate. When sitting for that purpose, the Senators shall be upon oath or affirmation; and no person shall be convicted without the concurrence of two thirds of the members present.  

SEC. 19. The Governor, Lieutenant-Governor, Secretary of State, Controller, Treasurer, Attorney-General, Surveyor-General, Justices of the Supreme Court, and Judges of the District Courts, shall be liable to impeachment for any misdemeanor in office; but judgment in such cases shall extend only to removal from office and disqualification to hold any office of honor, trust, or profit under the State; but the party convicted or acquitted shall, nevertheless, be liable to indictment, trial, and punishment, according to law. All other civil officers shall be tried for misdemeanors in office in such a manner as the Legislature may provide.  

SEC. 20. No Senator or member of Assembly shall, during the term for which he shall have been elected, be appointed to any civil office of profit under this State, which shall have been
CONSTITUTION OF CALIFORNIA.

created or the emoluments of which shall have been increased, during such term, except such offices as may be filled by election by the people.

Sec. 21. No person holding any lucrative office under the United States, or any other power, shall be eligible to any civil office of profit under this State; provided, that officers in the militia, to which there is attached no annual salary, or local officers, and Postmasters, whose compensation does not exceed five hundred dollars per annum, shall not be deemed lucrative.

Sec. 22. The election shall be conducted in the manner which was prescribed for the election of Delegates to this Convention, except that the Prefects, Sub-Prefects, or Senior Judge of First Instance, ordering such election in each district, shall have power to designate any additional number of places for opening the polls, and that, in every place of holding the election, a regular poll list shall be kept by the Judges and Inspectors of Election. It shall also be the duty of these Judges and Inspectors of Election, on the day aforesaid, to receive the votes of the electors qualified to vote at such election. Each voter shall express his opinion by depositing in the ballot box a ticket, whereon shall be written or printed, "For the Constitution," or "Against the Constitution," or some such words as will distinctly convey the intention of the voter. These Judges and Inspectors shall also receive the votes for the several officers to be voted for at the said election as herein provided. At the close of the election, the Judges and Inspectors shall carefully count each ballot, and forthwith make duplicate returns thereof to the Prefect, Sub-Prefect, or Senior Judge of First Instance, as the case may be, of their respective districts; and said Prefect, Sub-Prefect, or Senior Judge of First Instance, shall transmit one of the same, by the most safe and rapid conveyance, to the Secretary of State. Upon the receipt of said returns, or on the tenth day of December next, if the returns be not sooner received, it shall be the duty of a Board of Canvassers, to consist of the Secretary of State, one of the Judges of the Superior Court, the Prefect, Judge of First Instance, and an Alcalde of the District of Monterey, or any three of the aforementioned officers, in the presence of all who shall choose to attend, to compare the votes given at said election, and to immediately publish an abstract of the same in one or more of the newspapers of California. And the Executive will also, immediately after ascertaining that the Constitution has been ratified by the people, make proclamation of the fact; and thereupon this Constitution shall be ordained and established as the Constitution of California.

Sec. 7. If this Constitution shall be ratified by the people of California, the Executive of the existing Government is hereby requested, immediately after the same shall be ascertained, in the manner herein directed, to cause a fair copy thereof to be forwarded to the President of the United States, in order that he may lay it before the Congress of the United States.

Sec. 9. If this Constitution shall be ratified by the people of California, the Legislature shall assemble at the seat of government on the fifteenth day of December next, and in order to complete the organization of that body, the Senate shall elect a President pro tempore, until the Lieutenant-Governor shall be installed into office.

Sec. 10. On the organization of the Legislature, it shall be the duty of the Secretary of State to lay before each House a copy of the abstract made by the Board of Canvassers, and, if called for, the original returns of election, in order that each House may judge of the correctness of the report of said Board of Canvassers.

Sec. 11. The Legislature, at its first session, shall elect such officers as may be ordered by this Constitution to be elected by that body, and within four days after its organization, proceed to elect two Senators to the Congress of the United States. But no law passed by this Legislature shall take effect until signed by the Governor after his installation into office.

Sec. 12. The Senators and Representatives of the Congress of the United States, elected by the Legislature and people of California, as herein directed, shall be furnished with certified copies of this Constitution, when ratified, which they shall lay before the Congress of the United States, requesting, in the name of the people of California, the admission of the State of California into the American Union.

Sec. 13. All officers of this State, other than Members of the Legislature, shall be installed into office on the fifteenth day of December next, or as soon thereafter as practicable.

Sec. 15. Until the Legislature shall otherwise direct, in accordance with the provisions of this Constitution, the salary of the Governor shall be ten thousand dollars per annum; and the salary of the Lieutenant-Governor shall be double the pay of a State Senator; and the pay of Members of the Legislature shall be sixteen dollars per diem while in attendance; and sixteen dollars for every twenty miles traveled by the usual route from their residences to the place of holding the session of the Legislature, and in returning therefrom. And the Legislature shall fix the salaries of all officers other than those elected by the people at the first election.

Sec. 16. The limitation of the powers of the Legislature contained in Article Eighth of this Constitution shall not extend to the first Legislature elected under the same, which is hereby authorized to negotiate for such amount as may be necessary to pay the expenses of the State Government.

PROCLAMATION OF THANKSGIVING.

STATE OF CALIFORNIA, EXECUTIVE DEPARTMENT,
Sacramento, November 4th, 1861.

There is a moral grandeur in the public acknowledgment of Divine goodness. Political institutions, however excellent, do not constitute the only source of happiness to the people; for underlying these are the finer moral elements essential in the creation of national greatness and individual well being. This was well understood by the immortal men who bequeathed us this glorious inheritance of ours. It was thought to be eminently proper by those great and good men whose fame has rendered our country illustrious, that the State should, by its public acts, pay becoming respect to these observances, and thus encourage individual respect for public and private virtues, and veneration for the Supreme Being. Infused with these sentiments, the Executive of this Commonwealth takes peculiar interest in again providing for a public recognition of the Divine source of all our blessings, and a public manifestation of the gratitude of the people for the same. To be grateful is to enjoy the gifts of Heaven, while the simple expression of our thankfulness is all the return we can make for the possession of these many blessings.

California, in all the anor of her youth, this day rejoices in the fulness of her prosperity. The earth has yielded forth its fruits for her in overwhelming abundance. Her treasures of gold have not been exhausted, while she has enlarged her contributions to the wealth of her sister States and other lands. The increase of her flocks and herds, luxuriating on her abundant pastures, under her benign skies, animates her hills and valleys with visions of gladness. Her homes are full of peace and plenty. War, famine, and pestilence, have not invaded her happy abodes; nor from any such unnatural cause is there heard the wail of sorrow, nor the lamentations of the widow, nor the cry of the orphan within her borders.

Multitudes have been added to her thriving population during the year, to enjoy with us the rich munificence of Heaven, and to aid us in extending the conquest of a superior civilization. No other land has been so highly favored, in all the elements of material progress, as this beautiful heritage of ours. And while the homes of our people are filled with contentment and peace, may they be distinguished as the habitations of wisdom, justice, charity, and love.

Now, therefore, I, John G. Downey, Governor of the State of California, do hereby appoint and set apart Thursday, the twenty-eighth of November, instant, as a day of public thanksgiving to Almighty God for the distinguished mercies and blessings bestowed upon us during the past year. And I call upon all the people to lay aside their daily avocations, to meet in their accustomed religious assemblies, and in all suitable ways, and in all due solemnity, to pour forth their gratitude in prayer and praise to our Heavenly Father for all His goodness, remembering at the same time to supplicate fervently for the speedy removal of our National calamities, and for the perpetuity, in all its power and glory, of that union and equality of States to which, under Providence, we must cheerfully attribute the unparalleled prosperity of our people, and to the existence of which, in its former purity and justice, we look as the main hope, the sheet anchor of civil and religious liberty to ourselves and our posterity.

In testimony whereof, I have hereunto set my hand and caused the Great Seal of the State to be affixed, the day and year above written.

JOHN G. DOWNEY,
Governor of California.

PROCLAMATION OF THANKSGIVING.

STATE OF CALIFORNIA, EXECUTIVE DEPARTMENT,
Sacramento, November 1st, 1862.

The return of the yearly season, wisely observed since the days of our fathers by public acts of reverence and gratitude to the Giver of all good gifts, reminds us of our duty to give expression to that thankfulness which we as a people should most assuredly experience.

A year of remarkable events is drawing to its close. With us its commencement was signalized by a severity hitherto unknown; storm after storm swept over our State, and repeated floods spread desolation through large portions of our territory; suffering and want usurped the place where before had dwelt comfort and plenty; heavy burdens were imposed upon the generous, charitable, and benevolent, though greatly lightened by the cheerfulness with which they were borne. Throughout the year we have heard from afar the noise of strife and the clash of arms; civil war has raged with varied success, and without decisive results; the National Government has not yet subdued its enemies, nor risen above its perils; the people of the United States have before them a great work to accomplish in delivering the Nation from the dangers by which it is environed. Nevertheless, we have occasion to be grateful to Almighty God for hindering any open active interference of foreign powers with our Government in its endeavors to right itself for many signal and glorious successes vouchsafed to the National arms by sea and land—for the readiness and alacrity with which the young and brave have rushed to the defence of constitutional liberty—for the assured hope that this most causeless and wicked rebellion will be speedily crushed, and an honorable and lasting peace be established upon the basis designed by the fathers of the country—and for the general prosperity of the loyal States of our Union, where commerce, manufactures, and the arts generally, still flourish in all their former vigor, in striking contrast to the sufferings and convulsions of ungenerous foreign powers.

And here, within our own borders, we have reason to be thankful for public tranquility and exemption from the deplorable strifes that rage in some of our sister States; for our freedom from pestilence and epidemic disease; for the prevalence of a charitable and tolerant spirit towards honest difference of opinion; for the return of verdure to our wasted fields and comfort to our late devastated homes; for abundant harvests and increase of flocks; for the rich and constant yield of our mines; for the success of our manufactures, and the various attempts to diversify our industry; for the flourishing condition of our cities and towns; for an increasing interest in our schools and charitable institutions; for the assurance that the era is at hand when will be inaugurated the great desideratum of California, the iron road of the continent, the world, and age; for the numberless blessings of knowledge, civilization, and liberty, and the institutions of religious freedom; for the unmistakable loyalty and generous sentiments of our population, and for the confidence that the blood of the Nation's children is not a vain offering upon the altar of their country, but a priceless gift that will secure untold blessings to the generations that are to follow.

Now, therefore, I, Leland Stanford, Governor of the State of California, do hereby set apart Thursday, the twenty-seventh day of November, A.D. eighteen hundred and sixty-two, as a day of public thanksgiving and prayer; and I earnestly invite all the people of this young and vigorous Commonwealth to appropriate the day to those uses by assembling in their customary places of worship, with acts of devotion and religion, and by engaging in such services as shall fitly attest all the grateful emotions of reverent and thankful hearts, to the end that it may please God to continue to us His favors, renew His mercies, and crown all His goodness with the 'smile of His approbation.'

In testimony whereof I have hereunto set my hand and caused the Great Seal of the State to be affixed, the day and year above written.

LELAND STANFORD, Governor of California.

By the Governor:

WM. H. WEEKS, Secretary of State.

also, four companies of Native Californian Cavalry, all to serve for a period of three years, unless sooner discharged the service, to aid in the enforcement of the laws and the suppression of insurrection;

Therefore, the following is promulgated:

The field, staff, and line officers required will be commissioned by the Governor.
One third of the company officers to be raised under this requisition will be commissioned at the commencement of the organization of the regiment of infantry, and the additional companies and battalion of cavalry, and the remainder when the interests of the service may require.

The seven cavalry companies first mentioned will be attached to the First Cavalry, C. V.
The four companies of native cavalry will be organized as a battalion, and be designated as the First Battalion, Native California Cavalry.
The minimum and maximum strength of a regiment of infantry, and of a company of infantry and cavalry, is hereunto appended.

Now, therefore, I, Leland Stanford, Governor of the State of California, do hereby authorize and call upon citizens of this State, as many as shall be necessary to fill up the preceding requisition, to immediately organize themselves into companies as required hereby.

PROCLAMATION OF THANKSGIVING.

STATE OF CALIFORNIA, EXECUTIVE DEPARTMENT,
Sacramento, November 5th, 1863.

"Let us come before His presence with thanksgiving, and show ourselves glad in Him with Psalms."

In accordance with the Proclamation of the President of the United States, and that the people of our common country may, upon the same occasion, and with the same unanimity of purpose, offer up their grateful Thanksgiving to Him who bestows "every good and perfect gift," I, Leland Stanford, Governor of the State of California, do hereby appoint Thursday, the twenty-sixth day

K
of November, instant, as a day of public thanksgiving to Almighty God, "for the great benefits we have received at His hands" during the year through which we have just passed.

Let us remember on that day, that in calamity, as in prosperity, there is a God above us who holds in the hollow of His hand not only the lives of individuals, but the destinies of nations. Let us remember that it is to Him we must look for guidance in our public affairs, as well as for strength to compass the threatened dangers that surround our beloved country.

While we deplore our condition as a Nation, we have manifold reasons for offering up our united thanksgivings as a community.

Our State, during the past year, has been blessed with prosperity and health. Our farms have yielded of their abundance, and our mines have continued to give up their hidden treasures. We have been free from floods, pestilence, and famine, and, as a State, have known no wide spread calamity. We have enjoyed an unlimited fruitfulness of soil and a genial climate, which we can offer to share with the thousands of other lands who are anxiously seeking new and more peaceful homes.

We are blessed with a generous and sympathising population, whose hearts have been opened to give munificently of their abundance, that the sufferers of sick and wounded patriots of other States may be relieved.

We have had multiplied and renewed evidences of the loyalty of our people, and have by legis- lative, elective, and judicial action, deprived the enemies of our country from entering the perilous wedge of rebellion and dissolution into the cherished institutions of our own favored Commonwealth.

But while we assemble with thankful hearts among the cordial associations of our own happy homes, let us not forget the many desolate households in our sister States, whose altars will be twined with cypress, and whose hearths will be overflowing with devotion, while our own are filled with thanksgivings for the plenteous of Divine protection.

As a Nation, we have been passing through a bitter, trying, and bloody ordeal; but recent events seem to foretell the coming of better and brighter days. And in this we have cause for peculiar thankfulness—and for this and all other mercies vouchsafed to us, let us give to Almighty God our unreserved thanksgivings.

In witness whereof, I have hereunto set my hand, and caused the Great Seal of State to be affixed, the day and year above written.

LELAND STANFORD,
Governor of California.

Low, Governor of the State of California, and Commander-in-Chief of the Militia thereof, do hereby call upon the citizens of this State to organize themselves into companies, sufficient to fill the foregoing requisition.

In witness whereof, I have hereunto set my hand, and caused the Great Seal of the State of California to be affixed. Done at Sacramento, this twenty-fourth day of September, in the year of our Lord one thousand eight hundred and sixty-four.

FRED'K F. LOW,
Governor of California.

Attest: B. B. REDDING, Secretary of State.
F. W. REDDING, Deputy.

The following is hereby promulgated:
The plan of recruiting and organizing the above force will be as follows:

RECRUITING.

It is desirable that the citizens of one county should undertake to fill a company from their locality. A company rendezvous will be established at some central point in the county, and, if
PRACTICABLE, all recruits will be retained there until the company is filled and ready to be mustered into service.

Correct lists will be kept by the Assistant Provost Marshal General of the volunteers and their places of residence, and proper credits will be given to the several counties, and to the districts, into which the counties may be divided, which credits will apply on the quota which may be required of them.

The City and County of San Francisco is hereby set apart for the enlistment of volunteers to fill up the regiments now in the service, and no authorization will be granted for the formation of new companies at that point.

The State has provided by law for the payment of a bounty of one hundred and sixty dollars to each enlisted soldier, and three hundred dollars to each enlisted veteran soldier who shall have served for more than six months in the army of the United States, in addition to the bounties authorized to be paid by the United States. (See Statutes 1863-4, p. 488.)

Five dollars per month while in the service is authorized to be paid by the State in addition to the pay, clothing, and allowances paid by the United States. (See Statutes 1863, p. 662.)

The additional regiment of infantry will be known as the Seventh Infantry, California Volunteers.

The field, staff, and line officers will be commissioned by the Governor. Commissions will be issued to company officers, conditioned that they shall recruit their respective companies, and be ready to be mustered into the service on or before the tenth of November next.

ORGANIZATION.

The proper organization and strength of a regiment of infantry is as follows:

One (1) Colonel, one (1) Lieutenant-Colonel, one (1) Major, one (1) Adjutant—an extra Lieutenant—one (1) Quartermaster—an extra Lieutenant—one (1) Surgeon, two (2) Assistant Surgeons, one (1) Chaplain, one (1) Sergeant-Major, one (1) Regimental Quartermaster-Sergeant, one (1) Regimental Commissary-Sergeant, and one (1) Hospital Steward.

Ten companies form a regiment.

Company of Infantry,—one (1) Captain, one (1) First Lieutenant, one (1) Second Lieutenant, one (1) First Sergeant, four (4) Sergeants, eight (8) Corporals, two (2) Musicians; one (1) Wagoner, sixty-four (64) Privates, minimum; and (32) eighty-two Privates, maximum, besides the non-commissioned officers.

The law does not authorize musicians for companies, but regulations allow the enlistment of two musicians to each company, who will be rated and paid as privates.

PROCLAMATION.

By His Excellency, Fard'k E. Low, Governor of California:

"Offer unto God thanksgiving; and pay thy vows unto the Most High."

In accordance with the usage which has hitherto prevailed in this State, and in conformity with the recommendation of the President of the United States, I do hereby appoint Thursday, the twenty-fourth day of November, instant, as a day of public thanksgiving and praise to Almighty God; and I do enjoin upon the people of this State that, on the day thus set apart, they rest from all secular labor and assemble in their customary places of worship, and with devout hearts acknowledge His exalted goodness, His loving kindness, and His tender mercies.

Let us thank Him for the measure of health and prosperity that everywhere exists throughout our State; that although the earth has not yielded up its fruits, and the mountains have not sent forth their treasures as in years past, yet want has been kept far from our own doors, and comparative abundance blesses our people; that, as a Nation, we have been smothered by a cruel war, with all the suffering, sorrow, and death which follows in its train; yet within our State the wicked schemes of bad men have been frustrated, and peace reigns within our borders.

Let us thank Him for the great and signal victories that have attended the arms of the Republic both on land and sea during the past year, for the occupation by our army and navy of so many strongholds of the insurgents, for the unity of purpose which is everywhere apparent, that must result in a complete triumph of Liberty, Humanity, and Justice, over treason, anarchy, and barbarism. And above all, let us rejoice at the prospect of an honorable and lasting peace, based upon national unity and obedience to constitutional law.

And, as we gather around the festive board, let us not forget the poor and the needy, or those who are sick or afflicted in our midst; let the wants of the poor be supplied from our abundance, and the sounds of the sick be heard up in the oil and wine with which our hearts overflow.

And while offering up thanksgivings for the successes that have attended our arms, let us not forget the sick and wounded heroes through whose agency God hath given us the victory; let the
beneficent charities which have for their object the relief of these noble men be sustained, and their treasuries filled to overflowing by the free-will offerings of a grateful people.

In witness whereof, I have hereunto set my hand and caused the Great Seal of State to be affixed, at Sacramento, this seventh day of November, A. D. eighteen hundred and sixty-four.

FRED'K F. LOW,
Governor of California.

The law does not authorize musicians for companies, but regulations allow the enlistment of two musicians to each company, who will be rated and paid as privates.
A PROCLAMATION.

By Fred'k F. Low, Governor of the State of California:

"I humbled my soul with fasting, and my prayer returned into mine own bosom."

"I beheld myself as though he had been my friend or brother."

When calamity and sorrow visit us, it is becoming that we should bow before the Lord in humility, and ask for Divine guidance in our trials, and wisdom to understand His chastenings. We, as a people, are afflicted by the untimely death of him who was the friend and guardian of the nation; and it is meet that we should come before God with fasting and prayer, and ask His divine protection and support in this our time of need.

Therefore, in accordance with the proclamation of the President of the United States, and in obedience to the earnest desires of a sorrowful people, I do appoint Thursday, the first of June next, as a day of fasting, humiliation, and prayer; and I do enjoin upon the people of this State that, laying aside all secular employment, they assemble in their accustomed places of worship on that day, and with penitent hearts bow before Almighty God, confess their sins as individuals and as a people, and humbly pray that the Great Ruler of the Universe may sanctify the Nation's loss to its ultimate good.

Let us implore His blessing upon those who are in authority, that they may have the strength to bear the burdens imposed upon them, that they may see the path of duty clearly, and taking counsel of "him that has gone before," have the courage to sustain the right and oppose the wrong.

Let us entreat His blessing upon our Army and Navy, through whose labors, sufferings, and sacrifices, the life of the Nation has been saved.

Let us supplicate Him that He may comfort and preserve the thousands of brave men now languishing in our hospitals, and speedily restore them in health to their homes, to receive a Nation's homage and gratitude.

Let us invoke His fostering care to sustain the widow and the fatherless, who mourn the loss of their earthly protectors, fallen in the shock of battle.

Let us seek His blessing upon our State, and pray that He will enable us to preserve peace and good order within our borders.

And, finally, let us pray that the year may be crowned with a peace that will last forever; that the industry of the country may be restored again to its accustomed channels; that Liberty may be firmly established throughout the land, and prosperity be the lot of a united and happy people.

In witness whereof, I have hereunto set my hand and caused the Great Seal of State to be affixed, this eighth day of May, A. D. one thousand eight hundred and sixty-five.

FRED'K F. LOW.

Attest: B. B. Redding, Secretary of State.

THANKSGIVING PROCLAMATION.

By His Excellency, Fred'k F. Low, Governor of California:

"Enter into His gates with thanksgiving, and into His courts with praise."

In obedience to the time-honored belief of our fathers, that States as well as individuals should publicly acknowledge the supremacy of divine power, and in accordance with the recommendation of the President of the United States, I do hereby appoint Thursday, the seventh day of December next, as a day when the people of California may unite with the people of her sister States in public thanksgivings to the Great Ruler of the Universe.

Let that day be set apart throughout our borders for religious exercises in our churches, and social festivities in our homes; for upon no occasion since the foundation of the Republic has there been so much reason to recognize the hand of God in our concerns.

While other lands have been scourged with epidemic diseases, we have enjoyed during the year the unmeasured blessings of health.

Our schools and seminaries of learning are in a flourishing condition.

Our mines are still yielding of their abundance; our harvests have been plenteous; and all our industrial pursuits have prospered in an unusual degree.
PROCLAMATIONS.

But, above all, and more than all, we have reason to rejoice that peace has been restored to our beloved country. The deluge of blood through which for four years the Nation's flag was carried has been stayed by an Almighty hand. The black cloud of war and desolation has been lifted, and Victory appears inscribed in letters of living light upon its silver lining to gladden the hearts of an earnest, humane, and Christian people.

The war for the Union has culminated in the triumph of liberal principles, and the complete vindication of constitutional authority. Slavery has been destroyed in the conflict of arms, and under the blessing of God the Republic is once more united upon the basis of equal and exact justice to all its citizens.

Let us then mingle with our thanksgivings such acts of kindness to the friendless, and such words of sympathy to those who may be in distress, as shall testify an humble and grateful spirit in the midst of our boundless blessings.

In witness whereof, I have hereunto set my hand and caused the Great Seal of State to be affixed, at Sacramento, this tenth day of November, A. D. eighteen hundred and sixty-five.

Governor of California.

SEC. 3. For all the purposes of this Act, the road districts as now established shall be the road districts within the meaning
of this law, and they may be changed or new ones created by the Board of Supervisors of said county at any time when considered necessary.

Sec. 4. employed by him who are liable to pay road poll tax, and if it shall
appear, upon such statement being made, that such employer

amount equal to said tax due by him, the Master may demand
payment of said taxes from such employer, and if such employer
refuse or neglect to pay the same, the said Master, in his own

Sec. 11. Any Road Master failing or refusing to perform any of the duties prescribed by this Act, besides being liable to be removed, shall be deemed guilty of a misdemeanor, and on conviction thereof, shall be fined in any sum not exceeding two hundred dollars, and for which fine his official bond shall be liable, and when collected, said fine shall be paid into the Road Fund of the county.

Sec. 12. Any person or persons who shall obstruct any public highway, either by placing an obstruction thereon, or by digging a ditch, or by deepening the waters of any stream, and not bridge the same the full width of the road within twelve hours, or sooner if possible, by placing good and substantial timbers across the same, not exceeding six feet apart, and planking the
same with plank not less than three inches in thickness, unless permission shall have been granted by the Road Master of the district to build the bridge of a less size, but in no case to be less than sixteen feet in width, shall be liable to a prosecution for a misdemeanor, and it shall be the duty of the Road Master of the district to prosecute for such offence on behalf of the county; and the party offending, on conviction, shall be liable to a fine of not less than ten nor more than two hundred dollars, with costs of suit, to be collected as other fines, and he shall be further liable, at the suit of the Road Master of the district, in the sum of five dollars for each day that such obstruction remains after being notified to remove or remedy the same. And whenever any public highway shall be washed away, or injured by the breaking of any water ditch or canal, the owner thereof shall be liable for all damages occasioned to said road by said breaking, and it is made the duty of the Road Master in the district to prosecute said owners for all such damages; and all moneys collected under the provisions of this section shall be paid into the Road Fund of the county.

Sec. 4. The Road Overseers shall cause the public highways and trails within their respective districts to be repaired as early as practicable in the season, and to be kept clear from obstructions and in good repair, causing banks to be graded, bridges and causeways to be constructed, when the same may be necessary, to keep the same in repair, to renew the same when destroyed, and to open new roads when ordered by the Board of Supervisors.

The Road overseers shall settle yearly with the auditor, to wit: on the first Monday in February each year; and all road receipts returned by them to the auditor shall be deducted from the amount issued to each overseer as aforesaid; and the overseer shall account to the board of supervisors at their annual settlement, for all receipts not returned by them, and for all moneys received by them from the board of supervisors belonging to their respective road districts.

Sec. 8. Every male resident of Sierra county over twenty-one and under fifty-five years of age shall be required to perform annually, either in person or by substitute, two days labor on the highways or trails of their respective road districts, which labor shall be performed at any time during the year when required by the road overseer, or in default of performing said labor, shall pay to the road overseer of his district the sum of three dollars, in United States gold or silver coin, for the benefit of the public highways and trails of his district. Sec. 9. Road overseers shall give, at least three days notice in writing to each person, residents of his district, subject to road tax, to appear on a certain day and hour named, and at a certain place in his district, with the necessary tools, to do and perform the labor required of him by section eight of this act; and any person thus notified who shall fail to appear, either in person or by substitute, at the day, hour, and place designated in said notice, or who, appearing, shall refuse to perform the labor required of him, shall be considered as a delinquent, and shall be proceeded against as such, and the road overseer shall proceed to collect of him in money the sum of three dollars, in manner and form as hereinafter provided; provided, that nothing herein contained shall be so construed as to prevent the road overseer from accepting labor at any time from the delinquent if he shall deem the same advisable. Any person who shall have been prevented by sickness from appearing pursuant to notice, and who shall present to the road overseer of his district a certificate from a practising physician, or three respectable citizens of his district, certifying to his disability to perform the required labor, shall not be liable as a delinquent under the provisions of this act.

If the person on whom the garnishment is served should neglect or refuse to pay to the Road Overseer the sum demanded of him within three days after receiving said notice, the Road Overseer shall apply to any Justice of the Peace of his township for an order requiring said person so served as aforesaid to be and appear before him forthwith, or on a certain day named in said order, to answer under oath concerning any moneys, credits, or effects in his hands, belonging to the delinquent. The Justice of the Peace shall enter in his docket a judgment against the party thus examined for the sum of six dollars and costs, three dollars of which shall be paid to the Road Overseer and applied by him upon the construction and repairs of the highways and trails in his district, and three dollars to the Road Overseer for his services. Upon receiving the said sum of six dollars, the Overseer shall execute a receipt for the sum of three dollars, signed by the Auditor, and a receipt for the remainder, signed by himself. The judgment rendered against the person served with garnishment shall be collected in the same manner as other judgments in Justices' Courts, and shall be a legal offset against the delinquent in favor of the judgment debtor.

CHAP. CV.—An Act to authorize the Town of Grass Valley to contract a debt and to issue bonds for the construction of Waterworks to supply said town with water.

[Approved February 14, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. The Town of Grass Valley is hereby authorized and empowered to contract a debt or debts, and to borrow money, on the faith and credit of the town, for the purpose of constructing a system of waterworks, and for supplying said town with water; provided, that the whole amount of such debts or moneys borrowed in the aggregate shall not exceed the sum of twenty-five thousand dollars, exclusive of interest.

Sec. 2. The Board of Trustees of the Town of Grass Valley are hereby constituted a Board of Water Fund Commissioners for said town, and as such they and their successors in office shall be and are hereby empowered to perform the duties hereinafter enumerated to carry into effect the provisions of this Act.

Sec. 3. The said Board of Commissioners shall cause to be prepared, and shall have power to issue on behalf of said town, bonds of the denominations of fifty dollars, one hundred dollars, and five hundred dollars each, with coupons for interest attached, bearing interest at the rate of ten per cent per annum, payable in gold and silver coin; which bonds shall be made payable at the Treasurer’s office of said town on the first day of January, one thousand eight hundred and seventy-six; and the interest on the same shall be made payable by the Treasurer of said town semi-annually, on the first day of the months of January and July in each year, on presentation of the coupons therefor as the same becomes due; provided, that the first payment of interest shall be made on the first day of January, eighteen hundred and sixty-seven, which payment shall include any fractional portion of interest that may be due on bonds sold prior to the first day of July, eighteen hundred and sixty-six.

Sec. 4. Each of said bonds so issued shall be consecutively numbered for each denomination, and shall be signed by the President and the Clerk of the Board of Commissioners, and shall be authenticated by the corporate seal of the Town of Grass Valley, and shall purport in substance that the said town is indebted to the holder thereof in the sum named therein, payable and bearing interest as aforesaid, and that the faith and credit of the said Town of Grass Valley is pledged for the redemption of the same. The coupons for interest shall also be signed by the President and Clerk of the Board, and shall be consecutively numbered according to the date of payment.

Sec. 5. The Clerk of the Board of Commissioners shall keep a record of all their proceedings, and all bonds that may be issued under this Act, showing the number, date, and amount of each, and to whom issued; and as soon as such bonds can be prepared for issue, the Board of Commissioners herein named shall proceed to sell and dispose of a sufficient number and
amount thereof to provide the moneys necessarily required for the purpose of purchasing water and water rights, purchasing or condemning lands for reservoirs and reservoir sites, purchasing and transportation of water pipe, hydrants, and other materials, and putting the same in place, and for the erection, construction, and finishing of all works and appurtenances requisite for a complete system of waterworks for said town, and for supplying the same with water.

Sec. 6. All sales of bonds shall be made for gold and silver coin of the United States. The moneys derived from the sale of such bonds shall be devoted solely and exclusively to the uses and purposes declared in the foregoing section, and shall be deposited in the Town Treasury when received, and shall be kept as a separate fund, to be designated the "Water Fund," and shall not be used, diverted, appropriated, or disposed of for any other purpose. The moneys so contained in such "Water Fund" shall be drawn from the Treasury only upon the order of the Board of Water Fund Commissioners, signed by the President and countersigned by the Clerk thereof, specifying the purpose for which and the persons to whom the same are made payable.

Sec. 7. The Board of Commissioners may make provision for the payment of interest and the redemption of coupons by the establishment of an agency for that purpose in the City of San Francisco, and may further provide rules and regulations whereby the Tax Collector of said town may be authorized to receive coupons for interest in payment for corporation taxes upon real and personal property assessed during the current year in which coupons shall become payable.

Sec. 8. All sales of bonds shall be made in the following manner: The Board of Commissioners shall cause notices to be published for twenty days in any newspaper published in the Town of Grass Valley, in one newspaper published in Sacramento, and in two newspapers published in the City of San Francisco, inviting sealed proposals for the purchase of said bonds; the notice shall state the time and place of receiving such bids, the amount of bonds to be disposed of, and that bids will be received for one bond or more, naming the lowest amount for which the bonds are issued, and that the payments for the same must be made in gold and silver coin of the United States. Parties proposing to purchase bonds offered as aforesaid must state in writing the amount they propose to purchase, and the rate per centum they propose to pay; provided, that no bid shall be accepted nor any of such bonds shall be sold by the Board at a greater discount than twenty-five cents on the par value thereof.

Sec. 9. At the time specified in the notice for receiving and considering bids, the Board of Commissioners, or a majority of them, shall meet and proceed to open and consider the proposals, and may accept such as propose to purchase such bonds for the smallest discount, as limited in the next preceding section, or may reject all of such bids, and may re-advertise for proposals if sufficient funds be not provided by the acceptance of a portion or all the bids so made. Upon the acceptance of any such bid, the Clerk of the Board shall immediately notify
the bidder thereof, and require him to pay to the Town Treasurer the amount of the purchase money, in gold and silver coin, within ten days thereafter, and upon the payment of such purchase money by the bidder, shall deliver to him the bonds so purchased.

Sec. 10. At any time after the opening, consideration, and acceptance of proposals for the purchase of such bonds, if it shall appear that the whole amount thereof so offered has not been taken, the Board of Commissioners may proceed to sell the remainder, or any portion thereof, at private sale, to such purchasers as may present themselves; provided, that no bonds shall be thus sold at a greater rate of discount than the rate at which any of such bonds were actually bid for, and such bid accepted, under the terms of this Act, at the time such sealed proposals were opened and considered. And in like manner the said Board of Commissioners may issue and sell to any contractor or contractors, or to any creditor of the said "Water Fund," such portion or amount of said bonds as may be agreed upon between the parties, at the rates and upon the terms and conditions hereinafter prescribed for the payment of any debt or current liability incurred or contracted in the prosecution of the works for supplying said town with water, but for no other purpose whatever.

Sec. 11. The necessary expenses of preparing such bonds, advertising, and issuing the same, shall be paid out of any moneys of the general funds in the Treasury of said town.

Sec. 12. For the payment of the principal and interest of the bonds issued by authority of this Act, there shall be levied and collected annually by the corporate authorities of said town, until the final payment and redemption of the said bonds and interest coupons, and in the same manner as the revenue of said town is or may be directed by law to be collected, upon and from all real and personal property taxable within the corporate limits of said town, a tax of one per centum upon each one hundred dollars of valuation of such property; and the moneys derived from this tax shall be set apart and kept separate, in the amount and manner hereinafter provided, from other moneys in the Town Treasury, and shall be designated as the "Redemption Fund," and shall be applied to the payment of the interest accruing on the bonds herein provided for, and for the final redemption of the principal of said bonds.

Sec. 13. On the first Tuesday of every month in the year thereafter, the Board of Trustees of said town shall cause three fourths of all taxes collected and paid into the Treasury for real and personal property of said town to be transferred by the Treasurer from the general funds of said town to the "Redemption Fund," until there shall be in such "Redemption Fund" the sum of two thousand and five hundred dollars, which amount shall in all cases remain, subject only to the demand of parties holding and presenting coupons for interest for the current year; and on the first Tuesday of January of every year the said Board of Trustees shall estimate, as nearly as may be, the cash receipts
and expenditures of the said town for the ensuing six months; and after deducting so much of the cash then in the general funds of the Treasury, which, together with the estimated receipts, may be requisite to pay the ordinary current expenses of the town government for the ensuing six months, shall transfer to the "Redemption Fund," all surplus moneys then in the Town Treasury for the sole purpose of redeeming the bonds issued under this Act.

Sec. 14. Whenever, on the first Tuesday of January, eighteen hundred and sixty-eight, or on the first Tuesday in January of any year thereafter, after the payment of the interest then accrued, and the setting apart of a sufficient amount of such fund for the next semi-annual payment of interest, there shall remain a surplus in such "Redemption Fund" of one thousand dollars or upwards, the Board of Commissioners shall proceed to advertise for thirty days, in the manner prescribed in section eight of this Act, inviting sealed proposals for the surrender of bonds issued under this Act. Such advertisement shall state the amount of money on hand applicable to the redemption of such bonds and that no bid will be received exceeding the par value thereof. The Board of Commissioners shall proceed to open and consider such proposals at the time named in the advertisement, and shall accept such proposals, at rates not exceeding the par value, as may redeem the greatest amount of bonds, until the amount of cash on hand is exhausted.

Sec. 15. Whenever the said bonds and interest provided for in this Act shall have been redeemed or fully paid at maturity thereof, the tax authorized and levied by this Act shall cease; and all moneys then remaining in the "Redemption Fund" shall be transferred by the Board of Commissioners to the general funds of the Treasury, and may be appropriated to such purpose as the Board of Trustees by ordinance may direct.

Sec. 16. The debt created, and the bonds and coupons for interest issued as evidences of such debt, by virtue of the provisions of this Act, are hereby made and declared to be lien in favor of the holders thereof upon all the taxable property within the corporate limits of said town, which said lien shall be valid and binding in law and equity, and may be enforced by proceedings in any Court of competent jurisdiction; in case of failure or neglect of the corporate authorities of said town to provide ways and means to pay the interest coupons and redeem said bonds at maturity as prescribed in this Act, first: against the property owned by such corporation; and, secondly, if such corporate property prove insufficient to pay the interest and outstanding bonds at any time the same may become due, then pro rata against the individual property of the inhabitants of said town, as the same shall appear listed on the current assessment roll of the County of Nevada in any year in which such proceedings may be commenced, and such liability shall be estimated and calculated by a Commissioner, who shall be appointed by the Court having jurisdiction of the procedure; and no alteration, change, or revocation of the corporate existence of said town, or of the powers, duties, liabilities, or jurisdiction of its corporate authorities, shall in any manner conflict or inter-
fore with, abrogate, or amend the rights of the bondholders, vested and confirmed by this Act.

Sec. 17. It shall be and is hereby declared a felony for any member of the Board of Commissioners named in this Act, or for any other officer of said town, to use, appropriate, or divert any of the moneys mentioned and provided for in this Act to any other purpose than as herein declared; or for the Town Treasurer to pay any order drawn upon such funds for any other purpose than for the construction and completion of a system of waterworks for said town, the payment of interest, and the redemption of bonds; or for any person fraudulently to issue any bond or bonds, coupon or coupons, or to issue, sell, or dispose of the same, otherwise than in the manner hereinbefore provided for; or for any person fraudulently or wrongfully to pay out any of the moneys received into the "Redemption Fund," otherwise than as hereinbefore provided; and if any person shall do to the contrary, he or they shall be prosecuted by indictment, and upon conviction shall be punished by a fine of not less than one thousand dollars nor more than five thousand dollars, and by imprisonment in the State Prison for not less than one year nor more than five years.

Sec. 18. This Act shall take effect immediately upon its passage.

SECTION 1. The present Supervisor Districts of Alpine County shall each constitute a road district therein, and at the next general election, and at the general election every year thereafter, there shall be elected in each of said road districts a Road Overseer, who shall qualify and enter upon the duties of his office on the first Monday in January subsequent to his election. Said Road Overseer shall be a citizen of the road district for which he is elected, and shall reside in said district during his term of office; otherwise said office shall be considered vacant.

The receipts shall be numbered consecutively.

Sec. 5. The County Auditor shall open an account with each Road Overseer, charging him with such receipts as he receives, and crediting him with the money paid into the County Treasury and with the blank receipts returned.

Sec. 6. The County Treasurer shall keep a separate account of the Road Tax Fund of each road district, crediting the money received and charging the warrants paid.

Sec. 7. It shall be the duty of each Road Overseer to procure from the Auditor as many road poll tax receipts as there are inhabitants in his road district liable to pay road poll tax, and he shall visit all such persons during the year and collect from each of them the sum of two dollars in United States gold or silver coin. Upon the payment of this sum he shall give such person a road poll tax receipt, writing therein with ink the date and name of the person paying, and signing thereto his name.

Sec. 8. Any person liable to pay road poll tax, neglecting or refusing to do so, the Road Overseer may make the same from the personal property of any person so refusing by distress and sale in the same manner that poll taxes are authorized to be collected under an Act entitled an Act to provide revenue for the support of the government of this State, approved May seventeenth, one thousand eight hundred and sixty-one, and the provisions of said Act relating to the collection of poll taxes are hereby made applicable in all respects to the collection of road poll taxes under this Act.

Sec. 14. The building of all public bridges which cost each over fifty dollars in the road district shall be let by contract by the Road Overseer to the lowest responsible bidder, after notice of proposals have been posted in at least three public places in his road district for the term of ten days; and the contract to be binding shall be approved by the Board of Supervisors, who shall receive the bids and before whom they shall be opened. Upon the completion of the contract and the approval of the work by the Road Overseer, he shall certify the account of the contractor to the Board of Supervisors, and upon their approval the Auditor shall draw his warrant in favor of the contractor for the amount on the Treasurer, payable out of the Road Fund of the district.

Fourth—If after such apportionment there shall be any deficiency in any road district in the number of days' work determined by the Commissioner and Board of Supervisors to be performed in such road district the then ensuing year, such deficiency shall be assessed upon the estates, real and personal, of the inhabitants of such road district, and upon each tract or parcel of land, the owner or owners of which are non-residents, according to the last assessment roll.

Fifth—The Commissioner and Board of Supervisors shall affix to the name of each person named in the list aforesaid, and also
to the description of each tract or parcel of land contained in
the list prepared by them of pieces or parcels of land held by
non-resident owners, the number of days which such person or

and the Commissioner and President of the Board of Super-

Clerk of the Board.

Sec. 20. In making the estimate and assessment of the resi-

company or companies, corporation or corporations, previous thereto, and may be served in the manner provided in the Civil Practice Act of this State; and in case any such penalty cannot be collected as herein provided in a Justice's Court, the Commissioner of Roads and Highways of the county may file a bill in the District Court of the county where such penalty is incurred against any such delinquent money or stock company or corporation, and sequester its property, whereupon the same proceedings shall be had as are provided by law for the collection of State and county taxes assessed against incorporated companies, and the Court shall possess the like powers in respect to the same; and the said Commissioner may also recover such penalties or any number of them that may have been incurred, with costs, from such delinquent money or stock company or companies, corporation or corporations.

Sec. 24. Whenever the Assessor of the county shall have omitted to assess any inhabitant or property in any road district in the county, the Commissioner of Roads and Highways and the Board of Supervisors, sitting for that purpose, shall assess the persons and property so omitted, and shall apportion highway labor upon such persons or property in the same manner as if they had been duly assessed upon the last assessment roll.

Sec. 25. The Clerk of the Board of Supervisors shall make out a copy of the separate lists of each road district within the county, which copies of lists shall be certified by him and delivered to the Commissioner of Roads and Highways; and the Commissioner shall also subscribe the same and deliver to the respective Road Overseers such copies of lists, to be used in the respective road districts where such labor is assessed.

Sec. 26. The names of persons left out of any such list, and of new inhabitants, shall be added from time to time to the several lists by the Commissioner and the Board of Supervisors at any regular or special meeting of the Board, and they shall be rated by the Commissioner and Board of Supervisors in proportion to their real and personal estate, to work on the highways as others rated on such lists.

Sec. 27. It shall be the duty of Overseers of Road Districts, with the consent of the Commissioner, to credit such persons as live on private roads and work the same, so much on account of their assessments as such Overseer may deem necessary to work such private road, or to annex, with the consent of the Commissioner, such private roads to some highway district.

Sec. 28. Whenever the Commissioner and Board of Supervisors shall assess the occupant for any land not owned by such occupant, they shall distinguish in their assessment lists the amount charged upon such land from the personal tax, if any, of the occupant thereof; but when any such land shall be assessed in the name of the occupant, the owner thereof shall not be assessed during the same year to work on the highways on account of the same land.

Sec. 29. Whenever a tenant of any land for a term less than ten years shall be assessed to work on the highways for such land, pursuant to the provisions of this Act, and shall actually perform such work or commute therefor, he shall be entitled to
a deduction from the rent due or to become due from him for such land, equal to the full amount of such assessment, estimating the same at the rate of two dollars per day, unless otherwise provided for by covenant or agreement between such tenant and his landlord.

Sec. 30. It shall be lawful for the inhabitants residing in any road district in said county to grade, gravel, or plank the road or roads in such district by anticipating the highway labor of such road district for one or more years, and applying it to the immediate construction of such plank or gravel road; and after the completion of such plank or gravel road, the said inhabitants shall be exempted from the labor so anticipated and applied, except so far as their labor may be necessary to keep their said road or roads in repair; provided, however, the Commissioner shall assent thereto in writing, and file such written assent in the office of the Clerk of the Board of Supervisors.

Sec. 31. It shall be the duty of Overseers of Roads to give, at least two days notice to all persons assessed to work on the highways, and residing within the limits of their respective districts, of the time and place when and where they are to appear for that purpose, and with what implements; but no person being of the district shall be required to work on any highway other than in the district in which he resides, unless he shall elect to work in some district where he has any lands, and in such case he may, with the approbation of the Commissioner of Roads and Highways, apply the work assessed in respect to such land in the district where the same is situated.

Sec. 32. It shall be the duty of the several Overseers of Roads and Highways to notify the agent of every non-resident landholder whose lands are assessed, (if such agent reside in the district,) of the number of days such non-resident is assessed, and of the time when and the place where the labor is to be performed, which notice shall be given at least five days previous to the time appointed.

Sec. 33. If the Overseer cannot ascertain that such non-resident has an agent within such district, he shall post a written notice in the most public place in his district, containing a list of the names of such non-residents, when known, and a description of the tracts of land comprised in his list, together with the number of days labor assessed on each tract, and a specification of the time when and place where such labor is to be performed; which notice shall be posted at least twenty days before the time appointed for performing such labor.

Sec. 34. Every person liable to work on the highways shall work the whole number of days for which he shall have been assessed; but every such person, other than an Overseer, may elect to commute for the same, or for some part thereof, at the rate of two dollars per day for each day; in which case such commutation money shall be paid to the Overseer of the road district in which the person commuting shall reside, to be applied and expended by such Overseer in the improvement of the roads and bridges in the same district, under the direction of the Commissioner of Roads and Highways.

Sec. 35. Every person intending to commute for his assessment, or for any part thereof, shall, within twenty-four hours
after he shall be notified to appear and work on the highways, pay the commutation money for the work required of him by such notice, and the commutation shall not be considered as complete until such money be paid.

Sec. 36. Every Overseer of Roads and Highways shall have power to require a team or a cart, wagon, or plough, with a pair of horses or oxen, and a man to manage them, from any person having the same within his district who shall have been assessed three days or more, and who shall not have commuted for his assessment; and the person furnishing the same upon such requisition shall be entitled to a credit of three days for each day’s service therewith.

Substitute.

Sec. 37. Every person assessed to work on the highways, and warned to work, may appear in person or by an able bodied man as a substitute, and the person or substitute so appearing shall actually work eight hours in each day, under the penalty of fifty cents for every hour such person or substitute shall be in default, to be imposed as a fine on the person assessed.

Penalties.

Sec. 38. If any such person or his substitute shall, after appearing, remain idle, or not work faithfully, or hinder others from working, such offender shall for every offence forfeit the sum of four dollars.

Sec. 39. Every person so assessed and duly notified, who shall not commute, and who shall refuse or neglect to appear as provided in this Act, shall forfeit for every day’s refusal or neglect the sum of four dollars. If he was required to furnish a team, cart, wagon, man, or implements, and shall refuse or neglect to comply, he shall be fined as follows:

First—For wholly omitting to comply with such requisition, six dollars for each day;

Second—For omitting to furnish a cart, wagon, or plough, four dollars for each day;

Third—For omitting to furnish a pair of horses or oxen, four dollars for each day;

Fourth—For omitting to furnish a man to manage the team, two dollars for each day.

Complaint.

Sec. 40. It shall be the duty of every Overseer of Roads and Highways, within thirty days after any person so assessed and notified shall be guilty of any refusal or neglect for which a penalty or fine is prescribed in this Act, unless a satisfactory excuse shall be rendered to him for such refusal or neglect, to make complaint on oath to any of the Justices of the Peace of the township.

Summons.

Sec. 41. The Justice to whom such complaint shall be made shall forthwith issue a summons, directed to any Constable of the county, requiring him to summon such delinquent to appear forthwith before such Justice, at some place to be specified in the summons, to show cause why he should not be fined according to law for such refusal or neglect, which summons shall be served as provided by law in other cases.

Levy.

Sec. 42. If, upon the return of such summons, no sufficient cause shall be shown to the contrary, the Justice shall impose such fine as is provided in this Act for the offence complained of, and shall forthwith issue a warrant under his hand and seal, directed to any Constable of the county, commanding him to
SIXTEENTH SESSION.

 Levy such fine; with the costs of the proceedings, of the goods and chattels of such delinquent.

Sec. 43. The Constable to whom such warrant shall be directed shall forthwith collect the moneys therein mentioned. He shall pay the fine, when collected, to the Justice of the Peace who issued the warrant, who is hereby required to pay the same to the Overseer who entered the complaint, to be by him expended in improving the roads and bridges in the district of which he is Overseer, under the direction of the Commissioner of Roads and Highways.

Sec. 44. Every penalty collected for a refusal or neglect to appear and work on the highways, shall be set off against the assessment upon which it was founded, estimating every two dollars collected as a satisfaction for one day's work.

Sec. 45. The acceptance by an Overseer of any excuse for refusal or neglect, shall not in any case exempt the person excused from commuting for or working the whole number of days for which he shall have been assessed during the year.

Sec. 46. Every Overseer of Roads and Highways shall, on or before the first day of January of each year, make out and file with the Clerk of the Board of Supervisors of the county a list of all the lands of non-residents and of persons unknown which were taxed on his lists on which the labor assessed by the Commissioner and Board of Supervisors has not been paid, and the amount of labor unpaid; and the said Overseer, previous to delivering or filing such list, shall make and subscribe an affidavit thereon before some Justice of the Peace of his county that he has given the notice required by the thirty-second section of this Act, and that the labor for which such land is returned has not been performed.

Sec. 47. If any Overseer shall refuse or neglect to file such list with the Clerk of the Board of Supervisors as prescribed in the last preceding section, or shall refuse or neglect to make the affidavit therein directed, he shall for every such offence forfeit the sum of twenty dollars, and also the amount of tax or taxes for labor remaining unpaid at the rate of two dollars for each day, to be recovered by the Commissioner of Roads and Highways of the county, and to be applied by him in making and improving the roads and bridges in the road district to which such labor is due.

Sec. 48. It shall be the duty of the Clerk of the Board of Supervisors to receive and file the lists of the Overseers of Roads and Highways when delivered pursuant to the preceding sections of this Act, and to lay the same before the Board of Supervisors of the county at their first regular or called meeting thereafter.

Sec. 49. It shall be the duty of the Commissioner of Roads and Highways, with the consent of the Board of Supervisors, to be made known at their next regular or called meeting, forthwith to commence and prosecute civil actions in any Court of competent jurisdiction in his county for the amount of all such arrearages of labor, (estimating a day's labor at two dollars,) in his own name, and to enforce payment of any and all judgments in such cases in the same manner as is provided by the Civil
Practice Act of this State, which said Civil Practice Act is hereby made applicable to actions commenced or prosecuted by the Commissioner under the provisions of this section, so far as the same is applicable thereto and not inconsistent with the provisions of this Act; and, provided, the provisions of section four of said Civil Practice Act shall not be a bar to the commencement and prosecution of such actions in the name of said Commissioner; and all money except costs collected under the provisions of this section shall be applied by the said Commissioner to the construction and improvement of the roads and bridges in the road district for the benefit of which the labor was originally assessed.

Sec. 50. Every Overseer of Roads and Highways shall, on the third Monday of December of each year, render to the Commissioner of Roads and Highways an account in writing, verified by his oath, and containing:

First—The names of all persons assessed to work on the highways in the district of which he is Overseer;

Second—The names of all those who have actually worked on the highways, with the number of days they have so worked;

Third—The names of all those who have been fined, and the sums in which they have been fined;

Fourth—The names of all those who have commuted, and the manner in which the moneys arising from fines and commutations have been expended by him;

Fifth—A list of all lands which he has returned to the Clerk of the Board of Supervisors for the non-payment of taxes, and the amount of taxes on each tract of land so returned.

Sec. 51. Every such Overseer shall also then and there pay to the Commissioner all moneys remaining in his hands unexpended, to be applied by the Commissioner in making and improving the roads and bridges in the road district for which such money was paid or collected.

Sec. 52. If any Overseer shall refuse or neglect to render such account, or if, having rendered the same, he shall refuse or neglect to pay any balance which may then be due from him, he shall for every such offence forfeit the sum of fifty dollars, to be recovered with the balance of money remaining in his hands by the Commissioner of Highways of the county, and to be applied in the making and improving the roads and bridges in the road district of the Overseer from whom the same shall have been collected. It shall be the duty of the Commissioner of Roads and Highways to prosecute for such penalty in every instance in which no return is made.

Sec. 53. Whenever it shall appear from the annual return of any Overseer of Highways, made in pursuance of this Act, that any person who was assessed to work on the highways, (other than non-residents,) has neglected to work the whole number of days to him assessed, and has not commuted for or otherwise satisfied such deficiency, then it shall be the duty of the Commissioner and Board of Supervisors to re-assess such deficiency to the person so delinquent at the next assessment of work for highway purposes, and to add to it his annual assessment. Such re-assessment shall not exonerate any Overseer of Highways.
from any penalty which he may have incurred under section fifty-two of this Act.

Sec. 54. Every person liable to be assessed for highway labor may apply to the Commissioner of Roads and Highways of the county to alter, discontinue, or to lay out any road, or lay out and establish any new road affecting the lands of such person. Every such application shall be in writing, addressed to the Commissioner, and signed by the person applying.

Sec. 55. Whenever the Commissioner of Highways and Board of Supervisors shall lay out, alter, or discontinue any road or highway, either upon application to the Commissioner or otherwise, they shall cause a survey to be made of such road, and shall incorporate such survey in an order, to be made by and entered in the minutes of the Board of Supervisors, and showing the date of making such order; such survey, in all cases, to be of the centre of the road only, unless otherwise expressly required by order of the Board of Supervisors, and the order of the Board of Supervisors in all cases to specify the width of the road or highway.

Sec. 56. No public or private road shall be laid out through any orchard or garden without the consent of the owner thereof, if such orchard be of a growth of four years or more before the laying out of such road, nor through any buildings, fixtures, or erections for the purposes of mining, or trade, or manufactures, nor through any yards or enclosures necessary to the use or enjoyment thereof, nor through any inclosed, improved, or cultivated lands, without the consent of the owner and occupant thereof, except in the manner hereinafter provided.

Sec. 57. Every person who shall apply for the laying out of a highway through any such land, shall cause notices in writing to be posted up at three of the most public places in the road district where such land is situate at least twenty days before the meeting of the freeholders hereinafter provided for, and specifying as near as may be the route of the proposed highway, the several tracts of land through which the same is proposed to be laid, and shall also specify the time and place at which the freeholders and Commissioner will meet to examine the ground.

Sec. 58. If twelve freeholders of good repute of the road district through which the road is to be laid, not of kin to the owner thereof, nor interested in the lands through which the road is to be laid, and the Commissioner of Roads and Highways, shall appear at the time and place specified in the notice, the freeholders shall then be sworn by any officer authorized to administer oaths well and truly to examine and certify in regard to the necessity and propriety of the highway applied for, and the amount of damage which each owner and occupant will sustain by reason of the laying out such road or highway.

Sec. 59. The said Commissioner and freeholders shall then personally examine the route of such highway, and shall hear any reasons that may be offered for or against laying out the same. If they shall be of opinion that such highway is necessary and proper, they shall make and subscribe a certificate in writing to that effect, which shall be delivered to the Commissioner of Highways, and showing the amounts of damages awarded and found by them for each claimant, and the assent to
or rejection of such awards of damages by each of such claimants thereof.

Sec. 60. Before the Board of Supervisors and Commissioner shall determine to lay out the road or highway so applied for and certified, they shall cause notice in writing to be given to the owners and occupants of the land through which the road or highway is to run who have not assented to the damages awarded by the freeholders of the time and place at which they will meet to decide on the application. The notice shall be served by delivering the same to such owner or occupant, or, if the owner or occupant be absent, by leaving the same at his or her dwelling house, with some one of proper age and discretion, at least ten days before the time of meeting.

Sec. 61. Whenever the owner of such lands, or any one owning an interest therein, resides without the county, such notice shall be given by publication in some newspaper published in the county, by insertion therein at least three consecutive weeks immediately preceding the date of meeting; such newspaper to be designated by the Commissioner, and most likely to be noticed by such owner, or his or her agent.

Sec. 62. The Board of Supervisors and the Commissioner shall meet at the time specified in the notice and shall bear any reasons that may be offered for or against laying out the highway or road. If they shall determine to lay out such road or highway, they shall make out and subscribe a certificate of such determination, describing the road so laid out particularly by metes and bounds, and by its course and distance, and shall have the same filed with the Clerk of the Board.

Sec. 63. The damages sustained by reason of the laying out and opening of such road or highway may be ascertained by the agreement of the owner or occupant and the Board of Supervisors and Commissioner at such meeting; provided, such damages do not exceed five hundred dollars to any one claimant; and, unless such agreement be made, or the owner of such land shall in writing release all claim to damages, the same shall be assessed as hereinbefore provided before such road or highway shall be opened or worked or used. Every such agreement or release shall be filed with the Clerk of the Board of Supervisors, and shall forever preclude such owner from all further claim for damages.

Sec. 64. Whenever the claimant and Board of Supervisors fail to agree in accordance with the provisions of section sixty-three of this Act, and the claimant of damages refuse or neglect, for the space of twenty days after award to him by the Board, to file in the office of the Clerk of the Board of Supervisors his written consent to the opening and establishing of such proposed highway or road, and acceptance of the damages so awarded him by the Board of Supervisors, it shall be the duty of the Commissioner of Roads and Highways, within forty days after failure to agree, to commence an action in the District Court for the county where such lands are situate against the owner or occupant, setting forth the public necessity and demand for the use of the lands sought to be appropriated for public use, with an accurate description of such lands, and the actual damage, as near as may be, which will be sustained by the
defendant if such road or highway should be established and
opened for public use; the complaint in such action shall also
set forth the facts of disagreement on the amount of damages
before the Board, and the refusal and neglect of the defendant
for the space of twenty days to file with the Clerk of the Board
of Supervisors the written consent to the establishment and
opening of such highway or road hereinbefore provided for, and
the amount awarded or offered to him by the Board.

Sec. 65. Such action shall be commenced and prosecuted to
final judgment in the name of the Commissioner of Roads and
Highways, anything in any other Act to the contrary notwith-
standing; and all costs and fees accruing under the provisions
of this Act against the Commissioner shall be a charge against
the Road Fund of the county, and shall be allowed and paid in
the same manner as other demands against the Road Fund of
the county, unless the defendant in such action shall fail to
recover in such action a greater amount of damages than was
awarded or offered to him by the Board, in which case the costs
and fees shall be taxed against the defendant, and shall be first
paid out of the damages recovered in such action by the defen-
dant, if sufficient for that purpose, but if insufficient, then judg-
ment and execution against the defendant, as in other actions
at law.

Sec. 66. The Court shall have power in such actions, by the
intervention of a jury, to assess and award the amount of
damages to be sustained by the defendant, and to condemn the
lands, and to declare, establish, and open the highway upon the
payment to the defendant of the damages justly due him, under
the judgment of the Court, according to the right; and in case
of refusal of the defendant to accept or receive the amount so
 adjudged to him by the Court, when offered by the Commissi-
oner, a tender of the amount in coin shall be equivalent to
 payment.

Sec. 67. All judgments rendered in the District Court under
judgment the provisions of this Act may be enforced in the same manner
as judgments in other civil actions; but all writs issued upon
judgments rendered in the District Court condemning land
for public use, shall direct and authorize the Sheriff of the
county to put the Commissioner of Roads and Highways into
possession of the land, particularly describing it, and the Sheriff
shall have all the powers and authority to enforce such writs as
are now conferred on him by law for the execution and enforce-
ment of writs in civil cases.

Sec. 68. The District Attorney shall act as the attorney and
counsel of the Commissioner in cases arising under the pro-
visions of this Act, and shall be entitled to a fee of twenty
dollars for each case tried in the District Court, and such addi-
tional fee for trial of cases on appeal to the Supreme Court as
the Board of Supervisors may by contract agree to pay him,
not to exceed the sum of one hundred dollars in any one case;
one half of the fee allowed for trial in the District Court in all
cases to be a charge against and allowed and paid out of the
Road Fund of the county as other demands against it, and the
other half of such fee to be taxed as costs against the defendant
in all cases where the judgment in his favor is for no
greater amount of damages than was awarded to him by the Board of Supervisors and Commissioner, otherwise the whole fee shall be allowed the District Attorney out of the Road Fund.

Sec. 69. In all cases where the defendant in such action recovers more damage than was awarded to him by the Board and Commissioner, the cost shall be taxed against the Commissioner, and shall be paid out of the County Road Fund, the same as other demands against said fund.

Sec. 70. Whenever damages are awarded to the defendant by the judgment of the District Court, the amount thereof shall be drawn from the County Treasurer by the Commissioner upon the order of the Board of Supervisors, in like manner as other moneys, and shall be by him paid to the defendant, deducting in proper cases the fees and costs; and in case the defendant refuse to receive the amount so awarded to him when tendered, the Commissioner shall forthwith return the amount to which the defendant would be entitled to the Treasurer, and take duplicate receipts for the same, and deposit one of such receipts with the Auditor, who shall thereupon file the same, and charge the amount thereof to the Treasurer, who shall place the same in the County Road Fund; provided, the same may, upon the order of the Board of Supervisors, be paid to the defendant entitled thereto at any time within six months after such deposit, otherwise it shall become a part of the County Road Fund.

Sec. 71. Until the general election in the year one thousand eight hundred and sixty-seven, the Board of Supervisors of said county shall have power, and it is hereby made their duty, to designate and appoint some suitable person to the office of Commissioner of Roads and Highways, who shall give bonds and qualify before entering upon the duties of his office in the same manner as though he was elected under the provisions of this Act, and shall be subject to the same liabilities, duties, and responsibilities, and shall hold his office until his successor is elected and qualified.

Sec. 72. The Commissioner of Roads and Highways shall receive an annual salary of one thousand dollars, to be paid out of the Road Fund of the county in quarterly instalments, in the same manner that other county officers are paid.

Sec. 73. The Board of Supervisors shall, prior to the first Monday of March, one thousand eight hundred and sixty-six, and annually on the first Monday of each year thereafter, levy a tax of not less than one nor more than four tenths of one per cent on all the taxable property within the county, which tax shall be collected at the same time and in the same manner as State and county taxes, which tax shall be paid into and constitute a County Road Fund; provided, that subsequent to the first Monday in March, one thousand eight hundred and sixty-seven, the Board of Supervisors in their discretion may reduce such tax to such less sum as in their judgment will be sufficient to meet and defray the necessary expense of opening roads and highways within the county, and keeping and maintaining the roads and bridges in repair.

Sec. 74. All Acts and parts of Acts in conflict with the provisions of this Act are hereby repealed.

Sec. 75. This Act shall take effect from and after its passage.

the same notice as is required by law in the case of redemption
of county warrants; and from the date of said notice the bonds
proposed to be redeemed shall cease to draw interest; and if
any of such bonds shall not be presented for redemption within
three months from the date of such notice the County Treasurer

Treasurer shall mark the same, "cancelled" over his signature
and return the same to the County Auditor, in the same manner
as redeemed county warrants, with the interest coupons which
are not then due attached.

Chap. CCXL.—An Act entitled an Act for the establishment, maintenance, and protection of public and private roads in Merced County.

