## STATUTES, RESOLUTIONS AND CONSTITUTIONAL AMENDMENTS OF THE CALIFORNIA LEGISLATURE

### FIFTY-FIFTH EXTRAORDINARY SESSIONS (1944) FIFTY-SIXTH REGULAR SESSION (1945)

Separate indexes of (1) county and city charters, (2) concurrent resolutions, (3) proposed constitutional amendments, and (4) joint resolutions, will be found following this general index. This general index also includes the material in the separate indexes.

Tables of code and general law sections affected by legislation of the extraordinary sessions of 1944, and of the regular session of 1945 will be found in the appendix.

This index, together with the indexes in the Statutes of 1933, 1935, 1937, 1938, 1939, 1941, and 1943, supplements the "Index to the Laws of California, 1921-1932," California State Printing Office, Sacramento, 1933

Abbreviations: A. C. A., Assembly Constitutional Amendment; A. C. R., Assembly Concurrent Resolution; A. J. R., Assembly Joint Resolution; 55 E. S. (3d), Third Extraordinary Session of the Fifty-Fifth Legislature (January, 1944); 55 E. S. (4th), Fourth Extraordinary Session of the Fifty-Fifth Legislature (June, 1944); S. C. A., Senate Constitutional Amendment; S. C. R., Senate Concurrent Resolution; S. J. R., Senate Joint Resolution. Where reference is made to a resolution or constitutional amendment without indication that it was adopted at an extraordinary session, the reference is to a resolution or constitutional amendment of the Regular Session of 1945.

Note.—To facilitate earlier publication, this index has been prepared with less detail and duplication than previous indexes. References to measures have been placed under those headings which represent their *primary* subjects instead of under all possible headings. For example, references to those laws which primarily relate to publication of notices will be found under NOTICES, PUBLICATION OF, but references to laws which *incidentally* include provisions for published notice will not be found under that heading. Full use should be made of cross-references and alternative approaches to the subject sought.
