(1) The use of cash and avoided cost benefits by siting institutions is to be limited to improvement of ongoing maintenance, deferred maintenance, cost-effective energy improvements, and other infrastructure improvements. To the extent an institution receives annual cash revenues under this section, the institution shall retain any money it receives, but not to exceed one-half of this amount, in a special deposit fund account, which shall be continuously appropriated to the institution for the purposes of this section. The state's benefit share, and the siting institution's benefit share that exceeds its needs, shall be deposited in the Energy and Resources Fund or, if this fund is not in existence, the General Fund for the purpose of investing in renewable resources programs and energy efficiency improvements at state facilities.

(2) The use of benefits shall be in addition to, and shall not supplant or replace, funding from traditional sources for a siting institution's normal operations and maintenance or capital outlay budgets.

(c) The Legislature further finds and declares that a benefit-sharing incentive is applicable to energy projects reported to, or authorized by, the Legislature pursuant to Section 13304 or

14671.6 of the Government Code. This section shall not apply to energy projects which are constructed on or at facilities or property of the State Water Resources Development System.

(d) Commencing on January 1, 1986, the Department of General Services shall submit annual reports to the Legislature on the cost benefit aspects in carrying out this section.

(e) This section shall remain in effect only until January 1, 2000, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2000, deletes or extends that date.

SEC. 8.5. Section 2821 of the Public Utilities Code is amended to read:

2821. (a) The commission shall approve and establish equitable charges to be paid by an electrical corporation which purchases electricity or electrical generating capacity, or both, from any private energy producer employing other than a conventional power source for the generation of electricity.

(b) The commission, on its own motion or on application of an electrical corporation or a private energy producer, may also specify the prices, terms, and conditions for the purchase or sale of electricity or electrical generating capacity, or both, between an electrical corporation and a private energy producer, and these prices, terms, and conditions, so specified, shall be considered reasonable and prudent for all purposes. The commission may act to specify these prices, terms, and conditions on its own motion or on application of an electrical corporation or a private energy producer.

(c) Every contract, whether executed on or after January 1, 1988, or prior to that date, for the purchase of electricity or electrical generating capacity, or both, by an electrical corporation from a private energy producer employing hydroelectric facilities shall require proof of compliance by the private energy producer with all state laws relating to the control, appropriation, use, and distribution of water, including, but not limited to, the obtaining of applicable licenses and permits. For these purposes, the electrical corporation shall require the private energy producer to provide proof of either of the following:

(1) Certification from the State Water Resources Control Board that a water right permit has been issued for the operation of the hydroelectric facility. No certification shall be issued unless, in applying for the certification, the applicant agrees in writing to comply with all terms and conditions of the permit.

(2) Certification from the State Water Resources Control Board that, in the opinion of the board, the private energy producer possesses riparian rights or other water rights which authorize the operation of the hydroelectric facility.

The requirements of this subdivision shall apply only to contracts involving hydroelectric projects which have not commenced commercial operation prior to May 18, 1987.

(d) For purposes of meeting the requirements of subdivision (c) or providing certification required under Section 26013 of the Public

Resources Code, the private energy producer shall furnish information as is reasonably required by the State Water Resources Control Board to document a claim of right. Every private energy producer requesting certification from the board pursuant to subdivision (c) or Section 26013 of the Public Resources Code shall pay to the board at the time of filing a certification fee of two hundred fifty dollars ($250) to cover the reasonable cost of the board in evaluating and processing the certification request.

(e) (1) Every contract in violation of subdivision (c) is void and unenforceable on and after whichever of the following dates applies:

(A) February 29, 1988, for contracts involving hydroelectric projects which commence commercial operation on or after May 18, 1987, and prior to January 1, 1988.

(B) The 60th day after commencement of commercial operation for contracts involving hydroelectric projects which commence commercial operation on or after January 1, 1988.

(2) The commission shall disallow, for purposes of establishing rates for an electrical corporation, all amounts expended for the purchase of electricity pursuant to a contract which is void and unenforceable under this subdivision.

(3) Paragraph (1) does not apply to any private energy producer if all of the following conditions are met:

(A) The electrical corporation did not make timely written demand for the proof of compliance required by paragraph (1) of subdivision (c).

(B) On or before the date commercial production commenced, the private energy producer was in fact in compliance with all applicable state laws relating to the control, appropriation, use, and distribution of water, including, but not limited to, those laws that require the obtaining of all applicable licenses and permits.

(C) Prior to the effective date of this paragraph, the private energy producer has provided proof of the applicable certification from the State Water Resources Control Board pursuant to paragraph (1) of subdivision (c), which proof contains further certification from the State Water Resources Control Board of the existence of the condition identified in subparagraph (B).

SEC. 9. (a) The Legislature hereby finds and declares that, in order to meet the minimum safe drinking water standards established pursuant to Chapter 7 (commencing with Section 4010) of Part 1 of Division 5 of the Health and Safety Code, there is an immediate need to improve the water systems of the entities identified in this act to enable residents of those communities to have a dependable and potable water supply.

(b) The Legislature further finds and declares that those water systems have critical deficiencies in the areas of treatment, storage, and distribution which pose a serious threat to the public health and welfare of all consumers within those communities and that each entity presently is only minimally meeting the demand for water within their respective communities.

SEC. 10. Pursuant to subdivision (e) of Section 14011 and Section 14012 of the Water Code, the Department of Water Resources may make grants from the California Safe Drinking Water Bond Fund in accordance with the California Safe Drinking Water Bond Law of 1988 (Chapter 16 (commencing with Section 14000) of Division 7 of the Water Code), to the following agencies for purposes of financing proposed projects and investigations to identify alternatives for system improvements:

(a) Amador County Water Agency for the Clinton system.

(b) Amador County Water Agency for the Hillside system.

(c) Amador County Water Agency for the Sunnybrook system.

(d) Amador County Water Agency for the No. 104 system.

(e) City of Atwater.

(f) Crows Landing Community Services District.

(g) City of Dinuba for the Griggs Neighborhood Water Association project.

(h) Elsinore Water District.

(i) Georgetown Divide Public Utility District for the Shadle pipeline project.

(j) Heritage Community Services District for the Heritage Ranch project.

(k) Hilmar County Water District.

(*l*) Julian Community Services District.

(m) Lamont Public Utility District.

(n) Laytonville County Water District.

(o) City of Lindsay.

(p) Lompico County Water District.

(q) Madera County for the North Fork Water system for the Weatherly Mutual Water Company/Deer Park water system consolidation project.

(r) City of Modesto.

(s) Mono County Service Area No. 5 for the Twin Lakes project.

(t) Nevada Irrigation District for the Jewel/Sidman-Hile Improvement District project.

(u) Nevada Irrigation District for the Rock Creek Improvement District project.

(v) North Edwards Water District for the Welchs and Williamson treatment plant consolidation project.

(w) Paradise Irrigation District.

(x) City of Parlier.

(y) City of Reedley.

(z) Richgrove Community Services District.

(aa) Riverdale Public Utility District.

(bb) Riverside Community Services District.

(cc) San Lorenzo Valley Water District.

(dd) City of Shafter for the Burbank Water Association project.

(ee) City of Shafter for the Cherokee Strip Neighborhood Association project.

(ff) City of Shafter for the North Park Water Company project.

(gg) City of Shafter for the Good Water system.

(hh) Shasta County Community Services Department for the Spring Gulch project.

(ii) Sutter County for the Meridian Water system.

(jj) Timber Cove County Water District.

(kk) Ventura County Public Works Agency for the El Rio system.

(*ll*) Ventura County Water Works District No. 16 for the Rissman project.

SEC. 11. The Department of Water Resources shall determine eligibility for, and the amount of, any grant authorized in Section 3 of this act, in accordance with the California Safe Drinking Water Bond Law of 1988 (Chapter 16 (commencing with Section 14000) of Division 7 of the Water Code) and may make those grants in accordance with the bond law.

SEC. 12. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to encourage water conservation and authorize the acquisition of alternative water supply sources at state facilities and to authorize grants from the California Safe Drinking Water Fund to the entities identified in this act to remedy the critical water supply problems of those communities at the earliest possible time, thereby protecting the public health and safety, it is necessary that this act take effect immediately.

CHAPTER 1143

An act relating to granted lands within the Mission Bay Development Area, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. As used in this act:

(a) "Boundary of the Port of San Francisco" means that line defining the boundary of Parcel "A" in the description of the lands transferred in trust to the City and County of San Francisco pursuant to Chapter 1333 of the Statutes of 1968 recorded on May 14, 1976, in Book C169, pages 573 through 664 in the City and County of San Francisco Recorder's Office.

(b) "Burton Act trust" means the statutory trust imposed by the Burton Act (Chapter 1333 of the Statutes of 1968, as amended), pursuant to which the state conveyed to the City and County of San Francisco, in trust, by transfer agreement, and subject to certain

terms, conditions, and reservations, the state's interest in certain tide and submerged lands, including lands within the Mission Bay Development Area.

(c) "City" means the City and County of San Francisco, a municipal corporation of the State of California, and where necessary to effectuate the land exchanges contemplated in this act, the city acting by and through the San Francisco Port Commission.

(d) "Granted tidelands" means tidelands or submerged lands, or any interest therein, located within the Mission Bay Development Area and heretofore conveyed or conveyed pursuant to this act by the state to the city.

(e) "Mission Bay Development Area" means those lands within the city which are located in the city above the present line of mean high tide and enclosed by a line beginning at the intersection of the northerly line of Mariposa Street with the easterly line of Pennsylvania Street running thence from that point of intersection easterly along the northerly line of Mariposa Street north 86°49'04" east 940.17 feet; thence leaving that northerly line of Mariposa Street north 3°10'56" west 433.04 feet; thence easterly and parallel with that northerly line of Mariposa Street north 86°49'04" east 280.00 feet; thence north 3°10'56" west 433.04 feet to the southerly line of Sixteenth Street; thence easterly along that southerly line of Sixteenth Street north 86°49'04" east 100.00 feet to the westerly line of Third Street; thence southerly along the westerly line of Third Street south 3°10'56" east 866.08 feet to that northerly line of Mariposa Street; thence easterly crossing Third Street and running along that northerly line of Mariposa Street north 86°49'04" east 360.00 feet to the easterly line of Illinois Street; thence southerly along that easterly line of Illinois Street south 3°10'56" east 129.85 feet; thence leaving that easterly line of Illinois Street and running along the easterly line of the existing street known as China Basin Street the following courses: north 35°06'05" east 616.30 feet; thence northeasterly along an arc of a curve to the left tangent to the preceding course with a radius of 440.00 feet through a central angle of 12°49'53" an arc distance of 98.54 feet; thence tangent to the preceding curve north 22°16'12" east 700.07 feet; thence northerly along an arc of a curve to the left tangent to the preceding course with a radius of 340.00 feet through a central angle of 12°28' an arc distance of 73.98 feet; thence tangent to the preceding curve north 9°48'12" east 86.42 feet; thence northerly along the arc of a curve to the left tangent to the preceding course with a radius of 340.00 feet, through a central angle of 11°58'09" an arc distance of 71.03 feet; thence tangent to the preceding curve north 2°09'57" west 121.43 feet; thence north 3°10'56" west 198.86 feet; thence north 2°19'47" west 292.70 feet; thence northwesterly along an arc of a curve to the left tangent to the preceding course with a radius of 481.57 feet through a central angle of 24°30'49" an arc distance of 206.04 feet; thence tangent to the preceding curve north 26°50'36" west 402.03 feet; thence northwesterly along an arc of a curve to the right tangent to the

preceding course with a radius of 236.29 feet, through a central angle of 9°00'04" an arc distance of 37.12 feet; thence tangent to the preceding curve north 17°50'32" west 679.08 feet; thence south 86°49'04" west 282.38 feet; thence north 17°34'00" west 145.34 feet; thence north 72°26'00" east 13.36 feet; thence north 3°10'56" west 634.51 feet; thence south 86°49'04" west 112.12 feet; thence north 3°10'56" west 200.00 feet; thence north 47°36'05" east 456.59 feet; thence south 86°49'04" west 603.75 feet; thence south 64°21'26" west 108.21 feet to the point of intersection of the westerly line of Third Street with the southerly line of China Basin channel; running thence along southerly line of China Basin channel south 46°18'07" west 772.98 feet to the easterly line of Fourth Street; thence along that easterly line of Fourth Street north 43°41'53" west 440.00 feet to the southerly line of Berry Street; thence easterly along that southerly line of Berry Street north 46°18'07" east 825.95 feet to the westerly line of Third Street; thence northwesterly along that westerly line of Third Street north 43°41'53" west 667.50 feet to the southerly line of Townsend Street; thence southwesterly along that southerly line of Townsend Street south 46°18'07" west 3,549.21 feet to the easterly line of Seventh Street; thence southeasterly along the easterly line of Seventh Street south 43°41'53" east 3,166.68 feet to a point on the easterly line of Pennsylvania Street; thence southerly along that easterly line of Pennsylvania Street south 3°10'56" east 556.59 feet to the point of beginning and contains 319.397 acres of land, more or less.

Excepting therefrom the following described parcels:

Exception - Parcel 1

Beginning at the intersection of the southerly line of Sixteenth Street with the easterly line of Third Street and continuing along the easterly line of Third Street north 3°10'56" west 1,342.00 feet to the true point of beginning of the parcel herein described; thence continuing northerly along that easterly line of Third Street north 3°10'56" west 496.00 feet; thence leaving that easterly line of Third Street north 86°49'04" east 74.00 feet; thence southerly and parallel to that easterly line of Third Street south 3°10'56" east 496.00 feet; thence south 86°49'04" west 74.00 feet to the true point of beginning and containing 0.843 acres of land, more or less.

Exception - Parcel 2

Beginning at the intersection of the southerly line of Sixteenth Street with the easterly line of Third Street and continuing easterly along that southerly line of Sixteenth Street north 86°49'04" east 260.00 feet to the true point of beginning of the parcel herein described; thence continuing along the easterly prolongation of the southerly line of Sixteenth Street north 86°49'04" east 335.00 feet; thence leaving that easterly prolongation of southerly line of Sixteenth Street south 14°29'32" east 107.08 feet; thence parallel to that easterly line of Third Street south 3°10'56" east 232.00 feet; thence south 26°50'57" west 165.18 feet; thence south 86°49'04" west 273.33 feet to a point on the easterly line of Illinois Street; thence

continuing along that easterly line of Illinois Street north 3°10'56" west 480.00 feet to the true point of beginning and containing 3.762 acres of land, more or less.

The bearings herein are based upon the bearing north 43°41'53" west on the northeasterly line of Seventh Street as shown on CalTrans right-of-way map no. R-174.14 and as shown on that certain Record of Survey Map of Mission Bay prepared by KCA Engineers, Inc. dated July 1990, and consisting of 21 sheets, which Record of Survey shall be filed with the State Lands Commission within 180 days of the effective date of this act.

(f) "Mission Bay Specific Plan" means that certain specific plan enacted by the planning commission of the city in satisfaction of the requirements of Article 8 (commencing with Section 65450) of Chapter 3 of Division 1 of Title 7 of the Government Code and the requirements of the charter of the city by Resolution No. 12040, dated September 27, 1990, and by Resolution No. 13017, dated February 14, 1991.

(g) "Public trust" means the public trust for commerce, navigation, and fisheries.

SEC. 2. The Legislature hereby finds and declares as follows:

(a) Certain of the lands within the Mission Bay Development Area are tide or submerged lands which have been filled and reclaimed.

(b) The filled and reclaimed tide and submerged lands within the Mission Bay Development Area are useful for and in connection with, the highly beneficial plan of improvement for harbor development represented by the Mission Bay Specific Plan and related plans for developing consolidated modern port facilities outside the Mission Bay Development Area.

(c) Certain of the tide and submerged lands within the Mission Bay Development Area have been authorized to be, and have been, laid off and sold to private parties pursuant to various acts, including Chapter 41 of the Statutes of 1851, Chapter 160 of the Statutes of 1853, Chapter 543 of the Statutes of 1867–68; Chapter 490 of the Statutes of 1871–72; Chapter 265 of the Statutes of 1903, Chapter 434 of the Statutes of 1947, and Chapter 1252 of the Statutes of 1953.

(d) Certain of the streets originally laid out within the Mission Bay Development Area are filled and not used, suitable, or necessary for navigation purposes and certain portions of those streets are not necessary for street purposes.

(e) Section 3 of Article X of the California Constitution allows the sale to any city, city and county, municipal corporation, private person, partnership, or corporation of tidelands reserved to the state solely for street purposes, which tidelands the Legislature finds and declares are not used and not necessary for navigation purposes, subject to such conditions as the Legislature may establish.

(f) There is a dispute between the city and the state with respect to the extent to which certain street areas within the Mission Bay Development Area may be subject to the public trust or other

encumbrances that may have arisen because the lands were once sovereign lands of the state. The state contends that a total of approximately 40 disputed acres within the Mission Bay Development Area was (1) reserved to the state for street purposes, and (2) is held by the city subject to the public trust. The city contends that it holds those disputed street areas in fee simple free of the public trust or any other such encumbrances. It is in the public interest that this dispute be resolved in a manner that furthers public trust purposes.

(g) The existing fragmented pattern of public and private ownership within the Mission Bay Development Area, especially the industrial area street system and parcelization imposed on the area largely as the result of subdivisions and sales in the latter half of the 19th century, limit both the potential development of the area and the expansion of desirable public uses in the area consistent with the public trust and the Burton Act trust, such as open space and parks along the waterfront and elsewhere within the Mission Bay Development Area, public access to the shoreline, and consolidated, modern facilities for the city. Therefore, the city has developed and adopted the Mission Bay Specific Plan, and the city has negotiated a development agreement pursuant to Article 2.5 (commencing with Section 65864) of Chapter 4 of Division 1 of Title 7 of the Government Code with the current private owner of most of the real property within the Mission Bay Development Area to enable the redevelopment of the Mission Bay Development Area; to respond to and rectify the existing limitations on public trust uses which prevent implementation of the Mission Bay Specific Plan; and to facilitate development of consolidated, modern port facilities outside the Mission Bay Development Area. The Mission Bay Specific Plan and the development agreement approved by the city for the development of the Mission Bay Development Area contemplate that certain lands in dispute with the state and certain other lands subject to the public trust or the Burton Act trust shall be conveyed free of those trusts to the current private owner of most of the real property within the Mission Bay Development Area, and the public trust and the Burton Act trust over certain other lands shall be terminated, in exchange for (1) the conveyance to the city subject to the public trust and the Burton Act trust of certain lands owned by that private owner, or the conveyance to the city of an easement over those lands which will permanently subject the lands to the public trust and the Burton Act trust, (2) the conveyance to the city of an easement over certain other lands in private ownership which will permanently encumber those lands with the public trust, and (3) the agreement by the city that certain of the street areas in dispute with the state and other areas shall be permanently subjected to the public trust by easement or otherwise. In preparing the Mission Bay Specific Plan, the city has considered present and future public trust and Burton Act trust needs and the purposes for which the city holds or may hold property subject to those trusts within the

Mission Bay Development Area. The Mission Bay Specific Plan and that development agreement demonstrate that (1) those lands within the Mission Bay Development Area to be devoted to nonpublic trust purposes or purposes other than those stated in the Burton Act are no longer needed or required for public trust purposes or those purposes provided for in the Burton Act, and (2) the lands to be conveyed to the city, or which will be encumbered by a public trust easement, or which the city will agree to permanently subject to the trust, will be devoted to trust uses as provided for in the Mission Bay Specific Plan and other related plans for maritime development and will, therefore, be highly useful for public trust purposes and Burton Act trust purposes. Specifically, through acquisition of privately owned lands in the pier 70 through 80 area of the city, the city will be able to develop between four and nine container berths in the pier 70 through 80 area. Combining facilities in the pier 70 through 80 area through acquisition of those privately owned lands will also allow the city to take advantage of the existing container-oriented and intermodal infrastructure at piers 80 and 94–96, including the intermodal container transfer facility. In the Mission Bay Development Area, on the other hand, the consolidation of ownerships and the provision by the city of certain additional real property to be developed for public recreational use pursuant to license, together with the toxic remediation of all real property to be subjected to the public trust or the Burton Act trust or to be developed for recreational use will permit the development, pursuant to the Mission Bay Specific Plan, of improved open space, public access, waterfront parks, and other public facilities consistent with the public trust and the Burton Act trust. This development would otherwise not be feasible because of existing ownership patterns and lack of city funds. The consolidation of ownerships referred to in this section will also be facilitated by the resolution of the dispute with the state over the extent to which the street areas within the Mission Bay Development Area are subject to the public trust. It is intended that the resolution of that dispute and the consolidation of public and private ownerships will be accomplished by and through the exchanges of lands previously referred to. These exchanges shall be for the purpose of effectuating the public trust uses provided for in the Mission Bay Specific Plan and related plans for developing consolidated modern port facilities. The proposed exchanges will not interfere with, and will, in fact, be consistent with and further the purposes of the public trust and the Burton Act trust provided that:

(1) The value of the lands or interests in lands to be conveyed to the city and subjected to the public trust or the Burton Act trust, the value of the public trust easement to be conveyed to the city over certain other lands, and the value of the public trust interest created by the agreement of the city that certain of the street areas in dispute with the state and other areas shall be subjected to the public trust by easement or otherwise exceed the value of the lands to be

conveyed by the city and the value of the public trust or Burton Act trust interest to be terminated pursuant to those exchanges.

(2) The lands or interests in lands to be exchanged by the city and over which the public trust or the Burton Act trust or both will be terminated have been filled and reclaimed, those parcels consisting entirely of dry land lying above the present ordinary high water mark, and are not necessary for the highly beneficial program for development of the harbor and waterfront of the city represented by the Mission Bay Specific Plan and related plans for developing consolidated modern port facilities.

(3) The lands to be exchanged by the city and over which the public trust or the Burton Act trust or both will be terminated are nonwaterfront, having been cut off from direct access to the waters of San Francisco Bay by past filling of intervening property or by a major roadway (China Basin Street), which has provided, and will continue to provide, lateral public access to the water along the entirety of the Mission Bay Development Area.

(4) The lands to be exchanged by the city and over which the Burton Act trust or the public trust or both will be terminated constitute a relatively small portion of the tide and submerged lands granted to the city.

(5) The lands to be exchanged by the city and over which the public trust or the Burton Act trust or both will be terminated are no longer needed or required for the promotion of the public trust or the Burton Act trust.

(h) Substantial portions of the approximately 40 acres of granted tidelands in dispute within the Mission Bay Development Area to be conveyed into private ownership were reserved to the state for street purposes and are not used or necessary for navigation purposes, and therefore under Section 3 of Article X of the California Constitution can and should be conveyed into private ownership for uses consistent with and in furtherance of the Mission Bay Specific Plan.

(i) It is therefore the intent of the Legislature, on and subject to the terms and conditions set forth in this act, (1) to authorize, ratify, and confirm any agreement by the city to enter into an exchange or exchanges of granted tidelands and to terminate the public trust or the Burton Act trust or both over granted tidelands consistent with the findings and declarations stated in this act, and (2) to authorize the city to dispose of any and all granted tidelands originally laid out and reserved to the state for street purposes for private use free from those trusts consistent with and in furtherance of the Mission Bay Specific Plan.

SEC. 3. For the purposes of effectuating the exchanges of lands referred to in subdivision (g) of Section 2, including the conveyance of certain of those lands by the city free of the public trust and the Burton Act trust, the State Lands Commission is hereby authorized to grant and convey to the city all of the right, title, and interest held by the state by virtue of its sovereignty, including any public trust

interest or Burton Act trust interest, and not heretofore conveyed, in and to all of the filled tidelands and submerged lands within the Mission Bay Development Area, subject to such reservations as the State Lands Commission may deem appropriate.

SEC. 4. (a) Subject to the requirements for action by the State Lands Commission specified in subdivision (b), whenever it is determined by the city that any portions of the granted tidelands are cut off from access to the waters of San Francisco Bay, constitute a relatively small portion of the tide and submerged lands granted to the city, and are no longer needed or required for the promotion of the public trust for commerce, navigation, and fisheries or the Burton Act trust or both; and when it is further determined that no substantial interference with those trust uses and purposes will ensue; and when it is further determined that an exchange of those lands and the termination of the public trust or the Burton Act trust will be consistent with the findings and declarations contained in Section 2, the city may terminate the public trust or the Burton Act trust, or both, over those portions of the granted tidelands or exchange those portions of the granted tidelands, or any interest in those lands, to any state agency, political subdivision, person, entity, or corporation, or the United States, or any agency thereof, for lands or interests in lands of equal or greater value, including lands that are or may be subject to the public trust or lands in dispute with the state which the city agrees to subject to the public trust or the Burton Act trust or both, which are useful for public trust or Burton Act trust purposes.

(b) No such exchange and trust termination shall be effective unless and until the State Lands Commission, at a regular open meeting with the proposed exchange and trust termination as a properly scheduled agenda item, does or has done both of the following:

(1) Finds, or has found, that the lands or interests in lands to be acquired by the city and the value of the public trust or Burton Act trust interest to be created by agreement of the city have a value equal to or greater than the value of the granted tidelands for which they are to be exchanged and the value of the granted tidelands over which the public trust or the Burton Act trust or both will be terminated.

(2) Adopts, or has adopted, a resolution approving the proposed exchange, and trust termination which finds and declares that the granted tidelands to be exchanged and over which the public trust or the Burton Act trust or both will be terminated have been filled and reclaimed, are cut off from access to the waters of San Francisco Bay, constitute a relatively small portion of the tide and submerged lands granted to the city, and are no longer needed or required for the promotion of the public trust or the Burton Act trust; and, further, that no substantial interference with the public trust or Burton Act trust uses and purposes will ensue by virtue of the exchange and trust termination; and, further, that the exchange and

trust termination is consistent with the findings and declarations in Section 2 and in the best interests of the state and the city. Upon adoption of the resolution, or at such time as may otherwise be specified in the resolution, the granted tidelands to be exchanged and with respect to which the public trust or the Burton Act trust or both are to be terminated shall thereupon be free from the public trust or the Burton Act trust or both.

SEC. 5. (a) In addition to the authorization contained in Section 4, the city is hereby authorized pursuant to Section 3 of Article X of the California Constitution to sell to any private person, partnership, or corporation, with the approval of the State Lands Commission as specified in subdivision (b), any and all portions of the granted tidelands which were laid off and reserved to the state for street purposes.

(b) No such sale shall be effective unless and until the State Lands Commission, at a regular open meeting with the proposed sale as a properly scheduled agenda item, does or has done, both the following:

(1) Finds, or has found, that any consideration to be received by the city is equal to or greater than the value of the portions of granted tidelands which are to be sold.

(2) Adopts, or has adopted, a resolution approving the sale which finds and declares that the granted tidelands to be sold have been filled and reclaimed, are cut off from access to the waters of San Francisco Bay, and are no longer needed or required for the promotion of the public trust or the Burton Act trust; and, further, that no substantial interference with the public trust or Burton Act trust uses and purposes will ensue by virtue of the sale; and further that the sale is consistent with the findings and declarations in Section 2 and the sale is in the best interests of the state and city. Upon adoption of the resolution, or at such time as may otherwise be specified in the resolution, the granted tidelands to be sold shall thereupon be free from the public trust or the Burton Act trust or both.

SEC. 6. The city is hereby authorized to settle by agreement, exchange, or quitclaim, any dispute concerning whether or not particular land within the Mission Bay Development Area constitutes land in private or proprietary ownership by reason of title traceable to a state patent or other valid source, or rather constitutes granted tidelands, title to which is vested in the city. In the settlement of that dispute, the city may, by that agreement, exchange, or quitclaim, establish boundary or compromise boundary lines between granted tidelands and bordering private or proprietary lands. No settlement by agreement, exchange, or quitclaim pursuant to this section shall be effective unless and until the State Lands Commission, at a regular open meeting with that settlement as a properly scheduled agenda item approves or has approved this settlement.

SEC. 7. In determining the value of any granted tidelands to be

sold, exchanged, or conveyed under this act, the city and the State Lands Commission shall give effect in their evaluation to all factors bearing upon the value, if any, of the public's interest being conveyed, released, quitclaimed, or settled, and the rights, claims, and equities of the person in whose favor the conveyance, release, quitclaim, or settlement is being made and their predecessors in interest. In those cases where the granted tidelands have been filled, reclaimed, or improved without the expenditure of either state funds or of public moneys held in trust, the lands may be valued by excluding the value of the fill or improvements or both. Consideration under this act may consist of lands, property, interest in property, easements, moneys, or other things of value given by the grantee or any other person.

SEC. 8. Any lands, or interests therein, received by the city pursuant to any exchange authorized by this act and located within the boundary of the Port of San Francisco or located outside the Mission Bay Development Area shall be held by the city subject to the Burton Act trust and subject to those exceptions and reservations to the state, including, but not limited to, subsurface mineral deposits, contained in Chapter 1333 of the Statutes of 1968, as amended, as if those lands had been transferred to the city pursuant to the provisions of Chapter 1333 of the Statutes of 1968, as amended. Any lands, or interests therein, received by the city outside the boundary of the Port of San Francisco but within the Mission Bay Development Area pursuant to any exchange authorized by this act shall be held by the city subject to the public trust and for the purposes of effectuating the public trust uses provided for in the Mission Bay Specific Plan, except for those lands or interests in lands with respect to which the public trust or the Burton Act trust is terminated pursuant to the exchange.

SEC. 9. The city is hereby authorized to make minor adjustments by agreement, exchange, or quitclaim in the location of the boundaries between lands that are subject to the public trust or the Burton Act trust and lands that are not subject to those trusts, whether the lands are privately owned or owned or held by the city, as such boundaries may be established pursuant to any agreements approved by the State Lands Commission with respect to the granted tidelands or any other lands within the Mission Bay Development Area, provided as follows:

(a) The city determines that any such adjustment does not result in any significant net reduction in either the area or value of lands subject to the public trust or the Burton Act trust within the Mission Bay Development Area or in any significant impairment of the public trust uses provided for in the Mission Bay Specific Plan.

(b) The city notifies the State Lands Commission in writing of any such proposed adjustment, and the State Lands Commission either consents to the adjustment or does not, within 45 days from the notification, specify in writing to the parties to any agreement establishing or affecting the boundaries proposed to be adjusted the

basis for any objections to the proposed adjustment.

The State Lands Commission shall schedule a public hearing on any such objections within 60 days of the mailing of the written objection to the parties and shall expeditiously attempt to resolve those objections with the parties. Any lands which may be determined or agreed to be free of the public trust or the Burton Act trust by virtue of the adjustment shall thereupon be free of those trusts; and any lands which may be determined or agreed to be held subject to those trusts by virtue of the adjustment shall thereupon be held subject to those trusts in accordance with Section 8 of this act.

SEC. 10. Nothing in this act shall be construed to prohibit or limit amendment of the Mission Bay Specific Plan by the city subsequent to the effective date of this act, and no sale, exchange, agreement, quitclaim, or other conveyance authorized, ratified, confirmed, made, or entered into pursuant to this act shall be affected by any such amendment, provided that (1) the city determines that any such amendment does not result in any significant impairment of the public trust uses provided for in the Mission Bay Specific Plan, and (2) the city notifies the State Lands Commission in writing of any such proposed amendment, and the State Lands Commission either consents to the amendment, or does not within 45 days from that notification specify in writing to the city the basis for any objections to the proposed amendment. The State Lands Commission shall schedule a public hearing on any objections within 60 days of the mailing of the written objections to the city and shall expeditiously attempt to resolve those objections with the city.

SEC. 11. Sales, conveyances, or exchanges made by the city pursuant to this act are hereby found to be of statewide significance and importance and, therefore, any ordinance, charter provision, or other provision of local law inconsistent with this act shall not be applicable to the sales, conveyances, or exchanges.

SEC. 12. Any agreement for the exchange or sale of, or trust termination over, granted tidelands pursuant to Section 4 or 5, or any agreement for a boundary line adjustment pursuant to Section 9, shall be conclusively presumed to be valid unless held to be invalid in an appropriate proceeding in a court of competent jurisdiction to determine the validity of the agreement commenced within 60 days after the recording of the agreement.

SEC. 13. The State Lands Commission and the city are authorized to modify any description and plat prepared and recorded pursuant to Chapter 1333 of the Statutes of 1968, as amended, and Section II of that certain agreement relating to transfer of the port of San Francisco from the State of California to the city and dated January 24, 1969, and to record the modified plat and description in the office of the recorder of the city.

SEC. 14. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Certain of the granted tidelands are proposed to be more fully used by the city as a part of a development project that will maximize benefit to the trust purposes in furtherance of which the granted tidelands are held. The project will substantially and immediately further those trust purposes to an extent that would not be possible in the absence of the project. An immediate clarification of the availability of granted tidelands is necessary in order to avoid prolonged delays in realizing the fullest use of those lands for the maximum benefit of the statutory trust purposes. It is necessary, therefore, that this act take effect immediately.

CHAPTER 1144

An act to amend Sections 3920, 4001, 4005, 4006, and 4010 of, and to add Sections 3921 and 4022 to, the Public Utilities Code, and to add 34505.7 to the Vehicle Code, relating to vehicles, and making an appropriation therefor.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 3920 of the Public Utilities Code is amended to read:

3920. Registration shall not be granted to any carrier exempt from regulation by the Interstate Commerce Commission until there is filed with and accepted by the commission, in the form that it prescribes, a currently effective certificate of insurance or a surety bond evidencing bodily injury, property damage, and cargo liability coverage not less than the minimum prescribed for owners and operators of for-hire vehicles regulated by the commission, or evidence of the qualification of the carrier as a self-insurer as may be authorized by the commission under any applicable general orders of the commission.

SEC. 1.5. Section 3921 is added to the Public Utilities Code, to read:

3921. (a) Whenever the commission determines that the certificate of insurance or surety bond of a carrier or evidence of the carrier's qualification as a self-insurer has lapsed or been terminated, the commission shall suspend, cancel, or revoke the carrier's registration.

(b) The commission shall notify the carrier of any action taken under subdivision (a).

SEC. 2. Section 4001 of the Public Utilities Code is amended to read:

4001. (a) For purposes of this chapter, "private carrier" means a not-for-hire motor carrier, as defined in Section 408 of the Vehicle

Code, who is required to display a carrier identification number pursuant to Section 34507.5 of the Vehicle Code, but does not include persons providing transportation services specified in subdivision (k) or (*l*) of Section 5353.

(b) For purposes of this chapter, "department" means the Department of the California Highway Patrol.

SEC. 3. Section 4005 of the Public Utilities Code is amended to read:

4005. Except as provided in Section 4008, no private carrier shall operate a motor vehicle on any public highway in this state unless its operation is currently registered with the commission. The commission shall grant registration upon the filing of the application and the payment of the fee as required by this article, subject to the private carrier's compliance with this chapter.

SEC. 3.5. Section 4006 of the Public Utilities Code is amended to read:

4006. (a) A fee of twenty-five dollars ($25) shall be paid to the commission for the filing of the initial registration, and an annual renewal fee of twenty dollars ($20) shall also be paid. The fees required to be paid by carriers of property pursuant to this section shall be deposited in the Transportation Rate Fund. The fees required to be paid by carriers of passengers pursuant to this section shall be deposited in the Public Utilities Commission Transportation Reimbursement Account in the General Fund.

(b) Notwithstanding subdivision (a), the commission may increase the amount of the initial registration fee to not more than thirty-five dollars ($35) and the amount of the annual renewal fee to not more than thirty dollars ($30) if the commission finds and determines that to do so is necessary to defray the costs of implementing Section 4022. If the commission increases either fee pursuant to this subdivision, it shall prepare and transmit to the Joint Legislative Budget Committee, the Assembly Committee on Utilities and Commerce, and the Senate Committee on Energy and Public Utilities a report of the amount of the increase instituted together with an audited statement of the receipts and disbursements related to the administration of private carrier registrations.

SEC. 4. Section 4010 of the Public Utilities Code is amended to read:

4010. (a) Registration shall not be granted to any private carrier until there is filed with and accepted by the commission, in the form that it prescribes, a currently effective certificate of insurance or a surety bond evidencing protection against liability imposed by law for the payment of damages for personal injury to, or death of, any person or property damage, or both.

(b) Whenever the commission determines that the certificate of insurance or surety bond of a private carrier has lapsed or been terminated, the commission shall suspend the private carrier's registration.

(c) The commission shall notify the private carrier of any action

taken under subdivision (b).

SEC. 5. Section 4022 is added to the Public Utilities Code, to read:

4022. (a) Upon receipt of a written recommendation from the department that the registration of a private carrier be suspended for failure to either (1) maintain any vehicle of the carrier in a safe operating condition or to comply with the Vehicle Code or with regulations contained in Title 13 of the California Code of Regulations relative to motor carrier safety, if that failure is either a consistent failure or presents an imminent danger to public safety, or (2) enroll all drivers in the pull notice system as required by Section 1808.1 of the Vehicle Code, the commission shall, pending a hearing in the matter pursuant to subdivision (d), suspend the carrier's registration. The department's written recommendation shall specifically indicate compliance with subdivision (c).

(b) A private carrier whose registration is suspended pursuant to subdivision (a) may obtain a reinspection of its terminal and vehicles by the department by submitting a written request for reinstatement to the commission and paying a reinstatement fee of one hundred twenty-five dollars ($125). The commission shall deposit all reinstatement fees collected from carriers of property pursuant to this section in the Transportation Rate Fund. The fees required to be paid by carriers of passengers pursuant to this section shall be deposited in the Public Utilities Commission Transportation Reimbursement Account in the General Fund. Upon payment of the fee, the commission shall forward a request for reinspection to the department which shall perform a reinspection within a reasonable time. The commission shall reinstate a carrier's registration suspended under subdivision (a) promptly upon receipt of a written recommendation from the department that the carrier's safety compliance has improved to the satisfaction of the department, unless the registration is suspended for another reason or has been revoked.

(c) Before transmitting a recommendation pursuant to subdivision (a) to the commission, the department shall notify the private carrier in writing of all of the following:

(1) That the department has determined that the carrier's safety record is unsatisfactory, furnishing a copy of any documentation or summary of any other evidence supporting the determination.

(2) That the determination may result in a suspension or revocation of the carrier's registration by the commission.

(3) That the carrier may request a review of the determination by the department within five days of its receipt of the notice required under this subdivision. If a review pursuant to this paragraph is requested by the carrier, the department shall conduct and evaluate that review prior to transmitting any notification to the commission pursuant to subdivision (a).

(d) Whenever the commission suspends the registration of any private carrier pursuant to subdivision (a), the commission shall furnish the carrier written notice of the suspension and shall hold a

hearing within a reasonable time, not to exceed 21 days, after a written request therefor is filed with the commission, with a copy thereof furnished to the department. At the hearing, the carrier shall show cause why the suspension should not be continued. At the conclusion of the hearing, the commission may terminate the suspension, continue the suspension in effect, or revoke the registration. The commission may revoke the registration of any carrier suspended pursuant to subdivision (a) at any time 90 days or more after its suspension if the commission has not received a written recommendation for reinstatement from the department and the carrier has not filed a written request for a hearing with the commission.

SEC. 6. Section 34505.7 is added to the Vehicle Code, to read:

34505.7. (a) Upon determining that a private carrier, as defined in Section 4001 of the Public Utilities Code, has either (1) failed to maintain any vehicle of the carrier in a safe operating condition or to comply with the Vehicle Code or with regulations contained in Title 13 of the California Code of Regulations relative to motor carrier safety, and, in the department's opinion, the failure presents an imminent danger to public safety or constitutes such a consistent failure as to justify a recommendation to the Public Utilities Commission, or (2) failed to enroll all drivers in the pull notice system as required by Section 1808.1, the department shall make a written recommendation to the Public Utilities Commission that the carrier's registration be suspended. Two consecutive unsatisfactory terminal ratings assigned for failure to comply with the periodic report requirements in Section 1808.1, or cancellation of an employer's enrollment by the Department of Motor Vehicles for nonpayment of fees, constitutes a consistent failure. The department shall retain a record, by operator, of every recommendation made pursuant to this section.

(b) Before transmitting a recommendation pursuant to subdivision (a), the department shall give written notice to the carrier of all of the following:

(1) That the department has determined that the carrier's safety record is unsatisfactory, furnishing a copy of any documentation or summary of any other evidence supporting the determination.

(2) That the determination may result in a suspension or revocation of the carrier's registration by the California Public Utilities Commission.

(3) That the carrier may request a review of the determination by the department within five days of its receipt of the notice required by this subdivision. If a review pursuant to this paragraph is requested by the carrier, the department shall conduct and evaluate that review prior to transmitting any notification pursuant to subdivision (a).

CHAPTER 1145

An act to amend Section 1785.13 of the Civil Code, relating to credit reporting agencies.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1785.13 of the Civil Code is amended to read:

1785.13. (a) Except as authorized under subdivision (b), no consumer credit reporting agency shall make any consumer credit report containing any of the following items of information:

(1) Bankruptcies which, from the date of adjudication, antedate the report by more than 10 years. Any information in a consumer credit report regarding a bankruptcy shall designate the chapter of the federal bankruptcy law (Title 11, U.S.C.) pursuant to which the bankruptcy proceeding was filed.

(2) Suits and judgments which, from the date of entry, antedate the report by more than seven years or until the governing statute of limitations has expired, whichever is the longer period.

(3) Unlawful detainer actions where the person against whom the action was filed was adjudged the prevailing party.

(4) Paid tax liens which, from the date of payment, antedate the report by more than seven years.

(5) Accounts placed for collection or charged to profit and loss which antedate the report by more than seven years.

(6) Records of arrest, indictment, information, misdemeanor complaint, or conviction of a crime which, from the date of disposition, release, or parole, antedate the report by more than seven years. These items of information shall no longer be reported if at any time it is learned that in the case of a conviction a full pardon has been granted, or in the case of an arrest, indictment, information, or misdemeanor complaint a conviction did not result.

(7) Any other adverse information which antedates the report by more than seven years.

(b) Subdivision (a) is not applicable in the case of any consumer credit report to be used in the following transactions:

(1) A credit transaction involving, or which may reasonably be expected to involve, a principal amount of fifty thousand dollars ($50,000) or more.

(2) The underwriting of life insurance, involving or which may reasonably be expected to involve, an amount of one hundred thousand dollars ($100,000) or more.

(3) The employment of any individual at an annual salary which equals, or may reasonably be expected to equal, thirty thousand dollars ($30,000) or more.

(4) The rental of a dwelling unit which exceeds one thousand dollars ($1,000) per month.

SEC. 1.1. Section 1785.13 of the Civil Code is amended to read:

1785.13. (a) Except as authorized under subdivision (b) no consumer credit reporting agency shall make any consumer credit report containing any of the following items of information:

(1) Bankruptcies which, from the date of adjudication, antedate the report by more than 10 years. Any information in a consumer credit report regarding a bankruptcy shall designate the chapter of the federal bankruptcy law (Title 11, U.S.C.) pursuant to which the bankruptcy proceeding was filed.

(2) Suits and judgments which, from the date of entry, antedate the report by more than seven years or until the governing statute of limitations has expired, whichever is the longer period.

(3) Unlawful detainer actions, unless the lessor was the prevailing party. For purposes of this paragraph, the lessor shall be deemed to be the prevailing party only if (A) final judgment was awarded to the lessor (i) upon entry of the tenant's default, (ii) upon the granting of the lessor's motion for summary judgment, or (iii) following trial, or (B) the action was resolved by a written settlement agreement between the parties which states that the unlawful detainer action may be reported. In any other instance in which the action is resolved by settlement agreement, the lessor shall not be deemed to be the prevailing party for purposes of this paragraph.

(4) Paid tax liens which, from the date of payment, antedate the report by more than seven years.

(5) Accounts placed for collection or charged to profit and loss which antedate the report by more than seven years.

(6) Records of arrest, indictment, information, misdemeanor complaint, or conviction of a crime which, from the date of disposition, release, or parole, antedate the report by more than seven years. These items of information shall no longer be reported if at any time it is learned that in the case of a conviction a full pardon has been granted, or in the case of an arrest, indictment, information, or misdemeanor complaint a conviction did not result.

(7) Any other adverse information which antedates the report by more than seven years.

(b) Subdivision (a) is not applicable in the case of any consumer credit report to be used in the following transactions:

(1) A credit transaction involving, or which may reasonably be expected to involve, a principal amount of fifty thousand dollars ($50,000) or more.

(2) The underwriting of life insurance, involving or which may reasonably be expected to involve, an amount of one hundred thousand dollars ($100,000) or more.

(3) The employment of any individual at an annual salary which equals, or may reasonably be expected to equal, thirty thousand dollars ($30,000) or more.

(4) The rental of a dwelling unit which exceeds one thousand

dollars ($1,000) per month.

SEC. 1.2. Section 1785.13 of the Civil Code is amended to read:

1785.13. (a) Except as authorized under subdivision (b) no consumer credit reporting agency shall make any consumer credit report containing any of the following items of information:

(1) Bankruptcies which, from the date of adjudication, antedate the report by more than 10 years. Any information in a consumer credit report regarding a bankruptcy shall designate the chapter of the federal bankruptcy law (Title 11, U.S.C.) pursuant to which the bankruptcy proceeding was filed.

(2) Suits and judgments which, from the date of entry, antedate the report by more than seven years or until the governing statute of limitations has expired, whichever is the longer period.

(3) Unlawful detainer actions where the person against whom the action was filed was adjudged the prevailing party.

(4) Paid tax liens which, from the date of payment, antedate the report by more than seven years.

(5) Accounts placed for collection or charged to profit and loss which antedate the report by more than seven years.

(6) Records of arrest, indictment, information, misdemeanor complaint, or conviction of a crime which, from the date of disposition, release, or parole, antedate the report by more than seven years. These items of information shall no longer be reported if at any time it is learned that in the case of a conviction a full pardon has been granted, or in the case of an arrest, indictment, information, or misdemeanor complaint a conviction did not result.

(7) Any other adverse information which antedates the report by more than seven years.

(b) Subdivision (a) is not applicable in the case of any consumer credit report to be used in the following transactions:

(1) A credit transaction involving, or which may reasonably be expected to involve, a principal amount of fifty thousand dollars ($50,000) or more.

(2) The underwriting of life insurance, involving or which may reasonably be expected to involve, an amount of one hundred thousand dollars ($100,000) or more.

(3) The rental of a dwelling unit which exceeds one thousand dollars ($1,000) per month.

(c) No consumer credit reporting agency shall make any consumer credit report to be used for employment purposes except as specified in Section 1785.11.

(d) This section shall remain in effect only until January 1, 1994, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1994, deletes or extends that date.

SEC. 1.3. Section 1785.13 is added to the Civil Code, to read:

1785.13. (a) Except as authorized under subdivision (b), no consumer credit reporting agency shall make any consumer credit report containing any of the following items of information:

(1) Bankruptcies which, from the date of adjudication, antedate

the report by more than 10 years. Any information in a consumer credit report regarding a bankruptcy shall designate the chapter of the federal bankruptcy law (Title 11, U.S.C.) pursuant to which the bankruptcy proceeding was filed.

(2) Suits and judgments which, from the date of entry, antedate the report by more than seven years or until the governing statute of limitations has expired, whichever is the longer period.

(3) Unlawful detainer actions where the person against whom the action was filed was adjudged the prevailing party.

(4) Paid tax liens which, from the date of payment, antedate the report by more than seven years.

(5) Accounts placed for collection or charged to profit and loss which antedate the report by more than seven years.

(6) Records of arrest, indictment, information, misdemeanor complaint, or conviction of a crime which, from the date of disposition, release, or parole, antedate the report by more than seven years. These items of information shall no longer be reported if at any time it is learned that in the case of a conviction a full pardon has been granted, or in the case of an arrest, indictment, information, or misdemeanor complaint a conviction did not result.

(7) Any other adverse information which antedates the report by more than seven years.

(b) Subdivision (a) is not applicable in the case of any consumer credit report to be used in the following transactions:

(1) A credit transaction involving, or which may reasonably be expected to involve, a principal amount of fifty thousand dollars ($50,000) or more.

(2) The underwriting of life insurance, involving or which may reasonably be expected to involve, an amount of one hundred thousand dollars ($100,000) or more.

(3) The employment of any individual at an annual salary which equals, or may reasonably be expected to equal, thirty thousand dollars ($30,000) or more.

(4) The rental of a dwelling unit which exceeds one thousand dollars ($1,000) per month.

(c) This section shall become operative on January 1, 1994.

SEC. 1.4. Section 1785.13 of the Civil Code is amended to read:

1785.13. (a) Except as authorized under subdivision (b) no consumer credit reporting agency shall make any consumer credit report containing any of the following items of information:

(1) Bankruptcies which, from the date of adjudication, antedate the report by more than 10 years. Any information in a consumer credit report regarding a bankruptcy shall designate the chapter of the federal bankruptcy law (Title 11, U.S.C.) pursuant to which the bankruptcy proceeding was filed.

(2) Suits and judgments which, from the date of entry, antedate the report by more than seven years or until the governing statute of limitations has expired, whichever is the longer period.

(3) Unlawful detainer actions, unless the lessor was the prevailing

party. For purposes of this paragraph, the lessor shall be deemed to be the prevailing party only if (A) final judgment was awarded to the lessor (i) upon entry of the tenant's default, (ii) upon the granting of the lessor's motion for summary judgment, or (iii) following trial, or (B) the action was resolved by a written settlement agreement between the parties which states that the unlawful detainer action may be reported. In any other instance in which the action is resolved by settlement agreement, the lessor shall not be deemed to be the prevailing party for purposes of this paragraph.

(4) Paid tax liens which, from the date of payment, antedate the report by more than seven years.

(5) Accounts placed for collection or charged to profit and loss which antedate the report by more than seven years.

(6) Records of arrest, indictment, information, misdemeanor complaint, or conviction of a crime which, from the date of disposition, release, or parole, antedate the report by more than seven years. These items of information shall no longer be reported if at any time it is learned that in the case of a conviction a full pardon has been granted, or in the case of an arrest, indictment, information, or misdemeanor complaint a conviction did not result.

(7) Any other adverse information which antedates the report by more than seven years.

(b) Subdivision (a) is not applicable in the case of any consumer credit report to be used in the following transactions:

(1) A credit transaction involving, or which may reasonably be expected to involve, a principal amount of fifty thousand dollars ($50,000) or more.

(2) The underwriting of life insurance, involving or which may reasonably be expected to involve, an amount of one hundred thousand dollars ($100,000) or more.

(3) The rental of a dwelling unit which exceeds one thousand dollars ($1,000) per month.

(c) No consumer credit reporting agency shall make any consumer credit report to be used for employment purposes except as specified in Section 1785.11.

(d) This section shall remain in effect only until January 1, 1994, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1994, deletes or extends that date.

SEC. 1.5. Section 1785.13 is added to the Civil Code, to read:

1785.13. (a) Except as authorized under subdivision (b) no consumer credit reporting agency shall make any consumer credit report containing any of the following items of information:

(1) Bankruptcies which, from the date of adjudication, antedate the report by more than 10 years. Any information in a consumer credit report regarding a bankruptcy shall designate the chapter of the federal bankruptcy law (Title 11, U.S.C.) pursuant to which the bankruptcy proceeding was filed.

(2) Suits and judgments which, from the date of entry, antedate the report by more than seven years or until the governing statute

of limitations has expired, whichever is the longer period.

(3) Unlawful detainer actions, unless the lessor was the prevailing party. For purposes of this paragraph, the lessor shall be deemed to be the prevailing party only if (A) final judgment was awarded to the lessor (i) upon entry of the tenant's default, (ii) upon the granting of the lessor's motion for summary judgment, or (iii) following trial, or (B) the action was resolved by a written settlement agreement between the parties which states that the unlawful detainer action may be reported. In any other instance in which the action is resolved by settlement agreement, the lessor shall not be deemed to be the prevailing party for purposes of this paragraph.

(4) Paid tax liens which, from the date of payment, antedate the report by more than seven years.

(5) Accounts placed for collection or charged to profit and loss which antedate the report by more than seven years.

(6) Records of arrest, indictment, information, misdemeanor complaint, or conviction of a crime which, from the date of disposition, release, or parole, antedate the report by more than seven years. These items of information shall no longer be reported if at any time it is learned that in the case of a conviction a full pardon has been granted, or in the case of an arrest, indictment, information, or misdemeanor complaint a conviction did not result.

(7) Any other adverse information which antedates the report by more than seven years.

(b) Subdivision (a) is not applicable in the case of any consumer credit report to be used in the following transactions:

(1) A credit transaction involving, or which may reasonably be expected to involve, a principal amount of fifty thousand dollars ($50,000) or more.

(2) The underwriting of life insurance, involving or which may reasonably be expected to involve, an amount of one hundred thousand dollars ($100,000) or more.

(3) The employment of any individual at an annual salary which equals, or may reasonably be expected to equal, thirty thousand dollars ($30,000) or more.

(4) The rental of a dwelling unit which exceeds one thousand dollars ($1,000) per month.

(c) This section shall become operative on January 1, 1994.

SEC. 2. (a) Section 1.1 of this bill incorporates amendments to Section 1785.13 of the Civil Code proposed by both this bill and AB 1796. They shall only become operative if (1) both bills are enacted and become effective January 1, 1992, (2) each bill amends Section 1785.13 of the Civil Code, (3) SB 473 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after AB 1796, in which case Sections 1 and 1.2 to 1.5, inclusive, of this bill shall not become operative.

(b) Sections 1.2 and 1.3 of this bill incorporate amendments to Section 1785.13 of the Civil Code proposed by both this bill and SB 473. They shall only become operative if (1) both bills are enacted

and become effective January 1, 1992, (2) each bill amends Section 1785.13 of the Civil Code, (3) AB 1796 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after SB 473, in which case Sections 1, 1.1, 1.4, and 1.5 of this bill shall not become operative.

(c) Sections 1.4 and 1.5 of this bill incorporate amendments to Section 1785.13 of the Civil Code proposed by this bill, AB 1796, and SB 473. They shall only become operative if (1) all three bills are enacted and become effective January 1, 1992, (2) each bill amends Section 1785.13 of the Civil Code, and (3) this bill is enacted after AB 1796 and SB 473, in which case Sections 1 to 1.3, inclusive, of this bill shall not become operative.

CHAPTER 1146

An act to add an article heading to Chapter 14 (commencing with Section 11300) of Part 7 of, and to add Article 2 (commencing with Section 11320) to Chapter 14 of Part 7 of, the Education Code, relating to education.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. An article heading is added immediately preceding Section 11300 of the Education Code, to read:

Article 1. Policy

SEC. 2. Article 2 (commencing with Section 11320) is added to Chapter 14 of Part 7 of the Education Code, to read:

Article 2. Pilot Projects

11320. The Legislature finds and declares as follows:

(a) The California Workforce Literacy Task Force recommended in 1990 that California's Legislature and Governor work together to promote awareness of the serious need facing the state for greater investments in the literacy skills development of our underserved youth and adult human resources.

(b) More than half of California's youth and adults are not seeking higher education. An estimated seven million of California's youth and adults, age 15 years and older, have educationally developed skills below the 9th grade level, and many are in need of English language training.

(c) State-provided literacy programs cannot meet the present demands for services, yet a majority of those who could benefit from

additional education are not being reached, and of those who are served, most drop out without increasing their skills to the 9th grade level.

(d) Most of the population in need of literacy and other cognitive skills development are not being reached and served by the current delivery system. A limitation on the funds available for this purpose has the effect of causing many individuals to be turned away from programs. Among the reasons given for nonparticipation are failure to recognize a skills problem, fear of admitting a literacy problem at work, or embarrassment. The demands of work and family may create barriers to participation. Negative attitudes about classroom learning, times, and locations for learning are often reported. The perceived lack of any rewards or benefits offers little incentive for many of the persons in need of improving their skills.

(e) Distance learning instructional technologies provide California with excellent opportunities to accomplish important long-range educational opportunities and objectives efficiently.

(f) Distance learning is changing educational boundaries that traditionally have been defined by location and institution. Using distance learning technology, classrooms may now extend to students in other schools, in other cities, in other states, and in other nations. A high school course in advanced mathematics may be taught by a university professor in a live, interactive situation linking high school pupils in inner-city areas of Los Angeles, Boston, Detroit, and rural areas of California.

(g) California is far behind other states in statewide planning and policy development for distance learning. As a result, the benefits of distance learning are not being shared equitably across the state, the resources are not being used as efficiently as they might be, the potential of distance learning technologies to meet broader school and college reform goals is not being maximized, and outmoded statutes and policies block the full utilization of the new technologies.

(h) The federal Office of Technology Assessment concluded in a 1989 report that the recent expansion of distance learning has provided a unique opportunity for collaboration and resource sharing by educators from various institutional, instructional, and geographic locations. Joint activities by representatives from public schools, higher education, and the private sector have multiplied significantly during the past five years, seeking to use distance learning as a means to respond to the need for improved educational services. Distance learning technology has been successfully used in many states to provide educational services for the geographically isolated schools and for underserved or advanced students. States are now using distance learning as a means of solving other educational deficiencies, including inadequacies in faculty and staff development, parental involvement, and cultural relations.

(i) The changing composition of California society has resulted in an increase in the adult population demand for English language and basic skills instruction that school districts and community college

districts have been unable to meet due to budget constraints. In response to this situation, it is the intent of the Legislature to expand the utilization of distance learning technology in the provision of English language and basic skills instruction to adults in all regions of the state.

11320.1. Distance Learning Pilot Projects for English as a Second Language and Adult Workforce Skills shall be established, utilizing distance learning technologies to provide both English language instruction and work force skills for adults with limited English proficiency.

11320.2. The California Postsecondary Education Commission, in consultation with parties having an interest in distance learning activities, shall do all of the following:

(a) Establish and implement a request for proposals for the establishment of two or more Distance Learning Pilot Projects for English as a Second Language and Adult Workforce Skills. These projects shall operate as cost-effective models providing training services to adults. Each project shall be operated for a five-year period. The projects for adult work force skills shall provide services at the adult's worksite, and each project shall function as a consortium involving representatives from business and industry, labor, and educational institutions.

(b) Process, solicit, and review proposals for the pilot projects.

(c) Establish guidelines for the operation of the pilot projects.

(d) Award grants for the operation of the pilot projects.

(e) Establish evaluation criteria to assess the effectiveness of the pilot projects.

11320.3. Utilizing the criteria established pursuant to subdivision (e) of Section 11320.2, the commission shall complete an evaluation of the pilot projects within five years of the initial funding date for the operation of the pilot projects. The commission's evaluation shall include, but not be limited to, the following:

(a) The extent to which pupil achievement levels in English language skills have improved, compared with pupils receiving comparable English as a second language instruction in the traditional classroom setting.

(b) The cost savings, if any, associated with the use of distance learning technology.

(c) Barriers associated with the use of distance learning technology, and the identification of strategies to overcome these barriers.

11320.5. For the purposes of this article, "distance learning" means instruction in which the student and instructor are separated by distance and interact through the assistance of computer and communications technology. Distance learning also may include video or audio instruction in which the primary mode of communication between student and instructor is through a communications medium, including, but not limited to, instructional television, video, or telecourses, and any other instruction that relies

on computer or communications technology to reach students at distant locations.

11320.6. Funding to establish and maintain the distance learning pilot projects for English as a Second Language and Adult Workforce Skills shall be obtained only from grants from federal agencies or private foundations, or both.

CHAPTER 1147

An act to amend Sections 22003, 22005, 22008.5, and 22009 of the Welfare and Institutions Code, relating to long-term care.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 22003 of the Welfare and Institutions Code is amended to read:

22003. (a) Individuals who participate in the pilot program and have resources above the eligibility levels for receipt of medical assistance under Title XIX of the Social Security Act (Subchapter XIX (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code) shall be eligible to receive those in-home supportive services benefits specified by the State Department of Social Services, and those Medi-Cal benefits specified by the State Department of Health Services, for which they would otherwise be eligible, if, prior to becoming eligible for benefits, they have purchased a long-term care insurance policy or a health care service plan contract covering long-term care that has been certified by the State Department of Health Services pursuant to Section 22005.

(b) Individuals may purchase certified long-term care insurance policies or health care service plan contracts which cover long-term care services in amounts equal to the resources they wish to protect, so long as the amount of insurance purchased exceeds the minimum level set by the program.

(c) The resource protection provided by this division shall be effective only for long-term care policies, and health care service plan contracts that cover long-term care services, when the policy or contract is delivered, issued for delivery, or renewed during an enrollment period of January 1, 1992, to December 31, 1996, inclusive, or before the termination of the pilot program, whichever is sooner.

SEC. 2. Section 22005 of the Welfare and Institutions Code is amended to read:

22005. The department shall only certify long-term care insurance policies and health care service plan contracts which cover long-term care that provide all of the following:

(a) Individual case management by a coordinating entity

designated or approved by the department.

(b) The levels and durations of benefits which meet minimum standards set by the department.

(c) Protection against loss of benefits due to inflation.

(d) A recordkeeping system including an explanation of benefit report on insurance payments or benefits which count toward Medi-Cal resource exclusion.

(e) Approval of the insurance policy by the Department of Insurance as meeting the requirements of Chapter 2.6 (commencing with Section 10230) of Part 2 of Division 2 of the Insurance Code, and meeting the standards set forth in the most current version of the Long-Term Care Insurance Model Act and the Long-Term Care Insurance Model Regulations of the National Association of Insurance Commissioners as of the date of certification; or approval of the health care service plan contract by the Department of Corporations pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code as providing substantially equivalent coverage to that required by Chapter 2.6 (commencing with Section 10230) of Part 2 of Division 2 of the Insurance Code.

(f) Compliance with any other requirements imposed by the department through regulations consistent with the purposes of this division.

SEC. 3. Section 22008.5 of the Welfare and Institutions Code is amended to read:

22008.5. Individuals who participate in the pilot program shall remain eligible for those in-home supportive services benefits and those Medi-Cal benefits for which they are eligible under the pilot program for the life of the purchaser of the policy or contract, as long as the purchaser maintains his or her insurance policy or health care service plan contract in force, or otherwise qualifies for continued benefits in accordance with regulations promulgated by the departments.

SEC. 4. Section 22009 of the Welfare and Institutions Code is amended to read:

22009. (a) The State Department of Health Services shall adopt regulations to implement this division, including, but not limited to, regulations which establish:

(1) The population and age groups that are eligible to participate in the pilot program.

(2) The minimum level of long-term care insurance or long-term care coverage included in health care service plan contracts that must be purchased to meet the requirement of subdivision (b) of Section 22003.

(3) The amount and types of services that a long-term care insurance policy or health care service plan contract which includes long-term care services must cover to meet the requirements of Section 22005.

(4) Which coordinating entities are designated or approved to

deliver individual assessment and case management services to individuals in a community setting as required by subdivision (b) of Section 22006.

(5) The disability criteria for eligibility for long-term care benefits as required by subdivision (c) of Section 22006.

(6) The specific eligibility requirements for receipt of the Medi-Cal benefits provided for by the pilot program, and those Medi-Cal benefits for which participants in the pilot program shall be eligible.

(b) The State Department of Social Services shall also adopt regulations to implement this division, including, but not limited to, regulations which establish:

(1) The specific eligibility requirements for in-home supportive services benefits.

(2) Those in-home supportive services benefits for which participants in the pilot program shall be eligible.

(c) The State Department of Health Services and the State Department of Social Services shall also jointly adopt regulations which provide for the following:

(1) Continuation of benefits beyond the termination of the pilot program pursuant to Section 22008.5.

(2) The protection of a participant's resources pursuant to Section 22004, and the ratio of resources to long-term care benefit payments as described in subdivision (c) of Section 22004.

(d) The departments shall adopt emergency regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code to implement this division. The adoption of regulations pursuant to this section in order to implement this division shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health, or safety.

Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, emergency regulations adopted pursuant to this section shall not be subject to the review and approval of the Office of Administrative Law. The regulations shall become effective immediately upon filing with the Secretary of State. The regulations shall not remain in effect more than 120 days unless the adopting agency complies with all of the provisions of Chapter 3.5 (commencing with Section 11340) as required by subdivision (c) of Section 11346.1 of the Government Code.

CHAPTER 1148

An act to amend Sections 469 and 470 of the Revenue and Taxation Code, relating to taxation, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 469 of the Revenue and Taxation Code is amended to read:

469. In any case in which locally assessable trade fixtures and business tangible personal property owned, claimed, possessed, or controlled by a taxpayer engaged in a profession, trade, or business has a full value of three hundred thousand dollars ($300,000) or more, the assessor shall audit the books and records of that profession, trade, or business at least once each four years. If the board determines the value of property pursuant to Section 15640 of the Government Code, that determination may be deemed an audit by the assessor for purposes of this section.

Equalization of the property by a county board of equalization or assessment appeals board pursuant to Chapter 1 (commencing with Section 1601) of Part 3 of this division shall not preclude a subsequent audit and shall not preclude the assessor from levying an escape assessment in appropriate instances, but shall preclude an escape assessment being levied on that portion of the assessment that was the subject of the equalization hearing.

If the result of an audit for any year discloses property subject to an escape assessment, then the original assessment of all property of the assessee at the location of the profession, trade, or business for that year shall be subject to review, equalization and adjustment by the county board of equalization or assessment appeals board pursuant to Chapter 1 (commencing with Section 1601) of Part 3 of this division, except in those instances when the property had previously been equalized for the year in question.

If the audit for any particular tax year discloses that the property of the taxpayer was incorrectly valued or misclassified for any cause, to the extent that this error caused the property to be assessed at a higher value than the assessor would have entered on the roll had the incorrect valuation or misclassification not occurred, then the assessor shall notify the taxpayer of the amount of the excess valuation or misclassification, and the fact that a claim for cancellation or refund may be filed with the county as provided by Sections 4986 and 5096.

SEC. 2. Section 470 of the Revenue and Taxation Code is amended to read:

470. (a) Upon request of an assessor, a person owning, claiming,

possessing, or controlling property subject to local assessment shall make available at his or her principal place of business, principal location or principal address in California or at a place mutually agreeable to the assessor and the person, a true copy of business records relevant to the amount, cost, and value of all property that he or she owns, claims, possesses, or controls within the county.

(b) In the case of a taxpayer that has its principal place of business outside of California and has been requested to make business records available pursuant to subdivision (a), that taxpayer may, as an alternative to making the requested business records available pursuant to the terms of that subdivision, pay the county the amount of reasonable and ordinary expenses for food, lodging, transportation, and other related items incurred by the assessor's representative, in traveling to the place outside California where the requested business records are available for examination and performing his or her official duties with respect to the examination of those records.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to allow the changes made by this act to operate as soon as possible so as to facilitate the proper and efficient administration of property taxes and to produce the full and fair measure of property tax revenues, it is necessary that this act take effect immediately.

CHAPTER 1149

An act to amend Sections 22825.2 and 22825.3 of, and to add Article 8.6 (commencing with Section 31694) to Chapter 3 of Part 3 of Division 4 of Title 3 of, the Government Code, and to amend Section 4142 of the Public Resources Code, relating to public employees, and making an appropriation therefor.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Section 22825.2 of the Government Code is amended to read:

22825.2. (a) Notwithstanding Sections 22825 and 22825.1, state employees first hired on or after January 1, 1985, shall not be vested for the full employer contribution payable for annuitants unless those employees have 10 years of credited state service at time of service retirement.

(b) For the purpose of meeting the vesting requirements of subdivision (a), employees of the County of Merced who became employees of the state as a result of the state's assuming firefighting functions for that county shall be credited with each complete year of service with the county which would have been credited to them by the county for the vesting of postretirement health benefits, as if that service had been with the state. Subdivision (f) of Section 22825.3 does not apply to employees of the County of Merced who became employees of the state as a result of the state assuming firefighter functions for the county on or before August 1, 1988.

(c) This section does not apply to employees of the California State University or of the Legislature.

SEC. 2. Section 22825.3 of the Government Code is amended to read:

22825.3. (a) Notwithstanding Sections 22825, 22825.1, and 22825.2, state employees who become state members of the Public Employees' Retirement System after January 1, 1989, and who are members in state bargaining units for which a memorandum of understanding to become subject to this section has been agreed to by the state employer and the recognized employee organization shall not receive any portion of the employer's contribution payable for annuitants, pursuant to Section 22825.1, unless these employees are credited with 10 years of state service as defined by this section, at the time of retirement.

(b) Notwithstanding Sections 22825, 22825.1, and 22825.2, a state employee who became a state member of the Public Employees' Retirement System after January 1, 1990, and is either (1) excepted from the definition of state employee in subdivision (c) of Section 3513; or (2) a supervisory employee as defined in Section 3522.1; or (3) employed by the executive branch of government who is not a member of the state civil service, shall not receive any portion of the employer's contribution payable for annuitants, pursuant to Section 22825.1, unless the employee is credited with 10 years of state service as defined by this section, at the time of retirement.

(c) The percentage of employer contribution payable for postretirement health benefits for an employee subject to this section shall be based on the member's completed years of credited state service at retirement as shown in the following table:

Credited Years of Service	Percentage of Employer Contribution
10	50
11	55
12	60
13	65
14	70
15	75
16	80
17	85
18	90
19	95
20 or more	100

(d) This section shall apply only to state employees who retire for service.

(e) Benefits provided to an employee subject to this section shall be applicable to all future state service.

(f) For the purposes of this section, "state service" shall mean service rendered as an employee or an appointed or elected officer of the state for compensation. In those cases where the state assumes or has assumed from a local public agency a function and the related personnel, service rendered by that personnel for compensation as employees or appointed or elected officers of that local public agency shall not be credited, at retirement, as state service for the purposes of this section, unless the former employer has paid or agreed to pay the state agency the amount actuarially determined to equal the cost for any employee health benefits which were vested at the time that the function and the related personnel were assumed by the state. For noncontracting local public agencies the state department shall certify the completed years of local agency service to be credited to the employee to the Public Employees' Retirement System at the time of separation for retirement.

(g) Whenever the state contracts to assume a local public agency function, completed years of service rendered by the personnel for compensation as employees or appointed or elected officers of that local public agency shall be credited as state service only upon a finding by the Department of Finance that the contract contains a benefit factor sufficient to reimburse the state for the amount necessary to fully compensate the state for postretirement health benefit costs for those personnel.

(h) This section shall not apply to employees of the California State University or the Legislature.

SEC. 3. Article 8.6 (commencing with Section 31694) is added to Chapter 3 of Part 3 of Division 4 of Title 3 of the Government Code, to read:

Article 8.6. Alternative Group Insurance

31694. This article shall not become operative in any county unless and until it is adopted by resolution of the county board of supervisors. By adoption of this article, the board of supervisors declares their intention to make group health insurance benefits available to retirees, future retirees, and their survivors and dependents.

31694.1. The board of retirement may provide, on behalf of a member who has retired or an eligible surviving spouse or, if there is no such spouse, the surviving unmarried children of the member who are under 18 years of age or under 22 years of age and full-time students, for payments toward all, or a portion of, the payment for the consideration for any hospital service or medical service corporation, including any corporation lawfully operating under Section 10810 of the Corporations Code, contract, or for any combination thereof, for the benefits.

31694.2. The plan's actuary shall determine the amount required to fund a health insurance plan for retirees and shall recommend an amount necessary to establish a health insurance trust fund. The board shall establish a health insurance trust fund with funds that are contributed to provide group retirement health benefits. Future funding shall be in amounts recommended by the actuary.

31694.3. The board of retirement may pay for all or part of the amounts necessary to provide the group health insurance plan or plans offered to the retirees and their survivors and dependents. The amounts paid shall be in accordance with a resolution adopted by the county board of supervisors setting forth the schedule of amounts and eligibility.

31494.4. Any county electing to provide group health insurance benefits to retirees under this article shall do so in compliance with applicable federal tax laws.

SEC. 4. Section 4142 of the Public Resources Code is amended to read:

4142. (a) The department may, with the approval of the Department of General Services, enter into a cooperative agreement upon the terms and under the conditions as it deems wise, for the purpose of preventing and suppressing forest fires or other fires in any lands within any county, city, or district which makes an appropriation for that purpose.

(b) When the state assumes personnel from a county, city, or district, an actuarially determined benefit factor shall be included as a cost in the cooperative agreement, including renewals of the agreement, for any county, city, or district which elects to allow the completed years an employee worked at that county, city, or district, or a lesser number of completed years specified by the local agency, to be credited towards the vesting period for state postretirement health benefits. The department shall certify the completed years of county, city, or district service to be credited to an employee to the

Board of Administration Public Employees' Retirement System at the time of separation for retirement. The actuarially determined benefit factor shall be accepted as sufficient by the Department of Forestry and Fire Protection, upon review by the Department of Finance, to fully compensate the state for the postretirement health benefit costs of those employees. The postretirement health benefit costs charged under this subdivision may be paid in periodic installments at the discretion of the department. If the costs are paid in installments, the payment of the postretirement health benefit costs for years credited for nonstate service shall be a continuing obligation of any county, city, or district which made that election, regardless of whether or not the cooperative agreement continues or is renewed, and regardless of whether or not the employees continue in state service.

SEC. 5. It is the intent of the Legislature in enacting Sections 1 and 2 of this act to include service credit for employees who transferred into state service since January 1, 1985, and have subsequently retired. Sections 1 and 2 of this act are not intended to provide dual annuitant health benefit coverage for employees blanketed into state service.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1150

An act to amend Section 17510.3 of the Business and Professions Code, and to amend Section 12599 of the Government Code, relating to charitable organizations.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 17510.3 of the Business and Professions Code is amended to read:

17510.3. (a) Prior to any solicitation or sales solicitation for charitable purposes, the solicitor or seller shall exhibit to the

prospective donor or purchaser a card entitled "Solicitation or Sale for Charitable Purposes Card." The card shall be signed and dated under penalty of perjury by an individual who is a principal, staff member, or officer of the soliciting organization. The card shall give the name and address of the soliciting organization or the person who signed the card and the name and business address of the paid individual who is doing the actual soliciting.

In lieu of exhibiting a card, the solicitor or seller may distribute during the course of the solicitation any printed material, such as a solicitation brochure, provided the material complies with the standards set forth below, and provided that the solicitor or seller informs the prospective donor or purchaser that the information as required below is contained in the printed material.

Information on the card or printed material shall be presented in at least 10-point type and shall include the following:

(1) The name and address of the combined campaign, each organization, or fund on behalf of which all or any part of the money collected will be utilized for charitable purposes.

(2) If there is no organization or fund, the manner in which the money collected will be utilized for charitable purposes.

(3) The amount, stated as a percentage of the total gift or purchase price, that will be used for charitable purposes.

(4) If paid fundraisers are paid a set fee rather than a percentage of the total amount raised, the card shall show the total cost that is estimated will be used for direct fundraising expenses.

(5) If the solicitation is not a sale solicitation, the card may state, in place of the amount of fundraising expenses, that an audited financial statement of these expenses may be obtained by contacting the organization at the address disclosed.

(6) The non-tax-exempt status of the organization or fund, if the organization or fund for which the money or funds are being solicited does not have a charitable tax exemption under both federal and state law.

(7) The percentage of the total gift or purchase price which may be deducted as a charitable contribution under both federal and state law. If no portion is so deductible the card shall state that "This contribution is not tax deductible."

(8) If the organization making the solicitation represents any nongovernmental organization by any name which includes, but is not limited to, the term "officer," "peace officer," "police," "law enforcement," "reserve officer," "deputy," "California Highway Patrol," "Highway Patrol," or "deputy sheriff," which would reasonably be understood to imply that the organization is composed of law enforcement personnel, the solicitor shall give the total number of members in the organization and the number of members working or living within the county where the solicitation is being made, and if the solicitation is for advertising, the statewide circulation of the publication in which the solicited ad will appear.

(b) Knowing and willful noncompliance by any individual

volunteer who receives no compensation of any type from or in connection with a solicitation by any charitable organization shall subject the solicitor or seller to the penalties of the law.

(c) When the solicitation is not a sales solicitation, any individual volunteer who receives no compensation of any type from, or in connection with, a solicitation by any charitable organization may comply with the disclosure provisions by providing the name and address of the charitable organization on behalf of which all or any part of the money collected will be utilized for charitable purposes, by stating the charitable purposes for which the solicitation is made, and by stating to the person solicited that information about revenues and expenses of the organization, including its administration and fundraising costs, may be obtained by contacting the organization's office at the address disclosed. The organization shall provide this information to the person solicited within seven days after receipt of the request.

(d) A volunteer who receives no compensation of any type from, or in connection with, a solicitation or sales solicitation by a charitable organization which has qualified for a tax exemption under Section 501(c)(3) of the Internal Revenue Code of 1954, and who is 18 years of age or younger, is not required to make any disclosures pursuant to this section.

(e) If any provision of this section or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

SEC. 1.5. Section 17510.3 of the Business and Professions Code is amended to read:

17510.3. (a) Prior to any solicitation or sales solicitation for charitable purposes, the solicitor or seller shall exhibit to the prospective donor or purchaser a card entitled "Solicitation or Sale for Charitable Purposes Card." The card shall be signed and dated under penalty of perjury by an individual who is a principal, staff member, or officer of the soliciting organization. The card shall give the name and address of the soliciting organization or the person who signed the card and the name and business address of the paid individual who is doing the actual soliciting.

In lieu of exhibiting a card, the solicitor or seller may distribute during the course of the solicitation any printed material, the as a solicitation brochure, provided such material complies with the standards set forth below, and provided that the solicitor or seller informs the prospective donor or purchaser that the information as required below is contained in the printed material.

Information on the card or printed material shall be presented in at least 10-point type and shall include the following:

(1) The name and address of the combined campaign, each organization, or fund on behalf of which all or any part of the money collected will be utilized for charitable purposes.

(2) If there is no organization or fund, the manner in which the money collected will be utilized for charitable purposes.

(3) The amount, stated as a percentage of the total gift or purchase price, that will be used for charitable purposes.

(4) If paid fundraisers are paid a set fee rather than a percentage of the total amount raised, the card shall show the total cost that is estimated will be used for direct fundraising expenses.

(5) If the solicitation is not a sale solicitation, the card may state, in place of the amount of fundraising expenses, that an audited financial statement of these expenses may be obtained by contacting the organization at the address disclosed.

(6) The non-tax-exempt status of the organization or fund, if the organization or fund for which the money or funds are being solicited does not have a charitable tax exemption under both federal and state law.

(7) The percentage of the total gift or purchase price which may be deducted as a charitable contribution under both federal and state law. If no portion is so deductible the card shall state that "This contribution is not tax deductible."

(8) If the organization making the solicitation represents any nongovernmental organization by any name which includes, but is not limited to, the term "officer," "peace officer," "police," "law enforcement," "reserve officer," "deputy," "California Highway Patrol," "Highway Patrol," or "deputy sheriff," which would reasonably be understood to imply that the organization is composed of law enforcement personnel, the solicitor shall give the total number of members in the organization and the number of members working or living within the county where the solicitation is being made, and if the solicitation is for advertising, the statewide circulation of the publication in which the solicited ad will appear.

(9) If the organization making the solicitation represents any nongovernmental organization by any name which includes, but is not limited to, the term "veteran" or "veterans," which would reasonably be understood to imply that the organization is composed of veterans, the solicitor shall give the total number of members in the organization and the number of members working or living within the county where the solicitation is being made. This paragraph does not apply to federally chartered or state incorporated veterans' organizations with 200 or more dues paying members or to a thrift store operated or controlled by a federally chartered or state incorporated veterans' organization. This paragraph does not apply to any state incorporated community-based organization that provides direct services to veterans and their families and qualifies as a tax-exempt organization under Section 501 (c) (3) or 501 (c) (19) of the Internal Revenue Code and Section 23701d of the Revenue and Taxation Code.

(b) Knowing and willful noncompliance by any individual volunteer who receives no compensation of any type from or in connection with a solicitation by any charitable organization shall

subject the solicitor or seller to the penalties of the law.

(c) When the solicitation is not a sales solicitation, any individual volunteer who receives no compensation of any type from, or in connection with, a solicitation by any charitable organization may comply with the disclosure provisions by providing the name and address of the charitable organization on behalf of which all or any part of the money collected will be utilized for charitable purposes, by stating the charitable purposes for which the solicitation is made, and by stating to the person solicited that information about revenues and expenses of the organization, including its administration and fundraising costs, may be obtained by contacting the organization's office at the address disclosed. The organization shall provide this information to the person solicited within seven days after receipt of the request.

(d) A volunteer who receives no compensation of any type from, or in connection with, a solicitation or sales solicitation by a charitable organization which has qualified for a tax exemption under Section 501(c)(3) of the Internal Revenue Code of 1954, and who is 18 years of age or younger, is not required to make any disclosures pursuant to this section.

(e) If any provision of this section or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

SEC. 2. Section 12599 of the Government Code is amended to read:

12599. (a) "Commercial fundraiser for charitable purposes" is defined as any individual, corporation, or other legal entity who for compensation does either of the following:

(1) Solicits funds in this state for charitable purposes and who receives and controls the funds or assets solicited for charitable purposes.

(2) As a result of a solicitation of funds in this state for charitable purposes, receives and controls the funds or assets solicited for charitable purposes.

A commercial fundraiser for charitable purposes shall not include a "trustee" as defined in Section 12582 or 12583, a "charitable corporation" as defined in Section 12582.1, or any employee thereof. A commercial fundraiser for charitable purposes shall not include a person who is an employee of a commercial fundraiser for charitable purposes registered with the Attorney General.

(b) A commercial fundraiser for charitable purposes shall, prior to soliciting any funds in California for charitable purposes, or prior to receiving and controlling any funds or assets as a result of a solicitation in this state for charitable purposes, register with the Attorney General's Registry of Charitable Trusts on a registration form provided by the Attorney General. Renewals of registration shall be filed with the Registry of Charitable Trusts by January 15 of

each calendar year in which the commercial fundraiser for charitable purposes does business and shall be effective for one year. For 1990, a registration or renewal fee of two hundred dollars ($200) shall be required for registration of a commercial fundraiser for charitable purposes, and shall be payable by certified or cashier's check to the Attorney General's Registry of Charitable Trusts at the time of registration or renewal. The Attorney General may adjust the annual registration or renewal fee as needed to ensure that revenues will fully offset, but not exceed, the actual costs incurred by the Department of Justice pursuant to this section. The Attorney General's Registry of Charitable Trusts may grant extensions of time to file annual registration as required, pursuant to subdivision (b) of Section 12586.

(c) A commercial fundraiser for charitable purposes shall file with the Attorney General's Registry of Charitable Trusts, and with the sheriff of each county in which the fundraiser intends to solicit funds or the sheriff's designee, an annual financial report on a form provided by the Attorney General, accounting for all funds collected pursuant to any solicitation for charitable purposes during the preceding calendar year. The annual financial report shall be filed with the Attorney General's Registry of Charitable Trusts, and with the sheriff of each county in which the fundraiser intends to solicit funds or the sheriff's designee, no later than 30 days after the close of the preceding calendar year. Nothing in this section shall be construed as requiring the sheriff of any county, or the sheriff's designee, to maintain on file any annual financial report filed pursuant to this subdivision.

(d) The contents of the forms for annual registration and annual financial reporting by commercial fundraisers for charitable purposes shall be established by the Attorney General in a manner consistent with the procedures set forth in subdivisions (a) and (b) of Section 12586. The annual financial report shall require a detailed, itemized accounting of funds solicited for charitable purposes on behalf of each charitable organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code or for each charitable purpose during the accounting period, and shall include, among other data, the following information for funds solicited by the commercial fundraiser for charitable purposes:

(1) Total revenue.

(2) The fee or commission charged by the commercial fundraiser for charitable purposes.

(3) Salaries paid by the commercial fundraiser for charitable purposes to its officers and employees.

(4) Fundraising expenses.

(5) Distributions to the identified charitable organization or purpose.

(6) The names and addresses of any director, officer, or employee of the commercial fundraiser for charitable purposes who is a director, officer, or employee of any charitable organization listed in

the annual financial report.

(e) It shall be unlawful for any commercial fundraiser for charitable purposes to solicit funds in this state for charitable purposes unless the commercial fundraiser for charitable purposes has complied with the registration or annual renewal and financial reporting requirements of this article. Failure to comply with these registration or annual renewal and financial reporting requirements shall be grounds for injunction against solicitation in this state for charitable purposes and other civil remedies provided by law.

(f) A commercial fundraiser for charitable purposes is a constructive trustee for charitable purposes as to all funds collected pursuant to solicitation for charitable purposes and shall account to the Attorney General for all funds. A commercial fundraiser for charitable purposes is subject to the Attorney General's supervision and enforcement over charitable funds and assets to the same extent as a trustee for charitable purposes under this article.

(g) If any provision of this section or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or application of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

SEC. 3. Section 1.5 of this bill incorporates amendments to Section 17510.3 of the Business and Professions Code proposed by both this bill and AB 890. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 17510.3 of the Business and Professions Code, and (3) this bill is enacted after AB 890, in which case Section 1 of this bill shall not become operative.

CHAPTER 1151

An act to add Section 6715 to the Labor Code, relating to occupational safety and health.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 6715 is added to the Labor Code, to read:

6715. (a) The division, on or before July 1, 1992, shall compile existing research studies and other information current as of June 1, 1992, pertaining to the effects of continuous exposure to low-frequency magnetic radiation emitted by video display terminals, including personal computer screens and all other computer display monitors and report its findings to the Assembly Committee on Rules and the Senate Committee on Rules.

(b) On or before July 1, 1992, the State Department of Health

Services shall provide the Assembly Committee on Rules and the Senate Committee on Rules in writing of any information, current as of June 1, 1992, it has concerning the subject matter described in subdivision (a).

CHAPTER 1152

An act to add Section 1374.57 to the Health and Safety Code, and to add Sections 10121.6 and 11516.1 to the Insurance Code, relating to insurance.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1374.57 is added to the Health and Safety Code, to read:

1374.57. (a) No group health care service plan which provides hospital, medical, or surgical expense benefits for employees or subscribers and their dependents shall exclude a dependent child from eligibility or benefits solely because the dependent child does not reside with the employee or subscriber.

(b) A health care service plan which provides hospital, medical, or surgical expense benefits for employees or subscribers and their dependents shall enroll, upon application by the employer or group administrator, a dependent child of the noncustodial parent when the parent is the employee or subscriber, at any time the noncustodial or custodial parent makes an application for enrollment to the employer or group administrator when a court order for medical support exists. The application to the employer or group administrator shall be made within 90 days of the issuance of the court order. In the case of children who are eligible for medicaid, the State Department of Health Services or the district attorney in whose jurisdiction the child resides may make that application.

(c) This section shall not be construed to require that a health care service plan enroll a dependent who resides outside the plan's geographic service area.

SEC. 2. Section 10121.6 is added to the Insurance Code, to read:

10121.6. (a) No policy of group disability insurance or self-insured employee welfare benefit plan which provides hospital, medical, or surgical expense benefits for employees, insureds, or policyholders and their dependents shall exclude a dependent child from eligibility or benefits solely because the dependent child does not reside with the employee, insured, or policyholder.

(b) Each policy of group disability insurance or self-insured employee welfare benefit plan which provides hospital, medical, or surgical expense benefits for employees, insureds, or policyholders

and their dependents shall enroll, upon application by the employer or group administrator, a dependent child of the noncustodial parent when that parent is the employee, insured, or policyholder at any time the noncustodial or custodial parent makes an application for enrollment to the employer or group administrator when a court order for medical support exists. The application to the employer or group administrator shall be made within 90 days of the issuance of the court order. In the case of children who are eligible for medicaid, the State Department of Health Services or the district attorney in whose jurisdiction the child resides may make that application.

SEC. 3. Section 11516.1 is added to the Insurance Code, to read:

11516.1. (a) No group nonprofit hospital service plan which provides hospital, medical, or surgical expense benefits for employees, members, or policyholders and their dependents shall exclude a dependent child from eligibility or benefits solely because the dependent child does not reside with the employee, member, or policyholder.

(b) A group nonprofit hospital service plan which provides hospital, medical, or surgical expense benefits for employees, members, or policyholders and their dependents shall enroll, upon application by the employer or group administrator, a dependent child of the noncustodial parent when that parent is the employee, member, or policyholder of the plan at any time the noncustodial or custodial parent makes an application for enrollment to the employer or group administrator when a court order for medical support exists. The application to the employer or group administrator shall be made within 90 days of the issuance of the court order. In the case of children who are eligible for medicaid, the State Department of Health Services or the district attorney in whose jurisdiction the child resides may make that application.

CHAPTER 1153

An act to add Sections 20100.3 and 20217 to the Government Code, relating to the Public Employees' Retirement System.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 20100.3 is added to the Government Code, to read:

20100.3. The counsel to the board shall notify each new member of the board upon his or her assumption of office and each member of the board annually that he or she is subject to the gift provisions of the Ethics in Government Act of 1990, Chapter 9.5 (commencing with Section 89500) of Title 9.

SEC. 2. Section 20217 is added to the Government Code, to read:

20217. During any process involving a request for proposal or the selection of any vendor or contractor for goods or services by the board, no member shall communicate concerning any matter relating to the request for proposal or selection with any applicant or bidder, or an officer or employee of an applicant or bidder, outside of the application or bidding process. This section shall apply to investment products, including, but not limited to, bonds, real estate, and stocks.

CHAPTER 1154

An act to amend Section 10327 of the Elections Code, relating to elections.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 10327 of the Elections Code is amended to read:

10327. (a) The statement of all measures submitted to the voters shall be abbreviated on the ballot. The statement shall contain not more than 75 words of each measure to be voted on, followed by the words, "Yes" and "No." Abbreviation of measures to be voted on throughout the state shall be composed by the Attorney General and shall be a condensed statement of the ballot title prepared by him or her.

(b) For purposes of measures to be voted on throughout the state, the limitation contained in subdivision (a) shall apply to the total number of words used in the condensed statement of the ballot title and the financial impact summary prepared pursuant to Section 3572 and Section 88003 of the Government Code.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the Legislature finds and declares that there are savings as well as costs in this act which, in the aggregate, do not result in additional net costs. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1155

An act to amend Section 2941 of, and to repeal Section 895 of, the Civil Code, relating to real property.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 895 of the Civil Code is repealed.

SEC. 2. Section 2941 of the Civil Code is amended to read:

2941. (a) Within 30 days after any mortgage has been satisfied, the mortgagee or the assignee of the mortgagee shall execute a certificate of the discharge thereof, as provided in Section 2939, and shall record or cause to be recorded, except as provided in subdivision (c), in the office of the county recorder in which the mortgage is recorded. The mortgagee shall then deliver, upon the written request of the mortgagor or the mortgagor's heirs, successors, or assignees, as the case may be, the original note and mortgage to the person making the request.

(b) (1) When the obligation secured by any deed of trust has been satisfied, the beneficiary or the assignee of the beneficiary shall execute and deliver to the trustee the original note, deed of trust, request for a full reconveyance, and such other documents as may be necessary to reconvey, or cause to be reconveyed, the deed of trust.

(A) The trustee shall execute the full reconveyance and shall record or cause it to be recorded, except as provided in subdivision (c), in the office of the county recorder in which the deed of trust is recorded within 21 calendar days after receipt by the trustee of the original note, deed of trust, request for a full reconveyance, the fee that may be charged pursuant to subdivision (e), recorder's fees, and such other documents as may be necessary to reconvey, or cause to be reconveyed, the deed of trust.

(B) The trustee shall deliver a copy of the reconveyance to the beneficiary, its successor in interest, or its servicing agent, if known.

(C) Following execution and recordation of the full reconveyance, upon receipt of a written request by the trustor or the trustor's heirs, successors, or assignees, the trustee shall then deliver the original note and deed of trust to the person making that request.

(2) If the trustee has failed to execute and record, or cause to be recorded, the full reconveyance within 60 calendar days of satisfaction of the obligation, the beneficiary, upon receipt of a written request by the trustor or trustor's heirs, successor in interest, agent, or assignee, shall execute and acknowledge a document pursuant to Section 2934a substituting itself or another as trustee and issue a full reconveyance.

(3) If a full reconveyance has not been executed and recorded pursuant to either paragraph (1) or paragraph (2) within 75 calendar

days of satisfaction of the obligation, then a title insurance company may prepare and record a release of the obligation. However, at least 10 days prior to the issuance and recording of a full release pursuant to this paragraph, the title insurance company shall mail by first-class mail with postage prepaid, the intention to release the obligation to the trustee, trustor, and beneficiary of record, or their successor in interest of record, at the last known address.

(A) The release shall set forth:

(i) The name of the beneficiary.

(ii) The name of the trustor.

(iii) The recording reference to the deed of trust.

(iv) A recital that the obligation secured by the deed of trust has been paid in full.

(v) The date and amount of payment.

(B) The release issued pursuant to this subdivision shall be entitled to recordation and, when recorded, shall be deemed to be the equivalent of a reconveyance of a deed of trust.

(4) Where an obligation secured by a deed of trust was paid in full prior to July 1, 1989, and no reconveyance has been issued and recorded by October 1, 1989, then a release of obligation as provided for in paragraph (3) may be issued.

(5) Paragraphs (2) and (3) do not excuse the beneficiary or the trustee from compliance with paragraph (1). Paragraph (3) does not excuse the beneficiary from compliance with paragraph (2).

(6) In addition to any other remedy provided by law, a title insurance company preparing or recording the release of the obligation shall be liable to any party for damages, including attorneys' fees, which any person may sustain by reason of the issuance and recording of the release, pursuant to paragraphs (3) and (4).

(c) The mortgagee or trustee shall not record or cause the certificate of discharge or full reconveyance to be recorded when any of the following circumstances exists:

(1) The mortgagee or trustee has received written instructions to the contrary from the mortgagor or trustor, or the owner of the land, as the case may be, or from the owner of the obligation secured by the deed of trust or his or her agent, or escrow.

(2) The certificate of discharge or full reconveyance is to be delivered to the mortgagor or trustor, or the owner of the land, as the case may be, through an escrow to which the mortgagor, trustor, or owner is a party.

(3) When the personal delivery is not for the purpose of causing recordation and when the certificate of discharge or full reconveyance is to be personally delivered with receipt acknowledged by the mortgagor or trustor or owner of the land, as the case may be, or their agent if authorized by mortgagor or trustor or owner of the land.

(d) The violation of any provision of this section shall make the violator liable to the person affected by the violation for all damages

which that person may sustain by reason of the violation, and shall require that the violator forfeit to that person the sum of three hundred dollars ($300).

(e) (1) The trustee, beneficiary, or mortgagee may charge a reasonable fee to the trustor or mortgagor, or the owner of the land, as the case may be, for all services involved in the preparation, execution, and recordation of the full reconveyance, including, but not limited to, document preparation and forwarding services rendered to effect the full reconveyance, and, in addition, may collect official fees. This fee may be made payable no earlier than the opening of a bona fide escrow or no more than 60 days prior to the full satisfaction of the obligation secured by the deed of trust or mortgage.

(2) If the fee charged pursuant to this subdivision does not exceed sixty-five dollars ($65), the fee is conclusively presumed to be reasonable. This paragraph shall only be operative until January 1, 1995.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1156

An act to amend Section 25684 of the Public Resources Code, relating to energy.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Section 25684 of the Public Resources Code is amended to read:

25684. The commission shall make loans and repayable research contracts, and may provide primary research contracts funding from the account for the purposes of making energy technologies more efficient and cost-effective, and to develop new cost-effective alternative sources of energy. The commission shall select recipients through a procedure using an invitation for bids or a request for proposals. Each invitation for bids and request for proposals shall specify the criteria to be used in selecting projects for financing. The

criteria shall include, but not be limited to, all of the following factors:

(a) The potential of the project to reduce consumption and increase the efficiency of nonrenewable energy sources and systems.

(b) The financial, technical, and management strength of the project applicant.

(c) The near-term and long-term feasibility of the project.

(d) The ability of the project technology to be used on other applications throughout California.

(e) The potential of the project for promoting diverse, secure, and resilient energy supplies.

(f) The potential of the project for reducing adverse environmental impacts.

(g) The potential of the project to stimulate economic development, employment, and tax revenues for California.

(h) The potential of the project for reducing short-term and long-term energy costs for the ratepayers of California.

(i) The need of the project for state financing.

(j) The ability of the project to garner private investment.

(k) The investment payback period for the project.

(*l*) The probability of success in overcoming the risk of the project.

(m) The potential for stimulating small business competition in the field of alternative energy development.

(n) The ability of the project to generate needed community economic development for participating local jurisdictions.

(o) The extent of the applicant's financial participation.

(p) The degree of innovation of the project.

(q) Whether the project is in general agreement with the energy policies of California regarding the energy technologies and priorities as set forth in the biennial report of the commission.

Contracts entered into pursuant to this section are not subject to Article 4 (commencing with Section 10335) or Article 5 (commencing with Section 10355) of Chapter 2 of Part 2 of Division 2 of the Public Contract Code.

CHAPTER 1157

An act to amend Section 2813.5 of the Penal Code, and to add Section 22711 to the Vehicle Code, relating to prisons.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 2813.5 of the Penal Code is amended to read:

2813.5. Notwithstanding any other provision of this chapter

except subdivision (i) of Section 2808, and notwithstanding subdivision (*l*) of Section 22851.3 of the Vehicle Code, the Director of Corrections may provide for the inmates in trade and industrial education or vocational training classes established under Section 2054 to restore and rebuild donated salvageable and abandoned vehicles. If these vehicles comply with Section 24007.5 of the Vehicle Code, they may be sold at public auction to private persons. This activity shall be subject to the public hearing requirements of subdivision (i) of Section 2808 at any time that this activity involves a gross annual production of more than fifty thousand dollars ($50,000).

The proceeds of the sale after deduction of the cost of materials shall be deposited in the Restitution Fund in the State Treasury and, upon appropriation by the Legislature, may be used for indemnification of victims of crimes.

SEC. 2. Section 22711 is added to the Vehicle Code, to read:

22711. Notwithstanding any other provision of law, the California Highway Patrol, any city, county, or city and county which has an abandoned vehicle abatement program, and any service authority established under Section 22710, upon satisfying all applicable reporting requirements provided in this chapter, may, with the consent of the Director of Corrections, transport any abandoned vehicle to, and dispose of any abandoned vehicle at, any institution under the jurisdiction of the director which has a program established pursuant to Section 2813.5 of the Penal Code.

CHAPTER 1158

An act to add Article 8.5 (commencing with Section 7139) to Chapter 9 of Division 3 of the Business and Professions Code, relating to the Construction Management Education Sponsorship Act of 1991.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Article 8.5 (commencing with Section 7139) is added to Chapter 9 of Division 3 of the Business and Professions Code, to read:

Article 8.5. The Construction Management Education Sponsorship Act of 1991

7139. This article shall be known as the Construction Management Education Sponsorship Act of 1991.

7139.1. The Legislature hereby finds and declares all of the following:

(a) There is a demand and increasing need for construction management education programs and resources within the postsecondary education system that prepare graduates for the management of construction operations and companies regulated by the Contractors' State License Law and enforced by the Contractors' State License Board.

(b) Although construction management programs do exist within the state university system, these programs are woefully underfunded and insufficiently funded to provide training on state-of-the-art management information systems for either graduates or extension programs for continuing education of licensed contractors. Construction industry associations have provided some assistance through direct grants and scholarships, but the industrywide service of these programs and the need for additional assistance mandates broad based industrywide support.

(c) It is the intent of the Legislature that by enabling contractors to designate a portion of their licensure fee and providing a format for contractors to contribute funds to construction management education, this article will receive broad based industry support. In addition, this article allows the contractor to demonstrate the importance of construction management education. This assistance will enable greater development of construction management curricula and will improve the overall quality of construction by providing construction management training to California licensed contractors and their current and future management personnel.

7139.2. (a) There is hereby created the Construction Management Education Account (CMEA) as a separate account in the Contractors' License Fund for the purposes of construction management education. Funds in the account shall be available for the purposes of this article upon appropriation by the Legislature.

(b) The Contractors' State License Board shall allow a contractor to contribute twenty-five dollars ($25) to the Construction Management Education Account at the time of the contractor license fee payment. The license fee form shall clearly display this alternative on its face and shall clearly inform the licensee that this provision is a contribution to the Construction Management Education Account and is in addition to the fees.

(c) The board may accept grants from federal, state, or local public agencies, or from private foundations or individuals, in order to assist it in carrying out its duties, functions, and powers under this article. Grant moneys shall be deposited into the Construction Management Education Account.

7139.3. (a) The board may award grants to qualified public postsecondary educational institutions for the support of courses of study in construction management.

(b) Any organization of contractors, or organization of contractor organizations, incorporated under Division 2 (commencing with Section 5000) of the Corporations Code may request the board to award grants pursuant to subdivision (a) directly to qualified public

postsecondary educational institutions of its choice. However, the total amount of money which may be awarded to one public postsecondary educational institution pursuant to subdivision (a) may not exceed an amount equal to 25 percent of the total funds available under this article.

(c) The board shall establish an advisory committee to recommend grant awards. The advisory committee shall consist of 11 members, with at least one representative from each of the following contractor associations: Associated General Contractors of California, Associated Builders and Contractors, California Building Industry Association, National Electrical Contractors Association, Plumbing-Heating-Cooling Contractor's Association, Southern California Contractor's Association, and California Sheet Metal and Air Conditioning Contractor's Association. Members of the advisory committee shall not receive per diem or reimbursement for traveling and other expenses pursuant to Section 103 of the Business and Professions Code.

7139.4. Qualified public postsecondary educational institutions shall provide postsecondary construction management programs at the baccalaureate or higher level that either award or provide one of the following:

(a) A bachelor of science construction management degree accredited by the American Council for Construction Education.

(b) A degree with an American Council for Construction Education accredited option, including, but not limited to, engineering technology and industrial technology.

(c) A bachelor of science or higher degree program documenting placement of more than 50 percent of their graduates with California licensed contractors. The placement of a person who holds a master or doctorate degree in the faculty of a construction program shall be counted as though placed with a California licensed contractor.

(d) The development of a construction management curriculum to meet the American Council for Construction Education criteria.

7139.5. Grants shall be made pursuant to this article to public postsecondary educational institutions that meet the qualifications specified in Section 7139.4 in the following amounts:

(a) Three thousand dollars ($3,000) per graduate during the past academic year for institutions qualifying under subdivision (a) of Section 7139.4.

(b) Three thousand dollars ($3,000) per graduate during the past academic year for institutions qualifying under subdivision (b) of Section 7139.4.

(c) Three thousand dollars ($3,000) per graduate placed with California licensed contractors during the past academic year for institutions qualifying under subdivision (c) of Section 7139.4. These funds shall be used for the purpose of becoming accredited by the American Council for Construction Education and shall be available for up to three years. The board may continue to provide this grant to an institution that in its judgment is meeting the intent of this act

and is continuing its development towards accreditation.

(d) Institutions qualifying under subdivision (d) of Section 7139.4 may receive a grant in an amount up to twenty-five thousand dollars ($25,000) per year for up to two years. Thereafter, these institutions may receive grants based upon the criteria described in subdivisions (a) to (c), inclusive. The board may continue to award a grant to an institution that in its judgment is meeting the intent of this article and is continuing its development towards accreditation.

7139.6. (a) The grants issued pursuant to Sections 7139.3 and 7139.5 may be used for all of the following:

(1) Instructional materials and support, equipment, curriculum development, and delivery.

(2) Support and development of outreach, continuing education, and cooperative education or internship programs.

(3) Administrative and clerical support positions.

(4) Faculty recruitment and development, to include support for postgraduate work leading to advanced degrees, visiting lecturer compensation and expenses, teaching assistant positions, and faculty positions.

(b) Grant moneys may also be used to support general classroom and laboratory operating expenses and related administrative supplies, including, but not limited to, reference materials, testing equipment, and equipment maintenance. The list of support items in this subdivision and subdivision (a) are intended to be descriptive rather than limiting. "Support" does not include faculty salary supplements.

7139.7. The board shall report to the Legislature annually on the condition of the grant program and shall include in the report the names of the public postsecondary educational institutions involved, the amount of funds granted to each of those educational institutions, the purposes for which the funds were granted to each of those recipients, the number of students involved, the number of placements made to the construction industry for the previous academic year, and any other information the board considers relevant to the program.

7139.8. The president of each public postsecondary educational institution receiving a grant under this article shall submit, with its respective request for a grant each year following the initial year for which grants are issued, a report to the board delineating the amount of the past grant awarded from the Construction Management Education Account to that institution and the utilization of those funds. The report shall include, but not be limited to, the following:

(a) The number of graduates placed with the California licensed contractors during the previous academic year.

(b) The expected enrollment in construction management courses in the upcoming academic year.

(c) Continuing education and extension courses offered during the previous academic year and their enrollments.

7139.9. The board may allocate up to fifteen thousand dollars

($15,000) per year from the Construction Management Education Account for the administration of this article.

7139.10. It is the intent of the Legislature that state funding for the grants authorized to be awarded under this section be provided only from the Contractors' License Fund to the extent that funds are available in that fund and that no other state funding be provided for those grants.

CHAPTER 1159

An act to amend Section 21025 of the Government Code, relating to public employees' retirement.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 21025 of the Government Code is amended to read:

21025. If the medical examination and other available information show to the satisfaction of the board, or in case of a local safety member, other than a school safety member, the governing body of the contracting agency employing such member, that the member is incapacitated physically or mentally for the performance of his or her duties in the state service and is eligible to retire for disability, the board shall forthwith retire him or her for disability, unless the member is qualified to be retired for service and applies therefor prior to the effective date of his or her retirement for disability or within 30 days after the member is notified of his or her eligibility for retirement on account of disability, in which event the board shall retire the member for service. The governing body of a contracting agency upon receipt of the request of the board pursuant to Section 21024 shall certify to the board its determination under this section that the member is or is not so incapacitated. The local safety member may appeal the determination of the governing body. Appeal hearings shall be conducted by an administrative law judge of the Office of Administrative Hearings pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of this title.

CHAPTER 1160

An act to amend Sections 7002, 7003, 7018.5, 7019, 7020, 7026.1, 7028.1, 7045, 7046, 7054, 7058, 7058.5, 7068, 7099.10, 7111, 7115, 7118.5, 7118.6, 7125, 7140, 7150.1, 7151, 7151.2, 7152, 7153.2, 7159, and 7163 of, the heading of Article 7.5 (commencing with Section 7125) of Chapter 9 of Division 3 of, to amend and renumber Sections 7026.6, 7026.7, 7026.8, 7026.10, 7027, 7029.6, 7030.6, 7099.85, 7167.5, 7169, 7170, and 7172 of, to repeal and add Section 7026.3 of, to repeal Sections 7026.2, 7026.4, 7026.5, 7026.11, 7029.5, 7029.7, 7099.8, 7099.9, 7165, 7166, 7166.5, 7167, 7168, 7171, and 7173 of, the Business and Professions Code, relating to contractors.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 7002 of the Business and Professions Code is amended to read:

7002. One member of the board shall be a general engineering contractor, two members shall be general building contractors, two members shall be specialty contractors, one member shall be a member of a labor organization representing the building trades, and seven members shall be public members.

For the purposes of construing this article, the terms "general engineering contractor," "general building contractor," and "specialty contractor" shall have the meanings given in Article 4 (commencing with Section 7055) of this chapter.

Each contractor member of the board shall be of recognized standing in his or her branch of the contracting business. Each member of the board shall be at least 30 years of age and of good character.

Each member of the board shall have been a citizen and resident of the State of California for at least five years next preceding his or her appointment.

SEC. 2. Section 7003 of the Business and Professions Code is amended to read:

7003. Except as otherwise provided, an appointment to fill a vacancy caused by the expiration of the term of office shall be for a term of four years and shall be filled, except for a vacancy in the term of a public member, by a member from the same branch of the contracting business as was the branch of the member whose term has expired. A vacancy in the term of a public member shall be filled by another public member. Each member shall hold office until the appointment and qualification of his or her successor or until one year shall have elapsed since the expiration of the term for which he or she was appointed, whichever first occurs.

Vacancies occurring in the membership of the board for any cause

shall be filled by appointment for the balance of the unexpired term.

No person shall serve as a member of the board for more than two consecutive terms.

The Governor shall appoint five of the public members and the six members qualified as provided in Section 7002. The Senate Rules Committee and the Speaker of the Assembly shall each appoint a public member.

SEC. 3. Section 7018.5 of the Business and Professions Code is amended to read:

7018.5. The board shall prescribe a form entitled "Notice to Owner" which shall describe, in nontechnical language and in a clear and coherent manner using words with common and everyday meaning, the pertinent provisions of this state's mechanics' lien laws and the rights and responsibilities of an owner of property and a contractor thereunder, including the provisions relating to the filing of a contract concerning a work of improvement with the county recorder and the recording in that office of a contractor's payment bond for private work. Each contractor licensed under this chapter, prior to entering into a contract with an owner for work specified as home improvement or swimming pool construction pursuant to Section 7159, shall give a copy of this "Notice to Owner" to the owner, the owner's agent, or the payer.

SEC. 4. Section 7019 of the Business and Professions Code is amended to read:

7019. (a) If funding is made available for that purpose, the board may contract with licensed professionals, as appropriate, for the site investigation of consumer complaints. The registrar shall determine the rate of reimbursement for licensed professionals performing inspections on behalf of the board. All reports shall be completed on a form prescribed by the registrar.

(b) As used in this section, "licensed professionals" means, but is not limited to, engineers, architects, landscape architects, and geologists licensed, certificated, or registered pursuant to this division.

SEC. 5. Section 7020 of the Business and Professions Code is amended to read:

7020. The board shall maintain a computerized enforcement tracking system for consumer complaints.

SEC. 6. Section 7026.1 of the Business and Professions Code is amended to read:

7026.1. The term "contractor" includes:

(a) Any person not exempt under Section 7053 who maintains or services air-conditioning, heating, or refrigeration equipment that is a fixed part of the structure to which it is attached.

(b) Any person, consultant to an owner-builder, firm, association, organization, partnership, business trust, corporation, or company, who or which undertakes, offers to undertake, purports to have the capacity to undertake, or submits a bid, to construct any building or home improvement project, or part thereof.

(c) Any person not otherwise exempt by this chapter, who performs tree removal, tree pruning, stump removal, or engages in tree or limb cabling or guying. The term contractor does not include a person performing the activities of a nurseryman who in the normal course of routine work performs incidental pruning of trees, or guying of planted trees and their limbs. The term contractor does not include a gardener who in the normal course of routine work performs incidental pruning of trees measuring less than 15 feet in height after planting.

(d) Any person engaged in the business of drilling, digging, boring, or otherwise constructing, deepening, repairing, reperforating, or abandoning any water well, cathodic protection well, or monitoring well.

SEC. 7. Section 7026.2 of the Business and Professions Code is repealed.

SEC. 8. Section 7026.3 of the Business and Professions Code is repealed.

SEC. 9. Section 7026.3 is added to the Business and Professions Code, to read:

7026.3. For the purpose of this chapter, "contractor" includes any person who installs or contracts for the installation of carpet wherein the carpet is attached to the structure by any conventional method as determined by custom and usage in the trade; except that a seller of installed carpet who holds a retail furniture dealer's license under Chapter 3 (commencing with Section 19000) of Division 8 shall not be required to have a contractor's license if the installation of the carpet is performed by a licensed contractor and the seller so certifies in writing to the buyer prior to the performance of the installation, which certification shall include the name, business address, and contractor's license number of the licensed contractor by whom the installation will be performed.

SEC. 10. Section 7026.4 of the Business and Professions Code is repealed.

SEC. 11. Section 7026.5 of the Business and Professions Code is repealed.

SEC. 12. Section 7026.6 of the Business and Professions Code is amended and renumbered to read:

7027. Any person who advertises or puts out any sign or card or other device after the effective date of this section which would indicate to the public that he or she is a contractor, or who causes his or her name or business name to be included in a classified advertisement or directory after the effective date of this section under a classification for construction or work of improvement covered by this chapter is subject to the provisions of this chapter regardless of whether his or her operations as a builder are otherwise exempted.

SEC. 13. Section 7026.7 of the Business and Professions Code is amended and renumbered to read:

7027.1. (a) It is a misdemeanor for any person to advertise for

construction or work of improvement covered by this chapter unless that person holds a valid license under this chapter in the classification so advertised, except that a licensed building or engineering contractor may advertise as a general contractor.

(b) "Advertise," as used in this section, includes, but not by way of limitation, the issuance of any card, sign, or device to any person, the causing, permitting, or allowing of any sign or marking on or in any building or structure, or in any newspaper, magazine, or by airwave transmission, or in any directory under a listing for construction or work of improvement covered by this chapter, with or without any limiting qualifications.

(c) A violation of this section is punishable by a fine of not less than seven hundred dollars ($700) and not more than one thousand dollars ($1,000), which fine shall be in addition to any other punishment imposed for a violation of this section.

(d) If upon investigation, the registrar has probable cause to believe that an unlicensed individual is in violation of this section, the registrar may issue a citation pursuant to Section 7099.10.

SEC. 14. Section 7026.8 of the Business and Professions Code is amended and renumbered to read:

7027.2. Notwithstanding any other provision of this chapter, any person not licensed pursuant to this chapter may advertise for construction work or work of improvement covered by this chapter, provided that he or she shall state in the advertisement that he or she is not licensed under this chapter.

SEC. 15. Section 7026.10 of the Business and Professions Code is amended and renumbered to read:

7027.3. Any person, licensed or unlicensed, who willfully and intentionally uses, with intent to defraud, a contractor's license number which does not correspond to the number on a currently valid contractor's license held by that person, is punishable by a fine not exceeding ten thousand dollars ($10,000), or by imprisonment in state prison, or in county jail for not more than one year, or by both the fine and imprisonment. The penalty provided by this section is cumulative to the penalties available under all other laws of this state.

SEC. 16. Section 7026.11 of the Business and Professions Code is repealed.

SEC. 17. Section 7027 of the Business and Professions Code is amended and renumbered to read:

7026.2. (a) For the purposes of this chapter, "contractor" includes any person engaged in the business of the construction, installation, alteration, repair, or preparation for moving of a mobilehome or mobilehome accessory buildings and structures upon a site for the purpose of occupancy as a dwelling.

(b) "Contractor" does not include the manufacturer of the mobilehome or mobilehome accessory building or structure if it is constructed at a place other than the site upon which it is installed for the purpose of occupancy as a dwelling, and does not include the manufacturer when the manufacturer is solely performing work in

compliance with the manufacturer's warranty. "Contractor" includes the manufacturer if the manufacturer is engaged in onsite construction, alteration, or repair of a mobilehome or mobilehome accessory buildings and structures pursuant to specialized plans, specifications, or models, or any work other than in compliance with the manufacturer's warranty.

(c) "Contractor" does not include a seller of a manufactured home or mobilehome who holds a retail manufactured home or mobilehome dealer's license under Chapter 7 (commencing with Section 18045) of Part 2 of Division 13 of the Health and Safety Code, if the installation of the manufactured home or mobilehome is to be performed by a licensed contractor and the seller certifies that fact in writing to the buyer prior to the performance of the installation. The certification shall include the name, business address, and contractor's license number of the licensed contractor by whom the installation will be performed.

(d) For the purposes of this chapter, the following terms have the following meanings:

(1) "Mobilehome" means a vehicle defined in Section 18008 of the Health and Safety Code.

(2) "Mobilehome accessory building or structure" means a building or structure defined in Section 18008.5 of the Health and Safety Code.

(3) "Manufactured home" means a structure defined in Section 18007 of the Health and Safety Code.

SEC. 18. Section 7028.1 of the Business and Professions Code is amended to read:

7028.1. It is a misdemeanor for any contractor to perform or engage in asbestos-related work, as defined in Section 6501.8 of the Labor Code, without certification pursuant to Section 7058.5 of this code, or to perform or engage in a removal or remedial action, as defined in subdivision (d) of Section 7058.7, or, on or after January 1, 1992, bids for the installation or removal of, or installs or removes, an underground storage tank, without certification pursuant to Section 7058.7. A contractor in violation of this section is subject to one of the following penalties:

(a) Conviction of a first offense is punishable by a fine of not less than one thousand dollars ($1,000) or more than three thousand dollars ($3,000), and by possible revocation or suspension of any contractor's license.

(b) Conviction of a subsequent offense requires a fine of not less than three thousand dollars ($3,000) or more than five thousand dollars ($5,000), or imprisonment in the county jail not exceeding one year, or both the fine and imprisonment, and a mandatory action to suspend or revoke any contractor's license.

SEC. 19. Section 7029.5 of the Business and Professions Code is repealed.

SEC. 20. Section 7029.6 of the Business and Professions Code is amended and renumbered to read:

7029.5. Every plumbing contractor, electrical sign contractor, and well-drilling contractor licensed under this chapter shall have displayed on each side of each motor vehicle used in his or her business, for which a commercial vehicle registration fee has been paid pursuant to Article 3 (commencing with Section 9400) of Chapter 6 of Division 3 of the Vehicle Code, his or her name, permanent business address, and contractor's license number, all in letters and numerals not less than 1½ inches high.

The identification requirements of this section shall also apply to any drill rig used for the drilling of water wells.

Failure to comply with this section constitutes a cause for disciplinary action.

SEC. 21. Section 7029.7 of the Business and Professions Code is repealed.

SEC. 22. Section 7030.6 of the Business and Professions Code is amended and renumbered to read:

7099.11. (a) No person shall advertise, as that term is defined in Section 7026.7, to promote his or her services for the removal of asbestos unless he or she is certified to engage in asbestos-related work pursuant to Section 7058.5, and registered for that purpose pursuant to Section 6501.5 of the Labor Code. Each advertisement shall include that person's certification and registration numbers and shall use the same name under which that person is certified and registered.

(b) The registrar shall issue a notice to comply with the order of correction provisions of subdivision (a) of Section 7099.10, to any person who is certified and registered, as described in subdivision (a), and who fails to include in any advertisement his or her certification and registration numbers.

(c) The registrar shall issue a citation pursuant to Section 7099 to any person who fails to comply with the notice required by subdivision (b), or who advertises to promote his or her services for the removal of asbestos but does not possess valid certification and registration numbers as required by subdivision (a), or who fails to use in that advertisement the same name under which he or she is certified and registered.

Citations shall be issued and conducted pursuant to Sections 7099 to 7099.10, inclusive.

SEC. 23. Section 7045 of the Business and Professions Code is amended to read:

7045. This chapter does not apply to the sale or installation of any finished products, materials or articles of merchandise, which do not become a fixed part of the structure, nor shall it apply to a material supplier or manufacturer furnishing finished products, materials, or articles of merchandise who does not install or contract for the installation of those items. The term "finished products" shall not include installed carpets or mobilehomes or mobilehome accessory structures as defined in Section 7026.2.

This chapter shall apply to the installation of home improvement

goods, as defined in Section 7151.

SEC. 24. Section 7046 of the Business and Professions Code is amended to read:

7046. This chapter does not apply to any construction, alteration, improvement, or repair of personal property. The term "personal property" shall not include mobilehomes or mobilehome accessory structures as defined in Section 7026.2.

SEC. 25. Section 7054 of the Business and Professions Code is amended to read:

7054. This chapter does not apply to any person who performs work in the installation, maintenance, monitoring, selling, alteration, or servicing of alarm systems, as defined in subdivision (n) of Section 7590.1, and who holds an alarm company operator's license issued pursuant to Chapter 11.6 (commencing with Section 7590).

SEC. 26. Section 7058 of the Business and Professions Code is amended to read:

7058. (a) A specialty contractor is a contractor whose operations as such are the performance of construction work requiring special skill and whose principal contracting business involves the use of specialized building trades or crafts.

(b) A specialty contractor includes a contractor whose operations include the business of servicing or testing fire extinguishing systems.

(c) A specialty contractor includes a contractor whose operations are concerned with the installation and laying of carpets, linoleum, and resilient floor covering.

SEC. 27. Section 7058.5 of the Business and Professions Code is amended to read:

7058.5. (a) No contractor shall engage in asbestos-related work, as defined in Section 6501.8 of the Labor Code, which involves 100 square feet or more of surface area of asbestos containing materials, unless the qualifier for the license passes an asbestos certification examination. Additional updated asbestos certification examinations may be required based on new health and safety information. The decision on whether to require an updated certification examination shall be made by the Contractors' State License Board, in consultation with the Division of Occupational Safety and Health in the Department of Industrial Relations and the State Department of Health Services.

No asbestos certification examination shall be required for contractors involved with the installation, maintenance, and repair of asbestos cement pipe or sheets, vinyl asbestos floor materials, or asbestos bituminous or resinous materials.

"Asbestos" as used in this section, has the same meaning as defined in Section 6501.7 of the Labor Code.

(b) The Contractors' State License Board shall develop, and deliver to all applicants with the request for bond and fee, a booklet containing information relative to handling and disposal of asbestos, together with an open book examination concerning asbestos-related work. All applicants for an initial contractor's license and all

applicants filing a delinquent renewal application who have not previously completed the open book examination shall complete and sign the open book examination and submit it to the Contractors' State License Board with the required renewal or bond and fee.

SEC. 28. Section 7068 of the Business and Professions Code is amended to read:

7068. (a) The board shall require an applicant to show such degree of knowledge and experience in the classification applied for, and such general knowledge of the building, safety, health, and lien laws of the state and of the administrative principles of the contracting business as the board deems necessary for the safety and protection of the public.

(b) An applicant shall qualify in regard to his or her experience and knowledge in one of the following ways:

(1) If an individual, he or she shall qualify by personal appearance or by the appearance of his or her responsible managing employee who is qualified for the same license classification as the classification being applied for.

(2) If a copartnership or a limited partnership, it shall qualify by the appearance of a general partner or by the appearance of a responsible managing employee who is qualified for the same license classification as the classification being applied for.

(3) If a corporation, or any other combination or organization, it shall qualify by the appearance of a responsible managing officer or responsible managing employee who is qualified for the same license classification as the classification being applied for.

(c) An applicant who has been convicted of a violation of Section 7028 may not apply for a license for a one-year period from the date of conviction. Upon submittal of an application the applicant shall be subject to Section 7071.6.

(d) A responsible managing employee for the purpose of this chapter shall mean an individual who is a bona fide employee of the applicant and is actively engaged in the classification of work for which that responsible managing employee is the qualifying person in behalf of the applicant.

(e) The board shall, in addition, require an applicant who qualifies by means of a responsible managing employee under either paragraph (1) or (2) of subdivision (b) to show his or her general knowledge of the building, safety, health, and lien laws of the state and of the administrative principles of the contracting business as the board deems necessary for the safety and protection of the public.

(f) Except in accordance with Section 7068.1, no person qualifying on behalf of an individual or firm under paragraph (1), (2), or (3) of subdivision (b) shall hold any other active contractor's license while acting in the capacity of a qualifying individual pursuant to this section.

(g) At the time of application for renewal of a license, the responsible managing individual shall file a statement with the registrar, on a form prescribed by the registrar, verifying his or her

capacity as a responsible managing individual to the licensee.

(h) Statements made by or on behalf of an applicant as to the applicant's experience in the classification applied for shall be verified by a qualified and responsible person. In addition, the registrar shall, as specified by board regulation, randomly review a percentage of such statements for their veracity.

(i) The registrar shall review experience gained by applicants from other states to determine whether all of that experience was gained in a lawful manner in that state.

SEC. 29. Section 7099.8 of the Business and Professions Code is repealed.

SEC. 30. Section 7099.85 of the Business and Professions Code is amended and renumbered to read:

7028.17. (a) The failure of an unlicensed individual to comply with a citation after it is final is a misdemeanor.

(b) Notwithstanding Section 1462.5 or 1463 of the Penal Code or any other provision of law, any fine collected upon conviction in a criminal action brought under this section shall be distributed as follows:

(1) If the action is brought by a district attorney, any fine collected shall be paid to the treasurer of the county in which the judgment was entered to be designated for use by the district attorney.

(2) If the action is brought by a city attorney or city prosecutor, any fine collected shall be paid to the treasurer of the city in which the judgment was entered, to be designated for use by the city attorney.

SEC. 31. Section 7099.9 of the Business and Professions Code is repealed.

SEC. 32. Section 7099.10 of the Business and Professions Code is amended to read:

7099.10. (a) If, upon investigation, the registrar has probable cause to believe that a licensee, an applicant for a license, or an unlicensed individual acting in the capacity of a contractor who is not otherwise exempted from the provisions of this chapter, has violated Section 7026.7 by advertising for construction or work of improvement covered by this chapter in an alphabetical or classified directory, without being properly licensed, the registrar may issue a citation under Section 7099 containing an order of correction which requires the violator to cease the unlawful advertising and to notify the telephone company furnishing services to the violator to disconnect the telephone service furnished to any telephone number contained in the unlawful advertising, and that subsequent calls to that number shall not be referred by the telephone company to any new telephone number obtained by that person.

(b) If the person to whom a citation is issued under subdivision (a) notifies the registrar that he or she intends to contest the citation, the registrar shall afford an opportunity for a hearing, as specified in Section 7099.5, within 90 days after receiving the notification.

(c) If the person to whom a citation and order of correction is issued under subdivision (a) fails to comply with the order of correction after the order is final, the registrar shall inform the Public Utilities Commission of the violation, and the Public Utilities Commission shall require the telephone corporation furnishing services to that person to disconnect the telephone service furnished to any telephone number contained in the unlawful advertising.

(d) The good faith compliance by a telephone corporation with an order of the Public Utilities Commission to terminate service issued pursuant to this section shall constitute a complete defense to any civil or criminal action brought against the telephone corporation arising from the termination of service.

SEC. 33. Section 7111 of the Business and Professions Code is amended to read:

7111. (a) Failure to make and keep records showing all contracts, documents, records, receipts, and disbursements by a licensee of all of his or her transactions as a contractor, and failure to have those records available for inspection by the registrar or his or her duly authorized representative for a period of not less than five years after completion of any construction project or operation to which the records refer, or refusal by a licensee to comply with a written request of the registrar to make the records available for inspection constitutes a cause for disciplinary action.

(b) Failure of a licensee, applicant, or registrant subject to the provisions of this chapter, who without lawful excuse, delays, obstructs, or refuses to comply with a written request of the registrar or designee for information or records, to provide that information or make available those records, when the information or records are required in the attempt to discharge any duty of the registrar, constitutes a cause for disciplinary action.

SEC. 34. Section 7115 of the Business and Professions Code is amended to read:

7115. Failure in any material respect to comply with the provisions of this chapter, or any rule or regulation adopted pursuant to this chapter, or to comply with the provisions of Section 7106 of the Public Contract Code, constitutes a cause for disciplinary action.

SEC. 35. Section 7118.5 of the Business and Professions Code is amended to read:

7118.5. Any contractor, applicant for licensure, or person required to be licensed, who, either knowingly or negligently, or by reason of a failure to inquire, enters into a contract with another person who is required to be, and is not, certified pursuant to Section 7058.5 to engage in asbestos-related work, as defined in Section 6501.8 of the Labor Code, is subject to the following penalties:

(a) Conviction of a first offense is an infraction punishable by a fine of not less than one thousand dollars ($1,000) or more than three thousand dollars ($3,000), and by possible revocation or suspension of any contractor's license.

(b) Conviction of a subsequent offense is a misdemeanor

requiring revocation or suspension of any contractor's license, and a fine of not less than three thousand dollars ($3,000) or more than five thousand dollars ($5,000), or imprisonment in the county jail for not more than one year, or both the fine and imprisonment.

SEC. 36. Section 7118.6 of the Business and Professions Code is amended to read:

7118.6. Any contractor who, either knowingly or negligently, or by reason of a failure to inquire, enters into a contract with another person who is required to be, and is not certified pursuant to Section 7058.7 to engage in a removal or remedial action, as defined in Section 7058.7, is subject to the following penalties:

(a) Conviction of a first offense is an infraction punishable by a fine of not less than one thousand dollars ($1,000) or more than three thousand dollars ($3,000), and by possible revocation or suspension of any contractor's license.

(b) Conviction of a subsequent offense is a misdemeanor requiring revocation or suspension of any contractor's license, and a fine of not less than three thousand dollars ($3,000) or more than five thousand dollars ($5,000), or imprisonment in the county jail for not more than one year, or both the fine and imprisonment.

SEC. 37. The heading of Article 7.5 (commencing with Section 7125) of Chapter 9 of Division 3 of the Business and Professions Code is amended to read:

Article 7.5. Workers' Compensation Insurance Reports

SEC. 38. Section 7125 of the Business and Professions Code is amended to read:

7125. Every person licensed as a contractor shall report in writing the name and address of the insurer carrying workers' compensation insurance on his or her employees to the registrar within 90 days after any policy of insurance is issued to him or her and shall send a copy of this report to the insurer.

The insurer, including the State Compensation Insurance Fund, shall thereafter report to the registrar any cancellation or lapse of the policy within 10 days after the cancellation or lapse. A renewal of a policy or a new policy in lieu of one that has expired is not considered a cancellation or lapse.

SEC. 39. Section 7140 of the Business and Professions Code is amended to read:

7140. All licenses issued under the provisions of this chapter shall expire two years from the last day of the month in which the license is issued, or two years from the date on which the renewed license last expired.

To renew a license which has not expired, the licensee shall, before the time at which the license would otherwise expire, apply for renewal on a form prescribed by the registrar and pay the renewal fee prescribed by this chapter. Renewal of an unexpired license shall continue the license in effect for the two-year period following the

expiration date of the license, when it shall expire if it is not again renewed.

SEC. 40. Section 7150.1 of the Business and Professions Code is amended to read:

7150.1. A home improvement contractor, including a swimming pool contractor, is a contractor as defined and licensed under this chapter who is engaged in the business of home improvement either full time or part time.

SEC. 41. Section 7151 of the Business and Professions Code is amended to read:

7151. "Home improvement" means the repairing, remodeling, altering, converting, or modernizing of, or adding to, residential property and shall include, but not be limited to, the construction, erection, replacement, or improvement of driveways, swimming pools, including spas and hot tubs, terraces, patios, awnings, storm windows, landscaping, fences, porches, garages, fallout shelters, basements, and other improvements of the structures or land which is adjacent to a dwelling house. "Home improvement" shall also mean the installation of home improvement goods or the furnishing of home improvement services.

For purposes of this chapter, "home improvement goods or services" means goods and services, as defined in Section 1689.5 of the Civil Code, which are bought in connection with the improvement of real property. Such home improvement goods and services include, but are not limited to, carpeting, texture coating, fencing, air conditioning or heating equipment, and termite extermination. Home improvement goods include goods which are to be so affixed to real property as to become a part of real property whether or not severable therefrom.

SEC. 42. Section 7151.2 of the Business and Professions Code is amended to read:

7151.2. "Home improvement contract" means an agreement, whether oral or written, or contained in one or more documents, between a contractor and an owner or between a contractor and a tenant, regardless of the number of residence or dwelling units contained in the building in which the tenant resides, if the work is to be performed in, to, or upon the residence or dwelling unit of the tenant, for the performance of a home improvement as defined in Section 7151, and includes all labor, services, and materials to be furnished and performed thereunder. "Home improvement contract" also means an agreement, whether oral or written, or contained in one or more documents, between a salesperson, whether or not he or she is a home improvement salesperson, and (a) an owner or (b) a tenant, regardless of the number of residence or dwelling units contained in the building in which the tenant resides, which provides for the sale, installation, or furnishing of home improvement goods or services.

SEC. 43. Section 7152 of the Business and Professions Code is amended to read:

7152. (a) "Home improvement salesperson" is a person employed by a home improvement contractor licensed under this chapter to solicit, sell, negotiate, or execute contracts for home improvements, for the sale, installation or furnishing of home improvement goods or services, or of swimming pools, spas, or hot tubs.

(b) The following shall not be required to be registered as home improvement salespersons:

(1) An officer of record of a corporation licensed pursuant to this chapter.

(2) A qualifying person, as defined in Section 7068.

(3) A salesperson whose sales are all made pursuant to negotiations between the parties if the negotiations are initiated by the prospective buyer at or with a general merchandise retail establishment that operates from a fixed location where goods or services are offered for sale.

(4) A person who contacts the prospective buyer for the exclusive purpose of scheduling appointments for a registered home improvement salesperson.

(5) A bona fide service repairperson who is in the employ of a licensed contractor and whose repair or service call is limited to the service, repair, or emergency repair initially requested by the buyer of the service.

SEC. 44. Section 7153.2 of the Business and Professions Code is amended to read:

7153.2. All registrations issued under the provisions of this article shall expire on a date established pursuant to Section 152.6.

SEC. 45. Section 7159 of the Business and Professions Code is amended to read:

7159. This section shall apply only to home improvement contracts, as defined in Section 7151.2, between a contractor, whether a general contractor or a specialty contractor, who is licensed or subject to be licensed pursuant to this chapter with regard to the transaction and who contracts with an owner or tenant for work upon a residential building or structure, or upon land adjacent thereto, for proposed repairing, remodeling, altering, converting, modernizing, or adding to the residential building or structure or land adjacent thereto, and where the aggregate contract price specified in one or more improvement contracts, including all labor, services, and materials to be furnished by the contractor, exceeds five hundred dollars ($500).

Every home improvement contract and every contract the primary purpose of which is the construction of a swimming pool, shall be subject to the provisions of this section. Every contract and any changes in the contract subject to the provisions of this section shall be evidenced by a writing and shall be signed by all the parties to the contract thereto. The writing shall contain the following:

(a) The name, address, and license number of the contractor, and the name and registration number of any salesperson who solicited

or negotiated the contract.

(b) The approximate dates when the work will begin and on which all construction is to be completed.

(c) A plan and scale drawing showing the shape, size dimensions, and construction and equipment specifications for a swimming pool and for other home improvements, a description of the work to be done and description of the materials to be used and the equipment to be used or installed, and the agreed consideration for the work.

(d) If the payment schedule contained in the contract provides for a downpayment to be paid to the contractor by the owner or the tenant before the commencement of work, the downpayment shall not exceed two hundred dollars ($200) or 2 percent of the contract price for swimming pools, or one thousand dollars ($1,000) or 10 percent of the contract price for other home improvements, excluding finance charges, whichever is the lesser.

(e) A schedule of payments showing the amount of each payment as a sum in dollars and cents. In no event shall the payment schedule provide for the contractor to receive, or shall the contractor actually receive, payments in excess of 100 percent of the value of the work performed on the project at any time, excluding finance charges, except that the contractor may receive an initial downpayment authorized by subdivision (d). With respect to a swimming pool contract the final payment may be made at the completion of the final plastering phase of construction provided that any installation or construction of equipment, decking, or fencing required by the contract is also completed. A failure by the contractor without lawful excuse to substantially commence work within twenty (20) days of the approximate date specified in the contract when work will begin shall postpone the next succeeding payment to the contractor for that period of time equivalent to the time between when substantial commencement was to have occurred and when it did occur. The schedule of payments shall be stated in dollars and cents, and shall be specifically referenced to the amount of work or services to be performed and to any materials and equipment to be supplied. With respect to a contract which provides for a schedule of monthly payments to be made by the owner or tenant and for a schedule of payments to be disbursed to the contractor by a person or entity to whom the contractor intends to assign the right to receive the owner's or tenant's monthly payments, the payments referred to in this subdivision mean the payments to be disbursed by the assignee and not those payments to be made by the owner or tenant.

(f) The contract shall state that upon satisfactory payment being made for any portion of the work performed, the contractor shall, prior to any further payment being made, furnish to the person contracting for the home improvement or swimming pool a full and unconditional release from any claim or mechanic's lien pursuant to Section 3114 of the Civil Code, for that portion of the work for which payment has been made.

(g) The requirements of subdivisions (d), (e), and (f) shall not

apply when the contract provides for the contractor to furnish a performance and payment bond, lien and completion bond, bond equivalent, or joint control approved by the Registrar of Contractors covering full performance and completion of the contract and the bonds or joint control is or are furnished by the contractor, or when the parties agree for full payment to be made upon or for a schedule of payments to commence after satisfactory completion of the project. The contract shall contain in close proximity to the signatures of the owner and contractor a notice in at least 10-point type stating that the owner or tenant has the right to require the contractor to have a performance and payment bond.

(h) No extra or change-order work shall be required to be performed without prior written authorization of the person contracting for the construction of the home improvement or swimming pool. Any change-order forms for changes or extra work shall be incorporated in, and become a part of the contract.

(i) If the contract provides for a payment of a salesperson's commission out of the contract price, that payment shall be made on a pro rata basis in proportion to the schedule of payments made to the contractor by the disbursing party in accordance with subdivision (e).

(j) The language of the notice required pursuant to Section 7018.5.

(k) What constitutes substantial commencement of work pursuant to the contract.

(*l*) A notice that failure by the contractor without lawful excuse to substantially commence work within twenty (20) days from the approximate date specified in the contract when work will begin is a violation of the Contractors License Law.

(m) If the contract provides for a contractor to furnish joint control, the contractor shall not have any financial or other interest in the joint control.

A failure by the contractor without lawful excuse to substantially commence work within 20 days from the approximate date specified in the contract when work will begin is a violation of this section.

This section shall not be construed to prohibit the parties to a home improvement contract from agreeing to a contract or account subject to Chapter 1 (commencing with Section 1801) of Title 2 of Part 4 of Division 3 of the Civil Code.

The writing may also contain other matters agreed to by the parties to the contract.

The writing shall be legible and shall be in a form that clearly describes any other document which is to be incorporated into the contract, and before any work is done, the owner shall be furnished a copy of the written agreement, signed by the contractor.

For purposes of this section, the board shall, by regulation, determine what constitutes "without lawful excuse."

The provisions of this section are not exclusive and do not relieve the contractor or any contract subject to it from compliance with all other applicable provisions of law.

A violation of this section by a licensee, or a person subject to be licensed, under this chapter, his or her agent, or salesperson is a misdemeanor punishable by a fine of not less than one hundred dollars ($100) nor more than five thousand dollars ($5,000) or by imprisonment in the county jail not exceeding one year, or by both fine and imprisonment.

SEC. 46. Section 7163 of the Business and Professions Code is amended to read:

7163. (a) No contract for home improvement shall be enforceable against the buyer if the obtaining of a loan for all or a portion of the contract price is a condition precedent to the contract or if the contractor provides financing, or in any manner assists the buyer to obtain a loan or refers the buyer to any person who may loan or arrange a loan for all or a portion of the contract price unless all of the following requirements are satisfied:

(1) The third party, if any, agrees to make the loan.

(2) The buyer agrees to accept the loan or financing.

(3) The buyer does not rescind the loan or financing transaction, within the period prescribed for rescission, pursuant to the federal Truth in Lending Act (15 U.S.C. 1601 et seq.) or Regulation Z, if applicable.

(b) Until the requirements of paragraphs (1), (2), and (3) of subdivision (a) are satisfied, it shall be unlawful for the contractor to do any of the following:

(1) Deliver any property or perform any services other than obtaining building permits or other similar services preliminary to the commencement of the home improvement for which no mechanic's lien can be claimed.

(2) Represent in any manner that the contract is enforceable or that the buyer has any obligation thereunder.

Any violation of this subdivision shall render the contract unenforceable.

(c) If the contract is unenforceable pursuant to subdivision (a) or subdivision (b), the contractor shall immediately and without condition return all money, property, and other consideration given by the buyer. If the buyer gave any property as consideration and the contractor does not or cannot return it for whatever reason, the contractor shall immediately return the fair market value of the property or its value as designated in the contract, whichever is greater. Nothing herein shall prohibit a contractor from receiving a downpayment otherwise permitted by law provided the contractor returns the downpayment as herein required if the contract is unenforceable pursuant to subdivision (a) or (b).

(d) (1) Except as provided in paragraph (2), the buyer may retain without obligation in law or equity any services or property provided pursuant to a contract which is unenforceable pursuant to subdivision (a) or subdivision (b).

(2) If the contractor has delivered any property to the buyer pursuant to a contract which is unenforceable pursuant to

subdivision (a) or subdivision (b), the buyer shall make the property available to the contractor for return provided that all of the following requirements are satisfied:

(A) The property can be practically returned to the contractor without causing any damage to the buyer.

(B) The contractor, at the contractor's expense, first returns to the buyer any money, property, and other consideration taken by the contractor provided that the property is returned in the condition that it was in immediately prior to its taking. If applicable, the contractor shall also, at its expense, reinstall any property taken in the manner in which the property had been installed prior to its taking.

(C) The contractor, at the contractor's expense, picks up the property within 60 days of the execution of the contract.

(e) For the purpose of this section, "home improvement" means "home improvement" as defined in Section 7151. Goods are included within the definition notwithstanding whether they are to be attached to real property or to be so affixed to real property as to become a part thereof whether or not severable therefrom.

(f) The rights and remedies provided the buyer under this section are nonexclusive and cumulative to all other rights and remedies under other laws.

(g) Any waiver of this section shall be deemed contrary to public policy and shall be void and unenforceable. However, the buyer may waive subdivisions (a) and (b) to the extent that the contract is executed in connection with the making of emergency repairs or services which are necessary for the immediate protection of persons or real or personal property. The buyer's waiver for emergency repairs or services shall be in a dated written statement that describes the emergency, states that the contractor has informed the buyer of subdivisions (a) and (b) and that the buyer waives those provisions, and is signed by each owner of the property. Waivers made on printed forms are void and unenforceable.

SEC. 47. Section 7165 of the Business and Professions Code is repealed.

SEC. 48. Section 7166 of the Business and Professions Code is repealed.

SEC. 49. Section 7166.5 of the Business and Professions Code is repealed.

SEC. 50. Section 7167 of the Business and Professions Code is repealed.

SEC. 51. Section 7167.5 of the Business and Professions Code is amended and renumbered to read:

7165. The requirements of this section may be substituted for the requirements of paragraphs (1), (2), and (3) of subdivision (a) of Section 7163 if a swimming pool contract is to be financed by a third-party lender and if all the following conditions are met:

(a) The lender has agreed, in writing, to provide financing to the buyer for the maximum estimated construction cost of the swimming

pool.

(b) The lender has provided the buyer a written copy of the terms and conditions of the loan for the maximum estimated construction cost of the swimming pool, including the following terms disclosed in the manner required by the federal Truth in Lending Act and Regulation Z: the annual percentage rate, the finance charge, the amount financed, the total number of payments, the payment schedule, and a description of the security interest to be taken by the lender.

(c) The lender has agreed in writing to the following:

(1) To offer to loan the maximum estimated construction cost on the terms and conditions disclosed pursuant to subdivision (b).

(2) If the construction cost of the swimming pool is determined after the completion of excavation to be less than the maximum estimated construction cost, to offer to loan the lesser amount needed to complete the construction of the swimming pool on the same security as, and at an annual percentage rate and monthly payment amount not to exceed, that disclosed in subdivision (b).

The lender's written agreement shall state the duration of the offer, which shall not be less than 15 days following the completion of the excavation of the swimming pool.

(d) The buyer acknowledges receipt of the writings required by subdivisions (a), (b), and (c) and, no sooner than three business days after receiving all of these writings, requests on the form prescribed in subdivision (e) that the contractor begin performance of the swimming pool contract prior to the expiration of any rescission period applicable to the loan.

(e) The request of a buyer, described in subdivision (d), shall be set forth on a document separate and apart from the swimming pool contract and shall contain the following notice in at least 10-point type unless otherwise stated:

"NOTICE

Under the law, this contract is not enforceable until:

(1) A third party agrees to make a loan to finance the construction cost of the swimming pool;

(2) You agree to accept the loan; and

(3) You do not cancel the loan within the period prescribed for cancellation under the federal Truth in Lending Act or Regulation Z (usually three business days after the loan is consummated).

Until the cancellation period is over, the contractor cannot deliver any materials or perform any services except preliminary services for which no mechanic's lien can be claimed.

However, as an alternative to the above, you can ask the contractor to start work and deliver materials before the cancellation period on the loan is over if all of the following have occurred:

(1) The lender has agreed, in writing, to provide you with financing for up to the maximum estimated construction cost of the

swimming pool.

(2) The lender has provided you with a written copy of the terms and conditions of a loan for the maximum estimated cost, including the annual percentage rate, the finance charge, the amount financed, the total of payments, the payment schedule, and a description of the security interest to be taken by the lender.

(3) The lender has agreed in writing to offer these terms and conditions for a period not less than 15 days following completion of the excavation of the swimming pool.

(4) Three business days have passed since you received the writing mentioned in paragraphs (1), (2), and (3), and you then sign a copy of this form to request that the contractor begin construction of the swimming pool before the cancellation period on your loan is over.

The first day you can sign the request for the contractor to begin construction of the swimming pool is

_____.

(contractor to insert third business day after buyer receives writings described in subdivisions (a), (b), and (c))

If you sign this request, the contractor will be permitted to immediately begin performance of the contract, and if the contractor is not paid in accordance with the terms of the contract, he or she may file a lien against your property for the value of the labor and materials provided. [This paragraph shall be printed in 12-point type.]

REQUEST

I/we request that the contractor immediately start construction of the swimming pool.

_____ _____

Date Buyer(s)"

(f) The contractor shall provide the buyer a copy of the buyer's signed request at the time of signature.

(g) This section applies to each buyer who signs the swimming pool contract or the promissory note, other evidence of indebtedness, or security instrument incident to the loan for swimming pool construction.

(h) For the purpose of this section, "business day" has the meaning provided in Section 9 of the Civil Code.

SEC. 52. Section 7168 of the Business and Professions Code is repealed.

SEC. 53. Section 7169 of the Business and Professions Code is amended and renumbered to read:

7168. In any action between a person contracting for construction of a swimming pool and a swimming pool contractor arising out of a contract for swimming pool construction, the court shall award reasonable attorney's fees to the prevailing party.

SEC. 54. Section 7170 of the Business and Professions Code is amended and renumbered to read:

7166. The provisions of Article 10 shall not apply to contracts for the construction of swimming pools to be built for the use and enjoyment of other than a single-family unit upon or contiguous to premises occupied only by a single-family unit, nor shall they apply to the construction of swimming pools built as part of an original building plan by the same contractor who builds a single-family dwelling unit on the premises.

SEC. 55. Section 7171 of the Business and Professions Code is repealed.

SEC. 56. Section 7172 of the Business and Professions Code is amended and renumbered to read:

7167. Any contract the primary purpose of which is the construction of a swimming pool which does not substantially comply with the applicable provisions of subdivisions (b), (c), (d), (e), (f), and (h) of Section 7159, shall be void and unenforceable by the contractor as contrary to public policy.

SEC. 57. Section 7173 of the Business and Professions Code is repealed.

SEC. 58. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1161

An act to amend Section 1010 of, and to add Section 12948.1 to, the Water Code, relating to water.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1010 of the Water Code is amended to read:

1010. (a) (1) The cessation of, or reduction in, the use of water under any existing right regardless of the basis of right, as the result of the use of reclaimed water, desalinated water, or water polluted by waste to a degree which unreasonably affects the water for other beneficial uses, is deemed equivalent to, and for purposes of maintaining any right shall be construed to constitute, a reasonable

beneficial use of water to the extent and in the amount that the reclaimed, desalinated, or polluted water is being used not exceeding, however, the amount of such reduction.

(2) No lapse, reduction, or loss of any existing right shall occur under a cessation of, or reduction in, the use of water pursuant to this subdivision, and, to the extent and in the amount that reclaimed, desalinated, or polluted water is used in lieu of water appropriated by a permittee pursuant to Chapter 6 (commencing with Section 1375) of Part 2, the board shall not reduce the appropriation authorized in the user's permit.

(3) The use of reclaimed, desalinated, or polluted water constitutes good cause under Section 1398 to extend the period specified in a permit for application of appropriated water to beneficial use to the extent and in the amount that reclaimed, desalinated, or polluted water is used. The extension by the board shall be granted upon the same terms as are set forth in the user's permit, and for a period sufficient to enable the permittee to perfect his appropriation, while continuing to use reclaimed, desalinated, or polluted water.

(4) The board, in issuing a license pursuant to Article 3 (commencing with Section 1610) of Chapter 9 of Part 2, shall not reduce the appropriation authorized by permit, to the extent and in the amount that reduction in a permittee's use, during the perfection period, including any extention as provided in this section, has resulted from the use of reclaimed, desalinated, or polluted water in lieu of the permittee's authorized appropriation.

(5) The board may require any user of water who seeks the benefit of this section to file periodic reports describing the extent and amount of the use of reclaimed, desalinated, or polluted water. To the maximum extent possible, the reports shall be made a part of other reports required by the board relating to the use of water.

(6) For purposes of this section, the term "reclaimed water" has the same meaning as in Division 7 (commencing with Section 13000).

(b) Water, or the right to the use of water, the use of which has ceased or been reduced as the result of the use of reclaimed, desalinated, or polluted water as described in subdivision (a), may be sold, leased, exchanged, or otherwise transferred pursuant to any provision of law relating to the transfer of water or water rights, including, but not limited to, provisions of law governing any change in point of diversion, place of use, and purpose of use due to the transfer.

SEC. 2. Section 12948.1 is added to the Water Code, to read:

12948.1. The department shall provide assistance to persons or entities with state and local desalination facility permit applications seeking to construct desalination facilities for reducing the concentration of dissolved solids in brackish groundwater or seawater in the state.

CHAPTER 1162

An act to amend Section 4532 of the Penal Code, relating to correctional facilities.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 4532 of the Penal Code is amended to read:

4532. (a) Every prisoner arrested and booked for, charged with, or convicted of a misdemeanor, and every person committed under the terms of Section 5654, 5656, or 5677 of the Welfare and Institutions Code as an inebriate, who is confined in any county or city jail or prison or industrial farm or industrial road camp or who is engaged on any county road or other county work or who is in the lawful custody of any officer or person, or who is employed or continuing in his or her regular educational program or authorized to secure employment or education away from the place of confinement, pursuant to the Cobey Work Furlough Law (Section 1208), or who is authorized for temporary release for family emergencies or for purposes preparatory to his or her return to the community pursuant to Section 4018.6, and who thereafter escapes or attempts to escape from the county or city jail, prison, industrial farm or industrial road camp or from the custody of the officer or person in charge of him or her while engaged in or going to or returning from the county work or from the custody of any officer or person in whose lawful custody he or she is, is guilty of a felony and, if the escape or attempt to escape was not by force or violence, is punishable by imprisonment in the state prison for a determinate term of one year and one day, or in the county jail not exceeding one year. However, if the escape or attempt to escape is by force or violence, the person is guilty of a felony and is punishable by imprisonment in the state prison for two, four, or six years to be served consecutively, or in the county jail not exceeding one year. When the second term of imprisonment is to be served in the county jail, it shall commence from the time the prisoner would otherwise have been discharged from jail.

The willful failure of a prisoner, whether convicted of a felony or a misdemeanor, employed or continuing in his or her regular educational program or authorized to secure employment or education pursuant to the Cobey Work Furlough Law (Section 1208) or authorized for temporary release for family emergencies or for purposes preparatory to his or her return to the community pursuant to Section 4018.6, to return to the place of confinement not later than the expiration of a period during which, pursuant to that law, he or she is authorized to be away from that place of confinement, is an escape from the place of confinement punishable as provided in this

subdivision.

A conviction of violation of this subdivision, not by force or violence, shall not be charged as a prior felony conviction in any subsequent prosecution for a public offense.

(b) Every prisoner arrested and booked for, charged with, or convicted of a felony, and every person committed by order of the juvenile court, who is confined in any county or city jail or prison or industrial farm or industrial road camp or who is engaged on any county road or other county work or who is in the lawful custody of any officer or person, or who is confined pursuant to Section 4011.9, who escapes or attempts to escape from the county or city jail, prison, industrial farm or industrial road camp or from the custody of the officer or person in charge of him or her while engaged in or going to or returning from the county work or from the custody of any officer or person in whose lawful custody he or she is, or from confinement pursuant to Section 4011.9, is guilty of a felony and, if the escape or attempt to escape was not by force or violence, is punishable by imprisonment in the state prison for 16 months, or two or three years to be served consecutively, or in the county jail not exceeding one year. If the escape or attempt to escape is by force or violence, the person is guilty of a felony and is punishable by imprisonment in the state prison for a full term of two, four, or six years to be consecutive to any other term of imprisonment, commencing from the time the person would otherwise have been released from imprisonment and the term shall not be subject to reduction pursuant to subdivision (a) of Section 1170.1, or in the county jail for a consecutive term not to exceed one year, that term to commence from the time the prisoner would otherwise have been discharged from the jail.

(c) Except in unusual cases where the interests of justice would best be served if the person is granted probation, probation shall not be granted to any person who is convicted of a felony offense under this section in that he or she escaped or attempted to escape from a secure main jail facility, from a court building or while being transported between the court building and the jail facility. In any case in which a person is convicted of such an offense designated as a misdemeanor, he or she shall be confined in the county jail for not less than 90 days nor more than one year except in unusual cases where the interests of justice would best be served by the granting of probation. For the purposes of this subdivision, "main jail facility" means the facility used for the detention of persons pending arraignment, after arraignment, during trial, and upon sentence or commitment. The facility shall not include an industrial farm, industrial road camp, work furlough facility, or any other nonsecure facility used primarily for sentenced prisoners. As used in this subdivision, "secure" means that the facility contains an outer perimeter characterized by the use of physically restricting construction, hardware, and procedures designed to eliminate ingress and egress from the facility except through a closely

supervised gate or doorway.

If the court grants probation under this subdivision, it shall specify the reason or reasons for that order on the court record.

Any sentence imposed under this subdivision shall be served consecutive to any other sentence in effect or pending.

SEC. 2. Section 4532 of the Penal Code is amended to read:

4532. (a) Every prisoner arrested and booked for, charged with, or convicted of a misdemeanor, and every person committed under the terms of Section 5654, 5656, or 5677 of the Welfare and Institutions Code as an inebriate, who is confined in any county or city jail, prison, industrial farm, or industrial road camp or who is engaged on any county road or other county work or who is in the lawful custody of any officer or person, or who is employed or continuing in his or her regular educational program or authorized to secure employment or education away from the place of confinement, pursuant to the Cobey Work Furlough Law (Section 1208), or who is authorized for temporary release for family emergencies or for purposes preparatory to his or her return to the community pursuant to Section 4018.6, or who is a participant in a home detention program pursuant to Section 1203.016, and who thereafter escapes or attempts to escape from the county or city jail, prison, industrial farm, or industrial road camp or from the custody of the officer or person in charge of him or her while engaged in or going to or returning from the county work or from the custody of any officer or person in whose lawful custody he or she is, is guilty of a felony and, if the escape or attempt to escape was not by force or violence, is punishable by imprisonment in the state prison for a determinate term of one year and one day, or in the county jail not exceeding one year. However, if the escape or attempt to escape is by force or violence, the person is guilty of a felony and is punishable by imprisonment in the state prison for two, four, or six years to be served consecutively, or in the county jail not exceeding one year. When the second term of imprisonment is to be served in the county jail, it shall commence from the time the prisoner would otherwise have been discharged from jail.

The willful failure of a prisoner, whether convicted of a felony or a misdemeanor, employed or continuing in his or her regular educational program, authorized to secure employment or education pursuant to the Cobey Work Furlough Law (Section 1208), authorized for temporary release for family emergencies or for purposes preparatory to his or her return to the community pursuant to Section 4018.6, or permitted to participate in a home detention program pursuant to Section 1203.016 to return to the place of confinement not later than the expiration of a period during which, pursuant to that law, he or she is authorized to be away from that place of confinement, is an escape from the place of confinement punishable as provided in this subdivision.

A conviction of violation of this subdivision, not by force or violence, shall not be charged as a prior felony conviction in any

subsequent prosecution for a public offense.

(b) Every prisoner arrested and booked for, charged with, or convicted of a felony, and every person committed by order of the juvenile court, who is confined in any county or city jail, prison, industrial farm, or industrial road camp or who is engaged on any county road or other county work or who is in the lawful custody of any officer or person, or who is confined pursuant to Section 4011.9, who escapes or attempts to escape from the county or city jail, prison, industrial farm, or industrial road camp or from the custody of the officer or person in charge of him or her while engaged in or going to or returning from the county work or from the custody of any officer or person in whose lawful custody he or she is, or from confinement pursuant to Section 4011.9, is guilty of a felony and, if the escape or attempt to escape was not by force or violence, is punishable by imprisonment in the state prison for 16 months, or two or three years to be served consecutively, or in the county jail not exceeding one year. However, if the escape or attempt to escape is by force or violence, the person is guilty of a felony and is punishable by imprisonment in the state prison for a full term of two, four, or six years to be consecutive to any other term of imprisonment, commencing from the time the person would otherwise have been released from imprisonment and the term shall not be subject to reduction pursuant to subdivision (a) of Section 1170.1, or in the county jail for a consecutive term not to exceed one year, that term to commence from the time the prisoner would otherwise have been discharged from the jail.

(c) Except in unusual cases where the interests of justice would best be served if the person is granted probation, probation shall not be granted to any person who is convicted of a felony offense under this section in that he or she escaped or attempted to escape from a secure main jail facility, from a court building or while being transported between the court building and the jail facility. In any case in which a person is convicted of this offense designated as a misdemeanor, he or she shall be confined in the county jail for not less than 90 days nor more than one year except in unusual cases where the interests of justice would best be served by the granting of probation. For the purposes of this subdivision, "main jail facility" means the facility used for the detention of persons pending arraignment, after arraignment, during trial, and upon sentence or commitment. The facility shall not include an industrial farm, industrial road camp, work furlough facility, or any other nonsecure facility used primarily for sentenced prisoners. As used in this subdivision, "secure" means that the facility contains an outer perimeter characterized by the use of physically restricting construction, hardware, and procedures designed to eliminate ingress and egress from the facility except through a closely supervised gate or doorway.

If the court grants probation under this subdivision, it shall specify the reason or reasons for the order on the court record.

Any sentence imposed under this subdivision shall be served consecutive to any other sentence in effect or pending.

SEC. 3. Section 2 of this bill incorporates amendments to Section 4532 of the Penal Code proposed by both this bill and SB 151. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 4532 of the Penal Code, and (3) this bill is enacted after SB 151, in which case Section 1 of this bill shall not become operative.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1163

An act relating to tidelands and submerged lands granted by the state to the City of Long Beach, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. (a) Pursuant to Chapter 29 of the Statutes of 1956, First Extraordinary Session, the State Lands Commission has authorized the execution of a contract between a private contractor and the City of Long Beach known as the Long Beach Harbor Tidelands Parcel and Parcel "A" Oil Contract. This contract will expire by its terms within the next 10 years. The city and the contractor desire to amend the contract to provide for the implementation of a steamflood and cogeneration project for the Long Beach Harbor tidelands, and to provide for the replacement and consolidation of tank farms, electrification of facilities, the repair and replacement of pipelines, and the construction of a waste water treatment facility. It is necessary that the City of Long Beach be empowered immediately to extend the contract so that its term from inception to termination equals 35 years, so that these amendments and modifications will become economically feasible.

(b) As used in this act:

(1) "Commission" means the State Lands Commission.

(2) "City" means the City of Long Beach.

(3) "Contractor" means a person or entity contracting with the commission and the city pursuant to subdivision (a).

(4) "Chapter 29" means Chapter 29 of the Statutes of 1956, First Extraordinary Session.

(5) "Chapter 138" means Chapter 138 of the Statutes of 1964, First Extraordinary Session.

SEC. 2. Notwithstanding anything to the contrary in Chapter 29, Chapter 138, the Long Beach City Charter, or any law or ordinance of the city, the contract described in subdivision (a) of Section 1 of this act may be extended, with the approval of the commission, such that the total term of the contract, from inception to termination, does not exceed 35 years.

SEC. 3. The Legislature finds and declares that this act is necessary for the promotion of the public interest and is of statewide concern. To the extent that any provision of this act conflicts with Chapter 29, Chapter 138, the Long Beach City Charter, or any law or ordinance of the city, the provisions of this act shall prevail. No person or entity shall have liability to any other person or entity by reason of the preparation, execution, or delivery of any and all contracts provided for in this act. However, nothing in this act shall relieve any person or entity from liabilities imposed by those contracts or from operations conducted pursuant to those contracts.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to implement urgently needed capital improvements and an urgently needed steamflood and cogeneration project for the Long Beach tidelands at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 1164

An act to add Section 49550.3 to the Education Code, relating to school meals, and making an appropriation therefor.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

I am deleting the $500,000 appropriation from the General Fund contained in Section 3 of Assembly Bill No. 745.

This bill would establish a grant program to provide start-up costs to school districts for school breakfast programs.

It is more appropriate to consider funding the provisions of this bill during the annual budget process. At that time we can assess the State's fiscal situation, its projected revenues, the demands on the Proposition 98 guarantee of the General Fund and this bill's relative priority in relation to those demands.

With this deletion, I approve Assembly Bill No. 745.

PETE WILSON, Governor

The people of the State of California do enact as follows:

SECTION 1. Section 49550.3 is added to the Education Code, to read:

49550.3. (a) The Legislature recognizes that the 1991–92 fiscal year budget reductions may result in more children coming to school hungry. Because a hungry child cannot learn, the Legislature intends, as a state nutrition and health policy, that the School Breakfast Program be made available in all schools where it is needed to provide adequate nutrition for children in attendance.

(b) The State Department of Education shall, in cooperation with school districts and county superintendents of education, provide information and limited financial assistance to encourage program startup and expansion into all qualified schools, as follows:

(1) Provide information to school districts and county superintendents of schools concerning the benefits and availability of the School Breakfast Program.

(2) Each year, provide additional information and financial assistance to schools in the state, selected on the following criteria:

(A) Forty percent or more of the school enrollment consists of children who have applied for free and reduced-price meals.

(B) The school does not currently participate in the School Breakfast Program.

(C) The school has not been awarded federal startup funds to initiate a school breakfast program.

(c) The department shall award grants of up to ten thousand dollars ($10,000) per schoolsite on a competitive basis to school districts and county superintendents of education, limited to a total of five hundred thousand dollars ($500,000) in the 1991–92 fiscal year, and limited to an amount subject to budget appropriations in each of the 1992–93, 1993–94, 1994–95, and 1995–96 fiscal years, for nonrecurring expenses incurred in initiating a school breakfast program under this section.

(d) Grants awarded under this section shall be used for nonrecurring costs of initiating a school breakfast program, including the acquisition of equipment, training of staff in new capacities, outreach efforts to publicize new school breakfast programs, and minor alterations to accommodate new equipment. Funds may not be used for salaries and benefits of staff, food, computers, capital outlay, or expansion of existing school breakfast programs.

(e) In making grant awards under this section in any fiscal year, the department shall give a preference to school districts and county superintendents of education that do all of the following:

(1) Submit to the department a plan to start school breakfast programs in the district or the county, including a description of the following:

(A) The manner in which the district or county will provide technical assistance and funding to schoolsites to expand those programs.

(B) Detailed information on the nonrecurring expenses needed to initiate a program.

(C) Public or private resources that have been assembled to carry out expansion of these programs during that year.

(2) Agree to operate the breakfast program established for a period of not less than three years.

(3) Assure that the expenditure of funds from state and local resources for the maintenance of the breakfast program shall not be diminished as a result of grant awards received under this section.

SEC. 1.5. During the 1991–92 fiscal year, the Superintendent of Public Instruction shall accomplish the following:

(a) Identify those schools in which 75 percent or more of the meals served to pupils are free or reduced-priced meals that do not receive reimbursement from the state or the federal government for a second meal.

(b) Provide local educational agencies in which those schools identified in subdivision (a) are located with the following information:

(1) The amount of federal and state reimbursement available to that local educational agency if a second meal is provided.

(2) The benefits of providing a breakfast to pupils.

(3) The options for providing the second meal within the reimbursement rate.

(c) Determine the number of those schools identified in subdivision (a) that will provide a second meal in the 1992–93 fiscal year.

SEC. 2. The Superintendent of Public Instruction shall report to the Legislature no later than October 1, 1992, on the number of schools identified in subdivision (a) of Section 1 of this act and the number of those schools that will be providing a second meal in the 1992–93 fiscal year.

SEC. 3. The sum of five hundred thousand dollars ($500,000) is hereby appropriated to the Superintendent of Public Instruction from the General Fund for the purpose of providing grants to school districts and county offices of education during the 1991–92 fiscal year pursuant to Section 49550.3 of the Education Code.

CHAPTER 1165

An act to amend Section 14085.5 of the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 14085.5 of the Welfare and Institutions Code is amended to read:

14085.5. (a) Each disproportionate share hospital contracting to provide services under this article or contracting with a county organized health system, and which has or would have met the state criteria developed pursuant to the federal Medicaid requirements regarding disproportionate hospitals for the three most recent years, may, in addition to the rate of payment provided for in the contract entered into under this article, receive supplemental reimbursement to the extent provided for in this section.

(b) (1) (A) A hospital qualifying pursuant to subdivision (a) shall submit documentation regarding debt service on revenue bonds used for financing the construction, renovation, or replacement of hospital facilities, including buildings and fixed equipment.

(B) Qualified hospitals may submit debt service instruments to the department and to the commission regarding debt issued for new capital projects.

(C) Eligible projects shall include those new capital projects funded by new debt for which final plans have been submitted to the Office of the State Architect and the Office of Statewide Health Planning and Development after September 1, 1988, and prior to June 30, 1994, except that projects submitted between September 1, 1988, and June 30, 1989, shall be eligible only if the submitting hospital had all of the following additional characteristics during the 1989 calendar year:

(i) No less than 400 general acute care licensed beds.

(ii) An average Medi-Cal patient census of not less than 30 percent of the total patient days.

(iii) No less than 50,000 emergency department visits.

(iv) An existing basic emergency department, obstetrical services, and a neonatal intensive care unit.

(D) The department shall confirm in writing hospital and project eligibility for partial financing under this section.

(E) Department advisory letters, conditioned on hospital and project conformity to plans, may be requested by hospitals prior to final plan submission.

(F) (1) Capital projects receiving partial financing under this section shall finance the upgrading or construction of buildings and

equipment to a level required by currently accepted medical practice standards, including projects designed to correct Joint Commission on Accreditation of Hospitals and Health Systems fire and life safety, seismic, or other related regulatory standards.

(2) Projects may also expand service capacity as needed to maintain current or reasonably foreseeable necessary bed capacity to meet the needs of Medi-Cal beneficiaries after giving consideration to bed capacity needed for other patients, including unsponsored patients.

(3) (A) Debt service shall only be paid for projects, or for that portion of projects, that are available and accessible to patients treated under this article or by successor programs.

(B) Each project shall cost at least five million dollars ($5,000,000) or, if less than five million dollars ($5,000,000), the project shall be necessary for retention of federal and state licensing and certification and for meeting fire and life safety, seismic, or other related regulatory standards.

(4) Supplemental reimbursement payments shall commence no later than 30 days after receipt of the certificate of occupancy by the hospital.

(5) (A) The state shall pledge to, and agree with, the holders of any revenue bonds issued to finance projects qualifying under this section that until debt service on the revenue bonds is fully paid, or until the supplemental rate is no longer required as provided by this section, the state will not limit or alter the rights vested in the hospital to receive supplemental reimbursement pursuant to this section.

(B) The state shall pledge, and the hospital shall, as a condition of encumbering supplemental reimbursement payments received pursuant to this section, pledge that supplemental reimbursement payments shall be used for the payment of debt service on the revenue bonds. The hospital shall include its pledge and the agreement with the state in any agreement with the holders of the revenue bonds.

(c) The hospital's supplemental reimbursement for a project qualifying pursuant to subdivisions (a) and (b) shall be calculated as follows:

(1) For any fiscal year for which the hospital is eligible to receive reimbursement, the hospital shall report to the department the amount of debt service on the revenue bonds issued to finance the project.

(2) The department shall use the Medicaid inpatient utilization rate as determined pursuant to Section 4112 of the Omnibus Budget Reconciliation Act of 1987 to determine the ratio of the hospital's total paid Medi-Cal patient days to total patient days.

(3) (A) (i) The supplemental Medi-Cal reimbursement to the hospital for each fiscal year shall equal the amount determined annually in paragraph (1) multiplied by the percentage figure determined in paragraph (2). In no instance shall the percentage

figure determined pursuant to the ratio derived under paragraph (2) be decreased by more than 10 percent of the initial ratio determined pursuant to paragraph (2) prior to the retirement of the debt.

(ii) Hospitals whose Medi-Cal ratio falls below 90 percent of the initial level established at the point of final plan submission shall at least maintain the volume of Medi-Cal utilization which was recorded at the time of final plan submission unless forces beyond the hospital's control have decreased the absolute volume of care.

(B) (i) In no instance shall the total amount of reimbursement received under this section combined with that received from all other sources dedicated exclusively to debt service exceed 100 percent of the debt service over the life of the loan.

(ii) A hospital qualifying for and receiving supplemental Medi-Cal reimbursement shall continue to receive the reimbursement until the qualifying loan is paid off, or the hospital is terminated as a Medi-Cal selective contractor and the hospital does not contract with a county organized health system.

(iii) It is the intent of the Legislature that the state and the qualifying hospital shall negotiate in good faith for rates sufficient to ensure continued hospital participation in the program and to ensure adequate access to services for Medi-Cal beneficiaries.

(iv) The state shall not terminate a contract with a qualified provider for the purpose of terminating the capital supplement.

(v) If negotiations fail to permit continuation of a contract of a hospital qualifying for the supplemental Medi-Cal reimbursement, the supplemental Medi-Cal reimbursement shall cease as of the date of discontinuance of the selective provider contract.

(4) In order to ensure provision of qualified supplemental payments to disproportionate share hospitals contracting with county organized health systems, the department shall make the qualified supplemental payments directly to these hospitals.

(5) Funding for these supplemental payments shall be separately appropriated as a line item in the Budget Act for each fiscal year for any project for which a request for payment is received after April 1 of each fiscal year. The department shall request a deficiency appropriation if funds for the payment are not appropriated in the Budget Act.

(6) The department shall provide the Department of Finance, the Legislative Analyst, and the Joint Legislative Budget Committee with its estimate of the budget year costs of the supplemental reimbursement program, on January 10 and May 15 of each year.

(7) (A) Paragraphs (1) to (4), inclusive, shall be incorporated into an amendment to any contract entered into by a hospital pursuant to this article.

(B) (i) Any contract amendment required by paragraph (A) shall include a payment methodology based on inpatient hospital services rendered to Medi-Cal patients, either on a per diem basis, a per-discharge basis, or any other federally permissible basis, and which is consistent with the hospital's Medi-Cal contract.

