# CONSTITUTION OF THE STATE OF CALIFORNIA \*

AS AMENDED AND IN FORCE NOVEMBER 1966

## PREAMBLE

We, the People of the State of California, grateful to Almighty God for our freedom, in order to secure and perpetuate its blessings, do establish this Constitution.

## ARTICLE I

### DECLARATION OF RIGHTS

SECTION 1. All men are by nature free and independent, and have certain inalienable rights, among which are those of enjoying and defending life and liberty; acquiring, possessing, and protecting property; and pursuing and obtaining safety and happiness.

SEC. 2. All political power is inherent in the people. Government is instituted for the protection, security and benefit of the people, and they have the right to alter or reform the same whenever the public good may require it. [U. S. Constitution]

SEC. 3. The State of California is an inseparable part of the American Union, and the Constitution of the United States is the supreme law of the land. [Religious Liberties]

SEC. 4. The free exercise and enjoyment of religious profession and worship, without discrimination or preference, shall forever be guaranteed in this State; and no person shall be rendered incompetent to be a witness or juror on account of his opinions on matters of religious belief; but the liberty of conscience hereby secured shall not be so construed as to excuse acts of licentiousness, or justify practices inconsistent with the peace or safety of this State. [Habeas Corpus]

SEC. 5. The privilege of the writ of habeas corpus shall not be suspended unless when, in cases of rebellion or invasion, the public safety may require its suspension. [Bail, etc.]

SEC. 6. All persons shall be bailable by sufficient sureties, unless for capital offenses when the proof is evident or the presumption great. Excessive bail shall not be required, nor excessive fines imposed; nor shall cruel or unusual punishments be inflicted. Witnesses shall not be unreasonably detained, nor confined in any room where criminals are actually imprisoned. [Jury Trials]

SEC. 7. The right of trial by jury shall be secured to all, and remain inviolate; but in civil actions three-fourths of the jury may render a verdict. A trial by jury may be waived in all criminal cases, by the consent of both parties, expressed in open court by the defendant and his counsel, and in civil actions by the consent of the parties, signified in such manner as may be prescribed by law. In civil actions and cases of misdemeanor, the jury may consist of twelve, or of any number less than twelve upon which the parties may agree in open court. [*As amended November 6, 1928.*]

\* Adopted by the people on May 7, 1879. See Art XXII, Sec 12, for effective date. Certain designations (such as "State," "Governor," and names of acts) have sometimes been capitalized in accordance with the State Printer's present style, in amendatory sections where they do not so appear in the original. Also, words introducing "provisos" have been italicized, and modern practice has been followed in hyphenization and in the spelling of such words as "employee" and "cooperative."

Art. 1, § 8

[Prosecutions]

SEC. 8. Offenses heretofore required to be prosecuted by indictment shall be prosecuted by information, after examination and commitment by a magistrate, or by indictment, with or without such examination and commitment, as may be prescribed by law. When a defendant is charged with the commission of a felony, by a written complaint subscribed under oath and on file in a court within the county in which the felony is triable, he shall, without unnecessary delay, be taken before a magistrate of such court. The magistrate shall immediately deliver to him a copy of the complaint, inform him of his right to the aid of counsel, ask him if he desires the aid of counsel, and allow him a reasonable time to send for counsel; and the magistrate must, upon the request of the defendant, require a peace-officer to take a message to any counsel whom the defendant may name, in the city or township in which the court is situated. If the felony charged is not punishable with death, the magistrate shall immediately upon the appearance of counsel for the defendant read the complaint to the defendant and ask him whether he pleads guilty or not guilty to the offense charged therein; thereupon, or at any time thereafter while the charge remains pending before the magistrate and when his counsel is present, the defendant may, with the consent of the magistrate and the district attorney or other counsel for the people, plead guilty to the offense charged or to any other offense the commission of which is necessarily included in that with which he is charged, or to an attempt to commit the offense charged; and upon such plea of guilty, the magistrate shall immediately commit the defendant to the sheriff and certify the case, including a copy of all proceedings therein and such testimony as in his discretion he may require to be taken, to the superior court, and thereupon such proceedings shall be had as if such defendant had pleaded guilty in such court.

The foregoing provisions of this section shall be self-executing. The Legislature may prescribe such procedure in cases herein provided for as is not inconsistent herewith. In cases not hereinabove provided for, such proceedings shall be had as are now or may be hereafter prescribed by law, not inconsistent herewith.

[Grand Juries]

A grand jury shall be drawn and summoned at least once a year in each county. [*As amended November 6, 1934. Initiative measure.*]

[Speech, Press]

SEC. 9. Every citizen may freely speak, write, and publish his sentiments on all subjects, being responsible for the abuse of that right; and no law shall be passed to restrain or abridge the liberty of speech or of the press. In all criminal prosecutions for libels, the truth may be given in evidence to the jury; and if it shall appear to the jury that the matter charged as libelous is true, and was published with good motives and for justifiable ends, the party shall be acquitted; and the jury shall have the right to determine the law and the fact. Indictments found, or information laid, for publications in newspapers shall be tried in the county where such newspapers have their publication office, or in the county where the party alleged to be libeled resided at the time of the alleged publication, unless the place of trial shall be changed for good cause.

[Assembly, Petition]

SEC. 10. The people shall have the right to freely assemble together to consult for the common good, to instruct their representatives, and to petition the Legislature for redress of grievances.

