(j) (1) No wood roof covering materials shall be sold in this state unless, on and after January 1, 2001, the materials have passed at least five years of the 10-year natural weathering test.

(2) The 10-year natural weathering test required by this subdivision shall be conducted in accordance with standard 15-2 of the 1994 edition of the Uniform Building Code at a testing facility recognized by the State Fire Marshal.

(k) The Insurance Commissioner shall accept the use of fire retardant wood roofing material that meets the requirements of this section, used in the partial repair or replacement of nonfire retardant wood roofing material, as meeting the requirement in Section 2695.9 of Title 10 of the California Code of Regulations relative to matching replacement items in quality, color, and size.

(l) This section shall become inoperative on July 1, 2002, and, as of January 1, 2003, is repealed, unless a later enacted statute that is enacted before January 1, 2003, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 2. Section 13132.7 is added to the Health and Safety Code, to read:

13132.7. (a) Within a very high fire hazard severity zone designated by the Director of Forestry and Fire Protection pursuant to Article 9 (commencing with Section 4201) of Chapter 1 of Part 2 of Division 4 of the Public Resources Code and within a very high hazard severity zone designated by a local agency pursuant to Chapter 6.8 (commencing with Section 51175) of Part 1 of Division 1 of Title 5 of the Government Code, the entire roof covering of every existing structure where more than 50 percent of the total roof area is replaced within any one-year period, every new structure, and any roof covering applied in the alteration, repair, or replacement of the roof of every existing structure, shall be a fire retardant roof covering that is at least class B as defined in the Uniform Building Code, as adopted and amended by the State Building Standards Commission.

(b) In all other areas, the entire roof covering of every existing structure where more than 50 percent of the total roof area is replaced within any one-year period, every new structure, and any roof covering applied in the alteration, repair, or replacement of the roof of every existing structure, shall be a fire retardant roof covering that is at least class C as defined in the Uniform Building Code, as adopted and amended by the State Building Standards Commission.

(c) Notwithstanding subdivision (b), within state responsibility areas classified by the State Board of Forestry and Fire Protection pursuant to Article 3 (commencing with Section 4125) of Chapter 1 of Part 2 of

Division 4 of the Public Resources Code, except for those state responsibility areas designated as moderate fire hazard responsibility zones, the entire roof covering of every existing structure where more than 50 percent of the total roof area is replaced within any one-year period, every new structure, and any roof covering applied in the alteration, repair, or replacement of the roof of every existing structure, shall be a fire retardant roof covering that is at least class B as defined in the Uniform Building Code, as adopted and amended by the State Building Standards Commission.

(d) (1) Notwithstanding subdivision (a), (b), or (c), within very high fire hazard severity zones designated by the Director of Forestry and Fire Protection pursuant to Article 9 (commencing with Section 4201) of Chapter 1 of Part 2 of Division 4 of the Public Resources Code or by a local agency pursuant to Chapter 6.8 (commencing with Section 51175) of Part 1 of Division 1 of Title 5 of the Government Code, the entire roof covering of every existing structure where more than 50 percent of the total roof area is replaced within any one-year period, every new structure, and any roof covering applied in the alteration, repair, or replacement of the roof of every existing structure, shall be a fire retardant roof covering that is at least class A as defined in the Uniform Building Code, as adopted and amended by the State Building Standards Commission.

(2) Paragraph (1) does not apply to any jurisdiction containing a very high fire hazard severity zone if the jurisdiction fulfills both of the following requirements:

(A) Adopts the model ordinance approved by the State Fire Marshal pursuant to Section 51189 of the Government Code or an ordinance that substantially conforms to the model ordinance of the State Fire Marshal.

(B) Transmits, upon adoption, a copy of the ordinance to the State Fire Marshal.

(e) The State Building Standards Commission shall incorporate the requirements set forth in subdivisions (a), (b), and (c) by publishing them as an amendment to the California Building Standards Code in accordance with Chapter 4 (commencing with Section 18935) of Part 2.5 of Division 13.

(f) Nothing in this section shall limit the authority of a city, county, city and county, or fire protection district in establishing more restrictive requirements, in accordance with current law, than those specified in this section.

(g) This section shall not affect the validity of an ordinance, adopted prior to the effective date for the relevant roofing standard specified in subdivisions (a) and (b), by a city, county, city and county, or fire protection district, unless the ordinance mandates a standard that is less stringent than the standards set forth in subdivision (a), in which case the

ordinance shall not be valid on or after the effective date for the relevant roofing standard specified in subdivisions (a) and (b).

(h) Any qualified historical building or structure as defined in Section 18955 may, on a case-by-case basis, utilize alternative roof constructions as provided by the State Historical Building Code.

(i) The installer of the roof covering shall provide certification of the roof covering classification, as provided by the manufacturer or supplier, to the building owner and, when requested, to the agency responsible for enforcement of this part. The installer shall also install the roof covering in accordance with the manufacturer's listing.

(j) No wood roof covering materials shall be sold or applied in this state unless both of the following conditions are met:

(1) The materials have been approved and listed by the State Fire Marshal as complying with the requirements of this section.

(2) The materials have passed at least five years of the 10-year natural weathering test. The 10-year natural weathering test required by this subdivision shall be conducted in accordance with standard 15-2 of the 1994 edition of the Uniform Building Code at a testing facility recognized by the State Fire Marshal.

(k) The Insurance Commissioner shall accept the use of fire retardant wood roof covering material that complies with the requirements of this section, used in the partial repair or replacement of nonfire retardant wood roof covering material, as complying with the requirement in Section 2695.9 of Title 10 of the California Code of Regulations relative to matching replacement items in quality, color, and size.

(l) This section shall become operative on July 1, 2002.

CHAPTER 245

An act to add and repeal Section 14035.58 of the Government Code, relating to transportation.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 14035.58 is added to the Government Code, to read:

14035.58. (a) Paragraph (2) of subdivision (c) of Section 14035.55 does not apply to service provided for disabled passengers who rely substantially on the use of wheelchairs and travel by motor carrier over any regular route that operates on the portion of the Capitol Corridor

routes between San Jose and Monterey County including specific rail service between San Jose to Salinas and specific rail service between San Jose to California State University Monterey Bay.

(b) The Department of Transportation shall encourage the Transportation Agency for Monterey County, Amtrak, Monterey-Salinas Transit, and any private motor carrier of passengers that operates regular service on the route described in subdivision (a), to develop and execute a memorandum of understanding that addresses long-term solutions to the transportation needs of passengers traveling by bus between the Monterey County, South Monterey County, City of Salinas, City of Soledad, King City, and the City of San Jose on service operated on Capitol Corridor routes. The memorandum shall address the necessary funding and capital needs to provide this public transit service, and other operational requirements for additional public transit service on this route. The memorandum shall also address ways that Amtrak, local public transit operators, and local private sector motor carriers of passengers may combine or package their respective services and facilities to the public as a means of improving services to the public.

(c) This section shall remain in effect only until one of the following dates, whichever comes first, and as of that date is repealed:

(1) January 1, 2004.

(2) The date that all motor carriers of passengers that operate regular service on the route described in subdivision (a) operate only vehicles on that route that are fully accessible to disabled passengers who rely substantially on the use of wheelchairs. The department shall notify the Secretary of State of the date that the occurrence of the event described in this paragraph occurs.

SEC. 2. (a) Because of an immediate and specific set of operating factors unique to the state-supported passenger rail feeder bus service operated between Monterey County and the City of San Jose, and because these unique factors have created a temporary hardship for some of the passengers utilizing this service, the Legislature finds and declares that it is necessary to enact legislation to address this hardship.

(b) Due to the unique nature of the problem described in subdivision (a), the Legislature further finds and declares that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution. Therefore, the special legislation contained in this act is necessarily applicable only to the bus service described in this section.

CHAPTER 246

An act to amend Section 104180 of the Health and Safety Code, relating to cancer, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 104180 of the Health and Safety Code is amended to read:

104180. The Cancer Research Fund is hereby established in the State Treasury. Moneys in the fund shall be available for expenditure by the department, upon appropriation by the Legislature. The fund shall consist of money accepted by the department from grants and donations from private entities and of public moneys transferred to the fund. It is the intent of the Legislature that, after the initial appropriation made pursuant to Assembly Bill 1554 of the 1997–98 Regular Session, the fund be enhanced by annual allocations determined in subsequent budget acts.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to implement and support programs for cancer research, and thus to reduce pain and suffering and address a pressing health need at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 247

An act to add Sections 130063.1 and 130063.2 to the Health and Safety Code, relating to health facilities.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 130063.1 is added to the Health and Safety Code, to read:

130063.1. Notwithstanding Section 130063, a county-owned general acute care hospital building is allowed an extension of the Non-structural Performance Category-2 requirements of Title 24 of the California Code of Regulations if all of the following conditions are met:

(a) The county submitted the compliance plan on or before January 1, 2001.

(b) The county submitted the Non-structural Performance Category-2 building plans to the Office of Statewide Health Planning and Development on or before September 1, 2001.

(c) The county complies with the year 2002 nonstructural requirements established by regulation 12 months after receipt of the building permit approval letter from the Office of Statewide Health Planning and Development.

SEC. 2. Section 130063.2 is added to the Health and Safety Code, to read:

130063.2. Notwithstanding Section 130063, an existing county-owned general acute care hospital building may receive a one-year extension of the January 1, 2002, deadline for the Non-structural Performance Category-2 requirements in Title 24 of the California Code of Regulations if all of the following conditions are met:

(a) The existing hospital building is removed from general acute care service on or before January 1, 2003.

(b) Construction of the replacement building that will meet the 2030 nonstructural and structural deadline requirements, which commenced before January 1, 2001, is completed by January 1, 2003.

CHAPTER 248

An act to amend Sections 1610 and 4002 of the Penal Code, relating to inmates.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1610 of the Penal Code is amended to read:

1610. (a) Upon the filing of a request for revocation under Section 1608 or 1609 and pending the court's decision on revocation, the person subject to revocation may be confined in a facility designated by the community program director when it is the opinion of that director that the person will now be a danger to self or to another while on outpatient status and that to delay confinement until the revocation hearing would

pose an imminent risk of harm to the person or to another. The facility so designated shall continue the patient's program of treatment, shall provide adequate security so as to ensure both the safety of the person and the safety of others in the facility, and shall, to the extent possible, minimize interference with the person's program of treatment. Upon the request of the community program director or a designee, a peace officer shall take, or cause to be taken, the person into custody and transport the person to a facility designated by the community program director for confinement under this section. Within one judicial day after the person is confined in a jail under this section, the community program director shall apply in writing to the court for authorization to confine the person pending the hearing under Section 1608 or Section 1609 or subdivision (c). The application shall be in the form of a declaration, and shall specify the behavior or other reason justifying the confinement of the person in a jail. Upon receipt of the application for confinement, the court shall consider and rule upon it, and if the court authorizes detention in a jail, the court shall actually serve copies of all orders and all documents filed by the community program director upon the prosecuting and defense counsel. The community program director shall notify the court in writing of the confinement of the person and of the factual basis for the opinion that the immediate confinement in a jail was necessary. The court shall supply a copy of these documents to the prosecutor and defense counsel.

(b) The facility designated by the community program director may be a state hospital, a local treatment facility, a county jail, or any other appropriate facility, so long as the facility can continue the person's program of treatment, provide adequate security, and minimize interference with the person's program of treatment. If the facility designated by the community program director is a county jail, the patient shall be separated from the general population of the jail. In the case of a sexually violent predator, as defined in Section 6600 of the Welfare and Institutions Code, who is held pending civil process under the sexually violent predator laws, the person may be housed as provided by Section 4002. The designated facility need not be approved for 72-hour treatment and evaluation pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code); however, a county jail may not be designated unless the services specified above are provided, and accommodations are provided which ensure both the safety of the person and the safety of the general population of the jail. Within three judicial days of the patient's confinement in a jail, the community program director shall report to the court regarding what type of treatment the patient is receiving in the facility. If there is evidence that the treatment program is not being complied with, or accommodations

have not been provided which ensure both the safety of the committed person and the safety of the general population of the jail, the court shall order the person transferred to an appropriate facility, including an appropriate state hospital. Nothing in this subdivision shall be construed as authorizing jail facilities to operate as health facilities, as defined in Section 1250 of the Health and Safety Code, without complying with applicable requirements of law.

(c) A person confined under this section shall have the right to judicial review of his or her confinement in a jail under this section in a manner similar to that which is prescribed in Article 5 (commencing with Section 5275) of Chapter 2 of Part 1 of Division 5 of the Welfare and Institutions Code and to an explanation of rights in the manner prescribed in Section 5325 of the Welfare and Institutions Code.