(ii) The payment methodology specified in clause (i) shall ensure that the hospital, on an annual basis, receives the amount of supplemental reimbursement calculated pursuant to paragraph (3), excluding only the federal portion of costs which have been determined by the federal government not to be allowable under Title XIX of the federal Social Security Act (Subchapter 19 (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code).

(iii) The payment methodology specified in clause (i) shall contain a retrospective adjustment mechanism to ensure that, regardless of the payment methodology, the department shall pay the hospital the full amount owed to the hospital for the year, as determined pursuant to this section.

(8) In negotiating contracts with hospitals receiving payments under this section, the commission shall take appropriate steps to ensure the duplicate payments are not made to the hospital for the debt service costs relating to the eligible project.

(d) All reimbursement received by a hospital pursuant to this section shall be placed in a special account, the funds in which shall be used exclusively for the payment of debt service on the revenue bonds issued to finance the project.

(e) If contracting under this section is superceded by other arrangements for payment of inpatient hospital services, the successor program shall include separate reimbursement, as determined pursuant to paragraph (3) of subdivision (c).

(f) (1) For purposes of this section, "revenue bonds" are defined as that term is defined in subdivision (c) of Section 15459 of the Government Code, and shall also include general obligation bonds issued by or on behalf of eligible hospitals for projects of more than five million dollars ($5,000,000).

(2) (A) The aggregate principal amount of general obligation bonds to be issued as revenue bonds under this subdivision for the anticipated allowable portion of projects shall not, in any fiscal year, exceed a statewide amount established in the Medi-Cal estimates submitted to the fiscal committees of the Legislature pursuant to Section 14100.5, or as otherwise statutorily determined by the Legislature.

(B) In preparing Medi-Cal estimates, the department shall consider, but need not include, all actual and anticipated projects.

(g) (1) The department shall promptly seek any necessary federal approvals for the implementation of this section, and, if necessary to obtain federal approval, the department may, for federal purposes, limit the program to those costs which are allowable expenditures under Title XIX of the federal Social Security Act (Subchapter 19 (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code), subject to paragraph (2).

(2) The department shall continue to be responsible for the reimbursement of eligible providers from state funds for the amount of supplemental reimbursement pursuant to paragraph (3) of

subdivision (c), excluding only the federal portion of costs which have been determined by the federal government not to be allowable under Title XIX of the federal Social Security Act.

(h) (1) A hospital receiving supplemental reimbursement pursuant to this section shall be liable for any reduced federal financial participation resulting from the implementation of this section.

(2) The department shall submit claims for federal financial participation for all elements of the supplemental reimbursements which are allowable expenditures under federal law.

(3) The department shall, on an annual basis, submit any necessary materials to the federal government to provide assurances that claims for federal financial participation will include only those expenditures which are allowable under federal law.

(4) (A) The department may require that hospitals receiving supplemental reimbursement submit data necessary for the department to determine the appropriate amounts to claim as expenditures qualifying for federal financial participation.

(B) Unless otherwise permitted by federal law, the total statewide payment under the selective provider contracting program, in the aggregate on an annual basis, shall not exceed an amount that would otherwise have been paid under the Medi-Cal program on a statewide basis for the same services, in the aggregate on an annual basis, if the contracting program were not implemented.

CHAPTER 1166

An act to amend Section 14085.5 of the Welfare and Institutions Code, relating to public social services.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Section 14085.5 of the Welfare and Institutions Code is amended to read:

14085.5. (a) Each disproportionate share hospital contracting to provide services under this article or contracting with a county organized health system, and which has or would have met the state criteria developed pursuant to the federal medicaid requirements regarding disproportionate hospitals for the three most recent years, may, in addition to the rate of payment provided for in the contract entered into under this article, receive supplemental reimbursement to the extent provided for in this section.

(b) (1) (A) A hospital qualifying pursuant to subdivision (a) shall submit documentation regarding debt service on revenue bonds used for financing the construction, renovation, or

replacement of hospital facilities, including buildings and fixed equipment.

(B) Qualified hospitals may submit debt service instruments to the department and to the commission regarding debt issued for new capital projects.

(C) Eligible projects shall include those new capital projects funded by new debt for which final plans have been submitted to the Office of the State Architect and the Office of Statewide Health Planning and Development after September 1, 1988, and prior to June 30, 1994, except that projects submitted between September 1, 1988, and June 30, 1989, shall be eligible only if the submitting hospital had all of the following additional characteristics during the 1989 calendar year:

(i) No less than 400 general acute care licensed beds.

(ii) An average Medi-Cal patient census of not less than 30 percent of the total patient days.

(iii) No less than 50,000 emergency department visits.

(iv) An existing basic emergency department, obstetrical services, and a neonatal intensive care unit.

(D) The department shall confirm in writing hospital and project eligibility for partial financing under this section.

(E) Department advisory letters, conditioned on hospital and project conformity to plans, may be requested by hospitals prior to final plan submission.

(F) Capital projects receiving partial financing under this section shall finance the upgrading or construction of buildings and equipment to a level required by currently accepted medical practice standards, including projects designed to correct Joint Commission on Accreditation of Hospitals and Health Systems fire and life safety, seismic, or other related regulatory standards.

(2) Projects may also expand service capacity as needed to maintain current or reasonably foreseeable necessary bed capacity to meet the needs of Medi-Cal beneficiaries after giving consideration to bed capacity needed for other patients, including unsponsored patients.

(3) (A) Debt service shall only be paid for projects, or for that portion of projects, that are available and accessible to patients treated under this article or by successor programs.

(B) Each project shall cost at least five million dollars ($5,000,000) or, if less than five million dollars ($5,000,000), the project shall be necessary for retention of federal and state licensing and certification and for meeting fire and life safety, seismic, or other related regulatory standards.

(4) Supplemental reimbursement payments shall commence no later than 30 days after receipt of the certificate of occupancy by the hospital.

(5) (A) The state shall pledge to, and agree with, the holders of any revenue bonds issued to finance projects qualifying under this section that until debt service on the revenue bonds is fully paid, or

until the supplemental rate is no longer required as provided by this section, the state will not limit or alter the rights vested in the hospital to receive supplemental reimbursement pursuant to this section.

(B) The state shall pledge, and the hospital shall, as a condition of encumbering supplemental reimbursement payments received pursuant to this section, pledge that supplemental reimbursement payments shall be used for the payment of debt service on the revenue bonds. The hospital shall include its pledge and the agreement with the state in any agreement with the holders of the revenue bonds.

(c) The hospital's supplemental reimbursement for a project qualifying pursuant to subdivisions (a) and (b) shall be calculated as follows:

(1) For any fiscal year for which the hospital is eligible to receive reimbursement, the hospital shall report to the department the amount of debt service on the revenue bonds issued to finance the project.

(2) The department shall use the medicaid inpatient utilization rate as determined pursuant to Section 4112 of the Omnibus Budget Reconciliation Act of 1987 to determine the ratio of the hospital's total paid Medi-Cal patient days to total patient days.

(3) (A) (i) The supplemental Medi-Cal reimbursement to the hospital for each fiscal year shall equal the amount determined annually in paragraph (1) multiplied by the percentage figure determined in paragraph (2). In no instance shall the percentage figure determined pursuant to the ratio derived under paragraph (2) be decreased by more than 10 percent of the initial ratio determined pursuant to paragraph (2) prior to the retirement of the debt.

(ii) Hospitals whose Medi-Cal ratio falls below 90 percent of the initial level established at the point of final plan submission shall at least maintain the volume of Medi-Cal utilization which was recorded at the time of final plan submission unless forces beyond the hospital's control have decreased the absolute volume of care.

(B) (i) In no instance shall the total amount of reimbursement received under this section combined with that received from all other sources dedicated exclusively to debt service exceed 100 percent of the debt service over the life of the loan.

(ii) A hospital qualifying for and receiving supplemental Medi-Cal reimbursement shall continue to receive the reimbursement until the qualifying loan is paid off, or the hospital is terminated as a Medi-Cal selective contractor and the hospital does not contract with a county organized health system.

(iii) It is the intent of the Legislature that the state and the qualifying hospital shall negotiate in good faith for rates sufficient to ensure continued hospital participation in the program and to ensure adequate access to services for Medi-Cal beneficiaries.

(iv) The state shall not terminate a contract with a qualified provider for the purpose of terminating the capital supplement.

(v) If negotiations fail to permit continuation of a contract of a hospital qualifying for the supplemental Medi-Cal reimbursement, the supplemental Medi-Cal reimbursement shall cease as of the date of discontinuance of the selective provider contract.

(4) In order to ensure provision of qualified supplemental payments to disproportionate share hospitals contracting with county organized health systems, the department shall make the qualified supplemental payments directly to these hospitals.

(5) Funding for these supplemental payments shall be separately appropriated as a line item in the Budget Act for each fiscal year for any project for which a request for payment is received after April 1 of each fiscal year. The department shall request a deficiency appropriation if funds for the payment are not appropriated in the Budget Act.

(6) The department shall provide the Department of Finance, the Legislative Analyst, and the Joint Legislative Budget Committee with its estimate of the budget year costs of the supplemental reimbursement program, on January 10 and May 15 of each year.

(7) (A) Paragraphs (1) to (4), inclusive, shall be incorporated into an amendment to any contract entered into by a hospital pursuant to this article.

(B) (i) Any contract amendment required by paragraph (A) shall include a payment methodology based on inpatient hospital services rendered to Medi-Cal patients, either on a per diem basis, a per-discharge basis, or any other federally permissible basis, and which is consistent with the hospital's Medi-Cal contract.

(ii) The payment methodology specified in clause (i) shall ensure that the hospital, on an annual basis, receives the amount of supplemental reimbursement calculated pursuant to paragraph (3), excluding only the federal portion of costs which have been determined by the federal government not to be allowable under Title XIX of the federal Social Security Act (Subchapter 19 (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code).

(iii) The payment methodology specified in clause (i) shall contain a retrospective adjustment mechanism to ensure that, regardless of the payment methodology, the department shall pay the hospital the full amount owed to the hospital for the year, as determined pursuant to this section.

(8) In negotiating contracts with hospitals receiving payments under this section, the commission shall take appropriate steps to ensure the duplicate payments are not made to the hospital for the debt service costs relating to the eligible project.

(d) All reimbursement received by a hospital pursuant to this section shall be placed in a special account, the funds in which shall be used exclusively for the payment of debt service on the revenue bonds issued to finance the project.

(e) If contracting under this section is superseded by other arrangements for payment of inpatient hospital services, the

successor program shall include separate reimbursement, as determined pursuant to paragraph (3) of subdivision (c).

(f) (1) For purposes of this section, "revenue bonds" are defined as that term is defined in subdivision (c) of Section 15459 of the Government Code, and shall also include general obligation bonds issued by or on behalf of eligible hospitals for projects of more than five million dollars ($5,000,000).

(2) (A) The aggregate principal amount of general obligation bonds to be issued as revenue bonds under this subdivision for the anticipated allowable portion of projects shall not, in any fiscal year, exceed a statewide amount established in the Medi-Cal estimates submitted to the fiscal committees of the Legislature pursuant to Section 14100.5, or as otherwise statutorily determined by the Legislature.

(B) In preparing Medi-Cal estimates, the department shall consider, but need not include, all actual and anticipated projects.

(g) (1) The department shall promptly seek any necessary federal approvals for the implementation of this section, and, if necessary to obtain federal approval, the department may, for federal purposes, limit the program to those costs which are allowable expenditures under Title XIX of the federal Social Security Act (Subchapter 19 (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code), subject to paragraph (2).

(2) The department shall continue to be responsible for the reimbursement of eligible providers from state funds for the amount of supplemental reimbursement pursuant to paragraph (3) of subdivision (c), excluding only the federal portion of costs which have been determined by the federal government not to be allowable under Title XIX of the federal Social Security Act.

(h) (1) A hospital receiving supplemental reimbursement pursuant to this section shall be liable for any reduced federal financial participation resulting from the implementation of this section.

(2) The department shall submit claims for federal financial participation for all elements of the supplemental reimbursements which are allowable expenditures under federal law.

(3) The department shall, on an annual basis, submit any necessary materials to the federal government to provide assurances that claims for federal financial participation will include only those expenditures which are allowable under federal law.

(4) (A) The department may require that hospitals receiving supplemental reimbursement submit data necessary for the department to determine the appropriate amounts to claim as expenditures qualifying for federal financial participation.

(B) Unless otherwise permitted by federal law, the total statewide payment under the selective provider contracting program, in the aggregate on an annual basis, shall not exceed an amount that would otherwise have been paid under the Medi-Cal program on a statewide basis for the same services, in the aggregate on an annual

basis, if the contracting program were not implemented.

CHAPTER 1167

An act to add Section 2929.5 to the Civil Code, and to amend Section 564 of, and to add Sections 726.5 and 736 to, the Code of Civil Procedure, relating to real property.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 2929.5 is added to the Civil Code, to read:

2929.5. (a) A secured lender may enter and inspect the real property security for the purpose of determining the existence, location, nature, and magnitude of any past or present release or threatened release of any hazardous substance into, onto, beneath, or from the real property security on either of the following:

(1) Upon reasonable belief of the existence of a past or present release or threatened release of any hazardous substance into, onto, beneath, or from the real property security not previously disclosed in writing to the secured lender in conjunction with the making, renewal, or modification of a loan, extension of credit, guaranty, or other obligation involving the borrower.

(2) After the commencement of nonjudicial or judicial foreclosure proceedings against the real property security.

(b) The secured lender shall not abuse the right of entry and inspection or use it to harass the borrower or tenant of the property. Except in case of an emergency, when the borrower or tenant of the property has abandoned the premises, or if it is impracticable to do so, the secured lender shall give the borrower or tenant of the property reasonable notice of the secured lender's intent to enter, and enter only during the borrower's or tenant's normal business hours. Twenty-four hours' notice shall be presumed to be reasonable notice in the absence of evidence to the contrary.

(c) The secured lender shall reimburse the borrower for the cost of repair of any physical injury to the real property security caused by the entry and inspection.

(d) If a secured lender is refused the right of entry and inspection by the borrower or tenant of the property, or is otherwise unable to enter and inspect the property without a breach of the peace, the secured lender may, upon petition, obtain an order from a court of competent jurisdiction to exercise the secured lender's rights under subdivision (a), and that action shall not constitute an action within the meaning of subdivision (a) of Section 726 of the Code of Civil Procedure.

(e) For purposes of this section:

(1) "Borrower" means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. The term includes any successor-in-interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(2) "Hazardous substance" means (A) any "hazardous substance" as defined in subdivision (f) of Section 25281 of the Health and Safety Code as effective on January 1, 1991, or as subsequently amended, (B) any "waste" as defined in subdivision (d) of Section 13050 of the Water Code as effective on January 1, 1991, or as subsequently amended, or (C) petroleum, including crude oil or any fraction thereof, natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel, or any mixture thereof.

(3) "Real property security" means any real property and improvements, other than an individual unit of a common interest development, as defined in Section 1351, or real property consisting of one acre or less which contains 1 to 15 dwelling units.

(4) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing migration, of hazardous substances into or through soil, surface water, or groundwater.

(5) "Secured lender" means the beneficiary under a deed of trust against the real property security, or the mortgagee under a mortgage against the real property security, and any successor-in-interest of the beneficiary or mortgagee to the deed of trust or mortgage.

SEC. 2. Section 564 of the Code of Civil Procedure is amended to read:

564. (a) A receiver may be appointed, in the manner provided in this chapter, by the court in which an action or proceeding is pending in any case in which the court is empowered by law to appoint a receiver.

(b) In superior court a receiver may be appointed by the court in which an action or proceeding is pending, or by a judge thereof, in the following cases:

(1) In an action by a vendor to vacate a fraudulent purchase of property, or by a creditor to subject any property or fund to the creditor's claim, or between partners or others jointly owning or interested in any property or fund, on the application of the plaintiff, or of any party whose right to or interest in the property or fund, or the proceeds thereof, is probable, and where it is shown that the property or fund is in danger of being lost, removed, or materially injured.

(2) In an action by a secured lender for the foreclosure of the deed of trust or mortgage and sale of the property upon which there is a

lien under a deed of trust or mortgage, where it appears that the property is in danger of being lost, removed, or materially injured, or that the condition of the deed of trust or mortgage has not been performed, and that the property is probably insufficient to discharge the deed of trust or mortgage debt.

(3) After judgment, to carry the judgment into effect.

(4) After judgment, to dispose of the property according to the judgment, or to preserve it during the pendency of an appeal, or pursuant to Title 9 (commencing with Section 680.010) (enforcement of judgments), or after sale of real property pursuant to a decree of foreclosure, during the redemption period, to collect, expend, and disburse rents as directed by the court or otherwise provided by law.

(5) In the cases when a corporation has been dissolved, or is insolvent, or in imminent danger of insolvency, or has forfeited its corporate rights.

(6) In an action of unlawful detainer.

(7) At the request of the Public Utilities Commission pursuant to Section 855 of the Public Utilities Code.

(8) In all other cases where receivers have heretofore been appointed by the usages of courts of equity.

(c) A receiver may be appointed, in the manner provided in this chapter, including, but not limited to, Section 566, by the superior court in an action brought by a secured lender to enforce the rights provided in Section 2929.5 of the Civil Code, to enable the secured lender to enter and inspect the real property security for the purpose of determining the existence, location, nature, and magnitude of any past or present release or threatened release of any hazardous substance into, onto, beneath, or from the real property security. The secured lender shall not abuse the right of entry and inspection or use it to harass the borrower or tenant of the property. Except in case of an emergency, when the borrower or tenant of the property has abandoned the premises, or if it is impracticable to do so, the secured lender shall give the borrower or tenant of the property reasonable notice of the secured lender's intent to enter and shall enter only during the borrower's or tenant's normal business hours. Twenty-four hours' notice shall be presumed to be reasonable notice in the absence of evidence to the contrary.

(d) Any action by a secured lender to appoint a receiver pursuant to this section shall not constitute an action within the meaning of subdivision (a) of Section 726.

(e) For purposes of this section:

(1) "Borrower" means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. The term includes any successor-in-interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or

foreclosed upon.

(2) "Hazardous substance" means (A) any "hazardous substance" as defined in subdivision (f) of Section 25281 of the Health and Safety Code as effective on January 1, 1991, or as subsequently amended, (B) any "waste" as defined in subdivision (d) of Section 13050 of the Water Code as effective on January 1, 1991, or as subsequently amended, or (C) petroleum, including crude oil or any fraction thereof, natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel, or any mixture thereof.

(3) "Real property security" means any real property and improvements, other than an individual unit of a common interest development, as defined in Section 1351 of the Civil Code, or real property consisting of one acre or less which contains 1 to 15 dwelling units.

(4) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing migration, of hazardous substances into or through soil, surface water, or groundwater.

(5) "Secured lender" means the beneficiary under a deed of trust against the real property security, or the mortgagee under a mortgage against the real property security, and any successor-in-interest of the beneficiary or mortgagee to the deed of trust or mortgage.

SEC. 3. Section 726.5 is added to the Code of Civil Procedure, to read:

726.5. (a) Notwithstanding subdivision (a) of Section 726 or any other provision of law except subdivision (d) of this section, a secured lender may elect between the following where the real property security is environmentally impaired and the borrower's obligations to the secured lender are in default:

(1) (A) Waiver of its lien against (i) any parcel of real property security that is environmentally impaired or is an affected parcel, and (ii) all or any portion of the fixtures and personal property attached to the parcels; and

(B) Exercise of (i) the rights and remedies of an unsecured creditor, including reduction of its claim against the borrower to judgment, and (ii) any other rights and remedies permitted by law.

(2) Exercise of (i) the rights and remedies of a creditor secured by a deed of trust or mortgage and, if applicable, a lien against fixtures or personal property attached to the real property security, and (ii) any other rights and remedies permitted by law.

(b) Before the secured lender may waive its lien against any parcel of real property security pursuant to paragraph (1) of subdivision (a) on the basis of the environmental impairment contemplated by paragraph (3) of subdivision (e), (i) the secured lender shall provide written notice of the default to the borrower, and (ii) the value of the subject real property security shall be established and its environmentally impaired status shall be

confirmed by an order of a court of competent jurisdiction in an action brought by the secured lender against the borrower. The complaint for a valuation and confirmation action may include causes of action for a money judgment for all or part of the secured obligation in which case the waiver of the secured lender's liens under paragraph (1) of subdivision (a) shall result only if and when a final money judgment is obtained against the borrower.

(c) If a secured lender elects the rights and remedies permitted by paragraph (1) of subdivision (a) and the borrower's obligations are also secured by other real property security, fixtures, or personal property, the secured lender shall first foreclose against the additional collateral to the extent required by applicable law in which case the amount of the judgment of the secured lender pursuant to paragraph (1) of subdivision (a) shall be limited to the extent Section 580a or 580d, or subdivision (b) of Section 726 apply to the foreclosures of additional real property security. The borrower may waive or modify the foreclosure requirements of this subdivision provided that the waiver or modification is in writing and signed by the borrower after default.

(d) Subdivision (a) shall be inapplicable if all of the following are true:

(1) The release or threatened release was not knowingly or negligently caused or contributed to, or knowingly or willfully permitted or acquiesced to, by any of the following:

(A) The borrower or any related party.

(B) Any affiliate or agent of the borrower or any related party.

(2) In conjunction with the making, renewal, or modification of the loan, extension of credit, guaranty, or other obligation secured by the real property security, neither the borrower, any related party, nor any affiliate or agent of either the borrower or any related party had actual knowledge or notice of the release or threatened release, or if such a person had knowledge or notice of the release or threatened release, the borrower made written disclosure thereof to the secured lender after the secured lender's written request for information concerning the environmental condition of the real property security, or the secured lender otherwise obtained actual knowledge thereof, prior to the making, renewal, or modification of the obligation.

(e) For purposes of this section:

(1) "Affected parcel" means any portion of a parcel of real property security that is (A) contiguous to the environmentally impaired parcel, even if separated by roads, streets, utility easements, or railroad rights-of-way, (B) part of an approved or proposed subdivision within the meaning of Section 66424 of the Government Code, of which the environmentally impaired parcel is also a part, or (C) within 2,000 feet of the environmentally impaired parcel.

(2) "Borrower" means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage

encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. The term includes any successor-in-interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(3) "Environmentally impaired" means that the estimated costs to clean up and remediate a past or present release or threatened release of any hazardous substance into, onto, beneath, or from the real property security, not disclosed in writing to, or otherwise actually known by, the secured lender prior to the making of the loan or extension of credit secured by the real property security, exceeds 25 percent of the higher of the aggregate fair market value of all security for the loan or extension of credit (A) at the time of the making of the loan or extension of credit, or (B) at the time of the discovery of the release or threatened release by the secured lender. For the purposes of this definition, the estimated cost to clean up and remediate the contamination caused by the release or threatened release shall include only those costs that would be incurred reasonably and in good faith, and fair market value shall be determined without giving consideration to the release or threatened release, and shall be exclusive of the amount of all liens and encumbrances against the security that are senior in priority to the lien of the secured lender. Notwithstanding the foregoing, the real property security for any loan or extension of credit secured by a single parcel of real property which is included in the National Priorities List pursuant to Section 9605 of Title 42 of the United States Code, or in any list published by the State Department of Health Services pursuant to subdivision (b) of Section 25356 of the Health and Safety Code, shall be deemed to be environmentally impaired.

(4) "Hazardous substance" means (A) any "hazardous substance" as defined in subdivision (f) of Section 25281 of the Health and Safety Code as effective on January 1, 1991, or as subsequently amended, (B) any "waste" as defined in subdivision (d) of Section 13050 of the Water Code as effective on January 1, 1991, or as subsequently amended, or (C) petroleum, including crude oil or any fraction thereof, natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel, or any mixture thereof.

(5) "Real property security" means any real property and improvements, other than an individual unit of a common interest development, as defined in Section 1351 of the Civil Code, or real property which contains only 1 to 15 dwelling units, which in either case (A) is solely used (i) for residential purposes, or (ii) if reasonably contemplated by the parties to the deed of trust or mortgage, for residential purposes as well as limited agricultural or commercial purposes incidental thereto, and (B) is the subject of an issued certificate of occupancy unless the dwelling is to be owned and occupied by the borrower.

(6) "Related party" means any person who shares an ownership

interest with the borrower in the real property security, or is a partner or joint venturer with the borrower in a partnership or joint venture, the business of which includes the acquisition, development, use, lease, or sale of the real property security.

(7) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing migration, of hazardous substances into or through soil, surface water, or groundwater. The term does not include actions directly relating to the incorporation in a lawful manner of building materials into a permanent improvement to the real property security.

(8) "Secured lender" means the beneficiary under a deed of trust against the real property security, or the mortgagee under a mortgage against the real property security, and any successor-in-interest of the beneficiary or mortgagee to the deed of trust or mortgage.

(f) This section shall not be construed to invalidate or otherwise affect in any manner any rights or obligations arising under contract in connection with a loan or extension of credit, including, without limitation, provisions limiting recourse.

(g) This section shall only apply to loans, extensions of credit, guaranties, or other obligations secured by real property security made, renewed, or modified on or after January 1, 1992, and before January 1, 2000.

SEC. 4. Section 736 is added to the Code of Civil Procedure, to read:

736. (a) Notwithstanding any other provision of law, a secured lender may bring an action for breach of contract against a borrower for breach of any environmental provision made by the borrower relating to the real property security, for the recovery of damages, and for the enforcement of the environmental provision, and that action or failure to foreclose first against collateral shall not constitute an action within the meaning of subdivision (a) of Section 726, or constitute a money judgment for a deficiency or a deficiency judgment within the meaning of Section 580a, 580b, or 580d, or subdivision (b) of Section 726. No injunction for the enforcement of an environmental provision may be issued after (1) the obligation secured by the real property security has been fully satisfied, or (2) all of the borrower's rights, title, and interest in and to the real property security has been transferred in a bona fide transaction to an unaffiliated third party for fair value.

(b) The damages a secured lender may recover pursuant to subdivision (a) shall be limited to reimbursement or indemnification of the following:

(1) If not pursuant to an order of any federal, state, or local governmental agency relating to the cleanup, remediation, or other response action required by applicable law, those costs relating to a reasonable and good faith cleanup, remediation, or other response action concerning a release or threatened release of hazardous

substances which is anticipated by the environmental provision.

(2) If pursuant to an order of any federal, state, or local governmental agency relating to the cleanup, remediation, or other response action required by applicable law which is anticipated by the environmental provision, all amounts reasonably advanced in good faith by the secured lender in connection therewith, provided that the secured lender negotiated, or attempted to negotiate, in good faith to minimize the amounts it was required to advance under the order.

(3) Indemnification against all liabilities of the secured lender to any third party relating to the breach and not arising from acts, omissions, or other conduct which occur after the borrower is no longer an owner or operator of the real property security, and provided the secured lender is not responsible for the environmentally impaired condition of the real property security in accordance with the standards set forth in subdivision (d) of Section 726.5. For purposes of this paragraph, the term "owner or operator" means those persons described in Section 101(20)(A) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Sec. 9601, et seq.).

(4) Attorneys' fees and costs incurred by the secured lender relating to the breach.

The damages a secured lender may recover pursuant to subdivision (a) shall not include (i) any part of the principal amount or accrued interest of the secured obligation, except for any amounts advanced by the secured lender to cure or mitigate the breach of the environmental provision that are added to the principal amount, and contractual interest thereon, or (ii) amounts which relate to a release which was knowingly permitted, caused, or contributed to by the secured lender or any affiliate or agent of the secured lender.

(c) A secured lender may not recover damages against a borrower pursuant to subdivision (a) for amounts advanced or obligations incurred for the cleanup or other remediation of real property security, and related attorneys' fees and costs, if all of the following are true:

(1) The original principal amount of, or commitment for, the loan or other obligation secured by the real property security did not exceed two hundred thousand dollars ($200,000).

(2) In conjunction with the secured lender's acceptance of the environmental provision, the secured lender agreed in writing to accept the real property security on the basis of a completed environmental site assessment and other relevant information from the borrower.

(3) The borrower did not permit, cause, or contribute to the release or threatened release.

(4) The deed of trust or mortgage covering the real property security has not been discharged, reconveyed, or foreclosed upon.

(d) This section is not intended to establish, abrogate, modify, limit, or otherwise affect any cause of action other than that provided

by subdivision (a) that a secured lender may have against a borrower under an environmental provision.

(e) This section shall apply only to environmental provisions contracted in conjunction with loans, extensions of credit, guaranties, or other obligations made, renewed, or modified on or after January 1, 1992, and before January 1, 2000. Notwithstanding the foregoing, this section shall not be construed to validate, invalidate, or otherwise affect in any manner the rights and obligations of the parties to, or the enforcement of, environmental provisions contracted before January 1, 1992.

(f) For purposes of this section:

(1) "Borrower" means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. The term includes any successor-in-interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(2) "Environmental provision" means any written representation, warranty, indemnity, promise, or covenant relating to the existence, location, nature, use, generation, manufacture, storage, disposal, handling, or past, present, or future release or threatened release, of any hazardous substance into, onto, beneath, or from the real property security, or to past, present, or future compliance with any law relating thereto, made by a borrower in conjunction with the making, renewal, or modification of a loan, extension of credit, guaranty, or other obligation involving the borrower, whether or not the representation, warranty, indemnity, promise, or covenant is or was contained in or secured by the deed of trust or mortgage, and whether or not the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(3) "Hazardous substance" means (A) any "hazardous substance" as defined in subdivision (f) of Section 25281 of the Health and Safety Code as effective on January 1, 1991, or as subsequently amended, (B) any "waste" as defined in subdivision (d) of Section 13050 of the Water Code as effective on January 1, 1991, or as subsequently amended, or (C) petroleum, including crude oil or any fraction thereof, natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel, or any mixture thereof.

(4) "Real property security" means any real property and improvements, other than an individual unit of a common interest development, as defined in Section 1351 of the Civil Code, or real property which contains only 1 to 15 dwelling units, which in either case (A) is solely used (i) for residential purposes, or (ii) if reasonably contemplated by the parties to the deed of trust or mortgage, for residential purposes as well as limited agricultural or commercial purposes incidental thereto, and (B) is the subject of an issued certificate of occupancy unless the dwelling is to be owned

and occupied by the borrower.

(5) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing migration, of hazardous substances into or through soil, surface water, or groundwater. The term does not include actions directly relating to the incorporation in a lawful manner of building materials into a permanent improvement to the real property security.

(6) "Secured lender" means the beneficiary under a deed of trust against the real property security, or the mortgagee under a mortgage against the real property security, and any successor-in-interest of the beneficiary or mortgagee to the deed of trust or mortgage.

CHAPTER 1168

An act to add Section 89701.5 to, and to repeal Section 89012 of, the Education Code, to amend Sections 27361, 29550, and 76000 of the Government Code, to amend Section 1797.98a of the Health and Safety Code, to amend Sections 1462.3, 1463.001, and 1463.003 of, to add Section 1463.005 to, and to repeal Section 1205.1 of, the Penal Code, and to amend Sections 40522, 42007, and 42008 of the Vehicle Code, relating to fines and fees, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Section 89012 of the Education Code, as added by Chapter 189 of the Statutes of 1991, is repealed.

SEC. 2. Section 89701.5 is added to the Education Code, to read:

89701.5. Moneys in the State University Parking Revenue Fund received as parking fines and forfeitures shall be used exclusively for the development, enhancement, and operation of alternate methods of transportation programs for students and employees, for the mitigation of the impact of off-campus student and employee parking in university communities, and for the administration of the parking fines and forfeitures programs.

SEC. 2.5. Section 27361 of the Government Code, as amended by Chapter 331 of the Statutes of 1991 is amended to read:

27361. The fee for recording and indexing every instrument, paper, or notice required or permitted by law to be recorded is as follows:

(a) Four dollars ($4) for recording the first page and three dollars ($3) for each additional page or fraction of a page.

(b) One dollar ($1) of each three dollar ($3) fee for each

additional page shall be transmitted by the county auditor monthly to the Controller and deposited in the General Fund.

(c) If the printing on printed forms is spaced more than nine lines per vertical inch or more than 22 characters and spaces per inch measured horizontally for not less than three inches in one sentence the recorder shall charge one dollar ($1) additional for each page on which the printing appears excepting, however, the additional charge shall not apply to printed words which are directive or explanatory in nature for completion of the form or on vital statistics forms.

One dollar ($1) for recording the first page and one dollar ($1) for each additional page or fraction of a page shall be available solely to support, maintain, improve, and provide for the full operation for modernized creation, retention, and retrieval of information in each county's system of recorded documents.

SEC. 3. Section 29550 of the Government Code, as amended by Chapter 331 of the Statutes of 1991, is amended to read:

29550. (a) Notwithstanding any other provision of law, a county may impose a fee upon a city, special district, school district, community college district, college, or university for reimbursement of county expenses incurred with respect to the booking or other processing of persons arrested by an employee of that city, special district, school district, community college district, college, or university, where the arrested persons are brought to the county jail for booking or detention. The fee imposed by a county pursuant to this section shall not exceed the actual administrative costs, including applicable overhead costs as permitted by federal Circular A-87 standards, incurred in booking or otherwise processing arrested persons. A county may submit an invoice to a city, special district, school district, community college district, college, or university for these expenses incurred by the county on and after July 1, 1990.

(b) Any county whose officer or agent arrests a person is entitled to recover from the arrested person a criminal justice administration fee for administrative costs it incurs in conjunction with the arrest if the person is convicted of any criminal offense related to the arrest. The fee which the county is entitled to recover pursuant to this subdivision shall not exceed the actual administrative costs, including applicable overhead costs as permitted by federal Circular A-87 standards, incurred in booking or otherwise processing arrested persons. A judgment of conviction may contain an order for payment of the amount of the criminal justice administration fee by the convicted person, and execution may be issued on the order in the same manner as a judgment in a civil action, but the order shall not be enforceable by contempt. The court may, as a condition of probation, order the convicted person to reimburse the county for the criminal justice administration fee.

(c) An administrative screening fee of twenty-five dollars ($25) shall be collected from each person arrested and released on his or her own recognizance upon conviction of any criminal offense

related to the arrest other than an infraction. A citation processing fee in the amount of ten dollars ($10) shall be collected from each person cited and released by any peace officer in the field or at a jail facility upon conviction of any criminal offense, other than an infraction, related to the criminal offense cited in the notice to appear. However, the court may determine a lesser fee than otherwise provided in this subdivision upon a showing that the defendant is unable to pay the full amount. All fees collected pursuant to this subdivision shall be transmitted by the county auditor monthly to the Controller for deposit in the General Fund. This subdivision applies only to convictions occurring on or after the effective date of the act adding this subdivision and prior to June 30, 1996.

SEC. 4. Section 76000 of the Government Code, as amended by Chapter 331 of the Statutes of 1991, is amended to read:

76000. (a) In each county there shall be levied an additional penalty of seven dollars ($7) for every ten dollars ($10) or fraction thereof which shall be collected together with and in the same manner as the amounts established by Section 1464 of the Penal Code, upon every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses, including all offenses involving a violation of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code, except parking offenses subject to Article 3 (commencing with Section 40200) of Chapter 1 of Division 17 of the Vehicle Code. These moneys shall be taken from fines and forfeitures deposited with the county treasurer prior to any division pursuant to Section 1463 of the Penal Code.

The county treasurer shall deposit those amounts specified by the board of supervisors by resolution in one or more of the funds established pursuant to this chapter. However, deposits to these funds shall continue through whatever period of time is necessary to repay any borrowings made by the county on or before January 1, 1991, to pay for construction provided for in this chapter.

(b) In each authorized county, provided that the board of supervisors has adopted a resolution stating that the implementation of this subdivision is necessary to the county for the purposes authorized, with respect to each authorized fund established pursuant to Section 76100 or 76101, for every parking offense where a parking penalty, fine, or forfeiture is imposed, an added penalty of two dollars and fifty cents ($2.50) shall be included in the total penalty, fine, or forfeiture. Except as provided in subdivision (c), for each parking case collected in the courts of the county, the county treasurer shall place in each authorized fund two dollars and fifty cents ($2.50). These moneys shall be taken from fines and forfeitures deposited with the county treasurer prior to any division pursuant to Section 1462.3 or 1463.009 of the Penal Code. The judges of the county shall increase the bail schedule amounts as appropriate to reflect the added penalty provided for by this section. In those cities, districts, or other issuing agencies which elect to accept parking

penalties, and otherwise process parking violations pursuant to Article 3 (commencing with Section 40200) of Chapter 1 of Division 17 of the Vehicle Code, that city, district, or issuing agency shall observe the increased bail amounts as established by the court reflecting the added penalty provided for by this section. Each agency which elects to process parking violations shall pay to the county treasurer two dollars and fifty cents ($2.50) for each fund for each parking penalty collected on each violation which is not filed in court. Those payments to the county treasurer shall be made monthly, and the county treasurer shall deposit all those sums in the authorized fund. No issuing agency shall be required to contribute revenues to any fund in excess of those revenues generated from the surcharges established in the resolution adopted pursuant to this chapter, except as otherwise agreed upon by the local governmental entities involved.

(c) The county treasurer shall transfer to the Controller one dollar ($1) of every two dollars and fifty cents ($2.50) deposited pursuant to subdivision (b). The Controller shall deposit these moneys which are received by him or her prior to January 1, 1997, in the General Fund. The Controller shall deposit these moneys which are received by him or her on or after January 1, 1997, in the State Courthouse Construction Fund.

SEC. 4.5. Section 1797.98a of the Health and Safety Code is amended to read:

1797.98a. Each county may establish an Emergency Medical Services Fund, upon adoption of a resolution by the board of supervisors. The money in the fund shall be available for the reimbursements required by this chapter. The fund shall be administered by each county, except that a county electing to have the state administer its medically indigent services program may also elect to have its Emergency Medical Services Fund administered by the state. The costs of administering the fund shall be reimbursed by the fund, up to 10 percent of the amount of the fund. The fund shall be utilized to reimburse physicians and surgeons and hospitals for patients who do not make payment for emergency medical services and for other emergency medical services purposes as determined by each county. Fifty-eight percent of the money in the fund shall be distributed to physicians and surgeons for emergency services provided by all physicians and surgeons, except those physicians and surgeons employed by county hospitals, in general acute care hospitals that provide basic or comprehensive emergency services up to the time the patient is stabilized, 25 percent of the fund shall be distributed only to hospitals providing disproportionate trauma and emergency medical care services, and 17 percent of the fund shall be distributed for other emergency medical services purposes as determined by each county. However, in any county that has neither practicing physicians nor hospitals, any balance set aside for physicians, surgeons, or hospitals at the end of the fiscal year may be utilized to fund other emergency services. The source of the money

in the fund shall be the additional penalty made for this purpose, as provided in Section 76000 of the Government Code.

SEC. 4.7. Section 1205.1 of the Penal Code, as amended by Chapter 189 of the Statutes of 1991, is repealed.

SEC. 5. Section 1462.3 of the Penal Code, as added by Chapter 189 of the Statutes of 1991, is amended to read:

1462.3. Notwithstanding any other provision of law, a municipal or justice court shall authorize the following entities upon request to receive, deposit, accept forfeiture, and otherwise process the posting of bail for state and local parking violations issued by an employee or agent of the California State University, the University of California, the California Department of Parks and Recreation, the California State Police, the California Exposition and State Fair, the Department of Forestry and Fire Protection or any jurisdiction that provides fire protection for the department by contract, a community college district, a regional park district, a park and recreation district, a municipal utility district, a police protection district, a community service district, a transit district, a school district, a port district, a harbor district, a metropolitan development board, a fire protection district, a bridge and highway district, or a housing authority. Any entity which maintains an administrative appeals process for the review of all contested violations it has issued shall transfer, once a month, an amount equal to 5 percent of the amounts deposited directly with the entity, to the general fund of the county. Any entity which does not maintain an administrative appeals process for the review of all contested violations it has issued shall transfer, once a month, an amount equal to 15 percent of the amounts deposited directly with the entity, to the general fund of the county.

Where such an entity and a municipal or justice court have, prior to June 1, 1991, entered into an agreement governing the distribution of revenue from parking penalties, those agreements shall remain in full force and effect until changed by mutual agreement.

If the authorization is sought by the California State University or any campus thereof to receive, deposit, accept forfeiture, and otherwise process the posting of bail for state and local parking violations issued by their employee or agent, all parking fines and forfeitures collected pursuant to this section by or on behalf of the California State University or any campus thereof shall be deposited, once a month, to the State Treasury to the credit of the State University Parking Revenue Fund.

If authorization is not sought by an entity whose employees issue written notices of state and local parking violations, out of the moneys deposited with the county treasurer from the court's receipt, deposit, acceptance of forfeiture, and other processing of bail, 25 percent shall be transferred, once a month, to the General Fund of the state, with respect to state agencies, or to the general fund of the local entity with respect to a local entity issuing the written notice, or to the State Treasury to the credit of the State University Parking

Revenue Fund with respect to the California State University, and the remainder shall be transferred to the county general fund. A municipal or justice court and an entity listed above may adjust the percentage herein by mutual agreement.

SEC. 6. Section 1463.001 of the Penal Code, as added by Chapter 189 of the Statutes of 1991, is amended to read:

1463.001. All fines and forfeitures imposed and collected for crimes other than parking offenses resulting from a filing in a court shall as soon as practicable after receipt thereof, be deposited with the county treasurer, and each month the total fines and forfeitures which have accumulated within the past month shall be distributed, as follows:

(a) The state penalties, county penalties, special penalties, service charges, and penalty allocations shall be transferred to the proper funds as required by law.

(b) The base fines shall be distributed, as follows:

(1) Any base fines which are subject to specific distribution under any other section shall first be distributed to the specified funds of the state or local agency. Any amount due to the county, including amounts collected pursuant to Section 1203.1, but excluding fees to cover the actual cost of formal probation, shall be divided between the state and county, with 75 percent transferred to the General Fund and 25 percent transferred to the proper funds of the county, subject to the limitations established by Section 1463.003. Any amount due to cities shall be divided between each city and the state, with 50 percent deposited to the General Fund, and 50 percent deposited to the treasury of the appropriate city, subject to the limitations established by Section 1463.003.

(2) Of base fines resulting from county arrest not included in paragraph (1), 25 percent shall be transferred into the proper funds of the county, subject to the limitations established by Section 1463.003, and 75 percent shall be transferred to the General Fund.

(3) Of base fines resulting from city arrests not included in paragraph (1), an amount equal to the applicable county percentages set forth in Section 1463.002, as modified by Section 1463.28, shall be divided between the state and county, with 75 percent transferred to the General Fund and 25 percent transferred into the proper funds of the county, subject to the limitations established by Section 1463.003. The remainder of base fines resulting from city arrests shall be divided between each city and the state, with 50 percent deposited to the General Fund, and 50 percent deposited to the treasury of the appropriate city, subject to the limitations established by Section 1463.003.

(c) The distribution specified in subdivision (b) applies to all funds subject thereto distributed on or after July 1, 1991, regardless of whether the court has elected to allocate and distribute funds pursuant to Section 1464.8.

SEC. 7. Section 1463.003 of the Penal Code, as added by Chapter 189 of the Statutes of 1991, is amended to read:

1463.003. The maximum amount of the fines and forfeitures which may be retained in the 1991–92 fiscal year by a county under this chapter shall be calculated by computing the amount of fines and forfeitures retained by the county in the 1990–91 fiscal year, plus an amount equal to 5 percent. All moneys in excess of 25 percent of that total amount shall be transferred on a monthly basis to the General Fund.

With respect to any city in existence on July 1, 1990, the maximum amount of the fines and forfeitures which may be retained in the 1991–92 fiscal year by a city under this chapter shall be calculated by computing the amount of nonparking fines and forfeitures retained by the city in the 1990–91 fiscal year plus an amount equal to 5 percent. All moneys in excess of 50 percent of that total amount shall be transferred on a monthly basis to the General Fund.

SEC. 7.5. Section 1463.005 is added to the Penal Code, to read:

1463.005. Notwithstanding Section 1463.001, in a county subject to Section 77202.5 of the Government Code, of base fines resulting from arrests not subject to allocation under paragraph (1) of subdivision (b) of Section 1463.001, by a California Highway Patrol Officer on state highways constructed as freeways within the city whereon city police officers enforced the provisions of the Vehicle Code on April 1, 1965, 25 percent shall be deposited in the treasury of the appropriate city, 12.5 percent shall be deposited in the proper funds of the county, and the remainder shall be deposited in the General Fund.

SEC. 8. Section 40522 of the Vehicle Code is amended to read:

40522. Whenever a person is arrested for violations specified in Section 40303.5, except a violation of subdivision (a) of Section 5204, and none of the disqualifying conditions set forth in subdivision (b) of Section 40610 exist, and the officer issues a notice to appear, the notice shall specify the offense charged and note in a form approved by the Judicial Council that the charge shall be dismissed on proof of correction. If the arrested person presents, by mail or in person, proof of correction, as prescribed in Section 40616, on or before the date on which the person promised to appear, the court shall dismiss the violation or violations charged pursuant to Section 40303.5.

SEC. 9. Section 42007 of the Vehicle Code, as amended by Chapter 189 of the Statutes of 1991, is amended to read:

42007. (a) The clerk of the court shall collect a fee from every person who is ordered or permitted to attend a traffic violator school pursuant to Section 42005 or who attends any other court-supervised program of traffic safety instruction. The fee shall be in an amount equal to the total bail set forth for the eligible offense on the uniform countywide bail schedule. As used in this subdivision, "total bail" means the amount established pursuant to Section 1269b of the Penal Code in accordance with the Uniform Statewide Bail Schedule adopted by the Judicial Council, including all assessments, surcharges, and penalty amounts. Where multiple offenses are charged in a single notice to appear, the "total bail" is the amount

applicable for the greater of the qualifying offenses. However, the court may determine a lesser fee under this subdivision upon a showing that the defendant is unable to pay the full amount.

The fee shall not include the cost, or any part thereof, of traffic safety instruction offered by the school or other program.

(b) Revenues derived from the fee collected under this section shall be deposited in accordance with Section 68084 of the Government Code and allocated monthly as follows:

(1) Seventy-seven percent of the amount shall be deposited in the General Fund, except that effective January 1, 1992, 14 percent of the moneys transmitted under this paragraph shall be deposited in the State Courthouse Construction Fund.

(2) The remaining amount collected under subdivision (a) shall be deposited in the general fund of the county, provided that in any county in which a fund is established pursuant to Section 76100 or 76101 of the Government Code, the sum of one dollar ($1) for each fund so established shall be deposited with the county treasurer and placed in that fund.

(c) As used in this section, "court-supervised program" includes, but is not limited to, any program of traffic safety instruction the successful completion of which is accepted by the court in lieu of adjudicating a violation of this code.

(d) The Judicial Council shall study the minimum eligibility criteria governing drivers seeking to attend traffic violator's school, and report to the Legislature on the advisability of uniform statewide criteria on or before January 1, 1993.

(e) The clerk of the court, in a county that offers traffic school shall include in any courtesy notice mailed to a defendant for an offense that qualifies for traffic school attendance the following statement:

NOTICE: If you are eligible and decide not to attend traffic school your automobile insurance may be adversely affected.

SEC. 10. Section 42008 of the Vehicle Code, as amended by Chapter 189 of the Statutes of 1991, is amended to read:

42008. (a) A state amnesty program for delinquent fines and bail imposed for an infraction or misdemeanor violation of the Vehicle Code, except parking violations of the Vehicle Code and violations of Section 23103, 23104, 23152, or 23153, shall operate during the period of February 1, 1992, through April 30, 1992. The program shall be implemented by the courts in accordance with Judicial Council guidelines, and shall apply to infraction or misdemeanor violations of the Vehicle Code, except parking violations, upon which a fine or bail was delinquent on or before April 1, 1991.

(b) Under the amnesty program, any person owing a fine or bail due on or before April 1, 1991, that was imposed for an infraction or misdemeanor violation of the Vehicle Code, except violations of Section 23103, 23104, 23152, or 23153 or parking violations, may pay to the municipal or justice court the amount scheduled by the court, which shall be either (1) 70 percent of the total fine or bail or (2)

the amount of one hundred dollars ($100) for an infraction or five hundred dollars ($500) for a misdemeanor. This amount shall be accepted by the court in full satisfaction of the delinquent fine or bail.

(c) No criminal action shall be brought against any person for a delinquent fine or bail paid under this amnesty program and no other additional penalties shall be assessed for the late payment of the fine or bail made under the amnesty program.

(d) Notwithstanding Section 1463, the total amount of funds collected by the courts pursuant to the amnesty program created by this section shall be deposited in the county treasury and transferred to the General Fund once each month.

(e) Except as expressly provided in this section, there shall be no amnesty programs with respect to fines or forfeitures for infractions and misdemeanor violations of the Vehicle Code. However, this section does not preempt local amnesty programs with respect to parking offenses and which commence on or after July 1, 1992.

SEC. 11. The increased parking penalty or bail amounts required by subdivision (b) of Section 76000 of the Government Code shall be implemented by local agencies as soon as feasible. However, local entities shall not be responsible for additional amounts which could not reasonably have been imposed prior to November 30, 1991.

SEC. 12. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to ensure without delay the proper distribution of fees and fines to the state, counties, and cities, it is necessary that this act take effect immediately.

CHAPTER 1169

An act to amend Sections 1797.98a, 1797.98c, and 1797.98e of, and to add Section 1797.98g to, the Health and Safety Code, and to add Section 16959 to the Welfare and Institutions Code, relating to emergency medical services.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1797.98a of the Health and Safety Code is amended to read:

1797.98a. Each county may establish an Emergency Medical Services Fund, upon adoption of a resolution by the board of supervisors. The money in the fund shall be available for the reimbursements required by this chapter. The fund shall be

administered by each county, except that a county electing to have the state administer its medically indigent services program may also elect to have its Emergency Medical Services Fund administered by the state. Costs of administering the fund shall be reimbursed by the fund, up to 10 percent of the amount of the fund. All interest earned on moneys in the fund shall be deposited in the fund for disbursement as specified in this section. The fund shall be utilized to reimburse physicians and surgeons and hospitals for patients who do not make payment for emergency medical services and for other emergency medical services purposes as determined by each county. Fifty-eight percent of the balance of the money in the fund after costs of administration shall be distributed to physicians and surgeons for emergency services provided by all physicians and surgeons, except those physicians and surgeons employed by county hospitals, in general acute care hospitals that provide basic or comprehensive emergency services up to the time the patient is stabilized, 25 percent of the balance of the fund after costs of administration shall be distributed only to hospitals providing disproportionate trauma and emergency medical care services, and 17 percent of the balance of the fund after costs of administration shall be distributed for other emergency medical services purposes as determined by each county. The source of the money in the fund shall be the penalty assessment made for this purpose, as provided in Section 1465 of the Penal Code.

SEC. 2. Section 1797.98c of the Health and Safety Code is amended to read:

1797.98c. (a) Physicians and surgeons wishing to be reimbursed shall submit their losses incurred due to patients who do not make any payment for services and for whom no responsible third party makes any payment. No physicians and surgeons shall be reimbursed greater than 50 percent of those losses.

(b) If, after receiving payment from the fund, a physician and surgeon is reimbursed by a patient or a responsible third party, the physician and surgeon shall do one of the following:

(1) Notify the administering agency, and, after notification, the administering agency shall reduce the physician and surgeon's future payment of claims from the fund. In the event there is not a subsequent submission of a claim for reimbursement within one year, the physician and surgeon shall reimburse the fund in an amount equal to the amount collected from the patient or third-party payer, but not more than the amount of reimbursement received from the fund.

(2) Notify the administering agency of the payment and reimburse the fund in an amount equal to the amount collected from the patient or third-party payer, but not more than the amount of the reimbursement received from the fund for that patient's care.

(c) Reimbursement for losses incurred by any physician and surgeon shall be limited to services provided to a patient who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in

whole or in part by the federal government, and where all of the following conditions have been met:

(1) The physician and surgeon has inquired if there is a responsible third-party source of payment.

(2) The physician and surgeon has billed for payment of services.

(3) Either of the following:

(A) A period of not less than three months has passed from the date the physician and surgeon billed the patient or responsible third party, during which time the physician and surgeon has made reasonable efforts to obtain reimbursement and has not received reimbursement for any portion of the amount billed.

(B) The physician and surgeon has received actual notification from the patient or responsible third party that no payment will be made for the services rendered by the physician and surgeon.

(4) The physician and surgeon has stopped any current, and waives any future, collection efforts to obtain reimbursement from the patient, upon receipt of funds from the fund.

(d) A listing of patient names shall accompany a physician and surgeon's submission, and those names shall be given full confidentiality protections by the administering agency.

(e) Notwithstanding any other restriction on reimbursement, a county may adopt a fee schedule to establish a uniform reasonable level of reimbursement from the county's emergency medical services fund for reimbursable services.

(f) For the purposes of submission and reimbursement of physician and surgeon claims, the administering agency shall adopt and use the current version of the Physicians' Current Procedural Terminology, published by the American Medical Association, or a similar procedural terminology reference.

SEC. 3. Section 1797.98e of the Health and Safety Code is amended to read:

1797.98e. (a) It is the intent of the Legislature that a simplified, cost-efficient system of administration of this chapter be developed so that the maximum amount of funds may be utilized to reimburse physicians and surgeons and for other emergency medical services purposes. The administering agency shall select an administering officer and shall establish procedures and time schedules for the submission and processing of proposed reimbursement requests submitted by physicians and surgeons. The schedule shall provide for disbursements of moneys in the Emergency Medical Services Fund on at least an annual basis to applicants who have submitted accurate and complete data for payment by a date to be established by the administering agency. When the administering agency determines that claims for payment for physician and surgeon services are of sufficient numbers and amounts, that if paid, the claims would exceed the total amount of funds available for payment, the administering agency shall fairly prorate, without preference, payments to each claimant at a level less than the maximum payment level. Each administering agency may encumber sufficient funds

during one fiscal year to reimburse claimants for losses incurred during that fiscal year for which claims will not be received until after the fiscal year. The administering agency may, as necessary, request records and documentation to support the amounts of reimbursement requested by physicians and surgeons and the administering agency may review and audit such records for accuracy. Reimbursements requested and reimbursements made that are not supported by records may be denied to and recouped from physicians and surgeons. Physicians and surgeons found to submit requests for reimbursement that are inaccurate or unsupported by records may be excluded from submitting future requests for reimbursement. The administering officer shall not give preferential treatment to any facility, physician and surgeon, or category of physician and surgeon and shall not engage in practices that constitute a conflict of interest by favoring a facility or physician and surgeon with which the administering officer has an operational or financial relationship. A hospital administrator of a hospital owned or operated by a county of a population of 250,000 or more as of January 1, 1991, or a person under the direct supervision of such a person, shall not be the administering officer. The board of supervisors of a county or any other county agency may serve as the administering officer.

(b) Each provider of health services which receives payment under this chapter shall keep and maintain records of the services rendered, the person to whom rendered, the date, and any additional information the administering agency may, by regulation, require, for a period of three years from the date the service was provided. The administering agency shall not require any additional information from a physician and surgeon providing emergency medical services that is not available in the patient record maintained by the entity listed in subdivision (f) where the medical services are provided, nor shall the administering agency require a physician and surgeon to make eligibility determinations.

(c) During normal working hours, the administering agency may make any inspection and examination of a hospital's or physician and surgeon's books and records needed to carry out the provisions of this chapter. A provider who has knowingly submitted a false request for reimbursement shall be guilty of civil fraud.

(d) Nothing in this chapter shall prevent a physician and surgeon from utilizing an agent who furnishes billing and collection services to the physician and surgeon to submit claims or receive payment for claims.

(e) All payments from the fund pursuant to Section 1797.98c to physicians and surgeons shall be limited to physicians and surgeons who, in person, provide onsite services in a clinical setting, including, but not limited to, radiology and pathology settings.

(f) All payments from the fund shall be limited to claims for care rendered by physicians and surgeons to patients who are initially medically screened, evaluated, treated, or stabilized in any of the

following:

(1) A basic or comprehensive emergency department of a licensed general acute care hospital.

(2) A site that was approved by a county prior to January 1, 1990, as a paramedic receiving station for the treatment of emergency patients.

(3) A standby emergency department that was in existence on January 1, 1989, in a hospital specified in Section 1188.855.

(g) Payments shall be made only for emergency services provided on the calendar day on which emergency medical services are first provided and on the immediately following two calendar days, however, payments may not be made for services provided beyond a 48-hour period of continuous service to the patient.

(h) Notwithstanding subdivision (g), if it is necessary to transfer the patient to a second facility providing a higher level of care for the treatment of the emergency condition, reimbursement shall be available for services provided at the facility to which the patient was transferred on the calendar day of transfer and on the immediately following two calendar days, however, payments may not be made for services provided beyond a 48-hour period of continuous service to the patient.

(i) Payment shall be made for medical screening examinations required by law to determine whether an emergency condition exists, notwithstanding the determination after the examination that a medical emergency does not exist. Payment shall not be denied solely because a patient was not admitted to an acute care facility. Payment shall be made for services to an inpatient only when the inpatient has been admitted to a hospital from an entity specified in subdivision (f).

(j) The administering agency shall compile a quarterly and year-end summary of reimbursements paid to facilities and physicians and surgeons. The summary shall include, but shall not be limited to, the total number of claims submitted by physicians and surgeons in aggregate from each facility and the amount paid to each physician and surgeon. The administering agency shall provide copies of the summary and forms and instructions relating to making claims for reimbursement to the public, and may charge a fee not to exceed the reasonable costs of duplication.

(k) Each county shall establish an equitable and efficient mechanism for resolving disputes relating to claims for reimbursements from the fund. The mechanism shall include a requirement that disputes be submitted either to binding arbitration conducted pursuant to arbitration procedures set forth in Chapter 3 (commencing with Section 1282) and Chapter 4 (commencing with Section 1285) of Part 3 of Title 9 of the Code of Civil Procedure, or to a local medical society for resolution by neutral parties.

SEC. 4. Section 1797.98g is added to the Health and Safety Code, to read:

1797.98g. The moneys contained in an Emergency Medical

Services Fund, other than moneys contained in a Physician Services Account within the fund pursuant to Section 16952 of the Welfare and Institutions Code, shall not be subject to Article 3.5 (commencing with Section 16951) of Chapter 5 of Part 4.7 of Division 9 of the Welfare and Institutions Code.

SEC. 5. Section 16959 is added to the Welfare and Institutions Code, to read:

16959. The moneys contained in a Physician Services Account within an Emergency Medical Services Fund shall not be subject to Chapter 2.5 (commencing with Section 1797.98a) of Division 2.5 of the Health and Safety Code.

SEC. 6. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act.

Moreover, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Also, notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1170

An act to amend Sections 1189.101, 1189.109, 1797.98e, 24165.3, 24165.5, and 24169.8 of, and to add Section 24168.05 to, the Health and Safety Code, to amend Sections 14148.5, 14148.95, 14148.96, 16901, 16905, 16915, 16916, 16917, 16918, 16934, 16934.5, 16936, 16938, 16941.1, 16942, 16943, 16945, 16946, 16952, 16953, 16954, 16970, 16980, 16981, 16990, and 16995.2 of, to amend and renumber Sections 14148.97 and 14149.7 of, to add Section 14148.98 to, and to repeal Section 16953.5 of, the Welfare and Institutions Code, and to amend Sections 27, 28, 29, and 41 of, and to repeal Sections 34 and 36 of, Chapter 278 of the Statutes of 1991, relating to public social services, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1189.101 of the Health and Safety Code is amended to read:

1189.101. (a) The State Department of Health Services shall select primary care clinics that are exempt from federal taxation and community based, including clinics operated by tribes or tribal organizations, to be reimbursed for delivering medical services, including preventative health care, and smoking prevention and cessation health education, to program beneficiaries. In selecting primary care clinics for reimbursement, the department shall give priority to clinics that provide services in a medically underserved area or to a medically underserved population as determined by the department, according to designations and criteria set forth by the federal government.

(b) As a part of the award process for funding pursuant to this part, the department shall take into account the availability of primary care services in the various geographic areas of the state. The department shall determine which areas within the state have populations which have clear and compelling difficulty in obtaining access to primary care. The department shall consider proposals from new and existing eligible providers to extend clinic services to these populations. The department shall give equal consideration to all applicants, regardless of whether or not they have an existing contract with the department.

(c) Each primary care clinic applying for funds pursuant to this part shall demonstrate that the funds shall be used to expand medical services, including preventative health care, and smoking prevention and cessation health education, for program beneficiaries.

(d) The department shall make prospective interim payments to the selected primary care clinics for outpatient visits, on at least a quarterly basis, based on the primary care clinic's projected increase in outpatient visits as compared to the outpatient visits provided in the 1988 calendar year, and shall adjust such payments to correct for any underestimates or overestimates of outpatient visits. The department may also pay primary care clinics on a separate basis for case management services provided as a result of these outpatient visits.

(1) For purposes of this part, an outpatient visit shall include, diagnosis and medical treatment services, including the associated pharmacy, X-ray, and laboratory services, and prevention health services that are needed as a result of the outpatient visit. For a new patient, an outpatient visit shall also include a health assessment encompassing an assessment of smoking behavior and appropriate health education.

(2) "Case management" includes, for this purpose, the management of all physician services, both primary and specialty, and arrangements for hospitalization, postdischarge care, and followup care.

(3) Payment shall be on a per visit basis at a rate that is determined by the department to be appropriate for an outpatient visit as defined in this section.

In developing a statewide uniform rate for an outpatient visit as defined in this part, the department shall consider existing rates of payments for comparable outpatient visits. The rate shall be published in accordance with subdivision (e). The department shall review the outpatient visit rate on an annual basis.

(4) The department may also pay for case management services, and may establish a separate, uniform statewide rate for these services which shall be paid in addition to the outpatient visit rate. The rate for case management shall not exceed 5 percent of the rate for an outpatient visit. If, upon establishment of the outpatient visit rate, the department determines that the rate of payment for case management is not adequate to cover the cost of the service, the department may increase the rate for case management, but the rate shall not exceed 10 percent of the outpatient visit rate.

In developing the separate, uniform statewide rate for case management, the department shall take into account rates paid to providers for case management services under any other program funded in whole or in part by the state or federal government. The rates shall be published in accordance with subdivision (e). The department shall review the case management rate on an annual basis.

(5) A primary care clinic may, at its option, and with department approval, provide and be paid for both outpatient visits and case management services.

(e) Not later than January 15 of each year, the department shall adopt and provide each clinic with a schedule for programs under this part, including the date for notification of availability of funds, the deadline for the submission of a completed application, and an anticipated contract award date for successful applicants.

SEC. 2. Section 1189.109 of the Health and Safety Code is amended to read:

1189.109. (a) For any condition detected as part of a child health and disability prevention screen for any child eligible for services under Section 24165.3, if the child was screened by the clinic or upon referral by a child health and disability prevention program provider, unless the child is eligible to receive care with no share of cost under the Medi-Cal program, is covered under another publicly funded program, or the services are payable under private coverage, a clinic shall, as a condition of receiving funds under this article, do all of the following:

(1) Insofar as the clinic directly provides these services for other patients, provide medically necessary followup treatment, including

prescription drugs.

(2) Insofar as the clinic does not provide treatment for the condition, arrange for the treatment to be provided.

(b) (1) Beginning with the 1990–91 fiscal year, insofar as a clinic provides dental treatment services, the clinic's responsibility to provide those dental services to any child in any fiscal year shall not exceed one thousand dollars ($1,000), in addition to any reimbursement received for dental treatment services, including, but not limited to, reimbursements received under this part.

(2) The state department shall reimburse the cost of dental services provided after June 30, 1990, which exceed one thousand dollars ($1,000) from the primary care clinic risk pool established pursuant to subdivision (a) of Section 1189.110.

(3) Any claim submitted pursuant to this subdivision that is related to a service provided in any of the 1990–91, 1991–92, 1992–93, or 1993–94 fiscal years shall be submitted no later than 90 days after the close of that fiscal year.

(c) (1) If any child requires treatment the clinic does not provide, the clinic shall arrange for the treatment to be provided, and the name of that provider shall be noted in the patient's medical record.

(2) The clinic shall contact the provider or the patient or his or her guardian, or both, within 30 days after the arrangement for the provision of treatment is made, and shall determine if the provider has provided appropriate care, and shall note the results in the patient's medical record.

(3) If the clinic is not able to determine, within 30 days after the arrangement for the provision of treatment is made, whether the needed treatment was provided, the clinic shall provide written notice to the county child health and disability prevention program director, and shall also provide a copy to the state director of the program.

(d) (1) For the 1990–91 to the 1993–94 fiscal years, inclusive, the state department may establish a reimbursement program for referral case management services required pursuant to subdivision (c), provided to a child pursuant to subdivision (a).

(2) The state department may utilize funds appropriated for the purposes of this part for reimbursements under paragraph (1).

(3) (A) The state department shall evaluate the effectiveness of the referral case management program, including the extent to which children actually receive appropriate treatment for conditions detected as part of the Child Health and Disability Prevention Program examination.

(B) The state department shall report the evaluation required by subparagraph (A) to the health policy committee of each house of the Legislature no later than April 1 of each year.

(e) From funds appropriated for the 1989–90 fiscal year, not more than ten million dollars ($10,000,000) may be utilized by the department for grants to clinics for modernization of clinic facilities

and for expansion of primary care capacity in order to provide adequate access to clinic services.

SEC. 3. Section 1797.98e of the Health and Safety Code is amended to read:

1797.98e. (a) It is the intent of the Legislature that a simplified, cost-efficient system of administration of this chapter be developed so that the maximum amount of funds may be utilized to reimburse physicians and surgeons and for other emergency medical services purposes. The administering agency shall establish procedures and time schedules for the submission and processing of proposed reimbursement requests submitted by physicians and surgeons. The schedule shall provide for disbursements of moneys in the Emergency Medical Services Fund on at least an annual basis to applicants who have submitted accurate and complete data for payment by a date to be established by the administering agency. When the administering agency determines that claims for payment are of sufficient numbers and amounts, that if paid, the claims would exceed the total amount of funds available for payment, the administering agency shall prorate payments to each claimant at a level less than the maximum payment level. Each administering agency may encumber sufficient funds during one fiscal year to reimburse claimants for losses incurred during that fiscal year for which claims will not be received until after the fiscal year. The administering agency may, as necessary, request records and documentation to support the amounts of reimbursement requested by physicians and surgeons and the administering agency may review and audit such records for accuracy. Reimbursements requested and reimbursements made that are not supported by records may be denied to and recouped from physicians and surgeons. Physicians and surgeons found to submit requests for reimbursement that are inaccurate or unsupported by records may be excluded from submitting future requests for reimbursement.

(b) Each provider of health services which receives payment under this chapter shall keep and maintain records of the services rendered, the person to whom rendered, the date, and any additional information the administering agency may, by regulation, require, for a period of three years from the date the service was provided.

(c) During normal working hours, the administering agency may make any inspection and examination of a hospital's or physician and surgeon's books and records needed to carry out the provisions of this chapter. A provider who has knowingly submitted a false request for reimbursement shall be guilty of civil fraud.

(d) Nothing in this chapter shall prevent a physician from utilizing an agent who furnishes billing and collection services to the physician to submit claims or receive payment for claims.

(e) All payments from the fund shall be limited to claims for care rendered by physicians and surgeons to patients who are initially medically screened, evaluated, treated, or stabilized in one of the following:

(1) A basic or comprehensive emergency department of a licensed general acute care hospital.

(2) A site that was approved by a county prior to January 1, 1990, as a paramedic receiving station for the treatment of emergency patients.

(3) A standby emergency department that was in existence on January 1, 1989, in a hospital specified in Section 1188.855.

(4) For the 1991–92 fiscal year and each fiscal year thereafter, a facility which contracted prior to January 1, 1990, with the National Park Service to provide emergency medical services.

SEC. 4. Section 1797.98e of the Health and Safety Code is amended to read:

1797.98e. (a) It is the intent of the Legislature that a simplified, cost-efficient system of administration of this chapter be developed so that the maximum amount of funds may be utilized to reimburse physicians and surgeons and for other emergency medical services purposes. The administering agency shall select an administering officer and shall establish procedures and time schedules for the submission and processing of proposed reimbursement requests submitted by physicians and surgeons. The schedule shall provide for disbursements of moneys in the Emergency Medical Services Fund on at least an annual basis to applicants who have submitted accurate and complete data for payment by a date to be established by the administering agency. When the administering agency determines that claims for payment for physician and surgeon services are of sufficient numbers and amounts, that if paid, the claims would exceed the total amount of funds available for payment, the administering agency shall fairly prorate, without preference, payments to each claimant at a level less than the maximum payment level. Each administering agency may encumber sufficient funds during one fiscal year to reimburse claimants for losses incurred during that fiscal year for which claims will not be received until after the fiscal year. The administering agency may, as necessary, request records and documentation to support the amounts of reimbursement requested by physicians and surgeons and the administering agency may review and audit such records for accuracy. Reimbursements requested and reimbursements made that are not supported by records may be denied to and recouped from physicians and surgeons. Physicians and surgeons found to submit requests for reimbursement that are inaccurate or unsupported by records may be excluded from submitting future requests for reimbursement. The administering officer shall not give preferential treatment to any facility, physician and surgeon, or category of physician and surgeon and shall not engage in practices that constitute a conflict of interest by favoring a facility or physician and surgeon with which the administering officer has an operational or financial relationship. A hospital administrator of a hospital owned or operated by a county of a population of 250,000 or more as of January 1, 1991, or a person under the direct supervision of such a

person, shall not be the administering officer. The board of supervisors of a county or any other county agency may serve as the administering officer.

(b) Each provider of health services which receives payment under this chapter shall keep and maintain records of the services rendered, the person to whom rendered, the date, and any additional information the administering agency may, by regulation, require, for a period of three years from the date the service was provided. The administering agency shall not require any additional information from a physician and surgeon providing emergency medical services that is not available in the patient record maintained by the entity listed in subdivision (f) where the medical services are provided, nor shall the administering agency require a physician and surgeon to make eligibility determinations.

(c) During normal working hours, the administering agency may make any inspection and examination of a hospital's or physician and surgeon's books and records needed to carry out the provisions of this chapter. A provider who has knowingly submitted a false request for reimbursement shall be guilty of civil fraud.

(d) Nothing in this chapter shall prevent a physician and surgeon from utilizing an agent who furnishes billing and collection services to the physician and surgeon to submit claims or receive payment for claims.

(e) All payments from the fund pursuant to Section 1797.98c to physicians and surgeons shall be limited to physicians and surgeons who, in person, provide onsite services in a clinical setting, including, but not limited to, radiology and pathology settings.

(f) All payments from the fund shall be limited to claims for care rendered by physicians and surgeons to patients who are initially medically screened, evaluated, treated, or stabilized in any of the following:

(1) A basic or comprehensive emergency department of a licensed general acute care hospital.

(2) A site that was approved by a county prior to January 1, 1990, as a paramedic receiving station for the treatment of emergency patients.

(3) A standby emergency department that was in existence on January 1, 1989, in a hospital specified in Section 1188.855.

(4) For the 1991–92 fiscal year and each fiscal year thereafter, a facility which contracted prior to January 1, 1990, with the National Park Service to provide emergency medical services.

(g) Payments shall be made only for emergency services provided on the calendar day on which emergency medical services are first provided and on the immediately following two calendar days, however, payments may not be made for services provided beyond a 48-hour period of continuous service to the patient.

(h) Notwithstanding subdivision (g), if it is necessary to transfer the patient to a second facility providing a higher level of care for the treatment of the emergency condition, reimbursement shall be

available for services provided at the facility to which the patient was transferred on the calendar day of transfer and on the immediately following two calendar days, however, payments may not be made for services provided beyond a 48-hour period of continuous service to the patient.

(i) Payment shall be made for medical screening examinations required by law to determine whether an emergency condition exists, notwithstanding the determination after the examination that a medical emergency does not exist. Payment shall not be denied solely because a patient was not admitted to an acute care facility. Payment shall be made for services to an inpatient only when the inpatient has been admitted to a hospital from an entity specified in subdivision (f).

(j) The administering agency shall compile a quarterly and year-end summary of reimbursements paid to facilities and physicians and surgeons. The summary shall include, but shall not be limited to, the total number of claims submitted by physicians and surgeons in aggregate from each facility and the amount paid to each physician and surgeon. The administering agency shall provide copies of the summary and forms and instructions relating to making claims for reimbursement to the public, and may charge a fee not to exceed the reasonable costs of duplication.

(k) Each county shall establish an equitable and efficient mechanism for resolving disputes relating to claims for reimbursements from the fund. The mechanism shall include a requirement that disputes be submitted either to binding arbitration conducted pursuant to arbitration procedures set forth in Chapter 3 (commencing with Section 1282) and Chapter 4 (commencing with Section 1285) of Part 3 of Title 9 of the Code of Civil Procedure, or to a local medical society for resolution by neutral parties.

SEC. 5. Section 24165.3 of the Health and Safety Code is amended to read:

24165.3. The State Department of Health Services shall expand the Child Health and Disability Prevention (CHDP) Program contained in Article 3.4 (commencing with Section 320) of Chapter 2 of Division 1 as follows:

(a) Any child between birth and 90 days after entrance into first grade, all persons under 21 years of age who are eligible for the California Medical Assistance Program, and any person under 19 years of age whose family income is not more than 200 percent of the federal poverty level shall be eligible for services under the program in the county of which they are a resident. The department shall adopt rules and regulations specifying which age groups shall be given certain types of screening tests and recommendations for referral.

(b) The first source of referral under the program shall be the child's usual source of health care. If referral is required and no regular source of health care can be identified, the facility or provider providing health screening and evaluation services shall

provide a list of three qualified sources of care, without prejudice for or against any specific source.

(c) The department shall issue protocols for an antitobacco education component of the child health and disability prevention medical examination. The protocols shall include the following: dissuading children from beginning to smoke, encouraging smoking cessation, and providing information on the health effects of tobacco use on the user, children, and nonsmokers. The protocols shall also include a focus on health promotion, disease prevention, and risk reduction, utilizing a "wellness" perspective that encourages self-esteem and positive decisionmaking techniques, and referral to an appropriate community smoking cessation program.

(d) Notwithstanding any other provision of law, the department shall ensure that a portion of the funds in the Child Health Disability Prevention Program budget is used to facilitate the integration of the medical and dental components of all aspects of that program.

(e) The department shall expand its support and monitoring of county child health and disability prevention program efforts to provide all of the following:

(1) Review of a representative, statistically valid, randomly selected sample of child health and disability prevention health assessments, including, but not limited to, dental assessments, which result in the discovery of conditions which require followup diagnosis and treatment, including but not limited to dental treatment, and which qualify for services under this section. The purpose of the survey and followup reviews of local programs is to determine whether necessary diagnosis and treatment services are being provided, and the degree to which those services comply with the intent of the act that added this subdivision. These survey reviews shall include all counties and shall be conducted at least three times a year.

(2) At least once a year, as part of regular visits to county child health and disability prevention programs to provide technical assistance, support services and monitoring and evaluation of program performance, state department staff shall review the effectiveness of the mandated treatment program. The purpose of this review is to assure that the county is providing appropriate followup services for conditions discovered during child health and disability prevention health assessments. This review shall be done in conjunction with the ongoing survey activity of the Child Health and Disability Prevention Branch of the State Department of Health Services and shall utilize data resulting from that activity.

(3) If the department establishes that a county has failed to provide treatment services mandated by the act that added this subdivision, the department shall require the county to submit a plan of correction within 90 days. If the department finds that substantial correction has not occurred within 90 days following receipt of the correction plan, it may require the county to enter into a contract pursuant to Section 16934.5 for the remainder of the fiscal year and

the following fiscal year, and for this purpose shall withhold the same percentage of funds as are withheld from other counties participating in the program pursuant to Section 16934.5.

SEC. 6. Section 24165.5 of the Health and Safety Code is amended to read:

24165.5. (a) (1) Except as provided in paragraph (2), each county health department or city health department as provided in Section 16800 of the Welfare and Institutions Code shall be the lead local agency for its county. The local lead agency shall have the overall responsibility for the success of the programs funded pursuant to this chapter in its county.

(2) Counties contracting with the State Department of Health Services for the provision of health care services pursuant to Section 16809 of the Welfare and Institutions Code may elect to enter into an arrangement with the state department for the administration and provision of funds and services subject to this chapter in their counties. In those cases, the state department shall act as the local lead agency for that county.

(b) The local lead agency shall do all of the following:

(1) Provide, or contract for, preventive health education against tobacco services to targeted populations.

(2) Establish a coordinated information, referral, outreach, and intake system for preventive health education against tobacco services for targeted populations.

(3) Administer funds in accordance with this chapter, and department guidelines.

(4) Establish a uniform data collection system in compliance with standards and guidelines issued by the state department, and submit audit and fiscal reports as required by the state department.

(5) Coordinate services authorized by this chapter within and between county service providers.

(6) Provide technical assistance to service providers.

(7) Review, and suggest improvements to proposed county school district antitobacco plans. Prepare a letter for the county officer of education setting forth conclusions of the review. Work closely with the county office of education to ensure effective coordination of local school and nonschool antitobacco efforts.

(8) Coordinate activities with other governmental agencies.

(c) The local plans described in paragraph (4) of subdivision (b) shall include all of the following:

(1) A description of the targeted population, including age, race, ethnicity, language, education, income levels, its status as urban or rural, transportation needs, and any other information which the local lead agency determines is relevant.

(2) Local data on smoking and tobacco use among the targeted population.

(3) Goals for how many persons of the targeted population will be reached by health education, how many will participate in a smoking prevention or cessation program, and how many will quit or not start

smoking as a result.

(4) A description of the direct services to be provided under the plan, including the services to be provided to the targeted populations enumerated in Section 24161.5 and schoolage youth who do not receive services through public school programs.

(5) Cost estimates for programs identified in the plan.

SEC. 7. Section 24168.05 is added to the Health and Safety Code, to read:

24168.05. (a) The State Department of Education shall make available funds appropriated to it from the Health Education Account in the Cigarette and Tobacco Products Surtax Fund for the implementation of Section 24168 according to the following schedule:

(1) (A) Not less than two-thirds of that amount shall be awarded to local educational agencies. Funds allocated pursuant to paragraphs (2) and (3) shall not be considered funds for distribution to local educational agencies.

(B) Not less than two hundred thousand dollars ($200,000) of the amount subject to subparagraph (A) shall be made available for proportionate awards to applicant education centers pursuant to Article 6 (commencing with Section 33380) of Chapter 3 of Part 20 of the Education Code, for tobacco use prevention projects.

(2) Not less than two hundred thousand dollars ($200,000) of the amount awarded pursuant to Section 24168 shall be used for the support of statewide program evaluation.

(3) Not more than nine hundred thousand dollars ($900,000) of the amount awarded pursuant to Section 24168 shall be awarded as grants for technical assistance, implementation strategies, and regional coordinating activities related to tobacco use prevention pursuant to subdivision (c) of Section 24168.

(b) Any amount that exceeds the amounts specified in subdivision (a) shall be allocated for competitive grants pursuant to subdivision (c) of Section 24168.

(c) On and after January 1, 1992, funding to which this section applies shall be made available only upon a determination by the Legislative Analyst and the Tobacco Education Oversight Committee, in the evaluation required by Section 24168.8, indicating that the tobacco use prevention program meets the purpose of this chapter.

SEC. 8. Section 24169.8 of the Health and Safety Code is amended to read:

24169.8. This chapter shall remain operative only until July 1, 1994, and shall remain in effect only until January 1, 1995, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1995, deletes or extends that date.

SEC. 9. Section 14148.5 of the Welfare and Institutions Code is amended to read:

14148.5. (a) State funded perinatal services shall be provided under the Medi-Cal program to pregnant women and state funded

medical services to infants up to one year of age in families with incomes above 185 percent, but not more than 200 percent of the federal poverty level, in the same manner that these services are being provided to the Medi-Cal population, including eligibility requirements and integration of eligibility determinations and payment of claims, except the assets of the family shall not be considered in making the eligibility determination.

(b) Services provided under this section shall not be subject to any share-of-cost requirements.

(c) (1) The department, in implementing the Medi-Cal program and public health programs, in coordination with the Major Risk Medical Insurance Programs Access for Infants and Mothers component shall provide for outreach activities in order to enhance participation and access to perinatal services. Notwithstanding Section 30122 of the Revenue and Taxation Code, funding for these outreach activities shall be made available from the funds appropriated for purposes of this section, and to the extent permissible, from funding received pursuant to Subchapter XIX (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code. Funding received pursuant to the federal provisions shall be used to expand perinatal outreach activities.

(2) Those outreach activities required by paragraph (1) shall be targeted toward both Medi-Cal and non-Medi-Cal eligible high risk or uninsured pregnant women and infants. Outreach activities may include, but not be limited to, all of the following:

(A) Education of the targeted women on the availability and importance of early prenatal care and referral to Medi-Cal and other programs.

(B) Information provided through toll-free telephone numbers.

(C) Recruitment and retention of perinatal providers.

(d) The amendment made to paragraph (1) of subdivision (c) by Senate Bill 99 of the 1991–92 Regular Session constitutes an amendment to the Tobacco Tax and Health Protection Act of 1988.

(e) This section shall remain operative only until July 1, 1994, and shall remain in effect only until January 1, 1995, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1995, deletes or extends that date.

SEC. 10. Section 14148.95 of the Welfare and Institutions Code, as added by Chapter 278 of the Statutes of 1991, is amended to read:

14148.95. (a) (1) Under the direction of the local health officer, tobacco use prevention coordinator, and the perinatal services coordinator, or the equivalent thereof, counties that receive funds pursuant to Section 24164.5 shall provide perinatal program coordination, patient advocacy, and expanded access services in each county for low-income pregnant women, including all target groups listed in Section 14148.9 integrated with the county's perinatal program.

(2) It is the intent of the Legislature that counties will expend at least one-third of the funds received pursuant to Section 24164.5 for

the purposes of this section.

(3) Counties that contract with the department for the provision of public health services may contract with the department for the services described in paragraph (1).

(b) Each county shall develop a supplement to their local plan pursuant to Section 24164.5 of the Health and Safety Code. The county's plan supplement shall include all of the following information:

(1) The county's perinatal statistics.

(2) A description of current outreach, coordination, antismoking, antialcohol, antidrug, and other related program activities, including those funded through the Cigarette and Tobacco Products Surtax Fund, relating to pregnant women and women of childbearing age in the county.

(3) A description of the additional activities and services to be undertaken, and the number of women in each target subgroup which the county proposes to reach with these funds.

(4) The proposed measures of success and a description of how the county's overall effort, and this particular effort, will be evaluated.

(c) All counties shall maintain the following services, supported by this program or from other sources, to the extent funds are available.

(1) A coordinated and integrated system providing early outreach, pregnancy screening, patient advocacy, targeted case management, health education, and referral to drug and alcohol treatment and perinatal care services to pregnant women from all target groups.

(2) (A) A patient advocacy and education component that will reach women from all target populations at least six months prior to, and in the earliest stages of pregnancy, and provide information, health screenings, and assistance in obtaining appropriate services.

(B) Patient advocates may arrange for prenatal care for eligible pregnant women.

(d) In developing and implementing the program described in this section, each county shall obtain the involvement and participation of local community organizations, including clinics and schools with special expertise in the provision of health education, perinatal care, and alcohol and drug treatment.

SEC. 11. Section 14148.96 of the Welfare and Institutions Code, as added by Chapter 278 of the Statutes of 1991, is amended to read:

14148.96. (a) Health education services shall be an integral part of each county's program pursuant to Section 14148.85 to provide coordinated services to pregnant and postpartum women and other target groups specified in Section 14148.9.

(b) The Tobacco Control Section of the department, in collaboration with the State Department of Alcohol and Drug Programs, and programs providing nutrition services to women during the perinatal period, shall develop protocols, procedures,

instructional materials, inservice training, data collection formats and requirements, and reimbursement schedules where applicable, for the provision of tobacco education to pregnant and postpartum women and other target groups specified in Section 14148.9.

(c) Services may be funded through the Health Education Account in the Tobacco Surtax Fund for purposes of this article, including, but are not limited to, all of the following:

(1) Outreach.

(2) Assessment of smoking status and exposure to secondhand smoke.

(3) Development and implementation of an individualized strategy to prevent smoking and exposure to smoke during pregnancy and the postpartum period, including counseling and advocacy services, public health nursing services, provision of motivational messages, cessation services, nonmonetary incentives to maintain a healthy lifestyle, and other cessation or tobacco use prevention activities, including child care or transportation in conjunction with those activities.

(4) Provision of followup, reassessment, maintenance, and relapse prevention services.

(d) Funds from the Health Education Account in the Cigarette and Tobacco Products Surtax Fund may be used in combination with funds from other sources if the services provided to each person are documented and there is an auditable connection to services.

(e) The services provided pursuant to this section shall expand and enhance the health education services provided under the comprehensive perinatal services program and shall be coordinated with other services provided to pregnant women and target groups, pursuant to Section 14148.9.

SEC. 12. Section 14148.97 of the Welfare and Institutions Code, as added by Chapter 278 of the Statutes of 1991, is amended and renumbered to read:

14148.99. This article shall remain operative only until July 1, 1994, shall remain in effect only until January 1, 1995, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1995, deletes or extends that date.

SEC. 13. Section 14148.98 is added to the Welfare and Institutions Code, to read:

14148.98. No funds from the Health Education Account in the Cigarette and Tobacco Products Surtax Fund may be used in a manner that violates paragraph (1) of subdivision (b) of Section 30122 of the Revenue and Taxation Code.

SEC. 14. Section 14149.7 of the Welfare and Institutions Code, as added by Chapter 278 of the Statutes of 1991, is amended and renumbered to read:

14148.97. For purposes of this article, "outreach" includes, but is not limited to, coordinated local systems of care providing pregnancy testing, screening for risk factors, care coordination, referral to appropriate services such as alcohol and drug treatment,

transportation, childcare, patient incentives, and assurance of continuous prenatal care including recruitment and retention of providers.

SEC. 15. Section 16901 of the Welfare and Institutions Code is amended to read:

16901. "CMSP county" means a county which contracts with the department for the administration of health services pursuant to Section 16809.

SEC. 16. Section 16905 of the Welfare and Institutions Code is amended to read:

16905. "MISP county" means a county which administers, either directly or through contracts with selected providers, its own indigent health services program.

SEC. 17. Section 16915 of the Welfare and Institutions Code is amended to read:

16915. (a) Any county receiving an allocation pursuant to this part shall, at a minimum, report to the department all indigent health care program demographic, expenditure, and utilization data, in a manner that will provide an unduplicated count of users, as follows:

(1) The following patient demographic data:

(A) Age.

(B) Sex.

(C) Ethnicity.

(D) Family size.

(E) Monthly income.

(F) Source of income, according to the following categories:

(i) Disability income.

(ii) Employment.

(iii) Retirement.

(iv) General assistance.

(v) Other.

(G) Type of employment, according to the following categories:

(i) Agriculture.

(ii) Labor and production.

(iii) Professional and technical.

(iv) Service.

(v) Nonemployed.

(H) Payer source, according to the following categories:

(i) Private insurance.

(ii) County program.

(iii) Self-pay.

(iv) Other.

(I) ZIP code of residence.

(2) Indigent health care expenditure data, including all of the following:

(A) Inpatient hospital services, according to the following categories:

(i) County hospital.

(ii) Contract hospital.

(iii) University teaching hospital.

(iv) Other, noncontract hospital.

(v) Diagnostic category, as defined by the International Classification of Diseases, 9th Revision, Clinical Modification (ICD-9-CM).

(B) Outpatient services, according to the following categories:

(i) Hospital outpatient.

(ii) Freestanding community clinic.

(iii) Primary care physician.

(iv) Nonemergency services rendered in an emergency room environment.

(v) Type of service.

(C) Emergency room services, according to the following categories:

(i) Emergency services.

(ii) Emergency services which result in a hospital admission.

(iii) Emergency services, which are rendered in a noncounty, noncontract hospital and result in a transfer of the patient to a county or contract hospital.

(3) Indigent health care utilization data.

(A) Inpatient hospital services, according to the following categories:

(i) County hospital days and discharges.

(ii) Contract hospital days and discharges.

(iii) University teaching hospital days and discharges.

(iv) Other, noncontract hospital days and discharges.

(B) Outpatient services, according to the following categories:

(i) Hospital outpatient visits.

(ii) Freestanding community clinic visits.

(iii) Primary care physician visits.

(iv) Visits to a hospital emergency room for nonemergency services.

(C) Emergency room services, according to the following categories:

(i) Visits for emergency services in a county hospital.

(ii) Visits for emergency services in a contract hospital.

(iii) Visits for emergency services in a noncounty, noncontract hospital.

(iv) Visits for emergency services which result in an admission in a county hospital.

(v) Visits for emergency services which result in an admission to a contract hospital.

(vi) Visits for emergency services which result in an admission to a noncounty, noncontract hospital.

(D) Visits for emergency services which are rendered in a noncounty, noncontract hospital and result in a transfer of the patient to a county or contract hospital.

(4) Geographic location of rendered services.

(A) Inpatient hospital services, according to the following categories:

(i) County hospital.

(ii) Contract hospital.

(iii) University teaching hospital.

(iv) Other, noncontract hospital.

(B) Outpatient services, according to the following categories:

(i) Hospital outpatient.

(ii) Freestanding community clinic.

(iii) Primary care physician.

(iv) Nonemergency services rendered in an emergency room environment.

(C) Emergency room services.

(5) Expenditure and utilization data for persons with acquired immune deficiency syndrome (AIDS) and AIDS-related complex.

(A) Total number of patients.

(B) Number of inpatient users.

(C) Number of discharges.

(D) Total inpatient days.

(E) Total inpatient expenditures.

(F) Number of outpatient users.

(G) Number of outpatient visits.

(H) Total outpatient expenditures.

(I) Number of emergency room users.

(J) Number of emergency room visits.

(K) Total emergency room expenditures.

(b) Counties shall report demographic, cost and utilization data on indigent health care to the department as follows:

(1) A quarterly report no later than 90 days after the last day of the quarter to be reported.

(2) An estimated annual report no later than 180 days after the last day of the year to be reported.

(3) An actual annual report no later than 360 days after the last day of the year to be reported.

(4) Counties shall maintain all patient-specific data collected through the medically indigent care reporting system for a period of 24 months after the last day of the fiscal year for which the data was collected.

(5) Reports shall be submitted on machine readable media, on 5¼ inch or 3½ inch diskette, in the format specified by the department.

(c) Counties which enter into a contract with the department pursuant to Section 16809 and which do not operate a county hospital and which also elect to enter into a contract with the department to administer the noncounty hospital portion of the Hospital Services Account, pursuant to Section 16934.7, and the Physician Services Account, pursuant to Section 16954, are not required to report indigent health care program demographic, cost, and utilization data pursuant to this section.

(d) The department shall collect the data specified in subdivision

(a) for services paid for through the hospital contract-back and physician services contract-back programs specified in Section 16934.7, subdivision (c) of Section 16952, and Section 16954.

(e) The data specified in subparagraphs (D), (E), (F), and (G) of paragraph (1) of subdivision (a) for services paid for with funds specified under subparagraph (A) of paragraph (1) of subdivision (b) of Section 16946 and funds administered pursuant to Article 3.5 (commencing with Section 16951) of Chapter 5 are not required to be reported to the department pursuant to this section.

SEC. 18. Section 16916 of the Welfare and Institutions Code is amended to read:

16916. The department shall withhold payments to a county pursuant to this part if the county fails to provide the reports and data required by this chapter according to the schedule specified in subdivisions (a) and (b) of Section 16915.

SEC. 19. Section 16917 of the Welfare and Institutions Code is amended to read:

16917. (a) Based on data submitted by the counties and other data available to the department, the department shall, by June 30, 1990, initially, and by January 1 of each subsequent year, prepare a report on the demographics of the medically indigent population, and the cost and utilization of health care services delivered to medically indigent persons as provided directly or indirectly by counties. The report shall be written to provide useful information for the hospital administrators, county administrators, boards of supervisors, and the health policy and fiscal committees of the Legislature. The report shall include, but not be limited to, all of the following:

(1) The demography of the medically indigent population.

(2) Utilization rates of services for:

(A) Inpatient services including the total number of patient days, total discharges, and the average length of stay for the following:

(i) Persons with AIDS or AIDS-Related Complex.

(ii) Persons who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(iii) Persons admitted from the emergency room.

(iv) Persons below 150 percent of the federal poverty level.

(v) Perinatal services including deliveries.

(B) Outpatient services including the total number of outpatient visits, and by the following:

(i) Persons with AIDS and AIDS-Related Complex.

(ii) Persons who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(iii) Persons below 150 percent of the federal poverty level.

(iv) Prenatal services.

(C) Emergency room services including the total number of emergency room visits, and any visits which meet the following criteria:

(i) Resulting in a hospital admission.

(ii) Which did not result in a hospital admission.

(iii) For persons with AIDS and AIDS-Related Complex.

(iv) For persons who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(3) Cost of services provided for all of the following:

(A) Inpatient services including the total cost of inpatient services, average cost per patient day, and average length of stay for the following:

(i) Persons with AIDS and AIDS-Related Complex.

(ii) Persons who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(iii) Persons below 150 percent of the federal poverty level.

(iv) Persons admitted from the emergency room.

(v) Perinatal services including deliveries.

(B) Outpatient services including the total costs for outpatient visits, and the average cost per outpatient visit for the following:

(i) Persons with AIDS and AIDS-Related Complex.

(ii) Persons who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(iii) Persons under 150 percent of the federal poverty level.

(iv) Prenatal services.

(C) Emergency room services including the total and average costs for the following:

(i) Emergency room visits resulting in a hospital admission.

(ii) Emergency room visits which did not result in a hospital admission.

(iii) Emergency room visits for persons with AIDS and AIDS-Related Complex.

(iv) Emergency room visits for persons who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(4) The distribution of funds expended on health care for the medically indigent for the following:

(A) Inpatient services and for the most frequently required services, including the average length of stay and average cost per patient day.

(B) Outpatient services and for the most frequently used services.

(C) Per capita net county contribution, and the per capita county

contribution as a percent of per capita county income.

(5) County revenue for health care services, by category, for the most recent five years.

(A) State assistance under the following:

(i) AB 8 inpatient and outpatient, under Part 4.6 (commencing with Section 16800).

(ii) Medi-Cal.

(iii) California Healthcare for Indigents Program.

(iv) County Medical Services Program.

(v) Other state assistance.

(B) Federal assistance under the following:

(i) Medicare.

(ii) Federal State Legalization Impact Assistance Grants.

(iii) Other federal assistance.

(C) County assistance under the following:

(i) Enterprise funds.

(ii) County contributions.

(iii) The health account of the local health and welfare trust fund created pursuant to Section 17600.10.

(b) The format of the report shall include tables and figures with narrative interpretation and analysis of the data presented. The data shall be presented in a manner which provides for meaningful comparisons between counties and facilities, and displays changes in individual county and facility data from period to period.

(c) The department shall, in addition to the annual report, be responsible for the preparation of special indepth reports which evaluate the efficiency, effectiveness, and adequacy of the county health delivery system. In this capacity the department shall, from time to time issue special indepth reports which provide information for health policymakers about county health system problems and trends. At least annually the department shall consult with the Legislature, counties, and other interested groups about the subject matter for future special reports.

SEC. 20. Section 16918 of the Welfare and Institutions Code is amended to read:

16918. (a) Counties shall report information on indigent health care program demographic, expenditure, and utilization data, in a form which will provide a count of persons using services funded under this part, to the department, on a quarterly basis.

(b) Data required by subdivision (a) shall include all of the following information:

(1) For the Hospital Services Account, the Physician Services Account, and the Other County Health Services Account in the trust fund established pursuant to Section 16909, the period commencing July 1, 1989, to June 30, 1994, inclusive, the data shall include all of the following:

(A) Date of birth.

(B) Sex.

(C) Residence ZIP code.

(D) Child Health and Disability Prevention Program followup.
(E) Other potential third-party payer source.
(F) Amount billed to the county.

(2) For the Physician Services Account and the Other County Health Services Account established pursuant to Section 16909, the following demographic data shall be reported on a minimum of 5 percent of patients eligible under this part, for the period commencing April 1, 1990, to June 30, 1994; for the Hospital Services Account in the fund, for the period commencing April 1, 1990, to June 30, 1994, the following demographic data shall be reported on a minimum of 5 percent of patients eligible under this part; for the period commencing July 1, 1990, to June 30, 1994, the level of data reported shall be on a per hospital basis as determined by the department:

(A) Ethnicity.
(B) Family size.
(C) Family gross monthly income.
(D) Family principal income source.

(3) For the Hospital Services Account, the data shall include all of the following:

(A) Date of service or inpatient admission.
(B) Type of service.
(C) Number of inpatient days; and the number of outpatient and emergency room visits.
(D) Diagnosis (inpatient only).

(4) For the Physician Services Account in the fund, the data shall include all of the following:

(A) Date of service.
(B) Type of service.
(C) Service setting.
(D) Physician specialty.

(5) For the Other County Health Services Account during the period commencing July 1, 1989, to June 30, 1994, inclusive, the data shall include all of the following:

(A) Date of service or inpatient admission.
(B) Type of service.
(C) Number of units.
(D) Type of units.

(c) (1) Physicians shall provide data under subdivision (b) for services provided in a hospital to the extent the information is available from the hospital.

(2) Physicians shall provide data under subdivision (b) for services performed in an office setting on 5 percent of patients for whom payment is received pursuant to Article 3.5 (commencing with Section 16951) of Chapter 5.

(d) For the period July 1, 1991 to June 30, 1994, inclusive, counties shall submit a report which displays expenditures and utilization data for each account in the trust fund established pursuant to Section 16909, to the department on a semiannual basis, in a form prescribed

by the department.

(e) Data required by subdivision (d) shall include all of the following:

(1) For the Hospital Services Account, the data shall include all of the following:

(A) Inpatient stay, including child health and disability prevention followup treatment, including the following information:

(i) Facility name.

(ii) Amount paid by the county.

(iii) Number of discharges.

(iv) Patient days.

(B) Outpatient visits, including child health and disability prevention followup treatment, including the following information:

(i) Facility name.

(ii) Amount paid by the county.

(iii) Number of visits.

(2) For the Physician Services Account, the data shall include all of the following:

(A) Emergency services, including the following information:

(i) The number of providers.

(ii) The number of visits.

(iii) The amount paid by the county.

(B) Obstetrics, including the following information:

(i) The number of providers.

(ii) The number of visits.

(iii) The amount paid by the county.

(C) Pediatrics, including the following information:

(i) The number of providers.

(ii) The number of visits.

(iii) The amount paid by the county.

(D) Child health and disability prevention followup treatment, including the following information:

(i) The number of providers.

(ii) The number of visits.

(iii) The amount paid by the county.

(3) For the other county health services account, the data shall include all of the following:

(A) For funds expended for hospital services, those data in paragraph (1) of subdivision (e).

(B) For funds expended for physician services, those data in paragraph (1) of subdivision (e).

(C) For funds expended for services other than those provided and billed for by a hospital or physician, the data shall include:

(i) The number of providers by type of service.

(ii) The number of visits or units, or both, by type of service.

(iii) The amount paid by the county by type of service.

(D) Child health and disability prevention followup treatment, including the following information:

(i) The number of providers.

(ii) The number of visits.

(iii) The amount paid by the county.

SEC. 21. Section 16934 of the Welfare and Institutions Code is amended to read:

16934. (a) As a condition of receiving funds under this chapter, a county shall provide, or arrange and pay for, medically necessary followup treatment, including necessary followup dental services and prescription drugs, for any condition detected as part of a child health and disability prevention screen for a child eligible for services under Section 24165.3 of the Health and Safety Code, if the child was screened by the county, or upon referral by a child health and disability prevention program provider. This section shall not apply to any child eligible to receive care with no share of cost under the Medi-Cal program or who is covered by another publicly funded program or for whom these services are covered or will be paid by any other responsible party. A county may require that hospitals which contract with the county pursuant to paragraph (2) of subdivision (b) of Section 16946, physicians who contract with the county pursuant to paragraph (3) of subdivision (c) of Section 16933 or dentists or any provider which contracts with the county pursuant to subdivision (b) of Section 16933 and receives funds appropriated for the purposes of this chapter to participate in complying with this section. A county shall not require that hospitals receiving an allocation pursuant to paragraph (1) of subdivision (b) of Section 16946 or physicians who receive payment from a physician services account established pursuant to paragraph (1) of subdivision (c) of Section 16933 participate in complying with this section.

(b) Dental services provided pursuant to this section shall be at least equal in scope and frequency to dental services available to Medi-Cal eligible children of the same age.

(c) Counties shall implement this section in consultation and coordination with their child health and disability prevention programs.

SEC. 22. Section 16934.5 of the Welfare and Institutions Code is amended to read:

16934.5. (a) For the 1990–91 fiscal year, each county may enter into a contract with the department in which the department agrees to assume the responsibility to pay for the cost of treatment service provided on or after July 1, 1990, to children pursuant to Section 16934.

(1) Each county intending to contract with the department shall submit to the department a notice of intent to contract adopted by the board of supervisors no later than June 1, 1990. For each fiscal year thereafter a notice adopted by the board of supervisors shall be submitted no later than April 1 of the fiscal year preceding the fiscal year for which the agreement will be in effect, in accordance with procedures established by the department. As a condition of contracting with the department, the department may establish uniform standards, forms, and procedures for the processing and

payment of claims for treatment services.

(2) (A) Each county contracting with the department pursuant to this subdivision for the 1991–92 fiscal year that has previously contracted with the department pursuant to this section shall agree that the department shall retain 10 percent of the allocation it would otherwise have received under this chapter. The department shall transfer amounts retained on a monthly basis to the CHDP Treatment Account established in subdivision (b).

(B) Any county that contracts with the department pursuant to this subdivision during the 1991-92 fiscal year that has not previously contracted with the department pursuant to this section shall agree that the department shall retain 20 percent of the allocation the county would otherwise have received under this chapter for that portion of the year for which it contracts under this section.

(3) In future fiscal years the percentage retained by the department may be adjusted to reflect actual payments, projected expenditures, funds appropriated by the Legislature for treatment services, and the overall status of the account established in subdivision (b).

(b) Beginning with the 1990–91 fiscal year, the department shall establish a separate Child Health and Disability Prevention Treatment Account. For purposes of this chapter "CHDP Treatment Account" means the account established pursuant to this subdivision.

(1) The following funds shall be deposited into the CHDP Treatment Account:

(A) Funds appropriated by the Legislature to fund the reinsurance account established in subdivision (b) of Section 16934.2 which are not expended or encumbered for that purpose.

(B) Any funds recouped from those counties electing to establish a 15 percent reserve pursuant to subdivision (a) of Section 16934.2.

(C) Funds retained by the department pursuant to subdivision (a).

(D) Interest earnings on funds.

(E) Any additional funds appropriated by the Legislature.

(2) Funds deposited in the CHDP Treatment Account shall be administered on an accrual basis and notwithstanding any other provision of law, except as provided in this chapter, shall not be transferred to any other fund or account except for purposes of investment as provided in Article 4 (commencing with Section 16470) of Chapter 3 of Part 2 of Division 4 of Title 2 of the Government Code.

(3) Moneys deposited into the account shall constitute a risk pool which shall be used for any or all of the following purposes:

(A) Payment for services provided pursuant to Section 16934 in counties which have contracted with the department pursuant to subdivision (a).

(B) State administrative costs, including any costs associated with a contract for processing claims.

SEC. 23. Section 16936 of the Welfare and Institutions Code is

amended to read:

16936. (a) (1) Any county which requests funds under this chapter shall submit to the department, for approval by the department, an application for initial funding and a description of the proposed use and expenditure of the moneys, as a component of the county health services plan and budget submitted pursuant to Section 16800. The department shall review and approve this information for compliance with this part.

(2) Beginning in the 1990–91 fiscal year, any county which does not contract with the department pursuant to subdivision (a) of Section 16934.5 shall include in its county plan an estimate of the costs and funding arrangement for dental services.

(b) The department shall review each county's application and proposed use of funds for compliance with this chapter.

(c) The department shall make initial monthly payments upon approval of the county's request for funds containing assurances that the county will comply with this chapter and other applicable provisions of this part.

(d) Payments made beyond April 1, 1990, and February 1 of each subsequent fiscal year, shall be contingent upon the signing of an agreement between the county board of supervisors and the department.

SEC. 24. Section 16938 of the Welfare and Institutions Code is amended to read:

16938. (a) Each county shall submit a report of estimated and actual expenditures of moneys as part of the submissions required according to the procedures established by the department pursuant to Section 16806.

(b) The department shall review the reports submitted pursuant to subdivision (a) and recoup unspent moneys and expenditures which are not on compliance with this chapter or Section 16806.

(c) The department shall withhold, in whole or in part, payment of rural health services funds from a CMSP county until the county submits the reports required by this section to the department in the form, and according to time schedules, established by the department.

SEC. 25. Section 16941.1 of the Welfare and Institutions Code is amended to read:

16941.1. For the 1991–92 fiscal year, any county that elects to participate in the County Medical Services Program pursuant to paragraphs (1) and (2) of subdivision (b) of Section 16809 shall have the amounts allocated to that county pursuant to this chapter transferred as follows:

(a) Of the moneys allocated from the Hospital Services Account pursuant to Section 16943, seven-seventeenths of the transferable amount shall be transferred to the Hospital Services Account governed by Section 16932. The remainder of this amount shall be transferred to the County Medical Services Program Account and shall be utilized for the purposes specified in Section 16809.5.

(b) Of the moneys allocated from the Physician Services Account pursuant to Section 16950, seven-seventeenths of the transferable amount shall be transferred to the Physician Services Account governed by Section 16933. The remainder of this amount shall be transferred to the County Medical Services Program Account and shall be utilized for the purposes specified in Section 16809.5.

(c) Of the moneys allocated from the Unallocated Account governed by Section 16960, seven-seventeenths of the transferable amount shall be transferred to the Unallocated Account governed by the provisions of Section 16933. The remainder of this amount shall be transferred to the County Medical Services Program Account and shall be utilized for the purposes specified in Section 16809.5.

(d) (1) Except as provided in paragraph (2), funds transferred pursuant to this section shall be subject to all applicable statutes.

(2) For the 1991–92 fiscal year, counties shall not have the option to contract with the department for administration of moneys specified in subdivision (a) of Section 16934.7 or subdivision (c) of Section 16952.

SEC. 26. Section 16942 of the Welfare and Institutions Code is amended to read:

16942. (a) It is the intent of the Legislature that funds appropriated for the purposes of this chapter be administered, to the extent possible, in the same manner and according to same conditions and requirements as funds accounted for pursuant to Part 4.6 (commencing with Section 16800). The requirements of Sections 16804.1 and 16818 apply to services supported by funds appropriated for the purposes of this chapter.

(b) Except as specifically provided in this chapter, the authority of each county established pursuant to Section 16817 shall remain unaffected.

(c) Services, associated costs, and socio-demographic characteristics of persons served by each county under Section 17000 and supported in whole or in part by funds appropriated pursuant to this chapter shall be incorporated into the reports required pursuant to Sections 16806, 16816, and 16915.

SEC. 27. Section 16943 of the Welfare and Institutions Code is amended to read:

16943. (a) Of those allocations made pursuant to Section 16941 for the 1989–90 fiscal year, 59.5 percent shall be used to support uncompensated services provided by county and noncounty hospitals.

(b) For allocations under Section 16941 for the 1990–91 fiscal year and each fiscal year thereafter, the department shall establish that percentage of the total fiscal year appropriation to the CHIP Account which derives from the Hospital Services Account of the fund.

(c) The percentages established in subdivisions (a) and (b), when applied to the amount of each MISP county's annual allocation pursuant to Section 16941, constitute the minimum amount of the

allocation which is reserved for payment or support of uncompensated services provided by hospitals licensed pursuant to subdivision (a) of Section 1250 of the Health and Safety Code.

(d) The amount of funds calculated in subdivision (c) shall be referred to as the hospital services funding portion of each county's allocation made pursuant to Section 16941.

(e) (1) For purposes of calculating county and noncounty hospital allocations pursuant to this article for the 1991–92 fiscal year and each fiscal year thereafter, the sum of eighteen million dollars ($18,000,000) shall be added proportionately to each county's hospital services funding allocation calculated in subdivision (c).

(2) The amount added pursuant to paragraph (1) shall be distributed within each county's allocation according to subdivisions (a), (b), and (c) of Section 16946.

(f) (1) For purposes of calculating county and hospital allocations pursuant to this article for the 1991–92 fiscal year and each fiscal year thereafter, the sum of one million six hundred fifty thousand dollars ($1,650,000) shall be added proportionately to the allocations calculated in subdivision (c) for each county with no county hospital.

(2) The share for each county with no county hospital of the amount specified in paragraph (1) shall be determined by dividing the county's allocation calculated pursuant to subdivisions (c) and (e) by the total of all allocations for counties with no county hospital times the sum of one million six hundred fifty thousand dollars ($1,650,000).

(3) The amounts added pursuant to paragraphs (1) and (2) shall be divided into two equal amounts.

(A) The first amount shall be allocated to each eligible noncounty hospital within a county pursuant to paragraph (1) of subdivision (b) of Section 16946.

(B) The second amount shall be distributed to eligible hospitals pursuant to paragraph (2) of subdivision (b) of Section 16946.

(4) In future fiscal years, the amount specified in paragraph (1) shall be adjusted proportionately to reflect any augmentation or reduction in funding available for this article pursuant to Section 43 of Chapter 278 of the Statutes of 1991.

SEC. 28. Section 16945 of the Welfare and Institutions Code is amended to read:

16945. (a) The department shall annually verify and transmit to each MISP county and each CMSP county the figures specified in subdivision (c), using data supplied by the office.

(b) (1) For purposes specified in subdivision (c), the office shall use data from the quarterly reports required by Section 443.32 of the Health and Safety Code.

(2) For the 1989–90 fiscal year computations, the office shall use the 1988 calendar year data, as adjusted by the office, existing on the statewide file on September 1, 1989.

(3) For the computations for fiscal years after the 1989-90 fiscal year, the office shall use the data from the quarterly reports for the

calendar year preceding the computational fiscal year, as adjusted by the office, existing on the statewide file on April 15 immediately preceding the computational fiscal year.

(4) (A) Except as provided in subparagraphs (B), (C), and (D), the definitions, procedures, and data elements specified in Chapter 3 (commencing with Section 16920) shall be used in all computations required in subdivision (c).

(B) For the 1991–92 fiscal year, the following definitions shall be used in all computations required in subdivision (c):

(i) "Uncompensated care charges" means the sum of the charges related to patients falling within the charity-other category in the 1990 calendar year and 25 percent of the charges related to patients falling within the bad debts category in the first two quarters of the 1990 calendar year, as both categories of charges are reported quarterly to the office pursuant to Section 443.32 of the Health and Safety Code.

(ii) "Uncompensated care costs" means that amount calculated by applying an overall hospital cost-to-charge ratio, calculated by dividing gross operating expenses by gross inpatient and outpatient revenue, as reported quarterly to the office, to uncompensated care charges.

(C) For the 1992-93 fiscal year, the following definitions shall be used in all computations required in subdivision (c):

(i) "Uncompensated care charges" means the charges related to patients falling within charity-other, as reported quarterly to the office pursuant to Section 443.32 of the Health and Safety Code.

(ii) "Uncompensated care costs" means that amount calculated by applying an overall hospital cost-to-charge ratio, calculated by dividing gross operating expenses by gross inpatient and outpatient revenue, as reported quarterly to the office, to uncompensated care charges.

(D) For the 1993–94 fiscal year, the following definitions shall be used in all computation required in subdivision (c):

(i) (I) For county hospitals and for all hospitals operating in counties with no county hospital, "uncompensated care charges" means the charges related to patients falling within charity-other, gross inpatient revenue-county indigent programs and gross outpatient revenue-county indigent programs, as reported quarterly to the office pursuant to Section 443.32 of the Health and Safety Code.

(II) For noncounty hospitals operating in a county with a county hospital, "uncompensated care charges" means the charges related to patients falling within charity-other and county indigent programs contractual adjustments, as reported quarterly to the office pursuant to Section 443.32 of the Health and Safety Code.

(ii) "Uncompensated care costs" means that amount calculated by applying an overall hospital cost-to-charge ratio, calculated by dividing gross operating expenses less other operating revenue by gross inpatient and outpatient revenue, as reported quarterly to the

office, to uncompensated care charges.

(c) The office shall compute the following data on uncompensated care costs reported by hospitals located within each MISP county and each CMSP county:

(1) The sum of uncompensated care costs for all hospitals.

(2) The sum of uncompensated care costs for all noncounty hospitals.

(3) The sum of uncompensated care costs for all county hospitals.

(4) The uncompensated care costs of each hospital within the county.

(5) The percentage derived from dividing the result of paragraph (2) by the result of paragraph (1).

(6) The percentage derived from dividing the result of paragraph (3) by the result of paragraph (1).

(7) The percentage for each individual hospital derived from dividing each noncounty hospital's uncompensated care cost in paragraph (4) by the amount in paragraph (2).

(d) The office shall transmit to the department the data specified in subdivision (c) within 30 days of the dates specified in paragraph (2) of subdivision (b) and paragraph (3) of subdivision (b) of this section.

SEC. 29. Section 16946 of the Welfare and Institutions Code is amended to read:

16946. (a) The Hospital Services Account portion of each county's allocation pursuant to Sections 16932 and 16941 shall be divided into two amounts by:

(1) Multiplying the Hospital Services Account funding portion by the percentage specified in paragraph (5) of subdivision (c) of Section 16945.

(2) Multiplying the amount of the Hospital Services Account funding portion by the percentage specified in paragraph (6) of subdivision (c) of Section 16945.

(b) The amount of each county's Hospital Services Account funding portion calculated in paragraph (1) of subdivision (a) shall be used for payment or support of services provided on or after July 1, 1989, by noncounty hospitals. Beginning in the 1991–92 fiscal year and annually thereafter, these amounts shall be reduced by dividing each county's amount by the total amount for all counties, multiplied by the sum of twelve million dollars ($12,000,000). This amount for each county shall be further divided into two equal parts, as follows:

(1) (A) The first part shall be allocated to each noncounty hospital within a county in amounts determined by multiplying the percentages specified in paragraph (7) of subdivision (c) of Section 16945 by the amount of the first part, and may be used for payment or support of services provided by noncounty hospitals to any eligible patient treated at any time during the fiscal year of the allocation.

(B) Funds distributed during fiscal years subsequent to the 1989–90 fiscal year shall be accounted for on a quarterly basis.

(C) For the 1989–90 fiscal year, noncounty hospitals shall provide

the demographic data specified in paragraph (2) of subdivision (b) of Section 16918 on a minimum of 5 percent of patients for whom services are paid for in whole or in part by funds allocated pursuant to this paragraph, in addition to any other requirements specified in Section 16918.

(D) For the 1990–91 fiscal year and fiscal years thereafter, noncounty hospitals shall provide data pursuant to the reporting requirements specified in Section 16918 and shall provide posted and individual notices pursuant to Section 16818 for the duration of any quarter during which funds allocated pursuant to this paragraph are used.

(E) Amounts calculated pursuant to this paragraph shall not be reduced or utilized to offset the costs of administering the Hospital Services Account.

(2) (A) (i) The remaining 50 percent of the funds from the Hospital Services Account shall be distributed by the county to hospitals, including those under contract with the county, to maintain access to emergency care and to purchase other necessary hospital services provided during the fiscal year of the allocation.

(ii) In contracting for emergency care with hospitals in neighboring counties, the county shall not impose conditions to accept transfers that it does not impose on hospitals within its own boundaries.

(B) (i) Prior to distributing funds to hospitals, each county shall consult with the hospitals and consider the historic and projected patterns of care provided by hospitals, by geographic catchment areas within both urban and nonurban areas, unique costs associated with treating disproportionate numbers of severely ill indigent patients, and disproportionate losses sustained by hospitals in the provision of care.

(ii) The county shall also consider the patterns of care of its residents provided by Level I trauma care hospitals in contiguous counties and may make proportionate allocations to those trauma centers.

(c) (1) The amount of each county's Hospital Services Account funding portion calculated in paragraph (2) of subdivision (a) may be used for the payment or support of services provided in county hospitals or noncounty hospitals as determined by each county during the fiscal year of the allocation.

(2) Beginning in the 1991–92 fiscal year and annually thereafter, the amount of each county's funding portion calculated pursuant to paragraph (2) of subdivision (a) shall be reduced by an amount that shall be calculated as follows:

(A) Divide each county's amount of funding under paragraph (2) of subdivision (a) by the total amount of funding under that paragraph for all counties.

(B) Multiply the quotient calculated pursuant to subparagraph (A) by the sum of six million dollars ($6,000,000).

(d) As a condition of receiving funds under this section and

Section 16932, each county shall require each county and noncounty hospital to do all of the following:

(1) (A) Maintain the same number and classification of emergency room permits and trauma facility designations as existed on January 1, 1990.

(B) (i) Any hospital that maintained two special permits for basic emergency service on the effective date of this part shall be deemed to have met the requirements of paragraph (1) of subdivision (d), if each of the emergency rooms was located on separate campuses of the hospital and was located not more than two miles from the other emergency room.

(ii) Clause (i) shall apply even if one of the emergency room permits is surrendered after the effective date of this part.

(2) Provide data and reports on the use and expenditure of all funds received. This information shall be in a form and according to procedures specified by the county and the department.

(3) Assure that funds received pursuant to this section are used only for services for persons who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(e) (1) If a county or noncounty hospital does not comply with this section, the county shall recover funds received by the hospital as follows:

(A) For any violation of paragraph (1) of subdivision (d), the county shall recover that portion of the funds received which equal the ratio of the number of months not in compliance to 12 months.

(B) For any violation of paragraph (2) of subdivision (d), the county shall recover all funds received.

(C) For any violation of paragraph (3) of subdivision (d), the county shall recover the difference between the amount received and the amount for which the hospital can document that the funds were used only for services for persons who cannot afford to pay for those services and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(2) The county may deny further payments required by this section until the hospital demonstrates compliance.

(f) Funds withheld or recovered pursuant to this section may be reallocated and distributed by the county pursuant to paragraph (2) of subdivision (b).

(g) (1) Except as provided in paragraph (2), funds allocated pursuant to paragraph (1) or (2) of subdivision (b) which are not expended because a hospital does not participate shall be redistributed pursuant to paragraph (2) of subdivision (b).

(2) If no noncounty hospitals remain to participate, the county may distribute those unexpended funds pursuant to subdivision (c).

(h) (1) In any county that comprises not more than one-half of 1 percent of the total state population and in which there are a

county hospital and a noncounty hospital with emergency room permits located within two miles of each other, the county hospital may surrender its emergency room permit without any penalty for violation of paragraph (1) of subdivision (d) provided all of the following occur:

(A) The county shall enter into a contractual arrangement with the noncounty hospital.

(B) The county and noncounty hospital shall provide for the availability of at least the same level of emergency services and specialty backup which the county hospital and noncounty hospital provided prior to the surrendering of the emergency room permit.

(C) The county shall establish sufficient capacity, including evening and weekend coverage, in its urgent care clinic and other outpatient clinics to provide for the same or greater level of urgent care and nonemergency visits that were provided in the county hospital emergency department in the calendar year prior to the surrendering of the emergency room permit.

(D) The county shall provide for adequate initial and ongoing public notification and information, in Spanish and English, on the availability of emergency, urgent care, and nonurgent clinic services and how to obtain those services.

(E) The county ensures that there are adequate Spanish translation services and referral services on a 24-hour basis at the noncounty hospital emergency department, and at the county hospital clinics, during their hours of operation.

(2) The department shall annually review the county's compliance with this subdivision. If the department determines that the county is not in compliance with this subdivision, it shall require the county to recover funds and deny further payments pursuant to subdivision (e) until compliance is resumed.

(3) Any county that is permitted under paragraph (1) to surrender its emergency room permit shall continue to fulfill its duties and obligations to provide indigent care according to Section 17000.

SEC. 30. Section 16952 of the Welfare and Institutions Code is amended to read:

16952. (a) (1) Each county shall establish within its emergency medical services fund a Physician Services Account. Each county shall deposit in the Physician Services Account those funds appropriated by the Legislature for the purposes of the Physician Services Account of the fund.

(2) (A) Each county may encumber sufficient funds to reimburse physician losses incurred during the fiscal year for which bills will not be received until after the fiscal year.

(B) Each county shall provide a reasonable basis for its estimate of the necessary amount encumbered.

(C) All funds which are encumbered for a fiscal year shall be expended or disencumbered prior to the submission of the report of actual expenditures required by Section 16806.

(b) Funds deposited in the Physician Services Account in the county emergency medical services fund shall be exempt from the percentage allocations set forth in subdivision (a) of Section 1797.98. However, funds in the county Physician Services Account shall not be used to reimburse for physician services provided by physicians employed by county hospitals.

No physician who provides physician services in a primary care clinic which receives funds from this act shall be eligible for reimbursement from the Physician Services Account for any losses incurred in the provision of those services.

(c) The county physician services account shall be administered by each county, except that a county electing to have the state administer its medically indigent adult program as authorized by Section 16809, may also elect to have its county physician services account administered by the state in accordance with Section 16954.

(d) Costs of administering the account shall be reimbursed by the account, up to 10 percent of the amount of the account.

(e) For purposes of this article "administering agency" means the agency designated by the board of supervisors to administer this article, or the department, in the case of those CSMP counties electing to have the state administer this article on their behalf.

(f) The county Physician Services Account shall be used to reimburse physicians for losses incurred for services provided during the fiscal year of allocation due to patients who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(g) (1) Reimbursement for losses shall be limited to emergency services as defined in Section 16953, obstetric, and pediatric services as defined in Sections 16905.5 and 16907.5, respectively.

(2) It is the intent of this subdivision to allow reimbursement for all of the following:

(A) All inpatient and outpatient obstetric services which are medically necessary, as determined by the attending physician.

(B) All inpatient and outpatient pediatric services which are medically necessary, as determined by the attending physician.

(h) No physician shall be reimbursed for more than 50 percent of the losses submitted to the administering agency.

SEC. 31. Section 16953 of the Welfare and Institutions Code is amended to read:

16953. (a) For purposes of this chapter "emergency services" means physician services in one of the following:

(1) A general acute care hospital which provides basic or comprehensive emergency services for emergency medical conditions.

(2) A site which was approved by a county prior to January 1, 1990, as a paramedic receiving station for the treatment of emergency patients, for emergency medical conditions.

(3) Beginning in the 1991–92 fiscal year and each fiscal year

thereafter, in a facility which contracted prior to January 1, 1990, with the National Park Service to provide emergency medical services, for emergency medical conditions.

(4) A standby emergency room in a hospital specified in Section 1188.855 of the Health and Safety Code, for emergency medical conditions.

(b) For purposes of this chapter, "emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, which in the absence of immediate medical attention could reasonably be expected to result in any of the following:

(1) Placing the patient's health in serious jeopardy.

(2) Serious impairment to bodily functions.

(3) Serious dysfunction to any bodily organ or part.

(c) It is the intent of this section to allow reimbursement for all inpatient and outpatient services which are necessary for the treatment of an emergency medical condition as certified by the attending physician or other appropriate provider.

SEC. 32. Section 16953.5 of the Welfare and Institutions Code is repealed.

SEC. 33. Section 16954 of the Welfare and Institutions Code is amended to read:

16954. As a condition of having the state administer a CMSP county's Physician Services Account, each CMSP county shall do all of the following:

(a) Contract with the department to administer its county physician services account.

(b) (1) Transfer all funds appropriated to the county for purposes of the county Physician Services Account to the department under such conditions as the department may require.

(2) The department may use funds retained pursuant to this subdivision for purposes of administration of this section.

(c) Agree to uniform operating and reimbursement policies regarding the physician services account which shall be mutually established by the participating counties in conjunction with the department.

SEC. 34. Section 16970 of the Welfare and Institutions Code is amended to read:

16970. (a) As a condition of receiving funds under this chapter, a county shall provide, or arrange and pay for, medically necessary followup treatment, including necessary followup dental treatment and prescription drugs, for any condition detected as part of a child health and disability prevention screen for any child eligible for services under Section 24165.3 of the Health and Safety Code if the child was screened by the county or upon referral by a child health and disability prevention program provider, unless the child is eligible to receive care with no share of cost under the Medi-Cal program or is covered under another publicly funded program, or the services are payable under private insurance coverage.

(b) A county may require that hospitals, physicians, dentists, and other providers receiving funds appropriated pursuant to this part participate in complying with this section, provided that:

(1) Hospitals which receive an allocation pursuant to paragraph (1) of subdivision (b) of Section 16946 and physicians who receive payment from the Physician Services Account of the emergency services fund established pursuant Article 3.5 (commencing with Section 16951) shall be not be required to participate in complying with subdivision (a) as a condition of receiving those allocations or payments.

(2) Only providers which contract with the county and receive funds disbursed from the Unallocated Account pursuant to Article 4 (commencing with Section 16960) or from the discretionary portion of the Physician Services Account pursuant to subdivision (b) of Section 16950, or from the discretionary portion of the Hospital Services Account pursuant to paragraph (2) of subdivision (b) of Section 16946 may be required to participate in complying with subdivision (a).

(c) Dental services provided pursuant to this section shall be at least equal in scope and frequency to dental services available to Medi-Cal eligible children of the same age.

(d) Counties shall implement this section in consultation and coordination with their child health disability prevention programs.

SEC. 35. Section 16980 of the Welfare and Institutions Code is amended to read:

16980. (a) The department shall make initial monthly payments of county allocations made pursuant to Section 16941 upon application of the county assuring that it will comply with the provisions of this part. Payments shall be made on a monthly basis. Payments made beyond April 1, 1990, and February 1 of each subsequent fiscal year, shall be contingent upon the signing of an agreement between the county board of supervisors and the department.

(b) (1) Each county shall include information on programs and services which will receive funding under this chapter as part of its annual plan and budget submitted pursuant to Section 16800. The department shall review and approve this information for compliance with this part.

(2) Beginning with the 1990–91 fiscal year, each county shall include an estimate of, and the costs and funding arrangement for, dental services in its annual plan and budget submitted pursuant to Section 16800.

SEC. 36. Section 16981 of the Welfare and Institutions Code is amended to read:

16981. (a) The department shall conduct fiscal and program reviews to ensure county compliance with the provisions of this part, and shall report annually the results of these reviews to the Legislature. The department may withhold funds, up to the total amount of funds allocated under this chapter, if a county fails to

correct deficiencies in the program after receiving written notice of noncompliance from the department.

(b) The department shall recoup funds which were provided pursuant to this chapter and Chapter 4 (commencing with Section 16930) if they were not encumbered or expended according to the requirements of this chapter or Chapter 4 respectively within the fiscal year according to procedures and reports required pursuant to Section 16806. The funds shall revert to the CHIP Account or Rural Health Services Account respectively.

SEC. 37. Section 16990 of the Welfare and Institutions Code is amended to read:

16990. (a) (1) Any county receiving an allocation pursuant to this chapter and Chapter 4 (commencing with Section 16930) shall, at a minimum, maintain a level of financial support of county funds for health services at least equal to the total of the amounts specified in subparagraphs (A) and (B). The amounts specified in paragraph (1) shall be adjusted on July 1 of each year equal to the growth in the sales tax and vehicle license fees allocated to the trust fund accounts and the county general fund pursuant to Chapter 6 (commencing with Section 17600) of Part 5.

(A) Each of the following counties shall maintain a realignment financial maintenance of effort according to the following schedule:

Jurisdiction	Amount
Alameda	$ 62,950,138

(2) A county may, upon notifying the department of the transfers authorized by this paragraph, reduce the level of financial maintenance of effort required of the county by subparagraph (A) of paragraph (1) by the amount of the funds transferred from the Health Account pursuant to Section 17600.20.

(b) For purposes of this section, if a county desires to use any of its allocation pursuant to this chapter or Chapter 4 (commencing with Section 16930) for programs and costs not reported as part of the plan and budget required by Section 16800, the county, as a condition of using its allocation for these purposes, must maintain an amount of county funding for those programs and costs at least equal to the 1988–89 fiscal year levels.

(c) Moneys received by a county under this chapter shall be accounted for as revenue in the plan and budget which is required pursuant to Section 16800 and shall not be used as county matching funds for any other program requiring a county match.

(d) If a county fails to maintain financial maintenance of effort at least equal to the total of the amounts specified in subparagraphs (A) and (B) of paragraph (1) of subdivision (a), the department shall recover funds allocated to the county under this part sufficient to bring the county into compliance with the financial maintenance of effort provisions. Funds shall be recovered proportionately from the Hospital Services Account, the Physician Services Account, and the Unallocated Account.

(e) The participation fee specified in Section 16809.3 shall not be included in determining a county's compliance with the maintenance of effort provisions of this section.

SEC. 38. Section 16995.2 of the Welfare and Institutions Code is amended to read:

16995.2. Any county receiving funds under this chapter shall maintain at least the same number of outpatient visits in the 1989–90 fiscal year and each fiscal year thereafter, as were provided, either directly or through contract, in the 1988–89 fiscal year.

SEC. 39. Section 27 of Chapter 278 of the Statutes of 1991 is amended to read:

Sec. 27. For the 1991–92 fiscal year, the sum of four hundred ninety-seven million sixty-four thousand dollars ($497,064,000) is appropriated from the Cigarette and Tobacco Products Surtax Fund for the purposes of this act according to the following schedule:

(a) Twenty-seven million two hundred thousand dollars ($27,200,000) from the Health Education Account to the State Department of Education, as follows:

(1) Nine hundred thousand dollars ($900,000) for state administration.

(2) Two million dollars ($2,000,000) for allocation to county offices of education.

(3) Twenty-four million three hundred thousand dollars

($24,300,000) for local assistance.

(b) Ninety-six million six hundred forty-four thousand dollars ($96,644,000) from the Health Education Account to the State Department of Health Services, as follows:

(1) One million one hundred seventy-eight thousand dollars ($1,178,000) for state administration.

(2) Sixteen million dollars ($16,000,000) for a health education media campaign pursuant to Section 24164 of the Health and Safety Code.

(3) Thirty-five million six hundred forty-six thousand dollars ($35,646,000) for health screening services provided through the Child Health Disability Prevention Program contained in Article 3.4 (commencing with Section 320) of Chapter 2 of Part 1 of Division 1 of the Health and Safety Code pursuant to Section 24165.3 of the Health and Safety Code.

(4) Fifteen million eight hundred twenty thousand dollars ($15,820,000) for establishment of competitive grants pursuant to Section 24165 of the Health and Safety Code.

(5) Two million three hundred thousand dollars ($2,300,000) for operation of the Tobacco Education Oversight Committee under Section 24162 of the Health and Safety Code and the contract for a systematic and independent evaluation conducted pursuant to Section 24164 of the Health and Safety Code.

(6) Twenty-four million seven hundred thousand dollars ($24,700,000) for allocation to local lead agencies upon the approval of the local plan by the State Department of Health Services pursuant to Section 24165.5 of the Health and Safety Code.

(7) One million dollars ($1,000,000) for expansion of perinatal services pursuant to Section 14148.5 of the Welfare and Institutions Code.

(8) Funds appropriated by this section and allocated pursuant to paragraphs (2), (4), (5), and (6) may be expended or encumbered during the period that Chapter 1.2 (commencing with Section 24160) of Division 20 of the Health and Safety Code is operative without regard to fiscal year.

(c) (1) Twenty-seven million one hundred eighty-eight thousand dollars ($27,188,000) from the Health Education Account for transfer to the Perinatal Insurance Fund created by Section 12699 of the Insurance Code, for the provision of health education and services relating to tobacco use, to subscribers purchasing insurance pursuant to Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(2) Any funds appropriated by this section and allocated pursuant to paragraph (1) that are not expended in the 1991–92 fiscal year for those services described in paragraph (1) may be carried forward to subsequent fiscal years until the entire amount has been expended for those services.

(d) Four hundred seventy-four thousand dollars ($474,000) from the Hospital Services Account to the Office of Statewide Health

Planning and Development, for state administration.

(e) One hundred sixty-eight million two hundred ten thousand dollars ($168,210,000) from the Hospital Services Account to the State Department of Health Services, as follows:

(1) One million four hundred twenty-two thousand dollars ($1,422,000) for allocation to children's hospitals pursuant to Chapter 6 (commencing with Section 16996) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(2) Four million nine hundred sixty-one thousand dollars ($4,961,000) for allocation to CMSP counties for expansion of services.

(3) One hundred fifty-three million seven hundred fifty-two thousand dollars ($153,752,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing with Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(4) One million eight hundred seven thousand dollars ($1,807,000) for allocation to counties for uncompensated rural health services under Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million two hundred sixty-eight thousand dollars ($1,268,000) to the State Department of Health Services for state administration.

(6) Five million dollars ($5,000,000) for expansion of perinatal services pursuant to Section 14148.5 of the Welfare and Institutions Code.

(f) Four million nine hundred thirty-nine thousand dollars ($4,939,000) from the Hospital Services Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(g) Thirty-seven million five hundred eighteen thousand dollars ($37,518,000) from the Physicians Services Account to the State Department of Health Services, as follows:

(1) Three million four hundred thirty-eight thousand dollars ($3,438,000) for clinic services pursuant to Part 6.9 (commencing with Section 1189.101) of Division 1 of the Health and Safety Code.

(2) Eight million six hundred forty-six thousand dollars ($8,646,000) for perinatal services under Section 14148.5 of the Welfare and Institutions Code.

(3) One million nine hundred eighty-six thousand dollars ($1,986,000) for allocation to CMSP counties for expansion of health services.

(4) Twenty-one million eight hundred thirty-one thousand dollars ($21,831,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million one hundred eighty-nine thousand dollars

($1,189,000) for allocation to counties for rural health services pursuant to Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(6) Four hundred twenty-eight thousand dollars ($428,000) for state administration.

(h) Nine million six hundred seventy-six thousand dollars ($9,676,000) from the Physician Services Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(i) Four million dollars ($4,000,000) from the Physician Services Account to the State Department of Mental Health for local mental health services.

(j) Eighty-one million seven hundred fifteen thousand dollars ($81,715,000) from the Unallocated Account to the State Department of Health Services, as follows:

(1) Thirteen million one hundred twenty-three thousand dollars ($13,123,000) for clinic services pursuant to Part 6.9 (commencing with Section 1189.101) of Division 1 of the Health and Safety Code.

(2) Nine million seven hundred thousand dollars ($9,700,000) for perinatal services under Section 14148.5 of the Welfare and Institutions Code.

(3) Two million four hundred seventy-one thousand dollars ($2,471,000) for allocation to CMSP counties for expansion of health services.

(4) Fifty million seven hundred twenty-one thousand dollars ($50,721,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million one hundred seventy-seven thousand dollars ($1,177,000) for allocation to counties for uncompensated rural health services under Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(6) Four million five hundred twenty-three thousand dollars ($4,523,000) for state administration.

(k) Three million dollars ($3,000,000) from the Unallocated Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(*l*) Five hundred thousand dollars ($500,000) from the Unallocated Account to the State Department of Education for local assistance pursuant to Section 24167 of the Health and Safety Code.

(m) Thirty-six million dollars ($36,000,000) from the Unallocated Account to the State Department of Mental Health for local mental health services.

SEC. 40. Section 28 of Chapter 278 of the Statutes of 1991 is amended to read:

Sec. 28. For the 1992–93 fiscal year, the sum of four hundred

sixty-nine million eight hundred seventy-six thousand dollars ($469,876,000) is appropriated from the Cigarette and Tobacco Products Surtax Fund for the purposes of this act according to the following schedule:

(a) Twenty-seven million two hundred thousand dollars ($27,200,000) from the Health Education Account to the State Department of Education, as follows:

(1) Nine hundred thousand dollars ($900,000) for state administration.

(2) Two million dollars ($2,000,000) for allocation to county offices of education.

(3) Twenty-four million three hundred thousand dollars ($24,300,000) for local assistance.

(b) Ninety-six million six hundred forty-four thousand dollars ($96,644,000) from the Health Education Account to the State Department of Health Services, as follows:

(1) One million one hundred seventy-eight thousand dollars ($1,178,000) for state administration.

(2) Sixteen million dollars ($16,000,000) for health education media campaign pursuant to Section 24164 of the Health and Safety Code.

(3) Thirty-five million six hundred forty-six thousand dollars ($35,646,000) for health screening services provided through the Child Health Disability Prevention Program contained in Article 3.4 (commencing with Section 320) of Chapter 2 of Part 1 of Division 1 of the Health and Safety Code pursuant to Section 24165.3 of the Health and Safety Code.

(4) Fifteen million eight hundred twenty thousand dollars ($15,820,000) for establishment of competitive grants pursuant to Section 24165 of the Health and Safety Code.

(5) Two million three hundred thousand dollars ($2,300,000) for operation of the Tobacco Education Oversight Committee under Section 24162 of the Health and Safety Code and the contract for a systematic and independent evaluation conducted pursuant to Section 24164 of the Health and Safety Code.

(6) Twenty-four million seven hundred thousand dollars ($24,700,000) for allocation to local lead agencies upon the approval of the local plan by the State Department of Health Services pursuant to Section 24165.5 of the Health and Safety Code.

(7) One million dollars ($1,000,000) for expansion of perinatal services pursuant to Section 14148.5 of the Welfare and Institutions Code.

(8) Funds appropriated by this section and allocated pursuant to paragraphs (2), (4), (5), and (6) may be expended or encumbered during the period that Chapter 1.2 (commencing with Section 24160) of Division 20 of the Health and Safety Code is operative without regard to fiscal year.

(c) Four hundred seventy-four thousand dollars ($474,000) from the Hospital Services Account to the Office of Statewide Health

Planning and Development, for state administration.

(d) One hundred sixty-eight million two hundred ten thousand dollars ($168,210,000) from the Hospital Services Account to the State Department of Health Services, as follows:

(1) One million four hundred twenty-two thousand dollars ($1,422,000) for allocation to children's hospitals pursuant to Chapter 6 (commencing with Section 16996) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(2) Four million nine hundred sixty-one thousand dollars ($4,961,000) for allocation to CMSP counties for expansion of services.

(3) One hundred fifty-three million seven hundred fifty-two thousand dollars ($153,752,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing with Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(4) One million eight hundred seven thousand dollars ($1,807,000) for allocation to counties for uncompensated rural health services under Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million two hundred sixty-eight thousand dollars ($1,268,000) to the State Department of Health Services for state administration.

(6) Five million dollars ($5,000,000) for expansion of perinatal services pursuant to Section 14148.5 of the Welfare and Institutions Code.

(e) Four million nine hundred thirty-nine thousand dollars ($4,939,000) from the Hospital Services Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(f) Thirty-seven million five hundred eighteen thousand dollars ($37,518,000) from the Physicians Services Account to the State Department of Health Services, as follows:

(1) Three million four hundred thirty-eight thousand dollars ($3,438,000) for clinic services pursuant to Part 6.9 (commencing with Section 1189.101) of Division 1 of the Health and Safety Code.

(2) Eight million six hundred forty-six thousand dollars ($8,646,000) for perinatal services under Section 14148.5 of the Welfare and Institutions Code.

(3) One million nine hundred eighty-six thousand dollars ($1,986,000) for allocation to CMSP counties for expansion of health services.

(4) Twenty-one million eight hundred thirty-one thousand dollars ($21,831,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million one hundred eighty-nine thousand dollars

($1,189,000) for allocation to counties for rural health services pursuant to Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(6) Four hundred twenty-eight thousand dollars ($428,000) for state administration.

(g) Thirteen million six hundred seventy-six thousand dollars ($13,676,000) from the Physician Services Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(h) Eighty-one million seven hundred fifteen thousand dollars ($81,715,000) from the Unallocated Account to the State Department of Health Services, as follows:

(1) Thirteen million one hundred twenty-three thousand dollars ($13,123,000) for clinic services pursuant to Part 6.9 (commencing with Section 1189.101) of Division 1 of the Health and Safety Code.

(2) Nine million seven hundred thousand dollars ($9,700,000) for perinatal services under Section 14148.5 of the Welfare and Institutions Code.

(3) Two million four hundred seventy-one thousand dollars ($2,471,000) for allocation to CMSP counties for expansion of health services.

(4) Fifty million seven hundred twenty-one thousand dollars ($50,721,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million one hundred seventy-seven thousand dollars ($1,177,000) for allocation to counties for uncompensated rural health services under Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(6) Four million five hundred twenty-three thousand dollars ($4,523,000) for state administration.

(i) Thirty-nine million dollars ($39,000,000) from the Unallocated Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(j) Five hundred thousand dollars ($500,000) from the Unallocated Account to the Department of Education for local assistance pursuant to Section 24167.

SEC. 41. Section 29 of Chapter 278 of the Statutes of 1991 is amended to read:

Sec. 29. For the 1993–94 fiscal year, the sum of four hundred sixty-nine million eight hundred seventy-six thousand dollars ($469,876,000) is appropriated from the Cigarette and Tobacco Products Surtax Fund for the purposes of this act according to the following schedule:

(a) Twenty-seven million two hundred thousand dollars ($27,200,000) from the Health Education Account to the State

Department of Education, as follows:

(1) Nine hundred thousand dollars ($900,000) for state administration.

(2) Two million dollars ($2,000,000) for allocation to county offices of education.

(3) Twenty-four million three hundred thousand dollars ($24,300,000) for local assistance.

(b) Ninety-six million six hundred forty-four thousand dollars ($96,644,000) from the Health Education Account to the State Department of Health Services, as follows:

(1) One million one hundred seventy-eight thousand dollars ($1,178,000) for state administration.

(2) Sixteen million dollars ($16,000,000) for health education media campaign pursuant to Section 24164 of the Health and Safety Code.

(3) Thirty-five million six hundred forty-six thousand dollars ($35,646,000) for health screening services provided through the Child Health Disability Prevention Program contained in Article 3.4 (commencing with Section 320) of Chapter 2 of Part 1 of Division 1 of the Health and Safety Code pursuant to Section 24165.3 of the Health and Safety Code.

(4) Fifteen million eight hundred twenty thousand dollars ($15,820,000) for establishment of competitive grants pursuant to Section 24165 of the Health and Safety Code.

(5) Two million three hundred thousand dollars ($2,300,000) for operation of the Tobacco Education Oversight Committee under Section 24162 of the Health and Safety Code and the contract for a systematic and independent evaluation conducted pursuant to Section 24164 of the Health and Safety Code.

(6) Twenty-four million seven hundred thousand dollars ($24,700,000) for allocation to local lead agencies upon the approval of the local plan by the State Department of Health Services pursuant to Section 24165.5 of the Health and Safety Code.

(7) One million dollars ($1,000,000) for expansion of perinatal services pursuant to Section 14148.5 of the Welfare and Institutions Code.

(8) Funds appropriated by this section and allocated pursuant to paragraphs (2), (4), (5), and (6) may be expended or encumbered during the period that Chapter 1.2 (commencing with Section 24160) of Division 20 of the Health and Safety Code is operative without regard to fiscal year.

(c) Four hundred seventy-four thousand dollars ($474,000) from the Hospital Services Account to the Office of Statewide Health Planning and Development, for state administration.

(d) One hundred sixty-eight million two hundred ten thousand dollars ($168,210,000) from the Hospital Services Account to the State Department of Health Services, as follows:

(1) One million four hundred twenty-two thousand dollars ($1,422,000) for allocation to children's hospitals pursuant to Chapter

6 (commencing with Section 16996) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(2) Four million nine hundred sixty-one thousand dollars ($4,961,000) for allocation to CMSP counties for expansion of services.

(3) One hundred fifty-three million seven hundred fifty-two thousand dollars ($153,752,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing with Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(4) One million eight hundred seven thousand dollars ($1,807,000) for allocation to counties for uncompensated rural health services under Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million two hundred sixty-eight thousand dollars ($1,268,000) to the State Department of Health Services for state administration.

(6) Five million dollars ($5,000,000) for expansion of perinatal services pursuant to Section 14148.5 of the Welfare and Institutions Code.

(e) Four million nine hundred thirty-nine thousand dollars ($4,939,000) from the Hospital Services Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(f) Thirty-seven million five hundred eighteen thousand dollars ($37,518,000) from the Physicians Services Account to the State Department of Health Services, as follows:

(1) Three million four hundred thirty-eight thousand dollars ($3,438,000) for clinic services pursuant to Part 6.9 (commencing with Section 1189.101) of Division 1 of the Health and Safety Code.

(2) Eight million six hundred forty-six thousand dollars ($8,646,000) for perinatal services under Section 14148.5 of the Welfare and Institutions Code.

(3) One million nine hundred eighty-six thousand dollars ($1,986,000) for allocation to CMSP counties for expansion of health services.

(4) Twenty-one million eight hundred thirty-one thousand dollars ($21,831,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million one hundred eighty-nine thousand dollars ($1,189,000) for allocation to counties for rural health services pursuant to Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(6) Four hundred twenty-eight thousand dollars ($428,000) for state administration.

(g) Thirteen million six hundred seventy-six thousand dollars

($13,676,000) from the Physician Services Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(h) Eighty-one million seven hundred fifteen thousand dollars ($81,715,000) from the Unallocated Account to the State Department of Health Services, as follows:

(1) Thirteen million one hundred twenty-three thousand dollars ($13,123,000) for clinic services pursuant to Part 6.9 (commencing with Section 1189.101) of Division 1 of the Health and Safety Code.

(2) Nine million seven hundred thousand dollars ($9,700,000) for perinatal services under Section 14148.5 of the Welfare and Institutions Code.

(3) Two million four hundred seventy-one thousand dollars ($2,471,000) for allocation to CMSP counties for expansion of health services.

(4) Fifty million seven hundred twenty-one thousand dollars ($50,721,000) for allocation to counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(5) One million one hundred seventy-seven thousand dollars ($1,177,000) for allocation to counties for uncompensated rural health services under Chapter 4 (commencing with Section 16930) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

(6) Four million five hundred twenty-three thousand dollars ($4,523,000) for state administration.

(i) Thirty-nine million dollars ($39,000,000) from the Unallocated Account for transfer to the Perinatal Insurance Fund for the implementation of Part 6.3 (commencing with Section 12695) of Division 2 of the Insurance Code.

(j) Five hundred thousand dollars ($500,000) from the Unallocated Account to the State Department of Education for local assistance pursuant to Section 24167 of the Health and Safety Code.

SEC. 42. Section 34 of Chapter 278 of the Statutes of 1991 is repealed.

SEC. 43. Section 36 of Chapter 278 of the Statutes of 1991 is repealed.

SEC. 44. Section 41 of Chapter 278 of the Statutes of 1991 is amended to read:

Sec. 41. Ten percent of those funds appropriated by any of the following shall be used to award grants pursuant to Section 24168 of the Health and Safety Code, and shall be awarded according to the schedule specified in Section 24168.05 of the Health and Safety Code:

(a) Paragraph (6) of subdivision (b) of Section 10 of Chapter 1331 of the Statutes of 1991, as amended by Section 53 of Chapter 51 of the Statutes of 1990.

(b) Paragraph (3) of subdivision (a) of Section 27 of Chapter 278 of the Statutes of 1991.

(c) Paragraph (3) of subdivision (a) of Section 28 of Chapter 278 of the Statutes of 1991.

(d) Paragraph (3) of subdivision (a) of Section 29 of Chapter 278 of the Statutes of 1991.

SEC. 45. For the 1991–92 fiscal year, the sum of one million six hundred fifty thousand dollars ($1,650,000) from the Hospital Account in the Cigarette and Tobacco Products Surtax Fund is hereby appropriated to the Controller for allocation to the counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing with Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

SEC. 46. For the 1992–93 fiscal year, the sum of one million six hundred fifty thousand dollars ($1,650,000) from the Hospital Account in the Cigarette and Tobacco Products Surtax Fund is hereby appropriated to the Controller for allocation to the counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing with Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

SEC. 47. For the 1993–94 fiscal year, the sum of one million six hundred fifty thousand dollars ($1,650,000) from the Hospital Account in the Cigarette and Tobacco Products Surtax Fund is hereby appropriated to the Controller for allocation to the counties participating in the California Health Care for the Indigents Program pursuant to Chapter 5 (commencing with Section 16940) of Part 4.7 of Division 9 of the Welfare and Institutions Code.

SEC. 48. Section 4 of this bill incorporates amendments to Section 1797.98e of the Health and Safety Code proposed by both this bill and SB 946. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, but this bill becomes operative first, (2) each bill amends Section 1797.98e of the Health and Safety Code, and (3) this bill is enacted after SB 946, in which case Section 1797.98e of the Health and Safety Code, as amended by Section 3 of this bill shall remain operative only until the operative date of SB 946, at which time Section 4 of this bill shall become operative.

SEC. 49. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to continue the administration of the allocation of funds appropriated by Chapter 278 of the Statutes of 1991 as intended by the Legislature and to make clarifying technical adjustments for the orderly administration of that act, it is necessary that this act take effect immediately.

CHAPTER 1171

An act to amend Sections 14016.5 and 14154.15 of, and to add Section 14148.9 to, the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that the lack of prenatal care leads to costly birth defects, low birth weight babies, and preventable birth complications.

SEC. 2. It is the intent of the Legislature to reduce or prevent infant mortality and morbidity by providing earlier and easier entry of low-income women and infants into perinatal care.

SEC. 3. Section 14016.5 of the Welfare and Institutions Code is amended to read:

14016.5. (a) At the time of determining or redetermining the eligibility of a Medi-Cal or aid to families with dependent children (AFDC) applicant or beneficiary who resides in an area served by a managed health care plan or pilot program in which beneficiaries may enroll, the county shall ensure that each applicant or beneficiary personally attends a presentation at which the applicant or beneficiary is informed of the managed care and fee-for-service options available regarding methods of receiving Medi-Cal benefits.

(b) No later than 30 days following the date a Medi-Cal or AFDC beneficiary or applicant is referred to the presentation described in subdivision (a), the beneficiary or applicant shall indicate his or her choice in writing, as a condition of coverage for Medi-Cal benefits, of either of the following health care options:

(1) To obtain benefits by receiving a monthly Medi-Cal card, which may be used to obtain services from individual providers, that the beneficiary would locate, who choose to provide services to Medi-Cal beneficiaries. Beneficiaries or eligible applicants shall, as a condition for electing this option, identify the provider with whom they have a provider-patient relationship and from whom they will receive Medi-Cal services.

(2) To obtain benefits by enrolling in a prepaid managed care health plan, pilot program, or fee-for-service case management provider contracting with the department that has agreed to make Medi-Cal services readily available to enrolled Medi-Cal beneficiaries.

(c) (1) Commencing January 1, 1994, a Medi-Cal or AFDC beneficiary or eligible applicant who does not make a choice, or who does not certify that he or she has an established relationship with a primary care provider shall be enrolled in an appropriate management care plan, pilot project, or fee-for-service case

management provider providing service within the area in which the beneficiary resides.

(2) If it is not possible to enroll the beneficiary under a Medi-Cal managed care plan or pilot project or a fee-for-service case management provider because of a lack of capacity or availability of participating contractors, the beneficiary shall be provided with a monthly Medi-Cal card and informed about fee-for-service primary care providers who do all of the following:

(A) The providers agree to accept Medi-Cal patients.

(B) The providers provide information about the provider's willingness to accept Medi-Cal patients as described in Section 14016.6.

(C) The providers provide services within the area in which the beneficiary resides.

(d) (1) The managed care plan shall have a valid Medi-Cal contract, adequate capacity, and appropriate staffing to provide health care services to the beneficiary.

(2) The department shall, by regulation establish standards for all of the following:

(A) The maximum distances a beneficiary is required to travel to obtain primary care services from the managed care plan, fee-for-service managed care provider, or pilot project in which the beneficiary is enrolled.

(B) The conditions under which a primary care service site shall be accessible by public transportation.

(C) The conditions under which a managed care plan, fee-for-service managed care provider, or pilot project shall provide nonmedical transportation to a primary care service site.

(3) In developing the standards required by paragraph (2), the department shall take into account, on a geographic basis, the means of transportation used and distances typically traveled by Medi-Cal beneficiaries to obtain fee-for-service primary care services.

(e) To the extent possible, the arrangements for carrying out subdivision (c) shall provide for the equitable distribution of Medi-Cal beneficiaries among participating managed care plans, fee-for-service case management providers, and pilot projects.

(f) Until December 31, 1993, if a Medi-Cal beneficiary or applicant does not make a choice or does not certify that he or she has an established relationship with a primary care provider, the person shall be provided with a monthly Medi-Cal card.

(g) (1) The department shall ensure that Medi-Cal beneficiaries eligible under Title XVI of the Social Security Act are provided with information about options available regarding methods of receiving Medi-Cal benefits as described in subdivision (b).

(2) (A) The director shall waive the requirements of subdivisions (b) and (c) until a means is established to directly provide the presentation described in subdivision (a) to beneficiaries who are eligible for the federal Supplemental Security Income for the Aged, Blind, and Disabled Program (Subchapter 16 (commencing with

Section 1381) of Chapter 7 of Title 42 of the United States Code).

(B) The requirements of subdivisions (b) and (c) shall not apply at any time to beneficiaries whose eligibility under the Supplemental Security Income program is established before January 1, 1994.

(h) In areas where there is no prepaid managed health care plan or pilot program which has contracted with the department to provide services to Medi-Cal beneficiaries, no explicit choice need be made, and the beneficiary or eligible applicant shall receive a monthly Medi-Cal card.

(i) The following definitions contained in this subdivision shall control the construction of this section, unless the context requires otherwise:

(1) "Applicant," "beneficiary," and "eligible applicant," in the case of a family group, means any person with legal authority to make a choice on behalf of dependent family members.

(2) "Fee-for-service case management provider" means a provider enrolled and certified to participate in the Medi-Cal fee-for-service case management program to be developed by the department with the assistance of and in cooperation with California physician providers and other interested provider groups.

(3) "Managed health care plan" and "managed care plan" mean a person or entity operating under a Medi-Cal contract with the department under this chapter or Chapter 8 (commencing with Section 14200) to provide, or arrange for, health care services for Medi-Cal beneficiaries as an alternative to the Medi-Cal fee-for-service program that has a contractual responsibility to manage health care provided to Medi-Cal beneficiaries covered by the contract.

SEC. 4. Section 14148.9 is added to the Welfare and Institutions Code, to read:

14148.9. The department shall provide for the receipt and initial processing of Medi-Cal applications from (a) pregnant women; and (b) children born after September 30, 1983, who have not yet attained 19 years of age, at facilities other than the county welfare department as described in Title XIX of the Social Security Act (42 U.S.C., Sec. 1396 and following).

SEC. 5. Section 14154.15 of the Welfare and Institutions Code is amended to read:

14154.15. (a) Any county may petition the department for an augmentation of its County Administrative Cost Control Plan in order to implement a plan for the outstationing of one or more eligibility workers at alternative sites in order to facilitate receipt and processing of applications for Medi-Cal eligibility for pregnant women, infants and children as specified by Title XIX of the Social Security Act (42 U.S.C. Sec. 1396 and following). In order to participate pursuant to this section, a county welfare department shall petition under this section in accordance with guidelines established by the department. The petition shall include, but not be limited to, information about the need for outstation workers at

alternative sites and the language skills needed by the outstation workers.

(b) In reviewing a petition from a county for an augmentation of its County Administrative Cost Control Plan for outstationing purposes, the department shall take into account the likely success rate of applications processed by the proposed outstationed eligibility workers, the amount of travel and training time required to implement and continue the outstationing plan, and other productivity factors associated with the outstationing plan.

(c) The department may approve those proposed augmentations which, based on its review of the outstationing plan, offer potential to increase eligibility determinations and access to Medi-Cal perinatal services by pregnant women and Medi-Cal services by infants and children specified by Title XIX of the Social Security Act (42 U.S.C., Sec. 1396 and following). The department shall review the approved plan annually to determine if the plan shall be renewed, altered, discontinued, or incorporated into the county administrative funding base.

(d) In addition to any augmentations authorized by this section, the department may, at its discretion, advance administrative funding to a county welfare department for which it approves a augmentation of its County Administrative Cost Control Plan, to cover the initial incremental costs of outstationed eligibility workers under this section.

(e) The department shall conduct a one-time outreach plan to educate county welfare directors, county health officers, and county elected officials on the opportunities and advantages of outstationing Medi-Cal eligibility workers to facilitate access by pregnant women to Medi-Cal perinatal services.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1172

An act to amend Sections 7306, 7307, 7310, 7313, 7319, 7321, 7321.5, 7324, 7326, 7330, 7347, 7353, 7396, 7403, 7423, 7423.5, 7425, and 7444.1 of, to amend and repeal Section 7423.5 of, to add Sections 7319.5, 7331.5, and 7421 to, to repeal Section 7386.8 of, the Business and Professions Code, and to amend Section 4 of Chapter 1672 of the Statutes of 1990, relating to barbering and cosmetology.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 7306 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7306. (a) Members shall be appointed for four-year terms expiring June 1 of the fourth year following the year in which the previous term expired. Members shall hold office until the appointment and qualification of their successors or until one year shall have elapsed since the expiration of the term for which they were appointed, whichever first occurs. No person shall serve as a member of the board for more than two consecutive terms.

(b) Vacancies occurring during a term shall be filled for the unexpired term.

(c) The Governor shall appoint three of the public members, one licensed cosmetologist and one licensed barber who shall not be affiliated with any school, as defined in Article 8 (commencing with Section 7362) nor have dual licensure in cosmetology, barbering, or electrolysis, and two other members representing the professions. The Senate Committee on Rules and the Speaker of the Assembly shall each appoint one public member.

(d) Notwithstanding any other provision of law, the Director of Consumer Affairs may make a formal recommendation to the appointing power that a board member be removed for cause, provided that the director must provide prior written notice to the appointing power and to the member stating the basis for the recommendation.

(e) The appointing powers shall give consideration to members of the Board of Barber Examiners and the Board of Cosmetology holding office on June 1, 1992, in making first appointments to the new board, provided those members' terms were scheduled to expire after June 1, 1992, and they would have been eligible for reappointment to the Board of Barber Examiners or the Board of Cosmetology.

(f) The first four members selected as first appointments to the new board shall be appointed for two-year terms expiring June 1 of the second year following the year of their appointment.

SEC. 2. Section 7307 of the Business and Professions Code, as

added by Chapter 1672 of the Statutes of 1990, is amended to read:

7307. The members of the board shall annually elect a president and vice president.

The annual election shall occur at the second meeting after the deadline for new appointments has passed. No board election may occur prior to the annual deadline for appointments except as necessary due to a vacancy in the office of board president.

The vice president shall assume the functions and duties of the president in the event the president is unable to perform those functions and duties.

SEC. 3. Section 7310 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7310. (a) The board shall appoint an executive officer exempt from civil service, who shall not be a board member, who shall exercise the powers and perform the duties delegated by the board and vested in that person by this chapter.

(b) The board shall also have the authority to employ a deputy executive officer.

(c) The board's appointment of an executive officer shall be subject to confirmation by the Director of Consumer Affairs. The director may reject the board's appointment of its executive officer, or may recommend dismissal of the executive officer to the board, provided that the rejection or recommendation for dismissal be for good cause specifically stated to the board in writing.

(d) The executive officer shall employ examiners, inspectors and all other personnel as necessary to carry out this chapter. Their compensation, and all expenses incurred by the board, shall be paid exclusively from the special funds received by the board.

(e) The board shall employ through its executive officer sufficient inspectors to ensure that the health and safety of consumers is met.

(f) The board shall prescribe through its executive officer the qualifications and duties of its employees in accordance with established civil service guidelines and collective bargaining agreements.

SEC. 4. Section 7313 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7313. (a) To assure compliance with the laws and regulations of this chapter, the board's executive officer and authorized representatives shall, except as provided by Section 159.5, have access to, and shall inspect, any establishment or mobile unit at any time in which barbering, cosmetology, or electrolysis are being performed. It is the intent of the Legislature that inspections be conducted on Saturdays and Sundays as well as weekdays, if collective bargaining agreements and civil service provisions permit. Each establishment shall be inspected at least annually for compliance with applicable laws relating to the public health and safety and the conduct and operation of establishments.

(b) To assure compliance with health and safety requirements adopted by the board, the executive officer and authorized

representatives shall, except as provided in Section 159.5, have access to, and shall inspect the premises of, all schools in which the practice of barbering, cosmetology, or electrolysis is performed on the public. Notices of violation shall be issued to schools for violations of regulations governing conditions related to the health and safety of patrons. Each notice shall specify the section violated and a timespan within which the violation must be corrected. A copy of the notice of violation shall be provided to the Council for Private Postsecondary and Vocational Education.

(c) With prior written authorization from the board or its executive officer, any member of the board may enter and visit, in his or her capacity as a board member, any establishment, during business hours or at any time when barbering, cosmetology, or electrolysis is being performed. The visitation by a board member shall be for the purpose of conducting official board business, but shall not be used as a basis for any licensing disciplinary action by the board.

SEC. 5. Section 7319 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7319. The following persons are exempt from this chapter:

(a) All persons authorized by the laws of this state to practice medicine, surgery, dentistry, pharmacy, osteopathy, chiropractic, naturopathy, podiatry, or nursing and acting within the scope of practice for which they are licensed.

(b) Commissioned officers of the United States Army, Navy, Air Force, Marine Corps, members of the United States Public Health Service, and attendants attached to those services when engaged in the actual performance of their official duties.

(c) Persons employed to render barbering, cosmetology, or electrolysis services in the course of and incidental to the business of employers engaged in the theatrical, radio, television or motion picture production industry.

(d) Persons engaged in any practice within its scope when done outside of a licensed establishment, without compensation.

(e) Persons engaged in the administration of hair, skin, or nail products for the exclusive purpose of recommending, demonstrating, or selling those products.

SEC. 6. Section 7319.5 is added to the Business and Professions Code, to read:

7319.5. Students engaged in performing services on the public while enrolled in a school approved by the board shall not be required to be licensed under this chapter.

SEC. 7. Section 7321 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7321. The board shall admit to examination for a license as a cosmetologist to practice cosmetology any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 10th grade in the public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course in cosmetology from a school approved by the board.

(2) Practiced cosmetology as defined in this chapter outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in cosmetology from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1) of this subdivision.

(3) Holds a license as a barber in this state and has completed a cosmetology crossover course in a school approved by the board.

(4) Completed a barbering course in a school approved by the board and has completed a cosmetology crossover course in a school approved by the board.

SEC. 7.5. Section 7321 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7321. The board shall admit to examination for a license as a cosmetologist to practice cosmetology any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 10th grade in the public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course in cosmetology from a school approved by the board.

(2) Practiced cosmetology as defined in this chapter outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in cosmetology from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1) of this subdivision.

(3) Holds a license as a barber in this state and has completed a cosmetology crossover course in a school approved by the board.

(4) Completed a barbering course in a school approved by the board and has completed a cosmetology crossover course in a school approved by the board.

(5) Completed the apprenticeship program in cosmetology specified in Article 4 (commencing with Section 7332).

SEC. 8. Section 7321.5 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7321.5. The board shall admit to examination for a license as a barber to practice barbering, any person who has made application

to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 10th grade in the public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course in barbering from a school approved by the board.

(2) Completed an apprenticeship program in barbering approved by the board as conducted under the provisions of the Shelley-Maloney Apprentice Labor Standards Act of 1939, Chapter 4 (commencing with Section 3070) of Division 3 of the Labor Code.

(3) Practiced barbering as defined in this chapter outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in barbering from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1).

(4) Holds a license as a cosmetologist in this state and has completed a barber crossover course in a school approved by the board.

(5) Completed a cosmetology course in a school approved by the board and has completed a barber crossover course in a school approved by the board.

SEC. 9. Section 7324 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7324. The board shall admit to examination for a license as an esthetician to practice skin care, any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 10th grade in the public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course in skin care from a school approved by the board.

(2) Practiced skin care, as defined in this chapter, outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in skin care from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1).

SEC. 9.5. Section 7324 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7324. The board shall admit to examination for a license as an

esthetician to practice skin care, any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 10th grade in the public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course in skin care from a school approved by the board.

(2) Practiced skin care, as defined in this chapter, outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in skin care from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1).

(3) Completed the apprenticeship program in skin care specified in Article 4 (commencing with Section 7332).

SEC. 10. Section 7326 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7326. The board shall admit to examination for a license as a manicurist to practice nail care, any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 10th grade in the public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course in nail care from a school approved by the board.

(2) Practiced nail care, as defined in this chapter, outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in nail care from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1).

SEC. 10.5. Section 7326 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7326. The board shall admit to examination for a license as a manicurist to practice nail care, any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 10th grade in the public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course in nail care from a school approved by the board.

(2) Practiced nail care, as defined in this chapter, outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in nail care from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1).

(3) Completed the apprenticeship program in nail care specified in Article 4 (commencing with Section 7332).

SEC. 11. Section 7330 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7330. The board shall admit to examination for a license as an electrologist to practice electrolysis, any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 12th grade or an accredited senior high school course of study in public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course of training in electrolysis from a school approved by the board.

(2) Practiced electrolysis, as defined in this chapter, for a period of time equivalent to the study and training of a qualified person who has completed a course in electrolysis from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1).

SEC. 11.5. Section 7330 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7330. The board shall admit to examination for a license as an electrologist to practice electrolysis, any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

(a) Is not less than 17 years of age.

(b) Has completed the 12th grade or an accredited senior high school course of study in public schools of this state or its equivalent.

(c) Is not subject to denial pursuant to Section 480.

(d) Has done any of the following:

(1) Completed a course of training in electrolysis from a school approved by the board.

(2) Practiced electrolysis, as defined in this chapter, for a period of 18 months outside of this state within the time equivalent to the study and training of a qualified person who has completed a course in electrolysis from a school the curriculum of which complied with requirements adopted by the board. Each three months of practice

shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1).

(3) Competed the apprenticeship program in electrology specified in Article 4 (commencing with Section 7332).

SEC. 12. Section 7331.5 is added to the Business and Professions Code, to read:

7331.5. It is the intent of the Legislature that no law which may hereafter be enacted increasing the number of hours of training in a school approved by the board or the length of training in an apprenticeship program approved by the board which are required for eligibility for any examination shall apply to a person who on the effective date of the law is a student in, or has completed the prescribed course of study in, a school or is an apprentice in a program. This section shall not apply to a person who does not apply for and take the first examination for which he or she is eligible occurring after the effective date of the law, unless compliance with this requirement is waived by the board for good cause as defined in regulations.

SEC. 13. Section 7347 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7347. Any person, firm or corporation desiring to operate an establishment shall make an application to the board for a license accompanied by the fee prescribed by this chapter. The applicant, if an individual, or each officer, director, and partner, if the applicant is other than an individual, shall not have committed acts or crimes which are grounds for denial of licensure in effect at the time the new application is submitted pursuant to Section 480. A license issued pursuant to this section shall authorize the operation of the establishment only at the location for which the license is issued. Operation of the establishment at any other location shall be unlawful unless a license for the new location has been obtained upon compliance with this section, applicable to the issuance of a license in the first instance.

SEC. 14. Section 7353 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7353. Within 90 days after issuance of the establishment license, the board or its agents or assistants shall inspect the establishment for compliance with the applicable requirements of this chapter and the applicable rules and regulations of the board adopted pursuant to this chapter. Each establishment shall be inspected at least annually for compliance with applicable laws relating to the public health and safety and the conduct and operation of establishments.

SEC. 15. Section 7396 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7396. The form and content of a license issued by the board shall be determined in accordance with Section 164.

The license shall prominently state that the holder is licensed as a barber, cosmetologist, esthetician, manicurist, electrologist, apprentice, barber instructor, cosmetology instructor, or

establishment and shall contain a photograph of the licensee.

SEC. 16. Section 7403 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7403. (a) The board may revoke, suspend, or deny at any time any license required by this chapter on any of the grounds for disciplinary action provided in this article. The proceedings under this article shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the board shall have all the powers granted therein.

(b) In any case in which the administrative law judge recommends that the board revoke, suspend or deny a license, the administrative law judge may, upon presentation of suitable proof, order the licensee to pay the board the reasonable costs of the investigation and adjudication of the case. For purposes of this section, "costs" include charges by the board for investigating the case, charges incurred by the office of the Attorney General for investigating and presenting the case, and charges incurred by the Office of Administrative Hearings for hearing the case and issuing a proposed decision.

(c) The costs to be assessed shall be fixed by the administrative law judge and shall not, in any event, be increased by the board. When the board does not adopt a proposed decision and remands the case to an administrative law judge, the administrative law judge shall not increase the amount of any costs assessed in the proposed decision.

(d) The board may enforce the order for payment in the superior court in the county where the administrative hearing was held. This right of enforcement shall be in addition to any other rights the board may have as to any licensee directed to pay costs.

(e) In any judicial action for the recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(f) Notwithstanding any other provision of law, all costs recovered under this section shall be deposited in the board's contingent fund as a scheduled reimbursement in the fiscal year in which the costs are actually recovered.

SEC. 17. Section 7421 is added to the Business and Professions Code, to read:

7421. The fees shall be set by the board, within the limits set forth in this article, in amounts necessary to cover the expenses of the board in performing its duties under this chapter.

SEC. 18. Section 7423 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7423. The amounts of the fees required by this chapter relating to licenses for individual practitioners are as follows:

(a) Cosmetologist application, examination and initial license fee shall be not more than fifty dollars ($50).

(b) Esthetician application, examination and initial license fee

shall be not more than forty dollars ($40).

(c) Manicurist application, examination and initial license fee shall be not more than thirty-five dollars ($35).

(d) Barber application, examination and initial license fee shall be not more than fifty dollars ($50).

(e) Electrologist application, examination and initial license fee shall be not more than fifty dollars ($50).

(f) Apprentice application and license fee shall be not more than twenty-five dollars ($25).

(g) The license renewal fee for individual practitioner licenses that are subject to renewal shall be not more than fifty dollars ($50).

(h) The license renewal delinquency fee shall be 50 percent of the renewal fee in effect on the date of renewal, notwithstanding Section 163.5.