[Approved March 13, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. Any person or persons proposing to apply for the location, alteration, or vacation of any road or highway, shall give notice of such intention by posting three notices thereof in public places in each road district affected thereby, and in the vicinity of the road proposed to be established, changed, or vacated, and one such notice on the door of the room in which the Board of Supervisors hold their regular meetings, at least thirty days previous to the time of making such application, which application shall only be made at a regular meeting of the Board of Supervisors; and in each of such notices shall be set forth specifically the place of beginning, the intermediate points, if any, a general description of the proposed route, the termination of the said road, or the particular portion of said road proposed to be changed or vacated, and the time at which such application will be made to the Board of Supervisors.

Sec. 2. Upon the day specified in any notice of the character described in section one of this Act the person or persons giving such notice shall complete the proposed application by petition to the Board of Supervisors, which petition shall be signed by at least five citizens of the county residing in the vicinity of such road, and contain the same matter set forth in said notices, and shall ask for the appointment of Viewers to view said proposed location, change, or vacation, and the final confirmation and establishment thereof; and the joining of any person in such petition shall be considered as a waiver of all right or claim to any damages arising from the location of any such road through any land owned or claimed by such petitioner, and the final dedication of all lands occupied by such road to the public use as a highway. Proof shall also be made to the Board of Supervisors, by the written affidavit of some competent person, of the age of twenty-one years, of the posting of the notices required in the first section of this Act, and also that all persons owning or claiming land on the proposed route of such road have been notified of such proposed application at least ten days previous to the day specified in the notice; provided, that where the owner or claimant is a minor, idiot, or insane person, notifying the legal guardian of such minor, idiot,
or insane person, shall be sufficient, and shall be set forth in the affidavit. If the owner of any land over which any road is proposed to be located does not reside thereon, or is not personally notified, the person or persons notifying shall cause the notice required in section one of this Act to be served by publication once a week for at least four consecutive weeks, in a newspaper published in the county; and if there be no newspaper in the county, then such service shall be by publication in some newspaper of general circulation in the county, to be designated by the Clerk of the Board of Supervisors by a written order to that effect; and such order, together with a copy of the publication verified by the oath of the publisher, shall be filed with the petition in proof of such notice.

**Sec. 3.** Upon the filing of the petition required in the foregoing section, the petitioners, or some of them, shall enter into a bond, with at least two sufficient sureties, in such sum as the Board of Supervisors shall require, conditioned that the persons making such application will pay into the County Treasury the amount of all costs and expenditures accruing on or in consequence of such application. In case the application or prayer of the petitioners be not granted, and the location, change, or vacation finally confirmed or established, and should such applicants fail to pay such costs or expenditures into the Treasury, according to the tenor of such bond, within two months after such liability shall have accrued, which liability shall accrue upon the denial of the application or prayer of the petitioners, then the Board of Supervisors shall cause such bond to be delivered to the District Attorney of the county, whose duty it shall be to proceed forthwith by suit to collect all sums due by the makers of the bond, according to law.

**Sec. 4.** Any person or persons owning or claiming land through which it is proposed to locate and establish a public highway, and desiring to apply for damages in consequence of such location, shall make application by petition in writing to the Board of Supervisors, on the day on which the application for such location shall be made according to notice, wherein he or they shall set forth the particular road referred to, the amount and character of the land affected thereby, and any other circumstances having relation to the subject of damages upon such land, and all expenditures rendered necessary by reason of such location upon such land; provided, that the legal guardians of minors, idiots, or insane persons, shall be authorized and required to take all the measures in the premises that may be necessary fully to protect their rights. All persons who fail to make application for damages within the time and in the manner specified in this section shall be considered as waiving all rights to damages, and as finally dedicating the land affected by the proposed location or change to the public use as a highway; and their failure so to do shall forever be a bar to any action for damages in any of the Courts of this State.

**Sec. 5.** Upon the filing of a sufficient bond, and proof of the notices required in the first section of this Act, together with the affidavits required in the second section of this Act, at the time specified in said notice, the Board of Supervisors shall appoint as Road Viewers three disinterested citizens of the
county, one of whom shall be a practical surveyor, and shall place in the hands of such Road Viewers the petition of the road which they are to view, together with all applications for damages in the premises, and upon a day named by the Board of Supervisors, or within twenty days after such named day, after first taking an oath to perform faithfully the duties devolving upon them by law as such Road Viewers, they shall proceed to view the proposed location, change, or vacation, and shall decide whether such proposed location, change, or vacation is required for public convenience; and they shall take into consideration private as well as public interests. After the opinion of the Viewers the prayer of the petitioner is reasonable, and the location, change, or vacation necessary to the public, they shall take to their assistance two chainmen, and a marker, who shall be sworn by one of the Road Viewers, who are each hereby authorized to administer all oaths required by this Act, and shall proceed to survey said proposed location, change, or vacation, and shall distinctly mark the commencement, the courses, distances, and the termination of said route; and the Surveyor shall make a plat and field notes of said survey, which shall be filed as a part of the report of said Road Viewers. At or before the first day of the regular meeting of the Board of Supervisors next succeeding that at which the Road Viewers have been appointed as provided in this Act, they shall file with the Clerk of the Board of Supervisors a report of their proceedings in the premises, in which they shall set forth:

First—Who of them were present;
Second—That they were sworn;
Third—Whether such location, change, or vacation is or is not advisable;
Fourth—A plat and field notes of the survey;
Fifth—The expenses of the view and survey;
Sixth—The amount of damages sustained, separately, by each applicant for damages;
Seventh—The width of the road, which shall not exceed sixty feet.

Sec. 6. Upon the first day of the regular meeting of the Board of Supervisors next succeeding that at which the Road Viewers were appointed, the Board of Supervisors shall proceed to consider all the matters touching the original petition for the location, change, or vacation of any road, and all subsequent proceedings had thereon in connection with the report of the Viewers on file, and such evidence as parties interested may introduce touching the same; and if, in their opinion, the public good and convenience require that the proposed location, change, or vacation should be established, they shall confirm the report thereof in whole or in part, as they may deem advisable, and establish said location or change, or as much thereof as they may deem advisable, as a public highway, either absolutely, in which case the damages assessed and the costs which have accrued shall be paid out of the Road Fund, and the Board of Supervisors shall order a warrant drawn accordingly; provided, the Board of Supervisors shall be authorized to pay the same out of the General Fund by especial order made for that purpose; or they may make the establishment conditional, by the payment by the peti-
tioners of all or any part of the damages assessed, or the costs which may have accrued. If in the opinion of the Board of Supervisors the proposed location, change, or vacation is not necessary for the public good, or is not of sufficient importance to warrant the action asked for, they may refuse to confirm the report of the Viewers, and may discontinue proceedings in the premises, and they shall then direct the District Attorney to collect the expenses which may have accrued during the progress of the proceedings had in the premises on the bond provided for in section three of this Act. Whenever any public road is established as contemplated in this Act, it shall be fully, together with all the proceedings had in the premises, carefully entered at length in the book of records of the proceedings of the Board of Supervisors, and also in a book to be kept for that purpose, which shall be called the "Road Record" of the county, and in such book of "Road Record" the Clerk of the Board of Supervisors shall enter at length a complete description of said road. Upon the final establishment of any road, and the payment or securing of the damages finally awarded, the Clerk of the Board of Supervisors shall, within ten days thereafter, notify the Road Master or Road Masters of the district or districts within which said road is situated of the establishment thereof, and to furnish him with a specific description of said road; and it shall be the duty of such Road Master or Road Masters to open said road within thirty days from the reception of such notice, unless there were at the time of locating such road growing crops on the ground affected by such road, in which case it shall be the duty of said Road Master or Road Masters to open such road within thirty days after the harvesting of such crops. And any person or persons resisting any Road Master in the lawful exercise of any duty in opening, changing, or vacating any public road, shall be guilty of a misdemeanor, and for each offense shall be fined in a sum of not less than fifty nor more than one hundred dollars, and all costs, or be imprisoned in the County Jail for a term of not less than fifteen nor more than thirty-three days, or by both such fine and imprisonment. And such fine shall be paid into the Road Fund of the county.

Private roads Sec. 7. Any person or persons desiring to establish a road for private convenience, and which is not intended for the travelling public generally, may do so by the consent of the parties owning land affected thereby; but such consent, together with a specific description of the proposed private road, and the conditions in reference to gates, inclosures, or other matters agreed upon, shall be filed with the Board of Supervisors or their Clerk; and upon the filing of such consent and specific description, such road shall be recorded in the Road Record of the county, and shall become to all intents and purposes a private road for the use of parties interested; provided, that the parties for whose benefit such roads are established shall keep them in repair at their own expense, except that they may by special consent of the Road Master of the district expend the amount of their poll tax upon such private roads; and for such services they shall receive a certificate from the Road Master on the same conditions and for the same purposes as provided for labor on the public roads. Whenever any person or persons wishing to
establish a private road, and from any cause are unable to obtain the consent of the parties owning the lands affected thereby, the same measures shall be taken and the same law shall apply thereto as in the establishment of public roads, except that only one petitioner shall be necessary; and in the assessment of damages the Road Viewers shall contemplate the erection of good and sufficient gates, and such other means of protection as the petitioner or petitioners may propose to erect; and the final establishment of such private road shall be conditioned upon the erection and keeping in repair all such gates or safeguards provided for, and the payment of all such costs as may have accrued or such damages as may be assessed; and that part of this section having reference to labor on private roads and to record after final establishment, shall be applicable in this instance; and every order establishing a private road shall specify the width of such road, which shall not exceed thirty-three feet. If any person or persons claiming damages on the account of the location or change of any road under the provisions of this Act shall be dissatisfied with the award of the Road Viewers, and cannot agree with the Board of Supervisors as to the amount of damages sustained, and shall refuse to receive the same, or a warrant drawn therefor, such person or persons shall, within ten days from the time of final hearing, commence an action against the county by name for such damages in a Court of competent jurisdiction, which action shall be conducted in like manner as other civil actions in Courts of justice in this State, except as hereinafter provided. The complaint shall be in writing, and the summons, with a copy of the complaint, shall be served on the Clerk of the Board of Supervisors; and said Clerk shall notify in writing the President of the Board of Supervisors and the District Attorney of the commencement of such action, which shall be sufficient notice to the county; and it shall be the duty of the District Attorney to appear for the county and defend all actions commenced under the provisions of this Act. The plaintiff, at the time of filing his complaint, shall also file a bond in the sum of three hundred dollars, with two or more sureties, who shall be residents and house or freeholders of the county, and shall justify that they are each worth, over and above their liabilities and debts and property exempt from execution, double the sum named in the bond. The conditions of the bond shall be to the effect that the plaintiff will pay all costs awarded to the county, not exceeding the amount of the bond.

SEC. 8. If the plaintiff in the action shall fail to recover a greater amount of damages than was awarded by the Road Viewers, or than that agreed to be allowed by the Board of Supervisors, all the costs in the case shall be taxed against him, and in favor of the county; and if the costs allowed to the county are not paid within thirty days from the time of the entry of the judgment, it shall be the duty of the District Attorney to proceed upon such bond to collect the same.

SEC. 9. When the action provided for in this Act is in a Justice's Court, it shall be before some Justice of the Peace in the township wherein the county seat is located; and if there be no Justice of the Peace in such township excepting such as are disqualified to act in the case, then the action shall be trans-
ferred to the nearest Justice in an adjoining township, and the county shall have ten days in which to answer from the time of the commencement of the action, and eight days from the time the copy of the complaint is served.

Sec. 10. No public or private road shall be opened, or any change thereof made, until all claims for damages shall have been settled or determined; provided, that if any person over whose land such road shall pass shall fail to present his claim for damages to the Board of Supervisors or file his or her complaint in the proper Court, as prescribed in this Act, within the time prescribed, said person shall be deemed to have dedicated the land over which such road shall pass to public use as and for a road; and such person shall be forever barred from bringing or maintaining any action or proceeding for damages therefore in any Court of this State, and the road shall be opened according to the provisions of this Act.

Sec. 11. In all cases of an application or action for damages under the provisions of this Act the claimant shall be deemed the plaintiff, and the county the defendant.

Sec. 12. Any person performing any service under this Act in reference to the view, location, or survey of roads, shall receive as compensation the following per diem each, to wit: Road Surveyor, five dollars; Viewers, three dollars; Assistant Surveyor, three dollars; chainmen, three dollars; which sums to be allowed by the Board of Supervisors, and paid by their order either by the petitioners or by warrants drawn on the County Road Fund.

Sec. 13. All roads in the County of Merced are hereby declared to be public highways which are now used as such and have been declared as such by order of the Court of Sessions or Board of Supervisors; or where it is apparent from the minutes and records of the Board of Supervisors that it was the intention of the Board to declare any road a public highway, and all streets of any unincorporated town, and all roads that may hereafter be established by the Board of Supervisors in accordance with the provisions of this Act.

Sec. 14. For all the purposes of this Act the road districts as now established shall be the road districts within the meaning of this law, and they may be changed or new ones created by the Board of Supervisors of said county at any time when by them considered necessary.

Sec. 15. The present Road Masters of said county shall hold office until the first Monday in January, eighteen hundred and sixty-eight, and shall perform all the duties and be subject to all the liabilities imposed by this Act, and when this Act shall take effect shall enter into such bond as the Board of Supervisors may require, with sureties, to be approved by said Board, conditioned that they will faithfully perform all duties as Road Masters. At the general election to be held in the year one thousand eight hundred and sixty-seven, and at every general election to be held thereafter, the qualified electors of each road district shall elect some citizen residing in the district as Road Master, who shall give the bond required by this section, and shall enter into the office of Road Master on the first Monday in January, eighteen hundred and sixty-eight, and shall hold such
office for the term of two years, and until his successor is elected and qualified. And the Board of Supervisors are authorized to fill all vacancies by appointment that may exist in the office of Road Master at the time that this Act goes into effect, or that may from any cause thereafter occur, and remove any Road Master from office for neglect or malfeasance in office. And it shall be the duty of the Clerk of the Board of Supervisors to notify each appointee in writing of his appointment within ten days after the same is made. And every person appointed as Road Master shall give the bond required by this section.

Sec. 16. The Board of Supervisors shall have power to levy annually a road poll tax, not exceeding three dollars, on each able bodied male inhabitant of said county between the ages of twenty-one and fifty years, which poll tax shall be payable in cash; provided, that any person liable to pay said tax may pay the same when called on by the Road Master in labor on the road, under the direction of said Road Master, at the rate of two dollars per day; and having fully worked out his road poll tax, the Road Master shall deliver to him a receipt therefor. Said road poll tax shall be levied by the Board of Supervisors at their last regular meeting in each year, for the year succeeding, which tax shall be due and payable on or after the first Monday of January thereafter; and the Board of Supervisors may in their discretion levy annually a property tax, not exceeding twenty cents on each one hundred dollars, for road purposes, which tax when levied shall be collected at the same time and in the same manner as other property taxes. But no such property tax shall be levied if the poll tax provided for in this section be deemed sufficient for road purposes. And for the purposes of this Act, the said Board shall have power to levy all taxes provided for in this Act, for the year one thousand eight hundred and sixty-six, at any regular meeting of said Board after this law goes into effect.

Sec. 17. It shall be the duty of the Road Master, upon entering into office, to proceed to collect the road poll tax from any person liable to pay such road poll tax in his district; and no person shall be deemed or held to have paid said tax unless he shall be able to exhibit a receipt therefor, or testify upon oath or affirmation that he has paid the same; and for all the purposes of this Act the Road Master is hereby authorized to administer oaths and affirmations. Upon any person who may be liable refusing upon demand upon himself or his agent to pay his road poll tax, it shall be the duty of the Road Master to enforce the collection of the same by seizing so much of any species of personal property, debts, or choses in action whatsoever of the delinquent, and if none such can be found, then by levying on and seizing so much of the real property of the delinquent as will be sufficient to pay such tax and costs of seizure and sale; and shall and may sell the personal property at any time and place, upon giving verbal notice of one hour previous to such sale; and shall and may sell the realty in the manner prescribed for Sheriff's sales under execution; and any person indebted to another liable to pay said tax, shall be liable
to pay the same for such other person, after service upon him by the Road Master of a written notice, stating the name or the names of the person or persons liable and owing said tax; and the party paying is hereby authorized to deduct the amount thereof from such indebtedness. The Road Master, after deducting the tax for which property was sold, and such fees and costs as would accrue to Sheriff's for like services, shall return the surplus to the owner of the property. A delivery of the possession of personal property by the Road Master to any purchaser shall be a sufficient title to the purchaser; or, if required by the purchaser, the Road Master shall execute a bill of sale. The Road Master shall have a right to demand of any employer in his district a complete list of the names of the men employed by him, and any employer refusing or neglecting to give such list when demanded of him by said Road Master, shall be liable to pay a fine of not less than ten dollars nor more than fifty dollars, to be recovered before a Justice of the Peace, in the name of the Road Master, for the use of and to be paid into the Road Fund of said county; he may also demand of each employer a statement, under oath, touching his indebtedness to the laborers employed by him who are liable to pay road poll tax; and if it shall appear upon such statement being made, that such employer is indebted to any person liable to pay road poll tax in an amount equal to said tax due by him, the Master may demand payment of said taxes from such employer; and if such employer refuse or neglect to pay the same, the said Master in his own name may proceed to collect the amount from him by suit before some Justice of the Peace in the township in which his road district may be situated, in the same manner as for a debt under the Civil Practice Act of this State; and such employer shall be liable for all costs, and shall not be entitled to charge the same against any laborer to whom he was indebted, and for whose road poll tax he is liable by this Act; and if such road poll tax be recovered, the Road Master shall deliver to the employer the road poll tax receipts of those whose taxes are thereby paid; and in all suits under this Act the Road Master shall be a competent witness.

Sec. 18. The Board of Supervisors of said county shall cause proper blank road poll tax receipts to be printed, of a uniform appearance, which shall be numbered consecutively, and signed in writing by the Chairman of said Board, and also by the Clerk of said Board; and no other receipts for road poll tax than those described in this section shall be used for the payment of said tax by the Road Master. The Chairman, after having signed a sufficient number of said receipts, shall deliver the same to the Clerk of said Board, who shall from time to time deliver them in such number as may be needed to the Road Masters of the different districts, unless otherwise ordered by the Board, taking their receipts therefor; and the Clerk shall keep an account, always open to the inspection of the Board of Supervisors, or any of them, of debit and credit with the Road Master of each district. Any person who shall wilfully pass, sell, or transfer, or who shall forge or fraudulently issue any receipt or receipts for road poll tax, contrary to the spirit of this Act, shall be guilty of a misdemeanor, and on conviction
thereof shall be fined a sum not less than one hundred nor more than two hundred dollars, to be paid into the Road Fund of said county.

Sec. 19. It shall be the duty of the Road Master to have the care and general supervision of all public roads within his district, to maintain them in good repair, and to erect such necessary bridges, causeways, and culverts as the means at his command will permit, to keep the roads in his district clear of obstructions, and drain all ponds of water collected therein, and keep such roads properly graded; and the foregoing provisions of this section shall apply to all streets of unincorporated towns declared public roads by the provisions of this Act; and for these purposes the Road Master is hereby authorized to take for the road service any timber, earth, gravel, rock, or other material growing or being in any uninclosed lands in the vicinity of any public road, except that he shall not cut down any tree which has been planted or preserved as a shade or ornamental tree; and upon the application of the owner thereof he shall make such allowance therefor as he may deem just, and shall give to such owner a certificate of said allowance, and upon presentation of such certificate to the Board of Supervisors they may order a warrant to be drawn for said allowance or a less amount, payable out of the County Road Fund; provided, that such certificate from the Road Master shall be received in payment of road poll tax upon presentation.

Sec. 20. The Board of Supervisors shall, at their last regular session in each year, fix by order to be entered on their journal, the amount of the percentage that each Master shall receive for the collection of road poll tax for the succeeding year, which percentage shall not exceed twenty per cent on each one hundred dollars collected; provided, that for the percentage for the present year, one thousand eight hundred and sixty-six, the said Board may make such order at any regular or special meeting of the present year.

Sec. 21: Each Road Master shall, twice in each year, at some regular session of the Board, by them to be designated and entered on the minutes of their proceedings, and at such other times as the Board may direct, present a correct account of the amount of road poll tax paid in labor, the amount paid in cash, and how much of and for what the same was expended, and the number of days service by him actually and necessarily performed in working upon the roads in his district, which statement shall be verified by his oath or affirmation; and the said Board may examine on oath any Road Master touching his account; and the Road Master shall be allowed in payment of such service such per diem as the Board of Supervisors may deem just, not to exceed five dollars; and he shall at the end of the term of office file with the Clerk of said Board a final settlement, and shall return to him all unsold poll tax receipts, who shall credit said Road Master with the same, and immediately before making his final settlement, the said Road Master shall pay into the Road Fund of said county all moneys in his hands remaining unexpended at that time.

Sec. 22. Any Road Master failing or refusing to perform any of the duties prescribed in this Act, besides being liable to be
Penalty for neglect of duty.

removed, shall be guilty of a misdemeanor, and on conviction thereof shall be fined in any sum not less than one hundred dollars nor more than four hundred dollars, and for which fine his official bond shall be liable, and when collected said fine shall be paid into the Road Fund of said county.

And every tax levied by said Common Council under the provisions of this Act or of any former Act which was in force and effect, and which may become repealed by the provisions of this Act, is hereby made a lien against the property assessed, which lien shall attach on the first Monday in May in each year, and shall not be satisfied or removed until the taxes are all paid, or the property has absolutely vested in a purchaser under a sale for taxes. showing unpaid taxes against any person or property, shall be prima facie evidence in any Court to prove the assessment of the property assessed, the delinquency, the amount of taxes due and unpaid, and that all forms of law in relation to the assessment and levy of such taxes have been complied with.

They shall also in like manner raise a tax for the support of the fire department of the city, a sum not to exceed one fifth of one per cent, and for general purposes a sum not to exceed one half of one per cent. They may also raise annually by taxation upon all the real and personal property within the city, as estimated by the preceding assessment roll, for purposes or sewerage and drainage of said city, a sum not to exceed one fourth of one per cent. All license taxes, unless otherwise ordered by the Common Council, shall be apportioned to the General Fund; and all taxes and licenses herein authorized to be collected, shall be collected in the legal currency of the State, as prescribed in reference to State and county taxes.

Sec. 14. The Common Council are hereby authorized and empowered to order the whole or any portion of any streets, lane or lanes, alleys; courts, or squares graded or regraded to the official grade, paved, gravelled, or macadamized, and have the same repaired; to order sidewalks, culverts, sewers, drains, and curbing constructed and repaired; to improve and beautify the public squares, and to order any other work to be done which shall be necessary to make and complete the whole or any portion of the said streets, sidewalks, lanes, alleys, and squares, as in their opinion the public good and convenience requires.

Sec. 15. The Common Council may order any of the work herein authorized to be done, after a notice of their intention so to do, in the form of a notice of intention, describing the proposed work, signed by the Clerk, after being published for two consecutive weeks. At the expiration of the time as given in any such notice of intention, said Common Council shall be deemed to have acquired jurisdiction to order any of the work herein provided for to be done; and all owners of lands, or lots, or portions of lots, who may feel aggrieved, or who may have objections to any of the subsequent proceedings of the Common Council in relation to the work proposed and described in the notice of intention, shall file with the City Clerk a remonstrance, wherein they shall state in what respect they feel aggrieved, and their reasons for objecting to the proceedings; said remonstrance shall be considered by the Common Council, and their decision thereon shall be final and conclusive; provided, that if more than one half of the owners or occupants, or the owners or occupants of more than one half of the real estate fronting on any street, lane, alley, or square, on which as a whole said work or improvement is proposed to be done, shall
remonstrate against said work or improvement, said Common Council shall then suspend further proceedings for the term of six months, unless such owners or occupants aforesaid shall sooner petition the Common Council to have such improvements made; and it being further provided, that if at any time of the hearing of such remonstrance against said work or improvements, or at any time subsequent thereto, it shall come to the knowledge of the Common Council that said proposed improvements or any portion of them are an immediate public necessity, they shall then proceed in reference to said proposed work or improvements, or so much thereof as they may deem and declare to be necessary, as if no remonstrance had been made.

Sec. 16. It shall be the duty of the Common Council to cause an immediate survey of any such proposed work or improvements to be made by the City or some other competent surveyor, who shall, on the conclusion of said survey, produce a map or diagram indicating the proposed grade and the amount of excavation or filling in front of each person's real estate to the middle of the street, all lots on the corners of blocks to include the cross streets; or if the improvements only extend to the sidewalks, then he shall indicate as aforesaid the amount of excavation or filling of the sidewalks in front of each person's real estate. If the Common Council approve the survey, diagram, and specifications of the surveyor, the same shall be placed on file in the office of the City Clerk, and they shall order said improvements to be made, and shall cause such order to be published for at least three consecutive weeks in some newspaper published in the City of San José. At the expiration of such notice, the Common Council may determine by ordinance or resolution at what time said work or improvements shall be commenced, and within what time all of which shall be completed, and also may in their discretion extend the time so fixed; and such of the persons having frontage on the line of the proposed work or improvements shall have the privilege of doing the same, in accordance with the requirements of the order, survey, diagram, and specifications of the surveyor on file in the office of the Clerk as aforesaid; but if the owner or occupant of any such real estate fail or neglect so to do within the time fixed for doing the same, or within any extension of time which may have in the discretion of the Common Council been granted, it shall be the duty of the City Marshal to let out, in a manner described by the resolution or ordinance of the Common Council, the doing of all the work or the making of all the improvements remaining unfinished; and when the doing of all such work or the making of all such improvements shall have been finished and accepted by the surveyor and City Marshal, they shall certify the same to the Common Council, who shall order the City Clerk, as ex officio City Assessor, to make an assessment of the cost thereof, as apportioned to each of the persons or occupants owning or occupying said real estate—which said assessment shall constitute a lien upon such real estate, dating from the time such work or improvements was ordered—and after due notice, present the same to the Common Council, who shall, on a specified day, sit as a Board of Equalization thereon, and shall hear and determine in reference thereto in manner as is required for the
equalization of other city taxes; and all persons feeling aggrieved in reference to any such assessment, shall at such time, either in writing or otherwise, specifically make known the cause of their objections and complaint, which shall be heard and passed upon by said Board of Equalization, and their determination therein shall be final and conclusive; and when thus equalized and approved by them, said list shall be properly certified by the City Clerk and placed in the hands of the City Marshal for collection, and all subsequent proceedings in relation thereto shall be the same as prescribed herein for the collection of other city taxes, as far as the same may be applicable.

Sec. 17. The cost of the survey, specifications, maps, or diagram of any of the work or improvements hereinbefore mentioned, together with all culverts and street crossings, shall be paid by the city.

Sec. 18. When any street, or portions of any street, or the sidewalk, or any portion thereof, becomes in a condition to be dangerous, or in a condition to cause great public inconvenience, the City Marshal shall, by notice in writing, to be delivered to them personally, or posted on the premises of the owners, occupants, or tenants, upon any real estate in front of which such repairs or improvements are required to be made, require them to make such improvements or repairs forthwith, particularly specifying in such notice what improvements or repairs are required to be made. If such improvements or repairs are not commenced within three days after notice given as aforesaid, and diligently prosecuted to completion without unnecessary delay, the City Marshal shall be deemed to have acquired jurisdiction to contract for the doing of the work or improvements required by said notice, and may enter into a contract with any competent person to make the required improvements or repairs at the expense of the owner of such real estate, at such price as he may deem reasonable and just, and such owner shall be liable to pay the same, and such sum or sums of money contracted to be paid for said work or improvements shall be a lien upon the real estate in front of which, to the middle of the street, said work or improvement shall have been made, and may be collected by civil action from the personal effects of such owner or owners, or a tax levied or assessed and equalized, as provided in section sixteen of this Act; and all money collected by the City Marshal for the construction, improvements, or repairs of any street, lane, alley, or sidewalk, if collected by an assessment duly equalized and certified, shall be paid to the City Treasurer as a special fund to the credit of the particular object for which it was assessed; or if collected by voluntary payment, or by civil action from the personal effects of the owner of such real estate, he shall pay the same over to the contractor, taking his receipt therefor, a duplicate of which he shall file with the City Clerk; and for all assessments made upon real estate for the construction, improvement, or repairs of any street, lane, alley, or sidewalk, such an amount shall be added to each and every of such assessments, in addition to the contract price thereof, as will be sufficient to pay the fees of the Collector and Treasurer as allowed by law.
Sec. 19. The city or the proper authorities thereof shall not be held responsible for nor assume the payment of any money for work done or repairs and improvements made until after all demands on the owners or occupants of such real estate have been paid or prosecuted to final collection; and in case of failure on the part of the city to collect such tax from the owner or occupant, or from the real estate, the person or persons having contracted for, done and completed any part of or the whole of such work done or repairs and improvements made, may present the same to the Common Council and be allowed and paid therefor from the General Fund of said city.

Sec. 20. The Common Council shall have power and it is hereby made their duty to appoint some suitable and competent person as Superintendent and sexton of "Oak Hill Cemetery," who may be removed by the Common Council only for incompetency or gross neglect or violation of the duties required of him. Such sexton shall have power to make arrests of persons who may trespass upon the cemetery grounds or found guilty of violating any of the laws or rules for the protection and government of said cemetery as prescribed by ordinance or resolution of the Common Council. The Common Council shall have power to make all needful laws and regulations for the government of said cemetery. They shall in such laws particularly set forth the duties of the sexton and provide for his compensation.

Sec. 21. The Common Council, when, in their opinion, the public good so requires, shall appoint a City Attorney, also a City Surveyor, the duties and compensation of each of said officers to be prescribed by the Common Council.

Sec. 22. The Common Council, or a committee of their number appointed for that purpose, shall constitute a Board of Equalization, and shall, as soon as the Assessor shall have completed and handed in his assessment, and after ten days notice, hold their meetings to hear and determine all complaints respecting the valuation of property as fixed by the Assessor; and shall have power to modify and change such valuation in any way they or a majority of them shall deem just and proper; said meetings may be held from time to time, as in said notice specified, for the period of two weeks, and no longer. When meeting as a Board of Equalization upon assessments for the construction or repairs of any street or sidewalks, they shall hold their sessions for such period of time only as may be required to consider the matters submitted to them and take action in reference thereto. The Mayor and members of the Common Council shall receive no compensation for their services, (except as in this Act is allowed to the Mayor,) neither shall they, or either of them, or any subordinate officer of the city government, be interested directly or indirectly during their term of office in any contract pertaining to any of the departments of the city; and all contracts in violation of this provision shall be declared void.
SEC. 23. The Common Council of the City of San José shall, whenever a petition signed by twenty-five citizens of said city praying for the opening of any new street or streets, or the extending, widening, altering, or vacating of any street or streets, lanes or alleys in said city, if deemed by them a public necessity, direct by ordinance the City Surveyor to make an accurate survey of any such proposed street or streets, lane or alley, and return the same to the Common Council at its next regular meeting or within such time as the Common Council shall by ordinance or resolution direct. Said survey shall be accompanied with a report and diagram map, showing the location of such proposed street or streets, lane or alley, and the width thereof; also, the boundaries of the lands of each owner thereof through whose land such street or streets, lane or alley are proposed to be located, widened, altered, or vacated. And for the purpose of making such survey, the Surveyor shall have the right to enter upon any and all lands; but the city shall be liable to the owner or owners for any injury done to any such premises by reason of such entry.

SEC. 24. Within ten days after the filing of such report and map of the proposed work, the City Attorney shall, by careful examination of the records of the county, ascertain and report to the Common Council the names of all owners of any such lands, as the same shall appear of record, with the description of the land belonging to each person. Upon the filing of the report, the City Clerk shall issue notice, directed generally to all persons interested, setting forth that such petition has been filed and that the survey of such proposed street or streets has been made, and that the names of the owners and occupants of the lands through which said street or streets will run are thereon designated; and also a statement that proceedings will be instituted for the condemnation of such lands for public purposes, unless all such owners shall, within ten days of the date thereof, make, execute, and deliver to the city, deeds of donation of the lands sought to be so appropriated; said notices shall be served by the City Marshal, by posting copies of the same in some conspicuous place on the premises belonging to each owner. If, after the expiration of said ten days, all or any of said owners shall fail to donate said lands for such purposes, the City Attorney shall file in the Clerk's office of the District Court in the County of Santa Clara a petition, stating therein that the petition referred to in the twenty-third section was duly presented to the Common Council, that such survey had been made, the description by metes and bounds, or by some accurate designation of said street or streets, and the width thereof, which in no case shall exceed one hundred feet, the description of the tracts of land belonging to each person through which such street or streets will run, and the description and amount of land taken by such street or streets from each of said owners, that the said last named tract or tracts of land are necessary for said purposes, and the names of the persons in possession of said tract or tracts of land, and of those
claiming any right, title, or interest therein, as far as the same can be ascertained by reasonable diligence.

Sec. 25. The persons in the occupation of said tract or tracts of land, and those having any right, title, or interest therein, whether named in the petition or not, shall be "defendants" thereto, and may appear and be heard before the Commissioners herein provided for and in proceedings subsequent thereto, in the same manner as if they had appeared and answered said petition.

Sec. 26. The said Court or Judge thereof, either in term time or vacation, shall by order appoint the time for the hearing of said petition, and such hearing may be had and all orders in said proceedings may be made by the said Court, or the Judge thereof, either in term time or vacation.

Sec. 27. The City Attorney shall cause all the owners and occupants of said tract or tracts of land, so far as the same can be ascertained by reasonable diligence, who reside in said city, to be personally notified of the pendency of said petition at least ten days before the hearing thereof; and if any of said occupants or owners are unknown, or do not reside in said city, and have not been personally notified of the pendency of said petition, said City Attorney shall cause a notice, stating the filing of said petition, the object thereof, the tract or tracts of land sought to be appropriated, and the time and place of the hearing of said petition, to be published for three successive weeks previous to the time of hearing of said petition in some newspaper published in said city.

Sec. 28. The defendants to said petition may appear and show cause against said petition on or before the time for the hearing thereof, or such other time as the hearing may be continued to; and upon satisfactory proof being made that the defendants have been duly notified of the pendency of said petition as herein prescribed, and upon the hearing of the allegations and proofs of the said parties, if said Court or Judge shall be satisfied that the lands or any part thereof are necessary or proper for any of the purposes mentioned in said petition, then such Judge or Court shall appoint three competent and disinterested persons as Commissioners, one of whom shall be selected from among the persons, if any, named for that purpose by said city, and one shall be selected from among the persons, if any, named on the part of any of the defendants, to ascertain and assess the compensation to be paid to the person or persons having or holding any right, title, or interest in or to each of said tracts of land, for and in consideration of the appropriation of such land to the use of said city. If any vacancy occur among said Commissioners by reason of any one or more of them refusing or neglecting to act, or by any other means, one or more Commissioners may be appointed by said Court or Judge to fill such vacancy, upon notice being given of such vacancy, as said Court or Judge may direct.

Sec. 29. The said Court or Judge shall appoint the time and place for the first meeting of said Commissioners, and the time for the filing of their report, and may give such further time as may be necessary for that purpose if they shall not have completed their duties. The said Commissioners, or a majority of
them, shall meet at the time and place as ordered, and before entering on their duties shall be duly sworn to honestly, faithfully, and impartially perform the duties imposed upon them; and any one of them may issue subpoenas for witnesses for either parties, and may administer oaths; and said Commissioners may adjourn from place to place and from time to time as may be necessary for the proper discharge of their duties.

Sec. 30. The said Commissioners shall proceed to view the several tracts of land as ordered by the said Court or Judge, and shall hear the allegations and proofs of said parties, and shall ascertain and assess the compensation of the lands sought to be appropriated, to be paid to the person or persons having or holding any right, title, or interest in or to each of the several tracts of land. In ascertaining such compensation, they shall take the actual value of such land, and the actual value of improvements thereon that may be wholly destroyed or rendered valueless by such appropriation; but the amount of any resulting damages that they may find from the evidence of any such person will have sustained by reason of such appropriation, other than such actual value of said premises, may be offset against the value of any benefit or advantage that in their opinion will accrue to him or them by reason of the opening, widening, or extending of any street or streets, lane, or alleys; and said Commissioners shall, on or before the time or times as ordered by said Court or Judge, file in said Clerk's office their report, signed by them or a majority of them, setting forth their proceedings in the premises, and they may include all of said tracts in one report, or may make several reports, including one or more of said tracts of land, if the said Court or Judge should so order, or if they shall deem it proper.

Sec. 31. In case there are adverse or conflicting claims to the compensation or damages assessed for any tract of land, or any right, title, or interest therein, thus sought to be appropriated, the parties thus ascertaining [asserting] such claim shall present the same by petition to the Court or Judge after the report of the Commissioners shall have been filed, and said Court or Judge shall proceed to determine the same; and in such case said City, instead of paying to any of said parties so contesting, may pay the amount of such compensation to the Clerk of said Court, to abide the order of the Court or Judge in said proceedings, and the city shall not be liable for any of the costs caused by the adjudication of such conflicting claims. The said city, or any of said defendants, if dissatisfied with the report, may, within twenty days after the time for the filing of said report, and after ten days notice to the parties interested, move to set aside the report, and to have a new trial as to any tract of land, and upon good cause shown therefor the said Court or Judge shall set aside the report as to such tract of land, and may re-commit the matter to the same or to other Commissioners, who shall be ordered to proceed in like manner as those first appointed. But such matter shall not be more than once re-committed to [the] Commissioners.

Sec. 32. Upon the expiration of twenty days after the filing of said report or reports, or at such further time as may be
appointed therefor, if the motion and notice shall not have been made and given as aforesaid, and if the proceedings of said Commissioners appear to have been correctly and properly done, the said Court or Judge shall confirm each of said reports, and certify the same thereon.

SEC. 33. Each of said reports and the certificates thereon, upon the compensation therein named being paid, shall be recorded in the Recorder’s office of the said county by said city. The said Court or Judge may make all such orders as may be necessary or proper in special proceedings provided for in this Act, and shall cause the pleadings and proceedings to be amended whenever justice may require it to be done; and shall direct the manner of service of all orders and notices not herein specially provided for. Costs in such special proceedings shall be taxed by the Clerk at the rates prescribed in the fee bill for said county in civil actions, and shall be paid by said city, except in case where a defendant shall move for a new trial; and the compensation assessed by the Commissioners shall not be increased more than ten per cent upon the previous assessment, in which case the defendants shall pay the cost.

SEC. 34. Upon the report of the Commissioners being filed for record as above provided for, and upon the payment or tender of the compensation and cost, as provided for in this Act, the real estate, or the right, title, or interest therein described in such report, shall be and become the property of said city, to be used as a public street or streets, and appropriated to public use.

SEC. 35. Within thirty days after the final confirmation of the report or reports, the Common Council may, if there be no money in the Treasury to be appropriated for such purpose, and if they deem such an amount of expenditure necessary for the general interest of the city, provide for the raising and paying of such sum or sums as may have been finally awarded by the said Court or Judge to any person or persons for property appropriated as aforesaid, as specially directed and provided for in foregoing sections of this charter; and if said tax shall, as required, be voted for, levied, collected, and received into the City Treasury, the same shall, upon the order of the Common Council, be paid by the City Treasurer to the County Clerk for the person or persons entitled thereto, the said Treasurer taking the said Clerk’s receipt therefor; and the same shall be deemed and taken as a payment to such person or persons, and shall be as effectual for all purposes whatever as if the said sum or sums of money had been paid personally to each of the persons entitled thereto.

SEC. 36. The said Court or Judge shall, at the time of the payment of the said sum of money to the said Clerk, or at such other time or times as may be ordered, direct and order the same to be paid over to the person or persons who shall, upon satisfactory proof; appear to be entitled thereto; and shall at the time direct that any and all persons having or holding possession of any of the lands or premises described in said report, yield and deliver up the same to the city; and the said Clerk, on the demand of the City Attorney, shall issue a writ commanding the Sheriff to remove all persons therefrom.
Sec. 37. The minutes of the proceedings had before such Judge shall be entered by said Clerk in the same manner and with the same force and effect as if the proceedings were had before said Court in term time.

And every person not producing such certificate shall, to entitle him to registration in any county, be required to make oath before the County Clerk or Assessor, as the case may be, that he is not registered in any other county; and whenever any certificate of registration shall be given to any person in the form and for the purposes in this section expressed, the County Clerk shall at the same time cancel the registration of such person by entering in the proper column the word "removed."

Sec. 3. The manner of registration shall be as follows: Clear and distinct entries shall be made in said books, setting forth in separate columns the name at full length (without the use of initials) of the person registered; his age, omitting fractions of years; the country of his nativity; his occupation; the particular city, town, township, ward, or district of his residence; if a naturalized foreigner, when, where, and by what Court he was admitted to become a citizen of the United States; also the date of registry, and a number affixed to each name, which numbers shall run successively in the order of registration; and to the truth of the facts stated in such entries the person registered shall be duly sworn, which shall also be noted and verified by the word "sworn," to be entered in a separate column opposite the name.

The County Clerk, finding the returns sufficient for the purpose, shall register the names returned accordingly. Any defects in such returns shall be pointed out by the County Clerk, in order that the errors or defects may be corrected when practicable, and that persons entitled to registration may suffer no prejudice or unnecessary delay thereby. The County Clerk and the Assessor shall be allowed for their services aforesaid, payable out of the County Treasury, such compensation as the Board of Supervisors shall fix, not exceeding twenty-five cents to the County Clerk, for each name registered, and twenty-five cents to the Assessor for each name duly and properly returned as aforesaid.

Naturalized citizens.

Sec. 6. No person, having been an alien, and claiming to have been naturalized conformably to the laws of the United States, shall be entitled to be registered in the Great Register, unless he shall produce to the County Clerk, as the only evidence of such naturalization, a certificate thereof, in due and proper form, under the seal of the Court before which the same took place, or in case his certificate be lost or destroyed, shall, by the testimony of at least two registered citizens, being householders and legal voters of this State, prove to the satisfaction of the County Clerk and the County Judge that he has resided in the United States five years and in this State one year at least next preceding his application, and that during that time he has behaved as a man of good moral character, attached to the principles of the Constitution of the United States, and well disposed to the good order and happiness of the same, and that he is reputed to be a naturalized citizen of the United States, and is such according to the best of such deponents' knowledge, information, and belief; in which case, and such proof being made, the applicant's own affidavit shall be received to establish the fact of naturalization as well as the existence and loss or destruction of his certificate; provided, that unless it appear by such testimony, examination, affidavit, or otherwise to the County Judge, that the records of the Court before which the naturali-
zation took place are destroyed, the applicant shall, by order to
be filed with the County Clerk at the time of his registration,
be required to produce the proper certificate within two years
thereafter, and in default of producing and exhibiting the same
to the County Clerk, such registration shall be cancelled.

Sec. 7. Where the applicant for registration, having been an
alien, claims to have been naturalized more than fifteen years
previous to his application, and is unable to produce the proper
certificate of his naturalization, if he shall, by the oaths of two
registered householders and legal voters of this State, prove to
the satisfaction of the County Clerk and County Judge that he
has resided in the United States fifteen years, and in this State
five years next preceding, and that during said five years he
has behaved as a man of good moral character, attached to the
principles of the Constitution of the United States, and well
dispensed to the good order and happiness of the same, and that
he has been during said five years reputed to be a citizen of the
United States, and is such according to the best of the knowl-
dge, information, and belief of such householders, then and in
such case his own affidavit shall be received as evidence of his
naturalization, and of the existence and loss of his certificate,
and thereupon he shall be admitted to permanent registration
without further proof.

Sec. 8. Persons born without the limits of the United States
who may claim to have become citizens thereof by virtue of the
naturalization of their fathers while they were under twenty-
one years of age, and dwelling within the United States, shall,
to entitle them to registration, produce a certificate in due form,
under the seal of the proper Court, showing that their fathers
were so naturalized, and make proof of their residence and
minority at the time, or being unable to produce such certificate,
shall make the same proof of residence, character, and reputed
citizenship as is required in section six, and thereupon their own
oaths, or the oath of some registered householder and citizen,
deposing to such naturalization of the father and the residence
and minority of such persons at the time, according to the best of
deponent's knowledge, information, and belief, shall be received
by the County Clerk and Judge as evidence of the fact, and in
such case the applicant shall be admitted to permanent registra-
tion without further proof.

Sec. 9. In all cases, other than those provided for in the three
preceding sections, the Assessor and County Clerk shall require
satisfactory proof of citizenship on the part of all persons not
personally known to them to be natural born citizens of the
United States, before admitting them to registration. Such
proof may be given by authentic documents, or by the testimony
on oath of any registered citizen and inhabitant of the county,
and common repute may also be received as evidence in such
cases. The County Clerk, Assessor, and County Judge shall
each of them have power to administer oaths and examine any
person on oath touching the right of such person, or of any other
person, to registration. Upon every certificate or document
presented and accepted as evidence of naturalization, in pursu-
ance of which registration in the Great Register shall be
accorded, the County Clerk shall at the same time indorse the
fact, date, and purpose of such presentation, and sign his name thereto; and a similar indorsement shall be made by the Clerk of Elections whenever any such certificate or document shall be presented to the Board of Registration, or Board of Judges of Elections, and accepted as evidence of naturalization in the cases hereinafter required or allowed.

Sec. 10. Persons entitled to registration, whose registration shall be refused by the County Clerk, may proceed by mandamus, before any Court having jurisdiction, against such Clerk to procure their registration, but no costs shall be allowed in such proceeding. In cases not otherwise provided for in this Act, the registration of any person not duly qualified therefor may be cancelled whenever the fact shall be made to appear in a proceeding in the nature of quo warranto, which may be instituted against such person in the County Court of the county where he is registered, on the sworn complaint of any registered citizen thereof, setting forth the material facts of the case. The party interested shall be duly summoned, and may appear and answer as in ordinary actions in the District Courts; and the Court, upon hearing at such time as may be appointed for the purpose, the parties having due and reasonable notice, shall proceed to render such judgment as the law and the facts shall require. If such judgment be for the cancellation of such registration, an appeal may be taken to the Supreme Court by the party aggrieved, in the same manner as other appeals are taken to the Supreme Court from the County Court.

Sec. 11. Persons duly registered in the Great Register shall be deemed citizens of the State of California, and on application to the Secretary of State, and production under the hand and seal of the proper County Clerk, of a certified abstract of their registration, and making affidavit or other satisfactory proof of continued residence in this State and in the county where registered, and payment of the same fee as is allowed for certificate and seal of State in other cases, shall, if they desire it, be entitled to receive a certificate of their citizenship, under the great seal, signed by the Governor and Secretary of State.

Sec. 12. During the month of July, eighteen hundred and sixty-seven, and during the month of July every four years thereafter, the County Clerk (except when and as may be otherwise ordered by the Board of Supervisors) of the several counties of this State, shall make out and certify a general list, and during the month of July in each of the intermediate years, a supplementary list, alphabetically arranged according to surnames, of all persons who then stand registered upon the Great Register, (omitting those whose names are cancelled by the proper entries,) with the entries opposite each name, and the register number, as they appear in said book, and shall cause to be printed and transmitted to the Clerk of Elections of each election precinct in his county at least ten printed copies thereof; provided, that each supplementary list, unless otherwise ordered as aforesaid, shall contain only the names of persons registered after the making out of the general or supplementary list next preceding it.

Sec. 13. The Board of Supervisors of each county throughout the State, including the City and County of San Francisco, are empowered, and immediately after the passage of this Act
shall proceed to establish a convenient number of election districts in their respective counties, and to define the boundaries thereof, which they shall have power to alter from time to time, as the convenience of voters may require. They shall also have power to establish and designate the precincts or places for holding the polls in each district. In all the counties, except Amador, Tuolumne, Siskiyou, Butte, Placer, Mono, El Dorado, Shasta, Trinity, Nevada, Calaveras, Sierra, Mariposa, Merced, Del Norte, Klamath, Yuba, Contra Costa, Humboldt, Napa, there shall be one, and only one, precinct or place of holding the polls in each election district aforesaid. In the said excepted counties, should the Board of Supervisors find it, necessary in consequence of the condition of the country and population, to lay off election districts of such great extent as to require more than one precinct therein for the convenient accommodation of the legal voters, they shall in that case have power to establish one or more and as many such precincts as shall in their judgment be necessary for the purpose; but eventually, and whenever practicable in the judgment of the Board, the extent of such large districts shall be so reduced that one precinct will be sufficient therefor; provided, that every election district throughout the State shall be so constructed as not in any case to embrace more than one township, and in such manner that its exterior limits shall not cross the exterior boundaries of any township, incorporated town or city, or any ward, district, or other territorial subdivision in and for which local officers are to be elected.

Sec. 14. For every election precinct throughout the State there shall be elected or appointed, as heretofore mentioned, one Clerk of Elections and two Judges of Elections, who shall hold office two years, and until their successors shall be appointed or elected and qualified; and all vacancies which may exist or occur in either of said offices, by death, resignation, removal from the precinct, or otherwise, shall be filled by appointments to be made by the Board of Supervisors of the proper county; and where the office is elective, the appointee to fill a vacancy shall hold office until the next regular election for county officers, and until the election and qualification of his successor. Each of said officers, before entering upon his duties, shall take the constitutional oath of office.

Sec. 15. The Board of Supervisors shall appoint the Clerk and Judges of Elections, except in those counties where said officers shall be declared elective by an order of the Board of Supervisors thereof, to be made and duly recorded on their records, which may be done on the petition in writing of any number of the householders and legal voters of the proper county whose names are found on the last preceding poll lists, which number of petitioners shall not be less than one hundred, nor less than one tenth the whole number of voters enrolled on said last preceding poll lists. When elective, the Clerk and Judges of Elections shall be chosen at the general election.

Sec. 16. In the election of Clerk and Judges of Elections, where the office is elective, each qualified voter in each precinct shall vote for one Clerk and one Judge of Elections only, and the person having the highest number of votes for Clerk shall be Clerk of Elections, and the two standing highest on the list,
or having the largest number of votes for Judges, shall be the Judges of Elections for the respective precinct.

SEC. 17. The Clerk and Judges of Elections shall constitute the Board of Registration for the enrolment in their respective districts of all the legal voters thereof; and also, besides the powers and duties by this Act specially conferred and enjoined upon them, the Clerk of Elections shall take the place of the Inspector of Elections now provided for by law, with the same powers, duties, and obligations, and the Clerk and Judges aforesaid shall constitute the Board of Judges of Elections now provided for by law; and all existing laws not repugnant to the provisions of this Act relating to Inspectors of Elections are hereby declared applicable to the said Clerk of Elections; and all the laws now in force applicable to Judges and Boards of Judges of Elections, and not repugnant as aforesaid, are hereby continued in force and declared applicable to such officers and Boards as constituted by this Act.

SEC. 18. During the period of ninety days next preceding any election appointed or authorized by law, the Board of Registration shall make out, and on the thirtieth day next preceding such election, or, if that day be Sunday, the day following, shall revise, complete, and deposit with the Clerk of Elections, and within three days thereafter shall post in one or more of the most public places of their district (which, if there be more than one precinct in such district, shall be most contiguous to their respective precincts) an alphabetical list according to surnames, of all persons residing in such district and entitled to be enrolled at their respective precinct, who then are by citizenship, and may be on the day of such election by continuous residence, legally qualified to vote at such precinct; which list shall comprehend the names of all such persons (including those between twenty and twenty-one years of age, and who will become of age on or before the day of election) who shall have their bona fide residence in said district upon the thirtieth day next preceding such election, and at the time of the completion and revision of said list. The list so made out shall be designated and known in law as the Poll List, and shall supersede and be in lieu of the poll list now provided for by law. The poll lists shall, at all convenient times, except when in use of the Board of Judges on election days, be open to the inspection of all legal voters, and of all persons enrolled or entitled to be enrolled thereon; and it is hereby made incumbent on every person who is or may be on the day of such election qualified to vote thereof, to apply and see that he is duly enrolled for that purpose.

SEC. 19. In districts where there is but one precinct, the Clerk of Elections shall, during the period prescribed in the last section for making out and completing the poll list, and when the Board is not in session upon his own authority, enter upon said list, subject to the revision and correction of the Board, the names of all persons still residing in his district enrolled in the next preceding poll list made out in pursuance of this Act, and also the names of all persons found upon the Great Register of the county whom he personally knows to be, or who, by the oath of any householder or legal voter of his district known to
him, shall be satisfactorily proved to be bona fide residents of
his district.

Sec. 20. In districts where there are more precincts than one, the voters shall be allowed to enroll themselves at either of such precincts which they may select as most convenient to their residence, on making application personally or in writing to the Board of Registration, or to the Clerk of Elections when the Board is not in session, and making satisfactory proof of residence and identity. Applications in writing shall be addressed to the proper Board of Registration or Clerk of Elections, expressing the desire of the applicants to be enrolled in order to vote at the precinct thus indicated, and shall be witnessed, and the genuineness of the signatures thereto, when not known to the said Board or Clerk, shall be attested by a subscribing witness known to them, who is a resident and legal voter of the district.

Sec. 21. The registration in the poll list shall be made by entering therein, in separate columns appropriately headed, the name at full length, with a number prefixed to each name, which numbers shall run successively in the order of the names as they stand on the list, commencing with number one; date of entry in the list; age, omitting fractions of years, except where the person enrolled is between the age of twenty and twenty-one years; the class of citizenship, whether native or naturalized; occupation; the particular locality in the district of the voter's residence, if it can conveniently and briefly be stated, giving in towns and cities, as far as possible, the number of the dwelling and name of the street, or other location of the dwelling.

Sec. 22. The Board of Registration shall be in session on the said thirtieth day next preceding any such election as aforesaid—or if that be Sunday, then on the day following—at the office of the Clerk of Elections, for the purpose of determining applications on behalf of persons claiming the right to be enrolled on the poll list, erasing names improperly entered or improperly remaining thereon, and correcting all errors in relation thereto. They shall insert and enroll the name of every person entitled to be enrolled who may have been omitted from any cause, and shall erase the name of every person improperly placed or remaining on said list, so far as they are able to ascertain the same; and for that purpose the said Board and each officer and member thereof shall have power, then or at any other time whenever necessary, to administer oaths and examine on oath any person touching his own or the right of any other person to be registered in the Great Register, or to be enrolled on the poll list, or touching the qualification of any such person as an elector; and the said Board, by a summons to be issued under the hand of the Clerk of Elections, may call before the Board at any stated meeting, or before the Clerk of Elections at his office, at a day and hour to be specified in such summons, any person to give testimony touching any of the matters aforesaid; provided, that none but householders who have resided in the district for at least one year next preceding the time of making up the poll list, shall under any circumstances be enrolled thereon, unless on their own personal application.
Sec. 23. Within five days after the making out and completion of the poll list as aforesaid, the Clerk of Elections shall transmit to the County Clerk a certified copy thereof, with all the entries opposite each name in full; and the County Clerk, except when and as may be otherwise ordered by the Board of Supervisors, shall, as soon as possible thereafter, and at least ten days before the election, make out and cause to be printed and delivered to each of the Clerks of Elections in the several election precincts, ten printed copies by him certified, of all the poll lists so transmitted to him, attached or connected together, but separately and distinctly arranged and headed.

Sec. 24. The Board of Registration shall hold their final meeting for the purpose of revising and correcting the poll list, commencing on the third day next preceding the election—or, if that day be Sunday, then on the day following—and continuing their sessions by adjournment from day to day, or from time to time, up to the time of opening the polls on the day of election, and no longer; after which time no additional names shall be enrolled for that election. At such final meeting they shall erase from the poll list the names of all persons not then actually residing in such district, or who, though actual residents of the district, are not qualified by citizenship to vote, or who for any reason are not then entitled to be or remain enrolled on said list.

Sec. 25. All the proceedings of the Board of Registration shall be open, and all legal voters of the district, and all persons qualified to be enrolled on the poll list, shall be entitled to be heard before them in relation to the formation and correction of the poll list. Reasonable public notice shall be given of their meetings, and of the place where the office of the Clerk of Elections is kept, which, if convenient, shall be at or near the place where the polls are usually held.

Sec. 26. In the following cases and no others, persons whose names have not been entered on the poll list of any precinct on or before the meeting of the Board of Registration, to be held on the thirtieth day next preceding the election, may be enrolled on said list at the final meeting of the Board of Registration:<br><br>First—Where the person applying, or in whose behalf the application is made, shall furnish to the Board of Registration his affidavit, setting forth reasons satisfactory to the Board why he did not apply and procure the enrolment of his name on said poll list, and shall also prove to the satisfaction of the Board by such affidavit and by the oath of at least one household whose name is duly registered in the Great Register, and who is a legal voter of the district, that he has had his bona fide residence therein in pursuance of his lawful calling for thirty days at least next preceding, or for a period which, extended up to the day of election, will be equal to thirty days, specifying, in towns and cities, as far as practicable, the name of the street or place, and number or other designation of the house or dwelling where his residence is and has been during such period, and that he did not remove into said district for the purpose of voting, and shall also make oath that he is not enrolled elsewhere.<br><br>Second—Where the person applying shall prove, by the pro-
duction of a naturalization certificate in due form under the seal of the proper Court, that he has been admitted a citizen of the United States within the period of thirty-five days then next preceding; and shall also prove his residence in the district in the same manner as is required and specified in the preceding subdivision of this section.

Sec. 27. Prior to the first day of July, eighteen hundred and sixty-seven, registration in the Great Register shall not be an indispensable prerequisite to enrolment on the poll lists, but during said interval, persons duly qualified, whether native or naturalized citizens, but not registered as aforesaid, may, nevertheless, be enrolled on the poll lists on producing to the proper Board of Registration the same proof of citizenship as would be required to entitle them to registration in the Great Register, and in making up and completing said poll lists all other provisions of this Act shall be strictly observed, as well before as after said date; provided, that registration in the Great Register aforesaid, when existing, as well before as after the said first day of July, eighteen hundred and sixty-seven, shall, until the contrary is proved, be received by the Board of Registration as sufficient evidence that the person registered was, at the time of registration, a citizen of the United States, domiciled in the county.

Sec. 28. After the first day of July, eighteen hundred and sixty-seven, registration in the Great Register being the only authentic record of domiciliation and citizenship, made upon the prerequisite and proper evidence, presented at the time and in the manner prescribed by law, none but those whose names are registered and uncancelled upon the Great Register of the county, shall be enrolled upon the poll lists in such county, except only persons naturalized, becoming of age, or coming into the county to reside within thirty-five days next preceding the day of the election for which the poll lists are made up. In all cases, both before and after the said first day of July, eighteen hundred and sixty-seven, persons not registered in the Great Register of the county where they may apply to be enrolled on the poll lists or to vote, shall be required to prove their residence in the proper election district in the same manner as is mentioned and specified in the first subdivision of section twenty-six, and with the same particularity; and if they fall within the first or third exception contained in the first clause of this section, they shall, after the said first day of July, A. D. eighteen hundred and sixty-seven, also be required to produce to the Board of Registration a certified abstract of registration in some other county, given in pursuance of section two of this Act; but if they fall within the second exception contained in said first clause, and claim citizenship by virtue of the naturalization of themselves or of their fathers, they shall be required to produce the certificate of such naturalization in due form as the only evidence thereof.

Sec. 29. No person shall be allowed to vote except at the polls held in the election district where he resides; nor unless his name is enrolled on the poll list where he offers his vote in such district, nor for local or representative officers, unless he

shall have had his residence for thirty days next preceding within the territorial limits prescribed for the election of such officers. If any person enrolled on the poll list, whose vote shall be objected to on the day of election by any qualified elector, shall be proved to the satisfaction of the Board of Judges, either by his own oath or by the oath of any other qualified elector and householder of the district, or by other clear and competent evidence, not to be legally qualified and entitled to be enrolled on said poll list, or if it be proved as aforesaid that he is enrolled on more than one poll list when he offers his vote, or is otherwise not legally qualified to vote at such election, his vote shall be rejected. The Board of Judges and Board of Registration, and each member and officer thereof, shall cause to be carefully taken down and preserved in the office of the Clerk of Elections all the affidavits and a brief statement or record of the substance of the oral testimony taken before them or either of them, either in relation to the right and qualification of any person to vote, or to have his name enrolled on the poll list.

Sec. 30. In such new precincts as may be formed within sixty days next before any election is to be held, and also whenever an election is to take place less than three months after the time fixed by statute or by competent authority in pursuance of the statute for holding it, then the poll list may be made out, revised, completed, and corrected within such time as shall be afforded after the formation of such new precinct, or after the time for holding such election shall have been so fixed; and all the provisions of this Act applicable to the formation, completion, and correction of poll lists shall be observed in such cases, except as to the time within which any act is to be done, and, as to that particular, also as nearly as practicable in the case.

Sec. 31. The poll list, in duplicate, as finally completed and corrected, shall be kept at the polls on the day of election, and thereafter remain in the custody of the Clerk of Elections; and on said poll list, opposite the name of each person voting, the fact shall be noted in a separate column reserved for the purpose, by the word "voted," or by the initial letter "V," and opposite the name of each person applying to vote whose vote shall be rejected, that fact shall also be noted in the proper column so reserved by the words "vote rejected," or by the initial letters "V. R." The Board of Judges of Elections shall also cause to be kept a separate list and record of all persons attempting to vote without being enrolled on the poll list, or who, being enrolled, shall be satisfactorily proved to them not to be qualified for such enrolment; and of all persons whom they shall find enrolled in two precincts at the same time; of all persons who shall vote twice or offer to vote twice at the same election, or who shall commit, or in any manner or by any connivance incite, aid, or abet another to commit any other fraud against the provisions of this Act; and the Clerk of Elections shall immediately thereafter deliver a transcript of such list and record, and also of such affidavits and material testimony as may be in his possession to the District Attorney, to the end that the parties guilty may be proceeded against according to law.
SEC. 32. Every person enrolled on the poll list of one district shall on removing therefrom apply to the Clerk of Elections to have his enrolment on said list cancelled, and shall use all practicable diligence to see that his enrolment on the poll lists, wherever existing other than in the district where he actually resides, is duly cancelled.

SEC. 33. Every Justice of the Peace, Constable, Judge and Clerk of Elections, and every Supervisor, shall use all practicable diligence to notify the inhabitants of his township, district, or precinct, to register their names in the proper register and poll lists as required in this Act; and it shall be the duty of every such officer to give special and personal notice, as far as practicable, to every person hereafter coming to reside in such township, ward, or district, who according to the provisions of this Act ought to be registered, requiring him to register his name as aforesaid.

SEC. 34. Any person who shall knowingly and wittingly cause, procure, or by any consent or connivance allow himself to be registered in the Great Register of any county, knowing himself not to be entitled to or qualified for such registration, or while his registration upon the Great Register of another county exists and remains uncancelled, or to be enrolled upon the poll list of any election precinct, knowing himself not entitled to or not legally qualified for such enrolment, or while his enrolment upon the poll list of another precinct exists and remains uncancelled, or shall vote or attempt to vote at any election, knowing that he is enrolled on the poll list of more than one precinct, or who, in order to get himself admitted to be enrolled or to vote, shall use any false name, or who shall falsely personate any enrolled voter, and any person instigating, causing, aiding, or abetting any other person in any manner in either of said acts, shall on conviction thereof be punished by fine not exceeding one thousand dollars, or by imprisonment in the County Jail or State Prison not exceeding one year, or by both such fine and imprisonment, in the discretion of the Court according to the nature and circumstances of the case. In all cases where, on the trial of a person charged with any offence under the provisions of this section, it shall duly appear in evidence that the accused stands registered in the Great Register of any county without being qualified for such registration, the Court, whether the defendant be acquitted or convicted of the offence charged, shall order such registration to be cancelled.

