(c) Nothing contained in paragraph (b) of this Section shall be construed to limit in any way the provisions contained in paragraph (a) of this Section.

(d) All of the laws re-enacted, revived and declared to be fully and completely effective by this Section may, at any time, be amended or repealed by the Legislature.

SECTION 4. (a) Section 2020 of the Welfare and Institutions Code of the State of California is amended to read as follows:

2020. Amount of aid allowed. The amount of aid to which any applicant shall be entitled shall be, when added to the income (including the value of currently used resources, but excepting casual income and inconsequential resources) of the

If, when, and during such times as the United States Government increases or decreases its contributions in assistance of the aged in this State above or below the amount being paid on January 1, 1947, or above or below the amount payable as a result of any such increase or decrease, the amount of the grant of aid provided for in this article shall be increased or decreased by an amount equal to such increase or decrease by the United States Government, but in no event shall the total aid granted under this chapter be more than seventy-five dollars (\$75) nor less than sixty-five dollars (\$65) per month. It is the intent of the Legislature that any change in contributions by the United States Government, whether increase or decrease, shall result in a corresponding change in the amount of this grant, within the limits established by this section.

(c) Section 3025 of the Welfare and Institutions Code of the State of California is amended to read as follows:

3025. State appropriations to counties. There is hereby appropriated out of any money in the State Treasury not otherwise appropriated to every county in the State, maintaining, supporting, or caring for, as hereinafter provided in this chapter, any needy blind person, resident of such county, aid not in excess of seven hundred sixty-five dollars (\$765) per annum for each such needy blind person so maintained, supported and cared for, or aid not in excess of one thousand and twenty dollars (\$1,020) per annum in the event such needy blind person has no county residence as provided in this chapter.

All or any Sections of the Welfare and Institutions Code of the State of California hereby amended, may be further amended or may be repealed by the Legislature.
