INDEX

STATUTES, RESOLUTIONS AND CONSTITUTIONAL AMENDMENTS OF THE CALIFORNIA LEGISLATURE

1949 REGULAR SESSION

Separate indexes of (1) county and city charters, (2) concurrent resolutions, (3) proposed constitutional amendments, and (4) joint resolutions, will be found following this general index. This general index also includes the material in the separate indexes.

Tables of code and general law sections affected by legislation of the regular session of 1949 will be found in the appendix.

This index, together with the indexes in the Statutes of 1933, 1935, 1937, 1938, 1939, 1941, 1943, 1945, 1947 and 1948, supplements the "Index to the Laws of California, 1921-1932," California State Printing Office, Sacramento, 1935

Abbreviations A. C. A., Assembly Constitutional Amendment; A. C. R., Assembly Concurrent Resolution; A. J. R., Assembly Joint Resolution; S. C. A., Senate Constitutional Amendment; S. C. R., Senate Concurrent Resolution; S. J. R., Senate Joint Resolution.

NOTE—To facilitate earlier publication, this index, like the 1945 and 1947 Statutes Indexes, has been prepared with less detail and duplication than statutes indexes prior to 1945. References to measures have been placed under those headings which represent their *primary* subjects instead of under all possible headings. For example, references to those laws which primarily relate to publication of notices will be found under **NOTICES, PUBLICATION OF**, but references to laws which *incidentally* include provisions for published notice will not be found under that heading. Full use should be made of cross-references and alternative approaches to the subject sought