Art. I, § 14

SEC. 11. All laws of a general nature shall have a uniform operation. [The Military]

SEC. 12. The military shall be subordinate to the civil power. No standing army shall be kept up by this State in time of peace, and no soldier shall, in time of peace, be quartered in any house without the consent of the owner; nor in time of war, except in the manner prescribed by law. [Due Process]

SEC. 13. In criminal prosecutions, in any court whatever, the party accused shall have the right to a speedy and public trial; to have the process of the court to compel the attendance of witnesses in his behalf, and to appear and defend, in person and with counsel. No person shall be twice put in jeopardy for the same offense; nor be compelled, in any criminal case, to be a witness against himself; nor be deprived of life, liberty, or property without due process of law; but in any criminal case, whether the defendant testifies or not, his failure to explain or to deny by his testimony any evidence or facts in the case against him may be commented upon by the court and by counsel, and may be considered by the court or the jury. The Legislature shall have power to provide for the taking, in the presence of the party accused and his counsel, of depositions of witnesses in criminal cases, other than cases of homicide when there is reason to believe that the witness, from inability or other cause, will not attend at the trial. [As amended November 6, 1934. Initiative measure.] [Eminent Domain] [etc]

SEC. 14. Private property shall not be taken or damaged for public use without just compensation having first been made to, or paid into court for, the owner, and no right of way or lands to be used for reservoir purposes shall be appropriated to the use of any corporation, except a municipal corporation or a county or the State or metropolitan water district, municipal utility district, municipal water district, drainage, irrigation, levee, reclamation or water conservation district, or similar public corporation until full compensation therefor be first made in money or ascertained and paid into court for the owner, irrespective of any benefits from any improvement proposed by such corporation, which compensation shall be ascertained by a jury, unless a jury be waived, as in other civil cases in a court of record, as shall be prescribed by law; *provided*, that in any proceeding in eminent domain brought by the State, or a county, or a municipal corporation, or metropolitan water district, municipal utility district, municipal water district, drainage, irrigation, levee, reclamation or water conservation district, or similar public corporation, the aforesaid State or municipality or county or public corporation or district aforesaid may take immediate possession and use of any right of way or lands to be used for reservoir purposes, required for a public use whether the fee thereof or an easement therefor be sought upon first commencing eminent domain proceedings according to law in a court of competent jurisdiction and thereupon giving such security in the way of money deposited as the court in which such proceedings are pending may direct, and in such amounts as the court may determine to be reasonably adequate to secure to the owner of the property sought to be taken immediate payment of just compensation for such taking and any damage incident thereto, including damages sustained by reason of an adjudication that there is no necessity for taking the property, as soon as the same can be ascertained according to

Art. 1, § 14½

law. The court may, upon motion of any party to said eminent domain proceedings, after such notice to the other parties as the court may prescribe, alter the amount of such security so required in such proceedings. The taking of private property for a railroad run by steam or electric power for logging or lumbering purposes shall be deemed a taking for a public use, and any person, firm, company or corporation taking private property under the law of eminent domain for such purposes shall thereupon and thereby become a common carrier. [*As amended November 6, 1934.*]

[Excess Condemnation]

[sic]

SEC. 14½. The Legislature may, by statute, prescribe procedure. [*New section adopted November 6, 1928.*]

[Imprisonment]

SEC. 15. No person shall be imprisoned for debt in any civil action, on mesne or final process, unless in cases of fraud, nor in civil actions for torts, except in cases of wilful injury to person or property; and no person shall be imprisoned for a militia fine in time of peace.

Foreigners, eligible to become citizens of the United States under the naturalization laws thereof, while bona fide residents of this State, shall have the same rights in respect to the acquisition, possession, enjoyment, transmission, and inheritance of all property, other than real estate, as native born citizens; provided, that such aliens owning real estate at the time of the adoption of this amendment may remain such owners; and provided further, that the Legislature may, by statute, provide for the disposition of real estate which shall hereafter be acquired by such aliens by descent or devise. [*As amended November 2, 1954.*]

[Slavery]

SEC. 18. Neither slavery nor involuntary servitude, unless for the punishment of crime, shall ever be tolerated in this State.

[Searches, Seizures]

[Treason] Art. I, § 26

SEC. 20. Treason against the State shall consist only in levying war against it, adhering to its enemies, or giving them aid and comfort. No person shall be convicted of treason unless on the evidence of two witnesses to the same overt act, or confession in open Court. [Privileges]

SEC. 21. No special privileges or immunities shall ever be granted which may not be altered, revoked, or repealed by the Legislature; nor shall any citizen, or class of citizens, be granted privileges or immunities which, upon the same terms, shall not be granted to all citizens.†

[Interpretation]

SEC. 22. The provisions of this Constitution are mandatory and prohibitory, unless by express words they are declared to be otherwise.

SEC. 23. This enumeration of rights shall not be construed to impair or deny others retained by the people. [Property Requirements]

SEC. 25. The people shall have the right to fish upon and from the public lands of the State and in the waters thereof, excepting upon lands set aside for fish hatcheries, and no land owned by the State shall ever be sold or transferred without reserving in the people the absolute right to fish thereupon; and no law shall ever be passed making it a crime for the people to enter upon the public lands within this State for the purpose of fishing in any water containing fish that have been planted therein by the State; *provided*, that the Legislature may by statute, provide for the season when and the conditions under which the different species of fish may be taken. ## [Districts]

SEC. 6. For the purpose of choosing members of the Legislature, the State shall be divided into 40 Senatorial and 80 Assembly districts

## Art. IV, § 7

Each Senatorial district shall choose one Senator and each Assembly district shall choose one member of Assembly. The Senatorial districts shall be numbered from one to 40, inclusive, in numerical order, and the Assembly districts shall be numbered from one to 80 in the same order, commencing at the northern boundary of the State and ending at the southern boundary thereof. In the formation of Assembly districts no county, or city and county, shall be divided, unless it contains sufficient population within itself to form two or more districts, and in the formation of Senatorial districts no county, or city and county, shall be divided, nor shall a part of any county, or of any city and county, be united with any other county, or city and county, in forming any Assembly or Senatorial district. [Population]

