(3) Interest earnings in excess of three hundred thousand dollars ($300,000) per fiscal year shall be available for expenditure by the department pursuant to this chapter. Those expenditures shall include the costs associated with the provision of ongoing legal counsel to the Infrastructure Review Panel, created pursuant to Article 5 (commencing with Section 15373.6) and reimbursement of expenses incurred by designated panel members while in the

conduct of official panel business. The interest earnings may also be used by the department for administrative support and local assistance costs of activities consistent with the purposes of this chapter.

(d) In order to defray costs to the department for administration of Article 5 (commencing with Section 15373.6), the department may impose reasonable charges on all applications, and approved loans. The department may use these fees or other charges for those costs necessary to protect the state's position as a lender-creditor. These costs include, but are not limited to, foreclosure expenses, auction fees, title searches, appraisals, real estate brokerage fees, removal and storage for repossessed equipment and inventory, and additional expenditures to purchase a senior lien in foreclosure or bankruptcy proceedings.

(e) Notwithstanding Section 13340, all moneys in the fund are continuously appropriated to, and shall remain available for expenditure by, the department for the purposes of this chapter only until July 1, 1991, and on that date any remaining funds shall revert to the Special Account for Capital Outlay.

(f) No money in the fund shall be used in lieu of any existing state infrastructure financing program, including, but not limited to, the State Transportation Improvement Program or the Clean Water Bond Program.

SEC. 2. Section 15373.8 of the Government Code is amended to read:

15373.8. (a) (1) The panel shall meet regularly to conduct its business and to review and approve projects pursuant to this article for funding from the Rural Economic Development Fund. The panel shall make a decision on any application within 90 days after a local agency submits the application to the department. This financing shall be in the form of loans and grants.

(A) Loans shall be limited to a maximum of one million dollars ($1,000,000) per project. The terms of any approved loan shall be specified in a loan agreement between the local agency and the panel. Repayment of loans shall begin within nine months of the date of the loan and shall be made quarterly. Each loan shall be for a term not to exceed 10 years from the date of the loan. The local agency shall pay interest at a rate specified in the loan agreement which shall not exceed 2 percent less than the rate earned by the State Surplus Money Investment Fund. Penalties, if established by the panel, shall be uniformly applied. Any loan or grant approved for a local agency shall not be considered debt within the meaning of Section 18 of Article XVI of the California Constitution.

(B) Grants shall be limited to two hundred fifty thousand dollars ($250,000) per project and shall be made only if a local agency demonstrates an inability to repay a loan or similar extraordinary circumstances. In no event shall more than 10 percent of the available moneys in the fund in any fiscal year be allocated as grants.

(2) Subject to paragraph (3), a local agency which submits an

application pursuant to Section 15373.9 may, at the time the application is submitted, request the panel to approve a loan amount, term, interest rate, beginning payment, or frequency of repayment which differs from the requirements of paragraph (1). The panel may approve the request or may change and approve the request only if all of the following exist:

(A) The local agency provides sufficient documentation to the panel that the local agency or special district responsible for repaying the loan will be unable to repay a loan under the conditions specified in paragraph (1).

(B) The local agency provides sufficient documentation to the panel that other sources of financing which offer similar rates and terms to those determined by the panel to be affordable to the local agency or special district responsible for repaying the loan are unavailable or infeasible to finance the project.

(C) The loan is equal to or less than one million dollars ($1,000,000) or the loan is for more than one million dollars ($1,000,000) and the local agency provides sufficient documentation of special circumstances.

(3) The panel shall not approve a loan in an amount of more than two million dollars ($2,000,000), nor shall it approve a loan which provides for an indefinite deferral of the repayment of principal and interest, or for a term for more than 50 years. The panel shall make a decision on any request made pursuant to paragraph (2) at the time the panel makes a decision on the loan application.

(b) Loans and grants may be made to a local agency, and for projects which meet the criteria specified in Section 15373.9, for the purpose of assisting in financing public improvements, including, but not limited to, sewer and water facilities, streets, storm drains, bridges, and related costs, such as engineering design. Funds may be used for the development of new facilities, or the rehabilitation, alteration, expansion, or improvement of existing facilities.

(c) Preliminary design work, including a cost estimate for the project, shall be completed before a loan or grant is awarded. Costs for preliminary design work, project cost estimates, planning, preliminary engineering, and other costs necessary for preparation of the application may be reimbursed from a loan or grant, subject to approval by the panel.

(d) Any county which does not meet the definition of a county provided for under subdivision (a) of Section 15373.1 may apply for a loan or grant under this article only with respect to an unincorporated area outside of an urbanized area as designated by the United States Bureau of the Census from the 1980 federal census.

(e) Projects financed under this article shall meet all of the following requirements:

(1) Be associated with either an expansion, retention, relocation, or new location of an identified private sector firm. This firm shall be a manufacturing, service, research and development, production, assembly, warehousing, or industrial distribution facility.

Commercial business activity, as well as tourist and recreation facilities, which are found by the panel to significantly increase permanent private sector employment and substantially improve the economic prosperity of an area may also qualify the project.

(2) Directly lead to the creation or retention of permanent private sector jobs within the applicant's jurisdictional boundaries. Projects shall also create at least one full-time job for every fifty thousand dollars ($50,000) in loan funds received except in the case of research and development facilities in which the economic job creation standard shall be set by the panel.

(f) Priority shall be given to those projects which create jobs in communities with particularly high levels of unemployment and declining resource-based economics. Consideration shall be given to other community factors in awarding loans and grants, including, but not limited to, those communities which are facing local government fiscal crises, a high poverty rate, or which exhibit an active commitment to diversifying and expanding their economic base. To the extent possible, loans and grants shall be equitably distributed throughout the various rural regions of the state.

(g) Financing shall not be provided for projects which would result in increased production or availability of goods, materials, or services where sufficient capacity exists in the community to meet current and future demands.

(h) Loans or grants may not finance projects which would either effect the relocation of any substantial operations of the company from one area of the state to another, or result in the abandonment of any substantial operations of the company within other areas of the state, unless completion of the project or operation of the facility is reasonably necessary to prevent the relocation of any substantial operations of the company from an area within the state to an area outside the state.

(i) The proceeds of repayment of loan principal and the payment of interest prior to July 1, 1991, shall be deposited in the fund. The proceeds of repayment of loan principal and the payment of interest on and after July 1, 1991, shall be deposited in the Special Account for Capital Outlay.

SEC. 3. Chapter 2.5 (commencing with Section 16265) is added to Part 1.5 of Division 4 of Title 2 of the Government Code, to read:

CHAPTER 2.5. COUNTY REVENUE STABILIZATION

16265. This chapter shall be known and may be cited as the "Bergeson-Costa-Robbins-Nielsen County Revenue Stabilization Act of 1987."

16265.1. The Legislature finds and declares all of the following:

(a) The provision of basic social welfare, public health, and justice programs by counties is a matter of statewide interest.

(b) In some cases, the costs of these programs have grown more quickly than the counties' own general purpose revenues.

(c) A county should not be required to drastically divert its own general purpose revenues from other public programs in order to pay for basic social welfare, public health, and justice programs.

(d) California residents should not be denied the benefits of these programs because counties are hampered by a severe lack of funds for these purposes.

(e) Accordingly, it is the intent of the Legislature in enacting this chapter to protect the public peace, health, and safety by stabilizing counties' revenues.

16265.2. As used in this chapter:

(a) "County" means a county and a city and county.

(b) "County costs of eligible programs" means the amount of money other than federal and state funds, as reported by the State Department of Social Services to the Department of Finance or as derived from the Controller's "Annual Report of Financial Transactions Concerning Counties of California," that each county spends for each of the following:

(1) The Aid to Families with Dependent Children for Family Group and Unemployed Parents programs plus county administrative costs for each program minus the county's share of child support collections for each program, as described in Sections 10100, 10101, and 11250 of, and subdivisions (a) and (b) of Section 15200 of, the Welfare and Institutions Code.

(2) The county share of the cost of service provided for the In-Home Supportive Services Program, as described in Section 10100, 10101, and 12306 of the Welfare and Institutions Code.

(3) The community mental health program, as described in Section 5705 of the Welfare and Institutions Code.

(4) The county share of the food stamp program, as described in Section 18906.5 of the Welfare and Institutions Code.

(c) "County costs of justice programs" means the amount of money other than federal and state funds, as reported in the Controller's "Annual Report of Financial Transactions Concerning Counties of California," that each county spends for each of the following:

(1) Municipal and superior courts.

(2) District attorney.

(3) Public defender.

(4) Probation.

(5) Correctional facilities.

"County costs of justice programs" does not include any costs eligible for reimbursement to the county pursuant to Chapter 3 (commencing with Section 15200) of Part 6 of Division 3.

(d) "General purpose revenues" means revenues received by a county whose purpose is not restricted by state law to a particular purpose or program, as reported in the Controller's "Annual Report of Financial Transactions Concerning Counties of California." "General purpose revenues" are limited to all of the following:

(1) Property tax revenues, exclusive of those revenues dedicated

to repay voter approved indebtedness, received pursuant to Part 0.5 (commencing with Section 50) of Division 1 of the Revenue and Taxation Code, or received pursuant to Section 33401 of the Health and Safety Code.

(2) Sales tax revenues received pursuant to Part 1 (commencing the Section 6001) of Division 2 of the Revenue and Taxation Code.

(3) Any other taxes levied by a county.

(4) Fines and forfeitures.

(5) Licenses, permits, and franchises.

(6) Revenue derived from the use of money and property.

(7) Vehicle license fees received pursuant to Section 11005 of the Revenue and Taxation Code.

(8) Trailer coach fees received pursuant to Section 11003.3 of the Revenue and Taxation Code.

(9) Revenues from cigarette taxes received pursuant to Part 13 (commencing with Section 30001) of Division 2 of the Revenue and Taxation Code.

(10) Revenue received as open-space subventions pursuant to Chapter 3 (commencing with Section 16140) of Part 1.

(11) Revenue received as homeowners' property tax exemption subventions pursuant to Chapter 2 (commencing with Section 16120) of Part 1.

(12) General revenue sharing funds received from the federal government.

"General purpose revenues" does not include revenues received by a county pursuant to Chapter 3 (commencing with Section 15200) of Part 6 of Division 3.

16265.3. (a) On or before October 31, 1988, the Director of Finance shall:

(1) Determine for each county the county costs of eligible programs and each county's general purpose revenues for the 1981–82 fiscal year.

(2) Determine a percentage for each county by dividing the county costs of eligible programs by the general purposes revenues for the 1981–82 fiscal year.

(3) Make the determination as prescribed in paragraphs (1) and (2) for each county for the 1986–87 fiscal year.

(4) Compare the percentage determined pursuant to paragraph (3) with the percentage determined pursuant to paragraph (2).

(5) If the percentage determined pursuant to paragraph (3) is greater than the percentage determined pursuant to paragraph (2), determine an amount necessary to offset the difference.

(6) Determine an amount which is the sum of the amounts for all counties determined pursuant to paragraph (5).

(b) On or before October 31, 1988, the Director of Finance shall:

(1) Determine for each county the county costs of justice programs and each county's general purpose revenues for the 1981–82 fiscal year.

(2) Determine a percentage for each county by dividing the

county costs of justice programs by the general purpose revenues for the 1981–82 fiscal year.

(3) Make the determination as prescribed in paragraphs (1) and (2) for each county for the 1986–87 fiscal year.

(4) Compare the percentage determined pursuant to paragraph (3) with the percentage determined pursuant to paragraph (2).

(5) If the percentage determined pursuant to paragraph (3) is greater than the percentage determined pursuant to paragraph (2), determine an amount necessary to offset the difference, provided that the amount shall not be greater than one million dollars ($1,000,000).

(6) Determine an amount which is the sum of the amounts for all counties determined pursuant to paragraph (5).

(7) Determine a percentage for each county by dividing the amount determined for that county pursuant to paragraph (5) by the amount for all counties determined pursuant to paragraph (6).

(8) Determine an amount which is the sum of the amounts for all counties determined pursuant to paragraph (5) of subdivision (a).

(9) Determine an amount by subtracting the amount determined pursuant to paragraph (8) from fifteen million dollars ($15,000,000).

(10) Determine an amount for each county by multiplying the amount determined pursuant to paragraph (9) by the percentage determined pursuant to paragraph (7).

(c) On or before October 31, 1988, the Director of Finance shall certify the amounts determined for each county pursuant to paragraph (5) of subdivision (a) and paragraph (10) of subdivision (b).

(d) On or before November 30, 1988, the Controller shall issue a warrant to each county, as applicable, in the amount certified by the Director of Finance under subdivision (c).

16265.4. (a) On or before October 31, 1989, and each year thereafter, the Director of Finance shall:

(1) Determine the percentage for each county which was determined for the 1981–82 fiscal year pursuant to paragraph (2) of subdivision (a) of Section 16265.3.

(2) Make the determination as prescribed by paragraphs (1) and (2) of subdivision (a) of Section 16265.3 for each county for the 1987–88 fiscal year, and for each fiscal year thereafter.

(3) Compare the percentage determined pursuant to paragraph (2) with the percentage determined pursuant to paragraph (1).

(4) For any fiscal year in which the percentage determined pursuant to paragraph (2) is greater than the percentage determined pursuant to paragraph (1), make the determinations prescribed by paragraphs (5) and (6) of subdivision (a) of Section 16265.3.

(b) On or before October 31, 1989, and on or before October 31 of each year thereafter, the Director of Finance shall:

(1) Determine the percentage for each county which was determined for the 1981–82 fiscal year pursuant to paragraph (2) of

subdivision (b) of Section 16265.3.

(2) Make the determination prescribed by paragraphs (1) and (2) of subdivision (b) of Section 16265.3 for each county for the 1987–88 fiscal year, and for each fiscal year thereafter.

(3) Compare the percentage determined pursuant to paragraph (2) with the percentage determined pursuant to paragraph (1).

(4) For any fiscal year in which the percentage determined pursuant to paragraph (2) is greater than the percentage determined pursuant to paragraph (1), make the determinations prescribed by paragraphs (5) to (10), inclusive, of subdivision (b) of Section 16265.3.

(c) On or before October 31, 1989, and on or before October 31 of each year thereafter, the Director of Finance shall determine an amount for each county as prescribed by paragraph (5) of subdivision (a) of Section 16265.3 for the applicable fiscal year and paragraph (4) of subdivision (b).

(d) On or before October 31, 1989, and on or before October 31 of each year thereafter, the Director of Finance shall certify the amount determined for each county pursuant to subdivision (c) to the Controller.

(e) On or before November 30, 1989, and on or before November 30 of each year thereafter, the Controller shall issue a warrant to each county, as applicable, in the amount certified by the Director of Finance under subdivision (d).

16265.5. If a statute appropriates more than fifteen million dollars ($15,000,000) for the purposes of this chapter in a fiscal year, then Sections 16265.3 and 16265.4 shall not apply to the allocation of that amount of money which is greater than fifteen million dollars ($15,000,000). It is the intent of the Legislature to allocate any amount of money greater than fifteen million dollars ($15,000,000) based on criteria which shall consider the costs to counties of welfare, justice programs, and indigent health care.

16265.6. Notwithstanding any other provision of this chapter, once the Legislature has fully implemented the fiscal provisions of the Trial Court Funding Act of 1985, as contained in Chapter 13 (commencing with Section 77000) of Title 8, the Director of Finance shall not make the determinations pursuant to subdivision (b) of Section 16265.3 and subdivisions (b) of Section 16265.4.

16265.7. (a) The state's liability under this chapter shall be limited to the amounts appropriated for this purpose.

(b) Moneys distributed to counties pursuant to this chapter may be used for any lawful purposes, and shall not be considered in the determination of eligible counties in succeeding years.

SEC. 4. Section 21080.08 is added to the Public Resources Code, to read:

21080.08. This division shall not apply to any activity or approval necessary for or incidental to project funding, or the authorization for the expenditure of funds for the project, by the Rural Economic Development Infrastructure Panel pursuant to Article 5

(commencing with Section 15373.6) of Chapter 2.5 of Part 6.7 of Division 3 of Title 2 of the Government Code.

SEC. 5. (a) The sum of sixty-six million seven hundred ninety-three thousand four hundred eighty-eight dollars ($66,793,488) is hereby appropriated from the General Fund and the sum of sixteen million one hundred thirteen thousand four hundred seventy-five dollars ($16,113,475) is hereby appropriated from the Special Account for Capital Outlay in the General Fund for payment to counties and cities and counties. Except as provided in subdivision (e), the funds shall be distributed as follows:

Schedule:

County of Alameda	$4,246,952
County of Alpine	6,685
County of Amador	65,351
County of Butte	398,255
County of Calaveras	53,578
County of Colusa	45,153
County of Contra Costa	2,219,927
County of Del Norte	44,191
County of El Dorado	244,715
County of Fresno	1,974,489
County of Glenn	61,305
County of Humboldt	297,654
County of Imperial	253,367

County of Mendocino	945,301
County of Merced	945,301
County of Modoc	205,759

County of Mono	254,439
County of Nevada	773,529
County of Orange	945,301
County of Riverside	945,301
County of San Benito	60,685
County of San Diego	945,301
County of San Joaquin	945,301
County of San Mateo	945,301
County of Santa Clara	945,301
County of Shasta	945,301
County of Sierra	105,411
County of Siskiyou	945,301
County of Solano	945,301
County of Sonoma	945,301
County of Stanislaus	945,301
County of Sutter	291,557
County of Tehama	437,370
County of Trinity	556,571
County of Tulare	945,301
County of Tuolumne	945,301
County of Yolo	796,030
County of Yuba	415,119

(c) The sum of eight million dollars ($8,000,000) is hereby appropriated from the Special Account for Capital Outlay in the General Fund to the Rural Economic Development Fund for allocation to the Rural Economic Development Infrastructure Program, established by Article 5 (commencing with Section 15373.6) of Chapter 2.5 of Part 6.7 of Division 3 of Title 2 of the Government Code.

(d) On or before November 30, 1987, the Controller shall issue a warrant to each county and city and county for the amounts specified in subdivisions (a), (b), and (c).

(e) Notwithstanding subdivisions (a), (b), and (c), when the Director of Finance determines that receipt of an amount specified in those subdivisions would result in a county or city and county having proceeds of taxes in excess of its appropriations limit pursuant to Article XIII B of the California Constitution, the Director of Finance shall reduce the amount accordingly. In the case of a reduction pursuant to this subdivision, and if the electors of the local jurisdiction subsequently raise the 1987–88 fiscal year appropriations limit of the jurisdiction, county, or city and county, the county or city and county shall notify the Director of Finance on or before June 30, 1988. The Director of Finance shall certify a supplemental amount to the Controller within 15 days of receiving notice. The Controller shall issue a warrant in that amount to the county or city and county within 30 days of receiving the certification. In the case of a reduction pursuant to this subdivision where there is no certification of a supplemental amount to the Controller on or before July 15, 1988, the

Controller shall distribute the amount of the reduction to all other counties and cities and counties.

SEC. 6. Section 32.50 of Chapter 135 of the Statutes of 1987 is repealed.

SEC. 7. On the effective date of this act, the undispersed balances of the appropriations provided in Items 8885-101-001 (ddd) and 8885-101-001 (eee) of the Budget Act of 1986 (Ch. 186, Stats. 1986) shall revert to the unappropriated surplus of the General Fund.

SEC. 8. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Counties are in dire fiscal straits and more revenues are necessary so that counties can carry out their functions. In order to provide more revenues to counties as soon as possible and to accelerate the Rural Economic Development Infrastructure Program, it is necessary that this act take effect immediately.

CHAPTER 1287

An act to amend Section 199.57 of and to add Section 26679.5 to, the Health and Safety Code, relating to health.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 199.57 of the Health and Safety Code is amended to read:

199.57. (a) There is hereby created the AIDS Vaccine Research and Development Advisory Committee within the State Department of Health Services which shall review and make recommendations to the state department regarding the award of the AIDS vaccine research and development grants. In accordance with Section 26679.5, the committee shall also review and make recommedations to the state department regarding requests for approvals for AIDS-related drugs pursuant to Section 26670, or for exemptions from these approval requirements pursuant to Section 26679. The membership of the committee shall be appointed by the State Director of Health Services within 30 days of the effective date of this chapter. The chairman of the committee shall be the State Director of Health Services, or his or her designee.

(b) The committee shall be composed of the following seven members:

(1) The State Director of Health Services, or his or her designee.

(2) An expert in infectious disease and vaccine development to be appointed by the state department.

(3) The chief physician involved in the treatment of AIDS patients at San Francisco General Hospital, or his or her designee.

(4) The Chief of the Office of AIDS within the State Department of Health Services, or his or her designee.

(5) An expert in retro-viruses/AIDS virus research to be appointed by the state department.

(6) One person with significant experience in conducting or reviewing clinical trials of drugs, to be appointed by the director.

(7) One physician and surgeon with significant experience in treating AIDS patients, to be appointed by the director.

(c) Members of the committee shall serve without compensation but shall be reimbursed for any actual and necessary expenses incurred in connection with the performance of their duties under this chapter.

SEC. 2. Section 26679.5 is added to the Health and Safety Code, to read:

26679.5. (a) In making determinations on requests for approval of AIDS-related drugs, as defined in subdivision (b), in accordance with Section 26670, or for exemptions from these requirements, for purposes of investigations of these drugs, pursuant to Section 26679, the department shall employ persons to conduct reviews of requests for drug marketing approval for AIDS-related drugs, or exemptions from the approval requirements as specified in that section. The AIDS Vaccine Research and Development Advisory Committee shall review and advise the department in its actions under this section.

Where necessary, the department shall enter into contracts with appropriate and qualified persons or entities for the review of these requests, including persons with significant experience in conducting or reviewing clinical trials of drugs or physicians with significant experience in treating AIDS patients.

No person may contract with the department for the review of a request under this subdivision if the person has a financial interest or a conflict of interest involving the drug being evaluated.

(b) "AIDS-related drug" means either of the following:

(1) A vaccine to protect against human immunodeficiency virus (HIV) infection.

(2) Antiviral agent, immune modulator, or other agent to be administered to persons who have been infected with HIV, to counteract the effects of this infection, or any drug to treat opportunistic infections associated with AIDS.

(c) The department, not later than July 1, 1988, and annually thereafter, shall report to the Legislature on the activities conducted pursuant to this section.

(d) The immunities provided for in Sections 818.4 and 821.6 of the Government Code shall apply whenever the department grants approval pursuant to Section 26670 or an exemption from the approval requirements pursuant to Section 26679, for an AIDS-related drug.

CHAPTER 1288

An act relating to groundwater recharge facilities, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Pursuant to Section 13466 of the Water Code, the Department of Water Resources is hereby authorized to make loans from the Water Conservation and Groundwater Recharge Account in the 1986 Water Conservation and Water Quality Bond Fund, in accordance with the Water Conservation and Water Quality Bond Law of 1986 (Chapter 6.1 (commencing with Section 13450) of Division 7 of the Water Code), to the following local agencies for purposes of financing proposed water conservation and groundwater recharge projects and feasibility studies therefor:

(a) Groundwater Recharge

Agency	Project
(1) City of Fresno Water Division	Extract DBCP SE groundwater

SEC. 2. The State Water Resources Control Board, pursuant to Section 13466 of the Water Code, is hereby authorized to make a loan from the Agricultural Drainage Water Account in the 1986 Water Conservation and Water Quality Bond Fund, in accordance with Chapter 6.1 (commencing with Section 13450) of Division 7 of the Water Code, in the amount of two million six hundred seventy thousand dollars ($2,670,000) to the Lost Hills Water District for the purposes of financing Phase I of a drainage collection and evaporation pond system, as provided in Section 13459 of the Water Code.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Rising costs of construction have pushed the costs of acquiring land and contructing groundwater recharge, irrigation drainage, and water conservation projects beyond the ability of local agencies to pay. In order, therefore, to ensure that the water resources of the state be conserved and overdrafted groundwater basins be recharged to ensure continued economic, community, and social growth in California, it is necessary that this act take effect immediately.

CHAPTER 1289

An act to amend Sections 1858, 1858.1, 1858.2, 1858.3, 1858.4, and 1859.1 of, and to add Sections 1858.01, 1858.02, and 1858.35 to, the Insurance Code, relating to insurance.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 1858 of the Insurance Code is amended to read:

1858. (a) Any person aggrieved by any rate charged, rating plan, rating system, or underwriting rule followed or adopted by an insurer or rating organization, may file a written complaint with the

commissioner requesting that the commissioner review the manner in which the rate, plan, system, or rule has been applied with respect to the insurance afforded to that person. In addition, the aggrieved person may file a written request for a public hearing before the commissioner, specifying the grounds relied upon.

(b) The commissioner shall advise the insurer or rating organization that a complaint has been filed against it and the nature of the complaint and provide the insurer or rating organization with an opportunity to respond to the complaint.

(c) If the commissioner has information concerning a similar complaint, he or she may deny the request for a public hearing until a determination is made or a public hearing is held on the similar complaint or may consolidate similar complaints for determination or public hearing. If he or she believes, after review and investigation of the facts alleged in the complaint and the facts alleged in any response to the complaint, that probable cause for the complaint does not exist or that the complaint is not made in good faith, he or she shall so advise the complainant and shall deny any request made for a public hearing. If he or she believes, after review and investigation of the facts alleged in the complaint and the facts alleged in any response to the complaint, that probable cause for the complaint does exist, that the complaint charges a violation of this chapter, and that the complainant would be aggrieved if the violation is proven, he or she shall proceed as provided in Section 1858.1 unless the complaint was accompanied by a request for public hearing, in which case he or she shall proceed as provided in Section 1858.2.

(d) Nothing in this section prohibits or limits the right of any aggrieved person, either prior to or in conjunction with the filing of a written complaint with the commissioner under this section, from requesting an insurer or rating organization to review the manner in which the rate, plan, system, or rule has been applied with respect to the insurance afforded to that person.

SEC. 1.5. Section 1858.01 is added to the Insurance Code, to read:

1858.01. (a) Whenever a written complaint has been filed with the commissioner, the commissioner shall review and investigate the matter complained of as provided by Section 1858 and shall make a determination whether there is probable cause to believe that a violation of this chapter has occurred. This determination shall be made within a reasonable time, but in no event more than 60 days after the complaint regarding a policy in a personal line of insurance or 90 days in the case of a policy in a class of commercial insurance is filed unless the complainant consents to a greater time or unless the complainant enters into informal conciliation of the complaint. The time and location of the conciliation shall be mutually agreeable to the complainant and to the insurer.

(b) Whenever a written complaint is accompanied by written request for a public hearing, the commissioner shall review and investigate the matter complained of as provided in Section 1858 and

shall grant or deny the request for a public hearing within a reasonable time, but in no event more than 90 days when the complaint is regarding a policy in a personal line of insurance or 120 days in the case of a policy in a class of commercial insurance, unless the complainant consents to a greater time or unless the complainant enters into informal conciliation of the complaint. The time and location of the conciliation shall be mutually agreeable to the complainant and to the insurer.

(c) In the event the complainant enters into informal conciliation of the complaint, the time set forth in subdivisions (a) and (b) for making a determination or for granting or denying a request for a public hearing shall be tolled for up to 10 working days until informal conciliation results in resolution of the complaint or informal conciliation is ended without resolution of the complaint. Should informal conciliation fail to result in resolution of the complaint, the commissioner shall review the facts presented by the complainant and the insurer or rating organization, together with the facts alleged in the complaint and any response to the complaint, to determine whether probable cause exists to believe that a violation of this chapter has occurred.

(d) For purposes of this subdivision, "personal insurance" means all coverages combined in private passenger automobile insurance policies as those policies are described in Section 660 and all forms combined in property or multiperil insurance policies as those policies are described in Section 675.

(e) For purposes of this subdivision, "commercial insurance" means any class, as defined by the Insurance Services Office of commercial insurance and any class of insurance designated under subdivisions (b) and (c) of Section 1857.9.

SEC. 1.6. Section 1858.02 is added to the Insurance Code, to read:

1858.02. (a) The commissioner may seek resolution of a complaint by informal conciliation at any time and may require the complainant and insurer or rating organization to meet and confer for the purposes of resolving the matter complained of by informal conciliation. The commissioner may decline to find probable cause for a complaint and may deny a request for a public hearing if the complainant refuses to enter into informal conciliation at the commissioner's request. Likewise, the commissioner may find probable cause for a complaint and may act to hold a public hearing, whether or not a request for a public hearing accompanied the complaint, if the insurer or rating organization refuses to enter into informal conciliation at the commissioner's request.

(b) Communications to the commissioner in respect to resolution of a complaint by informal conciliation shall be made to him or her in official confidence within the meaning of Sections 1040 and 1041 of the Evidence Code and shall not be disclosed by the commissioner. However, the commissioner may report on the results of informal conciliation.

SEC. 2. Section 1858.1 of the Insurance Code is amended to read:

1858.1. If after examination of an insurer, rating organization, advisory organization, or group, association, or other organization of insurers which engages in joint underwriting or joint reinsurance, or upon the basis of other information, or upon sufficient complaint as provided in Section 1858, the commissioner has good cause to believe that the insurer, organization, group, or association, or any rate, rating plan or rating system made or used by any such insurer or rating organization, does not comply with the requirements and standards of this chapter applicable to it, he or she shall give notice in writing to that insurer, organization, group, or association stating therein in what manner and to what extent that noncompliance is alleged to exist and specifying therein a reasonable time, not less than 10 days thereafter, in which that noncompliance may be corrected.

An insurer, organization, group, or association served with that notice of noncompliance may, within the time specified therein, (a) establish to the satisfaction of the commissioner that such noncompliance does not exist, or (b) request a public hearing, notice of which shall be given at least 30 days prior to the date set for hearing, or (c) enter into an informal conciliation with the commissioner and any complainant making a complaint pursuant to Section 1858 to resolve the matter complained of, or (d) enter into a consent order with the commissioner to correct the specified noncompliance within a period of time specified in the consent order. A consent order shall provide that in the event the noncompliance is not corrected within the time specified therein that a money penalty of not to exceed ten thousand dollars ($10,000) shall attach and be collected by the commissioner for each day the violation of the consent order continues. This money penalty shall not exceed in the aggregate the sum of one hundred thousand dollars ($100,000). In addition to or in lieu of the procedure provided herein the commissioner may proceed with a public hearing as provided in Section 1858.2.

SEC. 3. Section 1858.2 of the Insurance Code is amended to read:

1858.2. (a) If the insurer, organization, group, or association does not make those changes as may be necessary to correct the noncompliance specified in the notice issued under Section 1858.1, or if the insurer, organization, group, or association has failed to establish to the satisfaction of the commissioner that such noncompliance does not exist, the commissioner shall hold a public hearing by mailing a notice to that insurer, organization, group, or association not less than 30 days prior to the date set for hearing specifying the matters to be considered at the hearing.

(b) In the event that the insurer and complainant resolve the matter and the insurer has consented to a rating modification, then that modification shall apply to other policyholders underwritten by the insurer for that class of insurance.

(c) If the insurer, organization, group, or association has refused to enter into informal conciliation at the request of the

commissioner, the commissioner may hold a public hearing, whether or not the complaint was accompanied by a request for a public hearing, by mailing a notice to the insurer, organization, group, or association not less than 30 days prior to the date set for hearing specifying the matters to be considered at the hearing.

(d) If a hearing noticed under subdivisions (a) and (c) is based upon a complaint made pursuant to Section 1858, the commissioner shall also mail notice to the complainant not less than 30 days prior to the date set for hearing specifying the matters to be considered at the hearing.

(e) If upon sufficient complaint as provided in Section 1858 and upon review and investigation of the complaint, the commissioner has good cause to believe that the insurer, organization, group, or association, or any rate, rating plan, or rating system made or used by that insurer or rating organization, does not comply with the requirements and standards of this chapter applicable to it, the commissioner shall hold a public hearing by mailing a notice to the complainant and to the insurer, organization, group, or association not less than 30 days prior to the date set for hearing specifying the matters to be considered at the hearing.

(f) With respect to public hearings under this section, the commissioner may at his or her discretion, grant preference to a hearing in which the complainant has reached the age of 70 years.

SEC. 4. Section 1858.3 of the Insurance Code is amended to read:

1858.3. If after a hearing pursuant to Section 1858.2 the commissioner finds:

(a) That any rate, rating plan, or rating system violates the provisions of this chapter applicable to it, he or she shall issue an order to the insurer or rating organization which has been the subject of the hearing specifying in what respects that violation exists and stating when, within a reasonable period of time, the further use of that rate or rating system by that insurer or rating organization in contracts of insurance made thereafter shall be prohibited. The commissioner may, in addition to that order, direct the insurer or rating organization to take such other corrective action as he or she may deem necessary and proper.

(b) That an insurer, rating organization, advisory organization, or a group, association or other organization of insurers which engages in joint underwriting or joint reinsurance, is in violation of the provisions of this chapter applicable to it other than the provisions dealing with rates, rating plans, or rating systems, he or she may issue an order to that insurer, organization, group, or association which has been the subject of the hearing specifying in what respects that violation exists and requiring compliance within a reasonable time thereafter.

(c) Any order of the commissioner issued pursuant to subdivision (a) or (b) shall provide that a money penalty of not to exceed ten thousand dollars ($10,000) shall attach and be collected by the commissioner for each day such person fails to comply within the

time specified therein with the provisions of that order in the same manner as that provided in Section 1858.1. This penalty shall not exceed in the aggregate the sum of one hundred thousand dollars ($100,000).

SEC. 5. Section 1858.4 of the Insurance Code is amended to read:

1858.4. In addition to other penalties provided in this code, the commissioner shall suspend or revoke, in whole or in part, the license of any rating organization or the certificate of authority of any insurer with respect to the class or classes of insurance specified in that order, which fails to comply within the time limited by that order or any extension thereof which the commissioner may grant, with an order of the commissioner lawfully made by him or her pursuant to Section 1858.3 and effective pursuant to Section 1858.6.

SEC. 5.5. Section 1858.35 is added to the Insurance Code, to read:

1858.35. On or before May 1 of the years 1988 and 1989, the commissioner shall submit a report to the Legislature and the Governor stating the number and type of complaints received under this article and the status and disposition of these complaints. The commissioner may make any recommendations for improving the efficiency and effectiveness of complaint handling under this article.

No information shall be provided under this section pertaining to a specified complaint against a specific insurer or rating organization. However, the commissioner may report that information in the aggregate.

SEC. 6. Section 1859.1 of the Insurance Code is amended to read:

1859.1. (a) Any person, insurer, organization, group, or association who fails to comply with a final order of the commissioner under this chapter shall be liable to the state in an amount not exceeding fifty thousand dollars ($50,000) but if the failure is willful he or she or it shall be liable to the state in an amount not exceeding two hundred fifty thousand dollars ($250,000) for the failure. The commissioner shall collect the amount so payable and may bring an action in the name of the people of the State of California to enforce collection. These penalties may be in addition to any other penalties provided by law.

(b) A willful violation of this chapter by any person is a misdemeanor.

CHAPTER 1290

An act to add Section 12922.7 to, and to add and repeal Section 1857.15 of, the Insurance Code, relating to insurance.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 1857.15 is added to the Insurance Code, to read:

1857.15. (a) Each insurer engaged in writing director and officer liability insurance coverage for nonprofit public benefit corporations in this state shall submit to the commissioner a report of its operations regarding director and officer liability claims experience for the preceding calendar year ending on December 31 on a form furnished by the commissioner. Each report shall separately state the following information for nonprofit public benefit corporations:

(1) Direct premiums earned.

(2) Direct premiums written.

(3) Earned exposures per year for nonprofit public benefit corporations.

(4) Number of new claims made during the reporting period.

(5) Number of claims paid during the reporting period.

(6) Number of claims outstanding at the end of the reporting period.

(7) Total losses incurred and total losses unpaid by calendar year and either occurrence year or reporting year.

(8) Total losses incurred and reported, including loss adjustment expense, as a percentage of premiums earned.

(9) Total number of policies written during the reporting period.

(10) The average and median amount of claims paid during the reporting period.

(11) Net underwriting gain or loss.

(b) The commissioner shall develop and issue reporting forms to insurers in accordance with the department's current insurance reporting procedures.

The commissioner shall make available upon request, but in any event no later than 120 days after the last day of the preceding reporting period, a report summarizing the information required in this section. The commissioner shall make findings and recommendations, as appropriate, relative to the availability and affordability of public benefit corporation director and officer liability insurance and the rates thereof.

SEC. 2. Section 12922.7 is added to the Insurance Code, to read:

12922.7. The commissioner shall prepare and submit a report to the Legislature, on or before January 1, 1989, on the effectiveness of his or her monitoring and regulation of the financial condition of

insurers and on alternative methodologies for more effective monitoring and regulation. The commissioner shall identify any additional resources required for the monitoring and regulation of insurers.

SEC. 3. Section 1 of this act shall remain in effect only until January 1, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1991, deletes or extends that date.

CHAPTER 1291

An act to add Section 44049 to the Education Code, relating to school employees.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 44049 is added to the Education Code, to read:

44049. (a) Except as provided in subdivision (c), any principal or person designated by the principal who, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a student whom he or she knows, or reasonably suspects as evidenced by the student's apparent intoxication, has consumed an alcoholic beverage or abused a controlled substance, as listed in Chapter 2 (commencing with Section 11053) of the Health and Safety Code, may report the known or suspected instance of alcohol or controlled substance abuse to the parent or parents, or other person having legal custody, of the student.

(b) No principal or his or her designee who reports a known or suspected instance of alcohol or controlled substance abuse by a student to the parent or parents, or other person having legal custody, of the student shall be civilly or criminally liable, for any report or as a result of any report, unless it can be proven that a false report was made and the principal or his or her designee knew that the report was false or was made with reckless disregard for the truth or falsity of the report. Any principal or his or her designee who makes a report known to be false or with reckless disregard of the truth or falsity of the report is liable for any damages caused.

(c) No principal or person designated by the principal shall report a known or suspected instance of alcohol or controlled substance abuse by a student to the parent or parents, or other person having legal custody, of the student if the report would require the disclosure of confidential information in violation of Section 35301 or 72621.

CHAPTER 1292

An act relating to electricity.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The use of advanced solid waste management technology and the conversion of solid waste into useful energy can help to address the increasingly critical solid waste disposal problems of the state in a manner consistent with environmental concerns for clean water and clean air.

(b) Previous expressions of legislative intent contained in Section 25541.1 of the Public Resources Code have encouraged the development of resource recovery and waste-to-energy technology. However, due to the high level of capital investment required and the need to reduce emissions of air pollutants, waste-to-energy facilities have not been developed as needed.

(c) Sales of electricity to electrical utilities by operators of solid waste disposal facilities can help to defray the costs of advanced solid waste management technology. The electricity sales can serve a public purpose, promote the health, welfare, and safety of the citizens of the state, and be in the public interest.

SEC. 2. Therefore, in enacting this act, it is the policy of the Legislature that electricity from, or the electrical generating capacity of, or both, the Sanger Waste Disposal and Cogeneration Plant (the Sanger project), which is a demonstration project in the City of Sanger that uses advanced conversion or combustion technology, be purchased by an electrical corporation pursuant to charges which may take into consideration the electrical corporation's long-term avoided costs as authorized by the Public Utilities Commission. The amounts of these charges shall be deemed reasonable and may be recovered by the electrical corporation in its electric rates.

SEC. 3. (a) A negotiated contract for the purchase of the electrical capacity and electricity from the Sanger project may be structured to provide charges in the early years of the contract that are higher than avoided costs, in order to facilitate project financing, so long as the total income over the life of the facility approximates the electrical corporation's long-term avoided costs. Contracts structured in this way shall include provisions for recovery of payments in the event of default by the owner or operator of the facility.

(b) An electrical purchase contract with the Sanger project may include provisions for dispatching the facility in accordance with the

specifications of the electrical corporation, as authorized by the commission.

(c) When the application of the Sanger project, which generates electricity by the incineration of municipal waste, is found and determined to be in the public interest, the commission may require an electrical corporation to purchase the entire electrical output of that facility, pursuant to equitable charges which take into consideration both the electrical corporation's long-term and short-term avoided costs, as authorized by the commission under the following circumstances:

(1) The facility utilizes advanced combustion or conversion technology.

(2) The Sanger project receives a fee for acceptance of the municipal solid waste utilized in the facility that provides at least 35 percent of the revenue required to meet operating expenses of the project, maintenance expenses, and debt service requirements.

(3) The Sanger project will dispose of the ash or other postcombustion residue in a manner that complies with applicable regulations of the California Waste Management Board, the State Water Resources Control Board, and the State Department of Health Services.

(4) The Sanger project has secured all applicable land use, siting, air quality, and water quality permits.

(d) As used in this act, the term "avoided costs" means the costs to the electrical corporation of electricity or electrical generating capacity which, but for the purchase of electricity pursuant to this section, the electrical corporation would purchase from another source or generate itself.

(e) As used in this act, the term "advanced combustion or conversion technology" means any innovative and advanced technology involving either of the following processes:

(1) The combustion of solid waste for the purpose of producing steam for the generation of electricity.

(2) The conversion of solid waste into combustible products to be used in the generation of electricity or transmission into natural gas distribution pipelines.

In either of these two processes, the advanced combustion or conversion technologies shall result in emission of air pollutants, both criteria and noncriteria pollutants, which are significantly less than the emissions resulting from a conventional mass burn waste-to-energy technology facility sited under applicable regulations and shall meet all ambient air quality standards of the air pollution control district or air quality management district within whose jurisdiction the project is located without securing emissions offsets. Examples of advanced combustion or conversion technologies include, but are not limited to, thermal gasification, anaerobic digestion, fluidized bed combustion, or computer controlled automatic combustion processes with selective catalytic reactors.

SEC. 4. The Legislature hereby finds and declares that this act is not a special statute within the meaning of Section 16 of Article IV of the California Constitution, since the Sanger Waste Disposal and Cogeneration Plant is the only demonstration project in the state which will use advanced conversion or combustion technology.

CHAPTER 1293

An act to amend, repeal, and add Sections 18911 and 18914 of, to add and repeal Sections 18904.3, 18905.1, 18912, and 18914.5 of, and to repeal and add Section 18913 of, the Welfare and Institutions Code, relating to public social services.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. (a) This act shall be known and may be cited as the Food Stamp and Emergency Food Access Act of 1987.

(b) The Legislature intends to address the widespread and growing problem of hunger in California by strengthening the requirements for the expedited issuance of food stamps and by better coordinating emergency food referrals.

SEC. 2. Section 18904.3 is added to the Welfare and Institutions Code, to read:

18904.3. Nothing in this chapter shall be construed to authorize the department to administer outreach programs or to adopt regulations mandating that counties conduct outreach programs, except to the extent provided in Section 18911 and to the extent required by federal law.

This section shall become operative July 1, 1988, shall become inoperative July 1, 1991, and as of January 1, 1992 is repealed, unless a later enacted statute chaptered prior to that date, extends or deletes that date.

SEC. 3. Section 18905.1 is added to the Welfare and Institutions Code, to read:

18905.1. The department shall not impose any additional requirements for verification of eligibility for expedited service other than those minimum requirements that exist under federal law.

This section shall become operative July 1, 1988, shall become inoperative July 1, 1991, and as of January 1, 1992 is repealed, unless a later enacted statute chaptered prior to that date, extends or deletes that date.

SEC. 4. Section 18911 of the Welfare and Institutions Code is amended to read:

18911. (a) An application and an authorization for participation

in the Food Stamp Program shall be processed within a period of not more than 30 days from the date of application.

(b) The department shall develop written information that describes the eligibility and verification requirements for expedited service, the process for applying for those benefits, and the availability of assistance in filling out the forms and gathering needed documentation.

(c) Each county welfare department shall make the material developed pursuant to subdivision (b) available to each applicant at the time the applicant initially seeks food stamp benefits.

(d) Each county welfare department shall, upon request, make available the information developed pursuant to subdivision (b) to community action agencies, legal services offices, emergency food programs, and other programs.

(e) Each county welfare department shall compile a list of emergency food providers in the area served by the local food stamp office. The list shall be updated, based on information from the food providers. The list shall be made available upon request, and, where needed, may be used to refer individuals to emergency food sites that may be able to provide assistance.

(f) Each county welfare department shall make available to food stamp applicants, upon request, nonpromotional information that contains addresses and phone numbers of local legal services and welfare rights organizations.

This section shall become operative July 1, 1988, shall become inoperative July 1, 1991, and as of January 1, 1992 is repealed, unless a later enacted statute chaptered prior to that date, extends or deletes that date.

SEC. 4.5. Section 18911 is added to the Welfare and Institutions Code, to read:

18911. An application and an authorization for participation in the Food Stamp Program shall be processed within a period of not more than 30 days from the date of application.

This section shall become operative July 1, 1991.

SEC. 5. Section 18912 is added to the Welfare and Institutions Code, to read:

18912. (a) Each county welfare department shall orally inform each applicant of the availability of expedited service and assistance in filling out the application.

(b) Each county welfare department shall assist an applicant, upon request of the applicant, in filling out forms and completing the application process for expedited service.

This section shall become operative July 1, 1988, shall become inoperative July 1, 1991, and as of January 1, 1992 is repealed, unless a later enacted statute chaptered prior to that date, extends or deletes that date.

SEC. 6. Section 18913 of the Welfare and Institutions Code is repealed.

SEC. 7. Section 18913 is added to the Welfare and Institutions

Code, to read:

18913. The department shall collect, quarterly, expedited service data, on a county-by-county basis, of the number of applications and the disposition of the applications, and shall publish those statistics quarterly and shall report this information to the Legislature after the first year of data gathering. In addition, the department shall collect information on the extent of food stamp overissuances and underissuances which occur as a result of the expedited eligibility process required by subdivision (b) of Section 18914, as well as the number of food stamp cases which are closed after issuance of the expedited food stamps in the first month due to a failure of the applicant to complete the application for the receipt of ongoing food stamp benefits.

This section shall become operative July 1, 1988, shall become inoperative July 1, 1991, and as of January 1, 1992 is repealed, unless a later enacted statute chaptered prior to that date, extends or deletes that date.

SEC. 8. Section 18914 of the Welfare and Institutions Code is amended to read:

18914. (a) To the extent provided by federal law, the county welfare department shall provide food stamp benefits on an expedited basis to households determined to be in immediate need of food assistance.

(b) At the time an applicant initially seeks assistance, the county welfare department shall screen all expedited service applications on a priority basis. Applicants who meet the federal criteria for expedited service shall receive either a manual authorization to participate or automated card or the immediate issuance of food stamp coupons no later than the third day following the date the application was filed. To the maximum extent permitted by federal law, the amount of income to be received from any source shall be deemed to be uncertain and exempt from consideration in the determination of eligibility for expedited service. For purposes of this subdivision, a weekend shall be considered one calendar day.

(c) The State Department of Social Services shall develop and implement for expedited issuance a uniform procedure for verifying information required of an applicant.

This section shall become operative July 1, 1988, shall become inoperative July 1, 1991, and as of January 1, 1992 is repealed, unless a later enacted statute chaptered prior to that date, extends or deletes that date.

SEC. 9. Section 18914 is added to the Welfare and Institutions Code, to read:

18914. To the extent provided by federal law, the county welfare department shall provide food stamp benefits on an expedited basis to households determined to be in immediate need of food assistance.

This section shall become operative July 1, 1991.

SEC. 9.5. Section 18914.5 is added to the Welfare and Institutions

Code, to read:

18914.5. The department shall consult with the County Welfare Directors Association when developing state budget estimates on the administrative funds necessary to carry out the three-day expedited service requirement and the method of allocating these funds to county welfare departments.

This section shall become operative July 1, 1988, shall become inoperative July 1, 1991, and as of January 1, 1992 is repealed, unless a later enacted statute chaptered prior to that date, extends or deletes that date.

SEC. 10. The department shall promulgate such regulations, procedures, and forms as are necessary to implement this act on a uniform, statewide basis. The Director of Social Services shall adopt emergency regulations implementing this act within 120 days of the effective date of this act.

SEC. 11. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

SEC. 12. Section 6 of this act shall become operative July 1, 1988.

CHAPTER 1294

An act to amend Section 11642 of the Health and Safety Code, relating to controlled substances, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 11642 of the Health and Safety Code is amended to read:

11642. (a) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs of prosecuting violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. Funding under this subdivision shall not exceed twenty-five thousand dollars ($25,000) for each prosecution or joint prosecution assisted. All funds allocated to a county under this subdivision shall be distributed by it

only to its prosecutorial agency, to be used solely for investigation and prosecution of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the prosecutorial efforts of counties.

Cases wholly financed or reimbursed under any other state or federal program including, but not limited to, the Asset Forfeiture Program (Section 11489), the Major Narcotic Vendors Prosecution Law (Section 13881 of the Penal Code), or the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), shall not be entitled to reimbursement under this subdivision.

(b) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for law enforcement personnel expenses, not exceeding ten thousand dollars ($10,000) per case, incurred in the investigation of violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. All funds allocated to a county under this subdivision shall be distributed by it only to its law enforcement agency to be used solely for investigation and detection of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the law enforcement efforts of counties. Cases financed or reimbursed under any other state or federal program, including, but not limited to, the Asset Forfeiture Program, (Section 11489), the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), or the federal Asset Forfeiture Program (21 U.S.C. Sec. 881), shall not be entitled to reimbursement under this subdivision.

(c) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs incurred by, or at the direction of, state or local law enforcement agencies to remove and dispose of or store toxic waste from the sites of laboratories used for the unlawful manufacture of a controlled substance.

(d) For the purposes of this section, the population of a county shall be as determined by Section 28020 of the Government Code.

As used in this section, "counties" includes any city within a county with a population of less than 1,250,000.

The Department of Justice may adopt emergency regulations consistent with this section and the Administrative Procedure Act.

(e) Reimbursement under this section may be provided only with respect to costs incurred on or after January 1, 1987.

SEC. 2. Section 11642 of the Health and Safety Code is amended to read:

11642. (a) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall

be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs of prosecuting violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. Funding under this subdivision shall not exceed twenty-five thousand dollars ($25,000) for each prosecution or joint prosecution assisted. All funds allocated to a county under this subdivision shall be distributed by it only to its prosecutorial agency, to be used solely for investigation and prosecution of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the prosecutorial efforts of counties.

Cases wholly financed or reimbursed under any other state or federal program including, but not limited to, the Asset Forfeiture Program (Section 11489), the Major Narcotic Vendors Prosecution Law (Section 13881 of the Penal Code), or the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), shall not be entitled to reimbursement under this subdivision.

(b) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for law enforcement personnel expenses, not exceeding ten thousand dollars ($10,000) per case, incurred in the investigation of violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. All funds allocated to a county under this subdivision shall be distributed by it only to its law enforcement agency to be used solely for investigation and detection of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the law enforcement efforts of counties. Cases financed or reimbursed under any other state or federal program, including, but not limited to, the Asset Forfeiture Program, (Section 11489), the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), or the federal Asset Forfeiture Program (21 U.S.C. Sec. 881), shall not be entitled to reimbursement under this subdivision.

(c) (1) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs incurred by, or at the direction of, state or local law enforcement agencies to remove and dispose of or store toxic waste from the sites of laboratories used for the unlawful manufacture of a controlled substance.

(2) The local law enforcement agency or Department of Justice shall notify the local health officer within 24 hours of the seizure of a laboratory used for the unlawful manufacture of a controlled substance. The local health officer shall either:

(A) Make a determination as to whether the site poses an

immediate threat to public health and safety, and is so, shall undertake immediate corrective action.

(B) Notify the State Department of Health Services.

As used in this section, "counties" includes any city within a county with a population of less than 1,250,000.

The Department of Justice may adopt emergency regulations consistent with this section and the Administrative Procedure Act.

SEC. 3. Section 2 of this bill incorporates amendments to Section 11642 of the Health and Safety Code proposed by both this bill and AB 2503. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1988, but this bill becomes operative first, (2) each bill amends Section 11642 of the Health and Safety Code, and (3) this bill is enacted after AB 2503, in which case Section 11642 of the Health and Safety Code, as amended by Section 1 of this bill, shall remain operative only until the operative date of AB 2503, at which time Section 2 of this bill shall become operative.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to authorize the reimbursement, under Section 11642 of the Health and Safety Code, of cities within a county with a population of less than 1,250,000, for costs incurred in the prosecution of controlled substances offenses and the removal and disposal or storage of toxic waste from the sites of laboratories used to unlawfully manufacture controlled substances, at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 1295

An act to amend Section 11642 of, and to add Section 11100.05 to, the Health and Safety Code, relating to controlled substances, and making an appropriation therefor.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

I am deleting the $500,000 appropriation contained in Section 5 of Assembly Bill 2503.

This bill would impose new drug cleanup fines, which would be deposited into a new Clandestine Drug Lab Clean-Up Account The bill would appropriate $500,000 (General Fund) to the Department of Health Services for cleanup of hazardous wastes at seized or abandoned clandestine drug labs

There are already other funding sources which can be used for cleanups of this kind. I believe these other sources are sufficient to support the costs of these cleanups until the new fines and penalties are available for distribution.

With this deletion, I approve Assembly Bill 2503.

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. Section 11100.05 is added to the Health and Safety Code, to read:

11100.05. (a) In addition to any fine or imprisonment imposed under subdivision (f) of Section 11100 or subdivision (f) of Section 11106 of the Health and Safety Code, the following drug cleanup fine shall be imposed:

(1) Ten thousand dollars ($10,000) for violations described in paragraph (1) of subdivision (f) of Section 11100.

(2) One hundred thousand dollars ($100,000) for violations described in paragraph (2) of subdivision (f) of Section 11100.

(3) Ten thousand dollars ($10,000) for violations described in subdivision (f) of Section 11106.

(b) At least once a month, all fines collected under this section shall be transferred to the State Treasury for deposit in the Clandestine Drug Lab Clean-up Account. The transmission to the State Treasury shall be carried out in the same manner as fines collected for the state by a county.

SEC. 2. Section 11642 of the Health and Safety Code is amended to read:

11642. (a) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs of prosecuting violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. Funding under this subdivision shall not exceed twenty-five thousand dollars ($25,000) for each prosecution or joint prosecution assisted. All funds allocated to a county under this subdivision shall be distributed by it only to its prosecutorial agency, to be used solely for investigation and prosecution of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the prosecutorial efforts of counties.

Cases wholly financed or reimbursed under any other state or federal program including, but not limited to, the Asset Forfeiture Program (Section 11489), the Major Narcotic Vendors Prosecution Law (Section 13881 of the Penal Code), or the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), shall not be entitled to reimbursement under this subdivision.

(b) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for law enforcement personnel expenses, not exceeding ten thousand dollars ($10,000) per case, incurred in the investigation of violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. All funds allocated to a county under this

subdivision shall be distributed by it only to its law enforcement agency to be used solely for investigation and detection of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the law enforcement efforts of counties. Cases financed or reimbursed under any other state or federal program, including, but not limited to, the Asset Forfeiture Program, (Section 11489), the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), or the federal Asset Forfeiture Program (21 U.S.C. Sec. 881), shall not be entitled to reimbursement under this subdivision.

(c) (1) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs incurred by, or at the direction of, state or local law enforcement agencies to remove and dispose of or store toxic waste from the sites of laboratories used for the unlawful manufacture of a controlled substance.

(2) The local law enforcement agency or Department of Justice shall notify the local health officer within 24 hours of the seizure of a laboratory used for the unlawful manufacture of a controlled substance. The local health officer shall either:

(A) Make a determination as to whether the site poses an immediate threat to public health and safety, and if so, shall undertake immediate corrective action.

(B) Notify the State Department of Health Services.

SEC. 3. Section 11642 of the Health and Safety Code is amended to read:

11642. (a) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs of prosecuting violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. Funding under this subdivision shall not exceed twenty-five thousand dollars ($25,000) for each prosecution or joint prosecution assisted. All funds allocated to a county under this subdivision shall be distributed by it only to its prosecutorial agency, to be used solely for investigation and prosecution of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the prosecutorial efforts of counties.

Cases wholly financed or reimbursed under any other state or federal program including, but not limited to, the Asset Forfeiture Program (Section 11489), the Major Narcotic Vendors Prosecution Law (Section 13881 of the Penal Code), or the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), shall not be entitled to reimbursement under this subdivision.

(b) To the extent moneys are available therefor, the Controller,

in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for law enforcement personnel expenses, not exceeding ten thousand dollars ($10,000) per case, incurred in the investigation of violations, attempts to violate, or conspiracies to violate Section 11100, 11100.1, 11104, 11105, 11379.6, or 11383 initiated after January 1, 1987. All funds allocated to a county under this subdivision shall be distributed by it only to its law enforcement agency to be used solely for investigation and detection of these offenses. Funds distributed under this subdivision shall not be used to supplant any local funds that would, in the absence of this subdivision, be made available to support the law enforcement efforts of counties. Cases financed or reimbursed under any other state or federal program, including, but not limited to, the Asset Forfeiture Program, (Section 11489), the California Career Criminal Apprehension Program (Section 13851 of the Penal Code), or the federal Asset Forfeiture Program (21 U.S.C. Sec. 881), shall not be entitled to reimbursement under this subdivision.

(c) (1) To the extent moneys are available therefor, the Controller, in accordance with criteria and procedures which shall be adopted by the Department of Justice, may reimburse counties with a population under 1,250,000 for costs incurred by, or at the direction of, state or local law enforcement agencies to remove and dispose of or store toxic waste from the sites of laboratories used for the unlawful manufacture of a controlled substance.

(2) The local law enforcement agency or Department of Justice shall notify the local health officer within 24 hours of the seizure of a laboratory used for the unlawful manufacture of a controlled substance. The local health officer shall either:

(A) Make a determination as to whether the site poses an immediate threat to public health and safety, and if so, shall undertake immediate corrective action.

(B) Notify the State Department of Health Services.

As used in this section, "counties" includes any city within a county with a population of less than 1,250,000.

The Department of Justice may adopt emergency regulations consistent with this section and the Administrative Procedure Act.

SEC. 4. Section 3 of this bill incorporates amendments to Section 11642 of the Health and Safety Code proposed by both this bill and AB 2671. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1988, but AB 2671 becomes operative first, (2) each bill amends Section 11642 of the Health and Safety Code, and (3) this bill is enacted after AB 2671, in which case Section 11642 of the Health and Safety Code, as amended by AB 2671, shall remain operative only until the operative date of this bill, at which time Section 3 of this bill shall become operative, and Section 2 of this bill shall not become operative.

SEC. 5. The sum of five hundred thousand dollars ($500,000) is hereby appropriated from the General Fund to the State

Department of Health Services to be deposited in the Clandestine Drug Lab Clean-up Account, which is hereby established, for purposes of funding the costs incurred in the undertaking of immediate corrective actions at the site of a release of a hazardous substance, if the site is either of the following:

(a) A seized laboratory used for the unlawful manufacture of a controlled substance.

(b) An abandoned hazardous waste site related to the unlawful manufacture of a controlled substance.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1296

An act to add a heading to, and to add Article 2 (commencing with Section 66910) to, Chapter 11 of Part 40 of the Education Code, relating to education, and making an appropriation therefor.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987.]

I am deleting $20,000 appropriation contained in Section 3 of Assembly Bill No 2016.

This bill would require the California Postsecondary Education Commission to report by January 1, 1989, on state options for funding higher education based on assessment of students and programs, on value-added, or similar performance, or incentive funding measures Also, this bill contains a $20,000 appropriation to fund the study

The demands placed on budget resources require all of us to set priorities The budget enacted in July, 1987 appropriated nearly $41 billion in state funds This amount is more than adequate to provide the necessary essential services provided for by State Government. It is not necessary to put additional pressure on taxpayer funds for programs that fall beyond the priorities currently provided

Thus, after reviewing this legislation, I have concluded that its merits do not sufficiently outweigh the need this year for funding top priority programs and continuing a prudent reserve for economic uncertainties

I would, however, consider funding the provisions of this bill during the budget process for Fiscal Year 1988–89 It is appropriate to review the relative merits of this program in comparison to all other funding projects The budget process enables us to weigh all demands on the state's revenues and direct our resources to programs, either new or existing, that have the most merit

With this deletion, I approve Assembly Bill No. 2016.

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. A heading immediately following the chapter heading is added to Chapter 11 (commencing with Section 66900) of

Part 40 of the Education Code, to read:

Article 1. General Provisions

SEC. 2. Article 2 (commencing with Section 66910) is added to Chapter 11 of Part 40 of the Education Code, to read:

Article 2. Higher Education Talent Development Act of 1987

66910. The Legislature finds and declares the following:

(a) The primary goal of every educational institution should be to improve and add to the intellectual and personal development of each student.

(b) The ultimate measure of the effectiveness of an educational institution is the success of its students in acquiring knowledge, competencies, and skills in learning their meaningful application; in forming reasoned attitudes, and in examining and adopting values; and in developing the capacity for further learning.

(c) Educational institutions should have the capacity to create educational environments, teaching practices, and evaluative procedures which enable, stimulate, and encourage significant learning for students served.

(d) The measures of quality in most colleges and universities often fail to evaluate the impact of the institution on the improvement of the individual students from entrance to graduation or otherwise leaving the institution.

(e) The State of California spends nearly five billion dollars ($5,000,000,000) annually on its system of higher education, but the budget formulas tend to be based more on enrollments and physical space needs than on rewarding institutions for improvement of student learning.

(f) While every student has a certain amount of underdeveloped educational potential, California students appear to fall short of meeting their potential as evidenced by the need for a high number of remedial course offerings and inadequate student retention rates.

(g) Future success in coping with California's critical problems through higher education will depend on the development of new partnerships and a more cooperative approach to common issues, such as transfer and minority student access and retention efforts, on the part of all segments of education, kindergarten through the university.

(h) The public would benefit greatly and be well served by maximizing educational potentials and improving student performance.

66911. The California Postsecondary Education Commission, after consulting with students, faculty, staff, and administrators, at the state and local campus levels and from all segments of public postsecondary education, shall develop and present possible options for all of the following:

(a) Measuring and implementing talent development or value added approaches to higher education.

(b) An incentive funding approach designed to develop appropriate methods of assessing the teaching and learning process. This assessment shall include, but not be limited to, an evaluation of the usefulness of the following higher education outcomes criteria:

(1) The percentage of programs eligible for accreditation that are accredited.

(2) The percentage of the programs that have undergone peer review and that have administered a comprehensive exam to academic majors.

(3) The value added by the general education component of the curriculum, as demonstrated by the students' performance on examinations taken at different intervals during a student's experience.

(4) Demonstration that generalizations about the quality of academic programs or services derived from surveys of enrolled students, alumni, community members, and employers have formed the basis for specific improvement in campus programs and services.

(5) Demonstration that the quality of teaching has improved as evidenced by items, including, but not limited to, the following:

(A) Student evaluations of faculty and teaching assistants.

(B) Availability and utilization of teaching improvement programs for faculty and teaching assistants.

(C) The number of undergraduate classes taught by ladder rank faculty.

(D) Faculty involvement in academic advising and class size.

(6) Demonstration that the quality of campus life has increased as evidenced by items, including, but not limited to, the availability of quality student support services, including, but not limited to, affordable student housing, child care services, and academic and personal counseling.

(7) Demonstration of an improvement in the number of women and minorities enrolled in, and graduating from, the institutions and the number of students successfully transferring from community colleges to baccalaureate degree-granting institutions.

(8) The implementation of a campuswide plan for instructional improvement based on findings derived from the above procedures.

66912. Pursuant to Section 66911, the California Postsecondary Education Commission shall be guided by the following principles as set forth in its report "Funding Excellence in California Higher Education," prepared in response to Resolution Chapter 115, Statutes of 1986:

(a) State funding incentives to promote quality in California higher education should be funds that are supplementary to the institution's base budget and premised on a cooperative model, where financial incentives are geared toward the aggregate performance of the state's whole system of higher education.

(b) State funding incentives to promote quality improvement in

higher education should recognize that value-added assessments are of greatest value when linked with other data about the students' educational experience and when used for institutional self-assessment, student counseling, and program evaluation.

(c) State funding incentives to promote quality improvement in higher education should establish that outcome measurements shall be tied to the multiplicity of missions, goals, and functions of the different segments and institutions of higher education in California.

(d) State policy on assessment and quality improvement in California higher education should establish that the primary objective is to assist faculty and students to improve the teaching-learning process, and that the definition and assessment of student outcomes and competency standards at the course, program, and departmental level is primarily a faculty responsibility and one that should be influenced by student opinion.

(e) The state-level assessment and incentive-funding strategy adopted in California to improve the quality of higher education should be developed as carefully and rapidly as feasible, and be frequently reevaluated in order to ensure effectiveness.

(f) The state-level strategy adopted in California to fund and promote excellence in higher education shall recognize that appropriate assessment is but one characteristic of an effective institution. The state needs to support and promote a number of other institutional activities or practices that not only complement the assessment function but that, in toto, must exist in order to achieve institutional excellence.

66913. The California Postsecondary Education Commission shall submit a report to the Governor and Legislature not later than January 1, 1989, detailing the results of this study and recommendations for implementation of state policy to achieve the intent of this article.

SEC. 3. The sum of twenty thousand dollars ($20,000) is hereby appropriated from the General Fund to the California Postsecondary Education Commission for the funding of that portion of Article 11 (commencing with Section 66910) of Chapter 11 of Part 40 of the Education Code that is related to the California Community Colleges and the California State University. That portion of the act related to the University of California is to be funded by the California Postsecondary Education Commission from any moneys available to it for this purpose from the Budget Act of 1987.

CHAPTER 1297

An act to repeal Sections 1242.7, 1242.8, and 1242.9 of, and to add Article 3.5 (commencing with Section 1247) to Chapter 3 of Division 2 of, the Business and Professions Code, relating to health, and making an appropriation therefor.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

I am deleting the $8,266 appropriation contained in Section 5 of Assembly Bill No 686.

This bill recasts existing law with respect to hemodialysis technicians and their training requirements. This bill contains an $8,266 appropriation

The demands placed on budget resources require all of us to set priorities The budget enacted in July, 1987 appropriated nearly $41 billion in state funds This amount is more than adequate to provide the necessary essential services provided for by State Government. It is not necessary to put additional pressure on taxpayer funds for programs that fall beyond the priorities currently provided.

Thus, after reviewing this legislation, I have concluded that its merits do not sufficiently outweigh the need this year for funding top priority programs and continuing a prudent reserve for economic uncertainties.

I would, however, consider funding the provisions of this bill during the budget process for Fiscal Year 1988–89 It is appropriate to review the relative merits of this program in comparison to all other funding projects The budget process enables us to weigh all demands on the state's revenues and direct our resources to programs, either new or existing, that have the most merit.

With this deletion, I approve Assembly Bill No. 686

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. Section 1242.7 of the Business and Professions Code is repealed.

SEC. 2. Section 1242.8 of the Business and Professions Code is repealed.

SEC. 3. Section 1242.9 of the Business and Professions Code is repealed.

SEC. 4. Article 3.5 (commencing with Section 1247) is added to Chapter 3 of Division 2 of the Business and Professions Code, to read:

Article 3.5. Hemodialysis Training

1247. This article shall be known and may be cited as the Hemodialysis Technician Training Act of 1987.

1247.1. It is the intent of the Legislature, in enacting this article, to resolve confusion and conflict in existing law relating to training requirements for hemodialysis technicians. It is the further intent of the Legislature that this article shall bring about easier administration of the hemodialysis technician training law by the State Department of Health Services and easier compliance with the law by individual technicians and hemodialysis facilities.

1247.2. For the purpose of this article, the following terms have the following meaning:

(a) "Immediate supervision" means supervision of dialysis

treatment in the same room in which the dialysis treatment is being performed.

(b) "Department" means the State Department of Health Services.

(c) "Hemodialysis technician" means an unlicensed health care provider who is employed by a hemodialysis clinic or unit for the purpose of participating in the direct treatment of patients undergoing hemodialysis.

1247.3. The treatment of patients by a hemodialysis technician includes performing venipuncture and arterial puncture for the purpose of providing dialysis treatment for a patient. The treatment of patients includes the administration of local anesthetics, heparin, and sodium chloride solutions. The administration of these medications shall be pursuant to protocol established by the medical director of the hemodialysis clinic or unit and shall be under the immediate supervision of a licensed physician and surgeon or a licensed registered nurse. The administration of local anesthetics shall be limited to intradermal, subcutaneous, or topical administration.

1247.4. The department shall adopt rules and regulations prescribing minimum training standards for hemodialysis technicans who are certified pursuant to paragraphs (2), (3), and (4) of subdivision (a) of Section 1247.6.

1247.5. Except as provided in Section 1247.6, every hemodialysis clinic or unit within a licensed clinic or hospital, as defined respectively in Sections 1204 and 1250 of the Health and Safety Code, or any person operating or using dialysis equipment, other than a dialysis patient, shall adopt a hemodialysis technician training program and competency test which complies with the regulations adopted pursuant to Section 1247.4, and which includes training and testing in the administration of local anesthetics, heparin, and sodium chloride solutions. Every hemodialysis technician shall complete the hemodialysis technician training program and shall pass the hemodialysis technician competency test, or shall be certified as provided in subdivision (a) of Section 1247.6.

1247.6. (a) Rather than conduct a training and testing program, a hemodialysis clinic or unit may employ hemodialysis technicians who meet one or more of the following requirements:

(1) Are certified by the Board of Nephrology Examination for Nurses and Technicians (BONENT) as having passed the BONENT examination.

(2) Are certified by the department as having completed a department-approved training and testing program in a hemodialysis clinic or unit.

(3) Are certified by the department as being graduates of a local training and testing program operated by an accredited college or accredited university. As used in this article, accredited has the same meaning as defined in subdivision (g) of Section 94302 of the Education Code.

(4) Are certified by the department as hemodialysis technicians on or before the effective date of regulations adopted pursuant to Section 1247.4.

(b) A hemodialysis clinic or unit which conducts a training and testing program pursuant to Section 1247.5 also may employ persons described in subdivision (a).

(c) This article does not apply to home dialysis patients, or patient helpers not employed by the licensed facility, who have undergone a home dialysis training program operated by a licensed clinic or hospital as defined in Sections 1204 and 1250 of the Health and Safety Code and have been certified by the medical director of the facility as being competent to perform home dialysis treatment.

1247.7. An employee in training shall be classified as a hemodialysis technician trainee and shall be under the immediate supervision of a licensed physician and surgeon or licensed registered nurse whenever involved in the treatment of a patient, as described in Section 1247.3.

1247.8. Each hemodialysis unit or clinic shall have information available for inspection by the department survey teams which shows the local training program and competency test and the names of all hemodialysis technicians and hemodialysis technician trainees employed in the unit or clinic. Where a hemodialysis unit or clinic does not adopt a local training program and test, it shall provide proof that the hemodialysis technicians employed meet the requirements of subdivision (a) of Section 1247.6.

1247.9. No person or entity shall provide chronic dialysis services to patients in this state unless the services are provided under the direction of a chronic dialysis clinic, licensed pursuant to Section 1204 of the Health and Safety Code, or a general acute care hospital, licensed pursuant to Section 1250 of the Health and Safety Code.

SEC. 5. The sum of eight thousand two hundred sixty-six dollars ($8,266) is hereby appropriated from the General Fund to the State Department of Health Services for the implementation of this act.

CHAPTER 1298

An act to amend Sections 7712, 8664.8, and 8664.9 of, to add Section 8664.12 to, to add and repeal Sections 8664.10 and 8664.11 of, and to repeal Section 8610 of, the Fish and Game Code, and to amend Sections 31125, 31126, and 31127 of the Public Resources Code, relating to fishing nets, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 7712 of the Fish and Game Code is amended to read:

7712. Where a fishery is closed or restricted due to the need to protect a fishery resource, marine mammals, or sea birds, or due to a conflict with other fisheries or uses of the marine environment, it shall be the policy of the department and the commission, consistent with budgetary and personnel considerations, to assist and foster the development of alternative fisheries or alternative fishing gear for those commercial fishermen affected by the restrictions, closures, or resource losses, including, but not limited to, the issuing of experimental gear permits pursuant to Section 8606 for alternative fishing methods or fishing gear within state waters and for fisheries for those species which are currently underutilized or for fisheries where there is a determination that a commercial harvest is biologically acceptable, and to give preference to commercial shellfish fishermen affected by resource losses to restore and rebuild shellfish resources. Not more than 12 experimental gear permits shall be issued for the purposes of this section and they shall be issued pursuant to Section 8664.9. The department and commission shall make every effort, consistent with the department's existing budget and personnel resources, to provide observer coverage for alternative or experimental gear permits as required by the commission to provide a representative sample of the impacts that gear may have and its efficacy for use in California fisheries and to determine any change in the maximum sustainable yield of halibut, including the take of halibut by sport fishermen, in fisheries developed as a result of the experimental gear permit program under this section. Administrative procedures shall be expedited for the hiring or contracting for necessary observer personnel to carry out this policy. The commission shall not require complete, 100 percent, observer coverage by the department of the use of alternative fishing methods or fishing gear under an experimental gear permit issued pursuant to Section 8606 for the purpose of carrying out this section unless the reasons for the necessity for complete observer coverage are expressly found by the commission. Nothing in this section precludes the management by the department of the halibut resource at the maximum sustainable yield.

SEC. 2. Section 8610 of the Fish and Game Code is repealed.

SEC. 3. Section 8664.8 of the Fish and Game Code is amended to read:

8664.8. (a) Notwithstanding Sections 8685, 8687, 8696, and 8724, set or drift gill or trammel nets shall not be used on or after April 1, 1987, in the following ocean waters, except as provided in subdivision

(d):

(1) Between a line extending 245° magnetic from the most westerly point of the west point of the Point Reyes headlands in Marin County and the westerly extension of the California-Oregon boundary.

(2) In waters which are 40 fathoms or less in depth at mean lower low water between a line extending 245° magnetic from the most westerly point of the west point of the Point Reyes headlands in Marin County and a line extending due east and west magnetic from Duxbury bouy in Marin County.

(b) Notwithstanding Sections 8687, 8696, and 8724, set or drift gill or trammel nets shall not be used in the following ocean waters from April 1, 1987, to March 31, 1988, except as provided in subdivision (d):

(1) In waters which are 20 fathoms or less in depth at mean lower low water between a line extending due east and west magnetic from Duxbury buoy in Marin County and a line extending 225° magnetic from Franklin Point in San Mateo County.

(2) In waters within five nautical miles of the most westerly point of Point San Pedro.

(c) Notwithstanding Sections 8664.5, 8687, 8696, and 8724, set or drift gill or trammel nets shall not be used on and after April 1, 1988, in waters which are 40 fathoms or less in depth at mean lower low water between a line extending 245° magnetic from the most westerly point of the west point of the Point Reyes headlands in Marin County and a line extending 220° magnetic from the mouth of Waddell Creek in Santa Cruz County.

(d) Subdivisions (a), (b), and (c) do not apply to the following ocean waters:

(1) Drake's Estero and Estero de Limantour.

(2) That part of Tomales Bay which is not part of District 10 pursuant to Section 11018.

(e) Subdivisions (a), (b), and (c) do not apply to the use of set gill nets used pursuant to Article 15 (commencing with Section 8550) of Chapter 2 of Part 3 of Division 6 or regulations adopted under that article or to the use of drift gill nets with a mesh size of 14 inches or more.

(f) (1) Notwithstanding subdivision (b) and Sections 8687, 8696, and 8724, gill or trammel nets shall not be used within three nautical miles of the Farallon Islands, and Noonday Rock buoy in San Francisco County.

(2) If the director determines that the use of set or drift gill or trammel nets is having an adverse impact on any population of any species of sea bird, marine mammal, or fish, the director shall issue an order prohibiting the use of those nets between three nautical miles and five nautical miles of the Farallon Islands and Noonday Rock buoy or any portion of that area. The order shall take effect no later than 48 hours after its issuance. The director shall hold a properly noticed public hearing in a place convenient to the affected area within one week of the effective date of the order to describe

the action taken and shall take testimony as to the effect of the order and determine whether any modification of the order is necessary. Gill and trammel nets used to take fish in District 10 shall be marked at each end with a buoy displaying above its waterline in Arabic numerals at least 2 inches high, the certificate of vessel registration number issued by the department under Section 7881 for the vessel from which the net is being used. Nets shall be marked at both ends and at least every 250 fathoms between the ends with flags of the same color and at least 144 square inches in size, acceptable to the department.

SEC. 4. Section 8664.9 of the Fish and Game Code is amended to read:

8664.9. (a) Except as provided in subdivision (c) of Section 8664.10, with the advice of the Nearshore Research Advisory Committee, the department may issue a permit which is valid only until April 1, 1988, for the use of gill or trammel nets, to each of not more than five individuals who are impacted as described in Section 8664.11, upon application, as selected by the department, for the purpose of providing for a phase-out of the use of gill and trammel nets in areas specified in Section 8664.8 as being closed. If the advisory committee recommends more than five applicants as warranting a permit, the department shall issue five permits through a random drawing of names of those recommended applicants. The permittee may use gill or trammel nets under a permit issued under this section in those areas where that use is otherwise prohibited pursuant to Section 8664.8. The nets used under this section shall not exceed a length of more than 250 fathoms and shall be of such design as the department may specify. The department shall evaluate the effects of the use of gill and trammel nets under this subdivision on sea birds and marine mammals and, if adverse effects on sea birds or marine mammals are found, the director shall revoke the permits.

(b) With the advice of the Nearshore Research Advisory Committee, the department may issue a nontransferrable, revokable permit for the experimental use of Scottish seines, pair trawl, or other alternative gear between a line extending 220° magnetic from the mouth of Waddel Creek in Santa Cruz County and a line extending 270° magnetic from the mouth of the Gualala River near the Sonoma-Mendocino County line to each of no more than seven persons displaced by the closures of ocean water to the use of nets enacted by the statute amending this section at the 1987–88 Regular Session of the Legislature. The department shall evaluate the effects of the experimental gear used under this subdivision on sea birds and marine mammals and, if adverse effects on sea birds or marine mammals are found, the director shall revoke the permits and close this experimental fishery.

SEC. 5. Section 8664.10 is added to the Fish and Game Code, to read:

8664.10. (a) The Nearshore Research Advisory Committee is hereby created. The committee shall consist of five commercial

fishermen, appointed by the director, who are impacted as described in Section 8664.11 by the closure of ocean waters to the use of nets enacted by the statute adding this section at the 1987–88 Regular Session of the Legislature, five persons appointed by the director who are representatives of groups of people dedicated to the preservation of sea birds and marine mammals, one person appointed by the director who is a representative of sport fishermen and who is not involved in any commercial fishing activity in the area affected by Section 8664.8, and one representative of the department designated by the director.

(b) The committee shall advise the department on experimental gear research permits issued under Section 8664.9.

(c) The department shall not issue a permit pursuant to Section 8664.9 to a fisherman serving as a member of the Nearshore Research Advisory Committee.

(d) Subject to the availability of funds, the department may employ or contract for the services of a gill net and alternative gear coordinator to provide assistance to fishermen affected by this article to develop alternative gear or to enter new fisheries.

(e) This section shall remain in effect only until January 1, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1991, deletes or extends that date.

SEC. 6. Section 8664.11 is added to the Fish and Game Code, to read:

8664.11. Notwithstanding the prohibition against the transfer of a permit in Sections 1052 and 8681, any person, whose existing permit to use gill and trammel nets issued pursuant to Section 8681 which is valid for the period of April 1, 1987, to March 31, 1988, has been impacted by the amendments to Section 8664.8 enacted by the statute amending that section at the 1987–88 Regular Session of the Legislature, may transfer the gill and trammel net permit to any person who possesses a valid California commercial fishing license and meets the requirements of Article 5 (commencing with Section 8680), as determined by the department, for use in other fisheries outside of the affected area. A fisherman to whom a general gill and trammel net permit is transferred shall first meet the qualifications for the permit pursuant to Article 5 (commencing with Section 8680). Any transfer made pursuant to this section shall be reported to the department's Eureka, Menlo Park, Monterey, or Long Beach offices within five working days of the transfer.

For purposes of this section, a person whose permit issued pursuant to Section 8681 is impacted is a person who caught and landed at least 500 pounds of halibut, 1,000 pounds of white croaker, 500 pounds of shark, 500 pounds of starry flounder, or 2,000 pounds of any combination of the above species in Districts 10 and 17 during the 1986–87 or 1987–88 permit year or a person who, prior to the effective date of this section, filed an appeal of a denial of a special permit pursuant to former Section 8610, as it read prior to being repealed by the act enacting this section, which appeal was upheld

by the commission Only landings which can be verified by landing receipts submitted to the department pursuant to Section 8043 shall be used to determine qualified impacted permittees who are eligible to transfer a permit. The Legislature finds and declares that this special provision is necessary for reasons of hardship to the affected fishermen, to provide them with necessary opportunities to enter new fisheries or other business endeavors.

This section shall remain in effect only until June 1, 1988, and as of that date is repealed, unless a later enacted statute, which is enacted before June 1, 1988, deletes or extends that date.

SEC. 7. Section 8664.12 is added to the Fish and Game Code, to read:

8664.12. (a) Notwithstanding Section 31125.5 of the Public Resources Code, any fisherman may apply for alternative gear financing pursuant to Section 31125 of the Public Resources Code if that fisherman possessed a special permit, which was issued pursuant to former Section 8610 as it read before the enactment of Chapter 1245 of the Statutes of 1986 and obtains an experimental gear permit from the department pursuant to Section 8664.9, and if the fisherman meets the requirements of either of the following:

(1) The person's special permit was impacted as described in Section 8664.11.

(2) Before the enactment of this section, the person filed an appeal of a denial of a special permit pursuant to former Section 8610 as it read prior to the enactment of this section.

(b) The annual interest on the loans under this section shall not be less than 6 percent per annum and the term of the loan shall not exceed seven years.

SEC. 8. Section 31125 of the Public Resources Code is amended to read:

31125. (a) The conservancy shall allocate four hundred fifty thousand dollars ($450,000) from moneys available to or received by it to carry out the alternative fishing gear loan program prescribed in Article 1.5 (commencing with Section 8612) of Chapter 3 of Part 3 of Division 6 of, and Section 8664.12 of, the Fish and Game Code and Section 31125.5.

(b) On and after September 20, 1986, and before January 1, 1988, the money allocated by subdivision (a) shall be allocated in the order prescribed in the following schedule:

(1) At least one hundred fifty thousand dollars ($150,000) shall be allocated for loans for experimental fishing gear to permittees within nearshore areas north of a line due west from Point Sur in Monterey County where gill nets and trammel nets are restricted in order to protect marine birds and mammals.

(2) After the allocation in paragraph (1) is made, at least two hundred thousand dollars ($200,000) shall be allocated for loans for experimental fishing gear to permittees within nearshore areas between a line due west from Point Sal in Santa Barbara County to a line due west from Point Sur in Monterey County where gill nets

and trammel nets are restricted in order to protect marine birds and mammals.

(3) After the allocations in paragraphs (1) and (2) are made, at least one hundred thousand dollars ($100,000) shall be allocated for loans for experimental fishing gear to permittees within nearshore areas north of a line due west of Point Conception in Santa Barbara County where gill nets and trammel nets cannot be used in order to protect marine birds and mammals.

(c) On or after January 1, 1988, the allocation schedule in subdivision (b) is inoperative, and that subdivision has no force or effect.

(d) Of the amounts allocated pursuant to subdivision (a) which are unencumbered on April 1, 1988, the conservancy shall allocate not to exceed one hundred thousand dollars ($100,000) for low interest loans in accordance with Section 13 of Senate Bill No. 40 of the 1987–1988 Regular Session of the Legislature. No new loans shall be executed under the loan program on or after January 1, 1990.

SEC. 9. Section 31126 of the Public Resources Code is amended to read:

31126. The conservancy shall review the status and effectiveness of the alternative fishing gear loan program and report its findings and recommendations to the Legislature on or before April 1, 1989. The report shall include all of the following:

(a) Information from the Department of Fish and Game on the number of experimental fishing gear permits that have been approved; the areas of the state where operations under the permits have occurred; the number in operation; the number revoked; and the number terminated.

(b) Information from the Department of Fish and Game, or its designee, on the effectiveness of the experimental fishing gear permits in protecting marine resources while providing a commercial harvest for the fishing industry.

(c) Information on the number of loans issued; interest earned; the number of defaults, terminations, or revocations; and the number of outstanding loans.

SEC. 10. Section 31127 of the Public Resources Code is amended to read:

31127. Notwithstanding Section 31126, if, after its review of the alternative fishing gear loan program, and submittal of its report to the Legislature, there appears to be a lack of interest in continuing the alternative fishing gear loan program, the conservancy may elect to terminate the loan program for the year beginning on April 1, 1989. However, if the conservancy continues the program, it shall submit a final report containing the information required in Section 31126 to the Legislature on or before April 1, 1989.

SEC. 11. The Legislature hereby finds and declares that it is the public policy of the state to protect and foster its valuable fishing industry, the employment and nutritional products it provides the people of this state, and to lend assistance to fishermen, many of

whom are of low income or refugees, to develop alternative fishing gear or enter new fisheries when the existing fishing gear they have used, pursuant to valid permits and licenses issued by the state, is found to have a deleterious effect on nontarget marine birds and mammals. The Legislature finds that the closures enacted in Section 8664.8 of the Fish and Game Code are unique and, unlike other restrictions placed on fishing operations, are for the purpose of protecting marine birds and mammals and are not necessary or required for the preservation of the species of fish being targeted by the gill and trammel nets subject to prohibitions in Section 8664.8 of the Fish and Game Code. Closures in Section 8664.8 of the Fish and Game Code are of such magnitude that in many instances gill and trammel net fishing gear, as a practical matter, is no longer usable in the affected area. Therefore, all persons so impacted by the closures in Section 8664.8 of the Fish and Game Code, as described in Section 8664.11 of the Fish and Game Code, may apply for a low-interest loan pursuant to Section 8664.12 of the Fish and Game Code.

SEC. 12. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

SEC. 13. The sum of not more than two hundred thousand dollars ($200,000) is hereby appropriated as follows:

(a) From the amounts allocated pursuant to subdivision (a) of Section 31125 of the Public Resources Code, which are unencumbered on April 1, 1988, the sum of not more than one hundred thousand dollars ($100,000) is reappropriated to the State Coastal Conservancy for purposes of assisting fishermen pursuant to Section 31125.5 of the Public Resources Code and Section 8664.12 of the Fish and Game Code. The conservancy shall make low-interest loans to fishermen meeting the qualifications developed by the conservancy pursuant to Chapter 910 of the Statutes of 1986. Within six months of the repayment of each of the loans, the money repaid shall be deposited in the State Coastal Conservancy Fund. Until January 1, 1989, the State Coastal Conservancy shall give priority to persons eligible for loans under Section 31125.5 of the Public Resources Code, and, thereafter, shall give no preference to persons eligible for loans under either Section 31125.5 of the Public Resources Code or Section 8664.12 of the Fish and Game Code. No new loans shall be made from this allocation on or after January 1, 1990.

(b) From the California Environmental License Plate Fund, the sum of one hundred thousand dollars ($100,000) to the Department of Fish and Game for purposes of assessing and monitoring alternative gear fishing activities and effects upon marine life.

SEC. 14. The Legislature finds and declares that, consistent with the policies of Sections 1700 and 7712 of the Fish and Game Code, it

is in the public interest to continue to assess the effectiveness, and the effects upon marine resources, of the use of existing and experimental fishing gear. These assessments, which require monitoring at sea, have been supported in part since 1982 by contributions from a private foundation and by federal and state assistance. Therefore, it is increasingly necessary to provide for these continued monitoring and assessment activities.

SEC. 15. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to make the closures to the use of fishing nets effective in the next fishing season, it is necessary that this act take effect immediately.

CHAPTER 1299

An act to amend Section 6348.2 of the Business and Professions Code, and to amend Section 17788 of the Education Code, relating to public agencies, and making an appropriation therefor.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 6348.2 of the Business and Professions Code is amended to read:

6348.2. When a board of law library trustees in any county determines to erect a library building to house the law library, it may borrow money for that purpose and repay the loan from its future income. The board may borrow the money from any person, or private or public agency, or corporation, in an amount not exceeding half of the funds of the board allocated to the construction of the building, upon such terms as may be agreed upon by the board and the lender and approved by resolution of the board of supervisors of the county.

SEC. 2. Section 17788 of the Education Code is amended to read:

17788. In addition to any other powers and duties as are granted the board by this chapter, other statutes, or the State Constitution, the board has the power to do each of the following:

(a) Establish any qualifications not in conflict with other provisions of this chapter, as it deems will best serve the purposes of this chapter, for determining the eligibility of school districts and county superintendents of schools to lease portable classrooms under this chapter.

(b) Establish any procedures and policies in connection with the administration of this chapter as it deems necessary.

(c) Adopt any rules and regulations for the administration of this chapter requiring such procedure, forms, and information, as it may deem necessary.

(d) Have constructed, furnished, equipped, or otherwise require whatever work is necessary to place, portable classrooms on school sites where needed.

(e) Own, have maintained, and lease portable classrooms to qualifying school districts and county superintendents of schools.

(f) From any moneys in the State School Building Aid Fund available for purposes of this chapter, the board shall make available to the Director of General Services such amounts as it determines necessary to provide the assistance, pursuant to this chapter, required by Section 15504 of the Government Code.

(g) Notwithstanding any other provision of law, from any funds available to the board, the board may, no later than January 15 of any year, make available to the Director of General Services up to thirty-five million dollars ($35,000,000) for expenditure in the subsequent school year. It is the intent of the Legislature that this allocation be annually funded from an appropriation made for this purpose by the Legislature in the Budget Act for the fiscal year in which the board is to act to make that funding available. These funds shall be utilized to purchase portable classrooms for the purposes of this section.

SEC. 3. Notwithstanding any other provision of law, any claim for reimbursement for costs incurred during the 1983–84 fiscal year under a voluntary program adopted by the Riverside Unified School District in 1965 and designed to remedy the harmful effects of racial segregation, which claim was received by the Controller on or after July 8, 1986, but no later than December 18, 1986, and is approved under Section 42249 of the Education Code, may be paid by the Controller from funds appropriated from Item 6100-115-001 of Section 2.00 of the Budget Act of 1987 in an amount not to exceed the lesser of costs approved by the Controller or one hundred ten thousand one hundred eighty-six dollars ($110,186).

SEC. 4. Due to the unique circumstances concerning the Riverside Unified School District, the Legislature finds and declares that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution.

CHAPTER 1300

An act to amend Section 6359.4 of, and to add Section 6359.2 to, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 6359.2 is added to the Revenue and Taxation Code, to read:

6359.2. (a) Except as otherwise provided in Sections 6359.4, 6359.45, 6363, and 6370, for the year beginning on January 1, 1988, and ending on December 31, 1988, 77 percent of the gross receipts of any retailer from the sale at retail of food products (other than hot prepared food products, as defined in Section 6359) shall be subject to the tax imposed by Section 6051, when those food products are actually sold through a vending machine.

(b) Except as otherwise provided in Sections 6359.4, 6359.45, 6363, and 6370, for the year beginning on January 1, 1989, and ending on December 31, 1989, 55 percent of the gross receipts of any retailer from the sale at retail of food products (other than hot prepared food products, as defined in Section 6359) shall be subject to the tax imposed by Section 6051, when those food products are actually sold through a vending machine.

(c) Except as otherwise provided in Sections 6359.4, 6359.45, 6363, and 6370, for the year beginning on January 1, 1990, and thereafter, 33 percent of the gross receipts of any retailer from the sale at retail of food products (other than hot prepared food products, as defined in Section 6359) shall be subject to the tax imposed by Section 6051, when those food products are actually sold through a vending machine.

(d) The Legislature finds that 33 percent represents the statewide average of cold food products sold through vending machines which are subject to the tax imposed under this part. Therefore, the Legislature establishes this average as the measure of the tax with respect to vending machine sales to simplify tax auditing procedures and to provide for uniformity in the taxation of gross receipts derived from the sale of cold food products through vending machines.

The Legislature also finds that due to fiscal constraints, it is necessary to phase in the partial exemption for sales made through vending machines in the 1988 and 1989 calendar years.

SEC. 2. Section 6359.4 of the Revenue and Taxation Code is amended to read:

6359.4. (a) Any vending machine operator is a consumer of, and shall not be considered a retailer of, food products which sell at retail for fifteen cents ($0.15) or less and which are actually sold through

a vending machine.

(b) Notwithstanding subdivision (a), any vending machine operator is a consumer of, and shall not be considered a retailer of, food products, other than beverages or hot prepared food products, which are sold through a coin-operated bulk vending machine if the amount of each sale is twenty-five cents ($0.25) or less. For purposes of this subdivision, "bulk vending machine" means a vending machine containing unsorted food products other than beverages or hot prepared food products which, upon insertion of a coin, dispenses those food products in approximately equal portions, at random, and without selection by the customer.

SEC. 3. Notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made by this act and the state shall not reimburse any local agency for any sales and use tax revenues lost by it under this act.

SEC. 4. This act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect. However, the provisions of this act shall become operative on the first day of the first calendar quarter commencing more than 90 days after the effective date of this act.

CHAPTER 1301

An act to amend Sections 40420, 40422, 40424, 40426, 40440, 40462, 40469, 40482, 40504, 40506, and 40509 of, to add Sections 40405, 40406, 40426.5, 40426.7, 40447.5, 40447.6, and 40451 to, to add and repeal Section 40501.2 of, and to repeal Section 40421 of, the Health and Safety Code, relating to the South Coast Air Quality Management District.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 40405 is added to the Health and Safety Code, to read:

40405. (a) As used in this chapter, "best available control technology" means an emission limitation that will achieve the lowest achievable emission rate for the source to which it is applied. Subject to subdivision (b), "lowest achievable emission rate," as used in this section, means the more stringent of the following:

(1) The most stringent emission limitation that is contained in the state implementation plan for the particular class or category of source, unless the owner or operator of the source demonstrates that the limitation is not achievable.

(2) The most stringent emission limitation that is achieved in practice by that class or category or source.

(b) "Lowest achievable emission rate" shall not be construed to authorize the permitting of a proposed new source or a modified source that will emit any pollutant in excess of the amount allowable under the applicable new source standards of performance.

SEC. 1.5. Section 40406 is added to the Health and Safety Code, to read:

40406. As used in this chapter, "best available retrofit control technology" means an emission limitation that is based on the maximum degree of reduction achievable, taking into account environmental, energy, and economic impacts by each class or category of source.

SEC. 2. Section 40420 of the Health and Safety Code is amended to read:

40420. (a) The south coast district shall be governed by a district board consisting of 11 members appointed as follows:

(1) One member appointed by the Governor, with the advice and consent of the Senate.

(2) One member appointed by the Senate Committee on Rules.

(3) One member appointed by the Speaker of the Assembly.

(4) Four members appointed by the boards of supervisors of the counties in the south coast district. Each board of supervisors shall appoint one of these members, who shall be one of the following:

(A) A member of the board of supervisors of the county making the appointment.

(B) A mayor or member of a city council from a city in the portion of the county making the appointment that is included in the south coast district.

(5) Four members appointed by cities in the south coast district. The city selection committee of each county included in the south coast district shall appoint one of these members, who shall be either a mayor or a member of the city council of a city in the portion of the county included in the south coast district.

(b) All members shall be appointed on the basis of their demonstrated interest and proven ability in the field of air pollution control and their understanding of the needs of the general public in connection with air pollution problems of the South Coast Air Basin.

(c) The member appointed by the Governor shall be either a physician who has training and experience in the health effects of air pollution, an environmental engineer, a chemist, a meteorologist, or a specialist in air pollution control.

(d) Each member shall be appointed on the basis of his or her ability to attend substantially all meetings of the south coast district board, to discharge all duties and responsibilities of a member of the south coast district board on a regular basis, and to participate actively in the affairs of the south coast district. No member may designate an alternate for any purpose or otherwise be represented by another in his or her capacity as a member of the south coast district board.

(e) Each appointment by a board of supervisors shall be considered and acted on at a duly noticed, regularly scheduled hearing of the board of supervisors, which shall provide an opportunity for testimony on the qualifications of the candidates for appointment.

(f) The appointments by cities in the south coast district shall be considered and acted on at a duly noticed meeting of the city selection committee, which shall meet in a government building and provide an opportunity for testimony on the qualifications of the candidates for appointment. The appointment shall be made by not less than two-thirds of all the cities in the portion of the county included in the south coast district having not less than two-thirds of the population of all the cities in the portion of the county included in the south coast district. Population shall be determined on the basis of the most recent verifiable census data developed by the Department of Finance. Persons residing in unincorporated areas or areas of a county outside the south coast district shall not be considered for the purposes of this subdivision.

(g) The members appointed by the Senate Committee on Rules and the Speaker of the Assembly shall have one or more of the qualifications specified in subdivision (c) or shall be a public member. No such member appointed may be a locally elected official.

(h) All members shall be residents of the district.

SEC. 3. Section 40421 of the Health and Safety Code is repealed.

SEC. 4. Section 40422 of the Health and Safety Code is amended to read:

40422. (a) The term of each member of the south coast district board shall be four years and until his or her successor is appointed. Any vacancy on the south coast district board shall be filled within 60 days of its occurrence by its appointing authority.

(b) The members first appointed to the board shall classify themselves by lot so that the terms of four members expire January 15, 1990, the terms of four members expire January 15, 1991, and the terms of three members expire January 15, 1992.

(c) Notwithstanding subdivision (a), no member of a board of supervisors, mayor, or member of a city council shall hold office on the south coast district board for more than 60 days after ceasing to be supervisor, mayor, or member of the city council, respectively, and the membership on the board held by that person terminates upon the expiration of that 60-day period. However, any mayor who immediately resumes the office of member of the city council, and any member of a city council who becomes mayor, has not ceased to hold office for the purposes of this subdivision.

(d) Any member who does not attend three consecutive meetings of the south coast district board without good and sufficient cause therefor, shall be removed by the appointing authority. Any member who does not attend three consecutive meetings of the south coast district board, without good and sufficient cause therefor, and is not

thereupon removed by the appointing authority, may be removed by the affirmative vote of at least eight members of the south coast district board.

SEC. 5. Section 40424 of the Health and Safety Code is amended to read:

40424. (a) Except as provided in subdivision (b), six members of the south coast district board shall constitute a quorum, and no official action shall be taken by the south coast district board except in the presence of a quorum and upon the affirmative votes of a majority of the members of the south coast district board.

(b) Notwithstanding subdivision (a), whenever there are two or more vacancies on the south coast district board, five members shall constitute a quorum, and the two vacant positions shall not be counted toward the majority required for official action by the south coast district board. Thereafter, whenever at least one of those vacancies is filled, the quorum and voting requirements of subdivision (a) shall apply.

SEC. 6. Section 40426 of the Health and Safety Code is amended to read:

40426. Each member of the south coast district board shall receive compensation of one hundred dollars ($100) for each day, or portion thereof, but not to exceed one thousand dollars ($1,000) per month, while attending meetings of the south coast district board or any committee thereof or, upon authorization of the south coast district board, while on official business of the south coast district, and the actual and necessary expenses incurred in performing the member's official duties.

SEC. 7. Section 40426.5 is added to the Health and Safety Code, to read:

40426.5. (a) Upon the request of any person, or on his or her own initiative, the Attorney General may file a complaint in the superior court for the county in which the south coast district board has its principal office alleging that a member of the south coast district board knowingly or willfully violated any provision of Title 9 (commencing with Section 81000) of the Government Code, setting forth the facts upon which the allegation is based, and asking that the member be removed from office. Further proceedings shall be in accordance as near as may be with rules governing civil actions. If, after trial, the court finds that the member of the south coast district board knowingly violated this section, it shall issue an order removing the member from office.

(b) The remedy provided in this section is in addition to, and not to the exclusion of, any other remedy, sanction, or penalty available pursuant to law.

SEC. 8. Section 40426.7 is added to the Health and Safety Code, to read:

40426.7. (a) No retired, dismissed, or separated employee or officer of the south coast district, or member of the south coast district board, shall participate in any contract of the district in which

he or she engaged in any of the negotiations, transactions, planning, arrangements, or any part of the decisionmaking process relevant to the contract while acting in the capacity of employee or officer of the south coast district, or member of the south coast district board, during the 24-month period commencing on the date the person became retired, dismissed, or separated from service with the south coast district or ceased being a member of the south coast district board.

(b) For a period of 12 months following retirement, dismissal, or separation from service with the south coast district, no former employee or officer of the south coast district, or member of the south coast district board, shall enter into a contract with the south coast district if that person had been with the south coast district in a position involving making any decision, giving or withholding any approval, making any recommendation, rendering any advice, or conducting any investigation concerning the general subject of the proposed contract within 12 months prior to retirement, dismissal, or separation from service with the south coast district. Notwithstanding the prohibitions in this subdivision, the south coast district board may, however, by a two-thirds vote, enter into a contract with a retired employee of the south coast district or an employee who separated under conditions satisfactory to the south coast district if the south coast district board finds and determines that, at the time of the retirement or separation, the employee was working on one or more programs that are of great importance to the south coast district, that the services of the employee are necessary to assure the continued effectiveness of the program or programs, that the contract is only for that period of time necessary to complete the employee's work on the program or programs, and that the employee is the most qualified person to provide the needed services.

(c) No former employee or officer of the south coast district previously holding a position designated in the conflict-of-interest code of the south coast district, and no member of the south coast district board, who was, at any time while in the service of the south coast district, involved in making any decision, giving or withholding any approval, making any recommendation, rendering any advice, or conducting any investigation involving a particular person shall, with respect to any of these matters that the former employee, officer, or member of the south coast district board was involved in, do any of the following:

(1) Act as an agent or attorney, or otherwise represent, that person in an appearance before the south coast district board or the hearing board.

(2) Make a communication on behalf of that person with the intent to influence the south coast district board or its officers or employees or the hearing board.

(3) Represent, aid, counsel, advise, consult with, or otherwise assist that person in connection with any of these matters in any

capacity.

(4) Knowingly enter into a contract or accept employment for any purpose specified in this subdivision.

(d) Any violation of this section is a misdemeanor.

(e) This section shall become operative on July 1, 1988.

SEC. 9. Section 40440 of the Health and Safety Code is amended to read:

40440. (a) The south coast district board shall adopt rules and regulations that carry out the plan and are not in conflict with state law and federal laws and rules and regulations. Upon adoption and approval of subsequent revisions of the plan, these rules and regulations shall be amended, if necessary, to conform to the plan.

(b) The rules and regulations adopted pursuant to subdivision (a) shall do all of the following:

(1) Require the use of best available control technology for new and modified sources and the use of best available retrofit control technology for existing sources.

(2) Promote cleaner burning alternative fuels.

(3) Consistent with Section 40414, provide for indirect source controls in those areas of the south coast district in which there are high-level, localized concentrations of pollutants or with respect to any new source that will have a significant effect on air quality in the South Coast Air Basin.

(4) Provide for transportation control measures, as listed in the plan.

(c) The south coast district board shall adopt rules and regulations that will assure that all its administrative practices and the carrying out of its programs are efficient and cost-effective, consistent with the goals of achieving and maintaining federal and state ambient air quality standards and achieving the purposes of this chapter.

SEC. 10. Section 40447.5 is added to the Health and Safety Code, to read:

40447.5. Notwithstanding any other provision of law, the south coast district board may adopt regulations that do all of the following:

(a) Require operators of public and commercial fleet vehicles, consisting of 15 or more vehicles under a single owner or lessee and operating substantially in the south coast district, when adding vehicles to or replacing vehicles in an existing fleet or purchasing vehicles to form a new fleet, to purchase vehicles which are capable of operating on methanol or other equivalently clean burning alternative fuel and to require that these vehicles be operated, to the maximum extent feasible, on the alternative fuel when operating in the south coast district. Notwithstanding Section 39021, as used in this subdivision, the term "commercial fleet vehicles" is not limited to vehicles that are operated for hire, compensation, or profit. No regulation adopted pursuant to this paragraph shall apply to emergency vehicles operated by local law enforcement agencies, fire departments, or to paramedic and rescue vehicles until the south coast district board finds and determines that the alternative fuel is

available at sufficient locations so that the emergency response capabilities of those vehicles is not impaired.

(b) Encourage and facilitate ridesharing for commuter trips into, out of, and within the south coast district.

(c) Prohibit or restrict the operation of heavy-duty trucks during hours of heaviest commuter traffic on freeways and other high traffic volume highways. In adopting regulations pursuant to this paragraph, the south coast district shall consult with the Department of Transportation and the Department of the California Highway Patrol and the transportation commission of each county in the south coast district. No regulation adopted pursuant to this paragraph shall, however, prohibit or restrict the operation of any heavy-duty truck engaged in hauling solid or hazardous waste or a toxic substance if that truck is required to be operated at certain times of day pursuant to an ordinance adopted for the protection of public health or safety by a city or county or any heavy-duty truck required to be operated at certain times of the day pursuant Section 25633 of the Business and Professions Code.

SEC. 11. Section 40447.6 is added to the Health and Safety Code, to read:

40447.6. (a) Notwithstanding any other provision of law, the south coast district board may, subject to the approval of the state board, adopt regulations that specify the composition of diesel fuel manufactured for sale in the south coast district. These regulations shall impose requirements at least as stringent as those of the state board. No regulation shall be adopted pursuant to this section until the south coast district has evaluated the safety of any fuel of a particular composition proposed to be required by the regulations. This section shall become operative January 1, 1989.

(b) In adopting regulations pursuant to this section, the south coast district board shall consider the effect of the regulation on emissions, public health, ambient air quality, and visibility in the south coast air basin; the technological feasibility and economic costs and benefits of the regulation compared to other available measures; and the availability of low emission and alternative fueled vehicles and alternative fuels.

SEC. 12. Section 40451 is added to the Health and Safety Code, to read:

40451. (a) The south coast district shall use the Pollutant Standards Index developed by the Environmental Protection Agency and shall report and forecast pollutant levels daily for dissemination in the print and electronic media.

(b) Using existing communication facilities available to it, the south coast district shall notify all schools in the South Coast Air Basin whenever any federal primary ambient air quality standard is predicted to be exceeded.

(c) Whenever it becomes available, the south coast district shall disseminate to schools, amateur adult and youth athletic organizations, and all public agencies operating parks and

recreational facilities in the south coast district the latest scientific information and evidence regarding the need to restrict exercise and other outdoor activities during periods when federal primary air quality standards are exceeded.

(d) Once every two months and annually, the south coast district shall report on the number of days and locations that federal and state ambient air quality standards were exceeded and the number of days and locations of these occurrences.

SEC. 13. Section 40462 of the Health and Safety Code is amended to read:

40462. The plan and subsequent revisions shall contain deadlines for compliance with the federally mandated attainment of primary ambient air quality standards. The plan and subsequent revisions shall contain deadlines and schedules to achieve the state ambient air quality standards by the earliest date achievable by the application of all reasonably available control measures and technologies, including, but not limited to, the best available control technology, indirect source controls, and transportation control measures, and the use of cleaner burning alternative fuels. The plan and subsequent revisions shall contain deadlines and schedules to achieve the federal secondary ambient air quality standards by the earliest date achievable by the application of all reasonably available control measures and technologies.

The plan and subsequent revisions shall ensure that future economic growth and development in the South Coast Air Basin is, to the maximum extent feasible, consistent with the goals of achieving and maintaining those air quality standards. The revisions to the plan shall identify the resources necessary to carry out its provisions, including enforcement costs and the effect of its provisions on energy resources.

SEC. 14. Section 40462 of the Health and Safety Code is amended to read:

40462. (a) The plan and subsequent revisions shall contain deadlines for compliance with the federally mandated attainment of primary ambient air quality standards. The plan and subsequent revisions shall contain deadlines and schedules to achieve the state ambient air quality standards by the earliest date achievable by the application of all reasonably available control measures and technologies, including, but not limited to, the best available control technology, indirect source controls, and transportation control measures, and the use of cleaner burning alternative fuels. The plan and subsequent revisions shall contain deadlines and schedules to achieve the federal secondary ambient air quality standards by the earliest date achievable by the application of all reasonably available control measures and technologies.

(b) The plan and subsequent revisions shall ensure that future growth and development in the South Coast Air Basin and within the sensitive zone established pursuant to subdivision (a) of Section 40410.5 are, to the maximum extent feasible, consistent with the goal

of achieving and maintaining those air quality standards. The revisions to the plan shall identify the resources necessary to carry out its provisions, including enforcement costs and the effect of its provisions on energy resources.

SEC. 15. Section 40469 of the Health and Safety Code is amended to read:

40469. (a) Following submittal by the south coast district, the state board shall review the plan to determine its adequacy to meet federally mandated primary ambient air quality standards and all other requirements of the Clean Air Act (42 U.S.C. Sec. 7401 et seq.) and its adequacy to attain state ambient air quality standards through application of the best available control technology, indirect source controls, transportation control measures, and the use of cleaner burning alternative fuels. If the state board determines that portions of the plan meet the requirements of the Clean Air Act, it shall adopt and submit to the Environmental Protection Agency the portions of the plan required by the Clean Air Act within 120 days after receipt of the plan from the south coast district.

(b) If the state board determines that the plan does not meet all the requirements of the Clean Air Act, or does not include a deadline for the attainment of the state ambient air quality standards by application of the best available control technology, indirect source controls, transportation control measures, and the use of cleaner burning alternative fuels, the state board shall, prior to amending the plan, convene a committee comprised of two members each of the state board, the Executive Committee of the Southern California Association of Governments, and the south coast district board appointed by the entity they represent to attempt to resolve the differences. If it is necessary to amend the plan, the state board shall do so at a public hearing held pursuant to Section 41652 and shall submit to the Environmental Protection Agency the portions of the plan required by the Clean Air Act within 120 days after receipt of the plan from the south coast district. In submitting the plan to the Environmental Protection Agency, the state board shall indicate what changes have been made to the plan.

SEC. 16. Section 40482 of the Health and Safety Code is amended to read:

40482. The south coast district board may delegate duties to the executive officer as it deems appropriate. The executive officer shall perform and discharge, under the direction and control of the south coast district board, the powers, duties, purposes, functions, and jurisdiction vested in the south coast district board and delegated pursuant to this section.

Any power, duty, purpose, function, or jurisdiction which the south coast district board may lawfully delegate is conclusively presumed to have been delegated to the executive officer unless it is shown that the south coast district board, by affirmative vote recorded in its minutes, specifically has reserved the particular power, duty, purpose, function, or jurisdiction for its own action.

SEC. 17. Section 40501.2 is added to the Health and Safety Code, to read:

40501.2. (a) The south coast district board shall provide, by rule or regulation, for appeals to the hearing board of decisions on the issuance or renewal of permits. An appeal may be brought by the applicant, permittee, or any other person under conditions and prerequisites specified in the rule.

(b) This section shall remain in effect only until the date that Assembly Bill 2595 of the 1987–88 Regular Session of the Legislature, if enacted, becomes operative and provides for appeals by any person concerning the issuance of permits by the south coast district, and on that date is repealed.

SEC. 18. Section 40504 of the Health and Safety Code is amended to read:

40504. The south coast district shall work with those persons granted variances to reduce emissions of air contaminants from their operations.

SEC. 19. Section 40506 of the Health and Safety Code is amended to read:

40506. (a) In accordance with the purposes of this chapter as set forth in Section 40402, the south coast district board shall adopt rules and regulations for the issuance by the south coast district board of permits authorizing the construction, alteration, replacement, operation, or use of any article, machine, equipment, or other contrivance for which a permit may be required by the south coast district board.

(b) The rules and regulations shall include a schedule of fees for the filing of applications for permits and for the modification, revocation, extension, or annual renewal of permits. All applicants, including, notwithstanding Section 6103 of the Government Code, an applicant that is a publicly owned public utility, shall pay the fees required by the rules and regulations.

SEC. 20. Section 40509 of the Health and Safety Code is amended to read:

40509. Any person may petition the south coast district board to hold a public hearing on any application to issue or renew a permit.

SEC. 21. The South Coast Air Quality Management District shall prepare and submit to the Legislature and the State Air Resources Board, on or before September 1, 1988, a draft of rules and regulations for a system of emissions charges as an economic incentive system for reducing emissions and improving air quality in the South Coast Air Basin. This section does not authorize the adoption of any rules or regulations. The rules and regulations shall include, but not be limited to, all of the following:

(a) Reasonable assurances that significant air quality benefits will be achieved.

(b) A reasonable period of time for those benefits to be realized.

(c) The reduction or control of emissions from all sources coming under the district's jurisdiction through the equitable application of

the requirements of the rules and regulations.

(d) A reasonable relationship of the economic costs of the program to the benefits realized.

SEC. 22. Section 14 of this bill incorporates amendments to Section 40462 of the Health and Safety Code proposed by both this bill and AB 222. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 40462 of the Health and Safety Code, and (3) this bill is enacted after AB 222, in which case Section 13 of this bill shall not become operative.

SEC. 23. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act and because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1302

An act to amend Sections 25315, 25358.3, 25359, and 25363 of, and to add Sections 25323.5 and 25359.7 to, the Health and Safety Code, relating to hazardous substances.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 25315 of the Health and Safety Code is amended to read:

25315. "Federal act" means the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sec. 9601, et seq.).

SEC. 2. Section 25323.5 is added to the Health and Safety Code, to read:

25323.5. (a) "Responsible party" or "liable person," for the purposes of this chapter, means those persons described in Section 107(a) of the federal act (42 U.S.C. Sec. 9607(a)).

(b) For the purposes of this chapter, the defenses available to a responsible party or liable person shall be those defenses specified in Sections 101(35) and 107(b) of the federal act (42 U.S.C. Secs. 9601(35) and 9607(b)).

SEC. 3. Section 25358.3 of the Health and Safety Code is amended to read:

25358.3. (a) Whenever the director determines that there may

be an imminent or substantial endangerment to the public health or welfare or to the environment, because of a release or a threatened release of a hazardous substance, the director may do any or all of the following:

(1) Order any responsible party or parties to take appropriate removal or remedial action necessary to protect the public health and safety and the environment. No order under this section shall be made to an owner of real property solely on the basis of that ownership as specified in Sections 101(35) and 107(b) of the federal act (42 U.S.C. Secs. 9601(35) and 9607(b)).

(2) Take or contract for any necessary removal or remedial action.

(3) Request the Attorney General to secure relief that may be necessary to abate the danger or threat. The superior court of the county in which the threat or danger occurs shall have jurisdiction to grant the relief which the public interest and equities of the case may require.

(b) When the director determines that a release of a hazardous substance has occurred or is about to occur, the director may do any or all of the following:

(1) Undertake those investigations, monitoring, surveys, testing, and other information gathering necessary to identify the existence, source, nature, and extent of the hazardous substances involved and the extent of danger to the public health or environment.

(2) Undertake those planning, legal, fiscal, economic, engineering, architectural, and other studies or investigations which are necessary or appropriate to plan and direct response actions, to recover the cost of those actions, and to enforce this chapter.

(c) Whenever there is a release or threatened release of a hazardous substance into the environment, the director may take or contract for any necessary removal or remedial action and may take or contract for any actions authorized by subdivision (b), in compliance with the provisions of this chapter, including, but not limited to, subdivision (b) of Section 25355.

(d) Any person bidding for a contract specified in subdivision (c) shall submit a disclosure statement, as specified by Section 25112.5, except for a federal, state, or local agency. The director may prohibit a person from bidding on such a contract if the director makes any of the following determinations:

(1) The director determines, in writing, that the bidder, or, if the bidder is a business entity, any trustee, officer, director, partner, or any person holding more than 5 percent of the equity in or debt liability of that business entity, has engaged in activities resulting in any federal or state conviction which are significantly related to the fitness of the bidder to perform the bidder's duties or activities under the contract. For purposes of this paragraph, "conviction" means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action which the department may take pursuant to this subdivision relating to the department's refusal to permit a person to bid on the contract may be based upon a conviction for

which any of the following has occurred:

(A) The time for appeal has elapsed.

(B) The judgment of conviction has been affirmed on appeal.

(C) Any order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Section 1203.4 of the Penal Code permitting that person to withdraw the plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment.

(2) The director determines, in writing, that the bidder, or, if the bidder is a business entity, any trustee, officer, director, partner, or any person holding more than 5 percent of the equity in or debt liability of that business entity, has violated or failed to comply with this chapter or Chapter 6.5 (commencing with Section 25100) or Chapter 6.7 (commencing with Section 25280) of this division, the Porter-Cologne Water Quality Control Act (Division 7 (commencing with Section 13000) of the Water Code), the Resource Conservation and Recovery Act of 1976, as amended, (42 U.S.C. Sec. 6901 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sec. 1801 et seq.), the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sec. 9601 et seq.), the Toxic Substances Control Act (15 U.S.C. Sec. 2601 et seq.), or any other equivalent federal or state statute or any requirement or regulation adopted pursuant thereto relating to the generation, transportation, treatment, storage, recycling, disposal, or handling of a hazardous waste, as defined in Section 25117, a hazardous substance, as defined in Section 25316, or a hazardous material, as defined in Section 353 of the Vehicle Code, if the violation or failure to comply shows a repeating or recurring pattern or may pose a threat to public health or safety or the environment.

(3) The director determines, in writing, that the bidder has had a license, permit, or registration for the generation, transportation, treatment, storage, recycling, disposal, or handling of hazardous waste or hazardous substances revoked or suspended.

SEC. 4. Section 25359 of the Health and Safety Code is amended to read:

25359. (a) Any person who is liable for a release, or threat of a release, of hazardous substances and who fails, without sufficient cause, as determined by the court, to properly provide removal or remedial action upon order of the director or the court, pursuant to Section 25358.3, is liable to the department for punitive damages up to three times the amount of any costs incurred by the state account pursuant to this chapter as a result of the failure to take proper action.

(b) No punitive damages shall be imposed under this section against an owner of real property who did not generate, treat, transport, store, or dispose of any hazardous substance on, in, or at the facility located on that real property, as specified in Sections

101(35) and 107(b) of the federal act (42 U.S.C. Secs. 9601(35) and 9607(b)).

SEC. 5. Section 25363 of the Health and Safety Code is amended to read:

25363. (a) Any party found liable for any costs or expenditures recoverable under this chapter who establishes by a preponderance of the evidence that only a portion of those costs or expenditures are attributable to that party's actions, shall be required to pay only for that portion.

(b) If the trier of fact finds the evidence insufficient to establish each party's portion of costs or expenditures under subdivision (a), the court shall apportion those costs or expenditures, to the extent practicable, according to equitable principles, among the defendants.

(c) The state account shall pay any portion of the judgment in excess of the aggregate amount of costs or expenditures apportioned under subdivisions (a) and (b).

(d) The standard of liability for any costs or expenses recoverable pursuant to this chapter is strict liability.

(e) Except as provided in subdivision (d) of Section 25356.6, any person found liable under this chapter who did not generate, treat, transport, store, or dispose of a hazardous substance may seek indemnity or contribution for any costs or expenditures incurred by that person under this chapter from any person found liable for the release or threatened release of a hazardous substance for which those costs or expenditures were incurred.

SEC. 6. Section 25359.7 is added to the Health and Safety Code, to read:

25359.7. (a) Any owner of nonresidential real property who knows, or has reasonable cause to believe, that any release of hazardous substance has come to be located on or beneath that real property shall, prior to the sale of the real property, give written notice of that condition to each buyer of the real property. Failure of the owner to provide written notice when required by this subdivision to each buyer shall subject the owner to actual damages and any other remedies provided by law. In addition, where the owner has actual knowledge of the presence of any hazardous substance and knowingly and willfully fails to provide written notice to the buyer, the owner is liable for a civil penalty not to exceed five thousand dollars ($5,000) for each separate violation.

(b) Any lessee or renter of real property who knows, or has reasonable cause to believe, that any hazardous substance has come to be located on or beneath that real property shall, upon discovery by the lessee or renter of the presence or suspected presence of the hazardous substance, give written notice of that condition to the owner of the real property.

(1) Failure of the lessee or renter to provide written notice when required by this subdivision to the owner shall make the leasehold or rental agreement voidable at the discretion of the owner, except

that this paragraph shall not apply to lessees and renters of property used exclusively for residential purposes.

(2) If the lessee or renter has actual knowledge of the presence of any hazardous substance and knowingly and willfully fails to provide written notice when required by this subdivision to the owner, the lessee or renter is liable for a civil penalty not to exceed five thousand dollars ($5,000) for each separate violation.

CHAPTER 1303

An act to amend Sections 1306, 4750, 4753, and 4755 of, to add Section 827.1 to, to repeal Section 4700.2 of, and to add Chapter 2.5 (commencing with Section 4325) to Title 4 of Part 3 of, the Penal Code, relating to penal law, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 827.1 is added to the Penal Code, to read:

827.1. A person who is specified or designated in a warrant of arrest for a misdemeanor offense may be released upon the issuance of a citation, in lieu of physical arrest, unless one of the following conditions exists:

(a) The misdemeanor cited in the warrant involves violence.

(b) The misdemeanor cited in the warrant involves a firearm.

(c) The misdemeanor cited in the warrant involves resisting arrest.

(d) The misdemeanor cited in the warrant involves giving false information to a peace officer.

(e) The person arrested is a danger to himself or herself or others due to intoxication or being under the influence of drugs or narcotics.

(f) The person requires medical examination or medical care or was otherwise unable to care for his or her own safety.

(g) The person has other ineligible charges pending against him or her, including outstanding charges of failure to appear.

(h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person.

(i) The person refuses to sign the notice to appear.

(j) The person cannot provide satisfactory evidence of personal identification.

(k) The warrant of arrest indicates that the person is not eligible to be released on a citation.

The issuance of a citation under this section shall be undertaken in the manner set forth in Sections 853.6 to 853.8, inclusive.

SEC. 2. Section 1306 of the Penal Code is amended to read:

1306. (a) When any bond is forfeited and the period of time specified in Section 1305 has elapsed without the forfeiture having been set aside, the court which has declared the forfeiture, regardless of the amount of the bail, shall enter a summary judgment against each bondsman named in the bond in the amount for which the bondsman is bound. In no event shall the judgment exceed the amount of the bond, with costs, and notwithstanding any other provision of law, no penalty assessments shall be levied or added to the judgment.

(b) If, because of the failure of any court to promptly perform the duties enjoined upon it pursuant to this section, summary judgment is not entered within 90 days after the date upon which it may first be entered, the right to do so expires and the bail is exonerated.

(c) A dismissal of the complaint, indictment or information after the default of the defendant shall not release or affect the obligation of the bail bond or undertaking.

(d) The district attorney or civil legal adviser of the board of supervisors shall:

(1) Demand immediate payment of the judgment within 30 days after the summary judgment becomes final.

(2) If the judgment remains unpaid for a period of 20 days after demand has been made, shall forthwith enforce the judgment in the manner provided for enforcement of money judgments generally. If the judgment is appealed by the surety or bondsman, the undertaking required to be given in such cases shall be provided by a surety other than the one filing the appeal. The undertaking shall comply with the enforcement requirements of Section 917.1 of the Code of Civil Procedure.

(e) The right to enforce a summary judgment entered against a bondsman pursuant to this section shall expire two years after the entry of the judgment.

SEC. 3. Chapter 2.5 (commencing with Section 4325) is added to Title 4 of Part 3 of the Penal Code, to read:

CHAPTER 2.5. PILOT JAIL INDUSTRY PROGRAMS

4325. The board of supervisors of a county of the ninth class or the 19th class, as described in Sections 28030 and 28040, respectively, of the Government Code, or both county boards, with the concurrence of the sheriff of the county, may establish by ordinance or resolution, a Jail Industry Commission for that county, which commission shall have the same purposes, powers, and duties with respect to the county jail as the Prison Industry Authority has under Article 1 (commencing with Section 2800) of Chapter 6 of Title 1 with respect to institutions under the jurisdiction of the Department of Corrections. As used in this chapter, "commission" means a Jail Industry Commission.

4326. The commission shall be composed of nine members, four

of whom shall be appointed by, and serve at the pleasure of, the board of supervisors, and three of whom shall be appointed by, and serve at the pleasure of, the sheriff. The chairperson of the board of supervisors or his or her designee shall also be a member. The sheriff shall be ex officio chairperson of the commission.

The board of supervisors shall provide for the compensation of members of the commission, and shall provide for the meetings, support staff, and general operations of the commission.

4327. Upon the establishment of the commission, the board of supervisors shall establish a Jail Industries Fund, which may be a revolving fund, for funding the operations of the commission. All jail industry income shall be deposited in, and any prisoner compensation shall be paid to the account of the prisoner from, the Jail Industries Fund.

4328. Funds in a Jail Industries Fund may only be used for the operation or expansion of the jail industry program or to cover operating and construction costs of county detention facilities, and may not be transferred to the county general fund.

4329. No commission established pursuant to Section 4325 or any county jail industry program conducted under the authority of a commission, shall remain in existence for more than two years from the date of its establishment.

SEC. 4. Section 4700.2 of the Penal Code is repealed.

SEC. 5. Section 4750 of the Penal Code is amended to read:

4750. A city or county shall be entitled to reimbursement for reasonable and necessary costs connected with state prisons or prisoners in connection with any of the following:

(a) Any crime committed at a state prison, whether by a prisoner, employee, or other person.

With respect to a prisoner, "crime committed at a state prison" as used in this subdivision, includes, but is not limited to, crimes committed by the prisoner while detained in local facilities as a result of a transfer pursuant to Section 2910 or 6253, or in conjunction with any hearing, proceeding, or other activity for which reimbursement is otherwise provided by this section.

(b) Any crime committed by a prisoner in furtherance of an escape. Any crime committed by an escaped prisoner within 10 days after the escape and within 100 miles of the facility from which the escape occurred shall be presumed to have been a crime committed in furtherance of an escape.

(c) Any hearing on any return of a writ of habeas corpus prosecuted by or on behalf of a prisoner.

(d) Any trial or hearing on the question of the sanity of a prisoner.

(e) Any costs not otherwise reimbursable under Section 1557 or any other related provision in connection with any extradition proceeding for any prisoner released to hold.

(f) Any costs incurred by a coroner in connection with the death of a prisoner.

(g) Any costs incurred in transporting a prisoner within the host

county or as requested by the prison facility or incurred for increased security while a prisoner is outside a state prison.

SEC. 6. Section 4753 of the Penal Code is amended to read:

4753. A city or county shall designate an officer or agency to prepare a statement of costs that shall be reimbursed under this chapter.

The statement shall be sent to the Controller for approval. The Controller shall reimburse the city or county within 60 days after receipt of the statement or provide a written statement as to the reason for not making reimbursement at that time. If sufficient funds are not available, the Controller shall request the Director of Finance to include any amounts necessary to satisfy the claims in a request for a deficiency appropriation.

SEC. 7. Section 4755 of the Penal Code is amended to read:

4755. Whenever a person has entered upon a term of imprisonment in a penal or correctional institution, and whenever during the continuance of the term of imprisonment there is a detainer lodged against the prisoner by a law enforcement or prosecutorial agency of the state or its subdivisions, the Department of Corrections may do either of the following:

(a) Release the inmate to the agency lodging the detainer, within five days, or five court days if the law enforcement agency lodging the detainer is more than 400 miles from the county in which the institution is located, prior to the scheduled release date provided the inmate is kept in custody until the scheduled release date.

(b) Retain the inmate in custody up to five days, or five court days if the law enforcement agency lodging the detainer is more than 400 miles from the county in which the institution is located, after the scheduled release date to facilitate pickup by the agency lodging the detainer.

If a person has been retained in custody under this subdivision in response to the issuance of a warrant of arrest charging a particular offense and the defendant is released from custody following the retention period without pickup by the agency lodging the detainer, a subsequent court order shall be issued before the arrest of that person for the same offense which was charged in the prior warrant.

As used in this section "detainer" means a warrant of arrest.

SEC. 8. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

County jail facilities are operating far above capacity with an ever increasing jail population. In order to facilitate the safe operation of these facilities, as provided in this act, at the earliest possible time, it is essential that this act take effect immediately.

CHAPTER 1304

An act to amend Section 1255 of, and to add and repeal Part 1.87 (commencing with Section 444.30) of Division 1 of, the Health and Safety Code, relating to health.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Part 1.87 (commencing with Section 444.30) is added to Division 1 of the Health and Safety Code, to read:

PART 1.87. MOBILE HEART CATHETERIZATION LABORATORIES PILOT PROJECT

444.30. The Legislature finds and declares all of the following:

(a) Currently cardiac catheterization diagnostic procedures are performed almost exclusively in a general acute care hospital setting, and generally on an inpatient basis. The procedure is relatively costly, as are many of the inpatient diagnostic procedures that rely heavily on expensive high technology.

(b) Recent advances in technology indicate the feasibility of performing high quality, safe diagnostic cardiac catheterization procedures in mobile heart catheterization laboratories. This could lower the cost of care for the diagnostic procedure, as well as obviate the need in many instances for an expensive hospital stay. Additionally, it could obviate the need for small rural hospitals to incur the expense of installing their own laboratories.

(c) Prior to providing permanent legal authority to permit diagnostic cardiac catheterization to be performed in mobile heart catheterization laboratories, it is the intent of the Legislature that diagnostic cardiac catheterization provided in a mobile setting be evaluated on a pilot project basis and demonstrated to be a safe, high quality, cost-effective diagnostic modality.

(d) It is further the intent of the Legislature that a pilot program be authorized under the supervision of the Office of Statewide Health Planning and Development, and that the office report back to the Legislature its findings and recommendations on the pilot program.

444.31. Unless otherwise indicated, as used in this part, the following terms shall be defined as follows:

(a) "Diagnostic cardiac catheterizations in mobile heart catheterization laboratories" means the performance of coronary angiography or diagnostic cardiac catheterization, or both, in a laboratory separated from a general acute care hospital. For the purpose of this part, at least one pilot shall include the use of state-of-the-art digital electronic computer technology with

simultaneous multiplane dynamic imaging capabilities and 1024x1024 resolution and 512x512 at 30 FPS or comparable technology.

(b) "Mobile heart catheterization laboratory" means a laboratory which has been installed on a mobile van, where outpatient cardiac catheterization procedures may be performed pursuant to this part. Each van shall be owned and or leased, and operated, by a general acute care hospital, which has an approved cardiac surgical program.

(c) "Office" means the Office of Statewide Health Planning and Development.

(d) "State department" means the State Department of Health Services.

(e) "Pediatric cardiac surgery service" means a program of a general acute care hospital which has the capability of performing cardiac catheterization and cardiac surgery for the diagnosis and treatment of congenital defects in children. Cardiac catheterization for pediatric patients shall be performed only in a general acute care hospital that has the capability to perform cardiac surgery on pediatric patients and shall not be performed in mobile heart catheterization laboratories, designated pursuant to this part. For purposes of this section, "pediatric patient" means a patient who, as of the date of the medical procedure, has not reached his or her 18th birthday.

444.32. (a) The office shall establish and administer a pilot program to test the safety and cost effectiveness of performing cardiac catheterization in mobile heart catheterization laboratories. The office may approve up to three mobile heart catheterization laboratories for inclusion under the pilot program.

(b) The office shall only authorize pilot projects provided for pursuant to subdivision (a) to provide heart catheterization services in health systems areas number one, two, and three, excluding those health facilities planning areas of Sacramento County, as identified in the 1987 update of the State Health Facilities and Services Plan, as published by the office, and that portion of Placer County that is located in health facility planning area 309.

(c) The office shall not approve any pilot project application submitted by, or on behalf of, any health facility which is located in health facility planning area 209 and is licensed to provide cardiac catheterization services.

(d) Notwithstanding subdivisions (a) to (c), inclusive, the office may approve the use of mobile cardiac catheterization laboratories by a general acute care hospital licensed to provide cardiac care services during that period of time when the fixed laboratory site is not in use due to remodeling, replacement, or upgrading.

(e) The office shall establish procedures, requirements, and protocols regarding the movement or placement of mobile cardiac catheterization laboratories and shall inspect and approve each location site after movement of the laboratory before permitting the laboratory to provide services as authorized under this part. Each

general acute care hospital which owns, or leases and operates a mobile heart catheterization laboratory shall notify the office of any movement or change of location of the laboratory.

444.33. (a) Persons who wish to establish mobile heart catheterization laboratories shall make application to the office for inclusion in the pilot program on forms provided by the office. Applicants shall submit a separate application for each proposed pilot, and nothing in this section shall preclude one general acute care hospital from having more than one pilot mobile heart catheterization laboratory.

The forms shall require the information determined to be needed by the office.

(b) At a minimum, the forms shall require all of the following:

(1) The effective date for initiating pilot project services.

(2) The general service area.

(3) A description of the population to be served.

(4) A detailed description of the services to be provided.

(5) A description of backup emergency services.

(6) The availability of comprehensive care.

(7) The qualifications of the general acute care hospital providing the emergency treatment.

(8) Curricula vitae for the laboratory directors and key staff.

(9) Internal quality assurance criteria and procedures.

444.34. Mobile heart catheterization laboratories shall only provide services at general acute care hospital settings. Specific requirements for proximity to the general acute care hospital, and corridors linking the mobile heart catheterization laboratories to the hospital, shall be the responsibility of the office. For the purposes of this part, these mobile heart catheterization laboratories are exempt from all current space requirements pertaining to heart catheterization laboratories.

444.35. Each mobile heart catheterization laboratory shall be under the direction of a physician and surgeon who is board-eligible or board-certified in cardiovascular disease or diagnostic radiology with demonstrated expertise in performing cardiac catheterization. All physicians and surgeons performing cardiac catheterization in mobile heart catheterization laboratories shall be board-eligible or board-certified by the American Board of Internal Medicine, with specialty certification in cardiovascular disease, or board-eligible or board-certified by the American Board of Radiology, with specialty certification in diagnostic radiology and demonstrated expertise in performing cardiac catheterization.

Each physician and surgeon shall also be a member of the medical staff of the general acute care hospital owning or leasing the mobile laboratory, and medical staff of the general acute care hospital at which the procedures are performed.

Other desirable qualifications for physicians and surgeons directing a mobile heart catheterization laboratory include membership in the Society for Cardiac Angiography, the American

College of Cardiology, or similar equivalent expertise. The office shall determine whether or not an applicant's qualifications meet the requirements of this section. The office may approve equivalent qualifications in consultation with the technical advisory committee, established pursuant to Section 444.39.

444.36. (a) The office, with the advice of the committee, shall review and approve each general acute care hospital as a location at which a mobile heart catheterization laboratory will provide services. The office may approve the use of mobile heart catheterization laboratories at general acute care hospitals which meet the requirements of Section 1255 which are eligible to receive a special permit to have a cardiac catheterization laboratory located in that general acute care hospital. The office may withhold approval of a general acute care hospital meeting such criteria if it finds that any of the criteria as provided in subdivision (b) are not being met and that patient safety may be compromised.

(b) In addition to hospitals that may be approved pursuant to subdivision (a), the office may, with the advice of the committee and upon adoption of regulations, approve general acute care hospitals not meeting the requirements of Section 1255 as sites where services, as approved, may be provided by a mobile heart catheterization laboratory if it is determined that patient safety is not compromised. The office in the review and approval of each general acute care hospital shall consider, but not be limited to, the following criteria: the provision of backup emergency services, the availability of comprehensive care, the specific qualifications of the general acute care hospital, the quality and availability of physicians and other required health care personnel that may be required in an emergency situation, procedures necessary for the stabilization of patients in emergency situations, and specific patient transfer arrangements in emergency situations. The office may deny or limit the use of a mobile heart catheterization laboratory at any general acute care hospital if it determines that the provision of services in such laboratory might compromise patient safety or is not in the best interests of the pilot program.

444.37. As a condition of participation in the pilot program, each applicant shall agree to provide the statistical data and patient information that the office deems necessary for effective evaluation, at such times as the office requires. It is the intent of the Legislature that the office shall develop procedures to assure the confidentiality of patient information, and shall only disclose patient information, including names, as is necessary pursuant to this part or any other law.

444.38. The office may suspend or withdraw approval of pilot projects with notice but without hearing if the office determines that patient safety is or may be jeopardized. A pilot project shall have the right to appeal a suspension to the director of the office, but shall not resume performing mobile cardiac catheterization services pending a favorable outcome of the appeal.

The office may suspend or withdraw approval of pilot projects for reasons other than patient safety, including any violations of the agreement to participate in the pilot program, but in those instances, the office shall give notice to the pilot project director and afford an opportunity to be heard.

444.39. (a) The office shall appoint a technical advisory committee to advise the office on the administration of this part. The technical advisory committee shall include, but not be limited to, a representative of the state department and at least four physicians and surgeons who have specialized training and experience in the field of cardiovascular disease or diagnostic radiology, with training in cardiovascular disease. These physicians and surgeons shall have affiliation with major teaching institutions.

(b) A member of the technical advisory committee shall not be an officer of or a director of any mobile cardiac catheterization laboratory or have any significant beneficial or ownership interest in any mobile cardiac catheterization laboratory designated pursuant to this part. The office shall not consider the application of the hospital wishing to establish a mobile cardiac catheterization laboratory if a member of the technical advisory committee will be the laboratory director or be on the staff of or be an officer of or director of or have a beneficial or ownership interest in the proposed mobile cardiac catheterization laboratory.

(c) Members of the technical advisory committee shall be reimbursed for any actual and necessary expenses incurred in connection with their duties as members of the committee.

(d) Duties of the committee shall include, but not be limited to, advising the office on standards and criteria for approving pilot projects, advising the office on the implementation and ongoing monitoring of the pilot program, and advising the office on the evaluation of the results of the pilot program.

(e) The office shall submit a report to the Legislature on the progress of the pilot program on or before July 1, 1990. The report shall include a recommendation as to whether mobile cardiac catheterization should be continued, and if so, under what conditions. The report shall include a comparison of procedures in mobile cardiac catheterization laboratories with those performed in general acute care hospitals.

444.40. (a) The office shall establish, at a minimum, spatial, staffing, and equipment requirements for laboratories participating in the pilot program.

(b) Each mobile cardiac catheterization laboratory shall assure the office that patients examined by this program have given written informed consent.

(c) All mobile vans constructed for use in these pilot projects shall be of a size in overall width and length measurement that does not require a permit for them to be moved on the streets and highways, and shall be registered and titled for unrestricted movement on the streets and highways by the Department of Motor Vehicles pursuant

to the authority granted by the Vehicle Code.

444.41. (a) Protocols for the performance of mobile cardiac catheterization procedures on an outpatient basis shall be established by the office. The protocols shall include, but not be limited to, both of the following:

(1) Criteria for the selection of patients or exclusion of patients from the performance of mobile cardiac catheterization, equipment, and procedures necessary for the stabilization of patients in emergency situations prior to transfer.

(2) Criteria for patient transfer arrangements in emergency situations, which shall be in accordance with the standards established by the Emergency Medical Services Authority.

(b) Except as otherwise provided in this part, no health facility or clinic licensing or certification requirements shall be required for the performance of mobile cardiac catheterization. The office may consult with the state department as necessary. The office may contract for specialized medical consultation, or other personnel or other services as necessary for the effective implementation of this part.

(c) Regulations adopted by the office to implement this part shall be adopted as emergency regulations in accordance with Section 11346.1 of the Government Code, except that the regulations shall be exempt from the requirements of subdivisions (e), (f), and (g) of that section. The regulations shall be deemed to be an emergency for the purposes of Section 11346.1 of the Government Code and shall remain in effect until January 1, 1989, unless amended or repealed by the office.

444.42. The office may charge participants in the pilot program a reasonable fee which will fully cover the cost of administering this part.

444.43. This part shall remain in effect only until January 1, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1991, deletes or extends that date.

SEC. 2. Section 1255 of the Health and Safety Code is amended to read:

1255. In addition to the basic services offered under the license, a general acute care hospital may be approved in accordance with subdivision (c) of Section 1277 to offer special services including, but not limited to, the following:

(a) Radiation therapy department.
(b) Burn center.
(c) Emergency center.
(d) Hemodialysis center (or unit).
(e) Psychiatric.
(f) Intensive-care newborn nursery.
(g) Cardiac surgery.
(h) Cardiac catheterization laboratory.
(i) Renal transplant.
(j) Such other special services as the department may prescribe

by regulation.

A general acute care hospital which exclusively provides acute medical rehabilitation center services may be approved in accordance with subdivision (b) of Section 1277 to offer special services not requiring surgical facilities.

The state department shall adopt standards for special services and such other regulations as may be necessary to implement this section. For cardiac catheterization laboratory service, the state department shall, at a minimum, adopt standards and regulations which specify that only diagnostic services, and which diagnostic services, may be offered by an acute care hospital or a multispecialty clinic as defined in subdivision (*l*) of Section 1206 which is approved to provide cardiac catheterization laboratory service but is not also approved to provide cardiac surgery service, together with the conditions under which such cardiac catheterization laboratory service may be offered.

A cardiac catheterization laboratory service shall be located in a general acute care hospital which is either licensed to perform cardiovascular procedures requiring extracorporeal coronary artery bypass, which meets all of the applicable licensing requirements relating to staff, equipment, and space for service; or shall, at a minimum, have a licensed intensive care service, coronary care service and maintain a written agreement for the transfer of patients to a general acute care hospital which is licensed for cardiac surgery or shall be located in a multispecialty clinic as defined in subdivision (*l*) of Section 1206. The transfer agreement shall include protocols which will minimize the need for duplicative cardiac catheterizations at the hospital in which the cardiac surgery is to be performed.

For purposes of this section, multispecialty clinic as defined in subdivision (*l*) of Section 1206 includes an entity in which the multispecialty clinic holds at least a 50 percent general partner interest and maintains responsibility for the management of the service, if all of the following requirements are met:

(1) The multispecialty clinic existed as of March 1, 1983.

(2) Prior to March 1, 1985, the multispecialty clinic did not offer cardiac catheterization services, dynamic multiplane imaging, or other types of coronary or similar angiography.

(3) The multispecialty clinic creates only one entity that operates its service at one site.

(4) These entities shall have the equipment and procedures necessary for the stabilization of patients in emergency situations prior to transfer and patient transfer arrangements in emergency situations which shall be in accordance with the standards established by the Emergency Medical Services Authority including the availability of comprehensive care and the qualifications of any general acute care hospital expected to provide emergency treatment.

Except as provided in Part 1.85 (commencing with Section 444)

and Part 1.87 (commencing with Section 444.30) of Division 1, under no circumstances shall cardiac catheterizations be performed outside of a general acute care hospital or a multispecialty clinic, as defined in subdivision (*l*) of Section 1206, which qualifies for this definition as of March 1, 1983.

CHAPTER 1305

An act to amend Section 51283 of the Government Code, relating to land conservation contracts.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 51283 of the Government Code is amended to read:

51283. (a) Prior to any action by the board or council giving tentative approval to the cancellation of any contract, the county assessor of the county in which the land is located shall determine the current fair market value of the land as though it were free of the contractual restriction. The assessor shall certify to the board or council the cancellation valuation of the land for the purpose of determining the cancellation fee.

(b) Prior to giving tentative approval to the cancellation of any contract, the board or council shall determine and certify to the county auditor the amount of the cancellation fee which the landowner shall pay the county treasurer as deferred taxes upon cancellation. That fee shall be an amount equal to 12½ percent of the cancellation valuation of the property.

(c) If they find that it is in the public interest to do so, the board or council may waive any payment or any portion of a payment by the landowner, or may extend the time for making the payment or a portion of the payment contingent upon the future use made of the land and its economic return to the landowner for a period of time not to exceed the unexpired period of the contract, had it not been cancelled, if all of the following occur:

(1) The cancellation is caused by an involuntary transfer or change in the use which may be made of the land and the land is not immediately suitable, nor will be immediately used, for a purpose which produces a greater economic return to the owner.

(2) The board or council has determined it is in the best interests of the program to conserve agricultural land use that the payment be either deferred or not required.

(3) The waiver or extension of time is approved by the Secretary of the Resources Agency. The secretary shall approve a waiver or extension of time if the secretary finds that the granting of the waiver

or extension of time by the local agency is consistent with the policies of this chapter and that the local agency complied with this article. In evaluating a request for a waiver or extension of time, the secretary shall review the findings of the board or council, the evidence in the record of the local agency, and any other evidence the secretary may receive concerning the cancellation, waiver, or extension of time.

(d) When deferred taxes required by this section are collected, they shall be transmitted by the county treasurer to the Controller and be deposited in the General Fund. The funds collected by the county treasurer with respect to each cancellation of a contract shall be transmitted to the Controller within 30 days of the board's or council's execution of a certificate of cancellation of contract, as specified in subdivision (b) of Section 51283.4.

(e) The first four hundred fifty thousand dollars ($450,000) of revenue paid to the Controller pursuant to subdivision (d), in the 1984–85 fiscal year and any fiscal year thereafter, shall be paid to the State Treasury to the credit of the Farmlands Mapping Account, which is hereby created in the General Fund. These funds shall be available for appropriation to the Department of Conservation for purposes of the farmlands mapping and monitoring program established pursuant to Section 65570. All unencumbered funds in the Farmlands Mapping Account as of June 30 of each fiscal year shall revert to the General Fund.

(f) In addition to the amount of funds deposited in the Farmlands Mapping Account pursuant to subdivision (e), a one-time additional one hundred forty-eight thousand dollars ($148,000) of the revenue paid to the Controller, pursuant to subdivision (d), shall, upon appropriation by the Legislature, be deposited in the account and utilized by the Department of Conservation to prepare Interim Farmland maps as permitted by subdivision (d) of Section 65570.

SEC. 2. The Legislature is aware of the Attorney General's Opinion No. 85-1002, dated April 22, 1986, which concludes that the term "full cash value," as used in Section 51283 of the Government Code, does not have the same meaning as the definition set forth in Section 110.1 of the Revenue and Taxation Code. In enacting Section 1 of this act, it is the intent of the Legislature to concur in that interpretation by clarifying that term.

In order to avoid confusion in the implementation of Section 51283 of the Government Code, the Legislature recognizes that local governments will continue to use local interpretations of the cancellation fee formula in carrying out the provisions of that section prior to the effective date of Section 1 of this act, including those local interpretations which are in accord with the Attorney General's opinion cited in this section. Therefore, it is the intent of the Legislature that Section 1 of this act shall be applied only to those cancellation proceedings with respect to which the cancellation fee has not been paid by the landowner prior to the effective date of Section 1. Accordingly, no additional assessment of any cancellation

fee shall be levied and no refund of any portion of any cancellation fee collected shall be made in connection with any cancellation fee which was paid prior to the effective date of this act because of any increase or decrease in any cancellation fee resulting from the enactment of Section 1 of this act.

CHAPTER 1306

An act to add Article 14 (commencing with Section 28090) to Chapter 5 of Division 12 of the Vehicle Code, relating to motor vehicles.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Article 14 (commencing with Section 28090) is added to Chapter 5 of Division 12 of the Vehicle Code, to read:

Article 14. Cellular Telephones

28090. Every renter of a motor vehicle with cellular radio telephone equipment shall provide the person who rents the motor vehicle with written operating instructions concerning the safe use of the equipment. The equipment shall also be clearly labeled with operating instructions concerning the safe use of the equipment.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1307

An act to add Article 14 (commencing with Section 69795) to Chapter 2 of Part 42 of the Education Code, relating to education, and making an appropriation therefor.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares as follows:

(1) There is an acute shortage of physicians and surgeons, dentists,

and registered nurses who practice their professions in many of the inner city and rural communities of the state. Most of these underserved areas are predominantly inhabited by Blacks, Hispanics/Latinos, and Native American Indians. Of the few physicians and surgeons, dentists, and registered nurses who are practicing in these areas, many are themselves Black, Hispanic/Latino, or Native American Indian and provide health services augmented with cultural and linguistic understanding that increases the effectiveness of their services.

(2) An effective strategy of increasing the number of physicians and surgeons, dentists, and registered nurses practicing in medically underserved areas in California is to increase the participation of Black, Hispanic/Latino, and Native American Indian students in schools of medicine, osteopathy, dentistry, and nursing, and in family practice residency training programs.

(3) Data from the United States Census show that Blacks account for 3.4 percent of the state's physicians and surgeons, 2.2 percent of the dentists, and 6.8 percent of the registered nurses. Hispanics/Latinos represent 3.6 percent of the physicians and surgeons, 3.7 percent of the dentists, and 5.5 percent of the registered nurses in the state. Native American Indians make up 0.1 percent of the physicians and surgeons, 0.3 percent of the dentists, and 0.6 percent of the registered nurses in California. The representation of these ethnic groups in the health professions compares very disfavorably with their proportion in the state's population. According to the census, the California population consists of 7.2 percent Blacks, 19.2 percent Hispanics/Latinos, and 0.8 percent Native American Indians.

(4) By increasing the enrollment of Blacks, Hispanics/Latinos, and Native American Indians and other underrepresented persons in schools of medicine, osteopathy, dentistry, and nursing, and in family practice residency training programs the health and welfare of the residents of medically underserved areas in California can be improved.

(5) The responsibility for increasing the participation of Blacks, Hispanics/Latinos, and Native American Indians in the health professions and improving the health and welfare of residents of medically underserved areas lies with the state, private sector institutions, and health science education programs. The state has a responsibility to assure reasonable access to health care to all of its citizens. Private businesses and industry benefit from a healthy and productive work force which reflects the diversity of the state and from improvements made in medically underserved communities. Health science education programs have a responsibility to assure equal opportunity to potential applicants who meet the academic qualifications for training in the health professions. These responsibilities can be furthered through a partnership between the state and the private sector.

(b) In enacting Article 14 (commencing with Section 69795) of

Chapter 2 of Part 42 of the Education Code, it is the intent of the Legislature to do the following:

(1) Through creation of the Minority Health Professions Education Foundation, provide for the solicitation of funds from business, industry, foundations, and other sources to be used to increase the participation of Blacks, Hispanics/Latinos, Native American Indians, and other underrepresented persons in the medical, dental, nursing, and other health professions, and to promote the practice of these professions in the areas of the state determined to be deficient in primary care services.

(2) Increase the participation of Blacks, Hispanics/Latinos, Native American Indians, and other underrepresented persons in the specialty of family practice.

(3) Dedicate funds made available under Article 14 (commencing with Section 69795) of Chapter 2 of Part 42 of the Education Code to promote the practice of minority physicians and surgeons, dentists, nurses, and other health professionals in designated areas of the state with a deficiency of primary care services.

(4) Accomplish the purposes of Article 14 (commencing with Section 69795) of Chapter 2 of Part 42 of the Education Code without appropriation from the General Fund.

(5) Authorize the use of funds that have accumulated in the Health Facility Construction Loan Insurance Fund to initiate activities to accomplish the purposes of Article 14 (commencing with Section 69795) of Chapter 2 of Part 42 of the Education Code. The Legislature finds and declares, in this connection, the following:

(A) The fund balance in the Health Facility Construction Loan Insurance Fund is approaching a prudent reserve amount, and surplus funds soon will be available.

(B) The Health Facility Construction Loan Insurance Program was established to provide low-cost loans to health facilities.

(C) Since the program's inception, eligible health facilities have saved millions of dollars.

(D) It would be appropriate if some of the funds that represent considerable savings to health facilities are returned to the people in the form of support for Blacks, Hispanics/Latinos, Native American Indians, and other underrepresented persons in the health care professions.

SEC. 2. Article 14 (commencing with Section 69795) is added to Chapter 2 of Part 42 of the Education Code, to read:

Article 14. Minority Health Professions Education Foundation

69795. As used in this article:

(a) "Board" means the Board of Directors of the Minority Health Professions Education Foundation.

(b) "Commission" means the Health Manpower Policy Commission.

(c) "Director" means the Director of the Office of Statewide

Health Planning and Development.

(d) "Foundation" means the Minority Health Professions Education Foundation.

(e) "Health professions" or "health professionals" means physicians and surgeons licensed pursuant to Chapter 5 (commencing with Section 2000) of Division 2 of the Business and Professions Code, dentists, registered nurses, and other health professionals determined by the office to be needed in medically underserved areas.

(f) "Office" means the Office of Statewide Health Planning and Development.

(g) "Underrepresented minority groups" means Blacks, Hispanics/Latinos, Native American Indians, or other persons underrepresented in medicine, dentistry, nursing, or other health professions as determined by the board.

69796. There is hereby established in the state government the Minority Health Professions Education Foundation, with a board of directors consisting of nine members appointed by the Governor, one member appointed by the Speaker of the Assembly, and one member appointed by the Rules Committee of the Senate. The members of the foundation board of directors appointed by the Governor, Speaker of the Assembly and Rules Committee of the Senate may include representatives of minority groups which are underrepresented in the health professions, persons employed as health professionals, and other appropriate members of health or related professions. All persons considered for appointment shall have an interest in health programs, an interest in minority health educational opportunities, and the ability and desire to solicit funds for the purposes of this article as determined by the appointing power.

Members of the board shall serve without compensation but shall be reimbursed for any actual and necessary expenses incurred in connection with their duties as members of the board.

69798. The Minority Health Professions Education Foundation may do any of the following:

(a) Solicit and receive funds from business, industry, foundations, and other private or public sources for the purpose of providing direct financial assistance in the form of scholarships or loans to Black, Hispanic/Latino, Native American Indian students, and other students from underrepresented minority groups. These funds shall be deposited in a Minority Health Professions Education Fund, created pursuant to Section 69800.

(b) Recommend to the director the disbursement of private sector moneys deposited in the Minority Health Professions Education Fund to students from underrepresented minority groups accepted to or enrolled in schools of medicine, dentistry, nursing, or other health professions in the form of loans or scholarships.

(c) Recommend to the director a standard contractual agreement to be signed by the director and any participating student, that

would require a period of obligated professional service in the areas in California designated by the commission as deficient in primary care services. The agreement shall include a clause entitling the state to recover the funds awarded plus the maximum allowable interest for failure to begin or complete the service obligation.

(d) Develop criteria for evaluating the likelihood that applicants for scholarships or loans would remain to practice their profession in designated areas deficient in primary care services.

(e) Develop application forms, which shall be disseminated to students from underrepresented minority groups interested in applying for scholarships or loans.

(f) Encourage private sector institutions, including hospitals, community clinics, and other health agencies to identify and provide educational experiences to students from underrepresented minority groups who are potential applicants to schools of medicine, dentistry, nursing, or other health professions.

(g) Prepare and submit an annual report to the Office of Statewide Health Planning and Development documenting the amount of money solicited from the private sector, the number of scholarships and loans awarded, the enrollment levels of students from underrepresented minority groups in schools of medicine, dentistry, nursing, and other health professions, and the projected need for scholarships and loans in the future.

(h) Recommend to the director that a portion of the funds solicited from the private sector be used for the administrative requirements of the foundation.

69799. The Office of Statewide Health Planning and Development shall do all of the following:

(a) Provide technical and staff support to the foundation in meeting all of its responsibilities.

(b) Provide financial management for the Minority Health Professions Education Fund.

(c) Enter into contractual agreements with students from underrepresented minority groups for the disbursement of scholarships or loans in return for the commitment of these students to practice their profession in an area in California designated as deficient in primary care services.

(d) Disseminate information regarding the areas in the state that are deficient in primary care services to potential applicants for the scholarships or loans.

(e) Monitor the practice locations of the recipients of the scholarships or loans.

(f) Recover funds, in accordance with the terms of the contractual agreements, from recipients of scholarships or loans who fail to begin or complete their obligated service. Funds so recovered shall be redeposited in the Minority Health Professions Education Fund.

(g) Contract with the institutions that train family practice residents, in order to increase the participation of students from underrepresented minority groups in entering the specialty of family

practice. The director may seek the recommendations of the commission or foundation as to which programs best demonstrate the ability to meet this objective.

(h) Contract with training institutions which are involved in osteopathic postgraduate training in general or family practice medicine, in order to increase the participation of students from underrepresented minority groups participating in the practice of osteopathy. The director may seek the recommendations of the commission or foundation as to which programs have demonstrated the ability to meet this objective.

(i) Enter into contractual agreements with graduated health professionals to repay some or all of the debts they incurred in health professional schools in return for practicing their professions in an area in California designated as deficient in primary care services.

(j) Contract with institutions that award baccalaureate of science of nursing degrees in order to increase the participation of students from underrepresented minority groups in the nursing profession. The director may seek the recommendations of the commission as to which programs have demonstrated the ability to meet this objective.

69800. There is hereby created within the Office of Statewide Health Planning and Development a Minority Health Professions Education Fund. The primary purpose of this fund is to provide scholarships and loans to students from underrepresented minority groups who are accepted to or enrolled in schools of medicine, dentistry, nursing, or other health professions. The fund shall also be used to pay for the cost of administering the program and for any other purpose authorized by this article. The level of expenditure by the office for the administrative support of the program created pursuant to this article shall be subject to review and approval annually through the state budget process. The office is authorized to receive private donations to be deposited into this fund. All money in the fund is continuously appropriated to the office for the purposes of this article. The office shall manage this fund prudently in accordance with other provisions of law.

69801. Any regulations the office adopts to implement this article shall be adopted as emergency regulations in accordance with Section 11346.1 of the Government Code, except that the regulations shall be exempt from the requirements of subdivisions (e), (f), and (g) of that section. The regulations shall be deemed to be emergency regulations for the purposes of Section 11346.1 of the Government Code.

69802. Notwithstanding any other provision, meetings of the board need not be open to the public when the board discusses applications for financial assistance under this article, or other matters that the board and the office reasonably determine should not be discussed in public due to privacy considerations.

69803. Notwithstanding any other provision of law, the office may exempt from public disclosure any document in the possession of the

office that pertains to a donation made pursuant to this article if the donor has requested anonymity.

SEC. 3. (a) The sum of one million two hundred thousand dollars ($1,200,000) is hereby appropriated from the Health Facility Construction Loan Insurance Fund, established pursuant to Section 436.26 of the Health and Safety Code, to the Office of Statewide Health Planning and Development, for expenditure without regard to fiscal years, for allocation in accordance with the following schedule:

(1) For contracts with medical center or hospital training institutions which train family practice residents to increase the participation of students from underrepresented minority groups in the specialty of family practice	$650,000
(2) For contracts with medical center or hospital training institutions which train postgraduate osteopathic physicians in general or family medicine, to increase the participation of students from underrepresented minority groups participating in the practice of osteopathy	$350,000
(3) For administrative responsibilities of the Office of Statewide Health Planning and Development and the Minority Health Professions Education Foundation pursuant to Article 14 (commencing with Section 69795) of Chapter 2 of Part 42 of the Education Code.	$200,000

(b) The amount appropriated for contracts to the training institutions pursuant to paragraphs (1) and (2) of subdivision (a) shall not exceed the cost incurred pursuant to Article 14 (commencing with Section 69795) of Chapter 2 of Part 42 of the Education Code and shall not be construed to be a subsidy to the training institutions.

(c) The funds specified in paragraphs (1) and (2) of subdivision (a) shall be available only to residency programs and postgraduate programs that make a demonstrable showing that they are increasing the number of enrolled students from underrepresented minority groups.

(d) The director may use the funds specified in paragraph (3) of subdivision (a) for sole-source contracts for technical and staff services needed by the office and the foundation for the purposes of Article 14 (commencing with Section 69795) of Chapter 2 of Part 42 of the Education Code.

(e) Any portion of funds appropriated pursuant to this section that is unexpended or unencumbered before July 1, 1990, shall revert to the Health Facility Construction Loan Insurance Fund on that date.

CHAPTER 1308

An act to amend, repeal, and add Section 51283 of the Government Code, and to amend Section 677 of, and to add Sections 612.5 and 614 to, the Public Resources Code, relating to resources, and making an appropriation therefor.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 51283 of the Government Code is amended to read:

51283. (a) Prior to any action by the board or council giving tentative approval to the cancellation of any contract, the county assessor of the county in which the land is located shall determine the full cash value of the land as though it were free of the contractual restriction. The assessor shall certify to the board or council the cancellation valuation of the land for the purpose of determining the cancellation fee.

(b) Prior to giving tentative approval to the cancellation of any contract, the board or council shall determine and certify to the county auditor the amount of the cancellation fee which the landowner shall pay the county treasurer as deferred taxes upon cancellation. That fee shall be an amount equal to 12½ percent of the cancellation valuation of the property.

(c) If they find that it is in the public interest to do so, the board or council may waive any payment or any portion of a payment by the landowner, or may extend the time for making the payment or a portion of the payment contingent upon the future use made of the land and its economic return to the landowner for a period of time not to exceed the unexpired period of the contract, had it not been cancelled, if all of the following occur:

(1) The cancellation is caused by an involuntary transfer or change in the use which may be made of the land and the land is not immediately suitable, nor will be immediately used, for a purpose which produces a greater economic return to the owner.

(2) The board or council has determined it is in the best interests of the program to conserve agricultural land use that the payment be either deferred or not required.

(3) The waiver or extension of time is approved by the Secretary of the Resources Agency. The secretary shall approve a waiver or extension of time if the secretary finds that the granting of the waiver or extension of time by the local agency is consistent with the policies of this chapter and that the local agency complied with this article. In evaluating a request for a waiver or extension of time, the secretary shall review the findings of the board or council, the evidence in the record of the local agency, and any other evidence

the secretary may receive concerning the cancellation, waiver, or extension of time.

(d) The first seven hundred thousand dollars ($700,000) of revenue paid to the Controller pursuant to subdivision (f) in the 1987–88 fiscal year shall be paid to the State Treasury to the credit of the Farmlands Mapping Account in the General Fund, which is continued in existence through June 30, 1988. These funds shall be available upon appropriation to the Department of Conservation in the 1987–88 fiscal year for the following purposes:

(1) Four hundred fifty thousand dollars ($450,000) for the farmland mapping and monitoring program established pursuant to Section 65570.

(2) Two hundred fifty thousand dollars ($250,000) for purposes of Section 614 of the Public Resources Code.

(e) The first one million one hundred ten thousand dollars ($1,110,000) of revenue paid to the Controller pursuant to subdivision (f) in the 1988–89 fiscal year, and each fiscal year thereafter through the 1992–93 fiscal year, shall be deposited in the Soil Conservation Fund, which is created on July 1, 1988. Moneys from the fund are available, when appropriated by the Legislature, to (1) support the total cost of the farmlands mapping and monitoring program of the Department of Conservation pursuant to Section 66570, (2) support the soil conservation program identified in Section 614 of the Public Resources Code, and (3) contribute toward completion of the modern soil survey program identified in Section 612.5 of the Public Resources Code.

(f) When deferred taxes required by this section are collected, they shall be transmitted by the county treasurer to the Controller and deposited in the General Fund, except as provided in subdivisions (d) and (e). The funds collected by the county treasurer with respect to each cancellation of a contract shall be transmitted to the Controller within 30 days of the board's or council's execution of a certificate of cancellation of contract, as specified in subdivision (b) of Section 51283.4.

(g) This section shall remain operative only until July 1, 1993, and as of January 1, 1994, is repealed, unless a later enacted statute, which is enacted before July 1, 1993, deletes or extends that date.

SEC. 1.5. Section 51283 of the Government Code is amended to read:

51283. (a) Prior to any action by the board or council giving tentative approval to the cancellation of any contract, the county assessor of the county in which the land is located shall determine the current fair market value of the land as though it were free of the contractual restriction. The assessor shall certify to the board or council the cancellation valuation of the land for the purpose of determining the cancellation fee.

(b) Prior to giving tentative approval to the cancellation of any contract, the board or council shall determine and certify to the county auditor the amount of the cancellation fee which the

landowner shall pay the county treasurer as deferred taxes upon cancellation. That fee shall be an amount equal to 12½ percent of the cancellation valuation of the property.

(c) If they find that it is in the public interest to do so, the board or council may waive any payment or any portion of a payment by the landowner, or may extend the time for making the payment or a portion of the payment contingent upon the future use made of the land and its economic return to the landowner for a period of time not to exceed the unexpired period of the contract, had it not been cancelled, if all of the following occur:

(1) The cancellation is caused by an involuntary transfer or change in the use which may be made of the land and the land is not immediately suitable, nor will be immediately used, for a purpose which produces a greater economic return to the owner.

(2) The board or council has determined it is in the best interests of the program to conserve agricultural land use that the payment be either deferred or not required.

(3) The waiver or extension of time is approved by the Secretary of the Resources Agency. The secretary shall approve a waiver or extension of time if the secretary finds that the granting of the waiver or extension of time by the local agency is consistent with the policies of this chapter and that the local agency complied with this article. In evaluating a request for a waiver or extension of time, the secretary shall review the findings of the board or council, the evidence in the record of the local agency, and any other evidence the secretary may receive concerning the cancellation, waiver, or extension of time.

(d) The first seven hundred thousand dollars ($700,000) of revenue paid to the Controller pursuant to subdivision (f) in the 1987–88 fiscal year shall be paid to the State Treasury to the credit of the Farmlands Mapping Account in the General Fund, which is continued in existence through June 30, 1988. These funds shall be available upon appropriation to the Department of Conservation in the 1987–88 fiscal year for the following purposes:

(1) Four hundred fifty thousand dollars ($450,000) for the farmland mapping and monitoring program established pursuant to Section 65570.

(2) Two hundred fifty thousand dollars ($250,000) for purposes of Section 614 of the Public Resources Code.