SEC. 35. If any member or officer of the Board of Registration, or Board of Judges of Elections, shall wilfully or fraudulently enroll or admit any person to be enrolled on the poll list, or admit any person to vote at any election knowing him not to be qualified to be enrolled or to vote as aforesaid, or shall refuse to enroll any person on said poll list knowing him to be entitled to be so enrolled, or refuse to admit the vote of any person knowing him to be entitled to vote, or shall otherwise knowingly and fraudulently act in violation or contravention of the provisions of this Act, he shall, on conviction for each and every such offence, be punished by fine not exceeding one thousand dollars, or by imprisonment in the State Prison or County Jail, at the discretion of the Court, not exceeding one year; or
by both such fine and imprisonment. If the County Clerk, Assessor, or the members of any Board of Supervisors, or any of them, shall willfully neglect or refuse to perform any specific duty enjoined upon him or them by this Act, or shall, in his official capacity, knowingly and fraudulently act in contravention or in violation of its provisions, he shall, on conviction thereof, be punished as hereinbefore in this section provided.

SEC. 86. It shall be the duty of the County Court at the opening of every session held next after any election, and at other times when said Court shall deem it necessary, to give, this Act in charge to the Grand Jury, clearly and distinctly stating and explaining to them the duties and liabilities of individuals and public officers prescribed therein, and charging them to present every person who, within the jurisdiction of the Court, shall have been guilty of any dereliction of said duties or offence under this Act, so far as the same may have come to their knowledge.

SEC. 87. The Clerk and Judges of Elections shall be allowed such compensation as the Board of Supervisors shall prescribe, not exceeding three dollars a day each for all the time that they are necessarily employed, and not exceeding five days' pay in any one year for each of the Judges, and six days for the Clerk of Elections, which shall be in full compensation for making up the poll lists, as well as for holding elections, and all services whatsoever in relation thereto. The expense of printing lists and blanks in the several counties when required by this Act, shall be provided for by the Board of Supervisors; and said expense, as well as the aforesaid compensation of the Clerk and Judges of Elections, being first duly approved, allowed, and audited, as other demands are required to be, shall be paid out of the County Treasury.

SEC. 88. For the purpose of rendering the mode of registration and enrollment as nearly uniform, free from inconvenience, and effectual as possible throughout the State, the Governor, Secretary of State, Controller, Attorney-General, and Surveyor-General are hereby constituted a State Board of Registry, of whom a majority shall constitute a quorum for the transaction of business, which Board, subject to the provisions, limitations, and restrictions of this Act, shall have the following powers:

First—To prescribe the forms to be used in the several counties and election districts under this Act, and to establish such general rules and regulations as they may deem necessary for carrying its provisions into complete effect, and with as little expense and inconvenience as possible.

Third—To order and cause to be prepared, at the expense of the State, and through the Secretary of State transmit to the County Clerks of the several counties, the necessary and proper books for the Great Register, the necessary cost of such books to be audited, allowed, and paid out of the General Fund in the State Treasury in the same manner as other lawful demands against the State are required to be audited, allowed, and paid.
SEC. 39. Whenever a meeting of the Board of Registration of any precinct is required to be held, two members thereof shall be a quorum for the transaction of business; and if in consequence of sickness, absence, or other temporary disability of any member, or a vacancy not filled, the attendance of but one member can be obtained, the places of the members absent may be supplied for that meeting by any two householders and legal voters of the precinct who have resided there continuously for two years at least; to be appointed by the member in attendance, with the consent and concurrence of any Justice of the Peace of the county; and in case of the inability to attend of the Clerk and both the Judges of Elections, any Justice of the Peace, with any two householders, legal voters of the precinct, by him to be appointed, shall act as the Board of Registration for that day. The householders aforesaid who may supply the place of absent members of the Board of Registration shall severally be sworn by the Justice of the Peace faithfully to discharge their duties as members of said Board according to law.

SEC. 40. No fees or compensation shall be allowed to any officer for the services required under the provisions of this Act, except as herein expressly allowed and specified; provided, that when any action shall be instituted in any Court of record of this State by mandamus, quo warranto, or otherwise, under the provisions of this Act, the same fees shall be allowed the officers that are now provided by law in other civil cases.

SEC. 41. In all legal or official proceedings, legislative Acts, and other cases, this Act may be referred to and cited by the title of: "The Registry Act."

Bond.

SEC. 3. Any person elected or appointed Road Overseer, before entering on the duties of his office shall take and subscribe the usual oath of office, and shall execute a bond to the people of the State of California, with two or more sufficient sureties in a sum double the probable amount of road moneys that will come into his hands, to be fixed upon by the Board of Supervisors, which said bond shall be approved by said Board, and shall be conditioned on the faithful performance of the duties of the office and the payment into the County Treasury of such moneys as he shall be required to do by the provisions of this Act.

Labor, and levy of tax.

SEC. 4. All able bodied male persons between the ages of eighteen and sixty years shall be bound and liable to perform each year on the roads and highways of their respective districts
two days' labor, and any person soliable and failing or refusing to perform the labor, shall pay the sum of four dollars for the use and benefit of the Road Fund of the district where such labor was due. And the Board of Supervisors shall have power to levy a property tax of not less than five nor more than sixty cents on each one hundred dollars value of taxable property in the county, for road purposes. The property tax for road purposes shall be assessed by the County Assessor, and collected and paid into the County Treasury by the County Collector, at the same time and in the same manner as other county and State taxes; provided, that when any person shall perform more than two days' labor on the highways in any one year, as required by this Act, the Road Overseer of the district in which such labor shall be performed shall receipt to such person for the extra amount of labor so performed, and said receipt shall be good and receivable for road dues for the year next ensuing.

Sec. 5. It shall be the duty of the Collector to keep a separate account of the road tax collected in each road district, and of the Treasurer to keep the moneys so collected in the several road districts in separate funds. These funds of the several road districts shall be under the control of the Board of Supervisors, who may disburse the same for the construction of bridges, the opening or improvement of roads of general interest and value to the county, or may in their discretion transfer them to the Road Overseers, to be expended by them in the improvement of the roads—each fund in the district where it was collected. The Board of Supervisors shall draw money from the Road Funds by drawing their order on the Treasurer, and said orders shall specify the fund from which they are to be paid.

The Road Overseers shall warn and require all persons in their respective districts who by this Act are liable to road duty, to perform two days' labor on the roads and highways of the district; and they shall notify such persons of the time when and the place where such service will be required, and shall superintend and direct their labor; and the Overseers shall cause all the roads and highways of their respective districts to be kept clear of obstructions and in good repair; shall cause banks to be graded, bridges and causeways to be made, and the same to be kept in good condition for the accommodation of travel; and shall cause guide boards to be erected at the intersection of roads, where the convenience of the travelling public may require the same, and shall have power to contract for labor and materials necessary and proper for accomplishing these objects; provided, that said Road Overseers shall not contravene any debt or debts which, singly or in the aggregate, shall exceed the sum of one hundred dollars in any one district, unless they are authorized by the Board of Supervisors so to do.

Sec. 7. To enforce the collection of the road tax due from any person who on the requirement of the Overseer shall have neglected or refused to perform two days' labor on the highways, the Overseers may seize so much of any and every species of property, right, possession, or claim whatever belonging to such person so refusing or neglecting to pay such road tax as will be sufficient to pay the same and costs of seizure, and may sell the
same at any time and place on giving verbal notice one hour previous to such sale; and any person indebted to another liable to road tax, who shall neglect or refuse to pay the same, shall be liable for the tax of such other person, after service on him by the Overseer of a notice stating the name of the person so liable and owing road tax, and may deduct the amount thereof from such indebtedness. The Overseer, after deducting the tax for which such property was sold and the necessary fees and costs of sale, shall return the surplus, if any, to the owner of the property. A delivery of the possession of the property by the Overseer to any purchaser at any such sale, shall be a sufficient title in the purchaser without the execution of a deed therefor by the Overseer.

Sec. 8. The Board of Supervisors shall cause proper blank receipts for road taxes to be printed, and shall require the Clerk of the Board to sign a number equal to the probable number of persons in the county liable to do work on the roads, and to issue the same to the Overseers of the road districts of the county; and the Clerk of the Board shall charge to the Overseers, in a book kept for that purpose, the receipts, which he shall deliver to them respectively; and when any person shall perform two days' labor on the highways, or in lieu thereof shall pay the sum of four dollars, the Road Overseer of the district shall deliver to him a road tax receipt, with the blanks properly filled.

CHAP. CCCII.—An Act to establish Pounds in the County of San Mateo.

[Approved March 20, 1890.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Boards of Trustees of the different townships of the County of San Mateo may from time to time establish one or more pounds in each of their respective townships, and they may change or abolish the same.

Sec. 2. Said Boards of Trustees shall appoint a Pound Keeper for each pound established by them, and he shall hold his office for the term of one year and until his successor is appointed and qualified. If the Pound Keeper shall fail or refuse to qualify or to act, or if a vacancy shall at any time occur from any cause, said Board of Trustees shall make a new appointment.

Sec. 3. Said Board of Trustees shall from time to time establish the rate of fees and charges to be paid to the Pound Keeper for receiving, keeping, and feeding the several kinds of beasts authorized by this Act to be impounded, and such rate of fees and charges shall be kept posted up by the Pound Keeper at some conspicuous place at his pound; but neither such fees or charges, nor the costs or charges of establishing, furnishing, or maintaining the pound shall be paid out of the Township or County Treasuries.

Sec. 4. Any person finding any horse, mare, mule, jack, jenny, or any cattle, sheep, hogs, or goats trespassing on his enclosed land, may recover all damages by him sustained by the incursion and trespassing of such animals by a civil action against the owner thereof, or by distraining the beasts doing damage as aforesaid, and proceeding therewith as hereinafter directed.

Sec. 5. The beasts so distrained for doing damage shall, within twenty-four hours after being distrained, be driven to the nearest pound in said county, but not more than ten miles from the place where the same have been distrained, and shall be placed in the custody of the Pound Keeper of said pound,
who shall furnish them with suitable food and water while they remain impounded.

Sec. 6. The distrainor of such beasts shall leave with the Pound Keeper a memorandum in writing, under his hand, stating the cause of the impounding, the sum that he demands from the owner of said beasts for damages done by the beasts, and the name of the owner or keeper of such beasts, if known to him, and the kind and number of such beasts, and their marks and brands, if they have any; and the Pound Keeper shall enter the same or an abstract thereof in a book kept by him for that purpose, and keep a list of such beasts while they remain in his custody posted up at his pound.

Sec. 7. The Pound Keeper, when the beasts are in his custody, shall not deliver them to the owner or keeper until the owner or keeper pays him his fees and charges, the sum demanded by the distrainor for his damages, the expense of advertising the beasts, if they have been advertised, and all other legal costs and expenses.

Sec. 8. When beasts are impounded, the distrainor shall, within twenty-four hours thereafter, give notice of such impounding in writing to the owner or keeper thereof, if known to him, and living within ten miles from the place of distraining, which notice shall be delivered to the party, or left at his place of abode, and shall contain a description of the beasts, with their marks and brands, if any, and a statement of the time, place, and cause of impounding, and the claim for damages.

Sec. 9. If there is no person entitled to the notice, according to the preceding sections, and the proper person does not appear to claim the beasts impounded, the distrainor shall, within forty-eight hours after their being impounded, post notices in at least three public places in the townships where they were distrained, stating therein the description of the beasts, the time and place of and the cause of their being distrained, by whom distrained, the damages claimed by him, and the place where impounded; and in case their value shall exceed fifty dollars, he shall within ten days after their being impounded cause a like notice to be published weekly, for three successive weeks, in a newspaper of general circulation in said county. The posting and publication of the notices may be proved by the affidavit of any person knowing the same to have been done, and the cost for posting and publication shall be the same as in case of sales of property by Constables, and shall be paid as other costs and charges are herein required to be paid.

Sec. 10. If the owner or keeper of the beasts is dissatisfied with the claim for damages of the distrainor, he may, within five days after the notice to him or after the advertisement as above provided for, have the amount for which he is liable ascertained and determined by referees, one to be selected by the distrainor, one by the owner, and the third by the two so selected; and if they cannot agree upon the third referee, or if either of the parties fail or refuse to select a referee, as above provided for, he or they shall be appointed by the Justice of the Peace nearest to the place where the beasts were distrained. Said parties may agree upon a less number of referees. Said referees shall be sworn if required by either of the parties, and they shall within
two days after their appointment ascertain and determine the amount of such claim for damages, and forthwith return the same in writing to the Pound Keeper. The referees shall be entitled to the same fees as jurors in civil cases before a Justice of the Peace. If the referees reduce the amount of the distraining claim more than ten per cent, he shall pay said fees, and if not so reduced, such owner or keeper shall pay such fees.

Sec. 11. If the sum for which the beasts were impounded, with the fees, charges, and expenses above provided for, be not paid within two days after notice of impounding has been given as above directed, or after the last publication in a newspaper as above directed, if referees have not been appointed as above provided for, the distraining shall apply to the said Justice of the Peace and obtain the appointment of three referees, who shall ascertain and determine the amount of damages for which the beasts have been impounded, and return the same in writing to said Justice of the Peace and said Pound Keeper.

Sec. 12. If the amount found due by the referees for damages, and the fees, costs, and expenses above provided for be not forthwith paid, the Pound Keeper shall sell the said beasts or so many thereof as may be necessary to pay said damages, fees, costs, and expenses, and accruing costs, at public auction, after advertising the time and place of sale, not less than five days, in the same manner as in case of sales of personal property under execution by Constables.

Sec. 13. The Pound Keeper shall, within five days after such sale, pay the proceeds of such sale, after deducting said damages, fees, costs, and expenses thereof, to the County Treasurer of said county, and file his receipt therefor with the County Auditor of said county. If any person shall, within two years thereafter, show to the Board of Supervisors of said county that he is entitled to the said sum of money or any part thereof, they shall order the same to be paid to him; and if the same shall not be so ordered to be paid within two years, then it shall be paid by said Treasurer into the Common School Fund of said county.

Sec. 14. In all actions and proceedings wherein the legality or sufficiency of proceedings under this Act are in issue or brought in question, this Act shall be liberally construed, and only a substantial compliance with the provisions thereof shall be required to be proved.

Sec. 15. All laws and parts of laws so far as they conflict with the provisions of this Act are hereby repealed.

CHAP. CCCVI.—An Act to organize and regulate townships in San Mateo County, and to define the respective powers, duties, and compensation of county and township officers in certain cases.

[Approved March 22, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. The townships in San Mateo County shall remain as now established, with only such changes in the boundaries thereof as the Board of Supervisors may in their discretion think proper to make in order to avoid the division thereby of an entire farm, lot, or tract of land.

Sec. 2. There shall be in and for each of said townships a Board of Trustees, consisting of the County Supervisor elected for the township as now provided by law, and two additional Trustees, to be elected by the qualified electors of the township at the time, in the manner, and for the term as now prescribed by law for the election of such Supervisor. The Supervisor shall be Chairman of the Board of Trustees. The County Board of Supervisors, at its first regular meeting after the passage of this Act, shall order a special election in each township for the election of two Trustees, to be held on the first Wednesday in May next; and the Trustees thus elected shall hold office until the election and qualification of their successors, to be chosen at the next regular election of Supervisors as above provided. Said
special election shall be held and conducted conformably with the general laws regulating elections. The Board of Supervisors shall cause to be given and published at least ten days notice of such special election in such mode as to give it general publicity.

Sec. 3. The Justices of the Peace and Constables in and for each township shall continue and are to be elected subject to the existing provisions of law in all respects as if this Act had not been passed. There shall also be in and for each township a Township Clerk, (who shall be ex officio Clerk of the Board of Trustees,) and a Township Treasurer, who shall be appointed by the Board of Trustees, and hold office for two years, unless sooner removed by the said Board; also a Road Overseer, to be appointed by and to hold office during the pleasure of the Board of Trustees. No person but a qualified elector of the township shall be eligible to any township office. All officers shall take the constitutional oath of office; and the Clerk, Treasurer, and Road Overseer shall each execute an official bond conformably with existing laws relating to official bonds, which bond shall be approved by the Board of Trustees, and be in such amount as said Board shall prescribe. The Clerk may be appointed Treasurer should the Board of Trustees deem it expedient.

Sec. 4. The Board of Trustees shall assemble as soon as convenient after their election. They shall hold stated meetings for the transaction of business at such times and places in the township as they may fix. Two of their number shall constitute a quorum to do business. They shall establish rules for and keep a journal of their proceedings, and cause a record to be made of the vote of every member on all questions acted on by them. Their proceedings shall be public. In case of any vacancy in the Board of Trustees, the Board of Supervisors of the county shall appoint one of the qualified electors of the township to fill it, upon the petition of twenty or more taxpayers of the township recommending such elector for the vacancy.

Sec. 5. The Township Clerk shall receive such compensation as the Board of Trustees shall allow, not exceeding in the aggregate one hundred dollars for any one year, payable out of any township funds at the disposal of the Board. The Road Overseer, for his labor and services as such, shall receive such compensation per diem during the time that he shall be actually employed as the Board of Trustees shall allow, not exceeding three and one half dollars per day, payable out of money collected for the road poll tax in the township, which shall continue to be levied and collected under the provisions of the Act entitled an Act concerning roads and highways in the County of San Mateo, approved April twenty-seventh, eighteen hundred and sixty-three, and the Act supplementary thereto, approved February fifteenth, eighteen hundred and sixty-four. The Road Overseer shall be ex officio Collector of said road poll tax, which shall hereafter in all cases be payable and collected in cash, and in United States gold or silver coin; and for that service he shall receive such commissions on the amount actually collected as the Board of Trustees shall have previously fixed, not exceeding fifteen per cent.

Sec. 6. If any person liable to pay a road poll tax under the provisions of the Acts cited in the preceding section shall refuse
to pay the same after personal demand made in writing by the
Road-Tax Collector, provided for in this Act, the Road Tax
Collector shall seize so much personal property belonging to
such delinquent as shall be sufficient to pay the tax and costs,
and shall sell the same at public auction to the highest bidder,
for cash, after giving one hour’s notice by public proclamation
of the time and place of sale; and in default of bidders, the sale
may be postponed once or more by proclamation, not to exceed
five days in all. Out of the proceeds of sale, the Road Tax Col-
lector shall retain the amount of tax due, with three dollars
additional for his fees and costs of sale, returning the overplus,
if any, to the delinquent.

Sec. 7. It shall be the duty of the Collector of each township
to keep a book in which he shall enter or cause to be entered
the name of each person from whom he shall collect a road tax,
the year and day of the month when collected, and as minutely
as possible in what portion of the township each taxpayer
resides. He shall present a written statement, under oath, to
the Township Treasurer, on or before the second Monday in
April, August, November, and January of each year, and pay
over to the said Treasurer all moneys collected, after deducting
his percentage for the collection of the same, for which payment
he shall take a receipt and a duplicate of the same from the said
Treasurer, and file the original with the County Auditor within
five days thereafter. The Collector of each township shall, at
his annual settlement in the month of December, deliver to the
County Auditor all road tax receipts in his possession belonging
to said office, or at such other times as the Board of Trustees
may direct, taking the Auditor’s receipt therefor. All such tax
receipts shall be placed to his credit in the said Auditor’s
account.

Sec. 8. Any moneys collected for road poll taxes or other
taxes belonging to the township may, by order of the Board of
Trustees, be deposited with the County Treasurer to the credit
of the township, and be drawn out by order of said Board of
Trustees and placed in hands of the Township Treasurer for
disbursement from time to time, in the same manner as moneys
of the township collected for taxes, as hereinafter provided.
Any officer who shall use, loan, disburse, pay out, or deposit
any funds of the township in any manner or for any purpose
not authorized by this Act, shall, on conviction, be punished by
fine not exceeding one thousand dollars, or imprisonment in the
County Jail or State’s Prison not exceeding three years, or by
both such fine and imprisonment.

Sec. 9. No county tax shall hereafter be levied for the Hos-
pital Fund or for the Road Fund except the road poll tax, to be
collected and expended in the several townships as hereinafter
mentioned; but for the Hospital Fund and Road Fund of the sev-
eral townships, the Board of Supervisors shall annually levy
and collect in the same manner as State and county taxes are
levied and collected, such amount, rate, or proportion upon all
the taxable property situated within the boundaries of each
township respectively, according to the assessment roll, as the
Board of Trustees thereof shall propose, and the assessed owners
of the greater part in value of said taxable property shall assent
to, as hereinafter provided; the moneys thence arising to be paid and deposited in the County Treasury to the credit of such township, and to be drawn out for disbursement from time to time upon the orders in writing of the said Board of Trustees in such sums as they shall judge convenient; provided, that the hospital tax shall in no case exceed the rate of fifteen cents on the one hundred dollars valuation; nor the road tax fifty cents, unless with the unanimous concurrence of all the members of the Board of Trustees, and the assent of the assessed owners of three fourths at least of all the taxable property of the township, according to the assessment roll. The proposition to levy any tax shall be submitted and the assent of the taxpayers thereto shall be indicated in the manner hereinafter provided, and not otherwise.

Sec. 10. Whenever the Board of Trustees shall propose any tax or taxes to be levied as aforesaid, they shall submit the proposition to the taxpayers of the township, by public notice in writing, specifying the object and amount, or rate, of each proposed tax, which notice shall be posted in three of the most public places of the township for three weeks or more, and be published in such other mode as the Board of Trustees may deem necessary, and the notice shall also inform the taxpayers when and where they must apply to signify their assent to such proposed tax or taxes, which shall be kept open during a period of five consecutive days, commencing not less than three weeks and ending not more than thirty days after the first posting of said notice, and the place shall be at the Township Clerk's office, or such other more public, convenient, or accessible place as the Board of Trustees may direct and specify in said notice.

Sec. 11. During the time designated for the purpose in such notice, any assessed owner of taxable property situated within the township may signify his assent to the proposed tax, (or to such proposed tax separately, if more than one is proposed at the same time,) by signing his name to a paper or document, in duplicate, prepared by the Board of Trustees, headed with the proposition submitted, and expressing assent thereto on the part of the undersigned. Each such paper shall propose but one tax, specifying the object, amount or rate, and how many years to be levied, whether one, two, or three; but longer than three years no such tax shall be levied without resubmitting it to the taxpayers in the same manner. The signatures to such papers shall be witnessed, or their genuineness certified to, by the Township Clerk, or some member of the Board of Trustees, or part by one and part by another or others of said officers.

Sec. 12. One duplicate copy of the said paper or document, signed, witnessed, authenticated, and certified as aforesaid, together with a certified copy of the order of the Board of Trustees proposing the tax, shall, as soon as practicable after the expiration of the said term of five days, be delivered to the County Clerk, to be by him laid before the Board of Supervisors, together with a certificate, to be signed by him and the County Auditor, stating that they have for the purpose carefully examined the assessment roll of the fiscal year then current, and that the names subscribed to the said paper or document assenting to the proposed tax, do or do not (according to the fact) comprise the assessed owners of more than half (or three
fourths, as the case may require) of the aggregate amount of
the taxable property situated within said township, according
to said assessment roll; which examination and certificate of
the Clerk and Auditor shall be deferred, if practicable, until the
equalization of the assessment roll is completed, but shall be
delivered to the Board in time to enable them to levy the tax,
as in the next section provided. The said certificate of the
Clerk and Auditor shall, in all cases affecting the validity of the
tax, be conclusive evidence of the fact so certified.

Sec. 13. The Board of Supervisors shall examine the docu-
ments and proceedings in reference to the proposed tax, and
finding the same conformable with the law, (on which point the
determination of the Board shall be conclusive,) shall, at the
time of levying the county taxes, also levy for the said town-
ship, upon the taxable and assessed property therein situated,
according to the assessment roll completed and equalized for
the fiscal year then current, such tax or taxes as the Board of
Trustees shall have proposed, and the taxpayers shall have
assented to as aforesaid.

Sec. 14. The Board of Supervisors of San Mateo County
shall hereafter have power to levy and collect for county pur-
poses, upon the whole amount of taxable property in the county
entered and appearing upon the assessment roll after the com-
pletion and equalization thereof, each year, the following taxes
and no others: For the General Fund, such rate or proportion
as upon the aggregate value of said roll as footed up will pro-
duce an amount not exceeding six thousand five hundred dollars,
and for the School Fund, a rate ascertained and fixed in the
same manner, which will produce an amount not exceeding five
thousand dollars; provided, that for the fiscal year eighteen hun-
dred sixty-six eighteen hundred and sixty-seven, the said Board
may levy in the same manner for the General Fund two thou-
sand dollars more, making seven thousand dollars in all—the
rate being ascertained and fixed in all cases by mathematical
calculation, without allowing for delinquencies. The County
Auditor shall calculate the rate and certify to its correctness,
which certificate shall be attached to the assessment roll. After
the lapse of two years from the passage of this Act, the Board
of Supervisors, if they should deem it necessary, shall have
power to increase the rate of taxation for the General Fund and
the School Fund to such extent, each year successively, as will
add five hundred dollars to the former and four hundred to the
latter.

Sec. 15. All county and township taxes shall be payable and
collected in the gold and silver coin of the United States, and
all expenditures and disbursements for county and township
purposes shall be made in the same currency. All lawful claims
against the Road Fund, or Hospital Fund, or for the relief of the
indigent, hereafter accruing, shall be examined and allowed by
the Board of Trustees of the township in which they accrue,
and on being duly allowed shall be paid by the Township Treas-
urer out of the funds of the fiscal year in which they accrue and
become payable, and from no other source. The Township Clerk
and each member of the Board of Trustees shall have power to
administer oaths and examine any person on oath; and take and
certify any affidavit, (for which service no fee shall be exacted,) respecting any claim or demand against the township or otherwise, when necessary in the discharge of their official duties.

Sec. 16. The Board of Trustees of each township shall have power to order and direct the execution of such works in the construction, repair, and improvement of public roads and highways in the township as they shall deem necessary, payment therefor to be made out of the Road Fund belonging to the township, and to take and exercise the general care of all such public roads and highways; and it shall be the duty of the Road Overseer, and he shall have power, subject to the orders and direction of the Board of Trustees, to keep the public roads and highways within his township clear of obstructions and in good order and repair, and to execute such works thereon as may be ordered by the Board of Trustees. For that purpose the Road Overseer is required to work on the roads himself personally, and, subject to the aforesaid orders and direction, may purchase and procure necessary and suitable materials, and employ any necessary additional labor.

Sec. 17. The Board of Trustees shall have power to provide for the relief of such indigent persons, being residents of such township for one year or more, who are destitute of pecuniary means of subsistence, and by reason of sickness, deceptitude, or any bodily infirmity, unable to labor, and not having friends or relatives willing or legally obliged to support them, whose indigent and suffering condition renders them proper objects of public charity; payment of all expenses incurred in such cases to be made out of the township Hospital Fund. To ascertain whether any person is entitled to such relief, or any other material fact in the premises, each member of the Board of Trustees and the Township Clerk shall have power to administer oaths and examine such person on oath, and also any witnesses whom he may think proper by a subpoena under his hand to call before him, which examination shall be reduced to writing in the form of deposition, and being certified by the person taking it, shall be filed with the Clerk of the Board.

Sec. 18. The Board of Trustees shall cause to be kept in a permanent form a registry of all persons who shall become chargeable to or be in anywise relieved or supported by the township, which registry shall show, as far as the same can be ascertained from time to time, the name, age, place of nativity, and place of settlement of such persons, and to what country his allegiance is due; the time of his first coming into this State, time of his first coming to said township, and whence he came; when he first became chargeable to said township, and when and how he ceased to be so, if he has ceased to be chargeable; whether he or she is married or single, and the cause or causes of his or her coming to poverty or indigence; whether he or she has any property or effects, and if so what and where situated; also the names and places of residence of any near relatives of such person; also the description necessary to the identity of his person.

Sec. 19. The Board of Trustees are hereby authorized to purchase the necessary books, blanks, and stationery for official use, and also blank forms, for demands against the township;
and should they deem it necessary, a sufficient number of ploughs and scrapers for use on the roads of such township, and the same shall be used exclusively for that purpose, and the cost and expenses thereof shall be paid out of the Road Fund. The books, records, and official papers of all township officers shall at the expiration of their respective terms of office be handed over to their successors when legally qualified. Such books and records shall be open to the public inspection.

Sec. 20. Every person having a lawful claim payable out of any township funds shall within six months after it accrues present to the Board of Trustees of the township a demand therefor in writing, signed by him or his agent, and verified by affidavit, stating minutely what the claim is for, by what particular provision of the law its payment out of the Township Treasury is authorized, and specifying each several item, with the proper date and amount thereof. If the Board of Trustees shall be satisfied of the correctness and legality of the claim, and allow it, the Chairman shall indorse thereon such allowance, with the date, and sign it, with the Clerk, who shall register it in a book kept for that purpose. The Clerk shall at the time of the registration by him of any demand upon the Treasury, place a number upon it, (which numbers shall begin with the fiscal year, and run successively to the end of it,) and shall specify out of what fund it is payable. In the register book he shall record all the demands allowed by the Board, with the number, date, amount, when allowed, out of what fund payable, in whose name presented, and subject matter of the claim substantially stated.

Sec. 21. Neither the Board of Trustees, nor any officer, or authority shall have power to contract any debt against any township in the County of San Mateo, and no person or property therein shall ever be liable to be assessed or be subject to taxation in any form to provide for the payment of any debt hereafter contracted, or of any claims against any township, except such legal and proper expenses thereof as shall accrue after the commencement of the fiscal year for which the tax shall be levied; and no part of the moneys levied and collected by taxation for one fiscal year shall ever be applied towards the payment of any expenses, debt, or liability incurred during any preceding fiscal year. It is, moreover, declared that the fiscal year commences on the first day of July, and ends on the thirtieth day of June.

Sec. 22. Every lawful demand duly audited as in this Act provided, shall be paid on presentation to the Township Treasurer, if sufficient funds exist in the Treasury legally applicable to that purpose, and if not, then such demand shall be registered by the Treasurer in a book to be by him kept for that purpose, with its number, amount, in whose name presented, on what account, and when allowed, out of what fund payable, with the date of such registration. All demands thus registered shall be paid out of moneys afterwards coming into the said Treasury applicable thereto in the order of their registration, that is to say, out of any moneys in the proper fund arising from the reve-
nues properly and strictly belonging to the fiscal year in which the claim accrued, or from the surplus revenues or funds of any preceding year remaining in the Treasury after the satisfaction of all lawful claims and demands against the same; and against such moneys or funds only shall such demand be deemed valid either in law or equity. But if no such moneys or funds sufficient and applicable for the payment of such demand in its order shall afterwards come into the said Treasury, then the same shall be forever barred and extinguished, the Board of Trustees having no power to contract debts or enter into any obligations or contracts without the means to discharge them, or otherwise than subject to the provisions and restrictions aforesaid as to payment.

Sec. 23. Every officer (including each member of the Board of Trustees) who shall approve, allow, or pay any illegal or unauthorized claim or demand upon any Township Treasury, or pay out or disburse any township funds or moneys contrary to or without the authority of law, shall be liable to the township for the amount thus directly paid, or paid out, or disburshed on such claim or demand; and the same may be recovered by an action against the persons so liable therefor jointly or severally in the name of the County of San Mateo. It shall be the duty of the Board of Supervisors and each member thereof, as well as of the District Attorney, to see that suit is brought in the proper cases for the enforcement of the provisions of this section.

Sec. 24. It is hereby declared to be the official duty of every county or township officer, including each Township Trustee and each Supervisor, who contracts or authorizes a contract for labor, materials, or anything else for the use or service of the County of San Mateo or any township therein, to ascertain and know beforehand whether there will be public funds sufficient and applicable to pay for the same; and every such officer acting willfully, recklessly, or heedlessly in violation of such his duty, or without the exercise of ordinary care, prudence, or foresight, shall be personally liable to the claimant for the amount of any just claim by him contracted or authorized as aforesaid, which the public funds legally applicable shall be inadequate to discharge.

Sec. 25. The Board of Trustees shall annually, on the first Monday in July, make out a full and correct statement of all moneys received and expended, from whom and for what purpose received, and to whom and for what purpose expended, during the year next preceding, and shall cause such statement to be posted up in three of the most public places in the township.

Sec. 26. It shall hereafter be the duty of the Assessor in the County of San Mateo to make up the assessment roll in such form as to indicate in which of the townships any assessed property is situated, and in which township any taxpayer whose name appears on the roll has his residence, if a resident of the county; and the Board of Supervisors may by order, should they deem it expedient, prescribe the form of the said roll (so far as necessary) to accomplish this object. The said Board shall also have power to decide all questions which may arise as to which township any person or property is liable to be taxed in for township
purposes. And the said Board may also establish general rules and regulations not contrary to law for carrying the provisions of this Act into effect, and for preventing and determining all conflict in the powers and duties of county and township officers.

Sec. 27. The following laws are hereby repealed: The fourth and fifth subdivisions of section eight, also sections seven, nine, ten, twelve, and thirteen of the Act entitled an Act to provide for the continuance and election of a Board of Supervisors in and for the County of San Mateo, and to define and limit the powers and duties of said Board in certain cases, approved March twenty-fourth, eighteen hundred and sixty-four; also, the tenth, fourteenth, and fifteenth sections of the Act entitled an Act concerning roads and highways in the County of San Mateo, approved April twenty-seventh, eighteen hundred and sixty-three; also, the first, second, third, fourth, and fifth sections of the Act supplementary thereto, approved April fifteenth, eighteen hundred and sixty-four; also, the proviso contained in the ninth section of the Act entitled an Act to define and limit the compensation of officers and reduce public expenses and taxation in the County of San Mateo, approved February sixth, eighteen hundred and sixty-four; also, all laws conflicting with this Act. No repeal of any law by the provisions of this Act shall invalidate any taxes heretofore levied, or affect any proceedings for the collection or enforcement thereof; but such proceedings shall be prosecuted and the taxes be collected in the same manner as if such repeal had not taken place.

Sec. 28. This Act shall take effect immediately after its passage. In all legal and other proceedings, legislative Acts, and other cases, it may be cited and referred to by the title of the "San Mateo Township Law;" and the Act entitled an Act to define and limit the compensation of officers and reduce public expenses in the County of San Mateo, approved February sixth, eighteen hundred and sixty-four, may be referred to and cited by the title of the "San Mateo Reform Bill." Both Acts, including such other local laws as the President of the Board of Supervisors and Auditor of said county shall deem necessary, shall be collated and printed in pamphlet form, and three hundred copies of the pamphlet shall be struck off for free distribution among the officers and citizens in said county, the expense thereof, not exceeding one hundred dollars, to be paid out of the County Treasury of said county, on a demand presented and duly audited like other lawful claims against said county.

He shall furnish the State Board of Education, the State Board of Examination, and each County Board of Examination with suitable diplomas and certificates, and shall prepare a State school register, which shall be furnished to each school and school district in the State. He shall cause all school laws to be printed in a pamphlet form, and shall annex thereto forms for making reports and conducting school business; the course of study, rules and regulations, and list of text books and library books adopted and prescribed by the State Board of Education; and such suggestions on school architecture as he may deem useful, with such woodcuts and plans of school houses as he may be able to obtain, or which may be provided by State appropriation. He shall order printed a number of copies sufficient to supply each school officer and teacher, and each school library with at least one copy thereof, and to furnish with one copy
each Superintendent of Public Instruction, and each State Library of each State and Territory in the United States, and shall so distribute them.

Sec. 7. The Superintendent of Public Instruction shall file, arrange, and cause to be bound in a substantial form all valuable printed and manuscript reports in his office relating to the early educational history of this State, and shall cause to be bound all valuable school reports, school journals, and school documents of this and other States which may be sent to his office, and shall retain them as part of the archives of his office; and such sum as may be necessary, not to exceed two hundred and fifty dollars, is hereby annually appropriated and set apart out of the State School Fund, before apportionment, and the Controller is hereby authorized and directed to draw his warrant for such sums as may be allowed and audited by the State Board of Examiners for the objects of this section.

Sec. 8. The Superintendent of Public Instruction shall be ex officio one of the Trustees of the Asylum for the Deaf and Dumb and Blind, and of the State Reform School; and shall visit those institutions from time to time to inquire into their management and the systems of instruction pursued therein, and shall make a biennial report thereof. He shall visit the several Orphan Asylums to which State appropriations are made, and report concerning the instruction given to the children therein; and shall also visit, as far as may be practicable, the several incorporated literary institutions in the State, and make such report thereof as he may deem proper.

Sec. 9. It shall be the duty of the Superintendent of Public Instruction to travel in the different counties of the State, so far as is possible without neglecting his other official duties, during at least four months of each year, for the purpose of visiting schools, of consulting with County Superintendents, of lecturing before County Institutes, and of addressing public assemblies on subjects pertaining to public schools; and the actual travelling expenses incurred by the Superintendent in the discharge of this duty shall be allowed, audited, and paid out of the General Fund in the same manner as claims upon said fund are now allowed, audited, and paid; provided, that the sum so expended in any one year shall not exceed one thousand dollars; and the sum of two thousand dollars, or so much thereof as may be necessary, is hereby biennially appropriated for payment of the same.

Sec. 10. The Superintendent of Public Instruction shall, at the expiration of his term of office, deliver over, on demand, to his successor, all property, books, documents, maps, records, reports, and other papers belonging to his office, or which may have been received by him for the use of his office.

OF THE STATE CONTROLLER.

Sec. 11. The State Controller shall keep a separate and distinct account of the School Fund, and of the interest and income thereof, together with such moneys as may be raised by special State tax, State poll tax, or otherwise, for school purposes. He shall, on or before the first day of February of each year, report
to the Superintendent of Public Instruction a statement of the securities belonging to the School Fund, of the moneys in the Treasury subject to apportionment, and the several sources from which they accrued, which reports shall be included in the biennial report of the State Superintendent. He shall draw his warrant on the State Treasurer in favor of any County Treasurer whenever such County Treasurer shall present the order drawn by the Superintendent of Public Instruction in favor of such county, duly indorsed by said County Treasurer.

OF THE STATE TREASURER.

Sec. 12. It shall be the duty of the State Treasurer to receive and hold as a special deposit all school moneys paid into the Treasury, and pay them over whenever applied for, only on the warrant of the State Controller, issued on the order of the State Superintendent, attested by the seal of the State Board of Education, in favor of each County Treasurer, which orders, duly indorsed by the County Treasurer, shall be the only valid vouchers in the hands of the State Controller for the disbursement of the school moneys; provided, that for the payment of subscriptions for a State educational journal, and for binding documents in the office of the Superintendent of Public Instruction, as elsewhere provided in this Act, the bills audited by the State Board of Examiners for such purposes shall be valid vouchers, for which the Controller shall draw his warrant the same as for the orders of County Treasurers. No mileage or allowance of any kind shall be made to any County Treasurer for receiving said school moneys and transporting them to his county.

COUNTY TREASURER.

Sec. 13. It shall be the duty of the County Treasurer of each county:

First—To receive and hold all school moneys as a special deposit, and to keep a separate account of their disbursement to the several school districts which shall be entitled to receive them, according to the apportionment of the Superintendent of Public Instruction and the County Superintendent of Common Schools;

Second—To notify the County Superintendent of Common Schools of the amount of State School Fund in the County Treasury subject to apportionment, and whenever required, to inform said Superintendent of the amount of school moneys subject to apportionment;

Third—To pay all warrants drawn on State or county school moneys, in accordance with the provisions of this Act, whenever such warrants are countersigned by the County Auditor and properly indorsed by the holders;

Fourth—To make annually, on or before the first day of August, a financial report for the last preceding school and fiscal year, to the Superintendent of Public Instruction, in such form as may be required by him.
SECTION 14. A County Superintendent of Common Schools shall be elected in each county, at the general election in the year eighteen hundred and sixty-seven, and every two years thereafter, who shall take office on the first Monday in March next succeeding his election, and hold for two years, and until his successor is elected and qualified. He shall take the oath or affirmation of office, and shall give an official bond to the county, in a sum to be fixed by the Board of Supervisors of said county.

SECTION 15. The County Superintendent shall apportion all school moneys to the school districts in accordance with the provisions of this Act, as soon as practicable after the State apportionment has been made, and shall make quarterly apportionments thereafter; and he may make apportionments at such other times as may be required by special laws, or deemed necessary for the convenience of school officers. He shall draw his warrant on the County Treasurer in favor of persons entitled to receive the same; provided, that no such warrant shall be drawn against the School Fund of any city, town, or district, without an order of the Board of Trustees, or Board of Education, showing for what purpose the money is required; and, provided, further, that no such warrant shall be drawn unless there is cash in the Treasury to the credit of said city, town, or district.

SECTION 16. The County Superintendent shall have power and it shall be his duty:

First—To visit each school in his county at least once a year;

Second—To distribute promptly all reports, forms, laws, circulars, and instructions which he may receive for the use of school officers from the Department of Instruction or the State Board of Education;

Third—To report to the Superintendent of Public Instruction annually, on or before the twentieth of August, for the school year ending on the last day of June next preceding, such statistics as may be required by him or by the State Board of Education;

Eighth—To keep a record of his official acts, and of the acts of the County Board of Examination;

Ninth—To carefully preserve all reports of school officers and teachers, and at the close of his official term deliver to his successor all records, books, documents, and papers belonging to the office, taking a receipt for the same, which shall be filed in the office of the County Clerk.

SECTION 17. If the County Superintendent fails to make a full and correct report to the Superintendent of Public Instruction of all statements required to be made by law, he shall forfeit the sum of one hundred dollars from his salary; and the Board of...
Supervisors are hereby authorized and required to deduct there-from the sum aforesaid, upon information from the Superintendent of Public Instruction that such returns have not been made.

Sec. 18. The County Superintendent shall have power to administer oaths and affirmations to School Trustees, Marshals, Assessors, Collectors, Teachers, and other persons, in all official matters connected with or relating to schools, but shall not have power to make or collect any charge or fee for so doing.

Sec. 19. The County Superintendent shall have power and shall be his duty to appoint Trustees for any district which from any cause fails to elect at the regular time; to appoint Trustees to fill vacancies; to appoint Trustees for any new district; provided, however, that when a new district is organized, such of the Trustees of the old district as reside within the limits of the new one shall be Trustees of the new one, and the vacancy in the old district shall be filled by appointment.

Sec. 20. The Superintendent shall, whenever he deems it necessary for the health or comfort of pupils, require the Trustees of any school district to repair the school buildings or property, or to abate any nuisance in or about the premises; provided, such repairs or abatement can be done for a sum not exceeding fifty dollars, and there is a sufficient amount of money in the Treasury to the credit of the district. He shall also in all cases require the Trustees to provide such privies and outhouses as decency requires; and if the Trustees refuse or neglect to make such provision, he shall cause it to be done, and shall pay for it on his own warrant out of any money to the credit of the district.

Sec. 21. Whenever the number of school districts in any county is ten or more, the County Superintendent shall hold at least one Teachers' Institute in each year; and every teacher employed in a public school in the county shall attend every such Institute and participate in its proceedings. Each session of a County Institute shall continue not less than three nor more than five days; and the Superintendent shall, if practicable, secure lecturers and instructors competent to instruct teachers in the theory and practice of teaching. Every Board of Trustees and every Board of Education shall not only allow but shall require the teachers in its employ to attend every Teachers' Institute held in the county; and when the Institute is held during the time that teachers may be employed in teaching, their pay shall not be diminished by reason of attendance on said Institute. For the payment of the expenses of the Institute, a sufficient sum, not exceeding one hundred dollars in any one year, shall be paid on the warrant of the Superintendent, out of the unapportioned County School Fund. The Superintendents of two or more counties may unite and hold a joint Institute, in which case the expenses shall be apportioned by the Superintendents between the counties joining in the Institute. In any county in which there are less than ten school districts, the Superintendent may, if he deem proper, hold an Institute. Any county in which the teachers have a regularly organized County Association or Institute, and hold regular monthly meetings during the year, shall be excepted from the provisions of this section whenever a majority of the
teachers of said county shall determine by vote to sustain such monthly associations.

Sec. 22. The County Superintendent shall furnish his office with such works on school architecture as may be prescribed by the State Board of Education, and shall pay for them on his own warrant, out of the unapportioned County School Fund. Such works shall be kept in his office for the use of Trustees and teachers. Except in cities having special Boards of Education, no school house shall be erected unless the Trustees first submit the plan to the County Superintendent; and in all plans, as far as practicable, regard shall be had to taste, convenience, durability, and economy.

Sec. 23. If at any time when there is sufficient money in the County Treasury to the credit of any school district to keep a school open in said district for a period of five months, and if the Trustees of such district, from any cause whatever, fail, neglect, or refuse to open such school, and keep it open, the County Superintendent shall appoint a teacher, and cause the school to be opened and kept open, and he shall pay therefor by his warrant on the fund to the credit of the district.

Sec. 24. It shall be the duty of the County Superintendent of each county to draw his warrant on the County Treasurer for any bill in favor of any school district, duly signed by the Trustees and authorized by the provisions of this Act, and to draw his warrant in his own favor on the unapportioned county school money for the payment of members of the County Board of Examination; for the expenses of an annual County Institute; for the binding of school documents, not to exceed twenty dollars a year; for postage and expressage for his office, not to exceed one dollar for each district in his county; and for any other incidental expense of his office which may be authorized in this Act.

Sec. 25. It shall be the duty of every County Superintendent to inquire and ascertain whether the boundaries of school districts in his county are definitely and plainly described in the records of the Board of Supervisors; and to keep in his office a full and correct transcript of such boundaries. In case the boundaries of districts are conflicting or incorrectly described, he shall change, harmonize, and describe them, and make a report of such action to the Supervisors; and on being ratified by the Supervisors, the boundaries and descriptions so made shall be the legal boundaries and descriptions of the districts of that county. For searching and transcribing such records, and equalizing district boundaries, he may be allowed by the Supervisors a sum not exceeding five dollars per day for each day's labor, to be paid out of the County School Fund. The County Superintendent, if he deem it necessary for the guidance of School Census Marshals, may order the descriptions of the district boundaries to be printed in pamphlet form, and pay for the same out of the County School Fund.

Sec. 26. Each County Superintendent, except when otherwise provided by statute, shall receive such salary and his reasonable travelling expenses, to be estimated by the Board of Supervisors, and as may be allowed by the Board of Supervisors, which shall be paid out of the County General Fund in the same
manner as other salaried county officers are paid; provided, that such compensation shall not be less than a sum equal to twenty dollars for each school district in his county, and that he shall be allowed, in addition to his salary, a sum for postage and expressage, payable out of the County School Fund, equal to one dollar for each school district.

OF SCHOOL DISTRICTS.

SEC. 27. Each county, or city, or incorporated town, shall constitute one school district, unless districts are otherwise determined and established by the Board of Supervisors or the proper city authorities.

SEC. 28. For the purpose of organizing a new district, or for a subdivision of or change in the boundaries of an old one, except as provided in section twenty-five, at least ten heads of families must present a petition to the County Superintendent, setting forth the boundaries of the new district asked for, or the change of boundaries desired, with reasons for the same. The County Superintendent shall transmit the petition to the Board of Supervisors, with his approval or disapproval, and such changes in the boundaries as he may deem necessary or advisable. The Supervisors shall establish the district as approved by the County Superintendent; provided, that by a unanimous vote of the whole Board they may establish the district in accordance with the original prayer of the petition, or with such modifications as they may choose to make, or may reject it.

SEC. 29. No new district formed by the subdivision of an old one shall be entitled to any share of the public moneys belonging to the old district, until a school has been actually commenced in such new district; and unless within four months from the action of the Supervisors a school is opened, then the action making a new district shall be void; and all elections or appointments of Trustees made in consequence of such action, and all rights and offices of the parties so elected or appointed shall cease and determine; and all taxes which may have been levied in such old district shall be valid and binding upon the real and personal property of the new district, and shall be collected and paid into the School Fund of the district.

SEC. 30. When a new district is formed by the division of an old one, it shall be entitled to a just share of the school moneys to the credit of the old district, after the payment of all outstanding debts at the time when a school was actually commenced in such new district; and the County Superintendent shall divide and apportion such remaining moneys, and such as may afterwards be apportioned to the old district, according to the number of census children resident in each district, for which purpose he may order a census so be taken.

SEC. 31. Whenever a district is formed lying partly in two adjoining counties, the Census Marshal shall report to each County Superintendent the number of children in the district residing in his county. In the same manner the Trustees and teacher shall make a distinct and separate report of all school statistics; and a teacher’s certificate granted by the Board of Examination of one county shall be valid for both counties.
SEC. 32. Any two or more adjoining districts may, by concurrent vote, agree to establish a union grammar school for the more advanced children of such districts, under the joint supervision of the Trustees, or a committee of Trustees of such districts; and such school shall be entitled to its pro rata of public moneys belonging to such united districts, apportioned according to the average number of scholars attending such school from each district. Said joint committee of Trustees shall have power to assess rate bills, to appoint teachers, and to manage the general business affairs of the school.

SEC. 33. All school property owned by any district, town, or city, and devoted to school purposes, shall be and the same is hereby exempted from taxation, and from sale on any execution, or other writ or order in the nature of an execution.

SEC. 34. The Board of Trustees of each school district shall have custody of all school property belonging to the district, and shall have power in the name of the district, or in their own names as Trustees of the district, to convey by deed all the interest of their district in or to any school house or lot directed to be sold by vote of the district; and all conveyances of real estate made to the district or to the Trustees thereof shall be made to the Board of Trustees of the district, and to their successors in office. Said Board, in the name of the district, shall have power to transact all business necessary for maintaining schools and protecting the rights of the district.

OF SCHOOL ELECTIONS AND TRUSTEES.

SEC. 35. An annual school meeting, for the election of School Trustees, shall be held in each district on the last Saturday in June of each year, at the district school house, if there be one, and if there be none, at a place to be designated by the Board of Trustees. The Trustees shall post written or printed notices thereof, specifying the day, time, and place of meeting, in at least three public places in the district, one of which shall be the school house, at least five days previous to the time of meeting. If the Trustees fail to give notice thereof, as required, then any citizen of the district may give it; but no such meeting shall be illegal for want of due notice. All elections shall be held by ballot; and the Trustees shall have power to determine the hours during which the ballot box shall be kept open, having given due notice thereof in the posted notice of election. Every elector, legally qualified to vote at any general election, having been a resident of the school district thirty days next previous to the time of such district election, shall be entitled to vote. Any person offering to vote may be challenged by any legally qualified elector of the district, and the Judge of Election shall thereon administer to the person challenged an oath in substance as follows: "You do swear [or affirm] that you are a citizen of the United States; that you are twenty-one years of age, according to the best of your information and belief; that you have resided in this State six months next preceding this election, and in this school district thirty days, and that you have not before voted this day." If he shall refuse to take the oath, his vote shall be rejected; and any person guilty
of illegally voting shall be punished as provided in the general election law of this State. The Trustees shall appoint the Inspector and Judges of Election; and in case none are so appointed, or if they are not present at the time for opening the polls, then the electors present may appoint the officers of election. A poll and tally list shall be kept, which shall be returned to the Clerk of the Board of Trustees; and with the exceptions mentioned in this section, the election shall be conducted as far as practicable in the form and manner of the general election. Any one of the old Trustees shall have power to administer to any Trustee elect the oath of office; and the Clerk of the Election shall issue his certificate of election to any Trustee elect, who shall forward it, with the oath attached or indorsed thereon, to the County Superintendent of Public Schools.

Sec. 36. In all organized districts in which elections have been previously held, one Trustee shall be elected for the term of three years, and if there are vacancies to be filled, a sufficient number to fill them for the unexpired terms; and the ballots shall specify the respective terms for which each Trustee is to be elected. In new districts, acting under Trustees appointed by the County Superintendent, three Trustees shall be elected, for one, two, and three years, respectively. Trustees elected shall take office on the first Saturday in July next after their election, and shall hold office until their successors are elected and qualified, or appointed by the County Superintendent and qualified. The term of office of any Trustee whose term would otherwise expire in September of any year, shall expire on the first Saturday in July of the same year. Any Trustee elected who shall fail to qualify within ten days after the term of office commences shall forfeit all right to the office, and the County Superintendent shall appoint to fill the vacancy.

Sec. 37. Whenever any new district is formed by ordinance of the Board of Supervisors, within thirty days thereafter a special school meeting may be called by notice of any three legal voters of said district, and such meeting shall be conducted in the manner and form provided in this Act for the annual school meeting for the election of Trustees. Such new district shall be considered organized whenever any two of the Trustees elected shall have qualified, and the record of the District Clerk shall be prima facie evidence of the legal organization of the district. The name of the new district, unless a name shall have been given by act of the Supervisors, may be determined by a majority of voters present at the first election of Trustees; but if at such meeting no name was given, then the Trustees at their first meeting shall name the district, and the Clerk shall record it in his record book.

Sec. 38. No district school meeting, annual or special, shall be organized before nine o'clock A.M., or closed before twelve o'clock M., or kept open less than one hour; and in all districts in which the number of children between five and fifteen years of age equals or exceeds three hundred, the polls shall be kept open from eight o'clock A.M., until sunset.
SEC. 39. Each Board of Trustees shall, within ten days after the annual election, meet at the school house, or if that be impracticable, at some other convenient place designated by the District Clerk, and proceed to elect one of their number Clerk of the Board, who shall be known and referred to as "District Clerk," and it shall be his duty to record all proceedings of the Board in a suitable record book, to record in the same book the proceedings of the annual school meetings, or of special school meetings, and to keep an accurate and detailed account of all receipts and expenditures of school moneys. At each annual school meeting the District Clerk shall present his record book for public inspection, and if required shall make a statement of the financial condition of the district and of the action of the Trustees.

SEC. 40. At the annual election for School Trustees, the people of the district may vote a tax, not to exceed half a mill on the dollar of the taxable property of the district, for the purpose of paying any debt of the district, or for a school library, or for furniture and apparatus, or for all or any of these together; and the tax so voted shall be levied and collected as is elsewhere provided in this Act for levying and collecting district taxes voted at special school elections.

SEC. 41. Every legally organized school district shall be known by the name and style of "—— District, [using the name of the district,] of ——— County," [using the name of the county in which such district is situated.] and in that name the Trustees shall be capable of suing and being sued in all Courts and places whatever, and of holding and conveying real estate for the use and benefit of such district, and such personal property as may be proper. If any school district has not here-tofore been named as herein required, but has been designated only by number, the Trustees shall give it a name, and the District Clerk shall record it in the record book, and notify the County Superintendent of such action. In counties having several districts designated by different numbers of the same name, District Number One shall retain the name, and the others shall be given a different name each; and in case two districts in any county have the same name, the County Superintendent shall have power to change the name of either or both; and a number shall no longer be used as a part of the designation of any school district.

SEC. 42. Every Board of Trustees and any Board of Education in any city, city and county, or town, unless otherwise expressly provided by law, shall have power and it shall be their duty:

First—To employ and dismiss teachers, janitors, School Census Marshals, mechanics, and laborers, and to fix, alter, allow, and order paid their salaries and compensations;

Such register shall at all times be open to the inspection of the public.

Sec. 43. The Board of Education of each city, or city and county, and the Board of Trustees of each district, shall appoint a School Census Marshal, on or before the first day of June of each year, and notify the County or City Superintendent of such appointment in writing. It shall be the duty of the School Census Marshal to take, annually, in the month of June, an exact census of all children under fifteen years of age. He shall take specifically and separately a census of all white children, Negro children, and Indian children who live under the guardianship of white persons, between five and fifteen years of age, and shall spe-
city the number and sex of such children, and the names of their parents or guardians. All children who may be absent from home, attending colleges, college schools, boarding schools, and private seminaries of learning, shall be included by the Marshal in the census list of the city, town, or district in which their parents or guardians reside, and shall not be taken by the Census Marshal of the city, town, or district where they may be attending such private institutions of learning. The Census Marshal shall further report, separately, the number of white, Negro, and Indian children under five years of age, and the whole number of Mongolian children under fifteen years of age, and also such other statistics as may be required by the Superintendent of Public Instruction or by City Boards of Education. He shall make a full report thereof on the blanks furnished for that purpose, under oath, to the County Superintendent or the City Board of Education, on or before the first day of July next after his appointment, and deliver a copy, if required, to the School Trustees. The Census Marshal shall be paid by the Board of Trustees from the county school money to the credit of the district, in the same manner as other contingent expenses are paid; and Boards of Education in incorporated cities shall audit his bills in the same manner as bills for contingent expenses are audited and paid, unless otherwise provided by law.

Sec. 44. Boards of Trustees and Boards of Education shall have power and it shall be their duty to grade their schools, and to organize them into primary, grammar, and high school departments; provided, there be means sufficient to maintain all three departments and to accommodate all children applying for admission into the primary schools; and if not, then the several departments shall be maintained in the order herein named, the primary schools having preference.

Sec. 45. It shall be the duty of all Boards of Trustees and Boards of Education to maintain all the schools established by them in any district or city for an equal length of time during the year, and, as far as practicable, with equal rights and privileges; provided, in all cases the primary schools shall first be provided for, and shall have the preference.

Sec. 46. The District Clerk of each district shall provide all school supplies authorized by this Act, and shall keep the school house in repair during the time school is taught therein; and he shall keep an accurate record of all expenses incurred by him on account of the school, which account shall be audited by a majority of the Board, and paid out of the county school moneys of that district.

Sec. 47. The District Clerk may act as Census Marshal, and as either Assessor or Collector, or as both, of district taxes, in either of which cases he shall be paid the same compensation which would have been allowed by the Board to any other person; and the provision by which no Trustee is allowed to receive compensation for his official services shall not apply.

Sec. 48. The District Clerk is hereby required, from time to time, to purchase and furnish to the school, free of charge, such supplies of pens, penholders, pencils, crayons for blackboards, ink, and stationery for the use of pupils as must be used in carrying out the course of study prescribed therein; and the County
Superintendent, upon the presentation of proper vouchers, and being satisfied that such supplies were proper, needed, and used in school, shall draw his warrant in favor of the District Clerk for the amount so expended. And in incorporated cities, every Board of Education shall cause to be furnished to the pupils, free of charge, the supplies in this section named, and shall pay for them in the manner provided for the payment of other school expenses.

Sec. 49. The Board of Trustees of any district and Board of Education shall use the school moneys received from State or county apportionment during any school year exclusively for the support of schools for that school year; provided, that if, at the end of any school year there be any unexpended balance, it may be used for the payment of any claims against the district outstanding, or it may be used for the year succeeding.

Sec. 50. Any Board of Trustees may use the county school moneys for any of the purposes authorized by this Act; but all State school moneys, except in those cities where it has otherwise been expressly provided by special law, shall be used exclusively for the payment of teachers, excepting the ten percent reserved for district school library purposes.

Sec. 51. Any Board of Trustees shall be liable, as Trustees, in the name of the district, for any judgment against the district for any salary due any teacher on contract, and for all debts legally contracted under the provisions of this Act; and they shall pay such judgment or liabilities out of the school moneys to the credit of such district.

Sec. 52. Any Board of Trustees shall have power:
First—To unite two contiguous districts in the same county, or in adjoining counties, and to establish a union school, to be supported out of the funds belonging to their respective districts; and a school thus established shall be governed by a joint Board composed of the Trustees of the combining districts;
Second—To make arrangements with the Trustees of any adjoining district for the attendance of such children in the school of either district as may be best accommodated therein, and to transfer the school moneys due by apportionment to such children to the district in which they may attend school.

Sec. 53. Every school, unless otherwise provided by special law, shall be open for the admission of all white children between five and twenty-one years of age residing in that school district; and the Board of Trustees or Board of Education shall have power to admit adults and children not residing in the district whenever good reasons exist for such exceptions.

Sec. 54. All schools, unless otherwise provided by special law, shall be divided into three grades, viz.: first, second, and third. Each County Superintendent shall determine the respective grade or class of the schools of his county, under instructions from the State Board of Education. No person shall be eligible to teach a county school of the first grade, unless the holder of a certificate equal in grade to a first grade county certificate; and no person holding merely a third grade county...
certificate shall be eligible to teach any school, except one of the third grade.

Sec. 55. All schools shall be taught in the English language, and instructions shall be given in the following branches in the several grades in which each may be required in the course of study adopted in pursuance of law, viz: reading, writing, orthography, arithmetic, geography, English grammar, history of the United States, physiology, and bookkeeping; and such other studies as may be deemed necessary may be authorized by the State Board of Education, or Boards of Education of any city, or city and county; provided, that no such studies shall be pursued to the neglect or exclusion of the studies herein specified, and that thorough instruction shall first be given in all these branches. Instruction shall be given in all grades of schools, and in all classes, during the entire school course, in manners and morals, and the laws of health; and due attention shall be given to such physical exercises for the pupils as may be conducive to health and vigor of body, as well as mind; and to the ventilation and temperature of school rooms.

Sec. 56. Any Board of Trustees, or Board of Education, by a majority vote, may admit into any public school half-breed Indian children, and Indian children who live in white families or under guardianship of white persons.

Sec. 57. Children of African or Mongolian descent, and Indian children not living under the care of white persons, shall not be admitted into public schools, except as provided in this Act; provided, that upon the written application of the parents or guardians of at least ten such children to any Board of Trustees or Board of Education, a separate school shall be established for the education of such children; and the education of a less number may be provided for by the Trustees in any other manner.

Sec. 58. When there shall be in any district any number of children, other than white children, whose education can be provided for in no other way, the Trustees, by a majority vote, may permit such children to attend schools for white children; provided, that a majority of the parents of the children attending such school make no objection, in writing, to be filed with the Board of Trustees.

Sec. 59. The same laws, rules, and regulations which apply to schools for white children, shall apply to schools for colored children.

Sec. 60. No books, tracts, papers, catechisms, or other publications of a sectarian or denominational character, shall be used or distributed in any school, or shall be made a part of any school library; neither shall any sectarian or denominational doctrine be taught therein; and any school district, town, or city, the officers of which shall knowingly allow any schools to be taught in violation of these provisions, shall forfeit all right to any State or county apportionment of school moneys; and upon satisfactory evidence of such violation, the State Superintendent and County Superintendent shall withhold both State and county apportionments.

Sec. 61. For the purpose of protecting the health of young children, it is hereby provided that no school in which the average
age of the pupils does not exceed eight years shall be continued in session more than four hours a day, exclusive of intermission; and no school whatever shall be continued in session more than six hours a day, exclusive of an intermission at noon; and no pupil under eight years of age shall be kept in school more than four hours per day; and any violation of the provisions of this section shall be treated in the same manner as a violation of section sixty.

OF PUPILS.

Sec. 62. Pupils shall be admitted into the schools in the order in which they apply to be registered; and all pupils who may be admitted into public schools shall comply with the regulations established in pursuance of law for the government of such schools, shall pursue the required course of study, and shall submit to the authority of the teachers of such schools. Continued and wilful disobedience, and open defiance of the authority of the teacher, shall constitute good cause for expulsion from school; and habitual profanity and vulgarity, good cause for suspension from school. Any pupil who shall in any way cut, deface, or otherwise injure any school house, fences, or outbuildings thereof, shall be liable to suspension and punishment; and the parents of such pupil shall be liable for damages, on complaint of the teacher or Trustees.

OF TEACHERS.

Sec. 63. Every teacher employed in any public school shall make an annual report to the County Superintendent, on or before the tenth day of July next after the close of each school year, in the form and manner and on the blanks prescribed by the Superintendent of Public Instruction. A duplicate of such report, when required by the Trustees, shall be furnished to the District Clerk. Any teacher who shall end any school term before the close of the school year, shall make a report to the County Superintendent immediately after the close of such term; and any teacher who may be teaching any school at the close of the school year, shall, in his or her annual report, include all statistics from the school register for the entire school year, notwithstanding any previous report for a part of the year. Teachers shall make such additional reports as may be required in pursuance of law by the State or by City Boards of Education. No County Superintendent, or City Superintendent, or Board of Education, or Board of Trustees, shall draw any order or warrant for the salary of any teacher for the last month of his or her services, until the reports herein required shall have been made and received.

