The people of the State of California do enact as follows:

The Fish and Game Code of the State of California is hereby amended by adding thereto a new section to be known as 1110 and to read as follows:

1110—No person shall use or operate or assist in using or operating in this State or the waters thereof, any boat or vessel used in connection with fishing operations irrespective of its home port or port of registration, which fishing boat or vessel delivers or by which there is delivered to any point or place other than within this State any fish, mollusks or crustaceans which are caught in, or taken aboard said boat or vessel from, the waters of the Pacific Ocean within this State or on the high seas or elsewhere, unless a permit authorizing the same shall have been issued by the Fish and Game Commission.

Where it appears to the commission that such permit will not tend to prevent, impede or obstruct the operation, enforcement or administration of this code or any provision thereof, and will not tend to result in fish, mollusks or crustaceans in the waters of this State being taken or used otherwise than is authorized by this code, the commission may issue revocable permits under such rules and regulations and upon such terms and conditions as it may prescribe, to deliver fish, mollusks or crustaceans by the use of such boat or vessel outside of this State, provided that nothing herein shall authorize the transportation or carrying out of this State or any district thereof, of any fish, mollusks or crustaceans where the same is prohibited by law, and no permit shall be issued which may tend to deplete any species of fish, mollusk or crustacean, or result in waste thereof. Any person who uses or operates or assists in using or operating any boat or vessel in violation of the provisions of this section is guilty of a misdemeanor and such boat or vessel and the net, gear or other equipment of said boat or vessel is a public nuisance and shall be forfeited. It is the duty of every person authorized to make an arrest for the violation of any of the provisions of this code, to seize and keep such boat, vessel, net, gear or other equipment and to report such seizure to the commission. The commission shall thereupon commence, in the superior court of the county or city and county in which or nearest to which the seizure is made, proceedings for forfeiture of the seized property for its use in violation of this section, and such proceeding shall be had in the manner and according to the procedure provided by section 845 of this code for the forfeiture of nets.
