## STATUTES, RESOLUTIONS AND CONSTITUTIONAL AMENDMENTS OF THE CALIFORNIA LEGISLATURE

1946 EXTRAORDINARY SESSIONS

1947 REGULAR SESSION

1947 EXTRAORDINARY SESSION

Separate indexes of (1) county and city charters, (2) concurrent resolutions, (3) proposed constitutional amendments, and (4) joint resolutions, will be found following this general index. This general index also includes the material in the separate indexes.

Tables of code and general law sections affected by legislation of the extraordinary sessions of 1946 and 1947 and of the regular session of 1947 will be found in the appendix.

This index, together with the indexes in the Statutes of 1933, 1935, 1937, 1938, 1939, 1941, 1943, and 1945, supplements the "Index to the Laws of California, 1921-1932," California State Printing Office, Sacramento, 1933.

Abbreviations: A. C. A., Assembly Constitutional Amendment; A. C. R., Assembly Concurrent Resolution; A. J. R., Assembly Joint Resolution; S. C. A., Senate Constitutional Amendment; S. C. R., Senate Concurrent Resolution; S. J. R., Senate Joint Resolution. Where reference is made to a resolution or constitutional amendment without indication that it was adopted at an extraordinary session, the reference is to a resolution or constitutional amendment of the Regular Session of 1947.

**NOTE.**—To facilitate earlier publication, this index, like the 1945 Statutes Index, has been prepared with less detail and duplication than statutes indexes prior to 1945. References to measures have been placed under those headings which represent their *primary* subjects instead of under all possible headings. For example, references to those laws which primarily relate to publication of notices will be found under NOTICES, PUBLICATION OF, but references to laws which *incidentally* include provisions for published notice will not be found under that heading. Full use should be made of cross-references and alternative approaches to the subject sought.