Sec. 64. Every Teacher shall keep a State school register, in the manner provided therefor; and no County Superintendent shall draw any warrant for the salary of any teacher for the last month of his or her services in school at the end of any term or year until he shall have received a certificate from the District Clerk that the said register has been properly kept, the summaries made, and the statistics entered; or until, by personal
examination, he shall have satisfied himself that it has been done. Teachers shall faithfully enforce in school the course of study and the regulations prescribed in pursuance of law; and if any teacher shall wilfully refuse or neglect to comply with such requisitions, then the County Superintendent shall be authorized to withhold any warrant for salary due until such teacher shall comply therewith.

Sec. 65. No teacher shall be entitled to draw for salary any school moneys, unless such teacher shall be employed by a majority of the Trustees; nor unless the holder of a legal State, city, or county teachers’ certificate, in full force and effect.

Sec. 66. In every contract, whether written or verbal, between any teacher and any Board of Trustees, except in incorporated cities, a school month shall be construed and taken to be twenty school days, or four weeks of five school days each; and no teacher shall be required to teach school on Saturday, the Fourth Day of July, the First Day of January, Christmas Day, the days of the general election and special judicial election, and such days of fasting or thanksgiving as may be appointed by the President of the United States, or the Governor of this State; and no deduction from the teacher’s time or wages shall be made by reason of the fact that a school day happens to be one of the days referred to in this section as a day on which school shall not be taught. Any contract made in violation of the provisions of this section shall have no force or effect as against the teacher.

Sec. 67. Every Teacher shall have power to hold every pupil to a strict accountability, in school, for any disorderly conduct on the way to or from school, or on the play grounds of the school, or during intermission or recess; to suspend from school any pupil for good cause; provided, that such suspension shall be reported by the teacher to the Trustees as soon as practicable; and if such action is not sustained by them, the teacher may appeal to the County Superintendent, whose decision shall be final, whether for or against expulsion.

Sec. 68. In all cases of the revocation of a certificate, the teacher shall have the right of appeal from any City or County Board of Examination to the State Board of Examination; and upon the revocation of a State diploma or certificate, to the State Board of Education.

Sec. 69. In case of the dismissal of any teacher before the expiration of any written contract entered into between such teacher and Trustees, for alleged unfitness, or incompetence, or violation of rules, the teacher shall have the right of appeal to the County Superintendent, and if such County Superintendent shall decide that the removal was made without good cause, the teacher so removed shall be reinstated in school, and shall continue during the time of contract. Any teacher whose salary is withheld in pursuance of the provisions of this Act, shall have the right of appeal to the Superintendent of Public Instruction, whose decision shall be final.

Sec. 70. It shall be the duty of all teachers to endeavor to impress on the minds of their pupils the principles of morality, truth, justice, and patriotism; to teach them to avoid idleness, profanity, and falsehood; and to instruct them in the principles
of a free government, and to train them up to a true comprehension of the rights, duties, and dignity of American citizenship.

STATE NORMAL SCHOOL.

Sec. 71. The members of the State Board of Education, except the Principal of the State Normal School, are hereby constituted ex officio the Board of Trustees of the State Normal School.

Sec. 72. The Board of Trustees of the State Normal School shall have power to establish and continue a State Normal School in the City of San Francisco, for the purpose of furnishing free instruction to such persons residing in this State as may desire to prepare themselves for the profession of teaching, and to teach in the public schools thereof. Said Board shall have full power to prescribe a course of study for such normal school, and the text books to be used therein; to examine, employ, and fix the salaries of teachers therein; to hold stated examinations of the pupils attending such normal school, and to award diplomas as hereinafter provided; to arrange and effect all the details necessary to conduct such normal school; and to make all the regulations and by-laws necessary for the good government and management of the same. Males over seventeen years of age, and females over fifteen years of age, may be admitted as pupils of said school; provided, that every applicant shall undergo an examination in such manner as may be prescribed by the Board; such person having first filed a certificate with the Principal of intention to engage in the occupation of teaching in the public schools of this State. The seats in said school shall be apportioned among the applicants therefor from the different counties of this State, as near as may be in proportion to the representation of such counties in the State Legislature.

Sec. 73. The Board of Normal School Trustees shall have power to determine the course of study, and the time and standard of graduation, and to issue diplomas; and such diplomas shall entitle the holders to receive a State certificate or diploma, the grade of which shall be determined by the State Board of Examination. Said Board shall have power to organize and maintain a training school, in which the advanced pupils of the normal school shall be required to teach classes of pupils under the supervision and direction of experienced teachers, capable of giving instruction in the best methods of conducting primary schools.

Sec. 74. The Superintendent of Public Instruction shall be the executive agent and Secretary of the Board of Trustees of the Normal School. He shall visit the school from time to time, inquire into its condition and management, enforce the rules and regulations of the Board, require monthly reports of the teachers, prescribing the form thereof, and exercise a general supervision over the school, and shall make in his biennial report a statement of receipts and expenditures, and of the management of the school.

Sec. 75. It shall be the duty of the Principal of the Normal School to make a detailed annual report to the Board of Trusts-
tees, with a catalogue of pupils, and such other statistics as the
Board may require or as he may think useful; and such report
may be ordered printed under the provisions of this Act; and if
printed, it shall be the duty of the Principal to furnish a copy
thereof to each Normal School in the United States. It shall
be the duty of the Principal, authorized by the Board, to attend
County Institutes, and lecture before them on subjects relating
to public schools and the profession of teaching. All teachers
of the normal school shall be under the general laws of this
State applying to public school teachers.

SEC. 76. The Board of Normal School Trustees shall hold at
least two meetings each year, the time and place to be deter-
mined by the Board; but special meetings may be called by the
Secretary of the Board, upon written notice to each member.
The Governor shall be ex officio Chairman, and five members
shall constitute a quorum; provided, that a majority of all the
members of the Board shall be necessary for the election of
teachers or for fixing their salaries. The monthly salaries of
teachers and bills for incidental expenses may be audited by an
Executive Committee of three, appointed by the Board. No
member of said Board shall be entitled to any compensation for
official services. The record book of the Board shall be kept in
the office of the Superintendent of Public Instruction.

SEC. 77. The sum of sixteen thousand dollars is hereby
appropriated biennially out of any moneys in the General Fund
not otherwise appropriated, which said appropriation shall be
set apart at the commencement of each fiscal year to support
the State Normal School; and the Controller is hereby directed
to draw his warrants from time to time on the State Treasurer,
payable out of said appropriation, and the unexhausted remain-
der, if any, of any prior appropriation, for such claims or
accounts as have been audited by the Board of Trustees of the
State Normal School, or the Executive Committee thereof, and
the Board of Examiners; provided, the aggregate of warrants
so drawn shall not exceed in any one fiscal year one half the
appropriation herein made for such years, together with the
removal of unused appropriations, if any, of any previous
fiscal year or years; and whenever at the expiration of any
fiscal year a balance remains to the credit of the State Normal
School Fund, such balance shall be carried forward and be
added to the appropriation for the succeeding year.

OF SCHOOL DISTRICT LIBRARIES.

SEC. 78. Every County Superintendent and every County
Treasurer shall set apart ten per cent of each annual apportion-
ment of State School Fund for each district as a "District
School Library Fund" for that district; and said fund shall be
used for no other purpose; provided, that when ten per cent ex-
ceeds fifty dollars, only fifty dollars shall be so set apart; and
further, provided, that when ten per cent is less than ten dollars,
and no library has been previously formed, the money shall
remain in the Treasury until subsequent apportionments or
donations shall equal that sum. The Board of Trustees of each
district shall procure a suitable library case, and shall expend
the entire ten per cent set apart as a Library Fund, together with such sums as may be added thereto by subscription or donation, in the purchase of such books for the library as may, be authorized by the State Board of Education. If the Trustees neglect or refuse to purchase such books, then it shall be the duty of the County Superintendent to expend the Library Fund to the credit of such district, and pay for the books on his own warrant.

Sec. 79. The Trustees shall have the same control over the library as over other school property, and shall appoint the teacher, or the District Clerk, or some other suitable person, to act as Librarian; and whenever practicable and safe the library shall be kept in the school house of such district.

Sec. 80. It shall be the duty of the State Board of Education to prepare a list of books suitable for school libraries, in which no works of a sectarian character shall be included, and which may be from time to time amended, revised, and enlarged, and to prepare uniform rules and regulations for the government of district libraries, and to prescribe penalties, fines, and conditions of membership.

Sec. 81. The Trustees shall be held accountable for the proper care and preservation of the library, and shall have power to assess and collect all fines, penalties, and fees of membership, and to make all needful rules and regulations not provided for by the State Board of Education and not inconsistent therewith; and they shall report annually to the County Superintendent all library statistics which may be required by the blanks furnished for that purpose by the Superintendent of Public Instruction.

Sec. 82. Trustees may receive donations of books, maps, or charts from any person; provided, no books of a sectarian character shall be placed in the library, and that any such books found therein shall be removed by order of the County Superintendent. The library shall be free to all pupils of suitable age belonging to the school; but any resident of the district may become entitled to its privileges upon the payment of such a sum of money for life membership, or such annual or monthly fee, as may be prescribed by the Trustees.

Sec. 83. In cities not divided into school districts, or in any incorporated towns or cities, or county and city, the provisions of the preceding sections relating to the setting apart of ten per cent of the State School Fund as a Library Fund shall not apply; but the sum of fifty dollars—not to exceed ten per cent of the State apportionment—shall be set apart as a Library Fund by the Board of Education for every five hundred children between the ages of five and fifteen years within the limits of such city, and expended as provided in other cases for the formation of school libraries.

OF AN EDUCATIONAL JOURNAL.

Sec. 84. It shall be the duty of the Superintendent of Public Instruction to annually subscribe for a sufficient number of copies of some monthly journal of education, to supply each County Superintendent, City Superintendent, District Clerk, and each
district school library, with one copy thereof. Said journal shall be designated by the State Board of Education, and shall be a journal devoted exclusively to educational purposes, and published monthly in California. The Superintendent of Public Instruction shall be one of its editors, and it shall contain, as a condition of such subscriptions by the State, a department of public instruction, in which shall be published the decisions, circulars, instructions, and apportionments of school funds made by the Superintendent of Public Instruction and the State Board of Education, together with a monthly report of the State Normal School. The subscription price paid for each annual subscription of twelve monthly copies shall not exceed one dollar and fifty cents; and the State Board of Education shall have power to reduce the rate whenever said journal can be creditably sustained at a lower rate. At the beginning of each school year the Superintendent of Public Instruction shall draw his order on the State Controller for an amount sufficient to pay for such subscriptions in favor of such journal, which order shall be certified by the State Board of Education, and allowed by the State Board of Examiners, whereupon it shall be the duty of the State Controller to draw a warrant on the State Treasurer, payable out of any unappropriated school moneys in the Treasury.

Section 85. The Superintendent of Public Instruction shall annually convene and preside over a State Teachers’ Institute, which shall continue in session not less than three nor more than five days. The sum of five hundred dollars is hereby appropriated biennially out of any unappropriated moneys in the General Fund, for the purpose of defraying the necessary expenses of such annual institutes.

STATE BOARD OF EXAMINATION.

Sec. 86. There shall be a State Board of Examination, consisting of the Superintendent of Public Instruction, who shall be ex officio Chairman, and four professional teachers, who shall be appointed by the Superintendent of Public Instruction; provided, that no person shall be eligible to such appointment unless he holds a State educational diploma. The Board shall meet at such times and places as may be designated by the Chairman, and shall hold at least two sessions in each year. It shall have power to grant certificates of the following grades, to wit: State educational diplomas, valid for six years; State certificates, first grade, valid for four years; second grade, valid for two years; third grade, valid for one year.

Sec. 87. Every applicant for a State diploma, or for a State certificate of the first or second grade, shall be critically examined, by written or printed questions, and by additional oral examination, in algebra, arithmetic, English grammar, English composition, geography, history of the United States, school law of California, physiology, natural philosophy, orthography, defining, penmanship, Constitution and Government of the United States, reading and elocution, and theory and practice of teaching. Extra credits may be given for ability to teach drawing, vocal or instrumental music, and school calisthenics. For success
and experience in teaching, extra credits may be allowed, as the State Board of Education may determine. Certificates shall be issued to such persons only as, in addition to passing examination in the studies herein specified, shall have given evidence of good moral character and fitness for the profession of teaching. State educational diplomas shall be issued to such persons only as shall have been employed in the occupation of teaching at least three years; and the holders of said diplomas shall be eligible to teach in any public school in the State, except high schools in which the ancient and modern languages are required to be taught by such teachers. State certificates of the first grade shall entitle the holders to teach in county schools of the first grade, and in all grammar schools. State certificates of the second grade shall entitle the holders to teach in second grade schools, and as assistants in grammar schools. State certificates of the third grade shall entitle the holders to teach in any primary school. The standing in each study of each successful applicant shall be indorsed upon the back of his or her diploma or certificate, together with his or her total percentage and relative standing in the class. The State Board of Examination shall have power to revoke, for immoral or unprofessional conduct, or habitual profanity, intemperance, cruelty, or evident unfitness for the profession of teaching, any diploma or certificate granted by it, and to renew all State certificates at the expiration of the time for which they were granted.

Sec. 88. All regularly issued State Normal School diplomas from any State Normal School in the United States, and all life diplomas granted by the State Board of Examination in any of the United States, shall be recognized by the State Board of Examination of this State as prima facie evidence of fitness for the profession of teaching; and the said Board shall, on application of the holders thereof, proceed to issue without examination, State certificates, the grade to be fixed at the option of the Board; provided, in all cases satisfactory evidence be given of good moral character and correct habits. All applicants for State diplomas or certificates shall pay an examination fee of two dollars, which shall be appropriated to the support of the State educational journal.

Sec. 89. In order to elevate the profession of teaching and advance the interests of public schools, the State Board of Education shall grant teachers life diplomas, which shall remain valid during the life of the holder, unless revoked by the said Board for immoral or unprofessional conduct, or want of qualifications to teach. Said diploma shall be granted to such persons only as shall have taught one year successfully after receiving a State educational diploma from the State Board of Examination, or who shall have held for one year after receiving a State diploma the office of State, City, or County Superintendent. Applicants for life diplomas shall file with the State Board of Examination certificates of their success in teaching; and said Board, after due consideration and examination, shall present the application to the State Board of Education with a recommendation either for or against its being granted. The State Board of Education may recognize the life diplomas of other States of the United States, and issue to the holders thereof
life diplomas of this State. Each applicant for a State life diploma shall pay the sum of five dollars to defray the expense of filling out and issuing the diploma.

**COUNTY BOARDS OF EXAMINATION.**

**Sec. 90.** There shall be in each county a County Board of Examination, which shall be composed of the County Superintendent, who shall be ex officio Chairman, and of a number of teachers, not to exceed three, to be appointed by him, who shall hold office for one year from the first of July next succeeding their respective appointments; but no person shall be appointed unless he holds either a State diploma, or a first grade State or county certificate. The Superintendent shall fill vacancies that occur from absence or other cause; and if he cannot find any teacher in his county qualified under the provisions of this section willing to serve, he shall conduct the examination himself. The Board shall meet at such times and places as may be designated by the Chairman, and shall hold a session at least as often as once in every three months, and during any Teachers' Institute held in the county. The Superintendent of Public Instruction shall, ex officio, be a member of all County Boards of Examination.

The members of said Board shall each be paid for their services a sum not exceeding three dollars, in addition to actual travelling expenses, for each session of said Board, to be paid out of the unapportioned County School Fund, on the warrant of the County Superintendent; provided, that this compensation shall be paid only at the regular quarterly examinations, and that whenever said Board shall hold sessions at any other time, no compensation shall be allowed from the county; but in cases of such special examinations said Board may charge an examination fee not exceeding two dollars for each applicant.

**Sec. 91.** The County Board of Examination shall have power to grant certificates of three grades, to wit: county certificates, first grade, valid for three years, and authorizing the holder to teach a grammar school or a school of the first grade in the county; county certificates, second grade, valid for two years, and authorizing the holder to teach a second grade school in the county; county certificates of the third grade, valid for one year, and authorizing the holder to teach a third grade school in the county. Third grade certificates shall be granted to female teachers only. Certificates shall be issued to such persons only as shall have given evidence of good moral character, of fitness for teaching, and of ability to impart their knowledge.

**Sec. 92.** Certificates of the first grade shall be issued to those only who have passed a satisfactory examination in orthography, defining, reading, penmanship, physiology, natural philosophy, English composition, arithmetic, algebra, geography, grammar, history of the United States, the school law of California, and theory and practice of teaching. Certificates of second grade shall be issued to those only who have passed a satisfactory examination in all of the above subjects, except natural philosophy and algebra. Extra credits may be given in all grades for ability to teach drawing, vocal or instrumental music, calisthenics, and other branches, as may be determined by the State.
Board of Education. All examinations in written arithmetic, algebra, orthography, defining, grammar, history of the United States, and Constitution and Government of the United States, shall be conducted in writing; and at least ten questions shall be submitted in each separate study. The standing of each applicant in each study shall be indorsed on the back of each certificate, together with the total percentage and relative standing in the class. The County Board shall have power, without examination, to renew certificates, and to revoke, for immoral or unprofessional conduct, or habitual profanity, intemperance, cruelty, or evident unfitness for the profession of teaching, any county certificate.

CITY BOARD OF EXAMINATION.

Sec. 93. In every city having a Board of Education governed by special laws there shall be a City Board of Examination for determining the qualifications of teachers, which shall consist of the City Superintendent of Public Schools and the President of the Board of Education of that city, the County Superintendent of the county in which such city is situated, and of three public school teachers, residents of such city, who shall be elected by the City Board of Education for the term of one year. Any teacher to be eligible to such election shall be the holder of a State diploma, or of a grammar school city certificate. The teachers elected to such Board shall be allowed such compensation for their services as may be granted by the Board of Education. The Superintendent of Public Instruction shall be, ex officio, a member of every City Board of Examination. Said Board shall conduct all examinations in conformity with the general rules and regulations of the State Board of Education, and shall have power to grant certificates of the same grade and for the same time as the State Board of Examination; provided, they shall be valid only in the city in which they are granted. Said Board shall also have power to grant such certificates of a grade lower than grammar school certificates as may be deemed necessary, and to grant certificates for teaching high schools. Said Board shall have power to renew, without examination, all city certificates. No City Board of Education or of Examination shall have power to require or hold an examination of any teacher holding a State diploma, or certificate, except in cases where such teacher is an applicant for a school of higher grade than the certificate then held allows such teacher to teach. Any City Board of Examination may recognize the certificates of any other city, and without examination issue to the holders certificates of a corresponding grade. No person shall be a legally qualified teacher in any city, unless he or she holds a State or city certificate, granted by a State or City Board of Examination.

Sec. 94. The State Board of Education shall prescribe a standard of proficiency before a County Board which shall entitle the holder of the certificate to a certificate from the State Board of Examination; and whenever such standard is reached, the County Superintendent shall certify the facts, together with certificates of the party's character, to the State
Board of Examination, and that body may grant or refuse a State certificate and fix its grade. Every person holding a diploma of graduation from any State Normal School in the United States shall be entitled to a county certificate of the first or second grade, at the option of said Board; and upon proof of good character, such certificate shall be granted without further examination. Every County Superintendent and each City Superintendent of Public Schools shall annually report, at the time of making his other report to the Superintendent of Public Instruction, the number of certificates granted by the Board of Examination of his county or city, as the case may be, the names of persons to whom granted, and date of each certificate, the number of all applicants rejected, and the number of certificates revoked, the cause of their revocation, and the names of the holders. The County Superintendent shall also report to the State Superintendent the amount of money received from examination fees, and the manner in which it was expended. The County Superintendent may recognize county certificates of the first grade granted by Boards of Examination in other counties, and may issue temporary certificates for teaching to the holders, on application, which shall be valid until the next regular examination of the County Board of his county.

Text books. Sec. 95. The State Board of Education shall prescribe and adopt a uniform series of text books, which shall be used in all public schools, as well in incorporated cities having Boards of Education as in the State at large; provided, that said State Board may, when making a change in any of the series, prescribe a future date for it to take effect, which shall not be less than six months thereafter, and may adopt special books when necessary for the use of graded schools in cities, and shall allow books different from the State series now in use in such cities to be continued until a change may be deemed advisable by the Boards of Education of such cities. Any books once adopted in the State series shall be continued in use for a period not less than four years. If any city, town, or district refuse or neglect to use the books that may be prescribed, or shall use any other text books in any of the prescribed studies, the Superintendent of Public Instruction shall withhold from such city, town, or district, twenty-five per cent of all State school moneys to which it may be entitled until it comply; and any moneys so withheld shall be apportioned by the Superintendent, at the next annual apportionment, in the same manner as other school moneys in the Treasury.

Of School Revenue.

Sec. 96. An annual ad valorem tax of eight cents on each one hundred dollars value of all taxable property throughout the State is hereby levied and directed to be collected and paid in the same manner as other State taxes are required to be paid; and said tax shall be called and known as the State school tax, and the Board of Supervisors of the several counties shall annually, at the same time other State taxes are levied, add this to the other taxes provided by law to be levied and collected, and it shall be annually collected at the same time and in the same
manner as other State taxes are collected; and if from any reason whatever, in any year, said taxes shall not be levied as herein required by the Board of Supervisors, the Auditor shall enter them on the assessment roll as required by law for other taxes. All moneys derived from the tax herein levied shall be paid into the State School Fund, and be apportioned as other moneys in that fund. No Tax Collector or County Treasurer shall receive any fees or compensation whatever for collecting, receiving, keeping, or disbursing any school moneys; but the whole moneys collected shall be paid to the County Treasurer, and by him paid to the State Treasurer at the same time other moneys are paid over.

Sec. 97. The Board of Supervisors, except in the City and County of San Francisco, of each county, shall annually, at the time of levying other county taxes, levy a school tax, the maximum rate of which shall not exceed thirty-five cents on each one hundred dollars of taxable property in the county, nor the minimum rate be less than sufficient to raise a sum equal to three dollars for each child in the county between five and fifteen years of age. Said Supervisors shall determine the minimum rate of school tax as follows. They shall:

First—Ascertain from the County Superintendent the number of census children entitled to school apportionment, as shown by the then next preceding school census, and then shall calculate the amount required to be raised at three dollars per child;

Second—They shall deduct fifteen per cent from the equalized value of the last general assessment roll, and the amount required to be raised, divided by the remainder of the assessment roll, shall be the rate levied; provided, that if any fraction of a cent occur, it shall be taken as a full cent on each hundred dollars; and, provided, further, that Boards of Supervisors, in estimating said rate of school tax for the year eighteen hundred and sixty-six, shall use the number of census children between the ages of four and eighteen years, according to the returns of the last school census in eighteen hundred and sixty-five. If the Supervisors fail to levy said tax as herein provided, then the Auditor shall levy it and add the tax to the assessment roll. In case the Supervisors or Auditor shall refuse or neglect to levy at least the minimum rate of tax herein provided, the Superintendent of Public Instruction shall deduct twenty-five per cent from the next succeeding annual apportionment of State School Fund otherwise due to that county, and shall withhold it and apportion it to the other counties of the State; and, provided, further, that if this Act does not become a law until after the taxes are levied for eighteen hundred and sixty-six, and the amount levied for that year does not amount to a rate that will produce a sum equal to the requirements of this section, then the Auditor shall add to the levy such additional per cent as will produce said amount; provided, the original levy and the addition thereto do not in the aggregate exceed thirty-five cents on the one hundred dollars.
Election to determine levy of tax.

**SEC. 98.** The Board of Trustees of any district may, when in their judgment it is advisable, call an election, and submit to the qualified electors of the district the question whether a tax shall be raised to furnish additional school facilities for said district, or to maintain any school or schools in such district, or for building one or more school houses, or for any two or all of these purposes. Such election shall be called by posting notices in three of the most public places in the district, for twenty days, and also, if there is a newspaper in the county, by advertisement therein once a week for three weeks. Said notices shall contain the time and place of holding the election, the amount of money proposed to be raised, and the purpose or purposes for which it is intended to be used. The Trustees shall appoint three Judges to conduct the election, and it shall be held in all other respects, as nearly as practicable, in conformity with the general election law. At such election the ballots shall contain the words "Tax—Yes," or "Tax—No," and also the name of one person as Assessor, and one as Collector; provided, however, the same person may be elected to both offices. If a majority of the votes cast are "Tax—Yes," the officers of the election shall certify the fact to the Trustees, and shall also certify the names of the person or persons having the plurality of votes for Assessor and Collector. The Trustees shall issue certificates of election, and the Assessor shall, on receiving his, forthwith ascertain and enroll, in the manner provided for County Assessors, all the taxable persons and property in the district, and within thirty days he shall return his roll, footed up, to the Trustees. The Trustees upon receiving the roll shall deduct fifteen per cent therefrom for anticipated delinquencies, and then, by dividing the sum voted, together with the estimated cost of assessing and collecting added thereto, by the remainder of the roll, ascertain the rate per cent required; and the rate so ascertained (using the full cent on each hundred dollars in place of any fraction) shall be and it is hereby levied and assessed to, on, or against the persons or property named or described in said roll, and it shall be a lien on all such property until the tax is paid; and said tax, if not paid within the time limited in the next succeeding section for its payment, shall be recovered by suit, in the same manner and with the same costs as delinquent State and county taxes. The maximum rate of tax levied by a district tax in any one year, for building purposes, shall not exceed thirty-five cents on each hundred dollars, and the maximum rate levied for school purposes by such tax, shall not exceed fifteen cents on each hundred dollars in any one year. Each District Tax Collector shall give a bond to the people of the State of California, joint and several in form, with similar sureties as are required on other official bonds. Such bonds shall be in such penal sum as the Trustees may direct; provided, it be not less than double the amount to be collected, and shall be approved by them. The Trustees, upon receiving any assessment roll from the Assessor, shall give five days' notice thereof by posting a notice in three public places in the district, and shall sit for at least three days as a Board of Equalization at
such time and place as shall have been named in said posted notices; and they shall have the same power as County Boards of Equalization to make any changes in said assessment roll.

Sec. 99. As soon as the rate of taxation has been determined, as provided in the last preceding section, the Trustees shall place the tax list in the hands of the Collector, who shall then proceed to collect the tax, and shall, within sixty days, return the roll to the Trustees, with the word "paid" marked opposite the name of each person or description of property from whom or on which he has received the tax; and he shall also at the same time file with the Trustees the County Treasurer's receipt for all the moneys by him collected; and the persons and property on the roll not by the Collector marked "paid," shall be deemed delinquent, and the Trustees shall deposit said roll with the District Attorney, who shall proceed to collect the delinquent taxes in the manner prescribed by law for other delinquent tax; and said roll, or any certified copy thereof, shall have the same force as evidence as a duplicate or delinquent tax roll of State and county taxes.

Sec. 100. In case any Assessor or Collector of district taxes shall refuse or neglect to qualify within ten days of his election or appointment, or having qualified shall refuse or neglect to act, or in case of any vacancy from any other cause in either or both of said offices, the Board of Trustees shall appoint some proper person or persons to fill the place or places.

OF RATE BILLS.

Sec. 101. After a school shall have been maintained five months free to all pupils, in districts having more than one hundred pupils, and taxable property assessed at over two hundred thousand dollars, and not otherwise, the Trustees of any district shall have power and it shall be their duty to assess such rate bills of tuition as they may deem necessary for the payment of teachers' salaries, in addition to the public moneys of such district. Said rate bills of tuition shall be made out by said Trustees against all persons sending children to school, in proportion to the number of children sent to school, and the time of attendance of such children, to be determined by the teacher's register; and the Trustees shall exempt such indigent persons from the payment of said rate bills as they may consider entitled to such exemption. Said Trustees shall appoint a Collector of such rate bills, who shall take the constitutional oath of office, whose duty it shall be to present said rate bills to the person so assessed, and demand payment thereof; and if such person, after thirty days' notice by the said Collector shall refuse or neglect to pay said rate bill, then the said Collector shall return the same to said Trustees, with his certificate thereon, stating that demand has been made and that said person has refused or neglected to pay the same, and stating the date of notification and of return. The Trustees thereupon shall bring suit in the name of the people of the State of California as plaintiffs, in any Justice's Court of the township or city in which said district may be situated, for the collection of said rate bill with costs of suit. Said rate bill, certified by said Collector, shall be prima
facie evidence that said rate bill has been properly assessed, and that all proceedings thereon have been lawfully conducted, and that the sum mentioned therein is due from the party named. In case of any suit under the provisions of this section, the Justice of the Peace in whose Court it is brought, and the officer in whose hands the papers are placed for service, shall perform the duties required without payment in advance, and without any payment whatever, unless the same is made at cost of defendant; and any witness subpoenaed shall attend without being entitled to demand or receive any fee or mileage in advance; and no witness shall receive any fee or mileage unless the same is made out of the defendant as costs; and in case of judgment for defendant, it shall be general and without costs; and in case a majority of the Trustees demand it, a writ of attachment shall issue without a bond being filed, and without any other matter or thing being had or done, except the filing of the unpaid rate bill, with the officer's affidavit thereto, as herein required. Except in any new district in which a school for the first time is opened, no Board of Trustees shall have any power to levy or collect any tuition or rate bills until a free school shall have been maintained for at least three months in each year; and the Superintendent of Public Instruction shall deduct and withhold twenty-five per cent of the State School Fund otherwise due from any district in which a school has been maintained in violation of this section.

Sec. 102. The Board of Trustees of any school district, whenever the estimated State and county school moneys to be apportioned to such district shall be deemed by them insufficient to maintain a free school five months in each year as required in the preceding section, shall proceed to levy a direct tax upon all the taxable property of the district sufficient to raise an amount which, together with the estimated amount of State and county school money to be received, shall maintain a free school five months. The Trustees, in making their estimate of money to be apportioned to the district, shall base their calculation on the written statement of the County Superintendent, and shall include in their estimate of the amount necessary to be raised by tax, all probable contingent expenses for furniture and incidentals authorized by law, as well as for the salary of a teacher; and such estimates shall all be recorded by the District Clerk in the record book of the Board, and said record shall be prima facie evidence of the necessity of the tax and of the amount to be levied. Such tax shall be assessed, equalized, and collected in the manner prescribed for assessing, equalizing, and collecting taxes voted for school purposes as provided in this Act, except that the Trustees may appoint an Assessor and Collector.

Sec. 11. The County Auditor of said county shall, with the advice and assistance of the District Attorney, prepare an assessment roll, with the proper headings, in a well bound book, for each Assessor, and shall, on or before the first Monday in March in each year, deliver the same to each Assessor in said county.

Sec. 12. On or before the first Monday in July, each District Assessor shall complete his assessment roll, and make and subscribe before the Clerk of the Board of Supervisors of his county an affidavit, which shall be attached to his assessment roll, which shall be substantially in the following form:

So help me God.

And at the same time he shall deliver it to the Clerk of the Board of Supervisors, who shall from that time keep the same open for inspection in his office until the meeting of the Board of Equalization; provided, that the statement required by this section shall be a written statement under oath from all persons, firms, corporations, associations, or companies liable to pay a poll tax or a property tax in said county.

Sec. 13. SEC. 14. On delivering the duplicate assessment roll to the Collector, the Auditor shall charge him with the full amount of taxes assessed and uncollected in his district, and shall forthwith transmit by mail to the Controller of State a statement of the total amount so charged in his county, together with the aggregate assessed value of the property upon which the same is due, which statement shall be verified by the oath of the Auditor, and entered by the Controller in the proper records of his office.

SEC. 15. The District Assessors and Collectors provided for herein shall be responsible in all respects to, and shall be liable under the general laws relating to County Assessors and Collectors, where said laws are not qualified by the provisions of this Act. And the said Assessors and Collectors are hereby clothed with the same authority, in their official capacity, as are the County Assessors and Collectors, to the extent of their respective districts.

SEC. 16. SEC. 17. The Board of Supervisors of Butte County are hereby authorized and empowered to change the time at which the District Tax Collectors or any of them are required to make their settlements with the Auditor and Treasurer of said county, and also may release any Collector from visiting every portion of his district once every month as required by this Act. But no District Collector or Assessor shall be released from any duty herein required, except by an order of the Board of Supervisors, entered on its journal to that effect.

SEC. 20. All Acts and parts of Acts inconsistent with the provisions of this Act so far as they conflict with this Act are hereby repealed.

SECTION 1. There shall be in and for the City and County of San Francisco one Justices' Court, which shall have the powers and jurisdiction now prescribed and conferred by law upon Justices of the Peace and Justices' Courts in said city and county. All actions, suits, and proceedings whereof Justices of the Peace and Justices' Courts in said city and county have jurisdiction, shall be commenced, entitled, and prosecuted in said Court. The said Court shall be always open, non-judicial days excepted, and causes therein may be tried before the presiding Justice, before any one of the Justices before whom the original process may be made returnable, or to whom the cause may be assigned or transferred for trial, or before any three Justices of the Peace constituting the Court in bank as hereinafter provided; but the Court in bank shall have exclusive power to hear and determine all applications for new trial. For the organization of said Court, Justices of the Peace, a Justice's Clerk, and Constables shall be elected or appointed as hereinafter provided.

SEC. 2. There shall be for the City and County of San Francisco five Justices of the Peace, to be elected by the City and county at large at the time, in the manner, and for the term as now prescribed by law for the election of such Justices.

SEC. 3. The Board of Supervisors shall annually appoint one of the Justices of the Peace to be presiding Justice, who shall hold office for one year and until his successor shall be in the same manner appointed; and any one of the other Justices may attend, preside, and act as presiding Justice during the temporary absence or disability of the Justice so appointed. The Board of Supervisors shall also appoint a Justice's Clerk, on the written nomination and recommendation of the said Justices, or a majority of them, who shall hold office for two years and until his successor is appointed and qualified. The Clerk shall take the constitutional oath of office, and give bond, with at least two sufficient sureties, to be approved in the same manner as the official bonds of other officers of the city and county, in the sum of ten thousand dollars, payable to the City and County of San Francisco, conditioned for the faithful discharge of the duties of his office, and well and truly to account for and pay into the Treasury of said city and county as required by law all moneys by him collected or received, and by law designated for that use. A new or additional bond may be required by the Mayor, Auditor, and County Judge, or any two of them,
whenever they may deem it necessary, and on failure to furnish such new or additional bond within three days after it shall be required, the office shall become vacant.

Sec. 4. There shall be for said city and county two Constables, to be appointed by the Board of Supervisors, who shall hold office for two years, and until their successors shall be appointed and qualified. The Constables shall take the oath of office and give bond, as now provided by law. If it should appear to the satisfaction of the Board of Supervisors, after giving to the Constables in office an opportunity to be heard before them, either verbally or in writing, that two Constables cannot by the exercise of due diligence perform all the necessary official labor devolving upon them, then the said Board may appoint one additional Constable (making three in all) to hold office during the pleasure of the Board, and such additional officer may be dispensed with and appointed anew as the Board may deem necessary.

Sec. 5. The Board of Supervisors shall provide in some convenient locality in said city and county a suitable building, with rooms for the Clerk’s office, Court room, and separate rooms for offices or chambers for each of the Justices of the Peace, (the presiding Justice excepted,) for the transaction of their official business, and shall also provide suitable furniture therefor; or, if said Board should deem it necessary and expedient, offices or chambers for the Justices may be provided and assigned for them in different buildings and places. At the Clerk’s office the presiding Justice and Justices’ Clerk shall be in attendance daily, non-judicial days excepted, from the hour of nine A. M. until five P. M., and at such other convenient hours as may be required by urgent official business; and the other Justices aforesaid shall be in attendance at their respective offices or chambers for the dispatch of official business daily from the hour of nine A. M. until five P. M. Unless otherwise ordered by the Board of Supervisors, leave of temporary absence may be granted by the Mayor to the Clerk or any of the Justices when such absence will not materially prejudice or delay official business; but absence for more than two hours in a day, or for more than four days in one month, shall be charged with a proportionate deduction of salary.

Sec. 6. All legal process of every kind which the Justices of the Peace of the said [city] and county, or any of them, are or may be authorized to issue, for the issuance or service of which any fee is or may be allowed by law, shall be issued by the said Clerk upon the order of the presiding Justice, or upon the order of one of the said Justices of the Peace, and the fees for issuance and service of all such process, and all other fees which now are or hereafter may be allowed by law for any official services of Justices, Constables, or Justices’ Clerk, shall be exacted and paid in advance into the hands of the said Clerk, and by him daily or weekly, as the Board of Supervisors may require, and before his salary shall be allowed, accounted for in detail under oath, and paid into the Treasury of the city and county as part of the Special Fee Fund; provided, that such payment in advance shall not be exacted from parties who, upon proving to the satisfaction of the presiding Justice by their own affidavit or other evi-
dence setting forth the facts and circumstances of their demand that they have a good cause of action, and that they are not of sufficient pecuniary ability to pay the legal fees in advance, shall be admitted by such Justice to sue either in formâ pauperis, or without such prepayment; and, provided, further, that subpoenas for witnesses may in the proper cases be issued by the Clerk without a Justice’s order.

SEC. 7. After this Act takes effect it shall not be lawful for any Justice of the Peace or Constable in the City and County of San Francisco to collect or receive any fee or compensation whatever (other than the salary in this Act allowed out of the Treasury) for any official services, but all fees or moneys legally chargeable for such services shall be paid into the hands of the Justices’ Clerk as aforesaid, and no judgment shall be rendered in the said Justices’ Court, or in any action before said Justices, or any of them, until the fees allowed therefor, and all fees for previous services which are destined to be paid into the Treasury, shall have been paid as in this Act provided, except in case of poor persons as provided in the preceding section.

SEC. 8. All actions and proceedings commenced after this Act takes effect in the City and County of San Francisco whereof the Justices of the Peace have jurisdiction, shall be entitled in “Justice’s Court of the City and County of San Francisco,” and shall be commenced in said Court as hereinbefore provided, and the original process shall be returnable, and the parties required to appear before the presiding Justice at the aforesaid Justices’ Court room, or before one of the other Justices of the Peace, by the presiding Justice to be designated; but all complaints, answers, and other pleadings and papers required to be filed shall be filed, and a record of all such actions and proceedings shall be made and kept in the Clerk’s Office aforesaid; and the presiding Justice, and each of the other Justices, shall have power to hear, try, and determine any action so commenced, and which shall be made returnable before him, and to make any necessary and proper orders therein. The presiding Justice shall also have power in his discretion, on hearing the wishes and objections of the parties, to assign any cause returnable before him after issue joined therein, and in the cases provided for in the next section to transfer any cause returnable before any other Justice for trial before some other Justice of the Peace, or before three Justices, who shall in such case sit together in the Justices’ Court room, and constitute the Court in banc; and the presiding Justice may in like manner assign any contested motion, application, or issue in law arising in any cause, returnable before him, for hearing before any other Justice or before the Court in banc as aforesaid; and the said Court, Justice, or Justices to whom any cause, motion, application, or issue shall be so as aforesaid assigned or transferred, shall have full power, jurisdiction, and authority to hear, try, and determine the same accordingly.

SEC. 9. If at the time of setting or assigning for trial any cause or matter returnable or pending before the presiding Justice, either party shall object to any one of the Justices on the ground that he is a material witness for such party, or that
he cannot have a fair trial before such Justice, or on any other valid ground, the presiding Justice, in case such objection is substantiated in the manner prescribed by section five hundred and eighty-two of the Civil Practice Act, shall allow such objection and not assign the case for trial or any matter or motion therein for hearing before the Justice so objected to, but may assign the same to be tried or heard before some other Justice; and if at the time of joining issue in a cause returnable before any other Justice, objection shall be made to having the cause tried before such Justice on the ground that such Justice is a material witness for either party, or on the ground of the interest, prejudice, or bias of such Justice, and such objection be substantiated in the manner aforesaid, then the Justice before whom the cause is pending shall suspend proceedings therein, and the presiding Justice, on motion and production before him of the same affidavit and proofs, shall order the transfer of the action for trial before some some other Justice by him to be designated, which shall accordingly be done on the terms and in the manner prescribed in the aforesaid section of the Civil Practice Act.

Sec. 10. Cases which by the provisions of section five hundred and eighty-one of the Civil Practice Act are required to be certified to the District Court by reason of involving the question of title or possession of real property, or the legality of any tax, impost, assessment, toll, or municipal fine, shall be so certified by the presiding Justice and Justices’ Clerk; and for that purpose if such question shall arise on the trial while the case is pending before one of the other Justices, such Justice shall certify the same in the manner in said section of the Civil Practice Act provided to the presiding Justice. All transcripts of judgments to be filed in the County Clerk’s office or County Recorder’s office shall be given and certified from the Justices’ Register, and be signed by the Clerk and presiding Justice.

Sec. 11. Applications for new trial shall be made to the presiding Justice; and the affidavits, motion therefor, and other papers required to be filed shall be filed with the Justices’ Clerk. The motion shall be heard and determined by the Court in bank. Appeals from judgments rendered in said Justices’ Court may be taken and perfected in the manner now prescribed by law. The notice of appeal, and all papers required to be filed to perfect it shall be filed with the Justices’ Clerk. The statement on appeal shall be settled, when necessary, before the Justice who tried the cause, or before one of the Justices, if tried in bank. The sureties on appeal, when required to justify, may justify before any one of the Justices. The transcript and papers on appeal shall be made out, certified, and returned to the County Court in the form prescribed by the Civil Practice Act, by the Justices’ Clerk, verified also by the presiding Justice.

Sec. 12. The presiding Justice, whenever in his judgment the prompt dispatch of business shall demand it, may require the aid of one of the Justices of the Peace in the discharge either of his own duties or those of the Justices’ Clerk, (the collection of fees, accounting for and paying the same into the Treasury, excepted,) and each of the Justices when so required shall for the purpose have the same power and authority as the presid-
ing Justice or Clerk in whose aid he shall Act; and any one of the Justices, when required as aforesaid, may act as Justices' Clerk pro tempore during the temporary absence or disability of the said Clerk, with the same powers, duties, and responsibilities.

Sec. 13. In a suitable book, strongly bound, the Justices' Clerk shall keep a permanent record of all actions, proceedings, and judgments commenced, had, or rendered in said Justices' Court; which book shall be a public record, and be known as the "Justices' Register," for which purpose the said Clerk shall give personal attendance and keep minutes of all proceedings had either before the presiding Justice or the Justices in bank; and such proceedings as may take place before the other Justices in cases returnable before them, or which may be assigned or transferred to them for trial or hearing, shall be entered in the dockets of such Justices; and minutes of proceedings shall be kept by such Justices, and be certified and returned, together with all pleadings and papers in the cause, to the presiding Justice, who shall cause the same to be filed, and the proper entries to be made in the cause in the Justices' Register.

Sec. 14. The Board of Supervisors, whenever they shall deem it necessary, may, by an order duly passed and entered in the records of said Board, establish one other Justices' Court, to be held at such place in the city and county as the public convenience may require, which shall not be within one mile and a half of the Justices' Court room in this Act provided for; and the said Board shall, by a similar order, designate one of the Justices of the Peace to hold such additional Court. The Justice so designated, and in case of his temporary absence, any other Justice of the Peace, shall have power to hold the said Court, and for that purpose shall have power to issue process, make all necessary orders, and exercise all the power, authority, and jurisdiction now conferred by law upon Justices of the Peace, and shall be governed in his proceedings in all respects by the laws regulating proceedings in Justices' Courts, but shall not be entitled to receive to his own use any fees or compensation for official services other than his salary as fixed by this Act.

Sec. 15. All fees for issuance and service of process in such additional Court, and all other fees which now are or hereafter may be allowed by law for any official services of the Justice or Constable in any cause or proceeding commenced or pending therein, shall be by the said Justice exacted in advance (except in case of poor persons provided for in section six) and be paid into his hands, and be by him weekly or monthly, as the Board of Supervisors may require, and before his salary shall be allowed, accounted for with the City and County Auditor in detail under oath, and in such form as the Auditor shall prescribe, and be paid into the Treasury of said city and county as part of the Special Fee Fund.

Sec. 16. The Justices' Court organized by this Act, and the additional Justices' Court which may be established by the Board of Supervisors under authority thereof, and the Justices of the Peace aforesaid, shall be governed in their proceedings by the provisions of the Civil Practice Act regulating proceed-
ings in civil cases in Justices’ Courts, and by the provisions of law relating to any special cases and proceedings whereof jurisdiction is or may be conferred upon such Justices and Justices’ Courts, so far as such provisions are not repealed, altered, or modified by those of this Act, and the same are or can be made applicable in the several cases arising before them.

Sec. 17. All actions and proceedings pending and undetermined before any of the Justices of the Peace of the City and County of San Francisco at the time this Act takes effect shall be proceeded in, heard, and determined before the same Justices, and execution shall be issued thereon, and other proceedings therein, whether before or after judgment, whether on appeal or otherwise, shall be taken and had before said Justices in the same manner as if this Act had not been passed; but all suits and proceedings commenced after this Act takes effect shall be commenced, entitled, and prosecuted in the Justices’ Court or the additional Justices’ Court as in this Act provided.

Sec. 18. The County Court of the City and County of San Francisco shall have power to make rules, not inconsistent with the Constitution and laws, for the government of the Justices’ Courts therein and the government of the officers thereof; but such rules shall not be in force until thirty days after their publication, and no rules shall be made imposing any tax or charge on any legal proceeding, or giving an allowance to any Justice or officer for services.

Sec. 19. The Justices of the Peace, Constables, and Justices’ Clerk shall receive for their official services the following salaries, and no other compensation, payable monthly out of the City and County Treasury, and out of the Special Fee Fund, after being first allowed and audited as other similar demands are by law required to be allowed and audited:

To the Presiding Justice, three thousand dollars per annum;

To the Justices’ Clerk and each of the Justices of the Peace, (the Presiding Justice excepted,) twenty-four hundred dollars per annum each;

To each of the Constables, while only two are in office, twelve hundred dollars per annum; and for such time as there shall be three Constables in office and drawing pay, each shall receive at the rate of one thousand dollars per annum; and any Constable keeping a horse and using the same whenever requisite or necessary for the expeditious discharge of his official duties, (of which fact the Board of Supervisors shall be the exclusive judge,) shall be entitled to receive thirty dollars a month in addition to the aforesaid amount; but this allowance shall not be made to more than two of the Constables for the same time.

Sec. 20. It shall not be lawful for the Justices’ Clerk, or any Justice of the Peace, or Constable of said City and County of San Francisco, to appear, or advocate, or in any manner act as attorney, counsel, or agent for any party or person in any cause or in relation to any demand, account, or claim pending or to be sued or prosecuted before said Justices, or any of them, or which may be within their jurisdiction. A violation of the provisions of this section shall be deemed a misdemeanor in office.

Sec. 21. No person other than an attorney at law, duly admitted and licensed to practice in Courts of record, shall be
permitted to appear as attorney or agent for any party in any cause or proceeding before said Justices, or any of them, unless he produce a sufficient power of attorney to that effect, duly executed and acknowledged before one of said Justices, or before some other officer authorized by law to take acknowledgment of deeds; which power of attorney, or a true copy thereof duly certified by one of the Justices aforesaid, (who, on inspection of the original, shall attest to its genuineness,) shall be filed among the papers in such cause or proceeding.

Sec. 22. The election of the six Justices of the Peace chosen at the last special judicial election in the City and County of San Francisco is hereby ratified and confirmed.

Sec. 23. This Act shall take effect and be in force from and after the first day of January, A. D. eighteen hundred and sixty-eight; provided, that at the general election next preceding that date there shall be elected for the City and County of San Francisco five Justices of the Peace, as provided for in section two of this Act, to succeed the present Justices after the expiration of the term for which they were elected; and thereafter, also, the Justices of the Peace in and for said City and county shall be elected at the general election; and all laws so far as they require Justices of the Peace in and for said city and county to be elected at the special judicial election are hereby repealed.

Said notice shall likewise declare the qualifications of the persons to vote at such elections; provided, that such prescribed qualifications shall not be inconsistent with those expressed in this Act.

Sec. 2. The notice required by section one of this Act shall be published in some newspaper or newspapers printed in the district, ward, precinct, township, city, or county, for which the election is called, and shall be posted in at least three public places in the polling precincts of such election at least five days prior thereto; providing, if there be no newspaper published in the district or county, then the newspaper publication may be omitted.

Sec. 3. The person named as Supervisor in the notice required by section one of this Act, or any person, in his absence or refusal to serve, assuming or chosen to be such Supervisor of the election aforesaid, shall first be sworn by some officer authorized to administer oaths, or by some resident freeholder and legally qualified voter of the precinct, ward, or district, in presence of at least two witnesses of like qualifications, that he is a legal voter of the precinct, ward, or district, in which such election is to be held, and that he will correctly and faithfully conduct such election, protect it against all fraud and unfairness, carefully and truly canvass and report all votes cast thereat in such man-

No one assessment shall exceed five per cent of the stated amount of the capital stock of the corporation named in the articles of incorporation, and none shall be levied while any portion of any previous assessment shall remain unpaid or uncollected, except in cases where all the powers of the corporation shall have been exercised in accordance with the terms of this Act for the purpose of collecting such previous assessment, and except, also, the collection of a previous assessment against one or more stockholders, restrained by injunction or otherwise, in which case further assessment may be levied and collected according to this Act.

How levied.

SEC. 3. No assessment shall be levied except by order of the Board of Trustees, concurred in by a majority of said Board, and entered upon the records of the corporation.
SEC. 4. Every order levying an assessment shall specify the amount thereof, and the time when the person or persons to whom, and the place or places where the same is payable. SEC. 7. If any portion of the assessment mentioned in said notice shall remain unpaid on the day specified therein for declaring the stock delinquent, the Secretary shall, unless otherwise ordered by the Board of Trustees, cause to be published in the same papers in which the notice provided for in section five shall have been published, a notice substantially in the following form:

(Name in full. Location of works.) NOTICE.—There is delinquent upon the following described stock on account of assess-
ment levied on the (date) (and assessments levied previous thereto, if any,) the several amounts set opposite the names of the respective shareholders, as follows: (Names, number of certificate, number of shares, amount.) (Name of Secretary, with particular location of office.)

SEC. 8. Said last named notice shall state every certificate of stock, with the number of shares which it represents, and the amount due thereon, separately, except where certificates may not have been issued to parties entitled thereto, in which case the number of shares and amount due thereon, together with the fact that the certificates for such shares have not been issued, shall be stated.

Publication. SEC. 9. Said notice, when published in a daily or weekly paper, or in both, shall be published as follows: When published in a daily paper, the same shall be published for a period of ten days, excluding Sundays and holidays, previous to the day of sale. When published in a weekly paper, the same shall be published for two weeks previous to the day of sale. The first publication of all delinquent sales shall be at least fifteen days prior to the day of sale.

Right to sell. SEC. 10. By the publication of the said notices as hereinbefore provided, the corporation shall acquire jurisdiction to sell and convey a full, complete, perfect, and absolute title to all of the stock described in the notice of sale upon which any portion of the assessment or costs of advertising shall remain unpaid at the hour appointed for the sale, but shall sell no more of such stock than is necessary to pay the assessments due and cost of sale.

Sale, etc. SEC. 11. On the day and at the place, and as nearly as may be at the hour appointed in the notice of sale, the Secretary, who is hereby fully empowered and authorized, shall, unless otherwise ordered by the Board of Trustees, sell or cause to be sold at public auction, to the highest bidder for cash, so many shares of each parcel of said described stock as may be necessary to pay the assessment and charges thereon according to the terms of said notice of sale; provided, that if payment be made before the time fixed for sale, the party paying shall only be required to pay the actual cost of advertising.

SEC. 12. The person offering at such sale to pay the assessment and costs for the smallest number of shares or fraction of a share shall be deemed the highest bidder.

SEC. 13. If at the sale of any stock under the foregoing provisions of this Act, no bidder shall offer to take and purchase the same for the amount of the assessments, and costs and charges then due upon the same, then and in such case the same may be purchased and bid in by the company or corporation, through the Secretary, or President, or any Director or Trustee thereof, at a sum equal to the amount of the assessments,
costs, and charges due upon the same; and in pursuance and by virtue of such purchase, the said assessments, costs, and charges shall be credited as satisfied and paid in full on the books of such corporation, and entry of the transfer of such stock to such corporation, in pursuance of such sale and purchase, shall be made on the books of said corporation. While such stock shall remain the property of such corporation, the same shall not be assessable, nor shall any dividends be declared upon the same; but all assessments and dividends shall be apportioned upon and against the other stock of such company not owned by such corporation. All purchases of its own stock made by any corporation in accordance with the provisions of this section shall be held valid and as vesting the legal title to the same in said corporation; and the stock so purchased shall be held subject to the control of the remaining stockholders, who may make such disposition of the same as they may deem fit in accordance with the by-laws of the corporation or vote of a majority of all the remaining shares. Whenever any portion of the capital stock of any corporation is held by the said incorporation by purchase as aforesaid, a majority of the remaining shares of stock in said corporation shall be held to be a majority of the shares of the stock in said corporated company for all purpose of election or voting on any question before a stockholders' meeting.

Sec. 14. The times or dates fixed in any notice of assessment or notice of delinquent sale published according to the provisions of this Act, may be once extended for a period of not more than thirty days, by order of the Board of Trustees duly made and entered on the records of the corporation; but no order extending the time for the performance of any act specified in any notice shall be effectual unless notice of such extension or postponement be appended to and published with the notice to which the order relates.

Sec. 15. No assessment duly levied shall be rendered invalid by a failure to make proper publication of the notices hereinbefore provided for, nor by the non-performance of any act required to be performed in order to enforce the payment of the same; but in case of any substantial error or omission in the course of proceedings for collection, all previous proceedings except the levying of the assessment shall be void, and publication shall be begun anew.

Sec. 16. No action shall be sustained to recover any stock or invalidate the sale of any stock for delinquent assessments upon the ground of any irregularity in making the assessment, or for any irregularity in or defect of the notice of such sale, or for any defect or irregularity in the sale, unless the party seeking to maintain such action shall first pay or tender to the corporation or the party holding such stock so sold the sum for which the same was sold, together with all subsequent assessments which may have been paid thereon, and interest on such sums from the time they were paid; and no such action shall be sustained unless the same shall be commenced by the filing of a complaint and the issuance of a summons thereon within six months after such sale shall have been made.

Sec. 17. An Act concerning assessments upon the stock of repeal corporations, approved April fourth, eighteen hundred and sixty-
four, and all Acts and parts of Acts inconsistent with the provisions of this Act are hereby repealed; provided, that such repeal shall not affect proceedings commenced for the collection of assessments heretofore levied, but all such assessments may be collected in accordance with the provisions of the laws then in force.

Sec. 18. This Act shall take effect immediately.

The election for said District Assessors, the returns, the canvass, and other particulars relating thereto, shall conform to the requirements of law concerning other county or township officers, and be subject to the same rules. The District Assessors shall take possession of their offices and occupy them for the same term as is now provided by law for the County Assessor, and the assessment rolls of their respective districts, as returned by them, shall constitute the assessment roll of the county.

Section 3. Before entering upon the duties of their respective offices, the District Assessors aforesaid shall each execute a bond in favor of the people of the State of California, in a penal sum to be approved by the County Judge of said county, for such a sum as may be required by the Board of Supervisors of said county, conditioned for the faithful performance of all the duties which then or thereafter may be required by law; and the County Auditor of the county shall, with the advice and assistance of the District Attorney, prepare a blank assessment roll with the proper headings, in a well bound book, for each Assessor, and shall on or before the first Monday in March in each year, deliver the same to the Assessors.

The Board may also scrutinize the acts of said officers, ask any other and further questions that they may deem pertinent, and hear and examine any charges of dereliction or neglect which may be preferred by a citizen or property holder of either of said districts against either of said officers; and after such examination, and satisfying themselves of the time necessarily and properly employed, shall allow each of said officers compensation for each day so employed at a rate not exceeding six dollars per day; provided, that the aggregate sum so allowed to all of said Assessors shall not exceed the sum of twenty-one hundred dollars, exclusive of the fees allowed by law for the collection of poll taxes.

Commencement, and completion.

Sec. 3. Said company shall, within one year from the passage of this Act, commence the construction of said road, and within four years build and complete the same, otherwise the rights herein granted shall be forfeited, and this Act become null and void.

Tolls.

Sec. 4. Said company, upon the construction and completion of said road, shall be authorized and empowered to charge and collect such rates of toll as the Boards of Supervisors of Humboldt and Mendocino Counties shall annually establish, the Supervisors of each county establishing the rate of toll to the boundary line between the two counties; provided, that said Boards of Supervisors shall not have power to reduce the rates of toll so as to yield less than twelve per cent per annum upon the capital stock of said company; and provided, that the capital stock of said company shall not exceed one hundred thousand dollars.

Sec. 5. To secure the certainty of having sufficient stock taken to make an early completion of said road, the Counties of Humboldt and Mendocino may provide forty thousand dollars towards the building of the road; three fifths of this sum, or twenty-four thousand dollars, to be provided by Humboldt County, and two fifths, or sixteen thousand dollars, to be provided by Mendocino County; said sums to be raised in the two counties respectively in manner and form here specified, and the
safe and certain application of such sums to the building of the road, and the redemption of bonds that may be issued, shall be secured as hereinafter provided.

SEC. 6. At the annual election to be held next after the preliminary organization of the company, as provided by law, or at a special election which the respective Boards of Supervisors are hereby authorized to call therefor, a proposition shall be submitted to the legal voters of the two counties respectively, to determine whether they are willing that their counties shall provide the sums specified in section five of this Act for the construction of the road. If a special election be called for the purpose, the Boards of Supervisors shall cause two weeks' notice thereof to be given in at least one newspaper in each of the counties, and establish precincts, appoint Inspectors and Judges of Election, and do all things according to law; and if it be at the annual election, specific provision shall be made to call the attention of the electors to the subject. The voting shall be by ballot, and those voting in favor of the two counties providing respectively towards the construction of the road the amount specified in section five shall have written or printed on their ballots the words, "Support of Turnpike Road—Yes," and those voting against it shall have written or printed on their ballots the words, "Support of Turnpike Road—No."

SEC. 7. Ballots shall be returned, canvassed, and counted in the same manner that ballots at the general election for State and county officers are returned, canvassed, and counted, and if a majority of the votes so cast "Yes," or "No," on said proposition shall be in favor of granting means for the road as herein provided, the Board of Supervisors of the counties, respectively, within ten days after the result of said election is known to be favorable to the proposition, shall enter on the journal of their proceedings the result of the election, and the further declaration that the county has agreed to provide the sum specified in section five for the construction of the road, and this declaration shall be signed by the Chairman of the Board of Supervisors in the counties respectively, and witnessed by their Clerk.

SEC. 8. If there shall be no funds in the County Treasury with which to meet this obligation thus ordered by the people, and incurred, the Treasurer of said county of Humboldt and Mendocino, either or both, shall issue bonds of the county, signed by him as Treasurer, and countersigned by the Chairman of the Board of Supervisors. The said bonds shall be issued whenever and as often as a call shall be made upon the stockholders of said company for the payment of the subscriptions or assessments, so that the counties respectively shall pay to the road as fast as stockholders are required to pay; provided, that the first issue of bonds shall be before the final organization of the company; and, provided, further, that said first issue of bonds shall not be less than one tenth of the amount for which the counties respectively become responsible.

SEC. 9. Said bonds shall be issued for sums not less than one hundred dollars nor more than five hundred dollars each, and coupons for the interest shall be attached to each bond so that
they may be removed without injury to the bonds. The bonds thus issued under this Act shall bear interest at a rate not exceeding ten nor less than seven per cent. per annum, and shall be paid by money raised by taxation upon all taxable property in the county in ten and the interest in fifteen annual instalments.

SEC. 10. It shall be the duty of the Boards of Supervisors of the two counties respectively to levy annually on all taxable property of the county a sufficient percentum tax to pay the amount of interest accruing on said bonds annually on the twentieth day of December of each year for fifteen years; and also on and after the fifth year from the commencement of the issuance of said bonds, to levy annually an additional percentum tax upon all taxable property in the county sufficient to pay annually on the twentieth day of December one tenth part of all bonds issued to said company. The Supervisors shall make such levies early enough in each year to enable the Collector of taxes to collect the same at the same time and in the same manner as the annual State and county taxes are collected; and such taxes, collected in accordance with the provisions of this Act, shall be paid into the County Treasury of the two counties respectively; and shall be set apart for the Turnpike Road Fund, and shall be paid out by the Treasurer in redemption of said bonds and in payment of the annual interest as provided in this Act.

SEC. 11. The payment and redemption of bonds referred to in this Act shall be the payment and redemption of the principal debt or original bonds, and the interest shall be annually paid, as herein provided, on the twentieth day of December, upon the presentation of the coupons attached to the bonds. Fifteen coupons shall be attached to each bond, and shall be numbered, and shall express thereon the amount of interest due each year, when and where payable, and shall be signed by the Treasurer and the Chairman of the Board of Supervisors in the same manner as the bonds are required to be signed.

SEC. 12. Whenever the Treasurer shall pay any coupons or any bonds under the provisions of this Act, he shall cancel the same and preserve the cancelled coupons and bonds, and shall keep a record thereof, giving the number, date, and amount thereof, and from whom received, and shall write across every such coupon and bond the words, "Cancelled by me," and shall sign his name thereto as Treasurer. And whenever the Treasurer shall pay only a part of any bond, he shall indorse such part payment on said bond, and shall cause the holder thereof to sign the same, which shall be witnessed by the Treasurer. And upon the payment of any annual instalment of interest or interest and principal, as herein provided, any balance remaining of said funds shall annually be transferred to the County General Fund of the respective counties.

SEC. 13. Of all dividends declared upon the capital stock of said company, none shall be declared in favor of the counties interested herein, as provided in this Act, until the stockholders first receive fifteen per cent per annum upon the stock paid in; and after that any amount remaining shall be paid to the County of Humboldt, to the amount of three fifths thereof, and to the
County of Mendocino to the amount of two fifths thereof, to go into the General County Fund of the counties respectively.

Sec. 14. On each issue by either county herein specified of any certain amount of bonds, the Treasurer of said company shall receive them at the face thereof, upon the order of the Board of Directors, to be credited to the county or counties that shall issue them as so much of the amount that said counties respectively agree to pay on said roads; and on the delivery of such bonds to the Treasurer of said company, the Treasurers of the counties respectively shall take a receipt therefor, and shall from time to time keep a correct account between the counties and the said company in regard to the issue and delivery of said bonds.

Sec. 15. To secure to the Counties of Humboldt and Mendocino the certain and prudent application of all sums provided by them for assisting in building said road, the Treasurer of said company who receives such bonds shall execute to the county providing them his indemnifying bond in double the amount of bonds thus received, conditioned that said bonds shall be faithfully and exclusively applied to the construction of said road, the said indemnifying bonds to be approved by the Supervisors of the counties respectively; and these indemnifying bonds shall be renewed as often as a new Treasurer of the company is chosen or additional amounts paid by the counties; and any failure to fulfill the obligations of said indemnifying bonds shall subject the party giving them to liability for all damages the counties may thereby incur, and all costs in collecting the same. And as a further guarantee that the counties shall not be injured in thus providing a portion of the means for said company, the Chairman of the Board of Supervisors of Humboldt and Mendocino Counties respectively shall be ex officio members of the Board of Directors of said company, and shall be so recognized and received by said company and by the Board of Directors thereof, and shall be eligible to any office of trust in the gift of the company.

Sec. 16. Should but one of the counties herein named provide means for assisting in building the said road as herein specified, still the provisions herein made shall apply to that one county, and be binding between that county and the company herein provided for; but should neither county, by the vote of its citizens, comply with the provisions herein made, and thus fail to advance the amount of funds herein provided for, then the portions of this Act referring to such advancement of funds shall be void; but all rights and franchises herein provided for such company shall remain in full force and effect.