Each subsequent reapportionment shall carry out these provisions and shall be based upon the last preceding Federal census. But in making such adjustments no persons who are not eligible to become citizens of the United States, under the naturalization laws, shall be counted as forming a part of the population of any district. (b) The Legislature may make no law except by statute and may enact no statute except by bill. No bill may be passed unless it is read by title on 3 days in each house except that the house may dispense with this requirement by rollcall vote entered in the journal, two thirds of the membership concurring. If each house then passes the bill by rollcall vote entered in the journal, two thirds of the membership concurring, it becomes a statute. A bill presented to the Governor that is not returned within 12 days becomes a statute. If the 12-day period expires during the recess at the end of a regular session, the bill becomes a statute unless the Governor vetoes it within 30 days from the commencement of the recess. [County Charters]

SEC. 7½.\* <sup>1</sup> Any county may frame a charter for its own government consistent with and subject to the Constitution (or, having framed such a charter, may frame a new one,) and relating to matters authorized by provisions of the Constitution, by causing a board of 15 freeholders, who have been for at least five years qualified electors thereof, to be elected by the qualified electors of said county, at a general or special election. <sup>2</sup> Said board of freeholders may be so elected in pursuance of an ordinance adopted by the vote of three-fifths of all the members of the board of supervisors of such county, declaring that the public interest requires the election of such board for the purpose of preparing and proposing a charter for said county, or in pursuance of a petition of qualified electors of said county as hereinafter provided. <sup>3</sup> Such petition, signed by 15 per centum of the qualified electors of said county, computed upon the total number of votes cast therein for all candidates for Governor at the last preceding general election at which a Governor was elected, praying for the election of a board of 15 freeholders to prepare and propose a charter for said county, may be filed in the office of the county clerk. It shall be the duty of said county clerk, within 20 days after the filing of said petition, to examine the same, and to ascertain from the record of the registration of electors of the county, whether said petition is signed by the requisite number of qualified electors. If required by said clerk, the board of supervisors shall authorize him to employ persons specially to assist him in the work of examining such petition, and shall provide for their compensation. <sup>4</sup> Upon the completion of such examination, said clerk shall forthwith attach to said petition his certificate, properly dated, showing the result

thereof, and if, by said certificate, it shall appear that said petition is signed by the requisite number of qualified electors, said clerk shall immediately present said petition to the board of supervisors, if it be in session, otherwise at its next regular meeting after the date of such certificate. Upon the adoption of such ordinance, or the presentation of such petition, said board of supervisors shall order the holding of a special election for the purpose of electing such board of freeholders, which said special election shall be held not less than 20 days nor more than 60 days after the adoption of the ordinance aforesaid or the presentation of said petition to said board of supervisors; provided, that if a general election shall occur in said county not less than 20 days nor more than 60 days after the adoption of the ordinance aforesaid, or such presentation of said petition to said board of supervisors, said board of freeholders may be elected at such general election. Candidates for election as members of said board of freeholders shall be nominated substantially in the same manner as may be provided by general law for the nomination of candidates for county offices. <sup>5</sup> It shall be the duty of said board of freeholders, within one year after the result of such election shall have been declared by said board of supervisors, to prepare and propose a charter for said county, which shall be signed in duplicate by the members of said board of freeholders, or a majority of them, and be filed, one copy in the office of the county clerk of said county and the other in the office of the county recorder thereof. <sup>6</sup> Said board of supervisors shall thereupon cause said proposed charter to be published for at least 10 times in a daily newspaper of general circulation, printed, published and circulated in said county; provided, that in any county where no such daily newspaper is printed, published and circulated, such proposed charter shall be published for at least three times in at least one weekly newspaper, of general circulation, printed, published and circulated in such county; and provided, that in any county where neither such daily nor such weekly newspaper is printed, published and circulated, a copy of such proposed charter shall be posted by the county clerk in three public places in said county, and on or near the entrance to at least one public schoolhouse in each school district in said county, and the first publication or the posting of such proposed charter shall be made within 15 days after the filing of a copy thereof, as aforesaid, in the office of the county clerk. <sup>7</sup> Said proposed charter shall be submitted by said board of supervisors to the qualified electors of said county at a special election held not less than 30 days nor more than 60 days after the completion of such publication, or after such posting; provided, that if a general election shall occur in said county not less than 30 days nor more than 60 days after the completion of such publication, or after such posting, then such proposed charter may be so submitted at such general election. <sup>8</sup> If a majority of said qualified electors, voting thereon at such general or special election, shall vote in favor of such proposed charter, it shall be deemed to be ratified, and shall be forthwith submitted to the Legislature, if it be in regular session, otherwise at its next regular session, or it may be submitted to the Legislature in extraordinary session, for its approval or rejection as a whole, without power of alteration or amendment. approval may be made by concurrent resolution, and if approved by the majority vote of the members elected to each house, such charter shall become the charter of such county and shall become the organic law thereof relative to the matters therein provided, and supersede any existing charter framed under the provisions of this section, and all amendments thereof, and shall supersede all laws inconsistent with such charter relative to the matters provided in such charter. <sup>9</sup> A copy of such charter, certified and authenticated by the chairman and clerk of the board of supervisors under the seal of said board and attested by the county clerk of said county, setting forth the submission of such charter to the electors of said county, and its ratification by them, shall, after the approval of such charter by the Legislature, be made in duplicate, and filed, one in the Office of the Secretary of State and the other, after being recorded in the office of the recorder of said county, shall be filed in the office of the county clerk thereof, and thereafter all courts shall take judicial notice of said charter. [Amendments]