(e) The first one million one hundred ten thousand dollars ($1,110,000) of revenue paid to the Controller pursuant to subdivision (f) in the 1988–89 fiscal year, and each fiscal year thereafter through the 1992–93 fiscal year, shall be deposited in the Soil Conservation Fund, which is created on July 1, 1988. Moneys from the fund are available, when appropriated by the Legislature, to (1) support the total cost of the farmlands mapping and monitoring program of the Department of Conservation pursuant to Section 66570, (2) support the soil conservation program identified in Section 614 of the Public Resources Code, and (3) contribute

toward completion of the modern soil survey program identified in Section 612.5 of the Public Resources Code.

(f) When deferred taxes required by this section are collected, they shall be transmitted by the county treasurer to the Controller and be deposited in the General Fund, except as provided in subdivisions (d) and (e). The funds collected by the county treasurer with respect to each cancellation of a contract shall be transmitted to the Controller within 30 days of the board's or council's execution of a certificate of cancellation of contract, as specified in subdivision (b) of Section 51283.4.

(g) This section shall remain operative only until July 1, 1993, and as of January 1, 1994, is repealed, unless a later enacted statute, which is enacted before July 1, 1993, deletes or extends that date.

SEC. 2. Section 51283 is added to the Government Code, to read:

51283. (a) Prior to any action by the board or council giving tentative approval to the cancellation of any contract, the county assessor of the county in which the land is located shall determine the full cash value of the land as though it were free of the contractual restriction. The assessor shall certify to the board or council the cancellation valuation of the land for the purpose of determining the cancellation fee.

(b) Prior to giving tentative approval to the cancellation of any contract, the board or council shall determine and certify to the county auditor the amount of the cancellation fee which the landowner shall pay the county treasurer as deferred taxes upon cancellation. That fee shall be an amount equal to 12½ percent of the cancellation valuation of the property.

(c) If it finds that it is in the public interest to do so, the board or council may waive any payment or any portion of a payment by the landowner, or may extend the time for making the payment or a portion of the payment contingent upon the future use made of the land and its economic return to the landowner for a period of time not to exceed the unexpired period of the contract, had it not been canceled, if all of the following occur:

(1) The cancellation is caused by an involuntary transfer or change in the use which may be made of the land and the land is not immediately suitable, nor will be immediately used, for a purpose which produces a greater economic return to the owner.

(2) The board or council has determined that it is in the best interests of the program to conserve agricultural land use that the payment be either deferred or not required.

(3) The waiver or extension of time is approved by the Secretary of the Resources Agency. The secretary shall approve a waiver or extension of time if the secretary finds that the granting of the waiver or extension of time by the local agency is consistent with the policies of this chapter and that the local agency complied with this article. In evaluating a request for a waiver or extension of time, the secretary shall review the findings of the board or council, the evidence in the record of the local agency, and any other evidence

the secretary may receive concerning the cancellation, waiver, or extension of time.

(d) The first eight hundred seventy thousand dollars ($870,000) of revenue paid to the Controller pursuant to subdivision (e) in the 1993–94 fiscal year, and each fiscal year thereafter, shall be deposited in the Soil Conservation Fund, which is hereby created. Moneys from the fund are available, when appropriated by the Legislature, to support the total cost of the farmlands mapping and monitoring program of the Department of Conservation pursuant to Section 66570. When additional revenues are available for deposit in the fund, up to two hundred fifty thousand dollars ($250,000) shall be available for appropriation by the Legislature for support of the soil conservation program identified in Section 614 of the Public Resources Code.

(e) When deferred taxes required by this section are collected, they shall be transmitted by the county treasurer to the Controller and deposited in the General Fund, except that up to eight hundred seventy thousand dollars ($870,000) per year shall be deposited in the Soil Conservation Fund. The funds collected by the county treasurer with respect to each cancellation of a contract shall be transmitted to the Controller within 30 days of the board's or council's execution of a certificate of cancellation of contract, as specified in subdivision (b) of Section 51283.4.

(f) This section shall become operative on July 1, 1993.

SEC. 2.5. Section 51283 is added to the Government Code, to read:

51283. (a) Prior to any action by the board or council giving tentative approval to the cancellation of any contract, the county assessor of the county in which the land is located shall determine the current fair market value of the land as though it were free of the contractual restriction. The assessor shall certify to the board or council the cancellation valuation of the land for the purpose of determining the cancellation fee.

(b) Prior to giving tentative approval to the cancellation of any contract, the board or council shall determine and certify to the county auditor the amount of the cancellation fee which the landowner shall pay the county treasurer as deferred taxes upon cancellation. That fee shall be an amount equal to 12½ percent of the cancellation valuation of the property.

(c) If it finds that it is in the public interest to do so, the board or council may waive any payment or any portion of a payment by the landowner, or may extend the time for making the payment or a portion of the payment contingent upon the future use made of the land and its economic return to the landowner for a period of time not to exceed the unexpired period of the contract, had it not been canceled, if all of the following occur:

(1) The cancellation is caused by an involuntary transfer or change in the use which may be made of the land and the land is not immediately suitable, nor will be immediately used, for a purpose

which produces a greater economic return to the owner.

(2) The board or council has determined that it is in the best interests of the program to conserve agricultural land use that the payment be either deferred or not required.

(3) The waiver or extension of time is approved by the Secretary of the Resources Agency. The secretary shall approve a waiver or extension of time if the secretary finds that the granting of the waiver or extension of time by the local agency is consistent with the policies of this chapter and that the local agency complied with this article. In evaluating a request for a waiver or extension of time, the secretary shall review the findings of the board or council, the evidence in the record of the local agency, and any other evidence the secretary may receive concerning the cancellation, waiver, or extension of time.

(d) The first eight hundred seventy thousand dollars ($870,000) of revenue paid to the Controller pursuant to subdivision (e) in the 1993–94 fiscal year, and each fiscal year thereafter, shall be deposited in the Soil Conservation Fund, which is hereby created. Moneys from the fund are available, when appropriated by the Legislature, to support the total cost of the farmlands mapping and monitoring program of the Department of Conservation pursuant to Section 66570. When additional revenues are available for deposit in the fund, up to two hundred fifty thousand dollars ($250,000) shall be available for appropriation by the Legislature for support of the soil conservation program identified in Section 614 of the Public Resources Code.

(e) When deferred taxes required by this section are collected, they shall be transmitted by the county treasurer to the Controller and deposited in the General Fund, except that up to eight hundred seventy thousand dollars ($870,000) per year shall be deposited in the Soil Conservation Fund. The funds collected by the county treasurer with respect to each cancellation of a contract shall be transmitted to the Controller within 30 days of the board's or council's execution of a certificate of cancellation of contract, as specified in subdivision (b) of Section 51283.4.

(f) This section shall become operative on July 1, 1993.

SEC. 3. Section 612.5 is added to the Public Resources Code, to read:

612.5. (a) The Legislature hereby finds and declares all of the following:

(1) It is in the state's public interest to have an accurate inventory of the state's soil resources.

(2) In California, the United States Soil Conservation Service has been responsible for undertaking soil surveys and soils information for many of California's agricultural counties is outdated or unavailable.

(3) Information on soils is needed for agricultural management, water and soil conservation activities, engineering and land use planning, and state and local policy decisions. Completion of the

California Farmland Mapping and Monitoring Program is contingent upon availability of accurate, modern soil surveys.

(4) State funding of soil surveys has been limited to soil vegetation surveys on wildlands and no state contributions have been made toward the completion of modern soil surveys in California on cropland. In recent years, every state with incomplete soil surveys on farmland, except California, has cost-shared with the United States Soil Conservation Service to complete those surveys.

(5) Federal funding for the soil survey program of the United States Soil Conservation Service has been declining in real dollars in the past several years and is projected to be further reduced under the requirements of the Gramm-Rudman-Hollings Deficit Reduction Act.

(6) Therefore, it is in California's interest to authorize the department to assist the United States Soil Conservation Service with the completion of soil surveys.

(b) The department shall provide financial assistance to the United States Soil Conservation Service to undertake or complete soil surveys in areas of this state where the surveys have not been completed, including, but not limited to, portions of the Counties of San Joaquin, Yuba, Colusa, Butte, Fresno, Kern, Tulare, Stanislaus, and Lassen. Financial assistance shall be applied to field work which includes on-site soils mapping, report writing, manuscript preparation, and final correlation of soils data.

(c) In allocating funds for completion of soil surveys in the United States Soil Conservation Service soil survey areas in California, the department shall consider criteria which includes, but are not limited to, all of the following:

(1) Voids in important farmland maps.

(2) Rate and type of land use changes.

(3) Extent of erosion, alkalinity, and other soil resource problems.

(4) Farm-gate value of agricultural production.

(5) Specific soil-related problems.

(6) Status of ongoing soil surveys.

(7) Extent of cropland in each county.

(8) Availability of local funding or other support.

(d) The department shall make a report on the status of the soil survey program to the Legislature no later than February 1, 1989.

SEC. 4. Section 614 is added to the Public Resources Code, to read:

614. (a) In order to implement the soil conservation plan which is adopted by the soil conservation committee, the department shall conduct a study and propose an implementation strategy to meet the intent of the plan. The study shall include, but not be limited to, all of the following:

(1) An assessment of the structural and policy changes needed in the department to carry out the soil conservation plan.

(2) A review of the provisions of Division 9 (commencing with Section 9000) for the purposes of providing a framework for soil

conservation administration at the state and local levels.

(3) Recommendations on how the department can best deliver soil conservation services.

The department shall report the results of this study to the Legislature on or before December 1, 1988.

(b) The department shall conduct a study of resource conservation districts in California. The study shall include, but not be limited to, all of the following:

(1) A review of the provisions of Division 9 (commencing with Section 9000) to determine the changes in policy and structure necessary to enable resource conservation districts to better provide soil conservation assistance.

(2) Recommendations on the consolidation and reorganization of resource conservation districts.

The department shall report the result of this study to the Legislature on or before December 1, 1989.

(c) The department shall provide soil conservation advisory services to local governments, land owners, farmers and ranchers, resource conservation districts, and the general public. The services shall include, but not be limited to, all of the following:

(1) State level liaison with the resource conservation districts.

(2) Review of environmental impact reports as required under the California Environmental Quality Act (Division 13 (commencing with Section 21000)).

(3) Provision of information on the soil conservation components of the 1985 Food Security Act.

(4) Assistance to local governments on the development of soil conservation guidelines for general plans.

(5) Responding to inquiries from the general public.

From funds appropriated for purposes of this section, an amount, not to exceed fifty thousand dollars ($50,000), shall be utilized for the purposes of this subdivision.

SEC. 5. Section 677 of the Public Resources Code is amended to read:

677. The board shall nominate, and the director shall appoint, the State Geologist, who shall either be registered in compliance with the Geologist and Geophysicist Act at least one year from the date of appointment, or the Board of Geologists and Geophysicists may, upon the review of academic and professional experience, grant registration. The State Geologist shall possess general knowledge of mineral resources, structural geology, seismology, engineering geology, and related disciplines in science and engineering, and the reclamation of mined lands and waters. The State Geologist shall be Chief of the Division of Mines and Geology and shall administer the policies of the board under the supervision of the director.

SEC. 6. Section 1.5 of this bill incorporates amendments to Section 51283 of the Government Code proposed by both this bill and SB 338. Sections 1.5 and 2.5 of this bill shall only become operative if (1) both bills are enacted and become effective on January 1, 1988,

(2) each bill amends Section 51283 of the Government Code, and (3) this bill is enacted after SB 338, in which case Sections 1 and 2 of this bill shall not become operative.

SEC. 7. The sum of two hundred fifty thousand dollars ($250,000) received by the Controller pursuant to subdivision (e) of Section 51283 of the Government Code for contract cancellations and deposited in the 1987–88 fiscal year in the Farmlands Mapping Account in the General Fund is hereby appropriated from the Farmlands Mapping Account in the 1987–88 fiscal year to the Department of Conservation for carrying out Section 614 of the Public Resources Code.

CHAPTER 1309

An act to amend Section 4021 of the Health and Safety Code, relating to health.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 4021 of the Health and Safety Code is amended to read:

4021. (a) The department may grant one or more variances from drinking water standards, treatment techniques, or requirements to a public water system which, because of characteristics of the raw water sources which are reasonably available to the system, cannot meet the requirements respecting the maximum contaminant levels of the drinking water, despite application of the best technology, treatment techniques, or other means which the department finds are generally available, taking costs into consideration. Before the department may grant a variance under this section, the department shall find that the variance will not result in an unreasonable risk to the health of users.

(b) If the department grants a variance under subdivision (a), the supplier shall present a schedule acceptable to the department for the accomplishment, within one year of the date the variance is granted, of both of the following:

(1) Compliance with each contaminant level requirement with respect to which the variance was granted.

(2) Implementation of interim control measures which the department may require for each contaminant subject to the variance during the period ending with the date full compliance is required.

(c) The department may grant an exemption from any requirement respecting a maximum contaminant level or any treatment technique upon a finding that the public water system

meets all of the following conditions:

(1) The system was in operation on the effective date of this chapter.

(2) The public water system is unable to comply with the contaminant level or treatment technique requirements due to compelling factors, which may include economic factors.

(3) The grant of the exemption will not result in an unreasonable risk to health.

If the department grants an exemption under this subdivision, the department shall prescribe a schedule as set forth in subdivision (b) which shall be subject to the same terms and conditions.

(d) Any schedule prescribed under this section shall require compliance with the drinking water standards with respect to each contaminant as expeditiously as the department may determine reasonable. Issuance of the variance or exemption shall be conditioned upon compliance with the schedule.

(e) Before any schedule prescribed under this section may take effect, the department shall provide an opportunity for a public hearing on the schedule. Notice of the public hearing shall be given by the department in writing to the operator of the public water system seeking the variance or exemption and to the public, as provided in Section 6061 of the Government Code, in a form prescribed by the department.

(f) No exemption and no schedule prescribed in connection with this chapter may continue for more than seven years.

(g) Notwithstanding subdivisions (a) to (f), inclusive, at the request of the board of directors of the Big Bear City Community Services District or the Twentynine Palms Water District, the department shall grant a variance from the primary maximum contaminant level for fluoride contained in Title 22 of the California Administrative Code unless the department, after a public hearing, determines that there is substantial community opposition to the variance. A variance granted under this subdivision shall prohibit fluoride levels in excess of 75 percent of the federal Environmental Protection Agency standard or three milligrams per liter, whichever is higher, shall be valid for a period up to 30 years, and shall provide that the variance may be withdrawn upon reasonable notice by the department if the department determines that the community no longer accepts the fluoride level authorized in the variance. If substantial community concerns arise, the board of directors of the district which has jurisdiction shall conduct public hearings, determine the fluoride level which is acceptable to the community, and apply to the department for appropriate changes in the variance.

CHAPTER 1310

An act to amend Sections 18962 and 18979 of, and to add and repeal Chapter 3 (commencing with Section 16200) of Part 4 of Division 9 of, the Welfare and Institutions Code, relating to public social services.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Chapter 3 (commencing with Section 16200) is added to Part 4 of Division 9 of the Welfare and Institutions Code, to read:

CHAPTER 3. CHILD WELFARE TRAINING

Article 1. General Provisions

16200. Unless the context requires otherwise, the definitions set forth in this section shall govern the construction of this chapter.

(a) " Program" means the Child Welfare Training Program.

(b) "Department" means the State Department of Social Services.

Article 2. Child Welfare Training Program

16205. The department shall select and award a grant to a private nonprofit or public entity for the purpose of establishing a statewide multipurpose child welfare training program.

16206. (a) The purpose of the program is to develop and implement statewide coordinated training programs designed specifically to meet the needs of county child protective service social workers assigned emergency response, family maintenance, family reunification, permanent placement, and adoptions responsibilities. It is the intent of the Legislature that the program include training for other agencies under contract with county welfare departments to provide child welfare services. In addition, the program shall provide training programs for persons defined as mandated child abuse reporters pursuant to Sections 11165 and following of the Penal Code. The program shall provide the following services to the extent possible within the total allocation. If allocations are insufficient, the department, in consultation with the grantee or grantees and the Child Welfare Training Advisory Board, shall prioritize the efforts of the program, giving primary attention to the most urgently needed services. However, county child protective service social workers assigned emergency response responsibilities shall receive first priority for training pursuant to this

act.

(b) The program shall provide practice-relevant training for mandated child abuse reporters and all members of the child welfare delivery system which will address critical issues affecting the well-being of children, and shall develop curriculum materials and training resources for use in meeting staff development needs of mandated child abuse reporters and child welfare personnel in public and private agency settings.

This training shall include all of the following:

(1) Crisis intervention.

(2) Investigative techniques.

(3) Rules of evidence.

(4) Indicators of abuse and neglect.

(5) Assessment criteria.

(6) Intervention strategies.

(7) Legal requirements of child protection, including requirements of child abuse reporting laws.

(8) Case management.

(9) Using community resources.

The training may also include any or all of the following:

(1) Child development and parenting.

(2) Intake, interviewing, and initial assessment.

(3) Casework and treatment.

(4) Medical aspects of child abuse and neglect.

(c) Prior to January 1, 1989, the department shall provide the Legislative Analyst and the Select Committee on Children and Youth with a listing of the counties participating in the program, including the number of persons trained in each county.

(d) The training program shall assess the program's performance at least annually and forward it to the State Department of Social Services for an evaluation and report to the Legislative Analyst. The first report shall be forwarded to the Legislative Analyst no later than January 1, 1990, and on the first of January in any subsequent years. The assessment shall include at minimum the following:

(1) The number of persons trained.

(2) The type of training provided.

(3) The degree to which the training is perceived by participants as useful in practice.

16207. Nothing in this chapter is intended to replace training requirements established by the department in regulations contained in Sections 30-196 and 30-272 of the department's manual of policies and procedures.

Article 3. Child Welfare Training Advisory Board

16210. (a) The department shall establish a Child Welfare Training Advisory Board to oversee training programs as specified by this chapter.

(b) The advisory board shall be composed of nine members,

consisting of representatives from child welfare, legal, judicial, and medical disciplines, and representatives from the public sector, who shall advise the director on the development of training programs and materials and other matters as deemed appropriate by the executive director. The board shall be appointed by the Director of Social Services. The advisory board members shall have demonstrated expertise in areas including, but not limited to, sexual, physical, and emotional abuse of children; infant abuse; adolescent abuse; treatment of physically abused, sexually abused, or emotionally abused minors; and special needs of infants and minors.

Article 4. Funding

16215. The appropriation in support of the Child Welfare Training Program shall be provided annually through the Budget Act.

Article 5. Operative Effect

16216. This chapter shall remain operative only to and including June 30, 1992, shall become inoperative July 1, 1992, and as of January 1, 1993, is repealed, unless a later enacted statute chaptered prior to that date extends or deletes that date.

SEC. 2. Section 18962 of the Welfare and Institutions Code is amended to read:

18962. (a) It is the intention of the Legislature that public and private child abuse and neglect prevention and intervention programs be encouraged by the funding of agencies addressing needs of high-risk children.

(b) Programs funded by this act shall be selected through a competitive process which shall include utilizing the following criteria:

(1) Priority shall be given to programs currently serving the needs of children at risk of abuse or neglect which have demonstrated effectiveness in prevention or intervention.

(2) Public and private agencies shall be eligible for funding provided that evidence is submitted as part of the application for funding to demonstrate broad-based community support. This evidence shall further demonstrate that proposed services are not duplicated in the community, are based on needs of the child at risk, and are supported by a local public agency, including, but not limited to, one of the following:

(A) County welfare department.
(B) Public law enforcement.
(C) County probation department.
(D) Board of supervisors.
(E) Public health department.
(F) Mental health department.
(G) Public schools.

(3) Services shall be culturally and linguistically appropriate to the populations served.

(4) Applicant agencies shall demonstrate the existence of a 10-percent cash or in-kind match, other than State Department of Social Services funding, which will support the goals of child abuse and neglect prevention and intervention.

(5) Services funded under this act may include the following: family counseling, day care, respite care, teaching and demonstrating homemakers, family workers, transportation, temporary in-home caretakers, psychiatric evaluations, health services, multidisciplinary services teams, and special law enforcement services. One and one-half percent of the funding provided for by this act shall be expended on statewide training and technical assistance operated by private nonprofit agencies pursuant to a grant from the Office of Child Abuse Prevention. The training and technical assistance funded shall be utilized for all of the following purposes:

(A) Multidisciplinary approaches to child abuse prevention, intervention, and treatment.

(B) Facilitation of local services networks.

(C) Establishment and support of child abuse councils.

(D) Dissemination of information addressing issues of child abuse among multicultural and special needs populations.

(6) Priority for services shall be given to children who are at high risk. These children shall include those who are being served by the county welfare departments for being neglected and other children who are referred for services by legal, medical, or social services agencies.

(7) Geographic equity throughout the state and service to minority populations shall be reflected in the funding of programs.

(8) Programs funded shall clearly be related to the needs of children, especially those from birth to 14 years.

(c) Nothing in the act shall preclude the Office of Child Abuse Prevention from entering into interagency agreements which shall facilitate the funding of programs. Monitoring responsibilities shall, however, be maintained by the Office of Child Abuse Prevention.

(d) The State Department of Social Services shall allocate funds appropriated by this act to counties based upon criteria which reflect the reported number of abused and neglected children in a county, such as police reports, including reports to the Criminal Identification and Information Branch of the Department of Justice, reports made to Child Protective Services, or other public reports which indicate a need for services. The State Department of Social Services shall develop a reporting instrument relevant to both urban and rural areas, which shall reflect recognized potential abuse factors such as unemployment levels, by percentage, drug and alcohol abuse, and teenage birth rate. This instrument shall be approved after consultation with the appropriate state level advisory committees, legislative committees, and private nonprofit agencies

operating statewide in the area of child abuse and neglect prevention. This instrument shall be used to develop future reports regarding the potential for child abuse and neglect. Rural counties shall be provided a base allocation of fifty thousand dollars ($50,000) per county. Rural counties are those having populations of under 125,000.

SEC. 3. Section 18979 of the Welfare and Institutions Code is amended to read:

18979. Notwithstanding Section 13340 of the Government Code, eleven million two hundred fifty thousand dollars ($11,250,000) is hereby appropriated from the General Fund to the office for the purposes of this chapter, to be allocated as follows:

(a) Eight hundred fifty thousand dollars ($850,000) for the establishment of prevention training centers and for administrative costs of the department, to be allocated for the period commencing January 1, 1985, and ending June 30, 1985, as follows:

(1) Four hundred eighty-seven thousand five hundred dollars ($487,500) for startup and operating of the prevention training centers, to be allocated as follows:

(A) Two hundred eighteen thousand seven hundred fifty dollars ($218,750) for the northern California prevention training center.

(B) Two hundred sixty-eight thousand seven hundred fifty dollars ($268,750) for the southern California prevention training center.

(2) Three hundred sixty-two thousand five hundred dollars ($362,500) for administrative costs of the department.

(3) Any unexpended allocations pursuant to this subdivision for the 1984–85 fiscal year shall be carried forward for the 1985–86 fiscal year.

(b) Ten million four hundred thousand dollars ($10,400,000) for the continuation of the prevention training centers, primary prevention programs, and administrative costs to be allocated for the 1985–86 fiscal year, as follows:

(1) Nine million five hundred thousand dollars ($9,500,000) for the operating costs of primary prevention programs. Funding for the primary prevention programs shall be maintained at a level at least equal to the amount allocated in the Budget Act of 1987, at least until June 30, 1989, or until the State Department of Social Services completes the evaluation of this program required by Section 18978.5, whichever occurs later.

(2) Seven hundred thousand dollars ($700,000) for the operating costs of the prevention training centers, to be allocated as follows:

(A) Three hundred thousand dollars ($300,000) for the northern California prevention training center.

(B) Four hundred thousand dollars ($400,000) for the southern California prevention training center.

(3) Two hundred thousand dollars ($200,000) for administrative costs of the department.

CHAPTER 1311

An act to amend Sections 7085, 7085.3, 7085.4, 7085.6, and 7085.8 of, to add Sections 7085.2 and 7085.5 to, and to repeal and add Section 7085.7 of, the Business and Professions Code, relating to contractors, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 7085 of the Business and Professions Code is amended to read:

7085. After investigating any verified complaint alleging a violation of Section 7107, 7109, 7110, 7113, 7119, or 7120, and any complaint arising from a contract involving works of improvements as defined in Section 7151 and finding a probable violation, the registrar may, with the concurrence of both the licensee and the complainant, refer the alleged violation, and any dispute between the licensee and the complainant arising thereunder, to arbitration pursuant to this article, provided the registrar finds that:

(a) There is evidence that the complainant has suffered or is likely to suffer material damages as a result of a violation of Section 7107, 7109, 7110, 7113, 7119, or 7120, and any complaint arising from a contract involving works of improvement as defined in Section 7151.

(b) There are reasonable grounds for the registrar to believe that the public interest would be better served by arbitration than by disciplinary action.

(c) The licensee does not have a history of repeated or similar violations.

(d) The licensee is in good standing.

(e) The licensee does not have any outstanding disciplinary actions filed against him or her.

(f) The parties have not previously agreed to private arbitration of the dispute pursuant to contract or otherwise.

For the purposes of subdivision (a), "material damages" shall be not less than five hundred dollars ($500) nor more than twenty-five thousand dollars ($25,000).

SEC. 2. Section 7085.2 is added to the Business and Professions Code, to read:

7085.2. An arbitrator may render an award and that award shall be deemed to be an order of the registrar.

SEC. 3. Section 7085.3 of the Business and Professions Code is amended to read:

7085.3. Once the registrar determines the scope of the dispute and that arbitration would be a suitable means of resolving the dispute, the registrar shall notify the complainant and the licensee

of this decision. The registrar shall also notify the complainant of the consequences of selecting administrative arbitration over other remedies and shall also advise the parties of their rights to retain counsel at their own expense. The registrar shall forward an "agreement to arbitrate" to the complainant and the licensee. This agreement shall be returned to the registrar within 30 calendar days of the date that the agreement is mailed by the registrar. The return of this agreement by the parties shall authorize the registrar to proceed with administrative arbitration. If either or both of the parties fail to return the agreement within the 30-day period, the registrar shall assume that the parties do not wish to agree to arbitration and shall proceed with the normal complaint or investigative process.

SEC. 4. Section 7085.4 of the Business and Professions Code is amended to read:

7085.4. Once the complainant and the licensee authorize the registrar to proceed with administrative arbitration, the registrar shall refer the agreement to arbitrate to an arbitrator or an arbitration association approved by the board.

SEC. 5. Section 7085.5 is added to the Business and Professions Code, to read:

7085.5. Arbitrations of disputes arising out of cases filed with or by the board shall be conducted in accordance with the following rules:

(a) All "agreements to arbitrate" shall include the names, addresses, and telephone numbers of the parties to the dispute, issue in dispute, the amount in dollars or any other remedy sought. The appropriate fee shall be paid by the board from the Contractors' License Fund.

(b) The board or appointed arbitration association shall appoint an arbitrator in the following manner: immediately after the filing of the agreement to arbitrate, the board or appointed arbitration association shall submit simultaneously to each party to the dispute, an identical list of names of persons chosen from the panel. Each party to the dispute shall have seven days from the mailing date in which to cross off any names to which it objects, number the remaining names to indicate the order of preference, and return the list to the board or appointed arbitration association. If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable. From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the board or appointed arbitration association shall appoint an arbitrator to serve. If the parties fail to agree on any of the parties named, if acceptable arbitrators are unable to act, or if, for any other reason, the appointment cannot be made from the submitted lists, the board or appointed arbitration association shall have the power to make the appointment from among other members of the panel without the submission of any additional lists. Each dispute shall be heard and

determined by one arbitrator unless the board or appointed arbitration association, in its discretion, directs that a greater number of arbitrators be appointed.

(c) No person shall serve as an arbitrator in any arbitration in which that person has any financial or personal interest in the result of the arbitration. Prior to accepting an appointment, the prospective arbitrator shall disclose any circumstances likely to prevent a prompt hearing or to create a presumption of bias. Upon receipt of that information, the board or appointed arbitration association shall immediately replace the arbitrator or communicate the information to the parties for their comments. Thereafter, the board or appointed arbitration association shall determine whether the arbitrator should be disqualified and shall inform the parties of its decision, which shall be conclusive.

(d) The board or appointed arbitration association may appoint another arbitrator if a vacancy occurs, or if an appointed arbitrator is unable to serve in a timely manner.

(e) The board or appointed arbitration association shall provide the parties with a list of the times and dates, and locations of the hearing to be held. The parties shall notify the arbitrator, within seven calendar days of the mailing of the list, of the times and dates convenient to each party. If the parties fail to respond to the arbitrator within the seven-day period, the arbitrator shall fix the time, place, and location of the hearing. An arbitrator may, at the the arbitrator's sole discretion, make an inspection of the construction site which is the subject of the arbitration. The arbitrator shall notify the parties of the time and date set for the inspection. Any party who so desires may be present at the inspection.

(f) Any person having a direct interest in the arbitration is entitled to attend the hearing. The arbitrator shall otherwise have the power to require the exclusion of any witness, other than a party or other essential person, during the testimony of any other witness. It shall be discretionary with the arbitrator to determine the propriety of the attendance of any other person.

(g) Hearings shall be adjourned by the arbitrator only for good cause.

(h) A record is not required to be taken of the proceedings, however, any party to the proceeding may have a record made at its own expense. The parties may make appropriate notes of the proceedings.

(i) The hearing shall be conducted by the arbitrator in any manner which will permit full and expeditious presentation of the case by both parties. Consistent with the expedited nature of arbitration, the arbitrator shall establish the extent of, and schedule for, the protection of relevant documents and other information, the identification of any witnesses to be called, and a schedule for any hearings to elicit facts solely within the knowledge of one party. The complaining party shall present its claims, proofs, and witnesses, who shall submit to questions or other examination. The defending party

shall then present its defenses, proofs, and witnesses, who shall submit to questions or other examination. The arbitrator has discretion to vary this procedure but shall afford full and equal opportunity to the parties for the presentation of any material or relevant proofs.

(j) The arbitration may proceed in the absence of any party who, after due notice, fails to be present. The arbitrator shall require the attending party to submit supporting evidence in order to make an award. An award shall not be made solely on the default of a party.

(k) The arbitrator shall be the sole judge of the relevancy and materiality of the evidence offered and conformity to legal rules of evidence shall not be required.

(*l*) The arbitrator may receive and consider documentary evidence. Documents to be considered by the arbitrator may be submitted prior to the hearing. However, a copy shall be simultaneously transmitted to all other parties and to the board or appointed arbitration association for transmittal to the arbitrator or board appointed arbitrator.

(m) The arbitrator shall specifically inquire of the parties whether they have any further proofs to offer or witnesses to be heard. Upon receiving negative replies, the arbitrator shall declare the hearing closed and minutes thereof shall be recorded. If briefs are to be filed, the hearing shall be declared closed as of the final date set by the arbitrator for the receipt of briefs. If documents are to be filed as requested by the arbitrator and the date set for their receipt is later than that set for the receipt of briefs, the later date shall be the date of closing the hearings. The time limit within which the arbitrator is required to make the award shall commence to run, in the absence of other agreements by the parties, upon the closing of the hearings.

(n) The hearing may be reopened on the arbitrator's own motion. The arbitrator shall have 30 calendar days from the closing of the reopened hearing within which to make an award.

(o) Any party who proceeds with the arbitration after knowledge that any provision or requirement of these rules has not been complied with, and who fails to state his or her objections to the arbitrator in writing, within 10 calendar days of close of hearing, shall be deemed to have waived his or her right to object.

(p) Any papers or process necessary or proper for the initiation or continuation of an arbitration under these rules and for any court action in connection therewith, or for the entry of judgment on an award made thereunder, may be served upon any party (1) by regular mail addressed to that party or his or her attorney at the parties' last known addresses, or (2) by personal service.

(q) The award shall be made promptly by the arbitrator, and unless otherwise agreed by the parties no later than 30 calendar days from the date of closing the hearing, or if oral hearing has been waived, from the date of transmitting the final statements and proofs to the arbitrator.

The arbitrator may for good cause extend any period of time

established by these rules, except the time for making the award. The arbitrator shall notify the parties of any extension and the reason therefor.

(r) The arbitrator may grant any remedy or relief which the arbitrator deems just and equitable and within the scope of the board's referral and the requirements of the board including, but not limited to, specific performance of a contract. The arbitrator, in his or her sole discretion, may award costs or expenses.

(s) The award shall become final 30 calendar days from the date the arbitration award is issued. The arbitrator, upon written application of a party to the arbitration, may correct the award upon the following grounds: (1) there was an evident miscalculation of figures or an evident mistake in the description of any person, things, or property referred to in the award; (2) there is any other clerical error in the award, not affecting the merits of the controversy.

An application for correction of the award shall be made within 10 calendar days of the date of service of the award by serving a copy of the application on the arbitrator, and all other parties to the arbitration. Any party to the arbitration may make a written objection to the application for correction by serving a copy of the written objection on the arbitrator, the board, and all other parties to the arbitration, within 10 calendar days of the date of service of the application for correction.

The arbitrator shall either deny the application or correct the award within 30 calendar days of the date of service of the original award by mailing a copy of the denial or correction to all parties to the arbitration. Any appeal therefrom shall be filed with a court of competent jurisdiction and a true copy thereof shall be filed with the arbitrator or appointed arbitration association within 30 calendar days of the issuance of the award, before the award becomes final. The award shall be in writing, and shall be signed by the arbitrator or a majority of them. If no appeal is filed within the 30 calendar day period, it shall become a final order of the registrar.

(t) Service of the award by certified mail shall be effective if a certified letter containing the award, or a true copy thereof, is mailed by the arbitrator or arbitration association to each party or to a party's attorney of record at their last known address, address of record, or by personally serving any party. Service may be proved in the manner authorized in civil actions.

(u) The expenses of witnesses, expert witnesses, or reports for either side shall be paid by the party producing the witnesses or reports. The registrar shall advise the parties that names of industry experts may be obtained by requesting this information from the registrar.

(v) The arbitrator shall interpret and apply these rules insofar as they relate to his or her powers and duties.

(w) The following shall apply as to court procedure and exclusion of liability:

(1) Neither the board or appointed arbitration association nor any

arbitrator in a proceeding under these rules is a necessary party in judicial proceedings relating to the arbitration.

(2) Parties to these rules shall be deemed to have consented that judgment upon the arbitration award may be entered in any federal or state court having jurisdiction thereof.

(3) Neither the board nor appointed arbitration association nor any arbitrator shall be liable to any party for any act or omission in connection with any arbitration conducted under these rules.

SEC. 6. Section 7085.6 of the Business and Professions Code is amended to read:

7085.6. The failure of a licensee to comply with an arbitration award rendered under this article shall result in the automatic suspension of a license by operation of law. The registrar shall notify the licensee by certified mail of the failure to comply with the arbitrator's award, and that the license shall be automatically suspended 30 calendar days from the date of that notice. The licensee may appeal the suspension for noncompliance within 15 calendar days after service of the notice by written notice to the registrar. Reinstatement may be made at any time following the suspension by complying with the arbitrator's award and the final order of the registrar. If no reinstatement of the license is made within one year of the date of the automatic suspension, the license shall be automatically revoked by operation of law for a period to be determined by the registrar pursuant to Section 7102.

SEC. 7. Section 7085.7 of the Business and Professions Code is repealed.

SEC. 8. Section 7085.7 is added to the Business and Professions Code, to read:

7085.7. A complainant may enforce an arbitrator's award in accordance with Chapter 2 (commencing with Section 1285) of Title 9 of Part 3 of the Code of Civil Procedure.

SEC. 9. Section 7085.8 of the Business and Professions Code is amended to read:

7085.8. Any action of the registrar issued pursuant to this article shall be subject to Sections 7013 and 7085.9.

SEC. 9.5. The sum of four hundred fifty thousand dollars ($450,000) is appropriated from the Contractors' License Fund to the Contractors' State License Board to carry out Article 6.2 (commencing with Section 7085) of Chapter 9 of Division 3 of the Business and Professions Code.

SEC. 10. For the purposes of implementing the arbitration program authorized by this act, the Contractors' State License Board, in concurrence with the Department of Consumer Affairs, shall:

(a) Develop and administer a training program for those employees of the board who will have the responsibility to define the scope of the dispute and negotiate the agreement to arbitrate between the parties.

(b) Develop a brochure regarding the arbitration program and

the rules of process to be given to the parties prior to entering into an agreement to arbitrate, and develop other forms as may be necessary to carry out the provisions of the program.

(c) Contract with a consultant to evaluate and assist with the program. This evaluation, one year after the implementation of the program, shall include a survey of program participants and an assessment of savings to be derived from the expansion of the program.

(d) Establish and maintain a list of board appointed arbitrators and board appointed arbitration associations for referrals of agreements to arbitrate.

SEC. 11. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to provide more expeditious resolution of consumer complaints than is currently possible through the investigative process utilized by the Contractors' State License Board, and to process the pending backlog of disputes as soon as possible, it is necessary that this act take effect immediately.

CHAPTER 1312

An act to amend Section 23901 of the Education Code, relating to public retirement.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 23901 of the Education Code is amended to read:

23901. Any member who comes within any of the following descriptions may be retired for service at his or her option upon written application therefor to the board:

(a) Who has attained age 55 years or more and who has at least five years of credited California service, at least one year of which has been performed subsequent to the most recent refund of accumulated retirement contributions, if five of the final six years of credited service have been in this state.

(b) Who is credited with service which is not used as a basis for benefits under any other public retirement system, if he or she has attained age 55 and retires concurrently under the Public Employees' Retirement System, the Legislators' Retirement System, the University of California Retirement System, or a local system.

In the calculation of allowances of members who qualify for retirement under subdivision (b), and who are not qualified for

retirement under subdivision (a), there shall be excluded any service performed in other states of the United States, its territories and possessions or in the Dominion of Canada.

Application for retirement under subdivision (b) may be made at any time, and those applicants are not subject to Section 23907.

CHAPTER 1313

An act to add Chapter 6.5 (commencing with Section 13475) to Division 7 of the Water Code, relating to water pollution control, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Chapter 6.5 (commencing with Section 13475) is added to Division 7 of the Water Code, to read:

CHAPTER 6.5. STATE WATER POLLUTION CONTROL REVOLVING FUND

13475. (a) The Legislature hereby finds and declares that since the federal Clean Water Act (33 U.S.C. Sec. 1251 et seq.) provides for establishment of a perpetual water pollution control revolving loan fund, which will be partially capitalized by federal contributions, it is in the interest of people of the state, in order to ensure full participation by the state under the federal Clean Water Act, to enact this chapter to authorize the state to establish and implement a state/federal water pollution control revolving fund in accordance with federal provisions, requirements, and limitations.

(b) The primary purpose of this chapter is to enact a statute consistent with the provisions and requirements of the federal Clean Water Act, as those provisions, requirements, and limitations relate to establishment, management, and operation of a state/federal water pollution control revolving fund. It is the intent of the Legislature that the terms of this chapter shall be liberally construed to achieve this purpose.

13476. As used in this chapter, unless the context otherwise requires:

(a) "Board" means the State Water Resources Control Board.

(b) "Federal Clean Water Act" or "federal act" means the federal Water Pollution Control Act (33 U.S.C. Sec. 1251 et seq.) and acts amendatory thereof or supplemental thereto.

(c) "Fund" means the State Water Pollution Control Revolving Fund.

(d) "Municipality" shall have the same meaning and construction as in the federal act and also includes all state, interstate, and intermunicipal agencies.

(e) "Publicly owned" means owned by a municipality.

13477. The State Water Pollution Control Revolving Fund is hereby created in the State Treasury, and, notwithstanding Section 13340 of the Government Code, all moneys in the fund are continuously appropriated without regard to fiscal years to the board for expenditure in accordance with this chapter. The board is the state agency responsible for administering the fund. In order to facilitate compliance with the federal Tax Reform Act of 1986 (Public Law 99-514), there is hereby established in the fund a Federal Revolving Loan Fund Account and a State Revolving Loan Fund Account. From time-to-time thereafter, the board may modify existing accounts in the fund and may establish other accounts in the fund, and in all other funds administered by the board, which the board deems appropriate or necessary for proper administration.

13478. The board may undertake any of the following:

(a) Enter into agreements with the federal government for federal contributions to the fund.

(b) Accept federal contributions to the fund.

(c) Use moneys in the fund for the purposes permitted by the federal act.

(d) Provide for the deposit of available and necessary state moneys into the fund.

(e) Make requests on behalf of the state for deposit into the fund of available federal moneys under the federal act and determine on behalf of the state appropriate maintenance of progress toward compliance with the enforceable deadlines, goals, and requirements of the federal act.

(f) Determine on behalf of the state that publicly owned treatment works which receive financial assistance from the fund will meet the requirements of, and otherwise be treated as required by, the federal act.

(g) Provide for appropriate audit, accounting, and fiscal management services, plans, and reports relative to the fund.

(h) Take such additional incidental action as may be appropriate for adequate administration and operation of the fund.

13479. (a) The board may enter into an agreement with the federal government for federal contributions to the fund only (1) when the state has appropriated any required state matching funds, and (2) when the board is prepared to commit to expenditure of any minimum amount in the fund in the manner required by the federal act.

(b) Any agreement between the board and the federal government shall contain those provisions, terms, and conditions required by the federal act, and any implementing federal rules, regulations, guidelines, and policies, including, but not limited to, agreement to the following:

(1) Moneys in the fund shall be expended in an expeditious and timely manner.

(2) All moneys in the fund as a result of federal capitalization grants shall be used to assure maintenance of progress toward compliance with the enforceable deadlines, goals, and requirements of the federal act, including any applicable municipal compliance deadlines.

(3) Publicly owned treatment works which will be constructed, in whole or in part, before federal fiscal year 1995 shall meet the requirements of, or otherwise be appropriately treated under the applicable provisions of, the federal act.

13480. (a) Moneys in the fund shall be used only for the permissible purposes allowed by the federal act, including providing financial assistance for the following purposes:

(1) The construction of publicly owned treatment works, as defined by Section 212 of the federal act, by any municipality.

(2) Implementation of a management program pursuant to Section 319 of the federal act.

(3) Development and implementation of a conservation and management plan under Section 320 of the federal act.

(4) Financial assistance, other than a loan, toward the nonfederal share of costs of any grant funded treatment works project, but only if that assistance is necessary to permit the project to proceed.

(b) Consistent with expenditure for authorized purposes, moneys in the fund may be used for the following purposes:

(1) Loans which shall (A) be made at or below market interest rates, (B) require annual payments of principal and any interest, with repayment commencing not later than one year after completion of the project for which the loan is made and full amortization not later than 20 years after project completion, (C) require the loan recipient to establish an acceptable dedicated source of revenue for repayment of any loan, and (D) contain such other terms and conditions as may be required by the board or the federal act or applicable rules, regulations, guidelines, and policies. To the extent permitted by federal law, the interest rate shall be set at a rate equal to 50 percent of the interest rate paid by the state on the most recent sale of state general obligation bonds and the interest rate shall be computed according to the true interest cost method. If the interest rate so determined is not a multiple of one-tenth of 1 percent, the interest rate shall be set at the multiple of one-tenth of 1 percent next above the interest rate so determined. Any loan from the fund used to finance costs of facilities planning, or the preparation of plans, specifications, or estimates for construction of publicly owned treatment works shall require that, if the loan recipient receives a grant under Section 201(g) and an allowance under Section 210(*l*)(1) of the federal act for nonfederal funds expended for that planning or preparation, the recipient shall promptly repay to the fund any portion of the loan used for the planning or preparation to the extent of that allowance.

(2) To buy or refinance the debt obligations of municipalities within the state at or below market rates if those debt obligations were incurred after March 7, 1985.

(3) To guarantee, or purchase insurance for, local obligations where that action would improve credit market access or reduce interest rates.

(4) As a source of revenue or security for the payment of principal and interest on revenue or general obligation bonds issued by the state, if the proceeds of the sale of those bonds will be deposited in the fund.

(5) To establish loan guarantees for similar revolving funds established by municipalities.

(6) To earn interest.

(7) For payment of the reasonable costs of administering the fund and conducting activities under Title VI of the federal act. Those costs shall not exceed 4 percent of all federal contributions to the fund, except that if permitted by federal and state law, interest repayments into the fund and other moneys in the fund may be used to defray additional administrative and activity costs to the extent permitted by the federal government and approved by the Legislature in the Budget Act.

(8) For financial assistance toward the nonfederal share of the costs of grant funded treatment works projects to the extent permitted by the federal act.

13481. The fund shall be used to provide financial assistance only for projects which are (a) consistent with plans, if any, developed under Sections 205 (j), 208, 303 (e), 319, and 320 of the federal act, and (b) on the approved state priority list adopted under Section 216 of the federal act.

13482. (a) In accordance with the Clean Water Bond Law of 1984 (Chapter 13 (commencing with Section 13999)), the board, with the approval of the Clean Water Finance Committee, may transfer funds from the Clean Water Construction Grant Account to the fund for the purpose of meeting federal requirements for state matching moneys in the fund.

(b) Any repayment of fund moneys, including interest payments, and all interest earned on or accruing to any moneys in the fund, shall be deposited in the fund and shall be available, in perpetuity, for expenditure for the purposes and uses permitted by the federal act.

13483. (a) To the extent permitted by federal and state law, moneys in the fund may be used to rebate to the federal government all arbitrage profits required by the federal Tax Reform Act of 1986 (Public Law 99-514), or any amendment thereof or supplement thereto. To the extent that this use of the moneys in the fund is prohibited by federal or state law, any rebates required by federal law shall be paid from the General Fund or other sources, upon appropriation by the Legislature.

(b) Notwithstanding any other provision of law or regulation, the board may enter into contracts, or may procure those services and

equipment, which may be necessary to ensure prompt and complete compliance with any provisions relating to the fund imposed by either the federal Tax Reform Act of 1986 (Public Law 99-514) or the federal Clean Water Act.

13485. The board may adopt rules and regulations necessary or convenient to implement this chapter and to meet federal requirements pursuant to the federal act.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to assure maximum participation in federal funding sources, provide maximum opportunity for all California municipalities to participate in available financial assistance for construction of treatment works, assist municipalities in meeting statutory deadlines, and provide for continuation of prompt construction of needed treatment works, it is necessary that this act take effect immediately.

CHAPTER 1314

An act to amend Sections 18290, 18292.5, 22050, 22054, 22458, 22458.1, 22505, 22517, 24050, 24054, 24458, 24458.1, 24505, and 24517 of, and to add Sections 22014, 22458.8, 24014, and 24458.8 to, the Financial Code, relating to loans.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 18290 of the Financial Code is amended to read:

18290. (a) As used in this division:

(1) "Credit life insurance" and "credit disability insurance" have the same meanings as defined in Section 779.2 of the Insurance Code.

(2) "Credit loss-of-income insurance" means insurance issued to provide indemnity for payments becoming due on a specific loan or other credit transaction while the debtor is involuntarily unemployed, as defined in the policy.

(b) An industrial loan company may provide and collect the costs for credit life insurance on the life of one or more of the borrowers, or credit disability, or loss-of-income insurance, or any combination of these coverages, to provide indemnity for payments becoming due on the indebtedness, with his or her consent, the form to be approved by the Insurance Commissioner, and a copy, together with evidence of its approval by the Insurance Commissioner, to be filed with the commissioner, and in an amount not in excess of the amount

of the indebtedness. The amount charged to the borrower for credit life or disability insurance shall not exceed, in the case of credit life insurance, fifty cents ($0.50) per year per one hundred dollars ($100) of indebtedness (and in the same proportion for longer or shorter maturities and larger or smaller amounts) or the amount established by or pursuant to Section 779.35 of the Insurance Code, whichever is less, or, in the case of credit disability insurance, the amount established by or pursuant to Section 779.35 of the Insurance Code.

SEC. 2. Section 18292.5 of the Financial Code is amended to read:

18292.5. If credit loss-of-income insurance is provided pursuant to this division, it shall be subject to the following conditions:

(a) The insurance shall provide indemnity in accordance with the terms of the policy after any single period of continuous unemployment of 45 days or less as determined by the policy, after which benefits shall commence. The insurance may be offered with retroactive coverage to an earlier date based upon unemployment having continued for the period stated in the policy.

(b) The statement required by Section 18293 shall include disclosure of the term of the coverage, the conditions of coverage, the benefits to be paid, and the exclusions from coverage.

(c) The borrower shall sign a certificate of voluntary acceptance of any credit loss-of-income insurance purchased. The certificate shall state in boldface type which is larger than the type used in the loan contract that purchase of the insurance is not a necessary condition to receiving the loan and that the insurance may be canceled by the borrower at any time within 15 days after it goes into force, in which event a full refund shall be made of the premium paid.

(d) The minimum benefit shall be payment up to the agreed amount on not less than four benefit payments, as stated in the policy, which accrue during a covered period of unemployment, except that during the first 60 days after inception of the policy, the minimum benefit may be payment up to the agreed amount of one-half the number of benefit payments, as stated in the policy, which accrue during a covered period of unemployment. The maximum benefits shall be established in the contract of insurance.

(e) If combination credit disability and loss-of-income coverage is offered, credit disability and credit loss-of-income coverages shall also be offered separately.

(f) Benefits may not be denied because the insured cannot establish a valid claim for unemployment compensation benefits under Part 1 (commencing with Section 100) of Division 1 of the Unemployment Insurance Code solely because the former employer was not required to contribute to the State Unemployment Fund.

(g) If insurance with retroactive coverage is provided, the coverage shall provide for a prorated payment based upon the fraction of the month during which the insured is unemployed, provided that the insured is continuously unemployed during the waiting period set forth in the policy. If insurance without

retroactive coverage is provided, the coverage shall provide for a prorated payment based upon the fraction of the month during which the insured is unemployed, after first excluding the elimination period set forth in the policy. For the purpose of this subdivision, a month is any period of 30 consecutive days.

(h) When unemployment continues for a number of months equal to or greater than the maximum number of benefit payments stated in the policy, the final payment shall be equal to the difference between a benefit payment and the initial prorated payment.

(i) As used in this section, "benefit payment" means payment of an amount equal to a loan repayment installment or a maximum amount established in the contract of insurance, whichever is less.

(j) The minimum benefit payment offered may not be less than the amount of a loan repayment installment unless the borrower or borrowers have two or more sources of income. If the maximum benefit payment offered is less than the amount of a loan repayment installment, the borrower shall also be offered coverage in which the maximum benefit payment is equal to the amount of a loan repayment installment.

SEC. 3. Section 22014 is added to the Financial Code, to read:

22014. A "regulatory ceiling provision" is a statement in a section or subdivision which specifies an original bona fide principal loan amount at or above which that section or subdivision does not apply to a loan.

SEC. 4. Section 22050 of the Financial Code is amended to read:

22050. (a) This division does not apply to any person doing business under any law of this state or of the United States relating to banks, trust companies, savings and loan associations, industrial loan companies, credit unions, small business investment companies, California business and industrial development corporations, or licensed pawnbrokers.

(b) This division does not apply to a broker-dealer acting pursuant to a certificate, then in effect, issued pursuant to Section 25211 of the Corporations Code.

(c) This division does not apply to a college or university making a loan for the purpose of pursuing a program or course of study leading to a degree or certificate.

SEC. 5. Section 22054 of the Financial Code is amended to read:

22054. Any section which refers to this section does not apply to any loan of the bona fide principal amount specified in the regulatory ceiling provision of that section or more if that provision is not used for the purpose of evading this division. In determining under Section 22053, 22053.1, 22451, or 22451.1, or any section which refers to this section whether a loan is a loan of a bona fide principal amount of the amount specified in that section or more and whether the regulatory ceiling provision of that section is used for the purpose of evading this division, the following principles apply:

(a) If a borrower applies for a loan in a principal amount of less than the specified amount and a loan to that borrower of a principal

amount of the specified amount or more is made by a licensed personal property broker, no adequate economic reason for the increase in the size of the loan exists, and by prearrangement or understanding between the borrower and the licensee a substantial payment is to be made upon the loan with the effect of reducing the principal amount of the loan to less than the specified amount within a short time after the making of the loan other than by reason of a requirement that the loan be paid in substantially equal periodical installments, then the loan shall not be deemed to be a loan of the bona fide principal amount of the specified amount or more and the regulatory ceiling provisions shall be deemed to be used for the purpose of evading this division unless the loan complies with the other provisions of the section which includes the regulatory ceiling provisions.

(b) If a loan made by a licensed personal property broker is in a principal amount of the specified amount or more, the fact that the transaction is in the form of a sale of accounts, chattel paper, contract rights, goods, or instruments or a lease of goods, or in the form of an advance on the purchase price of any of the foregoing, shall not be deemed to affect the loan or the bona fides of the amount thereof or to indicate that the regulatory ceiling provisions are used for the purpose of evading this division.

SEC. 6. Section 22458 of the Financial Code is amended to read:

22458. Insurance on tangible personal or real property offered as security shall not be deemed to be a collateral sale, purchase, or agreement within the terms of Section 22004, 22456, or 22457, when all the following are met:

(a) The insurance is sold at standard rates through licensed insurance brokers or agents.

(b) The policy is written to cover the property offered as security for a loan.

(c) The property is reasonably insured against loss for a reasonable term, which may be up to the term of the loan.

(d) The policy relating to personal property is made payable to the borrower or any member of his or her family even though the customary mortgagee clause is attached or the mortgagee is a coassured.

(e) Except in the case of purchase money encumbrances the amount of title insurance shall not exceed the principal amount of the loan which is secured by a deed of trust, mortgage, or lien on the real property which is the subject of the policy of title insurance.

(f) The policy of title insurance insures the lender or is made payable jointly to the lender and the borrower as their interests may appear.

(g) Title insurance is placed through a title insurance company, duly authorized to do business in the state in which the real property is located, at rates comparable to rates being used by other title insurance companies duly authorized to do business in that state.

(h) Title insurance is placed in connection with the renewal or

extension of a loan only when the additional cash advance is at least one thousand dollars ($1,000).

This section does not apply to any loan of a bona fide principal amount of ten thousand dollars ($10,000) or more, or to any commercial loan of a bona fide principal amount of five thousand dollars ($5,000) or more, or to any commercial loan made to a person engaged in the business of selling goods for the purpose of financing the purchase of goods for resale, or to a duly licensed personal property broker in connection with any such loan or loans as determined in accordance with Section 22054.

SEC. 7. Section 22458.1 of the Financial Code is amended to read:

22458.1. (a) Credit insurance shall not be deemed to be a collateral sale, purchase, or agreement within the terms of Section 22004, 22456, or 22457 when the insurance is provided in accordance with the provisions of the Insurance Code and this section.

As used in this division:

(1) "Credit insurance" means credit life, disability, and loss-of-income insurance, or any combination of these coverages.

(2) "Credit life insurance" and "credit disability insurance" have the same meanings as defined in Section 779.2 of the Insurance Code.

(3) "Credit loss-of-income insurance" means insurance issued to provide indemnity for payments becoming due on a specific loan or other credit transaction while the debtor is involuntarily unemployed, as defined in the policy.

(b) A licensee may provide credit insurance with the borrower's consent, the form to be approved by the Insurance Commissioner, and a copy, together with evidence of its approval by the Insurance Commissioner, to be filed with the commissioner, and in an amount not in excess of the amount of the indebtedness, and, with respect to credit life or disability insurance, may collect from the borrower an amount not in excess of that permitted by subdivision (h).

(c) If the loan is prepaid in full by cash, a new loan, refinancing or otherwise (except by that insurance) before the final installment date, the borrower shall receive a rebate of that amount computed in accordance with the formula approved by the Insurance Commissioner pursuant to Section 779.14 of the Insurance Code.

(d) When charges for the loan are precomputed in accordance with Section 22480, any permitted deferment charge may be computed on the combined total of the precomputed charge and the credit insurance charge. Only one deferment charge may be collected in connection with any loan contract irrespective of the number of borrowers, and only one borrower need be insured. The amount of the deferment charge may be deducted from the principal of the loan.

(e) If life or disability insurance is provided, and if the insured borrower dies or becomes disabled during the term of the loan contract, the insurance shall be sufficient to pay the total amount due on the loan (excluding unearned charges) outstanding on the date of death, or all amounts which become due on the loan thereafter

during the period of disability, as the case may be, without any exception, reservation, or limitation, subject, however, to the provisions of Section 22458.2.

(f) Any credit insurance provided shall be in force as soon as the loan is made. A licensee shall not require credit insurance as a condition of making a loan.

(g) If a borrower procures credit insurance by or through a licensee, the statement required by Section 22473 shall disclose the cost thereof to the borrower, and the licensee shall deliver or cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof, within a reasonable time. In the event a licensee provides credit disability or loss-of-income insurance pursuant to this division, the licensee shall also deliver an understandable written statement to the borrower detailing the conditions when the borrower will be entitled to make a claim under the insurance policy and the procedure to be followed in making the claim. This statement shall be first approved by the Insurance Commissioner.

(h) The amount charged to the borrower for credit life or disability insurance shall not exceed in the case of credit life insurance fifty cents ($0.50) per year per one hundred dollars ($100) of indebtedness (and in the same proportion for longer or shorter maturities and larger or smaller amounts) or the amount established by or pursuant to Section 779.35 of the Insurance Code, whichever is less, or, in the case of credit disability insurance, the amount established by or pursuant to Section 779.35 of the Insurance Code.

(i) Nothing in this article shall prevent a licensee from selling insurance as other business when authorized pursuant to Section 22404.

This section does not apply to any loan of a bona fide principal amount of ten thousand dollars ($10,000) or more, or to any commercial loan of a bona fide principal amount of five thousand dollars ($5,000) or more, or to any commercial loan made to a person engaged in the business of selling goods for the purpose of financing the purchase of goods for resale, or to a duly licensed personal property broker in connection with any such loan or loans as determined in accordance with Section 22054.

SEC. 8. Section 22458.8 is added to the Financial Code, to read:

22458.8. If credit loss-of-income insurance is provided pursuant to this division, it shall be subject to the following conditions:

(a) The insurance shall provide indemnity in accordance with the terms of the policy after any single period of continuous unemployment of 45 days or less as determined by the policy, after which benefits shall commence. The insurance may be offered with retroactive coverage to an earlier date based upon unemployment having continued for the period stated in the policy.

(b) The statement required by Section 22473 shall include disclosure of the term of the coverage, the conditions of coverage, the benefits to be paid, and the exclusions from coverage.

(c) The borrower shall sign a certificate of voluntary acceptance of any credit loss-of-income insurance purchased. The certificate shall state in boldface type which is larger than the type used in the loan contract that purchase of the insurance is not a necessary condition to receiving the loan and that the insurance may be canceled by the borrower at any time within 15 days after it goes into effect in which event a full refund shall be made of the premium paid.

(d) The minimum benefit shall be payment up to the agreed amount on not less than four benefit payments, as stated in the policy, which accrue during a covered period of unemployment, except that during the first 60 days after inception of the policy, the minimum benefit may be payment up to the agreed amount of one-half the number of benefit payments, as stated in the policy, which accrue during a covered period of unemployment. The maximum benefits shall be established in the contract of insurance.

(e) If combination credit disability and credit loss-of-income coverage is offered, credit disability and credit loss-of-income coverage shall also be offered separately.

(f) Benefits may not be denied because the insured cannot establish a valid claim for unemployment compensation benefits under Part 1 (commencing with Section 100) of Division 1 of the Unemployment Insurance Code solely because the former employer was not required to contribute to the State Unemployment Fund.

(g) If insurance with retroactive coverage is provided, the coverage shall provide for a prorated payment based upon the fraction of the month during which the insured is unemployed, provided that the insured is continuously unemployed during the waiting period set forth in the policy. If insurance without retroactive coverage is provided, the coverage shall provide for a prorated payment based upon the fraction of the month during which the insured is unemployed, after first excluding the elimination period set forth in the policy. For the purpose of this subdivision, a month is any period of 30 consecutive days.

(h) When unemployment continues for a number of months equal to or greater than the maximum number of benefit payments stated in the policy, the final payment shall be equal to the difference between a benefit payment and the initial prorated payment.

(i) As used in this section, "benefit payment" means payment of an amount equal to a loan repayment installment or a maximum amount established in the contract of insurance, whichever is less.

(j) The minimum benefit payment offered may not be less than the amount of a loan repayment installment unless the borrower or borrowers have two or more sources of income. If the maximum benefit payment offered is less than the amount of a loan repayment installment, the borrower shall also be offered coverage in which the maximum benefit payment is equal to the amount of a loan repayment installment.

This section does not apply to any loan of a bona fide principal

amount of ten thousand dollars ($10,000) or more, or to any commercial loan of a bona fide principal amount of five thousand dollars ($5,000) or more, or to any commercial loan made to a person engaged in the business of selling goods for the purpose of financing the purchase of goods for resale, or to a duly licensed personal property broker in connection with any such loan or loans as determined in accordance with Section 22054.

SEC. 9. Section 22505 of the Financial Code is amended to read:

22505. (a) In lieu of subdivisions (b), (c), (d), (e), and (f) of Section 22458.1, with respect to open end loans a licensee may provide credit insurance with the borrower's consent, the form to be approved by the Insurance Commissioner, in an amount not in excess of the amount of the indebtedness, and with respect to credit life or disability insurance may collect from the borrower an amount established pursuant to Section 779.35 of the Insurance Code.

(b) If life insurance is provided, and if the insured borrower dies during the term of the loan contract, the insurance shall be sufficient to pay the total amount due on the loan outstanding on the date of his or her death, without any exception, reservation, or limitation.

(c) If disability insurance is provided, and if the insured borrower becomes disabled during the term of the loan contract, the insurance shall be sufficient to pay all amounts attributable to the loan balance at the time of commencement of disability which become due on the loan thereafter during the period of disability in accordance with subdivision (d) of Section 22458.2 without any exception, reservation, or limitation.

(d) If loss-of-income insurance is provided, and if the insured borrower becomes unemployed during the term of the loan contract, the insurance shall be sufficient to pay all amounts attributable to the loan balance at the time of commencement of unemployment in accordance with subdivision (d) of Section 22458.8 without any exception, reservation, or limitation.

(e) Any credit insurance as is provided shall be in force as soon as the loan is made or coverage is agreed upon, whichever is later. No credit insurance written in connection with an open end loan shall be canceled by the lender because of delinquency of the borrower in the making of the minimum payments thereon unless one or more of the payments is past due for a period of 90 days or more, and the lender shall advance to the insurer the amounts required to keep the insurance in force during that period, which amounts may be debited to the borrower's account.

This section does not apply to any open end loan of a bona fide principal amount of ten thousand dollars ($10,000) or more as determined in accordance with Section 22517.

SEC. 10. Section 22517 of the Financial Code is amended to read:

22517. (a) Any section which refers to this section or which is subject to Section 22054 does not apply to any open-end loan of the bona fide principal amount specified in the regulatory ceiling provision of that section or more or to a duly licensed personal

property broker in connection with any such loan if that provision is not used for the purpose of evading this division.

(b) In determining whether an open end loan is an open end loan of a bona fide principal amount specified in any section in this division or more and whether the regulatory ceiling provision of that section is used for the purpose of evading this division, the open end loan shall be deemed to be for that amount or more if both the following criteria are met:

(1) The line of credit is equal to or more than the specified amount.

(2) The initial advance was equal to or more than the specified amount.

(c) A subsequent advance of money of less than the specified amount pursuant to the open end loan agreement between a borrower and a licensed personal property broker shall be deemed to be a loan of a principal amount of the specified amount if the criteria of paragraphs (1) and (2) of subdivision (a) have been met, even though the actual unpaid balance after the advance or at any other time is less than the specified amount.

SEC. 11. Section 24014 is added to the Financial Code, to read:

24014. A "regulatory ceiling provision" is a statement in a section or subdivision which specifies an original bona fide principal loan amount at or above which that section or subdivision does not apply to a loan.

SEC. 12. Section 24050 of the Financial Code is amended to read:

24050. (a) This division does not apply to any person doing business under any law of this state or of the United States relating to banks, trust companies, savings and loan associations, industrial loan companies, credit unions, small business investment companies, California business and industrial development corporations, or licensed pawnbrokers.

(b) This division does not apply to a broker-dealer acting pursuant to a certificate, then in effect, issued pursuant to Section 25211 of the Corporations Code.

(c) This division does not apply to a college or university making a loan for the purpose of pursuing a program or course of study leading to a degree or certificate.

SEC. 13. Section 24054 of the Financial Code is amended to read:

24054. Any section which refers to this section does not apply to any loan of the bona fide principal amount specified in the regulatory ceiling provision of that section or more if that provision is not used for the purpose of evading this division. In determining under Section 24053, 24053.1, 24451, or 24451.1, or any section which refers to this section whether a loan is a loan of a bona fide principal amount of the amount specified in that section or more and whether the regulatory ceiling provision of that section is used for the purpose of evading this division, the following principles apply:

(a) If a borrower applies for a loan in a principal amount of less than the specified amount and a loan to that borrower of a principal

amount of the specified amount or more is made by a licensed consumer finance lender, no adequate economic reason for the increase in the size of the loan exists, and by prearrangement or understanding between the borrower and the licensee a substantial payment is to be made upon the loan with the effect of reducing the principal amount of the loan to less than the specified amount within a short time after the making of the loan other than by reason of a requirement that the loan be paid in substantially equal periodical installments, then the loan shall not be deemed to be a loan of the bona fide principal amount of the specified amount or more and the regulatory ceiling provisions shall be deemed to be used for the purpose of evading this division unless the loan complies with the other provisions of the section which includes the regulatory ceiling provisions.

(b) If a loan made by a licensed consumer finance lender is in a principal amount of the specified amount or more, the fact that the transaction is in the form of a sale of accounts, chattel paper, contract rights, goods, or instruments, or a lease of goods, or in the form of an advance on the purchase price of any of the foregoing, shall not be deemed to affect the loan or the bona fides of the amount thereof or to indicate that the regulatory ceiling provisions are used for the purpose of evading this division.

SEC. 14. Section 24458 of the Financial Code is amended to read:

24458. Insurance on tangible personal or real property offered as security shall not be deemed to be a collateral sale, purchase, or agreement within the terms of Section 24004, 24456 or 24457, when all of the following are met:

(a) The insurance is sold at standard rates through licensed insurance brokers or agents.

(b) The policy is written to cover the property offered as security for a loan.

(c) The property is reasonably insured against loss for a reasonable term, which may be up to the term of the loan.

(d) The policy relating to personal property is made payable to the borrower or any member of his or her family even though the customary mortgagee clause is attached or the mortgagee is a coassured.

(e) Except in the case of purchase money encumbrances the amount of title insurance shall not exceed the principal amount of the loan which is secured by a deed of trust, mortgage, or lien on the real property which is the subject of the policy of title insurance.

(f) The policy of title insurance insures the lender or is made payable jointly to the lender and the borrower as their interests may appear.

(g) Title insurance is placed through a title insurance company, duly authorized to do business in the state in which the real property is located, at rates comparable to rates being used by other title insurance companies duly authorized to do business in that state.

(h) Title insurance is placed in connection with the renewal or

extension of a loan only when the additional cash advance is at least one thousand dollars ($1,000).

This section does not apply to any loan of a bona fide principal amount of ten thousand dollars ($10,000) or more, or to a duly licensed consumer finance lender in connection with any such loan or loans as determined in accordance with Section 24054.

SEC. 15. Section 24458.1 of the Financial Code is amended to read:

24458.1. (a) Credit insurance shall not be deemed to be a collateral sale, purchase, or agreement within the terms of Section 24004, 24456, or 24457 when the insurance is provided in accordance with the provisions of the Insurance Code and this section.

As used in this division:

(1) "Credit insurance" means credit life, disability, and loss-of-income insurance, or any combination of these coverages.

(2) "Credit life insurance" and "credit disability insurance" have the same meanings as defined in Section 779.2 of the Insurance Code.

(3) "Credit loss-of-income insurance" means insurance issued to provide indemnity for payments becoming due on a specific loan or other credit transaction while the debtor is involuntarily unemployed, as defined in the policy.

(b) A licensee may provide credit insurance with the borrower's consent, the form to be approved by the Insurance Commissioner, and a copy, together with evidence of its approval by the Insurance Commissioner, to be filed with the commissioner, and in an amount not in excess of the amount of the indebtedness, and, with respect to credit life or disability insurance, may collect from the borrower an amount not in excess of that permitted by subdivision (h).

(c) If the loan is prepaid in full by cash, a new loan, refinancing or otherwise (except by that insurance) before the final installment date, the borrower shall receive a rebate of that amount computed in accordance with the formula approved by the Insurance Commissioner pursuant to Section 779.14 of the Insurance Code.

(d) When charges for the loan are precomputed in accordance with Section 24480, any permitted deferment charge may be computed on the combined total of the precomputed charge and the credit insurance charge. Only one deferment charge may be collected in connection with any loan contract irrespective of the number of borrowers, and only one borrower need be insured. The amount of the deferment charge may be deducted from the principal of the loan.

(e) If life or disability insurance is provided, and if the insured borrower dies or becomes disabled during the term of the loan contract, the insurance shall be sufficient to pay the total amount due on the loan (excluding unearned charges) outstanding on the date of death, or all amounts which become due on the loan thereafter during the period of disability, as the case may be, without any exception, reservation, or limitation, subject, however, to the provisions of Section 24458.2.

(f) Any credit insurance provided shall be in force as soon as the loan is made. A licensee shall not require credit insurance as a condition of making a loan.

(g) If a borrower procures credit insurance by or through a licensee, the statement required by Section 24473 shall disclose the cost thereof to the borrower, and the licensee shall deliver or cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof, within a reasonable time. In the event a licensee provides credit disability or loss-of-income insurance pursuant to this division, the licensee shall also deliver an understandable written statement to the borrower detailing the conditions when the borrower will be entitled to make a claim under the insurance policy and the procedure to be followed in making the claim. This statement shall be first approved by the Insurance Commissioner.

(h) The amount charged to the borrower for credit life or disability insurance shall not exceed in the case of credit life insurance fifty cents ($0.50) per year per one hundred dollars ($100) of indebtedness (and in the same proportion for longer or shorter maturities and larger or smaller amounts) or the amount established by or pursuant to Section 779.35 of the Insurance Code, whichever is less, or, in the case of credit disability insurance, the amount established by or pursuant to Section 779.35 of the Insurance Code.

(i) Nothing in this article shall prevent a licensee from selling insurance as other business when authorized pursuant to Section 24404.

This section does not apply to any loan of a bona fide principal amount of ten thousand dollars ($10,000) or more, or to a duly licensed consumer finance lender in connection with any such loan or loans as determined in accordance with Section 24054.

SEC. 16. Section 24458.8 is added to the Financial Code, to read:

24458.8. If credit loss-of-income insurance is provided pursuant to this division, it shall be subject to the following conditions:

(a) The insurance shall provide indemnity in accordance with the terms of the policy after any single period of continuous unemployment of 45 days or less as determined by the policy, after which benefits shall commence. The insurance may be offered with retroactive coverage to an earlier date based upon unemployment having continued for the period stated in the policy.

(b) The statement required by Section 24473 shall include disclosure of the term of the coverage, the conditions of coverage, the benefits to be paid, and the exclusions from coverage.

(c) The borrower shall sign a certificate of voluntary acceptance of any credit loss-of-income insurance purchased. The certificate shall state in boldface type which is larger than the type used in the loan contract that purchase of the insurance is not a necessary condition to receiving the loan and that the insurance may be canceled by the borrower at any time within 15 days after it goes into effect in which event a full refund shall be made of the premium

paid.

(d) The minimum benefit shall be payment up to the agreed amount on not less than four benefit payments, as stated in the policy, which accrue during a covered period of unemployment, except that during the first 60 days after inception of the policy, the minimum benefit may be payment up to the agreed amount of one-half the number of benefit payments, as stated in the policy, which accrue during a covered period of unemployment. The maximum benefits shall be established in the contract of insurance.

(e) If combination credit disability and credit loss-of-income coverage is offered, credit disability and credit loss-of-income coverage shall also be offered separately.

(f) Benefits may not be denied because the insured cannot establish a valid claim for unemployment compensation benefits under Part 1 (commencing with Section 100) of Division 1 of the Unemployment Insurance Code solely because the former employer was not required to contribute to the State Unemployment Fund.

(g) If insurance with retroactive coverage is provided, the coverage shall provide for a prorated payment based upon the fraction of the month during which the insured is unemployed, provided that the insured is continuously unemployed during the waiting period set forth in the policy. If insurance without retroactive coverage is provided, the coverage shall provide for a prorated payment based upon the fraction of the month during which the insured is unemployed, after first excluding the elimination period set forth in the policy. For the purpose of this subdivision, a month is any period of 30 consecutive days.

(h) When unemployment continues for a number of months equal to or greater than the maximum number of benefit payments stated in the policy, the final payment shall be equal to the difference between a benefit payment and the initial prorated payment.

(i) As used in this section, "benefit payment" means payment of an amount equal to a loan repayment installment or a maximum amount established in the contract of insurance, whichever is less.

(j) The minimum benefit payment offered may not be less than the amount of a loan repayment installment unless the borrower or borrowers have two or more sources of income. If the maximum benefit payment offered is less than the amount of a loan repayment installment, the borrower shall also be offered coverage in which the maximum benefit payment is equal to the amount of a loan repayment installment.

This section does not apply to any loan of a bona fide principal amount of ten thousand dollars ($10,000) or more, or to a duly licensed consumer finance lender in connection with any such loan or loans as determined in accordance with Section 24054.

SEC. 17. Section 24505 of the Financial Code is amended to read:

24505. (a) In lieu of subdivisions (b), (c), (d), (e), and (f) of Section 24458.1, with respect to open end loans a licensee may provide credit insurance with the borrower's consent, the form to be

approved by the Insurance Commissioner, in an amount not in excess of the amount of the indebtedness, and with respect to credit life or disability insurance may collect from the borrower an amount established pursuant to Section 779.35 of the Insurance Code.

(b) If life insurance is provided, and if the insured borrower dies during the term of the loan contract, the insurance shall be sufficient to pay the total amount due on the loan outstanding on the date of his or her death, without any exception, reservation, or limitation.

(c) If disability insurance is provided, and if the insured borrower becomes disabled during the term of the loan contract, the insurance shall be sufficient to pay all amounts attributable to the loan balance at the time of commencement of disability which become due on the loan thereafter during the period of disability in accordance with subdivision (d) of Section 24458.2 without any exception, reservation, or limitation.

(d) If loss-of-income insurance is provided, and if the insured borrower becomes unemployed during the term of the loan contract, the insurance shall be sufficient to pay all amounts attributable to the loan balance at the time of commencement of unemployment in accordance with subdivision (d) of Section 24458.8 without any exception, reservation, or limitation.

(e) Any credit insurance as is provided shall be in force as soon as the loan is made or coverage is agreed upon, whichever is later. No credit insurance written in connection with an open end loan shall be canceled by the lender because of delinquency of the borrower in the making of the minimum payments thereon unless one or more of the payments is past due for a period of 90 days or more, and the lender shall advance to the insurer the amounts required to keep the insurance in force during that period, which amounts may be debited to the borrower's account.

This section does not apply to any open end loan of a bona fide principal amount of ten thousand dollars ($10,000) or more as determined in accordance with Section 24517.

SEC. 18. Section 24517 of the Financial Code is amended to read:

24517. (a) A section which refers to this section or which is subject to Section 24054 does not apply to any open-end loan of the bona fide principal amount specified in the regulatory ceiling provision of that section or more or to a duly licensed consumer finance lender in connection with any such loan if that provision is not used for the purpose of evading this division.

(b) In determining whether an open end loan is an open end loan of a bona fide principal amount specified in any section in this division or more and whether the regulatory ceiling provision of that section is used for the purpose of evading this division, the open end loan shall be deemed to be for that amount or more if both the following criteria are met:

(1) The line of credit is equal to or more than the specified amount.

(2) The initial advance was equal to or more than the specified

amount.

(c) A subsequent advance of money of less than the specified amount pursuant to the open end loan agreement between a borrower and a licensed consumer finance lender shall be deemed to be a loan of a principal amount of the specified amount if the criteria of paragraphs (1) and (2) of subdivision (a) have been met, even though the actual unpaid balance after the advance or at any other time is less than the specified amount.

CHAPTER 1315

An act to repeal and add Section 21263.2 of the Government Code, relating to the Public Employees' Retirement System, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 21263.2 of the Government Code is repealed.

SEC. 2. Section 21263.2 is added to the Government Code, to read:

21263.2. (a) An eligible survivor of a state safety member who retired prior to April 1, 1973, and died prior to the effective date of this section shall receive a monthly survivor's allowance, derived solely from employer contributions and not from any contributions from the member, equal to 50 percent of the amount of the member's retirement allowance payable to the member at the time of his or her death. The member's monthly allowance shall have been based on his or her credited service.

(b) The benefit provided by this section shall not be offset by any entitlement of the survivor under the federal system.

(c) The benefit is payable to the surviving spouse for life.

(d) If there is no surviving spouse of the retired member, or upon the death of a surviving spouse, the benefit authorized by this section shall be paid to an eligible child or to eligible children.

(e) If, at the time of the death of the retired member there is no surviving spouse or eligible child or children, the benefit authorized by this section shall be paid to the parent or parents of the deceased member who were dependent upon the member for support.

(f) If, at the effective date of his or her retirement, the member was unmarried, or if, at the time of his or her death, the member had no eligible child or children, had no dependent parent or parents, and had elected an optional settlement, no survivor's allowance authorized by this section shall vest in or be paid to any individual.

(g) "Surviving spouse," for purposes of this section, means a

husband or wife who was married to the member for a period of time beginning one year or more prior to his or her retirement and continuing without interruption until the death of the member.

(h) "Eligible child," for purposes of this section, means an unmarried child of the deceased member who (1) has not attained age 18, or (2) is over age 18 but disabled due to a condition that existed and disabled the child prior to his or her 18th birthday and which has continuously disabled the person after having reached age 18. Eligibility of the child for the benefits of this provision shall terminate upon the earlier of the following:

(1) Attainment of age 18, unless the disability exemption applies.

(2) Marriage of the child prior to age 18.

(3) Cessation of a child's disability.

(4) Death of a child.

(i) The allowance paid pursuant to this section shall be adjusted to reflect a one-half continuance allowance with no offset by reason of participation in the federal system. The adjustment provided by this section shall be applied to any survivor receiving a continuance allowance on the effective date of this section.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that an inadvertent inequity in the survivors' continuance benefits of former state safety members who retired prior to April 1, 1973, which resulted from complicated effects of the repeal, effective January 1, 1986, of certain provisions of the Public Employees' Retirement Law offsetting benefits for certain Social Security benefits, may be rectified at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 1316

An act to amend Sections 199.57 and 199.59 of, and to add Section 26679.5 to, the Health and Safety Code, relating to health, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) Over the past five years, AIDS has reached an epidemic state. It is estimated that 50,000 Californians will be diagnosed with AIDS by the end of 1991.

(b) AIDS appears to be universally fatal, and estimates of the percentage of those infected with the AIDS virus who will actually develop AIDS are continually being revised upwards.

(c) It is estimated by the National Academy of Sciences that as many as 1.5 million Americans have already been infected with the AIDS virus. If infection rates follow the pattern of diagnosed AIDS cases, over 300,000 Californians are presently infected.

(d) The estimated costs of medical care alone for the 9,000 AIDS cases that have occurred to date in California totals approximately two hundred twenty-five million dollars ($225,000,000), of which approximately thirty million dollars ($30,000,000) has been paid by the Medi-Cal program. By the end of 1991, medical care for AIDS patients in California is projected to approach two billion five hundred million dollars ($2,500,000,000) and the total public health and medical care expenditures are expected to exceed five billion dollars ($5,000,000,000).

(e) To date, the costs of caring for people with AIDS related complex (ARC) have not been officially calculated. However, it is safe to assume the costs will be substantial over time. The illnesses of ARC patients, although they may not be fatal, may be quite severe. For example, the virus may invade the brain, sometimes rendering patients incapable of caring for themselves. It is, therefore, plausible that a percentage of ARC patients will need to be institutionalized.

(f) Eighty-eight percent of the state's AIDS cases have occurred in persons between the ages of 20 and 49. In addition to direct medical costs, the state will bear the loss of the productivity and potential contributions of those who develop AIDS.

SEC. 2. The Legislature finds and declares all of the following:

(a) California has a strong interest in facilitating and expediting the clinical testing of AIDS drugs. At the same time, California has an interest in ensuring that such testing is performed only under carefully considered, developed, and recognized medical protocols.

(b) The State Department of Health Services already has the authority to approve new drug applications pursuant to Section 26670 of the Health and Safety Code and to permit investigational use of new drugs by qualified investigators pursuant to Section 26674 of the Health and Safety Code where the drug is manufactured and used only within the state.

(c) To facilitate and expedite the development of AIDS drugs, California manufacturers who are developing AIDS drugs should be offered the alternative of applying to the State Department of Health Services for permission to conduct clinical trials and for approval of new drug applications.

(d) The Department of Health Services has adopted the regulations of the federal Food and Drug Administration (FDA) to implement Sections 26670 to 26680, inclusive, of the Health and Safety Code. As much as possible, the protocols for investigating new drugs under Section 26679 of the Health and Safety Code shall be similar to those approved by the FDA, so that the data acquired in

such investigations may also be submitted to the FDA under Section 505(i) of the federal Food and Drug Act (21 U.S.C. Sec. 355(i)).

(e) It is the intent of the Legislature that the procedures in Sections 26670 to 26680, inclusive, of the Health and Safety Code be utilized to supplement federal procedures to the maximum extent possible under federal law to facilitate the development and testing of AIDS-related drugs and that they be utilized, to the extent feasible, in cooperation with the FDA.

SEC. 3. Section 199.57 of the Health and Safety Code is amended to read:

199.57. (a) There is hereby created the AIDS Vaccine Research and Development Advisory Committee within the State Department of Health Services which shall review and make recommendations to the state department regarding the award of the AIDS vaccine research and development grants. In accordance with Section 26679.5, the committee may also review requests for approvals for AIDS-related drugs pursuant to Section 26670, or for exemptions from these approval requirements pursuant to Section 26679. The membership of the committee shall be appointed by the State Director of Health Services within 30 days of the effective date of this chapter. The chairman of the committee shall be the State Director of Health Services, or his or her designee.

(b) The committee shall be composed of the following five members:

(1) The State Director of Health Services, or his or her designee.

(2) An expert in infectious disease and vaccine development to be appointed by the state department.

(3) The chief physician involved in the treatment of AIDS patients at San Francisco General Hospital, or his or her designee.

(4) The Chief of the Office of AIDS within the State Department of Health Services, or his or her designee.

(5) An expert in retroviruses/AIDS virus research to be appointed by the state department.

(c) Members of the committee shall serve without compensation but shall be reimbursed for any actual and necessary expenses incurred in connection with the performance of their duties under this chapter.

SEC. 4. Section 199.59 of the Health and Safety Code is amended to read:

199.59. (a) The recipients of the grants shall use the moneys of the grant to develop an AIDS vaccine until the Federal Food and Drug Administration (FDA) approves the clinical testing of an AIDS vaccine on humans. Any grant funds not encumbered or expended at the time of the FDA approval of the clinical testing of an AIDS vaccine on humans shall not be used by the recipients until the state department authorizes further expenditure or requires the funds to be returned to the AIDS Vaccine Research and Development Grant Fund pursuant to subdivision (b).

(b) If an AIDS vaccine which has received FDA approval for

clinical testing on humans has been developed by a grant recipient pursuant to this chapter, then any funds which have been granted to, but not expended or encumbered by, the grant recipient shall be expended for the clinical testing of the vaccine on humans in accordance with the FDA protocol.

With respect to the other grant recipients, or when none of the recipients have received the FDA approval for the vaccine they are developing, the committee shall meet to consider whether the grant recipient has a good chance of developing a vaccine which will receive FDA approval for clinical testing on humans and shall make recommendations to the state department. If the state department, taking into consideration the committee's recommendations, determines that the grant recipient has a good chance of developing an FDA approved vaccine, it shall inform the grant recipient in writing to continue expending its grant funds for the development of an AIDS vaccine.

If the state department, taking into consideration the committee's recommendations, determines that the grant recipient does not have a good chance of developing a vaccine which will receive FDA approval for clinical testing on humans, it shall inform the recipient in writing that the funds not encumbered or expended, as described in subdivision (a), shall be returned to the state department for deposit in the AIDS Vaccine Research and Development Grant Fund.

Any funds remaining in the AIDS Vaccine Research and Development Grant Fund after the state department's determinations pursuant to this subdivision, shall, in the state department's discretion, either be expended for (1) further support of the clinical trials of a vaccine developed in whole or in part by a grant recipient or for (2) further research and development of a vaccine by a grant recipient who has been permitted, in accordance with this subdivision, to continue expending grant funds for development of a vaccine, or be expended for (3) both purposes. If no grant recipient is conducting clinical trials or developing a vaccine pursuant to this subdivision, then the moneys in the AIDS Vaccine Research and Development Grant Fund shall revert to the General Fund.

(c) Notwithstanding any other provision of this section, the state department may make grants to applicants even after approval has been given by the federal Food and Drug Administration to conduct clinical testing of an AIDS vaccine on humans.

SEC. 5. Section 26679.5 is added to the Health and Safety Code, to read:

26679.5. (a) In making determinations on requests for approval of AIDS-related drugs, as defined in subdivision (b), in accordance with Section 26670, or for exemptions from these requirements, for purposes of investigations of these drugs, pursuant to Section 26679, the department shall employ persons to conduct reviews of requests for drug marketing approval for AIDS-related drugs, or exemptions

from the approval requirements as specified in that section.

Where necessary, the department shall enter into contracts with appropriate and qualified persons or entities for the review of these requests, including persons with significant experience in conducting or reviewing clinical trials of drugs or physicians with significant experience in treating AIDS patients, or the AIDS Vaccine Research and Development Committee or any member thereof.

No person may contract with the department for the review of a request under this subdivision if the person has a financial interest or a conflict of interest involving the drug being evaluated.

(b) "AIDS-related drug" means either of the following:

(1) A vaccine to protect against human immunodeficiency virus (HIV) infection.

(2) Antiviral agent, immune modulator, or other agent to be administered to persons who have been infected with HIV, to counteract the effects of this infection, or any drug to treat opportunistic infections associated with AIDS.

(c) The department, not later than July 1, 1988, and annually thereafter, shall report to the Legislature on the activities conducted pursuant to this section.

(d) The immunities provided for in Sections 818.4 and 821.6 of the Government Code shall apply whenever the department grants approval pursuant to Section 26670 or an exemption from the approval requirements pursuant to Section 26679, for an AIDS-related drug.

SEC. 6. There is hereby reappropriated, from funds appropriated to the State Department of Health Services from the AIDS Vaccine Research and Development Grant Fund pursuant to Section 2 of Chapter 1462 of the Statutes of 1986, to the State Department of Health Services the sum of five hundred thousand dollars ($500,000) in order to implement Section 26679.5 of the Health and Safety Code, as contained in Section 5 of this act.

SEC. 7. It is the intent of the Legislature that any manufacturer or investigator who receives approval from the State Department of Health Services to investigate an AIDS-related drug, as defined in Section 26679.5 of the Health and Safety Code, as contained in Section 5 of this act, may be eligible to receive grants under AB 563 and AB 603, if both of these bills are enacted during the 1987–88 Regular Session.

SEC. 8. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to protect the California population from the rapidly spreading AIDS epidemic and to protect the substantial numbers of persons already infected by the virus from death, it is necessary for this act to take effect immediately.

CHAPTER 1317

An act to add and repeal Section 25297.1 of the Health and Safety Code, relating to hazardous substances, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 25297.1 is added to the Health and Safety Code, to read:

25297.1. (a) In addition to the authority granted to the board pursuant to Division 7 (commencing with Section 13000) of the Water Code and to the department pursuant to Chapter 6.8 (commencing with Section 25300), the board, in cooperation with the department, shall develop and implement a pilot program for the abatement of, and oversight of the abatement of, unauthorized releases of hazardous substances from underground storage tanks by local agencies. The board shall select local agencies for participation in the program from among those local agencies which apply to the board, giving first priority to those local agencies which have demonstrated prior experience in cleanup, abatement, or other actions necessary to remedy the effects of unauthorized releases of hazardous substances from underground storage tanks. The board shall select only those local agencies which have implemented this chapter and which have begun to collect and transmit to the board the surcharge or fees pursuant to subdivision (b) of Section 25287. The department shall make available funding to the board for purposes of this section pursuant to the Budget Act of 1987 (Chapter 135 of the Statutes of 1987). The department shall develop and make available to the board a standard contract form which conforms to the requirements of Chapter 6.8 (commencing with Section 25300) for use by the board in entering into agreements with, and making disbursements to, local agencies under this section.

(b) In implementing the pilot program described in subdivision (a), the board or a regional board may enter into an agreement with any local agency to perform, or cause to be performed, any cleanup, abatement, or other action necessary to remedy the effects of a release of hazardous substances from an underground storage tank with respect to which the local agency has enforcement authority pursuant to this section. The board shall not enter into an agreement with a local agency for soil contamination cleanup or for groundwater contamination cleanup unless the board determines that the local agency has a demonstrated capability to oversee or perform the cleanup. The implementation of the cleanup, abatement, or other action shall be consistent with procedures adopted by the board pursuant to subdivision (d) and shall be based

upon cleanup standards specified by the board or regional board.

Any local agency which performs, or causes to be performed, any cleanup, abatement, or other action necessary to remedy the effects of a release of hazardous substances from an underground storage tank is immune from liability for this action to the same extent as the board or regional board is immune if the board or regional board had performed the cleanup, abatement, or other action.

(c) The board or regional board shall provide funding to a local agency which enters into an agreement pursuant to subdivision (b) for the reasonable costs incurred by the local agency in overseeing any cleanup, abatement, or other action taken by a responsible party to remedy the effects of unauthorized releases from underground storage tanks.

(d) The board shall adopt administrative and technical procedures, as part of the state policy for water quality control adopted pursuant to Section 13140 of the Water Code, for cleanup and abatement actions taken pursuant to this section. The procedures shall include, but not be limited to, all of the following:

(1) Guidelines as to which sites may be assigned to the local agency.

(2) The content of the agreements which may be entered into by the state board or the regional board and the local agency.

(3) Procedures by which a responsible party may petition the board for review, pursuant to Article 2 (commencing with Section 13320) of Chapter 5 of Division 7 of the Water Code, actions or decisions of the local agency in implementing the cleanup, abatement, or other action.

(4) Protocols for assessing and recovering money from responsible parties for any reasonable and necessary costs incurred by the board, regional board, or local agency in implementing this section.

(5) Quantifiable measures to evaluate the outcome of a pilot program established pursuant to this section.

(e) Any agreement between the board or regional board and a local agency to carry out a pilot program pursuant to this section shall require both of the following:

(1) The local agency shall establish and maintain accurate accounting records of all costs it incurs pursuant to this section and shall periodically make these records available to the board.

(2) The board and the department shall make reasonable efforts to recover costs incurred pursuant to this section from responsible parties, and may pursue any available legal remedy for this purpose.

(f) The board shall develop a system for maintaining a data base for tracking expenditures of funds pursuant to this section, and shall make this data available to the Legislature upon request.

(g) It is the intent of the Legislature that the cost of implementing the pilot program established by this section, including the board's administrative costs, shall not exceed seven million five hundred thousand dollars ($7,500,000) per year, which shall be appropriated

in the annual Budget Act.

(h) This section shall become inoperative on July 1, 1988, and, as of January 1, 1989, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1989, deletes or extends the date on which it becomes inoperative and is repealed.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to assure the expeditious cleanup of the estimated 32,000 leaking underground storage tanks located in the state, it is necessary for this act to take effect immediately.

CHAPTER 1318

An act to amend Sections 84044 and 84810 of the Education Code, relating to community colleges, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987. Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 84044 of the Education Code is amended to read:

84044. If the chancellor determines that the district's plans prepared and adopted pursuant to Section 84043 are inadequate to solve the financial problems, or if the district fails to implement the plans, the chancellor shall have the authority to take any of the following actions:

(a) Conduct a comprehensive management review of the district and its educational programs and an audit of the financial condition of the district.

(b) Contract for, or request another appropriate agency to conduct, the reviews and audit described in subdivision (a).

(c) Authorize the district, at the expense of the district, to contract for the reviews and audit described in subdivision (a). The terms and conditions of the contract and the final selection of a contractor shall be subject to the written approval of the chancellor.

(d) Direct the district, with the assistance of the county office of education, to amend and readopt the fiscal and educational plans prepared pursuant to Section 84043 based on the findings of the comprehensive audits.

(e) Review and monitor the implementation of the plans.

(f) Propose any modifications to the fiscal and educational plans he or she deems necessary for the district's achievement of fiscal stability.

(g) If the district fails to adequately implement the readopted fiscal and educational plans, or any proposed modifications thereto, pursuant to this section, appoint, after consultation with the county superintendent of schools, a monitor at district expense for the period of time necessary to achieve the goals of the plans. The chancellor shall determine the duties of the monitor.

(h) The chancellor may transfer the funds necessary to pay all costs incurred in performing the services pursuant to subdivisions (a), (b), and (g) to the support budget of the office of the chancellor from funding that would otherwise have been apportioned to the community college district under Section B of the State School Fund.

SEC. 2. Section 84810 of the Education Code is amended to read:

84810. (a) Notwithstanding clause (2) in Section 84500.1, commencing with the 1986–87 fiscal year, and for each fiscal year thereafter, the governing board of a community college district that provides classes for inmates of any city, county, or city and county jail, road camp, or farm for adults, may include the units of average daily attendance generated in those classes and computed pursuant to Section 84520, for purposes of state apportionments. However, apportionments for this average daily attendance, whether generated in credit or noncredit courses, shall be limited to the lesser of either the district's actual current expenses for providing those classes or the noncredit apportionment rate calculated pursuant to Sections 84702.5 and 84704.

(b) Any courses conducted under this section shall conform to the criteria and standards adopted by the Board of Governors of the California Community Colleges under Section 71027, and shall be submitted to the Board of Governors for approval.

(c) Commencing on September 15, 1987, and annually thereafter, the chancellor shall report to the Department of Finance and the Joint Legislative Budget Committee on the extent that courses are offered under this section. The report shall include for each district receiving state apportionments in the preceding fiscal year for courses offered under this section:

(1) The name of the district.

(2) The name of the jail or other detention facility in which each course was conducted.

(3) The title of each course conducted.

(4) The headcount enrollment for each course.

(5) The credit and noncredit average daily attendance generated by each course.

(6) The cost of providing the courses reported by the district pursuant to subdivision (a).

(7) The actual apportionment revenue or reimbursement received by the district pursuant to subdivision (a).

SEC. 3. Using funds appropriated by this act, the Board of Governors of the California Community Colleges shall continue the development of a new funding mechanism for determining the allocation of state general apportionments for community colleges,

the commencement of which development is described in Section 2 of Chapter 1465 of the Statutes of 1986. The work of the board of governors in this respect shall be based upon the report of the task force on community college financing reform, as submitted pursuant to that section.

SEC. 4. The sum of seventy-five thousand dollars ($75,000) is hereby appropriated from the General Fund to the Director of Finance for allocation to the Board of Governors of the California Community Colleges for the 1987–88 fiscal year for the purposes of Section 3 of this act.

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to make adjustments in current fiscal year apportionments without undue delay and ensure the efficient administration of community college funding, it is necessary that this act take effect immediately.

CHAPTER 1319

An act to amend Sections 66749, 66796.52, and 66796.67 of, to add Section 66796.22 to, to add Chapter 4 (commencing with Section 66799) to Title 7.3 of, and to repeal Sections 66792.5 and 66799.55 of, the Government Code, and to add Part 23 (commencing with Section 45001) to Division 2 of the Revenue and Taxation Code, relating to solid waste, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 66749 of the Government Code is amended to read:

66749. (a) No member of the board shall participate in any board action or attempt to influence any decision or recommendation by any employee of or consultant to the board which involves himself or herself or any solid waste handler with which the member is connected as a director, officer, or employee, or in which the member has a direct personal financial interest within the meaning of Section 87100.

(b) No board member shall participate in any proceeding before any agency as a consultant or in any other capacity on behalf of any solid waste handler.

(c) Upon request of any person or on his or her own initiative the Attorney General may file a complaint in the superior court for the

county in which the board has its principal office alleging that a board member has knowingly violated this section and the facts upon which the allegation is based and asking that the member be removed from office. Further proceedings shall be in accordance as near as may be with rules governing civil actions. If after trial the court finds that the board member has knowingly violated this section it shall pronounce judgment that the member be removed from office.

SEC. 1.5. Section 66792.5 of the Government Code is repealed.

SEC. 2. Section 66796.22 is added to the Government Code, to read:

66796.22. (a) The Legislature hereby finds and declares that the long-term protection of air, water, and land from pollution due to the disposal of solid waste is best achieved by requiring financial assurances of the closure and postclosure maintenance of solid waste landfills.

(b) Any person operating a solid waste landfill, as defined in subdivision (h) of Section 66799.3, on January 1, 1988, shall do both of the following:

(1) On or before January 1, 1989, certify to the board and the enforcement agency that all of the following have been accomplished:

(A) The operator has prepared an initial estimate of closure and postclosure maintenance costs.

(B) The operator has established a trust fund or equivalent financial arrangement acceptable to the board, as specified in subdivision (e).

(C) The amounts that the operator will deposit annually in the trust fund or equivalent financial arrangement acceptable to the board will ensure adequate resources for closure and postclosure maintenance.

All documentation relating to the preparation of the closure and postclosure maintenance costs shall be retained by the operator and shall be available for inspection by the board or the enforcement agency at reasonable times.

(2) Submit to the enforcement agency a plan for the closure of the landfill and a plan for the postclosure maintenance of the landfill.

These plans shall be submitted not later than the first date after July 1, 1990, that the solid waste facility is required to be reviewed, pursuant to subdivision (d) of Section 66796.33, and shall be included in that review. If the operator intends to close the solid waste landfill within five years of the effective date of this section, or if the solid waste facility does not have sufficient permitted capacity to operate for at least five years beyond the effective date of this section, the operator shall submit the plans on or before July 1, 1990. No person shall operate a solid waste landfill more than one year after submitting to the enforcement agency and the board a plan for the closure of the landfill and a plan for the postclosure maintenance of the landfill unless both plans have been approved, or modified and

approved, by the enforcement agency and the board. The owner and operator shall, regardless of any changes occurring during the continued operation of the landfill, close and maintain the landfill during postclosure in accordance with the closure plan and the postclosure maintenance plan approved by the enforcement agency and the board pursuant to this section.

(c) The board shall adopt emergency regulations on or before July 1, 1989, specifying closure plan and postclosure maintenance plan adoption procedures and uniform closure and postclosure standards. The regulations shall also require solid waste landfill operators to calculate, and periodically revise, cost estimates for closure and postclosure maintenance for a period of not less than 30 years after closure. The board may adopt regulations that distinguish between preliminary and final closure and postclosure plans. Regulations for preliminary plans may require less specificity and engineering detail than final plans and shall apply only in those cases in which there is reasonable certainty that the solid waste facility will not close for at least one year following approval of the plans. Preliminary plans shall provide sufficient detail to enable the operator and the board to accurately estimate the costs for closure and postclosure maintenance.

(d) The regulations adopted by the board pursuant to subdivision (c) shall not duplicate or conflict with the regulations imposing the closure and postclosure maintenance requirements adopted by the State Water Resources Control Board which are found in Subchapter 15 (commencing with Section 2510) of Chapter 3 of Title 23 of the California Administrative Code.

(e) Any person operating a solid waste landfill on January 1, 1988, shall, with the closure plan and postclosure maintenance plan required to be submitted pursuant to subdivision (b), submit to the board evidence of financial ability to provide for the cost of closure and postclosure maintenance, in an amount equal to the estimated cost of closure and 15 years of postclosure maintenance, contained in the closure plan and the postclosure maintenance plan submitted pursuant to subdivision (b). The evidence of financial ability shall be in the form of a trust fund into which funds shall be deposited on an annual basis in amounts sufficient to meet closure and postclosure costs when needed, or an equivalent financial arrangement acceptable to the board, and shall be reviewed and approved by the enforcement agency and the board in conjunction with the required plans. The evidence of financial ability required of an operator shall be adjusted to equal the estimated costs of closure, and 15 years of postclosure maintenance, in the approved plans. Revisions in the plans prior to closure shall be accomplished by corresponding revisions in cost estimates and financial assurances.

(f) The board shall not require an operator of a solid waste landfill to revise or amend a closure plan submitted pursuant to this section after closure of the landfill in order to reflect subsequent changes in any standards and regulations adopted by the board.

(g) After closure, and during the postclosure maintenance period, a solid waste landfill operator shall maintain evidence of financial ability for postclosure maintenance at all times equal to the estimated cost of 15 years of postclosure maintenance, except that 15 years before the end of the postclosure maintenance period specified in a postclosure plan approved by the board and the enforcement agency, an operator may request approval of the board to provide evidence of financial ability in a lesser amount.

(h) Nothing in this title affects the authority of the State Water Resources Control Board to impose closure and postclosure maintenance requirements on solid waste landfill facilities.

SEC. 3. Section 66796.52 of the Government Code is amended to read:

66796.52. (a) Whenever an enforcement agency finds that any person is operating a solid waste facility or proposes to operate such a facility which causes or threatens to cause a condition of hazard, pollution, or nuisance constituting an emergency requiring immediate action to protect the public health, welfare, or safety, the enforcement agency may issue a cease and desist or cleanup order under this section. If the enforcement agency fails to issue the order, the board may, after notification of the enforcement agency, do so.

(b) An enforcement agency may, whenever it determines that the operation of a solid waste landfill, as defined in subdivision (h) of Section 66799.3, is causing or threatening to cause a condition of hazard, pollution, or nuisance due to the migration of methane gas or any solid or hazardous waste, require the owner or operator of the facility to take corrective action as necessary to abate a nuisance or protect human health and the environment.

SEC. 4. Section 66796.67 of the Government Code is amended to read:

66796.67. (a) Upon the request of the enforcement agency, or upon its own initiative, the board may, after notification of the enforcement agency, enforce this title. In taking any action, the board is vested, in addition to its other powers, with all the powers of the enforcement agency under this title.

(b) (1) Upon the request of the enforcement agency, or upon its own initiative, the board may, after notification of the enforcement agency require the owner or operator of a solid waste landfill, as defined in subdivision (h) of Section 66799.3, to do either or both of the following:

(A) Take corrective action as necessary to abate a nuisance or protect human health and the environment.

(B) Prepare and implement a closure plan and postclosure maintenance plan.

(2) The board may expend funds available to it from the Solid Waste Disposal Site Cleanup and Maintenance Account in the General Fund in preparing and issuing an order under this subdivision.

(c) Upon the request of the enforcement agency, or upon its own

initiative, the board may, after notification of the enforcement agency, contract for the preparation and, if necessary, the implementation of any closure plan or postclosure maintenance plan required by Section 66796.22 after issuance of an order pursuant to subdivison (b) and the failure of the owner and operator to comply on or before the date specified in the order. The board may expend funds allocated from the Solid Waste Disposal Site Cleanup and Maintenance Account in the General Fund pursuant to Section 66799.22 to carry out this subdivision.

(d) Upon the request of the enforcement agency, or upon its own initiative, the board may, after notification of the enforcement agency, contract for corrective action after the issuance of an order pursuant to subdivision (b) and failure of the owner and operator to comply on or before the date specified in the order. The board may expend funds allocated from the Solid Waste Disposal Site Cleanup and Maintenance Account in the General Fund pursuant to Section 66796.22 to carry out this subdivision.

(e) If the board expends any funds pursuant to subdivision (c) or (d), the owner and the operator of the solid waste landfill shall pay the board an amount equal to the funds which are expended plus a reasonable amount for the board's cost of contract administration together with an amount equal to the interest that would have been earned on the expended funds. The amount of any cost incurred by the board pursuant to this section shall be recoverable in a civil action by the board, or upon request of the board pursuant to Section 66748, by the Attorney General. Any amounts recovered, except amounts payable to the board for contract administration, shall be deposited in the Solid Waste Disposal Site Cleanup and Maintenance Account in the General Fund.

(f) Any contract entered into by the board, pursuant to subdivision (b), (c), or (d), is exempt from approval by the Department of General Services pursuant to Section 14780.

(g) Nothing in this title affects the authority of the State Water Resources Control Board to issue enforcement orders or take corrective actions on solid waste facilities.

SEC. 5. Chapter 4 (commencing with Section 66799) is added to Title 7.3 of the Government Code, to read:

CHAPTER 4. SOLID WASTE DISPOSAL SITE CLEANUP AND MAINTENANCE

Article 1. General Provisions and Definitions

66799. This chapter shall be known and may be cited as the Solid Waste Disposal Site Hazard Reduction Act of 1987.

66799.1. (a) The Legislature finds and declares as follows:

(1) There are approximately 1,300 closed and active solid waste landfills in California.

(2) Recent studies have indicated that there may be future

leachate and gas migration problems at California solid waste landfills.

(3) Pursuant to Chapter 1532 of the Statutes of 1984, California landfill owners and operators are responding responsibly by undertaking extensive groundwater and landfill gas emission testing programs to quantify the extent of leachate and gas migration problems in solid waste landfill facilities. The results of these tests will be submitted to the Legislature in January 1989.

(4) A state solid waste cleanup and maintenance fund should be financed through fees collected from solid waste landfill operators. In addition to providing resources to respond to potential health and environmental problems at onsite and offsite solid waste landfills, the fund should be used to support state and local landfill permit enforcement programs and to provide grants to local agencies to initiate and implement waste separation programs to prevent the disposal of household hazardous waste in solid waste landfills, and to preserve remaining solid waste disposal capacity.

(b) It is, therefore, the intent of the Legislature in enacting this chapter to provide a means for addressing and funding these urgent problems.

66799.2. Except as otherwise provided in this chapter, the definitions contained in Article 2 (commencing with Section 66710) of Chapter 1 apply to this chapter.

66799.3. As used in this chapter, the following definitions apply:

(a) "Account" means the Solid Waste Disposal Site Cleanup and Maintenance Account in the General Fund.

(b) "Closure plan" means a plan prepared by the owner or operator of a solid waste landfill to close the landfill in accordance with permit conditions and standards as may be required by a regional board, an enforcement agency, and the board.

(c) "Committee" means the Solid Waste Cleanup and Advisory Committee.

(d) "Corrective action" means any action, required or approved by an enforcement agency, or the board pursuant to Chapter 3 (commencing with Section 66795), a regional board, or an air quality management district or air pollution control district, to abate a nuisance or prevent the migration of methane gas or contaminated ground or surface water as necessary to protect human health and the environment.

(e) "Inert waste" means a nonliquid waste including, but not limited to, soil and concrete, that does not contain hazardous waste or soluble pollutants at concentrations in excess of water quality objectives established by a regional board pursuant to Division 7 (commencing with Section 13000) of the Water Code and does not contain significant quantities of decomposable waste.

(f) "Postclosure plan" means a plan prepared by the owner or operator of a solid waste landfill to maintain the landfill for at least 30 years after closure in accordance with any permit conditions and standards which may be required by a regional board, an

enforcement agency, or the board.

(g) "Regional board" means a California Regional Water Quality Control Board.

(h) "Solid waste landfill" means a solid waste disposal facility which meets the requirements of a class III landfill pursuant to Section 2533 of Title 23 of the California Administrative Code. "Solid waste landfill" does not include a facility which receives only wastes generated by the landfill owner or operator in the extraction, beneficiation, or processing of ores and minerals.

(i) "State board" means the State Board of Equalization.

Article 2. The Solid Waste Cleanup and Maintenance Advisory Committee

66799.10. The committee is hereby established within the board.

66799.11. The committee is composed of seven members as follows:

(a) The State Director of Health Services, or a designee of the director.

(b) The Chairperson of the State Water Resources Control Board, or a designee of the chairperson.

(c) The Chairperson of the State Air Resources Board, or a designee of the chairperson.

(d) The Chairperson of the California Waste Management Board, or a designee of the chairperson.

(e) A member appointed by the Senate Committee on Rules.

(f) A member appointed by the Speaker of the Assembly.

(g) A member, who shall be a county health officer, appointed by the Governor.

66799.12. All members of the committee shall serve without compensation, except the members appointed pursuant to subdivisions (e), (f), and (g) of Section 66799.11, are entitled to receive from the account per diem and reimbursement of expenses equivalent to the amount authorized for members of the California Waste Management Board pursuant to Section 66745.

66799.13. The committee shall meet at those times and places which are determined by the board. Five members of the committee constitute a quorum.

66799.14. No member of the committee shall participate in any board action involving a grant or loan guarantee which involves the member or any recipient of a grant or loan guarantee with which the member is connected as a director, officer, or employee, or in which the member otherwise has a financial interest within the meaning of Section 87100.

66799.15. The committee shall establish detailed criteria for selecting grant recipients and for making loan guarantees pursuant to this chapter and shall make recommendations to the board thereon.

66799.16. On or before January 1, 1989, the committee shall

recommend to the board specific guidelines for the adoption of regulations required by subdivision (c) of Section 66796.22. The guidelines shall specify procedures and policies necessary for the board and other state agencies with regulatory authority over the closure and postclosure maintenance of solid waste facilities to effectively coordinate their regulations to achieve compliance with all applicable requirements of state and federal law. These guidelines shall be submitted to the Governor and the Legislature on or before January 1, 1989.

Article 3. Duties and Functions of the California Waste Management Board

66799.20. The board shall administer this chapter and may exercise all powers reasonably necessary to carry out the powers and responsibilities expressly granted or imposed upon the board pursuant to this chapter.

66799.22. The board may do all of the following:

(a) Enter into loan guarantee agreements with owners or operators of solid waste landfills operating solid waste disposal facilities on or after January 1, 1988, pursuant to a solid waste facilities permit issued by the board.

(b) Enter into contracts which the board deems necessary to carry out its powers and duties pursuant to this chapter.

(c) Provide grants, pursuant to Section 66799.40, to cities or counties for local programs to help prevent the disposal of hazardous wastes at solid waste disposal sites, including, but not limited to, programs to manage household hazardous waste. These grants shall not exceed, in any one fiscal year, more than 20 percent of the total revenues deposited, or anticipated to be deposited, in the account during the same fiscal year.

(d) Fix reasonable fees and charges for loan guarantees and revise, from time-to-time, these fees and charges.

66799.23. The board shall establish criteria for selecting grant recipients and for making loan guarantees pursuant to this chapter.

66799.24. All expenses incurred by the board in carrying out this chapter are payable solely from the account. No liability or obligation is imposed upon the state pursuant to this chapter, and the board shall not incur a liability or obligation beyond the extent to which moneys are provided in the account.

66799.25. On or before March 1, the board shall submit to the Legislature an annual report of its activities for the preceding calendar year.

66799.26. The board shall adopt regulations for carrying out this chapter, including, but not limited to, regulations for the issuing of loan guarantees and grants from the account. The board shall reserve 25 percent of the total revenues deposited, or anticipated to be deposited, in the account each fiscal year for the purpose of guaranteeing loans.

66799.27. This chapter does not grant any local or state agency any power in addition to any other power which may be authorized under any other provision of law.

Article 4. Loan Guarantees

66799.30. The board may make loan guarantees to the owner and operator of a solid waste landfill to implement a corrective action. Loan guarantees approved by the board may apply to loans made by banks, savings and loan institutions, or state or federal agencies authorized to make loans or provide other forms of financial assistance for these purposes, including, but not limited to, the California Pollution Control Financing Authority.

66799.31. The board shall not make a loan guarantee pursuant to this chapter unless the board finds both of the following:

(a) That the owner and the operator of a solid waste landfill requires financial assistance to complete a corrective action.

(b) That loan guarantee funds will not be used to fund routine closure and postclosure maintenance activities that could be paid or financed out of trust funds or equivalent arrangements established pursuant to subdivision (e) of Section 66796.22.

66799.32. The board shall adopt uniform criteria for guaranteeing loans pursuant to this article. The criteria shall include a test for demonstrating financial need, ability to repay, and collateral requirements, if any. The board shall not accept as collateral any land upon which solid waste has been disposed.

66799.33. The board shall not make a loan guarantee to a solid waste landfill owner or operator who cannot demonstrate compliance, or at least a good faith attempt to comply, with applicable laws, regulations, and solid waste facilities permit requirements.

Prior to making any loan guarantee to any solid waste landfill owner or operator, the board shall also receive a determination from all state and local agencies authorized to approve the closure plan or postclosure plan, or issue the corrective action order, that the loan guarantee, if made, will further compliance with the permit, plan, or order.

66799.34. The board shall establish a method of determining priority in the allocation of loan guarantee funds available for purposes specified in Section 66799.30. The board shall base the priority for allocation of funds on all of the following factors:

(a) The financial need of the operator and owner of the solid waste landfill.

(b) The need for the loan guarantee to prevent potential hazards to public health or the environment.

(c) The increase in the cost of closure, postclosure, or corrective action which is likely to occur if the action is deferred.

(d) The record of compliance by the operator, or if applicable the owner, with solid waste landfill's solid waste facilities permit and

with corrective action orders.

66799.35. The board shall adopt procedures to be followed if there is a default in payment of a loan guaranteed pursuant to this article. The procedures may vary, depending on whether the loan guarantee was secured by real property, secured by personal property, or unsecured. The board may take legal action to secure repayments from loan guarantee recipients defaulting on loan guarantees made pursuant to this article and may call on the assistance of other state agencies in securing repayment, including, but not limited to, a levy against any tax refunds owed to the borrower by any state agency.

The repeal of this article shall not extinguish a loan guarantee obligation and shall not impair any loan security taken by the board or the authority of the state to pursue appropriate action for collection.

66799.36. Applicants for loan guarantees shall submit a nonrefundable application fee of at least one hundred dollars ($100) payable to the board, for deposit in the account, to defray the board's expenses in reviewing the application, including a check on the applicant's credit rating.

66799.37. The board shall not, on or after January 1, 1988, guarantee a loan to a person who is not the owner or operator of a solid waste disposal facility operating pursuant to a solid waste facilities permit issued by the board and accepting solid wastes.

Article 5. Grants

66799.40. The board may make grants of funds in the account to a city or county for any of the following purposes related to the safe operation, closure, and maintenance of solid waste landfills operating on or after January 1, 1988:

(a) Support for establishing collection systems to ensure that hazardous waste, including, but not limited to, household hazardous waste, is not improperly disposed of in a solid waste landfill.

(b) Payment of the local costs of waste control and enforcement programs that help prevent the disposal of hazardous wastes in solid waste landfills.

(c) If a city or county has already funded the type of program described in subdivision (a) or (b) locally, the board shall award a minimum grant of funds from the account to reimburse that city or county for the actual cost of the local program in that fiscal year or 20 percent of the fees paid or anticipated to be paid by the city or county into the account during the same fiscal year, whichever is less. This subdivision does not limit the authority of the board to award grants of funds from the account in excess of, or in addition to, the minimum grant amounts set forth in this subdivision, in accordance with the grant criteria established pursuant to Section 66799.23.

66799.41. Grants made pursuant to Section 66799.40 during a fiscal year shall equal 20 percent of the total revenues deposited or

anticipated to be deposited in the account during that fiscal year.

66799.42. Any city or county may adopt a schedule of fees to be collected from each solid waste landfill operator operating within the boundaries of the city or county. Any county may adopt a schedule of fees to be collected from each solid waste landfill operator operating within the boundaries of a city, but only with the concurrence of the governing body of the affected city. The fees shall be established in an amount sufficient to pay only those reasonable and necessary costs for the preparation, operation, maintenance, and administration of a program to ensure that hazardous waste is not improperly disposed of in a solid waste landfill.

Article 6. Inspections and Emergency Actions

66799.45. The board shall annually grant or allocate funds from the account to enforcement agencies and the regional boards, as determined necessary by the board and consistent with legislative direction, to assist in the support of solid waste landfill permit inspection and enforcement programs carried out by regional boards pursuant to Division 7 (commencing with Section 13000) of the Water Code and by enforcement agencies pursuant to Chapter 3 (commencing with Section 66795).

The board shall apportion the funds generally to reflect population, number of solid waste landfills, the scope of local enforcement responsibilities, and the weight or volume of solid waste disposed of within an enforcement agency or regional board's jurisdiction. Each enforcement agency and regional board shall expend its annual apportionment made pursuant to this section by the board exclusively for the inspection of solid waste landfills, enforcement of the solid waste landfill's solid waste facilities permits, and enforcement of waste discharge requirements by the regional water quality control boards. These funds are in addition to any other funds available for these purposes. The board shall grant or allocate funds pursuant to this section in an amount which equals, in any one fiscal year, 10 percent of the total revenues deposited, or anticipated to be deposited, in the account during the same fiscal year. The board shall distribute not less than 75 percent of the funds granted or allocated pursuant to this section to local enforcement agencies.

66799.46. (a) Upon application by a regional board or at the discretion of the board, the board may allocate funds from the account to the regional board to prepare or implement a closure plan or a postclosure maintenance plan for a solid waste landfill if the owner and the operator have failed to comply with an order issued by a regional board requiring the preparation or implementation of a closure plan or postclosure maintenance plan.

(b) Upon application by a regional board or at the discretion of the board, the board may allocate funds from the account to the regional board to take emergency corrective action if the solid waste landfill owner and operator have failed to comply with a corrective

action order issued by a regional board.

(c) If the board expends any funds pursuant to subdivision (a) or (b), the owner and operator of the solid waste landfill shall pay the board an amount equal to the funds expended plus a reasonable amount for interest and the costs of contract administration.

(d) Costs incurred by regional boards pursuant to this section shall be recoverable in a civil action by the board or, upon the request of the board pursuant to Section 66748, by the Attorney General. Any amounts recovered shall be deposited in the account.

Article 7. The Account

66799.48. The Solid Waste Disposal Site Cleanup and Maintenance Account is hereby created in the General Fund.

66799.49. (a) Every operator of a solid waste landfill required to have a solid waste facilities permit pursuant to Section 66796.30 shall, commencing January 1, 1989, pay an annual fee to the state board pursuant to Part 23 (commencing with Section 45001) of Division 2 of the Revenue and Taxation Code on all solid waste disposed at each disposal site on and after January 1, 1989. The fee shall be established by the state board and shall be based on the amount, by weight or by a volumetric equivalent, as determined by the state board, of solid waste handled at each disposal site so that total receipts of approximately twenty million dollars ($20,000,000), are collected each calendar year.

(b) Notwithstanding subdivision (a), the state board shall, as necessary, adjust the rate of the fees annually so that the balance in the account each July 1 does not exceed one hundred million dollars ($100,000,000).

(c) The state board may exempt from all fees any operator of a solid waste landfill that receives less than a monthly average of five tons per operating day of solid waste.

(d) Recycled materials and inert waste removed from the waste stream and not disposed of in a solid waste landfill shall not be included for the purpose of assessing fees imposed pursuant to subdivision (a).

66799.50. The state board shall adopt rules and regulations to carry out Section 66799.49, including, but not limited to, provisions governing collections, reporting, refunds, and appeals.

66799.51. The board may spend not more than 5 percent of total revenues deposited or anticipated to be deposited in the account during a fiscal year for administration of this chapter during that fiscal year.

66799.52. All money in the account is available to the board, upon appropriation by the Legislature, only for purposes of this chapter.

66799.53. All moneys received by the board pursuant to this chapter shall be deposited in the account. Upon repeal of this chapter, the account shall be dissolved and all moneys in the account shall be distributed to the solid waste landfill operators which have

paid annual fees to the state board during the effective life of the account. Each operator shall receive an amount based upon the proportion that operator's total fees bear to the total funds paid into the account during its effective life. Any money thereafter received in repayment of loans made pursuant to this chapter shall be distributed to operators according to the same formula. Any distributions received pursuant to this subdivision may only be used for any of the following activities related to solid waste landfills:

(a) Closure and postclosure planning and maintenance.

(b) Preventative or corrective actions to protect human health or the environment.

(c) Enforcement activities.

(d) Programs to prevent the disposal of hazardous waste in landfills.

66799.54. Except as provided in Section 66799.30, the board shall not make grants or loan guarantee advances until the unencumbered balance in the account is at least two million dollars ($2,000,000).

66799.55. (a) Any operator of a solid waste disposal facility that pays a fee pursuant to this article, may impose, as necessary, on its users an administrative fee of not more than 5 percent of the fees collected by the state board in the previous year.

(b) Administrative fees imposed pursuant to subdivision (a) shall reflect the actual costs of collecting and accounting for fees paid to the state board.

(c) This section shall remain in effect only until January 1, 1994, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1994, deletes or extends that date.

SEC. 6. Part 23 (commencing with Section 45001) is added to Division 2 of the Revenue and Taxation Code, to read:

PART 23. SOLID WASTE DISPOSAL SITE CLEANUP AND MAINTENANCE FEE LAW

CHAPTER 1. GENERAL PROVISIONS AND DEFINITIONS

45001. This part shall be known and may be cited as the Solid Waste Disposal Site Cleanup and Maintenance Fee Law.

45002. The collection and administration of the fee referred to in Section 45051 shall be governed by the definitions contained in Chapter 4 (commencing with Section 66799) of Title 7.3 of the Government Code, unless expressly superseded by the definitions contained in this part.

45003. Except where the context otherwise requires, the definitions contained in this chapter shall govern the construction of this part.

45004. The provisions of this part, insofar as they are substantially the same as existing provisions of law relating to the same subject matter, shall be construed as restatements and continuations and not as new enactments.

45005. Any action or proceeding commenced before this part takes effect, or any right accrued, is not affected by this part, but all procedures taken shall conform to this part as far as possible.

45006. "Person" includes any individual, firm, cooperative organization, fraternal organization, corporation, estate, trust, business trust receiver, trustee, syndicate, this state, any county, city and county, municipality, district, public agency, or subdivision of this state or any other group or combination acting as a unit.

45007. "Board" means the State Board of Equalization.

45008. "In this state" means within the exterior limits of the State of California and includes all territory within those limits owned by or ceded to the United States of America.

45009. "Fee payer" means any person liable for the payment of a fee imposed by Section 66799.49 of the Government Code.

CHAPTER 2. THE CLEANUP AND MAINTENANCE FEE

Article 1. Imposition of Fee

45051. The fee imposed pursuant to Section 66799.49 of the Government Code shall be administered and collected by the board in accordance with this part.

Article 2. Registration and Security

45101. Every person who operates a solid waste landfill required to have a solid waste facilities permit pursuant to Section 66796.30 of the Government Code shall register with the board.

45102. The board, whenever it deems it necessary to ensure compliance with this part, may require any person subject to this part to place with it any security that the board determines to be reasonable, taking into account the circumstances of that person. The board may sell the security at public auction if it becomes necessary to do so in order to recover any fee or any amount required to be collected, including any interest or penalty due. Notice of the sale shall be served upon the person who placed the security personally or by mail.

If service is made by mail, the notice shall be addressed to the person at his or her address as it appears in the records of the board. Service shall be made at least 30 days prior to the sale in the case of personal service, and at least 40 days prior to the sale in the case of service by mail. Security in the form of a bearer bond issued by the United States or the State of California which has a prevailing market price may, however, be sold by the board at private sale at a price not lower than the prevailing market price thereof. Upon any sale, any surplus above the amounts due shall be returned to the person who placed the security.

CHAPTER 3. DETERMINATIONS

Article 1. Reports and Payments

45151. The fee collected and administered under Section 45051 is due and payable to the board annually on or before July 1 of each year. Each fee payer, on or before March 1 of each year, shall prepare a report for the preceding calendar year, in the form prescribed by the board, showing the information required to be reported by Section 66799.49 of the Government Code and any other information that the board deems necessary to carry out this part.

The fee payer shall deliver the report to the office of the board on or before March 1 of each year. The fee payer shall deliver a remittance of the amount of tax assessed pursuant to Section 66799.49 of the Government Code to the office of the board on or before the following July 1.

45152. The board for good cause may extend, for not to exceed one month, the time for making any report or paying any amount required to be paid under this part. The extension may be granted at any time if a request therefor is filed with the board within or prior to the period for which the extension may be granted.

Any person to whom an extension is granted shall pay, in addition to the fee, interest at the modified adjusted rate per month, or fraction thereof, established pursuant to Section 6591.5 from the date on which the fee would have been due without the extension until the date of payment.

45153. If the fee is not paid to the board within the time prescribed for the payment of the fee, a penalty of 10 percent of the amount of the fee shall be added thereto on account of the delinquency.

45154. All fees not paid on the date when due and payable shall bear interest at the modified adjusted rate per month, or fraction thereof, established pursuant to Section 6591.5, from that date until paid.

45155. If the board finds that a person's failure to make a timely report or payment is due to reasonable cause and circumstances beyond the person's control, and occurred notwithstanding the exercise of ordinary care and the absence of willful neglect, the person may be relieved of the penalty provided by Section 45153.

Any person seeking to be relieved of the penalty shall file with the board a statement, under penalty of perjury, setting forth the facts upon which he or she bases his or her claim for relief.

Article 2. Deficiency Determinations

45201. (a) If the board is dissatisfied with the report filed or the amount of fee paid to the state by any fee payer, or if no report has been filed or no payment or payments of the fees have been made to the state by a fee payer, the board may compute and determine

the amount to be paid, based upon any information available to it. One or more additional determinations may be made of the amount of fee due for one, or for more than one, period. The amount of fee so determined shall bear interest at the modified adjusted rate per month, or fraction thereof, established pursuant to Section 6591.5, from the date the amount of the fee, or any portion thereof, became due and payable until the date of payment. In making a determination, the board may offset overpayments for a period or periods against underpayments for another period or periods and against the interest and penalties on the underpayments.

(b) If any part of the deficiency for which a determination of an additional amount due is made is found to have been occasioned by negligence or intentional disregard of this part or regulations adopted by the board pursuant to this part, a penalty of 10 percent of the amount of that determination shall be added, plus interest as provided in subdivision (a).

(c) If any part of the deficiency for which a determination of an additional amount due is made is found to be occasioned by fraud or an intent to evade this part or authorized regulations, a penalty of 25 percent of the amount of the determination shall be added, plus interest as provided in subdivision (a).

(d) The board shall give to the fee payer written notice of its determination. The notice shall be placed in a sealed envelope, with postage paid, addressed to the fee payer at his or her address as it appears in the records of the board. The giving of the notice shall be deemed complete at the time of the deposit of the notice in a United States Post Office, or a mailbox, subpost office, substation, mail chute, or other facility regularly maintained or provided by the United States Postal Service, without extension of time for any reason. In lieu of mailing, a notice may be served personally by delivering to the person to be served, and service shall be deemed complete at the time of delivery. Personal service to a corporation may be made by delivery of a notice to any person designated in the Code of Civil Procedure to be served for the corporation with summons and complaint in a civil action.

45202. Except in the case of fraud, intent to evade this part or rules and regulations adopted under this part, or failure to make a report, every notice of a determination of an additional amount due shall be given within three years after the date when the amount was required to have been paid. In the case of failure to make a report, the notice of determination shall be mailed within eight years after the date the amount of the fee was due.

45203. If, before the expiration of the time prescribed in Section 45202 for the mailing of a notice of deficiency determination, the fee payer has consented in writing to the mailing of the notice after that time, the notice may be mailed at any time prior to the expiration of the period agreed upon. The period agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

Article 3. Redeterminations

45301. Any person from whom an amount is determined to be due under Article 2 (commencing with Section 45201), or any person directly interested, may petition for a redetermination thereof within 30 days after service upon him or her of notice of the determination. If a petition for redetermination is not filed within the 30-day period, the amount determined to be due becomes final at the expiration thereof.

45302. Every petition for redetermination shall be in writing and shall state the specific grounds upon which the petition is founded. The petition may be amended to state additional grounds at any time prior to the date on which the board issues its order or decision on the petition for redetermination.

45303. If a petition for redetermination is filed within the 30-day period, the board shall reconsider the amount determined to be due, and, if the person has so requested in his or her petition, the board shall grant him or her an oral hearing and shall give him or her 10 days' notice of the time and place of the hearing. The board may continue the hearing from time to time as may be necessary.

45304. The board may decrease or increase the amount of the determination before it becomes final, but the amount may be increased only if a claim for the increase is asserted by the board at or before the hearing. Unless the 25 percent penalty imposed by subdivision (c) of Section 45201 applies to the amount of the determination as orginally made or as increased, the claim for increase shall be asserted within eight years after the date the amount of fee for the period for which the increase is asserted was due.

45305. The order or decision of the board upon a petition for redetermination shall become final 30 days after service upon the petitioner of notice thereof.

45306. All amounts determined to be due by the board under Article 2 (commencing with Section 45201) are due and payable at the time they become final, and, if not paid when due and payable, a penalty of 10 percent of the amount determined to be due shall be added to the amount due and payable.

45307. Any notice required by this article shall be served personally or by mail in the same manner as prescribed for service of notice by Section 43201.

Article 4. Jeopardy Determinations

45351. If the board finds and determines that the collection of any amount of fee will be jeopardized by delay, it shall thereupon make a determination of the amount of fee due, noting that fact upon the determination, and the amount of the fee shall be immediately due and payable. If the amount of the fee, interest, and penalty specified in the jeopardy determination is not paid, or a petition for

redetermination is not filed, within 10 days after the service upon the taxpayer of notice of the determination, the determination becomes final, and the delinquency penalty and interest provided in Sections 45153 and 45154 shall attach to the amount of fee specified therein.

45352. The fee payer against whom a jeopardy determination is made may file a petition for the redetermination thereof, pursuant to Article 3 (commencing with Section 45301), with the board within 10 days after the service upon the fee payer of notice of the determination, and he or she shall, within the 10-day period, deposit with the board that security which the board deems necessary to insure compliance with this part. The security may be sold by the board at public sale if it becomes necessary in order to recover any amount due under this part. Notice of the sale may be served upon the person who deposited the security personally or by mail in the same manner as prescribed for service of notice by Section 45201. After that sale, the surplus, if any, above the amount due under this part shall be returned to the person who deposited the security.

45353. In accordance with rules and regulations which the board may adopt, the person against whom a jeopardy determination is made may apply for an administrative hearing for one or more of the following purposes:

(a) To establish that the determination is excessive.

(b) To establish that the sale of property that may be seized after issuance of the jeopardy determination, or any part thereof, shall be delayed pending the administrative hearing because the sale would result in irreparable injury to the person.

(c) To request the release of all or part of the property to the person.

(d) To request a stay of collection activities.

The application shall be filed within 30 days after service of the notice of jeopardy determination and shall be in writing and state the specific factual and legal grounds upon which it is founded. The person shall not be required to post any security in order to file the application and to obtain the hearing. However, if the person does not deposit, within the 10-day period prescribed in Section 45352, that security which the board deems necessary to ensure compliance with this part, the filing of the application shall not operate as a stay of collection activities, except for sale of property seized after issuance of the jeopardy determination. Upon a showing of good cause for failure to file a timely application for an administrative hearing, the board may allow a filing of the application and grant the person an administrative hearing. The filing of an application pursuant to this section does not affect Section 45351, relating to the finality date of the determination or to penalty or interest.

CHAPTER 4. COLLECTION OF FEE

Article 1. Suit for Fee

45401. The board may bring any legal action necessary to collect

any deficiency in the fee required to be paid, and, upon the board's request, the Attorney General shall bring the action.

45402. In any action brought to enforce the rights of the state with respect to any fee, a certificate by the board showing the delinquency shall be prima facie evidence of the levy of the fee, of the delinquency of the amount of fee, interest, and penalty set forth therein, and of compliance by the board with this part in relation to the computation and levy of the fee. In that action, a writ of attachment may be issued in the manner provided by Chapter 5 (commencing with Section 485.010) of Title 6.5 of Part 2 of the Code of Civil Procedure.

Article 2. Judgment for Fee

45451. (a) If any person fails to pay any amount imposed pursuant to this part at the time that it becomes due and payable, the amount thereof, including penalties and interest, together with any costs in addition thereto, shall thereupon be a perfected and enforceable state tax lien. A lien is subject to Chapter 14 (commencing with Section 7150 of Division 7 of Title 1 of the Government Code.

(b) For the purpose of this section, amounts are due and payable on the following dates:

(1) For amounts disclosed on a report received by the board before the date the return is delinquent, the date the amount would have been due and payable.

(2) For amounts disclosed on a report filed on or after the date the return is delinquent, the date the return is received by the board or July 1 of the year following the calendar year period of the report, whichever is later.

(3) For amounts determined under Section 45351 (pertaining to jeopardy assessments), the date the notice of the board's finding is mailed or issued.

(4) For all other amounts, the date the assessment is final.

45452. (a) If the board determines that the amount of any fee, interest, and penalties are sufficiently secured by a lien on other property or that the release or subordination of the lien imposed under this article will not jeopardize the collection of the amount of the fee, interest, and penalties, the board may at any time release all or any portion of the property subject to the lien from the lien or may subordinate the lien to other liens and encumbrances.

(b) If the board finds that the liability represented by the lien imposed under this article, including any interest accrued thereon, is legally unenforceable, the board may release the lien.

(c) A certificate by the board to the effect that any property has been released from a lien or that the lien has been subordinated to other liens and encumbrances is conclusive evidence that the property has been released or that the lien has been subordinated,

as provided in the certificate.

Article 3. Warrant for Collection

45501. At any time within three years after any person is delinquent in the payment of any amount required to be paid under this part, or the last recording or filing of a notice of state tax lien under Section 7171 of the Government Code, the board, or its authorized representative, may issue a warrant for the enforcement of any lien and for the collection of any amount required to be paid to the state under this part. The warrant shall be directed to any sheriff, marshal, or constable and shall have the same effect as a writ of execution. The warrant shall be levied and sale made pursuant to it in the same manner and with the same effect as a levy of, and sale pursuant to, a writ of execution.

45502. The board may pay or advance to the sheriff, marshal, or constable, the same fees, commissions, or expenses for services as are provided by law for similar services pursuant to a writ of execution. The board, and not the court, shall approve the fees for publication in a newspaper.

45503. The fees, commissions, and expenses are the obligation of the person required to pay any amount under this part and may be collected from him or her by virtue of the warrant or in any other manner provided in this part for the collection of the fee.

Article 4. Seizure and Sale

45551. Whenever any fee payer is delinquent in the payment of the fee, the board, or its authorized representative, may seize any property, real or personal, of the fee payer, and sell at public auction the property seized, or a sufficient portion thereof, to pay the fee due, together with any penalties imposed for the delinquency and all costs that have been incurred on account of the seizure and sale.

45552. Written notice of the intended sale, and the time and place thereof, shall be given to the delinquent fee payer and to all persons appearing of record to have an interest in the property at least 10 days before the date set for the sale by enclosing the notice in an envelope addressed to the fee payer at his or her last known residence or place of business in this state as it appears upon the records of the board, if any, and depositing it in the United States registered mail, postage prepaid. The notice shall also be published pursuant to Section 6062 of the Government Code in the county in which the property seized is to be sold. If there is no newspaper of general circulation in the county, the notice shall be posted in three public places in the county for the 10-day period. The notice shall contain a description of the property to be sold, a statement of the amount of the fees, penalties, and costs, the name of the fee payer, and the further statement that unless the fees, penalties, and costs are paid on or before the time fixed in the notice of the sale, the

property, or so much thereof as may be necessary, will be sold in accordance with law and the notice.

45553. At the sale the property shall be sold by the board, or by its authorized agent, in accordance with law and the notice, and the board shall deliver to the purchaser a bill of sale for the personal property and a deed for any real property sold. The bill of sale or deed vests title in the purchaser subject to a right of redemption as prescribed in the Code of Civil Procedure upon sales of real property on execution. The unsold portion of any property seized may be left at the place of sale at the risk of the fee payer.

45554. If, after the sale, the money received exceeds the amount of all fees, penalties, and costs due the state from the fee payer, the board shall return the excess to him or her and obtain his or her receipt. If any persons having an interest in or lien upon the property files with the board prior to the sale notice of his or her interest, the board shall withhold any excess pending a determination of the rights of the respective parties thereto by a court of competent jurisdiction. If the receipt of the fee payer is not available, the board shall deposit the excess moneys with the Treasurer, as trustee for the owner, subject to the order of the fee payer, his or her heirs, successors, or assigns.

Article 5. Miscellaneous

45601. If any fee payer is delinquent in the payment of any obligation imposed by this part, or if any determination has been made against a fee payer which remains unpaid, the board may, not later than three years after the payment becomes delinquent, or the last recording or filing of a notice of state tax lien under Section 7171 of the Government Code, give notice thereof, personally or by first-class mail, to all persons, including any officer or department of the state or any political subdivision or agency of the state, having in their possession or under their control any credits or other personal property belonging to the fee payer, or owing any debts to the fee payer. In the case of any state officer, department, or agency, the notice shall be given to the officer, department, or agency prior to the time it presents the claim of the delinquent fee payer to the Controller.

45602. After receiving the notice, the persons so notified shall not transfer or make any other disposition of the credits, other personal property, or debts in their possession or under their control at the time they receive the notice until the board consents to a transfer or disposition or until 60 days after the receipt of the notice, whichever occurs first.

45603. All persons so notified shall immediately, after receipt of the notice, advise the board of all credits, other personal property, or debts in their possession, under their control, or owing by them. If the notice seeks to prevent the transfer or other disposition of a deposit in a bank or other credits or personal property in the

possession or under the control of a bank, the notice, to be effective, shall state the amount, interest, and penalty due from the person and shall be delivered or mailed to the branch or office of the bank at which the deposit is carried or mailed to the branch or office of the bank at which the deposit is carried or at which the credits or personal property are held. Notwithstanding any other provision of law, with respect to a deposit in a bank or other credits or personal property in the possession or under the control of a bank, the notice shall only be effective with respect to an amount not in excess of the amount, interest, and penalty due from the person.

45604. If, during the effective period of the notice to withhold, any person so notified makes any transfer or disposition of the property or debts required to be withheld, to the extent of the value of the property or the amount of the debts thus transferred or paid, he or she shall be liable to the state for any indebtedness due under this part from the person with respect to whose obligation the notice was given, if solely by reason of that transfer or disposition, the state is unable to recover the indebtedness of the person with respect to whose obligation the notice was given.

45605. The board may, by notice of levy, served personally or by first-class mail, require all persons having in their possession, or under their control, any credits or other personal property belonging to a fee payer or other person liable for any amount under this part to withhold from these credits or other personal property the amount of any fee, interest, or penalties due from the fee payer or other person, or the amount of any liability incurred under this part, and to transmit the amount withheld to the board at the time it may designate.

In the case of a financial institution, to be effective, the notice shall state the amount due from the fee payer and shall be delivered or mailed to the branch office of the financial institution where the credits or other property are held, unless another branch or office is designated by the financial institution to receive the notice.

45606. The remedies of the state provided for in this chapter are cumulative, and no action taken by the board or by the Attorney General constitutes an election by the state or any of its officers to pursue any remedy to the exclusion of any other remedy for which provision is made in this part.

45607. The amounts required to be paid by any person under this part together with interest and penalties shall be satisfied first in any of the following cases:

(a) Whenever the person is insolvent.

(b) Whenever the person makes a voluntary assignment of his or her assets.

(c) Whenever the estate of the person in the hands of executors, administrators, or heirs is insufficient to pay all the debts due from the deceased.

(d) Whenever the estate and effects of an absconding, concealed, or absent person required to pay any amount under this part are

levied upon by process of law.

This section does not give the state a preference over a lien or security interest which was recorded or perfected prior to the time when the state records or files its lien, as provided in Section 7171 of the Government Code.

The preference given to the state by this section is subordinate to the preferences given to claims for personal services by Sections 1204 and 1206 of the Code of Civil Procedure.

CHAPTER 5. OVERPAYMENTS AND REFUNDS

Article 1. Claim for Refund

45651. If the board determines that any amount of fee, penalty, or interest has been paid more than once or has been erroneously or illegally collected or computed, the board shall set forth that fact in the records of the board and shall certify to the State Board of Control the amount collected in excess of what was legally due and the person from whom it was collected or by whom paid. If approved by the State Board of Control, the excess amount collected or paid shall be credited on any amounts then due from the person from whom the excess amount was collected or by whom it was paid under this part, and the balance shall be refunded to the person, or his or her successors, administrators, or executors.

However, in the case of a determination by the board that an amount not to exceed fifteen thousand dollars ($15,000) was not required to be paid under this part, the board, without obtaining the approval of the State Board of Control, may credit the amount on any amounts then due and payable under this part from the person by whom the amount was paid and may refund the balance to the person or his or her successors, administrators, or executors.

45652. (a) Except as provided in subdivision (b), no refund shall be approved by the board after three years from the due date of the payment for the period for which the overpayment was made, or, with respect to determinations made under Article 2 (commencing with Section 45201) of Chapter 3, within six months after the determinations have become final, whichever period expires later, unless a claim therefor is filed with the board within that period. No credit shall be approved by the board after the expiration of that period, unless a claim for credit is filed with the board within that period or unless the credit relates to a period for which a waiver is given pursuant to Section 45204.

(b) A refund may be approved by the board for any period for which a waiver is given under Section 45204 if a claim therefor is filed with the board before the expiration of the period agreed upon.

(c) Every claim for refund or credit shall be in writing and shall state the specific grounds upon which the claim is founded.

45653. Failure to file a claim within the time prescribed in this article constitutes a waiver of all demands against the state on

account of the overpayment.

45654. Within 30 days after disallowing any claim, in whole or in part, the board shall serve written notice of its action on the claimant pursuant to Section 45201.

45655. Interest shall be computed, allowed, and paid upon any overpayment of any amount of fee at the modified adjusted rate per month established pursuant to Section 6591.5, from the due date of the return for the period for which the overpayment was made, but no refund or credit shall be made of any interest imposed upon the claimant with respect to the amount being refunded or credited.

The interest shall be paid as follows:

(a) In the case of a refund, to the 15th day of the calendar month following the date upon which the claimant is notified by the board that a claim may be filed or the date upon which the claim is certified to the State Board of Control, whichever date is earlier.

(b) In the case of a credit, to the same date as that to which interest is computed on the fee or amount against which the credit is applied.

45656. If the board determines that any overpayment has been made intentionally or by reason of carelessness, it shall not allow any interest thereon.

Article 2. Suit for Refund

45701. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against this state or against any office of the state to prevent or enjoin the collection of any fee sought to be collected.

45702. No suit or proceeding shall be maintained in any court for the recovery of any amount alleged to have been erroneously or illegally assessed or collected unless a claim for refund or credit has been duly filed.

45703. Within 90 days after the mailing of the notice of the board's action upon a claim for refund or credit, the claimant may bring an action against the board on the grounds set forth in the claim in a court of competent jurisdiction in the County of Sacramento for the recovery of the whole or any part of the amount with respect to which the claim has been disallowed.

45704. If the board fails to mail notice of action on a claim within six months after the claim is filed, the claimant may, prior to the mailing of notice by the board, consider the claim disallowed and bring an action against the board on the grounds set forth in the claim for the recovery of the whole or any part of the amount claimed as an overpayment.

45705. Failure to bring suit or action within the time specified in this article constitutes a waiver of all demands against the state on account of any alleged overpayments.

45706. If judgment is rendered for the plaintiff, the amount of the judgment shall first be credited on any fees due from the plaintiff,

and the balance shall be refunded to the plaintiff.

45707. In any judgment, interest shall be allowed at the modified adjusted rate per annum established pursuant to Section 6591.5, upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days, the date to be determined by the board.

45708. A judgment shall not be rendered in favor of the plaintiff in any action brought against the board to recover any fee paid when the action is brought by or in the name of an assignee of the fee payer paying the tax or by any person other than the person who has paid the fee.

As used in this section, "assignee" does not include a person who has acquired the business of the fee payer which gave rise to the fees and who is thereby a successor in interest to the fee payer.

Article 3. Recovery of Erroneous Refunds

45751. The Controller may recover any refund or part thereof which is erroneously made and any credit or part thereof which is erroneously allowed in an action brought in a court of competent jurisdiction in the County of Sacramento in the name of the people of the State of California, and the action shall be tried in the County of Sacramento unless the court, with the consent of the Attorney General, orders a change of place of trial. The Attorney General shall prosecute the action, and the provisions of the Code of Civil Procedure relating to service of summons, pleadings, proofs, trials, and appeals are applicable to the proceedings.

Article 4. Cancellations

45801. If any amount in excess of fifteen thousand dollars ($15,000) has been illegally determined, either by the person filing the return or by the board, the board shall certify to the State Board of Control the amount determined to be in excess of the amount legally due and the person against whom the determination was made. If the State Board of Control approves, it shall authorize the cancellation of the amount upon the records of the board. If an amount not exceeding fifteen thousand dollars ($15,000) has been illegally determined, either by the person filing a return or by the board, the board, without certifying this fact to the State Board of Control, shall authorize the cancellation of the amount upon the records of the board.

CHAPTER 6. ADMINISTRATION

45851. The board shall enforce this part and may prescribe, adopt, and enforce rules and regulations relating to the

administration and enforcement of this part.

45852. The board may make such examinations of the books and records of any fee payer as it may deem necessary in carrying out this part.

45853. The board may employ accountants, auditors, investigators, and other expert and clerical assistance necessary to enforce its powers and perform its duties under this part.

45854. A certificate by the board or an employee of the board stating that a notice required by this part was given by mailing or personal service shall be prima facie evidence in any administrative or judicial proceeding of the fact and regularity of the mailing or personal service in accordance with any requirement of this part for the giving of a notice. Unless otherwise specifically required, any notice provided by this part to be mailed or served may be given either by mailing or by personal service in the manner provided for giving notice of a deficiency determination.

45855. Any information regarding solid wastes which is available to the board shall be made available to the California Waste Management Board.

CHAPTER 7. DISPOSITION OF PROCEEDS

45901. All fees, interest, and penalties imposed and all amounts of fee required to be paid to the state pursuant to Section 45051 shall be paid to the board in the form of remittances payable to the State Board of Equalization of the State of California. The board shall transmit the payments to the Treasurer to be deposited in the Solid Waste Disposal Site Cleanup and Maintenance Account in the General Fund.

CHAPTER 8. VIOLATIONS

45951. Any person who refuses to furnish any return or report required to be made, or who refuses to furnish a supplemental return or other data required by the board, is guilty of a misdemeanor and subject to a fine not to exceed five hundred dollars ($500) for each offense.

45952. Any person who knowingly or willfully files a false return or report with the board, and any person who refuses to permit the board or any of its representatives to make any inspection or examination for which provision is made in this part, or who fails to keep any records as prescribed by the board, or who fails to preserve the records for the inspection of the board for such time as the board deems necessary, or who alters, cancels, or obliterates entries in the records for the purpose of falsifying the records is guilty of a misdemeanor and shall be punished by a fine of not less than one hundred dollars ($100) or more than one thousand dollars ($1,000), by imprisonment in the county jail for not less than one month or more than six months, or by both.

45953. Any person who willfully evades or attempts in any manner to evade or defeat the payment of the fee imposed by this part is guilty of a felony.

45954. Every person convicted for a violation of any provision of this part for which another penalty or punishment is not specifically provided for in this part is guilty of a misdemeanor and shall be punished by a fine of not more than five hundred dollars ($500), by imprisonment in the county jail for not more than six months, or by both.

45955. Every person convicted of a felony for a violation of any provision of this part for which another punishment is not specifically provided for in this part shall be punished by a fine of not more than five thousand dollars ($5,000), by imprisonment in state prison for not less than one year nor more than five years, or by both.

45956. Any prosecution for violation of any provision of this part shall be instituted within three years after the commission of the offense.

CHAPTER 9. DISCLOSURE OF INFORMATION

45981. (a) The board shall provide any information obtained under this part to the California Waste Management Board.

(b) The California Waste Management Board and the board may utilize any information obtained pursuant to this part to develop data on the generation or disposal of solid waste within the state. Notwithstanding any other provision of this chapter, the California Waste Management Board may make waste generation and disposal data available to the public.

45982. Neither the California Waste Management Board, nor any person having an administrative duty under Part 9 (commencing with Section 15600) of Division 3 of Title 2 of the Government Code shall disclose the business affairs, operations, or any other information pertaining to a fee payer which was submitted to the board in a report or return required by this part, or permit any report or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person not expressly authorized by Section 45981 or this section. However, the Governor may, by general or special order, authorize examination of the records maintained by the board under this part by other state officers, by officers of another state, by the federal government if a reciprocal arrangement exists, or by any other person. The information so obtained pursuant to the order of the Governor shall not be made public except to the extent and in the manner that the order may authorize that it be made public.

45983. Notwithstanding Section 45982, the successors, receivers, trustees, executors, administrators, assignees, and guarantors, if directly interested, may be given information regarding the determination of any unpaid fee or the amount of fees, interest, or penalties required to be collected or assessed.

45984. Nothing in this chapter limits or increases public access to information on any aspect of solid waste generation or disposal collected pursuant to other state or local laws, regulations, or ordinances.

SEC. 7. The sum of two million dollars ($2,000,000) is hereby appropriated from the General Fund to the Solid Waste Disposal Site Cleanup and Maintenance Account in the General Fund as a loan. The California Waste Management Board shall repay the amount of this appropriation, on or before July 1, 1990, with interest at the Pooled Money Investment Account rate, from fees deposited in the Solid Waste Disposal Site Cleanup and Maintenance Account.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction or because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act.

SEC. 9. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to initiate a mechanism to commence a program of solid waste disposal site cleanup and maintenance, in the interests of the public health and safety, as quickly as possible, it is necessary that this act become effective immediately.

CHAPTER 1320

An act to amend Sections 6254.25, 11126, 11126.3, and 54956.9 of, and to add Sections 11132 and 54962 to, the Government Code, relating to public meetings.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 6254.25 of the Government Code is amended to read:

6254.25. Nothing in this chapter or any other provision of law shall require the disclosure of a memorandum submitted to a state body or to the legislative body of a local agency by its legal counsel pursuant to subdivision (q) of Section 11126 or Section 54956.9 until the pending litigation has been finally adjudicated or otherwise settled. The memorandum shall be protected by the attorney

work-product privilege until the pending litigation has been finally adjudicated or otherwise settled.

SEC. 2. Section 11126 of the Government Code is amended to read:

11126. (a) Nothing in this article shall be construed to prevent a state body from holding closed sessions during a regular or special meeting to consider the appointment, employment, or dismissal of a public employee or to hear complaints or charges brought against that employee by another person or employee unless the employee requests a public hearing. As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of his or her right to have a public hearing, rather than a closed session, which notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or special meeting. If notice is not given, any disciplinary or other action taken against any employee at the closed session shall be null and void. The state body also may exclude from any public or closed session, during the examination of a witness, any or all other witnesses in the matter being investigated by the state body. Following the public hearing or closed session, the body may deliberate on the decision to be reached in a closed session.

For the purposes of this section, "employee" shall not include any person who is elected to, or appointed to a public office by, any state body. However, officers of the California State University who receive compensation for their services, other than per diem and ordinary and necessary expenses, shall, when engaged in that capacity, be considered employees.

(b) Nothing in this article shall be construed to prevent state bodies which administer the licensing of persons engaging in businesses or professions from holding closed sessions to prepare, approve, grade, or administer examinations.

(c) Nothing in this article shall be construed to prevent an advisory body of a state body which administers the licensing of persons engaged in businesses or professions from conducting a closed session to discuss matters which the advisory body has found would constitute an unwarranted invasion of the privacy of an individual licensee or applicant if discussed in an open meeting, provided the advisory body does not include a quorum of the members of the state body it advises. Those matters may include review of an applicant's qualifications for licensure and an inquiry specifically related to the state body's enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.

(d) Nothing in this article shall be construed to prohibit a state body from holding a closed session to deliberate on a decision to be reached based upon evidence introduced in a proceeding required to be conducted pursuant to Chapter 5 (commencing with Section

11500) of Part 1 of Division 3 of Title 2 or similar provisions of law.

(e) Nothing in this article shall be construed to prevent any state body from holding a closed session to consider matters affecting the national security.

(f) Nothing in this article shall be construed to grant a right to enter any correctional institution or the grounds of a correctional institution where that right is not otherwise granted by law, nor shall anything in this article be construed to prevent a state body from holding a closed session when considering and acting upon the determination of a term, parole, or release of any individual or other disposition of an individual case, or if public disclosure of the subjects under discussion or consideration is expressly prohibited by statute.

(g) Nothing in this article shall be construed to prevent any closed session to consider the conferring of honorary degrees, or gifts, donations, and bequests which the donor or proposed donor has requested in writing to be kept confidential.

(h) Nothing in this article shall be construed to prevent the Alcoholic Beverage Control Appeals Board from holding a closed session for the purpose of holding a deliberative conference as provided in Section 11125.

(i) Nothing in this article shall be construed to prevent a state body from holding closed sessions with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the state body to give instructions to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

However, prior to the closed session, the state body shall hold an open and public session in which it identifies the real property or real properties which the negotiations may concern and the person or persons with whom its negotiator may negotiate.

For purposes of this subdivision, the negotiator may be a member of the state body.

For purposes of this subdivision, "lease" includes renewal or renegotiation of a lease.

Nothing in this subdivision shall preclude a state body from holding a closed session for discussions regarding eminent domain proceedings pursuant to subdivision (q).

(j) Nothing in this article shall be construed to prevent the California Postsecondary Education Commission from holding closed sessions to consider matters pertaining to the appointment or termination of the Director of the California Postsecondary Education Commission.

(k) Nothing in this article shall be construed to prevent the Franchise Tax Board from holding closed sessions for the purpose of discussion of confidential tax returns or data the public disclosure of which is prohibited by law, or from considering matters pertaining to the appointment or removal of the executive officer of the Franchise Tax Board.

(*l*) Nothing in this article shall be construed to prevent the Board of Corrections from holding closed sessions when considering reports

of crime conditions under Section 6027 of the Penal Code.

(m) Nothing in this article shall be construed to prevent the State Air Resources Board from holding closed sessions when considering the proprietary specifications and performance data of manufacturers.

(n) Nothing in this article shall be construed to prevent a state body which invests retirement, pension, or endowment funds from holding closed sessions when considering investment decisions. For purposes of consideration of shareholder voting on corporate stocks held by the state body, closed sessions for the purposes of voting may be held only with respect to election of corporate directors, election of independent auditors, and other financial issues which could have a material effect on the net income of the corporation. For the purpose of real property investment decisions which may be considered in a closed session pursuant to this subdivision, a state body shall also be exempt from the provision of subdivision (i) relating to the identification of real properties prior to the closed session.

(o) Nothing in this article shall be construed to prevent a state body, or such boards, commissions, administrative officers, or other representatives as may properly be designated by law or by a state body, from holding closed sessions with its representatives in discharging its responsibilities under Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 as the sessions relate to salaries, salary schedules, or compensation paid in the form of fringe benefits. For the purposes enumerated in the preceding sentence, a state body may also meet with a state conciliator who has intervened in the proceedings.

(p) Notwithstanding any other provision of law, any meeting of the Public Utilities Commission at which the rates of entities under the commission's jurisdiction are changed shall be open and public.

Nothing in this article shall be construed to prevent the Public Utilities Commission from holding closed sessions to deliberate on the institution of proceedings, or disciplinary actions against regulated utilities.

(q) Nothing in this article shall be construed to prevent a state body, based on the advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the state body in the litigation.

For purposes of this article, all expressions of the lawyer-client privilege other than those provided in this subdivision are hereby abrogated. This subdivision is the exclusive expression of the lawyer-client privilege for purposes of conducting closed-session meetings pursuant to this article. For purposes of this subdivision, litigation shall be considered pending when any of the following circumstances exist:

(1) An adjudicatory proceeding before a court, an administrative

body exercising its adjudicatory authority, a hearing officer, or an arbitrator, to which the state body is a party, has been initiated formally.

(2) (A) A point has been reached where, in the opinion of the state body on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the state body; or

(B) Based on existing facts and circumstances, the state body is meeting only to decide whether a closed session is authorized pursuant to subparagraph (A).

(3) Based on existing facts and circumstances, the state body has decided to initiate or is deciding whether to initiate litigation.

The legal counsel of the state body shall prepare and submit to it a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is pursuant to paragraph (1), the memorandum shall include the title of the litigation. If the closed session is pursuant to paragraph (2) or (3), the memorandum shall include the existing facts and circumstances on which it is based. The legal counsel shall submit the memorandum to the state body prior to the closed session, if feasible, and in any case no later than one week after the closed session. The memorandum shall be exempt from disclosure pursuant to Section 6254.1.

For purposes of this subdivision, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

Disclosure of a memorandum required under this subdivision shall not be deemed as a waiver of the lawyer-client privilege, as provided for under Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code.

(r) Nothing in this article shall be construed to prevent the examining committee established by the State Board of Forestry, pursuant to Section 763 of the Public Resources Code, from conducting a closed session to consider disciplinary action against an individual professional forester prior to the filing of an accusation against the forester pursuant to Section 11503.

(s) Nothing in this article shall be construed to prevent an administrative committee established by the State Board of Accountancy pursuant to Section 5020 of the Business and Professions Code from conducting a closed session to consider disciplinary action against an individual accountant prior to the filing of an accusation against the accountant pursuant to Section 11503. Nothing in this article shall be construed to prevent an examining committee established by the Board of Accountancy pursuant to Section 5023 of the Business and Professions Code from conducting a closed hearing to interview an individual applicant or accountant regarding the applicant's qualifications.

(t) Nothing in this article shall be construed to prevent a state body, as defined in Section 11121.2, from conducting a closed session

to consider any matter which properly could be considered in closed session by the state body whose authority it exercises.

(u) Nothing in this article shall be construed to prevent a state body, as defined in Section 11121.7, from conducting a closed session to consider any matter which properly could be considered in a closed session by the body defined as a state body pursuant to Section 11121, 11121.2, or 11121.5.

(v) Nothing in this article shall be construed to prevent a state body, as defined in Section 11121.8, from conducting a closed session to consider any matter which properly could be considered in a closed session by the state body it advises.

(w) Nothing in this article shall be construed to prevent the State Board of Equalization from holding closed sessions for either of the following:

(1) When considering matters pertaining to the appointment or removal of the executive secretary of the State Board of Equalization.

(2) For the purpose of hearing confidential taxpayer appeals or data, the public disclosure of which is prohibited by law.

(x) Nothing in this article shall be construed to prevent the California Earthquake Prediction Evaluation Council, or other body appointed to advise the Director of the Office of Emergency Services or the Governor pursuant to Section 8590 concerning matters relating to volcanic or earthquake predictions, from holding closed sessions when considering the evaluation of possible predictions.

(y) This article shall not prevent the Teachers' Retirement Board from holding closed sessions when considering matters pertaining to the appointment or removal of the chief executive officer of the State Teachers' Retirement System.

SEC. 3. Section 11126.3 of the Government Code is amended to read:

11126.3. (a) Prior to holding any closed session, the state body shall state the general reason or reasons for the closed session, and cite the specific statutory authority, including the particular section, subdivision, and paragraph under which the session is being held. If the session is closed pursuant to paragraph (1) of subdivision (q) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its statement.

(c) The statement shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.

(d) If, after the closed session agenda has been published in

compliance with this section, any additional pending litigation (under subdivision (q) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize the giving of names or other information which would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session.

SEC. 4. Section 11132 is added to the Government Code, to read:

11132. Except as expressly authorized by this article, no closed session may be held by any state body.

SEC. 5. Section 54956.9 of the Government Code is amended to read:

54956.9. Nothing in this chapter shall be construed to prevent a legislative body of a local agency, based on advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the local agency in the litigation.

For purposes of this chapter, all expressions of the lawyer-client privilege other than those provided in this section are hereby abrogated. This section is the exclusive expression of the lawyer-client privilege for purposes of conducting closed-session meetings pursuant to this chapter. For purposes of this section, litigation shall be considered pending when any of the following circumstances exist:

(a) An adjudicatory proceeding before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator, to which the local agency is a party, has been initiated formally.

(b) (1) A point has been reached where, in the opinion of the legislative body of the local agency on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the local agency.

(2) Based on existing facts and circumstances, the legislative body of the local agency is meeting only to decide whether a closed session is authorized pursuant to paragraph (1) of this subdivision.

(c) Based on existing facts and circumstances, the legislative body of the local agency has decided to initiate or is deciding whether to initiate litigation.

Prior to holding a closed session pursuant to this section, the legislative body of the local agency shall state publicly to which subdivision it is pursuant. If the session is closed pursuant to subdivision (a), the body shall state the title of or otherwise

specifically identify the litigation to be discussed, unless the body states that to do so would jeopardize the agency's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

The legal counsel of the legislative body of the local agency shall prepare and submit to the body a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is pursuant to subdivision (a), the memorandum shall include the title of the litigation. If the closed session is pursuant to subdivision (b) or (c), the memorandum shall include the existing facts and circumstances on which it is based. The legal counsel shall submit the memorandum to the body prior to the closed session if feasible, and in any case no later than one week after the closed session. The memorandum shall be exempt from disclosure pursuant to Section 6254.1.

For purposes of this section, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

SEC. 6. Section 54962 is added to the Government Code, to read:

54962. Except as expressly authorized by this chapter, no closed session may be held by any legislative body of any local agency.

CHAPTER 1321

An act to amend Section 1209 of the Business and Professions Code, relating to clinical laboratories.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 1209 of the Business and Professions Code is amended to read:

1209. (a) As used in this chapter, "laboratory director" means any person who is a duly licensed physician and surgeon, or is licensed to direct a laboratory under the provisions of this chapter, and is responsible for and administers the technical and scientific operation of a clinical laboratory, including the selection and supervision of procedures, reporting of results, and active participation in its operations to such extent as may be necessary to assure compliance with this act. He or she shall be responsible for the proper performance of all laboratory work of all subordinates.

(b) The laboratory director of a clinical laboratory of an acute care hospital shall be a physician and surgeon who is a qualified pathologist. However, if a qualified pathologist is not available, a

physician and surgeon or a clinical laboratory bioanalyst may administer the laboratory, provided a qualified pathologist is available for consultation at suitable intervals to assure high quality service. As used in this subdivision, a qualified pathologist is a physician and surgeon certified or eligible for certification in clinical pathology or pathologic anatomy by the American Board of Pathology.

(c) Subdivision (b) does not apply to any director of a clinical laboratory of an acute care hospital acting in that capacity on or before January 1, 1988.

CHAPTER 1322

An act to amend Section 3208.1 of, to add Section 3251.5 to, and to add Chapter 7 (commencing with Section 3850) to Division 3 of, the Public Resources Code, relating to oil and gas.

[Approved by Governor September 28, 1987 Filed with Secretary of State September 28, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 3208.1 of the Public Resources Code is amended to read:

3208.1. (a) To prevent, as far as possible, damage to life, health, and property, the supervisor may order the reabandonment of any previously abandoned well when the future construction of any structure over or in the proximity of the well could result in a hazard. Cost of reabandonment operations shall be the responsibility of the owner of the property upon which the structure will be located. However, if the well was not abandoned in accordance with the requirements of the division in effect at the time of the abandonment and the last operator having an economic interest in or receiving any benefit from the well is still in business in this state, that operator shall be responsible.

(b) This section does not preclude the application of Article 4.2 (commencing with Section 3250). However, that article shall not apply to remedy any problem posing a danger to life, health, or property from a previously abandoned well where construction of any structure over or in the proximity of the well is begun on or after January 1, 1988, and the property owner, developer, or local agency permitting the construction failed to obtain an opinion from the supervisor as to whether the previously abandoned well must be reabandoned. In those situations, responsibility for correcting problems posing a danger to life, health, or property from the previously abandoned well shall rest with the developer or the owner of the property at the time of construction, unless that developer or owner is deceased, defunct, or no longer in business in

or a resident of this state. Furthermore, Article 4.2 (commencing with Section 3250) shall not apply to remedy any problems posing danger to life, health, or property, if the supervisor finds, from evidence obtained by or made available to the supervisor, that (1) after the well was properly abandoned, development of the surface of the property on which the well is located by someone other than the operator or an affiliate of the operator of the property on which the well is located likely disturbed the integrity of the abandonment, and (2) the supervisor can identify the party or parties responsible for disturbing the integrity of the abandonment.

SEC. 2. Section 3251.5 is added to the Public Resources Code, to read:

3251.5. (a) Notwithstanding Section 3251, a well shall be deemed a hazardous well if it has been determined by the supervisor to pose a present danger to life, health, or natural resources and has been abandoned in accordance with the requirements of the division in effect at the time of the abandonment 15 or more years before the date of the supervisor's determination that it poses such a danger.

(b) Reabandonment initiated by the supervisor shall not be affected by the timeline established in this section.

SEC. 3. Chapter 7 (commencing with Section 3850) is added to Division 3 of the Public Resources Code, to read:

CHAPTER 7. METHANE GAS HAZARDS REDUCTION

Article 1. General Provisions

3850. This chapter shall be known and may be cited as the Methane Gas Hazards Reduction Act.

3851. The Legislature finds and declares that methane gas hazards, as identified in the study conducted pursuant to Chapter 4.1 (commencing with Section 3240) of Chapter 1, are a clear and present threat to public health and safety.

3852. The Legislature further finds and declares that, due to the cost and complexity of methane hazard mitigations, property owners and local governments are often unable to mitigate these hazards.

3853. The Legislature further finds and declares, therefore, that it is essential that the state, in cooperation with local governments, provide funds to mitigate many of the state's methane gas hazards.

Article 2. Definitions

3855. As used in this chapter:

(a) "Methane gas hazards" means collections of biogenic or thermogenic gases identified as hazards in the study conducted by the supervisor pursuant to Article 4.1 (commencing with Section 3240) of Chapter 1.