Sec. 17. This Act shall be in force from and after its passage.

Sec. 9. The Board of Trustees may impose fines for the breach of their ordinances, but no fine shall be imposed on any one person for any one breach of any ordinance, of more than one hundred dollars, which fine may be recovered before any Justice of the Peace having his office within the incorporate limits of the town, or before the Town Recorder, by suit in the name of the Town of Santa Clara, and collected by execution, or in such other manner as fines imposed by the laws of the State are collected; and persons living in the town shall be competent jurors and witnesses, if in other respects competent and qualified. All fines collected in pursuance of this Act, shall, by the officers collecting the same, be paid over to the Town Treasurer, and for any omission to do so, such officer may be proceeded against upon his official bond in the name of the town, in the manner authorized by law on the failure of officers to pay over money collected when so required.

Sec. 10. The Board of Trustees shall have power to impose fines and imprisonment for any breach or violation of any town ordinance; but no fine shall be for a larger amount than one hundred dollars, nor more than thirty days' imprisonment for any offence, or fifty days' labor on the streets or property of the town, which labor said Trustees shall have power and authority to impose on failure to pay the fines.

The said Trustees may purchase, hold, and receive property, real and personal, within said town necessary for public purposes, and may lease the same for a term not exceeding five years, for the benefit of the town; provided, further, the Board of Trustees may purchase, receive, and hold lands outside of the corporate limits for cemetery purposes, and have the same control over such property as if situated within the limits of said town.

Sec. 12. All contracts for building and repairing, wherein the Trustees are
authorized to make for the town, shall by them be let to the lowest responsible bidder in such manner as they may by ordinance provide.

Sec. 13. If at any time the owners of two thirds of the real estate fronting on any street, counting from one cross street to another cross street, shall petition the Board of Trustees for the privilege of constructing, repairing, grading, gravelling, or paving such street or the sidewalks along the same, then it shall be the duty of said Trustees to cause an immediate survey of the proposed improvements to be made by some competent surveyor, who shall in his specifications give the proper grade and the amount of excavation or filling in front of each person’s real estate to the middle of the street; or, if the improvements only extend to the sidewalks, then he shall give the grade and the amount of the excavation or filling of the sidewalks. If the Board of Trustees approve the survey and specifications of the surveyor, they shall order said improvements as petitioned for to be made, and shall make an assessment of the costs thereof to each of the persons owning said real estate, and the same shall constitute a lien upon such real estate until the assessment is paid or satisfied; provided, that each of said persons shall have the privilege of making his improvements in accordance with the specifications and within the time mentioned in the ordinance ordering said improvements to be made; but if not so made, then it shall be the duty of the Marshal forthwith to let out in the manner provided by ordinance the making of all improvements that remain unfinished; and if the owner or occupant of such real estate shall fail, neglect, or refuse to pay for the cost of the same when completed, it shall be the duty of the Marshal, by order of the Board of Trustees, to institute suit in the name of the town against said owner for the recovery of said costs, and the judgment rendered thereon shall constitute a lien upon said real estate, and execution may be issued thereon, and may be served as in other civil cases. The Trustees may require the streets, after such improvements have been made, to be kept in good repair by the owners of said real estate; and if not repaired when ordered, the Marshal shall let out the making of said repairs, and collect the cost of the same in the same manner as in case of the owners failing to make or pay for the cost of the improvement as aforesaid; provided, further, that the cost of the survey and specifications shall be paid out of the General Fund of the town.

Sec. 14. The Trustees shall fix by ordinance each year the amount of taxes to be levied and collected for current expenses; provided, that any single body of land lying within the corporate limits of the Town of Santa Clara, if exceeding in size an original block of land within said town, and if belonging to a single individual or firm, if said land is not subdivided by any public street or streets of said town, then said body of land shall not be subject to any tax for municipal purposes exceeding that levied upon any single original block of land in said town with the improvements thereon, excepting for grading and repairing streets lying contiguous to said lands, and in which the owners thereof are interested equally with all other citizens, in which case the provisions hereinbefore made for such grading and
repairing shall be in full force and effect; provided, further, that the foregoing clause shall not be construed to interfere with the State and municipal provisions for the levying of school taxes.

Sec. 15. Every ordinance passed by the Board of Trustees, in order to possess legal force, shall receive a majority vote of all the members elected.

Sec. 16. The Board of Trustees, or a committee of their number appointed for that purpose, shall constitute a Board of Equalization, and shall, as soon as the Assessor shall have completed and handed to the Clerk his assessment, and after ten days' notice, hold their meetings to hear and determine all complaints respecting the valuation of property as fixed by the Assessor, and shall have power to modify and change such valuation in any way they or a majority of them shall deem just and proper; said meeting shall be held for one week, and no longer.

Sec. 17. The Marshal, Treasurer, Assessor, Clerk, and Recorder, before entering upon the duties of their office, shall take the oath of office as prescribed by law, and shall also give a bond, with sureties to be approved by the Board of Trustees of said town, payable to the Town of Santa Clara, in such penalty as may be prescribed by ordinance, conditioned for the faithful performance of the duties of their offices as required by law. Should the bond of any town officer become insufficient, he shall be required to give such additional security within ten days as the Board of Trustees may require, not exceeding the amount fixed by ordinance; upon his failure to do so at the time fixed, his office shall be declared vacant and a new election ordered, or the vacancy be filled by appointment as herein provided.

Sec. 18. If any vacancies shall occur in any of the offices created by this Act at any time more than six months previous to the regular election, the same shall be filled by special election, to be called by the Board of Trustees for that purpose, by giving five days' notice thereof. Should such vacancy occur six months or less previous to any regular election, the same shall be filled by the Board of Trustees.

Sec. 19. Should any of the officers herein mentioned fail to qualify and give the bond required for the period of ten days after receiving notice of their election, these shall be deemed vacant, and the same shall be filled as provided for in this Act.

Sec. 20. The official bond of every officer named in this Act shall be filed with the President of the Board of Trustees.

Sec. 21. The President of the Board of Trustees shall preside at all meetings; he shall communicate to the Board all such information as he possesses, and make such recommendations in regard to the affairs of the town as he may deem expedient at such meetings; he shall make a semi-annual report and statement on the first Monday of September and March in each year, of the receipts and expenditures of the preceding months, specifying upon what account each expenditure and receipt was made and had, and embodying also his views and recommendations of the town affairs, and cause the same to be published. If he neglects to make and cause such statements to be published, he shall forfeit for any such neglect the sum of two hundred dol-
lars, to be recovered in any Court of competent jurisdiction; one half whereof shall be to the use of the town, and the other half to the use of the person who may bring the suit for the collection of the said forfeiture.

Sec. 22. Until the Board of Trustees shall pass such ordinances as may be required by this Act, the ordinances heretofore passed by the acting Board of Trustees of said town shall be legal and effectual as if passed under this Act, and the same shall be enforced by the town officers until others in their stead shall be passed by the Board of Trustees and published.

Sec. 23. All demands that shall lawfully arise against the town, in order to be entitled to payment, shall, after being verified by the oath of the claimant, be presented to and allowed for such amount as shall be deemed just by the Board of Trustees; and no bill, demand, or warrant shall be paid out of the Town Treasury unless the same be allowed by the Board of Trustees, signed by the President of said Board and countersigned by the Clerk, (except the school demands,) and shall specify out of what fund or appropriation the same shall be paid.

Sec. 24. It shall be the duty of the Town Clerk, in addition to any duties required of him by the Board of Trustees, to attend all meetings held by said Board, shall keep a correct journal of their proceedings, and on receiving the official returns of all charter elections held, shall without delay, after the result of the election has been declared by the Board of Trustees, notify the persons elected, and shall draw and countersign all orders drawn on the Town Treasurer, (except orders on the School Fund, which shall be drawn as hereinafter provided,) and he shall receive such compensation as said Board of Trustees may deem just.

Sec. 25. In addition to the powers conferred on the Board of Trustees, they shall, with a practicing physician appointed by them, constitute a Board of Health; said Trustees shall have power to pass ordinances to prevent and remove anything that is or may become injurious to the health of persons, or that will in any way obstruct the free use or enjoyment of any person's property within the limits of said town; by order of said Board of Health, it shall be the duty of the Marshal to institute suit against said offender or offenders, in the name of the town, for the removal of the same, the costs of such suit to be collected as in other cases.

Sec. 26. It shall be the duty of the Town Marshal, in addition to any duties required of him by the Board of Trustees, and he is hereby authorized to execute and return all processes issued by the Recorder's Court regularly, to enforce all ordinances passed by the Board of Trustees, and arrest all persons guilty of a violation of the same; to collect all licenses and taxes that shall at any time be due to said town; to receive the tax list, and upon the receipt thereof to proceed and collect the same at the same time and manner as by ordinance may be provided, the said Marshal being hereby vested with the same powers to make collections of taxes by the sale and conveyance of real estate as is or shall be conferred upon Collectors or Sheriffs for the collection of State and county taxes; and it shall be the duty of said Marshal to collect in the same manner any
tax list placed in his hands for that purpose, without any unnecessary delay, and pay all taxes and licenses to the Town Treasurer monthly, taking his receipt therefor, retaining his percentage therefor, which shall not exceed five per cent. The Town Marshal shall also be invested with all the powers conferred by law upon Constables, and shall receive the like fees for his services, to be paid in like manner.

Sec. 27. It shall be the duty of the Recorder, and he is hereby authorized and required, to take cognizance of all offences against the laws of the State, and of all breaches of the town ordinances, and to execute the same. He shall be entitled to receive the same fees as are allowed Justices of the Peace by law for like services; and all fines imposed by the Town Recorder, or Justice of the Peace, and collected for any breach of the peace, or violation of any of the town ordinances, shall be paid into the Town Treasury for the use and benefit of the Recorder.

Sec. 28. It shall be the duty of the Town Treasurer to receive and safely keep all moneys that shall come into the Town Treasury, and pay out the same on the order of the President of the Board of Trustees, countersigned by the Town Clerk, and take receipts therefor, and to perform such other duties as shall be required of him by said Board, and shall be allowed a commission of two per cent on all money paid out on orders drawn and signed as aforesaid, (except orders drawn on the School Fund, for which he shall receive no compensation,) if there be money in the Treasury sufficient to pay the same; and shall make out a quarterly statement of his receipts and payments, verified by his oath, and file the same with the Town Clerk; and at the end of his official term shall deliver over to his successor in office all moneys, books, papers, or other property in his possession belonging to the town, and take his receipt therefor.

Assembly, do enact as follows:

SECTION 1. A college is hereby established in accordance with
section two of Article Nine (IX) of the Constitution of this
State, and to carry out in good faith the provisions of an Act

To effect that object most completely, the institution shall combine physical with intellectual education, and shall be a high seminary of learning, in which the graduate of the common schools can commence, pursue, and finish a course of study terminating in theoretic and practical instruction in those sciences which bear directly upon agriculture, mining, and the mechanical arts.

Sec. 2. That a Board of Directors is hereby established, which shall be known under the name and style of the State Board of Directors of the Agricultural, Mining, and Mechanical Arts College. The five members of the Board of Directors shall be elected by the Legislature in joint convention assembled, three of whom shall be residents of the mining counties of this State, the other two from the agricultural counties of this State, who shall hold their office for the term of two years and until their successors are duly elected and qualified. They shall receive no compensation for their services, but shall be paid their travelling and other necessary expenses while employed on the business of the Board.

Sec. 3. The said Board of Directors shall be a body corporate, capable in law of suing and being sued, of taking, holding, and selling real and personal property, of contracting and being contracted with, of having and using a corporate seal, and of causing all things to be done necessary to carry out the provisions of this Act.

They shall take such bonds from the Secretary and Treasurer as shall be deemed adequate to
secure the faithful performance of their duties by those respective officers. The Secretary and Treasurer shall be chosen biennially, and shall hold their offices for two years from the date of their election and until their successors are chosen and qualified.

Sec. 8. The Board shall direct the disposal of any and all moneys appropriated to the said college.

To effect these objects he shall correspond with the Patent Office at Washington, and with the representatives of our National Government abroad, and, if possible, procure valuable contributions to agriculture from those sources. He shall aid as far as possible in obtaining contributions to the museums, the library of the said college, and thus aid in the promotion of agriculture, science, and literature. He shall keep a correct account of all the proceedings of the Board, and an accurate account of all the moneys received into the Treasury as well as those paid out.

Sec. 10. The seeds, plants, trees, and shrubbery received by the Secretary, and not needed by the college, shall be, so far as possible, distributed without charge equally throughout the State, and placed in the hands of those farmers and others who will agree to cultivate them properly, and return to the Secretary's office a reasonable proportion of the products thereof, with a full statement of the mode of cultivation, and such other information as may be necessary to ascertain their value for general cultivation in the State. Information in regard to agriculture and metallurgy may be published by him from time to time in the newspapers of the State; provided, it does not involve any expense to the State.

Sec. 14. The Board of Directors may at any time suspend the sessions of the college temporarily, in case of fire, the prevalence of fatal diseases, or other unforeseen calamity.

Sec. 15. The said Board of Directors shall have the general control and supervision of the said college, the farm pertaining thereto, and lands which may be vested in the college by State legislation, purchase, or donations; of all appropriations made by the State for the support of the same; and also the management of any lands that may be hereafter donated by the General Government to this State in trust for the promotion of industrial pursuits. The Board shall have plenary power to adopt all such ordinances, by-laws, and regulations, not in conflict with this Act, as they may deem necessary to secure the successful operation of the college and promote its designed object.

Sec. 16. It shall be the duty of the said Board of Directors to choose a President of the said college before the commencement of the first term of the institution. They shall proceed to choose such tutors, professors, and employés as the necessities of the institution demand. In case of a vacancy in the office of President, or in case a suitable man cannot be selected, the President of the said Board of Directors, or such member of the Board as shall be designated by them, shall be President pro tempore of the college, who shall receive such compensation for his services as the Board shall determine.

Sec. 17. The President, professors of the college, when chosen, and tutors, shall constitute the Faculty of said college. The President of the College shall be President of the Faculty.

Sec. 19. The Faculty shall pass all needful rules and regulations necessary to the government and discipline of the college, regulating the routine of labor, study, meals, and the duties and
exercises, and all such rules and regulations as are necessary to the preservation of morals, decorum, and health.

SEC. 20. The Faculty shall have charge of the laboratories, mineralogical cabinets, and metallurgical works, library, and museums of the institution.

SEC. 21. The Faculty shall make an annual report by the first Monday in November of each year to the said Board of Directors, signed by the President, containing such information and recommendations as the welfare of the institution in their opinion demands. Any members of the Faculty may make a minority report, if they disagree with the conclusions of the majority, which the Faculty shall communicate to the Board. No communication at any other time, from members of the Faculty, shall be entertained by the Board, unless they have been submitted to a meeting of the Faculty, and sanctioned by a majority.

SEC. 22. The President of the Faculty shall be the chief executive officer of the said college, and it shall be his duty to see that the rules and regulations of the State Board of Directors and the rules and regulations of the Faculty be observed and executed.

SEC. 24. The subordinate officers and employees, not members of the Faculty, shall be under the direction of the Superintendent, and in the recess of the Board of Directors, removable at his discretion; and he may supply vacancies that may be thus or otherwise created. His action in these respects shall be submitted to the approval of the State Board of Directors at their next meeting.

SEC. 26. Chap. CCCXIX.—An Act supplementary to and amendatory of the various Acts regulating elections, and to repeal certain laws on the subject.

[Approved March 31, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. Section six of the Act entitled an Act to amend an Act to regulate elections, passed March twenty-third, one thousand eight hundred and fifty, approved April twentieth, eighteen hundred and sixty-three, is amended so as to read as follows:

Section 6. It shall be the duty of the Board of Supervisors to give at least ten days notice thereof, by posting at each place of holding elections in their county a copy of such proclamation, together with the constitutional provision defining the qualifications of voters, and the twenty-ninth section of the Registry Act, the last clause of said section excepted, and to insert the same in some newspaper published in the county, if any be published therein.

Sec. 2. It shall be the duty of each member of the Board of Judges of Elections to be at the place where the polls of his pre-
cinct are to be opened from eight o'clock in the morning until sunset on the day when any election is to be held by authority of law; and the place of any such member not appearing at eight o'clock in the morning of said day may be temporarily supplied by any qualified voter of the precinct, to be appointed by the member or members then in attendance, the appointee to act until the arrival of the absent member whose place he supplies. The Board of Registration, before the opening of the polls, and the Board of Judges of Elections afterwards, shall have power to appoint the necessary Clerks, not exceeding two, to aid them in the discharge of their duties, which Clerks shall each be sworn by some member of the Board faithfully to discharge their duties according to law. The Clerk of Elections shall be Chairman of the Board of Judges of Elections, and shall have power to appoint for the day a qualified elector to fill any vacancy occurring in the Board by the absence of any member after the polls are opened; and if the Clerk of Elections be himself absent, his place may be temporarily supplied as aforesaid by the other member or members present. All persons appointed to fill vacancies shall, before entering upon their duties, take the proper oath of office.

Sec. 3. In order to provide more fully for filling vacancies which may occur, either in the Board of Registration or the Board of Judges of Elections, by the temporary disability or absence of the Clerk or either of the Judges of Elections, the Board of Supervisors of each county, by an order to be duly entered on their records, shall appoint for each precinct therein, from among the qualified electors of the election district, (and to hold office for two years, unless sooner removed or superseded by said Board,) not less than three nor more than five Alternates, to be designated in such appointment as First, Second, Third, Fourth, and Fifth Alternate, (according to the number appointed,) each to have and take precedence accordingly in filling any such vacancy as aforesaid. At any stated meeting required by law to be held by the Board of Registration, and at the polls on election days, the place of any member of the Board of Registration or Board of Judges of Elections who shall be absent, may be filled by one of the said Alternates, each taking precedence, if more than one be present and offer to serve in any vacancy, according to the aforesaid number and precedence designated in their appointment. The mode of filling vacancies prescribed in the preceding section two, and that prescribed in the thirty-ninth section of the Registry Act, shall apply only to such vacancies as may exist when there is no Alternate present and consenting to supply it. Every Alternate, before officiating in place of a member of the Board, shall take the same oath of office as is required of such member. The provisions of this section shall not be deemed to modify or interfere with those of the fourteenth section of the Registry Act about permanently filling vacancies in the cases therein mentioned.

Sec. 4. Whenever any person presents himself at the polls and offers to vote at any election authorized by law, the Clerk of Elections or one of the Judges shall pronounce his name in an audible voice, so that it may be distinctly heard by the other Judges and the Clerks present; and if his name be found enrolled
on the poll list, and his vote be not rejected on objection made and proofs taken, for one or more of the causes prescribed in section twenty-nine of the Registry Act, shall receive his ballot, and in the presence of the other Judges, put the same, without being opened or examined, into the ballot box.

Sec. 5. The Board of Judges of Elections and each officer and member thereof shall have power in the discharge of their or his functions to administer oaths, and take and certify affidavits, and to examine on oath any person touching his right or qualification to vote, or touching such right or qualification of any other person; and the vote of every person shall be rejected who shall refuse to be sworn or to answer any pertinent questions touching his own right and qualification to vote as aforesaid; and any person refusing to be sworn or to answer any pertinent questions affecting the right and qualification of any other person to vote when lawfully required by said Board of Judges, shall be deemed guilty of a misdemeanor.

Sec. 6. At every election, and at each precinct, the Board of Judges of Elections shall cause to be kept, separately and distinct from the poll list, a list of all persons who shall have actually voted at such election; on which list shall be set down the names of all voters, successively, as soon as they shall have been admitted to vote and their ballots have been received, the names being numbered with successive numbers, placed at the left hand, and placing in a column directly opposite and to the right of each name the proper number prefixed to such name as it stands enrolled on the poll list. This list shall be known as the "List of Voters," and shall be attached to the duplicate poll list, with the tallies and other papers constituting and known in law as the "Election Returns," to be returned to the County Clerk of the county in which the election is held, as now provided by law; provided, that the State Board of Registry shall have power to dispense with this list if, in the judgment of said Board, it should be found unnecessary and inconvenient in practice.

Sec. 7. The necessary printed blanks for poll lists, tally lists, lists of voters, oath, and certificate of returns required by law to be made by election officers, shall be provided and furnished in due and proper time by the Board of Supervisors of each county for each election precinct therein, and be delivered to the proper officers thereof; and the expense of such blanks being first duly allowed and audited as other lawful demands are required to be, shall be paid out of the County Treasury; provided, that nothing herein contained shall be construed to repeal any of the provisions of the Act entitled an Act to authorize the printing and distribution of certain laws and blanks, approved March twenty-fourth, eighteen hundred and sixty-six.

Sec. 8. Every person who shall procure, aid, assist, counsel, or advise another to give or offer his vote at any general or special election, knowing that the person is not duly qualified to vote, shall, on conviction, be adjudged guilty of a misdemeanor, and punished by a fine of not less than fifty nor more than five hundred dollars, or imprisonment not less than two nor more than six months, or by both such fine and imprisonment as the Court may direct.
SEC. 9. The following laws are hereby repealed: Sections fifteen, sixteen, seventeen, eighteen, nineteen, twenty, twenty-one, twenty-five, twenty-six, twenty-seven, twenty-eight, twenty-nine, and thirty, of the Act entitled an Act to regulate elections, passed March twenty-third, eighteen hundred and fifty; also, the fifth, sixth, seventh, and eighth sections of the Act amendatory thereof, passed April twenty-sixth, eighteen hundred and fifty-one; also, sections five and six of the Act entitled an Act to amend an Act to regulate elections, passed March twenty-third, eighteen hundred and fifty, approved April twenty-seventh, eighteen hundred and fifty-five; also, the Act entitled an Act to amend an Act entitled an Act to regulate elections, passed March twenty-third, eighteen hundred and fifty, and the several Acts amendatory thereof and supplemental thereto, approved April twenty-seventh, eighteen hundred and sixty-three; also, the Act entitled an Act amendatory of and supplementary to an Act passed March the twenty-third, Anno Domini eighteen hundred and fifty, to regulate elections, approved April fourth, eighteen hundred and sixty-four; also, the Act entitled an Act to provide for furnishing, in printed form, the poll and tally lists papers for election returns, approved April first, eighteen hundred and sixty-four.

SEC. 3. The said parties and their associates and assigns, shall commence and complete one hundred feet of said wharf within one year from the date of the passage of this Act; and all the privileges and franchises herein granted shall continue and be in force for the period of twenty-five years.

SEC. 4. This Act shall be in force and take effect from and after its passage.

CHAP. CCCXL.—An Act concerning roads and highways in the County of Santa Clara.

[Approved March 31, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The following roads in Santa Clara County are declared to be public highways:

First—All roads now used as public highways, and which have been declared to be such by the Board of Supervisors;

Second—All roads which the Board of Supervisors may declare to be public highways, in accordance with the provisions of this Act;

Third—Any road used as a public highway for two consecutive years or more.

SEC. 2. Any person or persons proposing to apply for the location, alteration, or vacation of any road or highway, shall
give notice of such intention by posting three notices thereof in
public places in each road district affected thereby, and in the
vicinity of the road proposed to be established, altered, or
vacated, and one such notice on the door of the room in which
the Board of Supervisors of the county hold their meetings, at
least thirty days previous to the time of making such applica-
tion, which application shall only be made at a regular meeting
of the Board of Supervisors; and in such notice shall set forth
specifically the place of beginning, the intermediate points, if
any, a general description of the proposed route, the termina-
tion of said road or the particular portion of said road proposed
to be altered or vacated, and the time at which the application
will be made.

Sec. 3. Upon the day specified in any notice of the character
described in the previous section, the person or persons giving
such notice shall complete the proposed application by petition
to the Board of Supervisors, which petition shall be signed by
at least five citizens of the county residing in the vicinity of
such road, and set forth the same matter contained in said
notice, and shall ask for the appointment of Viewers to view
said proposed location, alteration, or vacation, and the final con-
firmation and establishment thereof; and the joining of any
person in such petition shall be considered as a waiver of all
right to damages arising from the location of such road through
any lands owned or claimed by such petitioner, and the dedi-
cation of them to the public use as a highway. Proof shall also
be made to the Board of Supervisors, upon the affidavit of some
competent person, of the posting of the notices required in the
second section of this Act, and also that all persons owning or
claiming land on the proposed route have been notified of said
proposed application at least ten days previous to the day
specified in the notice; provided, that where the owner or claim-
ant is a minor, idiot, or insane person, notifying the legal guar-
dian of such minor, idiot, or insane person, shall be sufficient,
and shall be set forth in the affidavit. If the owner of any
land over which any road is proposed to be located does not
reside thereon, or is not personally notified, the person notifying
shall cause such notice to be served by publication once a week,
for at least four consecutive weeks, in a newspaper published in
the county.

Sec. 4. Upon the filing of the petition specified in the fore-
going section, the petitioners or some of them shall enter into
a bond, with sufficient sureties, in such sum as the Board of
Supervisors may determine, conditioned that the persons mak-
ing such application will pay into the County Treasury the
amount of all costs or expenses accruing on or in consequence
of such application. In case the prayer of the petitioners shall
not be granted, and the location, alteration, or vacation finally
confirmed or established, and should such applicants fail to pay
such costs or expenditures into the County Treasury according
to the tenor of such bond within three months after such lia-
bility shall have accrued, then the Board of Supervisors shall
cause such bond to be delivered to the District Attorney of the
county, whose duty it shall be to proceed forthwith to collect
all sums due by the makers of the bond, according to law.
SEC. 5. Any person or persons owning or claiming lands through or upon which it is proposed to locate and establish a public highway, and desiring to apply for damages in consequence of such location, shall make application by petition in writing to the Board of Supervisors on the day on which the application for such location shall be made, according to notice, wherein they shall set forth the particular road referred to, the amount and character of the land affected thereby, and any other circumstances having relation to the subject of damages upon such land; provided, that the legal guardians of minors, idiots, or insane persons, shall be authorized and required to take all measures in the premises which may be necessary fully to protect their rights.

SEC. 6. Upon the filing of a sufficient bond and proof of the notice required in section two of this Act, together with the affidavits required in section three of this Act, at the time specified in said notice, the Board of Supervisors shall appoint as Road Viewers three disinterested citizens, one of whom shall be a practical surveyor, and shall place in the hands of such Road Viewers the petition for the road which they are to view, together with all applications for damages in the premises; and upon a day named by the Supervisors, or within five days thereof, after taking an oath to perform faithfully the duties devolving upon them by law as such Road Viewers, they shall proceed to view the proposed location, alteration, or vacation, and shall decide whether such proposed location, alteration, or vacation is required for public convenience; and they shall take into consideration private as well as public interests. If in the opinion of the Viewers the prayer of the petitioner is reasonable, and the location, alteration, or vacation necessary to the public, they shall take to their assistance two chainmen and a marker, who shall be sworn by one of the Road Viewers, who are each hereby authorized to administer all oaths required by this Act, and shall proceed to survey said proposed location or alteration, and shall distinctly mark the commencement, the courses, distances, and the termination of said route; and the surveyor shall make a plat and field notes of said survey, which shall be filed as a part of the report of said Road Viewers. At or before the first day of the regular meeting of the Board of Supervisors next preceding that at which Road Viewers have been appointed as provided by this Act, or upon or before any day which the Board of Supervisors may name, they shall file with the Clerk of the Board of Supervisors a report of their proceedings in the premises, in which they shall set forth:

First—Who of them were present;
Second—That they were sworn;
Third—Whether such location, alteration, or vacation is or is not advisable;
Fourth—a plat and field notes of the survey;
Fifth—the expenses of the view and survey;
Sixth—the amount of damages which they are authorized and required to assess sustained separately by each and every person owning or having any right, title, or interest in or to the lands through or upon which said location, alteration, or vacation is proposed to be made;
S Next—The width of the road, which shall not exceed sixty-six feet.

Sec. 7. Said Viewers in making their report of damages, shall take into consideration the benefits arising from said road to the parties to whom they allow damages.

Sec. 8. Upon the first day of the regular meeting of the Board of Supervisors next succeeding that at which the Road Viewers were appointed, or upon such day as the Board may have named, as provided in section six, the Board of Supervisors shall proceed to consider all matters touching the petition for the location, alteration, or vacation of any road, and all subsequent proceedings had thereon in connection with the report of the Viewers on file, and such evidence as the parties interested may introduce touching the same, and if in their opinion the public good and convenience require that the proposed location, alteration, or vacation should be made, they shall confirm the report thereon in whole or in part, as they may deem advisable, and establish said location or alteration, or as much thereof as they may deem advisable, as a public highway, and the damages assessed and the costs which have accrued shall be paid out of the Road Fund, and the Board of Supervisors shall order a warrant or warrants to be drawn accordingly; provided, the Board of Supervisors shall be authorized to pay the same out of the General Fund by special order made for that purpose, or said Board may make the establishment conditional upon payment by petitioners of any or all expenses of opening said road.

Sec. 9. Upon the report of Road Viewers being filed as above provided for, the Board of Supervisors shall order the amount of damages sustained by each and every person owning or claiming said lands to be set apart in the Treasury, to be paid to the proper owner or claimant, if known, and to be kept for the owner if unknown, and to be paid to him or her upon showing or establishing their right or title to said lands. From the time of the setting apart of the amount as above provided, said lands shall be deemed to be taken for public use.

Sec. 10. If in the opinion of the Board of Supervisors the proposed location, alteration, or vacation is not necessary for the public good, or is not of sufficient importance to warrant the action asked for, they may refuse to confirm the report of the Viewers, and may discontinue proceedings in the premises; and they shall then direct the District Attorney to collect the expenses which may have accrued during the progress of the proceedings had in the premises, upon the bond provided for in section four of this Act.

Sec. 11. Whenever any public road is established as contemplated in this Act, it shall be recorded by the Clerk of the Board of Supervisors in a book to be kept for that purpose, which book shall be called the Road Record of the county. Upon the final establishment of any road, and the payment or securing of the damages as provided in this Act, the Clerk of the Board of Supervisors shall within ten days thereafter notify the Road Master or Road Masters of the district or districts within which such road is situated of the establishment thereof, and furnish him with a specified description of said road; and it shall be the duty of such Road Master or Road Masters to open such road within
thirty days from the reception of such notice, unless there were Opening of
at the time of locating such road growing crops upon the ground
affected by such road, in which case it shall be the duty of such
Road Master or Road Masters to open such road within thirty
days after the harvesting of such crops.

Sec. 12. Any person or persons desiring to establish a road
for private convenience, and which is not intended for the benefit
of the travelling public generally, may do so by consent of the
parties owning land affected thereby; but such consent, together
with a specific description of the proposed private road, and
the conditions in reference to gates, inclosures, or other matters
agreed upon, shall be filed with the Board of Supervisors or
their Clerk; and upon filing of such consent and specific descrip-
tion, such road shall be recorded in the Road Record of the
county, and shall become to all intents and purposes a private
road for the use of parties interested; provided, that the parties
for whose benefit such roads are established shall keep them in
repair at their own expense, except that they may by special
consent of the Road Master of the district expend the amount of
their poll tax upon such private roads; and for such services
they shall receive a certificate from the Road Master on the
same conditions and for the same purposes as provided for labor
on public roads. Whenever any person or persons wishing to
establish a private road, and from any cause are unable to obtain
the consent of parties owning the lands affected thereby, the
same measures shall be taken and the same law shall apply
thereto as in the establishment of public roads, except that only
one petitioner shall be necessary; and in the assessment of dam-
ages the Road Viewers shall contemplate the erection of good
and sufficient gates, or such other means of protection as the
petitioner or petitioners may propose to erect; and the final
establishment of such private road shall be conditioned upon
erection and keeping in repair of all such gates or safeguards
provided for; and the payment of all such costs as may have
accrued, or such damages as may have been assessed; and that
part of this section having reference to labor on private roads,
and to record after final establishment, shall be applicable in
this instance; and every order establishing a private road shall
specify the width of such road, which shall not exceed thirty-
three feet. If any person or persons, claiming damages on
account of the location or alteration of any road under the pro-
visions of this Act, shall be dissatisfied with the award of the
Road Viewers, and cannot agree with the Board of Supervisors
as to the amount of damages sustained, and shall refuse to
receive the same, such person or persons shall, within ten days
from the time of final hearing, commence an action against the
county, by name, for such damages, in a Court of competent
jurisdiction, which action shall be conducted in like manner as
other actions in civil cases in the Courts of justice of this State,
except as hereinafter provided. The complaint shall be in
writing, and the summons, with a copy of the complaint, shall
be served upon the Clerk of the Board of Supervisors; and said
Clerk shall notify in writing the President of the Board of
Supervisors and the District Attorney of the commencement of
such action, which shall be sufficient notice to the county; and
it shall be the duty of the District Attorney to appear on the part of the county and defend all actions commenced under the provisions of this Act. The plaintiff, at the time of filing his complaint, shall also file a bond in the sum of three hundred dollars, with two or more sureties, who shall be residents and house or freeholders of the county, and shall testify that they are each worth, over and above their debts and liabilities and property exempt from execution, double the sum specified in the bond. The conditions of the bond shall be to the effect that the plaintiff will pay all costs awarded to the county, not exceeding the amount of the bond.

**Sec. 13.** If the plaintiff in the action shall fail to recover a greater amount of damages than was awarded by the Road Viewers, or than agreed to be allowed by the Board of Supervisors, all the costs in the case shall be taxed against him, and in favor of the county; and if the costs allowed to the county are not paid within thirty days from the time of the entry of the judgment, it shall be the duty of the District Attorney to proceed upon such bond to recover the same.

**Sec. 14.** When the action provided for in this Act is in a Justice's Court, it shall be before some Justice in the township wherein the county seat is located; and if there be no Justice in such township, excepting such as are disqualified to act in the case, then the action shall be transferred to the nearest Justice in an adjoining township, and the county shall have ten days in which to answer from the time of the commencement of the action, and eight days from the time the copy of the complaint is served.

**Sec. 15.** In all cases of an application or action for damages under the provisions of this Act, the claimant shall be deemed the plaintiff, and the county the defendant.

**Sec. 16.** No public or private road shall be opened or any alteration made thereof until all claims for damages shall have been determined and settled as provided in this Act.

**Sec. 17.** Whenever any person or any number of persons may propose to open a public road through his, her, or their lands, the person or persons so wishing may petition the Board of Supervisors of said county (said petition giving the commencement and terminus of said proposed road, with general description and width) to declare said proposed road a public road; and said Board may, if they deem said road necessary, enter in their book of record an order declaring said petition granted; and said petitioners shall proceed at their own expense—unless the Board of Supervisors order the expense paid from the County Road Fund—to fence out such road within thirty days, unless the Board of Supervisors grant a longer time; but the road shall, from the time fixed for opening, be considered to be dedicated to public use. If the guardian of any minor, idiot, or insane person shall petition for said minor, idiot; or insane person, said petition shall be treated and have the same effect as petitions of other persons.

**Sec. 18.** Any person performing any service in this Act in reference to the view, location, or survey of roads, shall receive as compensation the following per diem, to wit: Road Surveyor, five dollars; Viewers, three dollars; Assistant Surveyor, two
dollars; which sum shall be allowed by the Board of Supervisors, and paid by their order, either by the petitioners or by warrants drawn on the County Road Fund.

Sec. 19. For all purposes of this law the townships as now established shall be road districts within the meaning of the law; and they may be changed, created, or more distinctly defined by the Board of Supervisors at any time when considered necessary; provided, that upon the application of ten citizens of the county, made in writing, to the Board of Supervisors at any regular meeting of said Board, they may divide any township into two or more road districts, defining the same as clearly as possible, and numbering the districts from one upwards; and at the election of Road Master herein provided for, the citizens of each road district shall vote for some citizen within the district in which they reside as Road Master.

Sec. 20. In order to enable the Board of Supervisors to levy the poll tax herefore specified, and to provide for the collection of the same, the Assessor or Assessors in the County of Santa Clara shall prepare in his or their tax list or assessment roll a separate column, headed “Road Poll,” in which he shall place against the name of every person liable to pay road poll tax, the figure one. All taxes and assessments, with the assessments hereinafter provided, shall be collected by the Tax Collector of the county in the same manner as other State and county taxes, and placed in the County Treasury to the credit of the Road Fund.

Sec. 21. At each general election the qualified electors in each road district shall elect some citizen of said road district as Road Master of said district for the term of two years from the time of his election; and it shall be the duty of the Clerk Bond, of the Board of Supervisors to notify the person so elected of his election, and he shall thereupon, or within ten days thereafter, qualify, by filing a bond with the Clerk of the Board of Supervisors in the sum of one thousand dollars, with two sureties, which shall be approved by the County Judge, and by
taking an oath before some person authorized to administer the
same that he will faithfully and impartially perform the duties

visors, cause suitable guide boards to be erected at the inter-
section of important roads. He shall oversee and direct the
labor expended upon the roads, and see that teams, ploughs,
scrapers, and other implements, are furnished for the road
service. He shall, between the first day of October and the
first day of June in each year, give to each person in his road
district who is liable to pay road tax, at least two days notice
of the time and place at which such person shall appear for the
purpose of working on the public roads. Such notice shall also
specify what teams or utensils each person is expected to bring
for the road service; provided, that the Road Master shall con-
sult the private interest of tax payers in reference to teams and
implements, so far as he may do so without detriment to the
public service.

Sec. 23. When any bridge or culvert shall be broken or
injured so as to be impassable or dangerous, or when any road
from any cause shall be impassable, or when a new road is
required to be opened, the Road Master may call out a sufficient
number of persons living in the vicinity to repair or open such
road, and for any service so done shall issue to the party a
receipt, as hereinafter provided for labor on highways. Upon
the completion of any road service required of any person,
unless such service can be paid in cash with money collected for
road poll taxes or by poll tax receipts, the Road Master shall
make out and deliver to such person a certificate for the labor
at the rate of two dollars per day, for not less than ten hours,
共同 with such sums as may be justly due for the use of
teams and utensils. All claims for services done, teams or ma-
terials furnished, and certified to by the Road Masters, shall be
audited by the Board of Supervisors, and, upon approval, they
shall order a warrant for the amount of each claim to be drawn
upon the Road Fund. In order to carry out the intentions of
this Act, the Road Master shall be authorized to take, for the
use of the road service, any timber, earth, gravel, rock, or other
material growing or being in any unclosed or uncultivated
lands in the vicinity of a public road, except he shall not cut
down any tree that has been planted or preserved as a shade or
ornamental tree; and upon application of the owner thereof he
shall make such allowance therefor as he may deem just, and
shall give to such owner a certificate of the amount due for such
property, and upon the presentation of such certificate, and the

to be drawn for the amount, payable out of the County Road
Fund.

under the direction of the Board of Supervisors, to collect, either in money or in labor, any or all road poll taxes, payable by persons in their respective districts, and all road poll taxes not so paid shall be collected by the Tax Collector of the county. All moneys collected by the Road Masters as road poll taxes shall be expended in repairs of roads in their respective districts; and the Board of Supervisors shall provide road poll tax receipts for distribution to the Road Masters, prescribing the rules for using and accounting for such poll tax receipts.

Sec. 28. Upon any person who may be liable, refusing upon demand upon himself or his agent, to pay the road poll tax either in money or labor, it shall be the duty of the Road Master to enforce the collection of the same in money by seizing so much of any species of personal property, debts, or choses in action whatever of the delinquent, and if none such can be found, then by levying upon and seizing so much of real property of the delinquent as will be sufficient to pay such tax and costs of seizure and sale, and shall and may sell the personal property at any time and place, upon giving a verbal notice one hour previous to such sale, and shall and may sell the realty in the manner prescribed for Sheriff’s sale under execution; and any person indebted to another liable to pay such tax shall be liable to pay the same for such other person after service upon him by the Road Master of a written notice, stating the name or names of the person or persons liable and owing said tax, and the party paying is hereby authorized to deduct the amount thereof from such indebtedness. The Road Master, after deducting the tax for which the property was sold, and such fees and costs as would accrue to the Sheriff for like services, shall return the surplus to the owner of the property. A delivery of the possession of personal property after sale by the Road Master to any purchaser shall be sufficient title thereof; or if required by the purchaser, the Road Master shall execute a bill of sale. The Road Master may also demand of each employer, a statement under oath touching his indebtedness to the laborers employed by him who are liable to pay the road poll tax; and if it shall appear upon such statement being made that such employer is indebted to any person liable to pay the road poll tax in an amount equal to said tax due by him, the Road Master may demand payment of said taxes from such employer, and if such employer refuses or neglects to pay the same, or to make a statement of his indebtedness under oath, the said Master in his own name may proceed to collect the amount from him by suit; and in all suits under this Act the Road Master shall be a competent witness.

Sec. 30. It shall be the duty of each Tax Collector and Treasurer to keep their books in such a manner as to show how much road tax has been received, how much paid out, and how much is on hand; and the Treasurer shall pay all road moneys out upon warrants drawn upon the Road Fund, by order of the Board of Supervisors, and in no other manner. The Board of Supervisors shall cause to be printed and distributed each year to the various Road Masters proper blank receipts for road tax paid in labor. All road taxes now levied or due under any other law shall be collected and disposed of under the provisions of this Act.

Sec. 32. Any person or persons who shall wilfully injure or destroy any bridge or other portion of a public highway, in such manner as shall render the same dangerous or impassable, or who shall cut down or injure any living tree planted or preserved as a shade or ornamental tree, either in or upon the borders of any public road, shall be guilty of malicious mischief, and upon conviction thereof before any Justice of the Peace, shall be punished by a fine of not more than one hundred dollars, or imprisonment in the County Jail for not more than thirty days, or by both fine and imprisonment; and it shall be the duty of the Road Master in any district to prosecute, in behalf of the county, any person so offending within his road district. [Approved March 31, 1866.]

SECTION 1. Any person or persons proposing to apply for the location, alteration, or vacation of any road or highway, shall file a petition with the Clerk of the Board of Supervisors, which petition shall set forth, specifically, the place of beginning, the intermediate points, if any, a general description of the proposed route, the termination of said road or the particular portion of said road to be altered or vacated, and shall ask for the appointment of Viewers to run said proposed road, alteration, or vacation, and the final confirmation and establishment thereof. Such petition shall be signed by at least ten persons, who shall be tax payers upon real or personal property, and residents of the district or districts in which said proposed road, alteration, or vacation is located.

Sec. 2. Some one of the parties so petitioning shall give notice to all persons owning or claiming land of the proposed location, alteration or vacation, other than the petitioners, which said notice shall be made by personally serving the said parties so affected by the proposed location, alteration, or vacation, their agents, attorneys, guardians, or tenants in possession, at least ten days prior to the hearing, and in case such owner or claimants are non-residents, a copy of such petition shall be deposited in the Post Office directed to such owner or owners, claimant or claimants, if their residence be known, otherwise to their last known residence. Upon the hearing of said petition by the Board of Supervisors proof shall be made by affidavit that all persons owning or claiming land on said proposed location, alteration, or vacation, have been notified of said application as hereinbefore provided.

Sec. 3. Upon the filing of the petition aforesaid, the petitioners, or some of them, shall enter into a bond, with sufficient
sures, in the sum of one hundred dollars, said bond to be approved by the County Judge, conditioned that the persons making such application will pay into the County Treasury the amount of all costs or expenses in consequence of such application, for the use of the district or districts through which said proposed alteration, location, or vacation is petitioned for; in case the prayer of the petitioners should not be granted; and should such applicants fail to pay such costs or expenditures within three months after such liability shall have accrued, then the Board of Supervisors shall cause said bond to be delivered to the District Attorney, whose duty it shall be to proceed forthwith to collect all sums due by the makers of the bond according to law.

Sec. 4. Any person or persons owning or claiming lands through or upon which it is proposed to locate and establish a public road or highway, and desiring to apply for damages in consequence of such location, shall make application by petition, in writing, to the Board of Supervisors on the day on which the application for such location shall be made, wherein they shall set forth the particular road referred to, the amount and character of the land affected thereby, and any other circumstances having relation to the subject of damages upon such land, which said petition shall specify the amount and nature of the damages, and shall be verified by the person or persons claiming the same, their agents or attorneys. All persons who fail to make application for damages at the time and in the manner specified in this section, shall be considered as waiving all rights to damages, and as dedicating the lands affected by the proposed location or alteration to the public use as a highway, and their failure so to do shall forever be a bar to any action for damages in any of the Courts of this State.

Sec. 5. Upon the filing of the petition, the bond, and the affidavits of service of notice, as hereinbefore provided, the Board of Supervisors shall appoint as Road Viewers three disinterested citizens, two of whom shall be residents of the district in which said proposed road is to be located, and one of whom shall be a practical surveyor, and shall place in the hands of such Road Viewers the petition for the road which they are to view, together with all applications for damages in the premises, and after taking an oath to perform faithfully the duties devolving upon them by law as such Road Viewers, they shall proceed to view the proposed location, alteration, or vacation, and shall decide whether such proposed location, alteration, or vacation, is required for public convenience, and they shall take into consideration private as well as public interests, and the advantages the proposed location, alteration, or vacation will be to the party or parties claiming damages. If, in the opinion of the Road Viewers, the prayer of the petitioners is reasonable, and the location, alteration, or vacation is necessary to the public convenience, they may take to their assistance two chairmen and a marker, who shall be sworn by one of the Road Viewers, who are each hereby authorized to administer all oaths required by this Act, and shall proceed to survey said proposed location, or alteration, and shall distinctly mark the commencement, the courses, distances, and the termination of said route; and
the Surveyor shall make a plat and field notes of said survey, which shall be filed as a part of the report of said Road Viewers. Within the time fixed by the Board of Supervisors, they shall file with the Clerk of the Board, a report of their proceedings in the premises, in which they shall set forth:

- **Third**—Whether such location, alteration, or vacation, is or is not advisable;
- **Fourth**—A plat and field notes of the survey;
- **Fifth**—The expenses of the view and survey;
- **Sixth**—The amount of damages (if any) sustained, separately, by each applicant for damages;
- **Seventh**—The width of the road, which shall not exceed sixty-six feet.

SEC. 6. Upon the day fixed by the Board of Supervisors for the return of said report and the hearing thereof, which the Board may from time to time continue, the Board of Supervisors shall proceed to consider all the matters touching the original petition for the location, alteration, or vacation of any road, and all subsequent proceedings had thereon, in connection with the report of the Viewers on file, and such evidence as parties interested may introduce touching the same, but no evidence shall be taken at this time concerning damages unless the parties so claiming damages have strictly complied with the provisions of section four of this Act; and if in their opinion the public good and convenience require that the proposed location, alteration, or vacation should be established, they shall confirm the report thereon in whole or in part, as they may deem advisable, and establish said location, or alteration, or as much thereof as they may deem advisable, as a public highway, either absolutely, in which case the damages awarded and the costs which have accrued shall be paid out of the Road Fund of the district or districts through which said road is proposed to be located, and the Board of Supervisors shall order warrants drawn accordingly; provided, that if there shall not be sufficient money in the Road Fund of said district or districts to pay said warrants, then the petitioners shall pay or tender to the parties or party claiming damages the damages awarded by the Road Viewers, or by the Board, and take in lieu thereof a warrant or warrants drawn on the Road Fund of the district or districts through which the road runs or is to run; or they may make the establishment conditional upon the payment by the petitioners of all or any part of the damages awarded or the costs which may have accrued. If, in the opinion of the Board of Supervisors, the proposed location, alteration, or vacation is not necessary for the public good, or is not of sufficient importance to warrant the action asked for, they may refuse to confirm the report of the Road Viewers, and may discontinue proceedings in the premises; and they shall then direct the District Attorney to collect the expenses which may have accrued during the progress of the proceedings had in the premises, upon the bond provided for in section three of this Act. Whenever any public road is established as contemplated in this Act, it shall be recorded by the Clerk of the Board of Supervisors in a book to be kept for
that purpose, which book will be called the "Road Record" of the county. Upon the final establishment of any road, and the payment or securing of the damages finally awarded, the Clerk of the Board of Supervisors shall, within ten days thereafter, notify the Road Master or Road Masters of the district or districts within which such road is situated of the establishment thereof, and to furnish him with a specific description of said road; and it shall be the duty of the such [said] Road Master or Road Masters to open such road within thirty days from the reception of such notice, unless for good cause shown the Board of Supervisors may extend the time for opening the same.

Sec. 7. If any person or persons claiming damages on account of the location or alteration of any road under the provisions of this Act, who have complied with section four of this Act, shall be dissatisfied with the award of the Road Viewers, and cannot agree with the Board of Supervisors as to the amount of damages sustained, and shall refuse to receive the same, such person or persons shall, within ten days from the time of final hearing, commence an action against the county, by name, for such damages in a Court of competent jurisdiction, which action shall be conducted in like manner as other actions in civil cases in the Courts of justice of this State, except as hereinafter provided. The complaint shall be in writing, and the summons, with a copy of the complaint, shall be served upon the Clerk of the Board of Supervisors; and said Clerk shall notify in writing the Chairman of said Board and the District Attorney of the commencement of such action, which shall be sufficient notice to the county; and it shall be the duty of the District Attorney to appear on the part of the county and defend all actions commenced under the provisions of this Act. The plaintiff, at the time of filing his complaint, shall also file a bond in the sum of three hundred dollars, with two or more sureties, who shall be residents and house or freeholders of the county, and shall justify that they are each worth, over and above their debts and liabilities and property exempt from execution, double the sum specified in the bond. The conditions of the bond shall be to the effect that the plaintiff will pay all costs awarded to the county, not exceeding the amount of the bond.

Sec. 8. If the plaintiff in the action shall fail to recover a greater amount of damages than was awarded by the Board of Supervisors, or than the amount tendered, all the costs in the case shall be taxed against him and in favor of the county; and if the costs allowed to the county are not paid within thirty days from the time of the entry of the judgment, it shall be the duty of the District Attorney, upon the order of the Board of Supervisors, to proceed upon such bond to recover the same.

Sec. 9. When the action provided for in this Act is in a Justice's Court, it shall be before some Justice in the township wherein the county seat is located; and if there be no Justice in said township, excepting such as are disqualified to act in the case, then the action shall be transferred to the nearest Justice in an adjoining township, and the county shall have ten days in which to answer from the time the complaint is served.

Sec. 10. No road shall be opened or any alteration thereof made until all claims for damages shall have been passed upon
and determined by the Board of Supervisors; provided, that if any person over whose land such road shall pass shall fail to present his claim for damages to the Board of Supervisors, or to file his or her complaint in the proper Court as prescribed in this Act within the time prescribed, said person shall be deemed to have dedicated the land over which such road shall pass to public use; and such person shall be forever barred from bringing or maintaining any action or proceeding for damages therefor; and the road shall be opened according to the provisions of this Act.

Sec. 11. In all cases of an application or action for damages under the provisions of this Act, the claimant shall be deemed the plaintiff; and the county the defendant.

Compensation.

Sec. 12. Any person performing any service under the provisions of this Act in reference to the view, location, or survey of roads, shall receive as compensation the following per diem each, to wit: Road Surveyor, five dollars; Viewers, three dollars; Assistant Surveyor, two dollars; which sums shall be allowed by the Board of Supervisors, and paid by their order, either by the petitioners or by warrants drawn on the District Road Fund of the district in which such service was performed.

Sec. 13. At the session of the Board of Supervisors for levying State, county, and other taxes, the said Board shall levy upon each man, except Indians, between the age of twenty-one and sixty years, a road poll tax of not exceeding three dollars, and upon all taxable property in the county a tax for road purposes of not more than fifty cents upon the hundred dollars, which sum shall be levied and collected as all other taxes, as hereinafter provided. And for the purposes of carrying out the provisions of this section so far as the same relates to the levy of the taxes herein provided for, for the year beginning on the first Monday of March, A. D. eighteen hundred and sixty-six, the Board of Supervisors are hereby authorized and required to levy said taxes, which may be done at any time, either at a special meeting of the Board for that purpose or at a regular meeting thereof; and all men between the ages of twenty-one and sixty years, except Indians, who have resided three months in the State, and ten days in the road district, shall pay the road poll tax herein provided for; and all moneys received or collected for such taxes or assessments shall constitute the County Road Fund, which shall be collected, appropriated, and distributed among the different districts as hereinafter provided. The Board of Supervisors, at their regular meeting in February, may make an order to the effect that no labor shall be received in payment of road tax in any road district or districts in the county, and may order that the road poll tax shall be collected by the same officers in the same manner as are now or may be hereafter provided in said county for the collection of other poll taxes, which order shall be entered upon the minutes of the Board, and shall be published four successive weeks in some newspaper published in the county.

Sec. 14. It shall be the duty of the Board of Supervisors, immediately after the passage of this Act, to call and hold a special meeting for the purpose of dividing the county into a convenient number of road districts, defining the same as clearly
as possible, and numbering the same from one upwards; and after said road districts are established and defined, the Board shall immediately proceed to appoint one Road Master in each of said districts, who shall discharge the duties as hereinafter provided, and who shall hold the said office of Road Master until the election of a successor as hereinafter provided.

SEC. 15. At the regular meeting of the Board of Supervisors, they shall order a special election for Road Master to be held in each of said road districts within thirty days after such order, designating the place within each district at which the polls shall be held, and the time of holding such election, which said election shall be conducted in the same manner as is now provided by law for general elections. At such special election the qualified electors in each road district shall elect some citizen of said road district as Road Master of said district for the term of one year from the date of his election; and it shall be the duty of the Clerk of the Board of Supervisors to notify the person so elected of his election; and he shall thereupon, or within ten days thereafter, qualify and give a bond, with two or more sureties, in a sum to be fixed by the Board of Supervisors, for the faithful discharge of the duties of his office, which bond shall be approved by the County Judge; provided, that the Board of Supervisors shall fill any vacancy existing in the office of Road Master in the county. It shall be the duty of each Road Master to have the care and general supervision of the public roads within his district, to maintain them in as good repair, and to erect such necessary bridges and culverts as the means at his command will permit; and he shall also cause suitable guide boards to be erected at the intersection of important roads. He shall oversee and direct the labor expended upon the roads in his district, and see that teams, ploughs, scrapers, and other implements are furnished for the road service. He shall give to each person in his road district who is liable to pay road tax, at least three days’ notice of the time and place at which such person shall appear for the purpose of working on the public roads; such notice shall also specify what teams or utensils each person is expected to bring for the road service; provided, that the Road Master shall consult the private interests of taxpayers in reference to teams and implements, so far as he may do so without detriment to the public service; provided, that when any bridge or culvert shall be broken or injured so as to be impassable or dangerous, or when any road from any cause shall be impassable, or when a new road is required to be opened, the Road Master may call out, without giving the three days’ notice as aforesaid, a sufficient number of persons living in the vicinity to repair or open such road, and for any service so done shall issue to the party a receipt as hereinafter provided for labor on highways. Upon completion of the road service required of any person to the satisfaction of the Road Master, he shall make out and deliver to such person a receipt for the labor done, at the rate of two dollars per day of not less than eight hours, together with such sums as may be justly due for the use of teams and utensils; and all such receipts shall be presented to the Board of Supervisors, and by them allowed and ordered paid, by war-
rants drawn on the fund of the road district in which labor was performed. The Road Master may, with the consent of the Board of Supervisors, make contracts for the purchase of lumber or other material for building bridges or culverts, for grading roads, or any other necessary work upon the highways within his district; but no such contract shall be made when the amount to be expended will probably exceed twenty-five dollars, without having at first given at least fifteen days' notice of the proposed letting of such contract by posting the notice thereof for the period of fifteen days, or by publication two successive weeks in some newspaper published in the county, which notice shall set forth the services or the amount of material required, when and where proposals will be received and opened, and where specifications, if any, may be received and examined; also stating what particulars must enter with the proposals, and the character and time of the payments proposed to be made. Upon the day set forth in such notice for opening the proposals, all the proposals filed in reference to the matter of such notice shall be opened by the Road Master of the district within which the proposed improvements are located, and the proposals of the lowest responsible bidder shall be received; provided, that the Road Master may refuse all the proposals, if he deem such action advisable. All payments for the fulfilment of any contract for the purposes heretofore specified, shall be made by warrants drawn on the Road Fund of the district in which the contract was performed. In case of the construction or reparation of a bridge crossing a stream which is the boundary of two districts or two counties, the Road Master and Supervisors of the several districts and counties connected by said bridge shall have and exercise a joint duty and authority over the erection and reparation of said bridge, and the expense thereof shall be equally divided between said districts or counties. It shall be the duty of the Road Master to collect from each person liable therefor, residing within their respective districts, the road poll tax which may be levied by the Board of Supervisors under the provisions of this Act, and issue to the party a receipt therefor, which receipt shall be received by the Tax Collector of the county in payment of the said road poll tax; provided, that any person may pay the said road poll tax in labor, at the rate of two dollars per day. To enforce the collection of road poll tax as provided in this Act, the Road Master shall seize so much of any and every species of personal property whatever claimed or owned by any person liable to and refusing or neglecting to pay his road poll tax, or property in the possession of or due from any other person and belonging to such person so refusing or neglecting to pay said tax, as will be sufficient to pay such road poll tax and costs, such costs not to exceed two dollars; and shall and may sell the same at any time or place, upon giving a verbal notice one hour previous to such sale; and any person indebted to another liable to pay said road poll tax, but who has neglected or refused to pay the same, shall be liable to pay said tax for such other person, after service upon him by the Road Master of a notice in writing, stating the name or names of the person or persons so liable and owing such road poll tax; and such debtor may deduct the amount thereof
from such indebtedness. The Road Master, after having deducted the road poll tax for which such property was sold, and the costs hereinbefore provided, shall return the surplus of the proceeds to the owner. A delivery of the possession of the property by the Road Master to the purchaser at any such sale shall be a sufficient title in the purchaser, without exacting a certificate of purchase thereof of the Road Master.

Sec. 16. At the regular meetings of the Board of Supervisors in February, May, August, and November, each Road Master shall prepare a statement of the amount of Road Fund paid in labor within his district, and by whom paid, and the amount paid in cash, and by whom paid, the amount paid for utensils and materials, and to whom paid, the amount paid upon contracts, and to whom and for what paid; and a specific statement of his official acts pertaining to his district, and the number of days or parts of days' services by him actually and necessarily performed in the discharge of his official duties; and shall at the end of the term of his office account for and deliver to his successor in office all tools and implements of every kind or description belonging to his district, and take a receipt therefor, which receipt shall be filed with the Clerk of the Board of Supervisors; and he shall at the end of the term of his office account for and pay over to the County Treasurer all moneys remaining in his hands arising from the collection of road poll taxes, which sum shall be placed to the credit of the Road Fund of his district, all of which particulars shall be verified by his oath; and he shall be allowed in payment of such services such per diem as the Board of Supervisors may deem just, not to exceed four dollars; provided, that the Road Master when engaged in superintending work upon the roads in his district, shall not be allowed any compensation for his services where there are a less number than ten persons engaged in such work, unless such Road Master shall work with such persons. Each Road Master shall be liable on his official bond for damages sustained by any person or persons, by reason of the neglect or refusal of such Road Master to repair any broken bridge, or culvert, or any road which shall become impassable within his district, when notified thereof; and he shall be liable on his official bond for any failure, refusal, or neglect to comply with the provisions of this Act.

Sec. 17. In order to carry out the provisions of this Act, it is hereby made the duty of the Assessor of Napa County to assess all persons and all property liable to be taxed, as follows:

First—Every person liable to pay a road poll tax, shall be assessed in the road district in which such person resides; and the Assessor shall place in a separate column, headed "Road Poll Tax," opposite the names of the party assessed, the figure one.

Second—All property liable to taxation shall be assessed in the road districts in which such property is situated, and the Assessor shall make out the assessment roll (using the form now prescribed by law) as follows: He shall commence it with "Road District Number One," which words he shall, in a plain
and legible hand, place over the heading, and, proceeding alphabetically, shall list all property and all persons in such district in the manner prescribed by law. After the completion of District One, he shall proceed in the same manner with "Road District Number Two," and so continue until the completion of the roll, by which assessment roll it shall be made to appear that all property and persons liable to be taxed in each road district are assessed in such district.

Sec. 18. It shall be the duty of the Auditor, in computing the taxes on the assessment roll, to carry out in a separate money column the amount of the road tax, and with it the road poll tax opposite the amount assessed. He shall also procure suitable and uniform poll tax receipts, which receipts he shall number and sign as such Auditor, and shall deliver, taking a receipt therefor, to each Road Master the number required by such Road Master, which shall be charged to such Road Master in a suitable book kept for such purpose, and each Road Master shall account to the Auditor for such receipts on the last day of such Road Master's official term.

Sec. 19. It shall be the duty of [the] Tax Collector to keep a separate account of the road tax of each road district by him collected, and in his settlements with the Treasurer he shall make a statement of the moneys belonging to each road district, and the Treasurer shall keep his books in such a manner as to show how much road tax has been received, how much paid out, and how much is on hand in each of the road districts; and the Treasurer shall pay all road moneys out upon warrants drawn upon the District Road Funds by order of the Board of Supervisors, and in no other manner. The Board of Supervisors shall cause to be printed and distributed to the various Road Masters proper blank receipts for road tax paid in labor.

Sec. 20. Any person or persons, or body politic or corporate, who shall obstruct any public highway, either by placing an obstruction therein, or by digging or deepening the waters of any stream, or in any other manner, shall be liable to a prosecution before any Justice of the Peace in the county, and it shall be the duty of the Road Master of any district wherein such obstruction exists, to prosecute for such offence on behalf of the county; and the person so obstructing, shall, on conviction thereof, be punished by a fine of not less than ten or more than fifty dollars, to be collected as other fines; and he shall further be liable, at the suit of the Road Master of the district, in the sum of five dollars for each day that such obstruction is allowed to remain, after being notified to remove or remedy the same.

Sec. 21. Any person or persons who shall wilfully injure or destroy any bridge, or other portion of a public highway, in such manner as shall render the same dangerous or impassable, or who shall cut down or injure any living tree, planted or preserved as a shade or ornamental tree, either in or upon the borders of any public road, shall be guilty of malicious mischief, and upon conviction thereof before any Justice of the Peace, shall be punished by a fine of not more than one hundred dollars, or imprisonment in the County Jail for not more than thirty days, or by both fine and imprisonment, and it shall be the duty of the Road Master in any district, to prosecute in behalf of the
county, any person so offending within his road district. All fines collected under the provisions of this Act shall be paid into the County Treasury, and become part of the Road Fund of the district in which said malicious mischief was committed.

Sec. 22. All assessments heretofore made and levied for road purposes in Napa County, under and by virtue of existing laws, shall be collected and appropriated to the payment of the existing indebtedness against the Road Funds of said county; and, provided, the amount so levied shall be insufficient to pay such indebtedness, it shall be the duty of the Board of Supervisors of said county to levy such further tax in the year eighteen hundred and sixty-seven as may be required to pay such remaining indebtedness. Should the amount of tax collected, as in this section provided, exceed the indebtedness, the balance shall be distributed among the District Road Funds according to the amount raised in the several road districts. Taxes due any Road Fund, general or special, may be paid by warrants drawn on that fund, and the Tax Collector is hereby authorized to receive payment of assessments for Road Funds by warrants drawn on such funds. In case the amount of the warrant exceeds the amount of taxes due, the Tax Collector may receive the warrant, and give to the holder a statement or certificate of the excess, indorsing the same upon the warrant, which statement shall be equivalent to a warrant upon such Road Fund for such excess.