<sup>10</sup> The charter, so ratified, may be amended by proposals therefor submitted by the board of supervisors of the county to the qualified electors thereof at a general or special election held not less than thirty days nor more than sixty days after the publication of such proposals for ten times in a daily newspaper of general circulation, printed, published and circulated in said county; *provided*, that in any county where no such daily newspaper is printed, published and circulated, such proposed charter shall be published for at least three times in at least one weekly newspaper, of general circulation, printed, published and circulated in such county; *provided*, that in any county where neither such daily nor such weekly newspaper is printed, published and circulated, a copy of such proposed charter shall be posted by the county clerk in three public places in said county, and on or near the entrance to at least one public schoolhouse in each school district in said county. <sup>11</sup> If a majority of such qualified electors voting thereon, at such general or special election, shall vote in favor of any such proposed amendment or amendments, or any amendment or amendments proposed by petition as hereinafter provided, such amendment or amendments shall be deemed to be ratified, and shall be forthwith submitted to the Legislature, if it be in regular session, otherwise at its next regular session, or may be submitted to the Legislature in extraordinary session, for approval or rejection as a whole, without power of alteration or amendment, and if approved by the Legislature, as herein provided for the approval of the charter, such charter shall be amended accordingly. <sup>12</sup> A copy of such amendment or amendments shall, after the approval thereof by the Legislature, be made in duplicate, and shall be authenticated, certified, recorded and filed as herein provided for the charter, and with like force and effect. <sup>13</sup> Whenever a petition signed by ten per centum of the qualified electors of any county, computed upon the total number of votes cast in said county for all candidates for Governor at the last general election, at which a Governor was elected, is filed in the office of the county clerk of said county, petitioning the board of supervisors thereof to submit any proposed amendment or amendments to the charter of such county, which amendment or amendments shall be set forth in full in such

[Elections]

<sup>16</sup> Every special election held under the provisions of this section, for the election of boards of freeholders or for the submission of proposed charters, or any amendment or amendments thereto, shall be called by the board of supervisors, by ordinance, which shall specify the purpose and time of such election and shall establish the election precincts and designate the polling places therein, and the names of the election officers for each such precinct. Such ordinance, prior to such election, shall be published five times in a daily newspaper, or twice in a weekly newspaper, if there be no such daily newspaper, printed, published and circulated in said county; *provided*, that if no such daily or weekly newspaper be printed or published in such county, then a copy of such ordinance shall be posted by the county clerk in three public places in such county and in or near the entrance to at least one public schoolhouse in each school district therein. In all other respects, every such election shall be held and conducted, the returns thereof canvassed and the result thereof declared by the board of supervisors in the same manner as provided by law for general elections. Whenever boards of freeholders shall be elected, or any such proposed charter, or amendment or amendments thereto, submitted, at a general election, the general laws applicable to the election of county officers and the submission of propositions to the vote of electors, shall be followed in so far as the same may be applicable thereto. SEC. 8. (a) Any city or city and county containing a population of more than 3,500 inhabitants, as ascertained by the last preceding census taken under the authority of the Congress of the United States or of the Legislature of California, may frame a charter for its own government, consistent with and subject to this Constitution; and any city or city and county having adopted a charter may adopt a new one. Any such charter may be framed by a board of 15 freeholders chosen by the electors of such city or city and county, at any general or special election, but no person shall be eligible as a candidate for such board unless he shall have been, for the five years next preceding, an elector of said city or city and county. Any such petition shall be verified by the authority having charge of the registration records of such city or city and county and the expenses of such verification shall be provided by the legislative body thereof. [Nominations]

(b) Candidates for the office of freeholders shall be nominated either in such manner as may be provided for the nomination of officers

of the municipal or city and county government or by petition, substantially in the same manner as may be provided by general laws for the nomination by petition of electors of candidates for public offices to be voted for at general elections. [Vote on Drafting]

(c) At such election the electors shall vote first on the question "Shall a board of freeholders be elected to frame a proposed new charter?" and secondly for the candidates of the office of freeholder. If the first question receives a majority of votes of the qualified voters voting thereon at such election, the 15 candidates for the office of freeholder receiving the highest number of votes shall forthwith organize as a board of freeholders, but if the first question receives less than a majority of the votes of the qualified voters voting thereon at such election no board of freeholders shall be deemed to have been elected.

[Proposed Charter]

(d) The board of freeholders shall, within one year after the result of the election is declared, prepare and propose a charter for the government of such city or city and county. The charter so prepared shall be signed by a majority of the board of freeholders and filed in the office of the clerk of the legislative body of said city or city and county. The legislative body of said city or city and county shall, within 15 days after such filing, cause such charter to be published once in the official newspaper of said city or city and county and each edition thereof, during the day of publication (or in case there be no such official newspaper, in a newspaper of general circulation within such city or city and county and all the editions thereof issued during the day of publication) and in any city or city and county with over 50,000 population shall cause copies of such charter to be printed in convenient pamphlet form and in type of not less than 10-point and shall cause copies thereof to be mailed to each of the qualified electors of such city or city and county, and shall, until the day fixed for the election upon such charter, advertise in one or more newspapers of general circulation in said city or city and county a notice that copies thereof may be had upon application therefor.

[Charter Election]

(e) Such charter shall be submitted to the electors of such city or city and county at a date to be fixed by the board of freeholders, before such filing and designated on such charter, either at a special election held not less than 60 days from the completion of the publication of such charter as above provided, or at the general election next following the expiration of said 60 days. [Council Proposal]

(f) As an alternative, the legislative body of any such city or city and county, on its own motion may frame or cause to be framed, a proposed charter and submit the proposal for the adoption thereof to the electors at either a special election called for that purpose or at any general or special election. Any charter so submitted shall be advertised in the same manner as herein provided for the advertisement of a charter proposed by a board of freeholders, and the election thereon held at a date to be fixed by the legislative body of such city or city and county, not less than 40 nor more than 60 days after the completion of the advertising in the official paper. [Adoption]

(g) If a majority of the qualified voters voting thereon at such general or special election shall vote in favor of such proposed charter,

**Art. XI, § 8**

it shall be deemed to be ratified, and shall be submitted to the Legislature, if then in session, or at the next regular or special session of the Legislature. The Legislature shall by concurrent resolution approve or reject such charter as a whole, without power of alteration or amendment; and if approved by a majority of the members elected to each house it shall become the organic law of such city or city and county and supersede any existing charter and all laws inconsistent therewith. One copy of the charter so ratified and approved shall be filed with the Secretary of State, one with the recorder in the county in which such city is located, and one in the archives of the city, and in the case of a city and county one copy shall be filed with the recorder thereof, and one in the archives of such city and county; and thereafter the courts shall take judicial notice of the provisions of such charter.