(b) "Eligible jurisdictions" means counties and cities identified as having methane gas hazards in the study conducted by the

supervisor pursuant to Article 4.1 (commencing with Section 3240) of Chapter 1.

Article 3. Methane Gas Hazards Reduction Assistance

3860. The director may award grants to eligible jurisdictions for purposes of planning, equipment purchases, installation, and other measures related to the mitigation of methane gas hazards. Ongoing maintenance and monitoring activities shall not be financed by grants pursuant to this chapter.

3861. Prior to receiving grants under this chapter, each eligible jurisdiction shall submit a report to the director describing how the funds are to be expended. Before submitting the report, each eligible jurisdiction shall provide opportunities for the public to review and comment on the report, and shall hold at least one public hearing on the report.

3862. Prior to receiving any grants pursuant to this chapter, an eligible jurisdiction shall do all of the following:

(a) Implement a zoning ordinance for areas containing methane gas hazards that establishes a methane gas hazard overlay and provides mandatory studies and mitigations for new construction within the overlay zones.

(b) Revise the safety element of the city or county general plan to illustrate the methane gas hazard areas and establish mitigative policies.

(c) Prepare a methane gas hazard mitigation plan, which provides strategies and mitigations for reducing existing methane gas hazards and for avoiding further hazards due to new construction. The plans shall be consistent with the grant report, the zoning ordinance, and the general plan safety element.

3863. The department shall adopt rules and regulations implementing the grant program authorized by this chapter.

Article 4. Methane Gas Hazard Reduction Account

3865. The Methane Gas Hazard Reduction Account in the General Fund is hereby created. The moneys in the account shall be available for purposes of this chapter upon appropriation therefor by the Legislature.

SEC. 4. The sum of five hundred thousand dollars ($500,000) is hereby transferred from the Special Account for Capital Outlay in the General Fund to the Methane Gas Hazard Reduction Account.

CHAPTER 1323

An act to add Section 7262.5 to the Revenue and Taxation Code, relating to taxation.

[Became law without Governor's signature Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) Since the passage of Proposition 13, public library funding in Mendocino County has declined over 40 percent in real terms.

(b) Due to continuing county fiscal pressures, no new library book acquisitions have been carried out since 1981.

(c) Lack of consistent and stable revenues for Mendocino County public library operations threatens the closure of library branches in Fort Bragg and Willits, the loss of state and federal matching funds, and the curtailment of library literacy programs.

(d) The Mendocino County public library system provides unique and valued cultural and educational services to its citizens, as evidenced by the fact that over 45 percent of the county's adult residents possess public library cards.

(e) Local revenue enhancement techniques, such as special taxes and assessments for county public libraries, have not fared well in counties around the state, leaving counties such as Mendocino without effective revenue enhancement techniques for public library funding.

(f) Therefore, it is the intent of the Legislature to grant to Mendocino County, subject to approval by the Mendocino County Board of Supervisors and two-thirds of the voters voting in an election on the issue, five-year authority to levy a transactions and use tax at a rate of ½ or 1 percent for the purpose of funding public library operations.

SEC. 2. Section 7262.5 is added to the Revenue and Taxation Code, to read:

7262.5. In addition to the tax levied pursuant to Part 1.5 (commencing with Section 7200), the County of Mendocino may impose a transactions and use tax by the adoption of an ordinance in accordance with this part if each of the following conditions are met:

(a) The ordinance imposing the tax is submitted to and approved by the voters of the county in accordance with Article 3.7 (commencing with Section 53720) of Chapter 4 of Part 1 of Division 2 of Title 5 of the Government Code.

(b) The tax is imposed at a rate of ½ or 1 percent and for a period not to exceed five years.

(c) The revenues collected from the tax may be used only for the purpose of funding county library programs and operations.

CHAPTER 1324

An act to amend Sections 70045.7, 73432, 73432.1, 74001.5, 74002, 74004, 74368, 74370, and 74371 of the Government Code, relating to courts.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 70045.7 of the Government Code is amended to read:

70045.7. In Napa County, each regular official reporter shall be paid an annual salary of twenty-five thousand dollars ($25,000), and each pro tempore official reporter shall be paid one hundred ten dollars ($110) a day for the days he actually is on duty under order of the court. However, the board of supervisors, by ordinance, may establish a higher annual salary for each regular official reporter or a higher per diem for each pro tempore official reporter, or both.

SEC. 1.5. Section 73432 of the Government Code is amended to read:

73432. The judges of the West Kern Municipal Court District may appoint one traffic referee who shall hold office at the pleasure of the judges.

A traffic referee appointed by the municipal court judges shall have the powers and duties specified for traffic referees in Sections 72401 and 72402.

A traffic referee in the West Kern Municipal Court District shall receive annual compensation:

(a) Equal to 50 percent of the salary of a judge of the municipal court during the first year of service;

(b) Equal to 55 percent of the salary of a judge of the municipal court during the second year of service;

(c) Equal to 60 percent of the salary of a judge of the municipal court during the third year of service; and

(d) Equal to 65 to 75 percent of the salary of a judge of the municipal court during and after the fourth year of service. The traffic referee shall be paid on a biweekly basis pursuant to the payroll procedures in effect in the County of Kern.

The initial appointment to traffic referee shall be made at the 50 percent range. After the first year of service, and on the second and third anniversaries of service, the traffic referee may be compensated in the percentage amounts specified for the years of service in paragraphs (b), (c), and (d) above, subject to the recommendation of a majority of the judges and the approval of the board of supervisors.

SEC. 1.7. Section 73432.1 of the Government Code is amended to read:

73432.1. (a) The judges of the West Kern Municipal Court may appoint one commissioner. The commissioner shall possess the same qualifications as the law requires of a judge of the court. Within the jurisdiction of the court and under the direction of the judges, the commissioner shall exercise the powers and perform the duties authorized by law to be performed by commissioners of the superior court and such additional powers and duties as may be prescribed by law.

(b) The commissioner shall be paid biweekly, pursuant to the payroll procedures in effect in the County of Kern, in an amount equal to 70 to 85 percent of a municipal court judge's salary. The court shall recommend to the board of supervisors the level of salary to be received by the commissioner based on qualifications, performance, and other factors deemed relevant by the court, and the board of supervisors shall determine the salary level within the specified range. The biweekly salary rate of the commissioner shall be adjusted at the same time and manner and in the same percentage amount as set forth in Section 68203.

(c) In addition to the compensation provided for in this section, the commissioner shall be entitled to and shall receive on the same basis as other county employees, the same benefits and privileges with respect to retirement, group insurance, sick leave, and vacation. The commissioner shall observe the same holidays as other court employees.

SEC. 2. Section 74001.5 of the Government Code is amended to read:

74001.5. The judges of the Central Orange County Judicial District may appoint two court commissioners. The judges of the Orange County Harbor Judicial District may appoint two court commissioners. The judges of the North Orange County Judicial District may appoint two court commissioners. The judges of the South Orange County Judicial District may appoint one court commissioner. The judges of the West Orange County Judicial District may appoint two court commissioners.

The commissioners shall have the additional powers and duties prescribed by Section 259 of the Code of Civil Procedure. The commissioners shall possess the same qualifications as the law requires of a judge of the municipal court. The commissioners shall hold office at the pleasure of the judges and shall receive a monthly salary in the same sum as is paid a commissioner of the Orange County Superior Court. The commissioners shall be ex officio deputy clerks of the court and shall be members of any retirement system which includes the attachés of the court. The commissioners shall not engage in the private practice of law.

SEC. 3. Section 74002 of the Government Code is amended to read:

74002. There shall be one clerk and administrative officer for each court who shall be the court's executive officer and who shall be appointed by, and serve at the pleasure of, a majority of the judges

of the court, or in the case of an equal division of the judges of the court, the senior judge of the court, and who shall receive a biweekly salary as provided by the following range numbers of Section 74005; and each clerk and administrative officer/executive officer may appoint one chief deputy clerk who shall receive a biweekly salary as provided by the following range numbers of Section 74005:

Number of judicial positions authorized by law	Clerk and Administrative Officer/Executive Officer pay range	Chief Deputy Clerk pay range
3–5	E72	E62
6–8	E73	E63
9–11	E74	E64
12–14	E75	E65
15–17	E76	E66

Range changes shall be effective the first pay period after the effective date of legislation authorizing judicial positions.

SEC. 4. Section 74004 of the Government Code is amended to read:

74004. (a) The number of positions within each job classification which may be filled by appointment by the clerk and administrative officer/executive officer, respectively, of each such court, and the number of the salary range set forth in Section 74005 which constitutes the compensation for each job classification, are shown in the table below, in which the various municipal courts are designated by column headings from left to right in the same order as that in which their judicial districts are named in Section 74000:

Class Code	Title of Classification	Salary Range	Number of Positions Authorized in Each Court				
			NOC	COC	WOC	OCH	SOC
0534	Info. proc spec II	D37	15	14	14	11	4

7922	Systems analyst IV	A64	1	1	1	1	1
8449	ASA municipal court/ marshal	E63	0	1	0	0	0

(b) The Legislature finds and declares that the matter of appointing, promoting, demoting, and dismissing persons in positions with the municipal courts and all other aspects of the personnel management of municipal courts of Orange County is one for local concern. It further finds and declares that wherever possible such personnel management may grant to persons in positions with the municipal courts similar treatment with persons in positions with the County of Orange who are performing similar duties and who possess similar qualifications.

(c) To achieve the legislative intent expressed in subdivisions (a) and (b), the municipal courts of Orange County may create a personnel committee consisting of five judges selected one from each court by a majority vote of the judges of the respective courts,

or where there is an equal division of the judges of a court, by the senior judge of that court. The personnel committee may adopt rules and regulations providing for a personnel system for all municipal courts of Orange County which may provide for similar treatment for employees and attachés of the several courts and the marshal's office as is provided for Orange County employees generally. In so providing for a personnel system, the judges may adopt all or any part of the personnel and salary resolution or appropriate memoranda of understanding of the County of Orange.

(d) With the approval of the board of supervisors, the personnel system adopted by the personnel committee and made applicable to all the municipal courts of Orange County may be administered by the County of Orange through its personnel department. The board of supervisors may withdraw its approval at any time.

(e) If an increase in the business of the court or any other emergency requires a greater number of attachés or employees for the prompt and faithful discharge of the business of the court than the number expressly provided in this article or requires the performance of duties of positions in a class not expressly provided in this article, a majority of the judges of any of the courts, with the approval of the board of supervisors, may establish additional titles, pay rates, and positions as they deem necessary for the performance of the duties and exercise of the powers conferred by law upon the courts. Rates of compensation of such other officers, attachés, and employees may be set by joint action and approval of the board of supervisors and a majority of the municipal court judges of Orange County. The establishment of additional titles, positions, and pay rates and changes in compensation made pursuant to this subdivision shall be on an interim basis and shall expire on January 1 of the second year following the year in which such establishment or change is made. The provisions of this section are directory only and are not intended to affect the application of Section 72150.

SEC. 5. Section 74368 of the Government Code is amended to read:

74368. The marshal may make the following appointments:

(a) One assistant marshal.

(b) Four captains.

(c) Four lieutenants.

(d) Eighteen sergeants.

(e) One hundred sixty-three deputy marshals.

Any deputy marshal who may be assigned by the marshal to one of seven positions designated as lead deputy shall receive, while serving in that capacity, biweekly compensation at a rate 5 percent higher than that received by the deputy.

The marshal may, at his or her discretion, fill a deputy marshal or court service officer position by accepting a lateral transfer from another California peace officer agency. The transferee must have completed a California P.O.S.T. certified basic academy and been employed for at least one year in a position enumerated in Section

830.1, 830.2, 830.3, or 830.4 of the Penal Code within the past three years.

(f) One administrative secretary I, II, or III.

(g) One chief, administrative services or administrative assistant III.

(h) Twenty intermediate typists.

(i) Six senior typists.

(j) Thirty-five field service officers.

Notwithstanding any other provisions of this article, in no event shall a field service officer's salary be less than 65 percent of the salary of a deputy marshal at the corresponding pay step. The field service officer is a peace officer trainee position which requires appointees to be at least 18 years of age and meet the qualifications and standards prescribed for deputy marshals. At the time an incumbent in the class of field service officer attains the age of 21, he or she may be appointed by the marshal to a position in the class of deputy marshal or court service officer, provided such position is open, without further qualification or examination.

A field service officer shall receive 65 percent of the uniform allowance prescribed for deputy marshals. In the event that a field service officer is appointed to the class of deputy marshal or court service officer, he or she shall receive the amount of reimbursement of the cost of required uniforms and equipment prescribed for a newly hired deputy marshal or court service officer, less any reimbursement received by him or her for the cost of required field service officer uniforms and equipment.

Every person occupying a deputy marshal-cadet position on January 1, 1988, will be reclassified without further examination to a position of field service officer.

(k) One junior typist. Each vacancy occurring in this class shall cause a corresponding reduction in the number of junior typists hereby authorized, provided, however, that such vacancy shall increase by one, a position in the class intermediate typist under subdivision (h).

(*l*) Eight legal procedures clerks III.

(m) Thirty legal procedures clerks II or I.

(n) Sixty court service officers. In no event shall a court service officer's salary be less than 80 percent of a deputy marshal at the corresponding pay step. A court service officer shall receive the same uniform allowance prescribed for a deputy marshal, under the same conditions prescribed for deputy marshals. The marshal may appoint a court service officer to a vacant position of deputy marshal without further qualification or examination. In the event that a court service officer is appointed to the class of deputy marshal, he or she shall receive the amount of reimbursement prescribed for a newly hired deputy marshal, less any reimbursement received by him or her for the cost of required court service officer uniforms and equipment. Court service officers shall be peace officers pursuant to Section 830.4 of the Penal Code. Notwithstanding any other provision of law, court

service officers shall be general members of the county employees retirement system.

Any court service officer who meets length of service, educational and performance requirements established by the marshal and approved by the county personnel director may receive a biweekly compensation at a rate 7½ percent higher than that otherwise received by a court service officer. The number of court service officer positions so compensated shall not exceed one-half the total number of court service officers then employed by the marshal.

(o) Any person specified in subdivisions (f), (h), and (i), who may be assigned by the marshal to one of the positions designated as executive secretary or administrative-personnel secretary shall receive, while serving in that capacity, biweekly compensation at a rate 10 percent higher than that specified for such person's class and step.

(p) Two principal clerks.

(q) Three communications dispatchers.

(r) Two administrative assistants III, II, I, or trainee.

(s) One EDP coordinator, or senior systems analyst.

(t) Notwithstanding Section 74369, up to 15 extra help positions (hourly rate) to be appointed at a level as determined by and serve at the pleasure of the marshal. Such appointments shall be temporary for a period not to exceed six months, plus one additional period at the marshal's option, not to exceed six months. Notwithstanding any other provisions of this section, the marshal may fill these positions with persons employed for less than 91 working days during a fiscal year on a part-time basis.

(u) Notwithstanding Section 74369, the marshal may appoint up to six temporary extra help marshal student workers I, II, or III who shall be paid at an hourly rate and shall serve at the pleasure of the marshal. A marshal student worker I, II, or III shall receive an hourly salary at the rate equal to that specified for the class of student worker I, II, or III respectively in the unclassified service of the County of San Diego.

(v) One associate systems analyst or assistant systems analyst.

(w) One administrative services manager I, II, or III. Each appointment to a position in this subdivision will result in a commensurate reduction in the number of positions included in subdivision (g).

(x) Three communications dispatchers I or II. Each appointment to a position in this section will result in a commensurate reduction in the positions included in subdivision (q).

(y) Two supervising legal services clerks. Each appointment to a position in this section will result in a commensurate reduction in the number of positions included in subdivision (p).

(z) Notwithstanding Section 74369, up to five provisional workers may be appointed by and serve at the pleasure of the marshal. The class of provisional worker provides for temporary appointments to positions in classes not listed in Section 74370 pending a review and

evaluation of the duties of these positions by the marshal, and the establishment of specific classes as provided in this subdivision. The rate of pay for each individual employed in this class shall be within the range proposed for the class pending establishment, at a rate determined by the marshal following consultation with the county personnel director. The rules regarding appointment and compensation as they relate to appointments to provisional worker shall be the same as those applicable to the class that is pending establishment. Appointments shall be temporary and shall not exceed six months. Employee benefits, if applicable, shall be equal to those granted to the class in the service of the County of San Diego to which the pending class will be tied for benefit purposes. When such an appointment is made, the class, compensation (including salary and fringe benefits), and number of such positions may be established by joint action of the marshal and the board of supervisors in accordance with established county personnel and budgetary procedures. The marshal may then appoint additional attachés to such classes of positions in the same manner as those for which express provision is made, and they shall receive the compensation so provided. Persons occupying provisional worker positions shall have their appointments expire not later than 30 calendar days following promulgation of a list of certified eligibles for the new class. Appointments to the new class shall continue at the stated compensation or as thereafter modified by joint action of the marshal and the board of supervisors.

SEC. 6. Section 74370 of the Government Code is amended to read:

74370. (a) The hereinafter enumerated classes of positions in the marshal's office of San Diego County are deemed to be equivalent in job, salary level, and fringe benefit level to certain classes in the service of the County of San Diego and whenever the salary of a class in the service of the County of San Diego is adjusted by the board of supervisors, the salary of the equivalent class in the marshal's office shall be adjusted in the same amount, effective on the same date.

The equivalent classes are as follows:

Marshal class	County class
Assistant marshal	Assistant sheriff
Captain	Deputy sheriff-captain
Lieutenant	Deputy sheriff-lieutenant
Sergeant	Deputy sheriff-sergeant
Deputy marshal	Deputy sheriff
Court service officer	Revenue and recovery officer II
Field service officer	Revenue and recovery officer trainee
Communications dispatcher	Communications dispatcher
Principal clerk	Principal clerk
Legal procedures clerk III	Legal procedures clerk III

Legal procedures clerk II	Legal procedures clerk II
Legal procedures clerk I	Legal procedures clerk I
Senior typist	Senior clerk-typist
Intermediate typist	Intermediate clerk-typist
Junior typist	Junior clerk-typist
Chief, administrative services	Chief, administrative services
Administrative assistant III	Administrative assistant III
Administrative assistant II	Administrative assistant II
Administrative assistant I	Administrative assistant I
Administrative trainee	Administrative trainee
EDP coordinator	EDP coordinator
Senior systems analyst	Senior systems analyst
Associate systems analyst	Associate systems analyst
Assistant systems analyst	Assistant systems analyst
Administrative secretary III	Administrative secretary III
Administrative secretary II	Administrative secretary II
Administrative secretary I	Administrative secretary I
Administrative services manager I	Administrative services manager I
Administrative services manager II	Administrative services manager II
Administrative services manager III	Administrative services manager III
Supervising legal services clerk	Supervising legal services clerk
Communications dispatcher I	Communications dispatcher I
Communications dispatcher II	Communications dispatcher II

(b) In addition to the salary provided in this article officers, deputies, and other attachés of the marshal's office shall receive, and they shall be entitled to the same number of holidays, leaves of absence, retirement benefits, deferred compensation benefits, and all other fringe benefits as are now or may hereafter be provided for the specified comparable employees of the County of San Diego.

For purposes of providing the fringe benefits specified in this section, each class in the marshal's office shall receive benefits equal to those of the comparable class in the service of the County of San Diego as specified in this section. The marshal shall receive the same fringe benefits received by the Chief Probation Officer of the County of San Diego.

The purpose and intent of this subdivision is to provide all marshal's personnel with any and all fringe benefits, but no more than those, which are available to their comparable classes in the service of the County of San Diego, as specified in this section. Whenever action or approval by the chief administrative officer or the county personnel director is required by the county benefit, it

shall be taken or given as to comparable marshal's employees, by the marshal, or as to the marshal by the majority of the judges or their designees. Changes in fringe benefits shall be effective on the same date as those for employees of the County of San Diego in the specified comparable classes. The marshal may adopt rules for the conduct of and personnel privileges to be afforded marshal employees, excluding fringe benefits.

SEC. 7. Section 74371 of the Government Code is amended to read:

74371. In the event that the number of judges, commissioners, or referees provided for the superior court or any existing municipal court judicial district in the County of San Diego is increased, or that additional municipal court judicial districts are provided in the County of San Diego, thereby causing an increase in the number of judges, commissioners, or referees, the marshal at his discretion may appoint one deputy marshal or court service officer and one intermediate typist, legal procedures clerk, or field service officer each of whom shall receive compensation as specified for their respective classifications, for each additional judge, commissioner, or referee appointed or elected.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because this act is in accordance with the request of a local agency or school district which desired legislative authority to carry out the program specified in this act.

CHAPTER 1325

An act to amend Section 2762 of the Fish and Game Code, and to amend Section 6217.1 of the Public Resources Code, relating to fisheries, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 2762 of the Fish and Game Code is amended to read:

2762. (a) The Fisheries Restoration Account is hereby created in the Fish and Game Preservation Fund. The moneys in the Fisheries Restoration Account are hereby appropriated to the department for expenditure in fiscal years 1986–87 to 1990–91, inclusive, pursuant to subdivision (b).

(b) The moneys in the Fisheries Restoration Account may be expended for the construction, operation, and administration of projects designed to restore and maintain fishery resources and their habitat that have been damaged by past water diversions and

projects and other development activities. Expenditures shall not be authorized for a project to be funded under this subdivision before a date which is 30 days after the department has furnished a copy of the proposal for the project to be funded, together with supporting descriptions, to the Joint Committee on Fisheries and Aquaculture and to the Joint Legislative Budget Committee. These projects shall have as their primary objective the restoration of fishery resources. Projects may include, but shall not be limited to, the acquisition of lands, restoration of habitat, restoration or creation of spawning areas, kelp restoration, artificial reef construction, construction of fish screens or fish ladders, stream rehabilitation, and installation of pollution control facilities. Projects for restoration or creation of spawning areas shall utilize natural spawning rather than hatcheries to the extent possible.

Under no circumstances shall any water project be absolved under this subdivision of any mitigation requirements which are placed upon it under existing law.

No land shall be acquired pursuant to this chapter by eminent domain proceedings.

(c) Priority for funding shall be given to projects that employ fishermen, fish processing workers, and others who are unemployed or underemployed due to the elimination of a commercial fishing season as a result of restrictions imposed by federal regulations. This priority shall remain in effect only as long as those restrictions are in force.

(d) On and after July 1, 1986, expenditures shall not be authorized for multiyear projects funded under subdivision (b) before a date which is 30 days after the department has submitted an annual progress report on the project and a copy of the work schedule for subsequent year funding of the project to the Joint Committee on Fisheries and Aquaculture and to the Joint Legislative Budget Committee.

(e) The department shall conduct a preproject and postproject evaluation on each project for which money has been appropriated from the Fisheries Restoration Account.

(f) The department may expend not more than 5 percent of the funds annually appropriated from the Fisheries Restoration Account for the administration of projects.

(g) The department may contract for services for the purpose of conducting a preproject and postproject evaluation or for the administration of projects.

SEC. 2. Section 6217.1 of the Public Resources Code is amended to read:

6217.1. (a) There is hereby transferred to the Fisheries Restoration Account in the Fish and Game Preservation Fund the amount of five million dollars ($5,000,000) for the 1988–89 fiscal year from revenues, moneys, and remittances deposited by the commission pursuant to Section 6217, which amounts shall be transferred after the allocation is made pursuant to subdivision (b)

of Section 6217 but before the allocation is made pursuant to subdivision (c) of Section 6217.

(b) It is the intent of the Legislature that any subsequent transfers to the Fisheries Restoration Account shall be made in the annual budget acts.

(c) This section shall remain in effect only until January 1, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1991, deletes or extends that date.

CHAPTER 1326

An act to add Section 39037.05 to, and to add and repeal Sections 43837 and 43838 of, the Health and Safety Code, and to add Section 25310.1 to the Public Resources Code, relating to air pollution.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 39037.05 is added to the Health and Safety Code, to read:

39037.05. "Low-emission motor vehicle" means a motor vehicle which has been certified by the state board to meet all applicable emission standards and meets one of the following additional requirements:

(a) Is capable of operating on methanol, as determined by the state board, and will have an adverse impact on ambient air quality standards for ozone no greater than a vehicle which meets the requirements of subdivision (c).

(b) Is capable of operating on any available fuel other than gasoline or diesel and, in the determination of the state board, will have an adverse impact on ozone air quality no greater than a vehicle operating on methanol.

(c) Operates exclusively on gasoline and is certified to meet a hydrocarbon exhaust emission standard which is at least twice as stringent as otherwise applicable to light-duty gasoline vehicles.

SEC. 2. Section 43837 is added to the Health and Safety Code, to read:

43837. (a) The Advisory Board on Air Quality and Fuels is hereby created in state government.

(b) The purposes of the advisory board shall include all of the following:

(1) Provide an independent group of public and private individuals to assemble and evaluate information, and provide judgments and recommendations with regard to the necessity and feasibility of the implementation of methanol-fueled vehicle production and methanol availability mandates.

(2) Examine the technological feasibility and cost effectiveness of the mandated production, sale, and operation of methanol capable and dedicated methanol-fueled vehicles by public and private fleet operators and by the public, and of the phased conversion, expansion, or improvement of the motor vehicle fuel transport, storage, and distribution infrastructure to methanol compatibility, in comparison to other available air quality stategies.

(3) Examine issues related to consumer acceptance of methanol vehicles and the use of methanol fuel, including vehicle performance and durability, fuel and vehicle pricing, vehicle resale, the availability and the convenience of fuel supply and distribution, relative to other control technologies and fuels.

(4) Examine issues related to the economics of methanol production and supply, including anticipated price differentials between methanol, gasoline, and diesel at the wholesale and retail levels, projected methanol production capacity and primary raw materials sources, quantities, and cost, and the impact of methanol substitution on the state's energy security compared to other available options for reducing vulnerability to petroleum supply interruptions and rapid price increases.

(5) Examine the relative environmental, and public health and safety impacts and tradeoffs resulting from the substitution of methanol fuel, compared to other alternative fuels, technologies, and vehicles, including all of the following:

(A) The effect on vehicular and nonvehicular emissions, ambient air quality, and visibility.

(B) Public exposure and environmental contamination from toxic substances associated with fuels, including formaldehyde, benzene, methanol, and gasoline.

(C) Safety and fuel handling and storage issues.

(6) Examine the effectiveness of tax incentives for both industry and consumers and for government purchases of methanol fuel in facilitating the transition to increased use of methanol fuel.

(c) The advisory board shall consist of 17 members, of whom four shall be public members, two appointed by the Senate Committee on Rules, and two appointed by the Speaker of the Assembly. The Governor shall appoint the following 13 members of the commission and designate the chairperson:

(1) The Secretary of Environmental Affairs.

(2) The Secretary of the Business, Transportation and Housing Agency.

(3) The Chairperson of the State Energy Resources Conservation and Development Commission.

(4) The chairperson of the south coast district and a representative from a district in a nonattainment area.

(5) Three representatives of the California petroleum fuel industry.

(6) One representative of the methanol industry.

(7) Two representatives of the domestic motor vehicle

manufacturing industry, one of whom shall represent manufacturers of heavy-duty vehicles or engines.

(8) One representative of the imported motor vehicle manufacturing industry.

(9) The Director of Food and Agriculture.

The advisory board may appoint additional ex officio members.

(d) The advisory board may select an executive director, approve study protocols, let contracts, including selection of contractors, and conduct public hearings.

(e) The chairperson of the advisory board may oversee the day-to-day operations of the advisory board, chair meetings, appoint a vice chairperson, appoint special task forces as necessary, establish the agenda, and schedule meetings.

(f) The advisory board may request assistance from the state board, the State Energy Resources Conservation and Development Commission, the south coast district, or other public bodies for administrative services and staff support, and these agencies may provide these services, to the extent they determine is feasible, within existing budgetary resources. The advisory board may solicit funds from other public or private sources, and may accept private and public in-kind contributions, including technical and professional support, to accomplish the purposes of this chapter. The advisory board shall report on the sources and amounts of funds or contributions received.

(g) This section shall remain in effect only until January 1, 1993, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1993, deletes or extends that date.

SEC. 3. Section 43838 is added to the Health and Safety Code, to read:

43838. (a) Not later than one year after the appointment of its members, the Advisory Board on Air Quality and Fuels shall submit a report to the Legislature which includes its findings and recommendations with respect to the environmental and economic impacts and feasibility of the implementation of methanol-fueled vehicle production and methanol availability mandates.

(b) Nothing in Section 43837 or this section limits the existing authority of the state board, any district, or the State Energy Resources Conservation and Development Commission to adopt regulations relating to low-emission vehicles or low-emission fuels.

(c) This section shall remain in effect only until January 1, 1993, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1993, deletes or extends that date.

SEC. 4. Section 25310.1 is added to the Public Resources Code, to read:

25310.1. The commission, in cooperation with the State Air Resources Board, shall prepare, by September 1, 1988, a report on the expected availability and prices of fuels which are anticipated to be required for use in low-emission motor vehicles using methanol or other clean-burning fuels and shall thereafter include, in its biennial

report prepared under Section 25310, information on the expected availability and prices of those fuels.

The report shall include an assessment of the relative cost to users, compared to gasoline, of these fuels. The report shall also recommend to the Legislature any changes needed to ensure that these fuels are used to the greatest extent practicable. This information shall be included in the 1989 biennial report and in each report thereafter.

The 1991 and later biennial reports shall include an assessment of the success of the introduction, prices, and availability of these fuels.

SEC. 5. (a) The State Air Resources Board shall conduct a study to be undertaken jointly by the board and the California railroad industry, if it can be done with existing resources or from nonstate sources. The study shall include a survey of past research into the subject of railroad locomotive emissions, a review of present locomotive emissions, current technology available to reduce those emissions, a cost-benefit analysis regarding the economic impact on the railroad industry of utilizing present and proposed technology, and consideration of public and employee safety issues that may result with the use of these technologies. The board and the railroad industry shall also study existing and proposed technologies that are economically feasible and practical for the industry to implement in order to contribute to a reduction of railroad locomotive emissions. A demonstration project may be conducted, based on the study, only if the Locomotive Emission Advisory Committee, created pursuant to subdivision (b), has found in the study sufficient reasons to believe that a demonstration project is likely to result in findings that locomotive emission regulation would have significant air pollution benefits and would be cost-effective and safe. The use of consulting, research, and testing firms to assist in any study or demonstration shall be subject to consultation between the board and railroad industry representatives.

(b) The study and any demonstration project shall be directed by, and study recommendations and any project report adopted by, the Locomotive Emission Advisory Committee composed of the following nine persons:

(1) The Secretary of Environmental Affairs or the secretary's designee.

(2) The Chairman of the State Energy Resources Conservation and Development Commission or the chairman's designee.

(3) The Secretary of the Business, Transportation and Housing Agency or the secretary's designee.

(4) One representative each from one northern California and one southern California air pollution control district or air quality management district in nonattainment areas.

(5) One representative from each of the four major operating railroads in this state.

(c) The draft study, with recommendations, shall be submitted to the Governor and the Legislature not later than July 1, 1989. The final

study, with recommendations, shall be submitted to the Governor and the Legislature not later than January 1, 1990. If a demonstration project is conducted, the project and a subsequent report to the Governor and the Legislature shall be completed and submitted not later than January 1, 1993.

CHAPTER 1327

An act to amend Sections 25845, 54960.1, 56331, 56379, 56853, 57078, 57176, and 61601.10 of, to amend and renumber Section 56377.5 of, and to add Section 56331.3 to, the Government Code, to amend Section 5473.4 of, and to add Section 4739.5 to, the Health and Safety Code, to amend Section 22010 of, and to repeal Section 20398 of, the Public Contract Code, to add Section 1188 to the Streets and Highways Code, to amend Section 50705 of the Water Code, and to amend Section 66 of the Fairfield-Suisun Sewer District Act (Chapter 303 of the Statutes of 1951), relating to public agencies.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 25845 of the Government Code is amended to read:

25845. (a) The board of supervisors, by ordinance, may establish a procedure for the abatement of a nuisance. The ordinance shall, at a minimum, provide that the owner of the parcel, and anyone known to the board of supervisors to be in possession of the parcel, be given notice of the abatement proceeding and an opportunity to appear before the board of supervisors and be heard prior to the abatement of the nuisance by the county. However, nothing in this section prohibits the summary abatement of a nuisance upon order of the board of supervisors, or upon order of any other county officer authorized by law to summarily abate nuisances, if the board or officer determines that the nuisance constitutes an immediate threat to public health or safety.

(b) If the owner fails to pay the costs of the abatement upon demand by the county, the board of supervisors may order the cost of the abatement to be specially assessed against the parcel. The assessment may be collected at the same time and in the same manner as ordinary county taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as are provided for ordinary county taxes. All laws applicable to the levy, collection, and enforcement of county taxes are applicable to the special assessment.

(c) If the board of supervisors specially assesses the cost of the abatement against the parcel, the board also may cause a notice of

abatement lien to be recorded. The notice shall, at a minimum, identify the record owner or possessor of property, set forth the last known address of the record owner or possessor, set forth the date upon which abatement of the nuisance was ordered by the board of supervisors and the date the abatement was complete, and include a description of the real property subject to the lien and the amount of the abatement cost.

(d) However, if the board of supervisors does not cause the recordation of a notice of abatement lien pursuant to subdivision (c), and any real property to which the costs of abatement relates has been transferred or conveyed to a bona fide purchaser for value, or a lien on a bona fide encumbrancer for value has been created and attaches to that property, prior to the date on which the first installment of county taxes would become delinquent, then the cost of abatement shall not result in a lien against that real property but shall be transferred to the unsecured roll for collection.

(e) Recordation of a notice of abatement lien pursuant to subdivision (c) has the same effect as recordation of an abstract of a money judgment recorded pursuant to Article 2 (commencing with Section 697.310) of Chapter 2 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure. The lien created has the same priority as a judgment lien on real property and continues in effect until released. Upon order of the board of supervisors, or any county officer authorized by the board of supervisors to act on its behalf, an abatement lien created under this section may be released or subordinated in the same manner as a judgment lien on real property may be released or subordinated.

(f) In counties with a population of 6,000,000 or more, the board of supervisors may delegate the hearing required by subdivision (a), prior to abatement of a public nuisance, to a hearing board designated by the board of supervisors. The hearing board shall make a written recommendation to the board of supervisors. The board of supervisors may adopt the recommendation without further notice of hearing, or may set the matter for a de novo hearing before the board of supervisors.

SEC. 2. Section 54960.1 of the Government Code is amended to read:

54960.1. (a) Any interested person may commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that an action taken by a legislative body of a local agency in violation of Section 54953, 54954.2, or 54956 is null and void under this section. Nothing in this chapter shall be construed to prevent a legislative body from curing or correcting an action challenged pursuant to this section.

(b) Prior to any action being commenced pursuant to subdivision (a), the interested person shall make a demand of the legislative body to cure or correct the action alleged to have been taken in violation of Section 54953, 54954.2, or 54956. The demand shall be in writing and clearly describe the challenged action of the legislative

body and nature of the alleged violation. The written demand shall be made within 30 days from the date the action was taken. Within 30 days of receipt of the demand, the legislative body shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct or inform the demanding party in writing of its decision not to cure or correct the challenged action. If the legislative body takes no action within the 30-day period, the inaction shall be deemed a decision not to cure or correct the challenged action, and the 15-day period to commence the action described in subdivision (a) shall commence to run the day after the 30-day period to cure or correct expires. Within 15 days of receipt of the written notice of the legislative body's decision to cure or correct, the expiration of the 30-day period to cure or correct, or not to cure or correct, within 15 days of or within 75 days from the date the challenged action was taken, whichever is earlier, the demanding party shall be required to commence the action pursuant to subdivision (a) or thereafter be barred from commencing the action.

(c) An action taken shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in substantial compliance with Sections 54953, 54954.2, and 54956.

(2) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement thereto.

(3) The action taken gave rise to a contractual obligation, including a contract let by competitive bid, upon which a party has, in good faith, detrimentally relied.

(4) The action taken was in connection with the collection of any tax.

(d) During any action seeking a judicial determination pursuant to subdivision (a) if the court determines, pursuant to a showing by the legislative body that an action alleged to have been taken in violation of Section 54953, 54954.2, or 54956 has been cured or corrected by a subsequent action of the legislative body, the action filed pursuant to subdivision (a) shall be dismissed with prejudice.

(e) The fact that a legislative body takes a subsequent action to cure or correct an action taken pursuant to this section shall not be construed or admissible as evidence of a violation of this chapter.

SEC. 3. Section 56331 of the Government Code is amended to read:

56331. When appointing a public member pursuant to Sections 56325, 56326, 56329, and 56330, the commission may also appoint one alternate public member who may serve and vote in place of a regular public member who is absent or who disqualifies himself or herself from participating in a meeting of the commission.

If the office of a regular public member becomes vacant, the alternate member may serve and vote in place of the former regular public member until the appointment and qualification of a regular public member to fill the vacancy.

SEC. 4. Section 56331.3 is added to the Government Code, to read:

56331.3. If two or more members are absent or disqualify themselves from participating in a meeting of the commission, any alternate member who is authorized to serve and vote in the place of a member shall only have one vote.

SEC. 5. Section 56377.5 of the Government Code is amended and renumbered to read:

56375.5. Every determination made by a commission regarding the matters provided for by subdivisions (a), (o), and (p) of Section 56375 shall be consistent with the spheres of influence of the local agencies affected by those determinations.

SEC. 6. Section 56379 of the Government Code is amended to read:

56379. Any person may, prior to any meeting, request the commission to cause a stenographic or electromagnetic record to be made of a meeting. If the cost of making that record is borne by that person, the commission shall cause the record to be made. The commission may require any person requesting the record to be made to deposit the estimated cost of making the record with the commission prior to the hearing.

SEC. 7. Section 56853 of the Government Code is amended to read:

56853. The executive officer shall mail a copy of the resolution adopted by the commission making determinations addressed to each of the following persons or entities:

(a) The chief petitioners, if any, where the proceedings for change of organization were initiated by petition.

(b) Each affected local agency whose boundaries would be changed by the proposal.

(c) The conducting authority, by certified mail, return receipt requested. The copy of the resolution mailed to the conducting authority shall be certified as a true and correct copy by the executive officer.

SEC. 8. Section 57078 of the Government Code is amended to read:

57078. In the case of any reorganization or change of organization, a majority protest shall be deemed to exist and the proposed change of organization or reorganization shall be abandoned if the conducting authority finds that written protests filed and not withdrawn prior to the conclusion of the hearing represent any of the following:

(a) In the case of uninhabited territory, landowners owning 50 percent or more of the assessed value of the land within the territory.

(b) In the case of inhabited territory, 50 percent or more of the voters residing in the territory.

(c) In the case of a landowner-voter district, 50 percent or more of the voting power of the voters entitled to vote as a result of owning land within the district.

SEC. 9. Section 57176 of the Government Code is amended to read:

57176. The conducting authority shall adopt a resolution confirming the order of the change of organization or reorganization if a majority of votes cast upon the question are in favor of the change of organization or reorganization in any of the following circumstances:

(a) At an election called in the territory ordered to be organized or reorganized.

(b) At an election called within the territory ordered to be organized or reorganized and within the territory of the affected agency. The clerk of the conducting authority shall cause a copy of the resolution confirming the order of organization or reorganization to be filed with the executive officer.

(c) At both an election called within the area to be organized or reorganized and an election called within the territory of an affected city, when required by the commission pursuant to Section 56850.

SEC. 10. Section 61601.10 of the Government Code is amended to read:

61601.10. In addition to the powers which may be exercised pursuant to Section 61600, whenever the Board of Directors of the El Dorado Hills Community Services District, the Salton Community Services District, or the Big River Community Services District determines by resolution, entered in the minutes, that it is feasible, economically sound, and in the public interest, and if a majority of the voters voting on the proposition vote in favor of the adoption of the additional purpose pursuant to Section 61601, the district may enforce the covenants, conditions, and restrictions adopted for each tract within the boundaries of the district, and assume the duties of the architectural control committee for each tract within the boundaries of the district and for other tracts as may be annexed from time to time, for the purpose of maintaining uniform standards of development within the district as adopted in the covenants, conditions, and restrictions. However, the district shall exercise the duties of an architectural control committee for any tract only to the extent authorized by the covenants, conditions, and restrictions applicable to the tract.

The power to carry on that activity may be divested in the same manner as the power was acquired.

For the purposes of this section, "tract" means any parcel of land for which the county has authorized development.

SEC. 11. Section 4739.5 is added to the Health and Safety Code, to read:

4739.5. By resolution, the board may change the name of the district. The change of name shall be effective upon the filing of a certified copy of the resolution with the Secretary of State and recording a certified copy in the office of the county recorder of the county or counties in which the district is situated.

SEC. 12. Section 5473.4 of the Health and Safety Code is amended

to read:

5473.4. On or before August 10 of each year following the final determination upon each charge, the clerk shall file with the auditor a copy of the report prepared pursuant to Section 5473 with a statement endorsed on the report over his or her signature that the report has been finally adopted by the legislative body of the entity and the auditor shall enter the amounts of the charges against the respective lots or parcels of land as they appear on the current assessment roll. Where any of the parcels are outside the boundaries of the entity they shall be added to the assessment roll of the entity for the purpose of collecting the charges. If the property is not described on the roll, the auditor may enter the description on the roll together with the amounts of the charges, as shown in the report.

SEC. 13. Section 20398 of the Public Contract Code is repealed.

SEC. 14. Section 22010 of the Public Contract Code is amended to read:

22010. There is hereby created the California Uniform Construction Cost Accounting Commission. The commission is comprised of 14 members.

(a) Thirteen of the members shall be appointed by the Controller as follows:

(1) Two members who shall each have at least 10 years of experience with, or providing professional services to, a general contracting firm engaged, during that period, in public works construction in California.

(2) Two members who shall each have at least 10 years of experience with, or providing professional services to, a firm or firms engaged, during that period, in subcontracting for public works construction in California.

(3) Two members who shall each be a member in good standing of, or have provided professional services to, an organized labor union with at least 10 years of experience in public works construction in California.

(4) Seven members who shall each be experienced in, and knowledgeable of, public works construction under contracts let by public agencies; two each representing cities, counties, respectively, and two representing school districts (one with an average daily attendance over 25,000 and one with an average daily attendance under 25,000), and one member representing a special district. At least one of the two county representatives shall be a county auditor or his or her designee.

(b) The member of the Contractors' State License Board who is a general engineering contractor as that term is defined in Section 7056 of the Business and Professions Code shall serve as an ex officio voting member. He or she shall become a member of the commission when the first vacancy occurs in an office of one of the members under paragraph (1) of subdivision (a).

SEC. 15. Section 1188 is added to the Streets and Highways Code, to read:

1188. The board shall cause the highway work provided for in this article to be done in accordance with the provisions of Sections 20391 to 20395, inclusive, of the Public Contracts Code, except that the notice calling for bids shall be published in a newspaper published in the division if there is such a newspaper. The successful bidder shall deposit a bond in the amount the board requires, conditioned on the faithful performance of the contract and on the payment for all labor employed and all material used in the work.

SEC. 16. Section 50705 of the Water Code is amended to read:

50705. The polls shall be kept open from 10 a.m. of the day of election until 4 p.m. Where the real property in the district is assessed to 500 or more different individual, joint, or corporate owners, the board may elect to keep the polls open from 7 a.m. of the day of election until 7 p.m. and in that event shall include the time of polling in the notice as provided in Section 50732. However, when the board holds an election which does not involve added costs to any other local governmental entity, the board may elect to keep the polls open from 7 a.m. of the day of election until 8 p.m. and in that event shall include the time of polling in the notice as provided in Section 50732.

SEC. 17. Section 66 of the Fairfield-Suisun Sewer District Act (Chapter 303, Statutes of 1951), is amended to read:

Sec. 66. All contracts for the construction of any unit of work shall be governed by Sections 22032 to 22039, inclusive, contained in Article 3 (commencing with Section 21200) of Chapter 2 of Part 3 of Division 2 of the Public Contract Code.

SEC. 18. The Legislature finds and declares that the Big River Community Services District has a special need to exercise the powers set forth in this act. The Legislature further finds and declares that this need is not common to all districts formed under the Community Services District Law. It is, therefore, hereby declared that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the Constitution, and that the enactment of this act as a special law, is necessary for the solution of problems existing in the Big River Community Services District.

SEC. 19. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

SEC. 20. No reimbursement is required by this act because of the amendment made to Section 5473.4 of the Health and Safety Code pursuant to Section 6 of Article XIII B of the California Constitution because this act is in accordance with the request of a local agency or school district which required legislative authority to carry out the program specified in this act.

CHAPTER 1328

An act to amend Section 14035 of the Government Code, and to add Sections 103357, 103358, 103359, 103360, 103361, and 103362 to the Public Utilities Code, relating to transportation, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. The Counties of San Mateo and Santa Clara and the City and County of San Francisco may enter into a joint powers agreement pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code to create a joint powers agency which may be known as the Peninsula Corridor Study Joint Powers Board.

SEC. 2. The sum of two hundred fifty thousand dollars ($250,000) is hereby appropriated from the Transportation Planning and Development Account in the State Transportation Fund to the Department of Transportation for allocation to the San Mateo County Transit District in order to help establish the Peninsula Corridor Study Joint Powers Board created pursuant to Section 1 of this act, and to conduct any planning, environmental, or right-of-way activities in preparation for the board or its successor to operate, manage, and maintain the San Francisco Peninsula commuter rail service beginning on July 1, 1990. The district shall be the financial manager and trustee of these funds and shall allocate them to the joint powers agency created pursuant to Section 1 of this act, or its successor, to cover the costs of organizing and forming the agency. Any of these funds which have not been encumbered by the agency within two years of the operative date of this act shall revert to the Transportation Planning and Development Account of the State Transportation Fund.

SEC. 3. Section 14035 of the Government Code is amended to read:

14035. (a) The department may enter into contracts with the National Railroad Passenger Corporation under Section 403(b) of the Rail Passenger Service Act of 1970 (45 U.S.C. Sec. 563(b)) to provide commuter and intercity passenger rail services. The contracts may include, but are not limited to, the extension of intercity passenger rail services or the upgrading of commuter rail services.

(b) The department may contract with railroad corporations for the use of tracks and other facilities and the provision of passenger services on terms and conditions as the parties may agree.

(c) The department is the only public agency eligible to receive

funds pursuant to Section 1614 of Title 49 of the United States Code.

(d) The department may construct, acquire, or lease and improve and operate rail passenger terminals and related facilities which provide intermodal passenger services along the following corridors: the San Diego-Los Angeles corridor, the San Francisco Peninsula commute corridor, the Los Angeles-Oxnard corridor, the San Bernardino-Riverside-Los Angeles corridor, the San Jose-Oakland-Sacramento-Reno corridor, the Los Angeles-Bakersfield-Fresno-Stockton-Sacramento-Oakland corridor, and the Los Angeles-Santa Barbara-Oakland-Davis-Redding corridor.

(e) The department may enter into a contract with the National Railroad Passenger Corporation to provide an additional third train over the San Joaquin route running between Bakersfield and Oakland and to extend the existing route to Sacramento.

SEC. 3.5. Section 103357 is added to the Public Utilities Code, to read:

103357. (a) The district may issue bonds payable from the proceeds of the retail transactions and use tax.

(b) The maximum bonded indebtedness which may be outstanding at any one time shall be an amount equal to the sum of the principal of, and interest on, the bonds, but not to exceed the estimated proceeds of the transactions and use tax for a period of not more than the term of the bonds.

SEC. 4. Section 103358 is added to the Public Utilities Code, to read:

103358. (a) The bonds may be issued by the district at any time, and from time to time, payable from the proceeds of the tax. The bonds shall be referred to as "limited tax bonds." The bonds may be secured by a pledge of revenues from the proceeds of the retail transactions and use tax or any other funds or assets of the district as may be specified by the district.

(b) The pledge of retail transactions and use taxes to the limited tax bonds authorized under this article shall have priority over the use of any of the taxes for "pay-as-you-go" financing, except to the extent that the priority is expressly restricted in the resolution authorizing the issuance of the bonds.

(c) A pledge by or to the district of tax receipts, revenues, moneys, accounts, accounts receivable, contract rights, and other rights to payment of whatever kind made by or to the district shall be valid and binding from the time the pledge is made for the benefit of pledgees and successors thereto. The tax receipts, revenues, moneys, accounts, accounts receivable, contract rights, and other rights to payment of whatever kind pledged by or to the district or the assignees shall immediately be subject to the lien of the pledge without physical delivery or further act. The lien of the pledge shall be valid and binding against all parties, regardless of whether the parties have notice of the claim. The indenture, trust agreement, resolution, or another instrument by which the pledge is created

need not be recorded.

SEC. 5. Section 103359 is added to the Public Utilities Code, to read:

103359. The district may provide for the bonds to bear a variable interest rate, for the manner and intervals in which the rate shall vary, and for the dates on which the interest shall be payable. In connection with the issuance of bonds, the district may enter into any agreement for liquidity or credit enhancement that may be necessary or desirable, as determined by the district.

SEC. 6. Section 103360 is added to the Public Utilities Code, to read:

103360. (a) Limited tax bonds shall be issued pursuant to a resolution adopted at any time, and from time to time, by the district by a two-thirds vote of all members of the board of the district.

(b) The district may, from time to time, issue bonds in accordance with the Revenue Bond Law of 1941 (Chapter 6 (commencing with Section 54300) of Part 1 of Division 2 of Title 5 of the Government Code), for the purposes set forth in Section 103282, which shall constitute an "enterprise" within the meaning of Section 54309 of the Government Code, and the proceeds of the retail transactions and use tax shall constitute "revenues" within the meaning of Section 54315 of the Government Code. Article 3 (commencing with Section 54380) of Chapter 6 of Part 1 of Division 2 of Title 5 of the Government Code and the limitations set forth in subdivision (b) of Section 54402 and in Sections 54403 and 54418 of the Government Code do not apply to the issuance and sale of bonds pursuant to this article. Instead, the district shall authorize the issuance of bonds by resolution, which resolution shall specify all of the following:

(1) The purposes for which the bonds are to be issued, which may be general.

(2) The maximum principal amount of the bonds.

(3) The maximum term for the bonds.

(4) The maximum rate of interest to be payable upon the bonds, which shall not exceed the maximum rate permitted for bonds of the district by Section 53531 of the Government Code or any other applicable provisions of law. In the case of bonds bearing a variable interest rate, the variable rate shall on no day exceed the maximum rate permitted for bonds of the district on that day by Section 53531 of the Government Code or any other applicable provisions of law. However, the variable interest rate so permitted may on any day exceed that maximum rate if the interest paid on the bonds from their date of original issuance on that day does not exceed the total interest which would have been permitted to have been paid on the bonds if the bonds had borne interest at all times from the date of issuance to that day at the maximum rate permitted from time to time by Section 53531 of the Government Code or any other applicable provisions of law.

(5) The maximum discount or premium on the sale of bonds. The bonds may be sold at less or more than the principal amount thereof

in the manner and to the extent determined by the district.

(c) For purposes of the issuance and sale of bonds pursuant to this article, the following definitions are applicable to the Revenue Bond Law of 1941:

(1) "Resolution" means, unless the context otherwise requires, the instrument providing the terms and conditions for the issuance of the limited tax bonds, and may be an indenture, resolution, ordinance, order, agreement, or other instrument in writing.

(2) "Fiscal agent" means any fiscal agent, trustee, paying agent, depository, or other fiduciary provided for in the resolution authorizing the issuance of the bonds, which fiscal agent may be located within or without the state.

(d) Each resolution shall provide for the issuance of bonds in the amounts as may be necessary, until the full amount of the bonds authorized has been issued. The full amount of bonds may be divided into two or more series with different dates of payment fixed for the bonds of each series. A bond need not mature on its anniversary date.

SEC. 7. Section 103361 is added to the Public Utilities Code, to read:

103361. Any bonds issued pursuant to this article are legal instruments for all trust funds; for the funds of insurance companies, commercial and savings banks, and trust companies; and for state school funds. Whenever any money or funds may, by any law now or hereafter enacted, be invested in bonds of cities, counties, school districts, or other districts within the state, those funds may be invested in the bonds issued pursuant to this article, and whenever bonds of cities, counties, school districts, or other districts within this state, may, by any law now or hereafter enacted, be used as security for the performance of any act or the deposit of any public money, the bonds issued pursuant to this article may be so used. The provisions of this article are in addition to all other laws relating to legal investment and shall be controlling as the latest expression of the Legislature with respect thereto.

SEC. 8. Section 103362 is added to the Public Utilities Code, to read:

103362. This article provides a complete, additional, and alternative method for doing what is authorized by this article and shall be regarded as supplemental and additional to the powers conferred by any other laws. The issuance of bonds and the entering into any credit reimbursement or other agreement under this article need not comply with the requirements of any other law applicable to the district or the issuance of bonds or the incurring of indebtedness. Bonds issued by the district prior to the effective date of the act which enacted this section which were subject to investigation, reports, and approval or certification by the Treasurer pursuant to the District Securities Investigation Law of 1965 (Chapter 2.5 (commencing with Section 58750) of Division 2 of Title 6 of the Government Code), and the Districts Securities Law (Chapter 1 (commencing with Section 20000) of Division 10 of the

Water Code) prior to the adoption of this article shall continue to be subject to those investigations, reports, and approvals or certification.

SEC. 9. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to ensure adequate rail service in the San Joaquin Valley where demand for this service has steadily increased in recent years, to ensure a timely and orderly transition of the responsibility for operation and management of the San Francisco Peninsula commuter rail service from the Department of Transportation to the joint powers agency created pursuant to this act, and in order that the San Mateo County Transit District may issue limited obligation bonds to finance its capital expenditure program as soon as possible, it is necessary that this act take effect immediately as an urgency statute.

CHAPTER 1329

An act to add and repeal Sections 8051.1, 8051.2, and 9056 of the Fish and Game Code, relating to sea urchins, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 8051.1 is added to the Fish and Game Code, to read:

8051.1. (a) Every person who is required to pay a landing tax for sea urchins pursuant to Sections 8041 and 8042 shall pay, in addition to the landing taxes determined in accordance with the schedule in Section 8051, an additional landing tax of one-half cent ($0.005) for each pound, or fraction thereof, of sea urchins, determined as provided in Section 8042. The money collected by the department from the additional landing tax pursuant to this section shall be deposited in the Fish and Game Preservation Fund to reimburse the fund for the appropriation made in subdivision (c). Collection of the additional landing tax pursuant to subdivision (a) shall begin on the first day of the second month following the operative date of the statute adding this section.

(b) The sum of one hundred fifty thousand dollars ($150,000) is hereby appropriated from the Fish and Game Preservation Fund to the department for expenditure without regard to fiscal years for the purposes of Section 9056.

(d) This section shall remain in effect only until January 1, 1991,

and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1991, deletes or extends that date.

SEC. 2. Section 8051.2 is added to the Fish and Game Code, to read:

8051.2. (a) After the first one hundred fifty thousand dollars ($150,000) collected according to subdivision (a) of Section 8051.1 is expended on the study mandated by Section 9056, one-quarter cent ($0.0025) of the landing tax shall be deposited in the Fish and Game Preservation Fund and one-quarter cent ($0.0¼) shall be deposited in the Sea Urchin Resource Enhancement Account, which is hereby created in the Fish and Game Preservation Fund, to be used in support of the recommendations of the committee established by subdivision (b) of this section and other sea urchin resource enhancement measures as provided in the annual Budget Act.

(b) A Commercial Sea Urchin Advisory Committee shall be established consisting of 10 members selected by the director. One member shall be chosen from the personnel of the department. Eight members shall be selected, with alternates, from nominations submitted by sea urchin fishermen and processors and by associations representing the commercial sea urchin industry of California. Four of the industry members shall be from northern California, two representing divers and two representing processors, and four shall be from southern California, two representing divers and two representing processors. The area marine coordinator from the University of California at Davis shall be the other member.

From the money available in the Sea Urchin Resource Enhancement Fund after the one hundred fifty thousand dollars ($150,000) used for the study mandated by Section 9056, the committee may annually submit to the department a program and budget for the special account. The department, after conducting a public review and discussion shall incorporate all or part of the program and budget recommendations in its submittal to the Governor's Budget.

(c) The department shall submit to the Legislature a biennial report, the first one to be submitted in January of 1990, on the state of the Sea Urchin Resource Enhancement Account, a status of programs funded from the account, and program recommendations of the department. The report shall also include any program recommendations from the advisory committee, any program recommendations for expenditure, and the department's comments as recommended to the Governor.

(d) This section shall remain in effect only until January 1, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1991, deletes or extends that date.

SEC. 3. Section 9056 is added to the Fish and Game Code, to read:

9056. The Department of Fish and Game shall study or contract for a study to determine the health of the sea urchin fishery in state waters in both northern and southern California, including, but not limited to, population levels and methods and costs of restoration,

including what size limits, if any, need to be imposed to protect the resource. The study shall be performed in in consultation with the advisory committee.

The department shall prepare a report of its findings and recommendations for enhancement of the sea urchin resource to the Legislature on or before January 1, 1991.

This section shall remain in effect only until January 1, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1991, deletes or extends that date.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to complete the study required by this act and to preserve the sea urchin resource during the study period and to carry out the other provisions of this act at the earliest opportunity, it is necessary that this act take effect immediately.

CHAPTER 1330

An act to amend Section 26750 of, and to add Section 26746 to, the Government Code, relating to courts.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 26746 is added to the Government Code, to read:

26746. In addition to any other fees required by law, a processing fee of five dollars ($5) shall be assessed for each disbursement of money collected under a writ of attachment, execution, possession, or sale, but excluding any action by the district attorney's office for the establishment or enforcement of a child support obligation. The fee shall be collected from the judgment debtor in addition to, and in the same manner as, the moneys collected under the writ. All proceeds of this fee shall be deposited in a special fund in the county treasury. A separate accounting of funds deposited shall be maintained for each depositor, and funds deposited shall be for the exclusive use of the depositor.

Seventy percent of the moneys in the special fund shall be expended to supplement the county's cost for vehicle fleet replacement and equipment for the sheriff and the marshal. Thirty percent of the moneys in the special fund shall be expended to supplement the county's cost of vehicle and equipment maintenance for the sheriff and the marshal, and for the county's expenses in administering the funds.

No fee shall be charged where the only disbursement is the return of the judgment creditor's deposit for costs.

SEC. 2. Section 26750 of the Government Code, as amended by Chapter 328 of the Statutes of 1987, is amended to read:

26750. (a) The fee for serving an earnings withholding order under the Wage Garnishment Law, Chapter 5 (commencing with Section 706.010) of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure, including but not limited to the costs of postage or traveling, and for performing all other duties of the levying officer under that law with respect to the levy is twenty dollars ($20).

(b) Except as provided in Section 26746, no additional fees, costs, or expenses may be charged by the levying officer for performing the duties under the Wage Garnishment Law, Chapter 5 (commencing with Section 706.010) of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act.

CHAPTER 1331

An act to add Section 155.8 to the Streets and Highways Code, relating to transportation, and making an appropriation therefor.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 155.8 is added to the Streets and Highways Code, to read:

155.8. (a) The department shall develop contract specifications to conduct a statewide study of technically feasible and available cost-effective means to reduce four- and five-axle truck traffic from congested urban freeways during commute hours. The department shall contract with a qualified consultant for performance of the study and the preparation of the final report and recommendations which shall be transmitted to the Legislature on or before January 1, 1989. The study shall focus on and include the following elements:

(1) The effect of changing traffic management techniques on commuters, employees, employers, producers and receivers of shipments by truck, and trucking companies. The study shall include an economic evaluation of the impact on each group.

(2) What changes are required, if any, in the shipping and receiving practices of businesses to implement a truck-oriented traffic reduction program. An economic impact analysis of each

recommended change shall be provided.

(3) Identification of grid-lock routes and feasible alternative routes which could be utilized for demonstration projects. The alternative routes shall identify the impact, if any, of rerouting truck traffic through surrounding areas which are outside the specific congested demonstration project area.

(4) Analysis of the potential for reducing truck-related accidents during peak hour traffic by controlling or rerouting truck traffic.

(b) It is the purpose of this study to address the problem of urban grid-lock in California and to evaluate the economic impact of traffic improvement techniques.

(c) It is not the intent of the Legislature to prohibit or otherwise restrict the department or local governments from proceeding with truck restrictions, prohibitions, or reroutings if those are feasible pending the outcome of the study.

SEC. 2. The sum of three hundred thousand dollars ($300,000) is hereby appropriated from the State Highway Account in the State Transportation Fund to the Department of Transportation for the purposes of Section 155.8 of the Streets and Highways Code.

CHAPTER 1332

An act to add Article 5.5 (commencing with Section 8589.8) to Chapter 7 of Division 1 of Title 2 of the Government Code, relating to fire equipment, and making an appropriation therefor.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Article 5.5 (commencing with Section 8589.8) is added to Chapter 7 of Division 1 of Title 2 of the Government Code, to read:

Article 5.5. State Assistance for Fire Equipment Act

8589.8. This article shall be known and may be cited as the State Assistance for Fire Equipment Act.

8589.9. The Legislature finds and declares that there is a growing need to find new ways to acquire firefighting apparatus and equipment for use by local agencies. Local agencies, particularly those which serve rural areas, have had and are likely to continue to have, difficulty acquiring firefighting apparatus and equipment. The Legislature further finds and declares that this situation presents a statewide problem for the protection of the public safety.

In enacting this article, the Legislature intends to create new ways for the Office of Emergency Services to help local agencies acquire

firefighting apparatus and equipment. Through the identification of available apparatus and equipment, the acquisition of new and used apparatus and equipment, the refurbishing and resale of used apparatus and equipment, and assisting the financing of resales, the Office of Emergency Services will help local agencies meet public safety needs.

8589.10. As used in this article:

(a) "Acquire" means acquisition by purchase, grant, gift, or any other lawful means.

(b) "Director" means the Director of the Office of Emergency Services.

(c) "Firefighting apparatus and equipment" means any vehicle and its associated equipment which is designed and intended for use primarily for firefighting. "Firefighting apparatus and equipment" does not include vehicles which are designed and intended for use primarily for emergency medical services, rescue services, communications and command operations, or hazardous materials operations.

(d) "Indirect expenses" means those items which are identified as indirect costs in the federal Office of Management and Budget Circular A-87 on January 1, 1985.

(e) "Local agency" means any city, county, special district, or any joint powers agency composed exclusively of those agencies, which provides fire suppression services. "Local agency" also includes a fire company organized pursuant to Part 4 (commencing with Section 14825) of Division 12 of the Health and Safety Code.

(f) "Office" means the Office of Emergency Services.

(g) "Rural area" means territory which is outside of any urbanized area designated by the United States Bureau of the Census from the 1980 federal census.

8589.11. The office may acquire new or used firefighting apparatus and equipment for resale to local agencies. If the apparatus or equipment is in a used condition, the office may contract with the Prison Industry Authority to repair or refurbish the apparatus or equipment to acceptable fire service standards before resale. The resale price shall recover the office's cost of acquisition, repairing, refurbishing, and associated indirect expenses.

8589.12. If a state agency, including the office, proposes to make firefighting apparatus or equipment which is currently owned and operated by the state available to the office for use under this article, the Department of General Services shall determine whether there is any immediate need by any state agency for the apparatus or equipment. If there is no immediate need, the Department of General Services shall release the apparatus or equipment to the office. If the office acquires firefighting apparatus or equipment from another state agency, the office shall pay the fair market value of the apparatus or equipment, as determined by the Department of General Services, unless the agency agrees to a lesser payment.

8589.13. (a) The office may contract with a local agency which

serves a rural area for the resale of new or used firefighting apparatus and equipment.

(b) If the contract provides for the local agency to pay the resale price in more than one installment, the local agency shall pay interest at a rate specified in the contract, which shall not exceed 1 percent less than the rate earned by the Pooled Money Investment Board. The term of a contract for resale shall not exceed five years.

(c) If the contract provides for the local agency to obtain another loan from another source, the office may insure the other loan.

8589.14. The office shall operate an information system which is capable of identifying firefighting apparatus and equipment which is available for acquisition, and local agencies which are interested in acquiring apparatus and equipment.

8589.15. The office may contract with the Prison Industry Authority to perform any of the responsibilities or services required or authorized by this article.

8589.16. There is hereby created in the General Fund the State Assistance for Fire Equipment Account, which, notwithstanding Section 13340, is continuously appropriated to the office for the purposes of Sections 8589.11 and 8589.13. All proceeds from the resale of firefighting apparatus and equipment shall be paid to the account. The office shall manage the account so that it is self-sustaining by the 1992–93 fiscal year.

8589.17. Every contract with a local agency for the resale of firefighting apparatus and equipment shall specify that the local agency shall make the apparatus or equipment available to other local agencies in the same county as part of a mutual aid agreement. The apparatus or equipment shall be available for mutual aid responses for the length of the term of the contract with the office.

8589.18. If a local agency defaults on a contract for the resale of firefighting apparatus and equipment, the office may either renegotiate the contract or take possession of the apparatus or equipment for subsequent resale to another local agency.

8589.19. (a) After consultation with the Office of Emergency Services Fire Advisory Committee, the director shall adopt rules and regulations governing the operation of the programs created by this article pursuant to the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3.

(b) The rules and regulations adopted pursuant to subdivision (a) shall include, but not be limited to, all of the following:

(1) The specific types of firefighting apparatus and equipment which may be acquired, rehabilitated, and resold.

(2) The amount and terms of resale contracts.

(3) The time, format, and manner in which local agencies may apply for resale contracts.

(4) Priorities for assisting local agencies which shall give preference to local agencies which meet all of the following:

(A) Demonstrated need for primary response firefighting apparatus and equipment.

(B) Will be adequately able to operate and maintain the firefighting apparatus and equipment.

(C) Have already used other means of financing the firefighting apparatus and equipment.

8589.20. All state agencies, boards, and commissions shall cooperate with the office in implementing the programs created by this article.

8589.21. The director shall be responsible for the programs created by this article which, except as provided by Sections 8589.12 and 8589.15, shall not be subject to the requirements of the State Equipment Council or the Office of Fleet Administration of the Department of General Services.

8589.22. The director shall report to the Legislature every two years, commencing January 1, 1990, regarding the status of the programs created by this article.

SEC. 2. The sum of two hundred twenty-five thousand dollars ($225,000) is hereby appropriated from the Disaster Response-Emergency Operations Account in the Reserve for Economic Uncertainties to the State Assistance for Fire Equipment Account established pursuant to Section 8589.16 of the Government Code, as added by this act.

CHAPTER 1333

An act to add Section 5354 to the Elections Code, relating to elections, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 5354 is added to the Elections Code, to read:

5354. Notwithstanding any other provision of law, any person may engage in good faith bargaining between competing interests to secure legislative approval of matters embraced in a state or local initiative or referendum measure, and the proponents may, as a result of such negotiations, withdraw the measure at any time before filing the petition with the county clerk or registrar. Withdrawal shall be effective upon receipt by the Secretary of State of a written notice of withdrawal signed by all proponents of the measure.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to enable and encourage individuals to engage in the activities described in this act and in order to clarify the law without undue delay, it is necessary that this act take effect immediately.

CHAPTER 1334

An act to amend Section 13518 of, and to add Section 13518.1 to, the Penal Code, relating to emergency medical services.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 13518 of the Penal Code is amended to read:

13518. (a) Every city police officer, sheriff, deputy sheriff, marshal, deputy marshal, peace officer member of the California State Police, peace officer member of the California Highway Patrol, and police officer of a district authorized by statute to maintain a police department, except those whose duties are primarily clerical or administrative, shall meet the training standards prescribed by the Emergency Medical Services Authority for the administration of first aid and cardiopulmonary resuscitation. This training shall include instruction in the use of a portable manual mask and airway assembly designed to prevent the spread of communicable diseases. In addition, satisfactory completion of periodic refresher training or appropriate testing in cardiopulmonary resuscitation and other first aid as prescribed by the Emergency Medical Services Authority shall also be required.

(b) The course of training leading to the basic certificate issued by the commission shall include adequate instruction in the procedures described in subdivision (a). No reimbursement shall be made to local agencies based on attendance at any such course which does not comply with the requirements of this subdivision.

(c) As used in this section, "primarily clerical or administrative" means the performance of clerical or administrative duties for a minimum of 90 percent of the time worked within a pay period.

SEC. 2. Section 13518.1 is added to the Penal Code, to read:

13518.1. In order to prevent the spread of communicable disease, every law enforcement agency employing peace officers described in subdivision (a) of Section 13518 shall provide to each of these peace officers an appropriate portable manual mask and airway assembly for use when applying cardiopulmonary resuscitation.

SEC. 3. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars

($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1335

An act to amend Section 9 of Chapter 1519 of the Statutes of 1986, relating to correctional facilities, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 9 of Chapter 1519 of the Statutes of 1986 is amended to read:

Sec. 9. (a) The Department of the Youth Authority shall allocate funds for juvenile facilities derived from the County Correctional Facilities Capital Expenditure Bond Act of 1986 as provided by this section. The allocation shall be completed before March 1, 1988.

(b) Except as provided in subdivision (d), funds allocated under this section shall be expended for the following purposes, based on current juvenile overcrowding or significant health and safety deficiencies, as noted in the most recent annual California Youth Authority inspection report:

(1) To relieve juvenile facilities overcrowding.

(2) To remedy fire and life and safety deficiencies in juvenile facilities.

(3) For performance of deferred maintenance.

(c) In order to be eligible for funding under this section, a county shall comply with standards for maximum use of alternatives to incarceration and adequate facilities for mentally ill detained minors and minors detained because of intoxication adopted by the board under Section 5.5.

The Department of the Youth Authority shall make findings of project eligibility which shall be based upon the standards adopted by the board.

(d) Two million five hundred thousand dollars ($2,500,000) of the funds allocated under this section shall be reserved for the following counties: Alpine, Amador, Calaveras, Colusa, Glenn, Inyo, Lassen, Mariposa, Modoc, Mono, Plumas, San Benito, Sierra, Trinity, and Tuolumne. The requirement set forth in subdivision (g) and in subdivision (a) of Section 7, that a county match in the minimum of 25 percent of total project costs, shall apply to the aforementioned counties.

The funds shall be distributed on a per capita basis for the construction or development of county juvenile facilities, secure detention alternatives, or development of secure facilities within

existing nonadult facilities. Any unencumbered funds shall revert to the Department of the Youth Authority for distribution on a pro rata basis to all counties eligible under this subdivision.

(e) The balance of the funds allocated under this section shall be available for construction of county juvenile facilities in the counties other than those specified in subdivision (d) provided that the maximum allocation for any of the counties eligible under this subdivision shall not exceed that county's per capita share of available funds. To the extent that any county eligible under this subdivision does not apply for funds under this section or is declared ineligible, the allocation limit for the remaining counties shall be increased according to a pro rata formula.

(f) An application for funds shall be made by a county in the manner and form prescribed by the Department of the Youth Authority. A county shall submit a needs assessment documenting the need for and purpose of the proposed project.

(g) Expenditure shall be made only if county matching funds of 25 percent are provided.

(h) The Department of the Youth Authority shall report to the Legislature by July 1, 1988, on the status of funds expended and a complete listing of funds allocated to each county.

(i) The Department of the Youth Authority shall develop a statewide needs assessment which shall be completed before July 1, 1988.

SEC. 2. The sum of two hundred and fifty thousand dollars ($250,000) is hereby appropriated from the General Fund to the Department of the Youth Authority for allocation as a loan to the counties listed in subdivision (d) of Section 9 of Chapter 1519 of the Statutes of 1986 for the purposes set forth in subdivision (d). Any money allocated pursuant to this section shall be repaid within five years of the loan at an interest rate to be determined by the state. For counties which fail to make scheduled payments on any loan authorized under this section, the Department of the Youth Authority shall reduce annual payments to that county from the County Justice System Subvention Program by the appropriate amount.

CHAPTER 1336

An act to amend Section 2053 of, and to add Section 2024 to, the Business and Professions Code, and to amend Section 803 of the Penal Code, relating to business and professions, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 2024 is added to the Business and Professions Code, to read:

2024. The board may select and contract with necessary medical consultants who are licensed physicians and surgeons to assist it in its programs. Subject to Section 19130 of the Government Code, the board may contract with these consultants on a sole source basis.

SEC. 2. Section 2053 of the Business and Professions Code is amended to read:

2053. Any person who willfully, under circumstances or conditions which cause or create risk of great bodily harm, serious physical or mental illness, or death, practices or attempts to practice, or advertises or holds himself or herself out as practicing, any system or mode of treating the sick or afflicted in this state, or diagnoses, treats, operates for, or prescribes for any ailment, blemish, deformity, disease, disfigurement, disorder, injury, or other physical or mental condition of any person, without having at the time of so doing a valid, unrevoked and unsuspended certificate as provided in this chapter, or without being authorized to perform that act pursuant to a certificate obtained in accordance with some other provision of law, is punishable by imprisonment in the county jail for not exceeding one year or in the state prison.

The remedy provided in this section shall not preclude any other remedy provided by law.

SEC. 3. Section 803 of the Penal Code, as amended by Section 2 of Chapter 246 of the Statutes of 1987, is amended to read:

803. (a) Except as provided in this section, a limitation of time prescribed in this chapter is not tolled or extended for any reason.

(b) No time during which prosecution of the same person for the same conduct is pending in a court of this state is a part of a limitation of time prescribed in this chapter.

(c) A limitation of time prescribed in this chapter does not commence to run until discovery of an offense described in this subdivision. This subdivision applies to an offense punishable by imprisonment in the state prison, a material element of which is fraud or breach of a fiduciary obligation or the basis of which is misconduct in office by a public officer, employee, or appointee, including, but not limited to, the following offenses:

(1) Grand theft of any type, forgery, falsification of public records, or acceptance of a bribe by a public official or a public employee.

(2) A violation of Section 72, 118, 118a, 132, or 134.

(3) A violation of Section 25540, of any type, or 25541 of the Corporations Code.

(4) A violation of Section 1090 or 27443 of the Government Code.

(5) Felony welfare fraud or Medi-Cal fraud in violation of Section 11483 or 14107 of the Welfare and Institutions Code.

(6) A violation of Section 580, 581, 582, 583, or 584 of the Business and Professions Code.

(d) If the defendant is out of the state when or after the offense is committed, the prosecution may be commenced as provided in Section 804 within the limitations of time prescribed by this chapter, and no time up to a maximum of three years during which the defendant is not within the state shall be a part of those limitations.

(e) A limitation of time prescribed in this chapter does not commence to run until the offense has been discovered, or could have reasonably been discovered, with regard to offenses under Division 7 (commencing with Section 13000) of the Water Code or Chapter 6.5 (commencing with Section 25100) of Division 20 or Part 4 (commencing with Section 41500) of Division 26 of the Health and Safety Code, or Section 386.

SEC. 3.5. Section 803 of the Penal Code, as amended by Section 2 of Chapter 246 of the Statutes of 1987, is amended to read:

803. (a) Except as provided in this section, a limitation of time prescribed in this chapter is not tolled or extended for any reason.

(b) No time during which prosecution of the same person for the same conduct is pending in a court of this state is a part of a limitation of time prescribed in this chapter.

(c) A limitation of time prescribed in this chapter does not commence to run until discovery of an offense described in this subdivision. This subdivision applies to an offense punishable by imprisonment in the state prison, a material element of which is fraud or breach of a fiduciary obligation or the basis of which is misconduct in office by a public officer, employee, or appointee, including, but not limited to, the following offenses:

(1) Grand theft of any type, forgery, falsification of public records, or acceptance of a bribe by a public official or a public employee.

(2) A violation of Section 72, 118, 118a, 132, or 134.

(3) A violation of Section 25540, of any type, or 25541 of the Corporations Code.

(4) A violation of Section 1090 or 27443 of the Government Code.

(5) Felony welfare fraud or Medi-Cal fraud in violation of Section 11483 or 14107 of the Welfare and Institutions Code.

(6) A violation of Section 580, 581, 582, 583, or 584 of the Business and Professions Code.

(7) A violation of Section 22430 of the Business and Professions Code.

(8) A violation of Section 10690 of the Health and Safety Code.

(9) A violation of Section 529a.

(d) If the defendant is out of the state when or after the offense is committed, the prosecution may be commenced as provided in Section 804 within the limitations of time prescribed by this chapter, and no time up to a maximum of three years during which the defendant is not within the state shall be a part of those limitations.

(e) A limitation of time prescribed in this chapter does not commence to run until the offense has been discovered, or could have reasonably been discovered, with regard to offenses under Division 7 (commencing with Section 13000) of the Water Code or Chapter 6.5 (commencing with Section 25100) of Division 20 or Part 4 (commencing with Section 41500) of Division 26 of the Health and Safety Code, or Section 386.

SEC. 4.5. The amendment to Section 803 of the Penal Code made by this act shall not apply to any fraudulent acts discovered before the effective date of this act.

SEC. 5. Section 3.5 of this bill incorporates amendments to Section 803 of the Penal Code proposed by both this bill and SB 1590. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1988, but this bill becomes operative first, (2) each bill amends Section 803 of the Penal Code, and (3) this bill is enacted after SB 1590, in which case Section 803 of the Penal Code, as amended by Section 3 of this bill, shall remain operative only until the operative date of SB 1590, at which time Section 3.5 of this bill shall become operative.

SEC. 6. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

This act amends existing law to specifically authorize the Board of Medical Quality Assurance to contract with medical consultants to assist it in its programs, to clarify provisions regarding certificates to practice medicine, and to ensure that certain licensing boards may more efficiently prosecute persons filing false or fraudulent applications for a license. In order to achieve its intended results, it is necessary that this act take effect immediately.

CHAPTER 1337

An act to add Article 11.6 (commencing with Section 25242.5) to Chapter 6.5 of Division 20 of the Health and Safety Code, relating to hazardous waste.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The presence of hazardous waste in the state is a threat to public health and safety.

(b) There are cost-effective practices and technologies available to significantly reduce the volume and toxicity of hazardous waste generated in the state.

(c) Hazardous waste reduction has economic advantages to businesses, such as reducing waste disposal costs, long-term liability, and chemical costs.

(d) Small- and medium-sized businesses often lack access to information about current hazardous waste reduction requirements, and opportunities and methods for reducing the volume of hazardous waste which they generate.

(e) Small- and medium-sized businesses often lack access to information on the availability of onsite hazardous waste treatment systems and on how to modify their processes and operations to reduce hazardous waste generation.

(f) Many businesses may prefer to receive information and assistance from a nonregulatory body.

(g) A pilot project conducted by the University of California would determine the feasibility of a waste reduction internship program using student interns for technical assistance, research, and education.

SEC. 2. Article 11.6 (commencing with Section 25242.5) is added to Chapter 6.5 of Division 20 of the Health and Safety Code, to read:

Article 11.6. Hazardous Waste Reduction Internship Program

25242.5. The Legislature hereby requests the University of California to develop a hazardous waste reduction internship pilot program, except as provided in Section 25242.6, on or before June 1, 1988, which would place students in engineering, environmental sciences, or related subject areas in private businesses for the purpose of providing onsite assistance on hazardous waste reduction methods to small quantity generators. These students shall assist small businesses by conducting hazardous waste audits, assisting in preparing waste reduction plans, and providing information

concerning the hazardous waste laws and regulations as they apply to small quantity generators.

25242.6. The Legislature hereby requests the University of California to do all of the following:

(a) Attempt to secure funds from private foundations, industry, the federal government, or other souces for the costs of the program which the University of California is authorized to establish pursuant to this article.

(b) Notwithstanding Section 25242.5, if the funding specified in subdivision (a) is not available, the University of California is requested to instead conduct a study and submit a report to the Legislature on or before June 1, 1988, concerning the feasibility of establishing a hazardous waste reduction internship program, including an examination of similar existing programs in other states and whether such a program could be operated on a fee-for-service basis.

(c) Report to the Legislature on or before January 1, 1990, concerning the implementation of this article, including outreach strategies, number and type of businesses requesting assistance, number and type of businesses assisted and type of assistance provided, a summary of successes and problems with the pilot project, and the potential for expanding the program statewide.

CHAPTER 1338

An act to add Article 4 (commencing with Section 4660) to Chapter 9 of Division 4 of the Public Resources Code, relating to state forests.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Article 4 (commencing with Section 4660) is added to Chapter 9 of Division 4 of the Public Resources Code, to read:

Article 4. Soquel Demonstration State Forest

4660. It is hereby declared to be the policy of the state to establish and preserve an intensively managed, multifaceted research forest which is representative of forest activities as a living forest in Santa Cruz County within northern California's coastal redwood belt. The coast redwoods, as the dominant tree species in this area, are a valuable natural resource and are unique in North America for their beauty, abundance, diversity, and public accessibility, and their extreme beauty and economic value requires special measures for their protection for the use, enjoyment, and education of the public.

It is the intent of the Legislature, in establishing the Soquel Demonstration State Forest, to provide an environment that will do all of the following:

(a) Provide watershed protection for local communities and base-line monitoring and studies of the hazards, risks, and benefits of forest operations and watersheds to urban areas.

(b) Provide public education and examples illustrating compatible rural land uses, including sustained yield timber production, as well as the historic development of timbering and forestry machinery, within the context of local community protection and nearby pressures.

(c) Provide a resource for the public, environmental groups, elected officials, environmental planners, the educational community, and the media as an open environment for the inspection and study of environmental education, forestry practices, and effects thereof.

(d) Protect old growth redwood trees.

4661. The department may permit a limited amount of commercial timber operations on the property within the Soquel Demonstration State Forest in order to provide funds for the maintenance and operation of the state forest and to allow fulfillment of the objectives of Section 4660. Income from the state forest property shall sustain all costs of operation and provide income for research and educational purposes.

4662. The department is responsible for the development and establishing of the Soquel Demonstration State Forest and for ongoing maintenance and operations. The director shall appoint an advisory committee to assist the department in planning future management of the forest. The advisory committee shall include representatives of the Santa Cruz County Board of Supervisors, the Department of Parks and Recreation, the Board of Forestry, the Forest of Nicene Marks Advisory Committee, and the Department of Fish and Game.

4663. The department, in coordination with the advisory committee, shall adopt by January 1, 1989, a general plan for the state forest which reflects the long-range development and management plans to provide for the optimum use and enjoyment of the living forest, as provided in Section 4660, as well as the protection of its quality and the watershed within the Santa Cruz area. The general plan shall be approved by the advisory committee prior to adoption by the department.

4664. The duties and authority of the department pursuant to this article shall only arise if the state acquires the property comprising the Soquel Demonstration State Forest.

CHAPTER 1339

An act to add Section 714.5 to the Civil Code, to amend Sections 18035 and 18092.7 of, and to add Section 18035.4 to, the Health and Safety Code, and to amend Section 5832 of the Revenue and Taxation Code, relating to manufactured homes and mobilehomes.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 714.5 is added to the Civil Code, to read:

714.5. The covenants, conditions, and restrictions or other management documents shall not prohibit the sale, lease, rent, or use of real property on the basis that the structure intended for occupancy on the real property is constructed in an offsite facility or factory, and subsequently moved or transported in sections or modules to the real property. Nothing herein shall preclude the governing instruments from being uniformly applied to all structures subject to the covenants, conditions, and restrictions or other management documents.

This section shall apply to covenants, conditions, and restrictions or other management documents adopted on and after the effective date of this section.

SEC. 2. Section 18035 of the Health and Safety Code is amended to read:

18035. (a) For every sale by a dealer of a new or used manufactured home or mobilehome subject to registration under this part, the dealer shall execute in writing and obtain the buyer's signature on a purchase order, conditional sale contract, or other document evidencing the purchase contemporaneous with, or prior to, the receipt of any cash or cash equivalent from the buyer, shall establish an escrow account with an escrow agent, and shall cause to be deposited into that escrow account any cash or cash equivalent received at any time prior to the close of escrow as a deposit, downpayment, or whole or partial payment for the manufactured home or mobilehome or accessory thereto. The downpayment, or whole or partial payment, shall include an amount designated as a deposit, which may be less than, or equal to, the total amount placed in escrow, and shall be subject to the provisions of subdivision (f). The parties shall provide for escrow instructions which identify the fixed amounts of the deposit, downpayment, and balance due prior to closing consistent with the amounts set forth in the purchase documents and receipt for deposit if one is required by Section 18035.1. The deposits shall be made by the dealer within three working days of receipt, one of which shall be the day of receipt. For purposes of this section, "cash equivalent" means any property, other than cash. If an item of cash equivalent is, due to its size, incapable

of physical delivery to the escrow holder, the property may be held by the dealer for the purchaser until close of escrow and, if the property has been registered with the department or the Department of Motor Vehicles, its registration certificate and, if available, its certificate of title shall be delivered to the escrow holder.

(b) For every sale by a dealer of a new manufactured home or mobilehome, the escrow instructions shall provide all of the following:

(1) That the original manufacturer's certificate of origin be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) The lien of any inventory creditor on the manufactured home or mobilehome shall be satisfied by payment from the escrow account.

(B) The inventory creditor shall consent in writing to other than full payment.

For purposes of this paragraph, "inventory creditor" includes any person who is identified as a creditor on the manufacturer's certificate of origin or any person who places the original certificate of origin in escrow and claims in writing to the escrow agent to have a purchase money security interest in the manufactured home or mobilehome, as contemplated by Section 9107 of the Commercial Code.

(3) That the escrow agent shall obtain from the manufacturer a true and correct facsimile of the copy of the certificate of origin retained by the manufacturer pursuant to Section 18093.

(c) For every sale by a dealer of a used manufactured home or mobilehome, the escrow instructions shall provide:

(1) That the current registration card, all copies of the registration cards held by junior lienholders, and the certificate of title be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) (i) The registered owner shall acknowledge in writing the amount of the commission to be received by the dealer for the sale of the manufactured home or mobilehome, and (ii) the registered owner shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of the escrow where the buyer has executed a security agreement approved by the registered owner covering the unpaid balance of the purchase price.

(B) (i) The dealer shall declare in writing that the manufactured home or mobilehome is its inventory, (ii) the registered owner shall acknowledge in writing that the purchase price relating to the sale of the manufactured home or mobilehome to the dealer for resale has been paid in full by the dealer, (iii) the current certificate of title shall be appropriately executed by the registered owner to reflect the release of all of its ownership interests, and (iv) the dealer shall

release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of escrow where the buyer has executed a security agreement approved by the dealer covering the unpaid balance of the purchase price.

(3) That, in the alternative, the legal owner and each junior lienholder, respectively, shall either:

(A) Release his or her security interest or transfer its security interest to a designated third party contemporaneously upon the payment of a specified amount from the escrow account.

(B) Advise the escrow agent in writing that the new buyer or the buyer's stated designee shall be approved as the new registered owner upon the execution by the buyer of a formal assumption of the indebtedness secured by his or her lien approved by the creditor at or before the close of escrow.

(d) For every sale by a dealer of a used manufactured home or mobilehome:

(1) The dealer shall present the buyer's offer to purchase the manufactured home or mobilehome to the seller in written form signed by the buyer. The seller, upon accepting the offer to purchase, shall sign and date the form. Copies of the fully executed form shall be presented to both the buyer and seller, with the original copy retained by the dealer. Any portion of the form which reflects the commission charged by the dealer to the seller need not be disclosed to the buyer.

(2) The escrow agent, upon receipt of notification from the dealer that the seller has accepted the buyer's offer to purchase and receipt of mutually endorsed escrow instructions, shall, within three working days, prepare a notice of escrow opening on the form prescribed by the department and forward the completed form to the department with appropriate fees. If the escrow is canceled for any reason before closing, the escrow agent shall prepare a notice of escrow cancellation on the form prescribed by the department and forward the completed form to the department.

(3) (A) The escrow agent shall forward to the legal owner and each junior lienholder at their addresses shown on the current registration card a written demand for a lien status report, as contemplated by Section 18035.5, and a written demand for either an executed statement of conditional lien release or an executed statement of anticipated formal assumption, and shall enclose blank copies of a statement of conditional lien release and a statement of anticipated formal assumption on forms prescribed by the department. The statement of conditional lien release shall include, among other things, both of the following:

(i) A statement of the dollar amount or other conditions required by the creditor in order to release or transfer its lien.

(ii) The creditor's release or transfer of the lien in the manufactured home or mobilehome contingent upon the satisfaction of those conditions.

(B) The statement of anticipated formal assumption shall include, among other things, both of the following:

(i) A statement of the creditor's belief that the buyer will formally assume the indebtedness secured by its lien pursuant to terms and conditions which are acceptable to the creditor at or before the close of escrow.

(ii) The creditor's approval of the buyer or his or her designee as the registered owner upon the execution of the formal assumption.

(4) Within five days of the receipt of the written demand and documents required by paragraph (3), the legal owner or junior lienholder shall complete and execute either the statement of conditional lien release or, if the creditor has elected to consent to a formal assumption requested by a qualified buyer, the statement of anticipated formal assumption, as appropriate, and prepare the lien status report and forward the documents to the escrow agent by first-class mail. If the creditor is the legal owner, the certificate of ownership in an unexecuted form shall accompany the documents. If the creditor is a junior lienholder, the creditor's copy of the current registration card in an unexecuted form shall accompany the documents.

(5) If either of the following events occur, any statement of conditional lien release or statement of anticipated formal assumption executed by the creditor shall become inoperative, and the escrow agent shall thereupon return the form and the certificate of ownership or the copy of the current registration card, as appropriate, to the creditor by first-class mail:

(A) The conditions required in order for the creditor to release or transfer his or her lien are not satisfied before the end of the escrow period agreed upon in writing between the buyer and the seller or, if applicable, before the end of any extended escrow period as permitted by subdivision (g).

(B) The registered owner advises the creditor not to accept any satisfaction of his or her lien or not to permit any formal assumption of the indebtedness and the creditor or registered owner advises the escrow agent in writing accordingly.

(6) If a creditor willfully fails to comply with the requirements of paragraph (4) within 21 days of the receipt of the written demand and documents required by paragraph (3), the creditor shall forfeit to the escrow agent three hundred dollars ($300), except where the creditor has reasonable cause for noncompliance. The three hundred dollars ($300) shall be credited to the seller, unless otherwise provided in the escrow instructions. Any penalty paid by a creditor under this paragraph shall preclude any civil liability for noncompliance with Section 18035.5 relating to the same act or omission.

(e) The escrow instructions shall specify one of the following:

(1) Upon the buyer receiving delivery of an installed manufactured home or mobilehome on the site and the manufactured home or mobilehome passing inspection pursuant to

Section 18613 or after the manufactured home or mobilehome has been delivered to the location specified in the escrow instructions when the installation is to be performed by the buyer, all funds in the escrow account, other than escrow fees and amounts for accessories not yet delivered, shall be disbursed.

(2) Upon the buyer receiving delivery of an installed manufactured home or mobilehome not subject to the provisions of Section 18613 with delivery requirements as mutually agreed to and set forth in the sales documents, all funds in the escrow account, other than escrow fees, shall be disbursed.

(f) In the event any dispute arises between the parties to the escrow and upon notification in writing to the escrow agent, unless otherwise specified in the escrow instructions, all funds denoted as deposit shall be held in escrow until a release is signed by the disputing party, or pursuant to new written escrow instructions signed by the parties involved, or pursuant to a final order for payment or division by a court of competent jurisdiction. Any other funds, other than escrow fees, shall be returned to the buyer or any person, other than the dealer or seller, as appropriate.

(g) Escrow shall be for a period of time mutually agreed upon, in writing, by the buyer and the seller. However, the parties may, by mutual consent, extend the time, in writing, with notice to the escrow agent.

(h) No dealer or seller shall establish with an escrow agent any escrow account in an escrow company in which the dealer or seller has more than a 5-percent ownership interest.

(i) The escrow instructions may provide for the proration of any local property tax due or to become due on the manufactured home or mobilehome, and if the tax, or the license fee imposed pursuant to Section 18115, or the registration fee imposed pursuant to Section 18114, is delinquent, the instructions may provide for the payment of the taxes or fees, or both, and any applicable penalties.

(j) The escrow instructions shall provide that the payment of any fee, charge, dedication, or other form of requirement levied by a school district pursuant to Section 53080 of the Government Code be made to the appropriate school district upon the close of escrow, except where the school district has certified compliance with that fee, charge, dedication, or other form of requirement.

(k) No agreement shall contain any provision by which the buyer waives his or her rights under this section, and any waiver shall be deemed contrary to public policy and shall be void and unenforceable.

(*l*) If a portion of the amount in the escrow is for accessories, then that portion of the amount shall not be released until the accessories are actually installed.

(m) Upon opening escrow on a used manufactured home or mobilehome which is subject to local property taxation, and subject to registration under this part, the escrow officer may forward to the tax collector of the county in which the used manufactured home or

mobilehome is located, a written demand for a tax clearance certificate, if no liability exists, or a conditional tax clearance certificate if a tax liability exists, to be provided on a form prescribed by the office of Controller. The conditional tax clearance certificate shall state the amount of the tax liability due, if any, and the final date that amount may be paid out of the proceeds of escrow before a further tax liability may be incurred.

(1) Within five working days of receipt of the written demand for a conditional tax clearance certificate or a tax clearance certificate, the county tax collector shall forward the conditional tax clearance certificate or a tax clearance certificate showing no tax liability exists to the requesting escrow officer. In the event the tax clearance certificate's or conditional tax clearance certificate's final due date expires within 30 days of date of issuance, an additional conditional tax clearance certificate or a tax clearance certificate shall be completed which has a final due date of at least 30 days beyond the date of issuance.

(2) If the tax collector on which the written demand for a tax clearance certificate or a conditional tax clearance certificate was made fails to comply with that demand within 30 days from the date the demand was mailed, the escrow officer may close the escrow and submit a statement of facts certifying that the written demand was made on the tax collector and the tax collector failed to comply with that written demand within 30 days. This statement of facts may be accepted by the department in lieu of a conditional tax clearance certificate or a tax clearance certificate, as prescribed by subdivision (a) of Section 18092.7, or a tax clearance certificate and the transfer of ownership may be completed.

(3) The escrow officer may satisfy the terms of the conditional tax clearance certificate by paying the amount of tax liability shown on the form by the tax collector out of the proceeds of escrow on or before the date indicated on the form and by certifying in the space provided on the form that all terms and conditions of the conditional tax clearance certificate have been complied with.

(n) This section creates a civil cause of action against a buyer or dealer or other seller who violates this section, and upon prevailing, the plaintiff in the action shall be awarded actual damages, plus an amount not in excess of two thousand dollars ($2,000). In addition, attorney's fees and court costs shall also be awarded a plaintiff who prevails in the action.

SEC. 3. Section 18035.4 is added to the Health and Safety Code, to read:

18035.4. Sections 18035, 18035.1, and 18035.2 shall not apply to the sale of manufactured homes or mobilehomes to:

(a) The federal government.

(b) The state.

(c) Any agency or political subdivision of the state.

(d) Any city, county, or city and county.

SEC. 4. Section 18092.7 of the Health and Safety Code is amended

to read:

18092.7. (a) The department shall withhold the registration or transfer of registration of any manufactured home, mobilehome, or floating home, other than a new manufactured home, mobilehome, or floating home for which application is being made for an original registration, until the applicant presents a tax clearance certificate or a conditional tax clearance certificate issued pursuant to Section 2189.8 or 5832 of the Revenue and Taxation Code by the tax collector of the county where the manufactured home, mobilehome, or floating home is located. Any conditional tax clearance certificate presented shall indicate that the tax liability has been satisfied pursuant to paragraph (3) of subdivision (m) of Section 18035.

(b) In lieu of the tax clearance certificate or conditional tax clearance certificate required by subdivision (a), the department may accept a certification signed by the escrow officer under penalty of perjury that the tax collector of the county where the manufactured home is located has failed to respond to the written demand for a conditional tax clearance certificate as prescribed by subdivision (*l*) of Section 18035.

SEC. 5. Section 5832 of the Revenue and Taxation Code is amended to read:

5832. (a) Upon application, the county tax collector shall issue a tax clearance certificate or a conditional tax clearance certificate. Any tax clearance certificate issued shall be used to permit registration of used manufactured homes or mobilehomes and for any other purposes which may be prescribed by the Controller. The certificate may indicate that the county tax collector finds that no local property tax is due or is likely to become due, or that any applicable local property taxes have been paid or are to be paid in a manner not requiring the withholding of registration or the transfer of registration. Any conditional tax clearance certificate issued shall indicate that the county tax collector finds that a tax liability exists, the amount due, and the final date that amount may be paid before a further tax liability is incurred. The certificate shall be in such form as the Controller may prescribe, and shall be executed, issued, and accepted for clearance of registration or permit issuance on the conditions which the Controller may prescribe.

(b) Within five working days of receipt of the written demand for a conditional tax clearance certificate or tax clearance certificate, the county tax collector shall forward the conditional tax clearance certificate or tax clearance certificate, showing no tax liability exists, to the requesting escrow officer. In the event the final due date of the tax clearance certificate or conditional tax clearance certificate expires within 30 days of the date of its issuance, an additional conditional tax clearance certificate or tax clearance certificate shall be completed, which has a final due date of at least 30 days beyond the date of issuance.

(c) If the tax collector fails to comply with the demand within 30 days from the date the demand is mailed, the escrow officer may

close the escrow in accordance with the provisions of subdivision (m) of Section 18035.

(d) The issuance, alteration, forgery, or use of any tax clearance certificate or conditional certificate in a manner contrary to the requirements of the Controller constitutes a misdemeanor.

SEC. 6. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

Moreover, no reimbursement shall be made from the State Mandates Claims Fund pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code for other costs mandated by the state pursuant to this act. It is recognized, however, that a local agency or school district may pursue any remedies to obtain reimbursement available to it under Part 7 (commencing with Section 17500) and any other provisions of law for those other costs.

CHAPTER 1340

An act to amend Sections 14195, 14195.2, 14195.6, and 14195.8 of, and to repeal Sections 14195.1 and 14196.1 of, the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 14195 of the Welfare and Institutions Code is amended to read:

14195. It is the intent of the Legislature to provide medical assistance, including prescribed drugs, to the state's eligible poor in a manner consistent with the provisions of the federal Medicaid Act, provided for under Title XIX of the Social Security Act (42 U.S.C. Sec. 1396 et seq.). It is the further intent of the Legislature to test the effectiveness of an open formulary drug therapy program. In order to help achieve this goal, the Legislature hereby establishes an open drug formulary under the Medi-Cal program wherein a beneficiary may receive the most appropriate, most effective, and most cost-efficient drug available for the treatment of his or her illness. It is also the intent of the Legislature in enacting this article to establish a drug utilization review system which will evaluate and enhance the therapeutic outcome of drugs prescribed for persons eligible for Medi-Cal pursuant to this chapter.

SEC. 2. Section 14195.1 of the Welfare and Institutions Code is

repealed.

SEC. 3. Section 14195.2 of the Welfare and Institutions Code is amended to read:

14195.2. The open drug formulary, as established pursuant to this article, shall be implemented in one pilot project site. The site shall be located in a northern California test area, comprised of Sacramento and Placer Counties which includes urban, suburban, and rural settings. This pilot project shall not be implemented until federal approval is secured and full federal financial participation is assured.

SEC. 4. Section 14195.6 of the Welfare and Institutions Code is amended to read:

14195.6. The department shall develop a request for a proposal, and may award a contract to an expert contractor to implement the standards and practices established by the Medi-Cal Therapeutic Drug Utilization Review System through use of a therapeutically oriented drug utilization review system by July 1, 1989. The contract shall include a requirement to analyze the therapeutic outcomes of the Medi-Cal Drug Program using the California MMIS for the period of July 1, 1987, through the date the standards established by this article are implemented. Thereafter, the contractor shall submit quarterly reports to the department and the Legislature analyzing therapeutic outcomes in a manner that will allow comparisons with the experience analyzed for the period of July 1, 1987, until implementation of the standards established by this article. The analysis shall include reports on at least the following items:

(a) Compatibility of medication to diagnosis.

(b) Overprescribing of drugs.

(c) Prescription of contraindicated or incompatible drugs.

(d) Number of days of drug-induced hospitalization and institutionalization in skilled nursing facilities or intermediate care facilities occurring because of the factors specified in subdivisions (a) to (c), inclusive.

(e) Number of days of drug-induced hospitalization and institutionalization in skilled nursing facilities or intermediate care facilities avoided due to changes in drug regimes which result from compliance by prescribers and beneficiaries with the standards established pursuant to this article.

The department is authorized to require the contractor to phase in implementation of the prescriber notification, as established by protocols for informing prescribers of inappropriate prescribing.

SEC. 5. Section 14196.1 of the Welfare and Institutions Code is repealed.

SEC. 6. Section 14195.8 of the Welfare and Institutions Code is amended to read:

14195.8. The Auditor General shall provide or select an appropriate contractor to provide an evaluation of the Therapeutic Drug Utilization Review System established by this article with respect to all of the following issues:

(a) The impact on institutionalization of Medi-Cal eligibles by operation of the Medi-Cal therapeutic drug utilization review process.

(b) The cost impact of the Medi-Cal therapeutic drug utilization review process.

(c) The evaluation report shall be submitted to the department and the Legislature no later than May 1, 1991, with recommendations whether the Therapeutic Drug Utilization Review System established by this article is cost-effective and should be continued.

SEC. 7. The State Department of Health Services shall adopt any regulations as are necessary to implement the provisions of this act. These regulations shall be adopted as emergency regulations in accordance with the provisions of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, and, for the purposes of the Administrative Procedure Act, shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare.

SEC. 8. Any provision of this act which is in conflict with any federal statute or regulation shall be inapplicable to the extent of the conflict, but the remainder of the provisions shall be unaffected.

SEC. 9. The department shall seek all federal waivers necessary to implement the provisions of this act. The provisions for which federal waivers cannot be obtained shall not be implemented, but provisions for which waivers are either obtained or found to be unnecessary shall be unaffected by the inability to obtain federal waivers for the other provisions.

SEC. 10. If any provisions of this act or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

SEC. 11. The State Department of Health Services shall seek maximum federal reimbursement for the MMIS-based Drug Establishment Review System established pursuant to Article 6.1 (commencing with Section 14195) of Chapter 7 of Part 3 of Division 9 of the Welfare and Institutions Code.

CHAPTER 1341

An act to amend Section 2135 of the Business and Professions Code, relating to physicians and surgeons, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 2135 of the Business and Professions Code is amended to read:

2135. The Division of Licensing shall issue a physician's and surgeon's certificate on reciprocity to an applicant who meets all of the following requirements:

(a) The applicant holds an unlimited license as a physician and surgeon in another state which was issued upon:

(1) Successful completion of a resident course of professional instruction equivalent to that specified in Section 2089.

(2) Taking and passing a written examination that is recognized by the division to be equivalent in content to that administered in California.

(b) The applicant has practiced medicine, with an unrestricted license, in a state or states, or as a member of the active military, United States Public Health Services, or other federal program, for a period of at least four years.

(c) The division determines that no disciplinary action has been taken against the applicant by any medical licensing authority and that the applicant has not been the subject of adverse judgments or settlements resulting from the practice of medicine which the division determines constitutes evidence of a pattern of negligence or incompetence.

(d) The applicant takes and passes the clinical competency portion of the written examination in California, administered by the division. However, this subdivision shall not apply to graduate of a medical school accredited by a national accrediting agency approved by the division and recognized by the United States Department of Education.

(e) The applicant takes and passes an oral examination administered by the division.

(f) The applicant has not committed any acts or crimes constituting grounds for denial of a certificate under Division 1.5 (commencing with Section 475) or Article 12 (commencing with Section 2220).

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Due to a shortage of physicians and surgeons in specified areas of this state and because this act would reduce artificial barriers to licensure for physicians and surgeons licensed in other states and allow qualified persons to become licensed physicians and surgeons in this state, it is necessary that this act go into immediate effect.

CHAPTER 1342

An act relating to consumer affairs, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Notwithstanding the provisions of Sections 17206, 17535.5, and 17536 of the Business and Professions Code, all civil penalties recovered in the case of People v. A-S Development, Plumas County Superior Court No. 8954 shall be paid to Tehama County, Plumas County, and the state in the ratio of 53.70 percent, 26.85 percent, and 19.45 percent, respectively.

SEC. 2. Section 1 of this act is necessary since special facts and circumstances applicable to the case of People v. A-S Development, and not generally applicable, make the accomplishment of this purpose impossible by any general law. Special legislation is therefore necessarily applicable to that case only. The special facts are as follows:

A change of venue in the case of People v. A-S Development, resulting in a transfer of the case from Tehama County to Plumas County, which was not contemplated in the division of civil penalties provided for under existing law, will work a severe injustice to Tehama County unless this bill is enacted to cover the unique circumstances of this case. The state's involvement in this case was minimal and only during the initial stages. Both counties, Tehama in particular, have borne a much greater share in the cost of preparation and prosecution of this case.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to provide for the fair distribution of civil penalties in the case of People v. A-S Development, it is necessary that this act go into effect immediately.

CHAPTER 1343

An act to amend Section 1026.2 of, and to amend and repeal Section 1603 of, the Penal Code, relating to crime.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 1026.2 of the Penal Code, as amended by Section 1 of Chapter 549 of the Statutes of 1986, is amended to read:

1026.2. (a) An application for the release of a person who has been committed to a state hospital or other treatment facility, as provided in Section 1026, upon the ground that sanity has been restored, may be made to the superior court of the county from which the commitment was made, either by the person, or by the medical director of the state hospital or other treatment facility to which the person is committed or by the community program director where the person is on outpatient status under Title 15 (commencing with Section 1600). The court shall give notice of the hearing date to the prosecuting attorney, the community program director or a designee, and the medical director or person in charge of the facility providing treatment to the committed person at least 15 judicial days in advance of the hearing date.

(b) Pending the hearing, the medical director or person in charge of the facility in which the person is confined shall prepare a summary of the person's programs of treatment and shall forward the summary to the community program director or a designee and to the court. The community program director or a designee shall review the summary and shall designate a facility within a reasonable distance from the court in which the person may be detained pending the hearing on the application for release. The facility so designated shall continue the program of treatment, shall provide adequate security, and shall, to the greatest extent possible, minimize interference with the person's program of treatment.

(c) A designated facility need not be approved for 72-hour treatment and evaluation pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code); however, a county jail may not be designated unless the services specified above are provided, and accommodations are provided which ensure both the safety of the person and the safety of the general population of the jail. If there is evidence that the treatment program is not being complied with, or accommodations have not been provided which ensure both the safety of the committed person and the safety of the general population of the jail, the court shall order the person transferred to an appropriate facility or make any other appropriate order, including continuance of the proceedings.

(d) No hearing upon the application shall be allowed until the person committed shall have been confined or placed on outpatient status for a period of not less than 180 days from the date of the order of commitment.

(e) The court shall hold a hearing to determine if the person applying for restoration of sanity would no longer be a danger to the health and safety of others, including himself or herself, if under supervision and treatment in the community. If the court at the hearing determines the applicant will not be a danger to the health and safety of others, including himself or herself, while under supervision and treatment in the community, the court shall order the applicant placed with an appropriate local mental health program for one year. All or a substantial portion of the program shall include outpatient supervision and treatment. The court shall retain jurisdiction. The court at the end of the one year, shall have a trial to determine if sanity has been restored, which means the applicant is no longer a danger to the health and safety of others, including himself or herself. The court shall not determine whether the applicant has been restored to sanity until the applicant has completed the one year in the appropriate local mental health program. The court shall notify the persons required to be notified in subdivision (a) of the hearing date.

(f) If the applicant is on parole or outpatient status and has been on it for one year or longer, then it is deemed that the applicant has completed the required one year in an appropriate local mental health program and the court shall, if all other applicable provisions of law have been met, hold the trial on restoration of sanity as provided for in this section.

(g) Before placing an applicant in an appropriate local mental health program, the community program director shall submit to the court a written recommendation as to what local mental health program is the most appropriate for supervising and treating the applicant. If the court does not accept the community program director's recommendation, the court shall specify the reason or reasons for its order on the court record. The provisions of Sections 1605 to 1610, inclusive, shall be applicable to the person placed in the local mental health program unless otherwise ordered by the court.

(h) If the court determines that the person should be transferred to an appropriate local mental health program, the community program director or a designee shall make the necessary placement arrangements, and, within 21 days after receiving notice of the court finding, the person shall be placed in the community in accordance with the treatment and supervision plan, unless good cause for not doing so is made known to the court.

(i) If at the trial for restoration of sanity the court rules adversely to the applicant, the court may place the applicant on outpatient status, pursuant to Title 15 (commencing with Section 1600) of Part 2, unless the applicant does not meet all of the requirements of Section 1603.

(j) If the court denies the application to place the person in an appropriate local mental health program or if restoration of sanity is denied, no new application may be filed by the person until one year has elapsed from the date of the denial.

(k) In any hearing authorized by this section, the applicant shall have the burden of proof by a preponderance of the evidence.

(*l*) If the application for the release is not made by the medical director of the state hospital or other treatment facility to which the person is committed or by the community program director where the person is on outpatient status under Title 15 (commencing with Section 1600), no action on the application shall be taken by the court without first obtaining the written recommendation of the medical director of the state hospital or other treatment facility or of the community program director where the person is on outpatient status under Title 15 (commencing with Section 1600).

(m) This section shall remain in effect only until January 1, 1994, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1994, deletes or extends that date.

SEC. 2. Section 1026.2 of the Penal Code, as amended by Section 3 of Chapter 1232 of the Statutes of 1985, is amended to read:

1026.2. (a) An application for the release of a person who has been committed to a state hospital or other treatment facility, as provided in Section 1026, upon the ground that sanity has been restored, may be made to the superior court of the county from which the commitment was made, either by the person, or by the medical director of the state hospital or other treatment facility to which the person is committed or by the community program director where the person is on outpatient status under Title 15 (commencing with Section 1600) of Part 2. The court shall give notice of the hearing date to the prosecuting attorney, the community program director or a designee, and the medical director or person in charge of the facility providing treatment to the committed person at least 15 judicial days in advance of the hearing date.

(b) Pending the hearing, the medical director or person in charge of the facility in which the person is confined shall prepare a summary of the person's programs of treatment and shall forward the summary to the community program director or a designee and to the court. The community program director or a designee shall review the summary and shall designate a facility within a reasonable distance from the court in which the person may be detained pending the hearing on the application for release. The facility so designated shall continue the program of treatment, shall provide adequate security, and shall, to the greatest extent possible, minimize interference with the person's program of treatment.

(c) A designated facility need not be approved for 72-hour treatment and evaluation pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code); however,

a county jail may not be designated unless the services specified above are provided, and accommodations are provided which ensure both the safety of the person and the safety of the general population of the jail. If there is evidence that the treatment program is not being complied with, or accommodations have not been provided which ensure both the safety of the committed person and the safety of the general population of the jail, the court shall order the person transferred to an appropriate facility or make any other appropriate order, including continuance of the proceedings.

(d) No hearing upon the application for release shall be allowed until the person committed shall have been confined or placed on outpatient status or on parole under Section 1611 for a period of not less than 90 days from the date of the order of commitment. If the finding of the court is adverse to releasing the person on the ground that sanity has not been restored, no application shall be filed by the person until one year has elapsed from the date of hearing upon the last preceding application. In any hearing authorized by this section, the burden of proving that sanity has been restored shall be upon the applicant. The court shall notify the community program director or a designee and the medical director or person in charge of the facility providing treatment to the committed person whether or not the defendant was found by the court to have recovered sanity.

(e) If the application for the release is not made by the medical director of the state hospital or other treatment facility to which the person is committed or by the community program director where the person is on outpatient status under Title 15 (commencing with Section 1600), no action on the application shall be taken by the court without first obtaining the written recommendation of the medical director of the state hospital or other treatment facility or by the community program director where the person is on outpatient status under Title 15 (commencing with Section 1600).

(f) This section shall become operative on January 1, 1994.

SEC. 3. Section 1603 of the Penal Code, as amended by Section 11 of Chapter 1232 of the Statutes of 1985, is amended to read:

1603. (a) Any person subject to subdivision (a) of Section 1601 may be placed on outpatient status if all of the following conditions are satisfied:

(1) The director of the state hospital or other treatment facility to which the person has been committed advises the committing court that the defendant would no longer be a danger to the health and safety of others, including himself or herself, while under supervision and treatment in the community, and will benefit from such status.

(2) The community program director advises the court that the defendant will benefit from that status, and identifies an appropriate program of supervision and treatment.

(3) After actual notice to the prosecutor and defense counsel, and to the victim or next of kin of the victim of the offense for which the person was committed where a request for the notice has been filed with the court, and after a hearing in court, the court specifically

approves the recommendation and plan for outpatient status pursuant to Section 1604. The burden shall be on the victim or next of kin to the victim to keep the court apprised of the party's current mailing address.

In any case in which the victim or next of kin to the victim has filed a request for notice with the director of the state hospital or other treatment facility, he or she shall be notified by the director at the inception of any program in which the committed person would be allowed any type of day release unattended by the staff of the facility.

(b) The community program director shall prepare and submit the evaluation and the treatment plan specified in paragraph (2) of subdivision (a) to the court within 30 calendar days after notification by the court to do so.

(c) Any evaluations and recommendations pursuant to paragraphs (1) and (2) of subdivision (a) shall include review and consideration of complete, available information regarding the circumstances of the criminal offense and the person's prior criminal history.

(d) This section shall remain in effect only until January 1, 1994, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1994, deletes or extends that date.

SEC. 4. Section 1603 of the Penal Code, as amended by Section 12 of Chapter 1232 of the Statutes of 1985, is repealed.

SEC. 5. Section 1603 of the Penal Code, as amended by Section 13 of Chapter 1232 of the Statutes of 1985, is amended to read:

1603. (a) Any person subject to subdivision (a) of Section 1601 may be placed on outpatient status if all of the following conditions are satisfied:

(1) The director of the state hospital or other treatment facility to which the person has been committed advises the committing court that the defendant is no longer likely to be a danger to the health and safety of others while on outpatient status, and will benefit from that status.

(2) The community program director advises the court that the defendant will benefit from that status, and identifies an appropriate program of supervision and treatment.

(3) After actual notice to the prosecutor and defense counsel, and after a hearing in court, the court specifically approves the recommendation and plan for outpatient status pursuant to Section 1604.

(b) The community program director shall prepare and submit the evaluation and the treatment plan specified in paragraph (2) of subdivision (a) to the court within 30 calendar days after notification by the court to do so.

(c) Any evaluations and recommendations pursuant to paragraphs (1) and (2) of subdivision (a) shall include review and consideration of complete, available information regarding the circumstances of the criminal offense and the person's prior criminal history.

(d) This section shall become operative January 1, 1994.

SEC. 6. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because this act does not mandate a new program or higher level of service on local government. It is recognized, however, that a local agency or school district may pursue any remedies to obtain reimbursement available to it under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

CHAPTER 1344

An act to amend Section 62.1 of the Revenue and Taxation Code, relating to taxation, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 62.1 of the Revenue and Taxation Code is amended to read:

62.1. Change in ownership shall not include either of the following:

(a) Any transfer, on or after January 1, 1985, of a mobilehome park to a nonprofit corporation, stock cooperative corporation, or other entity formed by the tenants of a mobilehome park for the purpose of purchasing the mobilehome park.

(b) Any transfer or transfers on or after January 1, 1985, and before January 1, 1987, of rental spaces in a mobilehome park to the individual tenants of the rental spaces, provided that (1) at least 51 percent of the rental spaces are purchased by individual tenants renting their spaces prior to purchase, and (2) the individual tenants of these spaces form, within one year after the first purchase of a rental space by an individual tenant, a nonprofit corporation, stock cooperative, or other entity, as described in Section 50561 of the Health and Safety Code, to operate and maintain the park. If, on or after January 1, 1985, and before January 1, 1987, an individual tenant or tenants notify the county assessor of the intention to comply with the conditions set forth in the preceding sentence, any mobilehome park rental space which is purchased by an individual tenant in that mobilehome park during that period shall not be reappraised by the assessor. However, if all of the conditions set forth in the first sentence of this subdivision are not satisfied, the county assessor shall thereafter levy escape assessments for the spaces so transferred. This subdivision shall apply only to those rental mobilehome parks which have been in operation for five years of more.

(c) Subdivision (a) shall remain in effect only until January 1,

1994. Subdivision (b) shall remain in effect only until January 1, 1987.

(d) It is the intent of the Legislature that, in order to facilitate affordable conversions of mobilehome parks to tenant ownership, subdivision (a) apply to all bona fide transfers of rental mobilehome parks to tenant ownership, including, but not limited to, those parks converted to tenant ownership as a nonprofit corporation made on or after January 1, 1985, and before the termination date of subdivision (a).

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to prevent residents of rental mobilehome parks who have purchased their parks from losing their mobilehome spaces, shares, or interests due to the cost of increased property tax assessments, it is necessary that this act take immediate effect.

CHAPTER 1345

An act to amend Section 1463.22 of the Penal Code, relating to driving offenses, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 1463.22 of the Penal Code is amended to read:

1463.22. (a) Notwithstanding Section 1463, of the moneys deposited with the county treasurer pursuant to Section 1463, ten dollars ($10) for each alleged violation of Section 16028 of the Vehicle Code shall be deposited by the county treasurer in a special account and allocated to defray costs of municipal and justice courts incurred in administering Sections 16028, 16030, and 16031 of the Vehicle Code. The amount required to be deposited in a special account pursuant to this subdivision shall be deposited regardless of whether the charge is dismissed pursuant to subdivision (d) of Section 16028 of the Vehicle Code or otherwise. Any moneys in the special account in excess of the amount required to defray those costs shall be redeposited and distributed by the county treasurer pursuant to Section 1463.

(b) Notwithstanding Section 1463, of the moneys deposited with the county treasurer pursuant to Section 1463, three dollars ($3) for each conviction for a violation of Section 16028 of the Vehicle Code shall be initially deposited by the county treasurer in a special account, and shall be transmitted once per month to the Controller

for deposit in the Motor Vehicle Account in the State Transportation Fund. These moneys shall be available, when appropriated, to defray the administrative costs incurred by the Department of Motor Vehicles pursuant to Sections 16031, 16032, 16034, and 16035 of the Vehicle Code. It is the intent of this subdivision to provide sufficient revenues to pay for all of the department's costs in administering those sections of the Vehicle Code.

(c) Notwithstanding Section 1463, of the moneys deposited with the county treasurer pursuant to Section 1463, ten dollars ($10) upon the conviction of, or upon the forfeiture of bail from, any person arrested or notified for a violation of Section 16028 of the Vehicle Code shall be deposited by the county treasurer in a special account and shall be transmitted monthly to the Controller for deposit in the General Fund.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

The stay on the enforcement of the Robbins-McAlister Financial Responsibility Act is presently under consideration by the California Supreme Court and set for hearing on April 10, 1987.

If the stay is lifted by the Supreme Court, counties and cities may not enforce the act because ten dollars ($10) for each citation for a violation of that act must be sent to the General Fund and the county or city may lose money on the enforcement of the act. The change in law contemplated by this act will permit immediate enforcement of the act when the Supreme Court acts to remove its stay. Therefore, it is necessary that this act take effect immediately.

CHAPTER 1346

An act to add Section 53080.4 to the Government Code, and to amend Sections 18035 and 18035.2 of the Health and Safety Code, relating to school facilities, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 53080.4 is added to the Government Code, to read:

53080.4. (a) Notwithstanding any other provision of law, any fee, charge, dedication, or other form of requirement levied by the governing board of a school district under Section 53080 may apply, as to any manufactured home or mobilehome, only pursuant to compliance with all of the following conditions:

(1) The fee, charge, dedication, or other form of requirement is applied to the initial location, installation, or occupancy of the manufactured home or mobilehome within the school district.

(2) The manufactured home or mobilehome is to be located, installed, or occupied on a space or site on which no other manufactured home or mobilehome was previously located, installed, or occupied.

(3) The manufactured home or mobilehome is to be located, installed, or occupied on a space in a mobilehome park, or on any site or in any development outside a mobilehome park, on which the construction of the pad or foundation system commenced after September 1, 1986.

(b) Compliance on the part of any manufactured home or mobilehome with any fee, charge, dedication, or other form of requirement, as described in subdivision (a), or certification by the appropriate school district of that compliance, shall be required as a condition of the following, as applicable:

(1) The close of escrow, where the manufactured home or mobilehome is to be located, installed, or occupied on a mobilehome park space, or on any site or in any development outside a mobilehome park, as described in subdivision (a), and the sale or transfer of the manufactured home or mobilehome is subject to escrow as provided in Section 18035 or 18035.2 of the Health and Safety Code.

(2) The approval of the manufactured home or mobilehome for occupancy pursuant to Section 18551 or 18613 of the Health and Safety Code, in the event that paragraph (1) does not apply.

(c) No fee or other requirement levied under Section 53080 shall be applied to any of the following:

(1) Any manufactured home or mobilehome located, installed, or occupied on a space in a mobilehome park on or before September 1, 1986, or on any date thereafter if construction on that space, pursuant to a building permit, commenced on or before September 1, 1986.

(2) Any manufactured home or mobilehome located, installed, or occupied on any site outside of a mobilehome park on or before September 1, 1986, or on any date thereafter if construction on that site pursuant to a building permit commenced on or before September 1, 1986.

(3) The replacement of or addition to a manufactured home or mobilehome located, installed, or occupied on a space in a mobilehome park, subsequent to the original location, installation, or occupancy of any manufactured home or mobilehome on that space.

(4) The replacement of a manufactured home or mobilehome that was destroyed or damaged by fire or any form of natural disaster.

(5) A manufactured home or mobilehome accessory structure, as defined in Section 18008.5 or 18213 of the Health and Safety Code.

(6) The conversion of a rental mobilehome park to a subdivision, cooperative, or condominium for mobilehomes, or its conversion to

any other form of resident ownership of the park as described in Section 50561 of the Health and Safety Code.

(d) Where any fee or other requirement levied under Section 53080 is required as to any manufactured home or mobilehome, which manufactured home or mobilehome is subsequently replaced by a permanent residential structure constructed on the same lot, the amount of that fee or other requirement shall apply toward the payment of any fee or other requirement under Section 53080 applied to that permanent residential structure.

(e) Notwithstanding any other provision of law, any school district that, on or after January 1, 1987, collected any fee, charge, dedication, or other form of requirement from any manufactured home, mobilehome, mobilehome park, or other development, shall immediately repay the fee, charge, dedication, or other form of requirement to the person or persons who made the payment to the extent the fee, charge, dedication, or other form of requirement collected would not have been authorized under subdivision (a). This subdivision shall not apply, however, to the extent that, pursuant to Section 16 of Article I of the California Constitution, it would impair the obligation of any contract entered into by any school district, on or before the effective date of this section.

(f) For purposes of this section, "manufactured home," "mobilehome," and "mobilehome park" have the meanings set forth in Sections 18007, 18008, and 18214, respectively, of the Health and Safety Code.

SEC. 2. Section 18035 of the Health and Safety Code is amended to read:

18035. (a) For every sale by a dealer of a new or used manufactured home or mobilehome subject to registration under this part, the dealer shall execute in writing and obtain the buyer's signature on a purchase order, conditional sale contract, or other document evidencing the purchase contemporaneous with, or prior to, the receipt of any cash or cash equivalent from the buyer, shall establish an escrow account with an escrow agent, and shall cause to be deposited into that escrow account any cash or cash equivalent received at any time prior to the close of escrow as a deposit, downpayment, or whole or partial payment for the manufactured home or mobilehome or accessory thereto. The downpayment, or whole or partial payment, shall include an amount designated as a deposit, which may be less than, or equal to, the total amount placed in escrow, and shall be subject to the provisions of subdivision (f). The parties shall provide for escrow instructions that identify the fixed amounts of the deposit, downpayment, and balance due prior to closing consistent with the amounts set forth in the purchase documents and receipt for deposit if one is required by Section 18035.1. The deposits shall be made by the dealer within three working days of receipt, one of which shall be the day of receipt. For purposes of this section, "cash equivalent" means any property, other than cash. If an item of cash equivalent is, due to its size, incapable

of physical delivery to the escrow holder, the property may be held by the dealer for the purchaser until close of escrow and, if the property has been registered with the department or the Department of Motor Vehicles, its registration certificate and, if available, its certificate of title shall be delivered to the escrow holder.

(b) For every sale by a dealer of a new manufactured home or mobilehome, the escrow instructions shall provide all of the following:

(1) That the original manufacturer's certificate of origin be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) The lien of any inventory creditor on the manufactured home or mobilehome shall be satisfied by payment from the escrow account.

(B) The inventory creditor shall consent in writing to other than full payment.

For purposes of this paragraph, "inventory creditor" includes any person who is identified as a creditor on the manufacturer's certificate of origin or any person who places the original certificate of origin in escrow and claims in writing to the escrow agent to have a purchase money security interest in the manufactured home or mobilehome, as contemplated by Section 9107 of the Commercial Code.

(3) That the escrow agent shall obtain from the manufacturer a true and correct facsimile of the copy of the certificate of origin retained by the manufacturer pursuant to Section 18093.

(c) For every sale by a dealer of a used manufactured home or mobilehome, the escrow instructions shall provide:

(1) That the current registration card, all copies of the registration cards held by junior lienholders, and the certificate of title be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) (i) The registered owner shall acknowledge in writing the amount of the commission to be received by the dealer for the sale of the manufactured home or mobilehome, and (ii) the registered owner shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of the escrow where the buyer has executed a security agreement approved by the registered owner covering the unpaid balance of the purchase price.

(B) (i) The dealer shall declare in writing that the manufactured home or mobilehome is its inventory, (ii) the registered owner shall acknowledge in writing that the purchase price relating to the sale of the manufactured home or mobilehome to the dealer for resale has been paid in full by the dealer, (iii) the current registration card shall be appropriately executed by the registered owner to reflect the release of all of its ownership interests, and (iv) the dealer shall

release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of escrow where the buyer has executed a security agreement approved by the dealer covering the unpaid balance of the purchase price.

(3) That, in the alternative, the legal owner and each junior lienholder, respectively, shall either:

(A) Release his or her security interest or transfer its security interest to a designated third party contemporaneously upon the payment of a specified amount from the escrow account.

(B) Advise the escrow agent in writing that the new buyer or the buyer's stated designee shall be approved as the new registered owner upon the execution by the buyer of a formal assumption of the indebtedness secured by his or her lien approved by the creditor at or before the close of escrow.

(d) For every sale by a dealer of a used manufactured home or mobilehome:

(1) The dealer shall present the buyer's offer to purchase the manufactured home or mobilehome to the seller in written form signed by the buyer. The seller, upon accepting the offer to purchase, shall sign and date the form. Copies of the fully executed form shall be presented to both the buyer and seller, with the original copy retained by the dealer. Any portion of the form that reflects the commission charged by the dealer to the seller need not be disclosed to the buyer.

(2) The escrow agent, upon the opening of the escrow and receipt of notification from the dealer that the seller has accepted the buyer's offer to purchase, shall, within three working days, prepare a notice of escrow opening on the form prescribed by the department and forward the completed form to the department with appropriate fees. If the escrow is cancelled for any reason before closing, the escrow agent shall prepare a notice of escrow cancellation on the form prescribed by the department and forward the completed form to the department.

(3) (A) The escrow agent shall forward to the legal owner and each junior lienholder at their addresses shown on the current registration card a written demand for a lien status report, as contemplated by Section 18035.5, and a written demand for either an executed statement of conditional lien release or an executed statement of anticipated formal assumption, and shall enclose blank copies of a statement of conditional lien release and a statement of anticipated formal assumption on forms prescribed by the department. The statement of conditional lien release shall include, among other things, both of the following:

(i) A statement of the dollar amount or other conditions required by the creditor in order to release or transfer its lien.

(ii) The creditor's release or transfer of the lien in the manufactured home or mobilehome contingent upon the satisfaction of those conditions.

(B) The statement of anticipated formal assumption shall include, among other things, both of the following:

(i) A statement of the creditor's belief that the buyer will formally assume the indebtedness secured by its lien pursuant to terms and conditions which are acceptable to the creditor at or before the close of escrow.

(ii) The creditor's approval of the buyer or his or her designee as the registered owner upon the execution of the formal assumption.

(4) Within five days of the receipt of the written demand and documents required by paragraph (3), the legal owner or junior lienholder shall complete and execute either the statement of conditional lien release or, if the creditor has elected to consent to a formal assumption requested by a qualified buyer, the statement of anticipated formal assumption, as appropriate, and prepare the lien status report and forward the documents to the escrow agent by first-class mail. If the creditor is the legal owner, the certificate of ownership in an unexecuted form shall accompany the documents. If the creditor is a junior lienholder, the creditor's copy of the current registration card in an unexecuted form shall accompany the documents.

(5) If either of the following events occur, any statement of conditional lien release or statement of anticipated formal assumption executed by the creditor shall become inoperative, and the escrow agent shall thereupon return the form and the certificate of ownership or the copy of the current registration card, as appropriate, to the creditor by first-class mail:

(A) The conditions required in order for the creditor to release or transfer his or her lien are not satisfied before the end of the escrow period agreed upon in writing between the buyer and the seller or, if applicable, before the end of any extended escrow period as permitted by subdivision (g).

(B) The registered owner advises the creditor not to accept any satisfaction of his or her lien or not to permit any formal assumption of the indebtedness and the creditor or registered owner advises the escrow agent in writing accordingly.

(6) If a creditor willfully fails to comply with the requirements of paragraph (4) within 21 days of the receipt of the written demand and documents required by paragraph (3), the creditor shall forfeit to the escrow agent three hundred dollars ($300), except where the creditor has reasonable cause for noncompliance. The three hundred dollars ($300) shall be credited to the seller, unless otherwise provided in the escrow instructions. Any penalty paid by a creditor under this paragraph shall preclude any civil liability for noncompliance with Section 18035.5 relating to the same act or omission.

(e) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall specify one of the following:

(1) Upon the buyer receiving delivery of an installed

manufactured home or mobilehome on the site and the manufactured home or mobilehome passing inspection pursuant to Section 18613 or after the manufactured home or mobilehome has been delivered to the location specified in the escrow instructions when the installation is to be performed by the buyer, all funds in the escrow account, other than escrow fees and amounts for accessories not yet delivered, shall be disbursed.

(2) Upon the buyer receiving delivery of an installed manufactured home or mobilehome not subject to the provisions of Section 18613 with delivery requirements as mutually agreed to and set forth in the sales documents, all funds in the escrow account, other than escrow fees, shall be disbursed.

(f) In the event any dispute arises between the parties to the escrow and upon notification in writing to the escrow agent, unless otherwise specified in the escrow instructions, all funds denoted as deposit shall be held in escrow until a release is signed by the disputing party, or pursuant to new written escrow instructions signed by the parties involved, or pursuant to a final order for payment or division by a court of competent jurisdiction. Any other funds, other than escrow fees, shall be returned to the buyer or any person, other than the dealer or seller, as appropriate.

(g) Escrow shall be for a period of time mutually agreed upon, in writing, by the buyer and the seller. However, the parties may, by mutual consent, extend the time, in writing, with notice to the escrow agent.

(h) No dealer or seller shall establish with an escrow agent any escrow account in an escrow company in which the dealer or seller has more than a 5 percent ownership interest.

(i) The escrow instructions may provide for the proration of any local property tax due or to become due on the manufactured home or mobilehome, and if the tax, or the license fee imposed pursuant to Section 18115, or the registration fee imposed pursuant to Section 18114, is delinquent, the instructions may provide for the payment of the taxes or fees, or both, and any applicable penalties.

(j) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall provide that the payment of any fee, charge, dedication, or other form of requirement levied by a school district pursuant to Section 53080 of the Government Code be made to the appropriate school district upon the close of escrow, except where the school district has certified compliance with that fee, charge, dedication, or other form of requirement.

(k) No agreement shall contain any provision by which the buyer waives his or her rights under this section, and any waiver shall be deemed contrary to public policy and shall be void and unenforceable.

(*l*) If a portion of the amount in the escrow is for accessories, then that portion of the amount shall not be released until the accessories are actually installed.

(m) This section creates a civil cause of action against a buyer or dealer or other seller who violates this section, and upon prevailing, the plaintiff in the action shall be awarded actual damages, plus an amount not in excess of two thousand dollars ($2,000). In addition, attorney's fees and court costs shall also be awarded a plaintiff who prevails in the action.

SEC. 2.3. Section 18035 of the Health and Safety Code, as amended by Section 2 of this act, is amended to read:

18035. (a) For every sale by a dealer of a new or used manufactured home or mobilehome subject to registration under this part, the dealer shall execute in writing and obtain the buyer's signature on a purchase order, conditional sale contract, or other document evidencing the purchase contemporaneous with, or prior to, the receipt of any cash or cash equivalent from the buyer, shall establish an escrow account with an escrow agent, and shall cause to be deposited into that escrow account any cash or cash equivalent received at any time prior to the close of escrow as a deposit, downpayment, or whole or partial payment for the manufactured home or mobilehome or accessory thereto. The downpayment, or whole or partial payment, shall include an amount designated as a deposit, which may be less than, or equal to, the total amount placed in escrow, and shall be subject to the provisions of subdivision (f). The parties shall provide for escrow instructions that identify the fixed amounts of the deposit, downpayment, and balance due prior to closing consistent with the amounts set forth in the purchase documents and receipt for deposit if one is required by Section 18035.1. The deposits shall be made by the dealer within three working days of receipt, one of which shall be the day of receipt. For purposes of this section, "cash equivalent" means any property, other than cash. If an item of cash equivalent is, due to its size, incapable of physical delivery to the escrow holder, the property may be held by the dealer for the purchaser until close of escrow and, if the property has been registered with the department or the Department of Motor Vehicles, its registration certificate and, if available, its certificate of title shall be delivered to the escrow holder.

(b) For every sale by a dealer of a new manufactured home or mobilehome, the escrow instructions shall provide all of the following:

(1) That the original manufacturer's certificate of origin be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) The lien of any inventory creditor on the manufactured home or mobilehome shall be satisfied by payment from the escrow account.

(B) The inventory creditor shall consent in writing to other than full payment.

For purposes of this paragraph, "inventory creditor" includes any person who is identified as a creditor on the manufacturer's

certificate of origin or any person who places the original certificate of origin in escrow and claims in writing to the escrow agent to have a purchase money security interest in the manufactured home or mobilehome, as contemplated by Section 9107 of the Commercial Code.

(3) That the escrow agent shall obtain from the manufacturer a true and correct facsimile of the copy of the certificate of origin retained by the manufacturer pursuant to Section 18093.

(c) For every sale by a dealer of a used manufactured home or mobilehome, the escrow instructions shall provide:

(1) That the current registration card, all copies of the registration cards held by junior lienholders, and the certificate of title be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) (i) The registered owner shall acknowledge in writing the amount of the commission to be received by the dealer for the sale of the manufactured home or mobilehome, and (ii) the registered owner shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of the escrow where the buyer has executed a security agreement approved by the registered owner covering the unpaid balance of the purchase price.

(B) (i) The dealer shall declare in writing that the manufactured home or mobilehome is its inventory, (ii) the registered owner shall acknowledge in writing that the purchase price relating to the sale of the manufactured home or mobilehome to the dealer for resale has been paid in full by the dealer, (iii) the current title shall be appropriately executed by the registered owner to reflect the release of all of its ownership interests, and (iv) the dealer shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of escrow where the buyer has executed a security agreement approved by the dealer covering the unpaid balance of the purchase price.

(3) That, in the alternative, the legal owner and each junior lienholder, respectively, shall either:

(A) Release his or her security interest or transfer its security interest to a designated third party contemporaneously upon the payment of a specified amount from the escrow account.

(B) Advise the escrow agent in writing that the new buyer or the buyer's stated designee shall be approved as the new registered owner upon the execution by the buyer of a formal assumption of the indebtedness secured by his or her lien approved by the creditor at or before the close of escrow.

(d) For every sale by a dealer of a used manufactured home or mobilehome:

(1) The dealer shall present the buyer's offer to purchase the manufactured home or mobilehome to the seller in written form

signed by the buyer. The seller, upon accepting the offer to purchase, shall sign and date the form. Copies of the fully executed form shall be presented to both the buyer and seller, with the original copy retained by the dealer. Any portion of the form that reflects the commission charged by the dealer to the seller need not be disclosed to the buyer.

(2) The escrow agent, upon the opening of the escrow and receipt of notification from the dealer that the seller has accepted the buyer's offer to purchase, shall, within three working days, prepare a notice of escrow opening on the form prescribed by the department and forward the completed form to the department with appropriate fees. If the escrow is cancelled for any reason before closing, the escrow agent shall prepare a notice of escrow cancellation on the form prescribed by the department and forward the completed form to the department.

(3) (A) The escrow agent shall forward to the legal owner and each junior lienholder at their addresses shown on the current registration card a written demand for a lien status report, as contemplated by Section 18035.5, and a written demand for either an executed statement of conditional lien release or an executed statement of anticipated formal assumption, and shall enclose blank copies of a statement of conditional lien release and a statement of anticipated formal assumption on forms prescribed by the department. The statement of conditional lien release shall include, among other things, both of the following:

(i) A statement of the dollar amount or other conditions required by the creditor in order to release or transfer its lien.

(ii) The creditor's release or transfer of the lien in the manufactured home or mobilehome contingent upon the satisfaction of those conditions.

(B) The statement of anticipated formal assumption shall include, among other things, both of the following:

(i) A statement of the creditor's belief that the buyer will formally assume the indebtedness secured by its lien pursuant to terms and conditions which are acceptable to the creditor at or before the close of escrow.

(ii) The creditor's approval of the buyer or his or her designee as the registered owner upon the execution of the formal assumption.

(4) Within five days of the receipt of the written demand and documents required by paragraph (3), the legal owner or junior lienholder shall complete and execute either the statement of conditional lien release or, if the creditor has elected to consent to a formal assumption requested by a qualified buyer, the statement of anticipated formal assumption, as appropriate, and prepare the lien status report and forward the documents to the escrow agent by first-class mail. If the creditor is the legal owner, the certificate of ownership in an unexecuted form shall accompany the documents. If the creditor is a junior lienholder, the creditor's copy of the current registration card in an unexecuted form shall accompany the

documents.

(5) If either of the following events occur, any statement of conditional lien release or statement of anticipated formal assumption executed by the creditor shall become inoperative, and the escrow agent shall thereupon return the form and the certificate of ownership or the copy of the current registration card, as appropriate, to the creditor by first-class mail:

(A) The conditions required in order for the creditor to release or transfer his or her lien are not satisfied before the end of the escrow period agreed upon in writing between the buyer and the seller or, if applicable, before the end of any extended escrow period as permitted by subdivision (g).

(B) The registered owner advises the creditor not to accept any satisfaction of his or her lien or not to permit any formal assumption of the indebtedness and the creditor or registered owner advises the escrow agent in writing accordingly.

(6) If a creditor willfully fails to comply with the requirements of paragraph (4) within 21 days of the receipt of the written demand and documents required by paragraph (3), the creditor shall forfeit to the escrow agent three hundred dollars ($300), except where the creditor has reasonable cause for noncompliance. The three hundred dollars ($300) shall be credited to the seller, unless otherwise provided in the escrow instructions. Any penalty paid by a creditor under this paragraph shall preclude any civil liability for noncompliance with Section 18035.5 relating to the same act or omission.

(e) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall specify one of the following:

(1) Upon the buyer receiving delivery of an installed manufactured home or mobilehome on the site and the manufactured home or mobilehome passing inspection pursuant to Section 18613 or after the manufactured home or mobilehome has been delivered to the location specified in the escrow instructions when the installation is to be performed by the buyer, all funds in the escrow account, other than escrow fees and amounts for accessories not yet delivered, shall be disbursed.

(2) Upon the buyer receiving delivery of an installed manufactured home or mobilehome not subject to the provisions of Section 18613 with delivery requirements as mutually agreed to and set forth in the sales documents, all funds in the escrow account, other than escrow fees, shall be disbursed.

(f) In the event any dispute arises between the parties to the escrow and upon notification in writing to the escrow agent, unless otherwise specified in the escrow instructions, all funds denoted as deposit shall be held in escrow until a release is signed by the disputing party, or pursuant to new written escrow instructions signed by the parties involved, or pursuant to a final order for payment or division by a court of competent jurisdiction. Any other

funds, other than escrow fees, shall be returned to the buyer or any person, other than the dealer or seller, as appropriate.

(g) Escrow shall be for a period of time mutually agreed upon, in writing, by the buyer and the seller. However, the parties may, by mutual consent, extend the time, in writing, with notice to the escrow agent.

(h) No dealer or seller shall establish with an escrow agent any escrow account in an escrow company in which the dealer or seller has more than a 5 percent ownership interest.

(i) The escrow instructions may provide for the proration of any local property tax due or to become due on the manufactured home or mobilehome, and if the tax, or the license fee imposed pursuant to Section 18115, or the registration fee imposed pursuant to Section 18114, is delinquent, the instructions may provide for the payment of the taxes or fees, or both, and any applicable penalties.

(j) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall provide that the payment of any fee, charge, dedication, or other form of requirement levied by a school district pursuant to Section 53080 of the Government Code be made to the appropriate school district upon the close of escrow, except where the school district has certified compliance with that fee, charge, dedication, or other form of requirement.

(k) No agreement shall contain any provision by which the buyer waives his or her rights under this section, and any waiver shall be deemed contrary to public policy and shall be void and unenforceable.

(*l*) If a portion of the amount in the escrow is for accessories, then that portion of the amount shall not be released until the accessories are actually installed.

(m) This section creates a civil cause of action against a buyer or dealer or other seller who violates this section, and upon prevailing, the plaintiff in the action shall be awarded actual damages, plus an amount not in excess of two thousand dollars ($2,000). In addition, attorney's fees and court costs shall also be awarded a plaintiff who prevails in the action.

SEC. 2.5. Section 18035 of the Health and Safety Code, as amended by Section 2 of this act, is amended to read:

18035. (a) For every sale by a dealer of a new or used manufactured home or mobilehome subject to registration under this part, the dealer shall execute in writing and obtain the buyer's signature on a purchase order, conditional sale contract, or other document evidencing the purchase contemporaneous with, or prior to, the receipt of any cash or cash equivalent from the buyer, shall establish an escrow account with an escrow agent, and shall cause to be deposited into that escrow account any cash or cash equivalent received at any time prior to the close of escrow as a deposit, downpayment, or whole or partial payment for the manufactured home or mobilehome or accessory thereto. The downpayment, or

whole or partial payment, shall include an amount designated as a deposit, which may be less than, or equal to, the total amount placed in escrow, and shall be subject to the provisions of subdivision (f). The parties shall provide for escrow instructions that identify the fixed amounts of the deposit, downpayment, and balance due prior to closing consistent with the amounts set forth in the purchase documents and receipt for deposit if one is required by Section 18035.1. The deposits shall be made by the dealer within three working days of receipt, one of which shall be the day of receipt. For purposes of this section, "cash equivalent" means any property, other than cash. If an item of cash equivalent is, due to its size, incapable of physical delivery to the escrow holder, the property may be held by the dealer for the purchaser until close of escrow and, if the property has been registered with the department or the Department of Motor Vehicles, its registration certificate and, if available, its certificate of title shall be delivered to the escrow holder.

(b) For every sale by a dealer of a new manufactured home or mobilehome, the escrow instructions shall provide all of the following:

(1) That the original manufacturer's certificate of origin be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) The lien of any inventory creditor on the manufactured home or mobilehome shall be satisfied by payment from the escrow account.

(B) The inventory creditor shall consent in writing to other than full payment.

For purposes of this paragraph, "inventory creditor" includes any person who is identified as a creditor on the manufacturer's certificate of origin or any person who places the original certificate of origin in escrow and claims in writing to the escrow agent to have a purchase money security interest in the manufactured home or mobilehome, as contemplated by Section 9107 of the Commercial Code.

(3) That the escrow agent shall obtain from the manufacturer a true and correct facsimile of the copy of the certificate of origin retained by the manufacturer pursuant to Section 18093.

(c) For every sale by a dealer of a used manufactured home or mobilehome, the escrow instructions shall provide:

(1) That the current registration card, all copies of the registration cards held by junior lienholders, and the certificate of title be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) (i) The registered owner shall acknowledge in writing the amount of the commission to be received by the dealer for the sale of the manufactured home or mobilehome, and (ii) the registered owner shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment

of a specified amount from the escrow account or at the close of the escrow where the buyer has executed a security agreement approved by the registered owner covering the unpaid balance of the purchase price.

(B) (i) The dealer shall declare in writing that the manufactured home or mobilehome is its inventory, (ii) the registered owner shall acknowledge in writing that the purchase price relating to the sale of the manufactured home or mobilehome to the dealer for resale has been paid in full by the dealer, (iii) the current certificate of title shall be appropriately executed by the registered owner to reflect the release of all of its ownership interests, and (iv) the dealer shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of escrow where the buyer has executed a security agreement approved by the dealer covering the unpaid balance of the purchase price.

(3) That, in the alternative, the legal owner and each junior lienholder, respectively, shall either:

(A) Release his or her security interest or transfer its security interest to a designated third party contemporaneously upon the payment of a specified amount from the escrow account.

(B) Advise the escrow agent in writing that the new buyer or the buyer's stated designee shall be approved as the new registered owner upon the execution by the buyer of a formal assumption of the indebtedness secured by his or her lien approved by the creditor at or before the close of escrow.

(d) For every sale by a dealer of a used manufactured home or mobilehome:

(1) The dealer shall present the buyer's offer to purchase the manufactured home or mobilehome to the seller in written form signed by the buyer. The seller, upon accepting the offer to purchase, shall sign and date the form. Copies of the fully executed form shall be presented to both the buyer and seller, with the original copy retained by the dealer. Any portion of the form that reflects the commission charged by the dealer to the seller need not be disclosed to the buyer.

(2) The escrow agent, upon receipt of notification from the dealer that the seller has accepted the buyer's offer to purchase and receipt of mutually endorsed escrow instructions, shall, within three working days, prepare a notice of escrow opening on the form prescribed by the department and forward the completed form to the department with appropriate fees. If the escrow is cancelled for any reason before closing, the escrow agent shall prepare a notice of escrow cancellation on the form prescribed by the department and forward the completed form to the department.

(3) (A) The escrow agent shall forward to the legal owner and each junior lienholder at their addresses shown on the current registration card a written demand for a lien status report, as contemplated by Section 18035.5, and a written demand for either an

executed statement of conditional lien release or an executed statement of anticipated formal assumption, and shall enclose blank copies of a statement of conditional lien release and a statement of anticipated formal assumption on forms prescribed by the department. The statement of conditional lien release shall include, among other things, both of the following:

(i) A statement of the dollar amount or other conditions required by the creditor in order to release or transfer its lien.

(ii) The creditor's release or transfer of the lien in the manufactured home or mobilehome contingent upon the satisfaction of those conditions.

(B) The statement of anticipated formal assumption shall include, among other things, both of the following:

(i) A statement of the creditor's belief that the buyer will formally assume the indebtedness secured by its lien pursuant to terms and conditions which are acceptable to the creditor at or before the close of escrow.

(ii) The creditor's approval of the buyer or his or her designee as the registered owner upon the execution of the formal assumption.

(4) Within five days of the receipt of the written demand and documents required by paragraph (3), the legal owner or junior lienholder shall complete and execute either the statement of conditional lien release or, if the creditor has elected to consent to a formal assumption requested by a qualified buyer, the statement of anticipated formal assumption, as appropriate, and prepare the lien status report and forward the documents to the escrow agent by first-class mail. If the creditor is the legal owner, the certificate of ownership in an unexecuted form shall accompany the documents. If the creditor is a junior lienholder, the creditor's copy of the current registration card in an unexecuted form shall accompany the documents.

(5) If either of the following events occur, any statement of conditional lien release or statement of anticipated formal assumption executed by the creditor shall become inoperative, and the escrow agent shall thereupon return the form and the certificate of ownership or the copy of the current registration card, as appropriate, to the creditor by first-class mail:

(A) The conditions required in order for the creditor to release or transfer his or her lien are not satisfied before the end of the escrow period agreed upon in writing between the buyer and the seller or, if applicable, before the end of any extended escrow period as permitted by subdivision (g).

(B) The registered owner advises the creditor not to accept any satisfaction of his or her lien or not to permit any formal assumption of the indebtedness and the creditor or registered owner advises the escrow agent in writing accordingly.

(6) If a creditor willfully fails to comply with the requirements of paragraph (4) within 21 days of the receipt of the written demand and documents required by paragraph (3), the creditor shall forfeit

to the escrow agent three hundred dollars ($300), except where the creditor has reasonable cause for noncompliance. The three hundred dollars ($300) shall be credited to the seller, unless otherwise provided in the escrow instructions. Any penalty paid by a creditor under this paragraph shall preclude any civil liability for noncompliance with Section 18035.5 relating to the same act or omission.

(e) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall specify one of the following:

(1) Upon the buyer receiving delivery of an installed manufactured home or mobilehome on the site and the manufactured home or mobilehome passing inspection pursuant to Section 18613 or after the manufactured home or mobilehome has been delivered to the location specified in the escrow instructions when the installation is to be performed by the buyer, all funds in the escrow account, other than escrow fees and amounts for accessories not yet delivered, shall be disbursed.

(2) Upon the buyer receiving delivery of an installed manufactured home or mobilehome not subject to the provisions of Section 18613 with delivery requirements as mutually agreed to and set forth in the sales documents, all funds in the escrow account, other than escrow fees, shall be disbursed.

(f) In the event any dispute arises between the parties to the escrow and upon notification in writing to the escrow agent, unless otherwise specified in the escrow instructions, all funds denoted as deposit shall be held in escrow until a release is signed by the disputing party, or pursuant to new written escrow instructions signed by the parties involved, or pursuant to a final order for payment or division by a court of competent jurisdiction. Any other funds, other than escrow fees, shall be returned to the buyer or any person, other than the dealer or seller, as appropriate.

(g) Escrow shall be for a period of time mutually agreed upon, in writing, by the buyer and the seller. However, the parties may, by mutual consent, extend the time, in writing, with notice to the escrow agent.

(h) No dealer or seller shall establish with an escrow agent any escrow account in an escrow company in which the dealer or seller has more than a 5 percent ownership interest.

(i) The escrow instructions may provide for the proration of any local property tax due or to become due on the manufactured home or mobilehome, and if the tax, or the license fee imposed pursuant to Section 18115, or the registration fee imposed pursuant to Section 18114, is delinquent, the instructions may provide for the payment of the taxes or fees, or both, and any applicable penalties.

(j) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall provide that the payment of any fee, charge, dedication, or other form of requirement levied by a school district pursuant to Section 53080 of the

Government Code be made to the appropriate school district upon the close of escrow, except where the school district has certified compliance with that fee, charge, dedication, or other form of requirement.

(k) No agreement shall contain any provision by which the buyer waives his or her rights under this section, and any waiver shall be deemed contrary to public policy and shall be void and unenforceable.

(*l*) If a portion of the amount in the escrow is for accessories, then that portion of the amount shall not be released until the accessories are actually installed.

(m) Upon opening escrow on a used manufactured home or mobilehome which is subject to local property taxation, and subject to registration under this part, the escrow officer may forward to the tax collector of the county in which the used manufactured home or mobilehome is located, a written demand for a tax clearance certificate, if no liability exists, or a conditional tax clearance certificate if a tax liability exists, to be provided on a form prescribed by the office of Controller. The conditional tax clearance certificate shall state the amount of the tax liability due, if any, and the final date that amount may be paid out of the proceeds of escrow before a further tax liability may be incurred.

(1) Within five working days of receipt of the written demand for a conditional tax clearance certificate or a tax clearance certificate, the county tax collector shall forward the conditional tax clearance certificate or a tax clearance certificate showing no tax liability exists to the requesting escrow officer. In the event the tax clearance certificate's or conditional tax clearance certificate's final due date expires within 30 days of date of issuance, an additional conditional tax clearance certificate or a tax clearance certificate shall be completed which has a final due date of at least 30 days beyond the date of issuance.

(2) If the tax collector on which the written demand for a tax clearance certificate or a conditional tax clearance certificate was made fails to comply with that demand within 30 days from the date the demand was mailed, the escrow officer may close the escrow and submit a statement of facts certifying that the written demand was made on the tax collector and the tax collector failed to comply with that written demand within 30 days. This statement of facts may be accepted by the department in lieu of a conditional tax clearance certificate or a tax clearance certificate, as prescribed by subdivision (a) of Section 18092.7, and the transfer of ownership may be completed.

(3) The escrow officer may satisfy the terms of the conditional tax clearance certificate by paying the amount of tax liability shown on the form by the tax collector out of the proceeds of escrow on or before the date indicated on the form and by certifying in the space provided on the form that all terms and conditions of the conditional tax clearance certificate have been complied with.

(n) This section creates a civil cause of action against a buyer or dealer or other seller who violates this section, and upon prevailing, the plaintiff in the action shall be awarded actual damages, plus an amount not in excess of two thousand dollars ($2,000). In addition, attorney's fees and court costs shall also be awarded a plaintiff who prevails in the action.

SEC. 2.7. Section 18035 of the Health and Safety Code, as amended by Section 2 of this act, is amended to read:

18035. (a) For every sale by a dealer of a new or used manufactured home or mobilehome subject to registration under this part, the dealer shall execute in writing and obtain the buyer's signature on a purchase order, conditional sale contract, or other document evidencing the purchase contemporaneous with, or prior to, the receipt of any cash or cash equivalent from the buyer, shall establish an escrow account with an escrow agent, and shall cause to be deposited into that escrow account any cash or cash equivalent received at any time prior to the close of escrow as a deposit, downpayment, or whole or partial payment for the manufactured home or mobilehome or accessory thereto. The downpayment, or whole or partial payment, shall include an amount designated as a deposit, which may be less than, or equal to, the total amount placed in escrow, and shall be subject to the provisions of subdivision (f). The parties shall provide for escrow instructions that identify the fixed amounts of the deposit, downpayment, and balance due prior to closing consistent with the amounts set forth in the purchase documents and receipt for deposit if one is required by Section 18035.1. The deposits shall be made by the dealer within three working days of receipt, one of which shall be the day of receipt. For purposes of this section, "cash equivalent" means any property, other than cash. If an item of cash equivalent is, due to its size, incapable of physical delivery to the escrow holder, the property may be held by the dealer for the purchaser until close of escrow and, if the property has been registered with the department or the Department of Motor Vehicles, its registration certificate and, if available, its certificate of title shall be delivered to the escrow holder.

(b) For every sale by a dealer of a new manufactured home or mobilehome, the escrow instructions shall provide all of the following:

(1) That the original manufacturer's certificate of origin be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) The lien of any inventory creditor on the manufactured home or mobilehome shall be satisfied by payment from the escrow account.

(B) The inventory creditor shall consent in writing to other than full payment.

For purposes of this paragraph, "inventory creditor" includes any person who is identified as a creditor on the manufacturer's

certificate of origin or any person who places the original certificate of origin in escrow and claims in writing to the escrow agent to have a purchase money security interest in the manufactured home or mobilehome, as contemplated by Section 9107 of the Commercial Code.

(3) That the escrow agent shall obtain from the manufacturer a true and correct facsimile of the copy of the certificate of origin retained by the manufacturer pursuant to Section 18093.

(c) For every sale by a dealer of a used manufactured home or mobilehome, the escrow instructions shall provide:

(1) That the current registration card, all copies of the registration cards held by junior lienholders, and the certificate of title be placed in escrow.

(2) That, in the alternative, either of the following shall occur:

(A) (i) The registered owner shall acknowledge in writing the amount of the commission to be received by the dealer for the sale of the manufactured home or mobilehome, and (ii) the registered owner shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of the escrow where the buyer has executed a security agreement approved by the registered owner covering the unpaid balance of the purchase price.

(B) (i) The dealer shall declare in writing that the manufactured home or mobilehome is its inventory, (ii) the registered owner shall acknowledge in writing that the purchase price relating to the sale of the manufactured home or mobilehome to the dealer for resale has been paid in full by the dealer, (iii) the current certificate of title shall be appropriately executed by the registered owner to reflect the release of all of its ownership interests, and (iv) the dealer shall release all of its ownership interests in the manufactured home or mobilehome either contemporaneously upon the payment of a specified amount from the escrow account or at the close of escrow where the buyer has executed a security agreement approved by the dealer covering the unpaid balance of the purchase price.

(3) That, in the alternative, the legal owner and each junior lienholder, respectively, shall either:

(A) Release his or her security interest or transfer its security interest to a designated third party contemporaneously upon the payment of a specified amount from the escrow account.

(B) Advise the escrow agent in writing that the new buyer or the buyer's stated designee shall be approved as the new registered owner upon the execution by the buyer of a formal assumption of the indebtedness secured by his or her lien approved by the creditor at or before the close of escrow.

(d) For every sale by a dealer of a used manufactured home or mobilehome:

(1) The dealer shall present the buyer's offer to purchase the manufactured home or mobilehome to the seller in written form

signed by the buyer. The seller, upon accepting the offer to purchase, shall sign and date the form. Copies of the fully executed form shall be presented to both the buyer and seller, with the original copy retained by the dealer. Any portion of the form that reflects the commission charged by the dealer to the seller need not be disclosed to the buyer.

(2) The escrow agent, upon receipt of notification from the dealer that the seller has accepted the buyer's offer to purchase and receipt of mutually endorsed escrow instructions, shall, within three working days, prepare a notice of escrow opening on the form prescribed by the department and forward the completed form to the department with appropriate fees. If the escrow is cancelled for any reason before closing, the escrow agent shall prepare a notice of escrow cancellation on the form prescribed by the department and forward the completed form to the department.

(3) (A) The escrow agent shall forward to the legal owner and each junior lienholder at their addresses shown on the current registration card a written demand for a lien status report, as contemplated by Section 18035.5, and a written demand for either an executed statement of conditional lien release or an executed statement of anticipated formal assumption, and shall enclose blank copies of a statement of conditional lien release and a statement of anticipated formal assumption on forms prescribed by the department. The statement of conditional lien release shall include, among other things, both of the following:

(i) A statement of the dollar amount or other conditions required by the creditor in order to release or transfer its lien.

(ii) The creditor's release or transfer of the lien in the manufactured home or mobilehome contingent upon the satisfaction of those conditions.

(B) The statement of anticipated formal assumption shall include, among other things, both of the following:

(i) A statement of the creditor's belief that the buyer will formally assume the indebtedness secured by its lien pursuant to terms and conditions which are acceptable to the creditor at or before the close of escrow.

(ii) The creditor's approval of the buyer or his or her designee as the registered owner upon the execution of the formal assumption.

(4) Within five days of the receipt of the written demand and documents required by paragraph (3), the legal owner or junior lienholder shall complete and execute either the statement of conditional lien release or, if the creditor has elected to consent to a formal assumption requested by a qualified buyer, the statement of anticipated formal assumption, as appropriate, and prepare the lien status report and forward the documents to the escrow agent by first-class mail. If the creditor is the legal owner, the certificate of ownership in an unexecuted form shall accompany the documents. If the creditor is a junior lienholder, the creditor's copy of the current registration card in an unexecuted form shall accompany the

documents.

(5) If either of the following events occur, any statement of conditional lien release or statement of anticipated formal assumption executed by the creditor shall become inoperative, and the escrow agent shall thereupon return the form and the certificate of ownership or the copy of the current registration card, as appropriate, to the creditor by first-class mail:

(A) The conditions required in order for the creditor to release or transfer his or her lien are not satisfied before the end of the escrow period agreed upon in writing between the buyer and the seller or, if applicable, before the end of any extended escrow period as permitted by subdivision (g).

(B) The registered owner advises the creditor not to accept any satisfaction of his or her lien or not to permit any formal assumption of the indebtedness and the creditor or registered owner advises the escrow agent in writing accordingly.

(6) If a creditor willfully fails to comply with the requirements of paragraph (4) within 21 days of the receipt of the written demand and documents required by paragraph (3), the creditor shall forfeit to the escrow agent three hundred dollars ($300), except where the creditor has reasonable cause for noncompliance. The three hundred dollars ($300) shall be credited to the seller, unless otherwise provided in the escrow instructions. Any penalty paid by a creditor under this paragraph shall preclude any civil liability for noncompliance with Section 18035.5 relating to the same act or omission.

(e) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall specify one of the following:

(1) Upon the buyer receiving delivery of an installed manufactured home or mobilehome on the site and the manufactured home or mobilehome passing inspection pursuant to Section 18613 or after the manufactured home or mobilehome has been delivered to the location specified in the escrow instructions when the installation is to be performed by the buyer, all funds in the escrow account, other than escrow fees and amounts for accessories not yet delivered, shall be disbursed.

(2) Upon the buyer receiving delivery of an installed manufactured home or mobilehome not subject to the provisions of Section 18613 with delivery requirements as mutually agreed to and set forth in the sales documents, all funds in the escrow account, other than escrow fees, shall be disbursed.

(f) In the event any dispute arises between the parties to the escrow and upon notification in writing to the escrow agent, unless otherwise specified in the escrow instructions, all funds denoted as deposit shall be held in escrow until a release is signed by the disputing party, or pursuant to new written escrow instructions signed by the parties involved, or pursuant to a final order for payment or division by a court of competent jurisdiction. Any other

funds, other than escrow fees, shall be returned to the buyer or any person, other than the dealer or seller, as appropriate.

(g) Escrow shall be for a period of time mutually agreed upon, in writing, by the buyer and the seller. However, the parties may, by mutual consent, extend the time, in writing, with notice to the escrow agent.

(h) No dealer or seller shall establish with an escrow agent any escrow account in an escrow company in which the dealer or seller has more than a 5 percent ownership interest.

(i) The escrow instructions may provide for the proration of any local property tax due or to become due on the manufactured home or mobilehome, and if the tax, or the license fee imposed pursuant to Section 18115, or the registration fee imposed pursuant to Section 18114, is delinquent, the instructions may provide for the payment of the taxes or fees, or both, and any applicable penalties.

(j) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall provide that the payment of any fee, charge, dedication, or other form of requirement levied by a school district pursuant to Section 53080 of the Government Code be made to the appropriate school district upon the close of escrow, except where the school district has certified compliance with that fee, charge, dedication, or other form of requirement.

(k) No agreement shall contain any provision by which the buyer waives his or her rights under this section, and any waiver shall be deemed contrary to public policy and shall be void and unenforceable.

(*l*) If a portion of the amount in the escrow is for accessories, then that portion of the amount shall not be released until the accessories are actually installed.

(m) Upon opening escrow on a used manufactured home or mobilehome which is subject to local property taxation, and subject to registration under this part, the escrow officer may forward to the tax collector of the county in which the used manufactured home or mobilehome is located, a written demand for a tax clearance certificate, if no liability exists, or a conditional tax clearance certificate if a tax liability exists, to be provided on a form prescribed by the office of Controller. The conditional tax clearance certificate shall state the amount of the tax liability due, if any, and the final date that amount may be paid out of the proceeds of escrow before a further tax liability may be incurred.

(1) Within five working days of receipt of the written demand for a conditional tax clearance certificate or a tax clearance certificate, the county tax collector shall forward the conditional tax clearance certificate or a tax clearance certificate showing no tax liability exists to the requesting escrow officer. In the event the tax clearance certificate's or conditional tax clearance certificate's final due date expires within 30 days of date of issuance, an additional conditional tax clearance certificate or a tax clearance certificate shall be

completed which has a final due date of at least 30 days beyond the date of issuance.

(2) If the tax collector on which the written demand for a tax clearance certificate or a conditional tax clearance certificate was made fails to comply with that demand within 30 days from the date the demand was mailed, the escrow officer may close the escrow and submit a statement of facts certifying that the written demand was made on the tax collector and the tax collector failed to comply with that written demand within 30 days. This statement of facts may be accepted by the department in lieu of a conditional tax clearance certificate or a tax clearance certificate, as prescribed by subdivision (a) of Section 18092.7, and the transfer of ownership may be completed.

(3) The escrow officer may satisfy the terms of the conditional tax clearance certificate by paying the amount of tax liability shown on the form by the tax collector out of the proceeds of escrow on or before the date indicated on the form and by certifying in the space provided on the form that all terms and conditions of the conditional tax clearance certificate have been complied with.

(n) This section creates a civil cause of action against a buyer or dealer or other seller who violates this section, and upon prevailing, the plaintiff in the action shall be awarded actual damages, plus an amount not in excess of two thousand dollars ($2,000). In addition, attorney's fees and court costs shall also be awarded a plaintiff who prevails in the action.

SEC. 3. Section 18035.2 of the Health and Safety Code is amended to read:

18035.2. (a) For every sale by a dealer of a new or used manufactured home or mobilehome to be installed on a foundation system pursuant to Section 18551, the dealer shall execute in writing and obtain the buyer's signature on a purchase order, conditional sale contract, or other document evidencing the purchase, and provide a statement of fact complying with subdivision (b) of Section 18035.1, contemporaneous with or prior to the receipt of any cash or cash equivalent from the buyer and shall establish an escrow account with an escrow agent. The escrow shall not be subject to the provisions of Section 18035.

(b) For every sale by a dealer of a new manufactured home or mobilehome installed or to be installed on a foundation system pursuant to Section 18551, the escrow instructions shall provide all of the following:

(1) That the original manufacturer's certificate of origin be placed in escrow.