Sec. 23. An Act entitled an Act to authorize the Board of Supervisors of Napa County to levy a special tax to improve the public roads leading from Napa Valley to Lake County, approved January fifteenth, eighteen hundred and sixty-four, is hereby repealed; also an Act entitled an Act to authorize and require the Board of Supervisors of the Counties of Napa and Lake, respectively, to levy a special tax for the purpose of improving and repairing the public highways connecting Napa City and Lakeport, approved March third, eighteen hundred and sixty-three, and all Acts amendatory of and supplemental thereto, so far as the same relate to Napa County, are hereby repealed, and all Acts and parts of Acts in conflict with or inconsistent with the provisions of this Act, so far as they relate to Napa County, are hereby repealed.

Sec. 24. This Act shall take effect and be in force from and after its passage.

SIXTEENTH SESSION.

CHAP. CCCCLX.—An Act authorizing the Board of Supervisors of Plumas County to aid in constructing certain wagon roads in said county.

[Approved March 31, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Board of Supervisors of Plumas County, at a special meeting to be held for that purpose on the third Monday of April next, shall order a special election to be held in said county, at the several places for holding elections therein, on or before the first day of May next, for the purpose of submitting to the qualified electors of said county the proposition to issue bonds of said county, not to exceed in the aggregate the sum of one hundred thousand dollars, to aid in the construction of the following named wagon roads, to wit: the Quincy and Indian Valley Wagon Road, commencing at the Town of Quincy, thence down Spanish Creek and up Indian Creek to Indian Valley, in Plumas County; also, the Quincy and La Porte Wagon Road, commencing at the Town of Quincy and running thence via Nelson Point, Dickson Creek, and Onion Valley, in said county; to La Porte, in Sierra County; also, the Oroville and Beckworth Pass Wagon Road, hereafter to be located and constructed under the provisions and grants contained in an Act passed at this session of the Legislature, entitled an Act to provide for the construction of a wagon road from the Town of Oroville, in the County of Butte, to Beckworth's Pass, in Plumas County.

SEC. 2. Said Board shall cause notice of at least one week to be published in some newspaper published in said county, stating the proposition to be submitted to said electors, and the time and manner of voting thereon, and shall cause a like notice to be posted for the same length of time at each precinct in said county. Said Board shall also cause ballots to be prepared with the words: "For issuing bonds in the sum of one hundred thousand dollars, to aid in constructing certain wagon roads," printed thereon. Every ballot in favor of said proposition shall have the word "Yes" written or printed thereon, and every ballot against said proposition shall have the word "No" written or printed thereon. Said Board shall appoint officers of election, and the election shall be conducted in all respects, and the returns shall be made up, certified, and sent to the County Clerk as provided by law in case of other elections. The Board of Supervisors shall meet at the expiration of one week from the day of said election, and shall open the returns, count the votes, and declare the result, the same as in other elections.

SEC. 3. If, at said election, a greater number of the electors of said county, voting upon said proposition, shall vote "Yes" than shall vote "No," then and in that event is the Board of Supervisors of said county, in the name of said county, hereby authorized, empowered, and directed, to issue the bonds of said county to the amount of one hundred thousand dollars for the purposes mentioned in section one of this Act, to the parties, at the times, and in the manner hereinafter provided.
SEC. 4. The Quincy and Indian Valley Wagon Road, for the purposes of this Act, shall be divided into two sections, numbered Section One and Section Two. Section One of said road shall commence at Main street in the Town of Quincy, and run thence along the line of the survey of said road for the distance of ten miles. Section Two shall commence at the termini of Section One and run along the line of the survey of said road to Arlington, in Indian Valley.

SEC. 5. Upon the completion of Section One of the Quincy and Indian Valley Wagon Road, the Board of Directors of said road company shall file with the Clerk of the Board of Supervisors of said county a notice of such completion, together with their affidavit of the actual cost of constructing said section of road, and at the next meeting of the Board of Supervisors thereafter they shall appoint one of their number to examine and report to said Board, within ten days from the time of such appointment, the manner in which said section of road had been completed.

SEC. 6. If it shall appear to the satisfaction of the Board of Supervisors, from such report or from other testimony, that the said section of road had been well constructed, at least twelve feet wide, on solid ground, on an easy grade, with good and sufficient turnouts for wagons, in sight of each other along the whole length of it, then the said Board of Supervisors shall forthwith, by order, direct their Chairman, in conjunction with the Auditor and Treasurer of said county, who, for the purposes of this Act, in addition to their other duties as such officers, and their successors in office, shall constitute a Board of Commissioners, to be styled the “Bond Commissioners” of said County, as such Bond Commissioners to issue bonds to the amount of five thousand dollars of a denomination not less than one hundred nor more than one thousand dollars. The principal of said bonds shall be made payable on a specified day, to be named in said bonds, which day shall be ten years from the date of their issue. Said bonds shall draw interest at the rate of ten per cent per annum from the date of their issue, and said interest shall be made payable on a specified day, to be named in coupons, and both the principal and interest shall be made payable in United States gold coin, at the office of the County Treasurer of Plumas County. Said bonds shall be signed by the Chairman of said Board of Supervisors, the Auditor, and Treasurer of said County, as such officers and ex officio Bond Commissioners, and when so signed shall be presented by the Chairman of said Board of Supervisors to the Clerk of said county, who shall countersign the same, as such Clerk, in the presence of a quorum of such Board, at a meeting thereof, and it shall be the duty of said Board of Supervisors to cause the fact of such countersigning of said bonds to be entered in a book to be kept for that purpose, together with the number, date, and amount of each bond so countersigned by such Clerk, and it shall then be the duty of the Board of Supervisors to cause the seal of said county to be affixed to each bond, and appoint one of their number to deliver said bonds to the Quincy and Indian Valley Wagon Road Company, to whom the same shall be issued, who shall take a receipt from the Secretary of
said wagon road company for the bonds so delivered by him, setting forth the number, dates, and amounts of the bonds so delivered, and report the same to the Board of Supervisors.

Sec. 7. Upon the completion of Section Two of the Quincy and Indian Valley Wagon Road, and upon the Board of Directors of said road company filing the notice and affidavit as required in section five of this Act, and upon its being proven to the satisfaction of the Board of Supervisors of said county that Section Two of said road had been constructed as provided in section six of this Act, and upon its being further shown to the satisfaction of said Board of Supervisors that good and substantial bridges had been built across all streams on the line of said road necessary to be bridged, and that the whole of said road was then ready for the use of wagons, then the Board of Supervisors of Plumas County shall cause to be issued to the Quincy and Indian Valley Wagon Road Company, precisely in all respects as provided in section six of this Act, bonds to the further amount of ten thousand dollars; the said bonds to be of the same denomination, bear the same rate of interest, principal and interest payable in the same length of time in gold coin of the United States of America, to be signed, countersigned, sealed with the county seal, registered, delivered, and receipted for, as provided in the foregoing section.

Sec. 8. The Quincy and La Porte Wagon Road, hereafter to be located upon the line described in section one of this Act, shall, for the purposes of this Act, when located, be divided into four sections, as follows: Section One shall consist of all that portion of said road commencing at the Town of Quincy, and running thence to the Middle Feather River, at or near Nelson's Point. Section Two shall consist of all that portion of said road commencing at the termini of Section One, and running thence to or opposite the mouth of Dickson Creek, and including all bridges necessary to be built on the line of said road across the said Feather River and across Nelson's Creek. Section Three shall commence at the termini of Section Two, and extend five miles up Dickson Creek on the line of the survey of said road. And Section Four shall consist of all that portion of said wagon road between the termini of Section Three and the boundary line between Sierra and Plumas Counties, where said road crosses said line.

Sec. 9. Upon the completion of each of the sections of the Quincy and La Porte Wagon Road, mentioned in section eight of this Act, the Board of Directors of said wagon road company shall file with the Clerk of the Board of Supervisors of Plumas a notice of such completion, together with their affidavit as to the actual cost of constructing each of such sections of road; and at the next meeting of the said Board of Supervisors thereafter, they shall appoint one of their number to examine and report, within ten days of such appointment, the manner in which each or either of such sections of road had been constructed.

Sec. 10. If it shall appear to the said Board of Supervisors, from the report aforesaid, or from other good and sufficient tes-
timony, that either or all of said sections of the Quincy and La Porte Wagon Road had been well constructed, of at least twelve feet in width upon solid ground, on a reasonable and even grade, with good and sufficient turnouts for wagons in sight of each other along the whole length of the section or sections so completed, and that good and substantial bridges had been constructed across all streams on the line of said road necessary to be bridged, then the Board of Supervisors aforesaid shall by order direct the Bond Commissioners mentioned and provided for in section six of this Act to issue bonds to the amount of five thousand dollars for each of said sections of the Quincy and La Porte Wagon Road so completed as aforesaid; provided, that no bonds shall be issued for the building and completion of Section Four of said road, until all of the other sections of said road are completed, as provided in this Act.

Sec. 11. All bonds issued under the provisions of section ten of this Act shall be of a denomination not less than one hundred nor more than one thousand dollars. The principal of said bonds shall be made payable on a specified day, to be named in said bonds, which day shall be fifteen years from the date of their issue. Said bonds shall draw interest at the rate of ten per cent per annum from the date of their issue as long as the same are outstanding and unpaid, and said interest shall be due and payable annually, and shall be made payable on a specified day to be named in coupons; both principal and interest to be paid in United States gold coin, at the office of the County Treasurer of Plumas County. Said bonds shall be signed, countersigned, registered, sealed with the county seal, and delivered to the Quincy and La Porte Wagon Road Company, to whom the said bonds shall be issued, in the same manner in all respects as provided in section six of this Act for signing, countersigning, registering, sealing and delivering certain bonds to the “Quincy and Indian Valley Wagon Road Company,” and the same receipt shall be taken and reported to the Board of Supervisors.

Sec. 12. All of that portion of the Oroville and Beckworth Pass Wagon Road, located under the provisions of an Act passed at this session of the Legislature, entitled an Act to provide for the construction of a wagon road from the Town of Oroville, in the County of Butte, to Beckworth’s Pass, in Plumas County, within the County of Plumas, below Nelson’s Point, if the same shall be located on the Middle Feather River, or below the junction of Indian and Spanish Creeks, if the same shall be located on the North Fork of Feather River, shall be divided into sections of five miles each, commencing at Nelson’s Point, if the said road be located on the Middle Feather River, or commencing at the junction of Spanish and Indian Creeks, if the same be located on the North Fork of Feather River, and running down the line of said road to the boundary line of Plumas County. Said sections shall be numbered One, Two, Three, Four, Five, etc., consecutively, commencing at Nelson’s Point, or at the junction of Spanish and Indian Creeks aforesaid, as the case may be, and continuing to the boundary line of Plumas County.
SEC. 13. Upon the completion of any one of said sections of the "Oroville and Beckworth Pass Wagon Road," it shall be the duty of the Board of Directors of said wagon road company to file a notice of such completion with the Clerk of the Board of Supervisors of Plumas County, giving the number of said section, together with their affidavit, setting forth the actual cost of constructing such section of road, and it shall be the duty of the said Board of Supervisors, at their next meeting thereafter, to proceed, as hereinbefore directed, to ascertain the manner in which said section of road had been constructed; and if it be shown to the satisfaction of the Board of Supervisors that such section or sections of road had been properly completed in all respects as hereinbefore required of the "Quincy and Indian Valley Wagon Road Company," and of the "Quincy and La Porte Wagon Road Company," then the Board of Supervisors shall forthwith by order cause the Bond Commissioners of Plumas County, hereinbefore constituted and appointed, to issue to the "Oroville and Beckworth Pass Wagon Road Company" bonds to the amount of five thousand dollars for each section of said road so completed; provided, that not more than sixty-five thousand dollars shall be issued to said company; and, provided, further, that if there should not be as many as thirteen sections of said road between the points above designated, then the Board of Supervisors shall, upon the completion of all of said road from Nelson's Point, or from the junction of Spanish and Indian Creeks, as the case may be, to the county line, issue to the said Oroville and Beckworth Pass Wagon Road Company any balance of the sixty-five thousand dollars bonds then remaining unissued.

SEC. 14. All bonds issued under the provisions of section thirteen of this Act shall be of a denomination not less than one hundred nor more than one thousand dollars. The principal of said bonds shall be made payable on a specified day to be named in said bonds, which day shall be twenty years from the date of their issue; said bonds shall draw interest at the rate of ten percent per annum from the date of their issue as long as the same are outstanding and unpaid; and said interest shall be due and payable annually, and shall be made payable on a specified day to be named in coupons, and both the principal and interest to be paid in United States gold coin, at the office of the County Treasurer of Plumas County. Said bonds shall be signed, countersigned, registered, sealed with the county seal, and delivered to the Oroville and Beckworth Pass Wagon Road Company, in the same manner in all respects as hereinbefore provided for signing, countersigning, registering, sealing, and delivering bonds to other wagon road companies; and the same receipt shall be taken therefor, and the same report thereof made to the Board of Supervisors.

SEC. 15. Coupons for the interest shall be attached to each of the bonds issued under the provisions of this Act, so that the same may be detached without mutilation to the bond; said coupons shall be signed by the said Bond Commissioners. When any interest shall be paid upon a bond issued under the provisions of this Act, the County Treasurer shall detach the coupons for the interest then due and paid, indorse the word "cancelled"
on the backs thereof, and deliver the same to the County Clerk of said county, taking his receipt therefor, whose duty it shall be to file the same in his office, and make a report thereof at the next meeting of the Board of Supervisors.

Sec. 16. Each of the wagon road companies mentioned in this Act shall, on the first Mondays in January, April, July, and October, in each year, file with the County Clerk of Plumas County a statement in writing, duly verified by the oath of the Secretary of said companies respectively, containing the gross amount of all tolls collected in said county on their respective roads, the expense of collecting said tolls and of keeping their respective roads in repair for the three months next preceding. If it shall appear from such statement that the receipts of either or all of said companies from such tolls exceed the expense necessarily and actually incurred in keeping up said roads respectively, then the company or companies so receiving such excess shall, at the times aforesaid, pay into the County Treasury of Plumas County the undivided one fourth of such net proceeds. All moneys so paid in shall be set aside by the County Treasurer of said county as a fund for the purpose of paying the interest on the bonds issued under the provisions of this Act, which shall be styled the "Interest Fund."

Sec. 17. It shall be the duty of the Board of Supervisors of Plumas County at the time they levy the general State and county taxes for the year eighteen hundred and sixty-seven and for each year thereafter so long as the said bonds shall be outstanding and unpaid, to levy a tax to be styled an "Interest Tax," sufficient to raise the amount of interest required to be paid each year on the bonds issued under the provisions of this Act; and they shall, at the same time, so long as the said bonds are outstanding and unpaid, levy a tax not exceeding forty cents on each one hundred dollars worth of taxable property in said county for the purpose of raising a fund for the liquidation of said bonds, which shall be styled a "Bond Fund." The said taxes shall be levied and collected in the same manner as the general taxes; and when collected, shall be paid unto the County Treasurer, who shall place the former in the Interest Fund named in the preceding section, and the second into the Bond Fund aforesaid, to be paid out by him at the order of the Bond Commissioners of said county, as follows:

First—The Interest Fund, to the payment of the interest falling due on said bonds;

Second—The Bond Fund, to the redemption of said bonds, as hereinafter provided.

Sec. 18. Should there be collected, as such Interest Tax, and received from the said road companies, as provided in section sixteen of this Act, a sum greater than is required to pay the annual interest on said bonds issued under the provisions of this Act, then the said Bond Commissioners shall, on the first Monday in March in each year, pass over such surplus into the said Bond Fund.

Sec. 19. It shall be the duty of said Bond Commissioners to make arrangements for the payment of the interest on said bonds, when the same falls due, at least thirty days before the time of payment, and in the event said Interest Fund is insuffi-
cient, the said Treasurer shall draw on the Common or General Fund of said county for such purpose, and pay out the same at the order of said Bond Commissioners; and in the event that the General Fund proves inadequate, the said Commissioners are authorized and required to make such contracts and arrangements as may be necessary for the payment of said interest and the protection of the faith of the county.

Sec. 20. Whenever at any time there shall be in said Bond Fund a sum of money amounting to two thousand dollars or upwards, the said Commissioners shall advertise in a public newspaper, published in said county, for a space of four weeks, for sealed proposals for the redemption of said bonds, and ten days from the expiration of the time for such publication, the said Commissioners shall open the sealed proposals, and shall pay and liquidate, as far as the Bond Fund then on hand shall extend, such bonds, presented under said proposals, as shall have the lowest value proposed at which they may be liquidated; provided, the same shall not be for more than the par value thereof; and, provided, should there be no proposals made for less than par value, then the payment of said Bond Fund on hand shall be made on said bonds according to the number of their issue and date, of which number and date of the bonds to be paid the said Commissioners shall give four weeks notice by publication, after which time such bonds shall cease to draw interest; and, provided, further, whenever there shall be sufficient moneys in such Bond Fund for the extinguishment of all the bonds outstanding issued under this Act, it shall be the duty of the said Commissioners to advertise, in like manner, for a space of four weeks, for the redemption of all the outstanding bonds issued as aforesaid, after which time said bonds shall cease to draw interest. Any moneys remaining in said Bond Fund after the redemption of all of said bonds shall go into the General Fund of said county.

Sec. 21. Whenever any bonds shall have been paid and redeemed by order of the said Commissioners, the Treasurer shall mark the same "cancelled" over his signature as Treasurer, and immediately deliver the same to the County Clerk, taking his receipt therefor; and the said Clerk, upon the receipt of such cancelled bonds, shall file the same in his office.

Sec. 22. The County Auditor of Plumas County shall keep an account of the Interest Fund and of the Bond Fund above provided for the same as of other funds in the County Treasury, and shall furnish to the Bond Commissioners a statement of the same on the first Mondays of January, April, July, and October of each year.

Sec. 23. The said Commissioners and all other officers herein specified, for the performance of their duties under the provisions of this Act, shall in all things herein required of them be subject to all the liabilities and penalties to which they are subject for a failure to perform any other of the duties of their respective offices; and they shall be allowed by the Board of Supervisors a reasonable compensation for their services under the provisions of this Act, to be paid out of the General Fund as other county salaries are paid. And the said Board of Supervisors may and they are hereby directed to require of each of said Commission-
ers such bonds for the faithful performance of their duties herein required of them as the said Board may deem proper; provided, that the penal sums of such bonds to each of said Commissioners shall not exceed ten thousand dollars, the said bonds to be executed the same as other official bonds, and shall be approved by the Board of Supervisors.

Sec. 24. Each of the wagon road companies named in this Act, in consideration of the bonds issued and delivered to them respectively under the provisions of this Act, shall sell, transfer, and assign to the County of Plumas all of their said roads lying in said county, as follows, to wit: Within ten years from the time of the completion of the Quincy and Indian Valley Wagon Road, or at the expiration of said period, the County of Plumas, through the Board of Supervisors so desiring it, the Quincy and Indian Valley Wagon Road Company shall sell, transfer, and convey to said county all of their said road, with the rights of way and appurtenances, for a sum of money not exceeding the actual cost, as shown by the affidavits hereinafore provided for, after deducting the amount of bonds received by said company under the provisions of this Act. At the expiration of fifteen years from the time of the completion of the Quincy and La Porte Wagon Road, the Board of Supervisors so desiring it, the said Quincy and La Porte Wagon Road Company shall sell, transfer, and convey to the County of Plumas all of their said road lying in Plumas County, together with the rights of way and appurtenances, for a sum of money not exceeding the actual cost of said road, as shown by the affidavits hereinafore provided for, after deducting the amount of bonds received by the said company under the provisions of this Act. Sec. 25. This Act shall take effect and be in force from and after its passage.

Sec. 15. If any animal so illegally conveyed out of any pound shall be in any person's inclosure who shall refuse to deliver the same to the Pound Master upon demand, such refusal shall be sufficient evidence to convict such person of having released such animals from the pound.

Sec. 16. The Pound Master shall cause all animals impounded to be provided with food and drink suitable for such animals, and upon neglect shall be liable to the owner for all damages arising therefrom.

Sec. 17. The said Board shall have power to determine all complaints made in regard to the assessed value of any property, and may change and correct any valuation, either by adding thereto or deducting therefrom, except that in cases where the person complaining of the assessment has refused to give the Assessor his list, no reduction shall be made in the assessment made by the Assessor. If the Board of Equalization shall find it necessary to add to the assessed valuation of any property in the assessment roll, they shall direct the Secretary of the Board to notify the person whose assessment has been increased of the amount of increase, and also that the Board will meet again on the first Monday of August to hear and determine any and all complaints in relation to said increased assessment. If the Board find it necessary to add to any assessment on the subsequent list, they shall designate a day when they will meet to hear and determine any and all complaints in relation to such increased assessment, and the Secretary shall give such notice as in this section hereinbefore designated.

Sec. 18. The Secretary of the Board shall enter upon the original and subsequent assessment rolls all the changes and corrections made by the Board, and he shall also add up the columns of valuation of each description of property on the roll, and shall charge the Marshal with the total amount of assessments. On or before the third Monday of July, as to the original assessment roll, and on or before the second Monday of August, as to the subsequent assessment roll, the Secretary of the Board shall deliver a corrected roll, duly certified by him, to the Marshal.
Sec. 19. The Marshal of the town, who shall be ex officio Tax Collector, upon receiving the assessment roll, or the duplicate thereof, shall proceed to collect the taxes, and shall forthwith give notice by publication in a newspaper, if there be one published in the town, and if not, by posting three notices in three public and conspicuous places in the town, that the town taxes are due and payable, and that the law in regard to their collection will be strictly enforced. The Marshal shall be chargeable for all the taxes on the rolls assessed.

Sec. 20. Whenever any tax is paid to the Marshal he shall mark the word "paid" opposite the name of the person or the description of the property liable for such tax, and shall give a receipt therefor specifying the amount of the assessment and the amount of the tax; and an owner of an undivided interest in real estate may pay the proportion of taxes due on his interest therein.

Sec. 21. On the third Monday of August in each year the Marshal shall enter upon the assessment rolls or duplicates, as the case may be, a statement that he has made a levy upon all the property therein assessed, the taxes upon which have not been paid, and shall immediately ascertain the total amount of taxes then delinquent, and shall immediately enter in a book to be styled the "Delinquent Tax List," a list of all persons and property then owing taxes, in the manner entered in the assessment rolls, to which the Marshal shall append his certificate, and in said certificate he shall set forth that the persons and property described in said delinquent list have not paid the taxes therein assessed, and that all those having paid taxes are marked "paid" on the assessment rolls; which delinquent tax list, statement, and certificate, shall be completed, and the same, together with the assessment rolls or duplicates thereto, delivered to the Secretary of the Board of Trustees by the first Monday of September. The Secretary of the Board shall then settle with the Marshal, crediting him with all the taxes returned delinquent, together with the sums specified in the Treasurer's receipts, and ascertaining the balance due the town from the Marshal, or the amount due the Marshal from the town. The Secretary and the Marshal shall carefully examine the assessment rolls, and if there be duplicates, compare them with the originals, and ascertain if all the taxes which are not paid are on the delinquent list.

Sec. 22. The Marshal shall, on the first Monday of each month, or oftener, if required by the Board of Trustees, pay over to the Town Treasurer all moneys collected by him for taxes, fines, or from any other sources, for the town; and shall take the Treasurer's receipt for the same, and shall, at the same time, deliver to the Secretary of the Board a statement of the amount paid the Treasurer, and the sources whence the same was derived; and the Secretary of the Board of Trustees shall, within five days after receiving the delinquent tax list, deliver the same, duly certified by him to be correct as the same appears by the assessment rolls, to the Corporation Attorney.

Sec. 23. The Corporation Attorney, upon the receipt of said delinquent tax list, shall cause a notice to be published in a newspaper in the town, if there be one, and if not, shall cause three notices to be posted in three public places in the town,
setting forth that the said delinquent list has been delivered to him, and that unless the taxes, with five per cent additional thereto, are paid within ten days, he will commence suits for the recovery of the same.

Sec. 24. The Corporation Attorney is hereby authorized and required, immediately after the ten days' notice before specified, to commence actions in the name of the Town of Downieville against the persons appearing on the delinquent tax list as delinquent, and against the real estate and improvements assessed to delinquents, and against all owners or claimants to the same, known or unknown. Said action shall be commenced before any Justice of the Peace of Butte Township, Sierra County, when the amount claimed is less than three hundred dollars, and in the District Court for Sierra County when the amount is three hundred dollars or over; provided, if the property be assessed to an unknown owner, any fictitious name may be inserted to represent such true owner or owners as defendant in said cause. And the said Justices' Courts of Butte Township, and the District Court for Sierra County, are hereby authorized to issue process in said actions, and are given full and complete power and jurisdiction over all actions brought under the authority of this Act for the collection of delinquent taxes.

Sec. 25. The provisions of the law of the State of California relating to the collection of delinquent taxes as applicable to Sierra County, are hereby made applicable to all actions for the collection of delinquent taxes under the provisions of this Act; provided, the Marshal of the Town of Downieville is authorized to serve any process which may be issued in said actions, and make any sale of real or personal property on judgment for unpaid taxes. The provisions of the said law of the State shall also govern the sale of any real or personal property for unpaid taxes, the issuing of a deed therefor, and the placing the purchaser in possession thereof; and a deed given by the proper officer for property sold for taxes shall be conclusive evidence of title, unless it appear that the taxes were paid before suit, or that the taxes and all costs were paid before the sale, or that the property had been duly redeemed according to law, or that the property is exempt from taxation, or that there had been fraud in the assessment of the tax.

Sec. 26. The delinquent list, or a copy thereof duly certified as before provided, showing unpaid taxes against any person or property, shall be prima facie evidence in any Court to prove the assessment of the property assessed, the delinquency, the amount of taxes due and unpaid, and that all the forms of law in relation to the assessment and levy have been complied with.

Sec. 28. The Corporation Attorney shall receive as fees five per cent on the amount of taxes due and paid to him before suit brought, and fifteen per cent on the amount of taxes due and paid after suit brought, which shall be added to the amount of taxes due and taxed as costs. For other services he shall receive such fees as the Board may allow. And the other offi-
cers issuing or serving papers or discharging any duties in the collection of said taxes, shall receive the fees allowed to such officers for such services under the general revenue law of the State; provided, that no officer shall receive any fees unless the same are collected in such actions as costs.

Sec. 11. Moneys, credits, and effects of the delinquents may be attached in the hands of third parties by the Road Overseer by delivering to the party having such moneys, credits, or effects of the delinquent a written order of garnishment requiring said party to pay him the sum of the tax due from delinquents, together with costs and three dollars charges allowed to the Overseer; or if such party have not so much, then what of money, credits, or effects he may have, and the receipt of the Overseer therefor to such party shall be a legal offset to any claims existing against the party garnisheed to the amount of the receipt in favor of such delinquent. If any person on whom such garnishment is served should neglect or refuse to pay to the Road Overseer the sum demanded of him for the space of five days after receiving such notice, the Road Overseer shall apply to any Justice of the Peace of his township for an order requiring said person so served to appear before him forthwith, or on a certain day so named in said order, to answer on oath concerning any moneys, credits, or effects in his hands belonging to such delinquent, and if it shall appear by the answer of the party to the satisfaction of the Justice, that he has moneys, credits, or effects in his hands belonging to the delinquent, the Justice shall enter in his docket a judgment against the party therefore examined for the tax due from such delinquent, and three dollars and costs, the tax to be applied to the construction and repair of the highways in his district, and the three dollars to the Overseer for his charges. Upon receiving the said tax and the three dollars, the Overseer shall execute a proper receipt for such tax and his own receipt for the three dollars costs. The judgment rendered against the person served with garnishment shall be collected in the same manner as other judgments in Justices' Courts, and shall be a legal offset against the delinquent in favor of the judgment debtor.

Sec. 12. The Road Overseer shall have power to let contracts for the construction, repairs, and improvement of public roads or bridges in their respective districts, where the amount of such contracts shall not exceed the sum of one hundred dollars; provided, that all contracts shall be let to the lowest responsible bidder; and, provided, that no contract shall be let unless due notice of the time and place of letting has been given by posting...
notice in at least three of the most public places in the district, at least one week prior, specifying the work to be done, and asking for sealed proposals. All contracts for the construction, repairs, and improvements of roads involving any expenditure exceeding the sum of one hundred dollars, shall be let by the Board of Supervisors to the lowest responsible bidder, notice of such letting to be advertised in a newspaper published in the county, at least two weeks prior to the letting, asking for sealed proposals; but the Road Overseer may contract for repairs of roads and bridges to any sum not exceeding the sum of fifty dollars without advertising for sealed proposals, and the Road Overseer shall have power to employ persons by the day, at a compensation of two dollars per day, on the road in his district when he supervises the work personally; provided, that he shall let no contracts and employ no persons except he has road funds in his hands sufficient to pay for the same.

Sec. 13. All improvements upon the public highways shall be made under the supervision and direction of the Road Overseer of the district in which the improvement is made, and no contractor shall receive pay in full for work performed under his control until the Road Overseer has accepted the job from the contractor by certificate in writing; provided, that all contracts let by the Board of Supervisors shall be accepted by them.

Sec. 14. Whenever, at any regular meeting of the Board of Supervisors, a petition by a majority of the property taxpayers of any district shall be presented to said Board asking that a property road tax be levied upon the taxable property, both real and personal, within such district for road purposes, the Board of Supervisors are hereby empowered, and they shall thereupon levy such tax, not to exceed fifty cents on each one hundred dollars of valuation of taxable property within such district in any one year, such valuation to be taken from the last equalized assessment roll; and the persons and property so taxed are hereby required to pay the tax so levied in the same way and manner and under the same conditions as the poll road tax is required to be paid; and the provisions in this Act provided for the enforcement of the collection of the poll road tax are hereby made applicable to the enforcement of the collection of any tax which may be levied under this section.

Sec. 15. The Board of Supervisors, for the levying of such tax, may require, and it is hereby made the duty of the Road Overseer of such district to furnish them such information as he may be able respecting the persons and property in his district subject to such tax, and upon receiving such information, or before, as they shall deem advisable, said Board shall make out or cause to be made out a tax list, to be certified by the Chairman of said Board to be correct, containing the names of such persons, if known, and a description of such property against whom and upon which such property tax has been levied and assessed, the amount of the tax, and blank columns appropriately headed, as "Whole amount paid," "Amount due," "Amount paid in cash," "Amount paid in work," "Number of hours work," and such further particulars, if any, such Board shall deem advisable. After the completion of such list, and the summing up of the amount of taxes thereon, said Board shall deliver the list to the
Overseer of such district, and charge him with and take his receipt for such amount of taxes as of so much money.

Sec. 16. Upon receiving such list the Overseer shall give such bonds, the amount thereof to be fixed by the Board of Supervisors, with two good and sufficient sureties, conditioned for the faithful discharge of his duties in the collection and appropriation, and in reporting and accounting to and settlement with the Board of Supervisors of the tax so levied, in the same manner as provided in this Act for the collection and appropriation, and in reporting and accounting to and settlement with the Board of Supervisors of the poll road tax.

Sec. 17. Upon making his yearly account and settlement with the Board of Supervisors, the Road Overseer shall fill out said blanks in such list as provided in section fifteen of this Act, to wit: He shall enter therein, in each case, opposite the name, property, and tax, the whole amount paid, the amount due and unpaid, the amount paid in cash, the amount paid in work, and the number of hours work, and shall make oath before the Clerk of said Board, which oath shall be inscribed on such list, that the entries made therein contain a full, true and correct statement of the amount of such tax paid, amount due and unpaid, amount-paid in cash, amount paid in work, and number of hours work, as specified in each case; and the said Board shall thereupon deduct from the whole amount of such tax charged to him, as provided in section fifteen of this Act, the amount so returned uncollected and due; and if he shall return any poll road tax receipts to the Board of Supervisors on his final settlement, he shall be allowed the same therefor as he was charged.

Sec. 18. Within five days after the return of such list to the Board of Supervisors, duly sworn to as provided in the last section, the Chairman thereof shall deliver the same, duly certified by himself, to the District Attorney of his county for collection of the delinquent taxes therein, if there be any such; and said list shall thereupon have the same force and effect as the delinquent tax list mentioned in an Act entitled an Act to provide revenue for the support of the government of this State, approved May seventeenth, one thousand eight hundred and sixty-one, and all amendments thereto; and all the provisions of said Acts and amendments thereto, in relation to the enforcement of the collection of State and county delinquent taxes, are hereby made applicable to this Act for the purposes of the collection of the unpaid taxes in the delinquent list so certified to the District Attorney by the Chairman of said Board; and the District Attorney is hereby authorized to enforce such collection under the provisions of said Acts and amendments thereto.

Sec. 19. If any Road Overseer shall give out any poll road tax receipts except those authorized to be given under this Act, properly signed, dated, and filled up with ink, or shall neglect or refuse to perform any of the duties imposed upon him under the provisions of this Act, or shall neglect or refuse to pay over to the County Treasurer any moneys received by him as such Overseer, when ordered so to do by the Board of Supervisors, which he was not authorized under the provisions of this Act or by said Board to expend in his district, shall, in addition to his liability therefor on his official bonds, be deemed guilty of a
misdemeanor, and on conviction thereof shall be punished by a fine not exceeding five hundred dollars, or by imprisonment in the County Jail not exceeding six months, or by both such fine and imprisonment.

Sec. 20. All actions commenced under the provisions of this Act shall be in the name of "The People of the State of California," and no officer or resident otherwise competent shall be deemed incompetent to act as such officer, or as a juror, or a witness in such case because of any interest he may have in the event of such suit by reason of his being a resident of such district or township.

Sec. 3. Said grantees, their associates and assigns, shall, within six months next succeeding the passage of this Act, commence the construction of said road, and within eighteen months next succeeding the passage thereof, shall fully construct and complete the same.

Sec. 4. To insure the completion of said road, the Board of Supervisors of Napa County are hereby authorized, directed, and required to take and subscribe of and to the capital stock of the "Napa Valley Macadamized Road Company" an amount equal to one half required to make, construct, and build said road, to be ascertained and determined by the sworn statement of the Engineer employed for the purpose, or otherwise satisfactorily ascertained and determined, and all statements as to the cost of said road to be under oath, and filed with the County Auditor; but the subscription of said county in no event to exceed fifty thousand dollars.

Sec. 5. The County of Napa shall be represented by its Board of Supervisors, and in making its subscription to the said road, the same shall be substantially in the following form: The County of Napa, represented by its Board of Supervisors, does hereby take and subscribe to the capital stock of the Macadamized Road Company, a sum equal to one half of the entire amount necessarily used in its construction, not to exceed fifty thousand dollars. The Clerk of the Board of Supervisors shall immediately deliver a certified copy of said order of the said Board to the County Auditor, who shall file the same, and thereupon issue the bonds of said county in accordance with said order, and thereupon deliver said bonds to the County Treasurer, who, upon demand, shall deliver them to the Secretary of said company and take the receipt of said Secretary therefor. Said bonds shall be of the denomination of five hundred dollars
each, and shall have attached thereto coupons in such manner that they may be easily removed without danger of mutilation to said bonds; and said coupons shall be payable on the first day of January of each year, and shall be duly numbered, and shall express the amount of interest due each year, and when payable. Said bonds and coupons shall be signed by the Chairman of the Board of Supervisors and County Treasurer, and countersigned by the County Clerk of said county, whose duty it shall be to attach the seal of the county to each of said bonds; and it shall be the duty of the County Treasurer to keep a register in which shall be entered each bond issued to said company as aforesaid, with the amount thereof and date of entry.

Sec. 7. And in the year one thousand eight hundred and seventy-six, and each succeeding year thereafter until said bonds are fully paid and liquidated, the said Board of Supervisors shall, if by them deemed necessary, levy a further tax not exceeding twenty-five cents on each one hundred dollars of the taxable property in said county, for the purpose of raising a fund for the liquidation of said bonds, which shall be styled “The Napa Valley Macadamized Road Fund.” But should there in any one year be collected an amount greater than required to pay the interest on said bonds, the residue shall be transferred to the said Napa Valley Macadamized Road Fund, and shall be appropriated as hereinafter provided in the next section; and all dividends received by said county from the stock of said Napa Valley Macadamized Road Fund, and in like manner used for the liquidation of said bonds until they shall have been fully paid and liquidated.

provided, further, that in the event no bonds are offered under their par value, then they shall be paid to the extent of the funds then on hand in the order of their issuance; and said Commissioners shall give ten days' notice, by advertisement in the county newspapers, of the number of the bonds to be paid, after which time said bonds shall cease to bear interest.

Sec. 9. A majority of the Directors of said Napa Valley Macadamized Road Company shall be citizens, residents, and qualified electors of Napa County.

Sec. 10. When it shall appear to the satisfaction of the Board of Supervisors that five miles of said macadamized road shall have been completed, upon application by said company they shall fix and establish the rate of toll that said company may charge upon such portion of said road so finished, and so in like manner until the completion of said road, when it shall be subject to the conditions as to the regulation of tolls as hereinafter provided.

Sec. 11. The interests of the county shall in no event be subject to mortgage, levy, or sale under execution or lien, by judgment or otherwise, and no sale, judicial, or in any way or manner, shall invalidate, impair, or affect the right, title, or interest of the county in or to said stock in said macadamized road aforesaid.

Sec. 12. It is hereby further provided, that at the expiration of five years next succeeding the completion of said macadamized road, the said County of Napa may have the privilege of purchasing the entire interest in and to said road for an amount equal to the cost of said road, to be estimated by the Chairman of the Board of Supervisors on the part of the county, and some one on the part of the stockholders, to be by them selected for that purpose; and in the event of a disagreement, said parties so selected may select a third party, whose decision shall be final; and the amount so fixed shall be paid to the stockholders of said company in United States gold coin; and it is further provided, that in order to ascertain the wishes of the people of the county as to the purchase of said road, at the general election next preceding the expiration of the five years aforesaid, the proposition shall be submitted to a vote of the qualified electors of said county.

Sec. 13. This Act shall be submitted to the qualified electors at the next regular election of a member of the Board of Supervisors of the County of Napa, for approval or rejection; and the rights and franchises herein expressed shall be null and void and of no effect unless a majority of all the electors voting upon the following proposition vote in favor thereof. The proposition to be submitted is: Shall there be a macadamized toll road in Napa Valley? And the Board of Supervisors of Napa County shall, at least twenty days before such election, give notice by publication in one or more newspapers published in Napa County, that said proposition will be submitted to the electors at such election for their approval or rejection. The ballots cast at such election shall be in substantially the following form: "The Napa Valley Macadamized Toll Road." Every ballot cast in favor of such proposition shall have the word "Yes" written or printed thereon; and every ballot cast against the same shall
have the word "No" written or printed thereon. A separate ballot box shall be used for the reception of the votes cast on the aforesaid proposition. The manner of voting and the proceedings connected therewith, and the manner of ascertaining and declaring the result thereof, shall be the same as at other elections.

Sec. 14. If upon such canvass by the Board of Supervisors it shall be ascertained that the greater number of the electors of the county voting upon the proposition so submitted shall have voted "No" than have voted "Yes," then such proposition shall be declared rejected. But if upon such canvass it shall be found that a greater number of the electors of said county voting upon the proposition so submitted have voted "Yes" than have voted "No," then such proposition shall be deemed and declared approved, and a record of the fact of such approval shall be entered upon the records of the Board of Supervisors of said county; and in such event, and not otherwise, the rights and franchises herein expressed shall take effect and be operative.

Chap. DXXXIV.—An Act to amend an Act to regulate proceedings in civil cases in the Courts of justice of this State, passed April twenty-ninth, eighteen hundred and fifty-one.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. Section thirty-eight of said Act is hereby amended so as to read as follows:

Section 38. The pleadings on the part of the plaintiff shall be the complaint or demurrer to the defendant's answer; the pleadings on the part of the defendant to the original complaint or
cross complaint of a co-defendant shall be the demurrer or answer. When a defendant is entitled to relief as against the plaintiff alone, or against the plaintiff and a co-defendant, he may make a separate statement in his answer of the necessary facts, with a prayer for the relief sought, instead of bringing a distinct cross action. All pleadings subsequent to the original complaint shall be filed with the Clerk, and a copy thereof served on the adverse party or his attorney, if the adverse party or his attorney live within the county where the action is pending; provided, that when the answer contains a cross complaint, the parties plaintiff or defendant, or his or their attorney thereto, shall be served with a copy thereof, and shall have the same time thereafter to plead thereto that is allowed for pleading to the original complaint after service of the summons.

Sec. 2. Section forty-six of said Act is hereby amended so as to read as follows:

Section 46. The answer of the defendant shall contain:

First—If the complaint be verified, a specific denial to each allegation of the complaint controverted by the defendant, or a denial thereof according to his information and belief; if the complaint be not verified, then a general denial to each of said allegations, but a general denial shall only put in issue the material and express allegations of the complaint.

Second—A statement of matter in avoidance, a counter claim constituting a defence, or the subject matter of cross complaint which may entitle a defendant to relief against the plaintiff alone, or against the plaintiff and a co-defendant.

Sec. 3. Section fifty of said Act is hereby amended so as to read as follows:

Section 50. When the answer contains matter in avoidance, or a counter claim, the plaintiff may; within the number of days in which the defendant is by the summons required to answer, to be computed from the time of the service of a copy of such answer, demur to the same for insufficiency, stating therein the grounds of such demurrer; and when the answer contains a cross complaint, the parties against whom relief is therein demanded may demur or answer thereto within the like period. Sham and irrelevant answers and defences, and so much of any pleading as may be irrelevant, redundant, or immaterial, may be stricken out, upon motion, upon such terms as the Court in its discretion may impose.

Sec. 4. Section fifty-four of said Act is hereby amended so as to read as follows:

Section 54. When the defence to an action is founded on a written instrument, and a copy thereof is contained in the answer, or is annexed thereto, the genuineness and due execution of such instrument shall be deemed admitted unless the plaintiff file with the Clerk, five days before the commencement of the term at which the action is to be tried, an affidavit denying the same; provided, that the due execution of the instrument shall not be deemed to be admitted by a failure to controvert the same on oath, as prescribed in this and the last preceding section, unless the party controverting the same is, upon demand, permitted to inspect the original before filing such answer.
SEC. 5. Section sixty-five of said Act is hereby amended so as to read as follows:

Section 65. Every material allegation of the complaint or cross complaint not controverted by the answer thereto, shall for the purposes of the action be taken as true; the statement of matters in avoidance shall on the trial be deemed controverted by the adverse party.

SEC. 6. Section sixty-seven of said Act is hereby amended so as to read as follows:

Section 67. After demurrer, and before the trial of the issue of law thereon, the pleadings demurred to may be amended as of course and without costs by filing the same as amended and serving a copy thereof on the adverse party or his attorney within ten days, who shall have ten days thereafter in which to demur or answer thereto; but a party shall not so amend more than once. A demurrer shall not be deemed waived by the filing of an answer at the same time of filing the demurrer; and when the demurrer to a complaint is overruled, and there is no answer filed, the Court may upon terms allow an answer to be filed. If a demurrer to the answer be overruled, the facts alleged in the answer shall be considered as denied to the extent mentioned in section sixty-five. Where circumstances occurring subsequently to the commencement of the action render it proper, the same may be presented by supplemental pleadings and issue taken thereon in the same manner as in the case of original pleadings.

SEC. 7. Section one hundred and seventeen of said Act is hereby amended so as to read as follows:

Section 117. An injunction to suspend the general and ordinary business of a corporation shall not be granted except by the Court or a Judge thereof; nor shall it be granted without due notice of the application therefor to the proper officers or managing agent of the corporation, except when the people of this State are a party to the proceeding.

SEC. 8. Section two hundred and twelve of said Act is hereby amended so as to read as follows:

Section 212. The execution may be made returnable, at any time not less than ten nor more than sixty days after its receipt by the Sheriff, to the Clerk with whom the judgment roll is filed; when the execution shall have been returned, it shall be the duty of the Clerk to attach the same to the judgment roll. If any real estate be levied upon the Clerk shall record the execution and the return thereto at large, and certify the same under his hand as true copies, in a book to be called the “Execution Book,” which book shall be indexed with the names of the plaintiffs and defendants in execution alphabetically arranged, and kept open at all times during office hours for the inspection of the public, without charge; and shall be evidence of the contents of the originals whenever they or any part thereof may be destroyed, lost, or mutilated.

SEC. 9. Section two hundred and thirteen of said Act is hereby amended so as to read as follows:

Section 213. Where the judgment requires the payment of money or the delivery of real or personal property, the same may be enforced by a writ of execution; when it requires the
performance of any other act, a certified copy of the judgment may be served upon the party against whom the same is rendered, or upon the person or officer required thereby or by law to obey the same; obedience thereto may be enforced by the Court; and after a final judgment of partition the Court shall have power to enforce a severance of the possession.

Sec. 10. Section two hundred and fourteen of said Act is hereby amended so as to read as follows:

Section 214. In all cases other than for the recovery of money, the judgment may be enforced or carried into execution after the lapse of five years from the date of its entry, by leave of the Court, upon motion, or by judgment for that purpose founded on supplemental pleadings.

Sec. 11. Section two hundred and forty-six is hereby amended so as to read as follows:

Section 246. There shall be but one action for the recovery of any debt or the enforcement of any right secured by mortgage upon real estate or personal property, which action shall be in accordance with the provisions of this chapter. In actions for the foreclosure of mortgages the Court shall have power, by its judgment, to direct a sale of the encumbered property, (or so much thereof as may be necessary,) and the application of the proceeds of the sale to the payment of the costs of the Court and expenses of the sale, and the amount due to the plaintiff; and if it appear from the Sheriff's return that the proceeds are insufficient, and a balance still remains due, judgment shall then be docketed for such balance against the defendant or defendants personally liable for the debt, and shall then become a lien on the real estate of such judgment debtor as in other cases on which execution may be issued. No person holding a conveyance from or under the mortgagor of the property mortgaged, or having a lien thereon, which conveyance or lien does not appear of record in the proper office at the time of the commencement of the action, need be made a party to such action; and the judgment therein rendered and the proceedings therein had shall be as conclusive against the party holding such unrecorded conveyance or lien as if he had been made a party to said action, and shall in all respects have the same force and effect.

Sec. 12. Section two hundred and sixty-four of said Act is hereby amended so as to read as follows:

Section 264. When several co-tenants hold and are in possession of real property as partners, joint tenants, or tenants in common, in which one or more of them have an estate of inheritance, or for life or lives, or for years, an action may be brought by one or more of such persons for a partition thereof according to the respective rights of the persons interested therein, and for a sale of such property, or a part thereof, if it appear that a partition cannot be made without great prejudice to the owners.

Sec. 13. Section two hundred and sixty-six of said Act is hereby amended so as to read as follows:

Section 266. No person having a conveyance of or claiming a lien on the property, or some part of it, need be made a party to the action unless such conveyance or lien appear of record.
SEC. 14. Section two hundred and sixty-seven of said Act is hereby amended so as to read as follows:

Section 267. Immediately after filing the complaint in the District Court, the plaintiff shall file with the Recorder of the county or of the several counties in which the property is situated, either a copy of such complaint or a notice of the pendency of the action, containing the names of the parties so far as known, the object of the action, and a description of the property to be affected thereby. From the time of the filing it shall be deemed notice to all persons.

SEC. 15. Section two hundred and seventy of said Act is hereby amended so as to read as follows:

Section 270. The defendants who have been personally served with the summons and a copy of the complaint, or who shall have appeared without such service, shall set forth in their answers, fully and particularly, the origin, nature, and extent of their respective interests in the property; and if such defendants claim a lien on the property by mortgage, judgment, or otherwise, they shall correctly state the original amount and date of the same, and the true sum remaining due thereon; also, whether the same has been secured in any other way or not; and if secured, the nature and extent of such security, or they shall be deemed to have waived their right to such lien.

SEC. 16. Section two hundred and seventy-two of said Act is hereby revived and amended so as to read as follows:

Section 272. Whenever from any cause it shall have become, in the opinion of the Court, impracticable or highly inconvenient to make a complete partition in the first instance among all the parties in interest, it shall be lawful for the Court to first ascertain and determine the shares or interest respectively held by the original co-tenants, and thereupon to adjudge and cause a partition to be made, as if such original co-tenants were the parties and sole parties in interest and the only parties to the action, and thereafter to proceed in like manner to adjudge and make partition separately of each share or portion so ascertained and allotted, as between those claiming under the original tenant to whom the same shall have been so set apart, or allow them to remain tenants in common thereof, as they may desire.

SEC. 17. Section two hundred and seventy-six of said Act is hereby amended so as to read as follows:

Section 276. In making the partition the referees shall divide the property and allot the several portions thereof to the respective parties, quality and quantity relatively considered, according to the respective rights of the parties as determined by the Court, pursuant to the provisions of this chapter, designating the several portions by proper landmarks, and may employ a surveyor with the necessary assistants to aid them.

SEC. 18. Section two hundred and seventy-eight is hereby amended so as to read as follows:

Section 278. If no exceptions be filed to the report, or upon hearing they should be overruled, the Court shall confirm the same; or it may, upon exceptions, change, modify, or set it aside, and refer the matter to the same, or if necessary, may
appropriat new referees. Upon the report, as confirmed, a final
judgment shall be rendered to the effect that such partition be
effectual and valid forever, which judgment shall be binding and
conclusive:

First—On all persons named in the complaint as parties to the
action, or who shall have appeared therein, and their legal
representatives who have at the time any interest in the prop-
erty divided, or any part thereof, as owners in fee, or as tenants
for life or for years, or as entitled to the reversion, remainder,
or the inheritance of such property, or any part thereof, after
the termination of a particular estate therein, and who by any
contingency may be entitled to a beneficial interest in the prop-
erty, or who have an interest in any undivided share thereof as
tenants for years or for life.

Second—On all persons interested in the property who may
be unknown, to whom notice shall have been given of the action
by publication.

Third—On all persons claiming from such parties or persons,
or either of them; and to that end the action shall be deemed

report of the referee as confirmed, together with a copy of the
final judgment therein rendered, duly certified, may be filed in
the office of the County Recorder of the county or counties in
which the land is situated, whose duty it shall be to record the
same, which filing and recording shall have the same force and
effect as the filing and recording of a deed of conveyance; and,

Fourth—On all persons who have or claim to have convey-
ances to, liens upon, or any interest in the property, where such
conveyances, liens, or interest did not appear of record at the
time of the commencement of proceedings for partition.

Sec. 19. Section two hundred and eighty of said Act is hereby
amended so as to read as follows:

Section 280. The expenses of the referees, including those
of a surveyor and his assistant assistants, when employed,
shall be ascertained and allowed by the Court, and the amount
thereof, together with the fees allowed by the Court in its dis-

but such compensation shall not be required to be made to

CHAP. DXXXVII.—An Act for laying out, altering, and vacating public roads in the County of Marin.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. Any person or persons desiring to have a public road laid out in the County of Marin, shall present a petition in writing to the Board of Supervisors of said county on the first day of a regular meeting thereof, signed by not less than ten legal voters, residing within two miles of the proposed road, setting forth the place of beginning, the intermediate points, if any, and the termination of said road, together with the names, if known, of the owners or claimants of the land, or of any interest therein, through which the proposed road is to pass; and if the names of any of said owners or claimants are unknown to the petitioners, that fact shall be set forth in the petition. The petition shall also state at what regular meeting of the Board of Supervisors said petition will be presented.
SEC. 2. A copy of said petition shall be posted up in three public places in each township through or into which the proposed road is to pass, one of which copies shall be posted up at the place of beginning and one at the termination of the proposed road as set forth in said petition, and a like copy at the door of the Court House of said county, all of which copies shall be posted up at least thirty days before the first day of the regular meeting of the Board of Supervisors mentioned in the petition. At the time of posting said copies as herein provided, or at any time afterwards, a copy of said petition may be filed with the Recorder of said county, and from the time of filing only shall the pendency of the proceedings be constructive notice to a purchaser or encumbrancer of any of the lands affected by the proposed road.

SEC. 3. Any person or persons opposed to the laying out of the proposed road may present a remonstrance in writing to the Board of Supervisors on the first day of the regular meeting thereof mentioned in the petition, setting forth in such remonstrance the grounds of opposition or objection, a copy of which remonstrance shall be served on the said petitioners, or at least one of them, and a like copy posted at the door of the Court House of said county at least five days before the first day of the said regular meeting of the Board of Supervisors.

SEC. 4. On the first day of the regular meeting of the Board of Supervisors mentioned in the petition, or on any day fixed by the Board of Supervisors, not exceeding five days thereafter, said Board of Supervisors shall proceed to hear and consider all matters concerning the original petition, and any remonstrance that shall have been presented as herein provided, and such matters and evidence touching the necessity or convenience of the proposed road as may be offered by or on behalf of any of the persons interested in said road or opposed thereto; provided, that proof shall have been first made of the posting of the copies of the petition as therein provided, and of the posting and service of a copy of any remonstrance that may have been presented; and, provided, that the Board of Supervisors shall not be obliged to hear any objection to the laying out of the proposed road unless a remonstrance shall have been presented and a copy thereof posted and served as herein provided.

SEC. 5. The hearing may be continued from day to day as long as may be necessary, and at the conclusion thereof, if the Board of Supervisors or a majority of the members thereof are of the opinion that the proposed road is not necessary for the public convenience and good, or not of sufficient importance to warrant them in making a view thereof, they shall make an order denying the prayer of the petition and discontinuing all proceedings; but if the Board of Supervisors or a majority of the members thereof at the conclusion of the said hearing are of the opinion that the proposed road is necessary for the public convenience and good, or of sufficient importance to warrant them in making a view thereof, they shall make an order appointing a time and place to meet and view the proposed road and to ascertain the compensation or assess the damages to which each person is entitled who owns or claims any land or any interest therein through which said road is to pass by reason
of the laying out thereof. The time appointed for such meeting shall not be less than thirty nor more than forty days from the date of making the order; provided, that one or more of said petitioners shall enter into a bond to Marin County in such reasonable sum as the Board of Supervisors shall fix, with one or more sufficient sureties, to be approved by the Board of Supervisors, conditioned that the principal named in said bond will pay into the County Treasury the amount of all costs and expenses accruing on or in consequence of such petition in case the prayer of the petitioners shall not be granted and the proposed road laid out and established, and in case such bond be not forthcoming given no further proceedings shall be had under the said petition.

Sec. 6. The bond mentioned in the last preceding section having been given, approved, and filed, the Board of Supervisors shall give notice of the time and place appointed for the meeting mentioned in the last preceding section, by causing a copy of the order appointing such time and place, certified by the Clerk of the Board of Supervisors to be a correct copy of the original order, to be served personally on each person owning or claiming lands or any interest therein, through which the proposed road is to pass, at least fifteen days before the day appointed for the meeting; provided, that where such owner or claimant is a minor, idiot, or insane person, such copy shall be served on the legal guardian of such minor, idiot, or insane person. If the owner or claimant, or the legal guardian of any owner or claimant of any land or any interest therein, through which the proposed road is to pass, is not personally served as herein provided, a copy of said order, certified to be correct as herein provided, shall be published once a week for at least three consecutive weeks before the time appointed for such meeting, in a newspaper published in said county.

Sec. 7. At the time appointed for the meeting, the Supervisors of said county, or in case of the unavoidable absence or inability of one of them to act, then a majority of them, shall meet at the place appointed, and shall proceed to view the proposed road, and shall hear and consider any additional reasons for or against the laying out of the same, and they may make such changes between the termini of the road described in the petition, with regard to the direction or location thereof, as in their opinion the public convenience requires. After having made such view, which may be continued from day to day as long as may be necessary, not exceeding six days, and heard any reasons which may have been offered for or against laying out such road by or on behalf of any person interested therein, they shall adjudicate upon the necessity and common convenience of the proposed road. And if, from the said view and hearing they shall adjudge that the laying out of the said road is not necessary for the public convenience and good, or is not of sufficient importance to justify the expense of laying out and opening the same, they shall reduce their opinion to writing, and cause the same to be filed, and no further proceedings shall be had under said petition. But if from such view and hearing
they shall adjudge that the laying out of such road is necessary for the public convenience and good, and that the expense of laying out and opening the same will not overbalance the benefits to be derived therefrom, they shall proceed to assess the damages to which each claimant therefor is entitled by reason of the laying out of such road, except such claimants as may agree with the Supervisors as to the amount of such damages, or release all claim therefor as hereinafter provided. In assessing the damages, the Supervisors shall estimate the advantages and benefits which the proposed road will confer on the claimants, as well as the disadvantages, and the benefit and value of such road to the property of such claimant shall be allowed and deducted by way of setoff.

Sec. 8. The damages sustained by any person by reason of the laying out of a public road through any land owned or claimed by him, or in which he owns or claims any interest, may be ascertained by the agreement of such person and the Supervisors. Every such agreement shall be reduced to writing and signed by such person and the Supervisors who made such view. Every such agreement, and every release in writing of all claim for compensation or damages, given either with or without consideration, shall be filed, and shall forever preclude such owner or claimant of any land affected by said road, and all persons claiming or to claim under him, from all further claim for compensation or damages. Any person who shall sign a petition for the laying out of any public road as herein provided shall be deemed to have waived all claim and right to damages arising from the location of such road through any land owned or claimed by such petitioners, and to have dedicated a right of way through the same for such road.

Sec. 9. The Supervisors, or such of them as shall have made the view and assessed the damages as herein provided, shall, immediately thereafter, make a report of all their proceedings in making such view, wherein they shall set forth:

First—The time and place at which they met, and which of them were present;
Secord—Whether they made any changes as therein provided in the direction or location of the road described in the petition, and if so, the extent and nature thereof;
Third—A description of the proposed road as finally viewed and selected by them, describing the same, which [with] reference to objects or land marks, and general directions, and distance, with reasonable certainty;
Fourth—The width of such road, which shall not exceed sixty-six feet;
Fifth—The names of all owners or claimants with whom they have compromised or who have released all claims for compensation or damages as herein provided, with the amount paid or allowed to each;
Sixth—The names of all such owners or claimants with whom they could not or did not agree as to the amount of damages, and the amount thereof awarded by the Supervisors to each.

Sec. 10. The report mentioned in the last preceding section having been completed, the Supervisors shall employ a competent surveyor and necessary assistants, and place in their hands
the said report. Said surveyor and assistants shall, within ten
days after the completion of said view, proceed to survey the
said road, and shall distinctly mark the beginning, the entire
course, and the termination of such road as viewed by the Super-
visors, and describe in the report in such a manner that said
road can be readily traced throughout its entire length; and, if
necessary, one of the Supervisors who made the view shall
accompany them when making such survey. On or before the
first day of the next regular meeting of the Board of Super-
visors, the said surveyor shall make and file a plat and field
notes of such survey, which shall state distinctly the place of
beginning of all the stations, courses and distances, the termina-
tion of said road, and the width and total length thereof; such
survey to be from the centre of the road in all cases, unless other-
wise expressly ordered by the Supervisors.

Sec. 11. The report of the Supervisors mentioned in section
nine of this Act and the plat and field notes of the survey pro-
vided for in the last preceding section having been filed, the
Board of Supervisors shall, at their first regular meeting after
the making of the view herein provided for proceed to examine
the said plat and field notes, and all other matters herein con-
tained; and if found correct, they shall, by order, approve and
confirm said report and said plat and field notes, and declare
the road therein mentioned and described to be laid out and
established as a public road; provided, that they may make the
laying out and establishment of the said road conditional upon
the payment by the petitioners of all or any part of the damages
paid, allowed, or awarded, or the costs which may have [been]
deemed the amount so to be paid, to be specified in the order,
together with the time within which such payment shall be
made, which shall not exceed twenty days from the time of
making the order.

Sec. 12. Whenever any public road shall be finally laid out
and established as contemplated in this Act, the plat and field
notes of the survey thereof, and the matters therein contained,
shall be recorded by the Clerk of the Board of Supervisors in a
book to be called the "Road Record of Marin County," kept by
him, which shall constitute the record of such road.

Sec. 13. If any person or persons, claiming damages on account
of the laying out or the establishment of any public road under
the provisions of this Act, cannot agree with the Board of Su-
pervisors as to the amount of damages to which he considers
himself entitled, and refuses to accept the amount awarded to him
therefor and to execute a release of all claims for further com-
ensation or damages as herein provided, such person or persons
may, within twenty days from the time of making of the order
mentioned in section eleven of this Act, commence an action
against the county by name for such damages in any Court of
competent jurisdiction; and an Act entitled an Act to regulate
proceedings in civil cases in the Courts of Justice of this State,
passed by the Legislature of this State on the twenty-ninth day
of April, A. D. one thousand eight hundred and fifty-one, and the
several Acts amendatory thereof and supplementary thereto, shall
be applicable to all actions commenced under the provisions of this
Act; provided, when any such action is commenced in a Justice's
Court, it shall be brought before some Justice of the township wherein the county seat of said county is located, and the summons issued in any such action shall be made returnable in not less than ten days from the time of issuing the same, and shall be served at least seven days before the return day; and, provided, if the plaintiff in such action shall fail to recover a greater amount of damages than was ordered or allowed to him by the Supervisors, all the costs in the case shall be taxed against him as in favor of the county. Any person who shall fail to bring such action within the time prescribed in this section, shall be forever barred from bringing or maintaining any action for any damages arising from the laying out or opening of such public road.

Sec. 14. Any road laid out under the provisions of this Act shall not be opened until all claims for damages shall have been settled and determined, either by payment, or tender, or agreement, or by expiration of the time within which an action therefor might have been brought as provided in this Act. Whenever any road shall have been finally laid out and established, and all claims for damages settled and determined as provided in this Act, the Clerk of the Board of Supervisors shall notify the Road Master or Road Masters of the district or districts within which such road is situated of the establishment thereof, and shall furnish him with a copy of the record thereof, certified by said Clerk to be correct; and it shall be the duty of such Road Master or Road Masters to open such road within thirty days from the reception of such notice, unless there were, at the time of the laying out and establishment of such road, growing crops upon the land affected by such road, in which case it shall be the duty of such Road Master or Road Masters to open such road within thirty days after the usual time for harvesting such crops.

Sec. 15. All damages or costs required by this Act to be paid by the county, shall be paid either out of the County Fund, or Road Fund, as the Board of Supervisors shall by order direct.

Sec. 16. Whenever any paper, instrument, or document is required by this Act to be filed, the same shall be filed in the office of the Clerk of the Board of Supervisors, unless herein otherwise expressly provided. All original petitions and remonstrances, and all affidavits of posting, or of service, or of publication, shall also be filed. The Clerk of the Board of Supervisors shall, at the time of filing any such paper, instrument, or document, note thereon the date of filing the same, and sign his name officially thereto. All orders made by the Board of Supervisors in the course of the proceedings authorized by this Act shall be entered by said Clerk, at the time such orders are made, on the record of the proceedings of the Board of Supervisors.

Sec. 17. Proof of the posting, filing, or service of any papers, instrument, or document required by this Act to be posted, filed, or served, may be made by the affidavit of any competent person, and the interests of such person in the result of the proceedings shall not affect his competency. Proof of the publication of a copy of the order mentioned in section six of this Act, may be made by the affidavit of the printer or publisher of the newspaper in which such copy was published.
SEC. 18. Any person wishing to cultivate any land through which any road may pass, or desiring for any reason to change the location of such road, may present a petition in writing, signed by him, to the Board of Supervisors, at a regular meeting thereof, praying for permission to change the location of such road at his own expense on his own land, or on the land of any other person, whose consent thereto in writing he shall file, which petition shall describe the particular portion of the road to be changed and the location desired with reasonable certainty. The Board of Supervisors shall thereupon view such portion of the road as laid out and the change of location desired, and if from such view the Board of Supervisors are of the opinion that such change will not materially injure or inconvenience the public, they may order such change to be made at the expense of the petitioner, and upon such change being completed, the Board of Supervisors shall vacate so much of the old road as lies between the points of intersection. In case the Board of Supervisors do not authorize or allow such change to be made, said petitioner shall pay all the cost and expense of the view.