(h) The charter of any city or city and county may be amended by proposals therefor submitted by the legislative body thereof on its own motion or on petition signed by 15 percent of the registered electors, or both. Such proposals shall be submitted to the electors at either a special election called for that purpose or at any general or special election. Petitions for the submission of any amendment shall be filed with the legislative body of the city or city and county not less than 60 days prior to the general election next preceding a regular session of the Legislature. The signatures on such petitions shall be verified by the authority having charge of the registration records of such city or city and county, and the expenses of such verification shall be provided by the legislative body thereof. If such petitions have a sufficient number of signatures the legislative body of the city or city and county shall so submit the amendment or amendments so proposed to the electors. Amendments proposed by the legislative body and amendments proposed by petition of the electors may be submitted at the same election. The amendments so submitted shall be advertised in the same manner as herein provided for the advertisement of a proposed charter, and the election thereon, held at a date to be fixed by the legislative body of such city or city and county, not less than 40, and not more than 60, days after the completion of the advertising in the official paper. [Legislative approval]

(i) If a majority of the qualified voters voting on any such amendment vote in favor thereof, it shall be deemed ratified, and shall be submitted to the Legislature if then in session, or at the regular or special session next following such election; and approved or rejected without power of alteration in the same manner as herein provided for the approval or rejection of a charter. [Conflicts, Borough System]

(j) In submitting any such charter or amendment separate propositions, whether alternative or conflicting, or one included within the other, may be submitted at the same time to be voted on by the electors separately, and, as between those so related, if more than one receive a majority of the votes, the proposition receiving the largest number of votes shall control as to all matters in conflict. It shall be competent in any charter framed under the authority of this section to provide that the municipality governed thereunder may make and enforce all laws and regulations in respect to municipal affairs, subject only to the restrictions and limitations provided in their several charters and in respect to other matters they shall be subject to general laws. It shall be compe-

[Petitioners]

(k) The percentages of the registered electors herein required for the election of freeholders or the submission of amendments to charters shall be calculated upon the total vote cast in the city or city and county at the last preceding general state election; and the qualified electors shall be those whose names appear upon the registration records of the same or preceding year. The election laws of such city, or city and county shall, so far as applicable, govern all elections held under the authority of this section. [As amended November 4, 1952.]

Any association or corporation, organized for the purpose, under the laws of this State, shall have the right to connect at the State line with railroads of other States. Every railroad company shall have the right with its road to intersect, connect with, or cross any other railroad, and shall receive and transport each the other's passengers, tonnage, and cars, without delay or discrimination. [Unlawful Interest]

SEC. 18. No president, director, officer, agent, or employee of any railroad or canal company shall be interested, directly or indirectly, in the furnishing of material or supplies to such company, nor in the business of transportation as a common carrier of freight or passengers over the works owned, leased, controlled, or worked by such company, except such interest in the business of transportation as lawfully flows from the ownership of stock therein. [Passes]

SEC. 19. [Exceptions]

*Provided, however,* that upon application to the Railroad Commission provided for in this Constitution such company may, in special cases, after investigation, be authorized by such commission to charge less for longer than for shorter distances for the transportation of persons or property and the Railroad Commission may from time to time prescribe the extent to which such company may be relieved from the prohibition to charge less for the longer than for the shorter haul. The Railroad Commission shall have power to authorize the issuance of excursion and commutation tickets at special rates.

Nothing herein contained shall be construed to prevent the Railroad Commission from ordering and compelling any railroad or other transportation company to make reparation to any shipper on account of the rates charged to said shipper being excessive or discriminatory, provided no discrimination will result from such reparation. [As amended October 10, 1911.]

[Public Utilities Commission]

SEC. 22. The Railroad Commission is continued in existence as the Public Utilities Commission, which shall consist of five members. The commission shall be appointed by the Governor from the State at large; provided, that the Legislature, in its discretion, may divide the State into districts for the purpose of such appointments, said districts to be as nearly equal in population as practicable; and provided further that the three commissioners in office at the time this section takes effect shall serve out the term for which they were elected, and that two additional commissioners shall be appointed by the Governor immediately after the adoption of this section, to hold office during the same term. Upon the expiration of said term, the term of office of each commissioner thereafter shall be six years, except the commissioners first appointed hereunder after such expiration, one of whom shall be appointed to hold office until January 1, 1917, two until January 1, 1919, and two until January 1, 1921. No vacancy in the commission shall impair the right of the remaining commissioners to exercise all the powers of the commission. The act of a majority of the commissioners when in session as a board shall be deemed to be the act of the commission; but any investigation, inquiry or hearing which the commission has power to undertake or to hold may be undertaken or held by or before any commissioner designated for the purpose by the commission, and every order made by a commissioner so designated, pursuant to such inquiry, investigation or hearing, when approved or confirmed by the commission and ordered filed in its office, shall be deemed to be the order of the commission.

Said commission shall have the power to establish rates of charges for the transportation of passengers and freight by railroads and other transportation companies, and no railroad or other transportation company shall charge or demand or collect or receive a greater or less or different compensation for such transportation of passengers or freight, or for any service in connection therewith, between the points named in any tariff of rates, established by said commission than the rates, fares and charges which are specified in such tariff. Whenever in this Constitution or the laws of this State "Railroad Commission" is used, it shall be deemed to refer to the Public Utilities Commission. [As amended November 6, 1962.] [Public Utilities]

SEC. 14¾. [Repealed November 8, 1949.]