(2) That, in the alternative:

(A) The lien of any inventory creditor on the manufactured home or mobilehome shall be satisified by payment from the escrow account.

(B) That inventory creditor shall consent in writing to other than full payment.

For purposes of this paragraph, "inventory creditor" includes any person who is identified as a creditor on the manufacturer's certificate of origin or any person who places the original certificate of origin in escrow and claims in writing to the escrow agent to have a purchase money security interest in the manufactured home or mobilehome as contemplated by Section 9107 of the Commercial Code.

(3) That the escrow agent shall obtain from the manufacturer a true and correct facsimile of the copy of the certificate of origin retained by the manufacturer pursuant to Section 18093.

(c) For every sale by a dealer of a new or used manufactured home or mobilehome, the escrow instructions shall provide that the payment of any fee, charge, dedication, or other form of requirement levied by a school district pursuant to Section 53080 of the Government Code be made to the appropriate school district upon the close of escrow, except where the school district has certified compliance with the fee, charge, dedication, or other form of requirement.

SEC. 3.5. (a) Section 2.3 of this bill incorporates certain amendments to Section 18035 of the Health and Safety Code proposed by both this bill and AB 2109. It shall become operative only if (1) both bills are enacted and become effective on or before January 1, 1988, but this bill becomes operative first, (2) each bill amends Section 18035 of the Health and Safety Code, (3) AB 2481 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after AB 2109, in which case Sections 2.5 and 2.7 of this bill shall not become operative, and Section 18035 of the Health and Safety Code, as amended by Section 2 of this bill, shall remain operative only until the operative date of AB 2109, at which time Section 2.5 of this bill shall become operative.

(b) Section 2.5 of this bill incorporates amendments to Section 18035 of the Health and Safety Code proposed by both this bill and AB 2481. It shall become operative only if (1) both bills are enacted and become effective on or before January 1, 1988, but this bill becomes operative first, (2) each bill amends Section 18035 of the Health and Safety Code, (3) AB 2109 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after AB 2481, in which case Sections 2.3 and 2.7 of this bill shall not become operative, and Section 18035 of the Health and Safety Code, as amended by Section 2 of this bill, shall remain operative only until the operative date of AB 2481, at which time Section 2.5 of this bill shall become operative.

(c) Section 2.7 of this bill incorporates certain amendments to Section 18035 of the Health and Safety Code proposed by this bill, AB 2109, and AB 2481. It shall become operative only if (1) all three bills are enacted and become effective on or before January 1, 1988, but this bill becomes operative first, (2) all three bills amend Section 18035 of the Health and Safety Code, and (3) this bill is enacted after AB 2109 and AB 2481, in which case Sections 2.3 and 2.5 of this bill

shall not become operative, and Section 18035 of the Health and Safety Code, as amended by Section 2 of this bill, shall remain operative only until the operative date of AB 2109 and AB 2481, at which time Section 2.7 of this bill shall become operative.

SEC. 4. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to avoid the adverse impact of school facilities fees currently being imposed on manufactured homes and mobilehomes, an affordable source of housing for persons of low and moderate income, it is necessary that this act take effect immediately.

CHAPTER 1347

An act to amend Section 11624 of the Insurance Code, relating to insurance.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 11624 of the Insurance Code is amended to read:

11624. The plan shall contain:

(a) Standards for determining eligibility of applicants for insurance, and in establishing those standards the following may be taken into consideration in respect to the applicant or any other person who may reasonably be expected to operate the applicant's automobile with his or her permission:

(1) His or her criminal conviction record.

(2) His or her record of suspension or revocation of a license to operate an automobile.

(3) His or her automobile accident records.

(4) His or her age and mental, physical and moral characteristics which pertain to his or her ability to safely and lawfully operate an automobile.

(5) The condition or use of the automobile.

(b) Procedures for making application for insurance, for apportionment of eligible applicants among the subscribing insurers and for appeal to the commissioner by persons who believe themselves aggrieved by the operation of the plan.

(c) A provision that the organization administering the plan shall notify the Department of Motor Vehicles regarding the name of each applicant for insurance who is rejected by the assigned risk plan and the statutory grounds for the rejection. The information contained in that notification shall be for the confidential use of the Department of Motor Vehicles.

(d) Rules and regulations governing the administration and operation of the plan.

(e) Provisions showing the basis upon which premium charges shall be made, and the manner of payment thereof. The plan shall include procedures for notifying within a reasonable time the agent, broker, or solicitor who obtained insurance under the plan for the insured of any nonpayment of premium to the insurer when notice of the nonpayment is sent to the insured pursuant to Section 662.

(f) Any other provisions as may be necessary to carry out the purpose of this article.

Section 11624 of the Insurance Code is amended to read:

11624. The plan shall contain:

(a) Standards for determining eligibility of applicants for insurance, and in establishing those standards the following may be taken into consideration in respect to the applicant or any other person who may reasonably be expected to operate the applicant's automobile with his or her permission:

(1) His or her criminal conviction record.

(2) His or her record of suspension or revocation of a license to operate an automobile.

(3) His or her automobile accident records.

(4) His or her age and mental, physical and moral characteristics which pertain to his or her ability to safely and lawfully operate an automobile.

(5) The condition or use of the automobile.

(b) Procedures for making application for insurance, for apportionment of eligible applicants among the subscribing insurers and for appeal to the commissioner by persons who believe themselves aggrieved by the operation of the plan.

(c) A provision that the organization administering the plan shall notify the Department of Motor Vehicles regarding the name of each applicant for insurance who is rejected by the assigned risk plan and the statutory grounds for the rejection. The information contained in that notification shall be for the confidential use of the Department of Motor Vehicles.

(d) Rules and regulations governing the administration and operation of the plan.

(e) Provisions showing the basis upon which premium charges shall be made, and the manner of payment thereof. The plan shall

permit, after a minimum of 20 percent of the annual premium is paid, the remaining premium to be paid in equal monthly installments over a nine-month period (designated as a 9-Pay Deferral Program) for any insurance policy issued pursuant to the plan. The plan shall also include procedures for notifying within a reasonable time the agent, broker, or solicitor who obtained insurance under the plan for the insured of any nonpayment of premium to the insured when notice of the nonpayment is sent to the insured pursuant to Section 622.

Notwithstanding any other provision of law, the commissioner shall require those participating in the 9-Pay Deferral Program to pay a charge equal to the amount needed to cover the cost to plan members for providing this payment program. The commissioner shall consult with plan members prior to setting the amount of the charge and may change the amount charged from time-to-time as needed to cover changes in costs. This charge shall be paid in equal amounts at the same time as the monthly installments are paid.

(f) Any other provisions as may be necessary to carry out the purpose of this article.

SEC. 3. Section 2 of this bill incorporates amendments to Section 11624 of the Insurance Code proposed by both this bill and SB 911. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 11624 of the Insurance Code, and (3) this bill is enacted after SB 911, in which case Section 1 of this bill shall not become operative.

CHAPTER 1348

An act to amend Sections 14233, 14250, 14260, 14427, 14461, 14483, and 14492.5 of the Business and Professions Code, to amend Section 2104 of the Code of Civil Procedure, to amend Sections 9403, 9404, 9405, 9406, 9407.1, and 9409 of the Commercial Code, to amend Sections 15800, 21304, and 24004 of the Corporations Code, and to amend Sections 7226, 12184, 12185, 12186, 12191, 12192, 12194, 12196, 12197, 12197.1, 12199, 12206, 12207, and 12215 of, and to add Section 12216 to, the Government Code, relating to fees, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 14233 of the Business and Professions Code is amended to read:

14233. The application for registration shall be accompanied by a filing fee of fifty dollars ($50), payable to the Secretary of State.

SEC. 2. Section 14250 of the Business and Professions Code is

amended to read:

14250. Registration of a mark, as provided by this chapter, shall be effective for a term of 10 years from the date of registration and, upon application filed within six months prior to the expiration of such term, on a form to be furnished by the Secretary of State for that purpose, the registration may be renewed for a like term. A renewal fee of fifty dollars ($50), payable to the Secretary of State, shall accompany the application for renewal of the registration.

A mark registration may be renewed for successive periods of 10 years in like manner.

SEC. 3. Section 14260 of the Business and Professions Code is amended to read:

14260. Any mark and its registration pursuant to this chapter shall be assignable with the good will of the business in which the mark is used, or with that part of the good will of the business connected with the use of and symbolized by the mark. Assignment shall be by instruments in writing duly executed and acknowledged and may be recorded with the Secretary of State upon the payment of a fee of twenty-five dollars ($25), payable to the Secretary of State who, upon recording of the assignment, shall issue in the name of the assignee a new certificate for the remainder of the term of the registration or of the last renewal thereof. An assignment of any registration under this chapter shall be void as against any subsequent purchaser for valuable consideration without notice, unless it is recorded with the Secretary of State within three months after the date thereof or prior to the subsequent purchase.

SEC. 4. Section 14427 of the Business and Professions Code is amended to read:

14427. Any person, who is engaged in the manufacture, packing, canning, bottling, or selling of any substance in containers with his or her name, or other mark or device impressed or produced thereon, or whose equipment or supplies, owned by and used in his or her business, bears a name or other mark or device impressed or produced thereon, may file in the office of the Secretary of State, a description of the name, mark or device so used, as a brand.

For filing each brand described and issuing his or her certificate of filing the Secretary of State shall charge and collect a fee of fifty dollars ($50).

SEC. 5. Section 14461 of the Business and Professions Code is amended to read:

14461. Any farm owner or lessee in this state, may upon the payment of ten dollars ($10) to the Secretary of State, have the name of his or her farm registered in a register which the Secretary of State shall keep for that purpose.

The owner or lessee shall be furnished a certificate, issued under seal, setting forth the name and location of the farm and the name of the owner.

SEC. 6. Section 14483 of the Business and Professions Code is amended to read:

14483. The registrant shall pay to the Secretary of State for filing each laundry supply designation described and for issuing a certificate of filing a fee of ten dollars ($10), and to the county clerk a fee of one dollar ($1) for each designation described and filed.

SEC. 7. Section 14492.5 of the Business and Professions Code is amended to read:

14492.5. Any organization may register any name used by it by filing a claim to it with the Secretary of State. The filing fee for the registration of any name shall be ten dollars ($10).

SEC. 8. Section 2104 of the Code of Civil Procedure is amended to read:

2104. The fee for filing and indexing each notice of lien or certificate or notice affecting the lien, whether filed for record in the office of the county recorder or filed in the office of the Secretary of State, is five dollars ($5).

The officer shall bill the district directors of internal revenue or other appropriate federal officials on a monthly basis for fees for documents filed by them.

SEC. 9. Section 9403 of the Commercial Code is amended to read:

9403. (1) Presentation for filing of a financing statement, tender of the filing fee and acceptance of the statement by the filing officer constitutes filing under this division.

(2) Except as provided in subdivision (6), a filed financing statement is effective for a period of five years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of such five-year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five-year period, whichever occurs later. Upon such lapse the security interest becomes unperfected unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse. If a fixture filing is effective at the time insolvency proceedings are commenced by or against the debtor, the fixture filing remains effective until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five-year period or termination pursuant to subdivision (6), whichever occurs later. Upon lapse of a fixture filing, it is deemed to have been ineffective as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party of record within six months prior to the expiration of the five-year period specified in subdivision (2). Any such continuation statement must be signed by the secured party of record, identify the original statement by giving the date and the names of the parties thereto and the file number thereof and state that the original statement is

continued. A continuation statement filed to continue the effectiveness of a financing statement filed as a fixture filing (Section 9313) is not effective unless the following requirements are met:

(a) If the debtor did not have an interest of record in the real estate as of the date of the filing of the original statement, the continuation statement shall contain the name of a record owner of the real estate as of the date of the filing of the original statement.

(b) The continuation statement shall contain substantially the following statement: "This continuation statement is filed to continue the effectiveness of a financing statement filed as a fixture filing"; provided, that such statement shall clearly indicate the intent to continue the effectiveness of a financing statement as a fixture filing.

Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subdivision (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. The filing officer may remove a lapsed financing statement and related filings from the files and destroy them immediately if he or she has retained a microfilm or other photographic record, or in other cases after one year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if he or she physically destroys the financing statements of a period more than five years past, those which have been continued by a continuation statement or which are still effective under subdivision (6) shall be retained. The filing officer shall not destroy a financing statement and related filings as to which he or she has received written notice that there is an action pending relative thereto or that insolvency proceedings have been commenced by or against the debtor.

(4) Except as provided in subdivision (7) a filing officer shall mark each financing statement with a consecutive file number and with the date and time of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statement according to the name of the debtor and shall note in the index the file number and the address of the debtor given in this statement. The filing officer shall mark each continuation statement with the date and time of filing and shall index the same under the file number of the original financing statement.

(5) The uniform fee for filing, indexing and furnishing filing data (subdivision (1) of Section 9407) for an original financing statement, an amendment or a continuation statement shall be five dollars ($5) if the statement is in the standard form prescribed by the Secretary of State and otherwise shall be six dollars ($6).

(6) If the debtor is a transmitting utility (subdivision (5) of

Section 9401) and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage which is effective as a fixture filing under subdivision (6) of Section 9402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) A financing or continuation statement covering collateral described in paragraph (b) of subdivision (1) of Section 9401 or filed as a fixture filing shall be recorded and indexed by the filing officer in the real property index of grantors under the name of the debtor and any owner of record shown on the financing statement. A financing or continuation statement so recorded and indexed and containing a description of real property affected thereby shall constitute constructive notice from the time of its acceptance for recording to any purchaser or encumbrancer of the real property of the security interest in such collateral.

SEC. 10. Section 9404 of the Commercial Code is amended to read:

9404. (1) Whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party of record must on written demand by the debtor send the debtor a statement that he or she no longer claims a security interest under the financing statement, which shall be identified by date, names of parties thereto and file number. If the affected secured party of record fails to send such a termination statement within 10 days after proper demand therefor he or she shall be liable to the debtor for all actual damages suffered by the debtor by reason of such failure, and if the failure is in bad faith for a penalty of one hundred dollars ($100).

(2) The filing officer shall mark each such termination statement with the date and time of filing and shall index the same under the name of the debtor and under the file number of the original financing statement. If the filing officer has a microfilm or other photographic record of the financing statement and related filings, the filing officer may remove the originals from the files at any time after receipt of the termination statement and destroy them, or if he or she has no such record, he or she may remove them from his or her files at any time after one year after receipt of the termination statement and destroy them.

(3) The uniform fee for filing, indexing and furnishing filing data (subdivision (1) of Section 9407) for a termination statement shall be five dollars ($5) if the statement is in the standard form prescribed by the Secretary of State and otherwise shall be six dollars ($6).

SEC. 11. Section 9405 of the Commercial Code is amended to read:

9405. (1) A secured party of record may by a writing release his or her security interest in all or a part of the collateral covered by a filed financing statement. A statement of release is sufficient if it is signed by the secured party of record, contains a statement

describing the collateral being released, the name and address of the debtor, and the file number of the original financing statement.

(2) The filing officer shall mark each such statement with the date and time of filing and index the same under the name of the debtor and under the file number of the original financing statement.

(3) The uniform fee for filing, indexing and furnishing filing data (subdivision (1) of Section 9407) for a statement of release on a form conforming to standards prescribed by the Secretary of State shall be five dollars ($5) or, if such a statement otherwise conforms to the requirements of this section, six dollars ($6).

SEC. 12. Section 9406 of the Commercial Code is amended to read:

9406. (1) If a secured party assigns or transfers his or her security interest in any collateral as to which a financing statement has been filed, a statement of such assignment may be filed. Such statement shall be signed by the secured party, describe the collateral as to which the security interest has been assigned, give the name and mailing address of the assignee or transferee, the name and address of the debtor and the file number of the original financing statement.

(2) The filing officer shall mark each such statement of assignment or transfer with the date and time of filing and shall index the same under the name of the debtor and under the file number of the original financing statement.

(3) A statement of assignment may be filed at the time of the filing of the financing statement, in which event the filing officer shall first file the financing statement and index the assignment under the name of the debtor and under the file number given the financing statement. An assignment endorsed on the financing statement before it is filed with the filing officer need not be indexed by the filing officer.

(4) The uniform fee for filing, indexing and furnishing filing data (subdivision (1) of Section 9407) for a separate statement of assignment on a form conforming to standards prescribed by the Secretary of State shall be five dollars ($5) or, if such a statement otherwise conforms to the requirements of this section, six dollars ($6).

(5) Whenever a continuation statement, an amendment to a financing statement, a termination statement, a statement of release or a statement of assignment signed by one other than the secured party of record is presented for filing it must be accompanied by a statement of assignment signed by the secured party of record covering the collateral to which such continuation statement, amendment, termination statement, release, or assignment applies.

(6) Wherever in this code reference is made to the secured party of record it means the secured party named in the original financing statement or, if a statement of assignment has been filed, or an assignee has been named in the financing statement before it is filed, the assignee or transferee of the security interest in the collateral affected. Any continuation statement, amendment to a financing

statement, termination statement, statement of release or statement of assignment signed by one other than the secured party of record as to the collateral affected thereby shall be ineffective for any purpose except as between the parties thereto.

SEC. 13. Section 9407.1 of the Commercial Code is amended to read:

9407.1. In lieu of filing all financing statements, termination statements, partial releases, assignments, or other related papers falling under this code, the filing officer may record those papers. The filing officer may employ a system of microphotography, optical disk, or reproduction by other techniques which do not permit additions, deletions, or changes to the original document.

All film used in the microphotography process shall comply with minimum standards of quality approved by the United States Bureau of Standards and the American National Standards Institute. A true copy of the microfilm or optical disk shall be kept in a safe and separate place for security purposes. Reproduction of any document filed on microfilm or stored on optical disk pursuant to this section shall be admissible in any court of law.

SEC. 14. Section 9409 of the Commercial Code is amended to read:

9409. (a) Upon request of any person, the Secretary of State shall issue a combined certificate showing the information as to financing statements as specified in Section 9407, the information as to state tax liens as specified in Section 7226 of the Government Code, the information as to attachment liens as specified in Sections 488.375 and 488.405 of the Code of Civil Procedure, the information as to judgment liens as specified in Section 697.580 of the Code of Civil Procedure, and, if the name requested appears to be other than an individual, the information as to federal liens as specified in Section 2103 of the Code of Civil Procedure. The fee for such a combined certificate is eleven dollars ($11).

(b) The Secretary of State shall construe a request for a certificate as one for a combined certificate pursuant to this section unless the request is specifically limited to federal liens, state tax liens, judgment liens, or attachment liens.

SEC. 15. Section 15800 of the Corporations Code is amended to read:

15800. Every partnership, other than a foreign limited partnership subject to Chapter 3 (commencing with Section 15691) of Title 2 of the Corporations Code or a commercial or banking partnership established and transacting business in a place without the United States, which is domiciled without this state and has no regular place of business within this state, shall, within 40 days from the time it commences to do business in this state, file a statement in the office of the Secretary of State in accordance with Section 24003 designating some natural person or corporation as the agent of the partnership upon whom process issued by authority of or under any law of this state directed against the partnership may be served.

A copy of the designation, duly certified by the Secretary of State, is sufficient evidence of the appointment.

The process may be served in the manner provided in subdivision (e) of Section 24003 on the person so designated, or, in the event that no such person has been designated, or if the agent designated for the service of process is a natural person and cannot be found with due diligence at the address stated in the designation, or if the agent is a corporation and no person can be found with due diligence to whom the delivery authorized by subdivision (e) of Section 24003 may be made for the purpose of delivery to the corporate agent, or if the agent designated is no longer authorized to act, then service may be made by personal delivery to the Secretary of State, Assistant Secretary of State, or a Deputy Secretary of State of the process, together with a written statement signed by the party to the action seeking the service, or by the party's attorney, setting forth the last known address of the partnership and a service fee of fifty dollars ($50). The Secretary of State shall forthwith give notice of the service to the partnership by forwarding the process to it by registered mail, return receipt requested, at the address given in the written statement.

Service on the person designated, or personal delivery of the process and statement of address together with a service fee of fifty dollars ($50) to the Secretary of State, Assistant Secretary of State, or a Deputy Secretary of State, pursuant to this section is a valid service on the partnership. The partnership so served shall appear within 30 days after service on the person designated or within 30 days after delivery of the process to the Secretary of State, Assistant Secretary of State, or a Deputy Secretary of State.

SEC. 16. Section 21304 of the Corporations Code is amended to read:

21304. The Secretary of State shall charge and collect a fee of ten dollars ($10) for each registration made under this chapter. All such fees shall be deposited in the State Treasury to the credit of the General Fund.

SEC. 17. Section 24004 of the Corporations Code is amended to read:

24004. (a) The Secretary of State shall mark each statement filed under Section 24003 with a consecutive file number and the date of filing. He or she may destroy or otherwise dispose of any such statement four years after the statement expires. In lieu of retaining the original statement, the Secretary of State may retain a copy thereof in accordance with Section 14756 of the Government Code.

(b) The Secretary of State shall index each statement filed under Section 24003 according to the name of the unincorporated association as set out in the statement and shall enter in the index the file number and the address of the association as set out in the statement and, if an agent for service of process is designated in the statement, the name of the agent and, if a natural person is designated as the agent, the address of that person.

(c) Upon request of any person, the Secretary of State shall issue a certificate showing whether, according to the records of the office of the Secretary of State, there is on file on the date and hour stated therein, any presently effective statement filed under Section 24003 for an unincorporated association using a specific name designated by the person making the request. If such a statement is on file, the certificate shall include the information required by subdivision (b) to be included in the index. The fee for such a certificate is five dollars ($5).

(d) When a statement has expired under subdivision (d) of Section 24003, the Secretary of State shall enter that fact in the index together with the date of the expiration.

(e) Four years after a statement has expired, the Secretary of State may delete the information concerning that statement from the index.

SEC. 19. Section 7226 of the Government Code is amended to read:

7226. Upon request of any person, the Secretary of State shall issue his or her certificate showing whether there is on file, on the date and hour stated therein, any certificate or notice of state tax lien naming a particular person, and if a certificate or notice is on file, giving the date and hour of filing of each certificate or notice. The fee for the certificate issued by the Secretary of State is eleven dollars ($11). Upon request, the Secretary of State shall furnish a copy of any certificate or notice filed pursuant to this chapter for a fee of one dollar ($1) per page. A combined certificate may be issued pursuant to Section 7203.

SEC. 20. Section 12184 of the Government Code is amended to read:

12184. The fee for preparing a copy of any law, resolution, record, or other document on file in the office of the Secretary of State, is one dollar ($1) for the first page, and fifty cents ($0.50) for each page thereafter.

SEC. 21. Section 12185 of the Government Code is amended to read:

12185. The fee for filing a designation of agent for or on behalf of any person, partnership, or firm, but not including a corporation, is twenty-five dollars ($25).

SEC. 22. Section 12186 of the Government Code is amended to read:

12186. Except as provided in Section 12209, the fee for comparing a copy of any law, resolution, record, or other document or paper with the original, or the certified copy of the original, on file in the office of the Secretary of State, is three dollars ($3).

SEC. 23. Section 12191 of the Government Code is amended to read:

12191. The fee for registering farm, ranch, or villa names, including the issuance of certificates of the registration, is ten dollars ($10).

SEC. 24. Section 12192 of the Government Code is amended to read:

12192. The fee for filing claim to trademark and issuing a certificate of filing is fifty dollars ($50).

SEC. 25. Section 12194 of the Government Code is amended to read:

12194. The fee for filing a certified copy of a decree changing the name of a natural person is ten dollars ($10).

SEC. 26. Section 12196 of the Government Code is amended to read:

12196. The fee for issuing a certificate of official character is twenty dollars ($20).

SEC. 27. Section 12197 of the Government Code is amended to read:

12197. The fee for attesting each commission, passport, or other document signed by the Governor is ten dollars ($10).

A fee shall not be charged for attesting pardons, extradition papers, military commissions, and commissions issued to nonsalaried state officers other than notaries public.

SEC. 28. Section 12197.1 of the Government Code is amended to read:

12197.1. The Secretary of State shall establish by regulation an application, examination, and commission fee which shall be sufficient to cover the costs of commissioning notaries public and the enforcement of laws governing notaries public. The fee shall not exceed fifty dollars ($50) per commission. It is the intention of the Legislature that these funds, which are to be deposited in the General Fund, shall be used to support the notary public program to the extent that appropriations are made in the Budget Act from year to year.

SEC. 29. Section 12199 of the Government Code is amended to read:

12199. The fee for issuing a certificate of reservation of corporate name is ten dollars ($10).

SEC. 30. Section 12206 of the Government Code is amended to read:

12206. Unless another fee is specified by law or the law specifies that no fee is to be charged, the fee for acceptance of copies of process against a corporation, firm, partnership, association, business trust, or natural person is fifty dollars ($50) for each corporation, firm, partnership, association, business trust, or natural person upon whom service is sought.

SEC. 31. Section 12207 of the Government Code is amended to read:

12207. Unless another fee is specified by law:

(a) The fee for affixing the certificate and seal of the state is five dollars ($5).

(b) The fee for issuing a certificate of filing of any document not otherwise provided for is six dollars ($6).

SEC. 32. Section 12215 of the Government Code is amended to read:

12215. The fee for issuing a certificate of reservation of limited partnership name is ten dollars ($10).

SEC. 33. Section 12216 is added to the Government Code, to read:

12216. The fee for preparing a copy of any record on file in the State Archives is ten cents ($0.10) per page or fraction thereof.

SEC. 34. The sum of three hundred fifty thousand dollars ($350,000) is hereby appropriated from the General Fund to the Secretary of State for the purpose of funding an optical disk system in the event that the final acceptable bid for this system exceeds the budgeted amount of two million five hundred seventy-four thousand dollars ($2,574,000), subject to Department of Finance review and approval prior to encumbrance.

CHAPTER 1349

An act to amend Sections 56121, 56844, 57376, and 66484.3 of the Government Code, relating to local government.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 56121 of the Government Code is amended to read:

56121. No change of organization or reorganization, or any term or condition of a change of organization or reorganization, shall impair the rights of any bondholder or other creditor of any county, city, or district. Nor shall any change of organization or reorganization, or any term or condition of a change of organization or reorganization, impair the contract rights, or contracts entered into by a public entity created by a joint exercise or powers agreement established pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code. Notwithstanding any provision of this division, or of any change of organization or reorganization, or any term or condition of a change of organization or reorganization, each and every bondholder or other creditor may enforce all of his or her rights in the same manner, and to the same extent, as if the change of organization, reorganization, term, or condition had not been made. Those rights may also be enforced against agencies, and their respective officers, as follows:

(a) Annexation or detachment: against the city or district to, or from, which territory is annexed or detached.

(b) Incorporation: against the newly incorporated city.

(c) Formation: against the newly formed district.

(d) Disincorporation: against the successor county receiving distribution of the remaining assets of the disincorporated city.

(e) Dissolution: against the local agency receiving distribution of all or any part of the remaining assets of a dissolved district.

(f) Consolidation: against the consolidated successor city or district.

(g) Reorganization: against the affected city or district, successor county or newly incorporated city or newly formed district, as the case may be, for any of the above enumerated changes of organization or city incorporations which may be included in the particular reorganization.

SEC. 2. Section 56844 of the Government Code is amended to read:

56844. Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions. However, none of the following terms and conditions shall directly regulate land use, property development, or subdivision requirements:

(a) The payment of a fixed or determinable amount of money, either as a lump sum or in installments, for the acquisition, transfer, use or right of use of all or any part of the existing property, real or personal, of any city, county, or district.

(b) The levying or fixing and the collection of any of the following, for the purpose of providing for any payment required pursuant to subdivision (a):

(1) Special, extraordinary, or additional taxes or assessments.

(2) Special, extraordinary, or additional service charges, rentals, or rates.

(3) Both taxes or assessments and service charges, rentals, or rates.

(c) The imposition, exemption, transfer, division, or apportionment, as among any affected cities, affected counties, affected districts, and affected territory of liability for payment of all or any part of principal, interest, and any other amounts which shall become due on account of all or any part of any outstanding or then authorized but thereafter issued bonds, including revenue bonds, or other contracts or obligations of any city, county, district, or any improvement district within a local agency, and the levying or fixing and the collection of any (1) taxes or assessments, or (2) service charges, rentals, or rates, or (3) both taxes or assessments and service charges, rentals, or rates, in the same manner as provided in the original authorization of the bonds and in the amount necessary to provide for that payment.

(d) If, as a result of any term or condition made pursuant to subdivision (c), the liability of any affected city, affected county, or affected district for payment of the principal of any bonded indebtedness is increased or decreased, the term and condition may specify the amount, if any, of that increase or decrease which shall be included in, or excluded from, the outstanding bonded indebtedness of that entity for the purpose of the application of any

statute or charter provision imposing a limitation upon the principal amount of outstanding bonded indebtedness of the entity.

(e) The formation of a new improvement district or districts or the annexation or detachment of territory to, or from, any existing improvement district or districts.

(f) The incurring of new indebtedness or liability by, or on behalf of, all or any part of any local agency, including territory being annexed to any local agency, or of any existing or proposed new improvement district within that local agency. The new indebtedness may be the obligation solely of territory to be annexed if the local agency has the authority to establish zones for incurring indebtedness. The indebtedness or liability shall be incurred substantially in accordance with the laws otherwise applicable to the local agency.

(g) The issuance and sale of any bonds, including authorized but unissued bonds of a local agency, either by that local agency or by a local agency designated as the successor to any local agency which is extinguished as a result of any change of organization or reorganization.

(h) The acquisition, improvement, disposition, sale, transfer, or division of any property, real or personal.

(i) The disposition, transfer, or division of any moneys or funds, including cash on hand and moneys due but uncollected, and any other obligations.

(j) The fixing and establishment of priorities of use, or right of use, of water, or capacity rights in any public improvements or facilities or of any other property, real or personal.

(k) The establishment, continuation, or termination of any office, department, or board, or the transfer, combining, consolidation, or separation of any offices, departments, or boards, or any of the functions of those offices, departments, or boards, if, and to the extent that, any of those matters is authorized by the principal act.

(*l*) The employment, transfer, or discharge of employees, the continuation, modification, or termination of existing employment contracts, civil service rights, seniority rights, retirement rights, and other employee benefits and rights.

(m) The designation of a city, county, or district, as the successor to any local agency which is extinguished as a result of any change of organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance, or payment of any outstanding bonds, including revenue bonds, or other contracts and obligations of the extinguished local agency.

(n) The designation (1) of the method for the selection of members of the legislative body of a district or (2) the number of those members, or (3) both, where the proceedings are for a consolidation, or a reorganization providing for a consolidation or formation of a new district and the principal act provides for alternative methods of that selection or for varying numbers of those

members, or both.

(o) The initiation, conduct, or completion of proceedings on a proposal made under, and pursuant to, this division.

(p) The fixing of the effective date of any change of organization, subject to the limitations of Section 57202.

(q) Any terms and conditions authorized or required by the principal act with respect to any change of organization.

(r) The continuation or provision of any service provided at that time, or previously authorized to be provided by an official act of the local agency.

(s) The levying of assessments, including the imposition of a fee pursuant to Section 50029 or 66484.3 or the approval by the voters of general or special taxes. For the purposes of this section, imposition of a fee as a condition of the issuance of a building permit does not constitute direct regulation of land use, property development, or subdivision requirements.

(t) The continuation of any previously authorized charge, fee, assessment, or tax by a successor local agency.

(u) Any other matters necessary or incidental to any of the terms and conditions specified in this section.

SEC. 3. Section 57376 of the Government Code is amended to read:

57376. (a) If the newly incorporated city comprises territory formerly unincorporated, the city council shall, immediately following its organization and prior to performing any other official act, adopt an ordinance providing that all county ordinances previously applicable shall remain in full force and effect as city ordinances for a period of 120 days after incorporation, or until the city council has enacted ordinances superseding the county ordinances, whichever occurs first. However, if the Board of Supervisors of the County of Orange has adopted an ordinance or resolution, or both, pursuant to Section 50029 or 66484.3 prior to the effective date of an incorporation of a city within that county, that ordinance or resolution shall not be repealed or superseded by the city until the county ordinance or resolution has been repealed or superseded by the board of supervisors of that county. If the county ordinance or resolution is repealed or superseded, then within 30 days of the effective date of the ordinance or resolution repealing or superseding the county ordinance or resolution, the city council shall enact a new ordinance or resolution conforming in all respects to the action taken by the county. The ordinance enacted by the city council immediately following its organization also shall provide that no city ordinance enacted within that 120-day period of time be deemed to supersede any county ordinance unless the city ordinance specifically refers to the county ordinance, and states an intention to supersede it. Enforcement of the continuing county ordinances in the incorporated area shall be by the city, except insofar as enforcement services are furnished in accordance with Section 57384.

(b) In the event that the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a newly incorporated city within that county comprises territory formerly unincorporated but within an area of benefit established pursuant to Section 66484.3, then the city shall comply in all respects with the agreement, including any subsequent modifications thereof, as if the city were a party thereto.

SEC. 4. Section 66484.3 of the Government Code is amended to read:

66484.3. (a) The Board of Supervisors of the County of Orange and the city council of any city in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on the general plan or local roads, and in the case of major thoroughfares, to the provisions of the circulation element which identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element, transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide for higher fees on land which abuts the proposed improvement

except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the Recorder of the County of Orange in which the area of benefit is located. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest, commence or carry on any proceedings for the same improvement or acquisition under the provisions of this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facilities or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge facilities or major thoroughfares. The sole security for repayment of the indebtedness shall be moneys in planned bridge facilities or major thoroughfares funds.

(g) The term "construction," as used in this section, includes design, acquisition of right-of-way, administration of construction contracts, and actual construction, and also includes reasonable administrative expenses, not exceeding six hundred thousand dollars ($600,000) in any calendar year, incurred in association with those

activities.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

(k) If the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a proposed change of organization or reorganization includes any territory of an area of benefit established pursuant to Sections 50029 and 66484.3, within a successor local agency, the local agency shall not take any action that would impair, delay, frustrate, obstruct, or otherwise impede the construction of the bridges and major thoroughfares referred to in this section.

SEC. 5. Section 66484.3 of the Government Code, as amended by Section 1 of Senate Bill 1074, is amended to read:

66484.3. (a) Notwithstanding Section 53077.5, the Board of Supervisors of the County of Orange and the city council of any city in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on the general plan or local roads, and in the case of major thoroughfares, to the provisions of the circulation element which identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element,

transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide for higher fees on land which abuts the proposed improvement except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the recorder of the County of Orange. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest, commence or carry on any proceedings for the same improvement or acquisition under the provisions of this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the

fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facilities or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge facilities or major thoroughfares, and may enter into joint exercise of powers agreements with other local agencies imposing fees pursuant to this section for the purpose of, among others, jointly exercising the duly authorized original power established by this section, in addition to those powers authorized through a joint exercise of powers agreement. The sole security for repayment of the indebtedness shall be moneys in planned bridge facilities or major thoroughfares funds.

(g) The term "construction," as used in this section, includes design, acquisition of rights-of-way, and actual construction, including, but not limited to, all direct and indirect environmental, engineering, accounting, legal, administration of construction contracts, and other services necessary therefor. The term "construction" also includes reasonable general agency administrative expenses, not exceeding three hundred thousand dollars ($300,000) in any calendar year after January 1, 1986, as adjusted annually for any increase or decrease in the Consumer Price Index of the Bureau of Labor Statistics of the United States Department of Labor for all Urban Consumers, Los Angeles-Long Beach-Anaheim, California (1967=100), as published by the United States Department of Commerce, by each agency created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 for the purpose of constructing bridges and major thoroughfares. "General agency administrative expenses" means those office, personnel, and other customary and normal expenses associated with the direct management and administration of the agency, but not including costs of construction.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located

within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

(k) If the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a proposed change of organization or reorganization includes any territory of an area of benefit established pursuant to Sections 50029 and 66484.3, within a successor local agency, the local agency shall not take any action that would impair, delay, frustrate, obstruct, or otherwise impede the construction of the bridges and major thoroughfares referred to in this section.

SEC. 6. Section 66484.3 of the Government Code is amended to read:

66484.3. (a) The Board of Supervisors of the County of Orange and the city council or councils of any city or cities in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on the general plan or local roads, and in the case of major thoroughfares, to the provisions of the circulation element which identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element, transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include

land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide for higher fees on land which abuts the proposed improvement except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the recorder of the County of Orange. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half

of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest, commence or carry on any proceedings for the same improvement or acquisition under this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facilities or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge

facilities or major thoroughfares, and may enter into joint exercise of powers agreements with other local agencies imposing fees pursuant to this section, for the purpose of, among others, jointly exercising as a duly authorized original power established by this section, in addition to those through a joint exercise of powers agreement, those powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code for the purpose of constructing bridge facilities and major thoroughfares in lieu of a tunnel and appurtenant facilities, and, notwithstanding Section 31200 of the Streets and Highways Code, may acquire by dedication, gift, purchase, or eminent domain, any franchise, rights, privileges, easements, or other interest in property, either real or personal, necessary therefor on segments of the state highway system, including, but not limited to, those segments of the state highway system eligible for federal participation pursuant to Title 23 of the United States Code.

An entity constructing bridge facilities and major thoroughfares pursuant to this section shall design and construct the bridge facilities and major thoroughfares to the standards and specifications of the Department of Transportation then in effect, and may, at any time, transfer all or a portion of the bridge facilities and major thoroughfares to the state subject to the terms and conditions as shall be satisfactory to the Director of the Department of Transportation. Any of these bridge facilities and major thoroughfares shall be designated as a portion of the state highway system prior to its transfer. The sole security for repayment of the indebtedness shall be moneys in planned bridge facilities or major thoroughfares funds. The participants in a joint exercise of powers agreement may also exercise as a duly authorized original power established by this section the power to establish and collect toll charges only for paying for the costs of construction of the major thoroughfare for which the toll is charged and for the costs of collecting the tolls. Major thoroughfares from which tolls are charged shall utilize the toll collection equipment most capable of moving vehicles expeditiously and efficiently, best suited for that purpose as determined by the participants in the joint exercise of powers agreement. However, in no event shall the powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code be exercised unless a resolution is first adopted by the legislative body of the agency finding that adequate funding for the portion of the cost of constructing those bridge facilities and major thoroughfares not funded by the development fees collected by the agency is not available from any federal, state, or other source. Any major thoroughfare constructed and operated as a toll road pursuant to this section shall only be constructed parallel to other public thoroughfares and highways.

(g) The term "construction," as used in this section, includes design, acquisition of right-of-way, administration of construction contracts, and actual construction, and also includes reasonable

administrative expenses, not exceeding six hundred thousand dollars ($600,000) in any calendar year, incurred in association with those activities.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

(k) If the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a proposed change of organization or reorganization includes any territory of an area of benefit established pursuant to Sections 50029 and 66484.3, within a successor local agency, the local agency shall not take any action that would impair, delay, frustrate, obstruct, or otherwise impede the construction of the bridges and major thoroughfares referred to in this section.

SEC. 7. *Section 66484.3 of the Government Code, as amended by Section 1 of Senate Bill 1074, is amended to read:*

66484.3. (a) Notwithstanding Section 53077.5, the Board of Supervisors of the County of Orange and the city council or councils of any city or cities in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on the general plan or local roads, and in the case of major thoroughfares, to the provisions of the circulation element which

identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element, transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide for higher fees on land which abuts the proposed improvement except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the recorder of the county in which the area of benefit is located. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a

reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest, commence or carry on any proceedings for the same improvement or acquisition under the provisions of this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects

in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facilities or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge facilities or major thoroughfares, and may enter into joint exercise of powers agreements with other local agencies imposing fees pursuant to this section for the purpose of, among others, jointly exercising the duly authorized original power established by this section, in addition to those powers authorized through a joint exercise of powers agreement, those powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code for the purpose of constructing bridge facilities and major thoroughfares in lieu of a tunnel and appurtenant facilities, and, notwithstanding Section 31200 of the Streets and Highways Code, may acquire by dedication, gift, purchase, or eminent domain, any franchise, rights, privileges, easements, or other interest in property, either real or personal, necessary therefor on segments of the state highway system, including, but not limited to, those segments of the state highway system eligible for federal participation pursuant to Title 23 of the United States Code.

An entity constructing bridge facilities and major thoroughfares pursuant to this section shall design and construct the bridge facilities and major thoroughfares to the standards and specifications of the Department of Transportation then in effect, and may, at any time, transfer all or a portion of the bridge facilities and major thoroughfares to the state subject to the terms and conditions as shall be satisfactory to the Director of the Department of Transportation. Any of these bridge facilities and major thoroughfares shall be designated as a portion of the state highway system prior to its transfer. The sole security for repayment of the indebtedness shall be moneys in planned bridge facilities or major thoroughfares funds. The participants in a joint exercise of powers agreement may also exercise as a duly authorized original power established by this section the power to establish and collect toll charges only for paying for the costs of construction of the major thoroughfare for which the toll is charged and for the costs of collecting the tolls. Major thoroughfares from which tolls are charged shall utilize the toll collection equipment most capable of moving vehicles expeditiously

and efficiently, best suited for that purpose as determined by the participants in the joint exercise of powers agreement. However, in no event shall the powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code be exercised unless a resolution is first adopted by the legislative body of the agency finding that adequate funding for the portion of the cost of constructing those bridge facilities and major thoroughfares not funded by the development fees collected by the agency is not available from any federal, state, or other source. Any major thoroughfare constructed and operated as a toll road pursuant to this section shall only be constructed parallel to other public thoroughfares and highways.

(g) The term "construction," as used in this section, includes design, acquisition of rights-of-way, and actual construction, including, but not limited to, all direct and indirect environmental, engineering, accounting, legal, administration of construction contracts, and other services necessary therefor. The term "construction" also includes reasonable general agency administrative expenses, not exceeding three hundred thousand dollars ($300,000) in any calendar year after January 1, 1986, as adjusted annually for any increase or decrease in the Consumer Price Index of the Bureau of Labor Statistics of the United States Department of Labor for all Urban Consumers, Los Angeles-Long Beach-Anaheim, California (1967=100), as published by the United States Department of Commerce, by each agency created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 for the purpose of constructing bridges and major thoroughfares. "General agency administrative expenses" means those office, personnel, and other customary and normal expenses associated with the direct management and administration of the agency, but not including costs of construction.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

(k) If the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a proposed change of organization or reorganization includes any territory of an area of benefit established pursuant to Sections 50029 and 66484.3, within a successor local agency, the local agency shall not take any action that would impair, delay, frustrate, obstruct, or otherwise impede the construction of the bridges and major thoroughfares referred to in this section.

SEC. 8. The Legislature finds and declares that the provisions of Section 2 of this act are declaratory of existing law.

SEC. 9. (a) Section 5 of this bill incorporates amendments to Section 66484.3 of the Government Code proposed by both this bill and SB 1074. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1988, (2) each bill amends Section 66484.3 of the Government Code, (3) SB 1413 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after SB 1074 in which case Section 66484.3 of the Government Code, as amended by SB 1074 shall remain operative only until the operative date of this bill at which time Section 5 of this bill shall become operative, and Sections 4, 6, and 7 of this bill shall not become operative.

(b) Section 6 of this bill incorporates amendments to Section 66484.3 of the Government Code proposed by both this bill and SB 1413. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 66484.3 of the Government Code, and (3) SB 1074 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after SB 1413, in which case Sections 4, 5, and 7 of this bill shall not become operative.

(c) Section 7 of this bill incorporates amendments to Section 66484.3 of the Government Code proposed by this bill, SB 1074, and SB 1413. It shall only become operative if (1) all three bills are enacted and become effective on or before January 1, 1988, (2) all three bills amend Section 66484.3 of the Government Code, and (3) this bill is enacted after SB 1074 and SB 1413, in which case Section 66484.3 of the Government Code, as amended by SB 1074 shall remain operative only until the operative date of this bill at which time Section 7 of this bill shall become operative, and Sections 4, 5, and 6 of this bill shall not become operative.

CHAPTER 1350

An act to add Section 301.6 to the Health and Safety Code relating to Medi-Cal, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

I am deletng the $1,050,000 appropriation contained in Section 3 of Senate Bill No 156.

This bill requires that the Maternal and Child Health Branch of the Department of Health Services conduct a three year, five county pilot project to examine the effects of daily ambulatory uterine monitoring on Medi-Cal beneficiaries. This bill would also appropriate $1,050,000 from the General Fund.

The demands placed on budget resources require all of us to set priorities The budget enacted in July, 1987 appropriated nearly $41 billion in state funds. This amount is more than adequate to provide the necessary essential services provided for by State Government. It is not necessary to put additional pressure on taxpayer funds for programs that fall beyond the priorities currently provided.

Thus, after reviewing this legislation, I have concluded that its merits do not sufficiently outweigh the need this year for funding top priority programs and continuing a prudent reserve for economic uncertainties.

I would, however, consider funding the provisions of this bill during the budget process for Fiscal Year 1988–89. It is appropriate to review the relative merits of this program in comparison to all other funding projects. The budget process enables us to weigh all demands on the state's revenues and direct our resources to programs, either new or existing, that have the most merit

With this deletion, I approve Senate Bill No. 156.

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares all of the following:

(1) Preterm birth is one of the leading causes of neonatal mortality in California.

(2) Eighty-five percent of babies who die at, or close to, birth, die as a result of prematurity.

(3) Fifty percent of neurological handicaps in infants is due to prematurity.

(4) The United States has a higher preterm birth rate than at least 14 other industrialized nations.

(5) Each year, more than 250,000 babies are born prematurely in the United States, with California experiencing in excess of 10 percent of those births.

(6) One out of every seven women is at risk of a preterm delivery.

(7) Because the causes of preterm birth are not fully understood, the best methods of prevention are early diagnosis and treatment of preterm labor.

(b) The Legislature further finds that uterine monitoring, on an inpatient basis has been a covered benefit for high-risk mothers in the Medi-Cal program. The purpose of these services is to detect early uterine contractions, one of the first possible signs of labor. Inasmuch as it has been the intent of the Legislature to provide the broadest scope of services possible, in the most cost-effective setting

as possible, the Legislature finds that patients at high risk of preterm delivery can receive uterine monitoring services at home as an alternative to the higher cost of frequent or lengthy hospitalization.

(c) It is the intent of the Legislature that when physicians are provided with reliable clinical information on early indicators of preterm labor, the opportunities for effectively treating preterm labor and thereby preventing preterm birth are greatly improved.

SEC. 2. Section 301.6 is added to the Health and Safety Code, to read:

301.6. (a) The Maternal and Child Health Branch of the State Department of Health Services shall conduct a pilot project to assess the effectiveness of daily ambulatory uterine monitoring devices and services in reducing preterm births in Medi-Cal eligible women.

(b) The State Department of Health Services shall implement the pilot program to assess the incidence of preterm births in 1,000 women at high risk of preterm birth, 500 of whom shall be provided daily ambulatory uterine monitoring services between the 23rd and 36th weeks of gestation and 500 of whom shall be provided routine prenatal care augmented by training in palpatation. Women participating in the pilot program shall be Medi-Cal eligible women. To the maximum extent possible these services shall be prescribed by providers participating in other programs administered by the Maternal and Child Health Branch of the State Department of Health Services or the comprehensive perinatal program.

(c) Women shall be deemed to be at high risk if they have multiple gestation or any two of the following risk factors for preterm labor; uterine malformation, a history of preterm labor or births, cervical incompetence, cervical dilation or effacement, and those patients who have been treated during the current pregnancy for preterm labor.

(d) The department shall select five counties to participate in the project, at least one of which shall be a rural county, and shall reimburse providers of ambulatory uterine monitoring services a fee based on reasonable costs.

(e) (1) The department shall also contract for an evaluation of the pilot project to ascertain whether use of the ambulatory uterine monitoring services significantly reduces the incidence of preterm births. The evaluation shall compare the experimental and control groups and identify the following for each group:

(A) The number of preterm births.

(B) The number of hospital days used by the mother prior to delivery.

(C) The number of hospital days used by the mother and child after delivery, including neonatal intensive care.

(D) The number of children born with developmental disabilities or conditions which may lead to developmental disabilities.

(E) The costs of providing prenatal services.

(2) The evaluation shall also project the costs associated with the health care provided to the mother and child during the course of

the pilot project and, if feasible, shall project the longer term health care costs of children born prematurely, including costs of services provided to the developmentally disabled.

(3) The department may enter into the contract on a sole source basis.

(f) (1) The pilot project established pursuant to this section shall be considered successful if it shows that the experimental group, when compared to the control group, had all of the following:

(A) A 20 percent reduction in the number of premature births.

(B) A 20 percent reduction in the number of antepartum hospitalization days.

(C) A 20 percent reduction in the number of neonatal intensive care unit days for premature births.

(D) A 20 percent reduction in total patient costs.

(2) The State Department of Health Services shall submit the evaluation to the Legislature by September 1, 1990.

(g) (1) The State Department of Health Services shall immediately seek any federal waivers necessary to ensure full federal financial participation in the pilot program established pursuant to this section.

(2) The State Department of Health Services shall not implement the pilot program under this section until necessary federal waivers are received.

SEC. 3. The sum of one million fifty thousand dollars ($1,050,000) is hereby appropriated from the General Fund to the State Department of Health Services to implement the provisions of this act. Of this amount, the department shall allocate not more than one hundred fifty thousand dollars ($150,000) for the evaluation required by Section 2 of this act. The remainder shall be allocated by the State Department of Health Services to pay for Medi-Cal costs incurred in operating the pilot project established pursuant to this act.

CHAPTER 1351

An act to add Section 16515 to the Welfare and Institutions Code, relating to public social services, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

I am deleting the $120,000 appropriation contained in Section 2 of Senate Bill No 500.

This bill would require the Department of Social Services to establish a respite care project for fiscal Year 1988–89, in Orange and San Diego Counties, to provide respite care services for handicapped children currently receiving services through the Aid to Families with Dependent Children-Foster Care program.

The demands placed on budget resources require all of us to set priorities. The budget enacted in July, 1987 appropriated nearly $41 billion in state funds. This amount is more than adequate to provided the necessary essential services provide for by State Government. It is not necessary to put additional pressure on taxpayer

funds for programs that fall beyond the priorities currently provided.

Thus, after reviewing this legislation, I have concluded that its merits do not sufficiently outweigh the need this year for funding top priority programs and continuing a prudent reserve for economic uncertainties

I would, however, consider funding the provisions of this bill during the budget process for Fiscal Year 1988–89 It is appropriate to review the relative merits of this program in comparison to all other funding projects The budget process enables us to weigh all demands on the state's revenues and direct our resources to programs, either new or existing, that have the most merit

With this deletion, I approve Senate Bill No 500.

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. Section 16515 is added to the Welfare and Institutions Code, to read:

16515. The State Department of Social Services shall select two county children's service agencies to operate a model project to provide respite care services for children with special needs in the area of physical and health handicaps in foster care. The respite care pilot project shall be operational for fiscal year 1988–89.

(a) The director shall designate the County of Orange and the County of San Diego as the pilot counties to provide respite care for handicapped children in family homes, small family homes, as defined in paragraph (6) of subdivision (a) of Section 1502 of the Health and Safety Code.

(b) The services to be provided shall include respite care defined as child care occurring up to 24 hours in one day. This respite care shall not be provided for any longer than 48 hours for any child in any one month.

(c) The State Department of Social Services in conjunction with the Orange County Social Services Agency and the San Diego County Department of Social Services, shall report to the Legislature on the effectiveness of this respite care pilot project by December 1, 1989. The evaluation report shall include, but not be limited to, the following data, by county:

(1) The number of handicapped children in family homes and small family homes before, during, and at the conclusion of the respite care pilot project.

(2) The number of foster children for whom respite care was provided by the pilot project.

(3) The number of hours of respite care provided by the pilot project.

(4) The cost of providing respite care, on an hourly and aggregated basis.

(d) This project shall be deemed to be successful if the Counties of Orange and San Diego each experience a 25 percent increase in the total number of family homes and small family homes.

SEC. 2. The sum of one hundred twenty thousand dollars ($120,000) is hereby appropriated from the General Fund to the State Department of Social Services for the 1988–89 fiscal year for the purposes of this act.

CHAPTER 1352

An act to add and repeal Section 6368.2 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 6368.2 is added to the Revenue and Taxation Code, to read:

6368.2. (a) There are exempted from the taxes imposed by this part the gross receipts from the sale of, and the storage, use, or other consumption in this state of, diesel fuel used in operating watercraft in commercial deep sea fishing operations or commercial passenger fishing boat operations by persons who are regularly engaged in the business of commercial deep sea fishing or commercial passenger fishing boat operations outside the territorial waters of this state.

(b) For purposes of this section, it shall be rebuttably presumed that a person is not regularly engaged in the business of commercial deep sea fishing or the operation of a commercial passenger fishing boat if the person has gross receipts from these operations of less than five thousand dollars ($5,000) a year.

(c) "Commercial passenger fishing boat operations" means the business of permitting, for profit, any person to fish from the operator's boat or vessel.

(d) This section shall be operative for the 12-month period beginning on the first day of the first calendar quarter commencing more than 90 days after the effective date of this section. As of the first day of the month immediately following this 12-month period, this section is repealed unless a later enacted statute, which is enacted before that date, deletes or extends the date.

SEC. 2. Notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made by this act and the state shall not reimburse any local agency for any sales and use tax revenues lost by it under this act.

SEC. 3. This act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect.

CHAPTER 1353

An act to amend Sections 11450, 11452, and 16501 of, to add Section 15200.15 to, and to repeal Section 11454 of, of the Welfare and Institutions Code, relating to public social services, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 11450 of the Welfare and Institutions Code is amended to read:

11450. (a) For each needy family which shall include all eligible brothers and sisters of each eligible applicant or recipient child and the parents of the children, but shall not include unborn children, or recipients of aid under Chapter 3 (commencing with Section 12000), qualified for aid under this chapter, there shall be paid, notwithstanding minimum basic standards of adequate care established by the department under Section 11452, an amount of aid each month which when added to the family's income, exclusive of any amounts considered exempt as income or (f) paid pursuant to subdivision (e) or Section 11453.1, is equal to the sums specified in the following table, as adjusted for cost-of-living increases pursuant to Section 11453:

Number of eligible needy persons in the same home	Maximum aid
1	$ 258
2	424
3	526
4	625
5	713
6	802
7	880
8	959
9	1,036
10 or more	1,114

If, when and during such times as the United States government increases or decreases its contributions in assistance of needy children in this state above or below the amount paid on July 1, 1972, the amounts specified in the above table shall be increased or decreased by an amount equal to such increase or decrease by the United States government, provided that no such increase or decrease shall be subject to subsequent adjustment pursuant to Section 11453.

(b) When the family does not include a needy child qualified for aid under this chapter, aid shall be paid to a pregnant mother in the amount which would otherwise be paid to one person as specified in subdivision (a) from the date of verification of pregnancy if the mother, and child if born, would have qualified for aid under this chapter.

(c) The amount of seventy dollars ($70) per month shall be paid to pregnant mothers qualified for aid under subdivision (a) or (b) to meet special needs resulting from pregnancy if the mother, and child, if born, would have qualified for aid under this chapter. County welfare departments shall refer all recipients of aid under this subdivision to a local provider of the Women, Infants and Children program. If such payment to pregnant mothers qualified for aid under subdivision (a) is considered income under federal law in the first five months of pregnancy, payments under this subdivision shall not apply to persons eligible under subdivision (a), except for the month in which birth is anticipated and for the three-month period immediately prior to the month in which delivery is anticipated, if the mother, and the child if born, would have qualified for aid under this chapter.

(d) For children receiving AFDC-FC under the provisions of this chapter, there shall be paid, exclusive of any amount considered exempt as income, an amount of aid each month which when added to the child's income is equal to the rate specified in Section 11461, 11462, 11462.1, or 11463. In addition, the child shall be eligible for special needs, as specified in departmental regulations.

(e) In addition to the amounts payable under subdivision (a) and Section 11453.1, a family shall be entitled to receive an allowance for recurring special needs not common to a majority of recipients. These recurring special needs shall include, but not be limited to, special diets upon the recommendation of a physician for circumstances other than pregnancy, and unusual costs of transportation, laundry, housekeeping service, telephone, and utilities. The recurring special needs allowance for each family per month shall not exceed that amount resulting from multiplying the sum of ten dollars ($10) by the number of recipients in the family who are eligible for assistance.

(f) After a family has used all available liquid resources, both exempt and nonexempt, in excess of one hundred dollars ($100), the family shall also be entitled to receive an allowance for nonrecurring special needs.

(1) An allowance for nonrecurring special needs shall be granted for replacement of clothing and household equipment and for emergency housing needs other than those needs addressed by paragraph (2). These needs shall be caused by sudden and unusual circumstances beyond the control of the needy family. The department shall establish the allowance for each of the nonrecurring special need items. The sum of all nonrecurring special needs provided by this subdivision shall not exceed six hundred

dollars ($600) per event.

(2) Homeless assistance is available to a homeless family seeking shelter when the family is eligible for aid under this chapter. Homeless assistance for temporary shelter is also available to homeless families which are apparently eligible for aid under this chapter. Apparent eligibility exists when evidence presented by the applicant or which is otherwise available to the county welfare department and the information provided on the application documents indicate that there would be eligibility for aid under this chapter if the evidence and information were verified. However, an alien applicant who does not provide verification of his or her eligible alien status, or a woman with no eligible children who does not provide medical verification of pregnancy is not apparently eligible for purposes of this section.

A family is considered homeless, for the purpose of this section, when the family lacks a fixed and regular nighttime residence; or the family has a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations; or the family is residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(A) A nonrecurring special need of thirty dollars ($30) a day shall be available for up to three weeks to families for the costs of temporary shelter. County welfare departments may increase the daily amount available for temporary shelter to large families as necessary to secure the additional bed space needed by the family. This special need shall be granted or denied immediately upon the family's application for homeless assistance. The three-week limit shall be extended one week based upon good cause or other circumstances defined by the department. Good cause shall include, but is not limited to, situations in which the county welfare department has determined that the family, to the extent it is capable, has made a good faith but unsuccessful effort to secure permanent housing within the three week limit.

(B) A nonrecurring special need for permanent housing assistance is available to pay for last month's rent and security deposits when these payments are reasonable conditions of securing a residence.

The last month's rent portion of the payment (1) shall not exceed 80 percent of the family's maximum aid payment without special needs for a family of that size and (2) shall only be made to families that have found permanent housing costing no more than 80 percent of the family's maximum aid payment without special needs for a family of that size, in accordance with the maximum aid schedule specified in subdivision (a).

However, if the county welfare department determines that a family intends to reside with individuals who will be sharing housing costs, the county welfare department shall, in appropriate circumstances, set aside the condition specified in clause (2) of the

preceding paragraph.

(C) The nonrecurring special need for permanent housing assistance is also available to cover the standard costs of deposits for utilities which are necessary for the health and safety of the family.

(D) A payment for or denial of permanent housing assistance shall be issued no later than one working day from the time that a family presents evidence of the availability of permanent housing. If an applicant family provides evidence of the availability of permanent housing before the county welfare department has established eligibility for aid under this chapter the county welfare department shall complete the eligibility determination so that the denial of or payment for permanent housing assistance is issued within one working day from the submission of evidence of the availability of permanent housing, unless the family has failed to provide all of the verification necessary to establish eligibility for aid under this chapter.

(E) Eligibility for the temporary shelter assistance and the permanent housing assistance pursuant to paragraph (2) is limited to once every 12 months.

(F) The county welfare departments, and all other entities participating in the costs of the AFDC program, have the right in their share to any refunds resulting from payment of the permanent housing. However, if an emergency requires the family to move within the 12-month period specified in subparagraph (E), the family shall be allowed to use any refunds received from its deposits to meet the costs of moving to another residence.

(G) Payments to providers for temporary shelter and permanent housing and utilities shall be made on behalf of families requesting these payments.

(H) The daily amount for the temporary shelter special need for homeless assistance may be increased if authorized by the current year's Budget Act by specifying a different daily allowance and appropriating the funds therefor.

(g) The department shall establish rules and regulations assuring the uniform application statewide of the provisions of this subdivision.

(h) The department shall notify all applicants and recipients of aid through the standardized application form that these benefits are available and shall provide an opportunity for recipients to apply for the funds quickly and efficiently.

(i) Except for the purposes of Section 15200, the amounts payable to recipients pursuant to Section 11453.1 shall not constitute part of the payment schedule set forth in subdivision (a) of this section.

The amounts payable to recipients pursuant to Section 11453.1 shall not constitute income to recipients of aid under this section.

SEC. 2. Section 11452 of the Welfare and Institutions Code is amended to read:

11452. (a) Minimum basic standards of adequate care shall be distributed to the counties and shall be binding upon them. The

standards are determined on the basis of the schedule set forth in this section, as adjusted for cost-of-living increases or decreases pursuant to Section 11453, which schedule is designed to insure:

(1) Safe, healthful housing.

(2) Minimum clothing for health and decency.

(3) Low-cost adequate food budget meeting recommended dietary allowances of the National Research Council.

(4) Utilities.

(5) Other items including household operation, education and incidentals, recreation, personal needs, and insurance.

(6) Allowance for essential medical, dental, or other remedial care to the extent not otherwise provided at public expense.

The schedule of minimum basic standards of adequate care is as follows:

Number of needy persons in the same family	Minimum basic standards of adequate care
1	$ 258
2	424
3	526
4	625
5	713
6	802
7	880
8	959
9	1,040
10	1,130

plus nine dollars ($9) for each additional needy person.

(b) The minimum basic standard of adequate care shall also include the amount or amounts resulting from an allowance for recurring special needs, as specified in subdivision (e) Section 11450, and the amount or amounts resulting from the granting of a nonrecurring special need, equal to the amounts specified in paragraphs (1) and (2) of subdivision (f) of Section 11450.

(c) The department shall establish rules and regulations assuring the uniform application statewide of the provisions of this section.

SEC. 3. Section 11454 of the Welfare and Institutions Code is repealed.

SEC. 3.5. Section 15200.15 is added to the Welfare and Institutions Code, to read:

15200.15. For purposes of Section 15200, any reference to paragraphs (1) and (2) of subdivision (e) of Section 11450 shall mean subdivisions (e) and (f) of Section 11450.

SEC. 4. Section 16501 of the Welfare and Institutions Code is amended to read:

16501. As used in this chapter, "child welfare services" means public social services which are directed toward the accomplishment

of the following purposes: (a) protecting and promoting the welfare of all children, including handicapped, homeless, dependent, or neglected children; (b) preventing or remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation, or delinquency of children; (c) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing breakup of the family where the prevention of child removal is desirable and possible; (d) restoring to their families children who have been removed, by the provision of services to the child and the families; (e) identifying children to be placed in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate; and (f) assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. Child welfare services may include, but are not limited to: case management, counseling, emergency shelter care, emergency in-home caretakers, temporary in-home caretakers, out-of-home respite care, teaching and demonstrating homemakers, parenting training, and transportation.

As used in this chapter "emergency shelter care" means emergency shelter provided to children who have been removed pursuant to Section 300 from their parent or parents or their guardian or guardians.

The county shall provide child welfare services as needed pursuant to an approved service plan and in accordance with regulations promulgated by the department. Counties may contract for child welfare services, as defined in Sections 16504.1, 16506.1, 16507.1, and 16508.1. Each county shall use available private child welfare resources prior to developing new county-operated resources when the private child welfare resources are of at least equal quality and lesser or equal cost as compared with county-operated resources. Counties shall not contract for needs assessment, client eligibility determination, or any other activity as specified by regulations of the State Department of Social Services.

Nothing in this chapter shall be construed to affect duties which are delegated to probation officers pursuant to Sections 601 and 654 of the Welfare and Institutions Code.

Any county may utilize volunteer individuals to supplement professional child welfare services in the areas of transportation, respite care, and emergency foster care, provided all volunteers agree to be subject to the State Department of Social Services regulations.

SEC. 5. The Legislature finds and declares all of the following:

(a) The Legislature hereby recognizes and acknowledges that child welfare services authorized pursuant to Section 16500 et seq., of the Welfare and Institutions Code are intended to make it possible for children who are victims of child abuse, neglect, or exploitation to remain with their families whenever possible. Further, child

welfare services emergency shelter care is to be available only for the purpose of providing shelter for children following removal from their families when these measures are necessary to protect the child from abuse, neglect, or exploitation within the family environment.

(b) Subdivision (b) of Section 300 of the Welfare and Institutions Code underscores the inappropriateness of public intervention in the relationship between parents and their children solely on the basis of unavailability of emergency shelter for the family. The problems of homeless families are best resolved by expanding aid available pursuant to Section 11000 et seq., of the Welfare and Institutions Code so that these families will have access to resources necessary to acquire shelter.

(c) It is the intent of the Legislature to resolve the dispute in the case of Hansen v. McMahon (Superior Court of Los Angeles, No. CA 000974), and Hansen v. Department of Social Services (193 Cal App. 3d 283) and to clarify that the provision of emergency shelter care under Chapter 5 (commencing with Section 16500) of Part 4 of Division 9 of the Welfare and Institutions Code is for children only and not for their parents, guardians, caretakers, or others.

SEC. 6. No reimbursement shall be made from the State Mandates Claims Fund pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code for costs mandated by the state pursuant to this act. It is recognized, however, that a local agency or school district may pursue any remedies to obtain reimbursement available to it under Part 7 (commencing with Section 17500) and any other provisions of law.

SEC. 7. Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the State Department of Social Services shall adopt emergency regulations to implement the system provided for in subdivision (f) of Section 11450 of the Welfare and Institutions Code. The emergency regulations shall remain in effect for no more than 120 days, unless the department complies with all the provisions of Chapter 3.5 (commencing with Section 11340) as required by subdivision (e) of Section 11346.1 of the Government Code.

SEC. 8. The nonrecurring special need for homeless assistance, provided in Section 1 of this act, shall be available to applicant and recipient families, only to the extent that there is federal financial participation available for this assistance.

If federal financial participation is available for applicant and recipient families under Section 1 of this act, then families who fail to meet federal eligibility rules solely due to the requirements of 42 U.S.C. 607 (b) (1) (B) or (c) (i), and as those sections may hereafter be amended, shall also be eligible for aid under Section 1 if the family is eligible for aid pursuant to subdivision (b) of Section 11201, Section 18315, and subdivision (b) of Section 11450 of the Welfare and Institutions Code.

Implementation of Section 1 of this act is contingent upon the availability of federal financial participation for homeless assistance

payments to federally eligible AFDC applicants and recipients. If the State Director of Social Services determines that the federal government has failed to approve the payments, Sections 3.5, 4, and 5 of this act shall become inoperative.

SEC. 9. Section 1 to 7, inclusive, of this act shall become operative on February 1, 1988.

CHAPTER 1354

An act to add Sections 51229 and 51229.5 to the Education Code, relating to education, and making an appropriation therefor.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 51229 is added to the Education Code, to read:

51229. (a) The Legislature hereby finds and declares all of the following:

(1) That abstinence is the only completely effective method of preventing pregnancy, acquired immune deficiency syndrome (AIDS), and other sexually transmitted diseases.

(2) That existing law does not provide for either specific instruction or instructional materials in the curriculum to address the issue of abstinence from sexual intercourse, exclusive from other sexual behavior.

(b) The Superintendent of Public Instruction shall contract with an organization to develop a video tape and supplementary materials that would teach abstinence from sexual activity.

(c) Schools electing to use this video tape may use it within the context of comprehensive health education programs.

(d) The video tape and supplementary materials shall be compatible with the Family Life Education Guidelines adopted in 1987 by the State Board of Education and shall, at a minimum, do all of the following:

(1) Present the main theme of "It's Okay To Say No To Sex," that would be directed to pupils in grades 7 to 12, inclusive.

(2) Be pupil-centered, not teacher-centered, using pupils as presenters in the video to reflect the pressure pupils feel from their peers, both male and female and from the media. The content of the video shall be acceptable for presentation on television and of high enough quality to be used as shorts on television as public service announcements.

(3) Focus on the process of decisionmaking that pupils use when confronted with decisions about engaging in sex. The video shall portray refusal skills and reflect the decisionmaking processes taught

in the school curriculum.

(4) Portray vignettes dispelling myths on why students engage in sex.

(5) Portray strategies for saying no for males and females.

(6) Discuss the topic of abstinence and encourage teens to take responsibility and make ethical and reasoned decisions in the prevention of teen pregnancy, with the idea of the video tapes being used over a long period of time.

(e) The video tape and the supplementary materials shall be reviewed by the State Board of Education. The production, review, and duplication of the abstinence video shall be completed by July 15, 1989.

SEC. 2. Section 51229.5 is added to the Education Code, to read:

51229.5. Video tapes that have already been developed and conform with the criteria established in Section 51229 may be purchased by the State Department of Education for the purposes of distribution to schools electing to use them within the context of comprehensive health education programs. The Comprehensive Health Education Resource Center within the State Department of Education may purchase and act as the distributing agent for these video tapes, using their usual selection and distribution processes. These video tapes shall represent a broad spectrum of approaches, ensuring diversity in terms of age and maturity levels, ethnic diversity, and urban, suburban, and rural environments.

SEC. 3. The sum of one hundred fifty thousand dollars ($150,000) is hereby appropriated from the General Fund to the Superintendent of Public Instruction for the purposes of contracting for the development of a video tape and supplementary materials, pursuant to Section 51229 of the Education Code, and purchasing tapes pursuant to Section 51229.5 of the Education Code.

CHAPTER 1355

An act to add Part 6.2 (commencing with Section 52535) to Division 31 of the Health and Safety Code, relating to housing, and making an appropriation therefor.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Part 6.2 (commencing with Section 52535) is added to Division 31 of the Health and Safety Code, to read:

PART 6.2. CALIFORNIA HOUSING PARTNERSHIP

CHAPTER 1. GENERAL PROVISONS

52535. The Legislature finds and declares as follows:

(a) A significant amount of housing built to serve lower income households and very low income households and families is starting to disappear from the housing market. This phenomenon is due to government policies that allow prepayment of mortgages or nonrenewal of subsidy contracts after short periods of time and to changes in market forces which increase property values and create pressure to convert to middle or upper income housing or office or commercial use. In many neighborhoods, these conversions displace low-income and very low income tenants who have very limited options for relocating in comparable housing.

(b) Replacing this resource will be so expensive as to make it a practical impossibility. Scarce public resources make it extremely difficult to finance acquisition of the existing low- and very low income housing that could prevent some of this loss.

(c) There is an inadequate supply of private capital and investors committed to preserving existing low- and very low income housing for the useful life of the buildings, particularly for inner-city, troubled, small, and scattered-site housing developments. Many of the changes in the 1986 Federal Tax Reform Act have increased the difficulties of raising equity capital for lower income housing. These economic pressures will add to the depletion of the low-income and very low income housing stock.

(d) It is the policy of this state to encourage the widest possible joint participation by local and state government and nonprofit and private enterprise in the preservation and expansion of housing for low-income households and very low income households.

(e) It is in the public interest that one or more organizations should be created to encourage maximum participation by private investors and the public sector in programs and projects to preserve and expand the existing supply of low-income housing and very low income housing serving California residents.

(f) It is, additionally, in the public interest to permit a nonprofit corporation to be formed for the purpose of raising private equity capital for syndication of projects sponsored by nonprofit housing development corporations. The equity capital raised will go toward the acquisition, rehabilitation, acquisition and rehabilitation, or construction of housing and related facilities, primarily for the benefit of low-income households and very low income households.

CHAPTER 2. DEFINITIONS

52540. The following definitions shall govern the construction and interpretation of this part:

(a) "Corporation" means a corporation formed pursuant to

Section 52550.

(b) "Low-income housing" means housing available at affordable rent to lower income households, as defined in Section 50079.5.

(c) "Nonprofit corporation" means a nonprofit corporation organized pursuant to the Nonprofit Corporation Law (Division 2 (commencing with Section 5000) of Title 1 of the Corporations Code), or a limited equity housing cooperative, as defined by Section 11003.4 of the Business and Professions Code.

(d) "Very low income housing" means housing available at affordable rents to very low income households as defined by Section 50105.

CHAPTER 3. CORPORATION

52550. (a) A nonprofit corporation may be formed to carry out the purposes of this part. The corporation is not a state entity and the officers and employees of the corporation are not officers or employees of the state and shall not be subject to state civil service.

(b) Nothing in this chapter shall be construed to preclude any person from creating other corporations and organizing other partnerships, joint ventures, or associations for the purposes set forth in this part.

52551. (a) The Governor shall appoint, subject to advice and consent of the Senate, five of the incorporators of the corporation from the categories of persons described in paragraphs (1) to (5), inclusive, of subdivision (b). The Senate Rules Committee shall appoint one of the incorporators of the corporation from the category of persons described in paragraph (6) of subdivision (b). and the Speaker of the Assembly shall appoint one of the incorporators of the corporation from the category of persons described in paragraph (7) of subdivision (b). The incorporators shall serve as the initial board of directors of the corporation. The term of office of three of the incorporators shall be for three years, the term of office of two of the incorporators shall be for two years, and the term of office of the remaining two incorporators shall be for one year, as determined by lot. The Governor shall appoint one of the seven incorporators to serve as the chairperson of the board of directors. All subsequent appointments to the board of directors shall be for three-year terms and shall be made by the appointing power described in this subdivision from the categories of persons described in subdivision (b).

(b) The board of directors shall consist of seven members committed to working with nonprofit developers to preserve and expand the state's supply of low-income and very low income housing and experienced in providing low-income and very low income housing through encouraging greater participation by private investors, nonprofit housing corporations, and local and state governments. The board of directors shall be appointed as specified in subdivision (a) from each of the following categories:

(1) An elected or appointed official of a city or county with experience in assisting nonprofit housing developers to provide housing for low-income and very low income households.

(2) A person from the savings and loan, mortgage banking, or commercial banking industry.

(3) A person knowledgeable about the tax, securities, and partnership law as they relate to low-income or very low income housing.

(4) A person experienced in developing and implementing plans for the repair and rehabilitation of existing low-income or very low income housing.

(5) A housing consultant experienced in developing and implementing programs utilizing equity capital.

(6) A person experienced in the management of rental or cooperative housing occupied by low-income or very low income households.

(7) A person from a nonprofit housing corporation experienced in working with the private sector and public sector to help preserve existing low-income or very low income housing.

(c) The representation of varied interest groups on the board of directors shall be deemed essential to obtain information for the development of policy and decisions of the board of directors. It shall not be a conflict of interest for individuals from each of the respective categories designated in subdivision (b) to serve as a member of the board of directors. If any board member has a financial interest, as described in Section 87103 of the Government Code, the interest shall be disclosed as a matter of official public record and shall be described with particularity, as determined by the other members of the board of directors. No board member shall make, participate in making, or in anyway attempt to use his or her position to influence a decision of the board of directors in which he or she knows or has reason to know that he or she has a financial interest.

Any violation of this section by a board member shall constitute grounds for disqualification as a board member.

52552. The initial board of directors shall take whatever actions are necessary or appropriate to establish the corporation, including, but not limited to, the filing of articles of incorporation.

CHAPTER 4. PURPOSES AND POWERS OF THE CORPORATION

52560. (a) In order to achieve the objectives and carry out the purposes of this part, the corporation may do all of the following:

(1) Raise equity funds, from corporations or individuals, for housing and related facilities sponsored by nonprofit housing development corporations organized pursuant to state or federal law, primarily for the benefit of very low income or low-income households.

(2) Where no local nonprofit housing development corporation

exists, plan, initiate, and carry out the acquisition, rehabilitation, acquisition and rehabilitation, or construction of housing and related facilities pursuant to state or federal law, primarily for the benefit of very low income households or low-income households, only to the extent necessary to carry out the purposes of this chapter in raising equity capital.

(3) Establish accounts necessary to accomplish the developments or projects described in paragraph (1).

(b) In order to carry out the purposes of subdivision (a), the corporation may also do any of the following:

(1) Enter into limited partnerships with private individuals or private or governmental corporations, agencies, organizations, and institutions.

(2) Act as manager or general partner of any such partnership, venture, or association.

(3) Provide technical assistance to nonprofit corporations with respect to the planning, financing, acquisition, rehabilitation, maintenance, or management of low-income or very low income housing proposed to be supported by the corporation.

(4) Make loans or grants, including grants of interest in housing and related facilities to nonprofit corporations, limited dividend corporations, or other entities for low-income or very low income housing to be supported by the corporation.

(5) Hire staff or hire or accept the voluntary services of consultants, experts, or advisory boards to aid the corporation in carrying out the purposes of this chapter.

(6) Engage in any other activities as may be necessary to carry out the purposes of this section.

(c) In carrying out the purposes and objectives of subdivision (a), the corporation shall do both of the following:

(1) Give priority to those housing developments which are having trouble attracting private capital at reasonable terms and conditions, including inner-city, rural, and small housing developments serving lower income households and very low income households.

(2) Seek to ensure that a maximum number of units shall be made available for occupancy by very low income households.

52561. (a) The corporation may arrange for the formation, as separate organizations, of partnerships organized under the laws of this state for the purpose of engaging in any activities that may be performed by the corporation and entering into partnership agreements governing the affairs of the partnerships.

(b) The partnership is authorized to enter into limited partnerships for the purpose of engaging in the preservation of existing low-income or very low income housing developments or projects in localities throughout the state.

(c) The corporation shall be a general partner or limited partner in any partnership in which it participates. The capital of the partnership and the contribution of the partners shall be in such amounts and at the times which are set forth in, or pursuant to, the

partnership agreement.

(d) The partnership shall, to the extent feasible, seek maximum participation in the decisionmaking process by the local nonprofit housing corporation.

(e) The partnership agreement shall contain provisions designed to assure all of the following:

(1) The partnership participates in low-income and very low income housing developments or projects in a manner designed to encourage the maximum participation in those housing developments by units of local or state government.

(2) The housing acquired by the partnership shall be preserved for occupancy by lower income households or very low income households for the physical life of the housing if it is economically feasible, as determined by the board of directors of the corporation. In the event that it is not economically feasible to maintain all of the units for lower income households and very low income households, one or more of the rental housing units may be made available for tenancy by households that are not lower income households or very low income households.

(3) The partnership shall, to the extent feasible, seek those investments for which there is either an inadequate supply of private capital or where private investors are not committed to preserving the housing for low-income households or very low income households for the physical life of the housing.

(4) Any displacement of any person resulting from the activities of the partnership shall be temporary in nature and necessary for the rehabilitation work. Relocation benefits shall be paid to those persons as part of the project costs.

(f) The allocation, apportionment, and taxation of income, profits, losses, and deductions among partners shall be governed by the laws otherwise applicable to those allocations and apportionments.

CHAPTER 5. REPORTS AND AUDITS

52570. (a) The corporation shall submit an annual report to the Governor for transmittal to the Legislature, commencing December 31, 1989, and annually thereafter. The report shall include a comprehensive and detailed report of the operations, activities, and financial condition of the corporation and the partnership.

(b) The accounts of the corporation and partnership shall be audited annually in accordance with generally accepted auditing standards by independent certified public accountants.

(c) The Department of Housing and Community Development shall review the reports and audits to determine compliance with the terms of any advances made to the corporation pursuant to Section 2 of the act enacting this part.

SEC. 2. The sum of five hundred thousand dollars ($500,000) is hereby appropriated from the Homeownership Assistance Fund to the Department of Housing and Community Development for

disbursement to the nonprofit corporation established pursuant to Part 6.2 (commencing with Section 52535) of Division 31 of the Health and Safety Code, pursuant to a contract between the department and the nonprofit corporation limiting use of these moneys to the startup and initial operating costs of the corporation. These moneys shall be deemed an advance and shall be fully repaid on or before five years from the date of the advance. Not less than one hundred thousand dollars ($100,000) of this advance shall be repaid on or before three years from the date of the advance, with an additional one hundred thousand dollars ($100,000) due on or before four years from the date of the advance.

CHAPTER 1356

An act to add Section 1241 to the Government Code, relating to public officers and employees.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 1241 is added to the Government Code, to read:

1241. Whenever a section of the California Constitution uses both the terms "salary" and "compensation", with respect to a public officer or employee, the terms shall be construed to apply only to salary.

CHAPTER 1357

An act to amend Sections 13960 and 13965 of the Government Code, and to add Section 13838 to the Penal Code, relating to victims of crime.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 13960 of the Government Code, as amended by Section 1.5 of Chapter 1527 of the Statutes of 1985, is amended to read:

13960. As used in this article:

(a) "Victim" means any of the following residents of the State of California, or military personnel and their families stationed in California:

(1) A person who sustains injury or death as a direct result of a crime.

(2) Anyone legally dependent for support upon a person who sustains injury or death as a direct result of a crime.

(3) Any member of the family of a victim specified by paragraph (1) or any person in close relationship to such a victim, if that member or person was present during the actual commission of the crime, or any member or person herein described whose treatment or presence during treatment of the victim is medically required for the successful treatment of the victim.

(4) Any member of the family of a person who sustains injury or death as a direct result of a crime when that family member has incurred emotional injury as a result of the crime. Pecuniary loss to these victims shall be limited to only medical expenses or mental health counseling expenses or both, of which the maximum award shall not exceed ten thousand dollars ($10,000).

(5) In the event of a death caused by a crime, any individual who legally assumes the obligation, or who voluntarily pays the medical or burial expenses incurred as a direct result thereof.

(b) "Injury" means physical or emotional injury, or both. However, this article does not apply to emotional injury unless such an injury is incurred by a person who also sustains physical injury or threat of physical injury or by a member or person as defined in paragraph (3) or (4) of subdivision (a). For purposes of this article, a victim of a crime committed in violation of Section 261, 270, 270a, 270c, 271, 272, 273a, 273b, 273d, 285, 286, 288, 288.1, 288a, or 289 of the Penal Code, who sustains emotional injury is presumed to have sustained physical injury.

(c) "Crime" means a crime or public offense as defined in Section 15 of the Penal Code which results in injury to a resident of this state, including such a crime or public offense, wherever it may take place, when the resident is temporarily absent from the state. No act involving the operation of a motor vehicle, aircraft, or water vehicle which results in injury or death constitutes a crime for the purposes of this article, except that a crime shall include any of the following:

(1) Injury or death intentionally inflicted through the use of a motor vehicle, aircraft, or water vehicle.

(2) Injury or death caused by a driver in violation of Section 20001, 23152, or 23153 of the Vehicle Code.

(3) Injury or death caused by a driver of a motor vehicle in the immediate act of fleeing the scene of a crime in which he or she knowingly and willingly participated.

(d) "Pecuniary loss" means any expenses for which the victim has not and will not be reimbursed from any other source. Losses include all of the following:

(1) The amount of medical or medical-related expense, including psychological or psychiatric expenses, and including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of

which became necessary as a direct result of the crime.

(2) The amount of mental health counseling related expenses which became necessary as a direct result of the crime. These counseling services may be provided by a person licensed as a clinical social worker or a person licensed as a marriage, family, or child counselor practicing within the scope of licensure, or within the scope of his or her respective practice acts.

(3) The loss of income or support that the victim has incurred or will incur as a direct result of an injury or death in an amount of more than one hundred dollars ($100) or equal to 20 percent or more of the victims' net monthly income, whichever is less, except that in the case of persons on fixed incomes from retirement or disability who apply for assistance under this article, there shall be no minimum loss requirement.

(4) Pecuniary loss also includes nonmedical remedial care and treatment rendered in accordance with a religious method of healing recognized by state law.

(e) "Board" means the State Board of Control.

(f) "Victim centers" means those centers as specified in Section 13835.2 of the Penal Code.

(g) "Peer counselor" means a provider of mental health counseling services who has completed a specialized course in rape crisis counseling skills development, participates in continuing education in rape crisis counseling skills development, and provides rape crisis counseling in consultation with a mental health practitioner licensed within the State of California.

This section shall remain in effect only until January 1, 1990, and as of that date is repealed, unless a later enacted statute, which is chaptered before January 1, 1990, deletes or extends that date.

SEC. 2. Section 13960 of the Government Code, as added by Section 1.6 of Chapter 1527 of the Statutes of 1985, is amended to read:

13960. As used in this article:

(a) "Victim" means any of the following residents of the State of California, or military personnel and their families stationed in California:

(1) A person who sustains injury or death as a direct result of a crime.

(2) Anyone legally dependent for support upon a person who sustains injury or death as a direct result of a crime.

(3) Any member of the family of a victim specified by paragraph (1) or any person in close relationship to such a victim, if that member or person was present during the actual commission of the crime, or any member or person herein described whose treatment or presence during treatment of the victim is medically required for the successful treatment of the victim.

(4) In the event of a death caused by a crime, any individual who legally assumes the obligation, or who voluntarily pays the medical or burial expenses incurred as a direct result thereof.

(b) "Injury" includes physical or emotional injury, or both. However, this article does not apply to emotional injury unless such an injury is incurred by a person who also sustains physical injury or threat of physical injury or by a member or person as defined in paragraph (3) of subdivision (a). For purposes of this article, a victim of a crime committed in violation of Section 261, 270, 270a, 270c, 271, 272, 273a, 273b, 273d, 285, 286, 288, 288.1, 288a, or 289 of the Penal Code, who sustains emotional injury is presumed to have sustained physical injury.

(c) "Crime" means a crime or public offense as defined in Section 15 of the Penal Code which results in injury to a resident of this state, including such a crime or public offense, wherever it may take place, when the resident is temporarily absent from the state. No act involving the operation of a motor vehicle, aircraft, or water vehicle which results in injury or death constitutes a crime for the purposes of this article, except that a crime shall include any of the following:

(1) Injury or death intentionally inflicted through the use of a motor vehicle, aircraft, or water vehicle.

(2) Injury or death caused by a driver in violation of Section 20001, 23152, or 23153 of the Vehicle Code.

(3) Injury or death caused by a driver of a motor vehicle in the immediate act of fleeing the scene of a crime in which he or she knowingly and willingly participated.

(d) "Pecuniary loss" means any expenses for which the victim has not and will not be reimbursed from any other source. Losses include all of the following:

(1) The amount of medical or medical-related expense, including psychological or psychiatric expenses, and including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of which became necessary as a direct result of the crime.

(2) The amount of mental health counseling related expenses which became necessary as a direct result of the crime. These counseling services may be provided by a person licensed as a clinical social worker or a person licensed as a marriage, family, and child counselor practicing within the scope of licensure, or within the scope of his or her respective practice acts.

(3) The loss of income or support that the victim has incurred or will incur as a direct result of an injury or death in an amount of more than one hundred dollars ($100) or equal to 20 percent or more of the victims' net monthly income, whichever is less, except that in the case of persons on fixed incomes from retirement or disability who apply for assistance under this article, there shall be no minimum loss requirement.

(4) Pecuniary loss also includes nonmedical remedial care and treatment rendered in accordance with a religious method of healing recognized by state law.

(e) "Board" means the State Board of Control.

(f) "Victim centers" means those centers as specified in Section

13835.2 of the Penal Code.

(g) "Peer counselor" means a provider of mental health counseling services who has completed a specialized course in rape crisis counseling skills development, participates in continuing education in rape crisis counseling skills development, and provides rape crisis counseling in consultation with a mental health practitioner licensed within the State of California.

This section shall become operative on January 1, 1990.

SEC. 3. Section 13965 of the Government Code is amended to read:

13965. (a) If the application for assistance is approved, the board shall determine what type of state assistance will best aid the victim. The board may take any or all of the following actions:

(1) Authorize a direct cash payment to a provider of psychological or psychiatric treatment or mental health counseling services, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code or to the victim, equal to the pecuniary loss attributable to medical or medical-related expenses, including counseling, directly resulting from the injury, provided that the board may not authorize without good cause a direct cash payment to a licensed health care provider or rape crisis center over the objection of the victim.

Payments authorized pursuant to this paragraph for peer counseling services provided by a rape counseling center shall not exceed fifteen dollars ($15) for each hour of services provided. Those services shall be limited to individual, in-person counseling on a face-to-face basis for a period not to exceed 10 weeks plus one series of facilitated support group counseling sessions.

(2) Authorize a cash payment to the victim equal to the pecuniary loss resulting from loss of wages or support directly resulting from the injury.

(3) Authorize cash payments to or on behalf of the victim for job retraining or similar employment-oriented rehabilitative services.

(4) Obtain an independent examination and report from any provider of psychological or psychiatric treatment or mental health counseling services, if it believes there is a reasonable basis for requesting an additional evaluation.

(5) The total award to or on behalf of the victim shall not exceed twenty-three thousand dollars ($23,000).

(b) Assistance granted pursuant to this article shall not disqualify an otherwise eligible victim from participation in any other public assistance program.

(c) Cash payments made pursuant to this article may be on a one-time or periodic basis. If periodic, the board may increase, reduce, or terminate the amount of assistance according to need, subject to the maximum limit of twenty-three thousand dollars ($23,000).

(d) The board may also authorize payment of attorney's fees representing the reasonable value of legal services rendered to the

applicant, but not to exceed 10 percent of the amount of the award, or five hundred dollars ($500), whichever is less.

(e) No attorney shall charge, demand, receive, or collect any amount for services rendered in connection with any proceedings under this article except as awarded under this section.

(f) The maximum cash payments authorized in subdivision (a) shall be increased to forty-six thousand dollars ($46,000) if federal funds for those increases are available.

(g) Notwithstanding subdivisions (a) and (f), a victim injured between January 1, 1985, and December 31, 1985, shall be entitled to receive a maximum cash payment of forty-six thousand dollars ($46,000) if federal funds for these increases are available, but only for costs in excess of limitations provided for in subdivision (a) which are attributable to medical or medical-related expenses, except for psychological or psychiatric treatment, or mental health counseling services.

(h) Notwithstanding any conflicting provision of this chapter, the board may make additional payments for purposes described in paragraph (1) of subdivision (a) to any victim who filed an application with the board on or after December 1, 1982, who was a victim of a crime involving sexual assault, and who is a minor at the time the additional payments pursuant to this subdivision are made. The payments authorized by this subdivision shall not in the aggregate of all payments made by the board to the victim of the crime exceed twenty-three thousand dollars ($23,000), unless federal funds are available, in which case the aggregate maximum award may be increased to forty-six thousand dollars ($46,000).

SEC. 4. Section 13838 is added to the Penal Code, to read:

13838. "Peer counselor" means a provider of mental health counseling services who has completed a specialized course in rape crisis counseling skills development, participates in continuing education in rape crisis counseling skills development, and provides rape crisis counseling in consultation with a mental health practitioner licensed within the State of California.

CHAPTER 1358

An act to amend Section 1500 of, and to add Section 1500.5 to, the Fish and Game Code, and to add Sections 14957 and 14959 to the Government Code, to add Sections 5027 and 5080.37 to the Public Resources Code, to amend Section 2 of Chapter 1266 of the Statutes of 1982, and Sections 1 and 4 of Chapter 1190 of the Statutes of 1983, to amend and supplement the Budget Act of 1987 (Chapter 135 of the Statutes of 1987) by adding Item 3790-102-742 to Section 2 thereof, and to repeal Chapter 873 of the Statutes of 1982 and Section 4.5 of Chapter 1087 of the Statutes of 1985, relating to public property, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

I am deleting the $200,000 appropriation contained in Section 15 of Senate Bill No 53.

Section 15 would add Item 3790-102-742 to the Budget Act of 1987 (Chapter 135, Statutes of 1987) appropriating $200,000 from the State, Urban, and Coastal Park Fund to the County of Riverside, Jenson-Alvarado Ranch for local assistance. I had previously deleted a similar appropriation from Item 3790-101-036 of the Budget Act of 1987 (Chapter 135, Statutes of 1987)

Counties and other local agencies have already received $100 million from the State, Urban and Coastal Park Fund for local park projects I believe that any money remaining in this fund should be used for state park projects

With this deletion, I approve Senate Bill No. 53

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. Section 1500 of the Fish and Game Code is amended to read:

1500. The department may, with the approval of the commission and the Department of General Services, exchange any portion of the property lying within the boundaries of any area or range referred to in this section for any property within or contiguous to such area or range or may sell any portion of the property within such boundaries and with the proceeds thereof acquire any property within or contiguous to such area or range; provided, that no exchange or sale of property authorized in this section shall materially reduce the total area of any range or area referred to in this section. A copy of each deed of conveyance executed and delivered by the department, and of each deed conveying lands to the state, pursuant to this section shall be delivered to the State Lands Commission.

The provisions of this section apply to all of the following:

(a) The Doyle Deer Winter Range, located in Lassen County.

(b) The Tehama Deer Winter Range, located in Tehama County.

(c) The Honey Lake Waterfowl Management Area, located in Lassen County.

(d) The Imperial Waterfowl Management Area, located in Imperial County.

(e) The Mendota Waterfowl Management Area, located in Fresno County.

(f) The San Jacinto Wildlife Area, located in Riverside County.

(g) The Lakes Earl/Talawa Wildlife Area, located in Del Norte County.

(h) The Santa Rosa Mountains Bighorn Sheep Reserve, located in Riverside County.

(i) The Camp Cady Wildlife Area, located in San Bernardino County.

(j) The Butte Valley Wildlife Area, located in Siskiyou County.

(k) The Ash Creek Wildlife Area, located in Lassen and Modoc Counties.

(*l*) The Moss Landing Wildlife Area, located in Monterey County.

SEC. 2. Section 1500.5 is added to the Fish and Game Code, to read:

1500.5. With respect to exchanging or selling any property pursuant to Section 1500, the director, with respect to any parcel containing 15 acres or less, shall except and reserve to the state all mineral deposits, as defined in Section 6407 of the Public Resources Code, below a depth of 500 feet, without surface rights of entry. As to any parcel containing more than 15 acres, the director shall except and reserve to the state all mineral deposits, as defined in Section 6407 of the Public Resources Code, together with the right to prospect for, mine, and remove the deposits.

The rights to prospect for, mine, and remove shall be limited to those areas of the property conveyed which the director, after consultation with the State Lands Commission, determines to be reasonably necessary for the removal of the resources and deposits.

SEC. 2.1. Section 14957 is added to the Government Code, to read:

14957. The Division of Architecture Revolving Fund in the State Treasury is continued in existence and is retitled the Architecture Revolving Fund. With the approval of the Department of Finance, and except as otherwise specified in this section, there shall be transferred to, or deposited in, the fund all money appropriated, contributed, or made available from any source, including sources other than state appropriations, for expenditure on work within the powers and duties of the Department of General Services with respect to the construction, alteration, repair, and improvement of state buildings, including, but not limited to, services, new construction, major construction and equipment, minor construction, maintenance, improvements, and equipment, and other building and improvement projects, as authorized by the state agency for which an appropriation is made or, as to funds from sources other than state appropriations, as may be authorized by written agreement between the contributor or contributors of funds and the Department of General Services, when approved by the Department of Finance.

Money from state sources transferred to, or deposited in, the fund for major construction shall be limited to the amount necessary based on receipt of competitive bids. Money transferred for this purpose shall be upon approval of the Department of Finance. Any amount available, in the state appropriation, which is in excess of the amount necessary based on receipt of competitive bids, shall be immediately transferred to the credit of the fund from which the appropriation was made.

Money in the fund also may be used, upon approval of the Department of Finance, to finance the cost of any construction projects within the powers and duties of the Department of General Services for which the federal government will contribute a partial cost thereof; provided, written evidence has been received from a federal agency that money has been appropriated by Congress and

the federal government will pay to the state the amount specified upon the completion of construction of the project. The Director of General Services may approve plans, specifications and estimates of cost, and advertise for and receive bids on such projects in anticipation of the receipt of such evidence.

Money so transferred or deposited is available for expenditure by the Department of General Services for the purposes for which appropriated, contributed, or made available, without regard to fiscal years and irrespective of the provisions of Section 16304.

SEC. 2.2. Section 14959 is added to the Government Code, to read:

14959. The Department of General Services shall keep a record of all expenditures chargeable against each specific portion of the revolving fund, and any unencumbered balance in any portion of the fund, either within three months after completion of the project for which the portion was transferred or within three years from the time the portion was transferred or deposited therein, whichever is the earlier, shall be withdrawn from the revolving fund and transferred to the credit of the fund from which the appropriation was made or, as to funds from other than state appropriations, be paid out or refunded as provided in the agreement relating to the contributions; provided, that on approval of the Department of Finance the time of the withdrawal may be extended.

For the purpose of this section an estimate, prepared by the Department of General Services upon receipt of bids, of the amount required for supervision, engineering, and other items, if any, necessary for the completion of a project on which a construction contract has been awarded shall be deemed a valid encumbrance and be included with any other valid encumbrances in determining the amount of an unencumbered balance.

SEC. 2.3. Section 5027 is added to the Public Resources Code, to read:

5027. Any building or structure that is listed on the National Register of Historic Places and is transferred from state ownership to another public agency shall not be demolished, destroyed, or significantly altered, except for restoration to preserve or enhance its historical values, without the prior approval of the Legislature by statute. This section applies to any building or structure transferred from state ownership to another public agency after January 1, 1987.

SEC. 2.5. Section 5080.37 is added to the Public Resources Code, to read:

5080.37. (a) The Legislature hereby finds and declares that revenues generated at Santa Monica State Beach may be expected to exceed the total costs incurred by the City of Santa Monica in caring for, maintaining, operating, administering, improving, and developing the unit and that a portion of those revenues may appropriately be made available to provide for the safety and convenience of the general public in the use and enjoyment of, and the enhancement of recreational experiences at, the Santa Monica

City pier and other related shorefront facilities owned and operated by the City of Santa Monica.

(b) Accordingly, notwithstanding Section 5080.32, whenever revenues generated from all sources at Santa Monica State Beach exceed the actual costs incurred by the City of Santa Monica in caring for, maintaining, operating, administering, improving, and developing that unit and exceed any foreseeable needs for the further improvement and development of that unit, the surplus shall be available for appropriation in the Budget Act to the city, as a local assistance grant, in the succeeding fiscal year for the repair of the Santa Monica pier and the improvement and development of parking facilities providing access to the pier until that repair, improvement, and development is complete. After the repair, improvement, and development is completed, 25 percent of the excess revenues shall be available for appropriation in the Budget Act to the city as a local assistance grant for the further improvement and development of the pier and other shorefront facilities owned and operated by the City of Santa Monica that adjoin the state beach.

(c) The amount of any surplus shall be determined by the director, and the department may perform audits as may be necessary to determine this amount.

SEC. 3. The Director of General Services, with the approval of the State Public Works Board and the Director of Parks and Recreation, may sell or exchange for current market value or for any lesser consideration authorized by law and upon such terms and conditions and subject to such reservations and exceptions as the Director of General Services deems to be in the best interest of the state, all or any part of the following real property:

PARCEL 1. Approximately 5,100 square feet with a structure, known as 22879 Gold Springs Road, Columbia, County of Tuolumne.

PARCEL 2. Approximately 11.65 acres, being a portion of San Buenaventura State Beach, consisting of the public pier and that portion of the land located within the existing state beach commencing at the most westerly boundary of the state beach and extending easterly to a line to be established that is approximately 50 feet easterly of the east side of the pier. The property shall be transferred on the condition that it be used only for public recreational purposes. Upon any breach of this condition, the state may reenter the property, and upon that reentry, the interest of the transferee shall terminate and ownership shall be entirely in the state.

PARCEL 3. Approximately 170 acres, being a portion of Henry W. Coe State Park fronting on Gilroy Hot Springs Road, located in Section 6, T10S, R5E, Mt. Diablo Base and Meridian, County of Santa Clara.

PARCEL 4. Approximately two acres, consisting of a narrow strip parcel along the easterly boundary of Redondo State Beach and parallel to the Esplanade between Ruby Street and Nob Hill Avenue, Redondo Beach, County of Los Angeles.

PARCEL 5. Approximately 4,000 square feet, being a portion of Topanga State Park fronting on Paseo Miramar, located in Tract No. 10175, County of Los Angeles.

PARCEL 6. Approximately 0.063 acre, being a portion of San Clemente State Beach, consisting of a portion of Lot 114, Tract No. 961, as shown on that certain map recorded in the Office of the County Recorder of Orange County and filed in Book 30 of Miscellaneous Maps, at page 31, and a portion of Lot 1, Tract No. 1314, as shown on that certain map recorded in the Office of the County Recorder of Orange County and filed in Book 42 of Miscellaneous Maps at page 17, City of San Clemente, County of Orange. This authorization does not include a 25-foot strip along the southerly edge of both lots directly abutting Avenida Califia, which shall be retained by the Department of Parks and Recreation for the protection of its natural, scenic, or open-space values.

SEC. 4. The Director of General Services, with the approval of the State Public Works Board and the Director of Parks and Recreation, may exchange, for current market value only, and upon such terms and conditions and subject to such reservations and exceptions as the Director of General Services deems to be in the best interest of the state, all or any part of the 342 acres constituting Placerita Canyon State Park, County of Los Angeles. That state park shall be exchanged only for other recreational or park lands. The County of Los Angeles shall agree, as a condition of the exchange, to operate the former state park property as a county park in perpetuity and no other use of the former state park property shall be permitted except by specific act of the Legislature. Upon any breach of these conditions, the state may reenter the property and, upon that reentry, the interest of the County of Los Angeles shall terminate and ownership shall vest entirely in the state.

SEC. 4.5. There is hereby transferred to the City of Los Angeles all the right, title, and interest of the state in that property known as El Pueblo de Los Angeles State Historic Park, including all real and personal property of the park, on the condition that the property be used as a public park or monument. The park shall hereafter be known as El Pueblo de Los Angeles Historic Monument. Not later than January 1, 1989, the Director of General Services shall take all steps necessary to reflect the transfer of the right, title, and interest of the state in the park to the city.

The development and operation of the property transferred shall conform to the general plan for El Pueblo de Los Angeles State Historic Park adopted pursuant to Section 5002.2 of the Public Resources Code and current at the time of the transfer, except that the plan may be amended by the City of Los Angeles in accordance with the procedures for the amendment of specific plans set forth in Article 8 (commencing with Section 65450) and Article 9 (commencing with Section 6500) of Chapter 3 of Division 1 of Title 7 of the Government Code, if, prior to the adoption of any amendment, duly noticed public hearings are conducted by the

appropriate city board or commission and by the City Council of the City of Los Angeles. In maintaining consistency between any amendments to the general plan for the historic monument and the city's general plan, the city shall consider the development criteria of Section 5019.59 of the Public Resources Code.

The City of Los Angeles shall operate, improve, maintain, construct, remodel, and perform any and all necessary activities at the historic monument, either directly or through independent contractors, as it deems appropriate. These activities shall be undertaken in compliance with the United States Secretary of the Interior's "Standards for Rehabilitation and Guidelines for Rehabilitating Historic Structures."

The joint powers agreement of April 1, 1974, regarding this property is hereby suspended.

The City of Los Angeles shall allow the state, at the state's option, to remain and continue to occupy the existing state offices and four parking spaces located within the park at no cost to the state.

Upon any breach of any of these conditions, the state may reenter the property, and upon that reentry, the interest of the City of Los Angeles shall terminate and ownership shall be entirely in the state.

SEC. 5. The Director of General Services, with the approval of the State Public Works Board, may sell, exchange, or lease for current market value or for any lesser consideration authorized by law and upon such terms and conditions and subject to such reservations and exceptions as the Director of General Services determines are in the best interest of the state, all or any part of the following real property:

PARCEL 1. Approximately 1.84 acres with a structure, known as 3500 South Hope Street, Los Angeles.

PARCEL 2. Approximately 4,000 square feet, with a structure, known as 540 Van Ness Avenue, San Francisco.

PARCEL 3. Approximately 0.45 acre, with a structure, known as 2985 Johnstonville Road, Susanville, County of Lassen.

PARCEL 4. Approximately 0.53 acre, with a structure, known as 605 Antelope Boulevard, Red Bluff, County of Tehama.

SEC. 6. The Director of General Services, with the approval of the State Public Works Board, may exchange, for current market value only, and upon such terms and conditions and subject to such reservations and exceptions as the Director of General Services deems to be in the best interest of the state, all or any part of the approximately 4.73 acres, with several structures, known as 2 South Forest Road, Sonora, County of Tuolumne.

This section shall remain in effect until January 1, 1992, and as of that date is repealed unless a later enacted statute which is enacted before January 1, 1992, deletes or extends that date.

SEC. 7. Notice of every public auction or bid opening shall be posted on the property to be sold under Sections 2 and 3 and shall be published in a newspaper of general circulation published in the county in which the real property to be sold is situated. All parcels described in Sections 3, 4, 5, and 6 are exempt from Sections 21100

to 21174, inclusive, of the Public Resources Code.

SEC. 8. (a) Any cost or expense incurred in the disposition of any parcels may be reimbursed, subject to appropriation therefor by the Legislature, from the proceeds of that disposition.

(b) Subject to subdivision (a), any moneys received from the disposition of any parcel described in Sections 3, 4, 5, and 6 shall be paid into the Property Acquisition Law Account in the General Fund pursuant to Section 15863 of the Government Code, except as follows:

(1) The net proceeds of any sale of state park property shall be deposited as provided in Section 5003.15 of the Public Resources Code and, in particular, the net proceeds of the sale of Parcel 3 of Section 3 shall be deposited in the Parklands Fund of 1984 and shall be reserved solely for future acquisitions at Henry W. Coe State Park.

(2) The net proceeds from the sale of Parcels 3 and 4 of Section 5 shall be deposited in the Motor Vehicle Account in the State Transportation Fund.

SEC. 9. As to any property sold pursuant to Sections 3, 4, 5, and 6 containing 15 acres or less, the Director of General Services shall except and reserve to the state all mineral deposits, as defined in Section 6407 of the Public Resources Code, below a depth of 500 feet, without surface rights of entry. As to any property sold pursuant to Sections 3, 4, 5, and 6 containing more than 15 acres, the Director of General Services shall except and reserve to the state all mineral deposits, as defined in Section 6407 of the Public Resources Code, together with the right to prospect for, mine, and remove the deposits. The rights to prospect for, mine, and remove shall be limited to those areas of the property conveyed which the director, after consultation with the State Lands Commission, determines to be reasonably necessary for the removal of the resources and deposits.

SEC. 10. Chapter 873 of the Statutes of 1982 is repealed.

SEC. 11. Section 2 of Chapter 1266 of the Statutes of 1982 is amended to read:

Sec. 2. The Director of General Services, with the approval of the State Public Works Board and the Director of Parks and Recreation, is hereby authorized to exchange upon those terms, conditions and with such reservations and exceptions which in his or her opinion may be in the best interest of the state, all or part of the following described property:

PARCEL 1. Approximately 0.8 acre consisting of two parcels of land located on the northerly side of Headlands Drive within the Caspar Headlands Subdivision in the County of Mendocino.

PARCEL 2. Approximately 0.72 acre located northerly of State Highway 1, which constitutes a portion of Malibu Lagoon State Beach in Los Angeles County.

SEC. 12. Section 1 of Chapter 1190 of the Statutes of 1983 is amended to read:

Section 1. The Director of General Services, with the approval of

the State Public Works Board, is hereby authorized to sell, exchange, or lease for current market value, or for any lesser consideration authorized by law, and upon those terms and conditions and with such reservations and exceptions which in his or her opinion may be in the best interest of the state, all or any part of the following real property:

PARCEL 1. Approximately 3 acres of land located at Patton State Hospital on the north side of Lynwood Drive, in the County of San Bernardino.

PARCEL 2. Approximately 3.25 acres of land located on the northerly side of Cypress Avenue in the City of Redding, being a portion of the Department of Fish and Game facilities in the County of Shasta.

PARCEL 3. Approximately 21.4 acres of land located on the south side of Bird Farm Road at Pomona Rincon Road in the County of San Bernardino, being currently known as the Chino Fish and Wildlife Base and formerly known as the Los Serranos Game Farm.

PARCEL 4. Approximately 40 acres of land at Sonoma State Hospital, situated along the facility's east boundary line adjacent to Highway Route 12 in Sonoma County.

SEC. 13. Section 4 of Chapter 1190 of the Statutes of 1983 is amended to read:

Sec. 4. The Director of General Services, with the approval of the State Public Works Board and the Director of Parks and Recreation, is hereby authorized to convey or exchange upon those terms, conditions, and with such reservations and exceptions which in his or her opinion may be in the best interest of the state, all or part of the following described property:

PARCEL 1. Approximately 0.03 acre of land being a portion of the Tahoe State Recreation Area located on the east side of State Highway Route 89, just south of the Truckee River, Placer County.

PARCEL 2. Approximately 1.02 acres being a portion of Chino Hills located adjacent to the westerly boundary of Baldwin Company Ltd. at the terminus of Valley Center Drive in the City of Yorba Linda, Orange County.

PARCEL 3. Approximately 10.01 acres and the public pier at Avila State Beach, San Luis Obispo County.

PARCEL 4. Approximately 0.80 acre at Moonlight State Beach comprised of seven undeveloped lots in the City of Encinitas, San Diego County, except for three of those lots with assessor's parcel numbers 258-074-14, 258-074-15, and 258-074-16.

SEC. 14. Section 4.5 of Chapter 1087 of the Statutes of 1985 is repealed.

SEC. 15. Item 3790-102-742 is added to Section 2 of the Budget Act of 1987 (Chapter 135 of the Statutes of 1987), to read:

3790-102-742—For local assistance, Department of Parks and Recreation, payable from the State, Urban, and Coastal Park Fund 200,000
Schedule:
(1) County of Riverside, Jensen-Alvarado Ranch 200,000

CHAPTER 1359

An act to add Section 19320.5 to, and to add Article 4.5 (commencing with Section 18735) to Chapter 4 of Part 11 of, the Education Code, relating to public libraries, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

I am deleting the $50,000 appropriation contained in Section 4 and the $400,000 appropriation contained in Section 5 of Senate Bill No. 482.

This bill would appropriate $450,000 to create a new state program entitled the Families for Literacy Program This program would provide assistance to adults, and to children up to the age of five years, to prevent illiteracy

The demands placed on budget resources require all of us to set priorities The budget enacted in July, 1987 appropriated nearly $41 billion in state funds This amount is more than adequate to provide the necessary essential services provided for by State Government It is not necessary to put additional pressure on taxpayer funds for programs that fall beyond the priorities currently provided.

Thus, after reviewing this legislation, I have concluded that its merits do not sufficiently outweigh the need this year for funding top priority programs and continuing a prudent reserve for economic uncertainties.

I would, however, consider funding the provisions of this bill during the budget process for Fiscal Year 1988–89. It is appropriate to review the relative merits of this program in comparison to all other funding projects. The budget process enables us to weigh all demands on the state's revenues and direct our resources to programs, either new or existing, that have the most merit.

With this deletion, I approve Senate Bill No 482

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares that there are an estimated 4.8 million California adults who are functionally illiterate. The Legislature further finds that illiteracy tends to be perpetuated in a cycle from parents to children and, therefore, that without intervention many children of illiterate adults in California are likely to become functionally illiterate.

(b) The Legislature recognizes that a strong and frequent reason for illiterate adults to begin literacy training programs is to learn to read to their children so that they can prevent the probable illiteracy of their children.

(c) In addition, the Legislature recognizes that between 1980 and 1985, the population of infants and young children under six increased by 25 percent from 2.04 to 2.55 million. Of these, 800,000 live in families below or near the poverty line.

(d) The Legislature further recognizes that illiteracy can be prevented and that reading preparation activities, whereby young children are read to and exposed to books by their parents are effective measures toward preventing future reading difficulties. Illiterate parents can also improve their own reading skills through reading to their children. In addition, parents and children learning together can provide units of mutual support. The Legislature further recognizes that the public library literacy services of the California Literacy Campaign are currently reaching thousands of illiterate adults throughout California, and the habit of public library use as children is the most significant correlate of adult library use.

(e) It is the intent of the Legislature in enacting this article to establish a library services program that is directed to breaking the "cycle of illiteracy" through coordinated literacy and preliteracy services to families that include illiterate adults and young children.

SEC. 2. Article 4.5 (commencing with Section 18735) is added to Chapter 4 of Part 11 of the Education Code, to read:

Article 4.5. Families for Literacy Program

18735. There is hereby created the Families for Literacy Program, a library services program with the purpose of preventing illiteracy through coordinated literacy and preliteracy services to families that include illiterate adults and young children. The program shall provide reading preparation services for young children in public library settings and shall instruct parents in reading to their children. In addition, the program shall provide technical assistance, parent support, and any resources and materials necessary for its implementation.

18735.1. To be eligible to receive funding for the Families for Literacy Program, a public library shall meet all of the following requirements:

(a) Is currently offering literacy services.

(b) Agrees to offer new services to families with young children with the goal of helping the children become successful readers by increasing their general competence, self-confidence, and positive emotional associations with reading as a family experience and familiarity with the lifelong use of library resources. Recruitment of parents not previously included in public library literacy programs is a high priority.

(c) Families eligible for the program shall include, but not be limited to, young children up to the age of five years.

(d) Program meetings shall be held in public library settings.

(e) The public library literacy program staff and children's services staff shall work in close coordination with the State Library

in administering the Families for Literacy Program to assure maximum integration of literacy services to parents and preliteracy services to their children.

18735.2. Services offered by a public library under this article shall include the following:

(a) Acquisition of books, of appropriate reading levels for, and containing subjects of interest to, children for ownership by young children of families participating in the program.

(b) Regular meetings of parents and children in public library settings during hours that are suitable for parents and their children.

(c) Storytelling, word games, and other exercises designed to promote enjoyment of reading in adults and children.

(d) Use of children's books and language experience stories from the meetings as material for adult literacy instruction.

(e) Instruction for parents in book selection and reading aloud to children.

(f) Services to enhance full family participation and to foster a family environment conducive to reading.

(g) Assistance to parents in using services in order to access books and other materials on such topics as parenting, child care, health, nutrition, and family life education.

(h) Other services, as necessary to enable families to participate in the Families for Literacy Program.

18735.3. The State Library shall provide administrative support and technical assistance to public libraries in the development and operation of local projects. The California Library Services Board shall award project grants for the Families for Literacy Program on a competitive basis to eligible public libraries and monitor the activities and progress of these projects once established.

18735.4. The State Library shall coordinate research to support program planning and evaluation of the Families for Literacy Program. Research activities shall include all of the following:

(a) Collection and interpretation of demographic data on children and families, including the number and ages of children, the location of children within rural and urban areas, the family characteristics of these children, and the ethnicity and primary language of these children.

(b) Formative evaluation of the program's effectiveness submitted to the Legislature by January 2, 1990, to determine: (1) if the program has been successful in engaging parents and children positively in reading together, (2) if the program has resulted in measurable literacy progress for adults and reading preparation for children, (3) the number of families served, and (4) the number of adults that have obtained basic literary skills through the program. The State Library shall include with its annual formative evaluation to the Legislature any recommendations it may have for changes in the program.

(c) Development of applications of the results of the program, as well as the collective experiences of other library programs, to

teacher development and training.

(d) Review of public library children's services to identify key factors in the design and development of programs that enhance full family participation in reading and learning activities, especially those that are suitable to the needs of the disadvantaged child.

SEC. 3. Section 19320.5 is added to the Education Code, to read:

19320.5. The State Librarian shall employ a consultant to provide technical assistance to public libraries in the development and enhancement of library services to children and youth.

SEC. 4. The sum of fifty thousand dollars ($50,000) is hereby appropriated from the General Fund to the State Library for costs in the 1987–88 fiscal year pursuant to Section 19320.5 of the Education Code.

SEC. 5. The sum of four hundred thousand dollars ($400,000) is hereby appropriated from the General Fund for the purposes of Article 4.5 (commencing with Section 18735) of Chapter 4 of Part 11 of the Education Code, for allocation as follows:

(1) One hundred thousand dollars ($100,000) for technical assistance and research.

(2) Three hundred thousand dollars ($300,000) for the purpose of making grants to public libraries for family services pursuant to that article.

CHAPTER 1360

An act to amend Section 20017.97 of the Government Code, and to amend Section 12201 of the Penal Code, relating to crime, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 20017.97 of the Government Code is amended to read:

20017.97. "State peace officer/firefighter member" also means:

(a) All persons in the Department of Corporations, office of the Secretary of State, office of the Controller, and the Public Employees' Retirement System employed on a full-time permanent basis with the class title of Special Investigator (Class Code 8553), Senior Special Investigator (Class Code 8550), Investigator Trainee (Class Code 8555) and Investigator Assistant (Class Code 8554) who have been designated as peace officers as defined in Sections 830.2 and 830.3 of the Penal Code.

(b) All persons employed on a full-time permanent basis with the class title of Sergeant State Fair Police (Class Code 1946), State Fair

Police Officer (Class Code 1945), Lottery Agent (Class Code 8602), Senior Investigator, Structural Pest Control Board (Class Code 8821), Investigator Structural Pest Control Board (Class Code 8802), District Representative I and II, Division of Codes and Standards (Class Codes 8960 and 8958), Deputy Registrar of Contractors I and II (Class Codes 8793 and 8792), Polygraph Examiners, California Youth Authority (Class Code 8542), Community Services Consultant I (Class Code 9717), or Parole Service Associate (Class Code 9776) who have been designated as peace officers as defined in Sections 830.2, 830.3, and 830.5 of the Penal Code.

(c) All persons employed on a full-time permanent basis with the class title of Deputy State Fire Marshal Intern (Class Code 8980).

(d) All persons employed on a full-time permanent basis with the class title of Forester I (Class Code 1054).

Any person so designated may elect, within 90 days of notification by the board, to remain subject to the service retirement benefit and the normal rate of contribution applicable prior to the effective date that this section is applicable to the member by filing an irrevocable notice of election with the board. A member who so elects shall be subject to the reduced benefit factors specified in Section 21251.13 only for service also included in the federal system.

This section shall not become applicable to any member so designated until such time as a ruling or regulation authorizing the inclusion of persons so designated within the definition of "policeman or fireman" is issued by the federal agency for purposes of Section 218(d)(5)(A) of the Social Security Act.

SEC. 2. Section 12201 of the Penal Code is amended to read:

12201. Nothing in this chapter shall prohibit the sale to, purchase by, or possession of machineguns by police departments, sheriffs' offices, city marshal's offices, the California Highway Patrol, the Department of Justice, or the military or naval forces of this state or of the United States for use in the discharge of their official duties; nor shall anything in this chapter prohibit the possession of machineguns by regular, salaried, full-time peace officer members of a police department, sheriff's office, city marshal's office, the California Highway Patrol, or the Department of Justice when on duty and their use is within the scope of their duties.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to enable units of the California Highway Patrol and the Department of Justice to better perform their protective duties, and in order to include persons in the office of the Secretary of State within the state peace officer/firefighter category of PERS membership at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 1361

An act to add Chapter 6.8 (commencing with Section 5565.10) to Part 1 of Division 5 of the Welfare and Institutions Code, relating to children's mental health.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Chapter 6.8 (commencing with Section 5565.10) is added to Part 1 of Division 5 of the Welfare and Institutions Code, to read:

CHAPTER 6.8. CHILDREN'S MENTAL HEALTH SERVICES ACT

Article 1. General Provisions and Definitions

5565.10. This article shall be known and may be cited as the Children's Mental Health Services Act.

5565.11. The Legislature finds all of the following:

(a) That there is no adequate comprehensive system for the delivery of mental health services to children with serious emotional disturbance and to their families or foster families.

(b) That services to children are provided by various departments and agencies at both the state and county levels, often without appropriate collaboration.

(c) That mental health services to children provided in the demonstration project under Chapter 7 (commencing with Section 5575) have increased agency collaboration and produced a comprehensive service system.

(d) That preliminary results of this demonstration project show potential substantial cost avoidance, and cost benefits which include:

(1) Enabling the child to remain at home whenever possible.

(2) Providing placement in the least restrictive and least costly setting consistent with the child's needs.

(3) Enabling the child to receive out-of-home services in as close a proximity as possible to the child's usual residence.

5565.12. By January 29, 1988, the State Department of Mental Health shall review the progress reports of the demonstration project under Chapter 7 (commencing with Section 5575). The State Department of Mental Health shall proceed to implement this chapter only if the demonstration project meets either of the following:

(a) The total estimated cost avoidance in all of the following categories (1) to (5), inclusive, shall equal or exceed the demonstration project costs:

(1) Group home costs paid by Aid to Families with Dependent

Children-Family Care (AFDC-FC).

(2) Children and adolescent state hospital programs.

(3) Nonpublic school residential placement costs.

(4) Juvenile justice reincarcerations.

(5) Other short-and long-term savings in public funds resulting from the demonstration project.

(b) If the State Department of Mental Health determines that the total cost avoidance listed in subdivision (a) does not equal or exceed demonstration project costs, the State Department of Mental Health shall determine that the demonstration project has achieved substantial compliance with all of the following goals:

(1) Total cost avoidance in the categories listed in subdivision (a) to exceed 50 percent of demonstration project costs.

(2) A 20 percent reduction in out-of-county court-ordered placements of juvenile justice wards and social service dependents.

(3) A statistically significant reduction in rate of recidivism by juvenile offenders participating in the demonstration project.

(4) A 25 percent reduction in the rate of state hospitalizations of minors from the baseline fiscal year 1980–81 level.

(5) A 10 percent reduction in out-of-county nonpublic school residential placements of special education pupils.

(6) Allow at least 50 percent of children at risk of imminent placement served by the intensive in-home crisis treatment program to remain at home at least six months.

(7) Statistically significant improvement in school attendance and academic performance, of mental disordered special education pupils treated in the demonstration project's day treatment program.

5565.13. It is the intent of the Legislature to do all of the following:

(a) To phase in the system developed in the demonstration project under Chapter 7 (commencing with Section 5575) statewide, once final results are available from the project and assuming that these results demonstrate achievement of benefits as described in subdivision (d) of Section 5565.11. The Legislature recognizes that a major component of this system began in the 1984–85 fiscal year through the implementation of Chapter 1474 of the Statutes of 1984.

(b) To create and fund a coordinated comprehensive mental health services system for children with serious emotional disturbance and to their families or foster families in participating counties.

(c) To develop a system which will include joint evaluation of the child, and give priority to all of the following:

(1) Enabling the child to remain at home whenever possible.

(2) Providing placement in the least restrictive and least costly setting consistent with the child's needs.

(3) Enabling the child to receive out-of-home services in as close a proximity as possible to the child's usual residence.

(d) To separately identify and categorize funding for these

services.

5565.14. "Children with serious emotional disturbance," for the purposes of this chapter, means minors, under the age of 18 years, who meet the definition contained in Section 5697, and who are one or more of the following:

(a) A ward or dependent of the court, pursuant to Section 300, 601, or 602, and placed out-of-home.

(b) A special education student, as defined by paragraph 8 of subdivision (b) of Section 300.5 of Title 34 of the Code of Federal Regulations, and receiving residential care pursuant to an individualized education program. This section also includes special education students through age 21 identified in paragraph (4) of subdivision (c) of Section 56026 of the Education Code.

(c) An inpatient in a psychiatric hospital, psychiatric health facility, or residential treatment facility receiving services either on a voluntary or involuntary basis.

(d) An outpatient receiving intensive non-24-hour mental health treatment, such as day treatment or crisis services who is "at risk" of psychiatric hospitalization or out-of-home placement for residential treatment.

Article 2. State Administration

5565.20. There is hereby established a children's comprehensive mental health services system for children with serious emotional disturbance that is a comprehensive system of coordinated care based on the demonstration project under Chapter 7 (commencing with Section 5575) and the 1983 State Department of Mental Health planning model for children's services. Each participating county shall adapt the model to local needs and priorities.

5565.21. County participation under this chapter shall be voluntary.

5565.22. The State Department of Mental Health may contract with counties whose programs have been approved by the department in accordance with Section 5565.23. A county may request to participate under this chapter each year according to the terms set forth in Section 5705.2 for the purpose of establishing a three-year program proposal for developing and implementing a children's comprehensive mental health services system. The contract shall be negotiated on a yearly basis, depending on the results of each implementation phase.

5565.23. The county program proposal, in its entirety, as well as the first-, second-, and third-year components, is subject to approval by the State Department of Mental Health. A county may be approved for participation when readiness is determined by the State Department of Mental Health and when the department determines that the program proposals submitted adequately meet program protocols which shall be developed by the State Department of Mental Health.

5565.24. The county program proposal shall be a joint proposal with all affected local agencies and shall include all of the following:

(a) The elements as described in Article 3 (commencing with Section 5565.30).

(b) Those elements that the county feels appropriate as described in the proposed planning model for the continuum of care for emotionally disturbed children published by the State Department of Mental Health in 1983.

(c) A detailed description of the cost benefit and cost avoidance of the program proposal.

5565.25. The State Department of Mental Health shall establish an advisory group comprised of, but not limited to, representatives from the State Departments of Education, Social Services, Mental Health, and the Youth Authority, representatives from the Conference of Local Mental Health Directors, California Council on Mental Health, County Welfare Director's Association, Chief Probation Officers Association, School Administrators Association, and a representative of the service providers from the private sector. The function of the advisory group shall be to advise and assist the state in the development of a coordinated, comprehensive mental health services system under this chapter and other duties as defined by the Director of Mental Health.

5565.26. The Legislature recognizes that the development of the comprehensive system under this chapter is different for small counties under 100,000 population. In recognition of that fact, the State Department of Mental Health shall establish a task force consisting of representatives from these small counties, from the Conference of Mental Health Directors, Conference of Welfare Directors, School Administrators Association and Chief Probation Officers Association to develop appropriate modifications and requirements of the model for these small counties. Recognition shall be given to the administrative costs involved in small county program development.

Article 3. County Requirements

5565.30. Each county wishing to participate under this chapter shall develop a three-year program proposal for phasing in the children's comprehensive mental health services system. The three-year program proposal shall include all of the following:

(a) The components of the system the county proposes to implement in the first year which shall include a case management component.

(b) The components of the system the county intends to implement in the second year.

(c) The remaining components of the system the county intends to implement in the third year. All components shall be in place by the end of the third year.

5565.31. In addition, county program proposals shall contain all of

the following:

(a) Use of existing service capabilities within the various agencies currently serving children's needs in that county.

(b) Interagency collaboration by all publicly funded agencies for children experiencing emotional disturbances.

(c) Appropriate written interagency protocols and agreements.

(d) Services for the most difficult to place children.

(e) Services permitting the child to reside in his or her usual family setting, whenever possible, in the interest of the child.

(f) Where a joint evaluation indicates that out-of-home care and treatment is required, insure that these services are provided in the least restrictive setting consistent with effective services and in as close proximity as possible to the child's usual residence.

5565.32. (a) No later than April 1 of each year, beginning with April 1, 1988, each county that wishes to participate in the program under this chapter shall have a program proposal for the development of a coordinated system of services to address the needs of children with serious emotional disturbance.

(b) Each county program proposal shall include protocols developed in the county for case assessment designed to do all of the following:

(1) Determine the least restrictive appropriate mental health treatment setting for each child.

(2) Plan and facilitate the provision of needed services for the child and family when necessary and monitor those services.

(3) Provide methods for client and family advocacy to occur within the system.

(c) Each county that wishes to participate in the program under this chapter shall initiate discussions with other public agencies serving children with serious emotional disturbance, including, but not limited to, special education, foster care, and child protective and juvenile justice services to identify common needs and joint planning opportunities.

5565.33. Participating counties shall, prior to the submission of their program proposal, develop baseline data on children served by the county in the mental health services system, social services system, the juvenile justice system, and the special education system. Data shall include, but not be limited to, current expenditures for out-of-home care, nonpublic school placements and state hospital costs. This baseline data shall be submitted to the department as part of their program proposal.

5565.35. Counties shall demonstrate a maintenance of effort in children's services. Any reduction of existing Short-Doyle children's services shall be identified and justified in the program proposal developed under this chapter.

5565.36. Each participating county shall do both of the following:

(a) Develop an interagency children's policy council. The members of the council shall include, but not be limited to, the directors of major participating local government agencies, such as

juvenile justice, district attorney, public defender, county counsel, sheriff, superintendent of county schools, public social services, mental health, and a representative of the private sector.

(b) Establish an interagency case management council.

Article 4. Reports

5565.40. The State Department of Mental Health shall have data available on the services provided through this chapter by March 1 of each year, including service utilization data, expenditures, and demonstrated cost savings and cost avoidance in the participating counties.

SEC. 2. The Legislature recognizes that county mental health staff with experience in developing these systems under the Children's Mental Health Services Act, Chapter 6.8 (commencing with Section 5565.10) of Part 1 of Division 5 of the Welfare and Institutions Code, can provide the best consultation to other county personnel. Use of county mental health staff shall be on approval of the local mental health director.

Notwithstanding any other provision of this act, compliance with the requirements resulting from this act shall be subject to appropriation through the Budget Act. In addition to Budget Act appropriations, funding may come from any source which may be available to the county.

CHAPTER 1362

An act to amend Section 12028.5 of the Penal Code, relating to weapons.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 12028.5 of the Penal Code is amended to read:

12028.5. (a) As used in this section, the following words have the following meanings:

(1) "Abuse" means intentionally or recklessly causing or attempting to cause bodily injury, or placing another person in reasonable apprehension of imminent serious bodily injury to himself, herself, or another.

(2) "Domestic violence" is abuse perpetrated against a family or household member.

(3) "Family or household member" means a spouse, former spouse, parent, child, any other person related by consanguinity or affinity within the second degree, or any other person who regularly

resides in the household, or who, within the last six months, regularly resided in the household.

(b) A sheriff, undersheriff, deputy sheriff, marshal, deputy marshal, or police officer of a city, as defined in subdivision (a) of Section 830.1, a member of the University of California Police Department, as defined in subdivision (d) of Section 830.2, and a member of a California State University Police Department, as defined in subdivision (e) of Section 830.2, who is at the scene of a domestic violence incident involving a threat to human life or a physical assault, may take temporary custody of any firearm described in Section 12001 in plain sight or discovered pursuant to a consensual search as necessary for the protection of the peace officer or other persons present. Upon taking custody of a firearm, the officer shall give the owner or person who possessed the firearm a receipt. The receipt shall describe the firearm and list any identification or serial number on the firearm. The receipt shall indicate where the firearm can be recovered and the date after which the owner or possessor can recover the firearm. No firearm shall be held less than 48 hours. If a firearm is not retained for use as evidence related to criminal charges brought as a result of the domestic violence incident or is not retained because it was illegally possessed, the firearm shall be made available to the owner or person who was in lawful possession 48 hours after the seizure or as soon thereafter as possible, but no later than 72 hours after the seizure. In any civil action or proceeding for the return of firearms or ammunition seized by any state or local law enforcement agency and not returned within 72 hours, the court shall allow reasonable attorney's fees, not to exceed one thousand dollars ($1,000), to the prevailing party.

(c) Any firearm which has been taken into custody which has been stolen shall be restored to the lawful owner, as soon as its use for evidence has been served, upon his or her identification of the firearm and proof of ownership.

(d) Any firearm taken into custody and held by a police, university police, or sheriff's department, or by a marshal's office, for longer than 12 months and not recovered by the owner or person who has lawful possession at the time it was taken into custody, shall be considered a nuisance and sold or destroyed as provided in subdivision (c) of Section 12028.

SEC. 2. Section 12028.5 of the Penal Code is amended to read:

12028.5. (a) As used in this section, the following words have the following meanings:

(1) "Abuse" means intentionally or recklessly causing or attempting to cause bodily injury, or placing another person in reasonable apprehension of imminent serious bodily injury to himself, herself, or another.

(2) "Domestic violence" is abuse perpetrated against a family or household member.

(3) "Family or household member" means a spouse, former

spouse, parent, child, any other person related by consanguinity or affinity within the second degree, or any other person who regularly resides in the household, or who, within the last six months, regularly resided in the household.

(b) A sheriff, undersheriff, deputy sheriff, marshal, deputy marshal, or police officer of a city, as defined in subdivision (a) of Section 830.1, a member of the University of California Police Department, as defined in subdivision (d) of Section 830.2, and a member of a California State University Police Department, as defined in subdivision (e) of Section 830.2, who is at the scene of a domestic violence incident involving a threat to human life or a physical assault, may take temporary custody of any firearm in plain sight or discovered pursuant to a consensual search as necessary for the protection of the peace officer or other persons present. Upon taking custody of a firearm, the officer shall give the owner or person who possessed the firearm a receipt. The receipt shall describe the firearm and list any identification or serial number on the firearm. The receipt shall indicate where the firearm can be recovered and the date after which the owner or possessor can recover the firearm. No firearm shall be held less than 48 hours. If a firearm is not retained for use as evidence related to criminal charges brought as a result of the domestic violence incident or is not retained because it was illegally possessed, the firearm shall be made available to the owner or person who was in lawful possession 48 hours after the seizure or as soon thereafter as possible, but no later than 72 hours after the seizure. In any civil action or proceeding for the return of firearms or ammunition seized by any state or local law enforcement agency and not returned within 72 hours, the court shall allow reasonable attorney's fees, not to exceed one thousand dollars ($1,000), to the prevailing party.

(c) Any firearm which has been taken into custody which has been stolen shall be restored to the lawful owner, as soon as its use for evidence has been served, upon his or her identification of the firearm and proof of ownership.

(d) Any firearm taken into custody and held by a police, university police, or sheriff's department or by a marshal's office, for longer than 12 months and not recovered by the owner or person who has lawful possession at the time it was taken into custody, shall be considered a nuisance and sold or destroyed as provided in subdivision (c) of Section 12028.

SEC. 3. Section 2 of this bill incorporates amendments to Section 12028.5 of the Penal Code proposed by both this bill and AB 798. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 12028.5 of the Penal Code, and (3) this bill is enacted after AB 798, in which case Section 1 of this bill shall not become operative.

SEC. 4. No reimbursement shall be made from the State Mandates Claims Fund pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code for

costs mandated by the state pursuant to this act. It is recognized, however, that a local agency or school district may pursue any remedies to obtain reimbursement available to it under Part 7 (commencing with Section 17500) and any other provisions of law.

CHAPTER 1363

An act to amend Section 22445 of the Business and Professions Code, and to add Section 19421 of the Revenue and Taxation Code, and to add Section 2128 of the Unemployment Insurance Code, relating to undocumented persons, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 22445 of the Business and Professions Code is amended to read:

22445. A violation of this chapter is a misdemeanor punishable by a fine of not less than one thousand dollars ($1,000) or more than two thousand dollars ($2,000), as to each client with respect to whom a violation occurs, or imprisonment for not more than one year, or by both such fine and imprisonment; provided, that payment of restitution to a client shall take precedence over payment of a fine.

A second or subsequent violation is punishable by imprisonment in state prison.

SEC. 2. Section 19421 is added to the Revenue and Taxation Code, to read:

19421. Any employer or agent of an employer who provides a wage statement or similar document to any undocumented worker or former undocumented worker at that person's request for the purpose of documenting that person's eligibility for legalization pursuant to the federal Immigration Reform and Control Act (Public Law 99-603), shall not be liable for any penalty or criminal or civil violation under this part relative to the undocumented worker or former undocumented worker based on any facts disclosed in the wage statement or similar document so provided.

Nothing in this section shall be construed to limit the liability under any provision of law of any person who engages in the procurement or production of false or fraudulent wage statements or similar documents to any person for purposes of legalization under the federal Immigration Reform and Control Act.

This section does not apply to penalties assessed or criminal actions filed prior to May 1, 1987.

This section does not apply where the Employment Development Department, through independent means, discovers that an

employer has withheld personal income tax and disability insurance contributions from workers' paychecks and has not remitted those moneys to the department.

The immunity from liability pursuant to this section shall apply only to facts disclosed in the wage statement or similar document provided on or after the effective date of this section and only until the date of the termination of the legalization provisions for agricultural and nonagricultural workers of the federal Immigration Reform and Control Act. However, the immunity from liability pursuant to this section shall continue until the cause of action is tolled by the applicable statute of limitations.

SEC. 2. Section 2128 is added to the Unemployment Insurance Code, to read:

2128. Any employer or agent of an employer who provides a wage statement or similar document to any undocumented worker or former undocumented worker at that person's request for the purpose of documenting that person's eligibility for legalization pursuant to the federal Immigration Reform and Control Act (Public Law 99-603), shall not be liable for any penalty or criminal or civil violation under this division relative to any undocumented worker or former undocumented worker based on any facts disclosed in the wage statement or similar document so provided.

Nothing in this section shall be construed to limit the liability under any provision of law of any person who engages in the procurement or production of false or fraudulent wage statements or similar documents to any person for purposes of legalization under the federal Immigration Reform and Control Act.

This section does not apply to penalties assessed or criminal actions filed prior to May 1, 1987.

This section does not apply where the Employment Development Department, through independent means, discovers that an employer has withheld personal income tax and disability insurance contributions from workers' paychecks and has not remitted those moneys to the department.

The immunity from liability pursuant to this section shall apply only to facts disclosed in the wage statement or similar document provided commencing on or after the effective date of this section and only until the date of the termination of the legalization provisions for agricultural and nonagricultural workers of the federal Immigration Reform and Control Act. However, the immunity from liability pursuant to this section shall continue until the cause of action is tolled by the applicable statute of limitations.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to alleviate serious problems encountered by undocumented immigrants in establishing their eligibility for legalization under the federal Immigration Reform and Control Act, it is necessary for this act to take effect immediately.

CHAPTER 1364

An act to amend Sections 15611, 15612, 15614, 15615, 15621, 15622, 15623, 15624, 15625, 15627, 15632, 15634, 15636, 15637, 15652, 15672, 15674, 15701, and 15712 of, and to add Sections 15618 and 15638 to, the Corporations Code, and to amend Section 12214 of the Government Code, relating to limited partnerships.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 15611 of the Corporations Code is amended to read:

15611. As used in this chapter, unless the context otherwise requires:

(a) "Acknowledged" means that an instrument is either of the following:

(1) Formally acknowledged as provided in Article 3 (commencing with Section 1180) of Chapter 4 of Title 4 of Part 4 of Division 2 of the Civil Code.

(2) Executed to include substantially the following wording preceding the signature: It is hereby declared that I am the person who executed this instrument, which execution is my act and deed.

Any certificate of acknowledgment taken without this state before a notary public or a judge or clerk of a court of record having an official seal need not be further authenticated.

(b) "Capital account" of a partner, unless otherwise provided in the partnership agreement, means the amount of the capital interest of that partner in the partnership consisting of that partner's original contribution, as (1) increased by any additional contributions and by that partner's share of the partnership's profits and (2) decreased by any distribution to that partner and by that partner's share of the partnership's losses.

(c) "Certificate of limited partnership" or "certificate" means the certificate referred to in Section 15621, including all amendments thereto.

(d) "Contribution" means any money, property or services rendered, or a promissory note or other binding obligation to contribute money or property, or to render services as permitted in this chapter, which a partner contributes to a limited partnership as capital in that partner's capacity as a partner pursuant to an agreement between the partners, including an agreement as to value.

(e) "Distribution" means the transfer of money or property by a

partnership to its partners without consideration.

(f) "Foreign limited partnership" means a partnership formed under the laws of any state other than this state or under the laws of a foreign country and having as partners one or more general partners and one or more limited partners (or their equivalents under any name).

(g) "General partner" means a person who has been admitted to a limited partnership as a general partner in accordance with the partnership agreement or a person who has been admitted as a general partner pursuant to Section 15641.

(h) "Interests of limited partners" means the aggregate interests of all limited partners in their respective capacities as limited partners in the current profits derived from business operations of the partnership.

(i) "Limited partner" means a person who has been admitted to a limited partnership as a limited partner in accordance with the partnership agreement, or an assignee of a limited partnership interest who has become a limited partner pursuant to Section 15674, or, to the extent provided in subdivision (b) of Section 15662, a former general partner who has ceased to be a general partner.

(j) "Limited partnership" or "domestic limited partnership" means a partnership formed by two or more persons under the laws of this state and having one or more general partners and one or more limited partners.

(k) "Mail," unless otherwise provided in the partnership agreement, means first-class mail, postage prepaid, unless registered mail is specified. Registered mail includes certified mail.

(*l*) "Majority-in-interest of the limited partners," unless otherwise provided in the partnership agreement, means more than 50 percent of the interests of limited partners.

(m) "Partner" means a limited or general partner. "Partner of record" means a partner named as a partner on the list maintained in accordance with subdivision (a) of Section 15615.

(n) "Partnership agreement" means any valid agreement of the partners as to the affairs of a limited partnership and the conduct of its business, including all amendments thereto.

(o) "Person" means an individual, partnership, limited partnership (domestic or foreign), trust, estate, association, corporation, or other entity.

(p) "Proxy" means a written authorization signed by a partner or the partner's attorney-in-fact giving another person the power to vote with respect to the interest of that partner. "Signed," for the purpose of this section, means the placing of the partner's name on the proxy (whether by manual signature, typewriting, telegraphic transmission, or otherwise) by the partner or partner's attorney-in-fact.

(q) "Return of capital," unless otherwise provided in the partnership agreement, means any distribution to a partner to the extent that the partner's capital account, immediately after the

distribution, is less than the amount of that partner's contributions to the partnership as reduced by prior distributions which were a return of capital.

(r) "State" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

(s) "Time a notice is given or sent," unless otherwise expressly provided, means the time a written notice to a partner or the limited partnership is deposited in the United States mails; or the time any other written notice is personally delivered to the recipient or is delivered to a common carrier for transmission, or actually transmitted by the person giving the notice by electronic means, to the recipient; or the time any oral notice is communicated, in person or by telephone or wireless, to the recipient or to a person at the office of the recipient who the person giving the notice has reason to believe will promptly communicate it to the recipient.

(t) (1) "Transact intrastate business" means entering into repeated and successive transactions of business in this state, other than interstate or foreign commerce.

(2) A foreign limited partnership shall not be considered to be transacting intrastate business merely because it is a limited partner of a foreign limited partnership transacting intrastate business or because it is a limited partner of a domestic limited partnership.

(3) Without excluding other activities which may not constitute transacting intrastate business, a foreign limited partnership shall not be considered to be transacting intrastate business within the meaning of paragraph (1) solely by reason of carrying on in this state any one or more of the following activities:

(A) Maintaining or defending any action or suit or any administrative or arbitration proceeding, or effecting the settlement thereof or the settlement of claims and disputes.

(B) Holding meetings of its partners or carrying on other activities concerning its internal affairs.

(C) Maintaining bank accounts.

(D) Maintaining offices or agencies for the transfer, exchange, and registration of its securities or depositaries with relation to its securities.

(E) Effecting sales through independent contractors.

(F) Soliciting or procuring orders, whether by mail or through employees or agents or otherwise, where such orders require acceptance without this state before becoming binding contracts.

(G) Creating evidences of debt or mortgages, liens, or security interests on, real or personal property.

(H) Conducting an isolated transaction completed within a period of 180 days and not in the course of a number of repeated transactions of like nature.

SEC. 2. Section 15612 of the Corporations Code is amended to read:

15612. The name of each limited partnership as set forth in its

certificate of limited partnership:

(a) Shall contain the words "limited partnership" or the abbreviation "L.P." at the end of its name.

(b) May not contain the name of a limited partner unless (1) it is also the name of a general partner, or (2) the business of the limited partnership had been carried on under a name in which the limited partner's name appeared before the admission of that limited partner.

(c) May not be a name which the Secretary of State determines is likely to mislead the public and may not be the same as, or resemble so closely as to tend to deceive (1) a name which is under reservation for another limited partnership pursuant to Section 15613 or (2) the name of any limited partnership which has previously filed a certificate pursuant to Section 15621 or of a foreign limited partnership registered pursuant to Section 15692, except that a limited partnership may adopt a name that is substantially the same as that of an existing domestic limited partnership or foreign limited partnership which is registered pursuant to Section 15692, upon proof of consent by such domestic limited partnership or foreign limited partnership and a finding by the Secretary of State that under the circumstances the public is not likely to be misled.

(d) May not contain the words "bank," "insurance," "trust," "trustee," "incorporated," "inc.," "corporation," or "corp.".

(e) The use by a limited partnership or a foreign limited partnership of a name in violation of this section may be enjoined notwithstanding the filing of its certificate of limited partnership or its registration with the Secretary of State.

SEC. 3. Section 15614 of the Corporations Code is amended to read:

15614. Each limited partnership shall continuously maintain in this state each of the following:

(a) An office at which shall be kept the records required by Section 15615 to be maintained.

(b) An agent in this state for service of process on the limited partnership.

SEC. 3.5. Section 15615 of the Corporations Code is amended to read:

15615. Each limited partnership shall keep at the office referred to in subdivision (a) of Section 15614 all of the following:

(a) A current list of the full name and last known business or residence address of each partner set forth in alphabetical order together with the contribution and the share in profits and losses of each partner.

(b) A copy of the certificate of limited partnership and all certificates of amendment thereto, together with executed copies of any powers of attorney pursuant to which any certificate has been executed.

(c) Copies of the limited partnership's federal, state, and local income tax or information returns and reports, if any, for the six most

recent taxable years.

(d) Copies of the original partnership agreement and all amendments thereto.

(e) Financial statements of the limited partnership for the six most recent fiscal years.

(f) The partnership's books and records as they relate to the internal affairs of the partnership for at least the current and past three fiscal years.

SEC. 4. Section 15618 is added to the Corporations Code, to read:

15618. The effect of the provisions of this chapter may be varied as among the partners by the partnership agreement, except to the extent expressly provided to the contrary in this chapter and except that Sections 15642, 15694, 15701, and 15702, Article 2 (commencing with Section 15621), and Article 8 (commencing with Section 15681) may be varied by the partnership agreement only to the extent expressly provided in those sections. The presence in certain provisions of this chapter of the words "unless otherwise provided in the partnership agreement" or words of similar import does not imply that the effect of other provisions may not be varied as among the partners by agreement under this section.

SEC. 5. Section 15621 of the Corporations Code is amended to read:

15621. (a) In order to form a limited partnership the general partners shall execute, acknowledge, and file a certificate of limited partnership and, either before or after the filing of a certificate, the partners shall have entered into a partnership agreement. The certificate shall be filed in the office of, and on a form prescribed by, the Secretary of State and shall set forth all of the following:

(1) The name of the limited partnership.

(2) The street address of the principal executive office.

(3) The names and addresses of the general partners.

(4) The name and address of the agent for service of process required to be maintained by Section 15614, unless a corporate agent is designated, in which case only the name of the agent shall be set forth.

(5) Any other matters the person filing the certificate determines to include.

(b) A limited partnership is formed at the time of the filing of the certificate of limited partnership in the office of the Secretary of State. There shall be no requirement that any partner have a preexisting relationship with any other partner in order to form a limited partnership.

(c) For all purposes, a copy of the certificate of limited partnership duly certified by the Secretary of State is conclusive evidence of the formation of a limited partnership and prima facie evidence of its existence.

(d) A limited partnership may record in the office of the county recorder of any county in this state a certified copy of the certificate of limited partnership, or any amendment thereto, which has been

filed in the office of the Secretary of State. A foreign limited partnership may record in the office of the county recorder of any county in the state a certified copy of the application for registration, together with the certificate of registration, referred to in Section 15692, or any amendment thereto, which has been filed in the office of the Secretary of State. The recording shall create a conclusive presumption in favor of any bona fide purchaser or encumbrancer for value of the partnership real property located in the county in which the certified copy has been recorded, that the persons named as general partners therein are the general partners of the partnership named and that they are all of the general partners of the partnership, and the recording shall also create such other presumptions as provided in Section 15010.5.

(e) The Secretary of State may cancel the filing of certificates of limited partnership if a check or other remittance accepted in payment of the filing fee is not paid upon presentation. Upon receiving written notification that the item presented for payment has not been honored for payment, the Secretary of State shall give a first written notice of the applicability of this section to the agent for service of process or to the person submitting the instrument. Thereafter, if the amount has not been paid by cashier's check or equivalent, the Secretary of State shall give a second written notice of cancellation and the cancellation shall thereupon be effective. The second notice shall be given 20 days or more after the first notice and 90 days or less after the original filing.

SEC. 6. Section 15622 of the Corporations Code is amended to read:

15622. (a) A certificate of limited partnership is amended by filing a certificate of amendment thereto executed and acknowledged by all general partners (unless a lesser number is provided in the certificate of limited partnership) and by each general partner designated in the certificate of amendment as a new partner, unless filed by any other partner pursuant to Section 15625. The certificate of amendment shall be filed in the office of, and on a form prescribed by, the Secretary of State. The certificate of amendment shall set forth all of the following:

(1) The name and the Secretary of State's file number of the limited partnership.

(2) The text of the amendment to the certificate.

(b) The general partners shall cause to be filed, within 30 days after the happening of any of the following events, an amendment to a certificate of limited partnership reflecting the occurrence of any of the following events:

(1) A change in name of the limited partnership.

(2) A change in the street address of the principal executive office.

(3) A change in the address of a general partner or a change in the address of the agent for service of process, unless a corporate agent is designated, or appointment of a new agent for service of

process.

(4) The admission of a general partner and that partner's address or the cessation of a general partner to be a general partner.

(5) The discovery by any of the general partners of any false or erroneous material statement contained in the certificate or any amendment thereto.

(c) A certificate of limited partnership may also be amended at any time in any other respect that the general partners determine.

(d) Any general partner, or any limited partner executing a certificate pursuant to Section 15633, shall be liable for any statement materially inconsistent with the partnership agreement or any material misstatement of fact contained in the certificate if the partner knew or should have known that the statement was false when made and an amendment required by subdivision (b) was not filed, and the person suffering the loss relied on the statement or misstatement. A limited partner executing and filing a certificate shall send a copy of the certificate so filed to each general partner at the general partner's last known address. Any general partner shall be liable for any statement materially inconsistent with the partnership agreement or any material misstatement of fact contained in the certificate if the general partner knew or should have known that the statement became false and an amendment required by subdivision (b) was not filed, and the person suffering the loss relied on the statement or misstatement.

(e) Except as otherwise provided in Section 15642, no person has any liability because an amendment to a certificate of limited partnership has not been filed to reflect the occurrence of any event referred to in subdivision (b) if the amendment is filed within the time specified in subdivision (b).

(f) Except as provided in subdivision (d), no limited partner shall incur any liability for any misstatement contained in the certificate or for the failure to file an amendment to a certificate of limited partnership pursuant to subdivision (b).

SEC. 7. Section 15623 of the Corporations Code is amended to read:

15623. (a) (1) The general partners shall cause to be filed in the office of, and on a form prescribed by, the Secretary of State, a certificate of dissolution upon the dissolution of the limited partnership pursuant to Article 8 (commencing with Section 15681), unless the event causing the dissolution is that specified in subdivision (c) of Section 15681, in which case the partners conducting the winding up of the partnership affairs under Section 15683 shall have the obligation to file the certificate of dissolution.

(2) The certificate of dissolution shall set forth all of the following:

(A) The name of the limited partnership and the Secretary of State's file number.

(B) The event causing, and the date of, the dissolution.

(C) Any other information the partners filing the certificate of dissolution determine to include.

(b) (1) The general partners shall cause to be filed in the office of, and on a form prescribed by, the Secretary of State, a certificate of cancellation of certificate of limited partnership upon the completion of the winding up of the affairs of the limited partnership, pursuant to Article 8 (commencing with Section 15681), unless the event causing the dissolution is that specified in subdivision (c) of Section 15681, in which case the partners conducting the winding up of the partnership affairs under Section 15683 shall have the obligation to file the certificate of cancellation of certificate of limited partnership.

(2) The certificate of cancellation of certificate of limited partnership shall set forth all of the following:

(A) The name of the limited partnership and the Secretary of State's file number.

(B) Any other information the partners filing the certificate of cancellation of certificate of limited partnership determine to include.

(c) (1) Notwithstanding the filing of a certificate of dissolution, the general partners may cause to be filed, in the office of, and on a form prescribed by, the Secretary of State, a certificate of continuation, in any of the following circumstances:

(A) The business of the partnership is to be continued pursuant to the written consent of all partners.

(B) The dissolution of the partnership was by written consent of the partners pursuant to subdivision (b) of Section 15681 and each partner who consented to the dissolution has agreed in writing to revoke the partner's consent to the dissolution.

(C) The partnership was not, in fact, dissolved.

The form prescribed by the Secretary of State may be a separate form or may be part of the certificate of amendment.

(2) The certificate of continuation shall set forth all of the following:

(A) The name of the limited partnership and the Secretary of State's file number.

(B) The grounds provided by paragraph (1) that are the basis for filing the certificate of continuation.

(3) Upon the filing of a certificate of continuation, the certificate of dissolution shall be of no effect from the time of the filing of the certificate of dissolution except to the extent provided in subdivision (d) of Section 15622.

SEC. 8. Section 15624 of the Corporations Code is amended to read:

15624. (a) Each certificate required by this article to be filed in the office of the Secretary of State shall be executed in the following manner:

(1) A certificate referred to in Section 15621 shall be executed by all general partners, unless filed by a limited partner pursuant to Section 15633.

(2) A certificate of amendment shall be executed by all general

partners (or a lesser number provided in the certificate of limited partnership) and by each general partner designated in the certificate as a new partner, provided that if the amendment states the cessation of a general partner to be a general partner, it need not be signed by that former general partner if it is signed as otherwise required in this paragraph or in Section 15625.

(3) A certificate of dissolution shall be executed by all general partners (or a lesser number provided in the certificate of limited partnership).

(4) A certificate of cancellation of certificate of limited partnership shall be executed by all general partners (or a lesser number provided in the certificate of limited partnership).

(5) A certificate of continuation shall be executed by all general partners (or a lesser number provided in the certificate of limited partnership).

(6) A certificate filed by a limited partner pursuant to Section 15633 shall be signed by the limited partner.

(b) Any person may execute any certificate referred to in this section by an attorney-in-fact.

SEC. 9. Section 15625 of the Corporations Code is amended to read:

15625. If a general partner required by this article to execute or file a certificate of limited partnership fails after demand to do so within a reasonable time or refuses to do so, any other partner, or any person appointed by a court of competent jurisdiction, may prepare, execute, and file with the Secretary of State a certificate of limited partnership. If a general partner required by this article to execute any certificate fails to do so within a reasonable time or refuses to do so, or if there is any dispute concerning the filing of a certificate of amendment, a certificate of continuation, a certificate of dissolution, or a certificate of cancellation of limited partnership, or the failure to file any such certificate, any partner may petition the superior court to direct the execution of the certificate. If the court finds that it is proper for the certificate to be executed and that any person so designated has failed or refused to execute the certificate, or if the court determines that any certificate should be filed, it shall order a party to file a certificate on the appropriate form prescribed by the Secretary of State, as ordered by the court. In any action under this section, if the court finds the failure of the general partner to comply with the requirement to file any certificate to have been without justification, the court may award an amount sufficient to reimburse the partners bringing the action for the reasonable expenses incurred by the partners, including attorneys' fees, in connection with the action or proceeding. Any partner, other than a general partner, or person filing any certificate under this chapter, shall state the statutory authority after the signature on the appropriate certificate.

SEC. 10. Section 15627 of the Corporations Code is amended to read:

15627. (a) In addition to Chapter 4 (commencing with Section 413.10) of Title 5 of Part 2 of the Code of Civil Procedure, process may be served upon limited partnerships and foreign limited partnerships as provided in this section.

(b) Personal service of a copy of any process against the limited partnership or the foreign limited partnership by delivery (1) to any individual designated by it as agent or, if a limited partnership, to any general partner or (2) if the designated agent or, if a limited partnership, general partner is a corporation, to any person named in the latest certificate of the corporate agent filed pursuant to Section 1505 at the office of the corporate agent or to any officer of the general partner, shall constitute valid service on the limited partnership or the foreign limited partnership. No change in the address of the agent for service of process or appointment of a new agent for service of process shall be effective (1) for a limited partnership until an amendment to the certificate of limited partnership is filed pursuant to paragraph (3) of subdivision (b) of Section 15622 or (2) for a foreign limited partnership until an amendment to the application for registration is filed pursuant to Section 15695. In the case of a foreign limited partnership that has appointed the Secretary of State as agent for service of process by reason of subdivision (e) of Section 15697, process shall be delivered by hand to the Secretary of State, or to any person employed in the capacity of assistant or deputy, which shall be one copy of the process for each defendant to be served, together with a copy of the court order authorizing the service and the fee therefor. The order shall include and set forth an address to which such process shall be sent by the Secretary of State.

(c) (1) If an agent for service of process has resigned and has not been replaced or if the agent designated cannot with reasonable diligence be found at the address designated for personal delivery of the process, and it is shown by affidavit to the satisfaction of the court that process against a limited partnership or foreign limited partnership cannot be served with reasonable diligence upon the designated agent or, if a foreign limited partnership, upon any general partner by hand in the manner provided in Section 415.10, subdivision (a) of Section 415.20 or subdivision (a) of Section 415.30, of the Code of Civil Procedure, the court may make an order that the service shall be made upon a domestic limited partnership which has filed a certificate pursuant to Section 15621 or upon a registered foreign limited partnership by delivering by hand to the Secretary of State, or to any person employed in the Secretary of State's office in the capacity of assistant or deputy, one copy of the process for each defendant to be served, together with a copy of the order authorizing the service. Service in this manner shall be deemed complete on the 10th day after delivery of the process to the Secretary of State.

(2) Upon receipt of any such copy of process and the fee therefor, the Secretary of State shall give notice of the service of the process to the limited partnership or foreign limited partnership, at its

principal executive office, by forwarding to that office, by registered mail with request for return receipt, the copy of the process.

(3) The Secretary of State shall keep a record of all process served upon the Secretary of State under this chapter and shall record therein the time of service and the Secretary of State's action with reference thereto. A certificate under the Secretary of State's official seal, certifying to the receipt of process, the giving of notice thereof to the limited partnership or foreign limited partnership, and the forwarding of the process pursuant to this section, shall be competent and prima facie evidence of the matters stated therein.

(d) (1) The certificate of a limited partnership and the application for registration of a foreign limited partnership shall designate, as the agent for service of process, an individual residing in this state or a corporation which has complied with Section 1505 and whose capacity to act as an agent has not terminated. If an individual is designated, the statement shall set forth that person's complete business or residence address in this state.

(2) An agent designated for service of process may file with the Secretary of State a signed and acknowledged written statement of resignation as an agent. Thereupon the authority of the agent to act in that capacity shall cease and the Secretary of State forthwith shall give written notice of the filing of the statement of resignation by mail to the limited partnership or foreign limited partnership addressed to its principal executive office.

(3) If an individual who has been designated agent for service of process dies or resigns or no longer resides in the state or if the corporate agent for that purpose, resigns, dissolves, withdraws from the state, forfeits its right to transact intrastate business, has its corporate rights, powers and privileges suspended or ceases to exist, (A) the limited partnership shall promptly file an amendment to the certificate pursuant to paragraph (3) of subdivision (b) of Section 15622 designating a new agent or (B) the foreign limited partnership shall promptly file an amendment to the application for registration pursuant to Section 15695.

(e) In addition to any other discovery rights which may exist, in any case pending in a California court having jurisdiction in which a party seeks records from a partnership formed under this chapter, whether or not the partnership is a party, the court shall have the power to order the production in California of the books and records of the partnership on the terms and conditions that the court deems appropriate.

SEC. 11. Section 15632 of the Corporations Code is amended to read:

15632. (a) Except as provided in subdivision (d), a limited partner is not liable for any obligation of a limited partnership unless named as a general partner in the certificate or, in addition to the exercise of the rights and powers of a limited partner, the limited partner participates in the control of the business. If a limited partner participates in the control of the business without being named as a

general partner, that partner may be held liable as a general partner only to persons who transact business with the limited partnership with actual knowledge of that partner's participation in control and with a reasonable belief that the partner is a general partner at the time of the transaction. Nothing in this chapter shall be construed to affect the liability of a limited partner to third parties for the limited partner's participation in tortious conduct.

(b) A limited partner does not participate in the control of the business within the meaning of subdivision (a) solely by doing one or more of the following:

(1) Being a contractor for or an agent or employee of the limited partnership or of a general partner, or an officer, director, or shareholder of a corporate general partner.

(2) Consulting with and advising a general partner with respect to the business of the limited partnership.

(3) Acting as surety for the limited partnership or guaranteeing one or more specific debts of the limited partnership.

(4) Approving or disapproving an amendment to the partnership agreement.

(5) Voting on or calling a meeting of the partners for one or more of the following matters:

(A) The dissolution and winding up of the limited partnership.

(B) The sale, exchange, lease, mortgage, pledge, or other transfer of all or a substantial part of the assets of the limited partnership other than in the ordinary course of its business.

(C) The incurrence of indebtedness by the limited partnership other than in the ordinary course of its business.

(D) A change in the nature of the business.

(E) Transactions in which the general partners have an actual or potential conflict of interest with the limited partners or the partnership.

(F) The removal of a general partner.

(G) An election to continue the business of the limited partnership other than under the circumstances described in subparagraph (I) or (J).

(H) The admission of a general partner other than under the circumstances described in subparagraph (I) or (J).

(I) The admission of a general partner or an election to continue the business of the limited partnership after a general partner ceases to be a general partner other than by removal where there is no remaining or surviving general partner.

(J) The admission of a general partner or an election to continue the business of the limited partnership after the removal of a general partner where there is no remaining or surviving general partner.

(K) Matters related to the business of the limited partnership not otherwise enumerated in this subdivision, which the partnership agreement states in writing may be subject to the approval or disapproval of limited partners.

(6) Winding up the partnership pursuant to Section 15683.

(7) Executing and filing a certificate pursuant to Section 15625 or a certificate of dissolution pursuant to paragraph (1) of subdivision (a) of Section 15623 or a certificate of cancellation of certificate of limited partnership pursuant to paragraph (1) of subdivision (b) of Section 15623.

(8) Serving on an audit committee or committee performing the functions of an audit committee.

(9) Exercising any right or power permitted to limited partners under this chapter and not specifically enumerated in this subdivision.

(c) The enumeration in subdivision (b) does not mean that any other conduct or the possession or exercise of any other power by a limited partner constitutes participation by the limited partner in the control of the business of the limited partnership.

(d) A limited partner who knowingly permits that partner's name to be used in the name of the limited partnership, except under circumstances permitted by subdivision (b) of Section 15612, is liable for all obligations of the limited partnership to persons who reasonably believed that the person was a general partner at the time of the transaction.

SEC. 12. Section 15634 of the Corporations Code is amended to read:

15634. (a) Upon the request of a limited partner, the general partners shall promptly deliver to the limited partner, at the expense of the partnership, a copy of the information required to be maintained by subdivision (a), (b), or (d) of Section 15615.

(b) Each limited partner has the right upon reasonable request to each of the following:

(1) Inspect and copy during normal business hours any of the partnership records required to be maintained by Section 15615.

(2) Obtain from the general partners, promptly after becoming available, a copy of the limited partnership's federal, state and local income tax or information returns for each year.

(c) In the case of any limited partnership with more than 35 limited partners:

(1) The general partners shall cause an annual report to be sent to each of the partners not later than 120 days after the close of the fiscal year. That report shall contain a balance sheet as of the end of the fiscal year and an income statement and statement of changes in financial position for the fiscal year.

(2) Limited partners representing at least 5 percent of the interests of limited partners may make a written request to a general partner for an income statement of the limited partnership for the initial three-month, six-month, or nine-month period of the current fiscal year ended more than 30 days prior to the date of the request and a balance sheet of the partnership as of the end of that period. The statement shall be delivered or mailed to the limited partners within 30 days thereafter.

(3) The financial statements referred to in this section shall be

accompanied by the report thereon, if any, of the independent accountants engaged by the partnership or, if there is no such report, the certificate of a general partner of the partnership that such financial statements were prepared without audit from the books and records of the limited partnership.

(d) The general partners shall promptly furnish to a limited partner a copy of any amendment to the partnership agreement executed by a general partner pursuant to a power of attorney from the limited partner.

(e) The general partners shall send to each of the partners within 90 days after the end of each taxable year such information as is necessary to complete federal and state income tax or information returns, and, in the case of a limited partnership with 35 or fewer limited partners, a copy of the limited partnership's federal, state, and local income tax or information returns for the year.

(f) In addition to any other remedies, a court of competent jurisdiction may enforce the duty of making and mailing or delivering the information and financial statements required by this section and, for good cause shown, may extend the time therefor.

(g) In any action under this section, if the court finds the failure of the partnership to comply with the requirements of this section to have been without justification, the court may award an amount sufficient to reimburse the partners bringing the action for the reasonable expenses incurred by the partners, including attorneys' fees, in connection with the action or proceeding.

(h) Any waiver by a partner of the rights provided in this section shall be unenforceable.

(i) Any request, inspection, or copying by a limited partner may be made by the limited partner or by the limited partner's agent or attorney.

SEC. 13. Section 15636 of the Corporations Code is amended to read:

15636. The rights and duties of the partners in relation to the limited partnership shall be determined, subject to any provision in the partnership agreement to the contrary, by the following rules:

(a) No limited partner shall be required to make any additional contribution to the limited partnership.

(b) Except for distributions made pursuant to Section 15664, no limited partner shall have a priority over any other limited partner, as to return of contributions or as to compensation as a limited partner by way of income.

(c) The obligation of a partner to make a contribution or return money or property distributed in violation of this chapter may be compromised only by the written consent of all the partners.

(d) No limited partner shall have the right to receive property other than money upon any distribution.

(e) A partner may not be compelled to accept a distribution of any asset in kind from a limited partnership in lieu of a proportionate distribution of money being made to other partners.