SEC. 18.5. Section 7423 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7423. The amounts of the fees required by this chapter relating to licenses for individual practitioners are as follows:

(a) Cosmetologist application, examination and initial license fee shall be not more than fifty dollars ($50).

(b) Esthetician application, examination and initial license fee shall be not more than forty dollars ($40).

(c) Manicurist application, examination and initial license fee shall be not more than thirty-five dollars ($35).

(d) Barber application, examination and initial license fee shall be not more than fifty dollars ($50).

(e) Electrologist application, examination and initial license fee shall be not more than fifty dollars ($50).

(f) Apprentice application and license fee shall be not more than twenty-five dollars ($25).

(g) The license renewal fee for individual practitioner licenses that are subject to renewal shall be not more than fifty dollars ($50).

(h) The license renewal delinquency fee shall be 50 percent of the renewal fee in effect on the date of renewal, notwithstanding Section 163.5.

(i) Any preapplication fee shall be established by the board in an amount sufficient to cover the costs of processing and administration of the preapplication.

(j) This section shall become operative on July 1, 1992.

SEC. 19. Section 7423.5 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7423.5. The amounts of the fees payable under this chapter relating to licenses for instructor are as follows:

(a) The fee for instructor application, examination, and initial license shall be not more than fifty dollars ($50).

(b) The license renewal fee shall be not more than fifty dollars ($50).

(c) The license renewal delinquency fee shall be 50 percent of the renewal fee in effect on the date of renewal, notwithstanding Section

163.5.

This section shall become inoperative on July 1, 1997, and as of January 1, 1998, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1998, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 20. Section 7425 of the Business and Professions Code, as added by Chapter 1672 of the Statutes of 1990, is amended to read:

7425. The amounts of the fees payable under this chapter relating to licenses to operate a mobile unit are as follows:

(a) The application fee shall be not more than fifty dollars ($50).

(b) The initial inspection and license fee shall not be more than one hundred dollars ($100).

(c) The renewal fee shall be not more than forty dollars ($40).

(d) The delinquency fee shall be 50 percent of the renewal fee in effect on the date of renewal, notwithstanding Section 163.5.

SEC. 21. Section 7386.8 of the Business and Professions Code is repealed.

SEC. 22. Section 7444.1 of the Business and Professions Code is amended to read:

7444.1. The amount of the fees payable under this chapter relating to licenses to operate a mobile cosmetology unit are as follows:

(a) The application fee shall be not more than fifty dollars ($50).

(b) The initial inspection and license fee shall be not more than one hundred dollars ($100).

(c) The renewal fee shall be not more than thirty dollars ($30).

(d) The delinquency fee shall be 50 percent of the renewal fee in effect on the date of renewal.

SEC. 23. Section 4 of Chapter 1672 of the Statutes of 1990 is amended to read:

Sec. 4. The Board of Barbering and Cosmetology shall retain the authority previously vested with the Board of Barber Examiners and the Board of Cosmetology to conduct all investigations, inquiries, disciplinary actions or proceedings unresolved under the Board of Barber Examiners and Board of Cosmetology authority and to enforce all disciplinary decisions of both boards.

SEC. 24. The Board of Barbering and Cosmetology shall, on or before July 1, 1992, report to the appropriate policy committees of both houses of the Legislature on the inspection program required pursuant to Sections 7313 and 7353 of the Business and Professions Code. That report shall indicate whether legislation will be required in order to fund additional inspector positions.

SEC. 25. Section 7.5 of this bill incorporates amendments to Section 7321 of the Business and Professions Code proposed by both this bill and AB 223. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, but this bill becomes operative first, (2) each bill amends Section 7321 of the Business and Professions Code, and (3) this bill is enacted after AB 223, in which case Section 7321 of the Business and Professions

Code, as amended by Section 7 of this bill, shall remain operative only until the operative date of AB 223, at which time Section 7.5 of this bill shall become operative.

SEC. 26. Section 9.5 of this bill incorporates amendments to Section 7324 of the Business and Professions Code proposed by both this bill and AB 223. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, but this bill becomes operative first, (2) each bill amends Section 7324 of the Business and Professions Code, and (3) this bill is enacted after AB 223, in which case Section 7324 of the Business and Professions Code, as amended by Section 9 of this bill, shall remain operative only until the operative date of AB 223, at which time Section 9.5 of this bill shall become operative.

SEC. 27. Section 10.5 of this bill incorporates amendments to Section 7326 of the Business and Professions Code proposed by both this bill and AB 223. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, but this bill becomes operative first, (2) each bill amends Section 7326 of the Business and Professions Code, and (3) this bill is enacted after AB 223, in which case Section 7326 of the Business and Professions Code, as amended by Section 10 of this bill, shall remain operative only until the operative date of AB 223, at which time Section 10.5 of this bill shall become operative.

SEC. 28. Section 11.5 of this bill incorporates amendments to Section 7330 of the Business and Professions Code proposed by both this bill and AB 223. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, but this bill becomes operative first, (2) each bill amends Section 7330 of the Business and Professions Code, and (3) this bill is enacted after AB 223, in which case Section 7330 of the Business and Professions Code, as amended by Section 11 of this bill, shall remain operative only until the operative date of AB 223, at which time Section 11.5 of this bill shall become operative.

SEC. 29. Section 18.5 of this bill incorporates amendments to Section 7423 of the Business and Professions Code proposed by both this bill and SB 985. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, (2) each bill amends Section 7423 of the Business and Professions Code, and (3) this bill is enacted after SB 985, in which case Section 18 of this bill shall not become operative.

SEC. 30. Except for Sections 21, 22, and 24, this act shall become operative on July 1, 1992.

CHAPTER 1173

An act to amend Sections 25143.2, 25143.9, 25178, 25250.1, 25250.4, and 25250.15 of, to add Section 25162.1 to, and to repeal Section 25176 of, the Health and Safety Code, relating to hazardous waste.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 25143.2 of the Health and Safety Code is amended to read:

25143.2. (a) Recyclable materials are subject to the requirements of this chapter which apply to hazardous wastes, unless the department issues a variance pursuant to Section 25143, or except as provided otherwise in subdivision (b), (c), or (d) or the regulations adopted by the department pursuant to Sections 25150 and 25151. For the purposes of this section, recyclable material does not include infectious waste.

(b) Except as otherwise provided in subdivisions (e), (f) and (g), recyclable material which is managed in accordance with Section 25143.9 and is or will be recycled by any of the following methods shall be excluded from classification as a waste:

(1) Used or reused as an ingredient in an industrial process to make a product, if the material is not being reclaimed.

(2) Used or reused as a safe and effective substitute for commercial products, if the material is not being reclaimed.

(3) Returned to the original process from which the material was generated, without first being reclaimed, if the material is returned as a substitute for raw material feedstock, and the process uses raw materials as principal feedstocks.

(c) Except as otherwise provided in subdivisions (b), (d), and (e), any recyclable material may be recycled at a facility which is not authorized by the department pursuant to the applicable hazardous waste facilities permit requirements of Article 9 (commencing with Section 25200) if either of the following requirements is met:

(1) The material is a petroleum refinery waste containing oil which is converted into petroleum coke at the same facility at which the waste was generated, unless the resulting coke product would be identified as a hazardous waste under this chapter. A waste subject to this paragraph is exempt from this chapter to the same extent the waste is exempt from subsections (q), (r), and (s) of Section 6924 of Title 42 of the United States Code.

(2) The material meets all of the following conditions:

(A) The material is recycled and used at the same facility at which the material was generated.

(B) The material is recycled within 90 days of its generation.

(C) The material is managed in accordance with all applicable

requirements for generators of hazardous wastes under this chapter and regulations adopted by the department.

(d) Except as otherwise provided in subdivisions (e), (f), (g), and (h), recyclable material which meets the definition of a non-RCRA hazardous waste in Section 25117.9, is managed in accordance with Section 25143.9, and meets or will meet any of the following requirements is excluded from classification as a waste:

(1) The material can be shown to be recycled and used at the site where the material was generated.

(2) The material qualifies as one or more of the following:

(A) The material is a product, which has been processed from a hazardous waste, or which has been handled, at a facility authorized by the department pursuant to the facility permit requirements of Article 9 (commencing with Section 25200) to process or handle the material, if the product meets both of the following conditions:

(i) The product does not contain constituents, other than those for which the material is being recycled which render the material hazardous under regulations adopted pursuant to Sections 25140 and 25141.

(ii) The product is used, or distributed or sold for use, in a manner for which the product is commonly used.

(B) The material is a petroleum refinery waste containing oil which is converted into petroleum coke at the same facility at which the waste was generated, unless the resulting coke product would be identified as a hazardous waste under this chapter.

(C) The material is oily waste, used oil, or spent nonhalogenated solvent which is managed by the owner or operator of a refinery which is processing primarily crude oil and which is not subject to permit requirements for recycling of used oil, or a public utility, or a corporate subsidiary, corporate parent, or subsidiary of the same corporate parent of the refinery or public utility, and which meets all of the following requirements:

(i) The material is either burned in an industrial boiler, an industrial furnace, an incinerator, or a utility boiler which complies with all applicable federal and state laws, or is recombined with normal process streams to produce a fuel.

(ii) The material is managed at the site where it was generated; managed at another site owned or operated by the generator, a corporate subsidiary of the generator, a subsidiary of the same entity of which the generator is a subsidiary, or the corporate parent of the generator; or, if the material is generated in the course of oil or gas exploration or production, managed by an unrelated refinery receiving the waste through a common pipeline.

(iii) The material does not contain constituents other than those for which the material is being recycled which render the material hazardous under regulations adopted pursuant to Sections 25140 and 25141.

(D) The material is a fuel which is removed from a fuel tank, is either fuel contaminated with water or by nonhazardous debris, of

not more than 2 percent by weight, including, but not limited to, rust or sand, or a fuel unintentionally mixed with an unused petroleum product, and is transferred to, and processed into a fuel at, a refinery which processes primarily crude oil.

(3) The material is transported between locations operated by the same person who generated the material, if the material is recycled at the last location operated by that person and all of the conditions of clauses (i) to (vi), inclusive, of subparagraph (A) of paragraph (4) are met. If requested by the department or by any law enforcement official, a person handling material subject to this paragraph shall, within 15 days of the request, supply documentation to show that the requirements of this paragraph have been satisfied.

(4) (A) The material is transferred between locations operated by the same person who generated the material, if the material is to be recycled at an authorized offsite hazardous waste facility and if all of the following conditions are met:

(i) The material is transferred by employees of that person in vehicles under the control of that person or by a registered hazardous waste hauler under contract to that person.

(ii) The material is not handled at any interim location.

(iii) The material is not held at any publicly accessible interim location for more than four hours unless required by other provisions of law.

(iv) The material is managed in compliance with the requirements of this chapter and the regulations adopted pursuant to this chapter prior to the initial transportation of the material and after the receipt of the material at the last location operated by that person. Upon receipt of the material at the last location operated by that person, the material shall be deemed to have been generated at that location.

(v) All of the following information is maintained in an operating log at the last location operated by that person:

(I) The name and address of each generator location contributing material to each shipment received.

(II) The quantity and type of material contributed by each generator to each shipment of material.

(III) The destination and intended disposition of all material shipped offsite or received.

(IV) The date of each shipment received or sent offsite.

The log shall be kept for at least three years after receipt of the material at that location.

(vi) If requested by the department, or by any law enforcement official, a person handling material subject to this paragraph shall, within 15 days of the request, supply documentation to show that the requirements of this paragraph have been satisfied.

(B) For purposes of paragraph (3) and subparagraph (A) of paragraph (4), "person" also includes corporate subsidiary, corporate parent, or subsidiary of the same corporate parent.

(C) Persons which are a corporate subsidiary, corporate parent,

or subsidiary of the same corporate parent, and which manage recyclable materials under paragraph (3) or subparagraph (A) of paragraph (4), are jointly and severally liable for any activities excluded from regulation pursuant to this section.

(5) The material is a container which meets all of the following requirements:

(A) The container was last used to hold a hazardous material acquired from a supplier of hazardous materials.

(B) The container is empty pursuant to the standards set forth in Section 261.7 of Title 40 of the Code of Federal Regulations.

(C) The container is returned to a supplier of hazardous materials for the purpose of being refilled.

(D) The container is not treated prior to being returned to the supplier of hazardous materials, except as provided in regulations adopted by the department.

(E) The container is not treated by the supplier of hazardous materials except by rinsing.

(F) The container is refilled by the supplier with hazardous material which is compatible with the hazardous material which the container previously held unless the container has been adequately rinsed.

(G) The container is handled in accordance with any regulations adopted by the department to implement this paragraph.

(6) The material is used or reused as an ingredient in an industrial process to make a product, if the material is not being treated before introduction to that process except by one or more of the following procedures, and if any discharges to air from the following procedures do not contain constituents which are hazardous wastes pursuant to the department's regulations and comply with applicable air pollution control laws:

(A) Filtering.

(B) Screening.

(C) Sorting.

(D) Sieving.

(E) Grinding.

(F) Physical or gravity separation, without chemical additive or the addition of external heat.

(G) pH adjustment.

(H) Viscosity adjustment.

(7) The material is used or reused as a safe and effective substitute for commercial products, if the material is not being treated except by one or more of the following procedures, and if any discharges to air from the following procedures do not contain constituents which are hazardous wastes pursuant to the department's regulations and comply with applicable air pollution control laws:

(A) Filtering.

(B) Screening.

(C) Sorting.

(D) Sieving.

(E) Grinding.

(F) Physical or gravity separation, without any chemical additive or the addition of external heat.

(G) pH adjustment.

(H) Viscosity adjustment.

(e) Notwithstanding subdivisions (b), (c), and (d), all of the following recyclable materials are hazardous wastes and subject to full regulation under this chapter, even if the recycling involves use, reuse, or return to the original process as described in subdivision (b), or even if the recycling involves activities or materials described in subdivisions (c) and (d):

(1) Materials which are a RCRA hazardous waste, as defined in Section 25120.2, used in a manner constituting disposal, or used to produce products that are applied to the land including, but not limited to, materials used to produce a fertilizer, soil amendment, agricultural mineral, or an auxiliary soil and plant substance.

(2) Materials which are a non-RCRA hazardous waste, as defined in Section 25117.9, and used in a manner constituting disposal or used to produce products that are applied to the land as a fertilizer, soil amendment, agricultural mineral, or an auxiliary soil and plant substance. The department may adopt regulations to exclude materials from regulation pursuant to this paragraph.

(3) Materials burned for energy recovery, used to produce a fuel, or contained in fuels, except materials exempted under paragraph (1) of subdivision (c) or excluded under subparagraph (B), (C), or (D) of paragraph (2) of subdivision (d).

(4) Materials accumulated speculatively.

(5) Materials determined to be inherently wastelike pursuant to regulations adopted by the department.

(6) Used or spent etchants, stripping solutions, and plating solutions, which are transported to an offsite facility operated by a person other than the generator and which are either of the following:

(A) The etchants or solutions are no longer fit for their originally purchased or manufactured purpose.

(B) If the etchants or solutions are reused, the generator and the user cannot document that they are used for their originally purchased or manufactured purpose without prior treatment.

(7) Used oil, as defined in subdivision (a) of Section 25250.1, unless one of the following applies:

(A) The used oil is excluded under subparagraph (B) or (C) of paragraph (2) of subdivision (d) or under paragraph (4) of subdivision (d) of this section, under subdivision (e) of Section 25250.1, or under Section 25250.3.

(B) The used oil is used or reused on the site where it was generated or is excluded under paragraph (3) of subdivision (d) of this section and, in either situation, is not any of the following:

(i) Used in a manner constituting disposal or used to produce a product that is applied to land.

(ii) Burned for energy recovery or used to produce a fuel, unless the used oil is excluded under subparagraph (B) or (C) of paragraph (2) of subdivision (d).

(iii) Accumulated speculatively.

(iv) Determined to be inherently wastelike pursuant to regulations adopted by the department.

(f) (1) Any person who manages a recyclable material under a claim that the material qualifies for exclusion or exemption pursuant to this section shall provide, upon request, to the department, the Environmental Protection Agency, or any local agency or official authorized to bring an action as provided in Section 25180, all of the following information:

(A) The name, street and mailing address, and telephone number of the owner or operator of any facility that manages the material.

(B) Any other information related to that person's management of the material requested by the department, the Environmental Protection Agency, or the authorized local agency or official.

(2) Any person claiming an exclusion or an exemption shall maintain adequate records to demonstrate to the satisfaction of the requesting agency or official that there is a known market or disposition for the material, and that the requirements of any exemption or exclusion pursuant to this section are met.

(3) For purposes of determining that the conditions for exclusion from classification as a waste pursuant to this section are met, any person, facility, site, or vehicle engaged in the management of a material under a claim that the material is excluded from classification as a waste pursuant to this section shall be subject to Section 25185.

(g) For purposes of Chapter 6.8 (commencing with Section 25300), recyclable materials excluded from classification as a waste pursuant to this section are not excluded from the definition of hazardous substances in subdivision (g) of Section 25316.

(h) Used oil that fails to qualify for exclusion pursuant to subdivision (d) solely because the used oil is a RCRA hazardous waste, may be managed pursuant to subdivision (d) if the used oil is also managed in accordance with Part 260 (commencing with Section 260.1) to Part 270 (commencing with Section 270.1), inclusive, of Subchapter I of Chapter 1 of Title 40 of the Code of Federal Regulations.

SEC. 1.5. Section 25143.2 of the Health and Safety Code is amended to read:

25143.2. (a) Recyclable materials are subject to the requirements of this chapter and the regulations adopted by the department to implement this chapter which apply to hazardous wastes, unless the department issues a variance pursuant to Section 25143, or except as provided otherwise in subdivision (b), (c), or (d) or the regulations adopted by the department pursuant to Sections 25150 and 25151. For the purposes of this section, recyclable material does not include infectious waste.

(b) Except as otherwise provided in subdivisions (e), (f) and (g), recyclable material which is managed in accordance with Section 25143.9 and is or will be recycled by any of the following methods shall be excluded from classification as a waste:

(1) Used or reused as an ingredient in an industrial process to make a product, if the material is not being reclaimed.

(2) Used or reused as a safe and effective substitute for commercial products, if the material is not being reclaimed.

(3) Returned to the original process from which the material was generated, without first being reclaimed, if the material is returned as a substitute for raw material feedstock, and the process uses raw materials as principal feedstocks.

(c) Except as otherwise provided in subdivision (e), any recyclable material may be recycled at a facility which is not authorized by the department pursuant to the applicable hazardous waste facilities permit requirements of Article 9 (commencing with Section 25200) if either of the following requirements is met:

(1) The material is a petroleum refinery waste containing oil which is converted into petroleum coke at the same facility at which the waste was generated, unless the resulting coke product would be identified as a hazardous waste under this chapter. A waste subject to this paragraph is exempt from this chapter to the same extent the waste is exempt from subsections (q), (r), and (s) of Section 6924 of Title 42 of the United States Code.

(2) The material meets all of the following conditions:

(A) The material is recycled and used at the same facility at which the material was generated.

(B) The material is recycled within 90 days of its generation.

(C) The material is managed in accordance with all applicable requirements for generators of hazardous wastes under this chapter and regulations adopted by the department.

(d) Except as otherwise provided in subdivisions (e), (f), (g), and (h), recyclable material which meets the definition of a non-RCRA hazardous waste in Section 25117.9, is managed in accordance with Section 25143.9, and meets or will meet any of the following requirements is excluded from classification as a waste:

(1) The material can be shown to be recycled and used at the site where the material was generated.

(2) The material qualifies as one or more of the following:

(A) The material is a product, which has been processed from a hazardous waste, or which has been handled, at a facility authorized by the department pursuant to the facility permit requirements of Article 9 (commencing with Section 25200) to process or handle the material, if the product meets both of the following conditions:

(i) The product does not contain constituents, other than those for which the material is being recycled which render the material hazardous under regulations adopted pursuant to Sections 25140 and 25141.

(ii) The product is used, or distributed or sold for use, in a manner

for which the product is commonly used.

(B) The material is a petroleum refinery waste containing oil which is converted into petroleum coke at the same facility at which the waste was generated, unless the resulting coke product would be identified as a hazardous waste under this chapter.

(C) The material is oily waste, used oil, or spent nonhalogenated solvent which is managed by the owner or operator of a refinery which is processing primarily crude oil and which is not subject to permit requirements for recycling of used oil, or a public utility, or a corporate subsidiary, corporate parent, or subsidiary of the same corporate parent of the refinery or public utility, and which meets all of the following requirements:

(i) The material is either burned in an industrial boiler, an industrial furnace, an incinerator, or a utility boiler which complies with all applicable federal and state laws, or is recombined with normal process streams to produce a fuel.

(ii) The material is managed at the site where it was generated; managed at another site owned or operated by the generator, a corporate subsidiary of the generator, a subsidiary of the same entity of which the generator is a subsidiary, or the corporate parent of the generator; or, if the material is generated in the course of oil or gas exploration or production, managed by an unrelated refinery receiving the waste through a common pipeline.

(iii) The material does not contain constituents other than those for which the material is being recycled which render the material hazardous under regulations adopted pursuant to Sections 25140 and 25141.

(D) The material is a fuel which is removed from a fuel tank, is either contaminated with water or by nonhazardous debris, of not more than 2 percent by weight, including, but not limited to, rust or sand, or a fuel unintentionally mixed with an unused petroleum product, and is transferred to, and processed into a fuel at, a refinery which processes primarily crude oil.

(3) The material is transported between locations operated by the same person who generated the material, if the material is recycled at the last location operated by that person and all of the conditions of clauses (i) to (vi), inclusive, of subparagraph (A) of paragraph (4) are met. If requested by the department or by any law enforcement official, a person handling material subject to this paragraph shall, within 15 days of the request, supply documentation to show that the requirements of this paragraph have been satisfied.

(4) (A) The material is transferred between locations operated by the same person who generated the material, if the material is to be recycled at an authorized offsite hazardous waste facility and if all of the following conditions are met:

(i) The material is transferred by employees of that person in vehicles under the control of that person or by a registered hazardous waste hauler under contract to that person.

(ii) The material is not handled at any interim location.

(iii) The material is not held at any publicly accessible interim location for more than four hours unless required by other provisions of law.

(iv) The material is managed in compliance with the requirements of this chapter and the regulations adopted pursuant to this chapter prior to the initial transportation of the material and after the receipt of the material at the last location operated by that person. Upon receipt of the material at the last location operated by that person, the material shall be deemed to have been generated at that location.

(v) All of the following information is maintained in an operating log at the last location operated by that person:

(I) The name and address of each generator location contributing material to each shipment received.

(II) The quantity and type of material contributed by each generator to each shipment of material.

(III) The destination and intended disposition of all material shipped offsite or received.

(IV) The date of each shipment received or sent offsite.

The log shall be kept for at least three years after receipt of the material at that location.

(vi) If requested by the department, or by any law enforcement official, a person handling material subject to this paragraph shall, within 15 days of the request, supply documentation to show that the requirements of this paragraph have been satisfied.

(B) For purposes of paragraph (3) and subparagraph (A) of paragraph (4), "person" also includes corporate subsidiary, corporate parent, or subsidiary of the same corporate parent.

(C) Persons which are a corporate subsidiary, corporate parent, or subsidiary of the same corporate parent, and which manage recyclable materials under paragraph (3) or subparagraph (A) of paragraph (4), are jointly and severally liable for any activities excluded from regulation pursuant to this section.

(5) The material is used or reused as an ingredient in an industrial process to make a product, if the material is not being treated before introduction to that process except by one or more of the following procedures, and if any discharges to air from the following procedures do not contain constituents which are hazardous wastes pursuant to the department's regulations and comply with applicable air pollution control laws:

(A) Filtering.

(B) Screening.

(C) Sorting.

(D) Sieving.

(E) Grinding.

(F) Physical or gravity separation, without the addition of external heat or any chemicals.

(G) pH adjustment.

(H) Viscosity adjustment.

(6) The material is used or reused as a safe and effective substitute for commercial products, if the material is not being treated except by one or more of the following procedures, and if any discharges to air from the following procedures do not contain constituents which are hazardous wastes pursuant to the department's regulations and comply with applicable air pollution control laws:

(A) Filtering.

(B) Screening.

(C) Sorting.

(D) Sieving.

(E) Grinding.

(F) Physical or gravity separation, without the addition of external heat or any chemicals.

(G) pH adjustment.

(H) Viscosity adjustment.

(e) Notwithstanding subdivisions (b), (c), and (d), all of the following recyclable materials are hazardous wastes and subject to full regulation under this chapter, even if the recycling involves use, reuse, or return to the original process as described in subdivision (b), or even if the recycling involves activities or materials described in subdivisions (c) and (d):

(1) Materials which are a RCRA hazardous waste, as defined in Section 25120.2, used in a manner constituting disposal, or used to produce products that are applied to the land including, but not limited to, materials used to produce a fertilizer, soil amendment, agricultural mineral, or an auxiliary soil and plant substance.

(2) Materials which are a non-RCRA hazardous waste, as defined in Section 25117.9, and used in a manner constituting disposal or used to produce products that are applied to the land as a fertilizer, soil amendment, agricultural mineral, or an auxiliary soil and plant substance. The department may adopt regulations to exclude materials from regulation pursuant to this paragraph.

(3) Materials burned for energy recovery, used to produce a fuel, or contained in fuels, except materials exempted under paragraph (1) of subdivision (c) or excluded under subparagraph (B), (C), or (D) of paragraph (2) of subdivision (d).

(4) Materials accumulated speculatively.

(5) Materials determined to be inherently wastelike pursuant to regulations adopted by the department.

(6) Used or spent etchants, stripping solutions, and plating solutions, which are transported to an offsite facility operated by a person other than the generator and which are either of the following:

(A) The etchants or solutions are no longer fit for their originally purchased or manufactured purpose.

(B) If the etchants or solutions are reused, the generator and the user cannot document that they are used for their originally purchased or manufactured purpose without prior treatment.

(7) Used oil, as defined in subdivision (a) of Section 25250.1, unless

one of the following applies:

(A) The used oil is excluded under subparagraph (B) or (C) of paragraph (2) of subdivision (d) or under paragraph (4) of subdivision (d) of this section, under subdivision (e) of Section 25250.1, or under Section 25250.3.

(B) The used oil is used or reused on the site where it was generated or is excluded under paragraph (3) of subdivision (d) of this section and, in either situation, is not any of the following:

(i) Used in a manner constituting disposal or used to produce a product that is applied to land.

(ii) Burned for energy recovery or used to produce a fuel, unless the used oil is excluded under subparagraph (B) or (C) of paragraph (2) of subdivision (d).

(iii) Accumulated speculatively.

(iv) Determined to be inherently wastelike pursuant to regulations adopted by the department.

(f) (1) Any person who manages a recyclable material under a claim that the material qualifies for exclusion or exemption pursuant to this section shall provide, upon request, to the department, the Environmental Protection Agency, or any local agency or official authorized to bring an action as provided in Section 25180, all of the following information:

(A) The name, street and mailing address, and telephone number of the owner or operator of any facility that manages the material.

(B) Any other information related to that person's management of the material requested by the department, the Environmental Protection Agency, or the authorized local agency or official.

(2) Any person claiming an exclusion or an exemption shall maintain adequate records to demonstrate to the satisfaction of the requesting agency or official that there is a known market or disposition for the material, and that the requirements of any exemption or exclusion pursuant to this section are met.

(3) For purposes of determining that the conditions for exclusion from classification as a waste pursuant to this section are met, any person, facility, site, or vehicle engaged in the management of a material under a claim that the material is excluded from classification as a waste pursuant to this section shall be subject to Section 25185.

(g) For purposes of Chapter 6.8 (commencing with Section 25300), recyclable materials excluded from classification as a waste pursuant to this section are not excluded from the definition of hazardous substances in subdivision (g) of Section 25316.

(h) Used oil that fails to qualify for exclusion pursuant to subdivision (d) solely because the used oil is a RCRA hazardous waste, may be managed pursuant to subdivision (d) if the used oil is also managed in accordance with Part 260 (commencing with Section 260.1) to Part 270 (commencing with Section 270.1), inclusive, of Subchapter I of Chapter 1 of Title 40 of the Code of Federal Regulations.

SEC. 2. Section 25143.9 of the Health and Safety Code is amended to read:

25143.9. A recyclable material shall not be excluded from classification as a waste pursuant to subdivision (b) or (d) of Section 25143.2, unless all of the following requirements are met:

(a) If the material is held in a container or tank, the container or tank is labeled, marked, and placarded in accordance with the department's hazardous waste labeling, marking, and placarding requirements which are applicable to generators, except that the container or tank shall be labeled or marked clearly with the words "Excluded Recyclable Material" instead of the words "Hazardous Waste," and manifest document numbers are not applicable.

(b) The owner or operator of the business location where the material is located has a business plan that meets the requirements of Section 25504, including, but not limited to, emergency response plans and procedures, as described in subdivision (b) of Section 25504, which specifically address the material or that meet the department's emergency response and contingency requirements which are applicable to generators of hazardous waste.

(c) The material shall be stored and handled in accordance with all local ordinances and codes, including, but not limited to, fire codes, governing the storage and handling of the hazardous material. If a local jurisdiction does not have an ordinance or code regulating the storage of the material, including, but not limited to, an ordinance or code requiring secondary containment for hazardous material storage areas, then the material shall be stored in tanks, waste piles, or containers meeting the department's regulations establishing design standards which would be applicable to tanks, waste piles, or containers if the material were not exempt from classification as a hazardous waste.

(d) If the material is being exported to a foreign country, the person exporting the material meets the requirements of Section 25162.1.

SEC. 2.5. Section 25143.9 of the Health and Safety Code is amended to read:

25143.9. A recyclable material shall not be excluded from classification as a waste pursuant to subdivision (b) or (d) of Section 25143.2, unless all of the following requirements are met:

(a) If the material is held in a container or tank, the container or tank is labeled, marked, and placarded in accordance with the department's hazardous waste labeling, marking, and placarding requirements which are applicable to generators, except that the container or tank shall be labeled or marked clearly with the words "Excluded Recyclable Material" instead of the words "Hazardous Waste," and manifest document numbers are not applicable.

(b) The owner or operator of the business location where the material is located has a business plan that meets the requirements of Section 25504, including, but not limited to, emergency response plans and procedures, as described in subdivision (b) of Section

25504, which specifically address the material or that meet the department's emergency response and contingency requirements which are applicable to generators of hazardous waste.

(c) The material shall be stored and handled in accordance with all local ordinances and codes, including, but not limited to, fire codes, governing the storage and handling of the hazardous material. If a local jurisdiction does not have an ordinance or code regulating the storage of the material, including, but not limited to, an ordinance or code requiring secondary containment for hazardous material storage areas, then the material shall be stored in tanks, waste piles, or containers meeting the department's interim status regulations establishing design standards applicable to tanks, waste piles, or containers storing hazardous waste.

(d) If the material is being exported to a foreign country, the person exporting the material shall meet the requirements of Section 25162.1.

SEC. 3. Section 25162.1 is added to the Health and Safety Code, to read:

25162.1. A recyclable material that is to be exported to a foreign country is not excluded from classification as a waste pursuant to subdivision (b) or (d) of Section 25143.2, unless the requirements of Sections 25143.2 and 25143.9 are met, and the person exporting the material has complied with all of the following requirements:

(a) The person notifies the department, in writing, four weeks before the initial shipment. This notification may cover export activities extending over a 12-month or lesser period and shall include all of the following information:

(1) The generator's name, site address, mailing address, telephone number, Environmental Protection Agency or state identification number, if applicable, contact person, and signature of exporter.

(2) Each transporter's name, address, telephone number, Environmental Protection Agency or state identification number, if applicable, name of contact person, mode of transportation, and container type used during transport.

(3) A description of the material and, if applicable, its United States Department of Transportation proper shipping name, hazard class, and shipping identification number (UN/NA).

(4) The estimated frequency of shipments and total quantity of material to be exported.

(5) All points of departure from the state and intended destinations.

(6) Each receiving facility's name and address.

(7) A description of the end use of the material, and the basis for the specific exemption provided in Section 25143.2 which is applicable to the material.

(b) For each individual shipment, submit to the department, within 90 days of shipment date, a copy of the waybill, shipping paper, or any document which includes all of the following

information specific to that shipment:

(1) Each generator's name and address.

(2) Each receiving facility's name and address.

(3) The date of shipment.

(4) The type, quantity, and value of the material.

SEC. 4. Section 25176 of the Health and Safety Code is repealed:

SEC. 5. Section 25178 of the Health and Safety Code is amended to read:

25178. On or before January 1 of each odd-numbered year, the department shall prepare and submit to the Legislature a report containing, but not limited to, the following:

(a) The status of the regulatory and program developments required pursuant to legislative mandates.

(b) The status of the hazardous waste facilities permit program which shall include all of the following information:

(1) A description of the final hazardous waste facilities permit applications received.

(2) The number of final hazardous waste facilities permits issued to date.

(3) The number of final hazardous waste facilities permits yet to be issued.

(4) A complete description of the reasons why the final hazardous waste facilities permits yet to be issued have not been issued.

For purposes of this subdivision, "hazardous waste facility" means a facility which uses a land disposal method, as defined in subdivision (h) of Section 25179.3, and which disposes of wastes regulated as hazardous waste pursuant to the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Sec. 6901 et seq.).

(c) The status of the hazardous waste facilities siting program.

(d) The status of the hazardous waste abandoned sites program.

(e) A summary of enforcement actions taken pursuant to this chapter and any other actions relating to hazardous waste management.

(f) Summary data on annual quantities and types of hazardous waste generated, transported, treated, stored, and disposed.

(g) Summary data regarding onsite and offsite disposition of hazardous waste.

(h) Research activity initiated by the department.

(i) Regulatory action by other agencies relating to hazardous waste management.

(j) A revised listing of recyclable materials showing any additions or deletions to the list prepared pursuant to Section 25175 that have occurred since the last report.

(k) Any other data considered pertinent by the department to hazardous waste management.

SEC. 6. Section 25250.1 of the Health and Safety Code is amended to read:

25250.1. As used in this article, the following terms have the following meanings:

(a) "Used oil" means any of the following:

(1) Any oil that has been refined from crude oil, and has been used, and, as a result of use, has been contaminated with physical or chemical impurities.

(2) Any oil that has been refined from crude oil and, as a consequence of extended storage, spillage, or contamination with nonhazardous impurities such as dirt and water, is no longer useful to the original purchaser.

(3) Spent lubricating fluids which have been removed from an engine crankcase, transmission, gearbox, or differential of an automobile, bus, truck, vessel, plane, heavy equipment, or machinery powered by an internal combustion engine.

(4) Spent industrial oils, including compressor, turbine, and bearing oil, hydraulic oil, metal-working oil, refrigeration oil, and railroad drainings.

(5) Contaminated fuel oil with a flashpoint equal to or greater than 100°F.

"Used oil" does not include oil which has a flashpoint below 100°F or which has been intentionally mixed with hazardous waste, other than minimal amounts of vehicle fuel. "Used oil" also does not include oil which contains polychlorinated biphenyls (PCBs) at a concentration of 5 ppm or greater. Used oil containing more than 1,000 ppm total halogens shall also meet the Environmental Protection Agency requirements listed in paragraph (c) of Section 266.40 of Title 40 of the Code of Federal Regulations.

(b) "Board" means the California Integrated Waste Management Board.

(c) "Recycled oil" means any oil, produced from used oil, which has been prepared for reuse and which achieves minimum standards of purity, in liquid form, as established by the department. This subdivision does not apply to oil which is to be disposed. The following standards of purity are in effect unless the department, by regulation, establishes more stringent standards:

(1) Flashpoint: minimum standards set by the American Society for Testing and Materials for the recycled products.

(2) Lead: 100 ppm or less prior to January 1, 1988; 50 ppm or less on and after January 1, 1988.

(3) Arsenic: 5 ppm or less.

(4) Chromium: 10 ppm or less.

(5) Cadmium: 2 ppm or less.

(6) Total halogens: if the oil contains more than 1,000 ppm total halogens, the oil shall meet the requirements of Section 266.40 of Title 40 of the Code of Federal Regulations (50 Fed. Reg. 49205), so that the oil is regulated as used oil pursuant to Subpart E (commencing with Section 266.40) of Part 266 of Subchapter I of Chapter 1 of Title 40 of the Code of Federal Regulations, and not as a RCRA hazardous waste pursuant to Subpart D (commencing with Section 266.30) of Part 266 of Subchapter I of Chapter 1 of Title 40 of the Code of Federal Regulations. However, the oil shall not

contain more than 3,000 ppm total halogens.

(7) Polychlorinated biphenyls (PCBs): less than 2 ppm.

Compliance with these standards shall not be met by blending or diluting used oil with crude or virgin oil and shall be determined in accordance with the procedures for identification and listing of hazardous waste adopted in regulations by the department. Persons authorized by the department to recycle oil shall maintain records of volumes and characteristics of incoming used oil and outgoing recycled oil and documentation concerning the recycling technology utilized to demonstrate to the satisfaction of the department or other enforcement agencies that the recycling has been achieved in compliance with this subdivision.

(d) The standards set in subdivision (c) include the only concentrations allowed above the criteria adopted pursuant to Section 25141.

(e) Used oil which meets the standards set in subdivision (c), is not hazardous pursuant to the criteria adopted pursuant to Section 25141 for constituents other than those listed in subdivision (c), and is not mixed with any waste listed as a hazardous waste in Part 261 (commencing with Section 261.1) of Chapter 1 of Title 40 of the Code of Federal Regulations is not regulated by the department, unless otherwise specified. Used oil recycling facilities that are the first to claim that the used oil meets these requirements shall maintain an operating log and copies of certification forms as specified in Section 25250.19. Any person who generates used oil, and who claims that the oil is exempt from regulation pursuant to this subdivision, shall notify the department, in writing, of that claim and shall comply with the testing and recordkeeping requirements of Section 25250.19 prior to its reuse. In any action to enforce this article, the burden is on the generator or recycling facility (whichever first claimed that the used oil met the standards and criteria) and user of the used oil to prove that the oil met those standards and criteria.

(f) "Used oil recycling facility" means a facility which reprocesses or rerefines used oil.

(g) "Used oil storage facility" means a storage facility, as defined in subdivision (a) of Section 25123.3, which stores used oil.

(h) "Used oil transfer facility" means a transfer facility, as defined in subdivision (c) of Section 25123.3, that either stores used oil for periods greater than 144 hours or that transfers used oil from one container to another.

SEC. 7. Section 25250.4 of the Health and Safety Code is amended to read:

25250.4. Used oil shall be managed as a hazardous waste in accordance with the requirements of this chapter until it has been shown to meet the requirements of subdivision (e) of Section 25250.1 or is excluded from regulation as a hazardous waste pursuant to Section 25143.2.

SEC. 8. Section 25250.15 of the Health and Safety Code is amended to read:

25250.15. (a) Any person operating a refuse removal vehicle or a curbside collection vehicle used to collect or transport used oil which has been generated as a household waste or as part of a curbside recycling program, as defined by the board, is exempt from the requirements of Sections 25160 and 25250.8, and subdivisions (a) and (e) of Section 25163 of this code and Chapter 2.5 (commencing with Section 2500) of Division 2, Division 14.1 (commencing with Section 32000), and subdivision (g) of Section 34500 of the Vehicle Code.

(b) Refuse removal and other curbside collection operations exempted under subdivision (a) are also exempt from permit requirements pursuant to Article 9 (commencing with Section 25200), if the storage location meets all applicable hazardous waste generator, container, and tank requirements, except for the generator fee requirement specified in subdivision (d).

(c) Used oil collected under the requirements of this section shall be deemed to be generated by the storage location upon receipt.

(d) Used oil collected pursuant to this section is exempt from the generator fee imposed pursuant to Section 25205.5.

SEC. 9. Section 1.5 of this bill incorporates amendments to Section 25143.2 of the Health and Safety Code proposed by both this bill and AB 1713. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 25143.2 of the Health and Safety Code, and (3) this bill is enacted after AB 1713, in which case Section 1 of this bill shall not become operative.

SEC. 10. Section 2.5 of this bill incorporates amendments to Section 25143.9 of the Health and Safety Code proposed by both this bill and AB 1713. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 25143.9 of the Health and Safety Code, and (3) this bill is enacted after AB 1713, in which case Section 2 of this bill shall not become operative.

SEC. 11. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1174

An act to add Section 66023 to the Education Code, relating to postsecondary education, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 66023 is added to the Education Code, to read:

66023. Each segment of public higher education shall establish, and update as necessary, a written policy concerning students who are called to active military service. The policy shall do all of the following:

(a) Ensure that those students do not lose academic credits or degree status.

(b) Provide for a refund of fees paid by the student for the term in which he or she was called to active military service.

(c) Exempt students who were required to leave school for active military service during any term commencing in the fall of 1990 through the spring of 1991 from paying any increase in fees. This exemption shall remain in effect for the same number of terms that the student was absent from school because of active military service.

SEC. 2. No provision of this act shall apply to the University of California, unless the Regents of the University of California, by resolution, make the provision applicable.

SEC. 3. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that students who have been called to active military service in the current academic year may benefit as soon as possible from the policies required to be established by this act, it is necessary that this act take effect immediately.

CHAPTER 1175

An act to amend Sections 23249.53, 23249.54, and 23249.55 of the Vehicle Code, relating to vehicles.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 23249.53 of the Vehicle Code is amended to read:

23249.53. (a) Any person convicted of a violation of Section 23152 or 23153 in a judicial district that participates in a county alcohol and drug problem assessment program pursuant to this article shall participate in the program.

(b) Any person convicted of a violation of Section 23103, as specified in Section 23103.5, in a judicial district that participates in a county alcohol and drug problem assessment program pursuant to this article, may be ordered to participate in the program.

SEC. 2. Section 23249.54 of the Vehicle Code is amended to read:

23249.54. An alcohol and drug problem assessment report shall be made on each person who participates in the program. The report may be used to determine the appropriate sentence for any person convicted of a violation of Section 23103, as specified in Section 23103.5, or Section 23152, or 23153.

SEC. 3. Section 23249.55 of the Vehicle Code is amended to read:

23249.55. (a) Notwithstanding any other provision of law, in addition to any other fine or penalty assessment, there shall be levied an assessment of not more than seventy-five dollars ($75) upon every fine, penalty, or forfeiture imposed and collected by the courts for a violation of Section 23152 or 23153 in any judicial district that participates in a county alcohol and drug problem assessment program pursuant to this article. An assessment of not more than seventy-five dollars ($75) shall be imposed and collected by the courts from each person convicted of a violation of Section 23103, as specified in Section 23103.5, who is ordered to participate in a county alcohol and drug problem assessment program pursuant to Section 23249.53.

(b) The court shall determine if the defendant has the ability to pay the assessment. If the court determines that the defendant has the ability to pay the assessment then the court may set the amount to be reimbursed and order the defendant to pay that sum to the county in the manner which the court determines is reasonable and compatible with the defendant's financial ability. In making a determination of whether a defendant has the ability to pay, the court shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution.

(c) Notwithstanding Section 1463 or 1464 of the Penal Code or any other provision of law, all moneys collected pursuant to this section shall be deposited in a special account in the county treasury and shall be used exclusively to pay for the costs of developing, implementing, operating, maintaining, and evaluating alcohol and drug problem assessment programs.

(d) On January 15 of each year, the treasurer of each county that administers an alcohol and drug problem assessment program shall determine those moneys in the special account which were not expended during the preceding fiscal year, and shall transfer those moneys to the general fund of the county.

(e) Any moneys remaining in the special account, if and when the alcohol and drug problem assessment program is terminated, shall be transferred to the general fund of the county.

(f) The county treasurer shall annually transfer an amount of money equal to the county's administrative cost incurred pursuant to this section, as he or she shall determine, from the special account to the general fund of the county.

CHAPTER 1176

An act to amend Sections 1091 and 1126 of, and to repeal Section 1129.1 of, the Government Code, relating to water.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1091 of the Government Code is amended to read:

1091. (a) An officer shall not be deemed to be interested in a contract entered into by a body or board of which the officer is a member within the meaning of this article if the officer has only a remote interest in the contract and if the fact of that interest is disclosed to the body of the board of which the officer is a member and noted in its official records, and thereafter the body or board authorizes, approves, or ratifies the contract in good faith by a vote of its membership sufficient for the purpose without counting the vote or votes of the officer or member with the remote interest.

(b) As used in this article, "remote interest" means any of the following:

(1) That of an officer or employee of a nonprofit corporation, except as provided in paragraph (8) of subdivision (a) of Section 1091.5.

(2) That of an employee or agent of the contracting party, if the contracting party has 10 or more other employees and if the officer was an employee or agent of that contracting party for at least three

years prior to the officer initially accepting his or her office.

For purposes of this paragraph, time of employment with the contracting party by the officer shall be counted in computing the three-year period specified in this paragraph even though the contracting party has been converted from one form of business organization to a different form of business organization within three years of the initial taking of office by the officer. Time of employment in that case shall be counted only if, after the transfer or change in organization, the real or ultimate ownership of the contracting party is the same or substantially similar to that which existed before the transfer or change in organization. For purposes of this paragraph, stockholders, bondholders, partners, or other persons holding an interest in the contracting party are regarded as having the "real or ultimate ownership" of the contracting party.

(3) That of an employee or agent of the contracting party, if all of the following conditions are met:

(A) The agency of which the person is an officer is a local public agency located in a county with a population of less than 4,000,000.

(B) The contract is competitively bid and is not for personal services.

(C) The employee or agent is not in a primary management capacity with the contracting party, is not an officer or director of the contracting party, and holds no ownership interest in the contracting party.

(D) The contracting party has 10 or more other employees.

(E) The employee or agent did not directly participate in formulating the bid of the contracting party.

(F) The contracting party is the lowest responsible bidder.

(4) That of a parent in the earnings of his or her minor child for personal services.

(5) That of a landlord or tenant of the contracting party.

(6) That of an attorney of the contracting party or that of an owner, officer, employee, or agent of a firm which renders, or has rendered, service to the contracting party in the capacity of stockbroker, insurance agent, insurance broker, real estate agent, or real estate broker, if these individuals have not received and will not receive remuneration, consideration, or a commission as a result of the contract.

(7) That of a member of a nonprofit corporation formed under the Food and Agricultural Code or a nonprofit corporation formed under the Corporations Code for the sole purpose of engaging in the merchandising of agricultural products or the supplying of water.

(8) That of a supplier of goods or services when those goods or services have been supplied to the contracting party by the officer for at least five years prior to his or her election or appointment to office.

(9) That of a person subject to the provisions of Section 1090 in any contract or agreement entered into pursuant to the provisions of the California Land Conservation Act of 1965.

(10) That of an officer, director, or employee of a bank, bank holding company, or savings and loan association with which a party to the contract has the relationship of borrower or depositor, debtor or creditor.

(11) That of an engineer, geologist, or architect employed by a consulting engineering or architectural firm. This paragraph applies only to an employee of a consulting firm who does not serve in a primary management capacity, and does not apply to an officer or director of a consulting firm.

(12) That of an elected officer otherwise subject to Section 1090, in any housing assistance payment contract entered into pursuant to Section 8 of the United States Housing Act of 1937 (42 U.S.C. Sec. 1437f) as amended, provided that the housing assistance payment contract was in existence before Section 1090 became applicable to the officer and will be renewed or extended only as to the existing tenant, or, in a jurisdiction in which the rental vacancy rate is less than 5 percent, as to new tenants in a unit previously under a Section 8 contract. This section applies to any person who became a public official on or after November 1, 1986.

(c) This section is not applicable to any officer interested in a contract who influences or attempts to influence another member of the body or board of which he or she is a member to enter into the contract.

(d) The willful failure of an officer to disclose the fact of his or her interest in a contract pursuant to this section is punishable as provided in Section 1097. That violation does not void the contract unless the contracting party had knowledge of the fact of the remote interest of the officer at the time the contract was executed.

SEC. 2. Section 1126 of the Government Code is amended to read:

1126. (a) Except as provided in Sections 1128 and 1129, a local agency officer or employee shall not engage in any employment, activity, or enterprise for compensation which is inconsistent, incompatible, in conflict with, or inimical to his or her duties as a local agency officer or employee or with the duties, functions, or responsibilities of his or her appointing power or the agency by which he or she is employed. The officer or employee shall not perform any work, service, or counsel for compensation outside of his or her local agency employment where any part of his or her efforts will be subject to approval by any other officer, employee, board, or commission of his or her employing body, unless otherwise approved in the manner prescribed by subdivision (b).

(b) Each appointing power may determine, subject to approval of the local agency, and consistent with the provisions of Section 1128 where applicable, those outside activities which, for employees under its jurisdiction, are inconsistent with, incompatible to, or in conflict with their duties as local agency officers or employees. An employee's outside employment, activity, or enterprise may be prohibited if it: (1) involves the use for private gain or advantage of

his or her local agency time, facilities, equipment and supplies; or the badge, uniform, prestige, or influence of his or her local agency office or employment or, (2) involves receipt or acceptance by the officer or employee of any money or other consideration from anyone other than his or her local agency for the performance of an act which the officer or employee, if not performing such act, would be required or expected to render in the regular course or hours of his or her local agency employment or as a part of his or her duties as a local agency officer or employee or, (3) involves the performance of an act in other than his or her capacity as a local agency officer or employee which act may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement of any other officer or employee or the agency by which he or she is employed, or (4) involves the time demands as would render performance of his or her duties as a local agency officer or employee less efficient.

The local agency may adopt rules governing the application of this section. The rules shall include provision for notice to employees of the determination of prohibited activities, of disciplinary action to be taken against employees for engaging in prohibited activities, and for appeal by employees from such a determination and from its application to an employee. Nothing in this section is intended to abridge or otherwise restrict the rights of public employees under Chapter 9.5 (commencing with Section 3201) of Title 1.

SEC. 3. Section 1129.1 of the Government Code is repealed.

CHAPTER 1177

An act to amend Section 655 of the Insurance Code, and to amend Sections 14904, 16000, 16050.5, 16053, and 16431 of, and to repeal Section 16432 of, the Vehicle Code, relating to financial responsibility, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 655 of the Insurance Code is amended to read:

655. Every insurer issuing policies of motor vehicle liability insurance within the meaning of Section 16450 of the Vehicle Code, automobile liability insurance within the meaning of Section 16054 of that code, or any other liability insurance issued for vehicles with less than four wheels that meets the requirements of Section 16056 of that code shall also, as an incident thereto, complete and file the certificate or certificates provided for under Section 16431 of that code. The proof required by this section may be provided by the

filing of a single certificate.

SEC. 2. Section 14904 of the Vehicle Code is amended to read:

14904. (a) Notwithstanding any other provision of this code, before a driver's license may be issued, reissued, or returned to the licensee after a suspension or a revocation of a person's driving privilege ordered by the department has been terminated, there shall, in addition to any other fees required by this code, be paid to the department a fee sufficient to pay the actual costs of the issuance, reissuance, or return as determined by the department.

(b) This section shall not apply to any suspension or revocation that is set aside by the department or a court.

(c) This section shall not apply to any suspension or revocation based upon a physical or mental condition.

SEC. 3. Section 16000 of the Vehicle Code is amended to read:

16000. (a) The driver of every motor vehicle who is in any manner involved in an accident originating from the operation of a motor vehicle on any street or highway or any reportable off-highway accident defined in Section 16000.1 which has resulted in damage to the property of any one person in excess of five hundred dollars ($500) or in bodily injury or in the death of any person shall, within 10 days after the accident, report the accident, either personally or through an insurance agent, broker, or legal representative, on a form approved by the department to the office of the department at Sacramento, subject to the provisions of this chapter.

(b) A report is not required pursuant to subdivision (a) if the motor vehicle involved in the accident was owned or leased by, or under the direction of, the United States, this state, another state, or a local agency.

SEC. 4. Section 16050.5 of the Vehicle Code is amended to read:

16050.5. The owner of a vehicle, who has a liability insurance policy with respect to the vehicle, shall, upon request, furnish insurance information to a person who, while operating the vehicle with the owner's permission, is involved in a reportable accident with the insured vehicle, or to the department whenever the department is required to establish whether the permitted driver meets the financial responsibility requirements of Section 16020.

SEC. 5. Section 16053 of the Vehicle Code is amended to read:

16053. (a) The department may in its discretion, upon application, issue a certificate of self-insurance when it is satisfied that the applicant in whose name more than 25 motor vehicles are registered is possessed and will continue to be possessed of ability to pay judgments obtained against him or her in amounts at least equal to the amounts provided in Section 16056. The certificate may be issued authorizing the applicant to act as a self-insurer for either property damage or bodily injury or both. Any person duly qualified under the laws or ordinances of any city or county to act as self-insurer and then acting as such, may upon filing with the department satisfactory evidence thereof, along with the application

as may be required by the department, be entitled to receive a certificate of self-insurance.

(b) Upon not less than five days' notice and a hearing pursuant to the notice, the department may upon reasonable grounds cancel a certificate of self-insurance. Failure to pay any judgment within 30 days after the judgment has become final and has not been stayed or satisfied shall constitute a reasonable ground for the cancellation of a certificate of self-insurance.

SEC. 6. Section 16431 of the Vehicle Code is amended to read:

16431. (a) Proof of financial responsibility may be given by the written certificate or certificates of any insurance carrier duly authorized to do business within the state, that it has issued to or for the benefit of the person named therein a motor vehicle liability policy as defined in Section 16450, an automobile liability policy as defined in Section 16054, or any other liability policy issued for vehicles with less than four wheels that meets the requirements of Section 16056, which, at the date of the certificate or certificates is in full force and effect. Except as provided in subdivision (b), the certificate or certificates issued under any liability policy set forth in this section shall be accepted by the department and satisfy the requirements of proof of financial responsibility of this chapter. Nothing in this chapter requires that an insurance carrier certify that there is coverage broader than that provided by the actual policy issued by the carrier.

(b) The department shall require that a person whose driver's license has been revoked, suspended, or restricted pursuant to Section 13350, 13351, 13352, 13353, 13353.2, 13353.3, 13353.6, 13353.7, 16370, or 16370.5 provide, as proof of financial responsibility, a certificate or certificates which covers all motor vehicles registered to the person before reinstatement of his or her driver's license.

(c) Subdivision (b) does not apply to vehicles in storage if the current license plates and registration cards are surrendered to the department in Sacramento.

SEC. 7. Section 16432 of the Vehicle Code is repealed.

SEC. 8. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order for the Department of Motor Vehicles to implement more uniform requirements concerning insurance coverage needed to satisfy the financial responsibility requirements of the Vehicle Code, it is necessary that this act take effect immediately.

CHAPTER 1178

An act to amend Sections 1400, 1515, and 10211 of the Elections Code, relating to elections.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1400 of the Elections Code is amended to read:

1400. Any county having the necessary computer capability may start to process absent voter ballots on the seventh day prior to the election. This process may be completed to the point of putting the information on computer tape, but under no circumstances, shall a vote count be made until 8 p.m. on the day of the election. All other elections officials shall start to process absent voter ballots at 5 p.m. on the day before the election.

Results of any absent voter tabulation or count are not to be released prior to the close of the polls on the day of the election.

SEC. 2. Section 1515 of the Elections Code is amended to read:

1515. If the affidavit of registration of a voter is erroneously placed in a precinct, the voter may apply to the elections official for a certificate showing the record of registration. The elections official shall give the voter the certificate on or before election day. Upon presentation of this certificate to the precinct board of the proper precinct, the board shall permit the voter to vote. If the voter does not obtain the certificate provided for in this section and votes in the precinct into which the affidavit of registration has been erroneously placed by the elections official and the election is contested, the voter's vote shall not be rejected for those candidates and on those measures with respect to which the voter would have been entitled to vote had the voter voted in the proper precinct, and no inquiry shall be made as to how the voter voted for those candidates or on those measures.

No voter who receives a certificate of registration under this section shall be charged a fee by the elections official.

SEC. 3. Section 10211 of the Elections Code is amended to read:

10211. (a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior, municipal, or justice court judge.

(2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior, municipal, or justice court judge, was appointed to that office.

(3) No more than three words designating either the current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word.

(4) The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326, 5327, and 5328 of the Education Code or Section 8873, 9373, 9723, 22844, or 23520 of the Elections Code.

(b) Neither the Secretary of State nor any other election official shall accept a designation which:

(1) Would mislead the voter.

(2) Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

(3) Abbreviates the word "retired" or places it following any word or words which it modifies.

(4) Uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."

(5) Uses the name of any political party, whether or not it has qualified for the ballot.

(6) Uses a word or words referring to a racial, religious, or ethnic group.

(7) Refers to any activity, which activity is prohibited by law.

(c) If upon checking the nomination documents the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.

(1) The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.

(2) In the event the candidate fails to provide an alternate

designation, no designation shall appear after the candidate's name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).

(e) The designation shall remain the same for all purposes of both primary and general elections unless the candidate, at least 83 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases words so used shall be printed in 8-point roman uppercase and lowercase type except that if the designation selected is so long that it would conflict with the space requirements of Sections 10207 and 10221, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

(g) Whenever a foreign language translation of a candidate's designation is required under the Voting Rights Act of 1965 (42 U.S.C.A. Sec. 1971) to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

SEC. 3.5. Section 10211 of the Elections Code is amended to read:

10211. (a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior, municipal, or justice court judge.

(2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior, municipal, or justice court judge, was appointed to that office.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word.

(4) The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In

either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 8873, 9373, 9723, 22843.5, 22844, or 23520 of the Elections Code.

(b) Neither the Secretary of State nor any other election official shall accept a designation that:

(1) Would mislead the voter.

(2) Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

(3) Abbreviates the word "retired" or places it following any word or words which it modifies.

(4) Uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."

(5) Uses the name of any political party, whether or not it has qualified for the ballot.

(6) Uses a word or words referring to a racial, religious, or ethnic group.

(7) Refers to any activity, which activity is prohibited by law.

(c) If, upon checking the nomination documents, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.

(1) The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.

(2) In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate's name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 83 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases words so used shall be printed in 8-point roman uppercase and lowercase type except that if the designation selected is so long that it would conflict with the space requirements of Sections 10207 and 10221, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

(g) Whenever a foreign language translation of a candidate's designation is required under the Voting Rights Act of 1965 (42 U.S.C.A. Sec. 1971) to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

SEC. 4. Section 3.5 of this bill incorporates amendments to Section 10211 of the Elections Code proposed by both this bill and SB 1098. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, (2) each bill amends Section 10211 of the Elections Code, and (3) this bill is enacted after SB 1098, in which case Section 3 of this bill shall not become operative.

SEC. 5. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 6. Notwithstanding Section 5 of this act, no reimbursement shall be made from the State Mandates Claims Fund pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code for costs mandated by the state pursuant to this act relating to trial courts in counties subject to Chapter 13 (commencing with Section 77000) of Title 8 of the Government Code.

CHAPTER 1179

An act to repeal and amend Section 14132.44 of the Welfare and Institutions Code, relating to Medi-Cal, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares that:

(1) The provision of targeted case management services would enable Medi-Cal beneficiaries to obtain access to medical, social,

educational, and other services for which they are eligible.

(2) Currently, certain case management services are being provided by public health nurses and other professionals, and are being financed by county ad valorem tax dollars.

(3) These county funds are not being matched by available federal funds.

(b) It is the intent of the Legislature that federal financial participation in both state and local programs be maximized. It is also the intent of the Legislature that local governments shall be able to voluntarily participate in federal programs where the state is not providing the necessary matching funds.

(c) It is the intent of the Legislature, in enacting this act, to provide for local government participation in the provision of targeted case management services pursuant to Section 1396n (g) of Title 42 of the United States Code, with maximum possible federal financial participation.

SEC. 2. Section 14132.44, as added by Chapter 1384 of the Statutes of 1987, of the Welfare and Institutions Code is repealed.

SEC. 3. Section 14132.44, as added by Chapter 1385 of the Statutes of 1987, of the Welfare and Institutions Code is amended to read:

14132.44. (a) Targeted case management, pursuant to Section 1915(g) of the Social Security Act as amended by Public Law 99-272 (42 U.S.C. Sec. 1396n(g)), is covered as a benefit, subject to utilization controls for the following populations:

(1) Persons served by regional centers administered by the State Department of Developmental Services.

(2) Persons in other programs administered by the State Department of Developmental Services.

(3) Persons receiving services pursuant to Section 14021.3.

(4) Persons in programs determined appropriate by the State Director of Health Services.

(b) A county may elect to provide targeted case management services to one or all of the following groups of Medi-Cal beneficiaries:

(1) High-risk children, youth, and families.

(2) Pregnant, postpartum, and parenting women.

(3) Persons with human immunodeficiency virus infection.

(4) Homeless persons.

(5) Persons abusing alcohol, drugs, or both.

(6) Persons known to use multiple service providers.

(7) Persons with catastrophic or chronic illnesses.

(8) Elderly persons at risk of institutionalization.

(9) Adults at risk of abuse or neglect

(c) A county that elects to make case management services available to the groups specified in subdivision (b) shall, for the purpose of obtaining federal medicaid matching funds, certify to the department the amount of funds expended on allowable targeted case management services.

(d) Upon federal approval for federal financial assistance, the

department, in consultation with counties, and consistent with federal regulations including the State Medicaid Manual of the Department of Health and Human Services, Health Care Financing Administration, shall define case management services, shall establish the standards under which case management services qualify as a Medi-Cal reimbursable service, shall develop an appropriate rate of reimbursement, and shall develop a claiming system to certify local matching expenditures.

(e) The Director of Health Services may require that the local government certify, in each fiscal year, that its expenditures represent costs that are eligible for federal financial participation for that fiscal year. Where this certification by the local government is required, the director shall determine whether that certification is adequately supported for purposes of federal financial participation.

(f) The state shall be held harmless from any federal disallowance resulting from payments made under this section. Any county that has received payments under this section shall be liable for any federal disallowance only with respect to the payments made to that county. The department shall recoup from a county the amount of any federal disallowance in the manner authorized by applicable laws and regulations.

(g) The use of local matching funds allowed by this section shall not create, lead to, or expand the health care funding obligations or service obligations for current or future years for any county, except as required by this section or as may be required by federal law.

(h) Case management services are services which assist clients to gain access to needed medical, social, educational, and other services. Activities conducted by case managers may include, but are not limited to, all of the following:

(1) Assessment of client needs and personal support systems.

(2) Development of comprehensive individualized service plans.

(3) Coordination of services required to implement the individualized service plan.

(4) Health information, education, and referral services.

(5) Client monitoring to assess the efficacy of the plan.

(6) Advocacy for clients with service providers.

(7) Reevaluation and adaptation of the individualized service plan as necessary.

SEC. 3.5. Section 14132.44 of the Welfare and Institutions Code, as added by Chapter 1385 of the Statutes of 1987, is amended to read:

14132.44. (a) Upon federal approval of the state plan amendments under Sections 14021.3 and 14027.5 for federal financial assistance, targeted case management, pursuant to Section 1915(g) of the Social Security Act as amended by Public Law 99-272 (42 U.S.C. Sec. 1396n(g)), is covered as a benefit, subject to utilization controls for the following populations:

(1) Persons served by regional centers administered by the State Department of Developmental Services.

(2) Persons in other programs administered by the State

Department of Developmental Services.

(3) Persons receiving services pursuant to Section 14021.3.

(4) Persons in programs determined appropriate by the State Director of Health Services.

(b) A county may elect to provide targeted case management services to one or all of the following groups of Medi-Cal beneficiaries:

(1) High-risk children, youth, and families.

(2) Pregnant, postpartum, and parenting women.

(3) Persons with human immunodeficiency virus infection.

(4) Homeless persons.

(5) Persons abusing alcohol, drugs, or both.

(6) Persons known to use multiple service providers.

(7) Persons with catastrophic or chronic illnesses.

(8) Elderly persons at risk of institutionalization.

(9) Adults at risk of abuse or neglect.

(c) A county that elects to make case management services available to the groups specified in subdivision (b) shall, for the purpose of obtaining federal medicaid matching funds, certify to the department the amount of funds expended on allowable targeted case management services.

(d) Upon federal approval for federal financial assistance, the department, in consultation with counties, and consistent with federal regulations including the State Medicaid Manual of the Department of Health and Human Services, Health Care Financing Administration, shall define case management services, shall establish the standards under which case management services qualify as a Medi-Cal reimbursable service, shall develop an appropriate rate of reimbursement, and shall develop a claiming system to certify local matching expenditures.

(e) The State Director of Health Services may require that the local government certify, in each fiscal year, that its expenditures represent costs that are eligible for federal financial participation for that fiscal year. Where this certification by the local government is required, the director shall determine whether that certification is adequately supported for purposes of federal financial participation.

(f) The state shall be held harmless from any federal disallowance resulting from payments made under this section. Any county that has received payments under this section shall be liable for any federal disallowance only with respect to the payments made to that county. The department shall recoup from a county the amount of any federal disallowance in the manner authorized by applicable laws and regulations.

(g) The use of local matching funds allowed by this section shall not create, lead to, or expand the health care funding obligations or service obligations for current or future years for any county, except as required by this section or as may be required by federal law.

(h) Case management services are services which assist clients to gain access to needed medical, social, educational, and other services.

Activities conducted by case managers may include, but are not limited to, all of the following:

(1) Assessment of client needs and personal support systems.

(2) Development of comprehensive individualized service plans.

(3) Coordination of services required to implement the individualized service plan.

(4) Health information, education, and referral services.

(5) Client monitoring to assess the efficacy of the plan.

(6) Advocacy for clients with service providers.

(7) Reevaluation and adaptation of the individualized service plan as necessary.

SEC. 4. Any county or city and county participating in programs authorized by this act shall provide funding to the State Department of Health Services for the department's costs to administer those programs. The sum of the funding provided by all participating counties or cities and counties shall not exceed one hundred twenty-five thousand dollars ($125,000) per annum, and shall be used by the department to be matched by federal funds to the full extent possible. Moneys received by the department pursuant to this section are hereby continuously appropriated to the department, and the funds shall be administered in accordance with procedures prescribed by the Department of Finance.

SEC. 5. The State Department of Health Services may adopt emergency regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code and Sections 14105.4 and 14105.5 of the Welfare and Institutions Code, to implement this act. The adoption of those regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health, or safety. Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, emergency regulations adopted by the department in order to implement this act shall not be subject to the review and approval of the Office of Administrative Law. These regulations shall become effective immediately upon filing with the Secretary of State.

SEC. 6. Section 3.5 of this bill incorporates amendments to Section 14132.44 of the Welfare and Institutions Code proposed by both this bill and AB 1341. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, but this bill becomes operative first, (2) each bill amends Section 14132.44 of the Welfare and Institutions Code, and (3) this bill is enacted after AB 1341, in which case Section 14132.44 of the Welfare and Institutions Code, as amended by Section 3 of this bill, shall remain operative only until the operative date of AB 1341, at which time Section 3.5 of this bill shall become operative.

SEC. 7. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to avoid delay in the provision of case management services which assist Medi-Cal beneficiaries in gaining access to needed medical, social, educational, and other services, and to ensure continuity and adequacy of services for these clients, it is necessary that this act take effect immediately.

CHAPTER 1180

An act to amend Sections 1680, 2761, and 2878 of, and to add Section 2221.1 to, the Business and Professions Code, and to add Section 1250.11 to the Health and Safety Code, relating to blood-borne diseases.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. (a) This act shall be known, and may be cited, as the Patient Protection Act of 1991 or the Thompson-Hunter Act of 1991.

(b) Every Californian has a right to the safest possible health care possible.

(c) It is the intent of the Legislature that all persons who receive health care in California be protected from exposure to blood-borne infectious diseases, including human immunodeficiency virus (HIV) and Hepatitis B virus (HBV).

(d) The Legislature hereby finds and declares all of the following:

(1) The same steps which protect patients from infection by health care workers will also help to prevent transmission of blood-borne infectious diseases from patient to patient and from patient to health care worker.

(2) The infection control procedures known as universal precautions which involve treating every patient and every health care worker as if they were infectious and might transmit disease are the most effective means of preventing transmission of all blood-borne infectious diseases from patient to patient, from health care worker to patient, and from patient to health care worker.

(3) The infection control procedures known as universal precautions include simple, commonsense measures, including, but not limited to, hand washing, gloving, and care in the use and disposal of needles and other sharp instruments as well as disinfection and sterilization of equipment.

(4) The California Division of Occupational Safety and Health has been enforcing infection control standards, including, but not limited to, universal precautions, for all health care employees in all health care settings in California for more than three years.

(5) The California Occupational Safety and Health Standards

Board has before it, regulations to ensure compliance with the federal Centers for Disease Control guidelines regarding preventing transmission of blood-borne pathogens, including, but not limited to, universal precautions.

(6) The State Department of Health Services currently enforces infection control standards, including, but not limited to, universal precautions, in all licensed health facilities.

(7) The federal Centers for Disease Control in the Morbidity and Mortality Report for July 12, 1991, found all of the following:

(A) Infected health care workers who adhere to universal precautions and who do not perform invasive procedures pose no risk for transmitting HIV or HBV to patients.

(B) Health care workers who perform certain invasive procedures may pose a remote risk of transmitting Hepatitis B or a more remote risk of transmitting HIV to patients and should observe appropriate precautions.

SEC. 2. Section 1680 of the Business and Professions Code is amended to read:

1680. Unprofessional conduct by a person licensed under this chapter is defined as, but is not limited to, the violation of any one of the following:

(a) The obtaining of any fee by fraud or misrepresentation.

(b) The employment directly or indirectly of any student or suspended or unlicensed dentist to practice dentistry as defined in this chapter.

(c) The aiding or abetting of any unlicensed person to practice dentistry.

(d) The aiding or abetting of a licensed person to practice dentistry unlawfully.

(e) The committing of any act or acts of gross immorality substantially related to the practice of dentistry.

(f) The use of any false, assumed or fictitious name, either as an individual, firm, corporation or otherwise, or any name other than the name under which he or she is licensed to practice, in advertising or in any other manner indicating that he or she is practicing or will practice dentistry, except that name as is specified in a valid permit issued pursuant to Section 1701.5.

(g) The practice of accepting or receiving any commission or the rebating in any form or manner of fees for professional services, radiograms, prescriptions or other services or articles supplied to patients.

(h) The making use by the licentiate or any agent of the licentiate of any advertising statements of a character tending to deceive or mislead the public.

(i) The advertising of either professional superiority or the advertising of performance of professional services in a superior manner. This subdivision shall not prohibit advertising permitted by subdivision (h) of Section 651.

(j) The employing or the making use of solicitors.

(k) The advertising in violation of Section 651.

(*l*) The advertising to guarantee any dental service, or to perform any dental operation painlessly. This subdivision shall not prohibit advertising permitted by Section 651.

(m) The violation of any of the provisions of law regulating the procurement, dispensing, or administration of dangerous drugs, as defined in Article 7 (commencing with Section 4211) of Chapter 9, or controlled substances, as defined in Division 10 (commencing with Section 11000) of the Health and Safety Code.

(n) The violation of any of the provisions of this division.

(o) The permitting of any person to operate dental radiographic equipment who has not met the requirements of Section 1656.

(p) The clearly excessive prescribing or administering of drugs or treatment, or the clearly excessive use of diagnostic procedures, or the clearly excessive use of diagnostic or treatment facilities, as determined by the customary practice and standards of the dental profession.

Any person who violates this subdivision is guilty of a misdemeanor and shall be punished by a fine of not less than one hundred dollars ($100) or more than six hundred dollars ($600) or by imprisonment for a term of not less than 60 days or more than 180 days or by both such fine and imprisonment.

(q) The use of threats or harassment against any patient or licentiate for providing evidence in any possible or actual disciplinary action, or other legal action; or the discharge of an employee primarily based on the employee's attempt to comply with the provisions of this chapter or to aid in the compliance.

(r) Suspension or revocation of a license issued by another state or territory on grounds which would be the basis of discipline in this state.

(s) The alteration of a patient's record with intent to deceive.

(t) Unsanitary or unsafe office conditions, as determined by the customary practice and standards of the dental profession.

(u) The abandonment of the patient by the licentiate, without written notice to the patient that treatment is to be discontinued and before the patient has ample opportunity to secure the services of another dentist and provided the health of the patient is not jeopardized.

(v) The willful misrepresentation of facts relating to a disciplinary action to the patients of a disciplined licentiate.

(w) Use of fraud in the procurement of any license issued pursuant to this chapter.

(x) Any action or conduct which would have warranted the denial of the license.

(y) The aiding or abetting of a licensed dentist or dental auxiliary to practice dentistry in a negligent or incompetent manner.

(z) The failure to report to the board in writing within seven days either: (1) the death of his or her patient during the performance of any dental procedure; or, (2) the discovery of the death of a patient

whose death is causally related to a dental procedure performed by him or her.

(aa) Participating in or operating any group advertising and referral services which is in violation of Section 650.2.

(bb) The failure to use a fail-safe machine with an appropriate exhaust system in the administration of nitrous oxide. The board shall by regulation define what constitutes a fail-safe machine.

(cc) Engaging in the practice of dentistry with an expired license.

(dd) Except for good cause, the knowing failure to protect patients by failing to follow infection control guidelines, thereby risking transmission of blood-borne infectious diseases from dentist or dental auxiliary to patient, from patient to patient, and from patient to dentist or dental auxiliary by failing to follow infectious control guidelines. In administering this subdivision, the board shall consider the standards, regulations, and guidelines of the State Department of Health Services developed pursuant to Section 1250.11 of the Health and Safety Code and the standards, guidelines, and regulations pursuant to the California Occupational Safety and Health Act of 1973 (Part 1 (commencing with Section 6300), Division 5, Labor Code) for preventing the transmission of HIV, Hepatitis B, and other blood-borne pathogens in health care settings. As necessary, the board shall consult with the California Medical Board, the Board of Registered Nursing, and the Board of Vocational Nurse and Psychiatric Technician Examiners, to encourage appropriate consistency in the implementation of this section.

The board shall seek to ensure that licentiates and others regulated by the board are informed of the responsibility of licentiates and others to follow infection control guidelines, and of the most recent scientifically recognized safeguards for minimizing the risk of transmission of blood-borne infectious diseases.

SEC. 3. Section 2221.1 is added to the Business and Professions Code, to read:

2221.1. (a) The Medical Board of California shall investigate and may take disciplinary action, including, but not limited to, revocation or suspension of licenses, against physicians and surgeons and all others licensed or regulated by the board who, except for good cause, knowingly fail to protect patients by failing to follow infection control guidelines, thereby risking transmission of blood-borne infectious diseases from the physician and surgeon or other health care provider licensed or regulated by the board to patient, from patients, and from patient to physician or other health care provider regulated by the board. In so doing, the board shall consider the standards, regulations, and recommendations of the State Department of Health Services developed pursuant to Section 1250.11 of the Health and Safety Code and the standards, guidelines, and regulations pursuant to the California Occupational Safety and Health Act of 1973 (Part 1 (commencing with Section 6300), Division 5, Labor Code) for preventing the transmission of HIV, Hepatitis B, and other blood-borne pathogens in health care settings. As

necessary, the board shall consult with the Board of Dental Examiners, the Board of Registered Nursing, and the Board of Vocational Nurse and Psychiatric Technician Examiners, to encourage appropriate consistency in the implementation of this section.

(b) The board shall seek to ensure that licentiates and others regulated by the board are informed of the responsibility of licentiates to follow infection control guidelines and of the most recent scientifically recognized safeguards for minimizing the transmission of blood-borne infectious diseases.

SEC. 4. Section 2761 of the Business and Professions Code is amended to read:

2761. The board may take disciplinary action against a certified or licensed nurse or an applicant for a certificate or license for any of the following:

(a) Unprofessional conduct, which includes, but is not limited to, the following:

(1) Incompetence, or gross negligence in carrying out usual nursing functions or nurse anesthetist functions.

(2) A conviction of practicing medicine without a license in violation of Chapter 5 (commencing with Section 2000), in which event the record of conviction shall be conclusive evidence thereof.

(3) The use of advertising relating to nursing which violates Section 17500.

(b) Procuring his or her certificate by fraud, misrepresentation, or mistake.

(c) Procuring, or aiding, or abetting, or attempting, or agreeing, or offering to procure or assist at a criminal abortion.

(d) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violating of, or conspiring to violate any provision or term of this chapter or regulations adopted pursuant to it.

(e) Making or giving any false statement or information in connection with the application for issuance of a license.

(f) Conviction of a felony or of any offense substantially related to the qualifications, functions, and duties of a registered nurse, in which event the record of the conviction shall be conclusive evidence thereof.

(g) Impersonating any applicant or acting as proxy for an applicant in any examination required under this chapter for the issuance of a license.

(h) Impersonating another licensed practitioner, or permitting or allowing another person to use his or her certificate for the purpose of nursing the sick or afflicted.

(i) Aiding or assisting, or agreeing to aid or assist any person or persons, whether a licensed physician or not, in the performance of, or arranging for, a violation of any of the provisions of Article 12 (commencing with Section 2221) of Chapter 5.

(j) Holding oneself out to the public or to any practitioner of the

healing arts as a "nurse practitioner" or as meeting the standards established by the board for a nurse practitioner unless meeting the standards established by the board pursuant to Article 8 (commencing with Section 2834).

(k) Revocation or suspension of a license to practice nursing by another state or territory of the United States for any act or omission which would constitute grounds for the revocation or suspension of a license in this state.

(*l*) Except for good cause, the knowing failure to protect patients by failing to follow infection control guidelines, thereby risking transmission of blood-borne infectious diseases from licensed or certified nurse to patient, from patient to patient, and from patient to licensed or certified nurse. In administering this subdivision, the board shall consider the standards, regulations, and recommendations of the State Department of Health Services developed pursuant to Section 1250.11 of the Health and Safety Code and the standards, guidelines, and regulations pursuant to the California Occupational Safety and Health Act of 1973 (Part 1 (commencing with Section 6300), Division 5, Labor Code) for preventing the transmission of HIV, Hepatitis B, and other blood-borne pathogens in health care settings. As necessary, the board shall consult with the Medical Board of California, the Board of Dental Examiners, and the Board of Vocational Nurse and Psychiatric Technician Examiners, to encourage appropriate consistency in the implementation of this section.

The board shall seek to ensure that licentiates and others regulated by the board are informed of the responsibility of licentiates to minimize the risk of transmission of blood-borne infectious diseases from health care provider to patient, from patient to patient, and from patient to health care provider, and of the most recent scientifically recognized safeguards for minimizing the risks of transmission.

SEC. 5. Section 2878 of the Business and Professions Code is amended to read:

2878. The board may suspend or revoke a license issued under this chapter for any of the following:

(a) Unprofessional conduct, which includes, but is not limited to, the following:

(1) Incompetence, or gross negligence in carrying out usual nursing functions.

(2) A conviction of practicing medicine without a license in violation of Chapter 5 (commencing with Section 2000), in which event the record of conviction shall be conclusive evidence of the conviction.

(3) The use of advertising relating to nursing which violates Section 17500.

(b) Procuring a certificate by fraud, misrepresentation, or mistake.

(c) Procuring, or aiding, or abetting, or attempting, or agreeing,

or offering to procure or assist at a criminal abortion.

(d) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violating of, or conspiring to violate any provision or term of this chapter.

(e) Making or giving any false statement or information in connection with the application for issuance of a license.

(f) Conviction of a crime substantially related to the qualifications, functions, and duties of a licensed vocational nurse, in which event the record of the conviction shall be conclusive evidence of the conviction.

(g) Impersonating any applicant or acting as proxy for an applicant in any examination required under this chapter for the issuance of a license.

(h) Impersonating another licensed vocational nurse or a registered nurse, or permitting or allowing another person to use his or her certificate for the purpose of nursing the sick or afflicted.

(i) Aiding or assisting, or agreeing to aid or assist any person or persons, whether a licensed physician or not, in the performance of or arranging for a violation of Article 12 (commencing with Section 2220) of Chapter 5.

(j) The use of excessive force upon, or the mistreatment or abuse of, any patient. For the purposes of this subdivision, "excessive force" means force clearly in excess of that which would normally be applied in similar clinical circumstances.

(k) Except for good cause, the knowing failure to protect patients by failing to follow infection control guidelines, thereby risking transmission of blood-borne infectious diseases from licensee to patient, from patient to patient, and from patient to licensee. In administering this subdivision, the board shall consider the standards, regulations, and guidelines of the State Department of Health Services developed pursuant to Section 1250.11 of the Health and Safety Code and the standards, guidelines, and regulations pursuant to the California Occupational Safety and Health Act of 1973 (Part 1 (commencing with Section 6300), Division 5, Labor Code) for preventing the transmission of HIV, Hepatitis B, and other blood-borne pathogens in health care settings. As necessary, the board shall consult with the California Medical Board, the Board of Dental Examiners, and the Board of Registered Nursing, to encourage appropriate consistency in the implementation of this section.

The board shall seek to ensure that licentiates and others regulated by the board are informed of the responsibility of licentiates and others to follow infection control guidelines, and of the most recent scientifically recognized safeguards for minimizing the risk of transmission of blood-borne infectious diseases.

SEC. 6. Section 1250.11 is added to the Health and Safety Code, to read:

1250.11. The State Department of Health Services shall develop written guidelines and regulations as necessary to minimize the risk

of transmission of blood-borne infectious diseases from health care worker to patient, from patient to patient, and from patient to health care worker. In so doing, the state department shall consider the recommendations made by the federal Centers for Disease Control for preventing transmission of HIV and Hepatitis B. The state department shall also take into account existing regulations of the state department as well as standards, guidelines, and regulations pursuant to the California Occupational Safety and Health Act of 1973 (Part 1 (commencing with Section 6300), Division 5, Labor Code) regarding infection control to prevent infection or disease as a result of the transmission of blood-borne pathogens. In so doing, the state department shall consult with the Medical Board of California, the Board of Dental Examiners, and the Board of Registered Nursing as well as associations representing health care professions, associations of licensed health facilities, organizations which advocate on behalf of those infected with HIV and organizations representing consumers of health care. The department shall complete its review of the need for guidelines and regulations by January 1, 1993.

SEC. 7. The State Department of Health Services may adopt emergency regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code to implement this act.

CHAPTER 1181

An act to amend Section 12302.1 of the Welfare and Institutions Code, relating to public social services.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 12302.1 of the Welfare and Institutions Code is amended to read:

12302.1. (a) Contracts entered into by a county under Section 12302 shall be for terms not exceeding three years. In the event of a three-year contract, the county, at the end of the first contract term, may renew the contract for a second term not exceeding one year. The rate of reimbursement shall be negotiated consistent with regulations promulgated by the State Department of Social Services. For any extended contract, the rate shall reflect, but is not limited to, the following financial considerations:

(1) Actual expenditures by the contractor as documented during the first contract term and approved by the state.

(2) Changes in federal, state, or county program requirements.

(3) Federal and state minimum wage and contractual step merit

increases.

(4) Statutory taxes.

(5) Insurance costs.

(6) Other reasonable costs over which the contracting parties have no control.

The regulations promulgated by the department shall also establish standards governing acceptable contract provisions, the methods used to advertise, procure, select and award the contracts, and the procedures used to amend, renew, or extend an existing contract with the same contractor including, in addition to rate changes, any other change in other terms of the contract.

The county may temporarily extend the contract in accordance with the department's regulations in order to assure continuity of service, quality of care, or the competitive bid process.

All contracts awarded, extended or renewed pursuant to this section and all amendments to the contracts shall be subject to the prior review and approval of the department. No contract shall take effect until approved in writing by the State Department of Social Services.

(b) All contracts shall, in addition to including provisions required by Section 12303, be subject to all of the following:

(1) Prior to initiating a contract or contracts pursuant to Section 12302, the county shall publicize its intention to solicit bids to enter into the contracts.

(2) When the county has selected one or more contract proposals for tentative acceptance or intends to renew an existing contract, the county board of supervisors shall conduct a hearing on the proposed contract, contracts, or renewal, which shall be at a regularly scheduled meeting of the board of supervisors, and open to the public.

(3) Public findings based on the public hearing shall be made available to interested parties.

(4) No contract for services provided under this article shall take effect until 30 calendar days have elapsed from the time of the public hearing required under this section.

(5) The county board of supervisors may award one or more service contracts pursuant to this article based upon the fiscal responsibility of the service providers and experience of the service providers in providing services pursuant to this article. Nothing in this subdivision, however, shall preclude a requirement that contracts under this section be awarded on a competitive bid basis.

(6) The county, to insure fiscal and program compliance, shall review the contract during the contract term. The review may include, but shall not be limited to, a fiscal audit.

SEC. 2. Section 12302.1 of the Welfare and Institutions Code is amended to read:

12302.1. (a) Contracts entered into by a county under Section 12302 shall be for terms not exceeding three years. In the event of a three-year contract, the county, at the end of the first contract

term, may renew the contract for a second term not exceeding one year. The rate of reimbursement shall be negotiated consistent with regulations promulgated by the State Department of Social Services. For any extended contract, the rate shall reflect, but is not limited to, the following financial considerations:

(1) Actual expenditures by the contractor as documented during the first contract term and approved by the state.

(2) Changes in federal, state, or county program requirements.

(3) Federal and state minimum wage and contractual step merit increases.

(4) Statutory taxes.

(5) Insurance costs.

(6) Reasonable costs which have been approved by the county department of social services, as long as those costs do not increase unreimbursed county expenditures or lead to a reduction in client services, and those costs can be funded by the department for in-home supportive services contracts and the county's allocation for in-home supportive services.

(7) Other reasonable costs over which the contracting parties have no control.

The regulations promulgated by the department shall also establish standards governing acceptable contract provisions, the methods used to advertise, procure, select and award the contracts, and the procedures used to amend, renew, or extend an existing contract with the same contractor including, in addition to rate changes, any other change in other terms of the contract.

The county may temporarily extend the contract in accordance with the department's regulations in order to assure continuity of service, quality of care, or the competitive bid process.

All contracts awarded, extended or renewed pursuant to this section and all amendments to the contracts shall be subject to the prior review and approval of the department. No contract shall take effect until approved in writing by the State Department of Social Services.

(b) All contracts shall, in addition to including provisions required by Section 12303, be subject to all of the following:

(1) Prior to initiating a contract or contracts pursuant to Section 12302, the county shall publicize its intention to solicit bids to enter into the contracts.

(2) When the county has selected one or more contract proposals for tentative acceptance or intends to renew an existing contract, the county board of supervisors shall conduct a hearing on the proposed contract, contracts, or renewal, which shall be at a regularly scheduled meeting of the board of supervisors, and open to the public.

(3) Public findings based on the public hearing shall be made available to interested parties.

(4) No contract for services provided under this article shall take effect until 30 calendar days have elapsed from the time of the public

hearing required under this section.

(5) The county board of supervisors may award one or more service contracts pursuant to this article based upon the fiscal responsibility of the service providers and the experience of the service providers in providing services pursuant to this article. The county board of supervisors may evaluate the bid proposal, the experience of the provider, the program plan, and the proposed contract rate, to determine if a bidder has demonstrated the ability to reasonably provide and sustain uninterrupted, continuous services to recipients as required under the county's invitation for bid, prior to making a contract award. Nothing in this subdivision, however, shall preclude a requirement that contracts under this section be awarded on a competitive bid basis.

(6) The county, to ensure fiscal and program compliance, shall review the contract during the contract term. The review may include, but shall not be limited to, a fiscal audit.

SEC. 3. Section 2 of this bill incorporates amendments to Section 12302.1 of the Welfare and Institutions Code proposed by both this bill and AB 1155. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 12302.1 of the Welfare and Institutions Code, and (3) this bill is enacted after AB 1155, in which case Section 1 of this bill shall not become operative.

CHAPTER 1182

An act to amend Section 12302.1 of the Welfare and Institutions Code, relating to public social services.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 12302.1 of the Welfare and Institutions Code is amended to read:

12302.1. (a) Contracts entered into by a county under Section 12302 shall be for terms not exceeding two years. In the event of a two-year contract, the county, at the end of the first contract term, may renew the contract for a second term not exceeding one year. The rate of reimbursement shall be negotiated consistent with regulations promulgated by the State Department of Social Services. For any extended contract, the rate shall reflect, but is not limited to the following financial considerations:

(1) Actual expenditures by the contractor as documented during the first contract term and approved by the state.

(2) Changes in federal, state, or county program requirements.

(3) Federal and state minimum wage and contractual step merit

increases.

(4) Statutory taxes.

(5) Insurance costs.

(6) Reasonable costs which have been approved by the county department of social services, as long as those costs do not increase unreimbursed county expenditures or lead to a reduction in client services, and those costs can be funded within the maximum allowable rates set by the department for in-home supportive services contracts and the county's state allocation for in-home supportive services.

(7) Other reasonable costs over which the contracting parties have no control.

The regulations promulgated by the department shall also establish standards governing acceptable contract provisions, the methods used to advertise, procure, select and award the contracts, and the procedures used to amend, renew, or extend an existing contract with the same contractor including, in addition to rate changes, any other change in other terms of the contract.

The county may temporarily extend the contract in accordance with the department's regulations in order to assure continuity of service, quality of care, or the competitive bid process.

All contracts awarded, extended or renewed pursuant to this section and all amendments to the contracts shall be subject to the prior review and approval of the department. No contract shall take effect until approved in writing by the State Department of Social Services.

(b) All contracts shall, in addition to including provisions required by Section 12303, be subject to the following:

(1) Prior to initiating a contract or contracts pursuant to Section 12302, the county shall publicize its intention to solicit bids to enter into the contracts.

(2) When the county has selected one or more contract proposals for tentative acceptance or intends to renew an existing contract, the county board of supervisors shall conduct a hearing on the proposed contract, contracts, or renewal, which shall be at a regularly scheduled meeting of the board of supervisors, and open to the public.

(3) Public findings based on the public hearing shall be made available to interested parties.

(4) No contract for services provided under this article shall take effect until 30 calendar days have elapsed from the time of the public hearing required under this section.

(5) The county board of supervisors may award one or more service contracts pursuant to this article based upon the fiscal responsibility of the service providers and the experience of the service providers in providing services pursuant to this article. The county board of supervisors may evaluate the bid proposal, the experience of the provider, the program plan, and the proposed contract rate, to determine if a bidder has demonstrated the ability

to reasonably provide and sustain uninterrupted, continuous services to recipients as required under the county's invitation for bid, prior to making a contract award. Nothing in this subdivision, however, shall preclude a requirement that contracts under this section be awarded on a competitive bid basis.

(6) The county, to ensure fiscal and program compliance, shall review the contract during the contract term. The review may include, but shall not be limited to, a fiscal audit.

SEC. 2. Section 12302.1 of the Welfare and Institutions Code is amended to read:

12302.1. (a) Contracts entered into by a county under Section 12302 shall be for terms not exceeding three years. In the event of a three-year contract, the county, at the end of the first contract term, may renew the contract for a second term not exceeding one year. The rate of reimbursement shall be negotiated consistent with regulations promulgated by the State Department of Social Services. For any extended contract, the rate shall reflect, but is not limited to, the following financial considerations:

(1) Actual expenditures by the contractor as documented during the first contract term and approved by the state.

(2) Changes in federal, state, or county program requirements.

(3) Federal and state minimum wage and contractual step merit increases.

(4) Statutory taxes.

(5) Insurance costs.

(6) Reasonable costs which have been approved by the county department of social services, as long as those costs do not increase unreimbursed county expenditures or lead to a reduction in client services, and those costs can be funded within the maximum allowable rates set by the department for in-home supportive services contracts and the county's state allocation for in-home supportive services.

(7) Other reasonable costs over which the contracting parties have no control.

The regulations promulgated by the department shall also establish standards governing acceptable contract provisions, the methods used to advertise, procure, select and award the contracts, and the procedures used to amend, renew, or extend an existing contract with the same contractor including, in addition to rate changes, any other change in other terms of the contract.

The county may temporarily extend the contract in accordance with the department's regulations in order to assure continuity of service, quality of care, or the competitive bid process.

All contracts awarded, extended or renewed pursuant to this section and all amendments to the contracts shall be subject to the prior review and approval of the department. No contract shall take effect until approved in writing by the State Department of Social Services.

(b) All contracts shall, in addition to including provisions required

by Section 12303, be subject to all of the following:

(1) Prior to initiating a contract or contracts pursuant to Section 12302, the county shall publicize its intention to solicit bids to enter into the contracts.

(2) When the county has selected one or more contract proposals for tentative acceptance or intends to renew an existing contract, the county board of supervisors shall conduct a hearing on the proposed contract, contracts, or renewal, which shall be at a regularly scheduled meeting of the board of supervisors, and open to the public.

(3) Public findings based on the public hearing shall be made available to interested parties.

(4) No contract for services provided under this article shall take effect until 30 calendar days have elapsed from the time of the public hearing required under this section.

(5) The county board of supervisors may award one or more service contracts pursuant to this article based upon the fiscal responsibility of the service providers and the experience of the service providers in providing services pursuant to this article. The county board of supervisors may evaluate the bid proposal, the experience of the provider, the program plan, and the proposed contract rate, to determine if a bidder has demonstrated the ability to reasonably provide and sustain uninterrupted, continuous services to recipients as required under the county's invitation for bid, prior to making a contract award. Nothing in this subdivision, however, shall preclude a requirement that contracts under this section be awarded on a competitive bid basis.

(6) The county, to insure fiscal and program compliance, shall review the contract during the contract term. The review may include, but shall not be limited to, a fiscal audit.

SEC. 3. Section 2 of this bill incorporates amendments to Section 12302.1 of the Welfare and Institutions Code proposed by both this bill and SB 792. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 12302.1 of the Welfare and Institutions Code, and (3) this bill is enacted after SB 792, in which case Section 1 of this bill shall not become operative.

CHAPTER 1183

An act to amend Sections 39003 and 39120 of the Education Code, to amend Section 65759 of, and to repeal and add Section 65850.2 of, the Government Code, to amend Sections 13143.9, 25534.1, 25535, 25538, 25541, 42301.6, and 42301.9 of, and to add Sections 25501.3, 25507.10, 25514.3, and 25534.2 to, the Health and Safety Code, and to amend Sections 21151.4 and 21151.8 of, and to repeal Section 21151.3 of, the Public Resources Code, relating to hazardous materials.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 39003 of the Education Code is amended to read:

39003. The governing board of a school district shall not approve a project involving the acquisition of a schoolsite by a school district unless all of the following occur:

(a) The lead agency, as defined in Section 21067 of the Public Resources Code, determines that the property purchased or to be built upon is not any of the following:

(1) The site of a current or former hazardous waste disposal site or solid waste disposal site unless, if the site was a former solid waste disposal site, the governing board of the school district concludes that the wastes have been removed.

(2) A hazardous substance release site identified by the State Department of Health Services in a current list adopted pursuant to Section 25356 for removal or remedial action pursuant to Chapter 6.8 (commencing with Section 25300) of Division 20 of the Health and Safety Code.

(3) A site which contains one or more pipelines, situated underground or aboveground, which carries hazardous substances, acutely hazardous materials, or hazardous wastes, unless the pipeline is a natural gas line which is used only to supply natural gas to that school or neighborhood.

(b) The lead agency, as defined in Section 21067 of the Public Resources Code, preparing the environmental impact report or negative declaration has consulted with the administering agency in which the proposed schoolsite is located and with any air pollution control district or air quality management district having jurisdiction in the area, to identify facilities within one-fourth of a mile of the proposed schoolsite which might reasonably be anticipated to emit hazardous air emissions, or to handle hazardous or acutely hazardous materials, substances, or waste. The lead agency shall include a list of the locations for which information is sought.

(c) The governing board of the school district makes one of the following written findings:

(1) Consultation identified none of the facilities specified in subdivision (b).

(2) The facilities specified in subdivision (b) exist, but one of the following conditions applies:

(A) The health risks from the facilities do not and will not constitute an actual or potential endangerment of public health to persons who would attend or be employed at the school.

(B) The governing board finds that corrective measures required under an existing order by another jurisdiction which has jurisdiction over the facilities will, before the school is occupied, result in the mitigation of all chronic or accidental hazardous air emissions to levels that do not constitute an actual or potential endangerment of public health to persons who would attend or be employed at the proposed school. If the governing board makes this finding, the governing board shall also make a subsequent finding, prior to the occupancy of the school, that the emissions have been mitigated to these levels.

(d) As used in this section:

(1) "Hazardous air emissions" means emissions into the ambient air of air contaminants which have been identified as a toxic air contaminant by the State Air Resources Board or by the air pollution control officer for the jurisdiction in which the project is located. As determined by the air pollution control officer, hazardous air emissions also means emissions into the ambient air from any substance identified in subdivisions (a) to (f), inclusive, of Section 44321 of the Health and Safety Code.

(2) "Hazardous substance" means any substance defined in Section 25316 of the Health and Safety Code.

(3) "Acutely hazardous material" means any material defined pursuant to subdivision (a) of Section 25532 of the Health and Safety Code.

(4) "Hazardous waste" means any waste defined in Section 25117 of the Health and Safety Code.

(5) "Hazardous waste disposal site" means any site defined in Section 25114 of the Health and Safety Code.

(6) "Administering agency" means any agency designated pursuant to Section 25502 of the Health and Safety Code.

(7) "Handle" means handle as defined in Article 1 (commencing with Section 25500) of Chapter 6.95 of Division 20 of the Health and Safety Code.

SEC. 2. Section 39120 of the Education Code is amended to read:

39120. (a) The governing board of a school district shall not approve a project for the construction of a new school building, as defined in Section 39141, unless the project and its lead agency comply with the same requirements specified in subdivision (a) of Section 39003 for schoolsite acquisition.

(b) For purposes of this section, the acceptance of construction bids shall constitute approval of the project.

SEC. 3. Section 65759 of the Government Code is amended to

read:

65759. In any action brought under this section:

(a) The California Environmental Quality Act, Division 13 (commencing with Section 21000) of the Public Resources Code, does not apply to any action necessary to bring its general plan or relevant mandatory elements of the plan into compliance with any court order or judgment under this article.

(1) The local agency shall, however, prepare an initial study, within the time limitations specified in Section 65754, to determine the environmental effects of the proposed action necessary to comply with the court order. The initial study shall contain substantially the same information as is required for an initial study pursuant to subdivision (c) of Section 15080 of Title 14 of the California Code of Regulations.

(2) If as a result of the initial study, the local agency determines that the action may have a significant effect on the environment, the local agency shall prepare, within the time limitations specified in Section 65754, an environmental assessment, the content of which substantially conforms to the required content for a draft environmental impact report set forth in Article 9 (commencing with Section 15140) of Title 14 of the California Code of Regulations. The local agency shall include notice of the preparation of the environmental assessment in all notices provided for the amendments to the general plan proposed to comply with the court order.

(3) The environmental assessment shall be deemed to be a part of the general plan and shall only be reviewable as provided in this article.

(4) The local agency may comply with the provisions of the California Environmental Quality Act, Division 13 (commencing with Section 21000) of the Public Resources Code, in any action necessary to bring its general plan or the plan's relevant mandatory elements into compliance with any court order or judgment under this section so long as it does so within the time limitations specified in Section 65754.

(b) The court for good cause shown may grant not more than two extensions of time, not to exceed a total of 240 days, in order to meet the requirements imposed by Section 65754.

SEC. 4. Section 65850.2 of the Government Code is repealed:

SEC. 5. Section 65850.2 is added to the Government Code, to read:

65850.2. (a) Each city and each county shall include in its information list compiled pursuant to Section 65940 for development projects, or application form for projects which do not require a development permit other than a building permit, both of the following:

(1) The requirement that the owner or authorized agent shall indicate whether the owner or authorized agent will need to comply with the applicable requirements of Sections 25505, 25533, and 25534

of the Health and Safety Code and the requirements for a permit for construction or modification from the air pollution control district or air quality management district exercising jurisdiction in the area governed by the city or county.

(2) The requirement that the owner or authorized agent shall certify whether or not the proposed project will handle, as defined in Article 1 (commencing with Section 25500) of Chapter 6.95 of Division 20 of the Health and Safety Code, an acutely hazardous material or a mixture containing an acutely hazardous material, in a quantity equal to or greater than the quantity specified in subdivision (a) of Section 25536 of the Health and Safety Code, or will contain a source or modified source with hazardous air emissions.

(b) No city or county shall find the application complete pursuant to Section 65943 nor approve a development project, or a building permit for a project which does not require a development permit other than a building permit, in which acutely hazardous material or mixtures containing acutely hazardous material will be handled in a quantity equal to or greater than that specified in Section 25536 of the Health and Safety Code, unless the owner or authorized agent for the project first obtains from the administering agency, a notice of requirement to comply with, or determination of exemption from, the requirement to prepare and submit a risk management and prevention program. Within five days of submitting the project application to the city or county, the applicant shall submit the information required pursuant to paragraph (2) of subdivision (a) to the administering agency. This notice of requirement to comply with, or determination of exemption from, the requirement for an RMPP shall be provided by the administering agency to the applicant, and the applicant shall provide the notice to the city or county, within 25 days of the administering agency receiving adequate information from the applicant to make a determination as to the requirement for an RMPP. The notice of requirement to comply shall indicate if any of the acutely hazardous material to be handled at the site would create an acutely hazardous materials accident risk to any of the populations specified pursuant to Section 25534.1 of the Health and Safety Code. If the notice indicates an acutely hazardous materials accident risk may be present for any of the specified populations, no permit shall be issued until the administering agency has verified to the city or county within 90 days of the determination as to the requirement for an RMPP that the requirement for a risk management and prevention program is being substantially met. If within 90 days the administering agency has not verified that the requirement for the RMPP is being substantially met, then this section shall be deemed satisfied. If the notice of requirement to comply does not indicate that an acutely hazardous materials accident risk exists for the populations considered but does not exempt the requirement for an RMPP, a permit may be issued when all other permit conditions have been met. The requirement to submit an RMPP to the administering

agency, shall be met prior to the issuance of a certificate of occupancy or its substantial equivalent. The owner or authorized agent shall submit to the city or county certification from the air pollution control officer that the owner or authorized agent is in compliance with the disclosures required by Section 42303 of the Health and Safety Code.

(c) No city or county shall issue a final certificate of occupancy or its substantial equivalent unless there is verification from the administering agency, if required by law, that the owner or authorized agent has met, or is meeting, the applicable requirements of Sections 25505, 25533, and 25534 of the Health and Safety Code, and the requirements for a permit, if required by law, from the air pollution control district or air quality management district exercising jurisdiction in the area governed by the city or county or has provided proof from the appropriate district that the permit requirements do not apply to the owner or authorized agent.

(d) The city or county, after considering the recommendations of the administering agency or air pollution control district or air quality management district, shall decide whether, and under what conditions, to allow construction of the site.

(e) Nothing in this section limits any existing authority of a district to require compliance with its rules and regulations.

(f) Counties and cities may adopt a schedule of fees for applications for compliance with this section sufficient to recover their reasonable costs of carrying out this section. Those fees shall be used only for the implementation of this section.

(g) As used in this section:

(1) "Acutely hazardous material" means any material as defined pursuant to subdivision (a) of Section 25532 of the Health and Safety Code.

(2) "Administering agency" means an agency designated pursuant to Section 25502 of the Health and Safety Code.

(3) "Hazardous air emissions" means emissions into the ambient air of air contaminants which have been identified as a toxic air contaminant by the State Air Resources Board or by the air pollution control officer for the jurisdiction in which the project is located. As determined by the air pollution control officer, hazardous air emissions also means emissions into the ambient air of any substance identified in subdivisions (a) to (f), inclusive, of Section 44321 of the Health and Safety Code.

(h) Any misrepresentation of information required by this section shall be grounds for denial, suspension, or revocation of project approval or permit issuance. The owner or authorized agent required to comply with this section shall notify all future occupants of their potential duty to comply with the requirements of Sections 25505, 25533, 25534 of the Health and Safety Code.

(i) This section shall not apply to applications solely for residential construction.

SEC. 6. Section 13143.9 of the Health and Safety Code is amended

to read:

13143.9. The State Fire Marshal shall, in carrying out Section 13143, prepare, adopt, and submit building standards and other fire and life safety regulations for approval pursuant to Chapter 4 (commencing with Section 18935) of Part 2.5 of Division 13 establishing minimum requirements for the storage, handling, and use of hazardous materials, as defined, in Article 9 of the 1988 Uniform Fire Code, and any subsequent editions, published by the Western Fire Chiefs Association and the International Conference of Building Officials. The State Fire Marshal shall seek the advice of the Office of Emergency Services in establishing these requirements. This section does not prohibit a city, county, or district from adopting an ordinance, resolution, or regulation imposing stricter or more stringent requirements than a standard adopted pursuant to this section.

SEC. 7. Section 25501.3 is added to the Health and Safety Code, to read:

25501.3. "Handle" also means the use or potential for use of a quantity of hazardous material by the connection of any marine vessel, tank vehicle, tank car, or container to a system or process for any purpose other than the immediate transfer to or from an approved atmospheric tank or approved portable tank.

SEC. 8. Section 25507.10 is added to the Health and Safety Code, to read:

25507.10. The emergency rescue personnel, responding to the reported release or threatened release of an acutely hazardous material or to any fire or explosion involving a material that involves a release that would be required to be reported pursuant to Section 25507, shall immediately advise the superintendent of the school district having jurisdiction, where the location of the release or threatened release is within one-half mile of a school.

SEC. 9. Section 25514.3 is added to the Health and Safety Code, to read:

25514.3. Any person that knowingly violates Section 25503.5, 25503.7, 25503.8, 25505, 25508, 25509, 25509.3, 25510, or 25533 after reasonable notice of the violation, is, upon conviction, guilty of a misdemeanor. This section does not preempt any other applicable criminal or civil penalties.

SEC. 10. Section 25534.1 of the Health and Safety Code is amended to read:

25534.1. Every RMPP prepared pursuant to Section 25534, and every notice of requirement to comply prepared pursuant to subdivision (b) of Section 65850.2 of the Government Code, shall give consideration to the proximity of the facility or proposed facility to populations located in schools, residential areas, general acute care hospitals, long-term health care facilities, and child day care facilities. For purposes of this section, "general acute care hospital" has the meaning provided by subdivision (a) of Section 1250, "long-term health care facility" has the meaning provided by subdivision (a) of

Section 1418, and "child day care facility" has the meaning provided by Section 1596.750. "School" means any school used for the purpose of the education of more than 12 children in kindergarten or any grades 1 to 12, inclusive.

SEC. 10.5. Section 25534.2 is added to the Health and Safety Code, to read:

25534.2. An owner or operator of any new or modified facility which will be used for the handling of acutely hazardous materials in amounts equal to or greater than those specified in subdivision (a) of Section 25536, shall obtain from the administering agency, a notice of requirement to comply with, or determination of exemption from, the requirement for an RMPP prior to the approval of a development project or issuance of a building permit pursuant to Section 65850.2 of the Government Code.

SEC. 11. Section 25535 of the Health and Safety Code is amended to read:

25535. (a) An owner or operator of a facility submitting an RMPP pursuant to Section 25534 shall submit the RMPP to the administering agency after the RMPP is certified as complete by a qualified person and the facility operator. The administering agency may authorize the air pollution control district or air quality management district in which the facility is located to conduct a technical review of the RMPP. If, after review by the administering agency or the air pollution control district or air quality management district exercising jurisdiction in the area of the facility, the administering agency determines that the handler's RMPP is deficient in any way, the administering agency shall notify the handler of these defects. The handler shall submit a corrected RMPP within 60 days of the notification of defects, unless granted a one-time extension of no more than 30 days, of the notice to correct the RMPP by the administering agency. Failure to fully comply with this notice or the requirements of this section shall be deemed a violation of this article for purposes of Section 25540.

(b) Upon implementation of a risk management and prevention program pursuant to subdivision (k) of Section 25534, the handler shall notify the administering agency that the RMPP has been implemented and shall summarize the steps taken in preparation and implementation of the RMPP.

(c) The handler shall continue to carry out the program and activities specified in the risk management and prevention program at the business after the administering agency has been notified pursuant to subdivision (b).

(d) The owner or operator shall implement all programs and activities in the RMPP before operations commence, in the case of a new facility, or before any new activities involving acutely hazardous materials are taken, in the case of a modified facility.

SEC. 12. Section 25538 of the Health and Safety Code is amended to read:

25538. (a) If a business believes that any information required to

be reported by this article, involves the release of a trade secret, the business shall provide the information to the administering agency and shall notify the administering agency in writing of that belief. Upon receipt of a claim of trade secret related to a RMPP, the administering agency shall review the claim and shall segregate properly substantiated trade secret information from information which shall be made available to the public upon request in accordance with the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code). As used in this section, "trade secret" has the same meaning as found in subdivision (d) of Section 6254.7 of the Government Code and Section 1060 of the Evidence Code.

(b) Except as otherwise specified in this section, the administering agency shall not disclose any properly substantiated trade secret which is so designated by the owner or operator of a business.

(c) The administering agency may disclose trade secrets received by the administering agency pursuant to this article to authorized officers or employees of other governmental agencies only in connection with the official duties of that officer or employee pursuant to any law for the protection of health and safety.

(d) Any officer or employee or former officer or employee of the administering agency or any other government agency who, because of that employment or official position, has possession of, or has access to, information designated as a trade secret pursuant to this section, shall not knowingly and willfully disclose the information in any manner to any person not authorized to receive the information pursuant to this section. Notwithstanding Section 25515, any person who violates this subdivision, and who knows that disclosure of this information to the general public is prohibited by the section, shall, upon conviction, be punished by imprisonment in the county jail for not more than six months or by a fine of not more than one thousand dollars ($1,000), or by both fine and imprisonment.

(e) Any information prohibited from disclosure pursuant to any federal statute or regulation shall not be disclosed.

(f) This section does not authorize any business to refuse to disclose to the administering agency any information required pursuant to this chapter.

SEC. 13. Section 25541 of the Health and Safety Code is amended to read:

25541. Any person or business who knowingly makes any false statement or representation in any record, report, or other document filed, maintained, or used for the purpose of compliance with this article, or destroys, alters, or conceals any such record, report, or other document filed, maintained, or used for the purpose of compliance with this article, shall, upon conviction, be punished by a fine of not more than twenty-five thousand dollars ($25,000) for each day of violation, or by imprisonment in the county jail for not more than one year, or by both the fine and the imprisonment.

If the conviction is for a violation committed after a first conviction under this section, the person shall be punished by a fine of not less than two thousand dollars ($2,000) or more than fifty thousand dollars ($50,000) per day of violation, or by imprisonment in the state prison for one, two, or three years or in the county jail for not more than one year, or both the fine and imprisonment.

Furthermore, if the violation results in, or significantly contributes to, an emergency, including a fire, to which the county or city is required to respond, the person shall also be assessed the full cost of the county or city emergency response, as well as the cost of cleaning up and disposing of the acutely hazardous materials.

SEC. 14. Section 42301.6 of the Health and Safety Code is amended to read:

42301.6. (a) Prior to approving an application for a permit to construct or modify a source which emits hazardous air emissions, which source is located within 1,000 feet from the outer boundary of a schoolsite, the air pollution control officer shall prepare a public notice in which the proposed project or modification for which the application for a permit is made is fully described. The notice may be prepared whether or not the material is or would be subject to subdivision (a) of Section 25536, if the air pollution control officer determines and the administering agency concurs that hazardous air emissions of the material may result from an air release, as defined by Section 44303. The notice may be combined with any other notice on the project or permit which is required by law.

(b) The air pollution control officer shall, at the permit applicant's expense, distribute or mail the public notice to the parents or guardians of children enrolled in any school that is located within one-quarter mile of the source and to each address within a radius of 1,000 feet of the proposed new or modified source at least 30 days prior to the date final action on the application is to be taken by the officer. The officer shall review and consider all comments received during the 30 days after the notice is distributed, and shall include written responses to the comments in the permit application file prior to taking final action on the application.

(1) Notwithstanding Section 49073 of the Education Code, or any other provision of law, the information necessary to mail notices required by this section shall be made available by the school district to the air pollution control officer.

(2) Nothing in this subdivision precludes, at the discretion of the air pollution control officer and with permission of the school, the distribution of the notices to the children to be given to their parents or guardians.

(c) Notwithstanding subdivision (b), an air pollution control officer may require the applicant to distribute the notice if the district had such a rule in effect prior to January 1, 1989.

(d) The requirements for public notice pursuant to subdivision (b) or a district rule in effect prior to January 1, 1989, are fulfilled if the air pollution control officer or applicant responsible for giving

the notice makes a good faith effort to follow the procedures prescribed by law for giving the notice, and, in these circumstances, failure of any person to receive the notice shall not affect the validity of any permit subsequently issued by the officer.

(e) Nothing in this section shall be deemed to limit any existing authority of any district.

(f) An applicant for a permit shall certify whether the proposed source or modification is located within 1,000 feet of a schoolsite. Misrepresentation of this fact may result in the denial of a permit.

(g) The notice requirements of this section shall not apply if the air pollution control officer determines that the application to construct or modify a source will result in a reduction or equivalent amount of air contaminants, as defined in Section 39013, or which are hazardous air emissions.

(h) As used in this section:

(1) "Hazardous air emissions" means emissions into the ambient air of air contaminants which have been identified as a toxic air contaminant by the state board or by the air pollution control officer for the jurisdiction in which the project is located. As determined by the air pollution control officer, hazardous air emissions also means emissions into the ambient air from any substances identified in subdivisions (a) to (f), inclusive, of Section 44321 of the Health and Safety Code.

(2) "Acutely hazardous material" means any material defined pursuant to subdivision (a) of Section 25532.

SEC. 15. Section 42301.9 of the Health and Safety Code is amended to read:

42301.9. For the purposes of Sections 42301.4 to 42301.8, inclusive:

(a) "School" means any public or private school used for purposes of the education of more than 12 children in kindergarten or any of grades 1 to 12, inclusive, but does not include any private school in which education is primarily conducted in private homes.

(b) "Air contaminant" means any contaminant defined pursuant to Section 39013.

(c) "Administering agency" means an agency designated pursuant to Section 25502.

(d) "Handle" means handle as defined in Article 1 (commencing with Section 25500) of Chapter 6.95 of Division 20 of the Health and Safety Code.

SEC. 16. Section 21151.3 of the Public Resources Code is repealed.

SEC. 17. Section 21151.4 of the Public Resources Code is amended to read:

21151.4. No environmental impact report or negative declaration shall be approved for any project involving the construction or alteration of a facility within ¼ of a mile of a school which might reasonably be anticipated to emit hazardous or acutely hazardous air emission, or which would handle acutely hazardous material or a mixture containing acutely hazardous material in a quantity equal to

or greater than the quantity specified in subdivision (a) of Section 25536 of the Health and Safety Code, which may pose a health or safety hazard to persons who would attend or would be employed at the school, unless both of the following occur:

(a) The lead agency preparing the environmental impact report or negative declaration has consulted with the school district having jurisdiction regarding the potential impact of the project on the school.

(b) The school district has been given written notification of the project not less than 30 days prior to the proposed approval of the environmental impact report or negative declaration.

SEC. 18. Section 21151.8 of the Public Resources Code is amended to read:

21151.8. (a) No environmental impact report or negative declaration shall be approved for any project involving the purchase of a schoolsite or the construction of a new elementary or secondary school by a school district unless all of the following occur:

(1) The environmental impact report or negative declaration includes information which is needed to determine if the property proposed to be purchased, or to be constructed upon, is any of the following:

(A) The site of a current or former hazardous waste disposal site or solid waste disposal site and, if so, whether the wastes have been removed.

(B) A hazardous substance release site identified by the State Department of Health Services in a current list adopted pursuant to Section 25356 for removal or remedial action pursuant to Chapter 6.8 (commencing with Section 25300) of Division 20 of the Health and Safety Code.

(C) A site which contains one or more pipelines, situated underground or aboveground, which carries hazardous substances, acutely hazardous materials, or hazardous wastes, unless the pipeline is a natural gas line which is used only to supply natural gas to that school or neighborhood.

(2) The lead agency preparing the environmental impact report or negative declaration has notified in writing and consulted with the administering agency in which the proposed schoolsite is located, and with any air pollution control district or air quality management district having jurisdiction in the area, to identify facilities within one-fourth of a mile of the proposed schoolsite which might reasonably be anticipated to emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste. The notification by the lead agency shall include a list of the locations for which information is sought.

(3) The governing board of the school district makes one of the following written findings:

(A) Consultation identified no such facilities specified in paragraph (2).

(B) The facilities specified in paragraph (2) exist, but one of the

following conditions applies:

(i) The health risks from the facilities do not and will not constitute an actual or potential endangerment of public health to persons who would attend or be employed at the proposed school.

(ii) Corrective measures required under an existing order by another agency having jurisdiction over the facilities will, before the school is occupied, result in the mitigation of all chronic or accidental hazardous air emissions to levels that do not constitute an actual or potential endangerment of public health to persons who would attend or be employed at the proposed school. If the governing board makes such a finding, it shall also make a subsequent finding, prior to occupancy of the school, that the emissions have been so mitigated.

(4) Each administering agency, air pollution control district, or air quality management district receiving written notification from a lead agency to identify facilities pursuant to paragraph (2) shall provide the requested information and provide a written response to the lead agency within 30 days of receiving the notification. The environmental impact report or negative declaration shall be conclusively presumed to comply with this section as to the area of responsibility of any agency which does not respond within 30 days.

(b) If a lead agency has carried out the consultation required by paragraph (2) of subdivision (a), the environmental impact report or the negative declaration shall be conclusively presumed to comply with this section, notwithstanding any failure of the consultation to identify an existing facility specified in paragraph (2) of subdivision (a).

(c) As used in this section and Section 21151.4, the following definitions shall apply:

(1) "Hazardous substance" means any substance defined in Section 25316 of the Health and Safety Code.

(2) "Acutely hazardous material" means any material defined pursuant to subdivision (a) of Section 25532 of the Health and Safety Code.

(3) "Hazardous waste" means any waste defined in Section 25117 of the Health and Safety Code.

(4) "Hazardous waste disposal site" means any site defined in Section 25114 of the Health and Safety Code.

(5) "Hazardous air emissions" means emissions into the ambient air of air contaminants which have been identified as a toxic air contaminant by the State Air Resources Board or by the air pollution control officer for the jurisdiction in which the project is located. As determined by the air pollution control officer, hazardous air emissions also means emissions into the ambient air from any substances identified in subdivisions (a) to (f), inclusive, of Section 44321 of the Health and Safety Code.

(6) "Administering agency" means an agency designated pursuant to Section 25502 of the Health and Safety Code.

(7) "Handle" means handle as defined in Article 1 (commencing

with Section 25500) of Chapter 6.95 of Division 20 of the Health and Safety Code.

SEC. 19. Sections 3, 5, 10, 10.5, 11, 14, 15, and 17 of this act shall not apply to projects for which an application is submitted pursuant to Section 65943 of the Government Code prior to January 1, 1992.

SEC. 20. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

Moreover, no reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for other costs because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for those other costs.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 21. If any provision of this act or its application to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

CHAPTER 1184

An act to amend Sections 422.6, 422.7, and 1170.75 of the Penal Code, relating to civil rights.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Section 422.6 of the Penal Code is amended to read:

422.6. (a) No person, whether or not acting under color of law, shall by force or threat of force willfully injure, intimidate, interfere with, oppress, or threaten any other person in the free exercise or

enjoyment of any right or privilege secured to him or her by the constitution or laws of this state or by the Constitution or laws of the United States because of the other person's race, color, religion, ancestry, national origin, gender, or sexual orientation.

(b) No person, whether or not acting under color of law, shall knowingly deface, damage, or destroy the real or personal property of any other person for the purpose of intimidating or interfering with the free exercise or enjoyment of any right or privilege secured to the other person by the constitution or laws of this state or by the Constitution or laws of the United States because of the other person's race, color, religion, ancestry, national origin, gender, or sexual orientation.

(c) Any person convicted of violating subdivision (a) or (b) shall be punished by imprisonment in a county jail not to exceed six months, by a fine not to exceed five thousand dollars ($5,000), or by both that imprisonment and fine. However, no person shall be convicted of violating subdivision (a) based upon speech alone, except upon a showing that the speech itself threatened violence against a specific person or group of persons and that the defendant had the apparent ability to carry out the threat.

SEC. 1.5. Section 422.6 of the Penal Code is amended to read:

422.6. (a) No person, whether or not acting under color of law, shall by force or threat of force, willfully injure, intimidate, interfere with, oppress, or threaten any other person in the free exercise or enjoyment of any right or privilege secured to him or her by the constitution or laws of this state or by the Constitution or laws of the United States because of the other person's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation.

(b) No person, whether or not acting under color of law, shall knowingly deface, damage, or destroy the real or personal property of any other person for the purpose of intimidating or interfering with the free exercise or enjoyment of any right or privilege secured to the other person by the constitution or laws of this state or by the Constitution or laws of the United States, because of the other person's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation.

(c) Any person convicted of violating subdivision (a) or (b) shall be punished by imprisonment in a county jail not to exceed one year, or by a fine not to exceed five thousand dollars ($5,000), or by both that imprisonment and fine. However, no person shall be convicted of violating subdivision (a) based upon speech alone, except upon a showing that the speech itself threatened violence against a specific person or group of persons and that the defendant had the apparent ability to carry out the threat.

SEC. 2. Section 422.7 of the Penal Code is amended to read:

422.7. Except in the case of a violation of subdivision (a) or (b) of Section 422.6, any crime which is not made punishable by imprisonment in the state prison shall be punishable by imprisonment in the state prison or in a county jail not to exceed one

year, by a fine not to exceed ten thousand dollars ($10,000), or by both that imprisonment and fine, if the crime is committed against the person or property of another for the purpose of intimidating or interfering with that other person's free exercise or enjoyment of any right secured to him or her by the constitution or laws of this state or by the Constitution or laws of the United States because of the other person's race, color, religion, ancestry, national origin, gender, or sexual orientation, under any of the following circumstances, which shall be charged in the accusatory pleading:

(a) The crime against the person of another either includes the present ability to commit a violent injury or causes actual physical injury.

(b) The crime against property causes damage in excess of one thousand dollars ($1,000).

(c) The person charged with a crime under this section has been convicted previously of a violation of subdivision (a) or (b) of Section 422.6, or has been convicted previously of a conspiracy to commit a crime described in subdivision (a) or (b) of Section 422.6.

SEC. 2.5. Section 422.7 of the Penal Code is amended to read:

422.7. Except in the case of a person punished under Section 422.6, any crime which is not made punishable by imprisonment in the state prison shall be punishable by imprisonment in the state prison or in a county jail not to exceed one year, by a fine not to exceed ten thousand dollars ($10,000), or by both that imprisonment and fine, if the crime is committed against the person or property of another for the purpose of intimidating or interfering with that other person's free exercise or enjoyment of any right secured to him or her by the constitution or laws of this state or by the Constitution or laws of the United States and because of the other person's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation, under any of the following circumstances, which shall be charged in the accusatory pleading:

(a) The crime against the person of another either includes the present ability to commit a violent injury or causes actual physical injury.

(b) The crime against property causes damage in excess of five hundred dollars ($500).

(c) The person charged with a crime under this section has been convicted previously of a violation of subdivision (a) or (b) of Section 422.6, or has been convicted previously of a conspiracy to commit a crime described in subdivision (a) or (b) of Section 422.6.

SEC. 3. Section 1170.75 of the Penal Code is amended to read:

1170.75. Except in a case in which the person has been convicted of an offense subject to Section 1170.8, the fact that a person committed a felony or attempted to commit a felony because of the victim's race, color, religion, nationality, country of origin, ancestry, gender, or sexual orientation shall be considered a circumstance in aggravation of the crime in imposing a term under subdivision (b) of Section 1170.

SEC. 3.5. Section 1170.75 of the Penal Code is amended to read:

1170.75. Except where the court imposes additional punishment under Section 422.75 or in a case in which the person has been convicted of an offense subject to Section 1170.8, the fact that a person committed a felony or attempted to commit a felony because of the victim's race, color, religion, nationality, country of origin, ancestry, disability, gender, or sexual orientation, shall be considered a circumstance in aggravation of the crime in imposing a term under subdivision (b) of Section 1170.

SEC. 4. Section 1.5 of this bill incorporates amendments to Section 422.6 of the Penal Code proposed by both this bill and SB 98. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 422.6 of the Penal Code, and (3) this bill is enacted after SB 98, in which case Section 1 of this bill shall not become operative.

SEC. 5. Section 2.5 of this bill incorporates amendments to Section 422.7 of the Penal Code proposed by both this bill and SB 98. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 422.7 of the Penal Code, and (3) this bill is enacted after SB 98, in which case Section 2 of this bill shall not become operative.

SEC. 6. Section 3.5 of this bill incorporates amendments to Section 1170.75 of the Penal Code proposed by both this bill and SB 98. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 1170.75 of the Penal Code, and (3) this bill is enacted after SB 98, in which case Section 3 of this bill shall not become operative.

SEC. 7. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1185

An act to amend Sections 13962, 13965, 13968, 13969.1, and 13969.2 of the Government Code, relating to victims of crime.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 13962 of the Government Code is amended to read:

13962. (a) The staff of the board shall appoint a clerk to review all applications for assistance in order to ensure that they are complete. If an application is not complete, it shall be returned to the victim with a brief statement of the additional information required. The victim, within 30 days of receipt thereof, may either supply the additional information or appeal the action to the board which shall review the application to determine whether or not it is complete.

(b) The board shall approve or deny applications accepted in accordance with subdivision (a) within an average of 90 calendar days. Each individual claim shall be approved or denied within 180 calendar days. These specified time periods shall operate from the date the claim is accepted by the board or local contract agency, to the date of approval or denial of the claim. Any verification of the claim which is deemed necessary shall be performed during these specified time periods. The verification process shall include sending supplemental forms to all hospitals, physicians, law enforcement officials, and other interested parties involved, verifying the treatment of the victim, circumstances of the crime, amounts paid or received by or for the victim, and other pertinent information as may be deemed necessary by the board. Verification forms shall be provided by the board and shall be returned to the board within 10 business days. All of this information shall be provided at no cost to the applicant, the board, or local victim centers. Verification forms shall require sufficient information to clearly identify the victim. The board shall include on the verification forms a statement certifying that a signed authorization by the victim is retained in the victim's file and that this certification constitutes actual authorization for the release of information, notwithstanding any other provision of law. Each request from the board to a physician for a copy or summary of medical records shall include a copy of the signed authorization for the release of information. The board shall include on the verification forms reference to this section with respect to the prompt return of the verification forms. The board, thereupon, shall consider the application at a hearing at a time and place of its choosing. The board shall notify all interested persons not less than five days prior to the date of the hearing.

(c) The victim shall cooperate with the staff of the board or the

local victim center in the verification of the information contained in the application. Failure to cooperate shall be reported to the board, which, in its discretion, may reject the application on this ground alone.

(d) Hearings shall be held in various locations with the frequency necessary to provide for the speedy adjudication of the applications. If the applicant's presence is required at the hearing, the board shall consider convenience to the applicant in scheduling the locations. If necessary, the board shall delegate the hearing of applications to hearing examiners.

(e) The board may contract with local victim centers to provide verification of claims processed by the centers pursuant to conditions stated in subdivision (b).

SEC. 2. Section 13965 of the Government Code is amended to read:

13965. (a) If the application for assistance is approved, the board shall determine what type of state assistance will best aid the victim. The board may take any or all of the following actions:

(1) Authorize a direct cash payment to a provider of psychological or psychiatric treatment or mental health counseling services, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code or to the victim, equal to the pecuniary loss attributable to medical or medical-related expenses, including counseling, directly resulting from the injury. Reimbursement on the initial claim for any psychological, psychiatric, or mental health counseling services, including peer counseling services provided by a rape crisis center, shall, if the victim's application has been approved, be paid by the board within 90 days of the date of receipt of the claim for payment, with subsequent payments to be made to the provider within one month of the receipt of a claim for payment. However, the board may not authorize without good cause a direct cash payment to a licensed health care provider or rape crisis center over the objection of the victim.

When a public agency, including a court or district attorney or a police, county child protective services, or other state or local governmental agency, refers a victim of crime to a private nonprofit agency for treatment for that victim, the private nonprofit agency shall be reimbursed for those services at the level of the normal and customary fee charged by the private nonprofit agency to clients with adequate means of payment for its services, except that this reimbursement shall not exceed the maximum reimbursement rates set by the board and may be made only to the extent that the victim otherwise qualifies for services under the victims of crime program and that other reimbursement or direct subsidies are not available to serve the victim.

Payments authorized pursuant to this paragraph for peer counseling services provided by a rape counseling center shall not exceed fifteen dollars ($15) for each hour of services provided. Those

services shall be limited to individual, in-person counseling on a face-to-face basis for a period not to exceed 10 weeks plus one series of facilitated support group counseling sessions.

(2) Authorize a cash payment to the victim equal to the pecuniary loss resulting from loss of wages or support directly resulting from the injury. If the board determines, after review of an application for assistance, including the evaluation of a qualified provider, that pecuniary loss for which payment may be made under this paragraph is expected to continue more than six months after the date of approval of the victim's application for assistance, disbursement shall commence and continue on a monthly basis for the period of time pecuniary loss is expected to continue.

(3) Authorize cash payments to or on behalf of the victim for job retraining or similar employment-oriented rehabilitative services.

(4) Obtain an independent examination and report from any provider of psychological or psychiatric treatment or mental health counseling services, if it believes there is a reasonable basis for requesting an additional evaluation. In cases where the crime involves sexual assault, the provider shall have expertise in the needs of sexual assault victims. When a reevaluation is obtained, payments shall not be discontinued prior to completion of the reevaluation.

(5) The total award to or on behalf of the victim shall not exceed twenty-three thousand dollars ($23,000), and may be increased only in accordance with this section.

(b) Assistance granted pursuant to this article shall not disqualify an otherwise eligible victim from participation in any other public assistance program.

(c) Cash payments made pursuant to this article may be on a one-time or periodic basis. If periodic, the board may increase, reduce, or terminate the amount of assistance according to the victim's need, subject to the maximum limits provided in this section.

(d) The board shall pay attorney's fees representing the reasonable value of legal services rendered to the applicant, in an amount equal to 10 percent of the amount of the award, or five hundred dollars ($500), whichever is less. An attorney receiving fees from another source may waive the right to receive fees under this section. Payments under this section shall be in addition to any amount authorized or ordered under subdivision (d) of Section 13969.1.

(e) No attorney shall charge, demand, receive, or collect any amount for services rendered in connection with any proceedings under this article except as awarded under this article.

(f) The maximum cash payments authorized in subdivision (a) shall be increased to forty-six thousand dollars ($46,000) if federal funds for those increases are available, and may be further increased pursuant to subdivision (i).

(g) Notwithstanding subdivisions (a) and (f), a victim injured between January 1, 1985, and December 31, 1985, shall be entitled to receive a maximum cash payment of forty-six thousand dollars

($46,000) if federal funds for these increases are available, but only for costs in excess of limitations provided for in subdivision (a) which are attributable to medical or medical-related expenses, except for psychological or psychiatric treatment, or mental health counseling services.

(h) Notwithstanding any conflicting provision of this chapter, the board may make additional payments for purposes described in paragraph (1) of subdivision (a) to any victim who filed an application with the board on or after December 1, 1982, who was a victim of a crime involving sexual assault, and who is a minor at the time the additional payments pursuant to this subdivision are made. The payments authorized by this subdivision shall not in the aggregate of all payments made by the board to the victim of the crime exceed twenty-three thousand dollars ($23,000), unless federal funds are available, in which case the aggregate maximum award may be increased to forty-six thousand dollars ($46,000).

(i) Notwithstanding any conflicting provision of this chapter, the board may, at its discretion, make additional cash payments not to exceed ten thousand dollars ($10,000) over any maximum payment amount specified in this section, for pecuniary losses as defined in subdivision (d) of Section 13960 or for services provided pursuant to this section, subject to any restrictions that apply under subdivision (a), to or on behalf of a victim of a crime involving sexual assault which occurred after January 1, 1980, who has made more than two appearances in open court, or hearings, in criminal actions involving the defendant, over an extended period of time.

(j) Reimbursement for any medical or medical-related services shall, if the victim's application has been approved, be paid by the board within an average of 90 days from receipt of the claim for payment. Payments to a medical or mental health provider under this subdivision or paragraph (1) of subdivision (a) shall not be discontinued prior to completion of any reevaluation. Whether or not a reevaluation is obtained, if the board determines that payments to a provider shall be discontinued, the board shall notify the provider of their discontinuance within 30 days of its determination.

(k) The board may establish maximum rates and service limitations for reimbursement of medical and medical-related expenses, including counseling expenses, incurred by a victim for which restitution is requested pursuant to this section. For mental health and counseling services provided to victims of crime, rates shall not exceed the statewide average.

To assure service limitations which are uniform and appropriate to the levels of mental health treatment required by the victim, the board may review all claims for these services as necessary to ensure their medical necessity. The board may further require additional documentation, information, or medical review of cases of continuing treatment which are projected to exceed five thousand dollars ($5,000) to determine the need to continue treatment in excess of that amount. The board may accept or reject claims for the

amount in excess of five thousand dollars ($5,000) by applying the same standards applicable to processing the initial claim or may approve a continuing treatment regimen for a specific interval or subject to periodic review as appropriate. All information requested of the treating therapist shall be provided at no cost to the applicant, the board, or to local victim centers, pursuant to subdivision (b) of Section 13962. Requests for additional information shall be made in a timely manner so as not to interfere with necessary treatment.

(*l*) The authority provided by this section shall not be construed to in any way diminish, enhance, or otherwise affect any authority which the board may have under current law except as explicitly provided in this section.

SEC. 2.5. Section 13965 of the Government Code is amended to read:

13965. (a) If the application for assistance is approved, the board shall determine what type of state assistance will best aid the victim. The board may take any or all of the following actions:

(1) Authorize a direct cash payment to a provider of psychological or psychiatric treatment or mental health counseling services, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code or to the victim, equal to the pecuniary loss attributable to medical or medical-related expenses, including counseling, directly resulting from the injury. Reimbursement on the initial claim for any psychological, psychiatric, or mental health counseling services, including peer counseling services provided by a rape crisis center, shall, if the victim's application has been approved, be paid by the board within 90 days of the date of receipt of the claim for payment, with subsequent payments to be made to the provider within one month of the receipt of a claim for payment. However, the board may not authorize without good cause a direct cash payment to a licensed health care provider or rape crisis center over the objection of the victim.

When a public agency, including a court or district attorney or a police, county child protective services, or other state or local governmental agency, refers a victim of crime to a private nonprofit agency for treatment for that victim, the private nonprofit agency shall be reimbursed for those services at the level of the normal and customary fee charged by the private nonprofit agency to clients with adequate means of payment for its services, except that this reimbursement shall not exceed the maximum reimbursement rates set by the board and may be made only to the extent that the victim otherwise qualifies for services under the victims of crime program and that other reimbursement or direct subsidies are not available to serve the victim.

Payments authorized pursuant to this paragraph for peer counseling services provided by a rape counseling center shall not exceed fifteen dollars ($15) for each hour of services provided. Those services shall be limited to individual, in-person counseling on a

face-to-face basis for a period not to exceed 10 weeks plus one series of facilitated support group counseling sessions.

(2) Authorize a cash payment to the victim equal to the pecuniary loss resulting from loss of wages or support directly resulting from the injury. If the board determines, after review of an application for assistance, including the evaluation of a qualified provider, that pecuniary loss for which payment may be made under this paragraph is expected to continue more than six months after the date of approval of the victim's application for assistance, disbursement shall commence and continue on a monthly basis for the period of time pecuniary loss is expected to continue.

(3) Authorize cash payments to or on behalf of the victim for job retraining or similar employment-oriented rehabilitative services.

(4) Obtain an independent examination and report from any provider of psychological or psychiatric treatment or mental health counseling services, if it believes there is a reasonable basis for requesting an additional evaluation. In cases where the crime involves sexual assault, the provider shall have expertise in the needs of sexual assault victims. When a reevaluation is obtained, payments shall not be discontinued prior to completion of the reevaluation.

(5) The total award to or on behalf of the victim shall not exceed twenty-three thousand dollars ($23,000), and may be increased only in accordance with this section.

(6) Payment shall be authorized for victims as defined in Section 13960.3 to the extent that the victim otherwise qualifies under the victims of crime program and to the extent that the county does not provide funding for the services to which the victim would otherwise be entitled under this chapter.

(b) Assistance granted pursuant to this article shall not disqualify an otherwise eligible victim from participation in any other public assistance program.

(c) Cash payments made pursuant to this article may be on a one-time or periodic basis. If periodic, the board may increase, reduce, or terminate the amount of assistance according to the victim's need, subject to the maximum limits provided in this section.

(d) The board shall pay attorney's fees representing the reasonable value of legal services rendered to the applicant, in an amount equal to 10 percent of the amount of the award, or five hundred dollars ($500), whichever is less.

An attorney receiving fees from another source may waive the right to receive fees under this section. Payments under this section shall be in addition to any amount authorized or ordered under subdivision (d) of Section 13969.1.

(e) No attorney shall charge, demand, receive, or collect any amount for services rendered in connection with any proceedings under this article except as awarded under this article.

(f) The maximum cash payments authorized in subdivision (a) shall be increased to forty-six thousand dollars ($46,000) if federal funds for those increases are available, and may be further increased

pursuant to subdivision (i).

(g) Notwithstanding subdivisions (a) and (f), a victim injured between January 1, 1985, and December 31, 1985, shall be entitled to receive a maximum cash payment of forty-six thousand dollars ($46,000) if federal funds for these increases are available, but only for costs in excess of limitations provided for in subdivision (a) which are attributable to medical or medical-related expenses, except for psychological or psychiatric treatment, or mental health counseling services.

(h) Notwithstanding any conflicting provision of this chapter, the board may make additional payments for purposes described in paragraph (1) of subdivision (a) to any victim who filed an application with the board on or after December 1, 1982, who was a victim of a crime involving sexual assault, and who is a minor at the time the additional payments pursuant to this subdivision are made. The payments authorized by this subdivision shall not in the aggregate of all payments made by the board to the victim of the crime exceed twenty-three thousand dollars ($23,000), unless federal funds are available, in which case the aggregate maximum award may be increased to forty-six thousand dollars ($46,000).

(i) Notwithstanding any conflicting provision of this chapter, the board may, at its discretion, make additional cash payments not to exceed ten thousand dollars ($10,000) over any maximum payment amount specified in this section, for pecuniary losses as defined in subdivision (d) of Section 13960 or for services provided pursuant to this section, subject to any restrictions that apply under subdivision (a), to or on behalf of a victim of a crime involving sexual assault which occurred after January 1, 1980, who has made more than two appearances in open court, or hearings, in criminal actions involving the defendant, over an extended period of time.

(j) Reimbursement for any medical or medical-related services shall, if the victim's application has been approved, be paid by the board within an average of 90 days from receipt of the claim for payment. Payments to a medical or mental health provider under this subdivision or paragraph (1) of subdivision (a) shall not be discontinued prior to completion of any reevaluation. Whether or not a reevaluation is obtained, if the board determines that payments to a provider shall be discontinued, the board shall notify the provider of their discontinuance within 30 days of its determination.

(k) The board may establish maximum rates and service limitations for reimbursement of medical and medical-related expenses, including counseling expenses, incurred by a victim for which restitution is requested pursuant to this section. For mental health and counseling services provided to victims of crime, rates shall not exceed the statewide average.

To assure service limitations which are uniform and appropriate to the levels of mental health treatment required by the victim, the board may review all claims for these services as necessary to ensure their medical necessity. The board may further require additional

documentation, information, or medical review of cases of continuing treatment which are projected to exceed five thousand dollars ($5,000) to determine the need to continue treatment in excess of that amount. The board may accept or reject claims for the amount in excess of five thousand dollars ($5,000) by applying the same standards applicable to processing the initial claim or may approve a continuing treatment regimen for a specific interval or subject to periodic review as appropriate. All information requested of the treating therapist shall be provided at no cost to the applicant, the board, or to local victim centers, pursuant to subdivision (b) of Section 13962. Requests for additional information shall be made in a timely manner so as not to interfere with necessary treatment.

(*l*) The authority provided by this section shall not be construed to in any way diminish, enhance, or otherwise affect any authority which the board may have under current law except as explicitly provided in this section.

SEC. 3. Section 13968 of the Government Code is amended to read:

13968. (a) The board is hereby authorized to make all needful rules and regulations for the purposes of carrying into effect the provisions of this article. All rules and regulations adopted pursuant to this subdivision shall be adopted in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3.

(b) It shall be the duty of every hospital licensed under the laws of this state to display prominently in its emergency room posters giving notification of the existence and general provisions of this chapter, and the existence and locations of local victim centers. The board, in cooperation with local victim centers, shall set standards for the location of such a display and shall provide posters, application forms, and general information regarding the provisions of this chapter to each hospital and physician licensed to practice in the State of California.

(c) It shall be the duty of every local law enforcement agency to inform victims of crimes of the provisions of this chapter, of the existence of local victim centers, and in counties where no local victim center exists, to provide application forms to victims who desire to seek assistance pursuant to this article. The board shall provide application forms and all other documents which local law enforcement agencies and victim centers may require to comply with this section. The board, in cooperation with local victim centers shall set standards to be followed by local law enforcement agencies for this purpose and may require them to file with the board a description of the procedures adopted by each agency to comply.

(d) Notwithstanding any other provision of law, every law enforcement agency in the state shall provide to the board or to the designated local victim centers, upon request, a complete copy of the report regarding the incident and any supplemental reports involving the crime, public offense, or incident giving rise to a claim, for the specific purpose of the submission of a claim or the

determination of eligibility to submit a claim filed pursuant to this article.

(e) The law enforcement agency supplying the information may, at its discretion, withhold the names of witnesses or informants from the board, if the release of such names would be detrimental to the parties or to an investigation currently in progress.

(f) Notwithstanding any other provision of law, every state agency, department, division, board, or commission, upon receipt of a copy of a release signed in accordance with the Information Practices Act of 1977 by the applicant or other authorized representative, shall provide to the board or local victim center the information necessary to complete the verification of an application filed pursuant to this article.

SEC. 3.5. Section 13968 of the Government Code is amended to read:

13968. (a) The board is hereby authorized to make all needful rules and regulations for the purposes of carrying into effect this article. All rules and regulations adopted pursuant to this subdivision shall be adopted in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3.

(b) It shall be the duty of every hospital licensed under the laws of this state to display prominently in its emergency room posters giving notification of the existence and general provisions of this chapter, and the existence and locations of local victim centers. The board, in cooperation with local victim centers, shall set standards for the location of such a display and shall provide posters, application forms, and general information regarding the provisions of this chapter to each hospital and physician licensed to practice in the State of California.

(c) It shall be the duty of every local law enforcement agency to inform victims of crimes of the provisions of this chapter, of the existence of local victim centers, and in counties where no local victim center exists, to provide application forms to victims who desire to seek assistance pursuant to this article. The board shall provide application forms and all other documents which local law enforcement agencies and victim centers may require to comply with this section. The board, in cooperation with local victim centers shall set standards to be followed by local law enforcement agencies for this purpose and may require them to file with the board a description of the procedures adopted by each agency to comply.

(d) Notwithstanding Section 827 of the Welfare and Institutions Code or any other provision of law, every law enforcement and social service agency in the state shall provide to the board or to the designated local victim centers, upon request, a copy of a petition filed in a juvenile court proceeding, reports of the probation officer, any other document made available to the probation officer or to the judge, referee, or other hearing officer, a complete copy of the report regarding the incident and any supplemental reports involving the crime, public offense, or incident giving rise to a claim, for the

specific purpose of the submission of a claim or the determination of eligibility to submit a claim filed pursuant to this article. The board or designated local victim centers shall refuse to allow inspection of a document which personally identifies a minor by anyone other than the minor who is so identified, his or her custodial parent or guardian, the attorneys for those parties, and such other persons as may be designated by court order of the judge of the juvenile court. Any information received pursuant to this section shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated. A violation of this subdivision is a misdemeanor punishable by a fine not to exceed five hundred dollars ($500).

(e) The law enforcement agency supplying the information may, at its discretion, withhold the names of witnesses or informants from the board, if the release of such names would be detrimental to the parties or to an investigation currently in progress.

(f) Notwithstanding any other provision of law, every state agency, department, division, board, or commission, upon receipt of a copy of a release signed in accordance with the Information Practices Act of 1977 by the applicant or other authorized representative, shall provide to the board or local victim center the information necessary to complete the verification of an application filed pursuant to this article.

SEC. 4. Section 13969.1 of the Government Code is amended to read:

13969.1. (a) The decisions of the board shall be in writing. Copies of the decisions shall be delivered to the applicant or to his or her representative personally or sent to them by mail.

(b) The board itself may order a reconsideration of all or part of the application for assistance on its own motion or on written request of the applicant or his or her representative. The board may not grant more than one such request on any application for assistance. The board shall not consider any such request filed with the board more than 30 days after the personal delivery or 60 days after the mailing of the original decision.

(c) Judicial review of a final decision made pursuant to this article may be had by filing a petition for a writ of mandate in accordance with the provisions of the Code of Civil Procedure. The right to petition shall not be affected by the failure to seek reconsideration before the board. The petition shall be filed as follows:

(1) Where no request for reconsideration is made, within 30 days of personal delivery or within 60 days of the mailing of the board's decision on the application for assistance.

(2) Where a timely request for reconsideration is filed and rejected by the board, within 30 days of personal delivery or within 60 days of the mailing of the notice of rejection.

(3) Where a timely request for reconsideration is filed and granted by the board, or reconsideration is ordered by the board, within 30 days of personal delivery or within 60 days of the mailing

of the final decision on the reconsidered application.

(d) (1) In an action resulting in the issuance of a writ of mandate pursuant to this section the court may order the board to pay to the applicant's attorney reasonable attorney's fees or one thousand dollars ($1,000), whichever is less. If action is taken by the board in favor of the applicant in response to the filing of the petition, but prior to a judicial determination, the board shall pay the applicant's costs of filing the petition.

(2) In case of appeal by the board of a decision on the petition for writ of mandate that results in a decision in favor of the applicant, the court may order the board to pay to the applicant's attorney reasonable attorney fees.

(3) Nothing in this section shall be construed to prohibit or limit an award of attorney's fees pursuant to Section 1021.5 of the Code of Civil Procedure.

SEC. 5. Section 13969.2 of the Government Code is amended to read:

13969.2. (a) If the board does not meet the 90-day average standard prescribed in subdivision (b) of Section 13962, the board shall, thereafter, report to the Legislature, on a quarterly basis, its progress and its current average time of processing a claim.

(b) If the board fails to approve or deny an individual claim within 180 days of the date it is accepted pursuant to subdivision (b) of Section 13962, the board shall advise the applicant and his or her representative, in writing, of the reason for the failure to approve or deny the claim.

SEC. 6. Section 2.5 of this bill incorporates amendments to Section 13965 of the Government Code proposed by both this bill and AB 121. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 13965 of the Government Code, and (3) this bill is enacted after AB 121, in which case Section 2 of this bill shall not become operative.

SEC. 7. Section 3.5 of this bill incorporates amendments to Section 13968 of the Government Code proposed by both this bill and SB 377. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 13965 of the Government Code, and (3) this bill is enacted after SB 377, in which case Section 3 of this bill shall not become operative.

CHAPTER 1186

An act to add Section 8627.5 to the Government Code, relating to emergencies.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 8627.5 is added to the Government Code, to read:

8627.5. (a) The Governor may make, amend, or rescind orders and regulations during a state of emergency that temporarily suspend any state, county, city, or special district statute, ordinance, regulation, or rule imposing nonsafety related restrictions on the delivery of food products, pharmaceuticals, and other emergency necessities distributed through retail or institutional channels, including, but not limited to, hospitals, jails, restaurants, and schools. The Governor shall cause widespread publicity and notice to be given to all of these orders and regulations, or amendments and rescissions thereof.

(b) The orders and regulations shall be in writing and take effect immediately on issuance. The temporary suspension of any statute, ordinance, regulation, or rule shall remain in effect until the order or regulation is rescinded by the Governor, the Governor proclaims the termination of the state of emergency, or for a period of 60 days, whichever occurs first.

SEC. 2. The Legislature hereby finds and declares that maintaining the delivery of food, pharmaceuticals, or other emergency necessities distributed through retail or institutional channels, in light of disruptions caused by previous earthquakes and other disasters, is a paramount priority and should be considered an essential public service, especially after an earthquake, and therefore, a matter of statewide concern.

CHAPTER 1187

An act to amend Section 8286 of, and to add Chapter 2.5 (commencing with Section 8499) to Part 6 of, the Education Code, relating to child care.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the

following:

(a) The availability of affordable, quality child care is vital to the future economic viability of the State of California and the well-being of its families.

(b) The number of children living in families where both parents work outside the home, or living in families with a single parent who works outside the home, has increased dramatically over the last decade.

(c) The availability of affordable, quality child care is critical to the self-sufficiency and independence of millions of California families, including the growing number of mothers with young children who must work outside the home because of economic necessity.

(d) High quality child care and development programs, including, but not limited to, those administered by the State Department of Education, can strengthen our society by providing young children with the foundation on which to learn the basic skills necessary to become productive workers.

(e) The lack of available, affordable, quality child care services results in many preschool and schoolage children being left without adequate supervision for significant parts of the day.

(f) It is in the best interest of California and its families to foster a coordinated, comprehensive child care system which maximizes parental responsibility and parental choice for children from birth to 14 years of age, from families of all income levels, all ethnic groups, and including those children with special needs.

(g) Child care needs statewide are diverse and complex; no single approach fits all communities. Existing resources are also diverse and vary in their availability from community to community. The State of California's effort to meet child care needs must recognize community differences, allow for a pluralistic system, encourage local innovation and initiative, and provide encouragement and assistance to parents of preschool children to afford them the opportunity of caring for their children at home.

(h) Planning for child care services should be accomplished by a partnership of all groups of persons concerned with providing safe, affordable, high-quality child care services to California families. It is, therefore, the intent of the Legislature that communities develop local planning councils to plan for child care and development, to coordinate child care services in their communities, and to determine local priorities for new state and local funding.

(i) It is also the intent of the Legislature that local child care planning councils formed under this chapter determine local priorities for the use of the federal Child Care and Development Block Grant.

SEC. 2. Section 8286 of the Education Code is amended to read:

8286. The Governor shall appoint an advisory committee composed of one representative from the State Board of Education, one representative from the State Social Services Advisory Board,

one representative of private education, one representative of child welfare, one representative of private health care, two representatives of proprietary child care agencies, one representative of a community action agency qualified under Title II of the Economic Opportunity Act of 1969, two representatives of family day care homes, five parents of children participating in child care programs of whom at least three shall be parents of children participating in publicly subsidized child development programs, appointed from names selected by a democratic process to assure representation of the parents of children being served, four persons representing professional or civic groups or public or nonprofit private agencies, organizations or groups concerned with child development, one person who administers a public school child care program established pursuant to Article 22 (commencing with Section 8460), one person who administers a county office of education schoolage child care program established pursuant to Article 22 (commencing with Section 8460), and one teacher currently serving in a public school children's center.

The advisory committee shall also include one representative from the State Department of Education appointed by the Superintendent of Public Instruction, and one representative each from the Employment Development Department, the State Department of Social Services, the State Department of Health Services, and the State Department of Developmental Services, appointed by the respective director of each department.

The advisory committee shall assist the State Department of Education in developing a state plan for child development programs pursuant to this chapter.

The advisory committee shall continually evaluate the effectiveness of those programs and shall report thereon at each regular session of the Legislature.

The advisory committee shall coordinate the drafting of guidelines for local planning councils pursuant to Chapter 2.5 (commencing with Section 8499) of Part 6. The advisory committee shall request state and local agencies to submit suggested guidelines. The final guidelines shall be drafted and adopted by the committee, in consultation with local child care agencies, local planning councils, the Secretary of Child Development and Education, the State Department of Education, and the State Department of Social Services. The guidelines shall include, but not be limited to, provisions for assessing child care supply, demand, cost, and facility needs, in terms of age, family income level, special needs, and multilingual and multicultural backgrounds. Guidelines developed for programs administered by the State Department of Education shall be concurred in by the department.

SEC. 3. Chapter 2.5 (commencing with Section 8499) is added to Part 6 of the Education Code, to read:

CHAPTER 2.5. PARTNERSHIP FOR CHILD CARE

8499. For purposes of this chapter, the following definitions shall apply:

(a) "Local planning council" means a local child care and development planning council.

(b) "Committee" means the Child Development Program Advisory Committee as described in subdivision (a) of Section 8499.4.

(c) "Child care" means all child care and development services, including private for-profit, nonprofit, and public programs, for all children, including children with special needs and those from multilingual and multicultural backgrounds.

(d) "Child care and development block grant" or "block grant" means the block grant contained in the federal Child Care and Development Block Grant Act of 1990, as established by the federal Omnibus Budget Reconciliation Act of 1990, Public Law 101-508.

8499.3. Funds from the child care and development block grant allocated for local expansion of child care services shall be distributed by the State Department of Education as follows:

(a) A minimum amount of funds, established by the State Department of Education, shall be distributed within each county.

(b) Any amount of funds distributed within each county that is above the minimum amount established by the State Department of Education pursuant to subdivision (a) shall be determined by the procedure described in Section 8289.

(c) Once the size of the amount of funds to be distributed within each county has been determined, funds shall be distributed by the State Department of Education according to the priorities listed by each local planning council unless they do not meet the requirements of the federal regulations and state guidelines for these guidelines developed by the State Department of Education.

(d) If a county has not submitted a plan, the Superintendent of Public Instruction shall determine distribution of funds within the county.

8499.5. In order to initiate local child care planning, and to set priorities for use of the child care and development block grant, the county board of supervisors and the county superintendent of schools are requested to accomplish the following:

(a) Notify the State Department of Education for the child care and development block grant of their decision to participate in local efforts to plan for child care and to set priorities for new funds. If either the board of supervisors or the superintendent of schools decides not to participate in these efforts, the other may act alone.

(b) Appoint a countywide child care and development planning council. Membership on the council should include, but need not be limited to, representatives from the following:

(1) County and city government officials or elected officials knowledgeable about local planning issues, child care, recreation,

and social services for children and families.

(2) County office of education.

(3) School districts and community colleges within the county. Representatives should be knowledgeable about child care and development programs.

(4) Local state-funded child care resource and referral agency.

(5) Local government child care coordinator.

(6) Child care and Head Start providers and child development experts.

(7) Parents who use child care services.

(8) Employers, labor organizations, and community organizations knowledgeable about child care, including child care provided by sectarian organizations, in the community.

(9) A representative of the Native Tribal Councils, if there is a Native Tribal Council within the county.

(c) If a county already has a child care or children's services council, such as those established pursuant to the Presley-Brown Interagency Children's Services Act (Chapter 12.8 (commencing with Section 18986) of Part 6 of Division 9 of the Welfare and Institutions Code), the board or boards may designate this council as the child care and development planning council, as long as the council has or can achieve the representation set forth in this section.

(d) Prior to selecting the members of the local planning council, the board or boards should publicize its or their intention to select the members and should invite local organizations to submit nominations.

(e) Every effort shall be made to ensure that the ethnic and racial composition of the local planning council is reflective of the ethnic and racial distribution of the persons and families in the community.

(f) In a county where a city selection committee is created pursuant to Section 50270 of the Government Code, the board or boards shall request that committee to select the city representatives to serve on the local planning council.

8499.6. Local planning councils are encouraged to do all of the following:

(a) Elect a chair and appoint staff as needed.

(b) Develop local priorities for the distribution of federal and state funds as they become available. Local priorities for expansion of subsidized child care and development services under the child care and development block grant should list the types of services most needed by families eligible under the block grant, the ages of the children needing care, and the specific geographic areas within the county where care is needed. These priorities should be documented by data on supply, demand, cost and market rates for child care in the community. In addition, local planning councils may list their priorities for state and local activities to improve the quality of child care. In developing priorities, the local planning council should consult and coordinate with other county interagency children's services councils. The local planning council should

publicize proposed priorities and gather public input before submitting the priorities to the State Department of Education.

(c) Review and update local priorities every two years, if the county intends to continue to receive funding based on local priorities.

(d) Prepare a comprehensive, countywide community child care plan. Local planning councils are encouraged to make every effort to include provisions in the plan that comply with all of the following:

(1) It describes and analyzes the present and future child care needs within that county for a five-year period, based on demographic information and supply and demand data in accordance with guidelines adopted by the advisory committee pursuant to Section 8286.

(2) It contains a plan to meet the child care needs of its county and to develop a comprehensive county child care system by mobilizing public and private resources using, to the extent feasible, expertise and existing data developed by local state-funded child care resource and referral programs and other state and local agencies and complementing existing resources.

(3) It provides for a biennial update of the child care plan consistent with a schedule established by the council and provides for a review by the local jurisdiction at least once biennially of the planning option chosen by the jurisdiction.

(4) It fosters a child care system which maximizes parental responsibility and parental choice.

(5) It considers financing alternatives to implement the action plan.

(6) It identifies priorities for expansion of child care services taking into consideration the age, special needs, family income level, the needs of adolescent parents and children of migrant workers during seasonal work periods, multilingual backgrounds, and multicultural backgrounds of the children requiring child care services.

(7) It identifies the needs and lists priorities for expansion of subsidized child care programs administered by the State Department of Education and State Department of Social Services, and by the federal Head Start Program (42 U.S.C. Sec. 9831 et seq.).

(8) It describes the strategies and mechanisms for assisting and upgrading the quality of child care.

(9) It explains how county and city land use and transportation policies can be used to promote and foster the availability of child care services.

(10) It describes the roles and responsibilities of all relevant public and private agencies in meeting local child care needs.

(11) It identifies current and prospective local funding sources and potential contributions to a community child care fund.

(12) It identifies the roles of the existing local state-funded child care resource and referral program in the implementation of the plan.

(13) It describes the relationships of the local programs pursuant to the federal Head Start Program (42 U.S.C. Sec. 9831 et seq.), the GAIN program established pursuant to Article 3.2 (commencing with Section 11320) of Part 3 of Division 9 of the Welfare and Institutions Code, the JOBS program established pursuant to Title II (commencing with Section 201) of the Family Support Act of 1988 (P.L. 100-485), and the federal Job Training Partnership Act (29 U.S.C. Sec. 1501 et seq.) to the plan, and, where applicable, it describes the coordination with the California Child Care Initiative Project established by Section 8215 of the Education Code.

(14) It is consistent with all guidelines adopted by the advisory committee pursuant to Section 8286.

8499.8. (a) If a local jurisdiction already has a preexisting countywide, community child care plan that meets the intent of this chapter, it may use that plan. The plan may include subplans developed by local jurisdictions within the county.

(b) The local planning council shall consult and coordinate with any county interagency children's services coordination councils authorized pursuant to the Presley-Brown Interagency Children's Services Act (Chapter 12.8 (commencing with Section 18986) of Part 6 of Division 9 of the Welfare and Institutions Code).

(c) Before adopting a community child care plan, copies of the proposed plan shall be made available to the public and at least one public hearing on the plan shall be held.

(d) The local planning council should consult with the local state-funded child care resource and referral program regarding the program's assistance in formulating the priorities for block grant funding and preparing the community child care plan. To the extent that funds from the block grant may be allocated for coordination activities performed by resource and referral agencies, compensation may be provided to the program for additional activities beyond those already funded by the state.

CHAPTER 1188

An act to amend Section 66202 of, to add Section 66202.5 to, to add an article heading to Chapter 9.2 (commencing with Section 66720) of, and to add Article 2 (commencing with Section 66730) to Chapter 9.2 of Part 40 of, the Education Code, relating to education.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature hereby finds and declares all of the following:

(a) A viable and effective student transfer system is one of the

fundamental underpinnings of public postsecondary education in California. It is a community college's primary role to prepare students for upper division access to the University of California and the California State University.

(b) The transfer system must be implemented in such a way as to ensure the successful transfer of individual students to the University of California or the California State University, including the campus and major of their choice, if academic performance is satisfactory.

(c) The transfer function plays a key role in meeting educational equity since the pool of most recent high school graduates who attend the University of California and the California State University as freshmen admittants is not reflective of the racial and ethnic diversity of the state's population. An effective transfer agreement program will assist progress toward diversifying the race and ethnicity of baccalaureate degree holders.

(d) Community college students must have access to a viable and efficient transfer agreement program to the California State University and the University of California for upper division work toward a baccalaureate degree. A viable transfer agreement program for community college students gives otherwise excluded students a way into the university system.

(e) A transfer agreement program must be afforded to community college students who were eligible to attend the university upon graduation from high school and to those who had no initial eligibility but demonstrate successful completion of coursework and the will to succeed.

(f) A transfer agreement program for community college students has the greatest chance for success if the public universities attain and maintain a 60/40 ratio of upper division to lower division undergraduate students.

(g) All students who meet either the University of California or California State University eligibility requirements at both the freshman and the upper division level, and who apply as required, should be offered the opportunity to attend a University of California or California State University campus within the system to which the student applied.

The current practice of finding a place for every eligible student who applies is accepted as appropriate state policy. Students should be offered alternatives for upper division admission to the University of California and the California State University, depending upon which segment received the student's application, as follows:

(1) Students eligible for admission to the University of California or California State University upon high school graduation may apply to a campus of their choice. If the campus has more eligible applicants than available spaces at the freshman level, the campus should offer the applicant the option of pursuing lower division education at one or more specified community colleges. Individuals accepting this offer shall receive, upon completion of specified academic work, high priority for admission at the upper division

level at the campus that made the offer.

(2) Regardless of eligibility for admission to the University of California or California State University upon high school graduation, students should be provided the opportunity to attend a community college that offers a transfer agreement program in cooperation with a University of California or California State University campus. This option shall enable students to receive high priority consideration, enter into a contract, or attain equivalent special treatment when applying for university admission at the upper division level. Transfer agreement programs shall also provide high priority access to majors of choice. It is recognized that access to majors of choice will, in most cases, require completion of specialized coursework and attainment of a specified grade point average.

(h) Each community college district should ensure that its colleges have full development of a viable and efficient transfer system which includes transfer agreement programs, centers, and internal coordination of all counseling and student service efforts aimed at ensuring adequate student information, student assistance, and monitoring of progress toward each student's goal.

(i) No provision of the act which enacted this section during the 1991–92 Regular Session of the Legislature shall apply to the University of California except to the extent that the Regents of the University of California, by resolution, make that provision applicable.

SEC. 2. Section 66202 of the Education Code is amended to read:

66202. (a) It is the intent of the Legislature that the following categories be followed, insofar as practicable in the following numerical order, for the purpose of enrollment planning and admission priority practice at the undergraduate resident student level for the California State University and the University of California:

(1) Continuing undergraduate students in good standing.

(2) California Community College transfer students who have successfully concluded a course of study in an approved transfer agreement program.

(3) Other California Community College students who have met all of the requirements for transfer.

As stated in legislative findings, the transfer function plays a key role in meeting the state's goals of educational equity. Therefore, the Board of Regents of the University of California and the Board of Trustees of the California State University shall declare as policy for this paragraph and paragraph (2) of this subdivision that students who are eligible to transfer and who are from historically underrepresented groups or economically disadvantaged families shall be given preference, to the fullest extent possible under state and federal law, statutes, and regulations, in transfer admissions decisions, and shall design policies in conformity with state and federal statutes and regulations intended to facilitate their success in

achieving transfer.

(4) Other qualified transfer students.

(5) California residents entering at the freshman or sophomore levels.

(b) It is further the intent of the Legislature that within each of the preceding enrollment categories, the following groups of applicants receive priority consideration in admissions practice in the following order:

(1) Residents of California who are recently released veterans of the armed forces of the United States.

(2) Transfers from California public community colleges.

(3) Applicants who have been previously enrolled at the campus to which they are applying, provided they left this institution in good standing.

(4) Applicants who have a degree or credential objective that is not generally offered at other public institutions of higher learning within California.

(5) Applicants for whom the distance involved in attending another institution would create financial or other hardships.

(c) It is further the intent of the Legislature that those veterans referred to in paragraph (1) of subdivision (b) who were enrolled in good standing at a campus of the University of California or at one of the California State Universities prior to military service receive priority over other veterans recently released from military service.

SEC. 3. Section 66202.5 is added to the Education Code, to read:

66202.5. The State of California reaffirms its historic commitment to ensure adequate resources to support enrollment growth, within the systemwide academic and individual campus plans to accommodate eligible California freshmen applicants and eligible California Community College transfer students, as specified in Sections 66202 and 66730.

The University of California and the California State University are expected to plan that adequate spaces are available to accommodate all California resident students who are eligible and likely to apply to attend an appropriate place within the system. The State of California likewise reaffirms its historic commitment to ensure that resources are provided to make this expansion possible, and shall commit resources to ensure that students from enrollment categories designated in subdivision (a) of Section 66202 are accommodated in a place within the system. In addition, transfer students from paragraphs (2) and (3) of subdivision (a) of Section 66202, shall be accommodated at the campus or major of choice specified in the redirection agreement, the approved transfer program or written agreements, unless these majors have been declared "impacted." For impacted majors, students shall be given the opportunity to have access to the major when spaces become available, and new freshmen shall be admitted to the major in a controlled manner to ensure that all transfer students described in paragraph (2) of subdivision (a) of Section 66202 have an equitable chance of being

accommodated. It is the intent of the Legislature to fund programs designed to accomplish the purposes of this subdivision through appropriations made in the Budget Act to the public institutions of higher education, and the annual Budget shall contain appropriations necessary to accommodate all students from all of the categories designated in subdivision (a) of Section 66202.

The segments may, in implementing these enrollment plans and admissions practice priorities, consider the overall needs of students in maintaining a balanced program and a quality curriculum, and are expected to consider the state's goals of educational equity and racial and ethnic diversity of students and faculty in the planning and management of their admissions practices. It is further the intent of the Legislature that campus enrollment planning processes provide for the equitable treatment of the following: (1) all eligible entering freshmen; (2) continuing students in good standing; and (3) eligible community college transfer students with regard to accommodation in majors.

This part shall supersede any other law which conflicts with this part.

SEC. 4. An article heading is added to Chapter 9.2 (commencing with Section 66720) of Part 40 of the Education Code, to read:

Article 1. Transfer System

SEC. 5. Article 2 (commencing with Section 66730) is added to Chapter 9.2 of Part 40 of the Education Code, to read:

Article 2. Transfer Functions

66730. (a) The Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges shall have as a fundamental policy the maintenance of a healthy and expanded student transfer system. Both the University of California and the California State University shall have as a basic enrollment policy the maintenance of upper division enrollment, which are students who have attained upper division status, at 60 percent of total undergraduate enrollment. This goal shall be met through programs aimed at increasing the numbers of qualified transfer students from the community colleges without denying eligible freshmen applicants.

(1) The California State University shall maintain its upper division enrollment, which are students who have attained upper division status, at approximately 60 percent of total undergraduate enrollment. Its planning documents shall reflect this policy.

(2) Commencing in the 1991–92 academic year, the University of California shall progressively increase the percentage that upper division enrollment systemwide is of total undergraduate enrollment through the 1995 –96 academic year until that percentage reaches

approximately 60 percent. This shall be accomplished through increases in the numbers of community college transfer students admitted to upper division standing at the university without denying eligible freshmen applicants. Planning documents shall reflect these expected increases.

(b) The governing board of each segment shall ensure that individual university and college campus enrollment plans include adequate upper division places for community college transfer students in all undergraduate colleges or schools, and that each undergraduate college or school on each campus participates in developing articulation and transfer agreement programs with community colleges. The governing boards shall meet this goal within their respective general statewide planning framework used to attain and maintain the state's goal of a 60/40 ratio of upper to lower division students, their segmental enrollment planning processes, and campus planning regarding program balance, educational quality, and other relevant goals.

66731. Student matriculation from community colleges through the University of California and the California State University shall be recognized by the Governor, Legislature, and the governing boards of each of California's public postsecondary education segments as a central institutional priority of all segments of higher education.

66732. The governing boards of each segment shall declare as policy that the student transfer agreement program shall constitute a significant role in achieving the goal of student diversity within their segments, and in ensuring that all students, particularly those currently underrepresented in higher education, have access to a university education. The governing boards of each segment shall design, adopt, and implement policies intended to facilitate successful movement of students from community colleges through the University of California and the California State University.

66734. The Board of Governors of the California Community Colleges shall have the authority and responsibility to guarantee that all community college students have access to courses that meet the lower division baccalaureate degree requirements of the California public universities. The Board of Governors of the California Community Colleges, with the cooperation of the Regents of the University of California and the Trustees of the California State University, shall ensure that all students are clearly and fully informed as to which community college courses and units are transferable and meet the general education and lower division major requirements at the California State University and the University of California.

66736. Each community college district governing board shall ensure that its college or colleges maintain student transfer counseling centers or other counseling and student services designed and implemented to affirmatively seek out, counsel, advise, and monitor the progress of potential and identified community college

transfer students.

All policies and procedures shall give preference and emphasis toward enhancing the transfer of students from economically disadvantaged families and students from traditionally underrepresented minorities, to the fullest extent possible under state and federal statutes and regulations.

66737. The Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges are expected to develop new programs of outreach, recruitment, and cooperation between and among the three segments of public higher education to facilitate the successful transfer of students between the community colleges and the universities. Every community college student who successfully completes the transfer agreement programs, as defined in Section 66738, in a community college shall have an appropriate place in an upper division university program.

66738. (a) The governing board of each public postsecondary education segment shall be accountable for the development and implementation of formal systemwide articulation agreements and transfer agreement programs, including those for general education or a transfer core curriculum, and other appropriate procedures to support and enhance the transfer function.

(b) The elements in a comprehensive transfer system shall include, but not be limited to, the following:

(1) Enrollment and resource planning; intersegmental faculty curricular efforts.

(2) Coordinated counseling.

(3) Financial aid and transfer services.

(4) Transfer articulation agreements and programs.

(5) Specific efforts to improve diversity.

(6) Early outreach activities.

(7) Expansion of current practices relating to concurrent enrollment of community college students in appropriate university courses.

(8) Centers.

(c) The governing board of each segment shall expand existing practices related to concurrent enrollment, in which community college students are provided the opportunity to take courses at University of California and California State University campuses, as space is available; and to expand opportunities for potential transfer students to participate in activities that familiarize them with the university campus.