[Insurance Companies]

SEC 14¼. (a) “Insurer,” as used in this section, includes insurance companies or associations and reciprocal or interinsurance exchanges together with their corporate or other attorneys in fact considered as a single unit, and the State Compensation Insurance Fund. As used in this paragraph, “companies” includes persons, partnerships, joint stock associations, companies and corporations.

(b) An annual tax is hereby imposed on each insurer doing business in this state on the base, at the rates, and subject to the deductions from the tax hereinafter specified.

## Art. XIII, § 14 4/5

(c) In the case of an insurer not transacting title insurance in this state, the "basis of the annual tax" is, in respect to each year, the amount of gross premiums, less return premiums, received in such year by such insurer upon its business done in this state, other than premiums received for reinsurance and for ocean marine insurance.

In the case of an insurer transacting title insurance in this state, the "basis of the annual tax" is, in respect to each year, all income upon business done in this state, except:

- (1) Interest and dividends.
- (2) Rents from real property.
- (3) Profits from the sale or other disposition of investments.
- (4) Income from investments.

"Investments" as used in this subdivision (d) includes property acquired by such insurer in the settlement or adjustment of claims against it but excludes investments in title plants and title records. Income derived directly or indirectly from the use of title plants and title records is included in the basis of the annual tax.

In the case of an insurer transacting title insurance in this state which has a trust department and does a trust business under the banking laws of this state, there shall be excluded from the basis of the annual tax imposed by this section, the income of, and from the assets of, such trust department and such trust business, if such income is taxed by this state or included in the measure of any tax imposed by this state.

(d) The rate of the tax to be applied to the basis of the annual tax in respect to each year is 2.35 percent. [Rate of Tax]

(e) (1) Each insurer shall have the right to deduct from the annual tax imposed by this section upon such insurer in respect to a particular year the amount of real estate taxes paid by it, in that year, before, or within 30 days after, becoming delinquent, on real property owned by it at the time of payment, and in which was located, in that year, its home office or principal office in this state. Such real property may consist of one building or of two or more adjacent buildings in which such an office is located, the land on which they stand, and so much of the adjacent land as may be required for the convenient use and occupation thereof. [Real Estate Deduction]

(2) In the event a portion of the real property described in paragraph (1) of this subdivision is occupied by a person or persons other than the insurer the deduction granted the insurer by said paragraph shall be limited to that percentage, not to exceed 100 percent, equal to the sum of (i) the percentage of occupancy of the insurer obtained by deducting from 100 percent the ratio that the square footage of said building or buildings occupied by the person or persons other than the insurer bears to the total square footage of said building or buildings plus (ii) the lesser of one-half of said percent of occupancy of the insurer or 25 percent, provided, however, that the limitation set forth in this paragraph shall not be applicable to such real property occupied by a domestic insurer as its home office or principal office in this state on January 1, 1970, or to such real property upon which construction of the home office or principal office of the domestic insurer commenced

Art. XIII, § 14 4/5

prior to January 1, 1970. As used in this paragraph, "domestic insurer" means an insurer organized under the laws of this state and licensed to transact insurance in this state on or before December 31, 1966.

(3) The phrase "person or persons other than the insurer" as used in paragraph (2) of this subdivision shall not include (i) another insurance company or association affiliated directly or indirectly with the insurer through direct ownership or common ownership or control; or (ii) the corporate or other manager of the insurer to the extent of its insurance management activities. The Legislature may define the terms used in this paragraph for the sole purpose of facilitating the operation of this paragraph.

(f) The tax imposed on insurers by this section is in lieu of all other taxes and licenses, state, county, and municipal, upon such insurers and their property, except:

(1) Taxes upon their real estate.

(2) That an insurer transacting title insurance in this state which has a trust department or does a trust business under the banking laws of this state is subject to taxation with respect to such trust department or trust business to the same extent and in the same manner as trust companies and the trust departments of banks doing business in this state.

(3) When by or pursuant to the laws of any other state or foreign country any taxes, licenses and other fees, in the aggregate, and any fines, penalties, deposit requirements or other material obligations, prohibitions or restrictions are or would be imposed upon California insurers, or upon the agents or representatives of such insurers, which are in excess of such taxes, licenses and other fees, in the aggregate, or which are in excess of the fines, penalties, deposit requirements or other obligations, prohibitions, or restrictions directly imposed upon similar insurers, or upon the agents or representatives of such insurers, of such other state or country under the statutes of this state; so long as such laws of such other state or country continue in force or are so applied, the same taxes, licenses and other fees, in the aggregate, or fines, penalties or deposit requirements or other material obligations, prohibitions, or restrictions, of whatever kind shall be imposed upon the insurers, or upon the agents or representatives of such insurers, of such other state or country doing business or seeking to do business in California. Any tax, license or other fee or other obligation imposed by any city, county, or other political subdivision or agency of such other state or country on California insurers or their agents or representatives shall be deemed to be imposed by such state or country within the meaning of this paragraph (3) of subdivision (f).

The provisions of this paragraph (3) of subdivision (f) shall not apply as to personal income taxes, nor as to ad valorem taxes on real or personal property nor as to special purpose obligations or assessments heretofore imposed by another state or foreign country in connection with particular kinds of insurance, other than property insurance; except that deductions, from premium taxes or other taxes otherwise payable, allowed on account of real estate or personal property taxes

## Art. XIII, § 14 4/5

paid shall be taken into consideration in determining the propriety and extent of retaliatory action under this paragraph (3) of subdivision (f).

For the purposes of this paragraph (3) of subdivision (f) the domicile of an alien insurer, other than insurers formed under the laws of Canada, shall be that state in which is located its principal place of business in the United States.

In the case of an insurer formed under the laws of Canada or a province thereof, its domicile shall be deemed to be that province in which its head office is situated.

The provisions of this paragraph (3) of subdivision (f) shall also be applicable to reciprocals or interinsurance exchanges and fraternal benefit societies.

(4) The tax on ocean marine insurance. [Vehicle Fees]

(5) Motor vehicle and other vehicle registration license fees and any other tax or license fee imposed by the state upon vehicles, motor vehicles or the operation thereof.