(f) The limited partners shall have the right to vote on all matters specified in subparagraphs (A) to (G), inclusive, of paragraph (5) of subdivision (b) of Section 15632 and the actions specified therein may be taken by the general partners only with the affirmative vote of a majority in interest of the limited partners.

The limited partners shall also have the right to vote on matters specified in subparagraphs (H) and (I) of paragraph (5) of subdivision (b) of Section 15632. Notwithstanding any other provision of this chapter or any provision of the partnership agreement to the contrary, the actions specified in subparagraph (H) may only be taken by the affirmative vote of a majority in interest of the limited partners or such greater interest as is provided in the partnership agreement, and the actions specified in that subparagraph (I) may only be taken by the affirmative vote of all of the limited partners.

SEC. 14. Section 15637 of the Corporations Code is amended to read:

15637. (a) Meetings of partners may be held at any place within or without this state selected by the person or persons calling the meeting or as may be stated in or fixed in accordance with the partnership agreement. If no other place is stated or so fixed, partners' meetings shall be held at the principal executive office of the partnership.

(b) A meeting of the partners may be called by any of the general partners or by limited partners representing more than 10 percent of the interests of limited partners for any matters on which the limited partners may vote.

(c) (1) Whenever partners are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than 10, nor more than 60, days before the date of the meeting to each partner entitled to vote at the meeting. The notice shall state the place, date, and hour of the meeting and the general nature of the business to be transacted, and no other business may be transacted.

(2) Notice of a partners' meeting or any report shall be given either personally or by mail or other means of written communication, addressed to the partner at the address of the partner appearing on the books of the partnership or given by the partner to the partnership for the purpose of notice, or, if no address appears or is given, at the place where the principal executive office of the partnership is located or by publication at least once in a newspaper of general circulation in the county in which the principal executive office is located. The notice or report shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by other means of written communication. An affidavit of mailing of any notice or report in accordance with the provisions of this article, executed by a general partner, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to the partner at the address of

the partner appearing on the books of the partnership is returned to the partnership by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the partner at the address, all future notices or reports shall be deemed to have been duly given without further mailing if they are available for the partner at the principal executive office of the partnership for a period of one year from the date of the giving of the notice or report to all other partners.

(3) Upon written request to the general partners by any person entitled to call a meeting of partners, the general partners immediately shall cause notice to be given to the partners entitled to vote that a meeting will be held at a time requested by the person calling the meeting, not less than 10, nor more than 60, days after the receipt of the request. If the notice is not given within 20 days after receipt of the request, the person entitled to call the meeting may give the notice or, upon the application of such person, the superior court of the county in which the principal executive office of the limited partnership is located, or if the principal executive office is not in this state, the county in which the limited partnership's address in this state is located, shall summarily order the giving of the notice, after notice to the partnership giving it an opportunity to be heard. The procedure provided in subdivision (c) of Section 305 of the Corporations Code shall apply to the application. The court may issue any order as may be appropriate, including, without limitation, an order designating the time and place of the meeting, the record date for determination of partners entitled to vote, and the form of notice.

(d) When a partners' meeting is adjourned to another time or place, unless the partnership agreement otherwise requires and, except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting the partnership may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each partner of record entitled to vote at the meeting.

(e) The transactions of any meeting of partners, however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. All waivers, consents, and approvals shall be filed with the partnership records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of the meeting, except when the person objects, at the beginning of the

meeting to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this chapter to be included in the notice but not so included, if the objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any meeting of partners need be specified in any written waiver of notice, unless otherwise provided in the partnership agreement, except as provided in subdivision (f).

(f) Any partner approval at a meeting, other than unanimous approval by those entitled to vote, pursuant to paragraph (5) of subdivision (b) of Section 15632 shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

(g) (1) Unless otherwise provided in the partnership agreement, a majority in interest of the limited partners represented in person or by proxy shall constitute a quorum at a meeting of partners.

(2) The partners present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment notwithstanding the withdrawal of enough partners to leave less than a quorum, if any action taken (other than adjournment) is approved by the requisite percentage of interests of limited partners specified in this chapter or in the partnership agreement.

(3) In the absence of a quorum, any meeting of partners may be adjourned from time to time by the vote of a majority of the interests represented either in person or by proxy, but no other business may be transacted, except as provided in paragraph (2).

(h) Unless otherwise provided in the partnership agreement, any action which may be taken at any meeting of the partners may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by partners having not less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all entitled to vote thereon were present and voted. In the event the limited partners are requested to consent on a matter without a meeting, each partner shall be given notice of the matter to be voted upon in the same manner as described in subdivision (c). In the event any general partner, or limited partners representing more than 10 percent of the interests of the limited partners, request a meeting for the purpose of discussing or voting on the matter, the notice of a meeting shall be given in accordance with subdivision (c) and no action shall be taken until the meeting is held. Unless delayed in accordance with the provisions of the preceding sentence, any action taken without a meeting will be effective 15 days after the required minimum number of voters have signed the consent, however, the action will be effective immediately if all general partners and limited partners representing at least 90 percent of the interests of the limited partners have signed the consent.

(i) The use of proxies in connection with this section will be governed in the same manner as in the case of corporations formed under the General Corporation Law.

(j) In order that the limited partnership may determine the partners of record entitled to notices of any meeting or to vote, or entitled to receive any distribution or to exercise any rights in respect of any other lawful action, the general partners, or limited partners representing more than 10 percent of the interests of limited partners, may fix, in advance, a record date, which is not more than 60 or less than 10 days prior to the date of the meeting and not more than 60 days prior to any other action. If no record date is fixed:

(1) The record date for determining partners entitled to notice of or to vote at a meeting of partners shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held.

(2) The record date for determining partners entitled to give consent to partnership action in writing without a meeting shall be the day on which the first written consent is given.

(3) The record date for determining partners for any other purpose shall be at the close of business on the day on which the general partners adopt it, or the 60th day prior to the date of the other action, whichever is later.

(4) The determination of partners of record entitled to notice of or to vote at a meeting of partners shall apply to any adjournment of the meeting unless the general partners, or the limited partners who called the meeting, fix a new record date for the adjourned meeting, but the general partners, or the limited partners who called the meeting, shall fix a new record date if the meeting is adjourned for more than 45 days from the date set for the original meeting.

SEC. 15. Section 15638 is added to the Corporations Code, to read:

15638. The partnership agreement may provide that the interest of a partner or assignee in a limited partnership may be evidenced by a certificate of interest issued by the limited partnership, may provide for the assignment or transfer of any interest represented by such a certificate and the admission of transferees of certificates as additional or substituted limited partners, and may make other provisions with respect to the form of those certificates not inconsistent with this chapter. A certificate of interest may be, but is not required to be, a security as defined in Section 8102 of the Commercial Code.

SEC. 16. Section 15652 of the Corporations Code is amended to read:

15652. Notwithstanding the compromise of a claim referred to in subdivision (c) of Section 15636, a person whose claim against a limited partnership arises before the receipt of notice of the compromise may enforce the original obligation of a partner to make

a contribution to the partnership or to return a distribution to the partnership if the person had knowledge of the original obligation prior to the time the claim arose and if the compromise occurred after the time the claim arose. Any other person with a claim against a limited partnership may enforce only the existing obligation of a partner to make a contribution to the partnership or to return a distribution to the partnership. A person with a claim against a limited partnership may not enforce a conditional obligation of a limited partner unless the conditions have been satisfied or waived. Conditional obligations include, without limitation, a capital contribution payable upon a discretionary call of the partnership or a general partner prior to the time the call occurs. Nothing in this section shall be construed to affect the rights of third-party creditors of the partnership nor any rights existing under the Uniform Fraudulent Transfer Act (Chapter 1 (commencing with Section 3439) of Title 2 of Part 2 of Division 4 of the Civil Code).

SEC. 17. Section 15672 of the Corporations Code is amended to read:

15672. Except as otherwise provided in the partnership agreement, a limited partnership interest is assignable in whole or in part. An assignment of a limited partnership interest does not dissolve a limited partnership or entitle the assignee to become or to exercise any rights of a partner. An assignment entitles the assignee to receive, to the extent assigned, only the distributions and the allocations of income, gain, loss, deduction, credit, or similar item to which the assignor would be entitled. Except as otherwise provided in the assignment, an assignee of a limited partnership interest in a limited partnership with over 100 limited partners also shall be entitled to all of the rights granted to a limited partner pursuant to Section 15634. A limited partner remains a partner upon assignment of all or part of the limited partner's limited partnership interest, subject to the assignee becoming a limited partner pursuant to subdivision (a) of Section 15674.

SEC. 18. Section 15674 of the Corporations Code is amended to read:

15674. (a) An assignee of a partnership interest, including an assignee of a general partner, may become a limited partner if and to the extent that (1) the partnership agreement so provides or (2) all partners consent.

(b) An assignee who has become a limited partner has, to the extent assigned, the rights and powers, and is subject to the restrictions and liabilities, of a limited partner under the partnership agreement and this chapter. An assignee who becomes a limited partner also is liable for the obligations of the assignor to make contributions as provided in Article 5 (commencing with Section 15651). However, the assignee is not obligated for liabilities unknown to the assignee at the time the assignee became a limited partner and which could not be ascertained from the partnership agreement.

(c) If an assignee of a limited partnership interest becomes a

limited partner, the assignor is not released from the assignor's liability to the limited partnership under subdivision (d) of Section 15622, and Sections 15652 and 15666.

(d) If the general partner assigns all of the general partner's interest in the partnership to a third party, the limited partners may remove that general partner, unless otherwise provided by the partnership agreement.

SEC. 19. Section 15701 of the Corporations Code is amended to read:

15701. Any limited partner of a foreign or domestic limited partnership may bring a class action on behalf of all or a class of limited partners to enforce any claim common to those limited partners and any such action shall be governed by the law governing class actions generally, provided that in order to maintain the class action there shall be no requirement that the class be so numerous that joinder of all members is impracticable.

SEC. 20. Section 15712 of the Corporations Code is amended to read:

15712. (a) A limited partnership organized under the laws of this state and existing on the effective date:

(1) Shall be governed by the law previously applicable to it unless it elects to be governed by this chapter instead of by the law previously applicable to it. The election shall be made by the written consent of all partners, or of the lesser number provided by the partnership agreement for this election. The election shall be prospective only and shall not affect preexisting rights of third parties.

(2) Shall file a certificate as provided by subdivision (a) of Section 15621, including therein the date that the limited partnership filed or recorded under the law previously applicable to it, and shall thereafter be governed by Article 2 (commencing with Section 15621), and not by the law previously applicable to it relating to filing or recording requirements. When a certificate has been filed pursuant to Article 2 (commencing with Section 15621), the limited partnership shall not be required to make any further filings or record any documents pursuant to the Uniform Limited Partnership Act (Chapter 2 (commencing with Section 15501) of Title 2) and no person may rely on the accuracy or completeness of information filed or recorded pursuant to that act subsequent to the filing by the partnership of a certificate pursuant to subdivision (a) of Section 15621.

(3) Shall not be subject to the requirement of subdivision (a) of Section 15612 or to the limitations of subdivision (c) of Section 15612 if a certificate as required by paragraph (2) of this subdivision is filed prior to July 1, 1985.

(4) May not maintain any action, suit, or proceeding in any court of this state until it has filed a certificate as required by paragraph (2).

(b) To the extent that the provisions of the certificate filed under

the law previously applicable to a limited partnership governed the rights and obligations of the partners and the limited partnership among each other, those provisions shall continue to govern those rights and obligations except (1) as they may subsequently be affected by amendments to the partnership agreement or by the terms of a certificate filed pursuant to paragraph (6) of subdivision (a) of Section 15621 or by the terms of a certificate of amendment filed pursuant to subdivision (c) of Section 15622, and (2) for the effect upon those rights and obligations of an election to be governed by this chapter pursuant to this section.

(c) The Secretary of State may adopt new forms of certificates, continue to use previously adopted forms, or both, for filings required pursuant to Article 2 (commencing with Section 15621), provided the certificate to be filed contains the information required to be included in such a certificate by that article. No partnership that has filed a certificate pursuant to Article 2 (commencing with Section 15621) shall be required to refile, to amend, or to take any other action with respect to any certificate unless an act amending this chapter expressly so requires.

SEC. 21. Section 12214 of the Government Code is amended to read:

12214. The fee for filing an amendment to the certificate of limited partnership or to the application for registration of a foreign limited partnership is fifteen dollars ($15). The fee for filing a certificate of continuation for a domestic limited partnership after a certificate of dissolution has been filed is fifteen dollars ($15). There is no fee for filing a certificate of dissolution or certificate of cancellation by a limited partnership, either domestic or foreign.

CHAPTER 1365

An act to amend Section 7507.9 of, to repeal Sections 6980.14 and 6980.16 of, and to repeal and add Section 6980.12 to, the Business and Professions Code, relating to consumer affairs.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 6980.12 of the Business and Professions Code is repealed.

SEC. 2. Section 6980.12 is added to the Business and Professions Code, to read:

6980.12. (a) This chapter applies only to locksmiths working for hire.

(b) This chapter does not apply to the following persons:

(1) Any person, or his or her agent or employee, who is the

manufacturer of a product, other than locks and keys, and who installs, repairs, opens, or modifies locks or who makes keys for the locks of that product as a normal incident to its marketing.

(2) Key duplicators.

(3) Employees who are industrial or institutional locksmiths and whose services are provided only to an employer who does not provide locksmith services for hire to the public.

(4) Any person registered with the bureau pursuant to Chapter 11 (commencing with Section 7500), Chapter 11.5 (commencing with Section 7512), or Chapter 11.6 (commencing with Section 7590), if the duties of that person's position which constitute locksmithing are ancillary to the primary duties and functions of that person's position.

SEC. 3. Section 6980.14 of the Business and Professions Code is repealed.

SEC. 4. Section 6980.16 of the Business and Professions Code is repealed.

SEC. 5. Section 7507.9 of the Business and Professions Code is amended to read:

7507.9. If personal effects or other personal property, not covered by a security agreement, are contained in or on personal property at the time it is recovered, the effects shall be removed from the vehicle, a complete and accurate inventory shall be made, and the personal effects shall be stored in a labeled container by the licensee for a minimum of 60 days in a secure manner, except those personal effects removed by or in the presence of the registered owner at the time the personal property was being repossessed.

(a) The date and time the inventory is made shall be indicated and shall be signed by the repossession agency employee who performs the inventory.

(b) The following items of personal effects are items determined to present a danger or health hazard when recovered by the licensee and shall be disposed of in the following manner:

(1) Deadly weapons and dangerous drugs shall be turned over to a local law enforcement agency for retention. These items shall be entered on the inventory and a notation shall be made as to the date and the time and the place the deadly weapon or dangerous drug was turned over to the law enforcement agency, and a receipt from the law enforcement agency shall be maintained in the records of the repossession agency.

(2) Combustibles shall be inventoried and noted as "disposed of, dangerous combustible," and the item shall be disposed of in a reasonable and safe manner.

(3) Food and other health hazard items shall be inventoried and noted as "disposed of, health hazard," and disposed of in a reasonable and safe manner.

(c) Personal effects may be disposed of after being held for at least 60 days. The inventory, and adequate information as to how, when, and to whom the personal effects were disposed of, shall be filed in the permanent records of the licensee.

(d) The inventory shall include the name, address, business hours, and phone number of the person at the repossession agency to contact for recovering the personal effects and an itemization of all personal effect storage charges that will be made by the repossession agency. The inventory shall also include the following statement: "Please be advised that the property listed on this inventory will be disposed of by the repossession agency after being held for 60 days from the date of this notice IF UNCLAIMED."

(e) The inventory shall be provided to a consumer not later than 48 hours after the recovery of personal property, except that if:

(1) The 48-hour period encompasses a Saturday, Sunday, or postal holiday, the inventory shall be provided no later than 72 hours after the recovery of personal property.

(2) Inventory resulting from repossession of a yacht, motor home, or travel trailer is such that it shall take at least eight hours to inventory, then the inventory shall be provided no later than 96 hours after the recovery of personal property. When the 96-hour period encompasses a Saturday, Sunday, or postal holiday, the inventory shall be provided no later than 120 hours after the recovery of personal property.

(f) The notice may be given by regular mail addressed to the last known address of the consumer or by personal service at the option of the repossession agency.

CHAPTER 1366

An act relating to water resources.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. (a) The Department of Water Resources shall conduct a study to assess the economic and environmental impacts of (1) the removal of O'Shaughnessy Dam on the Tuolumne River or (2) the modification of operational measures for Hetch Hetchy Reservoir to determine potential water quality benefits of increasing fresh water flows to the Sacramento-San Joaquin Delta and San Francisco Bay. The study shall include an assessment of the use of water from New Don Pedro Reservoir, Lake Lloyd, Lake Eleanor, or other sources to replace reductions in water supply as a result of the removal of O'Shaughnessy Dam or any modification in its operations which reduces the firm yield of Hetch Hetchy Reservoir.

(b) The department shall cooperate and consult with appropriate federal, state, and local agencies in conjunction with the study.

(c) The department shall report its findings to the Governor and the Legislature not later than December 31, 1989.

CHAPTER 1367

An act to amend Sections 653f and 1000 of the Penal Code, relating to crimes, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 653f of the Penal Code is amended to read:

653f. (a) Every person who, with the intent that the crime be committed, solicits another to offer or accept or join in the offer or acceptance of a bribe, or to commit or join in the commission of robbery, burglary, grand theft, receiving stolen property, extortion, perjury, subornation of perjury, forgery, kidnapping, arson or assault with a deadly weapon or instrument or by means of force likely to produce great bodily injury, or, by the use of force or a threat of force, to prevent or dissuade any person who is or may become a witness from attending upon, or testifying at, any trial, proceeding, or inquiry authorized by law, is punishable by imprisonment in the county jail not more than one year or in the state prison, or by fine of not more than ten thousand dollars ($10,000), or the amount which could have been assessed for commission of the offense itself, whichever is greater, or by both such fine and imprisonment.

(b) Every person who, with the intent that the crime be committed, solicits another to commit or join in the commission of murder is punishable by imprisonment in the state prison for two, four, or six years.

(c) Every person who, with the intent that the crime be committed, solicits another to commit rape by force or violence, sodomy by force or violence, oral copulation by force or violence, or any violation of Section 264.1, 288, or 289, is punishable by imprisonment in a state prison for two, three or four years.

(d) Every person who, with the intent that the crime be committed, solicits another to commit an offense specified in Section 11352, 11379, 11379.5, 11379.6, or 11391 of the Health and Safety Code shall be punished by imprisonment in the county jail for a period not exceeding six months. Every person, who, having been convicted of soliciting another to commit an offense specified in this subdivision, is subsequently convicted of the proscribed solicitation, then the person convicted of the subsequent offense is punishable by imprisonment in the county jail not exceeding one year, or in the state prison.

This subdivision does not apply where the term of imprisonment imposed under other provisions of law would result in a longer term of imprisonment.

(e) An offense charged in violation of subdivision (a), (b), or (c)

shall be proven by the testimony of two witnesses, or of one witness and corroborating circumstances. An offense charged in violation of subdivision (d) shall be proven by the testimony of one witness and corroborating circumstances.

SEC. 2. Section 653f of the Penal Code is amended to read:

653f. (a) Every person who, with the intent that the crime be committed, solicits another to offer or accept or join in the offer or acceptance of a bribe, or to commit or join in the commission of robbery, burglary, grand theft, receiving stolen property, extortion, perjury, subornation of perjury, forgery, kidnapping, arson or assault with a deadly weapon or instrument or by means of force likely to produce great bodily injury, or, by the use of force or a threat of force, to prevent or dissuade any person who is or may become a witness from attending upon, or testifying at, any trial, proceeding, or inquiry authorized by law, is punishable by imprisonment in the county jail not more than one year or in the state prison, or by fine of not more than ten thousand dollars ($10,000), or the amount which could have been assessed for commission of the offense itself, whichever is greater, or by both such fine and imprisonment.

(b) Every person who, with the intent that the crime be committed, solicits another to commit or join in the commission of murder is punishable by imprisonment in the state prison for three, six, or nine years.

(c) Every person who, with the intent that the crime be committed, solicits another to commit rape by force or violence, sodomy by force or violence, oral copulation by force or violence, or any violation of Section 264.1, 288, or 289, is punishable by imprisonment in a state prison for two, three or four years.

(d) Every person who, with the intent that the crime be committed, solicits another to commit an offense specified in Section 11352, 11379, 11379.5, 11379.6, or 11391 of the Health and Safety Code shall be punished by imprisonment in the county jail for a period not exceeding six months. Every person, who, having been convicted of soliciting another to commit an offense specified in this subdivision, is subsequently convicted of the proscribed solicitation, then the person convicted of the subsequent offense is punishable by imprisonment in the county jail not exceeding one year, or in the state prison.

This subdivision does not apply where the term of imprisonment imposed under other provisions of law would result in a longer term of imprisonment.

(e) An offense charged in violation of subdivision (a), (b) or (c) shall be proven by the testimony of two witnesses, or of one witness and corroborating circumstances. An offense charged in violation of subdivision (d) shall be proven by the testimony of one witness and corroborating circumstances.

SEC. 3. Section 1000 of the Penal Code is amended to read:

1000. (a) This chapter shall apply whenever a case is before any court upon an accusatory pleading for violation of Section 11350,

11357, 11364, 11365, 11377, or 11550 of the Health and Safety Code, or Section 11358 of the Health and Safety Code if the marijuana planted, cultivated, harvested, dried, or processed is for personal use, or Section 11368 of the Health and Safety Code if the narcotic drug was secured by a fictitious prescription and is for the personal use of the defendant and was not sold or furnished to another, or subdivision (d) of Section 653f if the solicitation was for acts directed to personal use only, or Section 381 or subdivision (f) of Section 647 of the Penal Code, if for being under the influence of a controlled substance, or Section 4230 of the Business and Professions Code, and it appears to the district attorney that, except as provided in subdivision (b) of Section 11357 of the Health and Safety Code, all of the following apply to the defendant:

(1) The defendant has no conviction for any offense involving controlled substances prior to the alleged commission of the charged divertible offense.

(2) The offense charged did not involve a crime of violence or threatened violence.

(3) There is no evidence of a violation relating to narcotics or restricted dangerous drugs other than a violation of the sections listed in this subdivision.

(4) The defendant's record does not indicate that probation or parole has ever been revoked without thereafter being completed.

(5) The defendant's record does not indicate that he or she has been diverted pursuant to this chapter within five years prior to the alleged commission of the charged divertible offense.

(6) The defendant has no prior felony conviction within five years prior to the alleged commission of the charged divertible offense.

(b) The district attorney shall review his or her file to determine whether or not paragraphs (1) to (6), inclusive, of subdivision (a) are applicable to the defendant. If the defendant is found ineligible, the district attorney shall file with the court a declaration in writing or state for the record the grounds upon which the determination is based, and shall make this information available to the defendant and his or her attorney.

(c) Successful completion of diversion for a violation of Section 11368 of the Health and Safety Code shall not prohibit any administrative agency from taking disciplinary action against a licensee or from denying a license. Nothing in this subdivision shall be construed to expand or restrict the provisions of Section 1000.5.

SEC. 4. Section 2 of this bill incorporates amendments to Section 653f of the Penal Code proposed by both this bill and SB 736. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 653f of the Penal Code, and (3) this bill is enacted after SB 736, in which case Section 1 of this bill shall not become operative.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district

will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

SEC. 6. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that the act shall achieve maximum implementation, it is necessary that it take effect at the earliest date possible.

CHAPTER 1368

An act to amend Section 2083 of, and to add Section 2107 to, the Business and Professions Code, relating to physicians and surgeons.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 2083 of the Business and Professions Code is amended to read:

2083. Each application for a certificate shall be accompanied by the fee required by this chapter and shall be filed with the Division of Licensing.

SEC. 2. Section 2107 is added to the Business and Professions Code, to read:

2107. (a) The Legislature intends that the Division of Licensing shall have the authority to substitute postgraduate education and training to remedy deficiencies in an applicant's medical school education and training. The Legislature further intends that applicants who graduated from medical school prior to January 1, 1986, and who substantially completed their clinical training shall be granted that substitute credit if their postgraduate education took place in an accredited program.

(b) To meet the requirements for licensure set forth in Sections 2089 and 2089.5, the Division of Licensing may require an applicant under this article to successfully complete additional education and training. In determining the content and duration of the required additional education and training, the division shall consider the applicant's medical education and performance on standardized national examinations, and may substitute up to 36 weeks of approved postgraduate training in lieu of specified undergraduate requirements. Postgraduate training substituted for undergraduate training shall be in addition to the year of postgraduate training required by Sections 2101, 2102, and 2103.

(c) In addition, the division shall accept certified postgraduate training in a program approved by the American Accreditation

Committee for Graduate Medical Education or the Coordinating Council of Medical Education of Canada in lieu of undergraduate work in the same subject for any applicant who meets the following:

(1) Graduated from medical school prior to January 1, 1986.

(2) Successfully completed at least 60 weeks of clinical instruction while in medical school.

(3) Completed clinical instruction which does not meet, in whole or in part, the requirements of Section 2089.5.

Certification of this training shall be made by the program's Director of Medical Education, and shall state that the applicant has satisfactorily completed postgraduate training in the subject areas for which the applicant seeks undergraduate credit and for a duration required by Section 2089.5. Postgraduate training substituted for undergraduate training shall be required by Sections 2101, 2102, and 2103.

CHAPTER 1369

An act to amend Section 113 of, and to add Division 17 (commencing with Section 23000) to, the Health and Safety Code, relating to tires, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 113 of the Health and Safety Code is amended to read:

113. (a) The fees or charges for the issuance or renewal of any permit, license, or registration pursuant to Sections 436.53, 527, 1616, 1676, 1677, 4042, 4042.2, 4042.3, 11887, 23013, 25198.7, 25694, 25696, 25697, 25816, 25817, 26506.2, 26688, 27010, 27011, 28126, 28410, 28411, and 28702 shall be adjusted annually by the percentage change printed in the Budget Act for those items appropriating funds to the department. After the first annual adjustment of fees or charges pursuant to this section, the fees or charges subject to subsequent adjustment shall be the fees or charges for the prior calendar year. The percentage change shall be determined by the Department of Finance, and shall include at least the total percentage change in salaries and operating expenses of the department. However, the total increase in amounts collected under this section shall not exceed the total increased cost of the program or service provided.

(b) The department shall publish annually a list of the actual numerical fee charges for each permit, license, certification, or registration governed by this section. This adjustment of fees and publication of the fee list shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division

3 of Title 2 of the Government Code.

SEC. 1.5. Section 113 of the Health and Safety Code is amended to read:

113. (a) The fees or charges for the issuance or renewal of any permit, license, or registration pursuant to Sections 436.53, 527, 1616, 1676, 1677, 4042, 4042.2, 4042.3, 4083, 11887, 23013, 25198.7, 25694, 25696, 25697, 25816, 25817, 26506.2, 26688, 27010, 27011, 28126, 28410, 28411, and 28702 shall be adjusted annually by the percentage change printed in the Budget Act for those items appropriating funds to the department. After the first annual adjustment of fees or charges pursuant to this section, the fees or charges subject to subsequent adjustment shall be the fees or charges for the prior calendar year. The percentage change shall be determined by the Department of Finance, and shall include at least the total percentage change in salaries and operating expenses of the department. However, the total increase in amounts collected under this section shall not exceed the total increased cost of the program or service provided.

(b) The department shall publish annually a list of the actual numerical fee charges for each permit, license, certification, or registration governed by this section. This adjustment of fees and publication of the fee list shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

SEC. 2. Division 17 (commencing with Section 23000) is added to the Health and Safety Code, to read:

DIVISION 17. IMPORTATION OF TIRES

CHAPTER 1. GENERAL PROVISIONS

23000. The Legislature finds and declares that used tires imported into this country have contained mosquitos which are carriers of disease that is harmful to humans.

The Legislature further finds and declares that, in order to attempt to ensure that these mosquitos are not brought into this state, it is necessary to require that used tires not be imported into this state unless they have been certified as being free of mosquitos.

23002. As used in this division, "department" means the State Department of Health Services.

CHAPTER 2. IMPORTATION REQUIREMENTS

23010. (a) No used tires which have been imported into the United States shall be imported into this state, for purposes of sale, resale or disposal, unless they are inspected and certified as free from mosquitos in any stage of development by the department or its designee. Nothing in this section is intended to require inspection of each tire entering the state. The inspection shall be conducted using standard sampling procedures.

(b) Notwithstanding subdivision (a), if a shipment of tires imported into the United States has been inspected in a state other than California and certified as free from mosquitos in any state of development by persons meeting the federal certified pesticide applicator qualifications contained in 7 U.S.C. Section 136b, then the department shall review the certification to determine whether or not it is adequate. For the purposes of this subdivision, "adequate" means that the department shall confirm that the certification was performed by persons meeting the qualifications referred to in this subdivision and that the certification applies to the shipment of tires imported into this state.

If the certification is determined by the department to be adequate, the department shall make a written finding to that effect, and the inspection referred to in subdivision (a) shall not be required. The department may charge and collect a reasonable fee, not to exceed fifty dollars ($50) per shipment, to cover its costs incurred pursuant to this subdivision.

If the certification is determined by the department to be inadequate, the inspection referred to in subdivision (a) shall be required.

23011. The department shall administer this division. In carrying out this duty, the department may delegate its authority to other departments of the state or to local governmental agencies, or cooperate with other such agencies in the enforcement of this division.

Notwithstanding Section 2426, the department may enter into a contract for services with local agencies, in order to implement this division.

23012. The department shall charge and collect a fee for each certificate issued by the department or its designee, which shall be in an amount reasonably necessary to produce sufficient revenue to effectively implement this division. The initial fee established by the department shall not be greater than thirty cents ($0.30) per tire or casing imported.

A nonreturnable interim fee of thirty cents ($0.30) per tire or casing imported, and for which a certificate is issued by the department or its designee, is hereby established and shall remain in effect until the department adopts the necessary regulations pursuant to this division.

23013. The department shall collect and account for all money received pursuant to this division and shall deposit it in the Mosquitoborne Disease Surveillance Account provided for in Section 25852 of the Government Code.

23014. Fees collected pursuant to this division shall be subject to the annual fee increase provisions of Section 113.

23015. Notwithstanding Section 25852 of the Government Code, fees deposited in the Mosquitoborne Disease Surveillance Account pursuant to this division shall be available for expenditure upon appropriation by the Legislature, to implement this division.

CHAPTER 3. PENALTIES

23020. It shall be a misdemeanor to violate this division.

CHAPTER 4. OPERATIVE CONDITIONS

23030. Chapter 2 (commencing with Section 23010) and Chapter 3 (commencing with Section 23020), shall be inoperative upon a finding by the Director of Health Services that the federal government has established and is implementing a program which is at least as effective in ensuring that used tires imported into this state are free of mosquitos, as are the importation requirements established by this division.

SEC. 3. The Director of Health Services shall adopt regulations implementing Division 17 (commencing with Section 23000) of the Health and Safety Code, as contained in Section 1 of this act, as emergency regulations in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. For purposes of that chapter, any regulations adopted pursuant to this act shall be deemed to be necessary for the immediate preservation of the public peace, health, and safety, or general welfare.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

SEC. 5. The Director of Finance may authorize the department to borrow up to two hundred fifteen thousand dollars ($215,000) for the purpose of implementing Division 17 (commencing with Section 23000) of the Health and Safety Code, as enacted by Section 2 of this act, from any account deemed appropriate by the Director of Finance. The department shall repay the loan with interest to be determined in accordance with Section 16314 of the Government Code.

SEC. 6. There is hereby appropriated from the Mosquitoborne Disease Surveillance Account to the State Department of Health Services the sum of two hundred fifteen thousand dollars ($215,000) for purposes of implementing Division 17 (commencing with Section 23000) of the Health and Safety Code, as enacted by Section 2 of this act.

SEC. 7. Section 1.5 of this bill incorporates amendments to Section 113 of the Health and Safety Code proposed by both this bill and AB 550. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 113 of the Health and Safety Code, and (3) this bill is enacted after AB 550, in which case Section 1 of this bill shall not become operative.

CHAPTER 1370

An act to amend Section 8152 of, and to amend, repeal, and add Section 8780 of, the Fish and Game Code, relating to fish, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 8152 of the Fish and Game Code is amended to read:

8152. (a) In addition to any other provision of this article, 350 tons of sardines may be taken and possessed for live bait purposes during any calendar year. Sardines may not be taken or possessed for live bait purposes except under a revocable, nontransferable permit issued by the department to a live bait fisherman upon application.

(b) Each permittee shall keep an accurate record of his or her fishing operations in a logbook furnished by the department. The fishery record for each trip shall be completed before any fish is offloaded from the fishing vessel. Fishing records for each month shall be submitted to the department on or before the 10th day of the following month. The department shall keep records of the catch and when it appears that the 350-ton limit will be reached, it shall notify all permitholders of the date when that limit will be reached and after which no sardines may be taken under this section, and shall notify, by certified mail, all permittees of the closure.

(c) The permit may be revoked or suspended by the commission, when requested by the department, for noncompliance with subdivision (b) or upon a conviction for a violation of this article.

(d) If 350 tons of sardines are taken for live bait purposes under this section, sardines may continue to be taken for live bait purposes, as provided for in Sections 8150.5 and 8151.

(e) This section shall become inoperative on July 1, 1991, and, as of January 1, 1992, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1992, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 2. Section 8780 of the Fish and Game Code is amended to read:

8780. (a) As used in this chapter, the term "bait net" means a lampara or round haul type net, the mesh of which is constructed of twine not exceeding Standard No. 9 medium cotton seine twine or synthetic twine of equivalent size or strength. The net shall not have rings along the lead line or any method of pursing the bottom of the net.

(b) Bait nets may be used to take fish for bait in Districts 6, 7, 8, 9, 10, 11, 12, 13, 15, 16, 17, 18, 19, 19A, 19B, 20A, 21, 118, and 118.5.

(c) In District 19A, bait nets may be used only to take anchovies,

queenfish, white croakers, and smelt for bait only. Bait nets may not be used within 750 feet of Seal Beach Pier or Belmont Pier.

(d) No other species of fish may be taken on any boat carrying a bait net in District 19A, except that loads or lots of fish may contain not more than 18 percent by weight of the fish, of other bait fish species taken incidentally to other fishing operations and which are mixed with other fish in the load or lot.

(e) This section shall remain in effect only until July 1, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before July 1, 1991, deletes or extends that date.

SEC. 3. Section 8780 is added to the Fish and Game Code, to read:

8780. (a) As used in this chapter, the term "bait net" means a lampara or round haul type net, the mesh of which is constructed of twine not exceeding Standard No. 9 medium cotton seine twine or synthetic twine of equivalent size or strength. The net shall not have rings along the lead line or any method of pursing the bottom of the net.

(b) Bait nets may be used to take fish for bait in Districts 6, 7, 8, 9, 10, 11, 12, 13, 15, 16, 17, 18, 19, 19A, 19B, 20A, 21, 118, and 118.5.

(c) In District 19A, bait nets may be used only to take anchovies, queenfish, white croakers, and smelt for bait only. Bait nets may not be used within 750 feet of Seal Beach Pier or Belmont Pier. No other species of fish may be taken on any boat carrying a bait net in District 19A.

(d) This section shall become operative on July 1, 1991.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order for this act to be operative in this fishing season, it is necessary that this act take effect immediately.

CHAPTER 1371

An act to amend Section 20017.98 of the Government Code and to amend Section 830.4 of the Penal Code, relating to peace officers.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 20017.98 of the Government Code is amended to read:

20017.98. "State peace officer/firefighter member" means all members who are full-time permanent employees represented in Corrections Unit No. 6, Protective Services and Public Safety Unit No. 7, and Firefighters Unit No. 8 and are employed after the

operative date of this section in class titles which are designated as peace officer as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code or are firefighters whose principal duties consist of active firefighting/fire suppression.

A member who is employed in a position that is reclassified from state miscellaneous to state peace officer/firefighter pursuant to this section, may make an irrevocable election in writing to remain subject to the miscellaneous service retirement benefit and the normal rate of contribution by filing a notice of the election with the board within 90 days of notification by the board. A member who so elects shall be subject to the reduced benefit factors specified in Section 21251.13 only for service also included in the federal system.

Notwithstanding any other provision of law, security officers employed by the Department of Justice are not state peace officer/firefighter members, but are, for all purposes, state miscellaneous members.

This section shall not become applicable to any member included in a classification until such time as a ruling or regulation authorizing the inclusion of persons employed in that classification within the definition of "policeman or fireman" is issued by the federal agency for purposes of Section 218(d) (5) (A) of the Social Security Act. Section 20017.99 of the Government

SEC. 2. Section 830.4 of the Penal Code, as amended by Chapter 150 of the Statutes of 1987, is amended to read:

830.4. The following persons are peace officers while engaged in the performance of their duties in or about the properties owned, operated, or administered by their employing agency, or when they are required by their employer to perform their duties anywhere within the political subdivision which employs them. These officers shall also have the authority of peace officers anywhere in the state as to an offense committed, or which there is probable cause to believe has been committed, with respect to persons or property the protection of which is the duty of the officer or when making an arrest pursuant to Section 836 of the Penal Code as to any public offense with respect to which there is an immediate danger to person or property or of the escape of the perpetrator of the offense. These peace officers may carry firearms only if authorized by, and under such terms and conditions as are specified by, their employing agency:

(a) Security officers of the California State Police Division.

(b) The Sergeant at Arms of each house of the Legislature.

(c) Bailiffs of the Supreme Court and of the courts of appeal.

(d) Guards and messengers of the Treasurer's office.

(e) Officers designated by the hospital administrator of a state hospital under the jurisdiction of the State Department of Mental Health or the State Department of Developmental Services pursuant to Section 4313 or 4493 of the Welfare and Institutions Code.

(f) Any railroad policeman commissioned by the Governor pursuant to Section 8226 of the Public Utilities Code.

(g) Persons employed as members of a police department of a school district pursuant to Section 39670 of the Education Code.

(h) Safety police officers of the County of Los Angeles.

(i) Housing authority patrol officers employed by the housing authority of a city, district, county, or city and county or employed by the police department of a city and county.

(j) Transit police officers of a county, city, or district.

(k) Any person regularly employed as an airport law enforcement officer by a city, county, or district operating the airport or by a joint powers agency, created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code, operating the airport.

(*l*) Court service officers in a county of the third class.

(m) Security officers of the Department of General Services of the City of Los Angeles designated by the General Manager of the department. Notwithstanding any other provision of law, the peace officers designated by this subdivision shall not be authorized to carry firearms.

(n) Firefighter/security guards employed by the Military Department.

(o) Security officers of the Department of Justice.

SEC. 3. It is the intent of the Legislature that the changes effected by Section 2 of this act shall serve only to define peace officers, the extent of their jurisdiction, and the nature and scope of their authority, powers, and duties, and that there shall be no change in the status of individuals for purpose of retirement, workers' compensation, or similar injury or death benefits, or other employees benefits.

CHAPTER 1372

An act to amend Sections 25281, 25284.5, 25284.7, 25291, 25292, and 25296 of, and to add Section 25284.4 to, the Health and Safety Code, and to repeal Sections 13173 and 13174 of the Water Code, relating to underground tanks, and making an appropriation therefor.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 25281 of the Health and Safety Code is amended to read:

25281. For purposes of this chapter, the following definitions apply:

(a) "Board" means the State Water Resources Control Board. "Regional board" means a California regional water quality control board.

(b) "Department" means the State Department of Health Services.

(c) "Facility" means any one, or combination of, underground storage tanks used by a single business entity at a single location or site.

(d) "Hazardous substance" means all of the following liquid and solid substances, unless the department, in consultation with the board, determines that the substance could not adversely affect the quality of the waters of the state:

(1) Substances on the list prepared by the Director of Industrial Relations pursuant to Section 6382 of the Labor Code.

(2) Hazardous substances, as defined in Section 25316.

(3) Any substance or material which is classified by the National Fire Protection Association (NFPA) as a flammable liquid, a class II combustible liquid, or a class III-A combustible liquid.

(e) "Local agency" means the department, office, or other agency of a county or city designated pursuant to Section 25283.

(f) "Operator" means the operator of an underground storage tank.

(g) "Owner" means the owner of an underground storage tank.

(h) "Person" means an individual, trust, firm, joint stock company, corporation, including a government corporation, partnership, or association. "Person" also includes any city, county, district, the state, any department or agency thereof, or the United States to the extent authorized by federal law.

(i) "Pipe" means any pipeline or system of pipelines which is used in connection with the storage of hazardous substances and which are not intended to transport hazardous substances in interstate or intrastate commerce or to transfer hazardous materials in bulk to or from a marine vessel.

(j) "Primary containment" means the first level of containment, such as the portion of a tank which comes into immediate contact on its inner surface with the hazardous substance being contained.

(k) "Product-tight" means impervious to the substance which is contained, or is to be contained, so as to prevent the seepage of the substance from the primary containment. To be product-tight, the tank shall not be subject to physical or chemical deterioration by the substance which it contains over the useful life of the tank.

(*l*) "Secondary containment" means the level of containment external to, and separate from, the primary containment.

(m) "Single-walled" means construction with walls made of only one thickness of material. For the purpose of this chapter, laminated, coated, or clad materials are considered single-walled.

(n) "Special inspector" means a professional engineer, registered pursuant to Chapter 7 (commencing with Section 6700) of Division 3 of the Business and Professions Code, who is qualified to attest, at a minimum, to structural soundness, seismic safety, the compatibility of construction materials with contents, cathodic protection, and the mechanical compatibility of the structural elements of underground

storage tanks.

(o) "Storage" or "store" means the containment, handling, or treatment of hazardous substances, either on a temporary basis or for a period of years. "Storage" or "store" does not mean the storage of hazardous wastes in an underground storage tank if the person operating the tank has been issued a hazardous waste facilities permit by the department pursuant to Section 25200 or granted interim status under Section 25200.5.

(p) "SWEEPS" means the Statewide Environmental Evaluation and Planning System administered by the California Association of Environmental Health Administrators.

(q) "Tank" means a stationary device designed to contain an accumulation of hazardous substances which is constructed primarily of nonearthen materials (e.g. wood, concrete, steel, plastic) which provides structural support.

(r) "Tank integrity test" means a test method capable of detecting an unauthorized release from an underground storage tank consistent with the minimum standards adopted by the board.

(s) "Tank tester" means an individual who performs tank integrity tests on underground storage tanks.

(t) "Unauthorized release" means any release or emission of any hazardous substance which does not conform to this chapter, unless this release is authorized by the board pursuant to Division 7 (commencing with Section 13000) of the Water Code.

(u) "Underground storage tank" means any one or combination of tanks, including pipes connected thereto, which is used for the storage of hazardous substances and which is substantially or totally beneath the surface of the ground. "Underground storage tank" does not include any of the following:

(1) A tank used for the storage of hazardous substances used for the control of external parasites of cattle and subject to the supervision of the county agricultural commissioner if the county agricultural commissioner determines, by inspection prior to use, that the tank provides a level of protection equivalent to that required by Section 25291, if the tank was installed after June 30, 1984, or protection equivalent to that provided by Section 25292, if the tank was installed on or before June 30, 1984.

(2) A tank which is located on a farm, which stores motor vehicle or heating fuel used primarily for agricultural purposes, and which holds 1,100 gallons or less.

(3) A tank which holds 1,100 gallons or less, is located at a residence of a person, and stores home heating fuel used exclusively for personal and nonincome producing purposes.

(4) A tank which is used for aviation or motor vehicle fuel, which tank is located within one mile of a farm and used by a licensed pest control operator, as defined in Section 11705 of the Food and Agricultural Code, who is primarily involved in agricultural pest control activities.

(5) Structures such as sumps, separators, storm drains, catch

basins, oil field gathering lines, refinery pipelines, lagoons, evaporation ponds, well cellars, separation sumps, lined and unlined pits, sumps and lagoons. Sumps which are a part of a monitoring system required under Section 25291 or 25292 are not exempted by this section. Structures identified in this paragraph may be regulated by the board pursuant to the Porter-Cologne Water Quality Control Act (Division 7 (commencing with Section 13000) of the Water Code) to ensure that they do not pose a threat to water quality.

SEC. 2. Section 25281 of the Health and Safety Code is amended to read:

25281. For purposes of this chapter, the following definitions apply:

(a) "Board" means the State Water Resources Control Board. "Regional board" means a California regional water quality control board.

(b) "Department" means the State Department of Health Services.

(c) "Facility" means any one, or combination of, underground storage tanks used by a single business entity at a single location or site.

(d) "Hazardous substance" means all of the following liquid and solid substances, unless the department, in consultation with the board, determines that the substance could not adversely affect the quality of the waters of the state:

(1) Substances on the list prepared by the Director of Industrial Relations pursuant to Section 6382 of the Labor Code.

(2) Hazardous substances, as defined in Section 25316.

(3) Any substance or material which is classified by the National Fire Protection Association (NFPA) as a flammable liquid, a class II combustible liquid, or a class III-A combustible liquid.

(e) "Local agency" means the department, office, or other agency of a county or city designated pursuant to Section 25283.

(f) "Methanol" means a light volatile flammable poisonous liquid alcohol with a chemical makeup of CH_3OH.

(g) "Methanol fuel" means a product containing up to 100 percent methanol used to fuel motor vehicles or fuel an engine.

(h) "Motor vehicle" means a self-propelled device by which any person or property may be propelled, moved, or drawn.

(i) "Motor vehicle fuel storage tank" means an underground storage tank that contains a product which is intended to be used primarily to fuel motor vehicles or fuel an engine. For the purposes of Section 25291.1, "motor vehicle fuel storage tank" does not include any of the following:

(1) A tank which is located on a farm and stores motor vehicle fuel used primarily for agricultural purposes.

(2) A tank located at an industrial business site. For purposes of this paragraph, "industrial business site" means a site zoned for a manufacturing business.

(3) A tank located at a corporate motor vehicle fleet facility where

less than 15 light-duty vehicles are based. For purposes of this paragraph, "corporate vehicle fleet" means a vehicle fleet owned by a business entity whose purpose is financial gain, and "light-duty vehicle" has the same meaning as defined in Section 39035.

(j) "Operator" means the operator of an underground storage tank.

(k) "Owner" means the owner of an underground storage tank.

(*l*) "Person" means an individual, trust, firm, joint stock company, corporation, including a government corporation, partnership, or association. "Person" also includes any city, county, district, the state, any department or agency thereof, or the United States to the extent authorized by federal law.

(m) "Pipe" means any pipeline or system of pipelines which is used in connection with the storage of hazardous substances and which are not intended to transport hazardous substances in interstate or intrastate commerce or to transfer hazardous materials in bulk to or from a marine vessel.

(n) "Primary containment" means the first level of containment, such as the portion of a tank which comes into immediate contact on its inner surface with the hazardous substance being contained.

(o) "Product-tight" means impervious to the substance which is contained, or is to be contained, so as to prevent the seepage of the substance from the primary containment. To be product-tight, the tank shall not be subject to physical or chemical deterioration by the substance which it contains over the useful life of the tank.

(p) "Secondary containment" means the level of containment external to, and separate from, the primary containment.

(q) "Single-walled" means construction with walls made of only one thickness of material. For the purpose of this chapter, laminated, coated, or clad materials are considered single-walled.

(r) "Special inspector" means a professional engineer, registered pursuant to Chapter 7 (commencing with Section 6700) of Division 3 of the Business and Professions Code, who is qualified to attest, at a minimum, to structural soundness, seismic safety, the compatibility of construction materials with contents, cathodic protection, and the mechanical compatibility of the structural elements of underground storage tanks.

(s) "Storage" or "store" means the containment, handling, or treatment of hazardous substances, either on a temporary basis or for a period of years. "Storage" or "store" does not mean the storage of hazardous wastes in an underground storage tank if the person operating the tank has been issued a hazardous waste facilities permit by the department pursuant to Section 25200 or granted interim status under Section 25200.5.

(t) "SWEEPS" means the Statewide Environmental Evaluation and Planning System administered by the California Association of Environmental Health Administrators.

(u) "Tank" means a stationary device designed to contain an accumulation of hazardous substances which is constructed primarily

of nonearthen materials (e.g. wood, concrete, steel, plastic) which provides structural support.

(v) "Tank integrity test" means a test method capable of detecting an unauthorized release from an underground storage tank consistent with the minimum standards adopted by the board.

(w) "Tank tester" means an individual who performs tank integrity tests on underground storage tanks.

(x) "Unauthorized release" means any release or emission of any hazardous substance which does not conform to this chapter, unless this release is authorized by the board pursuant to Division 7 (commencing with Section 13000) of the Water Code.

(y) "Underground storage tank" means any one or combination of tanks, including pipes connected thereto, which is used for the storage of hazardous substances and which is substantially or totally beneath the surface of the ground. "Underground storage tank" does not include any of the following:

(1) A tank used for the storage of hazardous substances used for the control of external parasites of cattle and subject to the supervision of the county agricultural commissioner if the county agricultural commissioner determines, by inspection prior to use, that the tank provides a level of protection equivalent to that required by Section 25291, if the tank was installed after June 30, 1984, or protection equivalent to that provided by Section 25292, if the tank was installed on or before June 30, 1984.

(2) A tank which is located on a farm, which stores motor vehicle or heating fuel used primarily for agricultural purposes, and which holds 1,100 gallons or less.

(3) A tank which holds 1,100 gallons or less, is located at a residence of a person, and stores home heating fuel used exclusively for personal and nonincome producing purposes.

(4) A tank which is used for aviation or motor vehicle fuel, which tank is located within one mile of a farm and used by a licensed pest control operator, as defined in Section 11705 of the Food and Agricultural Code, who is primarily involved in agricultural pest control activities.

(5) Structures such as sumps, separators, storm drains, catch basins, oil field gathering lines, refinery pipelines, lagoons, evaporation ponds, well cellars, separation sumps, lined and unlined pits, sumps and lagoons. Sumps which are a part of a monitoring system required under Section 25291 or 25292 are not exempted by this section. Structures identified in this paragraph may be regulated by the board pursuant to the Porter-Cologne Water Quality Control Act (Division 7 (commencing with Section 13000) of the Water Code) to ensure that they do not pose a threat to water quality.

SEC. 3. Section 25284.4 is added to the Health and Safety Code, to read:

25284.4. (a) On and after January 1, 1989, all tank integrity tests required by this chapter or pursuant to any local ordinance in compliance with Section 25299.1 shall be performed only by, or

under the direct and personal supervision of, a tank tester with a currently valid tank testing license issued pursuant to this section. No person shall engage in the business of tank integrity testing, or act in the capacity of a tank tester, within this state on and after January 1, 1989, without first obtaining a tank testing license from the board. The board may extend the January 1, 1989, date for a period of not more than one year, to give tank testers a reasonable opportunity to qualify for licensing. Any person who violates this subdivision is guilty of a misdemeanor and may be subject to civil liability pursuant to subdivision (h).

(b) Any person proposing to conduct tank integrity testing within the state shall apply to the board for a tank testing license, and shall pay the appropriate fee established by the board. A license issued pursuant to this section shall expire three years after the date of issuance and shall be subject to renewal, except as specified in this section. If the tank tester fails to renew the tank tester's license within three years of the license's expiration date, the license shall lapse and the person shall apply for a new tank testing license and shall meet the same requirements of this section for a new applicant. A tank tester shall pay a fee to the board at the time of licensing and at the time of renewal. The board shall adopt a fee schedule for the issuance and renewal of tank testing licenses to cover the necessary and reasonable costs of administering and enforcing this section.

(c) The board may establish any additional qualifications and standards for the licensing of tank testers. Each applicant for licensing as a tank tester shall demonstrate a minimum of either one year of qualifying experience of testing underground storage tanks, or have successfully completed a course of study applicable to tank testing which is satisfactory to the board, and shall pass an examination specified by the board. The examination shall, at a minimum, test the applicant's knowledge of all of the following:

(1) General principles of tank and pipeline testing.

(2) Basic understanding of the mathematics relating to tank testing.

(3) Understanding of the specific test procedures, principles, and equipment for which the tank tester will be qualified to operate.

(4) Knowledge of the regulations and laws governing the regulation of underground storage tanks.

(5) Proper safety procedures.

(d) The board shall maintain a current list of all persons licensed pursuant to this section, including a record of enforcement actions taken against these persons. This list shall be made available to local agencies and the public on request.

(e) The board shall adopt any regulations necessary to implement tank tester licensing. The board shall adopt these regulations as emergency regulations in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, and for the purposes of that chapter, including Section 11349.6 of the Government Code, the adoption of

these regulations is an emergency and shall be considered by the Office of Administrative Law, as necessary, for the immediate preservation of the public peace, health and safety, and general welfare. Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, any emergency regulations adopted by the board pursuant to this section shall be filed with, but not repealed by, the Office of Administrative Law and shall remain in effect until revised by the board.

(f) A tank tester may be liable civilly in accordance with subdivision (h) and, in addition, may be subject to administrative sanctions pursuant to subdivision (g) for performing or causing another to perform, any of the following actions:

(1) Willfully or negligently violating, or causing, or allowing the violation of, this chapter or any regulations adopted pursuant to this chapter.

(2) Willfully or negligently failing to exercise direct and personal control over an unlicensed employee, associate, assistant, or agent during any phase of tank integrity testing.

(3) Without regard to intent or negligence, using or permitting a licensed or unlicensed employee, associate, assistant, or agent to use any method or equipment which is demonstrated to be unsafe or unreliable for tank integrity testing.

(4) Submitting false or misleading information on an application for license.

(5) Using fraud or deception in the course of doing business as a tank tester.

(6) Failing to use reasonable care, or judgment, while performing tank integrity tests.

(7) Failing to maintain competence in approved tank testing procedures.

(8) Failing to use proper tests or testing equipment to conduct tank integrity tests.

(9) Any other action which the board may, by regulation, prescribe.

(g) (1) The board may suspend the license of a tank tester for a period of up to one year, and may revoke, or refuse to grant or renew, a license and may place on probation, or reprimand, the licensee upon any reasonable ground, including, but not limited to, those violations specified in subdivision (f). The board may investigate any licensed tank tester after receiving a written request from a local agency.

(2) The board shall notify the tank tester of any alleged violations and of proposed sanctions, before taking any action pursuant to this subdivision. The tank tester may request a hearing, or submit a written response within 30 days of the date of notice. Any hearing conducted pursuant to this subdivision shall be conducted in accordance with the hearing procedure specified in subdivision (h). After the hearing, or at a time after the 30-day response period, the board may impose the appropriate administrative sanctions

authorized by this subdivision if it finds that the tank tester has committed any of the alleged violations specified in the notice.

(h) (1) The board may impose civil liability for a violation of subdivision (a) or (f) in accordance with Article 2.5 (commencing with Section 13323) of Chapter 5 of Division 7 of the Water Code, in an amount which shall not exceed five hundred dollars ($500) for each day in which the violation occurs, except that the chief of the division of water quality of the board or any other person designated by the board shall issue the complaint to the violator. The complaint shall be issued based on information developed by board staff or local agencies. Any hearing on the complaint shall be made before the board, or a panel thereof, consisting of one or more board members. The decision of the board shall be final upon issuance and may be reviewed pursuant to Section 13325 of the Water Code within 30 days following issuance of the order.

(2) Civil liability for a violation of subdivision (a) or (f) may be imposed by a superior court at the request of the board in an amount which shall not exceed two thousand five hundred dollars ($2,500) for each day in which the violation occurs.

(i) Any fees or civil liability collected pursuant to this section shall be deposited in the Underground Storage Tank Tester Account which is hereby created in the General Fund. The money in this account is available for expenditure by the board, upon appropriation by the Legislature, for purposes of implementing the tank tester licensing program established by this section and for repayment of the loan made by Section 13 of the act of the 1987–88 Regular Session of the Legislature which added this section.

SEC. 4. Section 25284.5 of the Health and Safety Code is amended to read:

25284.5. (a) Notwithstanding Section 25284, a local agency may instead issue an interim permit if the local agency does not issue or refuses to issue the permit application submitted pursuant to Section 25286 within 30 days after the local agency receives the permit application. If an interim permit is issued, the local agency shall, on or before March 1, 1986, approve, modify and approve, or disapprove the monitoring program proposed in the permit application.

(b) (1) Within six months after the local agency approves the monitoring system proposed in the application, the owner or operator of the underground storage tank for which the interim permit has been issued shall install the approved monitoring system.

(2) A tank owner or operator is not in violation of this subdivision if all of the following conditions occur:

(A) The tank owner or operator has a permit to operate an underground tank, which permit specifies a monitoring alternative requiring the installation of equipment.

(B) The tank owner or operator has a binding agreement, which is acceptable to the local agency, for the installation of the equipment required under subparagraph (A) or the tank owner or operator demonstrates to the local agency that he or she is making a good faith

effort to enter into such an agreement.

(C) The installation of the equipment required under subparagraph (A) is completed within a reasonable period of time, as determined by the local agency, but not later than January 1, 1989.

(D) The tank owner or operator utilizes daily gauging and inventory reconciliation.

(E) The tank owner or operator performs, or causes to be performed, a tank integrity test on the tank at least once every 12 months or as provided in Section 25284.7.

(F) The tank owner or operator utilizes leak detection devices for pressurized piping systems, as required by Section 25292.

(c) The local agency shall, on or before September 1, 1986, either issue a permit pursuant to Section 25284 to the owner or operator of an underground storage tank granted an interim permit pursuant to this section, if the approved monitoring system has been installed and the tank is otherwise in compliance with this chapter, or the local agency shall, on or before that date, refuse to issue the permit if the monitoring system has not been installed or if the tank is not otherwise in compliance with this chapter.

(d) During the period from the date of issuance of the interim permit until the permit is issued or refused, the interim permitholder shall not be held to be in violation of Sections 25284, 25291, and 25292.

(e) Any owner or operator who, before March 1, 1986, submitted an application for a permit or who inquired as to whether the local agency was prepared to receive an application for a permit, but who has not received a permit solely because of the local agency's failure to act upon, or explicit refusal to receive, the permit application, shall not be held in violation of this section.

SEC. 5. Section 25284.7 of the Health and Safety Code is amended to read:

25284.7. Notwithstanding Section 25292 or the regulations adopted by the board pursuant to Section 25299.3, owners or operators, who have been issued interim permits in accordance with Section 25284.5 and who select a monitoring alternative which has been adopted by the board and which requires annual tank integrity testing, may conduct the first of the annual tank integrity tests prior to March 1, 1986. If the monitoring alternative selected by the owner or operator is approved by the local agency, the second of the annual tank integrity tests need not be conducted until 30 months after the first tank integrity test. Thereafter, the tank integrity test shall be repeated annually.

The provisions of this section shall be optional, at the discretion of a local agency as defined in Section 25281.

SEC. 6. Section 25291 of the Health and Safety Code is amended to read:

25291. Every underground storage tank installed after January 1, 1984, shall meet all of the following requirements:

(a) The underground storage tank shall be designed and constructed to provide primary and secondary levels of containment

of the hazardous substances stored in it in accordance with the following performance standards:

(1) Primary containment shall be product-tight.

(2) Secondary containment shall be constructed to prevent structural weakening as a result of contact with any released hazardous substances, and also shall be capable of storing the hazardous substances for the maximum anticipated period of time necessary for the recovery of any released hazardous substance.

(3) In the case of an installation with one primary container, the secondary containment shall be large enough to contain at least 100 percent of the volume of the primary tank.

(4) In the case of multiple primary tanks, the secondary container shall be large enough to contain 150 percent of the volume of the largest primary tank placed in it, or 10 percent of the aggregate internal volume of all primary tanks, whichever is greater.

(5) If the facility is open to rainfall, then the secondary containment shall be able to additionally accommodate the maximum volume of a 24-hour rainfall as determined by a 25-year storm history.

(6) Single-walled containers do not fulfill the requirement of an underground storage tank providing both a primary and a secondary containment. However, an underground storage tank with a primary container constructed with a double complete shell shall be deemed to have met the requirements for primary and secondary containment set forth in this section if the outer shell is constructed primarily of nonearthen materials, including, but not limited to, concrete, steel, and plastic, which provide structural support and a continuous leak detection system with alarm is located in the space between the shells; the system is capable of detecting the entry of hazardous substances from the inner container into the space; and the system is capable of detecting water intrusion into the space from the outer shell.

(7) The design and construction of underground storage tanks for motor vehicle fuels storage need not meet the requirements of paragraphs (1) to (6), inclusive, if all of the following conditions exist:

(A) The primary containment construction is of glass fiber reinforced plastic, cathodically protected steel, or steel clad with glass fiber reinforced plastic.

(B) Any alternative primary containment is installed in conjunction with a system that will intercept and direct a leak from any part of the underground storage tank to a monitoring well to detect any release of motor vehicle fuels stored in the tank.

(C) The system is designed to provide early leak detection and response, and to protect the groundwater from releases.

(D) The monitoring is in accordance with the alternative method identified in paragraph (4) of subdivision (b) of Section 25292.

(E) Pressurized piping systems connected to tanks used for the storage of motor vehicle fuels and monitored in accordance with paragraph (4) of subdivision (b) of Section 25292 also meet the

conditions of this subdivision if the tank meets the conditions of subparagraphs (A) to (D), inclusive. However, any pipe connected to an underground storage tank installed after July 1, 1987, shall be equipped with secondary containment which complies with paragraphs (1) to (6), inclusive.

(b) The underground storage tank shall be designed and constructed with a monitoring system capable of detecting the entry of the hazardous substance stored in the primary containment into the secondary containment. If water could intrude into the secondary containment, a means of monitoring for water intrusion and for safely removing the water shall also be provided.

(c) When required by the local agency, the underground storage tank shall have a means of overfill protection for any primary tank, including an overfill prevention device or an attention-getting higher level alarm, or both. Primary tank filling operations of underground storage tanks containing motor vehicle fuels which are visually monitored and controlled by a facility operator satisfy the requirements of this subdivision.

(d) If different substances are stored in the same tank and in combination may cause a fire or explosion, or the production of flammable, toxic, or poisonous gas, or the deterioration of a primary or secondary container, those substances shall be separated in both the primary and secondary containment so as to avoid potential intermixing.

(e) If water could enter into the secondary containment by precipitation or infiltration, the facility shall contain a means of removing the water by the owner or operator. This removal system shall also prevent uncontrolled removal of this water and provide for a means of analyzing the removed water for hazardous substance contamination and a means of disposing of the water, if so contaminated, at an authorized disposal facility.

(f) Before the underground storage tank is covered, enclosed, or placed in use, the standard installation testing for requirements for underground storage systems specified in Section 2-7 of the Flammable and Combustible Liquids Code, adopted by the National Fire Protection Association, (NFPA 30) as amended and published in the respective edition of the Uniform Fire Code, shall be followed.

(g) Before the underground storage tank is placed in service, the underground storage systems shall be tested in operating condition using a tank integrity test.

(h) If the underground storage tank is designed to maintain a water level in the secondary containment, the tank shall be equipped with a safe method of removing any excess water to a holding facility and the owner or operator shall inspect the holding facility monthly for the presence of excess water overflow. If excess water is present in the holding facility, the permitholder shall provide a means to analyze the water for hazardous substance contamination and a means to dispose of the water, if so contaminated, at an authorized disposal facility.

SEC. 7. Section 25292 of the Health and Safety Code is amended to read:

25292. For every underground storage tank installed on or before January 1, 1984, and used for the storage of hazardous substances, the following actions shall be taken:

(a) On or before July 1, 1985, the owner shall outfit the facility with a monitoring system capable of detecting unauthorized releases of any hazardous substances stored in the facility, and thereafter, the operator shall monitor each facility, based on materials stored and the type of monitoring installed.

(b) Provide a means for visual inspection of the tank, wherever practical, for the purpose of the monitoring required by subdivision (a). Alternative methods of monitoring the tank on a monthly, or more frequent basis, may be required by the local agency, consistent with the regulations of the board.

The alternative monitoring methods include, but are not limited to, the following methods:

(1) Tank integrity testing for proving the integrity of an underground storage tank and piping system at time intervals specified by the board

(2) A groundwater monitoring well or wells which are downgradient and adjacent to the underground storage tank, vapor analysis within a well where appropriate, and analysis of soil borings at the time of initial installation of the well.

(3) A continuous leak detection and alarm system which is located in monitoring wells adjacent to an underground storage tank and which is approved by the local agency.

(4) For monitoring tanks containing motor vehicle fuels, daily gauging and inventory reconciliation by the operator, if all of the following requirements are met:

(A) Inventory records are kept on file for one year and are reviewed quarterly.

(B) The tank is tested, using the tank integrity test at time intervals specified by the board and whenever there is a shortage greater than the amount which the board shall specify by regulation.

(C) If a pressurized pump system is connected to the tank system, the system has a leak detection device to monitor for leaks in the piping. The leak detection device shall be installed in a manner designed to resist unauthorized tampering and to clearly show by visual inspection if tampering has occurred. The leak detection device shall be tested annually, at a minimum, and all devices found to be not performing in conformance with the manufacturer's leak detection specifications shall be promptly repaired or replaced.

(5) For monitoring underground storage tanks which are located on farms and which store motor vehicle or heating fuels used primarily for agricultural purposes, alternative monitoring methods include the following:

(A) If the tank has a capacity of greater than 1,100 gallons but of 5,000 gallons or less, the tank shall be tested using the tank integrity

test, at least once every three years, and the owner shall utilize tank gauging on a monthly or more frequent basis, as required by the local agency, subject to the specifications provided in paragraph (7) of subdivision (c) of Section 2641 of Title 23 of the California Administrative Code, as that section read on August 13, 1985.

(B) If the tank has a capacity of more than 5,000 gallons, the tank shall be monitored pursuant to the methods for all other tanks specified in this subdivision.

(c) The board shall develop regulations specifying monitoring alternatives. The local agency, or any other public agency specified by the local agency, shall approve the location and number of wells, the depth of wells, and the sampling frequency, pursuant to these regulations.

SEC. 8. Section 25296 of the Health and Safety Code is amended to read:

25296. (a) If there has been any unauthorized release, as defined in Section 25294 or subdivision (a) of Section 25295, from an underground storage tank containing motor vehicle fuel not under pressure, the permitholder may repair the tank once by an interior-coating process if the tank meets all of the following requirements:

(1) One of the following tests has been conducted to determine the thickness of the storage tank:

(A) An ultrasonic test.

(B) Certification by a special inspector that the shell will provide structural support for the interior lining. The special inspector shall make this certification by entering and inspecting the entire interior surface of the tank and shall base this certification upon the following procedures and criteria:

(i) If the tank is made of fiberglass, the tank is cleaned so that no residue remains on the tank wall surface. The special inspector shall take interior diameter measurements and, if the cross-section has compressed more than 1 percent of the original diameter, the tank shall not be certified and shall also not be returned to service. The special inspector shall also conduct an interior inspection to identify any area where compression or tension cracking is occurring and shall determine whether additional glass fiber reinforcing is required for certification before the tank may be lined.

(ii) If the tank is made of steel, the tank interior surface shall be abrasive blasted completely free of scale, rust, and foreign matter, as specified in the American Petroleum Institute's recommended practice 16-31, relating to white metal blasting. The special inspection shall sound any perforations or areas showing corrosion pitting with a brass ballpeen hammer to enlarge the perforation or break through a potentially thin steel area. Tanks that have any of the following defects shall not be certified or returned to service:

(I) A tank which has an open seam or a split longer than three inches.

(II) A tank which has a perforation larger than one and one-half

inches in diameter, or a gauging opening larger than two and one-half inches in diameter.

(III) A tank with five or more perforations.

(IV) A tank with 20 or more perforations in a 500 square foot area.

(V) A tank with a perforation larger than one-half inch.

(C) A test approved by the board as comparable to the tests specified in subparagraph (A) or (B).

If the person conducting the test determines that the test results indicate that the tank has a serious corrosion problem, the local agency may require additional corrosion protection for the tank or may prohibit the permitholder from making the repair.

(2) The material used to repair the tank by an interior-coating process is compatible with the motor vehicle fuel that is stored, as approved by the board by regulation.

(3) The material used to repair the tank by an interior-coating process is applied in accordance with nationally recognized engineering practices such as the American Petroleum Institute's recommended practice No. 1631 for the interior lining of existing underground storage tanks.

(4) Before the tank is placed back into service following the repair, the tank is tested in the operating condition using the tank integrity test.

(b) The board may adopt regulations, in consultation with the State Fire Marshal, for the repair of underground storage tanks, which may include, but are not limited to, a requirement that a test be conducted to determine whether the interior-coating process has bonded to the wall of the tank. The standards specified in subdivision (a) shall remain in effect until the adoption of these regulations.

(c) The board shall, by regulation, require that monitoring systems be installed when a repair is made pursuant to this section. For purposes of this subdivision, "monitoring system" means a continuous leak detection and alarm system which is located in monitoring wells adjacent to an underground storage tank and which is approved by the board.

(d) If there has not been an unauthorized release, as defined in subdivision (a) of Section 25295, from an underground storage tank containing motor vehicle fuel not under pressure, the permitholder may line the interior of the tank as a preventative measure. If an unauthorized release occurs from a tank which was lined as a preventative measure, the permitholder shall not reline the tank again.

SEC. 9. Section 13173 of the Water Code is repealed.

SEC. 10. Section 13174 of the Water Code is repealed.

SEC. 11. Section 2 of this bill incorporates amendments to Section 25281 of the Health and Safety Code proposed by both this bill and SB 921. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 25281 of the Health and Safety Code, and (3) this bill is enacted after SB 921, in which case Section 1 of this bill shall not

become operative.

SEC. 12. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

SEC. 13. The Director of Finance may loan up to three hundred fifty thousand dollars ($350,000) to the State Water Resources Control Board for costs of the board to carry out Section 25284.4 of the Health and Safety Code. The loan may be made from the General Fund at an interest rate equal to the pooled money investment rate in effect on the date the loan is made. The length of the loan term shall be determined by the director.

CHAPTER 1373

An act to amend Sections 10008, 10101, and 10125 of, to add and repeal Article 3.45 (commencing with Section 324.7) of Part 1 of Division 1 of, and to repeal Section 10056.5 of, the Health and Safety Code, and to amend Section 14134.5 of the Welfare and Institutions Code, relating to childbirth.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The State of California has a compelling interest in promoting optimal birthing conditions for each newborn and his or her family, and in assuring access to a range of qualified birthing personnel providing at least adequate levels of prenatal, birthing, and postpartum care and services to each newborn Californian and his or her family.

(b) The present failure of California to assure adequate standards of that care, and especially continuity throughout pregnancy and the birth event, has resulted in abysmal infant morbidity and mortality rates relative to any and all industrialized nations, and below many far less affluent nations.

(c) The reasons for this unacceptable and shameful failure have been articulated in many studies and journals, and have been the subject of numerous hearings before the Legislature and the inspiration for many serious legislative proposals and initiatives, some of which have been enacted and implemented.

(d) Foremost among the reasons for high morbidity and mortality rates in California is that the cost of even minimal standards of

obstetrical care is out of the reach of many Californians who fail to seek out prenatal care in preparation for delivery, and who, as a result, do not receive the care essential to the health of their newborn.

(e) The measure most often cited as a general indication of poor prenatal care is low and very low birth weight. This measure is also cited most often in connection with mortality, serious and life-threatening complications, and as a factor in an overwhelming number of long-term and intensive care hospitalizations.

(f) Low and very low birth weight is routinely prevented when even minimal prenatal care is provided, and is among the most preventable of poor birth outcomes.

(g) Minimal standards of prenatal care require continuity of professional care from the first trimester through the birth event.

(h) Inadequate prenatal care is defined as failing to receive professional care until the third trimester, if at all. One hundred sixty-six thousand one hundred sixty California babies were born to mothers receiving inadequate prenatal care between 1979 and 1983, according to a study performed under the auspices of the California Obstetrical Access Pilot Project. One out of 12 mothers in California receives inadequate medical attention by this standard today.

(i) The mortality rate for babies born without adequate care, as defined above, is five times greater than for those receiving even minimal level prenatal care.

(j) Among teenage mothers, 15 years and younger, 22.3 percent fail to receive adequate care during their pregnancy.

(k) Among Black and Hispanic mothers, over 30 percent fail to receive any prenatal care in the first trimester. The low birth weight among all Black families is twice the general population, and twice as many Black babies die within the first year of life as the general population.

(*l*) As estimated by the California Obstetrical Access Pilot Project study, the taxpayer cost of caring for low birth weight babies in California in 1984 was over twenty-nine million dollars ($29,000,000) for Medi-Cal payment to neonatal intensive care units alone.

(m) The California Obstetrical Access Pilot Project demonstrated a reduction of low birth weight outcomes of between 30 and 40 percent over a control group through providing a minimal and relatively inexpensive standard of prenatal care. The project also documented a net cost savings to taxpayers of about two dollars and sixty cents ($2.60) for every dollar invested in the pilot project.

(n) Obstetrical services provided to mothers who are Medi-Cal recipients are reimbursed at between 25 and 30 percent of third party or private fees.

(o) In a recent American Medical Association poll, one in four obstetricians and family practitioners reported that they had left their obstetrical practice already or were seriously considering discontinuing delivery services entirely because of liability insurance costs.

(p) Today, less than 35 percent of physicians accept Medi-Cal recipients for obstetrical care.

(q) The state's compelling interest in assuring appropriate levels of obstetrical, and especially prenatal, care to all Californians must continue to be addressed; however, even where direct costs savings can be immediately shown, it is the intention of the Legislature to seek out and implement those reforms which will provide maximum benefit at the least cost to the taxpayer.

SEC. 2. (a) The Alternative Birthing Methods Study (ABMS), Chapter 1645 of the Statutes of 1984, was mandated to explore the factors needed to provide healthy and humane births to California families.

(b) The ABMS study concluded that systemic problems existed as a barrier to assuring even adequate birthing care in California, including, cost of care, distribution of professional care in the state, the inadequacy of Medi-Cal reimbursement rates and the lack of professionals who will accept Medi-Cal recipients, defensive standards of practice in normal births, lack of safe and affordable birthing options for the family, lack of knowledge about choosing safe birthing options, and defensive and routine hospital protocols and procedures in normal pregnancies which were unacceptable to the general public in general and certain cultural minorities in specific.

(c) It is the intent of the Legislature, by enacting this act, to address, to the extent fiscally possible, these barriers to adequate obstetrical care, and to implement the recommendations of the Alternative Birthing Methods Study.

SEC. 3. The Legislature find and declares the following:

(a) Certified Nurse Midwives (CNM's) are professionally qualified to monitor and provide obstetrical care for approximately 50 to 60 percent of all pregnancies, and virtually all normal deliveries.

(b) CNM's constitute an increasingly important solution to the crisis in obstetrical access, costs, and lack of safe birthing options. The utilization of CNM's should be dramatically increased to assure adequate obstetrical care to all Californians.

(c) Obstacles to increasing the utilization of CNM's include lack of hospital privileges, liability insurance costs and availability, lack of funding for training facilities, and the difficulty in securing physicians with whom to practice in a consultative relationship.

SEC. 4. Article 3.45 (commencing with Section 324.7) is added to Part 1 of Division 1 of the Health and Safety Code, to read:

Article 3.45. Infant Mortality and Morbidity Prevention

324.7. The State Department of Health Services shall develop a plan to identify causes of infant mortality and morbidity in California and to study recommendations on the reduction of infant mortality and morbidity in California.

The study plan shall be completed on or before July 1, 1988, and shall be developed in conjunction with, and reviewed by, each of the

following organizations:

(1) The California Medical Association.
(2) The California Nurses Association.
(3) The California Hospital Association.
(4) The American College of Obstetrics and Gynecologists.
(5) The American College of Nurse Midwives.
(6) The California Academy of Family Physicians.
(7) The American Academy of Pediatrics.
(8) The California Association of Freestanding Birth Centers.
(9) The American Public Health Association.
(10) The Board of Medical Quality Assurance.
(11) The Board of Registered Nurses.
(12) The Department of Consumer Affairs.
(13) The Office of Statewide Health Planning and Development.
(14) The California Association of Midwives.

324.8. The study plan shall incorporate in its design the findings of MCH Title V Research Contract DHS 8689088, the "Maternal Neonatal and Fetal Mortality Study."

The State Department of Health Services shall issue a report to the Legislature on or before July 1, 1989, concerning causal factors in infant mortality and morbidity.

SEC. 5. Section 10008 of the Health and Safety Code is amended to read:

10008. When objection is made by either parent to the furnishing of information requested in items (3), (9), and (10) in the confidential portion of the certificate of live birth, specified in subdivision (b) of Section 10125, this information shall not be required to be entered on that portion of the certificate of live birth.

SEC. 6. Section 10101 of the Health and Safety Code is amended to read:

10101. For live births which occur in a hospital, the administrator of the hospital or a representative designated by the administrator in writing may sign the birth certificate certifying the fact of birth instead of the attending physician and surgeon, certified nurse midwife, or principal attendant if the physician and surgeon, certified nurse midwife, or principal attendant is not available to sign the certificate; and shall be responsible for registering the certificate with the local registrar within the time specified in Section 10100.

SEC. 7. Section 10125 of the Health and Safety Code is amended to read:

10125. (a) The certificate of live birth for any live birth occurring on or after January 1, 1980, shall contain those items necessary to establish the fact of the birth and shall contain only the following information:

(1) Full name and sex of child.
(2) Date of birth, including month, day, hour, and year.
(3) Planned place of birth and place of birth.
(4) Full name of father, birthplace, and date of birth of father including month, day, and year.

(5) Full birth name of mother, birthplace, and date of birth of mother including month, day, and year.

(6) Multiple births and birth order of multiple births.

(7) Signature, and relationship to child, of a parent or other informant, and date signed.

(8) Name, title, and mailing address of attending physician and surgeon or principal attendant, signature, and certification of live birth by attending physician and surgeon or principal attendant or certifier, date signed, and name and title of certifier if other than attending physician and surgeon or principal attendant.

(9) Date accepted for registration and signature of local registrar.

(10) A state birth certificate number and local registration district and number.

(11) A blank space for entry of date of death with a caption reading "Date of Death."

(b) In addition to the items listed in subdivision (a), the certificate of live birth shall contain the following medical and social information, provided that the information is kept confidential pursuant to the provisions of Section 10125.5 and is clearly labeled "Confidential Information for Public Health Use Only":

(1) Birth weight.

(2) Pregnancy history.

(3) Race and ethnicity of mother and father.

(4) Residence address of mother.

(5) A blank space for entry of census tract for mother's address.

(6) Month prenatal care began and number of prenatal visits.

(7) Date of last normal menses.

(8) Description of complications of pregnancy and concurrent illnesses, congenital malformation, and any complication of labor and delivery, including surgery; provided that this information is essential medical information and appears in total on the face of the certificate.

(9) Mother's and father's occupations and kind of business or industry.

(10) Education level of mother and father.

(c) Item 8, specified in subdivision (b), shall be completed by the attending physician and surgeon or the attending physician's and surgeon's designated representative. The names and addresses of children born with congenital malformations, who require followup treatment, as determined by the child's physician and surgeon, shall be furnished by the physician and surgeon to the local health officer, if permission is granted by either parent of the child.

(d) The parent shall only be asked to sign the form after both the public portion and the confidential medical and social information items have been entered upon the certificate of live birth.

(e) The State Registrar shall instruct all local registrars to collect the information specified in this section with respect to certificates of live birth. The information shall be transcribed on the certificate of live birth in use at the time and shall be limited to the information

specified in this section.

Information relating to concurrent illnesses, complications of pregnancy and delivery, and congenital malformations shall be completed by the physician and surgeon, or physician's and surgeon's designee, inserting in the space provided on the confidential portion of the certificate the appropriate number or numbers listed on the VS-10A supplemental worksheet. The VS-10A supplemental form shall be used as a worksheet only and shall not in any manner be linked with the identity of the child or the mother, nor submitted with the certificate to the State Registrar. All information transferred from the worksheet to the certificate shall be fully explained to the parent or other informant prior to the signing of the certificate. No questions relating to drug or alcohol abuse may be asked.

SEC. 8. Section 10056.5 of the Health and Safety Code is repealed.

SEC. 9. Sections 6 to 9, inclusive, of this act shall apply only to children born on or after January 1, 1989.

SEC. 10. Section 14134.5 of the Welfare and Institutions Code is amended to read:

14134.5. All of the following provisions apply to the provision of services pursuant to subdivision (v) of Section 14132:

(a) "Comprehensive perinatal provider" means any general practice physician, family practice physician, obstetrician-gynecologist, pediatrician, certified nurse midwife, a group, any of whose members is one of the above-named physicians, or any preferred provider organization or clinic holding a valid and current Medi-Cal provider number and certified pursuant to the standards of this section.

(b) "Perinatal" means the period from the establishment of pregnancy to one month following delivery.

(c) "Comprehensive perinatal services" shall include, but not be limited to, the provision of the combination of services developed through the Department of Health Services Obstetrical Access Pilot Program.

(d) The comprehensive perinatal provider shall schedule visits with appropriate providers and shall track the patient to verify whether services have been received. As part of the reimbursement for coordinating these services, the comprehensive perinatal provider shall ensure the provision of the following services either through the provider's own service or through subcontracts or referrals to other providers:

(A) A psychosocial assessment and when appropriate referrals to counseling.

(B) Nutrition assessments and when appropriate referral to counseling on food supplement programs, vitamins and breast-feeding.

(C) Health, childbirth, and parenting education.

(e) Except where existing law prohibits the employment of physicians, a health care provider may employ or contract with all

of the following medical and other practitioners for the purpose of providing the comprehensive services delineated in this section:

(1) Physicians, including a general practitioner, a family practice physician, a pediatrician, or an obstetrician-gynecologist.

(2) Certified nurse midwives.

(3) Nurses.

(4) Nurse practitioners.

(5) Physicians assistants.

(6) Social workers.

(7) Health and childbirth educators.

(8) Registered dietitians.

The department shall promulgate regulations which define the qualifications of any of these practitioners who are not currently included under the regulations promulgated pursuant to this chapter. Providers shall, as feasible, utilize staffing patterns which reflect the linguistic and cultural features of the populations they serve.

(f) The California Medical Assistance Program and the Maternal and Child Health Branch of the State Department of Health Services in consultation with the California Conference of Local Health Officers shall establish standards for health care providers and for services rendered pursuant to this subdivision.

(g) The department shall assist local health departments to establish a community perinatal program whose responsibilities may include certifying and monitoring providers of comprehensive perinatal services. The department shall provide the local health departments with technical assistance for the purpose of implementing the community perinatal program. The department shall, to the extent feasible, and to the extent funding for administrative costs is available, utilize local health departments in the administration of the perinatal program. If such funds are not available, the department shall use alternative means to implement the community perinatal program.

(h) It is the intent of the Legislature that the department shall establish a method for reimbursement of comprehensive perinatal providers which shall include a fee for coordinating services and which shall be sufficient to cover reasonable costs for the provision of comprehensive perinatal services. The department may utilize fees for service, capitated fees, or global fees to reimburse providers. However, if capitated or global fees are established, the department shall set minimum standards for the provision of services including, but not limited to, the number of prenatal visits and the amount and type of psychosocial, nutritional, and educational services patients shall receive.

Notwithstanding the type of reimbursement system, the comprehensive perinatal provider shall not be financially at risk for the provision of inpatient services. The provision of inpatient services which are not related to perinatal care shall not be subject to the provisions of this section. Inpatient services related to services

pursuant to this subdivision shall be reimbursed, in accordance with Section 14081, 14086, 14087, or 14087.2, whichever is applicable.

(i) The department shall develop systems for monitoring and oversight of the comprehensive perinatal services provided in this section. The monitoring shall include, but shall not be limited to, collection of information using the perinatal data form.

(j) Participation for services provided pursuant to this section shall be voluntary. The department shall adopt patient rights safeguards for recipients of the comprehensive perinatal services.

SEC. 11. Section 14134.5 of the Welfare and Institutions Code is amended to read:

14134.5. All of the following provisions apply to the provision of services pursuant to subdivision (v) of Section 14132:

(a) "Comprehensive perinatal provider" means any general practice physician, family practice physician, obstetrician-gynecologist, pediatrician, certified nurse midwife, a group, any of whose members is one of the above-named physicians, or any preferred provider organization or clinic holding a valid and current Medi-Cal provider number and certified pursuant to the standards of this section.

(b) "Perinatal" means the period from the establishment of pregnancy to one month following delivery.

(c) "Comprehensive perinatal services" shall include, but not be limited to, the provision of the combination of services developed through the Department of Health Services Obstetrical Access Pilot Program.

(d) The comprehensive perinatal provider shall schedule visits with appropriate providers and shall track the patient to verify whether services have been received. As part of the reimbursement for coordinating these services, the comprehensive perinatal provider shall ensure the provision of the following services either through the provider's own service or through subcontracts or referrals to other providers:

(1) A psychosocial assessment and when appropriate referrals to counseling.

(2) Nutrition assessments and when appropriate referral to counseling on food supplement programs, vitamins and breast-feeding.

(3) Health, childbirth, and parenting education.

(e) Except where existing law prohibits the employment of physicians, a health care provider may employ or contract with all of the following medical and other practitioners for the purpose of providing the comprehensive services delineated in this section:

(1) Physicians, including a general practitioner, a family practice physician, a pediatrician, or an obstetrician-gynecologist.

(2) Certified nurse midwives.

(3) Nurses.

(4) Nurse practitioners.

(5) Physicians assistants.

(6) Social workers.
(7) Health and childbirth educators.
(8) Registered dietitians.

The department shall promulgate regulations which define the qualifications of any of these practitioners who are not currently included under the regulations promulgated pursuant to this chapter. Providers shall, as feasible, utilize staffing patterns which reflect the linguistic and cultural features of the populations they serve.

(f) The California Medical Assistance Program and the Maternal and Child Health Branch of the State Department of Health Services in consultation with the California Conference of Local Health Officers shall establish standards for health care providers and for services rendered pursuant to this subdivision.

(g) The department shall assist local health departments to establish a community perinatal program whose reponsibilities may include certifying and monitoring providers of comprehensive perinatal services. The department shall provide the local health departments with technical assistance for the purpose of implementing the community perinatal program. The department shall, to the extent feasible, and to the extent funding for administrative costs is available, utilize local health departments in the administration of the perinatal program. If such funds are not available, the department shall use alternative means to implement the community perinatal program.

(h) It is the intent of the Legislature that the department shall establish a method for reimbursement of comprehensive perinatal providers which shall include a fee for coordinating services and which shall be sufficient to cover reasonable costs for the provision of comprehensive perinatal services. The department may utilize fees for service, capitated fees, or global fees to reimburse providers. However, if capitated or global fees are established, the department shall set minimum standards for the provision of services including, but not limited to, the number of prenatal visits and the amount and type of psychosocial, nutritional, and educational services patients shall receive. The department shall establish financial incentives of at least one hundred fifty dollars ($150) for initiating prenatal care in the first trimester and for prenatal visits in excess of nine visits.

Notwithstanding the type of reimbursement system, the comprehensive perinatal provider shall not be financially at risk for the provision of inpatient services. The provision of inpatient services which are not related to perinatal care shall not be subject to of this section. Inpatient services related to services pursuant to this subdivision shall be reimbursed, in accordance with Section 14081, 14086, 14087, or 14087.2, whichever is applicable.

(i) The department shall develop systems for monitoring and oversight of the comprehensive perinatal services provided in this section. The monitoring shall include, but shall not be limited to, collection of information using the perinatal data form.

(j) Participation for services provided pursuant to this section shall be voluntary. The department shall adopt patient rights safeguards for recipients of the comprehensive perinatal services.

SEC. 12. Section 11 of this bill incorporates amendments to Section 14134.5 of the Welfare and Institutions Code proposed by both this bill and AB 351. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 14134.5 of the Welfare and Institutions Code, and (3) this bill is enacted after AB 351, in which case Section 10 of this bill shall not become operative.

SEC. 13. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1374

An act to add Article 9.6 (commencing with Section 25209) to Chapter 6.5 of Division 20 of the Health and Safety Code, relating to hazardous waste.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Article 9.6 (commencing with Section 25209) is added to Chapter 6.5 of Division 20 of the Health and Safety Code, to read:

Article 9.6. Land Treatment Units

25209. The Legislature finds and declares as follows:

(a) Hazardous waste discharged into land treatment units may migrate beyond the treatment zone of the land treatment unit and thereby threaten the public health and the environment and pose a serious threat to the quality of the waters of this state.

(b) With the exception of land treatment units, all major forms of land disposal units are required by law to be equipped with liner and leachate collection and removal systems to ensure sufficient protection of the public health and safety and the environment and to protect the quality of the waters of this state. It is in the public interest to extend these requirements to include land treatment units.

(c) It is the intent of the Legislature to establish a uniform and workable procedure for implementing requirements for liner and

leachate collection and removal systems in all existing land treatment units, and replacements and lateral expansions of existing and new land treatment units, and to ensure that the vadose zone and groundwater beneath all land treatment units is adequately monitored to detect the presence of any contamination. Land treatment units in operation in this state must be made safe, or closed if necessary, to protect public health and safety and the environment, including the waters of the state.

25209.1. For purposes of this article, the following definitions apply:

(a) "Constituent" shall have the meaning specified in subdivision (e) of Section 25208.2.

(b) "Discharge" means to place, dispose, or store hazardous wastes in a land treatment unit.

(c) "Facility" shall have the meaning specified in subdivision (h) of Section 25208.2.

(d) "Hazardous waste" means a hazardous waste, as defined in Section 25117.

(e) "Land treatment unit" means a facility or part of a facility at which hazardous waste is applied onto or incorporated into the soil surface so that hazardous constituents are degraded, transformed, or immobilized within the treatment zone.

(f) "Pollution" has the same meaning as specified in Section 13050 of the Water Code.

(g) "Potential source of drinking water" shall have the meaning specified in subdivision (s) of Section 25208.2.

(h) "Treatment zone" means the portion of a land treatment unit including the soil surface, within which hazardous constituents are degraded, transformed, or immobilized. A treatment zone may not extend more than five feet below the initial surface and the base of the treatment zone shall be a minimum of five feet above the highest anticipated elevation of underlying groundwater.

(i) "Vadose zone" shall have the meaning specified in subdivision (y) of Section 25208.2. However, for purposes of this article, the vadose zone shall not include the treatment zone.

(j) "Waste management unit" shall have the meaning specified in subdivision (z) of Section 25208.2.

25209.2. (a) Notwithstanding any other provision of law, unless granted a variance pursuant to subdivision (b), or exempted pursuant to Section 25209.6, no person shall discharge hazardous waste into a new land treatment unit at a new or existing facility, any land treatment unit which replaces an existing land treatment unit, or any laterally expanded portion of an existing land treatment unit that has not been equipped with liners, a leachate collection and removal system, and a groundwater monitoring system which satisfy the requirements of Section 25209.5.

(b) The department may grant a variance from the requirements of subdivision (a) and from the requirements of Section 25209.3 if the owner or operator demonstrates to the department and the

department finds the following:

(1) If the land treatment unit is an existing land treatment unit, no hazardous waste constituents have migrated from the treatment zone of the land treatment unit into the vadose zone or into the waters of the state in concentrations which pollute or threaten to pollute the vadose zone or the waters of the state. In making this demonstration the owner or operator shall take a sufficient number of core samples in, beneath, and surrounding the treatment zone of the land treatment unit to characterize the chemical constituents in the treatment zone, in the immediate area of the vadose zone surrounding the treatment zone, and in the area of the vadose zone beneath the treatment zone and shall submit groundwater monitoring data sufficient in scope to demonstrate that there has been no migration of hazardous constituents into the vadose zone or into the waters of the state in concentrations which pollute or threaten to pollute the vadose zone or the waters of the state. The owner or operator, as an alternative to taking these core samples, may use the data obtained from any land treatment demonstration required by the department before issuing a hazardous waste facilities permit pursuant to Section 25200, if the data was obtained not more than two years prior to the application for the variance and is sufficient in scope to demonstrate that there has been no migration of hazardous constituents into the vadose zone or into the waters of the state in concentrations which pollute or threaten to pollute the vadose zone or the waters of the state.

(2) Notwithstanding the date that the land treatment unit commences operations, the design and operating practices will prevent the migration of hazardous waste constituents from the treatment zone of the land treatment unit into the vadose zone or into the waters of the state in concentrations which pollute or threaten to pollute the vadose zone or the waters of this state.

(3) Notwithstanding the date that the land treatment unit commences operations, the design and operating practices provide for rapid detection and removal or remediation of any hazardous waste constituents that migrate from the treatment zone of the land treatment unit into the vadose zone or into the waters of the state in concentrations which pollute or threaten to pollute the vadose zone or the waters of the state.

(c) The department may renew a variance only in those cases where an owner or operator can demonstrate, and the department finds, both of the following:

(1) No hazardous waste constituents have migrated from the treatment zone of the land treatment unit into the vadose zone or into the waters of the state in concentrations which pollute or threaten to pollute the vadose zone or the waters of the state.

(2) Continuing the operation of the land treatment unit does not pose a significant potential of hazardous waste constituents migrating from the land treatment unit into the vadose zone or into the waters of the state in concentrations which pollute or threaten

to pollute the vadose zone or the waters of the state.

In making the demonstration for the renewal of a variance pursuant to this subdivision, the owner or operator may use field tests, laboratory analyses, or, operating data.

(d) A variance, or a renewal of a variance, may be issued for a period not to exceed three years.

(e) Except for the exemption from vadose zone monitoring requirements specified in Section 25209.5, neither the requirements of this article nor the variance provisions of subdivision (b) shall relieve the owner or operator from responsibility to comply with all other existing laws and regulations pertinent to land treatment units.

25209.3. Notwithstanding any other provision of law, after January 1, 1990, unless granted a variance pursuant to subdivision (b) of Section 25209.2, or exempted pursuant to Section 25209.6, no person shall discharge hazardous waste into a land treatment unit which has not been equipped with liners, a leachate collection and removal system, and a groundwater monitoring system which satisfy the requirements of Section 25209.5.

25209.4. (a) Except as provided in Section 25209.6, no person shall place or dispose of hazardous waste in a land treatment unit if any of the following conditions exist:

(1) Hazardous waste constituents have migrated from the land treatment unit into the vadose zone beneath or surrounding the treatment zone or in the waters beneath the treatment zone in concentrations which pollute or threaten to pollute the vadose zone or the waters of the state.

(2) There is evidence that a hazardous constituent in the waste discharged to the land treatment unit has not been or will not be completely degraded, transformed, or immobilized in the treatment zone.

(3) The land treatment unit is not equipped with liners, leachate collection and removal systems, and a groundwater monitoring system that satisfy the requirements of Section 25209.5 and there is a significant potential for hazardous waste constituents to migrate from the land treatment unit into a potential source of drinking water.

(b) The owner or operator of a land treatment unit shall do all of the following:

(1) Periodically, at the request of the department, and at least annually, submit information the department may require to assure that the conditions set forth in paragraph (1) or (2) of subdivision (a) are not present. The information to be submitted to the department shall include, but is not limited to, a sufficient number of soil core samples in, beneath, and surrounding the treatment zone of the land treatment unit to detect any hazardous waste constituents in concentrations which pollute, or threaten to pollute, the vadose zone or the waters of the state to demonstrate compliance with subdivision (a).

(2) Within 72 hours of detecting and confirming the existence of

either of the conditions identified in paragraph (1) or (2) of subdivision (a), or the presence of factors that render the owner or operator unable to continue satisfying the variance requirements of subdivision (b) of Section 25209.2, report to the department describing the full extent of the owner's or operator's findings.

(c) Upon receiving notice pursuant to paragraph (2) of subdivision (b), or upon the independent confirmation by the department, the department shall order the owner or operator to cease operating the land treatment unit. The owner or operator shall not resume operating the land treatment unit and shall close the land treatment unit unless one of the following actions is taken:

(1) The owner or operator completes appropriate removal and remedial actions to the satisfaction of the department and the owner or operator submits to the department, and the department approves, an application for a permit or variance modification to modify the operating practices at the facility to maximize the success of degradation, immobilization, or transformation processes in the treatment zone, if the owner or operator has not previously submitted an application for a permit or variance modification pursuant to this paragraph.

(2) The owner or operator completes appropriate removal and remedial actions and equips the land treatment unit with liners, leachate collection and removal systems, and a groundwater monitoring system that satisfy the requirements of Section 25209.5, if the land treatment unit has not already been equipped with these systems.

(d) All actions taken by an owner or operator pursuant to paragraph (1) or (2) of subdivision (c) shall be completed within a reasonable time, but not longer than 18 months after the department receives notice pursuant to subdivision (c). If the actions are not completed within this time period, the land treatment unit shall be closed, unless granted an extension by the department due to exceptional circumstances beyond the control of the owner and operator.

25209.5. The liner, leachate collection and removal, and groundwater monitoring systems required by Sections 25209.2, 25209.3, and 25209.4 shall be designed, constructed, and operated according to department and State Water Resources Control Board regulations and standards for liner, leachate collection and removal, and groundwater monitoring systems for class I hazardous waste landfills. Owners or operators of land treatment units which are equipped with liners, leachate collection and removal systems, and a groundwater monitoring system that satisfy the requirements of this section shall not be required to perform vadose zone monitoring.

25209.6. Land treatment of contaminated soil resulting from a removal and remedial action at any hazardous substance release site is exempt from the requirements of Sections 25209.2, 25209.3, and 25209.4, if all of the following apply:

(a) The land treatment does not pose a threat to public health or

safety or the environment.

(b) The land treatment is conducted pursuant to a remedial action plan approved by the department or a cleanup and abatement order issued by a regional water quality control board.

(c) The land treatment is not conducted at an offsite commercial hazardous waste facility.

(d) The land treatment is used only for purposes of removal and remedial action and, upon completion of the land treatment portion of the removal and remedial action, the land treatment unit is closed.

25209.7. (a) Every owner or operator of a land treatment unit subject to this article shall pay an annual fee to the department which shall be equivalent to 2 percent of the land disposal fee due under Section 25205.4. This fee shall be in addition to the annual hazardous waste facility fee and shall be due at the same time as the facility fee.

(b) An owner or operator of a land treatment unit who applies for a variance pursuant to Section 25209.2 shall pay a processing fee which shall be equivalent to 2 percent of the land disposal fee due under Section 25205.4. This fee shall be due at the time the variance is requested.

(c) The department may, by regulation, increase or decrease the amount of the fees specified in subdivisions (a) and (b) if the department finds that the amounts charged do not reflect the cost of providing services under this article.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1375

An act to amend Sections 11017.6, 11342.1, 11343, 11343.5, 11344, 11344.1, 11344.2, 11344.4, 11344.6, 11344.7, 11346.1, 11346.2, 11346.4, 11346.5, 11346.53, 11346.55, 11346.7, 11346.8, 11347.3, 11347.5, 11349.1, 11349.3, 11349.4, 11349.5, 11349.6, 11350.3, 11351, and 11356 of, to amend and renumber Section 11349.9 of, to add Section 11340.15 to, and to repeal Sections 11346.6, 11349.2, 11349.7, and 11349.8 of, the Government Code, relating to administrative regulations.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 11017.6 of the Government Code is amended to read:

11017.6. Every state agency responsible for implementing a

statute which requires interpretation pursuant to the Administrative Procedure Act shall prepare, by January 30 of each year, a rulemaking calendar for that year. The rulemaking calendar shall be prepared in accordance with a format specified by the office, approved by the head of the department or, if the rulemaking agency is an entity other than a department, by the officer, board, commission, or other entity which has been delegated the authority to adopt, amend, or repeal regulations, and published in the California Regulatory Notice Register. The preparation of the rulemaking calendar shall not preclude adoption of a regulation that is not included in the rulemaking calendar but which is required by circumstances not reasonably anticipated at the time that the rulemaking calendar is prepared.

The rulemaking calendar shall consist of two schedules as follows:

(a) A schedule which describes the rulemaking necessary to implement statutes enacted during the previous year. The schedule shall include the projected dates on which the agency plans to:

(1) Publish the notice of proposed action for each rulemaking.

(2) Schedule a public hearing if one is required or requested.

(3) Adopt the regulations.

(4) Submit the regulations to the office for review.

In addition, the schedule shall identify the organizational unit within the agency which is responsible for each rulemaking and the name and telephone number of the agency officer to whom inquiries concerning the rulemaking may be directed.

(b) A schedule which describes all other rulemaking the agency plans to propose, to implement or interpret other statutes enacted during years prior to the previous year. The schedule shall contain the same information concerning rulemaking as is required in the schedule prepared under subdivision (a), and a report on the status of all uncompleted rulemaking that was described on previous calendars.

In addition to publishing the rulemaking calendar in the California Regulatory Notice Register, state agencies subject to this section shall send the calendar to the author of each statute enacted during the previous year for which the agency has responsibility, together with an explanation of the priority the agency has given the statute in the rulemaking calendar.

SEC. 1.5. Section 11340.15 is added to the Government Code, to read:

11340.15. The office, at the request of any standing, select, or joint committee of the Legislature, shall initiate a priority review of any regulation, group of regulations, or series of regulations which the committee believes does not meet the standards set forth in Section 11349.1.

The office shall notify interested persons and shall publish in the California Regulatory Notice Register that a priority review has been requested, shall consider the written comments submitted by interested persons, the information contained in the rulemaking

record, if any, and shall complete each priority review made pursuant to this subdivision within 90 calendar days of the receipt of the committee's written request. During the period of any priority review made pursuant to this section, all information available to the office relating to the priority review shall be made available to the public. In the event that the office determines that a regulation does not meet the standards set forth in Section 11349.1, it shall order the adopting agency to show cause why the regulation should not be repealed and shall proceed to seek repeal of the regulation as provided by this section in accordance with the following:

(a) In the event it determines that any of the regulations subject to the review do not meet the standards set forth in Section 11349.1, the office shall within 15 days of the determination order the adopting agency to show cause why the regulation should not be repealed. In issuing the order, the office shall specify in writing the reasons for its determination that the regulation does not meet the standards set forth in Section 11349.1. The reasons for its determination shall be made available to the public. The office shall also publish its order and the reasons therefor in the California Regulatory Notice Register. In the case of a regulation for which no, or inadequate information relating to its necessity can be furnished by the adopting agency, the order shall specify the information which the office requires to make its determination.

(b) No later than 60 days following receipt of an order to show cause why a regulation should not be repealed, the agency shall respond in writing to the office. Upon written application by the agency, the office may extend the time for an additional 30 days.

(c) The office shall review and consider all information submitted by the agency in a timely response to the order to show cause why the regulation should not be repealed, and determine whether the regulation meets the standards set forth in Section 11349.1. The office shall make this determination within 60 days of receipt of an agency's response to the order to show cause. If the office does not make a determination within 60 days of receipt of an agency's response to the order to show cause, the regulation shall be deemed to meet the standards set forth in subdivision (a) of Section 11349.1. In making this determination, the office shall also review any written comments submitted to it by the public within 30 days of the publication of the order to show cause in the California Regulatory Notice Register. During the period of review and consideration, the information available to the office relating to each regulation for which the office has issued an order to show cause shall be made available to the public. The office shall notify the adopting agency within two working days of the receipt of information submitted by the public regarding a regulation for which an order to show cause has been issued. If the office determines that a regulation fails to meet the standards, it shall prepare a statement specifying the reasons for its determination. The statement shall be delivered to the adopting agency, the Legislature, and the Governor and shall be made

available to the public and the courts. Thirty days after delivery of the statement required by this subdivision the office shall prepare an order of repeal of the regulation and shall transmit it to the Secretary of State for filing.

(d) The Governor, within 30 days after the office has delivered the statement specifying the reasons for its decision to repeal, as required by subdivision (c), may overrule the decision of the office ordering the repeal of a regulation. The regulation shall then remain in full force and effect. Notice of the Governor's action and the reasons therefor shall be published in the California Regulatory Notice Register.

The Governor shall transmit to the rules committee of each house of the Legislature a statement of reasons for overruling the decision of the office, plus any other information that may be requested by either of the rules committees.

(e) In the event that the office orders the repeal of a regulation, it shall publish the order and the reasons therefor in the California Regulatory Code Supplement.

SEC. 2. Section 11342.1 of the Government Code is amended to read:

11342.1. Except as provided in Section 11342.4, nothing in this chapter confers authority upon or augments the authority of any state agency to adopt, administer, or enforce any regulation. Each regulation adopted, to be effective, shall be within the scope of authority conferred and in accordance with standards prescribed by other provisions of law.

SEC. 3. Section 11343 of the Government Code is amended to read:

11343. Every state agency shall:

(a) Transmit to the office for filing with the Secretary of State a certified copy of every regulation adopted or amended by it except one which:

(1) Establishes or fixes rates, prices, or tariffs.

(2) Relates to the use of public works, including streets and highways, when the effect of the regulation is indicated to the public by means of signs or signals or when the order determines uniform standards and specifications for official traffic control devices pursuant to Section 21400 of the Vehicle Code.

(3) Is directed to a specifically named person or to a group of persons and does not apply generally throughout the state.

(4) Is a building standard, as defined in Section 18909 of the Health and Safety Code.

(b) Transmit to the office for filing with the Secretary of State a certified copy of every order of repeal of a regulation required to be filed under subdivision (a).

(c) Deliver to the office, at the time of transmittal for filing a regulation or order of repeal six duplicate copies of the regulation or order of repeal, together with a citation of the authority pursuant to which it or any part thereof was adopted.

(d) Deliver to the office a copy of the notice of proposed action required by Section 11346.4.

(e) Transmit to the State Building Standards Commission for approval a certified copy of every regulation, or order of repeal of a regulation, that is a building standard together with a citation of authority pursuant to which it or any part thereof was adopted, a copy of the notice of proposed action required by Section 11346.4, and any other records prescribed by the State Building Standards Law (Part 2.5 (commencing with Section 18901) of Division 13 of the Health and Safety Code).

(f) Whenever a certification is required by this section, it shall be made by the head of the state agency or his or her designee which is adopting, amending, or repealing the regulation and the certification and delegation shall be in writing.

SEC. 3.2. Section 11343.5 of the Government Code is amended to read:

11343.5. Within 10 days from the receipt of printed copies of the California Code of Regulations or of the California Regulatory Code Supplement from the State Printing Office, the office shall file one copy of the particular issue of the code or supplement in the office of the county clerk of each county in this state, or if the authority to accept filings on his or her behalf has been delegated by the county clerk of any county pursuant to Section 26803.5, in the office of the person to whom that authority has been delegated.

SEC. 3.5. Section 11344 of the Government Code is amended to read:

11344. The office shall do all of the following:

(a) Provide for the official compilation, printing, and publication of adoption, amendment, or repeal of regulations, which shall be known as the California Code of Regulations.

(b) Provide for the compilation, printing, and publication of weekly updates of the California Code of Regulations. This publication shall be known as the California Regulatory Code Supplement and shall contain the following:

(1) Amendments to the code.

(2) A summary of all regulations filed with the Secretary of State in the previous week.

(3) All regulation decisions issued in the previous week detailing the reasons for disapproval of a regulation, the reasons for not filing an emergency regulation and the reasons for repealing an emergency regulation. The California Regulatory Code Supplement shall also include a quarterly index of regulation decisions.

(4) The Governor's action in reviewing the disapprovals of the office, the decisions to repeal, the agency's request for review, the office's response thereto, and the decisions of the Governor's office, as required by Section 11340.15.

(c) Provide for the publication dates and manner and form in which regulations shall be printed and distributed and ensure that regulations are available in printed form at the earliest practicable

date after filing with the Secretary of State.

(d) Ensure that each regulation is printed together with a reference to the statutory authority pursuant to which it was enacted and the specific statute or other provision of law which the regulation is implementing, interpreting, or making specific.

SEC. 4. Section 11344.1 of the Government Code is amended to read:

11344.1. The office shall do all of the following:

(a) Provide for the publication of the California Regulatory Notice Register, which shall be an official publication of the State of California and which shall contain the following:

(1) Notices of proposed action prepared by regulatory agencies, subject to the notice requirements of this chapter, and which have been approved by the office.

(2) A list of determinations pursuant to Section 11347.5.

(b) Establish the publication dates and manner and form in which the California Regulatory Notice Register shall be prepared and published and insure that it is published and distributed in a timely manner to the presiding officer and rules committee of each house of the Legislature and to all subscribers.

SEC. 4.5. Section 11344.2 of the Government Code is amended to read:

11344.2. The office shall supply a complete set of the California Code of Regulations, and of the California Regulatory Code Supplement in the form provided by the State Printer to the county clerk of any county or to the delegatee of the county clerk pursuant to Section 26803.5, provided the director makes the following two determinations:

(a) The county clerk or the delegatee of the county clerk pursuant to Section 26803.5 is maintaining the code and supplement in complete and current condition in a place and at times convenient to the public.

(b) The California Code of Regulations and California Regulatory Code Supplement are not otherwise reasonably available to the public in the community where the county clerk or the delegatee of the county clerk pursuant to Section 26803.5 would normally maintain the code and supplements by distribution to libraries pursuant to Article 6 (commencing with Section 14900) of Chapter 7 of Part 5.5.

SEC. 5. Section 11344.4 of the Government Code is amended to read:

11344.4. As prepared by the State Printing Office, the California Code of Regulations and the California Regulatory Code Supplement shall be sold at such prices as will reimburse the state for all costs incurred for printing, publication and distribution.

The "California Regulatory Notice Register" shall be sold by the Office of Administrative Law at a maximum subscription rate of not more than fifty dollars ($50) per year.

All money received by the state from the sale of the California

Code of Regulations and the California Regulatory Code Supplement shall be deposited in the treasury and credited to the General Fund, except that, where applicable, an amount necessary to cover the distribution costs shall be credited to the fund from which such costs have been paid.

SEC. 6. Section 11344.6 of the Government Code is amended to read:

11344.6. The publication of a regulation in the California Code of Regulations or California Regulatory Code Supplement raises a rebuttable presumption that the text of the regulation as so published is the text of the regulation adopted.

The courts shall take judicial notice of the contents of each regulation which is printed or which is incorporated by appropriate reference into the California Code of Regulations as compiled by the office.

The courts shall also take judicial notice of the repeal of a regulation as published in the California Regulatory Code Supplement compiled by the office.

SEC. 6.5. Section 11344.7 of the Government Code is amended to read:

11344.7. Nothing in this chapter precludes any person or state agency from purchasing copies of the California Code of Regulations, the California Regulatory Code Supplement, or the California Regulatory Notice Register or of any unit of either, nor from printing special editions of any such units and distributing the same. However, where the purchase and printing is by a state agency, the state agency shall do so at the cost or at less than the cost to the agency if it is authorized to do so by other provisions of law.

SEC. 7. Section 11346.1 of the Government Code is amended to read:

11346.1. (a) This article does not apply to any regulation not required to be filed with the Secretary of State under this chapter, and only this section and Sections 11346.2 and 11349.6 apply to an emergency regulation adopted pursuant to subdivision (b), or to any regulation adopted under Section 8054 or 3373 of the Financial Code.

(b) Except as provided in subdivision (c), if a state agency makes a finding that the adoption of a regulation or order of repeal is necessary for the immediate preservation of the public peace, health and safety or general welfare, the regulation or order of repeal may be adopted as an emergency regulation or order of repeal.

Any finding of an emergency shall include a written statement which contains the information required by paragraphs (2) to (6), inclusive, of subdivision (a) of Section 11346.5 and a description of the specific facts showing the need for immediate action. The enactment of an urgency statute shall not, in and of itself, constitute a need for immediate action.

The statement and the regulation or order of repeal shall be filed immediately with the office.

(c) (1) Notwithstanding any other provision of law, no board or

commission shall have the power to adopt an emergency regulation to interpret, implement, or make specific provisions of the law relating to campaign disclosure except by a unanimous vote of all members of such board or commission present at the proceeding at which such regulation is adopted.

(2) Notwithstanding any other provision of law, no emergency regulation which is a building standard, as defined in Section 18909 of the Health and Safety Code, shall be filed, nor shall such building standard be effective, unless such building standards are submitted to the State Building Standards Commission, and are approved and filed pursuant to the provisions of Sections 18937 and 18938 of the Health and Safety Code.

(d) The emergency regulation or order of repeal shall become effective upon filing or upon any later date specified by the state agency in a written instrument filed with, or as a part of, the regulation or order of repeal.

(e) No regulation, amendment, or order of repeal adopted as an emergency regulatory action shall remain in effect more than 120 days unless the adopting agency has complied with Sections 11346.4 to 11346.8, inclusive, prior to the adoption of the emergency regulatory action, or has, within the 120-day period, completed the regulation adoption process by formally adopting the emergency regulation, amendment, or order of repeal or any amendments thereto, pursuant to this chapter. The adopting agency, prior to the expiration of the 120-day period, shall transmit to the office for filing with the Secretary of State the adopted regulation, amendment, or order of repeal, the rulemaking file, and a certification that either Sections 11346.4 to 11346.8, inclusive, were complied with prior to the emergency regulatory action, or that there was compliance with this section within the 120-day period.

(f) In the event an emergency amendment or order of repeal is filed and the adopting agency fails to comply with subdivision (e), the regulation as it existed prior to such emergency amendment or order of repeal shall thereupon become effective and after notice to the adopting agency by the office shall be reprinted in the California Code of Regulations.

(g) In the event a regulation is originally adopted and filed as an emergency and the adopting agency fails to comply with subdivision (e), such failure shall constitute a repeal thereof and after notice to the adopting agency by the office, shall be deleted.

(h) A regulation originally adopted as an emergency regulation, or an emergency regulation substantially equivalent thereto which is readopted as an emergency regulation, shall not be filed with the Secretary of State as an emergency regulation except with the express prior approval of the director of the office.

SEC. 8. Section 11346.2 of the Government Code is amended to read:

11346.2. A regulation or an order of repeal required to be filed with the Secretary of State shall become effective on the 30th day

after the date of filing unless:

(a) Otherwise specifically provided by the statute pursuant to which the regulation or order of repeal was adopted, in which event it becomes effective on the day prescribed by such statute.

(b) It is a regulation adopted under Section 8054 or 3373 of the Financial Code, in which event it shall become effective upon filing or upon any later date specified by the state agency in a written instrument filed with, or as part of, the regulation or order of repeal.

(c) A later date is prescribed by the state agency in a written instrument filed with, or as part of, the regulation or order of repeal.

(d) The agency makes a written request to the office demonstrating good cause for an earlier effective date, in which case the office may prescribe an earlier date.

SEC. 9. Section 11346.4 of the Government Code is amended to read:

11346.4. (a) At least 45 days prior to the hearing and close of the public comment period on the adoption, amendment, or repeal of a regulation, notice of the proposed action shall be:

(1) Mailed to every person who has filed a request for notice of regulatory actions with the state agency.

(2) In cases in which the state agency is within a state department, mailed or delivered to the director of the department.

(3) Mailed to a representative number of small business enterprises or their representatives which have been identified as being affected by the proposed action.

(4) When appropriate in the judgment of the state agency, mailed to any person or group of persons whom the agency believes to be interested in the proposed action and published in the form and manner as the state agency shall prescribe.

(5) Published in the California Regulatory Notice Register as prepared by the office for each state agency's notice of regulatory action.

(b) The effective period of a notice issued pursuant to this section shall not exceed one year from the date thereof. If the adoption, amendment, or repeal of a regulation proposed in the notice is not completed and transmitted to the office within the period of one year, a notice of the proposed action shall again be issued pursuant to the provisions of this article.

(c) Once the adoption, amendment, or repeal is completed and approved by the office, no further adoption, amendment, or repeal to the noticed regulation shall be made without subsequent notice being given.

(d) The office may refuse to publish a notice submitted to it if the agency has failed to comply with this article.

(e) The office shall make the California Regulatory Notice Register available to the public and state agencies at a nominal cost which is consistent with a policy of encouraging the widest possible notice distribution to interested persons.

(f) Where the form or manner of notice is prescribed by statute

in any particular case, in addition to filing and mailing notice as required by this section, the notice shall be published, posted, mailed, filed, or otherwise publicized as prescribed by that statute. The failure to mail notice to any person as provided in this section shall not invalidate any action taken by a state agency pursuant to this article. Other provisions of this article shall not apply to the publication of newspaper notices under this section.

SEC. 10. Section 11346.5 of the Government Code is amended to read:

11346.5. (a) The notice of proposed adoption, amendment, or repeal of a regulation shall include:

(1) A statement of the time, place, and nature of proceedings for adoption, amendment, or repeal of the regulation.

(2) Reference to the authority under which the regulation is proposed and a reference to the particular code sections or other provisions of law which are being implemented, interpreted, or made specific.

(3) An informative digest containing a concise and clear summary of existing laws and regulations, if any, related directly to the proposed action and the effect of the proposed action. The informative digest shall be drafted in a format similar to the Legislative Counsel's digest on legislative bills. If the proposed action differs substantially from an existing comparable federal regulation or statute, the informative digest shall also include a brief description of the significant differences and the full citation of the federal regulations or statutes.

(4) Any other matters as are prescribed by statute applicable to the specific state agency or to any specific regulation or class of regulations.

(5) A determination as to whether the regulation imposes a mandate on local agencies or school districts and, if so, whether the mandate requires state reimbursement pursuant to Part 7 (commencing with Section 17500) of Division 4.

(6) An estimate, prepared in accordance with instructions adopted by the Department of Finance, of the cost or savings to any state agency, the cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4, other nondiscretionary cost or savings imposed on local agencies, and the cost or savings in federal funding to the state.

For purposes of this section, "cost or savings" means additional costs or savings, both direct and indirect, which a public agency necessarily incurs in reasonable compliance with regulations.

(7) A statement that the adopting agency must determine that no alternative considered by the agency would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

(8) The name and telephone number of the agency officer to

whom inquiries concerning the proposed administrative action may be directed.

(9) The date by which comments submitted in writing must be received to present statements, arguments, or contentions in writing relating to the proposed action in order for them to be considered by the state agency before it adopts, amends, or repeals a regulation.

(10) Reference to the fact that the agency proposing the action has prepared a statement of the reasons for the proposed action, has available all the information upon which its proposal is based, and has available the express terms of the proposed action, pursuant to subdivision (b).

(11) A statement that if a public hearing is not scheduled, any interested person or his or her duly authorized representative may request, no later than 15 days prior to the close of the written comment period, a public hearing pursuant to Section 11346.8.

(12) A statement indicating that the full text of a regulation changed pursuant to Section 11346.8 will be available for at least 15 days prior to the date on which the agency adopts, amends, or repeals the resulting regulation.

(b) The agency officer designated in paragraph (8) of subdivision (a) shall make available to the public upon request the express terms of the proposed action using underline or italics to indicate additions to, and strikeout to indicate deletions from, the California Code of Regulations. The officer shall also make available to the public upon request the location of public records, including reports, documentation, and other materials, related to the proposed action.

(c) This section shall not be construed in any manner which results in the invalidation of a regulation because of the alleged inadequacy of the notice content or the summary or cost estimates if there has been substantial compliance with those requirements.

SEC. 11. Section 11346.53 of the Government Code is amended to read:

11346.53. (a) If a state agency in proposing to adopt or amend any administrative regulation, determines that such action may have a significant adverse economic impact on small business, it shall include the following information in the notice of proposed action:

(1) Identification of the types of small businesses that would be affected.

(2) A description of the projected reporting, recordkeeping and other compliance requirements that would result from the proposed action.

(3) The following statement: "The (name of agency) finds that the (adoption/amendment) of this regulation may have a significant adverse economic impact on small businesses. The (name of agency) (has/has not) considered proposed alternatives that would lessen any adverse economic impact on small business and invites you to submit such proposals. Submissions may include the following considerations:

"(A) The establishment of differing compliance or reporting

requirements or timetables which take into account the resources available to small businesses.

"(B) Consolidation or simplification of compliance and reporting requirements for small businesses.

"(C) The use of performance standards rather than prescriptive standards.

"(D) Exemption or partial exemption from the regulatory requirements for small businesses."

(b) The state agency proposing to adopt or amend any regulation shall refer in the notice to any studies or relevant data which were relied upon in making the determination that the regulation has no adverse impact.

(c) If a state agency in adopting or amending any administrative regulation determines that the action will not have a significant adverse economic impact on small business, it shall make a declaration to that effect in the notice of proposed action.

(d) An agency's determination and declaration that a proposed regulation may have or will not have a significant, adverse impact on small businesses shall not be grounds for the office to refuse to publish the notice of proposed action.

(e) A state agency shall also include in the notice of proposed action a statement of the potential cost impact of the proposed action on private persons or businesses directly affected, other than small businesses as defined in subdivision (e) of Section 11342, as considered by the agency during the regulatory development process. If the cost impact of the action is expected to be insignificant, or was not considered in the development process, the agency shall so indicate.

For purposes of this subdivision "cost impact" means the reasonable range of costs, or a description of the type and extent of costs, direct or indirect, which a representative private person or business necessarily incurs in reasonable compliance with the proposed action.

(f) No administrative regulation which requires a report shall apply to small businesses, as defined in subdivision (e) of Section 11342, unless the state agency adopting the regulation makes a finding that it is necessary for the health, safety, or welfare of the people of the state that the regulation apply to small businesses.

This subdivision applies only to administrative regulations adopted on or after January 1, 1988.

SEC. 12. Section 11346.55 of the Government Code is amended to read:

11346.55. (a) If a state agency, in adopting, amending, or repealing any administrative regulation, determines that the action would have a significant effect on housing costs, it shall note that fact in the notice of proposed action provided for pursuant to Section 11346.5. In addition, the agency officer designated in paragraph (8) of subdivision (a) of Section 11346.5, shall make available to the public, upon request, the agency's evaluation, if any, of the effect of

the proposed regulatory action on housing costs.

(b) At the time a state agency takes regulatory action which it has determined would significantly increase housing costs, it shall consider revisions to the proposed regulatory action that would have the effect of offsetting the increase in housing costs. If no offsetting action is taken, the agency shall explain in writing the reasons for its decision.

(c) This section shall not be construed in any manner which results in the invalidation of a regulation because of the alleged inadequacy or inaccuracy of the housing cost estimates, if there has been substantial compliance with the requirements of this chapter.

SEC. 13. Section 11346.6 of the Government Code is repealed.

SEC. 14. Section 11346.7 of the Government Code is amended to read:

11346.7. Every agency subject to this chapter shall:

(a) Prepare, submit to the office with the notice of the proposed action, and make available to the public upon request, a copy of the express terms of the proposed action as described in subdivision (b) of Section 11346.5, a list of the small business enterprises or their representatives to whom the notice of adoption, amendment, or repeal of a regulation will be mailed and an initial statement of reasons for proposing the adoption, amendment, or repeal of a regulation. The statement shall include, but not be limited to, all of the following:

(1) A description of the public problem, administrative requirement, or other condition or circumstance that each adoption, amendment, or repeal is intended to address.

(2) A statement of the specific purpose of each adoption, amendment, or repeal and the rationale for the determination by the agency that each adoption, amendment, or repeal is reasonably necessary to carry out the purpose for which it is proposed.

(3) An identification of each technical, theoretical, and empirical study, report, or similar document, if any, on which the agency is relying in proposing the adoption, amendment, or repeal of a regulation.

(4) A description of any alternatives the agency has identified that would lessen any adverse impact on small businesses. It is not the intent of this subdivision to require the agency to artificially construct alternatives or to justify why it has not identified alternatives.

(b) Prepare and submit to the office with the adopted regulation a final statement of reasons which shall include all of the following:

(1) An update of the information contained in the initial statement of reasons. If the update identifies any data or any technical, theoretical or empirical study, report, or similar document on which the agency is relying in proposing the adoption or amendment of a regulation which was not identified in the initial statement of reasons, or which was otherwise not identified or made available for public review prior to the close of the public comment

period, the agency shall comply with subdivision (d) of Section 11346.8.

(2) A determination as to whether the regulation imposes a mandate on local agencies or school districts. If the determination is that the regulation does contain a local mandate, the agency shall state whether the mandate is reimbursable pursuant to Part 7 (commencing with Section 17500) of Division 4. If the agency finds that the mandate is not reimbursable, it shall state the reasons for that finding.

(3) A summary of each objection or recommendation made regarding the specific adoption, amendment, or repeal proposed, together with an explanation of how the proposed action has been changed to accommodate each objection or recommendation, or the reasons for making no change. This requirement applies only to objections or recommendations specifically directed at the agency's proposed action or to the procedures followed by the agency in proposing or adopting the action.

(4) A determination with supporting information that no alternative considered by the agency would be more effective in carrying out the purpose for which the regulation is proposed or would be as effective and less burdensome to affected private persons than the adopted regulation.

(5) An explanation setting forth the reasons for rejecting any proposed alternatives that would lessen the adverse economic impact on small businesses.

(c) Prepare and submit to the office with the adopted regulation an updated informative digest containing a clear and concise summary of the immediately preceding laws and regulations, if any, relating directly to the adopted, amended, or repealed regulation and the effect of the adopted, amended, or repealed regulation. The informative digest shall be drafted in a format similar to the Legislative Counsel's Digest on legislative bills.

(d) A state agency which adopts or amends a regulation mandated by federal law or regulations, the provisions of which are identical to a previously adopted or amended federal regulation, shall be deemed to have complied with this section if a statement to the effect that a federally mandated regulation or amendment to a regulation is being proposed, together with a citation to where an explanation of the provisions of the regulation can be found, is included in the notice of proposed adoption or amendment prepared pursuant to Section 11346.5. However, the agency shall comply fully with this chapter with respect to any provisions in the regulation which the agency proposes to adopt or amend which are different from the corresponding provisions of the federal regulation.

SEC. 15. Section 11346.8 of the Government Code is amended to read:

11346.8. (a) If a public hearing is held, statements, arguments, or contentions, either oral or in writing, or both, shall be permitted. If a public hearing is not scheduled, the state agency shall, consistent

with Section 11346.4, afford any interested person or his or her duly authorized representative, the opportunity to present statements, arguments or contentions in writing. In addition, a public hearing shall be held if, no later than 15 days prior to the close of the written comment period, an interested person or his or her duly authorized representative submits in writing to the state agency, a request to hold a public hearing. The state agency shall, to the extent practicable, provide notice of the time, date, and place of the hearing by mailing the notice to every person who has filed a request for notice thereby with the state agency. The state agency shall consider all relevant matter presented to it before adopting, amending or repealing any regulation.

(b) In any hearing under this section the state agency or its duly authorized representative shall have authority to administer oaths or affirmations. An agency may continue or postpone a hearing from time to time to the time and at the place as it determines. If a hearing is continued or postponed, the state agency shall provide notice to the public as to when it will be resumed or rescheduled.

(c) No state agency may adopt, amend, or repeal a regulation which has been changed from that which was originally made available to the public pursuant to Section 11346.5, unless the change is (1) nonsubstantial or solely grammatical in nature, or (2) sufficiently related to the original text that the public was adequately placed on notice that the change could result from the originally proposed regulatory action. If a sufficiently related change is made, the full text of the resulting adoption, amendment, or repeal, with the change clearly indicated, shall be made available to the public for at least 15 days before the agency adopts, amends, or repeals the resulting regulation. Any written comments received regarding the change must be responded to in the final statement of reasons required by subdivision (b) of Section 11346.7.

(d) No state agency shall add any material to the record of the rulemaking proceeding after the close of the public hearing or comment period, unless adequate provision is made for public comment on that matter.

SEC. 16. Section 11347.3 of the Government Code is amended to read:

11347.3. (a) Every agency shall maintain a file of each rulemaking which shall be deemed to be the record for that rulemaking proceeding. The file shall include:

(1) Copies of any petitions received from interested persons proposing the adoption, amendment or repeal of the regulation.

(2) All published notices of proposed adoption, amendment, or repeal of the regulation, and an updated informative digest, the initial statement of reasons, and the final statement of reasons.

(3) The determination, together with the supporting data required by paragraph (5) of subdivision (a) of Section 11346.5.

(4) The determination, together with the supporting data required by subdivision (b) of Section 11346.53.

(5) The estimate, together with the supporting data and calculations, required by paragraph (6) of subdivision (a) of Section 11346.5.

(6) All data and other factual information, any studies or reports, and written comments submitted to the agency in connection with the adoption, amendment, or repeal of the regulation.

(7) All data and other factual information, technical, theoretical, and empirical studies or reports, if any, on which the agency is relying in the adoption, amendment, or repeal of a regulation, including any cost impact estimates as required by Section 11346.53.

(8) A transcript, recording or minutes of any public hearing connected with the adoption, amendment or repeal of the regulation.

(9) The date on which the agency made available to the public for 15 days prior to the adoption, amendment, or repeal of the regulation the full text as required by subdivision (c) of Section 11346.8 if the agency made changes to the regulation noticed to the public.

(10) The text of regulations as originally proposed and the modified text of regulations, if any, that were made available to the public prior to adoption.

(11) Any other information, statement, report or data which the agency is required by law to consider or prepare in connection with the adoption, amendment or repeal of a regulation.

(12) An index or table of contents which identifies each item contained in the rulemaking file. The index or table of contents shall include an affidavit or a declaration under penalty of perjury in the form specified by Section 2015.5 of the Code of Civil Procedure by the agency official who has compiled the rulemaking file, specifying the date upon which the record was closed, and that the file or the copy, if submitted, is complete.

(b) Every agency shall submit to the office with the adopted regulation, the rulemaking file or a complete copy of the rulemaking file.

(c) The agency file of the rulemaking proceeding shall be made available by the agency to the public, and to the courts in connection with the review of the regulation.

SEC. 17. Section 11347.5 of the Government Code is amended to read:

11347.5. (a) No state agency shall issue, utilize, enforce, or attempt to enforce any guideline, criterion, bulletin, manual, instruction, order, standard of general application, or other rule, which is a regulation as defined in subdivision (b) of Section 11342, unless the guideline, criterion, bulletin, manual, instruction, order, standard of general application, or other rule has been adopted as a regulation and filed with the Secretary of State pursuant to this chapter.

(b) If the office is notified of, or on its own, learns of the issuance, enforcement of, or use of, an agency guideline, criterion, bulletin, manual, instruction, order, standard of general application, or other

rule which has not been adopted as a regulation and filed with the Secretary of State pursuant to this chapter, the office may issue a determination as to whether the guideline, criterion, bulletin, manual, instruction, order, standard of general application, or other rule, is a regulation as defined in subdivision (b) of Section 11342.

(c) The office shall do all of the following:

(1) File its determination upon issuance with the Secretary of State.

(2) Make its determination known to the agency, the Governor, and the Legislature.

(3) Publish a summary of its determination in the California Regulatory Notice Register within 15 days of the date of issuance.

(4) Make its determination available to the public and the courts.

(d) Any interested person may obtain judicial review of a given determination by filing a written petition requesting that the determination of the office be modified or set aside. A petition shall be filed with the court within 30 days of the date the determination is published.

(e) A determination issued by the office pursuant to this section shall not be considered by a court, or by an administrative agency in an adjudicatory proceeding if all of the following occurs:

(1) The court or administrative agency proceeding involves the party that sought the determination from the office.

(2) The proceeding began prior to the party's request for the office's determination.

(3) At issue in the proceeding is the question of whether the guideline, criterion, bulletin, manual, instruction, order, standard of general application, or other rule which is the legal basis for the adjudicatory action is a regulation as defined in subdivision (b) of Section 11342.

SEC. 17.5. Section 11349.1 of the Government Code is amended to read:

11349.1. (a) The office shall review all regulations adopted pursuant to the procedure specified in Article 5 (commencing with Section 11346) of Chapter 3.5 and submitted to it for publication in the California Regulatory Code Supplement and for transmittal to the Secretary of State and make determinations using all of the following standards:

(1) Necessity.

(2) Authority.

(3) Clarity.

(4) Consistency.

(5) Reference.

(6) Nonduplication.

In reviewing regulations pursuant to this section, the office shall restrict its review to the regulation and the record of the rulemaking proceeding. The office shall approve the regulation or order of repeal if it complies with the standards set forth in this section and with the provisions of this chapter.

(b) In reviewing proposed regulations for the criteria in subdivision (a) of Section 11349.1, the office may consider the clarity of the proposed regulation in the context of related regulations already in existence.

(c) The office shall adopt regulations governing the procedures it uses in reviewing regulations submitted to it. The regulations shall provide for an orderly review and shall specify the methods, standards, presumptions, and principles the office uses, and the limitations it observes, in reviewing regulations to establish compliance with the standards specified in subdivision (a). The regulations adopted by the office shall ensure that it does not substitute its judgment for that of the rulemaking agency as expressed in the substantive content of adopted regulations.

(d) The office shall return any regulation subject to this chapter to the adopting agency if any of the following occur:

(1) The adopting agency has not prepared the estimate required by paragraph (6) of subdivision (a) of Section 11346.5 and has not included the data used and calculations made and the summary report of the estimate in the file of the rulemaking.

(2) The adopting agency has prepared the estimate required by paragraph (6) of subdivision (a) of Section 11346.5, the estimate indicates that the regulation will result in a cost to local agencies or school districts that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4, and the adopting agency fails to do any of the following:

(A) Cite an item in the Budget Act for the fiscal year in which the regulation will go into effect as the source from which the Controller may pay the claims of local agencies or school districts.

(B) Cite an accompanying bill appropriating funds as the source from which the Controller may pay the claims of local agencies or school districts.

(C) Attach a letter or other documentation from the Department of Finance which states that the Department of Finance has approved a request by the agency that funds be included in the Budget Bill for the next following fiscal year to reimburse local agencies or school districts for the costs mandated by the regulation.

(D) Attach a letter or other documentation from the Department of Finance which states that the Department of Finance has authorized the augmentation of the amount available for expenditure under the agency's appropriation in the Budget Act which is for reimbursement pursuant to Part 7 (commencing with Section 17500) of Division 4 to local agencies or school districts from the unencumbered balances of other appropriations in the Budget Act and that this augmentation is sufficient to reimburse local agencies or school districts for their costs mandated by the regulation.

(e) The office shall notify the Department of Finance of all regulations returned pursuant to subdivision (d).

(f) The office shall return a rulemaking file to the submitting

agency if the file does not comply with subdivisions (a) and (b) of Section 11347.3. Within three state working days of the receipt of a rulemaking file, the office shall notify the submitting agency of any deficiency identified. If no notice of deficiency is mailed to the adopting agency within that time, a rulemaking file shall be deemed submitted as of the date its original receipt by the office. A rulemaking file shall not be deemed submitted until each deficiency identified under this subdivision has been corrected.

The provisions of this subdivision shall not limit the review of regulations under this article, including, but not limited to, the conformity of rulemaking files to the provisions of subdivisions (a) and (b) of Section 11347.3.

SEC. 18. Section 11349.2 of the Government Code is repealed.

SEC. 19. Section 11349.3 of the Government Code is amended to read:

11349.3. (a) The office shall either approve a regulation submitted to it for review and transmit it to the Secretary of State for filing or disapprove it within 30 calendar days after the regulation has been submitted to the office for review. If the office fails to act within 30 days, the regulation shall be deemed to have been approved and the office shall transmit it to the Secretary of State for filing.

(b) If the office disapproves a regulation, it shall return it to the adopting agency within the 30-day period specified in subdivision (a) accompanied by a notice specifying the reasons for disapproval. Within seven calendar days of the issuance of the notice, the office shall provide the adopting agency with a written decision detailing the reasons for disapproval. No regulation shall be disapproved except for failure to comply with the standards set forth in Section 11349.1 or for failure to comply with this chapter.

(c) If an agency determines, on its own initiative, that a regulation submitted pursuant to subdivision (a) should be returned by the office prior to completion of the office's review, it may request the return of the regulation. All requests for the return of a regulation shall be memorialized in writing by the submitting agency no later than one week following the request. Any regulation returned pursuant to this subdivision shall be resubmitted to the office for review within the one-year period specified in subdivision (b) of Section 11346.4 or shall comply with Article 5 (commencing with Section 11346) prior to resubmission.

(d) The office shall not initiate the return of a regulation pursuant to subdivision (c) as an alternative to disapproval pursuant to subdivision (b).

SEC. 20. Section 11349.4 of the Government Code is amended to read:

11349.4. (a) A regulation returned to an agency because of failure to meet the standards of Section 11349.1, because of an agency's failure to comply with this chapter may be rewritten and resubmitted within 120 days of the agency's receipt of the written

opinion required by subdivision (b) of Section 11349.3 without complying with the notice and public hearing requirements of Sections 11346.4, 11346.5, and 11346.8 unless the substantive provisions of the regulation have been significantly changed. If the regulation has been significantly changed or was not submitted within 120 days of receipt of the written opinion, the agency shall comply with Article 5 (commencing with Section 11346) and readopt the regulation. The director of the office may, upon a showing of good cause, grant an extension to the 120-day time period specified in this subdivision.

(b) Upon resubmission of a disapproved regulation to the office pursuant to subdivision (a), the office shall only review the resubmitted regulation for those reasons expressly identified in the written opinion required by subdivision (b) of Section 11349.3, or for those issues arising as a result of a substantial change to a provision of the resubmitted regulation or as a result of intervening statutory changes or intervening court orders or decisions.

(c) When an agency resubmits a withdrawn or disapproved regulation to the office it shall identify the prior withdrawn or disapproved regulation by date of submission to the office, shall specify the portion of the prior rulemaking record that should be included in the resubmission, and shall submit to the office a copy of the prior rulemaking record if that record has been returned to the agency by the office.

(d) The office shall expedite the review of a regulation submitted without significant substantive change.

SEC. 20.2. Section 11349.5 of the Government Code is amended to read:

11349.5. (a) To initiate a review of a decision by the office, the agency shall file a written Request for Review with the Governor's Legal Affairs Secretary within 10 days of receipt of the written opinion provided by the office pursuant to subdivision (b) of Section 11349.3. The Request for Review shall include a complete statement as to why the agency believes the decision is incorrect and should be overruled. Along with the Request for Review, the agency shall submit all of the following:

(1) The office's written decision detailing the reasons for disapproval required by subdivision (b) of Section 11349.3.

(2) Copies of all regulations, notices, statements, and other documents which were submitted to the office.

(b) A copy of the agency's Request for Review shall be delivered to the office on the same day it is delivered to the Governor's office. The office shall file its written response to the agency's request with the Governor's Legal Affairs Secretary within 10 days and deliver a copy of its response to the agency on the same day it is delivered to the Governor's office.

(c) The Governor's office shall provide the requesting agency and the office with a written decision within 15 days of receipt of the response by the office to the agency's Request for Review. Upon

receipt of the decision, the office shall publish in the California Regulatory Code Supplement the agency's Request for Review, the office's response thereto, and the decision of the Governor's office.

(d) The time requirements set by subdivisions (a) and (b) may be shortened by the Governor's office for good cause.

(e) The Governor may overrule the decision of the office disapproving a proposed regulation, an order repealing an emergency regulation adopted pursuant to subdivision (b) of Section 11346.1, a decision refusing to allow the readoption of an emergency regulation pursuant to Section 11346.1, or a determination to repeal pursuant to subdivision (k) of Section 11349.7. In that event, the office shall immediately transmit the regulation to the Secretary of State for filing.

(f) Upon overruling the decision of the office, the Governor shall immediately transmit to the Committees on Rules of both houses of the Legislature a statement of his or her reasons for overruling the decision of the office, along with copies of the adopting agency's initial statement of reasons issued pursuant to Section 11346.7 and the office's statement regarding the disapproval of a regulation issued pursuant to subdivision (b) of Section 11349.3. The Governor's action and the reasons therefor shall be published in the California Regulatory Code Supplement.

SEC. 20.5. Section 11349.6 of the Government Code is amended to read:

11349.6. (a) In the event the adopting agency has complied with Sections 11346.4 to 11346.8, inclusive, prior to the adoption of the regulation as an emergency, the office shall approve or disapprove the regulation in accordance with this article.

(b) Emergency regulations adopted pursuant to subdivision (b) of Section 11346.1 shall be reviewed by the office within 10 calendar days after their submittal to the office. The office shall not file the emergency regulations with the Secretary of State if it determines that the regulation is not necessary for the immediate preservation of the public peace, health and safety, or general welfare, or if it determines that the regulation fails to meet the standards set forth in Section 11349.1, or if it determines the agency failed to comply with subdivisions (b) and (c) of Section 11346.1.

(c) If the office considers any information not submitted to it by the rulemaking agency when determining whether to file emergency regulations, the office shall provide the rulemaking agency with an opportunity to rebut or comment upon that information.

(d) Within 30 days of the filing of a certificate of compliance, the office shall review the regulation and hearing record and approve or order the repeal of an emergency regulation if it determines that the regulation fails to meet the standards set forth in Section 11349.1, or if it determines that the agency failed to comply with this chapter.

SEC. 21. Section 11349.7 of the Government Code is repealed.

SEC. 22. Section 11349.8 of the Government Code is repealed.

SEC. 23. Section 11349.9 of the Government Code is amended and renumbered to read:

11344.3. Every document, other than a notice of proposed rulemaking action, required to be published in the California Regulatory Notice Register by this chapter, shall be published in the first edition of the California Regulatory Notice Register following the date of the document.

SEC. 23.5. Section 11350.3 of the Government Code is amended to read:

11350.3. Any interested person may obtain a judicial declaration as to the validity of a regulation which the office has disapproved or ordered repealed pursuant to Section 11349.3, 11349.6, or 11340.15 by bringing an action for declaratory relief in the superior court in accordance with the provisions of the Code of Civil Procedure. The court may declare the regulation valid if it determines that the regulation meets the standards set forth in Section 11349.1 and that the agency has complied with this chapter. If the court so determines, it may order the office to immediately file the regulation with the Secretary of State.

SEC. 24. Section 11351 of the Government Code is amended to read:

11351. (a) Except as provided in subdivision (b), Article 5 (commencing with Section 11346), Article 6 (commencing with Section 11349), and Article 7 (commencing with Section 11350) of this chapter shall not apply to the Public Utilities Commission, the Division of Industrial Accidents, or the Workers' Compensation Appeals Board, and Article 3 (commencing with Section 11343) and Article 4 (commencing with Section 11344) of this chapter shall apply only to the rules of procedure of said state agencies.

(b) The Public Utilities Commission, the Division of Industrial Accidents and the Workers' Compensation Appeals Board shall comply with paragraph (5) of subdivision (a) of Section 11346.4 with respect to regulations which are required to be filed with the Secretary of State pursuant to Section 11343.

SEC. 25. Section 11356 of the Government Code is amended to read:

11356. (a) Article 6 (commencing with Section 11349) is not applicable to any building standards subject to the approval of the State Building Standards Commission.

(b) Article 5 (commencing with Section 11346) is applicable to those building standards, except that the office shall not disapprove those building standards nor refuse to publish any notice of proposed building standards if either has been approved by, and submitted to, the office by the State Building Standards Commission pursuant to Section 18935 of the Health and Safety Code.

CHAPTER 1376

An act to amend Sections 44256, 44258.5, and 46300 of, to add Sections 44258.1, 44258.2, 44258.7, and 44258.9 to, and to repeal Sections 44257 and 44819 of, the Education Code, relating to teachers.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 44256 of the Education Code is amended to read:

44256. Authorization for teaching credentials shall be of four basic kinds, as defined below:

(a) "Single subject instruction" means the practice of assignment of teachers and students to specified subject matter courses, as is commonly practiced in California high schools and most California junior high schools. The holder of a single subject teaching credential or a standard secondary credential or a special secondary teaching credential, as defined in this subdivision, who has completed 20 semester hours of coursework or 10 semester hours of upper division or graduate coursework approved by the commission at an accredited institution in any subject commonly taught in grades 7 to 12, inclusive, other than the subject for which he or she is already certificated to teach, shall be eligible to have this subject appear on the credential as an authorization to teach this subject. The commission, by regulation, may require that evidence of additional competence is a condition for instruction in particular subjects, including, but not limited to, foreign languages. The commission may establish and implement alternative requirements for additional authorizations to the single subject credential on the basis of specialized needs. For purposes of this subdivision, a special secondary teaching credential means a special secondary teaching credential issued on the basis of at least a baccalaureate degree, a student teaching requirement, and 24 semester units of coursework in the subject specialty of the credential.

(b) "Multiple subject instruction" means the practice of assignment of teachers and students for multiple subject matter instruction, as is commonly practiced in California elementary schools and as is commonly practiced in early childhood education.

The holder of a multiple subject teaching credential or a standard elementary credential who has completed 20 semester hours of coursework or 10 semester hours of upper division or graduate coursework approved by the commission at an accredited institution in any subject commonly taught in grades 6, 7, 8, and 9 shall be eligible to have that subject appear on the credential as authorization to teach the subject in departmentalized classes in grades 6, 7, 8, and 9. The governing board of a school district by resolution may

authorize the holder of a multiple subject teaching credential or a standard elementary credential to teach any subject in departmentalized classes to a given class or group of students below grade 9, provided that the teacher has completed at least 12 semester units, or six upper division or graduate units, of coursework at an accredited institution in each subject to be taught. The authorization shall be with the teacher's consent and shall be restricted to a partial assignment. However, the commission, by regulation, may provide that evidence of additional competence is necessary for instruction in particular subjects, including, but not limited to, foreign languages. The commission may establish and implement alternative requirements for additional authorizations to the multiple subject credential on the basis of specialized needs.

(c) "Specialist instruction" means any specialty requiring advanced preparation or special competence including, but not limited to, reading specialist, mathematics specialist, specialist in special education, or early childhood education, and such other specialties as the commission may determine.

(d) "Designated subjects" means the practice of assignment of teachers and students to designated technical, trade, or vocational courses which courses may be part of a program of trade, technical, or vocational education.

SEC. 1.5. Section 44257 of the Education Code is repealed.

SEC. 2. Section 44258.1 is added to the Education Code, to read:

44258.1. The holder of a credential authorizing instruction in a self-contained classroom may teach in grades 5 to 8, inclusive, in a middle school, provided that he or she teaches two or more subjects for two or more periods per day to the same group of students.

SEC. 2.5. Section 44258.2 is added to the Education Code, to read:

44258.2. The holder of a single subject teaching credential or a standard secondary teaching credential may, with his or her consent, be assigned by action of the local governing board to teach classes in grades 5 to 8, inclusive, in a middle school, provided that he or she has a minimum of 12 semester units, or six upper division or graduate units, of coursework at an accredited institution in the subject to which he or she is assigned. This assignment shall be a partial assignment for one year, but may be renewed annually by action of the governing board.

SEC. 3. Section 44258.5 of the Education Code is amended to read:

44258.5. (a) The commission may issue a limited assignment authorization, for a fee of twelve dollars ($12), to a permanent employee allowing the employee to be assigned, with his or her consent, to teach in any single subject class in which he or she has accomplished one or more of the following:

(1) Six semester units in the subject.

(2) Achievement of at least a passing average on the appropriate national teachers examination used for credentialing in the subject by the commission.

(3) A major in a related subject field.

(4) Ninety hours of staff development in the subject.

(b) The governing board of the school district which seeks to employ credentialed personnel under a limited assignment authorization by resolution shall provide specific authorization for any assignment made pursuant to subdivision (a). Any such assignment shall remain in effect until the end of that school year. The resolution shall include a statement of need for the holder of a limited assignment authorization which documents the efforts of the district to employ a fully credentialed person for that position. The resolution shall accompany the application for the limited assignment authorization.

(c) A limited term assignment may be renewed for not more than two additional years.

(d) Each school district governing board shall notify the commission of the name of the certificated employee of the district who will be responsible for the implementation of workshops with district administrators regarding the proper assignment of teachers within their credential authorizations.

(e) This section shall remain in effect only until June 30, 1991, and as of that date is repealed, unless a later enacted statute, which is enacted before June 30, 1991, deletes or extends that date.

SEC. 4. Section 44258.7 is added to the Education Code, to read:

44258.7. (a) The holder of a standard secondary credential who, prior to September 1, 1987, has taught successfully in a subject within the department of his or her academic major or minor for a minimum of three years, as verified by the employing school district, may receive a supplementary authorization in that subject upon application, payment of a fee, which shall not exceed one-half of the regular credential fee, and evidence that one of the following has been accomplished:

(1) Successful completion, by September 1, 1989, of a minimum of 12 semester units, or six upper division or graduate units, of coursework at an accredited institution in the subject.

(2) The securing of a passing score on an examination in the subject approved by the Commission on Teacher Credentialing.

(3) Verification of competence in the subject matter by a subject area specialist not associated with the employing school district.

(b) A person who holds a teaching credential in a subject or subjects other than physical education may be authorized by action of the local governing board to coach one period per day in a competitive sport for which students receive physical education credit, provided that he or she is a full-time employee of the school district and has completed a minimum of 20 hours of first aid instruction appropriate for the specific sport.

(c) A teacher employed on a full-time basis who has special skills and preparation outside of his or her credential authorization may, with his or her consent, be assigned to teach in the area of such special skills or preparation for up to 40 percent of a full-time

teaching assignment, provided that the assignment is first approved by a committee on assignments. The membership of the committee on assignments shall include an equal number of teachers, selected by teachers, and school administrators, selected by school administrators.

(d) Assignments approved by the committee on assignments shall be for a maximum of one school year, but may be extended by action of the committee upon application by the school site administrator and the affected teacher. All initial assignments and extensions shall be approved prior to the beginning of the semester in which the assignment is to take place. Districts making assignments under this subdivision shall submit a plan to the county superintendent of schools which shall include, but need not be limited to, the following:

(1) Statements signed by the district superintendent and the president or chairperson of the district governing board, approving the establishment of the committee.

(2) Procedures for selection of the committee membership.

(3) Terms of office for committee members.

(4) Criteria for determining teachers' qualifications for these assignments.

(e) The Commission on Teacher Credentialing may develop and recommend general criteria that may be used by local committees on assignment in assessing a candidate's qualifications.

SEC. 5. Section 44258.9 is added to the Education Code, to read:

44258.9. (a) Beginning July 1, 1988, school districts shall establish procedures for reviewing teacher assignments yearly, and shall report to the local governing board in a public meeting on the assignments by December 15 of each school year. These procedures shall include the collection of teacher assignment schedules for each school and the verification of the legality of those assignments by a personnel administrator. The Commission on Teacher Credentialing may approve alternative verification procedures proposed by school districts with an average daily student attendance above 30,000.

(b) Commencing July 1, 1988, each chief school site administrator shall annually file with the district superintendent of schools a signed affidavit stating whether all certificated persons for whom he or she is responsible are assigned to areas within their credential authorization.

(c) Commencing July 1, 1988, each district superintendent of schools shall submit a signed affidavit to the county superintendent of schools by June 1 of each year attesting to the legality of all certificated employee assignments for the current school year.

(d) Commencing July 1, 1989, each county superintendent of schools shall annually monitor and review school district certificated employee assignment practices in at least one-third of the school districts within his or her jurisdiction, except that the Commission on Teacher Credentialing shall be responsible for the monitoring and review of those counties or cities and counties in which there is a single school district, including the Counties of Alpine, Amador, Del

Norte, Mariposa, Plumas, and Sierra, and the City and County of San Francisco. All information related to the misassignment of certificated personnel shall be submitted to each affected district within 45 calendar days of the monitoring activity.

(e) Commencing July 1, 1990, county superintendents of schools shall submit an annual report to the Commission on Teacher Credentialing summarizing the results of all assignment monitoring and reviews. These reports shall include, but need not be limited to, the following:

(1) The numbers of teachers assigned and types of assignments made by local district governing boards under the authority of Sections 44256, 44258.2, and 44263 of the Education Code.

(2) Information on actions taken by local committees on assignment, including the number of assignments authorized, subject areas into which committee-authorized teachers are assigned, and evidence of any departures from the implementation plans presented to the county superintendent by school districts.

(3) Information on each school district reviewed regarding misassignments of certificated personnel, including efforts to eliminate these misassignments.

(4) After consultation with representatives of county superintendents of schools, other information as may be determined to be needed by the Commission on Teacher Credentialing.

(f) Commencing in 1990, the Commission on Teacher Credentialing shall submit biennial reports to the Legislature concerning teacher assignments and misassignments which shall be based, in part, on the annual reports of the county superintendents of schools.

(g) (1) The Commission on Teacher Credentialing shall establish reasonable sanctions for the misassignment of credential holders.

Prior to the implementation of regulations establishing sanctions, the Commission on Teacher Credentialing shall engage in a variety of activities designed to inform school administrators, teachers, and personnel within the offices of county superintendents of schools of the regulations and statutes affecting the assignment of certificated personnel. These activities shall include the preparation of instructive brochures and the holding of regional workshops.

(2) Commencing July 1, 1989, any certificated person who has been required by an administrative superior to accept an assignment for which he or she has no legal authorization shall, after exhausting any existing local remedies, notify the county superintendent of schools in writing of the illegal assignment. The county superintendent of schools shall, within 15 working days, advise the affected certificated person concerning the legality of his or her assignment. There shall be no adverse action taken against a certificated person who files a notification of misassignment with the county superintendent of schools. During the period of the misassignment, the certificated person who has filed a written notification with the county superintendent of schools shall be

exempt from the provisions of Section 45034. If it is determined that a misassignment has taken place, any performance evaluation of the employee under Sections 44660 to 44664, inclusive, in any misassigned subject shall be nullified.

(3) Commencing July 1, 1989, the county superintendent of schools shall notify, through the office of the district superintendent, any certificated school administrator responsible for the assignment of a certificated person to a position for which he or she has no legal authorization of the misassignment and shall advise him or her to correct the assignment within 30 calendar days. The county superintendent of schools shall notify the Commission on Teacher Credentialing of the misassignment if the certificated school administrator has not corrected the misassignment within 30 days of the initial notification, or if the certificated school administrator has not described, in writing, within the 30-day period, to the county superintendent of schools the extraordinary circumstances which make this correction impossible.

(4) Commencing July 1, 1989, the county superintendent of schools shall notify any superintendent of a school district in which 5 percent or more of all certificated teachers in the secondary schools are found to be misassigned of the misassignments and shall advise him or her to correct the misassignments within 120 calendar days. The county superintendent of schools shall notify the Commission on Teacher Credentialing of the misassignments if the school district superintendent has not corrected the misassignments within 120 days of the initial notification, or if the school district superintendent of schools has not described, in writing, within the 120-day period, to the county superintendent of schools the extraordinary circumstances which make this correction impossible.

(h) Commencing July 1, 1989, each applicant for a professional administrative service credential shall be required to demonstrate knowledge of existing credentialing laws, including knowledge of assignment authorizations.

SEC. 6. It is the intent of the Legislature, commencing with fiscal year 1989–90, to provide resources to the offices of the county superintendents of schools and school districts to implement an effective monitoring, reviewing, and reporting system for district assignments of credentialed personnel.

SEC. 7. Section 44819 of the Education Code is repealed.

SEC. 8. Section 46300 of the Education Code is amended to read:

46300. (a) In computing average daily attendance of a school district, there shall be included the attendance of pupils while engaged in educational activities required of those pupils and under the immediate supervision and control of an employee of the district who possessed a valid certification document, registered as required by law.

(b) For the purposes of a work experience education program in a secondary school that meets the standards of the California State Plan for Vocational Education, the term "immediate supervision," in

the context of off-campus work training stations, means pupil participation in on-the-job training as outlined under a training agreement, coordinated by the school district under a state-approved plan, wherein the employer and certificated school personnel share the responsibility for on-the-job supervision. The pupil-teacher ratio in a work experience program shall not exceed 125 students per full-time equivalent certificated teacher coordinator. Notwithstanding Section 52033, this ratio may be waived by the State Board of Education pursuant to Article 3 (commencing with Section 33050) of Chapter 1 of Part 20 under criteria developed by the State Board of Education.

A pupil enrolled in a work experience program shall not be credited with more than one day of attendance per calendar day, and shall be a full-time student enrolled in regular classes that meet the requirements of Section 46141 or 46144.

(c) For the purposes of the rehabilitative schools, classes, or programs described in Section 48917 that require immediate supervision, the term "immediate supervision" means that the person to whom the pupil is required to report for training, counseling, tutoring, or other prescribed activity shares the responsibility for the supervision of the pupils in the rehabilitative activities with certificated personnel of the district.

A pupil enrolled in a rehabilitative school, class, or program shall not be credited with more than one day of attendance per calendar day.

(d) For the purposes of computing the average daily attendance of pupils engaged in the educational activities required of high school pupils who are also enrolled in a regional occupational center or regional occupational program, the school district shall receive proportional average daily attendance credit for those educational activities that are less than the minimum schoolday, pursuant to regulations adopted by the State Board of Education, however, none of that attendance shall be counted for purposes of computing attendance pursuant to Section 52324.

A school district shall not receive proportional average daily attendance credit pursuant to this subdivision for any pupil in attendance for less than 145 minutes each day.

The divisor for computing proportional average daily attendance pursuant to this subdivision is 240; except, in the case of a pupil excused from physical education classes pursuant to Section 52316, the divisor is 180.

Notwithstanding any other provision of law, travel time of pupils to attend a regional occupational center or regional occupational program shall not be used in any manner in the computation of average daily attendance.

(e) In computing the average daily attendance of a school district, there shall also be included the attendance of pupils participating in an independent study program conducted pursuant to Article 5.5 (commencing with Section 51745) of Chapter 5 of Part 28.

A pupil enrolled in an independent study program shall not be credited with more than one day of attendance per calendar day.

(f) For purposes of cooperative vocational education programs and community classrooms described in Section 52372.1, the term "immediate supervision" means pupil participation in paid and unpaid on-the-job experiences, as outlined under a training agreement and individualized training plans wherein the supervisor of the training site and certificated school personnel share the responsibility for the supervision of on-the-job experiences.

SEC. 9. Sections 1 to 8, inclusive, of this act shall not become operative if Senate Bill No. 148, Senate Bill No. 1677, or Assembly Bill No. 2619 is chaptered and becomes effective on or before January 1, 1988, and contains provisions relating to teacher credentialing.

SEC. 10. Notwithstanding Section 17610 of the Government Code, if funding is not appropriated in the Budget Act of 1989, and if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1377

An act to amend Section 81802 of the Education Code, relating to community colleges, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 81802 of the Education Code is amended to read:

81802. (a) As used in this chapter, "project" means the purpose for which a community college district has applied for assistance under this chapter for one or more institutions under its authority or for districtwide facilities. A project may include the planning, acquisition, and improvement of community college sites; the planning, construction, reconstruction, or remodeling of any permanent structure necessary for use as a classroom, a laboratory, a library, a performing arts facility, a gymnasium, the basic outdoor physical education facilities, the basic food service facilities, or child development centers, pursuant to Section 79120; related facilities necessary for the instruction of students or for administration of the

educational program; maintenance or utility facilities essential to the operation of the foregoing facilities; and the initial acquisition of equipment. A project may also include the initial furnishing of, and initial acquisition of equipment for, any facility leased or lease-purchased by a community college district as of August 1, 1987, for any educational purpose or purposes.

(b) A project may also include the reconstruction or remodeling of any facility leased or lease-purchased for educational purposes. The chancellor's office shall require transfer to the community college district of title or any other interest considered sufficient by the district, in and to facilities presently leased or to be leased in the future by the district, to the extent of the funds appropriated for reconstruction or remodeling of leased facilities. When sufficient title or interest has not been transferred, the term of the lease shall be of sufficient duration to completely amortize the reconstruction or remodeling cost. Such amortization shall be determined by utilizing current interest rates and normal accounting practices. If the lease is terminated prior to amortizing the reconstruction or remodeling costs the district shall repay the state for any unamortized state costs.

(c) The projects defined by subdivisions (a) and (b) of this section shall not be construed as a commitment by the Legislature as to the type or possible number of projects that may be considered during any fiscal year.

(d) A project shall not include the planning or construction of dormitories, student centers other than cafeterias, stadia, the improvement of sites for student or staff parking, or single-purpose auditoriums.

SEC. 1.5. Section 81802 of the Education Code, as amended by Section 1 of this act, is amended to read:

81802. (a) As used in this chapter, "project" means the purpose for which a community college district has applied for assistance under this chapter for one or more institutions under its authority or for districtwide facilities. A project may include the planning, acquisition, and improvement of community college sites; the planning, construction, reconstruction, or remodeling of any permanent structure necessary for use as a classroom, a laboratory, a library, a performing arts facility, a gymnasium, the basic outdoor physical education facilities, the basic food service facilities, or child development centers, pursuant to Section 79120; related facilities necessary for the instruction of students or for administration of the educational program; maintenance or utility facilities essential to the operation of the foregoing facilities; and the initial acquisition of equipment. A project may also include the initial furnishing of, and initial acquisition of equipment for, any facility leased or lease-purchased by a community college district as of August 1, 1987, for any educational purpose or purposes.

(b) A project may also include the reconstruction or remodeling of any facility leased or lease-purchased for educational purposes.

The chancellor's office shall require transfer to the community college district of title or any other interest considered sufficient by the district, in and to facilities presently leased or to be leased in the future by the district, to the extent of the funds appropriated for reconstruction or remodeling of leased facilities. When sufficient title or interest has not been transferred, the term of the lease shall be of sufficient duration to completely amortize the reconstruction or remodeling cost. Such amortization shall be determined by utilizing current interest rates and normal accounting practices. If the lease is terminated prior to amortizing the reconstruction or remodeling costs the district shall repay the state for any unamortized state costs.

A project consisting of the construction of any facilities listed in subdivision (a) on property that conforms to subdivision (b) of Section 81530 shall be eligible for state funding. For any project that is constructed under this paragraph, the term of the lease shall be of sufficient duration to completely amortize the cost of the project and the governing board of the community college district shall provide in the lease agreement a hold harmless clause satisfactory to the lessor. The amortization shall be determined by utilizing current interest rates and normal accounting practices. If the lease is terminated prior to amortizing the project, the district shall pay the state for any unamortized state costs.

(c) The projects defined by subdivisions (a) and (b) of this section shall not be construed as a commitment by the Legislature as to the type or possible number of projects that may be considered during any fiscal year.

(d) A project shall not include the planning or construction of dormitories, student centers other than cafeterias, stadia, the improvement of sites for student or staff parking, or single-purpose auditoriums.

SEC. 2. Section 1.5 of this bill incorporates amendments to Section 81802 of the Education Code proposed by both this bill and AB 1126. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1988, but this bill becomes operative first, (2) each bill amends Section 81802 of the Education Code, and (3) this bill is enacted after AB 1126, in which case Section 81802 of the Education Code, as amended by Section 1 of this bill, shall remain operative only until the operative date of AB 1126, at which time Section 1.5 of this bill shall become operative.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that funding under the Community College Construction Act of 1980 may be made available to meet certain educational facility costs currently being incurred by community college districts, it is necessary that this act take effect immediately.

CHAPTER 1378

An act to amend Section 2823 of the Revenue and Taxation Code, relating to taxation, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 2823 of the Revenue and Taxation Code is amended to read:

2823. The county assessor shall determine a separate valuation on the parcel, and shall determine the valuation of the remaining parcel. The sum of the valuations of the parcels shall equal their total valuation before separation.

A separate valuation shall not be made of any parcel covered by a subdivision map filed for record after the next preceding lien date. In connection with the recording of a final subdivision map a segregation may nevertheless be made so as to include all of the land within the subdivision in a single parcel.

A separate valuation shall not be made dividing any piece of property separately assessed in the original assessment into more than four parcels.

With respect to nonresidential subdivisions, without regard to the number of parcels involved, which are covered by special assessment liens the bonds for which are owned by a county, the board of supervisors of that county may authorize the county assessor, auditor, and tax collector to prorate the amounts for past due property taxes and assessment liens, plus any interest and penalties that may have accrued thereon, among the various parcels in the subdivision. Notwithstanding any other provision of law, the tax collector may then enter into an installment payment agreement with respect to the pending subdivision map and thereupon the agreement shall be deemed the equivalent of a certificate pursuant to Section 66492 of the Government Code for purposes of permitting the filing of the final map and shall be recorded together with the final map, provided that the past due property taxes, assessment liens, and the special assessment lien shall not be discharged of record by the agreement, but shall be prorated among the parcels created by the final map.

If the application requested that the tax created by the assessment of personal property, or leasehold improvements, or possessory interests be allowed to remain as a lien on the parcel sought to be separately valued, and the assessor determines that the value of the parcel is sufficient to secure the payment of the tax, the assessor shall set forth the value of such personal property, or leasehold improvements, or possessory interests opposite the assessor's

determination of the value of the parcel.

SEC. 2. Notwithstanding Sections 54902, 54902.1, and 54903 of the Government Code, any annexation to the Shasta Dam Area Public Utility District for use as a wastewater treatment plant, which was approved by the local agency formation commission on April 11, 1979, and adopted by resolution by the district on August 1, 1979, shall be effective for assessment and taxation purposes for the 1979–80 fiscal year, if the statement and map or plat required by Sections 54900 and 54901 of the Government Code were filed with the State Board of Equalization on or before May 26, 1981.

All or any portion of any property tax, penalty, or costs shall be cancelled by the auditor on order of the board of supervisors if it was levied or charged by the County of Shasta on the property annexed by the Shasta Dam Area Public Utility District for the 1979–80, 1980–81, and 1981–82 fiscal years.

SEC. 3. The Legislature finds and declares that Section 2 of this act is necessary since special facts and circumstances applicable to the Shasta Dam Area Public Utility District, and not generally applicable, make the accomplishment of this purpose impossible by any general law. Through an administrative oversight, the district did not file the required statement and map or plat until on or about May 26, 1981. The property was, at all times during this period, used for district purposes and thereby eligible for exemption, if properly claimed. The Legislature further finds and declares that this is the only property so involved, that the purpose of this act is impossible to accomplish by any general law, and that a special statute within the meaning of Section 16 of Article IV of the California Constitution applicable only to the Shasta Dam Area Public Utility District is therefore necessary.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to remedy an administrative oversight and remove the Shasta Dam Area Public Utility District's erroneous liability for back taxes as quickly as possible, it is necessary that this act take effect immediately.