Nothing in this section shall prevent hospitalization pursuant to the provisions of Section 5150, 5250, 5350, or 5353 of the Welfare and Institutions Code.

(d) A person whose confinement in a treatment facility under Section 1608 or 1609 is approved by the court shall not be released again to outpatient status unless court approval is obtained under Section 1602 or 1603.

SEC. 2. Section 4002 of the Penal Code is amended to read:

4002. (a) Persons committed on criminal process and detained for trial, persons convicted and under sentence, and persons committed upon civil process, shall not be kept or put in the same room, nor shall male and female prisoners, except husband and wife, sleep, dress or undress, bathe, or perform eliminatory functions in the same room. However, persons committed on criminal process and detained for trial may be kept or put in the same room with persons convicted and under sentence for the purpose of participating in supervised activities and for the purpose of housing, provided, that the housing occurs as a result of a classification procedure that is based upon objective criteria, including consideration of criminal sophistication, seriousness of crime charged, presence or absence of assaultive behavior, age, and other criteria that will provide for the safety of the prisoners and staff.

(b) Inmates who are held pending civil process under the sexually violent predator laws shall be held in administrative segregation. For purposes of this subdivision, administrative segregation means separate and secure housing that does not involve any deprivation of privileges other than what is necessary to protect the inmates and staff. Consistent with Section 1610, to the extent possible, the person shall continue in his or her course of treatment, if any. An alleged sexually violent predator held pending civil process may waive placement in secure housing by petitioning the court for a waiver. In order to grant the waiver, the court must find that the waiver is voluntary and intelligent, and that granting

the waiver would not interfere with any treatment programming for the person requesting the waiver. A person granted a waiver shall be placed with inmates charged with similar offenses or with similar criminal histories, based on the objective criteria set forth in subdivision (a).

(c) Nothing in this section shall be construed to impose any requirement upon a county to confine male and female prisoners in the same or an adjoining facility or impose any duty upon a county to establish or maintain programs which involve the joint participation of male and female prisoners.

CHAPTER 249

An act to add Section 128040 to the Health and Safety Code, relating to health.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) In California:

(1) More than one-half of all children in California, which is twice the proportion of children in other states, have untreated tooth decay and more than half of all schoolage children have untreated tooth decay.

(2) One-half of all preschool and 12 percent of high school students have never been to the dentist.

(3) Almost one-third of the preschoolers and more than two-thirds of the elementary and high school students have experienced tooth decay.

(4) Twenty-one percent of 10th graders are in urgent need of dental care for extensive decay, pain, or infection and 61 percent of 10th graders have periodontal (gum) disease requiring professional treatment.

(5) The percentage of children ages six to eight years with untreated decay was more than twice as high as the United States average for this age group in 1986–87, and 175 percent higher than the year 2000 objective for the nation.

(b) While various programs have been aimed at increasing access to dental care, very few of them are aimed at placing dentists in underserved areas.

(c) While there is a federal program to provide health professional student debt forgiveness, the program itself acknowledges that it is only able to address about 12 percent of the need nationwide.

(d) Only 92 dentists nationwide are in the National Health Service Corps program in which only one in every three applicants are selected. Some of these programs require matching funds from the clinic, which is very difficult to provide because the clinics are required not only to pay the dentist a wage, but also to contribute from twelve thousand five hundred dollars (\$12,500) to seventeen thousand five hundred dollars (\$17,500) each year in order for the dentist to receive the program's matching federal funds. At medicaid or Medi-Cal reimbursement rates, this is a hurdle many clinics cannot overcome.

SEC. 2. Section 128040 is added to the Health and Safety Code, to read:

128040. (a) The Office of Statewide Health Planning and Development shall report to the Legislature on or before June 30, 2002, on the feasibility of establishing a California dental loan forgiveness program utilizing the same general guidelines applicable to the federal National Health Service Corps State Loan Repayment Program (42 U.S.C.A. Sec. 254q-1; 42 C.F.R., Part 62, Subpart C (commencing with Section 62.51)), except as follows:

(1) A dentist shall be eligible to participate in the loan forgiveness program if he or she provides full-time or half-time dental services in either of the following:

(A) A dental health professional shortage area (DHPSA), established pursuant to Section 254e(a) of Title 42 of the United States Code.

(B) An area of the state where unmet priority needs for dentists exist as determined by the Health Manpower Policy Commission pursuant to Section 128225.

(2) Matching funds to repay a portion of the dentist's outstanding loan amount shall be required from the practice site areas or from other private nonprofit sources.

(3) A qualifying practice site shall include a private dental practice.

(b) (1) The report required under subdivision (a) shall include all of the following:

(A) A projection of the dentist-to-population ratio for California in the next decade.

(B) A determination of the future need for dentists and dental care in underserved communities. The office shall work collaboratively with organizations that represent providers of dental services to underserved communities in making this determination.

(C) A report on the utilization by dentists of tuition loan repayment programs at the federal and state level and identify the barriers to full utilization of these loan repayment programs.

(D) A report on the projected cost increase of dental school education at public and private postsecondary educational institutions.

(E) A report on the implications of administering an additional program, including a cost analysis.

(2) The report also shall include recommendations on whether a program described in subdivision (a) should be established and, if so, suggested funding sources. In making its recommendations, the office shall consider the impact of the program on access to dental services in areas of the state that currently have a shortage of dentists.

CHAPTER 250

An act to add and repeal Section 49605 of the Education Code, relating to educational counseling, and making an appropriation therefor.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 49605 is added to the Education Code, to read: 49605. (a) For the purposes of this section, “pupil support” is defined to include school counselors, school psychologists, and school social workers.

(b) The State Department of Education, in consultation with interested parties, as determined by the Superintendent of Public Instruction, shall conduct a study that accomplishes, but is not limited to, all of the following:

(1) Determine the proper ratios of pupil-to-school counselors, pupil-to-school psychologists, and pupil-to-school social workers necessary at a school to maintain adequate pupil support services.

(2) Examine the varying and unique needs for pupil support services in the individual school districts of the state.

(3) Determine the causes of difficulties in attracting and retaining credentialed pupil support personnel to work in the schools.

(4) Examine the design and implementation of effective pupil support services and programs.

(5) Examine the assessment of quality and pupil outcomes of the pupil support services provided in schools.

(6) Examine the correlation between a lower pupil-to-pupil support personnel ratio and a pupil’s well-being, ability to learn, and academic achievement.

(7) Examine the use of credentialed pupil support personnel and the use of contracted pupil support personnel.

(c) The State Department of Education shall report the results of the study to the Governor and the Legislature by January 1, 2003.

(d) This section shall remain in effect only until January 1, 2003, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2003, deletes or extends that date.

SEC. 2. The sum of one hundred twenty-five thousand dollars (\$125,000) is hereby appropriated from the General Fund to the State Department of Education for purposes of conducting the study required by Section 1 of this act.

CHAPTER 251

An act to amend Section 25205.6 of the Health and Safety Code, to amend Sections 42886 and 42886.1 of the Public Resources Code, to amend Sections 6593.5, 7285, 7285.5, 7288.3, 7655, 7657, 7658, 7658.1, 7659.2, 8878, 8878.5, 11409, 30014, 30016, 30104, 30108, 30176.1, 30181, 30283.5, 32255, 32256.5, 38455, 40103.5, 41097.5, 43152.9, 43158.5, 45156.5, 46157.5, 50112.4, 55046, and 60212 of, to add Article 2.5 (commencing with Section 7659.9) to Chapter 5 of Part 2 of Division 2 of, and to repeal Section 30463 of, the Revenue and Taxation Code, relating to taxation.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 25205.6 of the Health and Safety Code is amended to read:

25205.6. (a) On or before November 1 of each year, the department shall provide the board with a schedule of codes, that consists of the types of corporations that use, generate, store, or conduct activities in this state related to hazardous materials, as defined in Section 25501, including, but not limited to, hazardous waste. The schedule shall consist of identification codes from one of the following classification systems, as deemed suitable by the department:

(1) The Standard Industrial Classification (SIC) system established by the United States Department of Commerce.

(2) The North American Industry Classification System (NAICS) adopted by the United States Census Bureau.

(b) Each corporation of a type identified in the schedule adopted pursuant to subdivision (a) shall pay an annual fee, which shall be set at two hundred dollars (\$200) for those corporations with 50 or more

employees, but less than 75 employees, three hundred fifty dollars (\$350) for those corporations with 75 or more employees, but less than 100 employees, seven hundred dollars (\$700) for those corporations with 100 or more employees, but less than 250 employees, one thousand five hundred dollars (\$1,500) for those corporations with 250 or more employees, but less than 500 employees, two thousand eight hundred dollars (\$2,800) for those corporations with 500 or more employees, but less than 1,000 employees, and nine thousand five hundred dollars (\$9,500) for those corporations with 1,000 or more employees.

(c) The fee imposed pursuant to this section shall be paid by each corporation that is identified in the schedule adopted pursuant to subdivision (a) in accordance with Part 22 (commencing with Section 43001) of Division 2 of the Revenue and Taxation Code and shall be deposited in the Toxic Substances Control Account. The revenues shall be available, upon appropriation by the Legislature, for the purposes specified in subdivision (b) of Section 25173.6.

(d) For purposes of this section, the number of employees employed by a corporation is the number of persons employed in this state for more than 500 hours during the calendar year preceding the calendar year in which the fee is due.

(e) The fee rates specified in subdivision (b) are the rates for the 1998 calendar year. Beginning with the 1999 calendar year, and for each calendar year thereafter, the State Board of Equalization shall adjust the rates annually to reflect increases or decreases in the cost of living during the prior fiscal year, as measured by the Consumer Price Index issued by the Department of Industrial Relations or by a successor agency.

(f) Pursuant to paragraph (3) of subsection (c) of Section 104 of the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sec. 9604(c)(3)), the state is obligated to pay specified costs of removal and remedial actions carried out pursuant to the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sec. 9601, et seq.). The fee rates specified in subdivision (b) are intended to provide sufficient revenues to fund the purposes of subdivision (b) of Section 25173.6, including appropriations in any given fiscal year of three million three hundred thousand dollars (\$3,300,000) to fund the state's obligation pursuant to paragraph (3) of subsection (c) of Section 104 of the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sec. 9604(c)(3)). If the department determines that the state's obligation under paragraph (3) of subsection (c) of Section 104 of the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sec. 9604(c)(3)) will exceed three million three hundred thousand dollars

(\$3,300,000) in any fiscal year, the department shall report that determination to the Legislature in the Governor's Budget. If, as part of the Budget Act deliberations, the Legislature concurs with the department's determination, the Legislature shall specify in the annual Budget Act those pro rata changes to the fee rates specified in subdivision (b) that will increase revenues in the next calendar year as necessary to fund the state's increased obligations. However, the Legislature shall not specify fee rates in the annual Budget Act that increase revenues in an amount greater than eight million two hundred thousand dollars (\$8,200,000) above the revenues provided by the fee rates specified in subdivision (b). Any changes in the fee rates approved by the Legislature in the annual Budget Act pursuant to this subdivision shall have effect only on the fee payment that is due and payable by the end of February in the fiscal year for which that annual Budget Act is enacted.

(g) This section does not apply to a nonprofit corporation primarily engaged in the provision of residential social and personal care for children, the aged, and special categories of persons with some limits on their ability for self-care, as described in SIC Code 8361 of the Standard Industrial Classification (SIC) Manual published by the United States Office of Management and Budget, 1987 edition.

SEC. 1.5. Section 25205.6 of the Health and Safety Code is amended to read:

25205.6. (a) On or before November 1 of each year, the department shall provide the board with a schedule of codes, that consists of the types of corporations that use, generate, store, or conduct activities in this state related to hazardous materials, as defined in Section 25501, including, but not limited to, hazardous waste. The schedule shall consist of identification codes from one of the following classification systems, as deemed suitable by the department:

(1) The Standard Industrial Classification (SIC) system established by the United States Department of Commerce.

(2) The North American Industry Classification System (NAICS) adopted by the United States Census Bureau.

CHAPTER 253

An act to amend Section 790.03 of, and to add Section 676.10 to, the Insurance Code, relating to insurance.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 676.10 is added to the Insurance Code, to read:
676.10. (a) This section applies to policies covered by Section 675, 675.5, or 676.5 if the insured is a religious organization described in clause (i) of subparagraph (A) of paragraph (1) of subsection (b) of Section 170 of Title 26 of the United States Code, an educational organization described in clause (ii) of subparagraph (A) of paragraph (1) of subsection (b) of Section 170 of Title 26 of the United States Code, or other nonprofit organization described in clause (vi) of subparagraph (A) of paragraph (1) of subsection (b) of Section 170 of Title 26 of the United States Code that is organized and operated for religious, charitable, or educational purposes.