(6) That each corporate or other attorney in fact of a reciprocal or interinsurance exchange shall be subject to all taxes imposed upon corporations or others doing business in the state, other than taxes on income derived from its principal business as attorney in fact.

A corporate or other attorney in fact of each exchange shall annually compute the amount of tax that would be payable by it under prevailing law except for the provisions of this section, and any management fee due from each exchange to its corporate or other attorney in fact shall be reduced pro tanto by a sum equivalent to the amount so computed.

(g) Every insurer transacting the business of ocean marine insurance in this state shall annually pay to the state a tax measured by that proportion of the underwriting profit of such insurer from such insurance written in the United States, which the gross premiums of the insurer from such insurance written in this state bear to the gross premiums of the insurer from such insurance written within the United States, at the rate of 5 per centum, which tax shall be in lieu of all other taxes and licenses, state, county and municipal, upon such insurer, except taxes upon real estate, and such other taxes as may be assessed or levied against such insurer on account of any other class of insurance written by it. Deductions from the annual tax pursuant to subdivision (e) cannot be made from the ocean marine tax. The Legislature shall define the terms "ocean marine insurance" and "underwriting profit," and shall provide for the assessment, levy, collection and enforcement of the ocean marine tax.

(h) The taxes provided for by this section shall be assessed by the State Board of Equalization.

(i) The Legislature, two-thirds of all the members elected to each of the two houses voting in favor thereof, may by law change the rate or rates of taxes herein imposed upon insurers.

(j) This section is not intended to and does not change the law as it has previously existed with respect to the meaning of the words "gross premiums, less return premiums, received" as used in this section or as used in Section 14 or 14 $\frac{1}{2}$  of this article. [As amended November 8, 1966.]

[Support of Education] Art. XIII, § 16½

SEC. 15. Out of the revenue from State taxes for which provision is made in this article, together with all other State revenues, there shall first be set apart the moneys to be applied by the State to the support of the Public School System and the State University.

If the Legislature limits the amount of revenue which may be raised from taxes upon the real and personal property according to the value thereof in pursuance of its power so to do under Section 20 of Article XI of this Constitution, then the Legislature shall provide for the raising of revenue by any form of taxation not prohibited by this Constitution in amount sufficient to apportion and shall apportion to each county and city and county an amount equal to the deficiency in the revenues thereof resulting from such limitation, as such deficiency shall be determined by law; provided, however, that no tax shall be levied by the Legislature in pursuance of this section upon property in proportion to the value thereof in excess of the limitation for which provision is made in Section 34a of Article IV of this Constitution with reference to taxes for State purposes on real and personal property and further provided that no taxes upon property in proportion to the value thereof shall be levied in pursuance of this section for the support of any county or city and county government.

No injunction or writ of mandate or other legal or equitable process shall ever issue in any suit, action or proceeding in any court against this State, or any officer thereof, to prevent or enjoin the collection of any tax levied under the provisions of this article; but after payment thereof action may be maintained to recover, with interest, in such manner as may be provided by law, any tax claimed to have been illegally collected. [As amended November 6, 1962]

SEC. 16½. [Repealed November 8, 1949.]

Art. XIII, § 17

SEC. 17. All proceedings undertaken by any chartered city, or by any chartered county or by any chartered city and county for the construction of any public improvement, or the acquisition of any property for public use, or both, where the cost thereof is to be paid in whole or in part by special assessment or other special assessment taxes upon property, whether the special assessment will be specific or a special assessment tax upon property wholly or partially according to the assessed value of such property, shall be undertaken only in accordance with the provisions of law governing: (a) limitations of costs of such proceedings or assessments for such proceedings, or both, in relation to the value of any property assessed therefor, (b) determination of a basis for the valuation of any such property, (c) payment of the cost in excess of such limitations, (d) avoidance of such limitations, (e) postponement or abandonment, or both, of such proceedings in whole or in part upon majority protest; and particularly in accordance with such provisions as contained in Sections 10, 11 and 13a of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 or any amendments, codification, reenactment or restatement thereof.

Notwithstanding any provisions for debt limitation or majority protest as in this section provided, if, after the giving of such reasonable notice by publication and posting and the holding of such public hearing as the legislative body of any such chartered county, chartered city or chartered city and county shall have prescribed, such legislative body by no less than a four-fifths vote of all members thereof, finds and determines that the public convenience and necessity require such improvements or acquisitions, such debt limitation and majority protest provisions shall not apply.

Nothing contained in this section shall require the legislative body of any such city, county, or city and county to prepare or to cause to be prepared, hear, notice for hearing or report the hearing of any report as to any such proposed construction or acquisition or both. [*New section adopted November 5, 1940.*] [Saving Clause]

SEC. 18. The repeal or deletion of any provision of this article, regardless of when effected, shall not affect the collectibility of any tax assessed pursuant to such provisions while such provision was in effect. [*New section adopted November 8, 1949.*]

[Taxation of Redevelopment Property]

SEC. 19. All property in a redevelopment project established under the Community Redevelopment Law Act as now existing or hereafter amended, except publicly owned property not subject to taxation by reason of such ownership, shall be taxed in proportion to its value as provided in Section 1 of this article, and such taxes (the word "taxes" as used herein shall include, but shall not be limited to, all levies on an ad valorem basis upon land or real property) shall be levied and collected as other taxes are levied and collected by the respective taxing agencies.