CHAPTER 1379

An act to amend Section 1203 of the Penal Code, relating to crimes, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 1203 of the Penal Code, as amended by Chapter 134 of the Statutes of 1987, is amended to read:

1203. (a) As used in this code, "probation" shall mean the suspension of the imposition or execution of a sentence and the order of conditional and revocable release in the community under the supervision of the probation officer. As used in this code, "conditional sentence" shall mean the suspension of the imposition or execution of a sentence and the order of revocable release in the community subject to the conditions established by the court without the supervision of the probation officer. It is the intent of the Legislature that both conditional sentence and probation are authorized whenever probation is authorized in any code as a sentencing option for infractions or misdemeanors.

(b) Except as provided in subdivision (j), in every case in which a person is convicted of a felony and is eligible for probation, before judgment is pronounced, the court shall immediately refer the matter to the probation officer to investigate and report to the court, at a specified time, upon the circumstances surrounding the crime and the prior history and record of the person, which may be considered either in aggravation or mitigation of the punishment. The probation officer shall immediately investigate and make a written report to the court of his or her findings and recommendations, including his or her recommendations as to the granting or denying of probation and the conditions of probation, if granted. Pursuant to Section 828 of the Welfare and Institutions Code, the probation officer shall include in his or her report any information gathered by a law enforcement agency relating to the taking of the defendant into custody as a minor, which shall be considered for purposes of determining whether adjudications of commissions of crimes as a juvenile warrant a finding that there are circumstances in aggravation pursuant to Section 1170 or to deny probation. The probation officer shall also include in the report his or her recommendation of the amount the defendant should be required to pay as a restitution fine pursuant to Section 13967 of the Government Code. The probation officer shall also include in his or her report a recommendation as to whether the court shall require, as a condition of probation, restitution to the victim or to the Restitution Fund. The report shall be made available to the court and the prosecuting and defense attorneys at least five days or, upon

request of the defendant or prosecuting attorney, nine days prior to the time fixed by the court for the hearing and determination of the report, and shall be filed with the clerk of the court as a record in the case at the time of the hearing. The time within which the report shall be made available and filed may be waived by written stipulation of the prosecuting and defense attorneys which is filed with the court or an oral stipulation in open court which is made and entered upon the minutes of the court. At a time fixed by the court, the court shall hear and determine the application, if one has been made, or, in any case, the suitability of probation in the particular case. At the hearing, the court shall consider any report of the probation officer and shall make a statement that it has considered such report which shall be filed with the clerk of the court as a record in the case. If the court determines that there are circumstances in mitigation of the punishment prescribed by law or that the ends of justice would be served by granting probation to the person, it may place the person on probation. If probation is denied, the clerk of the court shall immediately send a copy of the report to the Department of Corrections at the prison or other institution to which the person is delivered.

(c) If a defendant is not represented by an attorney, the court shall order the probation officer who makes the probation report to discuss its contents with the defendant.

(d) In every case in which a person is convicted of a misdemeanor, the court may either refer the matter to the probation officer for an investigation and a report or summarily pronounce a conditional sentence. If such a case is not referred to the probation officer, in sentencing the person, the court may consider any information concerning the person which could have been included in a probation report. The court shall inform the person of the information to be considered and permit him or her to answer or controvert such information. For this purpose, upon the request of the person, the court shall grant a continuance before the judgment is pronounced.

(e) Except in unusual cases where the interests of justice would best be served if the person is granted probation, probation shall not be granted to any of the following persons:

(1) Unless the person had a lawful right to carry a deadly weapon, other than a firearm, at the time of the perpetration of the crime or his or her arrest, any person who has been convicted of arson, robbery, burglary, burglary with explosives, rape with force or violence, murder, attempt to commit murder, trainwrecking, kidnapping, escape from the state prison, or a conspiracy to commit one or more of such crimes and was armed with such weapon at either of such times.

(2) Any person who used or attempted to use a deadly weapon upon a human being in connection with the perpetration of the crime of which he or she has been convicted.

(3) Any person who willfully inflicted great bodily injury or

torture in the perpetration of the crime of which he or she has been convicted.

(4) Any person who has been previously convicted twice in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony.

(5) Unless the person has never been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, any person who has been convicted of burglary with explosives, rape with force or violence, murder, attempt to commit murder, trainwrecking, extortion, kidnapping, escape from the state prison, a violation of Section 286, 288, or 288a, or a conspiracy to commit one or more of such crimes.

(6) Any person who has been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, if he or she committed any of the following acts:

(A) Unless the person had a lawful right to carry a deadly weapon at the time of the perpetration of such previous crime or his or her arrest for such previous crime, he or she was armed with such weapon at either of such times.

(B) The person used or attempted to use a deadly weapon upon a human being in connection with the perpetration of such previous crime.

(C) The person willfully inflicted great bodily injury or torture in the perpetration of such previous crime.

(7) Any public official or peace officer of this state or any city, county, or other political subdivision who, in the discharge of the duties of his or her public office or employment, accepted or gave or offered to accept or give any bribe, embezzled public money, or was guilty of extortion.

(8) Any person who knowingly furnishes or gives away phencyclidine.

(9) Any person who intentionally inflicted great bodily injury in the commission of arson under subdivision (a) of Section 451 or who intentionally set fire to, burned, or caused the burning of, an inhabited structure or inhabited property in violation of subdivision (b) of Section 451.

(f) When probation is granted in a case which comes within the provisions of subdivision (e), the court shall specify on the record and shall enter on the minutes the circumstances indicating that the interests of justice would best be served by such a disposition.

(g) If a person is not eligible for probation, the judge shall refer the matter to the probation officer for an investigation of the facts relevant to determination of the amount of a restitution fine pursuant to Section 13967 of the Government Code in all cases where such determination is applicable. The judge, in his or her discretion, may direct the probation officer to investigate all facts relevant to the sentencing of the person. Upon such referral, the probation

officer shall immediately investigate the circumstances surrounding the crime and the prior record and history of the person and make a written report to the court of his or her findings. The findings shall include a recommendation of the amount of the restitution fine as provided in Section 13967 of the Government Code.

(h) In any case in which a defendant is convicted of a felony and a probation report is prepared pursuant to subdivision (b) or (g), the probation officer may obtain and include in the report a statement of the comments of the victim concerning the offense. The court may direct the probation officer not to obtain such a statement in any case where the victim has in fact testified at any of the court proceedings concerning the offense.

(i) No probationer shall be released to enter another state unless his or her case has been referred to the Administrator, Interstate Probation and Parole Compacts, pursuant to the Uniform Act for Out-of-State Probationer or Parolee Supervision (Article 3 (commencing with Section 11175) of Chapter 2 of Title 1 of Part 4).

(j) In any court where a county financial evaluation officer is available, in addition to referring the matter to the probation officer, the court may order the defendant to appear before such county financial evaluation officer for a financial evaluation of the defendant's ability to pay restitution, in which case the county financial evaluation officer shall report his or her findings regarding restitution and other court-related costs to the probation officer on the question of the defendant's ability to pay such costs.

Any order made pursuant to this subdivision may be enforced as a violation of the terms and conditions of probation upon willful failure to pay and at the discretion of the court and as stated in the order, may be enforced in the same manner as a judgment in a civil action, if any balance remains unpaid at the end of the defendant's probationary period.

SEC. 2. Section 1203 of the Penal Code, as amended by Chapter 134 of the Statutes of 1987, is amended to read:

1203. (a) As used in this code, "probation" shall mean the suspension of the imposition or execution of a sentence and the order of conditional and revocable release in the community under the supervision of the probation officer. As used in this code, "conditional sentence" shall mean the suspension of the imposition or execution of a sentence and the order of revocable release in the community subject to the conditions established by the court without the supervision of the probation officer. It is the intent of the Legislature that both conditional sentence and probation are authorized whenever probation is authorized in any code as a sentencing option for infractions or misdemeanors.

(b) Except as provided in subdivision (j), in every case in which a person is convicted of a felony and is eligible for probation, before judgment is pronounced, the court shall immediately refer the matter to the probation officer to investigate and report to the court, at a specified time, upon the circumstances surrounding the crime

and the prior history and record of the person, which may be considered either in aggravation or mitigation of the punishment. The probation officer shall immediately investigate and make a written report to the court of his or her findings and recommendations, including his or her recommendations as to the granting or denying of probation and the conditions of probation, if granted. Pursuant to Section 828 of the Welfare and Institutions Code, the probation officer shall include in his or her report any information gathered by a law enforcement agency relating to the taking of the defendant into custody as a minor, which shall be considered for purposes of determining whether adjudications of commissions of crimes as a juvenile warrant a finding that there are circumstances in aggravation pursuant to Section 1170 or to deny probation. The probation officer shall also include in the report his or her recommendation of the amount the defendant should be required to pay as a restitution fine pursuant to Section 13967 of the Government Code. The probation officer shall also include in his or her report a recommendation as to whether the court shall require, as a condition of probation, restitution to the victim or to the Restitution Fund. The report shall be made available to the court and the prosecuting and defense attorneys at least five days, or upon request of the defendant or prosecuting attorney, nine days prior to the time fixed by the court for the hearing and determination of the report, and shall be filed with the clerk of the court as a record in the case at the time of the hearing. The time within which the report shall be made available and filed may be waived by written stipulation of the prosecuting and defense attorneys which is filed with the court or an oral stipulation in open court which is made and entered upon the minutes of the court. At a time fixed by the court, the court shall hear and determine the application, if one has been made, or, in any case, the suitability of probation in the particular case. At the hearing, the court shall consider any report of the probation officer and shall make a statement that it has considered such report which shall be filed with the clerk of the court as a record in the case. If the court determines that there are circumstances in mitigation of the punishment prescribed by law or that the ends of justice would be served by granting probation to the person, it may place the person on probation. If probation is denied, the clerk of the court shall immediately send a copy of the report to the Department of Corrections at the prison or other institution to which the person is delivered.

(c) If a defendant is not represented by an attorney, the court shall order the probation officer who makes the probation report to discuss its contents with the defendant.

(d) In every case in which a person is convicted of a misdemeanor, the court may either refer the matter to the probation officer for an investigation and a report or summarily pronounce a conditional sentence. If such a case is not referred to the probation officer, in sentencing the person, the court may consider any

information concerning the person which could have been included in a probation report. The court shall inform the person of the information to be considered and permit him or her to answer or controvert such information. For this purpose, upon the request of the person, the court shall grant a continuance before the judgment is pronounced.

(e) Except in unusual cases where the interests of justice would best be served if the person is granted probation, probation shall not be granted to any of the following persons:

(1) Unless the person had a lawful right to carry a deadly weapon, other than a firearm, at the time of the perpetration of the crime or his or her arrest, any person who has been convicted of arson, robbery, burglary, burglary with explosives, rape with force or violence, murder, attempt to commit murder, trainwrecking, kidnapping, escape from the state prison, or a conspiracy to commit one or more of such crimes and was armed with such weapon at either of such times.

(2) Any person who used or attempted to use a deadly weapon upon a human being in connection with the perpetration of the crime of which he or she has been convicted.

(3) Any person who willfully inflicted great bodily injury or torture in the perpetration of the crime of which he or she has been convicted.

(4) Any person who has been previously convicted twice in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony.

(5) Unless the person has never been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, any person who has been convicted of burglary with explosives, rape with force or violence, murder, attempt to commit murder, trainwrecking, extortion, kidnapping, escape from the state prison, a violation of Section 286, 288, or 288a, or a conspiracy to commit one or more of such crimes.

(6) Any person who has been previously convicted once in this state of a felony or in any other place of a public offense which, if committed in this state, would have been punishable as a felony, if he or she committed any of the following acts:

(A) Unless the person had a lawful right to carry a deadly weapon at the time of the perpetration of such previous crime or his or her arrest for such previous crime, he or she was armed with such weapon at either of such times.

(B) The person used or attempted to use a deadly weapon upon a human being in connection with the perpetration of such previous crime.

(C) The person willfully inflicted great bodily injury or torture in the perpetration of such previous crime.

(7) Any public official or peace officer of this state or any city, county, or other political subdivision who, in the discharge of the

duties of his or her public office or employment, accepted or gave or offered to accept or give any bribe, embezzled public money, or was guilty of extortion.

(8) Any person who knowingly furnishes or gives away phencyclidine.

(9) Any person who intentionally inflicted great bodily injury in the commission of arson under subdivision (a) of Section 451 or who intentionally set fire to, burned, or caused the burning of, an inhabited structure or inhabited property in violation of subdivision (b) of Section 451.

(10) Any person who, in the commission of a felony, inflicts great bodily injury or causes the death of a human being by the discharge of a firearm from or at an occupied motor vehicle proceeding on a public street or highway.

(f) When probation is granted in a case which comes within the provisions of subdivision (e), the court shall specify on the record and shall enter on the minutes the circumstances indicating that the interests of justice would best be served by such a disposition.

(g) If a person is not eligible for probation, the judge shall refer the matter to the probation officer for an investigation of the facts relevant to determination of the amount of a restitution fine pursuant to Section 13967 of the Government Code in all cases where such determination is applicable. The judge, in his or her discretion, may direct the probation officer to investigate all facts relevant to the sentencing of the person. Upon such referral, the probation officer shall immediately investigate the circumstances surrounding the crime and the prior record and history of the person and make a written report to the court of his or her findings. The findings shall include a recommendation of the amount of the restitution fine as provided in Section 13967 of the Government Code.

(h) In any case in which a defendant is convicted of a felony and a probation report is prepared pursuant to subdivision (b) or (g), the probation officer shall obtain and include in such report a statement of the comments of the victim concerning the offense. The court may direct the probation officer not to obtain such a statement in any case where the victim has in fact testified at any of the court proceedings concerning the offense.

(i) No probationer shall be released to enter another state unless his or her case has been referred to the Administrator, Interstate Probation and Parole Compacts, pursuant to the Uniform Act for Out-of-State Probationer or Parolee Supervision (Article 3 (commencing with Section 11175) of Chapter 2 of Title 1 of Part 4).

(j) In any court where a county financial evaluation officer is available, in addition to referring the matter to the probation officer, the court may order the defendant to appear before such county financial evaluation officer for a financial evaluation of the defendant's ability to pay restitution, in which case the county financial evaluation officer shall report his or her findings regarding restitution and other court-related costs to the probation officer on

the question of the defendant's ability to pay such costs.

Any order made pursuant to this subdivision may be enforced as a violation of the terms and conditions of probation upon willful failure to pay and at the discretion of the court and as stated in the order, may be enforced in the same manner as a judgment in a civil action, if any balance remains unpaid at the end of the defendant's probationary period.

SEC. 3. Section 2 of this bill incorporates amendments to Section 1203 of the Penal Code proposed by both this bill and AB 2142. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1988, (2) each bill amends Section 1203 of the Penal Code, and (3) this bill is enacted after AB 2142, in which case Section 1203 of the Penal Code, as amended by AB 2142, shall remain operative only until the operative date of this bill, at which time Section 2 of this bill shall become operative, and Section 1 of this bill shall not become operative.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to decrease the risk of reversal of a sentence on the ground that a probation report was not made available in a "timely fashion," it is necessary that this act go into immediate effect.

CHAPTER 1380

An act to amend Section 75095 of the Government Code, relating to the Judges' Retirement System.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 75095 of the Government Code is amended to read:

75095. The benefits of this article are payable only to the surviving children of a judge who elects to come within this article. Any person who becomes a judge after November 23, 1970, may elect to come within this article within six months after becoming a judge, or within six months of accepting or acquiring a legal duty to support one or more eligible children, whether his or her own or those of another person.

Any judge who accepted or acquired a legal duty to support one or more eligible children prior to January 1, 1988, and who had not previously elected to come within this article, shall exercise his or her election prior to July 1, 1988. A judge so electing shall pay all the contributions he or she would have made pursuant to Section 75097

had he or she been covered by this article as soon as originally eligible pursuant to this section.

Any person who is a judge on November 23, 1970, may elect to come within the provisions of this article on or before July 1, 1971.

CHAPTER 1381

An act to add Section 22816.7 to the Government Code, relating to state employees.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 22816.7 is added to the Government Code, to read:

22816.7. (a) As used in this section:

(1) "Exempt employee" means an employee exempt from civil service pursuant to subdivisions (a), (c), (f), or (g) of Section 4 of Article VII of the California Constitution, or an exempt employee of the Attorney General or Legislative Counsel appointed pursuant to subdivision (m) of Section 4 of Article VII of the California Constitution.

(2) Notwithstanding Sections 22754 and 22810, "annuitant" means:

(A) A Member of the Legislature or an elective officer of the state whose office is provided by the Constitution, who has at least eight years of credited service, who permanently separates from state service both on or after January 1, 1988, and within 10 years of attaining his or her minimum age for service retirement under any state retirement system, who retires more than 120 days after separation from employment, and who is receiving any retirement allowance under any state retirement system to which the state makes contributions.

(B) An exempt employee, as defined in paragraph (1) of this subdivision who has at least 10 years of credited state service which includes at least two years of credited service while such an exempt employee, who permanently separates from state service both on or after January 1, 1988, and within 10 years of attaining his or her minimum age for service retirement under any state retirement system, who retires more than 120 days after separation from employment, and who is receiving any retirement allowance under any state retirement system to which the state makes contributions.

(3) Notwithstanding Sections 22754 and 22810, "state employee" means:

(A) A Member of the Legislature or an elective officer of the state whose office is provided by the Constitution, who has at least eight

years of credited service, who permanently separates from state service both on or after January 1, 1988, and more than 10 years before he or she would attain his or her minimum age for service retirement under any state retirement system, but who elects pursuant to law to remain a member of a state retirement system supported, in whole or in part, by state funds, other than the University of California Retirement System.

(B) An exempt employee, as defined in paragraph (1) of this subdivision who has at least 10 years of credited state service which includes at least two years of credited service while such an exempt employee, who permanently separates from state service both on or after January 1, 1988, and more than 10 years before he or she would attain his or her minimum age for service retirement under any state retirement system, but who elects pursuant to law to remain a member of a state retirement system supported, in whole or in part, by state funds, other than the University of California Retirement System.

(b) Any person who becomes an annuitant, as defined in subdivision (a), may, upon assuming payment of any employee contributions, enroll in a health benefits plan without discrimination as to premium rates or benefit coverage at which time the state shall assume payment of employer contributions for that insurance coverage and the person shall thereafter be deemed an annuitant for the purposes of this part, notwithstanding Sections 22754 and 22810.

(c) A state employee, as defined by subdivision (a), who was on the effective date of his or her permanent separation from state service enrolled in a health benefits plan under this part, shall, upon the permanent separation from state service, be entitled to have his or her coverage continued without discrimination as to premium rates or benefits coverage upon assuming payment of the contributions otherwise required of the former employer on account of his or her enrollment and any employee contribution during the period he or she is not yet receiving his or her retirement allowance. The state employee shall also pay an additional 2 percent of the contribution payments required to be paid by the state employee pursuant to this section to cover the administrative costs incurred by the public retirement system in administering the program provided by this section.

(d) Upon retirement and receipt of retirement allowance, a state employee described in subdivision (c) may elect to continue to be covered by the health benefits plan without discrimination as to premium rates or benefits coverage at which time the state shall assume payment of employer contributions for that insurance coverage and the person shall thereafter be deemed an annuitant for the purposes of this part.

CHAPTER 1382

An act to add and repeal Section 2122 of the Business and Professions Code, relating to physicians and surgeons.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that the creation of a Faculty-in-Exile Committee is appropriate in order to verify medical education and training in extraordinary circumstances where the official documentation of applicants for licensure as physicians and surgeons is lost due to circumstances beyond the applicants' control.

The Legislature further finds and declares that these circumstances occurred in South Vietnam during the years 1975 to 1980.

SEC. 2. Section 2122 is added to the Business and Professions Code, to read:

2122. (a) The board shall appoint a six-member Faculty-in-Exile Committee, consisting of five former faculty members of the University of Saigon, Vietnam, Medical School, and one member of the Division of Licensing. The board shall appoint the members of the committee no later than February 1, 1988.

(b) The committee shall review the application files of applicants who were admitted to the University of Saigon, Vietnam, Medical School before 1975, and who completed their education during the years 1975 to 1980, inclusive, to evaluate their eligibility and make recommendations for licensure as a physician and surgeon. The committee shall consider those applications on a timely basis, not to exceed 60 days.

(c) The committee shall make recommendations to the Division of Licensing and the division shall consider each recommendation and make a finding within 90 days after receipt of that recommendation. The division shall accept the recommendation of the committee, unless the division finds, after notice and opportunity for hearing, that the committee's recommendation is not based upon substantial evidence.

This section shall be operative until January 1, 1992, and on that date is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1992, deletes or extends that date.

CHAPTER 1383

An act to add Section 65863.10 to the Government Code, relating to real property.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 65863.10 is added to the Government Code, to read:

65863.10. (a) As used in this section, "assisted housing development" means a multifamily rental housing development that receives governmental assistance under any of the following federal programs:

(1) New construction, substantial rehabilitation, and loan management set-aside programs under Section 8 of the United States Housing Act of 1937, as amended (42 U.S.C. Sec. 1437f).

(2) The following programs under the following sections of the National Housing Act:

(A) Section 213 (12 U.S.C. Sec. 1715e).

(B) The Below-Market-Interest-Rate Program under Section 221(d)(3) (12 U.S.C. Sec. 1715l (d) (3)).

(C) Section 236 (12 U.S.C. Sec. 1715z-1).

(D) Section 202 (12 U.S.C. Sec. 1708)

(3) Programs for rent supplement assistance under Section 101 of the Housing and Urban Development Act of 1965 (Public Law 89-117), as amended.

(4) Programs under Section 515 of the Housing Act of 1949, as amended (42 U.S.C. Sec. 1485).

(b) At least six months prior to the anticipated date of termination of a subsidy contract or mortgage prepayment on an assisted housing development, the owner or its agent proposing the termination or prepayment of government assistance shall provide a notice of the change to each affected tenant household residing in the assisted housing development. The notice shall contain (1) the anticipated date of the termination or prepayment of the programs contained in subdivision (a); (2) the anticipated rent increase at the date of the prepayment or termination of the program; (3) a statement that a copy of the notice will be sent to the city or county where the assisted housing development is located; and (4) a statement that a public hearing may be held by the city or county on the issue and that the tenant will receive notice of the hearing at least 15 days in advance. The same notice also shall be filed at the same time with the legislative body of the city in which the assisted housing development is located or, if located in an unincorporated area, with the legislative body of the county and with the local housing authority, if one exists, or the State Department of Housing and

Community Development, where it operates as the local housing authority.

In addition to information provided in the notice to the affected tenant, the notice to the appropriate city or county also shall contain information regarding the number of affected tenants in the project, the number of units that are government assisted, the number of the units that are not government assisted, the number of bedrooms in each unit that is government assisted and the ages and income categories of the affected tenants. The information contained in the notice shall be based on data that is reasonably available from existing tenant written records. As used in this section, "affected tenant" means a tenant household residing in an assisted housing development which benefits from the government assistance.

This section shall not require the owner or its agent to obtain or acquire additional information that is not contained in the existing tenant records. The owner or its agent shall not be held liable for any inaccuracies contained in the tenant records or from other sources.

(c) The legislative body may hold a public hearing which may be part of a regularly scheduled public hearing for the purpose of reviewing the notice provided pursuant to subdivision (b) for all assisted housing developments which consist of 25 or more units, except where the development is located in a rural area, as defined in Section 50101 of the Health and Safety Code, in which case the development shall consist of 10 or more units. The public hearing, if any, shall be held within 45 days of receipt of the notice by the city or county to determine the affect of the change upon the locality's housing needs and its ability to meet those housing needs in accordance with the housing element required pursuant to subdivision (c) of Section 65583 of the Government Code. Written notice of the time, date, and place of the hearing shall be given to each affected tenant household at least 15 days prior to the hearing date.

(d) For purposes of this section, service of the notice to the affected tenants and the appropriate city or county housing authority by the owner or its agent pursuant to subdivision (b) and service of the notice to the affected tenants by the city or county pursuant to subdivision (c) shall be made by first-class mail postage prepaid.

(e) Nothing in this section shall enlarge or diminish in any way any power which a city, county, city and county, affected tenant, or owner may have, independent of this section.

CHAPTER 1384

An act to add Sections 5685.5, 14021.3, and 14132.44 to the Welfare and Institutions Code, relating to mental health.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 5685.5 is added to the Welfare and Institutions Code, to read:

5685.5. (a) A county may contract with the local office of the public guardian to receive and manage income and benefits for mentally ill persons, regardless of whether the persons are under conservatorship. The case management services described in this section shall be provided only with the consent of the client. The public guardian, under the contracts, may perform functions intended to meet the goals of the community support system listed in Section 5683, and may also include, but not be limited to, all of the following case management services:

(1) Outreach and casefinding to locate mentally ill persons in need of services.

(2) Establishing liaison with charitable organizations which serve mentally ill persons.

(3) Assistance in applying for and obtaining public assistance benefits for which they are eligible.

(b) Any office of the public guardian contracting with the county to provide these management services shall maintain a record of those individuals being assisted, including information about whether the individual is under conservatorship, the type of service assistance provided by the office of the public guardian, and any agencies with which the office of the public guardian is coordinating efforts.

SEC. 2. Section 14021.3 is added to the Welfare and Institutions Code, to read:

14021.3. The department shall amend the state plan for medical assistance under Medicaid pursuant to Section 1915(g) of Title 19 of the Social Security Act, as amended by Public Law 99-272 (42 U.S.C. Sec. 1396n(g)), to add case management services as a covered benefit under the Short-Doyle/Medi-Cal program, and shall submit the plan for federal approval by December 31, 1988, or, if the plan has not been submitted by that date, shall submit a letter to the Legislature by that date explaining the circumstances delaying the plan's submission.

Upon federal approval for federal financial assistance, the department, in consultation with the State Department of Mental Health, shall define case management services, shall establish the standards under which case management services qualify as a

Short-Doyle/Medi-Cal reimbursable service, and shall develop an appropriate rate of reimbursement, subject to utilization controls.

It is the intent of the Legislature that at least 50 percent of the total state dollars that are offset as a result of the federal funds received for case management services be redirected to services for those persons identified in Section 14132.44 and that the remainder of these funds be redirected to services under the jurisdiction of the Health and Welfare Agency for persons other than those persons identified in Section 14132.44.

SEC. 3. Section 14132.44 is added to the Welfare and Institutions Code, to read:

14132.44. Upon federal approval of the state plan amendments under Section 14021.3 for federal financial assistance, targeted case management, pursuant to Section 1915(g) of the Social Security Act as amended by Public Law 99-272 (42 U.S.C. Sec. 1396n(g)), is covered as a benefit, subject to utilization controls for all of the following populations:

(a) Persons served by regional centers administered by the State Department of Developmental Services.

(b) Persons other than those described in subdivision (a) in programs administered by the State Department of Developmental Services.

(c) Persons receiving services pursuant to Section 14021.3.

(d) Persons in programs determined appropriate by the Director of Health Services.

SEC. 4. The Director of Health Services shall adopt any necessary regulations for the purposes of Sections 14021.3 and 14132.44 of the Welfare and Institutions Code, as emergency regulations, and notwithstanding any other provision of law, shall transmit the emergency regulations adopted pursuant to this subdivision directly to the Secretary of State for filing, and they shall become effective immediately upon filing.

CHAPTER 1385

An act to add Sections 14021.3 and 14132.44 to the Welfare and Institutions Code, relating to health, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 14021.3 is added to the Welfare and Institutions Code, to read:

14021.3. The department shall amend the state plan for medical assistance under Medicaid pursuant to Section 1915(g) of Title 19 of

the Social Security Act, as amended by Public Law 99-272 (42 U.S.C. Section 1396n(g)), to add case management services as a benefit under the Short-Doyle Medi-Cal program for persons served by the State Department of Mental Health and Short-Doyle mental health programs.

SEC. 2. Section 14132.44 is added to the Welfare and Institutions Code, to read:

14132.44. Targeted case management, pursuant to Section 1915(g) of the Social Security Act as amended by Public Law 99-272 (42 U.S.C. Sec. 1396n(g)), is covered as a benefit, subject to utilization controls for the following populations:

(a) Persons served by regional centers administered by the State Department of Developmental Services.

(b) Persons in other programs administered by the State Department of Developmental Services.

(c) Persons receiving services pursuant to Section 14021.3.

(d) Persons in programs determined appropriate by the State Director of Health Services.

SEC. 3. The State Director of Health Services shall adopt any necessary emergency regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 3 of the Government Code to implement Sections 1 and 2 of this act. The adoption of the regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health or safety. Notwithstanding the provisions of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, emergency regulations adopted by the State Department of Health Services in order to implement Sections 1 and 2 of this act shall not be subject to the prior review and approval of the Office of Administrative Law. These regulations shall become effective immediately upon filing with the Secretary of State.

SEC. 4. Sections 1 to 3, inclusive, of this act shall become operative only upon receipt, by the State Department of Health Services, of federal approval of amendments to the state plan pursuant to this act.

SEC. 5. It is the intent of the Legislature that at least 50 percent of the total of state dollars that are offset as a result of the federal funds received for case management services be redirected to services for those persons identified in Section 14132.44 and that the remainder of such funds be redirected to services under the jurisdiction of the Health and Welfare Agency for persons other than those persons identified in Section 14132.44.

It is further the intent of the Legislature that at least 50 percent of the total state dollars that are offset as a result of the federal funds received for case management services to persons pursuant to Section 14021.3 shall be used to increase services to persons served under the Short-Doyle Act.

SEC. 6. The Secretary of the Health and Welfare Agency shall review recent federal legislation relating to changes in social

security, Medicaid, vocational rehabilitation, mental health, and any other federal programs designed to improve services for the mentally disabled and develop such recommendations as necessary to maximize opportunities for improved services to mentally disabled persons in California.

The secretary shall consult with representatives of statewide family and consumer advocacy organizations in the development of recommendations of program policy improvements.

The secretary shall provide information to the fiscal committees of both houses of the Legislature regarding these recommendations during the 1988–89 fiscal year budget process.

SEC. 7. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Because the state may be missing opportunities for improving the policies and funding for thousands of mentally disabled persons, it is necessary that that act take effect immediately.

CHAPTER 1386

An act to add Section 11736.5 to the Insurance Code, to add Section 90.7 to the Labor Code, and to add Section 1141.5 to, the Unemployment Insurance Code, relating to employment.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 11736.5 is added to the Insurance Code, to read:

11736.5. If the commissioner is advised by the Department of Industrial Relations, the Employment Development Department, or any other state department or agency that an employer has failed to report all the payroll of employees, or if the commissioner otherwise has determined that the employer may have failed to report the payroll of all employees for the purpose of computing workers' compensation insurance premiums, the commissioner shall, when a policy of insurance has been issued, require the appropriate rating organization or insurer to audit the employer's payroll and operations and require the appropriate insurer to collect any premiums unpaid because of the underreporting of payroll. Any employer audited at the request of another state agency which has issued a final determination that the employer violated a specific law enforced by that agency shall pay the reasonable cost of the audit, as determined by the commissioner.

The commissioner shall annually report to the Legislature the

number of audits ordered pursuant to this section, the types of businesses audited, and the amount of premiums collected.

SEC. 2. Section 90.7 is added to the Labor Code, to read:

90.7. When the division determines that an employer has violated Section 226.2, 1021, 1021.5, 1197, or 1771, or otherwise determines that an employer may have failed to report all the payroll of the employer's employees as required by law, the division shall advise the Insurance Commissioner and request that an audit be ordered pursuant to Section 11736.5 of the Insurance Code.

SEC. 3. Section 1141.5 is added to the Unemployment Insurance Code, to read:

1141.5. When an assessment for employer or worker contributions made pursuant to this article becomes final, and is based on the failure of an employing unit to report the full amount of wages paid for employment to all employees, the director shall advise the Insurance Commissioner and request that an audit be ordered pursuant to Section 11736.5 of the Insurance Code.

SEC. 4. Nothing in this act shall be construed to impose upon the Department of Insurance duties beyond those related to the enforcement of Article 2 (commencing with Section 11730) of Chapter 3 of Part 3 of Division 2 of the Insurance Code.

CHAPTER 1387

An act to add Chapter 6.5 (commencing with Section 1690) to Division 2 of the Health and Safety Code, relating to hysterectomies.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Chapter 6.5 (commencing with Section 1690) is added to Division 2 of the Health and Safety Code, to read:

CHAPTER 6.5. HYSTERECTOMIES

1690. (a) Prior to the performance of a hysterectomy, physicians and surgeons shall obtain verbal and written informed consent. The informed consent procedure shall ensure that at least all of the following information is given to the patient verbally and in writing:

(1) Advice that the individual is free to withhold or withdraw consent to the procedure at any time before the hysterectomy without affecting the right to future care or treatment and without loss or withdrawal of any state or federally funded program benefits to which the individual might be otherwise entitled.

(2) A description of the type or types of surgery and other procedures involved in the proposed hysterectomy, and a

description of any known available and appropriate alternatives to the hysterectomy itself.

(3) Advice that the hysterectomy procedure is considered to be irreversible, and that infertility will result; except as provided in subdivision (b).

(4) A description of the discomforts and risks that may accompany or follow the performing of the procedure, including an explanation of the type and possible effects of any anesthetic to be used.

(5) A description of the benefits or advantages that may be expected as a result of the hysterectomy.

(6) Approximate length of hospital stay.

(7) Approximate length of time for recovery.

(8) Financial cost to the patient of the physician and surgeon's fees.

(b) A woman shall sign a written statement prior to the performance of the hysterectomy procedure, indicating she has read and understood the written information provided pursuant to subdivision (a), and that this information has been discussed with her by her physician and surgeon, or his or her designee. The statement shall indicate that the patient has been advised by her physician or designee that the hysterectomy will render her permanently sterile and incapable of having children and shall accompany the claim, unless the patient has previously been sterile or is postmenopausal.

(c) The informed consent procedure shall not pertain when the hysterectomy is performed in a life-threatening emergency situation in which the physician determines prior written informed consent is not possible. In this case, a statement, handwritten and signed by the physician, certifying the nature of the emergency, shall accompany the claim.

(d) The State Department of Health Services may develop regulations establishing verbal and written informed consent procedures that shall be obtained prior to performance of a hysterectomy, that indicate the medically accepted justifications for performance of a hysterectomy, pursuant to this chapter.

1691. The failure of a physician and surgeon to inform a patient by means of written consent, in layman's language and in a language understood by the patient of alternative efficacious methods of treatment which may be medically viable, when a hysterectomy is to be performed, constitutes unprofessional conduct within the meaning of Chapter 5 (commencing with Section 2000) of Division 2 of the Business and Professions Code.

CHAPTER 1388

An act to amend Sections 50665.1, 53534, 53852, and 66493 of the Government Code, and to amend Sections 5024, 8570, 8624, 8652, 8687, 8751, 8752, 8760, 8769, 8832, 9503, 9607, 9613, 10204, 10312, 10401, 10402, 10402.5, 22525, and 36523 of, to add Chapter 29 (commencing with Section 5898.10) to Part 3 of Division 7 of, to add Sections 8502.5, 8751.5, and 9519.5 to, to repeal Sections 8761, 8762, 8763, and 8765 of, and to repeal and add Sections 8766, 8767, and 8768 of, the Streets and Highways Code, relating to local agency financing.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 50665.1 of the Government Code is amended to read:

50665.1. As used in this article:

(a) "Local agency" means any county, city, or city and county, including a chartered city, or special district, including a school district.

(b) "Legislative body" means the city council in the case of a city, and the board of supervisors in the case of a county.

(c) "Revenues" means the funds received by a local agency from any source or combination of sources, which a local agency is not precluded by any other provision of law from using for the purposes of this article. "Revenues" include the proceeds of ad valorem taxes on real property levied by, or allocated to, the local agency, and the proceeds of sales and use taxes.

(d) "Pledged revenue" means a specified annual dollar amount from a specified source or combination of sources of revenue, which the legislative body of a local agency, in a resolution providing for the issuance of limited obligation bonds, has designated and pledged as security for the bonds in accordance with Section 50665.7.

(e) "Limited obligation bonds" are bonds issued by a local agency which are to be paid solely from pledged revenue.

(f) "Initiating resolution" means a resolution by which a legislative body determines that public interest or necessity demands the issuance of bonds.

(g) "Resolution" means a resolution by which a legislative body authorizes the issuance, sale, and delivery of bonds.

SEC. 1.2. Section 53534 of the Government Code is amended to read:

53534. (a) Any provision of law to the contrary notwithstanding, a city, county, or city and county may enter into contracts commonly known as "interest rate swap agreements" or "forward payment conversion agreements" with any person providing for the exchange of payments between the person and the city, county, or city and

county, including, without limitation, contracts providing for the exchange of fixed interest payments for floating payments or floating interest payments for fixed payments, or a combination thereof. The contracts may be made upon the terms and conditions established by the legislative body of the city, county, or city and county. The authority conferred by this section includes the authority to enter into any and all contracts incident to the exercise of the authority conferred by this section including, without limitation, contracts to obtain credit enhancement devices and contracts for the performance of professional services. However, these contracts may be made only if all securities or bonds included in the contracts are rated in one of the three highest rating categories by two nationally recognized rating agencies selected by the legislative body of the city, county, or city and county, and if there has been receipt, from any rating agency rating the bonds, of written evidence that the contract will not adversely affect the rating.

(b) This section shall remain in effect only until January 1, 1996, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1996, deletes or extends that date. However, the repeal of this section on that date shall not affect the validity of any contracts entered into pursuant to subdivision (a) prior to January 1, 1996.

SEC. 1.4. Section 53852 of the Government Code is amended to read:

53852. On or after the first day of any fiscal year a local agency may borrow money pursuant to this article, the indebtedness to be represented by a note or notes issued to the lender pursuant to this article. The money borrowed may be used and expended by the local agency for any purpose for which the local agency is authorized to use and expend moneys, including but not limited to current expenses, capital expenditures, investment and reinvestment, and the discharge of any obligation or indebtedness of the local agency.

SEC. 1.6. Section 66493 of the Government Code is amended to read:

66493. (a) Whenever any part of the subdivision is subject to a lien for taxes or special assessments collected as taxes which are not yet payable, the final map or parcel map shall not be recorded until the owner or subdivider does both of the following:

(1) Files with the clerk of the board of supervisors of the county wherein any part of the subdivision is located, a certificate prepared by the appropriate state or local official giving his or her estimate of those taxes or assessments.

(2) Executes and files with the clerk of the board of supervisors of the county wherein any part of the subdivision is located, security conditioned upon the payment of all state, county, municipal, and local taxes and the current installment of principal and interest of all special assessments collected as taxes, which at the time the final map is recorded are a lien against the property, but which are not yet payable.

(b) If the land being subdivided is a portion of a larger parcel shown on the last preceding tax roll as a unit, the security for payment of taxes need be only for that sum as may be determined by the county to be sufficient to pay the current and delinquent taxes on the land being subdivided, together with all accrued penalties and costs if those taxes have been or are allowed to become delinquent. Separate assessor's parcel numbers shall be given to the portion of the larger parcel which is not within the proposed subdivision and to the parcel or parcels which are within the proposed subdivision.

If the land being subdivided is tax-defaulted, it may be redeemed without the redemption of the remainder of the larger parcel of which it is a part pursuant to the Revenue and Taxation Code as if it were held in ownership separate from and other than the ownership of the remainder.

(c) Whenever land subject to a special assessment or bond which may be paid in full is divided by the line of a lot or parcel of the subdivision, that assessment or bond shall be paid in full, or security shall be filed with the clerk of the board of supervisors, payable to the county as trustee for the assessment bondholders for the payment of the special assessment or bond.

(d) Whenever land subject to a special assessment for payment of a bond would be divided by the line of a lot or parcel of a subdivision, and which is not paid in full or secured pursuant to subdivision (c), the final map or parcel map shall not be recorded until the owner or subdivider files with the clerk of the board of supervisors of the county a certificate prepared by the clerk of the legislative body that created the assessment district. The certificate shall certify that the legislative body has determined that provision has been made for segregation of the responsibility of each of the proposed new parcels for a portion of the assessment payment obligation in the manner provided in the statute pursuant to which the assessments were levied or to which the bonds were issued.

(e) The amount of security for "taxes" in subdivision (a) or "current taxes" for subdivision (b), shall consider only amounts shown on the regular assessment roll or shown on any supplemental rolls prepared pursuant to Chapter 3.5 (commencing with Section 75) of Part 0.5 of Division 1 of the Revenue and Taxation Code.

SEC. 1.5. Section 66493 of the Government Code is amended to read:

66493. (a) Whenever any part of the subdivision is subject to a lien for taxes or special assessments collected as taxes which are not yet payable, the final map or parcel map shall not be recorded until the owner or subdivider does both of the following:

(1) Files with the clerk of the board of supervisors of the county wherein any part of the subdivision is located a certificate or statement prepared by the appropriate state or local official giving his or her estimate of those taxes or assessments.

(2) Executes and files with the clerk of the board of supervisors of the county wherein any part of the subdivision is located, security

conditioned upon the payment of all state, county, municipal, and local taxes and the current installment of principal and interest of all special assessments collected as taxes, which at the time the final map is recorded are a lien against the property, but which are not yet payable.

(b) If the land being subdivided is a portion of a larger parcel shown on the last preceding tax roll as a unit, the security for payment of taxes need be only for the sum which may be determined by the county to be sufficient to pay the current and delinquent taxes on the land being subdivided, together with all accrued penalties and costs if those taxes have been or are allowed to become delinquent. Separate assessor's parcel numbers shall be given to the portion of the larger parcel which is not within the proposed subdivision and to the parcel or parcels which are within the proposed subdivision.

If the land being subdivided is tax-defaulted, it may be redeemed without the redemption of the remainder of the larger parcel of which it is a part pursuant to the Revenue and Taxation Code as if it were held in ownership separate from and other than the ownership of the remainder.

(c) Whenever land subject to a special assessment or bond which may be paid in full is divided by the line of a lot or parcel of the subdivision, that assessment or bond shall be paid in full, or security shall be filed with the clerk of the board of supervisors, payable to the county as trustee for the assessment bondholders for the payment of the special assessment or bond.

(d) Whenever land subject to a special assessment for payment of a bond would be divided by the line of a lot or parcel of a subdivision, and which is not paid in full or secured pursuant to subdivision (c), the final map or parcel map shall not be recorded until the owner or subdivider files with the clerk of the board of supervisors of the county a certificate prepared by the clerk of the legislative body that created the assessment district. The certificate shall certify that the legislative body has determined that provision has been made for segregation of the responsibility of each of the proposed new parcels for a portion of the assessment payment obligation in the manner provided in the statute pursuant to which the assessments were levied or to which the bonds were issued.

(e) In computing the amount of security for "taxes" in subdivision (a) or "current taxes" in subdivision (b), it shall only be necessary to consider amounts shown on the regular assessment roll or shown on any supplemental rolls prepared pursuant to Chapter 3.5 (commencing with Section 75) of Part 0.5 of Division 1 of the Revenue and Taxation Code.

SEC. 2. Section 5024 of the Streets and Highways Code is amended to read:

5024. "Incidental expense" includes all of the following:

(a) The compensation of the engineer for work done by him or her, and attorney's fees for services in proceedings pursuant to this division.

(b) The cost of printing and advertising provided for in this division, including the treasurer's estimated cost of printing, servicing, and collecting any bonds to be issued to represent or be secured by unpaid assessments.

(c) The compensation of the person appointed by the superintendent of streets to take charge of, and superintend any of, the work.

(d) The expenses of making the assessment, and of the collection of assessments by the superintendent of streets when directed by ordinance to receive payments pursuant to Section 5396, and of preparing and typing the resolutions, notices, and other papers and proceedings for any work authorized by this division.

(e) The expenses of making any analysis and tests to determine that the work, and any materials or appliances incorporated therein, comply with the specifications.

(f) All costs and expenses incurred in carrying out the investigations and making the reports required by the provisions of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (Division 4 (commencing with Section 2800)).

(g) The cost of title searching, description writing, salaries of right-of-way agent, appraisal fees, partial reconveyance fees, surveys, and sketches incident to securing rights-of-way for any work authorized by this division.

(h) Any other expenses incidental to the construction, completion, and inspection of the work in the manner provided for in this division.

(i) The cost of relocating or altering any public utility facilities as required by the improvement in those cases where such cost is the legal obligation of the city.

(j) In a county having a population of 4,000,000 or over, the cost of purchasing plans prepared by a registered civil engineer engaged by owners.

(k) The cost of filing and of recording documents where the cost is the legal obligation of the city.

(*l*) The cost of any acquisition, as defined in Section 5023.1, and expenses incidental in connection with the acquisition.

(m) In the event that the construction of sewers or appurtenances incident thereto shall have been ordered, sewer service, connection, and capacity charges established by the city as a condition to the providing of sewer service for the benefit of properties within the assessment district, and required for the completion and utilization of the improvement constructed.

(n) In the event that the construction of water improvements or appurtenances incident thereto shall have been ordered, water service, connection, and capacity charges established by the city as a condition to the providing of water service for the benefit of properties within the assessment district, and required for the completion and utilization of the improvement constructed.

(o) All costs not identified in subdivisions (a) to (n), inclusive,

related to the issuance of bonds, including, but not limited to, costs of obtaining credit ratings, bond insurance premiums, fees for letters of credit and other credit enhancement costs, and initial fees for the registration of bonds.

All demands for incidental expenses shall be presented to the street superintendent, by an itemized bill, duly verified by the demandant.

SEC. 3. Chapter 29 (commencing with Section 5898.10) is added to Part 3 of Division 7 of the Streets and Highways Code, to read:

CHAPTER 29. CONTRACTUAL ASSESSMENTS

Article 1. General Provisions

5898.10. This chapter provides an alternative procedure for authorizing assessments to finance any work which may be done pursuant to this division. The terms and definitions of this division apply to this chapter, except as otherwise provided. The Special Assessment Investigation, Limitation, and Majority Protest Act of 1931 (Division 4 (commencing with Section 2800)) does not apply to any proceedings taken under this chapter.

5898.12. It is the intent of the Legislature that this chapter should be used to finance public improvements to lots or parcels which are developed and where the costs and time delays involved in creating an assessment district pursuant to other provisions of this division or any other law would be prohibitively large relative to the cost of the public improvements to be financed. This chapter shall not be used to finance facilities for parcels which are undergoing development. Assessments may be levied pursuant to this chapter only with the free and willing consent of the owner of each lot or parcel on which an assessment is levied at the time the assessment is levied.

Article 2. Creation of Contractual Assessment Program

5898.20. (a) The legislative body of any city may determine that it would be convenient and advantageous to designate an area within the city, which may encompass the entire city or a lesser portion, within which authorized city officials and property owners may enter into contractual assessments and to make financing arrangements pursuant to this chapter.

(b) The legislative body shall make these determinations by adopting a resolution indicating its intention to do so. The resolution of intention shall include a statement that the city proposes to make contractual assessment financing available to property owners, shall identify the kinds of public works which may be financed, shall describe the boundaries of the area within which contractual assessments may be entered into, and shall briefly describe the proposed arrangements for financing the program. The resolution shall state that a public hearing should be held at which interested

persons may object to or inquire about the proposed program or any of its particulars, and shall state the time and place of the hearing. The resolution shall direct an appropriate city official to prepare a report pursuant to Section 5898.22.

5898.22. The report shall contain all of the following:

(a) A map showing the boundaries of the territory within which contractual assessments are proposed to be offered.

(b) A draft contract specifying the terms and conditions that would be agreed to by a property owner within the contractual assessment area and the city.

(c) A statement of city policies concerning contractual assessments including all of the following:

(1) Identification of types of facilities which may be financed through the use of contractual assessments.

(2) Identification of a city official authorized to enter into contractual assessments on behalf of the city.

(3) A maximum aggregate dollar amount of contractual assessments.

(4) A method for setting requests from property owners for financing through contractual assessments in priority order in the event that requests appear likely to exceed the authorization amount.

(d) A plan for raising a capital amount required to pay for work performed pursuant to contractual assessments. The plan may include amounts to be advanced by the city through funds available to it from any source. The plan may include the sale of a bond or bonds or other financing relationship pursuant to Section 5898.28. The plan shall include a statement of or method for determining the interest rate and time period during which contracting property owners would pay any assessment. The plan shall provide for any reserve fund or funds. The plan shall provide for the apportionment of all or any portion of the costs incidental to financing, administration, and collection of the contractual assessment program among the consenting property owners and the city.

5898.24. A notice of the hearing shall be published pursuant to Section 6066 of the Government Code, and the first publication shall occur not later than 20 days before the date of the hearing.

5898.26. At the time of the hearing, the report shall be summarized and the legislative body shall afford all persons who are present an opportunity to comment upon, object to, or present evidence with regard to the proposed contractual assessment program, the extent of the area proposed to be included within the program, the terms and conditions of the draft contract, or the proposed financing provisions. At the conclusion of the hearing, the legislative body may adopt a resolution confirming the report or may direct its modification in any respect, and thereafter may adopt a resolution confirming the report as modified, or the legislative body may abandon the proceedings. However, the legislative body may not increase the area within which contractual assessments would be

offered without providing notice of the proposed increase in area pursuant to Section 5808.24. The hearing may be continued from time to time not exceeding a total of 180 days.

5898.28. A city may issue bonds pursuant to this chapter, the principal and interest for which would be repaid by contractual assessments. A city may advance its own funds to finance work to be repaid through contractual assessments, and may from time to time sell bonds to reimburse itself for such advances. A city may enter into a relationship with an underwriter or financial institution that would allow the sequential issuance of a series of bonds, each bond being issued as the need arose to finance work to be repaid through contractual assessments. The interest rate of each bond may be determined by an appropriate index, but shall be fixed at the time each bond is issued. Bond proceeds may be used to establish a reserve fund, and to pay for expenses incidental to the issuance and sale of the bonds. Division 10 (commencing with Section 8500) shall apply to any bonds issued pursuant to this section, insofar as that division is not in conflict with this chapter.

5898.30. Assessments levied pursuant to this chapter, and the interest and any penalties thereon shall constitute a lien against the lots and parcels of land on which they are made, until they are paid. Division 10 (commencing with Section 8500) applies to the levy and collection of assessments levied pursuant to this chapter, insofar as those provisions are not in conflict with the provisions of this chapter, including, but not limited to, any penalties and remedies and lien priorities in the event of delinquency and default.

5898.32. The legislative body shall direct its clerk to record a notice of the existence and amount of each contractual assessment with the county recorder of the county in which the lot or parcel is located. The county recorder shall accept those filings and may charge the clerk a fee for recording those documents pursuant to Section 3116. The failure of the clerk or recorder to perform the filings shall not subject the local agency or any of its officers or employees to civil liability.

SEC. 4. Section 8502.5 is added to the Streets and Highways Code, to read:

8502.5. "Assessed" and "assessment" mean assessments made pursuant to subdivisions (d) and (e) of Section 10204, as corrected and modified by the legislative body. "Assessed" and "assessment" do not include assessments to pay administrative costs made pursuant to subdivision (f) of Section 10204.

SEC. 5. Section 8570 of the Streets and Highways Code is amended to read:

8570. The legislative body of any city may determine that serial bonds shall be issued as provided in this division to represent and be secured by the assessments which shall be made to pay the cost of any work or improvement which is made in any of the streets, avenues, lanes, alleys, courts, places or public ways of the city, or in, over, or through any property or rights-of-way owned by the city,

and which is authorized by Part 1 (commencing with Section 4000) of Division 6 (Street Opening Act of 1903) or by Division 7 (commencing with Section 5000) (Improvement Act of 1911), or which is made to pay the cost of any other work or improvement which is charged and assessed upon real property pursuant to any other provision of law. The legislative body may not issue bonds secured by assessments levied pursuant to subdivision (b) of Section 10312 to pay administrative costs.

SEC. 6. Section 8624 of the Streets and Highways Code is amended to read:

8624. The estimated cost of incidental expenses, as defined in Section 5024, of the work shall be included in the assessment issued to the contractor.

SEC. 7. Section 8652 of the Streets and Highways Code is amended to read:

8652. The bonds shall be substantially in the following form:

United States of America
State of California
County of _____

REGISTERED	REGISTERED
Number	$

IMPROVEMENT BOND
City (or County) of (naming it)

SERIES NO. _____

INTEREST RATE	MATURITY DATE	BOND DATE	CUSIP NUMBER
		_____, 19__	

Under and by virtue of the Improvement Bond Act of 1915, Division 10 (commencing with Section 8500) of the Streets and Highways Code (the "Act"), the City (or County) of _____, County of _____, State of California, (the "City" or "County") will, out of the redemption fund for the payment of the bonds issued upon the unpaid portion of assessments made for the acquisition, work, and improvements more fully described in proceedings taken pursuant to Resolution of Intention No. _____, adopted by the (legislative body) of the City (or County) of _____ on the _____ day of _____, 19__, (as later amended), pay to _____ or registered assigns, on the maturity date stated above, the principal sum of _____, in lawful money of the United States of America and in like manner will pay interest from the interest payment date next preceding the date on which this bond is authenticated, unless this bond is authenticated and registered as of an interest payment date, in which event it shall bear interest from such interest payment date,

or unless this bond is authenticated and registered prior to _____, 19__, (first interest payment date) in which event it shall bear interest from its date, until payment of such principal sum shall have been discharged, at the rate per annum stated above, payable semiannually on March 2 and September 2 in each year commencing on _____, 19____. Both the principal hereof and redemption premium hereon are payable at _____ as Transfer Agent, Registrar, and Paying Agent, in _____, California, and the interest hereon is payable by check or draft mailed to the owner hereof at the owner's address as it appears on the records of the _____ (issuing agency or registration agent) or at such address as may have been filed with the _____ (issuing agency or registration agent) for that purpose, as of the 15th day immediately preceding each interest payment date.

This bond will continue to bear interest after maturity at the rate above stated; provided, it is presented at maturity and payment thereof is refused upon the sole ground that there are not sufficient moneys in said redemption fund with which to pay same. If it is not presented at maturity, interest thereon will run until maturity.

This bond shall not be entitled to any benefit under the Act or the Resolution Authorizing Issuance of Bonds (the "Resolution of Issuance"), or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been dated and signed by the _____ (issuing agency or registration agent).

IN WITNESS WHEREOF, said City (or County) of _____ has caused this bond to be signed in facsimile by the Treasurer of said City (or County) and by its Clerk, and has caused its corporate seal to be reproduced in facsimile hereon all as of the _____ day of _____, 19__.

CITY (OR COUNTY) OF _____

_____	_____
Clerk	Treasurer

[SEAL]

Certificate of Authentication and Registration

This is one of the bonds described in the within mentioned Resolution of Issuance, which has been authenticated and registered on

By _____

ADDITIONAL PROVISIONS OF THE BOND

This bond is one of several annual series of bonds of like date, tenor, and effect, but differing in amounts, maturities, and interest rates, issued by the City (or County) of _____ under the Act and the Resolution of Issuance, for the purpose of providing means for paying for the improvements described in the proceedings, and is secured by the moneys in said redemption fund and by the unpaid portion of said assessments made for the payment of said improvements, and, including principal and interest, is payable exclusively out of said fund.

This bond is transferable by the registered owner hereof, in person or by the owner's attorney duly authorized in writing, at the office of _____ (issuing agency or its registration agent), subject to the terms and conditions provided in the Resolution of Issuance, including the payment of certain charges, if any, upon surrender and cancellation of this bond. Upon such transfer, a new registered bond or bonds, of any authorized denomination or denominations, of the same maturity, for the same aggregate principal amount, will be issued to the transferee in exchange therefor.

Bonds shall be registered only in the name of an individual (including joint owners), a corporation, a partnership, or a trust.

Neither the issuing agency nor the registration agent shall be required to make such exchange or registration of transfer of bonds during the 15 days immediately preceding any interest payment date.

The issuing agency and the registration agent may treat the owner hereof as the absolute owner for all purposes, and the issuing agency and the registration agent shall not be affected by any notice to the contrary.

This bond or any portion of it in the amount of five thousand dollars ($5,000), or any integral multiple thereof, may be redeemed and paid in advance of maturity upon the second day of March or September in any year by giving at least 30 days' notice by registered or certified mail or by personal service to the registered owner hereof at the owner's address as it appears on the registration books of the _____ (issuing agency or registration agent) by paying principal and accrued interest together with a premium equal to _____ percentum of the principal.

This bond is not subject to refunding pursuant to the procedures of Division 11 (commencing with Section 9000) or Division 11.5 (commencing with Section 9500) of the Streets and Highways Code prior to _____, _____.

I hereby certify that the following is a correct copy of the signed legal opinion of _____

City (or County) Clerk

SEC. 8. Section 8687 of the Streets and Highways Code is amended to read:

8687. Any assessment may be paid by depositing with the treasurer the total unpaid balance due on the assessment together with the total interest which would become due on the assessment if it were paid in the regular way. If the amount of the payment, along with prepayments of other assessments, is sufficient to provide surplus moneys with which to redeem any bond outstanding and not due on the next succeeding second day of September, the treasurer shall then give the proper notice for redeeming such bond, by advancing its maturity in accordance with the provisions of Part 11 (commencing with Section 8750) upon which redemption the person paying the assessment shall be entitled to credit and reimbursement for the par value of any interest payments thereon which shall be canceled but not paid less any accrued interest paid thereon and less the premium paid on the bond, and less any costs incurred for administering the retirement of the bond. The treasurer shall also record an addendum to the notice of assessment recorded pursuant to Section 3114 which shall state that the recorded assessment against the identified parcel or parcels has been paid in full, and that the associated lien against those parcels has been fully discharged.

SEC. 9. Section 8751 of the Streets and Highways Code is amended to read:

8751. Notice of advanced maturity shall be given in writing to the registered holder or owner of the bond by registered or certified mail or personal service. Service or mailing of the notice shall be made at least 30 days before the date fixed for advanced maturity.

SEC. 9.5. Section 8751.5 is added to the Streets and Highways Code, to read:

8751.5. In the event the treasurer receives for payment any interest coupon from a bond for which notice of advanced maturity has been given without the bond being surrendered to him or her, he or she shall mail a copy of the notice of advanced maturity to the address given for payment of the coupon and, if the coupon received is for interest which has ceased to accrue on the bond by reason of its advanced maturity, shall also return the interest coupon with the copy of notice. Failure of the holder or owner of the bond to receive the additional notice shall not affect the advancing of the maturity of the bond.

SEC. 10. Section 8752 of the Streets and Highways Code is amended to read:

8752. If notice of advanced maturity is given, the bond shall mature and become payable on the date fixed for maturity in the notice. The holder or owner of the bond may, prior to the date of advanced maturity, with the consent of the treasurer, surrender it and receive the principal and interest thereon to the date of payment together with the redemption premium provided for the bond. If the bond has not been sooner surrendered on the date fixed for advanced maturity, the treasurer shall set aside to the credit of the owner of the bond the amount of principal and accrued interest

then due on the bond together with the redemption premium and the bond shall then be deemed to have matured and interest shall cease to accrue on the bond. The amount so set aside shall upon demand and upon the surrender and cancellation of the bond be paid to the holder or owner of the bond.

SEC. 11. Section 8760 of the Streets and Highways Code is amended to read:

8760. The procedures of this part are alternative to Part 8 (commencing with Section 8680) and Part 11 (commencing with Section 8750) relating to the payment in full of assessments and advance retirement of bonds. Except as otherwise provided, Part 8 (commencing with Section 8680) and Part 11 (commencing with Section 8750) shall apply. When it is proposed to proceed under this part, it shall be so stated in the resolution of intention.

SEC. 12. Section 8761 of the Streets and Highways Code is repealed.

SEC. 13. Section 8762 of the Streets and Highways Code is repealed.

SEC. 14. Section 8763 of the Streets and Highways Code is repealed.

SEC. 15. Section 8765 of the Streets and Highways Code is repealed.

SEC. 16. Section 8766 of the Streets and Highways Code is repealed.

SEC. 17. Section 8766 is added to the Streets and Highways Code, to read:

8766. The owner of assessed land, except land which has been ordered to judicial foreclosure pursuant to Section 8830, may prepay the assessment and remove the lien of the assessment by paying to the treasurer the sum of the following amounts.

(a) The amount of any delinquent installments of principal and interest, together with penalties accrued to the date of prepayment.

(b) The unpaid, nondelinquent principal of the assessment, including principal posted to the tax roll for the current fiscal year but not yet paid.

(c) An allowance for redemption premium, calculated by multiplying the amount of the unmatured principal by the redemption premium percentage stated in the bonds. Unmatured principal excludes principal due during the fiscal year of prepayment.

(d) A reasonable fee, fixed by the treasurer, for the cost of administering the prepayment and the advance redemption of bonds.

(e) Interest accrued to the next call date of the bonds. The next call date shall be the next bond interest payment date which is not less than 90 days after the date of prepayment. Credit shall be given, or a refund provided, for installments of interest posted to the current tax roll and actually paid.

SEC. 18. Section 8767 of the Streets and Highways Code is

repealed.

SEC. 19. Section 8767 is added to the Streets and Highways Code, to read:

8767. Upon receiving a prepayment of an assessment, the treasurer shall deposit it in an assessment prepayment subaccount of the bond redemption fund. All prepayments may be commingled in a single account. From the account the treasurer shall make disbursements as follows:

(a) The administrative fee shall be deposited in the general fund of the city.

(b) Delinquent principal, interest, and penalties shall be transferred to the redemption fund for the bonds. If a special reserve fund has been established for the bonds and has been depleted on account of the delinquencies, the delinquent amounts and penalties shall be transferred instead to the special reserve fund.

(c) The installment of principal due in the fiscal year of prepayment shall be transferred to the redemption fund for the bonds.

(d) Interest accrued to the next call date shall be transferred to the redemption fund for the bonds.

(e) The balance in the assessment prepayment account shall be used to advance the maturity of bonds to the next call date as provided in Part 11 (commencing with Section 8750). The amount of bonds to be retired shall be the maximum for which principal and redemption premium may be paid in full from the prepayment account. Accrued interest on bonds to be retired shall be paid from the redemption fund.

SEC. 20. Section 8768 of the Streets and Highways Code is repealed.

SEC. 21. Section 8768 is added to the Streets and Highways Code, to read:

8768. The treasurer shall select bonds for retirement in such a way that the ratio of outstanding bonds to issued bonds shall be approximately the same in each annual series insofar as possible. Within each annual series, bonds shall be selected for retirement by lot.

SEC. 22. Section 8769 of the Streets and Highways Code is amended to read:

8769. Before issuing bonds pursuant to this division, the legislative body shall determine, and shall declare in the resolution of intention, one of the following:

(a) The city will obligate itself to advance available funds from the city treasury to cure any deficiency which may occur in the bond redemption fund.

(b) The city will not obligate itself to advance available funds from the city treasury to cure any deficiency which may occur in the bond redemption fund. A determination not to obligate itself shall not prevent the city from, in its sole discretion, so advancing funds.

The determination made pursuant to this section shall be clearly

stated in the text of the bonds issued pursuant to this division, and the title of the bonds shall include the words "Limited Obligation Improvement" in the event that the declaration in subdivision (b) is made.

SEC. 22.5. Section 8832 of the Streets and Highways Code is amended to read:

8832. (a) The court shall have the power to adjudge and decree a lien against the lot or parcel of land covered by the assessment or reassessment for the amount of the judgment and to order the premises to be sold on execution as in other cases of the sale of real property by the process of the court.

(b) The lot or parcel may not be sold unless the amount to be paid pursuant to the bid equals or exceeds the amount of the judgment with costs and interest, costs and interest accruing after issuance of the writ pursuant to which the sale is conducted, the levying officer's costs, and any other amounts the total of which is required by law to be bid in order that the lot or parcel may be sold.

(c) The foreclosure action shall be governed and regulated by the provisions of this part, and where not in conflict with this part, by the applicable laws of this state.

SEC. 23. Section 9503 of the Streets and Highways Code is amended to read:

9503. The legislative body of any city in this state may issue refunding bonds and refund outstanding bonds issued either under the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500)) or under this division, under and subject to this division, and may provide for the extension of the liens of assessments and the levy and collection of assessments and reassessments to pay the refunding bonds. All or any portion of any bond issue authorized for refunding by this section may be refunded pursuant to this section.

SEC. 24. Section 9519.5 is added to the Streets and Highways Code, to read:

9519.5. Sections 8571.3 and 8769 are applicable to this division.

SEC. 25. Section 9607 of the Streets and Highways Code is amended to read:

9607. The last maturity of any refunding bonds shall not exceed 39 years from the second day of September next succeeding 12 months after the date of the bonds.

SEC. 26. Section 9613 of the Streets and Highways Code is amended to read:

9613. Refunding bonds issued pursuant to this chapter may be exchanged for the bonds to be refunded on any basis the legislative body determines is for the benefit of the city if the bondholders consent to the exchange. As an alternative to exchanging the refunding bonds for the bonds to be refunded, the legislative body may sell the refunding bonds at public or private sale and at a price at or below par or with a premium. The proceeds of any sale of refunding bonds for cash shall be placed in the treasury of the local

agency to the credit of a fund to be established for the purpose of refunding the bonds to be refunded, and the proceeds shall be applied only as permitted by this division.

SEC. 27. Section 10204 of the Streets and Highways Code is amended to read:

10204. The report of the person or board to whom the improvement is referred by the legislative body shall contain all of the following:

(a) Plans and specifications of the proposed improvement if the improvement is not already installed. The plans and specifications need not be detailed and are sufficient if they show or describe the general nature, location, and extent of the improvements. If the assessment district is divided into zones, the plans and specifications shall indicate the class and the type of improvements to be provided for each zone. The plans or specifications may be prepared as separate documents, or either or both may be incorporated in the report as a combined document.

(b) A general description of works or appliances already installed and any other property necessary or convenient for the operation of the improvement, if the works, appliances, or property are to be acquired as part of the improvement.

(c) An estimate of the cost of the improvement and of the cost of lands, rights-of-way, easements, and incidental expenses in connection with the improvement, including any cost of registering bonds. If the legislative body, in the resolution of intention, ordered that private utility damages be included in the assessment, the report shall contain an estimate of the private utility damages. If the legislative body, in the resolution of intention, declared its intention to levy an assessment for the maintenance, repair, or improvement of the work, system, or facility, the report shall contain an estimate of the amount of this assessment for each of the first five years during which the assessment would be levied.

(d) A diagram showing, as they existed at the time of the passage of the resolution of intention, all of the following:

(1) The exterior boundaries of the assessment district.

(2) The boundaries of any zones within the district.

(3) The lines and dimensions of each parcel of land within the district.

Each subdivision, including each separate condominium interest, as defined in Section 783 of the Civil Code, shall be given a separate number upon the diagram. The diagram may refer to the county assessor's maps for a detailed description of the lines and dimensions of any parcels, in which case those maps shall govern for all details concerning the lines and dimensions of the parcels.

(e) A proposed assessment of the total amount of the cost and expenses of the proposed improvement upon the several subdivisions of land in the district in proportion to the estimated benefits to be received by each subdivision, respectively, from the improvement. In the case of an assessment for installation of planned

local drainage facilities which are financed, in whole or in part, pursuant to Section 66483 of the Government Code, the assessment levied against each parcel of subdivided land may be levied on the basis of the proportionate storm water runoff from each parcel. When any portion or percentage of the cost and expenses of the improvement is ordered to be paid out of the treasury of the municipality, pursuant to Section 10201, the amount of that portion or percentage shall first be deducted from the total estimated cost and expenses of the improvement, and the assessment upon property proposed in the report shall include only the remainder of the estimated cost and expenses. The assessment shall refer to the subdivisions by their respective numbers as assigned pursuant to subdivision (d).

(f) A proposed maximum annual assessment upon each of the several subdivisions of land in the district to pay costs incurred by the city and not otherwise reimbursed which result from the administration and collection of assessments or from the administration or registration of any associated bonds and reserve or other related funds.

SEC. 28. Section 10312 of the Streets and Highways Code is amended to read:

10312. (a) When, upon the hearing, the proposed assessment provided for in subdivisions (d) and (e) of Section 10204, and the maximum annual assessment provided for in subdivision (f) of that section, are confirmed as filed, as modified, or corrected, by resolution, the legislative body shall order the proposed improvement to be made or acquired, and declare its action upon the report and assessment. The resolution shall be final as to all persons, and the assessment thereby levied upon the respective subdivisions of land in the assessment district.

(b) If an annual assessment to pay for administrative cost is provided for pursuant to subdivision (a), the legislative body shall determine, by resolution, the amount of the annual assessment for this purpose, which shall not exceed the maximum assessment provided for in subdivision (a) and shall not exceed a reasonable estimate of costs actually incurred or likely to be incurred. This determination may be included in the resolution adopted pursuant to subdivision (a). The legislative body may subsequently determine by resolution that the annual assessment shall be a different amount, but in no event shall the annual assessment exceed the maximum annual assessment provided for in subdivision (a). Resolutions adopted pursuant to this subdivision shall be final as to all persons, and the annual assessment in the amount determined shall thereby be levied annually until changed by resolution adopted pursuant to this section. These assessments may be collected in the same manner and in the same installments as the assessments levied pursuant to subdivision (a), and may be combined with those assessments for collection in any manner which is convenient and economical.

SEC. 29. Section 10401 of the Streets and Highways Code is

amended to read:

10401. Upon the passage of the resolutions provided for in Section 10312, the clerk of the legislative body shall, if bonds are to be issued, transmit to the superintendent of streets, or if no bonds are to be issued, to the city tax collector the diagram and assessments adopted pursuant to Section 10312. If other than a municipal corporation is conducting the proceeding, the diagram and assessment shall be transmitted to and recorded by the corresponding officer of the entity conducting the proceeding, which officer shall be the county surveyor if a county is conducting the proceeding, and that officer shall perform the duties provided in this division for the tax collector. If neither a municipal corporation nor a county is conducting the proceeding, a certified copy of the diagram and assessment shall be recorded with the county surveyor if all or any part of the improvement district is in unincorporated territory, and with the superintendent of streets or tax collector of the city if all or any part of the improvement district is an incorporated territory.

SEC. 30. Section 10402 of the Streets and Highways Code is amended to read:

10402. The tax collector shall record the diagram and assessment received pursuant to Section 10401 in a substantial book to be kept for that purpose in his office. Upon the date of recordation with the tax collector or, if a certified copy is recorded with the county surveyor or the superintendent of streets of the city, or both, as provided in Section 10401, then upon the date of recordation, the assessment becomes due and payable, except that the legislative body may provide in the resolution adopted pursuant to Section 10312 that all or any portion of the assessment becomes due and payable on the date of the bonds which represent the assessments or portion thereof.

SEC. 31. Section 10402.5 of the Streets and Highways Code is amended to read:

10402.5. Upon the passage of the resolution provided for in subdivision (a) of Section 10312, the city clerk shall record a notice of assessment, as provided for in Section 3114, modified to reflect any annual assessment for administrative cost, whereupon the assessment shall attach as a lien upon the property assessed, as provided in Section 3115, except that the annual assessment for administrative cost shall become a lien at the same time as the property tax becomes a lien each year.

SEC. 32. Section 22525 of the Streets and Highways Code is amended to read:

22525. "Improvement" means one or any combination of the following:

(a) The installation or planting of landscaping.

(b) The installation or construction of statuary, fountains, and other ornamental structures and facilities.

(c) The installation or construction of public lighting facilities.

(d) The installation or construction of any facilities which are

appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof, including grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.

(e) The installation of park or recreational improvements, including, but not limited to, all of the following:

(1) Land preparation, such as grading, leveling, cutting and filling, sod, landscaping, irrigation systems, sidewalks, and drainage.

(2) Lights, playground equipment, play courts, and public restrooms.

(f) The maintenance or servicing, or both, of any of the foregoing.

(g) The acquisition of land for park, recreational, or open-space purposes.

SEC. 33. Section 36523 of the Streets and Highways Code is amended to read:

36523. Whenever a hearing is held under this part, the city council shall hear all protests and receive evidence, including written protests, for or against the proposed action. The city council shall also rule upon all protests and its determination shall be final. The city council may continue the hearing from time to time. Proceedings shall terminate if a protest is made in writing by businesses in the proposed area which will pay a majority of the assessments or charges proposed to be imposed.

SEC. 34. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

SEC. 35. Section 1.5 of this bill incorporates amendments to Section 66493 of the Government Code proposed by both this bill and AB 1208. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 66493 of the Government Code, and (3) this bill is enacted after AB 1208, in which case Section 1 of this bill shall not become operative.

CHAPTER 1389

An act to add Section 4701.1 to the Civil Code, relating to child support.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 4701.1 is added to the Civil Code, to read:

4701.1. (a) (1) Subject to subdivisions (b) and (c), in any proceeding where the court has ordered either or both parents to pay any amount for the support of a minor child, upon an order to show cause or notice of motion, application, and declaration signed under penalty of perjury by the person or county officer to whom support has been ordered to have been paid stating that the parent or parents so ordered is in arrears in payment in a sum equal to the amount of 60 days of payments, the court shall issue to the parent or parents ordered to pay support, following notice and opportunity for a hearing, an order requiring that the parent or parents deposit assets to secure future support payments with the district attorney, other county officer, or any other trustee designated by the court. Upon request of any party the court may also issue an ex parte restraining order as specified in subdivision (d). Upon deposit of any asset which is not readily convertible into money, the court may, not less than 20 days after serving the obligor-parent or parents with written notice and a hearing, order the sale of that asset or assets and the deposit of the proceeds with the person designated under this subdivision. For purposes of Section 701.545 of the Code of Civil Procedure, the date of the issuance of the order to deposit assets shall be construed as the date notice of levy on an interest in real property was served on the judgment debtor. When the asset ordered to be deposited is real property, the order shall be certified as an abstract of judgment in accordance with Section 674 of the Code of Civil Procedure. A deposit of real property is made effective by recordation of the certified abstract with the county recorder. The deposited real property and the rights, benefits, and liabilities attached to that property shall continue in the possession of the legal owner.

(2) Upon an obligor-parent's failure, within the time specified by the court, to make reasonable efforts to cure the default in child support payments or to comply with a court-approved payment plan, if payments continue in the arrears, the district attorney, county officer, or trustee designated by the court shall, not less than 25 days after providing the obligor-parent or parents with a written notice served personally or with return receipt requested, unless a motion or order to show cause has been filed to stop the use or sale, use the money or sell or otherwise process the deposited assets for an amount sufficient to pay the arrearage and the amount ordered by the court

for the support, maintenance, and education of the minor child currently due.

Assets which have been deposited pursuant to an order issued in accordance with paragraph (1) shall be construed as being assets subject to levy pursuant to Article 6 (commencing with Section 701.510) of Chapter 3 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure. The sale of assets shall be conducted in accordance with Article 6 (commencing with Section 701.510) and Article 7 (commencing with Section 701.810) of Chapter 3 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure.

(3) The district attorney, county officer, or trustee designated by the court may deduct from the deposited money the sum of one dollar ($1) for each payment made pursuant to paragraph (2).

(4) An obligor-parent alleged to be in arrears under this section may employ any of the following grounds as a defense to the motion filed pursuant to paragraph (1) or as a basis for filing a motion to stop a sale or use of assets under paragraph (2):

(A) Child support payments are not in arrears.

(B) Laches.

(C) There has been a change in the custody of the children.

(D) There is a pending motion for reduction in support due to a reduction in income.

(E) Illness or disability.

(F) Unemployment.

(G) Serious adverse impact on the immediate family of the obligor-parent residing with the obligor-parent, that outweighs the impact of denial of the motion or stopping the sale on obligee.

(H) Serious impairment of the ability of the obligor-parent to generate income.

(I) Other emergency conditions.

An obligor-parent must rebut the presumptions that nonpayment of child support was willful, without good faith, and that the obligor had the ability to pay the support.

An obligor-parent may file a motion to stop the use of the money or the sale of the asset pursuant to paragraph (2) within 15 days after service of notice on him or her pursuant to paragraph (2). The clerk of the court shall set the motion for hearing not less than 20 days after service on the person or county officer to whom support has been ordered to have been paid.

(b) The court shall issue an order pursuant to paragraph (1) of subdivision (a) upon a determination that one or more of the following conditions exists:

(1) The obligor-parent is not receiving salary or wages subject to an assignment pursuant to Section 4701 and there is reason to believe that he or she has earned income from some source of employment.

(2) An assignment of a portion of salary or wages pursuant to Section 4701 would not be sufficient to meet the amount of the support obligation, for reasons other than a change of circumstances which would qualify for a reduction in the amount of child support

ordered.

(3) The job history of the obligor-parent shows that an assignment of a portion of salary or wages pursuant to Section 4701 would be difficult to enforce or would not be a practical means for securing the payment of the support obligation, due to circumstances including, but not limited to, multiple concurrent or consecutive employers.

(c) The designation of assets subject to an order pursuant to paragraph (1) of subdivision (a) shall be based upon concern for maximizing the liquidity and ready conversion into cash of the deposited asset. In all instances, the assets shall include a sum of money up to or equal in value to one year of support payments or six thousand dollars ($6,000) whichever is less, or any other assets, personal or real, designated by the court which equal in value up to one year of payments for support of the minor child, or six thousand dollars ($6,000), whichever is less, subject to Section 703.070 of the Code of Civil Procedure. In lieu of depositing cash or other assets as provided above, the obligor-parent may, if approved by the court, provide a performance bond secured by any real property or other assets of the parent and equal in value to one year of payments.

(d) During the pendency of any proceeding pursuant to this section, and upon the application of either party in the manner provided by Section 527 of the Code of Civil Procedure, the court may, without a hearing, issue ex parte orders restraining any person from transferring, encumbering, hypothecating, concealing, or in any way disposing of any property, real or personal, whether community, quasi-community, or separate, except in the usual course of business or for the necessities of life, and if the order is directed against a party, requiring him or her to notify the other party of any proposed extraordinary expenditures and to account to the court for all such extraordinary expenditures. The matter shall be made returnable not later than 20 days, or if good cause appears to the court, 25 days from the date of the order at which time the ex parte order shall expire. Any order issued pursuant to this section shall state on its face the date of expiration of the order, which shall expire in one year or upon deposit of assets or money pursuant to paragraph (1) of subdivision (a), whichever first occurs. The court, at the hearing, shall determine for which property the obligor-parent shall be required to report extraordinary expenditures and shall specify what is deemed an extraordinary expenditure for purposes of this subdivision.

(e) Any district attorney, county officer, or trustee designated by the court pursuant to subdivision (a) who is responsible for any money or property and for any disbursements under this section shall not be held liable for any action undertaken in good faith and in conformance with this section.

(f) The district attorney, county officer, or trustee designated by the court shall return all assets subject to court order under paragraph (1) of subdivision (a) to the obligor-parent or parents when both of the following occur:

(1) One year has elapsed since the court issued the order described under paragraph (1) of subdivision (a).

(2) The obligor-parent or parents have made all support payments on time during that one-year period.

When the above criteria have been satisfied and when the deposited asset was real property, the district attorney, county officer, or trustee designated by the court shall prepare a release in accordance with Section 697.370 of the Code of Civil Procedure and shall request the clerk of the court where the order to deposit assets was rendered to certify the release and record it in the office of the county recorder.

(g) The district attorney, county officer, or trustee shall, if requested by an obligor-parent, prepare a statement setting forth disbursements and receipts made under this section.

(h) If the district attorney, county officer, trustee, or person designated under subdivision (a) incurs fees or costs under this section which are not compensated by the deduction under paragraph (3) of subdivision (a), including, but not limited to, fees or costs incurred in any sale of assets pursuant to subdivision (a) and in the preparation of a statement pursuant to subdivision (g), the court shall, hear not less than 20 days after service upon the obligor-parent of the notice of motion or order to show cause by the district attorney, county officer, trustee, or person designated under subdivision (a) incurring the fees or costs, and order the obligor-parent or parents to pay reasonable fees and costs. Fees and costs ordered to be paid by the court under this subdivision shall be in addition to any deposit made under subdivision (a), but shall not exceed 5 percent of one year's child support obligation or the total amount ordered deposited under paragraph (1) of subdivision (a), whichever is less.

(i) The purpose of this section is to provide an extraordinary remedy for cases of bad faith failure to pay child support obligations.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act.

CHAPTER 1390

An act to amend Sections 481.5 and 660 of the Insurance Code, relating to insurance.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 481.5 of the Insurance Code is amended to read:

481.5. (a) Whenever an insurer endorses, rejects, declines, cancels, or surrenders a policy of insurance as defined in subdivision (a) of Section 660 or Section 675, or a policy of insurance as defined in subdivision (a) of Section 660 or Section 675 is canceled pursuant to Section 673, the unearned premium shall be tendered to the insured or to the person entitled thereto or to the insurance agent of record as the insurer's agent for transmittal within 25 days after the cessation or amendment of coverage due to endorsement, cancellation, rejection, surrender, or rescission. If this unearned premium is tendered to the insurer's agent, the agent shall tender this premium to the insured or to the person entitled to the premium within 15 days after the agent receives the premium. Any unearned premium not tendered within the time specified above shall bear interest at the rate of 10 percent per annum from and after the date on which the unearned premium is to be tendered. An agent or broker shall only be liable for the payment of interest after 15 days from the date the agent or broker has received the funds for the amount of the unearned premium from the insurer, or from the date the agent or broker has received notification from the insurer that a credit or payment for the amount of the unearned premium has been applied to an agent's or broker's account. That interest imposition shall not apply to any insurer in conservatorship or liquidation and shall constitute the sole penalty paid to the insured for a failure to refund an unearned premium. For the purposes of this section, the tender of any unearned premium to the insured shall be deemed complete upon the deposit of the unearned premium in the United States mail, prepaid, addressed to the named insured at the last known address.

(b) Whenever a policy is canceled pursuant to Section 673, other than a policy as defined in subdivision (a) of Section 660 or Section 675, the unearned premium shall be tendered to the person entitled thereto or to the insurance agent of record as the insurer's agent for transmittal within 120 days after the cessation of coverage due to cancellation. Any unearned premium not tendered within the time specified above shall bear interest at the rate of 10 percent per annum from and after that 120 days. That interest imposition shall not apply to any insurer in conservatorship or liquidation and shall

constitute the sole penalty paid to the insured for a failure to refund an unearned premium.

(c) For purposes of subdivisions (a) and (b), where the unearned premium is not assigned as security to a premium finance agency pursuant to a premium finance agreement and where the amount of unearned premium is less than twenty-five dollars ($25), tender of unearned premium shall include applying the amount of unearned premium either to the renewal premium at the next renewal date or to other premiums due, provided written notice of either application is given to the insured within 30 days after the endorsement, rejection, declination, cancellation, or surrender of a policy of insurance. At the time of endorsement or surrender of a policy of insurance or, within 15 days after the mailing of the written notice required by this subdivision, the insured may request in writing that the unearned premium be tendered as provided in subdivisions (a) and (b).

SEC. 2. Section 481.5 of the Insurance Code is amended to read:

481.5. (a) Whenever an insurer endorses, rejects, declines, cancels, or surrenders a policy of insurance as defined in subdivision (a) of Section 660 or Section 675, or a policy of insurance as defined in subdivision (a) of Section 660 or Section 675 is canceled pursuant to Section 673, the unearned premium shall be tendered to the insured or to the person entitled thereto or to the insurance agent of record as the insurer's agent for transmittal within 25 days after the cessation or amendment of coverage due to endorsement, cancellation, rejection, surrender, or rescission. If this unearned premium is tendered to the insurer's agent, the agent shall tender this premium to the insured or to the person entitled to the premium within 15 days after the agent receives the premium. Any unearned premium not tendered within the time specified above shall bear interest at the rate of 10 percent per annum from and after the date on which the unearned premium is to be tendered. An agent or broker shall only be liable for the payment of interest after 15 days from the date the agent or broker has received the funds for the amount of the unearned premium from the insurer, or from the date the agent or broker has received notification from the insurer that a credit or payment for the amount of the unearned premium has been applied to an agent's or broker's account. That interest imposition shall not apply to any insurer in conservatorship or liquidation and shall constitute the sole penalty paid to the insured for a failure to refund an unearned premium. For the purposes of this section, the tender of any unearned premium to the insured shall be deemed complete upon the deposit of the unearned premium in the United States mail, prepaid, addressed to the named insured at the last known address.

(b) Whenever a policy is canceled pursuant to Section 673, other than a policy as defined in subdivision (a) of Section 660 or Section 675, the unearned premium shall be tendered to the person entitled thereto or to the insurance agent of record as the insurer's agent for

transmittal within 120 days after the cessation of coverage due to cancellation. Any unearned premium not tendered within the time specified above shall bear interest at the rate of 10 percent per annum from and after that 120 days. That interest imposition shall not apply to any insurer in conservatorship or liquidation and shall constitute the sole penalty paid to the insured for a failure to refund an unearned premium.

(c) For purposes of subdivisions (a) and (b), where the unearned premium is not assigned as security to a premium finance agency pursuant to a premium finance agreement and where the amount of unearned premium is less than twenty-five dollars ($25), tender of unearned premium shall include applying the amount of unearned premium either to the renewal premium at the next renewal date or to other premiums due, provided written notice of either application is given to the insured within 30 days after the endorsement, rejection, declination, cancellation, or surrender of a policy of insurance. At the time of endorsement or surrender of a policy of insurance or, within 15 days after the mailing of the written notice required by this subdivision, the insured may request in writing that the unearned premium be tendered as provided in subdivisions (a) and (b). Whenever the amount of unearned premium is less than five dollars ($5), tender shall be effective and the written notice required by this subdivision shall not be required provided the unearned premium is applied either to the renewal premium at the next renewal date or to other premiums due.

SEC. 3. Section 660 of the Insurance Code is amended to read:

660. As used in this chapter:

(a) "Policy" means an automobile liability, automobile physical damage, or automobile collision policy, or any combination thereof, delivered or issued for delivery in this state, insuring a single individual or individuals residing in the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

(1) A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others; or

(2) Any other four-wheel motor vehicle with a load capacity of 1,500 pounds or less; provided, however, that this chapter shall not apply (i) to any policy issued under an automobile assigned risk plan, or (ii) to any policy insuring more than four automobiles, or (iii) to any policy covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards; or

(3) A motorcycle.

(b) "Automobile liability coverage" includes only coverage of bodily injury and property damage liability, medical payments, and uninsured motorists coverage.

(c) "Automobile physical damage coverage" includes all coverage of loss or damage to an automobile insured under the policy except loss or damage resulting from collision or upset.

(d) "Automobile collision coverage" includes all coverage of loss or damage to an automobile insured under the policy resulting from collision or upset.

(e) "Renewal" or "to renew" means to continue coverage with either the insurer which issued the policy or an affiliated insurer, as defined in Section 1215, for an additional policy period upon expiration of the current policy period of a policy, provided that if coverage is continued with an affiliated insurer, it shall be the same or broader coverage as provided by the present insurer, and the insured shall be notified in writing at least 20 days prior to expiration of the current policy period of all of the following: (1) That the insurer has determined that it will not offer renewal of the policy with the present insurer, (2) That it is offering replacement in an affiliated insurer, and (3) That the insured may obtain in writing the reasons for the change in insurers if he or she requests in writing not later than one month following the expiration of the policy period the reason or reasons for the change in insurers. Any policy with a policy period or term of six months or less, whether or not made continuous for successive terms upon the payment of additional premiums, shall for the purpose of this chapter be considered as if written for a policy period or term of six months. Any policy written for a term longer than one year, or any policy with no fixed expiration date, shall for the purpose of this chapter, be considered as if written for successive policy periods or terms of one year.

(f) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(g) "Cancellation" means termination of coverage by an insurer (other than termination at the request of the insured) during a policy period.

(h) "Nonrenewal" means a notice by the insurer to the named insured that the insurer is unwilling to renew a policy.

(i) "Expiration" means termination of coverage by reason of the policy having reached the end of the term for which it was issued or the end of the period for which a premium has been paid.

SEC. 4. Section 2 of this bill incorporates amendments to Section 481.5 of the Insurance Code proposed by both this bill and SB 363. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 481.5 of the Insurance Code, and (3) this bill is enacted after SB 363, in which case Section 1 of this bill shall not become operative.

CHAPTER 1391

An act to amend Sections 199.21, 199.22, and 1603.3 of the Health and Safety Code, relating to health.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 199.21 of the Health and Safety Code is amended to read:

199.21. (a) Any person who negligently discloses results of a blood test to detect antibodies to the probable causative agent of acquired immune deficiency syndrome to any third party, in a manner which identifies or provides identifying characteristics of the person to whom the test results apply, except pursuant to a written authorization, as described in subdivision (g), or except as provided in Section 1603.1 or 1603.3, shall be assessed a civil penalty in an amount not to exceed one thousand dollars ($1,000) plus court costs, as determined by the court, which penalty and costs shall be paid to the subject of the test.

(b) Any person who willfully discloses the results of a blood test to detect antibodies to the probable causative agent of acquired immune deficiency syndrome to any third party, in a manner which identifies or provides identifying characteristics of the person to whom the test results apply, except pursuant to a written authorization, as described in subdivision (g), or except as provided in Section 1603.1 or 1603.3, shall be assessed a civil penalty in an amount not less than one thousand dollars ($1,000) and not more than five thousand dollars ($5,000) plus court costs, as determined by the court, which penalty and costs shall be paid to the subject of the test.

(c) Any person who willfully or negligently discloses the results of a blood test to detect antibodies to the probable causative agent of acquired immune deficiency syndrome to a third party, in a manner which identifies or provides identifying characteristics of the person to whom the test results apply, except pursuant to a written authorization, as described in subdivision (g), or except as provided in Section 1603.1 or 1603.3, which results in economic, bodily, or psychological harm to the subject of the test, is guilty of a misdemeanor, punishable by imprisonment in the county jail for a period not to exceed one year or a fine of not to exceed ten thousand dollars ($10,000) or both.

(d) Any person who commits any act described in subdivision (a) or (b) shall be liable to the subject for all actual damages, including damages for economic, bodily, or psychological harm which is a proximate cause of the act.

(e) Each disclosure made in violation of this chapter is a separate

and actionable offense.

(f) The results of a blood test to detect antibodies to the probable causative agent of acquired immune deficiency syndrome, which identifies or provides identifying characteristics of the person to whom the test results apply, shall not be used in any instance for the determination of insurability or suitability for employment.

(g) "Written authorization," as used in this section, applies only to the disclosure of test results by a person responsible for the care and treatment of the person subject to the test. Written authorization is required for each separate disclosure of the test results, and shall include to whom the disclosure would be made.

(h) Nothing in this section limits or expands the right of an injured subject to recover damages under any other applicable law. Nothing in this section shall impose civil liability or criminal sanction for disclosure of the results of tests performed on cadavers to public health authorities or tissue banks.

(i) Nothing in this section imposes liability or criminal sanction for disclosure of a blood test to detect antibodies to the probable causative agent of AIDS in accordance with any reporting requirement for a diagnosed case of AIDS by the state department or the Centers for Disease Control under the United States Public Health Service.

(j) The state department may require blood banks and plasma centers to submit monthly reports summarizing statistical data concerning the results of tests to detect the presence of viral hepatitis and antibodies to the probable causative agent of AIDS. This statistical summary shall not include the identity of individual donors or identifying characteristics which would identify individual donors.

(k) "Disclosed," as used in this section, means to disclose, release, transfer, disseminate, or otherwise communicate all or any part of any record orally, in writing, or by electronic means to any person or entity.

SEC. 2. Section 199.22 of the Health and Safety Code is amended to read:

199.22. (a) No person shall test a person's blood for evidence of antibodies to the probable causative agent of AIDS without the written consent of the subject of the test, and the person giving the test shall have a written statement signed by the subject confirming that he or she obtained the consent from the subject.

This requirement does not apply to a test performed at an alternative site, as established pursuant to Article 8 (commencing with Section 1630) of Chapter 4 of Division 2. This requirement also does not apply to any blood and blood products specified in paragraph (2) of subdivision (a) of Section 1603.1. This requirement does not apply when testing is performed as part of the medical examination performed pursuant to Section 7152.5.

(b) Nothing in this section shall preclude a medical examiner or other physician from ordering or performing a blood test to detect antibodies to the probable causative agent of AIDS on a cadaver

when an autopsy is performed or body parts are donated pursuant to the Uniform Anatomical Gift Act, provided for pursuant to Chapter 3.5 (commencing with Section 7150) of Part 1 of Division 7.

(c) The requirements of subdivision (a) do not apply when blood is tested as part of a scientific investigation conducted either by medical researchers operating under institutional review board approval or by the state department in accordance with a protocol for unlinked testing. For purposes of this section, unlinked testing means that blood samples are obtained anonymously or that the individual's name and other identifying information is removed in a manner that precludes the test results from ever being linked to a particular individual in the study.

SEC. 3. Section 1603.3 of the Health and Safety Code is amended to read:

1603.3. (a) Prior to a donation of blood or blood components each donor shall be notified in writing of, and shall have signed a written statement confirming the notification of, all of the following:

(1) That the blood or blood components shall be tested for evidence of antibodies to the probable causative agent of acquired immune deficiency syndrome.

(2) That donors found to have serologic evidence of the antibodies shall be placed on a confidential statewide Blood Donor Deferral Register without a listing of the reason for being included on the register.

(3) That the donor shall be notified of the test results in accordance with the requirements described in subdivision (c).

(4) That the donor blood or blood component which is found to have the antibodies shall not be used for transfusion.

(5) That blood or blood components shall not be donated for transfusion purposes by a person if the person has reason to believe that he or she has been exposed to acquired immune deficiency syndrome.

(6) That the donor is required to complete a health screening questionnaire to assist in the determination as to whether he or she has been exposed to acquired immune deficiency syndrome.

(b) A blood bank or plasma center shall incorporate voluntary means of self-deferral for donors. The means of self-deferral may include, but is not limited to, a form with checkoff boxes specifying that the blood donated is for research or test purposes only and a telephone callback system for donors to use in order to inform the blood bank that blood donated should not be used for transfusion.

(c) Blood or blood products from any donor initially found to have serologic evidence of antibodies to the probable causative agent of AIDS shall be retested for confirmation. Only if a further test confirms the conclusion of the earlier test shall the donor be notified of a reactive result by the blood bank or plasma center, as provided in paragraph (1) or (2) of this subdivision.

(1) The state department shall permit a blood bank to inform blood donors of the test result if all of the following apply:

(A) The alternative test sites required pursuant to Article 8 (commencing with Section 1630) are established and operational in the county where the blood bank is located.

(B) The state department has determined that the alternative test sites are functioning in an adequate manner in the county where the blood bank is located and has established a date after which these test sites were functioning in this manner.

After the date determined in subparagraph (B) is established, the blood bank shall wait three months. When the three-month period elapses, blood banks may inform a donor of blood or blood components of the test results no sooner than 60 days from the date of donation.

(2) In the case of a plasma center on or after the operative date of this section, a donor donating for the first or second time in any 60-day period shall not be notified of the test result, but upon a third or subsequent donation within that period, the plasma center may notify the donor of the test result.

The state department shall develop permissive guidelines for blood banks and plasma centers on the method or methods to be used to notify a donor of a test result. Each blood bank or plasma center shall, upon positive confirmation using the best available and reasonable techniques, provide the information to the state department for inclusion in the Donor Deferral Register. Blood banks and plasma centers shall provide the information on donations testing reactive for the antibodies to the probable causative agent of AIDS and carrier donors of viral hepatitis to the department on a single list in the same manner without specification of the reason the donor appears on the list.

(d) The Blood Donor Deferral Register, as described in subdivision (e) of Section 1603.1, shall include names of individuals who are deferred from blood donations without identifying the reasons for deferral.

(e) Each blood bank or plasma center operating in California shall prominently display at each of its collection sites a notice which provides the addresses and phone numbers of sites, within the proximate area of the blood bank or plasma center, where tests provided pursuant to Article 8 (commencing with Section 1630) may be administered without charge.

(f) Notwithstanding any other provision of law, no civil liability or criminal sanction shall be imposed for disclosure of test results to a public health officer when the disclosure is necessary to locate and notify a blood donor of a reactive result if reasonable efforts by the blood bank or plasma center to locate the donor have failed. Upon completion of the public health officer's efforts to locate and notify a blood donor of a reactive result, all records obtained from the blood bank pursuant to this subdivision, or maintained pursuant to this subdivision, including, but not limited to, any individual identifying information or test results, shall be expunged by the public health officer.

CHAPTER 1392

An act to amend Section 43012 of the Health and Safety Code, relating to air pollution.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 43012 of the Health and Safety Code is amended to read:

43012. (a) For the purpose of enforcing or administering any federal, state, or local law, order, regulation, or rule relating to vehicular sources of emissions, the executive officer of the state board or an authorized representative of the executive officer, upon presentation of credentials or, if necessary under the circumstances, after obtaining an inspection warrant pursuant to Title 13 (commencing with Section 1822.50) of Part 3 of the Code of Civil Procedure, has the right of entry to any premises owned, operated, used, leased, or rented by any new or used car dealer, as defined in Sections 285, 286, and 426 of the Vehicle Code, for the purpose of inspecting any vehicle for which emissions standards have been enacted or adopted or for which emissions equipment is required and which is situated on the premises for the purpose of emission-related maintenance, repair, or service, or for the purpose of sale, lease, or rental, whether or not the vehicle is owned by the dealer. The inspection may extend to all emission-related parts and operations of the vehicle, and may require the on-premises operation of an engine or vehicle, the on-premises securing of samples of emissions from the vehicle, and the inspection of any records which relate to vehicular emissions required by the Environmental Protection Agency or by any state or local law, order, regulation, or rule to be maintained by the dealer in connection with the dealer's business.

(b) The right of entry for inspection under this section is limited to the hours during which the dealer is open to the public, except when the entry is made pursuant to warrant or whenever the executive officer or an authorized representative has reasonable cause to believe that a violation of any federal, state, or local law, order, regulation, or rule has been committed in his or her presence. No vehicle shall be inspected pursuant to this section more than one time without an inspection warrant or without reasonable cause unless the vehicle undergoes a change of ownership or the inspection reveals that the vehicle has failed to comply with required emissions standards or equipment, in which case one additional inspection may be made to verify the violation or to verify that the violation has been corrected.

(c) With respect to vehicles not owned by the dealer, the state

board may not prosecute, without the owner's knowledge or consent, any violation by the owner of any law pertaining to vehicular emissions unless prior notice of the inspection has been given to the owner.

(d) If the executive officer or authorized representative, upon inspection, finds that a used motor vehicle fails to comply with applicable emissions standards or equipment, the state board shall issue a notice to correct. Until all violations in the notice have been corrected and the dealer has sent proof of correction by certified mail to the state board, the motor vehicle shall prominently display the following disclosure affixed to the windshield in at least 18-point type:

NOT FOR SALE

THIS VEHICLE IS PRESENTLY NOT IN COMPLIANCE WITH THE CALIFORNIA VEHICLE POLLUTION CONTROL LAWS AND MAY NOT BE SOLD UNTIL A VALID CERTIFICATE OF COMPLIANCE HAS BEEN ISSUED.

Any dealer who sells a vehicle prohibited to be sold under this subdivision is subject to a civil penalty of not to exceed one thousand dollars ($1,000). For purposes of this subdivision, "proof of correction" shall consist of a copy of a certificate of compliance or noncompliance issued following the issuance of a notice to correct by a licensed test station or licensed repair station not affiliated with or owned by the dealer or any other proof of repair satisfactory to the inspecting officer. The dealer shall send the copy of the certificate of compliance or noncompliance by certified mail to the state board within three days of obtaining the certificate.

(e) Civil penalties may be assessed or recovered for one or more violations by a dealer involving the tampering with or disabling of a vehicle's air injection, exhaust gas recirculation, crankcase ventilation, fuel injection, or carburation systems, ignition timing or evaporative controls, fuel filler neck restrictor, oxygen sensor or electronic controls, or missing catalytic converter.

(f) No civil penalty or criminal penalty may be assessed for a violation by a dealer identified in a notice to correct as a result of an inspection under this section if the violation is related to lack of maintenance or customer tampering or vandalism, including, but not limited to, a missing gasoline filler cap and a disconnected or missing heated air intake tube or vacuum hose. However, if notices to correct are issued under this subdivision to more than 20 percent of the vehicles offered for sale on a dealer's premises during each of three consecutive inspections conducted 30 or more days apart during any one-year period, civil penalties may be assessed and recovered for each vehicle issued a notice to correct.

(g) If the executive officer or authorized representative, upon inspection, finds that a certificate of compliance or noncompliance was issued to a motor vehicle that fails to comply with applicable

emissions standards or equipment, the state board shall immediately refer these findings to the department for investigation under Chapter 5 (commencing with Section 44000). The state board may refer any other suspected violation to the department for appropriate action.

(h) Notwithstanding Section 17150 of the Vehicle Code, the state shall be liable for any injury or damage caused by the negligent or wrongful act or omission of the operator of any vehicle which is operated pursuant to this section.

(i) This section provides the exclusive authority for inspections of motor vehicles for the purposes specified in this section.

(j) As used in this section, the terms "tampering" and "disabling" mean an unauthorized modification, alteration, removal, or disconnection.

(k) No civil penalty may be imposed, or administrative action taken to revoke a dealer's license, for any violation of this section involving a used motor vehicle occurring between January 1, 1988, and March 31, 1988.

CHAPTER 1393

An act to amend Section 1628 of the Health and Safety Code, relating to blood.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 1628 of the Health and Safety Code is amended to read:

1628. (a) No person shall prohibit any individual from doing either of the following:

(1) Making blood donations to be used directly for blood transfusions for an individual designated by the donor when prescribed by a physician and surgeon.

(2) Directing that blood donated by the individual pursuant to paragraph (1) be used in any blood transfusion to the individual designated pursuant to paragraph (1) if that blood type is compatible with that individual's blood type and use of that blood, or the drawing of the blood, is not contraindicated, as determined by a physician and surgeon.

(b) Subdivision (a) does not exempt any person from complying with all requirements of Chapter 4 (commencing with Section 1600) of Division 2.

(c) Donations pursuant to this section shall be made through a licensed blood bank during the bank's normal working hours.

(d) Blood donated under this section may be used for individuals

other than the individual for whom the blood was designated pursuant to paragraph (1) of subdivision (a) either; (1) when it is determined by that individual's prescribing physician and surgeon, in conjunction with the blood bank, that there is a more immediate need, or, (2) with the donor's consent.

When blood is released for use by someone other than the designee under paragraph (1) of subdivision (a), only the special costs provided for in subdivision (e) shall be charged to the original designee under paragraph (1) of subdivision (a).

(e) When a blood bank collects a donor unit of blood or blood product whose use is designated by the donor, any additional costs, limited to the actual technical and administrative costs of drawing, storing, and designating the blood, shall be charged to the designee. Charges assessed under this subdivision shall not exceed those charges levied by the blood bank for the costs of drawing, storing, and designating autologous blood or blood products.

(f) This section shall remain in effect only until January 1, 1992, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1992, deletes or extends that date.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1394

An act to amend Sections 311.4 and 647a of the Penal Code, relating to crimes.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 647a of the Penal Code is amended to read:

647a. Every person who annoys or molests any child under the age of 18 is a vagrant and is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both such fine and imprisonment. Every person who violates this section after having entered, without consent, an inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction by imprisonment in the state prison. Every person who

violates this section after a previous felony conviction under this section, conviction under Section 288, or felony conviction under Section 311.4 involving a minor under the age of 14 years is punishable by imprisonment in state prison for two, four, or six years.

SEC. 2. Section 647a of the Penal Code is amended and renumbered to read:

647.6. Every person who annoys or molests any child under the age of 18 is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both the fine and imprisonment. Every person who violates this section after having entered, without consent, an inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction by imprisonment in the state prison. Every person who violates this section after a previous felony conviction under this section, conviction under Section 288, or felony conviction under Section 311.4 involving a minor under the age of 14 years is punishable by imprisonment in the state prison for two, four, or six years.

SEC. 3. Section 647a of the Penal Code is amended to read:

647a. Every person who annoys or molests any child under the age of 18 is a vagrant and is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both such fine and imprisonment. Every person who violates this section after having entered, without consent, an inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction by imprisonment in the state prison. Every person who violates this section after a previous felony conviction under this section, conviction under Section 288, or felony conviction under Section 311.4 involving a minor under the age of 14 years is punishable by imprisonment in the state prison for two, four, or six years. In any case in which a person is convicted of violating this section and probation is granted, the court shall require counseling as a condition of probation, unless the court makes a written statement in the court record, that counseling would be inappropriate or ineffective.

SEC. 4. Section 647a of the Penal Code is amended and renumbered to read:

647.6. Every person who annoys or molests any child under the age of 18 is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both the fine and imprisonment. Every person who violates this section after having entered, without consent, an

inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction by imprisonment in the state prison. Every person who violates this section after a previous felony conviction under this section, conviction under Section 288, or felony conviction under Section 311.4 involving a minor under the age of 14 years is punishable by imprisonment in the state prison for two, four, or six years. In any case in which a person is convicted of violating this section and probation is granted, the court shall require counseling as a condition of probation, unless the court makes a written statement in the court record, that counseling would be inappropriate or ineffective.

SEC. 5. Section 311.4 of the Penal Code is amended to read:

311.4. (a) Every person who, with knowledge that a person is a minor, or who, while in possession of any facts on the basis of which he or she should reasonably know that the person is a minor, hires, employs, or uses the minor to do or assist in doing any of the acts described in Section 311.2, is, for a first offense, guilty of a misdemeanor. If the person has previously been convicted of any violation of this section, the court may, in addition to the punishment authorized in Section 311.9, impose a fine not exceeding fifty thousand dollars ($50,000).

(b) Every person who, with knowledge that a person is a minor under the age of 17 years, or who, while in possession of any facts on the basis of which he or she should reasonably know that the person is a minor under the age of 17 years, knowingly promotes, employs, uses, persuades, induces, or coerces a minor under the age of 17 years, or any parent or guardian of a minor under the age of 17 years under his or her control who knowingly permits the minor, to engage in or assist others to engage in either posing or modeling alone or with others for purposes of preparing a film, photograph, negative, slide, or live performance involving sexual conduct by a minor under the age of 17 years alone or with other persons or animals, for commercial purposes, is guilty of a felony and shall be punished by imprisonment in the state prison for three, six, or eight years.

(c) Every person who, with knowledge that a person is a minor under the age of 17 years, or who, while in possession of any facts on the basis of which he or she should reasonably know that the person is a minor under the age of 17 years, knowingly promotes, employs, uses, persuades, induces, or coerces a minor under the age of 17 years, or any parent or guardian of a minor under the age of 17 years under his or her control who knowingly permits the minor, to engage in or assist others to engage in either posing or modeling alone or with others for purposes of preparing a film, photograph, negative, slide, or live performance involving sexual conduct by a minor under the age of 17 years alone or with other persons or animals, is guilty of a felony. It shall not be necessary to prove commercial purposes

in order to establish a violation of this subdivision.

(d) As used in subdivisions (b) and (c), "sexual conduct" means any of the following, whether actual or simulated: sexual intercourse, oral copulation, anal intercourse, anal oral copulation, masturbation, bestiality, sexual sadism, sexual masochism, penetration of the vagina or rectum by any object in a lewd or lascivious manner, exhibition of the genitals, pubic, or rectal area for the purpose of sexual stimulation of the viewer, any lewd or lascivious sexual act as defined in Section 288, or excretory functions performed in a lewd or lascivious manner, whether or not any of the above conduct is performed alone or between members of the same or opposite sex or between humans and animals. An act is simulated when it gives the appearance of being sexual conduct.

(e) This section shall not apply where the minor is legally emancipated, including lawful conduct between spouses when one or both are under the age of 17.

(f) In every prosecution under this section involving a minor under the age of 14 years at the time of the offense, the age of the victim shall be pled and proven for the purpose of the enhanced penalty provided in Section 647a. Failure to plead and prove that the victim was under the age of 14 years at the time of the offense shall not be a bar to prosecution under this section if it is proven that the victim was under the age of 18 years at the time of the offense.

SEC. 6. (a) Section 2 of this bill incorporates amendments to Section 647a of the Penal Code proposed by both this bill and AB 1359. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 647a of the Penal Code, and (3) AB 2441 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after AB 1359, in which case Sections 1, 3, and 4 of this bill shall not become operative.

(b) Section 3 of this bill incorporates amendments to Section 647a of the Penal Code proposed by both this bill and AB 2441. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 647a of the Penal Code, (3) AB 1359 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after AB 2441 in which case Sections 1, 2, and 4 of this bill shall not become operative.

(c) Section 4 of this bill incorporates amendments to Section 647a of the Penal Code proposed by this bill, AB 1359, and AB 2441. It shall only become operative if (1) all three bills are enacted and become effective January 1, 1988, (2) all three bills amend Section 647a of the Penal Code, (3) this bill is enacted after AB 1359 and AB 2441, in which case Sections 1, 2, and 3 of this bill shall not become operative.

CHAPTER 1395

An act to amend Section 22229.2 of the Education Code, relating to the State Teachers' Retirement System.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 22229.2 of the Education Code is amended to read:

22229.2. (a) The compensation of the members of the system who are appointed to the board, or by the board to a committee or subcommittee, or to a panel of the system, shall not be reduced by the employing agency, by which the members are regularly employed for any absence from service occasioned by attendance upon the business of the board, pursuant to Section 22229.1.

(b) Each employing agency which employs a member appointed pursuant to Section 22229.1 and which employs a person to replace the member during attendance at meetings of the board, or meetings of committees or subcommittees of the board, or when serving as a panel member of the system, thereof, or when carrying out other duties as may be approved by the board, shall be reimbursed from the Teachers' Retirement Fund for the cost incurred by employing a replacement.

CHAPTER 1396

An act to amend Section 15610 of the Welfare and Institutions Code, relating to public social services.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 15610 of the Welfare and Institutions Code is amended to read:

15610. As used in this chapter:

(a) "Elder" means any person residing in this state, 65 years of age or older.

(b) (1) "Dependent adult" means any person residing in this state, between the ages of 18 and 64, who has physical or mental limitations which restrict his or her ability to carry out normal activities or to protect his or her rights including, but not limited to, persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age.

(2) "Dependent adult" includes any person between the ages of 18 and 64 who is admitted as an inpatient to a 24-hour health facility, as defined in Sections 1250, 1250.2, and 1250.3 of the Health and Safety Code.

(c) "Physical abuse" means all of the following:

(1) Assault, as defined in Section 240 of the Penal Code.

(2) Battery, as defined in Section 242 of the Penal Code.

(3) Assault with a deadly weapon or force likely to produce great bodily injury, as defined by Section 245 of the Penal Code.

(4) Unreasonable physical constraint, or prolonged or continual deprivation of food or water.

(5) Sexual assault, which means any of the following:

(A) Sexual battery, as defined in Section 243.4 of the Penal Code.

(B) Rape, as defined in Section 261 of the Penal Code.

(C) Rape in concert, as described in Section 264.1 of the Penal Code.

(D) Incest, as defined in Section 285 of the Penal Code.

(E) Sodomy, as defined in Section 286 of the Penal Code.

(F) Oral copulation, as defined in Section 288a of the Penal Code.

(G) Penetration of a genital or anal opening by a foreign object, as defined in Section 289 of the Penal Code.

(6) Use of a physical or chemical restraint, medication, or isolation without authorization, or for a purpose other than for which it was ordered, including, but not limited to, for staff convenience, for punishment, or for a period beyond that for which it was ordered.

(d) "Neglect" means the negligent failure of any person having the care or custody of an elder or a dependent adult to exercise that degree of care which a reasonable person in a like position would exercise. Neglect includes, but is not limited to, all of the following:

(1) Failure to assist in personal hygiene, or in the provision of food, clothing, or shelter.

(2) Failure to provide medical care for physical and mental health needs. No person shall be deemed neglected or abused for the sole reason that he or she voluntarily relies on treatment by spiritual means through prayer alone in lieu of medical treatment.

(3) Failure to protect from health and safety hazards.

(4) Failure to prevent malnutrition.

(e) "Abandonment" means the desertion or willful foresaking of an elder or a dependent adult by anyone having care or custody of that person under circumstances in which a reasonable person would continue to provide care and custody.

(f) "Fiduciary abuse" means a situation in which any person who has the care or custody of, or who stands in a position of trust to, an elder or a dependent adult, takes, secretes, or appropriates their money or property, to any use or purpose not in the due and lawful execution of his or her trust.

(g) "Abuse of an elder or a dependent adult" means physical abuse, neglect, intimidation, cruel punishment, fiduciary abuse, abandonment, or other treatment with resulting physical harm or

pain or mental suffering, or the deprivation by a care custodian of goods or services which are necessary to avoid physical harm or mental suffering.

(h) "Care custodian" means an administrator or an employee, except persons who do not work directly with elders or dependent adults as part of their official duties, including members of support staff and maintenance staff, of any of the following public or private facilities when the facilities provide care for elders or dependent adults:

(1) Twenty-four-hour health facilities, as defined in Sections 1250, 1250.2, and 1250.3 of the Health and Safety Code.

(2) Clinics.

(3) Home health agencies.

(4) Adult day health care centers.

(5) Secondary schools which serve 18- to 22-year-old dependent adults and postsecondary educational institutions which serve dependent adults or elders.

(6) Sheltered workshops.

(7) Camps.

(8) Community care facilities, as defined by Section 1502 of the Health and Safety Code and residential care facilities for the elderly, as defined in Section 1569.2 of the Health and Safety Code.

(9) Respite care facilities.

(10) Foster homes.

(11) Regional centers for persons with developmental disabilities.

(12) State Department of Social Services and State Department of Health Services licensing divisions.

(13) County welfare departments.

(14) Offices of patients' rights advocates.

(15) Office of the long-term care ombudsman.

(16) Offices of public conservators and public guardians.

(17) Any other protective or public assistance agency which provides health services or social services to elders or dependent adults.

(i) "Health practitioner" means a physician and surgeon, psychiatrist, psychologist, dentist, resident, intern, podiatrist, chiropractor, licensed nurse, dental hygienist, licensed clinical social worker, marriage, family, and child counselor, or any other person who is currently licensed under Division 2 (commencing with Section 500) of the Business and Professions Code, any emergency medical technician I or II, paramedic, a person certified pursuant to Division 2.5 (commencing with Section 1797) of the Health and Safety Code, a psychological assistant registered pursuant to Section 2913 of the Business and Professions Code, a marriage, family and child counselor trainee, as defined in subdivision (c) of Section 4980.03 of the Business and Professions Code, or an unlicensed marriage, family and child counselor intern registered under Section 4980.44 of the Business and Professions Code, state or county public health or social service employee who treats an elder or a dependent

adult for any condition, a coroner, or a religious practitioner who diagnoses, examines or treats elders or dependent adults.

(j) "Adult protective services agency" means a county welfare department, except persons who do not work directly with elders or dependent adults as part of their official duties, including members of support staff and maintenance staff.

(k) "Adult protective services" means those preventive and remedial activities performed on behalf of elders and dependent adults who are unable to protect their own interests; harmed or threatened with harm; caused physical or mental injury due to the action or inaction of another person or their own action due to ignorance, illiteracy, incompetence, mental limitation or poor health; lacking in adequate food, shelter, or clothing; exploited of their income and resources; or deprived of entitlement due them.

(*l*) "Goods and services which are necessary to avoid physical harm or mental suffering" include, but are not limited to, all of the following:

(1) The provision of medical care for physical and mental health needs.

(2) Assistance in personal hygiene.

(3) Possessing adequate clothing.

(4) Adequately heated and ventilated shelter.

(5) Protection from health and safety hazards.

(6) Protection from malnutrition, under those circumstances where the results include, but are not limited to, malnutrition and deprivation of necessities or physical punishment.

(7) Transportation and assistance necessary to secure any of the needs set forth in paragraphs (1) to (6) above.

(m) "Investigation" means that activity necessary to determine the validity of a report of elder or dependent adult abuse, neglect, or abandonment.

(n) "Long-term care ombudsman" means the State Long-Term Care Ombudsman, long-term care ombudsmen of the Department of Aging, and persons acting in the capacity of ombudsman coordinators as described in Chapter 9 (commencing with Section 9700) of Division 8.5.

(o) "Developmentally disabled person" means a person with a developmental disability specified by or as described in subdivision (a) of Section 4512.

(p) "Mental suffering" means deliberately subjecting a person to fear, agitation, confusion, severe depression, or other forms of serious emotional distress, through threats, harassment, or other forms of intimidating behavior.

(q) "Patient's rights advocate" means a person who has no direct or indirect clinical or administrative responsibility for the patient, and who shall be responsible for ensuring that laws, regulations, and policies on the rights of the patient are observed.

(r) "Local law enforcement agency" means a city police or county sheriff's department, or a county probation department, except

persons who do not work directly with elders or dependent adults as part of their official duties, including members of support staff and maintenance staff.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1397

An act to add and repeal Sections 14609 and 22754.3 of the Government Code, relating to state employees, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 14609 is added to the Government Code, to read:

14609. All persons employed by the Department of General Services under a temporary authorization as elevator operators on June 30, 1987, may participate in a promotional examination for the Department of General Services for a period of one year. Those elevator operators who have completed six or more months of service under a temporary authorization appointment and are appointed as a result of a promotional examination shall be deemed to have completed the required probationary period.

This section shall remain in effect only until January 1, 1989, and as of that date is repealed, unless a later enacted statute, which is chaptered before January 1, 1989, deletes or extends that date.

SEC. 2. Section 22754.3 is added to the Government Code, to read:

22754.3. Notwithstanding Sections 22754 and 22822, the term "employee" includes all persons who have been employed by the Department of General Services on or before June 30, 1987, under a

temporary authorization as elevator operators. Upon fulfillment of these conditions, those elevator operators shall be eligible for benefits provided under this chapter.

This section shall remain in effect only until January 1, 1989, and as of that date is repealed, unless a later enacted statute, which is chaptered before January 1, 1989, deletes or extends that date.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that deserving state elevator operators serving under a temporary authorization may obtain health benefits coverage at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 1398

An act relating to hazardous waste, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. (a) On or before January 15, 1988, the State Department of Health Services shall submit to the Legislature recommendations for the establishment of a permanent, statutory, and consistent system for the imposition of fees to fund the Hazardous Waste Control Account. The department shall recommend a fee structure which would encourage the reduction or recycling of hazardous wastes, distribute the financial burden of the fees equitably between large and small quantity generators, ensure that this distribution of fees does not unreasonably discourage small businesses from complying with the hazardous waste laws and regulations, and provide for an efficient and effective implementation by the state.

(b) In developing recommendations pursuant to this section, the State Department of Health Services shall consult with representatives from the industry regulated under Chapter 6.5 (commencing with Section 25100) of Division 20 of the Health and Safety Code, environmental and public interest organizations, the State Board of Equalization, the Office of the Legislative Analyst, and persons who have expertise and experience in the area of hazardous waste regulation.

(c) The sum of fifty thousand dollars ($50,000) is hereby appropriated from the Hazardous Waste Control Account in the

General Fund to the State Department of Health Services to develop recommendations pursuant to this section.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to ensure that adequate revenues are collected during the 1988–89 fiscal year to regulate hazardous waste, it is necessary that this act take effect immediately.

CHAPTER 1399

An act relating to water districts and, in this connection, to create the Colusa Basin Drainage District to provide for control of drainage, storm, flood, and other waters, and prescribing its organization, powers, and duties.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

PART 1. INTRODUCTORY PROVISIONS

CHAPTER 1. SHORT TITLE

SECTION 1. This act shall be known and may be cited as the Colusa Basin Drainage District Act.

CHAPTER 2. FINDINGS

SEC. 20. (a) The Colusa Basin Drain lies between the Sacramento River on the east and the Coast Range on the west within Glenn, Colusa, and Yolo Counties. It is bounded on the north by the watershed of Stony Creek and on the south by the watershed of Cache Creek. The basin has no natural outlet at times of high water in the Sacramento River. The two outlets available for floodwaters and drainage are outfall gates at the southerly end of the Colusa Drain near Knights Landing and the Knights Landing Ridge Cut. During times when the Sacramento River is high, the outfall gates near Knights Landing are inoperable and water can escape from the Colusa Basin only through the artificial channel known as the Knights Landing Ridge Cut through which water is discharged into the Yolo Bypass to enter the Sacramento River near Rio Vista. Limited outlet capacity and limited drainage and channel capacity within the basin result in periodic extensive flooding throughout the basin. This problem needs to be studied and

addressed.

(b) Irrigation drainage occurs in the basin through a number of natural and artificial channels, all of which ultimately flow into the Colusa Basin Drain, sometimes called Reclamation District 2047 Drain, which discharges water into the Sacramento River through the Knights Landing outfall gates except during times of high water on the Sacramento River when the only outlet is through the Knights Landing Ridge Cut into the Yolo Bypass. The Colusa Basin Drain has been used for the purpose of receiving irrigation water drainage or return flows. As land within the Colusa Basin has been developed and improved, the capacity of this drain for drainage waters has become overtaxed to the point where irrigation water drainage is not available to lands adjacent to the drain at times when it is required for agricultural purposes, and flooding of adjacent lands may occur even during the normal drainage season. This problem needs to be studied and addressed.

(c) Certain areas within the Colusa Basin appear to be experiencing subsidence which may add to the flooding and drainage problems occurring within the basin. This problem needs to be studied and addressed.

SEC. 21. The problems of flooding and winter drainage, irrigation drainage, and subsidence which are occurring within the Colusa Basin are multicounty in scope, but are unique to the Colusa Basin and are not general or statewide. A special act to address these problems is, therefore, necessary.

SEC. 22. The problems referred to in Sections 20 and 21 are basinwide. There are within the basin a number of governmental entities presently formed which are authorized to address one or more of the problems referred to in Sections 20 and 21 within the scope of their particular jurisdiction. It will be beneficial for the overall basin that a district be formed which incorporates the entire basin and is able to relate to the overall problems of the total basin while still allowing any project which may be undertaken affecting individual areas within the basin to be addressed by other districts or the respective counties with the assistance and cooperation of, and coordination with, the basinwide district.

CHAPTER 3. CREATION AND BOUNDARIES

SEC. 31. A drainage and flood control district is hereby created to be called the Colusa Basin Drainage District.

SEC. 32. The district shall comprise all of the territory within the watershed of the Colusa Basin, which basin comprises hydrologic subarea A07.B1 and that part of subarea A07.A0 located west of the westerly or right bank levee of the Sacramento River as shown on the "Areal Designation for California" map, dated February 10, 1981, contained in Bulletin 230-81 of the Department of Water Resources and as delineated on United States Geological Survey Quadrangles on file with the Department of Water Resources. The boundary of

the district, being the boundary of the Colusa Basin watershed as shown on the map and quadrangles above referred to, is described generally as commencing at the State Highway 113 bridge across the Knights Landing Ridge Cut, thence along the Knights Landing Ridge Cut between the Colusa Basin and the Cache Creek watershed westerly and northerly to the drainage divide between Stony Creek and the Colusa Basin, thence northerly along that divide to a point west of Orland, thence easterly along the drainage divide between lands which drain into the Sacramento River and lands which drain into the Colusa Basin, to the westerly or right bank levee of the Sacramento River, thence southerly along the westerly or right bank levee of the Sacramento River to the Knights Landing outfall gates, thence along the southerly bank of the Colusa Basin Drain to the northerly end of the Knights Landing Ridge Cut, thence along the easterly bank of the Knights Landing Ridge Cut to the State Highway 113 bridge. The assessors of Glenn, Colusa, and Yolo Counties shall conform the boundary of the district to the boundaries nearest the exterior watershed boundary, as described above, of the assessment parcels lying totally within the watershed and situated nearest to that exterior boundary, except as to the easterly boundary which shall be the westerly or right bank levee of the Sacramento River. Each county assessor shall, within a reasonable time after January 1, 1988, hold a hearing within the respective county for the purpose of conforming the district boundary to the assessment parcel boundaries as provided herein. Notice shall be published once a week for two successive weeks in a newspaper of general circulation within the county stating that a hearing will be held for the purpose of conforming the district boundary to the boundaries of the nearest assessment parcels. Notice shall also be given by mail at least two weeks prior to the hearing to the owners of those assessment parcels within the respective county directly affected by this conformance, mailed to the address shown on the records of the assessor. At the hearing, the assessor shall present a map showing the proposed boundary as conformed to the boundaries of the nearest assessment parcels, and shall hear any objections which may be made to that boundary. Following the hearing the assessor shall describe the precise boundary of the district as conformed to the nearest assessment parcels, and shall record in the records of that particular county the description of the boundary of the district within that county, including the westerly or right bank levee of the Sacramento River as the most easterly boundary. The costs of notice, hearing, and preparation of the description shall be included as formation costs of the district.

CHAPTER 4. DEFINITIONS

SEC. 40. "Board" or "board of directors" means the board of directors of the district.

SEC. 41. "Eligible voter" means a person who owns land, or the

legal representative of the owner of land, within the area in which an election is to be held.

SEC. 42. "Evidence of indebtedness" means any warrant, note, or other evidence of indebtedness of the district or any zone.

SEC. 43. "Legal representative" means any of the following:

(a) An official of a corporation, partnership, or public or nonpublic entity or association which owns land within the district.

(b) A partner or authorized representative of a partnership which owns land within the district.

(c) A guardian, conservator, executor, or administrator of the estate of the owner of land within the district who is appointed under the laws of this state, is entitled to possession of the estate's land, or is authorized to exercise the particular right, privilege, or immunity which he or she seeks to exercise.

SEC. 44. "Project" means a work and all of the activities related to or necessary for the acquisition, construction, operation, and maintenance of a work, including, but not limited to, planning, design, financing, and administration.

SEC. 45. "Work" or "works" includes, but is not limited to, reservoirs, dams, and all conduits and facilities for the control, conservation, diversion, and transmission of water for beneficial uses; drains, levees, and all ditches and facilities for the control and disposal of drainage, storm, and flood waters within the district; associated power facilities for the incidental generation and distribution of hydroelectric power; and all necessary property interests and rights-of-way.

SEC. 46. "Zone" means a zone of benefit formed under Part 6 (commencing with Section 600).

CHAPTER 5. GENERAL PROVISIONS

SEC. 50. The Cortese-Knox Local Government Reorganization Act of 1985 (Division 3 (commencing with Section 56000) of Title 5 of the Government Code) does not apply to the formation of the district or the formation or changes in the boundaries of any zone. For all other purposes, the district is a "district" as that term is defined in the Cortese-Knox Local Government Reorganization Act of 1985.

SEC. 51. Any judicial action or proceeding to attack, review, set aside, void, annul, or challenge the validity or legality of the formation of a zone, any contract entered into by the district or a zone, any bond or evidence of indebtedness of the district or a zone, or any assessment, rate, or charge of the district or a zone shall be commenced within 60 days of the effective date thereof.

The action or proceeding shall be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

The district may bring an action pursuant to that Chapter 9 to determine the validity of any of the matters referred to in this section.

PART 2. INTERNAL ORGANIZATION

CHAPTER 1. BOARD OF DIRECTORS

SEC. 200. The district shall be governed by a board of directors consisting of nine directors. The nine directors shall be selected as follows:

(a) Three directors appointed pursuant to Section 201.

(b) Three directors selected pursuant to Section 202.

(c) Three directors elected pursuant to Section 203.

SEC. 201. (a) One director each shall be appointed by the Board of Supervisors of Colusa County, the Board of Supervisors of Glenn County, and the Board of Supervisors of Yolo County.

(b) The three directors initially appointed shall determine, by lot, the expiration dates for their initial terms. The term of one director shall expire concurrently with the terms of officials subject to election at the next general election to be held under the Uniform District Election Law (Part 3 (commencing with Section 23500) of Division 14 of the Elections Code). The terms of the other two directors shall expire concurrently with the terms of officials to be elected at the subsequent general election to be held under the Uniform District Election Law.

SEC. 202. (a) Three directors shall be selected by the governing boards of the water, irrigation, reclamation, and drainage districts located, in whole or in part, within the district. These directors shall be selected so as to provide representation to varied geographical areas within the district.

(b) Except as provided in subdivision (c), not less than 90 days prior to the time for a general election to be held under the Uniform District Election Law (Part 3 (commencing with Section 23500) of Division 14 of the Elections Code), representatives of all those districts shall, after notice by the district, convene for the purpose of selecting three directors. Each district shall have one vote to be cast by a proxy designated by resolution of the governing board of that district.

(c) The initial three directors shall be selected not later than April 1, 1988. The meeting to make these selections shall be convened by the Director of Water Resources or his or her representative.

(d) The three directors initially chosen shall determine, by lot, the expiration dates for their initial terms. The term of two directors shall expire concurrently with the terms of officials subject to election at the next general election to be held under the Uniform District Election Law. The term of the other one director shall expire concurrently with the terms of officials to be elected at the subsequent general election to be held under the Uniform District Election Law.

SEC. 203. (a) Three directors shall be elected by the eligible

voters in the district. One director shall be elected by the eligible voters within each of the following divisions:

(1) Division I, comprising all of that portion of the district within Glenn County.

(2) Division II, comprising all of that portion of the district within Colusa County except for the precincts of Arbuckle, Grimes, and College City as they exist on January 1, 1988.

(3) Division III, comprising all that portion of the district within Yolo County and that portion of the district within Colusa County not included within Division II.

(b) The three directors initially elected shall take office not later than July 1, 1988, and shall determine, by lot, the expiration dates for their initial terms. The term of one director shall expire concurrently with the terms of officials subject to election at the next general election to be held under the Uniform District Election Law (Part 3 (commencing with Section 23500) of Division 14 of the Elections Code). The terms of the other two directors shall expire concurrently with the terms of officials to be elected at the subsequent general election to be held under the Uniform District Election Law.

SEC. 204. The six directors appointed or selected pursuant to Sections 201 and 202 shall be appointed or selected not later than April 1, 1988.

The initial election of three directors pursuant to Section 203 shall be consolidated with the June 7, 1988, direct primary election and shall otherwise be conducted pursuant to the Uniform District Election Law (Part 3 (commencing with Section 23500) of Division 14 of the Elections Code).

SEC. 205. Except for the initial directors, the directors shall serve for terms of four years. The terms shall be concurrent with the terms of district officials elected under the Uniform District Election Law. A candidate for appointment or election to the board shall be an owner of land within the district.

SEC. 206. Prior to taking office, each director shall take the official oath and execute such bond as may be set by the board.

SEC. 207. All vacancies occurring in the office of a director shall be filled pursuant to Section 1780 of the Government Code, except that vacancies in the office of a director appointed pursuant to Section 201 shall be filled by the appointing power.

The appointment to fill a vacancy shall be for the unexpired portion of the term.

SEC. 208. Each director shall be entitled to receive compensation in an amount set by the board and recorded in its official minutes, not to exceed one hundred dollars ($100) per day for each day's attendance at meetings of the board or for each day's service rendered as a director by request of the board, not to exceed six days in any calendar month, together with actual, necessary, and reasonable expenses incurred in the performance of duties required or authorized by the board.

SEC. 209. At its first meeting and at its regular meeting in January and each year thereafter, the board shall elect a chairperson and vice chairperson from its members.

SEC. 210. The board shall hold one or more regular meetings each month at the time and place set by resolution. No change in the date of the regular meeting shall be effective until notice thereof has been published in a newspaper of general circulation within the district at least seven days prior to the effective date of the change.

Special meetings of the board may be called and conducted in the manner provided for in the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code).

SEC. 211. A majority of the board constitutes a quorum for the transaction of business.

SEC. 212. The vote of a majority of the directors present at any meeting attended by a quorum is necessary to take action, unless otherwise specified in this act or by law.

CHAPTER 2. OTHER OFFICERS AND EMPLOYEES

SEC. 220. Any county employee may serve as an ex officio employee of the district and may perform without additional compensation the same duties for the district as for the county with the consent of the board of supervisors of the county and the board.

SEC. 221. The board may employ and appoint any agents, officers, employees, and consultants as may be required, prescribe their duties, fix their salaries, and prescribe the terms and conditions of their employment.

PART 3. ELECTIONS

CHAPTER 1. DISTRICT ELECTIONS

SEC. 300. All district elections shall be conducted in conformance with the Uniform District Election Law (Part 3 (commencing with Section 23500) of Division 14 of the Elections Code), to the extent applicable, unless otherwise provided in this act.

SEC. 301. Only eligible voters shall vote at district elections. Each eligible voter shall have one vote for each one-thousandth of 1 percent attributable to the land of the eligible voter out of the total benefit received by all lands within the district as determined in accordance with Sections 600 and 701. Fractions shall be rounded to the nearest one-thousandth with each voter entitled to at least one vote.

Until the benefits to be received from the district are determined in accordance with Sections 600 and 701, and Section 702 where applicable, all elections shall be on a basis of one vote per acre, or fraction thereof, as shown on the county assessment rolls owned by the eligible voter.

For land in multiple ownership, the owners shall designate in writing to the district, prior to the deadline set by the district, one owner of the land for voting purposes. Where applicable, the owner shall designate in writing, prior to the deadline set by the district, the legal representative who shall be entitled to vote on behalf of the owner.

SEC. 302. An eligible voter may vote at any district election either in person or by a person duly appointed as his or her proxy. The proxy may be executed by the legal representative or by the single owner designated pursuant to Section 301.

SEC. 303. No appointment of a proxy shall be valid, accepted, or vote allowed thereon at any district election unless it is in writing, it is executed by the eligible voter who is entitled to cast the votes for which the proxy is given, it is notarized, and it specifies the election at which it is to be used. An appointment of a proxy shall be used only at the specified election.

An appointment of a proxy is revocable at the pleasure of the eligible voter who is entitled to cast the votes for which the proxy is given at any time before the person appointed as proxy has cast a ballot representing the votes for which the appointment was given.

SEC. 304. Except as otherwise provided in this act, the appropriate county clerk shall conduct all elections for the portion of the district within that county. The board may, by resolution, determine that the district shall conduct an election and designate an officer who shall perform the duties of the county clerk in conducting the election.

SEC. 305. The board may, by resolution, direct that any district election be conducted by all-mailed ballot under the procedure for mailed ballot elections set forth in the Elections Code. For a mailed ballot, eligible voters shall cast votes directly and not by proxy.

PART 4. POWERS AND PURPOSES

CHAPTER 1. POWERS GENERALLY

SEC. 400. The district may generally perform all acts necessary or proper to carry out fully this act.

SEC. 401. The district may commence and maintain any action or proceeding to carry out its purposes or protect its interests and may defend any action or proceeding brought against it.

SEC. 402. The district may execute, by its chairperson and secretary, all contracts and other documents necessary to carry out the powers and purposes of the district.

SEC. 403. The district has perpetual succession.

SEC. 404. The district may adopt a seal and alter it at its pleasure.

SEC. 405. Except as otherwise provided, the board shall exercise the powers of the district.

SEC. 406. The district may acquire absolutely, or on condition, by grant, purchase, gift, devise, lease, with or without the privilege of

purchasing, or otherwise, real and personal property of every kind, of any interest in real or personal property, within or outside of the district, necessary to the full exercise of its powers, and to hold, use, enjoy, and to lease or dispose of the property subject to the limitations set forth in this act.

SEC. 408. The district may control drainage, flood, and storm water within the district; conserve the water by storage and surface reservoirs; save or conserve in any manner all or any of the water; provide subsurface drainage to alleviate conditions of high groundwater levels within the district; and protect the watercourses, watersheds, public highways, and life and property within the district from damage from any drainage, flood, or storm water.

SEC. 409. Incidental to its other powers, the district may construct, operate, and maintain works to develop hydroelectric energy and transmission lines for the conveyance thereof. The power generated may be used by the district for its purposes, or for the production or transmission of water, but shall not be offered for sale directly by the district to customers other than a public utility or public agency.

The authority to construct, operate, and maintain works to develop hydroelectric energy does not include, and nothing in this act permits, the acquisition of property already employed in the generation of hydroelectric energy for public utility purposes, except by mutual agreement between the district and the owner of that property.

SEC. 410. The district may, within or outside the district but within the state, acquire by purchase, condemnation, or other legal means all property or rights in property necessary or proper for district works and purposes of the district. However, any condemnation of public facilities requires a two-thirds vote of all of the members of the board or eligible voters, as applicable. Eminent domain proceedings may be brought by the district for these purposes pursuant to the Eminent Domain Law (Title 7 (commencing with Section 1230.010) of Part 3 of the Code of Civil Procedure). Exercise of the powers provided in this section shall be subject to the consent required by Section 611 where applicable.

SEC. 411. The district may construct, operate, and maintain any work. This authority includes the right to repair, modify, alter, adjust, and replace any work.

SEC. 412. The district may make surveys, studies, and investigations for works relating to control of drainage, storm, and flood water within the district or to hydroelectric development.

The district may carry on and perform technical and other investigations of all kinds, make measurements, collect data, and make analyses, studies, and inspections pertaining to the control of drainage, storm, and flood water within the district or to hydroelectric development.

For these purposes, the district has the right of reasonable access through its authorized representative to all properties within the

district.

SEC. 413. The powers vested in the district by this chapter shall not be exercised within the boundaries of any local agency or other district which is authorized to exercise that power, except with the prior consent and approval of that agency or district.

The primary purpose of the district is to study, plan, and facilitate the implementation of plans, as specified in Chapter 2 (commencing with Section 610) of Part 6, leaving, wherever possible, the implementation of the plan to the local agency or other district which is best able to carry out that function.

The district may enter into joint powers agreements as permitted by law for the purpose of implementing its powers and purposes as set forth in this part.

SEC. 414. The district may disseminate information to the public concerning the rights, properties, and activities of the district.

CHAPTER 2. RATES AND CHARGES

SEC. 420. The board may, by resolution following notice and public hearing, fix rates or charges for services provided by the district, including standby charges not to exceed ten dollars ($10) per year per acre or parcel less than an acre, reflecting the reasonable cost and value of providing that service. If the board determines that rates or charges for services are an appropriate means for raising the cost of those services in lieu of, or in addition to, the assessment provided in Part 7 (commencing with Section 700), the board shall adopt a resolution determining those rates or charges for services provided that are deemed to be appropriate and directing that notice be given of the proposed fixing of rates or charges. The resolution shall identify the nature of the rate or charge proposed to be fixed, the area in which the rate or charge is to be imposed, and the nature of the benefit for which the rate or charge shall be collected.

A notice of the resolution shall be published once a week for two successive weeks in a newspaper of general circulation published in the county seat of each county located within the area as to which the rates or charges are to be made applicable. The notice shall recite the time and date of the hearing to be held by the board upon the proposed rates or charges.

At the conclusion of the hearing, the board may adopt a resolution fixing the rates or charges, setting forth the area within which the rate or charge shall be applied, the amount, the charge, and the nature of the service for which the rate or charge is imposed. One week prior to the date on which the rate or charge is made payable, a notice shall be published in the same newspaper of general circulation setting forth the nature and amount of the charge, the due date, the delinquency date, and the penalty and interest to be imposed if not paid prior to delinquency.

SEC. 421. Rates and charges, including standby charges, when

due, are a lien on the landowner's land to whom the service is provided or made available, in the nature of assessments, and may be collected and enforced in the manner provided in this act for the collection and enforcement of assessments.

SEC. 422. Rates and charges may be made payable in advance. The district may, by resolution, provide that rates and charges which remain unpaid for a period of not less than 30 days after they have become due shall be delinquent, and a one-time penalty not in excess of 10 percent shall be added on each charge as it becomes delinquent, and all delinquent rates and charges and penalties shall bear interest at a rate not to exceed 18 percent per year.

CHAPTER 3. CONTRACTS WITH THE UNITED STATES AND OTHER AGENCIES

SEC. 430. The district may cooperate and contract with the United States, the State of California, or any department or agency of either, or with any other district or political subdivision of the state authorized by law to appropriate water and deliver water to users, or control drainage, storm, flood, or other waters, for the purposes of acquisition, construction, purchase, extension, operation, or maintenance of works, whether for drainage, flood control, water conservation, hydroelectric development or for the carrying out of any of the purposes of the district, and to carry out and perform the terms of any contract so made.

CHAPTER 4. RULES AND REGULATIONS

SEC. 440. The board may adopt, by ordinance, reasonable rules and regulations to implement this act.

PART 5. FINANCIAL PROVISIONS

CHAPTER 1. FUNDS AND ACCOUNTS

SEC. 500. Any funds of the district may be deposited in the treasury of any county within the district subject to disbursement as county funds are disbursed. The disbursal shall be pursuant to this act, under the direction of the county auditor or other fiscal officer appointed by the board.

SEC. 501. The district may establish and maintain any separate funds and accounts which it deems necessary in carrying out its powers and purposes under this act.

SEC. 502. The district may make any transfers, for the purposes of a loan, from one fund to another fund of the district, or from one fund to another fund of a zone, upon terms and conditions that the board deems appropriate and to the extent permitted by law.

SEC. 503. The fiscal officer appointed by the board may invest any funds of the district or zone in any security, debenture, bond, or

deposit permitted and allowed by law for the investment of funds of a political subdivision of the state.

CHAPTER 2. IMPROVEMENT BONDS

SEC. 510. The district may, in any year, issue improvement bonds in accordance with, and pursuant to, the Improvement Act of 1911 (Division 7 (commencing with Section 5000) of the Streets and Highways Code), the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500) of the Streets and Highways Code), the Municipal Improvement Act of 1913 (Division 12 (commencing with Section 10000) of the Streets and Highways Code), or the Refunding Assessment Bond Act of 1935 (Chapter 732 of the Statutes of 1935).

CHAPTER 3. SPECIAL BENEFIT BONDS

SEC. 520. The board may determine that a bonded indebtedness should be incurred to pay the cost of any project which will confer a special benefit on the district as a whole, or a special benefit on any zone or participating zone. The principal of, and interest on, the special benefit bonds shall be paid by revenue derived from an annual benefit assessment levied on the land benefited by the project for which the bonds were issued in the manner set forth in Chapter 1 (commencing with Section 700) of Part 7.

Before adopting a resolution to issue special benefit bonds, the board shall adopt a resolution of intention stating the intention to issue the special benefit bonds, the proposed amount of the bonds, the proposed denomination and maximum rate of interest of the bonds, a description of the proposed project for which the bonds shall be issued, and a description of the area which shall receive a special benefit from the proposed project and in which special assessments shall be levied to pay the principal of, and interest on, the bonds.

The resolution shall also state the time and place for a hearing by the board on the proposal, at which time any interested person may appear and be heard.

SEC. 521. Notice of the hearing shall be given by publishing a copy of the resolution of intention in a newspaper of general circulation published in the district, pursuant to Section 6066 of the Government Code, the first publication to be at least 14 days prior to the time fixed for the hearing.

The hearing may be consolidated with a hearing on any other proposal affecting the same area. At the time and place so fixed, or at any time or place to which the hearing is continued, the board shall hold the hearing provided for by the resolution, at which time any interested person may appear and be heard concerning any matter set forth in the resolution or any matter material thereto.

Upon the conclusion of the hearing, the board may abandon the proposal, or order the election on the proposal within the area

affected. If prior to the conclusion of the hearing, or any continued hearing, written protest against the proposal signed by a majority in number of the eligible voters within the area determined to be benefited pursuant to Section 520 are filed with the board, further proceedings relating to the proposal shall be suspended for not less than six months following the date of the conclusion of the hearing.

If there is no majority protest, the board shall not proceed with the proposal before holding an election within the affected area. A majority of the votes cast at the election shall be required to approve the proposal to issue the bonds.

SEC. 522. Any defect or irregularity in the proceedings in the calling or conduct of the special bond election shall not affect the validity of the bonds authorized by the election.

SEC. 523. The board shall, pursuant to this act, prescribe, by resolution, the form of the bonds, which shall include a designation of the district, zone, or participating zone affected, and of the interest coupons attached thereto. The bonds shall be payable annually or semiannually, at the discretion of the board, each and every year on a day and date at a place or places to be fixed by the board and designated in the bonds, together with interest on all sums unpaid on that date until the whole indebtedness is paid.

SEC. 524. The board may divide the principal amount of any issue into two or more series and fix different dates for the bonds of each series. The bonds of one series may be made payable at different times from those of another series. The maturity of each series shall comply with this section. The board may fix a date not more than two years from the date of issuance for the earliest maturity of each issue of series.

SEC. 525. The bonds shall be issued in the denomination as determined by the board.

SEC. 526. The bonds shall be payable on the date at the place fixed in the bonds, and at the interest rate specified in the bonds, and shall be made payable annually or semiannually.

SEC. 527. The bonds shall be numbered consecutively and shall be signed by the chairperson of the board and countersigned by the auditor or other fiscal officer of the district, and the seal of the district shall be affixed thereto. Either or both signatures may be printed, engraved, or lithographed.

SEC. 528. The interest coupons, if any, of the bonds shall be numbered consecutively and signed by the auditor or other fiscal officer, or by his or her printed, engraved, or lithographed signature.

SEC. 529. The proceeds from the sale of bonds shall be paid into the district treasury, placed to the credit of the project fund, and expended only for the purpose for which the indebtedness was created.

In the alternative, the proceeds of the sale of the bonds may be placed in the treasury of any county within the district to the credit of the district and the respective zone for the uses and purposes of the district zones approving the bonds, and the proper record of the

transaction shall be placed upon the books of the county treasurer, and the bond proceeds shall be applied exclusively to the purposes and objects mentioned in the resolution calling for the special bond election, subject to this act.

Payments from the bond fund shall be made upon demands prepared, presented, allowed, and audited in the same manner as demands upon the funds of the district. Unexpended bond proceeds may be invested in any manner permitted by law for district investments, and any interest earned thereon shall be credited to the project fund and expended only for the purpose for which the indebtedness was created.

SEC. 530. Any bonds issued under this chapter, and the interest thereon, shall be paid solely by revenue derived from annual benefit assessments levied as provided in this act. No zone or the property therein shall be liable for the bonded indebtedness of any other zone, nor shall any moneys derived from assessments in any of the several zones be used in payment of principal, or interest, or otherwise, of the bonded indebtedness chargeable to any other zone.

SEC. 531. Whenever bonds have been authorized by the district, and the proceeds of the sale thereof have been expended as authorized, and the board by resolution determines that additional bonds should be issued for carrying out any of the purposes of this act, the board may again proceed as provided in this chapter for the issuance of bonds.

SEC. 532. The board may, by resolution, determine that new bonds should be issued for the purpose of refunding any or all of the bonds outstanding of the district or any zone. The procedure shall be the same as the procedure upon an original issue of bonds. The refunding bonds may be issued and sold in the manner and form prescribed for an original issue of bonds, and may, if the holders of bonds of the original issue and the board so agree, be exchanged for the original bonds. The face value of the refunding bonds so exchanged shall not exceed the face value of the original bonds. The board may raise money to pay the principal of, and interest on, the refunding bonds in the same manner as prescribed for the payment of bonds of an original issue.

SEC. 533. Any bonds, original or refunding, may be made callable by resolution of the board adopted at, or prior to, the time of issuing the bonds, and providing for the calling and redemption of the bonds, in numerical order, or by lot, on any interest payment date prior to their fixed maturity, at a premium not to exceed 6 percent above the par value thereof and accrued interest. If any bonds are made callable, a statement to that effect shall be set forth on the face of the bond.

Notice of any redemption shall be published in the district pursuant to Section 6063 of the Government Code. The first publication of the notice shall be not less than 30 nor more than 90 days prior to the date fixed for the redemption.

After the date fixed for the redemption, if the district has provided

funds for the payment of the principal of, and interest on, the bonds so called, interest on the bonds shall thereafter cease.

SEC. 534. The bonds shall be sold at a public sale to the highest bidder, after notice of the sale has been given by publication in the district, pursuant to Section 6061 of the Government Code, at least one week prior to the sale and after any other notice which the board may deem proper.

The manner of making, submitting, and opening bids, and conducting the sale, and the terms thereof, shall be determined by the board. The board may reject any and all bids which, in the judgment of the board, are not in the best interest of the district. If no bids are received, or if all bids are rejected, the board may either readvertise or sell the bonds at private sale.

SEC. 535. If a proposition for issuing bonds submitted at any election under this chapter fails to receive the required number of votes of the eligible voters voting at the election to incur the indebtedness for the purpose specified, the board shall not, for six months after the election, call or order another election in the same area for incurring indebtedness and issuing bonds under this chapter for the same object and purpose.

SEC. 536. Any bond issued under this chapter shall be free and exempt from all taxation within the State of California. It is hereby declared that the district is a local government within the meaning of Section 26 of Article XIII of the California Constitution.

SEC. 537. Any bond issued under this chapter is a legal investment for all trust funds, and for the funds of all insurance companies, banks both commercial and savings, and trust companies, for state school funds, and whenever any money or funds may, by law now or hereafter enacted, be invested in bonds of cities, cities and counties, counties, school districts, or municipalities in the State of California, the money or funds may be invested in bonds of the district, issued in accordance with this act, and whenever bonds of cities, cities and counties, counties, school districts, or municipalities may, by law now or hereafter enacted be used as security for the performance of any act, the bonds of the district may be so used.

This section is the latest enactment with respect to the matters contained in this section.

SEC. 538. The repeal or amendment of this act, or the dissolution or change in the boundaries of the district or any zone, shall not in any way affect or release any of the land in the district or zone from its liability on, or from the obligations of, any outstanding bonds or indebtedness or contracts for which the land is in any way security, until all bonds and outstanding indebtedness and contracts have been fully paid or discharged.

CHAPTER 4. REVENUE BONDS

SEC. 540. If the board, by resolution, determines that a bonded indebtedness to pay for the acquisition or construction of any project

or work for any purposes of the district, or zone, or for refunding any outstanding bonds, should be incurred and can be repaid and liquidated as to both principal and interest from revenues designated by the board, the district may define the project or work as an "enterprise" consistent with the definition in Section 54309 of the Government Code, and issue revenue bonds all in the manner and as provided in the Revenue Bond Law of 1941 (Chapter 6 (commencing with Section 54300) of Part 1 of Division 2 of Title 5 of the Government Code). For that purpose, the district is a "local agency," as defined in Section 54307 of the Government Code.

CHAPTER 5. SHORT-TERM BORROWING

SEC. 550. The district may borrow money and incur indebtedness in the manner set forth in this chapter by action of the board and without the necessity of calling and holding an election in the district.

SEC. 551. Indebtedness may be incurred pursuant to this chapter for any purpose for which the district may expend funds.

SEC. 552. Indebtedness incurred under this chapter shall be evidenced by warrants of the district payable not to exceed five years from their date and bearing interest at a rate not to exceed the maximum interest permitted for the sale of bonds of the district.

SEC. 553. The warrants shall be issued by the district after the adoption by a four-fifths vote of all of the members of the board of a resolution setting forth the form of the warrant, the maturity date or dates thereof, and the manner of execution thereof.

SEC. 554. The board may, in its resolution, require that the warrant be subject to call and redemption prior to maturity, at the option of the district, at such prices as may be fixed in the resolution, not to exceed a premium of 6 percent of the par value of the warrants subject to redemption. The resolution shall fix a method of giving notice of redemption to the holders of warrants to be redeemed and the price at which the warrants shall be subject to redemption. Warrants subject to call and redemption prior to maturity shall contain a recital to that effect on their face.

SEC. 555. The warrants issued shall be offered for public sale upon notice inviting sealed bids therefor. The notice shall be given by publication once in a newspaper of general circulation in the district, and the sale shall not be held before 10 days after the publication.

The board may reject all bids received on public sale and either readvertise or sell the warrants at private sale.

The district may sell the warrants at a price below par value, but not to exceed 6 percent of the par value thereof.

CHAPTER 7. MAXIMUM INTEREST AND DISCOUNT RATES

SEC. 560. Notwithstanding any other provision of law, a bond or evidence of indebtedness of the district or any zone may bear interest at a rate or rates as determined by the board in its discretion, but not to exceed the maximum rate allowed by Section 53531 of the Government Code.

SEC. 561. In addition to interest paid on a bond or evidence of indebtedness of the district, the board, in its discretion, may sell the bond or evidence of indebtedness at less than its par or face value, but not to exceed 6 percent of the par or face value thereof.

PART 6. PROJECTS

CHAPTER 1. ZONES of BENEFIT

SEC. 600. The board shall divide the district into zones if, in the opinion of the board, that division is necessary because of varying benefits to the property within the district. The district may be divided into as many zones as may be deemed necessary, and each zone shall be composed of and include all of the lands in the district which, in the opinion of the board, will be benefited in like manner.

Each zone shall be designated on a map or plat of the district filed in the office of the board, and that designation shall show the separate boundaries of each zone and a statement of the percentage of benefit received in each zone.

The zone determined by the board to receive the greatest benefit shall be designated as a 100 percent zone. The percentages applicable to each of the other zones within the district shall be in proportion to the relationship which the benefits received within that zone bear to those received in the zone determined to be a 100 percent zone.

If, in the opinion of the board, modification of the zones is appropriate in order to better reflect the benefits as then received by lands within the district from activities of the district, a new map shall be prepared and adopted in the manner prescribed in this part showing the proposed new zone boundaries with a statement of the percentage of benefit received in each zone.

Determination of benefits shall include consideration of the extent to which natural conditions have been changed, and those zones with little or no change shall be deemed to have the least benefit.

SEC. 601. Upon the filing of the map, as provided in Section 600, the board shall give notice to all persons interested in the district by publication in a newspaper of general circulation published in the district once a week for three successive weeks. The notice shall designate the time and place of hearing by the board, at which time and place any person interested in the district may appear and object to the zones into which the district is divided, or the percentages of

benefit to be allocated to each zone. All objections shall be in writing, verified by the person or persons making the objection, and filed with the board on or before the date fixed for the hearing.

Upon that hearing, the board may change or modify any of the zones or the percentages of benefit allocated thereto. The hearing may be continued from time to time by the board by an order entered on its minutes. The location and extent of the zones within the district and the percentages of benefit allocated thereto shall be finally established and determined by the board and shall prevail for all purposes until further modified pursuant to this chapter.

Findings and determination of the board as to the extent and boundaries of the zones and the percentages of benefit received therein shall be final and conclusive, unless challenged by action filed with the Superior Court for the County of Colusa within 30 days after the determination has been made.

CHAPTER 2. SELECTION OF PROJECTS

SEC. 610. The first project to be undertaken shall be the development of an economically feasible initial plan to improve or mitigate the drainage, flooding, and subsidence problems within the district, including financing measures to carry out the plan. The plan shall be presented at a public hearing to be held after notice published for three successive weeks in a newspaper of general circulation published in the county seat of each county within the district, which hearing shall be held within three years from the organization of the full board.

No action to implement the plan shall be taken until the plan is approved by a majority of the votes cast by eligible voters within the district at a special election called for that purpose.

SEC. 611. The board shall determine which additional projects shall be carried out. The board shall, wherever possible, encourage the particular project to be carried out by the local agency or district within the area to be benefited by the project, and any project is subject to the consent of the local agency or district within whose boundaries the project is proposed to the extent that the agency or district has the authority to construct, operate, and maintain the project.

SEC. 612. Before proceeding with any project, the board shall adopt a resolution of intention stating its intention to undertake the project, together with an estimate of the cost of the project and the area affected by the project, and fixing a time and place for public hearing on the resolution.

The resolution shall refer to a map or maps showing the general location of the project and shall generally describe the project.

Notice of the hearing shall be given in the same manner as for the filing of the zone map pursuant to Section 601.

SEC. 613. At the time and place fixed for the hearing, or at any time or place to which the hearing is continued, the board shall hold

the hearing provided for by the resolution, at which time any interested person may appear and be heard concerning any matter set forth in the resolution or any matters material thereto.

Upon the conclusion of the hearing, the board may abandon the proposal, modify it, order an election on the proposal to be held within the area affected by the project, or proceed with the proposal. If prior to the conclusion of the hearing, or any continued hearing, written protests against the proposal signed by a majority in number of the eligible voters within the area affected by the project as stated, pursuant to Section 612 is filed with the board, further proceedings relating to the proposal shall be suspended for not less than six months following the date of the conclusion of the hearing.

If an election is held, a majority of the votes cast at the election shall be required to approve the proposal.

PART 7. ASSESSMENTS

CHAPTER 1. BENEFIT ASSESSMENTS

SEC. 700. The district may levy benefit assessments on a districtwide basis or within any zone, upon land only, as follows:

(a) An initial assessment for formation costs may be levied on the basis of an equal amount per acre as shown on the county assessment rolls, but not to exceed ten cents ($0.10) per acre. It is hereby declared for that purpose that the benefit of formation is received equally by all land.

(b) A benefit assessment pursuant to this part, based upon the respective acreages of the lands assessed and the categories and land use factors as set forth in Section 701 for the purpose of preparing the initial plan described in Section 610, except that the assessment to finance the initial plan may not be utilized for more than five years from the organization of the full board and may not be imposed in an amount which would exceed ten cents ($0.10) per unirrigable acre per year.

(c) Annual assessments pursuant to Section 702.

SEC. 701. As the basis for assessments under this part except for the initial assessment, and as a basis for determining the number of votes to be cast pursuant to Part 3 (commencing with Section 300), a benefit factor shall be determined for each parcel of land within the district based upon the parcel's proportionate benefits determined from its location, size, and capacity for being put to use, in comparison to all other parcels in the district.

A parcel's benefit factor shall be deemed to equal the number of acres within the respective parcel multiplied by the percentage benefit for the zone in which the parcel is located, as defined in Section 600, and multiplied by the parcel's land-use factor as specified below:

Category	Land Use Factor
(1) Unirrigable agricultural land	1
(2) Irrigable agricultural land	2
(3) Single-family, residential	5
(4) Commercial, industrial, and other highly improved property	10

The categories of land set forth above, as used in determining the benefit factor for each parcel within the district, shall be taken from the information regarding land use of the respective parcel as shown in the records of the county assessor for the county in which the parcel is located.

SEC. 702. Prior to April 1 of any year, landowners in the district may petition the board that it review the land use categories and factors set forth in Section 701, or the board may elect to do so on its own motion. The petition shall be signed by at least 50 landowners within the district.

The board shall set a time and place for a hearing upon the petition or upon its own motion, and shall give notice of the hearing in the manner set forth in Section 6066 of the Government Code. At the hearing, the board shall hear all evidence presented regarding the land use factors and categories and shall determine whether the categories or land use factors assigned to each category should be altered, expanded, or modified in any respect.

The board may, by resolution at the conclusion of the hearing, modify the categories and factors as, in its judgment, may be required for fair and practical apportionment of the benefits received from the district for the purpose of assessments and voting.

SEC. 703. Benefit assessments may be levied for expenditures made, or expenditures estimated to be required during the following calendar or fiscal year, for any lawful purpose of the district, including, but not limited to, the following purposes:

(a) The administrative expenses of the district.

(b) The formation and administrative expenses of any zone.

(c) Engineering and other expenses in connection with the investigation and preparation of a resource management plan or plan for any work or project.

(d) Acquisition or construction of any work or project.

(e) Operation and maintenance of any work or project.

(f) Payment of the principal of, and interest on, special benefit bonds issued in the manner set forth in Chapter 3 (commencing with Section 520) of Part 5.

The revenues derived from the benefit assessment shall be used only for the purpose specified at the time of levy of the assessment.

SEC. 704. The board may adopt a resolution of intention to levy a special benefit assessment. The resolution shall set forth the proposed amount, manner of levy, and purpose of the proposed

benefit assessment and designate by a map or otherwise the boundaries of the area proposed for assessment, and shall designate a time and place of hearing on the resolution. Except for the initial assessment, the assessment shall be determined by the benefit factor applicable to each parcel within the district as established under Sections 701 and 702 and Part 6 (commencing with Section 600). After the initial assessment, the assessment to be charged against each parcel shall be determined by multiplying the total amount of the assessment to be collected from all parcels by the following fraction: the acreage of each parcel, times the land use factor for that parcel established pursuant to Sections 701 and 702, times the percentage of benefit received by that parcel established in accordance with Part 6 (commencing with Section 600); the resulting product, which shall be the benefit factor applicable to the particular parcel, shall be divided by the total of the benefit factors of all parcels within the district.

SEC. 705. Notice of the hearing shall be given by publishing a copy of the resolution of intention in a newspaper of general circulation published in the district pursuant to Section 6066 of the Government Code, the first publication to be at least 14 days prior to the time fixed for the hearing.

SEC. 706. At the time and place fixed for the hearing, or at any time or place to which the hearing is continued, the board shall hold the hearing provided for by the resolution, at which time any interested person may appear and be heard concerning any matter set forth in the resolution or any matters material thereto. Upon the conclusion of the hearing, the board may terminate further proceedings on the proposed assessment, modify the proposed assessment, or levy the assessment.

SEC. 707. After its approval, the benefit assessment shall be levied, collected, and enforced at the same time and in the same manner as county taxes.

SEC. 708. For the purpose of any assessment levied under this part, the board may establish a minimum assessment for each separately assessed parcel not to exceed five dollars ($5) per parcel.

SEC. 800. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because this act is in accordance with the request of a local agency or school district which desired legislative authority to carry out the program specified in this act.

CHAPTER 1400

An act to amend Section 50805 of, and to add Chapter 11.5 (commencing with Section 50810) to Part 2 of Division 31 of, the Health and Safety Code, relating to homeless persons, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 50805 of the Health and Safety Code is amended to read:

50805. (a) Grants awarded pursuant to this chapter may be used, with the approval of the department, to purchase, lease, renovate, repair, or equip buildings and sites for use as emergency shelters, to operate those emergency shelters, and to administer emergency shelter programs.

(b) Any eligible recipient awarded a grant pursuant to this chapter shall be required to use the grant funds to provide emergency shelter to needy persons, to practice nondiscrimination in the provision of the shelter, to use grant funds to supplement, not supplant, other state and local programs providing social services, health care, and housing assistance, and to meet any other qualifications the department finds necessary to carry out the intent of this chapter.

(c) The department shall ensure all of the following:

(1) That an eligible recipient does not utilize grant funds to cover more than 80 percent of the operating expenses of the recipient.

(2) That not more than 5 percent of a grant awarded to an eligible recipient pursuant to this chapter is expended for administrative expenses.

(3) That not more than 50 percent of the moneys in the Emergency Housing and Assistance Fund are expended during any fiscal year for grants to cover operating expenses.

(d) (1) The department shall establish, by regulation, the types of expenses which are included within the meaning of operating and administrative expenses for purposes of this chapter.

(2) At a minimum, those regulations shall include, but not be limited to, the following types of operating and administrative expenses:

(A) Operating expenses relating to supervising and counseling clients in obtaining permanent shelter, job placement, and other sources of support.

(B) Administrative expenses relating to telephone charges, office space rent, salary and benefits for administrative staff personnel, office supplies, photocopying and printing, and mail and accounting services.

SEC. 2. Chapter 11.5 (commencing with Section 50810) is added to Part 2 of Division 31 of the Health and Safety Code, to read:

CHAPTER 11.5. TRANSITIONAL HOUSING RENTAL DEPOSIT GUARANTEE DEMONSTRATION PROGRAM

50810. The Legislature finds and declares that one of the most difficult problems that temporarily homeless families face in seeking permanent housing is the necessity of paying not only the first month's rent, but also an additional security deposit for potential damages and rent defaults. Current state law permits the security deposit to equal two times the monthly rent and it is often difficult for very low income persons to obtain this amount of savings. Furthermore, the difficulty of paying a security deposit is exacerbated when the family has been forced to use its savings to purchase temporary shelter in a motel when space at an emergency housing shelter was not available.

The Legislature further finds and declares that a transitional housing rental deposit guarantee demonstration program will provide a valuable mechanism for testing the effectiveness of providing security deposit guarantees to assist homeless families in making the transition from a temporary emergency housing shelter into permanent rental housing. Future programs based on such a demonstration program will also assist owners of low-income rental property in reducing vacancy rates and in contacting potential tenants.

50811. The Director of Housing and Community Development shall establish the Transitional Housing Rental Deposit Guarantee Demonstration Program within the program established under Chapter 11 (commencing with Section 50800). Under the demonstration program, the department shall provide grants and technical assistance only to local nonprofit agencies or local governments operating emergency housing shelters to enable them to provide contractual guarantees for the payment of residential rental security deposits pursuant to this chapter. In order to be eligible for a grant under this chapter, the recipient shall match 15 percent of the dollar amount of the grant from private donations.

50812. (a) The department is encouraged to establish a minimum grant level which is in the amount of approximately ten thousand dollars ($10,000) for rural areas and twenty thousand dollars ($20,000) for other areas. The maximum amount of funding provided in any county listed in Section 50817 shall be forty-five thousand dollars ($45,000).

(b) The grants and matching funds shall be placed by the recipient local agency or organization in a revolving loan fund and deposited in a bank or other savings institution, in an account separate from all other funds of the eligible recipient. The funds and interest earned on these funds shall be utilized only as collateral to guarantee the payment of a security deposit required by a residential

rental property owner as a condition for entering a rental agreement with a prospective tenant, where the security deposit has been guaranteed under a contract entered into pursuant to Section 50814.