(b) No insurer issuing policies subject to this section shall cancel or refuse to renew the policy solely on the basis that one or more claims has been made against the policy during the preceding 60 months for a loss that is the result of a hate crime committed against the person or property of the insured.

(c) As it relates to this section, if determined by a law enforcement agency, a "hate crime" may include any of the following:

(1) By force or threat of force, willfully injure, intimidate, interfere with, oppress, or threaten any other person in the free exercise or enjoyment of any right or privilege secured to him or her by the Constitution or laws of this state or by the Constitution or laws of the United States because of the other person's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation, or because he or she perceives that the other person has one or more of those characteristics. However, the foregoing offense does not include speech alone, except upon a showing that the speech itself threatened violence against a specific person or group of persons and that the defendant had the apparent ability to carry out the threat.

(2) Knowingly deface, damage, or destroy the real or personal property of any other person for the purpose of intimidating or interfering with the free exercise or enjoyment of any right or privilege secured to the other person by the Constitution or laws of this state or by the Constitution or laws of the United States, because of the other person's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation, or because he or she perceives that the other person has one or more of those characteristics.

(d) Upon cancellation of or refusal to renew a policy subject to this section after an insured has submitted a claim to the insurer that is the result of a hate crime committed against the person or property of the insured, the insurer shall report the cancellation or nonrenewal to the commissioner.

(e) A violation of this section shall be an unfair practice subject to Article 6.5 (commencing with Section 790) of Chapter 1 of Division 2.

(f) Nothing in this section shall prevent an insurer subject to this section from taking any of the actions set forth in subdivision (b) on the basis of criteria not otherwise made invalid by this section or any other act, regulation, or law.

SEC. 2. Section 790.03 of the Insurance Code is amended to read:

790.03. The following are hereby defined as unfair methods of competition and unfair and deceptive acts or practices in the business of insurance.

(a) Making, issuing, circulating, or causing to be made, issued or circulated, any estimate, illustration, circular or statement misrepresenting the terms of any policy issued or to be issued or the benefits or advantages promised thereby or the dividends or share of the surplus to be received thereon, or making any false or misleading statement as to the dividends or share of surplus previously paid on similar policies, or making any misleading representation or any misrepresentation as to the financial condition of any insurer, or as to the legal reserve system upon which any life insurer operates, or using any name or title of any policy or class of policies misrepresenting the true nature thereof, or making any misrepresentation to any policyholder insured in any company for the purpose of inducing or tending to induce the policyholder to lapse, forfeit, or surrender his or her insurance.

(b) Making or disseminating or causing to be made or disseminated before the public in this state, in any newspaper or other publication, or any advertising device, or by public outcry or proclamation, or in any other manner or means whatsoever, any statement containing any assertion, representation or statement with respect to the business of insurance or with respect to any person in the conduct of his or her insurance business, which is untrue, deceptive, or misleading, and which

is known, or which by the exercise of reasonable care should be known, to be untrue, deceptive, or misleading.

(c) Entering into any agreement to commit, or by any concerted action committing, any act of boycott, coercion or intimidation resulting in or tending to result in unreasonable restraint of, or monopoly in, the business of insurance.

(d) Filing with any supervisory or other public official, or making, publishing, disseminating, circulating, or delivering to any person, or placing before the public, or causing directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public any false statement of financial condition of an insurer with intent to deceive.

(e) Making any false entry in any book, report, or statement of any insurer with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to whom the insurer is required by law to report, or who has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omitting to make a true entry of any material fact pertaining to the business of the insurer in any book, report, or statement of the insurer.

(f) Making or permitting any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of the contract.

This subdivision shall be interpreted, for any contract of ordinary life insurance or individual life annuity applied for and issued on or after January 1, 1981, to require differentials based upon the sex of the individual insured or annuitant in the rates or dividends or benefits, or any combination thereof. This requirement is satisfied if those differentials are substantially supported by valid pertinent data segregated by sex, including, but not necessarily limited to, mortality data segregated by sex.

However, for any contract of ordinary life insurance or individual life annuity applied for and issued on or after January 1, 1981, but before the compliance date, in lieu of those differentials based on data segregated by sex, rates, or dividends or benefits, or any combination thereof, for ordinary life insurance or individual life annuity on a female life may be calculated as follows: (a) according to an age not less than three years nor more than six years younger than the actual age of the female insured or female annuitant, in the case of a contract of ordinary life insurance with a face value greater than five thousand dollars (\$5,000) or a contract of individual life annuity; and (b) according to an age not more than six years younger than the actual age of the female insured, in the case of a

contract of ordinary life insurance with a face value of five thousand dollars (\$5,000) or less. "Compliance date" as used in this paragraph shall mean the date or dates established as the operative date or dates by future amendments to this code directing and authorizing life insurers to use a mortality table containing mortality data segregated by sex for the calculation of adjusted premiums and present values for nonforfeiture benefits and valuation reserves as specified in Sections 10163.5 and 10489.2 or successor sections.

Notwithstanding the provisions of this subdivision, sex-based differentials in rates or dividends or benefits, or any combination thereof, shall not be required for (1) any contract of life insurance or life annuity issued pursuant to arrangements which may be considered terms, conditions, or privileges of employment as these terms are used in Title VII of the Civil Rights Act of 1964 (Public Law 88-352), as amended, and (2) tax sheltered annuities for employees of public schools or of tax exempt organizations described in Section 501(c)(3) of the Internal Revenue Code.

(g) Making or disseminating, or causing to be made or disseminated, before the public in this state, in any newspaper or other publication, or any other advertising device, or by public outcry or proclamation, or in any other manner or means whatever, whether directly or by implication, any statement that a named insurer, or named insurers, are members of the California Insurance Guarantee Association, or insured against insolvency as defined in Section 119.5. This subdivision shall not be interpreted to prohibit any activity of the California Insurance Guarantee Association or the commissioner authorized, directly or by implication, by Article 14.2 (commencing with Section 1063).

(h) Knowingly committing or performing with such frequency as to indicate a general business practice any of the following unfair claims settlement practices:

(1) Misrepresenting to claimants pertinent facts or insurance policy provisions relating to any coverages at issue.

(2) Failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies.

(3) Failing to adopt and implement reasonable standards for the prompt investigation and processing of claims arising under insurance policies.

(4) Failing to affirm or deny coverage of claims within a reasonable time after proof of loss requirements have been completed and submitted by the insured.

(5) Not attempting in good faith to effectuate prompt, fair, and equitable settlements of claims in which liability has become reasonably clear.

(6) Compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by the insureds, when the insureds have made claims for amounts reasonably similar to the amounts ultimately recovered.

(7) Attempting to settle a claim by an insured for less than the amount to which a reasonable person would have believed he or she was entitled by reference to written or printed advertising material accompanying or made part of an application.

(8) Attempting to settle claims on the basis of an application which was altered without notice to, or knowledge or consent of, the insured, his or her representative, agent, or broker.

(9) Failing, after payment of a claim, to inform insureds or beneficiaries, upon request by them, of the coverage under which payment has been made.

(10) Making known to insureds or claimants a practice of the insurer of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration.

(11) Delaying the investigation or payment of claims by requiring an insured, claimant, or the physician of either, to submit a preliminary claim report, and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information.

(12) Failing to settle claims promptly, where liability has become apparent, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage.

(13) Failing to provide promptly a reasonable explanation of the basis relied on in the insurance policy, in relation to the facts or applicable law, for the denial of a claim or for the offer of a compromise settlement.

(14) Directly advising a claimant not to obtain the services of an attorney.

(15) Misleading a claimant as to the applicable statute of limitations.

(16) Delaying the payment or provision of hospital, medical, or surgical benefits for services provided with respect to acquired immune deficiency syndrome or AIDS-related complex for more than 60 days after the insurer has received a claim for those benefits, where the delay in claim payment is for the purpose of investigating whether the condition preexisted the coverage. However, this 60-day period shall not include any time during which the insurer is awaiting a response for relevant medical information from a health care provider.

(i) Canceling or refusing to renew a policy in violation of Section 676.10.

709. Any local public entity located in this state specified in paragraph (3) of subdivision (a) of Section 135 or Indian tribe specified in paragraph (6) of subdivision (a) of Section 135 may elect to become an employer subject to Part 2 (commencing with Section 2601) of this division with respect to all its employees, including those with civil service or tenure positions, and may file its written election with the director. That election may be made on its own motion by the appropriate

governing board of the local public entity or Indian tribe making the election, or may be made by the governing board pursuant to a petition signed by a majority of the employees (including those with civil service or tenure positions) requesting the governing board to file an election with the director. Upon the filing of an election, the filing local public entity or Indian tribe shall, upon approval by the director, become an employer subject to Part 2 (commencing with Section 2601) to the same extent as other employers, and services performed by its employees, including those with civil service or tenure positions, shall constitute employment subject to that part. Beginning at that time, it shall withhold from the wages of employees the contributions required for unemployment compensation disability benefits.

SEC. 6. Section 710 of the Unemployment Insurance Code is amended to read:

710. (a) Any public entity or Indian tribe for which services that do constitute employment under Section 605 are performed and for which other services that do not constitute employment are performed may elect to become an employer subject to this part and Parts 3 (commencing with Section 3501) and 4 (commencing with Section 4001) of this division for not less than two calendar years with respect to those other services and to have those other services performed by its employees constitute employment subject to this part and Parts 3 and 4 for that period. Upon the filing of an election the filing public entity or Indian tribe shall, upon approval by the director, become an employer subject to this part and Parts 3 and 4 with respect to the services covered to the same extent as other employers, and those services performed by its employees, including those with civil service or tenure positions, shall constitute employment subject to this part and Parts 3 and 4 effective on the first day of the calendar quarter following the quarter in which the election is filed.

(b) The public entity or Indian tribe may exclude from coverage under an election pursuant to this section any service excluded under Section 634.5.

(c) Any public entity or Indian tribe that has elected coverage under this section may elect any method of financing coverage otherwise permitted under Section 803 or Article 6 (commencing with Section 821), but the same method of financing coverage shall apply to all coverage by the public entity. An Indian tribe may make separate elections for itself and for each subdivision, subsidiary, or business enterprise wholly owned by that Indian tribe. Subdivision (b) of Section 802 shall apply to any election under Section 803, except that any election under Section 803 shall be terminated on the effective date of the termination of an election for coverage under this section.

(d) The director may require from the public entity or Indian tribe employment, financial, statistical, or other information and reports, properly verified, as may be deemed necessary by the director to carry out his or her duties under this division, which shall be filed with the director at the time and in the manner prescribed by him or her.

(e) The director may tabulate and publish information obtained pursuant to this section in statistical form and may divulge the name of the public entity or Indian tribe.

(f) The public entity or Indian tribe shall keep work records as prescribed by the director for the proper administration of this division.

(g) Except as inconsistent with the provisions of this section, the provisions of this division and authorized regulations shall apply to any matter arising pursuant to this section.

SEC. 7. Section 710.6 is added to the Unemployment Insurance Code, to read:

710.6. (a) Notwithstanding Section 709, any Indian tribe as described by subsection (u) of Section 3306 of Title 26 of the United States Code, including those tribes not covered by the Tribal-State Gaming Compact, may elect to become an employer subject to Part 2 (commencing with Section 2601) with respect to all employees who meet either of the following conditions:

(1) Are employed in one or more distinct establishments or places of business.

(2) Are a part of an employee bargaining unit provided the election is the result of a negotiated agreement between the Indian tribe and the recognized employee organization. The Indian tribe also may elect to provide coverage to its management and confidential employees and to its employees who are not a part of an employee bargaining unit, but the election by the bargaining unit shall not be contingent upon coverage of other employees of the Indian tribe.

(b) Upon filing of an election, the filing entity shall, upon approval by the director, become an employer subject to Part 2 (commencing with Section 2601) to the same extent as other employers, and services performed by its employees who are subject to an election under this section shall constitute employment subject to that part. Sections 986 and 2903 apply to an employer making an election pursuant to this section.

(c) This section does not affect the requirement that Indian tribes covered by the Tribal-State Gaming Compact be subject to Part 2 (commencing with Section 2601).

SEC. 8. Section 802 of the Unemployment Insurance Code is amended to read:

802. (a) The State of California, any other public entity (as defined by Section 605), or any Indian tribe as described by subsection (u) of

Section 3306 of Title 26 of the United States Code, or any subdivision, subsidiary, or business enterprise wholly owned by that Indian tribe, for which services are performed that do constitute employment under Section 605 may, in lieu of the contributions required of employers, elect to finance its liability for unemployment compensation benefits, extended duration benefits, and federal-state extended benefits with respect to those services by any method of financing coverage that is permitted under Section 803.