66740. Each department, school, and major in the University of California and California State University shall develop, in conjunction with community college faculty in appropriate and associated departments, discipline-specific articulation agreements and transfer program agreements for those majors that have lower division prerequisites. Faculty from the community colleges and university campuses shall participate in discipline-specific

curriculum development to coordinate course content and expected levels of student competency.

Where specific majors are impacted or over-subscribed, the prescribed course of study and minimum grade point average required for consideration for upper division admission to all of these majors shall be made readily available to community college counselors, faculty, and students on an annual basis. In cases where the prescribed course of study is altered by the university department, notice of the modification shall be communicated to appropriate community college faculty and counselors at least one year prior to the deadline for application to that major and implementation by the department responsible for teaching that major.

Community college districts, in conjunction with the California State University and the University of California, shall develop discipline-based agreements with as many campuses of the two university segments as feasible, and no fewer than three University of California campuses and five California State University campuses. The development of these agreements shall be the mutual responsibility of all three segments, and no one segment should bear the organizational or financial responsibility for accomplishing these goals.

The Chancellor of the California Community Colleges and the President of the University of California shall begin the process of setting priorities to determine which community colleges will receive first attention for the development of agreements. Criteria for priority determination shall include, but not be limited to, the percentage and number of students from economically disadvantaged families and underrepresented racial and ethnic minorities, and community colleges which traditionally have not transferred many students to the University of California. The priority list shall be completed by March 1, 1992. These considerations shall not be used in any way to displace current agreements between any community college and the University of California or the California State University.

The Chancellor of the California Community Colleges and the Chancellor of the California State University system shall begin the process of setting priorities to determine which community colleges will receive first attention for the development of agreements. Criteria for priority determination shall include, but not be limited to, the percentage and number of students from economically disadvantaged families and underrepresented racial and ethnic minorities, and community colleges which traditionally have not transferred many students to California State Universities. The priority list shall be completed by March 1, 1992. These considerations shall not be used in any way to displace current agreements between any community college and the University of California or the California State University.

66741. As a result of systemwide and interinstitutional

agreements, each community college student shall be assured of the opportunity to enter into a transfer agreement program enabling a student to receive high priority consideration, attain equivalent special treatment, or enter into a contract when applying for university admission at the advanced standing level. It is recognized that eligibility for transfer agreement programs will require completion of certain requirements as defined in interinstitutional agreements. It is also recognized that access to majors of choice will, in most cases, require completion of additional requirements, such as specialized coursework and attainment of a specialized grade point average.

Transfer agreement programs also shall carry high priority access to majors of choice. The University of California and the California State University shall require that continuing undergraduate students and community college transfer students are assessed against a common set of criteria for upper division standing to a specific major. However, generally speaking, access to these programs shall require completion of specialized coursework and attainment of a grade point average above the minimums defined in general admission requirements, such as those used in supplementary admission criteria for impacted or over-subscribed programs.

Alternatively, students may also, by meeting the University of California or California State University requirements for admission at the advanced standing level, simply wish to apply as required. All students meeting these admission requirements shall be guaranteed a place somewhere in the University of California or California State University system, as appropriate.

66742. The governing boards of the three public segments of higher education shall present annual statistical reports on transfer patterns via the California Postsecondary Education Commission to the Governor and Legislature. The reports shall include recent statistics on student enrollments by campus, segment, gender, ethnicity, and the ratio of upper division to lower division, including information on both freshman and transfer student access to the system. These reports should include, to the extent that data are available or become available, data on application, admission and enrollment information for all students by sex, ethnicity, and campus. For transfer students, this data shall indicate the segment of origin for all students. In addition, data shall be separately identified for transfer students from California Community Colleges, and shall identify the subset of applications which are completed together with admission, enrollment, and declared major information for that group. The reports shall describe the number of transfer agreements, if any, whose terms and conditions were not satisfied by either the California State University or the University of California, the number of California Community College transfer students denied either admission to the student's first choice of a particular campus of the California State University or the University of California or

the student's first choice of a major field of study, and, among those students, the number of students who, upon denial of either of the student's first choices, immediately enrolled at another campus of the California State University or the University of California. The reports shall also include information by sex and ethnicity on retention and degree completion for transfer students as well as for native students, and the number and percentage of baccalaureate degree recipients who transferred from a community college.

66743. The California Postsecondary Education Commission is requested to convene an intersegmental advisory committee on transfer access and performance for the purposes of presenting biennial reports to the Governor and the Legislature on the status of transfer policies and programs, the diligence of each segment's board, and the effectiveness of these programs in meeting the state's goals for transfer. The report shall include information about all of the following:

(a) The effectiveness of transfer agreement programs and activities in enhancing the transfer function overall as well as the extent to which transfer program activities have been directed at students who have been historically underrepresented in the University of California and the California State University.

(b) The status of the implementation of the transfer core curriculum as described in Section 66720 for each community college, including information about the extent to which sophomore level courses needed for transfer are available on all community college campuses.

(c) Progress that has been made in achieving articulation agreements in those specific majors that have lower division prerequisites, and the dissemination of this information. The committee shall also explore methods to systematically measure the extent to which the state's goals of freshmen and transfer student access are being met, including analyses of the number of fully eligible freshmen or transfer students who are denied access to the system, and the reasons for that denial. The committee shall also address ways in which sharing of information about transfer students among the segments can be improved, including early identification of potential transfer students for intensive recruitment purposes.

No later than April 1994, the California Postsecondary Education Commission shall report to the Governor and the Legislature on the overall success of this chapter in expediting the goals of transfer, including recommendations about a common definition of transfer rates, including the identification of campuses and positions of employment that prevent progress toward a more effective transfer program, with specific recommendations about resource, program, or other incentives to encourage an effective intersegmental transfer program. The Governor and the Legislature shall monitor the success of the University of California and the California State University in achieving their targeted enrollment levels and in implementing these reforms. A substantial failure to implement

reform, to achieve the 60/40 ratio by the designated dates, or to significantly improve the transfer rate of historically underrepresented groups, shall precipitate legislative hearings to determine the reasons why any one or all of these goals have not been met.

66744. No provision of this article shall apply to the University of California except to the extent that the Regents of the University of California, by resolution, make that provision applicable.

SEC. 6. The Board of Regents of the University of California, the Board of Trustees of the California State University, and the Board of Governors of the California Community Colleges, are requested to each prepare a plan for the implementation of Article 2 (commencing with Section 66730) of Chapter 9.2 of Part 40 of the Education Code. These plans shall be submitted to the policy and fiscal committees of the Legislature by January 15, 1992.

It is the intent of the Legislature that each plan shall include a timetable for implementation of this act, including identification of additional resources that may be required. The Legislature acknowledges that some sections of Article 2 (commencing with Section 66730) of Chapter 9.2 of Part 40 of the Education Code, such as Section 66740, will require a phase in process and the full implementation of those sections will depend on the availability of resources.

The institutions are requested further to identify those additional resources required for faculty time associated with course articulation, and those that are associated with counseling, student advising and outreach to community college students. Any request for augmentation of a four-year segment's resources should further include an estimate of the resources currently being used for community college purposes as well as for analogous activities with high schools and high school students.

SEC. 7. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1189

An act to amend Section 3502 of, and to add Section 5358 to, the Elections Code, relating to elections.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 3502 of the Elections Code is amended to read:

3502. Prior to the circulation of any initiative or referendum petition for signatures, a draft of the proposed measure shall be submitted to the Attorney General with a written request that a title and summary of the chief purpose and points of the proposed measure be prepared. The title and summary shall not exceed a total of 100 words.

The persons presenting the request shall be known as the "proponents."

The Attorney General shall preserve the written request until after the next general election.

The written request shall be accompanied by a written statement, signed by each proponent under penalty of perjury, that no appropriation for a particular project contained within the text of the proposed measure, if any, was included in exchange for a campaign contribution or a pledge for a campaign contribution for purposes of qualifying the proposed measure for the ballot.

SEC. 1.5. Section 3502 of the Elections Code is amended to read:

3502. (a) Prior to the circulation of any initiative or referendum petition for signatures, a draft of the proposed measure shall be submitted to the Attorney General with a written request that a title and summary of the chief purpose and points of the proposed measure be prepared. The title and summary shall not exceed a total of 100 words.

(b) At the time the request is submitted, the proponents shall also submit a statement containing a comprehensive list of all those individuals and entities that have contributed five thousand dollars ($5,000) or more, to qualify the initiative measure. If the source of the funds is a committee as defined in Section 82013 of the Government Code, the proponents shall disclose on the statement whether, to their knowledge, any other committee or individual has contributed five thousand dollars ($5,000) or more to that committee which was in any manner earmarked or otherwise directed to be used for the qualification of the measure. This statement shall be signed by the proponents under penalty of perjury.

(c) The persons presenting the request shall be known as the "proponents."

(d) The Attorney General shall preserve the written request until

after the next general election.

(e) The written request shall be accompanied by a written statement, signed by each proponent under penalty of perjury, that no appropriation for a particular project contained within the text of the proposed measure, if any, was included in exchange for a campaign contribution or a pledge for a campaign contribution for purposes of qualifying the proposed measure for the ballot.

SEC. 2. Section 5358 is added to the Elections Code, to read:

5358. (a) No person shall include an appropriation for a particular project within the text of an initiative petition in exchange for a campaign contribution or a pledge for a campaign contribution for purposes of qualifying the petition for the ballot.

(b) As used in this section and in Section 3502, "project" means the financing, acquisition, or improvement of land, the construction or reconstruction of structures, improvements, parking structures, and related facilities, including the repair, replacement, maintenance, and operation of the project, and any equipment necessary or convenient for the project.

(c) Upon a determination by any court that this section has been violated and in the event that the initiative petition has been adopted by the voters, the appropriation for the particular project is void and any moneys appropriated for the particular project shall revert to the fund from which the moneys were appropriated.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 4. Section 1.5 of this bill incorporates amendments to Section 3502 of the Elections Code proposed by both this bill and SB 661. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 3502 of the Elections Code, and (3) this bill is enacted after SB 661, in which case Section 1 of this bill shall not become operative.

CHAPTER 1190

An act to amend Sections 8206, 8207, 8261, and 8289, of, and to add Sections 8206.1, 8206.2, 8206.3, 8206.5, 8206.6, 8206.7, and 8206.8 to, and to add Article 15.5 (commencing with Section 8350) to Chapter 2 of Part 6 of, the Education Code, to add Section 1596.796 to the Health and Safety Code, and to amend Section 11324 of, and to add Section 11057.5 to, the Welfare and Institutions Code, relating to child care, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 8206 of the Education Code is amended to read:

8206. The State Department of Education is hereby designated as the single state agency responsible for the promotion, development, and provision of care of children in the absence of their parents during the workday or while engaged in other activities which require assistance of a third party or parties. The department shall administer the federal Child Care and Development Block Grant Act of 1990, established by the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508).

SEC. 2. Section 8206.1 is added to the Education Code, to read:

8206.1. The Superintendent of Public Instruction shall collaborate with the Secretary of Child Development and Education and the Secretary of Health and Welfare, with the advice and assistance of the Child Development Programs Advisory Committee, in the development of the state plan required pursuant to Section 652E(a)(2) of the federal Child Care and Development Block Grant Act of 1990, established by the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508), prior to submitting or reporting on that plan to the federal Secretary of Health and Human Services. For the purposes of this section, "collaboration" means to cooperate with and to consult with.

SEC. 3. Section 8206.2 is added to the Education Code, to read:

8206.2. The superintendent shall consult with the Commission on Teacher Credentialing, and the office of the Chancellor of the California Community Colleges in development of the state plan, where appropriate.

SEC. 4. Section 8206.3 is added to the Education Code, to read:

8206.3. The department shall coordinate the state plan required by the federal Child Care and Development Block Grant Act of 1990 with the state's Master Plan for Child Care and Development.

SEC. 5. Section 8206.5 is added to the Education Code, to read:

8206.5. To the extent feasible, the State Department of Education

shall award local contracts for direct services pursuant to the federal Child Care and Development Block Grant Act of 1990, established by the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508), to applicant agencies meeting locally determined priorities for program expansion.

SEC. 6. Section 8206.6 is added to the Education Code, to read:

8206.6. It is the intent of the Legislature that federal funds received pursuant to the federal Child Care and Development Block Grant Act of 1990, established by the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508), shall be allocated according to federal regulations.

SEC. 7. Section 8206.7 is added to the Education Code, to read:

8206.7. In each contract entered into pursuant to Section 8203.5 by the State Department of Education and a contracting agency, not less than 10 percent of the children supported by funds made available pursuant to the federal Child Care and Development Block Grant of 1990, established by the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508), shall be children with exceptional needs as defined in subdivision (*l*) of Section 8208. The Superintendent of Public Instruction may waive this requirement if the contractor demonstrates that the demand for this level of service does not exist. Children with exceptional needs shall receive priority for enrollment within the priorities established by the child care and development local planning council.

SEC. 8. Section 8206.8 is added to the Education Code, to read:

8206.8. In order to assist contracting agencies in meeting the requirements of Section 8206.7, the State Department of Education shall, from funds made available to it pursuant to the federal Child Care and Development Block Grant of 1990, established by the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508), make funds available for staff development for those contracting agencies, including activities designed to improve services to children with exceptional needs.

SEC. 9. Section 8207 of the Education Code is amended to read:

8207. The Superintendent of Public Instruction may, pursuant to Section 204 of the Intergovernmental Cooperation Act of 1968, request waivers of single state agency requirements as necessary to utilize available federal funds for the purposes of this chapter, except for the purposes of the At Risk Child Care Program set forth in Article 15.5 (commencing with Section 8350). Until a waiver is granted by the federal government, the single state agency authorized by federal law to provide any child care service provided for in this chapter shall have only the functions, duties, and responsibilities conferred by this chapter upon the State Department of Education and the Superintendent of Public Instruction with respect to the child development services as are required by federal law and regulation. In that event, the single state agency shall provide child care and development services under a purchase of service agreement with the Superintendent of Public Instruction

from funds appropriated for the services. The Superintendent of Public Instruction shall provide the necessary documents required by the federal government pursuant to this section to support the state's claim for federal reimbursement and shall certify that the school district, or other organization providing the care, has available the accounting records and other supporting documents to justify the claim for reimbursement and that the records are available for audit by the Controller and by any authorized federal agency.

SEC. 10. Section 8261 of the Education Code is amended to read:

8261. (a) The Superintendent of Public Instruction shall adopt rules and regulations pursuant to this chapter. The rules and regulations shall include, but not be limited to, provisions which do all of the following:

(1) Provide clear guidelines for the selection of agencies when child development contracts are let, including, but not limited to, specification that any agency headquartered in the proposed service area on January 1, 1985, will be given priority for a new contract in that area, unless the State Department of Education makes a written determination that (A) the agency is not able to deliver the level of services specified in the request for proposal, or (B) the department has notified the agency that it is not in compliance with the terms of its contract.

(2) Provide for a contract monitoring system to ensure that agencies expend funds received pursuant to this chapter in accordance with the provisions of their contracts.

(3) Specify adequate standards of agency performance.

(4) Establish reporting requirements for service reports, including provisions for varying the frequency with which these reports are to be submitted on the basis of agency performance.

(5) Specify standards for withholding payments to agencies that fail to submit required fiscal reports.

(6) Set forth standards for state department site visits to contracting agencies, including, but not limited to, specification as to the purpose of the visits, the personnel that will perform these visits, and the frequency of these visits which shall be as frequently as staff and budget resources permit. On an annual basis, beginning September 1985, the department shall report to the Senate Education, Senate Health and Human Services, Assembly Education, and Assembly Human Services Committees on the number of visits conducted during the previous fiscal year pursuant to this paragraph.

(b) The superintendent shall consult with the State Department of Social Services with respect to rules and regulations adopted relative to the disbursal of federal funds under Title XX of the federal Social Security Act.

(c) For purposes of expediting the implementation of state or federal legislation to expand child care services, the superintendent may waive (1) the regulations regarding the point qualifications for, and the process and scoring of, interviews of contract applicants pursuant to Section 18002 of Title 5 of the California Code of

Regulations, or (2) the time limitations for scheduling and notification of appeal hearings and their results pursuant to Section 18003 of Title 5 of the California Code of Regulations. The superintendent shall ensure that the appeal hearings provided for in Section 18003 of Title 5 of the California Code of Regulations are conducted in a timely manner.

SEC. 11. Section 8289 of the Education Code is amended to read:

8289. The State Department of Education shall disburse augmentations to the base allocation for the expansion of child care and development services to promote equal access to child development services across the state.

(a) To develop a formula to promote this equal access, the State Department of Education shall use indirect indicators of need for child care. This data shall be combined on a county-by-county basis. However, the department may divide counties larger than 1,000,000 persons into smaller units for which the data will be combined.

More specific indicators of the need for subsidized day care shall be substituted for or included in the formula as they become available.

These indicators of need for child care shall be combined to determine each county and subcounty unit's relative need for child care services.

(b) The State Department of Education shall determine the total for each county or subcounty unit dollar amount for publicly subsidized child care services.

(c) The comparison of combined need with available public resources as provided for in this section shall guide the State Department of Education in determining the portion of new funds which will be available to applicant agencies from each county or subcounty unit.

The size of those portions for expansion of child development services shall promote equal access to child development services for eligible families across the state by bringing the relative dollar amounts in each county or subcounty unit into closer congruence with the relative need for child care services in each county or subcounty unit.

SEC. 12. Article 15.5 (commencing with Section 8350) is added to Chapter 2 of Part 6 of the Education Code, to read:

Article 15.5. At Risk Child Care Program

8350. (a) Upon the approval of the Superintendent of Public Instruction, the State Department of Social Services, as the designated state agency, shall enter into an interagency agreement with the State Department of Education under which the State Department of Education shall administer this article as established pursuant to the federal child care provisions, set forth in Section 5081 of Chapter 6 of Title V of the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508).

(b) Subject to the approval of the designated state agency, the State Department of Education shall adopt rules and regulations necessary for the administration of this article consistent with those federal child care provisions set forth in Section 5081 of Chapter 6 of Title V of the Omnibus Budget Reconciliation Act of 1990.

8351. For the purposes of this article, the following terms shall have the following meanings:

(a) "AFDC" means Aid to Families with Dependent Children.

(b) "Child care provider" means licensed child care facilities, including day care facilities and family day care homes, as well as providers who are exempt from licensure, including care provided by an individual in a family's home or care provided by a relative in the relative's home.

(c) "Designated state agency" means the State Department of Social Services which is the single state agency designated to provide child care services, for purposes of paragraph (3) of subsection (a) of Section 402 of the Social Security Act (42 U.S.C. Sec. 603(a)(3)).

(d) "Eligible family" means a family that has an adjusted monthly income at or below 84 percent of the state median income level adjusted for family size at the time of initial enrollment, who is not a current AFDC recipient, needs child care services in order to work, and would otherwise be at risk of becoming eligible for AFDC if child care subsidies are not provided.

(e) "GED Certificate" means the General Education Development Certificate.

(f) "Program" means the At Risk Child Care Program established pursuant to this article.

(g) "Transitional child care" means transitional child care provided pursuant to the Transitional Child Care Program set forth in Article 8 (commencing with Section 11500) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code.

8352. (a) For the purposes of this article, and notwithstanding Section 8263, the following priorities for enrollment in the program shall apply:

(1) First priority for enrollment shall be given to eligible families who meet at least one of the following criteria:

(A) Former recipients of transitional child care who have exhausted all eligibility for transitional child care during the 12 months following the date on which that eligibility has been terminated.

(B) Former AFDC recipients who do not qualify for transitional child care for reasons other than failure to pay their family fee or failure to cooperate with the County Family Support Division in establishing child support liability.

(C) Employed emancipated minors who are parents and employed parents under the age of 20 years who are not receiving AFDC and who possess a high school diploma, a GED Certificate, or who are currently participating in an educational activity that would lead to either a high school diploma or GED Certificate.

(2) Second priority shall be given to all other eligible families, with eligible families who have the lowest gross monthly income in relation to family size given enrollment first.

(b) Notwithstanding any other provision of law, priorities shall not be waived by any individual or agency without the prior approval of the designated state agency.

(c) In order to receive funding from the program, each participating eligible family shall contribute some amount to the cost of providing care according to a sliding fee scale formula established by the Superintendent of Public Instruction based upon the family's ability to pay, in accordance with subdivision (e) of Section 8263.

8353. The program shall serve eligible families in a variety of settings, including child day care facilities that are licensed pursuant to Chapter 3.4 (commencing with Section 1596.70), Chapter 3.5 (commencing with Section 1596.90), and Chapter 3.6 (commencing with Section 1597.30) of Division 2 of the Health and Safety Code, as well as providers who are exempt from licensing pursuant to Section 1596.792 of the Health and Safety Code, including care in an eligible family's home or care in a relative's home.

8354. In order to receive payment for child care service pursuant to the program, a child care provider shall meet the following requirements:

(a) The child care provider shall either hold a valid license pursuant to Chapter 3.4 (commencing with Section 1596.70, Chapter 3.5 (commencing with Section 1596.90, or Chapter 3.6 (commencing with Section 1597.30) of Division 2 of the Health and Safety Code, or, if the child care provider is exempt from licensure, the provider shall provide the following information to the State Department of Education, or the agency contracting with the department pursuant to Section 8203.5, the provider's qualifications and experience, a health statement, whether the provider has ever been convicted of a felony, a signed statement from the parent that the parent has interviewed and approved of the provider, and a valid identification verifying that the provider is at least 18 years of age.

(b) Each child care provider shall allow each parent or legal guardian unlimited access to his or her child or children while the child or children are in the care of the provider.

8355. Except as otherwise provided in this article, reimbursement for the cost of child care development programs may be made as set forth in Article 11 (commencing with Section 8265) or pursuant to the Alternative Payment Program (Article 3 (commencing with Section 8220)) by using various methods of reimbursement for parental costs of child care services, including reimbursement directly to the parent or legal guardian for those services pursuant to Section 8220.

8356. (a) The State Department of Social Services shall reimburse the State Department of Education for the program the lesser of the actual cost of care or the applicable local market rate ceiling, as determined by the State Department of Social Services in

accordance with the regulations issued by the Secretary of Health and Human Services pursuant to Section 5081 of Chapter 6 of Title V of the Omnibus Budget Reconciliation Act of 1990 (P.L. 101-508). However, the State Department of Education shall not be precluded by this section from reimbursing providers at the contracted reimbursement rate when it is greater than the local market rate by utilizing other appropriate resources.

(b) The State Department of Education shall use the survey required pursuant to subdivision (b) of Section 11508 of the Welfare and Institutions Code for the purpose of calculating the regional market rate ceiling.

8357. (a) Commencing with the 1993 fiscal year, the State Department of Social Services, as the designated state agency, shall prepare an annual report on the activities carried out with the funds made available to the program pursuant to subsection (n) of Section 603 of Title 42 of the United States Code and submit that report to the Secretary of Health and Human Services. That report shall include the information provided to the department pursuant to subdivision (c), the criteria applied in determining eligibility or priority for receiving services, sliding fee schedules, child care licensing and regulatory requirements, including registration requirements with respect to child care providers, and the enforcement policies and practices that apply to licensed and regulated child care providers, including providers who are required to register.

(b) The State Department of Social Services shall make the report prepared pursuant to subdivision (a) available to the public, and shall provide a copy of each report, on request, to any interested public agency.

(c) The State Department of Education shall report to the State Department of Social Services, as the designated state agency, the statistical data necessary to prepare the report required by subdivision (a).

SEC. 13. Section 1596.796 is added to the Health and Safety Code, to read:

1596.796. Notwithstanding any other provision of law, payments are not required to be made to any person who provides child care services and is exempt from the licensing requirements of this chapter, Chapter 3.5 (commencing with Section 1596.90), or Chapter 3.6 (commencing with Section 1597.30) if that person either is known to have tuberculosis, or to have been convicted of any crime involving violence against, or abuse or neglect of, children.

This section shall not be construed to create an affirmative duty on any individual, government body, or other entity paying for child care to investigate the person to whom payments are being made nor shall it be construed to create any liability for failure to investigate that person.

To the extent that this section is inconsistent with federal law, it shall be inoperative.

SEC. 14. Section 11057.5 is added to the Welfare and Institutions Code, to read:

11057.5. The State Department of Social Services, after consultation with the County Welfare Directors Association, shall determine the times and methods for providing information regarding the At Risk Child Care Program established pursuant to Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code to potentially eligible former Transitional Child Care recipients (Article 8 (commencing with Section 11500) of Chapter 2 of Part 3 of the Welfare and Institutions Code), and former aid to families with dependent children recipients.

SEC. 15. Section 11324 of the Welfare and Institutions Code is amended to read:

11324. (a) If the county welfare department or a contractor pays for child care services which are exempt from licensure, all of the following information about the care giver shall be on file with the county welfare department or the contractor and shall be made available to the participant:

(1) The name and address of the care provider.

(2) The address where care is to be provided.

(3) The hours care is to be provided and the charge for this care.

(4) The names, addresses, and telephone numbers of two character references.

(5) A copy of a valid California driver's license or other identification to establish that the care giver is at least 18 years old.

(6) A statement from the caregiver as to his or her health education, experience or other qualification, criminal record, and names and ages of other persons in the home or providing care.

(b) The county welfare department or the contractor shall utilize existing child care licensing or Greater Avenues for Independence program procedures in meeting the requirements of subdivision (a).

(c) To the extent permitted by federal law, the county welfare department shall deny payment, or cause the contractor to deny payment, for child care services which are exempt from licensure if either of the following apply:

(1) The provider has been convicted of a violent felony, as defined in subdivision (c) of Section 667.5 of the Penal Code.

(2) The provider has been convicted of child abuse.

(d) If the child care provider selected by the participant is denied payment, the participant may have good cause for not participating as specified in subdivision (i) of Section 11328.

SEC. 16. Notwithstanding Provision 5 of Item 5180-151-001 of, and Provision 7 of Item 6110-196-001 of, Section 2 of the Budget Act of 1991, or any other provision of law, the State Department of Education, upon execution of the interagency agreement pursuant to Section 8350 in conjunction with the administration of the program, shall not restrict Greater Avenues for Independence (GAIN) participants in the program from being placed in child care spaces that are subsidized by the State Department of Education.

SEC. 17. The sum of thirty-six million five hundred ninety-one thousand eight hundred eighty-four dollars ($36,591,884) is hereby appropriated from the Federal Trust Fund from funds received by the state pursuant to (subsection (n) of Section 603 of Title 42 of the United States Code) to the State Department of Social Services for allocation according to the following schedule:

(a) In augmentation of Item 5180-151-890 of Section 2.00 of the Budget Act of 1991, the sum of thirty-six million four hundred forty-six thousand nine hundred twenty-one dollars ($36,446,921).

(b) In augmentation of Item 5180-001-890 of Section 2.00 of the the Budget Act of 1991, the sum of one hundred forty-four thousand nine hundred sixty-three dollars ($144,963).

SEC. 18. (a) From moneys appropriated to the State Department of Education in Items 6110-001-001 and 6110-196-001 of Section 2.00 of the Budget Act of 1991, the Superintendent of Public Instruction may allocate funds for the purpose of program costs of the At Risk Child Care Program (Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code) in an amount matching federal funds expended by the state from moneys made available to it pursuant to the federal child care provisions, set forth in Section 5081 of Chapter 6 of Title V of the Omnibus Budget Reconciliation Act of 1990 (Public Law 101-508).

(b) Of the funds appropriated in Item 6110-196-001 of Section 2.00 of the Budget Act of 1991, the Superintendent of Public Instruction shall transfer one hundred forty-four thousand nine hundred sixty-three dollars ($144,963) to the State Department of Social Services for administrative costs pursuant to the At Risk Child Care Program, as set forth in Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code. It is the intent of the Legislature that subsequent funds shall be provided for this purpose in the annual Budget Act.

(c) It is the intent of the Legislature that an amount matching the federal money allocated to the state pursuant to the federal At Risk Child Care Program (42 U.S.C. Sec. 603(n)) be appropriated to the State Department of Education for purposes of the At Risk Child Care Program (Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code) in the annual Budget Act.

SEC. 19. From moneys appropriated to the State Department of Education in Items 6110-196-001 and 6110-196-890 of Section 2.00 of the Budget Act of 1991, the Superintendent of Public Instruction may expend funds and contract for services for child care program improvement activities as prescribed in the state plan implementing the federal Child Care and Development Block Grant Act of 1990, established by the Omnibus Budget Reconciliation Act of 1990 (P.L. 101-508).

SEC. 20. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant

to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 21. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

It is essential that a state administrative framework be in place to administer federal block grant funds for child care so that receipt of those funds will not be delayed. It is therefore necessary that this act take effect immediately as an urgency statute.

CHAPTER 1191

An act to amend Sections 54725, 54739, and 54740 of, and to add Sections 54740.5 and 54740.6 to, the Government Code, relating to sanitation.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 54725 of the Government Code is amended to read:

54725. As used in this chapter, local agency means any city, county, municipal utility district, public utility district, sanitary district, county sanitation district, or any municipal or public corporation or district authorized to acquire, construct, own, or operate a sanitation system, a sewer system, or both.

SEC. 2. Section 54739 of the Government Code is amended to read:

54739. (a) Any local agency listed in Section 54725 may require any of the following:

(1) Pretreatment of any industrial waste which the local agency determines is necessary in order to meet standards established by the federal or California state government or other regulatory agencies or which the local agency determines is necessary in order to protect its treatment works or the proper and efficient operation thereof or the health or safety of its employees or the environment.

(2) The prevention of the entry of such industrial waste into the collection system and treatment works.

(3) The payment of excess costs to the system for supplementary

treatment plants, facilities, or operations needed as a result of allowing the entry into the collection system and treatment works of such industrial waste.

(b) The provisions of this section shall be in addition to other requirements provided for in the respective enabling acts of those local agencies incorporated by reference in subdivision (a).

SEC. 3. Section 54740 of the Government Code is amended to read:

54740. (a) Any person who violates any requirement adopted or ordered by a local agency pursuant to paragraph (1) or (2) of subdivision (a) of Section 54739 may be civilly liable in a sum of not to exceed twenty-five thousand dollars ($25,000) a day for each violation.

(b) The local agency may petition the superior court to impose, assess, and recover the sums provided for in subdivision (a). In determining the amount, the court shall take into consideration all relevant circumstances, including, but not limited to, the extent of harm caused by the violation, the economic benefit derived through any noncompliance, the nature and persistence of the violation, the length of time over which the violation occurs, and corrective action, if any, attempted or taken by the discharger.

(c) Notwithstanding any other provision of law, all civil penalties imposed by the court for a violation of this section shall be distributed to the local agency.

(d) Remedies under this section are in addition to and do not supersede or limit any and all other remedies, civil or criminal, but no liability shall be recoverable under this section for any violation for which liability is recovered under Section 54740.5.

SEC. 4. Section 54740.5 is added to the Government Code, to read:

54740.5. (a) The local agency may issue an administrative complaint to any person who violates any requirement adopted or ordered by a local agency pursuant to paragraph (1) or (2) of subdivision (a) of Section 54739. The administrative complaint shall allege the act or failure to act that constitutes the violation of the local agency's requirements, the provisions of law authorizing civil liability to be imposed, and the proposed civil penalty.

(b) The administrative complaint shall be served by personal delivery or certified mail on the person subject to the local agency's discharge requirements, and shall inform the person served that a hearing shall be conducted within 60 days after the person has been served. The hearing shall be before a hearing officer designated by the governing board of the local agency. The person who has been issued an administrative complaint may waive the right to a hearing, in which case the local agency shall not conduct a hearing. A person dissatisfied with the decision of the hearing office may appeal to the governing board of the local agency within 30 days of notice of the hearing officer's decision.

(c) If after the hearing, or appeal, if any, it is found that the person

has violated reporting or discharge requirements, the hearing officer or board may assess a civil penalty against that person. In determining the amount of the civil penalty, the hearing officer or board may take into consideration all relevant circumstances, including, but not limited to, the extent of harm caused by the violation, the economic benefit derived through any noncompliance, the nature and persistence of the violation, the length of time over which the violation occurs and corrective action, if any, attempted or taken by the discharger.

(d) Civil penalties may be imposed by the local agency as follows:

(1) In an amount which shall not exceed two thousand dollars ($2,000) for each day for failing or refusing to furnish technical or monitoring reports.

(2) In an amount which shall not exceed three thousand dollars ($3,000) for each day for failing or refusing to timely comply with any compliance schedule established by the local agency.

(3) In an amount which shall not exceed five thousand dollars ($5,000) per violation for each day for discharges in violation of any waste discharge limitation, permit condition, or requirement issued, reissued, or adopted by the local agency.

(4) In an amount which does not exceed ten dollars ($10) per gallon for discharges in violation of any suspension, cease and desist order or other orders, or prohibition issued, reissued, or adopted by a local agency.

(5) The amount of any civil penalties imposed under this section which have remained delinquent for a period of 60 days shall constitute a lien against the real property of the discharger from which the discharge originated resulting in the imposition of the civil penalty. The lien provided herein shall have no force and effect until recorded with the county recorder and when recorded shall have the force and effect and priority of a judgment lien and continue for 10 years from the time of recording unless sooner released, and shall be renewable in accordance with the provisions of Sections 683.110 to 683.220, inclusive, of the Code of Civil Procedure.

(e) All moneys collected under this section shall be deposited in a special account of the local agency and shall be made available for the monitoring, treatment, and control of discharges into the local agency's sanitation or sewer system or for other mitigation measures.

(f) Unless appealed, orders setting administrative civil penalties shall become effective and final upon issuance thereof, and payment shall be made within 30 days. Copies of these orders shall be served by personal service or by registered mail upon the party served with the administrative complaint and upon other persons who appeared at the hearing and requested a copy.

(g) The local agency may, at its option, elect to petition the superior court to confirm any order establishing civil penalties and enter judgment in conformity therewith in accordance with the provisions of Sections 1285 to 1287.6, inclusive, of the Code of Civil Procedure.

(h) No penalties shall be recoverable under this section for any violation for which civil liability is recovered under Section 54740.

SEC. 5. Section 54740.6 is added to the Government Code, to read:

54740.6. (a) Any party aggrieved by a final order issued by the governing board of a local agency under Section 54740.5, after granting review of the order of a hearing officer, may obtain review of the order of the board in the superior court by filing in the court a petition for writ of mandate within 30 days following the service of a copy of a decision and order issued by the board. Any party aggrieved by a final order of a hearing officer issued under Section 54740.5, for which the board denies review, may obtain review, of the order of the hearing officer in the superior court by filing in the court a petition for writ of mandate within 30 days following service of a copy of a decision and order denying review by the board.

(b) If no aggrieved party petitions for writ of mandate within the time provided by this section, an order of the board or a hearing officer shall not be subject to review by any court or agency, except that the board may grant review on its own motion of an order issued under Section 54740.5 after the expiration of the time limits set by that section.

(c) The evidence before the court shall consist of the record before the board, including the hearing officer's record, and any other relevant evidence which, in the judgment of the court, should be considered to effectuate and implement policies of this division. In every such case, the court shall exercise its independent judgment on the evidence.

(d) Except as otherwise provided in this section, subdivisions (e) and (f) of Section 1094.5 of the Code of Civil Procedure shall govern proceedings pursuant to this section.

CHAPTER 1192

An act to add Section 33021.1 to, and to add and repeal Section 33377 of, the Health and Safety Code, relating to redevelopment, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 33021.1 is added to the Health and Safety Code, to read:

33021.1. In a city and county, redevelopment includes improving, increasing, or preserving emergency shelters for homeless persons or households. These shelters may be located within or outside of established redevelopment project areas. Notwithstanding any other

provision of law, only redevelopment funds other than those available pursuant to Section 33334.3 may be used to finance these activities.

SEC. 2. Section 33377 is added to the Health and Safety Code, to read:

33377. (a) With respect to the adoption of one or more redevelopment plans by the City of Dunsmuir, the otherwise applicable provisions of Chapter 4 (commencing with Section 33300) shall be modified as follows:

(1) The report required pursuant to Section 33328 shall be prepared and delivered to the Redevelopment Agency of the City of Dunsmuir and each of the taxing agencies within 20 days of the date the redevelopment agency files the information required by Section 33327 with the State Board of Equalization, and the report need only be as complete as the information then available will permit.

(2) The preliminary report required by Section 33344.5 need not be prepared and sent to each affected taxing entity and neither the County of Siskiyou nor any other affected taxing entity may call for the creation of a fiscal review committee pursuant to Section 33353. However, prior to the adoption of an ordinance approving a redevelopment plan pursuant to this section, the Redevelopment Agency of the City of Dunsmuir and the County of Siskiyou shall have approved and executed an agreement pursuant to subdivision (b) of Section 33401 concerning the payment of taxes to the County of Siskiyou.

(3) Section 33347 requiring submission of the redevelopment plan to the planning commission for its report and recommendation shall not be applicable.

(4) The notices provided for in Sections 33349 and 33361 need only be published once at least 10 days prior to the hearing referred to in those sections and need only be mailed by first-class mail.

(5) The report required pursuant to Section 33352 need contain only the information described in subdivisions (a), (b), (c), (d), (e), (j), (*l*), and (m) of that section.

(6) Section 33385 requiring the formation of a project area committee and consultation with residents and community organizations shall not be applicable. However, prior to the adoption of a redevelopment plan pursuant to this section, the City of Dunsmuir shall conduct at least two public meetings on the proposed redevelopment plan for Dunsmuir residents and property owners. The City of Dunsmuir, shall also cause to be organized a citizens' advisory committee comprised of residents and property owners which shall advise the agency on matters which affect the residents of the project area. The citizens' advisory committee shall remain in existence at least three years.

(7) Notwithstanding Section 33365, any ordinance of the City of Dunsmuir adopting a redevelopment plan pursuant to this section may be adopted as an emergency ordinance and shall not be subject

to referendum.

(b) With respect to the adoption of a redevelopment plan by the City of Dunsmuir pursuant to this section which includes an area within the territorial limits of the County of Siskiyou as authorized by the county pursuant to Section 33213, the ordinance of the County of Siskiyou approving the redevelopment plan pursuant to Section 33213 may be adopted as an emergency ordinance and shall not be subject to referendum.

(c) The provisions of the California Environmental Quality Act, Division 13 (commencing with Section 21000) of the Public Resources Code, shall not be applicable to the adoption of redevelopment plans by the City of Dunsmuir or the County of Siskiyou pursuant to the provisions of this section; provided, however, that all public and private activities and undertakings thereafter proposed and which are intended to implement those redevelopment plans shall be governed by the provisions of the California Environmental Quality Act.

(d) Notwithstanding Section 33500, no action attacking or otherwise questioning the validity of a redevelopment plan adopted in accordance with the provisions of this section, or any of the findings or determinations of the City of Dunsmuir, the Redevelopment Agency of the City of Dunsmuir, or the County of Siskiyou in connection with the plan, shall be brought prior to the adoption of the redevelopment plan or at any time after the elapse of 30 days from and after the date of adoption of the ordinance adopting the plan.

(e) This section shall remain in effect only until January 1, 1993, and as of that date is repealed, unless a later enacted statute, which is chaptered before January 1, 1993, deletes or extends that date.

SEC. 3. The Legislature finds and declares that with regard to Section 1, a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances of the City and County of San Francisco. The facts constituting these unique circumstances are as follows:

The Redevelopment Agency of the City and County of San Francisco has determined that an essential step toward the elimination of blight is improving, increasing, or preserving emergency shelters for homeless persons or households. Because of the serious impact of homelessness in San Francisco, it is essential that the law clarify that for the City and County of San Francisco, funds other than those available pursuant to Section 33334.3 of the Health and Safety Code can be used to accomplish these goals. In the City and County of San Francisco, the provision of emergency shelters for homeless persons or households is essential to the elimination of blight within established project areas.

However, nothing in this act or Section 33201.1 of the Health and Safety Code shall be deemed to authorize or limit, or in any way modify any authority of a redevelopment agency, other than a

redevelopment agency in a city and county, to improve, increase, or preserve emergency shelters for homeless persons or households, either inside or outside a project area, from funds available pursuant to Section 33334.3 of the Health and Safety Code or any other source.

SEC. 4. Section 2 of this act, which applies only to the City of Dunsmuir, the Redevelopment Agency of the City of Dunsmuir, and the County of Siskiyou, is necessary to provide immediate aid and assistance as a result of the damage caused by the toxic spill into the Sacramento River on July 14, 1991. The unique problems created by that disaster are such that a general law cannot be made applicable.

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

The City of Dunsmuir is urgently in need of aid and assistance which can be provided by the Redevelopment Agency of the City of Dunsmuir through the use of its powers under the Community Redevelopment Law. In order for the Redevelopment Agency of the City of Dunsmuir to provide immediate aid and assistance, it is necessary to enable the City of Dunsmuir and its redevelopment agency to quickly establish redevelopment projects and adopt redevelopment plans. In addition, the homeless persons and households of the City and County of San Francisco are in urgent need of emergency shelters. Therefore, this act must take effect immediately.

CHAPTER 1193

An act to amend Section 13003 of, and to add Section 12011 to, the Fish and Game Code, relating to fines and penalties, and making an appropriation therefor.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 12011 is added to the Fish and Game Code, to read:

12011. (a) In addition to the penalty provided in paragraph (4) of subdivision (b) of Section 12002, any person convicted of a violation of subdivision (a) or (b) of Section 5650 is subject to an additional fine of all of the following:

(1) Not more than ten dollars ($10) for each gallon or pound of material discharged. The amount of the fine shall be reduced for every gallon or pound of the illegally discharged material that is recovered and properly disposed of by the responsible party.

(2) An amount equal to the reasonable costs incurred by the state

or local agency for cleanup and abatement and to fully mitigate all actual damages to fish, plant, bird, or animal life and habitat.

(3) Where the state or local agency is required to undertake cleanup or remedial action because the responsible person refuses or is unable to fully cleanup the discharge, an amount equal to the reasonable costs incurred by the state or local agency, in addition to the amount of funds, if any, expended by the responsible person, in cleaning up the illegally discharged material or abating its effects, or both cleaning up and abating those effects.

(b) Notwithstanding the jurisdiction of the department over illegal discharges and pollution as provided in Section 5650, the fines specified in this section do not apply to discharges in compliance with a national pollution discharge elimination system permit or a state or regional board waste discharge permit.

SEC. 2. Section 13003 of the Fish and Game Code is amended to read:

13003. Unless otherwise provided by law, all fines and forfeitures imposed or collected in any court of this state for violations of any of the provisions of this code or regulation made pursuant thereto, or any other law providing for the protection or preservation of birds, mammals, fish, reptiles, or amphibia, shall be deposited as soon as practicable after the receipt thereof with the county treasurer of the county in which the court is situated. Amounts so deposited shall be paid at least once a month as follows:

(a) One-half to the Treasurer, by warrant of the county auditor drawn upon the requisition of the clerk or judge of the court, for deposit in the Fish and Game Preservation Fund in the State Treasury on order of the Controller. At the time of such transmittal, the county auditor shall forward to the Controller, on such form or forms as the Controller may prescribe, a record of the imposition, collection, and payment of the fines or forfeitures. The department may employ legal counsel and may expend these funds to pay the costs of legal actions brought in the name of the people relating to the enforcement of this code by a district attorney, city attorney, or the department, as appropriate.

(b) One-half to the county in which the offense was committed.

CHAPTER 1194

An act to amend Section 43830 of the Health and Safety Code, relating to air pollution.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 43830 of the Health and Safety Code is amended to read:

43830. (a) The state board shall establish, by regulation, maximum standards for the volatility of gasoline at or below nine pounds per square inch Reid vapor pressure as determined by the American Society for Testing and Materials, Test D 323-58, or by an appropriate test determined by the state board, for gasoline sold in this state.

(b) The state board, in adopting the regulations, shall give full consideration to topography and climatic conditions and may provide that the standards imposed thereby shall apply in those areas which the state board determines necessary in order to carry out the purposes of this division.

(c) Notwithstanding any other law or regulation, until October 1, 1993, any blend of gasoline of at least 10 percent ethyl alcohol shall not result in a violation of any regulation adopted by the state board pursuant to this section unless the volatility of the gasoline used in the blend exceeds the applicable standard of the state board.

(d) For the purposes of this section, "ethyl alcohol" (also known as ethanol) means fuel that meets all of the following requirements:

(1) It is produced from agricultural commodities, renewable resources, or coal.

(2) It is rendered unsuitable for human consumption at the time of its manufacture or immediately thereafter.

(e) For the purposes of determining the percentage of ethyl alcohol contained in gasoline, the volume of alcohol includes the volume of any denaturant approved for that purpose by the United States Bureau of Alcohol, Tobacco and Firearms, provided these denaturants do not exceed 5 percent of the volume of alcohol (including denaturants).

(f) From October 1, 1993, to December 31, 1995, inclusive, any blend of gasoline of at least 10 percent ethyl alcohol shall not result in a violation of the Reid vapor pressure standard adopted by the state board pursuant to this section unless it is determined by the state board on the basis of independently verifiable automobile exhaust and evaporative emission tests performed on a representative fleet of automobiles that the blend would result in a net increase in the ozone forming potential of the total emissions, excluding emissions of oxides of nitrogen, when compared to the

total emissions, excluding emissions of oxides of nitrogen, from the same automobile fleet using gasoline that meets all applicable specifications for Phase I gasoline established by the state board.

(g) On and after January 1, 1996, any blend of gasoline of at least 10 percent ethyl alcohol shall not result in a violation of the Reid vapor pressure standard adopted by the state board pursuant to this section unless it is determined by the state board on the basis of independently verifiable automobile exhaust and evaporative emission tests performed on a representative fleet of automobiles that the blend would result in a net increase in the ozone forming potential of the total emissions, excluding emissions of oxides of nitrogen, when compared to the total emissions, excluding emissions of oxides of nitrogen, from the same automobile fleet using gasoline that meets all applicable specifications for Phase II gasoline established by the state board.

(h) Notwithstanding subdivisions (f) and (g), at any time that the state board adopts, by regulation, standards specifying acceptable levels for emissions of oxides of nitrogen for all reformulated fuels, any blend of gasoline of at least 10 percent ethyl alcohol that exceeds those levels no longer qualifies for an exemption from the Reid vapor pressure standard established by the state board.

CHAPTER 1195

An act to amend Sections 17204, 17206, and 17207 of the Business and Professions Code, and to amend Section 533.5 of the Insurance Code, relating to regulation of commerce.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 17204 of the Business and Professions Code is amended to read:

17204. Actions for injunction pursuant to this chapter may be prosecuted by the Attorney General or any district attorney or any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney of a city having a population in excess of 750,000, and, with the consent of the district attorney, by a city prosecutor in any city or city and county having a full-time city prosecutor in the name of the people of the State of California upon their own complaint or upon the complaint of any board, officer, person, corporation or association or by any person acting for the interests of itself, its members or the general public.

SEC. 2. Section 17206 of the Business and Professions Code is amended to read:

17206. (a) Any person who violates any provision of this chapter shall be liable for a civil penalty not to exceed two thousand five hundred dollars ($2,500) for each violation, which shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the Attorney General or by any district attorney or any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney of a city having a population in excess of 750,000, and, with the consent of the district attorney, by a city prosecutor in any city or city and county having a full-time city prosecutor in any court of competent jurisdiction.

(b) If the action is brought by the Attorney General, one-half of the penalty collected shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the State General Fund. If brought by a district attorney or county counsel, the penalty collected shall be paid to the treasurer of the county in which the judgment was entered. If brought by a city attorney or city prosecutor, one-half of the penalty collected shall be paid to the treasurer of the city in which the judgment was entered, and one-half to the treasurer of the county in which the judgment was entered.

(c) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action.

Before any penalty collected is paid out pursuant to subdivision (b), the amount of such reasonable expenses incurred by the board shall be paid to the State Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special fund, the moneys shall be paid to the State Treasurer. The amount of such reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county which funds the local agency.

SEC. 3. Section 17207 of the Business and Professions Code is amended to read:

17207. (a) Any person who intentionally violates any injunction prohibiting unfair competition issued pursuant to Section 17203 shall be liable for a civil penalty not to exceed six thousand dollars ($6,000) for each violation. Where the conduct constituting a violation is of a continuing nature, each day of such conduct is a separate and distinct violation. In determining the amount of the civil penalty, the court shall consider all relevant circumstances, including, but not limited to, the extent of the harm caused by the conduct constituting a violation, the nature and persistence of such conduct, the length of time over which the conduct occurred, the assets, liabilities, and net worth of the person, whether corporate or individual, and any corrective action taken by the defendant.

(b) The civil penalty prescribed by this section shall be assessed and recovered in a civil action brought in any county in which the

violation occurs or where the injunction was issued in the name of the people of the State of California by the Attorney General or by any district attorney, any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney in any court of competent jurisdiction within his or her jurisdiction without regard to the county from which the original injunction was issued. An action brought pursuant to this section to recover such civil penalties shall take precedence over all civil matters on the calendar of the court except those matters to which equal precedence on the calendar is granted by law.

(c) If such an action is brought by the Attorney General, one-half of the penalty collected pursuant to this section shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the State Treasurer. If brought by a district attorney or county counsel, the entire amount of the penalty collected shall be paid to the treasurer of the county in which the judgment is entered. If brought by a city attorney or city prosecutor, one-half of the penalty shall be paid to the treasurer of the county in which the judgment was entered and one-half to the city.

(d) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action.

Before any penalty collected is paid out pursuant to subdivision (c), the amount of such reasonable expenses incurred by the board shall be paid to the State Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special fund, the moneys shall be paid to the State Treasurer. The amount of such reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county which funds the local agency.

SEC. 4. Section 533.5 of the Insurance Code is amended to read:

533.5. (a) No policy of insurance shall provide, or be construed to provide, any coverage or indemnity for the payment of any fine, penalty, or restitution in any criminal action or proceeding or in any action or proceeding brought pursuant to Chapter 5 (commencing with Section 17200) of Part 2 of, or Chapter 1 (commencing with Section 17500) of Part 3 of, Division 7 of the Business and Professions Code by the Attorney General, any district attorney, any city prosecutor, or any county counsel, notwithstanding whether the exclusion or exception regarding this type of coverage or indemnity is expressly stated in the policy.

(b) No policy of insurance shall provide, or be construed to provide, any duty to defend, as defined in subdivision (c), any claim in any criminal action or proceeding or in any action or proceeding brought pursuant to Chapter 5 (commencing with Section 17200) of Part 2 of, or Chapter 1 (commencing with Section 17500) of Part 3

of, Division 7 of the Business and Professions Code in which the recovery of a fine, penalty, or restitution is sought by the Attorney General, any district attorney, any city prosecutor, or any county counsel, notwithstanding whether the exclusion or exception regarding the duty to defend this type of claim is expressly stated in the policy.

(c) For the purpose of this section, "duty to defend" means the insurer's right or obligation to investigate, contest, defend, control the defense of, compromise, settle, negotiate the compromise or settlement of, or indemnify for the cost of any aspect of defending any claim in any criminal action or proceeding or in any action or proceeding brought pursuant to Chapter 5 (commencing with Section 17200) of Part 2 of, or Chapter 1 (commencing with Section 17500) of Part 3 of, Division 7 of the Business and Professions Code in which the insured expects or contends that (1) the insurer is liable or is potentially liable to make any payment on behalf of the insured or (2) the insurer will provide a defense for a claim even though the insurer is precluded by law from indemnifying that claim.

(d) Any provision in a policy of insurance which is in violation of subdivision (a) or (b) is contrary to public policy and void.

CHAPTER 1196

An act to amend Sections 17204, 17206, and 17207 of the Business and Professions Code, to amend Section 116.231 of, and to add and repeal Section 116.232 of, the Code of Civil Procedure, and to amend Section 11571 of the Health and Safety Code, relating to judicial proceedings.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 17204 of the Business and Professions Code is amended to read:

17204. Actions for injunction pursuant to this chapter may be prosecuted by the Attorney General or any district attorney or by any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney of a city, or city and county, having a population in excess of 750,000, and, with the consent of the district attorney, by a city prosecutor in any city having a full-time city prosecutor or, with the consent of the district attorney, by a city attorney in any city and county in the name of the people of the State of California upon their own complaint or upon the complaint of any board, officer, person, corporation or association or by any person acting for the interests of itself, its members or the general public.

SEC. 2. Section 17206 of the Business and Professions Code is amended to read:

17206. (a) Any person who violates any provision of this chapter shall be liable for a civil penalty not to exceed two thousand five hundred dollars ($2,500) for each violation, which shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the Attorney General or by any district attorney or by any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney of a city, or city and county, having a population in excess of 750,000, and, with the consent of the district attorney, by a city prosecutor in any city having a full-time city prosecutor or, with the consent of the district attorney, by a city attorney in any city and county, in any court of competent jurisdiction.

(b) If the action is brought by the Attorney General, one-half of the penalty collected shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the State General Fund. If brought by a district attorney or county counsel, the penalty collected shall be paid to the treasurer of the county in which the judgment was entered. Except as provided in subdivision (d), if brought by a city attorney or city prosecutor, one-half of the penalty collected shall be paid to the treasurer of the city in which the judgment was entered, and one-half to the treasurer of the county in which the judgment was entered.

(c) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action.

Before any penalty collected is paid out pursuant to subdivision (b), the amount of such reasonable expenses incurred by the board shall be paid to the State Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special fund, the moneys shall be paid to the State Treasurer. The amount of such reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county which funds the local agency.

(d) If the action is brought by a city attorney of a city and county, the entire amount of the penalty collected shall be paid to the treasurer of the city and county in which the judgment was entered. However, if the action is brought by a city attorney of a city and county for the purposes of civil enforcement pursuant to Section 17980 of the Health and Safety Code or Article 3 (commencing with Section 11570) of Chapter 10 of Division 10 of the Health and Safety Code, either the penalty collected shall be paid entirely to the treasurer of the city and county in which the judgment was entered, or upon the request of the city attorney, the court may order that up to one-half of the penalty, under court supervision and approval, be paid for the purpose of restoring, maintaining, or enhancing the

premises which were the subject of the action, and that the balance of the penalty be paid to the treasurer of the city and county.

SEC. 3. Section 17207 of the Business and Professions Code is amended to read:

17207. (a) Any person who intentionally violates any injunction prohibiting unfair competition issued pursuant to Section 17203 shall be liable for a civil penalty not to exceed six thousand dollars ($6,000) for each violation. Where the conduct constituting a violation is of a continuing nature, each day of that conduct is a separate and distinct violation. In determining the amount of the civil penalty, the court shall consider all relevant circumstances, including, but not limited to, the extent of the harm caused by the conduct constituting a violation, the nature and persistence of that conduct, the length of time over which the conduct occurred, the assets, liabilities, and net worth of the person, whether corporate or individual, and any corrective action taken by the defendant.

(b) The civil penalty prescribed by this section shall be assessed and recovered in a civil action brought in any county in which the violation occurs or where the injunction was issued in the name of the people of the State of California by the Attorney General or by any district attorney, any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney in any court of competent jurisdiction within his or her jurisdiction without regard to the county from which the original injunction was issued. An action brought pursuant to this section to recover civil penalties shall take precedence over all civil matters on the calendar of the court except those matters to which equal precedence on the calendar is granted by law.

(c) If such an action is brought by the Attorney General, one-half of the penalty collected pursuant to this section shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the State Treasurer. If brought by a district attorney or county counsel the entire amount of the penalty collected shall be paid to the treasurer of the county in which the judgment is entered. If brought by a city attorney or city prosecutor, one-half of the penalty shall be paid to the treasurer of the county in which the judgment was entered and one-half to the city, except that if the action was brought by a city attorney of a city and county the entire amount of the penalty collected shall be paid to the treasurer of the city and county in which the judgment is entered.

(d) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action.

Before any penalty collected is paid out pursuant to subdivision (c), the amount of the reasonable expenses incurred by the board shall be paid to the State Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special

fund, the moneys shall be paid to the State Treasurer. The amount of the reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county which funds the local agency.

SEC. 4. Section 116.231 of the Code of Civil Procedure is amended to read:

116.231. (a) Except as provided in Section 116.232, no person may file more than two small claims actions in which the amount demanded exceeds two thousand five hundred dollars ($2,500), anywhere in the state in any calendar year.

(b) If the amount demanded in any small claims action exceeds two thousand five hundred dollars ($2,500), the party making the demand shall file a declaration under penalty of perjury attesting to the fact that not more than two small claims actions in which the amount of the demand exceeded two thousand five hundred dollars ($2,500) have been filed by that party in this state within the calendar year.

SEC. 5. Section 116.232 is added to the Code of Civil Procedure, to read:

116.232. (a) The boards of supervisors of the City and County San Francisco and the County of Stanislaus may elect to participate in pilot projects within their respective jurisdictions under which the limitation on filings provided in Section 116.231 does not apply to the participating city and county or county respectively, or to any city, school district, county office of education, community college district, or local district within those jurisdictions. It is the intent of the Legislature that this additional authority shall constitute a pilot project to determine the efficacy of use by public entities of the small claims courts for actions on claims exceeding two thousand five hundred dollars ($2,500).

(b) If any small claims action is filed by the City and County of San Francisco or the County of Stanislaus, pursuant to subdivision (a), and the defendant informs the court either in advance of the hearing by written notice or at the time of the hearing, that he or she is represented in the action by legal counsel, the action shall be transferred to the municipal court.

(c) This section shall be repealed on January 1, 1995, unless a later enacted statute, which is enacted before that date, deletes or extends that date.

SEC. 6. If the City and County of San Francisco or the County of Stanislaus elects to participate in the pilot project specified in Section 116.232 of the Code of Civil Procedure, the participating city and county or county shall conduct a study in its respective jurisdiction to evaluate the use of small claims filings by public entities pursuant to the additional authority provided by Section 116.232 of the Code of Civil Procedure for claims in excess of two thousand five hundred dollars ($2,500). The study shall determine if this additional authority results in (1) an increase of 20 percent or more in collected revenue and (2) average cost savings of five hundred dollars ($500) or more

per case filed and processed in the small claims court, when compared with the use of the municipal court for these filings.

Each study shall be conducted in consultation with each city, school district, county office of education, community college district, and local district within the participating jurisdiction that utilizes the authority provided by Section 116.232 of the Code of Civil Procedure, small claims advisors, the clerks of the municipal courts, and other appropriate representatives within the participating jurisdiction. The studies shall include all of the following:

(a) The number of small claims actions in excess of two thousand five hundred dollars ($2,500) filed by the participating jurisdiction, and cities, school districts, county offices of education, community college districts, and local districts within those jurisdictions.

(b) The number of defendants in those actions who ask for transfer from small claims court to municipal court pursuant to subdivision (b) of Section 116.232 of the Code of Civil Procedure.

(c) The number of judgment awards in excess of two thousand five hundred dollars ($2,500) resulting from small claims actions specified in subdivision (a).

(d) The difference in cost to the City and County of San Francisco or the County of Stanislaus to file an action in excess of two thousand five hundred dollars ($2,500) in small claims court, based on an assumed average cost of one thousand dollars ($1,000) per case for a municipal court filing and, utilizing that assumption, the amount of money saved by the City and County of San Francisco or the County of Stanislaus by filing these actions in small claims court.

(e) The types of small claims actions filed pursuant to the authority provided in Section 116.232 of the Code of Civil Procedure.

(f) The impact that the number of filings added to the calendar of the small claims court pursuant to the authority provided in Section 116.232 of the Code of Civil Procedure, and whether those filings affect access to the small claims court by private citizens.

(g) The impact that the number of actions filed in small claims court pursuant to the authority provided in Section 116.232 of the Code of Civil Procedure would have upon the municipal court calendar if those actions had been filed in municipal court, and whether those filings affect efficient resolution of claims involving private citizens.

Each city and county or the county participating in the pilot project shall each submit a report on the conclusions of its study to the Judiciary Committee of the Assembly and the Judiciary Committee of the Senate. If the studies determine, in accordance with the methodology specified in this section, that the authority provided in Section 116.232 of the Code of Civil Procedure has resulted in an increase of 20 percent or more in small claims filings by the affected public entities and an average cost savings per case of five hundred dollars ($500) or more, when compared with the use of the municipal court for these filings, the pilot project shall be considered a success.

SEC. 7. Section 11571 of the Health and Safety Code is amended to read:

11571. Whenever there is reason to believe that such a nuisance is kept, maintained or exists in any county, the district attorney of the county, in the name of the people, may, or the city attorney of any incorporated city or of any city and county, or any citizen of the state resident in the county, in his or her own name, may, maintain an action to abate and prevent the nuisance and perpetually to enjoin the person conducting or maintaining it, and the owner, lessee, or agent of the building or place, in or upon which the nuisance exists, from directly or indirectly maintaining or permitting the nuisance.

CHAPTER 1197

An act to amend Section 1684 of, and to add Section 1695.7 to, the Labor Code, relating to farm labor contractors.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1684 of the Labor Code is amended to read:

1684. The Labor Commissioner shall not issue to any person a license to act as a farm labor contractor, nor shall the Labor Commissioner renew that license, until all of the following conditions are satisfied:

(a) The person has executed a written application therefor in a form prescribed by the Labor Commissioner, subscribed and sworn to by the person, and containing all of the following:

(1) A statement by the person of all facts required by the Labor Commissioner concerning the applicant's character, competency, responsibility, and the manner and method by which the person proposes to conduct operations as a farm labor contractor if the license is issued.

(2) The names and addresses of all persons, except bona fide employees on stated salaries, financially interested, either as partners, associates, or profit sharers, in the proposed operation as a farm labor contractor, together with the amount of their respective interests.

(3) A declaration consenting to the designation by a court of the Labor Commissioner as an agent available to accept service of summons in any action against the licensee if the licensee has left the jurisdiction in which the action is commenced or otherwise has become unavailable to accept service.

(b) The Labor Commissioner, after investigation, is satisfied as to the character, competency, and responsibility of the person.

(c) The person has deposited with the Labor Commissioner a

surety bond in the amount of ten thousand dollars ($10,000). Where the contractor has been the subject of a final judgment in a year in an amount equal to that of the bond required, he or she shall be required to deposit an additional bond within 60 days. The bond shall be payable to the people of the State of California and shall be conditioned that the farm labor contractor will comply with all the terms and provisions of this chapter and will pay all damages occasioned to any person by failure to do so, or by any violation of this chapter, or false statements or misrepresentations made in the procurement of the license. The bond shall also be payable for interest on wages and for any damages arising from violation of orders of the Industrial Welfare Commission, but shall not be payable for penalties on nonpayment or late payment of wages pursuant to Section 203. If a deposit is given instead of a bond, the Labor Commissioner may charge reasonable legal fees against the deposit for handling claims, other than wage claims, filed against the deposit.

(d) The person has paid to the Labor Commissioner a license fee of three hundred fifty dollars ($350) plus a filing fee of ten dollars ($10). However, where a timely application for renewal is filed, the ten-dollar ($10) filing fee is not required. The Labor Commissioner shall deposit twenty-five dollars ($25) of each licensee's annual license fee into a separate account. Funds from this account shall be disbursed by the Labor Commissioner only to persons determined by the Labor Commissioner to have been damaged by any licensee when the damage exceeds the limits of the licensee's bond, or to persons determined by the Labor Commissioner to have been damaged by an unlicensed farm labor contractor. In making these determinations, the Labor Commissioner shall disburse funds from the account to satisfy claims against farm labor contractors or unlicensed farm labor contractors, which shall also include interest on wages and any damages arising from the violation of orders of the Industrial Welfare Commission, but shall not include penalties on nonpayment or late payment of wages pursuant to Section 203. Any disbursal of funds from the account to satisfy a claim against an unlicensed farm labor contractor shall not exceed ten thousand dollars ($10,000). Any disbursed funds subsequently recovered by the Labor Commissioner pursuant to Section 1693, or otherwise, shall be returned to the separate account.

(e) The person in an oral or written examination, or both, demonstrates a degree of knowledge of the laws and administrative regulations concerning farm labor contractors as the Labor Commissioner deems necessary for the safety and protection of farmers, farmworkers, and the public. This examination shall include a demonstration of knowledge of safe work practices related to pesticide use, including all of the following subjects:

(1) Field reentry regulations.
(2) Worker pesticide safety training.
(3) Employer responsibility for safe working conditions.
(4) Symptoms and appropriate treatment of pesticide poisoning.

The Labor Commissioner shall consult with the Director of Pesticide Regulation in preparing this examination and may charge a fee of not more than thirty-five dollars ($35) to cover the cost of administration of the examination.

(f) The Labor Commissioner may renew a license without requiring the applicant for renewal to take the examination specified in subdivision (e) if the Labor Commissioner finds that the applicant meets all of the following criteria:

(1) Has satisfactorily completed the examination during the immediately preceding four years.

(2) Has not during the preceding year been found to be in violation of any pesticide worker safety requirement, including, but not limited to, Division 7 (commencing with Section 12501) of the Food and Agricultural Code.

(3) Has complied with all other requirements of this section.

(g) The person has registered as a farm labor contractor pursuant to the federal Migrant and Seasonal Agricultural Worker Protection Act, when registration is required pursuant to federal law.

SEC. 2. Section 1695.7 is added to the Labor Code, to read:

1695.7. (a) (1) Prior to entering into any contract or agreement to supply agricultural labor or services to an agricultural grower, every person acting in the capacity of a farm labor contractor shall first provide to the grower a copy of his or her current valid state license. A failure to do so is a violation of this chapter.

(2) In the event that the licensee or prospective licensee has fulfilled all the requirements for a license, but the Labor Commissioner has not been able to timely issue or renew a license, the Labor Commissioner shall issue to the person applying for a license, or renewal of a license, a letter of authorization permitting that person to operate or continue to operate as a farm labor contractor. For purposes of this section, a "valid state license" shall include such letter of authorization.

(3) No grower shall enter into a contract or agreement with a person who fails to provide a copy of his or her license, without first making reasonable inquiry, to ensure that the person possesses a valid license.

(4) If a contract or agreement entered into with a farm labor contractor extends beyond the expiration date of his or her license, or beyond the date contained in the letter of authorization to operate, the grower shall make reasonable inquiry of the contractor prior to each time he or she utilizes the licensee's services after that date unless the contractor provides, in lieu thereof, a copy of his or her current valid license or a copy of a letter of authorization issued by the Labor Commissioner.

(b) A failure by the person acting as a farm labor contractor to provide a copy of the license to the agricultural grower shall not constitute a defense against liability under this section for an agricultural grower who subsequently fails to make reasonable inquiry about whether that person has a valid state license.

(c) (1) Any person who acts in the capacity of a farm labor contractor, as defined in this chapter, without first securing a license is guilty of a misdemeanor punishable by a fine of not less than one thousand dollars ($1,000) nor more than five thousand dollars ($5,000), or imprisonment in the county jail for not more than six months, or both, and is subject to other sanctions under this chapter, including subdivisions (b) and (c) of Section 1697.

(2) Any grower who enters into a contract or agreement in violation of this section, shall be subject to a civil action by an aggrieved worker for any claims arising from the contract or agreement that are a direct result of any violation of any state law regulating wages, housing, pesticides, or transportation committed by the unlicensed farm labor contractor. The court shall grant a prevailing plaintiff reasonable attorneys' fees and costs.

(3) Any other party who, upon information and belief, claims a violation of this section, may bring a civil action for injunctive relief on behalf of the general public and, upon prevailing, shall recover reasonable attorneys' fees and costs.

(d) As used in this section:

(1) "Reasonable inquiry" shall mean that, if the person acting in the capacity as a farm labor contractor does not provide an agricultural grower with a copy of his or her current valid license when required to do so, the agricultural grower shall inquire of, and inspect the license of, each such person prior to entering into any contract or agreement. The agricultural grower shall only be required to ascertain that the license presented is valid on its face.

(2) "Agricultural grower" means any person who owns or leases land used for the planting, cultivation, production, harvesting, or packing of any farm products, and includes a packing shed, whether or not he or she owns or leases the land, if he or she hires or uses persons acting as farm labor contractors.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1198

An act to amend Sections 66010, 66014.5, and 66201 of, to add Sections 66010.1, 66010.2, 66010.3, 66010.5, 66010.7, 66024, 66201.5, 66204, 66205, 66207, 66722, and 66722.5 to, to add an article heading immediately preceding Section 66010 of, to add an article heading immediately preceding Section 66010.1 of, to add an article heading immediately preceding Section 66011 of, to add Chapter 1.5 (commencing with Section 66002) to Part 40 of, to add Article 4 (commencing with Section 66030) to Chapter 2 of Part 40 of, to add Article 5 (commencing with Section 66050) to Chapter 2 of Part 40 of, to add Chapter 11.5 (commencing with Section 66950) to Part 40 of, to add Chapter 16 (commencing with Section 67400) to Part 40 of, to repeal Sections 66020 and 66301 of, the Education Code, relating to postsecondary education.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Chapter 1.5 (commencing with Section 66002) is added to Part 40 of the Education Code, to read:

CHAPTER 1.5. LEGISLATIVE FINDINGS

66002. The Legislature finds and declares all of the following:

(a) The Master Plan for Higher Education in California, 1960–75, was originally prepared in 1959, and its recommendations were approved in principle by the affected governing boards of the higher education segments. Subsequently, legislation necessary to implement certain of the master plan's provisions was enacted, including this part. A need to differentiate the functions of the segments of higher education and rapidly increasing enrollments were primary factors that motivated the creation of the master plan.

(b) Pursuant to Resolution Chapter 285 of the Statutes of 1970, and Resolution Chapter 232 of the Statutes of 1971, a joint committee of the Legislature issued its report in 1973, entitled "Report of the Joint Committee on the Master Plan for Higher Education," which reaffirmed the principles of the original master plan and emphasized a need for the segments of higher education to improve access and educational equity, coordination and planning, governance, and diversity within the entire system. As in the 1960's, legislation necessary to implement certain of the joint committee's recommendations was enacted, largely through amendments to this part.

(c) Pursuant to Chapter 1507 of the Statutes of 1984, the Commission for the Review of the Master Plan for Higher Education conducted public hearings and deliberations; in 1987, it issued its

report and recommendations, "The Master Plan Renewed: Unity, Equity, Quality, and Efficiency in California Postsecondary Education."

Building on this report and two more years of public dialogue pursuant to Resolution Chapter 175 of the Statutes of 1984, the Joint Committee for the Review of the Master Plan for Higher Education adopted a comprehensive report in 1989, entitled "California Faces. . .California's Future: Education for Citizenship in a Multicultural Democracy," that affirms the achievements and the basic structure of the 1960 Master Plan for Higher Education and identifies new challenges for California's institutions of higher education.

(d) California faces a period of unprecedented population growth and extraordinary social and economic changes as the 21st century approaches and the state's colleges and universities face tremendous educational challenges while at or near their enrollment capacities.

(e) In the spirit of the original master plan and the two subsequent reviews conducted in the 1970's and 1980's, the Legislature finds and declares the following:

(1) California is on the threshold of becoming a state with a new multicultural majority as the ethnic composition of the population is changing dramatically. The state's future economic, social, and cultural development depends upon ensuring that all its citizens have opportunities to contribute their best to society.

(2) Current estimates indicate that California will need to accommodate hundreds of thousands of additional students by the year 2005 in public higher education institutions. California needs to prepare now for the projected enrollments in the 21st century. And, if the goals of the master plan and its subsequent updates are to be fully achieved, especially if groups that are historically and currently underrepresented increase their rates of participation in higher education, enrollments will exceed even these projections.

(3) California must support an educational system which prepares all Californians for responsible citizenship and meaningful careers in a multicultural society; this requires a commitment from all to make quality education available and affordable for every Californian.

(4) To accomplish these goals, California's system of higher education will need to expand.

66003. It is the intent of the Legislature to outline in statute the broad policy and programmatic goals of the master plan and to expect the higher education segments to be accountable for attaining those goals. However, consistent with the spirit of the original master plan and the subsequent updates, it is the intent of the Legislature that the governing boards be given ample discretion in implementing policies and programs necessary to attain those goals.

SEC. 2. An article heading is added immediately preceding Section 66010 of the Education Code, to read:

Article 1. Definitions

SEC. 3. Section 66010 of the Education Code is amended to read:

66010. (a) Public higher education consists of (1) the California Community Colleges, (2) the California State University, and each campus, branch, and function thereof, (3) each campus, branch, and function of the University of California, and (4) the California Maritime Academy.

(b) As used in this part, "independent institutions of higher education" are those nonpublic higher education institutions which grant undergraduate degrees, graduate degrees, or both, and which are formed as nonprofit corporations in this state and are accredited by an agency recognized by the United States Department of Education.

(c) No provision of this part is intended to regulate, subsidize, or intrude upon private education, including, but not limited to, independent educational institutions and religious schools, nor to vary existing state law or state constitutional provisions relating to private education.

SEC. 4. An article heading is added immediately preceding Section 66010.1 of the Education Code, to read:

Article 2. Comprehensive Mission Statement

SEC. 4.1. Section 66010.1 is added to the Education Code, to read:

66010.1. The purpose of this article is to identify common educational missions shared by educational institutions in California and to differentiate more specific missions and functions between the various educational segments.

SEC. 4.2. Section 66010.2 is added to the Education Code, to read:

66010.2. The public elementary and secondary schools, the California Community Colleges, the California State University, the University of California, and independent institutions of higher education share goals designed to provide educational opportunity and success to the broadest possible range of our citizens, and shall provide the following:

(a) Access to education, and the opportunity for educational success, for all qualified Californians. Particular efforts should be made with regard to those who are historically and currently underrepresented in both their graduation rates from secondary institutions and in their attendance at California higher educational institutions.

(b) Quality teaching and programs of excellence for their students. This commitment to academic excellence shall provide all students the opportunity to address issues, including ethical issues, that are central to their full development as responsible citizens.

(c) Educational equity not only through a diverse and representative student body and faculty but also through educational environments in which each person, regardless of race, gender, age,

disability, or economic circumstances, has a reasonable chance to fully develop his or her potential.

SEC. 4.3. Section 66010.3 is added to the Education Code, to read:

66010.3. The public elementary and secondary schools shall be responsible for academic and general vocational instruction from kindergarten and grades 1 to 12, inclusive, including preparation of pupils for postsecondary instruction, future participation in California's economy and society, and adult instruction to the extent of state support.

SEC. 4.4. Section 66010.5 is added to the Education Code, to read:

66010.5. The mission of the public segments of higher education shall also include a broad responsibility to the public interest, and independent segments of higher education are encouraged to assume a broad responsibility to the public interest. As part of this responsibility, the public and independent segments are encouraged to support programs of public service and to involve faculty and students in these programs.

SEC. 4.5. Section 66010.7 is added to the Education Code, to read:

66010.7. (a) The Legislature, through the enactment of this section, expresses its commitment to encourage and support collaboration and coordination among all segments of education.

(b) Within the differentiation of segmental functions outlined in this article, the institutions of higher education shall undertake intersegmental collaboration and coordination particularly when it can do any of the following:

(1) Enhance the achievement of the institutional missions shared by the segments.

(2) Provide more effective planning of postsecondary education on a statewide basis.

(3) Facilitate achievement of the goals of educational equity.

(4) Enable public and independent higher education to meet more effectively the educational needs of a geographic region.

(5) Facilitate student progress from one segment to another, particularly with regard to preparation of students for higher education as well as the transfer from the California Community Colleges to four-year institutions.

(c) The leaders responsible for public and independent institutions of higher education and the Superintendent of Public Instruction shall work together to promote and facilitate the development of intersegmental programs and other cooperative efforts aimed at improving the progress of students through the educational systems and at strengthening the teaching profession at all levels.

(d) The California Postsecondary Education Commission shall have responsibility for reviewing and evaluating the effectiveness of intersegmental activities in accomplishing the established goals, and shall report its findings to the Governor and Legislature biennially.

SEC. 5. An article heading is added immediately preceding Section 66011 of the Education Code, to read:

Article 3. General Provisions

SEC. 6. Section 66014.5 of the Education Code is amended to read:

66014.5. (a) It is the intent of the Legislature to recognize the role of independent, regionally accredited postsecondary education in California postsecondary education. Statewide planning, policy coordination, and review of postsecondary education shall include attention to the contributions of the independent institutions in meeting the state's goals of access, quality, educational equity, economic development, and student aid.

(b) The Legislature hereby finds and declares that there is a need of providing students with economic and academic freedom of choice in selecting a college or university they wish to attend. The Legislature further finds that an important means of meeting this need is through offering financial assistance to students who wish to attend public or independent colleges and universities and who have demonstrated financial need.

SEC. 7. Section 66020 of the Education Code is repealed.

SEC. 8. Section 66024 is added to the Education Code, to read:

66024. The Legislature hereby affirms its commitment to the continuing quality and development of graduate and professional programs of the University of California, the California State University, and the independent institutions of higher education in this state.

It is the intent of the Legislature that each governing board of an institution of higher education periodically review the quality of the graduate and professional programs operated by the institution, and the need to add, discontinue, or enhance graduate and professional programs, including programs leading to the joint doctorate degree.

It is further the intent of the Legislature that the development of joint doctoral programs operated by the California State University and the University of California or one or more accredited independent institutions of higher education be established and expedited.

All graduate and professional programs, including joint doctoral programs, are expected to undergo careful evaluation and be approved only when it has been demonstrated that these programs meet the needs of students and the state.

SEC. 9. Article 4 (commencing with Section 66030) is added to Chapter 2 of Part 40 of the Education Code, to read:

Article 4. Educational Equity for Students

66030. (a) It is the intent of the Legislature that public higher education in California strive to provide educationally equitable environments which give each Californian, regardless of ethnic origin, race, gender, age, disability, or economic circumstance, a reasonable opportunity to develop fully his or her potential.

(b) It is the responsibility of the governing boards of institutions of higher education to ensure and maintain multicultural learning environments free from all forms of discrimination and harassment, in accordance with state and federal law.

SEC. 10. Article 5 (commencing with Section 66050) is added to Chapter 2 of Part 40 of the Education Code, to read:

Article 5. Quality Undergraduate Education

66050. It is the intent of the Legislature that public institutions of higher education in California shall provide a collegiate experience which gives each student the skills of communication and problem solving, the ideas and principles underlying the major areas of modern knowledge, the ability to consider ethical issues thoughtfully, the understanding that learning is a continuous lifelong process, and the knowledge of democracy necessary for good citizenship. The Legislature further intends that an undergraduate education prepare students to think critically and independently, and to have the flexibility to adapt to changing economic and social conditions, new workforce needs, and demands of a multicultural society. It is also the intent of the Legislature that the segments of higher education recognize that quality teaching is the core ingredient of the undergraduate educational experience. The segments of higher education are encouraged to improve the quality of undergraduate education as a central priority of California's public colleges and universities.

66051. It is the intent of the Legislature that each segmental governing board shall affirm that the oversight of teaching quality is as important a governance issue as its other management and administrative responsibilities. It is further the intent of the Legislature that governing boards shall be proactive in protecting and advancing general education within the undergraduate curriculum.

66052. (a) The Legislature finds and declares that there is a need to encourage policies that enhance the quality of teaching within the segments of higher education.

(b) It is the intent of the Legislature that the University of California adopt and enforce policies and procedures which ensure that quality teaching is an essential criterion, along with research, in the evaluation of faculty for appointment, retention, promotion, and tenure. It is also the intent of the Legislature that the California State University and the governing board of each community college district adopt and enforce policies and procedures that ensure that teaching is given primacy in the evaluation of faculty for appointment, retention, promotion, and tenure.

(c) It is further the intent of the Legislature that the governing board of each public institution of higher education ensure that teaching is an essential criterion in the review of tenured faculty members.

66053. It is the intent of the Legislature that the Regents of the University of California, the Trustees of the California State University, and community college governing boards adopt policies and procedures to ensure that new faculty are competent in classroom teaching and that instructional resources are made available for faculty to enhance their teaching. The Legislature further encourages the University of California, the California State University, and the California Community Colleges to establish appropriate incentives for improving teaching.

SEC. 11. Section 66201 of the Education Code is amended to read:

66201. It is the intent of the Legislature that each resident of California who has the capacity and motivation to benefit from higher education should have the opportunity to enroll in an institution of higher education. Once enrolled, each individual should have the opportunity to continue as long and as far as his or her capacity and motivation, as indicated by academic performance and commitment to educational advancement, will lead him or her to meet academic standards and institutional requirements.

The Legislature hereby reaffirms the commitment of the State of California to provide an appropriate place in California public higher education for every student who is willing and able to benefit from attendance.

SEC. 12. Section 66201.5 is added to the Education Code, to read:

66201.5. It is the intent of the Legislature that both the University of California and the California State University shall seek to maintain an undergraduate student population composed of a ratio of lower division to upper division students of 40 to 60 percent. Consistent with Section 66201, it is the intent of the Legislature that the University of California and the California State University reach and maintain this goal by instituting programs and policies that seek to increase the number of transfer students rather than by denying places to eligible freshmen applicants.

SEC. 13. Section 66204 is added to the Education Code, to read:

66204. (a) The Superintendent of Public Instruction shall assist all school districts to ensure that all public high school pupils have access to a core curriculum that meets the admission requirements of the University of California and the California State University. It is the intent of the Legislature that each public high school shall provide the full precollegiate program, provide adequate course sections in precollegiate programs to accommodate all its pupils, and regularly counsel pupils to enter those programs and courses. There shall be no policy or practice in any public elementary or secondary school of directing, especially for cultural or linguistic reasons, any pupil in kindergarten or any of the grades 1 to 12, inclusive, away from choosing programs which prepare that pupil academically for college.

(b) It is the intent of the Legislature that the public and independent institutions of higher education participate in programs which assist those in elementary and secondary education in meeting

their responsibilities in preparing students for college.

SEC. 14. Section 66205 is added to the Education Code, to read:

66205. (a) In determining the standards and criteria for undergraduate and graduate admissions to the University of California and the California State University, it is the intent of the Legislature that the governing boards do all of the following:

(1) Develop processes which strive to be fair and are easily understandable.

(2) Consider the use of criteria and procedures that allow students to enroll who are otherwise fully eligible and admissible but who have course deficiencies due to circumstances beyond their control, and, when appropriate, provide that the admission requires the student to make up the deficiency.

(3) Consult broadly with California's diverse ethnic and cultural communities.

(b) It is the intent of the Legislature that the University of California and the California State University, pursuant to Section 66201.5, seek to enroll a student body that meets high academic standards and reflects the cultural, racial, geographic, economic, and social diversity of California.

SEC. 15. Section 66207 is added to the Education Code, to read:

66207. This chapter shall supersede any other law which conflicts with this part.

SEC. 16. Section 66301 of the Education Code is repealed.

SEC. 17. Section 66722 is added to the Education Code, to read:

66722. It is the intent of the Legislature that the transfer function shall be a central institutional priority of all segments of higher education in California, and that the segments shall have as a fundamental policy and practice the maintenance of an effective transfer system.

SEC. 18. Section 66722.5 is added to the Education Code, to read:

66722.5. It is the intent of the Legislature that the segments of higher education shall pursue the development of transfer agreement programs that specify the curricular requirements that must be met, and the level of achievement that must be attained, by community college students in order for those students to transfer to the campus, undergraduate college, or major of choice in the public four-year segments.

SEC. 19. Chapter 11.5 (commencing with Section 66950) is added to Part 40 of the Education Code, to read:

CHAPTER 11.5. HIGHER EDUCATION ASSESSMENT ACT OF 1990

66950. The Legislature finds and declares all of the following:

(a) The primary goal of every higher educational institution should be to provide a collegiate experience which gives each student the skills of communication and problemsolving, the ideas and principles underlying the major areas of modern knowledge, the ability to consider critical issues thoughtfully, the understanding that

learning is a continuous lifelong process, and the knowledge of democracy necessary for good citizenship.

(b) To improve performance, educational institutions are encouraged to use effective assessment mechanisms based on positive reinforcement, incentives, and cooperation.

66951. In enacting this chapter, it is the intent of the Legislature to urge the continued development and implementation of assessment processes whereby institutions of higher education establish mechanisms, through program review and improvement, for the assessment of their performance in attempting to improve student learning and comprehension and achieving the expressed state policy goals for higher education of quality, educational equity, employee diversity, student transfer, and student retention. The primary purposes of assessment shall be to improve teaching and learning as well as academic advising. Assessment programs shall be focused on activities that are campus-based, faculty-centered, and student-responsive. Faculty, students, and academic administrators are encouraged to work together in developing assessment programs.

66952. It is the intent of the Legislature to monitor the performance of the University of California, the California State University, and the community colleges in the following areas:

(a) Diversification of student bodies.

(b) Improved student transfer rates.

(c) Improved student retention rates.

(d) Diversification of faculty, nonfaculty academic staff, and administrative positions.

(e) As a part of program review, enhanced student learning, as demonstrated through mechanisms designed to explore improvements in knowledge, skills, and abilities.

SEC. 20. Chapter 16 (commencing with Section 67400) is added to Part 40 of the Education Code, to read:

CHAPTER 16. APPLICABILITY TO UNIVERSITY OF CALIFORNIA

67400. No provision of this part shall apply to the University of California except to the extent that the Regents of the University of California, by appropriate resolution, make that provision applicable.

SEC. 21. Nothing in this act shall be interpreted to expand or diminish the rights, responsibilities, and duties provided for in Chapters 10.7 (commencing with Section 3540) and 12 (commencing with Section 3560) of Division 4 of Title 1 of the Government Code.

SEC. 22. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000),

reimbursement shall be made from the State Mandate Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1199

An act to amend Sections 8467, 8468, 8468.5, 8469, 8470, 8470.1, 8473.4, 8476, and 8480 of, and to repeal Sections 8465 and 8466 of, the Education Code, relating to child care.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 8465 of the Education Code is repealed.

SEC. 2. Section 8466 of the Education Code is repealed.

SEC. 3. Section 8467 of the Education Code is amended to read:

8467. (a) In determining which applicants shall receive funding, the Superintendent of Public Instruction shall give priority to applicants that meet the following criteria, each of which shall be weighted equally:

(1) The program shall provide care at the public elementary school site, except in those areas where there is no available space on school sites.

(2) Except as provided in Section 8464, the program shall meet the requirements of Section 8463 in the most cost-effective manner. "Cost effective," as used in this paragraph, means an agency's demonstrated ability to utilize existing community resources in meeting the child's child care needs and providing the support services that he or she may require. Criteria for scoring cost effectiveness may include, but shall not be limited to, the proposed daily cost for children receiving extended day care authorized pursuant to this article, which cost shall be competitive with local private market rates.

(b) In allocating funds appropriated to carry out this article, the Superintendent of Public Instruction shall promote access to extended day care services throughout the state.

SEC. 4. Section 8468 of the Education Code is amended to read:

8468. To assure geographic equity in the distribution of funds appropriated for purposes of this chapter, the Superintendent of Public Instruction shall disburse funds for extended day care programs in accordance with all of the following procedures:

(a) To develop a formula to promote geographic equity, the superintendent shall use direct indicators of need for child care. These data shall be combined on a county-by-county basis. However,

counties with populations of fewer than 50,000 persons shall receive funding adequate to establish at least one program.

More specific indicators of need for subsidized child care shall be substituted for, or included in, the formula as they become available.

Each of the following factors shall be given equal weight in the formula for allocation of extended day care funds:

(1) Each county's percentage of the number of children in the state who are in the Aid to Families with Dependent Children program.

(2) Each county's percentage of the number of women in the state's labor force.

(3) Each county's percentage of the number of children in the state who are ages 5 years to 14 years, inclusive.

(b) The Superintendent of Public Instruction shall determine the total dollar amount for each county for publicly subsidized child care services. If the superintendent determines that funds allocated pursuant to this article for a county are not being fully utilized within that county, funds that have not been encumbered by contract may be reallocated for extended day care services pursuant to this article for any county, and allocations in subsequent years may be adjusted accordingly.

(c) The comparison of combined need with all available public and private resources shall guide the superintendent in determining the portion of funds for extended day care services pursuant to this article that will be available to applicant agencies from each county.

The funding for extended day care services shall promote equal access to child care services for eligible families across the state by bringing the relative dollar amounts in each county into closer congruence with the relative need for child care services in each county.

SEC. 5. Section 8468.5 of the Education Code is amended to read:

8468.5. (a) Priority for enrollment in programs supported under this article shall be as follows:

(1) First priority shall be given to recipients of child protective services for children who are neglected or abused, or at risk of being neglected or abused, upon written referral from a legal, medical, social service, or public agency. Within this priority, families with the lowest gross monthly income shall be admitted first. When an agency is unable to enroll a child in need of protective services, the agency shall refer the family to local resource and referral services to locate services for the child.

(2) Second priority shall go to children in kindergarten and grades 1 to 3, inclusive, and their schoolage siblings under the age of 13 years, whose families need extended day care services because parents are engaged in vocational training leading directly to a recognized trade, paraprofession or profession; are employed or seeking employment; or are incapacitated. Within this priority, families with the lowest gross monthly income in relation to family size shall be admitted first.

(3) Third priority shall go to children in grades 4 to 9, inclusive, and their schoolage siblings under the age of 13 years, whose families need extended day care services because parents are engaged in vocational training leading directly to a recognized trade, paraprofession or profession; are employed or seeking employment; or are incapacitated. Within this priority, families with the lowest gross monthly income in relation to family size shall be admitted first.

(4) Agencies may apply to the Superintendent of Public Instruction for a waiver of these priorities, and it may be subject to criteria as may be established by the State Department of Education including all of the following:

(A) Needs assessment.

(B) Community concurrence.

(C) Cost-effectiveness.

(D) Good faith effort to meet the extended day care needs of the siblings of children to be serviced. Nothing in this section alters the priorities specified in this article but is intended, rather, to more effectively meet local needs.

(5) Each program shall serve individuals with exceptional needs, as defined in Section 56026. The percentage of children who are individuals with exceptional needs in each program shall at least equal the percentage of children in kindergarten and grades 1 to 8, inclusive, residing in the school district and receiving special education services, unless the demand for this level of service does not exist. Agencies shall report the delivery of services to children with exceptional needs to the State Department of Education.

(6) To the extent possible, and within the parameters contained in this section, programs should serve a mix of children that reflects substantially the varying socioeconomic, racial, and ethnic backgrounds of the school district in which the agency is located, and a mix of subsidized and nonsubsidized children.

(b) In order for an extended day care program to receive funding, pursuant to this article, for a child served, the child's family shall meet at least one requirement in each of the following areas:

(1) A family shall be one of the following:

(A) A recipient of benefits under the Aid to Families with Dependent Children program, the Supplemental Security Income/State Supplementary Program, or a general assistance program.

(B) Income eligible, with first priority to be given to families with the lowest gross monthly income, adjusted for family size. "Income eligible," for this purpose, means that a family's adjusted monthly income is at or below 84 percent of the state median income, adjusted for family size at the time of initial enrollment, and does not exceed 100 percent of the state median income, adjusted for family size.

(C) One whose children are recipients of protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected, or exploited.

(2) A family shall need the child care service because the

requirements of either subparagraph (A) or (B) apply.

(A) The child is identified by a legal, medical, or social service agency as meeting one or more of the following criteria:

(i) The child is a recipient of protective services.

(ii) The child is neglected, abused, or exploited, or at risk of neglect, abuse, or exploitation.

(iii) The child has a medical or psychiatric special need that cannot be met without the provision of extended day care.

(B) The child's parents meet one of the following criteria:

(i) The parents are engaged in vocational training leading directly to a recognized trade, paraprofession, or profession.

(ii) The parents are employed or seeking employment.

(iii) The parents are incapacitated, including a medical or psychiatric need that cannot be met without the provision of extended day care.

(c) The Superintendent of Public Instruction shall establish guidelines according to which the head teacher or a duly authorized representative of the extended day care program shall certify children as eligible for state reimbursement pursuant to this article.

(d) The Superintendent of Public Instruction may grant specific waivers to agencies proposing to accept eligible members of special populations in other than strict income order so long as appropriate fees are paid. The waivers may be used to enable agencies to meet the requirements of this article to serve children with exceptional needs.

SEC. 5.5. Section 8468.5 of the Education Code is amended to read:

8468.5. (a) Priority for enrollment in programs supported under this article shall be as follows:

(1) First priority shall be given to recipients of child protective services for children who are neglected or abused, or at risk of being neglected or abused, upon written referral from a legal, medical, social service, or public agency. Within this priority, families with the lowest gross monthly income shall be admitted first. When an agency is unable to enroll a child in need of protective services, the agency shall refer the family to local resource and referral services to locate services for the child.

(2) Second priority shall go to children in kindergarten and grades 1 to 3, inclusive, and their schoolage siblings under the age of 13, whose families need extended day care services because parents are engaged in vocational training leading directly to a recognized trade, paraprofession or profession; are employed or seeking employment; or are incapacitated. Within this priority, families with the lowest gross monthly income in relation to family size shall be admitted first.

(3) Third priority shall go to children in grades 4 to 9, inclusive, and their schoolage siblings under the age of 13, whose families need extended day care services because parents are engaged in vocational training leading directly to a recognized trade,

paraprofession or profession; are employed or seeking employment; or are incapacitated. Within this priority, families with the lowest gross monthly income in relation to family size shall be admitted first.

(4) Agencies may apply to the Superintendent of Public Instruction for a waiver of these priorities, and the applications may be subject to criteria as may be established by the State Department of Education including all of the following:

(A) Needs assessment.

(B) Community concurrence.

(C) Cost-effectiveness.

(D) Good faith effort to meet the extended day care needs of the siblings of children to be serviced. Nothing in this section alters the priorities specified in this article but is intended, rather, to more effectively meet local needs.

(5) Each program shall serve individuals with exceptional needs, as defined in Section 56026. The percentage of children who are individuals with exceptional needs in each program shall at least equal the percentage of children in kindergarten and grades 1 to 8, inclusive, residing in the school district and receiving special education services, unless the demand for this level of service does not exist. Agencies shall report the delivery of services to children with exceptional needs to the State Department of Education.

(6) To the extent possible, and within the parameters contained in this section, programs should serve a mix of children that reflects substantially the varying socioeconomic, racial, and ethnic backgrounds of the school district in which the agency is located, and a mix of subsidized and nonsubsidized children.

(b) In order for an extended day care program to receive funding, pursuant to this article, for a child served, the child's family shall meet at least one requirement in each of the following areas:

(1) A family shall be one of the following:

(A) A recipient of benefits under the Aid to Families with Dependent Children program, the Supplemental Security Income/State Supplementary Program, or a general assistance program.

(B) Income eligible, with first priority to be given to families with the lowest gross monthly income, adjusted for family size. "Income eligible," for this purpose, means that a family's adjusted monthly income is at or below 84 percent of the state median income, adjusted for family size at the time of initial enrollment, and does not exceed 100 percent of the state median income, adjusted for family size.

(C) One whose children are recipients of protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected, or exploited.

(2) A family shall need the child care service because the requirements of either subparagraph (A) or (B) apply.

(A) The child is identified by a legal, medical, or social service agency as meeting one or more of the following criteria:

(i) The child is a recipient of protective services.

(ii) The child is neglected, abused, or exploited, or at risk of neglect, abuse, or exploitation.

(iii) The child has a medical or psychiatric special need that cannot be met without the provision of extended day care.

(B) The child's parents meet one of the following criteria:

(i) The parents are engaged in vocational training leading directly to a recognized trade, paraprofession, or profession.

(ii) The parents are employed or seeking employment.

(iii) The parents are incapacitated, including a medical or psychiatric need that cannot be met without the provision of extended day care.

(c) The superintendent shall establish guidelines according to which the head teacher or a duly authorized representative of the extended day care program shall certify children as eligible for state reimbursement pursuant to this article.

(d) The superintendent may grant specific waivers to agencies proposing to accept eligible members of special populations in other than strict income order so long as appropriate fees are paid. The waivers may be used to enable agencies to meet the requirements of this article to serve children with exceptional needs.

SEC. 6. Section 8469 of the Education Code is amended to read:

8469. Any school district operating an elementary school may subcontract with an operating agency for the purpose of providing extended day care services pursuant to this article.

SEC. 7. Section 8470 of the Education Code is amended to read:

8470. (a) The Superintendent of Public Instruction shall implement a plan that establishes reasonable and cost-effective standards and assigned reimbursement rates. The reimbursement rates established under this section shall be based upon either child days of enrollment or child hours of enrollment, at the option of the agency to be reimbursed.

The maximum reimbursement rate for a full year of extended day care service shall not exceed an average of two thousand one hundred dollars ($2,100) per child per year in the 1985–86 fiscal year, as adjusted annually thereafter by the cost-of-living adjustment established by the Legislature for child care services.

(b) The superintendent shall review annually the implementation of the reimbursement rates, based on child days or child hours of enrollment, established pursuant to subdivision (a), to determine whether the rates are reasonable, cost-effective, and consistent with the goal of increasing the availability of affordable child care services for nonsubsidized children.

SEC. 7.5. Section 8470 of the Education Code is amended to read:

8470. (a) The Superintendent of Public Instruction shall implement a plan that establishes reasonable and cost-effective standards and assigned reimbursement rates. The reimbursement rates established under this section shall be based upon either child days of enrollment or child hours of enrollment, at the option of the agency to be reimbursed.

The maximum reimbursement rate for a full year of extended day care service shall not exceed an average of two thousand one hundred dollars ($2,100) per child per year in the 1985–86 fiscal year, as adjusted annually thereafter by the cost-of-living adjustment established by the Legislature for child care services.

(b) The superintendent shall monitor the reimbursement rates to determine whether the rates are reasonable, cost-effective, and consistent with the goal of increasing the availability of affordable child care services for nonsubsidized children.

(c) At the time of initial contract issuance or upon contract renewal, the State Department of Education shall assess the proposed contract rate and compare it to the following:

(1) The regional market rate, as specified by the most recent data available from regional sources or as determined by Section 11323.6 of the Welfare and Institutions Code.

(2) The program costs, including the agency's administrative and support service costs related to the state contract.

To the extent possible, the State Department of Education shall enter and renew contracts for rates of reimbursement that equal the lesser of these two amounts.

SEC. 7.8. Section 8470.1 is added to the Education Code, to read:

8470.1. The Superintendent of Public Instruction shall review annually the implementation of the reimbursement rates, based on either child days or child hours of enrollment, established pursuant to subdivision (a) of Section 8470, to determine whether the rates are reasonable, cost-effective, and consistent with the goal of increasing the availability of affordable child care services for nonsubsidized children.

SEC. 8. Section 8473.4 of the Education Code is amended to read:

8473.4. Parent fees for subsidized children shall be expended for net reimbursable program costs for additional subsidized children , at a rate not to exceed the assigned reimbursement rate.

SEC. 9. Section 8476 of the Education Code is amended to read:

8476. In order to maximize program flexibility and cost effectiveness and to foster innovation and creativity, the Superintendent of Public Instruction may exempt from any administrative requirements established under this article any programs that are recreational in nature.

SEC. 10. Section 8480 of the Education Code is amended to read:

8480. The advisory committee established pursuant to Section 8286 shall perform all of the following functions with regard to this chapter:

(a) Assist the State Department of Education in developing and reviewing guidelines for the administration of this chapter.

(b) Serve in an advisory capacity to the Superintendent of Public Instruction and the Governor for program policy decisions.

(c) Review the implementation of this chapter.

SEC. 11. Section 5.5 of this bill incorporates amendments to Section 8468.5 of the Education Code proposed by both this bill and

SB 255. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 8468.5 of the Education Code, and (3) this bill is enacted after SB 255, in which case Section 5 of this bill shall not become operative.

SEC. 12. Section 7.5 of this bill incorporates amendments to Section 8470 of the Education Code proposed by both this bill and SB 255. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 8470 of the Education Code, and (3) this bill is enacted after SB 255, in which case Section 7 of this bill shall not become operative.

SEC. 13. Section 7.8 of this bill shall become operative only if SB 255 and this bill are both chaptered and become effective January 1, 1992, and this bill is chaptered after SB 255.

CHAPTER 1200

An act to amend Sections 1502, 1506, and 1534 of, and to add Sections 1506.6, 1522.05, 1522.07, and 1525.25 to, the Health and Safety Code, and to amend Sections 18358.05, 18358.10, 18358.2, and 18358.30 of the Welfare and Institutions Code, relating to foster care, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1502 of the Health and Safety Code is amended to read:

1502. As used in this chapter:

(a) "Community care facility" means any facility, place, or building which is maintained and operated to provide nonmedical residential care, day treatment, adult day care, or foster family agency services for children, adults, or children and adults, including, but not limited to, the physically handicapped, mentally impaired, incompetent persons, and abused or neglected children, and includes the following:

(1) "Residential facility" means any family home, group care facility, or similar facility determined by the director, for 24-hour nonmedical care of persons in need of personal services, supervision, or assistance essential for sustaining the activities of daily living or for the protection of the individual.

(2) "Adult day care facility" means any facility which provides nonmedical care to persons 18 years of age or older in need of personal services, supervision, or assistance essential for sustaining the activities of daily living or for the protection of the individual on less than a 24-hour basis.

(3) "Therapeutic day services facility" means any facility which

provides nonmedical care, counseling, educational or vocational support, or social rehabilitation services on less than a 24-hour basis to persons under 18 years of age who would otherwise be placed in foster care or who are returning to families from foster care. Program standards for these facilities shall be developed by the department, pursuant to Section 1530, in consultation with therapeutic day services and foster care providers.

(4) "Foster family agency" means any organization engaged in the recruiting, certifying, and training of, and providing professional support to, foster parents, or in finding homes or other places for placement of children for temporary or permanent care who require that level of care as an alternative to a group home. Private foster family agencies shall be organized and operated on a nonprofit basis.

(5) "Foster family home" means any residential facility providing 24-hour care for six or fewer foster children which is owned, leased, or rented and is the residence of the foster parent or parents, including their family, in whose care the foster children have been placed. The placement may be by a public or private child placement agency or by a court order, or by voluntary placement by a parent, parents, or guardian.

(6) "Small family home" means any residential facility providing 24-hour care for six or fewer foster children who have mental disorders or developmental or physical disabilities and who require special care and supervision as a result of their disabilities.

(7) "Social rehabilitation facility" means any residential facility which provides social rehabilitation services for no longer than 18 months in a group setting to adults recovering from mental illness who temporarily need assistance, guidance, or counseling. Program components shall be subject to program standards pursuant to Section 5458.1 of the Welfare and Institutions Code.

(8) "Community treatment facility" means any residential facility which provides mental health treatment services to children in a group setting. Program components shall be subject to program standards developed by the State Department of Mental Health pursuant to Section 5405 of the Welfare and Institutions Code.

Nothing in this section shall be construed to prohibit or discourage placement of persons who have mental or physical disabilities into any category of community care facility that meets the needs of the individual placed, if the placement is consistent with the licensing regulations of the department.

(9) "Full-service adoption agency" means any licensed entity engaged in the business of providing adoption services, who does all of the following:

(A) Assumes care, custody, and control of a child through relinquishment of the child to the agency or involuntary termination of parental rights to the child.

(B) Assesses the birth parents, prospective adoptive parents, or child.

(C) Places children for adoption.

(D) Supervises adoptive placements.

Private full-service adoption agencies shall be organized and operated on a nonprofit basis.

(10) "Noncustodial adoption agency" means any licensed entity engaged in the business of providing adoption services, who does all of the following:

(A) Assesses the prospective adoptive parents.

(B) Cooperatively matches children freed for adoption, who are under the care, custody, and control of a licensed adoption agency, for adoption, with assessed and approved adoptive applicants.

(C) Cooperatively supervises adoptive placements with a full-service adoptive agency, but does not disrupt a placement or remove a child from a placement.

Private noncustodial adoption agencies shall be organized and operated on a nonprofit basis.

(b) "Department" or "state department" means the State Department of Social Services.

(c) "Director" means the Director of Social Services.

SEC. 1.5. Section 1502 of the Health and Safety Code is amended to read:

1502. As used in this chapter:

(a) "Community care facility" means any facility, place, or building which is maintained and operated to provide nonmedical residential care, day treatment, adult day care, or foster family agency services for children, adults, or children and adults, including, but not limited to, the physically handicapped, mentally impaired, incompetent persons, and abused or neglected children, and includes the following:

(1) "Residential facility" means any family home, group care facility, or similar facility determined by the director, for 24-hour nonmedical care of persons in need of personal services, supervision, or assistance essential for sustaining the activities of daily living or for the protection of the individual.

(2) "Adult day care facility" means any facility which provides nonmedical care to persons 18 years of age or older in need of personal services, supervision, or assistance essential for sustaining the activities of daily living or for the protection of the individual on less than a 24-hour basis.

(3) "Therapeutic day services facility" means any facility which provides nonmedical care, counseling, educational or vocational support, or social rehabilitation services on less than a 24-hour basis to persons under 18 years of age who would otherwise be placed in foster care or who are returning to families from foster care. Program standards for these facilities shall be developed by the department, pursuant to Section 1530, in consultation with therapeutic day services and foster care providers.

(4) "Foster family agency" means any organization engaged in the recruiting, certifying, and training of, and providing professional support to, foster parents, or in finding homes or other places for

placement of children for temporary or permanent care who require that level of care as an alternative to a group home. Private foster family agencies shall be organized and operated on a nonprofit basis.

(5) "Foster family home" means any residential facility providing 24-hour care for six or fewer foster children which is owned, leased, or rented and is the residence of the foster parent or parents, including their family, in whose care the foster children have been placed. The placement may be by a public or private child placement agency or by a court order, or by voluntary placement by a parent, parents, or guardian.

(6) "Small family home" means any residential facility, in the licensee's family residence, which provides 24-hour care for six or fewer foster children who have mental disorders or developmental or physical disabilities and who require special care and supervision as a result of their disabilities. A small family home may accept children with special health care needs, pursuant to subdivision (a) of Section 17710 of the Welfare and Institutions Code. In addition to placing children with special health care needs, the department may approve placement of children without special health care needs, up to the licensed capacity.

(7) "Social rehabilitation facility" means any residential facility which provides social rehabilitation services for no longer than 18 months in a group setting to adults recovering from mental illness who temporarily need assistance, guidance, or counseling. Program components shall be subject to program standards pursuant to Section 5458.1 of the Welfare and Institutions Code.

(8) "Community treatment facility" means any residential facility which provides mental health treatment services to children in a group setting. Program components shall be subject to program standards developed by the State Department of Mental Health pursuant to Section 5405 of the Welfare and Institutions Code.

Nothing in this section shall be construed to prohibit or discourage placement of persons who have mental or physical disabilities into any category of community care facility that meets the needs of the individual placed, if the placement is consistent with the licensing regulations of the department.

(9) "Full-service adoption agency" means any licensed entity engaged in the business of providing adoption services, who does all of the following:

(A) Assumes care, custody, and control of a child through relinquishment of the child to the agency or involuntary termination of parental rights to the child.

(B) Assesses the birth parents, prospective adoptive parents, or child.

(C) Places children for adoption.

(D) Supervises adoptive placements.

Private full-service adoption agencies shall be organized and operated on a nonprofit basis.

(10) "Noncustodial adoption agency" means any licensed entity

engaged in the business of providing adoption services, who does all of the following:

(A) Assesses the prospective adoptive parents.

(B) Cooperatively matches children freed for adoption, who are under the care, custody, and control of a licensed adoption agency, for adoption, with assessed and approved adoptive applicants.

(C) Cooperatively supervises adoptive placements with a full-service adoptive agency, but does not disrupt a placement or remove a child from a placement.

Private noncustodial adoption agencies shall be organized and operated on a nonprofit basis.

(b) "Department" or "state department" means the State Department of Social Services.

(c) "Director" means the Director of Social Services.

SEC. 2. Section 1506 of the Health and Safety Code is amended to read:

1506. (a) (1) Any holder of a valid license issued by the department which authorizes the licensee to engage in any foster family agency functions, may use only a certified family home which has been certified by that agency or a licensed foster family home approved for this use by the licensing county pursuant to Section 1506.5.

(2) Any home selected and certified for the reception and care of children by that licensee shall not, during the time it is certified and used only by that agency for these placements or care, be subject to Section 1508. A certified family home may not be concurrently licensed as a foster family home or as any other licensed residential facility.

(b) (1) A foster family agency shall certify to the department that the home has met the department's licensing standards. A foster family agency may require a family home to meet additional standards or be compatible with its treatment approach.

(2) The foster family agency shall issue a certificate of appróval to the certified family home upon its determination that it has met the standards established by the department and before the placement of any child in the home. The certificate shall be valid for a period not to exceed one year. The annual recertification shall require a certified family home to complete at least 12 hours of structured applicable training or continuing education. At least one hour of training during the first six months following initial certification shall be dedicated to meeting the requirements of paragraph (1) of subdivision (b) of Section 11174.1 of the Penal Code.

(3) If the agency determines that the home no longer meets the standards, it shall notify the department and the local placing agency.

(c) The department shall develop licensing regulations differentiating between foster family agencies which provide treatment of children in foster families and those which provide nontreatment services.

(d) As used in this chapter, "certified family home" means a family residence certified by a licensed foster family agency and issued a certificate of approval by that agency as meeting licensing standards, and used only by that foster family agency for placements.

(e) Education requirements for social work personnel for a foster family agency shall be a master's degree from an accredited or state approved graduate school in social work or social welfare, marriage, family, and child counseling, child psychology, child development, counseling psychology, social psychology, or equivalent education and experience, as determined by the state department.

(f) In addition to the degree specifications in subdivision (e), all of the following master's level coursework and field practice shall be required of all new hires for the position of social work personnel effective January 1, 1992:

(1) At least 100 days of field practice in a social service agency setting.

(2) At least nine units of coursework related to children and families.

(3) At least three semester units in working with minority populations.

(4) At least three semester units in child welfare.

Persons who are hired as social work personnel on or after the effective date of this subdivision, as added by the Statutes of 1988, but prior to January 1, 1992, who do not meet the masters level coursework and 100-day field practice requirement listed in this subdivision shall be required to successfully complete that coursework and field practice by December 31, 1991, in order to remain employed as social work personnel in a foster family agency. For those employees who were hired prior to the effective date of this subdivision, they shall not be required to meet the requirements of this subdivision in order to remain employed as social work personnel in a foster family agency.

(g) The State Department of Social Services shall be required to complete the process for the exception to minimum education requirements for social work personnel within 30 days of receiving the exception application of social work personnel qualifications from the foster family agency.

SEC. 3. Section 1506.6 is added to the Health and Safety Code, to read:

1506.6. It is the intent of the Legislature that public and private efforts to recruit foster parents not be competitive and that the total number of foster parents be increased. A foster family agency shall not certify a family home which is licensed by the department or a county. A licensed foster family home shall forfeit its license, pursuant to subdivision (b) of Section 1524, concurrent with final certification by the foster family agency. The department or a county shall not license a family home that is certified by a foster family agency. A certified family home shall forfeit its certificate concurrent with final licensing by the department or a county.

SEC. 4. Section 1522.05 is added to the Health and Safety Code, to read:

1522.05. (a) A foster family agency shall not place a child in a certified family home until the foster family agency has received a criminal record clearance from the department, except as provided in subdivisions (b) and (c).

(b) Any peace officer, or other category of person approved by the department subject to criminal record clearance as a condition of employment, and who has submitted fingerprints and executed a declaration regarding criminal convictions, may receive a child in placement pending the receipt of a criminal record clearance when the certified family home has met all other licensing requirements.

(c) Any person currently licensed pursuant to this chapter by the department or a county, when the certified family home has met all other licensing requirements, and who has submitted fingerprints and executed a declaration regarding criminal convictions, may receive, or continue, a child in placement pending the receipt of a criminal record clearance.

SEC. 5. Section 1522.07 is added to the Health and Safety Code, to read:

1522.07. (a) Notwithstanding subdivision (d) of Section 1522, foster family agencies shall submit fingerprints of their certified foster parent applicants to the Department of Justice using a card provided by the State Department of Social Services for that purpose.

(b) Within 30 calendar days of the receipt of the fingerprints, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided in subdivision (a) of Section 1522. If no criminal record information has been recorded, the Department of Justice shall provide the foster family agency and the State Department of Social Services with a statement of that fact within 15 calendar days of receipt of the fingerprints. If new fingerprints are required for processing, the Department of Justice shall, within 15 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible.

SEC. 6. Section 1525.25 is added to the Health and Safety Code, to read:

1525.25. (a) It is the intent of the Legislature to provide for proper case management and orderly transition in placement when family home licensing or family home certification changes occur. Placing, licensing, and foster family agencies shall be advised in a timely manner that a licensed foster family home or certified home intends to change its licensing or certification status.

(b) Upon receiving notification that a licensed foster family home is forfeiting its license, the county shall evaluate the needs of any child still placed in the home and determine whether the child requires the level of care to be provided when the home has been certified by a foster family agency. Any child not requiring that level

of care shall be moved to a home that provides the appropriate level of care.

SEC. 7. Section 1534 of the Health and Safety Code is amended to read:

1534. (a) Every licensed community care facility shall be periodically inspected and evaluated for quality of care by a representative or representatives designated by the director. Evaluations shall be conducted at least once per year and as often as necessary to ensure the quality of care being provided.

The department shall notify the community care facility in writing of all deficiencies in its compliance with the provisions of this chapter and the rules and regulations adopted pursuant to this chapter, and shall set a reasonable length of time for compliance by the facility.

Reports on the results of each inspection, evaluation, or consultation shall be kept on file in the department, and all inspection reports, consultation reports, lists of deficiencies, and plans of correction shall be open to public inspection in the county in which the facility is located.

(b) Nothing in this section shall limit the authority of the department to inspect or evaluate a licensed foster family agency, a certified family home, or any aspect of a program where a licensed community care facility is certifying compliance with licensing requirements.

Upon a finding of noncompliance by the department, the department may require a foster family agency to revoke certification of a family home, or take other action the department may deem necessary for the protection of a child placed with the family home. The family home shall be afforded the due process provided pursuant to this chapter.

SEC. 8. Section 18358.05 of the Welfare and Institutions Code is amended to read:

18358.05. (a) The department shall implement intensive treatment foster care programs for eligible children.

(b) (1) The department shall implement the programs in the Counties of Alameda and Yolo, pursuant to the concurrence of the board of supervisors of each participating county and subject to the availability of a foster family agency within the county which can provide the services required by this chapter.

(2) The program shall be limited to one foster family agency in each county. Each foster family agency shall serve a maximum of 20 children under this program during its first year of implementation and no more than 20 additional children per year in each successive year of the program's operation. Each participating foster family agency may accept placements, with approval of the host county, from counties other than its host county up to the maximum of 20 children per year.

(c) As a condition of participating in this program, each foster family agency shall meet all of the following criteria:

(1) It has a program component with a rate classification level of

12 or higher pursuant to Section 11462.

(2) It has either of the following:

(A) Access to a nonpublic school program which provides mental health treatment.

(B) A contract with the county for the provision of mental health treatment for children.

(3) It provides, or arranges for the provision of, all additional services required under this chapter.

SEC. 9. Section 18358.10 of the Welfare and Institutions Code is amended to read:

18358.10. Each foster family agency participating in this program shall provide all of the following personnel and administrative and support services:

(a) (1) Special attention to the selection and training of foster parents.

(2) All participating foster parents shall be provided with at least 60 hours of training in the care of emotionally disturbed children and 12 hours of ongoing in-service training per year. Training shall include, but not be limited to, working with abused and neglected children, progressive crisis intervention, and cardiopulmonary resuscitation. All training shall be completed prior to the child's placement in the home. In two-parent homes, placement may be made after one parent has completed 60 hours of training, provided that the second parent has completed 40 hours of training and completes an additional 20 hours of training within the first six months of placement.

(3) Foster parents shall be provided with all necessary support services.

(b) Caseloads for participating group home social work case managers that do not exceed eight children.

(c) Therapists for the provision of therapy to the child, the biological parents of the child, and the foster parents of the child.

(d) The specific assignment to each certified family home of a trained child/youth counselor with experience in residential treatment.

(1) The child/youth counselor shall have one of the following:

(A) A bachelor's degree in a social science related field and at least six months of experience in working with emotionally disturbed children in institutional settings.

(B) An associate degree in a social science related field and have at least one year's experience in working with emotionally disturbed children in institutional settings.

(2) Each participating foster family agency shall provide each child/youth counselor with 60 hours of training to include, but not be limited to, working with abused and neglected children, progressive crisis intervention, cardiopulmonary resuscitation, and developing treatment plans for emotionally disturbed children. All training shall be completed prior to placing a child in a certified family home for which the child/youth counselor is assigned

responsibility.

(3) Each child/youth counselor shall do all of the following:

(A) Provide up to thirty-one hours per child per week of in-home supportive service to the child and the foster family. This service shall include, but not be limited to, structuring a safe environment for the child and implementing a needs and services plan.

(B) Arrange for coordination services with local education agencies and the service provider's nonpublic school, where applicable.

(e) A 24-hour oncall administrator who is available to respond to emergency situations.

SEC. 10. Section 18358.2 of the Welfare and Institutions Code is amended to read:

18358.2. County welfare departments in participating counties shall do all of the following:

(1) Determine the placement of eligible children in intensive foster care programs. All children placed in the pilot program shall either have a completed level of care assessment indicating a need for services greater than regular foster care or have their placement reviewed by the participating county's existing interagency review team.

(2) Provide routine case management services.

(3) Monitor the implementation of the case plan for the child.

SEC. 11. Section 18358.30 of the Welfare and Institutions Code is amended to read:

18358.30. (a) Rates for foster family agency programs participating under this chapter shall be exempt from the current AFDC-FC foster family agency rate setting system.

(b) Rates for foster family agency programs participating under this chapter shall be set according to the appropriate pilot classification model based on the level of services provided to the eligible child and the certified foster family. In all of the pilot classification models, the foster family agency programs shall:

(1) Provide social work services with case loads not to exceed eight children per worker, except that social worker case loads for children in Pilot Classification Model F shall not exceed 12 children per worker.

(2) Pay an amount of one thousand two hundred dollars ($1,200) per child per month to the certified foster parent or parents.

(3) Perform activities necessary for the administration of the programs, including, but not limited to, training, recruitment, certification, and monitoring of the certified foster parents.

(4) Provide a minimum average of service per week by the in-home support counselor to the eligible child and the certified foster parents depending on the needs of the child and according to the following schedule:

Pilot Classification Model	In-Home Child/Youth Counselor Hours Per Week
A	31 hours
B	25 hours
C	18 hours
D	12 hours
E	6 hours
F	0 hours

(c) The department or placing county, or both, may review the level of services provided by the foster family agency program. If the level of services actually provided are less than those for the pilot classification model upon which the rate for the child was based, the rate shall be adjusted to reflect the pilot classification model actually provided, and an overpayment may be established and recovered by the department.

(d) (1) The standard rate schedule of pilot classification models for the 1990–91 fiscal year shall be:

Pilot Classification Model	Fiscal Year 1990–91 Standard Rate
A	$3539
B	$3245
C	$2950
D	$2656
E	$2360
F	$1990

(2) For the 1991–92 and 1992–93 fiscal years, the standardized rate for each pilot classification model shall be adjusted by an amount equal to the California Necessities Index computed pursuant to the methodology described in Section 11453.

(3) Beginning with the 1993–94 fiscal year, the standardized schedule of rates shall be adjusted annually by an amount equal to the California Necessities Index computed pursuant to Section 11453, subject to the availability of funds.

(e) Rates for foster family agency programs participating under this chapter shall not exceed Pilot Classification Model A at any time during an eligible child's placement. As their needs dictate, eligible children may be placed in a participating intensive foster care program at any of the five pilot classification levels, not to exceed a total of six months at any level other than Pilot Classification Model F.

(f) It is the intent of the Legislature that the pilot classification model and the rate paid to participating foster family agency programs shall decrease as the child's need for services from the

foster family agency decreases. The foster family agency shall notify the placing county and the department of the reduced services and the pilot classification model, and the rate shall be reduced accordingly.

(g) It is the intent of the Legislature to prohibit any duplication of public funding. Therefore, social worker services, payments to certified foster parents, administrative activities, and the services of in-home support counselors that are funded by another public source shall not be counted in determining whether the foster family agency program has met its obligations to provide the items listed in paragraphs (1), (2), (3), and (4) of subdivision (b).

SEC. 12. The State Department of Social Services shall adopt emergency regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code to implement Chapter 1120 of the Statutes of 1986 and Chapter 1142 of the Statutes of 1988. The State Department of Social Services may adopt emergency regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code to implement this act. The adoption of regulations pursuant to this section shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health, or safety. The regulations shall become effective immediately upon filing with the Secretary of State. The regulations shall not remain in effect more than 120 days unless the adopting agency complies with all of the provisions of Chapter 3.5 (commencing with Section 11340), as required by subdivision (e) of Section 11346.1 of the Government Code.

SEC. 13. Section 1.5 of this bill incorporates amendments to Section 1502 of the Health and Safety Code proposed by both this bill and AB 760. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, but this bill becomes operative first, (2) each bill amends Section 1502 of the Health and Safety Code, and (3) this bill is enacted after AB 760, in which case Section 1502 of the Health and Safety Code, as amended by Section 1 of this bill, shall remain operative only until the operative date of AB 760, at which time Section 1.5 of this bill shall become operative.

SEC. 14. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution as a result of costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

Moreover, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000),

reimbursement shall be made from the State Mandates Claims Fund.

Also, notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 15. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that children placed in certified family homes are protected and receive the level of service they require from foster family agencies as soon as possible, it is necessary that this act take effect immediately.

CHAPTER 1201

An act to amend Sections 39510 and 40002 of, to add Sections 39058.3, 39058.5, and 40104 to, and to add Chapter 11 (commencing with Section 41100) to Part 3 of Division 26 of, the Health and Safety Code, relating to air pollution.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. (a) Sections 2 to 8, inclusive, of this act shall become operative on July 1, 1992, unless, prior to that date, one of the following occurs:

(1) The Counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, and Tulare form a regional air pollution control district pursuant to Chapter 5 (commencing with Section 40300) of Part 3 of Division 26 of the Health and Safety Code.

(2) Those counties form a unified air pollution control district pursuant to Chapter 3 (commencing with Section 40150) of that Part 3.

(b) A district formed pursuant to subdivision (a) shall have all of the following:

(1) A single integrated agency with all staff under one centralized management structure that is able to implement programs on a valleywide basis.

(2) An individual air pollution control officer who is responsible for the issuance of all permits by the agency.

(3) A single budget for the agency with resources allocated based on the program needs of the valley.

(4) A uniform fee structure.

(5) A single hearing board.

(6) A citizen's advisory committee.

(c) A district formed pursuant to subdivision (a) shall have the authority, duty, and resources to do all of the following:

(1) Develop and adopt rules and regulations which are binding on all counties within the agency.

(2) Enforce all permits issued by the agency and all permits issued by the individual county districts prior to formation of the agency.

(3) Review, revise, adopt, and implement any air pollution control plans required within the San Joaquin Valley air basin by state and federal law.

(d) The State Air Resources Board, after a noticed public hearing and opportunity for comments in accordance with the procedures established by Section 41502 of the Health and Safety Code, shall determine whether the criteria in subdivisions (b) and (c) have been met.

(e) If a district is formed as provided in subdivision (a), prior to July 1, 1992, but at a later date, ceases to exist, Sections 2 to 8, inclusive, of this act shall become operative on that later date.

(f) Notwithstanding any other provision of law, any regional air pollution control district or unified air pollution control district formed by the Counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, and Tulare shall (1) be governed by a district board as described in Section 41102 of the Health and Safety Code, and (2) have the authority set forth in Article 3 (commencing with Section 41120) of Chapter 11 of Part 3 of Division 26 of the Health and Safety Code.

SEC. 2. Section 39058.3 is added to the Health and Safety Code, to read:

39058.3. "Valley district" means the San Joaquin Valley Air Quality Management District created pursuant to Chapter 11 (commencing with Section 41100) of Part 3.

SEC. 3. Section 39058.5 is added to the Health and Safety Code, to read:

39058.5. "Valley district board" means the governing body of the valley district.

SEC. 4. Section 39510 of the Health and Safety Code is amended to read:

39510. (a) The State Air Resources Board is continued in existence in the Resources Agency. The state board shall consist of nine members.

(b) The members shall be appointed by the Governor with the consent of the Senate on the basis of their demonstrated interest and proven ability in the field of air pollution control and their understanding of the needs of the general public in connection with air pollution problems. Five members shall have the following qualifications:

(1) One member shall have training and experience in automotive engineering or closely related fields.

(2) One member shall have training and experience in chemistry, meteorology, or related scientific fields, including agriculture or law.

(3) One member shall be a physician and surgeon or an authority on health effects of air pollution.

(4) One member shall be a public member.

(5) One member shall have the qualifications specified in paragraph (1), (2), or (3) or shall have experience in the field of air pollution control.

(c) Four members shall be board members from the districts. The members shall reflect the qualitative requirements of subdivision (b) to the extent practicable.

(1) Of these four members, one shall be a board member from the south coast district, one shall be a board member from the bay district, and one shall be a board member from the San Diego Air Pollution Control District.

(2) Of these four members, one shall be a board member of the valley district commencing July 1, 1992. Commencing July 1, 1994, the member shall be a board member of one of the other districts. In subsequent years, the same two-year rotation pattern shall be followed.

(d) Any vacancy shall be filled by the Governor within 30 days of the date on which it occurs. If the Governor fails to make an appointment for any vacancy within the 30-day period, the Senate Rules Committee may make the appointment to fill the vacancy in accordance with this section.

(e) While serving on the state board, all members shall exercise their independent judgment as officers of the state on behalf of the interests of the entire state in furthering the purposes of this division. No member of the state board shall be precluded from voting or otherwise acting upon any matter solely because that member has voted or acted upon the matter in his or her capacity as a member of a district board, except that no member of the state board who is also a member of a district board shall participate in any action regarding his or her district taken by the state board pursuant to Sections 41503 to 41505, inclusive.

SEC. 5. Section 40002 of the Health and Safety Code is amended to read:

40002. There is continued in existence and shall be, in every county, a county district, unless the entire county is included within the bay district, the south coast district, the valley district, a regional district, or a unified district.

However, if only a part of the county is included within the bay district, the south coast district, the valley district, a regional district, or a unified district, there is in that part of the county not included within any such district a county district, for which different air quality rules and regulations may be required.

SEC. 6. Section 40104 is added to the Health and Safety Code, to read:

40104. Notwithstanding any other provision of law, a county may delegate air pollution rulemaking and enforcement duties to a duly created joint powers authority established for air pollution control

purposes of which the county is a member.

SEC. 7. Chapter 11 (commencing with Section 41100) is added to Part 3 of Division 26 of the Health and Safety Code, to read:

CHAPTER 11. SAN JOAQUIN VALLEY AIR QUALITY MANAGEMENT DISTRICT

Article 1. General Provisions

41100. The Legislature finds and declares as follows:

(a) The San Joaquin Valley is a meteorological basin in which air pollution is transported across county lines.

(b) The valley has serious air pollution problems. The meteorological conditions of the valley are conducive to the formation of a variety of air pollutants.

(c) In recent years, the valley has experienced a dramatic increase in population, motor vehicle miles traveled, and the number of stationary sources, all of which lead to increased air pollution.

(d) Air pollution is increasingly endangering the health and welfare of the region's citizens and is adversely impacting agriculture, the region's major industry.

(e) Individual county districts have had limited success in reducing air pollution in the valley. There is a need for a basinwide approach to the air pollution problems of the San Joaquin Valley.

(f) Air pollution generated in the San Joaquin Valley is transported to the Sierra Nevada Mountain range and is causing serious damage to the ecosystems of the Sierra Nevada Mountains.

41101. (a) The San Joaquin Valley Air Quality Management District is hereby created. The district consists of the Counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, and Tulare.

(b) The valley district shall commence operations on July 1, 1992, and on that date shall assume all of the authority, responsibilities, functions, and duties of the county air pollution control districts of those counties which shall be merged into the valley district.

41102. (a) The San Joaquin Valley District Board is the governing body of the valley district and shall exercise all the powers of the valley district.

(b) The valley district board consists of 11 members appointed as follows:

(1) Eight members, one of whom shall be appointed by each of the counties in the valley district. The board of supervisors of each of those counties shall by majority vote appoint one of its members to serve as a member of the valley district board.

(2) Three city members appointed by the cities within the eight counties of the valley district. There shall be not more than one city member selected from one county. One city member shall be selected from the northern region, one from the central region, and

one from the southern region of the valley district. Of the three members, one shall be from a small size city (under 20,000 population), one shall be from a medium size city (between 20,000 and 50,000 population), and one shall be from a large size city (over 50,000 population).

41103. A majority of the members of the valley district board constitutes a quorum for the transaction of business and may act for the valley district board. Voting by the valley district board on the adoption of all items on its agenda shall be by rollcall.

41104. The valley district board shall elect a chairperson every two years from its membership. No member shall serve more than two consecutive terms as chairperson.

41105. The valley district board may, by ordinance, adopt a civil service system for any or all employees of the valley district, except that the air pollution control officer shall be exempt from that system and shall serve at the pleasure of the valley district board.

41106. The valley district board shall establish at least three area offices within the district, and may establish more than three offices. There shall be a northern office located in Modesto, a central office located in Fresno, and a southern office located in Bakersfield. The central office shall be the district headquarters and shall handle all districtwide matters such as planning, adoption of rules and regulations, funding, and budget matters.

Article 2. Powers

41110. The rules and regulations of the county districts shall remain in effect and be enforced by the valley district until the individual rules and regulations are rescinded by the valley district board. The valley district shall, as soon as practicable, review the rules and regulations of the county districts and shall adopt rules and regulations for the valley district.

41111. (a) The valley district board shall develop and adopt the plans necessary to comply with applicable federal and state law, including Chapter 10 (commencing with Section 40910). The valley district board shall adopt rules and regulations that carry out the plans.

(b) In developing and adopting the plans, rules, and regulations pursuant to this section, the valley district board shall consider the relative contribution of stationary, indirect, areawide, and mobile sources, subject to its jurisdiction, to the basinwide emission inventory.

(c) In developing and adopting the plans, rules, and regulations pursuant to this section, the valley district board shall also consider the cumulative impacts of vehicular and nonvehicular emissions on the ecosystems of the Sierra Nevada Mountains.

(d) Based on the determinations of the state board subject to Section 39610, the district shall consider subregional air quality impacts due to transported air pollutants and the need for additional

required controls, consistent with the requirements adopted pursuant to subdivision (b) of Section 39610, in developing and adopting the plans, rules, and regulations pursuant to this section.

(e) Upon completion of the San Joaquin Valley Air Quality Study, the valley district board shall consider the results in the development of the next regularly scheduled air quality plan update, taking into account the performance, reliability, and consistency with approved modeling guidelines, of the model or models used in the study.

41112. (a) The valley district board shall adopt regulations, as follows:

(1) To require owners or operators of public or commercial motor vehicle fleets, or both, including those operated by the state, to periodically submit information to the valley district on the number and type of vehicles operated within the district, including, but not limited to, the amount and type of fuel used, for use by the district in ascertaining the contribution of these vehicles to air pollution emissions within the district.

(2) To require operators of public and commercial fleet vehicles, when adding vehicles to, or replacing vehicles in, an existing fleet or when purchasing vehicles to form a new fleet, to purchase low-emission motor vehicles, and to require, to the maximum extent feasible or appropriate, that those vehicles be operated on a cleaner burning alternative fuel.

(b) Rules and regulations adopted under this section shall be applicable to vehicles operated by the state only when funds necessary to pay the costs to the state to comply with those rules and regulations have been appropriated for that purpose.

41113. (a) No provision of this chapter limits the power of any city or county included within the valley district to adopt any ordinance with respect to air pollution control which is stricter than the rules and regulations adopted by the valley district board and not in conflict therewith. The valley district board shall enforce any such ordinance.

(b) At the request of the governing body of any city or county included within the valley district, the valley district board may make available, on a temporary basis, the necessary personnel, equipment, and services to assist in adopting any ordinance stricter than the rules and regulations adopted by the valley district.

41114. The valley district board shall have the general powers and duties specified in Chapter 6 (commencing with Section 40700). The valley district may adopt regulations to limit or mitigate the impact on air quality of indirect or areawide sources consistent with Section 40716.

Article 3. Financial Provisions

41120. The valley district board may borrow money and incur indebtedness in anticipation of the revenue for the current year in which the indebtedness is incurred or for the ensuing year. The

indebtedness shall not exceed the total amount of the estimate of the income for either the current year or the ensuing year.

41121. The valley district board may adopt a schedule of fees levied on sources regulated by the district which shall, to the extent feasible and practicable, recover from each category of sources, including areawide, indirect, and permitted, the costs of the district's programs related to those categories consistent with Section 42311. The valley district board may adopt a fee schedule for variances and permits to cover the cost of planning, inspection, and monitoring related thereto. The valley district's fees may be varied according to the quantity of emissions and the effect of those emissions on the ambient air quality within the valley district.

41122. The board of supervisors of each county, included in whole or in part, within the valley district may appropriate any funds that are necessary to carry out the purposes of the valley district, as determined by the valley district board.

Article 4. Advisory Council

41125. As used in this article, "council" means the San Joaquin Valley Air Quality Management Advisory Council.

41126. (a) The council members shall be appointed by the valley district board and shall reflect the geographic diversity of the valley district. Council members shall also reflect a balance of skill and experience in air pollution control, public health, environmental issues, and the regulated community.

(b) The chair of the valley district board shall serve as an ex officio member.

41127. Each council member shall hold office for a term of two years and until the appointment and qualification of his or her successor.

41128. Any member of the council may be removed at any time by the majority vote of the valley district board.

41129. Any vacancy on the council shall be filled by appointment in the same manner as the vacating member was appointed, except that the member appointed to fill the vacancy shall only serve the unexpired term of the vacating member.

41130. Council members shall serve without compensation, but may be allowed actual expenses incurred in the discharge of their duties.

41131. The council shall select a chair and vice chair and any other officers that it determines to be necessary.

41132. The council shall meet as frequently as the valley district board or the council determines to be necessary, but not less than four times a year.

41133. The council shall advise and consult with the valley district board in effectuating the purposes of this chapter.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those

costs for which the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1202

An act to amend Section 48909 of the Education Code, to amend Section 13968 of the Government Code, to amend Sections 417, 626.9, 853.6a and 1203.9 of the Penal Code, and to amend Sections 256, 257, 258, 601.3, 650, 653, 654, 655, 740, and 827 of, to add Sections 256.5 and 727.5 to, and to repeal Sections 259 and 259.1 of, the Welfare and Institutions Code, relating to minors.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 48909 of the Education Code is amended to read:

48909. When a petition is requested in juvenile court or a complaint is filed in any court alleging that a minor of compulsory school attendance age or any pupil currently enrolled in a public school in a grade to and including grade 12 is a person who (a) has used, sold, or possessed narcotics or other hallucinogenic drugs or substances; (b) has inhaled or breathed the fumes of, or ingested any poison classified as such in Section 4160 of the Business and Professions Code; or (c) has committed felonious assault, homicide, or rape the district attorney may, within 48 hours, provide written notice to the superintendent of the school district of attendance, notwithstanding the provisions of Section 827 of the Welfare and Institutions Code, and to the pupil's parent or guardian.

SEC. 2. Section 13968 of the Government Code is amended to read:

13968. (a) The board is hereby authorized to make all needful rules and regulations consistent with the law for the purposes of

carrying into effect this article.

(b) It shall be the duty of every hospital licensed under the laws of this state to display prominently in its emergency room posters giving notification of the existence and general provisions of this chapter, and the existence and locations of local victim centers. The board, in cooperation with local victim centers, shall set standards for the location of such a display and shall provide posters, application forms, and general information regarding the provisions of this chapter to each hospital and physician licensed to practice in the State of California.

(c) It shall be the duty of every local law enforcement agency to inform victims of crimes of the provisions of this chapter, of the existence of local victim centers, and in counties where no local victim center exists, to provide application forms to victims who desire to seek assistance pursuant to this article. The board shall provide application forms and all other documents which local law enforcement agencies and victim centers may require to comply with this section. The board, in cooperation with local victim centers shall set standards to be followed by local law enforcement agencies for this purpose and may require them to file with the board a description of the procedures adopted by each agency to comply.

(d) Notwithstanding Section 827 of the Welfare and Institutions Code or any other provision of law, every law enforcement and social service agency in the state shall provide to the board or to the designated local victim centers, upon request, a copy of a petition filed in a juvenile court proceeding, reports of the probation officer, any other document made available to the probation officer or to the judge, referee, or other hearing officer, a complete copy of the report regarding the incident and any supplemental reports involving the crime, public offense, or incident giving rise to a claim, for the specific purpose of the submission of a claim or the determination of eligibility to submit a claim filed pursuant to this article. The board or designated local victim centers shall refuse to allow inspection of a document which personally identifies a minor by anyone other than the minor who is so identified, his or her custodial parent or guardian, the attorneys for those parties, and such other persons as may be designated by court order of the judge of the juvenile court. Any information received pursuant to this section shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated. A violation of this subdivision is a misdemeanor punishable by a fine not to exceed five hundred dollars ($500).

(e) The law enforcement agency supplying the information may, at its discretion, withhold the names of witnesses or informants from the board, if the release of such names would be detrimental to the parties or to an investigation currently in progress.

(f) Notwithstanding any other provision of law, every state agency, department, division, board, or commission, upon receipt of a copy of a release signed in accordance with the Information

Practices Act of 1977 by the applicant or other authorized representative, shall provide to the board or local victim center the information necessary to complete the verification of an application filed pursuant to this article.

SEC. 2.5. Section 13968 of the Government Code is amended to read:

13968. (a) The board is hereby authorized to make all needful rules and regulations for the purposes of carrying into effect this article. All rules and regulations adopted pursuant to this subdivision shall be adopted in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3.

(b) It shall be the duty of every hospital licensed under the laws of this state to display prominently in its emergency room posters giving notification of the existence and general provisions of this chapter, and the existence and locations of local victim centers. The board, in cooperation with local victim centers, shall set standards for the location of such a display and shall provide posters, application forms, and general information regarding the provisions of this chapter to each hospital and physician licensed to practice in the State of California.

(c) It shall be the duty of every local law enforcement agency to inform victims of crimes of the provisions of this chapter, of the existence of local victim centers, and in counties where no local victim center exists, to provide application forms to victims who desire to seek assistance pursuant to this article. The board shall provide application forms and all other documents which local law enforcement agencies and victim centers may require to comply with this section. The board, in cooperation with local victim centers shall set standards to be followed by local law enforcement agencies for this purpose and may require them to file with the board a description of the procedures adopted by each agency to comply.

(d) Notwithstanding Section 827 of the Welfare and Institutions Code or any other provision of law, every law enforcement and social service agency in the state shall provide to the board or to the designated local victim centers, upon request, a copy of a petition filed in a juvenile court proceeding, reports of the probation officer, any other document made available to the probation officer or to the judge, referee, or other hearing officer, a complete copy of the report regarding the incident and any supplemental reports involving the crime, public offense, or incident giving rise to a claim, for the specific purpose of the submission of a claim or the determination of eligibility to submit a claim filed pursuant to this article. The board or designated local victim centers shall refuse to allow inspection of a document which personally identifies a minor by anyone other than the minor who is so identified, his or her custodial parent or guardian, the attorneys for those parties, and such other persons as may be designated by court order of the judge of the juvenile court. Any information received pursuant to this section shall be received in confidence for the limited purpose for which it was provided and

shall not be further disseminated. A violation of this subdivision is a misdemeanor punishable by a fine not to exceed five hundred dollars ($500).

(e) The law enforcement agency supplying the information may, at its discretion, withhold the names of witnesses or informants from the board, if the release of such names would be detrimental to the parties or to an investigation currently in progress.

(f) Notwithstanding any other provision of law, every state agency, department, division, board, or commission, upon receipt of a copy of a release signed in accordance with the Information Practices Act of 1977 by the applicant or other authorized representative, shall provide to the board or local victim center the information necessary to complete the verification of an application filed pursuant to this article.

SEC. 3. Section 417 of the Penal Code is amended to read:

417. (a) (1) Every person who, except in self-defense, in the presence of any other person, draws or exhibits any deadly weapon whatsoever, other than a firearm, in a rude, angry, or threatening manner, or who in any manner, unlawfully uses the same in any fight or quarrel is guilty of a misdemeanor punishable by imprisonment in the county jail for a term of not less than 30 days.

(2) Every person who, except in self-defense, in the presence of any other person, draws or exhibits any firearm, whether loaded or unloaded, in a rude, angry, or threatening manner, or who in any manner, unlawfully uses the same in any fight or quarrel is guilty of a misdemeanor punishable by imprisonment in the county jail for a term of not less than three months.

(b) Every person who, except in self-defense, in the presence of any other person, draws or exhibits any loaded firearm in a rude, angry, or threatening manner, or who, in any manner, unlawfully uses any loaded firearm in any fight or quarrel upon the grounds of any day care center, as defined in Section 1596.76 of the Health and Safety Code, or any facility where programs, including day care programs or recreational programs, are being conducted for persons under 18 years of age, including programs conducted by a nonprofit organization, during the hours in which the center or facility is open for use, shall be punished by imprisonment in the state prison for one, two, or three years, or by imprisonment in a county jail for a term of not less than three months, nor more than one year.

(c) Every person who, in the immediate presence of a peace officer, draws or exhibits any firearm, whether loaded or unloaded, in a rude, angry, or threatening manner, and who knows or reasonably should know that the victim is a peace officer engaged in the performance of his or her duties, and that peace officer is engaged in the performance of his or her duties is guilty of a felony punishable by imprisonment in the county jail for a term of not less than nine months and not to exceed one year, or in the state prison.

As used in this section, "peace officers" refers to any person designated as a peace officer by Section 830.1, Section 830.2,

subdivision (a) of Section 830.3, or Section 830.5.

SEC. 4. Section 626.9 of the Penal Code is amended to read:

626.9. (a) Any person who brings or possesses a loaded firearm upon the grounds of, or within, any public school, including the University of California, the California State University, the California Community Colleges, or any private school providing instruction in kindergarten or grades 1 to 12, inclusive, or any private university or college, unless it is with the written permission of the school district superintendent, his or her designee, or equivalent school authority, shall be punished by imprisonment in the state prison for two, three, or four years.

(b) Any person who brings or possesses a firearm upon the grounds of, or within, any public school, including the University of California, the California State University, the California Community Colleges, any private school providing instruction in kindergarten or grades 1 to 12, inclusive, or any private university or college, unless it is with the written permission of the school district superintendent, his or her designee, or equivalent school authority, shall be punished by imprisonment in the state prison for one, two, or three years.

(c) This section shall not apply to a duly appointed peace officer as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2, a full-time paid peace officer of another state or the federal government who is carrying out official duties while in California, any person summoned by any of these officers to assist in making arrests or preserving the peace while he or she is actually engaged in assisting the officer, a member of the military forces of this state or of the United States who is engaged in the performance of his or her duties, a person holding a valid license to carry the firearm pursuant to Article 3 (commencing with Section 12050) of Chapter 1 of Title 2 of Part 4, or an armored vehicle guard, who is engaged in the performance of his or her duties, as defined in subdivision (e) of Section 7521 of the Business and Professions Code.

(d) For purposes of this section, a firearm shall be deemed to be loaded when there is an unexpended cartridge or shell, consisting of a case which holds a charge of powder and a bullet or shot, in, or attached in any manner to, the firearm, including, but not limited to, in the firing chamber, magazine, or clip thereof attached to the firearm. A muzzle-loader firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the barrel or cylinder.

SEC. 5. Section 853.6a of the Penal Code is amended to read:

853.6a. If the person arrested appears to be under the age of 18 years, and the arrest is for a violation listed in Section 256 of the Welfare and Institutions Code, the notice under Section 853.6 shall instead provide that the person shall appear before the juvenile court, a juvenile court referee, or a juvenile traffic hearing officer within the county in which the offense charged is alleged to have been committed, and the officer shall instead, as soon as practicable, file the duplicate notice with the prosecuting attorney unless the

prosecuting attorney directs the officer to file the duplicate notice with the clerk of the juvenile court, the juvenile court referee, or the juvenile traffic hearing officer. If the notice is filed with the prosecuting attorney, within 48 hours before the date specified on the notice to appear, the prosecutor, within his or her discretion, may initiate proceedings by filing the notice or a formal petition with the clerk of the juvenile court, or the juvenile court referee or juvenile traffic hearing officer, before whom the person is required to appear by the notice.

SEC. 6. Section 1203.9 of the Penal Code is amended to read:

1203.9. (a) Whenever any person is released upon probation, the case may be transferred to any court of the same rank in any other county in which the person resides permanently, meaning the stated intention to remain for the duration of probation; provided that the court of the receiving county shall first be given an opportunity to determine whether the person does reside in and has stated the intention to remain in that county for the duration of probation. If the court finds that the person does not reside in or has not stated an intention to remain in that county for the duration of probation, it may refuse to accept the transfer. The court and the probation department shall give the matter of investigating those transfers precedence over all actions or proceedings therein, except actions or proceedings to which special precedence is given by law, to the end that all those transfers shall be completed expeditiously.

(b) If the court of the receiving county finds that the person does permanently reside in or has permanently moved to such county, it may, in its discretion, either accept the entire jurisdiction over the case, or assume supervision of the probationer on a courtesy basis.

(c) The order of transfer shall contain an order committing the probationer to the care and custody of the probation officer of the receiving county. A copy of the orders and probation reports shall be transmitted to the court and probation officer of the receiving county within two weeks of the finding by that county that the person does permanently reside in or has permanently moved to that county, and thereafter the receiving court shall have entire jurisdiction over the case, with the like power to again request transfer of the case whenever it seems proper.

SEC. 7. Section 256 of the Welfare and Institutions Code is amended to read:

256. Subject to the orders of the juvenile court, a traffic hearing officer may hear and dispose of any case in which a minor under the age of 18 years as of the date of the alleged offense is charged with (1) any violation of the Vehicle Code not declared to be a felony, (2) a violation of subdivision (m) of Section 602 of the Penal Code, (3) a violation of the Fish and Game Code not declared to be a felony, (4) a violation of any of the equipment and registration provisions of the Harbors and Navigation Code, (5) a violation of any provision of an ordinance of a city, county, or local agency relating to traffic offenses, or to nontraffic offenses regarding loitering, curfew, or

evasion of fares on a public transportation system, as defined by Section 99211 of the Public Utilities Code, (6) a violation of Section 27176 of the Streets and Highways Code, (7) a violation of Section 640 or 640a of the Penal Code, (8) a violation of the rules and regulations established pursuant to Sections 5003 and 5008 of the Public Resources Code, (9) a violation of Section 25658, 25658.5, 25661, or 25662 of the Business and Professions Code, (10) a violation of subdivision (f) of Section 647 of the Penal Code, or (11) any infraction.

SEC. 8. Section 256 of the Welfare and Institutions Code is amended to read:

256. Subject to the orders of the juvenile court, a traffic hearing officer may hear and dispose of any case in which a minor under the age of 18 years as of the date of the alleged offense is charged with (1) any violation of the Vehicle Code not declared to be a felony, (2) a violation of subdivision (m) of Section 602 of the Penal Code, (3) a violation of the Fish and Game Code not declared to be a felony, (4) a violation of any of the equipment and registration provisions of the Harbors and Navigation Code, (5) a violation of any provision of an ordinance of a city, county, or local agency relating to traffic offenses, or to nontraffic offenses regarding loitering, curfew, or evasion of fares on a public transportation system, as defined by Section 99211 of the Public Utilities Code, (6) a violation of Section 27176 of the Streets and Highways Code, (7) a violation of Section 640 or 640a of the Penal Code, (8) a violation of the rules and regulations established pursuant to Sections 5003 and 5008 of the Public Resources Code, (9) a violation of Section 33211.6 of the Public Resources Code, (10) a violation of Section 25658, 25658.5, 25661, or 25662 of the Business and Professions Code, (11) a violation of subdivision (f) of Section 647 of the Penal Code, (12) a misdemeanor violation of Section 594 of the Penal Code, involving defacing property with paint or any other liquid, or (13) any infraction.

SEC. 9. Section 256.5 is added to the Welfare and Institutions Code, to read:

256.5. A traffic hearing officer may request the juvenile court judge or referee to issue a warrant of arrest against a minor who is issued and signs a written notice to appear for any violation listed in Section 256 and who fails to appear at the time and place designated in the notice. The juvenile court judge or referee may issue and have delivered for execution a warrant of arrest against a minor within 20 days after the minor's failure to appear as promised or within 20 days after the minor's failure to appear after a lawfully granted continuance of his or her promise to appear.

SEC. 10. Section 257 of the Welfare and Institutions Code is amended to read:

257. With the consent of the minor, a hearing before a traffic hearing officer, or a hearing before a referee or a judge of the juvenile court, where the minor is charged with a traffic offense or a nontraffic offense as specified in this section, may be conducted

upon an exact legible copy of a written notice given pursuant to Article 2 (commencing with Section 40500) of Chapter 2 of Division 17 or Section 41103 of the Vehicle Code, or an exact legible copy of a written notice given pursuant to Chapter 5C (commencing with Section 853.6) of Title 3 of Part 2 of the Penal Code when the offense charged is a violation listed in Section 256, in lieu of a petition as provided in Article 16 (commencing with Section 650).

SEC. 11. Section 258 of the Welfare and Institutions Code is amended to read:

258. (a) Upon a hearing conducted in accordance with Section 257, and upon either an admission by the minor of the commission of a violation charged, or a finding that the minor did in fact commit the violation, the judge, referee, or traffic hearing officer may do any of the following:

(1) Reprimand the minor and take no further action.

(2) Request the probation officer to commence a proceeding as provided in Article 16 (commencing with Section 650).

(3) Direct that the probation officer undertake a program of supervision of the minor for a period not to exceed six months, in addition to or in place of the following orders.

(4) Order that the minor pay a fine up to the amount that an adult would pay for the same violation, unless the violation is otherwise specified within this section, in which case the fine shall not exceed two hundred fifty dollars ($250). This fine may be levied in addition to or in place of the following orders and the court may waive any or all of this fine, if the minor is unable to pay. In determining the minor's ability to pay, the court shall not consider the ability of the minor's family to pay.

(5) Make any or all of the following orders with respect to a traffic violation which is not charged as a felony:

(A) That the driving privileges of the minor be suspended or restricted as provided in the Vehicle Code or, notwithstanding Section 13203 of the Vehicle Code or any other provision of law, when the Vehicle Code does not provide for the suspension or restriction of driving privileges, that, in addition to any other order, the driving privileges of the minor be suspended or restricted for a period of not to exceed 30 days.

(B) That the minor attend traffic school over a period not to exceed 60 days.

(C) That the minor produce satisfactory evidence that the vehicle or its equipment has been made to conform with the requirements of the Vehicle Code pursuant to Section 40150 of the Vehicle Code.

(D) That the minor perform community service work in a public entity or any private nonprofit entity, for not more than 50 hours over a period of 60 days, during times other than his or her hours of school attendance or employment. Work performed pursuant to this subparagraph shall not exceed 30 hours during any 30-day period. The time frames established by this subparagraph shall not be modified except in unusual cases where the interests of justice would

best be served. When the order to work is made by a referee or a traffic hearing officer, it shall be approved by a judge of the juvenile court.

For the purposes of this subparagraph, a judge, referee, or traffic hearing officer shall not, without the consent of the minor, order the minor to perform work with a private nonprofit entity that is affiliated with any religion.

(6) Make any or all of the following orders with respect to a violation of the Fish and Game Code which is not charged as a felony:

(A) That the fishing or hunting license involved be suspended or restricted.

(B) That the minor work in a park or conservation area for a total of not to exceed 20 hours over a period not to exceed 30 days, during times other than his or her hours of school attendance or employment.

(C) That the minor forfeit, pursuant to Section 12157 of the Fish and Game Code, any device or apparatus designed to be, and capable of being, used to take birds, mammals, fish, reptiles, or amphibia and which was used in committing the violation charged. The judge, referee, or traffic hearing officer shall, if the minor committed an offense which is punishable under Section 12008 of the Fish and Game Code, order the device or apparatus forfeited pursuant to Section 12157 of the Fish and Game Code.

(7) If the violation charged is of an ordinance of a city, county, or local agency relating to loitering, curfew, or fare evasion on a public transportation system, as defined by Section 99211 of the Public Utilities Code, or is a violation of Section 640 or 640a of the Penal Code, make the order that the minor shall perform community service for a total time not to exceed 20 hours over a period not to exceed 30 days, during times other than his or her hours of school attendance or employment.

(b) The judge, referee, or traffic hearing officer shall retain jurisdiction of the case until all orders made under this section have been fully complied with.

SEC. 12. Section 259 of the Welfare and Institutions Code is repealed.

SEC. 13. Section 259.1 of the Welfare and Institutions Code is repealed.

SEC. 14. Section 601.3 of the Welfare and Institutions Code is amended to read:

601.3. (a) If the district attorney or the probation officer receives notice from the school district pursuant to subdivision (b) of Section 48260.6 of the Education Code that a minor continues to be classified as a truant after the parents or guardians have been notified pursuant to subdivision (a) of Section 48260.5 of the Education Code, or if the district attorney or the probation officer receives notice from the school attendance review board pursuant to subdivision (a) of Section 48263.5 of the Education Code that a minor continues to be classified as a truant after review and counseling by the school

attendance review board, the district attorney or the probation officer may request the parents or guardians and the child to attend a meeting in the district attorney's office or at the probation department to discuss the possible legal consequences of the minor's truancy.

(b) Notice of a meeting to be held pursuant to this section shall contain all of the following:

(1) The name and address of the person to whom the notice is directed.

(2) The date, time, and place of the meeting.

(3) The name of the minor classified as a truant.

(4) The section pursuant to which the meeting is requested.

(5) Notice that the district attorney may file a criminal complaint against the parents or guardians pursuant to Section 48293 of the Education Code for failure to compel the attendance of the minor at school.

(c) Notice of a meeting to be held pursuant to this section shall be served at least five days prior to the meeting on each person required to attend the meeting. Service shall be made personally or by certified mail with request for return receipt.

(d) At the commencement of the meeting authorized by this section, the district attorney or the probation officer shall advise the parents or guardians and the child that any statements they make could be used against them in subsequent court proceedings.

(e) Upon completion of the meeting authorized by this section, the probation officer or district attorney after consultation with the probation officer may file a petition pursuant to Section 601 if the district attorney or the probation officer determines that available community resources cannot resolve the truancy problem, or if the pupil or the parents or guardians of the pupil, or both, have failed to respond to services provided or to the directives of the school, the school attendance review board, the probation officer, or the district attorney.

(f) The truancy mediation program authorized by this section may be established by the district attorney or by the probation officer. The district attorney and the probation officer shall coordinate their efforts and shall cooperate in determining which office is best able to operate a truancy mediation program in their county pursuant to this section.

SEC. 15. Section 650 of the Welfare and Institutions Code is amended to read:

650. (a) Juvenile court proceedings to declare a minor a ward of the court pursuant to Section 601 are commenced by the filing of a petition by the probation officer except as specified in subdivision (b).

(b) Juvenile court proceedings to declare a minor a ward of the court pursuant to subdivision (e) of Section 601.3 may be commenced by the filing of a petition by the probation officer or the district attorney after consultation with the probation officer.

(c) Juvenile court proceedings to declare a minor a ward of the court pursuant to Section 602 are commenced by the filing of a petition by the prosecuting attorney.

SEC. 16. Section 653 of the Welfare and Institutions Code is amended to read:

653. Whenever any person applies to the probation officer or the district attorney in accordance with subdivision (e) of Section 601.3, to commence proceedings in the juvenile court, the application shall be in the form of an affidavit alleging that there was or is within the county, or residing therein, a minor within the provisions of Section 601 and setting forth facts in support thereof. The probation officer or the district attorney in consultation with the probation officer shall immediately make such investigation as he or she deems necessary to determine whether proceedings in the juvenile court should be commenced.

SEC. 17. Section 654 of the Welfare and Institutions Code is amended to read:

654. In any case in which a probation officer, after investigation of an application for a petition or any other investigation he or she is authorized to make concludes that a minor is within the jurisdiction of the juvenile court or will probably soon be within that jurisdiction, the probation officer may, in lieu of filing a petition to declare a minor a dependent child of the court or a minor or a ward of the court under Section 601 or requesting that a petition be filed by the prosecuting attorney to declare a minor a ward of the court under subdivision (e) of Section 601.3 or Section 602 and with consent of the minor and the minor's parent or guardian, delineate specific programs of supervision for the minor, for not to exceed six months, and attempt thereby to adjust the situation which brings the minor within the jurisdiction of the court or creates the probability that the minor will soon be within that jurisdiction. Nothing in this section shall be construed to prevent the probation officer from filing a petition or requesting the prosecuting attorney to file a petition at any time within the six-month period or a 90-day period thereafter. If the probation officer determines that the minor has not involved himself or herself in the specific programs within 60 days, the probation officer shall immediately file a petition or request that a petition be filed by the prosecuting attorney. However, when in the judgment of the probation officer the interest of the minor and the community can be protected, the probation officer shall make a diligent effort to proceed under this section.

The program of supervision of the minor undertaken pursuant to this section may call for the minor to obtain care and treatment for the misuse of or addiction to controlled substances from a county mental health service or other appropriate community agency.

The program of supervision shall require the parents or guardians of the minor to participate with the minor in counseling or education programs, including, but not limited to, parent education and parenting programs operated by community colleges, school

districts, or other appropriate agencies designated by the court if the program of supervision is pursuant to the procedure prescribed in Section 654.2.

Further, this section shall authorize the probation officer with consent of the minor and the minor's parent or guardian to provide the following services in lieu of filing a petition:

(a) Maintain and operate sheltered-care facilities, or contract with private or public agencies to provide these services. The placement shall be limited to a maximum of 90 days. Counseling services shall be extended to the sheltered minor and his or her family during this period of diversion services. The minor and his or her parents may be required to make full or partial reimbursement for the services rendered the minor and his or her family during the diversion process. Referrals for sheltered-care diversion may be made by the minor, his or her family, schools, any law enforcement agency, or any other private or public social service agency.

(b) Maintain and operate crisis resolution homes, or contract with private or public agencies offering these services. Residence at these facilities shall be limited to 20 days during which period individual and family counseling shall be extended the minor and his or her family. Failure to resolve the crisis within the 20-day period may result in the minor's referral to a sheltered-care facility for a period not to exceed 90 days. Referrals shall be accepted from the minor, his or her family, schools, law enforcement or any other private or public social service agency. The minor, his or her parents, or both, may be required to reimburse the county for the cost of services rendered at a rate to be determined by the county board of supervisors.

(c) Maintain and operate counseling and educational centers, or contract with private and public agencies, societies, or corporations whose purpose is to provide vocational training or skills. The centers may be operated separately or in conjunction with crisis resolution homes to be operated by the probation officer. The probation officer shall be authorized to make referrals to the appropriate existing private or public agencies offering similar services when available.

At the conclusion of the program of supervision undertaken pursuant to this section, the probation officer shall prepare and maintain a followup report of the actual program measures taken.

SEC. 18. Section 655 of the Welfare and Institutions Code is amended to read:

655. (a) When any person has applied to the probation officer, pursuant to Section 653, to request commencement of juvenile court proceedings to declare a minor a ward of the court under Section 602 and the probation officer does not cause the affidavit to be taken to the prosecuting attorney pursuant to Section 653 within 21 court days after such application, the applicant may, within 10 court days after receiving notice of the probation officer's decision not to file a petition, apply to the prosecuting attorney to review the decision of the probation officer, and the prosecuting attorney may either affirm the decision of the probation officer or commence juvenile court

proceedings.

(b) When any person has applied to the probation officer or the district attorney, pursuant to Section 653, to commence juvenile court proceedings to declare a minor a dependent child of the court or a ward of the court under Section 601 and the probation officer or district attorney fails to file a petition within 21 court days after making such application, the applicant may, within 10 court days after receiving notice of the probation officer's or district attorney's decision not to file a petition, apply to the juvenile court to review the decision of the probation officer or district attorney, and the court may either affirm the decision of the probation officer or district attorney or order him or her to commence juvenile court proceedings.

(c) Nothing in subdivision (b) shall be construed so as to allow district attorneys to file a petition to make a minor a ward of the court under Section 601, except as specifically allowed by Section 653 in accordance with subdivision (e) of Section 601.3.

SEC. 19. Section 727.5 is added to the Welfare and Institutions Code, to read:

727.5. If a minor is found to be a person described in Section 601, the court may order the minor to perform community service, including, but not limited to, graffiti cleanup, for a total time not to exceed 20 hours over a period not to exceed 30 days, during a time other than his or her hours of school attendance or employment.

SEC. 20. Section 740 of the Welfare and Institutions Code is amended to read:

740. (a) Any minor adjudged to be a ward of the court on the basis that he or she is a person described in Section 602 and who is placed in a community care facility shall be placed in such a facility within his or her county of residence, unless he or she has identifiable needs requiring specialized care which cannot be provided in a local facility, or unless his or her needs dictate physical separation from his or her family.

(b) Within 30 days after the placement of a minor adjudged to be a ward of the court on the basis that he or she is a person described in Section 602 in any community care facility outside the ward's county of residence, the probation officer of the county making the placement, or in the case of a Youth Authority ward, the parole officer in charge of his or her case, shall send written notice of the placement, including the name of the ward, the juvenile record of the ward (including any known prior offenses), and the ward's county of residence, to the probation officer of the county in which the community care facility is located; with regard to this requirement, it is the intention of the Legislature that the probation officer of the county making the placement, or in the case of a Youth Authority ward, the parole officer in charge of his or her case, shall make his or her best efforts to send, or to hand deliver, the notice at the same time the placement is made. When such a placement is terminated, the probation officer of the county making the

placement, or in the case of a Youth Authority ward, the parole officer in charge of his or her case, shall send notice thereof to any person or agency receiving notification of the placement.

(c) A minor, the parent or guardian of any minor, and counsel representing a minor or the parent or guardian of a minor may petition the juvenile court for the review of any placement decision concerning the minor made by the probation officer pursuant to subdivision (a). The petition shall state the petitioner's relationship to the minor and shall set forth in concise language the grounds on which the review is sought. The court shall order that a hearing shall be held on the petition and shall give prior notice, or cause prior notice to be given, to such persons and by such means as prescribed by Section 776, and, in instances in which the means of giving notice is not prescribed by that section, then by such means as the court prescribes.

(e) If a minor is placed in a community care facility out of his or her county of residence and is then arrested and placed in juvenile hall pending a jurisdictional hearing, the county of residence shall pay to the probation department of the county of placement all reasonable costs resulting directly from the minor's stay in the juvenile hall, provided that these costs exceed one hundred dollars ($100).

(e) If, as a result of the hearing in subdivision (d), the minor is remanded back to his or her county of residence, the county of residence shall pay to the probation department of the county of placement, in addition to any payment made pursuant to subdivision (d), all reasonable costs resulting directly from transporting the minor to the county of residency, provided that these costs exceed one hundred dollars ($100).

(f) Claims made by the probation department in the county of placement, to the county of residence, pursuant to subdivisions (d) and (e), shall be paid within 30 days of the submission of these claims and the probation department in the county of placement shall bear the remaining expense.

(g) As used in this section, "community care facility" shall be defined as provided in Section 1502 of the Health and Safety Code.

SEC. 21. Section 827 of the Welfare and Institutions Code is amended to read:

827. (a) Except as provided in Section 828, a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in any such case or made available to the probation officer in making his or her report, or to the judge, referee or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer, may be inspected only by court personnel, the district attorney, the minor who is the subject of the proceeding, his or her parents or guardian, the attorneys for the parties, and such other persons as may be designated by court order of the judge of the juvenile court upon filing a petition therefor. Child protective agencies, as defined in

Section 11165.9 of the Penal Code, also shall be entitled to inspect these documents upon the filing of a declaration under penalty of perjury stating that access to these documents is necessary and relevant in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

Any records or reports relating to a matter within the jurisdiction of the juvenile court prepared by or released by the court, a probation department, or the county department of social services, any portion of those records or reports, and information relating to the contents of those records or reports, shall not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, any of those records or reports, any portion of those records or reports, and information relating to the contents of those records or reports, shall not be made attachments to any other documents without the prior approval of the presiding judge of the juvenile court, unless they are used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality in cases involving serious acts of violence. Further, it is the intent of the Legislature that even in these selected cases dissemination of juvenile court records be as limited as possible, consistent with the need to work with a pupil in an appropriate fashion, and the need to protect potentially vulnerable school staff and other pupils over whom school staff exercise direct supervision and responsibility.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school in kindergarten or grades 1 to 12, inclusive, has been found by a court of competent jurisdiction to have used, sold, or possessed narcotics or a controlled substance or to have committed any crime listed in paragraphs (1) to (15), inclusive, or (17) to (19), inclusive, of subdivision (b) of Section 707 shall be provided by the court, within seven days, to the superintendent of the school district of attendance, which information shall be expeditiously transmitted to any teacher, counselor, or administrator with direct supervisorial or disciplinary responsibility over the minor who the superintendent or his or her designee, after consultation with the principal at the school of attendance, believes needs this information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability. Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher, counselor, or administrator. An intentional violation of the confidentiality

provisions of this section is a misdemeanor punishable by a fine not to exceed five hundred dollars ($500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b) the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: "Destroy This Record 12 Months After The Minor Returns To Public School. Unlawful Dissemination of This Information Is A Misdemeanor." No information transmitted by the superintendent pursuant to subdivision (b) shall be transmitted by the superintendent or by any teacher, counselor, or administrator to any other person more than 12 months after receipt of the original notice from the court or more than 12 months after the minor returns to public school, whichever occurs last. Any information received from the court shall be destroyed by school authorities 12 months after its receipt from the court or 12 months after the minor returns to public school, whichever occurs last. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred and shall specify the date by which the record will be destroyed.

(e) Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

SEC. 22. The Legislature declares and finds each of the following:

(a) A business establishment which sells or transfers firearms shall comply with Section 51 of the Civil Code that prohibits all arbitrary

discrimination.

(b) However, no law in this state requires a business establishment to sell or transfer a firearm to a person who intends to use the firearm for an unlawful purpose or who is a danger to himself or herself or others or if the refusal to sell or transfer the firearm is based on any other good cause.

SEC. 23. Section 2.5 of this bill incorporates amendments to Section 13968 of the Government Code proposed by both this bill and AB 1395. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, (2) each bill amends Section 13968 of the Government Code, and (3) this bill is enacted after AB 1395, in which case Section 2 of this bill shall not become operative.

SEC. 24. Section 8 of this bill incorporates amendments to Section 256 of the Welfare and Institutions Code proposed by both this bill and SB 65. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1992, (2) each bill amends Section 256 of the Welfare and Institutions Code, and (3) this bill is enacted after SB 65, in which case Section 7 of this bill shall not become operative.

SEC. 25. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 1203

An act to amend Sections 358, 360, 11400, 11401, 11401.1, 16501, 16503, 16504, 16506, 16507, 16507.3, 16507.4, and 16507.6 of, to amend and renumber Sections 301 and 330 of, to amend and repeal Section 300 of, to repeal Article 5 (commencing with Section 16216) of Chapter 3 of Part 4 of Division 9 of, to repeal Sections 16501.2, 16501.3, 16504.1, 16506.1, 16507.1, and 16508.1 of, and to repeal and add Section 16501.1 of, the Welfare and Institutions Code, relating to children, and making an appropriation therefor.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that:

(a) The foundation for qualitative child welfare services rests upon preplacement preventive services and out-of-home care services. This system requires first, a written case plan for each child and family designed to achieve protection and care in the most familylike environment possible consistent with the best interest and special needs of the child; second, for those children in out-of-home care, a judicial or administrative review every six months to determine the appropriateness of the placement; and third, for those children who remain in out-of-home care for a period of 18 months, a permanent plan hearing to determine the future status of each child, with a review each 18 months thereafter. The child welfare services program further requires a case plan system based upon casework practice guidelines which promote the best interest of the child and family.

(b) The Legislature further finds and declares that the realignment of health and human services programs in the state offers the opportunity to reemphasize the state's commitment to child welfare services by developing a framework based upon policy guidelines that provide quality services for the state's most endangered children.

(c) Therefore, it is the intent of the Legislature in enacting this act to modify regulatory complexities to allow the provision of quality child welfare services and to minimize unnecessary administrative requirements. It is further the intent of the Legislature to improve the interrelationship of the dependency proceedings under Section 300 of the Welfare and Institutions Code with the requirements of Sections 11400 and 16500 of the Welfare and Institutions Code, and Section 11165 of the Penal Code, by minimizing duplication of effort and underscoring the mutual goals of the child welfare services system and the juvenile court.

SEC. 1.5. Section 300 of the Welfare and Institutions Code, as amended by Section 3 of Chapter 913 of the Statutes of 1989, is amended to read:

300. Any minor who comes within any of the following descriptions is within the jurisdiction of the juvenile court which may adjudge that person to be a dependent child of the court:

(a) The minor has suffered, or there is a substantial risk that the minor will suffer, serious physical harm inflicted nonaccidentally upon the minor by the minor's parent or guardian. For the purposes of this subdivision, a court may find there is a substantial risk of serious future injury based on the manner in which a less serious injury was inflicted, a history of repeated inflictions of injuries on the minor or the minor's siblings, or a combination of these and other

actions by the parent or guardian which indicate the child is at risk of serious physical harm. For purposes of this subdivision, "serious physical harm" does not include reasonable and age-appropriate spanking to the buttocks where there is no evidence of serious physical injury.

(b) The minor has suffered, or there is a substantial risk that the minor will suffer, serious physical harm or illness, as a result of the failure or inability of his or her parent or guardian to adequately supervise or protect the minor, or the willful or negligent failure of the minor's parent or guardian to adequately supervise or protect the minor from the conduct of the custodian with whom the minor has been left, or by the willful or negligent failure of the parent or guardian to provide the minor with adequate food, clothing, shelter, or medical treatment, or by the inability of the parent or guardian to provide regular care for the minor due to the parent's or guardian's mental illness, developmental disability, or substance abuse. No minor shall be found to be a person described by this subdivision solely due to the lack of an emergency shelter for the family. Whenever it is alleged that a minor comes within the jurisdiction of the court on the basis of the parent's or guardian's willful failure to provide adequate medical treatment or specific decision to provide spiritual treatment through prayer, the court shall give deference to the parent's or guardian's medical treatment, nontreatment, or spiritual treatment through prayer alone in accordance with the tenets and practices of a recognized church or religious denomination, by an accredited practitioner thereof, and shall not assume jurisdiction unless necessary to protect the minor from suffering serious physical harm or illness. In making its determination, the court shall consider (1) the nature of the treatment proposed by the parent or guardian (2) the risks to the minor posed by the course of treatment or nontreatment proposed by the parent or guardian (3) the risk, if any, of the course of treatment being proposed by the petitioning agency, and (4) the likely success of the courses of treatment or nontreatment proposed by the parent or guardian and agency. The minor shall continue to be a dependent child pursuant to this subdivision only so long as is necessary to protect the minor from risk of suffering serious physical harm or illness.