50813. Prospective tenants who are eligible to participate in a deposit guarantee contract shall be limited to homeless persons who are residing in an emergency housing shelter operated by a nonprofit organization or local governmental agency and who have a source of income sufficient to pay a monthly rental payment, but do not have the funds necessary for the payment of a security deposit. First priority for funds shall be families with minor children. Homeless families who are temporarily residing in a park, car, or are otherwise without shelter shall also be eligible.

Prior to entering into a contract with a prospective tenant under Section 50814, the local agency shall make a determination of the eligibility of the household to participate in the program and a determination that an appropriate rental unit is available for occupation. A determination of eligibility shall include a verification of income and a determination that the head of the household is actually homeless.

50814. A three-party contract shall be required of persons participating in the Transitional Housing Rental Deposit Guarantee Demonstration Program. The parties to the contract shall be the local agency or organization operating a shelter for homeless persons, the tenant, and the rental property owner. The terms of the contract shall include all of the following:

(a) The owner of the rental property shall agree to allow the security deposit to be paid over a specified number of months as an addition to the regular rental payment, rather than as a lump-sum payment.

(b) Upon execution of the agreement, the local agency or organization shall encumber or reserve funds in a special fund created pursuant to subdivision (b) of Section 50812, as a guarantee of the contract, an amount no less than 80 percent of the outstanding balance of the security deposit owed by the tenant to the landlord.

(c) The tenant shall agree to a payment schedule of a specified number of months in which time the total amount of the required deposit shall be paid to the property owner.

(d) At any time during the operation of the guarantee, the property owner will make all claims first against amounts of the security deposit actually paid by the tenant and secondarily against the guarantee. At no time during or after the tenancy may the property owner make claims against the guarantee in excess of that amount agreed to as the guarantee.

(e) If a deduction from the guarantee fund is required, it may be accomplished only to the extent permitted by the contract and in the manner provided by law, including notice to the local agency or organization. The tenant shall have no direct use of guarantee funds, including funds which may be referred to as "last month's rent."

The department shall make available to local agencies and

organizations receiving grants under this chapter forms deemed necessary for the contracts and the determination of eligibility. However, local agencies and organizations may develop and use their own forms as long as the forms meet the requirements specified in this chapter.

50815. A local agency or organization receiving a grant under this chapter may utilize a portion of the allocation for costs of administering and operating its security deposit guarantee program. The department shall approve the amount so utilized prior to expenditure, and the amount may not exceed 5 percent of the allocation. The staff of the grant recipient shall be responsible for soliciting housing opportunities for low-income homeless persons, coordinating with local low-income rental property owners, making determinations regarding the eligibility of prospective tenants for the program and providing information to prospective tenants on the tenant property owner relationship, appropriate treatment of property, and the importance of timely rental payments. The staff of the grant recipient assigned to administer the program shall be reasonably available to property owners and tenants to answer questions or complaints about the program.

50816. The department shall develop a list of data elements to be collected by each grant recipient for use in evaluating the program's effectiveness. These data elements shall include all of the following:

(a) The number of persons utilizing the program.

(b) The number of defaults and the amount the grant recipient was required to pay for each default.

(c) The average amount of administrative time spent to execute an agreement.

(d) The balance of the grant revolving fund, its location, and the amount of the unencumbered balance therein.

(e) The estimated length of time necessary to commence operating the program at the local level.

(f) The estimated total costs to be incurred at the local level for administration and operation of the program, and the ongoing, actual costs at the local level for administration and operation of the program, reported in accordance with a schedule developed by the department.

A grant recipient shall collect the data regularly pursuant to a schedule to be determined by the department for use in evaluating the effectiveness of the demonstration program, and shall forward the data to the department on or before January 1 of each year. This information shall be provided to the Governor and the Legislature in the report required by subdivision (c) of Section 50806.

50817. During the first year in which funds are available for allocation under this chapter, the department shall offer grants to at least seven local agencies or organizations or consortiums thereof. These allocations shall include a sample of various geographic areas including the Counties of Los Angeles, Contra Costa, Fresno, San Francisco, Alameda, Sacramento, and at least one rural area in

northern California. In allocating funds appropriated for the purposes of this chapter, the department shall consider the cost of rental housing in the respective areas.

SEC. 3. Subsequent to the effective date of this chapter, the initial award of funding made available under the program authorized by Chapter 11 (commencing with Section 50800) of Part 2 of Division 31 of the Health and Safety Code shall include the sum of two hundred thousand dollars ($200,000), which shall be made available from the Emergency Housing and Assistance Fund, as created pursuant to Section 50800.5 of the Health and Safety Code for the purposes of the program established by Chapter 11.5 (commencing with Section 50810) of Part 2 of the Division 31 of the Health and Safety Code. All funds made available for this purpose shall be derived from interest earnings received by the Emergency Housing Assistance Fund from the investment of revenues in the Surplus Money Investment Fund, as created pursuant to Section 16471 of the Government Code. The reservation provided by this section shall be utilized only for purposes of the initial appropriation to the Transitional Housing Rental Deposit Guarantee Demonstration Program established by Chapter 11.5 (commencing with Section 50810) of Part 2 of Division 31 of the Health and Safety Code. No further reservation or transfer shall be made from the Emergency Housing and Assistance Fund for this purpose.

CHAPTER 1401

An act to amend Section 10133.1 of the Business and Professions Code, relating to real estate brokers.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 10133.1 of the Business and Professions Code is amended to read:

10133.1. (a) Subdivisions (d) and (e) of Section 10131, Section 10131.1, Article 5 (commencing with Section 10230), Article 6 (commencing with Section 10237), and Article 7 (commencing with Section 10240) and Section 1695.13 of the Civil Code do not apply to any of the following:

(1) Any person or employee thereof doing business under any law of this state, any other state, or of the United States relating to banks, trust companies, savings and loan associations, industrial loan companies, pension trusts, credit unions, or insurance companies.

(2) Any nonprofit cooperative association organized under Chapter 1 (commencing with Section 54001) of Division 20 of the Food and Agricultural Code, in loaning or advancing money in

connection with any activity mentioned therein.

(3) Any corporation, association, syndicate, joint stock company, or partnership engaged exclusively in the business of marketing agricultural, horticultural, viticultural, dairy, livestock, poultry, or bee products on a cooperative nonprofit basis, in loaning or advancing money to the members thereof or in connection with any such business.

(4) Any corporation securing money or credit from any federal intermediate credit bank organized and existing pursuant to the provisions of an act of Congress entitled the "Agricultural Credits Act of 1923," in loaning or advancing money or credit so secured.

(5) Any person licensed to practice law in this state, not actively and principally engaged in the business of negotiating loans secured by real property, when that person renders services in the course of his or her practice as an attorney at law, and the disbursements of that person, whether paid by the borrower or other person, are not charges or costs and expenses regulated by or subject to the limitations of Article 7 (commencing with Section 10240), provided, the fees and disbursements shall not be shared, directly or indirectly, with the person negotiating the loan or the lender.

(6) Any person licensed as a personal property broker, a consumer finance lender, or a commercial finance lender when acting under the authority of that license.

(7) Any cemetery authority as defined by Section 7018 of the Health and Safety Code which is authorized to do business in this state or its authorized agent.

(8) Any person authorized in writing by a savings institution to act as an agent of that institution, as authorized by Section 6520 of the Financial Code or comparable authority of the Federal Home Loan Bank Board by its regulations, when acting under the authority of such written authorization.

(b) Persons described in either paragraph (1) or (2) are exempt from the provisions of subdivisions (d) and (e) of Section 10131 with respect to the collection of payments for lenders or on notes of owners in connection with loans secured directly or collaterally by liens on real property:

(1) The person makes collections on 10 or less of those loans, or in amounts of forty thousand dollars ($40,000) or less in any calendar year.

(2) The person is a corporation licensed as an escrow agent under Division 6 (commencing with Section 17000) of the Financial Code and the payments are deposited and maintained in the escrow agent's trust account.

CHAPTER 1402

An act to amend Section 66484.3 of the Government Code, relating to subdivisions.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 66484.3 of the Government Code is amended to read:

66484.3. (a) The Board of Supervisors of the County of Orange and the city council or councils of any city or cities in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on general plan or local roads and in the case of major thoroughfares, to the provisions of the circulation element which identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element, transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide

for higher fees on land which abuts the proposed improvement except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the recorder of the county in which the area of benefit is located. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest, commence or carry on any proceedings for the same improvement or acquisition under this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facility or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge facilities or major thoroughfares, and may enter into joint exercise of powers agreements with other local agencies imposing fees pursuant to this section, for the purpose of, among others, jointly exercising as a duly authorized original power established by this section, in addition to those through a joint exercise of powers agreement, those powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code for the purpose of constructing bridge facilities and major thoroughfares in lieu of a

tunnel and appurtenant facilities, and, notwithstanding Section 31200 of the Streets and Highways Code, may acquire by dedication, gift, purchase, or eminent domain, any franchise, rights, privileges, easements, or other interest in property, either real or personal, necessary therefor on segments of the state highway system, including, but not limited to, those segments of the state highway system eligible for federal participation pursuant to Title 23 of the United States Code.

An entity constructing bridge facilities and major thoroughfares pursuant to this section shall design and construct the bridge facilities and major thoroughfares to the standards and specifications of the Department of Transportation then in effect, and may, at any time, transfer all or a portion of the bridge facilities and major thoroughfares to the state subject to the terms and conditions as shall be satisfactory to the Director of the Department of Transportation. Any of these bridge facilities and major thoroughfares shall be designated as a portion of the state highway system prior to its transfer. The sole security for repayment of the indebtedness shall be moneys in planned bridge facility or major thoroughfares funds. The participants in a joint exercise of powers agreement may also exercise as a duly authorized original power established by this section the power to establish and collect toll charges only for paying for the costs of construction of the major thoroughfare for which the toll is charged and for the costs of collecting the tolls. Major thoroughfares from which tolls are charged shall utilize the toll collection equipment most capable of moving vehicles expeditiously and efficiently, best suited for that purpose as determined by the participants in the joint exercise of powers agreement. However, in no event shall the powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code be exercised unless a resolution is first adopted by the legislative body of the agency finding that adequate funding for the portion of the cost of constructing those bridge facilities and major thoroughfares not funded by the development fees collected by the agency is not available from any federal, state, or other source. Any major thoroughfare constructed and operated as a toll road pursuant to this section shall only be constructed parallel to other public thoroughfares and highways.

(g) The term "construction," as used in this section, includes design, acquisition of right-of-way, administration of construction contracts, and actual construction, and also includes reasonable administrative expenses, not exceeding six hundred thousand dollars ($600,000) in any calendar year, incurred in association with those activities.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the

payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

SEC. 2. Section 66484.3 of the Government Code is amended to read:

66484.3. (a) The Board of Supervisors of the County of Orange and the city council or councils of any city or cities in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on the general plan or local roads, and in the case of major thoroughfares, to the provisions of the circulation element which identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element, transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or

estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide for higher fees on land which abuts the proposed improvement except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the recorder of the County of Orange. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest,

commence or carry on any proceedings for the same improvement or acquisition under this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facilities or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge facilities or major thoroughfares, and may enter into joint exercise of powers agreements with other local agencies imposing fees pursuant to this section, for the purpose of, among others, jointly exercising as a duly authorized original power established by this section, in addition to those through a joint exercise of powers agreement, those

powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code for the purpose of constructing bridge facilities and major thoroughfares in lieu of a tunnel and appurtenant facilities, and, notwithstanding Section 31200 of the Streets and Highways Code, may acquire by dedication, gift, purchase, or eminent domain, any franchise, rights, privileges, easements, or other interest in property, either real or personal, necessary therefor on segments of the state highway system, including, but not limited to, those segments of the state highway system eligible for federal participation pursuant to Title 23 of the United States Code.

An entity constructing bridge facilities and major thoroughfares pursuant to this section shall design and construct the bridge facilities and major thoroughfares to the standards and specifications of the Department of Transportation then in effect, and may, at any time, transfer all or a portion of the bridge facilities and major thoroughfares to the state subject to the terms and conditions as shall be satisfactory to the Director of the Department of Transportation. Any of these bridge facilities and major thoroughfares shall be designated as a portion of the state highway system prior to its transfer. The sole security for repayment of the indebtedness shall be moneys in planned bridge facilities or major thoroughfares funds. The participants in a joint exercise of powers agreement may also exercise as a duly authorized original power established by this section the power to establish and collect toll charges only for paying for the costs of construction of the major thoroughfare for which the toll is charged and for the costs of collecting the tolls. Major thoroughfares from which tolls are charged shall utilize the toll collection equipment most capable of moving vehicles expeditiously and efficiently, best suited for that purpose as determined by the participants in the joint exercise of powers agreement. However, in no event shall the powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code be exercised unless a resolution is first adopted by the legislative body of the agency finding that adequate funding for the portion of the cost of constructing those bridge facilities and major thoroughfares not funded by the development fees collected by the agency is not available from any federal, state, or other source. Any major thoroughfare constructed and operated as a toll road pursuant to this section shall only be constructed parallel to other public thoroughfares and highways.

(g) The term "construction," as used in this section, includes design, acquisition of right-of-way, administration of construction contracts, and actual construction, and also includes reasonable administrative expenses, not exceeding six hundred thousand dollars ($600,000) in any calendar year, incurred in association with those activities.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing

funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

(k) If the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a proposed change of organization or reorganization includes any territory of an area of benefit established pursuant to Sections 50029 and 66484.3, within a successor local agency, the local agency shall not take any action that would impair, delay, frustrate, obstruct, or otherwise impede the construction of the bridges and major thoroughfares referred to in this section.

SEC. 3. Section 66484.3 of the Government Code, as amended by Section 1 of Senate Bill 1074, is amended to read:

66484.3. (a) Notwithstanding Section 53077.5, the Board of Supervisors of the County of Orange and the city council or councils of any city or cities in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on the general plan or local roads, and in the case of major thoroughfares, to the provisions of the circulation element which identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element, transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or

application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide for higher fees on land which abuts the proposed improvement except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the recorder of the county in which the area of benefit is located. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge

serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest, commence or carry on any proceedings for the same improvement or acquisition under this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide

for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facilities or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge facilities or major thoroughfares, and may enter into joint exercise of powers agreements with other local agencies imposing fees pursuant to this section, for the purpose of, among others, jointly exercising as a duly authorized original power established by this section, in addition to those through a joint exercise of powers agreement, those powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code for the purpose of constructing bridge facilities and major thoroughfares in lieu of a tunnel and appurtenant facilities, and, notwithstanding Section 31200 of the Streets and Highways Code, may acquire by dedication, gift, purchase, or eminent domain, any franchise, rights, privileges, easements, or other interest in property, either real or personal, necessary therefor on segments of the state highway system, including, but not limited to, those segments of the state highway system eligible for federal participation pursuant to Title 23 of the United States Code.

An entity constructing bridge facilities and major thoroughfares pursuant to this section shall design and construct the bridge facilities and major thoroughfares to the standards and specifications of the Department of Transportation then in effect, and may, at any time, transfer all or a portion of the bridge facilities and major thoroughfares to the state subject to the terms and conditions as shall be satisfactory to the Director of the Department of Transportation. Any of these bridge facilities and major thoroughfares shall be designated as a portion of the state highway system prior to its transfer. The sole security for repayment of the indebtedness shall be moneys in planned bridge facilities or major thoroughfares funds. The participants in a joint exercise of powers agreement may also exercise as a duly authorized original power established by this section the power to establish and collect toll charges only for paying for the costs of construction of the major thoroughfare for which the toll is charged and for the costs of collecting the tolls. Major thoroughfares from which tolls are charged shall utilize the toll collection equipment most capable of moving vehicles expeditiously and efficiently, best suited for that purpose as determined by the participants in the joint exercise of powers agreement. However, in no event shall the powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code be exercised unless a resolution is first adopted by the legislative body of the agency finding that adequate funding for the portion of

the cost of constructing those bridge facilities and major thoroughfares not funded by the development fees collected by the agency is not available from any federal, state, or other source. Any major thoroughfare constructed and operated as a toll road pursuant to this section shall only be constructed parallel to other public thoroughfares and highways.

(g) The term "construction," as used in this section, includes design, acquisition of rights-of-way, and actual construction, including, but not limited to, all direct and indirect environmental, engineering, accounting, legal, administration of construction contracts, and other services necessary therefor. The term "construction" also includes reasonable general agency administrative expenses, not exceeding three hundred thousand dollars ($300,000) in any calendar year after January 1, 1986, as adjusted annually for any increase or decrease in the Consumer Price Index of the Bureau of Labor Statistics of the United States Department of Labor for all Urban Consumers, Los Angeles-Long Beach-Anaheim, California (1967=100), as published by the United States Department of Commerce, by each agency created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 for the purpose of constructing bridges and major thoroughfares. "General agency administrative expenses" means those office, personnel, and other customary and normal expenses associated with the direct management and administration of the agency, but not including costs of construction.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

SEC. 4. Section 66484.3 of the Government Code, as amended by Section 1 of Senate Bill 1074, is amended to read:

66484.3. (a) Notwithstanding Section 53077.5, the Board of Supervisors of the County of Orange and the city council or councils of any city or cities in that county may, by ordinance, require the payment of a fee as a condition of approval of a final map or as a

condition of issuing a building permit for purposes of defraying the actual or estimated cost of constructing bridges over waterways, railways, freeways, and canyons, or constructing major thoroughfares.

(b) The local ordinance may require payment of fees pursuant to this section if:

(1) The ordinance refers to the circulation element of the general plan and, in the case of bridges, to the transportation provisions or flood control provisions of the general plan which identify railways, freeways, streams, or canyons for which bridge crossings are required on the general plan or local roads, and in the case of major thoroughfares, to the provisions of the circulation element which identify those major thoroughfares whose primary purpose is to carry through traffic and provide a network connecting to or which is part of the state highway system, and the circulation element, transportation provisions, or flood control provisions have been adopted by the local agency 30 days prior to the filing of a map or application for a building permit. Bridges which are part of a major thoroughfare need not be separately identified in the transportation or flood control provisions of the general plan.

(2) The ordinance provides that there will be a public hearing held by the governing body for each area benefited. Notice shall be given pursuant to Section 65905. In addition to the requirements of Section 65905, the notice shall contain preliminary information related to the boundaries of the area of benefit, estimated cost, and the method of fee apportionment. The area of benefit may include land or improvements in addition to the land or improvements which are the subject of any map or building permit application considered at the proceedings.

(3) The ordinance provides that at the public hearing, the boundaries of the area of benefit, the costs, whether actual or estimated, and a fair method of allocation of costs to the area of benefit and fee apportionment are established. The method of fee apportionment, in the case of major thoroughfares, shall not provide for higher fees on land which abuts the proposed improvement except where the abutting property is provided direct usable access to the major thoroughfare. A description of the boundaries of the area of benefit, the costs, whether actual or estimated, and the method of fee apportionment established at the hearing shall be incorporated in a resolution of the governing body, a certified copy of which shall be recorded by the governing body conducting the hearing with the recorder of the County of Orange. The resolution may subsequently be modified in any respect by the governing body. Modifications shall be adopted in the same manner as the original resolution. Any modification shall be subject to the protest procedures prescribed by paragraph (6). The resolution may provide for automatic periodic adjustment of fees based upon the California Construction Cost Index prepared and published by the Department of Transportation, without further action of the

governing body, including, but not limited to, public notice or hearing. The apportioned fees shall be applicable to all property within the area of benefit and shall be payable as a condition of approval of a final map or as a condition of issuing a building permit for any of the property or portions of the property. Where the area of benefit includes lands not subject to the payment of fees pursuant to this section, the governing body shall make provision for payment of the share of improvement costs apportioned to those lands from other sources, but those sources need not be identified at the time of the adoption of the resolution.

(4) The ordinance provides that payment of fees shall not be required unless the major thoroughfares are in addition to, or a reconstruction or widening of, any existing major thoroughfares serving the area at the time of the adoption of the boundaries of the area of benefit.

(5) The ordinance provides that payment of fees shall not be required unless the planned bridge facility is an original bridge serving the area or an addition to any existing bridge facility serving the area at the time of the adoption of the boundaries of the area of benefit. Fees imposed pursuant to this section shall not be expended to reimburse the cost of existing bridge facility construction, unless these costs are incurred in connection with the construction of an addition to an existing bridge for which fees may be required.

(6) The ordinance provides that if, within the time when protests may be filed under its provisions, there is a written protest, filed with the clerk of the legislative body, by the owners of more than one-half of the area of the property to be benefited by the improvement, and sufficient protests are not withdrawn so as to reduce the area represented to less than one-half of that to be benefited, then the proposed proceedings shall be abandoned, and the legislative body shall not, for one year from the filing of that written protest, commence or carry on any proceedings for the same improvement or acquisition under this section, unless the protests are overruled by an affirmative vote of four-fifths of the legislative body.

Nothing in this section shall preclude the processing and recordation of maps in accordance with other provisions of this division if proceedings are abandoned.

Any protests may be withdrawn in writing by the owner who filed the protest, at any time prior to the conclusion of a public hearing held pursuant to the ordinance.

If any majority protest is directed against only a portion of the improvement then all further proceedings under the provisions of this section to construct that portion of the improvement so protested against shall be barred for a period of one year, but the legislative body shall not be barred from commencing new proceedings not including any part of the improvement or acquisition so protested against. Nothing in this section shall prohibit the legislative body, within the one-year period, from commencing and carrying on new proceedings for the construction of a portion of

the improvement so protested against if it finds, by the affirmative vote of four-fifths of its members, that the owners of more than one-half of the area of the property to be benefited are in favor of going forward with that portion of the improvement or acquisition.

(c) Fees paid pursuant to an ordinance adopted pursuant to this section shall be deposited in a planned bridge facility or major thoroughfare fund. A fund shall be established for each planned bridge facility project or each planned major thoroughfare project. If the benefit area is one in which more than one bridge or major thoroughfare is required to be constructed, a fund may be so established covering all of the bridge or major thoroughfare projects in the benefit area. Moneys in the fund shall be expended solely for the construction or reimbursement for construction of the improvement serving the area to be benefited and from which the fees comprising the fund were collected, or to reimburse the county or a city for the cost of constructing the improvement.

(d) An ordinance adopted pursuant to this section may provide for the acceptance of considerations in lieu of the payment of fees.

(e) The county or a city imposing fees pursuant to this section may advance money from its general fund or road fund to pay the cost of constructing the improvements and may reimburse the general fund or road fund from planned bridge facilities or major thoroughfares funds established to finance the construction of the improvements.

(f) The county or a city imposing fees pursuant to this section may incur an interest-bearing indebtedness for the construction of bridge facilities or major thoroughfares, and may enter into joint exercise of powers agreements with other local agencies imposing fees pursuant to this section, for the purpose of, among others, jointly exercising as a duly authorized original power established by this section, in addition to those through a joint exercise of powers agreement, those powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code for the purpose of constructing bridge facilities and major thoroughfares in lieu of a tunnel and appurtenant facilities, and, notwithstanding Section 31200 of the Streets and Highways Code, may acquire by dedication, gift, purchase, or eminent domain, any franchise, rights, privileges, easements, or other interest in property, either real or personal, necessary therefor on segments of the state highway system, including, but not limited to, those segments of the state highway system eligible for federal participation pursuant to Title 23 of the United States Code.

An entity constructing bridge facilities and major thoroughfares pursuant to this section shall design and construct the bridge facilities and major thoroughfares to the standards and specifications of the Department of Transportation then in effect, and may, at any time, transfer all or a portion of the bridge facilities and major thoroughfares to the state subject to the terms and conditions as shall be satisfactory to the Director of the Department of Transportation.

Any of these bridge facilities and major thoroughfares shall be designated as a portion of the state highway system prior to its transfer. The sole security for repayment of the indebtedness shall be moneys in planned bridge facilities or major thoroughfares funds. The participants in a joint exercise of powers agreement may also exercise as a duly authorized original power established by this section the power to establish and collect toll charges only for paying for the costs of construction of the major thoroughfare for which the toll is charged and for the costs of collecting the tolls. Major thoroughfares from which tolls are charged shall utilize the toll collection equipment most capable of moving vehicles expeditiously and efficiently, best suited for that purpose as determined by the participants in the joint exercise of powers agreement. However, in no event shall the powers authorized in Chapter 5 (commencing with Section 31100) of Division 17 of the Streets and Highways Code be exercised unless a resolution is first adopted by the legislative body of the agency finding that adequate funding for the portion of the cost of constructing those bridge facilities and major thoroughfares not funded by the development fees collected by the agency is not available from any federal, state, or other source. Any major thoroughfare constructed and operated as a toll road pursuant to this section shall only be constructed parallel to other public thoroughfares and highways.

(g) The term "construction," as used in this section, includes design, acquisition of rights-of-way, and actual construction, including, but not limited to, all direct and indirect environmental, engineering, accounting, legal, administration of construction contracts, and other services necessary therefor. The term "construction" also includes reasonable general agency administrative expenses, not exceeding three hundred thousand dollars ($300,000) in any calendar year after January 1, 1986, as adjusted annually for any increase or decrease in the Consumer Price Index of the Bureau of Labor Statistics of the United States Department of Labor for all Urban Consumers, Los Angeles-Long Beach-Anaheim, California (1967=100), as published by the United States Department of Commerce, by each agency created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 for the purpose of constructing bridges and major thoroughfares. "General agency administrative expenses" means those office, personnel, and other customary and normal expenses associated with the direct management and administration of the agency, but not including costs of construction.

(h) Nothing in this section shall be construed to preclude the County of Orange or any city within that county from providing funds for the construction of bridge facilities or major thoroughfares to defray costs not allocated to the area of benefit.

(i) Any city within the County of Orange may require the payment of fees in accordance with this section as to any property in an area of benefit within the city's boundaries, for facilities shown

on its general plan or the county's general plan, whether the facilities are situated within or outside the boundaries of the city, and the county may expend fees for facilities or portions thereof located within cities in the county.

(j) The validity of any fee required pursuant to this section shall not be contested in any action or proceeding unless commenced within 60 days after recordation of the resolution described in paragraph (3) of subdivision (b). The provisions of Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure shall be applicable to any such action or proceeding. This subdivision shall also apply to modifications of fee programs.

(k) If the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a proposed change of organization or reorganization includes any territory of an area of benefit established pursuant to Sections 50029 and 66484.3, within a successor local agency, the local agency shall not take any action that would impair, delay, frustrate, obstruct, or otherwise impede the construction of the bridges and major thoroughfares referred to in this section.

SEC. 5. (a) Section 2 of this bill incorporates amendments to Section 66484.3 of the Government Code proposed by both this bill and SB 1073. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 66484.3 of the Government Code, and (3) SB 1074 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after SB 1073, in which case Sections 1, 3, and 4 of this bill shall not become operative.

(b) Section 3 of this bill incorporates amendments to Section 66484.3 of the Government Code proposed by both this bill and SB 1074. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1988, (2) each bill amends Section 66484.3 of the Government Code, (3) SB 1073 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after SB 1074 in which case Section 66484.3 of the Government Code, as amended by SB 1074 shall remain operative only until the operative date of this bill at which time Section 3 of this bill shall become operative, and Sections 1, 2, and 4 of this bill shall not become operative.

(c) Section 4 of this bill incorporates amendments to Section 66484.3 of the Government Code proposed by this bill, SB 1073, and SB 1074. It shall only become operative if (1) all three bills are enacted and become effective on or before January 1, 1988, (2) all three bills amend Section 66484.3 of the Government Code, and (3) this bill is enacted after SB 1073 and SB 1074, in which case Section 66484.3 of the Government Code, as amended by SB 1074 shall remain operative only until the operative date of this bill at which time Section 4 of this bill shall become operative, and Sections 1, 2, and 3 of this bill shall not become operative.

CHAPTER 1403

An act to amend Sections 6546, 6547, and 6571 of the Government Code, relating to subdivisions.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 6546 of the Government Code is amended to read:

6546. In addition to other powers, any agency, commission, or board provided for by a joint powers agreement pursuant to Article 1 (commencing with Section 6500) may issue revenue bonds pursuant to this article to pay the cost and expenses of acquiring or constructing a project for any or all of the following purposes:

(a) An exhibition building or other place for holding fairs or exhibitions for the display of agricultural, livestock, industrial, or other products, including movable equipment, entertainment facilities, and other facilities to be used in conjunction with holding a fair or exposition in several locations.

(b) A coliseum, a stadium, a sports arena or sports pavilion or other building for holding sports events, athletic contests, contests of skill, exhibitions, spectacles, and other public meetings.

(c) Any other public buildings, including, but not limited to, general administrative facilities of a city, county, city and county, special district, or authority.

(d) A regional or local public park, recreational area, or recreational center, and all facilities and improvements related thereto.

(e) A facility for the generation or transmission of electrical energy for public or private uses and all rights, properties, and improvements necessary therefor, including fuel and water facilities and resources. As used in this chapter, "transmission of electric energy" does not include the final distribution of electric energy to the consumer.

(f) A facility for the disposal, treatment, or conversion to energy and reusable materials of solid or hazardous waste or toxic substances.

(g) Facilities for the production, storage, transmission, or treatment of water or wastewater.

(h) Local streets, roads, and bridges.

(i) Bridges and major thoroughfares construction pursuant to Sections 50029 and 66484.3.

(j) Mass transit facilities or vehicles.

(k) Publicly owned or operated commercial or general aviation airports and airport-related facilities.

(*l*) Police or fire stations.

(m) Public works facilities, including corporation yards.

(n) Public health facilities owned or operated by a city, county, city and county, special district, or authority.

(o) Criminal justice facilities, including court buildings, jails, juvenile halls, and juvenile detention facilities.

(p) Public libraries.

(q) Publicly owned or operated parking garages.

(r) Low-income housing projects owned or operated by a city, county, city and county, or housing authority.

(s) Public improvements authorized in a project area created pursuant to the Community Redevelopment Law, Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code.

(t) Public improvements authorized pursuant to the Improvement Act of 1911, Division 7 (commencing with Section 5000) of the Streets and Highways Code, the Improvement Bond Act of 1915, Division 10 (commencing with Section 8500) of the Streets and Highways Code, the Municipal Improvement Act of 1913, Division 12 (commencing with Section 10000) of the Streets and Highways Code, and the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5.

(u) Equipment necessary to support the above-listed facilities or necessary to deliver public services therefrom, including, but not limited to, telecommunications equipment, computers, and service vehicles.

Bonds may be issued pursuant to this article if the joint powers entity, or its individual parties which contract pursuant to Section 6547.5, 6547.6, or 6547.7 to make payments to be applied to the payment of the indebtedness, have the power to acquire, construct, maintain, or operate one or more of the projects specified in this section.

SEC. 2. Section 6547 of the Government Code is amended to read:

6547. The power of the entity to issue revenue bonds is additional to the powers common to the parties to the joint powers agreement, but shall not be exercised until authorized by the parties to that agreement. However, in the case of the issuance of revenue bonds by a fair and exhibition authority this authorization shall not be required. In the case of the issuance of revenue bonds by an entity created pursuant to this chapter to construct bridges and major thoroughfares, as referred to in Section 66484.3, the power of the entity to issue revenue bonds shall be exercised by a resolution adopted by a majority vote of the governing body of the entity. However, no member of the entity may vote on the question of bond issuance unless the member has been authorized to vote on that

particular question by previous resolution of the public agency the member represents. In the case of a project for the generation or transmission of electric energy or a project for the disposal, treatment, or conversion to energy and reusable materials of solid waste, or a project for an intermodal container transfer facility, or a project for the construction of bridges and major thoroughfares pursuant to Section 66484.3, this power shall include the power to issue notes for the purpose of financing studies, the acquisition of options, permits, and other preliminary costs to be incurred prior to the undertaking of the construction or acquisition of a project, and for the purpose of providing temporary financing of costs of construction or acquisition of a project. These notes may be issued at public or private sale, and may be renewed from time to time, and the principal and interest with respect thereto may be made payable from the revenues of the entity unless paid from the proceeds of revenue bonds.

Every local agency shall make any authorization, as permitted under the first sentence of this section, by ordinance, unless otherwise prescribed in this section. Except as provided in this section, the ordinance shall describe in general terms the project, or projects, to be funded by the revenue bonds, the maximum amount of the bonds proposed to be issued, and the anticipated sources of revenue to redeem the bonds. In the case of a project for the generation or transmission of electric energy or a project for the disposal, treatment, or conversion to energy and reusable materials of solid waste, or a project for an intermodal container transfer facility, or a project for the construction of bridges and major thoroughfares pursuant to Section 66484.3, the ordinance shall describe in general terms the project or the studies or other preliminary costs therefor to be funded by the revenue bonds or notes, the estimate of the maximum amount of bonds to be issued for the project or the studies or other preliminary costs, and the anticipated sources of revenue or other funds to pay the principal of and interest on the bonds or notes. However, the statement of the estimated maximum amount of the bonds or notes shall not be deemed to prevent the authorization by the ordinance of the issuance of bonds or notes by the entity in amounts which may exceed the estimate without further authorization under the ordinance if and to the extent the additional bonds or notes shall be required to complete the financing of the project or the studies or other preliminary costs. Each such ordinance shall state that it is subject to the provisions for referendum prescribed by Section 3751.7 of the Elections Code.

A separate authorization shall be required for each separate bond issue proposed by the entity, except that, in the case of a project for the generation or transmission of electric energy or a project for the disposal, treatment, or conversion to energy and reusable materials of solid waste, or a project for an intermodal container transfer facility, or a project for the construction of bridges and major

thoroughfares pursuant to Section 66484.3, a single authorization shall be sufficient for bonds which may be issued in installments from time to time for a project or the costs of studies or other preliminary costs therefor which shall be identified in the authorization.

The requirement of an ordinance and the right to referendum thereon shall not apply to the issuance of revenue bonds if, prior to March 4, 1971, one or more local or public agencies shall have taken formal action to implement any one or more projects to be acquired or constructed pursuant to a joint powers agreement. Formal action to implement any one or more projects shall include, but not be limited to, any of the following:

(a) The incurring of liability for a substantial portion of an architectural or engineering contract or other contract relating to a project.

(b) The acquisition of land or improvements for the project.

(c) The making of a substantial contribution toward the project.

Notwithstanding the requirement that parties to a joint powers agreement authorize the issuance of revenue bonds, in the case of a project which consists of the generation or transmission of electric energy financed in whole or in part by the issuance of revenue bonds, only those local agencies which contract to make payments to be applied to the payment of the revenue bonds shall be required to authorize the issuance of the revenue bonds.

Any authorizations required by this section for the issuance of revenue bonds to construct bridges and major thoroughfares projects pursuant to Section 50029 or 66484.3 may be by ordinance or resolution.

SEC. 3. Section 6571 of the Government Code, as amended by Section 3 of Chapter 914 of the Statutes of 1983, is amended to read:

6571. The bonds shall be issued and sold as the governing body may determine and for not less than par and accrued interest to date of delivery, except that, in the case of a project for the generation or transmission of electric energy, a project for the disposal, treatment, or conversion of energy and reusable materials of solid waste, or a project for a purpose specified in Section 6546.6, or a project for the construction of bridges and major thoroughfares pursuant to Section 66484.3, or a project for an intermodal container transfer facility specified in Section 6546.6, or in the case of bonds of a fair and exhibition authority, the bonds may be sold at less than par if the governing body shall determine that such a sale will result in more favorable terms for the bonds. The sale shall be conducted in compliance with Chapter 10 (commencing with Section 5800) of Division 6 of Title 1, unless, in the case of a project for the generation or transmission of electric energy, a project for the disposal, treatment, or conversion of energy and reusable materials of solid waste, a project for the development and construction of an intermodal container transfer facility specified in Section 6546.6, or a project for the construction of bridges and major thoroughfares pursuant to Section 66484.3, or in the case of bonds of a fair and

exhibition authority, the governing body shall determine that a negotiated sale of the bonds is necessary, in which case the bonds shall be sold on such terms as shall be approved by the governing body.

The proceeds from the sale (except premium and accrued interest, which shall be paid into the bond service or other fund designated or established for the payment of the principal and interest of the bonds) shall be paid into the construction fund or other fund designated by the indenture authorizing the issuance of the bonds and shall be applied exclusively to the objects and purposes set forth in the indenture, including all expenses incidental thereto or in connection therewith, and also including the payment of interest on the bonds during the period of study and construction of the project and for a period not to exceed 12 months after completion of the construction.

CHAPTER 1404

An act to repeal and add Chapter 1 (commencing with Section 29000) of Division 13 of, and to repeal Section 29030 of, the Food and Agricultural Code, relating to bees.

[Approved by Governor September 29, 1987 Filed with Secretary of State September 29, 1987]

The people of the State of California do enact as follows:

SECTION 1. Chapter 1 (commencing with Section 29000) of Division 13 of the Food and Agricultural Code is repealed.

SEC. 2. Chapter 1 (commencing with Section 29000) is added to Division 13 of the Food and Agricultural Code, to read:

CHAPTER 1. BEES

Article 1. General Provisions

29000. The Legislature hereby finds and declares that:

A healthy and vibrant apiary industry is important to the economy and welfare of the people of the State of California. Protection and promotion of this important industry is in the interest of the people of the State of California.

29001. This chapter shall be known and may be cited as, the "Apiary Protection Act." Unless the context otherwise requires, the definitions in this article govern the construction of this chapter.

29002. "Apiary" includes bees, comb, hives, appliances, or colonies, wherever they are kept, located, or found.

29003. "Appliance" means any implement or other device which is used in handling and manipulating bees or comb, any container of

bees or comb, or any other equipment which is used in the practice of apiculture.

29004. "Bees" means honey-producing insects of the genus Apis. It includes all life stages of these insects.

29005. "Board" means the Apiary Board.

29006. "Colony" means one hive and its contents, including bees, comb, and appliances.

29007. "Comb" includes all materials which are normally deposited into hives by bees. It does not include extracted honey or royal jelly, trapped pollen, and processed beeswax.

29008. "Commissioner" means a county agricultural commissioner.

29009. "Pest" means American foulbrood or any other infectious disease, parasite, pest, or hereditary disease that affects bees which the director by regulations declares is detrimental to the welfare of the bee industry.

29010. "Infected," "infested," "contaminated," or "diseased" means that a viable stage of a life cycle of a "pest" as defined in Section 29009 can be demonstrated to exist on or within the colony population or on hives, comb, or any appliances associated with beekeeping operations.

29011. "Hive" means any receptacle or container, or part of any receptacle or container, which is made or prepared for the use of bees, or which is inhabited by bees.

29012. "Inspector" means any person who is authorized to enforce this chapter.

29013. "Location" means any premises upon which an apiary is located.

Article 2. Apiary Board

29020. There is in the department the Apiary Board, consisting of five members appointed by the director. The members of the board shall be assessment-paying beekeepers who reside in California and who represent the major geographical divisions of the beekeeping industry. The director may appoint an additional member on the board who shall be a public member.

29021. Upon the director's request, the board shall submit to the director the names of three or more natural persons, each of whom shall be a citizen and resident of this state and not a producer, shipper, distributor, packer, or processor, nor financially interested in any of those entities, for appointment by the director as a public member of the board. The director may appoint one of the nominees as the public member on the board. If all nominees are unsatisfactory to the director, the board shall continue to submit lists of nominees until the director has made a selection. Any vacancy in the office of the public member of the board shall be filled by appointment by the director from the nominee or nominees similarly qualified submitted by the board. The public member of the board shall represent the

interests of the general public in all matters coming before the board and shall have the same voting and other rights and immunities as other members of the board.

29022. It is hereby declared, as a matter of legislative determination, that beekeepers appointed to the board are intended to represent and further the interest of a particular agricultural industry concerned, and that the representation and furtherance is intended to serve the public interest. Accordingly, the Legislature finds that, with respect to persons who are appointed to the board, the particular agricultural industry concerned is tantamount to, and constitutes, the public generally within the meaning of Section 87103 of the Government Code.

29023. In making his or her selection of the membership of the board, the director shall take into consideration the recommendations of the beekeeping industry, including, but not limited to, the California State Beekeeper's Association.

29024. The term of office of the members of the board is four years. Appointments shall be for full four-year terms. The director shall solicit the views of the industry, including, but not limited to, the California State Beekeeper's Association before allowing any member to serve as a member of the board; however, no person shall serve successive terms as a member of the board.

29025. The director may appoint a department representative as the secretary to the board.

29026. The board shall be advisory to the director on all matters related to the beekeeping industry and may make recommendations on all matters affecting the activities of the department in relation to the beekeeping industry including an annual review of the department's apiary program.

29027. The board shall meet at the call of the director or at the request of any three members of the board. It shall meet at least once a year.

29028. Each member of the board shall serve without compensation, but each member shall be reimbursed for actual and necessary expenses, including travel expenses, incurred in attending meetings of the board and any other official duty authorized by the board and approved by the director. The reimbursements shall be made in accordance with the rules of the State Board of Control.

Article 3. Apiary Assessments

29030. (a) The beekeeper, apiary owner, apiary operator, or the person in possession of any apiary shall pay to the director an annual assessment fee not to exceed thirty-five cents ($0.35) per colony as determined by the director, after consultation with the board, and input from the industry, to be necessary to carry out this article. However, the fee shall only be paid once each year by any one of these persons. For colonies imported into the state, the fee shall be collected at the time the colonies are received in the state.

(b) Beekeepers, apiary owners, apiary operators, or persons in possession of any apiary are exempt from the assessments required under this section if they own and operate less than 40 colonies.

(c) The department shall, from money available for the purpose in this subdivision, match any funds raised by the assessments imposed under this section and deposit those matching funds in the Department of Food and Agriculture Fund for the purposes stated in Section 29032.

(d) This section shall remain in effect only until January 1, 1989, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1989, deletes or extends that date.

29030.5. The beekeeper, apiary owner, apiary operator, or the person in possession of an apiary, in addition to the annual assessment fee prescribed by subdivision (a) of Section 29030, shall pay to the director an annual assessment fee of three cents ($0.03) per colony for the purpose of research on Africanized bees. The fee shall be annually collected until July 1, 1992, and the revenue, notwithstanding Section 13340 of the Government Code, is continuously appropriated for that research.

Subdivision (c) of Section 29030 and Section 29032 does not apply to the disposition of funds authorized by this section.

29031. The assessment fees shall be payable to the director on July 1 of each year. The director shall send a written notice of the nonpayment of the required assessment fee to any person who fails to pay the assessment fee on that date. If the total amount of the assessment fee is not paid within 31 days after receipt of the written notice from the director, the person shall be required to pay, in addition to his or her regular fee, a penalty fee equal to 10 percent of the amount of the assessment fee prescribed pursuant to Section 29030, plus interest from that date. The interest shall accrue on a daily basis until the amount owed is paid.

29032. (a) Any funds collected by the director pursuant to this article shall be deposited in the Department of Food and Agriculture Fund to be used for the control of pests, and research related to the bee industry, as advised by the board and approved by the director, and to carry out Article 2 (commencing with Section 29020).

(b) The director shall pay by contract entered into pursuant to this section, five-eighths of the funds received from apiary assessments to the counties as reimbursement for costs incurred by the commissioner in the administration and enforcement of this chapter. The payment shall be apportioned to the commissioner in relation to each county's expenditure for the administration and enforcement of the chapter. The director, after consulting with the board, shall establish standards of performance for administration and enforcement. The director shall make the payments to each county only if the commissioner acts in compliance with a contract entered into between the director and the commissioner.

Article 4. Registration and Identification of Apiaries

29040. Every person that is the owner or is in possession of an apiary which is located within the state, on the first day of January of each year, shall register the number of colonies in each apiary which is owned by the person and the location of each apiary. Every person required to register under this article, shall do so on the first day of January of each year in which they maintain, possess, or are in possession of an apiary, or within 30 days thereafter, as prescribed in this article.

29041. Notwithstanding the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code), any information provided in accordance with this article or Section 29070 shall be held confidential, and shall not be disclosed to any person or governmental agency, other than the department or a county department of agriculture. The information shall also be considered privileged under the provisions of Sections 1040 and 1060 of the Evidence Code, with the exception of the location of apiaries for disclosure to pesticide applicators pursuant to Section 29101.

29042. Every person who moves bees into the state or otherwise comes into possession of an apiary that is located within the state after the first day of January, shall register the number of colonies moved into the state or so acquired within 30 days after coming into possession of the apiary.

29043. Registration of an apiary shall be filed with the commissioner of the county in which the apiary is located, or with the director if there is no commissioner in the county. The director shall adopt a form of registration to be used statewide, which shall include a request for notification of use of pesticide in accordance with Section 29101. All commissioners shall use the same form.

29044. Each beekeeper, apiary owner, apiary operator, or person in possession of any apiary, shall pay, in addition to any other fees imposed under this chapter, an annual registration fee of ten dollars ($10.00) to the commissioner of the county where the bees reside on January 1, to cover the cost of apiary registration. The director shall by regulation adopt and periodically update a schedule of the fees, which shall include late fees for anyone who fails to register an apiary under provisions of Sections 29041 and 29042.

29045. No person shall maintain any apiary which is not registered pursuant to this article. Each registration is valid until January 1 of the following year.

29046. (a) No person shall maintain an apiary on premises other than that of his or her residence unless the apiary is identified as follows:

(1) By a sign that is prominently displayed on the entrance side of the apiary or stenciled on the hive, that states in dark letters not less than one inch in height on a background of contrasting color, the name of the owner or person responsible for the apiary, his or her

address and telephone number, or if he or she has no telephone, a statement to that effect.

(2) If the governing body of the county or city in which the apiary is located has provided by ordinance for the identification of apiaries, in the manner which is prescribed in the ordinance.

(b) No person shall locate or maintain an apiary on private land not owned or leased by the person unless the person has approval from the owner of record, or an authorized agent thereof, and can establish approval upon demand of the director or commissioner. The approval shall include the name and phone number of the person granting approval.

(c) (1) No person shall locate or maintain an apiary on any public land without the expressed oral or written approval of the entity which owns, leases, controls, or occupies the land, and can establish this approval upon demand of the director or the commissioner. The approval shall include the name and telephone number of the person granting the approval. During the citrus bloom period, as established by the commissioner, including 72 hours prior to the declaration of the bloom period until 48 hours after the conclusion of the bloom period, the apiary operator shall obtain written permission to place bees on public land, and shall make it available to the director or the commissioner upon demand. Any apiary located or maintained on public land without lawful consent is a public nuisance and may be subject to seizure by the director or the commissioner.

(2) The director or commissioner may commence proceedings in the superior court of the county or city and county in which the seizure is made petitioning the court for judgment forfeiting the apiary. Upon the filing of the petition, the clerk of the court shall fix a time for a hearing and cause notices to be posted for 14 days in at least three public places in the place where the court is held, if the person owning the apiary is unknown, setting forth the substance of the petition and the time and place fixed for its hearing. At that time, the court shall hear and determine the proceeding and upon proof that the apiary was located or maintained on public lands without approval of the entity, may order the apiary forfeited. Any apiary so forfeited shall be sold or destroyed by the director or the commissioner. The proceeds from all sales shall be used in accordance with Section 29032.

29047. Any person who owns or is in possession of an apiary may bring an action to recover damages for any injury to his or her apiary by reason of any pest control operation if the person has complied with Sections 29070, 29043, and 29046, and with regulations adopted by the director providing for the protection of bees under Sections 11502, 14005, and 29080 when these requirements apply to the property where the alleged damage has occurred.

29048. Any pesticide applicator who experiences any loss because of a beekeeper's failure to request notification of a pesticide application pursuant to Section 29070, or pursuant to any department rule or regulation, or who experiences any loss because of a

beekeeper's failure to register bees pursuant to Section 29041 or 29042, may bring an action for the recovery of damages against that beekeeper.

29049. The owner of any apiary equipment may apply to the director for a serial number brand for use on apiary equipment which he or she owns. The application shall contain the name and address of the applicant and shall be accompanied by a fee, as established and periodically updated, by the director by regulation.

29050. Upon receipt of the application and fee, the director shall register a serial number brand to the applicant. The serial number shall include a county number followed by an individual number. The county number shall be and remain the same as the number of the class of the county in the classification which was adopted by the Legislature in 1931. As to counties with classification numbers 1 to 9, inclusive, the county number shall be preceded by a dash (-). The county number shall be followed by a dash (-) and the individual number.

29051. If a serial number brand is used on wooden equipment, it shall be burned into the wood in numbers which are at least one-half inch in height. Hive bodies shall be branded on the upper left-hand corner. Frames shall be branded or stenciled on top bars. Other wooden equipment may be branded in any manner desired.

29052. Serial number brands are transferrable.

29053. (a) If the purchaser does not have a registered brand number, he or she may use a brand acquired by purchase if a bill of sale on the purchased brand number is forwarded by registered mail to the director accompanied by a transfer fee as established and periodically updated by the director by regulation.

(b) If the purchaser has a previously registered brand number, he or she may have other brand numbers transferred to his or her name, without charge, but he or she shall destroy any and all branding irons or branding devices acquired by the transfer and notify the director of the destruction.

29054. If ownership of branded equipment is transferred, the original brand shall not be defaced or obliterated. The brand, if any, of the new owner shall be placed below the original brand and as near it as possible.

29055. It is unlawful for any person to have in his or her possession any apiary equipment which is branded with any serial number brand other than his or her own unless he or she has a bill of sale which he or she obtained from the registered owner of the serial brand number.

29056. It is unlawful for any person to do any one of the following:

(a) Use any serial number brand unless it is registered pursuant to this article provided that the National Crime Identification Center (NCIC) numbers may be used.

(b) Alter, deface, remove, or obliterate the brand on any apiary equipment to prevent the identification of the equipment.

(c) Be in possession of any apiary equipment upon which the

brand has been altered, defaced, removed, or obliterated.

Article 5. Intrastate Movement

29070. (a) Any person relocating a colony of bees from a registered apiary in one county to another county, where the apiary is not registered for the current calendar year, shall notify the destination commissioner by telephone within five days of the first movement. The notification shall include all of the following:

(1) The name and address of the apiary operator or his or her designated representative.

(2) A telephone number where the apiary operator or his or her designated representative may be reached.

(b) The apiary operator or his or her designated representative shall provide locations of each colony upon request by the commissioner of any county.

(c) Subsequent movement into the destination county shall not require further notification to the commissioner if, when the apiary operator removes the last colony from the county, he or she notifies the commissioner of that final movement within 72 hours.

29070.5. (a) Any apiary operator or his or her designated representative relocating a colony of bees within a county where the apiary is currently registered is not required to notify the commissioner of the movement.

(b) The apiary operator or his or her designated representative shall provide the commissioner with all locations of colonies upon request.

29071. It is lawful for any person, except when prohibited by other provisions of this chapter, to do any of the following:

(a) Transport any contaminated hive, together with its contents, to a suitable place for burning, or to a wax salvage plant licensed under Article 11 (commencing with Section 29150), after the person has killed the bees in the hive and sealed the hive to prevent the entrance of live bees.

(b) Transport contaminated comb, including any frame associated with it, to a suitable place for burning, or to a wax salvage plant, licensed under the provisions of Article 11 (commencing with Section 29150) if the comb is tightly enclosed to prevent access to the comb by bees.

29072. No person shall move or transport any bees, comb, appliances, or colonies within the state which are diseased, except for abatement pursuant to this chapter or for research pursuant to Section 29074.

29073. The inspector, in a summary manner, may destroy where required, any and all diseased colonies, bees, combs, or hives which are unlawfully moved within the state wherever they may be found.

29074. The director by written permit, subject to conditions the director may determine are necessary to protect the beekeeping industry of this state, may authorize federal and state agencies to

transport and maintain within the state diseased bees, comb, hives, appliances, or colonies for the purpose of studying methods of eradicating and controlling bee diseases.

Article 6. Notification Regions

29080. The director may, after notice and hearing, establish regions for the notification of apiary owners relative to pesticide applications if the director determines that the notification could be effectively accomplished on a regional basis and that there would be sufficient interest among beekeepers and pest control operators to make substantial participation in a regional notification system likely. The regions may be composed of more than one county or portions of counties, but no single county or portion of a county may become an entire region.

29081. Upon the establishment of a notification region, the director shall designate one of the commissioners within the region as the coordinator for the region. The coordinator may receive, upon request, any necessary technical assistance from the University of California, other commissioners, and the department in the development of a regional notification system.

29082. The coordinator may receive money from any source and shall deposit the funds in the Department of Food and Agriculture Fund for expenditure pursuant to the purposes of this article, upon appropriation therefor by the Legislature. The director may, if he or she determines that it is necessary, establish fees for beekeepers and pest control operators who participate. The fees may, if necessary, vary for different regions but shall in no case be greater than the amount necessary to defray the expenses of that region. In the event that an unexpended surplus exists for more than two consecutive years, the surplus funds shall be transferred to the beekeeping program. If the operation of the system is suspended or terminated, any unexpended moneys shall be deposited in the Department of Food and Agriculture Fund to be used as prescribed in Section 29032.

Article 7. Use of Pesticides

29100. (a) The Legislature hereby finds and declares that bees perform a valuable service to agriculture in this state.

(b) The Legislature further finds and declares that the necessary application of certain pesticides to blossoming plants poses a potential hazard to bees.

(c) The Legislature further finds and declares that the use of pesticides is necessary for the protection of agricultural crops.

(d) The Legislature further finds and declares that certain factors, including, but not limited to, the time of application, the type of pesticides used, the type of blossoming plant involved, the proximity of the apiaries, and the ability to locate and notify the owners of the apiaries involved, directly affect the extent of the harm to bees

resulting from pesticides.

29101. (a) Each beekeeper shall report to the commissioner of the county in which his or her apiary is located on a form approved by the director, each location of apiaries for which notification of pesticide usage is sought. This report for notification may be filed with and be part of the form used for registration pursuant to Article 4 (commencing with Section 29040), or shall be thereafter submitted in writing if telephonic notice of relocation is made as set forth in Section 29070. Except for reports filed as part of an initial registration pursuant to Section 29040, each request shall be mailed within 72 hours before locating an apiary, where feasible, but in no event later than 72 hours after locating an apiary.

(b) The beekeeper shall not be entitled to notification until receipt and processing of the report is made by the commissioner. However, the commissioner may provide notice earlier if practicable.

(c) Notice to pesticide applicators shall not be required until the written report by the beekeeper has been received and processed by the commissioner, except that the commissioner may provide notice earlier if practicable.

(d) The commissioner shall process the written report as expeditiously as reasonable, but shall not exceed 16 working hours. The 16-hour period shall commence upon receipt of the written report.

29102. (a) The director shall adopt regulations necessary to minimize the hazard to bees, while still providing for the reasonable and necessary application of pesticides toxic to bees to blossoming plants. The regulations may be limited to specific blossoming plants.

(b) Regulations adopted pursuant to this section may be applicable to either the entire state or specified areas of the state. Regulations that are applicable to only specified areas of the state shall include provisions for the mandatory notice of movement of apiaries, including any relocation thereof within the area to which the regulations are applicable.

(c) The regulations may also include provisions for timely notification of apiary owners of proposed pesticide applications, and limitations on the time and method of application of pesticides and the pesticides used.

29103. Failure of a beekeeper to remove hives from a specific location, except during specific periods of time, as provided in subdivision (c) of Section 29102 after notification, shall not prevent the application of pesticides to blossoming plants if consistent with the pesticide's labeling and regulations. When the pesticide applicator has complied with the notification pursuant to subdivision (c) of Section 29102 the applicator shall not be liable for injury to bees that enter the area treated during or after the application.

Article 8. Quarantine

29110. The director may adopt by regulation and establish, maintain, and enforce a quarantine at the boundaries of, or within, the state, to protect the bee industry against the introduction or spread of any bee pest. The director may make and enforce such regulations as may be necessary to prevent any bees, comb, hives, or appliances from passing over any quarantine line which is established and proclaimed pursuant to this article.

29111. If any quarantine is established pursuant to this article, no person shall move any bees, comb, hive, or appliance, across the lines established by the quarantine except pursuant to the regulations of the director.

29112. If an inspector finds any pest or disease which is known to be contagious in any apiary, the inspector may hold the apiary and may require that abatement be performed under his or her direct supervision. The inspector shall give notice that the apiary is held to the owner or bailee and post a copy of the notice in a conspicuous place in the apiary.

29113. If notice that an apiary is being held has been given pursuant to Section 29112, no person shall move the apiary, or any part of the apiary, or any other bee equipment from the location, unless the person is authorized by an inspector, until the hold order is released.

29114. Upon request of the owner of any apiary which is held pursuant to an order by an inspector, the inspector shall release the hold order by issuing a permit to move the apiary if the inspector determines that the pest or disease has been abated. The permit shall state on it that the apiary had been under a hold order at the point of origin, was released from the hold order, and the date of release.

Article 9. Importation

29120. Except as otherwise provided in Section 29121, no person shall import or transport into the state any comb, bees on comb, queen bees, package bees, bee semen, or any used hive or used appliance, unless each separate load, lot, or shipment is accompanied by a valid certificate prescribed by this article, and filed in a form and in the manner as set forth by the director, and unless the certificate is delivered to the commissioner of the county of destination or to the director, if there is no commissioner in the county, within 72 hours after the arrival of the load, lot, or shipment.

29121. (a) A person may import or transport any of the following into the state without complying with the requirements prescribed by Section 29120:

(1) Packaged comb honey.
(2) Empty package bee cages.
(3) Moving screens.
(4) Bee smokers.

(5) Bee veils.

(6) Hive tools.

(b) No importation shall be allowed if it would violate any quarantine regulation adopted by the director pursuant to Section 29110.

29122. Except as provided in Section 29123, the certificate required by Section 29120 shall be signed by the State Entomologist, State Apiary Inspector, or comparable officer in charge of apiary inspection for the state of origin and shall certify to all of the following facts:

(a) The name and address of the owner or shipper and the place of destination in this state.

(b) The number or amount of queen bees, package bees, bee semen, hives, or nuclei which contain bees, the number of used hives either empty or containing comb, and a complete list of any other used beekeeping equipment in the shipment.

(c) The county and state of origin.

(d) The date on which inspection was last made of the apiary in which the bees, comb, used hives, and appliances originated.

(e) That the apiary was found free of all pests denoted as pests by the State of California, using detection procedures and methods approved by the director.

(f) If the pest is American foulbrood, the total number of colonies in the apiary at the time of inspection, and the number of colonies found infested.

(g) That all American foulbrood colonies of bees found upon inspection were destroyed, removed to a quarantine apiary, or removed to wax salvage, prior to the issuance of the certificates.

29123. In lieu of the requirements of Section 29122, the certificate required by Section 29120 may be a California certificate of inspection issued pursuant to Sections 29140 to 29145, inclusive, and showing the comb, bees on comb, or hives or appliances has or had been inspected in California within the 12 months prior to their return to California and at the time of the inspections had been found to have had less than 1 percent American foulbrood disease. Beekeepers or their agents shall carry a copy of the certificate with them and proof of ownership of the apiary and its contents, for production to the border inspectors on demand upon reentry.

29124. Any shipment of bees on comb, used hives, or used appliances arriving in this state which is not accompanied by, where required by Section 29120, a valid certificate shall be refused entry and returned to the shipper or destroyed, at the option and expense of the owner or person in charge of the shipment.

29125. The certificates required by Section 29120 are valid only during the inspection season in which they were issued, except that a certificate that covers a shipment arriving prior to April 1 from a locality that has severe winters shall be valid if it shows the last inspection of the apiary was made on or after August 15 of the preceding year.

29126. (a) If any bees, comb, hives, or appliances entering California are found to be diseased at the time of inspection in this state within 30 days after arrival, the inspector may hold the apiary, lot, or shipment. The inspector shall give notice to the owner or bailee, as prescribed in Section 29113, that the apiary, lot, or shipment is held.

(b) If any load, lot, or shipment of bees, comb, hives, or appliances, entering California are found at the time of inspection in this state within 30 days after arrival to have more than 2 percent American foulbrood disease, that load, lot, or shipment of bees, comb, hives, or appliances shall be removed from the state and returned to the shipper.

29127. Any American foulbrood disease or other disease found pursuant to subdivision (a) of Section 29126 shall be abated pursuant to Article 14 (commencing with Section 29200) of this chapter.

29128. After the American foulbrood disease or other disease has been abated, the inspector may release the hold order, if the release can be made without menace or harm from the disease to the bee industry of this state. If the release cannot be so made, after the disease has been abated, the remaining bees, comb, hives, and appliances shall be destroyed or shipped out of this state within 72 hours after the expiration of the abatement notice, at the option and expense of the owner or bailee.

Article 10. Exportation

29140. As used in this article, "certificate" means the certification by a commissioner, or an inspector of the condition of any apiary which is to be transported to another state or country.

29141. The board of supervisors of any county may estalish a schedule of fees for certificates for bees on comb to be paid by persons that request the certificates.

29142. No fee shall be charged for certification required by any law, regulation, or requirement of the United States.

29143. The schedule of fees for the certificates shall be based upon the estimated cost of the inspection.

29144. A commissioner shall make reasonable inspection as may be necessary to determine the facts which are required by the state or country of intended destination and shall issue a certificate that states the facts which are determined upon receipt of the scheduled fee for a certificate or, if no scheduled fee has been established, upon request.

29145. It is unlawful for any person to alter, deface, or misuse any certificate issued pursuant to this article.

Article 11. Wax Salvage

29150. No person shall remove, salvage, or attempt to salvage, any bees, comb, honey, royal jelly, pollen, beeswax, or frames from

any diseased colony, including American foulbrood disease, except pursuant to this article or Section 29074.

29151. All wax salvage operations with respect to diseased colonies shall be performed in an enclosure which is constructed in accordance with specifications, and in the manner set forth, in regulations of the director.

29152. The director shall prepare and furnish to interested parties upon request, uniform specifications for the construction of wax salvage plants, and adopt regulations for the operation of the plants in a manner to prevent the spread of pests or disease from the plants.

29153. Any person that desires to maintain and operate a plant for the salvaging of wax, hives, and appliances from diseased apiaries shall apply to the director for an annual license for each separate wax salvage plant.

29154. The director shall make such investigations as the director determines are necessary and shall issue the license without fee if the director is satisfied that the plant is constructed in accordance with specifications in, and that the plant will be operated pursuant to, regulations adopted pursuant to this article.

29155. A license is good for the calendar year within which it is issued and shall expire on December 31, of that year, unless it is revoked or suspended sooner.

29156. Any license which is issued pursuant to this article may be revoked or suspended, or a license renewal may be refused by the director, after hearing, if the director finds that the licensee has not complied with this article and the regulations adopted pursuant to it.

29157. To the greatest extent possible, the proceedings for all hearings under this article shall be conducted pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code. The director shall have all the powers which are granted by the chapter.

Article 12. Sanitation

29170. No person shall maintain or operate a diseased colony of bees, except pursuant to Section 29074.

29171. No person shall conceal or attempt to conceal the fact that disease exists within an apiary.

29172. No person shall sell any diseased bees, comb, hive, appliance, or colony.

29173. No person shall abandon any diseased apiary.

29174. No person shall expose to bees any comb or honey from a diseased colony of bees, except pursuant to Section 29074.

29175. No person shall extract or render any honey, pollen, or wax from comb except in a building or enclosure which is so constructed as to prevent access by bees.

29176. No person shall possess any comb which is not occupied by

a live bee colony unless the comb is tightly enclosed to prevent access to the comb by bees.

29177. Any hive or appliance which contains any comb that is not occupied by a live bee colony and that is accessible to bees constitutes a public nuisance. The hive or appliance shall be subject to abatement in the same manner as is provided in Article 14 (commencing with Section 29200) of this chapter for abatement of disease.

29178. No person shall make honey available to bees by means of open air feeding.

29179. All beekeepers shall provide movable frames in the brood area of all hives which they use to contain bees, and shall make provisions so the bees in the hives shall construct combs in the frames in such a way that the combs may be removed from the hives for inspection without damaging other combs in the hives.

29180. The inspector shall order the owner or person in charge of any bees which are kept in a box or other unmovable or stationary comb hive to transfer the bees to a movable frame hive within a reasonable time, to be specified in the order. In default of transfer by the owner or person in charge of the bees, the inspector may destroy in a summary manner the hive and its contents.

29181. No person shall place, in any combless package of bees or queen bees offered for sale or shipment, any food which contains honey.

Article 13. Colony Strength

29190. The director may establish a system for certifying colony strength for bees used in the pollination of agricultural crops.

29191. The colony strength of a bee colony shall be certified after inspection on the basis of the number of active frames of bees or the square inches of brood per colony, or both, using a sampling system, approved by the director.

29192. The inspection and certification of colony strength of bees may be made by department employees, the commissioner or persons authorized by the commissioner, or persons appointed by the director.

29193. Inspection and certification shall be made at the request of the beekeeper or agricultural producer involved. The party requesting the inspection and certification shall pay for the service. To the greatest extent possible, the inspector shall endeavor to give the beekeeper advance notice of the scheduled date of the inspection.

29194. The director may by regulation establish reasonable fees to cover the cost of inspection and certification performed by department employees and persons appointed by the director, other than the agricultural commissioner.

29195. The board of supervisors of the county may establish reasonable fees to cover the cost of inspection and certification

performed by the commissioner.

Article 14. Apiary Inspection

29200. The Legislature finds that in order to ensure the vitality of the apiary industry, to protect the welfare of the people of the State of California, as well as agricultural crops dependent upon bees for pollination, a pest inspection program should be an integral part of the regulatory scheme contained in this division. The Legislature further finds that without a continuing regular inspection program, as further specified in this article, the programs and requirements of law set forth in this division will be impaired.

29201. (a) The director, or the commissioner, or any inspector acting under their direction, may enter if he or she determines it to be necessary, any location where an apiary is maintained, and make an inspection of the apiary, including ancillary buildings. The inspector may give prior notice of the inspection where the notice would not interfere with the purpose of the inspection. The right of inspection shall occur at reasonable times, and shall not include any dwelling. If the inspector desires entry to any dwelling because he or she suspects maintenance problems regarding a colony, hive, comb, or appliance therein, the inspector, upon request, shall obtain a warrant pursuant to the provisions of Section 1822.50 of the Civil Code and comply with the provisions therein. No person shall interfere with the entry of an inspector in the official course of his or her duty. The inspector shall report the result of the inspection to the beekeeper, where feasible, within five days of the inspection.

(b) If the inspector finds American foulbrood disease has infected more than two hives of 99 colonies or less, or 2 percent or more of colonies of 100 or more, he or she shall make a complete inspection of all the hives in the apiary and the owner of the hives in the apiary shall pay the cost of the complete inspection. If the inspector finds American foulbrood disease has infested less than 2 percent of colonies of 100 or more as the result of an inspection made after the disease was brought to the inspector's attention in writing, the commissioner may assess the costs of the inspection on the person who brought the disease to the inspector's attention.

29202. If, in the course of an inspection authorized by Section 29201, the inspector finds or has reason to suspect that there are pests in the apiary, the inspector shall plainly mark the hives or any part thereof which contain evidence of pest infestation. The inspector may place a band with a seal around a diseased hive.

29203. If infestation is found in an apiary, the inspector shall notify the owner or person in charge or possession of the apiary in writing. The notice shall state the nature of the pest infestation found and the manner in which the inspector has marked the hives or any part thereof which contain evidence of the infestation and shall order the abatement of the infestation within a specified time. No person after receiving notice shall refuse or neglect to abate the

infestation within the time specified in the notice or order.

If the inspector, in his or her judgment, believes summary abatement is necessary, the inspector may do so, or require that abatement be performed under his or her direct supervision. The inspector may also issue a hold order against the apiary, giving notice that the apiary is held to the owner or bailee and posting a copy of the hold order in a conspicuous place in the apiary. No person, who has been given notice of a hold order, shall move the apiary or any part of the apiary or any other bee equipment from the location unless authorized by the inspector, until the hold order is released.

29204. Every infested apiary is a public nuisance. The owner or person in charge or possession of any apiary, upon finding an infestation to be present, or upon receiving notice an infestation exists in the apiary, shall abate the infestation without undue delay, pursuant to the requirements of law.

29205. The notice may be served upon the person that has possession or that owns the infested apiary, personally or by certified mail to his or her last known address. If the owner or person in charge or possession of any apiary is not known, the notice shall be served by posting it in a conspicuous place in the apiary.

29206. If the infestation found in an apiary is American foulbrood, the time specified in the notice shall not be less than 24 hours nor more than 48 hours from the time the notice is served, except that the inspector may extend the time limit if necessary to prevent hardship and it can be done without undue danger of spreading the disease.

29207. If American foulbrood is found in an apiary, the abatement shall be by killing the bees in the infested colonies and disposing of the hives and their contents, together with any other infested comb, hives, and associated appliances which are found in the apiary, in one of the following ways:

(a) By delivery to a licensed wax salvage plant pursuant to this chapter.

(b) By burning in a manner as set forth in Section 29208, the contents of the diseased colonies, including the bees, comb, and associated frames, together with any other diseased combs, and associated frames, which are found in the apiary in one of the following ways and disinfecting by scorching the hive bodies, covers, bottom boards, supers, and appliances associated with them:

(1) Burning in a pit and burying the ashes not less than two feet below the surface of the ground.

(2) Burning in an incinerator approved by the director. This section does not prevent federal and state research agencies from securing, transporting, and maintaining infested bees, comb, hives, appliances, or colonies pursuant to Section 29074.

29208. (a) If abatement is by burning, the person abating shall act in accordance with applicable air pollution control district or air quality maintenance district regulations and state and local fire control laws. If the regulations or laws prohibit burning immediately,

the diseased colonies shall be sealed and placed in an enclosed structure and thereafter burned on the first date allowed by the regulation or law. All the activities shall be reported to the inspector prior to burning, who may require that burning occur only under his or her supervision.

(b) The inspector's supervison shall be in addition to, but not in conflict with, the applicable air pollution control district or air quality management district regulations and fire control laws. Burning without the knowledge of the inspector is a violation of this section.

(c) If abatement is by delivery to a licensed wax salvage plant, the person abating shall provide the inspector with information as to the date and location of delivery.

(d) If the inspector determines that abatement by burning is appropriate, the inspector's costs for supervising the burning shall be borne by the beekeeper with the diseased hives.

29209. If the owner or person in charge or possession of an apiary in which an infestation is found to exist cannot be located after diligent search by the inspector, or if notice has been served pursuant to this article and the owner or person in charge or possession of the apiary refuses or neglects to abate the infestation within the time which is specified in the notice, the inspector shall abate the infestation within 72 hours after expiration of the time which is specified in the notice. The cost of abatement shall be paid by the owner of the apiary.

29210. If an abatement notice as required by this article has been served upon the owner or bailee of an apiary, the owner or bailee, before the expiration of the time specified in the notice, may appeal from the inspector's field determination of the infestation named in the notice by sending a written appeal to the director with a specimen of the infested material chosen and sealed for transportation jointly by the owner or bailee and the inspector, which is accompanied by a statement signed by the owner or bailee and the inspector, attesting to the fact that such specimen was obtained from the portion of the apiary described in the abatement notice.

29211. In those instances when the inspector has sealed the infested hive after making a field determination, if a beekeeper appeals the inspector's field determination, the owner or bailee of the apiary and the inspector shall jointly break the seal and take the sample for appeal. If the band is broken in the absence of the inspector, no appeal shall be valid and the infestation shall be abated as described in the abatement notice.

29212. The specimen shall be subjected to a laboratory diagnosis by the director, or at his or her direction. The written determination which sets forth the findings of the diagnosis is final proof of the nature of the infestation which exists in the apiary.

29213. The disease which is named by the director in a written response to the appeal may be abated pursuant to this chapter.

Pending the determination of the director, the time which is specified in the abatement notice shall be extended by the number of hours between the forwarding of the representative specimen and the receipt of the written determination from the director by the inspector, and the service of a copy of the written determination upon the owner or bailee that made the written appeal. If the owner or bailee cannot be found after due diligence, the extended time shall expire when a copy of the director's determination is served by posting it in the apiary.

Article 15. Enforcement and Penalties

29300. The director, and the commissioner of each county under the direction and supervision of the director shall enforce this chapter.

29301. The director may make any regulations that are reasonable and necessary to carry out this chapter.

29302. Unless otherwise stated, it shall be an infraction for any person to fail to comply with any requirement of this chapter, or regulations adopted thereto after a warning notice of seven days is given. However, there shall be no warning notice for infractions involving the following sections:

(a) Subdivisions (b) and (c) of Section 29046.
(b) Subdivisions (b) and (c) of Section 29056.
(c) Section 29072.
(d) Section 29111.
(e) Section 29113.
(f) Section 29120.
(g) Section 29126.
(h) Section 29127.
(i) Section 29145.
(j) Section 29150.
(k) Section 29170.
(*l*) Section 29171.
(m) Section 29172.
(n) Section 29173.
(o) Section 29204.

Violations thereof shall be referred to the district attorney in the affected county, or to the Attorney General if the district attorney is not able to prosecute the matter. For purposes of this chapter, each incident shall constitute a separate infraction. Where violations of provisions governing hives or colonies are involved, each separate hive or colony shall constitute a separate infraction. Notwithstanding any other provision of law, the maximum penalty of each infraction herein shall be one hundred dollars ($100) for the first hive or colony, plus one dollar ($1.00) for each additional hive or colony not in compliance, as applicable to a maximum penalty not to exceed one thousand dollars ($1,000), except that a violation of Section 29070 shall be subject to a maximum fifty dollar ($50) fine. Nothing herein

shall prevent the director or the commissioner from initiating any procedures for issuance of a prior warning notice or notice to correct.

29303. It shall be an infraction for any person to fail to comply with any notice or order which is issued pursuant to this chapter subject to the penalties set forth in Section 29302.

29304. (a) In addition to the penalties outlined in Sections 29302 and 29303 above, any person not complying with any provision of this chapter or regulation adopted thereto, or any notice or order issued pursuant to this chapter or regulation, shall be subject to a civil penalty of not more than five hundred dollars ($500) for each day that the violation continues.

(b) The director or commissioner may also seek injunctive relief against any person operating in violation of this chapter or regulations adopted thereto, or violation of any order or notice issued pursuant to the authority of this chapter or regulation adopted thereto.

(c) Any action for recovery of civil penalties or injunctive relief shall be referred to the Attorney General.

29305. (a) Any penalties recovered under this chapter, whether criminal or civil, shall be paid into a special account maintained by the department, and shall be used for the administration of Section 29302, except that up to 50 percent of the costs incurred by a district attorney in prosecuting a case under Section 29302 shall be reimbursed from whatever penalties are obtained from the prosecution.

(b) In determining the amount of any civil or criminal penalty provided for in this chapter, the court shall consider the seriousness of the conduct, and all relevant circumstances including, but not limited to, the extent of the harm caused by the conduct; the motive and persistence of the conduct; the length of time over which the conduct occurred; the economic impact on the person involved, whether a corporation or an individual; and any corrective action taken by the person.

29306. In addition to any other penalty provided for by law, and by this article, any person who willfully or intentionally violates any provisions of this chapter shall be liable for a civil penalty not to exceed two thousand five hundred dollars ($2,500) for each violation, which shall be recovered in a civil action brought in the name of the people of the State of California by the Attorney General.

29307. Any person who violates any injunctive order issued pursuant to subdivision (b) of Section 29304 shall be subject to a civil penalty, in addition to any other penalty provided for by law, not to exceed six thousand dollars ($6,000). Where the conduct constituting a violation is of a continuing nature, each day of violative conduct shall be a separate and distinct violation.

29308. The director shall appoint a supervisor of apiary inspection and such qualified state apiary inspectors as may be necessary.

29309. Each commissioner is an ex officio state apiary inspector

and may appoint one or more inspectors, qualified pursuant to the regulations of the director, to be county apiary inspectors.

29310. The director may assign one or more qualified state apiary inspectors to perform the duties of a county apiary inspector in any county for such time and rate of compensation as may be determined by agreement with the board of supervisors pursuant to Section 482. The state apiary inspector shall be under the direction and supervision of the commissioner if there is a commissioner in the county to which the inspector is assigned.

29311. The penalties prescribed by this chapter are exclusive and no other civil penalties may be assessed.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because self-financing authority is provided in this act to cover any costs that may be incurred in carrying on any program or performing any service required to be carried on or performed by this act.

CHAPTER 1405

An act to amend Sections 54690, 54691, and 54692 of, to amend the heading of Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of, to add Sections 54695 and 54696 to, and to repeal and add Sections 54693 and 54694 of, the Education Code, relating to education, and making an appropriation therefor.

[Approved by Governor September 29, 1987. Filed with Secretary of State September 29, 1987.]

I am deleting the $535,000 appropriation contained in Section 11 of Senate Bill No. 605

K-12 schools are now receiving over $20 billion from all sources, including $19,750,000 to fund a number of existing programs designed to prevent school dropouts. These funds should be sufficient to provide necessary educational services without placing additional pressure on taxpayer funds for programs that fall beyond the priorities currently provided.

Thus, after reviewing this legislation, I have concluded that its merits do not sufficiently outweigh the need this year for funding top priority programs and continuing a prudent reserve for economic uncertainties

I would, however, consider funding the provisions of this bill during the budget process for Fiscal Year 1988–89. It is appropriate to review the relative merits of this program in comparison to all other funding projects. The budget process enables us to weigh all demands on the state's revenues and direct our resources to programs, either new or existing, that have the most merit

With this deletion, I approve Senate Bill No. 605.

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. The heading of Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of the Education Code is amended to read:

Article 5. Partnership Academies

SEC. 2. Section 54690 of the Education Code is amended to read:

54690. The Legislature hereby finds and declares that the Peninsula Academies Model Program has proven to be an effective school-business partnership program to provide occupational training to educationally disadvantaged high school students who present a high risk of dropping out of school. "Educationally disadvantaged high school students," for the purposes of this article, means students enrolled in high school who are at-risk of dropping out of school as indicated by at least three of the following four criteria:

(a) Past record of irregular attendance.

(b) Past record of underachievement (at least one year behind in the coursework for the student's respective grade level).

(c) Past record of low motivation or a disinterest in the regular school program.

(d) Disadvantaged economically.

The Legislature further finds that the success of the program is directly related both to the participation of private entities which have provided personnel, equipment, and training positions and to the initial development of the program conducted by the Sequoia Union High School District.

The Legislature further finds and declares that although the original Peninsula Academies were established to provide training in the high technology fields of computers and electronics, the model program has been developed successfully in the fields of medicine, finance, and food services, as well as high technology. It is therefore the intent of the Legislature that additional academies, to be known hereafter as Partnership Academies, be established in California.

SEC. 3. Section 54691 of the Education Code is amended to read:

54691. Commencing with the 1987–88 fiscal year, from the funds appropriated for that purpose, the Superintendent of Public Instruction shall issue grants to school districts maintaining high schools which meet the specifications of Section 54692, for purposes of planning, establishing, and maintaining academies, as follows:

(a) For the 1987–88, 1988–89, 1989–90, and 1990–91 fiscal years, the superintendent may issue a maximum of 15 grants per year, for purposes of planning Partnership Academies and developing the curriculum. The Superintendent of Public Instruction, when issuing the grants to school districts, shall ensure that the grants are equitably distributed among high wealth and low wealth school districts in urban, rural, and suburban areas. Each planning grant shall be in the amount of fifteen thousand dollars ($15,000).

(b) For the 1987–88 fiscal year, and each fiscal year thereafter, the superintendent may issue grants for the implementation and maintenance of academies initiated by the Sequoia Union High School District, the Peninsula Academies Model Program, or planned pursuant to subdivision (a). Implementation and

maintenance grants shall be calculated in accordance with the following schedule:

(1) Districts operating academies established under the Peninsula Academies Model Program or the Sequoia Union High School District, may receive seven hundred fifty dollars ($750) per year for each qualified student enrolled in an academy, provided that no more than sixty-seven thousand five hundred dollars ($67,500) may be granted to any one academy for each fiscal year.

(2) Districts operating one or more academies may receive two thousand two hundred fifty dollars ($2,250) for each qualified student enrolled in an academy during the first year of that academy's operation, provided that no more than sixty-seven thousand five hundred dollars ($67,500) may be granted to any one academy for the initial year.

(3) Districts operating one or more academies may receive one thousand five hundred dollars ($1,500) for each qualified student enrolled in an academy during the second year of that academy's operation, provided that no more than ninety thousand dollars ($90,000) may be granted to any one academy for the second year.

(4) Districts operating one or more academies may receive seven hundred fifty dollars ($750) per year for each qualified student enrolled in an academy during the third year and for each year of operation thereafter, provided that no more than sixty-seven thousand five hundred dollars ($67,500) may be granted to any one academy for each fiscal year.

(c) For purposes of this article, a qualified student is a student who is enrolled in an academy for the 10th, 11th, or 12th grade, successfully completes a school year in the academy with an attendance record of no less than 80 percent positive attendance, and obtains 90 percent of the credits each academic year in courses that are required for graduation.

(d) At the end of each school year, school districts that have been approved to operate academies pursuant to this article shall certify the following information to the Superintendent of Public Instruction:

(1) The number of qualified students enrolled during the just completed school year, by grade level, for each academy operated by the district.

(2) The operation of each academy in accordance with this article, including Sections 54692 and 54694.

(3) The amount of matching funds and the dollar value of in-kind support made available to each academy in accordance with subdivisions (a) and (b) of Section 54692.

(e) The superintendent shall adjust each school district's grant in accordance with the certification made to him or her pursuant to subdivision (d) or in accordance with any discrepancies to the certification that may be revealed by audit. Notwithstanding the provisions of this section, the superintendent may advance the funding as he or she deems appropriate to districts that are approved

to operate, or plan to operate Partnership Academies.

(f) Funds granted to school districts pursuant to this article may be expended without regard to fiscal year.

SEC. 4. Section 54692 of the Education Code is amended to read:

54692. In order to be eligible to receive funding pursuant to this article, a district shall provide all of the following:

(a) An amount equal to a 100 percent match of all funds received pursuant to this article, in the form of direct and in-kind support provided by the district.

(b) An amount equal to a 100 percent match of all funds received pursuant to this article, in the form of direct and in-kind support provided by participating companies or other private sector organizations.

(c) An assurance that each Partnership Academy will be established as a "school within a school" in the same manner as the Peninsula Academies Model Programs.

(d) Assurance that each academy student will be provided with:

(1) Instruction in at least three academic subjects each regular school term that prepares the student for a regular high school diploma. When possible, these subjects should relate to the occupational field of the academy.

(2) A "laboratory class" related to the academy's occupational field.

(3) A class schedule which limits the attendance to the classes required in paragraphs (1) and (2) to pupils of the academy.

(4) A mentor from the business community during the pupil's 11th grade year.

(5) A job related to the academy's occupational field or work experience to improve employment skills, during the summer following the 11th grade. A student that must attend summer school for purposes of completing graduation requirements is exempt from this paragraph.

(6) Additional motivational activities with private sector involvement to encourage academic and occupational preparation.

SEC. 5. Section 54693 of the Education Code is repealed.

SEC. 6. Section 54693 is added to the Education Code, to read:

54693. The Superintendent of Public Instruction shall establish eligibility criteria for school districts that apply for grants pursuant to this article. When establishing criteria, the superintendent shall consider the commitment and need of the applicant district. The superintendent may consider district indicators of need such as the number or percent of pupils in poverty or with limited-English proficiency, and the dropout rate.

No school district with less than three high schools may establish more than one academy until it has operated the existing academy successfully for two years. No school district with more than two high schools may establish more than two academies until it has operated the existing academy or academies successfully for two years. The years in which districts receive planning grants pursuant to

subdivision (a) of Section 54691, shall not be considered years of operation for purposes of this article.

SEC. 7. Section 54694 of the Education Code is repealed.

SEC. 8. Section 54694 is added to the Education Code, to read:

54694. The Superintendent of Public Instruction shall develop guidelines with respect to the Partnership Academies. The guidelines shall include, but not be limited to, enrollment provisions, application procedures, and student eligibility.

SEC. 9. Section 54695 is added to the Education Code, to read:

54965. (a) The ninth grade teachers and counselors in schools maintained by school districts approved to operate academies pursuant to this article shall identify students eligible to participate in a Partnership Academy.

(b) Teachers and counselors in schools maintained by school districts approved to operate academies pursuant to this article, business representatives, and academy students of academies that are operating in the area shall be encouraged to make presentations to prospective students and their parents.

(c) The staff of each Partnership Academy shall select students from among those who have expressed an interest in the academy and whose parents or guardians have approved the student's participation.

SEC. 10. Section 54696 is added to the Education Code, to read:

54696. The Superintendent of Public Instruction shall contract for a three-year independent review of the effectiveness of the Partnership Academies, and shall report the results of the review to the Legislature by January 1, 1991.

The independent review shall include, but not be limited to, the following:

(a) An analysis of the extent and degree of success of business and industry involvement, including in-kind contributions, mentor services, summer jobs, and assistance in job placement.

(b) The number of pupils entering advanced training programs, obtaining employment, and enrolling in postsecondary institutions.

(c) Attendance rates.

(d) The number of pupils completing their high school education and graduating.

SEC. 11. (a) There is hereby appropriated from the General Fund to the State Department of Education the sum of five hundred thirty-five thousand dollars ($535,000) or the 1987–88 fiscal year for allocation in accordance with the following schedule:

(1) In augmentation to Budget Item 6100-166-001 of the 1987 Budget Act, for funding the two school districts which received 1986–87 planning grants	$135,000
(2) In augmentation of Budget Item 6100-166-001 of the Budget Act, for funding the existing 10 academies pursuant to Section 54691 of the Education Code	75,000
(3) For the planning grants to 15 academies pursuant to Section 54691 of the Education Code	225,000
(4) For the independent evaluation pursuant to Section 54695 of the Education Code	50,000
(5) For the State Department of Education administrative costs for the purposes of Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of the Education Code	50,000

(b) It is the intent of the Legislature that funding in future fiscal years for the Partnership Academies program, established in Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of the Education Code, be provided in the annual Budget Act. It is further the intent of the Legislature that the Superintendent of Public Instruction shall include a line item for Partnership Academies in the superintendent's annual budget report to the Governor and the Legislature.

CHAPTER 1406

An act amending and supplementing the Budget Act of 1987 by adding Items 0690-101-036, 2660-001-036, 3540-102-036, 3600-101-036, 3760-301-036, 3790-108-036, and 3860-102-036 to Section 2.00 thereof, relating to fiscal affairs, and making an appropriation therefor.

[Became law without Governor's signature Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. The Legislature hereby finds and declares as follows:

(a) The California Academy of Sciences has served the scientific, educational, and recreational needs of the citizens of California since its founding in 1852 and has established an internationally respected staff of scientists, valuable research collections and facilities, diverse educational programs, and popular scientific exhibits.

(b) The rapid advance of science, the growth and increased diversity of California's population, and the aging and depreciation

of the academy's physical plant all dictate that the academy now make major capital improvements to maintain its 134-year tradition of excellent service to the people of California or risk a decline to mediocrity and inadequacy.

(c) California acknowledges the importance of science education and the extensive contribution of the California Academy of Sciences in providing scientific education programs, collections base, scientific staff, library resources, and science research to the citizens of this state and in freely supporting agencies such as the California Department of Food and Agriculture with annual identifications of hundreds of plants and insects.

(d) The California Academy of Sciences clearly augments and supports science education of both the private and public school systems by providing science education programs and services annually to approximately 500,000 California children and to 625 California teachers as well.

(e) The California Academy of Sciences provides continuing science and natural history education through informal education and formal adult education programs.

(f) The California Academy of Sciences is used by faculty and students of the University of California, state university, college systems, and private institutions for teaching, training, and research purposes in all areas of natural sciences and anthropology.

(g) Since its founding, the California Academy of Sciences has increasingly acted as a free primary resource for agencies and departments by providing assistance on a range of natural science problems by making available staff scientists and use of its collections, libraries, and facilities.

(h) The California Academy of Sciences' national and international prominence as a major natural history museum is a direct asset to the state's leading role in science and high technology industries, environmental research, public policy development, and protection of rare and endangered plants, habitats, and species.

SEC. 2. Notwithstanding any other provision of law, the sum of one million seven hundred fifty thousand dollars ($1,750,000) received by the state pursuant to Chapter 138 of the Statutes of the 1964 First Extraordinary Session is hereby appropriated to the Controller for allocation to the California Academy of Sciences for capital improvements, including the construction of new, and the restoration of existing, scientific exhibits and educational facilities. The California Academy of Sciences shall provide a matching sum for these purposes obtained through gifts and donations of nonstate dollars.

SEC. 3. Item 0690-101-036 is added to Section 2.00 of the Budget Act of 1987, to read:

0690-101-036—For local assistance, Office of Emergency Services, payable from the Special Account for Capital Outlay 100,000
Provisions:
1. Funds appropriated in this item are for a grant to Stanislaus County for the purpose of upgrading the 911 Service Dispatch Center.

SEC. 4. Item 2660-001-036 is added to Section 2.00 of the Budget Act of 1987, to read:

2660-001-036—For support of the Department of Transportation, payable from the Special Account for Capital Outlay 250,000
Provisions:
1. Funds appropriated in this item are for the purposes of the Feederbus Demonstration Program relating to Caltrain.

SEC. 5. Item 3540-102-036 is added to Section 2.00 of the Budget Act of 1987, to read:

3540-102-036—For local assistance, Department of Forestry, payable from the Special Account for Capital Outlay 20,000
Schedule:
(1) Lassen County, Fire Training Center 20,000

SEC. 6. Item 3600-101-036 is added to Section 2.00 of the Budget Act of 1987, to read:

3600-101-036—For local assistance, Department of Fish and Game, payable from the Special Account for Capital Outlay 75,000
Provisions:
1. Funds appropriated in this item are for the purposes of a grant to the Central Coast Salmon Enhancement Project.

SEC. 7. Item 3760-301-036 is added to Section 2.00 of the Budget Act of 1987, to read:

3760-301-036—For local assistance, State Coastal Conservancy, payable from the Special Account for Capital Outlay 600,000
Provisions:

1. Funds appropriated in this item are for the Manhattan Beach Pier Project.

SEC. 8. Item 3790-103-036 is added to Section 2.00 of the Budget Act of 1987, to read:

3790-103-036—For local assistance, Department of Parks and Recreation, payable from the Special Account for Capital Outlay 3,010,000
Schedule:

(1) Santa Clara County, Los Gatos Creek Trail	250,000
(2) East Bay Regional Park District, Wool Ranch Property Acquisition	360,000
(3) City of Bellflower, Thompson Pool Reconstruction	150,000
(4) City of Cudahy, Community Pool Project	50,000
(5) City of Fresno, Old Administration Restoration Project, Fresno City College	1,000,000
(6) City of Chula Vista Park and Recreation District, Norman Park Senior Center	200,000
(7) City of Los Angeles Housing Authority, Ramona Gardens Housing Project, recreation equipment and repairs	85,000
(8) City of Atwater, Community Service Center	50,000
(9) City of Desert Hot Springs, Baseball park lighting	15,000
(10) City of Oakland, Aquatic Biology Hall Project, Oakland Museum	250,000
(11) City of Norwalk, Norwalk Park Refurbishment	100,000
(12) County of Los Angeles, Highland-Camrose Bungalows	500,000

SEC. 9. Item 3860-102-036 is added to Section 2.00 of the Budget Act of 1987, to read:

3860-102-036—For local assistance, Department of Water Resources, payable from the Special Account for Capital Outlay 50,000
Provisions:

1. Funds appropriated in this item are for the purposes of relocating the Hillmar Water District pumping station.

SEC. 10. It is the intent of the Legislature that the appropriations identified in Section 5 of this act and in schedules (1) through (4) inclusive, of Section 8 of this act shall be in augmentation of, and supplementary to, appropriations contained in SB 1508 of the 1987–88 Regular Session.

CHAPTER 1407

An act to add Section 1182.10 to the Labor Code, relating to horseracing.

[Became law without Governor's signature Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 1182.10 is added to the Labor Code, to read:

1182.10. (a) Notwithstanding any other provision of this chapter, or any order of the Industrial Welfare Commission, the employment of stable employees engaged in the raising, feeding, and management of racehorses by a trainer shall be subject to the same standards governing wages, hours, and conditions of labor as those established by the commission for employees in agricultural occupations engaged in the raising, feeding, and management of other livestock, except as set forth in subdivision (b).

(b) Notwithstanding the provisions of any order of the commission permitting employees employed in agricultural occupations to work 10 hours on each of six workdays in a seven-day workweek without the payment of overtime compensation, stable employees shall not be employed more than 10 hours in any workday, nor more than 56 hours during seven days in any workweek. However, stable employees may be employed in excess of 10 hours in any workday, and in excess of 56 hours during seven days in one workweek, if these employees are compensated at a rate of not less than one and one-half times the employees' regular rate of pay for all hours worked in excess of 10 hours in any workday, or 56 hours in any workweek.

(c) For purposes of this section:

(1) "Stable employees" includes, but is not limited to, grooms, hotwalkers, exercise workers, and any other employees engaged in the raising, feeding, or management of racehorses, employed by a trainer at a racetrack or other nonfarm training facility.

(2) "Trainer" has the same definition as in Section 24001 of the Food and Agricultural Code.

(3) "Workday" and "workweek" have the same definition as in the order of the commission applicable to employees employed in agricultural occupations.

(4) "Regular rate of pay" includes all wages paid by the trainer to

the stable employee for a workweek of not more than 56 hours, but excludes those amounts excluded from regular pay by Section 7(e) of the Fair Labor Standards Act (29 U.S.C. Sec. 207(e)), and excludes the payment of the stable employee's share, if any, of the purse of a race, whether that share is paid by the owner of the racehorse or by the trainer.

CHAPTER 1408

An act to amend Sections 5038.2, 5091.10, 5091.15, 5091.20, and 5091.25 of the Public Resources Code, and to amend and supplement the Budget Act of 1985 by amending Item 3810-303-036 of Section 2 thereof, and to amend and supplement the Budget Act of 1987 by adding Items 0840-101-036, 1760-302-036, 2660-301-036, 3540-101-036, 3790-102-036, 3790-302-036, 3790-302-722, 3790-302-728, 3810-302-036, and 8570-101-036 to Section 2.00 thereof, relating to fiscal affairs, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

I am deleting the following appropriations contained in Section 11 of Senate Bill 1508:

SEC. 11. Item 3790-102-036

Schedule:

(7) California Academy of Sciences	$1,500,000
(31) City of Los Angeles, Highland-Camrose Bungalows.....	$500,000

The deleted projects are included in AB 1675 which I have just approved. With this deletion, I approve SB 1508.

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. Section 5038.2 of the Public Resources Code is amended to read:

5038.2. (a) Notwithstanding any other provision of this chapter or any other provision of law, the length of the term of any concession contract or approval within the El Pueblo de Los Angeles State Historic Park in effect on the effective date of this section shall, at the request of the concessionaire, be extended by the department or its designee until January 1, 1989. Any contract extended pursuant to this subdivision shall be renegotiated, if necessary, to ensure that the rental rates in the contract on January 1, 1988, accurately reflect current commercial rental market rates.

(b) The Director of Parks and Recreation shall prepare a progress report on the status of the negotiations with the City of Los Angeles to arrange for a long-term administration of the El Pueblo de Los

Angeles State Historic Park by either the City of Los Angeles or the state, and the administration of a concession operation therein by a master concessionaire, and shall submit the report to the Legislature on or before July 1, 1988.

(c) Notwithstanding any provision of this chapter or any provision of law except subdivisions (b), (c), and (d) of Section 5080.20, if applicable, any concession contract or approval extended or renegotiated pursuant to subdivision (a) or (b) may be superseded by the agreement to implement the procedure specified in Section 5038.1, when that agreement is executed and approved by the state.

SEC. 2. Section 5091.10 of the Public Resources Code is amended to read:

5091.10. (a) The State Park and Recreation Commission shall hold at least two public hearings, one in the northern portion of the state and one in the southern portion of the state, to seek proposals from individuals, winter recreation user groups, the department, and other public agencies for parking areas to be designated under this chapter. The director may appoint a committee of winter recreationists to advise him or her on the location of designated parking areas.

(b) The department shall, after consultation with the State Park and Recreation Commission, the Department of Transportation, the Department of the California Highway Patrol, the appropriate boards of supervisors, and any local public or private persons owning lands adjacent to each site, designate winter recreation parking locations throughout the state and include the sites as an element of the California outdoor recreation plan. The location and design of any proposed site adjacent to, or directly impacting on, a state highway shall be reviewed and approved by the Department of Transportation. The location and design of any proposed site adjacent to, or directly impacting on, a county road shall be reviewed and approved by the appropriate board of supervisors.

(c) Using funds appropriated from the Winter Recreation Fund and allocated pursuant to paragraph (1) of subdivision (b) of Section 5091.25, the Department of Transportation shall provide for the removal of snow accumulating on designated parking areas according to priorities established by the Department of Transportation in consultation with the department. The removal of snow from the roadway of state highways shall always take precedence over the removal of snow from designated parking areas.

(d) Using funds appropriated from the Winter Recreation Fund and allocated pursuant to paragraph (3) of subdivision (b) of Section 5091.25, the department may make grants to counties for the removal of snow accumulating on designated parking areas. The department may contract directly for snow removal, provision of sanitary facilities, and other services. In no event shall the removal of snow on designated parking areas become a county responsibility, except by agreement with the appropriate board of supervisors.

SEC. 3. Section 5091.15 of the Public Resources Code is amended

to read:

5091.15. (a) Except as provided in this section, no person shall, from November 1 of any year to May 30 of the next year or for a shorter time as determined by the department, park a vehicle in a designated parking area unless the vehicle displays a parking permit issued by the department. Overnight camping in a vehicle parked in a designated parking area may be authorized by the department when it determines that the use is for a recreational activity, is safe and prudent, and is of limited duration.

(b) No parking permit shall be required under this section for a vehicle owned and operated by the United States, another state or political subdivision thereof, or by this state or by a city, county, district, or political subdivision thereof.

(c) The fee for the issuance of a parking permit under this chapter shall be determined by the department. The department shall hold at least one public hearing and notify the Legislature at least 30 days prior to any proposal to change the fees. The amounts of the fees shall be limited as follows:

(1) Not more than five dollars ($5) for a permit that is valid for a period of one day.

(2) Not more than twenty-five dollars ($25) for a permit that is valid for a period of one year, beginning each November 1.

(d) A person who violates this section is guilty of an infraction punishable by a fine of seventy-five dollars ($75). Unless the peace officer issuing the citation witnesses the parking of the vehicle, a rebuttable presumption exists that a vehicle parked in violation of this section was parked by the registered owner of the vehicle. If the parking of the vehicle is witnessed by the peace officer, the operator of the vehicle is in violation of this section.

(e) The department may negotiate reciprocity agreements with other states having similar programs if the agreements are in the best interests of the California SNO-PARK program.

SEC. 4. Section 5091.20 of the Public Resources Code is amended to read:

5091.20. (a) The department shall print the permits required by this chapter and shall supervise the sale of the permits throughout the state.

(b) The department shall either distribute and sell the permits directly or contract with vendors according to rules and regulations adopted by the department. The authorized vendors shall be bonded in accordance with the rules and regulations and shall receive a stipulated commission for each permit sold.

SEC. 5. Section 5091.25 of the Public Resources Code is amended to read:

5091.25. (a) Proceeds from the sale of SNO-PARK parking permits shall be paid to the State Treasury to the credit of the Winter Recreation Fund, which is hereby created.

(b) The moneys in the Winter Recreation Fund shall be allocated, when appropriated, as follows:

(1) An amount equal to the actual and necessary costs incurred in the removal of snow from designated parking areas shall be paid to the Department of Transportation.

(2) An amount not to exceed 5 percent of total funds available shall be expended for administrative costs directly incurred through the implementation of this chapter.

(3) The balance of the funds shall be expended for the acquisition, lease, development, and maintenance of additional designated parking areas, for sanitation facilities, trail-head markings, and other facilities designed to promote the safety and well-being of persons engaged in winter recreation, and for grants to counties for the actual and necessary costs incurred in the removal of snow from designated parking areas.

SEC. 6. Item 3810-303-036 of Section 2 of the Budget Act of 1985, as added by Section 2 of Chapter 1300 of the Statutes of 1985, is amended to read:

3810-303-036—For capital outlay and local assistance, Santa Monica Mountains Conservancy, payable from the Special Account for Capital Outlay 3,000,000

Schedule:

(1) Project planning and design	25,000
(2) Open space, recreation areas, and improvements in Cabrini/Craig Canyon, Burbank, Rim of the Valley Trail Corridor	2,500,000
(3) Trail corridor access, improvments, and open space, Elmwood/Wildwood Canyons, Burbank, Rim of the Valley Trail Corridor	475,000

Provisions:

1. Notwithstanding any other provision of law, the amount in category (2) may be used to secure an option on those properties.
2. Funds appropriated in this item may be encumbered for individual acquisitions, but no funds shall be encumbered or granted by the conservancy for an individual acquisition unless and until the City of Burbank has encumbered, from nonstate sources, an amount at least equal to the amount encumbered or granted by the conservancy for that acquisition.
3. Prior to the encumbrance of funds appropriated by this item, the Executive Director of the conservancy shall certify to the Controller the approval of the fair market value appraisal for any property to be acquired.
4. Any funds remaining from category (2), up to a total of $525,000, may be used or granted for Rim

of the Valley Trail related improvements within the City of Burbank. Any additional remaining funds, up to a total of $1,400,000 may be used or granted for open space, trail access, and improvements in the Rim of the Valley Trail Corridor, if at least $1,000,000 of which is granted, on an equal matching basis, to the City of Simi Valley or the Rancho Simi Recreation and Park District, or both, for the Hopetown Project within the Rim of the Valley Trail Corridor.

SEC. 7. Item 0840-101-036 is added to Section 2.00 of the Budget Act of 1987, to read:

0840-101-036—For local assistance, State Controller, payable from the Special Account for Capital Outlay 600,000

Provisions:

1. Funds appropriated in this item are for allocation to Los Angeles County for preliminary plans and working drawings to construct a child-sensitive and youth-oriented dependency court facility to be located in Monterey Park.

SEC. 8. Item 1760-302-036 is added to Section 2.00 of the Budget Act of 1987, to read:

1760-302-036—Capitol outlay, Department of General Services, payable from the Special Account for Capital Outlay 250,000

Schedule:

(a) Restoration of the Jesse M. Unruh Memorial Hearing Room (Room 4202, State Capitol Annex) 250,000

SEC. 9. Item 2660-301-036 is added to Section 2.00 of the Budget Act of 1987, to read:

2660-301-036—For capital outlay, Department of Transportation, payable from the Special Account for Capital Outlay 400,000

Schedule:

(1) Lyons Avenue and Interstate Highway 5 Interchange..... 400,000

SEC. 10. Item 3540-101-036 is added to Section 2.00 of the Budget Act of 1987, to read:

3540-101-036—For local assistance, Department of Forestry, payable from the Special Account for Capital Outlay 30,000
Schedule:
(1) Lassen County, Fire Training Center 30,000

SEC. 11. Item 3790-102-036 is added to Section 2 of the Budget Act of 1987, to read:

3790-102-036—For local assistance, Department of Parks and Recreation, payable from the Special Account for Capital Outlay 16,078,092
Schedule:
(1) City of Los Angeles—Los Angeles City Hall 300,000
(3) City of Los Angeles—Eagle Rock Library 238,000
(4) San Bernardino County, to correct an underallocation of the Community Parklands Bond Act of 1986 100,092
Schedule:
(a) Barstow Recreation and Park District 29,798
(b) Big Bear Valley Rec. & Park District 4,210
(c) Yucca Valley Rec. & Park District .. 29,542
(d) Hesperia Recreation and Park District 36,542
(5) Santa Clara County—Los Gatos Creek Trail 750,000
(6) Raisin City Recreation and Park District 20,000
(7) California Academy of Sciences.... 1,500,000
(8) City and County of San Francisco, South Beach Park 250,000

Schedule:
(1) Rice Straw Disposal Research 500,000

SEC. 17. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that urgently needed changes to the California SNO-PARK program may go into effect and be implemented prior to the upcoming ski season, that a report on the El Pueblo de Los Angeles State Historic Park may be commenced immediately, and that local assistance may be provided to various local entities at the earliest opportunity, it is necessary that this act take effect immediately.

CHAPTER 1409

An act to amend Section 1505 of the Health and Safety Code, and to amend Section 1370 of the Penal Code, relating to care facilities.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 1505 of the Health and Safety Code is amended to read:

1505. This chapter does not apply to any of the following:

(a) Any health facility, as defined by Section 1250.

(b) Any clinic, as defined by Section 1202.

(c) Any juvenile placement facility approved by the California Youth Authority or any juvenile hall operated by a county.

(d) Any place in which a juvenile is judicially placed pursuant to subdivision (a) of Section 727 of the Welfare and Institutions Code.

(e) Any child day care facility, as defined in Section 1596.750.

(f) Any facility conducted by and for the adherents of any well-recognized church or religious denomination for the purpose of providing facilities for the care or treatment of the sick who depend upon prayer or spiritual means for healing in the practice of the religion of the church or denomination.

(g) Any school dormitory or similar facility determined by the department.

(h) Any house, institution, hotel, homeless shelter, or other similar place that supplies board and room only, or room only, or board only, provided that no resident thereof requires any element of care as determined by the director.

(i) Recovery houses or other similar facilities providing group living arrangements for persons recovering from alcoholism or drug addiction where the facility provides no care or supervision.

(j) Any alcoholism recovery facility as defined by Section 11834.11.

(k) Any arrangement for the receiving and care of persons by a relative or any arrangement for the receiving and care of persons from only one family by a close friend of the parent, guardian, or conservator, if the arrangement is not for financial profit and occurs only occasionally and irregularly, as defined by regulations of the state department.

(*l*) Any similar facility determined by the director.

SEC. 2. Section 1370 of the Penal Code is amended to read:

1370. (a) (1) If the defendant is found mentally competent, the criminal process shall resume, the trial on the offense charged shall proceed, and judgment may be pronounced. If the defendant is found mentally incompetent, the trial or judgment shall be suspended until the person becomes mentally competent, and the

court shall order that (i) in the meantime, the defendant be delivered by the sheriff to a state hospital for the care and treatment of the mentally disordered or to any other available public or private treatment facility approved by the community program director which will promote the defendant's speedy restoration to mental competence, or placed on outpatient status as specified in Section 1600 and (ii) upon the filing of a certificate of restoration to competence, the defendant be returned to court in accordance with the provisions of Section 1372. The court shall transmit a copy of its order to the community program director or a designee.

(2) Prior to making such order directing that the defendant be confined in a state hospital or other treatment facility or placed on outpatient status, the court shall order the community program director or a designee to evaluate the defendant and to submit to the court within 15 judicial days of such order a written recommendation as to whether the defendant should be required to undergo outpatient treatment, or committed to a state hospital or to any other treatment facility. No person shall be admitted to a state hospital or other treatment facility or placed on outpatient status under this section without having been evaluated by the community program director or a designee.

(3) When directing that the defendant be confined in a state hospital pursuant to this subdivision, the court shall select the hospital in accordance with the policies established by the State Department of Mental Health.

(4) If the defendant is committed or transferred to a state hospital pursuant to this section, the court may, upon receiving the written recommendation of the medical director of the state hospital and the community program director that the defendant be transferred to a public or private treatment facility approved by the community program director, order the defendant transferred to such facility. If the defendant is committed or transferred to a public or private treatment facility approved by the community program director, the court may, upon receiving the written recommendation of the community program director, transfer the defendant to a state hospital or to another public or private treatment facility approved by the community program director. In the event of dismissal of the criminal charges before the defendant recovers competence, the person shall be subject to the applicable provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code). Where either the defendant or the prosecutor chooses to contest either kind of order of transfer, a petition may be filed in the court for a hearing, which shall be held if the court determines that sufficient grounds exist. At such hearing, the prosecuting attorney or the defendant may present evidence bearing on the order of transfer. The court shall use the same standards as used in conducting probation revocation hearings pursuant to Section 1203.2.

Prior to making an order for transfer under this section, the court

shall notify the defendant, the attorney of record for the defendant, the prosecuting attorney, and the community program director or a designee.

(b) (1) Within 90 days of a commitment made pursuant to subdivision (a), the medical director of the state hospital or other treatment facility to which the defendant is confined shall make a written report to the court and the community program director for the county or region of commitment or a designee concerning the defendant's progress toward recovery of mental competence. Where the defendant is on outpatient status, the outpatient treatment staff shall make a written report to the community program director concerning the defendant's progress toward recovery of mental competence. Within 90 days of placement on outpatient status, the community program director shall report to the court on this matter. If the defendant has not recovered mental competence, but the report discloses a substantial likelihood the defendant will regain mental competence in the foreseeable future, the defendant shall remain in the state hospital or other treatment facility or on outpatient status. Thereafter, at six-month intervals or until the defendant becomes mentally competent, where the defendant is confined in a treatment facility, the medical director of the hospital or person in charge of the facility shall report in writing to the court and the community program director or a designee regarding the defendant's progress toward recovery of mental competence. Where the defendant is on outpatient status, after the initial 90-day report, the outpatient treatment staff shall report to the community program director on the defendant's progress toward recovery and the community program director shall report to the court on this matter at six-month intervals. A copy of these reports shall be provided to the prosecutor and defense counsel by the court. If the report indicates that there is no substantial likelihood that the defendant will regain mental competence in the foreseeable future, the committing court shall order the defendant to be returned to the court for proceedings pursuant to paragraph (2) of subdivision (c). The court shall transmit a copy of its order to the community program director or a designee.

(2) Any defendant who has been committed or has been on outpatient status for 18 months and is still hospitalized or on outpatient status shall be returned to the committing court where a hearing shall be held pursuant to the procedures set forth in Section 1369. The court shall transmit a copy of its order to the community program director or a designee.

(3) If it is determined by the court that no treatment for the defendant's mental impairment is being conducted, the defendant shall be returned to the committing court. The court shall transmit a copy of its order to the community program director or a designee.

(c) (1) If, at the end of three years from the date of commitment or a period of commitment equal to the maximum term of imprisonment provided by law for the most serious offense charged

in the information, indictment, or misdemeanor complaint, whichever is shorter, the defendant has not recovered mental competence, the defendant shall be returned to the committing court. The court shall notify the community program director or a designee of such return and of any resulting court orders.

(2) Whenever any defendant is returned to the court pursuant to paragraph (1) or (2) of subdivision (b) or paragraph (1) of subdivision (c) of this section and it appears to the court that the defendant is gravely disabled as defined in paragraph (2) of subdivision (h) of Section 5008 of the Welfare and Institutions Code, the court shall order the conservatorship investigator of the county of commitment of the defendant to initiate conservatorship proceedings for such defendant pursuant to Chapter 3 (commencing with Section 5350) of Part 1 of Division 5 of the Welfare and Institutions Code. Any hearings required in the conservatorship proceedings shall be held in the superior court in the county which ordered the commitment. The court shall transmit a copy of the order directing initiation of conservatorship proceedings to the community program director or a designee and shall notify the community program director or a designee of the outcome of such proceedings.

(d) The criminal action remains subject to dismissal pursuant to Section 1385. If the criminal action is dismissed, the court shall transmit a copy of the order of dismissal to the community program director or a designee.

(e) If the criminal charge against the defendant is dismissed, the defendant shall be released from any commitment ordered under this section, but without prejudice to the initiation of any proceedings which may be appropriate under the Lanterman-Petris-Short Act, Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code.

(f) As used in this chapter, "community program director" means the person, agency, or entity designated by the State Department of Mental Health pursuant to Section 1605 of this code and Section 5709.8 of the Welfare and Institutions Code.

CHAPTER 1410

An act to add Section 25.5 to the Storm Water District Act of 1909 (Chapter 222 of the Statutes of 1909), relating to water facilities, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds that flood control planning is presently under way in Kern County for the development of a flood control project for Caliente Creek. The United States Army Corps of Engineers, the Kern County Water Agency, Kern Delta Water District, Arvin-Edison Water Storage District, and the Lamont Storm Water District of Kern County, among other entities, are active participants in that planning. The participation of the Lamont Storm Water District of Kern County, which is essential to the successful completion of the project, has been rendered impossible by reason of the district's inability, under the law as stated by the court in American River Flood Control District v. Sayre, 136 Cal. App. 3d 342, to secure funds by application of the existing district assessment procedures. This section provides the necessary authority for the district to adopt an alternative method of valuation which would comply with the dictates of the court.

(b) The district's problem is not common to other storm water districts. The Legislature therefore finds and declares that a special law is necessary with respect to the Lamont Storm Water District of Kern County, that Section 2 of this act is needed to meet the special circumstances that exist within the district, and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the Constitution.

SEC. 2. Section 25.5 is added to the Storm Water District Act of 1909 (Chapter 222 of the Statutes of 1909), to read:

Sec. 25.5. (a) This section applies only to the Lamont Storm Water District of Kern County (hereafter referred to as the district). This section shall become operative only if the Board of Supervisors of Kern County and the board of trustees of the district adopt a resolution accepting the provisions of this section.

(b) (1) The Board of Supervisors of Kern County, at the request of the board of trustees of the district, shall assess the property within the district, apportioned on the basis of a schedule of benefit valuation adopted pursuant to subdivisions (c), (d), (e), and (f) for the purpose of raising the sum estimated by the board of trustees to be necessary for the operations of the district.

(2) This section supersedes the property valuation procedures specified in Section 25. However, except with respect to valuation, Section 25 remains applicable to the district.

(c) Annually, on or before the first day of February and prior to its adoption of a valuation based upon benefits under this section, the board of trustees shall appoint three commissioners, one of whom shall be a civil engineer, to recommend adoption of a schedule of valuations of each parcel of property within the district otherwise

subject to assessment. The valuations shall reflect the commissioners' determination of the benefit to the parcel bestowed upon it by the operations of the district. Before entering upon the discharge of their duties, the commissioners shall each take and subscribe an oath to perform their duties to the best of their ability. The commissioners shall, within 60 days following the date of their appointment, proceed to view the lands within the district and determine the proportional benefits. The commissioners shall receive compensation for their services in such amount as the board of trustees may determine. The compensation of the commissioners shall be considered as an ordinary expense of the district.

(d) Prior to their adoption of a valuation based upon benefits under this section, the board of trustees shall hold a public hearing at which owners of property or residents of the district may appear and be heard. Notice of the hearing shall be given by the clerk by posting at the district office at least 15 days prior to the hearing, stating the purpose, time, and place of hearing, together with publication in a newspaper of general circulation in Kern County at least three times, not sooner than three days between publications, and the last publication to be at least 10 days, but not more than 20 days, before the hearing. Notice shall also be given by mail to each landowner as shown on the records of the assessor and shall be mailed at least 20 days prior to the hearing.

(e) At the hearing, evidence shall be introduced by the commissioners and may be introduced by landowners or residents within the district as to the valuation schedules to be adopted by the board of trustees.

(f) At the conclusion of the hearing, or, as it may be continued from time to time, the board of trustees shall adopt a schedule of valuations on a parcel, class of improvement to property, use of property basis, or any combination thereof, within the boundaries of the district which shall reflect the benefit bestowed by the operations of the district upon the property assessed.

SEC. 3. Pursuant to Section 13466 of the Water Code, the Department of Water Resources may make loans from the Water Conservation and Groundwater Recharge Account in the 1986 Water Conservation and Water Quality Bond Fund, in accordance with the Water Conservation and Water Quality Bond Law of 1986, (Chapter 6.1 (commencing with Section 13450) of Division 7 of the Water Code), and regulations adopted pursuant to that law, to the following local public agencies for purposes of financing proposed groundwater recharge facilities and feasibility studies therefor:

Agency	Project
Alta Irrigation District	Smith Mountain Project
Antelope Valley-East Kern Water Agency	Rosamond/Lancaster In-Lieu Groundwater Recharge Project
Antelope Valley-East Kern Water Agency	Quartz Hill/Lancaster In-Lieu Groundwater Recharge Project
Big Bear City Community Services District	Van Dusen Recharge Project
Cambria Community Services District	San Simeon Creek Diversion and Storage Project
Cawelo Water District	Famoso In-Lieu Groundwater Recharge Project
Central San Joaquin Water District	New Melones In-Lieu Groundwater Recharge Project
City of Morro Bay	Coastal Diversion and Storage In-Lieu Groundwater Recharge Project
City of Reedley Water System	Acquisition and Development of Groundwater Recharge Basin "A"

County of Ventura Public Works	Hill Canyon Waste Water Reclamation Project
Cutler-Orosi Joint Powers Waste-water Agency	Waste Water Reclamation Project

SEC. 5. Loans from the 1986 Water Conservation and Water Quality Bond Fund authorized in Sections 3 and 4 of this act shall be made only from moneys appropriated from that fund by Item 3860-101-744 of the Budget Act of 1987 or by other act of the

Legislature.

SEC. 6. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order for the Water Conservation and Water Quality Bond Law of 1986 to be implemented as soon as possible so that vitally needed water conservation projects and groundwater recharge facilities may be placed into service at the earliest possible time, and to ensure that needed flood control facilities can be completed on the Caliente Creek in Kern County as soon as possible, it is necessary that this act take effect immediately.

CHAPTER 1411

An act to amend Section 20021 of, and to add Section 20019.37 to, the Government Code, relating to the Public Employees' Retirement System.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 20019.37 is added to the Government Code, to read:

20019.37. "Local safety member" also includes any harbor or port police officer, employed by a contracting agency, who is a peace officer as defined in subdivision (h) of Section 830.31 of the Penal Code and whose principal duties consist of active law enforcement of the laws contained in Chapter 5 (commencing with Section 650) of Division 3 of the Harbors and Navigation Code, the rules and regulations of the California Department of Boating and Waterways, and Chapter 2 (commencing with Section 9850) of Division 3.5 of the Vehicle Code.

This section shall not apply to the employees of any contracting agency, nor to any contracting agency, unless and until the contracting agency elects to be subject to this section by amendment to its contract with the board, pursuant to Section 20461.5, or by express provision within its contract with the board.

SEC. 2. Section 20021 of the Government Code is amended to read:

20021. "Local firefighter" means any officer or employee of a fire department of a contracting agency, except one whose principal duties are those of a telephone operator, clerk, stenographer, machinist, mechanic, or otherwise and whose functions do not clearly fall within the scope of active firefighting, fire prevention, fire training, or fire investigation service even though that employee

is subject to occasional call, or is occasionally called upon, to perform duties within the scope of active firefighting, fire prevention, fire training, or fire investigation service, but not excepting persons employed and qualifying as firefighters or equal or higher rank, irrespective of the duties to which they are assigned.

SEC. 3. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1412

An act to add Section 201.3 to the Revenue and Taxation Code, relating to taxation.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 201.3 is added to the Revenue and Taxation Code, to read:

201.3. Property which is exclusively devoted to public purposes and is owned by a nonprofit entity, in which a chartered city with a population of over 750,000 and located in a county of the third class has the sole ownership interest shall be deemed to be property owned by the chartered city.

This section shall not be construed to exempt from ad valorem property taxation property of the chartered city located outside of its boundaries.

SEC. 2. The Legislature, in enacting Section 1 of this act, finds and declares that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution due to the following unique circumstances:

The City of San Diego has created a nonprofit public benefit corporation the sole ownership interest in which is held by the city. The property of that nonprofit corporation is used exclusively to provide services, goods, or equipment to the city and other public entities within the County of San Diego for their interest and benefit. The unique structure and operational activities of the nonprofit corporation do not permit a total exemption from taxation of its property under the current exemptions available to nonprofit corporations which are owned by or operated for the interest and

benefit of public entities, notwithstanding the fact that the nonprofit corporation is devoted to public purposes and is owned exclusively by a public entity. This act makes a classification or exemption of property for purposes of ad valorem taxation within the meaning of Section 2229 of the Revenue and Taxation Code.

SEC. 3. This act shall apply to exemption claims filed for the 1988–89 fiscal year and fiscal years thereafter.

CHAPTER 1413

An act to amend Sections 2222, 2307, 2468, and 2497 of, and to add Section 2497.1 to the Business and Professions Code, relating to podiatry, and making an appropriation therefore.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

I am reducing the appropriation contained in Section 6 of Senate Bill No. 201 from $30,000 to $17,000

I am taking this action because the Board of Podiatric Medicine has indicated that $17,000 is the appropriate funding level to implement this program.

With this reduction, I approve Senate Bill No. 201.

GEORGE DEUKMEJIAN, Governor

The people of the State of California do enact as follows:

SECTION 1. Section 2222 of the Business and Professions Code is amended to read:

2222. The California Board of Podiatric Medicine shall enforce and administer this article as to podiatry certificate holders. Any acts of unprofessional conduct or other violations proscribed by this chapter are applicable to licensed podiatrists and wherever the Division of Medical Quality or a medical quality review committee or a panel of a committee is vested with the authority to enforce and carry out this chapter as to licensed physicians and surgeons, the California Board of Podiatric Medicine also possesses that same authority as to licensed podiatrists.

The California Board of Podiatric Medicine may order the denial of an application or issue a certificate subject to conditions as set forth in Section 2221, or order the revocation, suspension, or other restriction of, or the modification of that penalty, and the reinstatement of any podiatrist's certificate within its authority as granted by this chapter. For these purposes, the California Board of Podiatric Medicine shall exercise the powers granted and be governed by the procedures set forth in this chapter.

SEC. 2. Section 2307 of the Business and Professions Code is amended to read:

2307. A person whose certificate has been revoked or suspended or who has been placed on probation may petition the Division of Medical Quality for reinstatement or modification of penalty,

including modification or termination of probation, after a period of not less than one year has elapsed from the effective date of the decision ordering such disciplinary action.

The petition shall state such fact as may be required by the division. The petition shall be accompanied by at least two verified recommendations from physicians and surgeons licensed by the board who have personal knowledge of the activities of the petitioner since the disciplinary penalty was imposed. The petition may be heard by the division, or the division may assign the petition to a medical quality review committee for hearing by a panel composed of seven members specifically constituted for this purpose. The panel shall consist of four physicians, one nonphysician licentiate of a healing arts board, one public member, and one member who may be either a public member or a nonphysician licentiate of a healing arts board. For the purposes of such a hearing, five members of a panel shall constitute a quorum. If for any reason, a seven-member panel from one committee cannot be assigned, members from other committees may be assigned to the panel for the purpose of the hearing.

The division or a panel hearing the petition may consider all activities of the petitioner since the disciplinary action was taken, the offense for which the petitioner was disciplined, the petitioner's activities during the time the certificate was in good standing, and the petitioner's rehabilitative efforts, general reputation for truth, and professional ability. The hearing may be continued from time to time as the division or panel finds necessary.

The division or panel reinstating a certificate or modifying a penalty may impose such terms and conditions as it deems necessary. To reinstate a revoked certificate requires the affirmative vote of at least five members of the division or of the panel hearing the petition, as the case may be. To otherwise reduce a penalty or modify probation requires the affirmative vote of at least four members of the division or of the panel hearing the petition, as the case may be. A decision by the division or a panel shall be final.

No petition shall be considered while the petitioner is under sentence for any criminal offense, including any period during which the petitioner is on court-imposed probation or parole. No petition shall be considered while there is an accusation or petition to revoke probation pending against the person. The division may deny without a hearing or argument any petition filed pursuant to this section within a period of two years from the effective date of the prior decision following a hearing under this section.

This section is applicable to and may be carried out by the California Board of Podiatric Medicine, except that no petition may be assigned to a medical quality review committee or a panel of that committee for hearing. In lieu of two verified recommendations from physicians and surgeons, the petition shall be accompanied by at least two verified recommendations from podiatrists licensed by the board who have personal knowledge of the activities of the

petitioner since the date the disciplinary penalty was imposed. The petition shall require the affirmative vote of a majority of those members of the board present at a hearing, who constitute at least a quorum, to act on any petition. If an affirmative vote is not cast on any petition, it is deemed to be denied.

SEC. 3. Section 2468 of the Business and Professions Code is amended to read:

2468. Notice of each meeting of the board shall be given in accordance with the Bagley-Keene Open Meeting Act (Article 9 (commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2 of the Government Code). Subcommittee meetings need not be advertised.

SEC. 4. Section 2497 of the Business and Professions Code is amended to read:

2497. (a) The board may order the denial of an application for, or the suspension of, or the revocation of, or the imposition of probationary conditions upon, a certificate to practice podiatric medicine for any of the causes set forth in Article 12 (commencing with Section 2220) in accordance with Section 2222.

(b) The board may hear all matters, including but not limited to, any contested case or may assign any such matters to an administrative law judge. The proceedings shall be held in accordance with Section 2230. If a contested case is heard by the board itself, the administrative law judge who presided at the hearing shall be present during the board's consideration of the case and shall assist and advise the board.

SEC. 5. Section 2497.1 is added to the Business and Professions Code, to read:

2497.1. (a) It is the intent of the Legislature that the Board of Podiatric Medicine shall seek ways and means to identify and rehabilitate doctors of podiatric medicine whose competency is impaired due to abuse of dangerous drugs or alcohol, so that they may be treated and returned to the practice of podiatric medicine in a manner which will not endanger the public health and safety.

(b) The Board of Podiatric Medicine shall establish and administer a diversion program for the rehabilitation of doctors of podiatric medicine whose competency is impaired due to the abuse of drugs or alcohol. The board may contract with any other state agency, a private organization, or a podiatric medical association with statewide representation to perform its duties under this section. The board may establish one or more diversion evaluation committees to assist it in carrying out its duties under this section. As used in this section, "committee" means a diversion evaluation committee.

(c) (1) Any diversion evaluation committee established by the board shall have at least three members. In making appointments to a committee the board shall consider the appointment of persons who are either recovering from substance abuse and have been clean and sober for at least three years immediately prior to their

appointment or who are knowledgeable in the treatment and recovery of substance abuse. The board also shall consider the appointment of a physician and surgeon who is board-certified in psychiatry.

(2) Appointments to a committee shall be by the affirmative vote of a majority of members appointed to the board. Each appointment shall be at the pleasure of the board for a term not to exceed four years. In its discretion, the board may stagger the terms of the initial members so appointed.

(3) A majority of the members of a committee shall constitute a quorum for the transaction of business. Any action requires an affirmative vote of a majority of those members present at a meeting constituting at least a quorum. Each committee shall elect from its membership a chairperson and a vice chairperson. Notwithstanding Article 9 (commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2 of the Government Code, relating to public meetings, a committee may convene in closed session to consider matters relating to any doctor of podiatric medicine applying for or participating in a diversion program, and a meeting which will be convened entirely in closed session need not comply with Section 11125 of the Government Code. A committee shall only convene in closed session to the extent it is necessary to protect the privacy of an applicant or participant. Each member of a committee shall receive a per diem and shall be reimbursed for expenses as provided in Section 103.

(4) Each committee has the following duties and responsibilities:

(A) The evaluation of doctors of podiatric medicine who request participation in the program and to consider any recommendations from professional consultants on the admission of applicants to the diversion program.

(B) The review and designation of treatment facilities to which doctors of podiatric medicine in the diversion program may be referred.

(C) The receipt and review of information concerning doctors of podiatric medicine participating in the program.

(D) To call meetings as necessary to consider the requests of doctors of podiatric medicine to participate in the diversion program, to consider reports regarding participants in the program, and to consider any other matters referred to it by the board.

(E) The consideration of whether each participant in the diversion program safely continues or resumes the practice of podiatric medicine.

(F) To set forth in writing a treatment program for each participant in the diversion program with requirements for supervision and surveillance.

(G) To hold a general meeting at least twice a year, which shall be open and public, to evaluate the diversion program's progress, to prepare reports to be submitted to the board, and to suggest proposals for changes in the diversion program.

(5) For the purposes of Division 3.6 (commencing with Section 810) of Title 1 of the Government Code, any member of a committee shall be considered a public employee. No board or committee member, contractor, or agent thereof, shall be liable for any civil damages because of acts or omissions which may occur while acting in good faith in a program established pursuant to this section.

(d) Criteria for acceptance into the diversion program shall include all of the following: (1) the applicant shall be licensed as a doctor of podiatric medicine by the board and shall be a resident of California; (2) the applicant shall be found to abuse dangerous drugs or alcoholic beverages in a manner which may affect his or her ability to practice podiatric medicine safely or competently; (3) the applicant shall have voluntarily requested admission to the program or shall be accepted into the program in accordance with terms and conditions resulting from a disciplinary action; (4) the applicant shall agree to undertake any medical or psychiatric examination ordered to evaluate the applicant for participation in the program; (5) the applicant shall cooperate with the program by providing medical information, disclosure authorizations, and releases of liability as may be necessary for participation in the program; and (6) the applicant shall agree in writing to cooperate with all elements of the treatment program designed for him or her. An applicant may be denied participation in the program if the board, its delegatee, or a committee, as the case may be, determines that the applicant will not substantially benefit from participation in the program or that the applicant's participation in the program creates too great a risk to the public health, safety, or welfare.

(e) A participant may be terminated from the program for any of the following reasons: (1) the participant has successfully completed the treatment program; (2) the participant has failed to comply with the treatment program designated for him or her; (3) the participant fails to meet any of the criteria set forth in subdivision (d); or (4) it is determined that the participant has not substantially benefited from participation in the program or that his or her continued participation in the program creates too great a risk to the public health, safety, or welfare. Whenever an applicant is denied participation in the program or a participant is terminated from the program for any reason other than the successful completion of the program, and it is determined that the continued practice of podiatric medicine by that individual creates too great a risk to the public health and safety, that fact shall be reported to the executive officer of the board and all documents and information pertaining to and supporting that conclusion shall be provided to the executive officer. The matter may be referred for investigation and disciplinary action by the board. Each doctor of podiatric medicine who requests participation in a diversion program shall agree to cooperate with the recovery program designed for him or her. Any failure to comply with that program may result in termination of participation in the program. The board shall inform each participant in the program of

the procedures followed in the program, of the rights and responsibilities of the doctor of podiatric medicine in the program, and of the possible results of noncompliance with the program.

(f) In addition to the criteria and causes set forth in subdivisions (d) and (e), the board may set forth in its regulations additional criteria for admission to the program or causes for termination from the program.

(g) All board and committee records and records of proceedings and participation of a doctor of podiatric medicine in a program shall be confidential and are not subject to discovery or subpoena.

(h) A fee may be charged for participation in the program.

(i) If the board contracts with any other entity to carry out this section, the executive officer of the board, or his or her delegatee, shall review the activities and performance of the contractor on a biennial basis. As part of this review the board shall review files of participants in the program. However, the names of participants who entered the program voluntarily shall remain confidential, except when the review reveals misdiagnosis, case mismanagement, or noncompliance by the participant.

(j) Participation in a diversion program shall not be a defense to any disciplinary action which may be taken by the board. This section does not preclude the board from commencing disciplinary action against a doctor of podiatric medicine who is terminated unsuccessfully from the program under this section. That disciplinary action may not include as evidence any confidential information.

SEC. 6. The sum of thirty thousand dollars ($30,000) is hereby appropriated from the Podiatry Fund to the California Board of Podiatric Medicine for the purpose of implementing the diversion program provided for in Section 2497.1 of the Business and Professions Code.

CHAPTER 1414

An act to add Section 593g to the Penal Code, and to amend Section 4417 of the Public Resources Code, relating to forestry.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 593g is added to the Penal Code, to read:

593g. Every person who, with the intent to use it in a violation of Section 593a, possesses any iron, steel, ceramic, or other substance sufficiently hard to injure saws or wood manufacturing or processing equipment, shall be punished by imprisonment in the county jail not to exceed one year.

This section shall only become operative if Senate Bill 1176 of the 1987–88 Regular Session of the Legislature is enacted and becomes effective on or before January 1, 1988.

SEC. 2. Section 4417 of the Public Resources Code is amended to read:

4417. (a) Except as provided in subdivision (b) or (c), a reward of up to five thousand dollars ($5,000) shall be paid out of any state funds which are made available to the department for fire protection to any person, other than a regularly paid firefighter, peace officer, or agent or employee of the department, whose information leads to the arrest and conviction, or commitment to a public facility, of any person who willfully and maliciously sets fire to, or who attempts to willfully and maliciously set fire to, any property which is included within any state responsibility area as established under Article 3 (commencing with Section 4125) of Chapter 1.

(b) If the fire, or attempt to set a fire, results in death or great bodily injury to anyone, including fire protection personnel, a reward of up to ten thousand dollars ($10,000) shall be paid.

(c) If the fire causes substantial structural damage, an enhanced reward of up to ten thousand dollars ($10,000) shall be paid.

(d) The reward may be paid on the initiative of the department or upon application by any person qualifying therefor. One reward of up to five thousand dollars ($5,000) shall be paid under this subdivision (a), or ten thousand dollars ($10,000) under subdivision (b), or ten thousand dollars ($10,000) under subdivision (c), as the case may be, with respect to the same event or series of events involving the same defendant or defendants. If the department determines that more than one person is eligible for a reward arising out of information relating to the same event or series of events, the reward shall be divided among those persons, as determined by the department, taking into consideration the significance of the information contributed by each of those persons. The department may establish a program to preserve the anonymity of any person providing information and may pay a reward under that program.

(e) Rewards paid under this section shall be considered an emergency fire suppression and detection expenditure for budgeting purposes.

SEC. 3. This act shall become operative only if S.B. 1176 of the 1987–88 Regular Session is also chaptered.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1415

An act to amend Sections 25532, 25533, 25534, 25535, 25537, and 25539 of, and to add Article 1 (commencing with Section 25500) to Chapter 6.95 of Division 20 of, the Health and Safety Code, relating to hazardous materials, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Article 1 (commencing with Section 25500) is added to Chapter 6.95 of Division 20 of the Health and Safety Code, to read:

Article 1. Business and Area Plans

SEC. 2. Section 25532 of the Health and Safety Code is amended to read:

25532. Unless the context indicates otherwise, the following definitions govern the construction of this article:

(a) "Acutely hazardous material" means any chemical designated an extremely hazardous substance which is listed in Appendix A of Part 355 of Subchapter J of Chapter I of Title 40 of the Code of Federal Regulations.

(b) "Acutely hazardous materials accident risk" means a potential for the release of an acutely hazardous material into the environment which could produce a significant likelihood that persons exposed may suffer acute health effects resulting in significant injury or death.

(c) "Administering agency" means the department, office, or other agency of a county or city which is designated pursuant to Section 25502 to implement this chapter.

(d) "Handler" means any business which handles an acutely hazardous material, except where all of the acutely hazardous materials present at the business are handled in accordance with a removal or remedial action taken pursuant to the Carpenter-Presley-Tanner Hazardous Substance Account Act (Chapter 6.8 (commencing with Section 25300)).

(e) "Modified facility" means an addition or change to a facility or business which results in either a substantial increase in the amount of acutely hazardous materials handled by the facility or business, or a significantly increased risk in handling an acutely hazardous material, as determined by the administering agency. "Modified facility" does not include an increase in production up to the facility's existing operating capacity or an increase in production levels up to the production levels authorized in a permit granted pursuant to Section 42300.

(f) "Qualified person" means a person who is qualified to attest, at a minimum, to the validity of the hazard and operability studies performed pursuant to Section 25534, and the relationship between the corrective steps taken by the handler following the hazard and operability studies and those hazards which were identified in the studies.

(g) "Risk management and prevention program" or "RMPP" means all of the administrative and operational programs of a business which are designed to prevent acutely hazardous materials accident risks, including, but not limited to, programs which include design safety of new and existing equipment, standard operating procedures, preventive maintenance programs, operator training and accident investigation procedures, risk assessment for unit operations, or operating alternatives, emergency response planning, and internal or external audit procedures to ensure that these programs are being executed as planned.

SEC. 3. Section 25533 of the Health and Safety Code is amended to read:

25533. (a) On or before September 1, 1987, the Office of Emergency Services shall develop an acutely hazardous materials registration form to be completed by the owner or operator of each business in the state which, at any time, handles any acutely hazardous material. Except as provided in Section 25536, on or before January 1, 1988, any business which handles acutely hazardous materials in the amounts specified in subdivision (a) of Section 25536 shall file the registration form with the administering agency. The Office of Emergency Services may adopt appropriate regulations to implement the requirements of this section.

(b) The acutely hazardous materials registration form shall include, but is not limited to, all of the following information:

(1) The information included in the business plan prepared pursuant to Section 25504.

(2) A general description of the processes and principal equipment involved in the handling of the acutely hazardous materials.

(c) Within 30 days of any one of the following events, any business subject to this section shall submit to the administering agency an amendment to the registration form:

(1) Any handling of an acutely hazardous material which was not mentioned on the registration form.

(2) Any material or substantial alterations or additions to the business or activity which require changes in the risk management program that are different from, or absent in, the present program.

(3) Change of business address.

(4) Change of business ownership.

(5) Change of business name.

(d) Any business which submits a certified risk management and prevention program pursuant to Section 25534 shall implement the approved risk management and prevention program.

SEC. 4. Section 25534 of the Health and Safety Code is amended to read:

25534. (a) After receiving an acutely hazardous material registration form filed pursuant to Section 25533, the administering agency may require the submission of an RMPP if the administering agency determines that the handler's operation may present an acutely hazardous materials accident risk. The handler shall prepare the RMPP in accordance with subdivision (c). The RMPP shall be prepared within 12 months following the request made by the administering agency pursuant to this section.

(b) In addition to any requirements imposed pursuant to subdivision (a), an owner or operator of a new or modified facility which will be used for the handling of acutely hazardous materials and which will commence operations on or after January 1, 1988, in the case of a new facility or commence the operations which will be modified on or after January 1, 1988, in the case of an existing facility, shall prepare a risk management and prevention program.

(c) The RMPP shall include all of the following elements:

(1) A description of each accident involving acutely hazardous materials which has occurred at the business or facility within three years from the date of the request made pursuant to subdivision (a), together with a description of the underlying causes of the accident and the measures taken, if any, to avoid a recurrence of a similar accident.

(2) A report specifying the nature, age, and condition of the equipment used to handle acutely hazardous materials at the business or facility and any schedules for testing and maintenance.

(3) Design, operating, and maintenance controls which minimize the risk of an accident involving acutely hazardous materials.

(4) Detection, monitoring, or automatic control systems to minimize potential acutely hazardous materials accident risks.

(5) A schedule for implementing additional steps to be taken by the business, in response to the findings of the assessment performed pursuant to subdivision (d), to reduce the risk of an accident involving acutely hazardous materials. These actions may include any of the following:

(A) Installation of alarm, detection, monitoring, or automatic control devices.

(B) Equipment modifications, repairs, or additions.

(C) Changes in the operations, procedures, maintenance schedules, or facility design.

(6) Auditing and inspection programs designed to allow the handler to confirm that the risk management and prevention program is effectively carried out.

(7) Recordkeeping procedures for the risk management and prevention program.

(d) The RMPP shall be based upon an assessment of the processes, operations, and procedures of the business, and shall consider all of the following:

(1) The results of a hazard and operability study which identifies the hazards associated with the handling of an acutely hazardous material due to operating error, equipment failure, and external events, which may present an acutely hazardous materials accident risk.

(2) For the hazards identified in the hazard and operability studies, an offsite consequence analysis which, for the most likely hazards, assumes pessimistic air dispersion and other adverse environmental conditions.

(e) The business shall submit to the administering agency any additional supporting technical information deemed necessary by the administering agency to clarify information submitted pursuant to subdivision (c).

(f) A handler shall maintain all records concerning a risk management and prevention program for a period of at least five years.

(g) The risk management and prevention program shall identify, by title, all personnel at the business who are responsible for carrying out the specific elements of the RMPP, and their respective responsibilities, and the RMPP shall include a detailed training program to ensure that those persons are able to implement the RMPP.

(h) The handler shall review the risk management and prevention program, and shall make necessary revisions to the RMPP at least every three years, but, in any event, within 60 days following a modification which would materially affect the handling of an acutely hazardous material.

(i) Any person who handles acutely hazardous materials and who owns or operates two or more business facilities which are substantially identical may prepare a single generic risk management and prevention program applicable to all those facilities if the handling of the acutely hazardous materials is substantially similar at all of those facilities.

(j) The risk management and prevention program, and any revisions required by subdivision (h), shall be certified as complete by a qualified person and the facility operator.

(k) Except as specified in subdivision (d) of Section 25535, the handler shall implement all activities and programs specified in the risk management and prevention program within one year following the certification made pursuant to subdivision (j). Implementation of the risk management and prevention program shall include carrying out all operating, maintenance, monitoring, inventory control, equipment inspection, auditing, recordkeeping, and training programs as required by the RMPP. The administering agency may grant an extension of this deadline upon a showing of good cause.

(*l*) The Office of Emergency Services shall adopt, and publish for distribution, guidelines for the preparation and submission of risk management and prevention programs. In preparing the guidelines

for hazard and operability studies, the office shall, at a minimum, base its procedural recommendations on those set forth in the 1985 Guidelines for Chemical Hazard Evaluation Procedures, prepared by the Center for Chemical Process Safety of the American Institute of Chemical Engineers.

SEC. 5. Section 25535 of the Health and Safety Code is amended to read:

25535. (a) An owner or operator of a facility submitting an RMPP pursuant to Section 25534 shall submit the RMPP to the administering agency after the RMPP is certified as complete by a qualified person and the facility operator. The administering agency may authorize the air pollution control district or air quality management district in which the facility is located to conduct a technical review of the RMPP. If, after review, the administering agency determines that the handler's RMPP is deficient in any way, the administering agency shall notify the handler of these defects. The handler shall submit a corrected RMPP within 60 days of the notice.

(b) Upon implementation of a risk management and prevention program pursuant to subdivision (k) of Section 25534, the handler shall notify the administering agency that the RMPP has been implemented and shall summarize the steps taken in preparation and implementation of the RMPP.

(c) The handler shall continue to carry out the program and activities specified in the risk management and prevention program at the business after the administering agency has been notified pursuant to subdivision (b).

(d) The owner or operator shall implement all programs and activities in the RMPP before operations commence, in the case of a new facility, or before any new activities involving acutely hazardous materials are taken, in the case of a modified facility.

SEC. 6. Section 25537 of the Health and Safety Code is amended to read:

25537. The administering agency shall inspect every business required to be registered pursuant to Section 25534 at least once every three years to determine whether the business is in compliance with this article.

The requirements of this section do not alter or affect the immunity provided a public entity pursuant to Section 818.6 of the Government Code.

SEC. 7. Section 25539 of the Health and Safety Code is amended to read:

25539. The administering agency, in implementing this article, shall, upon request, involve and cooperate with local and state government officials, emergency planning committees, and professional associations.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district

will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

SEC. 9. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to better protect the public health and safety and the environment from the dangers of an acutely hazardous materials accident risk, it is necessary that this act take effect immediately.

CHAPTER 1416

An act relating to correctional facilities, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. The Department of the Youth Authority is authorized to construct and establish a 600-bed facility at the Northern California Youth Center in San Joaquin County and shall install secure fencing enclosing the Northern California Youth Center.

SEC. 1.1. From funds appropriated by this act, as specified in Section 3.6, the Department of the Youth Authority shall pay one hundred eighty thousand dollars ($180,000) as its proportionate share of the cost of upgrading the interchange between Arch Road and State Route 99 due to traffic generated at the interchange as a result of the construction of the facility authorized by Section 1.

SEC. 1.5. From funds appropriated by this act, as specified in Section 3.5, the Department of Corrections shall pay one hundred twenty thousand dollars ($120,000) as its proportionate share of the cost of upgrading the interchange between Arch Road and State Route 99 due to traffic generated by the Northern California Women's Facility.

SEC. 2. (a) Except as provided in subdivision (b), the Department of the Youth Authority and the Department of Corrections shall jointly enter into an agreement with the Stockton East Water District, and any other entities, for the purchase of surface water to service all state facilities operated at the Northern California Youth Center site. The agreement shall include the participation of the departments in a proportionate share of the cost of construction of a water transmission pipeline from the Stockton East Water Treatment Plant to the intersection of Arch Road and

Newcastle Road. "Proportionate share" means the percentage of the cost of the pipeline equal to the percentage of the capacity required to serve the state facilities at this site.

(b) In no event shall the proportionate share of the cost exceed the amount of two hundred thousand dollars ($200,000). Should the proportionate share of the actual cost to the Stockton East Water District and other entities to construct the water transmission pipeline exceed this amount, the district shall reserve the right to refuse to enter into an agreement with the Department of the Youth Authority and the Department of Corrections to provide surface water to the state facilities operated at the Northern California Youth Center site.

SEC. 2.5. Notwithstanding Section 1 of Chapter 1549 of the Statutes of 1982, as amended by Chapter 165 of the Statutes of 1987 or any other provision of law, the Department of Corrections is authorized to house more than 400, but no more than 800, women at the Northern California Women's Facility located on the grounds of the Northern California Youth Center in San Joaquin County. This action is necessary to alleviate severe overcrowding at the California Institution for Women in Frontera.

SEC. 3. The sum of four hundred sixty-one thousand dollars ($461,000) is appropriated from the 1986 Prison Construction Fund to the Department of the Youth Authority. These funds, along with funds appropriated by subdivision (i) of Section 10 of Chapter 532 of the Statutes of 1986, shall be available as necessary for preliminary plans and working drawings of the Northern California Youth Center in San Joaquin County.

SEC. 3.5. The sum of one hundred twenty thousand dollars ($120,000) is appropriated from the 1986 Prison Construction Fund to the Department of Corrections without regard to fiscal years for the purpose of making the payment required by Section 1.5 of this act.

SEC. 3.6. The sum of one hundred eighty thousand dollars ($180,000) is appropriated from the 1986 Prison Construction Fund to the Department of the Youth Authority without regard to fiscal years for the purpose of making the payment required by Section 1.1 of this act.

SEC. 3.7. The sum of three hundred twenty thousand dollars ($320,000) is hereby appropriated from the 1986 Prison Construction Fund to the Department of Corrections for the Northern California Women's Facility to purchase and install additional beds and lockers.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Facilities of the Youth Authority are severely overcrowded and this bill is necessary to alleviate that overcrowding.

CHAPTER 1417

An act to amend Sections 25174.02, 25174.6, 25174.7, 25205.1, and 25205.8 of the Health and Safety Code, relating to hazardous waste, and making an appropriation therefor.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 25174.02 of the Health and Safety Code is amended to read:

25174.02. (a) The State Board of Equalization shall set the base rate for the hazardous wastes specified in Section 25174.6 in accordance with the following formula:

$$\text{Base rate} = \frac{[(B-M) + .05\,B] \times .46}{(T_1 + T_2 + T_7)\ .25 + (T_3 + T_4)\ 2.00 + (T_5)\ .05 + T_6 + (T_8)\ .10 + (T_9)\ .5}$$

Where all of the following apply:

(1) "B" is the amount appropriated annually by the Legislature for the Hazardous Waste Control Account including, but not limited to, any amounts appropriated for the compensation of employees.

(2) "M" is any unobligated funds remaining in the fund from previous fiscal years.

(3) "T_1" is the total amount in tons of waste specified in paragraph (1) of subdivision (a) of Section 25174.6.

(4) "T_2" is the total amount in tons of waste specified in paragraph (2) of subdivision (a) of Section 25174.6.

(5) "T_3" is the total amount in tons of waste specified in paragraph (3) of subdivision (a) of Section 25174.6.

(6) "T_4" is the total amount in tons of waste specified in paragraph (4) of subdivision (a) of Section 25174.6.

(7) "T_5" is the total amount in tons of waste specified in paragraph (5) of subdivision (a) of Section 25174.6.

(8) "T_6" is the total amount in tons of waste specified in paragraph (6) of subdivision (a) of Section 25174.6.

(9) "T_7" is the total amount in tons of waste specified in paragraph (7) of subdivision (a) of Section 25174.6.

(10) "T_8" is the total amount in tons of waste specified in subdivision (c) of Section 25174.6.

(11) "T_9" is the total amount in tons of waste specified in paragraph (8) of subdivision (a) of Section 25174.6.

(b) The base rate specified in subdivision (a) shall apply to persons subject to the fee specified in Section 25174. Upon the enactment of the Budget Act of 1986, and upon the enactment of the

annual Budget Act for each fiscal year thereafter, the State Board of Equalization shall determine the base rate, in accordance with the formula specified in subdivision (a), using the adjusted tonnage estimates supplied by the department for the fiscal year for that year's budget. The department shall supply these estimates to the State Board of Equalization before July 1 of each year, so as to give the State Board of Equalization sufficient time to determine the base rate. Within 30 days after the enactment of the annual Budget Act, the State Board of Equalization shall send a notice of the adjusted fee rate to every person subject to the fee specified in Section 25174.

(c) This section shall remain in effect only until July 1, 1988, and, as of that date is repealed, unless a later enacted statute, which is enacted before July 1, 1988, deletes or extends that date.

SEC. 2. Section 25174.6 of the Health and Safety Code, as added by Chapter 1506 of the Statutes of 1986, is amended to read:

25174.6. (a) The fee provided pursuant to Section 25174 to be paid by persons disposing of hazardous waste onsite, or submitting hazardous waste for disposal offsite, and by operators of hazardous waste disposal facilities, for each ton, or fraction thereof, of hazardous waste disposed of on land or applied to land on or after July 1, 1986, shall be determined as a percentage of the base rate, as adjusted by the State Board of Equalization, pursuant to Section 25174.02. The percentages of the base rate for determining these fees are as follows:

(1) Twenty-five percent of the base rate for each ton, or fraction thereof for up to the first 5,000 tons of hazardous waste disposed of, or submitted for offsite disposal, at each specific facility by each producer or at each specific onsite facility, per month, which is not subject to Subchapter III (commencing with Section 6921) of Chapter 82 of Title 42 of the United States Code, pursuant to subsection (b) of Section 6921 of Title 42 of the United States Code and which is not otherwise subject to the fee specified in paragraph (3) or (4), or hazardous waste for which the Administrator of the Environmental Protection Agency has determined that regulation is unwarranted, as specified in subparagraph (C) of paragraph (2) of, and subparagraph (C) of paragraph (3) of, subsection (b) of Section 6921 of Title 42 of the United States Code and which is not otherwise subject to the fee specified in paragraph (3) or (4).

(2) Twenty-five percent of the base rate for each ton, or fraction thereof, for up to the first 5,000 tons of hazardous waste disposed of, or submitted for offsite disposal, at each specific facility by each producer or at each specific onsite facility, per month, which result from the extraction, beneficiation, and processing of ores and minerals, including phosphate rock and the overburden from the mining of uranium ore and which is not otherwise subject to the fee specified in paragraph (3) or (4).

(3) Two hundred percent of the base rate for each ton, or fraction thereof, of extremely hazardous waste.

(4) Two hundred percent of the base rate for each ton, or fraction thereof, of restricted hazardous wastes listed in Section 66900 of Title

22 of the California Administrative Code.

(5) Five percent of the base rate for each ton, or fraction thereof, of solid hazardous waste residues resulting from incineration or other controlled chemical or physical treatment processes if the department determines that the processes alter the physical properties of the waste being incinerated or treated and effectively remove all free liquids and volatile organic constituents from the waste being incinerated or treated.

(6) One hundred percent of the base rate for each ton, or fraction thereof, of hazardous waste disposed of, or submitted for offsite disposal, at each specific facility by each producer or at each specific onsite facility, per month, of hazardous waste, which is not otherwise subject to the fees specified in paragraph (1), (2), (3), (4), (5), or (7) of this subdivision or subdivision (c).

(7) Twenty-five percent of the base rate for each ton, or fraction thereof, of waste resulting from the shredding of automobile bodies, sheet metal, and household appliances, if the producer of the shredder waste has certified in writing, to the department, that the producer has in place an ongoing program for inspection and removal of all automobile batteries, mufflers, tailpipes, and wheelweights from the shredder feed, and if the producer meets any other regulations imposed by the department.

(8) Fifty percent of the base rate for each ton, or fraction thereof, of hazardous waste generated in this state which is disposed of, or submitted for disposal, outside the state.

(b) The amount of fees payable to the State Board of Equalization pursuant to this section shall be calculated using the total wet weight, measured in tons or fractions thereof, of the hazardous waste in the form in which the hazardous waste existed at the time of disposal, submission for disposal, or application to land using the land disposal methods defined in Section 66122 of Title 22 of the California Administrative Code.

(c) Notwithstanding subdivision (a), the fee rate for hazardous waste disposed of, or submitted for offsite disposal, into a surface impoundment which is double lined, meets the criteria specified in paragraph (1), and for which a report has not been submitted pursuant to paragraph (2), is 10 percent of the base rate for each ton, or fraction thereof, of hazardous waste so disposed of or submitted for disposal. The owner or operator of the surface impoundment shall certify to the State Board of Equalization that the requirements of paragraph (1) have been met before the fee rate specified in this subdivision may be applied to the hazardous waste disposed of, or submitted for disposal, into the surface impoundment.

(1) This subdivision applies only to hazardous waste disposed of, or submitted for disposal, into a surface impoundment which meets all the following criteria:

(A) The surface impoundment is double lined and is equipped with a leachate collection system which is in place and in operation, and complies with existing federal and state regulations and

guidance documents published by the Environmental Protection Agency prior to July 1, 1984.

(B) The surface impoundment has in place and in operation a minimum of one upgradient and two downgradient monitoring wells capable of identifying the migration of any hazardous waste constituents disposed of into the surface impoundment.

(C) The surface impoundment has in place and in operation a vadose zone monitoring system capable of identifying the migration of any hazardous waste constituents disposed of into the surface impoundment from the impoundment into the zone between the surface and the water table.

(D) The surface impoundment has an enforceable site closure plan which initiates closure of the impoundment within 12 years after the surface impoundment is certified pursuant to this subdivision. This plan shall require the surface impoundment, and any surrounding soils contaminated by the impoundment, to be returned to a nonhazardous condition within five years of initiating closure.

(E) The owner or operator has submitted to the department and to the California regional water quality control board documentation demonstrating full compliance with subparagraphs (A), (B), (C), and (D).

(2) Upon discovering that, or receiving notification that, a surface impoundment certified for the fee rate specified in this subdivision has leaked or overflowed, and that there is migration into the vadose zone or into the waters of the state, the owner or operator of the surface impoundment shall report the migration to the department and the California regional water quality control board within 24 hours after the migration or unauthorized release has been detected. The owner or operator shall transmit a full written report to the department and the regional board within five working days after the detection of the migration. The reporting requirements imposed by this paragraph are in addition to any requirements which may be imposed by Section 13271 of the Water Code. Unless the regional board, or its executive officer, determines that the presence of the hazardous waste constituents in the migration do not pose any short-term or long-term, present or potential, hazards to human health or the environment, the regional board shall issue a cease and desist order pursuant to Section 13301 of the Water Code prohibiting any discharge into the surface impoundment and shall take any other actions which are necessary.

(3) After a surface impoundment has been the subject of a report specified in paragraph (2), the fee rate specified in this subdivision for hazardous waste disposed of, or submitted for disposal, into that surface impoundment shall not apply and the fees shall be calculated pursuant to subdivision (a). The fee rate specified in this subdivision may again be applied to the hazardous waste disposed of, or submitted for disposal, into the surface impoundment only after the department and the California regional water quality control board

determines that hazardous constituents are no longer migrating from the surface impoundment, and that there is no significant potential for them to migrate from the surface impoundment into the vadose zone or into the waters of the state, so that the presence of the hazardous constituents poses, or would pose, a present or potential hazard to human health or the environment.

(4) Hazardous waste, as used in this subdivision, includes restricted hazardous waste.

(d) All fees imposed by this section shall be paid in accordance with Part 22 (commencing with Section 43001) of Division 2 of the Revenue and Taxation Code.

(e) This section shall remain in effect only until July 1, 1988, and, as of that date is repealed, unless a later enacted statute, which is enacted before July 1, 1988, deletes or extends that date.

SEC. 3. Section 25174.7 of the Health and Safety Code is amended to read:

25174.7. (a) The fees provided for in Sections 25174, 25174.6, and 25205.5 do not apply to any of the following:

(1) Hazardous wastes which result when a state or local agency, or its contractor, removes or remedies a release of hazardous waste caused by another person. This paragraph applies to all acts performed by a state or local agency, or its contractor, on or after July 1, 1984.

(2) Hazardous wastes generated or disposed of by state or local agencies operating a household hazardous waste collection program.

(3) Hazardous wastes generated or disposed of by local vector control agencies which have entered into a cooperative agreement pursuant to Section 2426 or by county agricultural commissioners, if the hazardous wastes result from their control or regulatory activities and if they comply with the requirements of this chapter and regulations adopted pursuant thereto.

(b) This section does not prevent the department from recovering an amount equal to the full cost of the fees specified in Sections 25174 and 25174.6 from any person responsible for a release of hazardous waste which has been removed or remedied by a state or local agency, or its contractor. This section does not limit the department's remedies pursuant to any other provision of law.

SEC. 4. Section 25205.1 of the Health and Safety Code is amended to read:

25205.1. For purposes of this article the following definitions apply:

(a) "Board" means the State Board of Equalization.

(b) "Disposal facility" means a hazardous waste facility used for the disposal of hazardous waste.

(c) "Facility" means a hazardous waste storage, treatment, or disposal facility, including a resource recovery facility or waste transfer station, which has been issued a permit or a grant of interim status by the department pursuant to Article 9 (commencing with Section 25200). "Facility" does not include any facility operated by

a local government agency which is used for household hazardous waste collection or for hazardous wastes which meet the requirements of paragraph (3) of subdivision (a) of Section 25174.7.

(d) "Large storage facility" means a storage facility which stores 1,000 or more tons of hazardous waste during any one month of the state's current fiscal year commencing on or after July 1, 1986.

(e) "Large treatment facility" means a treatment facility which treats or recycles 1,000 or more tons of hazardous waste during any one month of the state's current fiscal year commencing on or after July 1, 1986.

(f) "Generator" means a person who generates volumes of hazardous waste on or after July 1, 1986, in those amounts specified in subdivision (b) of Section 25205.5 at an individual site commencing on or after July 1, 1986, and who does not own or operate a hazardous waste facility at that same individual site.

(g) "Site" means the location of an operation which generates hazardous wastes and which is noncontiguous to any other location of these operations owned by the generator.

(h) "Small storage facility" means a storage facility which is not a large storage facility.

(i) "Small treatment facility" means a treatment facility which is not a large treatment facility.

SEC. 5. Section 25205.8 of the Health and Safety Code is amended to read:

25205.8. This article shall remain in effect only until July 1, 1988, and, as of that date is repealed, unless a later enacted statute, which is enacted before July 1, 1988, deletes or extends that date.

SEC. 6. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1418

An act to amend Sections 44010 and 87010 of the Education Code, and to amend Sections 290, 802, 868.5, 868.8, 11105.3, and 11165 of, and to amend and renumber Section 647a of, the Penal Code, relating to crimes.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 44010 of the Education Code is amended to read:

44010. "Sex offense," as used in Sections 44346, 44425, 44436, 44836, 45123, and 45304, means any one or more of the offenses listed below:

(a) Any offense defined in Section 261.5, 266, 267, 285, 286, 288, 288a, 647.6, or former Section 647a, subdivision 1, 2, 3, or 4 of Section 261, or subdivision (a) or (d) of Section 647 of the Penal Code.

(b) Any offense defined in former subdivision 5 of former Section 647 of the Penal Code repealed by Chapter 560 of the Statutes of 1961, or any offense defined in former subdivision 2 of former Section 311 of the Penal Code repealed by Chapter 2147 of the Statutes of 1961, if the offense defined in such sections was committed prior to September 15, 1961, to the same extent that such an offense committed prior to such date was a sex offense for the purposes of this section prior to September 15, 1961.

(c) Any offense defined in Section 314 of the Penal Code committed on or after September 15, 1961.

(d) Any offense defined in former subdivision 1 of former Section 311 of the Penal Code repealed by Chapter 2147 of the Statutes of 1961 committed on or after September 7, 1955, and prior to September 15, 1961.

(e) Any offense involving lewd and lascivious conduct under Section 272 of the Penal Code committed on or after September 15, 1961.

(f) Any offense involving lewd and lascivious conduct under former Section 702 of the Welfare and Institutions Code repealed by Chapter 1616 of the Statutes of 1961, if such offense was committed prior to September 15, 1961, to the same extent that such an offense committed prior to such date was a sex offense for the purposes of this section prior to September 15, 1961.

(g) Any offense defined in Section 286 or 288a of the Penal Code prior to the effective date of the amendment of either section enacted at the 1975–76 Regular Session of the Legislature committed prior to the effective date of the amendment.

(h) Any attempt to commit any of the above-mentioned offenses.

(i) Any offense committed or attempted in any other state which,

if committed or attempted in this state, would have been punishable as one or more of the above-mentioned offenses.

SEC. 2. Section 87010 of the Education Code is amended to read:

87010. "Sex offense," as used in Sections 87290, 87335, 87405, 88022, and 88123, means any one or more of the offenses listed below:

(a) Any offense defined in Section 261.5, 266, 267, 285, 286, 288, 288a, 647.6, or former Section 647a, subdivision 2 or 3 of Section 261, or subdivision (a) or (d) of Section 647 of the Penal Code.

(b) Any offense defined in former subdivision 5 of former Section 647 of the Penal Code repealed by Chapter 560 of the Statutes of 1961, or any offense defined in former subdivision 2 of former Section 311 of the Penal Code repealed by Chapter 2147 of the Statutes of 1961, if the offense defined in those sections was committed prior to September 15, 1961, to the same extent that such an offense committed prior to that date was a sex offense for the purposes of this section prior to September 15, 1961.

(c) Any offense defined in Section 314 of the Penal Code committed on or after September 15, 1961.

(d) Any offense defined in former subdivision 1 of former Section 311 of the Penal Code repealed by Chapter 2147 of the Statutes of 1961 committed on or after September 7, 1955, and prior to September 15, 1961.

(e) Any offense involving lewd and lascivious conduct under Section 272 of the Penal Code committed on or after September 15, 1961.

(f) Any offense involving lewd and lascivious conduct under former Section 702 of the Welfare and Institutions Code repealed by Chapter 1616 of the Statutes of 1961, if the offense was committed prior to September 15, 1961, to the same extent that such an offense committed prior to that date was a sex offense for the purposes of this section prior to September 15, 1961.

(g) Any offense defined in Section 286 or 288a of the Penal Code prior to the effective date of the amendment of either section enacted at the 1975–76 Regular Session of the Legislature committed prior to the effective date of the amendment.

(h) Any attempt to commit any of the above-mentioned offenses.

(i) Any offense committed or attempted in any other state which, if committed or attempted in this state, would have been punishable as one or more of the above-mentioned offenses.

SEC. 3. Section 290 of the Penal Code, as amended by Chapter 1299 of the Statutes of 1986, is amended to read:

290. (a) Any person who, since July 1, 1944, has been or is hereafter convicted in this state of the offense of assault with intent to commit rape or sodomy under Section 220, or of any offense defined in subdivisions (1), (2), (3), (4), and (6) of Section 261, or of any offense defined in Section 264.1, 266, 267, 285, 286, 288, 288a, 289, or 647.6 or former Section 647a, subdivision (d) of Section 647, or subdivision 1 or 2 of Section 314, or of any offense involving lewd and lascivious conduct under Section 272; or any person who since

that date has been or is hereafter convicted of the attempt to commit any of the above-mentioned offenses; or any person who since that date or at any time hereafter is discharged or paroled from a penal institution where he or she was confined because of the commission or attempt to commit one of the above-mentioned offenses; or any person who since that date or at any time hereafter is determined to be a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code; or any person who has been since that date or is hereafter convicted in any other state of any offense which, if committed or attempted in this state, would have been punishable as one or more of the above-mentioned offenses, shall, within 30 days after the effective date of this section or within 14 days of coming into any county or city, or city and county in which he or she temporarily resides or is domiciled for that length of time register with the chief of police of the city in which he or she is domiciled or the sheriff of the county if he or she is domiciled in an unincorporated area.

(b) Any person who, after August 1, 1950, is discharged or paroled from a jail, prison, school, road camp, or other institution where he or she was confined because of the commission or attempt to commit one of the above-mentioned offenses or is released from a state hospital to which he or she was committed as a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code shall, prior to discharge, parole, or release, be informed of his or her duty to register under this section by the official in charge of the place of confinement or hospital and the official shall require the person to read and sign such form as may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to the person. The official in charge of the place of confinement or hospital shall obtain the address where the person expects to reside upon his or her discharge, parole, or release and shall report the address to the Department of Justice. The official in charge of the place of confinement or hospital shall give one copy of the form to the person, and shall send one copy to the Department of Justice and one copy to the appropriate law enforcement agency having jurisdiction over the place the person expects to reside upon discharge, parole, or release. If the conviction which makes the person subject to this section is a felony conviction, the official in charge shall, not later than 45 days prior to the scheduled release of the person, send one copy to the appropriate law enforcement agency having local jurisdiction where the person expects to reside upon discharge, parole, or release; one copy to the prosecuting agency which prosecuted the person; and one copy to the court where the person was prosecuted. All such forms shall, if the conviction which makes the person subject to this section is a felony conviction, be transmitted within such times as to be received by the local law enforcement agency, prosecuting agency, and court 30 days prior to the discharge, parole, or release of the person.