SEC. 19. Whenever ten freeholders or householders of any township or townships through or into which any public road may pass shall make application to the Board of Supervisors at a regular meeting thereof, by petition in writing, signed by them, for the vacation or discontinuance of such road, on the ground that the same is unnecessary for public use or travel, or that the expense of maintaining and repairing the same is an unnecessary burden, such petitioners shall cause copies of such petition to be posted up for the time and in the manner provided in section two of this Act. Such petition shall describe the road to be vacated or discontinued with reasonable certainty. If no remonstrance thereto shall be filed or presented to the Board of Supervisors on or before the first day of the first regular meeting thereof after the posting of the copies of such petition, the Board of Supervisors, upon due proof of the posting of such copies, shall make an order at said regular meeting vacating and discontinuing the road described in such petition; but if any remonstrance thereto shall have been so filed or presented, they shall proceed to view such road, and thereupon shall make an order either vacating and discontinuing such road, or continuing the same, as in their opinion the interest and convenience of the public may require. If such road shall not be vacated or discontinued the petitioners shall pay all the cost and expense of the view.

SEC. 20. Whenever the owner of any land situated in Marin County shall make a deed to the County of Marin of a right of way through such land for a public road, and such deed shall have been duly executed and acknowledged as provided in an Act entitled an Act concerning conveyances, passed by the Legislature of this State on the sixteenth day of April, A. D. eighteen hundred and fifty, and the several Acts amendatory thereof and supplementary thereto, the same may be recorded by the Clerk of the Board of Supervisors in the Road Record of Marin County, and the record thereof shall impart notice to all persons of the contents of such deed, and subsequent purchasers, mortgagees, and lienholders shall be deemed to purchase and take with
notice. At any time after such deed shall have been recorded, the Board of Supervisors, at a regular meeting thereof, may order that a public road be laid out through such land according to the tenor of such deed, and thenceforward the same shall be a public road, and shall be opened and used as such.

Sec. 21. Sec. 22. All Acts and parts of Acts inconsistent or conflicting with the provisions of this Act are hereby repealed so far as they may apply to the County of Marin.

Sec. 23. This Act shall take effect and be in force from and after its passage.

CHAP. DXLIV.—An Act granting to certain persons therein named the right to lay a railroad track along certain streets in the City and County of San Francisco.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The right is hereby granted to Edward Tompkins, J. C. Birdseye, Elijah Case, William F. Williamson, W. H. Ladd, J. W. Pierson, John Kirkepatrick, and G. W. McMamany, their associates and assigns, to lay down and maintain an iron railroad within the City and County of San Francisco, along and upon the following route, viz: Commencing at the intersection of Post and Montgomery streets, in said City of San Francisco; thence along and upon Post street to Powell street; thence along and upon Powell street to Market street; thence across Market street to its intersection with Fifth street; thence along and upon Fifth street to Townsend street; thence to the bridge over Mission Bay; thence across Mission Bay over and upon said bridge to the New Potrero; thence over and across the Potrero in a southerly direction on Kentucky street; thence southerly by the most practicable route to the Bay View Park Race Course or to Hunter's Point; provided, that whenever any other railroad or company shall be granted the use of the same street or any part thereof, they shall pay for the use of the rails already laid an equal share of the cost of constructing and maintaining the railroad on the street or part of the street thus occupied jointly, and thereupon shall be entitled to the joint use of such part of said railroad; but no such grant shall be made for more than five blocks in all. The said road to have a single or double track, at the option of said grantees; the rails to be of the most approved pattern used on city railroads, with the proper and necessary switches and turnouts along the entire route; the said grantees, their associates and assigns, to have the right to run cars on the said railroad, not exceeding twenty-four
feet in length, at convenient hours of the day and night, for the transportation of passengers and freight; provided, that the said railroad shall not cross Mission Bay Bridge nor in any manner interfere with any improvements, structure, or buildings, unless by and with the written consent of the owners thereof.

Sec. 2. The owners of said railroad shall pave, plank, or macadamize (as the proper authorities of said City and County of San Francisco shall direct) the streets through which the said railroad shall run, along the whole length thereof, for a width extending two feet on each side of said road, and shall keep the same constantly in repair; provided, that south of Mission Bay the grantees shall not be compelled to pave and plank or macadamize as aforesaid any of said streets until they shall be graded.

Sec. 3. The gauge of said railroad shall not be more than five feet wide within the rails, with a space between the double tracks sufficient for the passage of the cars. It shall be laid as nearly as possible in the centre of each street and flush with the level of the street, and so as to offer as little obstruction as possible to the crossing of vehicles; and when the road herein provided for shall intersect any other road the rails of each shall be so altered or cut as to permit the cars to cross without obstructions; and nothing in this Act shall be so construed as to prevent any other railroad company hereinafter formed from crossing the road herein mentioned at any point in like manner in the City and County of San Francisco.

Sec. 4. The rates of fare for each passenger upon said railroad shall not exceed three tickets for twenty-five cents, seven tickets for fifty cents, sixteen tickets for one dollar, and twenty-five tickets for one dollar and fifty cents, from any point on said road to the high land south of Islais Creek, and from any point on said road to any point beyond said high land the fare shall not exceed double the amount of fare provided for in this section; provided, that the rates of fare on this road shall not exceed the rates allowed to be charged on the Omnibus Railroad to the highlands beyond Islais Creek.

Sec. 5. The cars upon said railroad shall be of the most approved construction for the comfort and convenience of passengers, and shall be provided with sufficient brakes and other means of stopping the same when required. They shall be moved by horses or mules, and not otherwise, and at a speed not exceeding eight miles an hour; and in case of a violation of this provision the owner or owners of said railroad shall be subject to a fine not exceeding one hundred dollars for each offence.

Sec. 6. Any person wilfully obstructing said railroad shall be deemed guilty of a misdemeanor, and punished accordingly.

Sec. 7. The franchises and privileges hereby granted shall continue for the period of twenty-five years, to date from the completion of said railroad; provided, that said railroad, at least upon a single track, shall be completed and passenger cars running thereon within three years from the first day of July, eighteen hundred and sixty-six, and the grantees shall within one year from the passage of this Act commence the construction of said road.
SEC. 9. The owners of said railroad are required to sell, transfer, and convey the same, together with the cars that may be employed thereon, to the City and County of San Francisco at any time after the expiration of fifteen years after the completion of the same, upon a demand being made to that effect by the said city and county, and upon the payment to said parties by said city and county of the appraised value of the same; said appraisal to be made by five Commissioners in the manner following: The Board of Supervisors of the City and County of San Francisco shall appoint two Commissioners, and notify the grantees or their assigns of such appointment, who within ten days after the receipt of such notice shall appoint two Commissioners, and notify the Board thereof; the four Commissioners so appointed shall elect a fifth; but in case of their inability to agree upon such fifth Commissioner within ten days, he shall be appointed by the County Judge of said city and county. In case of the failure of the grantees or their assigns to appoint Commissioners on their part as above provided, or in case of their refusal to act, the County Judge shall have the power of appointing them. The said Commissioners shall make their appraisement and present their report within thirty days after the completion of the commission, and file the same in the office of the Clerk of the Board of Supervisors. A majority of said Commissioners shall constitute a quorum, and the award of the majority shall be final and binding on the parties. The amount of the award shall be paid by the Treasurer of the city and county to the grantees or their assigns within sixty days after the filing of said award, and thereupon the title to said railroad and cars shall vest in said city and county.

SEC. 9. Nothing in this Act shall be so construed as in any wise to prevent the proper authorities of the said City and County of San Francisco from sewering, grading, paving, planking, repairing, or altering any of the streets hereinbefore specified. But all such work shall be done, if possible, so as not to obstruct the free passage of the cars upon the said railroad; and when the same shall not be possible, the said authorities, before the commencement of said work, shall allow to the owners of said railroad time sufficient to enable them to shift the rails or take other means so as to avoid said obstruction during the continuance thereof, which they, the said owners, are hereby authorized to do.

SEC. 10. The owners of said railroad shall pay to the City and County of San Francisco the sum of fifty dollars per annum as a license upon each car used by them upon said railroad, which payment shall be made quarterly to the said city and county.

SEC. 11. The Board of Supervisors of the City and County of San Francisco, or their legal successors, are hereby authorized and empowered to grant to the said parties named in the first section of this Act, their associates and assigns, such additional rights, privileges, and grants, as said parties, their associates and assigns, may desire or deem necessary for the full and complete enjoyment of the franchises and privileges created and granted by this Act.
CHAP. DXLV.—An Act to authorize the Controller of State to credit F. S. Lardner, late Treasurer of Sacramento County, with certain moneys for licenses lost by the Collector, and to authorize the Auditor of Sacramento County to credit James McClatchy, late Sheriff of Sacramento County, for certain lost licenses.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Controller of State is authorized and required to credit F. S. Lardner, late Treasurer of the County of Sacramento, with the sum of one hundred and sixty dollars for the State's portion of certain State and county licenses, destroyed or carried away by an absconding Deputy of James McClatchy, late Sheriff and ex-officio Tax Collector of said county; and the Auditor of the County of Sacramento, when authorized by the Board of Supervisors of the County of Sacramento, is directed to credit James McClatchy, late Sheriff and ex-officio Tax Collector as aforesaid, with that county's portion of the licenses thus carried away or destroyed; provided, the amount so credited shall not exceed the sum of six hundred and thirty-six dollars and twenty-five cents.

Sec. 2. This Act shall take effect from and after its passage.

CHAP. DXLVI.—An Act to provide for the incorporation of mutual insurance companies for the insurance of life and health, and against accidents.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. Any number of persons, not less than thirteen, may associate and form a mutual insurance company for the purpose of making insurance on the lives or health of individuals, or against accidents to them, and every insurance appertaining thereto or connected therewith, and to grant, purchase, and dispose of annuities. Insurance on lives, or on health, or against accidents, may in each case respectively include insurance for the whole term of life, or any shorter period.

Sec. 2. Whenever a publication or notice in a newspaper is provided for in this Act, it shall be deemed to mean a publication or notice in a newspaper issued every day, or six days in the week, or if there be none such, then in one of the most frequent issue in each week in the place where the company's office is located, or, if none be published there, then in any such newspaper published in the same or an adjoining county. Whenever such publication or notice is required to be published for a given period of time in days or weeks, it shall be sufficient if published once in each week of such period, rejecting fractions.
of a week. The word "company," whenever used in this Act, shall be construed to mean a corporation proposed or incorporated under the provisions of this Act. Any act required by this Act to be performed by the President of the company, may be performed by the Vice-President in case of the President's inability to act or a vacancy in the office, whatever be the cause of such inability or vacancy, whether death, illness, absence, refusal to act, or otherwise.

Sec. 3. The persons mentioned in the first section of this Act shall make, sign, and acknowledge before any officer competent to take the acknowledgment of deeds, a written certificate of incorporation, in which shall be specified the corporate name of the company, and that such company is formed under this Act, referring to it by its title and date, and any Acts supplementary thereto or amendatory thereof, the amount of its capital stock, and the number of shares of which such capital stock shall consist, the term of its existence, which shall not exceed seventy-five years, the number and the names of the Directors who shall manage the concerns of the company for the first year, or until the first annual election, and the name of the city, or town and county, or city and county in which the officer [office] of the company shall be located. They shall file said certificate in the office of the County Clerk of the county or city and county in which the office of the company shall be located, and also a copy thereof, certified by the said County Clerk under his hand and seal to be a true copy, in the office of the Secretary of State. Every company organized under this Act shall have power to make insurance upon any or all of the risks, and to do any or all of the business mentioned in section one, and to make re-insurance of any risks taken by them respectively. A copy of said certificate of incorporation, certified by the said County Clerk under his hand and seal to be a true copy, shall be, prima facie, equal in all cases as proof to the original if produced.

Sec. 4. Upon the filing of said certificate and of a certified copy thereof, as in section three provided, the persons who shall have signed and acknowledged such certificate, and their successors, shall be a corporation under the laws of this State, by the name specified in the certificate.

Sec. 5. The concerns of every such company shall be managed by a Board of Directors, not less than nine, who shall be stockholders of the company in such number of shares as shall be provided by the by-laws of the company. The majority of them shall be citizens of this State. Their term of office may be one, two, or three years, as shall be provided by the by-laws of the company. After the expiration of the term of office of the Directors named in the certificate of incorporation, they shall be elected each year at the annual meeting. If their term shall be more than one year, the Directors chosen at the first annual meeting shall classify themselves by lot, so that one half of them shall go out of office at the end of the first year, if the term be two years, or so that one third of them shall go out of office at the end of the first year, and one third at the end of the second year, if their term be three years. The annual meeting
shall be at such time and place in the town or city where the company’s office is located, as shall be directed by the by-laws of the company. Notice of such meeting, time, and place, shall be published in a newspaper at least four weeks previous thereto. The election shall be by such stockholders as shall attend in person or by proxy; and each stockholder shall have one vote for each share of stock owned by him; provided, that after the filing of the declaration of the company’s fixed capital, in section nine of this Act provided, the holders of policies of life insurance for the term of life, on which the premiums shall not be in default, may also vote at the election of Directors, and shall have one vote for each one thousand dollars insured by their policies, respectively. The election shall be by ballot, and the persons receiving the highest number of votes cast shall be the Directors for the ensuing term, and until their successors shall be elected. The number of Directors specified in the certificate of incorporation may be altered from time to time during the existence of the company, by resolution, at the annual meeting, of a majority of those present in person entitled to vote at the election of Directors, but the number shall never be reduced below nine.

Sec. 6. There shall be a President and a Vice-President of the company, who shall be elected by the Directors from their own number, at their first meeting after the incorporation of the company, and thereafter at their first meeting after each annual election. They shall hold office during the pleasure of the Board of Directors, and until their successors are elected and enter upon their duties. Such other officers may be elected or appointed as the by-laws shall provide. The compensation of all officers shall be regulated by the by-laws.

Sec. 7. The by-laws of the company shall be made by the Board of Directors, and may from time to time be altered or amended by them, or at any annual meeting, upon a notice of at least four weeks, published in a newspaper, specifying the substance of the proposed alteration or amendment, by a majority of those present in person or by proxy entitled to vote at the election of Directors. Besides the usual rules and regulations for the transaction and management of the business of life insurance and annuities as in section one mentioned, the by-laws may provide in any manner not inconsistent with this Act, as follows:

First—For the time, place, and mode of holding the annual meetings and the election of Directors, and also of any special meetings in the town or city where the office of the company shall be located, by whom such meetings shall be called, and all other regulations connected therewith.

Second—For the number of Directors who shall constitute a quorum, which shall not be less than five in a Board of nine, or than seven in a larger number, for filling vacancies in the Board, and for removing any member thereof or declaring his office vacant.

Third—For designating the officers of the company, their duties, powers, qualifications, the time and mode of their election or appointment, the mode of their removal, their tenure of office, their compensation, and all other matters respecting them.
Fouth.—For regulating the holding and disposition of the stock of the company, and the person holding the same, and the amount which may be held by any one person, or in any manner otherwise providing for the solvency of the stockholders and for the better security of those dealing with the company.

Sec. 8. Every company formed under this Act shall have a capital stock of not less than one hundred thousand dollars. It shall not make any insurance upon any risk or transact any other business in section one mentioned until its capital stock shall have been fully paid up in cash, and until it shall have also obtained a fund, to be known as a Guarantee Fund, of not less than two hundred and fifty thousand dollars, as is hereinbefore provided. The Board of Directors of the company, or a committee of the Directors appointed by the Board, shall, without delay, after organizing, proceed to obtain the subscriptions required to complete the capital stock of the company, and shall open books therefor, giving public notice thereof, if deemed necessary by them, in some newspaper. Such books shall be kept open until the amount of the capital stock shall have been subscribed. If more than the requisite amount is subscribed, the stock shall be distributed pro rata among the subscribers. Any subscription may be rejected by the Board of Directors, or the committee thereof, either as to the whole or any part thereof, and shall be, so far as rejected, without effect.

Sec. 9. The Guarantee Fund mentioned in section eight shall consist of the promissory notes of solvent parties, approved of by the Board of Directors and by each other. Such notes shall be payable to the company or its order, and at such time or times, in such modes, and such sums, with or without interest, and shall be in all other respects as the Board of Directors shall prescribe; but the amount of the note or notes given by any one person shall not exceed in the whole the sum of five thousand dollars exclusive of interest. Such notes shall be payable absolutely and at all events at the company’s option, shall be negotiable, and may be indorsed and transferred, or converted into cash, or otherwise dealt with by the company at its discretion, without reference to any contingency of losses, expenses, or otherwise. Such notes, or the proceeds thereof, shall remain with the company as a fund for the better security of its dealers, and shall be assets of the company, liable for all its debts, obligations, and indebtedness next after its assets from premiums and other sources, exclusive of capital stock, until the net earnings of the company over and above its expenses, losses, and liabilities, shall have accumulated in cash, or securities in which the net earnings have been invested, to a sum which, with the capital stock, shall be equal to the aggregate of the original amounts of the Guarantee Fund and of the capital stock; and thereupon the said sum, with the capital stock, shall become and remain the fixed capital of the company, not subject to division among the stockholders or parties dealing with the company, or to be expended in any manner otherwise, except when required in payment of the company’s debts and actual expenses, until the business of the company shall have been closed, its debts paid, and its outstanding policies and obligations of every kind cancelled or provided for; and if from any cause
Deficiency in fixed capital, a deficiency shall at any time occur in such fixed capital, no further division of profits shall take place until such deficiency shall have been made up.

Sec. 10. Whenever the fixed capital of the company shall have been obtained as aforesaid, the President of the company and its Actuary, or its Secretary if there be no Actuary, shall, without delay, make a declaration in writing, duly sworn to before some Notary Public, of the amount of such fixed capital, and of the particular kinds of property composing the same, with the nature and amount of each kind. Such declaration shall be filed with the original certificate of incorporation, and a copy, certified by the County Clerk to be a true copy, shall be published for at least four weeks in a newspaper. Upon the filing of such declaration the Guarantee Fund shall be deemed to be discharged of its obligations, and all notes of the fund remaining in the company's control, and not affected by any lien thereon, or claim in that nature, shall be surrendered by it to the makers thereof respectively, or other parties entitled to receive the same. Until such time no guarantee note shall be withdrawn from the fund unless another note of equal solvency shall be substituted therefor, and unless with the unanimous approval of the Board of Directors then in office, and of all the other parties liable on the rest of the notes comprising the Guarantee Fund. The company shall allow a commission of five per cent per annum on all such guarantee notes while outstanding, and also interest on all moneys paid on such notes by the parties liable thereon at the rate of twelve per cent per annum, payable half yearly, until repaid by the company. But such rate of interest may from time to time, at intervals of not less than one year, be increased or reduced by the Board of Directors so as to conform to the then current rates of interest.

Sec. 11. It shall be lawful for the company to invest its capital and funds as follows:

First—In loans upon unencumbered and improved real estate within the State of California, which shall be worth at the time of the investment fifty per cent more than the sum loaned.

Second—In the purchase of or loans upon interest bearing stocks, bonds, and other securities of the United States, and of the States thereof.

Third—In the purchase of or loans upon interest bearing bonds of any incorporated city, or city and county in the State of California.

Fourth—In the purchase of or loans upon any stocks of companies formed under the laws of this State, which shall have at the time of such investment a value in the City of San Francisco at or above par, and which shall be rated as first class securities. But no loans shall be made on any securities specified in subdivisions three and four in an amount beyond seventy-five per cent of their market value.

Sec. 12. No company formed under this Act shall purchase, hold, or convey real estate, except for the purposes, and as herein set forth, to wit:

First—Such as shall be requisite for its accommodation in the convenient transaction of its business.

Second—Such as shall have been conveyed to it or to any
person for it by way of mortgage or in trust, or in any manner otherwise, to secure or provide for the payment of loans previously contracted, or for moneys due.

Third—Such as shall have been purchased at sales upon deeds of trust, or judgments, decrees, or mortgages obtained or made for such loans or debts.

Fourth—Such as shall have been conveyed to it in satisfaction of debts previously contracted in the course of its dealings.

All such real estate as may be acquired as aforesaid, and which shall not be requisite for the accommodation of such company in the convenient transaction of its business, shall be sold and disposed of within five years after such company shall have acquired title to the same, and it shall not be lawful for such company to hold such real estate for a longer period than that above mentioned, unless the said company shall procure a certificate from the Controller of State that the interest of the company will suffer materially by a forced sale of such real estate, in which event the time for the sale may be extended to such time as the Controller shall direct in said certificate.

Sec. 13. The dividends payable to the stockholders of the company shall be deducted before any net earnings shall be deemed to have accrued. Such dividends shall consist of the interest or moneys earned by the investment or other use of the capital stock. No dividends shall be made by the company while its capital stock is impaired, or when the making of such dividends would have the effect of impairing its capital; and any dividend so made shall subject the Directors voting for, and the stockholders having notice and receiving the same, to a joint and several liability to the creditors of such company to the extent of such dividend.

Sec. 14. It shall be the duty of the President and Secretary, or Actuary, or a majority of the Directors of said company, annually on the first day of January, or within sixty days thereafter, to prepare, under oath, and deposit in the office of the Controller of State, a statement showing:

First—The number of policies issued during the year;
Second—The amount of insurance effected thereby;
Third—The amount of premiums received during the year;
Fourth—The amount of interest, and all other receipts, specifying the items;
Fifth—The amount of losses paid during the year;
Sixth—The amount of losses unpaid;
Seventh—The amount of expenses;
Eighth—The whole number of policies in force;

SEC. 15. Upon the expiration of the period of existence specified in the certificate provided for in section three, the company may extend its term of existence for another period of not more than seventy-five years, if the same shall be desired by a majority of the stockholders and others qualified to vote for Directors, and approved of by the Board of Directors in office for the last year of such unexpired term. Such desire of the stockholders and others qualified to vote for Directors of the company may be declared either by a vote in favor of such extension, at a meeting of them called specially for the purpose by the President or any five stockholders of the company, at the office of the company, upon a notice published in some newspaper, or by a statement in writing, declaring themselves in favor of such extension, signed by such majority of the stockholders and others qualified to vote for Directors, or their attorneys in fact duly authorized. Such resolution or statement shall be submitted to the Board of Directors, and if approved by them, they or a majority of them shall sign a certificate in writing, declaring the desire of the company for a renewal for such further period not exceeding seventy-five years. Such certificate shall be duly acknowledged before some officer competent to take acknowledgment of deeds, and the original and a copy thereof shall be filed before the expiration of the current term of the company’s existence in the same manner as is provided in section three with respect to the original certificate of incorporation. Thereupon the company shall be deemed, from and after the expiration of its current term of existence named in the certificate of incorporation, to have renewed its term of existence for the period mentioned in said certificate of renewal, in all respects as though its previous term of existence had not expired. Other renewals may be made from time to time thereafter in the like manner and with the like force and effect; but no renewal shall ever be made for a period exceeding seventy-five years.

SEC. 16. All premiums shall be payable wholly in cash, or one half or a greater proportion in cash, and the remainder in promissory notes bearing interest as may be provided by the by-laws. Agreements and policies of insurance made by the company may be upon the basis of full or partial participation in the profits, or without any participation therein, as may be provided by the by-laws and agreed between the parties.

But when the premium or any part
thereof paid in each year out of the funds or property of the husband shall exceed five hundred dollars, such exemption from such claims shall not apply to so much of said insurance as shall be in proportion to said excess over five hundred dollars. In case of the death of the wife before the decease of her husband, the amount of insurance may be made payable after her death to her children, for their use, or if under age, to their guardian.

Sec. 19. So much of an Act entitled an Act to provide for the incorporation of mutual insurance companies, passed April twenty-sixth, one thousand eight hundred and fifty-one, and any Act amendatory thereof or supplementary thereto, as relates to insurance upon lives, is hereby repealed; but this repeal shall not affect the validity of any incorporation formed, or contract made, or rights existing under said Act or Acts, and the same shall be and remain in all respects as though this Act had not been passed. An Act entitled an Act in respect to insurance for lives for the benefit of married women, passed May eleventh, one thousand eight hundred and fifty-four, is also repealed. All Acts and parts of Acts, so far as they affect incorporations formed under this Act, are hereby repealed.

Sec. 20. This Act shall take effect immediately.

Result.

Sec. 3. If at the election a greater number of the electors of said county voting upon said proposition shall vote "Yes" than shall vote "No," then and in that event is the Board of Supervisors of said county, in the name of the county, hereby authorized, empowered, and directed, immediately after the result of said election is so officially declared, to take and subscribe for the use, benefit, and advantage of said county, to the capital stock of the Stockton and Copperopolis Railroad Company, a corporation duly organized under the laws of this State on the eleventh day of October, A. D. one thousand eight hundred and sixty-five, for the purpose mentioned in section one of this Act, capital stock to the amount of fifty thousand dollars, and therefor to pledge the faith of said county for the payment of the same in the manner hereinafter provided.

Sec. 4. The said subscription shall be made by a committee of two members of said Board of Supervisors, to be appointed by an order of said Board for that purpose, and who shall perform that duty immediately thereafter.

Sec. 5. The said subscription shall be made and so received conditioned to be paid in the bonds of said county, issued as hereinafter directed, and not otherwise, and for such subscription said bonds shall be received at par value, dollar for dollar.

Sec. 6. The said Board of Supervisors of said county, from time to time, as the payment of said subscription to such capital so subscribed shall be required to be made by the Board of Directors of said railroad company, not exceeding at any one time, however, an installment of ten per cent upon the amount of said subscription, in the same manner and upon the same terms as other stockholders, shall, by order, direct the Chairman of said Board of Supervisors, the Auditor, and Treasurer of said county, who for that purpose, in addition to their other duties as such officers, and their successors in office, shall constitute a Board of Commissioners to be styled the "Loan Commissioners" of said county, and as such Loan Commissioners to issue bonds in the sum of five hundred dollars and one thousand
dollars, in equal proportions, for such amount of such subscription to said capital stock as said Board of Supervisors may direct; and said bonds shall draw interest at the rate of ten per cent per annum from the date of their issue, and the principal thereof shall be made payable on a specified day to be named in the bonds, which shall be twenty years after the date of their issue, at the office of the Treasurer of said county as hereinafter provided; the interest accruing on the said bonds shall be due and payable semi-annually in United States gold coin, so long as such bonds are outstanding and unpaid, and shall be made payable on a specified day to be named in the coupons, at said Treasurer's office, as before provided for the payment of the principal of said bonds; said bonds shall be signed by the Chairman of said Board of Supervisors, the Auditor, and Treasurer of said county, as such officers and ex officio Loan Commissioners, and when so signed shall be presented by the Chairman of said Board of Supervisors to the Clerk of said county, who shall countersign the same as such Clerk in the presence of a quorum of such Board, at a meeting thereof, and it shall be the duty of said Board of Supervisors to cause the fact of such countersigning of said bonds to be entered upon their journal, together with number, date, and amount of each bond so countersigned by such Clerk; and upon the countersigning of said bonds it shall be the duty of said Board of Supervisors to cause the seal of said county to be affixed to each bond, and appoint a committee of two of their number to deliver said bonds to said railroad company to whom the same shall be issued, and it shall be the duty of such committee to take a receipt from the Secretary of said railroad company for the bonds so delivered by them, setting forth the number, dates, and amounts of bonds so delivered, and report the same to the Board of Supervisors.

Sec. 7. Coupons for the interest shall be attached to each bond so that the coupons may be removed without mutilation to the bond. Said coupons shall be signed by said Loan Commissioners. When any interest shall be paid upon bonds issued under the provisions of this Act, the County Treasurer shall detach the coupons for interest then due and paid, and deliver the same to the Clerk of said county, taking his receipt therefor, whose duty it will be to write the word "cancelled" across said coupons, and file the same in his office, and make a report at the next meeting of the Board of Supervisors.

Sec. 8. The bonds issued from time to time in payment of such subscriptions to the capital stock of the said railroad company by virtue of the provisions of this Act, shall be issued and paid to the said company in the same proportion and amounts, up to the full amount of fifty thousand dollars aforesaid, as the said company shall have expended in the construction, graduation, and equipment of said railroad in the County of Calaveras; or if the Board of Supervisors of Calaveras County, in order to hasten the construction of the said railroad, shall at any time deem expedient, (on the representations of the proper officers of the said company that the iron, ties, machinery, etc., have been

96
purchased and delivered to their order,) they shall, at their
option, be empowered to issue to the said railroad company
bonds as hereinafter provided to the amount of one half the
purchases aforesaid, if so much thereof remains in their hands;
and it shall be the duty of the Chief Engineer and the Secretary
of the said company, from time to time, as the said bonds are
required as aforesaid to be issued, to make a report to the
Board of Supervisors as to the progress of the work, the
amount expended thereon in work done and materials deliv-
ered, and also to furnish bills of lading for iron, ties, machinery,
or other evidences of purchase on account of the said construc-
tion, as near as can be ascertained; and if after the payment of
the first ten per cent of such county subscription as aforesaid,
there shall be any failure or refusal on the part of the said railroad
company to apply the said bonds so subscribed as herein desig-
nated, or if the said railroad company should discontinue the
construction of their said road or divert the same from the
County of Calaveras, then and in that event the Board of
Supervisors may, at their option, withhold any further subscrip-
tion and not thereafter be held liable for any further calls under
this Act.

Sec. 9. It shall be the duty of said Board of Supervisors,
previous to the making out and delivery of the original assess-
ment roll as corrected by the Board of Equalization to the
Tax Collector of the county in each year, to levy a tax to be
styled an "Interest Tax," sufficient to raise the amount of inter-
est required to be paid each year on said bonds issued hereunder;
and previous to the making and delivery of said roll of said
county in the year A.D., eighteen hundred and sixty-six, and
for every year thereafter, until the said bonds issued under this
Act shall be paid and liquidated, the said Board shall, should it
be necessary, levy a tax not exceeding ten cents on the one
hundred dollars' worth of taxable property of said county, for
the purpose of raising a fund for the liquidation of said bonds,
which shall be styled a "Loan Fund." The said taxes shall be
levied and collected in the same manner as the general taxes
for county purposes, and when collected shall be paid in to the
County Treasurer, who shall account for and deliver the same
over to the said Loan Commissioners to be by them applied as
follows:

First—The Interest Tax, to the payment of interest falling
due on said bonds.
Second—The Loan Fund, to the redemption of said bonds, as
hereinafter provided.

Sec. 10. If there shall be collected as such Interest Tax in
any one year a sum greater than is required to pay the annual
interest on said bonds issued hereunder, then the said Loan
Commissioners shall pass over such surplus into the Loan Fund.

Sec. 11. It shall be the duty of said Loan Commissioners to
make arrangements for the payment of interest on said bonds
when the same falls due, at least thirty days before the time
of payment, and in the event the Interest Fund is insufficient,
the said Treasurer shall draw on the common or General Fund
of said county for such purpose, and deliver the same to said
Commissioners; and in the event that those funds prove inade-
quate, the said Commissioners are authorized and required to make such contracts and arrangements as may be necessary for the payment of said interest and the protection of the faith of said county.

SEC. 12. Whenever at any time there shall be in said Loan Fund a sum of money amounting to three thousand dollars or upwards, the said Commissioners shall advertise in a public newspaper, published in said county, for a space of four weeks, for sealed proposals for the redemption of said bonds, and ten days from the expiration of said time for such publication the said Commissioners shall open the sealed proposals, and shall pay and liquidate, as far as the Loan Fund then on hand shall extend, such bonds presented under said proposals as shall have the lowest value proposed at which they may be liquidated; provided, the same shall not be more than the par value thereof; and, provided, should there be no proposals made for less than par value, then the payment of said Loan Fund on hand shall be made on said bonds according to the number of their issue, of which the said Commissioners shall give four weeks' notice of the numbers of the bonds to be paid, after which time such bonds shall cease to draw interest; and, provided, whenever there may be sufficient moneys in such Loan Fund for the extinguishment of the bonds issued under this Act, it shall be the duty of said Commissioners to advertise for the space of four weeks for the redemption of the outstanding bonds issued under this Act, after which time said bonds shall cease to draw interest. Any moneys remaining in said Loan Fund after the redemption of said bonds shall be by the said Commissioners paid over to the County Treasurer, to be by him held subject to the order of said Board of Supervisors.

SEC. 13. Whenever any bonds shall have been paid and redeemed by the Commissioners, they shall mark on the same "cancelled" over their signatures as Commissioners, and immediately deliver the same to the County Clerk, taking his receipt therefor, and the said Clerk, upon the receipt of such cancelled bonds, shall file the same in his office.

SEC. 14. The County Clerk shall open with the said Commissioners an Interest Tax account, and a Loan Fund account, and shall balance and settle the same quarterly.

SEC. 15. The said Commissioners, and all other officers herein specified, for the performance of their duties under the provisions of this Act, shall in all things herein required of them be subject to all the liabilities and penalties to which they are subjected in the performance of any other of the duties of their respective offices, and they shall, when the fees or salary is not fixed by law for the services herein required, be allowed by the Board of Supervisors a reasonable compensation therefor, to be paid by the said county as other fees and salaries are paid, not to exceed five dollars per day; and the said Board of Supervisors may, and they are hereby fully authorized so to do, to require of each of said Commissioners such bonds and security for the performance of their duties herein required of them as the said Board of Supervisors shall deem proper; provided, however, that the penal sum of such bonds to each of said Commissioners shall not exceed five thousand dollars. The said Com-
missioners shall, when so required, execute the said bond in the
same manner as other official bonds are executed, and to be
approved by said Board of Supervisors and filed in the office
of the County Clerk.

SEC. 16. The said Board of Supervisors shall have authority
to authorize a committee of any one or more of their number,
or any other person, to cast all votes representing the capital
stock so subscribed by them; and they shall, by order made for
that purpose, have full power to sell, transfer, and assign the
said capital stock or any part thereof so taken by them under
the provisions of this Act, whenever on submission to the qualified
voters of said county at any county or general election of a
proposition to sell the same, a majority of the votes cast thereat
shall approve of such sale.

SEC. 17. The Board of Supervisors shall have all the right
and powers appertaining to any other subscriber to such capital
stock, and shall receive all of the dividends, issues, and profits
arising from such subscription to said capital stock, and shall set
apart and transfer the same, together with the taxes that may
be paid by said company to said county from time to time, to
the said Loan Fund, to be applied by the said Loan Commis-
sioners to the payment, first, of the interest of the bonds issued
as herein provided, and the redemption of the principal thereof
in the manner provided by section twelve of this Act; and, sec-
ond, after the said dividends, issues, and profits arising from
such stock subscription shall be applied as follows: one third
thereof to the School Fund of said county, and the remaining
two thirds to the General Fund.

SEC. 18. The subscription of stock authorized by virtue of
the provisions of this Act shall be made by said Board of Super-
visors on the books of said company, upon the express condi-
tion that the said county shall not be liable for any of the debts or
liabilities of said company beyond the amount subscribed; and
this provision as to the liability of said county shall be a part of
and expressly stipulated in all contracts made by said company
for the construction and equipment of said road; and in case the
said company shall fail or refuse to make such stipulation in all
their said contracts, then the said Board of Supervisors shall
have power to declare the said subscription void and of no effect,
and may recover from said company any previous payments that
may have been made thereon at the time of such failure or
refusal.

SEC. 19. This Act shall be taken and be deemed a public Act,
and shall take effect and be in force from and after its passage.
SIXTEENTH SESSION.

CHAP. DXLVIII.—An Act amendatory of and supplementary to an Act entitled an Act to regulate the settlement of the estates of deceased persons, passed May first, eighteen hundred and fifty-one.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The thirteenth section of an Act entitled an Act to regulate the settlement of the estates of deceased persons, passed May first, eighteen hundred and fifty-one, is hereby amended so as to read as follows:

Section 13. When any will shall have come into the possession of the Probate Court, and a petition for the probate thereof and for the issuance of letters testamentary or letters of administration, with the will annexed, shall have been filed, the Court or Judge shall appoint a time for proving it, which shall not be less than ten nor more than thirty days, and shall cause notice to be given thereof by the Clerk by publication in some newspaper, if there is one printed in the county, if not, by notices posted in three public places in the county. If the notice is published in a weekly newspaper, it shall appear therein on at least three different days of publication, and if in a newspaper published oftener than once a week, it shall be so published that there shall be at least ten days from the first to the last day of publication, both the first and the last day being included. If the notice is by posting, it shall be given at least ten days before the hearing.

SEC. 2. The fifty-sixth section of the said Act is hereby amended so as to read as follows:

Section 56. When any unmarried woman who shall have been appointed administratrix shall marry, her marriage shall extinguish her authority. A married woman shall not be appointed administratrix.

SEC. 3. The one hundred and eighth section of the said Act is hereby amended so as to read as follows:

Section 108. The inventory shall also contain an account of all moneys belonging to the deceased which shall have come to the hands of the executor or administrator, and if none shall have come to his hands the fact shall be so stated in the inventory. If the whole estate consists of money there need be no appraisement, but an inventory shall be made and returned as in other cases.

SEC. 4. Perishable property of any estate may be sold as provided by law, and shall include all personal property which is likely to decrease in value, or become worse by being kept, or is subject to loss or expense, so that it shall appear to be for the best interest of the estate that the same should be sold without delay. Partnership interests, or interests belonging to any estate by virtue of any partnership formerly existing, and choses in action, may be sold in the same manner as other personal property, when it shall appear to be for the best interest of the estate. Before confirming the sale of any partnership interest, whether made to the surviving partner or partners, or
to any other person, the Court or Judge shall carefully inquire into the condition of the partnership affairs, and shall examine the surviving partner or partners, if he or they shall be in the county and able to be present in Court, and no such sale shall be confirmed unless the same shall appear to be for the best interest of the estate.

Sec. 5. The one hundred and sixty-first section of the said Act is hereby amended so as to read as follows:

Section 161. If it shall appear to the Court that it is necessary to sell a part of the real estate, and that by a sale of such part the residue of the real estate or some specific part thereof would be greatly injured, or diminished in value, or subjected to expense, or rendered unprofitable, or that after any such sale any such residue would be so small in quantity or value, or would be of such a character with reference to its future disposition among the heirs or devisees as clearly to render it for the best interest of all concerned that the same should be sold, the Court may authorize the sale of the whole estate, or of any part thereof as may be necessary and for the best interest of all concerned. And the Court may confirm such sale of the whole estate or of a specific part thereof; provided, the necessity or expediency of such sale, as already defined in this section, be set forth in the return of sale, and be established on the hearing; and the sale so confirmed shall be valid.

Sec. 6. The one hundred and sixty-sixth section of the said Act is hereby amended so as to read as follows:

Section 166. When a sale is ordered, and is to be made at public auction, notice of the time and place of holding the same shall be posted up in three of the most public places in the county in which the land is situated, and shall be published in a newspaper, if there be one printed in the same county, and if there be none, then in such paper as the Court may direct, for three weeks successively next before such sale, in which notice the lands and tenements to be sold shall be described with common certainty.

Sec. 7. The one hundred and sixty-seventh section of the said Act is hereby amended so as to read as follows:

Section 167. Such sale at public auction shall be made in the county where the land is situated, but when the tract of land is situated in two or more counties, it may be sold in either of said counties. The sale shall be made between the hours of nine o'clock in the morning and the setting of the sun on the same day, and shall be made on the day named in the notice of sale, unless the sale shall be adjourned as provided by law.

Sec. 8. When a sale of real estate is ordered and is to be made at private sale, notice of the same shall be posted up in three of the most public places in the county in which the land is situated, and shall be published in a newspaper, if there be one printed in the same county, and if there be none, then in such paper as the Court may direct, for two weeks successively next before the day on or after which the sale will be made, in which notice the lands and tenements to be sold shall be described with common certainty. The notice shall state a day on or after which the sale will be made, and a place where offers or bids will be received. The day last referred to shall be at least
fifteen days from the first publication of notice, and the sale shall not be made before said day, and shall be made within six months thereafter. Such bids or offers shall be in writing, and may be left at the place designated in the notice, or delivered to the executor or administrator personally, and may be filed in the office of the Clerk of the Probate Court, to which the return of sale must be made, at any time after the first publication of the notice and before the making of the sale; provided, that if it shall be shown that it will be for the best interest of the estate, the Court or Judge may by an order shorten the time of notice, which shall not, however, be less than one week, and may provide that the sale may be made on or after a day less than fifteen days, but not less than eight days from the first publication of the notice, in which case the notice of the sale and the sale may be made to correspond with such order.

Sec. 9. No such sale of real estate at private sale shall be confirmed by the Court, unless the sum offered shall be at least ninety per cent of the appraised value thereof, nor unless such real estate shall have been appraised within one year of the time of such sale. If the said real estate has not been so appraised, or if the Court shall be satisfied that the appraisement is too high or too low, appraisers shall be appointed, and they shall make an appraisement thereof in the same manner as in case of the appraisement of the inventory; and this may be done at any time before the sale or before the confirmation thereof.

Sec. 10. The two hundred and fifty-ninth section of the said Act is hereby amended so as to read as follows:

Section 259. In the decree the Court shall name the persons and the proportions or parts to which each shall be entitled, and such persons shall have the right to demand and recover their respective shares from the executor or administrator, or any person having the same in possession. Such decree shall be conclusive as to the rights of heirs, legatees, or devisees, subject only to be reversed, set aside, or modified on appeal, in the manner and within the time provided by law.

Sec. 11. Whenever it is or may be provided by law that any order or decree, or copy of any order or decree of a Probate Court or Probate Judge, shall or may be recorded in the office of the County Recorder, any such order or decree or copy shall, from the time of filing the same in the said office for record, impart notice to all persons of the contents thereof; provided, that nothing in this section shall be construed to lessen in any respect the force or effect, as notice or otherwise, of any order, decree, act, or proceeding of a Probate Court or Probate Judge.

Sec. 12. Upon application for distribution after the final settlement of the accounts of administration, if the deceasewas not a resident of this State, and died testate, and his will shall have been duly proved or allowed in the State or place of his residence, and an authenticated copy thereof shall have been admitted to probate in this State, and it shall be necessary, in order that the estate or any part thereof may be distributed according to the will, that the estate in this State or any part thereof should be delivered to the executor or administrator in the State or place of residence, the Court may order such delivery to be made, and may, if necessary, order the sale of the
STATUTES OF CALIFORNIA,

real estate, and a like delivery of the proceeds; and the delivery, in accordance with the order of the Court, shall be a full discharge of the executor or administrator, with the will annexed, in this State, in relation to all property embraced in such order, which shall, unless reversed on appeal, bind and conclude all parties in interest. Sales of real estate ordered by virtue of this section shall be made in the same manner as other sales of real estate of deceased persons by order of the Probate Court.

CHAP. DXLIX.—An Act to amend an Act entitled an Act to divide the State into Congressional Districts, and fix the time to elect Representatives to Congress, approved April first, eighteen hundred and sixty-four.

SEC. 2. This Act shall take effect from and after its passage.

CHAP. DLI.—An Act concerning forcible entries and unlawful detainers.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

FORCIBLE ENTRY

SECTION 1. If any person shall, with violence and a strong hand, enter upon or into any lands or buildings, either by breaking open doors, windows, or other parts of a house, or by any kind of violence or circumstance of terror, or if any person, after entering peaceably, shall turn out by force, or by threats, or by menacing conduct, the party in possession, such person shall be deemed guilty of a forcible entry, and may be proceeded against and punished as hereinafter provided.

SEC. 2. If any person shall, by force and with a strong hand, or by menaces and threats of violence, unlawfully hold and keep the possession of any lands or tenements, whether the same were acquired peaceably or otherwise, such person shall be deemed guilty of a forcible detainer, and may be proceeded against as herein provided.
SEC. 3. If any person shall, in the night time, or during the absence of the occupant of any lands or tenements, unlawfully enter upon such lands or tenements, and shall, after demand made for the surrender of such premises for the period of five days, refuse to surrender the same to such former occupant, such person shall be deemed guilty of a forcible detainer; and may be proceeded against as herein provided for such offence; provided, that the party shall be deemed the actual occupant of lands who, within five days preceding such unlawful entry, was in the peaceable and undisturbed possession of such lands or tenements.

SEC. 4. Actions for the recovery of the possession of any lands or tenements under the provisions of this Act, and for damages consequent upon any forcible entry or forcible detainer, shall be commenced and prosecuted in the County Court of the county in which such lands or tenements or some portion thereof may be situate, and as herein provided.

SEC. 5. The plaintiff shall present to the County Judge his written complaint, setting forth therein the facts on which he seeks to recover, and shall describe the premises sought to be recovered with reasonable certainty, and may charge that the defendant has acted fraudulently in making such forcible entry or holding such possession by force, (in case where the action is brought for a forcible entry or forcible holding,) and may claim such damages therefor as he may deem proper; but in such case he shall state the facts constituting the fraud. Upon receiving such complaint the Judge shall fix a day for the appearance of the defendant in such action, and shall indorse the date thus fixed, together with the day of the presentation of said complaint, upon said complaint; the Judge shall further provide and direct upon said complaint that the summons to be issued thereupon shall be served upon the defendant at a day not less than three days previous to the day set for the appearance of said defendant, and not more than twenty days from the date of making the order, fixing the return day of the summons.

SEC. 6. The complaint thus indorsed shall be then filed with the Clerk of the County Court, and the Clerk shall forthwith issue a summons under the seal of said Court. Such summons shall state the parties to the action, the Court in which the same is brought, the nature of the action in concise terms, and the relief sought, and also the day fixed for the appearance of the defendant therein, and the number of days before the time of the appearance that the same is to be served on the defendant. It shall command said defendant to appear and answer within the time designated in said summons, or that the relief sought will be taken against him. The summons shall be directed to the defendant, and shall be served by the Sheriff of the county, or other person duly qualified, by delivering to such defendant a certified copy thereof, and the return of the Sheriff shall show the day and place at which the same was served.

SEC. 7. On or before the day set for his appearance therein, the defendant shall file with the Clerk, and in said cause, his
written answer, demurrer, or demurrer and answer, or other appearance, or if he fail to so appear, the Clerk shall note his default, and the Judge shall thereupon, upon satisfactory evidence, order such judgment as shall be just in the premises.

Whenever an issue of fact is presented by the pleadings, the County Judge, upon the application of either party, shall order the Clerk to issue a venire for a special trial jury to be summoned for the day fixed by the Court for the trial of said cause. Such jury shall be summoned in the same manner as provided in section twenty-eight of an Act entitled an Act concerning grand and trial juries, approved April twenty-seventh, eighteen hundred and sixty-three, and shall possess the qualifications prescribed by the said Act, and shall be subject to the same challenges. All pleadings under the provisions of this Act shall be in writing, and verified by the parties in the same mode prescribed by law for the verification of pleadings in other civil cases. All proceedings for the trial and determination of causes arising under this Act, not herein provided for, shall be regulated by the provisions of the Civil Practice Act of this State so far as the same may be applicable thereto.

Sec. 8. If the complaint in the action presented shall establish, to the satisfaction of the County Judge, fraud, force, or violence in making such entry, or in holding such possession, and that such possession is unlawful, the Judge may also make an order for the arrest of the defendant, and all the provisions of law, from section seventy-six to section ninety-eight, both included, in Title Five, Chapter One, of an Act to regulate proceedings in civil cases in the Courts of justice of this State, passed April twenty-ninth, eighteen hundred and fifty-one, shall be and are hereby made the rule of proceeding to said arrest and bail in said action of forcible entry or forcible detainer.

Sec. 9. On the trial of any such action of forcible entry or forcible detainer, the plaintiff shall only be required to show, in addition to the forcible entry or forcible detainer complained of, that he was peaceably in the actual possession at the time of the forcible entry, or was entitled to the possession at the time of the forcible detainer. The defendant may show in his defence, that he or his ancestors, or those of whose interest in such premises he claims, have been in the quiet possession thereof for the space of one whole year together next before the commencement of said action, and that his interest therein is not then ended or determined, and such showing shall be a bar to the action in all cases provided for in this Act.

Sec. 10. Whenever, upon the trial of any cause under the provisions of this Act, it shall appear from the evidence that the defendant has been guilty of either of the offences herein provided for a forcible entry or a forcible detainer, and other than the offence charged in the complaint, the Judge shall order that such complaint be forthwith amended to conform to such proofs. Such amendment shall be without any imposition of terms, nor shall any continuance be permitted upon account of such amendment, unless the defendant, by affidavit filed, shall show to the satisfaction of the Court good cause therefor.

Sec. 11. No person other than the actual occupants of the premises shall be necessary parties defendant to proceedings.
specified in this Act; nor shall any action abate or plaintiff be nonsuited for the nonjoinder of any persons who might or should have been made parties defendant; but when it shall appear that any of the parties served with process or appearing in said action are guilty of the offence charged, judgment shall be rendered against such persons thus found guilty. And in case a married woman be a tenant or occupant, and her husband is not a resident of the county in which the premises are situated, her marriage shall not be a defence in such proceedings; but in case her husband be not joined, or unless she be doing business as a sole trader, a judgment against her shall be only valid against property on the premises at the time of the commencement of the action.

Sec. 12. If, upon the trial of any action under the provisions of this Act, the verdict of the jury or the finding of the Court shall be in favor of the plaintiff and against the defendant, the Court shall thereupon enter judgment for the plaintiff to have restitution of the premises, and the jury, or the Court in case the action is tried without a jury, shall also find or assess the damages occasioned to the plaintiff by such forcible entry or forcible detainer, and judgment shall be at once entered by the Clerk in favor of the plaintiff and against the defendant for three times the amount of the damages thus assessed.

Sec. 13. The proceedings in or upon the trial of any such action shall be the same as in other civil cases, except as herein otherwise provided, and judgment shall be entered, execution issued, and all other proceedings, both before and subsequent to judgment, be had as in other civil cases; provided, that no appeal taken by a defendant in such action to the Supreme Court shall prevent the issuance and execution of the writ of restitution therein unless the County Judge shall by his written order direct that such writ of restitution be stayed.

Sec. 14. Any duly appointed Court Commissioner of a county may perform any and all the duties in this Act required to be performed by the County Judge, whenever such Commissioner is authorized by law to perform such duties.

Sec. 15. All Acts or parts of Acts inconsistent with or repugnant to the provisions of this Act are hereby repealed; provided, this section shall not in any way affect or apply to actions or proceedings commenced or pending before this Act goes into effect, but the same may be prosecuted and proceeded in to final judgment or otherwise, in the same manner as if this Act had not been passed.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. The Board of Supervisors of the City and County of San Francisco is hereby authorized to pay James R. Traverse,
or his assignees, such an amount of money, out of the General Fund in the County Treasury of said city and county, not exceeding the sum of twenty-six hundred dollars, as will compensate him for damages sustained by him in November, one thousand eight hundred and fifty-eight, in the breaking of a carriage and the injuring of horses, by reason of Jackson street, in said city and county, being out of repair.

Sec. 2. This Act shall take effect and be in force from and after its passage.

Chap. DLII.—An Act providing for the determination of actions for the recovery of the possession of lands and tenements, for rents and profits growing out of the same, and for damages for the withholding thereof in certain cases.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. In all actions pending or which shall hereafter be commenced for the recovery of the possession of any lands or tenements, or for damages for the withholding of any such lands or tenements, or for the issues and profits growing out of any such lands or tenements, if it shall be admitted by the pleadings or by the stipulation of the parties, or if it shall appear from the evidence introduced on the trial in such action that the plaintiff’s right to recover the possession of the lands or tenements, or to recover damages for the use and occupation, or for the rents and profits thereof, rests and depends upon the title to said lands and tenements held by plaintiff under and by virtue of any Spanish or Mexican grant, and if it shall in like manner be admitted or made to appear from the evidence, or from the verdict of a jury, or the finding of the Court, as in this Act provided, that such Spanish or Mexican grant has been finally confirmed by the United States Board of Land Commissioners, or by the United States Courts, for a specified quantity of land to be located within exterior boundaries embracing more land than was confirmed to the claimants, and that such Spanish or Mexican grant has not been finally surveyed or located under and in pursuance of the laws of Congress in relation to the survey of private land claims, then and in that case the Court in which such action is pending or may be commenced shall, by an order entered on its minutes in such action, direct that all proceedings therein be stayed, and all proceedings in such action shall thereafter be stayed and suspended until a final survey of such grant shall be made in accordance with the laws of the United States; and upon such survey being made, the defendant in such action shall be permitted to amend his answer so as to set forth the facts, showing in what manner the premises in dispute have been affected by the survey, and the defendant shall be allowed to prove upon the trial how the premises in controversy are situate with reference to the final survey; and the rights
of the parties in such action shall be determined as if such final survey had been made at the time of the commencement of the action; provided, that the Court in which such action is pending may, when it shall be made to appear necessary, upon such terms as may be just, by order, restrain the defendant from committing waste on the premises in dispute during the pendency of such action.

SEC. 2. In all actions now pending or which shall hereafter be commenced for the recovery of the possession of any lands, or for damages for the withholding thereof, or for use and occupation of the same, the defendant may file his answer, alleging affirmatively that the premises in dispute are embraced in or claimed to be included within the exterior boundaries of a Spanish or Mexican grant, naming such grant, and that such grant has been confirmed by the United States Board of Land Commissioners, or the United States Courts, for a specified or less quantity of land to be located within exterior boundaries embracing more land than was confirmed to the claimants; that the land confirmed to the claimants under such Spanish or Mexican grant has not been finally surveyed or located, and as the plaintiff's right to the recovery of the premises in controversy or to recover damages for the use and occupation thereof is derived from and under said grant; and unless the plaintiff shall file his replication denying such affirmative allegations in the defendant's answer as aforesaid within ten days after service on him or his attorney of a copy of the defendant's answer, then said affirmative allegations in defendant's answer made as in this Act provided shall be deemed and be taken to be true, and the Court shall make an order staying proceedings as provided in the first section of this Act. If, however, the plaintiff shall file his replication denying the affirmative allegations in defendant's answer, the trial of the cause shall proceed as in other cases. And if tried by the Court without a jury, the Judge shall find the facts from the evidence upon each of the affirmative allegations in defendant's answer, made as provided in this Act. And if the cause shall be tried by a jury, the Court shall instruct the jury to find a special verdict upon all the issues raised upon the affirmative allegations in defendant's answer. And if such affirmative allegations in the defendant's answer be found by the Judge or jury trying the said issues to be true, the plaintiff shall be liable for the costs of such trial. And all proceedings in said action shall be stayed and suspended as provided in the first section of this Act, and the cause shall stand as to all subsequent proceedings as if no trial had been had. If, however, upon such trial the affirmative allegations in defendant's answer are found to be untrue, the trial of the cause shall proceed as in other cases.

SEC. 3. The provisions of this Act shall not apply to actions for the recovery of lands or tenements, or for damages for the withholding thereof, wherein the plaintiff's right to recover against the defendant does not depend upon title derived under a Mexican or Spanish grant, or when neither such grant nor the decree of confirmation thereof shall be offered in evidence, used or relied on by the plaintiff in establishing his right to recover against the defendant, nor to actions in which both parties...

SEC. 2. In case two or more official bonds are presented at the same time to said Board of Supervisors of said County of
Santa Barbara for their examination, and it would appear that a person or persons are sureties in any two or more of said bonds for a greater sum in the aggregate than that for which he or they have been last assessed, then the Supervisors will accept the bond bearing the oldest date; but if the bonds bear the same date, they will accept that for the largest amount, and may order additional sums for the other bonds as mentioned in section one of this Act.

Sec. 3. The Board of Supervisors of the County of Santa Barbara at their first regular meeting after the passage of this law, or at any time thereafter, may re-examine all the official bonds already passed upon them by said Board, and make the alterations in said bonds that they deem necessary, in accordance with the provisions of this Act.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. The right is hereby granted to John O. Earl and Route Gardner T. Lawton, and assigns, to lay down and maintain an iron railroad within the City and County of San Francisco along and upon the following streets: commencing at the intersection of Kearny and Sacramento streets, in the City of San Francisco, thence along and upon Sacramento street to East street, thence along and upon East street to its southern terminus; said road to have a double or single track, with necessary crossings and turnouts, the rails to be of the most improved pattern used in the eastern cities, and to run cars thereon not exceeding twenty-six feet in length, at convenient hours of the day and night, for the transportation of passengers; provided, that the grantees named in this Act, or their assigns, shall not have or hold any franchise or right to construct or lay down such railroad along the route hereinbefore mentioned, until they shall first have obtained the consent in writing of the owners (or their agents) of two thirds of the property along those portions of said streets on which said route runs, within one year from the passage of this Act; provided, that if any other railroad company shall at any time obtain the right to construct a railroad track in any portion of the streets herein named, such other company shall have the right to use the rails of the grantees herein named on not exceeding five blocks, upon paying one half of the expense of constructing and maintaining the railroad on that portion of the track so used.

Sec. 2. The owners of said railroad shall pave, plank, or macadamize, as the proper authorities of the City and County of San Francisco shall direct, the streets through which the said
railroad shall run, along the entire length thereof for a width extending two feet on each side of said road, and shall keep the same constantly in repair.

Sec. 3. The track of said railroad shall not be more than five feet wide. It shall be laid as nearly as possible in the centre of said streets, and flush with the level of the streets, and so as to offer as little obstruction as possible to the crossing of vehicles; and when the road herein provided for shall intersect any other road, the rail of each shall be so altered or cut as to permit the cars to cross without obstructing; and nothing in this Act shall be so construed as to prevent any other railroad company hereafter formed from crossing the road herein mentioned at any point in like manner in the City and County of San Francisco.

Sec. 4. The rates of fare for each passenger upon said railroad shall not exceed five cents in gold or silver coin. Said five cents per fare, ticket, or passage, shall be held to pay and include all State and Federal taxes. Sec. 5. The cars upon said railroad shall be of the most approved construction for the comfort and convenience of passengers; they shall be moved by horse or mule power, and none other.

And the grantees shall, within one year after having obtained the consent of two thirds of the property holders as before mentioned, commence the construction of said road, but no time during which they may be prevented by legal process be counted as part of said time. And the said grantees or their assigns shall, within six months after the passage of this Act, execute to the City and County of San Francisco a bond, with good and sufficient sureties, to be approved by the Mayor of said city and county, conditioned in the sum of ten thousand dollars, for the completion of said railroad according to the requirements and privileges of this Act, and file the same with the Treasurer of said city and county for the benefit thereof; and upon a failure to comply with the provisions of this section the franchise and privileges hereby granted shall utterly cease and determine, and the amount of said bond may be recovered from the obligors therein named in an action brought in the name of the City and County of San Francisco.

Sec. 8. The owners of said railroad are required to sell, transfer, and convey the same, together with the cars that may be employed thereon, to the City and County of San Francisco, at any time after the expiration of fifteen years from the completion of the same, upon a demand being made to that effect by the said city and county, and upon payment to said parties by
said city and county of the appraised value of the same; said value, how appraisal to be made by five Commissioners, in the manner fol-
dowing: The Board of Supervisors of the City and County of San Francisco shall appoint two Commissioners, and notify the grantees or their assigns of such appointment, who, within ten days after the receipt of such notice, shall appoint two Commis-
sioners, and notify the Board thereof. The four Commissioners so appointed shall elect a fifth; but in case of their inability to agree upon such fifth Commissioner within ten days, he shall be appointed by the County Judge of the said city and county. In case of the failure of the grantees or their assigns to appoint Commissioners on their part, as above provided, or in case of their refusal to act, the County Judge shall have the power of appoint-

The amount of the award shall be paid by the Treasurer of the City and County to the grantees or their assigns within sixty days after the filing of said award, and thereupon the title to said railroad and cars shall vest in the said city and county.

Sec. 9. Nothing in this Act shall be so construed as in any-
wise to prevent the proper authorities of the said City and County of San Francisco from sewer ing, grading, paving, plank-
ing, repairing, or altering any of the streets hereinbefore speci-
ified; but all such work shall be done, if possible, so as not to obstruct the free passage of the cars upon the said railroad; and when the same shall not be possible, the said authorities, before the commencement of said work, shall allow to the owners of said railroad time sufficient to shift their rails, or take other means so as to avoid said obstruction during the continuance thereof, which they, the said owners, are hereby authorized to do.

Sec. 10. The owners of said railroad shall pay to the City and County of San Francisco the sum of fifty dollars per annum license for each car used by them upon said railroad.

Sec. 11. This Act shall take effect and be in force from and after its passage.

CHAP. DLVI.—An Act to create a Board of Water Commissioners in Fresno County, and to define their powers and duties.

[Approved April 2, 1866.]

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. There shall be elected at the next election held in the County of Fresno for the election of a member of the Board of Supervisors, three Water Commissioners, who shall
hold their offices until the next general election, and until their successors are elected and qualified; and at each general election thereafter there shall be elected three such Commissioners, who shall hold their offices for the term of two years, and until their successors are elected and qualified; and until the first election herein provided for, James Tucker, John Bubb, and Daniel Rhodes, shall constitute such Board of Water Commissioners, which Board shall have the power and perform the duties hereinafter provided. In case a vacancy should occur in said Board by death or otherwise, it shall be filled by the Board of Supervisors of said county by appointment; and each member shall, before entering upon the duties of his office, and within ten days after the reception of notice of his election or appointment, qualify by giving a bond to the satisfaction of the Board of Supervisors, in the sum of one thousand dollars, for the proper disposal of all moneys which may come into his possession, and for the proper performance of his duties.

SEC. 2. The duties of said Commissioners shall be as follows:

First—They shall elect one of their number as Chairman, and one as Clerk of the Board; they shall, from time to time, appoint as many Overseers as they may deem necessary for the construction of the water ditches, and the care of the watercourses, and define the boundaries within which they shall act in the county; and they may revoke such appointments at pleasure.

Second—Upon the petition of a majority of the citizens of any district or neighborhood, they shall lay out such ditch or ditches as may be necessary to irrigate the land in cultivation in the district, and apportion the water in the same to each individual in proportion to the land in cultivation by each; provided, that should the water be insufficient for a continuous supply to all, the Commissioners shall, upon a petition of a majority of those interested, re-apportion the same without prejudice to any.

Third—No ditch shall hereafter be taken out of any stream in the waters of which different persons have an interest without leave of said Commissioners; and upon a receipt of an estimate from the Overseers, or upon an estimate of their own, of the number of days' work necessary to construct or repair any ditch, and the amount of land proposed to be irrigated by each individual using water therefrom, the Commissioners shall apportion such labor amongst those interested in proportion to the amount of water required by each; and should such labor fail to complete the work, they may immediately make a new assessment in the same proportion.

Fourth—They shall, as soon as they have apportioned the water, make a schedule of the hours which each person is entitled to use the same, commencing at the head of each ditch; and also the amount of labor performed or to be performed; and a copy of said schedule shall be posted at the head of the ditch; and such apportionment shall be binding, unless modified by the unanimous consent of those interested.

Fifth—A book shall be furnished by the Board of Supervisors of said county, in which said Commissioners shall keep a full record of all official acts of said Board, which shall be open to the inspection of any citizen, and shall be delivered over to their successors in office.
SEC. 3. It shall be the duty of the Overseers to execute the orders of the Commissioners; to examine, on or before the first day of February in each year, the various ditches in their districts; make an estimate of the amount of labor necessary to put them in good repair, and report the same to the Board, together with the capacity of said ditches, and the amount of land to be irrigated thereby; to see that the water is properly used as apportioned, that the ditches are kept in good repair, and that the labor required is properly expended.

SEC. 4. Said Overseers shall each keep a correct account of all work done under his supervision and by whom; and any person who shall neglect or refuse to perform their proportion of work after having received three days' notice to do so, shall pay the sum of ten dollars for each day's labor due from him, which shall be recovered at the suit of the Overseer, with costs of suit, before any Court of competent jurisdiction in the county or township, and all such money shall be applied to the construction or repair of the ditch upon which the labor was due; provided, that when any ditch shall break so as to cause a loss or wastage of water, those interested shall respond immediately to the notice of the Overseers for the repair of the same, under the same conditions as to delinquencies already provided for in this section.