(c) The minor is suffering serious emotional damage, or is at substantial risk of suffering serious emotional damage, evidenced by severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, as a result of the conduct of the parent or guardian or who has no parent or guardian capable of providing appropriate care. No minor shall be found to be a person described by this subdivision if the willful failure of the parent or guardian to provide adequate mental health treatment is based on a sincerely held religious belief and if a less intrusive judicial intervention is available.

(d) The minor has been sexually abused, or there is a substantial

risk that the minor will be sexually abused, as defined in Section 11165.1 of the Penal Code, by his or her parent or guardian or a member of his or her household, or the parent or guardian has failed to adequately protect the minor from sexual abuse when the parent or guardian knew or reasonably should have known that the minor was in danger of sexual abuse.

(e) The minor is under the age of five and has suffered severe physical abuse by a parent, or by any person known by the parent, if the parent knew or reasonably should have known that the person was physically abusing the minor. For the purposes of this subdivision, "severe physical abuse" means any of the following: any single act of abuse which causes physical trauma of sufficient severity that, if left untreated, would cause permanent physical disfigurement, permanent physical disability, or death; any single act of sexual abuse which causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness. A minor may not be removed from the physical custody of his or her parent or guardian on the basis of a finding of severe physical abuse unless the probation officer has made an allegation of severe physical abuse pursuant to Section 332.

(f) The minor's parent or guardian has been convicted of causing the death of another child through abuse or neglect.

(g) The minor has been left without any provision for support; the minor's parent has been incarcerated or institutionalized and cannot arrange for the care of the minor; or a relative or other adult custodian with whom the child resides or has been left is unwilling or unable to provide care or support for the child, the whereabouts of the parent is unknown, and reasonable efforts to locate the parent have been unsuccessful.

(h) The minor has been freed for adoption from one or both parents for 12 months by either relinquishment or termination of parental rights or an adoption petition has not been granted.

(i) The minor has been subjected to an act or acts of cruelty by the parent or guardian or a member of his or her household, or the parent or guardian has failed to adequately protect the minor from an act or acts of cruelty when the parent or guardian knew or reasonably should have known that the minor was in danger of being subjected to an act or acts of cruelty.

(j) The minor's sibling has been abused or neglected, as defined in subdivision (a), (b), (d), (e), or (i), and there is a substantial risk that the minor will be abused or neglected, as defined in those subdivisions. The court shall consider the circumstances surrounding the abuse or neglect of the sibling, the age and gender of each child, the nature of the abuse or neglect of the sibling, the mental condition of the parent or guardian, and any other factors the court considers probative in determining whether there is a substantial risk to the minor.

It is the intent of the Legislature in enacting this section to provide maximum protection for children who are currently being physically, sexually, or emotionally abused, being neglected, or being exploited, and to protect children who are at risk of that harm. This protection includes provision of a full array of social and health services to help the child and family and to prevent reabuse of children. That protection shall focus on the preservation of the family whenever possible. Nothing in this section is intended to disrupt the family unnecessarily or to intrude inappropriately into family life, to prohibit the use of reasonable methods of parental discipline, or to prescribe a particular method of parenting. Further, nothing in this section is intended to limit the offering of voluntary services to those families in need of assistance but who do not come within the descriptions of this section. To the extent that savings accrue to the state from child welfare services funding obtained as a result of the enactment of the act that enacted this section, those savings shall be used to promote services which support family maintenance and family reunification plans, such as client transportation, out-of-home respite care, parenting training, and the provision of temporary or emergency in-home caretakers and persons teaching and demonstrating homemaking skills. The Legislature further declares that a physical disability, such as blindness or deafness, is no bar to the raising of happy and well-adjusted children and that a court's determination pursuant to this section shall center upon whether a parent's disability prevents him or her from exercising care and control.

As used in this section "guardian" means the legal guardian of the child.

SEC. 2. Section 300 of the Welfare and Institutions Code, as amended by Section 4 of Chapter 913 of the Statutes of 1989, is repealed.

SEC. 3. Section 301 of the Welfare and Institutions Code is amended and renumbered to read:

302. (a) A juvenile court may assume jurisdiction over a child described in Section 300 regardless of whether the child was in the physical custody of both parents or was in the sole legal or physical custody of only one parent at the time that the events or conditions occurred that brought the child within the jurisdiction of the court.

(b) Unless their parental rights have been terminated, both parents shall be notified of all proceedings involving the child. In any case where the probation officer is required to provide a parent or guardian with notice of a proceeding at which the probation officer intends to present a report, the probation officer shall also provide both parents, whether custodial or noncustodial, or any guardian, or the counsel for the parent or guardian a copy of the report prior to the hearing, either personally or by first-class mail. The probation officer shall not charge any fee for providing a copy of a report required by this subdivision.

(c) When a minor is adjudged a dependent of the juvenile court,

any issues regarding custodial rights between his or her parents shall be determined solely by the juvenile court, as specified in Sections 304, 361.2, and 362.4, so long as the minor remains a dependent of the juvenile court.

SEC. 4. Section 330 of the Welfare and Institutions Code is amended and renumbered to read:

301. (a) In any case in which a probation officer after investigation of an application for petition or other investigation he or she is authorized to make, determines that a minor is within the jurisdiction of the juvenile court or will probably soon be within that jurisdiction, the probation officer may, in lieu of filing a petition or subsequent to dismissal of a petition already filed, and with consent of the minor's parent or guardian, undertake a program of supervision of the minor. If a program of supervision is undertaken, the probation officer shall attempt to ameliorate the situation which brings the minor within, or creates the probability that the minor will be within, the jurisdiction of Section 300 by providing or arranging to contract for all appropriate child welfare services pursuant to Sections 16506 and 16507.3, within the time periods specified in those sections. No further child welfare services shall be provided subsequent to these time limits. If the family has refused to cooperate with the services being provided, the probation officer may file a petition with the juvenile court pursuant to Section 332. Nothing in this section shall be construed to prevent the probation officer from filing a petition pursuant to Section 332 when otherwise authorized by law.

(b) The program of supervision of the minor undertaken pursuant to this section may call for the minor to obtain care and treatment for the misuse of, or addiction to, controlled substances from a county mental health service or other appropriate community agency.

(c) Probation departments in counties designated by the department as pilot projects for in-home care programs, pursuant to Section 18964, may place, and shall designate, a projected number of children to be referred each year in these projects.

SEC. 5. Section 358 of the Welfare and Institutions Code is amended to read:

358. (a) After finding that a minor is a person described in Section 300, the court shall hear evidence on the question of the proper disposition to be made of the minor. Prior to making a finding required by this section, the court may continue the hearing on its own motion, the motion of the parent or guardian, or the motion of the minor, as follows:

(1) If the minor is detained during the continuance, and the probation officer is not alleging that subdivision (b) of Section 361.5 is applicable, the continuance shall not exceed 10 judicial days. The court may make such order for detention of the minor or for the minor's release from detention, during the period of continuance, as is appropriate.

(2) If the minor is not detained during the continuance, the continuance shall not exceed 30 days after the date of the finding pursuant to Section 356. However, the court may, for cause, continue the hearing for an additional 15 days.

(3) If the probation officer is alleging that subdivision (b) of Section 361.5 is applicable, the court shall continue the proceedings for a period not to exceed 30 days. The probation officer shall notify each parent of the content of subdivision (b) of Section 361.5 and shall inform each parent that if the court does not order reunification a permanency planning hearing will be held, and that his or her parental rights may be terminated within the time frames specified by law.

(b) Before determining the appropriate disposition, the court shall receive in evidence the social study of the minor made by the probation officer, any study or evaluation made by a child advocate appointed by the court, and such other relevant and material evidence as may be offered. In any judgment and order of disposition, the court shall specifically state that the social study made by the probation officer and the study or evaluation made by the child advocate appointed by the court, if there be any, has been read and considered by the court in arriving at its judgment and order of disposition. Any social study or report submitted to the court by the probation officer shall include the individual child's case plan developed pursuant to Section 16501.1.

(c) If the court finds that a minor is described by subdivision (h) of Section 300 or that subdivision (b) of Section 361.5 may be applicable, the court shall conduct the dispositional proceeding pursuant to subdivision (c) of Section 361.5.

SEC. 6. Section 360 of the Welfare and Institutions Code is amended to read:

360. After receiving and considering the evidence on the proper disposition of the case, the juvenile court may enter judgment as follows:

(a) If the court finds that the minor is a person described by Section 300, it may, without adjudicating the minor a dependent child of the court, order that services be provided to keep the family together and place the minor and the minor's parent or guardian under the supervision of the probation officer for a time period consistent with Section 301.

(b) If the family subsequently is unable or unwilling to cooperate with the services being provided, the probation officer may file a petition with the juvenile court pursuant to Section 332 alleging that a previous petition has been sustained and that disposition pursuant to subdivision (a) has been ineffective in ameliorating the situation requiring the child welfare services. Upon hearing the petition, the court shall order either that the petition shall be dismissed or that a new disposition hearing shall be held pursuant to subdivision (c).

(c) If the court finds that the minor is a person described by Section 300, it may order and adjudge the minor to be a dependent

child of the court.

SEC. 7. Section 11400 of the Welfare and Institutions Code is amended to read:

11400. For the purposes of this article, the following definitions shall apply:

(a) "Aid to Families with Dependent Children-Foster Care (AFDC-FC)" means the aid provided in behalf of needy children in foster care under the terms of this division.

(b) "Case plan" means a written document which at a minimum specifies the type of home in which the child shall be placed, the appropriateness of the home for meeting the child's needs, the agency's plan for ensuring that the child, the family, and foster parents receive services, and the appropriateness of the services provided to the child, in order to meet the child's needs while in foster care, and to reunify the child with his or her family, or, when reunification is not possible, to facilitate an alternate permanent plan.

(c) "Certified family home" means a family residence certified by a licensed foster family agency and issued a certificate of approval by that agency as meeting licensing standards, and used only by that foster family agency for placements.

(d) "Family home" means the family residency of a licensee in which 24-hour care and supervision are provided for children.

(e) "Foster care" means the 24-hour out-of-home care provided to children whose own families are unable or unwilling to care for them, and who are in need of temporary or long-term substitute parenting.

(f) "Foster family agency" means any individual or organization engaged in the recruiting, certifying, and training of, and providing professional support to, foster parents, or in finding homes or other places for placement of children for temporary or permanent care who require that level of care as an alternative to a group home. Private foster family agencies shall be organized and operated on a nonprofit basis.

(g) "Group home" means a nondetention privately operated residential home of any capacity that provides services in a group setting to children in need of care and supervision, as required by paragraph (1) of subdivision (a) of Section 1502 of the Health and Safety Code.

(h) "Periodic review" means review of a child's status by the juvenile court or by an administrative review panel, which shall include a determination of the continuing need for placement in foster care, evaluation of the goals for the placement and the progress toward meeting these goals, and development of a target date for the child's return home or establishment of alternative permanent placement.

(i) "Permanency planning hearing" means a hearing conducted by the juvenile court in which the child's future status, including whether the child shall be returned home or another permanent

plan shall be developed, is determined.

(j) "Placement and care" refers to the responsibility for the welfare of a child vested in an agency or organization by virtue of the agency or organization having (1) been delegated care, custody, and control of a child by the juvenile court, (2) taken responsibility, pursuant to a relinquishment or termination of parental rights on a child, (3) taken the responsibility of supervising a child detained by the juvenile court pursuant to Section 319 or 636, or (4) signed a voluntary placement agreement for the child's placement; or to the responsibility designated to an individual by virtue of his or her being appointed the child's legal guardian.

(k) "Preplacement preventive services" means services which are designed to help children remain with their families by preventing or eliminating the need for removal.

(*l*) "Relative" means a person who can be a "caretaker relative" of a dependent child under Section 406 of the Social Security Act.

(m) "Voluntary placement" means an out-of-home placement of a minor by (1) county welfare department after the parents or guardians have requested the assistance of the county welfare department and have signed a voluntary placement agreement; or (2) the county welfare department licensed public or private adoption agency, or the department acting as an adoption agency, after the parents have requested the assistance of either the county welfare department, the licensed public or private adoption agency, or the department acting as an adoption agency for the purpose of adoption planning, and have signed a voluntary placement agreement.

(n) "Voluntary placement agreement" means a written agreement between either the county welfare department, a licensed public or private adoption agency, or the department acting as an adoption agency, and the parents or guardians of a minor which specifies, at a minimum, the following:

(1) The legal status of the child.

(2) The rights and obligations of the parents or guardians, the child, and the agency in which the child is placed.

(o) "Original placement date" means the most recent date on which the court detained a child and ordered an agency to be responsible for supervising the child or the date on which an agency assumed responsibility for a child due to termination of parental rights, relinquishment, or voluntary placement.

SEC. 7.5. Section 11400 of the Welfare and Institutions Code is amended to read:

11400. For the purposes of this article, the following definitions shall apply:

(a) "Aid to Families with Dependent Children-Foster Care (AFDC-FC)" means the aid provided in behalf of needy children in foster care under the terms of this division.

(b) "Case plan" means a written document which at a minimum specifies the type of home in which the child shall be placed, the

appropriateness of the home for meeting the child's needs, the agency's plan for ensuring that the child, the family, and foster parents receive services, and the appropriateness of the services provided to the child, in order to meet the child's needs while in foster care, and to reunify the child with his or her family, or, when reunification is not possible, to facilitate an alternate permanent plan.

(c) "Certified family home" means a family residence certified by a licensed foster family agency and issued a certificate of approval by that agency as meeting licensing standards, and used only by that foster family agency for placements.

(d) "Family home" means the family residency of a licensee in which 24-hour care and supervision are provided for children.

(e) "Small family home" means any residential facility, in the licensee's family residence, which provides 24-hour care for six or fewer foster children who have mental disorders or developmental or physical disabilities and who require special care and supervision as a result of their disabilities.

(f) "Foster care" means the 24-hour out-of-home care provided to children whose own families are unable or unwilling to care for them, and who are in need of temporary or long-term substitute parenting.

(g) "Foster family agency" means any individual or organization engaged in the recruiting, certifying, and training of, and providing professional support to, foster parents, or in finding homes or other places for placement of children for temporary or permanent care who require that level of care as an alternative to a group home. Private foster family agencies shall be organized and operated on a nonprofit basis.

(h) "Group home" means a nondetention privately operated residential home of any capacity that provides services in a group setting to children in need of care and supervision, as required by paragraph (1) of subdivision (a) of Section 1502 of the Health and Safety Code.

(i) "Periodic review" means review of a child's status by the juvenile court or by an administrative review panel, which shall include a determination of the continuing need for placement in foster care, evaluation of the goals for the placement and the progress toward meeting these goals, and development of a target date for the child's return home or establishment of alternative permanent placement.

(j) "Permanency planning hearing" means a hearing conducted by the juvenile court in which the child's future status, including whether the child shall be returned home or another permanent plan shall be developed, is determined.

(k) "Placement and care" refers to the responsibility for the welfare of a child vested in an agency or organization by virtue of the agency or organization having (1) been delegated care, custody, and control of a child by the juvenile court, (2) taken responsibility,

pursuant to a relinquishment or termination of parental rights on a child, (3) taken the responsibility of supervising a child detained by the juvenile court pursuant to Section 319 or 636, or (4) signed a voluntary placement agreement for the child's placement; or to the responsibility designated to an individual by virtue of his or her being appointed the child's legal guardian.

(*l*) "Preplacement preventive services" means services which are designed to help children remain with their families by preventing or eliminating the need for removal.

(m) "Relative" means a person who can be a "caretaker relative" of a dependent child under Section 406 of the Social Security Act.

(n) "Voluntary placement" means an out-of-home placement of a minor by (1) county welfare department after the parents or guardians have requested the assistance of the county welfare department and have signed a voluntary placement agreement; or (2) the county welfare department licensed public or private adoption agency, or the department acting as an adoption agency, after the parents have requested the assistance of either the county welfare department, the licensed public or private adoption agency, or the department acting as an adoption agency for the purpose of adoption planning, and have signed a voluntary placement agreement.

(o) "Voluntary placement agreement" means a written agreement between either the county welfare department, a licensed public or private adoption agency, or the department acting as an adoption agency, and the parents or guardians of a minor which specifies, at a minimum, the following:

(1) The legal status of the child.

(2) The rights and obligations of the parents or guardians, the child, and the agency in which the child is placed.

(p) "Original placement date" means the most recent date on which the court detained a child and ordered an agency to be responsible for supervising the child or the date on which an agency assumed responsibility for a child due to termination of parental rights, relinquishment, or voluntary placement.

SEC. 8. Section 11401 of the Welfare and Institutions Code is amended to read:

11401. Aid in the form of AFDC-FC shall be provided under this chapter on behalf of any child under the age of 18 years, except as provided in Section 11403, who meets the conditions of subdivision (a), (b), (c), (d), (e) or (f):

(a) The child has been relinquished, for purposes of adoption, to a licensed adoption agency, or the department, or the parental rights of either or both of his or her parents have been terminated after an action under the Civil Code has been brought by a licensed adoption agency or the department, provided that the licensed adoption agency or the department, if responsible for placement and care, provides to such children all services as required by the department to children in foster care.

(b) The child has been removed from the physical custody of his or her parent or guardian as a result of a voluntary placement agreement or a judicial determination that continuance in the home would be contrary to the child's welfare and that, if the child was placed in foster care, reasonable efforts were made, consistent with Chapter 5 (commencing with Section 16500) of Part 4, to prevent or eliminate the need for removal of the child from his or her home and to make it possible for the child to return to his or her home, or, in cases where the first contact with the family occurs during an emergency situation in which the child could not safely remain at home even with reasonable efforts being provided, the child has been removed as a result of a judicial determination that lack of preplacement preventive efforts, as defined in Section 16501.1, was reasonable, and any of the following apply:

(1) The child has been adjudged a dependent child of the court on the grounds that he or she is a person described by Section 300.

(2) The child has been adjudged a ward of the court on the grounds that he or she is a person described by Sections 601 and 602.

(3) The child has been detained under a court order pursuant to Section 319 or 636 which remains in effect.

(c) The child has been voluntarily placed by his or her parent or guardian pursuant to Section 11401.1.

(d) The child is living in the home of a nonrelated legal guardian.

(e) The child has been placed in foster care under the federal Indian Child Welfare Act. Sections 11402, 11404, and 11405 shall not be construed as limiting payments to Indian children, as defined in the federal Indian Child Welfare Act, placed in accordance with that act.

(f) To be eligible for federal financial participation, the child shall meet the conditions of subdivision (b) and have been deprived of parental support or care for any of the reasons set forth in Section 11250. Subject to the approval of the United States Department of Health and Human Services of amendments to the state plan for administering Part E (commencing with Section 670) of Subchapter IV of Chapter 7 of Title 42 of the United States Code to permit federal financial participation in a federal AFDC-FC voluntary program, a child shall also be eligible for federal financial participation if he or she meets the conditions of subdivision (c) and has been deprived of parental support or care for any of the reasons set forth in Section 11250.

SEC. 9. Section 11401.1 of the Welfare and Institutions Code is amended to read:

11401.1. (a) Otherwise eligible children placed voluntarily prior to January 1, 1981, may remain eligible for AFDC-FC payments.

(b) Beginning on January 1, 1982, AFDC-FC payments for children placed voluntarily on or after January 1, 1981, shall be limited to a period of up to six months under conditions specified by departmental regulations, and may be extended an additional six months pursuant to Section 16507.3 and departmental regulations.

This section shall become operative on January 1, 1984.

SEC. 9.5. Article 5 (commencing with Section 16216) of Chapter 3 of Part 4 of Division 9 of the Welfare and Institutions Code is repealed.

SEC. 10. Section 16501 of the Welfare and Institutions Code is amended to read:

16501. (a) As used in this chapter, "child welfare services" means public social services which are directed toward the accomplishment of any or all the following purposes: protecting and promoting the welfare of all children, including handicapped, homeless, dependent, or neglected children; preventing or remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation, or delinquency of children; preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing breakup of the family where the prevention of child removal is desirable and possible; restoring to their families children who have been removed, by the provision of services to the child and the families; identifying children to be placed in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate; and assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption.

"Child welfare services" also means services provided on behalf of children alleged to be the victims of child abuse, neglect, or exploitation. The child welfare services provided on behalf of each child represent a continuum of services, including emergency response services, family maintenance services, family reunification services, and permanent placement services. The individual child's case plan is the guiding principle in the provision of these services. The case plan shall be developed within 30 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the jurisdictional hearing pursuant to Section 356, whichever comes first.

(1) Child welfare services may include, but are not limited to, a range of service-funded activities, including case management, counseling, emergency shelter care, emergency in-home caretakers, temporary in-home caretakers, respite care, therapeutic day services, teaching and demonstrating homemakers, parenting training, substance abuse testing, and transportation. These service-funded activities shall be available to children and their families in all phases of the child welfare program in accordance with the child's case plan and departmental regulations. Funding for services is limited to the amount appropriated in the annual Budget Act and other available county funds.

(2) Service-funded activities to be provided may be determined by each county, based upon individual child and family needs as reflected in the service plan.

(3) As used in this chapter, "emergency shelter care" means emergency shelter provided to children who have been removed pursuant to Section 300 from their parent or parents or their guardian or guardians. The department may establish, by regulation, the time periods for which emergency shelter care shall be funded.

(b) As used in this chapter, "respite care" means temporary care for periods not to exceed 72 hours. This care may be provided to the child's parents or guardians. This care shall not be limited by regulation to care over 24 hours. These services shall not be provided for the purpose of routine, ongoing child care.

(c) The county shall provide child welfare services as needed pursuant to an approved service plan and in accordance with regulations promulgated, in consultation with the counties, by the department. Counties may contract for service-funded activities as defined in paragraph (1) of subdivision (a). Each county shall use available private child welfare resources prior to developing new county-operated resources when the private child welfare resources are of at least equal quality and lesser or equal cost as compared with county-operated resources. Counties shall not contract for needs assessment, client eligibility determination, or any other activity as specified by regulations of the State Department of Social Services.

(d) Nothing in this chapter shall be construed to affect duties which are delegated to probation officers pursuant to Sections 601 and 654.

(e) Any county may utilize volunteer individuals to supplement professional child welfare services by providing ancillary support services in accordance with regulations adopted by the State Department of Social Services.

(f) As used in this chapter, emergency response services consist of a response system providing in-person response, 24 hours a day, seven days a week, to reports of abuse, neglect, or exploitation, as required by Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code for the purpose of investigation pursuant to Section 11166 of the Penal Code and to determine the necessity for providing initial intake services and crisis intervention to maintain the child safely in his or her own home or to protect the safety of the child. County welfare departments shall respond to any report of imminent danger to a child immediately and all other reports within 10 calendar days. An in-person response is not required when the county welfare department, based upon an evaluation of risk, determines that an in-person response is not appropriate. This evaluation includes collateral, contacts, a review of previous referrals, and other relevant information, as indicated.

(g) As used in this chapter, family maintenance services are activities designed to provide in-home protective services to prevent or remedy neglect, abuse, or exploitation, for the purposes of preventing separation of children from their families.

(h) As used in this chapter, family reunification services are activities designed to provide time-limited foster care services to

prevent or remedy neglect, abuse, or exploitation, when the child cannot safely remain at home, and needs temporary foster care, while services are provided to reunite the family.

(i) As used in this chapter, permanent placement services are activities designed to provide an alternate permanent family structure for children who because of abuse, neglect, or exploitation cannot safely remain at home and who are unlikely to ever return home. These services shall be provided on behalf of children for whom there has been a judicial determination of a permanent plan for adoption, legal guardianship, or long-term foster care.

SEC. 11. Section 16501.1 of the Welfare and Institutions Code is repealed.

SEC. 12. Section 16501.1 is added to the Welfare and Institutions Code, to read:

16501.1. (a) The Legislature finds and declares that the foundation and central unifying tool in child welfare services is the case plan.

(b) The Legislature further finds and declares that a case plan ensures that the child receives protection and proper case management, and that services are provided to the parents or other caretakers as appropriate. A case plan shall be based upon the principles of this section and shall document that a preplacement assessment of the service needs of the child and family, and preplacement preventive services, have been provided, and that reasonable efforts to prevent out-of-home placement have been made.

(c) When out-of-home placement is used to attain case plan goals, the decision regarding choice of placement shall be based upon selection of the least restrictive or most familylike setting, selection of the environment best suited to meet the child's special needs and best interests, or both. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 275 of the Civil Code.

(d) A written case plan shall be completed within 30 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the jurisdictional hearing pursuant to Section 356, whichever comes first. The case plan shall be updated, as the service needs of the child and family dictate. At a minimum, the case plan shall be updated in conjunction with each status review hearing conducted pursuant to Section 366.21, and the hearing conducted pursuant to Section 366.25 or 366.26, but no less frequently than once every six months.

(e) The child welfare services case plan shall be comprehensive enough to meet the juvenile court dependency proceedings requirements pursuant to Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of Division 2.

(f) The case plan shall be developed as follows:

(1) The case plan shall be based upon an assessment of the circumstances which required child welfare services intervention.

(2) The case plan shall identify specific goals, and the appropriateness of the planned services in meeting those goals.

(3) The case plan shall identify the original allegations of abuse or neglect, as defined in Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code, or the conditions cited as the basis for declaring the child a dependent of the court pursuant to Section 300, or all of these, and the other precipitating incidents which led to child welfare services intervention.

(4) The case plan shall include a description of the schedule of the social worker contacts with the child and the family or other caretakers. The frequency of these contacts shall be in accordance with regulations adopted by the State Department of Social Services.

(5) When out-of-home services are used, the frequency of contact between the natural parents or legal guardians and the child shall be specified in the case plan. The frequency of those contacts shall reflect overall case goals, and consider other principles outlined in this section.

(6) Parents and legal guardians shall have an opportunity to review the case plan, sign it whenever possible, and then shall receive a copy of the plan. In any voluntary service or placement agreement, the parents or legal guardians shall be required to review and sign the case plan. Whenever possible, parents and legal guardians shall participate in the development of the case plan.

(7) The case plan shall be included in the court report and shall be considered by the court at the initial hearing and each review hearing. Modifications to the case plan made during the period between review hearings need not be approved by the court if the casework supervisor for that case determines that the modifications further the goals of the plan.

SEC. 13. Section 16501.2 of the Welfare and Institutions Code is repealed.

SEC. 14. Section 16501.3 of the Welfare and Institutions Code is repealed.

SEC. 15. Section 16503 of the Welfare and Institutions Code is amended to read:

16503. (a) Subsequent to completion of the hearing conducted pursuant to Section 366.25 or 366.26, the agency responsible for placement and care of a minor, as defined in subdivision (e) of Section 11400, shall ensure that a child in foster care shall receive administrative reviews periodically but no less frequently than once every six months. The administrative review shall determine the appropriateness of the placement, the continuing appropriateness and extent of compliance with the permanent plan for the child, the extent of compliance with the case plan, and adequacy of services provided to the child.

(b) The term "administrative review" means a review open to the participation of the parents of a child in foster care conducted by a

panel of appropriate persons at least one of whom is not responsible for the case management of, or the delivery of services to either the child or the parents who are the subject of the review.

(c) The department shall develop and implement regulations establishing processes, procedures and standards for the conduct of administrative reviews that conform to Section 675.6 of Title 42 of the United States Code.

(d) The requirements of this section shall not be interpreted as requiring duplicate concurrent court and administrative reviews.

SEC. 16. Section 16504 of the Welfare and Institutions Code is amended to read:

16504. Any child reported to the county welfare department to be endangered by abuse, neglect, or exploitation shall be eligible for initial intake and evaluation of risk services. Each county welfare department shall maintain and operate a 24-hour response system. An immediate in-person response shall be made by a county welfare department social worker in emergency situations in accordance with regulations of the department. The person making any initial response to a request for child welfare services shall consider providing appropriate social services to maintain the child safely in his or her own home. However, an in-person response is not required when the county welfare department, based upon an evaluation of risk, determines that an in-person response is not appropriate. An evaluation of risk includes collateral contacts, a review of previous referrals, and other relevant information, as indicated.

This section shall become operative on October 1, 1983, unless a later enacted statute extends or deletes that date.

SEC. 17. Section 16504.1 of the Welfare and Institutions Code is repealed.

SEC. 18. Section 16506 of the Welfare and Institutions Code is amended to read:

16506. Family maintenance services shall be provided or arranged for by county welfare department staff in order to maintain the child in his or her own home. These services shall be limited to six months, and may be extended for one six-month period if it can be shown that the objectives of the service plan can be achieved within the extended time periods. Family maintenance services shall be available without regard to income and shall only be provided to any of the following:

(a) Families whose child has been adjudicated a dependent of the court under Section 300, and where the court has ordered the county welfare department to supervise while the child remains in the child's home.

(b) Families whose child is in potential danger of abuse, neglect, or exploitation, who are willing to accept services and participate in corrective efforts, and where it is safe for the child to remain in the child's home only with the provision of services.

(c) Families in which the child is in the care of a previously noncustodial parent, under the supervision of the juvenile court.

SEC. 19. Section 16506.1 of the Welfare and Institutions Code is repealed.

SEC. 20. Section 16507 of the Welfare and Institutions Code is amended to read:

16507. (a) Family reunification services shall be provided or arranged for by county welfare department staff in order to reunite the child separated from his or her parent because of abuse, neglect, or exploitation. These services shall not exceed 12 months except as provided in subdivision (a) of Section 361.5 and subdivision (c) of Section 366.3. Family reunification services shall be available without regard to income to families whose child has been adjudicated or is in the process of being adjudicated a dependent child of the court under the provisions of Section 300. Family reunification services shall include a plan for visitation of the child by his or her grandparents, where the visitation is in the best interests of the child and will serve to maintain and strengthen the family relationships of the child.

(b) Family reunification services shall only be provided when a child has been placed in out-of-home care, or is in the care of a previously noncustodial parent under the supervision of the juvenile court.

(c) When a minor has been placed in foster care with a nonparent, family reunification services may be provided to one or both parents.

SEC. 21. Section 16507.1 of the Welfare and Institutions Code is repealed.

SEC. 22. Section 16507.3 of the Welfare and Institutions Code is amended to read:

16507.3. (a) Beginning on October 1, 1982, child welfare services for children placed voluntarily after January 1, 1982, shall be limited to a period not to exceed six months. Subject to the availability of federal funding, voluntary placement services for federally eligible children may be extended for an additional six months, for a total period not to exceed 12 months for either of the following:

(1) Families who have a custodial parent or guardian in residential substance abuse treatment who is demonstrating progress that indicates the problems warranting the initial placement are likely to be resolved within the extended time period.

(2) Families whose minor child is seriously emotionally disturbed, who requires placement in a residential treatment facility, who otherwise would be likely to be found to fit the description in subdivision (c) of Section 300, and who reasonably may be expected to be returned home within the extended time period.

(b) Whenever a seriously emotionally disturbed child as described in paragraph (2) of subdivision (a) is initially voluntarily placed, the initial placement shall be made pursuant to the approval of an interagency administrative review board as described in paragraph (4) of subdivision (a) of Section 16507.6.

(c) The extension of voluntary placement services for an additional six months shall be subject to the approval of an

administrative review board pursuant to paragraphs (4) and (5) of subdivision (a) of Section 16507.6. The extension of voluntary placement services is contingent upon the receipt of federal funding. Any administrative and foster care costs that exceed the amount of federal reimbursement shall be paid solely with county funds.

(d) An otherwise eligible child placed voluntarily prior to January 1, 1982, may remain eligible for child welfare services without regard to the length of time in placement until April 1, 1984. Beginning on October 1, 1982, such a child shall receive administrative review pursuant to the requirements of Section 16503.

SEC. 23. Section 16507.4 of the Welfare and Institutions Code is amended to read:

16507.4. (a) Notwithstanding any other provisions of this chapter, voluntary family reunification services shall be provided without fee to families who qualify, or would qualify if application had been made therefor, as recipients of public assistance under the Aid to Families with Dependent Children program. If the family is not qualified for such aid, voluntary family reunification services may be utilized, provided that the county seeks reimbursement from the parent or guardian on a statewide sliding scale according to income as determined by the State Department of Social Services and approved by the Department of Finance.

(b) An out-of-home placement of a minor without adjudication by the juvenile court may occur only when both of the following conditions exist:

(1) There is a mutual decision between the child's parent or guardian and the county welfare department in accordance with regulations promulgated by the State Department of Social Services.

(2) There is a written agreement between the county welfare department and the parent or guardian specifying the terms of the voluntary placement. The State Department of Social Services shall develop a form for voluntary placement agreements which shall be used by all counties. The form shall indicate that foster care under the Aid to Families with Dependent Children program is available to such children.

(c) In the case of a voluntary placement pending relinquishment, a county welfare department shall have the option of delegating to a licensed private adoption agency the responsibility for placement by the county welfare department. If such a delegation occurs, the voluntary placement agreement shall be signed by the county welfare department, the child's parent or guardian, and the licensed private adoption agency.

(d) The State Department of Social Services shall amend its plan pursuant to Part E (commencing with Section 670) of Subchapter IV of Chapter 7 of Title 42 of the United States Code in order to conform to mandates of Public Law 96-272 for federal financial participation in voluntary placements.

SEC. 24. Section 16507.6 of the Welfare and Institutions Code is amended to read:

16507.6. (a) If a minor has been voluntarily placed with the county welfare department subsequent to January 1, 1982, for out-of-home placement by his or her parents or guardians pursuant to this chapter and the minor has remained out of their physical custody for six consecutive months, the department shall do one of the following:

(1) Return the minor to the physical custody of his or her parents or guardians.

(2) Refer the minor to a licensed adoption agency for consideration of adoptive planning and receipt of a permanent relinquishment of care and custody rights from the parents pursuant to Section 222.10 of the Civil Code.

(3) Apply for a petition pursuant to Section 332 and file the petition with the juvenile court to have the minor declared a dependent child of the court under Section 300.

(4) Refer the minor placed pursuant to paragraph (2) of subdivision (a) of Section 16507.3 to an interagency administrative review board as may be required in federal regulations. One member of the board shall be a licensed mental health practitioner. The review board shall review the appropriateness and continued necessity of six additional months of voluntary placement, the extent of the compliance with the voluntary placement plan, and the adequacy of services to the family and child. If the minor cannot be returned home by the 12th month of voluntary placement services, the department shall proceed pursuant to paragraph (2) or (3).

(5) Refer the minor placed pursuant to paragraph (1) of subdivision (a) of Section 16507.3 to an administrative review board as may be required in federal regulations and as described in subdivision (b) of Section 16503. If the minor cannot be returned home by the 12th month of voluntary placement services, the department shall proceed as described in paragraph (1) or (2).

(b) For those children placed voluntarily prior to January 1, 1981, the six-month consecutive time period for provision of child welfare services shall commence October 1, 1982.

SEC. 25. Section 16508.1 of the Welfare and Institutions Code is repealed.

SEC. 26. The State Department of Social Services shall adopt emergency regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code to implement this act. The adoption of regulations pursuant to this section in order to implement this act shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health, or safety. The regulations shall become effective immediately upon filing with the Secretary of State. The regulations shall not remain in effect more than 120 days unless the adopting agency complies with all of the provisions of Chapter 3.5 (commencing with Section 11340), as required by subdivision (e) of Section 11346.1 of the Government Code.

SEC. 27. (a) The Legislature declares that the next step in

improving child welfare services in California requires a review of the expansion of voluntary alternatives to juvenile court supervision. The Legislature finds that California has made significant progress in emphasizing family preservation services as alternatives to out-of-home foster care placement of children. Section 16506 of the Welfare and Institutions Code provides for voluntary family maintenance services. Section 17507.3 provides for voluntary family reunification services. Section 11401 will provide federal financial participation for voluntary placement agreements.

(b) The Legislative Analyst's Office shall conduct a review with the input of the State Department of Social Services, the County Welfare Directors Association, and the Judicial Council to determine the following:

(1) The policy benefits of expanding voluntary services.

(2) The cost-effectiveness of expanding short-term voluntary services as compared to long-term foster care placement.

(3) The potential benefits of linking voluntary services into family preservation services.

(4) What statutory changes are necessary to accomplish these changes in voluntary services.

(c) The Legislative Analyst shall report on this review at Senate Budget and Fiscal Review Committee and Assembly Ways and Means Committee budget hearings on the 1992–93 proposed budget.

SEC. 28. Section 7.5 of this bill incorporates amendments to Section 11400 of the Welfare and Institutions Code proposed by both this bill and AB 760. It shall only become operative if (1) both bills are enacted and become effective on January 1, 1992, (2) each bill amends Section 11400 of the Welfare and Institutions Code, and (3) this bill is enacted after AB 760, in which case Section 7 of this bill shall not become operative.

SEC. 29. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1204

An act to add and repeal Section 745.5 of the Public Utilities Code, relating to public utilities.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) The increased use of natural gas as a transportation fuel can provide significant supplies of clean, safe, and competitively priced fuels that not only can improve air quality, but also reduce dependence on foreign energy supplies.

(b) Natural gas is one of the cleanest-burning vehicle fuels available, is abundant in supply, superior in price to gasoline and diesel fuel, and domestically available.

(c) A high quality, reliable, and cost competitive natural gas vehicle manufacturing, conversion, maintenance, and public fueling infrastructure must be built to sustain a market for natural gas vehicles.

(d) Utility participation in the construction and operation of compressed natural gas public refueling stations is needed to promote competition with oil companies and others selling compressed natural gas as a vehicle fuel and to help develop a market for natural gas vehicles.

(e) There are long-term benefits to natural gas utility ratepayers from the sale of natural gas for use as a transportation fuel, and that it should be the policy of the Public Utilities Commission to support utility natural gas vehicle conversion, maintenance, and fueling demonstration programs.

SEC. 2. Section 745.5 is added to the Public Utilities Code, to read:

745.5. (a) The commission may authorize natural gas utilities to construct and maintain compressed natural gas refueling stations to be owned and operated by the utility, or to be transferred to nonutility operators.

(b) The commission may authorize natural gas utilities to support the construction and maintenance of compressed natural gas vehicle conversion and maintenance facilities.

(c) The commission may authorize natural gas utilities to provide incentives for conversion of motor vehicles to compressed natural gas fueled vehicles, and incentives to promote the purchase of factory-equipped compressed natural gas fueled vehicles.

(d) As appropriate, the commission may authorize natural gas utilities to recover through rates, either by expensing or capitalizing, or both, the reasonable costs associated with the projects specified in subdivisions (a), (b), and (c).

(e) Any decision of the commission which authorizes natural gas utilities to undertake the demonstration programs specified in subdivisions (a), (b), and (c), shall ensure that the costs and expenses of those programs are not passed on to ratepayers unless the commission finds and determines that those programs are substantially in the ratepayers' long-term interests. The decision of the commission shall also ensure that natural gas utilities do not unfairly compete with nonutility enterprises.

(f) This section shall remain in effect only until January 1, 1997, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1997, deletes or extends that date.

CHAPTER 1205

An act to add Section 39143.5 to the Education Code, to add Section 11008.19 to, and to add Chapter 12.9 (commencing with Section 18986.40) to Part 6 of Division 9 of, the Welfare and Institutions Code, relating to youth, and making an appropriation therefor.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. (a) It is the intent of the Legislature in enacting this act to encourage local communities to provide an integrated system of services to children and their families who need extra assistance to succeed in school and become productive citizens. Recognizing the economic and social costs of school failure, it is further the intent of the Legislature to encourage representatives from local education agencies, local government, private community agencies, and businesses to come together to utilize their resources and skills in a coordinated effort to strengthen the child, the family, and thereby, the community.

(b) However, the Legislature recognizes that implementation of integrated children's services programs is often impeded by overlapping or conflicting state and local statutes, regulations, and procedures. Therefore, it is also the intent of the Legislature to streamline requirements which may unnecessarily delay establishment of these programs, without compromising the protection, privacy, and health of the children to be served.

SEC. 2. Section 39143.5 is added to the Education Code, to read:

39143.5. Notwithstanding any other provision of law, any school-based health care facility which is established through agreements with local governments and school districts as part of an integrated children's services program pursuant to Chapter 12.9 (commencing with Section 18986.40) of Part 6 of Division 9 of the Welfare and Institutions Code, is located on school property, and

which meets all the requirements of the Uniform Building Code and has been approved by the building department of the appropriate local jurisdiction, as well as those of the appropriate local jurisdiction, shall not be required to obtain approval of plans by the Department of General Services pursuant to Section 39143.

SEC. 3. Section 11008.19 is added to the Welfare and Institutions Code, to read:

11008.19. (a) (1) To the degree child care and development services administered by the State Department of Education pursuant to Chapter 2 (commencing with Section 8200) of Part 6 of the Education Code are used to serve families receiving aid to families with dependent children which are eligible for child care under the AFDC program, the department and the State Department of Education, in consultation with the county welfare departments, shall establish a system for documenting child care usage by this population so the state can claim the maximum amount to which it is entitled under Title IV-A of the Social Security Act, contained in Part A (commencing with Section 601) of Subchapter 4 of Chapter 7 of Title 42 of the United States Code.

(2) To the extent permitted by federal law, on July 1, 1992, and each year thereafter, the department and the State Department of Education shall coordinate their efforts and claim federal financial participation pursuant to Title IV-A of the Social Security Act.

(3) Upon the approval of the Superintendent of Public Instruction, the department, and the State Department of Education shall enter into an interagency agreement to transfer Title IV-A funds from the department to the State Department of Education and to ensure that all federal requirements are met in carrying out the program made possible by the receipt of Title IV-A funds.

(4) The system established pursuant to paragraph (1) shall be implemented only to the extent that its implementation does not result in an overall increase in expenditures from this General Fund.

(b) (1) Title IV-A funds received pursuant to paragraph (1) of subdivision (a) shall be used to expand child care and development services in accordance with the interagency agreement required by paragraph (3) of subdivision (a).

(2) In no case shall Title IV-A funds received pursuant to this section be used to supplant existing state funds and cause the state to violate the maintenance of effort requirements for the federal Child Care and Development Block Grant and the Title IV-A "at-risk" programs. Funds made available pursuant to subdivision (a) shall be expended by the departments to support the following:

(A) Any additional administrative costs associated with documenting and claiming federal reimbursement incurred by the department, the State Department of Education, county welfare offices, and child care and development services contractors.

(B) Expanded child care and development services to families receiving AFDC benefits.

(c) (1) The Superintendent of Public Instruction, the Secretary

of Health and Welfare, and the Secretary for Child Development and Education, in consultation with representatives from child care and development programs, county welfare departments, legislative staff, and representatives from the Department of Finance and the office of the Legislative Analyst, shall investigate and develop a report concerning the feasibility of consolidating all child care and development services to provide equal access to services established by federal regulations, including issues associated with the AFDC child care disregard.

(2) The purpose of the report required by paragraph (1) shall be to develop a comprehensive, seamless program that maximizes parental choice.

(3) The Superintendent of Public Instruction, the Secretary of Health and Welfare, and the Secretary for Child Development and Education shall submit their report, including their findings and recommendations, to the appropriate policy and fiscal committees of the Legislature by January 30, 1993.

(d) (1) Notwithstanding Section 8278 of the Education Code and Item 6110-196-001 of the Budget Act of 1991, the Superintendent of Public Instruction may authorize the expenditure of not more than one million dollars ($1,000,000) in child care carryover funds by the State Department of Education and the State Department of Social Services, through an interagency agreement, for the purposes of implementing the program specified in this section in the 1991–92 and 1992–93 fiscal years.

(2) Prior to making the authorization under paragraph (1), the Superintendent of Public Instruction shall notify the appropriate policy and fiscal committees of the Legislature of the amounts to be expended pursuant to this subdivision.

(3) Funds which may be expended pursuant to this subdivision shall be expended for the purpose of supporting administrative costs associated with claiming federal reimbursement for families with dependent children receiving services pursuant to Chapter 2 (commencing with Section 8200) of Part 6 of the Education Code. In the 1993–94 fiscal year and subsequent fiscal years, state administrative funds for both departments shall be appropriated in the Budget Act pursuant to subdivision (b).

(e) For purposes of this section "Title IV-A funds" means federal money received pursuant to Part A (commencing with Section 601) of Subchapter 4 of Chapter 7 of Title 42 of the United States Code.

SEC. 4. Chapter 12.9 (commencing with Section 18986.40) is added to Part 6 of Division 9 of the Welfare and Institutions Code, to read:

CHAPTER 12.9. INTEGRATED CHILDREN'S SERVICES PROGRAMS

18986.40. (a) For the purposes of this chapter, "integrated children's services programs" means programs established by county governments, local education agencies, or consortia of public and

private agencies, to jointly provide two or more of the following services to children or their families, or both:

(1) Educational services for children at risk of dropping out, or who need additional educational services to be successful academically.

(2) Health care.

(3) Mental health services.

(4) Substance abuse prevention and treatment.

(5) Child abuse prevention, identification, and treatment.

(6) Nutrition services.

(7) Child care and development services.

(8) Juvenile justice services.

(9) Child welfare services.

(10) Early intervention and prevention services.

(11) Any other service which will enhance the health, development, and well-being of children and their families.

(b) For the purposes of this chapter, "children's multidisciplinary services team" means a team of two or more persons trained and qualified to provide one or more of the services listed in subdivision (a), who are assigned the responsibility for identifying the educational, health, or social service needs of a child and his or her family, and for developing a plan to address those needs.

18986.45. (a) Notwithstanding any provision of state law governing the disclosure of information and records, persons who are trained, qualified, and assigned by their respective agencies to serve on children's multidisciplinary services teams within integrated children's services programs may disclose to one another information and records on a child which are relevant to the treatment and services available to that child through the program. This disclosure may take place only after the team has received a form permitting release of information on the child signed by the child's parent, guardian, or legal representative, including the court which has jurisdiction over those children who are wards of the court. Information exchanged by members of the team shall be limited to the information necessary to formulate a client's plan and deliver services.

(b) Every member of the children's multidisciplinary services team who receives information on children served in the integrated children's services program shall be under the same obligations and subject to the same confidentiality penalties as the person disclosing or providing that information. The information obtained shall be maintained in a manner that ensures the maximum protection of privacy and confidentiality rights.

(c) This section shall not be construed to restrict guarantees of confidentiality provided under federal law.

CHAPTER 1206

An act to amend Sections 1360.1 , 1542, and 10005 of the Financial Code, to amend Sections 16430, 16522, and 53651 of the Government Code, and to amend Section 1192.1 of the Insurance Code, relating to investments.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1360.1 of the Financial Code is amended to read:

1360.1. In bonds, notes or other obligations issued by the Federal Financing Bank, the United States Postal Service, or issued or assumed by the International Bank for Reconstruction and Development, the Tennessee Valley Authority, the Inter-American Development Bank, the Government Development Bank for Puerto Rico, the Asian Development Bank, the International Finance Corporation, or the African Development Bank.

SEC. 2. Section 1542 of the Financial Code is amended to read:

1542. Security deposited with the State Treasurer by trust companies pursuant to Section 1540 or 1541 shall consist of the following:

(a) Bonds or other interest-bearing notes or obligations of the United States or those for which the faith and credit of the United States are pledged for the payment of principal and interest.

(b) Bonds of the State of California or those for which the faith and credit of the State of California are pledged for the payment of principal and interest or in registered warrants of the State of California.

(c) Bonds and revenue securities of any city, county, city and county, political subdivision, public corporation, or district of the State of California (herein referred to generally as "public corporations"), and of any department, board, agency, or authority of any such public corporation, which qualify as an investment for the funds of commercial banks under the provisions of Article 4 (commencing with Section 1335) of Chapter 10 of this division.

(d) Bonds of any state of the United States which qualify as an investment for the funds of commercial banks under the provisions of Article 4 (commencing with Section 1335) of Chapter 10 of this division.

(e) Loans secured by a first lien on real property and otherwise complying with the provisions of subdivision (a) of Section 1227.

(f) Obligations issued, assumed, or guaranteed by the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, the International Finance Corporation, or the African Development

Bank.

SEC. 3. Section 10005 of the Financial Code, as amended by Section 1 of Chapter 880 of the Statutes of 1989, is amended to read:

10005. For the purposes of this article and any other law of this state prohibiting, limiting, or regulating the doing of business or the selling, taking, or solicitation of savings accounts in this state by foreign savings associations or foreign corporations, any federally insured foreign savings association subject to state or federal supervision, which by law is subject to periodic examination by that supervisory authority and to a requirement of periodic audit, and any broker-dealer registered in accordance with the requirements of the Securities Exchange Act of 1934 and the Corporate Securities Law of 1968, and any partner, officer, director, branch manager, or person performing similar functions, and employees of that broker-dealer, shall not be considered to be doing business or selling, taking, or soliciting savings accounts in this state by reason of engaging in the following:

(a) (1) Any of the activities specified in subdivision (d) of Section 191 of the Corporations Code, or (2) the advertising or solicitation of savings accounts in this state by a federally insured foreign savings association through the media of the mail, radio, television, magazines, newspapers, or any other media that are published or circulated within this state, except through or as a result of telemarketing, provided that the advertising or solicitation as a whole is accurate and does not create a misleading impression even though statements considered separately are literally accurate. A federally insured foreign savings association shall not sell, take or solicit savings accounts through telemarketing by use of the telephone or telephone transceiving equipment, or through the use of an automatic dial-announcing device as defined in Section 2871 of the Public Utilities Code.

(b) The offering by a registered broker-dealer of, or the placement by a registered broker-dealer of a customer's funds into, a savings account at a federally insured foreign savings association chartered under the laws of a state in which broker-dealers make available savings accounts of associations chartered under the laws of this state, provided that (1) any advertising, offering material, or solicitation as a whole is accurate and does not create a misleading impression even though statements considered separately are literally accurate and (2) the savings accounts of the federally insured foreign savings association are rated "investment grade" by either Standard & Poor's Corporation or Moody's Investment Service based upon the foreign savings association's ability to repay the savings accounts independent of federal deposit insurance benefits.

(c) This section shall be repealed on January 1, 1994.

SEC. 4. Section 10005 of the Financial Code, as added by Section 2 of Chapter 880 of the Statutes of 1989, is amended to read:

10005. (a) For the purposes of this article and any other law of

this state prohibiting, limiting, or regulating the doing of business in this state by foreign savings associations or foreign corporations, any foreign savings association subject to state or federal supervision, which by law is subject to periodic examination by that supervisory authority and to a requirement of periodic audit, shall not be considered to be doing business in this state by reason of engaging in the following:

(1) Any of the activities specified in subdivision (d) of Section 191 of the Corporations Code.

(2) The advertising or solicitation of savings accounts in this state through the media of the mail, radio, television, magazines, newspapers, or any other media that are published or circulated within this state, provided that the advertising or solicitation as a whole is accurate and does not create a misleading impression even though statements considered separately are literally accurate.

(b) This section shall become operative on January 1, 1994.

SEC. 5. Section 16430 of the Government Code is amended to read:

16430. Eligible securities for the investment of surplus moneys shall be:

(a) Bonds or interest-bearing notes or obligations of the United States, or those for which the faith and credit of the United States are pledged for the payment of principal and interest.

(b) Bonds or interest-bearing notes on obligations that are guaranteed as to principal and interest by a federal agency of the United States.

(c) Bonds of this state, or those for which the faith and credit of this state are pledged for the payment of principal and interest.

(d) Bonds or warrants, including, but not limited to, revenue warrants, of any county, city, metropolitan water district, California water district, California water storage district, irrigation district in the State of California, municipal utility district, or school district of this state.

(e) Bonds, consolidated bonds, collateral trust debentures, consolidated debentures, or other obligations issued by federal land banks or federal intermediate credit banks established under the Federal Farm Loan Act, as amended, in debentures and consolidated debentures issued by the Central Bank for Cooperatives and banks for cooperatives established under the Farm Credit Act of 1933, as amended, in bonds or debentures of the Federal Home Loan Bank Board established under the Federal Home Loan Bank Act, in stock, bonds, debentures and other obligations of the Federal National Mortgage Association established under the National Housing Act as amended, and in the bonds of any federal home loan bank established under said act, obligations of the Federal Home Loan Mortgage Corporation, and in bonds, notes, and other obligations issued by the Tennessee Valley Authority under the Tennessee Valley Authority Act as amended.

(f) Commercial paper of "prime" quality as defined by a

nationally recognized organization which rates such securities. Eligible paper is further limited to issuing corporations: (1) organized and operating within the United States; (2) having total assets in excess of five hundred million dollars ($500,000,000); and (3) approved by the Pooled Money Investment Board. Purchases of eligible commercial paper may not exceed 180 days' maturity, represent more than 10 percent of the outstanding paper of an issuing corporation, nor exceed 30 percent of the resources of an investment program. At the request of the Pooled Money Investment Board, such investment shall be secured by the issuer by depositing with the Treasurer securities authorized by Section 53651 of a market value at least 10 percent in excess of the amount of the state's investment.

(g) Bills of exchange or time drafts drawn on and accepted by a commercial bank, otherwise known as bankers acceptances, which are eligible for purchase by the Federal Reserve System.

(h) Negotiable certificates of deposits issued by a nationally or state-chartered bank or savings and loan association or by a state-licensed branch of a foreign bank. For the purposes of this section, negotiable certificates of deposits do not come within the provisions of Chapter 4 (commencing with Section 16500) and Chapter 4.5 (commencing with Section 16600).

(i) The portion of bank loans and obligations guaranteed by the United States Small Business Administration or the United States Farmers Home Administration.

(j) Student loan notes insured under the Guaranteed Student Loan Program established pursuant to the Higher Education Act of 1965, as amended (20 U.S.C. 1001, et seq.) and eligible for resale to the Student Loan Marketing Association established pursuant to Section 133 of the Education Amendments of 1972, as amended (20 U.S.C. 1087-2).

(k) Obligations issued, assumed, or guaranteed by the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, the African Development Bank, the International Finance Corporation, or the Government Development Bank of Puerto Rico.

(*l*) Bonds, debentures, and notes issued by corporations organized and operating within the United States. Securities eligible for investment under this subdivision shall be within the top three ratings of a nationally recognized rating service.

SEC. 6. Section 16522 of the Government Code is amended to read:

16522. The following securities may be received as security for demand and time deposits:

(a) Bonds, notes, or other obligations of the United States, or those for which the faith and credit of the United States are pledged for the payment of principal and interest, including the guaranteed portions of small business administration loans, so long as such loans are obligations for which the faith and credit of the United States are

pledged for the payment of principal and interest.

(b) Notes or bonds or any obligations of a local public agency (as defined in the United States Housing Act of 1949) or any obligations of a public housing agency (as defined in the United States Housing Act of 1937) for which the faith and credit of the United States are pledged for the payment of principal and interest.

(c) Bonds of this state or of any county, city, town, metropolitan water district, municipal utility district, municipal water district, bridge and highway district, flood control district, school district, water district, water conservation district or irrigation district within this state, and, in addition, revenue or tax anticipation notes, and revenue bonds payable solely out of the revenues from a revenue-producing property owned, controlled or operated by this state, or such local agency or district, or by a department, board, agency, or authority thereof.

(d) Registered warrants of this state.

(e) Bonds, consolidated bonds, collateral trust debentures, consolidated debentures, or other obligations issued by the United States Postal Service, federal land banks or federal intermediate credit banks established under the Federal Farm Loan Act, as amended, debentures and consolidated debentures issued by the Central Bank for Cooperatives and banks for cooperatives established under the Farm Credit Act of 1933, as amended, consolidated obligations of the Federal Home Loan Banks established under the Federal Home Loan Bank Act, bonds, debentures and other obligations of the Federal National Mortgage Association and of the Government National Mortgage Association established under the National Housing Act as amended, in the bonds of any federal home loan bank established under said act, bonds, debentures, and other obligations of the Federal Home Loan Mortgage Corporation established under the Emergency Home Finance Act of 1970, and in bonds, notes, and other obligations issued by the Tennessee Valley Authority under the Tennessee Valley Authority Act, as amended.

(f) Bonds and notes of the California Housing Finance Agency issued pursuant to Chapter 7 (commencing with Section 41700) of Part 3 of Division 31 of the Health and Safety Code.

(g) Promissory notes secured by first mortgages and first trust deeds upon residential real property located in California, provided that:

(1) Notwithstanding Section 16521, the promissory notes shall at all times be in an amount in value at least 50 percent in excess of the amount deposited with the bank;

(2) The Treasurer issues regulations, establishes procedures for determining the value of the promissory notes and develops standards necessary to protect the security of the deposits so collateralized;

(3) The depository may exercise, enforce, or waive any right or power granted to it by promissory note, mortgage, or deed of trust;

and

(4) The following may not be used as security for deposits:

(i) Any promissory note on which any payment is more than 90 days past due,

(ii) Any promissory note secured by a mortgage or deed of trust as to which there is a lien prior to the mortgage or deed of trust, or

(iii) Any promissory note secured by a mortgage or deed of trust as to which a notice of default has been recorded pursuant to Section 2924 of the Civil Code or an action has been commenced pursuant to Section 725a of the Code of Civil Procedure.

(h) Bonds issued by the State of Israel.

(i) Obligations issued, assumed, or guaranteed by the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, the African Development Bank, the International Finance Corporation, or the Government Development Bank of Puerto Rico.

(j) Any municipal securities, as defined by Section 3(a) (29) of the Securities Exchange Act of June 6, 1934, (15 U.S.C. 78, as amended), which are issued by this state or any local agency thereof.

SEC. 7. Section 53651 of the Government Code is amended to read:

53651. Eligible securities are any of the following:

(a) United States Treasury notes, bonds, bills or certificates of indebtedness, or obligations for which the faith and credit of the United States are pledged for the payment of principal and interest, including the guaranteed portions of small business administration loans, so long as the loans are obligations for which the faith and credit of the United States are pledged for the payment of principal and interest.

(b) Notes or bonds or any obligations of a local public agency (as defined in the United States Housing Act of 1949) or any obligations of a public housing agency (as defined in the United States Housing Act of 1937) for which the faith and credit of the United States are pledged for the payment of principal and interest.

(c) Bonds of this state or of any local agency or district of the State of California having the power, without limit as to rate or amount, to levy taxes or assessments to pay the principal and interest of the bonds upon all property within its boundaries subject to taxation or assessment by the local agency or district, and in addition, limited obligation bonds pursuant to Article 4 (commencing with Section 50665) of Chapter 3 of Division 1, senior obligation bonds pursuant to Article 5 (commencing with Section 53387) of Chapter 2.7, and revenue bonds and other obligations payable solely out of the revenues from a revenue-producing property owned, controlled or operated by the state, local agency or district or by a department, board, agency or authority thereof.

(d) Bonds of any public housing agency (as defined in the United States Housing Act of 1937, as amended) as are secured by a pledge of annual contributions under an annual contribution contract

between the public housing agency and the Public Housing Administration if such contract shall contain the covenant by the Public Housing Administration which is authorized by subsection (b) of Section 22 of the United States Housing Act of 1937, as amended, and if the maximum sum and the maximum period specified in the contract pursuant to that subsection 22(b) shall not be less than the annual amount and the period for payment which are requisite to provide for the payment when due of all installments of principal and interest on the obligations.

(e) Registered warrants of this state.

(f) Bonds, consolidated bonds, collateral trust debentures, consolidated debentures, or other obligations issued by the United States Postal Service, federal land banks or federal intermediate credit banks established under the Federal Farm Loan Act, as amended, debentures and consolidated debentures issued by the Central Bank for Cooperatives and banks for cooperatives established under the Farm Credit Act of 1933, as amended, consolidated obligations of the federal home loan banks established under the Federal Home Loan Bank Act, bonds, debentures and other obligations of the Federal National Mortgage Association or of the Government National Mortgage Association established under the National Housing Act, as amended, bonds of any federal home loan bank established under that act, bonds, debentures and other obligations of the Federal Home Loan Mortgage Corporation established under the Emergency Home Finance Act of 1970, and obligations of the Tennessee Valley Authority.

(g) Notes, tax anticipation warrants or other evidence of indebtedness issued pursuant to Article 7 (commencing with Section 53820), Article 7.5 (commencing with Section 53840) or Article 7.6 (commencing with Section 53850) of this Chapter 4.

(h) State of California notes.

(i) Bonds, notes, certificates of indebtedness, warrants or other obligations issued by: (1) any state of the United States (except this state), or the Commonwealth of Puerto Rico, or any local agency thereof having the power to levy taxes, without limit as to rate or amount, to pay the principal and interest of such obligations, or (2) any state of the United States (except this state), or the Commonwealth of Puerto Rico, or a department, board, agency or authority thereof except bonds which provide for or are issued pursuant to a law which may contemplate a subsequent legislative appropriation as an assurance of the continued operation and solvency of the department, board, agency or authority but which does not constitute a valid and binding obligation for which the full faith and credit of such state or the Commonwealth of Puerto Rico are pledged, which are payable solely out of the revenues from a revenue-producing source owned, controlled or operated thereby; provided the obligations issued by an entity described in (1), above, are rated in one of the three highest grades, and such obligations issued by an entity described in (2), above, are rated in one of the

two highest grades by a nationally recognized investment service organization that has been engaged regularly in rating state and municipal issues for a period of not less than five years.

(j) Obligations issued, assumed or guaranteed by the International Bank for Reconstruction and Development, Inter-American Development Bank, the Government Development Bank of Puerto Rico, the Asian Development Bank, the International Finance Corporation, or the African Development Bank.

(k) Participation certificates of the Export-Import Bank of the United States.

(*l*) Bonds and notes of the California Housing Finance Agency issued pursuant to Chapter 7 (commencing with Section 51350) of Part 3 of Division 31 of the Health and Safety Code.

(m) Promissory notes secured by first mortgages and first trust deeds which comply with Section 53651.2.

(n) Any bonds, notes, warrants, or other evidences of indebtedness of a nonprofit corporation issued to finance the construction of a school building or school buildings pursuant to a lease or agreement with a school district entered into in compliance with the provisions of Section 39315 or 81345 of the Education Code, and also any bonds, notes, warrants or other evidences of indebtedness issued to refinance those bonds, notes, warrants, or other evidences of indebtedness as specified in Section 39317 of the Education Code.

(o) Any municipal securities, as defined by Section 3(a)(29) of the Securities Exchange Act of June 6, 1934, (15 U.S.C. Sec. 78, as amended), which are issued by this state or any local agency thereof.

(p) With the consent of the treasurer, letters of credit issued by the Federal Home Loan Bank of San Francisco which comply with Section 53651.6.

SEC. 8. Section 1192.1 of the Insurance Code is amended to read:

1192.1. Excess funds investments may be made in bonds, notes or other obligations issued, assumed or guaranteed by the International Bank for Reconstruction and Development, or the Inter-American Development Bank, or the Government Development Bank for Puerto Rico, or the Asian Development Bank, the International Finance Corporation, or the African Development Bank. Investments held under the authority of this section at any one time shall not be in excess of 2½ percent of the insurer's admitted assets or an amount equal to 25 percent of the total of the capital and surplus of such insurer, whichever is the lesser. Percentage or dollar value of assets and surplus as provided herein shall be determined by the insurer's last preceding annual statement of conditions and affairs filed with the commissioner pursuant to law.

CHAPTER 1207

An act to amend Section 4801 of the Civil Code, relating to family law.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 4801 of the Civil Code is amended to read:

4801. (a) In any judgment decreeing the dissolution of a marriage or a legal separation of the parties, the court may order a party to pay for the support of the other party any amount, and for any period of time, as the court may deem just and reasonable, based on the standard of living established during the marriage. In making the award, the court shall consider all of the following circumstances of the respective parties:

(1) The extent to which the earning capacity of each spouse is sufficient to maintain the standard of living established during the marriage, taking into account all of the following:

(A) The marketable skills of the supported spouse; the job market for those skills; the time and expenses required for the supported spouse to acquire the appropriate education or training to develop those skills; and the possible need for retraining or education to acquire other, more marketable skills or employment.

(B) The extent to which the supported spouse's present or future earning capacity is impaired by periods of unemployment that were incurred during the marriage to permit the supported spouse to devote time to domestic duties.

(2) The extent to which the supported spouse contributed to the attainment of an education, training, a career position, or a license by the other spouse.

(3) The ability to pay of the supporting spouse, taking into account the supporting spouse's earning capacity, earned and unearned income, assets, and standard of living.

(4) The needs of each party based on the standard of living established during the marriage.

(5) The obligations and assets, including the separate property, of each.

(6) The duration of the marriage.

(7) The ability of the supported spouse to engage in gainful employment without interfering with the interests of dependent children in the custody of the spouse.

(8) The age and health of the parties.

(9) The immediate and specific tax consequences to each party.

(10) Any other factors which it deems just and equitable.

The court shall make specific factual findings with respect to the standard of living during the marriage, and, at the request of either

party, the court shall make appropriate factual determinations with respect to any other circumstances. The court may order the party required to make the payment of support to give reasonable security therefor. Any order for support of the other party may be modified or revoked as the court may deem necessary, except as to any amount that may have accrued prior to the date of the filing of the notice of motion or order to show cause to modify or revoke. Any order for spousal support may be made retroactive to the date of filing of the notice of motion or order to show cause therefor, or to any subsequent date. At the request of either party, the order of modification or revocation shall include a statement of decision and may be made retroactive to the date of filing of the notice of motion or order to show cause therefor, or to any subsequent date.

(b) Except as otherwise agreed by the parties in writing, the obligation of any party under any order or judgment for the support and maintenance of the other party shall terminate upon the death of either party or the remarriage of the other party.

(c) When a court orders a person to make specified payments for support of the other party for a contingent period of time, the liability of the person terminates upon the happening of the contingency. If the party to whom payments are to be made fails to notify the person ordered to make the payments, or the attorney of record of the person so ordered, of the happening of the contingency and continues to accept support payments, the supported party shall refund any moneys received which accrued after the happening of the contingency, except that the overpayments shall first be applied to any support payments which are then in default. The court may, in the original order for support, order the party to whom payments are to be made to notify the person ordered to make the payments, or his or her attorney of record, of the happening of the contingency.

(d) An order for payment of an allowance for the support of one of the parties shall terminate at the end of the period specified in the order and shall not be extended unless the court in its original order retains jurisdiction. Except upon written agreement of the parties to the contrary or a court order terminating spousal support, the court retains jurisdiction indefinitely where the marriage has been of long duration.

For purposes of retaining jurisdiction, there is a presumption affecting the burden of providing evidence, that a marriage of 10 years or more, from the date of marriage to the date of separation, is a marriage of long duration. However, the court may consider periods of separation during the marriage in determining whether the marriage is in fact of long duration. Nothing in this section precludes a court from determining that a marriage of less than 10 years is a marriage of long duration. Nothing in this section limits the court's discretion to terminate spousal support in subsequent proceedings upon a showing of changed circumstances.

The amendments to this subdivision enacted at the 1987 portion of the 1987–88 Regular Session apply in those proceedings pending on

January 1, 1988, in which the court has not entered a permanent spousal support order or in which the court order is subject to modification, and to any case filed on or after January 1, 1988.

(e) In any proceeding under this section the court may order either party to submit to an examination by a vocational training counselor. The examination shall include an assessment of the party's ability to obtain employment based upon the party's age, health, education, marketable skills, employment history, and the current availability of employment opportunities. The focus of the examination shall be on an assessment of the party's ability to obtain employment that would allow the party to maintain herself or himself at the marital standard of living. The order may be made only on motion, for good cause shown, and upon notice to the party to be examined and to all parties, and shall specify the time, place, manner, conditions, scope of the examination, and the person or persons by whom it is to be made. The party refusing to comply with such an order shall be subject to the same consequences provided for failure to comply with an examination ordered pursuant to Section 2032 of the Code of Civil Procedure.

(f) For the purposes of this section, "vocational training counselor" means an individual with sufficient knowledge, skill, experience, training, or education in interviewing, administering, and interpreting tests for analysis of marketable skills, formulating career goals, planning courses of training and study, and assessing the job market, to qualify as an expert in vocational training under Section 720 of the Evidence Code.

A vocational training counselor shall have at least the following qualifications:

(1) A masters degree in the behavioral sciences.

(2) Be qualified to administer and interpret inventories for assessing career potential.

(3) Demonstrated ability in interviewing clients and assessing marketable skills with understanding of age constraints, physical and mental health, previous education and experience, and time and geographic mobility constraints.

(4) Knowledge of current employment conditions, job market, and wages in the indicated geographic area.

(5) Knowledge of education and training programs in the area with costs and time plans for these programs.

(g) The court may order the supporting spouse to pay, in addition to spousal support, the necessary expenses and costs of the counseling, retraining, or education.

CHAPTER 1208

An act to add Article 3.3 (commencing with Section 15339.25) to Chapter 1 of Part 6.7 of Division 3 of Title 2 of the Government Code, relating to small business.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Article 3.3 (commencing with Section 15339.25) is added to Chapter 1 of Part 6.7 of Division 3 of Title 2 of the Government Code, to read:

Article 3.3. Minority and Women's Business

15339.25. (a) The Legislature finds and declares that the expansion and development of for-profit and nonprofit businesses owned or operated by women and minorities is vital to the overall growth and health of the California economy and further that ethnic groups by the year 2010 will become the majority of the state's population and will have a significant impact on the state's economy.

(b) No state entity is charged with collecting and interpreting business-related data which helps identify the reasons why minority and women-owned or operated businesses have significantly lower business participation rates than their nonminority male counterparts.

(c) The collection and dissemination of data and information pertaining to businesses owned by minorities and women will assist state government to take corrective action on, and to enact, programs and policies designed to encourage the full incorporation of those businesses into the California economy.

15339.26. The University of California is requested to conduct a study to review, analyze, and document information regarding the status of the state's minority and women-owned or operated businesses and their impact on the state's economy. The guidance of the California Policy Seminar may be sought in designing and undertaking the study.

15339.27. The university is requested to solicit grants, contributions, and appropriations from public agencies, private foundations, and individuals to support the study.

15339.28. The study shall collect data that shall include, but not be limited to, the following areas:

(a) Business industry or industries in which minority and women-owned or operated businesses are concentrated.

(b) Rates of ownership or operation of businesses by minorities and women, including the number of businesses owned per thousand.

(c) Number of employees, annual payroll, and overall record of sales and gross receipts.

(d) A description of state business development programs designed to support women and minority-owned or operated businesses.

(e) A comparison of the above factors with nonminority male business owners.

15339.29. It is the intent of the Legislature that the University of California's California Policy Seminar report the study's findings to the Governor, the Legislature, and the Small Business Development Board under the Department of Commerce on or before March 30, 1993.

15339.30. To accomplish the purposes of this article, the Secretary of the Business, Transportation and Housing Agency shall cooperate with the university in its conduct of the study and may assign employees from within the various departments of the agency, or request the assistance of other civil service and exempt positions in the various executive branch departments, to assist the university in conducting and completing the study. State agencies which shall make data available for the project, include, but are not limited to, the Franchise Tax Board, the State Board of Equalization, the Employment Development Department, and the Office of Small and Minority Business within the Department of General Services. Nothing in this section shall be construed to require an agency to disclose any confidential information that would link the data to the individual or business to whom it pertains.

SEC. 2. The study authorized by Section 15339.26 of the Government Code shall be subject to the availability of funding pursuant to Section 15339.27 of the Government Code. The Legislature requests that the University of California, the Department of Corrections, the Department of Transportation, and other appropriate state agencies supplement funding for the study pursuant to Section 15339.27 of the Government Code.

CHAPTER 1209

An act to amend Section 25200.4 of, to add Section 25186.3 to, and to add Article 1.5 (commencing with Section 42330) to Chapter 4 of Part 4 of Division 26 of, the Health and Safety Code, relating to the environment.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 25186.3 is added to the Health and Safety Code, to read:

25186.3. (a) The department shall prepare a written report pursuant to subdivision (b) whenever the department proposes to issue a hazardous waste facilities permit applied for pursuant to Section 25200 and the department has information that the applicant, or the applicant under any previous name or names, or, if the applicant is a business concern, any officer, director, or partner of the business concern, has been named as a party in any action involving violation of any statute, regulation, or requirement specified in Section 25186, excluding civil and administrative penalties of one thousand dollars ($1,000) or less at any hazardous waste facility issued a permit pursuant to this chapter, and that a conviction, judgment, or settlement has been entered during a three-year period preceding the date of application.

(b) The report shall list all convictions, judgments, and settlements relating to violations of any statutes, regulations, or requirements specified in Section 25186, excluding civil and administrative penalties of one thousand dollars ($1,000) or less at any hazardous waste facility issued a permit pursuant to this chapter, that occurred during the three-year period preceding the date of application. The listing of settlements shall include the following statement: "Settlements may or may not include admissions of guilt."

The report shall separately list all criminal convictions and those violations resulting in penalties of fifty thousand dollars ($50,000) or more and shall be included in the administrative record for the proposed permit.

(c) For the purposes of this section, the department may use criminal history information obtained from the Department of Justice to the extent that the information is necessary to list all convictions, judgments, and settlements as required by subdivision (b).

(d) This section does not apply to facilities that meet the requirements necessary to operate pursuant to the department's permit-by-rule regulations.

SEC. 2. Section 25200.4 of the Health and Safety Code is amended to read:

25200.4. (a) Any application to use and operate a hazardous waste facility made pursuant to Section 25200, other than one submitted by a federal, state, or local agency, shall include a disclosure statement.

(b) The department shall take into consideration information provided by the applicant in the disclosure statement, any information made available to the department pursuant to Section 25186.5, and any information contained in the written report prepared pursuant to Section 25186.3, in making a decision pursuant to Section 25186 whether to issue or deny a hazardous waste facilities permit to use and operate the hazardous waste facility.

(c) Notwithstanding this article, on and after July 1, 1992, the department shall not issue a hazardous waste facilities permit unless it has provided, or caused to be provided, public notice in a

newspaper of general circulation within the area affected by the proposed facility of its consideration of a hazardous waste facilities permit application for the proposed facility. If the department has information that the applicant, or the applicant under any previous name or names, or, if the applicant is a business concern, any officer, director, or partner of the business concern, has been named as a party in an action in any court or administrative tribunal involving violation of any statute, regulation, or requirement specified in Section 25186, and that a conviction, judgment, or settlement has been entered during a three-year period preceding the date of application, the public notice required by this section, and any other public notice which the department is required to provide relating to the issuance of the hazardous waste facilities permit, shall include a statement that information regarding the facility owner's environmental compliance record is included in the administrative record for the proposed permit.

(d) The notice required by subdivision (c) shall be in addition to, and shall not supplant, the notice required by subdivision (a) of Section 25199.7.

(e) This section does not apply to facilities that meet the requirements necessary to operate pursuant to the department's permit-by-rule regulations.

(f) This section shall remain in effect only until January 1, 1997, and as of that date is repealed, unless a later enacted statute, which is enacted on or before January 1, 1997, deletes or extends that date.

SEC. 3. Article 1.5 (commencing with Section 42330) is added to Chapter 4 of Part 4 of Division 26 of the Health and Safety Code, to read:

Article 1.5. District Review of a Permit Applicant's Compliance History

42330. The Legislature finds and declares that the effective regulation of air pollution emissions requires that permit applicants who have a demonstrated recurring pattern of air pollution control violations, and who have consistently refused to take the necessary steps to cooperate with a district to correct those violations, shall be subject to appropriate permit actions to bring them into compliance. The Legislature further finds that noncompliance may endanger the public health and safety and the environment and places permit applicants that are in compliance at a serious competitive disadvantage.

It is the intent of the Legislature in enacting this article to provide districts with an effective enforcement tool to bring noncompliant permit applicants into conformity with the applicable air pollution control laws and regulations. It is further the intent of the Legislature that any permit action authorized by this article shall be taken only after a district has attempted to bring the applicant into voluntary or required compliance, in accordance with the procedural and due

process requirements prescribed by this article.

42331. (a) Prior to issuing a permit pursuant to Article 1 (commencing with Section 42300), the air pollution control officer may review the compliance history of the applicant submitted to the district pursuant to Section 42336, under laws or regulations governing the control of air pollution, including the Clean Air Act (42 U.S.C. Sec. 7401 and following) and regulations adopted thereunder, and this division and regulations adopted pursuant to this division.

(b) In reviewing the applicant's compliance history, the officer shall take into account the size and complexity of the applicant's operations, the compliance history of all sources within the facility for which the permit is being sought, and the number of permits held by the applicant.

(c) For a permit for new or modified equipment at an existing facility, the officer's review of an applicant's compliance history shall be limited to the compliance history of the facility in question and the compliance history of other permitted sources at facilities owned, operated, or controlled by the applicant in the district. As used in this subdivision, "modified equipment" means any modification, including a change in the method of operation, that would require a permit modification under district rules.

42332. (a) Prior to renewing a permit, an air pollution control officer may review the compliance history of the source in question at the facility, as shown in district records, under laws or regulations governing the control of air pollution, including the Clean Air Act (42 U.S.C. Sec. 7401 and following) and regulations adopted thereunder, and this division and regulations adopted pursuant to this division.

(b) In reviewing an applicant's compliance history, the officer shall take into account the size and complexity of the applicant's operations and the number of permits held by the applicant.

42333. (a) An air pollution control officer may, pursuant to this article, deny a permit, refuse to renew a permit, or specify additional permit conditions to ensure compliance with applicable rules and regulations, if the officer determines that each of the following has occurred:

(1) In the three-year period preceding the date of application, the applicant has violated laws or regulations identified in subdivision (a) of Section 42331 and subdivision (a) of Section 42332 resulting in either excessive emissions or violations at a facility which is required to be permitted but is not permitted, owned or operated by the applicant.

(2) A notice of violation was issued for those violations.

(3) A variance was not in effect with respect to those violations.

(4) The violations demonstrate a recurring pattern of noncompliance or pose or have posed a significant risk to the public health or safety or to the environment.

(5) Notice and an opportunity for an office conference was

provided pursuant to Section 42334.

(b) This section does not apply to a permit to operate, or the renewal of such a permit, issued by an air pollution control officer for a facility which is owned or operated by an applicant, unless the applicant has met the criteria set forth in paragraphs (1) to (4), inclusive, of subdivision (a) at the source in question at that facility.

(c) For the purposes of determining a permit action under this section, the air pollution control officer shall take into consideration the size and complexity of the applicant's operations and the number of permits held by the applicant.

(d) The air pollution control officer's determination of whether to deny a permit shall be based upon all of the following:

(1) Whether the emissions violations forming the basis for the denial were the result of circumstances beyond the reasonable control of the applicant and could not have been prevented by the exercise of reasonable care.

(2) Whether a permit denial is not an appropriate action given the severity of the violations, or that the denial is not supported by the applicant's overall compliance history.

(3) Whether a permit denial is not an appropriate action because the equipment type, operational character, or emissions capacity of the sources where the violations occurred are significantly different than that of the source for which the permit is being sought.

(4) Whether the violation has been corrected in a timely fashion or reasonable progress is being made.

(5) Whether a permit denial is not an appropriate action because a variance has been granted with respect to those violations.

(6) Whether the violations demonstrate a recurring pattern of noncompliance or pose or have posed a significant risk to the public health or safety or to the environment.

(7) Whether notice and an opportunity for an office conference was provided pursuant to Section 42334.

(e) A permit denial pursuant to subdivision (a) which is based solely upon violations which have not been admitted by the applicant or otherwise established by law shall be set aside by a hearing board if a hearing has been requested by the applicant pursuant to Section 42302, unless the air pollution control officer, following the presentation of substantial evidence and the applicant's opportunity to rebut the evidence, proves that the violation did occur, and that denial is supported by the applicant's overall compliance history.

42334. If, in the course of enforcing existing permits and conducting inspections relative thereto, an air pollution control officer makes a preliminary determination that the person has met the criteria prescribed in paragraphs (1) to (4), inclusive, of subdivision (a) of Section 42333, the officer shall take all of the following actions:

(a) Notify the person, in writing, that the district has made a preliminary determination that the person has met those criteria and

that the district may take action pursuant to subdivision (a) of Section 42333. The notice shall include all facts relating to the preliminary determination which are known to the officer.

(b) Request, as part of the notification required by subdivision (a), that the person confer with the officer in an office conference to discuss the pattern of noncompliance.

(c) Conduct the office conference.

42335. A permit denied pursuant to Section 42333 shall be set aside by the hearing board under either of the following conditions:

(a) The applicant proves that either:

(1) The emissions violations forming the basis for the denial were the result of circumstances beyond the reasonable control of the applicant and could not have been prevented by the exercise of reasonable care.

(2) The denial is not an appropriate action given the severity of the violations, or is not supported by the applicant's overall compliance history.

(b) The violation has been corrected in a timely fashion or reasonable progress is being made.

42336. In addition to any other information required to be submitted, an applicant for a permit to construct or a permit to operate which involves a change of operator who has owned or operated a facility pursuant to a permit issued by any district shall provide a description of all emissions violations satisfying the criteria specified in paragraphs (1) to (3), inclusive, of subdivision (a) of Section 42333, under this division or any regulation adopted pursuant to this division, and the Clean Air Act (42 U.S.C. Sec. 7401 and following) or any regulations adopted thereunder, which occurred at any facility permitted by any district and owned or operated by the applicant in the state in the three years prior to the date of application.

42337. Any public notice provided by the district concerning the issuance of a permit to an applicant shall include, in addition to a description of the proposed project, a statement that information regarding the facility owner's compliance history submitted to the district pursuant to Section 42336, or otherwise known to the district, based on credible information, is available from the district for public review.

42338. Nothing in this article limits the existing authority of the district.

42339. This article does not apply to nuisance complaints based on odor emissions.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Moreover, no reimbursement is required by this act pursuant to Section 6 of Article

XIII B of the California Constitution for other costs because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1210

An act to amend Section 6650 of, to add Section 6652 to, and to repeal and add Section 6651 of, the Labor Code, relating to civil penalties.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 6650 of the Labor Code is amended to read:

6650. (a) After the expiration of the period during which a penalty may be appealed, no appeal having been filed, the department may file with the clerk of the superior court in any county a certified copy of the citation and notice of civil penalty, the certification by the department that the penalty remains unpaid, and the division's proof of service on the employer of the items filed with the clerk of the court.

(b) After the exhaustion of the review procedures provided for in Chapter 7 (commencing with Section 6600), an appeal having been filed, the department may file with the clerk of the superior court in any county a certified copy of the citation and notice of civil penalty, a certified copy of the order, findings or decision of the appeals board, the certification of the department that the penalty remains unpaid, and proof of service on the employer at the employer's address as shown on the official address record by the appeals board.

(c) The clerk, immediately upon the filing of a notice of civil penalty by the department pursuant to subdivision (a) or (b), shall enter judgment for the state against the person assessed the civil penalty in the amount of the penalty, plus interest due for each day from the date of issuance of the notice of civil penalty that the penalty remains unpaid.

(d) The department shall serve the notice of entry of judgment provided by Section 554.6 of the Code of Civil Procedure on the employer.

A judgment entered pursuant to this section shall bear the same rate of interest, have the same effect as other judgments, and be given the same preference allowed by law on other judgments

rendered for claims for taxes pursuant to Section 7170 of the Government Code. No fees shall be charged by the clerk of any court for the performance of any official service required by this chapter.

SEC. 2. Section 6651 of the Labor Code is repealed.

SEC. 3. Section 6651 is added to the Labor Code, to read:

6651. Notwithstanding Section 340 of the Code of Civil Procedure, an action to collect a civil penalty shall commence no later than three years from the date the notice of civil penalty is final.

SEC. 4. Section 6652 is added to the Labor Code, to read:

6652. The division shall provide the Contractors' State License Board with a certified copy of every notice of civil penalty deemed to be a final order pursuant to Section 6601 or after the exhaustion of all other review procedures pursuant to Chapter 7 (commencing with Section 6600) when both of the following have occurred:

(a) The employer served with the notice of civil penalty is, or is thought to be, a licensee licensed by the Contractors' State License Board.

(b) The employer referred to in subdivision (a) has failed to pay the civil penalty after a period of 60 days following that employer's receipt of the notice of civil penalty.

(c) When the employer has paid the civil penalty referenced in the certified copy of notice of civil penalty that was provided to the Contractors' State License Board, including all interest owed thereon, then the division shall provide to the employer who was the subject of the certified copy of notice a written confirmation or receipt stating that the employer has paid the amount owed that was the subject of the certified notice provided to the board.

CHAPTER 1211

An act to add Section 19549.13 to the Business and Professions Code, relating to horseracing.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Section 19549.13 is added to the Business and Professions Code, to read:

19549.13. (a) Fairs that conduct racing meetings in the northern zone may, and horsemen's organizations that represent horsemen who participate at fair racing meetings in the northern zone shall, jointly develop a program to provide for stabling and training facilities. This program shall be based on the anticipated inventory of horses and the number of available stalls and locations.

(b) Participating fairs and horsemen's organizations shall annually ratify an agreement which includes provisions governing

the operation of the stabling and training facilities. The agreement shall also specify the conditions under which a participating fair may terminate its participation in the program.

(c) Individual horsemen who elect to participate in the program shall be required to sign standard agreements with the participating fair governing the operation of the program. The agreements shall contain provisions that govern the operation of the program, including, but not be limited to, insurance coverage and payment of a security deposit.

(d) All agreements provided for in this section shall be approved by the board.

(e) Each fair that conducts racing meetings in the northern zone may elect whether to participate in the stabling and training program.

CHAPTER 1212

An act to amend Section 65962.5 of the Government Code, and to amend Section 21084 of, and to add Section 21092.6 to, the Public Resources Code, relating to environmental quality.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 65962.5 of the Government Code is amended to read:

65962.5. (a) The Department of Toxic Substances Control shall compile and update as appropriate, but at least annually, and shall submit to the Secretary for Environmental Protection, a list of all of the following:

(1) All hazardous waste facilities subject to corrective action pursuant to Section 25187.5 of the Health and Safety Code.

(2) All land designated as hazardous waste property or border zone property pursuant to Article 11 (commencing with Section 25220) of Chapter 6.5 of Division 20 of the Health and Safety Code.

(3) All information received by the Department of Toxic Substances Control pursuant to Section 25242 of the Health and Safety Code on hazardous waste disposals on public land.

(4) All sites listed pursuant to Section 25356 of the Health and Safety Code.

(5) All sites included in the Abandoned Site Assessment Program.

(b) The State Department of Health Services shall compile and update as appropriate, but at least annually, and shall submit to the Secretary for Environmental Protection, a list of all public drinking water wells which contain detectable levels of organic contaminants and which are subject to water analysis pursuant to Section 4026.2 or

4026.3 of the Health and Safety Code.

(c) The State Water Resources Control Board shall compile and update as appropriate, but at least annually, and shall submit to the Secretary for Environmental Protection, a list of all of the following:

(1) All underground storage tanks for which an unauthorized release report is filed pursuant to Section 25295 of the Health and Safety Code.

(2) All solid waste disposal facilities from which there is a migration of hazardous waste and for which a California regional water quality control board has notified the Department of Toxic Substances Control pursuant to subdivision (e) of Section 13273 of the Water Code.

(3) All cease and desist orders issued after January 1, 1986, pursuant to Section 13301 of the Water Code, and all cleanup or abatement orders issued after January 1, 1986, pursuant to Section 13304 of the Water Code, which concern the discharge of wastes which are hazardous materials.

(d) The local enforcement agency, as designated pursuant to Section 18051 of Title 14 of the California Code of Regulations, shall compile as appropriate, but at least annually, and shall submit to the California Integrated Waste Management Board, a list of all solid waste disposal facilities from which there is a known migration of hazardous waste. The California Integrated Waste Management Board shall compile the local lists into a statewide list which shall be submitted to the Secretary for Environmental Protection and shall be available to any person who requests the information.

(e) The Secretary for Environmental Protection shall consolidate the information submitted pursuant to this section and distribute it in a timely fashion to each city and county in which sites on the lists are located. The secretary shall distribute the information to any other person upon request. The secretary may charge a reasonable fee to persons requesting the information, other than cities, counties, or cities and counties, to cover the cost of developing, maintaining, and reproducing and distributing the information.

(f) Before a lead agency accepts as complete an application for any development project which will be used by any person, the applicant shall consult the lists sent to the appropriate city or county and shall submit a signed statement to the local agency indicating whether.the project and any alternatives are located on a site which is included on any of the lists compiled pursuant to this section and shall specify any list. If the site is included on a list, and the list is not specified on the statement, the lead agency shall notify the applicant pursuant to Section 65943. The statement shall read as follows:

HAZARDOUS WASTE AND SUBSTANCES STATEMENT

The development project and any alternatives proposed in this application are contained on the lists compiled pursuant to Section 65962.5 of the Government Code. Accordingly, the project

applicant is required to submit a signed statement which contains the following information:

Name of applicant:
Address:
Phone number:
Address of site (street name and number if available, and ZIP Code):
Local agency (city/county):
Assessor's book, page, and parcel number:
Specify any list pursuant to Section 65962.5 of the Government Code:
Regulatory identification number:
Date of list:

Applicant, date

(g) The changes made to this section by the act amending this section, which takes effect January 1, 1992, apply only to projects for which applications have not been deemed complete on or before January 1, 1992, pursuant to Section 65943.

SEC. 2. Section 21084 of the Public Resources Code is amended to read:

21084. (a) The guidelines prepared and adopted pursuant to Section 21083 shall include a list of classes of projects which have been determined not to have a significant effect on the environment and which shall be exempt from this division. In adopting the guidelines, the Secretary of the Resources Agency shall make a finding that the listed classes of projects referred to in this section do not have a significant effect on the environment.

(b) No project which may result in damage to scenic resources, including, but not limited to, trees, historic buildings, rock outcroppings, or similar resources, within a highway designated as an official state scenic highway, pursuant to Article 2.5 (commencing with Section 260) of Chapter 2 of Division 1 of the Streets and Highways Code, shall be exempted from this division pursuant to subdivision (a). This subdivision does not apply to improvements as mitigation for a project for which a negative declaration has been approved or an environmental impact report has been certified.

(c) No project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code shall be exempted from this division pursuant to subdivision (a).

(d) The changes made to this section by the act amending this section, which takes effect January 1, 1992, apply only to projects for which applications have not been deemed complete on or before January 1, 1992, pursuant to Section 65943 of the Government Code.

SEC. 3. Section 21092.6 is added to the Public Resources Code, to read:

21092.6. (a) The lead agency shall consult the lists compiled pursuant to Section 65962.5 of the Government Code to determine whether the project and any alternatives are located on a site which

is included on any list. The lead agency shall indicate whether a site is on any list not already identified by the applicant. The lead agency shall specify the list and include the information in the statement required pursuant to subdivision (f) of Section 65962.5 of the Government Code, in the notice required pursuant to Section 21080.4, a negative declaration, and a draft environmental impact report. The requirement in this section to specify any list shall not be construed to limit compliance with this division.

(b) If a project or any alternatives are located on a site which is included on any of the lists compiled pursuant to Section 65962.5 of the Government Code and the lead agency did not accurately specify or did not specify any list pursuant to subdivision (a), the California Environmental Protection Agency shall notify the lead agency specifying any list with the site when it receives notice pursuant to Section 21080.4, a negative declaration, and a draft environmental impact report. The California Environmental Protection Agency shall not be liable for failure to notify the lead agency pursuant to this subdivision.

(c) This section applies only to projects for which applications have not been deemed complete pursuant to Section 65943 of the Government Code on or before January 1, 1992.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1213

An act to amend Sections 1240, 35035, 39602, 39603, 41320.1, 42100, 42103, 42127, 42127.1, 42127.2, 42127.3, and 42127.4 of, to amend and renumber Section 35014 of, to add Sections 42127.6, 42127.8, 42127.9, 42132, 42133, and 42134 to, to add Article 2.5 (commencing with Section 41325) to Chapter 3 of Part 24 of, to add Article 3 (commencing with Section 42130) to Chapter 6 of Part 24 of, to repeal and add Article 2 (commencing with Section 1620) of Chapter 5 of Part 2 of, and to repeal Sections 35015, 42102, and 42120 of, the Education Code, and to add Section 3547.5 to the Government Code, relating to school finance, and making an appropriation therefor.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1240 of the Education Code is amended to read:

1240. The superintendent of schools of each county shall:

(a) Superintend the schools of his or her county.

(b) Visit and examine each school in his or her county at reasonable intervals to observe its operation and to learn of its problems. He or she may annually present a report of the state of the schools in his or her county, and of his or her office, including, but not limited to, his or her observations while visiting the schools, to the board of education and the board of supervisors of his or her county.

(c) Distribute all laws, reports, circulars, instructions, and blanks that he or she may receive for the use of the school officers.

(d) Keep in his or her office the reports of the Superintendent of Public Instruction.

(e) Keep a record of his or her official acts, and of all the proceedings of the county board of education, including a record of the standing, in each study, of all applicants for certificates who have been examined, which shall be open to the inspection of any applicant or his or her authorized agent.

(f) Enforce the course of study.

(g) Enforce the use of state textbooks and of high school textbooks regularly adopted by the proper authority.

(h) Preserve carefully all reports of school officers and teachers.

(i) Deliver to his or her successor, at the close of his or her official term, all records, books, documents, and papers belonging to the office, taking a receipt for them, which shall be filed with the State Department of Education.

(j) Submit two reports during the fiscal year to the county board of education in accordance with the following:

(1) The first report shall cover the financial and budgetary status of the county office of education for the period ending October 31. The second report shall cover the period ending January 31. Both reports shall be reviewed by the county board of education and approved by the county superintendent of schools no later than 45 days after the close of the period being reported.

(2) As part of each report, the superintendent shall certify in writing whether or not the county office of education is able to meet its financial obligations for the remainder of the fiscal year and, based on current forecasts, for the subsequent fiscal year. The certifications shall be classified as positive, qualified, or negative, pursuant to standards prescribed by the Superintendent of Public Instruction, for the purposes of determining subsequent state agency actions pursuant to Section 1240.1. For purposes of this subdivision, a

negative certification shall be assigned to any county office of education that likely will be unable to meet its financial obligations for the remainder of the fiscal year or for which existing expenditures practices jeopardize the ability of the county office of education to meet its multiyear financial commitments. In accordance with those standards, the Superintendent of Public Instruction may reclassify any certification. As to any county office of education having a negative certification, the Superintendent of Public Instruction or his or her designee may exercise the authority set forth in subdivision (b) of Section 1630. Copies of each certification, and of the report containing that certification, shall be sent to the Superintendent of Public Instruction at the time the certification is submitted to the county board of education. Copies of each qualified or negative certification, and of the report containing that certification, shall be sent to the Controller at the time the certification is submitted to the county board of education.

(3) All reports and certifications required under this subdivision shall be in a format or on forms prescribed by the Superintendent of Public Instruction, and shall be based on standards and criteria for fiscal stability adopted by the State Board of Education pursuant to Section 33127. The reports, and supporting data, shall be made available by the county superintendent of schools to any interested party upon request.

(4) This subdivision does not preclude the submission of additional budgetary or financial reports by the superintendent to the county board of education or to the Superintendent of Public Instruction.

(k) When so requested, act as agent for the purchase of supplies for the city and high school districts of his or her county.

(*l*) For purposes of Section 44421.5, report to the Commission on Teacher Credentialing the identity of any certificated person who knowingly and willingly reports false fiscal expenditure data relative to the conduct of any educational program. This requirement applies only if, in the course of his or her normal duties, the county superintendent of schools discovers information that gives him or her reasonable cause to believe that false fiscal expenditure data relative to the conduct of any educational program has been reported.

SEC. 2. Article 2 (commencing with Section 1620) of Chapter 5 of Part 2 of the Education Code is repealed.

SEC. 3. Article 2 (commencing with Section 1620) is added to Chapter 5 of Part 2 of the Education Code, to read:

Article 2. County Office of Education Budget Approval

1620. On or before July 1 each fiscal year, the county board of education shall hold a public hearing on the proposed county school service fund budget for that fiscal year (the "budget year"). The public hearing shall be held prior to the adoption of the budget by the county board of education, and shall occur not less than three

days following the availability of the proposed budget for public inspection. At the hearing, any taxpayer directly affected by the county school service fund budget may appear before the county board of education and speak on the proposed budget or any item therein.

1621. (a) The single-fund budget shall be prepared in the form prescribed and furnished by the Superintendent of Public Instruction and shall be the county school service fund budget. The budget shall show a complete plan and itemized statement of all proposed expenditures in each fund of the county office of education, of estimated cash balances, and of all estimated revenues for the budget year, and shall include an estimate of those figures, unaudited, for the fiscal year immediately preceding the budget year.

(b) The budget may contain an amount to be known as the general reserve, in such sum as the county board of education may deem sufficient to meet the cash requirements of the fiscal year next succeeding the budget year until adequate proceeds of the taxes levied or of the apportionment of state funds are available.

(c) The budget may contain a fund balance designated for any specific purpose as determined by the county board of education. Those funds shall be available for appropriation by a majority vote of the members of the county board of education.

1622. (a) On or before July 1 each fiscal year, the county board of education shall adopt an annual budget for the budget year and shall file that budget with the Superintendent of Public Instruction, the county board of supervisors, and the county auditor. The budget, and supporting data, shall be maintained and made available for public review. The budget shall indicate the date, time, and location at which the county board of education held the public hearing required under Section 1620.

(b) The Superintendent of Public Instruction shall examine the budget to determine whether it complies with the standards and criteria adopted by the State Board of Education pursuant to Section 33127 for application to final local educational agency budgets, and shall identify any technical corrections to the budget that must be made. On or before August 1, the Superintendent of Public Instruction shall approve or disapprove the budget and, in the event of a disapproval, transmit to the county office of education in writing his or her recommendations regarding revision of the budget and the reasons for those recommendations.

(c) On or before September 1, the county board of education shall revise the county office of education budget to reflect changes in projected income or expenditures subsequent to July 1, and to include any response to the recommendations of the Superintendent of Public Instruction, shall adopt the revised budget, and shall file the revised budget with the Superintendent of Public Instruction, the county board of supervisors, and the county auditor. Prior to revising the budget, the county board of education shall hold a public hearing

regarding the proposed revisions, which shall be made available for public inspection not less than three working days prior to the hearing. The revised budget, and supporting data, shall be maintained and made available for public review.

(d) The Superintendent of Public Instruction shall examine the revised budget to determine whether it complies with the standards and criteria adopted by the State Board of Education pursuant to Section 33127 for application to final local educational agency budgets and, no later than September 15, shall approve or disapprove the revised budget. If the Superintendent of Public Instruction disapproves the budget, he or she shall call for the formation of a budget review committee pursuant to Section 1623.

(e) Notwithstanding any other provision of this section, the budget review for a county office of education shall be governed by paragraphs (1), (2), and (3) of this subdivision, rather than by subdivisions (c) and (d), if the county board of education so elects, and notifies the Superintendent of Public Instruction in writing of that decision, no later than October 31 of the immediately preceding calendar year.

(1) In the event of the disapproval of the budget of a county office of education pursuant to subdivision (b), on or before September 1, the county superintendent of schools and the county board of education shall review the recommendations of the Superintendent of Public Instruction at a regularly scheduled meeting of the county board of education and respond to those recommendations. That response shall include the proposed actions to be taken, if any, as a result of those recommendations.

(2) No later than five working days after receiving the response required under paragraph (1), the Superintendent of Public Instruction shall review that response and either approve or disapprove the budget of the county office of education. If the Superintendent of Public Instruction disapproves the budget, he or she shall call for the formation of a budget review committee pursuant to Section 1623.

(3) Not later than 45 days after the Governor signs the annual Budget Act, the county office of education shall make available for public review any revisions in revenues and expenditures that it has made to its budget to reflect the funding made available by that Budget Act.

1623. (a) The budget review committee shall be composed of three persons and shall be selected by the county superintendent of schools and the county board of education solely from a list of no fewer than five candidates provided by the Superintendent of Public Instruction. The candidates shall be persons who have expertise in the management of a school district or county office of education, including, but not be limited to, the fiscal and educational aspects of that management.

(b) No later than five working days after the receipt of the candidate list described in subdivision (a), the county

superintendent of schools and the county board of education shall select the budget review committee. If the county superintendent of schools and the county board of education fail to select a committee within the period of time permitted by this subdivision, the Superintendent of Public Instruction instead shall select and convene the budget review committee no later than 10 working days after the receipt by the county superintendent of schools and the county board of education of the candidate list.

(c) No later than October 31, the budget review committee shall review the proposed budget of the county office of education and the underlying fiscal policies of that county office of education, and shall transmit to the Superintendent of Public Instruction, the county superintendent of schools, and the county board of education either of the following:

(1) The recommendation that the budget be approved.

(2) A report disapproving the budget and setting forth recommendations for revisions to the budget that would enable the county office of education to meet its financial obligations both in the budget year and with regard to multiyear financial commitments.

(d) Upon the request of the budget review committee, the Superintendent of Public Instruction may extend the deadline set forth in subdivision (c) for a period of not more than 15 working days.

(e) The Superintendent of Public Instruction shall develop criteria and procedures governing the performance by budget review committees of their duties under this section.

(f) The members of the budget review committee shall be reimbursed for their services and associated expenses while on official business, at rates established by the State Board of Education.

1624. (a) If the budget review committee established pursuant to Section 1623 disapproves the budget of the county office of education, within five working days following the receipt of the committee's report, the county superintendent of schools and the county board of education may submit a response to the Superintendent of Public Instruction, including any revisions to the adopted budget and any other proposed action to be taken as a result of the recommendations of the budget review committee.

(b) Based upon the recommendations of the budget review committee provided pursuant to subdivision (c) of Section 1623, and any response provided pursuant to subdivision (a), the Superintendent of Public Instruction shall either approve or disapprove the budget of the county office of education. If the Superintendent of Public Instruction disapproves the budget, the superintendent or his or her designee may do any of the following for the remainder of the current fiscal year:

(1) On or before November 30, develop and adopt, in consultation with the county superintendent of schools and the county board of education, a fiscal plan and budget for the county office of education that will allow the county office of education to meet its financial obligations both in the budget year and with regard to the multiyear

financial commitments. The county board of education and the county superintendent of schools shall govern the operation of the county office of education for the budget year in accordance with that fiscal plan and budget. The deadline set forth in this paragraph shall be modified to reflect any extension granted under subdivision (d) of Section 1623.

(2) Cancel purchase orders, prohibit the issuance of nonsalary warrants, and otherwise stay or rescind any action that is inconsistent with the fiscal plan and budget adopted pursuant to paragraph (1). The Superintendent of Public Instruction shall inform the county board of education and the county superintendent of schools in writing of his or her justification for any exercise of authority under this paragraph.

(3) Monitor and review the operation of the county office of education.

(c) The county office of education shall pay reasonable fees charged by the Superintendent of Public Instruction for actual administrative expenses incurred pursuant to subdivision (b).

(d) This section shall not be construed to authorize the Superintendent of Public Instruction to abrogate any provision of a collective bargaining agreement that was entered into by a county office of education prior to the date upon which the Superintendent of Public Instruction disapproved the budget of the county office of education pursuant to subdivision (b).

(e) As he or she deems necessary for the purposes set forth in subdivision (b), the Superintendent of Public Instruction may seek from the county office of education, or otherwise obtain, additional information regarding the budget or operations of the county office of education, through a financial or management review of the county office of education, a cash-flow projection, or other appropriate means.

1625. The county superintendent of schools for any county office of education that reports a negative unrestricted fund balance or a negative cash balance in the annual report required by Section 1622 or in the audited annual financial statements required by Section 41020 shall include, with the budget submitted in accordance with Section 1622 and the certifications required by subdivision (e) of Section 1241, a statement identifying the reasons for the negative unrestricted fund balance or negative cash balance and the steps that will be taken to ensure that the negative balance will not occur at the end of the budget year.

1626. Until the time the county office of education receives approval of its budget under this article, the county office of education shall continue to operate on the basis of the last budget adopted or revised for the county office of education for the fiscal year immediately preceding the budget year.

1627. The county school service fund shall be audited annually by a public accountant or a certified public accountant selected by the county superintendent of schools. The cost of the audit shall be a

legal charge against the county school service fund.

1628. On or before September 15 each year, the county superintendent of schools shall prepare and file with the Superintendent of Public Instruction a statement of all receipts and expenditures of the county office of education for the preceding fiscal year. The statement shall be in a format or on forms prescribed by the Superintendent of Public Instruction.

1629. On or before September 15 each year, the county board of education shall adopt a resolution to identify, pursuant to Division 9 (commencing with Section 7900) of Title 1 of the Government Code, the estimated appropriations limit for the county office of education for the current fiscal year and the actual appropriations limit for the county office of education for the preceding fiscal year. That resolution shall be adopted at a regular or special meeting of the board. The documentation used in the identification of the appropriations limits shall be made available to the public not less than 15 days prior to the date of that meeting.

1630. (a) The Superintendent of Public Instruction shall monitor the operation of each county office of education pursuant to the budget adopted for that agency. If the Superintendent of Public Instruction determines that a county office of education will be unable to meet its financial obligations for the current or subsequent fiscal year, he or she shall notify the county board of education and the county superintendent of schools in writing of that determination, and of the basis for the determination. In addition, subsequent to that determination, the Superintendent of Public Instruction may do either or both of the following:

(1) Assign a fiscal advisor to assist the county office of education.

(2) Conduct a study of the finances of the county office of education and recommend to the county board of education and the county superintendent of schools actions to enable the county office of education to meet those obligations.

(b) If, subsequent to the receipt of recommendations provided pursuant to paragraph (2) of subdivision (a), the county board of education and the county superintendent of schools fail to take appropriate action to enable the county office of education to meet its financial obligations, the Superintendent of Public Instruction or his or her designee, in consultation with the county board of education and the county superintendent of schools, may do one or more of the following for the remainder of the current fiscal year:

(1) Develop and impose, in consultation with the county board of education and the county superintendent of schools, revisions to the county office of education budget that will enable the county office of education to meet its financial obligations.

(2) Stay or rescind any action that is inconsistent with any revision adopted pursuant to paragraph (1). The Superintendent of Public Instruction shall inform the county board of education and the county superintendent of schools in writing of his or her justification for any exercise of authority under this paragraph.

(c) The county office of education shall pay reasonable fees charged by the Superintendent of Public Instruction for actual administrative expenses incurred pursuant to subdivision (b).

(d) This section does not authorize the Superintendent of Public Instruction to abrogate any provision of a collective bargaining agreement that was entered into by a county office of education prior to the date upon which the Superintendent of Public Instruction assumed authority pursuant to subdivision (b).

SEC. 4. Section 35014 of the Education Code is amended and renumbered to read:

42131. (a) (1) Pursuant to the reports required by Section 42130, the governing board of each school district shall certify, in writing, within 45 days after the close of the period being reported, whether or not the school district is able to meet its financial obligations for the remainder of the fiscal year and, based on current forecasts, for the subsequent fiscal year. These certifications shall be based upon the board's assessment, on the basis of standards and criteria for fiscal stability adopted by the State Board of Education pursuant to Section 33127, of the district budget, as revised to reflect current information regarding the adopted state budget, district property tax revenues pursuant to Sections 95 to 100, inclusive, of the Revenue and Taxation Code, and ending balances for the preceding fiscal year as reported pursuant to Section 42100. The certifications shall be classified as positive, qualified, or negative, as prescribed by the Superintendent of Public Instruction for the purposes of determining subsequent actions by the Superintendent of Public Instruction, the Controller, or the county superintendent of schools, pursuant to subdivisions (b) and (c). These certifications shall be based upon the financial and budgetary reports required by Section 42130 but may include additional financial information known by the governing board to exist at the time of each certification. For purposes of this subdivision, a negative certification shall be assigned to any school district that likely will be unable to meet its financial obligations for the remainder of the fiscal year or for which existing expenditures practices jeopardize the ability of the district to meet its multiyear financial commitments.

(2) A copy of each certification and a copy of the report submitted to the governing board pursuant to Section 42130 shall be filed with the county superintendent of schools. If a county office of education receives a positive certification when it determines a negative or qualified certification should have been filed, the county superintendent of schools shall change the certification to negative or qualified, as appropriate, and, no later than 60 days after the close of the period being reported, shall provide notice of that action to the governing board of the school district and to the Superintendent of Public Instruction. No later than five days after a school district receives notice of a change by the county superintendent of schools in the district's certification to negative or qualified, the governing board of the district may submit an appeal to the Superintendent of

Public Instruction regarding the validity of that change, in accordance with the criteria applied to those designations pursuant to this subdivision. No later than 30 days after receiving that appeal, the Superintendent of Public Instruction shall determine the certification to be assigned to the district, and shall notify the school district governing board and the county superintendent of schools of that determination.

Copies of any certification in which the governing board is unable to certify unqualifiedly that these financial obligations will be met and a copy of the report submitted to the governing board pursuant to Section 42130 shall be sent to the Controller and the Superintendent of Public Instruction at the time of the certification, together with a completed transmittal form provided by the Superintendent of Public Instruction. Within 60 days after the close of the reporting period on all school district certifications that are classified as qualified or negative pursuant to this section, the appropriate county superintendent of schools shall submit to the Superintendent of Public Instruction and the Controller his or her comments on those certifications and report any action proposed or taken pursuant to subdivision (b).

(3) All reports and certifications required under this subdivision shall be in a format or on forms prescribed by the Superintendent of Public Instruction, and shall be based on standards and criteria for fiscal stability adopted by the State Board of Education pursuant to Section 33127.

(4) This subdivision shall not preclude the submission of additional budgetary or financial reports by the county superintendent of schools to the district governing board, or to the Superintendent of Public Instruction.

(b) As to any school district having a negative or qualified certification, the county superintendent of schools may do one or more of the following:

(1) Exercise the authority granted in Section 42637, in accordance with the provisions of that section.

(2) Direct the district to submit to the county superintendent of schools a proposal for addressing the fiscal conditions that resulted in the negative or qualified certification.

(3) As to any school district having a negative certification, exercise the authority granted in subdivision (c) of Section 42127.6, in accordance with the provisions of that section.

(c) Whenever a district governing board transmits to the Controller and the Superintendent of Public Instruction a qualified or negative certification as required by subdivision (a), the Superintendent of Public Instruction, in cooperation with the Controller's office, shall review the certification and the attached report together with the comments of the county superintendent of schools and any other pertinent information available to them, and shall review the actions proposed or taken by the county superintendent of schools pursuant to subdivision (b). After

consulting with the county superintendent of schools, the Superintendent of Public Instruction, in cooperation with the Controller's office, may take the following actions, or other actions as appropriate:

(1) With respect to qualified certifications, direct the county superintendent of schools to exercise his or her authority as prescribed in Section 42637.

(2) With respect to negative certifications, conduct an onsite review, direct the county superintendent of schools to exercise the authority granted in Section 42637 or in subdivision (c) of Section 42127.6, or direct the district to prepare alternative plans for resolving the identified fiscal problems.

(d) Within 60 days after the close of each reporting period, each county superintendent of schools shall report to the Controller and the Superintendent of Public Instruction as to whether the governing board of each of the school districts under his or her jurisdiction has submitted the certification required by subdivision (a). That report shall account for all districts under the jurisdiction of the county office of education and indicate the type of certification filed by each district.

(e) The Controller's office may conduct an audit or review of the fiscal condition of any district having a negative or qualified certification.

(f) The governing board of each school district that files a qualified or negative certification for the second report required for any fiscal year under Section 42130, or for which the second report is classified as qualified or negative by the county superintendent of schools, shall provide to the county superintendent of schools, the Controller, and the Superintendent of Public Instruction no later than June 1, a financial statement that projects the fund and cash balances of the district as of June 30. The governing boards of all other school districts are encouraged to develop a similar financial statement for use in developing the beginning fund balances of the district for the ensuing fiscal year.

(g) Any school district for which the county board of education serves as the governing board is not subject to subdivisions (a) to (f), inclusive, but is governed instead by the interim report, monitoring, and review procedures set forth in subdivision (j) of Section 1240 and in Article 2 (commencing with Section 1620) of Chapter 5 of Part 2.

SEC. 5. Section 35015 of the Education Code is repealed.

SEC. 6. Section 35035 of the Education Code is amended to read:

35035. The superintendent of each school district shall, in addition to any other powers and duties granted to or imposed upon him or her:

(a) Be the chief executive officer of the governing board of the district.

(b) Except in a district where the governing board has appointed or designated an employee other than the superintendent, or a deputy, or assistant superintendent, to prepare and submit a budget,

prepare and submit to the governing board of the district, at the time it may direct, the budget of the district for the next ensuing school year, and revise and take other action in connection with the budget as the board may desire.

(c) Subject to the approval of the governing board, assign all employees of the district employed in positions requiring certification qualifications, to the positions in which they are to serve. This power to assign includes the power to transfer a teacher from one school to another school at which the teacher is certificated to serve within the district when the superintendent concludes that the transfer is in the best interest of the district.

(d) Upon adoption, by the district board, of a district policy concerning transfers of teachers from one school to another school within the district, have authority to transfer teachers consistent with that policy.

(e) Determine that each employee of the district in a position requiring certification qualifications has a valid certificated document registered as required by law authorizing him or her to serve in the position to which he or she is assigned.

(f) Enter into contracts for and on behalf of the district pursuant to Section 39656.

(g) Submit financial and budgetary reports to the governing board as required by Section 42130.

SEC. 7. Section 39602 of the Education Code is amended to read:

39602. (a) The governing board of any school district, by resolution, may establish a fund or funds for losses, and payments, including, but not limited to, health and welfare benefits for its employees as defined by Section 53200 of the Government Code, school district property, any liability, and workers' compensation, in the county treasury for the purpose of covering the deductible amount under deductible types of insurance policies, losses or payments arising from self-insurance programs, or losses or payments due to noninsured perils. In the fund or funds shall be placed those sums, to be provided in the budget of the school district, that will create an amount that, together with investments made from the fund or funds, will be sufficient in the judgment of the governing board to protect the school district from those losses or to provide for payments on the deductible amount under deductible types of insurance policies, losses or payments arising from self-insurance programs, or losses or payments due to noninsured perils. Nothing in this section shall be construed to prohibit the governing board from providing protection against those losses or liability for the payment of claims partly by means of the fund or funds and partly by means of insurance written by acceptable insurers as provided in Section 39601.

The fund or funds shall be considered as separate and apart from all other funds of the school district, and the balance therein shall not be considered to be part of the working cash of the school district in compiling annual budgets.

Warrants may be drawn on or transfers made from the fund or funds so created only to reimburse or indemnify the school district for losses as herein specified, and for the payment of claims, administrative costs, and related services, and to provide for deductible insurance amounts and purchase of excess insurance. The warrants or transfers shall be within the purpose of the fund or funds as established by resolution of the governing board.

The cash placed in the fund or funds may be invested and reinvested by the county treasurer, with the advice and consent of the governing board of the school district, in securities that are legal investments for surplus county funds in this state. The income derived from the investments, together with interest earned on uninvested funds, shall be considered revenue of, and be deposited in, the fund. The cost of contracts or services authorized by this section are appropriate charges against the respective fund.

The governing board may contract for investigative, administrative, and claims adjustment services relating to claims. The contract may provide that the contracting firm may reject, settle, compromise, and approve claims against the district, or its officers or employees, within the limits and for amounts that the governing board may specify, and may provide that the contracting firm may execute and issue checks in payment of those claims, which checks shall be payable only from a trust account that may be established by the governing board. Funds in the trust account established by the board pursuant to this section shall not exceed a sum that is sufficient, as determined by the governing board to provide for the settlement of claims for a 30-day period. The rejection or settlement and approval of a claim by the contracting firm in accordance with the terms of the contract shall have the same effect as would the rejection or settlement and approval of such a claim by the governing board.

The contract may also provide that the contracting firm may employ legal counsel, subject to terms and limitations that the board may prescribe, to advise the contracting firm concerning the legality and advisability of rejecting, settling, compromising, and paying claims referred to the contracting firm by the board for investigation and adjustment, or to represent the board in litigation concerning the claims. The compensation and expenses of the attorney for services rendered to the board shall be an appropriate charge against the appropriate fund.

The contract provided for in this section may contain other terms and conditions that the governing board may consider necessary or desirable to effectuate the board's self-insured programs.

In lieu of, or in addition to, contracting for the services described in this section, the governing board may authorize an employee or employees to perform any or all of the services and functions for which the board may contract under the provisions of this section.

(b) As used in this section:

(1) "Firm" includes a person, corporation, or other legal entity,

including a county superintendent of schools.

(2) "Governing boards" includes governing boards of school districts and county superintendents of schools.

(3) "School district" includes a county superintendent of schools who may participate in or administer insurance or self-insurance programs for the county office of education or for one or more school districts.

(c) A county superintendent of schools may participate in or administer insurance for one or more school districts pursuant to this section or for one or more community college districts pursuant to Section 81602, for any combination of school districts and community college districts pursuant to this section and Section 81602.

(d) Prior to funding health and welfare benefits pursuant to this section, the school district shall secure the services of an actuary enrolled under subtitle C of Title III of the federal Employee Retirement Income Security Act of 1974, to provide actuarial evaluations of the future annual costs of those benefits. The future annual costs as determined by the actuary shall be made public at a public meeting at least two weeks prior to the commencement of funding health and welfare benefits pursuant to this section.

(e) Upon commencing the funding of health and welfare benefits pursuant to this section, the school district shall secure the services of an actuary enrolled as described in subdivision (d) to complete, every three years, an actuarial evaluation of the annual costs of those benefits. A copy of the results of that evaluation shall be submitted by the district to the county superintendent of schools.

SEC. 8. Section 39603 of the Education Code is amended to read:

39603. Nothing in this code shall be construed to prohibit two or more school districts from exercising, through a joint powers agreement made pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code, the powers prescribed in Section 39602 in accordance with the terms and conditions set forth in that section and in Section 39601.

SEC. 9. Section 41320.1 of the Education Code is amended to read:

41320.1. Acceptance by the district of the apportionments made pursuant to Section 41320 shall constitute agreement by the district to all of the following conditions:

(a) The Superintendent of the Public Instruction shall appoint a trustee who shall have recognized expertise in management and finance, and who shall be bonded. The expenses incurred by the trustee and the costs of the bonding shall be borne by the district. The superintendent shall establish the terms and conditions of the employment, including the remuneration of the trustee. The trustee shall serve at the pleasure of, and report directly to, the superintendent. The trustee shall serve until the loan called for by this section is repaid, the district has adequate fiscal systems and controls in place, and the superintendent has determined that the district's future compliance with the fiscal plan approved for the

district under Section 41320 is probable. Before the district repays the loan, including interest, the recipient of the loan shall select an auditor from a list established by the superintendent and the Controller to conduct an audit of its fiscal systems. If the fiscal systems are deemed to be inadequate, the superintendent may retain the trustee until the deficiencies are corrected. The cost of this audit and any additional cost of the trustee shall be borne by the district.

Notwithstanding any other provision of law, all reports submitted to the trustee shall be public records.

(b) The trustee appointed by the superintendent shall monitor and review the operation of the district. During the period of his or her service, the trustee may stay or rescind any action of the local district governing board that, in the judgment of the trustee, may affect the financial condition of the district. The Superintendent of Public Instruction may establish timelines and prescribe formats for reports and other materials to be used by the trustee to monitor and review the operations of the district. The trustee shall approve or reject all reports and other materials required from the district as a condition of receiving the apportionment. The superintendent, upon the recommendation of the trustee, may reduce any apportionment to the district in an amount up to two hundred dollars ($200) per day for each late or unacceptable report or other material required under Part 24 (commencing with Section 41000) of the Education Code, and shall report to the Legislature any failure of the district to comply with the requirements of this section. If the Superintendent of Public Instruction determines, at any time, that the fiscal plan approved for the district under Section 41320 is unsatisfactory, he or she may modify the plan as necessary, and the district shall comply with the plan as modified.

(c) At the request of the Superintendent of Public Instruction, the Controller shall transfer to the State Department of Education, from any apportionment to which the district would otherwise have been entitled pursuant to Section 42238, the amount necessary to pay the expenses incurred by the trustee, the costs of the trustee's bonding, and any associated costs incurred by the county superintendent of schools.

(d) For the fiscal year in which the apportionments are disbursed and each year thereafter, the Controller, or his or her designee, shall cause an audit to be conducted of the books and accounts of the district, in lieu of the audit required by Section 41020. At the Controller's discretion, the audit may be conducted by the Controller, his or her designee, or an auditor selected by the district and approved by the Controller. The costs of these audits shall be borne by the district. These audits shall be required until the Controller determines, in consultation with the Superintendent of Public Instruction, that the district is financially solvent, but in no event earlier than one year following the implementation of the plan or later than the time the apportionment made is repaid, including

interest.

(e) For all purposes of errors and omissions liability insurance, the trustee appointed pursuant to this section shall be deemed to be an employee of the local education agency to which he or she is assigned.

SEC. 10. Article 2.5 (commencing with Section 41325) is added to Chapter 3 of Part 24 of the Education Code, to read:

Article 2.5. Conditions on Emergency Apportionments

41325. (a) The Legislature finds and declares that when a school district becomes insolvent and requires an emergency apportionment from the state in the amount designated in this article, it is necessary that the Superintendent of Public Instruction assume control of the district in order to ensure the district's return to fiscal solvency.

(b) It is the intent of the Legislature that the Superintendent of Public Instruction, operating through an appointed administrator, do all of the following:

(1) Implement substantial changes in the district's fiscal policies and practices, including, if necessary, the filing of a petition under Chapter 9 of the federal Bankruptcy Act for the adjustment of indebtedness.

(2) Revise the district's educational program to reflect realistic income projections, in response to the dramatic effect of the changes in fiscal policies and practices upon educational program quality and the potential for the success of all pupils.

(3) Encourage all members of the school community to accept a fair share of the burden of the district's fiscal recovery.

(4) Consult, for the purposes described in this subdivision, with the school district governing board, the exclusive representatives of the employees of the district, parents, and the community.

(5) Consult with and seek recommendations from the county superintendent of schools for the purposes described in this subdivision.

41326. (a) Notwithstanding any other provision of this code, the acceptance by a school district of an apportionment made pursuant to Section 41320 that exceeds an amount equal to 200 percent of the amount of the reserve recommended for that district under the standards and criteria adopted pursuant to Section 33127 shall constitute agreement by the district to the conditions set forth in this article. Prior to applying for an emergency apportionment in the amount identified in this subdivision, a school district governing board shall discuss the need for that apportionment at a regular or special meeting of the governing board and, at that meeting, shall receive testimony regarding the apportionment from parents, exclusive representatives of employees of the district, and other members of the community. For purposes of this article, "qualifying school district" means a school district that accepts a loan as

described in this subdivision.

(b) The Superintendent of Public Instruction shall assume all the legal rights, duties, and powers of the governing board of a qualifying school district. The Superintendent of Public Instruction may appoint an administrator to act on his or her behalf in exercising the authority described in this subdivision. The state-appointed administrator shall serve under the direction and supervision of the Superintendent of Public Instruction until terminated by the Superintendent of Public Instruction at his or her discretion. The state-appointed administrator shall have recognized expertise in management and finance, and shall be bonded.

(c) For the period of time during which the Superintendent of Public Instruction exercises the authority described in subdivision (b), the governing board of the qualifying school district shall serve as an advisory body reporting to the state-appointed administrator, in which capacity no member of the governing board shall be paid or entitled to any stipend, benefits, or other compensation.

(d) Notwithstanding Section 35031 or any other provision of law, the employment of any district superintendent of schools, or deputy, associate, or assistant superintendent of schools, or other person employed in an equivalent capacity, whose duties include overseeing, managing, or otherwise directing the fiscal and budgetary operations of the school district, and who is employed by a school district under a contract of employment signed or renewed after the effective date of this article may be terminated by the state-appointed administrator, in accordance with appropriate notice and hearing procedures, if the employee fails to document, to the satisfaction of the state-appointed administrator, that prior to the date of that acceptance he or she either advised the governing board of the district, or his or her superior, that actions contemplated or taken by the governing board could result in the fiscal insolvency of the district, or took other appropriate action to avert that fiscal insolvency.

(e) The authority of the Superintendent of Public Instruction, and the state-appointed administrator, under this section shall continue until all of the following occur:

(1) Two complete fiscal years have elapsed following the district's acceptance of a loan as described in subdivision (a), or, at any time after one complete fiscal year has elapsed following that acceptance, the state-appointed administrator determines, and so notifies the Superintendent of Public Instruction, that future compliance by the school district with the recovery plans approved pursuant to paragraph (2) is probable.

(2) The Superintendent of Public Instruction has approved all of the recovery plans referred to in subdivision (a) of Section 41327.

(3) The state-appointed administrator certifies that all necessary collective bargaining agreements have been negotiated and ratified, and that the agreements are consistent with the terms of the recovery plans.

(4) The district has completed all reports required by the Superintendent of Public Instruction.

(5) The Superintendent of Public Instruction determines that future compliance by the school district with the recovery plans approved pursuant to paragraph (2) is probable.

(f) When the conditions stated in subdivision (e) have been met, the school district governing board shall regain all of its legal rights, duties, and powers, except for the powers held by the trustee provided for pursuant to Article 2 (commencing with Section 41320). The Superintendent of Public Instruction shall then appoint a trustee under Section 41320.1 to monitor and review the operations of the district until the conditions of subdivision (b) of that section have been met.

(g) Notwithstanding subdivision (f), in the event that the district violates any provision of the recovery plans approved by the Superintendent of Public Instruction pursuant to this article, the superintendent may reassume, either directly or through an administrator appointed in accordance with this section, all of the legal rights, duties, and powers of the governing board of the district. The Superintendent of Public Instruction shall return to the school district governing board all of its legal rights, duties, and powers reassumed under this subdivision when he or she determines that future compliance with the approved recovery plans is probable, or after a period of one year, whichever occurs later.

(i) Article 2 (commencing with Section 41320) shall apply except as otherwise specified in this article.

(j) It is the intent of the Legislature that the legislative budget subcommittees annually conduct a review of each qualifying school district that includes an evaluation of the financial condition of the district, the impact of the recovery plans upon the district's educational program, and the efforts made by the state-appointed administrator to obtain input from the community and the governing board of the district.

41327. (a) In accordance with timelines, instructions, and a format established by the Superintendent of Public Instruction, the state-appointed administrator shall prepare or obtain the following reports and plans:

(1) A management review and recovery plan.

(2) A financial recovery plan. The financial recovery plan shall include a plan to repay to the state any and all loans owed by the district. Pursuant to the financial recovery plan, the repayment by the district of any state loans shall comply with all of the following, notwithstanding any provision of Article 2 (commencing with Section 41320):

(A) The loan or loans shall be repaid over a period of no more than 10 years following the initial disbursement of moneys under a loan as described in subdivision (a) of Section 41326. The repayment of the loan or loans shall commence not later than the fiscal year following the year in which the loan described in that subdivision is

made.

(B) Interest shall accrue on the loan or loans as of the date the funds are received, at the average annual investment rate of the pooled investment account.

(3) During the period of service by the state-appointed administrator, an annual report on the financial condition of the district, including, but not necessarily limited to, all of the following information:

(A) Specific actions taken to reduce district expenditures or increase income to the district, and the amount of the resulting cost savings and increases in income.

(B) A copy of the adopted district budget for the current fiscal year.

(C) The amount of the district budgetary reserve.

(D) The status of employee contracts.

(E) Any obstacles to the implementation of the recovery plans described in paragraphs (1) and (2).

(b) Each of the reports or plans required under this section, or under any other provision of law that requires the district to prepare reports or plans, shall be submitted to the Superintendent of Public Instruction for approval, after his or her consideration of comments and recommendations of the county superintendent of schools. The Superintendent of Public Instruction may accept and approve, for the purposes of this section, any reports or plans that were prepared by or for the district prior to the district's acceptance of a loan as described in subdivision (a) of Section 41326.

(c) With the approval of the Superintendent of Public Instruction, the state-appointed administrator shall have authority to enter into agreements on behalf of the district and, subject to any contractual obligation of the district, to change any existing district rules, regulations, policies, or practices as necessary for the effective implementation of the recovery plans referred to in subdivision (a).

41328. (a) All costs associated with implementing the provisions of this article, including, as to a loan as described in subdivision (a) of Section 41326, the provisions of Article 2 (commencing with Section 41320), shall be borne by the district.

(b) The state-appointed administrator shall be deemed an employee of the qualifying school district for the purposes of all errors and omissions policies and workers compensation benefits.

SEC. 11. Section 42100 of the Education Code is amended to read:

42100. On or before September 15, the governing board of each school district shall approve, on a form prescribed by the Superintendent of Public Instruction, an annual statement of all receipts and expenditures of the district for the preceding fiscal year and shall file the statement with the county superintendent of schools. On or before October 15, the county superintendent of schools shall verify the mathematical accuracy of the statement and shall transmit a copy to the Superintendent of Public Instruction.

SEC. 12. Section 42102 of the Education Code is repealed.

SEC. 13. Section 42103 of the Education Code is amended to read:

42103. The governing board of each school district shall hold a public hearing on the proposed budget in a district facility, or some other place conveniently accessible to the residents of the district. The public hearing shall be held any day on or before the date specified for this purpose in subdivision (f) or (h), respectively, of Section 42127, but not less than three working days following availability of the proposed budget for public inspection. At the hearing any resident in the district may appear and object to the proposed budget or any item in the budget.

The hearing may be concluded on the proposed budget when there are no requests for further hearing on file, and shall be concluded no later than the date specified for this purpose in subdivision (f) or (h), respectively, of Section 42127. The budget shall not be finally adopted by the governing board of the district until after the public hearing has been held.

The proposed budget shall show expenditures, cash balances, and all revenues as required to be tabulated in Sections 42122 and 42123, and also shall include an estimate of those figures, unaudited, for the preceding fiscal year. In addition, any tax statement submitted by the district governing board pursuant to subdivision (a) of Section 42127, any district tax requirement computed pursuant to subdivision (b) of Section 42127 for the school year to which the proposed budget is intended to apply, and any recommendations made by the county superintendent pursuant to subdivision (d) of Section 42127 shall be made available by the district for public inspection in a facility of the district or in some other place conveniently accessible to residents of the district.

Notification of dates and location or locations at which the proposed budget may be inspected by the public and the date, time, and location of the public hearing on the proposed budget shall be published by the county superintendent of schools in a newspaper of general circulation in the district, or if there is no such newspaper, then in any newspaper of general circulation in the county, at least three days prior to the availability of the proposed budget for public inspection. The publication of the dates and location shall occur no earlier than 45 days prior to the final date for the hearing as specified in subdivision (f) or (h), respectively, of Section 42127, nor later than 15 days prior to that date, but not less than 10 days prior to the date set for hearing. The cost of the publication shall be a legal and proper charge against the school district for which the publication is made.

SEC. 14. Section 42120 of the Education Code is repealed.

SEC. 15. Section 42127 of the Education Code is amended to read:

42127. (a) On or before July 1 of each year, the governing board of each school district shall adopt a budget. No later than five days after that adoption or by July 1, whichever occurs first, the governing board shall file that budget with the county superintendent of schools. That budget, and supporting data, shall be maintained and made available for public review. If the governing board of the

district does not want all or a portion of the property tax requirement levied for the purpose of making payments for the interest and redemption charges on indebtedness as described in paragraph (1) or (2) of subdivision (b) of Section 1 of Article XIII A of the California Constitution, the budget shall include a statement of the amount or portion for which a levy shall not be made.

(b) The county superintendent of schools may accept changes in any statement included in the budget, pursuant to subdivision (a), of the amount or portion for which a property tax levy shall not be made. The county superintendent or the county auditor shall compute the actual amounts to be levied on the property tax rolls of the district for purposes that exceed apportionments to the district pursuant to Sections 95 to 100, inclusive, of the Revenue and Taxation Code. Each school district shall provide all data needed by the county superintendent or the county auditor to compute the amounts. On or before August 15, the county superintendent shall transmit the amounts so computed to the county auditor who shall compute the tax rates necessary to produce the amounts. On or before September 1, the county auditor shall submit the rate so computed to the board of supervisors for adoption.

(c) The county superintendent of schools shall do all of the following:

(1) Examine the adopted budget to determine whether it complies with the standards and criteria adopted by the State Board of Education pursuant to Section 33127 for application to final local educational agency budgets. The superintendent shall identify, if necessary, any technical corrections that must be made to bring the budget into compliance with those standards and criteria.

(2) Determine whether the adopted budget will allow the district to meet its financial obligations during the fiscal year and is consistent with a financial plan that will enable the district to satisfy its multiyear financial commitments.

(d) On or before August 15, the county superintendent of schools shall approve or disapprove the adopted budget for each school district. If, pursuant to the review conducted pursuant to subdivision (c), the superintendent determines that the adopted budget for a school district does not satisfy paragraph (1) or (2) of that subdivision, he or she shall disapprove the budget and, no later than August 15, transmit to the governing board of the school district, in writing, his or her recommendations regarding revision of the budget and the reasons for those recommendations. The county superintendent of schools may assign a fiscal advisor to assist the district to develop a budget in compliance with those revisions. In addition, the county superintendent of schools may appoint a committee to examine and comment on the superintendent's review and recommendations, subject to the requirement that the committee report its findings to the superintendent no later than August 20.

(e) No later than August 20, the county superintendent of schools

shall submit a report to the Superintendent of Public Instruction identifying all school districts for which budgets have been disapproved, including a copy of the written response transmitted to each of those districts pursuant to subdivision (d).

(f) On or before September 1, the governing board of the school district shall revise the adopted budget to reflect changes in projected income or expenditures subsequent to July 1, and to include any response to the recommendations of the county superintendent of schools, shall adopt the revised budget, and shall file the revised budget with the county superintendent of schools. Prior to revising the budget, the governing board shall hold a public hearing regarding the proposed revisions, to be conducted in accordance with Section 42103. The revised budget, and supporting data, shall be maintained and made available for public review.

(g) The county superintendent of schools shall examine the revised budget to determine whether it complies with the standards and criteria adopted by the State Board of Education pursuant to Section 33127 for application to final local educational agency budgets and, no later than September 15, shall approve or disapprove the revised budget. If the county superintendent of schools disapproves the budget, he or she shall call for the formation of a budget review committee pursuant to Section 42127.1.

(h) Notwithstanding any other provision of this section, the budget review for a school district shall be governed by paragraphs (1), (2), and (3) of this subdivision, rather than by subdivisions (f) and (g), if the governing board of the school district so elects, and notifies the Superintendent of Public Instruction in writing of that decision, no later than October 31 of the immediately preceding calendar year. On or before July 1, the governing board of a school district for which the budget review is governed by this subdivision, rather than by subdivisions (f) and (g), shall conduct a public hearing regarding its proposed budget in accordance with Section 42103.

(1) In the event of the disapproval of the adopted budget of a school district pursuant to subdivision (d), on or before September 1, the governing board of the school district, in conjunction with the county superintendent of schools, shall review the superintendent's recommendations at a regular meeting of the governing board and respond to those recommendations. The response shall include any revisions to the adopted budget and other proposed actions to be taken, if any, as a result of those recommendations.

(2) No later than five working days after receiving the response required under paragraph (1), the county superintendent of schools shall review that response and either approve or disapprove the budget. If the county superintendent of schools disapproves the budget, he or she shall call for the formation of a budget review committee pursuant to Section 42127.1.

(3) Not later than 45 days after the Governor signs the annual Budget Act, the school district shall make available for public review

any revisions in revenues and expenditures that it has made to its budget to reflect the funding made available by that Budget Act.

(h) Any school district for which the county board of education serves as the governing board is not subject to subdivisions (c) to (g), inclusive, but is governed instead by the budget procedures set forth in Section 1622.

SEC. 16. Section 42127.1 of the Education Code is amended to read:

42127.1. (a) Pursuant to subdivision (f) of Section 42127, upon the disapproval of a school district budget by the county superintendent, the county superintendent shall call for the formation of a budget review committee.

(b) The budget review committee shall be composed of three persons selected by the governing board of the school district from a list of candidates provided to the governing board by the Superintendent of Public Instruction. The list of candidates shall be composed of persons who have expertise in the management of a school district or county office of education. Their experience shall include, but not be limited to, the fiscal and educational aspects of local educational agency management.

(c) Notwithstanding subdivision (b) or any other provision of this article, with the approval of the Superintendent of Public Instruction and the governing board of the school district, the county superintendent of schools may select and convene a regional review committee, consisting of persons having the expertise described in that subdivision. The regional review committee shall operate in place of the budget review committee, in accordance with the provisions of this article governing budget review committees.

(d) Members of the committee shall be reimbursed by the State Department of Education for their services and associated expenses while on official business at rates established by the State Board of Education.

SEC. 17. Section 42127.2 of the Education Code is amended to read:

42127.2. (a) The district governing board shall, no later than five working days after the receipt of a candidate list from the Superintendent of Public Instruction pursuant to Section 42127.1, select a budget review committee, and the Superintendent of Public Instruction shall convene the committee no later than five working days following that selection. If the governing board fails to select a committee within the period of time permitted by this subdivision, the Superintendent of Public Instruction instead shall select and convene the budget review committee no later than 10 working days after the district's receipt of the candidate list.

(b) No later than October 31, the budget review committee shall review the proposed budget of the district and the underlying fiscal policies of the district and transmit to the Superintendent of Public Instruction, the county superintendent of schools, and the district governing board either of the following:

(1) The recommendation that the school district budget be approved.

(2) A report disapproving the school district budget and setting forth recommendations for revisions to the school district budget that would enable the district to meet its financial obligations both in the current fiscal year and with regard to the district's multiyear financial commitments.

(c) Upon request of the budget review committee, the Superintendent of Public Instruction may extend the deadline set forth in subdivision (b) for a period of not and more than 15 working days.

(d) The Superintendent of Public Instruction shall establish criteria and procedures governing the performance by budget review committees of their duties under this section.

(e) Upon request of the county superintendent of schools, the Controller's office may conduct an audit or review of the fiscal condition of the school district in order to assist a budget review committee or regional review committee for the purposes of this section.

SEC. 18. Section 42127.3 of the Education Code is amended to read:

42127.3. (a) If the budget review committee established pursuant to Sections 42127.1 and 42127.2 recommends approval of the school district budget, the county superintendent of schools shall accept the recommendation of the budget review committee and approve the budget.

(b) If the budget review committee established pursuant to Sections 42127.1 and 42127.2 disapproves the school district budget, the school district governing board, no later than five working days after receipt of the report described in paragraph (2) of subdivision (b) of Section 42127.2, may submit a response to the Superintendent of Public Instruction, including any revisions to the adopted final budget and any other proposed actions to be taken as a result of the recommendations of the budget review committee. Based upon the recommendations of the budget review committee, and any response to those recommendations provided by the school district governing board, the Superintendent of Public Instruction shall either approve or disapprove the budget. If the Superintendent of Public Instruction disapproves the budget, he or she shall notify the school district governing board in writing of the reasons for that disapproval and, for the remainder of the current fiscal year, the county superintendent of schools shall do all of the following:

(1) No later than November 30, develop and adopt, in consultation with the Superintendent of Public Instruction and the school district governing board, a fiscal plan and budget that will govern the district and will allow the district to meet its financial obligations, both in the current fiscal year and with regard to the district's multiyear financial commitments. The governing board of the district shall govern the operation of the district for the current

fiscal year in accordance with that adopted budget.

(2) Cancel purchase orders, prohibit the issuance of nonsalary warrants, and otherwise stay or rescind any action that is inconsistent with the budget adopted pursuant to paragraph (1). The county superintendent of schools shall inform the school district governing board in writing of his or her justification for any exercise of authority under this paragraph.

(3) Monitor and review the operation of the district.

(c) The school district shall pay reasonable fees charged by the county superintendent of schools for actual administrative expenses incurred pursuant to subdivision (b). The Superintendent of Public Instruction shall develop, and distribute to affected school districts and county offices of education, advisory guidelines regarding the appropriate amount of any fees charged pursuant to this subdivision.

(d) This section shall not be construed to authorize the county superintendent of schools to abrogate any provision of a collective bargaining agreement that was entered into by a school district prior to the date upon which the county superintendent of schools disapproved the budget of the school district pursuant to subdivision (b).

(e) As necessary for the purposes of subdivision (b), the county superintendent of schools may request funding or other assistance from the Superintendent of Public Instruction as necessary to obtain additional information regarding the district's budget or operations through a financial or management review of the district, a cash-flow projection for the district, or other appropriate means. Any contract entered into by a county superintendent of schools for the purposes of this subdivision is subject to the approval of the Superintendent of Public Instruction.

SEC. 19. Section 42127.4 of the Education Code is amended to read:

42127.4. Until a school district receives approval of its budget under this article, the school district shall continue to operate on the basis of whichever of the following budgets contains a lower total spending authority:

(a) The last budget adopted or revised by the governing board of the school district for the prior fiscal year.

(b) The unapproved budget for the current fiscal year, as adopted and revised by the governing board of the school district.

SEC. 20. Section 42127.6 is added to the Education Code, to read:

42127.6. (a) The county superintendent of schools shall monitor the operation of each school district pursuant to the budget adopted for that district. If the county superintendent of schools determines that a school district will be unable to meet its financial obligations for the current or subsequent fiscal year, he or she shall notify the school district governing board in writing of that determination, and of the basis for the determination. In addition, subsequent to that determination, the county superintendent of schools may do either or both of the following:

(1) Assign a fiscal adviser to assist the district.

(2) Conduct a study of the district's finances and recommend to the governing board of the school district actions to enable the district to meet those obligations.

(b) Any contract entered into by a county superintendent of schools for the purposes of subdivision (a) is subject to the approval of the Superintendent of Public Instruction.

(c) If, subsequent to the receipt of recommendations provided pursuant to paragraph (2) of subdivision (a), the governing board fails to take appropriate action to enable the district to meet its financial obligations, the county superintendent shall so notify the Superintendent of Public Instruction. Subsequent to that notification, the county superintendent of schools, in consultation with the Superintendent of Public Instruction, may do one or more of the following for the remainder of the current fiscal year:

(1) Request additional information regarding the district's budget or operations.

(2) Develop and impose, in consultation with the Superintendent of Public Instruction and the school district governing board, revisions to the school district budget that will enable the district to meet its financial obligations.

(3) Stay or rescind any action that is inconsistent with any revision adopted pursuant to paragraph (2). The county superintendent of schools shall inform the school district governing board in writing of his or her justification for any exercise of authority under this paragraph.

(d) This section does not authorize the county superintendent of schools to abrogate any provision of a collective bargaining agreement that was entered into by a school district prior to the date upon which the county superintendent of schools assumed authority pursuant to subdivision (b).

(e) The school district shall pay reasonable fees charged by the county superintendent of schools for actual administrative expenses incurred pursuant to subdivision (c). The Superintendent of Public Instruction shall develop, and distribute to affected school districts and county offices of education, advisory guidelines regarding the appropriate amount of any fees charged pursuant to this subdivision.

(f) Notwithstanding Section 42647 or 42650, or any other provision of law, a county treasurer shall not honor any warrant when, pursuant to Sections 42127 to 42127.6, inclusive, the county superintendent of schools or the Superintendent of Public Instruction, as appropriate, has disapproved that warrant, or has disapproved the order on school district funds for which that warrant was prepared.

SEC. 21. Section 42127.8 is added to the Education Code, to read:

42127.8. (a) The governing board provided for in subdivision (b) shall establish a unit to be known as the County Office Fiscal Crisis and Management Assistance Team. The team shall consist of persons having extensive experience in school district budgeting, accounting,

data processing, risk management, food services, pupil transportation, purchasing and warehousing, facilities maintenance and operation, personnel administration, organization, and staffing. The Superintendent of Public Instruction shall appoint one employee of the State Department of Education to serve on the unit. The unit shall be operated under the immediate direction of an appropriate county office of education selected jointly, in response to an application process, by the Superintendent of Public Instruction and the Secretary of Child Development and Education.

(b) The unit established under subdivision (a) shall be selected and governed by an eleven-member governing board consisting of one representative chosen by the California Association of County Superintendents of Schools from each of the 10 county service regions designated by the association, and one representative from the State Department of Education chosen by the Superintendent of Public Instruction.

(c) The Superintendent of Public Instruction may request the unit to provide the assistance described in subdivision (b) of Section 1624, Section 1630, Section 33132, subdivision (b) of Section 42127.3, subdivision (c) of Section 42127.6, and Section 42127.9, and to review the fiscal and administrative condition of any county office of education.

(d) In addition to the functions described in subdivision (c), the unit shall provide management assistance at the request of any school district or county office of education. Each district or county office of education receiving that assistance shall be required to pay the onsite personnel costs and travel costs incurred by the unit for that purpose, pursuant to rates determined by the governing board established under subdivision (b). The governing board annually shall distribute rate information to each school district and county office of education.

(e) The governing board shall reserve not less than 25 percent, nor more than 50 percent, of its revenues each year for expenditure for the costs of contracts and professional services as management assistance to school districts or county offices of education in which the board determines a fiscal emergency to exist.

(f) The governing board established under subdivision (b) may levy an annual assessment against each county office of education that elects to participate under this section in an amount not to exceed twenty cents ($0.20) per unit of total average daily attendance for all school districts within the county. The revenues collected pursuant to that assessment shall be applied to the expenses of the unit.

(g) The governing board established under subdivision (b) may pay to the State Department of Education, from any available funds, a reasonable amount to reimburse the department for actual administrative expenses incurred in the review of the budgets and fiscal conditions of school districts and county offices of education.

SEC. 22. Section 42127.9 is added to the Education Code, to read:

42127.9. (a) No later than five days after a school district receives notice of any change or changes adopted by the county superintendent of schools in the district's budget pursuant to subdivision (b) of Section 42127.3, subdivision (c) of Section 42127.6, or subdivision (b) of Section 42131, the governing board of the district may submit an appeal to the Superintendent of Public Instruction, based upon the contention that the change or changes would do one or more of the following:

(1) Exceed the financial or program changes necessary to allow the district to meet its financial obligations in the current fiscal year and with regard to its multiyear financial commitments. It is the intent of the Legislature that any change or changes adopted by the county superintendent of schools in a school district's budget minimize, to the extent possible, any impact upon the educational program of the district.

(2) Require reductions that are unnecessary in view of other reductions that are proposed by the governing board of the district and that reasonably can be expected to be realized.

(3) Make one or more changes in the district's operations that are inconsistent with any provision of state or federal law.

(b) No later than five days after receiving that appeal, the Superintendent of Public Instruction shall deny or uphold the appeal. If the appeal is denied, the district shall implement the change or changes adopted by the county superintendent of schools. If the appeal is upheld, the Superintendent of Public Instruction may revise the change or changes adopted by the county superintendent of schools or issue guidelines governing the manner in which the governing board of the district or the county superintendent of schools shall be required to change the district budget.

SEC. 23. Article 3 (commencing with Section 42130) is added to Chapter 6 of Part 24 of the Education Code, to read:

Article 3. Financial Reports and Certifications

42130. The superintendent of each school district shall, in addition to any other powers and duties granted to or imposed upon him or her, submit two reports to the governing board of the district during each fiscal year. The first report shall cover the financial and budgetary status of the district for the period ending October 31. The second report shall cover the period ending January 31. Both reports shall be approved by the district governing board no later than 45 days after the close of the period being reported. All reports required by this subdivision shall be in a format or on forms prescribed by the Superintendent of Public Instruction, and shall be based on standards and criteria for fiscal stability adopted by the State Board of Education pursuant to Section 33127. The reports, and supporting data, shall be maintained and made available by the school district for public review.

SEC. 24. Section 42132 is added to the Education Code, to read:

42132. The governing board of each school district annually, no later than September 15, shall adopt a resolution to identify, pursuant to Division 9 (commencing with Section 7900) of Title 1 of the Government Code, the estimated appropriations limit for the district for the current fiscal year and the actual appropriations limit for the district for the preceding fiscal year. That resolution shall be adopted at a regular or special meeting of the governing board. The documentation used in the identification of the appropriations limits shall be made available to the public not less than 15 days prior to the date of that meeting.

SEC. 25. Section 42133 is added to the Education Code, to read:

42133. (a) A school district that has a qualified or negative certification in any fiscal year may not issue, in that fiscal year or in the next succeeding fiscal year, certificates of participation, tax anticipation notes, revenue bonds, or any other debt instruments that do not require the approval of the voters of the district, nor may the district cause an information report regarding the debt instrument to be submitted pursuant to subdivision (e) of Section 149 of Title 26 of the United States Code, unless the county superintendent of schools determines, pursuant to criteria established by the Superintendent of Public Instruction, that the district's repayment of that indebtedness is probable. A school district is deemed to have a qualified or negative certification for purposes of this subdivision if, pursuant to this article, it files that certification or the county superintendent of schools classifies the certification for that fiscal year to be qualified or negative.

(b) A county office of education that has a qualified or negative certification in any fiscal year may not issue, in that fiscal year or in the next succeeding fiscal year, certificates of participation, tax anticipation notes, revenue bonds, or any other debt instruments not requiring the approval of the voters of the district, nor may the county office of education cause an information report regarding the debt instrument to be submitted pursuant to subdivision (e) of Section 149 of Title 26 of the United States Code, unless the Superintendent of Public Instruction determines that the repayment of that indebtedness by the county office of education is probable. A county office of education is deemed to have a qualified or negative certification for purposes of this subdivision if, pursuant to this article, it files that certification or the Superintendent of Public Instruction classifies the certification for that fiscal year to be qualified or negative. For purposes of this subdivision, "county office of education" includes a school district that is governed by a county board of education.

(c) No later than March 31, 1992, the Superintendent of Public Instruction shall develop and adopt criteria and standards to govern the determination to be made under subdivisions (a) and (b).

SEC. 26. Section 42134 is added to the Education Code, to read:

42134. The Superintendent of Public Instruction shall publish annually a multiyear projection of the revenues that will be available

to school districts and county offices of education from state and local sources, for use by school districts and county offices of education in determining the multiyear financial condition of those entities for the purposes of this article and Article 2. That projection shall be based on revenue forecasts issued by the Department of Finance, the Legislative Analyst, or the Commission on State Finance, shall be published in a form that may easily be used by school districts and county offices of education, and shall be made available to those entities.

SEC. 27. Section 3547.5 is added to the Government Code, to read:

3547.5. Before a public school employer enters into a written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement, including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be disclosed at a public meeting of the public school employer in a format established for this purpose by the Superintendent of Public Instruction.

SEC. 28. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 29. (a) The sum of one million dollars ($1,000,000) is hereby appropriated from the General Fund to the Superintendent of Public Instruction for the 1991–92 fiscal year for apportionment as follows:

(1) The sum of five hundred thousand dollars ($500,000) for apportionment to county superintendents of schools to fund any new program or higher level of service required by any provisions of this act that make additions or amendments to Article 2 (commencing with Section 42120) of Chapter 6 of Part 24 of the Education Code. That apportionment shall be made on the basis of an equal amount per unit of average daily attendance for all school districts within each county, except that the Superintendent of Public Instruction shall establish a minimum apportionment amount in order to ensure that county superintendents of schools in counties having a total school district average daily attendance that is substantially lower than average will receive adequate funding to carry out their responsibilities under that article.

(2) The sum of five hundred thousand dollars ($500,000) for

apportionment to county offices of education to meet the costs of participation under Section 42127.8 of the Education Code.

(b) It is the intent of the Legislature that, in the 1992–93 fiscal year and each fiscal year thereafter, funding be made available in an amount that is adequate for the purposes described in subdivision (a).

CHAPTER 1214

An act to add and repeal Chapter 3.6 (commencing with Section 15379.20) of Part 6.7 of Division 3 of Title 2 of the Government Code, relating to commerce.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) Support for economic development and technological innovation are prudent investments in California's future.

(b) The Small Business Innovation Research program (SBIR) was established by Congress in 1982 (Public Law 97-219) to spur development of new products and processes by small, high technology enterprises for introduction into the commercial marketplace.

(c) According to the United States Small Business Administration, since the program was established, 19 states had, as of June 1990, established state-supported programs that provide financial assistance, advisory services, or both.

(d) In establishing the SBIR program, the Congress identified four objectives to be met by the program:

(1) Stimulate technological innovation.

(2) Use small businesses to meet federal research and development needs.

(3) Foster and encourage participation by minority and disadvantaged persons in technological innovation.

(4) Increase private sector commercialization innovations derived from federal research and development.

(e) Since the SBIR program was created, 14,903 awards have been received by United States small businesses valued at $1.8 billion. Of that amount, 11.2 percent of all awards were granted to minority or disadvantaged-owned firms.

(f) California firms receive 22 percent of SBIR awards.

(g) The United States Small Business Administration reports approximately 670 SBIR grants were awarded to California companies in 1988.

SEC. 2. The Legislature further finds and declares the following:

(a) States such as Ohio, that have established state-supported SBIR programs, report achieving significant increases in successful SBIR applicants.

(b) According to the Small Business Administration, one in four small business firms receiving Phase I and Phase II SBIR awards achieve successful commercialization of resulting products and processes within four years of development.

SEC. 3. It is the intent of the Legislature in enacting this statute to do the following:

(a) Utilize the state's technical and fiscal resources to increase the real and potential benefits to California small business enterprises, including women and minority-owned businesses, of the federal SBIR program.

(b) Strengthen the ability of small business entrepreneurs to successfully compete for SBIR awards.

(c) Provide assistance to California companies in commercialization of products and processes developed through SBIR funded research to aid the economic viability of California small business.

(d) Maintain and increase employment opportunities in technology-oriented California firms.

(e) Utilize the expertise of California's successful SBIR firms in improving the ability of the state's science and engineering talent to adapt fundamental principles of entrepreneurship to facilitate the successful creation of new products and processes for the commercial marketplace.

SEC. 4. Chapter 3.6 (commencing with Section 15379.20) is added to Part 6.7 of Division 3 of Title 2 of the Government Code, to read:

CHAPTER 3.6. CALIFORNIA SMALL BUSINESS INNOVATION RESEARCH PROGRAM

Article 1. General Provisions

15379.20. The following definitions govern the construction of this chapter.

(a) "Small Business Innovation Research program (SBIR)" means that program enacted pursuant to the Small Business Innovation Development Act of 1982 (Public Law 97-219) that provides funds to small businesses to conduct innovative research having commercial application.

(b) "Small business" means a corporation, partnership, sole proprietorship, or individual operating a business for profit with 500 employees or less, including employees employed in any subsidiary or affiliated corporation which otherwise meets the requirements of the federal SBIR program.

(c) "Phase I award" means federal SBIR awards of between twenty thousand dollars ($20,000) and fifty thousand dollars

($50,000) in support of approximately a six-month research effort that will demonstrate to the federal funding agency all of the following:

(1) That the proposing firm can perform high quality research and development.

(2) That the proposed effort is technically feasible.

(3) That sufficient progress had been made to justify a much larger agency investment in Phase II.

(d) "Phase II award" means federal SBIR awards, ranging between two hundred thousand dollars ($200,000) and five hundred thousand dollars ($500,000), funding the principal research and development effort with a duration normally not exceeding two years.

15379.21. (a) There is hereby created in state government a California Small Business Innovation Research Program for purposes of providing educational, technical, and financial assistance to any California small business enterprise engaging in, or intending to engage in, research and development that is deemed to be innovative and in the long-term interest of the economy of the state.

(b) The California Small Business Innovation and Research Program shall be administered by the Chancellor of the California Community Colleges. Administrative operation and control expenses necessary to carry out this chapter shall be covered by existing resources in the chancellor's office.

Article 2. The California Community Colleges Business Resources and Assistance Innovation Network

15379.30. Within the California Community Colleges Economic Development Program there is hereby created the California Business Resources and Assistance Innovation Network (BRAIN) which facilitates access by small businesses to the resources of the California Community College system.

15379.31. The chancellor of the California Community Colleges shall submit to the Board of Governors of the California Community Colleges an annual implementation plan for the California Community Colleges Economic Development Program. The chancellor may contract with local community colleges to provide staff support for the program.

15379.32. The mission of the economic development program, subject to approval and amendment by the Board of Governors of the California Community Colleges, shall include, but not be limited to, all of the following:

(a) To advance California's economic growth and global competitiveness through quality education and services focusing on continuous workforce improvement, technology deployment, and business development.

(b) To coordinate a community college response to meet

statewide workforce needs which attracts, retains, and expands businesses.

(c) To develop innovative solutions, as needed, in identified strategic priority areas, including, but not limited to, small business applications, applied competitive technologies, environmental issues, health care delivery, international trade, and work place literacy.

(d) To identify, acquire, and leverage resources to support local, regional, and statewide economic development.

(e) To create logistical, technical, and marketing infrastructure support for economic development activities within the California Community Colleges.

(f) To optimize access to community colleges' economic development services.

(g) To develop strategic public and private sector partnerships.

15379.33. The activities of the network shall be defined by the annual implementation plan of the economic development program and shall include programs for the following:

(a) Supplier and other small business formation and business development, including assistance in obtaining Phase I SBIR awards.

(b) Supplier and other small business technology applications, including assistance in obtaining and managing Phase II SBIR awards or referrals to the California Community Colleges Centers for Applied Competitive Technologies, as appropriate.

(c) Public and private strategic alliance formation for purposes of product commercialization, including assistance in obtaining Phase III SBIR awards or referrals, as appropriate.

15379.34. Among other activities, the network shall implement the California Small Business Innovation Research Program and shall collaborate with all public and private institutions of higher education and with the Department of Commerce, including the California Small Business Development Center Program, and all state and federal agencies interested in referring small businesses to the network for purposes of facilitating state SBIR program services.

Article 3. California Community Colleges Business Resource Assistance and Innovation Network Trust Fund

15379.40. The California Community Colleges Business Resource Assistance and Innovation Network Trust Fund is hereby created in the State Treasury as a special fund administered by the Board of Governors of the California Community Colleges. The board may solicit direct contributions for deposit in the fund from various nonstate public and private sources for the purpose of funding the California Community Colleges Economic Development Program. Upon appropriation by the Legislature, the fund may be used for purposes of administering contracts for providing services, through the program, to public and private entities.

Article 4. California Small Business Innovation Research Pilot Projects

15379.50. It is the intent of the Legislature that pilot Small Business Innovation Research Projects shall be established over a two-year period, commencing January 1, 1992, pursuant to this article.

15379.51. (a) Commencing January 1, 1992, pilot SBIR projects shall be established in northern and southern facilities of the California Community Colleges operating Centers for Applied Competitive Technology or Small Business Development Centers as components of the network established pursuant to Article 2 (commencing with Section 15379.30).

(b) The model SBIR projects shall carry out the following:

(1) Provide public information and outreach services to California small businesses regarding opportunities for SBIR grant awards.

(2) Assist small business in identifying and applying for funds under Phase I or Phase II of the federal SBIR program in support of research and development work on innovative technical ideas.

(3) Provide access by California small business enterprises to computer aided design equipment and services; computer integrated design, manufacturing, and management systems; and other technical incubation resources as required.

(4) Utilize the resources of the California Community Colleges Economic Development Program in establishing a technology transfer information network.

(5) Provide networking services to facilitate liaison between small business enterprises and participating federal agencies, establish linkages with other business assistance resources, and provide assistance in identifying potential private sector commercialization funding and related support, including joint ventures and research and development partnerships.

(c) Pilot projects conducted pursuant to this article shall be self-supporting through a fee schedule.

15379.52. (a) Commencing January 1, 1993, pilot SBIR projects shall be established in the central regions of the state.

(b) Functions of the pilot projects shall be in accordance with those stated in Section 15379.51.

Article 5. California Small Business Innovation Research Internship Program

15379.60. The Legislature finds and declares the following:

(a) According to the Office of Technology Assessment's 1990 report, "Making Things Better," due to demographic trends, by the year 2000, fewer young people are likely to enter engineering and science programs leading to rising costs to employers in securing technical engineering talent.

(b) While large companies and high technology firms will

continue to employ engineers and scientists, an increasing number of small companies will find it difficult to afford even one engineer.

(c) The Office of Technology Assessment also reports that American engineers are more likely to become managers earlier than foreign competitors, such as their Japanese counterparts, and to broaden knowledge by transferring between companies rather than within them.

(d) The state can encourage the utilization of engineering talent by small entrepreneurs by recognizing the needs of graduating engineers for acquisition of engineering skills and expertise in innovative product and manufacturing process design.

15379.61. There is hereby established, in conjunction with the California Small Business Innovation Program, the California Small Business Innovation Research Internship Program.

15379.62. (a) Internships shall be awarded to eligible engineering graduates of California Community Colleges. Funding for the internships shall be from nonstate sources with the exception of currently funded state programs.

(b) Eligibility criteria for engineering graduates shall include, but not limited to, all of the following:

(1) Students shall be California residents.

(2) Students shall have received faculty nomination based upon the following criteria:

(A) Academic excellence in engineering disciplines.

(B) Demonstrated vocational interest and capabilities in high technology fields.

(c) Internships awarded shall fund the employment of an engineering graduate for one semester in an SBIR firm's technical team.

(d) Qualifying SBIR firms shall meet the following conditions:

(1) Be successful recipients of Phase I and Phase II SBIR awards for research conducted in the state.

(2) Be a California-based company having 51 percent or more of its business operations within the state.

(3) Have a well-formulated business plan and commercialization strategy for products or processes resulting from SBIR-funded research.

Article 6. Legislative Review

15379.70. Not later than June 30, 1994, the Chancellor of the California Community Colleges shall prepare a report to the Governor, the Legislature, and the Board of Governors of the California Community Colleges. The report shall consider all of the following:

(a) The success rate for state SBIR program-assisted applicants in successfully receiving federal SBIR awards.

(b) Documentation regarding successful commercialization assistance provided to SBIR firms.

(c) The extent to which the program has increased employment generation potential for the state as a result of state supported SBIR activity.

(d) An assessment of the effectiveness of the entrepreneurial internship program based on the following:

(1) A determination of the extent to which the program has provided an effective training resource to engineering graduates.

(2) The level of private sector support demonstrated through SBIR firm participation in the program.

15379.71. Costs incurred by the chancellor in preparing the report required in this article shall be covered by existing resources.

Article 7. Termination

15379.80. This chapter shall remain in effect only until January 1, 1995, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1995, deletes or extends that date.

Article 8. Operation

15379.90. The Chancellor of the California Community Colleges is required to implement Article 3 (commencing with Section 15379.40), Article 4 (commencing with Section 15379.50), and Article 5 (commencing with Section 15379.60) of this chapter only upon the availability of sufficient nonstate public and private sector funding, including federal funding sources.

CHAPTER 1215

An act to add Section 9026.5 to the Government Code, relating to the proceedings of the Assembly.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 9026.5 is added to the Government Code, to read:

9026.5. No television signal generated by the Assembly shall be used for any political or commercial purpose, including, but not limited to, any campaign for elected public office or any campaign supporting or opposing a ballot proposition submitted to the electors.

As used in this section, "commercial purpose" does not include the use of any television signal generated by the Assembly by an accredited news organization or any nonprofit organization for educational or public affairs programming.

Any person or organization who violates this section is guilty of a

misdemeanor.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1216

An act to repeal and add Section 30000 of the Elections Code, and making an appropriation therefor, relating to elections.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 30000 of the Elections Code is repealed.

SEC. 2. Section 30000 is added to the Elections Code, to read:

30000. (a) The Secretary of State shall prepare detailed maps showing the boundaries of any districts established by this division on or after January 1, 1991. These maps shall be prepared no later than 90 days following the enactment of any amendment to Section 30010, 30020, 30030, or 30040, and shall illustrate the boundary lines of every district described in the amended section.

(b) The Secretary of State shall provide each Member of the Senate, Assembly, and the State Board of Equalization, and each Member of Congress from California, with one copy of a map or maps of his or her district. One copy of the entire set of maps for the Assembly shall be provided to the Assembly Committee on Rules, one copy of the entire set of maps for the Senate shall be provided to the Senate Committee on Rules, and one copy of the entire set of maps for the State Board of Equalization shall be provided to the State Board of Equalization.

(c) The Secretary of State shall also make copies of the maps available for public inspection. The Secretary of State shall also provide copies of the maps to the county elections officials for use in their administrative functions involved in the conduct of elections.

(d) There shall be no charge for the maps provided pursuant to this section.

SEC. 3. The sum of three hundred fifty thousand dollars ($350,000) is hereby appropriated from the General Fund to the Secretary of State for the purposes of this act.

CHAPTER 1217

An act to add Sections 17331, 17331.1, 17331.2, and 17331.3 to the Financial Code, relating to escrow agents.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 17331 is added to the Financial Code, to read:

17331. (a) Within 30 days following written notice by Fidelity Corporation to an escrow agent any shareholder, officer, director, trustee, manager, or employee of an escrow agent, directly or indirectly compensated by an escrow agent within this state, shall be required to apply for a Fidelity Corporation Certificate, prepared and issued by Fidelity Corporation, as a condition of their employment or entitlement to compensation, before the person may continue the regular discharge of their duties, or have access to moneys or negotiable securities belonging to or in the possession of the escrow agent, or draw checks upon the escrow agent or the trust funds of the escrow agent.

(b) Within 60 days of the effective date of this section, each member shall provide Fidelity Corporation with a list of all shareholders, officers, directors, trustees, managers, and employees or other persons, on the form prescribed by Fidelity Corporation.

(c) Fidelity Corporation Certificates may also be known as Escrow Agents' Fidelity Corporation Certificates or EAFC Certificates. The certificate shall at all times remain the property of Fidelity Corporation, and shall be held by a member for the benefit of an employee, but is not issued personally to the employee, is not transferable by either a member or employee, and shall be returned to Fidelity Corporation by the member upon termination of an employee or upon written demand by Fidelity Corporation. The certificate shall not be deemed to be, or construed as, a warranty or guarantee by Fidelity Corporation of the integrity, veracity, or competence of the person.

(d) An application for a Fidelity Corporation Certificate shall be in writing and in such form as prescribed by Fidelity Corporation, and may include (1) a fee not to exceed fifty dollars ($50), (2) two passport-size photographs, and (3) a set of fingerprints on the form established by the Department of Justice for requesting state summary criminal history information plus the fee charged by the Department of Justice for processing noncriminal applicant fingerprints. The Department of Justice shall honor the Fidelity Corporation report request form and issue a report to Fidelity Corporation notwithstanding any other provision of law or regulation to the contrary. Any member shall cause the filing of

applications for all existing employees as required by this section within 30 days of written notice by Fidelity Corporation to the member.

(e) The application form shall include a provision for binding arbitration, which shall be set out in at least 8-point type, to allow for arbitration of any appeal or dispute as to any decision by Fidelity Corporation concerning the certificate, as follows:

ANY DISPUTE AS TO WHETHER THE DENIAL OF THIS CERTIFICATE APPLICATION IS UNNECESSARY OR UNAUTHORIZED OR WAS IMPROPERLY, NEGLIGENTLY, OR UNLAWFULLY RENDERED, MAY BE DETERMINED BY SUBMISSION TO ARBITRATION AS PROVIDED BY CALIFORNIA LAW, AND NOT BY A LAWSUIT OR RESORT TO COURT PROCESS EXCEPT AS CALIFORNIA LAW PROVIDES FOR JUDICIAL REVIEW OF ARBITRATION PROCEEDINGS OR EXCEPT AS PROVIDED BY SECTION 17331.3 OF THE FINANCIAL CODE. THE APPLICANT MAY, SUBJECT TO AGREEMENT, SUBMIT ANY ISSUE ARISING FROM ANY DECISION BY FIDELITY CORPORATION TO DENY THIS CERTIFICATE APPLICATION TO BE DECIDED BY BINDING NEUTRAL ARBITRATION. UPON SUCH AGREEMENT, THE APPLICANT HAS NO RIGHTS TO HAVE ANY DISPUTE CONCERNING THIS CERTIFICATE APPLICATION LITIGATED IN A COURT OR JURY TRIAL NOR ANY JUDICIAL RIGHTS TO DISCOVERY AND APPEAL, EXCEPT AS SPECIFICALLY PROVIDED IN THE ESCROW LAW, AND ARBITRATION MAY BE COMPELLED AS PROVIDED BY LAW.

(f) The certificate form shall contain a provision for arbitration for any appeal or dispute as to any decision by Fidelity Corporation concerning the certificate as follows:

ANY DISPUTE AS TO WHETHER THE SUSPENSION OR REVOCATION OF THIS CERTIFICATE BY FIDELITY CORPORATION IS UNNECESSARY OR UNAUTHORIZED OR WAS IMPROPERLY, NEGLIGENTLY, OR UNLAWFULLY RENDERED, MAY BE DETERMINED BY SUBMISSION TO ARBITRATION AS PROVIDED BY CALIFORNIA LAW, AND NOT BY A LAWSUIT OR RESORT TO COURT PROCESS EXCEPT AS CALIFORNIA LAW PROVIDES FOR JUDICIAL REVIEW OF ARBITRATION PROCEEDINGS OR EXCEPT AS PROVIDED BY SECTION 17331.3 OF THE FINANCIAL CODE. THE PERSON TO WHOM THIS CERTIFICATE HAS BEEN ISSUED MAY, SUBJECT TO AGREEMENT, SUBMIT ANY ISSUE ARISING FROM ANY DECISION BY FIDELITY CORPORATION TO EITHER SUSPEND OR REVOKE THIS CERTIFICATE TO BE DECIDED BY BINDING NEUTRAL ARBITRATION. UPON SUCH AGREEMENT, THE PERSON TO WHOM THE CERTIFICATE IS ISSUED HAS NO RIGHTS TO HAVE ANY DISPUTE

CONCERNING THIS CERTIFICATE LITIGATED IN A COURT OR JURY TRIAL NOR ANY JUDICIAL RIGHTS TO DISCOVERY AND APPEAL, EXCEPT AS SPECIFICALLY PROVIDED IN THE ESCROW LAW, AND ARBITRATION MAY BE COMPELLED AS PROVIDED BY LAW.