(b) Any election under Section 803 for financing coverage under this section shall take effect with respect to services performed from and after the first day of the calendar quarter in which the election is filed with the director, and shall continue in effect for not less than two full calendar years, unless the election is cancelled by the director pursuant to paragraph (2) of subdivision (g) of Section 803. Thereafter the election under Section 803 may be terminated as of January 1 of any calendar year only if the state or other public entity or Indian tribe, on or before the 31st day of January of that year, has filed with the director a written application for termination. The director may for good cause waive the requirement that a written application for termination shall be filed on or before the 31st day of January. In no event shall financing coverage by an election under Section 803 be valid that would establish any different method of financing coverage for any calendar quarter where an election for coverage has also been made by the state or other public entity or Indian tribe under any provision of Article 4 (commencing with Section 701) of this chapter.

(c) The director may require from the state and other public entity and Indian tribe, including any agent thereof, such employment, financial, statistical, or other information and reports, properly verified, as may be deemed necessary by the director to carry out his or her duties under this division, which shall be filed with the director at the time and in the manner prescribed by him or her.

(d) The director may tabulate and publish information obtained pursuant to this section in statistical form and may divulge the name of the state or other public entity or Indian tribe.

(e) The state and other public entity and Indian tribe, including any agent thereof, shall keep any work records as may be prescribed by the director for the proper administration of this division.

(f) Except as inconsistent with the provisions of this section, the provisions of this division and authorized regulations apply to any matter arising pursuant to this section.

SEC. 9. Section 803 of the Unemployment Insurance Code is amended to read:

803. (a) As used in this section, "entity" means any employing unit that is authorized by any provision of Article 4 (commencing with

Section 701) or by Section 801 or 802 to elect a method of financing coverage permitted by this section.

(b) In lieu of the contributions required of employers, an entity may elect any one of the following:

(1) To pay into the Unemployment Fund the cost of benefits, including extended duration benefits and federal-state extended benefits, paid based on base period wages with respect to employment for the entity and charged to its account in the manner provided by Section 1026, pursuant to authorized regulations that shall prescribe the rate or amount, time, manner, and method of payment or advance payment or providing a good and sufficient bond to guarantee payment of contributions.

(2) Two or more entities may, pursuant to authorized regulations, file an application with the director for the establishment of a joint account for the purpose of determining the rate of contributions they shall pay into the Unemployment Fund to reimburse the fund for benefits paid with respect to employment for those entities. The members of the joint account may share the cost of benefits, including extended duration benefits and federal-state extended benefits, paid based on the base period wages with respect to employment for those members and charged to the joint account in the manner provided by Section 1026. The director shall prescribe authorized regulations for the establishment, maintenance, and dissolution of joint accounts, and for the rate or amount, time, manner, and method of payment or advance payment or providing a good and sufficient bond to guarantee payment of contributions by the members of joint accounts, on the cost of benefits charged in the manner provided by Section 1026.

(c) Sections 1030, 1031, 1032, and 1032.5, and any provision of this division for the noncharging of benefits to the account of an employer, shall not apply to an election under subdivision (b). The cost of benefits charged to an entity under this section shall include, but not be limited to, benefits or payments improperly paid in excess of a weekly benefit amount, or in excess of a maximum benefit amount, or otherwise in excess of the amount that should have been paid, due to any computational or other error of any type by the Employment Development Department or the Department of Benefit Payments, whether or not the error could be anticipated.

(d) In making the payments prescribed by subdivision (b), there shall be paid or credited to the Unemployment Fund, either in advance or by way of reimbursement, as may be determined by the director, any sums he or she estimates the Unemployment Fund will be entitled to receive from each entity for each calendar quarter, reduced or increased by any sum by which he or she finds that his or her estimates for any prior calendar quarter were greater or less than the amounts which should have

been paid to the fund. The estimates may be made upon the basis of statistical sampling, or any other method as may be determined by the director.

Upon making that determination, the director shall give notice of the determination, pursuant to Section 1206, to the entity. The director may cancel any contributions or portion thereof that he or she finds has been erroneously determined.

The director shall charge to any special fund, that is responsible for the salary of any employee of an entity, the amount determined by the director for which the fund is liable pursuant to this section. The contributions due from the entity shall be paid from the liable special fund, the General Fund, or other liable fund to the Unemployment Fund by the Controller or other officer or person responsible for disbursements on behalf of the entity within 30 days of the date of mailing of the director's notice of determination to the entity. The director for good cause may extend for not to exceed 60 days the time for paying without penalty the amount determined and required to be paid. Contributions are due upon the date of mailing of the notice of determination and are delinquent if not paid on or before the 30th day following the date of mailing of the notice.

(e) Any entity that fails to pay the contributions required within the time required shall be liable for interest on the contributions at the adjusted annual rate and by the method established pursuant to Section 19521 of the Revenue and Taxation Code from and after the date of delinquency until paid, and any entity that without good cause fails to pay any contributions required within the time required shall pay a penalty of 10 percent of the amount of the contributions. If the entity fails to pay the contributions required on or before the delinquency date, the director may assess the entity for the amount required by the notice of determination. This subdivision shall not apply to employers electing financing under Section 821, for amounts due after December 31, 1992.

(f) Article 8 (commencing with Section 1126) of Chapter 4 of Part 1 with respect to the assessment of contributions, and Chapter 7 (commencing with Section 1701) of Part 1 with respect to the collection of contributions, shall apply to the assessments provided by this section. Sections 1177 to 1184, inclusive, relating to refunds and overpayments, shall apply to amounts paid to the Unemployment Fund pursuant to this section. Sections 1222, 1223, 1224, 1241, and 1242 shall apply to matters arising under this section.

(g) (1) The director may terminate the election of any entity for financing under this section if the entity is delinquent in the payment of advances or reimbursements required by the director under this section. After any termination the entity may again make an election pursuant to this section but only if it is not delinquent in the payment of contributions

and not delinquent in the payment of advances or reimbursements required by the director under this section.

(2) In the case of an Indian tribe (as described by subsection (u) of Section 3306 of Title 26 of the United States Code), the director shall terminate all elections for the tribe and all subdivisions, subsidiaries, and business enterprises wholly owned by that tribe if the tribe or any subdivision, subsidiary, or business enterprise wholly owned by that tribe is more than 90 days delinquent in the payment of contributions, bonds, advances, reimbursements, or applicable penalties or interest required under this code, after notice to the tribe. After any termination the Indian tribe may again make an election pursuant to this section but only if it is not delinquent in the payment of contributions, bonds, advances, reimbursements, or applicable penalties or interest required under this code.

(h) Notwithstanding any other provision of this section, no entity shall be liable for that portion of any extended duration benefits or federal-state extended benefits that is reimbursed or reimbursable by the federal government to the State of California.

(i) After the termination of any election under this section, the entity shall remain liable for its proportionate share of the cost of benefits paid and charged to its account in the manner provided by Section 1026, which are based on wages paid for services during the period of the election. That liability may be charged against any remaining balance of a prior reserve account used by the entity pursuant to Section 712 or 713. Any portion of the remaining balance shall be included in the reserve account of the entity following any termination of an election under this section which occurs prior to the expiration of a period of three consecutive years commencing with the effective date of the election. For purposes of Section 982, the period of an election under Section 803 shall, to the extent permitted by federal law, be included as a period during which a reserve account has been subject to benefit charges.

SEC. 10. Section 804 is added to the Unemployment Insurance Code, to read:

804. The director shall notify the United States Internal Revenue Service and the United States Department of Labor of the failure of any Indian tribe (as described by subsection (u) of Section 3306 of Title 26 of the United States Code) to make a payment or post a bond as required under subdivision (b) of Section 803 within 90 days of the delinquency date of a notice to the tribe specifying the amount due under that subdivision. If the amount due is subsequently paid by the Indian tribe, the director shall notify the United States Internal Revenue Service and the United States Department of Labor of the satisfaction of the liability.

SEC. 11. Section 1086 of the Unemployment Insurance Code is amended to read:

1086. (a) Each employing unit within 15 days after becoming an employer as defined in this part shall register with the department on a form prescribed by the department.

(b) (1) Notwithstanding subdivision (a), any Indian tribe (as described by subsection (u) of Section 3306 of Title 26 of the United States Code) that employed one or more workers on or after December 21, 2000, and prior to the operative date of the statute adding this subdivision at the 2001 portion of the 2001–02 Regular Session of the Legislature that has not registered with the department by the operative date of the statute, shall register with the department within 15 days of that operative date.

(2) The subject date for employers who register with the department under the provisions of paragraph (1) shall be December 21, 2000, or the date that employer first hired an employee, whichever is later.

SEC. 12. Section 1119 is added to the Unemployment Insurance Code, to read:

1119. The director shall notify the United States Internal Revenue Service and the United States Department of Labor of the failure of any Indian tribe (as described by subsection (u) of Section 3306 of Title 26 of the United States Code) to make a payment of any amount required to be paid under this article within 90 days of the date of a notice specifying the amount due. If the amount due is subsequently paid by the Indian tribe, the director shall notify the United States Internal Revenue Service and the United States Department of Labor of the satisfaction of the liability.

SEC. 13. Section 1128.1 of the Unemployment Insurance Code is amended to read:

1128.1. (a) If the director finds that an individual or business entity has exchanged money on behalf of an employer and the employer used the cash proceeds from the exchange to conceal the payment of wages with an intent to evade any provision of this code, the director shall assess a penalty against the individual or business entity in an amount equal to 100 percent of any assessed contributions that were based on the concealed wages. An employing unit subject to a penalty under Section 1128 shall not be assessed a penalty under this section for the same violation.

(b) For purposes of this section, “business entity” means a partnership, corporation, association, limited liability company, or Indian tribe (as described by subsection (u) of Section 3306 of Title 26 of the United States Code).

(c) The penalty shall apply only when there is evidence that the individual or business entity who exchanged money knew that the employer intended to use the cash proceeds from the exchange to conceal

the payment of wages and thereby avoid the payment of contributions or taxes required by this code.

SEC. 14. Section 1141.1 is added to the Unemployment Insurance Code, to read:

1141.1. The director shall notify the United States Internal Revenue Service and the United States Department of Labor of the failure of any Indian tribe (as described by subsection (u) of Section 3306 of Title 26 of the United States Code) to pay within 90 days of the final date of an assessment any amounts assessed pursuant to the provisions of this article. If the assessment is subsequently paid by the Indian tribe, the director shall notify the United States Internal Revenue Service and the United States Department of Labor of the satisfaction of the liability.

SEC. 15. Section 1253.3 of the Unemployment Insurance Code is amended to read:

1253.3. (a) Notwithstanding any other provision of this division, unemployment compensation benefits, extended duration benefits, and federal-state extended benefits are payable on the basis of service to which Section 3309(a)(1) of the Internal Revenue Code of 1954 applies, in the same amount, on the same terms, and subject to the same conditions as benefits payable on the basis of other service subject to this division, except as provided by this section.

(b) Benefits specified by subdivision (a) based on service performed in the employ of a nonprofit organization, or of any entity as defined by Section 605, with respect to service in an instructional, research, or principal administrative capacity for an educational institution are not payable to any individual with respect to any week which begins during the period between two successive academic years or terms or, when an agreement provides instead for a similar period between two regular but not successive terms, during that period, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual performs services in the first of the academic years or terms and if there is a contract or a reasonable assurance that the individual will perform services for any educational institution in the second of the academic years or terms.

(c) Benefits specified by subdivision (a) based on service performed in the employ of a nonprofit organization, or of any entity as defined by Section 605, with respect to service in any other capacity than specified in subdivision (b) for an educational institution shall not be payable to any individual with respect to any week which commences during a period between two successive academic years or terms if the individual performs the service in the first of the academic years or terms and there is a reasonable assurance that the individual will perform the service in the second of the academic years or terms. However, if the individual was not offered an opportunity to perform the services for an educational

institution for the second of the academic years or terms, the individual shall be entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this subdivision. Retroactive benefits shall be claimed in accordance with the department's procedures which shall specify that except where the individual was entitled to benefits based on services performed for other than an educational institution, an individual who has a reasonable assurance of reemployment may satisfy the search for work requirement of subdivision (e) of Section 1253, by registering for work pursuant to subdivision (b) of Section 1253 during the period between the first and second academic terms or years. A claim for retroactive benefits may be made no later than 30 days following the commencement of the second academic year or term.