The Legislature may provide that any redevelopment plan may contain a provision that the taxes, if any, so levied upon such taxable property in a redevelopment project each year by or for the benefit of the State of California, any city, county, city and county, district, or other public corporation (hereinafter sometimes called "taxing agencies")

## Art. XIII, § 19

after the effective date of the ordinance approving the redevelopment plan, shall be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of said taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment project as shown upon the assessment roll used in connection with the taxation of such property by such taxing agency, last equalized prior to the effective date of such ordinance, shall be allocated to, and when collected shall be paid into, the funds of the respective taxing agencies as taxes by or for said taxing agencies on all other property are paid (for the purpose of allocating taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment project on the effective date of such ordinance but to which such territory has been annexed or otherwise included after such effective date, the assessment roll of the county last equalized on the effective date of said ordinance shall be used in determining the assessed valuation of the taxable property in the project on said effective date); and

(b) That portion of said levied taxes each year in excess of such amount shall be allocated to and when collected shall be paid into a special fund of the redevelopment agency to pay the principal of and interest on loans, moneys advanced to, or indebtedness (whether funded, refunded, assumed or otherwise) incurred by such redevelopment agency to finance or refinance, in whole or in part, such redevelopment project. Unless and until the total assessed valuation of the taxable property in a redevelopment project exceeds the total assessed value of the taxable property in such project as shown by the last equalized assessment roll referred to in paragraph designated (a) hereof, all of the taxes levied and collected upon the taxable property in such redevelopment project shall be paid into the funds of the respective taxing agencies. When said loans, advances, and indebtedness, if any, and interest thereon, have been paid, then all moneys thereafter received from taxes upon the taxable property in such redevelopment project shall be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

The Legislature may also provide that in any redevelopment plan or in the proceedings for the advance of moneys, or making of loans, or the incurring of any indebtedness (whether funded, refunded, assumed or otherwise) by the redevelopment agency to finance or refinance, in whole or in part, the redevelopment project, the portion of taxes mentioned in paragraph designated (b) hereof may be irrevocably pledged for the payment of the principal of and interest on said loans, advances, or indebtedness.

It is intended by this section to empower any redevelopment agency, city, county, or city and county under any law authorized by this section to exercise the provisions hereof separately or in combination with powers granted by the same or any other law relative to redevelopment agencies. This section shall not affect any other law or laws relating to the same or a similar subject but is intended to authorize an alternative method of procedure governing the subject to which it refers. [Validation]

The Legislature shall enact such laws as may be necessary to enforce the provisions of this section. [As amended November 6, 1962.]

(1) Whenever federal funds are made available for the construction of hospital facilities by public agencies and nonprofit corporations organized to construct and maintain such facilities, nothing in this Constitution shall prevent the Legislature from making state money available for that purpose, or from authorizing the use of such money for the construction of hospital facilities by nonprofit corporations organized to construct and maintain such facilities.

(3) The Legislature shall have the power to grant aid to needy blind persons not inmates of any institution supported in whole or in part by the State or by any of its political subdivisions, and no person concerned with the administration of aid to needy blind persons shall dictate how any applicant or recipient shall expend such aid granted him, and all money paid to a recipient of such aid shall be intended to help him meet his individual needs and is not for the benefit of any other person, and such aid when granted shall not be construed as income to any person other than the blind recipient of such aid, and the State Department of Social Welfare shall take all necessary action to enforce the provisions relating to aid to needy blind persons as heretofore stated.

Any money held in trust may be disbursed by the State Treasurer upon the order of the State agency or department in the manner permitted by law and money held in trust may be deposited in banks to the same extent that money in the State Treasury may be deposited in banks. The use of all water now appropriated, or that may hereafter be appropriated, for sale, rental, or distribution, is hereby declared to be a public use, and subject to the regulation and control of the State, in the manner to be prescribed by law; *provided*, that the rates or compensation to be collected by any person, company, or corporation in this State, for the use of water supplied to any city and county, or city or town, or the inhabitants thereof, shall be fixed, annually, by the Board of Supervisors, or city and county, or City or Town Council, or other governing body of such city and county, or city or town, by ordinance or otherwise, in the manner that other ordinances or legislative acts or resolutions are passed by such body, and shall continue in force for one year and no longer.\* Such ordinances or resolutions shall be passed in the month of February of each year, and take effect on the first day of July thereafter. Any Board or body failing to pass the necessary ordinances or resolutions fixing water rates, where necessary, within such time, shall be subject to peremptory process, to compel action at the suit of any party interested, and shall be liable to such further processes and penalties as the Legislature may prescribe. Full publicity as to matters to be voted upon by the people is afforded by the setting out of the complete text of the proposed laws, together with the arguments for and against them, in the ballot pamphlet mailed to each elector preceding the election at which they are submitted, and the only requirement for publication of such law shall be that it be set out at length in ballot pamphlets which the Secretary of State shall cause to be printed. The Legislature may, at any time after the approval of such law by the people, reduce the amount of the indebtedness authorized by the law to an amount not less than the amount contracted at the time of the reduction, or it may repeal the law if no debt shall have been contracted in pursuance thereof.

Accounts shall be maintained in the "General Obligation Bond Proceeds Fund" of all moneys deposited in the State Treasury to the credit of that fund and the proceeds of each bond issue shall be maintained as a separate and distinct account and shall be paid out only in accordance with the law authorizing the issuance of the particular bonds from which the proceeds were derived. The Legislature may abolish, subject to the conditions of this section, any fund in the State Treasury heretofore or hereafter created by any act for the purpose of having deposited therein the proceeds from the issuance of bonds if such proceeds are transferred to or paid into the "General Obligation Bond Proceeds Fund" pursuant to the authority granted in this section; provided, however, that nothing in this section shall prevent the Legislature from re-establishing any bond proceeds fund so abolished and transferring

The Department of Alcoholic Beverage Control shall have the exclusive power, except as herein provided and in accordance with laws enacted by the Legislature, to license the manufacture, importation and sale of alcoholic beverages in this State, and to collect license fees or occupation taxes on account thereof. The department shall have the power, in its discretion, to deny, suspend or revoke any specific alcoholic beverages license if it shall determine for good cause that the granting or continuance of such license would be contrary to public welfare or morals, or that a person seeking or holding a license has violated any law prohibiting conduct involving moral turpitude.