(g) There shall be no liability on the part of and no cause of action of any nature shall arise against Fidelity Corporation or its members, directors, officers, employees, or agents, the State of California, the Department of Corporations, or any officer, agent, or employee of the state or the Department of Corporations for any statements made by Fidelity Corporation in any reports or recommendations made pursuant to this division, or for any reports or recommendations made pursuant to this division to Fidelity Corporation by its members, directors, officers, employees or agents, the State of California, the Department of Corporations, or any officer, agent, or employee of the state or the Department of Corporations, unless the information provided is false and the party making the statement or providing the false information does so with knowledge and malice. Reports or recommendations made pursuant to this section, or Section 17331.1, 17331.2, or 17331.3 shall not be public documents.

(h) There shall be no liability on the part of and no cause of action of any nature shall arise against Fidelity Corporation or its members, directors, officers, employees, or agents, the State of California, the Department of Corporations, or any officer, agent, or employee of the state or the Department of Corporations for the release of any information furnished to Fidelity Corporation pursuant to this section unless the information released is false and the party, including Fidelity Corporation, its members, directors, officers, employees, or agents, the state, the Department of Corporations, or any officer, agent, or employee of the state or the Department of Corporations, who releases the false information does so with knowledge and malice.

(i) There shall be no liability on the part of and no cause of action of any nature shall arise against Fidelity Corporation or its directors, officers, employees, or agents, for any decision to deny an application for a certificate or to suspend or revoke the certificate of any person or for the timing of any decision or the timing of any notice to persons or members thereof. This subdivision does not apply to acts performed in bad faith or with malice.

(j) Fidelity Corporation, any member of Fidelity Corporation, an agent of Fidelity Corporation or of its members, or any person who uses any information obtained under this section for any purpose not authorized herein is guilty of a misdemeanor.

(k) Section 17331, 17331.1, or 17331.2 shall not constitute a restriction or limitation upon the obligation of Fidelity Corporation to indemnify members against loss, as provided in Sections 17310 and 17314. The failure to obtain a certificate, the denial of an application for a certificate, or the suspension, cancellation, or revocation of a

certificate shall not limit the obligation of Fidelity Corporation to indemnify a member against loss.

(*l*) As of January 1, 1992, notwithstanding Section 11105 of the Penal Code, Fidelity Corporation shall be entitled to receive state summary criminal history information and subsequent arrest notification from the Department of Justice as a result of fingerprint cards submitted to the Department of Justice by the Department of Corporations, pursuant to subdivision (g) of Section 17209, Section 17212.1, and subdivision (d) of Section 17414.1, by or on behalf of escrow agents, shareholders, officers, directors, trustees, managers, or employees of an escrow agent, directly or indirectly compensated by an escrow agent. The Department of Justice and Fidelity Corporation shall enter into an agreement to implement this subdivision. The Department of Corporations shall forward to Fidelity Corporation, weekly, a list of names of individual fingerprints submitted to the Department of Justice.

SEC. 2. Section 17331.1 is added to the Financial Code, to read:

17331.1. (a) As of January 1, 1992, any person not previously issued a certificate must, upon employment with an escrow agent within this state, apply to Fidelity Corporation for a certificate within 10 business days. The person may continue employment until or unless denied a certificate by Fidelity Corporation. The member shall submit all applications for certificates to Fidelity Corporation within 10 business days of the date of employment.

(b) Upon written notice by Fidelity Corporation to any or all members that any person has been denied a certificate, or has had a certificate suspended, canceled, or revoked, no member or person acting on behalf of a member shall authorize that person to have access to money or negotiable securities belonging to or in the possession of the escrow agent, or to draw checks upon the escrow agent or the trust accounts of the escrow agent. Any member or person who commits or who causes a violation of this section, which violation was either known or should have been known by the member or such persons committing or causing the violation, may be subject to action by the commissioner and Fidelity Corporation as provided for in this division.

(c) Upon employment of any person already issued a valid certificate by Fidelity Corporation with an escrow agent within this state, the member shall notify Fidelity Corporation within 10 business days in writing on a form prescribed by Fidelity Corporation.

(d) Any person required to have a certificate shall notify Fidelity Corporation within 10 business days on a form prescribed by Fidelity Corporation of any change of the individual's name or home or mailing address or employment status. The notice shall be accompanied by a fee to cover the cost of processing the notice, but not to exceed twenty-five dollars ($25).

(e) A member shall forward the certificate to Fidelity Corporation within five business days of the date of termination of

any person and shall state thereon the date of termination. Fidelity Corporation shall, for a term not to exceed one year, hold the certificate until notified of commencement of employment by a member. After one year, the certificate will be canceled and a new application for a certificate will be required of such person in accordance with Section 17331 or 17331.1.

(f) Fidelity Corporation shall assess the member a penalty at the rate of twenty-five dollars ($25) for every day that the member has not fully complied with this section, Section 17331, or Section 17331.2.

(g) Any member that suffers a loss of trust obligations caused by any person who is required to have a certificate but has (1) failed to apply for a certificate, (2) has had the application for a certificate denied, (3) has a suspended certificate, or (4) whose certificate has been revoked shall be obligated to pay a deductible in the amount of ten thousand dollars ($10,000) plus 10 percent of the amount by which the loss exceeds ten thousand dollars ($10,000), notwithstanding the statutory deductible as prescribed by Section 17314.3. Other than as provided for in this subdivision, the failure to obtain a certificate, the denial of an application for a certificate, or the suspension, cancellation, or revocation of a certificate shall not limit the obligation of Fidelity Corporation to indemnify a member against loss of trust obligations as defined in this division.

SEC. 3. Section 17331.2 is added to the Financial Code, to read:

17331.2. (a) Fidelity Corporation shall deny the application for a certificate or revoke the certificate of any person, upon any of the following grounds:

(1) The application contains a material misrepresentation of fact or fails to disclose a material fact so as to render the application false or misleading, or if any fact or condition exists which, if it had existed at the time of the original application for a certificate, reasonably would have warranted Fidelity Corporation to refuse originally to issue such certificate.

(2) That the person has been convicted of a felony involving dishonesty, fraud, deceit, or any other crime reasonably related to the qualifications, functions, or duties of a person engaged in business in accordance with the provisions of this division, which felony has not been expunged and the person has not obtained a certificate of rehabilitation from a court of competent jurisdiction, as allowed by Section 4852.01 of the Penal Code.

(3) That the person has been convicted of, or pleaded nolo contendere to, a crime, or has been held liable in a civil action by final judgment, if the crime or civil action involved fraud, embezzlement, fraudulent conversion, or misappropriation of property.

(4) That the person has committed or caused to be committed an act which caused any member to suffer a loss; or that the person has committed or caused to be committed or colluded with any other person committing any act which caused a loss, for which Fidelity Corporation or the insurer on any insurance policy or fidelity bond

purchased by Fidelity Corporation, or both, to become liable to indemnify any member.

(5) That the person has been barred from employment by final order of the commissioner pursuant to Section 17423.

(6) That the person has been deemed not qualified to serve in any capacity as a director or officer or in any other position involving management duties with a financial institution, pursuant to Division 1.8 (commencing with Section 4990).

(7) That the person has been denied coverage or reinstatement by any insurer under any fidelity bond or crime policy, unless a decision of reinstatement of coverage has been made after such denial.

(b) Fidelity Corporation may suspend the certificate of any person upon any of the following grounds:

(1) That the person has been censured or suspended from any position of employment or management or control of any escrow agent, by final order of the commissioner.

(2) That there is an action commenced by the commissioner to either suspend or bar such person, under Section 17423.

(3) That any member with whom the person was employed has given a proof of loss or a notice of an occurrence which may give rise to a claim for a loss of trust obligations either of which identifies the person as the person responsible for the loss or as a person acting in collusion with the person causing the loss.

(c) Upon denial of an application for, or upon suspension or revocation of the certificate of any person, Fidelity Corporation shall provide written notice to the member with whom that person is employed of the decision, pending any appeal therefrom which might be made. The grounds and basis for the decision shall be stated in the notice thereof. Thereafter, the member shall not allow that person to have access to money or negotiable securities belonging to or in the possession of the escrow agent, or to draw checks upon the escrow agent or the trust accounts of the escrow agent. Fidelity Corporation shall notify the person in writing of the decision to deny, suspend, or revoke the certificate and of the person's right of appeal, together with the notice of appeal. All notices may be served either personally or by mail, properly addressed to the address of record for the member and the person.

(d) Any person whose application for a certificate has been denied, or whose certificate has been suspended or revoked, may appeal the decision, as provided in Section 17331.3. While such appeal is pending, the person may not have access to money or negotiable securities belonging to or in the possession of the escrow agent, or to draw checks upon the escrow agent or the trust accounts of the escrow agent. Failure to remove the person whose application has been denied, or whose certificate has been suspended or revoked, as a signer on the trust accounts may be subject to action by the commissioner as provided for in this division and shall be subject to penalties as set forth in Section 17331.1.

(e) Upon expiration of the time for an appeal, or upon conclusion of the appeal, the decision to deny an application for or to suspend or revoke the certificate of any person shall become final. Fidelity Corporation shall give written notice to the member and to the person of the final decision within 10 days. Thereafter, Fidelity Corporation shall disclose in writing to all members the identity of persons whose application has been denied or whose certificate has been revoked.

SEC. 4. Section 17331.3 is added to the Financial Code, to read:

17331.3. (a) Notice to the person, and to the member with whom the person is employed, of the decision to deny an application for or to revoke or suspend a Fidelity Corporation Certificate, shall be effective immediately upon personal delivery, or by facsimile if written acknowledgment of receipt by the member and the person is returned by facsimile, or within five days of the date of mailing, and shall become final upon expiration of the time for filing a notice of appeal or upon the conclusion of the appeal, as provided for in this section.

(b) The person whose application for a certificate has been denied, or whose certificate has been suspended or revoked may, within 15 days after notice of the decision, file with Fidelity Corporation a notice of appeal and request for a hearing, by binding arbitration or judicial action, as provided herein. Neither the notice of appeal nor the request for a hearing shall stay the decision of Fidelity Corporation under Section 17331.2. A late notice of appeal and request for a hearing may be accepted upon a showing of good cause.

(c) The hearing for the appeal may be resolved by arbitration in accordance with Chapter 1 (commencing with Section 1280) of Title 9 of Part 3 of the Code of Civil Procedure. The notice of the person's right to appeal and notice of appeal provided by Fidelity Corporation shall contain a schedule of proposed arbitrators or of a proposed arbitration forum which provides a panel of arbitrators and method for appointing an arbitrator. The person filing the notice of arbitration may agree to submit the decision and matter to binding arbitration and accept an arbitrator whose name appears on the notice or may propose, in writing, an alternative arbitrator, but if Fidelity Corporation does not notify the person of acceptance of the proposed alternative arbitrator within 10 days, then either party may within 30 days petition the court to appoint an arbitrator, as provided by law.

(d) If the person does not agree to submit the decision and matter to binding arbitration, then the person may, within 30 days after the notice of the decision, file an action in superior court concerning the decision to deny an application for, or to suspend or revoke the certificate. The court may, on its own motion, or shall, upon the filing of an election by any or either party, order that the action be submitted to arbitration pursuant to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure,

in which case the action shall be accorded that priority for hearing as circumstances permit, unless the plaintiff may otherwise request.

(e) Either Fidelity Corporation or the person whose application for a certificate has been denied, or whose certificate has been suspended or revoked, may apply to the superior court for relief to compel compliance with this section in accordance with Chapter 2 (commencing with Section 1084) of Title 1 of Part 3 of the Code of Civil Procedure.

(f) Upon the conclusion of the hearing on appeal, either the arbitrator or the court may in its discretion award to the prevailing party as an item of costs, reasonable attorneys' fees, and costs. All other expenses and fees for the arbitration incurred prior to the decision of the arbitrator or confirmation of the decision by the court shall be shared equally by the parties except for attorneys' fees, witness fees or other expenses incurred by either party for his or her own benefit.

(g) Upon the filing of any action in the superior court by the person whose application for a certificate has been denied, or whose certificate has been suspended or revoked, Fidelity Corporation at any time within 30 days after service of the summons may upon notice and hearing, move the court for an order requiring the plaintiff to furnish an undertaking to secure an award of costs and attorneys' fees which may be awarded in the action. The motion shall be supported by affidavit showing that the action filed is frivolous and that there is no reasonable possibility that the prosecution of the action will benefit the plaintiff and that the moving party fully complied with this section and Section 17331.2.

At the hearing upon the motion, the court shall consider any written or oral evidence, by witnesses or affidavit, as may be material (1) to the ground or grounds upon which the motion is based, or (2) to a determination of the probable reasonable expenses, including attorneys' fees, of the defendant and the moving party, which will be incurred in the defense of the action.

If the court determines, after hearing the evidence adduced by the parties, that the moving party has established a probability in support of any of the grounds upon which the motion is based, the court shall fix the amount of the undertaking, not to exceed twenty-five thousand dollars ($25,000), to be furnished by the plaintiff for reasonable expenses, including attorneys' fees, which may be incurred by the moving party in connection with the action.

A ruling by the court on the motion shall not be a determination of any issue in the action or of the merits thereof. If the court, upon the motion, makes a determination that a bond shall be furnished by the plaintiff, the action shall be dismissed as to the defendant, unless the bond required by the court has been furnished within a reasonable time as may be fixed by the court. Upon the filing of a motion pursuant to this subdivision, no other pleadings need be filed by the defendant and the prosecution of the action shall be stayed until 10 days after the motion has been disposed of. The motion shall

be considered pursuant to this subdivision and in accordance with Chapter 2 (commencing with Section 995.010) of Title 14 of Part 2 of the Code of Civil Procedure.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1218

An act to amend Section 25143.5 of and to add and repeal Section 25143.4 of, the Health and Safety Code, relating to hazardous waste.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 25143.4 is added to the Health and Safety Code, to read:

25143.4. (a) The classifications of fly ash, bottom ash, and flue gas emission control residues as nonhazardous, made by the department before January 1, 1985, for the ash or residue generated by an individual solid waste facility which will convert solid waste into energy shall not be modified or repealed by the department unless the department determines all of the following:

(1) New data reveals that there has been a significant change in the solid waste entering the combustion process, in the combustion process itself, or in the management of the ash or residue.

(2) The change specified in paragraph (1) causes the facility to produce waste which is hazardous waste, as defined in Section 25117, as determined by the testing of a representative sample of the ash or residue pursuant to criteria adopted by the department.

(3) The hazard caused by the change specified in paragraph (1) or the hazardous waste produced by the facility is not adequately regulated by any other state or local agency with jurisdiction over the facility which generates the ash or residue.

(b) This section applies to determinations made by the department for individual solid waste conversion facilities, including, but not limited to, those projects which will be constructed or will serve the Counties of San Diego, Humboldt, San Joaquin, Butte, Trinity, Sacramento, and Alameda, and the Cities of San Francisco,

Long Beach, Fresno, Modesto, Sanger, and Commerce.

(c) Notwithstanding any other provision of law, this section applies only to fly ash, bottom ash, and flue gas emission control residues which are not RCRA hazardous waste.

(d) This section shall become inoperative on September 30, 1992, and, as of January 1, 1993, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1993, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 2. Section 25143.5 of the Health and Safety Code is amended to read:

25143.5. (a) Except as provided in subdivisions (d) and (e), the department shall classify as nonhazardous waste any fly ash, bottom ash, and flue gas emission control residues, generated from a biomass combustion process, as defined in subdivision (f), if the combustion process will be adequately monitored and controlled so as to prevent the handling or the disposal of any waste in a manner prohibited by law, unless the department determines that the ash or residue is hazardous, by testing a representative sample of the ash or residue pursuant to criteria adopted by the department.

(b) The fly ash, bottom ash, and flue gas emission control residues which are classified as nonhazardous by the department are exempt from this chapter.

(c) An operator of a biomass facility which converts biomass into energy for which the department has classified the ash or residue as hazardous shall notify the department whenever there has been a significant change in the waste entering the combustion process, the combustion process itself, or in the management of the ash or residues generated by the facility. An operator of a biomass facility which converts biomass into energy for which the department has classified the ash or residue as nonhazardous shall notify the department when there has been a significant change in the waste entering the combustion process or in the combustion process itself.

(d) For purposes of classifying fly ash, bottom ash, and flue gas emission control residues generated by the combustion of municipal solid waste in a facility for which the department classified as nonhazardous on or before January 1, 1985, the sampling of the ash or residue for purposes of classification by the department shall occur at the point in the process following onsite treatment of the ash or residue.

(e) Notwithstanding any other provision of law, this section applies only to fly ash, bottom ash, and flue gas emission control residues which are not RCRA hazardous waste.

(f) For purposes of this section, the following definitions shall apply:

(1) "Biomass combustion process" means a combustion process which has a primary energy source of biomass or biomass waste, and of which 75 percent of the total energy input is from these sources during any calendar year and of which 25 percent or less of the other energy sources do not include sewage sludge, industrial sludge,

medical waste, hazardous waste, radioactive waste, or municipal solid waste.

(2) "Biomass" or "biomass waste" means any organic material not derived from fossil fuels, such as agricultural crop residues, bark, lawn, yard and garden clippings, leaves, silvicultural residue, tree and brush pruning, wood and wood chips, and wood waste, including these materials when separated from other waste streams. "Biomass" or "biomass waste" does not include material containing sewage sludge, industrial sludge, medical waste, hazardous waste, or radioactive waste.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1219

An act to amend Section 40000.15 of, and to add Section 24011.3 to, the Vehicle Code, relating to vehicles.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 24011.3 is added to the Vehicle Code, to read:

24011.3. (a) Every manufacturer or importer of new passenger vehicles for sale or lease in this state, shall affix to a window or the windshield of the vehicle a notice with either of the following statements, whichever is appropriate:

(1) "This vehicle is equipped with bumpers that can withstand an impact of 2.5 miles per hour with no damage to the vehicle's body and safety systems, although the bumper and related components may sustain damage. The bumper system on this vehicle conforms to the current federal bumper standard of 2.5 miles per hour."

(2) "This vehicle is equipped with a front bumper of a type that has been tested at an impact speed of (here specify the appropriate number) miles per hour, and a rear bumper of a type that has been tested at an impact speed of (here specify the appropriate number) miles per hour, resulting in no damage to the vehicle's body and safety systems and minimal damage to the bumper and attachment

hardware. 'Minimal damage to the bumper' means minor cosmetic damage that can be repaired with the use of common repair materials and without replacing any parts. The stronger the bumper, the less likely the vehicle will require repair after a low-speed collision. This vehicle exceeds the current federal bumper standard of 2.5 miles per hour."

(b) The impact speed required to be specified in the notice pursuant to paragraph (2) of subdivision (a) is the maximum speed of impact upon the bumper of the vehicle at which the vehicle sustains no damage to the body and safety systems and only minimal damage to the bumper when subjected to the fixed barrier and pendulum impact tests, and when subjected to the corner impact test at not less than 60 percent of that maximum speed, conducted pursuant to Part 581 of Title 49 of the Code of Federal Regulations.

(c) (1) Any manufacturer who willfully fails to affix the notice required by subdivision (a), or willfully misstates any information in the notice, is guilty of a misdemeanor and is punishable by a fine of not more the five hundred dollars ($500). Each failure or misstatement is a separate offense.

(2) Any person who willfully defaces, alters, or removes the notice required by subdivision (a) prior to delivery of the vehicle, to which the notice is required to be affixed, to the registered owner or lessee is guilty of a misdemeanor and is punishable by a fine of not more than five hundred dollars ($500). Each willful defacement, alteration, or removal is a separate offense.

(d) For purposes of this section:

(1) "Manufacturer" is any person engaged in the manufacture or assembly of new passenger vehicles for distribution or sale, and includes an importer of new passenger vehicles for distribution or sale and any person who acts for, or is under the control of, a manufacturer in connection with the distribution or sale of new passenger vehicles.

(2) "Passenger vehicle" means, notwithstanding Section 465, a motor vehicle subject to impact testing conducted pursuant to Part 581 of Title 49 of the Code of Federal Regulations.

(3) "No damage" means that, when a passenger vehicle is subjected to impact testing, conducted pursuant to the conditions and test procedures of Sections 581.6 and 581.7 of Part 581 of Title 49 of the Code of Federal Regulations, the vehicle sustains no damage to the body and safety systems.

(4) For purposes of paragraph (2) of subdivision (a) and subdivision (b), "minimal damage to the bumper and attachment hardware" means damage that can be repaired with the use of common repair materials and without replacing any parts. In addition, not later than 30 minutes after completion of each pendulum or barrier impact test, the bumper face bar shall have no permanent deviation greater than three-quarters of one inch from its original contour and position relative to the vehicle frame and no permanent deviation greater than three-eighths of one inch from its

original contour on areas of contact with the barrier face or impact ridge of the pendulum test device, measured from a straight line connecting the bumper contours adjoining the contact area.

(e) The notice required by this section may be included in any notice or label required by federal law to be affixed to a window or windshield of the vehicle.

SEC. 2. Section 40000.15 of the Vehicle Code is amended to read:

40000.15. A violation of any of the following provisions shall constitute a misdemeanor, and not an infraction:

Sections 23103 and 23104, relating to reckless driving.

Section 23109, relating to speed contests or exhibitions.

Section 23110, subdivision (a), relating to throwing at vehicles.

Section 23152, relating to driving under the influence.

Subdivision (b) of Section 23222, relating to possession of marijuana.

Sections 23237 and 23244, relating to ignition interlock devices.

Section 23253, relating to officers on vehicular crossings.

Section 23332, relating to trespassing.

Section 24011.3, relating to vehicle bumper strength notices.

Section 27150.1, relating to sale of exhaust systems.

Section 27362, relating to child passenger seat restraints.

Section 28050, relating to true mileage driven.

Section 28050.5, relating to nonfunctional odometers.

Section 28051, relating to resetting odometer.

Section 28051.5, relating to device to reset odometer.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1220

An act to amend Section 69619.1 of the Education Code, relating to education.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 69619.1 of the Education Code is amended to read:

69619.1. (a) The California School Paraprofessional Teacher Training Program is hereby established for the purpose of recruiting paraprofessionals to participate in a pilot program designed to encourage them to enroll in a teacher training program and to provide instructional service as a teacher in the public schools.

(b) No later than July 1, 1992, the Commission on Teacher Credentialing, in consultation with the Chancellor of the California Community Colleges, the Chancellor of the California State University, and representatives of certificated and classified employee organizations, shall select 12 or more school districts or county offices of education, each of which applies for that selection and has 300 or more classified employees, to participate in a pilot program for the recruitment of school paraprofessional employees who wish to enroll in teacher training programs. The commission shall ensure that a total of 600 school paraprofessionals are recruited from among the 12 participating school districts or county offices of education. The commission shall also require that at least 40 percent of the school paraprofessionals employed by each school district or county office of education selected to participate in the pilot program are members of racial and ethnic minority groups, as determined by data compiled under the California Basic Educational Data System maintained by the State Department of Education. The criteria adopted by the commission for the selection of school districts or county offices of education to participate in the pilot program shall include the following:

(1) The extent to which the applicant district or county office demonstrates the capacity and willingness to accommodate the participation of school paraprofessionals of the district in teacher training programs conducted at institutions of higher education.

(2) The extent to which the applicant district's or county office's plan for the implementation of its recruitment program involves the active participation of one or more local campuses of the California Community Colleges or the California State University in the development of coursework and teaching programs for participating school paraprofessionals. Each selected school district or county office of education shall be required to enter into a written articulation agreement with the participating campuses of the California Community Colleges and the California State University.

(3) The extent to which the district's or county office's plan for recruitment attempts to meet the demand for bilingual crosscultural teachers.

(4) The extent to which the applicant district's or county office's plan for recruitment attempts to meet the demand for special education teachers.

(5) The extent to which the applicant district's or county office's plan for recruitment includes a developmentally sequenced series of job descriptions that lead from an entry level school paraprofessional position to an entry level teaching position in that district.

(c) Each selected school district or county office of education shall

provide information and assistance to each school paraprofessional it recruits under the pilot program regarding admission to a teacher training program.

(d) The school district or county office of education shall recruit and organize groups, or "cohorts," of school paraprofessionals, of not less than 30 paraprofessionals in each cohort. Cohorts shall be organized to consist of school paraprofessionals having approximately equal academic experience and qualifications, as determined by the district or county office of education. The members of each cohort shall enroll in the same campus, and shall be provided by the school district or county office of education with appropriate support and information throughout the course of their studies. Each school district or county office of education shall certify that it has received a commitment from each member of a cohort that he or she will complete one school year of classroom instruction in the district or county office of education for each year that he or she receives assistance for books, fees, and tuition while attending a community college or a campus of the California State University under the program. To the extent possible, members of each cohort shall proceed through the same waiver and credential programs. If any participant does not fulfill his or her obligation to complete one year of classroom instruction for each year of financial assistance he or she received under the program, the participant shall be required to repay the assistance to the extent he or she failed to meet that obligation. "Teacher training program," for the purposes of this article, means any undergraduate program of instruction conducted at a campus of the California Community Colleges, or undergraduate or graduate program conducted at a campus of the California State University, that is designed to qualify students enrolled in the program for a teaching credential authorizing instruction in kindergarten and grades 1 to 12, inclusive.

(e) The commission shall contract with an independent evaluator with a proven record of experience in assessing career-advancement teacher training programs to determine the success of the recruitment programs established pursuant to subdivision (b). The evaluation shall be made on an annual basis and shall include, but shall not be limited to, all of the following:

(1) The number and racial and ethnic classifications of school paraprofessionals successfully recruited under this article for participation in a teacher training program.

(2) The number and racial and ethnic classifications of school paraprofessionals participating in the pilot program who successfully complete the teacher training program each year.

(3) The total cost per person participating in the pilot program who successfully obtains a teaching credential, based upon all state, local, federal, and other sources of funding.

(4) The economic status of persons participating in the pilot program.

(5) A description of financial and other resources made available

to each recruitment program by participating school districts or county offices of education, the California Community Colleges, the California State University, and other participating organizations.

(f) Each selected school district or county offices of education shall report to the commission regarding the progress of each cohort of school paraprofessionals, and other information regarding its recruitment program as the commission may direct.

(g) No later than January 1, 1993, and again by January 1, 1994, and by January 1, 1995, the commission shall report to the Legislature regarding the status of the pilot program, including, but not limited to, the number of school paraprofessionals recruited, the academic progress of the school paraprofessionals recruited, the number of school paraprofessionals recruited who are subsequently employed as teachers in the public schools, the degree to which the program meets the demand for bilingual and special education teachers and the degree to which the program or similar programs can meet this need if properly funded and executed, and other effects upon the operation of the public schools.

(h) "Teaching paraprofessional," for the purposes of this article, includes the following job classifications: teacher associate, teacher assistant, teacher aide, pupil service aide, and library aide.

(i) "Local education agency" for the purposes of this article, includes county offices of education that can participate in the pilot programs.

SEC. 2. It is the intent of the Legislature that, commencing with the 1992–93 fiscal year, funding for the California School Paraprofessional Teacher Training Program be allocated to the Commission on Teacher Credentialing for grants to school districts pursuant to Section 69619.1 of the Education Code.

CHAPTER 1221

An act to amend Sections 17209, 17212.1, 17414, 17415, and 17423 of, and to add Sections 17414.1, 17414.2, and 17419 to, the Financial Code, relating to escrow agents.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 17209 of the Financial Code is amended to read:

17209. An application for a license as an escrow agent shall be signed and verified by an authorized officer of the applicant, and such application shall be accompanied by a certified copy of the articles of incorporation and a copy of the bylaws of the proposed licensee. The application shall set forth:

(a) The names and addresses of the incorporators, directors, and officers.

(b) An itemized statement of the estimated receipts and expenditures of the proposed first year of operations.

(c) An audited financial statement showing compliance with Section 17210.

(d) The name and address of the person, or persons, meeting the requirements of Section 17200.8, and a statement supporting such persons' qualifications.

(e) The type of business for which the license is requested.

(f) Any other matters the commissioner may require.

(g) An application for a license as an escrow agent filed with the commissioner after December 31, 1991, shall also include a completed statement of identity and questionnaire, as prescribed by the commissioner, for all stockholders, directors, officers, trustees, managers, and other persons participating in the escrow business directly or indirectly compensated by the escrow agent (other than usual and customary employees who file pursuant to subdivision (d) of Section 17414.1 and Section 17419) and shall also include fingerprints for those persons submitted on the form established by the Department of Justice for requesting state summary criminal history information. The commissioner shall notify the applicant in writing if any of the information received pursuant to this division shows that a person's employment, participation, or ownership interest would be in violation of Section 17414.1, and the escrow agent shall deny the person the employment or interest. If the application is not satisfactorily amended to remove the deficiency within six months of the first notice of deficiency, the application shall be summarily denied. Persons required to file the employment application pursuant to Section 17419 are not required to file the statement of identity and questionnaire described in this section.

SEC. 2. Section 17212.1 of the Financial Code is amended to read:

17212.1. All licensees shall notify the commissioner of any changes in shareholders, directors, officers, trustees, managers, and other persons participating in the escrow business directly or indirectly compensated by the escrow agent (other than usual and customary employees who file pursuant to subdivision (d) of Section 17414.1 and Section 17419), by filing by certified mail, return receipt requested, for those persons a statement of identity and questionnaire, as prescribed by the commissioner for those persons, and fingerprints submitted on the form established by the Department of Justice for requesting state summary criminal history information. Persons who have previously submitted fingerprints to the commissioner may so notify the commissioner and need not submit additional fingerprints unless requested to do so by the commissioner. The commissioner shall notify the escrow agent if any of the information received pursuant to this division shows that the person's employment, participation, or ownership interest would be in violation of Section 17414.1, and upon that notification the escrow

agent shall deny the person the employment or interest. No person shall have access to trust funds or sign checks or otherwise perform any activities related to the processing of escrow transactions after the licensed escrow agent has been notified by the commissioner that the person's employment, participation, or ownership interest is in violation of Section 17414.1. The requirements set forth in this section are in addition to those required under Section 17213.

The commissioner may by regulation require licensees to file at such times as he may specify additional information as he may reasonably require regarding any changes in the information provided in any application filed pursuant to this division.

SEC. 3. Section 17414 of the Financial Code is amended to read:

17414. (a) It is a violation for any person subject to this division or any director, stockholder, trustee, officer, agent, or employee of any such person to do any of the following:

(1) Knowingly or recklessly disburse or cause the disbursal of escrow funds otherwise than in accordance with escrow instructions, or knowingly or recklessly to direct, participate in, or aid or abet in a material way, any activity which constitutes theft or fraud in connection with any escrow transaction.

(2) Knowingly or recklessly make or cause to be made any misstatement or omission to state a material fact, orally or in writing, in escrow books, accounts, files, reports, exhibits, statements, or any other document pertaining to an escrow or escrow affairs.

(b) Any director, officer, stockholder, trustee, employee, or agent of an escrow agent, who abstracts or willfully misappropriates money, funds, trust obligations or property deposited with an escrow agent, is guilty of a felony. Upon conviction, the court shall, in addition to any other punishment imposed, order the person to make full restitution, first to the escrow agent and then to Fidelity Corporation, to the extent it has indemnified the escrow agent. Nothing in this section shall be deemed or construed to repeal, amend, or impair any existing provision of law prescribing a punishment for such an offense.

(c) Any person subject to this division who knows or should have known of a person's involvement in an abstraction or misappropriation of money, funds, trust obligations, or property deposited with a licensed escrow agent shall immediately report the abstraction or misappropriation in writing to the commissioner. No person shall be civilly liable for reporting as required under this subdivision, unless the information provided in the report is false and the person providing false information does so with knowledge and malice. The reports filed under this section, including the identity of the person making the filing, shall remain confidential pursuant to state law.

SEC. 4. Section 17414.1 is added to the Financial Code, to read:

17414.1. (a) Any person who has been convicted of, or pleaded nolo contendere to, a criminal violation, or been held liable in a civil action by final judgment, or administrative action by any public

agency of any of the provisions specified in subdivision (b) within the past 10 years shall not serve in any capacity as an officer, director, stockholder, trustee, agent, or employee of an escrow agent, or in any position involving any duties with an escrow agent, in this state. This subdivision shall apply to any person whose office, employment, ownership interest, or other participation in the business of a licensed escrow agent commenced, or whose criminal conviction, plea, or judgment occurred prior to January 1, 1992.

(b) Subdivision (a) applies to criminal convictions of, pleas of nolo contendere to, or civil or administrative judgments entered for offenses including, but not limited to, the following:

(1) Offenses specified in Chapter 18 (commencing with Section 3350) of Division 1.

(2) Offenses specified in Article 4 (commencing with Section 5300) of Chapter 1 of Division 2.

(3) Offenses specified in Article 8 (commencing with Section 14750) of Chapter 4 of Division 5.

(4) Offenses specified in Chapter 3 (commencing with Section 17400), and Chapter 7 (commencing with Section 17700) of Division 6.

(5) Offenses specified in Chapter 6 (commencing with Section 18435) of Division 7.

(6) Offenses specified in provisions of the laws of the United States added or amended by the federal Financial Institutions Reform, Recovery and Enforcement Act of 1989 (Public Law 101-73).

(7) Offenses involving charges including, but not limited to, robbery, burglary, theft, embezzlement, fraud, fraudulent conversion or misappropriation of property, forgery, bookmaking, receiving stolen property, counterfeiting, controlled substances, checks, credit cards, or computer violations specified in Section 502 of the Penal Code.

(c) On and after January 1, 1992, any person who seeks employment by, or an ownership interest in, or other participation in the business of a licensed escrow agent shall, as a condition to obtaining that employment, interest, or participation, authorize Fidelity Corporation and the commissioner, or both, to have access to that person's state summary criminal history information, as defined in Section 11105 of the Penal Code, for purposes of determining whether the person has a prior conviction of, or pleaded nolo contendere to, a criminal offense specified in subdivision (b).

(d) On or before the 10th day of employment, each escrow agent shall obtain and forward to the commissioner the fingerprints of persons seeking employment by an escrow agent. The fingerprints shall be submitted by certified mail, return receipt requested, on the form established by the Department of Justice for requesting state summary criminal history information. Persons who have previously submitted fingerprints to the commissioner may so notify the commissioner and need not submit additional fingerprints unless

requested to do so by the commissioner. The commissioner shall notify the escrow agent if any of the information received pursuant to this division shows that the person's employment would be in violation of Section 17414.1, and the escrow agent shall deny the person the employment. No person whose employment is in violation of subdivision (a) shall have access to trust funds or sign checks or otherwise perform any activities related to the processing of escrow transactions after the licensed escrow agent has been notified by the commissioner that the person's employment is in violation of subdivision (a).

(e) Any state summary criminal history information obtained pursuant to this section shall be kept confidential and no recipient shall disclose the contents other than for the purpose of determining eligibility for employment by, or acquisition of an ownership interest in, or other participation in the business of a licensed escrow agent.

(f) The authority granted by this section to the commissioner or to Fidelity Corporation shall be in addition to any other authority granted by law to obtain information about any person who is subject to this division. Nothing in this section shall be construed to limit any authority of the commissioner or Fidelity Corporation otherwise provided by law.

(g) Any person who knowingly violates subdivision (a) or (d), including, but not limited to, any escrow agent who permits employment by, or an ownership interest in, or other participation in the business of an escrow agent in violation of subdivision (a) or (d) shall, upon conviction, be subject to punishment as set forth in Section 17700. Any person who knows or should have known of a violation of subdivision (a) or (d) shall immediately report the violation in writing to the commissioner. No person shall be civilly liable for reporting as required under this subdivision, unless the information provided in the report is false and the person providing false information does so with knowledge and malice. The reports filed under this section, including the identity of the person making the filing, shall remain confidential pursuant to state law.

SEC. 5. Section 17414.2 is added to the Financial Code, to read:

17414.2. (a) In response to any written request by an escrow agent or by Fidelity Corporation, any bank, savings association, credit union, any other financial institution, or any other exempt person specified in Section 17006, an escrow agent or Fidelity Corporation may provide a written employment reference that advises of the person's involvement in a crime or act specified in Section 17414 or subdivision (b) of Section 17414.1, or any theft, embezzlement, misappropriation, or other defalcation which has been reported to federal authorities pursuant to federal banking guidelines, or that has been reported to the commissioner or Fidelity Corporation, pursuant to this division. In order for the immunity provided in subdivision (b) to apply, a copy of the written employment reference shall be sent concurrently by the Fidelity Corporation, person, entity, escrow agent, bank, savings association,

credit union, any other financial institution, or exempt person specified in Section 17006 providing the reference, to the last known address of the person concerning whom the reference is provided.

(b) No licensed escrow agent, bank, savings association, credit union, any other financial institution, exempt person specified in Section 17006, or Fidelity Corporation shall be civilly liable for providing an employment reference as specified in subdivision (a), unless the information provided is false and the licensed escrow agent, bank, savings association, credit union, any other financial institution, or exempt person specified in Section 17006, or Fidelity Corporation providing false information does so with knowledge and malice.

SEC. 6. Section 17415 of the Financial Code is amended to read:

17415. (a) If the commissioner, as a result of any examination or from any report made to him or her, shall find that any person subject to this division is in an insolvent condition, is conducting escrow business in such an unsafe or injurious manner as to render further operations hazardous to the public or to customers, has failed to comply with the provisions of Section 17212.1 or 17414.1, has permitted its tangible net worth to be lower than the minimum required by law, has failed to maintain its liquid assets in excess of current liabilities as set forth in Section 17210, or has failed to comply with the bonding requirements of Chapter 2 (commencing with Section 17200) of this division, the commissioner may, by an order addressed to and served by registered or certified mail or by personal service on such person and on any other person having in his or her possession or control any escrowed funds, trust funds or other property deposited in escrow with said person, direct discontinuance of the disbursement of trust funds by the parties or any of them, the receipt of trust funds, the delivery or recording of documents received in escrow, or other business operations. No person having in his or her possession any of these funds or documents shall be liable for failure to comply with the order unless he or she has received written notice of the order. Subject to subdivision (b), the order shall remain in effect until set aside by the commissioner in whole or in part, the person has been adjudged bankrupt, or pursuant to Chapter 6 (commencing with Section 17621) of this division the commissioner has assumed possession of the escrow agent.

(b) Within 15 days from the date of an order pursuant to subdivision (a), the person may request a hearing under the Administrative Procedure Act, Chapter 5 (commencing with Section 11500) of Division 3 of Title 2 of the Government Code. Upon receipt of a request, the matter shall be set for hearing to commence within 30 days after such receipt unless the person subject to this division consents to a later date. If no hearing is requested within 15 days after the mailing or service of such notice and none is ordered by the commissioner, the failure to request a hearing shall constitute a waiver of the right to a hearing. Neither the request for a hearing nor the hearing itself shall stay the order issued by the commissioner

under subdivision (a).

SEC. 7. Section 17419 is added to the Financial Code, to read:

17419. On and after January 1, 1992, any person seeking employment with an escrow agent shall complete an employment application on or before the first day of employment which includes, at least, the following information. A copy of the employment application shall be forwarded to the commissioner on or before the first day of the applicant's employment. Persons required to file a statement of identity and questionnaire pursuant to subdivision (f) of Section 17209 or Section 17212.1 are not required to file the employment application set forth in this section. Each person completing the employment application shall be given the notice required by the Information Practices Act (Section 1798.17 of the Civil Code), copies of which may be obtained from the commissioner. Nothing in this section shall limit an escrow agent from requesting additional information from an applicant.

STATEMENT OF IDENTITY AND EMPLOYMENT APPLICATION

1. Exact Full Name

(Please Print or Type) First Name Middle Name Last Name

(Do not use initials or nicknames)

Position to be filled in connection with the preparation of this employment application (e.g., Officer, Manager, Clerk, etc.).

2. Employment for the last 10 years:

From	To	Employer Name	Occupation and Duties
	Present	and Address	

NOTE: Attach separate schedule if space is not adequate.

3. Have you ever been named in any order, judgment or decree of any court or any governmental agency or administrator, temporarily or permanently restraining or enjoining you from engaging in or continuing any conduct, practice or employment?

( ) Yes ( ) No

If the answer is "Yes", please complete the following:

Date of suit:_____ Location of Court: _____
Nature of Suit:_____

4. Have you ever been refused a license to engage in any business in this state or any other state, or has any such license ever been suspended or revoked?

( ) Yes ( ) No

If the answer is "Yes," please complete the following:

State: _____ Title of State Department: _____

Nature of License and Number: _____

5. Have you ever been convicted of or pleaded nolo contendere to a misdemeanor or felony other than traffic violations?

NOTE: "Convicted" includes a verdict of guilty by judge or jury, a plea of guilty or of nolo contendere or a forfeiture of bail. All convictions must be disclosed even if the plea or verdict was thereafter set aside and the charges against you dismissed or expunged or if you have been pardoned. Convictions occurring while you were a minor must be disclosed unless the record of conviction has been sealed under Section 1203.45 of the California Penal Code or Section 781 of the California Welfare and Institutions Code.

( ) Yes ( ) No

If the answer is "Yes" please complete the following:

Date of Case:_____ Location of Court: _____
Nature of Case:_____

6. Have you ever been a defendant in a civil court action other than divorce, condemnation or personal injury?

( ) Yes ( ) No

If the answer is "Yes" please complete the following:

Date of suit_____ Location of Court _____
Nature of Suit_____

7. Have you ever changed your name or ever been known by any name other than that herein listed?
(Including a woman's maiden name)

( ) Yes ( ) No

If so, explain. Change in name through marriage or court order should also be listed.
EXACT DATE OF EACH NAME CHANGE MUST BE LISTED.

_____
_____

8. Have you ever done business under a fictitious firm name either as an individual or in the partnership or corporate form?

( ) Yes ( ) No

If the answer is "Yes" set forth particulars:

_____
_____

9. Have you ever been a subject of a bankruptcy or a petition in bankruptcy?

( ) Yes ( ) No

If the answer is "Yes" give date, title of case, location of bankruptcy filing:

_____

_____

_____

10. Have you ever been refused a bond, or have you ever had a bond revoked or canceled?

( ) Yes ( ) No

If the answer is "Yes" give details:

_____

_____

11. In what capacity will you be employed?_____
(E.g., Clerk, Escrow Officer, Receptionist, etc.)

12. Do you expect to be a party to, or broker or salesman in connection with escrows conducted by the escrow company which is employing you?

( ) Yes ( ) No

If the answer is "Yes" please explain:

_____

_____

_____

NOTE: Attach separate schedule if space is not adequate.

VERIFICATION

I, the undersigned, state that I am the person named in the foregoing Statement of Identity and Employment Application; that I have read and signed said Statement of Identify and Employment Application and know the contents thereof, including all exhibits attached thereto, and that the statements made therein, including any exhibits attached thereto, are true.

Any person who provides false information is guilty of a felony and shall, upon conviction, be fined not more than ten thousand dollars ($10,000) or imprisoned in the State prison for one year or more or in a county jail for not more than one year, or be punished by both such fine and imprisonment. Any person who knows or should have known of a violation of this section shall immediately report the violation in writing to the commissioner.

I certify/declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed at _____
(City)

_____
(County) (State)

this _____ day of _____, 19_.

(Signature of Declarant)

SEC. 8. Section 17423 of the Financial Code is amended to read:

17423. (a) The commissioner may, after appropriate notice and opportunity for hearing, by order, censure or suspend for a period not exceeding 12 months, or bar from any position of employment, management, or control any escrow agent, or any other person, if the commissioner finds either of the following:

(1) That the censure, suspension, or bar is in the public interest and that the person has committed or caused a violation of this division or rule or order of the commissioner, which violation was either known or should have been known by the person committing or causing it or has caused material damage to the escrow agent or to the public.

(2) That the person has been convicted of, or pleaded nolo contendere to, a crime, or has been held liable in a civil action by final judgment, or administrative action by any public agency if any crime or civil or administrative action involved findings including, but not limited to, fraud, embezzlement, fraudulent conversion, misappropriation of property, robbery, burglary, theft, forgery, bookmaking, receiving stolen property, counterfeiting, controlled substances, checks, credit cards or computer violations specified in Section 502 of the Penal Code. The commissioner's authority to censure, suspend, or bar under this section is discretionary as to convictions, pleas, and final judgments entered more than 10 years ago. Persons whose convictions, pleas, or final judgments entered less than 10 years ago are prohibited under Section 17414.1 from serving in any capacity as an officer, director, stockholder, trustee, agent, or employee of an escrow agent, or in any position involving any duties with an escrow agent.

(b) Within 15 days from the date of a notice of intention to issue an order pursuant to subdivision (a), the person may request a hearing under the Administrative Procedure Act (Chapter 5 (commencing with Section 11500) of Division 3 of Title 2 of the Government Code). Upon receipt of a request, the matter shall be set for hearing to commence within 30 days after such receipt unless the person subject to this division consents to a later date. If no hearing is requested within 15 days after the mailing or service of such notice and none is ordered by the commissioner, the failure to request a hearing shall constitute a waiver of the right to a hearing.

(c) Upon receipt of a notice of intention to issue an order pursuant to this section, the person who is the subject of the proposed order is immediately prohibited from engaging in any escrow processing activities, including disbursing any trust funds in the escrow agent's possession, custody or control, and the financial institution holding trust funds shall be so notified by service of the notice, accusation and other administrative pleadings. The prohibition against disbursement of trust funds may be set aside, in whole or in part, by the commissioner for good cause.

(d) Fidelity Corporation shall disclose to all licensees the identity of persons who have been censured, suspended, or barred from any

position of employment, management, or control.

(e) Persons suspended or barred under this section are prohibited from participating in any business activity of a licensed escrow agent and from engaging in any business activity on the premises where a licensed escrow agent is conducting escrow business. This subdivision shall not be construed to prohibit suspended or barred persons from having their personal escrow transactions processed by a licensed escrow agent.

(f) This section shall apply retroactively to acts and violations committed up to 10 years before the enactment of this section.

(g) If any provision of this section or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

SEC. 9. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1222

An act to amend Sections 1872.8, 1876.2, and 1876.3 of, to add Article 5.5 (commencing with Section 1875.10) and Article 5.6 (commencing with Section 1875.20) to Chapter 12 of Part 2 of Division 1 of, and to add Sections 1872.95, and 1876.20 to, the Insurance Code, relating to insurance.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991]

The people of the State of California do enact as follows:

SECTION 1. Section 1872.8 of the Insurance Code is amended to read:

1872.8. Each insurer doing business in this state shall pay an annual fee to be determined by the commissioner, but not to exceed one dollar ($1) annually for each vehicle insured under an insurance policy it issues in this state, in order to fund increased investigation and prosecution of fraudulent automobile insurance claims. After incidental expenses, 45 percent of those funds received from ninety cents ($0.90) of the assessment fee per insured vehicle shall be

distributed to the Bureau of Fraudulent Claims for enhanced investigative efforts, and 55 percent of the funds shall be distributed to district attorneys for purposes of investigation and prosecution of automobile insurance fraud cases. The commissioner shall award funds to district attorneys according to population. The commissioner may alter this distribution formula as necessary to achieve the most effective distribution of funds. Each local district attorney desiring a portion of those funds shall submit to the commissioner a plan detailing their projected use of any moneys which may be provided. The plan shall include a detailed accounting of assessed funds received and expended in prior years, including at a minimum (1) the amount of funds received and expended; (2) the uses to which those funds were put, including payment of salaries and expenses, purchase of equipment and supplies, and other expenditures by type; (3) results achieved as a consequence of expenditures made, including the number of investigations, arrests, indictments, convictions, and the amounts originally claimed in cases prosecuted compared to payments actually made in those cases; and (4) other relevant information as the commissioner may reasonably require. Any district attorney who fails to submit a plan within 90 days of the commissioner's deadline to submit a plan shall be subject to loss of distribution of the money. The commissioner may consider recommendations and advice of the bureau, in allocating moneys to local district attorneys. Any district attorney that receives funds shall submit an annual report to the commissioner, which may be made public, as to the success of the program that they have administered. The report shall provide information on active investigations, arrests, indictments, and convictions. Both the application for moneys and the distribution of moneys shall be public documents. Information submitted to the commissioner pursuant to this section concerning active cases shall be confidential. The remaining ten cents ($0.10) shall be spent pursuant to Article 6. The funds received under this section shall be deposited in the Insurance Fund and be expended and distributed when appropriated by the Legislature.

In the course of its investigations, the Bureau of Fraudulent Claims shall aggressively pursue all reported incidents of probable fraud and, in addition, shall forward to the appropriate disciplinary body the names of any individuals licensed under the Business and Professions Code who are suspected of actively engaging in fraudulent activity along with all relevant supporting evidence.

SEC. 2. Section 1872.95 is added to the Insurance Code, to read:

1872.95. (a) Within existing resources, the Medical Board of California, the Board of Chiropractic Examiners, and the State Bar shall each designate employees to investigate and report on possible fraudulent activities relating to motor vehicle or disability insurance by licensees of the board or the bar. Those employees shall actively cooperate with the bureau in the investigation of those activities.

(b) The Medical Board of California, the Board of Chiropractic Examiners, and the State Bar shall each report annually, on or before

March 1, to the committees of the Senate and Assembly having jurisdiction over insurance on their activities established pursuant to subdivision (a) for the previous year.

SEC. 3. Article 5.5 (commencing with Section 1875.10) is added to Chapter 12 of part 2 of Division 1 of the Insurance Code, to read:

Article 5.5. Insurance Claims Analysis Bureaus

1875.10. (a) The Legislature finds and declares as follows:

(a) That the business of insurance involves may transactions which have potential for abuse and illegal activities.

(b) That insurers and their policyholders ultimately pay the cost of fraudulent insurance claims.

(c) That the operation of insurance claims analysis bureaus would be to the benefit of the public, regulators, law enforcement, prosecutors, and insurers in suppressing and preventing insurance claims fraud.

(d) That the purpose of insurance claims analysis bureaus is to provide a data service to encourage the identification of utilization patterns by individuals or businesses who provide services in support of insurance claims, and by individual claimants themselves, in order to facilitate the identification and prevention of fraudulent activities.

1875.11. (a) No insurance claims analysis bureau shall conduct any operations in this state without first filing a written application with the commissioner and obtaining a license to act in that capacity.

(b) As used in this section, an insurance claims analysis bureau is an organization, duly licensed pursuant to this article, which collects claims information and data from and disseminates claims information and data to its members or subscribers which is utilized for the purpose of the prevention and suppression of insurance fraud.

1875.12. (a) The commissioner may license an organization as an insurance claims analysis bureau if it meets the following qualifications:

(1) Is a nonprofit corporation organized for the purpose of fraud prevention.

(2) Has at least two years of experience, or has a managing officer with at least two years of experience, determined by the commissioner to be relevant to operation of an insurance claims analysis bureau.

(3) Has a member or subscriber base of sufficient size that is, in the opinion of the commissioner, adequate to assure uniformity in data collection and cost efficiency to the insurer.

(4) Maintains its records in a computerized format.

(b) An applicant seeking a license as an insurance claims analysis bureau shall file with the commissioner the following documents:

(1) A copy of its articles of incorporation, its bylaws, and any rules and regulations governing the conduct of its business.

(2) A list of members or subscribers.

(3) A description of its technical capacity to collect and serve the

volume of data necessary to act as an insurance claims analysis bureau.

(4) A statement establishing that the applicant meets the conditions set forth in subdivision (a).

(5) A certificate signed by an officer of the applicant that it will permit any licensed insurer to become a member or subscriber to the insurance claims analysis bureau.

1875.13. The commissioner shall license an insurance claims analysis bureau by class of claims, if an insurance claims analysis bureau makes application and is appropriately qualified, for the following classes of claims:

(a) Automobile bodily injury, which shall include liability, uninsured motorist, and medical payment.

(b) Automobile physical damage.

(c) Automobile theft.

(d) Fire and allied lines property damage.

(e) General liability bodily injury.

(f) Disability.

(g) Life.

(h) Workers' compensation.

1875.14. An insurance claims analysis bureau shall perform the following functions:

(a) Collect and compile information and data from members or subscribers concerning insurance claims.

(b) Disseminate information to members or subscribers relating to insurance claims for the purpose of preventing and suppressing insurance fraud.

(c) Promote training and education to further insurer investigation, suppression, and prosecution of insurance fraud.

(d) Provide, without fee or charge, to the commissioner, all California data and information contained in the records of the insurance claims analysis bureau in furtherance of the prevention and prosecution of insurance fraud.

1875.15. (a) A licensed insurance claims analysis bureau shall develop rules governing the kind, quality, and frequency of data reporting, which shall be binding on all subscribers or members. The commissioner may require development of new claims categories for the suppression and prevention of fraud.

(b) Every member or subscriber shall report, at a minimum, the following regarding any category of claims:

(1) Name of claimant.

(2) Address of claimant.

(3) Date of accident or incident.

(4) Identification of medical provider, if applicable.

(5) Identification of property repair vendor, if applicable.

(6) Identification of members or subscribers and, if applicable, adjusters.

(7) Identification of attorneys representing claimants, if applicable.

(8) Description of claim.

1875.16. Unless otherwise provided by law, any authorized entity which receives any information furnished pursuant to this article shall not release that information to public inspection (1) until such time as its release is required in connection with a criminal or civil proceeding, or (2) is necessary to analyze and present information for release in an insurance claims analysis bureau's annual report. Any information acquired pursuant to this article shall not be part of any public record nor subject to disclosure under the California Public Records Act.

1875.17. On or before May 1, 1992, and on or before May 1 of each year thereafter, any licensed insurance claims analysis bureau shall file with the department a report on the scope and extent of its activities in this state for the preceding year.

SEC. 4. Article 5.6 (commencing with Section 1875.20) is added to Chapter 12 of Part 2 of Division 1 of the Insurance Code, to read:

Article 5.6. Insurer Fraud Investigation

1875.20. Every insurer admitted to do business in this state shall maintain a unit or division to investigate possible fraudulent claims by insureds or by persons making claims for services or repairs against policies held by insureds.

1875.21. Insurers may maintain the unit or division required by this article using its employees or by contracting with others for that purpose.

1875.22. Insurers shall establish the unit or division required by this article no later than July 1, 1992.

1875.23. For purposes of this article, "unit or division" may include the assignment of fraud investigation to employees whose principal responsibilities are the investigation and disposition of claims. If an insurer creates a distinct unit or division, hires additional employees, or contracts with another entity to fulfill the requirements of this article, the additional cost incurred shall be included as an administrative expense for ratesetting purposes.

SEC. 5. Section 1876.2 of the Insurance Code is amended to read:

1876.2. Every insurer who receives a bodily injury, medical payment, or uninsured motorist claim made under a policy of insurance defined in Section 660 or Section 11622 shall within 20 days of the receipt of that claim deposit that claim information with a licensed insurance claims analysis bureau or, for insurers subject to Section 1876.20, with the Automobile Insurance Claims Depository. The bureau shall establish the claim information to be deposited in its prescribed format for insurers depositing the claim information pursuant to Section 1876.20.

SEC. 6. Section 1876.20 is added to the Insurance Code, to read:

1876.20. Any insurer that is not a member of, or a subscriber to, an insurance claims analysis bureau for automobile bodily injury claims shall report its data and information directly to the

Automobile Insurance Claims Depository.

SEC. 7. Section 1876.3 of the Insurance Code is amended to read:

1876.3. Any information acquired pursuant to this article shall not be part of any public record except as follows: Except as otherwise provided by law, any authorized governmental agency, and insurer, or an agent authorized by an insurer to act on its behalf, which receives any information furnished pursuant to this article shall not release that information to public inspection until such time as its release is required in connection with a criminal or civil proceeding; to analyze and present information for release in the bureau's annual report pursuant to subdivision (h) of Section 1872.9.

Nothing in this section shall prohibit the accumulation and public distribution by the bureau of statistical data if that data does not reveal the identity of specific claimants, injured parties, attorneys, physicians, or other service providers.

CHAPTER 1223

An act to amend Sections 1808.1, 12810, 27360, 27362, and 27363 of, and to add Sections 2430.2, 23116.1, and 27363.5 to, the Vehicle Code, relating to vehicles.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares all of the following:

(1) The number one preventable cause of death and injury of children and young adults is automobile collisions.

(2) Approximately 150 children under the age of 16 years were killed and approximately 30,000 were injured in automobile collisions in California in 1990.

(3) Of the children under the age of four years who died in motor vehicle crashes during the period 1987 to 1989 in California, over 87 percent of these deaths were preventable because the child was riding either entirely unrestrained or improperly restrained.

(4) Infants and young children are not capable of independently operating child passenger safety seats or manual seatbelts, and are not adequately protected by automatic seatbelts or air bags.

(b) In accordance with the recommendations of the California Safety Belt Task Force, it is the intent of the Legislature to encourage police agencies to enforce child safety laws as part of routine traffic enforcement.

SEC. 1.3. Section 1808.1 of the Vehicle Code is amended to read:

1808.1. (a) The prospective employer of a driver who drives a vehicle requiring a class 1, class 2, class A, or class B driver's license,

or a class C license with an endorsement issued pursuant to paragraph (4) of subdivision (a) of Section 15278 or a certificate issued pursuant to Section 2512, 12517, 12519, 12520, 12523, or 12523.5, shall obtain a report showing the driver's current public record as recorded by the department. For purposes of this subdivision, a report is current if it was issued less than 30 days prior to the date the employer employs the driver. The report shall be reviewed, signed, and dated by the employer and maintained at the employer's place of business until receipt of the pull notice system report pursuant to subdivisions (b) and (c). These reports shall be presented upon request to any authorized member of the California Highway Patrol during regular business hours.

(b) The employer of a driver who drives a vehicle requiring a class 1, class 2, class A, or class B driver's license, class C license with an endorsement issued pursuant to paragraph (4) of subdivision (a) of Section 15278, or a certificate issued pursuant to Section 2512, 12517, 12519, 12520, 12523, or 12523.5, shall make a request to the department to participate in a pull notice system, which is a process for the purpose of providing the employer with a report showing the driver's current public record as recorded by the department, and any subsequent convictions, failures to appear, accidents, driver's license suspensions, driver's license revocations, or any other actions taken against the driving privilege or certificate, added to the driver's record while the employer's notification request remains valid and uncanceled.

(c) The employer of a driver of a vehicle requiring a class 1 or class 2 driver's license, or a class 3 driver's license requiring a certificate issued pursuant to Section 2512, 12517, 12519, 12520, 12523, or 12523.5 or a class A or class B driver's license, or a class C driver's license with a hazardous material endorsement, shall, additionally, obtain a periodic report from the department at least every six months, except that an employer who enrolls more than 500 drivers in the pull notice system under a single requester code shall obtain a report at least every 12 months. The employer shall verify that each employee's driver's license has not been suspended or revoked, the employee's traffic violation point count, and whether the employee has been convicted of a violation of Section 23152 or 23153. The report shall be signed and dated by the employer and maintained at the employer's principal place of business. The reports shall be presented upon demand to any authorized representative of the Department of the California Highway Patrol during regular business hours.

(d) Upon the termination of a driver's employment, the employer may notify the department to cancel any reports required by this section.

(e) For the purposes of the pull notice system and periodic report process required by subdivisions (b) and (c), owners, other than owner-operators as defined in Section 3557 of the Public Utilities Code, and employers who drive vehicles described in subdivisions

(b) and (c), shall be enrolled as if they were employees. Family members and volunteer drivers who drive vehicles described in subdivisions (b) and (c) shall also be enrolled as if they were employees.

(f) An employer who, after receiving any driving record pursuant to this section, employs or continues to employ as a driver any person against whom a disqualifying action has been taken regarding his or her driving privilege or required driver's certificate, is guilty of a public offense, and upon conviction thereof, shall be punished by imprisonment in the county jail for not more than six months, by a fine of not more than one thousand dollars ($1,000), or by both that fine and imprisonment.

(g) As part of its inspection of bus maintenance facilities and terminals required at least once every 13 months pursuant to subdivision (c) of Section 34501, the Department of the California Highway Patrol shall determine whether each transit operator, as defined in Section 99210 of the Public Utilities Code, is then in compliance with this section and Section 12804.6, and shall certify each operator found to be in compliance. No funds shall be allocated under Chapter 4 (commencing with Section 99200) of Part 11 of Division 10 of the Public Utilities Code to a transit operator which the Department of the California Highway Patrol has not certified under this section.

(h) A request to participate in the pull notice system established by this section shall be accompanied by a fee determined by the department to be sufficient to defray the entire actual cost to the department for the notification service. For the receipt of subsequent reports, the employer shall also be charged a fee established by the department pursuant to Section 1811. Any employer who qualifies under Section 1812 shall be exempt from any fee required under this section. Failure to pay the fee shall result in automatic cancellation of the employer's participation in the notification services.

(i) The department, as soon as feasible, may establish an automatic procedure to provide the periodic reports in subdivision (c) to employers on a regular basis without the need for individual requests.

(j) This section shall not be construed to change the definition of "employer," "employee," or "independent contractor" for any other purpose.

(k) The employer of a driver who is employed as a casual driver is not required to enter that driver's name in the pull notice system, as otherwise required by subdivision (a). However, the employer of a casual driver shall be in possession of a report of the driver's current public record as recorded by the department, prior to allowing a casual driver to drive a vehicle requiring a class 1, class 2, class A, class B or class C driver's license with a hazardous materials endorsement, or a certificate issued pursuant to Section 2512, 12517, 12519, 12520, 12523, or 12523.5. A report is current if it was issued less than six

months prior to the date the employer employs the driver. As used in this subdivision, a driver is employed as a casual driver when the employer has employed the driver less than 30 days during the preceding six months. For purposes of this subdivision, "casual driver" does not include any driver who operates a vehicle that requires a passenger transportation endorsement.

SEC. 1.5. Section 2430.2 is added to the Vehicle Code, to read:

2430.2. (a) "Regional or local entity," as defined by subdivision (c) of Section 2430.1, also includes the transportation planning entity established pursuant to Section 130050.1 of the Public Utilities Code.

(b) This section shall become operative only if Article 3.3 (commencing with Section 2430) is added to this chapter during the first year of the 1991–92 Regular Session.

SEC. 2. Section 12810 of the Vehicle Code is amended to read:

12810. In determining the violation point count, the following shall apply:

(a) Any conviction of failure to stop in the event of an accident in violation of Section 20001 or 20002 shall be given a value of two points.

(b) Any conviction of a violation of Section 23152 or 23153 shall be given a value of two points.

(c) Any conviction of reckless driving shall be given a value of two points.

(d) Any conviction of a violation of subdivision (c) of Section 192 of the Penal Code, or of Section 2800.2, subdivision (b) of Section 21651, subdivision (b) of Section 22348, subdivision (a) of Section 23109, subdivision (c) of Section 23109, or Section 31602 of this code, shall be given a value of two points.

(e) Except as provided in subdivision (g), any other traffic conviction involving the safe operation of a motor vehicle upon the highway shall be given a value of one point.

(f) Any accident in which the operator is deemed by the department to be responsible shall be given a value of one point.

(g) A violation of paragraph (1), (2), (3), or (5) of subdivision (b) of Section 40001 shall not result in a violation point count being given to the driver if the driver is not the owner of the vehicle.

(h) A conviction for only one violation arising from one occasion of arrest or citation shall be counted in determining the violation point count for the purposes of this section.

(i) Any conviction of a violation of Section 14601, 14601.1, 14601.2, or 14601.3 shall be given a value of two points.

(j) Any conviction of a violation of Section 27360 within a 37-month period shall be given a value of one point.

SEC. 2.5. Section 23116.1 is added to the Vehicle Code, to read:

23116.1. (a) Subdivision (a) of Section 23116 shall not be construed as allowing the transportation of any person in the back of any vehicle subject to that section if the applicable federal motor vehicle safety restraint standards are not adopted.

(b) This section shall become operative only if Section 23116 of

the Vehicle Code is amended during the first year of the 1991–92 Regular Session.

SEC. 3. Section 27360 of the Vehicle Code is amended to read:

27360. (a) No parent or legal guardian, when present in a passenger vehicle or motortruck of less than 6,001 pounds unladen weight, shall permit his or her child or ward under the age of four years or weighing less than 40 pounds to be transported upon a highway in the motor vehicle without providing and properly using, for each such child or ward, a child passenger restraint system meeting applicable federal motor vehicle safety standards.

(b) No driver shall transport on a highway any child under four years of age or weighing less than 40 pounds in a passenger vehicle or motortruck of less than 6,001 pounds unladen weight without providing and properly securing the child in a child passenger restraint system meeting applicable federal motor vehicle safety standards. This subdivision does not apply to a driver if the parent or legal guardian of the child is also present in the vehicle and is not the driver.

(c) (1) A first offense under this section is punishable by a fine of one hundred dollars ($100), except that the court may waive the fine if the defendant establishes to the satisfaction of the court that he or she is economically disadvantaged and the court, instead, refers the defendant to a child passenger restraint low-cost purchase or loaner program. If the fine is waived, the court shall nevertheless report the conviction to the department pursuant to Section 1803.

(2) A second or subsequent offense under this section is punishable by a fine of one hundred dollars ($100), no part of which may be waived by the court.

(d) The fines collected for a violation of this section shall be allocated as follows:

(1) Sixty percent to local health departments in the county where the violation occurred, to be used for a child passenger restraint low-cost purchase or loaner program which shall include, but not be limited to, education on the proper installation and use of a child passenger restraint system. The county may contract for the implementation of the program.

Local health departments shall report on an ongoing basis to the Office of Traffic Safety in the Business, Transportation and Housing Agency whenever a child passenger restraint low-cost purchase or loaner program is developed or funded pursuant to subdivision (d). The Office of Traffic Safety shall prepare and distribute to the counties a listing of all child passenger restraint low-cost purchase or loaner programs in the state. Each county shall forward the listing to the courts and county hospitals in that county.

(2) Fifteen percent to the county for the administration of the program.

(3) Twenty-five percent to the city, to be deposited in its general fund except that, if the violation occurred in an unincorporated area, this amount shall be allocated to the county for purposes of

paragraph (1).

SEC. 4. Section 27362 of the Vehicle Code is amended to read:

27362. (a) No manufacturer, wholesaler, or retailer shall sell, offer for sale, or install in any motor vehicle any child passenger restraint system not conforming to all applicable federal motor vehicle safety standards on the date of sale or installation. Responsibility for compliance with this section shall rest with the individual selling, offering for sale, or installing the system. Every person who violates this section is guilty of a misdemeanor and shall be punished as follows:

(1) Upon a first conviction, by a fine not exceeding four hundred dollars ($400) or by imprisonment in the county jail for a period of not more than 90 days, or both.

(2) Upon a second or subsequent conviction, by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the county jail for a period of not more than 180 days, or both.

(b) The fines collected for a violation of this section shall be allocated as follows:

(1) Sixty percent to local health departments in the county where the violation occurred, to be used for a child passenger restraint low-cost purchase or loaner program which shall include, but not be limited to, education on the proper installation and use of a child passenger restraint system. The county may contract for the implementation of the program.

Local health departments shall report on an ongoing basis to the Office of Traffic Safety in the Business, Transportation and Housing Agency whenever a child passenger restraint low-cost purchase or loaner program is developed or funded pursuant to subdivision (b). The Office of Traffic Safety shall prepare and distribute to the counties a listing of all child passenger restraint low-cost purchase or loan programs in the state. Each county shall forward the listing to the courts and county hospitals in that county.

(2) Fifteen percent to the county for the administration of the program.

(3) Twenty-five percent to the city, to be deposited in its general fund except that, if the violation occurred in an unincorporated area, this amount shall be allocated to the county for purposes of paragraph (1).

SEC. 5. Section 27363 of the Vehicle Code is amended to read:

27363. (a) The court may exempt from the requirements of this article any class of child by age, weight, or size if it is determined that the use of a child passenger restraint system would be impractical by reason of physical unfitness, medical condition, or size. The court may require satisfactory proof of the child's physical unfitness, medical condition, or size.

(b) In case of an emergency, or when a child is being transported in an authorized emergency vehicle, if there is no child passenger restraint system available, a child may be transported without the use of such a system, but the child shall be secured by a seat belt.

SEC. 6. Section 27363.5 is added to the Vehicle Code, to read:

27363.5. (a) Every public or private hospital shall, at the time of or before the discharge of a child under the age of four years, or weighing less than 40 pounds, provide and discuss information on the law requiring child passenger restraint systems to the parents or the person to whom the child is released.

(b) A public or private hospital shall not be responsible for the failure of the parent or person to whom the child is released to use a child passenger restraint system.

SEC. 7. Section 1.3 of this bill incorporates amendments to Section 1808.1 of the Vehicle Code proposed by both this bill and AB 123 and AB 1886. It shall become operative only if (1) this bill, AB 123, and AB 1886 are enacted and become effective on or before January 1, 1992, (2) this bill, AB 123, and AB 1886 each amends Section 1808.1 of the Vehicle Code and (3) this bill is enacted after AB 123 and AB 1886, in which case the amendments to Section 1808.1 of the Vehicle Code proposed by AB 1886 shall remain operative only until the operative date of this bill, at which time Section 1.3 of this bill shall become operative.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for those costs which may be incurred by a local agency or school district because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 1224

An act to add Section 1373.12 to the Health and Safety Code, relating to health care service plans.

[Approved by Governor October 14, 1991 Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1373.12 is added to the Health and Safety Code, to read:

1373.12. A health care service plan which offers or provides one or more chiropractic services, as defined in Section 7 of the Chiropractic Initiative Act, as a specific chiropractic plan benefit, when those services are not provided pursuant to a contract as described in subdivision (a) of Section 1373.9, shall not refuse to give reasonable consideration to affiliation with chiropractors for provision of services solely on the basis that they are chiropractors. Section 1390 shall not apply to this section.

CHAPTER 1225

An act to add Section 701.4 to the Public Utilities Code, relating to energy resources.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. The Public Utilities Commission shall report to the Legislature on or before December 1, 1992, on the level of fuel and technological diversity achieved through utility resource bidding programs implemented pursuant to Commission Decision 91-06-022 and related decisions. The report shall include a description of policies which affected the fuel and technology mix resulting from the utility resource bidding programs and the need for changes to those policies to ensure that diverse resources are acquired in the future.

SEC. 2. Every major publicly owned electric utility, as determined by the Energy Resources Conservation and Development Commission, shall report to that commission on or before July 1, 1992, on the level and technological diversity achieved through its electric resource acquisition programs. The report which shall be prepared as part of the commission's annual electrical resources report, shall include a description of policies which affected the fuel and technology mix resulting from the utility

resource acquisitions programs and the need for changes to those policies to ensure that diverse resources are acquired in the future. The commission shall report to the Legislature on or before August 15, 1992, summarizing the reports received pursuant to this section.

SEC. 3. Section 701.4 is added to the Public Utilities Code, to read:

701.4. It is the policy of the state and the intent of the Legislature that state and municipal electric resource acquisition programs recognize and include a value for the resource diversity provided by renewable resources.

CHAPTER 1226

An act to amend Sections 25210.8, 25210.59, 25355, 25502.5, 25681.1, 28005, 38901, 53082, and 61600 of, to add Sections 1157.11, 31010.5, 31520.11, and 61601.25 to, to repeal Section 53361.4 of, and to repeal Chapter 2.5 (commencing with Section 58750) of Division 2 of Title 6 of, the Government Code, to amend Sections 6982, 32100, 32100.02, 32100.1, and 32100.5 of the Health and Safety Code, to amend Sections 20206.2, 20207.4, 20395, 20455, and 21551 of the Public Contract Code, to amend Sections 5552, 13118, 26567, and 26583 of, and to add Section 5781.10 to, the Public Resources Code, to repeal Section 18053 of the Public Utilities Code, to amend Section 104.7 of the Streets and Highways Code, and to amend Sections 23670.1, 23811, 24628.5, 24662, 25038, 25041, 25060, 25061, 25091, 25111, 25245, 25280, 25300, 35886, and 35996 of, to repeal Sections 20560.1, 20572, 23222, 23286, 24253, 24353, 24354, 24635, 24763, 24764, 24957, 24958, 24959, 24960, 24961, 24962, 24964, 25036, 25037, 25090, 25114, 25241, 25333, 25403, 35854, and 35885 of, and to repeal Chapter 1 (commencing with Section 20000) of Division 10 of, the Water Code, relating to governmental agencies.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1157.11 is added to the Government Code, to read:

1157.11. (a) Officers and employees of a county with a population of over 8,000,000, may authorize deductions to be made from their salaries or wages for the purchase of securities issued by any of the following:

(1) The county.

(2) Any joint powers authority created pursuant to an agreement to which the county is a party entered into pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7.

(3) Any public district which is governed by the governing body

of the county.

(4) Any nonprofit public benefit corporation created by the governing body of the county for the purpose of assisting the county in financing capital projects and equipment purchases, provided the corporation is deemed to be an instrumentality of the county for federal income tax purposes.

(b) In each case, the deductions shall be made in accordance with provisions made by the governing body of the county.

(c) For purposes of this section, "securities" includes bonds, notes, warrants, lease or installment sale obligations represented by certificates of participation, or other evidences of indebtedness.

(d) The auditor, the treasurer, and other disbursing officers of the county are authorized to recognize and act upon the requests for wage or salary deductions and to establish special accounts for each officer or employee so that sufficient funds may be accumulated to the credit of the officer or employee for the purchase of securities as authorized by this section. All funds so accumulated are trust funds.

SEC. 1.5. Section 25210.8 of the Government Code is amended to read:

25210.8. Notwithstanding any other provision in this chapter, the board of supervisors may establish zones within any county service area with tax rates, service charges, benefit assessments, fire suppression assessments, or connection charges varying with the extent of benefit to each zone derived from services provided to the property within each zone or with the availability of other funds within a zone.

SEC. 2. Section 25210.59 of the Government Code is amended to read:

25210.59. A board of supervisors as governing body of a county service area or zone thereof which provides fire protection services shall have the powers authorized by Sections 13910 to 13919, inclusive, of the Health and Safety Code.

SEC. 3. Section 25355 of the Government Code is amended to read:

25355. The board may accept or reject any gift, bequest, or devise made to or in favor of the county, or to or in favor of the board in trust for any public purpose. The board may delegate to any county officer or employee the power to accept any gift, bequest, or devise made to or in favor of the county. The officer or employee shall file with the board each quarter a report that describes the source and value of each gift valued in excess of ten thousand dollars ($10,000) or any other amount as determined by the board. The board may hold and dispose of the property and the income and increase thereof for those lawful uses and purposes as are prescribed in the terms of the gift, bequest, or devise. In accounting for or inventorying gifts, bequests, or devises, the officer or employee shall follow the appropriate procedures contained in the State Controller's manual entitled "Accounting Standards and Procedures

for Counties."

SEC. 4. Section 25502.5 of the Government Code is amended to read:

25502.5. (a) In counties having a population of 200,000 or more, the board of supervisors may authorize the purchasing agent to engage independent contractors to perform services for the county or county officers, with or without the furnishing of material, when the aggregate cost does not exceed one hundred thousand dollars ($100,000).

(b) The board of supervisors may establish rules and regulations to effectuate the purposes of this section.

SEC. 4.5. Section 25681.1 of the Government Code is amended to read:

25681.1. A county may reclaim public and private lands therein by levees, bulkheads, breakwaters, fills, embankments, basins, drains, canals, excavations, sluices, pipes, watergates, pumping plants and all works and structures useful therefor. This work is a local improvement and a county affair. The costs of reclamation shall be borne solely by the lands reclaimed.

This section shall not be construed as affecting any public district or public entity now or hereafter established and having similar powers.

SEC. 5. Section 28005 of the Government Code is amended to read:

28005. The auditor shall not draw his or her warrant for the salary of any officer for any month until the officer has first filed with him or her the forms required by Section 24353.

SEC. 6. Section 31010.5 is added to the Government Code, to read:

31010.5. Service as an elected director of a recreation and park district established pursuant to Chapter 4 (commencing with Section 5780) of Division 5 of the Public Resources Code shall not be considered an incompatible office with service on a municipal advisory council established pursuant to Section 31010.

SEC. 7. Section 31520.11 is added to the Government Code, to read:

31520.11. As an alternative to the terms of office specified in Section 31520.1, the County of Contra Costa may, if the board of supervisors adopts a resolution, have terms of office which expire as follows:

Seat number 1, the treasurer, who serves on the board of retirement ex officio, and whose term of office on the retirement board expires with his or her term of office as treasurer.

Seats 2, 4, and 8 expire June 30, 1992, and every three years thereafter.

Seats 3, 5, and 9 expire June 30, 1993, and every three years thereafter.

Seats 6, 7, and alternate expire June 30, 1994, and every three years thereafter.

SEC. 7.5. Section 38901 of the Government Code is amended to read:

38901. A city may reclaim public and private lands therein by levees, bulkheads, breakwaters, fills, embankments, basins, drains, canals, excavations, sluices, pipes, watergates, pumping plants, and all works and structures useful therefor. This work is a local improvement and a municipal affair. The costs of reclamation shall be borne solely by the lands reclaimed.

This section shall not be construed as affecting any public district or public entity now or hereafter established and having similar powers.

SEC. 8. Section 53082 of the Government Code is amended to read:

53082. (a) By July 1, 1991, local agencies shall refund any sewer service fees collected for which no services were delivered.

(b) Any sewer service fees collected by a local agency from any person for which no service has been provided shall be refunded in accordance with subdivisions (c) and (d).

(c) In cases where a person paid fees as described in subdivision (a) and is still residing at the same location, it shall be the responsibility of the local agency, upon determination that the premises is not connected to the sewer system, to return fees in their entirety, regardless of the amount of time the fees were wrongly collected. For the purposes of this section, if the exact amount of the charges is not readily available, the amount of the refund may be calculated by averaging the rates paid by payers in the same classification during the time period in which the fees were collected.

(d) In cases where a person paid fees as described in subdivision (a) but is not still residing at the same location, the payer of the fees may make a claim for a refund to the agency collecting the fees.

(e) No statute of limitations shall apply to claims for fees paid before January 1, 1992. For fees paid on or after January 1, 1992, claims shall be filed within 180 days of the date of payment.

(f) As used in this section, "sewer service fees" means periodic fees, tolls, rates, rentals, or other charges imposed by local agencies for the purpose of covering the cost to provide sewer service or to operate, maintain, repair, and replace sewer systems and facilities, but do not include any of the following:

(1) Sewer standby or availability charges or assessments.

(2) Special assessments levied in accordance with one or a combination of the Improvement Act of 1911 (Division 7 (commencing with Section 5000) of the Streets and Highways Code), the Municipal Improvement Act of 1913 (Division 12 (commencing with Section 10000) of the Streets and Highways Code), or the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500) of the Streets and Highways Code).

(3) Sewer connection charges or sewer capacity charges paid in

conjunction with or as a condition of approving an application for sewer service.

SEC. 8.5. Section 53361.4 of the Government Code is repealed.

SEC. 8.7. Chapter 2.5 (commencing with Section 58750) of Division 2 of Title 6 of the Government Code is repealed.

SEC. 9. Section 61600 of the Government Code is amended to read:

61600. A district formed under this law may exercise the powers granted for any of the following purposes designated in the petition for formation of the district and for any other of the following purposes that the district shall adopt:

(a) To supply the inhabitants of the district with water for domestic use, irrigation, sanitation, industrial use, fire protection, and recreation.

(b) The collection, treatment, or disposal of sewage, waste, and storm water of the district and its inhabitants.

(c) The collection or disposal of garbage or refuse matter.

(d) Protection against fire.

(e) Public recreation including, but not limited to, aquatic parks and recreational harbors, equestrian trails, playgrounds, golf courses, swimming pools, or recreational buildings.

(f) Street lighting.

(g) Mosquito abatement.

(h) The equipment and maintenance of a police department or other police protection to protect and safeguard life and property.

(i) To acquire sites for, construct, and maintain library buildings, and to cooperate with other governmental agencies for library service.

(j) The opening, widening, extending, straightening, surfacing, and maintaining, in whole or in part, of any street in the district, subject to the consent of the governing body of the county or city in which the improvement is to be made.

(k) The construction and improvement of bridges, culverts, curbs, gutters, drains, and works incidental to the purposes specified in subdivision (j), subject to the consent of the governing body of the county or city in which the improvement is to be made.

(*l*) The conversion of existing overhead electric and communication facilities to underground locations, which facilities are owned and operated by either a "public agency" or a "public utility," as defined in Section 5896.2 of the Streets and Highways Code, and to take proceedings for and to finance the cost of the conversion in accordance with Chapter 28 (commencing with Section 5896.1) of Part 3 of Division 7 of the Streets and Highways Code, subject to the consent of the public agency or public utility responsible for the owning, operation, and maintenance of the facilities. Nothing in this section gives a district formed under this law the power to install, own, or operate the facilities that are described in this subdivision.

(m) To contract for ambulance service to serve the residents of

the district as convenience requires, if a majority of the voters in the district, voting in an election thereon, approve.

(n) To provide and maintain public airports and landing places for aerial traffic.

(o) To provide transportation services.

SEC. 9.1. Section 61600 of the Government Code is amended to read:

61600. A district formed under this law may exercise the powers granted for any of the following purposes designated in the petition for formation of the district and for any other of the following purposes that the district shall adopt:

(a) To supply the inhabitants of the district with water for domestic use, irrigation, sanitation, industrial use, fire protection, and recreation.

(b) The collection, treatment, or disposal of sewage, waste, and storm water of the district and its inhabitants.

(c) The collection or disposal of garbage or refuse matter.

(d) Protection against fire.

(e) Public recreation including, but not limited to, aquatic parks and recreational harbors, equestrian trails, playgrounds, golf courses, swimming pools, or recreational buildings.

(f) Street lighting.

(g) Mosquito abatement.

(h) The equipment and maintenance of a police department or other police protection to protect and safeguard life and property.

(i) To acquire sites for, construct, and maintain library buildings, and to cooperate with other governmental agencies for library service.

(j) The opening, widening, extending, straightening, surfacing, and maintaining, in whole or in part, of any street in the district, subject to the consent of the governing body of the county or city in which the improvement is to be made.

(k) The construction and improvement of bridges, culverts, curbs, gutters, drains, and works incidental to the purposes specified in subdivision (j), subject to the consent of the governing body of the county or city in which the improvement is to be made.

(*l*) The conversion of existing overhead electric and communication facilities to underground locations, which facilities are owned and operated by either a "public agency" or a "public utility," as defined in Section 5896.2 of the Streets and Highways Code, and to take proceedings for and to finance the cost of the conversion in accordance with Chapter 28 (commencing with Section 5896.1) of Part 3 of Division 7 of the Streets and Highways Code, subject to the consent of the public agency or public utility responsible for the owning, operation, and maintenance of the facilities. Nothing in this section gives a district formed under this law the power to install, own, or operate the facilities that are described in this subdivision.

(m) To contract for ambulance service to serve the residents of

the district as convenience requires, if a majority of the voters in the district, voting in an election thereon, approve.

(n) To provide and maintain public airports and landing places for aerial traffic.

(o) To provide transportation services.

(p) To exercise the powers and duties of a planning commission within the territorial jurisdiction of the district if authorized by the legislative body of the city or county pursuant to Section 65101. Notwithstanding any other provision of law, service as a member of the board of directors shall not be considered incompatible with service as a member of a planning commission.

SEC. 9.3. Section 61600 of the Government Code is amended to read:

61600. A district formed under this law may exercise the powers granted for any of the following purposes designated in the petition for formation of the district and for any other of the following purposes that the district shall adopt:

(a) To supply the inhabitants of the district with water for domestic use, irrigation, sanitation, industrial use, fire protection, and recreation.

(b) The collection, treatment, or disposal of sewage, waste, and storm water of the district and its inhabitants.

(c) The collection or disposal of garbage or refuse matter.

(d) Protection against fire.

(e) Public recreation including, but not limited to, aquatic parks and recreational harbors, equestrian trails, playgrounds, golf courses, swimming pools, or recreational buildings.

(f) Street lighting.

(g) Mosquito abatement.

(h) The equipment and maintenance of a police department or other police protection to protect and safeguard life and property.

(i) To acquire sites for, construct, and maintain library buildings, and to cooperate with other governmental agencies for library service.

(j) The opening, widening, extending, straightening, surfacing, and maintaining, in whole or in part, of any street in the district, subject to the consent of the governing body of the county or city in which the improvement is to be made.

(k) The construction and improvement of bridges, culverts, curbs, gutters, drains, and works incidental to the purposes specified in subdivision (j), subject to the consent of the governing body of the county or city in which the improvement is to be made.

(*l*) The conversion of existing overhead electric and communication facilities to underground locations, which facilities are owned and operated by either a "public agency" or a "public utility," as defined in Section 5896.2 of the Streets and Highways Code, and to take proceedings for and to finance the cost of the conversion in accordance with Chapter 28 (commencing with Section 5896.1) of Part 3 of Division 7 of the Streets and Highways

Code, subject to the consent of the public agency or public utility responsible for the owning, operation, and maintenance of the facilities. Nothing in this section gives a district formed under this law the power to install, own, or operate the facilities that are described in this subdivision.

(m) To contract for ambulance service to serve the residents of the district as convenience requires, if a majority of the voters in the district, voting in an election thereon, approve.

(n) To provide and maintain public airports and landing places for aerial traffic.

(o) To provide transportation services.

(p) To abate graffiti.

SEC. 9.5. Section 61600 of the Government Code is amended to read:

61600. A district formed under this law may exercise the powers granted for any of the following purposes designated in the petition for formation of the district and for any other of the following purposes that the district shall adopt:

(a) To supply the inhabitants of the district with water for domestic use, irrigation, sanitation, industrial use, fire protection, and recreation.

(b) The collection, treatment, or disposal of sewage, waste, and storm water of the district and its inhabitants.

(c) The collection or disposal of garbage or refuse matter.

(d) Protection against fire.

(e) Public recreation including, but not limited to, aquatic parks and recreational harbors, equestrian trails, playgrounds, golf courses, swimming pools, or recreational buildings.

(f) Street lighting.

(g) Mosquito abatement.

(h) The equipment and maintenance of a police department or other police protection to protect and safeguard life and property.

(i) To acquire sites for, construct, and maintain library buildings, and to cooperate with other governmental agencies for library service.

(j) The opening, widening, extending, straightening, surfacing, and maintaining, in whole or in part, of any street in the district, subject to the consent of the governing body of the county or city in which the improvement is to be made.

(k) The construction and improvement of bridges, culverts, curbs, gutters, drains, and works incidental to the purposes specified in subdivision (j), subject to the consent of the governing body of the county or city in which the improvement is to be made.

(*l*) The conversion of existing overhead electric and communication facilities to underground locations, which facilities are owned and operated by either a "public agency" or a "public utility," as defined in Section 5896.2 of the Streets and Highways Code, and to take proceedings for and to finance the cost of the conversion in accordance with Chapter 28 (commencing with

Section 5896.1) of Part 3 of Division 7 of the Streets and Highways Code, subject to the consent of the public agency or public utility responsible for the owning, operation, and maintenance of the facilities. Nothing in this section gives a district formed under this law the power to install, own, or operate the facilities that are described in this subdivision.

(m) To contract for ambulance service to serve the residents of the district as convenience requires, if a majority of the voters in the district, voting in an election thereon, approve.

(n) To provide and maintain public airports and landing places for aerial traffic.

(o) To provide transportation services.

(p) To exercise the powers and duties of a planning commission within the territorial jurisdiction of the district if authorized by the legislative body of the city or county pursuant to Section 65101. Notwithstanding any other provision of law, service as a member of the board of directors shall not be considered incompatible with service as a member of a planning commission.

(q) To abate graffiti.

SEC. 10. Section 61601.25 is added to the Government Code, to read:

61601.25. In addition to the purposes authorized by this chapter, the Board of Directors of the Bear Valley Community Services District may, pursuant to Section 61601, exercise the following powers:

(a) Provide, maintain, operate, and contract for facilities and services for the control, removal, and eradication of local pine bark beetle infestations in accordance with any required plan or program approved by the Department of Forestry and Fire Protection to ensure consistency with the policies of the Board of Forestry.

(b) Acquire, construct, improve, or maintain mail receptacle facilities for mail delivery services to the district and its inhabitants.

SEC. 11. Section 6982 of the Health and Safety Code is amended to read:

6982. (a) Notwithstanding Section 6952, the West Bay Sanitary District may use the procedures in this chapter to provide alternative or innovative waste water technologies in the district's jurisdiction.

(b) The determination of a public health officer pursuant to Section 6955.1 shall include written findings, adopted by the district board of directors, regarding the existing or potential public health hazard.

(c) If the district uses the procedures in this chapter to provide alternative or innovative waste water technologies pursuant to this section, the district shall submit to the Legislature, by January 1, 1991, a report on the effectiveness of alternative waste water technologies and the procedures in this chapter, recommend changes, if any in the requirements, and make recommendations as to the desirability of continuing the requirements after January 1, 1992.

(d) "Alternative or innovative waste water technologies" means

either (1) an onsite waste water disposal system, as defined in Section 6952, or (2) such a system in conjunction with communitywide sewer or sewage systems, if one or more of the components of the system is located on or in close proximity to the real property and employs innovative or alternative waste water technologies, including, but not limited to, grinder pump pressure sewer systems, septic tank effluent pump pressure sewer systems, vacuum sewer systems, or small-diameter gravity septic tank systems.

SEC. 12. Section 32100 of the Health and Safety Code is amended to read:

32100. The elective officers of a local hospital district shall be a board of hospital directors consisting of five members, each of whom shall be a registered voter residing in the district and whose term shall be four years, with the exception of the first board. The first board of directors shall be appointed, upon the formation of the district, by the board of supervisors of the county in which the land or a greater part of the land in the district is situated. Upon appointment, the first board shall, by lot, designate two members who shall leave office when their successors take office pursuant to Section 23556 of the Elections Code and three members who shall leave office two years thereafter. Any vacancy upon the board shall be filled by the methods prescribed in Section 1780 of the Government Code.

SEC. 13. Section 32100.02 of the Health and Safety Code is amended to read:

32100.02. The election of directors to fill the additional vacancies on the board created by expansion shall be an election at large. The director elected at the election but receiving the lesser number of votes in the election shall hold office until a successor takes office pursuant to Section 23556 of the Elections Code, and the director elected at the election receiving the greater number of votes shall hold office until two years thereafter.

SEC. 14. Section 32100.1 of the Health and Safety Code is amended to read:

32100.1. A petition for election of directors by zones may be signed and filed with the board of directors by registered voters residing within a local hospital district, equal in number to at least 15 percent of the number of votes cast in that district for the office of Governor at the last preceding election at which a Governor was elected. Upon receipt of this petition the board of directors shall, by resolution, divide the local hospital district into zones and number the zones consecutively.

Alternatively, and without a petition, the board of directors may adopt a resolution to divide the district into zones and number the zones consecutively.

In establishing these zones the board of directors shall provide for representation in accordance with population and geographic factors of the entire area of the local hospital district. The board of directors

shall fix the time and place for a hearing on the proposed establishment of zones. At this hearing any elector of the district may present his or her views and plans in relation to the proposed zoning, but the board of directors shall not be bound thereby and their decision, in the resolution adopted, shall be final.

After the hearing and final determination by the board of directors the board shall then prepare a measure to be printed on the ballots used at the next general hospital district election, or at a special election to be held for that purpose. The measure shall be printed on the ballots substantially as follows:

"Shall members of the board of directors be elected by zones, as described in the resolution of the board of directors dated _____?", with the words "Yes" and "No" so printed in connection therewith that the voters may express their choice.

The county clerk of the organizing county shall accept arguments for and against the measure to be mailed to each registered voter in the district, in accordance with the procedure in Article 3 (commencing with Section 3780) of Chapter 2 of Division 4 of the Elections Code.

The returns of the election shall be canvassed and declared as at other general hospital district elections, and if it appears that a majority of the votes cast in the election are in favor of the measure the board of directors shall by resolution declare the zones established and shall describe the boundaries of the zones. At the expiration of the terms of office of the members of the board of directors then in office, and thereafter, these members of the board of directors shall be elected by zones. If, at the expiration of the terms of office, three members of the board of directors are to be elected, those three members shall be elected from the zones designated by odd numbers; if two members are to be elected, those two members shall be elected from zones designated by even numbers.

One member of the board of directors shall be elected by the electors of each of the zones. No person shall be eligible to hold the office of member of the board of directors unless he or she shall have resided in the zone from which he or she is elected for 90 days next preceding the date of the election.

The formation of a local hospital district may provide for the election of members of the board of directors by zones as above provided for by substantially including in the petition for formation the provisions hereinabove required to be included in the measure, in which event it shall not be necessary to hold the election above provided for, and the members of the board of directors shall be elected from the zones as described in the petition, except that the first board of directors shall be appointed, upon the formation of the district, by the board of supervisors of the county in which the land or a greater part of the land in the district is situated. One member shall be appointed from each zone.

The terms of the members of the first board of directors appointed under the provisions of this section shall be determined as follows:

The members appointed from the zones designated by odd numbers in the petition shall hold office for four years and the members appointed from the zones designated by even numbers in the petition shall hold office for two years. Thereafter, the term of office for all members shall be four years.

Any vacancy upon the board shall be filled by appointment by the remaining members of the board, from the zone left unrepresented on the board of directors. Any person appointed to fill the vacancy shall hold office for the unexpired term.

SEC. 15. Section 32100.5 of the Health and Safety Code is amended to read:

32100.5. An election which shall be known as the hospital district general election, shall be held in each local hospital district on the the first Tuesday after the first Monday in November in each even-numbered year, at which a successor shall be chosen to each officer whose term shall expire when the successor takes office pursuant to Section 23556 of the Elections Code. The hospital district general election shall be consolidated with the statewide general election pursuant to Chapter 4 (commencing with Section 23300), Part 2, Division 14 of the Elections Code.

The person receiving the highest number of votes for each office to be filled at such election shall be elected thereto. The term of office of each elective officer of the district elected, shall be four years, or until his or her successor is elected and has qualified.

SEC. 16. Section 20206.2 of the Public Contract Code is amended to read:

20206.2. Plans and specifications when once adopted shall not be altered or changed in any manner whereby the cost of the proposed work is increased, except by a majority vote of the board.

SEC. 17. Section 20207.4 of the Public Contract Code is amended to read:

20207.4. All contracts shall be made with the lowest responsible bidder. Bidders for construction contracts shall give bonds for the faithful performance of the construction contract.

SEC. 18. Section 20395 of the Public Contract Code is amended to read:

20395. In any county which has appointed a road commissioner pursuant to Section 2006 of the Streets and Highways Code, the board may authorize the road commissioner to have any work upon county highways done under his or her supervision and direction. The work may be done in any of the following ways:

(a) By letting a contract covering both work and material. In that event, the contract shall be let to the lowest responsible bidder as provided in this article.

(b) By purchasing the material and letting a contract for the performance of the work. In that event, the material shall be bought at the lowest possible cost and the contract let to the lowest responsible bidder as provided in this article.

(c) By purchasing the material and having the work done by day

labor, in which case advertising for bids is not required.

(d) (1) By authorizing the county road commissioner to execute changes for any such contract in an amount not to exceed five thousand dollars ($5,000) for contracts of fifty thousand dollars ($50,000) or less, or 10 percent for contracts over fifty thousand dollars ($50,000) but not to exceed two hundred fifty thousand dollars ($250,000). In no event shall any such change exceed a net total addition of twenty-five thousand dollars ($25,000).

(2) For contracts whose original cost exceeds two hundred fifty thousand dollars ($250,000), the extra cost for any change or addition to the work so ordered shall not exceed twenty-five thousand dollars ($25,000), plus 1 percent of the amount of the original contract costs in excess of two hundred fifty thousand dollars ($250,000). In no event shall any such change or alteration exceed one hundred thousand dollars ($100,000).

(e) By purchasing the material and letting a contract for the work or by letting a contract covering both work and material without advertising for bids when the estimated cost of emergency work necessitated by the imminence or occurrence of a landslide, flood, storm damage, or other emergency exceeds twenty-five thousand dollars ($25,000) and the public interest and necessity demand immediate action to safeguard life, health, or property.

SEC. 19. Section 20455 of the Public Contract Code is amended to read:

20455. (a) After construction has begun, the legislative body, or the superintendent of streets if authorized by the legislative body, may order changes in the work without the necessity of a hearing. The order shall be in writing, and the amount of any change ordered shall not exceed five thousand dollars ($5,000) when the total amount of the original contract does not exceed fifty thousand dollars ($50,000), nor 10 percent of the amount of any original contract that exceeds fifty thousand dollars ($50,000), but does not exceed two hundred fifty thousand dollars ($250,000).

(b) For contracts whose original cost exceeds two hundred fifty thousand dollars ($250,000), the extra cost for any change or addition to the work so ordered shall not exceed twenty-five thousand dollars ($25,000), plus 1 percent of the amount of the original contract costs in excess of two hundred fifty thousand dollars ($250,000). In no event shall any such change or alteration exceed one hundred thousand dollars ($100,000).

(c) The limitations on the cost of changes permitted by this section shall not apply where (1) the change is requested in writing by the owner of property subject to assessment for the improvement under construction and the nature of the change requested is such that the cost thereof will be assessed exclusively against the property of the person requesting the change, or (2) the change in the work will not adversely affect the benefiting property and any increase in the cost resulting from the changes will be paid by the city and will not be assessed against the property within the assessment district.

SEC. 20. Section 21551 of the Public Contract Code is amended to read:

21551. (a) All contracts for the construction of any unit of work estimated to cost over ten thousand dollars ($10,000) shall be let to the lowest responsible bidder in accordance with Article 3.5 (commencing with Section 20120) of Chapter 1.5. If cost of the project or service will not exceed ten thousand dollars ($10,000), the district may have the work done by force account. The district may purchase in the open market, without advertising for bid, materials and supplies for use in any work either under contract or by force account.

(b) The board of directors may, by ordinance, resolution, or board order, authorize the county engineer or other county officer to order changes or additions in work being performed under construction contract. When so authorized, any change or addition in the work shall be ordered in writing by the county engineer, or other designated officer, and the extra cost for any change or addition to the work so ordered shall not exceed five thousand dollars ($5,000) when the total amount of the original contract does not exceed fifty thousand dollars ($50,000), nor 10 percent of the amount of any original contract that exceeds fifty thousand dollars ($50,000), but does not exceed two hundred fifty thousand dollars ($250,000).

(c) For contracts whose original cost exceeds two hundred fifty thousand dollars ($250,000), the extra cost for any change or addition to the work so ordered shall not exceed twenty-five thousand dollars ($25,000), plus 1 percent of the amount of the original contract costs in excess of two hundred fifty thousand dollars ($250,000). In no event shall any such change or alteration exceed one hundred thousand dollars ($100,000).

SEC. 21. Section 5781.10 is added to the Public Resources Code, to read:

5781.10. Service on a municipal advisory council established pursuant to Section 31010 of the Government Code shall not be considered an incompatible office with service as an elected director of a recreation and park district created pursuant to this chapter.

SEC. 22. Section 5552 of the Public Resources Code is amended to read:

5552. The controller is the custodian of the funds of the district and shall make payments by check or by warrant drawn upon the district's depositories for obligations that have been first approved by a majority of the board of directors at a meeting of the board of directors. The board of directors also may, by resolution and under any terms and conditions which it may prescribe in the resolution, authorize the controller to pay demands against the district, without the prior, specific approval of the board, that are for any purpose for which an expenditure has been previously authorized in the district's adopted budget and which do not exceed the amount of expenditure so authorized. Demands so paid shall be presented to the board of directors at the next regular meeting for its review and approval. If

the funds of the district are maintained solely in the county treasury, the county auditor shall exercise the powers otherwise conferred by this section on the controller.

The board of directors shall by ordinance or resolution authorize signatories for checks or warrants drawn in payment of obligations and demands against the district. Authorized signatories shall be selected from members of the board of directors of the district, the general manager of the district, the administrative secretary, or any other officers and employees which may be designated by the board.

The controller shall keep an account of all receipts and disbursements, and shall deposit all money received by him or her in a depository or depositories selected by the board of directors.

SEC. 22.5. Section 13118 of the Public Resources Code is amended to read:

13118. Any bonds issued by any area organized under this division are hereby given the same force, value, and use as bonds issued by any municipality and shall be exempt from all taxation within the state.

All bonds issued by any area payable from taxes are legal investments for all trust funds, for the trust funds of all insurance companies, the state school funds, and any funds that may be invested in bonds of cities, counties, cities and counties, school districts, or municipalities in the state.

SEC. 23. Section 26567 of the Public Resources Code is amended to read:

26567. At the close of the hearing or within 60 days thereafter, the legislative body may proceed by resolution to order the formation of the proposed district. The resolution shall appoint five owners of real property within the district to the initial board of directors for terms not to exceed four years, or, as an alternative to the appointment of five owners of real property within the district, the legislative body may appoint itself to act as the board of directors. If the legislative body appoints itself as the board of directors, Section 26583 shall not apply. If owners of real property within the district are appointed as the initial board of directors, then following the initial term, the board of directors shall be elected as provided by Section 26583. This section shall apply to all districts formed on or after January 1, 1980.

SEC. 24. Section 26583 of the Public Resources Code is amended to read:

26583. Following the four-year term of the initially appointed board of directors formed pursuant to Section 26567 and composed of owners of real property within the district, the board of directors shall be composed of five elected directors. The term of office of directors shall be four years. The expiration of the term of any director shall not constitute a vacancy and he or she shall hold office until his or her successor has qualified. Elections shall be called and conducted, and the results canvassed, returned, and declared pursuant to the Uniform District Election Law (commencing with Section 23500 of the Elections Code). This section shall not apply to

a district where the legislative body has appointed itself as the board of directors.

SEC. 24.5. Section 18053 of the Public Utilities Code is repealed.

SEC. 25. Section 104.7 of the Streets and Highways Code is amended to read:

104.7. (a) Unless otherwise provided by statute, when requested by a city, county, or special district, the department shall provide information regarding, and shall lease, unoccupied, unimproved property that is held for future highway purposes to the city, county, or special district within which the property is located. The city, county, or special district may use the leased property first for agricultural and community garden purposes, and second for recreational purposes, on terms and conditions not unreasonably inhibiting the use of the property, including, but not limited to, assumption of liability and installation and removal of improvements. The lease shall be for one dollar ($1) per year for not less than one year and shall be renewable.

The city, county, or special district may sublease the property for agricultural or recreational purposes upon prior written notification to the department, and may proceed with the sublease unless disapproved by the department within 10 working days after the notice is sent to the department. The first priority for a sublease shall be given to the owner of property contiguous to the leased land.

In a sublease of the property, the city, county, or special district may charge rental fees at least sufficient to pay its administrative costs. All money received by the city, county, or special district under a sublease, less administrative costs, shall be transmitted to the department for deposit in the State Highway Account.

(b) Unoccupied, unimproved property which has commercial, industrial, or residential use as its most feasible or best use, as determined by the department, are not subject to this section.

(c) The Legislature finds and declares that the lease of unoccupied, unimproved property pursuant to this section serves a public purpose.

SEC. 26. Chapter 1 (commencing with Section 20000) of Division 10 of the Water Code is repealed.

SEC. 26.5. Section 20560.1 of the Water Code is repealed.

SEC. 27. Section 20572 of the Water Code is repealed.

SEC. 28. Section 23222 of the Water Code is repealed.

SEC. 29. Section 23286 of the Water Code is repealed.

SEC. 30. Section 23670.1 of the Water Code is amended to read:

23670.1. Upon approval by two-thirds of the board, the assessment may be made payable in not more than 20 annual installments.

SEC. 31. Section 23811 of the Water Code is amended to read:

23811. Upon approval by two-thirds of the board, the improvement district warrants shall be made payable over not to exceed a period of 20 years and shall specify a rate of interest fixed at the time of their issuance not exceeding 8 percent per year.

SEC. 32. Section 24253 of the Water Code is repealed.

SEC. 33. Section 24353 of the Water Code is repealed.

SEC. 34. Section 24354 of the Water Code is repealed.

SEC. 35. Section 24628.5 of the Water Code is amended to read:

24628.5. Warrants payable at a future time or times may also be issued to obtain funds or property for any lawful purpose of the district.

SEC. 36. Section 24635 of the Water Code is repealed.

SEC. 37. Section 24662 of the Water Code is amended to read:

24662. A district may enter into agreement either individually or collectively with the holder or holders of any registered warrants fixing the time of, method of, and allocation of funds for the payment of the warrants and may in this agreement or otherwise waive the time of commencing any action or proceeding thereon.

SEC. 38. Section 24763 of the Water Code is repealed.

SEC. 39. Section 24764 of the Water Code is repealed.

SEC. 40. Section 24957 of the Water Code is repealed.

SEC. 41. Section 24958 of the Water Code is repealed.

SEC. 42. Section 24959 of the Water Code is repealed.

SEC. 43. Section 24960 of the Water Code is repealed.

SEC. 44. Section 24961 of the Water Code is repealed.

SEC. 45. Section 24962 of the Water Code is repealed.

SEC. 46. Section 24964 of the Water Code is repealed.

SEC. 47. Section 25036 of the Water Code is repealed.

SEC. 48. Section 25037 of the Water Code is repealed.

SEC. 49. Section 25038 of the Water Code is amended to read:

25038. The board shall call an election for the purpose of authorizing the issuance of the refunding bonds.

SEC. 50. Section 25041 of the Water Code is amended to read:

25041. The maturities of refunding bonds shall be fixed by the board.

SEC. 51. Section 25060 of the Water Code is amended to read:

25060. If any issue of refunding bonds are made to mature at one time, the board prior to or at the time of their issuance shall provide for the creation of and payments into a sinking fund for the payment of the bonds in amounts determined by the board.

SEC. 52. Section 25061 of the Water Code is amended to read:

25061. The amount of sinking fund payments may be modified from time to time by the board.

SEC. 53. Section 25090 of the Water Code is repealed.

SEC. 54. Section 25091 of the Water Code is amended to read:

25091. The board shall call an election for the purpose of authorizing the modification of a refunding plan.

SEC. 55. Section 25111 of the Water Code is amended to read:

25111. The terms of any refunding plan and of the refunding bonds outstanding thereunder may be modified from time to time if the modification is approved in the manner provided in this article by all of the following:

(a) The district.

(b) The holders of all of the outstanding refunding bonds affected.

SEC. 56. Section 25114 of the Water Code is repealed.

SEC. 57. Section 25241 of the Water Code is repealed.

SEC. 58. Section 25245 of the Water Code is amended to read:

25245. If any board provides that the principal, interest, or both of any bonds or any portion of the principal, interest, or both shall be payable solely from designated revenue, neither the district nor any officer thereof shall be held for payment otherwise.

SEC. 59. Section 25280 of the Water Code is amended to read:

25280. Any sources of revenue of any district may, by order of its board, be irrevocably allocated to a reserve fund established to pay the interest or principal of any bonds.

SEC. 60. Section 25300 of the Water Code is amended to read:

25300. A district may, by resolution of its board adopted at or prior to the time of issuing any bonds then proposed to be issued, provide for the call and redemption prior to their fixed maturity of any of the bonds.

SEC. 61. Section 25333 of the Water Code is repealed.

SEC. 62. Section 25403 of the Water Code is repealed.

SEC. 63. Section 35854 of the Water Code is repealed.

SEC. 64. Section 35885 of the Water Code is repealed.

SEC. 65. Section 35886 of the Water Code is amended to read:

35886. The board may execute the contract on behalf of the district if two-thirds of the votes cast at the election favor the contract.

SEC. 66. Section 35996 of the Water Code is amended to read:

35996. (a) The bonds, or any part thereof, may be issued and sold as the board determines.

(b) Before selling the bonds, or any part thereof, the board may give notice inviting sealed bids in such manner as the board may prescribe. If satisfactory bids are received, the bonds offered for sale shall be awarded to the highest responsible bidder. If no bids are received, or if the board determines that the bids received are not satisfactory as to price or responsibility of the bidders, the board may reject all bids received, if any, and either readvertise or sell the bonds at private sale.

(c) In the alternative, the board may, if it determines that to do so would produce a lower interest cost on the bonds, sell bonds at a private sale without first advertising for bids.

SEC. 67. Any provision in Division 13 (commencing with Section 34000), Division 14 (commencing with Section 39000), or Division 15 (commencing with Section 50000) of the Water Code that requires action by, or imposes a duty on, the Treasurer shall no longer be operative and shall have no force or effect.

SEC. 68. In the case of the City of Marina in the County of Monterey, the Controller shall determine that the population of the city is the population certified by the Demographic Research Unit of the Department of Finance plus the population within the Frederick Park and Schoonover Park subdivisions of Fort Ord, as determined

by the Demographic Research Unit, as if those subdivisions were within the City of Marina. The Controller shall use the population for the City of Marina as determined pursuant to this section when disbursing money pursuant to Sections 8352.6, 30462, and 11005 of the Revenue and Taxation Code and Sections 2105, 2106, 2107, and 2107.5 of the Streets and Highways Code. The Controller shall use the population for the City of Marina as determined pursuant to this section until the subdivisions are annexed to the City of Marina or until a nonfederal entity acquires the subdivisions from the federal government, whichever comes first.

SEC. 69. With respect to Sections 7, 10,, 11, and 27 of this act, the Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances of the County of Contra Costa, the Bear Valley Community Services District in Kern County, the West Valley Sanitary District in San Mateo County, and the City of Marina in Monterey County.

SEC. 70. This act shall be known and may be cited as the Local Government Omnibus Act of 1991. The Legislature finds and declares that Californians desire their governments to be run efficiently and economically and that public officials should avoid waste and duplication whenever possible. Therefore, in enacting this act, it is the intent of the Legislature to combine several minor statutory changes relating to local agencies into a single measure.

SEC. 71. (a) Section 9.1 of this bill incorporates amendments to Section 61600 of the Government Code proposed by both this bill and AB 266. It shall only become operative if (1) both bills are enacted and become effective January 1, 1992, (2) each bill amends Section 61600 of the Government Code, and (3) SB 224 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after AB 266, in which case Sections 9, 9.3, and 9.5 of this bill shall not become operative.

(b) Section 9.3 of this bill incorporates amendments to Section 61600 of the Government Code proposed by both this bill and SB 224. It shall only become operative if (1) both bills are enacted and become effective January 1, 1992, (2) each bill amends Section 61600 of the Government Code, (3) AB 266 is not enacted or as enacted does not amend that section, and (4) this bill is enacted after SB 224 in which case Sections 9, 9.1, and 9.5 of this bill shall not become operative.

(c) Section 9.5 of this bill incorporates amendments to Section 61600 of the Government Code proposed by this bill, AB 266, and SB 224. It shall only become operative if (1) all three bills are enacted and become effective January 1, 1992, (2) all three bills amend Section 61600 of the Government Code, and (3) this bill is enacted after AB 266 and SB 224, in which case Sections 9, 9.1, and 9.3 of this bill shall not become operative.

SEC. 72. Sections 1.5 and 2 of this act shall not become operative

if Assembly Bill 1505 is enacted during the 1991 portion of the 1991–92 Regular Session.

CHAPTER 1227

An act to amend Section 13127 of, to amend and renumber Section 13130 of, and to add Sections 13130.3, 13131.1, 13131.2, 13131.3, and 13131.4 to, the Food and Agricultural Code, relating to pesticides.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 13127 of the Food and Agricultural Code, as amended by Chapter 277 of the Statutes of 1991, is amended to read:

13127. (a) Not later than December 31, 1985, the department shall identify 200 pesticide active ingredients which the department determines have the most significant data gaps and widespread use and which are suspected to be hazardous to people. Not later than 30 days after the report issued pursuant to Section 13125, the department shall notify each registrant of a pesticide product containing any of the identified 200 pesticide active ingredients of the applicable data gap required to be filled pursuant to this section.

(b) Not later than December 31, 1985, the department shall also adopt a timetable for the filling of all data gaps on all pesticide active ingredients, other than those identified by the department pursuant to subdivision (a), which are currently registered or licensed in California. The department shall notify registrants of the applicable data gaps and the scheduled time to initiate and complete studies as provided in the timetable.

(c) (1) Not later than September 1, 1986, the department shall determine whether a test has been initiated to fill each of the data gaps for each pesticide active ingredient identified in subdivision (a). If no test has been initiated, the department shall fill data gaps in accordance with procedures provided in subparagraph (B) of paragraph (2) of subsection (c) of Section 136a of Title 7 of the United States Code. In order to carry out this section, the director has the same authority to require information from registrants of active pesticide ingredients and to suspend registration that the Administrator of the Environmental Protection Agency has pursuant to subparagraph (B) of paragraph (2) of subsection (c) of Section 136a of Title 7 of the United States Code. If a hearing is requested regarding the proposed suspension of registration, it shall be conducted pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code. On or before July 1, 1986, the director shall, by regulation, prescribe procedures for resolving disputes or funding the filling of data gaps.

The procedures may include mediation and arbitration. The arbitration procedures, insofar as practical, shall be consistent with the federal act, or otherwise shall be in accordance with the commercial arbitration rules established by the American Arbitration Association. The procedures shall be established so as to resolve any dispute within the timetable established in subdivision (a).

(2) The department shall also obtain the data which is identified in subdivision (b), according to the timetable and procedures specified in this section.

(d) The director shall review the timetable established by the Environmental Protection Agency for the accelerated registration program under amendments effective in 1989 to the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. Sec. 136 et seq.).

(e) (1) This section does not apply to any product which the director determines has limited use or that substantial economic hardship would result to users due to unavailability of the product and there is not significant exposure to the public or workers and the product is otherwise in compliance with federal law.

(2) The director may not, pursuant to this subdivision, exempt all pesticide products containing the same pesticide active ingredient unless it is determined that the pesticide active ingredient has only limited use, there is insignificant exposure to workers or the public, and the products are otherwise in compliance with federal law. Any exemption issued pursuant to this paragraph shall expire at the end of three years after it is issued.

(f) (1) Whenever the director exercises the authority provided in paragraph (1) of subdivision (e), he or she shall give public notice of the action stating the reasons for exempting the pesticide product from the data requirements of this article. Copies of this notice shall be provided to the appropriate policy committees of the Legislature.

(2) Whenever the director acts pursuant to paragraph (2) of subdivision (e), the director shall furnish not less than 30 days' public notice of the proposed action, stating the reasons for exempting the pesticide product from the data requirements of this article and allowing public comment thereon. Copies of the notice and the final decision shall be provided to the appropriate policy committees of the Legislature.

SEC. 2. Section 13130 of the Food and Agricultural Code is amended and renumbered to read:

13132. If any provision of this article or the application thereof to any person or circumstances is held invalid, this invalidity shall not affect other provisions or applications of the article which can be given effect without the invalid provision or application, and to this end the provisions of this article are severable.

SEC. 3. Section 13130.3 is added to the Food and Agricultural Code, to read:

13130.3. (a) Notwithstanding Section 13127, the time permitted

by the director for submitting data to fill a data gap shall be as follows:

(1) For oncogenicity studies and chronic feeding studies, 48 months.

(2) For reproduction studies, 48 months.

(3) For teratogenicity and neurotoxicity studies, 24 months.

(4) For mutagenicity studies, 12 months.

The time permitted by the director for submitting data to fill a data gap shall commence upon the date the department notifies the registrant of the data gap.

(b) Notwithstanding the time limit established in subdivision (a) for submitting data to fill a data gap, the department may, with the concurrence of the Office of Environmental Health Hazard Assessment, grant an extension of time to complete the required studies, upon a written finding that events beyond the control of the persons responsible for submitting the data prevent submission of the data within the prescribed time, and that those persons have made a good faith effort to complete the studies within the prescribed time. Not more than one extension of time per data requirement may be granted to complete the required studies. The length of an extension granted pursuant to this subdivision shall be limited to the time necessary to complete the studies, not to exceed the length of time specified in subdivision (a) for conducting the studies.

SEC. 4. Section 13131.1 is added to the Food and Agricultural Code, to read:

13131.1. (a) Not later than March 1, 1992, the director shall notify registrants of the data requirements, and the guidelines the director intends to use in reviewing studies submitted pursuant to subdivision (b) of Section 13127, for all pesticide active ingredients other than those identified pursuant to subdivision (a) of Section 13127.

(b) Not later than 90 calendar days after the date of notification of the data requirements, each registrant shall do one of the following:

(1) Inform the department, in a manner prescribed by the director, of how the registrant will comply with the data requirements.

(2) File a written objection, accompanied by any supporting evidence and arguments, to all or part of the director's notice of data requirements. The objection authorized by this paragraph shall be the exclusive opportunity for a registrant to object to the director's notice of data requirements.

(c) The director may consider and grant a request by a registrant to initiate the studies necessary to comply with the data requirements in accordance with a schedule established by the United States Environmental Protection Agency. In no event shall a registrant be authorized pursuant to this subdivision to initiate the studies necessary for that compliance after January 1, 1994.

SEC. 5. Section 13131.2 is added to the Food and Agricultural Code, to read:

13131.2. (a) Prior to March 1, 1992, or in response to a written objection filed pursuant to paragraph (2) of subdivision (b) of Section 13131.1, the department may determine, with the concurrence of the Office of Environmental Health Hazard Assessment, that one or more of the mandatory health effects studies are not required in order to evaluate pesticide active ingredients other than those identified pursuant to subdivision (a) of Section 13127. This determination may be made only in accordance with one or more of the following criteria:

(1) The ingredient has been classified as "Generally Recognized as Safe" by the United States Food and Drug Administration.

(2) The study is not physically possible due to the nature of the ingredient.

(3) The department has on file toxicological data that is adequate for the assessment of the potential adverse health effects of the ingredient, and the studies relied upon for that purpose are of the same study type, are scientifically valid, and, when taken together, are of a power and sensitivity equivalent to the studies that would be waived pursuant to this subdivision.

(b) The director may, in conjunction with the Office of Environmental Health Hazard Assessment, develop regulations for modification of mandatory health effects studies.

SEC. 6. Section 13131.3 is added to the Food and Agricultural Code, to read:

13131.3. If the Office of Environmental Health Hazard Assessment does not concur with the determination of the department pursuant to Section 13131.2, the issue shall be decided by a majority of the membership of a panel consisting of the following persons:

(a) An appointee of the State Director of Health Services who has expertise in toxicology.

(b) An appointee of the President of the University of California who has expertise in toxicology.

(c) An appointee of the Secretary for Environmental Protection who has expertise in toxicology.

SEC. 7. Section 13131.4 is added to the Food and Agricultural Code, to read:

13131.4. (a) On or before January 1, 1994, the director shall issue a final notice of data gaps required to be filled for all pesticide active ingredients other than those identified pursuant to subdivision (a) of Section 13127. This notice shall be the department's final determination of the data gaps required to be filled.

(b) The time allowed under Section 13130.3 to fill the data gaps shall commence on the date that the final notice of data gaps is issued pursuant to subdivision (a).

(c) Not later than 90 calendar days after the date the final notice of data gaps is issued pursuant to subdivision (a), each registrant shall inform the department, in a manner prescribed by the director, of how the registrant will fill the data gap, including a proposed

schedule for initiation, completion, and submittal of all required studies.

(d) If, at the end of the 90-day period described in subdivision (c), the director determines that a registrant who is a basic manufacturer has declined to provide the required studies, the director shall notify any formulators that are likely to be affected, and shall advise them of the data gaps. Not later than 90 calendar days after the date of that notification, each of those formulators shall respond to the director in the manner prescribed in subdivision (c).

SEC. 8. This act shall only become operative if Senate Bill 550 of the 1991–92 Regular Session is also chaptered and becomes operative.

CHAPTER 1228

An act to amend Section 13123 of, to add Sections 13127.2, 13127.3, 13127.31, 13127.32, 13127.5, 13127.6, 13127.7, 13127.8, 13127.9, 13127.91, 13127.92, and 13127.93 to, and to repeal and add Sections 13130.3 and 13131.4 of, the Food and Agricultural Code, relating to agriculture.

[Approved by Governor October 14, 1991. Filed with Secretary of State October 14, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 13123 of the Food and Agricultural Code is amended to read:

13123. For purposes of this chapter, the following terms mean:

(a) "Adverse reproductive effect" means a statistically significant adverse effect on parental reproductive performance and the growth and development of offspring, including gonadal function, conception, and parturition; abortions; birth defects; stillbirths; and resorptions.

(b) "Data gap" means that the department does not have on file a full set of valid mandatory health effects studies.

(c) "Mandatory health effects study" means adverse reproductive effect, chronic toxicity, mutagenicity, neurotoxicity, oncogenicity, and teratogenicity studies required for full registration or licensing of pesticides in California, as of July 1, 1983.

(d) "Teratogenic" means the property of a substance or mixture of substances to produce or induce functional deviations or developmental anomalies, not heritable, in or on an animal embryo or fetus.

(e) "Mutagenic effect" means the property of a substance or mixture of substances to induce changes in the genetic complement of either somatic or germinal tissue in subsequent generations.

(f) "Chronic toxicity" means the property of a substance or mixture of substances to cause adverse effects in an organism upon repeated or continuous exposure over a period of at least one-half the

lifetime of that organism.

(g) "Oncogenic" means the property of a substance or a mixture of substances to produce or induce benign or malignant tumor formations in living animals.

(h) "Neurotoxic effect" means any adverse effect on the nervous system such as delayed-onset locomotor ataxia resulting from single administration of the test substance, repeated once if necessary.

(i) "Initiation" means that the mandatory health effects study or any necessary preliminary studies, such as pilot studies or range finding studies, have been commenced.

(j) "Data generator" means a person who has completed and filed with the director a data commitment status report.

(k) "Completion" means that the study has been finished, the data has been analyzed, and the final report of the results, including all exhibits, has been prepared and submitted to the department.

(*l*) "Submitted" means deliverance of a completed study to the department. A study shall be deemed to be submitted until such time as it has been determined to be unacceptable by the department.

(m) "Suspend" means the director has issued a notice of intent to suspend the registration of a pesticide product. The director shall issue a suspension order at the earliest possible time.

SEC. 2. Section 13127.2 is added to the Food and Agricultural Code, to read:

13127.2. The director shall, on January 15, 1992, issue a notice of intent to suspend the registration of any pesticide product containing an active ingredient identified pursuant to subdivision (a) of Section 13127 for which the registrant has not submitted the required data by December 31, 1991. The data generator or registrant may petition the director within 30 days of notification of impending suspension of registration for deferral of the suspension pursuant to Section 13127.5. The director shall act upon such a petition at the earliest possible time and, upon denial of the petition, suspend the registration of each such product.

SEC. 3. Section 13127.3 is added to the Food and Agricultural Code, to read:

13127.3. (a) The director shall grant an extension of time for submission of the required data if the director, with the concurrence of the Secretary for Environmental Protection, makes a finding that both of the following conditions are satisfied:

(1) The registrant has submitted at least eight of the mandatory health effects studies, and has initiated the studies required to fill the remaining data gaps by January 15, 1992, unless the registrant can demonstrate to the satisfaction of the director that it failed to have eight studies submitted, and the remaining studies initiated, in accordance with this paragraph because not more than two studies were delayed due to specific, written direction of the department based upon a written evaluation by a department toxicologist.

(2) That the registrant has taken appropriate steps to meet the requirements of this article. To determine whether appropriate steps

have been taken, the director shall consider the registrant's timely response to data call-ins on other active ingredients contained in products registered with the department pursuant to this article and pursuant to Article 15 (commencing with Section 13141), and whether the registrant has responded in a timely and appropriate manner to notices and correspondence from the department relating to data call-ins and has taken appropriate measures to address study deficiencies identified by the department.

(b) A registrant shall not be considered to have taken the appropriate steps, as provided in subdivision (a), if the registrant has failed to meet the deadlines established by this article due to efforts to coordinate compliance with federal data requirements.

SEC. 3.5. Section 13127.31 is added to the Food and Agricultural Code, read:

13127.31. Notwithstanding subdivision (a) of Section 13127.3, if the director finds that delays in submitting the mandatory health effects studies were primarily caused by actions of the department, the director, with the concurrence of the Secretary for Environmental Protection, may extend the deadlines for submitting the mandatory health effects studies for the following active ingredients creosote, pentachlorophenol, dicamba, para-dichlorobenzene, methyl bromide, napropamide, petroleum distillates, and arsenic pentoxide/trioxide. Registrants of these products shall submit the required studies in a timely manner, but in no case later than the time allowed in Section 13127.92.

SEC. 4. Section 13127.32 is added to the Food and Agricultural Code, to read:

13127.32. Notwithstanding any other provision of this section, or any other provision of law, no pesticide product containing an active ingredient identified pursuant to subdivision (a) of Section 13127 for which the required studies have not been submitted by March 30, 1996, shall remain registered in this state after that date.

SEC. 5. Section 13127.5 is added to the Food and Agricultural Code, to read:

13127.5. (a) The director, with the concurrence of the Secretary for Environmental Protection, may defer the suspension of registration of a pesticide product, as provided in Section 13127.2, if both of the following occur:

(1) The director receives a petition from the registrant or any other person requesting a deferral of suspension.

(2) The director makes a written finding of one of the following:

(A) Suspension of the registration of the product would cause substantial economic hardship to the users of the product, that there would be no significant, unmitigated human exposure to the product, and that no feasible alternatives to the product are available.

(B) Suspension of the registration of the product would be more detrimental to the agricultural or nonagricultural environment than continued use of the product, that there would be no significant, unmitigated human exposure to the product, and that no feasible

alternatives to the product are available.

(C) Suspension of the registration of the product would result in significant risk to the public health and that no feasible alternatives to the product are available.

(b) The director shall limit the use of any product granted a deferral of suspension pursuant to paragraph (2) of subdivision (a) to specific uses that conform to the director's findings pursuant to paragraph (2) of subdivision (a).

SEC. 6. Section 13127.6 is added to the Food and Agricultural Code, to read:

13127.6. The director shall levy a charge on data generators of up to one thousand dollars ($1,000) per day for each day a data gap continues to exist after January 15, 1992. In establishing the amount of the charge, the director shall consider the number of outstanding studies, the registrant's timely response to data call-ins on other products registered with the department pursuant to this article and pursuant to Article 15 (commencing with Section 13141), and whether the registrant has responded in a timely and appropriate manner to notices and correspondence from the department relating to data call-ins, and whether the registrant has taken appropriate measures to address study deficiencies identified by the department. If the charge levied on the data generator is not paid, all products containing that active ingredient shall be suspended. Revenues collected from the levying of charges shall be deposited in the Department of Pesticide Regulation Fund.

SEC. 7. Section 13127.7 is added to the Food and Agricultural Code, to read:

13127.7. All documentation relevant to a finding made pursuant to Sections 13127.3 and 13127.5 shall be available to the public, and the findings shall be a public record.

SEC. 8. Section 13127.8 is added to the Food and Agricultural Code, to read:

13127.8. (a) A suspension of registration of a pesticide product containing any of the active ingredients identified pursuant to subdivision (a) of Section 13127 shall be revoked when the director determines that the registrant has submitted all of the mandatory health effects studies. If, upon completion of the review of the studies, the director determines that a data gap still exists, the director shall suspend the registration.

(b) If at any time after January 1, 1992, the registrant meets the requirements of subdivision (a) of Section 13127.3, notwithstanding the date specified in paragraph (1) of subdivision (a) of Section 13127.3, the director shall revoke the suspension, and shall levy a charge pursuant to Section 13127.6 or, if a charge has already been levied on a registrant, the director may revise the charge in light of the registrant's compliance with the requirements of this article and Article 15 (commencing with Section 13141).

(c) The director may modify the amount of the charge levied pursuant to Section 13127.6 upon the initiation or submission of any

health effects studies required pursuant to this article.

SEC. 9. Section 13127.9 is added to the Food and Agricultural Code, to read:

13127.9. For each mandatory health effects study that is required for each active ingredient identified pursuant to subdivision (a) of Section 13127, the registrant shall submit to the department a progress report in December of each year until the study is completed.

SEC. 10. Section 13127.91 is added to the Food and Agricultural Code, to read:

13127.91. The director shall suspend the registration of any pesticide product that contains an active ingredient identified pursuant to subdivision (a) of Section 13127 for which the registrant fails to do any of the following:

(a) Respond to the director's notification of a data gap.

(b) Submit progress reports as required by Section 13127.9.

(c) Demonstrate reasonable progress toward completion of all the mandatory health effects studies.

SEC. 11. Section 13127.92 is added to the Food and Agricultural Code, to read:

13127.92. (a) Extensions of time granted pursuant to Section 13127.3, 13127.31, and 13127.5 shall only be for the time necessary to complete the mandatory health effects studies.

(b) Mandatory health effects studies shall be completed in accordance with the following timetable:

(1) Forty-eight months for oncogenicity, chronic feeding, and reproduction studies.

(2) Twenty-four months for teratogenicity and neurotoxicity studies.

(3) Twelve months for mutagenicity studies.

(c) A deferral of suspension of registration issued pursuant to Section 13127.5 shall be subject to an annual review by the director and shall be limited to the time necessary to compete the required studies, and shall in no case exceed four years with the time tolling from the date that the registrant petitioned for an extension.

(d) Any extension of time for submission of the mandatory health effects studies granted pursuant to Section 13127.5 shall be canceled by June 15, 1993, and the registration suspended for the affected ingredient, if the registrant fails to initiate the required studies by June 15, 1992.

SEC. 12. Section 13127.93 is added to the Food and Agricultural Code, to read:

13127.93. The director shall report annually to the appropriate committees of the Legislature on the specific data gaps remaining for pesticide products containing any active ingredient identified pursuant to subdivision (a) of Section 13127.

SEC. 13. Section 13130.3 of the Food and Agricultural Code, as added by Assembly Bill No. 1742 of the 1991–92 Regular Session, is repealed.

SEC. 14. Section 13130.3 is added to the Food and Agricultural Code, to read:

13130.3. (a) Notwithstanding subdivision (b) of Section 13127, the time permitted by the director for submitting data to fill a data gap shall be as follows:

(1) For oncogenicity studies and chronic feeding studies, 48 months.

(2) For reproduction studies, 48 months.

(3) For teratogenicity and neurotoxicity studies, 24 months.

(4) For mutagenicity studies, 12 months.

The time permitted by the director for submitting data to fill a data gap shall commence upon the date the department notifies the registrant of the data gap.

(b) Notwithstanding the time limit established in subdivision (a) for submitting data to fill a data gap, the department may, with the concurrence of the Office of Environmental Health Hazard Assessment, grant an extension of time to complete the required studies, upon a written finding that events beyond the control of the persons responsible for submitting the data prevent submission of the data within the prescribed time, and that those persons have made a good faith effort to complete the studies within the prescribed time. Not more than one extension of time per data requirement may be granted to complete the required studies. The length of an extension granted pursuant to this subdivision shall be limited to the time necessary to complete the studies, not to exceed the length of time specified in subdivision (a) for conducting the studies.

SEC. 15. Section 13131.4 of the Food and Agricultural Code, as added by Assembly Bill No. 1742 of the 1991–92 Regular Session, is repealed.

SEC. 16. Section 13131.4 is added to the Food and Agricultural Code, to read:

13131.4. (a) On or before January 1, 1994, the director shall issue a final notice of data gaps required to be filled for all pesticide active ingredients other than those identified pursuant to subdivision (a) of Section 13127. This notice shall be the department's final determination of the data gaps required to be filled.

(b) The time allowed under Section 13130.3 to fill the data gaps shall commence on the date that the final notice of data gaps is issued pursuant to subdivision (a), unless an extension is granted pursuant to subdivision (b) of Section 13130.3.

(c) Not later than 90 calendar days after the date the final notice of data gaps is issued pursuant to subdivision (a), each registrant shall inform the department, in a manner prescribed by the director, how the registrant will fill the data gap, including a proposed schedule for initiation, completion, and submittal of all required studies.

SEC. 17. This bill shall become operative only if AB 1742 of the 1991–92 Regular Session is chaptered and becomes operative.

SEC. 18. Notwithstanding any other provision of law, nothing in

this act or in Assembly Bill No. 1742, if enacted during the 1991–92 Regular Session, shall be construed as the enactment of legislation which makes reference to a "California Environmental Protection Agency" for the purposes of Provision 2 of Item 3400-002-044 of the Budget Act of 1991.

CHAPTER 1229

An act to add and repeal Section 56132 of the Government Code, relating to governmental organization, and declaring the urgency thereof, to take effect immediately.

[Became law without Governor's signature. Filed with Secretary of State October 15, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 56132 is added to the Government Code, to read:

56132. (a) This section shall only apply to any change of organization or reorganization that includes detachment of territory from the Broadmoor Police Protection District in the County of San Mateo and which includes or accommodates, or is intended to facilitate, an annexation of territory to another local agency that has initiated the change of organization or reorganization. This section does not, however, apply to any territory comprising real property owned by the San Francisco Bay Area Rapid Transit District.

If the commission adopts a resolution approving such a change of organization or reorganization, the board of commissioners of the district may, within 15 days thereafter, adopt a resolution finding either that the proposed detachment may or will not adversely affect the district's ability to efficiently provide its law enforcement services in the remainder of the district. The district shall, if it adopts a resolution, file a certified copy of its resolution with the local agency to which the affected territory is proposed to be annexed, the conducting authority, and the commission. If that resolution finds that the proposed detachment may have an adverse financial effect, then the reorganization shall not become effective unless a majority of the voters voting at a special election of the district called for that purpose approve the detachment. The Broadmoor Police Protection District shall pay the costs of the election. For purposes of this section, it shall be conclusively presumed that any affected local agency which adopts a resolution under Section 56800 requesting a detachment of contiguous territory from the Broadmoor Police Protection District and which could have concurrently requested annexation of the affected territory, intends to do so.

(b) The Legislature finds and declares that a special law is

necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the following special circumstances:

The Broadmoor Police Protection District consists primarily of suburban residential properties which have long enjoyed an urban level of police services. The threat of continued piecemeal detachments of territory from the district threatens its ability to continue providing that level of service on an economically efficient basis.

(c) This section shall remain in effect only until January 1, 1996, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1996, deletes or extends that date.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to make this act applicable to detachment and annexation decisions made during 1991, it is necessary that this act go into immediate effect.

CHAPTER 1230

An act to add and repeal Section 1281.7 to the Unemployment Insurance Code, relating to unemployment insurance, making an appropriation therefor, and declaring the urgency thereof, to the effect immediately.

[Became law without Governor's signature. Filed with Secretary of State October 15, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 1281.7 is added to the Unemployment Insurance Code, to read:

1281.7. (a) Any unemployed individual who, as determined by the director, has been laid off from work or is unable to commence work as a direct result of the fire that occurred on March 31, 1991, at the Michigan California Lumber Company and who is otherwise eligible to receive benefits under this part, is eligible for an additional maximum of 26 times his or her weekly benefit amount.

(b) To the extent permitted by federal law, benefits payable under this section shall be available only when an individual has exhausted or is otherwise ineligible for other state or federal unemployment compensation. In the event an individual becomes eligible for federal-state extended unemployment compensation benefits prior to January 1, 1992, that individual shall become ineligible for benefits under this section to the extent he or she is

eligible for and receives federal-state extended unemployment benefits.

(c) Benefits shall be payable under this section only pursuant to claims made on or before January 1, 1992.

(d) This section shall remain in effect only until January 1, 1993, and as of that date is repealed.

SEC. 2. The Legislature finds and declares that, for purposes of Section 1 of this act, a special law is necessary and that a general law can not be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances of the employees of the Michigan California Lumber Company.

SEC. 3. This act shall become operative only if Assembly Bill 1095 of the 1991–92 Regular Session is enacted.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Because workers of low- and moderate-income are in need of financial support as soon as possible as a result of an unforeseen disaster, it is necessary for this act to take effect immediately.

CHAPTER 1231

An act to add Section 308.2 to the Penal Code, relating to cigarettes.

[Became law without Governor's signature. Filed with Secretary of State October 15, 1991.]

The people of the State of California do enact as follows:

SECTION 1. Section 308.2 is added to the Penal Code, to read:

308.2. (a) Every person who sells one or more cigarettes, other than in a sealed and properly labeled package, is guilty of an infraction.

(b) "A sealed and properly labeled package," as used in this section, means the original packaging or sanitary wrapping of the manufacturer or importer which conforms to federal labeling requirements, including the federal warning label.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless

otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CONCURRENT AND JOINT RESOLUTIONS

1991–92

REGULAR SESSION

1991 RESOLUTION CHAPTERS

RESOLUTION CHAPTER 1

Assembly Concurrent Resolution No. 5—Relative to the selection of the Legislative Counsel of California.

[Filed with Secretary of State December 6, 1990.]

Resolved by the Assembly of the State of California, the Senate thereof concurring, That, pursuant to Section 10201 of the Government Code, Bion M. Gregory is selected as the Legislative Counsel of California.

RESOLUTION CHAPTER 2

Assembly Concurrent Resolution No. 14—Relative to California Family Month.

[Filed with Secretary of State February 5, 1991.]

WHEREAS, The family is the moral core of our society and the ability of the family to fulfill its roles and obligations is critical to the well-being of California's citizenry and economy; and

WHEREAS, Circumstances today threaten the well-being of our families; and

WHEREAS, Today, large numbers of California's families are experiencing economic and social stresses that jeopardize their stability and well-being; and

WHEREAS, Today's families often need two incomes to meet their needs, causing them to experience a conflict between work and family, which is exacerbated by inflexible work schedules, lack of leave time to attend to family matters, and social institutions that have failed to respond to changes in the work and living patterns of families; and

WHEREAS, Today's families often rely upon auxiliary forms of caregiving, including child care, elder care, and afterschool supervision for youth, but these services are often difficult to find and more expensive than many families can afford; and

WHEREAS, Today, a growing number of families lack even the most basic resources necessary for their health and security; and

WHEREAS, Approximately 5.2 million Californians are without health insurance of any kind and three out of four are employed adults and their children; and

WHEREAS, The state's supply of affordable housing is diminishing to the point where fewer people are able to afford increased rents and the dream of owning a home will never be fulfilled for many families; and

WHEREAS, The future of tomorrow's families and the economy of the state are threatened by the lack of educational achievement and

work-readiness of today's students; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That it is the intent of the Legislature to protect the well-being of today's families and ensure that the families of tomorrow are prepared to be productive and self-sufficient and to this end, the Legislature is committed to enacting policies to make California a state in which all families can thrive; and be it further

Resolved, That in honor of this commitment, the California Legislature designates February of 1991 as California Family Month.

RESOLUTION CHAPTER 3

Senate Joint Resolution No. 5—Relative to American troops in the Middle East.

[Filed with Secretary of State February 5, 1991]

WHEREAS, Californians, with all Americans, share the goal of a peaceful world, free of war; and

WHEREAS, Peace includes a total withdrawal of all occupying forces from all occupied nations; and

WHEREAS, California is home to thousands of Soldiers, Sailors, Air Force, and Marines currently in the Middle East; and

WHEREAS, The men and women of the American Armed Services are engaged in combat with the Armed Services of Iraq, and are at risk of great personal injury and death; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California proclaims its full support for all American servicemen and servicewomen serving both in the United States and the Middle East; and be it further

Resolved, That the Legislature of the State of California proclaims its respect for the dedication, perseverance, courage, capabilities and professionalism being exhibited by United States troops in the Middle East; and be it further

Resolved, That the Legislature of the State of California proclaims its outrage at the war crimes being committed against American and allied service personnel by the Government of Iraq that are in clear violation of the Geneva Conventions relative to the treatment of prisoners of war; and be it further

Resolved, That the Legislature of the State of California respectfully memorializes the President of the United States of America, in his commitment in sending our troops into battle, and creating a new generation of veterans of foreign wars, be equally committed to providing for their health care needs, caring for their family support needs, and all the other attendant needs that they will experience as a result of war; and be it further

Resolved, That the Secretary of the Senate transmit copies of this

resolution to the President and Vice President of the United States, and each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 4

Senate Joint Resolution No. 6—Relative to Iraqi missile attacks on Israel.

[Filed with Secretary of State February 5, 1991.]

WHEREAS, Iraq has targeted noncombatants in civilian centers in Israel without regard for loss of life by noncombatants; and

WHEREAS, Israel is not a party to the United Nations efforts to free Kuwait from the invading armies of Iraq; and

WHEREAS, It is a moral and historical outrage that some 50 years after the Holocaust the sons and daughters and grandchildren of Holocaust survivors are forced to wear gas masks in the very land that was created to keep them safe; and

WHEREAS, The attack by Iraqi missiles on Israel is a cynical attempt by Iraq to expand these United Nations efforts into a war with Israel in order to divide the global alliance responding to the United Nations' resolution to free Kuwait from the Iraqi occupation; and

WHEREAS, Every nation which is subjected to unprovoked attack has a right to respond to that attack; and

WHEREAS, Israel is committed to peace in the Middle East, now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California condemns and expresses its outrage at the missile attacks on Israel and its civilian population by Iraq, and calls upon Iraq to immediately halt indiscriminate and unprovoked military assaults on the people of Israel; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 5

Senate Concurrent Resolution No. 15—Relative to Parent Teacher Association Month.

[Filed with Secretary of State February 5, 1991.]

WHEREAS, The California State Parent Teacher Association (PTA) is the oldest and largest child advocacy organization in the state; and

WHEREAS, Since its founding in 1897, the PTA has worked to improve the education and well-being of all children and youth; and

WHEREAS, The California State PTA assists parents in developing the skills they need to nurture their children; and

WHEREAS, The California State PTA has a long history of helping parents and teachers to make a difference in the lives of all children; and

WHEREAS, Studies have proven that parent involvement leads to better education of children and youth; and

WHEREAS, The California State PTA actively supports and promotes parent and public involvement in the schools and in the community; and

WHEREAS, The California State PTA is dedicated to promoting public policies that improve the well-being of all children and youth; and

WHEREAS, PTA Founders Day has been celebrated on February 17 since its founding in 1897; now, therefore, be it

Resolved, That February 1991 be designated Parent Teacher Association Month in California; and be it further

Resolved, That all citizens be encouraged to learn how they can be involved in improving education and the quality of life for all children.

RESOLUTION CHAPTER 6

Assembly Joint Resolution No. 11—Relative to the Iraq-Kuwait war.

[Filed with Secretary of State February 15, 1991.]

WHEREAS, Saddam Hussein, the military dictator of Iraq, is a murderous tyrant bent on the violent conquest and domination of his Arab neighbors, who further seeks to determine the future of Israel and the Middle East as a whole; and

WHEREAS, The brutal character of this man, Saddam Hussein, first became evident when, as a 14-year old boy, he killed his first person; years later, after his rise to power, he ordered his troops to exterminate Kurdish villagers of his own nation, mercilessly slaughtering thousands of innocent civilians with poison gas; and

WHEREAS, In July of 1990, Saddam Hussein, after amassing thousands of his troops on the border of his neighbor, Kuwait, assured the world that he had no designs on his neighbor; yet, only days after making those assurances, did, in fact, on August 2, 1990, ruthlessly

invade this tiny, defenseless country, sending his tanks and army into the streets of Kuwait City, in order to annex his neighbor and seize vast reserves of petroleum and the property of the people of Kuwait, thereby shattering their precious right to live, work, and raise their children in peace and security; and

WHEREAS, Saddam Hussein, through the troops under his command in Kuwait, is responsible for unspeakable acts of savagery, and has torn babies from their incubators and shot children in front of the eyes of their helpless parents; and

WHEREAS, With 530,000 troops lodged in southern Iraq and Kuwait, Saddam Hussein posed and continues to pose an ominous threat to the Saudi Kingdom and world peace; and

WHEREAS, On August 7, 1990, in response to this naked aggression and in order to prevent the further invasion which was imminent, the President of the United States ordered American troops into Saudi Arabia to establish a "Desert Shield" of defense; and

WHEREAS, It became clear to virtually all of the civilized world, including Iraq's Arab neighbors, that Saddam Hussein, being in possession of chemical, biological, and other weapons of mass destruction, was also seeking nuclear capability; that, in addition to outright subjugation of any vulnerable neighbor, his clear design was to gain decisive leverage over world oil markets, thus threatening the stability of world peace and all free peoples; and

WHEREAS, For the first time in history, this recognition brought about the coming together and mutual resolve of the United States, the Soviet Union, and the United Nations, which, through its Security Council, demanded the unconditional withdrawal of Iraq and the restoration of the legitimate government of Kuwait; and

WHEREAS, The United Nations did further authorize the use of military force against Iraq if it refused to comply by January 15, 1991, and, in the interim, the world body did further establish a financial and trade embargo and blockade of Iraq, in an attempt to bring about the peaceful end of Iraq's occupation and aggression; and

WHEREAS, President George Bush initiated reasonable means to seek the peaceful adherence of Iraq to the United Nations' resolutions, only to be rebuffed by a determined and intransigent Saddam Hussein; and

WHEREAS, The Congress of the United States, after three days of open, somber debate, did, on January 12, 1991, grant to the President the authority to take any action he saw necessary, including the commitment of U.S. forces into combat, to bring about the compliance by Iraq to the United Nations' resolutions, after the January 15 deadline has passed; and

WHEREAS, On January 14, the diplomatic tether reached its end when U.N. Secretary-General Javier Perez de Cuellar could not persuade President Saddam Hussein to begin a pullout of Kuwait by January 15; and

WHEREAS, On January 16, after five and one-half months of economic sanctions and diplomatic efforts, Saddam Hussein had

refused to withdraw and the liberation of Kuwait had begun; with the authorization of Congress, the President ordered U.S. forces, in conjunction with our Arab and European allies, to unleash a massive bombing attack in an effort to force Iraqi armed forces from occupied Kuwait; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That we take to heart these words that were indelibly spoken two decades ago by President John F. Kennedy, that, "we will bear any burden, pay any price, meet any hardship, support any friend, oppose any foe, to assure the survival and the success of liberty"; and be it further

Resolved, That this Legislature supports the resolute actions taken by President George Bush in pursuit of a policy crucial to the peace of the world; and be it further

Resolved, That this Legislature condemns the brutal and unprovoked attacks on the State of Israel by Saddam Hussein, causing enormous suffering and death to innocent Israeli men, women, and children; and be it further

Resolved, With great pride, we—the people of California—do rightfully and dutifully honor those patriotic young men and women of our armed forces who are carrying out their mission with professional excellence and exemplary bravery, so that others might be free and that world peace will be assured; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 7

Assembly Joint Resolution No. 8—Relative to Lithuania.

[Filed with Secretary of State February 20, 1991.]

WHEREAS, On January 13, 1991, the army of the Union of Soviet Socialist Republics launched a severe and unprovoked assault on the independent state of Lithuania; and

WHEREAS, This attack has reportedly killed many Lithuanian citizens and injured over 100 persons; and

WHEREAS, The use of military troops to forcibly impose the will of the Soviet central government on citizens otherwise lawfully engaged in peaceful activities is totally contrary to the basic principles and goals of perestroika, glasnost, and democracy; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the California Legislature respectfully memorializes the

President and Congress of the United States to likewise condemn the brutal predawn assault on the citizens of Lithuania that occurred on January 13, 1991, and to carefully review all forms of United States assistance presently being given to the Union of Soviet Socialist Republics; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 8

Assembly Joint Resolution No. 13—Relative to economic damage to crops caused by freezing temperatures.

[Filed with Secretary of State February 22, 1991.]

WHEREAS, The recent freeze during December 1990, and January 1991, was the third worst natural disaster that ever occurred in the State of California with respect to the economy of this state, ranking behind the 1906 San Francisco and Loma Prieta earthquakes; and

WHEREAS, This record freeze was unique since it consisted of low temperatures for an extended period of time. In many locations of the state the temperatures dropped below 20 degrees Fahrenheit and remained at those temperatures for seven consecutive days; and

WHEREAS, This caused extensive damage to the agricultural industry in the state with the loss of crops alone estimated to be in a range between $750 and $900 million and could reach as high as $1.3 billion; and

WHEREAS, The freezing temperatures affected many crops in the state. The most severely damaged crops were: navel and valencia oranges, lemons, grapefruit, avocados, strawberries, melons, sugar beets, broccoli, cauliflower, artichokes, winter vegetables, flowers, and nursery stocks; and

WHEREAS, The freeze caused extensive damage to citrus budwood, which impacts the ability of nurseries to produce trees for replanting for orchards of the affected areas, especially young orchards where extensive replanting will be required; and

WHEREAS, New trees will take five to seven years of growth before they reach full production, and lemon trees that sustained heavy damage will take three to five years to recover from the freeze; and

WHEREAS, In addition to the loss of crops on the trees and in fields, producers of agricultural products incurred significant energy expenses and capital losses from damage to irrigation systems and

equipment breakdowns; and

WHEREAS, The damage to the agricultural industry had the effect of causing the unemployment of approximately 15,000 skilled, full-time workers and economic depression in many rural counties of the state whose residents depend heavily on agriculture as their primary source of income; and

WHEREAS, The families in those areas, with already marginal incomes, will have to make decisions to either purchase food or pay for housing and utilities; now, therefore, be it

Resolved by the Assembly and the Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorialize the President and Congress of the United States to enact legislation to appropriate the necessary funds to the Agricultural Stabilization and Conservation Service to provide relief to the producers of agricultural products affected by the recent freeze in this state; and be it further

Resolved, That funds be allocated to the Secretary of Agriculture to make grants available for providing emergency services to low-income migrant and seasonal farmworkers; and be it further

Resolved, That funds be allocated to the Secretary of Agriculture to provide emergency crop assistance to eligible producers of agricultural products in the State of California pursuant to the Food, Agriculture, Conservation and Trade Act of 1990 (P.L. 101-624); and be it further

Resolved, That Section 2272 of the Food, Agriculture, Conservation and Trade Act of 1990 should not apply with regard to those appropriated funds; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the Secretary of Agriculture, to each Senator and Representative from California in the Congress of the United States, and to the Agricultural Stabilization and Conservation Service.

RESOLUTION CHAPTER 9

Assembly Joint Resolution No. 15—Relative to the war against Iraq.

[Filed with Secretary of State February 26, 1991.]

WHEREAS, Over 470,000 American men and women have been uprooted from their families and peacetime careers to sacrifice their time and risk their lives for their country; and

WHEREAS, People of different philosophies and views on the United States government's military policies undertaken in the Persian Gulf nevertheless, unite in respect for the sacrifices suffered by America's men and women serving in Operation Desert Storm;

and

WHEREAS, Those sacrifices also are borne stateside by military dependents whose reservist parents were called to active duty, and who were forced to leave behind their children, often with inadequate child care; and

WHEREAS, The veterans returning from Operation Desert Storm deserve the appreciation of their government in the form of improved opportunities in housing, education, and health care; and

WHEREAS, The veterans of this war deserve not only praise today, but the benefits of important services now, and when they return home from battle; now, therefore, be it

Resolved, by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California proclaims its commitment to honor the individual men and women who will return as veterans of Operation Desert Storm; and be it further

Resolved, That the Legislature hereby states its commitment to pursue, and urges the Congress of the United States to consider enacting, a series of benefits to aid those California residents serving in support of Operation Desert Storm, including, but not limited to:

(1) Provision of child care for military reservists and national guard members while called to active duty away from home.

(2) Eligibility for the CAL-VET home loan program.

(3) Conformity with recently passed federal law by exempting military pay from state income taxation.

(4) Creation of a system to assure adequate health care and counseling for returning veterans.

(5) Waiver of tuition and fees at state colleges and universities for those returning veterans who desire educational advancement; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 10

Assembly Concurrent Resolution No. 16—Relative to Black History Month.

[Filed with Secretary of State February 25, 1991.]

WHEREAS, African American people have participated in the founding and building of our nation and have played a critical role in shaping the economic, cultural, and social fabric of our society; and

WHEREAS, African American people have been leaders in every movement for progressive social change, including their own fight

for emancipation, the struggle to organize labor unions, and the civil rights movement; and

WHEREAS, African American people have consistently demonstrated their patriotism and loyalty to this country and have fought in every American war, often in segregated units, from the Revolutionary War to the Vietnam War, where nearly 275,000 African Americans served in the military; and

WHEREAS, Black History Month is not only a call to acknowledge the outstanding African Americans whose names we know, but also a call to pay homage to the many African Americans who have anonymously shaped our collective past and our future; and

WHEREAS, The celebration of Black History Month will provide an opportunity for schools and communities to focus attention on the heritage of African American contributions to the United States and the State of California, and for students, in particular, to benefit from an awareness of these contributions; and

WHEREAS, Carter Goodwin Woodson, an African American historian, recognized these accomplishments and, on February 7, 1916, organized one of the cultural landmarks of contemporary America, "Negro History Week"; and

WHEREAS, In the 1960's, during the height of the Civil Rights movement, the observance of "Negro History Week" was expanded to "Black History Month"; and

WHEREAS, Innumerable African Americans have contributed to the history of California, including the first African American elected to the Legislature, former Assemblyman Frederick Roberts, who served his constituents from 1918 to 1934; and

WHEREAS, California was among the first states to commemorate the birthday of one of America's great leaders, Martin Luther King, Jr.; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California takes pleasure in honoring the contributions of African American people, and proclaims the month of February 1991 as Black History Month; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the author for appropriate distribution.

RESOLUTION CHAPTER 11

Assembly Concurrent Resolution No. 15—Relative to Women's History Month.

[Filed with Secretary of State March 4, 1991.]

WHEREAS, American women of every class and ethnic background have participated in the founding and building of our

nation and have played a critical role in shaping the economic, cultural, and social fabric of our society, not in the least of ways through their participation in the labor force, working both inside and outside of the home; and

WHEREAS, Women have been leaders in every movement for progressive social change, including their own suffrage movement, the fight for emancipation, the struggle to organize labor unions, and the civil rights movement; and

WHEREAS, Despite these contributions, the role of American women in history has been consistently overlooked and undervalued; and

WHEREAS, The celebration of Women's History Month will provide an opportunity for schools and communities to focus attention on the heritage of women's contributions to the United States and the State of California, and for students, in particular, to benefit from an awareness of these contributions; and

WHEREAS, Women's History Month will include International Women's Day, March 8, originally proclaimed in 1910 to recognize and commemorate the valuable contributions women have made to the labor movement in improving working conditions and thus bettering peoples' lives; and

WHEREAS, The observance of Women's History Week was begun by the Sonoma County Commission on the Status of Women in 1978, and has since been commemorated throughout the nation by schools, historians, and community groups; and

WHEREAS, Women's History Month will be not only a call to acknowledge the outstanding American women whose names we know, but also a call to pay homage to the many women who have anonymously shaped our collective past; and

WHEREAS, The strides made by our foremothers have enabled contemporary women and men to make tomorrow's history by advocating an end to physical and sexual assault, discrimination in the work force, and the feminization of poverty, and by advocating the full participation of women in the political arena, the provision of adequate child care, and equal access to all of the opportunities this nation has to offer; and

WHEREAS, Women's History Month will recognize the success of women and highlight their accomplishments considering the changing roles and conditions of women in California, and will counter barriers to full and equal participation in California life for women; and

WHEREAS, Because of the significance and scope of women's roles in making history and shaping American culture and society, it is important that the State of California recognize the many contributions of women; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California takes pleasure in joining with the Sonoma County Commission on the Status of Women and the California Commission on the Status of

Women in honoring the contributions of women, and designates the month of March 1991 as Women's History Month; and be it further

Resolved, That the Legislature urges all Californians to join in the celebration of International Women's Day on March 8, 1991, and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the Chair of the Sonoma County Commission on the Status of Women and to the Chair of the California Commission on the Status of Women for distribution to appropriate organizations.

RESOLUTION CHAPTER 12

Senate Concurrent Resolution No. 14—Relative to courthouse financing and construction.

[Filed with Secretary of State March 19, 1991.]

WHEREAS, The judicial branch of state government provides a great number of necessary and vital services to the people of California; and

WHEREAS, There is a significant and growing need to construct and finance new court facilities to serve the judicial needs of the people of California; and

WHEREAS, It is recognized that existing court facilities may not be adequate to allow efficient and timely processing of pending and anticipated caseloads; and

WHEREAS, Before courthouses are built, careful research and planning are essential to ensure that space allocations and designs reflect current and future court requirements; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Joint Committee on Courthouse Financing and Construction is hereby established; and be it further

Resolved, That, pursuant to Joint Rule 36.5, the Joint Committee on Courthouse Financing and Construction shall consist of three Members of the Senate, appointed by the Senate Committee on Rules, and three Members of the Assembly, appointed by the Speaker of the Assembly; and be it further

Resolved, That the Joint Committee on Courthouse Financing and Construction and its members shall have and exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to the joint committee and its members; and be it further

Resolved, That the Senate Committee on Rules may make money available from the Contingent Fund of the Senate as it deems necessary for the expenses of the Joint Committee on Courthouse

Financing and Construction and its members. Any expenditure of money by the joint committee shall be made in compliance with policies set forth by the Senate Committee on Rules and shall be subject to the approval of the Senate Committee on Rules; and be it further

Resolved, That the Joint Committee on Courthouse Financing and Construction shall, within 15 days of its authorization, and annually thereafter, present its annual budget to the Joint Committee on Rules for its review and comment; and be it further

Resolved, That, on or before June 30, 1991, the Joint Committee on Courthouse Financing and Construction shall report to the Legislature as to the status of courthouse construction within the state and the methods available to finance courthouse construction within the state; and be it further

Resolved, That the Joint Committee on Courthouse Financing and Construction is authorized to act until June 30, 1991, and as of that date shall cease to exist.

RESOLUTION CHAPTER 13

Assembly Joint Resolution No. 18—Relative to equal treatment of Arab Americans.

[Filed with Secretary of State March 20, 1991.]

WHEREAS, The United States, in conjunction with Arab and European allies, unleashed a massive bombing attack on Iraqi armed forces in Iraq and occupied Kuwait on January 16, 1991; and

WHEREAS, Thousands of Americans of Arab descent live in the United States as American citizens; and

WHEREAS, Many Iraqi Americans now residing in the United States fled the brutality and persecution instigated by the Hussein regime; and

WHEREAS, Many Americans of Arab descent are now fighting in the United States armed forces against Iraq; and

WHEREAS, Hate crimes and other forms of harassment against Arab Americans have increased 25-fold since the beginning of the Iraq-Kuwait crisis; and

WHEREAS, Incidents of antisemitic vandalism and harassment of Jewish Americans have also dramatically increased since the beginning of the Iraq-Kuwait Crisis; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That it supports equal treatment of all Americans, regardless of race, ethnicity, or religion; and be it further

Resolved, That this Legislature condemns any form of physical or emotional harassment of Arab Americans, Jewish Americans, and other groups; and be it further

Resolved, That the Legislature of the State of California respectfully memorializes the President of the United States and the Congress of the United States to publicly denounce the disturbing and unjustified acts of harassment and violence committed against Arab Americans, Jewish Americans, and other groups; and be it further

Resolved, That the Legislature calls upon the people of the State of California to set a lofty example for the rest of the nation and the world to follow by honoring and respecting the free exercise of each individual's rights and privileges, regardless of race, ethnicity, or religion; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 14

Assembly Concurrent Resolution No. 9—Relative to Earthquake Preparedness Month.

[Filed with Secretary of State March 22, 1991.]

WHEREAS, In the past decade, northern, central, and southern California have all been impacted by the devastating effects of a major earthquake; and

WHEREAS, Most seismologists predict that there will be a major earthquake somewhere in California in the coming decades; and

WHEREAS, A primary means for minimizing the risks of injury and loss of life and damage to property is to make the public aware of all possible earthquake safety measures and precautions; and

WHEREAS, A cooperative effort between the Legislature and the state and local governments will be most effective in developing that public awareness; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature hereby proclaims the month of April 1991, as California Earthquake Preparedness Month and urges all Californians to engage in appropriate earthquake safety-related activities during that month; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the Governor, the Seismic Safety Commission, the Office of Emergency Services, each county board of supervisors, and city council in the state.

RESOLUTION CHAPTER 15

Assembly Concurrent Resolution No. 11—Relative to California Holocaust Memorial Week.

[Filed with Secretary of State March 22, 1991.]

WHEREAS, More than 50 years have passed since the tragic events which we now call the Holocaust transpired in which the dictatorship of Nazi Germany murdered six million Jews as part of a systematic program of genocide; and

WHEREAS, The Holcaust was a tragedy of proportions the world had never before witnessed; and

WHEREAS, We must be reminded of the reality of the Holocaust's horrors so they will never be repeated; and

WHEREAS, 1991 holds special significance with the reunification efforts between East and West Germany as well as renewed cooperation between Eastern and Western Europe as a whole; and

WHEREAS, Each person in the State of California should set aside moments of their time every year to give remembrance to those who lost their lives in the Holocaust; and

WHEREAS, The United States Holocaust Memorial Council has designated the week of April 7 through April 14, 1991, as Holocaust Memorial Week-Days of Remembrance for Victims of the Holocaust; and

WHEREAS, April 11, 1991, is Yom HaSho'ah, and it has been designated internationally as a day of remembrance for victims of the Holocaust; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the week of April 7 through April 14, 1991, be proclaimed as California Holocaust Memorial Week, and that Californians are urged to observe these Days of Remembrance for Victims of the Holocaust in an appropriate manner; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the author for appropriate distribution.

RESOLUTION CHAPTER 16

Assembly Concurrent Resolution No. 22—Relative to Adult Education Week.

[Filed with Secretary of State March 22, 1991.]

WHEREAS, The mission of California public adult education is to provide lifelong educational opportunities and services to address the needs of a society impacted by rapid technological, economic, and social change; and

WHEREAS, Adult education as delivered by school districts and

community colleges has been a permanent and valued service to millions of Californians seeking a second chance for a high school education, occupational training, and other education services; and

WHEREAS, Some 1.8 million adults and 224,000 youth are served each year by adult education programs throughout the state; and

WHEREAS, Public adult education has a 200-year history of being the primary educational provider for immigrant and minority adults seeking to become productive members of a new society; and

WHEREAS, California public adult education contributes significantly to the reduction of vandalism and other crimes by providing day and evening, academic and vocational training programs for a segment of the public that does not, or could not, aspire to higher education; and

WHEREAS, Every year, more than 500,000 immigrants from numerous countries seek out adult education classes to learn the English language and gain an understanding of the political, economic, and social systems that direct our democratic form of government; and

WHEREAS, California adult education is the segment of public education assigned the historic mission of serving the needs of disadvantaged adults in becoming economically self-sufficient; and

WHEREAS, Thousands of persons trapped by circumstances in the welfare cycle have found self-sufficiency through basic education classes, job-entry skill training, and job placement through attendance in adult education courses; and

WHEREAS, Over the last nine years alone, more than 2,000,000 adult education students in California obtained job skills by attending public adult education vocational training programs; and

WHEREAS, More than 756,000 adults with physical and mental disabilities obtained job skills training in basic education classes for disadvantaged adults offered by California public adult education between 1980 and 1990; and

WHEREAS, California public adult education accounts for only 3 percent of the total K–14 public school budget, as it has for 60 years, and only .07 percent of the total public education budget (including postsecondary institutions); and

WHEREAS, California public adult education has a proven history of being innovative, flexible, and responsive in serving the communities fortunate enough to have established an adult education program before 1979, when prohibitive legislation precluded funding for additional programs; and

WHEREAS, More than 50 percent of primary wage earners in California find it necessary to change careers four or more times during their lifetimes and need retraining to remain employable; and

WHEREAS, The California State Legislature supports public adult education by finding and declaring "that adult continuing education is essential to the needs of society in an era of rapid technological, economic, and social change and that all adults in California are

entitled to quality publicly supported continuing education opportunity..." (Section 8500 of the California Education Code); now therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature hereby proclaims the week of March 11–15, 1991, as Adult Education Week, to provide an opportunity for the citizens of California to become aware of the need to continue the valuable services provided by public adult education in the State of California; and be it further

Resolved, That the Chief Clerk of the Assembly transmit this resolution to the Governor of the State of California.

RESOLUTION CHAPTER 17

Assembly Concurrent Resolution No. 39—Relative to California Agriculture Day.

[Filed with Secretary of State March 22, 1991.]

WHEREAS, California agriculture is a $17.8 billion a year industry, making the "Golden State" the number one agricultural state in the nation; and

WHEREAS, California's men and women who farm and ranch, and the farm workers who do the harvesting, provide the public with the most bountiful, nutritious, and safest food in the world; and

WHEREAS, The public is often unaware of agriculture's vital role in their daily lives; and

WHEREAS, California foods contribute significantly to our high standard of living by providing food at affordable prices; and

WHEREAS, Only 10 percent of our disposable income is spent on food, and that is the lowest amount of any country in the entire world; and

WHEREAS, California agriculture is suffering billion dollar losses due to back-to-back natural disasters, namely the record December 1990 freeze and a five-year drought; and

WHEREAS, The public should more fully understand the important contribution that California agriculture makes to the prosperity of the state, especially in these times of natural disaster; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California declares Thursday, March 21, 1991, as "California Agriculture Day"; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the Governor and the Director of Food and Agriculture.

RESOLUTION CHAPTER 18

Senate Concurrent Resolution No. 13—Relative to the Joint Committee on Energy Regulation and the Environment.

[Filed with Secretary of State March 22, 1991.]

WHEREAS, The Legislature finds and declares that the state's energy development and conservation sectors are critical to the health and welfare of California's economy and environment; and

WHEREAS, Since its inception in 1975, the State Energy Resources Conservation and Development Commission (Energy Commission) has been given extensive responsibilities by the Legislature with regard to powerplant siting, energy supply and demand forecasting, energy conservation, and alternative energy technology development; and

WHEREAS, The Energy Commission shares responsibility for energy-related functions with over 20 other state governmental agencies, departments, offices, boards, and commissions, including, but not limited to, the Public Utilities Commission, the Environmental Affairs Agency, the Department of General Services, the Energy Extension Service, the Department of Conservation, the State Lands Commission, the California Integrated Waste Management Board, the California Alternative Energy Source Financing Authority, the Department of Water Resources, the State Water Resources Control Board, and the State Air Resources Board, which has resulted in significant fragmentation, duplication, overlap, and confusion in the formulation and execution of state energy-related functions; and

WHEREAS, Emerging energy-related issues facing the state in the 21st century, not fully contemplated at the time the Energy Commission was established, need to be examined more fully, particularly in the areas of air quality, transportation, and other environmental management issues; and

WHEREAS, In its most recent biennial report to the Governor and the Legislature on California's Energy Outlook, the Energy Commission recommended that California's current energy-related functions be examined and evaluated with a view towards possible reform; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, as follows:

(1) The Joint Committee on Energy Regulation and the Environment, which was created by Resolution Chapter 20 of the Statutes of 1989, may act during the 1991–92 Regular Session of the Legislature, including any recess, until June 30, 1991.

(2) The Senate Committee on Rules may make money available from the Senate Contingent Fund for expenses of the committee and its members and staff. Any expenditure of money shall be made in compliance with policies set forth by the Senate Committee on Rules

and shall be subject to the approval of the rules committee. The joint committee shall, within 15 calendar days following the adoption of this measure, present its budget to the Joint Rules Committee for its review and comment.

RESOLUTION CHAPTER 19

Senate Concurrent Resolution No. 23—Relative to Workers' Memorial Day.

[Filed with Secretary of State April 10, 1991.]

WHEREAS, April 28, 1989, was proclaimed the first Workers' Memorial Day; and

WHEREAS, American workers continue to suffer as the toll of work-related injuries, illnesses, and deaths rises; and

WHEREAS, Americans honor and pay tribute to victims of workplace hazards on the 28th of April in ceremonies sponsored by unions and other organizations; and

WHEREAS, Occupational safety and health programs have endured reductions in funding for enforcement and technical staff both federally and in California in recent years, resulting in significant increases in work-related injuries and deaths here and nationwide; and

WHEREAS, Coordinated services and activities to commemorate the loss of Americans to unsafe workplaces have already strengthened employment safeguards and protected the cause of the dedicated American worker; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That April 28, 1991, be proclaimed Workers' Memorial Day in California; and be it further

Resolved, That Californians be encouraged to observe the day in an appropriate manner.

RESOLUTION CHAPTER 20

Senate Concurrent Resolution No. 6—Relative to the Joint Committee on the State's Economy.

[Filed with Secretary of State April 12, 1991.]

Resolved by the Senate of the State of California, the Assembly thereof concurring, as follows:

(1) Notwithstanding any prior concurrent resolution affecting these committees, the Joint Committee on the State's Economy and the advisory committees authorized to be established pursuant to

Resolution Chapter 4 of the Statutes of 1980 are continued in existence through June 30, 1991.

(2) The Joint Committee on the State's Economy shall continue to have the powers and duties granted and imposed by the resolutions creating and continuing it.

(3) The Senate Committee on Rules or the Assembly Committee on Rules may make such money available from the operating funds under their direction and control as they deem necessary for expenses of the committee and its members. Any expenditure of money shall be made in compliance with policies set forth by the rules committee making the money available and shall be subject to the approval of that rules committee. The committee shall, within 15 calendar days following the adoption of this measure and annually thereafter, present its annual budget to the Joint Rules Committee for its review and comment.

RESOLUTION CHAPTER 21

Senate Concurrent Resolution No. 25—Relative to Child Passenger Safety Week.

[Filed with Secretary of State April 12, 1991.]

WHEREAS, The number one preventable cause of death and injury of children and young adults is automobile collisions; and

WHEREAS, Approximately 200 children under the age of 16 years are killed and over 20,000 are injured in automobile collisions each year in California; and

WHEREAS, Approximately 71 percent of these children would be alive today if they had been properly restrained in crash-tested car safety seats or safety belts; and

WHEREAS, Infants and young children are not capable of independently operating child passenger safety seats or manual seatbelts, and are not adequately protected by automatic seatbelts or air bags; and

WHEREAS, Crash-tested safety seats are moderately priced and widely available for purchase at retail stores for a low cost, or for rent at low or no cost from car safety seat loaner programs throughout California; and

WHEREAS, Existing law requires that a child, who is under the age of four years or under 40 pounds, be restrained in a child safety seat when riding in a passenger vehicle or motortruck under 6,001 pounds, and requires that all other occupants use available safety belts; and

WHEREAS, One of the goals of the California Legislature is to help ensure the right of every child to be protected from injury or death while being transported in a motor vehicle; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the week of April 28, 1991, to May 4, 1991, be declared Child Passenger Safety Week.