(d) Benefits specified by subdivision (a) based on service performed in the employ of a nonprofit organization, or of any entity as defined by Section 605, with respect to services specified by subdivision (b) or (c), are not payable to any individual with respect to any week that commences during an established and customary vacation period or holiday recess if the individual performs the services in the period immediately before the vacation period or holiday recess, and there is a reasonable assurance that the individual will perform the services in the period immediately following the vacation period or holiday recess.

(e) With respect to any services specified by subdivision (b) or (c), compensation payable on the basis of services in that capacity may be denied as specified in subdivision (b), (c), or (d) to any individual who performed the services in an educational institution while in the employ of an educational service agency, and for this purpose the term "educational service agency" means a governmental agency or governmental entity that is established and operated exclusively for the purpose of providing the services to one or more educational institutions.

(f) Benefits specified by subdivision (a) based on service performed in the employ of a nonprofit organization, or of any entity as defined by Section 605, are not payable during the periods of time, and subject to the same conditions, contained in subdivisions (b), (c), (d), and (h), if the services are provided to, or on behalf of, an educational institution.

(g) For purposes of this section, "reasonable assurance" includes, but is not limited to, an offer of employment or assignment made by the educational institution, provided that the offer or assignment is not contingent on enrollment, funding, or program changes. An individual who has been notified that he or she will be replaced and does not have an offer of employment or assignment to perform services for an educational institution is not considered to have reasonable assurance.

(h) For purposes of this section, if the time for service performed during the period of and pursuant to any contract for any academic year or term by an individual for any employing unit as specified in subdivision (b) or (c) constitutes one-half or more of the time in total service performed for the employing unit by the individual during that same period for remuneration, all the services of the individual for the employing unit for that period shall be deemed subject to the benefit payment restriction provisions of this section.

(i) Any entity as defined by Section 605, with respect to any individual performing a service in any other capacity other than specified in subdivision (b) for an educational institution, shall provide a written statement indicating the following to the individual no later than 30 days before the end of the first of the academic years or terms:

(1) Whether or not there is a reasonable assurance of reemployment.

(2) Whether or not it is stated that the individual has no reasonable assurance of reemployment, that the individual should file a claim for benefits at the close of the academic year or term.

(3) If it is stated that the individual has reasonable assurance of reemployment, the written statement shall also inform the employee that he or she may file a claim for benefits and that the determination for eligibility for benefits is made by the Employment Development Department and not by the employer.

(4) If it is stated that the individual has reasonable assurance of reemployment, that the individual shall be entitled to a retroactive payment of benefits if the individual is not offered an opportunity to perform the services for the educational institution for the second of the academic years or terms, if the individual is otherwise eligible and he or she filed a claim for each week benefits are claimed, and if a claim for retroactive benefits is made no later than 30 days following the commencement of the second academic year or term.

SEC. 16. Section 1735.1 of the Unemployment Insurance Code is amended to read:

1735.1. (a) An individual who has been assessed under the provisions of Section 1128.1, or any officer, major stockholder, or other person having charge of the affairs of a business entity that has been assessed under the provisions of that section, shall be personally liable for the amount of contributions, withholdings, penalties, and interest due and unpaid by the employer, other than those under subdivisions (a) and (b) of Section 1128, for whom money was exchanged as described in Section 1128.1. The director may assess that person for the amount of contributions, withholdings, all penalties other than those under Section 1128, and interest. The provisions of Article 8 (commencing with Section 1126) and Article 9 (commencing with Section 1176) of Chapter 4 of Part 1 shall apply to assessments made pursuant to this

section. Sections 1221, 1222, 1223, and 1224 shall apply to assessments made pursuant to this section. With respect to that person, the director shall have all the collection remedies set forth in this chapter.

(b) For purposes of this section, "business entity" means a partnership, corporation, association, limited liability company, or Indian tribe (as described by subsection (u) of Section 3306 of Title 26 of the United States Code).

SEC. 17. The provisions of this act shall be retroactive to December 21, 2000.

CHAPTER 256

An act to amend Section 5852 of the Food and Agricultural Code, relating to pest control.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 5852 of the Food and Agricultural Code is amended to read:

5852. (a) The department may provide, upon request, nonregulatory accreditation, analytical, certification, diagnostic, inspection, quality assurance, testing, and other nonregulatory services relating to nursery stock, plants, seed, or other plant pests and diseases on a charge-for-service basis or may accredit private persons or business entities to perform those services.

(b) To ensure that the activities performed by private persons or business entities are valid and reliable, the department shall adopt regulations to establish accreditation criteria to govern its accreditation, monitoring or auditing, and revocation of accreditation activities. Any regulations adopted by the department pursuant to this subdivision shall be consistent with applicable federal law. The department may adopt by reference any pertinent federal laws or regulations pertaining to the accreditation of persons or business entities for the performance of work required to certify compliance with the quarantine, quality, and other import requirements established by other states or foreign countries. No private, nongovernmental entities that perform diagnostic or field inspections for the issuance of federal phytosanitary certificates shall be accredited until federal rules are adopted that permit and regulate those activities.

(c) To retain accreditation, those persons or business entities providing services described in subdivision (a) shall agree to be monitored or assessed and evaluated on a periodic basis by means of proficiency testing or sample checking.

(d) It is unlawful for any person or business entity that is not accredited by the department to make any representation regarding accreditation by the department. Any person or business entity that makes that representation, without valid departmental accreditation, may be enjoined from doing so by any court of competent jurisdiction upon suit by the department.

(e) Each governmental agency within the state that governs and conducts activities related to plant quarantine or conducts a program to control the pests or diseases of nursery stock, plants, or seed shall accept the test results of any laboratory accredited under this section as being valid, unless the agency establishes specific criteria and standards for rejecting the results prior to the rejection and provides written justification to the state accrediting entity and laboratory stating the reasons the laboratory results do not meet the quarantine or disease or pest control program requirements under its jurisdiction. Any agency under this subdivision wishing to reject the accreditation of any laboratory or the test results of any laboratory accredited under this section must first obtain written approval from the secretary.

(f) To assure validity and reliability, the department may specify, by order, the location or locations where the services described in subdivision (a) will be provided.

(g) The department may establish, by regulation, a schedule of charges to cover the department's costs for specific services it provides. Charges for the accreditation and monitoring of laboratories located outside the state shall include the expenses for all required travel and per diem and may include application, basic, initial, renewal, and other charges that the department deems necessary to cover its costs for accreditation and monitoring or auditing for compliance. Funds collected through cost-recovery charges are dedicated to, and may only be used for, carrying out the activities and functions specified in this article.

(h) Notwithstanding any other provision of this code regarding the provision of the services described in subdivision (a), orders issued by the department and regulations establishing charges adopted by the secretary pursuant to this section shall not be subject to review, approval, or disapproval by the Office of Administrative Law.

(i) Nothing in this section shall be construed to interfere with or supersede any existing inspection, quality assurance, or certification program conducted by an agricultural trade or commodity organization,

and this section shall not be construed to require those programs to be certified or accredited by the department.

CHAPTER 257

An act to amend Section 399 of the Penal Code, relating to animals, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 5, 2001. Filed with
Secretary of State September 5, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 399 of the Penal Code is amended to read:

399. (a) If any person owning or having custody or control of a mischievous animal, knowing its propensities, willfully suffers it to go at large, or keeps it without ordinary care, and the animal, while so at large, or while not kept with ordinary care, kills any human being who has taken all the precautions that the circumstances permitted, or which a reasonable person would ordinarily take in the same situation, is guilty of a felony.

(b) If any person owning or having custody or control of a mischievous animal, knowing its propensities, willfully suffers it to go at large, or keeps it without ordinary care, and the animal, while so at large, or while not kept with ordinary care, causes serious bodily injury to any human being who has taken all the precautions that the circumstances permitted, or which a reasonable person would ordinarily take in the same situation, is guilty of a misdemeanor or a felony.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because in that regard this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 259

An act to amend Section 3502.5 of the Government Code, relating to the Meyers-Milias-Brown Act.

[Approved by Governor September 8, 2001. Filed with
Secretary of State September 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 3502.5 of the Government Code is amended to read:

3502.5. (a) Notwithstanding Section 3502 or 3502.6, or any other provision of this chapter, or any other law, rule, or regulation, an agency shop agreement may be negotiated between a public agency and a recognized public employee organization which has been recognized as the exclusive or majority bargaining agent pursuant to reasonable rules and regulations, ordinances, and enactments, in accordance with this chapter. As used in this chapter, "agency shop" means an arrangement that requires an employee, as a condition of continued employment, either to join the recognized employee organization, or to pay the organization a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments of the organization.

(b) In addition to the procedure prescribed in subdivision (a), an agency shop arrangement between the public agency and a recognized employee organization that has been recognized as the exclusive or majority bargaining agent shall be placed in effect, without a negotiated

agreement, upon (1) a signed petition of 30 percent of the employees in the applicable bargaining unit requesting an agency shop agreement and an election to implement an agency fee arrangement, and (2) the approval of a majority of employees who cast ballots and vote in a secret ballot election in favor of the agency shop agreement. The petition may only be filed after the recognized employee organization has requested the public agency to negotiate on an agency shop arrangement and, beginning seven working days after the public agency received this request, the two parties have had 30 calendar days to attempt good faith negotiations in an effort to reach agreement. An election that may not be held more frequently than once a year shall be conducted by the Division of Conciliation of the Department of Industrial Relations in the event that the public agency and the recognized employee organization cannot agree within 10 days from the filing of the petition to select jointly a neutral person or entity to conduct the election. In the event of an agency fee arrangement outside of an agreement that is in effect, the recognized employee organization shall indemnify and hold the public agency harmless against any liability arising from any claims, demands, or other action relating to the public agency's compliance with the agency fee obligation.

(c) Any employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of employment. The employee may be required, in lieu of periodic dues, initiation fees, or agency shop fees, to pay sums equal to the dues, initiation fees, or agency shop fees to a nonreligious, nonlabor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, chosen by the employee from a list of at least three of these funds, designated in a memorandum of understanding between the public agency and the public employee organization, or if the memorandum of understanding fails to designate the funds, then to any such fund chosen by the employee. Proof of the payments shall be made on a monthly basis to the public agency as a condition of continued exemption from the requirement of financial support to the public employee organization.

(d) An agency shop provision in a memorandum of understanding that is in effect may be rescinded by a majority vote of all the employees in the unit covered by the memorandum of understanding, provided that: (1) a request for such a vote is supported by a petition containing the signatures of at least 30 percent of the employees in the unit; (2) the vote is by secret ballot; (3) the vote may be taken at any time during the term of the memorandum of understanding, but in no event shall there be more than one vote taken during that term. Notwithstanding the above, the

public agency and the recognized employee organization may negotiate, and by mutual agreement provide for, an alternative procedure or procedures regarding a vote on an agency shop agreement. The procedures in this subdivision are also applicable to an agency shop agreement placed in effect pursuant to subdivision (b).

(e) An agency shop arrangement shall not apply to management, confidential, or supervisory employees.

(f) Every recognized employee organization that has agreed to an agency shop provision or is a party to an agency shop arrangement shall keep an adequate itemized record of its financial transactions and shall make available annually, to the public agency with which the agency shop provision was negotiated, and to the employees who are members of the organization, within 60 days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. An employee organization required to file financial reports under the federal Labor-Management Disclosure Act of 1959 (29 U.S.C. Sec. 401 et seq.) covering employees governed by this chapter, or required to file financial reports under Section 3546.5, may satisfy the financial reporting requirement of this section by providing the public agency with a copy of the financial reports.

52. (a) Whoever denies, aids or incites a denial, or makes any discrimination or distinction contrary to Section 51, 51.5, or 51.6, is liable for each and every offense for the actual damages, and any amount that may be determined by a jury, or a court sitting without a jury, up to a maximum of three times the amount of actual damage but in no case less than four thousand dollars (\$4,000), and any attorney's fees that may be determined by the court in addition thereto, suffered by any person denied the rights provided in Section 51, 51.5, or 51.6.

(b) Whoever denies the right provided by Section 51.7 or 51.9, or aids, incites, or conspires in that denial, is liable for each and every offense for the actual damages suffered by any person denied that right and, in addition, the following:

(1) An amount to be determined by a jury, or a court sitting without a jury, for exemplary damages.

(2) A civil penalty of twenty-five thousand dollars (\$25,000) to be awarded to the person denied the right provided by Section 51.7 in any action brought by the person denied the right, or by the Attorney General, a district attorney, or a city attorney.

(3) Attorney's fees as may be determined by the court.