(c) Any person who, after August 1, 1950, is convicted in this state of the commission or attempt to commit any of the above-mentioned offenses and who is released on probation or discharged upon payment of a fine shall, prior to release or discharge, be informed of the duty to register under this section by the court in which the person has been convicted and the court shall require the person to read and sign such form as may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to him or her. The court shall obtain the address where the person expects to reside upon release or discharge and shall report within three days the address to the Department of Justice. The court shall give one copy of the form to the person, and shall send one copy to the Department of Justice, and shall forward one copy to the appropriate law enforcement agency having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(d) (1) Any person who, on or after January 1, 1986, is discharged or paroled from the Youth Authority to the custody of which he or she was committed after having been adjudicated a ward of the court pursuant to Section 602 of the Welfare and Institutions Code because of the commission or attempted commission of the following offenses shall be subject to registration under the procedures of this section: assault with intent to commit rape, sodomy, or oral copulation, or any violation of Section 264.1, 288, or 289 under Section 220; or any offense defined in Section 288, paragraph (1) of subdivision (b) or subdivision (c) or (d) of Section 286, paragraph (1) of subdivision (b) or subdivision (c) or (d) of Section 288a, subdivision (2) of Section 261, or subdivision (a) of Section 289; or any offense under Section 264.1 involving rape in concert with force or fear of bodily injury or penetration by any foreign object in concert with force or fear of bodily injury.

(2) Any person who is discharged or paroled from the Youth Authority to the custody of which he or she was committed after having been adjudicated a ward of the court pursuant to Section 602 of the Welfare and Institutions Code because of the commission or attempted commission of the offense set forth in Section 647.6, occurring on or after January 1, 1988, shall be subject to registration under the procedures of this section.

(3) Prior to discharge or parole from the Youth Authority, all persons subject to registration shall be informed of the duty to register under the procedures set forth in this section. Youth Authority officials shall transmit the required forms and information to the Department of Justice.

(4) The duty to register under this section for offenses adjudicated by a juvenile court shall terminate when a person reaches the age of 25.

(5) All records specifically relating to the registration in the custody of the Department of Justice, law enforcement agencies, and other agencies or public officials shall be destroyed when the person

required to register attains the age of 25 or has his or her records sealed under the procedures set forth in Section 781 of the Welfare and Institutions Code, whichever event occurs first. This subdivision shall not be construed as requiring the destruction of other criminal offender or juvenile records relating to the case which are maintained by the Department of Justice, law enforcement agencies, the juvenile court, or other agencies and public officials unless ordered by a court under Section 781 of the Welfare and Institutions Code.

(e) The registration shall consist of (a) a statement in writing signed by the person, giving such information as may be required by the Department of Justice, and (b) the fingerprints and photograph of the person. Within three days thereafter, the registering law enforcement agency shall forward the statement, fingerprints, and photograph to the Department of Justice.

(f) If any person required to register pursuant to this section changes his or her residence address, the person shall inform, in writing within 10 days, the law enforcement agency with whom he or she last registered of the new address. The law enforcement agency shall, within three days after receipt of this information, forward it to the Department of Justice. The Department of Justice shall forward appropriate registration data to the law enforcement agency having local jurisdiction of the new place of residence.

(g) Any person required to register under this section who violates any of its provisions is guilty of a misdemeanor. Any person who has been convicted of assault with intent to commit rape, oral copulation, or sodomy, or of any violation of Section 261, 264.1, 286, 288, 288a, or 289, and who is required to register under this section who willfully violates any of the provisions of this section is guilty of a misdemeanor and shall be sentenced to serve a term of not less than 90 days nor more than one year in the county jail. In no event does the court have the power to absolve a person who willfully violates this section from the obligation of spending at least 90 days of confinement in the county jail and of completing probation of at least one year.

(h) Whenever any person is released on parole or probation and is required to register under this section but fails to do so within the time prescribed, the Board of Prison Terms, the Youthful Offender Parole Board, or the court, as the case may be, shall order the parole or probation of the person revoked.

(i) The statements, photographs, and fingerprints herein required shall not be open to inspection by the public or by any person other than a regularly employed peace or other law enforcement officer.

(j) In any case in which a person who would be required to register pursuant to this section for a felony conviction is to be temporarily sent outside the institution where he or she is confined on any assignment within a city or county including fire fighting, disaster control, or of whatever nature the assignment may be, the

local law enforcement agency having jurisdiction over the place or places where the assignment shall occur shall be notified within a reasonable time prior to removal from the institution. This provision does not apply to any person temporarily released under guard from the institution where he or she is confined.

(k) As used in this section, "mentally disordered sex offender" includes any person who has been determined to be a sexual psychopath or a mentally disordered sex offender under any provision which, on or before January 1, 1976, was contained in Division 6 (commencing with Section 6000) of the Welfare and Institutions Code.

(*l*) Every person who, prior to January 1, 1985, is required to register under this section, shall be notified whenever he or she next reregisters of the reduction of the registration period from 30 to 14 days. This notice shall be provided in writing by the registering agency. Failure to receive this notification shall be a defense against the penalties prescribed by subdivision (f) if the person did register within 30 days.

SEC. 3.1. Section 290 of the Penal Code, as amended by Chapter 1299 of the Statutes of 1986, is amended to read:

290. (a) Any person who, since July 1, 1944, has been or is hereafter convicted in this state of the offense of assault with intent to commit rape or sodomy under Section 220, or of any offense defined in subdivisions (1), (2), (3), (4), and (6) of Section 261, or of any offense defined in Section 264.1, 266, 267, 285, 286, 288, 288a, 289, or 647.6 or former Section 647a, subdivision (d) of Section 647, or subdivision 1 or 2 of Section 314, or of any offense involving lewd and lascivious conduct under Section 272; or any person who since that date has been or is hereafter convicted of the attempt to commit any of the above-mentioned offenses; or any person who since that date or at any time hereafter is discharged or paroled from a penal institution where he or she was confined because of the commission or attempt to commit one of the above-mentioned offenses; or any person who since that date or at any time hereafter is determined to be a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code; or any person who has been since that date or is hereafter convicted in any other state of any offense which, if committed or attempted in this state, would have been punishable as one or more of the above-mentioned offenses, shall, within 30 days after the effective date of this section or within 14 days of coming into any county or city, or city and county in which he or she temporarily resides or is domiciled for that length of time register with the chief of police of the city in which he or she is domiciled or the sheriff of the county if he or she is domiciled in an unincorporated area.

(b) Any person who, after August 1, 1950, is discharged or paroled from a jail, prison, school, road camp, or other institution where he or she was confined because of the commission or attempt to commit one of the above-mentioned offenses or is released from a state

hospital to which he or she was committed as a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code shall, prior to discharge, parole, or release, be informed of his or her duty to register under this section by the official in charge of the place of confinement or hospital and the official shall require the person to read and sign such form as may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to the person. The official in charge of the place of confinement or hospital shall obtain the address where the person expects to reside upon his or her discharge, parole, or release and shall report the address to the Department of Justice. The official in charge of the place of confinement or hospital shall give one copy of the form to the person, and shall send one copy to the Department of Justice and one copy to the appropriate law enforcement agency having jurisdiction over the place the person expects to reside upon discharge, parole, or release. If the conviction which makes the person subject to this section is a felony conviction, the official in charge shall, not later than 45 days prior to the scheduled release of the person, send one copy to the appropriate law enforcement agency having local jurisdiction where the person expects to reside upon discharge, parole, or release; one copy to the prosecuting agency which prosecuted the person; and one copy to the Department of Justice. The official in charge of the place of confinement shall retain one copy. All such forms shall, if the conviction which makes the person subject to this section is a felony conviction, be transmitted within such times as to be received by the local law enforcement agency, and prosecuting agency 30 days prior to the discharge, parole, or release of the person.

(c) Any person who, after August 1, 1950, is convicted in this state of the commission or attempt to commit any of the above-mentioned offenses and who is released on probation or discharged upon payment of a fine shall, prior to release or discharge, be informed of the duty to register under this section by the court in which the person has been convicted and the court shall require the person to read and sign such form as may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to him or her. The court shall obtain the address where the person expects to reside upon release or discharge and shall report within three days the address to the Department of Justice. The court shall give one copy of the form to the person, and shall send one copy to the Department of Justice, and shall forward one copy to the appropriate law enforcement agency having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(d) (1) Any person who, on or after January 1, 1986, is discharged or paroled from the Youth Authority to the custody of which he or she was committed after having been adjudicated a ward of the court pursuant to Section 602 of the Welfare and Institutions Code because

of the commission or attempted commission of the following offenses shall be subject to registration under the procedures of this section: assault with intent to commit rape, sodomy, or oral copulation, or any violation of Section 264.1, 288, or 289 under Section 220; or any offense defined in Section 288, paragraph (1) of subdivision (b) or subdivision (c) or (d) of Section 286, paragraph (1) of subdivision (b) or subdivision (c) or (d) of Section 288a, subdivision (2) of Section 261, or subdivision (a) of Section 289; or any offense under Section 264.1 involving rape in concert with force or fear of bodily injury or penetration by any foreign object in concert with force or fear of bodily injury.

(2) Any person who is discharged or paroled from the Youth Authority to the custody of which he or she was committed after having been adjudicated a ward of the court pursuant to Section 602 of the Welfare and Institutions Code because of the commission or attempted commission of the offense set forth in Section 647.6, occurring on or after January 1, 1988, shall be subject to registration under the procedures of this section.

(3) Prior to discharge or parole from the Youth Authority, all persons subject to registration shall be informed of the duty to register under the procedures set forth in this section. Youth Authority officials shall transmit the required forms and information to the Department of Justice.

(4) The duty to register under this section for offenses adjudicated by a juvenile court shall terminate when a person reaches the age of 25.

(5) All records specifically relating to the registration in the custody of the Department of Justice, law enforcement agencies, and other agencies or public officials shall be destroyed when the person required to register attains the age of 25 or has his or her records sealed under the procedures set forth in Section 781 of the Welfare and Institutions Code, whichever event occurs first. This subdivision shall not be construed as requiring the destruction of other criminal offender or juvenile records relating to the case which are maintained by the Department of Justice, law enforcement agencies, the juvenile court, or other agencies and public officials unless ordered by a court under Section 781 of the Welfare and Institutions Code.

(e) The registration shall consist of (a) a statement in writing signed by the person, giving such information as may be required by the Department of Justice, and (b) the fingerprints and photograph of the person. Within three days thereafter, the registering law enforcement agency shall forward the statement, fingerprints, and photograph to the Department of Justice.

(f) If any person required to register pursuant to this section changes his or her residence address, the person shall inform, in writing within 10 days, the law enforcement agency with whom he or she last registered of the new address. The law enforcement agency shall, within three days after receipt of this information,

forward it to the Department of Justice. The Department of Justice shall forward appropriate registration data to the law enforcement agency having local jurisdiction of the new place of residence.

(g) Any person required to register under this section who violates any of its provisions is guilty of a misdemeanor. Any person who has been convicted of assault with intent to commit rape, oral copulation, or sodomy, or of any violation of Section 261, 264.1, 286, 288, 288a, or 289, and who is required to register under this section who willfully violates any of the provisions of this section is guilty of a misdemeanor and shall be sentenced to serve a term of not less than 90 days nor more than one year in the county jail. In no event does the court have the power to absolve a person who willfully violates this section from the obligation of spending at least 90 days of confinement in the county jail and of completing probation of at least one year.

(h) Whenever any person is released on parole or probation and is required to register under this section but fails to do so within the time prescribed, the Board of Prison Terms, the Youthful Offender Parole Board, or the court, as the case may be, shall order the parole or probation of the person revoked.

(i) The statements, photographs, and fingerprints herein required shall not be open to inspection by the public or by any person other than a regularly employed peace or other law enforcement officer.

(j) In any case in which a person who would be required to register pursuant to this section for a felony conviction is to be temporarily sent outside the institution where he or she is confined on any assignment within a city or county including fire fighting, disaster control, or of whatever nature the assignment may be, the local law enforcement agency having jurisdiction over the place or places where the assignment shall occur shall be notified within a reasonable time prior to removal from the institution. This provision does not apply to any person temporarily released under guard from the institution where he or she is confined.

(k) As used in this section, "mentally disordered sex offender" includes any person who has been determined to be a sexual psychopath or a mentally disordered sex offender under any provision which, on or before January 1, 1976, was contained in Division 6 (commencing with Section 6000) of the Welfare and Institutions Code.

(*l*) Every person who, prior to January 1, 1985, is required to register under this section, shall be notified whenever he or she next reregisters of the reduction of the registration period from 30 to 14 days. This notice shall be provided in writing by the registering agency. Failure to receive this notification shall be a defense against the penalties prescribed by subdivision (f) if the person did register within 30 days.

SEC. 4. Section 647a of the Penal Code is amended and renumbered to read:

647.6. Every person who annoys or molests any child under the age of 18 is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both the fine and imprisonment. Every person who violates this section after having entered, without consent, an inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction or upon the first conviction after a previous conviction under Section 288 by imprisonment in the state prison.

SEC. 4.1. Section 647a of the Penal Code is amended and renumbered to read:

647.6. Every person who annoys or molests any child under the age of 18 is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both the fine and imprisonment. Every person who violates this section after having entered, without consent, an inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction by imprisonment in the state prison. Every person who violates this section after a previous felony conviction under this section, conviction under Section 288, or felony conviction under Section 311.4 involving a minor under the age of 14 years is punishable by imprisonment in the state prison for two, four, or six years.

SEC. 4.2. Section 647a of the Penal Code is amended and renumbered to read:

647.6. Every person who annoys or molests any child under the age of 18 is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both the fine and imprisonment. Every person who violates this section after having entered, without consent, an inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction or upon the first conviction after a previous conviction under Section 288 by imprisonment in the state prison. In any case in which a person is convicted of violating this section and probation is granted, the court shall require counseling as a condition of probation, unless the court makes a written statement in the court record, that counseling would be inappropriate or ineffective.

SEC. 4.3. Section 647a of the Penal Code is amended and renumbered to read:

647.6. Every person who annoys or molests any child under the age of 18 is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for not exceeding one year or by both the fine and imprisonment. Every person who violates this section after having entered, without consent, an inhabited dwelling house, or trailer coach as defined in Section 635 of the Vehicle Code, or the inhabited portion of any other building, is punishable by imprisonment in the state prison, or in the county jail not exceeding one year. Every person who violates this section is punishable upon the second and each subsequent conviction by imprisonment in the state prison. Every person who violates this section after a previous felony conviction under this section, conviction under Section 288, or felony conviction under Section 311.4 involving a minor under the age of 14 years is punishable by imprisonment in the state prison for two, four, or six years. In any case in which a person is convicted of violating this section and probation is granted, the court shall require counseling as a condition of probation, unless the court makes a written statement in the court record, that counseling would be inappropriate or ineffective.

SEC. 5. Section 802 of the Penal Code is amended to read:

802. (a) Except as provided in subdivision (b), prosecution for an offense not punishable by death or imprisonment in the state prison shall be commenced within one year after commission of the offense.

(b) Prosecution for a misdemeanor violation of Section 647.6 or former Section 647a, committed with or upon a minor under the age of 11, shall be commenced within two years after commission of the offense.

SEC. 6. Section 868.5 of the Penal Code is amended to read:

868.5. (a) Notwithstanding any other provision of law, a prosecuting witness 16 years of age or under in a case involving a violation of Section 243.4, 261, 273a, 273d, 285, 286, 288, 288a, 289, 647.6, or former Section 647a, or a violation of subdivision (1) of Section 314, shall be entitled for support to the attendance of up to two family members of his or her own choosing, one of whom may be a witness, at the preliminary hearing and at the trial, during the testimony of the prosecuting witness. Only one of those support persons may accompany the witness to the witness stand, although the other may remain in the courtroom during the witness' testimony. The person or persons so chosen shall not be a person described in Section 1070 of the Evidence Code unless the person or persons are related to the prosecuting witness as a parent, guardian, or sibling and do not make notes during the hearing.

(b) If the person or persons so chosen are also prosecuting witnesses, the prosecution shall present evidence that the person's attendance is both desired by the prosecuting witness for support and will be helpful to the prosecuting witness. Upon that showing, the court shall grant the request unless information presented by the defendant or noticed by the court establishes that the support

person's attendance during the testimony of the prosecuting witness would pose a substantial risk of influencing or affecting the content of that testimony.

(c) The testimony of the person or persons so chosen who are also prosecuting witnesses shall be presented before the testimony of the prosecuting witness. The prosecuting witness shall be excluded from the courtroom during that testimony. Whenever the evidence given by that person or those persons would be subject to exclusion because given before the corpus delicti has been established, the evidence shall be admitted subject to the court's or the defendant's motion to strike that evidence from the record if the corpus delicti is not later established by the testimony of the prosecuting witness.

SEC. 6.5. Section 868.5 of the Penal Code is amended to read:

868.5. (a) Notwithstanding any other provision of law, a prosecuting witness 16 years of age or under in a case involving a violation of Section 243.4, 261, 273a, 273d, 285, 286, 288, 288a, 289, 647.6, or former Section 647a, or a violation of subdivision (1) of Section 314, shall be entitled for support to the attendance of up to two family members of his or her own choosing, one of whom may be a witness, at the preliminary hearing and at the trial, or at a juvenile court proceeding, during the testimony of the prosecuting witness. Only one of those support persons may accompany the witness to the witness stand, although the other may remain in the courtroom during the witness' testimony. The person or persons so chosen shall not be a person described in Section 1070 of the Evidence Code unless the person or persons are related to the prosecuting witness as a parent, guardian, or sibling and do not make notes during the hearing or proceeding.

(b) If the person or persons so chosen are also prosecuting witnesses, the prosecution shall present evidence that the person's attendance is both desired by the prosecuting witness for support and will be helpful to the prosecuting witness. Upon that showing, the court shall grant the request unless information presented by the defendant or noticed by the court establishes that the support person's attendance during the testimony of the prosecuting witness would pose a substantial risk of influencing or affecting the content of that testimony. In the case of a juvenile court proceeding, the judge shall inform the support person or persons that juvenile court proceedings are confidential and may not be discussed with anyone not in attendance at the proceedings. In all cases, the judge shall admonish the support person or persons to not prompt, sway, or influence the minor witness in any way.

(c) The testimony of the person or persons so chosen who are also prosecuting witnesses shall be presented before the testimony of the prosecuting witness. The prosecuting witness shall be excluded from the courtroom during that testimony. Whenever the evidence given by that person or those persons would be subject to exclusion because given before the corpus delicti has been established, the evidence shall be admitted subject to the court's or the defendant's motion to

strike that evidence from the record if the corpus delicti is not later established by the testimony of the prosecuting witness.

SEC. 7. Section 868.8 of the Penal Code is amended to read:

868.8. Notwithstanding any other provision of law, in any criminal proceeding in which the defendant is charged with a violation of Section 243.4, 261, 273a, 273d, 285, 286, 288, 288a, or 289, subdivision (1) of Section 314, Section 647.6, or former Section 647a, committed with or upon a minor under the age of 11, the court shall take special precautions to provide for the comfort and support of the minor and to protect the minor from coercion, intimidation, or undue influence as a witness, including, but not limited to, any of the following:

(a) In the court's discretion, the witness may be allowed reasonable periods of relief from examination and cross-examination during which he or she may retire from the courtroom. The judge may also allow other witnesses in the proceeding to be examined when the child witness retires from the courtroom.

(b) Notwithstanding Section 68110 of the Government Code, in his or her discretion, the judge may remove his or her robe if the judge believes that this formal attire intimidates the minor.

(c) In the court's discretion the judge, parties, witnesses, support persons, and court personnel may be relocated within the courtroom to facilitate a more comfortable and personal environment for the child witness.

(d) In the court's discretion, the taking of the child's testimony may be limited to the hours during which the child is normally in school, if there is no good cause to take the child's testimony during other hours.

SEC. 8. Section 11105.3 of the Penal Code is amended to read:

11105.3. (a) Notwithstanding any other provision of law, an employer may request from the Department of Justice records of all convictions involving any sex crimes, drug crimes, or crimes of violence of a person who applies for employment or volunteers for a position in which he or she would have supervisory or disciplinary power over a minor. The department shall furnish the information to the requesting employer and shall also send a copy of the information to the applicant.

(b) Any request for records under subdivision (a) shall include the applicant's fingerprints, which may be taken by the employer, and any other data specified by the department. The request shall be on a form approved by the department, and the department may charge a fee to be paid by the employer for the actual cost of processing the request. However, no fee shall be charged a nonprofit organization for processing the request. The department shall destroy an application within six months after the requested information is sent to the employer and applicant.

(c) The department shall adopt regulations to implement the provisions of this section.

(d) As used in this section "employer" means any nonprofit

corporation or other organizations specified by the Attorney General which employs or uses the services of volunteers in positions in which the volunteer or employee has supervisory or disciplinary power over a child or children.

(e) As used in this section "sex crime" means a conviction for a violation or attempted violation of Section 220, 261, 261.5, 264.1, 267, 272, 273a, 273d, 285, 286, 288, 288a, 289, 314, 647.6, or former Section 647a, or subdivision (d) of Section 647, or commitment as a mentally disordered sex offender under the provisions of former Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code.

(f) As used in this section, "drug crime" means any felony or misdemeanor conviction, within 10 years of the date of the employer's request under subdivision (a), for a violation or attempted violation of the California Uniform Controlled Substances Act contained in Division 10 (commencing with Section 11000) of the Health and Safety Code, provided that no record of a misdemeanor conviction shall be transmitted to the employer unless the subject of the request has a total of three or more misdemeanor or felony convictions defined in subdivision (f) or (g) within the 10-year period.

(g) As used in this section, "crime of violence" means any felony or misdemeanor conviction within 10 years of the date of the employer's request under subdivision (a), for any of the offenses specified in subdivision (c) of Section 667.5 or a violation or attempted violation of Chapter 3 (commencing with Section 207), Chapter 8 (commencing with Section 236), or Chapter 9 (commencing with Section 240) of Title 8 of Part 1, provided that no record of a misdemeanor conviction shall be transmitted to the employer unless the subject of the request has a total of three or more misdemeanor or felony convictions defined in subdivision (f) or (g) within the 10-year period.

(h) Conviction for a violation or attempted violation of an offense committed outside the State of California is a sex crime, drug crime, or crime of violence if the offense would have been a crime as defined in this section if committed in California.

SEC. 9. Section 11165 of the Penal Code is amended to read:

11165. As used in this article:

(a) "Child" means a person under the age of 18 years.

(b) "Sexual abuse" means sexual assault or sexual exploitation as defined by the following:

(1) "Sexual assault" means conduct in violation of one or more of the following sections of this code: Section 261 (rape), 264.1 (rape in concert), 285 (incest), 286 (sodomy), subdivision (a) or (b) of Section 288 (lewd or lascivious acts upon a child under 14 years of age), 288a (oral copulation), 289 (penetration of a genital or anal opening by a foreign object), or 647.6 or former Section 647a (child molestation).

(2) "Sexual exploitation" refers to any of the following:

(A) Conduct involving matter depicting a minor engaged in obscene acts in violation of Section 311.2 (preparing, selling, or distributing obscene matter) or subdivision (a) of Section 311.4 (employment of minor to perform obscene acts).

(B) Any person who knowingly promotes, aids, or assists, employs, uses, persuades, induces, or coerces a child, or any parent or guardian of a child under his or her control who knowingly permits or encourages a child to engage in, or assist others to engage in, prostitution or to either pose or model alone or with others for purposes of preparing a film, photograph, negative, slide, or live performance involving obscene sexual conduct for commercial purposes.

(C) Any person who depicts a child in, or who knowingly develops, duplicates, prints, or exchanges, any film, photograph, video tape, negative, or slide in which a child is engaged in an act of obscene sexual conduct, except for those activities by law enforcement and prosecution agencies and other persons described in subdivisions (c) and (e) of Section 311.3.

(c) "Neglect" means the negligent treatment or the maltreatment of a child by a person responsible for the child's welfare under circumstances indicating harm or threatened harm to the child's health or welfare. The term includes both acts and omissions on the part of the responsible person.

(1) "Severe neglect" means the negligent failure of a person having the care or custody of a child to protect the child from severe malnutrition or medically diagnosed nonorganic failure to thrive. "Severe neglect" also means those situations of neglect where any person having the care or custody of a child willfully causes or permits the person or health of the child to be placed in a situation such that his or her person or health is endangered, as proscribed by subdivision (d), including the intentional failure to provide adequate food, clothing, shelter, or medical care.

(2) "General neglect" means the negligent failure of a person having the care or custody of a child to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred.

For the purposes of this chapter, a child receiving treatment by spiritual means as provided in Section 16509.1 of the Welfare and Institutions Code or not receiving specified medical treatment for religious reasons, shall not for that reason alone be considered a neglected child. An informed and appropriate medical decision made by parent or guardian after consultation with a physician or physicians who have examined the minor shall not constitute neglect.

(d) "Willful cruelty or unjustifiable punishment of a child" means a situation where any person willfully causes or permits any child to suffer, or inflicts thereon, unjustifiable physical pain or mental suffering, or having the care or custody of any child, willfully causes or permits the person or health of the child to be placed in a situation

such that his or her person or health is endangered.

(e) "Corporal punishment or injury" means a situation where any person willfully inflicts upon any child any cruel or inhuman corporal punishment or injury resulting in a traumatic condition.

(f) "Abuse in out-of-home care" means a situation of physical injury on a child which is inflicted by other than accidental means, or of sexual abuse or neglect, or corporal punishment or injury, or the willful cruelty or unjustifiable punishment of a child, as defined in this article, where the person responsible for the child's welfare is a licensee, administrator, or employee of a licensed community care or child day care facility, or the administrator or an employee of a public or private school, or other institution or agency.

(g) "Child abuse" means a physical injury which is inflicted by other than accidental means on a child by another person. "Child abuse" also means the sexual abuse of a child or any act or omission proscribed by Section 273a (willful cruelty or unjustifiable punishment of a child) or 273d (corporal punishment or injury). "Child abuse" also means the neglect of a child or abuse in out-of-home care, as defined in this article.

(h) "Child care custodian" means a teacher, administrative officer, supervisor of child welfare and attendance, or certificated pupil personnel employee of any public or private school; an administrator of a public or private day camp; a licensee, an administrator, or an employee of a community care facility licensed to care for children; headstart teacher; a licensing worker or licensing evaluator; public assistance worker; an employee of a child care institution including, but not limited to, foster parents, group home personnel and personnel of residential care facilities; a social worker or a probation officer or any person who is an administrator or presenter of, or a counselor in, a child abuse presentation program in any public or private school.

(i) "Medical practitioner" means a physician and surgeon, psychiatrist, psychologist, dentist, resident, intern, podiatrist, chiropractor, licensed nurse, dental hygienist, optometrist, or any other person who is currently licensed under Division 2 (commencing with Section 500) of the Business and Professions Code, any emergency medical technician I or II, paramedic, or other person certified pursuant to Division 2.5 (commencing with Section 1797) of the Health and Safety Code, or a psychological assistant registered pursuant to Section 2913 of the Business and Professions Code.

(j) "Nonmedical practitioner" means a state or county public health employee who treats a minor for venereal disease or any other condition; a coroner; a marriage, family, or child counselor; or a religious practitioner who diagnoses, examines, or treats children.

(k) "Child protective agency" means a police or sheriff's department, a county probation department, or a county welfare department.

(*l*) "Commercial film and photographic print processor" means

any person who develops exposed photographic film into negatives, slides, or prints, or who makes prints from negatives or slides, for compensation. The term includes any employee of such a person; it does not include a person who develops film or makes prints for a public agency.

SEC. 9.2. Section 3.1 of this bill incorporates amendments to Section 290 of the Penal Code proposed by both this bill and AB 1407. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 290 of the Penal Code, and (3) this bill is enacted after AB 1407, in which case Section 3 of this bill shall not become operative.

SEC. 9.3. (a) Section 4.1 this bill incorporates amendments to Section 647a of the Penal Code proposed by both this bill and SB 1052. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 647a of the Penal Code, and (3) AB 2441 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after SB 1052, in which case Sections 4, 4.2, and 4.3 of this bill shall not become operative.

(b) Section 4.2 of this bill incorporates amendments to Section 647a of the Penal Code proposed by both this bill and AB 2441. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 647a of the Penal Code, (3) SB 1052 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after AB 2441 in which case Sections 4, 4.1, and 4.3 of this bill shall not become operative.

(c) Section 4.3 of this bill incorporates amendments to Section 647a of the Penal Code proposed by this bill, SB 1052, and AB 2441. It shall only become operative if (1) all three bills are enacted and become effective January 1, 1988, (2) all three bills amend Section 647a of the Penal Code, (3) this bill is enacted after SB 1052 and AB 2441, in which case Sections 4, 4.1, and 4.2 of this bill shall not become operative.

SEC. 9.5. Section 6.5 of this bill incorporates amendments to Section 868.5 of the Penal Code proposed by both this bill and AB 1068. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 868.5 of the Penal Code, and (3) this bill is enacted after AB 1068, in which case Section 6 of this bill shall not become operative.

SEC. 10. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant

to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1419

An act to add Section 22232 to the Education Code, relating to the State Teachers' Retirement System.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 22232 is added to the Education Code, to read:

22232. (a) Any tax sheltered annuity program advertised, promoted, offered, or operated by the system shall provide for recovery of all costs and expenses of its own operation including, but not limited to, advertising, promotion, legal, accounting, recordkeeping, and investment costs and expenses and it shall not be subsidized, in any respect whatsoever, by the Teachers' Retirement Fund.

(b) The system shall not utilize its member mailing list for the purpose of transmitting information dedicated solely to advertising or marketing this program.

CHAPTER 1420

An act to add Article 9 (commencing with Section 12650) to Chapter 6 of Division 3 of Title 2 of the Government Code, relating to claims against the state.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Article 9 (commencing with Section 12650) is added to Chapter 6 of Division 3 of Title 2 of the Government Code, to read.

Article 9. False Claims Actions

12650. For purposes of this article:

(a) "Claim" includes any request or demand for money, property,

or services made to any employee, officer, or agent of the state or of any political subdivision, or to any contractor, grantee, or other recipient, whether under contract or not, if any portion of the money, property, or services requested or demanded issued from, or was provided by, the state (hereinafter "state funds") or by any political subdivision thereof (hereinafter "political subdivision funds").

(b) "Knowing" and "knowingly" mean that a person, with respect to information, does any of the following:

(1) Has actual knowledge of the information.

(2) Acts in deliberate ignorance of the truth or falsity of the information.

(3) Acts in reckless disregard of the truth or falsity of the information.

Proof of specific intent to defraud is not required.

(c) "Political subdivision" includes any city, city and county, county, tax or assessment district, or other legally authorized local governmental entity with jurisdictional boundaries.

(d) "Prosecuting authority" refers to the county counsel, city attorney, or other local government official charged with investigating, filing, and conducting civil legal proceedings on behalf of, or in the name of, a particular political subdivision.

(e) "Person" includes any natural person, corporation, firm, association, organization, partnership, business, or trust.

12651. (a) Any person who commits any of the following acts shall be liable to the state or to the political subdivision for three times the amount of damages which the state or the political subdivision sustains because of the act of that person. A person who commits any of the following acts shall also be liable to the state or to the political subdivision for the costs of a civil action brought to recover any of those penalties or damages, and may be liable to the state or political sudivision for a civil penalty of up to ten thousand dollars ($10,000) for each false claim:

(1) Knowingly presents or causes to be presented to an officer or employee of the state or of any political subdivision thereof, a false claim for payment or approval.

(2) Knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the state or by any political subdivision.

(3) Conspires to defraud the state or any political subdivision by getting a false claim allowed or paid by the state or by any political subdivision.

(4) Has possession, custody, or control of public property or money used or to be used by the state or by any political subdivision and knowingly delivers or causes to be delivered less property than the amount for which the person receives a certificate or receipt.

(5) Is authorized to make or deliver a document certifying receipt of property used or to be used by the state or by any political subdivision and knowingly makes or delivers a receipt that falsely

represents the property used or to be used.

(6) Knowingly buys, or receives as a pledge of an obligation or debt, public property from any person who lawfully may not sell or pledge the property.

(7) Knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the state or to any political subdivision.

(8) Is a beneficiary of an inadvertent submission of a false claim to the state or a political subdivision, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the state or the political subdivision within a reasonable time after discovery of the false claim.

(b) Notwithstanding subdivision (a), the court may assess not less than two times and not more than three times the amount of damages which the state or the political subdivision sustains because of the act of the person described in that subdivision, and no civil penalty, if the court finds all of the following:

(1) The person committing the violation furnished officials of the state or of the political subdivision responsible for investigating false claims violations with all information known to that person about the violation within 30 days after the date on which the person first obtained the information.

(2) The person fully cooperated with any investigation by the state or a political subdivision of the violation.

(3) At the time the person furnished the state or the political subdivision with information about the violation, no criminal prosecution, civil action, or administrative action had commenced with respect to the violation, and the person did not have actual knowledge of the existence of an investigation into the violation.

(c) Liability under this section shall be joint and several for any act committed by two or more persons.

(d) This section does not apply to any controversy involving an amount of less than five hundred dollars ($500) in value. For purposes of this subdivision, "controversy" means any one or more false claims submitted by the same person in violation of this article.

(e) This section does not apply to claims, records, or statements made pursuant to Division 3.6 (commencing with Section 810) of Title 1 or to workers' compensation claims filed pursuant to Division 4 (commencing with Section 3200) of the Labor Code.

(f) This section does not apply to claims, records, or statements made under the Revenue and Taxation Code.

12652. (a) (1) The Attorney General shall diligently investigate violations under Section 12651 involving state funds. If the Attorney General finds that a person has violated or is violating Section 12651, the Attorney General may bring a civil action under this section against that person.

(2) If the Attorney General brings a civil action under this subdivision on a claim involving political subdivision funds as well as

state funds, the Attorney General shall, on the same date that the complaint is filed in this action, serve by mail with "return receipt request" a copy of the complaint on the appropriate prosecuting authority.

(3) The prosecuting authority shall have the right to intervene in an action brought by the Attorney General under this subdivision within 60 days after receipt of the complaint pursuant to paragraph (2). The court may permit intervention thereafter upon a showing that all of the requirements of Section 387 of the Code of Civil Procedure have been met.

(b) (1) The prosecuting authority of a political subdivision shall diligently investigate violations under Section 12651 involving political subdivision funds. If the prosecuting authority finds that a person has violated or is violating Section 12651, the prosecuting authority may bring a civil action under this section against that person.

(2) If the prosecuting authority brings a civil action under this section on a claim involving state funds as well as political subdivision funds, the prosecuting authority shall, on the same date that the complaint is filed in this action, serve a copy of the complaint on the Attorney General.

(3) Within 60 days after receiving the complaint pursuant to paragraph (2), the Attorney General shall do either of the following:

(A) Notify the court that it intends to proceed with the action, in which case the Attorney General shall assume primary responsibility for conducting the action and the prosecuting authority shall have the right to continue as a party.

(B) Notify the court that it declines to take over the action, in which case the prosecuting authority shall have the right to conduct the action.

(c) (1) A person may bring a civil action for a violation of this article for the person and either for the State of California in the name of the state, if any state funds are involved, or for a political subdivision in the name of the political subdivision, if political subdivision funds are exclusively involved. The person bringing the action shall be referred to as the qui tam plaintiff. Once filed, the action may be dismissed only with the written consent of the court, taking into account the best interests of the parties involved and the public purposes behind this act.

(2) A complaint filed by a private person under this subdivision shall be filed in superior court in camera and may remain under seal for up to 60 days. No service shall be made on the defendant until after the complaint is unsealed.

(3) On the same day as the complaint is filed pursuant to paragraph (2), the qui tam plaintiff shall serve by mail with "return receipt requested" the Attorney General with a copy of the complaint and a written disclosure of substantially all material evidence and information the person possesses.

(4) Within 60 days after receiving a complaint alleging violations

which involve state funds but not political subdivision funds, the Attorney General shall do either of the following:

(A) Notify the court that it intends to proceed with the action, in which case the seal shall be lifted.

(B) Notify the court that it declines to take over the action, in which case the seal shall be lifted and the qui tam plaintiff shall have the right to conduct the action.

(5) (A) Within 15 days after receiving a complaint alleging violations which exclusively involve political subdivision funds, the Attorney General shall forward the complaint and written disclosure to the appropriate prosecuting authority for disposition and shall notify the qui tam plaintiff of the transfer.

(B) Within 45 days after the Attorney General forwards the complaint and written disclosure pursuant to subparagraph (A), the prosecuting authority shall do either of the following:

(i) Notify the court that it intends to proceed with the action, in which case the seal shall be lifted.

(ii) Notify the court that it declines to take over the action, in which case the seal shall be lifted and the qui tam plaintiff shall have the right to conduct the action.

(6) (A) Within 15 days after receiving a complaint alleging violations which involve both state and political subdivision funds, the Attorney General shall forward copies of the complaint and written disclosure to the appropriate prosecuting authority, and shall coordinate its review and investigation with those of the prosecuting authority.

(B) Within 60 days after receiving a complaint alleging violations which involve both state and political subdivision funds, the Attorney General shall do either of the following:

(i) Notify the court that it intends to proceed with the action, in which case the seal shall be lifted.

(ii) Notify the court that it declines to take over the action but that the prosecuting authority of the political subdivision involved intends to proceed with the action, in which case the seal shall be lifted and the action shall be conducted by the prosecuting authority.

(iii) Notify the court that both it and the prosecuting authority decline to take over the action, in which case the seal shall be lifted and the qui tam plaintiff shall have the right to conduct the action.

(C) If the Attorney General proceeds with the action pursuant to clause (i) of subparagraph (B), the political subdivision shall be permitted to intervene in the action within 60 days after the Attorney General notifies the court of its intentions. The court may authorize intervention thereafter upon a showing that all the requirements of Section 387 of the Code of Civil Procedure have been met.

(7) Upon a showing of good cause and reasonable diligence in its investigation, the Attorney General or the prosecuting authority of a political subdivision may move the court for extensions of the time during which the complaint remains under seal, but in no event may

the complaint remain under seal for longer than 90 days.

(8) When a person brings an action under this subdivision, no other person may bring a related action based on the facts underlying the pending action.

(d) (1) No court shall have jurisdiction over an action brought under subdivision (c) against a member of the State Senate or Assembly, a member of the state judiciary, an elected official in the executive branch of the state, or a member of the governing body of any political subdivision if the action is based on evidence or information known to the state or political subdivision when the action was brought.

(2) In no event may a person bring an action under subdivision (c) which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the state or political subdivision is already a party.

(3) (A) No court shall have jurisdiction over an action under this article based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in an investigation, report, hearing, or audit conducted by or at the request of the Senate, Assembly, auditor, or governing body of a political subdivision, or from the news media, unless the action is brought by the Attorney General or the prosecuting authority of a political subdivision, or the person bringing the action is an original source of the information.

(B) For purposes of subparagraph (A), "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based, who voluntarily provided the information to the state or political subdivision before filing an action based on that information, and whose information provided the basis or catalyst for the investigation, hearing, audit, or report which led to the public disclosure as described in subparagraph (A).

(4) No court shall have jurisdiction over an action brought under subsection (c) based upon information discovered by a present or former employee of the state or a political subdivision during the course of his or her employment, unless that employee first in good faith exhausted existing internal procedures for reporting and seeking recovery of such falsely claimed sums through official channels and unless the state or political subdivision failed to act on the information provided within a reasonable period of time.

(e) (1) If the state or political subdivision proceeds with the action, it shall have the primary responsibility for prosecuting the action. The qui tam plaintiff shall have the right to continue as a full party to the action.

(2) (A) The state or political subdivision may seek to dismiss the action for good cause notwithstanding the objections of the qui tam plaintiff if the qui tam plaintiff has been notified by the state or political subdivision of the filing of the motion and the court has provided the qui tam plaintiff with an opportunity to oppose the

motion and present evidence at a hearing.

(B) The state or political subdivision may settle the action with the defendant notwithstanding the objections of the qui tam plaintiff if the court determines, after a hearing providing the qui tam plaintiff an opportunity to present evidence, that the proposed settlement is fair, adequate, and reasonable under all of the circumstances.

(f) (1) If the state or political subdivision elects not to proceed, the qui tam plaintiff shall have the same right to conduct the action as the Attorney General or prosecuting authority would have had if it had chosen to proceed under subdivision (c). If the state or political subdivision so requests, and at its expense, the state or political subdivision shall be served with copies of all pleadings filed in the action and supplied with copies of all deposition transcripts.

(2) (A) Upon timely application, the court shall permit the state or political subdivision to intervene in an action with which it had initially declined to proceed if the interest of the state or political subdivision in recovery of the property or funds involved is not being adequately represented by the qui tam plaintiff.

(B) If the state or political subdivision is allowed to intervene under paragraph (A), the qui tam plaintiff shall retain principal responsibility for the action and the recovery of the parties shall be determined as if the state or political subdivision had elected not to proceed.

(g) (1) (A) If the Attorney General initiates an action pursuant to subdivision (a) or assumes control of an action initiated by a prosecuting authority pursuant to subparagraph (A) of paragraph (3) of subdivision (b), the office of the Attorney General shall receive a fixed 33 percent of the proceeds of the action or settlement of the claim, which funds shall be used to support its ongoing investigation and prosecution of false claims.

(B) If a prosecuting authority initiates and conducts an action pursuant to subdivision (b), the office of the prosecuting authority shall receive a fixed 33 percent of the proceeds of the action or settlement of the claim, which funds shall be used to support its ongoing investigation and prosecution of false claims.

(C) If a prosecuting authority intervenes in an action initiated by the Attorney General pursuant to paragraph (3) of subdivision (a) or remains a party to an action assumed by the Attorney General pursuant to subparagraph (A) of paragraph (3) of subdivision (b), the court may award the office of the prosecuting authority a portion of the Attorney General's fixed 33 percent of the recovery under subparagraph (A), taking into account the prosecuting authority's role in investigating and conducting the action.

(2) If the state or political subdivision proceeds with an action brought by a qui tam plaintiff under subdivision (c), the qui tam plaintiff shall, subject to paragraphs (4) and (5), receive at least 15 percent but not more than 33 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the

qui tam plaintiff substantially contributed to the prosecution of the action. When it conducts the action, the Attorney General's office or the office of the prosecuting authority of the political subdivision shall receive a fixed 33 percent of the proceeds of the action or settlement of the claim, which funds shall be used to support its ongoing investigation and prosecution of false claims made against the state or political subdivision. When both the Attorney General and a prosecuting authority are involved in a qui tam action pursuant to subparagraph (C) of paragraph (6) of subdivision (c), the court at its discretion may award the prosecuting authority a portion of the Attorney General's fixed 33 percent of the recovery, taking into account the prosecuting authority's contribution to investigating and conducting the action.

(3) If the state or political subdivision does not proceed with an action under subdivision (c), the qui tam plaintiff shall, subject to paragraphs (4) and (5), receive an amount which the court decides is reasonable for collecting the civil penalty and damages on behalf of the government. The amount shall be not less than 25 percent and not more than 50 percent of the proceeds of the action or settlement and shall be paid out of such proceeds.

(4) Where the action is one provided for under paragraph (4) of subdivision (d), the present or former employee of the state or political subdivision shall not be entitled to any minimum guaranteed recovery from the proceeds. The court, however, may award the qui tam plaintiff those sums from the proceeds as it considers appropriate, but in no case more than 33 percent of the proceeds if the state or political subdivision goes forth with the action or 50 percent if the state or political subdivision declines to go forth, taking into account the significance of the information, the role of the qui tam plaintiff in advancing the case to litigation, and the scope of, and response to, the employee's attempts to report and gain recovery of such falsely claimed funds through official channels.

(5) Where the action is one which the court finds to be based primarily on information from a present or former employee who actively participated in the fraudulent activity, the employee shall not be entitled to any minimum guaranteed recovery from the proceeds. The court, however, may award the qui tam plaintiff such sums from the proceeds as it considers appropriate, but in no case more than 33 percent of the proceeds if the state or political subdivision goes forth with the action or 50 percent if the state or political subdivision declines to go forth, taking into account the significance of the information, the role of the qui tam plaintiff in advancing the case to litigation, the scope of the present or past employee's involvement in the fraudulent activity, said employee's attempts to avoid or resist such activity, and all other circumstances surrounding the activity.

(6) The portion of the recovery not distributed pursuant to paragraphs (1) to (5), inclusive, shall revert to the state if the underlying false claims involved state funds exclusively and to the

political subdivision if the underlying false claims involved political subdivision funds exclusively. If the violation involved both state and political subdivision funds, the court shall make an apportionment between the state and political subdivision based on their relative share of the funds falsely claimed.

(7) For purposes of this section, "proceeds" include civil penalties as well as double or treble damages as provided in Section 12651.

(8) If the state, political subdivision, or the qui tam plaintiff prevails in or settles any action under subdivision (c), the qui tam plaintiff shall receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable costs and attorneys' fees. All expenses, costs, and fees shall be awarded against the defendant and under no circumstances shall they be the responsibility of the state or political subdivision.

(9) If the state or political subdivision does not proceed with the action and the qui tam plaintiff conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the qui tam plaintiff was clearly frivolous, clearly vexatious, or brought solely for purposes of harassment.

(h) The court may stay an act of discovery of the person initiating the action for a period of not more than 60 days if the Attorney General or local prosecuting authority show that the act of discovery would interfere with an investigation or a prosecution of a criminal or civil matter arising out of the same facts, regardless of whether the Attorney General or local prosecuting authority proceeds with the action. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the Attorney General or local prosecuting authority has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(i) Upon a showing by the Attorney General or local prosecuting authority that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the Attorney General's or local prosecuting's authority prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, including the following:

(1) Limiting the number of witnesses the person may call.

(2) Limiting the length of the testimony of such witnesses.

(3) Limiting the person's cross-examination of witnesses.

(4) Otherwise limiting the participation by the person in the litigation.

12653. (a) No employer shall make, adopt, or enforce any rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency or from acting in furtherance of a false claims action, including investigating, initiating, testifying, or assisting in an action filed or to be filed under

Section 12652.

(b) No employer shall discharge, demote, suspend, threaten, harass, deny promotion to, or in any other manner discriminate against, an employee in the terms and conditions of employment because of lawful acts done by the employee on behalf of the employee or others in disclosing information to a government or law enforcement agency or in furthering a false claims action, including investigation for, initiation of, testimony for, or assistance in, an action filed or to be filed under Section 12652.

(c) An employer who violates subdivision (b) shall be liable for all relief necessary to make the employee whole, including reinstatement with the same seniority status that the employee would have had but for the discrimination, two times the amount of back pay, interest on the back pay, compensation for any special damage sustained as a result of the discrimination, and, where appropriate, punitive damages. In addition, the defendant shall be required to pay litigation costs and reasonable attorneys' fees. An employee may bring an action in the appropriate superior court of the state for the relief provided in this subdivision.

(d) An employee who is discharged, demoted, suspended, harassed, denied promotion, or in any other manner discriminated against in the terms and conditions of employment by his or her employer because of participation in conduct which directly or indirectly resulted in a false claim being submitted to the state or a political subdivision shall be entitled to the remedies under subdivision (c) if, and only if, both of the following occur:

(1) The employee voluntarily disclosed information to a government or law enforcement agency or acted in furtherance of a false claims action, including investigation for, initiation of, testimony for, or assistance in an action filed or to be filed.

(2) The employee had been harassed, threatened with termination or demotion, or otherwise coerced by the employer or its management into engaging in the fraudulent activity in the first place.

12654. (a) A civil action under Section 12652 may not be filed more than three years after the date of discovery by the official of the state or political subdivision charged with responsibility to act in the circumstances or, in any event, no more than 10 years after the date on which the violation of Section 12651 is committed.

(b) A civil action under Section 12652 may be brought for activity prior to the effective date of this article if the limitations period set in subdivision (a) has not lapsed.

(c) In any action brought under Section 12652, the state, the political subdivision, or the qui tam plaintiff shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(d) Notwithstanding any other provision of law, a guilty verdict rendered in a criminal proceeding charging false statements or fraud, whether upon a verdict after trial or upon a plea of guilty or

nolo contendere, except for a plea of nolo contendere made prior to January 1, 1988, shall estop the defendant from denying the essential elements of the offense in any action which involves the same transaction as in the criminal proceeding and which is brought under subdivision (a), (b), or (c) of Section 12652.

12655. (a) The provisions of this article are not exclusive, and the remedies provided for in this article shall be in addition to any other remedies provided for in any other law or available under common law.

(b) If any provision of this article or the application thereof to any person or circumstance is held to be unconstitutional, the remainder of the article and the application of the provision to other persons or circumstances shall not be affected thereby.

(c) This article shall be liberally construed and applied to promote the public interest.

CHAPTER 1421

An act relating to health, making an appropriation therefor.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. (a) Notwithstanding subdivision (b) of Provision 1 of Item 4260-111-001 of Chapter 135 of the Statutes of 1987, and in substitution therefor, the advisory committee described in subdivision (c) shall oversee a study contracted for by the State Department of Health Services to evaluate the comparative safety from transfusion acquired infectious diseases of the following three blood platelet transfusion products:

(1) Pooled random platelet packs.

(2) Platelet pheresis concentrates derived through the hemapheresis process from volunteer donors.

(3) Platelet pheresis concentrates derived through the hemapheresis process from paid donors.

(b) The safety of the blood platelet transfusion products shall be assessed by an audit of laboratory records of consecutive blood platelet component products from blood banks which harvest platelets from volunteer and paid donors in like geographic areas. The audit shall assess the safety profiles and the percentage of platelet units rejected for laboratory testing abnormalities for each of the three blood platelet transfusion products. Laboratory tests to be reviewed shall include all of the following:

(1) Hepatitis B surface antigen.

(2) Antibody to hepatitis B core antigen.

(3) Antibody to the human immunodeficiency virus.

(4) Alanine aminotransferase (ALT) test for elevated liver enzymes.

(c) The Director of Health Services shall appoint an advisory committee (hereinafter known as the committee), composed of the following representatives to oversee the study defined in this section:

(1) The Director of the Apheresis Blood Unit Component at Scripps Clinic and Green Hospital.

(2) The Director of Blood Banks at the University of Southern California/Los Angeles County Medical Center.

(3) The Chief of Clinical Pathology, Department of Pathology, Harbor-UCLA Medical Center.

(4) The Professor of Laboratory Medicine/Director of the Transfusion Medicine Research program at the University of California, San Francisco Medical Center.

(5) The Director of the north San Diego County Blood Bank.

If any of the individuals designated in paragraphs (1) to (5), inclusive, are unable to serve, a committee composed of a minimum of three members shall be sufficient for performance of the committee's duties.

(d) The committee shall do all of the following:

(1) Establish the criteria for selecting the individuals or organizations which will be contracting with the department pursuant to subdivision (f) to complete the study.

(2) Establish the protocols for conducting the study.

(e) The members of the committee shall be reimbursed for travel and communication expenses and shall receive one hundred dollars ($100) per diem for attendance at steering committee meetings.

(f) The department, with the concurrence of the committee, shall engage in contracts necessary to complete the study required by this section. Contractors shall provide progress reports to the department and the committee as determined necessary by the committee. The members of the committee shall have no personal financial interest or direct involvement in the implementation of the study described in this section. Nothing in this section shall be construed to limit the departments' ability to contract with the universities or facilities at which the members of the committee are employed or practice.

(g) At the end of each fiscal year for which funding for the study is provided, the committee shall report its findings to the department and the Legislature.

(h) Funding for implementation of this act shall be limited to no more than two hundred thousand dollars ($200,000) per year which may be provided through, but not beyond, the 1989–90 fiscal year. Funds appropriated in subdivision (b) of Provision 1 of Items 4260-111-001 of Chapter 135 of the Statutes of 1987, in the 1987–88 Budget Act shall be expended in order to implement this section. It is the intent of the Legislature that, for subsequent fiscal years, funding shall be provided in the Budget Act, in conjunction with funding for research on lupus erythematosus, in order to implement this section.

CHAPTER 1422

An act to amend Sections 7652, 16520, 16530, 16531, and 16532 of, to amend, repeal, and add Section 9011 of, to add Section 7856 to, and to repeal Section 16521 of, the Fish and Game Code, relating to commercial fishing.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that the consumption of fish and shellfish, low in fat and rich in Omega 3 fatty acids, is a necessary part of a healthy diet, and fishermen, while working aboard a vessel, should be allowed to consume fish and shellfish that they have taken. The Legislature further finds that fish which are prohibited from being taken, or which cannot be readily identified due to cutting or filleting, must be prevented from illegally entering the marketplace, and therefore guidelines on where and how much fish shall be available for consumption aboard are necessary.

SEC. 2. Section 7652 of the Fish and Game Code is amended to read:

7652. Upon the preparation by the council, and the recommendation by the council to the secretary, of a fishery management plan or amendment thereto pursuant to the act, or upon the approval by the secretary of a fishery management plan, or amendment thereto, pursuant to the act, the director may do the following to conform state law or regulations of the commission to the fishery management plan, or amendment thereto, if the director finds that the action is necessary to achieve optimum yield in California and that it is necessary to avoid a substantial and adverse effect on the plan by that state law or the regulations in order to continue state jurisdiction pursuant to Section 1856 of the act:

(a) Adopt regulations that would make inoperative for up to one year any statute or regulation of the commission, including, but not limited to, statutes or regulations regulating bag limits, methods of take, and seasons for taking of fish for commercial purposes.

Any regulation adopted by the director pursuant to this subdivision shall specify the particular statute or regulation of the commission to be inoperative.

(b) Adopt regulations effective for up to one year governing phases of the taking of fish for commercial purposes which are not presently regulated by statute or regulation of the commission.

(c) Adopt regulations effective for up to one year governing

phases of the taking of fish for commercial purposes which are presently regulated by statute or regulation of the commission, only if the statutes or regulations are first made inoperative pursuant to subdivision (a) for the effective period of the regulations adopted by the director.

SEC. 3. Section 7856 is added to the Fish and Game Code, to read:

7856. Notwithstanding any other provision of this division, and except when prohibited by federal law, fish may be prepared for human consumption aboard a commercial fishing vessel only under the following conditions:

(a) The fish are taken under all existing commercial fishing regulations or the fish is of a species and size that can be lawfully taken under sportfishing regulations in the area where taken and are taken incidental to normal commercial fishing operations.

(b) The fish is separated from other fish and stored with other foodstuff for consumption by the crew and passengers aboard the vessel.

(c) The fish, or parts thereof, shall not be bought, sold, offered for sale, transferred to any other person, landed, brought ashore, or used for any purpose except for consumption by the crew and passengers.

(d) (1) All fish shall be maintained in such a condition that the species can be determined, and the size or weight can be determined if a size or weight limit applies, until the fish is prepared for immediate consumption.

(2) If the fish is filleted, a patch of skin shall be retained on each fillet as prescribed by the commission in the sportfishing regulations until the fish is prepared for immediate consumption.

(3) Fillets from fish possessed under sportfishing regulations shall be of the minimum length prescribed by commission regulations.

(e) No fish which may be possessed under sportfishing regulations may be possessed in excess of the sport bag limit for each crew member and passenger on board the vessel.

(f) Notwithstanding other provisions of this section, kelp bass, sand bass, spotted bass, yellowfin croaker, spotfin croaker, California corbina, marlin, or abalone which are less than the commercial size limit shall not be possessed aboard a commercial fishing vessel while that vessel is on a commercial fishing trip. Sturgeon or striped bass shall not be possessed aboard a commercial fishing vessel.

SEC. 4. Section 9011 of the Fish and Game Code is amended to read:

9011. (a) Subject to Article 6 (commencing with Section 8275) of Chapter 2, dungeness crab, as defined in Section 8275, may be taken with crab traps.

(b) Subdivision (c) does not apply to crab traps used under a permit issued pursuant to Section 9001 to take rock crab, as defined in Section 8275, south of Pillar Point in San Mateo County. No person shall possess any lobster aboard a vessel while the vessel is being used under this subdivision to take rock crab, as defined in Section 8275. Any dungeness crab taken in a crab trap used pursuant to this

subdivision to take rock crab shall be immediately returned unharmed to the waters from which it was taken.

(c) A crab trap may have any number of openings of any size; however, except as provided in subdivision (b) or (d), every crab trap shall have at least two rigid circular openings of not less than 4¼ inches, inside diameter, on the top or side of the trap. If both of the openings are located on the side of the trap, at least one of the openings shall be located so that at least one-half of the opening is in the upper half of the trap.

(d) Subdivision (c) does not apply to crab traps used south of Point Conception.

(e) This section shall remain in effect only until January 1, 1990, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1990, deletes or extends that date.

SEC. 5. Section 9011 is added to the Fish and Game Code, to read:

9011. (a) Subject to Article 6 (commencing with Section 8275) of Chapter 2, dungeness crab, as defined in Section 8275, may be taken with crab traps.

(b) Subdivision (c) does not apply to crab traps used under a permit issued pursuant to Section 9001 in Districts 19 or 118.5 to take rock crab, as defined in Section 8275. No person shall possess any lobster aboard a vessel while the vessel is being used under this subdivision to take rock crab, as defined in Section 8275.

(c) A crab trap may have any number of openings of any size; however, except as provided in subdivision (b) or (d), every crab trap shall have at least two rigid circular openings of not less than 4¼ inches, inside diameter, on the top or side of the trap. If both of the openings are located on the side of the trap, at least one of the openings shall be located so that at least one-half of the opening is in the upper half of the trap.

(d) Subdivision (c) does not apply to crab traps used south of Point Conception.

(e) This section shall become operative on January 1, 1990.

SEC. 6. Section 16520 of the Fish and Game Code is amended to read:

16520. "Klamath Fishery Management Council" means that council created pursuant to Section 46055 of Title 16 of the United States Code which is composed of one representative each from the Pacific Fishery Management Council, National Marine Fisheries Service, Department of the Interior, Oregon Department of Fish and Wildlife, California Department of Fish and Game, the Hoopa Valley Business Council, non-Hoopa Indians, the California commercial salmon fishing industry, the Oregon commercial salmon fishing industry, the Klamath River in-river sportfishing community, and the California offshore recreational fishing industry.

SEC. 7. Section 16521 of the Fish and Game Code is repealed.

SEC. 8. Section 16530 of the Fish and Game Code is amended to read:

16530. The director may enter into a mutual agreement or

compact with the Hoopa Valley Business Council and with the Bureau of Indian Affairs acting as trustee for other Klamath River Basin tribes regarding the taking of fish from the Klamath River within the exterior boundaries of the Klamath River Reservation.

SEC. 9. Section 16531 of the Fish and Game Code is amended to read:

16531. Negotiations shall take place following the completion each year of the salmon allocation agreement recommended by the Klamath Fishery Management Council, and subsequently adopted by the Pacific Fishery Management Council and the United States Department of Commerce. Any agreement or compact under this division shall reflect those allocations.

SEC. 10. Section 16532 of the Fish and Game Code is amended to read:

16532. Notwithstanding Sections 8434, 8685.5, 8685.6, and 8685.7, the compact or agreement may include provisions for commercial sales of salmon allocated to qualified Indian members of the Klamath River Indian Tribes and that the salmon may be taken by traditional Indian methods, including, but not limited to, use of gill nets, if the agreement or compact includes provisions for all of the following:

(a) Separating the salmon taken for commercial purposes from the salmon taken for subsistence use, which may include tagging or marking of the salmon to be sold.

(b) Limiting the number of the salmon to be sold.

(c) A portion of the sales to benefit the members or programs of the Klamath River Indian Tribes in accordance with the wishes of the tribes or the Bureau of Indian Affairs acting on behalf of the tribes as trustee.

SEC. 11. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1423

An act to amend Sections 669, 1170, 1170.1, and 12022.2 of, and to repeal Section 12022.2 of, the Penal Code, relating to sentences.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 669 of the Penal Code is amended to read:

669. When any person is convicted of two or more crimes, whether in the same proceeding or court or in different proceedings

or courts, and whether by judgment rendered by the same judge or by different judges, the second or other subsequent judgment upon which sentence is ordered to be executed shall direct whether the terms of imprisonment or any of them to which he is sentenced shall run concurrently or consecutively; life sentences, whether with or without the possibility of parole, may be imposed to run consecutively with one another or with any other term of imprisonment for a felony conviction. Whenever a person is committed to prison on a life sentence which is ordered to run consecutive to any determinate term of imprisonment imposed pursuant to Sections 1170, 1170.1, 667, 667.5, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9, the determinate term of imprisonment shall be served first and no part thereof shall be credited toward the person's eligibility for parole as calculated pursuant to Section 3046 or pursuant to any other section of law that establishes a minimum period of confinement under the life sentence before eligibility for parole.

In the event that the court at the time of pronouncing the second or other judgment upon such person had no knowledge of a prior existing judgment or judgments, or having knowledge, fails to determine how the terms of imprisonment shall run in relation to each other, then, upon such failure so to determine, or upon such prior judgment or judgments being brought to the attention of the court at any time prior to the expiration of 60 days from and after the actual commencement of imprisonment upon the second or other subsequent judgments, the court shall, in the absence of the defendant and within 60 days of such notice, determine how the term of imprisonment upon said second or other subsequent judgment shall run with reference to the prior incompleted term or terms of imprisonment. Upon the failure of the court so to determine how the terms of imprisonment on the second or subsequent judgment shall run, the term of imprisonment on the second or subsequent judgment shall run concurrently.

The Department of Corrections shall advise the court pronouncing the second or other subsequent judgment of the existence of all prior judgments against the defendant, the terms of imprisonment upon which have not been completely served.

SEC. 1.5. Section 669 of the Penal Code is amended to read:

669. When any person is convicted of two or more crimes, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same judge or by different judges, the second or other subsequent judgment upon which sentence is ordered to be executed shall direct whether the terms of imprisonment or any of them to which he is sentenced shall run concurrently or consecutively; life sentences, whether with or without the possibility of parole, may be imposed to run consecutively with one another or with any other term of imprisonment for a felony conviction. Whenever a person is committed to prison on a life sentence which is ordered to run

consecutive to any determinate term of imprisonment imposed pursuant to Sections 1170, 1170.1, 667, 667.5, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9, the determinate term of imprisonment shall be served first and no part thereof shall be credited toward the person's eligibility for parole as calculated pursuant to Section 3046 or pursuant to any other section of law that establishes a minimum period of confinement under the life sentence before eligibility for parole.

In the event that the court at the time of pronouncing the second or other judgment upon such person had no knowledge of a prior existing judgment or judgments, or having knowledge, fails to determine how the terms of imprisonment shall run in relation to each other, then, upon such failure so to determine, or upon such prior judgment or judgments being brought to the attention of the court at any time prior to the expiration of 60 days from and after the actual commencement of imprisonment upon the second or other subsequent judgments, the court shall, in the absence of the defendant and within 60 days of such notice, determine how the term of imprisonment upon said second or other subsequent judgment shall run with reference to the prior incompleted term or terms of imprisonment. Upon the failure of the court so to determine how the terms of imprisonment on the second or subsequent judgment shall run, the term of imprisonment on the second or subsequent judgment shall run concurrently.

The Department of Corrections shall advise the court pronouncing the second or other subsequent judgment of the existence of all prior judgments against the defendant, the terms of imprisonment upon which have not been completely served.

SEC. 2. Section 1170 of the Penal Code is amended to read:

1170. (a) (1) The Legislature finds and declares that the purpose of imprisonment for crime is punishment. This purpose is best served by terms proportionate to the seriousness of the offense with provision for uniformity in the sentences of offenders committing the same offense under similar circumstances. The Legislature further finds and declares that the elimination of disparity and the provision of uniformity of sentences can best be achieved by determinate sentences fixed by statute in proportion to the seriousness of the offense as determined by the Legislature to be imposed by the court with specified discretion.

(2) In any case in which the punishment prescribed by statute for a person convicted of a public offense is a term of imprisonment in the state prison of 16 months, two or three years; two, three, or four years; two, three, or five years; three, four, or five years; two, four, or six years; three, four, or six years; three, five, or seven years; three, six, or eight years; five, seven, or nine years; five, seven, or 11 years, or any other specification of three time periods, the court shall sentence the defendant to one of the terms of imprisonment specified unless such convicted person is given any other disposition provided by law, including a fine, jail, probation, or the suspension

of imposition or execution of sentence or is sentenced pursuant to subdivision (b) of Section 1168 because he had committed his crime prior to July 1, 1977. In sentencing the convicted person, the court shall apply the sentencing rules of the Judicial Council. The court, unless it determines that there are circumstances in mitigation of the punishment prescribed, shall also impose any other term which it is required by law to impose as an additional term. Nothing in this article shall affect any provision of law which imposes the death penalty, which authorizes or restricts the granting of probation or suspending the execution or imposition of sentence, or expressly provides for imprisonment in the state prison for life. In any case in which the amount of preimprisonment credit under Section 2900.5 or any other provision of law is equal to or exceeds any sentence imposed pursuant to this chapter, the entire sentence, including any period of parole under Section 3000, shall be deemed to have been served and the defendant shall not be actually delivered to the custody of the Director of Corrections. However, any such sentence shall be deemed a separate prior prison term under Section 667.5, and a copy of the judgment and other necessary documentation shall be forwarded to the Director of Corrections.

(b) When a judgment of imprisonment is to be imposed and the statute specifies three possible terms, the court shall order imposition of the middle term, unless there are circumstances in aggravation or mitigation of the crime. At least four days prior to the time set for imposition of judgment, either party or the victim, or the family of the victim if the victim is deceased, may submit a statement in aggravation or mitigation to dispute facts in the record or the probation officer's report, or to present additional facts. In determining whether there are circumstances that justify imposition of the upper or lower term, the court may consider the record in the case, the probation officer's report, other reports including reports received pursuant to Section 1203.03 and statements in aggravation or mitigation submitted by the prosecution, the defendant, or the victim, or the family of the victim if the victim is deceased, and any further evidence introduced at the sentencing hearing. The court shall set forth on the record the facts and reasons for imposing the upper or lower term. The court may not impose an upper term by using the fact of any enhancement upon which sentence is imposed under Section 667.5, 1170.1, 12022, 12022.4, 12022.5, 12022.6, or 12022.7 or under any other section of law. A term of imprisonment shall not be specified if imposition of sentence is suspended.

(c) The court shall state the reasons for its sentence choice on the record at the time of sentencing. The court shall also inform the defendant that as part of the sentence after expiration of the term he or she may be on parole for a period as provided in Section 3000.

(d) When a defendant subject to this section or subdivision (b) of Section 1168 has been sentenced to be imprisoned in the state prison and has been committed to the custody of the Director of Corrections, the court may, within 120 days of the date of

commitment on its own motion, or at any time upon the recommendation of the Director of Corrections or the Board of Prison Terms, recall the sentence and commitment previously ordered and resentence the defendant in the same manner as if he or she had not previously been sentenced, provided the new sentence, if any, is no greater than the initial sentence. The resentence under this subdivision shall apply the sentencing rules of the Judicial Council so as to eliminate disparity of sentences and to promote uniformity of sentencing. Credit shall be given for time served.

(e) Any sentence imposed under this article shall be subject to the provisions of Sections 3000 and 3057 and any other applicable provisions of law.

(f) (1) Within one year after the commencement of the term of imprisonment, the Board of Prison Terms shall review the sentence to determine whether the sentence is disparate in comparison with the sentences imposed in similar cases. If the Board of Prison Terms determines that the sentence is disparate, the board shall notify the judge, the district attorney, the defense attorney, the defendant, and the Judicial Council. The notification shall include a statement of the reasons for finding the sentence disparate.

Within 120 days of receipt of this information, the sentencing court shall schedule a hearing and may recall the sentence and commitment previously ordered and resentence the defendant in the same manner as if the defendant had not been sentenced previously, provided the new sentence is no greater than the initial sentence. In resentencing under this subdivision the court shall apply the sentencing rules of the Judicial Council and shall consider the information provided by the Board of Prison Terms.

(2) The review under this section shall concern the decision to deny probation and the sentencing decisions enumerated in paragraphs (2), (3), (4), and (5) of subdivision (a) of Section 1170.3 and apply the sentencing rules of the Judicial Council and the information regarding the sentences in this state of other persons convicted of similar crimes so as to eliminate disparity of sentences and to promote uniformity of sentencing.

(g) Prior to sentencing pursuant to this chapter, the court may request information from the Board of Prison Terms concerning the sentences in this state of other persons convicted of similar crimes under similar circumstances.

(h) A sentence to state prison for a determinate term for which only one term is specified, is a sentence to state prison under this section.

SEC. 3. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed

under Sections 669 and 1170, the aggregate term of imprisonment for all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, or 12022.9. The subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years.

The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section 667.5, including those offenses described in paragraph (8) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies committed while the person is confined in a state prison, or is subject to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may exceed five years. The provisions of this subdivision shall be

applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in either Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8, 667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, and 12022.9 shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, or 12022.9 or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9 if it determines that there are circumstances in mitigation of the additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be

limited, regardless of whether such enhancements are pursuant to this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 3.1. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed under Sections 669 and 1170, the aggregate term of imprisonment for all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, or 12022.9. The subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years. The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section 667.5, including those offenses described in paragraph (8) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies

committed while the person is confined in a state prison, or is subject to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may exceed five years. The provisions of this subdivision shall be applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in either Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8, 667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, and 12022.9 shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, or 12022.9 or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may

strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9 if it determines that there are circumstances in mitigation of the additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be limited, regardless of whether such enhancements are pursuant to this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 3.2. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed under Sections 669 and 1170, the aggregate term of imprisonment for all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1, and pursuant to Section 11370.2 of the Health and Safety Code. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, or 12022.9 and an enhancement imposed pursuant to Section 11370.4 or 11379.8 of the Health and Safety Code. The subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years. The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section 667.5, including those offenses described in paragraph (8) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as

defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies committed while the person is confined in a state prison, or is subject to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may exceed five years. The provisions of this subdivision shall be applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9, and the additional terms provided in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8,

667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, and 12022.9 and in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, or 12022.9, or an enhancement is being imposed pursuant to Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9, or the enhancements provided in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, if it determines that there are circumstances in mitigation of the additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be limited, regardless of whether such enhancements are pursuant to this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 3.3. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed under Sections 669 and 1170, the aggregate term of imprisonment for all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1, and pursuant to Section 11370.2 of the Health and Safety Code. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, or 12022.9 and an enhancement imposed pursuant to Section 11370.4 or 11379.8 of the Health and Safety Code. The

subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years. The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section 667.5, including those offenses described in paragraph (8) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies committed while the person is confined in a state prison, or is subject to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may exceed five years. The provisions of this subdivision shall be applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9, and the additional terms provided in Section 11370.2, 11370.4, or 11379.8 of

the Health and Safety Code, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in either Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8, 667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, and 12022.9, and in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, or 12022.9, or an enhancement is being imposed pursuant to Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9, or the enhancements provided in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, if it determines that there are circumstances in mitigation of the additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be limited, regardless of whether such enhancements are pursuant to

this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 3.4. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed under Sections 669 and 1170, the aggregate term of imprisonment for all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, or 12022.9. The subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years. The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section 667.5, including those offenses described in paragraph (8) or (9) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies committed while the person is confined in a state prison, or is subject

to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may exceed five years. The provisions of this subdivision shall be applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8, 667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, and 12022.9 shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, or 12022.9 or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6,

12022.7, and 12022.9 if it determines that there are circumstances in mitigation of the additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be limited, regardless of whether such enhancements are pursuant to this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 3.5. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed under Sections 669 and 1170, the aggregate term of imprisonment for all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, or 12022.9. The subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years. The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section 667.5, including those offenses described in paragraph (8) or (9) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term

for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies committed while the person is confined in a state prison, or is subject to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may exceed five years. The provisions of this subdivision shall be applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in either Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8, 667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, and 12022.9 shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to

subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, or 12022.9 or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9 if it determines that there are circumstances in mitigation of the additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be limited, regardless of whether such enhancements are pursuant to this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 3.6. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed under Sections 669 and 1170, the aggregate term of imprisonment for all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1, and pursuant to Section 11370.2 of the Health and Safety Code. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, or 12022.9 and an enhancement imposed pursuant to Section 11370.4 or 11379.8 of the Health and Safety Code. The subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years. The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section

667.5, including those offenses described in paragraph (8) or (9) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies committed while the person is confined in a state prison, or is subject to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may exceed five years. The provisions of this subdivision shall be applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9, and the additional terms provided in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases

of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8, 667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.8, and 12022.9 and in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, or 12022.9, or an enhancement is being imposed pursuant to Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, and 12022.9, or the enhancements provided in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, if it determines that there are circumstances in mitigation of the additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be limited, regardless of whether such enhancements are pursuant to this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 3.7. Section 1170.1 of the Penal Code is amended to read:

1170.1. (a) Except as provided in subdivision (c) and subject to Section 654, when any person is convicted of two or more felonies, whether in the same proceeding or court or in different proceedings or courts, and whether by judgment rendered by the same or by a different court, and a consecutive term of imprisonment is imposed under Sections 669 and 1170, the aggregate term of imprisonment for

all these convictions shall be the sum of the principal term, the subordinate term and any additional term imposed pursuant to Section 667, 667.5, 667.6, or 12022.1, and pursuant to Section 11370.2 of the Health and Safety Code. The principal term shall consist of the greatest term of imprisonment imposed by the court for any of the crimes, including any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, or 12022.9 and an enhancement imposed pursuant to Section 11370.4 or 11379.8 of the Health and Safety Code. The subordinate term for each consecutive offense which is not a "violent felony" as defined in subdivision (c) of Section 667.5 shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall exclude any enhancements. In no case shall the total of subordinate terms for such consecutive offenses which are not "violent felonies" as defined in subdivision (c) of Section 667.5 exceed five years. The subordinate term for each consecutive offense which is a "violent felony" as defined in subdivision (c) of Section 667.5, including those offenses described in paragraph (8) or (9) of subdivision (c) of Section 667.5, shall consist of one-third of the middle term of imprisonment prescribed for each other such felony conviction for which a consecutive term of imprisonment is imposed, and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9.

(b) When a consecutive term of imprisonment is imposed under Sections 669 and 1170 for two or more convictions for kidnapping, as defined in Section 207, involving both separate victims and separate occasions, the aggregate term shall be calculated as provided in subdivision (a), except that the subordinate term for each subsequent kidnapping conviction shall consist of the middle term for each kidnapping conviction for which a consecutive term of imprisonment is imposed and shall include one-third of any enhancements imposed pursuant to Section 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.7, 12022.75, or 12022.9. The five-year limitation on the total of subordinate terms provided in subdivision (a) shall not apply to subordinate terms for second and subsequent convictions of kidnapping, as defined in Section 207, involving separate victims and separate occasions.

(c) In the case of any person convicted of one or more felonies committed while the person is confined in a state prison, or is subject to reimprisonment for escape from such custody and the law either requires the terms to be served consecutively or the court imposes consecutive terms, the term of imprisonment for all the convictions which the person is required to serve consecutively shall commence from the time such person would otherwise have been released from prison. If the new offenses are consecutive with each other, the principal and subordinate terms shall be calculated as provided in subdivision (a), except that the total of subordinate terms may

exceed five years. The provisions of this subdivision shall be applicable in cases of convictions of more than one offense in different proceedings, and convictions of more than one offense in the same or different proceedings.

(d) When the court imposes a prison sentence for a felony pursuant to Section 1170 the court shall also impose the additional terms provided in Sections 667, 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9, and the additional terms provided in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, unless the additional punishment therefor is stricken pursuant to subdivision (h). The court shall also impose any other additional term which the court determines in its discretion or as required by law shall run consecutive to the term imposed under Section 1170. In considering the imposition of such additional term, the court shall apply the sentencing rules of the Judicial Council.

(e) When two or more enhancements under Sections 12022, 12022.4, 12022.5, 12022.7, and 12022.9 may be imposed for any single offense, only the greatest enhancement shall apply; however, in cases of penetration of a genital or anal opening by a foreign object, as defined in Section 289, oral copulation, sodomy, robbery, rape or burglary, or attempted penetration of a genital or anal opening by a foreign object, oral copulation, sodomy, robbery, rape, murder, or burglary the court may impose both (1) one enhancement for weapons as provided in either Section 12022, 12022.4, or 12022.5 and (2) one enhancement for great bodily injury as provided in either Section 12022.7 or 12022.9.

(f) The enhancements provided in Sections 667, 667.5, 667.6, 667.8, 667.85, 12022, 12022.1, 12022.2, 12022.3, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, 12022.8, and 12022.9, and in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, shall be pleaded and proven as provided by law.

(g) The term of imprisonment shall not exceed twice the number of years imposed by the trial court as the base term pursuant to subdivision (b) of Section 1170 unless the defendant stands convicted of a "violent felony" as defined in subdivision (c) of Section 667.5, or a consecutive sentence is being imposed pursuant to subdivision (b) or (c) of this section, or an enhancement is imposed pursuant to Section 667, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, or 12022.9, or an enhancement is being imposed pursuant to Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, or the defendant stands convicted of felony escape from an institution in which he or she is lawfully confined.

(h) Notwithstanding any other provision of law, the court may strike the additional punishment for the enhancements provided in Sections 667.5, 667.8, 667.85, 12022, 12022.2, 12022.4, 12022.5, 12022.6, 12022.7, 12022.75, and 12022.9, or the enhancements provided in Section 11370.2, 11370.4, or 11379.8 of the Health and Safety Code, if it determines that there are circumstances in mitigation of the

additional punishment and states on the record its reasons for striking the additional punishment.

(i) For any violation of subdivision (2) or (3) of Section 261, Section 264.1, subdivision (b) of Section 288, subdivision (a) of Section 289, or sodomy or oral copulation by force, violence, duress, menace or fear of immediate and unlawful bodily injury on the victim or another person as provided in Section 286 or 288a, the number of enhancements which may be imposed shall not be limited, regardless of whether such enhancements are pursuant to this or some other section of law. Each of such enhancements shall be a full and separately served enhancement and shall not be merged with any term or with any other enhancement.

SEC. 4. Section 12022.2 of the Penal Code, as added by Chapter 949 of the Statutes of 1982, is repealed.

SEC. 5. Section 12022.2 of the Penal Code, as added by Chapter 950 of the Statutes of 1982, is amended to read:

12022.2. Any person who, while armed with a firearm in the commission or attempted commission of any felony, has in his or her immediate possession ammunition for such firearm designed primarily to penetrate metal or armor, shall upon conviction of that felony or attempted felony, in addition and consecutive to the punishment prescribed for the felony or attempted felony, be punished by an additional term of three years.

SEC. 6. Section 1.5 of this bill incorporates amendments to Section 669 of the Penal Code proposed by both this bill and AB 1152. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1988, (2) each bill amends Section 669 of the Penal Code, and (3) this bill is enacted after AB 1152, in which case Section 1 of this bill shall not become operative.

SEC. 7. (a) Section 3.1 of this bill incorporates amendments to Section 1170.1 of the Penal Code proposed by both this bill and AB 1152. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 1170.1 of the Penal Code, and (3) AB 2504 is not enacted or as enacted does not amend that section, (4) AB 1559 is not enacted or as enacted does not amend that section and (5) this bill is enacted after AB 1152, in which case Sections 3, 3.2, 3.3, 3.4, 3.5, 3.6, and 3.7 of this bill shall not become operative.

(b) Section 3.2 of this bill incorporates amendments to Section 1170.1 of the Penal Code proposed by both this bill and AB 2504. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 1170.1 of the Penal Code, (3) AB 1152 is not enacted or as enacted does not amend that section, (4) AB 1559 is not enacted or as enacted does not amend that section and (5) this bill is enacted after AB 2504 in which case Sections 3, 3.1 and 3.3, 3.4, 3.5, 3.6, and 3.7 of this bill shall not become operative.

(c) Section 3.3 of this bill incorporates amendments to Section 1170.1 of the Penal Code proposed by this bill, AB 2504, and AB 1152.

It shall only become operative if (1) this bill, AB 2504, and AB 1152 are enacted and become effective January 1, 1988, (2) this bill, AB 2504, and AB 1152 amend Section 1170.1 of the Penal Code, (3) AB 1559 is not enacted or as enacted does not amend that section, (4) this bill is enacted after AB 2504 and AB 1152, in which case Sections 3, 3.1, 3.2, 3.4, 3.5, 3.6, and 3.7 of this bill shall not become operative.

(d) Section 3.4 of this bill incorporates amendments to Section 1170.1 of the Penal Code proposed by both this bill and AB 1559. It shall only become operative if (1) both bills are enacted and become effective January 1, 1988, (2) each bill amends Section 1170.1 of the Penal Code, (3) AB 1152 is not enacted or as enacted does not amend that section, (4) AB 2504 is not enacted or as enacted does not amend that section, and (5) this bill is enacted after AB 1559, in which case Sections 3, 3.1, 3.2, 3.3, 3.5, 3.6, and 3.7 of this bill shall not become operative.

(e) Section 3.5 of this bill incorporates amendments to Section 1170.1 of the Penal Code proposed by this bill, AB 1152, and AB 1559. It shall only become operative if (1) this bill, AB 1152, and AB 1559 are enacted and become effective January 1, 1988, (2) this bill, AB 1152, and AB 1559 amend Section 1170.1 of the Penal Code, (3) AB 2504 is not enacted or as enacted does not amend that section, (4) this bill is enacted after AB 1152 and AB 1559, in which case Sections 3, 3.1, 3.2, 3.3, 3.4, 3.6, and 3.7 of this bill shall not become operative.

(f) Section 3 6 of this bill incorporates amendments to Section 1170.1 of the Penal Code proposed by this bill, AB 2504, and AB 1559. It shall only become operative if (1) this bill, AB 2504, and AB 1559 are enacted and become effective January 1, 1988, (2) this bill, AB 2504, and AB 1559 amend Section 1170.1 of the Penal Code, (3) AB 1152 is not enacted or as enacted does not amend that section, (4) this bill is enacted after AB 2504 and AB 1559, in which case Sections 3, 3.1, 3.2, 3.3, 3.4, 3.5, and 3.7 of this bill shall not become operative.

(g) Section 3.7 of this bill incorporates amendments to Section 1170.1 of the Penal Code proposed by this bill, AB 1152, AB 1559, and AB 2504. It shall only become operative if (1) all four bills are enacted and become effective January 1, 1988, (2) all four bills amend Section 1170.1 of the Penal Code, (3) this bill is enacted after AB 1152, AB 1559, and AB 2504, in which case Sections 3, 3.1, 3.2, 3.3, 3.4, 3.5, and 3.6 of this bill shall not become operative.

CHAPTER 1424

An act to amend Section 971 of, to add Section 972.5 to, and to add Chapter 2 (commencing with Section 720) to Division 4 of, the Military and Veterans Code, relating to veterans.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Chapter 2 (commencing with Section 720) is added to Division 4 of the Military and Veterans Code, to read:

CHAPTER 2. RENDERING AND RECOVERY FOR BENEFITS

720. Every state and local public agency shall render the service or provide the benefits or assistance it provides to the public to every veteran on the same basis as to any other eligible person.

721. If any public agency which has rendered a service, provided benefits, or furnished assistance to a veteran determines that the costs of rendering the service or providing the benefits or assistance are recoverable from the Veterans' Administration, it shall refer the matter to the county veteran service officer, where applicable, for action pursuant to Section 971 and shall assist the county veteran service officer in any way.

SEC. 2. Section 971 of the Military and Veterans Code is amended to read:

971. (a) The county veteran service officer shall assist every veteran of any war of the United States and the dependents of every deceased veteran in presenting and pursuing any claim the veteran may have against the United States and in establishing the veteran's right to any privilege, preference, care, or compensation provided for by the laws of the United States or of this state.

(b) The county veteran service officer shall present and pursue claims against the United States referred by any public agency pursuant to Section 721.

SEC. 3. Section 972.5 is added to the Military and Veterans Code, to read:

972.5. (a) The Department of Veterans Affairs, may enter into an agreement with the State Department of Health Services for purposes of obtaining federal matching funds for the Department of Veterans Affairs to contribute toward the salaries and expenses of county veteran service officers for their activities which are reasonably related to the programs of the State Department of Health Services which are benefited, or realize cost avoidance, as a result of the services of those officers.

(b) The agreement entered into pursuant to this section shall provide that federal matching funds will be distributed to counties

only if the funds are available and the county maintains or increases its 1986–87 fiscal year contribution to veteran service officer funding. All sums received pursuant to this section are in augmentation of the state funds for this purpose made available pursuant to Section 972.

(c) The sum obtained each fiscal year pursuant to subdivision (a) shall be disbursed by the Department of Veterans Affairs to counties for payment of salaries and expenses of county veteran service officers. The Department of Veterans Affairs shall make the disbursement to a county on a pro rata basis in accordance with the actual workload of each county veteran service officer under a formula based on performance to be developed by the Department of Veterans Affairs for these purposes.

SEC. 4. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed five hundred thousand dollars ($500,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1425

An act to amend Sections 1296, 1327, and 1329.5 of the Health and Safety Code, relating to health.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 1296 of the Health and Safety Code is amended to read:

1296. The director may temporarily suspend any license or special permit prior to any hearing, when in his or her opinion the action is necessary to protect the public welfare. The director shall notify the licensee or holder of a special permit of the temporary suspension and the effective date thereof and at the same time shall serve the provider with an accusation. Upon receipt of a notice of defense by the licensee or holder of a special permit, the director shall within 15 days set the matter for hearing, which shall be held as soon as possible but not later than 30 days after receipt of the notice. The temporary suspension shall remain in effect until the hearing is completed and the director has made a final determination on the merits. However, the temporary suspension shall be deemed vacated if the director fails to make a final determination on the merits within 60 days after the original hearing

has been completed.

If the provisions of this chapter or the rules or regulations promulgated by the director are violated by a licensee or holder of a special permit which is a group, corporation, or other association, the director may suspend the license or special permit of such organization or may suspend the license or special permit as to any individual person within the organization who is responsible for the violation.

SEC. 2. Section 1327 of the Health and Safety Code is amended to read:

1327. (a) Whenever circumstances exist indicating that continued management of a long-term health care facility by the current licensee would present a substantial probability or imminent danger of serious physical harm or death to the patients, or there exists in the facility a condition in substantial violation of this chapter or the rules and regulations adopted pursuant to this chapter, or the facility exhibits a pattern or practice of habitual violation of this chapter or the rules and regulations adopted pursuant thereto, or the facility is closing or intends to terminate operation as a licensed long-term health care facility and adequate arrangements for relocation of residents have not been made at least 30 days prior to the closing or termination, the director may petition the superior court for the county in which the long-term health care facility is located for an order appointing a receiver to temporarily operate the long-term health care facility in accordance with this article.

The petition shall allege the facts upon which the action is based and shall be supported by an affidavit of the director. A copy of the petition and affidavits, together with an order to appear and show cause why temporary authority to operate the long-term health care facility should not be vested in a receiver pursuant to this article, shall be delivered to the licensee, administrator, or a responsible person at the facility to the attention of the licensee and administrator. The order shall specify a hearing date, which shall be not less than five, nor more than 10, days following delivery of the petition and order upon the licensee, except that the court may shorten or lengthen the time upon a showing of just cause.

(b) If the director files a petition pursuant to subdivision (a) for appointment of a receiver to operate a long-term health care facility, in accordance with Section 564 of the Code of Civil Procedure, the director may also petition the court, in accordance with Section 527 of the Code of Civil Procedure, for an order appointing a temporary receiver. A temporary receiver appointed by the court pursuant to this subdivision shall serve until the court has made a final determination on the petition for appointment of a receiver filed pursuant to subdivision (a). A receiver appointed pursuant to this subdivision shall have the same powers and duties as a receiver would have if appointed pursuant to subdivision (a).

At the time of the hearing, the state department shall advise the licensee of the name of the proposed receiver. The receiver shall be

a licensed nursing home administrator or other responsible person or entity, as determined by the court, from a list of qualified receivers established by the state department, with input from providers of long-term care and consumer representatives. The department shall consult with the Board of Examiners of Nursing Home Administrators, in order to screen potential receivers who are licensed by the board, and to determine if they are administrators in good standing. Persons appearing on the list shall have experience in the delivery of health care services, and, if feasible, shall have experience with the operation of a long-term health care facility. The receivers shall have sufficient background and experience in management and finances to ensure compliance with orders issued by the court. The owner, licensee, or administrator shall not be appointed as the receiver unless authorized by the court.

If at the conclusion of the hearing, which may include oral testimony and cross-examination at the option of any party, the court determines that adequate grounds exist for the appointment of a receiver and that there is no other reasonably available remedy to protect the patients, the court may issue an order appointing a receiver to temporarily operate the long-term health care facility and enjoining the licensee from interfering with the receiver in the conduct of his or her duties. The court shall in any such proceedings make written findings of fact and conclusions of law, and shall require an appropriate bond to be filed by the receiver and paid for by the licensee. The bond shall be in an amount necessary to protect the licensee in the event of any failure on the part of the receiver to act in a reasonable manner. The bond requirement may be waived by the licensee.

The court may permit the licensee to participate in the continued operation of the facility during the pendency of any receivership ordered pursuant to this section and shall issue an order detailing the nature and scope of participation.

Failure of the licensee to appear at the hearing on the petition shall constitute an admission of all factual allegations contained in the petition for purposes of these proceedings only.

The licensee shall receive notice and a copy of the application each time the receiver applies to the court or the state department for instructions regarding his or her duties under the provisions of this article, when an accounting pursuant to Section 1330 is submitted, and when a report pursuant to Section 1332 or other report is submitted. The licensee shall have an opportunity to present objections or otherwise participate in any such proceeding.

SEC. 3. Section 1329.5 of the Health and Safety Code is amended to read:

1329.5. (a) A receiver may not be required to honor any lease, mortgage, or secured transaction entered into by the licensee of the facility and another party if the court finds that the agreement between the parties was entered into for a collusive, fraudulent purpose or that the agreement is unrelated to the operation of the

facility.

Any lease, mortgage, or secured transaction or any agreement unrelated to the operation of the facility which the receiver is permitted to dishonor pursuant to this subdivision shall only be subject to nonpayment by the receiver for the duration of the receivership, and the dishonoring of the lease, mortgage, security interest, or other agreement, to this extent, by the receiver shall not relieve the owner or operator of the facility from any liability for the full amount due under the lease, mortgage, security interest, or other agreement.

(b) If the receiver is in possession of real estate or goods subject to a lease, mortgage, or security interest which the receiver is permitted to avoid pursuant to subdivision (a), and if the real estate or goods are necessary for the continued operation of the facility, the receiver may apply to the court to set a reasonable rent, price, or rate of interest to be paid by the receiver during the duration of the receivership. The court shall hold a hearing on this application within 15 days. The receiver shall send notice of the application to any known owner of the property involved at least 10 days prior to the hearing.

Payment by the receiver of the amount determined by the court to be reasonable is a defense to any action against the receiver for payment or possession of the goods or real estate, subject to the lease or mortgage, which is brought by any person who received the notice required by this subdivision. However, payment by the receiver of the amount determined by the court to be reasonable shall not relieve the owner or operator of the facility from any liability for the difference between the amount paid by the receiver and the amount due under the original lease, mortgage, or security interest.

CHAPTER 1426

An act to amend Sections 15430, 15432, 15438, 15438.5, 15441, 15446, 15454, 15462, and 15462.5 of, and to add Section 15451.5 to, the Government Code, relating to health facilities, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 15430 of the Government Code is amended to read:

15430. This part shall be known and may be cited as the California Health Facilities Financing Authority Act.

SEC. 2. Section 15432 of the Government Code is amended to read:

15432. As used in this part, the following words and terms shall have the following meanings, unless the context clearly indicates or requires another or different meaning or intent:

(a) "Act" means the California Health Facilities Financing Authority Act.

(b) "Authority" means the California Health Facilities Financing Authority created by this part or any board, body, commission, department, or officer succeeding to the principal functions thereof or to which the powers conferred upon the authority by this part shall be given by law.

(c) "Cost," as applied to a project or portion of a project financed under this part, means and includes all or any part of the cost of construction and acquisition of all lands, structures, real or personal property, rights, rights-of-way, franchises, easements, and interests acquired or used for a project, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which those buildings or structures may be moved, the cost of all machinery and equipment, financing charges, interest prior to, during, and for a period not to exceed the later of one year or one year following completion of construction, as determined by the authority, the cost of funding or financing noncapital expenses, reserves for principal and interest and for extensions, enlargements, additions, replacements, renovations and improvements, the cost of engineering, reasonable financial and legal services, plans, specifications, studies, surveys, estimates, administrative expenses, and other expenses of funding or financing or necessary or incident to determining the feasibility of constructing, any project or incident to the construction or acquisition or financing of any project.

(d) "Health facility" means any facility, place, or building which is organized, maintained, and operated for the diagnosis, care, prevention, and treatment of human illness, physical or mental, including convalescence and rehabilitation and including care during and after pregnancy, or for any one or more of these purposes, for one or more persons, to which the persons are admitted for a 24-hour stay or longer, except in the cases of county outpatient facilities, community clinics, as defined in paragraph (6), and child day care facilities, as defined in paragraph (10), and includes all of the following types:

(1) A general acute care hospital which is a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical staff which provides 24-hour inpatient care, including the following basic services: medical, nursing, surgical, anesthesia, laboratory, radiology, pharmacy, and dietary services.

(2) An acute psychiatric hospital which is a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical staff which provides 24-hour inpatient care for mentally disordered,

incompetent, or other patients referred to in Division 5 (commencing with Section 5000) or Division 6 (commencing with Section 6000) of the Welfare and Institutions Code, including the following basic services: medical, nursing, rehabilitative, pharmacy, and dietary services.

(3) A skilled nursing facility which is a health facility which provides the following basic services: skilled nursing care and supportive care to patients whose primary need is for availability or skilled nursing care on an extended basis.

(4) An intermediate care facility which is a health facility which provides the following basic services: inpatient care to ambulatory or semiambulatory patients who have recurring need for skilled nursing supervision and need supportive care, but who do not require availability or continuous skilled nursing care.

(5) A special health care facility which is a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical or dental staff which provides inpatient or outpatient, acute or nonacute care, including, but not limited to, medical, nursing, rehabilitation, dental, or maternity.

(6) A community clinic which is a clinic operated by a tax-exempt nonprofit corporation which is supported and maintained in whole or in part by donations, bequests, gifts, grants, government funds or contributions, which may be in the form of money, goods, or services. In a community clinic, any charges to the patient shall be based on the patient's ability to pay, utilizing a sliding fee scale. No corporation other than a nonprofit corporation, exempt from federal income taxation under paragraph (3) of subsection (c) of Section 501 of the Internal Revenue Code of 1954 as amended, or a statutory successor thereof, shall operate a community clinic. However, the licensee of any community clinic so licensed on September 26, 1978, shall not be required to obtain tax-exempt status under either federal or state law. No natural person or persons shall operate a community clinic.

(7) An adult day health center which is a facility, as defined under subdivision (b) of Section 1570.7 of the Health and Safety Code, which provides adult day health care, as defined under subdivision (a) of Section 1570.7 of the Health and Safety Code.

(8) Any other type of facility for the provision of inpatient or outpatient care which is a county health facility, as defined in subdivision (a) of Section 16715 of the Welfare and Institutions Code, (without regard to whether funding is provided for the facility under that section).

(9) A multilevel facility is an institutional arrangement where a residential facility for the elderly is operated as a part of, or in conjunction with, an intermediate care facility, a skilled nursing facility, or a general acute care hospital. "Elderly," for the purposes of this paragraph, means a person 62 years of age or older.

(10) A child day care facility operated in conjunction with a health

facility. A child day care facility is a facility, as defined in Section 1596.750 of the Health and Safety Code. For purposes of this paragraph, "child" means a minor from birth to 18 years of age.

"Health facility" includes a clinic which is described in subdivision (*l*) of Section 1206 of the Health and Safety Code.

"Health facility" includes the following facilities, if operated in conjunction with one or more of the above types of facilities: a laboratory, laundry, nurses or interns residence, housing for staff or employees and their families, patients or relatives of patients, physicians' facility, administration building, research facility, maintenance, storage, or utility facility and all structures or facilities related to any of the foregoing or required or useful for the operation of a health facility, and the necessary and usual attendant and related facilities and equipment and including parking and supportive service facilities or structures required or useful for the orderly conduct of such health facility.

"Health facility" also includes: (i) an insurance company or insurance program organized pursuant to subdivision (q) of Section 15438; or (ii) the funding of reserves (including insurance or capital reserves), or payment of premiums to, a reciprocal insurance company or one or more participating health institutions if the funds are used in connection with one or more of the above types of facilities: liability insurance or self-insurance, for a participating health institution, including reserves therefor, and other funds necessary or usual and appropriate in connection therewith.

"Health facility" does not include any institution, place, or building used or to be used primarily for sectarian instruction or study or as a place for devotional activities or religious worship.

(e) "Participating health institution" means a city, city and county, county, a district hospital, or a private nonprofit corporation or association authorized by the laws of this state to provide or operate a health facility and which, pursuant to the provisions of this part, undertakes the financing or refinancing of the construction or acquisition of a project or of working capital as provided in this part.

(f) "Project" means construction, expansion, remodeling, renovation, furnishing, or equipping, or funding or financing of a health facility or acquisition of a health facility to be financed or refinanced with funds provided in whole or in part pursuant to this part. "Project" may include any combination of one or more of the foregoing undertaken jointly by any participating health institution with one or more other participating health institutions.

(g) "Working capital" means moneys to be used by, or on behalf of, a participating health institution to pay or prepay maintenance or operation expenses or any other costs that would be treated as an expense item, under generally accepted accounting principles, in connection with the ownership or operation of a health facility, including, but not limited to, reserves for maintenance or operation expenses, interest for not to exceed one year on any loan for working capital made pursuant to this part, and reserves for debt service with

respect to, and any costs necessary or incidental to, that financing.

SEC. 3. Section 15438 of the Government Code is amended to read:

15438. Subject to the conditions, restrictions, and limitations of Section 15438.1, the authority may do any of the following:

(a) Adopt bylaws for the regulation of its affairs and the conduct of its business.

(b) Adopt an official seal.

(c) Sue and be sued in its own name.

(d) Receive and accept from any agency of the United States or any agency of the State of California or any municipality, county or other political subdivision thereof, or from any individual, association, or corporation gifts, grants, or donations of moneys for achieving any of the purposes of this chapter.

(e) Engage the services of private consultants to render professional and technical assistance and advice in carrying out the purposes of this part.

(f) Determine the location and character of any project to be financed under this part, and to acquire, construct, enlarge, remodel, renovate, alter, improve, furnish, equip, fund, finance, own, maintain, manage, repair, operate, lease as lessee or lessor and regulate the same, to enter into contracts for any or all of those purposes, to enter into contracts for the management and operation of a project or other health facilities owned by the authority, and to designate a participating health institution as its agent to determine the location and character of a project undertaken by that participating health institution under this chapter and as the agent of the authority, to acquire, construct, enlarge, remodel, renovate, alter, improve, furnish, equip, own, maintain, manage, repair, operate, lease as lessee or lessor and regulate the same, and as the agent of the authority, to enter into contracts for any or all of those purposes, including contracts for the management and operation of that project or other health facilities owned by the authority.

(g) Acquire, directly or by and through a participating health institution as its agent, by purchase solely from funds provided under the authority of this part, or by gift or devise, and to sell, by installment sale or otherwise, any lands, structures, real or personal property, rights, rights-of-way, franchises, easements, and other interests in lands, including lands lying under water and riparian rights, which are located within the state the authority determines necessary or convenient for the acquisition, construction, or financing of a health facility or the acquisition, construction, financing, or operation of a project, upon the terms and at the prices considered by the authority to be reasonable and which can be agreed upon between the authority and the owner thereof, and to take title thereto in the name of the authority or in the name of a participating health institution as its agent.

(h) Receive and accept from any source loans, contributions, or grants for, or in aid of, the construction, financing, or refinancing of

a project or any portion of a project in either money, property, labor, or other things of value.

(i) Make secured or unsecured loans to, or purchase secured or unsecured loans of, any participating health institution in connection with the financing of a project or working capital in accordance with an agreement between the authority and the participating health institution. However, no loan to finance a project shall exceed the total cost of the project, as determined by the participating health institution and approved by the authority.

(j) Make secured or unsecured loans to, or purchase secured or unsecured loans of, any participating health institution in accordance with an agreement between the authority and the participating health institution to refinance indebtedness incurred by that participating health institution in connection with projects undertaken or for health facilities acquired or for working capital financed prior to or after January 1, 1980.

(k) Mortgage all or any portion of interest of the authority in a project or other health facilities and the property on which that project or other health facilities are located whether owned or thereafter acquired including the granting of a security interest in any property, tangible or intangible, and to assign or pledge all or any portion of the interests of the authority in mortgages, deeds of trust, indentures of mortgage or trust or similar instruments, notes, and security interests in property, tangible or intangible, of participating health institutions to which the authority has made loans, and the revenues therefrom, including payments or income from any thereof owned or held by the authority, for the benefit of the holders of bonds issued to finance the project or health facilities or issued to refund or refinance outstanding indebtedness of participating health institutions as permitted by this part.

(*l*) Lease to a participating health institution the project being financed or other health facilities conveyed to the authority in connection with that financing, upon the terms and conditions the authority determines proper, and to charge and collect rents therefor and to terminate the lease upon the failure of the lessee to comply with any of the obligations of the lease; and to include in that lease, if desired, provisions granting the lessee options to renew the term of the lease for the period or periods and at the rent, as determined by the authority, to purchase any or all of the health facilities or that upon payment of all of the indebtedness incurred by the authority for the financing of that project or health facilities or for refunding outstanding indebtedness of a participating health institution, then the authority may convey any or all of the project or the other health facilities to the lessee or lessees thereof with or without consideration.

(m) Charge and equitably apportion among participating health institutions, the administrative costs and expenses incurred by the authority in the exercise of the powers and duties conferred by this part.

(n) Obtain, or aid in obtaining, from any department or agency of the United States or of the State of California or any private company, any insurance or guarantee as to, or of, or for the payment or repayment of, interest or principal, or both, or any part thereof, on any loan, lease, or obligation, or any instrument evidencing or securing the loan, lease, or obligation, made or entered into pursuant to this part; and notwithstanding any other provisions of this part, to enter into any agreement, contract, or any other instrument whatsoever with respect to that insurance or guarantee, to accept payment in the manner and form as provided therein in the event of default by a participating health institution, and to assign that insurance or guarantee as security for the authority's bonds.

(o) Enter into any and all agreements or contracts, including agreements for liquidity and credit enhancement, interest rate swaps or hedges, execute any and all instruments, and do and perform any and all acts or things necessary, convenient, or desirable for the purposes of the authority or to carry out any power expressly granted by this part.

(p) Invest any moneys held in reserve or sinking funds, or any moneys not required for immediate use or disbursement, at the discretion of the authority, in any obligations authorized by the resolution authorizing the issuance of the bonds secured thereof or authorized by law for the investment of trust funds in the custody of the State Treasurer.

(q) Establish and maintain a reciprocal insurance company or an insurance program that shall be treated and licensed as a reciprocal insurance company for regulatory purposes under the Insurance Code on behalf of one or more participating health institutions, to provide for payment of judgments, settlement of claims, expense, loss and damage that arises, or is claimed to have arisen, from any act or omission of, or attributable to, the participating health institution or any nonprofit organization controlled by, or controlling or under common control with, the participating health institution, their employees, agents or others for whom they may be held responsible, in connection with any liability insurance (including medical malpractice); set premiums, ascertain loss experience and expenses and determine credits, refunds, and assessments; and establish limits and terms of coverage; and engage any expert or consultant it deems necessary or appropriate to manage or otherwise assist with the insurance company or program; and pay any expenses in connection therewith; and contract with the participating health institution or institutions for insurance coverage from the insurance company or program and for the payment of any expenses in connection therewith including any bonds issued to fund or finance the insurance company or program.

(r) Provide funding for self-insurance for participating health institutions, provided that there shall be no pooling of liability risk among participating health institutions except as provided in subdivision (f) of Section 15438.5.

SEC. 4. Section 15438.5 of the Government Code is amended to read:

15438.5. (a) It is the intent of the Legislature in enacting this part to provide financing only, and, except as provided in subdivisions (b), (c), and (d), only to health facilities which can demonstrate the financial feasibility of their projects without regard to the more favorable interest rates anticipated through the issuance of revenue bonds under this part. It is further the intent of the Legislature that all or part of any savings experienced by a participating health institution, as a result of that tax-exempt revenue bond funding, be passed on to the consuming public through lower charges or containment of the rate of increase in hospital rates. It is not the intent of the Legislature in enacting this part to encourage unneeded health facility construction. Further, it is not the intent of the Legislature to authorize the authority to control or participate in the operation of hospitals, except where default occurs or appears likely to occur.

(b) When determining the financial feasibility of projects for county health facilities, the authority shall consider the more favorable interest rates reasonably anticipated through the issuance of revenue bonds under this part. It is the intent of the Legislature that the authority attempt in whatever ways possible to assist counties to arrange projects which will meet the financial feasibility standards developed under this part.

(c) The authority may issue revenue bonds pursuant to this part to finance the development of a multilevel facility, or any portion of a multilevel facility, including the portion licensed as a residential facility for the elderly, if the skilled nursing facility, intermediate care facility, or general acute care hospital is operated or provided by an eligible participating health institution.

(d) The authority may issue revenue bonds pursuant to this part, if the bonds rank in either of the two highest rating categories established by a nationally recognized bond rating organization, to finance working capital for a participating health institution provided or operated by a city, city and county, county, or district hospital authorized by the laws of this state to provide or operate a health facility and which, pursuant to this part, undertakes financing or refinancing as provided in this part.

(e) The financing or refinancing of projects or working capital for cities, cities and counties, counties, or hospital districts may be provided pursuant to this part by means other than revenue bonds, at the discretion of the authority, including, without limitation, through certificates of participation, or other interests, in bonds, loans, leases, installment sales or other agreements of the cities, city and county, counties or hospital districts. In this connection, the authority may do all things and execute and deliver all documents and instruments as may be necessary or desirable in connection with issuance of the certificates of participation or other means of financing or refinancing.

(f) Any self-insurance pooling program entered into by participating health institutions which are cities, counties, cities and counties, or hospital districts which is funded or financed in whole or in part with proceeds of the sale of revenue bonds or certificates of participation pursuant to this part shall not be subject to regulation of any kind under the Insurance Code or otherwise as insurance, but only any conditions and restrictions as may be imposed by the authority.

SEC. 5. Section 15441 of the Government Code is amended to read:

15441. (a) The authority is authorized, from time to time, to issue its negotiable revenue bonds in order to provide funds for achieving any of its purposes under this part.

(b) Except as may otherwise be expressly provided by the authority, each of its revenue bonds shall be payable from any revenues or moneys of the authority available therefor and not otherwise pledged, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or moneys. Notwithstanding that such revenue bonds may be payable from a special fund, they shall be and be deemed to be for all purposes negotiable instruments, subject only to the provisions of such bonds for registration.

(c) The authority's revenue bonds may be issued as serial bonds or as term bonds, or the authority, in its discretion, may issue bonds of both types. The issuance of all revenue bonds shall be authorized by resolution of the authority and shall bear such date or dates, mature at such time or times, not exceeding 40 years from their respective dates, bear interest at such rate or rates, be payable at such time or times, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in lawful money of the United States of America at such place or places, and be subject to such terms of redemption, as the indenture, trust agreement, or resolution relating to such revenue bonds may provide. The authority's revenue bonds or notes may be sold by the Treasurer at public or private sale, after giving due consideration to the recommendation of the participating health institution, for such price or prices and upon such terms and conditions as the authority shall determine. The Treasurer may sell any such revenue bonds at a price below the par value thereof. However, the discount on any bonds so sold shall not exceed 6 percent of the par value thereof, except in the case of any bonds payable in whole or in part from moneys held under one or more outstanding resolutions or indentures. Pending preparation of the definitive bonds, the authority may issue interim receipts or certificates or temporary bonds which shall be exchanged for such definitive bonds.

(d) Any resolution or resolutions authorizing the issuance of any revenue bonds or any issue of revenue bonds may contain provisions, which shall be a part of the contract with the holders of the bonds

to be authorized, as to pledging all or any part of the revenues of a project or any revenue-producing contract or contracts made by the authority with any individual, partnership, corporation or association or other body, public or private, to secure the payment of the bonds or of any particular issue of bonds.

(e) Neither the members of the authority nor any person executing the revenue bonds shall be liable personally on the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

(f) The authority shall have power out of any funds available therefor to purchase its bonds. The authority may hold, pledge, cancel or resell such bonds, subject to and in accordance with agreements with bondholders.

SEC. 6. Section 15446 of the Government Code is amended to read:

15446. (a) The authority may provide for the issuance of bonds of the authority for the purpose of refunding any bonds or any series or issue of bonds of the authority then outstanding, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption, purchase, or maturity of the bonds.

(b) The proceeds of any bonds issued for the purpose of refunding of outstanding bonds may, in the discretion of the authority, be applied to the purchase, redemption prior to maturity, or retirement at maturity of any outstanding bonds on their earliest redemption date or dates, upon their purchase or maturity, or paid to a third person to assume the authority's obligation to make the payments, and may, pending that application, be placed in escrow to be applied to the purchase, retirement at maturity, or redemption on the date or dates determined by the authority.

(c) Any proceeds placed in escrow may, pending their use, be invested and reinvested in obligations or securities authorized by resolutions of the authority, payable or maturing at the time or times as are appropriate to assure the prompt payment of the principal, interest, and redemption premium, if any, of the outstanding bonds to be refunded at maturity or redemption of the bonds to be refunded either at their earliest redemption date or dates or any subsequent redemption date or dates or for payment of interest on the refunding bonds on or prior to the final date of redemption or payment of the bonds to be refunded. After the terms of the escrow have been fully satisfied and carried out, any balance of the proceeds and interest, income and profits, if any, earned or realized on the investments thereof may be returned to the authority for use by the authority.

(d) All of the refunding bonds are subject to this part in the same manner and to the same extent as other bonds issued pursuant to this part.

SEC. 7. Section 15451.5 is added to the Government Code, to read:

15451.5. A participating health institution that is a private nonprofit corporation or association and that borrows money to finance working capital pursuant to this part, other than as part of the cost of a project, shall be required to repay and discharge the loan within 15 months of the loan date.

SEC. 8. Section 15454 of the Government Code is amended to read:

15454. Notwithstanding Section 15453, bonds issued pursuant to this part shall not be subject to the limitation of, or be considered or included in computing the amount of outstanding bonds for purposes of, Section 15453, 15453.5, 15453.6, or 15453.7, or any similar provision regarding the maximum amount of outstanding bonds, if issued to finance any of the following:

(a) A project which is, or is for, a county health facility, as defined in subdivision (a) of Section 16715 of the Welfare and Institutions Code, without regard to whether funding is provided for the project under that section.

(b) A project which is, or is for, an adult day health center.

(c) A project which is, or is for, a multilevel facility.

(d) A project or working capital for a city, city and county, county, or hospital district pursuant to Section 15462 or 15462.5.

(e) Liability insurance coverage for one or more participating health institutions or self-insurance for a participating health institution.

SEC. 9. Section 15462 of the Government Code is amended to read:

15462. Exclusively for the purpose of securing the financing of projects or working capital pursuant to this part through the issuance of revenue bonds, certificates of participation, or other means, and notwithstanding any other provision of law, any city, city and county, county, or local hospital district may issue bonds to the authority or borrow money from the authority at the interest rate or rates, with the maturity date or dates, payment, security, default, remedy, and other terms as specified in the bonds of the city, city and county, county, or local hospital district or a loan, loan purchase, or other agreement between the authority and the city, city and county, county, or hospital district, and the city, city and county, county or hospital district may enter into any agreement for liquidity or credit enhancement or any other agreement or instrument that may be necessary or appropriate in connection with any of the foregoing. This section provides a complete, additional, and alternative method for performing the acts authorized by this section, and the borrowing of money from the authority, and any provisions for payment or security or any agreement for liquidity or credit enhancement in connection with the borrowing of money pursuant to this section need not comply with the requirements of any other law applicable to borrowing by a city, county, city and county, or hospital district.

SEC. 10. Section 15462.5 of the Government Code is amended to read:

15462.5. Exclusively for the purpose of securing the financing of projects pursuant to this part or through the issuance of revenue bonds, certificates of participation, or other means, and notwithstanding any other law, any city, city and county, county, or hospital district may buy or lease health facilities from the authority, and in connection therewith, sell or lease health facilities to the authority, in each case with the installment payment or rental provisions, term, payment, security, default, remedy, and other terms or provisions as may be specified in the installment sale, lease, or other agreement or agreements, between the authority and the city, city and county, county, or hospital district, and the city, city and county, county, or hospital district may enter into any agreement for liquidity or credit enhancement it may deem necessary or appropriate in connection therewith. This section provides a complete, additional, and alternative method for performing the acts authorized by this section, and any sale or lease of health facilities to the authority, any purchase or lease of health facilities from the authority, and any provisions for payment and security or any agreement for liquidity or credit enhancement in connection therewith, pursuant to this section, need not comply with the requirements of any other law applicable to sale, purchase, lease, pledge, encumbrance, or credit, as the case may be, by a city, city and county, county, or hospital district.

SEC. 11. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that the California Health Facilities Financing Authority be able to finance necessary insurance and other needs of health facilities, it is necessary that this act take effect immediately.

CHAPTER 1427

An act to add Section 199.27 to the Health and Safety Code, relating to AIDS.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 199.27 is added to the Health and Safety Code, to read:

199.27. (a) (1) When the subject of a blood test to detect antibodies to the probable causative agent of AIDS is not competent to give consent for the test to be performed, written consent for the test may be obtained from the subject's parents, guardians, conservators, or other person lawfully authorized to make health

care decisions for the subject. For purposes of this paragraph, a minor shall be deemed not competent to give consent if he or she is under 12 years of age.

(2) Notwithstanding paragraph (1), when the subject of the test is a minor adjudged to be a dependent child of the court pursuant to Section 360 of the Welfare and Institutions Code, written consent for the test to be performed may be obtained from the court pursuant to its authority under Section 362 or 369 of the Welfare and Institutions Code.

(b) Written consent shall only be obtained for the subject pursuant to subdivision (a) when necessary to render appropriate care or to practice preventative measures.

(b) The person authorized to consent to the test pursuant to subdivision (a) shall be permitted to do any of the following:

(1) Notwithstanding Sections 199.20 and 199.21, receive the results of the test on behalf of the subject without written authorization.

(2) Disclose the test results on behalf of the subject in accordance with Section 199.20 and 199.21.

(3) Provide written authorization for the disclosure of the test results on behalf of the subject in accordance with Sections 199.20 and 199.21.

CHAPTER 1428

An act to amend Sections 17053.8, 17053.11, 24331, and 24333 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 17053.8 of the Revenue and Taxation Code is amended to read:

17053.8. (a) There shall be allowed as credit against the "net tax" (as defined in Section 17039) for the taxable year an amount equal to the sum of each of the following:

(1) Fifty percent for qualified wages in year one.

(2) Forty percent for qualified wages in year two.

(3) Thirty percent for qualified wages in year three.

(4) Twenty percent for qualified wages in year four.

(5) Ten percent for qualified wages in year five.

(b) For purposes of this section:

(1) "Qualified wages" means the wages paid or incurred by the employer during the taxable year to qualified disadvantaged individuals. "Qualified wages" means that portion of hourly wages

which does not exceed 150 percent of the minimum wage.

(2) "Qualified years one through five wages" means, with respect to any individual, qualified wages received during the 60-month period beginning with the day the individual commences employment within an enterprise zone.

(3) "Minimum wage" means the wage established by the Industrial Welfare Commission as provided for in Chapter 1 (commencing with Section 1171) of Part 4 of Division 2 of the Labor Code.

(c) For purposes of this section:

(1) "Qualified disadvantaged individual" means an individual—

(A) Who is a qualified employee within the meaning of subdivision (d).

(B) Who is hired by the employer after the designation of the area in which services were performed as an enterprise zone (under Section 7073 of the Government Code).

(C) Who is any of the following:

(i) An individual who has been determined eligible by the administrative entity of a service delivery area for services under the federal Job Training Partnership Act (29 U.S.C. Sec. 1501 et seq.) and who is receiving subsidized employment, training, or services funded by the federal Job Training Partnership Act, except for an individual who only receives outreach, intake, or assessment services or a combination thereof.

(ii) Any voluntary or mandatory registrant under the Greater Avenues for Independence Act of 1985 provided for pursuant to Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code.

(iii) Any voluntary or mandatory registrant for the Work Incentive Demonstration Program provided for pursuant to Section 11347 of the Welfare and Institutions Code.

(iv) Any voluntary or mandatory registrant for the Employment Preparation Program provided for pursuant to Article 3.5 (commencing with Section 11325) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code.

(v) Any individual who has been certified eligible by the California Employment Development Department under the federal Targeted Jobs Tax Credit Program as long as that program is in effect.

(d) For purposes of this section: "qualified employee" means an individual—

(1) At least 90 percent of whose services for the taxpayer during the taxable year are directly related to the conduct of the taxpayer's trade or business located in an enterprise zone, and

(2) Who performs at least 50 percent of his or her services for the taxpayer during the taxable year in an enterprise zone.

(e) (1) For purposes of this section:

(A) All employees of trades or businesses (which are not incorporated) which are under common control shall be treated

as employed by a single employer, and

(B) The credit (if any) allowable by this section with respect to each trade or business shall be determined by reference to its proportionate share of the qualified wages giving rise to the credit.

The regulations prescribed under this paragraph shall be based on principles similar to the principles which apply in the case of controlled groups of corporations as specified in subdivision (e) of Section 24331.

(2) If an employer acquires the major portion of a trade or business of another employer (hereinafter in this paragraph referred to as the "predecessor") or the major portion of a separate unit of a trade or business of a predecessor, then, for purposes of applying this section (other than subdivision (f)) for any calendar year ending after that acquisition, the employment relationship between an employee and an employer shall not be treated as terminated if the employee continues to be employed in that trade or business.

(f) (1) If the employment of any employee, with respect to whom qualified wages are taken into account under subdivision (a) is terminated by the taxpayer at any time during the first 270 days of that employment (whether or not consecutive) or before the close of the 270th calendar day after the day in which that employee completes 90 days of employment with the taxpayer, the tax imposed by this part for the taxable year in which that employment is terminated shall be increased by an amount (determined under those regulations) equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that employee.

(2) (A) Paragraph (1) shall not apply to any of the following:

(i) A termination of employment of an employee who voluntarily leaves the employment of the taxpayer.

(ii) A termination of employment of an individual who, before the close of the period referred to in paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the taxpayer fails to offer reemployment to that individual.

(iii) A termination of employment of an individual, if it is determined under the applicable employment compensation provisions that the termination was due to the misconduct of that individual.

(iv) A termination of employment of an individual due to a substantial reduction in the trade or business operations of the taxpayer.

(v) A termination of employment of an individual, if that individual is replaced by other qualified employees so as to create a net increase in both the number of employees and the hours of employment.

(B) For purposes of paragraph (1), the employment relationship between the taxpayer and an employee shall not be treated as terminated by reason of a mere change in the form of conducting the

trade or business of the taxpayer, if the employee continues to be employed in that trade or business and the taxpayer retains a substantial interest in that trade or business.

(3) Any increase in tax under paragraph (1) shall not be treated as tax imposed by this part for purposes of determining the amount of any credit allowable under this part.

(g) In the case of an estate or trust—

(A) The qualified wages for any taxable year shall be apportioned between the estate or trust and the beneficiaries on the basis of the income of the estate or trust allocable to each, and

(B) Any beneficiary to whom any qualified wages have been apportioned under paragraph (A) shall be treated (for purposes of this part) as the employer with respect to those wages.

(h) For purposes of this section, "enterprise zone" means an area for which designation as an enterprise zone is in effect under Section 7073 of the Government Code.

(i) The credit shall be reduced by the credit allowed under Section 17053.7. The credit shall also be reduced by the credit allowed under Section 51 of the Internal Revenue Code.

In addition, no deduction shall be allowed as provided in Section 162 of the Internal Revenue Code for that portion of the wages or salaries paid or incurred for the taxable year upon which the credit is based.

(j) In the case where the credit allowed under this section exceeds the net tax for the taxable year, that portion of the credit which exceeds the net tax may be carried over to the net tax in succeeding taxable years for the number of taxable years in which the designation of an enterprise zone under Section 7073 of the Government Code is operative, or 15 taxable years, if longer, until the credit is used. The credit shall be applied first to the earliest taxable years possible.

(k) The amount of the credit allowed by this section in any taxable year shall not exceed the amount of tax which would be imposed on the income attributed to business activities of the taxpayer within the enterprise zone (as defined in Section 7073 of the Government Code) as if that attributed income represented all of the net income of the taxpayer subject to tax under this part. The amount of that attributed income shall be determined in accordance with the provisions of Article 2 (commencing with Section 25120) of Chapter 17 of Part 11.

SEC. 2. Section 17053.11 of the Revenue and Taxation Code is amended to read:

17053.11. (a) There shall be allowed as a credit against the "net tax" (as defined in Section 17039) for the taxable year the amount determined in subdivisions (c) and (d) for a qualified business which hires a qualified employee.

(b) For purposes of this section:

(1) "Qualified business" means either (A) a qualified business, as defined in Section 7082 of the Government Code, or (B) a qualified

business, as defined in Section 7082 of the Government Code, except that the percentage requirements with respect to employment of residents of a high-density unemployment area shall be applicable only to those employees hired within the 12 months immediately preceding the date that the business seeks certification from the Department of Commerce and not to the entire workforce of the business. A business that qualifies under clause (B) shall be a qualified business only for the purposes of this section, provided that the Department of Commerce certifies that the business meets the standards set forth in this paragraph.

(2) "Qualified employee" means an employee who has been an unemployed resident of a high density unemployment area (as defined in Section 7082 of the Government Code) prior to being employed by the qualified business. For the purposes of this section, participation by a prospective employee in a state or federally funded job training or work demonstration program shall not constitute employment, or effect the eligibility of an otherwise qualified employee. Qualified employee includes an otherwise qualified employee who is employed by a qualified business in the 90 days prior to its certification by the Department of Commerce as a qualified business for the purpose of becoming eligible for that certification.

(c) The credit provided for each qualified employee who has been unemployed for at least six months prior to being employed and has been hired pursuant to subdivision (a), shall be as follows:

(1) Twelve percent of qualified wages for the first six months of employment.

(2) Twelve percent of qualified wages for the second six months of employment.

(3) Seven percent of qualified wages for the second year of employment.

(d) The credit provided for each qualified employee who has been unemployed for at least three months but less than six months prior to being employed shall be 5 percent of qualified wages for the first year of employment; however, the credit for the second year of employment shall be that provided in paragraph (3) of subdivision (c).

(e) For purposes of this section, "qualified wages" means that portion of wages not in excess of 150 percent of the minimum hourly wage paid or incurred by the qualified business during the taxable year to the qualified employee.

(f) (1) If the employment of any employee with respect to whom qualified wages are taken into account under subdivision (c) is terminated by the taxpayer at any time during the first 270 days of that employment (whether or not consecutive) or before the close of the 270th calendar day after the day in which that employee completes 90 days of employment with the taxpayer, the tax imposed by this part for the taxable year in which that employment is terminated shall be increased by an amount equal to the credit

allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that employee.

(2) Paragraph (1) shall not apply to any of the following:

(A) A termination of employment of an employee who voluntarily leaves the employment of the taxpayer.

(B) A termination of employment of an individual who, before the close of the period referred to in paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the taxpayer fails to offer reemployment to that individual.

(C) A termination of employment of an individual, if it is determined under the applicable unemployment compensation provisions that the termination was due to the misconduct of that individual.

(D) A termination of employment of an individual due to a substantial reduction in the trade or business operations of the taxpayer.

(E) A termination of employment of an individual, if that individual is replaced by other qualified employees so as to create a net increase in both number of employees and hours of employment.

(g) In the case where the credit allowed under this section exceeds the "net tax" for the taxable year, that portion of the credit which exceeds the "net tax" may be carried over to the "net tax" in succeeding taxable years until the credit is used. The credit shall be applied first to the earliest taxable years possible.

(h) The amount of the credit allowed by this section for any taxable year shall not exceed the amount of tax which would be imposed on the income attributed to business activities of the taxpayer within the program area (as defined in Section 7082 of the Government Code) as if that attributed income represented all of the net income of the taxpayer subject to tax under this part. The amount of that attributed income shall be determined in accordance with the provisions of Article 2 (commencing with Section 25120) of Chapter 17 of Part 11.

SEC. 3. Section 24331 of the Revenue and Taxation Code is amended to read:

24331. (a) There shall be allowed as a credit against the tax imposed by this part for the year (except the minimum franchise tax and the tax on preference income) an amount equal to the sum of each of the following:

(1) Fifty percent for qualified wages in year one.

(2) Forty percent for qualified wages in year two.

(3) Thirty percent for qualified wages in year three.

(4) Twenty percent for qualified wages in year four.

(5) Ten percent for qualified wages in year five.

(b) For purposes of this section:

(1) "Qualified wages" means the wages paid or incurred by the employer during the income year to qualified disadvantaged

individuals. "Qualified wages" means that portion of hourly wages which does not exceed 150 percent of the minimum wage.

(2) "Qualified years one through five wages" means, with respect to any individual, qualified wages received during the 60-month period beginning with the day the individual commences employment within an enterprise zone.

(3) "Minimum wage" means the wage established by the Industrial Welfare Commission as provided for in Chapter 1 (commencing with Section 1171) of Part 4 of Division 2 of the Labor Code.

(c) For purposes of this section:

(1) "Qualified disadvantaged individual" means an individual—

(A) Who is a qualified employee within the meaning of subdivision (d).

(B) Who is hired by the employer after the designation of the area in which services were performed as an enterprise zone (under Section 7073 of the Government Code).

(C) Who is any of the following:

(i) An individual who has been determined eligible by the administrative entity of a service delivery area for services under the federal Job Training Partnership Act (29 U.S.C. Sec. 1501 et seq.) and who is receiving subsidized employment, training, or services funded by the federal Job Training Partnership Act, except for an individual who only receives outreach, intake, or assessment services or a combination thereof.

(ii) Any voluntary or mandatory registrant under the Greater Avenues for Independence Act of 1985 provided for pursuant to Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code.

(iii) Any voluntary or mandatory registrant for the Work Incentive Demonstration Program provided for pursuant to Section 11347 of the Welfare and Institutions Code.

(iv) Any voluntary or mandatory registrant for the Employment Preparation Program provided for pursuant to Article 3.5 (commencing with Section 11325) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code.

(v) Any individual who has been certified eligible by the California Employment Development Department under the federal Targeted Jobs Tax Credit Program as long as that program is in effect.

(d) For purposes of this section, "qualified employee" means an individual—

(1) At least 90 percent of whose services for the taxpayer during the income year are directly related to the conduct of the taxpayer's trade or business located in an enterprise zone.

(2) Who performs at least 50 percent of his or her services for the taxpayer during the income year in an enterprise zone.

(e) (1) For purposes of this section, all employees of all corporations which are members of the same controlled group of

corporations shall be treated as employed by a single employer. In any such case, the credit (if any) allowable by this section to each member shall be determined by reference to its proportionate share of the qualified wages giving rise to the credit. For purposes of this subdivision, "controlled group of corporations" has the meaning given to that term by Section 1563(a) of the Internal Revenue Code, except that—

(A) "More than 50 percent" shall be substituted for "at least 80 percent" each place it appears in Section 1563(a)(1) of the Internal Revenue Code.

(B) The determination shall be made without regard to subsections (a)(4) and (e)(3)(C) of Section 1563 of the Internal Revenue Code.

(2) If an employer acquires the major portion of a trade or business of another employer (hereinafter in this paragraph referred to as the "predecessor") or the major portion of a separate unit of a trade or business of a predecessor, then, for purposes of applying this section (other than subdivision (f)) for any calendar year ending after that acquisition, the employment relationship between an employee and an employer shall not be treated as terminated if the employee continues to be employed in that trade or business.

(f) (1) If the employment of any employee with respect to whom qualified wages are taken into account under subdivision (a) is terminated by the taxpayer at any time during the first 270 days of that employment (whether or not consecutive) or before the close of the 270th calendar day after the day in which that employee completes 90 days of employment with the taxpayer, the tax imposed by this part for the income year in which that employment is terminated shall be increased by an amount equal to the credit allowed under subdivision (a) for that income year and all prior income years attributable to qualified wages paid or incurred with respect to that employee.

(2) (A) Paragraph (1) shall not apply to any of the following:

(i) A termination of employment of an employee who voluntarily leaves the employment of the taxpayer.

(ii) A termination of employment of an individual who, before the close of the period referred to in paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the taxpayer fails to offer reemployment to that individual.

(iii) A termination of employment of an individual, if it is determined under the applicable unemployment compensation provisions that the termination was due to the misconduct of that individual.

(iv) A termination of employment of an individual due to a substantial reduction in the trade or business operations of the taxpayer.

(v) A termination of employment of an individual, if that individual is replaced by other qualified employees so as to create a

net increase in both the number of employees and the hours of employment.

(B) For purposes of paragraph (1), the employment relationship between the taxpayer and an employee shall not be treated as terminated—

(i) By a transaction to which Section 381(a) of the Internal Revenue Code applies, if the employee continues to be employed by the acquiring corporation, or

(ii) By reason of a mere change in the form of conducting the trade or business of the taxpayer, if the employee continues to be employed in that trade or business and the taxpayer retains a substantial interest in that trade or business.

(3) Any increase in tax under paragraph (1) shall not be treated as tax imposed by this part for purposes of determining the amount of any credit allowable under this part.

(g) In the case of—

(1) An organization to which Section 593 of the Internal Revenue Code applies, and

(2) A regulated investment company or a real estate investment trust subject to taxation under this part rules similar to the rules provided in subsections (e) and (h) of Section 46 of the Internal Revenue Code shall apply.

(h) For purposes of this section, "enterprise zone" means an area for which designation as an enterprise zone is in effect under Section 7073 of the Government Code.

(i) The credit shall be reduced by the credit allowed under Section 24330. The credit shall also be reduced by the credit allowed under Section 51 of the Internal Revenue Code.

In addition, no deduction shall be allowed under Section 24343 for that portion of the wages or salaries paid or incurred for the income year upon which the credit allowable under this section is based.

(j) In the case where the credit allowed under this section exceeds the taxes imposed by this part for the year (except the minimum franchise tax and the tax on preference income) that portion of the credit which exceeds those taxes may be carried over to the taxes imposed by this part (except the minimum franchise tax and the tax on preference income) in succeeding years for the number of years in which the designation of an enterprise zone under Section 7073 of the Government Code is operative, or 15 income years, if longer, until the credit is used. The credit shall be applied first to the earliest years possible.

(k) The amount of the credit provided by this section shall not in any year exceed the amount of tax which would be imposed on the income attributed to business activities of the taxpayer within the enterprise zone (as defined in Section 7073 of the Government Code). The amount of that attributed income shall be determined in accordance with the provisions of Article 2 (commencing with Section 25120) of Chapter 17.

SEC. 4. Section 24333 of the Revenue and Taxation Code is

amended to read:

24333. (a) There shall be allowed as a credit against the tax imposed by this part for the year (except the minimum franchise tax and the tax on preference income) for the year the amount determined in subdivisions (c) and (d) for a qualified business which hires a qualified employee.

(b) For purposes of this section:

(1) "Qualified business" means either (A) a qualified business, as defined in Section 7082 of the Government Code, or (B) a qualified business, as defined in Section 7082 of the Government Code, except that the percentage requirements with respect to employment of residents of a high-density unemployment area shall be applicable only to those employees hired within the 12 months immediately preceding the date that the business seeks certification from the Department of Commerce and not to the entire workforce of the business. A business that qualifies under clause (B) shall be a qualified business only for the purposes of this section, provided that the Department of Commerce certifies that the business meets the standards set forth in this paragraph.

(2) "Qualified employee" means an employee who has been an unemployed resident of a high density unemployment area (as defined in Section 7082 of the Government Code) prior to being employed by the qualified business. For the purposes of this section, participation by a prospective employee in a state or federally funded job training or work demonstration program shall not constitute employment, or effect the eligibility of an otherwise qualified employee. Qualified employee includes an otherwise qualified employee who is employed by a qualified business in the 90 days prior to its certification by the Department of Commerce as a qualified business for the purpose of becoming eligible for that certification.

(c) The credit provided for each qualified employee who has been unemployed for at least six months prior to being employed pursuant to subdivision (a) shall be as follows:

(1) Twelve percent of qualified wages for the first six months of employment.

(2) Twelve percent of qualified wages for the second six months of employment.

(3) Seven percent of qualified wages for the second year of employment.

(d) The credit provided for each qualified employee who has been unemployed for at least three months but less than six months prior to being employed shall be 5 percent of qualified wages for the first year of employment; however, the credit for the second year of employment shall be that provided in paragraph (3) of subdivision (c).

(e) For purposes of this section, "qualified wages" means that portion of wages not in excess of 150 percent of the minimum hourly wage paid or incurred by the qualified business during the income

year to the qualified employee.

(f) (1) If the employment of any employee with respect to whom qualified wages are taken into account under subdivision (c) is terminated by the taxpayer at any time during the first 270 days of that employment (whether or not consecutive) or before the close of the 270th calendar day after the day in which that employee completes 90 days of employment with the taxpayer, the tax imposed by this part for the income year in which that employment is terminated shall be increased by an amount equal to the credit allowed under subdivision (a) for that income year and all prior income years attributable to qualified wages paid or incurred with respect to that employee.

(2) Paragraph (1) shall not apply to any of the following:

(A) A termination of employment of an employee who voluntarily leaves the employment of the taxpayer.

(B) A termination of employment of an individual who, before the close of the period referred to in paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the taxpayer fails to offer reemployment to that individual.

(C) A termination of employment of an individual, if it is determined under the applicable unemployment compensation provisions that the termination was due to the misconduct of that individual.

(D) A termination of employment of an individual due to a substantial reduction in the trade or business operations of the taxpayer.

(E) A termination of employment of an individual, if that individual is replaced by other qualified employees so as to create a net increase in both number of employees and hours of employment.

(g) In the case where the credit allowed under this section exceeds the taxes imposed by this part for the year (except the minimum franchise tax and the tax on preference income) that portion of the credit which exceeds those taxes may be carried over to the taxes imposed by this part (except the minimum franchise tax and the tax on preference income) in succeeding years until the credit is used. The credit shall be applied first to the earliest years possible.

(h) The amount of the credit allowed by this section for any year shall not exceed the amount of tax which would be imposed on the income attributed to business activities of the taxpayer within the program area (as defined in Section 7082 of the Government Code) as if that attributed income represented all of the net income of the taxpayer subject to tax under this part. The amount of that attributed income shall be determined in accordance with the provisions of Article 2 (commencing with Section 25120) of Chapter 17.

SEC. 5. This act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect. However, the provisions of this act shall be applied in the

computation of taxes for taxable or income years beginning on or after the first day of the calendar year in which this act becomes effective provided the effective date is more than 90 days prior to the last day of the calendar year. If the effective date is 90 days or less prior to the last day of the calendar year, the provisions of this act shall apply in the computation of taxes for taxable or income years beginning on or after the first day of the calendar year following the effective date.

SEC. 6. The Auditor General shall submit a report to the Legislature on or before June 30, 1988, evaluating the effects of this act, as well as Chapters 44, 45, and 1471 of the Statutes of 1984, Chapters 83 and 1462 of the Statutes of 1985, and Chapter 158 of the Statutes of 1986, on state revenues and job creation. Departments and agencies, including, but not limited to, the Franchise Tax Board, the Employment Development Department, and the Department of Commerce, shall cooperate with the Auditor General to the maximum extent feasible to ensure the timely collection of data.

CHAPTER 1429

An act relating to fiscal affairs, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. On the effective date of this act, the undisbursed balances of the appropriations provided in Items 8885-101-001 (ddd) and 8885-101-001 (eee) of the Budget Act of 1986 (Ch. 186, Stats. 1986) shall revert to the unappropriated surplus of the General Fund.

SEC. 2. The sum of one hundred forty-five thousand dollars ($145,000) is hereby appropriated from the Fish and Game Preservation Fund to the Department of Fish and Game to provide for the timely construction and completion of laboratory facilities for analysis of selenium and other environmental contaminants.

SEC. 3. The sum of three hundred eighty thousand dollars ($380,000) is hereby appropriated from the Federal Trust Fund to the State Department of Education, in augmentation of Item 6100-161-890 of Section 2.00 of the Budget Act of 1987 (Ch. 135, Stats. 1987), for allocation to the Timpany Center in Santa Clara County. However, for each two dollars ($2) allocated to the center from this appropriation, one dollar ($1) shall be allocated to the center from local sources. In addition, the center shall certify that the funds allocated from this appropriation are used to provide services only to persons 21 years of age, or less.

SEC. 4. This act is an urgency statute necessary for the

immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to provide for the reversion of certain funds to the General Fund consistent with the decision of the California Supreme Court in County of Los Angeles v. State of California, to complete construction by March 1, 1988, of laboratory facilities to conduct the "Selenium in California" study and other ongoing analytical chemistry projects for the protection of the public health and safety, and to make funds available to Timpany Center in Santa Clara County as soon as possible, it is necessary for this act to take effect immediately.

CHAPTER 1430

An act to amend Section 65913.3 of the Government Code, relating to development projects.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 65913.3 of the Government Code is amended to read:

65913.3. (a) Every city, county, or city and county shall provide for coordination of review and decisionmaking and the provision of information regarding the status of all applications and permits for residential, commercial, and industrial developments, as required by the city, county, or city and county, by a single administrative entity. The city, county, or city and county may charge fees to defray costs which are directly attributable to the coordination of an application of a developer by a single administrative entity.

For the purposes of this section, "administrative entity" means a person or agency designated by the legislative body of the city, county, or city and county to coordinate the review and decisionmaking and provide information regarding the status of all permits or applications required by the local agency.

A city, county, or city and county may adopt, by resolution or ordinance, procedures for the implementation of this section by the designated administrative entity.

(b) At the request of an applicant, the administrative entity may coordinate the review and decisionmaking process with affected special districts and the administrative entity designated by the legislative body of any other city, county, or city and county within whose jurisdiction application for approval of the development is also being made in order to provide concurrent processing within those jurisdictions.

The Office of Permit Assistance in the Office of Planning and Research shall evaluate the extent to which this subdivision has resulted in an expedited development permit process and shall report its findings and conclusions to the Legislature on or before January 1, 1990.

This subdivision shall have no application or effect on and after January 1, 1991.

CHAPTER 1431

An act to amend Section 470.3 of the Business and Professions Code, and to add Section 68070.1 to the Government Code, relating to courts, and making an appropriation therefor.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Section 470.3 of the Business and Professions Code is amended to read:

470.3. (a) A fee of not less than one dollar ($1) and not more than three dollars ($3) may be added to the total fees collected and fixed pursuant to Sections 26820.4, 26826, 26827, 68090, 72055, and 72056 of the Government Code for the filing of a first paper in a civil action in superior, municipal, or justice court, other than a small claims action. These fees shall only be utilized for the support of the dispute resolution programs authorized by this chapter.

(b) A county may carry over moneys received from the additional fees authorized pursuant to subdivision (a), which shall be deposited in a special fund created for those purposes, until such time as the county elects to fund a dispute resolution program. Records of those fees shall be available for inspection by the public, upon request.

SEC. 1.5. Section 68070.1 is added to the Government Code, to read:

68070.1. (a) On or before January 1, 1989, counsel shall have the option of appearing by telephone in nonevidentiary law and motion and probate hearings and conferences, and every superior court shall provide for appearances of counsel in those hearings and conferences by telephone.

On or before January 1, 1989, counsel shall have the option of appearing by telephone in nonevidentiary trial setting conferences in superior courts in counties not subject to the Trial Court Delay Reduction Act of 1986 (Article 5 (commencing with Section 68600) of Chapter 2 of Title 8), and the superior court shall provide for such appearances. The superior courts in other counties may provide that option by local rule.

(b) On or before March 1, 1988, the Judicial Council shall establish

a pilot project for teleconferencing in nonevidentiary law and motion and probate hearings and conferences in the superior courts in at least 10 counties selected by the Judicial Council. If a pilot project court is not subject to the Trial Court Delay Reduction Act of 1986, it shall also provide teleconferencing in nonevidentiary trial setting conferences; and all other pilot project courts may provide for teleconferencing in nonevidentiary trial setting conferences by local rule.

(c) Each party, found to have the ability to pay, who elects to use teleconferencing procedures pursuant to this section shall pay to the court a fee which covers all costs associated with the teleconferencing procedures, as determined by the court.

(d) The Judicial Council shall adopt model procedures to guide superior courts in the development of teleconferencing procedures.

SEC. 2. Except as provided in Section 3, no reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act.

SEC. 3. The sum of one hundred ten thousand dollars ($110,000) is hereby appropriated from the General Fund, as follows:

(a) To the Judicial Council for the purpose of designing and implementing the pilot project created by this act	$20,000
(b) To the Controller, for allocation and disbursement to pilot project counties pursuant to this act, as a loan, to be repaid on or before January 1, 1993, with interest at the Pooled Money Investment Account interest rate, from fees collected pursuant to this act	$90,000

CHAPTER 1432

An act to add Chapter 6.97 (commencing with Section 25550) to Division 20 of the Health and Safety Code, relating to hazardous materials.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987]

The people of the State of California do enact as follows:

SECTION 1. Chapter 6.97 (commencing with Section 25550) is added to Division 20 of the Health and Safety Code, to read:

CHAPTER 6.97. HAZARDOUS MATERIALS INFORMATION AND CONSULTING SERVICES

25550. If requested by an organization representing local businesses, a county shall meet with representatives of local businesses to determine whether there is a need for a hazardous materials information and consulting service to assist businesses in that county. If the county determines there is a need for the service, and the county possesses or could reasonably secure the necessary technical expertise, the county may establish a hazardous materials information and consulting service to provide the services specified in Section 25551, subject to the prosecution policies developed pursuant to Section 25552, to all the following persons:

(a) Any person subject to Chapter 6.5 (commencing with Section 25100), including, but not limited to, any person discharging hazardous waste into a surface impoundment pursuant to Article 9.5 (commencing with Section 25208) of Chapter 6.5.

(b) The owner or operator of an underground storage tank subject to Chapter 6.7 (commencing with Section 25280).

(c) Any business required to establish and implement a business plan for emergency response pursuant to Chapter 6.95 (commencing with Section 25500).

25551. A county which establishes a hazardous materials information and consulting service pursuant to this chapter shall do all of the following:

(a) Develop informational materials or adapt existing materials on the regulatory programs specified in Section 25550 and publicize the availability of this information.

(b) Respond to telephone inquiries with verbal or written information.

(c) Conduct onsite consultations on the request of a person specified in Section 25550.

(d) Conduct seminars for business representatives and attend meetings, when invited, to explain the regulatory programs specified in Section 25550 and the service's availability.

25551.2. A county may contract with another county, or enter into a memorandum of agreement with one or more nearby counties, to provide consulting services for businesses within a multicounty region.

25552. (a) A county that establishes a program pursuant to Section 25550 shall, prior to establishing a fee structure pursuant to subdivision (a) of Section 25553, consult with the district attorney for that county to develop policies to be followed by the district attorney in making decisions concerning prosecution of violations discovered pursuant to this chapter. These policies shall include, but are not limited to, consideration of the following:

(1) Whether the violation is a knowing, willful, negligent, or inadvertent violation.

(2) Whether the violator agrees to the schedule of compliance

specified by the county.

(3) Whether the violation was discovered during an onsite consultation carried out pursuant to this chapter.

(b) Schedules for compliance referred to in subdivision (a) shall not be subject to negotiation between the county and the violator.

(c) A county may take enforcement action, or refer for enforcement action, a violation subject to the policies adopted pursuant to subdivision (a) if the violation involves an imminent or substantial endangerment to public health and safety or the environment. If a county refers a violator for enforcement action to the appropriate state or local agency pursuant to this subdivision, the county shall include any recommendations for cleanup or abatement of the violation and information on whether the violator has voluntarily attempted to comply with the statute or regulation.

25553. (a) (1) Each county may, upon a majority vote of the governing body, adopt a schedule of fees to be collected from businesses which request the services provided by this chapter. The fee schedule shall be developed by the county in consultation with local business representatives. The fee shall be set in an amount sufficient to pay only those costs incurred by the county in carrying out this chapter. In determining the fee schedule, the administering agency shall consider the volume and degree of hazard potential of the hazardous materials handled by the business.

(2) A county may seek supplemental funds for the support of activities carried out pursuant to this chapter from existing state funds which are available to local governmental entities for the costs of waste control and enforcement programs, to the extent that use of the funds will alleviate the disposal of hazardous wastes in solid waste landfills.

(b) A county which has established a hazardous materials information and consulting service pursuant to this chapter shall provide these services to an individual business which has not been assessed a fee as determined by the schedule adopted pursuant to subdivision (a). A business provided services pursuant to this subdivision shall pay a fee to the county for these services at a rate set by the county.

SEC. 2. No reimbursement shall be made from the State Mandates Claims Fund pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code for costs mandated by the state pursuant to this act. It is recognized, however, that a local agency or school district may pursue any remedies to obtain reimbursement available to it under Part 7 (commencing with Section 17500) and any other provisions of law.

CHAPTER 1433

An act to amend Section 832.3 of, and to add Section 417.3 to, the Penal Code, relating to criminal law.

[Approved by Governor September 30, 1987 Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 417.3 is added to the Penal Code, to read:

417.3. Every person who, except in self-defense, in the presence of any other person who is an occupant of a motor vehicle proceeding on a public street or highway, draws or exhibits any firearm, whether loaded or unloaded, in a threatening manner against another person in such a way as to cause a reasonable person apprehension or fear of bodily harm is guilty of a felony punishable by imprisonment in the state prison for 16 months or two or three years or by imprisonment for 16 months or two or three years and a three thousand dollar ($3,000) fine.

Nothing in this section shall preclude or prohibit prosecution under any other statute.

SEC. 2. Section 832.3 of the Penal Code is amended to read:

832.3. (a) Except as provided in subdivision (b), any sheriff, undersheriff, or deputy sheriff of a county, any police officer of a city, and any police officer of a district authorized by statute to maintain a police department, who is first employed after January 1, 1975, shall successfully complete a course of training prescribed by the Commission on Peace Officer Standards and Training before exercising the powers of a peace officer, except while participating as a trainee in a supervised field training program approved by the Commission on Peace Officer Standards and Training. The training course for an undersheriff and deputy sheriff of a county and a police officer of a city shall be the same.

(b) For the purpose of standardizing the training required in subdivision (a), the commission shall develop a training proficiency testing program, including a standardized examination which enables (1) comparisons between presenters of such training and (2) development of a data base for subsequent training programs. Presenters approved by the commission to provide the training required in subdivision (a) shall administer the standardized examination to all graduates. Nothing in this subdivision shall make the completion of such examination a condition of successful completion of the training required in subdivision (a).

(c) Notwithstanding subdivision (c) of Section 84500 of the Education Code and any regulations adopted pursuant thereto, community colleges may give preference in enrollment to employed law enforcement trainees who shall complete training as prescribed by this section. At least 15 percent of each presentation shall consist

of nonlaw enforcement trainees if they are available. Preference should only be given when the trainee could not complete the course within the time required by statute, and only when no other training program is reasonably available. Average daily attendance for such courses shall be reported for state aid.

(d) Prior to July 1, 1987, the commission shall make a report to the Legislature on academy proficiency testing scores. This report shall include an evaluation of the correlation between academy proficiency test scores and performance as a peace officer.

SEC. 3. Notwithstanding paragraph (5) of subdivision (d) of Section 246.1 of the Penal Code, as proposed to be added by Assembly Bill 766 of the 1987–88 Regular Session of the Legislature, any net proceeds from the sale of vehicles pursuant to Section 246.1 shall be deposited in the General Fund and shall be available for appropriation by the Legislature in the Budget Act for law enforcement programs relating to the discharge of firearms on streets, highways, and freeways.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

CHAPTER 1434

An act to amend Section 4903 of the Labor Code, relating to workers' compensation.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 4903 of the Labor Code is amended to read:

4903. The appeals board may determine, and allow as liens against any sum to be paid as compensation, any amount determined as hereinafter set forth in subdivisions (a) through (i). If more than one such lien be allowed, the appeals board may determine the priorities, if any, between the liens allowed. The liens which may be allowed hereunder are as follows:

(a) A reasonable attorney's fee for legal services pertaining to any claim for compensation either before the appeals board or before any of the appellate courts, and the reasonable disbursements in connection therewith.

(b) The reasonable expense incurred by or on behalf of the injured employee, as provided by Article 2 (commencing with Section 4600) and, to the extent the employee is entitled to

reimbursement under Section 4621, medical-legal expenses as provided by Article 2.5 (commencing with Section 4620) of Chapter 2 of Part 2.

(c) The reasonable value of the living expenses of an injured employee or of his or her dependents, subsequent to the injury.

(d) The reasonable burial expenses of the deceased employee, not to exceed the amount provided for by Section 4701.

(e) The reasonable living expenses of the spouse or minor children of the injured employee, or both, subsequent to the date of the injury, where the employee has deserted or is neglecting his or her family. These expenses shall be allowed in such proportion as the appeals board deems proper, under application of the spouse, guardian of the minor children, or the assignee, pursuant to subdivision (a) of Section 11477 of the Welfare and Institutions Code, of the spouse, a former spouse, or minor children.

(f) The amount of unemployment compensation disability benefits which have been paid under or pursuant to the Unemployment Insurance Code in those cases where, pending a determination under this division there was uncertainty whether such benefits were payable under the Unemployment Insurance Code or payable hereunder; provided, however, that any lien under this subdivision shall be allowed and paid as provided in Section 4904.

(g) The amount of unemployment compensation benefits and extended duration benefits paid to the injured employee for the same day or days for which he or she receives, or is entitled to receive, temporary total disability indemnity payments under this division; provided, however, that any lien under this subdivision shall be allowed and paid as provided in Section 4904.

(h) The amount of indemnification granted pursuant to Article 1 (commencing with Section 13959) of Chapter 5 of Part 4 of Division 3 of Title 2 of the Government Code.

(i) The amount of compensation, including expenses of medical treatment, and recoverable costs which have been paid by the Asbestos Workers' Account pursuant to the provisions of Chapter 11 (commencing with Section 4401) of Part 1.

SEC. 2. The Legislature finds and declares that the purpose of this act is to correct an oversight made by Assembly Bill 2196 of the 1983–84 Regular Session (Chapter 596, Statutes of 1984). In enacting that legislation, there was no intent to preclude the recognition, and allowance of liens for the reasonable expense incurred by, or on behalf of, injured employees for the purpose of proving or disproving contested claims. Thus, it is the intent of the Legislature that the amendment to Section 4903 of the Labor Code made by Section 1 of this act shall be given retroactive application to July 19, 1984, the effective date of Chapter 596 of the Statutes of 1984, and shall affect all applicable pending proceedings.

CHAPTER 1435

An act to amend Section 3057 of, and to repeal Section 2046.7 of, the Penal Code, relating to prisoners, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 2046.7 of the Penal Code is repealed.

SEC. 1.2. Section 3057 of the Penal Code is amended to read:

3057. (a) Confinement pursuant to a revocation of parole in the absence of a new conviction and commitment to prison under other provisions of law, shall not exceed 12 months, except as provided in subdivision (c).

(b) Upon completion of confinement pursuant to parole revocation without a new commitment to prison, the inmate shall be released on parole for a period which shall not extend beyond that portion of the maximum statutory period of parole specified by Section 3000 which was unexpired at the time of each revocation.

(c) Notwithstanding the limitations in subdivision (a) and in Section 3060.5 upon confinement pursuant to a parole revocation, the board may extend the confinement pursuant to parole revocation for a maximum of an additional 12 months for subsequent acts of misconduct committed by the parolee while confined pursuant to that parole revocation. Upon a finding of good cause to believe that a parolee has committed a subsequent act of misconduct and utilizing procedures governing parole revocation proceedings, the board may extend the period of confinement pursuant to parole revocation as follows: (1) not more than 180 days for an act punishable as a felony whether or not prosecution is undertaken, (2) not more than 90 days for an act punishable as a misdemeanor, whether or not prosecution is undertaken, and (3) not more than 30 days for an act defined as a serious disciplinary offense pursuant to subdivision (a) of Section 2932.

(d) (1) Except for parolees specified in paragraph (2), any revocation period imposed under subdivision (a) may be reduced in the same manner and to the same extent as a term of imprisonment may be reduced by worktime credits under Section 2933. Worktime credit must be earned and may be forfeited pursuant to the provisions of Section 2932.

Worktime credit forfeited shall not be restored. Detention in a county jail facility or community correctional facility shall result in the application of time credits equal to those provided in Section 2931.

(2) The following parolees shall not be eligible for credit under

this subdivision:

(A) Parolees who are sentenced under Section 1168 with a maximum term of life imprisonment.

(B) Parolees who violated a condition of parole relating to association with specified persons, entering prohibited areas, attendance at parole outpatient clinic, or psychiatric attention.

(C) Parolees who were revoked for conduct described in, or that could be prosecuted under any of the following sections, whether or not prosecution is undertaken: Section 189, subdivision (a) of Section 192, Section 203, 211, 217.1, or 220, subdivision (b) of Section 241, Section 244, paragraph (1) or (2) of subdivision (a) of Section 245, subdivision (2) of Section 261, subdivision (c) or (d) of Section 286, Section 288, subdivision (c) or (d) of Section 288a, Section 289, 12020, 12021, 12022, 12022.5, 12022.7, 12022.8, 12025, or 12560, or Section 664 for any attempt to engage in conduct described in or that could be prosecuted under any of the above-mentioned sections.

(D) Parolees who were revoked for any reason if they had been granted parole after conviction of any of the offenses specified in subparagraph (C).

(E) Parolees who the Board of Prison Terms finds at a revocation hearing to be unsuitable for reduction of the period of confinement because of the circumstances and gravity of the parole violation, or because of prior criminal history.

SEC. 1.5. Section 1 shall apply to every parolee regardless of whether his or her parole is revoked before or after the effective date of the act. However, no parolee is eligible for worktime credits prior to the effective date of the act.

SEC. 2. It is the intent of the Legislature that persons returned to prison for parole violations serve the entire revocation period as established by the Board of Prison Terms, except for a reduction in time served in the custody of the Director of Corrections pursuant to worktime credit reductions as specified and authorized in this act.

The Legislature further finds and declares that the state has a compelling interest in protecting the public and a parole revocation period shall not be reduced for parolees who are ineligible under the specific provisions of this act or when the Board of Prison Terms determines based on cause that it is in the interest of public safety for a prisoner to serve the entire revocation period.

SEC. 3. The sum of one hundred eighty thousand dollars ($180,000) is hereby appropriated from the 1986 Prison Construction Fund to the Department of Corrections for the purchase and installation of a fence disturbance sensor system on the perimeter fence of the California Institution for Men.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Presently, the state prisons are operating at over 150 percent of capacity and the prison population is still increasing. It is essential to

the public safety that immediate action be taken to relieve prison overcrowding and to maintain public safety and security.

CHAPTER 1436

An act to amend Sections 12726, 12727, 12728, 12730, 12735, 12736, 12738, 12740, 12741, 12742, 12745, 12750, 12751, 12752.1, 12753, 12759, 12767, 12768, 12775, 12776, 12780, 12781, 12785, and 12790 of, to add Sections 12747, 12750.1, 12750.2, 12786, and 12787 to, to repeal Sections 12737, 12758, 12762, 12777, 12778, 12782, and 12783 of, and to repeal and add Article 8 (commencing with Section 12770) of Chapter 9 of Part 2 of Division 3 of Title 2 of, the Government Code, relating to the California Community Services Block Grant Program.

[Approved by Governor September 30, 1987. Filed with Secretary of State September 30, 1987.]

The people of the State of California do enact as follows:

SECTION 1. Section 12726 of the Government Code is amended to read:

12726. (a) The purpose of this chapter is to provide authorization for the Governor of the State of California to assume responsibility for the Community Services Block Grant (Subtitle B, Title VI, Public Law 97-35, as amended), and to further provide for the state to implement this block grant in conformity with the principles, purposes, and policies of the California Community Services Block Grant Program set forth herein.

(b) The Legislature intends that the California Community Services Block Grant Program shall be governed by the principle of community self-help, thereby promoting new economic opportunities for Californians living in poverty through well planned, broadly based and locally controlled programs of community action.

SEC. 1.1. Section 12727 of the Government Code is amended to read:

12727. All activities of the California Community Services Block Grant Program state and local grantees shall have the following basic and specific purposes:

(a) The basic purpose of this chapter is to stimulate an effective concentration of all available local, state, private, and federal resources upon the goal of enabling low-income families, and low-income individuals of all ages, in rural and urban areas to attain the skills, knowledge, and motivations and to secure the opportunities needed for them to become fully self-sufficient.

(b) The specific purposes of this chapter are to promote, as methods of achieving an effective concentration of resources on the goal of individual and family self-sufficiency, the following:

(1) The strengthening of community capabilities for planning and coordinating federal, state, private, and other assistance related to the elimination of poverty, so that this assistance, through the efforts of local officials, organizations, and interested and affected citizens, can be made more responsive to local needs and conditions.

(2) The coherent organization of a range of services related to the needs of the poor, so that these services may be made more effective and efficient in helping families and individuals to overcome poverty-related problems in a way that takes into account, and supports, their progress in overcoming identified causes of poverty.

(3) The implementation, subject to adequate evaluation, of new types of services and innovative approaches toward eliminating causes of poverty, so as to develop increasingly effective methods of employing available resources.

(4) Maximum feasible participation of members of the groups and residents of the low-income areas to be served by programs and projects in the development and implementation of those programs and projects, in order to assure that all programs and projects are meaningful to, and widely utilized by, their intended beneficiaries.

(5) The broadening of the resource base directed towards the elimination of poverty, so as to secure, in addition to the services and assistance of public officials, private religious, charitable, and neighborhood organizations, and individual citizens, a more active role for business, labor, and professional groups able to provide employment opportunities or otherwise influence the quantity and quality of services of concern to the poor.

(c) It is the finding of the Legislature that these state purposes and the intent of the federal Community Services Block Grant will best be served by enacting the program policies and requirements contained in this chapter.

SEC. 1.2. Section 12728 of the Government Code is amended to read:

12728. Notwithstanding any other provision of law, the provisions of this chapter shall supersede and prevail over any provisions of law relating to or in any way dealing with the subject matter of this chapter or federal economic opportunity programs which were repealed by federal Public Law 97-35, as amended.

SEC. 1.3. Section 12730 of the Government Code is amended to read:

12730. For the purposes of this chapter:

(a) "Director" means the Director of the Department of Economic Opportunity.

(b) "Delegate agency" means a private nonprofit organization or public agency which operates one or more projects funded under this chapter pursuant to a contractual agreement with an eligible grantee.

(c) "Department" means the Department of Economic Opportunity as constituted pursuant to Article 8 (commencing with Section 12085) of Chapter 1.

(d) "Designation" means the formal selection of a proposed community action agency by a political subdivision or the director, as provided in Section 12750.1.

(e) "Eligible entity" means an agency or organization as defined in Public Law 97-35, as amended.

(f) "Eligible beneficiaries" means all of the following:

(1) All individuals living in households whose income is at or below the official poverty line as defined by the United States Office of Management and Budget.

(2) All individuals eligible to receive aid to families with dependent children (Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code) or federal supplemental security income benefits (Title XVI, Social Security Act).

(3) Residents of a target area or members of a target group having a measurably high incidence of poverty and which is the specific focus of a project financed under this chapter.

(g) "Financial assistance" means money provided to a grantee or contractor, pursuant to an approved contract agreement, in order to enable the grantee or contractor to accomplish its planned and approved work program.

(h) "Political subdivision" shall generally be deemed to mean county government, with the following exceptions:

(1) In any county which prior to October 1, 1981, had more than one designated community action agency, each unit of local government which contained a designated community action agency shall continue to operate as a "political subdivision" under this chapter.

(2) Any county having fewer than 50,000 population according to the 1980 census may be deemed by the department to be part of a larger "political subdivision" comprising two or more counties if the department determines that to do so would but serve the purposes of this chapter, and may participate in the designation process for a multicounty community action agency.

(i) "Recognition" means approval by the department of a community action agency to serve a particular community, such recognition to follow designation of that agency by one or more political subdivisions.

(j) "Secretary" means the Secretary of the United States Department of Health and Human Services.

(k) "Special consideration," pursuant to the requirements of Section 675 (c) (4) of Public Law 97-35, as amended, means all of the following:

(1) That no new or repeated designation shall be required of any political subdivision which had a designated community action agency on August 13, 1981.

(2) That no community action agency shall be determined to be out of compliance with program or fiscal requirements established by the state until such requirements are published for review and

comment and until, in the case of requirements differing from those of the now defunct federal Community Services Administration, community action agencies are afforded a reasonable opportunity to comply therewith.

(*l*) "Standards of effectiveness" are the general standards, derived from the purposes of this chapter, toward which all programs and projects funded under this chapter shall be directed and against which they will be assessed.

(m) "Statement of grant action" means the written document incorporating the terms and conditions under which the department agrees to provide financial assistance to a grantee. Upon its cosigning by authorized agents of the department and the grantee, and subsequent approval by the Department of General Services pursuant to Section 14780, a statement of grant action shall be deemed to constitute a valid, enforceable contract.

(n) "State plan" means the plan required to be submitted annually to the secretary to secure California's allotment of Community Services Block Grant funds, which shall be prepared and reviewed pursuant to the requirements of this chapter.

(o) "Uncapped area" means any county or portion thereof for which no community action agency has been designated and recognized.

SEC. 2. Section 12735 of the Government Code is amended to read:

12735. (a) On or before September 15 of each year, the Governor shall submit an application containing the assurances and certification required under Section 12736 to the secretary in such form as the secretary may require pursuant to Section 674 of federal Public Law 97-35, as amended.

(b) Since under the terms of federal Public Law 97-35, as amended, the secretary may not prescribe the manner in which states shall comply with the provisions set forth in subdivision (a), it is the intent of the Legislature that California's manner of compliance shall be controlled in the first instance by this chapter, and further by the annual state plan and such regulations as may be promulgated by the department, pursuant to the Administrative Procedure Act.

(c) The state administering agency for the California Community Services Block Grant Program shall be the Department of Economic Opportunity.

SEC. 3. Section 12736 of the Government Code is amended to read:

12736. For the purposes of Section 12735, the application shall contain assurance and certification that the state shall comply with all of the items listed below. The application shall include information as to how each assurance will be carried out.

(a) Conduct legislative hearings on the proposed use and distribution of Community Services Block Grant funds prior to the submission of each application.

(b) Use Community Services Block Grant funds as provided in Section 12745.

(c) Use not less than 90 percent of the Community Services Block Grant funds allotted to the state to make grants to agencies which meet the provisions of Public Law 97-35, as amended.

(d) Expend not more than 5 percent of the state's allotment for administrative costs at the state level.

(e) Assure that any community action agency or migrant and seasonal farmworker organization which received funding in the previous fiscal year under this chapter shall not have its present or future funding terminated pursuant to this chapter unless, after notice and opportunity for hearing on the record, the department determines that cause existed for such termination, subject to review by the secretary as provided in Section 676A of Public Law 97-35, as amended.

(f) Give special consideration in the designation of local community action agencies to any community action agency which was receiving funds under any federal antipoverty program on the date of the enactment of federal Public Law 97-35, except that the state shall, before giving such special consideration, determine that the agency involved meets program and fiscal requirements established by the state. If there is no such agency because of any change in the assistance furnished to programs for economically disadvantaged persons, the state shall give special consideration in the designation of community action agencies to any successor agency which is operated in substantially the same manner as the predecessor agency which did receive funds in the fiscal year preceding the fiscal year for which the determination is made.

(g) Decline to avail itself of permission to transfer Community Services Block Grant funds, not to exceed 5 percent of the state's allotment, to other specified programs.

(h) Prohibit any political activities in accordance with Section 675(e) of federal Public Law 97-35, as amended.

(i) Prohibit any activities to provide voters and prospective voters with transportation to the polls or provide similar assistance in connection with an election or any voter registration activity.

(j) Provide for coordination between antipoverty programs in each community, where appropriate, with emergency energy crisis intervention programs under Title XXVI of federal Public Law 97-35, as amended, (relating to low-income home energy assistance) conducted in such community.

(k) Provide that fiscal control and fund accounting procedures will be established as may be necessary to assure the proper disbursal of and accounting for federal funds paid to the state under this chapter, including procedures for monitoring the assistance provided under this chapter, and provide that at least every year the state shall prepare, in accordance with Public Law 98-502 (Single Audit Act of 1984), an audit of expenditures under this chapter of amounts received under the Community Services Block Grant and

amounts transferred to carry out the purposes of the Community Services Block Grant.

(*l*) Permit and cooperate with federal investigations undertaken in accordance with Public Law 97-35, as amended.

SEC. 4. Section 12737 of the Government Code is repealed.

SEC. 5. Section 12738 of the Government Code is amended to read:

12738. The Department of Economic Opportunity may make grants and enter into contracts as necessary and appropriate to carry out its responsibilities under this chapter.

SEC. 6. Section 12740 of the Government Code is amended to read:

12740. Each year, the department shall prepare an annual state plan for the California Community Services Block Grant Program which shall include all of the following:

(a) A statement of goals and objectives.