RESOLUTION CHAPTER 22

Assembly Joint Resolution No. 17—Relative to postsecondary education.

[Filed with Secretary of State April 22, 1991.]

WHEREAS, California has a longstanding policy commitment to ensure that every person wishing to benefit from higher education would have access to an education through the California Community Colleges, regardless of how he or she fares in high school; and

WHEREAS, California's commitment to an accessible community college system was institutionalized in the comprehensive 1960 Master Plan for Higher Education, and has been repeatedly reaffirmed and reinvigorated in periodic reviews of the Master Plan; and

WHEREAS, California law prohibits a community college from denying any student access to the institution based on the results of a standardized test; and

WHEREAS, California law further establishes a student matriculation process which serves as an effective means for assessing a student's ability to benefit from higher education and providing that student with necessary guidance counseling; and

WHEREAS, Public Law 101-508 and implementing regulations of the United States Department of Education require all students at colleges and universities to possess a high school diploma, or its equivalent, or pass an independently administered standardized exam approved by the department; and

WHEREAS, Any college which does not comply with these regulations will lose all eligibility for federal funding under Title IV of the Higher Education Act; and

WHEREAS, As a result of these regulations, nearly 136,000 first-time community college students would have to be tested annually in California, and a disproportionate number of these students come from an ethnic and economic status for whom the community colleges represent true economic opportunity; and

WHEREAS, Communities of color are rapidly becoming the majority in the state and a large percentage of these are Latino, African-American, and other minorities; and

WHEREAS, The high school completion rate for Latinos and African-Americans is a mere 54 percent and almost 60 percent of all Latinos in postsecondary education are enrolled at community

colleges; and

WHEREAS, California's 107 community colleges could lose more than $271 million in federal aid, including $151 million in direct aid to financially eligible students, if they are unable to comply with the new federal policy; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California memorializes the President and the Congress of the United States, to immediately set aside the Department of Education regulations conditioning institutional eligibility for federal postsecondary education aid upon the possession of a high school diploma or passage of a standardized test by all students at an educational institution; and be it further

Resolved, That the California Legislature further memorializes the Congress to expeditiously pass, and the President to sign, legislation allowing California to maintain its commitment to ensuring access to higher education through the community colleges free of any federally imposed admissions test; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, the Secretary of Education, the Speaker of the House of Representatives, and each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 23

Assembly Joint Resolution No. 27—Relative to North American free trade agreement negotiations.

[Filed with Secretary of State April 22, 1991.]

WHEREAS, Total trade between the United States and Mexico is estimated to be over $60 billion in 1990. Mexico is the third largest market for U.S. exports, after Canada and Japan. The United States buys approximately 70 percent of Mexico's exports making this country Mexico's most important customer; and

WHEREAS, The creation of a North American "common market" would serve to further liberalize the trading system for the promotion of greater opportunities for employment and economic growth in the United States; and

WHEREAS, Beginning in the spring of 1991, negotiations are set to begin between President George Bush and President Carlos Salinas de Gortari of Mexico for a comprehensive bilateral free trade agreement and the agreement may partially or wholly include Canada; and

WHEREAS, The implementation of, and adherence to, adequate health, occupational safety and environmental quality standards is an essential part of any true and fair trade liberalization agreement; and

WHEREAS, A recent Public Broadcasting System documentary by Bill Moyers portrayed extensive environmental damage caused by intensive industrial development in Pacific Rim nations. This report identified United States and Taiwan business firms who imported batteries into Taiwan for the sole purpose of recycling the lead. This investigative report noted the unhealthy levels of lead in the blood samples of the workers and the workplace; and

WHEREAS, Mexico's Maquiladora industry has been a net generator of foreign exchange and of overall economic development for Mexico and has afforded several benefits for United States firms in terms of reduced costs and, thus, a boost to competitiveness in the global market; and

WHEREAS, There have been several concerns recently with regard to the social costs associated with the economic benefits achieved by the two countries involved in the zone of Maquiladora activity; and

WHEREAS, The treatment of hazardous waste byproducts associated with manufacturing operations at Maquiladora factories is one major concern. Existing statutes governing the area require that those byproducts be transported back into the United States for appropriate disposal. United States Environmental Protection Agency documents suggest that much of the waste is remaining in Mexico, some of which appears later in rivers flowing across the border into the United States; and

WHEREAS, An additional social cost of Maquiladora activity is its dependency on a low-wage labor force and the conditions under which they work. Recent investigations noted that employees were working at an average hourly wage of twenty-five cents ($0.25) per hour and that little or no attention was given to minimum occupational noise and worker health and safety standards; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature respectfully memorializes the President and the Congress of the United States to support the liberalization of trade and the creation of a North American Common Market only at the time that appropriate measures are taken to ensure the health and safety of workers in the free trade area and to ensure that adequate environmental quality standards are observed; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 24

Assembly Concurrent Resolution No. 19—Relative to proclaiming Southeast Asia Genocide Remembrance Week.

[Filed with Secretary of State April 23, 1991.]

WHEREAS, The genocide which is occurring in the Southeast Asian countries of Cambodia, Vietnam, and Laos following their fall to Communist forces in April 1975 is a human tragedy of immense proportions; and

WHEREAS, After the fall of Cambodia, millions of Cambodians were forcibly taken from their homes and put in concentration camps set up by the Khmer Rouge; and

WHEREAS, The Khmer Rouge executed all former government officials, military personnel, civil servants, professionals, and other educated persons; and

WHEREAS, Millions of Cambodians died of starvation in these concentration camps; and

WHEREAS, After the fall of South Vietnam to the Communists in 1975, the Communists began to methodically execute former government officials, civil servants, and military personnel; and

WHEREAS, Tens of thousands of Vietnamese patriots have been executed since 1975; and

WHEREAS, The Communist government of Laos is reportedly conducting chemical warfare against indigenous Hmong tribesmen; and

WHEREAS, The Surgeon General of the United States Department of the Army conducted an exhaustive study which confirmed the chemical warfare being conducted by the Communist government of Laos; and

WHEREAS, Amnesty International has determined that between 1.2 million and 2.5 million Cambodian, Vietnamese, and Laotian people have perished in this genocide since 1975; and

WHEREAS, The Southeast Asia Genocide is continuing today in these countries, as evidenced by the thousands of refugees fleeing from these countries each month; and

WHEREAS, The world must be made aware of the terrible reality and tragedy of the Southeast Asia Genocide so that it will be stopped; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the week of April 28 through May 4, 1991, is hereby proclaimed Southeast Asia Genocide Remembrance Week; and be it further

Resolved, That the Legislature urges all Californians to learn more about the Southeast Asia Genocide and to participate in the activities of Southeast Asia Genocide Remembrance Week; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the author for appropriate distribution.

RESOLUTION CHAPTER 25

Assembly Joint Resolution No. 20—Relative to the Persian Gulf War.

[Filed with Secretary of State April 23, 1991.]

WHEREAS, Californians, with all other Americans, share the goal of a peaceful world, free of war; and

WHEREAS, California is home to thousands of soldiers, sailors, Air Force personnel, and Marines currently in the Middle East; and

WHEREAS, Californians support all the troops in the Persian Gulf, and especially the volunteer troops; and

WHEREAS, The volunteer fighting force in the Persian Gulf is disproportionately composed of African-Americans and Latinos; and

WHEREAS, Of the women deployed to the Persian Gulf, the majority are African-American women and Latinas; and

WHEREAS, African-Americans, Latinos, and other people of color in the United States should be provided equal access to housing, health care, education, and economic opportunities; and

WHEREAS, A strong Civil Rights Act is necessary and in the best interests of all Californians; and

WHEREAS, African-Americans and Latinos continue to join the armed forces at a greater rate than nonminorities—they join out of a desire to serve their country, and as a way out of poverty; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President of the United States of America, in his commitment to the war in the Persian Gulf, which will result in the creation of a new generation of minority veterans of foreign wars in disproportionate amounts to their numbers in the general population, to be equally committed to providing all veterans with economic, educational, and vocational opportunities, to funding necessary social service programs, and to supporting the human rights struggles of all peoples, including peoples of the Third World and Eastern Europe; and be it further

Resolved, That the Legislature of the State of California respectfully memorializes the President and Congress of the United States to enact federal legislation that would provide support to the families of the troops, and that would provide educational opportunities for all veterans of Operation Desert Storm so that they can achieve their educational goals; and be it further

Resolved, That the Legislature of the State of California urges the Congress of the United States to pass a strong civil rights bill, and respectfully memorializes the President of the United States of America to actively support and sign into law such a bill as a showing of commitment to all persons serving in the Persian Gulf; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the United States House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 26

Assembly Joint Resolution No. 23—Relative to Operation Desert Storm.

[Filed with Secretary of State April 23, 1991.]

WHEREAS, On January 16, 1991, President George Bush, in keeping with the United Nations resolution and in conjunction with the Coalition Forces, launched Operation Desert Storm to liberate Kuwait from Iraqi occupation and aggression; and

WHEREAS, On February 27, 1991, only six weeks after commencement of military action and only 100 hours after commencement of the groundwar, the liberation of Kuwait was achieved, and Iraq was decisively defeated, leading to a ceasefire and the announcement by Iraq that it would agree to all terms set forth by the United Nations and the United States to bring about the permanent end of the war; and

WHEREAS, Never in history has a fighting force in the air, and on land and sea, achieved victory so decisively and so rapidly while sustaining so few casualties; and

WHEREAS, All of this came to pass under the resolute leadership of our President, the military acumen of General Colin Powell, the brilliant and bold leadership of General Norman Schwartzkopf and the superior logistical skill of Lieutenant General William Pagonis, and the highly professional staff officers who planned and oversaw the magnificent strategy; and

WHEREAS, The leadership, bravery, and skill with which our Armed Forces and our allies fought the war and devastated a strong and battle-tested foe, is unparalleled and unequaled in military history; now, therefore, be it

Resolved, by the Assembly and Senate of the State of California, jointly, That we recognize and honor President George Bush, the men and women of our Armed Forces, its leaders, and the allies of the United States for their liberation of Kuwait, and their swift, decisive defeat of Iraq under the aggressive and brutal regime of military dictator Saddam Hussein; and be it further

Resolved, That this Legislature not only joins families and loved ones in honoring, as well as mourning, for those brave Americans and allies who were wounded and who died as a result of this war, but also extols those same families for their many sacrifices during this

day of crisis; and be it further

Resolved, That we also recognize the people of America, many of whom work in this state, who designed, developed, and built the high technology weaponry which was decisive in the battle by locating and destroying the enemy, while limiting harm to our Armed Forces and those of our allies, and the people of Israel and Saudi Arabia; and be it further

Resolved, That we honor and respect the refusal of the peoples and leaders of Israel to react militarily against the enemy even though they endured death, destruction, and suffering from missiles launched against them; and be it further

Resolved, That a copy of this resolution be sent to President Bush, Generals Powell, Schwartzkopf, and Pagonis, the United States Congress, and that this resolution be made public so that every Californian who has served in the Gulf at any time, from the beginning of this conflict to its conclusion, and their families and loved ones, will know of our resolve and our pride in their gallant service and magnanimous sacrifices.

RESOLUTION CHAPTER 27

Senate Concurrent Resolution No. 28—Relative to California School Lunch Week.

[Filed with Secretary of State April 26, 1991.]

WHEREAS, The week of April 29 to May 3, 1991, has been set aside as California School Lunch Week, and its theme is "Kids and Food—California Grown"; and

WHEREAS, Under the National School Lunch Program and other child food and nutrition programs, more than two million nutritious meals are served daily to the children of California; and

WHEREAS, California is the nation's leading agricultural state, leading the nation in the production of 53 crop and livestock commodities; and

WHEREAS, California's agricultural products have been recognized worldwide for their quality, variety, and abundance; and

WHEREAS, The National School Lunch Program encourages the consumption of these nutritious agricultural commodities by providing affordable meals to our school children; and

WHEREAS, Good nutrition is vital to the health and welfare of our children, and studies have shown that well-nourished children are more attentive and receptive to learning; and

WHEREAS, The California School Food Service Association provides invaluable service to our state's school children, in ensuring healthy and well-balanced meals; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly

thereof concurring, That the Legislature hereby proclaims the week of April 29 to May 3, 1991, as California School Lunch Week, commends the school lunch program as a valuable tool in the educational process, and acknowledges the contributions the agricultural products from California have made to the success of this program.

RESOLUTION CHAPTER 28

Assembly Concurrent Resolution No. 24—Relative to Lake County.

[Filed with Secretary of State April 29, 1991.]

WHEREAS, The State Air Resources Board reviews and classifies the air basins in the state according to whether or not they are in attainment or nonattainment with ambient air quality standards, as required by the California Clean Air Act; and

WHEREAS, Lake County wholly comprises one of the 13 established air basins in California; and

WHEREAS, After three years of verified monitoring, the state board has designated the Lake County Air Quality Management District as having obtained attainment status for all pollutants; and

WHEREAS, Lake County is the only air basin in compliance with all pollution standards, including the two most difficult standards to attain, the respirable particulate standard and the visibility standard of 10 miles; and

WHEREAS, The county and district are especially proud of the combined effort that was made by industry, the public, and the Northern Sonoma County Air Pollution Control District to achieve attainment with respect to hydrogen sulfide in the Geysers geothermal area, while at the same time expanding industrial production; now, therefore, be it

Resolved, by the Assembly of the State of California, the Senate thereof concurring, That Lake County be commended for achieving the highest air quality rating in the state and for its dedicated and consistent efforts to accomplish this coveted designation.

RESOLUTION CHAPTER 29

Assembly Concurrent Resolution No. 40—Relative to California Small Business Week.

[Filed with Secretary of State May 3, 1991.]

WHEREAS, The President of the United States, by proclamation, will designate the week of May 6 through May 12, 1991, as Small Business Week in recognition of the outstanding contributions of the owners of small businesses of this nation; and the President will request the Governor to proclaim the week of May 6 through May 12, 1991, as California Small Business Week; and

WHEREAS, Ninety-five percent of new jobs in California are generated by small business firms; and

WHEREAS, Twenty-seven percent of the fastest growing small public companies and 13 percent of the fastest growing small private companies are in California; and

WHEREAS, More new jobs are created by small businesses than any other sector of our economy; and

WHEREAS, Small businesses are the state's largest employer, employing approximately 10 million people; and

WHEREAS, More than two million of our nations's 17 million small businesses are located in California and employ 55 percent of the state's workers; and

WHEREAS, California's small businesses have a vital role in expanding our state's trade relationships with Pacific Rim countries; and

WHEREAS, Small business people possess the dedication and entrepreneurial spirit to develop and market new technologies, thereby bringing more capital into the business market and further strengthening our economy; and

WHEREAS, The innovation, diversity, competitive strength, job generation, and quality of life which small businesses bring to our economy are vital elements of our state's long-term economic health; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Governor is hereby requested, in conjunction with the national designation thereof, to proclaim the week of May 6, 1991 through May 12, 1991, as California Small Business Week, in special recognition of the contributions which the owners of small businesses have made, and will continue to make, in our state; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Governor of this state.

RESOLUTION CHAPTER 30

Assembly Concurrent Resolution No. 48—Relative to Physical Education and Sports Week and Physical Fitness and Sports Month.

[Filed with Secretary of State May 3, 1991.]

WHEREAS, Physical education in the schools includes a broad range of physical activities and movement experiences; and

WHEREAS, Physical education helps improve the overall health of children by increasing cardiovascular endurance, muscular strength and endurance, flexibility, weight regulation, improved bone development, and improved posture; and

WHEREAS, Physical education helps improve self-image and realization, social development, responsible behavior and independence of children, and constructive use of leisure time; and

WHEREAS, The study of physical education contributes to children's reading readiness, mental alertness, academic performance, and enthusiasm for learning; and

WHEREAS, A quality daily physical education program for all children from kindergarten and grades 1 to 12, inclusive, is an essential part of a comprehensive education; and

WHEREAS, The Youth Fitness Summit, attended by Governor Pete Wilson, Superintendent of Public Instruction, Bill Honig, Members of the Legislature, representatives of the California Association for Health, Physical Education, Recreation and Dance, as well as 10 statewide school and community agencies, focused on the need for physical fitness instruction through physical education, and established a joint coalition to improve youth fitness; and

WHEREAS, The State Department of Education has listed as one of its goals to assist children to attain their optimal physical and intellectual development by providing comprehensive health and physical education programs and services as part of the total instructional program; and

WHEREAS, The American Alliance for Health, Physical Education, Recreation, and Dance and the National Association for Sport and Physical Education have designated May 1–7, 1991, as Physical Education and Sports Week with the theme of "Fit for the Year 2000"; and

WHEREAS, The President's Council on Physical Fitness and Sports has designated May 1991, Physical Fitness and Sports Month; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the California Legislature does hereby endorse the observance of Physical Education and Sports Week during the week of May 1–7, 1991, and Physical Fitness and Sports Month, during the month of May 1991, as opportunities to support the purposes and practices of physical education and encourages teachers, parents, students, and all citizens to participate; and be it further

Resolved, That the California Legislature rededicates itself to the maintenance of quality physical education programs in the State of California that are relevant to the needs of children placed in its care and that will positively influence all children; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Governor of the State of California.

RESOLUTION CHAPTER 31

Assembly Concurrent Resolution No. 2—Relative to California Community Service Day.

[Filed with Secretary of State May 7, 1991.]

WHEREAS, The State of California acknowledges the far-reaching contributions of millions of volunteers, working for the betterment of their communities and the lives of their neighbors; and

WHEREAS, The spirit of contribution, care, and support that is the foundation of volunteer efforts creates hope, vision, and empowerment beyond literal actions or tangible results; and

WHEREAS, The spirit of giving lies within each of us, and the concept of community is a fundamental principle of a vital society, so that it serves each of us to give in community, in relationship with our neighbors; and

WHEREAS, To create our vision, we must act and join others in cooperation to make the world and community that we desire become reality; and

WHEREAS, By establishing a precedent of a vigorous call to action for the world, we create the future of a global community that we desire; and

WHEREAS, Our schools, community centers, parks, churches, senior homes, nursing homes, day-care facilities, homeless shelters, social services of all types, and out neighbors who are in need, will all benefit from our concerted action; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California hereby declares May 4, 1991, as California Community Service Day; and be it further

Resolved, That the Governor is hereby requested to address the people of the state on California Community Service Day to acknowledge local community volunteer efforts, and to encourage all to participate in the spirit of those efforts; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the Governor and the Sterling Community Service Foundation.

RESOLUTION CHAPTER 32

Assembly Concurrent Resolution No. 10—Relative to the Joint Committee on Mental Health Research.

[Filed with Secretary of State May 10, 1991.]

WHEREAS, In California, one million persons, without regard to gender or ethnic background, and their families, are directly affected by serious mental illness; and

WHEREAS, The private and public costs of mental health care, including alcohol and drug abuse services, approach $10 billion annually and are rising at the rate of $1.5 billion annually; and

WHEREAS, A substantial public expenditure on the state and local correctional system and the welfare system is associated with mental illness; and

WHEREAS, Persons with mental illness are at elevated risk for abuse of alcohol and drugs and this combination can make them dangerous to themselves and others; and

WHEREAS, New breakthroughs in technology and in the biomedical, biogenetic, and biochemical sciences have set the stage for productive explorations of the human brain and its interaction with genetic, behavioral, and environmental influences; and

WHEREAS, The State of California has, within its borders, more outstanding scientists and research facilities than any other state or nation in the world, with the capability to undertake coordinated investigations into anomalies of brain function that produce mental illness; and

WHEREAS, The State of California can position itself to take the lead in this new and promising research arena with significant economic benefits to the scientific and bioindustrial community from the influx of research capital; and

WHEREAS, Understanding the underlying biological causes of serious mental illness will pave the way for preventive strategies and treatments which will enable the state for the first time to control and reduce these disorders; and

WHEREAS, The Legislature, recognizing this opportunity for California to stem the tide of human suffering and arrest the cost of serious mental illness, took steps to organize this effort through formation of the Joint Committee on Mental Health Research in 1989; and

WHEREAS, The committee and its advisory panel have diligently met and assessed the current resources, activities, and interests of the scientific and bioindustrial communities in this area of research; and

WHEREAS, The committee, having found the interest to be strong and potential sources of financial support to be available, has developed a blueprint for public-private partnerships between the university research establishment and the biogenetic and pharmaceutical industries, which is contained in the Report of the Joint Committee on Mental Health Research presented by the committee to the Legislature; and

WHEREAS, With the formation of a distinguished and committed advisory panel and with the presentation of this report the committee has vigorously and with distinction discharged the initial responsibility given it by the Legislature; and

WHEREAS, An aggressive stance should continue to be taken by

the Legislature to implement this blueprint expeditiously; and

WHEREAS, The committee was terminated as of January 31, 1991; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Joint Legislative Committee on Mental Health Research is hereby reestablished, and shall have the following powers and duties:

(a) To reappoint the advisory panel, consisting of a representative of the State Department of Mental Health, outstanding business leaders, and consumers who are knowledgeable in the various areas being studied, as well as experts in the research or treatment of the mentally ill, to assist the committee and staff. The advisory panel shall be expanded to 25 members to include a representative of the State Department of Alcohol and Drug Programs and to include representation of the major ethnic groups which comprise California's future population. The advisory panel members shall serve at the discretion of the committee, and shall report directly to the committee.

(b) To exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to this committee and its members.

(c) To contract, subject to approval of the Joint Rules Committee, with other agencies, public or private, as necessary to obtain services or studies which will assist the committee in carrying out its responsibilities.

(d) The chairperson and the vice chairperson, in consultation with the other committee members, shall reappoint a principal consultant and any other expert technical staff as may be required.

(e) The committee shall, within 15 days of authorization, and annually thereafter, present its annual budget to the Assembly Committee on Rules for its review and comment.

(f) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this measure; and be it further

Resolved, That pursuant to Joint Rule 36.5, the committee shall continue to consist of three Members of the Senate, appointed by the Committee on Rules thereof, and three Members of the Assembly, appointed by the Speaker thereof; and be it further

Resolved, That the committee is additionally authorized to do all of the following:

(a) Draft legislation to implement the program described in the report of the joint committee to the Legislature.

(b) Provide to the fiscal committees of both houses of the Legislature precise information regarding the proposed sources and amounts of funds for the implementation of the report.

(c) Develop with dispatch any ongoing organizational structure

immediately needed to carry out the implementation of the report; and be it further

Resolved, That the committee shall, by June 30, 1991, take all steps necessary to implement the organization described in the report; and be it further

Resolved, That the Assembly Committee on Rules may make any money available from the Assembly Operating Fund that it deems necessary for the expenses of the committee and its members. Any such expenditure of funds shall be made in compliance with policies set forth by the Assembly Committee on Rules and shall be subject to the approval of that committee; and be it further

Resolved, That the committee is authorized to act until June 30, 1991, or until the date that an ongoing independent organizational entity to carry out the directions of the Legislature in this regard is established, whichever is sooner, at which time the committee shall terminate; and be it further

Resolved, That the Chief Clerk of the Assembly shall transmit copies of this resolution to the Governor, the Chairperson of the Assembly Rules Committee, the Chairperson of the Senate Rules Committee, and the directors of appropriate departments within state government.

RESOLUTION CHAPTER 33

Senate Concurrent Resolution No. 4—Relative to the California Law Revision Commission.

[Filed with Secretary of State May 10, 1991.]

WHEREAS, The California Law Revision Commission is authorized to study only topics set forth in the calendar contained in its report to the Governor and the Legislature which are thereafter approved for study by concurrent resolution of the Legislature, and topics which have been referred to the commission for study by concurrent resolution of the Legislature; and

WHEREAS, The commission, in its annual report covering its activities for 1990, lists 26 topics, all of which the Legislature has previously authorized or directed the commission to study; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature approves for continued study by the California Law Revision Commission the topics listed below, all of which the Legislature has previously authorized or directed the commission to study:

(1) Whether the law relating to creditors' remedies (including, but not limited to, attachment, garnishment, execution, repossession of property (including the claim and delivery statute, self-help

repossession of property, and the Commercial Code repossession of property provisions), civil arrest, confession of judgment procedures, default judgment procedures, enforcement of judgments, the right of redemption, procedures under private power of sale in a trust deed or mortgage, possessory and nonpossessory liens, and related matters) should be revised;

(2) Whether the California Probate Code should be revised, including, but not limited to, whether California should adopt, in whole or in part, the Uniform Probate Code;

(3) Whether the law relating to real and personal property (including, but not limited to, a Marketable Title Act, covenants, servitudes, conditions, and restrictions on land use or relating to land, possibilities of reverter, powers of termination, Section 1464 of the Civil Code, escheat of property and the disposition of unclaimed or abandoned property, eminent domain, quiet title actions, abandonment or vacation of public streets and highways, partition, rights and duties attendant upon assignment, subletting, termination, or abandonment of a lease, powers of appointment, and related matters) should be revised;

(4) Whether the law relating to family law (including, but not limited to, community property) should be revised;

(5) Whether the law relating to the award of prejudgment interest in civil actions and related matters should be revised;

(6) Whether the law relating to class actions should be revised;

(7) Whether the law relating to offers of compromise should be revised;

(8) Whether the law relating to discovery in civil cases should be revised;

(9) Whether a summary procedure should be provided by which property owners can remove doubtful or invalid liens from their property, including a provision for payment of attorney's fees to the prevailing party;

(10) Whether acts governing special assessments for public improvements should be simplified and unified;

(11) Whether the law on injunctions and related matters should be revised;

(12) Whether the law relating to involuntary dismissal for lack of prosecution should be revised;

(13) Whether the law relating to statutes of limitations applicable to felonies should be revised;

(14) Whether the law relating to the rights and disabilities of minor and incompetent persons should be revised;

(15) Whether the law relating to custody of children, adoption, guardianship, freedom from parental custody and control, and related matters should be revised;

(16) Whether the Evidence Code should be revised;

(17) Whether the law relating to arbitration should be revised;

(18) Whether the law relating to modification of contracts should be revised;

(19) Whether the law relating to sovereign or governmental immunity in California should be revised;

(20) Whether the decisional, statutory, and constitutional rules governing the liability of public entities for inverse condemnation should be revised (including, but not limited to, liability for damages resulting from flood control projects) and whether the law relating to the liability of private persons under similar circumstances should be revised;

(21) Whether the law relating to liquidated damages in contracts generally, and particularly in leases, should be revised;

(22) Whether the parol evidence rule should be revised;

(23) Whether the law relating to pleadings in civil actions and proceedings should be revised;

(24) Whether there should be changes to administrative law;

(25) Whether the law relating to the payment and the shifting of attorneys' fees between litigants should be revised;

(26) Whether the law relating to the adjudication of child and family civil proceedings should be revised, and whether a Family Relations Code should be established; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the California Law Revision Commission.

RESOLUTION CHAPTER 34

Assembly Joint Resolution No. 32—Relative to war reparations.

[Filed with Secretary of State May 22, 1991.]

WHEREAS, Over 470,000 American men and women have been uprooted from their families and peacetime careers to sacrifice their time and risk their lives for their country in the Iraq–Kuwait crisis; and

WHEREAS, The American people are united in their respect for the sacrifices suffered by America's men and women serving in Operation Desert Storm; and

WHEREAS, Those sacrifices also are borne stateside by military dependents whose reservist parents or spouses were called to active duty, and who were forced to leave behind their children, often with inadequate child care; and

WHEREAS, Due to the Iraq–Kuwait crisis, more than 11,500 members of the United States Military Reserve who are residents of California have been called to active duty to serve their country; and

WHEREAS, This sudden and unexpected call to arms has caused unavoidable financial and emotional hardship for those reservists, their families, and their dependents, and many of these reservists have suffered directly from substantial personal income reductions; and

WHEREAS, Reservists called to active duty often lose their salaries without receiving comparable compensation from the military, which is a direct loss or injury to our nationals within the meaning of paragraph 16 of United Nations Resolution 687; and

WHEREAS, The United Nations has created a fund to pay compensation for claims that fall within United Nations Resolution 687, which establishes a commission that will administer the fund; now, therefore, be it

Resolved, by the Assembly and the Senate of the State of California, jointly, That the Legislature of the State of California memorializes the President of the United States to claim compensation from the United Nations compensation fund for the military families of the United States, who sacrificed employment income to provide military service, and for their employers, who continued payment of the difference in salaries, including the State of California; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the Representative of the United States to the United Nations.

RESOLUTION CHAPTER 35

Senate Concurrent Resolution No. 16—Relative to the Gardena Freeway.

[Filed with Secretary of State June 3, 1991.]

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the portion of State Highway Route 91 from State Highway Route 710 to the eastern boundary of the City of Gardena be officially designated the "Gardena Freeway" in order to provide more accurate guidance for motorists traveling on that portion of State Highway Route 91; and be it further

Resolved, That this designation supersedes the present legislative designation of this segment of Route 91 as the Redondo Beach Freeway; and be it further

Resolved, That the Department of Transportation is hereby requested to determine the cost of erecting appropriate plaques and markers, consistent with the signing requirements for the state highway system, showing the official designation and, upon receiving contributions sufficient to cover that cost, to erect those plaques and markers; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the Director of Transportation and the Mayor of the

City of Gardena.

RESOLUTION CHAPTER 36

Assembly Concurrent Resolution No. 28—Relative to proclaiming "ROTC Week."

[Filed with Secretary of State June 4, 1991.]

WHEREAS, The Reserve Officer Training Corps (ROTC) was established on June 3, 1916, through the National Defense Act of 1916; and

WHEREAS, In 1991, the ROTC will therefore be celebrating its 75th Anniversary of recruiting and training future officers who are both well educated and highly motivated to serve in one of the four branches of the United States Armed Forces; and

WHEREAS, The ROTC's main mission continues to be enrolling the best college students and transforming them into commissioned officers of the highest quality by emphasizing leadership and personal achievement; and

WHEREAS, On-campus instruction consists of three components: military skills training, professional knowledge subjects, and professional military education, which are all integral components in producing the exceptional officers so vital to the United States Armed Forces; and

WHEREAS, Military skills training includes: leadership, written and oral communications, operations and tactics, land, air, and sea navigation, military law and justice, first aid, international law, physical fitness, weapons familiarity, defense training, management, and radio and wire communications; and

WHEREAS, Professional knowledge subjects encompass: military history, customs, and traditions; leadership and ethics; and administration, organization, and training; and

WHEREAS, All cadets and midshipmen attend the same sequenced course of training and are therefore given equal opportunity to show the leadership qualities necessary to earn a commission as an officer in the United States Armed Forces; and

WHEREAS, The ROTC provides the full cost of books, fees, and tuition to students who may not have been able to obtain a university education without financial assistance; and

WHEREAS, Cadets are encouraged to participate in community projects both on- and off-campus, and to lead full, active lives as citizens of the United States of America and as residents of their states and localities; and

WHEREAS, The recognition of "ROTC Week" will symbolize California's commitment to the ideals and philosophy illustrated in the ROTC's shield, which symbolizes courage, gallantry,

self-sacrifice, and the pursuit of knowledge, and the partnership of ROTC with American colleges and universities is emphasized in its motto "Leadership Excellence"; and

WHEREAS, The current Chairman of the Joint Chiefs of Staff, General Colin Powell, is a prime example of the fine quality of person and officer that is produced by the ROTC; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California hereby proclaims the week of June 2 to 8, 1991, as "ROTC Week"; and be it further

Resolved, That the Legislature hereby commends and congratulates the ROTC for 75 years of commitment to successfully providing leadership and opportunity to young men and women of our State and Nation; and be it further

Resolved, That the Chief Clerk of the Assembly shall transmit a copy of this resolution to the Governor, the President of the United States, and the Secretary of Defense of the United States.

RESOLUTION CHAPTER 37

Assembly Joint Resolution No. 2—Relative to the Antarctic Treaty and preservation of the Antarctic region.

[Filed with Secretary of State June 5, 1991.]

WHEREAS, The Antarctic provides habitat for a broad diversity of fish and wildlife, including many rare and endangered species; and

WHEREAS, Ninety percent of all the ice in the world, which contains seventy percent of all of the fresh water on Earth, is located on the Continent of Antarctica; and

WHEREAS, The cold waters surrounding Antarctica absorb more carbon dioxide from the atmosphere than all of the rain forests combined; and

WHEREAS, The Antarctic may well be worth far more to humanity intact, than it could ever be worth as a source of natural resources development; and

WHEREAS, California recognizes that it is in the interest of all mankind that Antarctica shall continue forever to be used exclusively for peaceful purposes and shall not become the scene or object of international discord; and

WHEREAS, California acknowledges the substantial contributions to scientific knowledge resulting from international cooperation in scientific investigation in Antarctica; and

WHEREAS, California agrees that the continuation and development of that cooperation on the basis of freedom of scientific investigation in Antarctica is in the best interest of science and the progress of all mankind; and

WHEREAS, The governments of Argentina, Australia, Belgium, Chile, the French Republic, Japan, New Zealand, Norway, the Union of South Africa, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland, and the United States of America signed an agreement on December 1, 1959, to support and implement the Antarctic Treaty for the purposes of preserving the Antarctic environment and its heritage; and

WHEREAS, The primary purpose of the treaty is to protect the exceptionally pristine Antarctic ecosystem of water, air, land, flora, and fauna; and

WHEREAS, It is in the best interest of Californians to ensure that Antarctica is managed in the interest of all humankind, in a manner that conserves its unique environment, preserves its value for scientific research, and retains its character as a demilitarized, nuclear-free zone of peace, without harmful consequences to the local and global environment; and

WHEREAS, There are currently 24 Antarctic Treaty Consultative (voting) Parties, and 14 NonConsultative (nonvoting) Parties; and

WHEREAS, Treaty business is conducted in biennial meetings of the parties; and

WHEREAS, The biennial meeting commenced in Santiago, Chile, on Sunday, November 18, 1990, continued through Friday, December 7, 1990, and considered the following protective measures: basic principles, institutions, decision making, monitoring, dispute settlement, marine pollution, waste disposal, protected areas, tourism, and environmental impact assessments; and

WHEREAS, An agreement was reached to begin negotiations on a new instrument for the comprehensive protection of the Antarctic environment, and the principle of a prior environmental impact assessment before any human activity could take place was adopted; and

WHEREAS, No agreement was reached regarding mineral activities, but a consensus to continue the various protection measures and the voluntary constraint of countries with respect to mineral activities was reached; and

WHEREAS, The Consultative Parties have agreed to continue negotiations on the drafting of a new international instrument for the conclusive protection of the Antarctic environment and dependent ecosystems at another meeting commencing in Madrid, Spain, on Monday, April 22, 1991, to continue through Tuesday, April 30, 1991; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the State of California memorializes the President and the Congress of the United States to direct the Secretary of State to enter into continued negotiations with the Antarctic Treaty Consultative Parties at the convention in Spain to conclusively designate Antarctica as an environmentally protected region and further recognize the region as a protected global ecological commons; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the Secretary of State.

RESOLUTION CHAPTER 38

Senate Concurrent Resolution No. 44—Relative to California Wine Appreciation Week.

[Filed with Secretary of State June 7, 1991.]

WHEREAS, The history of wine dates back countless ages, biblically sanctioned for its value as a consummate beverage; and

WHEREAS, California has a long wine and winegrape history beginning in 1769 when Padre Junipero Serra planted the first vineyards in San Diego; and

WHEREAS, The wines of San Gabriel developed into the largest and most prosperous of vineyards from which the winegrowing industry of California grew; and

WHEREAS, The first commercial vineyards were planted in Los Angeles in 1834 by Jean-Louis Vigne, who was the first wine producer in the state to make varietal wines of acceptable taste in considerable quantity; and

WHEREAS, The Gold Rush transformed northern California into an important viticulture region when many "49ers" in search of gold turned to growing grapes and making wine along with many other immigrants throughout California; and

WHEREAS, California has grown to become the leading producer of wine in America, now accounting for 72 percent of all wine, foreign and domestic, consumed in this country; and

WHEREAS, Winegrapes are grown in virtually every county of this state for processing by more than 800 wineries located throughout the state; and

WHEREAS, California grows more than 327,455 acres of winegrapes producing 2,570,707 tons of grapes per year valued at more than $718 million, as of 1990, with a direct and indirect impact on the state's economy totalling more than $8.6 billion; and

WHEREAS, California wines continually distinguish themselves as the best in world competitions and tastings, acquiring genuine respect from foreign competitors for quality wine production; and

WHEREAS, California wine, which refreshes the palate and enhances the appetite, has played a significant role in the development of culture and cuisine in this country; and

WHEREAS, Wine is one of the most civilized and natural beverages in the world and it has been developed to great perfection

in California; and

WHEREAS, Wine offers great enjoyment to, and is appreciated by, millions of Americans, and it adds to the environmental beauty and quality of life; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature of the State of California commends the vintners of this state for their dedication to history and quality and also commends them for their commitment to enhancing their environment and communities; and be it further

Resolved, That the Legislature believes that California's exceptional wines should continue to be improved and promoted throughout the state; and be it further

Resolved, That the Legislature hereby proclaims the week of September 30 to October 6, inclusive, 1991, as "California Wine Appreciation Week," and likewise proclaims the first week that encompasses the first full weekend in October of each year as "California Wine Appreciation Week," to promote recognition and appreciation for the California wine industry.

RESOLUTION CHAPTER 39

Assembly Joint Resolution No. 28—Relative to funding for programs for immigrants.

[Filed with Secretary of State June 10, 1991.]

WHEREAS, The Congress of the United States adopted the Immigration Reform and Control Act of 1986 (IRCA) to legalize millions of individuals who were residing permanently or temporarily in the United States without proper documentation; and

WHEREAS, The act permitted the states to create and maintain education, health, and public assistance programs to assist individuals who were eligible for amnesty to transfer from undocumented to documented status; and

WHEREAS, Congress appropriated $4 billion to fund the State Legalization Impact Assistance Grants (SLIAG) program to assist states in the creation and maintenance of these programs; and

WHEREAS, Approximately 1.6 million immigrants currently reside in California, have applied for amnesty, and will become permanent residents of California; and

WHEREAS, Approximately 75 percent of the 1.6 million amnesty applicants are functionally illiterate in English, having scored below the 215 level on the Comprehensive Adult Student Assessment System which is equivalent to a fifth grade level and is the literacy benchmark used by California's welfare reform program to indicate a student's readiness for preemployment training; and

WHEREAS, The newly legalized population has a health profile

which includes a high incidence of diabetes, hypertension, upper respiratory problems, at risk pregnancies, high rates of pregnancies, and other conditions which lead to life-threatening illnesses; and

WHEREAS, The federal government through the Family Support Administration of the Department of Health and Human Services issued the SLIAG regulations more than eight months after the program was to have begun; and

WHEREAS, This delay was compounded by a lack of guidelines to be followed by states and their subcontractors in dealing with proper documentation and cost tracking standards; and

WHEREAS, The initial SLIAG federal regulations precluded states from spending SLIAG funds on outreach programs, and this resulted in much lower amnesty applicant participation in SLIAG programs; and

WHEREAS, The amnesty applicant population is difficult to reach through traditional outreach programs and for this reason specially tailored programs had to be created to encourage this population to access SLIAG programs; and

WHEREAS, The federal government issued regulations which permitted state governments to expend their SLIAG funds through 1994 and the State of California chose to use SLIAG funds over a minimum period of five years; and

WHEREAS, The use of SLIAG funded programs has increased every year they have been in existence, and the total demand for these programs is expected to remain at a high level; and

WHEREAS, Despite all these obstacles, California has drawn more than $962 million, or 75 percent, of its approximate $1.3 billion allocation, to date, in SLIAG funding and expects an upward trend in future expenditures; and

WHEREAS, The level of spending of SLIAG funds has resulted in the impression that the newly legalized population is not in need of education, health, and public assistance services; and

WHEREAS, This impression contradicts the experience in California where the newly legalized population is in great need of services to assist in its integration into the mainstream of society; and

WHEREAS, The General Accounting Office recommended concurrence with congressional action to restore SLIAG funds for 1992 if states could demonstrate increased use of SLIAG moneys; and

WHEREAS, The President has proposed to eliminate the allocation of $1.1 billion to the states for the SLIAG program, as proposed in the Federal Fiscal 1992 Budget; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to honor the commitment to restore previously deferred federal funding for the State Legalization Impact Assistance Grants program and to assist the amnesty population in the transition into the mainstream of American society; and be it further

Resolved, That the Legislature of the State of California further

memorializes Congress that the State of California approved and adopted a five-year program for spending its full SLIAG funding, and must accommodate 1.6 million, or more than 50 percent of the total amnesty population in the United States; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and the Vice President of the United States, the Secretary of Education, the Secretary of Health and Human Services, the Speaker of the House of Representatives, and each Senator and Representative from California to the Congress of the United States.

RESOLUTION CHAPTER 40

Assembly Concurrent Resolution No. 61—Relative to Management Week.

[Filed with Secretary of State June 12, 1991.]

WHEREAS, The week commencing June 3, 1991, has been designated Management Week by the National Management Association; and

WHEREAS, The National Management Association is an organization committed to the promotion of the free enterprise system, management as a distinct profession, and the certification of managers; and

WHEREAS, The National Management Association has over 72,000 members including approximately 20,000 members in 56 chapters in California; and

WHEREAS, In the past the management profession has significantly contributed to the strength and vitality of this country's economy, and in the future such skills will be particularly essential as we strive to strengthen and revitalize the economy of the State of California; and

WHEREAS, Management Week has been observed annually since 1978 and has been recognized through joint resolution by the Congress of the United States and by presidential proclamation; and

WHEREAS, The California chapters of the National Management Association will join with other managers nationwide to honor the role and achievements of managers in our society during Management Week; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California hereby proclaims the week commencing June 3, 1991, as Management Week in California and calls upon the citizenry to recognize and participate in the observance of this worthy occasion.

RESOLUTION CHAPTER 41

Senate Joint Resolution No. 16—Relative to vehicles.

[Filed with Secretary of State June 18, 1991.]

WHEREAS, Last year in the United States, more than 100,000 people were injured and more than 4,400 were killed in traffic accidents involving trucks, including 17,700 injured and 647 killed in California; and

WHEREAS, During the period from 1982 to 1989, inclusive, California experienced a 45 percent increase in truck-related injuries and fatalities, which resulted in more than 4,800 deaths and more than 120,000 injuries; and

WHEREAS, Multiunit truck trailer combinations are three times more likely to be involved in fatal accidents than passenger vehicles, and the occupant of a passenger vehicle is 45 times more likely to die in an accident involving a truck and passenger vehicle than the occupant of a multitrailer combination vehicle; and

WHEREAS, Roadside truck inspections conducted by the Department of the California Highway Patrol result in approximately one-third to one-half of the inspected vehicles being removed from service due to mechanical and safety problems; and

WHEREAS, Representatives of the trucking industry have proposed changes to existing law that would allow longer-combination vehicles (LCVs) on all federal interstate highways, which vehicles consist of triple 28- and twin 48-foot truck trailers and other vehicle combinations ranging in length from 110 feet to 120 feet and weighing from 110,000 pounds to 135,000 pounds, respectively; and

WHEREAS, Triple trailer combinations exhibit a serpentine effect when moving on a highway, changing lanes, or making turns and routinely sway several inches to several feet; and

WHEREAS, Existing highway interchanges and local road facilities are not physically or geometrically capable of accommodating many LCVs, all LCVs cause considerable encroachment into adjacent lanes while turning, and, according to the Department of Transportation, LCVs could not operate safely in a majority of urban areas in the state; and

WHEREAS, Congress is in the process of adopting legislation to reauthorize the federal highway and transit programs, and is considering proposals relative to the operation of longer and heavier truck trailer combinations on federal highways and on the highways of individual states; and

WHEREAS, The Senate Committee on Environment and Public Works has proposed to ban LCV's from states and areas where they are not currently in operation; and

WHEREAS, Public opinion research reveals that 72 percent of the public believe that truck lengths should not be changed, 82 percent

oppose proposals that allow twin 48-foot combinations, 92 percent oppose proposals that allow triple 28-foot trailer combinations, and 61 percent oppose even the limited operation of LCVs on the Interstate Highway System; and

WHEREAS, The proposals for larger trucks are also opposed by a broad coalition of highway safety organizations and representatives, insurance and automobile associations, consumer and environmental groups, and national municipal and legislative associations; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California, as a matter of legislative policy of this state, respectfully memorializes the President and Congress of the United States to refrain from enacting legislation which would permit the operation of triple trailer and other longer and heavier combinations of vehicles on California highways or impede the state's ability to regulate the operation of oversize vehicles on California highways; and be it further

Resolved, That the Legislature supports the action of the Senate Committee on Environment and Public Works to restrict the operation of longer-combination vehicles; and be it further

Resolved, That the Legislature supports legislative efforts to improve the highway safety of large vehicle combinations and reduce truck accidents and their attendant loss of life, injuries, financial costs, congestion and delay, and urges the President and the Congress to enact legislation which would further the attainment of these goals; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the chairperson of every congressional committee having jurisdiction over transportation and interstate commerce.

RESOLUTION CHAPTER 42

Senate Joint Resolution No. 26—Relative to air pollution.

[Filed with Secretary of State June 27, 1991.]

WHEREAS, The 1990 amendments to the federal Clean Air Act require states to implement a centralized system of automotive inspection and maintenance unless a state can demonstrate to the Administrator of the Environmental Protection Agency (EPA) that a decentralized system is equally effective; and

WHEREAS, The EPA is responsible for drafting "guidance" to the states on the demonstration of effectiveness of inspection and maintenance programs; and

WHEREAS, The EPA's guidance is not required to be published until November 1991, but the EPA has indicated it intends to publish the guidance in June 1991; and

WHEREAS, The EPA will be selecting one of four alternative guidance models for use by the states for evaluating inspection and maintenance systems, two of which the EPA has stated will likely preclude the use of decentralized inspections and will result in the states being forced to implement a centralized inspection system; and

WHEREAS, The EPA has not made available to the public its methodology or modeling used in the development of its guidance to states, and as a result the EPA's timetable for publishing its guidance will preclude meaningful public input to the EPA's guidance; and

WHEREAS, California has led the nation in the development of automotive inspection and maintenance programs to the benefit of better air quality; and

WHEREAS, California's decentralized inspection and maintenance program (Smog Check) represents over a decade of technical evaluation and enhancement, substantial political debate, significant private financial investment, and ample motorist experience; and

WHEREAS, The State Air Resources Board (ARB) and the Bureau of Automotive Repair have recently implemented an enhanced inspection and maintenance program with new, more sophisticated test equipment, stricter licensing and training for inspection mechanics, and expanded enforcement of program requirements; and

WHEREAS, The ARB has also adopted increasingly stringent emission reduction control regulations upon new vehicle manufacturers, including a requirement for the inclusion of on-board diagnostic equipment for new cars; and

WHEREAS, The EPA guidance modeling does not factor in any of the advances from the California program or any data from recent California experience; and

WHEREAS, The EPA timetable for issuing guidance will not allow the ARB to input data from a major evaluation of its inspection and maintenance program which is now underway; and

WHEREAS, The possibility of EPA's guidance requiring centralized testing has major potential economic public and political impacts which have not, but must be, fully evaluated before final guidance is issued; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California hereby urges the Environmental Protection Agency to immediately pursue the following course of action in the development of its guidance to the states:

(a) To refrain from publishing its guidance to states until it provides the ARB and other interested parties adequate time to

review and critique the modeling and other data underlying the assumptions used in developing the guidance; and

(b) To select guidance, including minimum performance requirements, which provides substantial emission reductions while providing maximum flexibility to California to demonstrate that the design of its chosen form of inspection, which will include elements of its nation-leading mobile source emissions control requirements, is equal in effectiveness to the form of inspection preferred by EPA; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Administrator of the Environmental Protection Agency.

RESOLUTION CHAPTER 43

Senate Concurrent Resolution No. 32—Relative to California Native Oak Day.

[Filed with Secretary of State June 27, 1991.]

WHEREAS, California's oak trees are part of the definition of the state's landscape: golden hills dotted with deep green trees; and

WHEREAS, California's oak woodlands provide forage for livestock, habitat for hundreds of species of wildlife, and visual enjoyment to residents and visitors to the state; and

WHEREAS, More than one million acres of oak woodlands have been lost since 1945, and the losses continue due to intensive conversion to agriculture and urban encroachment; and

WHEREAS, There are only 274,000 acres of valley oak left in California, which is unique to this state and most vulnerable to extinction; and

WHEREAS, There are only 2.9 million acres of blue oak and 39,000 acres of Engelmann oak, which is found only in southern California and Baja California, left in existence; and

WHEREAS, Several species of oak are not regenerating; and

WHEREAS, The continued health of oak woodlands is an indication of Californians' balance with their rural environment, and loss of this resource indicates a deteriorating relationship with our environment; and

WHEREAS, A number of local governments are regulating hardwood harvesting on private lands; and

WHEREAS, The State Board of Forestry, with the support of the range industry and in cooperation with the Department of Fish and Game, the Department of Forestry and Fire Protection, and the University of California, has undertaken a program of development, extension, and research with regard to information concerning California's oak woodlands; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature annually designates the first Friday in November as "California Native Oak Day" in the State of California; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the California Oak Foundation and to the author for appropriate distribution.

RESOLUTION CHAPTER 44

Assembly Joint Resolution No. 21—Relative to the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers.

[Filed with Secretary of State July 9, 1991.]

WHEREAS, To promote safety of life and property at sea and the protection of the marine environment, the International Standards of Training, Certification and Watchkeeping for Seafarers were established in 1978; and

WHEREAS, This international convention on crew standards has been ratified by 78 nations, including all the major maritime nations in the world with the exception of the United States; and

WHEREAS, Foreign flag vessels carry 95 percent of all waterborne commerce into the United States; and

WHEREAS, Ratification by the United States of the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers would provide the United States Coast Guard with the authority to enforce crew standards on foreign flag vessels in United States waters; now, therefore, be it

Resolved by the Assembly and the Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to ratify the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, as established in 1978; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the United States Secretary of Transportation, to the Speaker of the United States House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the Commandant of the United States Coast Guard.

RESOLUTION CHAPTER 45

Assembly Concurrent Resolution No. 4—Relative to transportation corridors.

[Filed with Secretary of State July 9, 1991.]

WHEREAS, There is a great need for additional transportation corridors in western Riverside County, especially within the rapidly developing Hemet/San Jacinto Valley/Winchester area, to maintain local circulation and provide adequate regional access to the remainder of the western portion of the county and the adjacent counties of southern California; and

WHEREAS, The Department of Transportation is responsible for identifying and developing interregional transportation corridors; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Department of Transportation is requested to provide oversight for, and to work cooperatively with, the Western Riverside Council of Governments, the Cities of Hemet and San Jacinto, the County of Riverside, and the Riverside County Transportation Commission to develop and conduct a transportation corridor study for the Hemet/San Jacinto/Winchester area; and be it further

Resolved, That the Legislature intends for all costs of developing and conducting the transportation corridor study, including the costs of the Department of Transportation, to be funded by the Riverside County Transportation Commission through the Western Riverside Council of Governments and that the results of the study be submitted to the transportation planning agency for consideration for inclusion in the regional transportation improvement program; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of Transportation.

RESOLUTION CHAPTER 46

Assembly Concurrent Resolution No. 12—Relative to California Schoolbus Safety Awareness Month.

[Filed with Secretary of State July 9, 1991.]

WHEREAS, More than 2.5 million pupils are transported to and from school each day by schoolbuses in California; and

WHEREAS, It is important that these children are safe during these daily trips; and

WHEREAS, Schoolbuses travel on many urban and rural roadways and are subjected to countless obstacles posing potential danger to

passengers; and

WHEREAS, The California Association of School Transportation Officials is an organization of professionals who are dedicated to protecting the safety of California's schoolchildren on our roadways; and

WHEREAS, It is appropriate that Californians recognize the importance of schoolbus safety to current and future generations of pupils; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Governor of the State of California proclaim October 1991, as California Schoolbus Safety Awareness Month and encourage all citizens to promote the safety of our schoolbuses and pupils.

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Governor.

RESOLUTION CHAPTER 47

Assembly Concurrent Resolution No. 21—Relative to the Chresten Knudsen Interchange.

[Filed with Secretary of State July 9, 1991.]

WHEREAS, Chresten Knudsen is the descendant of pioneer California families, and was raised and educated in Redlands, and received further education at the California Institute of Technology, where he earned a degree in civil engineering, and the University of Southern California; and

WHEREAS, He worked for the then California State Division of Highways in 1950 (now CALTRANS), and subsequently for private industry, using his many talents first to improve the manufacture of cement, then in the solution of land use problems in a firm which he established in Redlands; and

WHEREAS, He was elected to the City Council of Redlands in 1968, and worked tirelessly to improve public facilities, and his many accomplishments included the development of a master flood drainage plan, waste treatment sites, parks, community and senior centers, and downtown redevelopment; and

WHEREAS, A great supporter of citizen participation in government, he was appointed by Governor Reagan to the Santa Ana Regional Water Quality Control Board, and, as President of the San Bernardino Association of Governments, he was instrumental in the acquisition of federal funds for a much needed Tennessee Road extension to connect various major thoroughfares and replace a crossing over the Santa Ana River; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the interchange of Interstate Route 10 and

Tennessee Avenue in San Bernardino County is officially designated as the Chresten Knudsen Interchange; and be it further

Resolved, That the Department of Transportation is directed to determine the cost of erecting appropriate plaques and markers, consistent with the signing requirements for the state highway system, showing this official designation, and, upon receiving donations from private sources covering that cost, to erect those plaques and markers; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of Transportation.

RESOLUTION CHAPTER 48

Assembly Concurrent Resolution No. 23—Relative to the George F. Butler Memorial Bridge.

[Filed with Secretary of State July 9, 1991]

WHEREAS, George F. Butler, a dedicated member of the California Highway Patrol since 1966, died December 8, 1986, of injuries sustained in the performance of his duties; and

WHEREAS, In the finest tradition of the California Highway Patrol, Officer Butler lost his life helping others while serving as a flight officer on the Golden Gate Division's helicopter which was assisting at the scene of a traffic accident; and

WHEREAS, Officer George F. Butler, a loving husband and father and respected member of his community, was held in high regard by his colleagues in the California Highway Patrol; and

WHEREAS, It is fitting, therefore, that the contributions of Officer Butler be appropriately memorialized; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That Bridge No. 21-49 crossing the Napa River on State Highway Route 29 in Napa County be officially designated the George F. Butler Memorial Bridge; and be it further

Resolved, That the Department of Transportation is requested to determine the cost of appropriate plaques and markers, consistent with the signing requirements for the state highway system, showing the special designation and, upon receiving donations from nonstate sources covering that cost, to erect those plaques and markers; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of Transportation.

RESOLUTION CHAPTER 49

Assembly Concurrent Resolution No. 49—Relative to Purple Heart Veterans.

[Filed with Secretary of State July 9, 1991.]

WHEREAS, The Order of the Purple Heart for Military Merit, commonly referred to as the Purple Heart, is the oldest military decoration in the world in present use, having been established by George Washington on August 7, 1782; and

WHEREAS, The Order of the Purple Heart is the first military award made available to the common soldier, recognizing outstanding valor and merit; and

WHEREAS, The Purple Heart is intrinsically the world's costliest military decoration, with 19 separate operations required to make it from the rough heart stamped from bronze to the finished medal, plated with gold and enameled in various colors, suspended from a purple and white ribbon; and

WHEREAS, The Order of the Purple Heart is awarded to members of the armed forces of the United States who are wounded by an instrument of war in the hands of an enemy or awarded posthumously to the next of kin in the name of those who are killed in action or die of wounds received in action; and

WHEREAS, The Purple Heart is, therefore, a unique combat decoration, and the recipients are exclusively combat veterans; and

WHEREAS, The ongoing events in the Persian Gulf, where thousands of California citizens, together with hundreds of thousands of American fighting men and women, are distinguishing themselves, often at great personal risk, makes designating a day as the "California Purple Heart Veterans' Day" both fitting and timely; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the second Saturday of August in each year shall hereafter be proclaimed as the "California Purple Heart Veterans' Day;" and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, to the Secretary of Defense of the United States, and to the Governor and the Adjutant General of the State of California.

RESOLUTION CHAPTER 50

Senate Joint Resolution No. 7—Relative to the Farms for the Future Act of 1990.

[Filed with Secretary of State July 11, 1991.]

WHEREAS, The Congress of the United States has passed and the President has signed the Farms for the Future Act of 1990 (P.L. 101-624); and

WHEREAS, The act authorizes the United States Department of Agriculture to adopt implementing regulations that guarantee the loans that lending institutions make to state trust funds for acquiring farmland; and

WHEREAS, The voters of California approved Proposition 70, on June 7, 1988, which makes state bond funds available for acquiring certain farmlands. This program may qualify as a state trust fund under the federal act; and

WHEREAS, Cooperation between the United States Department of Agriculture and the State of California will make each government's expenditures more productive by protecting more farmland; and

WHEREAS, The implementation of the Farms for the Future Act of 1990 requires federal funding and the timely adoption of federal regulations; now, therefore, be it

Resolved by the Senate and the Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to include funding for the Farms for the Future Act of 1990 in the 1992 agriculture appropriations bill; and be it further

Resolved, That the Legislature respectfully memorializes the United States Department of Agriculture to promptly adopt and issue regulations to implement the Farms for the Future Act of 1990; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the Secretary and Deputy Secretary of the United States Department of Agriculture, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 51

Senate Concurrent Resolution No. 3—Relative to the creation of the Joint Committee on School Facilities.

[Filed with Secretary of State July 11, 1991.]

WHEREAS, The Department of Finance estimates over 1.15 million new pupils will enter the K-12 public school system by 1995-96, averaging 230,000 new pupils each year for the next five years; and

WHEREAS, The needs for new construction, modernization, deferred maintenance, and air conditioning over the next five years total $16.97 billion; and

WHEREAS, Reducing class size, establishing year-round education, acquiring land, using portable classrooms, and providing access to the Leroy F. Greene Lease-Purchase Program are issues the Legislature is currently trying to resolve; and

WHEREAS, The Legislature enacted and the Governor signed a package of school facility bills in 1986 that were designed to establish a state and local partnership in financing school facilities and to increase building standards in order to provide suitable facilities; and

WHEREAS, The continued economic development of the state is dependent on the provision of adequate school facilities; and

WHEREAS, Continuous legislative oversight of the implementation of school facilities legislation and on-going review of school facility needs should be maintained; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Joint Committee on School Facilities is hereby established and authorized to do all of the following:

(1) Investigate, study, and analyze the statutory provisions relating to the financing, construction, reconstruction, and operation of school facilities.

(2) Conduct oversight hearings and investigations as necessary to evaluate the effectiveness and efficiency of the school facilities system.

(3) Formulate school facility legislation necessary to meet the need for additional school facilities; and be it further

Resolved, That the Joint Committee on School Facilities shall consist of four Members of the Senate, appointed by the Senate Committee on Rules, and four Members of the Assembly, appointed by the Speaker of the Assembly; and be it further

Resolved, That the Joint Committee on School Facilities and its members shall have and exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to this committee and its members; and be it further

Resolved, That the Joint Committee on School Facilities may contract, subject to the approval of the Senate Committee on Rules, with other agencies, public or private, as necessary to obtain services or studies that will assist the committee in carrying out its responsibilities; and be it further

Resolved, That the Senate Committee on Rules may make money available from the Contingent Fund of the Senate as it deems necessary for the expenses of the Joint Committee on School Facilities and its members. Any expenditure of money shall be made in compliance with policies set forth by the Senate Committee on Rules and shall be subject to the approval of the Senate Committee on Rules; and be it further

Resolved, That the Joint Committee on School Facilities shall, within 15 days of authorization, and annually thereafter, present its annual budget to the Senate Committee on Rules for its review and comment; and be it further

Resolved, That the Joint Committee on School Facilities shall submit a report at the end of each legislative session to the Legislature on its activities and recommendations for improvements in the school facilities system; and be it further

Resolved, That the Joint Committee on School Facilities is authorized to act until January 31, 1992, at which time the committee's existence shall terminate.

RESOLUTION CHAPTER 52

Assembly Concurrent Resolution No. 6—Relative to Route 66.

[Filed with Secretary of State July 11, 1991]

WHEREAS, U.S. Route 66, a 2,000-mile highway from Chicago, Illinois, to Santa Monica, California, has played a major role in the 20th century history of our country; and

WHEREAS, Route 66 has become a symbol of the American people's heritage of travel and their legacy of seeking a better life; and

WHEREAS, Route 66 served as a funnel for the 20th century migration from the Dust Bowl to the Central States; and

WHEREAS, Route 66 has been memorialized in books such as "The Grapes of Wrath," songs, motion pictures, and television programs, and has become an accepted part of American popular culture; and

WHEREAS, During the early 1980's, structures and other features along Route 66 began to disappear and their historical value was lost to the State of California and the nation; and

WHEREAS, Some portions of the highway have been turned over to local governments and are no longer in the state highway system; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the portion of former U.S. Route 66 extending from the California border to Santa Monica be officially designated as "Historic Highway Route 66"; and be it further

Resolved, That the Department of Transportation is requested to develop an appropriate marker for Historic Highway Route 66, consistent with signing standards, and to identify the cost of erecting a reasonable number of markers along the entire route of former U.S. Highway Route 66, in cooperation with affected local agencies, and in such a manner that will avoid a designation that would lead a motorist to conclude that the entire route is a state-maintained facility; and be it further

Resolved, That the Department of Transportation, for the portion of former U.S. Route 66 still under its jurisdiction, and local agencies, for the portions of former U.S. Route 66 currently under their jurisdiction, upon receiving donations from private sources and other nonstate funds covering the cost of erecting suitable markers, are hereby directed to erect those markers; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of Transportation, the Counties of Los Angeles and San Bernardino, and affected cities in those counties.

RESOLUTION CHAPTER 53

Assembly Joint Resolution No. 41—Relative to National Missing Children's Day.

[Filed with Secretary of State July 11, 1991.]

WHEREAS, A myriad of children are abducted from their families against their will, either by strangers or family members violating custody decrees, each year; and

WHEREAS, The rising incidence of crimes against children, child abduction in particular, has left many families feeling vulnerable and afraid; and

WHEREAS, On an average, 10 children have disappeared each day across the country in the last seven years; and

WHEREAS, There are 1,710 active files on missing children in California; and

WHEREAS, There have been over 481,000 attempted abductions and over 26,000 actual abductions nationwide since 1984; and

WHEREAS, Of the children that have been abducted, 17,481 have been located alive, 225 have been located deceased, and 9,039 remain missing; and

WHEREAS, In 1981, six-year-old Adam Walsh was kidnapped as he looked at toys in a Florida toy store and was later found brutally slain; now therefore, be it

Resolved, by the Assembly and the Senate of the State of California, jointly, That we commit ourselves to the pursuit of policies that will protect our country's most precious resource, our children; and be it further.

Resolved, That the Legislature condemns any crimes against innocent children, causing emotional or physical abuse, or death; and be it further

Resolved, That the Legislature, sharing a common concern for children, recognizes National Missing Children's Day, May 25, 1991, as a day to cherish and protect children, and to pray for each and every child who has been met with harm; and be it further

Resolved, That the Chief Clerk of the Assembly shall transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 54

Senate Concurrent Resolution No. 17—Relative to marine debris.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, The California coast is one of the most magnificent coastlines in the world, providing a habitat for abundant and diverse species of marine mammals, fish, and birds, including several endangered species; and

WHEREAS, The coastal environment supports crucial economic resources important to all Californians, including a renewable commercial and sportfishing industry, and an annual multimillion dollar tourist and recreation industry; and

WHEREAS, Marine debris threatens fishing and boating safety due to plastic rope and line fouling propellers and plastic bags and sheeting clogging seawater intakes and evaporators, possibly stranding a mariner at sea as well as causing engine failures, costly repairs, and annoying delays; and

WHEREAS, Marine wildlife becomes entangled and ingests marine debris which often leads to death; and

WHEREAS, Marine debris poses hazards for marine recreational users because divers become entangled in nearly invisible ghost nets and beach users step on broken glass and may encounter syringes; and

WHEREAS, Marine debris profoundly diminishes the pristine, scenic quality of the coastline and could lead to a serious decline in tourism and recreational activities; and

WHEREAS, Approximately 140 million people visit California's beaches each year; and

WHEREAS, Marine debris is a serious problem in California and will likely worsen with population increases along the coast; and

WHEREAS, Marine debris transcends borders and washes into critical marine wildlife habitats, including the Point Reyes National

Seashore, Ano Nuevo State Reserve, and the Channel Islands National Marine Sanctuary; and

WHEREAS, Marine debris is costly for coastal communities to clean off the beach, with Los Angeles County alone having spent over $5 million in 1989 to clean its beaches, and the cost continues to increase; and

WHEREAS, A diverse cross-section of government agencies, industry, educational representatives, scientists, citizen organizations, and concerned individuals worked together to develop the California Marine Debris Action Plan, which includes recommendations for state agency action on eliminating marine debris from the California coastline; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature of the State of California supports the recommendations made in the California Marine Debris Action Plan; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the Governor and to the Secretary of Environmental Affairs.

RESOLUTION CHAPTER 55

Senate Concurrent Resolution No. 20—Relative to federal support and funding for the arts.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, Artists and arts organizations and institutions contribute immeasurably to the quality of life and to our state's economy; and

WHEREAS, California is widely regarded as a mecca for the literary, performing, and visual arts because our state is blessed with a creative community of great commitment and vitality; and

WHEREAS, California's artists and arts institutions and organizations have had great success in securing grants from the National Endowment for the Arts; and

WHEREAS, They have matched NEA funds with grants from the private sector, creating additional funds to benefit all Californians and increasing the value of ever scarcer funds available for the arts; and

WHEREAS, Grants from the National Endowment for the Arts have contributed greatly to the preservation of traditional art forms and to the emergence of newer forms of art and of multicultural arts organizations; and

WHEREAS, To comply with provisions of the Williams-Coleman Re-authorization of the NEA, enacted by Congress in 1990, the NEA has abandoned and curtailed programs of great importance to

California including the Museum Purchase program, special artistic initiatives program for museums, the inter-arts program and special projects in media arts and the NEA will be forced to approve fewer grants to California artists, institutions, and organizations under other NEA programs; and

WHEREAS, Redirected block grants to the California Arts Council will not replace the funds lost to artists and arts organizations and institutions; and

WHEREAS, California has 11 percent of the United States population and an even higher percentage of its artists; and

WHEREAS, The current block grant redistribution formula created by the NEA is biased against California, its size as well as its significance to the arts in America; and

WHEREAS, The state has an important role in ensuring that our arts community continues to flourish; and

WHEREAS, It is essential that the Legislature work with the California Congressional Delegation to have the NEA grant formula changed to treat the arts in California more equitably; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Arts Council determine the extent of the loss of federal support for the arts to the state and calculate how much funding would come to California via the block grant if population were a primary consideration in the redistribution and further advise the Legislature on ways to maximize National Endowment for the Arts funding to the Arts Council and to the artists of this state; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Arts Council.

RESOLUTION CHAPTER 56

Senate Concurrent Resolution No. 34—Relative to district agricultural associations.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, In a report entitled "The State of California Needs to Improve the Management of Its Local Fairs Program" issued in January 1986, the Auditor General determined that the Division of Fairs and Expositions of the Department of Food and Agriculture did not exercise sufficient oversight and monitoring of district agricultural associations (hereafter district fairs); and

WHEREAS, The Auditor General determined that:

(a) The department had not followed proper personnel practices in setting the salaries of district fair managers and in allowing fairs to retain temporary employees longer than six months.

(b) The department had not ensured that district fairs had adequate internal controls over equipment, cash and disbursements, and travel expenses.

(c) The department had not ensured that the Division of Fairs and Expositions and the district fairs followed proper contracting procedures, spent state funds properly, or that the fairs had repaid their loans to the state promptly.

(d) The district fairs had not maximized their revenues by charging admission to various events or by renting their facilities during the periods that the facilities were not used for fair purposes.

(e) The district fairs had not followed a program of regular preventive maintenance to prevent their facilities from deteriorating; and

WHEREAS, The Auditor General recommended that the department take the following actions to correct the deficiencies in its contracting practices:

(a) Follow all state laws and regulations pertaining to contract administration and contract procedures.

(b) Obtain approval of the Department of General Services on contracts over $10,000 and require competitive bidding for these contracts.

(c) Require district fairs to submit all contracts over $10,000 to the department for approval, ensure that each contract is approved by the Department of General Services, and that each contract is awarded after competitive bidding.

(d) Ensure that all district fair contracts, agreements, and contract amendments are in writing; and

WHEREAS, The Auditor General recommended that the department take the following actions to correct the deficiencies in the use of public funds by the department and district fairs:

(a) Obtain the approval of the Department of Finance before expending funds designated for district fairs for departmental purposes.

(b) Periodically review district fairs' expenditures to ensure that state funds are spent for authorized purposes.

(c) Define, in the Fairs Administrative Manual, the specific types of expenditures that district fairs may make for public relations purposes.

(d) Periodically review district fairs' purchase documents to ensure that purchases are approved by the Department of General Services; and

WHEREAS, The Auditor General recommended that, in order for the department to improve its collections on loans due to the state from district fairs, it should work with the fairs to develop alternative sources of revenue and identify ways to reduce the fairs' costs, establish loan repayment schedules based on the ability of each fair to repay its loan, and establish and maintain accounts receivable ledgers and ensure that the loan records are complete; and

WHEREAS, The Auditor General recommended that the

department do all of the following:

(a) Encourage district fairs to charge admission and aggressively market the rental of their facilities, in order to improve their revenues.

(b) Ensure that salary increases are granted in accordance with the policies of the department in order to prevent salary overpayments of district fair managers.

(c) Require district fairs to transmit copies of all personnel actions to the Division of Fairs and Expositions, which should periodically review these personnel actions to prevent district fairs from improperly retaining temporary employees for periods longer than six months.

(d) Require district fairs to develop and implement preventive maintenance programs that should identify high priority projects that need to be completed to protect the health and safety of persons using fair facilities in order to correct the deteriorated condition of the fairs.

(e) Review the maintenance programs of district fairs and periodically monitor their progress in implementing these programs; and

WHEREAS, The Auditor General further recommended that the department take the following actions to improve district fairs' internal controls and to improve their compliance with state laws and regulations:

(a) Establish a periodic schedule of audits of district fairs which should include, but not be limited to, financial reviews, reviews of internal controls, and reviews of compliance with state rules and regulations. The compliance review should focus on matters such as compliance with state contracting requirements, use of temporary personnel, appropriateness of expenditures, and appropriateness of the district fairs' control over state assets.

(b) Review and follow up on deficiencies noted by the department's auditors to ensure that these deficiencies are corrected by the district fairs.

(c) Include a provision, in the Fairs Administrative Manual, that requires district fairs to keep records of their equipment and to control sensitive items of equipment; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That a joint hearing of the Senate Agriculture and Water Resources Committee and the Assembly Agriculture Committee be held at an appropriate time to specifically address what corrective actions have been taken by the department to eliminate the deficiencies set forth in the report entitled "The State of California Needs to Improve the Management of Its Local Fairs Program" issued in January 1986, by the Auditor General; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Governor and to the Director of Food and Agriculture.

RESOLUTION CHAPTER 57

Senate Joint Resolution No. 11—Relative to veterans' benefits.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, In World War II, the soldiers of the Philippine Army were called into the service of this country in the early days of that war; and

WHEREAS, Many Filipino veterans have been discriminated against by the classification of their service as not being service rendered in the United States Armed Forces for purposes of benefits from the federal Department of Veterans' Affairs; and

WHEREAS, Filipinos gallantly served at Bataan and Corregidor, giving the United States valuable time to rearm materiel and men to launch the counter-offensive in the Pacific war; and

WHEREAS, On January 19, 1989, House Resolution 525 was introduced in the United States House of Representatives to extend the filing period for Filipinos who served in the United States armed forces during World War II, to become naturalized citizens of the United States; and

WHEREAS, On January 2, 1991, the first petitions were filed under the new law that extended the filing period for Filipinos who served in the United States armed forces during World War II, to become naturalized citizens of the United States; and

WHEREAS, On January 3, 1991, House Resolution 104 was introduced in the United States House of Representatives to provide that persons considered to be Commonwealth Army veterans by reason of service with the armed forces of the United States during World War II in the Philippines will be eligible for full veterans' benefits from the Department of Veterans' Affairs; and

WHEREAS, The proposed legislation would bring relief to the estimated remaining 60,000 to 80,000 Filipino veterans out of the initial 175,000 to 200,000 troops who risked their lives during World War II, surviving the occupation of the islands and the infamous Bataan Death March, and who, now in their mid-60's to mid-90's, have been battling for years to obtain the benefits of other veterans of that war; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and Congress of the United States to act favorably on legislation pertaining to granting full veterans' benefits to Filipino veterans of the United States armed forces; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 58

Senate Joint Resolution No. 18—Relative to vehicles.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, The safe operation of commercial vehicles is a major concern of the California Legislature; and

WHEREAS, Accidents involving heavy commercial vehicles cause death, injury, and property damage; and

WHEREAS, Resolution Chapter 82 of the Statutes of 1988 requested the Governor to establish a task force to investigate, and to make recommendations to improve, heavy commercial vehicle and driver safety in California; and

WHEREAS, The Governor's Heavy Commercial Vehicle and Driver Safety Task Force has made the following findings:

(1) In 1989, approximately 134 accidents occurred in California as a result of tractor and trailer combinations making right turns and colliding with vehicles driving parallel to those vehicle combinations.

(2) The length and width of some commercial vehicles make it difficult for drivers of other vehicles to see those commercial vehicles at night, which causes unsafe traveling conditions; and

WHEREAS, The mandatory installation and usage of lighting equipment and reflective materials on commercial vehicles would ensure the safer operation of those vehicles; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorialize the National Highway Traffic Safety Administration to adopt new vehicle equipment regulations to ensure the safe operation of heavy commercial motor vehicles; and be it further

Resolved, That the National Highway Traffic Safety Administration adopt regulations which would require all new commercial motor vehicles and semitrailers with a length of 40 feet or more to be equipped with turn signals mounted at approximately the side midpoint of the vehicle; and be it further

Resolved, That the National Highway Traffic Safety Administration adopt regulations which would require all new commercial motor vehicles and semitrailers with a length of 40 feet or more, or a width of 80 inches or more to be equipped with reflective tape or material which clearly delineates the length and width of those commercial vehicles to other vehicles approaching from the side or rear of the commercial vehicle during the hours of darkness; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Administrator of the National Highway Traffic Safety Administration.

RESOLUTION CHAPTER 59

Assembly Concurrent Resolution No. 46—Relative to the Institute for Regenerative Studies.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, The Institute for Regenerative Studies at California State Polytechnic University, Pomona, has been established on a 16-acre site as a component of LandLab, Cal Poly's 339-acre facility for education and research in the area of sustainable and renewable resources; and

WHEREAS, The primary purpose of the institute is to foster the growth and application of regenerative technologies; and

WHEREAS, The institute will contain facilities for the study of a broad range of practices and technologies dealing with energy, water, shelter, food production, waste disposal, and other activities essential to our society; and

WHEREAS, The institute will be an environmentally oriented community in which students and faculty members work with regenerative technologies as an integral part of their daily lives, by growing their own food, generating energy through renewable resources, managing the thermal environment, and recycling waste materials and by-products; and

WHEREAS, The institute is conceived as a microcosm incorporating the full range of life-support functions for a small society in a manageable space; and

WHEREAS, Graduate and undergraduate students will learn through participation in laboratory application, research, and applied experiments conducted on the site; and

WHEREAS, Students so educated should have the capacity and awareness necessary to bring a new type of leadership, and other innovative and economically sound solutions, to problems of finite resource utilization; and

WHEREAS, Regenerative technologies are multidisciplinary in nature and embrace such fields of study as agriculture, aquaculture, architecture, landscape architecture, engineering, and science; and

WHEREAS, Professionals from several disciplines will be involved in the research activity of the institute; and

WHEREAS, Information derived from research will be available to the public at large, including business, industry, or other interested groups, and demonstration of processes involved will be open to visitors and educational groups; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature recognizes that the Institute for Regenerative Studies is an innovative attempt, through the development of economically viable regenerative technologies using the public education system of higher learning, to enhance the competitive advantage of California's economy while positively

enhancing the state's ecological environment and strengthening its economic system, and is a project worthy of private financial support.

RESOLUTION CHAPTER 60

Assembly Joint Resolution No. 7—Relative to nonprescription drug labeling.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, The federal Food and Drug Administration is responsible for the safety, efficacy, and labeling of nonprescription drug products; and

WHEREAS, Over the last decade, the Food and Drug Administration has permitted more prescription drugs to be switched to over-the-counter classification than in the entire previous history of United States government regulation of drug products for consumers; and

WHEREAS, A number of these drugs can have serious side effects when taken incorrectly or in combination with certain other drugs; and

WHEREAS, The vision-impaired and the elderly are the most susceptible to contraindication risk associated with overmedication and the combination of certain drugs; and

WHEREAS, These risks can be minimized by improving the readability of drug labels, particularly the information regarding dosage and contraindication risks; and

WHEREAS, The Legislature at its 1989–90 Regular Session passed, and the Governor signed, Section 26637.5 of the Health and Safety Code which encourages drug manufacturers who sell nonprescription drugs in the State of California to improve the readability of nonprescription drug labels; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California hereby proposes that the federal Food and Drug Administration promulgate and enforce regulations which improve the readability of all nonprescription drug labels; and be it further

Resolved, That the Legislature of the State of California respectfully memorializes the Congress and the President to enact legislation which would address the concerns set forth in this measure; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this measure to the President and the Vice President of the United States, the Speaker of the House of Representatives, the Chairpersons of the House and Senate Committees on Aging, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 61

Assembly Joint Resolution No. 9—Relative to social security.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, When the United States Congress amended the Social Security Act in 1972 to increase retirement benefits to reflect cost-of-living increases, a technical flaw in the amended benefit formula overcompensated people who retired after 1972; and

WHEREAS, Congress corrected its error by amending the Social Security Act in 1977 to bring benefits back to historical levels and phased in the reduction over five years, affecting individuals born between 1917 and 1926, the so-called "notch" years; and

WHEREAS, The phase-in period has not provided a smooth transition, but has resulted in "notch babies" receiving as much as $3,000 per year less in benefits than people who have similar work histories but were born in 1916; and

WHEREAS, Members of Congress have for several years tried to pass legislation that would establish a uniform benefit formula to treat those born in the "notch" years equitably; and

WHEREAS, The Legislature of the State of California feels that the continued inequities in benefits received by persons born during the "notch" years undermines public confidence in the social security system and, consequently, affirms its commitment to the equitable distribution of social security benefits; now, therefore, be it

Resolved, by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California hereby respectfully memorializes the President and the Congress of the United States to enact appropriate legislation which would prospectively correct the "notch" in social security benefit payments for persons born between 1917 and 1926; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the chairpersons of the House and Senate Committees on Aging, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 62

Assembly Joint Resolution No. 4—Relative to hazardous liquid pipeline regulation.

[Filed with Secretary of State July 16, 1991.]

WHEREAS, Over 7,200 miles of hazardous liquid pipeline exist in this state; and

WHEREAS, The State Fire Marshal has full safety regulatory and enforcement authority over intrastate hazardous liquid pipelines; and

WHEREAS, The State Fire Marshal acts as an agent for the federal Department of Transportation over hazardous liquid interstate pipelines within this state; and

WHEREAS, As agent for the federal Department of Transportation, the State Fire Marshal has not been extended full enforcement authority over interstate pipelines; and

WHEREAS, The pipeline rupture and fire on May 25, 1989, in San Bernardino, which killed two persons, injured dozens, and destroyed 10 homes, occurred on an interstate pipeline; and

WHEREAS, Due to staffing constraints, the Office of Pipeline Safety in the federal Department of Transportation relies almost entirely on pipeline safety engineers employed by the State Fire Marshal to conduct inspections and otherwise ensure the safety of hazardous liquid pipelines within the state; and

WHEREAS, Uniformity in pipeline safety regulations is important to the operation of interstate pipelines, and this uniformity is most likely to be achieved if federal pipeline safety requirements are considered sufficient by the states to prevent hazardous liquid pipeline disasters and to protect the public safety; and

WHEREAS, It is important that the federal government take all appropriate action, in cooperation with state and local jurisdictions, to prevent hazardous liquid pipeline disasters and protect the public's safety; now, therefore, be it

Resolved by the Assembly and the Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to amend the Hazardous Liquid Pipeline Safety Act of 1979, as amended, (49 U.S.C. Sec. 2001 and following) to authorize the federal Department of Transportation to extend to its state agents, such as the State Fire Marshal, full enforcement authority over interstate pipelines within a state; and be it further

Resolved, That the Hazardous Liquid Pipeline Safety Act of 1979, as amended, be further amended to include provisions applicable to interstate hazardous liquid pipelines which achieve at least an equal level of structural integrity and operating safety as that provided for by Chapter 5.5 (commencing with Section 51010) of Part 1 of Division 1 of Title 5 of the Government Code which, among other things, requires practices such as periodic examination and inspection of intrastate pipelines; and be it further

Resolved, That the Hazardous Liquid Pipeline Safety Act of 1979, as amended, be further amended to authorize the federal Department of Transportation to require that an operator of a hazardous liquid pipeline, which will be newly constructed, notify the federal department or its state agent not less than 30 days before

construction begins; and be it further

Resolved, That the Hazardous Liquid Pipeline Safety Act of 1979, as amended, be further amended to require that, if an existing line is to be replaced or relocated in substantially the same structural configuration and it will be located within the existing right-of-way, or within a reasonable proximity of the existing right-of-way, but this replacement or relocation does not constitute new construction, the operator shall not later than the day that construction commences, provide the federal Department of Transportation or its state agent with a route map detailing the location of the replaced or relocated hazardous liquid pipeline; and be it further

Resolved, That the Hazardous Liquid Pipeline Safety Act of 1979, as amended, be further amended to authorize the federal Department of Transportation to delegate to state agents, during major pipeline emergencies where public safety is threatened, the authority to order the shutdown of a hazardous liquid interstate pipeline; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Secretary of Transportation, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the State Fire Marshal.

RESOLUTION CHAPTER 63

Assembly Concurrent Resolution No. 7—Relative to the Monterey Bay National Marine Sanctuary.

[*Filed with Secretary of State July 19, 1991*]

WHEREAS, The National Oceanic Atmospheric Administration is reviewing the plans for the Monterey Bay National Marine Sanctuary; and

WHEREAS, This is a unique opportunity to protect almost the entire central California coast, including 3,800 square nautical miles, by joining the Monterey Bay Sanctuary with the Gulf of the Farallones National Marine Sanctuary to the north and extending the boundary to near Cambria in San Luis Obispo County to the south; and

WHEREAS, The United States Department of Interior may lease portions of the outer continental shelf along the central coast of this state to oil companies for offshore oil leasing, which would have dramatic impacts on air and water quality and would increase oil tanker traffic, discharge toxic drilling muds into ocean waters, and impact the fishing, tourism, and recreational industries; and

WHEREAS, The National Marine Sanctuary designation could

assist in controlling and minimizing the threats of hazardous waste dumping and discharges, noise and ocean traffic carrying hazardous chemicals and oil, and oil drilling and mining in these sensitive waters; and

WHEREAS, Boundary Alternative Five will offer protection and management for the largest comprehensive discrete marine ecosystem which exists on the central coast; and

WHEREAS, It is possible to protect and restore our marine species, but only with strong habitat preservation programs like the National Marine Sanctuary Program; and

WHEREAS, From March to May annually, some 18,000 gray whales and their young trek up the California coast for summer feeding in the Bering Sea, and every fall the pregnant females leave the Bering Sea to migrate south, the longest migration of any mammal; gray whales are expanding their numbers after being once reduced to near extinction, and the gray, blue, humpback, and fin whales are just a few of the endangered species who visit the waters included in Boundary Alternative Five; and

WHEREAS, In 1927 the population of California sea lions was thought to be less than 1,000, but now the population is closer to 50,000, and they are enjoyed by many people who see them using the offshore islands, rocky points, and isolated beaches for rest and sleep; both the California and Steller sea lions can be seen on Seal Rock near the Cliff House in San Francisco, and from many other observation points along the coast; and

WHEREAS, Ano Nuevo State Reserve is the largest breeding ground of the Steller sea lion with the population of breeding females numbering only 200 and some 2,000 animals counted on the beaches in recent years; mortality among the new pups reaches as high as 50 percent as the young are often crushed in the confusion and struggle; and

WHEREAS, California elephant seals, which sometimes reach 17 feet long and can weigh up to 5,000 pounds, also come ashore at Ano Nuevo State Reserve; this species has come back from the brink of extinction in the 1800s; in the early 1900s the population was probably less than 100 animals and some scientists think as few as 20; in the early 1960s, Ano Nuevo hosted over 400 elephant seals; today, scientists think that at least 12 colonies exist on the California and Baja coasts with a population in excess of 100,000; and

WHEREAS, At one time the northern and southern sea otter herds were continuous wherever there were beds of kelp; the southern herd once ranged from the Farallon Islands south to Baja; today the southern herd, which numbers about 1,600 is listed as threatened with extinction; and

WHEREAS, An incredible variety of invertebrates flourish in the area between the land and sea; an inventory of invertebrates on a California beach could exceed 300 species with many rare and reclusive species that are invisible to a casual observer; red abalone, a favorite food of the sea otter, is found there along with limpets and

snails, sea stars, red rock crabs, shrimps, sea anemone, and sea urchins. These species represent an important link to the ecology of the ocean and mammals; and

WHEREAS, The Boundary Alternative Five represents the most biologically comprehensive approach to preserving our ocean, coast, and marine species; and

WHEREAS, Vital industries such as tourism, commercial fishing, and recreation are directly dependent on a clean, attractive, and productive coastline, and the retail value of area fisheries in the proposed Monterey Bay Sanctuary Boundary Area Five and the Farallon Island Sanctuary are worth approximately $150 million, tourism in the area is worth approximately $7.8 billion, sport fishing in the area is worth $118 million, boating is worth $633 million, and marine research facilities are worth $50 million per year; and

WHEREAS, Maritime related industries and recreational boating produced $5.4 billion in revenues, and more than 97,626 jobs are dependent on deep channels for navigation; and

WHEREAS, Over 1,000 oil tankers and barges per year travel under the Golden Gate Bridge, and over 4 billion gallons of petroleum products are transported on tankers and barges along the central coast with no vessel traffic lanes between Pillar Point and Point Arguello, and there is an insignificant amount of oil equipment dedicated to tankers traveling the open seas on the central coast and south of San Francisco Bay, and the area has no radar monitoring, and very rough seas and weather, making prevention and response very difficult if not impossible; and

WHEREAS, The protection afforded our marine mammals, ocean, and coastline through the designation of the area as a marine sanctuary is a timeless gift, the value of which will be appreciated and shared for generations to come; and

WHEREAS, The dredging of deep water channels at area ports is essential for smooth operation of commerce and maintenance of jobs in the region; and

WHEREAS, A Long Term Management Strategy (LTMS) consisting of studies of potential dump sites to seek a balance between environmental and economic concerns is being undertaken with the support of a variety of government agencies and interest groups; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Governor is hereby requested to proclaim California's support to the President and the Congress of the United States for Boundary Alternative Five for the proposed Monterey Bay National Marine Sanctuary in order to protect the central California coast, including 3,800 square nautical miles, by joining the Monterey Bay Sanctuary with the Gulf of the Farallones National Marine Sanctuary to the north and extending the boundary to near Cambria in San Luis Obispo County to the south with stringent regulations, including a ban on offshore oil drilling, undersea strip mining, and oil tanker traffic within the sanctuary

except for closely monitored "port access" routes to the Moss Landing terminal and San Francisco Bay; and be it further

Resolved, That the Legislature does not intend to preclude dredging activities if they meet the standards of the Marine Protection, Research, and Sanctuaries Act, or studies for long-term disposal of dredge materials pursuant to the LTMS process; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Governor of the State of California.

RESOLUTION CHAPTER 64

Assembly Concurrent Resolution No. 69—Relative to the election of Boris Nikolaevich Yeltsin as President of the Republic of Russia and the establishment of legislative staff, educational, industrial, agricultural, and technical exchanges with the Republic of Russia.

[Filed with Secretary of State July 19, 1991.]

WHEREAS, On June 12, 1991, Boris Nikolaevich Yeltsin was overwhelmingly chosen as the first democratically elected president of the Soviet Republic of Russia in history; and

WHEREAS, Mr. Yeltsin's election represents the affirmation of the rights of the individual to determine his or her future and represents the triumph of the ideals of democracy; and

WHEREAS, Mr. Yeltsin courageously came to the aid of the Baltic republics of Lithuania and Latvia in their attempt to become democratic, independent states; and

WHEREAS, Mr. Yeltsin has become the most prominent advocate of reform of the Soviet economy and political system; and

WHEREAS, The Russian Republic is currently undergoing substantial change and making efforts to allow greater freedom of expression at the polling booth; and

WHEREAS, The critical challenge faced is to stabilize reforms and new institutions; and

WHEREAS, Successful political and economic reform brightens the prospects for world peace; and

WHEREAS, California boasts an extraordinary wealth of academic and governmental knowledge in areas vital to the enhancement and preservation of democratic government and free enterprise; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California commends Boris Yeltsin for his courage and perseverance in winning a free and fair election as the President of the Soviet Republic of Russia and for setting his entire nation on the road towards change; and be it further

Resolved, That the people and the government of the State of California are urged to collaborate of exchanges in legislative staff and of educational, industrial, agricultural, and technical knowledge and products with the Republic of Russia.

RESOLUTION CHAPTER 65

Assembly Concurrent Resolution No. 34—Relative to the Leslie A. Lowden Memorial Bridge.

[Filed with Secretary of State July 22, 1991.]

WHEREAS, Leslie A. Lowden, a resident of Yuba City since 1954, will long be remembered for her outstanding contributions to the community, and to youth organizations in particular; and

WHEREAS, For over two decades, she held leadership positions in Girl Scouts, Boy Scouts, and Cub Scouts, and was the recipient of one of scouting's highest awards, the Silver Fawn, in recognition of her service to youth; and

WHEREAS, She was both an avid supporter and Team Mother in Little League Baseball, served on the Assembly Advisory Board of the Rainbow Girls, and was a Sunday school teacher and assisted with the youth choir at St. John's Episcopal Church; and

WHEREAS, Mrs. Lowden found time for her numerous civic activities while successfully raising five children, Dick, Kim, Scott, Jay, and Tracy, and being a model grandmother; and

WHEREAS, Leslie A. Lowden died on July 25, 1989, the innocent victim of an alcohol-related traffic accident in southern Sutter County; and

WHEREAS, Since 1857, her family has been instrumental in the development of highways and transportation in California, beginning with the construction and operation of a private toll road between Redding and Weaverville, and has provided outstanding service to the State Department of Transportation and its predecessor, the California Division of Highways, since 1912; and

WHEREAS, It is fitting, therefore, that the many outstanding contributions of Leslie A. Lowden and her family be appropriately memorialized; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Sutter Bypass bridge on State Highway Route 113 in Sutter County be officially designated the Leslie A. Lowden Memorial Bridge; and be it further

Resolved, That the Department of Transportation is directed to determine the cost of appropriate plaques and markers, consistent with the signing requirements for the state highway system, showing the special designation and, upon receiving donations from nonstate sources covering that cost, to erect those plaques and markers; and

be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of Transportation.

RESOLUTION CHAPTER 66

Assembly Concurrent Resolution No. 44—Relative to residential care facilities for the elderly.

[Filed with Secretary of State July 22, 1991.]

WHEREAS, The fastest growing portion of California's population is also its oldest; and

WHEREAS, The oldest of California's seniors, those most likely to be frail and in need of care or assistance, are increasing in number the fastest, with an anticipated growth by the year 2020 of 92 percent of those between 75 and 84 years of age and 144.6 percent of those aged 85 years and above; and

WHEREAS, The care and assistance required by frail or ill elders ranges from minor assistance at home to full-time care in a residential situation; and

WHEREAS, The demand for long-term residential care, both in nursing homes and residential facilities, is expected to grow in proportion to the number of Californians over the age of 75 years; and

WHEREAS, Presently, approximately 3,900 licensed residential care facilities for the elderly house about 90,000 elder persons; and

WHEREAS, An unknown number of unlicensed boarding homes house an even larger number of elder persons throughout the state; and

WHEREAS, National and statewide studies have indicated that the quality of care in many residential care facilities is less than adequate and, in some cases, extremely poor; and

WHEREAS, Cases of abuse, neglect, and unhealthy, unsafe, and uncaring conditions in residential care facilities and boarding homes have been identified by state agencies and in press reports; and

WHEREAS, The state is hindered in its attempts to assure an acceptable quality of care in residential care facilities for the elderly by very limited knowledge about the supply of facilities, both licensed and unlicensed, and who is being served; and

WHEREAS, It is further hindered by inadequate information about the current and anticipated demand for residential care, including information about the age, sex, race, health status, geographic distribution, and ability to pay of those likely to need such care; and

WHEREAS, Policy makers are hindered in their ability to explore alternative systems of care by the lack of information about

alternative approaches and model programs that are in place in other states and counties; and

WHEREAS, The Legislature has a deep interest in assuring that all aging Californians live comfortably, maintain their dignity, and receive the care they need; and

WHEREAS, The Institute of Health and Aging at the University of California, San Francisco, is initiating a privately funded study of the roles and functions of residential care facilities for the elderly; and

WHEREAS, This study will offer information about the current and anticipated need for residential care facilities for the elderly, the current and anticipated supply of such services, the nature and variety of residential care services, and alternative approaches to meeting the need for residential care facilities; and

WHEREAS, The study will conclude with a set of recommendations regarding how California can best meet the needs of its frail elderly and the place of residential care facilities in the spectrum of necessary services; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Assembly and Senate Offices of Research, the Department of Aging, and the State Department of Social Services are requested to cooperate with the Institute of Health and Aging in conducting the activities and supplying the information required to provide to the Legislature a clear picture of California's current and anticipated need for residential care facilities for the elderly, gaps and problems in the current system, and options for meeting future need; and be it further

Resolved, That the Institute of Health and Aging be requested to share its findings, conclusions, and recommendations with the Legislature during the 1993–94 Regular Session of the Legislature; and be it further

Resolved, That the Legislature commends the private institutions and foundations participating in this public and private partnership which shall enhance the understanding of long-term care needs and identify solutions to this serious problem facing the state and its elders.

RESOLUTION CHAPTER 67

Assembly Concurrent Resolution No. 52—Relative to World Cup 1994.

[Filed with Secretary of State July 22, 1991.]

WHEREAS, The Federation Internationale de Football Association, the world governing body for soccer, upon the application of the United States Soccer Federation, has designated the United States as the host country for World Cup 1994, the world's

largest single sporting event; and

WHEREAS, The San Francisco Bay area and the Los Angeles area are bidding to become two of the 12 communities throughout the United States that will host World Cup 1994 matches in June and July 1994; and

WHEREAS, These two areas offer superb facilities for staging major international soccer matches, as demonstrated in the 1984 Olympics, when the San Francisco Bay area very successfully supported nine soccer matches at Stanford Stadium in the preliminary rounds and the Los Angeles area hosted the final rounds; and

WHEREAS, The San Francisco Bay area and the Los Angeles area are primary destinations for international visitors to the United States and offer all of the services and amenities that will meet the needs of international visitors; and

WHEREAS, California is the United States' gateway to Pacific Rim countries and within its jurisdiction offers the greatest range of ethnic heritage and diversity in the United States, with many of our people being born and raised in countries where soccer is the major sport; and

WHEREAS, The State of California actively supported the conduct of the Olympic games in Los Angeles by passing appropriate legislation that was necessary to facilitate the conduct of these games; and

WHEREAS, It is anticipated that hosting World Cup 1994 will result in a positive economic impact on the State of California while enhancing the international reputation of the state; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the State of California welcomes World Cup 1994 and declares its full support of the efforts of the local organizing committees in the San Francisco Bay area and in the Los Angeles area, to be selected as World Cup 1994 sites; and be it further

Resolved, That the Assembly and Senate of the State of California encourage the Governor and all affected state departments to cooperate fully with World Cup 1994 organizing committees so that they will ultimately be selected as World Cup 1994 sites; and be it further

Resolved, That, upon being selected as a venue site for World Cup 1994, the Governor and state agencies work with the World Cup 1994 organizing committees to provide all of the necessary services to ensure a safe, successful, and enjoyable World Cup 1994 consistent with the kind of support that was provided in 1984 that made the Los Angeles Olympics such a successful international sporting event.

RESOLUTION CHAPTER 68

Senate Concurrent Resolution No. 12—Relative to the Judicial Council.

[Filed with Secretary of State July 23, 1991.]

WHEREAS, There is a need to improve the coordination of legal actions for families involved in multiple cases in multiple departments within a superior court; and

WHEREAS, Related legal actions can be better coordinated if each county adopts a protocol describing how families involved in multiple cases in multiple departments of the courts should be identified, how coordination of issues should be decided, and how information should be exchanged; and

WHEREAS, Cooperative case management and exchange of information is essential in all cases concerning children and family members appearing in multiple departments of the courts on multiple issues; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Judicial Council be requested to adopt a standard of judicial administration to encourage each superior court to develop rules or protocols to provide for the coordination of services and court orders relating to families who are involved in cases that are in more than one department of the court at or near the same time; and be it further

Resolved, That the Judicial Council be requested to develop and adopt a model rule for the coordination of services and court orders for families who are involved in cases that are in more than one department of the court at or near the same time, to be followed by local courts which fail to adopt a local court rule.

RESOLUTION CHAPTER 69

Senate Concurrent Resolution No. 24—Relative to merit awards.

[Filed with Secretary of State July 23, 1991.]

WHEREAS, Section 19823 of the Government Code provides that awards in excess of $3,000, when approved by concurrent resolution of the Legislature, may be made to state employees for adopted proposals; and

WHEREAS, An award of $3,000 has already been made to Robert E. Salon, Employment Development Department, for a proposal, resulting in annual net savings and increased revenue of $36,440, for recommending that a section be added to the Employer's Quarterly Report Adjustment Form whereby employers could compute the amount of penalty and interest due when submitting late

remittances of employee's tax and wage contributions; and

WHEREAS, An award of $3,000 has already been made to Kelly K. Krug, Department of Food and Agriculture, for a proposal, resulting in annual savings of $31,848, for recommending that the Office of Information Technology adopt a policy requiring that personal computers, statewide, be shut off at the end of the day unless there is a specific need for 24-hour operation; and

WHEREAS, An award of $3,000 has already been made to Ian Ekholm, Department of General Services, for a proposal resulting in annual net savings of $71,008, for recommending that newspaper advertising expenses for leased space be reduced by publishing ads once a week, on the same day, in all major newspapers statewide; and

WHEREAS, An award of $3,000 has already been made to Nathan R. Lanni, Department of General Services, for a proposal resulting in annual net savings and cost avoidance of $111,975, for the development of a computer automation system, which would replace manual calculations required for a school district's new construction funding eligibility, under the Leroy Green Lease-Purchase Program; and

WHEREAS, An award of $3,000 has already been made to Neal F. Graham, Department of Motor Vehicles, for a proposal resulting in net annual savings of $126,760, for recommending equal application of the department's fee requirement for automatic name index and driver's license data base for both single and volume requestors; and

WHEREAS, An award of $3,000 has already been made to Jack M. Lee, Department of Motor Vehicles, for a proposal resulting in savings of $40,400, for recommending that driver insurance information be entered into the driver's record data base file for easier access; and

WHEREAS, An award of $3,000 has already been made to Vernon L. Jones, Department of Water Resources, for a proposal resulting in savings of $75,015 by designing a porcelain heat tip for a high frequency induction welder rather than purchasing a more expensive and unsatisfactory product from the manufacturer; and

WHEREAS, An award of $3,000 has already been made to Donald L. Griffith, Department of Water Resources, for a proposal resulting in savings of $35,030 and a safer work environment, for the design and construction of a portable grinding machine to replace the hand grinding method; and

WHEREAS, An award of $3,000 has already been made to Terry T. McMichael, State Teachers' Retirement System, for a proposal, resulting in increased revenue of $36,313, for recommending the development and sale of a personal computer software program to assist members in calculating retirement benefits under various circumstances which in turn provide greater flexibility in financial planning; and

WHEREAS, These employee's proposals have resulted in annual savings and net revenue gain amounting to $564,789; and

WHEREAS, As a result of these savings, it is unnecessary to

appropriate additional funds for payment of awards to these employees; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature hereby declares that the following additional awards, authorized by the Department of Personnel Administration, are hereby made as follows to the employees named:

Robert E. Salon, $644
Kelly K. Krug, $185
Ian Ekholm, $4,101
Nathan R. Lanni, $2,599
Neal F. Graham, $9,676
Jack M. Lee, $1,040
Vernon L. Jones, $751
Donald L. Griffith, $903
Terry T. McMichael, $631

Resolved, That the Secretary of the Senate transmit copies of this resolution to the Controller and the Department of Personnel Administration.

RESOLUTION CHAPTER 70

Senate Concurrent Resolution No. 26—Relative to the coordination of public social services.

[Filed with Secretary of State July 23, 1991]

WHEREAS, There exists a variety of federal, state, and local public agencies to address the economic, educational, health, social service, and other needs of California's children and families; and

WHEREAS, Each of these public agencies has a specific objective in its provision of services that results in conflicting goals and overlapping jurisdictions, duplication of efforts, and gaps in services; and

WHEREAS, This complex maze of agencies is especially inefficient and ineffective for the most needy and vulnerable Californians, who experience difficulty gaining access to program services administered by these agencies; and

WHEREAS, Fragmentation in the human service delivery system creates further barriers to services for the most needy Californians and results in programs addressing individuals' needs rather than general family needs and the family issues that underlie many of the problems individuals face; and

WHEREAS, These agencies additionally are bound by categorical restrictions on funding which limit flexibility in service delivery to meet the needs of families; and

WHEREAS, These agencies must function and administer

programs within an increasingly limited fiscal environment; and

WHEREAS, Several local initiatives seek to integrate the services of these different agencies as a means of improving services to meet the needs of families and children; and

WHEREAS, New Beginnings, a strategy for integrated services for children and families, has resulted from the involvement of the City of San Diego, County of San Diego, San Diego City Schools, San Diego Community College District, and the San Diego Housing Commission; and

WHEREAS, New Beginnings will demonstrate this integrated services approach for families on or near a schoolsite in San Diego in 1991; and

WHEREAS, The New Beginnings model shows promise for adaptation and modification in other areas in San Diego County and California as a comprehensive system of services which is worthy of receiving commitments for long-term funding; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature commends the cooperation of local agencies, recognizes the promise of the New Beginnings concept, and encourages its adaptation to other locations and governmental units; and be it further

Resolved, That the Legislature of the State of California take an active leadership role in establishing long-term, effective solutions to promote and maintain the health and well-being of all families and children, and in encouraging appropriate administrative actions to reduce the barriers to needed program services for families and children.

RESOLUTION CHAPTER 71

Senate Concurrent Resolution No. 27—Relative to waste transformation.

[Filed with Secretary of State July 23, 1991]

WHEREAS, Various federal and state laws regulate the agricultural industry and provide for waste management; and

WHEREAS, Wastes from plants and animals, derived either in urban or rural areas, are like in character, and, with present technology, may be transformed to usable renewable commodities through hydrolysis, fermentation, distillation, composting, or anaerobic digestion; and

WHEREAS, Over 50 million tons of urban waste is generated annually in the state, 7.5 million tons of which is of plant origin that is disposed at landfill sites; and

WHEREAS, Over 10.5 million tons of agricultural waste is produced annually in the state, over 1.2 million tons of which is

disposed by field burning; and

WHEREAS, Over 500,000 tons of sewage sludge is generated annually in the state, 60 percent of which is disposed at landfill sites and 12 percent is applied as agricultural soil amendments; and

WHEREAS, Anaerobic digestion of animal waste or sewage sludge reduces the risk of pathogenic exposure and water contamination and produces recoverable fuel, including methane, and high-grade nutrient rich organic fertilizer usable on plants that are not used for food; and

WHEREAS, The development of integrated infrastructures to transform these wastes would reduce the amount of waste disposed at landfill sites, reduce field burning, and lead to greater production of organic fertilizers; and

WHEREAS, The transformation of these wastes in rural areas would encourage the producers of agricultural products to grow feedstock to supplement transformation and further reduce dependence on federal subsidy programs; and

WHEREAS, The disposal of urban waste of plant or animal origin at landfill sites is subject to tipping charges and the costs of collecting agricultural waste often exceed the market price of a transformed commodity; and

WHEREAS, Linking the transformation processes, utilizing both urban and rural plant or animal waste, offsets collection and transformation costs of like commodities for conversion to valuable, renewable resources; and

WHEREAS, The application of technology and techniques to develop new uses of these commodities and their transformation processes would lead to creation of goods and services that may be marketed for profit as renewable resources that could create new jobs in the rural areas and favorably impact on the quality of life in this state; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature of the State of California requests the Department of Food and Agriculture, as the lead agency, to develop an adaptive strategy for the utilization of agricultural waste and urban plant and animal wastes for the purpose of developing new commodities, that are not usable for food or feed, for widespread commercial use. The adaptive strategy shall include, but not be limited to, the following:

(a) The Legislature requests the Director of Food and Agriculture, in consultation with the Secretary of Environmental Affairs, to determine which urban wastes have like characteristics as agricultural wastes.

(b) The Department of Food and Agriculture may request funding for research, development, and demonstration projects in the Budget Act and from all federal grant sources, including requests for grants from alternative agricultural research and commercialization programs, the production and marketing of alcohols and industrial hydrocarbons from agricultural commodities

and forest products programs, biomass energy demonstration projects, and composting research and extension programs, as provided by federal law.

(c) The Legislature requests the department, in cooperation with growers, waste handlers, and others, to demonstrate technologies that convert urban and agricultural wastes to usable, renewable commodities and that reduce the volume of organic material disposed at landfill sites and field burning; and be it further

Resolved, That for purposes of this measure, "agricultural wastes" means solid wastes of plant or animal origin that result from the production and processing of agricultural products, including manures, orchard and vineyard prunings, and produce residues; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Director of Food and Agriculture.

RESOLUTION CHAPTER 72

Senate Concurrent Resolution No. 40—Relative to vehicles.

[Filed with Secretary of State July 23, 1991.]

WHEREAS, Existing law provides special parking privileges to any disabled person or disabled veteran who has lost, or has lost the use of, one or more lower extremities, is blind, or has other specified physical disabilities; and

WHEREAS, Existing law provides temporary special parking privileges to any person who is temporarily disabled for a period of less than one year; and

WHEREAS, A disabled person or disabled veteran is substantially benefited by the special parking privileges which allow those persons to park for unlimited time periods in time-restricted zones or without payment of any parking meter fees; and

WHEREAS, Many nondisabled persons park in violation of existing law which provides those parking privileges for disabled persons, thereby denying disabled persons the full benefit of existing law; and

WHEREAS, Local law enforcement and parking control authorities, in many cases, are insufficiently staffed to enforce the laws regarding parking privileges for disabled persons; and

WHEREAS, Existing law, Section 22507.9 of the Vehicle Code, authorizes local authorities to establish special local disabled parking enforcement units, and to establish hiring guidelines which encourage and enable the employment of qualified disabled persons in those special enforcement units; and

WHEREAS, Local agencies generally have not established local disabled parking enforcement units and may not be aware of the existence of Section 22507.9; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature urges cities and counties to actively consider establishing and operating special local disabled parking enforcement units as authorized by existing law, and to encourage the employment of qualified disabled persons in those units; and be it further

Resolved, That the Legislature urges cities and counties and local parking enforcement agencies to enforce the laws regarding parking privileges for disabled persons, and to develop and commit the personnel and resources necessary to reduce or eliminate the current problem of unlawful parking by nondisabled persons; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the Executive Director of the League of California Cities and the Executive Director of the County Supervisors Association of California.

RESOLUTION CHAPTER 73

Senate Joint Resolution No. 13—Relative to equal treatment of Americans.

[Filed with Secretary of State July 23, 1991.]

WHEREAS, The United States, in conjunction with Arab and European allies, unleashed a massive bombing attack on Iraqi armed forces in Iraq and occupied Kuwait on January 16, 1991; and

WHEREAS, Thousands of Americans of Arab descent live in the United States as American citizens; and

WHEREAS, Many Iraqi Americans now residing in the United States fled the brutality and persecution instigated by the Hussein regime; and

WHEREAS, Many Americans of Arab descent have fought in the United States armed forces against Iraq; and

WHEREAS, Hate crimes and other forms of physical harassment of Arab Americans have increased at an alarming rate since the beginning of the Iraq-Kuwait Crisis; and

WHEREAS, In response to increased concerns about terrorism in the United States, the Federal Bureau of Investigation has reportedly conducted "interviews" and investigations in the Arab-American community based on the ethnicity or national origin of Arab Americans and without reasonable cause; and

WHEREAS, The activities of the Federal Bureau of Investigation have unfairly aroused suspicion of Arab Americans and encouraged hate crimes against Arab Americans; and

WHEREAS, The Congress of the United States is considering passage of House Concurrent Resolution 56, which expresses the

sense of Congress that federal agencies should not engage in discrimination that threatens the civil liberties of Arab Americans and should assist in protecting Arab Americans from hate crimes and related discrimination.

Resolved by the Senate and the Assembly of the State of California, jointly, That the Legislature of the State of California supports equal treatment of all Americans, regardless of race, ethnicity, or religion; and be it further

Resolved, That this Legislature condemns any form of physical or emotional harassment of Arab Americans and other groups; and be it further

Resolved, That federal agencies should assist in protecting Arab Americans from hate crimes and related discrimination; and be it further

Resolved, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to pass House Concurrent Resolution 56; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 74

Assembly Joint Resolution No. 22—Relative to civil rights.

[Filed with Secretary of State August 21, 1991.]

WHEREAS, Historically the United States was founded upon the principle that all people are created equal; and

WHEREAS, In practice, discrimination against individuals based solely upon their color, religion, gender, or national origin has been an unfortunate part of this country's history; and

WHEREAS, Some of the ways this discrimination has manifested itself is in the areas of housing, job opportunities, and education; and

WHEREAS, For most of our country's history, it has been difficult for minorities to achieve equal opportunities and change has been slow in coming; and

WHEREAS, The Constitution of the State of California explicitly states that no citizen may be granted privileges not granted to another; and

WHEREAS, The citizens of the State of California are committed to the ideals of democracy and justice advanced by our Federal and State Constitutions; and

WHEREAS, In 1963, the Reverend Dr. Martin Luther King, Jr.

wrote from the Birmingham jail, "Injustice anywhere is a threat to justice everywhere;" and

WHEREAS, The Civil Rights Act of 1964 dramatically strengthened laws preventing discrimination in employment and injustice in other areas, and was a landmark in this country's efforts to ensure equality to all citizens; and

WHEREAS, In a series of recent decisions addressing employment discrimination claims under federal law, the Supreme Court of the United States cut back on the scope and effectiveness of civil rights protections; and

WHEREAS, Existing protections and remedies under federal law are not adequate to deter unlawful discrimination or to compensate victims of discrimination; and

WHEREAS, It is incumbent upon the California Legislature to request that the Congress restore the civil rights protections which were so dramatically limited by these recent Supreme Court decisions, and to strengthen the existing protections and remedies available under civil rights laws, in order to provide more effective deterrence of discrimination, and adequate compensation for the victims of discrimination; and

WHEREAS, There is a bill currently moving through Congress, House Resolution 1, that is designed to restore and strengthen the civil rights laws banning discrimination in employment and to accomplish other purposes; and

WHEREAS, This bill, the Civil Rights Act of 1991, would restore the prohibition against racial discrimination in the creation and enforcement of contracts, restore the burden of proof of unlawful employment practices in disparate impact cases, clarify the prohibition against impermissible consideration of race, color, religion, sex, or national origin in employment practices, facilitate prompt and orderly resolution of challenges to employment practices that carry out litigated or consent judgments or orders, grant all protected classes the same right to recover damages for intentional employment discrimination, and restore strong civil rights enforcement; now, therefore, be it

Resolved by the Assembly and the Senate of the State of California, jointly, That existing protections and remedies available under federal civil rights laws should be strengthened to provide more effective deterrence and adequate compensation for victims of discrimination; and be it further

Resolved, That the Legislature of the State of California respectfully requests the President and the Congress of the United States to pass House Resolution 1, the Civil Rights Act of 1991, which responds to recent decisions of the Supreme Court of the United States by restoring the civil rights protections that were limited by those decisions; and be it further

Resolved, That the Chief Clerk of the Assembly shall transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and

to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 75

Senate Concurrent Resolution No. 35—Relative to vehicles.

[Filed with Secretary of State August 22, 1991.]

WHEREAS, Pursuant to Section 34501.12 of the Vehicle Code, a part of the California Commercial Motor Vehicle Safety Act of 1988, the Department of the California Highway Patrol is required to inspect motor carrier terminals and maintenance facilities at least once every 25 months, and this requirement is known as the biennial inspections of terminals or "BIT" program; and

WHEREAS, In the course of an inspection under the BIT program, the patrol may encounter information or conditions indicating a substantial violation of a federal law or regulation or a statute or regulation enforced by another agency of this state; and

WHEREAS, It is desirable that these substantial violations be called to the attention of the appropriate entity; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Department of the California Highway Patrol is encouraged, whenever it encounters substantial violations of a federal law or regulation or a statute or regulation enforced by another agency of this state during the course of an inspection of a motor carrier terminal or maintenance facility, to inform the federal agency or other state agency having jurisdiction of the matter of that violation; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Commissioner of the California Highway Patrol.

RESOLUTION CHAPTER 76

Assembly Joint Resolution No. 12—Relative to federal child welfare and foster care programs.

[Filed with Secretary of State August 26, 1991.]

WHEREAS, The Adoption Assistance and Child Welfare Act of 1980 (P.L. 96-272) has been in effect for over a decade; and

WHEREAS, The number of abused and neglected children being placed in out-of-home care for their protection is increasing; and

WHEREAS, Existing family preservation programs initiated by California show great benefits and cost effectiveness; now, therefore,

be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature hereby respectfully requests the President and the Congress of the United States to do all of the following:

(a) Review and update provisions of the federal Adoption Assistance and Child Welfare Act of 1980 (P.L. 96-272);

(b) Support provisions that strengthen the ability of states to operate family preservation programs that result in a reduction of the need for out-of-home placements utilizing funding provided under Part E of Title IV of the Social Security Act (42 U.S.C. Sec. 670 et seq.) for the placement of children;

(c) Support provisions that encourage the development of multifaceted, broad-based, family preservation programs combining features of juvenile justice, mental health, and social service programs;

(d) Support provisions that provide for a 90 percent federal match under Part E of Title IV of the Social Security Act (42 U.S.C. Sec. 670 et seq.) for the planning, development, and installation of statewide automated child welfare data-processing systems;

(e) Support provisions that provide respite care for foster parents to assist them in meeting the needs of children who are victims of substance abuse or have special medical needs; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, to the Governor, to the Secretary of the State Health and Welfare Agency, to the Secretary of Child Development and Education, to the Director of the State Department of Mental Health, to the Director of the State Department of Social Services, and to the Director of the Department of the Youth Authority.

RESOLUTION CHAPTER 77

Assembly Joint Resolution No. 36—Relative to pest control.

[Filed with Secretary of State August 26, 1991.]

WHEREAS, Integrated pest management is important to the future of California's agricultural industry and the environment; and

WHEREAS, Insect pests, such as the Lygus hesperus, cause great damage to the California cotton industry, at a cost of as much as $645 million a year; and

WHEREAS, The application of insecticides on cotton would be reduced if biological control techniques could be implemented for pest control; and

WHEREAS, An efficacious, nonchemical Lygus hesperus control program in the San Joaquin Valley will greatly enhance prospects for the biological control of cotton, seed alfalfa, and safflower insects in California and serve as a model for future pest control in complex cropping systems; and

WHEREAS, The proposed New Mexico State University research project, the Integrated Management of Lygus hesperus in the San Joaquin Valley, would biologically control Lygus hesperus with augmentative releases of the Anaphes iole wasp, implement an insect evaluation system, and establish an insect control program based on the data from the evaluation study; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California finds and declares that the Integrated Management of Lygus hesperus in the San Joaquin Valley is an essential part of the development of California's integrated pest management program and California's cotton pest control program in particular; and be it further

Resolved, That the Legislature of the State of California proclaims its full support for the United States Department of Agriculture to fund the Integrated Management of Lygus hesperus research project in the San Joaquin Valley; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the United States Department of Agriculture, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 78

Assembly Joint Resolution No. 39—Relative to electric vehicles.

[Filed with Secretary of State August 27, 1991.]

WHEREAS, The movement of people and goods in California depends primarily on motor vehicle transportation and is critical to the economic well-being of the state; and

WHEREAS, California is now dependent upon oil, particularly foreign oil, to sustain the transportation sector of the state's economy, which consumes about one-half of the oil used in California, and about one-half of this oil is consumed as fuel for automobiles and other light duty vehicles; and

WHEREAS, While new car fuel economy is increasing, about 40 percent more gasoline is consumed in the state today than in 1970, due primarily to increases in the number of vehicles in the state and the number of vehicle miles traveled each year; and

WHEREAS, Burning gasoline and diesel fuel in internal combustion engines to power transportation now accounts for nearly

one-half of the reactive organic gases, over one-half of the nitrous oxides, and over three-fourths of the carbon monoxide polluting California's air, and these elements are the primary components of the mobile source pollutants contributing to the state's urban smog and carbon monoxide pollution; and

WHEREAS, California's high demand for petroleum based fuels has increased the volume of oil transported along our coast, and this oil transport is a direct threat to our coastline and the environment as evidenced by recent and repeated tanker oilspills; and

WHEREAS, The use of alternative clean fuels, including electricity, in vehicles must be accelerated in order for California to retain its economic vitality, reduce its dependence on oil, particularly foreign oil, significantly reduce its major source of air pollution, and begin to reduce the potential for environmental damage from oilspills; and

WHEREAS, Accelerating the commercialization of electric vehicles and the infrastructure to service and fuel electric vehicles is an essential and cost-effective alternative to internal combustion engines, since electric vehicle operation reduces major pollutant emissions by over 90 percent compared to gasoline-powered vehicles, including the emissions produced when generating electricity to charge the vehicle batteries; and

WHEREAS, Power for electric vehicles would be produced in electric generating plants in California and surrounding states operating under strict environmental controls and using a wide mix of readily available fuels; and

WHEREAS, A number of companies doing business in California have demonstrated prototype electric vehicles and have indicated a commitment to produce and market electric vehicles, and many companies, as well as state, county, and local government agencies, are introducing electric vehicles in their vehicle fleets and in various demonstration programs; and

WHEREAS, Federal law requires introduction of clean alternative fuel vehicles into vehicle fleets across the United States in areas failing to meet air quality standards, and recent California air quality regulations require the sale of zero emission vehicles, like electric vehicles, near the end of this decade, but government action is needed to facilitate necessary commercialization; and

WHEREAS, The United States Congress is now considering the National Electric Vehicle Act of 1991 introduced as H.R. 1538 by Congressman Brown and S. 768 by Senator Rockefeller, to establish a national electric vehicle research, demonstration, and commercialization program; and

WHEREAS, The proposed National Electric Vehicle Act of 1991 includes over $100,000,000 over several years in grant funds for state partnership research, demonstration, and incentive programs; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That, in addition to existing state policies in support of

low-emission vehicle technologies, it is the policy of the State of California to support and facilitate development and commercialization of electric vehicles in California, and development of the necessary infrastructure to support extensive use of electric vehicles throughout the state, in order to expedite the attainment of substantial reductions in air pollution, improvements in energy conservation, and reductions in the state's dependence on oil, particularly imported oil; and be it further

Resolved, That the California Legislature strongly urges passage by the United States Congress of the National Electric Vehicle Act of 1991 as introduced by Senator Rockefeller and Congressman Brown in the 102nd Congress; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, the Speaker of the House of Representatives, each Senator and Representative from California in the Congress of the United States, the Public Utilities Commission, and the State Energy Resources Conservation and Development Commission.

RESOLUTION CHAPTER 79

Assembly Concurrent Resolution No. 36—Relative to higher education.

[Filed with Secretary of State August 27, 1991]

WHEREAS, Current projections indicate that California must prepare to accommodate more than 700,000 additional students in its public higher education system within the next 14 years, which may require the construction of several new campuses of the University of California, California State University, and California Community Colleges; and

WHEREAS, California's future economic, social, and cultural development depends upon popular access to an educational system which prepares all of the state's inhabitants for responsible citizenship and meaningful careers in a multicultural democracy; and

WHEREAS, Long-term planning for California's future higher education needs must continue despite short-term resource shortfalls; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature commits to planning for expansion of its public higher education system in accordance with the educational policy goals proposed in the April 1989 report "California Faces ... California's Future: Education for Citizenship in a Multicultural Democracy" issued by the Joint Committee for Review of the Master Plan for Higher Education, particularly those

elements concerning quality undergraduate education, student and faculty diversity, improved transfer and retention programs, and effective accountability mechanisms; and, be it further

Resolved, That the Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges are requested to proceed with preparing for anticipated enrollment demand within the admission eligibility pools prescribed by the Master Plan for Higher Education, including planning for additional campuses approved by the California Postsecondary Education Commission and the Legislature pursuant to Sections 66903 and 66904 of the Education Code; and be it further

Resolved, That the Legislature finds and declares all of the following:

(1) The San Joaquin Valley sends fewer than 5 percent of its high school graduates to the University of California, a far smaller proportion than the statewide average of almost 8 percent.

(2) Access to postsecondary education is determined, in significant measure, by proximity to college campuses.

(3) The San Joaquin Valley, the most populated region of the state without a University of California campus, has one of the lowest rates of college participation of all regions in California.

(4) The southern San Joaquin Valley is home to a large population of Chicano and Latino Californians, a group which has been historically underrepresented among the University of California student body.

(5) Siting of a new University of California campus in the San Joaquin Valley would begin to address California's dual needs for an expanded statewide system of higher education and educational equity among the state's many regional communities; and, be it further

Resolved, That the Legislature recognizes that planning for a new University of California campus in the San Joaquin Valley is appropriate and urges the Regents of the University of California to continue with this planning notwithstanding short-term resource constraints.

RESOLUTION CHAPTER 80

Assembly Concurrent Resolution No. 29—Relative to the PolioPlus Program.

[Filed with Secretary of State August 27, 1991]

WHEREAS, In 1985, the World Health Organization (WHO) determined that polio had struck one-half million children annually; and

WHEREAS, In the same year, Rotary International joined the fight against polio through its PolioPlus Program, which was named to reflect the fact that polio was only one of several vaccine-preventable diseases that kill millions of children annually; and

WHEREAS, The PolioPlus Program was established to protect every child in the world against polio and other childhood diseases, a commitment shared by WHO and UNICEF; and

WHEREAS, By May 1988, the same month that the 41st World Health Assembly adopted the goal of global polio eradication by the year 2000, Rotary International announced that it had surpassed its PolioPlus fundraising goal of $120 million by over $100 million; and

WHEREAS, Since then, over $230 million in cash and pledges has been raised through PolioPlus; and

WHEREAS, The fundraising campaign ended in 1988, as of April 1991, over $223 million dollars has already been received, and it is expected that by the conclusion of receiving all pledges made during the campaign, over $245 million dollars will have been received from the voluntary contributions of the Rotarians of the world; and

WHEREAS, Most PolioPlus grants initially provided up to five consecutive years' support for approved national or regional immunization programs, Rotary International has extended its commitment following the success of the fundraising campaign and will now provide vaccines for up to five additional years to nations in economic need and, in some cases, will make grants for equipment to protect the vaccines from heat; and

WHEREAS, In addition to providing funds to purchase the polio vaccine, most PolioPlus grants include a small percentage designated for social-mobilization activities to ensure immunization coverage; and

WHEREAS, As of April 1991, PolioPlus grants have been made to over 100 separate nations to conduct nationwide immunization programs; and

WHEREAS, Often this seed money generates additional in-kind support from local sources, fulfilling an early PolioPlus pledge that in-country Rotarians would enlist private sector resources and expertise to support immunization; and

WHEREAS, Most project countries have national PolioPlus committees of Rotarians who plan social-mobilization activities to fit immediate needs and to assist in efforts to accelerate the Expanded Program on Immunization in these countries; and

WHEREAS, These committees are supported by the staff of Rotary International, regional advisers, and technical staff in Asia, Africa, and South America; and

WHEREAS, Using workshops at national, district, and local levels, the national committees have trained thousands of volunteers, Rotarians, and others; and

WHEREAS, As of November 1990, Rotary International had committed more than $150 million of PolioPlus funds to more than

100 nations to protect 500 million children, and as of that date, over 227 million children had already been immunized; and

WHEREAS, By early 1990, WHO determined that in many countries of the world, no case of polio has been reported during the past year, and that, in many countries, with polio vaccines, immunizations are also being given for measles, tuberculosis, tetanus, whooping cough, and other childhood diseases; and

WHEREAS, As progress continues to be made in the fight against polio, the need to continue telling the PolioPlus story becomes more crucial; and

WHEREAS, The remaining pledges must be collected, as every dollar is needed and the active involvement of Rotarians must continue to immunize every child and eliminate this dreaded disease; and

WHEREAS, Rotary International's PolioPlus Program has received a high magnitude of respect, and has been called "the greatest humanitarian project by a volunteer organization the world has ever known;" and

WHEREAS, The children of the world are counting on us; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That Rotary International is commended for its active involvement and commitment to the eradication of polio through the immunization of every child worldwide; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to Rotary International, the World Health Assembly, the World Health Organization, and UNICEF.

RESOLUTION CHAPTER 81

Assembly Concurrent Resolution No. 1—Relative to the Public Procurement Advisory Committee.

[Filed with Secretary of State September 3, 1991.]

WHEREAS, The State of California has historically been committed to evaluating and enacting cost saving measures in the operation of government; and

WHEREAS, The State of California, the California State University, and the University of California expend in excess of $4 billion annually in procuring goods, services, and construction, exclusive of the indirect costs of procurement personnel, including those of control agencies; and

WHEREAS, Procurement activities continue to grow in complexity and cost; and

WHEREAS, In 1983, the Public Procurement Advisory Committee

was created to study, investigate, and analyze state public procurement of goods, services, and construction in California, including procurement by the California State University and by the University of California, and to submit its recommendations to the Governor and the Legislature; and

WHEREAS, The mandate of the Public Procurement Advisory Committee was extended in 1984, until January 1, 1990, and in 1989, until January 31, 1991, with the provision that in order to effectuate cost savings in the state procurement of goods, services, and construction in California, it was essential that the Governor and the Legislature continue to receive annual recommendations from the Public Procurement Advisory Committee; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That all of the following shall occur:

(1) The Public Procurement Advisory Committee continue its mandate to study, investigate, and analyze state public procurement of goods, services, and construction in California, including procurement by the California State University and by the University of California; and

(2) The Public Procurement Advisory Committee shall be selected from recognized leaders in the procurement community in California. Members of the committee shall serve at the pleasure of the appointing authority. Every effort shall be made to ensure that the ethnic, racial, and gender composition of the advisory committee reflects the population of the State of California and that the committee is representative of the cultural and geographic diversity of the state. Members serving on the committee on January 31, 1991, shall continue to serve on the committee unless the appointing authority determines otherwise. Members of the committee shall consist of the following:

(a) A Member of the Senate.

(b) A Member of the Assembly.

(c) Three committee members designated by the Senate Rules Committee.

(d) Three committee members designated by the Speaker of the Assembly.

(e) Three committee members designated by the Governor.

(f) One committee member designated by the Director of General Services.

(g) One committee member designated by the Director of Transportation.

(h) One committee member designated by the Director of Corrections.

(i) One committee member designated by the Trustees of the California State University.

(j) One committee member designated by the Regents of the University of California.

(3) Members of the Public Procurement Advisory Committee shall serve without compensation.

(4) The members of the Public Procurement Advisory Committee shall be subject to the conflict-of-interest provisions of the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code).

(5) The Public Procurement Advisory Committee shall annually submit its recommendations to the Governor and the Legislature by June 30 of each year. The committee shall terminate on January 31, 1993.

RESOLUTION CHAPTER 82

Assembly Concurrent Resolution No. 57—Relative to the California Commission on African-American Males.

[Filed with Secretary of State September 3, 1991]

WHEREAS, Statistical studies chronicling the status of African-American males in American society reveal startling and disturbing conditions and trends; and

WHEREAS, By every indicia measuring achievement, success, and quality of life in American society, African-American males are facing a prodigious struggle for survival while fighting formidable opponents; and

WHEREAS, African-American males make up only 4 percent of the population of California, but are victims of 31 percent of the states' homicides and comprise 38 percent of the states' prison population; and

WHEREAS, National statistics indicate that one of every 22 African-American males will die as a result of homicide and that one of every six African-American males will be arrested by the age of 19 years; and

WHEREAS, African-American males make up less than 3 percent of California's total college and university enrollment; and

WHEREAS, African-American males suffer from more debilitating health problems, a higher death rate, and a lower life expectancy than males in other ethnic and racial groups; and

WHEREAS, Between the years 1973 and 1988, the average real annual income for African-American males in the United States between the ages of 20-24 years fell by more than 50 percent; and

WHEREAS, There is no statewide repository of data available on the status of African-American males; and

WHEREAS, There should be a study to determine the California dynamics relative to the increasing misfortunes and the social distress affecting African-American males in American society; and

WHEREAS, The results of such a study will recommend what effective measures must be taken or encouraged by the Legislature to help alleviate or relieve some of the underlying causes that

threaten the survival of African-American males; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature hereby establishes the California Commission on the Status of African-American Males; and be it further

Resolved, That the commission shall consist of 15 members, with five members to be appointed by the Speaker of the Assembly, five members to be appointed by the Senate Committee on Rules, and five members to be appointed by the Governor, in accordance with all of the following:

(a) Appointments to the commission shall include, but not be limited to, members of the Assembly and Senate and professionals in the fields of criminal justice, health and social services, education, and religion.

State officers or employees may be appointed to the commission.

(b) The initial appointments to the commission shall be made not later than 90 days after the adoption of this resolution.

(c) Whenever an appointment to the commission is not made within the 90-day period prescribed in paragraph (b), the position shall be filled, on a temporary basis, by a person appointed by a quorum of the commission. A person appointed by a quorum of the commission shall, however, serve only until the appropriate appointing power makes a permanent appointment. For purposes of this paragraph, a quorum of the commission shall constitute eight members, except that none of these eight members shall have been appointed by a quorum of the commission.

(d) The Speaker of the Assembly shall designate a chair for the commission from among the members appointed.

(e) The Senate Committee on Rules shall designate a vice chair for the commission from among the members appointed; and be it further

Resolved, That members of the commission shall serve without compensation.

All expenses of the commission, other than existing Assembly staff and resources provided by the Legislature, shall be reimbursed from private contributions and foundation funds; and be it further

Resolved, That it shall be the duty and responsibility of the commission to do all of the following:

(a) Appoint advisory committees with recognized expertise in the five targeted areas listed in paragraph (b).

(b) Conduct research to determine the nature and extent of the problems concerning African-American males in five targeted areas; unemployment, education, criminal justice, social services, and health.

(c) Hold public hearings for the purpose of collecting data.

(d) Identify existing federal, state, and local programs that address problems and solutions relevant to the targeted areas of study.

(e) Develop community education and public awareness programs especially designed for African-American males.

(f) Develop strategies to improve the social condition of the African-American males.

(g) Solicit funds from the private sector for the purposes of travel reimbursement, staffing, publications, operational expenses, and any and all other expenses related to the commission; and be it further

Resolved, That the commission may meet or consult with any persons as may be able to assist the commission in carrying out its duties; and be it further

Resolved, That the commission shall report its findings and policy recommendations to the Legislature on or before July 31, 1992; and be it further

Resolved, That the commission shall be terminated on January 31, 1993, unless a later adopted concurrent resolution, which is chaptered before that date, deletes or extends the date.

RESOLUTION CHAPTER 83

Senate Concurrent Resolution No. 11—Relative to the Southwest Museum.

[Filed with Secretary of State September 4, 1991]

WHEREAS, The Southwest Museum, designed and built by Charles F. Lummis, an early California legend, remains the oldest museum in the City of Los Angeles, is recognized as one of the centerpieces of northeast Los Angeles, and has been identified as the "cultural anchor" of the Mount Washington-Highland Park area; and

WHEREAS, The Board of Trustees of the Southwest Museum, home to one of our nation's finest collections of Native American artifacts, has announced that it is seeking proposals for a new site and the decision to move was made without notifying the membership or the surrounding community; and

WHEREAS, Many organizations and concerned individuals have joined together to form "Save Our Southwest Museum" to oppose the move of the Southwest Museum; including, the Los Angeles Conservancy, the Mount Washington Association, the Highland Park Neighborhood Association, the Eagle Rock Association, the Highland Park Heritage Trust, the Lincoln Heights Preservation Association, the Eagle Rock and Highland Park Chambers of Commerce, the Pasadena Heritage, the Altadena Historic Association, the Arroyo Arts Collective, Art in the Park, the Eagle Rock Historical Association, the Highland Park Ministerial Association, the Lincoln Heights Kiwanis, the Northeast Action Committee, the Northeast Democratic Club, and Occidental College; and

WHEREAS, The Southwest Museum is an historic treasure; the

building itself, renowned for its architecture, is as significant a part of history as are the collections of American Indian art and artifacts it displays; the museum serves over 25,000 school children free of charge; and the collection of the museum represents the cultural legacy of the people who live in the area; and

WHEREAS, The Southwest Museum has received state funding in the form of grants and it is important to the state to affirm the importance of maintaining the Southwest Museum in its current historic location; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature of the State of California joins with the community of Los Angeles in urging that the Southwest Museum be kept in its current location in order to historically preserve the oldest museum in the City of Los Angeles; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Board of Trustees of the Southwest Museum.

RESOLUTION CHAPTER 84

Senate Concurrent Resolution No. 19—Relative to high school sports injuries.

[Filed with Secretary of State September 4, 1991.]

WHEREAS, Several hundred thousand children and young adults participate in high school athletics of all types, including football, track and field, soccer, wrestling, baseball, and basketball; and

WHEREAS, There are thousands of injuries to these athletes each year; and

WHEREAS, There are no uniform reporting standards and no statistics kept by any of the educational institutions regarding the number of injuries, types of injuries, and causes of injuries; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That all persons involved in high school athletics in this state should make every effort to prevent injuries to participants; and be it further

Resolved, That the State Department of Education, in order to fully understand the scope of the problem, is requested to develop a reporting form to be utilized by a representative sampling from 20 percent of all high schools in order for the department to compile and submit to the Legislature a report for three consecutive school years regarding the types, causes, and number of injuries, including reinjuries, in high school athletics, so that the department can identify areas that need special attention; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this

resolution to the Superintendent of Public Instruction.

RESOLUTION CHAPTER 85

Senate Joint Resolution No. 21—Relative to the California Army National Guard.

[Filed with Secretary of State September 4, 1991.]

WHEREAS, The Department of the Army has announced a reduction in the size of the reserve forces, including the National Guard; and

WHEREAS, The California Army National Guard would be required to reduce in size by 32 percent, a loss of about 7,000 soldier positions; and

WHEREAS, The California Army National Guard is the sole and irreplaceable military force legally available and equipped to respond immediately to natural disasters and other emergencies at the direction of the Governor; and

WHEREAS, The planned reduction will drastically and dangerously impair the capability of the state to respond quickly to the large numbers of emergencies which occur annually in California and the constant potential for wildfires, floods, and earthquakes of catastrophic proportion; and

WHEREAS, The State of California is projected to dramatically increase in population in the next decade, increasing the potential magnitude of human risk from natural disaster; and

WHEREAS, The state supports the reduction of the federal Armed Forces and of the costs to maintain them in time of peace; and

WHEREAS, Reserve forces can be maintained in peacetime at about one-third the cost of active duty forces, and can be maintained combat ready and deployable on short notice as demonstrated in Operation Desert Storm; and

WHEREAS, The citizens of the State of California object to a reduction in the California Army National Guard force structure; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature and the citizens of the State of California strongly urge the President of the United States, the Secretary of Defense, the Secretary of the Army, and the Congress of the United States to direct that the authorized strength of the force structure of the California Army National Guard shall not be reduced; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States,

to the Secretary of Defense of the United States, and to the Governor and the Adjutant General of the State of California.

RESOLUTION CHAPTER 86

Assembly Concurrent Resolution No. 25—Relative to parks and recreation.

[Filed with Secretary of State September 6, 1991.]

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Department of Parks and Recreation is requested to update its February 1982 Jepson Prairie Project Investigation Report, and to submit the update to the Legislature not later than June 30, 1992; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of Parks and Recreation.

RESOLUTION CHAPTER 87

Assembly Concurrent Resolution No. 31—Relative to a freshwater pipeline.

[Filed with Secretary of State September 6, 1991.]

WHEREAS, The shortage of water in this state has become an increasingly serious emergency situation for the citizens, businesses, and agricultural interests within the state; and

WHEREAS, Fresh river water from the entire western slope of the North American Continent presently is flowing into the Pacific Ocean, thereby wasting a valuable natural source of freshwater; and

WHEREAS, The Governor of the State of Alaska, the Honorable Walter J. Hickel, has publicly announced his interest in sharing that state's immense, renewable surplus of freshwater by making that resource available to western states; and

WHEREAS, It is in the best interests of this state's growing state population and important industrial and agricultural concerns to divert a portion of that surplus water supply to areas experiencing severe water shortages; and

WHEREAS, Modern technology and engineering capabilities make it technologically feasible to construct a freshwater pipeline along the coastal waters extending from Alaska to California; and

WHEREAS, In planning, designing, and constructing a North American water pipeline, consideration should be given to using the demonstrated expertise of federal laboratories and technology transfer programs that are exemplified by the work performed at the

National Aeronautics and Space Administration Ames Research Center at Moffett Field, California; and

WHEREAS, An interstate compact agreement between Alaska and California could be executed to provide for the necessary planning, financing, and construction of large, submerged floating conduit pipes that are either anchored to, or rest on, the Continental Shelf and capable of bringing surplus water to this state; and

WHEREAS, The freshwater pipeline could be constructed to avoid interference with the navigation of commercial and noncommercial vessels and to mitigate the effects of ocean currents; and

WHEREAS, The significant density differences between freshwater to be transported in the pipeline and the surrounding seawater would provide sufficient buoyancy to limit construction support requirements to composite cable anchoring for containment; and

WHEREAS, At selected underwater pumping sites, waterflow could be maintained and new water supplies could be added from intake areas drawing upon freshwater from Alaskan rivers otherwise flowing into the Pacific Ocean; and

WHEREAS, Pumping sites could also direct freshwater flows to designated onshore areas to meet local water needs; and

WHEREAS, The southward flow in the pipeline would be enhanced in its long journey by the Coriolis effect of the Earth's rotation, thereby reducing mechanical pumping requirements; and

WHEREAS, A water pipeline route beneath the ocean's surface could effectively eliminate the need to acquire costly rights-of-way, the digging of tunnels, and pumping water over mountain ranges, while at the same time reducing the potential impact of earthquakes and losses of water due to evaporation; and

WHEREAS, The use of reinforced composite pipe section can greatly reduce the costs of the project and ensure long-term reliability, thereby making the construction of the project the most practical and cost-effective solution to the state's current and future water needs; and

WHEREAS, House Joint Resolution 186 was introduced in the first session of the 102nd Congress to require President Bush to conduct an initial feasibility study relating to a suboceanic freshwater pipeline between Alaska and California and to submit that study to Congress; and

WHEREAS, House Resolution 1600 was also introduced in the first session of the 102nd Congress to require the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct an initial feasibility study, with federal funding appropriated for that purpose, relating to the construction of a pipeline from Alaska to California and other western and southwestern states facing water shortages; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Governor is hereby requested to work in cooperation with Governor Walter J. Hickel of Alaska in

supporting federal efforts to explore the feasibility of constructing an Alaska-California suboceanic freshwater pipeline; and be it further

Resolved, by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to enact House Joint Resolution 186 and House Resolution 1600, which require feasibility studies relating to the construction of a freshwater pipeline between Alaska and California; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the Governor, to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 88

Assembly Concurrent Resolution No. 32—Relative to emergency medical services.

[Filed with Secretary of State September 6, 1991.]

WHEREAS, A competent adult has a constitutional right to life and to determine the course of his or her own health care, including, but not limited to, the right to refuse medical treatment; and

WHEREAS, The state has an interest in protecting an individual's right to life and also in protecting an individual's right to refuse medical treatment; and

WHEREAS, The use of "Do Not Resuscitate" and "Do Not Intubate" authorization forms for standing medical orders in outpatient settings by prehospital emergency medical care personnel is a current practice, which varies in form and content from one locality to another throughout the state; and

WHEREAS, These issues are of major consequence, and it is imperative that they be fully addressed and clearly articulated so as to optimize the state's interest in fully protecting the right to life while fully protecting individual liberties, including, but not limited to, the right to refuse medical treatment; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature urges the Emergency Medical Services Authority to evaluate, in consultation with medical directors of local EMS agencies, the need for statewide uniformity in the structure and content of these "Do Not Resuscitate" and "Do Not Intubate" authorizations for use in outpatient settings by prehospital emergency medical care personnel; and be it further

Resolved, That the Legislature urges the Emergency Medical Services Authority report by June 1, 1992, to the Legislature the

results of its evaluation, including, but not limited to, its recommendations for implementing legislation, if necessary, and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Emergency Medical Services Authority.

RESOLUTION CHAPTER 89

Assembly Concurrent Resolution No. 38—Relative to children of incarcerated parents.

[Filed with Secretary of State September 6, 1991.]

WHEREAS, In the State of California there are in excess of 200,000 minor children of state and federal prison and county jail inmates; and

WHEREAS, Children of incarcerated parents experience desertion, ridicule, isolation, and guilt associated with parental absence; and

WHEREAS, Children of incarcerated parents suffer from economic and educational deprivation through no fault of their own, resulting in a sense of low self-worth and esteem, which has been shown to be a major factor in adult behavior leading to conviction and incarceration in prison or jail; and

WHEREAS, There is an established relationship between a strong and nurturing environment during childhood and behavior and good citizenship in adult life; and

WHEREAS, Children of incarcerated parents are at a higher risk of adult deviant behavior than other children; and

WHEREAS, A comprehensive study of the special problems associated with being the child of an incarcerated person has never been done; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the State of California finds that children of incarcerated parents are at a high degree of risk and that an investment of early intervention and services will result in the long-term reduction in California's inmate population; and be it further

Resolved, That the State of California finds that the at-risk population of children of incarcerated parents requires the special consideration of each state agency and department in planning and development of programs serving children such as child welfare, public assistance, mental health, medical, and educational programs; and be it further

Resolved, That the Assembly Office of Research shall conduct a comprehensive study of the problems faced by and associated with children of incarcerated parents, including wards of the Department

of the Youth Authority whose parent or parents are state prison inmates, and shall report its findings and conclusions no later than July 1, 1992, to the Legislature; and be it further

Resolved, That the comprehensive study shall include outreach to public and private nonprofit community organizations that serve families and children of incarcerated parents; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Superintendent of Public Instruction, Secretary of the Youth and Adult Correctional Agency, Secretary of Health and Welfare, and Secretary of Child Development and Education.

RESOLUTION CHAPTER 90

Assembly Concurrent Resolution No. 43—Relative to expanding educational opportunities to nontraditional students.

[Filed with Secretary of State September 6, 1991]

WHEREAS, The American economy has shifted and is continuing to shift from a manufacturing-driven economy toward an information-driven economy, with many of the changes occurring first in California; and

WHEREAS, The American economy is increasingly part of the world economy, with its shift toward Asia and the Pacific Rim, making California the "gateway to the Pacific"; and

WHEREAS, Changes in the American economy have made it increasingly necessary to obtain a level of education beyond high school in order to gain and maintain employment and to advance to levels of higher responsibility, a trend that is expected to continue well into the next century; and

WHEREAS, These same changes in the nature of business and the economy will require workers to change jobs several times during the course of their working lifetime; and

WHEREAS, California is experiencing a rapid growth in its population, and changes in its demographic makeup, including growth in racial, ethnic, and language diversity; and

WHEREAS, The current and projected growth in California will not be proportionate by age group, but will reflect greater growth in the numbers of children and seniors; and

WHEREAS, This will produce a corresponding drop in the percentage of the population who are in their prime working years, a situation made more critical by the fact that many adults will not have the skills to be productive members of the work force; and

WHEREAS, Nontraditional students—who are older or are working, many with children and family responsibilities—cannot now fully avail themselves to the three branches of higher education because of a lack of courses offered during nonworking hours; and

WHEREAS, The Joint Committee for Review of the Master Plan for Higher Education has recommended that the University of California and the California State University incorporate into their mission statements a specific commitment to integrating older part-time students, and has recommended that those institutions make organizational changes necessary to fulfill that commitment, and the committee noted that "one of the clearest barriers to students' progression is the 'full time' nature of education at the University of California and, to a lesser degree, the California State University"; and

WHEREAS, Public education is the foundation of American democracy and has historically served as the ladder of economic mobility for those persons seeking a better life for themselves and their families; and

WHEREAS, The Legislature recognizes that the California Community Colleges, with their open access and transfer arrangements with the California State University and the University of California, currently provide the primary entry point for nontraditional students; and

WHEREAS, The increase in tuition and other costs associated with attending the University of California or the California State University is resulting in increased demands on the community colleges, which are also facing increased demands as a result of budget cuts in adult education programs conducted by school districts while operating under a state-mandated limitation on enrollment growth; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the University of California, the California State University, and the California Community Colleges are requested to respond to the needs of the changing California economy and the changing California population by offering more evening and weekend courses, by admitting more nontraditional students, and by finding ways to meet the needs of adults who work outside the home and raise a family; and be it further

Resolved, That the Legislature is requested to examine ways in which to provide the necessary resources for nontraditional students, particularly so that they may avail themselves of courses relating to job training or enhancement of job-related skills and programs in English as a second language, and that these programs not be disproportionately affected during times of fiscal constraint; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges.

RESOLUTION CHAPTER 91

Assembly Concurrent Resolution No. 65—Relative to California's Job Training Partnership Week.

[Filed with Secretary of State September 6, 1991.]

WHEREAS, Federal legislation was passed in 1982 to establish a private-public sector partnership through the adoption of the Job Training Partnership Act for the purpose of designing and providing job training programs to address community needs for a trained labor force; and

WHEREAS, The Private Industry Councils (PICs) bring a business-like approach to job training and have developed strong local partnerships for leveraging resources, coordinating services, and implementing successful job training programs for the economically disadvantaged, long-term unemployed, and other at-risk groups who otherwise would not have an opportunity to achieve economic independence; and

WHEREAS, The PICs' service providers, the community-based organizations, local education agencies, and other local organizations have contributed to the successful delivery of job training services to thousands of Californians; and

WHEREAS, Over 300,000 graduates of the PIC Job Training Partnership Act program have successfully been placed in jobs since the act's implementation; they now enjoy the benefits and security that a job provides and are gainful contributors to the state's economy; and

WHEREAS, The successes of the Job Training Partnership alumni reflect the success of this partnership and they are the best advocates for the program; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the California State Legislature hereby joins in with the other states of the nation in recognizing and celebrating the success of the Private Industry Councils' Job Training Partnership Act programs, and, by way of this resolution, proclaims the week of August 26 through September 2, 1991, as California's Job Training Partnership Week.

RESOLUTION CHAPTER 92

Assembly Joint Resolution No. 10—Relative to Reproductive Rights.

[Filed with Secretary of State September 6, 1991.]

WHEREAS, Abortion is a legal medical service related to pregnancy and the choice to elect an abortion is a personal, private right protected by the United States Constitution and California Constitution; and

WHEREAS, The federal government provides assistance for pregnancy-related care for substantial numbers of women under a variety of federal programs, including the medicaid program, the Indian Health Care Program, the Federal Employees' Health Benefits Program, the program of health care for military dependents and retirees, the Peace Corps program, general payments to the District of Columbia, and the program of medical services to federal penal and correctional institutions; and

WHEREAS, Pregnant women who otherwise are provided pregnancy-related care under these programs have been denied equal access to health care services due to Congress' severe and unjustified restrictions on their freedom to choose services that relate to abortion; and

WHEREAS, Denial of access to health care services because those services relate to abortion is unjust and unfair to pregnant women who are or whose spouses are employed by the federal government or who otherwise are dependent on the federal government for health care, and threatens their health and well-being and that of their families; and

WHEREAS, Denial of abortion services to pregnant women who rely on the federal government for health care creates a two-tiered health care system where poor women are unable to afford a privately funded abortion and women with more resources are able to finance a private abortion; and

WHEREAS, Medicaid recipients, Native American women, Peace Corps volunteers, federal employees and their dependents, military personnel and their dependents, and women in federal prisons are often unable to afford a privately funded abortion; and in the case of women in federal prisons, they are unable to leave prison to obtain abortion services; and

WHEREAS, It is incumbent upon the Legislature of the State of California to request that Congress ensure that all women in our society have an equal opportunity to protect their reproductive health and to exercise their constitutional right to choose whether to terminate a pregnancy; and

WHEREAS, There are two bills advancing in Congress that are each known as the Reproductive Health Equity Act, and that are designed to restore access to abortion services for women who are dependent on the federal government for their health care; and

WHEREAS, The Reproductive Health Equity Act would require the federal government to provide abortion services to women who receive Medicaid, Native American women, Peace Corps volunteers, federal employees and their dependents, military personnel and their dependents, and women in federal prisons; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and Congress of the United States to enact the Reproductive Health Equity Act to ensure that all women in our society have an equal opportunity to make reproductive health decisions; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and the Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 93

Assembly Joint Resolution No. 34—Relative to first-time home buyers and tax deferred savings for down payments.

[Filed with Secretary of State September 6, 1991]

WHEREAS, In California, between 1980 and 1991 the median sales price of a single-family home has escalated dramatically; and

WHEREAS, In California, the percentage of people who can afford a first home has declined dramatically; and

WHEREAS, In California, the average down payment for a home for a first-time buyer has significantly risen, presenting an insurmountable goal for many Californians; and

WHEREAS, The dream of home ownership is fading for many Californians and others across the United States; and

WHEREAS, The Legislature of the State of California and the United States Congress have shown the willingness and desire to help make home ownership attainable to those who seek to achieve it; and

WHEREAS, A special type of savings account to encourage and assist individuals and families to accumulate funds for a down payment on the purchase of a first home, either in the form of an Individual Housing Account (IHA) or an existing Individual Retirement Account (IRA), which would provide either a federal tax deduction or credit for the amount deposited, with interest accumulating tax free, would greatly enhance the opportunity for greater home ownership; and

WHEREAS, The law already permits a broad range of investment vehicles for IRA's and other similar accounts, and to most Americans, a house is their most significant, costly, and valuable investment; and

WHEREAS, The Legislature of the State of California finds and declares that assisting those Californians who desire home ownership is both sensible and fair; now, therefore, be it

Resolved by the Assembly and the Senate of the State of California,

jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to enact legislation that will provide tax incentives for individuals who save for a down payment on the purchase of a first home; and be it further

Resolved, That the Congress create a new Individual Housing Account to allow individuals to save funds for the purchase of a first home, the amounts deposited to be deductible, and the income therein to accumulate tax free; and be it further

Resolved, That the Congress modify Individual Retirement Accounts to allow their funds to be used for a down payment on the purchase of a first home; and be it further

Resolved, That the Congress enact these savings incentives for the benefit of low- and middle-income first-time home buyers, and not for purposes of home refinancing or for other purchases of residential real estate; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and the Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 94

Assembly Joint Resolution No. 47—Relative to the Baltic Republics.

[Filed with Secretary of State September 6, 1991]

WHEREAS, The United States has never acknowledged the incorporation of the Baltic republics into the Soviet Union due to the illegal nature of the Molotov-Ribbentrop agreement of August 23, 1939, and the subsequent hostile acquisition of land thereof; and

WHEREAS, The peoples of Lithuania, Latvia, and Estonia have individually, and collectively, resisted the Communist domination of their homelands in the name of independence and democracy throughout 52 years of Soviet rule; and

WHEREAS, These republics have maintained their own individual religions, languages, traditions, and literature throughout the Soviet occupation; and

WHEREAS, These republics opposed the illegal coup attempt against Mikhail Gorbachev in August of 1991; and

WHEREAS, These republics have been long-time supporters of democracy and independence; and

WHEREAS, These nations have declared independence from the Soviet Union; now, therefore, be it

Resolved by the Assembly and Senate of the State of California,

jointly, That the Legislature of the State of California supports Lithuania, Latvia, and Estonia in their struggle for independence from the Soviet occupation, and that the Legislature of the State of California respectfully memorializes the President and Congress of the United States of America to act immediately to extend full diplomatic recognition to the freely elected Baltic governments of Lithuania, Latvia, and Estonia; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 95

Assembly Joint Resolution No. 26—Relative to outdoor advertising.

[Filed with Secretary of State September 9, 1991.]

WHEREAS, Pursuant to Section 101 of the Highway Beautification Act of 1965 (23 U.S.C. Sec. 131) and Section 5419 (former Section 5288.5c) of the Business and Professions Code, a provision of the Outdoor Advertising Act, the Director of Transportation (formerly the Director of Public Works) and the Administrator of the Federal Highway Administration, on February 15, 1968, entered into an agreement to define and approve the size, spacing, and lighting of outdoor advertising displays located in areas zoned commercial or industrial; and

WHEREAS, That agreement did not approve advertising displays which have changeable messages which can be changed by electronic processes or by remote control, except those with messages advertising only activities occurring on the property upon which the display is located; and

WHEREAS, The state, and counties and cities, desire the authority to regulate the erection of off-premises changeable message signs, known as message center displays, as a means of providing economic and other benefits to the state and counties and cities; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the President and Congress are respectfully memorialized to direct the Administrator of the Federal Highway Administration to meet with the Director of Transportation of the State of California to amend the agreement entered into on February 15, 1968, pursuant to Section 101 of the Highway Beautification Act of 1965 and former Section 5288.5c, now Section 5419, of the Business and Professions Code, a provision of the Outdoor Advertising Act, to permit the state, and counties and cities,

to regulate off-premises changeable message signs, known as message center displays, in accordance with the Outdoor Advertising Act; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the Director of Transportation.

RESOLUTION CHAPTER 96

Assembly Concurrent Resolution No. 47—Relative to free trade.

[Filed with Secretary of State September 9, 1991.]

WHEREAS, The United States, Mexico, and Canada will soon enter negotiations on a history-making comprehensive free trade agreement, with implementation of the agreement as early as 1993; and

WHEREAS, The Republic of Mexico is California's second largest export market, with two-way trade estimated at over $8 billion for 1990; and

WHEREAS, The Dominion of Canada has already signed a bilateral free trade agreement with the United States; and

WHEREAS, The North American Free Trade Zone would have a combined output of $6.6 trillion, which would be 25 percent greater than the European Community; and

WHEREAS, California's agricultural and allied industries account for approximately $72 billion of the state's economic output; and

WHEREAS, California farms and orchards provide a major percentage of the total domestic fruit and vegetable production for the nation; and

WHEREAS, Approximately one in six jobs in California are related to agriculture; and

WHEREAS, Some sectors of California's agricultural industry will face a tremendous challenge from the proposed free trade agreement, with increased competition from Mexican produce, while other sectors will see increased opportunity for export; and

WHEREAS, Strategic planning and preparation for operating in the free trade environment are essential for the continued success of California's agricultural industry; and

WHEREAS, With the tremendous stake California's agricultural industry has in the free trade negotiations, it is essential that all sectors of the industry, including processors and laborers, be fairly represented and have a channel to voice their concerns; and

WHEREAS, The California State World Trade Commission and the Agricultural Export Program of the Department of Food and

Agriculture represent the state in matters of international trade; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the California State World Trade Commission and the Agricultural Export Program of the Department of Food and Agriculture shall provide forums for all interested parties in the state before expressing their position on issues related to the free trade agreement to the United States Trade Representative; and be it further

Resolved, That the California State World Trade Commission and the Agricultural Export Program of the Department of Food and Agriculture, in conjunction with entities in both the public and private sectors, identify plans and strategies for quickly taking advantage of opportunities presented by the passage of the agreement, and also for facing the increased competition expected from Mexican produce; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the California State World Trade Commission and the Department of Food and Agriculture.

RESOLUTION CHAPTER 97

Assembly Concurrent Resolution No. 17—Relative to Red Ribbon Week.

[Filed with Secretary of State September 12, 1991.]

WHEREAS, Californians for Drug Free Youth, Inc., a statewide parent-community organization, the Department of Alcohol and Drug Programs, the State Department of Education, the California Parent Teacher Association, and the Attorney General's Crime Prevention Center are cosponsoring October 19 through October 27, 1991, as "Red Ribbon Week"; and

WHEREAS, Business, government, law enforcement, schools, religious institutions, service organizations, youth, senior citizens, medical and military personnel, sports teams, and individuals throughout the State of California will demonstrate their commitment to drug-free, healthy lifestyles by wearing and displaying red ribbons during this week-long campaign; and

WHEREAS, The Assembly has further committed its resources to ensure the success of the Red Ribbon campaign; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the California Legislature does hereby support the Red Ribbon campaign by proclaiming October 19 through October 27, 1991, as "Red Ribbon Week," and by encouraging the citizens of California to help build drug-free

communities and to participate in drug prevention activities by making a visible statement that we are firmly committed to a drug-free life; and be it further

Resolved, That the California Legislature encourages all citizens to personally pledge, "MY CHOICE, DRUG-FREE!"; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Governor of the State of California.

RESOLUTION CHAPTER 98

Assembly Concurrent Resolution No. 30—Relative to reconvening the California AIDS Leadership Committee.

[Filed with Secretary of State September 12, 1991.]

WHEREAS, The Human Immunodeficiency Virus (HIV) has come to be acknowledged as one of the worst infectious disease epidemics of all time; and

WHEREAS, California has consistently accounted for over 20 percent of all AIDS cases reported in the United States; and

WHEREAS, As a state, California has been in the forefront of efforts to respond to the epidemic, accomplishing a great deal in a relatively short time; and

WHEREAS, The California AIDS Leadership Committee (CALC) prepared a July 1989 report entitled, "California's Continuing Response to HIV Disease—A Strategic Plan," which specifies a strategic plan for the state to further address the substantial needs and problems created by the unique and, to many, terrifying epidemic of HIV disease; and

WHEREAS, The plan builds upon previous activities and focuses especially on what needs to be done in the next three years; and

WHEREAS, It is the product of the combined efforts of representatives of local and state government agencies, professional associations, private entities, community-based organizations, academia, and interested individuals, as coalesced under the aegis of the CALC; and

WHEREAS, The CALC comprised many of the most knowledgeable persons in the areas which have been directly affected by the HIV epidemic; and

WHEREAS, The CALC, in developing this document, reaffirmed that in addressing the HIV epidemic, as with any infectious disease epidemic, society's primary responsibility is to protect the uninfected, as well as to treat the ill; and

WHEREAS, These goals should be accomplished in an atmosphere that is as minimally socially disruptive and as maximally effective as possible; and

WHEREAS, Toward these ends, the fundamental goal of this plan

is the coordination of efforts at the local level to prevent HIV infection and to provide treatment for persons with HIV disease; and

WHEREAS, Accomplishment of this goal requires that California as a whole address many difficult and controversial issues; and

WHEREAS, At present, prevention of HIV disease in the uninfected must be based on either the reinforcement or the modification of individual behavior, which can best result from education; and

WHEREAS, The "vaccine" for HIV disease is prevention education; and

WHEREAS, We know that education has been effective in controlling the epidemic in California; and

WHEREAS, Education must be culturally sensitive and, at the same time, frank and easily understandable by the diverse populations sought to be reached; and

WHEREAS, Prevention also involves the education of those persons already infected in order to minimize the risk that these persons will spread the disease; and

WHEREAS, Essential to this end is testing for HIV antibodies to identify infected persons, especially those at higher risk of infection; and

WHEREAS, Success in these efforts requires that steps be taken to avoid pushing "underground" those most at risk for contracting the infection and, thereby, losing the opportunity to prevent spread of the infection by education; and

WHEREAS, Continued availability of anonymous and confidential testing for HIV infection, maintenance of the confidentiality of test results, and avoidance of discrimination against persons found to be infected remain the most significant steps that society can take to ensure participation with HIV disease control activities; and

WHEREAS, The CALC's report is one further step in the evolution of California's response to the growing problems resulting from the HIV epidemic; and

WHEREAS, The report contains 12 priority recommendations and numerous more specific action steps that, if completed, will help coordinate and advance the efforts of public and private entities in preventative education, disease surveillance, delivery of health care and social services, and research; and

WHEREAS, These efforts require the marshalling of many assets—financial, intellectual, and cultural—if the problems arising from the HIV epidemic are to be successfully addressed; and

WHEREAS, The advantages of responding to this highly fatal, communicable disease now, instead of later, must be recognized and acted upon; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the State Department of Health Services is requested to reconvene the California AIDS Leadership Committee; and be it further

Resolved, That the California AIDS Leadership Committee review

the July 1989 report, "California's Continuing Response to HIV Disease—A Strategic Plan," prioritize the recommendations of this report, in consultation with the appropriate community-based organizations, as determined by the committee, budget the items in order of priority, and present the results to the Legislature and Governor in the form of an implementation plan.

RESOLUTION CHAPTER 99

Assembly Joint Resolution No. 33—Relative to employment in connection with the reconstruction of Kuwait.

[Filed with Secretary of State September 12, 1991.]

WHEREAS, The Persian Gulf War has been brought to a swift and successful resolution by United States and Allied Forces who served with honor and distinction; and

WHEREAS, Iraq's seven-month occupation of Kuwait has left Kuwait physically devastated and will require extensive reconstruction of oil-producing facilities, government buildings, and other public and private facilities; and

WHEREAS, The United States government will play a significant role in the rebuilding effort, and American construction and engineering firms and equipment companies will benefit by being awarded a large portion of the reconstruction contracts that will be worth millions of dollars; and

WHEREAS, A significant portion of the United States military personnel involved in the Persian Gulf War were minorities and women; and

WHEREAS, The California Legislature believes that the contribution made by minority and female military personnel in the Persian Gulf War should be recognized as a part of the reconstruction effort; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the California Legislature encourages the United States government and all American companies participating in the reconstruction of Kuwait to adopt and implement as an employment goal the hiring of minority and female workers in proportion to the ethnic and gender composition of the American military personnel who served in the Persian Gulf War; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 100

Assembly Concurrent Resolution No. 45—Relative to teacher training.

[Filed with Secretary of State September 12, 1991.]

WHEREAS, Public education is the foundation of American democracy and has historically served as the ladder of economic mobility for those seeking a better life for themselves and their families; and

WHEREAS, Those persons entering the teaching profession will, along with parents, play a major role in the preparation and education of the next generation; and

WHEREAS, Most new teachers will enter classrooms with student bodies much different in background, characteristics, preparation, and ongoing support from those they may have experienced as students; and

WHEREAS, The new student body reflects trends in the larger society, including changing family structures, growing ethnic, racial, and language diversity, and increasing work-family conflicts for parents, which are characterized by a reduction in the amount of time parents have to spend with their children; and

WHEREAS, The Legislature has recognized and continues to recognize the importance of the family, declaring February 1991 as California Family Month, and in 1987 creating the Joint Select Task Force on the Changing Family; and

WHEREAS, The Legislature has recognized the importance of parent involvement in the education of their children, including the importance of parental involvement in public schools, by enacting Assembly Bill 322 of the 1989–90 Regular Session, to require school districts to establish a formal plan on how to encourage parental involvement in the schools; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature requests all public and private institutions of higher education that have an approved teacher preparation program to include in their teacher training programs instruction on encouraging and fostering parent participation within the teaching profession; and be it further

Resolved, That the Legislature requests the Commission on Teacher Credentialing to include components related to parental involvement and multicultural sensitivity in its teacher certification process; and be it further

Resolved, That the Legislature requests local school districts, when developing plans on how to encourage and increase parental involvement, to consider the use of available staff development funds to educate teachers on the importance of, and techniques on how to successfully increase the quality and quantity of, parental involvement in the schools.

RESOLUTION CHAPTER 101

Assembly Concurrent Resolution No. 27—Relative to rail transportation.

[Filed with Secretary of State September 16, 1991]

WHEREAS, The Clean Air and Transportation Improvement Act of 1990, approved by the voters in June 1990, includes five million dollars ($5,000,000) to be allocated to the Department of Transportation for preliminary engineering and feasibility studies of a high-speed passenger rail link between Bakersfield and Los Angeles; and

WHEREAS, The purpose of this rail link is to provide a modern rail line connecting with existing rail lines at Bakersfield and Saugus; and

WHEREAS, The proposed new rail link should be designed and engineered to high standards; and

WHEREAS, Existing high-speed passenger trains in commercial operation in Europe are able to traverse grades of up to 5 percent; and

WHEREAS, It appears possible to entirely or largely avoid the need to construct tunnels through the Grapevine mountain area if an alignment with such grades is selected, thereby reducing construction costs as well as risks from earth movement in this earthquake-prone region; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Department of Transportation is hereby requested to consider all of the following in proceeding with the work authorized by subdivision (b) of Section 99622 of the Public Utilities Code:

(1) An alignment which incorporates grades up to the attainable maximum for high-speed rail passenger service while minimizing tunneling should be selected, unless it is determined that another alternative would be more cost-effective to construct, with preliminary engineering work conducted in such a manner as would allow the selected alignment to accommodate high-speed rail technologies, including advanced technologies.

(2) The rail link should be designed to accommodate high-speed passenger trains, with freight carriage limited to parcels and other lightweight freight carried by the new high-speed rail lines in Europe and Japan.

(3) The line should be engineered to be double-track, or the equivalent thereof, and electrified, able to accommodate trains with a speed of up to 200 miles per hour, where not otherwise restricted by grades or curves.

(4) The new line shall be designed to connect with existing and planned rail systems.

(5) The engineering and study work authorized should be completed in 12 months of the allocation of funds to the department

by the commission; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of Transportation.

RESOLUTION CHAPTER 102

Senate Concurrent Resolution No. 7—Relative to the University of California.

[Filed with Secretary of State September 16, 1991.]

WHEREAS, The Public Employees' Medical and Hospital Care Act authorizes any annuitant thereunder whose retirement allowance is not sufficient to pay his or her contributions for health benefits to retain coverage by paying a complementary annuitant premium quarterly in advance to the Board of Administration of the Public Employees' Retirement System for the balance of the contributions plus the related administrative costs; and

WHEREAS, The Legislature finds that annuitants of the University of California Retirement System deserve to be accorded rights substantially similar to those accorded to annuitants under the Public Employees' Medical and Hospital Care Act; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Regents of the University of California are requested to provide that:

(1) Any member of the University of California Retirement System who retires with at least 10 years of service credit and who elects at the time of retirement to continue fee-for-service health plan coverage as an annuitant, and whose monthly retirement annuity subsequently becomes insufficient to cover the annuitant's share of the premium for that plan, may retain coverage in that plan by paying to the Regents of the University of California the balance of that premium share plus the related administrative costs.

(2) Any member of the University of California Retirement System who retires with between five and 10 years of service credit and who elects at the time of retirement to continue fee-for-service health plan coverage as an annuitant, and whose monthly retirement annuity subsequently becomes insufficient to cover the annuitant's share of the premium for that plan, may, so long as the annuitant is domiciled outside of California, retain coverage in that plan by paying to the Regents of the University of California the balance of that premium share plus the related administrative costs.

(3) Nothing in paragraphs (1) and (2) is intended to restrict the university's ability to modify periodically the range of health plans which it offers to its annuitants, or intended to require that any particular health plan be offered in perpetuity to its annuitants; and

be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Regents of the University of California.

RESOLUTION CHAPTER 103

Senate Concurrent Resolution No. 21—Relative to housing for elderly persons.

[Filed with Secretary of State September 16, 1991.]

WHEREAS, Enacted during the 1960's, the National Housing Act has resulted in the building of nearly 1,500,000 units of housing for elderly persons across the nation; and

WHEREAS, Federal and state programs have built approximately 150,000 units of subsidized housing for the elderly in California; and

WHEREAS, Little thought has been given to the consequences of distinct types of living arrangements which house elderly persons in a congregate setting; and

WHEREAS, There has been a lack of planning for this emerging industry, as well as for the phenomenon of an "aging in place" elderly population; and

WHEREAS, There is a lack of direction in terms of public policy objectives to assist a burgeoning industry in coming to terms with how to house and serve a growing and more frail elderly population; and

WHEREAS, This emerging industry, known as senior housing, has developed without standards and is currently reliant on general landlord-tenant laws which do not address the unique nature of these housing situations; and

WHEREAS, A growing number of elderly persons residing in these housing projects are experiencing increased frailty and are in need of services to assist them to function independently; and

WHEREAS, Without proper planning, the elderly persons living in senior housing are at risk of being "forgotten," and these projects could become the future warehouses of older persons; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Senate Office of Research, in consultation with the Assembly Office of Research, shall conduct a study in two phases. Phase one of the study shall include all of the following activities:

(1) Identification of the scope and magnitude of what constitutes senior housing in California, including authorizing statutes and those statutes which are inconsistent with the current developmental trends.

(2) The development of a general resident profile, including a

demographic profile of senior housing residents, demographic trends in the senior housing population, and a review of the social, health, and support needs of these residents.

(3) Identification of the extent of health and social services provided or arranged by senior housing programs and of the extent of limitations in the ability of senior housing to provide, or arrange for, services.

(4) A comparison of the types of services provided, or arranged for, by senior housing facilities with those provided, or arranged for, by residential care and congregate housing facilities, as well as the standards by which those services are provided; and be it further

Resolved, That phase one of the study shall be conducted only to the extent senior housing data is available. The Senate Office of Research shall complete phase one of the study, and shall report its findings, in writing, to the Senate Committee on Rules, on or before September 1, 1992; and be it further

Resolved, That phase two of the study, to the extent the Senate Committee on Rules deems resources are available, shall include all of the following activities:

(1) The completion of a detailed resident profile, which shall identify the specific needs of types of residents who suffer from various impairments or disabilities.