(c) Whenever there is reasonable cause to believe that any person or group of persons is engaged in conduct of resistance to the full enjoyment of any of the rights described in this section, and that conduct is of that nature and is intended to deny the full exercise of those rights, the Attorney General, any district attorney or city attorney, or any person aggrieved by the conduct may bring a civil action in the appropriate court by filing with it a complaint. The complaint shall contain the following:

In that action, the people of the State of California shall be entitled to the same relief as if it had instituted the action.

(e) Actions brought pursuant to this section are independent of any other actions, remedies, or procedures that may be available to an aggrieved party pursuant to any other law.

(f) Any person claiming to be aggrieved by an alleged unlawful practice in violation of Section 51 or 51.7 may also file a verified complaint with the Department of Fair Employment and Housing pursuant to Section 12948 of the Government Code.

appropriate equitable relief in the name of the people of the State of California, in order to protect the peaceable exercise or enjoyment of the right or rights secured. An action brought by the Attorney General, any district attorney, or any city attorney may also seek a civil penalty of twenty-five thousand dollars (\$25,000). If this civil penalty is requested, it shall be assessed individually against each person who is determined to have violated this section and the penalty shall be awarded to each individual whose rights under this section are determined to have been violated.

(b) Any individual whose exercise or enjoyment of rights secured by the Constitution or laws of the United States, or of rights secured by the Constitution or laws of this state, has been interfered with, or attempted to be interfered with, as described in subdivision (a), may institute and prosecute in his or her own name and on his or her own behalf a civil action for damages, including, but not limited to, damages under Section 52, injunctive relief, and other appropriate equitable relief to protect the peaceable exercise or enjoyment of the right or rights secured.

(c) An action brought pursuant to subdivision (a) or (b) may be filed either in the superior court for the county in which the conduct complained of occurred or in the superior court for the county in which a person whose conduct complained of resides or has his or her place of business. An action brought by the Attorney General pursuant to subdivision (a) also may be filed in the superior court for any county wherein the Attorney General has an office, and in that case, the jurisdiction of the court shall extend throughout the state.

(d) If a court issues a temporary restraining order or a preliminary or permanent injunction in an action brought pursuant to subdivision (a) or (b), ordering a defendant to refrain from conduct or activities, the order issued shall include the following statement: **VIOLATION OF THIS ORDER IS A CRIME PUNISHABLE UNDER SECTION 422.9 OF THE PENAL CODE.**

(e) The court shall order the plaintiff or the attorney for the plaintiff to deliver, or the county clerk to mail, two copies of any order, extension, modification, or termination thereof granted pursuant to this section, by the close of the business day on which the order, extension, modification, or termination was granted, to each local law enforcement agency having jurisdiction over the residence of the plaintiff and any other locations where the court determines that acts of violence against the plaintiff are likely to occur. Those local law enforcement agencies shall be designated by the plaintiff or the attorney for the plaintiff. Each appropriate law enforcement agency receiving any order, extension, or modification of any order issued pursuant to this section shall serve forthwith one copy thereof upon the defendant. Each appropriate law enforcement agency shall provide to any law enforcement officer

responding to the scene of reported violence, information as to the existence of, terms, and current status of, any order issued pursuant to this section.

(f) A court shall not have jurisdiction to issue an order or injunction under this section, if that order or injunction would be prohibited under Section 527.3 of the Code of Civil Procedure.

(g) An action brought pursuant to this section is independent of any other action, remedy, or procedure that may be available to an aggrieved individual under any other provision of law, including, but not limited to, an action, remedy, or procedure brought pursuant to Section 51.7.

(h) In addition to any damages, injunction, or other equitable relief awarded in an action brought pursuant to subdivision (b), the court may award the petitioner or plaintiff reasonable attorney's fees.

(i) A violation of an order described in subdivision (d) may be punished either by prosecution under Section 422.9 of the Penal Code, or by a proceeding for contempt brought pursuant to Title 5 (commencing with Section 1209) of Part 3 of the Code of Civil Procedure. However, in any proceeding pursuant to the Code of Civil Procedure, if it is determined that the person proceeded against is guilty of the contempt charged, in addition to any other relief, a fine may be imposed not exceeding one thousand dollars (\$1,000), or the person may be ordered imprisoned in a county jail not exceeding six months, or the court may order both the imprisonment and fine.

(j) Speech alone is not sufficient to support an action brought pursuant to subdivision (a) or (b), except upon a showing that the speech itself threatens violence against a specific person or group of persons; and the person or group of persons against whom the threat is directed reasonably fears that, because of the speech, violence will be committed against them or their property and that the person threatening violence had the apparent ability to carry out the threat.

(k) No order issued in any proceeding brought pursuant to subdivision (a) or (b) shall restrict the content of any person's speech. An order restricting the time, place, or manner of any person's speech shall do so only to the extent reasonably necessary to protect the peaceable exercise or enjoyment of constitutional or statutory rights, consistent with the constitutional rights of the person sought to be enjoined.

If, after that order is made, a request for hearing is filed in writing and a hearing is not held within 60 days thereafter, the order is deemed rescinded as of its effective date. CHAPTER 267

An act to amend Sections 3400 and 10129 of the Public Contract Code, relating to public contracts.

[Approved by Governor September 8, 2001. Filed with
Secretary of State September 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 3400 of the Public Contract Code is amended to read:

3400. (a) No agency of the state nor any political subdivision, municipal corporation, or district, nor any public officer or person charged with the letting of contracts for the construction, alteration, or repair of public works shall draft or cause to be drafted specifications for bids, in connection with the construction, alteration, or repair of public works, (1) in a manner that limits the bidding, directly or indirectly, to any one specific concern, or (2) calling for a designated material, product, thing, or service by specific brand or trade name unless the specification lists at least two brands or trade names of comparable quality or utility and is followed by the words "or equal" so that bidders may furnish any equal material, product, thing, or service. In applying this section, the specifying agency shall, if aware of an equal product manufactured in this state, name that product in the specification. In those cases involving a unique or novel product application required to be used in the public interest, or where only one brand or trade name is known to the specifying agency, it may list only one. Specifications shall provide a period of time prior to or after, or prior to and after, the award of the contract for submission of data substantiating a request for a substitution of "an equal" item. If no time period is specified, data may be submitted any time within 35 days after the award of the contract.

(b) Subdivision (a) is not applicable if the awarding authority, or its designee, makes a finding that is described in the invitation for bids or request for proposals that a particular material, product, thing, or service

is designated by specific brand or trade name for either of the following purposes:

(1) In order that a field test or experiment may be made to determine the product's suitability for future use.

(2) In order to match other products in use on a particular public improvement either completed or in the course of completion.

SEC. 2. Section 10129 of the Public Contract Code is amended to read:

10129. (a) Notwithstanding Section 3400, no agency of the state charged with the letting of contracts for the construction, alteration, or repair of public works may draft or cause to be drafted specifications for bids, in connection with the construction, alteration, or repair of public works, (1) in a manner that limits the bidding, directly or indirectly, to any one specific concern, or (2) calling for a designated material, product, thing, or service by specific brand or trade name unless the specification lists at least two brands or trade names of comparable quality or utility and is followed by the words "or equal" so that bidders may furnish any equal material, product, thing, or service. In applying this section, the awarding authority shall, if aware of an equal product manufactured in this state, name that product in the specification. In those cases involving a unique or novel product application required to be used in the public interest, or where only one brand or trade name is known to the awarding authority, it may list only one. Specifications shall provide a period of time prior to or after, or prior to and after, the award of the contract for submission of data substantiating a request for a substitution of "an equal" item. If no time period is specified, data may be submitted any time within 35 days after the award of the contract.

(b) Subdivision (a) is not applicable if the awarding authority, or its designee, makes a finding that is described in the invitation for bids or request for proposals that a particular material, product, thing, or service is designated by specific brand or trade name for either of the following purposes:

(1) In order that a field test or experiment may be made to determine the product's suitability for future use.

(2) In order to match other products in use on a particular public improvement either completed or in the course of completion.

- (A) Signing bonuses.
- (B) Improved work conditions.
- (C) Teacher compensation.
- (D) Housing subsidies.

(2) A school district receiving block grant funds pursuant to this section may offer incentives to recruit and retain credentialed teachers interested in attaining certification pursuant to Section 44253.3 or 44253.4. Those incentives, may include, but are not limited to, both of the following:

(A) Reimbursements to cover the costs of examinations necessary to attain certification pursuant to Sections 44253.3 and 44253.4.

(e) Funds appropriated for the purposes of this chapter shall supplement, and not supplant, existing efforts to recruit and retain fully credentialed teachers in the school district.

(f) The State Board of Education shall submit an evaluation of the program created by this chapter to the Legislature by January 1, 2004.

CHAPTER 269

An act to add Sections 44259.2 and 44468 to the Education Code, relating to teacher credentialing.

[Approved by Governor September 8, 2001. Filed with
Secretary of State September 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature to provide quality standards-based alternative options to teacher credentialing to address the acute shortage of qualified teachers in California's public schools. In order to enable interested candidates with teaching experience, including those who have experience in a private school setting, to serve in the public schools, Section 44468, as added to the Education Code by this act, provides an expedited, standards-based credential option for candidates with demonstrated skills, knowledge, and ability equivalent to those typically acquired in a teacher preparation program. Therefore, it is the intent of the Legislature that internship programs for multiple subject teaching credentials and single subject teaching credentials provide the opportunity to candidates, including those with experience in a private school setting, to challenge teacher preparation coursework based on demonstrated competence through assessments and observations.

SEC. 2. Section 44259.2 is added to the Education Code, immediately following Section 44259, to read:

44259.2. (a) Notwithstanding any other provision of this chapter, including, but not limited to, paragraph (3) of subdivision (b) of Section 44259, the commission shall waive the requirements for completion of a program of professional preparation for any individual with a minimum of six years of full-time teaching experience in an accredited

private school, as determined by the commission, in the subject and level of the credential sought, who complies with all of the following:

(1) The individual submits evidence of two years of rigorous performance evaluations while teaching in an accredited private school, based on criteria determined by the commission, on which the applicant received ratings of satisfactory or better.

(2) The individual meets the California requirements for teacher fitness pursuant to Sections 44339, 44340, and 44341.

(b) Notwithstanding any other provision of this chapter, including, but not limited to, paragraph (3) of subdivision (b) of Section 44259, the commission shall waive the requirements for completion of the professional field experience component of a program of professional preparation for any individual with a minimum of three years of full-time teaching experience in an accredited private school, as determined by the commission, in the subject and level of the credential sought, who complies with all of the following:

(1) The individual submits evidence of two years of rigorous performance evaluations while teaching in an accredited private school, based on criteria determined by the commission, on which the applicant received ratings of satisfactory or better.

(2) The individual meets the California requirements for teacher fitness pursuant to Sections 44339, 44340, and 44341.

SEC. 3. Section 44468 is added to the Education Code, to read:

44468. (a) An internship program, established pursuant to Article 7.5 (commencing with Section 44325) of Chapter 2 or this article, that is accredited by the commission shall provide interns who meet entrance criteria and are accepted to a multiple subject teaching credential program or a single subject teaching credential program the opportunity to choose an early program completion option, culminating in a five-year preliminary teaching credential. The early completion option shall be made available to interns who meet the following requirements:

(1) Pass a written assessment that assesses knowledge of teaching foundations, is adopted for this purpose by the commission, and includes all of the following:

(A) Human development as it relates to teaching and learning aligned with the state content and performance standards for pupils adopted pursuant to subdivision (a) of Section 60605.

(B) Techniques to address learning differences including working with pupils with special needs.

(C) Techniques to address working with English learners to provide access to the curriculum.

(D) Reading instruction as set forth in paragraph (4) of subdivision (b) of Section 44259.

(E) The assessment of pupil progress based upon the state content and performance standards for pupils adopted pursuant to subdivision (a) of Section 60605 and planning intervention based on the assessment.

(F) Classroom management techniques.

(G) Methods of teaching the subject fields.

(2) Pass the teaching performance assessment as set forth in Section 44320.2.

(A) An intern participating in the early completion option may take the teaching performance assessment one time only as part of the early completion option. An intern who takes the teaching performance assessment but is not successful may complete his or her internship program. Scores on this assessment shall be used by the internship programs in providing the individualized professional development plan for interns that emphasizes preparation in areas where additional growth is warranted and waiving preparation in areas where the candidate has demonstrated competence. The intern must retake and pass the teaching performance assessment at the end of the internship in order to be considered for recommendation by the internship program to the commission.

(B) Pending implementation of the teaching performance assessment, an internship program shall provide for early recommendation of an intern for a preliminary multiple subject teaching credential or single subject teaching credential based upon demonstrated competence of the field experience component of the internship program.

(3) Pass the reading instruction competence assessment described in Section 44283, unless the written assessment adopted by the commission pursuant to paragraph (1) is validated as covering content equivalent to the reading assessment.