SEC. 5. Eight hours' labor shall constitute a day's work; a team of two horses shall be equivalent to one day's work; a plough, wagon, or scraper, shall each, when used, be equal to one half day's work; and when required by the Overseers, persons shall, if practicable, furnish such implements as shall be necessary to the work.

SEC. 6. In case any district or person shall consider that the water has not been properly apportioned, or in case the Commissioners cannot agree upon the apportionment, the matter may be referred to the County Judge of the county, who shall determine the matter in contest.

SEC. 7. The Commissioners and Overseers shall each be allowed and paid two dollars for each day actually employed in the discharge of their duties required by this Act, and for the purpose of paying the same the Commissioners are hereby authorized to levy a tax within the county, upon each person benefited, in proportion to the amount of water used by each, which tax shall be collected by the Overseer and paid over to the Commissioners, who shall disburse the same as required by this section; and the general laws for the collection of taxes are made applicable to the collection of this tax.

SEC. 8. The Commissioners shall have the right of way to lay out and construct ditches through any lands in said county, and any person damaged thereby or by the water of any ditch, shall be entitled to such compensation as may be agreed upon between the parties interested; and in case the parties cannot agree, each party shall choose an arbitrator, and the two so chosen shall choose a third, and such arbitrators shall assess the damages sustained, under oath, which sum shall be paid by the parties using the water in proportion to the amount each is entitled to use, and the decision of said arbitrators shall be final, and such decision shall have the force and effect of a judicial decision.
SEC. 9. Any person using water from any ditch or water-course in the county, to which he is not entitled in accordance with the provisions of this Act, to the detriment of others, or who shall obstruct the waters of any watercourse or ditch by any dam or otherwise, or who shall wantonly break or injure any ditch, or who shall obstruct or hinder any Overseer in the performance of his duty, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined in a sum not exceeding one hundred and not less than twenty dollars for the first offence, and not more than three hundred and not less than fifty dollars for every subsequent offence, or imprisonment in the County Jail for not more than thirty nor less than five days, or by both such fine and imprisonment. Any person violating the provisions of this section shall be prosecuted before any Court of competent jurisdiction in the county or township upon the complaint of any person aggrieved, or by any member of the Board of Commissioners, and all moneys collected as fines under the provisions of this section shall be applied by the Commissioners to the payment of Overseers and the repair of the ditches which may have been damaged.

SEC. 10. When water rises upon lands owned by any person it shall not be subject to the provisions of this Act until it shall have passed beyond the limits of said land; and no person or persons shall divert the waters of any river or stream from its natural channel to the detriment of any person or persons located below them on the same stream.

SEC. 11. The provisions of this Act shall not in any manner interfere with, or render invalid, or inoperative, or in any way whatever embarrass or interrupt the acts heretofore done and performed by voluntary associations, or individuals may have constructed before the passage of this Act; and, provided, further, that this Act shall not impair or interfere with the vested rights of such associations or individuals as aforesaid in any water ditch or water privilege, or the future exercise of such rights or privileges, in the county named in this Act.

SEC. 12. All Acts of a general character conflicting with the provisions of this Act, so far as applicable to the County of Fresno, are hereby repealed.

SEC. 13. This Act shall take effect and be in force from and after its passage.

Every such statement made to the Assessor shall be signed and verified by the person making such statement, and shall state in substance, under oath, that the person, corporation, association, company, or firm, making the statement or in whose behalf such statement is made, has no property of any kind or nature situate or being within the county, other than the property included in such statement; that such person, association, company, or firm, has not the possession, charge, or control of or any interest in any property, whether real, personal, or mixed, situate, lying, or being within such county, other than the property mentioned and described in such statement; that such statement is a full, true, correct,
and complete statement of all the different kinds of property owned or claimed by such person, corporation, association, firm, or company; lying or being within said county, or owing to or in the possession, charge, or control of such person, corporation, association, firm, or company, and that the value thereof given in said statement is true according to his judgment, knowledge, and belief. The Assessor shall accept the valuation of the property contained in such statements, unless he shall deem the same or some part thereof undervalued, and in that case it shall be his duty to assess the same at its true cash value and indorse the valuation so assessed by him upon such statement. If any person, officer, or agent, shall neglect or refuse on demand of the Assessor to give under oath or affirmation the statement required in this section, it shall be the duty of the Assessor to make an estimate of the value of the taxable property which such person, officer, or agent neglected or refused to render under oath or affirmation, and the value so fixed by the Assessor shall not be reduced by the Board of Equalization.

Sec. 6. It shall be the duty of each District Assessor in said County of Yuba to return to the Auditor of said county on or before the first Monday of each month during the time he may be so engaged in assessing, all statements of property so assessed by him, and shall make and subscribe an oath before said Auditor that he has so delivered to him all statements of every description and kind, and that such statements comprise the whole amount of property which has been assessed by him since his last return. The Auditor shall proceed at once to examine and arrange all such statements for each district, and to copy:

First—Those describing personal property only, in each district, in a book in alphabetical order, entering the name of the person so assessed having personal property only, together with the value of said property, in dollars, opposite each name, which book shall be known as the "Duplicate Assessment Roll of Personal Property," A. D. 18—, Auditor's office, Yuba County.

Second—Those describing real property, or real and personal property in all the districts, in a book in alphabetical order, entering the name of each person so assessed having real property or real and personal property, together with his residence or the location of such real property, and a proper description thereof and the improvements thereon, in dollars, in the manner and form now prescribed by law, which book shall be known as the "Duplicate County Assessment Roll," A. D. 18—, Auditor's office, Yuba County.

And he shall also enter the name of each owner of real estate upon the plat books in the manner and form now prescribed by law, when such real property shall be within the incorporate limits of the City of Marysville, or upon any lands that have been surveyed within said County of Yuba by the authority of the Government of the United States, and for that purpose said Auditor is hereby directed, authorized, and required to have prepared under the direction of the Board of Supervisors, suitable plats or maps of all such lands hereinbefore described, said plats or maps of all lands lying and being outside the incorporate limits of the City of Marysville in said county which have been surveyed and laid out by an United States Surveyor or Deputy...
Surveyor, upon a scale of not less than two inches to the mile, upon which plats or maps shall also be entered in pencil the value so assessed upon the several rolls, together with the name or names of the claimants or owners. When more than one person shall claim the same piece of land or any part thereof, such claim shall be so designated upon the map or plat, and the name of each claimant written thereupon, and such real estate shall be assessed to the party first giving [in] his statement thereof, and the names of all other claimants or owners shall be entered upon the "Duplicate County Assessment Roll" in red ink, opposite the description of the property so assessed as aforesaid, and only one valuation and tax shall be entered and extended against any such property.

Sec. 7. On or before the first Monday of August in each year each District Assessor shall complete his assessment roll and make and subscribe before the Clerk of [the] Board of Equalization of his county an affidavit, which shall be attached to his assessment roll, which shall be substantially in the following form:

I, ______, District Assessor in and for District No. ______, Yuba County, California, do solemnly swear that the foregoing, from page ______ to page ______, both inclusive, is a true and correct assessment roll of my district in the County of Yuba; that I have diligently and faithfully performed all the duties required of me by law; that I have made diligent search for all taxable inhabitants, and in every instance demanded from each person and firm, and from the President, Cashier, Treasurer, Secretary, or Managing Agent of each corporation, association, or company within my district, when such person could be found, a written statement, under oath, of all the taxable property of such person, firm, corporation, association, or company, and that I have impartially assessed the value of all property within my district. So help me God.

And at the same time he shall carefully compare said roll or list with that of the Auditor, each with the other respectively, as to each name therein, the kind and value of property thereof. And the Auditor and the Assessors of such districts wherein the land has been surveyed and platted shall carefully compare the plats or maps, so far as the names contained thereon and the value of property, with like names and values upon the "Duplicate County Assessment Roll," and after such comparison he shall deliver his roll or list, together with the maps or plats, to the Clerk of the Board of Supervisors, who shall keep the same open for inspection until the meeting of the Board of Equalization, and he shall give the notice required by law; provided, nothing herein contained shall be construed as to prevent or relieve each Assessor from making, completing, and returning a subsequent assessment list or roll, or to make a settlement relative thereto, as required by the general revenue laws of this State.

Sec. 8. The County Auditor shall cause to be printed blank tax receipts, in a convenient form, with suitable blank margins, for the use of the Collectors of personal property tax, and
cause the same to be bound in convenient sized books, which blank receipts and the margins thereof he shall number in red ink, commencing with number one (1) each year, and shall deliver to each District Tax Collector as many such receipts or books of receipts as may be required by him for use in his district, and shall take a receipt from each Collector for the number of receipts so delivered to him. And the Auditor shall also cause to be printed proper blank receipts, with suitable margins, for State and county taxes on real property and real and personal property, for the use of the County Treasurer, which said receipts shall be consecutively numbered by said Auditor, and deliver to the County Treasurer a sufficient number of such receipts, properly bound in a book or books, for his use within his county, taking his receipt therefor.

Sec. 9. Each District Collector, before he enters upon the duties of his office, shall make and file his bond in the office of the County Clerk, with two or more sureties, to be approved by the County Judge, in the penal sum of five thousand dollars, or such greater sum as the Board of Supervisors of said county may require, conditioned for the faithful performance of all the duties of his office as such Tax Collector, and shall be further conditioned as now is or shall be required by law, and he shall take the oath of office, which shall be indorsed upon his certificate of election or appointment.

Sec. 10. The District Collector in each district is hereby authorized and required upon receiving a statement of any movable personal property from any person, firm, corporation, association, or company, not owning real estate within his district, to demand the taxes upon the same; and if any such person shall neglect or refuse to pay such taxes to the Assessor as such Collector of Taxes, he shall seize sufficient of the personal property of the party so neglecting or refusing to pay to satisfy the taxes and costs, and shall post a notice of such seizure, with a description of the property, and the time and place where it will be sold, in three public places in the township where it is seized, and shall, at the expiration of five days, proceed to sell at public auction, at the time and place mentioned in such notice, to the highest bidder for cash, a sufficient quantity of the property to pay the taxes, expenses, and costs incurred; and for this service he shall be allowed from the delinquent party a fee of three dollars, and the same mileage from his residence to the place of sale that the Sheriff would be entitled to receive for travelling to the place to make the levy; and upon the payment of the purchase money, he shall deliver to the purchaser the property sold, together with a certificate of the sale and of the amount of taxes or assessments and expenses thereon for which the property was sold, whereupon the title to the property so sold shall vest absolutely in the purchaser. He shall also demand poll taxes, of each and every person within his district liable to pay any State poll tax or military poll tax, the said taxes of such person or persons, and upon the payment thereof to deliver to the person so paying the proper receipts therefor. It shall be the duty of the District Collectors, when they make their settlements with the Treasurer on the first Monday of each month, to furnish such officer with a full and correct list of the names
of all persons doing business within said county and liable to pay State and county license tax for following such business.

Sec. 11. During the session of the Board of Equalization the Clerk thereof shall enter upon the assessment roll of each district all changes and corrections of the value of property therein described made by the Board of Equalization, and shall, on their adjournment, forthwith deliver the assessment rolls so corrected to the County Auditor, whose duty it shall be to add up the columns of valuation of every description of property on the assessment roll of each district; and on or before the first Monday in September he shall deliver a copy or duplicate of the corrected assessment rolls, to be known as the “Duplicate County Assessment Roll,” which roll shall be the book prepared by said Auditor from the original statements, and which has been by him carefully compared and made to correspond with the original books of the Assessors, and which “Duplicate County Assessment Roll” shall contain the names of all persons having assessed to them both real property and real and personal property in said county, with the State, county, and other taxes and totals of taxes to each person carried out in separate columns, with his certificate and seal attached thereto, to the County Treasurer, who is hereby made the Collector of such taxes, and for whom such “Duplicate County Assessment Roll” was made. Upon receiving such “Duplicate County Assessment Roll” from the Auditor, the County Treasurer, as such Collector, shall proceed to collect the taxes, and shall forthwith give notice to the taxpayers of the county, by publishing a notice in some newspaper printed in said county that the State and county taxes are due and payable, and that the laws in regard to their collection will be strictly enforced; and it shall be the duty of all persons owning real estate or real estate and personal property to pay their taxes or cause such taxes to be paid to the County Treasurer, such Collector of Taxes, at his office in the Court House of said county.

Sec. 12. Any Tax Collector who shall receive any taxes upon property and issue any other or different receipt than those furnished him as herein provided, shall be deemed guilty of a misdemeanor, and shall, on conviction, be punished by fine not exceeding one hundred dollars, or imprisonment in the County Jail not exceeding thirty days, and may be removed from office.

Sec. 13. Each District Collector shall collect within his district all State and county taxes upon personal property assessed to persons having no real estate or improvements upon real estate assessed to such persons, all State poll taxes, and all mili-

He shall first pay over all moneys collected by him for property taxes and all poll taxes, less his fees thereon for collection, to the County Treasurer, and shall take from said Treasurer receipts in duplicate for the same, one of which he shall present to the Auditor on the same day, and shall at the same time deliver to the Auditor a written statement verified by the following oath, in writing, attached thereto and subscribed by the party making the same, such oath to be administered and certified by the Auditor, viz:

Section 1. It shall be lawful for the Board of Supervisors of any county into or through which the Southern Pacific Railroad Company, a corporation duly organized under the laws of this State, shall run their road, acting in behalf of the county, to donate aid to such railroad company in any sum not exceeding an amount equal to three per centum on the aggregate amount of the taxable property in such county, as shown by the last preceding assessment roll of the county; or to subscribe to the capital stock of such railroad company in any sum not exceeding an amount equal to five per centum of the aggregate amount of the taxable property of the county, as shown by the last preceding assessment, as aforesaid; provided, however, that the proposition so to donate or subscribe shall have been first submitted and approved by the qualified electors of said county; and all the proceedings in relation thereto shall be conducted in accordance with the following provisions of this Act, and not otherwise.

Sec. 2. Whenever twenty-five or more of the taxpayers of any county into or through which the Southern Pacific Railroad Company shall run their road, representing twenty-five per cent of the taxable property of such county, shall petition the Board of Supervisors, stating the fact that it is proposed to run said railroad into or through said county, and asking the submission to the electors of the county the proposition to donate aid to or subscribe for stock in said railroad company in an amount to be named in said petition, which amount shall not exceed the limit fixed in the first section of this Act, and stating specifically which proposition it is desired to have thus submitted, whether to donate or to subscribe, it shall be the duty of such Board of Supervisors, by proper order in that behalf, to grant such petition, and to submit the proposition so named to the electors of such county.

Sec. 3. For that purpose the Board of Supervisors shall order a special election to be held throughout the county, the polls whereof shall be open in the several precincts or places for holding elections in such county on a day certain, to be named by them, which shall be not less than thirty nor more than sixty days from the date of such order or of the filing of such petition, at which election the proposition so named in such petition shall be submitted to the qualified electors of the county for their approval or rejection. Such Board of Supervisors shall cause notice of such election and of the proposition to be voted upon to be published in some newspaper printed in such county, if any be printed therein, and if not, then in some newspaper printed in an adjoining county, for at least twenty days prior to such election, and a like notice to be conspicuously posted at every place of opening the polls in said county at

But if upon such canvass it shall be found that a greater number of the electors of said county voting upon the proposition so submitted have voted "Yes" than have voted "No," then such proposition shall be deemed and declared to have been approved; a record of the fact of such approval shall be made upon the minutes of the Board of Supervisors, and said Board, by their Clerk, shall in writing notify such railroad company of the proposition which has been so submitted, and of the approval thereof.

Sec. 5. Sec. 6. If such proposed donation or subscription is accepted, then immediately upon the filing of such notice and of a certified copy of the articles of association, as mentioned in the last section, or as soon thereafter as practicable, it shall be the duty of the Board of Supervisors of such county, and they are hereby authorized and directed, if the proposition so approved shall be one in favor of subscription to the capital stock of said company, to make such subscription on the subscription books of said
company, through a committee consisting of two members of such Board of Supervisors, who shall be, by an order of the Board entered upon their minutes, duly authorized for that purpose, and to pledge therefor and for the due payment of such subscription, in accordance with the provisions of this Act, the good faith of the county; or if the proposition so approved be one in favor of a donation to said company, then such Board of Supervisors shall pass an order, and enter the same on their journal, declaring the good faith of the county pledged to make such donation in the bonds of the county, in such amounts and under such conditions as are named in this Act.

**Sec. 7.** If in compliance with a vote so had as aforesaid, subscription be made by any county to the capital stock of said railroad company, the same shall be made and accepted with the condition that such subscription shall be payable in the bonds of the county, to be issued as hereinafter directed, and not otherwise, and for such subscription such bonds shall be received at par, dollar for dollar.

**Sec. 8.** In all cases of donation in aid of or of subscription to the capital stock of said railroad company by any county under the provisions of this Act, the same shall be paid in instalments of not less than ten nor more than twenty per cent, as the work on such road shall progress; and in no case shall an instalment of the bonds of any county be issued to said railroad company until an amount at least equal thereto has been expended by said company in the actual graduation of such railroad, or other work necessary to its construction or completion; nor shall a second instalment be paid to such company until the first has been expended on the road, or in purchase of iron, or rolling stock, or other material therefor.

**Sec. 9.** In all cases where a county has made a donation in aid of or has subscribed to the capital stock of said railroad company under the provisions of this Act, it shall be the duty of the Secretary and Engineer in charge of such railroad company, from time to time, as the bonds of such county are required to be issued, to make report in writing, under oath, and lay the same before the Board of Supervisors of such county, showing the progress of the work on the railroad and the amount and cost thereof, together with the cost of bridging, ties, and other material for the superstructure, and of the iron and rolling stock which may have been purchased or contracted for said railroad, and if after the issuance of the first or any subsequent instalment of bonds to said railroad company under the provisions of this Act there should be any failure or refusal on the part of said company to expend such bonds in the mode and manner herein provided in the construction of said railroad or purchase of material therefor, then and in that event the Board of Supervisors of such county may, at their option, withhold any further payment of instalments of the amount donated or subscribed to said railroad, as the case may be, and they shall not be liable to any further calls thereon; and if so declared by the Board of Supervisors, such donation or subscription shall be held void and of no effect, and said company shall be liable to such county for such amounts as may have been paid on such
donation or subscription, which shall be recoverable at law in any Court of competent jurisdiction.

Sec. 10. The Board of Supervisors of any county donating aid to or subscribing to the capital stock of the said railroad company under the provisions of this Act, shall from time to time as such donation or subscription shall become due and be demanded by the Board of Directors of said company, cause bonds of the county to be issued and delivered to said railroad company for such an amount as may be due, but not exceeding at any one time twenty per cent of such donation or subscription, as hereinbefore provided; and the officers hereinafter mentioned shall each and every of them execute and countersign said bonds as herein provided, whenever so directed by an order of the Board of Supervisors of such county; such bonds shall be issued in sums of one thousand dollars each, shall be numbered consecutively from number one onward through all the bonds issued to said company, shall be made payable to said railroad company, giving its corporate name, or to the holder or bearer thereof, on a specified day to be named in said bonds, which shall be twenty years after the date of the issuance thereof, at the office of the Treasurer of such county; and shall bear interest at the rate of eight per cent per annum from the date of their issue; the interest upon such bonds shall be due and payable semi-annually so long as such bonds are outstanding and unpaid, and shall be payable at the office of such Treasurer on a specified day, to be named in the interest coupons which shall be attached to such bonds, as hereinafter provided. Both principal and interest of such bonds shall be made payable in United States gold coin, dollar for dollar. Such bonds shall be signed by the Chairman of the Board of Supervisors, by the Auditor and the Clerk of such county; as such officers, the Auditor making and keeping in his office an accurate account of all bonds so signed, with the number, date, and amount of each, and the Clerk shall cause the seal of the county to be affixed to each of said bonds, and the Chairman of such Board shall forthwith deliver the same to the company entitled thereto, taking the receipt of the Secretary of said company therefor, which receipt shall be executed in triplicate, and shall set forth the number, date, and amount of each bond so delivered; such Chairman shall thereupon file one of such receipts in the office of the Clerk of said county, one in the office of the Auditor, and one in the office of the Treasurer of such county, and shall make report to the Board of Supervisors of the proceedings in the premises at the next meeting thereof.

Sec. 11. All bonds issued under the provisions of this Act shall have coupons for the interest attached, so that the same may be removed without mutilation of the bonds; such coupons shall each be for one half year’s interest upon the bond to which it is attached; they shall be numbered from one to forty, consecutively; each shall specify the number of the bond to which it is attached, the amount to become due upon such coupon, and the day when it is payable, and each shall be signed by the Auditor of the county for which it is issued. When any interest shall be paid upon any bond issued under the provisions of this Act, the County Treasurer paying the same shall receive the
Cancellaton coupon for the interest so paid, shall cancel the same by writing
across the face thereof the word "paid," with the date of pay-
ment and his official signature, and shall thereupon deliver the
same to the Auditor of said county, taking his receipt in dupli-
cate therefor, one copy of which said Treasurer shall file in his
own office, and the other copy of which he shall deliver to the
Clerk of said county, and thereupon such Clerk shall report the
same to the Board of Supervisors of such county at the next
meeting thereof.

Levy of tax. Sec. 12. When any county shall have donated aid to or sub-
scribed to the capital stock of said railroad company, as herein
provided, it shall be the duty of the Board of Supervisors of
such county, at the same time of levying other taxes in said
county (or in the first year at any time before the making out
of the duplicate of the general assessment list for such county)
in each year to levy a tax sufficient to raise the amount of
interest falling due within each year, and not less than two nor
more than five per cent of the principal of such bonds, which
shall be paid into a fund to be styled the Railroad Fund. The
taxes provided in this section shall be levied and collected at
the same time and in the same manner as taxes for county pur-
poses, and when collected shall be paid into the County Treas-
ury, and shall be kept separate from other funds of the county,
and be applied as follows:

How applied. First—To the payment of the interest as it falls due;
Second—To the payment and redemption of such bonds as
hereinafter provided.

Sec. 13. Whenever there shall be in the Railroad Fund of
any county, after providing for the interest of the current year,
a sum of money amounting to three thousand dollars or upwards,
it shall be the duty of the County Treasurer to advertise in a
newspaper published in such county, if any newspaper be pub-
lished therein, and if not, then in a newspaper published in the
next adjoining county, and also in at least one newspaper pub-
lished in the City and County of San Francisco, once in each
week for four weeks, for sealed proposals for the redemption of
bonds, stating the amount of money on hand applicable to that
purpose; and ten days from the expiration of the time for such
publication said Treasurer shall open the proposals so received,
and such bonds as shall be surrendered by the holders thereof
at the lowest proposed rate, and having all the unpaid coupons
thereto attached, shall be paid off and liquidated so far as the
fund on hand will go for that purpose; provided, however, that
such proposed rate shall not be for more than the par value of
such bond and the interest already accrued and unpaid thereon;
and, provided, further, that should there be no proposals made
for less than par value as aforesaid, then the fund on hand shall
be applied in payment of such bonds and the interest then
actually accrued and unpaid, in the order of the number of their
issue, the County Treasurer giving four weeks' notice, in the
manner hereinbefore provided, of the numbers of said bonds to
which the fund on hand will be applied, and requesting their
presentation for payment, after which time such bonds, if not
presented, shall cease to draw interest. When all the bonds so
issued shall have been liquidated, redeemed, and paid off, any
moneys remaining on hand in the Railroad Fund shall be paid into the General Fund of the county. In all cases of the liquidation or payment of bonds issued under the provisions of this Act, the same course shall be pursued in reference to cancelling, filing, receiving for, and reporting the same, as is hereinbefore provided upon the payment of interest coupons.

Sec. 14. Whenever any county shall have subscribed to the capital stock of said railroad company under the provisions of this Act, such county shall possess all the rights and powers of any stockholder in such company, and the Board of Supervisors may, from time to time, as occasion shall require, appoint one of their own number, or any citizen of said county, to represent said county at any meeting of the stockholders of said company, and to cast any and all votes at such meeting which said county, if a natural person holding the same amount of stock, would be entitled to cast, and generally on behalf of such county to do any and all things pertaining to the business of said company which a natural person holding stock therein might or could lawfully do. A certified copy of the order of the Board of Supervisors, under the seal of the county, filed with the Secretary of said company, shall be the evidence of the authority of the person therein named to act on behalf of such county.

Sec. 15. Whenever any county shall make a donation in aid of said railroad company, under the provisions of this Act, the same shall be made and accepted (if the same is accepted) upon the express condition that said railroad company shall at any and all times after the opening of its railroad to general business, if so required, transport all prisoners being taken to the Jail of such county, or from the Jail to the place of trial, and the officers having them in charge, and any and all materials for the construction or repair of the Court House or Jail of such county over said railroad free of charge.

Sec. 16. All officers having any duty to perform under the provisions of this Act, shall be allowed the same rate of compensation therefore as is allowed for other similar service, to be fixed by the Board of Supervisors and paid out of the General Fund of the county.

Sec. 17. All taxes, except State taxes, paid by said railroad company receiving county bonds under this Act in the county issuing such bonds, instead of being distributed into the several funds of the county, like other taxes, and all dividends paid by said company to said county, shall be paid into and form a part of the Railroad Fund so long as any such bonds shall remain outstanding and unpaid; provided, this Act shall not apply to the Counties of Alameda, Santa Clara, or San Francisco.

The Court may likewise, upon affidavit showing good cause therefor, after notice to the adverse party, allow, upon such terms as may be just, an amendment to any pleading or proceeding in other particulars, and may, upon like terms, allow an answer to be
made after the time limited by this Act; and may, upon such terms as may be just, and upon payment of costs, relieve a party or his legal representatives from a judgment, order, or other proceeding taken against him through his mistake, inadvertence, surprise, or excusable neglect; and when, for any cause satisfactory to the Court, or the Judge at chambers, the party aggrieved has been unable to apply for the relief sought during the term at which such judgment, order, or proceeding complained of was taken, the Court, or the Judge at chambers in vacation, may grant the relief upon application made within a reasonable time, not exceeding five months after the adjournment of the term. When, from any cause, the summons and a copy of the complaint in an action have not been personally served on the defendant, the Court may allow, on such terms as may be just, such defendant or his legal representatives at any time within six months after the rendition of any judgment in such action, to answer to the merits of the original action.

Sec. 2. Section one hundred and eighty is hereby amended so as to read as follows:

Section 180. Upon a trial of issue of fact by the Court, judgment shall be entered in accordance with the finding of the Court, and the finding, if required by either party, shall be reduced to writing and filed with the Clerk. In the finding filed, the facts found and the conclusions of law shall be separately stated. In such cases no judgment shall be reversed on appeal for want of a finding in writing at the instance of any party who, at the time of the submission of the cause, shall not have requested a finding in writing, and had such request entered in the minutes of the Court; nor in cases tried by the Court by a Commissioner or a referee shall the judgment be reversed on appeal for defects in the finding, unless exceptions be made in the Court below for a defect in the finding; and in cases of exceptions for defective findings, the particular point or issue upon which the party requires a finding to be made, or the particular defect to be remedied, shall be specifically and particularly designated; and upon failure of the Court to remedy, or when tried by a Commissioner or referee, to cause to be remedied, by such Commissioner or referee the alleged defect, the party moving shall be entitled to his exceptions, and the same shall be settled by the Judge as in other cases; provided, that such exceptions shall be filed in the Court and served on the attorney of the adverse party within five days after receiving from or giving to the adverse party written notice of the filing of the finding; provided, that when any cause is tried and submitted upon a written statement of facts, agreed to by the parties or their attorneys, such statement shall have the effect of a special verdict or finding of facts, and judgment shall be pronounced thereon as upon a special verdict or finding of facts; and in such case, no finding of facts shall be made unless such statement shall fail to embrace all the facts proved and in issue, in which case any additional fact may be found upon evidence which is not repugnant to the agreed statement.

Sec. 3. Section one hundred and eighty-two is hereby amended so as to read as follows:
Section 182. A reference may be ordered upon the agreement of the parties filed with the Clerk, or entered in the minutes:

First—To try any or all of the issues in an action or proceeding, whether of fact or of law, and to report a finding and judgment thereon;

Second—To ascertain a fact necessary to enable the Court to proceed and determine the case.

Sec. 4. Section one hundred and eighty-four is hereby amended so as to read as follows:

Section 184. A reference may be ordered to any person or persons, not exceeding three, agreed upon by the parties. If the parties do not agree, the Court or Judge shall appoint one or more referees, not exceeding three, who reside in the county in which the action or proceeding is triable and against whom there is no legal objection, or the reference may be made to a Court Commissioner of the county where the cause is pending.

Sec. 5. Section one hundred and eighty-seven is hereby amended so as to read as follows:

Section 187. The referees or Commissioner shall report their findings in writing to the Court within ten days (or within such further time as may be allowed by the Court) after the testimony shall have been closed, and the facts found and conclusions of law shall be separately stated therein. The finding of the referee or Commissioner upon the whole issue shall stand as the finding of the Court, and upon filing of the finding with the Clerk of the Court judgment may be entered thereon in the same manner as if the action had been tried by the Court. The finding of the referees or Commissioner may be excepted to and reviewed in like manner as if made by the Court. When the reference is to report the facts the finding reported shall have the effect of a special verdict.

Sec. 6. Section one hundred and ninety-five is hereby amended so as to read as follows:

Section 190. The party intending to move for a new trial shall give notice of the same as follows: When the action has been tried by a jury, within five days after the rendition of the verdict; and when tried by a Commissioner, referee, or by the Court, within ten days after receiving written notice of the filing of the findings of the Commissioner, referee, or Court, when written findings are filed by the Court, or of the rendering of the decision of the Court when no findings are filed; provided, the decision be rendered in open Court, and if rendered at vacation, then within ten days after receiving written notice of the filing thereof; and when amendments are filed to remedy defects in the findings, within ten days after receiving written notice of the filing of such amendments. The notice shall designate generally the grounds upon which the motion will be made. Within five days after giving such notice, or within such further time, not exceeding twenty days, as the Court or Judge thereof or Court Commissioner may by order grant, the said party shall prepare and file with the Clerk the affidavit or statement required by the last section. If no affidavit or statement be filed within five days after the notice, or within such further time as the parties may agree upon, or the Court or Judge thereof or Court Commissioner may by order grant, the right

to move for a new trial shall be deemed waived. When the notice designates as the ground upon which the motion will be made the insufficiency of the evidence to justify the verdict or other decision, the statement shall specify the particulars in which such evidence is alleged to be insufficient. When the notice designates as the ground of the motion errors in law occurring at the trial and excepted to by the moving party, the statement shall specify the particular errors upon which the party will rely. If no such specifications be made, the statement shall be disregarded. The statement shall contain so much of the evidence or reference thereto as may be necessary to explain the particular points thus specified, and no more. Such statement, when not agreed to by the adverse party, shall be settled by the Judge, upon notice. When agreed to, it shall be accompanied by the certificate of the parties or their attorneys that the same has been agreed upon and is correct. When settled by the Judge, the same shall be accompanied with his certificate that the same has been allowed by him and is correct.

On the argument reference may also be made to the pleadings, depositions, and documentary evidence on file and the minutes of the Court. If the application be made upon affidavits filed, the adverse party may use counter affidavits on the hearing. Any counter affidavits shall be filed with the Clerk one day at least previous to the hearing. The affidavits and counter affidavits, or the statement thus used in connection with such pleadings, depositions, and minutes of the Court as are read or referred to on the hearing, shall constitute, without further statement, the papers to be used on appeal from the order granting or refusing the new trial. To identify the affidavits, it shall be sufficient for the Judge or Clerk to indorse them at the time as having been read or referred to on the hearing. To identify any depositions or minutes of the Court read or referred to on the hearing, it shall be sufficient that the Judge designate them in his certificate as having been thus read or referred to.

Sec. 7. Section two hundred and three is hereby amended so as to read as follows:

Section 203. Immediately after entering the judgment, the Clerk shall attach together and file the following papers, which shall constitute the judgment roll:

First—In case the complaint be not answered by any defendant, the summons, with the affidavit or proof of service, and the complaint, with a memorandum indorsed upon the complaint that the default of the defendant in not answering was entered, and a copy of the judgment.

Second—In all other cases, the summons, pleadings, verdict of the jury, or finding of the Court, Commissioner, or referee, all bills of exceptions taken and filed in said action, copies of orders sustaining or overruling demurrers, a copy of the judgment, and copies of any orders relating to a change of parties.

Sec. 8. Section three hundred and fifty-nine is hereby amended so as to read as follows:

Section 359. An appeal may be taken to the Supreme Court from a final judgment of the County Court:

Firstly—in an action of forcible entry and detainer; in an action to prevent or abate a nuisance; in a proceeding in insol-
vency; in an action wherein the legality of any tax, impost, assessment, toll, or municipal fine is in question; and in any special case within the appellate jurisdiction of the Supreme Court over which the Legislature may require said County Court to exercise jurisdiction.

Secondly—From an order granting or refusing a new trial; from an order granting or dissolving, or an order refusing to grant or dissolve an injunction; and from any special order made after final judgment in the cases in this section before enumerated.

Sec. 9. Section three hundred and sixty is hereby amended so as to read as follows:

Section 360. Security shall be given upon such appeals in the same manner, to the same extent, and with the same effect, as in appeals to the Supreme Court from the District Court from judgments or orders of a similar character, and like justification on the part of the sureties may be required.

Sec. 10. Section four hundred and ninety-five is hereby amended so as to read as follows:

Section 495. Costs shall be allowed of course to the plaintiff upon a judgment in his favor in the following cases:

First—In an action for the recovery of real property;

Second—In an action to recover the possession of personal property, when the value of the property amounts to three hundred dollars or over. Such value shall be determined by the jury, Court, or referee, by whom the action is tried;

Third—In an action for the recovery of money or damages, where plaintiff recovers three hundred dollars or over;

Fourth—In a special proceeding in the nature of an action.

Sec. 11. Section four hundred and ninety-eight is hereby amended so as to read as follows:

Whereas, A large number of private land claims in California which have been finally confirmed to the claimants by the Board of the United States Board of Land Commissioners and
the United States Courts have not been finally surveyed, and
nearly all the claims which have been so confirmed but not
finally surveyed embraced within the exterior boundaries
named in the respective grants upon which such claims were
found and in the decrees of confirmation more land than
was granted or has been confirmed to the parties; and
whereas, the owners of such private land claims so finally
confirmed are entitled to maintain suits to recover the posses-
sion of all the land embraced within the exterior boundaries
of their respective grants, as the said boundaries are named
and designated in the original grants and decrees of confirm-
atlon, against all persons in possession claiming the land as
public land of the United States, thus enabling the claimants
to obtain and hold the possession of much more land than
was granted or confirmed to them; and whereas, until such
private land claims are finally surveyed and located the pub-
lc lands of the United States in the districts where such
private land claims are situated cannot be ascertained or sur-
veyed, or the title to any of the lands in such districts be
settled or made secure, and the delay which has occurred in
the final settlement and survey of such private land claims
has been and still is highly prejudicial to the interests of the
people of this State; therefore,

Resolved, By the Assembly, the Senate concurring, that our
Senators in Congress be instructed and our Representatives
requested to use their influence to procure the passage of a law
of Congress which will insure a speedy survey and location,
and within a limited and specified time, by the United States
Surveyor-General, of all the private land claims in California
which have been finally confirmed but have not been finally
surveyed.

delegation in Congress be requested to use their influence to
procure the establishment of a semi-weekly mail route, starting

Lake, in Lake County.

[Adopted March 14, 1866.]

Resolved, By the Assembly, the Senate concurring, that José Leave of absence. Maria Loureyro, a Supervisor of the County of Santa Barbara, is hereby granted leave of absence from this State for the period of six months from the first of June, eighteen hundred and sixty-six.

No. XXV.—Concurrent Resolution.
[Adopted March 17, 1866.]

Whereas, It has been represented to us, and we believe, correctly, that the California Volunteers who served the General Government in the Territories of Utah, Arizona, and New Mexico, with honor to themselves and credit to the State, during the late rebellion, were, at the expiration of their term of service, contrary to their will and desire, discharged in those Territories, at from fifteen hundred to two thousand miles from their homes and places of enlistment, and were denied either rations or transportation, and compelled to accept from sixty-three to one hundred and twenty-five dollars (according to distance) in lieu thereof; and whereas, the necessary outfit for the return of these men through a country infested by hostile Indians, and at a time when provisions and other equipments necessary to the journey were to be had only at exorbitant prices, caused them to expend from four to five hundred dollars each in order to reach their homes, an amount of at least three hundred dollars over and above the amount received for mileage and transportation; and whereas, it has heretofore been the policy of the Government to discharge the volunteer at the place of enlistment, and a pledge was made to these soldiers when they enlisted that they should be so discharged; therefore, be it

Resolved, By the Assembly, the Senate concurring, that in view of the foregoing facts, we earnestly request that the General Government award to these soldiers of the Union so discharged as aforesaid, the sum of three hundred dollars each, as payment for their actual expenses in returning to their homes and places of enlistment.

Resolved, That our Senators and Representatives in Congress are hereby instructed and requested to use their influence and
CONCURRENT AND JOINT RESOLUTIONS,

earnest endeavors to procure the passage of an Act by Congress, carrying into effect the above resolution.

Resolved, That His Excellency the Governor is hereby requested to furnish each of our Senators and Representatives in Congress with a copy of the foregoing preamble and resolutions.

No. XXVI.—Concurrent Resolution.

[Adopted March 28, 1866.]

Resolved, By the Assembly, the Senate concurring, that leave of absence from the State be and is hereby granted to J. G. Severance, District Attorney of Calaveras County, for the space of four months, to be selected by himself during the term for which he was elected; provided, that he shall first obtain the consent of all the sureties on his official bond, and leave a proper representative to discharge his duties, to be approved by the Board of Supervisors.

No. XXVII.—Concurrent Resolution.

[Adopted March 26, 1866.]

Resolved, By the Assembly, the Senate concurring, that the sum of two hundred and six dollars and forty cents ($206 40) be allowed and paid to Andrew J. Marsh for his services as Clerk and shorthand reporter of the Joint Special Committee appointed to investigate certain charges against the Controller and the revenue officers of Trinity County; and the sum of five dollars to R. Clifford, Sheriff of Trinity County, for service of papers for said committee; one half to be paid out of the Contingent Fund of the Senate and one half out of the Contingent Fund of the Assembly; and the Controller is hereby authorized and directed to draw his warrants accordingly.

No. XXVIII.—Concurrent Resolution.

[Adopted April 24, 1866.]

Whereas, The patriotic services of Brevet Major-General Irvin McDowell, late Commander of the Department of the Pacific, demand the formal recognition of the representatives of the people of the State of California, in Legislature assembled; therefore,
Resolved, By the Assembly, the Senate concurring, that the sincere thanks of the people of California are due to Major-General McDowell for the ability, activity, and faithfulness manifested by him in the discharge of the various perplexing and delicate duties devolving upon him.

Resolved, That we earnestly recommend Major-General McDowell to His Excellency, the President of the United States, for promotion to his full rank in the regular army.

Resolved, That His Excellency the Governor be and he is hereby respectfully requested to forward a copy of these resolutions to the President of the United States.

No. XXIX.—Memorial to Congress for the sale of coal lands in California.

[Approved April 2, 1860.]

Whereas, The coal lands of California have been taken up and held by settlers under the laws of the State in one hundred and sixty acre tracts, in conformity to the possessory Act of the State and the United States, expecting to pay the same price that coal lands have always been sold at, namely, one dollar and twenty-five cents per acre; and, whereas, they have gone on in good faith and expended large sums of money in prospecting and developing said coal lands, and have not been remunerated, but have been harrassed by litigation and uncertainty of title by their being classed as mineral lands, which has never been the case in any State but California; and, whereas, our State is creating its manufacturing interests very rapidly, and cheap coal is the true basis of and indispensable to their prosperity; and, whereas, the wood on which we have heretofore relied for fuel is fast disappearing; therefore,

Resolved, By the Assembly, the Senate concurring, that our Senators and Representatives in Congress be requested to present, and urge upon the attention of Congress the considerations embraced in the foregoing memorial, and if possible, to secure such legislation as will place the coal mining interests of this State on an equality with the privileges enjoyed heretofore by those engaged in developing this source of wealth to the nation; and that the Governor be requested to forward a copy of this resolution and the accompanying memorial to our delegation in Congress.
CONCURRENT AND JOINT RESOLUTIONS,

No. XXX.—Concurrent Resolution.
[ Adopted March 12, 1866.]

Resolved, By the Assembly, the Senate concurring, that the introducer of Assembly bill Number Four Hundred and One, an Act to amend an Act entitled an Act to re-incorporate the City of Stockton, approved April twenty-first, eighteen hundred and sixty-two, be allowed to withdraw the same.

No. XXXI.—Memorial.
[ Approved April 2, 1866.]

The Memorial of the Legislature of the State of California to the Congress of the United States respectfully represents:

That at the time California was acquired by the United States, a tract of arable land, containing some fifty thousand acres, well watered, and exceedingly fertile, had remained, from its secluded position and its distance from the sea coast, if not undiscovered, entirely unoccupied by civilized man. The tract lies near to the Sierras, and is surrounded by low hills, and beyond them sterile plains, and it is quite probable that up to the time when gold was discovered it had never been visited by white men. It is entirely certain that no vestige of civilization was ever found upon it. In eighteen hundred and forty-eight, when General Sutter prospected for gold ten miles above this valley in the foot-hills, the principal stream which irrigates and fertilizes this valley had not even a name to designate it. It has been known from that time as Sutter Creek. The same is true of its second principal stream, named for an early miner—Jackson; another still from a miner—Amador. And curious enough, the grant which will hereafter be mentioned takes its name from a stream christened by the Mexican miners, after eighteen hundred and forty-eight, Arroyo Seco, or Dry Creek; and the village in which they lived is still known as Drytown. The valuable belt of mineral lands embracing the villages of Drytown, Amador, Sutter Creek, and Jackson, lies ten miles above and to the east of this valley, and was prospected by Sutter, Amador, Jackson, and others, in the fall and winter of eighteen hundred and forty-eight and eighteen hundred and forty-nine, and at that time this valley was entirely unoccupied. In eighteen hundred and forty-nine it attracted the attention of enterprising men, who found it as nature had left it—unoccupied and unclaimed. They believed, and were justified by all appearances in this belief, that this was public land belonging to the United States. They were principally Western men, who had from their youth been familiar with the beneficent system of land laws in the new and unoccupied Territories of the Union, and they settled at once in the beautiful valley, each marking out, as near as he
could, his hundred and sixty acres; and each felt as certain of his right so to do, and as secure of his possession, as any heir could to his ancient inheritance. They knew the country had been ceded to the United States. They knew the lands were public lands, for there was neither occupant nor claimant—not a vestige of a house, not a hoof of stock, nor a settlement nearer than Sutter's Fort, forty miles distant. These lands were exceedingly fertile, and convenient to the best market for farm produce in the world—the mines of California. As soon as the capacity of these lands to produce both grains and fruits had been fairly tested by these hardy pioneers, they became at once exceedingly valuable. Improvements were commenced of the most permanent character. Orchards and vineyards were planted. Beautiful and expensive dwellings were erected. Steam power was introduced. Large mills for converting their grain into flour were built. Hotels, and stores, and villages sprung, as if by magic, from the plain. Extensive ditches and costly aqueducts, both for the purpose of irrigation and for working the mines upon the borders of the valley, were constructed; while churches and school houses told plainer than words could convey who were the settlers of Ione Valley. "And this waste land, where no man came or had come since the making of the world," blossomed as only California valleys can, under the hand of experienced cultivation. This picture is not overdrawn, and but feebly conveys an idea of the prosperity, progress, and refinement of the settlers in this valley for the first ten years of their California life. The value of the improvements which they had placed upon the lands could not have been less than eight hundred thousand dollars. From that date words will fail to depict the calamities of these most unfortunate families. Their lands and improvements have been taken from them without any compensation whatever. A Mexican grant has been confirmed to the whole of the valley. The land has been patented by the United States to strangers; and the pioneers, the early settlers, the men who bore the heat and burden of the day, have been stripped of their all, and many of them now in the decline of life turned literally out of doors. All right thinking men naturally ask—Is there any redress for this calamity? Can any compensation be made these families for their great loss? In plain words, ought the General Government to stretch forth its powerful arms for the relief of this distressed community? If it can be shown that they settled these lands under encouragement from the United States, and made these improvements under implied guarantees of title, it will not, it is thought, be difficult to obtain from Congress an affirmative answer. If it can be further shown that they obtained actual title from the United States, all questions will be at an end. That many of them did so, is a fact recorded in the archives of the Government. To establish the right of this community to relief from the General Government, it will be necessary to give a brief history of the Arroyo Seco Grant, upon which a patent to their lands has been issued. It appears from the records that in the year eighteen hundred and fifty-two, on the first of November, Andreas Pico filed a petition before the Land Commissioners for eleven leagues of land, known as the Arroyo Seco Grant,
and lying in whole or in part, as the petition states, in Sacramento County, but giving only certain external boundaries, which embraced a scope of country containing at least six times the required amount of land; and at this time, it must be borne in mind, Ione Valley and the land referred to in the memorial, lay, not in Sacramento, but in Calaveras County, which barely cornered on Sacramento. The question is not now whether Pico had any valid grant, but did his claims for eleven leagues of land lying in whole or in part in Sacramento County impart any notice whatever to the settlers of Calaveras County? If they ever heard that such a petition had been filed before the Land Commissioners in San Francisco, they certainly never once thought that it referred to their valley, for the external boundaries claimed by Pico, as well as the county, seemed clearly to exclude them. Pico's eastern boundary came only to the foothills, which rise sharply defined to the west of Ione. It is confidently asserted that this claim was never at that time heard of in the valley. If it ever was, the next news heard from it was that it had been rejected by the Land Commission on the twenty-seventh day of February, eighteen hundred and fifty-five. Six years had now passed in undisturbed possession, with no adverse claim to the lands on which they resided, for Pico stated in his petition to the Land Commissioners that there were no adverse claimants to the lands which he desired, and as there were at least fifty leagues of vacant and unoccupied land within the external boundaries which his petition set forth, it neither imparted notice nor even gave a hint of danger to these bona fide and actual settlers. Pico said: "Somewhere in that space of country bounded on the north by the Cosumnes River, on the east by the foothills, on the south by the Mokelumne River, and on the west by the old Sacramento and Stockton trail, I claim eleven leagues of land, and the land I desire is vacant, unoccupied land; there is no other claim to it." And his claim could have been satisfied five times over and never have touched them. Ought they, as the most scrupulously prudent men, to have thought the shaft was aimed at their peace? They did not think it was, and they continued to build and improve and enter into the fruit of their labors. They had the most unbounded confidence that the General Government would now, as she always had, protect her hardy pioneers. On the twelfth of May, eighteen hundred and fifty-five, notice of appeal from the Land Commission to the United States District Court was filed, followed on the eleventh of June by a petition for review; and on the twenty-first day of April, eighteen hundred and fifty-six, the Court reversed the action of the Land Commission, and confirmed to Andreas Pico eleven leagues of land somewhere within his said external boundaries. No survey had yet been made. The grant had been confirmed, but not located; and it must steadily be borne in mind that there was abundance of land to satisfy the grant, and leave the settlers alone. Would not the United States undoubtedly see that this was done?

Before proceeding, however, to the history of the survey, we will complete the legal history of this calamitous grant. On the third of October, eighteen hundred and fifty-six, an appeal to the United States Supreme Court was perfected and the transcript
sent up, and without even coming to a hearing was, May fourth, eighteen hundred and fifty-eight, on motion of Attorney-General Black, dismissed, and the mandate of dismissal filed in San Francisco on the third of September of the same year. This of course ended the litigation. It must steadily be borne in mind that the United States, during all this time, was the party in interest, and by her highest officers managed this important suit, involving, it is true, to herself only the price of the land, some sixty thousand dollars; to her citizens, her children, the increased value of improvement and cultivation, amounting to nearly or quite a million. We have now reached the autumn of eighteen hundred and fifty-eight, ten years subsequent to the discovery of gold, and nine since the valley was first settled. Many of the farms were worth a hundred dollars an acre, and in the character and value of their improvements would not suffer by comparison with the most highly cultivated sections of the old States. The United States had surveyed and laid off into townships and sections nearly the whole of the valley; and have actually sold, as the records of her Land Office at Stockton shows, four thousand nine hundred and ninety-six and forty-nine one hundredths (4,996 49-100) acres; the balance had been all or nearly all pre-empted. We now ask, in all candor and kindness, if the United States could have so located these eleven leagues of land belonging to Pico as not to disturb these settlers, and did not do it, ought she not to reimburse them for their losses? To determine this question, so vital to their hopes, let us proceed with the history of the surveys. Some time during the summer of eighteen hundred and fifty-six Andreas Pico himself came with the surveyors into the district, and proceeded to select and mark out his eleven leagues. It would seem that if any person knew where the land was, he, the grantee, was most likely to possess this information. He located his eastern boundary ten miles further east than the line of the present survey, and included within his boundaries all the rich belt of mineral lands heretofore spoken of, and with the invaluable mines assumed ownership of the thriving villages of Amador, Sutter Creek, and Jackson, the county seat of the new county which in eighteen hundred and fifty-four had been carved from Calaveras. He established his boundaries by permanent monuments, and proceeded to sell and deed lands, as the records of Amador County will show, to numerous purchasers across all this range. The wealthiest and most intelligent quartz miners in this State bought his title. It will be remembered that this survey of eighteen hundred and fifty-six left out a large portion of those persons who are now included in the present survey, and these facts are stated to render the position impregnable that these settlers believed, and were justified by the facts surrounding them in this belief, that they were upon the public lands of the United States. In the meantime, to render this belief a certainty, the United States surveyed all the valley lands to the west of Pico's location, and sold them to these very men who now are memorializing Congress for relief. But time rolled on, the survey had not yet been confirmed, the mines were growing poorer and the valley richer, and Pico, in his great anguish when he discovered that he had not included
within his lines all the valuable property between Cosumnes and Mokolumne Rivers, and the old Stockton trail and the foothills, proceeded at once to change the lines of his survey. In August, eighteen hundred and fifty-nine, that grant was surveyed by the United States Surveyor-General for the State of California, J. W. Mandeville, Esquire. The eastern line of Pico's first survey was carried ten miles west, and of necessity included many of the settlers who had purchased these lands of the United States. It must constantly be borne in mind that this was a floating grant; that there was at least six times as much ground contained in its exterior lines as the grant called for; that all the lands outside of this valley were vacant lands; and that this survey was persistently and openly made to include the most valuable farms, and was made by a United States Surveyor-General, and confirmed by a United States Judge. This survey was confirmed September, eighteen hundred and sixty-two. An appeal was taken from the order of confirmation, and this appeal, on motion of Attorney-General Bates, was dismissed February third, eighteen hundred and sixty-three. Not until this date were the settlers left without hope. Soon after this confirmation a patent was issued, and a company of United States dragoons ordered into the valley to assist the United States Marshal in ejecting the settlers. Let us quickly draw a veil over the sad picture, and state at once the plan we propose for redress. We appeal to Congress, and respectfully pray that a commission of disinterested and qualified men be selected and authorized, at the expense of the General Government, to visit the land in question, to inquire into and ascertain all the facts of the case, to take testimony in relation thereto, and to award to each settler such amount as may by said commission be deemed just and right; and Congress is further requested to make such appropriation as will be necessary to carry out the objects of said commission. Such proceedings on the part of Congress your memorialists believe to be consonant with reason and justice, and to be sanctioned by precedent.

His Excellency the Governor is requested to forward a copy of the above memorial to our Senators and Representatives in Congress.

Whereas, The highest prosperity of the nation is intimately connected with the just appreciation and speedy development of the great and varied resources of the Pacific States and adjoining Territories; and, whereas, their remoteness from the National Capital makes it difficult for the Government to comprehend the novel interests of this great region, and the executive and legislative action they require; and, whereas, the presence in the Cabinet of a citizen conversant with the history, characteristics, and needs of this western portion of the republic would greatly assist the Government to a thorough understanding of the questions arising in departments, the legislation required of Congress, and the general national policy to be pursued towards its remotest but most richly endowed section, and in so doing largely aid in securing its natural and moral advancement, and thereby promote the true prosperity of the whole country; therefore, be it

Resolved, By the Senate, the Assembly concurring, that the President of the United States is respectfully and earnestly requested to invite, at the earliest opportunity, a citizen of the Pacific coast to a seat in the Cabinet; and, further,

Resolved, That the Governor is instructed to communicate this resolution by telegraph to His Excellency the President and the members of the Senate and the House of Representatives from California, and by letter to the Governors of the Pacific States and Territories.

No. XVII.—Concurrent Resolution.  

[Approved January 30, 1866.]  

WHEREAS, We are informed by a telegraphic dispatch that Andrew Johnson, President of the United States, did, on the sixth day of January, eighteen hundred and sixty-six, sign a patent for four hundred and fifty thousand acres of land in behalf of the Central Pacific Railroad of this State; and whereas, we have reason to believe that a greater portion of the land embraced in such patent is mineral land, and exempt from sale by the Acts of Congress in respect to the grants of land to the said Central Pacific Railroad Company; and whereas, the further issue of such patents to said company must end in results detrimental to the interests of this State; therefore, be it  

Resolved, By the Senate, the Assembly concurring, that our Senators in Congress be instructed and our Representatives be requested to use all endeavors in their power to prevent the further issue of land patents to said company until the State of California may be heard in her behalf in regard to grants of land to said Pacific Railroad Company.  

Resolved. That His Excellency the Governor immediately transmit by telegraph these resolutions and preamble to our Senators and Representatives in Congress.  

No. XVIII.—Memorial of the Senate and Assembly, the Legislature of California, to the Congress of the United States.  

[Approved January 30, 1866.]  

The Memorial of the Legislature of the State of California respectfully represents:  

That, Whereas, an Act of the Congress of the United States, entitled an Act to aid in the construction of a railroad and telegraph line from the Missouri River to the Pacific Ocean, and to secure to the Government the use of the same for postal, military, and other purposes, approved July first, eighteen hundred and sixty-two, did grant to certain corporations, and especially to the Central Pacific Railroad Company of California, certain rights, privileges, and powers, for the purpose of aiding in the construction of certain railroads therein designated; said Act further donating to said Central Pacific Railroad Company, upon certain conditions, certain public lands adjoining the line of said road, and reserving from said lands thus donated, mineral lands, and certain other rights and claims therein specially excepted; and whereas, said Act did further provide that “Congress might at any time add, alter, amend, or repeal said Act;” and whereas, the Congress of the United States did, by an amendment of section third of said original Act, approved July second,
Requesting that the Act of Congress of July 2, 1864, relative to grants to railroads, be amended.

eighteen hundred and sixty-four, increase the amount of land in said original Act donated, and did further, by said amendatory Act, reserve from said donated lands, "all mineral lands, excepting those containing mines of coal and iron;" and did further provide: "That said lands thus donated should not affect or impair any pre-emption, homestead, swamp land, or other lawful claim, nor include any Government reservation, or mineral lands, or the improvements of any bona fide settler, or any lands returned and denominated as mineral lands;" and did further provide that certain of said excepted rights "should be determined by rules to be established by the Commissioners of the General Land Office, in conformity with the provisions of the pre-emption laws;" and whereas, the line of said Central Pacific Railroad passes through a populous section of the State, and through counties principally mineral in their character, and where large tracts of land have been located, and were at the date of the location of said road occupied by bona fide settlers, under and in accordance with the laws of this State; and it further appearing probable that in the greater part of such donated lands as lie within the several Counties of El Dorado, Placer, Nevada, and Sierra, valuable mines of gold and silver exist, that are as yet undeveloped and undiscovered: therefore, to the end that full force and effect may be given to the several reservations from said donated lands, and that the just rights of miners and bona fide occupants of such public lands may be fully secured, we do request that section four of said Act of July second, eighteen hundred and sixty-four, be further amended by providing therein: That the improvements of any bona fide settler shall be deemed to include such improved lands as now are and were at the date of the location of said line of road actually occupied and improved by bona fide settlers, in accordance with the laws of the State of California, and such other lands as have for said period been and still are peaceably and actually occupied and possessed, for any and every lawful and beneficial purpose, to the extent of one hundred and sixty acres to each occupant. Such provision to be made by such amendment as shall enable such settlers to purchase such improved lands from said railroad company, by paying to said company therefor the Government price of one dollar and twenty-five cents per acre; and that so much of said Acts as grant the timber on the mineral lands within ten miles on each side of said Pacific Railroad be repealed; and that said Act be further amended so as to secure to all water ditch and canal companies now in actual operation, all water rights and privileges by them now held and used, together with the right of way for such water ditches and canals over and through said donated lands; and also to secure to all persons, associations, corporations, and bodies politic therein interested, all rights, privileges, franchises, and easements, now held, used, or enjoyed upon said donated lands, or upon the line of said road within the four hundred feet over which the right of way by said Act is given to said railroad company. And for the better ascertainment of the character of said lands, whether agricultural or mineral, within the counties heretofore named, that said Act be further amended so as to provide that the President of the United States shall
appoint three special Commissioners, resident within the State of California, whose duty it shall be to make careful inquiry and examination as to the mineral and agricultural characteristics of said lands—such examination to be made by subdivisions of one section each; and said Commissioners, or a majority of them, shall finally determine from such inquiry and examination of each section of said lands whether the same are mineral lands specially excepted from said grant to said railroad company or not, and return them accordingly; and that all mines of gold or silver, and minerals containing those metals, be expressly reserved in any patent or grant of land under said Act.

Whereas, The following resolution has been adopted by con-
current vote of both branches of the Legislature, to wit:

"Whereas, The highest prosperity of the nation is inti-
mately connected with the just appreciation and speedy devel-
opment of the great and varied resources of the Pacific States
and adjoining Territories; and, whereas, their remoteness from
the National Capital makes it difficult for the Government to com-
prehend the novel interests of this great region, and the execu-
tive and legislative action they require; and, whereas, the pres-
ence in the Cabinet of a citizen conversant with the history,
characteristics, and needs of this western portion of the repub-
lic would greatly assist the Government to a thorough under-
standing of the questions arising in departments, the legislation
required of Congress, and the general national policy to be pur-
sued towards its remotest but most richly endowed section, and
in so doing largely aid in securing its material and moral
advancement and thereby promote the true prosperity of the
whole country; therefore, be it

"Resolved, By the Senate, the House concurring, that the
President of the United States is respectfully and earnestly
requested to invite, at the earliest opportunity, a citizen of the
Pacific coast to a seat in the Cabinet; and, further,

"Resolved, That the Governor is instructed to communicate

Pacific States and Territories."

Resolved, By the Senate, the Assembly concurring; whereas, the State of California is becoming largely a producer of wines and brandy of the pure juice of the grape; and, whereas, certain persons are manufacturing and selling to the public a spurious article in imitation of the same, greatly to the injury of the business of the vine growers of the State, and the health of those unsuspectingly using such fraudulent imitations and adulterations; therefore, be it

Resolved, That our Senators and Representatives in Congress be requested to urge upon that body the propriety and justice of the passage of such laws as will make such fraudulent practices a penal offence.

No. XXXIX.—Concurrent Resolution.

[Approved March 31, 1866.]

Whereas, General Winfield Scott Hancock, for years before the commencement of the late rebellion, was a resident of this State; and whereas, during the rebellion he has shown a stern and uncompromising loyalty to the Government of the United States, great and brilliant ability as a military leader, such as is rarely found in one of his age; therefore, be it

Resolved, By the Senate, the Assembly concurring, that we most earnestly indorse General Winfield Scott Hancock to the President of the United States and to Congress for promotion in the regular army.

Resolved, That His Excellency the Governor be requested to furnish a copy of these preambles and resolutions to the President and to each of our Senators and Representatives in Congress.

No. XL.—Concurrent Resolution.

[Approved March 31, 1866.]

Resolved, By the Senate, the Assembly concurring, that in view of the present extraordinary condition of national affairs,
it is proper that the Legislature of the loyal State of California
make the following declarations:

First—that although "indemnity for the past" has not been,
and could not, in the nature of things, be obtained by the recent
triumph of our national arms in the great civil war, the late
so-called Confederate States ought not to be represented in
Congress, nor permitted the full exercise of civil power within
their own limits, or to resume their positions as States of the
Union in full fellowship therein, until adequate guarantees of
"security for the future" and of the maintenance of the nation's
faith are incorporated in the Constitution of the United States,
and frankly, fully, and in good faith indorsed or adopted by the
people of said so-called Confederate States, and so made practi-
cally irreversible.

Second—that the alarming pretence recently set up to the
contrary of this by those in sympathy with the unsubdued
spirit of the rebellion is incompatible with the course pursued
by the President, and approved by the Secretary of State, in
instituting provisional or military governments in the rebel
States, (after the cessation of hostilities, and the surrender of the
rebel armies,) and in refusing to withdraw such temporary mili-
tary governments until the ratification of the constitutional
amendment abolishing slavery.

Third—that while we agree with the position then taken by
the President, that those States had no right to resume domestic
civil power, or to send representatives to Congress until they
should fulfil certain conditions precedent, in determining the
terms of which they should have no voice, we deny the right of
the executive branch of the Government to determine the
nature or extent of such conditions.

Fourth—that all questions pertaining to the status of the late
rebel States, their just relations to the national Union, and the
time and method of their restoration thereto, belong to the
legislative and not to the executive department of the Federal
Government; therefore, the measure of the guarantees which
may be necessary for the future peace and security of the
nation can be authoritatively determined only by the Congress
of the United States, and that any attempt by the National
Executive to control the questions, would be an invasion of the
rightful authority of the people, and dangerous to republican
liberty.

Fifth—that because the second clause of the latest constitu-
tional amendment, which empowers Congress to carry into
effect by federal enactment the first clause, abolishing slavery,
would obviously be a dead letter with a Congress composed of
the enemies of liberty, and because the present constitutional
basis of representation is, under the new order of things, mani-
lessly partial and unequal, we approve the spirit of the proposed
constitutional amendment which has already received a two
thirds vote in the House of Representatives, and which is now
pending in the Senate, and our Senators are hereby requested
to yield the same their full support, to the end that the late
so-called Confederate States may, when admitted, be reduced to
an equality, as to representation, with the loyal States.

Sixth—that the adoption of this and such other amendments
to the Constitution as Congress may propose and the loyal States 
ratify, ought to be held as conditions precedent to the restora-
tion of civil power in the late so-called Confederate States, and 
the admission of their Senators and Representatives to seats in 
Congress.

Seventh—That we have full confidence in the wisdom, integ-
ritv, and moderation of the present Congress; that the Freed-
men's Bureau Bill which recently passed that body appears to 
have been a well considered and constitutional measure, having 
only in view the maintenance of the pledged faith of the nation, 
and that the refusal of the President to give it his assent, taken 
together with his implied purpose to veto all measures affecting 
the late rebel States unless their representatives are first admitted 
to vote for or against such measures, are totally indefensible, and 
an assumption of dictatorial power justly calculated to awaken 
the gravest apprehensions in the minds of a people jealous of 
their liberties.

Eighth—That all fears for the future of the Republic are silenced 
by an abiding faith in the patriotism, power and purpose, the 
constancy, conscience, and courage of the loyal people, who have 
thus far proven equal to every emergency, and will continue so 
to the end.

No. XLI.—Concurrent Resolution.

[Adopted March 24, 1866.]

Resolved, By the Senate, the Assembly concurring, that J. F. 
Houghton, Surveyor-General of this State, be and hereby is 
granted leave of absence from the State for the period of six 
months at such time as he may select, between the first day of 
April, eighteen hundred and sixty-six, and May first, eighteen 
hundred and sixty-seven, during his present term of office; pro-
vided, he shall leave a competent and responsible deputy in his 
office during his absence.