(2) The examination, in detail, of the gaps between the social, health, and support needs of residents and the levels and types of services provided by senior housing programs.

(3) The making of recommendations including, but not limited to, a definition of what constitutes "senior housing" in the overall long-term care continuum, as well as the setting forth of public policy options that reflect California's current commitment to maintain elderly persons in the most unrestrictive and independent settings possible; and be it further

Resolved, That the Senate Office of Research shall submit the completed two phases of the study to the Legislature on or before September 1, 1993; and be it further

Resolved, That the Secretary of the Senate shall transmit copies of this resolution to the Senate Office of Research and the Assembly Office of Research.

RESOLUTION CHAPTER 104

Senate Concurrent Resolution No. 42—Relative to the development and use of energy efficient technologies.

[Filed with Secretary of State September 16, 1991.]

WHEREAS, The Legislature, in passing the Warren-Alquist State Energy Resources Conservation and Development Act (Division 15

(commencing with Section 25000) of the Public Resources Code), established that it is the policy of the State of California to promote all feasible means of improving energy efficiency; and

WHEREAS, The Legislature, in passing the California Clean Air Act of 1988 (Chapter 1568 of the Statutes of 1988), is committed to improving ambient air quality throughout the state and ensuring the state's compliance with federal clean air standards; and

WHEREAS, Achievement of these two goals requires energy efficient technologies, practices, and procedures that provide for the efficient use of natural resources and provide environmental benefits; and

WHEREAS, Energy efficient technologies are expected to reduce energy costs, reduce the environmental impact of existing and new energy facilities, improve industrial and commercial productivity and competitiveness, and assist the state in meeting air quality regulations; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That it is the policy of the State of California to encourage the development and use of environmentally clean, cost-effective, energy efficient technologies that provide for the efficient use of natural resources; and be it further

Resolved, That all state agencies regulating energy or environmental activities shall encourage and facilitate the state's energy utilities in developing, demonstrating, promoting, and using technologies, and in purchasing energy, consistent with this policy.

RESOLUTION CHAPTER 105

Senate Concurrent Resolution No. 48—Relative to the Leslie G. Delbon Memorial Bridge.

[Filed with Secretary of State September 16, 1991.]

WHEREAS, The many significant contributions of Leslie G. Delbon, a resident of Tuolumne County and one of its most respected community leaders, will be long remembered and appreciated by generations to come; and

WHEREAS, His activities included participation both as a member and President of the Sonora Rotary Club, as well as membership in the Tuolumne County Aeronautical Association; and

WHEREAS, A former Manager and Chief Engineer of Tuolumne Water District Number 2, he oversaw the development and operation of a water, sewer, and wastewater treatment system which serves a significant segment of the county's residents and businesses; and

WHEREAS, As a local contractor, Leslie G. Delbon was responsible for constructing many of Tuolumne County's

educational facilities; and

WHEREAS, One of Mr. Delbon's most significant accomplishments prior to his untimely death was overseeing his firm's construction of a highway bridge over Sullivan Creek on State Highway Route 108; and

WHEREAS, The new bridge will help alleviate traffic congestion and improve motorist safety on this major Tuolumne County traffic artery; and

WHEREAS, It is fitting, therefore, that Leslie G. Delbon's many contributions to his community and to the County of Tuolumne be appropriately recognized; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the new bridge crossing Sullivan Creek on State Highway Route 108 in Tuolumne County be officially designated the Leslie G. Delbon Memorial Bridge; and be it further

Resolved, That the Department of Transportation is directed to determine the cost of appropriate plaques and markers, consistent with the signing requirements for the state highway system, showing the special designation and, upon receiving donations from nonstate sources covering that cost, to erect those plaques and markers; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Director of Transportation.

RESOLUTION CHAPTER 106

Senate Joint Resolution No. 9—Relative to airline safety.

[Filed with Secretary of State September 16, 1991.]

WHEREAS, A recent ground collision between a USAir jetliner and a commuter plane, which has so far left 34 people dead, has been attributed to air controller error and malfunctioning radar; and

WHEREAS, Those conditions might have been prevented had the Aviation Trust Fund spent some of the $10 billion it has set aside for modernization of the nation's air traffic control system; and

WHEREAS, Air traffic controllers, trained and hired by the Federal Aviation Administration (FAA), are short an estimated 3,000 controllers nationwide, according to the National Air Traffic Controllers Association, and some of these, according to Los Angeles Times research, appear to receive inadequate training at smaller airports before being stationed at major airports such as Los Angeles International Airport (LAX); now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to enact legislation to improve air safety at major United States airports,

including provisions for a review of the number of air traffic controllers hired and trained since the 1981 strike, a determination of the additional number of controllers needed and the percentage of current controllers rated at full-performance level, and an investigation of the need for measures to facilitate emergency operations in the event of massive casualties in airport crashes; and be it further

Resolved, That the Legislature of the State of California supports the implementation by the Federal Aviation Administration of internationally recognized standards of safety relative to uniform runway and taxiway operational parameters; and be it further

Resolved, That the Legislature of the State of California requests an investigation by the Federal Aviation Administration into the interior safety of airplanes in regard to the flammability of, and the potential to produce toxic smoke, in materials used; and be it further

Resolved, That the Legislature of the State of California requests the federal government to assist in the expeditious building, staffing, and operation of a new replacement air traffic control tower at Los Angeles International Airport (LAX); and be it further

Resolved, That the Legislature of the State of California supports the expeditious release and appropriation by the Congress of moneys in the Airport and Airways Trust Fund; and be it further

Resolved, That the Legislature of the State of California supports the expeditious implementation of the National Airspace System Plan and the procurement of Improved Airport Surface Detection Equipment (ASDE-3 radar) by the Federal Aviation Administration at all California commercial airports; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 107

Senate Joint Resolution No. 20—Relative to the boundaries of Alaska.

[Filed with Secretary of State September 16, 1991.]

WHEREAS, Every state has a compelling constitutional interest in determining its own boundaries with other states and foreign countries; and

WHEREAS, The State of Alaska's boundary with the Soviet Union has been the subject of negotiations between the United States government and the Soviet government since 1981; and

WHEREAS, The State of Alaska has never been permitted to

participate in the negotiations carried on by the Department of State; and

WHEREAS, The Alaska Legislature has vigorously protested this exclusion in the form of Senate Joint Resolution 12, which was passed unanimously by both houses and signed by Governor Steve Cowper in May 1988; and

WHEREAS, The Department of State ignored these protests, and its negotiations have resulted in a proposed treaty titled "Agreement with the Union of Soviet Socialist Republics on the Maritime Boundary," which is now before the United States Senate for ratification; and

WHEREAS, The California Legislature previously expressed its support for the State of Alaska for its right to participate in any negotiations affecting its boundaries in the form of Resolution Chapter 122 of the Statutes of 1987; and

WHEREAS, It is settled procedure with respect to negotiations of state boundaries that representatives of any affected state not only must be included in the negotiations, but also must consent to the terms of the proposed boundary treaty (such as was the case when Secretary of State Daniel Webster negotiated with Great Britain over the boundary between Canada and the State of Maine in 1842); now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the California Legislature renews its support for the State of Alaska in its rightful position of participation in any boundary negotiations involving its boundaries with the Soviet Union; and be it further

Resolved, That the California Legislature (1) respectfully memorializes the President of the United States to withdraw the proposed treaty from consideration by the United States Senate and (2) requests the California United States Senators to decline to consider the proposed treaty, until such time as the State of Alaska has been able to participate fully in negotiations and has been guaranteed that its consent will be required for any agreement affecting its boundaries; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and the Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, to the Governor of Alaska, to the President of the Alaska Senate, and to the Speaker of the Alaska House of Representatives.

RESOLUTION CHAPTER 108

Senate Joint Resolution No. 29—Relative to Freedom for the Soviet Republics.

[Filed with Secretary of State September 16, 1991.]

WHEREAS, The people of the Soviet Union have finally thrown off the yoke of totalitarianism after a failed Communist coup; and

WHEREAS, Boris Yeltsin, the first democratically elected leader, was instrumental in turning back the forces of totalitarianism and in rejecting Communism in the Russian Republic; and

WHEREAS, This is the 23rd anniversary of the Prague Spring in which the Soviet Union and the Warsaw Pact countries invaded Czechoslovakia in order to crush the liberalization drive of Alexander Dubcek; and

WHEREAS, The Warsaw Pact no longer exists--the Eastern Bloc countries of Czechoslovakia, Poland, and East Germany have gained freedom from the tyranny of the Soviet system; and

WHEREAS, The Republic of Armenia struggles to rid itself of the oppressive antifree market domination of the Soviet Union; and

WHEREAS, The Republics of Estonia, Latvia, and Lithuania have declared themselves independent and are represented by democratically elected presidents; and

WHEREAS, The United States of America has never recognized Stalin's forcible incorporation of Estonia, Latvia, and Lithuania into the Soviet Union; now, therefore, be it

Resolved by the Senate and the Assembly of the State of California, jointly, That it is the sense of the California State Legislature that the United States should recognize Estonia, Latvia, and Lithuania as free and independent states, and support the other republics, such as Armenia, who are struggling to achieve freedom, self-government, and autonomy; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the United States House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the Governor of California.

RESOLUTION CHAPTER 109

Assembly Concurrent Resolution No. 58—Relative to Learning in Retirement.

[Filed with Secretary of State September 17, 1991.]

WHEREAS, The community of retirement and semiretired persons in California is constantly increasing in numbers, and a great number of those persons are in good health, active, curious, thoughtful, and knowledgeable; and

WHEREAS, A substantial portion of this retired community consists of persons with lifelong experiences and educational backgrounds in the professions, the arts, and in business and industry; and

WHEREAS, Many of these retired persons are active in the responsibilities of a concerned citizenship, in volunteering and in contributing to their local communities; and

WHEREAS, This segment of the retired community has the will and experience to manage their affairs and, accordingly, desires the pursuit of educational programs that are created, designed, and taught by volunteers who are retired members through membership-governed institutes sponsored by universities and colleges, where the members of these institutes explore higher learning at their own pace, without the need for degrees, grades, or examinations, but simply because they want to continue learning; and

WHEREAS, These institutes draw on the accumulated lifetime experience of their members; the members themselves develop and design their own studies, participate in the necessary work of inquiry and reading, stimulate meaningful discussion, set achievable educational objectives, and carry out the planning and governing of their own activities within, and in support of, their sponsoring institutions; and

WHEREAS, Many members of existing institutes have contributed valuable services to their respective institutions, as volunteers, assisting with various activities or working with undergraduates, as leaders for university-community programs, and as providers of financial support for institutional programs; and

WHEREAS, The Master Plan for Higher Education in California does not specifically provide for self-directed noncredit education for the senior, retired community; and

WHEREAS, This college-level "Learning in Retirement" movement in the United States has grown rapidly and seeks to gain broader recognition as a mutually beneficial association with universities and colleges through the establishment of member-driven institute learning programs designed for the "Third Age" of retired senior citizens; and

WHEREAS, The mission statements in the Master Plan for Higher Education specifically state that all public institutions of higher education in California shall "include responsibility to the public good" and provide educational community services; and

WHEREAS, It is essential to encourage support for membership-driven institutes, and their access to needed campus facilities to ensure success and, in the process, to contribute to the continued mental and physical health of retired senior citizens; now,

therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature hereby requests the Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges, and the chancellors of their respective campuses, to look with favor on the establishment of campus-related, membership-driven, Learning in Retirement types of organizations or institutes at their respective state supported institutions of higher education in California; and be it further

Resolved, That the Regents, the Trustees, and the Board of Governors of the above-mentioned state supported universities and colleges are encouraged to provide lists of qualified personnel, consistent with statutory provisions and institutional policies, on their respective campuses who may be contacted by interested parties to initiate discussions on the possibility of establishing these membership-driven learning organizations and institutes; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges.

RESOLUTION CHAPTER 110

Assembly Concurrent Resolution No. 62—Relative to environmental damage.

[Filed with Secretary of State September 17, 1991.]

WHEREAS, The University of California has managed the Lawrence Livermore National Laboratory, Lawrence Berkeley National Laboratory, and the Los Alamos National Laboratory under contract to the United States Department of Energy; and

WHEREAS, Those contracts do not place financial liability for environmental accidents or hazards associated with the operation of these federally owned facilities upon the University of California or the taxpayers of this state; and

WHEREAS, It is in the best interest of the State of California and its taxpayers to continue protection from liability for environmental damage stemming from the operation of these laboratories; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That it is the intent of the Legislature that neither the State of California, nor the University of California or any other state agency, accept financial liability or responsibility for environmental damage originating from the operation of the

Lawrence Livermore National Laboratory, Lawrence Berkeley National Laboratory, or Los Alamos National Laboratory and that no contract be entered into which would subject the state to any such liability.

RESOLUTION CHAPTER 111

Assembly Concurrent Resolution No. 68—Relative to AIDS-Related Health Care Planning and Policy.

[Filed with Secretary of State September 17, 1991]

WHEREAS, On November 5, 1990, the President of the United States signed HR 5257 that appropriated funds for fiscal year 1991 for the Ryan White Comprehensive AIDS Resources Emergency (CARE) Act of 1990; and

WHEREAS, California has received $22 million under the Title I of the Emergency Relief Grant Program of the CARE Act to provide emergency assistance to metropolitan areas hardest hit by the HIV epidemic, specifically Los Angeles, San Francisco, and San Diego; and

WHEREAS, The principal intent of the CARE Act is to foster working relationships and linkages among care providers towards the goal of creating an accessible and comprehensive continuum of care for the HIV-affected; and

WHEREAS, To that end, implementation of the CARE Act rests primarily with local planning councils which are vested with broad authority to establish funding priorities, develop comprehensive plans for the delivery of HIV/AIDS services, and, to ensure the rapid allocation of emergency funds to the areas of greatest need; and

WHEREAS, The CARE Act mandates that the composition of the planning councils be inclusive and representative of the diverse communities impacted by HIV; and

WHEREAS, The CARE Act requires that the decisionmaking process maximize participation among community-based care providers and, that the unmet needs of those most severely impacted by the AIDS epidemic be addressed; and

WHEREAS, The San Francisco Planning Council, operating by consensus and within the intent, the letter, and the spirit of the law, serves as a model for the formation of an effective community partnership, thus ensuring the expedited release of emergency funds; and

WHEREAS, In contrast, the operations of the Los Angeles County Department of Health Services in this regard have resulted in prolonged and unnecessary delays in the release of disaster relief funds; and

WHEREAS, The availability of future federal AIDS funding for

Los Angeles County under the CARE Act is contingent upon a showing that a coordinated system of care is in place and that funds are being expended on a timely basis; and

WHEREAS, The CARE Act stipulates that, as a condition for receipt of federal funds, the chief elected official of the eligible areas adopt the planning council's recommendations; therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature upholds and affirms the goal of the CARE Act to maximize community-based participation in AIDS-related health care planning and policy. Furthermore, the Legislature urges Los Angeles County officials to cooperate fully with the Los Angeles Planning Council and take all necessary steps to expedite the release of CARE Act funds so as to not jeopardize future federal AIDS funding.

RESOLUTION CHAPTER 112

Assembly Concurrent Resolution No. 51—Relative to spinal cord injury.

[Filed with Secretary of State September 20, 1991.]

WHEREAS, Spinal cord injury is a condition which leaves individuals paralyzed and afflicts 500,000 Americans; and

WHEREAS, The care of chronic spinal cord injured quadriplegics costs California $340,000,000 annually; and

WHEREAS, The care and rehabilitation of acute or newly injured spinal cord injury victims costs $60,000,000 annually; and

WHEREAS, Motor vehicle accidents are the leading cause of spinal cord injury; and

WHEREAS, Driving under the influence of intoxicants are a major cause of severe accidents; and

WHEREAS, Spinal cord injury has serious physical, emotional, financial, and social consequences for its victims and their families; and

WHEREAS, Progress has been made in spinal cord injury research including the discovery of molecules which promote the growth of the injured spinal cord cell; and

WHEREAS, The discovery of genes which control regeneration of chronically damaged spinal nerves and chemicals for activating these genes, as well as substances which inhibit growth in the spinal cord, and the discovery and development of antibodies to those inhibitors may pave the way for significant regeneration of the spinal cord; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That basic research on the restoration of spinal cord function, epidemiologic and other research on the prevention

of spinal cord injury, basic and clinical research on rehabilitation techniques, basic and clinical research on common problems in the management of acute and chronic spinal cord injury and epidemiologic and other research prevention studies which focus on the relationship between automobile accidents, alcohol, and spinal cord injury be encouraged throughout California; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to each President and Chancellor of the University of California system and other private universities within the state.

RESOLUTION CHAPTER 113

Assembly Concurrent Resolution No. 63—Relative to Constitution Week and Constitution Day.

[Filed with Secretary of State September 20, 1991.]

WHEREAS, It is appropriate and fitting that Californians commemorate the historical contributions that the United States Constitution has made to citizens and its significance in preserving the individual freedoms, liberties, and common welfare of the people who live in the United States; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California hereby declares the third week in September as Constitution Week and September 17 as Constitution Day; and be it further

Resolved, That the Governor is hereby requested to proclaim Constitution Week and Constitution Day and that the proclamation shall:

Call upon the news media, educators, state and local officers, professional, business, and labor leaders, and others in positions of authority or influence to bring to the attention of California's citizens the importance of the United States Constitution in shaping and articulating the basic values that underlie the unique character of America civilization and culture, based on the belief that sovereignty emanates from the people who comprise a society and that governmental authority is based upon the consent of the governed.

Encourage elected and appointed officers and employees at all levels of government and in all public and educational institutions to develop new programs and new ideas by which the citizens of this state and nation can better understand and improve the effectiveness of all branches of government established within the American constitutional system.

Direct appropriate officers and agencies to develop recommendations by which federal, state, and local policies for the preservation of historical records can be formulated and put into effect, so that the cultural and informational resources that are

essential to a constitutional form of government are preserved and made accessible to present and future generations of citizens.

Remind all citizens that the preservation of the American constitutional form of government, and the freedom and liberty guaranteed by the United States Constitution, are based upon the responsibility of each citizen to uphold and defend the Constitution; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Governor of the State of California.

RESOLUTION CHAPTER 114

Assembly Concurrent Resolution No. 64—Relative to commemorating the 200th anniversary of the Bill of Rights.

[Filed with Secretary of State September 20, 1991]

WHEREAS, "We the People" did ordain and establish a Constitution and Bill of Rights for the United States of America to secure the blessings of liberty for ourselves and our posterity; and

WHEREAS, The Constitution of the United States of America is the fundamental law of our nation and has a direct impact on our daily lives; and

WHEREAS, The Bill of Rights of the Constitution of the United States of America embodies the fundamental freedoms and individual liberties that we, as Americans, cherish; and

WHEREAS, This year marks the 200th anniversary of the state's ratification of the Bill of Rights of the Constitution of the United States of America and our country is preparing to commemorate the Bicentennial of the Bill of Rights on December 15, 1991; and

WHEREAS, Freedoms Foundation at Valley Forge has offered a "Bill of Responsibilities" to commemorate the Bicentennial of the Bill of Rights and urges all Americans to accept the following responsibilities to secure and expand our freedom as individual members of a free society:

(1) To be fully responsible for our own actions and for the consequences of those actions;

(2) To respect the rights and beliefs of others;

(3) To give sympathy, understanding, and help to others;

(4) To do our best to meet our own and our families' needs;

(5) To respect and obey the laws;

(6) To respect the property of others, both private and public;

(7) To share with others our appreciation of the benefits and obligations of freedom;

(8) To participate constructively in the nation's political life;

(9) To help freedom survive by assuming personal responsibility for its defense; and

(10) To respect the rights and to meet the responsibilities on which our liberty rests and our democracy depends; and

WHEREAS, An important goal of California's educational system is to instill pride in our country and an appreciation of the values and principles that were vital to our Founding Fathers when the Bill of Rights was written; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the California Legislature hereby proclaims December 15, 1991, and December 15 of each succeeding year as "Bill of Rights Day" and December 16, 1991, and December 16 of each succeeding year as "Bill of Responsibilities Day" in the State of California and urges the citizens of California to reflect on the blessings of liberty guaranteed to American citizens by the Bill of Rights and the corresponding responsibilities which support, preserve, and defend the rights of citizenship against encroachment; and be it further

Resolved, That the California Legislature hereby urges every elementary and secondary school in California to display prominently and permanently a copy of the Bill of Rights, to celebrate the bicentennial anniversary of its ratification; and be it further

Resolved, That a copy of this resolution along with a copy of the Bill of Rights and the Bill of Responsibilities be transmitted forthwith by the Chief Clerk of the Assembly to the Freedoms Foundation at Valley Forge, the Governor, the Superintendent of Public Instruction for the State of California and the superintendent of every school district in this state for distribution to each school within the district.

RESOLUTION CHAPTER 115

Assembly Concurrent Resolution No. 74—Relative to California Planning Week.

[Filed with Secretary of State September 20, 1991.]

WHEREAS, The week commencing October 20, 1991, has been designated "California Planning Week" by the California Chapter of the American Planning Association; and

WHEREAS, The American Planning Association is an organization dedicated to protecting, promoting, and enhancing the quality of life in counties, cities, and towns across California through a commitment to effective urban, rural, and regional planning; and

WHEREAS, The American Planning Association represents more than 30,000 professional planners nationwide, including more than 5,000 members in California; and

WHEREAS, The American Planning Association promotes the

values of good urban, rural, and regional planning for professional and lay planners, citizen activists, community leaders, and elected officials committed to the quality of urban life; and

WHEREAS, Through its subsidiary institute, the American Institute of Certified Planners, the American Planning Association recognizes academic programs in urban and regional planning, certifies professional planners, and conducts continuing education programs; and

WHEREAS, The California Chapter of the American Planning Association has been a leader in planning thought and education through its affiliated organization, the California Planning Foundation; and

WHEREAS, California planners have long set a national standard for progressive thought in both design and policy for counties, cities, and regions, incorporating disciplines as broad as architecture, landscape architecture, engineering, geography, transportation, ecology, historic preservation, agricultural preservation, the social sciences, and public administration; and

WHEREAS, The eight California sections comprising the California Chapter will meet together at the California Chapter, American Planning Association Conference from October 21 through 23, in Sacramento; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Members of the Legislature recognize the week commencing October 20, 1991, as "California Planning Week" and call upon the citizenry to recognize and participate in the observance of this worthy occasion; and be it further

Resolved, That the Chief Clerk of the Assembly transmit this resolution to the Governor of the State of California.

RESOLUTION CHAPTER 116

Assembly Concurrent Resolution No. 75—Relative to proclaiming California Coast Weeks and Adopt a Beach Coastal Cleanup Day.

[Filed with Secretary of State September 20, 1991.]

WHEREAS, The State of California has a diverse coastline consisting of sandy beaches, rocky shores, productive estuaries, marshes and tidal flats, urban areas, and harbors; and

WHEREAS, The coast provides a rich scenic, recreational, cultural, and historical heritage; and

WHEREAS, The natural resources of the coastal zone are among California's most important environmental and economic resources; and

WHEREAS, The marine environment is one of the most valuable resources for recreation, tourism, fishing, and other coastal

industries; and

WHEREAS, The Legislature is strongly committed to the wise management of the coastline to assure that the environmental and economic value of the coastal zone will be sustained; and

WHEREAS, Preserving the productivity and quality of coastal resources requires public awareness, support, and understanding that protection of the coast is a responsibility shared by the citizens, the business community, and public institutions; and

WHEREAS, The California Coastal Commission's Adopt a Beach program helps reduce litter, promotes recycling, and encourages preservation of natural resources; and

WHEREAS, National Coast Weeks will be held from September 21 through October 14, 1991, and the California Coastal Commission will be coordinating appropriate activities in this state; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature hereby proclaims September 21 through October 14, 1991, as California Coast Weeks; and be it further

Resolved, That the Legislature proclaims September 21, 1991, as Adopt a Beach Coastal Cleanup Day; and be it further

Resolved, That the Legislature urges all Californians to join in appropriate observances of California Coast Weeks and Adopt a Beach Coastal Cleanup Day; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the California Coastal Commission.

RESOLUTION CHAPTER 117

Assembly Concurrent Resolution No. 76—Relative to Pearl Harbor.

[Filed with Secretary of State September 20, 1991.]

WHEREAS, A half-century has now passed since President Franklin Delano Roosevelt proclaimed December 7, 1941, a "Day of Infamy;" and

WHEREAS, That morning and that day radically altered the course of American lives and world history when, without warning, on a peaceful Sunday morning, at daybreak, most of America's Western Navy was destroyed as it lay at anchor in Pearl Harbor; and

WHEREAS, The U.S. Pacific Fleet was on minimum alert, with one-third of its sailors on weekend shore leave, antiaircraft guns mostly unmanned and reserve ammunition stored and locked; and

WHEREAS, Shortly after dawn, an unprovoked and sneak attack of war on the United States was initiated by the Empire of Japan, when two waves of its warplanes, some 360 strong, launched from a

33-ship armada, and exploded their bombs and torpedoes on the very heart of American air and sea power; and

WHEREAS, As the first wave of Japanese bombers began to unleash its arsenal, its squadron commander radioed a one-word message back to his fleet, "Tora," signifying success in catching their "enemy" by surprise; and

WHEREAS, Within minutes of the attack, the once serene Pearl Harbor was turned into a hellfire of death and destruction, in which 2,403 American lives were lost and another 1,178 were wounded, as some 18 Naval ships were either sunk or seriously damaged—including the mighty Arizona which now rests as an eternal mausoleum for 1,177 gallant Sailors and Marines—while at nearby airfields, 188 planes were destroyed and 159 were disabled; and

WHEREAS, The Japanese aggressors, by contrast, lost few lives, planes or warships, while Western defenses of America were destroyed, thus exposing and imperiling our Nation's very existence; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That on December 7, 1991, the 50th anniversary of that Day of Infamy, we—on behalf of the people of California—dutifully pay tribute to and commemorate the brave Americans at Pearl Harbor who gave their lives and those Americans wounded in that infamous attack; and be it further

Resolved, That we also honor those 17 million men and women of the U.S. Armed Forces who served in World War II, to the 292,131 who gave their lives during combat and to the 671,000 who were wounded in action; and be it further

Resolved, That we are reminded of the high price these brave men and women paid by these lines of Archibald MacLeish's poem, The Young Dead Soldier: "We leave you our deaths. Give them their meaning. We were young...We have died. Remember us."; and be it further

Resolved, Men and women of Pearl Harbor: We do remember you and vow never to forget you.

RESOLUTION CHAPTER 118

Assembly Joint Resolution No. 42—Relative to breast cancer research.

[Filed with Secretary of State September 20, 1991.]

WHEREAS, Every American woman should consider herself at risk of breast cancer; and

WHEREAS, Breast cancer remains the most common form of cancer in women, and ranks second only to lung cancer as the

leading cause of cancer deaths among women; and

WHEREAS, Breast cancer robs women of their security, their dignity, and valuable years of motherhood to the children they leave behind; and

WHEREAS, 175,000 women were diagnosed with breast cancer in 1990 and 44,500 women will die from breast cancer this year; and

WHEREAS, There is recognition and significant alarm over new statistical data indicating that breast cancer in the United States is rising at a rate of approximately 2 percent a year; and

WHEREAS, While 30 years ago, breast cancer struck one in every 20 American women, today one out of nine American women will develop breast cancer in her lifetime; and

WHEREAS, Of those women who contract breast cancer, one out of four will die from the disease, and this death rate represents a 24 percent increase since 1979; and

WHEREAS, The annual direct medical costs of breast cancer to our society are $2 billion, more than $2,000 a year per woman living with breast cancer; and

WHEREAS, The direct and indirect costs concerning a breast cancer diagnosis exact an economic toll of $8 billion a year. This figure is computed by the impact on the health system, the loss of work time, the loss of women employees, and the lives lost to a disease that bankrupts families emotionally and economically; and

WHEREAS, Current breast cancer research is directed at detection and treatment, but basic research to prevent healthy women from ever getting breast cancer is virtually nonexistent; and

WHEREAS, The total budget for the National Cancer Institute (NCI) has increased by only $23 million in inflation-adjusted dollars during the last decade, the lowest percentage increase among all the institutes of health; and

WHEREAS, Due to the lack of funds, only 26 percent of the NCI breast cancer grant requests approved through the peer review process currently receive any money; and

WHEREAS, The continuing rise in the lifetime risk of breast cancer incidence means that emphasis must be given to breast cancer when research grants are funded; and

WHEREAS, The only effective means of protecting the health of American women is to conduct the critically needed basic breast cancer research as proposed on the federal level; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes Congress and the President of the United States to enact HR 2210, the Breast Cancer Basic Research Act, by Representative Mary Rose Oakar, which would allocate $50 million to the National Cancer Institute for breast cancer research; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United

States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 119

Assembly Joint Resolution No. 48—Relative to the Unemployment Insurance Reform Act of 1991.

[Filed with Secretary of State September 20, 1991.]

WHEREAS, Congress has passed the Unemployment Insurance Reform Act of 1991 (hereafter the "Act"); and

WHEREAS, The Act will provide 550,000 people in California, who have lost jobs covered by the unemployment insurance system, with 13 weeks of unemployment benefits, in addition to the 26 weeks of benefits that are provided under current law; and

WHEREAS, Nationwide, the Act will provide up to 20 weeks of extra compensation to 3 million unemployed workers; and

WHEREAS, The Act authorizes four levels of weeks of eligibility for extended unemployment benefits. The number of weeks of benefits payable to an unemployed worker in a particular state would be determined by the state's total unemployment rate; and

WHEREAS, In California, where the unemployment rate fluctuates around 7 percent, workers who lost their jobs would be eligible under this Act for 39 weeks of unemployment compensation; and

WHEREAS, The Act authorizes benefits to be paid from September 1, 1991, to July 4, 1992; and

WHEREAS, In order to obtain President George Bush's signature on the Act, it was amended to require a separate emergency designation to be declared in order to release the $5.3 billion in federally paid benefits; and

WHEREAS, The President has indicated that he will not sign an emergency declaration despite the nation's recession which has left many middle class Americans without jobs; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President of the United States to sign a declaration of emergency to release the $5.3 billion in extended emergency unemployment benefits; and be it further

Resolved, That in the event the President does not sign a declaration of emergency to implement those provisions of the Act that would release moneys for extended emergency unemployment benefits, that Congress pursue the original version of the bill that would have considered a signature on the legislation to be a declaration of an emergency; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 120

Assembly Concurrent Resolution No. 13—Relative to the Citizen's Commission on Ballot Initiatives.

[Filed with Secretary of State September 25, 1991]

WHEREAS, The right of initiative was added to the California Constitution in 1911 as means for the people to diffuse the power of special interests and monopolies; and

WHEREAS, Widely employed in the first half of the century but little used during the 1950s and 1960s, over 400 ballot measures have been authorized for circulation during the last two decades, which represent 60 percent of all petitions authorized for circulation in the nearly 80-year history of the initiative in California; and

WHEREAS, Important public policy questions are being determined, not by elected officials or broad-based public spirited groups but, by narrow and unaccountable single interest groups operating through the initiative process and generously financed political campaigns; and

WHEREAS, A disturbing number of recent initiative measures have been drafted to be financially beneficial to the sponsors, to be purposely contradictory in effect in an effort to cancel sections or entire competing measures, to severely limit the budgetary authority of state and local officials, and to be extremely complex regulatory schemes or wholesale proposals for the overhaul of entire areas of state law; and

WHEREAS, The increasing frequency of initiatives has been fostered by an "initiative industry," composed of attorneys, paid petition circulators, and campaign consultants, who enjoy considerable profits from the proliferation of ballot measures; nearly $130 million was expended on the 29 ballot measures that appeared on the November, 1988. ballot and $91 million for the 28 measures on the November, 1990, ballot; and

WHEREAS, As the ballot has been increasingly overburdened by evermore complex initiative measures, participation levels and voter awareness have declined; election day polls for the 1990 primary election showed that 40 to 50 percent of those casting votes had little or no knowledge of several key ballot propositions; and

WHEREAS, A leading scholar of the initiative process has concluded that, while it has produced benefits for the people of

California, these have come "at an extraordinary cost—an erosion of responsibility in the executive and legislative branches of state government, a simultaneous overload in the judiciary and on over-amended state constitution alongside a body of inflexible quasi-constitutional statutory law"; and

WHEREAS, A recent statewide opinion poll found that while 66 percent of voters support the initiative process, down from 83 percent in 1979, an overwhelming majority of respondents believe that the ballot has become unwieldy and overly complicated and 60 percent feel that the initiative process now needs to be reformed; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature, working through a citizen commission appointed by the Speaker of the Assembly, the Senate Committee on Rules, and the Governor, conduct a study to determine ways in which the initiative process in California can be improved; and be it further

Resolved, That this body shall be called the Citizen's Commission on Ballot Initiatives and shall be composed of 12 appointed members and the Attorney General, or a designee, the Secretary of State, or a designee, and the president of the County Clerks' Association, or a designee; and be it further

Resolved, That the Speaker of the Assembly, the Senate Committee on Rules, and the Governor shall each appoint four members, one from each of the following categories:

(1) Public sector.
(2) Academic community.
(3) Public in general.
(4) Business sector.

A commission chairperson shall be elected by the commission members; and be it further

Resolved, That consultation and assistance, where feasible and appropriate, shall be made available by the Assembly Committee on Elections, Reapportionment, and Constitutional Amendments, the Senate Committee on Elections and Reapportionment, the Secretary of State, and the Legislative Analyst; and be it further

Resolved, That the commission shall review, study, and evaluate the statewide initiative process for the purposes of determining how the statewide initiative process may be adjusted, changed, or revised in order to preserve and protect the exercise of the initiative power by the people, as originally intended by the framers of the initiative process, and to assist in the resolution of issues presented by the initiative process as it presently exists; and be it further

Resolved, That the commission use existing studies and reports on the initiative process to the fullest extent possible in conducting its study and preparing its report, and that the commission submit a report with recommendations to the Legislature by March 1, 1992; and be it further

Resolved, That the commission shall terminate on January 1, 1993;

and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Secretary of State, the Legislative Analyst, and all local election officials.

RESOLUTION CHAPTER 121

Assembly Concurrent Resolution No. 66—Relative to Justice Thurgood Marshall.

[Filed with Secretary of State September 25, 1991.]

WHEREAS, United States Supreme Court Associate Justice Thurgood Marshall was the great-grandson of a slave; and

WHEREAS, Thurgood Marshall attended Howard Law School after being denied admission to a segregated law school; and

WHEREAS, He worked as chief lawyer and civil rights strategist for the NAACP Legal Defense and Educational Fund from 1940 to 1961; and

WHEREAS, In 1954 he argued the case of Brown v. Board of Education before the Supreme Court of the United States, which led to the Court's decision to overrule the 1896 case of Plessy v. Ferguson and to hold that segregated schools are inherently unequal and therefore unconstitutional; and

WHEREAS, In 1961, President John F. Kennedy appointed him to the United States Court of Appeals, and in 1965, President Lyndon B. Johnson appointed him as United States Solicitor General; and

WHEREAS, He was appointed by President Johnson to the United States Supreme Court in 1967, and served as Associate Justice for 24 years; and

WHEREAS, He fought tirelessly during his entire professional career for civil rights and the protection of individual liberties and minority rights, and authored many important decisions including Stanley v. Georgia and California Federal v. Guerra; and

WHEREAS, On June 27, 1991, he announced his resignation from the Court for reasons of advancing age and medical condition; now, therefore, be it

Resolved by the Assembly of the State of California, the Senate thereof concurring, That the Legislature of the State of California hereby commends Associate Justice Thurgood Marshall on the occasion of his retirement and for his distinguished service to this country; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a suitably prepared copy of this resolution to the author of this measure for appropriate distribution.

RESOLUTION CHAPTER 122

Assembly Joint Resolution No. 37—Relative to federal labor laws.

[Filed with Secretary of State September 25, 1991.]

WHEREAS, The practice of replacing striking workers has increased dramatically since 1981; and

WHEREAS, The right of workers to withhold their labor during negotiations has been an essential element of the collective bargaining process; and

WHEREAS, Employee faith in the collective bargaining process is damaged by any undermining of this basic right, thereby increasing the probability of prolonged and disruptive labor disputes and increased economic hardship; and

WHEREAS, An increasing number of employers in the 1980's relied upon a 1938 Supreme Court ruling that legalized the "replacement" of striking workers and a 1986 decision that authorized preferential treatment for strikebreakers, thereby disturbing the balance of power which had previously ensured fair and expedient labor negotiations; and

WHEREAS, Thousands of workers in California have lost their jobs when they chose to exercise their rights and, in effect, their last practical recourse under the National Labor Relations Act and the Railway Labor Act; and

WHEREAS, Proposed amendments to the National Labor Relations Act and the Railway Labor Act contained in H.R. 5 and S. 55 would make it unlawful to offer permanent employment or employment preference to an individual who would work during a strike; and

WHEREAS, Approval of H.R. 5 and S. 55 would restore the right to strike to its historical status as a legitimate tool of the collective bargaining process; and

WHEREAS, H.R. 5 and S. 55 would further prohibit employers from providing preferential benefits to workers who would cross the picket line to return to work and thus protect the rights of, and prevent retribution against, workers who participate in job actions; and

WHEREAS, H.R. 5 and S. 55 are essential to restoring the integrity and purpose of the National Labor Relations Act's and the Railway Labor Act's time-tested process for the fair and equitable disposition of labor disputes; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the Congress of the United States to amend the National Labor Relations Act and the Railway Labor Act to prevent discrimination based on participation in labor disputes by limiting the hiring of permanent replacement workers during bona fide labor-management disputes and prohibiting employers from

offering preferential benefits to those workers; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 123

Assembly Joint Resolution No. 40—Relative to mifepristone (RU-486).

[Filed with Secretary of State September 25, 1991.]

WHEREAS, the antiprogesterone steroid mifepristone, known as RU-486, has been approved and available in France since November of 1988; and

WHEREAS, It is in keeping with basic medical standards to avoid surgical procedures whenever an equally effective noninvasive alternative is available; and

WHEREAS, The medical community has identified RU-486 as a promising treatment for medical purposes, including the termination of early pregnancy, treatment of breast and brain cancer, endometriosis, AIDS, glaucoma, gynecological malignancies, osteoporosis, Cushing's disease, and other serious conditions facing women and all Americans; and

WHEREAS, The American Medical Association, the American Public Health Association, the American College of Obstetricians and Gynecologists, the American Association for the Advancement of Science, the California Medical Association, the California Chapter of the American College of Obstetricians and Gynecologists, Los Angeles Medical Commission, and the California Conference of Local Health Officers have formally recognized the importance of RU-486 and support the testing of RU-486 in the United States; and

WHEREAS, The Food and Drug Administration acted precipitously and without evidence that RU-486 was brought into the country illegally when it enacted the import alert against RU-486, and this import alert has thwarted the availability of RU-486 to the few scientific research studies being conducted in the United States with the drug; and

WHEREAS, California is the largest state in the nation and should maximize its resources to help make this technology available to women; and

WHEREAS, All American women and their families are entitled to the best medical research and this drug may be the solution to many conditions now predominantly affecting women; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California memorializes the Congress and the President of the United States to rescind the import alert imposed by the Food and Drug Administration and support the use of RU-486 for all appropriate research and, if indicated, clinical trials; and be it further

Resolved, That the Legislature of the State of California urges the State Department of Health Services to use its statutory authority to approve the use of RU-486 in clinical trials as expeditiously as possible; and be it further

Resolved, That the Legislature of the State of California encourages all qualified investigators, companies, and businesses which decide to test RU-486 to choose California as the site for clinical trials for all research associated with RU-486 and to submit the data from the clinical trials to the Food and Drug Administration and the State Department of Health Services; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, to the manufacturer of RU-486, Roussel UCLAF, 35 Boulevard des Invalides 75007, Paris France, to the Commissioner of the federal Food and Drug Administration, and to the State Director of Health Services.

RESOLUTION CHAPTER 124

Assembly Joint Resolution No. 49—Relative to the United States Air Force B-2 bomber.

[Filed with Secretary of State September 25, 1991.]

WHEREAS, The Congress of the United States will soon be deciding whether funding will be included within the 1991–92 Defense Authorization Bill for the continued production of the United States Air Force B-2 bomber; and

WHEREAS, A Joint Conference Committee comprised of distinguished members of the House of Representatives and the Senate will be formulating the final recommendations for the funding of all defense programs that must be approved by the President of the United States; and

WHEREAS, Stealth technology, born in California, gives the United States assured dominance over any adversary and, as proven in Operation Desert Storm, saves the lives of our men and women; and

WHEREAS, The research and manufacture of the B-2 bomber, the only stealth airplane in production anywhere in the world, is

developed at Northrop Corporation's facilities in southern California; and

WHEREAS, The B-2 program employs 12,000 people and generates additional jobs through local suppliers and subcontractors, and has a total employment impact on California of more than 35,000 jobs; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the B-2 bomber is acknowledged as vital to the future defense needs and the maintaining of the technological superiority of the United States; and be it further

Resolved, That the Congress of the United is hereby urged to include funding for the continued production of the United States Air Force B-2 bomber at the level requested by the President, the Secretary of Defense, and the Chairman of the Joint Chiefs of Staff; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Secretary of Defense, to the Chairman of the Joint Chiefs of Staff, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 125

Senate Joint Resolution No. 28—Relative to railroad safety.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, On July 14, 1991, a major derailment in Shasta County, California between Dunsmuir and Mount Shasta involving a Southern Pacific Transportation Company freight train caused a single-wall tank car to spill its contents of the chemical metam sodium into the Sacramento River, fouling the river, killing fish and wildlife, and sickening some nearby residents; and

WHEREAS, Between 1976 and 1990, 43 derailments or other accidents have occurred on this 20-mile section of track, and the metam sodium spill is the 20th rail accident in the past 15 years on the same three miles of track; and

WHEREAS, Single-wall rail tank cars experience punctures, and resultant dangerous leaks, in accidents twice as often as double-wall rail tank cars; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the California Legislature respectfully memorializes the President and Congress of the United States to do all of the following:

(1) Require the United States Department of Transportation to adopt an emergency regulation to immediately reclassify metam sodium as a hazardous substance so that it may be transported only

in double-wall rail tank cars appropriately placarded and then adopt a regulation through the regular process with the same effect;

(2) Require the United States Department of Transportation to investigate and review other chemical compounds not presently considered to be hazardous or toxic for possible reclassification as hazardous substances; and

(3) Require the Federal Railroad Administration to increase the enforcement of rail speed limitations and the National Transportation Safety Board to investigate conditions on the 20-mile section of track between Dunsmuir and Mount Shasta; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, to the United States Department of Transportation, to the Federal Railroad Administration, and to the National Transportation Safety Board.

RESOLUTION CHAPTER 126

Senate Concurrent Resolution No. 1—Relative to the adoption of the Joint Rules of the Senate and Assembly for the 1991–92 Regular Session.

[Filed with Secretary of State September 26, 1991.]

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the following rules be adopted as the Joint Rules of the Senate and Assembly for the 1991–92 Regular Session.

JOINT RULES OF THE SENATE AND ASSEMBLY

Standing Committees

1. Each house shall appoint such standing committees as the business of the house may require, the committees, the number of members, and the manner of selection to be determined by the rules of each house.

Joint Meeting of Committees

3. Whenever any bill has been referred by the Senate to one of its committees, and the same or a like bill has been referred by the Assembly to one of its committees, the chairmen or chairwomen of the respective committees, when in their judgment the interests of

legislation or the expedition of business will be better served thereby, shall arrange for a joint meeting of their committees for the consideration of such bill.

Effect of Adoption of Joint Rules

3.5. The adoption of the Joint Rules for any extraordinary session shall not be construed as modifying or rescinding the Joint Rules of the Senate and Assembly for any previous session, nor as affecting in any way the status or powers of the committees created by those rules.

Definition of Word Bill

4. Whenever the word "bill" is used in these rules, it shall include constitutional amendments, resolutions ratifying proposed amendments to the United States Constitution, and resolutions calling for constitutional conventions.

Concurrent and Joint Resolutions

5. Concurrent resolutions relate to matters to be treated by both houses of the Legislature.

Joint resolutions are those which relate to matters connected with the federal government.

Resolutions Treated as Bills

6. Concurrent and joint resolutions, other than resolutions ratifying proposed amendments to the United States Constitution and resolutions calling for constitutional conventions, shall be treated in all respects as bills except as follows:

(a) They shall be given only one formal reading in each house.

(b) They shall not be deemed bills within the meaning of subdivision (a) of Section 8 of Article IV of the Constitution.

(c) They shall not be deemed bills for the purposes of Rules 10.8, 53, 55, 56, and 61, and subdivisions (a) and (c) of Rule 54 and subdivisions (a) and (b) of Rule 62.

(d) They shall not, except for those relating to voting procedures on the floor or in committee, be deemed bills for the purposes of subdivision (c) of Rule 62.

PREPARATION AND INTRODUCTION OF BILLS

Title of Bill

7. The title of every bill introduced shall convey an accurate idea of the contents of the bill and shall be indicative of the scope of the act and the object to be accomplished. In amending a code section,

the mere reference to the section by number shall not be deemed sufficient.

Division of Bill Into Sections

8. A bill amending more than one section of an existing law shall contain a separate section for each section amended.

Bills which are not amendatory of existing laws shall be divided into short sections, where this can be done without destroying the sense of any particular section, to the end that future amendments may be made without the necessity of setting forth and repeating sections of unnecessary length.

Digest of Bills Introduced

8.5. No bill shall be introduced unless it is contained in a cover attached by the Legislative Counsel and unless it is accompanied by a digest, prepared and attached to the bill by the Legislative Counsel, showing the changes in the existing law which are proposed by the bill. No bill shall be printed where the body of the bill or the Legislative Counsel's Digest has been altered, unless the alteration has been approved by the Legislative Counsel. If any bill is presented to the Secretary of the Senate or Chief Clerk of the Assembly for introduction, which does not comply with the foregoing requirements of this rule, the Secretary or Chief Clerk shall return it to the member who presented it. The digest shall be printed on the bill as introduced, commencing on the first page thereof.

Digest of Bills Amended

8.6. Whenever a bill is amended in either house, the Secretary of the Senate or the Chief Clerk of the Assembly, as the case may be, shall request the Legislative Counsel to prepare an amended digest and cause it to be printed on the first page of the bill as amended. The digest shall be amended to show changes in the existing law which are proposed by the bill as amended with any material changes in the digest indicated by the use of appropriate type.

Errors in Digest

8.7. If a material error in a printed digest referred to in Rule 8.5 or 8.6 is brought to the attention of the Legislative Counsel, he shall prepare a corrected digest which shall show the changes made in the digest as provided in Rule 10 for amendments to bills. He shall deliver the corrected digest to the Secretary of the Senate or the Chief Clerk of the Assembly, as the case may be. If the correction warrants it in the opinion of the President pro Tempore of the Senate or the Speaker of the Assembly, a corrected print of the bill as introduced shall be ordered with the corrected digest printed

thereon.

Bills Amending Title 9 of the Government Code

8.8. A member who is the first-named author of a bill which would amend, add, or repeal any provision of Title 9 (commencing with Section 81000) of the Government Code, upon introduction or amendment of such bill in either house shall notify the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be, of the nature of such bill. Thereafter, the Chief Clerk of the Assembly or the Secretary of the Senate shall deliver a copy of such bill as introduced or amended to the Fair Political Practices Commission pursuant to Section 81012 of the Government Code.

Restrictions as to Amendments

9. A substitute or amendment must relate to the same subject as the original bill, constitutional amendment, or resolution under consideration. No amendment shall be in order when all that would be done to the bill is the addition of a coauthor or coauthors, unless the Rules Committee of the house in which such an amendment is to be offered grants prior approval.

Changes in Existing Law to Be Marked by Author

10. In a bill amending or repealing a code section or a general law, any new matter shall be underlined and any matter to be omitted shall be in type bearing a horizontal line through the center and commonly known as "strikeout" type. When printed the new matter shall be printed in italics, and the matter to be omitted shall be printed in "strikeout" type.

In any amendment to a bill which sets out for the first time a section being amended or repealed, any new matter to be added and any matter to be omitted shall be indicated by the author and shall be printed in the same manner as though the section as amended or repealed were a part of the original bill and was being printed for the first time.

When an entire code is repealed as part of a codification or recodification or when an entire title, part, division, chapter, or article of a code is repealed, the sections comprising such code, title, part, division, chapter, or article shall not be set forth in the bill or amendment in strikeout type.

Rereference to Fiscal and Rules Committees

10.5. Bills shall be rereferred to the fiscal committee of each house when they would do any of the following:

(1) Appropriate money.

(2) Result in substantial expenditure of state money by:

(a) imposing new responsibilities on the state or (b) imposing new or additional duties on a state agency or (c) liberalizing any state program, function, or responsibility.

(3) Result in a substantial loss of revenue to the state.

(4) Result in substantial reduction of expenditures of state money by reducing, transferring, or eliminating any existing responsibilities of any state agency, program, or function.

Concurrent and joint resolutions shall be rereferred to the fiscal committee of each house when they contemplate any action which would involve any of the following:

(1) Any substantial expenditure of state money.

(2) Any substantial loss of revenue to the state.

The above requirements do not apply to bills or concurrent resolutions which contemplate the expenditure or allocation of operating funds.

A bill which assigns a study to the Joint Legislative Budget Committee or to the Legislative Analyst shall be rereferred to the respective rules committees. Before the committee shall act upon such bill, it shall obtain from the Joint Legislative Budget Committee an estimate of the amount required to be expended to make the study.

Heading of Bills

10.7. No bill shall indicate in its heading or elsewhere that it was introduced at the request of a state agency or officer or any other person. No bill shall contain the words "By request" or words of similar import.

Consideration of Bills

10.8. The limitation contained in subdivision (a) of Section 8 of Article IV of the Constitution may be dispensed with as follows:

(a) A written request for such dispensation entitled "Request to Consider and Act on Bill Within 30 Calendar Days" shall be filed with the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be, and transmitted to the Committee on Rules of the appropriate house.

(b) The Committee on Rules of the Assembly or Senate, as the case may be, shall determine whether there exists an urgent need for dispensing with the 30-calendar-day waiting period following the bill's introduction.

(c) If the Committee on Rules recommends that the waiting period be dispensed with, the member may offer a resolution, without further reference thereof to committee, authorizing hearing and action upon the bill before the 30 calendar days have elapsed. The adoption of the resolution shall require an affirmative recorded vote of three-fourths of the elected members of the house in which the resolution is presented.

Printing of Amendments

11. (a) All bills amended by either house shall be immediately reprinted. Except as otherwise provided in subdivision (b), if new matter is added by the amendment, the new matter shall be printed in italics in the printed bill; if matter is omitted, the matter to be omitted shall be printed in strikeout type. When a bill is amended in either house, the first or previous markings shall be omitted.

(b) If amendments to a bill, including the report of a committee on conference, are adopted that omit the entire contents of the bill, the matter omitted need not be reprinted in the amended version of the bill. Instead, the Secretary of the Senate or the Chief Clerk of the Assembly, as the case may be, may select any such amended bill and cause to be printed a brief statement to appear after the last line of the amended bill identifying which previously printed version of the bill contains the complete text of the omitted matter.

Manner of Printing Bills

12. The State Printer shall observe the directions of the Joint Rules Committee in printing all bills, constitutional amendments, and concurrent and joint resolutions.

Distribution of Legislative Publications

13. The Secretary of the Senate and the Chief Clerk of the Assembly shall order a sufficient number of bills and legislative publications as may be necessary for legislative requirements.

No complete list of bills shall be delivered except upon payment therefor of such sum as may be fixed by the Joint Rules Committee for any regular or extraordinary session. No more than one copy of any bill or other legislative publication, nor more than a total of 100 bills or other legislative publications during a session, shall be distributed free to any person, office, or organization. The limitations imposed by this paragraph do not apply to Members of the Legislature, the President of the Senate, the Secretary of the Senate and the Chief Clerk of the Assembly for the proper functioning of their respective houses; the Legislative Counsel Bureau; Attorney General's office; Secretary of State's office; Controller's office; Governor's office; the Clerk of the Supreme Court; the clerk of the court of appeal for each district; the Judicial Council; the California Law Revision Commission; the State Library; the Library of Congress; the libraries of the University of California at Berkeley and at Los Angeles; and accredited members of the press. The State Printer shall fix the cost of such bills and publications, including postage, and such moneys as may be received by him shall, after deducting the cost of handling and mailing, be remitted on the first day of each month, one-half each to the Secretary of the Senate and the Chief Clerk of the Assembly for credit to legislative printing.

Legislative publications heretofore distributed through the Bureau of Documents shall be distributed through the Bill Room. Unless otherwise provided for, the total number of each bill to be printed shall not be more than 2,500.

Legislative Index

13.1. The Legislative Counsel shall provide for the periodic publication of a cumulative Legislative Index which shall include tables of sections affected by pending legislation. The State Printer shall print the Legislative Index in such quantities, and at such times, as are determined by the Secretary of the Senate and the Chief Clerk of the Assembly. The costs of such printing shall be paid from the legislative printing appropriation.

Summary Digest

13.3. The Legislative Counsel shall compile and prepare for publication a summary digest of legislation passed at each regular and extraordinary session, which digest shall be prepared in a form suitable for inclusion in the publication of statutes. The digest shall be printed as a separate legislative publication on the order of the Joint Rules Committee and may be made available to the public in such quantities and at such prices as the Joint Rules Committee may determine.

Statutory Record

13.5. The Legislative Counsel shall prepare for publication from time to time a cumulative statutory record. The statutory record shall be printed as a legislative publication on the order of the Secretary of the Senate or the Chief Clerk of the Assembly.

OTHER LEGISLATIVE PRINTING

Printing of the Daily Journal

14. The State Printer shall print in such quantity as directed by the Secretary of the Senate and the Chief Clerk of the Assembly, copies of the journal of each day's proceedings of each house. At the end of the session he shall also print, as directed by the Secretary of the Senate and the Chief Clerk of the Assembly a sufficient number of copies properly paged after being corrected and indexed by the Secretary of the Senate and the Chief Clerk of the Assembly, to bind in book form as the journal of the respective houses of the Legislature.

What Shall Be Printed in the Journal

15. The following shall always be printed in the journal of each house:

(a) Messages from the Governor and messages from the other house, and the titles of all bills, joint and concurrent resolutions, and constitutional amendments when introduced in, offered to, or acted upon by the house.

(b) Every vote taken in the house, and a statement of the contents of each petition, memorial, or paper presented to the house.

(c) A true and accurate account of the proceedings of the house, when not acting as a Committee of the Whole.

Printing of the Daily File

16. A daily file of bills ready for consideration shall be printed each day for each house when the Legislature is not in joint recess except days when a house does not meet.

Printing of History

17. Each house shall cause to be printed, once each week, a complete history of all bills; constitutional amendments; and concurrent, joint, and house resolutions originating in, considered, or acted upon by the respective houses and committees thereof. A regular form shall be prescribed by the Secretary of the Senate and the Chief Clerk of the Assembly. Such history shall show the action taken upon each measure up to and including the legislative day preceding its issuance. Except for periods when the houses are in joint recess, for each day intervening there shall be printed a daily history showing the consideration given to or action taken upon any measure since the issuance of the complete history.

Authority for Printing Orders

18. The State Printer shall not print for use of either house nor charge to legislative printing any matter other than provided by law or by the rules, except upon a written order signed by the Secretary of the Senate, on behalf of the Senate, or the Chief Clerk of the Assembly or other person authorized by the Assembly, on behalf of the Assembly. Persons authorized to order printing under this rule may, when necessity requires it, order certain matter printed in advance of the regular order, by the issuance of a rush order.

The Secretary of the Senate, on behalf of the Senate, and the Chief Clerk of the Assembly or other person authorized by the Assembly, on behalf of the Assembly, are hereby authorized and directed to order and distribute for the members stationery and legislative publications for which there is a demand, and, subject to the rules of their respective houses, to approve the bills covering such orders. All

bills for printing must be presented by the State Printer within 30 days after the completion of the printing.

RECORD OF BILLS

Secretary and Chief Clerk to Keep Records

19. The Secretary of the Senate and the Chief Clerk of the Assembly shall keep a complete and accurate record of every action taken by the Senate and Assembly on every bill.

Secretary and Chief Clerk Shall Endorse Bills

20. The Secretary of the Senate and the Chief Clerk of the Assembly shall endorse on every original or engrossed bill a statement of any action taken by the Senate or Assembly concerning such bill.

ACTION IN ONE HOUSE ON BILL TRANSMITTED FROM THE OTHER

After a Bill Has Been Passed by the Senate or Assembly

21. When a bill has been passed by either house it shall be transmitted promptly to the other unless a motion to reconsider or a notice of motion to reconsider has been made or it is held pursuant to some rule or order of the house.

The procedure of referring bills to committees shall be determined by the respective houses.

Messages to Be in Writing Under Proper Signatures

22. Notice of the action of either house to the other shall be in writing and under the signature of the Secretary of the Senate or the Chief Clerk of the Assembly from which such message is to be conveyed. A receipt shall be taken from the officer to whom such message is delivered.

Uncontested Bills

22.1. Each standing committee may report an uncontested bill out of committee with the recommendation that it be placed on the consent calendar. The Secretary of the Senate and the Chief Clerk of the Assembly shall provide to each committee chairman or chairwoman appropriate forms for such report. As used in this rule, "uncontested bill" means a bill, except a revenue measure or a measure as to which the 30-day limitation prescribed by subdivision (a) of Section 8 of Article IV of the Constitution has been dispensed with, which: (a) receives a do-pass or do-pass-as-amended

recommendation from the committee to which it is referred, by unanimous vote of the members present provided a quorum is present; and (b) has no opposition expressed by any person present at the committee meeting with respect to the final version of the bill as approved by the committee; and (c) prior to final action by the committee, has been requested by the author to be placed on the consent calendar.

Consent Calendar

22.2. Following their second reading and the adoption of any committee amendments thereto, all bills certified by the committee chairman or chairwoman as uncontested bills shall be placed by the Secretary of the Senate or the Chief Clerk of the Assembly on the consent calendar, and shall be known as "consent calendar bills." Any consent calendar bill which is amended from the floor shall cease to be a consent calendar bill and shall be replaced on the third reading file. Upon objection of any member to the placement or retention of any bill on the consent calendar, such bill shall cease to be a consent calendar bill and shall be replaced on the third reading file. No consent calendar bill shall be considered for adoption until the second legislative day following the day of its placement on the consent calendar.

Consideration of Bills on Consent Calendar

22.3. Bills on the consent calendar are not debatable, except that the President of the Senate or the Speaker of the Assembly shall allow a reasonable time for questions from the floor and shall permit the proponents of such bills to answer such questions. Immediately prior to voting on the first bill on the consent calendar, the President of the Senate or the Speaker of the Assembly shall call to the attention of the members the fact that the next rollcall will be the rollcall on the first bill on the consent calendar.

The consent calendar shall be considered as the last order of business on the daily file.

PASSAGE AND ENROLLING OF BILLS

Procedure on Defeat of More Than Majority Bill

23.5. Whenever a bill containing a section or sections requiring for passage an affirmative recorded vote of more than 21 votes in the Senate and more than 41 votes in the Assembly is being considered for passage and the urgency clause, if the bill is an urgency bill, or the bill, in any case, fails to receive the necessary votes to make all sections effective, no further action may be taken on the bill; provided that an amendment to remove all sections requiring the higher vote for passage from the bill shall be in order prior to

consideration of further business. If the amendment is adopted, the bill shall be reprinted to reflect such amendment. When the bill is reprinted, it shall be returned to the same place on the file as when it failed to receive the necessary votes.

Enrollment of Bill After Passage

24. After a bill has passed both houses it shall be printed in enrolled form, omitting symbols indicating amendments, and shall be compared by the Engrossing and Enrolling Clerk and the proper committee of the house where it originated to determine that it is in the form approved by the houses. The enrolled bill shall thereupon be signed by the Secretary of the Senate and Chief Clerk of the Assembly and, except as otherwise provided by these rules, presented without delay to the Governor. The committee shall report the time of presentation of the bill to the Governor to the house and the record shall be entered in the journal. After enrollment and signature by the officers of the Legislature, constitutional amendments, and concurrent and joint resolutions shall be filed without delay in the office of the Secretary of State and the time of filing shall be reported to the house and the record entered in the journal.

AMENDMENTS AND CONFERENCES

Amendments to Amended Bills Must Be Attached

25. Whenever a bill or resolution which shall have been passed in one house shall be amended in the other, it shall immediately be reprinted as amended by the house making such amendment or amendments. Two copies of such amendment or amendments shall be attached to the bill or resolution so amended, and endorsed "adopted" and such amendment or amendments, if concurred in by the house in which such bill or resolution originated, shall be endorsed "concurred in," and such endorsement shall be signed by the Secretary or Assistant Secretary of the Senate, or the Chief Clerk or Assistant Clerk of the Assembly, as the case may be; provided, however, that an amendment to the title of a bill adopted after the passage of such bill shall not necessitate reprinting, but such amendment must be concurred in by the house in which such bill originated.

Amendments to Concurrent and Joint Resolutions

25.5. When a concurrent or joint resolution is amended, and the only effect of the amendments is to add coauthors, the joint or concurrent resolution shall not be reprinted unless specifically requested by one of the added coauthors, but a list of the coauthors shall appear in the journal and history.

To Concur or Refuse to Concur in Amendments

26. In case the Senate amends and passes an Assembly bill, or the Assembly amends and passes a Senate bill, the Senate (if it be a Senate bill) or the Assembly (if it be an Assembly bill) must either "concur" or "refuse to concur" in the amendments. If the Senate concurs (if it be a Senate bill), or the Assembly concurs (if it be an Assembly bill), the Secretary or Chief Clerk shall notify the house making the amendments and the bill shall be ordered to enrollment.

Reference to Committee

26.5. Pursuant to Rule 26, whenever a bill is returned to its house of origin for a vote on concurrence in an amendment made in the other house, the Legislative Counsel shall promptly prepare and transmit to the Chief Clerk of the Assembly and the Speaker of the Assembly in the case of an Assembly bill, or to the Secretary of the Senate and Chairman of the Senate Committee on Rules in the case of a Senate bill, a brief digest summarizing the effect of the amendment made in the other house. The Secretary or Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference to the bill covered by the digest. A motion to concur or refuse to concur in the amendment shall not be in order until such time as the Legislative Counsel's Digest has appeared in the file.

If the digest discloses that the amendment of the other house has made a substantial substantive change in the bill as first passed by the house of origin, the bill shall on motion of the Chairman of the Senate Committee on Rules, if it be a Senate bill, be referred to the Senate Committee on Rules for reference to an appropriate standing committee. If the bill is an Assembly bill it shall be referred by the Chief Clerk of the Assembly, with the approval of the Speaker, to the committee of first reference. If the Speaker, upon evaluation of the bill, determines that the committee of first reference is not an appropriate committee to hear the amended bill, the Speaker shall not approve referral to that committee, but shall instead refer the bill to the Assembly Committee on Rules for rereferral.

Upon receipt of such a bill, the committee may vote to recommend concurrence or nonconcurrence in the amendment or the committee may hold the bill. The committee shall be subject to all the requirements for procedure provided under Rule 62 for committees other than for committees of first referral, and such other requirements for normal committee procedure as the Assembly or Senate may separately provide in the standing rules of their respective houses.

Any of the provisions of this rule may be dispensed with regard to a particular bill in its house of origin upon an affirmative vote of a majority of the members of that house.

Concurring in Amendments Adding Urgency Section

27. When a bill which has been passed in one house is amended in the other by the addition of a section providing that the act shall take effect immediately as an urgency statute and is returned to the house in which it originated for concurrence in the amendment or amendments thereto, the procedure and vote thereon shall be as follows:

The presiding officer shall first direct that the urgency section be read and put to a vote. If two-thirds of the members elected to the house vote in the affirmative, the presiding officer shall then direct that the question of whether the house shall concur in the amendment or amendments shall be put to a vote. If two-thirds of all the members elected to the house vote in the affirmative, concurrence in the amendments shall be effective.

If the affirmative vote on either of such questions is less than two-thirds of all the members elected to such house, the effect is a refusal to concur in the amendment or amendments, and the procedure thereupon shall be as provided in Rule 28.

When Senate or Assembly Refuse to Concur

28. If the Senate (if it be a Senate bill) or the Assembly (if it be an Assembly bill) refuses to concur in amendments to the bill made by the other house, and when the other house has been notified of such refusal to concur, a conference committee shall be appointed for each house in the manner prescribed by these rules. The Committee on Rules in the case of the Senate and the Speaker of the Assembly in the case of the Assembly shall each appoint a committee of three on conference, and the Secretary of the Senate or the Chief Clerk of the Assembly shall immediately notify the other house of the action taken.

Committee on Conference

28.1. The Senate Committee on Rules and the Speaker of the Assembly, in appointing a committee on conference, shall each select two members from those voting with the majority on the point about which the difference has arisen, and the other member from the minority, in the event there is a minority vote.

Whether a member has voted with the majority or minority on the point about which the difference has arisen is determined by his vote on the appropriate rollcall, as follows:

(1) In the Assembly—

(a) The rollcall on the question of final passage of a Senate bill amended in the Assembly when the Senate has refused to concur with the Assembly amendments.

(b) The rollcall on the question of concurrence with Senate amendments to an Assembly bill.

(2) In the Senate--

(a) The rollcall on the question of final passage of an Assembly bill amended in the Senate when the Assembly has refused to concur with the Senate amendments.

(b) The rollcall on the question of concurrence with Assembly amendments to a Senate bill.

Meetings and Reports of Committees on Conference

29. The first Senator named on the conference committee shall act as chairman or chairwoman of the committee from the Senate, and the first Member of the Assembly named on such committee shall act as chairman or chairwoman of the committee from the Assembly. The chairman or chairwoman of the committee on conference for the house of origin of the bill shall arrange the time and place of meeting of the conference committee and shall prepare or direct the preparation of reports. It shall require an affirmative vote of not less than two of the Assembly Members and two of the Senate Members constituting the committee on conference to agree upon a report, and the report shall be submitted to both the Senate and the Assembly. The committee on conference shall report to both the Senate and the Assembly. Such report is not subject to amendment, and if either house refuses to adopt such report, the conferees shall be discharged and other conferees appointed; provided, however, that no more than three different conference committees shall be appointed on any one bill. No member who has served on a committee on conference shall be appointed a member of another committee on conference on the same bill. It shall require the same affirmative recorded vote to adopt any conference report as required by the Constitution upon the final passage of the bill affected by such report. It shall require an affirmative recorded vote of two-thirds of the entire elected membership of each house to adopt any conference report affecting any bill which contains an item or items of appropriation which are subject to subdivision (d) of Section 12 of Article IV of the Constitution. The report of a conference committee shall be in writing, and shall have affixed thereto the signatures of each Senator and each Member of the Assembly consenting to the report. Space shall also be provided where a member of a conference committee may indicate his dissent in the committee's findings. Any dissenting member may have attached to a conference committee report a dissenting report which shall not exceed, in length, the majority committee report. A copy of any amendments proposed in the majority report shall be placed on the desk of each member of the house before it is acted upon by the house.

The vote on concurrence or upon the adoption of such conference report shall be deemed the vote upon final passage of such bill.

Conference Committees

29.5. (a) All meetings of any conference committee on the Budget Bill shall be open and readily accessible to the public.

No conference committee on any bill may meet, consider, or act on the subject matter of the bill except in a meeting that is open and readily accessible to the public; unless the action is on a report determined by the Legislative Counsel to be nonsubstantive. The Legislative Counsel shall examine each proposed report and shall note upon the face of the report that the amendments proposed are "substantive" or "nonsubstantive" as the case may be.

The chairman or chairwoman of the conference committee of each house shall give notice to the file clerk of their respective houses of the time and place of such meeting. Notice of each public meeting shall be published in the file of each house one calendar day prior to the meeting, except that such notice shall not be required for a meeting of a conference committee on the Budget Bill. When the provisions of this subdivision are waived with respect to a meeting of any public conference committee, and when there is a meeting of a conference committee on the Budget Bill, every effort shall be made to inform the public that such a meeting has been called. When the provisions of this subdivision have been waived with respect to the meeting of any public conference committee, the chairman or chairwoman of the conference committee of each house shall immediately notify the chairman or chairwoman of the policy committee of their respective houses that considered the bill in question of the waiver, and of the time and place of the meeting.

(b) The first committee on conference of the Budget Bill, if such a committee is appointed, shall submit its report to each house no later than 15 days after the Budget Bill has been passed by both houses. If such report is not submitted by such date, the conference committee shall be deemed to have reached no agreement and shall so inform each house pursuant to Rule 30.7.

(c) A committee on conference of the Budget Bill shall only consider differences between the Assembly version of the Budget Bill as passed by the Assembly and the Senate version of the Budget Bill as passed by the Senate and shall not approve any item of expenditure nor control which exceeds that contained in one of the two versions before the conference committee.

(d) No conference committee on any bill, other than the Budget Bill, shall approve any substantial financial provision in any bill if such financial provision has not been heard by the fiscal committee of each house, nor shall any such conference committee approve substantial policy changes which have not been heard by the policy committee of each house.

(e) No waiver of the one calendar day file notice requirement of subdivision (a) shall be effective for longer than three calendar days.

Conference Committee Reports

30. Upon submission of the report of a committee on conference, if the report recommends that the bill be further amended, the bill shall be reprinted incorporating the amendments recommended by the conference committee. The consideration of the report of a committee on conference shall not be in order until the bill in the form recommended by the report of the committee on conference has both been in print and been noticed in the Daily File for not less than one legislative day.

If the conference committee's report recommends only that the amendments of the Senate or the Assembly "be concurred in", consideration of the report shall be in order at any time, and reprinting of the bill shall not be required, but notice shall appear in the Daily File for not less than one legislative day.

No conference committee report shall be in order unless it has been received by the Secretary of the Senate and the Chief Clerk of the Assembly at least three calendar days preceding the scheduled commencement of the summer, interim, or final recesses of the Legislature.

The provisions of this rule may be suspended as to any particular conference committee report by a two-thirds vote of the membership of either house.

This rule shall not apply to a report of a committee on conference on the Budget Bill.

Conference Committee Reports on Urgency Statutes

30.5. When the report of a committee on conference recommends the amendment of a bill by the addition of a section providing that the act shall take effect immediately as an urgency statute, the procedure and the vote thereon shall be as follows:

The presiding officer shall first direct that the urgency section be read and put to a vote. If two-thirds of the members elected to the house vote in the affirmative, the presiding officer shall then direct that the question of whether the house shall adopt the report of the committee on conference shall be put to a vote. If two-thirds of the members elected to the house vote in the affirmative, the adoption of the report and the amendments proposed thereby shall be effective.

If the affirmative vote on either of such questions is less than two-thirds of the members elected to such house, the effect is a refusal to adopt the report of the committee on conference.

Failure to Agree on Report

30.7. A conference committee may find and determine that it is unable to submit a report to the respective houses, upon the affirmative vote to that effect of not less than two of the Assembly

Members and not less than two of the Senate Members constituting the committee. Such finding may be submitted to the Chief Clerk of the Assembly and the Secretary of the Senate in the form of a letter from the chairman of the committee on conference for the house of origin of the bill, containing the signatures of the members of the committee consenting to the finding and determination that the committee is unable to submit a report. The Chief Clerk of the Assembly and the Secretary of the Senate, upon being notified that a conference committee is unable to submit a report, shall so inform each house, whereupon the conferees shall be discharged and other conferees appointed, in accordance with the provisions of Rule 29.

MISCELLANEOUS PROVISIONS

Authority When Rules Do Not Govern

31. All relations between the houses which are not covered by these rules shall be governed by Mason's Manual (1979 edition).

Press Rules

32. (a) Persons desiring privileges of accredited press representatives shall make application to the Joint Rules Committee. Such application shall constitute compliance with any provisions of the rules of the Assembly or the Senate with respect to registration of news correspondents. Applications shall state in writing the names of the daily newspapers, periodic publications, news associations, or radio or television stations by which the press representatives are employed, and what other occupations or employment they may have, if any, and the press representatives shall further declare that they are not employed, directly or indirectly, to assist in the prosecution of the legislative business of any person, corporation, or association, and will not become so employed while retaining the privilege of accredited press representatives.

(b) The applications required by subdivision (a) of this rule shall be authenticated in a manner that shall be satisfactory to the Standing Committee of the Capitol Correspondents Association which shall see that occupation of seats and desks in the Senate and the Assembly Chambers is confined to bona fide correspondents of reputable standing in their business, who represent daily newspapers requiring a daily file of legislative news, qualified periodic publications, or news associations requiring daily telegraphic or radio or television service on legislative news. It shall be the duty of the standing committee at its discretion, to report violation of accredited press privileges to the Speaker of the Assembly, or to the Senate Committee on Rules, and pending action thereon the offending correspondent may be suspended by the standing committee.

(c) Except as otherwise provided in this subdivision, persons engaged in other occupations whose chief attention is not given to

newspaper correspondence or to news associations requiring telegraphic or radio or television service shall not be entitled to the privileges accorded accredited press representatives; and the press list in the Handbook of the California Legislature and the Senate and Assembly Histories shall be a list only of persons authenticated by the standing committee of correspondents. Accreditation may be granted to bona fide correspondents of reputable standing employed by periodic publications of general circulation, providing that the applicants are employed on a full-time basis in the capitol area preparing articles dealing with state government and politics and that their publications are not organs or organizations involved in legislative advocacy.

(d) The press seats and desks in the Senate and Assembly Chambers shall be under the control of the standing committee of correspondents, subject to the approval and supervision of the Speaker of the Assembly and the Senate Committee on Rules. Press cards shall be issued by the President of the Senate and the Speaker of the Assembly only to correspondents properly accredited in accordance with the provisions of this rule.

(e) One or more rooms shall be assigned for the exclusive use of correspondents during the legislative session, which rooms shall be known as the Press Room. The Press Room shall be under the control of the Chief of the Office of Buildings and Grounds; provided, that all rules and regulations shall be approved by the Senate Committee on Rules and the Speaker of the Assembly.

(f) No accredited member of the Capitol Correspondents Association shall, for compensation, perform any service for state constitutional officers or members of their staffs, for state agencies, for the Legislature, for candidates for state office, or for a state officeholder, or for any person registered or performing as a legislative advocate.

(g) An accredited member of the association who violates subdivision (a) or (f) of this rule shall be subject to the following penalties:

(1) For the first offense, the Standing Committee of the Capitol Correspondents Association shall send a letter of admonition to the offending member, his employer, and the Joint Rules Committee. The letter shall state the nature of the member's rule violation and shall warn of an additional penalty for a second offense.

(2) For a second offense, the Standing Committee of the Capitol Correspondents Association shall recommend to the Joint Rules Committee that the member's accreditation be suspended or revoked and that he lose all rights and privileges attached thereto. The Standing Committee of the Capitol Correspondents Association shall also dismiss the member from the association.

Any member of the Standing Committee of the Capitol Correspondents Association may propose that the committee make an inquiry to determine if an association member has violated subdivision (a) or (f) of this rule. Upon a majority vote of the

Standing Committee of the Capitol Correspondents Association, an inquiry shall be made.

Upon receipt of a signed, written notice from any association member of his belief that another association member may have violated subdivision (a) or (f) of this rule, the Standing Committee of the Capitol Correspondents Association shall commence an inquiry into the possible violation.

If the Standing Committee of the Capitol Correspondents Association determines by majority vote that an association member has broken an association rule, it shall inform the member of its finding. Within two weeks of notification, the member may request a meeting of the membership. If the member makes such a request, the Standing Committee of the Capitol Correspondents Association shall promptly schedule a meeting at the earliest possible time. After hearing the member and the committee review the circumstances of the alleged violation, the membership may, by majority vote, nullify the finding of the Standing Committee of the Capitol Correspondents Association. If nullification does not occur, the Standing Committee of the Capitol Correspondents Association shall impose immediately the appropriate penalty.

Dispensing With Joint Rules

33. No joint rule shall be dispensed with except by a vote of two-thirds of each house, except as otherwise provided in these rules. If either house shall violate a joint rule, a question of order may be raised in the other house and decided in the same manner as in the case of the violation of the rules of such house; and if it shall be decided that the joint rules have been violated, the bill involving such violations shall be returned to the house in which it originated, and such disputed matter be considered in like manner as in conference committee.

Opinions of Legislative Counsel

34. Whenever the Legislative Counsel issues an opinion to any person other than the first-named author analyzing the constitutionality, operation, or effect of a bill or other legislative measure which is then pending before the Legislature or of any amendment made or proposed to be made to such bill or measure, he is authorized and instructed to deliver two copies of the opinion to the first-named author as promptly as feasible after the delivery of the original opinion and also to deliver a copy to any other author of the bill or measure who so requests. A copy of any letter prepared by the Legislative Counsel for the sole purpose of advising a member of a conflict between two or more bills as to the sections of law being amended, repealed, or added shall be submitted to the chairman of the committee to which each such bill has been referred.

Resolutions Prepared by Legislative Counsel

34.1. Whenever the Legislative Counsel has been requested to draft a resolution commemorating or taking note of any event, or a resolution congratulating or expressing sympathy toward any person, and subsequently receives a similar request from another Member of the Legislature, he shall inform that requester and each subsequent requester that such a resolution is being, or has been, prepared, and he shall inform them of the name of the member for whom the resolution was, or is being, prepared.

Resolutions

34.2. A concurrent resolution, Senate resolution, or House resolution may be introduced to memorialize the death of a present or former state or federal elected official or a member of their immediate families. In all other instances, a resolution other than a concurrent resolution, as specified by the Committee on Rules of each house, or as provided by the Joint Rules Committee in those cases which require that such resolution should emanate from both houses, shall be used for the purpose of commendation, congratulation, sympathy, or regret with respect to any person, group, or organization.

No concurrent resolution requesting the Governor to issue a proclamation shall be introduced without the prior approval of the Committee on Rules of the house in which the resolution is to be introduced.

Identical Drafting Requests

34.5. Whenever it shall come to the attention of the Legislative Counsel that a member has requested the drafting of a bill which will be substantially identical to one already introduced, he shall inform such member of that fact.

Expense of Members

35. As provided in Section 8902 of the Government Code, each Member of the Legislature is entitled to reimbursement for living expenses while required to be in Sacramento to attend a session of the Legislature, or while traveling to and from or in attendance at a committee meeting, or while attending to any legislative function or responsibility as authorized or directed by legislative rules or the Committee on Rules of the house of which he or she is a member at the same rate as may be established by the State Board of Control for other elected state officers. Each member shall be reimbursed for travel expenses incurred in traveling to and from a session of the Legislature, or when traveling to and from a meeting of a committee of which he or she is a member, or when traveling pursuant to any

other legislative function or responsibility as authorized or directed by legislative rules or the Committee on Rules of the house of which he or she is a member at the rate prescribed by Section 8903 of the Government Code.

Expense allowances for Members of the Senate and Assembly shall be approved and certified to the Controller by the Secretary of the Senate, on behalf of the Senate, and the Chief Clerk of the Assembly or other person authorized by the Assembly Committee on Rules, on behalf of the Assembly, weekly or as otherwise directed by either house, and upon such certification the Controller shall draw his or her warrants in payment of the allowances to the respective members.

Investigating Committees

36. In order to expedite the work of the Legislature either house, or both houses jointly, may by resolution or statute provide for the appointment of committees to ascertain facts and to make recommendations as to any subject within the scope of legislative regulation or control.

The resolution providing for the appointment of a committee shall state the purpose of the committee, and the scope of the subject concerning which it is to act and may authorize it to act either during sessions of the Legislature or, when such authorization may lawfully be made, after final adjournment.

In the exercise of the power granted by this rule, each committee may employ such clerical, legal, and technical assistants as may be authorized by: (a) the Joint Committee on Rules in the case of a joint committee, (b) the Senate Committee on Rules in the case of a Senate committee, or (c) the Assembly Committee on Rules in the case of an Assembly committee.

Except as otherwise provided herein for joint committees or by the rules of the Senate or the Assembly for single house committees, each committee may adopt and amend such rules governing its procedure as may appear necessary and proper to carry out the powers granted and duties imposed under this rule. Such rules may include provisions fixing the quorum of the committee and the number of votes necessary to take action on any matter. With respect to all joint committees, a majority of the membership from each house constitutes a quorum and an affirmative vote of a majority of the membership from each house is necessary for the committee to take action.

Each such committee is authorized and empowered to summon and subpoena witnesses, require the production of papers, books, accounts, reports, documents, records, and papers of every kind and description, to issue subpoenas, and to take all necessary means to compel the attendance of witnesses and to procure testimony, oral and documentary.

Each member of such committees is authorized and empowered

to administer oaths, and all of the provisions of Chapter 4 (commencing with Section 9400), Part 1, Division 2, Title 2 of the Government Code, relating to the attendance and examination of witnesses before the Legislature and the committees thereof, shall apply to such committees.

The Sergeant at Arms of the Senate or Assembly, or such other person as may be designated by the chairman or chairwoman of the committee, shall serve any and all subpoenas, orders, and other process that may be issued by the committee, when directed to do so by the chairman, chairwoman, or by a majority of the membership of the committee.

Every department. commission, board, agency, officer, and employee of the state government, including the Legislative Counsel and the Attorney General and their subordinates, and of every political subdivision, county, city, or public district of or in this state, shall give and furnish to these committees and to their subcommittees upon request such information, records, and documents as the committees deem necessary or proper for the achievement of the purposes for which each such committee was created.

Each committee or subcommittee of either house in accordance with the rules of that respective house and each joint committee or subcommittee thereof, may meet at any time during the period in which it is authorized to act, either at the State Capitol, or at any other place in the State of California, in public or executive session, and do any and all things necessary or convenient to enable it to exercise the powers and perform the duties herein granted to it or accomplish the objects and purposes of the resolution creating it with the following exceptions:

(a) When the Legislature is not in joint recess:

(1) No committee or subcommittee of either house shall meet outside the State Capitol without the prior approval of the Senate Committee on Rules with respect to Senate committees and subcommittees and the Speaker of the Assembly with respect to Assembly committees and subcommittees.

(2) No committee or subcommittee of either house, other than a standing committee or subcommittee thereof, shall meet unless notice of such meeting has been printed in the daily file for four days prior thereto. This requirement may be waived by a majority vote of either house with respect to a particular bill.

(3) No joint committee or subcommittee thereof, other than the Joint Committees on Legislative Audit, Legislative Budget, Legislative Ethics, and Rules, shall meet outside the State Capitol without the prior approval of the Joint Rules Committee.

(4) No joint committee or subcommittee thereof, other than the Joint Committees on Legislative Audit, Legislative Budget, Legislative Ethics, and Rules, shall meet unless notice of such meeting has been printed in the daily file for four days prior thereto.

(b) When the Legislature is in joint recess each joint committee

or subcommittee, other than the Joint Committees on Legislative Audit, Legislative Budget, Legislative Ethics, and Rules, shall notify the Joint Rules Committee at least two weeks prior to any such meeting.

(c) The requirements placed upon joint committees by subdivisions (a) and (b) of this rule may be waived where it is deemed necessary by the Joint Rules Committee.

Each such committee may expend such money as may be made available to it for such purpose but no committee shall incur any indebtedness unless money shall have been first made available therefor.

No living expenses shall be allowed in connection with legislative business for a day on which the member receives reimbursement for expenses while required to be in Sacramento to attend a session of the Legislature. The chairman or chairwoman of each committee shall audit and approve the expense claims of the members of the committee, including claims for mileage in connection with attendance on committee business, or in connection with specific assignments by the committee chairman or chairwoman, but excluding other types of mileage, and shall certify the amount approved to the Controller, and the Controller shall draw his warrants upon the certification of the chairman or chairwoman.

Subject to the rules of each house for the respective committees of each house, and subject to the joint rules for any joint committee, the chairman or chairwoman of any such committee may appoint subcommittees and chairmen or chairwomen thereof for the purpose of more expeditiously handling and considering matters referred to it, and such subcommittees and the chairmen or chairwomen thereof shall have all the powers and authority herein conferred upon the committee and its chairman or chairwoman. The chairman or chairwoman of such subcommittee shall audit the expense claims of the members of such subcommittees and other claims and the expenses incurred by it and shall certify the amount thereof to the chairman or chairwoman of the committee who shall, if he approves the same, certify the amount thereof to the Controller, and the Controller shall draw his warrant therefor upon such certification, and the Treasurer shall pay the same. Whenever such committee or any subcommittee thereof is authorized to leave the State of California in the performance of its duties, then such committee or subcommittee shall, while out of the state, have the same authority as if it were acting and functioning within the state, and the members thereof shall be reimbursed for expenses.

Notwithstanding any provision of this rule, if the standing rules of either house require that expense claims of committees for goods or services or pursuant to contracts or for expenses of employees or members of committees be audited or approved, after approval of the committee chairman or chairwoman, by another agency of either house, the Controller shall draw his warrants only upon the certification of such other agency. All expense claims approved by

the chairman or chairwoman of any joint committee, other than the Joint Legislative Budget Committee and the Joint Legislative Audit Committee, shall be approved by the Joint Rules Committee and the Controller shall draw his warrants only upon the certification of the Joint Rules Committee.

Except salary claims of employees clearly subject to federal withholding taxes and the requirement as to loyalty oaths, claims presented for services or pursuant to contract shall refer to the agreement, the terms of which shall be made available to the Controller.

Expenses of Committee Employees

36.1. Unless otherwise provided by respective house or committee rule or resolution, employees of legislative committees shall, when entitled to traveling expenses, be entitled to allowances in lieu of actual expenses for hotel accommodations, breakfast, lunch, and dinner, at the rates fixed by the Board of Control from time to time in limitation of reimbursement of expenses of state employees generally; provided, that if an allowance for hotel accommodations, breakfast, lunch, and dinner is made by a committee at a rate in excess of those fixed by the Board of Control the chairman or chairwoman of the committee shall notify the Controller of that fact in writing.

Appointment of Committees

36.5. The provisions of this rule shall apply whenever a joint committee is created by a statute or resolution which either provides that appointments be made and vacancies be filled in the manner provided for in the Joint Rules, or which makes no provision for the appointment of members or the filling of vacancies.

The Senate members of the committee shall be appointed by the Senate Committee on Rules; the Assembly members of the committee shall be appointed by the Speaker of the Assembly; and vacancies occurring in the membership of the committee shall be filled by the respective appointing powers. The members appointed shall hold over until their successors are regularly selected.

Appointment of Joint Committee Chairmen or Chairwomen

36.7. The chairman or chairwoman of each joint committee heretofore or hereafter created, except the Joint Legislative Budget Committee and the Joint Legislative Audit Committee, shall be appointed by the Joint Rules Committee from a member or members recommended by the Senate Committee on Rules and the Speaker of the Assembly.

Joint Committee Funds

36.8. Each joint committee, heretofore or hereafter created, except the Joint Legislative Budget Committee and the Joint Legislative Audit Committee, shall expend the funds heretofore or hereafter made available to it in compliance with the policies set forth by the Joint Rules Committee with respect to personnel, salaries, purchasing, office space assignment, contractual services, rental or lease agreements, travel, and any and all other matters relating to the management and administration of committee affairs.

Joint Legislative Budget Committee

37. In addition to any other committee provided for by these rules, there shall be a joint committee to be known and called the Joint Legislative Budget Committee, which is hereby declared to be a continuing body.

It shall be the duty of the committee to ascertain facts and make recommendations to the Legislature and to the houses thereof concerning the state budget, the revenues and expenditures of the state, and the organization and functions of the state, its departments, subdivisions and agencies, with a view of reducing the cost of the state government and securing greater efficiency and economy.

The committee shall consist of seven Members of the Senate and seven Members of the Assembly. The Senate members of the committee shall consist of seven Members of the Senate appointed by the Senate Committee on Rules. The Assembly members of the committee shall consist of seven Members of the Assembly appointed by the Speaker of the Assembly. The committee shall select its own chairman or chairwoman.

Any vacancies occurring between regular sessions in the Senate membership of the Joint Legislative Budget Committee shall be filled by the Senate Committee on Rules, and the Senators appointed shall hold over until their successors are regularly selected. For the purposes of this rule, a vacancy shall be deemed to exist as to a Senator whose term is expiring whenever he is not reelected at the general election.

Any vacancies occurring between regular sessions in the Assembly membership of the Joint Legislative Budget Committee shall be filled by the Speaker of the Assembly, and the Members of the Assembly appointed shall hold over until their successors are regularly selected. For the purposes of this rule, a vacancy shall be deemed to exist as to a Member of the Assembly whose term is expiring whenever he is not reelected at the general election.

Any vacancy occurring at any time in the Assembly membership of the committee shall be filled by appointment by the Speaker. The committee shall have the authority to make rules to govern its own proceedings and its employees. It may also create subcommittees

from its membership, assigning to its subcommittees any study, inquiry, investigation, or hearing which the committee itself has authority to undertake or hold and the subcommittee for the purpose of this assignment shall have and may exercise all the powers conferred upon the committee, limited only by the express terms of any rule or resolution of the committee defining the powers and duties of the subcommittee. Such powers may be withdrawn or terminated at any time by the committee.

The Joint Legislative Budget Committee may render services to any investigating committee of the Legislature pursuant to contract between the Joint Legislative Budget Committee and the committee for which the services are to be performed. The contract may provide for payment to the Joint Legislative Budget Committee of the cost of such services from the funds appropriated to the contracting investigating committee. All legislative investigating committees are authorized to enter into such contracts with the Joint Legislative Budget Committee. Money received by the Joint Legislative Budget Committee pursuant to any such agreement shall be in augmentation of the current appropriation for the support of the Joint Legislative Budget Committee.

The provisions of Rule 36 shall apply to the Joint Legislative Budget Committee, and it shall have all the authority provided in such rule or pursuant to Section 11 of Article IV of the Constitution.

The committee shall have authority to appoint a Legislative Analyst, to fix his compensation and to prescribe his duties, and to appoint such other clerical and technical employees as may appear necessary. The duties of the Legislative Analyst shall be as follows:

(1) To ascertain the facts and make recommendations to the Joint Legislative Budget Committee and under its direction to the committees of the Legislature concerning:

(a) The state budget.

(b) The revenues and expenditures of the state.

(c) The organization and functions of the state, its departments, subdivisions, and agencies.

(2) To assist the Senate Budget and Fiscal Review Committee and the Assembly Ways and Means Committee in consideration of the budget and all bills carrying express or implied appropriations and all legislation affecting state departments and their efficiency; to appear before any other legislative committee; and to assist any other legislative committee upon instruction by the Joint Legislative Budget Committee.

(3) To provide all legislative committees and Members of the Legislature with information obtained under the direction of the Joint Legislative Budget Committee.

(4) To maintain a record of all work performed by the Legislative Analyst under the direction of the Joint Legislative Budget Committee and to keep and make available all documents, data, and reports submitted to him by any Senate, Assembly, or joint committee. The committee may meet either during sessions of the

Legislature, any recess thereof, or after final adjournment, and may meet or conduct business at any place within the State of California.

The chairman or chairwoman of the committee or, in the event of such person's inability to act, the vice chairman or vice chairwoman, shall audit and approve the expenses of members of the committee or salaries of the employees, and all other expenses incurred in connection with the performance of its duties by the committee, and the chairman or chairwoman shall certify the amount approved to the Controller, and the Controller shall draw his warrants upon the certification of the chairman or chairwoman, and the Treasurer shall pay the same to the chairman or chairwoman of the committee to be disbursed by the chairman or chairwoman.

On and after the commencement of a succeeding regular session those members of the committee who continue to be Members of the Senate and Assembly, respectively, continue as members of the committee until their successors are appointed, and the committee continues with all its powers, duties, authority, records, papers, personnel, and staff, and all funds theretofore made available for its use.

Upon the conclusion of its work, any Assembly, Senate, or joint committee (other than a standing committee) shall deliver to the Legislative Analyst for use and custody all documents, data, reports, and other materials that have come into the possession of such committee and which are not included within the final report of such committee to the Assembly, Senate, or the Legislature, as the case may be. Such documents, data, reports, and other materials shall be available to Members of the Legislature, the Senate Office of Research, and the Assembly Office of Research, upon request.

The Legislative Analyst with the consent of the committee shall make available to any Member or committee of the Legislature any other reports, records, documents, or other data under his control, except that reports prepared by the Legislative Analyst in response to a request from a Member or committee of the Legislature shall only be made available with the written permission of the Member or committee who made the request.

The Legislative Analyst, upon the receipt of a request from any committee or Member of the Legislature to conduct a study or provide information which falls within the scope of his responsibilities and which concerns the administration of the government of the State of California, shall at once advise the Joint Legislative Budget Committee of the nature of the request without disclosing the name of the member or committee making the request.

The Legislative Analyst shall immediately undertake to provide the requesting committee or legislator with the service or information requested, and shall inform the committee or legislator of the approximate date when this information will be available. Should there be any material delay, he shall subsequently communicate this fact to the requester.

Neither the Committee on Rules of either house nor the Joint Rules Committee shall assign any matter for study to the Joint Legislative Budget Committee or the Legislative Analyst without first obtaining from the Joint Legislative Budget Committee an estimate of the amount required to be expended by it to make the study.

Any concurrent, joint, Senate, or House resolution assigning a study to the Joint Legislative Budget Committee or to the Legislative Analyst shall be referred to the respective rules committees. Before the committees shall act upon or assign such resolution, they shall obtain an estimate from the Joint Legislative Budget Committee of the amount required to be expended to make the study.

Citizen Cost Impact Report

37.1. Any Member or committee of the Legislature may recommend that the Legislative Analyst prepare a citizen cost impact analysis on proposed legislation. However, such a recommendation shall first be reviewed by the Committee on Rules of the house where the recommendation originated, and this committee shall make the final determination as to which bills shall be assigned for preparation of an impact analysis.

In selecting specific bills for assignment to the Legislative Analyst for preparation of citizen cost impact analyses, the Committee on Rules shall request the Legislative Analyst to present an estimate of his time and prospective costs for preparing the analyses. Only those bills which have a potential significant cost impact shall be assigned. Where necessary, the Committee on Rules shall provide funds to offset added costs incurred by the Legislative Analyst.

The citizen cost impact analyses shall include those economic effects which the Legislative Analyst deems significant and which he believes will result directly from the proposed legislation. Insofar as feasible, the Legislative Analyst shall consider, but not be limited to consideration of, the following:

(a) The economic effect on the public generally.

(b) Any specific economic effect on persons or businesses in the case of legislation which is regulatory.

The Legislative Analyst shall submit the citizen cost impact analyses when completed to the committee or committees and at the time or times designated by the Committee on Rules.

The Legislative Analyst shall submit from time to time, but at least once a year, a report to the Legislature on the trends and directions of the state's economy, and shall list the alternatives and make recommendations as to legislative actions which, in his judgment, will insure a sound and stable state economy.

Joint Legislative Audit Committee

37.3. The Joint Legislative Audit Committee is created pursuant to the Legislature's rulemaking authority and specific constitutional authority by Chapter 4 (commencing with Section 10500), Part 2, Division 2, Title 2 of the Government Code. The committee shall consist of seven Members of the Senate and seven Members of the Assembly who shall be selected in the manner provided for in these rules, of which one shall be the chairman of the fiscal committee for the Senate and one the chairman of the fiscal committee for the Assembly. Notwithstanding anything to the contrary in these rules, four members from each house constitute a quorum and the number of votes necessary to take action on any matter. The Chairman of the Joint Legislative Audit Committee, upon receiving a request by any Member of the Legislature or committee thereof for a copy of a report prepared or being prepared by the Auditor General, shall provide the member or committee with a copy of such report when it is, or has been, submitted by the Auditor General to the Joint Legislative Audit Committee.

Study or Audits

37.4. (a) Notwithstanding any other provision of law to the contrary, the Joint Legislative Audit Committee shall establish priorities and assign all work to be done by the Auditor General.

(b) Any bill requiring action by the Auditor General shall contain an appropriation for the cost of any study or audit.

(c) Any bill or concurrent, joint, Senate, or House resolution assigning a study to the Joint Legislative Audit Committee or to the Auditor General shall be referred to the respective rules committees. Before the committees shall act upon or assign the bill or resolution, they shall obtain an estimate from the Joint Legislative Audit Committee of the amount required to be expended to make the study.

Waiver

37.5. The provisions of subdivision (b) of Rule 37.4 may be waived by the Joint Legislative Audit Committee. The chairman of the committee shall notify the Secretary of the Senate, the Chief Clerk of the Assembly, and the Legislative Counsel in writing when the provisions of subdivision (b) of Rule 37.4 have been waived. If the cost of a study or audit is less than one hundred thousand dollars ($100,000), the chairman of the committee may exercise the committee's authority to waive the provisions of subdivision (b) of Rule 37.4.

Administrative Regulations

37.7. (a) Any Member of the Senate may request the Senate Committee on Rules, and any Member of the Assembly may request the Speaker of the Assembly, to direct a standing committee or the Office of Research of their respective house to study any proposed or existing regulation or group of related regulations. Upon receipt of such a request, the Senate Committee on Rules or the Speaker of the Assembly shall, after review, determine whether such a study shall be made. In reviewing the request, the Senate Committee on Rules or the Speaker of the Assembly shall determine:

(1) The cost of making such a study.

(2) The potential public benefit to be derived from such a study.

(3) The scope of the study.

(b) The study may consider, among other relevant issues, whether the proposed or existing regulation:

(1) Exceeds the agency's statutory authority.

(2) Fails to conform to the legislative intent of the enabling statute.

(3) Contradicts or duplicates other regulations adopted by federal, state, or local agencies.

(4) Involves an overdelegation of regulatory authority to a particular state agency.

(5) Unfairly burdens particular elements of the public.

(6) Imposes social or economic costs which outweigh its intended benefits to the public.

(7) Imposes unreasonable penalties for violation.

The respective reviewing unit shall in a timely manner transmit its concerns, if any, to the Senate Committee on Rules or the Speaker of the Assembly, and the promulgating agency.

In the event that a state agency takes a regulatory action which the reviewing unit finds unacceptable, the unit shall file a report for publication in the daily journal of its respective house indicating the specific reasons why the regulatory action should not have been taken. The report may include a recommendation that the Legislature adopt a concurrent resolution requesting the state agency to reconsider its action or that the Legislature enact a statute to restrict the regulatory powers of the state agency taking the action.

Designating Legislative Sessions

39. All extraordinary sessions shall be designated in numerical order by the session in which convened.

Joint Rules Committee

40. The Joint Rules Committee is hereby created. The committee has a continuing existence and may meet, act, and conduct its

business during sessions of the Legislature or any recess thereof.

The committee shall consist of the members of the Assembly Committee on Rules, the Assembly Majority Floor Leader, the Assembly Minority Floor Leader, the Speaker of the Assembly, and four members of the Senate Committee on Rules, and as many Members of the Senate as may be required to maintain equality in the number of Assembly Members and Senators on the committee, to be appointed by the Senate Committee on Rules. Vacancies occurring in the membership shall be filled by the appointing power.

The committee and its members shall have and exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to this committee and its members.

The committee shall ascertain facts and make recommendations to the Legislature and to the houses thereof concerning:

(a) The relationship between the two houses and procedures calculated to expedite the affairs of the Legislature by improving that relationship.

(b) The legislative branch of the state government and any defects or deficiencies in the law governing that branch.

(c) Methods whereby legislation is proposed, considered, and acted upon.

(d) The operation of the Legislature, and the committees thereof, and the means of coordinating the work thereof and avoiding duplication of effort.

(e) Aids to the Legislature.

(f) Information and statistics for the use of the Legislature, and respective houses thereof, and the members.

Any matter of business of either house, the transaction of which would affect the interests of the other house, may be referred to the committee for action if the Legislature is not in recess, and shall be referred to the committee for action if the Legislature is in recess.

The committee has the following additional powers and duties:

(a) To select a chairman or chairwoman from its membership. The vice chairman or vice chairwoman of the committee shall be one of the Senate members of the committee, to be selected by the Senate Committee on Rules.

(b) To allocate space in the State Capitol Building and all annexes and additions thereto as provided by law.

(c) To approve, as provided by law, the appearance of the Legislative Counsel in litigation.

(d) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies, and reports to the committee as will best assist it to carry out the purposes for which it is created.

(e) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in

investigating any matter within the scope of this rule and to direct the sheriff of any county to serve subpoenas, orders, and other process issued by the committee.

(f) To report its findings and recommendations, including recommendations for the needed revision of any and all laws and constitutional provisions relating to the Legislature, to the Legislature and to the people from time to time and at any time.

(g) The committee, and any subcommittee when so authorized by the committee, may meet and act without as well as within the State of California, and is authorized to leave the state in the performance of its duties.

(h) To expend such funds as may be made available to it to carry out the functions and activities related to the legislative affairs of the Senate and Assembly.

(i) To appoint a chief administrative officer of the committee, who shall have such duties relating to the administrative, fiscal, and business affairs of the committee as the committee shall prescribe. The committee may terminate the services of the chief administrative officer at any time.

(j) To employ such persons as may be necessary to assist all other joint committees, except the Joint Legislative Budget Committee and the Joint Legislative Audit Committee, in the exercise of their powers and performance of their duties. In accordance with Rule 36.8, the committee shall govern and administer the expenditure of funds by such other joint committees, requiring that the claims of such joint committees be approved by the Joint Rules Committee or its designee. All expenses of the committee as well as expenses of all other joint committees may be paid from the Operating Funds of the Assembly and Senate.

(k) To appoint the chairmen or chairwomen of joint committees, as authorized by Rule 36.7.

(*l*) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this rule.

The members of the Joint Rules Committee from the Senate may meet separately as a unit, and the members of the Joint Rules Committee from the Assembly may meet separately as a unit, and consider any action which is required to be taken by the Joint Rules Committee. If the majority of members of the Joint Rules Committee of each house at the separate meetings vote in favor of such action, the action shall be deemed to be action taken by the Joint Rules Committee.

The Joint Rules Committee shall meet not less than biweekly during a session of the Legislature, other than during a joint recess, at a regularly scheduled time and place. If the full committee fails to so meet, the members of the committee from the Senate shall meet separately as a unit and the members of the committee from the Assembly shall meet separately as a unit within five days of the regularly scheduled meeting date.

The committee shall succeed to, and is vested with, all of the powers and duties of the Joint Committee on Legislative Organization, State Capitol Committee, the Joint Committee on Interhouse Cooperation, the Joint Legislative Committee for School Visitations, and the Joint Standing Committee on the Joint Rules of the Senate and the Assembly.

Review of Administrative Regulations

40.1. The Joint Rules Committee, with regard to joint committees, and the respective rules committee of each house, with regard to standing and select committees of the house, shall approve any request for a priority review made by a committee pursuant to Section 11340.15 of the Government Code and shall submit approved requests to the Office of Administrative Law. The Joint Rules Committee or the respective rules committee, and the committee initiating the request, shall each receive a copy of the priority review.

Subcommittee on Legislative Space and Facilities

40.3. (a) A subcommittee of the Joint Rules Committee is hereby created to be known as the Subcommittee on Legislative Space and Facilities. The subcommittee shall consist of three Members of the Senate and three Members of the Assembly, appointed by the Chairman of the Joint Rules Committee, and the chairman of the fiscal committee of each house who shall have full voting rights on the subcommittee. The chairman of the subcommittee shall be appointed by the members thereof. For purposes of this subcommittee, the chairmen of the fiscal committees shall be ex officio members of the Joint Rules Committee, but shall not have voting rights on that committee, nor shall they be counted in determining a quorum. The subcommittee shall consider the housing of the Legislature and legislative facilities.

(b) The subcommittee and its members shall have and exercise all of the rights, duties, and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to this subcommittee and its members.

(c) The subcommittee has the following additional powers and duties:

(1) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies, and reports to the subcommittee as will best assist it to carry out the purposes for which it is created.

(2) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this rule and to direct the sheriff of any county to serve subpoenas, orders, and other

process issued by the subcommittee.

(3) To report its findings and recommendations to the Legislature and to the people from time to time and at any time.

(4) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this rule.

(d) The subcommittee is authorized to leave the State of California in the performance of its duties.

Subcommittee on Legislative Assistance

40.5. A subcommittee of the Joint Rules Committee is hereby created to be known as the Subcommittee on Legislative Assistance. The Chairman or Chairwoman of the Joint Rules Committee shall appoint one member of the Joint Rules Committee from each house to be members of the subcommittee.

The subcommittee shall have the duty and responsibility of offering such assistance as may be desired by Members of the Legislature, former members, and their families and rendering such aid and assistance as is possible through the offices of the Sergeants at Arms and other officers and employees of the Legislature in the event of the death of a member, former member, or a member of their families.

The Sergeants at Arms and other officers and employees of each house of the Legislature shall render such aid or assistance as may be requested or directed by the subcommittee.

The Joint Rules Committee shall allocate to the subcommittee, from any funds available therefor, such funds as may be required to carry out its functions.

Claims for Workers' Compensation

41. The Chairman or Chairwoman of the Committee on Rules of each house, or a designated representative, shall sign any required worker's compensation report regarding injuries or death arising out of and within the course of employment suffered by any member, officer, or employee of the house, or any employee of a standing or investigating committee thereof. In the case of a joint committee, the Chairman or Chairwoman of the Committee on Rules of either house, or a designated representative, may sign any such report with respect to a member or employee of such joint committee.

Information Concerning Committees

42. The Committee on Rules of each house shall provide for a continuous cumulation of information concerning the membership, organization, meetings, and studies of legislative investigating committees. Each Committee on Rules shall be responsible for information concerning the investigating committees of its own

house and concerning joint investigating committees under the chairmanship of a member of that house. To the extent possible, each Committee on Rules shall seek to insure that the investigating committees for which it has responsibility under this rule have organized, including the organization of any subcommittees, and have had all topics for study assigned to them within a reasonable period of time.

The information thus cumulated shall be made available to the public by the Committee on Rules of each house and shall be published periodically under their joint direction.

Joint Committees

43. Concurrent resolutions creating joint committees of the Legislature and concurrent resolutions allocating moneys from the Operating Funds of the Assembly and Senate to such committees shall be referred to the Committee on Rules of the respective houses.

Conflict of Interest

44. (a) No Member of the Legislature shall, while serving as such, have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity, or incur any obligation of any nature, which is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed by the laws of this state.

(b) No Member of the Legislature shall, during the term for which he or she was elected:

(1) Accept other employment which he or she has reason to believe will either impair his or her independence of judgment as to his or her official duties or require him or her, or induce him or her, to disclose confidential information acquired by him or her in the course of and by reason of his or her official duties.

(2) Willfully and knowingly disclose, for pecuniary gain, to any other person, confidential information acquired by him or her in the course of and by reason of his or her official duties or use any such information for the purpose of pecuniary gain.

(3) Accept or agree to accept, or be in partnership with any person who accepts or agrees to accept, any employment, fee, or other thing of value, or portion thereof, in consideration of his or her appearance, agreeing to appear, or taking any other action on behalf of another person regarding a licensing or regulatory matter, before any state board or agency which is established by law for the primary purpose of licensing or regulating the professional activity of persons licensed, pursuant to state law; provided, that this rule shall not be construed to prohibit a member who is an attorney at law from practicing in such capacity before the Workers' Compensation Appeals Board or the Commissioner of Corporations, and receiving compensation therefor, or from practicing for compensation before

any state board or agency in connection with, or in any matter related to, any case, action, or proceeding filed and pending in any state or federal court; and provided that this rule shall not act to prohibit a member from making inquiry for information on behalf of a constituent before a state board or agency, if no fee or reward is given or promised in consequence thereof, and provided that the prohibition contained in this rule shall not apply to a partnership in which the Member of the Legislature is a member if the Member of the Legislature does not share directly or indirectly in the fee resulting from the transaction; and provided that the prohibition contained in this rule shall not apply in connection with any matter pending before any state board or agency on the operative date of this rule if the affected Member of the Legislature is attorney of record or representative in the matter prior to such operative date.

(4) Receive or agree to receive, directly or indirectly, any compensation, reward, or gift from any source except the State of California for any service, advice, assistance, or other matter related to the legislative process, except fees for speeches or published works on legislative subjects and except, in connection therewith, reimbursement of expenses for actual expenditures for travel and reasonable subsistence for which no payment or reimbursement is made by the State of California.

(5) Participate, by voting or any other action, on the floor of either house, or in committee or elsewhere, in the enactment or defeat of legislation in which he or she has a personal interest, except as follows:

(i) If, on the vote for final passage by the house of which he or she is a member, of the legislation in which he or she has a personal interest, he or she first files a statement (which shall be entered verbatim on the journal) stating in substance that he or she has a personal interest in the legislation to be voted on and notwithstanding such interest, he or she is able to cast a fair and objective vote on such legislation, he or she may cast his or her vote without violating any provision of this rule;

(ii) If the member believes that, because of his or her personal interest, he or she should abstain from participating in the vote on the legislation, he or she shall so advise the presiding officer prior to the commencement of the vote and shall be excused from voting on the legislation without any entry on the journal of the fact of his or her personal interest. In the event a rule of the house, requiring that each member who is present vote aye or nay is invoked, the presiding officer shall order the member excused from compliance and shall order entered on the journal a simple statement that the member was excused from voting on the legislation pursuant to law.

(c) A person subject to this rule has an interest which is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed in the laws of this state or a personal interest, arising from any situation, within the scope of this rule, if he or she has reason to believe or

expect that he or she will derive a direct monetary gain or suffer a direct monetary loss, as the case may be, by reason of his or her official activity. He or she does not have an interest which is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed by the laws of this state or a personal interest, arising from any situation, within the scope of this rule, if any benefit or detriment accrues to him or her as a member of a business, profession, occupation, or group to no greater extent than any other member of such business, profession, occupation, or group.

(d) A person subject to the provisions of this rule shall not be deemed to be engaged in any activity which is in substantial conflict with the proper discharge of his or her duties in the public interest and of his or her responsibilities as prescribed by the laws of this state, arising from any situation, or to have a personal interest, arising from any situation, within the scope of this rule, solely by reason of any of the following:

(1) His or her relationship to any potential beneficiary of any situation is one which is defined as a remote interest by Section 1091 of the Government Code or is otherwise not deemed to be a prohibited interest by Section 1091.1 or 1091.5 of the Government Code.

(2) Receipt of a campaign contribution regulated, received, reported, and accounted for pursuant to Chapter 4 (commencing with Section 84100) of Title 9 of the Government Code, so long as the contribution is not made on the understanding or agreement, in violation of law, that the person's vote, opinion, judgment, or action will be influenced thereby.

(e) The enumeration in this rule of specific situations or conditions which are deemed not to result in substantial conflicts with the proper discharge of the duties and responsibilities of a legislator or legislative employee or in a personal interest shall not be construed as exclusive.

The Legislature in adopting this rule recognizes that Members of the Legislature and legislative employees may need to engage in employment, professional, or business activities other than legislative activities, in order to maintain a continuity of professional or business activity, or may need to maintain investments, which activities or investments do not conflict with the specific provisions of this rule. However, in construing and administering the provisions of the rule, weight should be given to any coincidence of income, employment, investment, or other profit from sources which may be identified with the interests represented by those sources which are seeking action of any character on matters then pending before the Legislature.

(f) No employee of either house of the Legislature shall, during the time he is so employed, commit any act or engage in any activity prohibited by any part of this rule.

(g) No person shall induce or seek to induce any Member of the

Legislature to violate any part of this rule.

(h) Violations of any part of this rule are punishable as provided in Section 8926 of the Government Code.

Joint Legislative Ethics Committee

45. (a) The Joint Legislative Ethics Committee is hereby created. The committee shall consist of three Members of the Senate appointed by the Senate Committee on Rules and three Members of the Assembly appointed by the Speaker of the Assembly. Of the three members appointed from each house, at least one from each house shall be a member of the political party having the largest number of members in that house and at least one from each house shall be a member of the political party having the second largest number of members in that house. The committee shall elect its own chairman or chairwoman. Vacancies occurring in the membership of the committee shall be filled in the manner provided for in these rules for other committees. A vacancy shall be deemed to exist as to any member of the committee whose term is expiring whenever such member is not reelected at the general election.

(b) The committee is authorized to make rules governing its own proceedings. The provisions of Rule 36 relating to investigating committees shall apply to the committee.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall by a resolution adopted by a vote of two members of the committee from each house of the Legislature define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Operating Funds of the Assembly and the Senate in the same manner that such funds are made available to other joint committees of the Legislature.

(d) The committee shall have power, pursuant to the provisions of this rule, to investigate and make findings and recommendations concerning alleged violations by Members of the Legislature of the provisions of Rule 44.

(e) Any person may: (1) file with the committee a verified complaint in writing which shall state the name of the Member of the Legislature alleged to have committed the violation complained of, and which shall set forth the particulars thereof, or (2) file a complaint concerning the alleged violation by a Member of the Legislature with the district attorney of the appropriate county.

If a person files a complaint with respect to any alleged violation by a Member of the Legislature with the committee, he or she may not thereafter file a complaint to institute a criminal prosecution for such violation until the committee has rendered its report or until a period of 120 days has elapsed since the filing of the complaint. If a complaint is filed with the appropriate district attorney by any person concerning an alleged violation by a Member of the

Legislature of any provision of Rule 44, such person may not thereafter file a complaint with respect to such alleged violation with the committee.

If a complaint is filed with the committee, the committee shall promptly send a copy of the complaint to the Member of the Legislature alleged to have committed the violation complained of, who shall thereafter be designated as the respondent.

No complaint may be filed with the committee after the expiration of six months from the date upon which the alleged violation occurred.

(f) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any of the provisions of Rule 44, it shall dismiss the complaint and notify the complainant and respondent thereof. If the committee determines that such verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any of the provisions of Rule 44, the committee shall promptly investigate the alleged violation and if, after such preliminary investigation, the committee finds that probable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after such finding. If, after the preliminary investigation, the committee finds that probable cause does not exist for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and respondent of its determination.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is to be held pursuant to subdivision (f) of this rule, the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with the provisions of Chapter 4 (commencing with Section 9400), Part 1, Division 2, Title 2 of the Government Code. All of the provisions of Chapter 4, except Section 9410, shall be applicable to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken only on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee and who believes that testimony has been given which adversely affects him, shall have the right to testify or, at the discretion of the committee, to file a statement of facts under oath relating solely to the material relevant to the testimony of which he complains.

(k) After the hearing the committee shall state its findings of fact.

If the committee finds that the respondent has not violated any of the provisions of Rule 44, it shall order the action dismissed, and shall notify the respondent and complainant thereof and shall also transmit a copy of the complaint and the fact of dismissal to the Attorney General and to the district attorney of the appropriate county. If the committee finds that the respondent has violated any of the provisions of Rule 44, it shall state its findings of fact and submit a report thereon to the house in which the respondent serves, send a copy of such findings and report to the complainant and respondent, and the committee shall also report thereon to the Attorney General and to the district attorney of the appropriate county.

(*l*) Nothing in this rule shall preclude any person from instituting a prosecution for violation of any provision of Rule 44 unless such person has filed a complaint with the committee concerning such violation, in which case such person may not file a complaint with the district attorney of the appropriate county to institute a criminal prosecution for such violation until the committee has made its determination of the matter or a period of 120 days has elapsed since the filing of the complaint with the committee.

(m) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of the provisions of Rule 44 while such complaint is pending.

(n) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection by any person other than a member of the committee, an employee of the committee, or a state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or to the district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession material to any matter pending before the Attorney General or the district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) of this rule shall be public records and open to public inspection. Any employee of the committee who divulges any matter which is deemed to be confidential by this subdivision is punishable as provided in Section 8953 of the Government Code.

(o) All actions of the committee shall require the concurrence of two members of the committee from each house.

(p) The committee may render advisory opinions to Members of the Legislature with respect to the provisions of Rule 44 and their application and construction. The committee may secure an opinion

from the Legislative Counsel for this purpose or issue its own opinion.

Legislative Hearing Rooms

46. The Rules Committee of each house shall provide designated space for nonsmokers in each legislative hearing room under its jurisdiction; provided, however, that nothing in this rule shall prevent any committee chairman from prohibiting smoking completely, or from further restricting smoking to a greater extent than provided by the Rules Committee of that house.

Designating Legislative Sessions

50. Regular sessions shall be identified with the odd-numbered year subsequent to each general election, followed by a hyphen, and then the last two digits of the following even-numbered year. For example: 1973–74 Regular Session.

Days and Dates

50.5. (a) As used in these rules, "day" means a calendar day, unless otherwise specified.

(b) When the date of a deadline, recess requirement, or circumstance falls on a Saturday, Sunday, or Monday that is a holiday, the date shall be deemed to refer to the preceding Friday. When the date falls on a holiday on a weekday other than a Monday, the date shall be deemed to refer to the preceding day.

Legislative Calendar

51. (a) The Legislature shall observe the following calendar during the first year of the regular session:

(1) Organizational Recess—The Legislature shall meet on the first Monday in December following the general election to organize. Thereafter, each house shall be in recess from such time as it determines, but not later than the following Friday until the first Monday in January, except when the first Monday is January 1 or January 1 is a Sunday, in which case, the following Wednesday.

(2) Easter Recess—The Legislature shall be in recess from the 10th day prior to Easter until the Monday after Easter.

(3) Summer Recess—The Legislature shall be in recess from July 19 until August 19. This recess shall not commence until the Budget Bill is enacted.

(4) Interim Study Recess—The Legislature shall be in recess from September 13 until the first Monday in January, except when the first Monday is January 1 or January 1 is a Sunday, in which case, the following Wednesday.

(b) The Legislature shall observe the following calendar for the

remainder of the legislative session:

(1) Easter Recess—The Legislature shall be in recess from the 10th day prior to Easter until the Monday after Easter.

(2) Summer Recess—The Legislature shall be in recess from July 3 until August 3. This recess shall not commence until the Budget Bill is enacted.

(3) Final Recess—The Legislature shall be in recess on September 1 until adjournment sine die on November 30.

(c) Recesses shall be from the hour of adjournment on the day specified to reconvene at the time designated by the respective houses.

(d) The recesses specified by this rule shall be designated as joint recesses.

Recall From Recess

52. Notwithstanding the power of the Governor to call a special session, the Legislature may be recalled from joint recess and reconvene in regular session by any of the following means:

(a) It may be recalled by joint proclamation, which shall be entered in the journal, of the Senate Committee on Rules and the Speaker of the Assembly or, in his or her absence from the state, the Assembly Committee on Rules.

(b) Ten or more Members of the Legislature may present a request for recall from joint recess to the Chief Clerk of the Assembly and the Secretary of the Senate. The request shall immediately be printed in the journal. Within 10 days thereafter, the Speaker of the Assembly, or if the Speaker is absent from the state, the Assembly Committee on Rules, and the Senate Committee on Rules shall act upon the request. If they concur in desiring to recall the Legislature from joint recess, they shall issue their joint proclamation entered in the journal no later than 20 days after publication of the request in the journal.

(c) If either or both of the parties specified in subdivision (b) does not concur, 10 or more Members of the Legislature may request the Chief Clerk of the Assembly or the Secretary of the Senate to petition the membership of the respective house. The petition shall be entered in the journal and shall contain a specified reconvening date commencing not later than 20 days after the date of the petition. If two-thirds of the members of the house or each of the two houses concur, the Legislature shall reconvene on the date specified. The necessary concurrences must be received at least 10 days prior to date specified for reconvening.

Procedure on Suspending Rules by Single House

53. Whenever these rules authorize suspension of the Joint Rules as to a particular bill by action of a single house after approval by the Committee on Rules of that house, the following procedure shall be

followed:

(a) A written request to suspend the joint rule shall be filed with the Chief Clerk of the Assembly or the Secretary of the Senate, as the case may be, and shall be transmitted to the Committee on Rules of the appropriate house.

(b) The Assembly Committee on Rules or the Senate Committee on Rules, as the case may be, shall determine whether there exists an urgent need for the suspension of the joint rule with regard to the bill.

(c) If the appropriate rules committee recommends that the suspension be permitted, the member may offer a resolution, without further reference thereof to committee, granting permission to suspend the joint rule. The adoption of the resolution granting such permission shall require an affirmative recorded vote of the elected members of the house in which the request is made.

Introduction of Bills

54. (a) No bill may be introduced in the first year of the regular session after March 8 and no bill may be introduced in the second year of the regular session after February 28. These deadlines shall not apply to constitutional amendments, committee bills introduced pursuant to Assembly Rule 47 or Senate Rule 23, bills introduced in the Assembly with the permission of the Speaker of the Assembly, or bills introduced in the Senate with the permission of the Senate Committee on Rules. Subject to these deadlines, bills may be introduced at any time except when the houses are in joint summer, interim, or final recess. Each house may provide for introduction of bills during a recess other than a joint recess. Bills shall be numbered consecutively during the regular session.

(b) The desks of the Senate and Assembly shall remain open, during a joint recess, other than a joint Easter, summer, interim, or final recess, for introduction of bills, during business hours on Monday through Friday, inclusive, except holidays. Bills received at the Senate Desk during such periods shall be numbered and printed. After printing, such bills shall be delivered to the Secretary of the Senate and shall be referred by the Senate Committee on Rules to a standing committee. Bills received at the Assembly Desk during such periods shall be numbered, printed, and referred to a committee by the Assembly Committee on Rules. After printing, such bills shall be delivered to the Chief Clerk of the Assembly. On the reconvening of each house, the bills shall be read the first time, and shall be delivered to the committee to which they were referred.

(c) A member may not author a bill during a session that would have substantially the same effect as a bill he or she had previously introduced during that session. This restriction shall not apply in cases where a previously introduced bill has been vetoed by the Governor or has had its provisions "chaptered out" by a later chaptered bill pursuant to Section 9605 of the Government Code. An

objection may be raised only while the bill is being considered by the house in which it is introduced. In such case the objection shall be referred to the Committee on Rules of the house for a determination. The bill shall remain on file or with a committee, as the case may be, until such determination is made. If upon consideration of the objection the Committee on Rules determines that the bill objected to would have substantially the same effect as another bill previously introduced during the session by the author, the bill objected to shall be stricken from the file or returned to the desk by the committee, as the case may be, and shall not be acted upon during the remainder of the session. If the Committee on Rules determines that the bill objected to would not have substantially the same effect as a bill previously introduced during the session by the author, the bill may thereafter be acted upon by the committee or the house, as the case may be. The Committee on Rules may obtain such assistance as it may desire from the Legislative Counsel as to the similarity of a bill or amendments to a prior bill.

This joint rule may be suspended by approval of the Committee on Rules and three-fourths vote of the membership of the house.

(d) During a joint recess, the Chief Clerk of the Assembly or Secretary of the Senate shall order the preparation of preprint bills when so ordered by any of the following:

(1) The Speaker of the Assembly.

(2) The Committee on Rules of the respective houses.

(3) A committee with respect to bills within the subject matter jurisdiction of the committee.

Preprint bills shall be designated as such and shall be printed in the order received and numbered in the order printed. To facilitate subsequent amendment, preprint bills shall be so prepared that when introduced as a bill, the page and the line numbers will not change. The Chief Clerk of the Assembly and Secretary of the Senate shall publish a list periodically of such preprint bills showing the preprint bill number, the title, and the Legislative Counsel's Digest. The Speaker of the Assembly and Senate Committee on Rules may refer all preprint bills to committee for study.

30-Day Waiting Period

55. No bill other than the Budget Bill may be heard or acted upon by committee or either house until the bill has been in print for 30 days. The date a bill is returned from the printer shall be entered in the history. This rule may be suspended concurrently with the suspension of the requirement of Section 8 of Article IV of the Constitution or if such period has expired, this rule may be suspended by approval of the Committee on Rules and two-thirds vote of the house in which the bill is being considered.

Return of Bills

56. Bills introduced in the first year of the regular session and passed by the house of origin on or before the January 30th constitutional deadline are "carryover bills." Immediately after January 30, bills introduced in the first year of the regular session that do not become "carryover bills" shall be returned to the Chief Clerk of the Assembly or Secretary of the Senate, respectively. Notwithstanding Rule 4, as used in this rule, "bills" does not include constitutional amendments.

Appropriation Bills

57. Appropriation bills that may not be sent to the Governor shall be held, after enrollment, by the Chief Clerk of the Assembly or Secretary of the Senate, respectively. The bills shall be sent to the Governor immediately after the Budget Bill has been enacted.

Urgency Clauses

58. An amendment to add a section to a bill to provide that the act shall take effect immediately as an urgency statute shall not be adopted unless the author of the amendment has first secured the approval of the Committee on Rules of the house in which the amendments are offered.

Vetoes

58.5. The Legislature may consider a Governor's veto for only 60 days, not counting days when the Legislature is in joint recess.

Publications

59. During periods of joint recess, weekly, if necessary, the following documents shall be published: files, histories, and journals.

Hearings in Sacramento

60. (a) No standing committee or subcommittee thereof may take action on a bill at any hearing held outside of Sacramento.

(b) A committee may hear the subject matter of a bill during a period of recess. Four days' notice in the daily file is required prior to the hearing.

(c) No bill may be acted upon by a committee during a joint recess.

Deadlines

61. The following deadlines shall be observed by the Senate and Assembly. After each deadline, the Secretary of the Senate and the Chief Clerk of the Assembly shall not accept committee reports from their respective committees except as otherwise provided in this rule:

(a) Odd-numbered year:

(1) Mar. 8— Last day for bills to be introduced.
(2) May 3— Last day for policy committees to report to fiscal committees fiscal bills introduced in their house.
(3) May 24— Last day for policy committees to report to the floor nonfiscal bills introduced in their house.
(4) May 31— Last day for policy committees to meet prior to June 17.
(5) June 7— Last day for fiscal committees to report to the floor bills introduced in their house.
(6) June 7— Last day for fiscal committees to meet and report bills prior to June 17.
(7) June 14— Last day for each house to pass bills introduced in their house.
(8) June 17— Committee meetings may resume.
(9) July 19— Last day for policy committees to meet and report bills.
(10) Aug. 30— Last day for fiscal committees to meet and report fiscal bills.
(11) Sept. 13— Last day for each house to pass bills.

(b) Even-numbered year:

(1) Jan. 17— Last day for policy committees to hear and report to fiscal committees fiscal bills introduced in their house in the odd-numbered year.
(2) Jan. 24— Last day for any committee to hear and report to the floor bills introduced in their house in the odd-numbered year.
(3) Jan. 31— Last day for each house to pass bills introduced in their house in the odd-numbered year.
(4) Feb. 21— Last day for bills to be introduced.
(5) April 9— Last day for policy committees to hear and report to fiscal committees fiscal bills introduced in their house.
(6) May 8— Last day for policy committees to hear and report to the floor nonfiscal bills introduced in their house.
(7) May 15— Last day for policy committees to meet and report bills prior to June 1.
(8) May 22— Last day for fiscal committees to hear and report to

the floor bills introduced in their house.

(9) May 22— Last day for fiscal committees to meet and report bills prior to June 1.

(10) May 29— Last day for each house to pass bills introduced in their house.

(11) June 1— Committee meetings may resume.

(12) July 3— Last day for policy committees to meet and report bills.

(13) Aug. 14— Last day for fiscal committees to meet and report fiscal bills.

(14) Aug. 31— Last day for each house to pass bills.

(c) If a bill is acted upon in committee before the relevant deadline and the committee votes to report the bill out with amendments that have not at the time of the vote been prepared by the Legislative Counsel, the Secretary of the Senate and the Chief Clerk of the Assembly may subsequently receive a report recommending the bill for passage or for rereferral together with the amendments at any time within two legislative days after the deadline or, if the Legislature has recessed for the Summer Recess, within seven calendar days after the deadline.

(d) Notwithstanding subdivisions (a) and (b), a policy committee may report a bill to a fiscal committee on or before the relevant deadline for reporting nonfiscal bills to the floor, if, after the policy committee deadline for reporting the bill to fiscal committee, the Legislative Counsel's Digest is changed to indicate reference to fiscal committee.

(e) Bills in the house of origin not acted upon during the odd-numbered year as a result of the deadlines imposed in subdivision (a) may be acted upon when the Legislature reconvenes after the interim study joint recess, or at any time the Legislature is recalled from the interim study joint recess.

(f) The deadlines imposed by this rule shall not apply to the rules committees of the respective houses.

(g) The deadlines imposed by this rule shall not apply in instances where a bill is referred to committee under Rule 26.5.

(h) (1) Notwithstanding subdivisions (a) and (b), a policy committee or fiscal committee may meet for the purpose of hearing and reporting a constitutional amendment, or a bill which would go into immediate effect pursuant to subdivision (c) of Section 8 of Article IV of the Constitution of California, at any time other than those periods when no committee may meet for any purpose.

(2) Notwithstanding subdivisions (a) and (b), either house may meet for the purpose of considering and passing a constitutional amendment, or a bill which would go into immediate effect pursuant to subdivision (c) of Section 8 of Article IV of the Constitution of California, at any time during the session.

(i) This rule may be suspended as to any particular bill by approval of the Committee on Rules and two-thirds vote of the

membership of the house.

Committee Procedure

62. (a) Notice of a hearing on a bill by the committee of first reference in each house shall be published in the file at least four days prior to the hearing. Otherwise, notice shall be published in the file two days prior to the hearing. Such notice may be waived by a majority vote of the house in which the bill is being considered. A bill may be set for hearing in a committee only three times. A bill is "set" for purposes of this subdivision whenever notice of the hearing has been published in the file for one or more days. If a bill is set for hearing, and the committee, on its own initiation and not the author's, postpones the hearing on the bill or adjourns the hearing while testimony is being taken, such hearing shall not be counted as one of the three times a bill may be set. After hearing the bill, the committee may vote on the bill. If the hearing notice in the file specifically indicates that "testimony only" will be taken, such hearing shall not be counted as one of the three times a bill may be set. A committee may not vote on a bill so noticed until it has been heard in accordance with this rule. After a committee has voted on a bill, reconsideration may be granted only one time. Reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever first occurs. A vote on reconsideration cannot be taken without the same notice required to set a bill unless such vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. When a bill fails to get the necessary votes to pass it out of committee or upon failure to receive reconsideration, it shall be returned to the Chief Clerk of the Assembly or Secretary of the Senate of the house of the committee and may not be considered further during the session.

This subdivision may be suspended with respect to a particular bill by approval of the Committee on Rules and two-thirds vote of the members of the house.

(b) If the committee adopts amendments other than those offered by the author and orders the bill reprinted prior to its further consideration, the hearing shall not be the final time a bill may be set under subdivision (a) of this rule.

(c) When a standing committee takes action on a bill, the vote shall be by rollcall vote only. All rollcall votes taken by a standing committee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly and the Secretary of the Senate. The chairman or chairwoman of each standing committee shall promptly transmit a copy of the record of the rollcall votes to the Chief Clerk of the Assembly or the Secretary of the Senate, respectively, who shall cause the votes to be published as prescribed by each house.

The provisions of this subdivision shall also apply to action of a

committee on a subcommittee report. The rules of each house shall prescribe the procedure as to rollcall votes on amendments.

Any committee may, with the unanimous consent of the members present, substitute a rollcall from a prior bill, provided that the members whose votes are substituted are present at the time of the substitution.

At no time shall a bill be passed out by a committee without a quorum being present.

The provisions of this subdivision shall not apply to:

(1) Procedural motions which do not have the effect of disposing of a bill.

(2) Withdrawal of a bill from a committee calendar at the request of an author.

(3) Return of bills to the house where the bills have not been voted on by the committee.

(4) The assignment of bills to committee.

(d) The chairman or chairwoman of the committee hearing a bill, may, at any time, order a call of the committee. Upon a request by any member of a committee or the author in person, the chairman or chairwoman shall order the call.

In the absence of a quorum, a majority of the members present may order a quorum call of the committee and compel the attendance of absentees. The chairman or chairwoman shall send the Sergeant at Arms for those members who are absent and not excused by their respective house.

When a call of a committee is ordered by the chairman or chairwoman with respect to a particular bill, he or she shall send the Sergeant at Arms or any other person to be appointed for that purpose for those members who have not voted on that particular bill and are not excused.

A quorum call or a call of the committee with respect to a particular bill may be dispensed with by the chairman or chairwoman without objection by any member of the committee, or by a majority of the members present.

If a motion is adopted to adjourn the committee while the committee is operating under a call, the call shall be dispensed with and any pending vote announced.

The committee secretary shall record the votes of members answering a call. The rules of each house may prescribe additional procedures for a call of a committee.

Redistricting Bills

62.5. This rule applies only to bills affecting the boundaries of legislative, congressional, or State Board of Equalization districts.

(a) Except as specifically provided in this rule, Rules 28, 28.1, 29, 29.5, 30, 30.5, 30.7, 61 (except for paragraph (11) of subdivision (a) and paragraph (14) of subdivision (b) of Rule 61), and 62 shall not apply to bills affecting the boundaries of legislative, congressional, or

State Board of Equalization districts.

(b) If the Senate (in the case of a Senate bill) or the Assembly (in the case of an Assembly bill) refuses to concur in amendments to a bill made by the other house, a committee on conference shall be appointed. The Speaker of the Assembly and the Senate Committee on Rules shall each appoint a committee on conference of three members, consisting of two members of the majority party and one member not of the majority party. The Secretary of the Senate and the Chief Clerk of the Assembly shall immediately notify the other house of the action taken.

(c) When a bill affecting the boundaries of legislative, congressional, or State Board of Equalization districts has been referred to a committee on conference, the chair of the committee on conference shall immediately request the Senate Committee on Elections and Reapportionment and the Assembly Committee on Elections, Reapportionment, and Constitutional Amendments to hold a public hearing on the bill. The committee on conference shall also hold a public hearing on the bill. The hearings of the policy committees and the committee on conference may be noticed and held concurrently.

(d) If either or both of the policy committees hold a public hearing on a bill pursuant to the request of the chair of the committee on conference, the policy committees may consider amendments to the bill, and may make recommendations on amendments to the committee on conference. A policy committee recommendation for an amendment may only be adopted by a rollcall vote of the members of the policy committee.

(e) All proposed reports of a committee on conference, all proposed amendments to a proposed report of a committee on conference, and all proposed amendments presented to a policy committee shall be accompanied by appropriate maps, and no committee vote shall be taken on any proposed report of a committee on conference, any proposed amendment to a proposed report of a committee on conference, or any proposed amendment presented to a policy committee unless the proposed report or proposed amendment, with accompanying maps, has been available to the public for at least 24 hours. District boundaries contained in any proposed report or any proposed amendment shall not be required to be prepared or approved as to form by Legislative Counsel if the accompanying maps adequately reflect the district boundaries.

(f) All hearings of the policy committees and the committee on conference shall be open and readily accessible to the public, and shall be noticed in the Daily File for not less than two calendar days.

(g) The provisions of subdivisions (e) prohibiting a committee vote on any proposed report of a committee on conference, any proposed amendment to a proposed report of a committee on conference, or any proposed amendment presented to a policy committee unless the amendment, accompanied by appropriate

maps, has been available to the public for at least 24 hours shall not apply in any of the following situations:

(1) The amendment proposed to a policy committee or the committee on conference does not change any district boundaries.

(2) The amendment proposed to a policy committee or the committee on conference is required to correct a technical error in the bill, and the proposed amendment would shift no more than 1 percent of the population of any district to any other district or districts.

(3) The amendment is a policy committee or committee on conference amendment that is proposed in response to amendments that have been proposed to the committee.

(h) Except as provided in subdivision (i), no vote may be taken in either house on any bill or any report of the committee on conference on that bill unless the bill or the report has been in print in Legislative Counsel form and available to the public, accompanied by appropriate maps, for at least 24 hours.

(i) If either house refuses to adopt the report of the committee on conference, the bill may be returned to the committee on conference for further consideration. If the bill is returned to the committee on conference for an amendment described in paragraph (1) or (2) of subdivision (g), the notice requirements of subdivision (e) and (h) shall not apply.

(j) Notwithstanding any other rule to the contrary, this rule may be suspended upon a majority vote of the membership of each house.

Uniform Rules

63. No standing committee of either house shall adopt or apply any rule or procedure governing the voting upon bills which is not equally applicable to the bills of both houses.

Votes on Bills

64. Every meeting of each house and standing committee or subcommittee thereof where a vote is to be taken on a bill, or amendments to a bill, shall be public.

Conflicting Rules

65. The provisions of Rule 50 and following of these rules prevail over any conflicting joint rule with a lesser number.

RESOLUTION CHAPTER 127

Senate Concurrent Resolution No. 22—Relative to the Center for the Resolution of Environmental Disputes.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, Rapid population growth and competing demands for California's natural resources often engender intense public conflict over their wise and equitable use; and

WHEREAS, Traditional approaches for resolving complex environmental issues that involve litigation or the vote of the people during elections are costly, time consuming, and limited in the alternatives that may be presented for resolving the issues; and

WHEREAS, Mediation, neutral third-party facilitation, and other negotiation techniques have been successfully applied in a range of natural resource disputes, and often result in new solutions that better satisfy all parties. Facilitated discussions can also help to avoid conflicts by addressing issues at early stages of development; and

WHEREAS, As the luxury of broad choices in California's natural resource use declines, the practice and teaching of environmental dispute resolution takes on even greater importance, which warrants active state support and participation; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Members request the Chancellor of the California State University to take any action necessary to establish the Center for the Resolution of Environmental Disputes, as follows:

(a) The center shall be authorized to do all of the following:

(1) Provide neutral third-party assistance to governments, businesses, and citizen groups in the settlement of natural resource disputes.

(2) Offer courses of study and conduct research in environmental dispute resolution.

(3) Accept grants and charge fees for service on a nonprofit basis to support the operation of the center. The funds to operate the center shall be derived solely from grants or fees for services.

(b) The center shall be sited at an existing campus of the California State University which is centrally located to ongoing natural resource conflicts concerning forests, fish, water, coastal and ocean resources, wild and scenic rivers, threatened or endangered species, or wilderness and wildland resources.

(c) The Legislature requests the Chancellor of the California State University to establish and convene an advisory task force to develop a plan for the center composed of the following members:

(1) The Chancellor of the California State University, or his or her designee, who shall be the chairperson of the advisory task force.

(2) The Director of Forestry and Fire Protection.

(3) The Director of Fish and Game.

(4) Two faculty members of the California State University,

appointed by the chancellor, one of whom shall have expertise in conflict resolution and one of whom shall have expertise in natural resources.

(5) One representative from a natural resources-based industry and one representative from an environmental organization each of whom have personally participated in negotiated environmental disputes, to be selected by the members described in paragraphs (1) to (4), inclusive.

(6) The members of the advisory task force may select additional members whom they consider necessary or desirable.

(d) In developing the plan, the advisory task force shall solicit advice from other institutions or centers for environmental conflict resolution, including, but not limited to, those associated with academic institutions, and from foundations and private organizations that support negotiation as a means of resolving disputes.

(e) The advisory task force is authorized to act pursuant to this resolution only until January 1, 1994, and as of that date is terminated; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Chancellor of the California State University.

RESOLUTION CHAPTER 128

Senate Concurrent Resolution No. 29—Relative to the Foothill Freeway.

[Filed with Secretary of State September 26, 1991.]

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the portion of Interstate 210 from its junction with Interstate Route 5 in Los Angeles, together with those portions of State Highway Route 30 which are constructed to freeway standards, to its junction with Interstate Route 10 in Redlands, be officially designated the "Foothill Freeway"; and be it further

Resolved, That the Department of Transportation is requested to determine the cost of erecting appropriate plaques and markers, consistent with the signing requirements for the state highway system, showing the official designation and, upon receiving contributions from nonstate sources to cover that cost, to erect those plaques and markers; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the Director of Transportation, to the city clerks of the Cities of Los Angeles, San Fernando, Glendale, La Canada-Flintridge, Pasadena, Arcadia, Monrovia, Duarte, Irwindale, Azuza, Glendora, San Dimas, Highland, Redlands, La Verne, Claremont, Upland, Rancho Cucamonga, Fontana, Rialto, and San

Bernardino, and to the county clerks of the Counties of Los Angeles and San Bernardino.

RESOLUTION CHAPTER 129

Senate Concurrent Resolution No. 33—Relative to Women in California Prisons.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, From the period of 1984 to 1990, the adult population of women prisoners tripled from 2,195 to 6,375 in Department of Corrections' facilities; and

WHEREAS, All female prisoners are housed in one of the following five Department of Corrections' women's facilities: the Central California Women's Facilities, California Institution for Women, the Northern California Women's Facility, the California Rehabilitation Center, and the Sierra Correctional Center; and

WHEREAS, These facilities were designed to house 4,750 female prisoners, but, in fact, now hold 6,537; and

WHEREAS, The Department of Corrections has projected a growth in the number of female prisoners to reach an estimated 10,242 by 1996; and

WHEREAS, A significant element of the increase in female prisoners has included a disproportionately high number of minority and low-income women; and

WHEREAS, The problem of the increase in female prisoners parallels the problem of explosive growth in the male prisoner population and, therefore, comprises an important part of the public policy dilemma facing legislators, corrections officials, and law enforcement; and

WHEREAS, The comparatively small number of female prisoners offers the state an opportunity to explore ways of increasing correctional housing efficiencies; and

WHEREAS, Although a larger percentage of women offenders are imprisoned for less severe crimes and fewer violent crimes than is the case of men, usually property crimes or drug offenses that lend themselves to greater opportunity for rehabilitation and return to society, women offenders are dealt with basically utilizing the same methods used for male prisoners and male parolees; and

WHEREAS, The impact of imprisoning the female law violator is often more serious both to herself and to society as a whole because of the high percentage who are single mothers attempting to raise children from the confines of a prison where little or no provision is made for the special needs of children or their incarcerated parents. According to a report submitted to the State Department of Health Services ("Pregnancy in Prison: A Needs Assessment of Parental

Outcome in Three California Penal Systems," (1985)), as many as 75% to 80% of women in prison are mothers of young children; and

WHEREAS, That impact upon the female offender and upon society as a whole is exacerbated by the fact that a high percentage of female offenders are drug users attempting to raise children and likely to give birth to drug exposed babies with the commensurately immense social and financial costs to society, while living in a prison system which makes no special provision for these problems; and

WHEREAS, The state's prison system has no significant drug rehabilitation programs for any sizable number of female offenders despite their critical impact upon society as a whole; and

WHEREAS, The state's prison system has seven community facilities with less than 100 beds for female prisoners with small children in its Mother Infant Care Program, despite the fact that it has been in existence for eight years in a system where there are several thousand eligible prisoners at any given time and despite the critical need for mother-child bonding for children under six years of age; and

WHEREAS, Despite the particular health care and medical needs facing female prisoners such as preincarceration pregnancy, high rate of drug abuse, with its impact on children, and the treatment of women prisoners with AIDS, medical facilities at the state's largest women's prison, California Institution for Women, was rated in 1990 by the State Department of Health Services as so deficient in medical care that it would be closed were it a private hospital; among these conditions being at least six unexplained prisoner deaths in recent years; and

WHEREAS, Prisons for male and female prisoners tend to be designed, built, operated, and staffed in much the same manner despite the fact that needs and treatment requirements differ; and

WHEREAS, These issues require a significant study to determine why female prisoners enter the correctional system and how legislation and correctional and parole policies impact female prisoners; and

WHEREAS, Public policymakers and law enforcement officials need to offer their views and insights into this overall law enforcement and corrections problem before a comprehensive solution can be arrived at; and

WHEREAS, Developing public policies would assure that the most violent and destructive female prisoners receive top priority for the increasingly scarce prison housing capacity; and

WHEREAS, There is a need for an entity to draw upon the data collected by affected agencies at various levels of government to assess the cause and effect relationship between existing public policy and overcrowding of women's penal institutions; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature requests that the Governor establish a blue ribbon commission of 19 members to study methods

of improving the efficient use of female prisoner housing capacity and alternatives to state prison incarceration for nonviolent female offenders as they pertain to the above-mentioned issues. Funding for expenses incurred by the commission shall be on a matching funds basis. Fifty percent, and in no case more than one hundred thousand dollars ($100,000), of the funding shall be funded from the Department of Corrections' budget and 50 percent of the funding should be funded from available nonstate or local sources.

The commission membership shall be composed of the following:

(a) The Governor shall appoint six members, one of whom shall be a warden of a California women's correctional institution, one of whom shall be a director of a female community corrections' facility, two of whom shall be a physician and surgeon specializing in the treatment of institutionalized or incarcerated women, one of whom shall be a female former prisoner who has completed parole and is a mother of a small child or is a rehabilitated substance abuser, and one of whom shall be a public representative. The Governor shall designate a chairperson of the commission.

(b) The Senate Committee on Rules shall appoint four members, one of whom shall be an attorney specializing in legal services for women prisoners, one of whom shall be experienced in operating a drug rehabilitation program for women, one of whom shall be experienced in directing mother and infant care facilities, and one of whom shall be a public representative.

(c) The Speaker of the Assembly shall appoint four members, one of whom shall be an attorney specializing in legal services of women prisoners, one of whom shall be experienced in operating a drug rehabilitation program for women, one of whom shall be experienced in directing mother and infant care facilities, and one of whom shall be a female former prisoner who has completed parole and who is a mother of a small child or is a rehabilitated substance abuser.

(d) The Director of the California Youth Authority and the Director of Corrections shall serve as members of the commission.

(e) The Attorney General or his or her designated alternate shall serve as a member of the commission.

(f) Chief Justice shall select one superior court judge to serve as a member of the commission.

(g) The California Correctional Peace Officer's Association shall appoint one correctional peace officer to serve as a member of the commission; and be it further

Resolved, That the initial appointments to the commission shall be made not later than 90 days after this resolution is adopted. Any appointments that are not made by the Governor within this period shall be made by the Senate Committee on Rules or the Speaker of the Assembly, alternating in that order. Any appointments that are not made by the Senate Committee on Rules or the Speaker of the Assembly within this period shall be made by the Governor. A member shall serve at the pleasure of the actual appointing

authority, and any vacancy shall be filled by that appointing authority; and be it further

Resolved, That the commission shall request the Presley Correctional Research and Training Institute and the Law Centers of the University of Southern California and the University of California to provide research assistance and any professional, clerical, and other assistance that may be necessary to carry out the work of the commission; and be it further

Resolved, That the commission shall be terminated on September 1, 1992, unless a later adopted concurrent resolution, which is chaptered before that date, deletes or extends the date; and be it further

Resolved, That the commission shall make an initial written report to the Governor, the Senate Judiciary Committee, the Assembly Committee on Public Safety, the Joint Legislative Committee on Prison Construction and Operation, the Senate Appropriations Committee, the Assembly Ways and Means Committee, and the Legislature of its activities, findings, and recommendations no later than nine months after its first meeting. The commission shall also prepare a final written report of its findings to the Governor and to the Legislature, including recommended legislation or action by the Governor's office which will promote the purpose of the commission; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the Governor.

RESOLUTION CHAPTER 130

Senate Concurrent Resolution No. 36—Relative to courthouse security.

[Filed with Secretary of State September 26, 1991]

WHEREAS, The Senate of the State of California created a Task Force on Family Relations Court to study and analyze the structure of the superior court, and to develop recommendations for revisions of the existing court system for the Judicial Council and the Legislature; and

WHEREAS, The task force found the most glaring deficiency in most courtroom facilities was lack of protection; and

WHEREAS, The task force findings declared that courts need to provide for the safety of family members and court staff; and

WHEREAS, Judge Howard Broadman was recently shot at in his superior courtroom in Visalia, California; and

WHEREAS, Four bay area courts have experienced shootings in the past five years involving family court, some ending in fatalities; and

WHEREAS, The threat of violence stems from the volatile nature of family law, which deals with some of the most personal human issues—love, money, and children; and

WHEREAS, The potential for violence is even greater in family court than in criminal court, where most often the dangerous person is in custody; and

WHEREAS, It is generally believed that family law courtrooms are the most dangerous areas of the state's courthouses; and

WHEREAS, The Senate Task Force on Family Relations Court listed greater security around family law court as one of its' 36 recommendations; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That each county shall respond to a survey administered by the Judicial Council, which shall study each county's courtroom security and the incidence of violence in family law courts, and which shall determine the security standards that should be implemented statewide to make our courtrooms safe for all those who work in and appear before the court; and be it further

Resolved, That the Judicial Council report its findings and recommendations to the Legislature on or before December 31, 1991.

RESOLUTION CHAPTER 131

Senate Concurrent Resolution No. 39—Relative to state office space.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, There is an ongoing need for office space in the vicinity of the State Capitol for state employees; and

WHEREAS, Current practices for meeting those requirements do not serve the state's best interests because they emphasize short-term savings over long-term planning and sound fiscal management; and

WHEREAS, The reliance on short-term lease arrangements for office space disrupts state government because of continual relocation and, according to the Department of General Services, the Auditor General, and the Little Hoover Commission, costs the state millions of dollars annually; and

WHEREAS, Despite the Legislature's existing policy to pursue ownership opportunities for state office space, the Department of General Services has not pursued these opportunities; and

WHEREAS, A failure to pursue those opportunities impairs the efficient operation of state government; and

WHEREAS, This impairment must be addressed because of fiscal and operational deficiencies of current space utilization practices for

state employees in the capitol area; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Legislature of the State of California requests the Department of General Services to prepare a plan to consolidate, to the extent feasible, state employees and functions within the state capitol area and adjacent areas, consistent with the Capitol Area Plan and other current state law and policies for the location of state office space in the capitol area and adjacent areas; and be it further

Resolved, That, in developing the plan, the department cooperate with the appropriate municipalities to ensure that the plan considers the objectives of the affected municipalities in the redevelopment of the capitol area and adjacent areas and any city policies with respect to housing and environmental quality in the capitol area and adjacent areas; and be it further

Resolved, That the plan identify which agencies currently occupy leased space and propose a priority list to relocate these agencies into state-owned space in the capitol area and adjacent areas so as to realize a net savings; and be it further

Resolved, That the plan identify the estimated cost of the proposed state-owned space and identify options for financing the acquisition of that space; and be it further

Resolved, That a schedule for preparing the plan be submitted to the chairs of the fiscal committees and the Chair of the Joint Legislative Budget Committee within 60 days of the passage of this resolution or by December 1, 1991, whichever is earlier; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Director of General Services.

RESOLUTION CHAPTER 132

Senate Concurrent Resolution No. 50—Relative to the Joint Committee on Energy Regulation and the Environment.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, The Legislature finds and declares that the state's energy development and conservation sectors are critical to the health and welfare of California's economy and environment; and

WHEREAS, Since its inception in 1975, the State Energy Resources Conservation and Development Commission (Energy Commission) has been given extensive responsibilities by the Legislature with regard to powerplant siting, energy supply and demand forecasting, energy conservation, and alternative energy technology development; and

WHEREAS, The Energy Commission shares responsibility for

energy-related functions with over 20 other state governmental agencies, departments, offices, boards, and commissions, including, but not limited to, the Public Utilities Commission, the Environmental Affairs Agency, the Department of General Services, the Energy Extension Service, the Department of Conservation, the State Lands Commission, the California Integrated Waste Management Board, the California Alternative Energy Source Financing Authority, the Department of Water Resources, the State Water Resources Control Board, and the State Air Resources Board, which has resulted in significant fragmentation, duplication, overlap, and confusion in the formulation and execution of state energy-related functions; and

WHEREAS, Emerging energy-related issues facing the state in the 21st century, not fully contemplated at the time the Energy Commission was established, need to be examined more fully, particularly in the areas of air quality, transportation, and other environmental management issues; and

WHEREAS, In its most recent biennial report to the Governor and the Legislature on California's Energy Outlook, the Energy Commission recommended that California's current energy-related functions be examined and evaluated with a view towards possible reform; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, as follows:

(1) The Joint Committee on Energy Regulation and the Environment, which was created by Resolution Chapter 20 of the Statutes of 1989, may act during the 1991–92 Regular Session of the Legislature, including any recess, until June 30, 1992.

(2) The Senate Committee on Rules may make money available from the Senate Contingent Fund for expenses of the committee and its members and staff. Any expenditure of money shall be made in compliance with policies set forth by the Senate Committee on Rules and shall be subject to the approval of the rules committee. The joint committee shall, within 15 calendar days following the adoption of this measure, present its budget to the Joint Rules Committee for its review and comment.

RESOLUTION CHAPTER 133

Senate Concurrent Resolution No. 52—Relative to the Supplemental Report on the 1991 Budget Bill.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, The Supplemental Report on the 1991 Budget Bill, which contains agreed language on statements of intent or requests for studies, was submitted to the Senate and Assembly concurrently

with consideration of the Budget Bill for the 1991–92 fiscal year; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the Supplemental Report on the 1991 Budget Bill reflects the intent of both houses of the Legislature in adopting the Budget Act of 1991; and be it further

Resolved, That the Supplemental Report on the 1991 Budget Bill shall be interpreted as the intent of the Legislature by the various agencies of state government affected by the statements contained in the report; and be it further

Resolved, That the Legislative Analyst shall transmit copies of the appropriate parts of the Supplemental Report on the 1991 Budget Bill to the agencies to which the instructions, limitations, or statements of intent are directed in the report, so that the agencies may be fully informed of the action of the Legislature.

RESOLUTION CHAPTER 134

Senate Concurrent Resolution No. 53—Relative to Correctional Education Week.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, With harsher penalties and more stringent prosecution laws, the number of adults and youths being incarcerated at federal, state, and local facilities continues to increase; and

WHEREAS, One of the primary purposes of incarceration is to help inmates better prepare themselves for leading responsible, productive lives following their release by providing them with opportunities to improve their knowledge and skills through educational programs; and

WHEREAS, With this essential support and effective education and job skill training more individuals will be able to sustain themselves after release as law-abiding self-supporting citizens; and

WHEREAS, California correctional educators courageously commit their time, energy, and expertise in support of rehabilitation of inmates, especially by serving as positive role models who can guide offenders in a positive direction while reinforcing their dignity and self-esteem; and

WHEREAS, An international conference of correctional educators from local, state, and national institutions is gathering to share new and innovative techniques, ideas, and strategies for making these educational and training programs even more efficient and effective; and

WHEREAS, It is appropriate that all citizens recognize the valuable services provided by these dedicated professionals who play

a special role in rehabilitating criminal offenders and in helping to make their lives more productive and fulfilling while helping to make our state a safer place for all citizens; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That the week of November 17, 1991, through November 22, 1991, is hereby established as Correctional Education Week.

RESOLUTION CHAPTER 135

Senate Concurrent Resolution No. 58—Relative to Joint Rule 56.

[Filed with Secretary of State September 26, 1991.]

Resolved by the Senate of the State of California, the Assembly thereof concurring, That Rule 56 of the Joint Rules of the Senate and Assembly for the 1991–92 Regular Session be amended to read:

Return of Bills

56. Bills introduced in the first year of the regular session and passed by the house of origin on or before the January 31st constitutional deadline are "carryover bills." Immediately after January 31, bills introduced in the first year of the regular session that do not become "carryover bills" shall be returned to the Chief Clerk of the Assembly or Secretary of the Senate, respectively. Notwithstanding Rule 4, as used in this rule, "bills" does not include constitutional amendments.

RESOLUTION CHAPTER 136

Senate Joint Resolution No. 4—Relative to medicaid.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, California has been experiencing a brutal crisis in the access of indigent people to health care; and

WHEREAS, Preventive prenatal health care programs have been proven to be overwhelmingly cost-effective; and

WHEREAS, Low-income women often begin prenatal care late in their pregnancies or have too few visits, because of a lack of money, transportation, or child care, or because clinics are often not open at convenient times; and

WHEREAS, At least one other state has addressed this problem by successfully implementing a prenatal health care program using mobile outreach units; and

WHEREAS, At least one California hospital has proposed a similar program, which would utilize a mobile health van to provide prenatal care to the target population in an effective and efficient manner; and

WHEREAS, Since patients reached by such a program are usually Medi-Cal eligible, it is necessary that the program be approved for federal medicaid reimbursement by the Health Care Financing Administration; and

WHEREAS, Although the administration allows satellite clinics to be certified for medicaid reimbursement and although at least one mobile health care program has been approved for reimbursement, the federal government lacks clear statutory authority to certify those programs for medicaid reimbursement; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and Congress of the United States to enact legislation or require the Health Care Financing Administration to adopt regulations permitting the certification of mobile prenatal health care van programs for reimbursement under the medicaid program; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Director of the Health Care Financing Administration, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 137

Senate Joint Resolution No. 15—Relative to toll roads.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, The President of the United States has proposed a surface transportation reauthorization bill, which calls for tolls on interstate highways and federal subsidies for private toll roads; and

WHEREAS, The California Department of Transportation has suggested that toll roads built under the President's proposal be modeled after the four toll road projects authorized in California by Section 143 of the Streets and Highways Code; and

WHEREAS, The department has also suggested that Congress authorize the use of federal funds for the four demonstration projects authorized by Section 143; and

WHEREAS, The language of Section 143 and the legislative history of the bill that added that section clearly indicate that only private funds were to be used to build the demonstration projects; and

WHEREAS, The private developers selected for those projects have been given contracts containing the following provisions:

(1) Large "franchise zones" within which competing projects, including improvements to many public roads, are prohibited.

(2) The right of the developer to lease miles of airspace along toll roads for a nominal fee, on which the developers can build gas stations, restaurants, shopping centers, and other buildings.

(3) No limit on the amount of tolls that the developer can charge.

(4) Developers are allowed profits in excess of 20 percent from the tolls.

(5) No limit on the profits developers can realize from airspace revenues.

(6) Developers, through the Department of Transportation, may condemn land for the projects; and

WHEREAS, The Legislature of the State of California finds that it is inappropriate to provide federal subsidies to private toll road investors; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to retain the prohibition against the use of federal funds for toll roads, except for demonstration projects currently authorized by Congress, toll bridges, and toll roads financed with interest bearing loans, and not to enact any surface transportation reauthorization act that includes the imposition of tolls on interstate highways; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and the Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 138

Senate Joint Resolution No. 19—Relative to Israeli prisoners of war.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, Seven soldiers of the Israel Defense Forces have been missing in action for several years in Lebanon: Yehuda Katz, Zechariah Baumel, and Tevi Feldman have been missing since 1982; Samir Assad has been missing since 1983; and Ron Arad, Yosef Pink, and Rachamim Levi-Alsheech have been missing since 1986; and

WHEREAS, All evidence points to their being held in territory controlled by the Syrians by organizations linked with Syria and Iran; and

WHEREAS, These Israeli POW's are being held incommunicado, and are deprived of all basic rights, such as contacts with their families and meetings with the International Red Cross--and this

treatment constitutes a blatant violation of the Geneva Convention and a cruel disregard for the ordeal of their families and loved ones; and

WHEREAS, Syria, Iran, and the organizations holding the Israeli POW's have refused to acknowledge responsibility for the fate of the POW's and have further refused to divulge any information as to the location or welfare of these individuals; and

WHEREAS, POW's are now being exchanged following the Persian Gulf War, and it is important that the Israeli POW's not be forgotten; and

WHEREAS, Discussions have resumed regarding the exchange of prisoners and western hostages; and

WHEREAS, Recent developments indicate that the region is moving toward peace talks on the Israeli-Arab conflict; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California hereby urges the United States Department of State to seek the cooperation of Syria and Iran in compelling the organizations holding the seven Israeli POW's referred to in this resolution to do both of the following as a first step towards a prisoner exchange in the very near future:

(1) To grant immediate access to the seven Israeli POW's to the International Red Cross.

(2) To provide the seven Israeli POW's with all conditions required by the Geneva Convention; and be it further

Resolved, That the Legislature also urges the Department of State to work with other western nations, and with middle eastern nations desirous of stability in the region, to support all efforts to secure the rights of the seven Israeli POW's referred to in this resolution--efforts which should include a full disclosure of all information relating to their welfare and to the conditions of their imprisonment and the ultimate release of the Israeli POW's as part of a general prisoner exchange; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President, the Vice President, and the Secretary of State of the United States, to the Speaker of the House of Representatives of the United States, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 139

Senate Joint Resolution No. 22—Relative to inmate health care.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, California is experiencing steady growth in its incarcerated population; and

WHEREAS, Pregnant women, women with children, and minors comprise a significant portion of the incarcerated population; and

WHEREAS, Inmate health care costs are skyrocketing due to increased incidences of AIDS, substance abuse, and mental illness; and

WHEREAS, In 1985, the federal government had a policy of providing medicaid for the first and last month of an inmate's incarceration; and

WHEREAS, in 1985, the federal government reversed its policy and discontinued federal medicaid financial participation; and

WHEREAS, Currently, otherwise eligible persons are denied medicaid eligibility upon entering a county detention or correctional facility; and

WHEREAS, Counties must now fund inmate health care through county general fund moneys; and

WHEREAS, These county general fund moneys could be used more effectively to provide other services, such as health care to the indigent; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President and the Congress of the United States to enact legislation, or adopt regulations, approving medicaid eligibility for otherwise eligible inmates in a county-operated detention or correctional facility, or a county-operated juvenile facility; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the Secretary of Health and Human Services.

RESOLUTION CHAPTER 140

Senate Joint Resolution No. 24—Relative to the dual banking system.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, This country maintains a dual banking system whereby banks in California may elect whether to be state chartered banks subject to regulation by the State Banking Department or federally chartered banks subject to regulation by the Comptroller of the Currency; and

WHEREAS, The State Banking Department is authorized to approve all applications for state chartered banks to engage in the business of banking in this state; and

WHEREAS, State chartered banks in California are allowed to

provide certain products and services under California law that federally chartered banks are not allowed to provide under current federal law; and

WHEREAS, California banking laws promote capital availability, strengthen economic development, and encourage community reinvestment in this state; and

WHEREAS, It is of great importance that the State of California retain the ability to equitably tax both state and federally chartered banks; and

WHEREAS, The United States Treasury recently proposed a plan to reform and restructure this country's financial system by reducing or eliminating state regulation of banks in favor of increased regulation by the Federal Reserve; and

WHEREAS, The Legislature of the State of California reaffirms and restates its support for the continuation of the dual banking system in California; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California respectfully memorializes the President, the Congress, and the Treasury Department to retain and continue the essential components of the dual banking system and ensure that any reforms to the federal deposit insurance system apply equally to all depositors in financial institutions of any size; and recognize that it is imperative that any changes in federal banking laws not impair the ability of the State of California to tax banks in this state; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to each Senator and Representative from California in the Congress of the United States, and to the United States Secretary of the Treasury.

RESOLUTION CHAPTER 141

Senate Joint Resolution No. 25—Relative to the reauthorization of the Rehabilitation Act of 1973.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, It is the intent of the Legislature to support and enhance the opportunity and ability of all persons with disabilities who reside within California to lead productive, independent, personally empowered, and contributing lives; and

WHEREAS, The Department of Rehabilitation provides a specialized constellation of case management, counseling, and the purchase of goods and services and provides a variety of assistance to persons with disabilities who have independent living, employment, and employability needs; and

WHEREAS, This vocational rehabilitation system was originated and defined in 1920 by federal law whose current form and funding is embodied in the federal Rehabilitation Act of 1973, the intent of which is to promote more independent and productive lives for persons with disabilities; and

WHEREAS, Efforts to review and reform this original purpose have only led to minor changes in the service approach, philosophy, and funding patterns, despite evidence which indicates not only that persons with severe disabilities continue to experience 74 to 86 percent unemployment, major underemployment due to segregation and low expectations, and increasing waiting lists for services, but also that disabled youth and older persons are extremely underserved; and

WHEREAS, With passage of the Americans with Disabilities Act of 1990, which sets forth a sweeping new and systematic declaration of human and civil rights for people with disabilities based on contemporary congressional findings and the assertion of cultural and societal values, dramatic increases in full participation and economic integration of all persons with disabilities will occur in America; and

WHEREAS, No substantial effort has been exerted to look at the many areas of potential system improvements and economies that coexist between the public rehabilitation system, unemployment insurance, and workers' compensation in California that would lead to major benefits to the California economy; and

WHEREAS, A revolution in technology, science, and support services exists that offers to expand the benefits to consumers of services and the public and private employer sector in California; and

WHEREAS, Research from the last decade and the summing up of the best clinical and program practices has not been applied to the service delivery system in order to improve quality and economies to the consumer and tax paying public; and

WHEREAS, The federal Rehabilitation Act of 1973 will be reauthorized by Congress by September 1991; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California urges the California Congressional Delegation to support a two-year reauthorization process of the federal Rehabilitation Act of 1973 that will provide widespread local hearings to ensure maximum public input to focus on establishing a paradigm shift in the rehabilitation system service design in keeping with the spirit and letter of the Americans with Disabilities Act; and be it further

Resolved, That the Legislature commission a study to be completed not later than September 1, 1993, and to be coordinated by the Senate Office of Research in consultation with the Department of Rehabilitation, which parallels the congressional reauthorization timetable that will provide the Legislature with recommendations on the administrative, programmatic, and fiscal

reorganization of the Department of Rehabilitation that will do all of the following:

(a) Research and analyze cost-benefit data that currently exists.

(b) Define performance standards and outcome measures for services to persons with disabilities.

(c) Compare state-of-the-art service models and approaches to maximize the benefits and utilization of these best practices in serving people with disabilities.

(d) Recommend appropriate levels of funding needed to meet the needs of disabled persons in service modes that are congruent with the modern mission of the department.

(e) Install patterns of spending and utilization of federal funds that promote maximum success in achieving personal empowerment and productive independent living, including voucher systems and the creative mixing and matching of public and private funds.

(f) Install service models that maximize economies consistent with the values, goals, and objectives of career-oriented support services and assessment approaches; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States.

RESOLUTION CHAPTER 142

Senate Joint Resolution No. 27—Relative to family planning.

[Filed with Secretary of State September 26, 1991.]

WHEREAS, Family planning clinics provide important access to health services for California's economically disadvantaged women; and

WHEREAS, Federal Title X funds provide $12.2 million to California, financial assistance critical to over 200 family planning facilities statewide; and

WHEREAS, The majority of women served by family planning clinics receiving Title X funding have no other alternatives for health care; and

WHEREAS, California's family planning clinics are already experiencing significant financial stress as the result of below average reimbursement rates for services provided; and

WHEREAS, California's law on "informed consent" requires physicians to advise their patients of all risks, benefits, and alternatives on any medical procedure, and any limits on informed consent would represent a violation of California law; and

WHEREAS, California's physicians have a professional obligation

to inform their patients of all their treatment alternatives, and any limits on this obligation would jeopardize the patient-physician relationship; and

WHEREAS, The United States Supreme Court ruling of May 23, 1991, in the case of Rust v. Sullivan, upholds regulations adopted by the Secretary of Health and Human Services which prohibit family planning programs that receive Title X funds from providing abortion counseling or referral services to women; and

WHEREAS, The people of California believe that the regulations adopted by the Secretary of Health and Human Services violate the fundamental rights to privacy and free speech, despite the United States Supreme Court's holding; and

WHEREAS, Family planning providers might be forced out of moral obligation, the exercise of their right to free speech, and their adherence to California's law on informed consent, to turn down federal Title X funding, thereby reducing the number of women served or closing family planning facilities; now, therefore, be it

Resolved by the Senate and Assembly of the State of California, jointly, That the Legislature of the State of California expresses its deep concern over the United States Supreme Court ruling in the case of Rust v. Sullivan upholding the regulations prohibiting health care professionals from counseling their patients on, or providing referrals for, abortion, and strongly supports federal legislation clarifying original congressional intent that Title X funding be used to provide unbiased and accurate information on reproductive health care for economically disadvantaged women; and be it further

Resolved, That the Legislature of the State of California strongly urges that the United States Congress enact clarifying legislation and the President of the United States sign the legislation into law; and be it further

Resolved, That the Legislature of the State of California registers its alarm that the United States Supreme Court ruling undermines a woman's fundamental right to privacy, including her right to choose an abortion; and be it further

Resolved, That the Legislature of the State of California reaffirms its support for protection of these rights for all women, including economically disadvantaged women; and be it further

Resolved, That the Legislature of the State of California expresses its serious concern that the United States Supreme Court ruling limits the First Amendment rights of free speech of health care professionals; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the President pro Tempore of the United States Senate, to each Senator and Representative from California in the Congress of the United States, to the Chief Clerk of the United States House of Representatives, to the Secretary of the United States Senate, and to the presiding officer of each house of the legislature of each of the other states in the

Union.

RESOLUTION CHAPTER 143

Assembly Joint Resolution No. 24—Relative to federal Supplemental Security Income program benefits.

[Filed with Secretary of State September 27, 1991.]

WHEREAS, The Secretary of Health and Human Services has responsibility for determining those opportunistic infections that represent a diagnosis of acquired immune deficiency syndrome (AIDS) for purposes of both epidemiological surveillance and eligibility for certain entitlement benefits; and

WHEREAS, The federal Centers for Disease Control, within the United States Department of Health and Human Services, are currently updating the definition of AIDS which has previously not acknowledged differential clinical manifestations of human immunodeficiency virus in various population groups, including, but not limited to, women and children; and

WHEREAS, The determination of presumptive eligibility for federal Supplemental Security Income (SSI) program benefits for a person with human immunodeficiency virus (HIV) has been based on the definition of AIDS by the Centers for Disease Control; and

WHEREAS, As a result, a person may develop HIV-related symptoms or opportunistic infections which render him or her incapable of working but that person cannot presumptively obtain certain benefits and services which target people with AIDS because, although he or she cannot work, the condition is not diagnosed as AIDS under the current case definition; and

WHEREAS, The federal Social Security Administration, within the United States Department of Health and Human Services, is currently reviewing the criteria to establish presumptive eligibility for SSI for symptomatic persons with HIV infection who cannot work; now, therefore, be it

Resolved by the Assembly and Senate of the State of California, jointly, That the Legislature of the State of California respectfully memorialize the United States Secretary of Health and Human Services to establish criteria for the determination of presumptive eligibility for federal Supplemental Security Income program benefits that include HIV-infected persons who have previously been unable to obtain that eligibility, including, but not limited to, women and children; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Secretary of Health and Human Services, to the Speaker of the House of Representatives, and to each Senator and

Representative from California in the Congress of the United States.