(4) Meet the requirements for teacher fitness as set forth in Sections 44339, 44340, and 44341.

(b) An intern who chooses the early completion option must first pass the assessment required pursuant to paragraph (1) of subdivision (a) in order to qualify to take the teaching performance assessment required pursuant to paragraph (2) of subdivision (a). Individuals who have passed the written assessment may receive individualized support within the cohort group of like individuals in preparations for the teaching performance assessment.

(c) An intern who challenges the teacher preparation coursework by taking the assessment described in paragraph (1) of subdivision (a) but is not successful in passing the assessment may complete his or her full internship program. Scores on this assessment shall be used by the internship program in providing the individualized professional development plan for interns that emphasizes preparation in areas where

additional growth is warranted and waiving preparation areas where the intern has demonstrated competence.

(d) An intern who passes the assessments described in subdivision (a) and is recommended by the internship program to the commission is eligible for a five-year preliminary multiple subject teaching credential or single subject teaching credential.

(e) The commission shall issue a professional clear multiple or single subject teaching credential to an applicant whose employing public school district documents, in a manner prescribed by the commission, that he or she has fulfilled the following requirements:

(1) Holds a preliminary five-year teaching credential issued by the commission.

(2) Completes one of the following in accordance with the determination of the employing public school district based upon the experience and individual needs of the applicant:

(A) A program of beginning teacher support and assessment established pursuant to Article 4.5 (commencing with Section 44279.1) of Chapter 2 of Part 24, including the California formative assessment and support system for teachers.

(B) An alternative program of beginning teacher induction that the commission determines, in conjunction with the Superintendent of Public Instruction, meets state standards for teacher induction and includes the California formative assessment and support system for teachers or an alternative assessment deemed to meet the standards.

(3) As an alternative to the requirements in paragraph (2), an applicant may choose to complete the California formative assessment and support system for teachers or the equivalent at a faster pace as determined by the Beginning Teacher Support and Assessment System program.

71623.5. (a) As of July 1, 2001, trial courts shall provide workers' compensation coverage for trial court employees under a workers' compensation program established by the Administrative Office of the Courts or a program selected or approved by the Administrative Office of the Courts. The Judicial Council shall adopt rules of court requiring the Administrative Office of the Courts to establish a workers' compensation program for the trial courts and to provide guidance to the trial courts to ensure that the courts' workers' compensation coverage, including workers' compensation employer liability coverage, meets all legal requirements and is cost-efficient.

(b) If, as of the implementation date of this chapter, the county provides workers' compensation coverage for trial court employees, the

county shall continue to provide the coverage, under the same terms and conditions as coverage was provided immediately preceding implementation of this chapter. This coverage shall continue for a transition period of up to 24 months after the implementation date of this chapter, unless the court gives the county 60 days' notice, or a mutually agreed to period of notice, that the court no longer needs the county to provide the coverage. Subject to approval by the Administrative Office of the Courts, the parties may mutually agree to county-provided coverage beyond the 24-month transition period.

(c) County provision of workers' compensation coverage for trial court employees shall not be construed to create a meet and confer obligation between the county and any recognized employee organization.

SEC. 3. Section 71626.5 of the Government Code is amended to read:

71626.5. (a) As of the implementation date of this chapter:

(1) If a trial court employee receives county retiree group insurance benefits pursuant to Section 71626 and that county funds retiree group insurance benefits from excess funds in the county's retirement system, or prefunds retiree group insurance benefits, the county or county retirement board shall administer retiree group insurance benefits to trial court employees who retire from the county retirement system. However, the county and the trial court may agree to an alternative arrangement to administer retiree group insurance benefits.

(2) In all other counties in which the trial court exercises its authority to provide retiree group insurance benefits to its employees, (A) if the trial court administers retiree group insurance benefits to trial court employees separately from the county, the trial court shall continue to administer these benefits as provided under existing personnel policies, procedures, plans, or a trial court employee memorandum of understanding or agreement; and (B) if the county administers retiree group insurance benefits to trial court employees or if the trial court contracts with the county to administer retiree group insurance benefits to trial court employees, the county may continue to administer retiree group insurance benefits to trial court employees pursuant to subdivision (c) of Section 71626 or the trial court may administer retiree group insurance benefits to trial court employees pursuant to the following transition process:

(i) While an existing memorandum of understanding or agreement remains in effect or for a transition period of up to 24 months, whichever is longer, the county shall administer retiree group insurance benefits for represented trial court employees who retire during that period, as provided in the applicable memorandum of understanding or agreement, unless the county is notified by the trial court pursuant to subparagraph

(iv) that the trial court no longer needs the county to administer specified benefits, or the trial court and the county mutually agree that the county will no longer administer specified benefits.

(ii) For a transition period of up to 24 months after the implementation date of this chapter, the county shall administer retiree group insurance benefits for unrepresented trial court employees who retire during that period, unless notified by the trial court pursuant to subparagraph (iv) that the trial court no longer needs the county to administer specified benefits, or the trial court and the county mutually agree that the county will no longer administer specified benefits. During the 24-month transition period, if the county decides to change how it administers unrepresented trial court employees' retiree group insurance benefits, the county shall provide the trial court with at least 60 days' notice, or a mutually agreed to amount of notice, before any change in the administration of the benefits is implemented so the trial court can decide whether to accept the county's change or consider alternatives and arrange to administer or provide benefits on its own.

(iii) If, during the 24-month transition period, the trial court decides to offer particular retiree group insurance benefits different from what the county is administering, the trial court shall be responsible for administering those particular retiree group insurance benefits.

(iv) If the trial court intends to give notice to the county that it no longer needs the county to administer specified retiree group insurance benefits to trial court employees, the trial court shall provide the county with at least 60 days' notice, or a mutually agreed to amount of notice.

(b) A county's agreement to administer retiree group insurance benefits shall not be construed to create a meet and confer obligation between the county and any recognized employee organization.

(c) Nothing in this section precludes a trial court from offering a different retiree group insurance benefits plan for trial court employees that is separate from the county retiree group insurance benefits plans, subject to the terms of a memorandum of understanding or agreement for represented employees, or the terms of trial court policies, procedures, or plans, for unrepresented employees.

SEC. 4. Section 71627 of the Government Code is amended to read: 71627. Notwithstanding any other provision of law:

(a) As provided in Section 71612, the implementation of this chapter shall not be a cause for the modification of the level of federally regulated benefits provided to a trial court employee. The level of federally regulated benefits provided to a trial court employee as of the implementation date of this chapter shall remain in effect unless modified pursuant to subdivision (b). If the same federally regulated benefits are not permitted by law or by the vendor, the same level of

federally regulated benefits shall be provided by the trial court subject to the provisions of subdivision (b).

(b) (1) For employees who are represented by a recognized employee organization, (A) the level of federally regulated benefits accruing to a trial court employee pursuant to the terms of a memorandum of understanding or agreement is subject to modification only pursuant to the terms of that memorandum of understanding or agreement, and upon expiration of that memorandum of understanding or agreement, those federally regulated benefits may not be modified except pursuant to a subsequent memorandum of understanding or agreement; and (B) the level of federally regulated benefits accruing to a trial court employee pursuant only to personnel, policies, procedures, and plans may be modified by the trial court, subject to meet and confer in good faith.

(2) For employees who are not represented by a recognized employee organization, the level of federally regulated benefits may be revised by the trial court.

(c) If the county administers federally regulated benefits to trial court employees, or if the trial court contracts with the county to administer federally regulated benefits to trial court employees, a trial court employee shall be eligible to participate in federally regulated benefits subject to federally regulated benefit regulations, policies, terms, and conditions, and subject to both of the following requirements:

(1) A trial court employee shall have the right to receive the same level of federally regulated benefits as county employees in similar classifications, as designated by the trial court subject to the obligation to meet and confer in good faith, without the opportunity to meet and confer with the county as to those benefits.

(2) The level of federally regulated benefits accruing to a trial court is subject to modification by the county if the county changes the level of federally regulated benefits of county employees in classifications that have been designated as similar classifications pursuant to paragraph (1).

(d) For purposes of this section, “federally regulated benefits” means benefits that provide tax-favored treatment for employees pursuant to federal laws or regulations, including, but not limited to, cafeteria plans under Section 125 of the Internal Revenue Code, educational assistance benefits under Section 127 of the Internal Revenue Code, and fringe benefits under Section 132 of the Internal Revenue Code, but not including federally-regulated deferred compensation plan benefits provided to trial court employees pursuant to Section 71628.

(e) As of the implementation date of this chapter:

(1) If the trial court administers federally regulated benefits for trial court employees separately from the county, the trial court shall

administer these benefits as provided under existing personnel policies, procedures, plans, or a memorandum of understanding or agreement applicable to trial court employees.

(2) If the county administers federally regulated benefits for trial court employees, or if the trial court contracts with the county to administer federally regulated benefits, the following provisions govern the transition of responsibility for administering these benefits to the trial court:

(A) Until the effective date of the transition of responsibility, the county shall continue to administer represented trial court employees' federally regulated benefits as provided in the memorandum of understanding or agreement and unrepresented trial court employees' federally regulated benefits as provided in personnel policies, procedures, and plans.

(B) During the period of time between the implementation date of this chapter and the effective date of the transition of responsibility, both the trial court and the county shall cosponsor the federally regulated benefit plan. Cosponsorship shall continue as long as trial court employees are governed by a plan not offered by the trial court, but in no event longer than 18 months after the implementation date of this chapter, or the term of the memorandum of understanding or agreement applicable to trial court employees, whichever is longer, unless the trial court and the county agree to continued cosponsorship.

(C) If during the cosponsorship period the trial court decides to offer particular benefits that are different from what the county is administering, then the trial court shall be responsible for administering those particular benefits unless the trial court and county agree otherwise.

(D) The effective date of the transition of responsibility shall coincide with the first day of the applicable federally regulated benefits plan year to ensure that there is no financial impact on the employee or on either employer.

(f) To facilitate trial court employee participation in county federally regulated benefits plans, the trial court and county may mutually agree that the county shall administer the payroll for trial court employees.

(g) The trial court shall reimburse the county for the cost of any coverage of trial court employees in county federally regulated benefit plans.

(h) A county shall have authority to cosponsor federally regulated benefits with a trial court to provide those benefits to trial court employees if those benefits are requested by the trial court subject to county agreement to cosponsor those benefits. A county's agreement to cosponsor those benefits shall not be construed as creating a meet and

confer obligation between the county and any recognized trial court employee organization.

(i) Nothing in this section shall prevent a trial court from offering to trial court employees a future option of participating in other federally regulated benefit plans that may be developed subject to the obligation to meet and confer in good faith.

SEC. 5. Section 71628 of the Government Code is amended to read: 71628. Notwithstanding any other provision of law:

(a) As provided in Section 71612, the implementation of this chapter shall not be a cause for the modification of the level of deferred compensation plan benefits provided to a trial court employee.

If the same deferred compensation plan benefits are not permitted by law or the plan vendor, the trial court shall provide other deferred compensation plan benefits at the same level, subject to the provisions of subdivision (b). The level of deferred compensation plan benefits provided to a trial court employee as of the implementation date of this chapter shall remain in effect unless modified pursuant to subdivision (b).

(b) (1) For employees who are represented by a recognized employee organization, (A) the level of deferred compensation plan benefits accruing to a trial court employee pursuant to the terms of a memorandum of understanding or agreement is subject to modification only pursuant to the terms of that memorandum of understanding or agreement, and upon expiration of that memorandum of understanding or agreement, those deferred compensation plan benefits may not be modified except pursuant to a subsequent memorandum of understanding or agreement; and (B) the level of deferred compensation plan benefits accruing to a trial court employee pursuant only to personnel, policies, procedures, and plans may be modified by the trial court, subject to meet and confer in good faith.

(2) For employees who are not represented by a recognized employee organization, the level of deferred compensation plan benefits may be modified by the trial court.

(c) If the county administers deferred compensation plan benefits to trial court employees, or if the trial court contracts with the county to administer deferred compensation plan benefits to trial court employees, a trial court employee shall be eligible to participate in deferred compensation plan benefits subject to deferred compensation plan regulations, policies, terms and conditions, and subject to both of the following:

(1) A trial court employee shall have the right to receive the same level of deferred compensation plan benefits as county employees in similar classifications, as designated by the trial court subject to the

obligation to meet and confer in good faith, without the opportunity to meet and confer with the county as to those benefits.

(2) The level of deferred compensation plan benefits accruing to a trial court employee is subject to modification by the county if the county changes the level of deferred compensation plan benefits of county employees in classifications that have been designated as similar classifications pursuant to paragraph (1).

(d) If the implementation of this chapter causes a change in deferred compensation plans and requires the transfer of trial court employees' plan balances to the trial court's deferred compensation plan, trial court employees shall not suffer a financial loss due to transfer-related penalties, such as deferred sales charges, and any financial loss due to transfer-related penalties shall be borne by the trial court.

(e) Trial court employees shall continue to be eligible to receive deferred compensation plan benefits from the county or the trial court. For purposes of deferred compensation plans established under Section 401(k) or 457 of the Internal Revenue Code, one of the following shall apply:

(1) If permitted by federal law and deferred compensation plan vendors, trial court employees shall continue to receive federal 401(k) or 457 deferred compensation plan benefits through county plans unless the trial court modifies its plan benefits pursuant to personnel rules, subject to meet and confer in good faith.

(2) If not permitted by federal law or deferred compensation plan vendors, the trial court shall provide deferred compensation plan benefits at the same level subject to meet and confer in good faith, in which case upon transition to the new deferred compensation plan, (A) to provide the trial court time to investigate plan options, negotiate plan contracts, and establish plans, there shall be a transition period of at least six months, during which trial court employees shall continue to receive deferred compensation plan benefits from the county; and (B) a county may require that trial court employees leave their plan balances in the county's deferred compensation plan or may transfer trial court employees' plan balances to the trial court's deferred compensation plan.

(f) To facilitate trial court employee participation in county deferred compensation plans, the trial court and county may mutually agree that the county shall administer the payroll for trial court employees.

(g) The trial court shall reimburse the county for the cost of any coverage of trial court employees in county deferred compensation plans.

(h) A county is authorized to amend the documents of a deferred compensation plan established under Section 401(k) or 457 of the Internal Revenue Code as necessary to achieve the objectives of this section.

(i) Nothing in this section precludes the possibility that a trial court employee may have a future option of participating in other deferred compensation plans that may be developed subject to the obligation to meet and confer in good faith.

SEC. 6. Section 71629 of the Government Code is amended to read: 71629. Except as provided in Sections 71624, 71625, 71626, 71626.5, 71627, and 71628, and notwithstanding any other provision of law:

(a) As provided in Section 71612, the implementation of this chapter shall not be a cause for the modification of the level of trial court employment benefits. If the same trial court employment benefits are not permitted by law or the plan vendor, the trial court shall provide other trial court employment benefits at the same level subject to the provisions of subdivision (b). The level of trial court employment benefits provided to a trial court employee as of the implementation date of this chapter shall remain in effect unless modified pursuant to subdivision (b).

(b) For employees who are represented by a recognized employee organization, the level of trial court employment benefits provided to a trial court employee may not be modified until after the expiration of an existing memorandum of understanding or agreement or a period of up to 24 months, whichever is longer, unless the trial court and recognized employee organization mutually agree to a modification. For employees who are not represented by a recognized employee organization, the level of trial court employment benefits may be revised by the trial court.

(c) The trial court shall reimburse the county for the cost of coverage of trial court employees in trial court employment benefit plans.

(d) As of the implementation date of this chapter:

(1) If the trial court administers trial court employment benefits to trial court employees separately from the county, the trial court shall continue to administer these benefits as provided under existing personnel policies, procedures, plans, or trial court employee memoranda of understanding or agreements.

(2) If the county administers trial court employment benefits to trial court employees or if the trial court contracts with the county to administer trial court employment benefits to trial court employees, the county may continue to administer trial court employment benefits to trial court employees pursuant to subdivision (e) or the trial court may administer trial court employment benefits to trial court employees pursuant to the following transition process:

(A) While an existing memorandum of understanding or agreement remains in effect or for a transition period of up to 24 months, whichever is longer, the county shall administer trial court employment benefits for represented trial court employees as provided in the applicable

memorandum of understanding or agreement, unless the county is notified by the trial court pursuant to subparagraph (D) that the trial court no longer needs the county to administer specified benefits, or the trial court and the county mutually agree that the county will no longer administer specified benefits.

(B) For a transition period of up to 24 months after the implementation date of this chapter, the county shall administer trial court employment benefits for unrepresented trial court employees, unless notified by the trial court pursuant to subparagraph (D) that the trial court no longer needs the county to administer specified benefits, or the trial court and the county mutually agree that the county will no longer administer specified benefits. During the transition period, if the county intends to change unrepresented trial court employees' trial court employment benefits, the county shall provide the trial court with at least 60 days' notice, or a mutually agreed to amount of notice, before any change in benefits is implemented so the trial court can decide whether to accept the county's change or consider alternatives and arrange to provide benefits on its own.

(C) If, during the transition period, the trial court decides to offer particular trial court employment benefits that are different from what the county is administering, the trial court shall be responsible for administering those particular benefits.

(D) If the trial court decides that it no longer needs the county to administer specified trial court employment benefits to trial court employees, the trial court shall provide the county with at least 60 days' notice, or a mutually agreed to amount of notice.

(e) To facilitate trial court employee participation in county trial court employment benefit plans, the trial court and county may mutually agree that the county shall administer the payroll for trial court employees.

(f) A county shall have authority to provide trial court employment benefits to trial court employees if those benefits are requested by the trial court and subject to county concurrence to providing those benefits. A county's agreement to provide those benefits shall not be construed to create a meet and confer obligation between the county and any recognized employee organization.

(g) Nothing in this section shall prevent the trial court from arranging for trial court employees other trial court employment benefits plans subject to the obligation to meet and confer in good faith.

SEC. 7. Section 71632.5 of the Government Code is amended to read:

71632.5. (a) Notwithstanding any other provision of law, rule, or regulation, an agency shop agreement may be negotiated between a trial court and a recognized employee organization that has been recognized as the exclusive or majority bargaining agent pursuant to reasonable

rules and regulations, and enactments, in accordance with this article. As used in this article, “agency shop” means an arrangement that requires an employee, as a condition of continued employment, either to join the recognized employee organization, or to pay the organization a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments of that organization for the duration of the agreement or a period of three years from the effective date of the agreement, whichever comes first. However, any employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting recognized employee organizations shall not be required to join or financially support any recognized employee organization as a condition of employment. That employee may be required, in lieu of periodic dues, initiation fees, or agency shop fees to pay sums equal to those dues, initiation fees, or agency shop fees to a nonreligious, nonlabor charitable organization fund exempt from taxation under Section 501 (c)(3) of the Internal Revenue Code, chosen by the employee from a list of at least three funds, designated in a memorandum of understanding or agreement between the trial court and the recognized employee organization, or if the memorandum of understanding or agreement fails to designate any funds, then to any fund chosen by the employee. Proof of those payments shall be made on a monthly basis to the trial court as a condition of continued exemption from the requirement of financial support to the recognized employee organization.

(b) An agency shop provision in a memorandum of understanding or agreement which is in effect may be rescinded by a majority vote of all the employees in the unit covered by the memorandum of understanding or agreement, provided that (1) a request for the vote is supported by a petition containing the signatures of at least 30 percent of the employees in the unit; (2) the vote is by secret ballot; and (3) the vote may be taken at any time during the term of the memorandum of understanding or agreement, but in no event shall there be more than one vote taken during that term.

(c) In addition to the procedure prescribed in subdivision (a), an agency shop arrangement between the trial court and a recognized employee organization or recognized employee organizations shall be placed in effect upon (1) a signed petition of at least 30 percent of the employees in the applicable bargaining unit requesting an agency shop agreement and an election to implement an agency fee arrangement, and (2) the approval of a majority of employees who cast ballots and vote in a secret ballot election in favor of the agency shop agreement. An election under this subdivision that may not be held more frequently than once a year shall be conducted by the Division of Conciliation of the Department of Industrial Relations in the event the trial court and the

recognized employee organization cannot agree within 10 days from the filing of the petition to select jointly a neutral person or entity to conduct the election. In the event of an agency fee arrangement other than in an agreement that is in effect on January 1, 2002, the recognized employee organization shall hold the court harmless and defend and indemnify the court regarding the application of any agency shop requirements or provisions, including, but not limited to, improper deduction of fees, maintenance of records, and improper reporting. This subdivision shall be applicable only on the latest of the following and thereafter:

- (1) The operative date of this section.
- (2) The effective date of provisions described in subdivision (g).
- (3) If a memorandum of understanding or agreement between the trial court and a recognized employee organization is in effect on the later of either of the dates referenced in paragraph (1) or (2), as to the employees covered by the memorandum of understanding or agreement, the implementation date shall be either the date a successor memorandum of understanding or agreement is effective or, if no agreement for a successor memorandum of understanding or agreement is reached, 90 days from the date of the expiration of the predecessor memorandum of understanding or agreement. The trial court and representatives of recognized employee organizations may mutually agree to a different date on which this subdivision is applicable.
- (d) Notwithstanding subdivisions (a), (b), and (c), the trial court and the recognized employee organization may negotiate, and by mutual agreement provide for, an alternative procedure or procedures regarding a vote on any agency shop agreement.
- (e) An agency shop agreement shall not apply to management, confidential, or supervisory employees.
- (f) Every recognized employee organization that has agreed to an agency shop provision, or is a party to an agency shop arrangement, shall keep an adequate itemized record of its financial transactions and shall make available annually, to the trial court with which the agency shop provision was negotiated, and to the employees who are members of the organization, within 60 days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. An employee organization required to file financial reports under the federal Labor-Management Disclosure Act of 1959 covering employees governed by this chapter or required to file financial reports under Section 3546.5, may satisfy the financial reporting requirement of this section by providing the trial court with a copy of those financial reports.

(g) This section shall become operative only if Section 3502.5 is amended to provide that a 30-percent or greater showing of interest by means of a petition requires an election regarding an agency shop, and a vote at that election of 50 percent plus one of those voting secures an agency shop arrangement.

SEC. 8. Section 71637.1 of the Government Code is amended to read:

71637.1. For purposes of this article, in addition to those rules and regulations that a trial court may adopt pursuant to, and in the same manner as set forth in, Section 71636, any trial court may adopt reasonable rules and regulations providing for designation of the management and confidential employees of the trial court and restricting those employees from representing any employee organization that represents other employees of the trial court, on matters within the scope of representation. Except as specifically provided otherwise in this article, this section does not otherwise limit the right of employees to be members of, and to hold office in, an employee organization.

SEC. 9. Section 71639.1 of the Government Code is amended to read:

71639.1. (a) Each trial court shall adopt a procedure to be used as a preliminary step before petitioning the superior court for relief pursuant to subdivision (c) or (d). The procedure may be mediation, arbitration, or a procedure before an administrative tribunal, such as the procedure established pursuant to Sections 71653 and 71654 for review of the decision of the hearing officer in evidentiary due process hearings. The establishment of the procedure shall be subject to the obligation to meet and confer in good faith. However, nothing in this section shall prohibit a party from seeking provisional relief, such as a stay, in any case in which provisional relief would otherwise be appropriate.

(b) In a trial court with 10 or more judges, if the trial court and a recognized employee organization reach an impasse regarding development of a procedure required pursuant to subdivision (a), the trial court shall adopt either nonbinding arbitration or a proceeding before the administrative tribunal, such as the procedure established pursuant to Sections 71653 and 71654, for review of the decision of the hearing officer in evidentiary due process or hearings.

(c) Notwithstanding Sections 1085 and 1103 of the Code of Civil Procedure requiring the issuance of a writ to an inferior tribunal, and except as required pursuant to Section 5 of Article VI of the California Constitution, any agreements reached pursuant to negotiations held pursuant to this article are binding on the parties and may be enforced by petitioning the superior court for relief pursuant to Section 1085 or 1103 of the Code of Civil Procedure.

(d) Notwithstanding Sections 1085 and 1103 of the Code of Civil Procedure requiring the issuance of a writ to an inferior tribunal, if a trial court, a trial court employee, or an employee organization believes there has been a violation of this article, that party may petition the superior court for relief.

(e) The Judicial Council shall adopt rules of court to implement this hearing and appeal process. The rules of court shall provide a mechanism for the establishment of a panel of court of appeal justices who shall be qualified to hear these matters, as specified in the rules of court, from which a single justice shall be assigned to hear the matter in the superior court. The rules of court shall provide that these matters shall be heard in the superior court and the court of appeal on an expedited basis, and to the extent permitted by law or rule of court, shall provide that any justice assigned to hear the matter in the superior court shall not be from the court of appeal district in which the action is filed, and shall provide that appeals in these matters shall be heard in the court of appeal district where the matter was filed.

(f) A complete alternative to the procedure outlined in subdivisions (c), (d), and (e) may be provided for by mutual agreement between a trial court and representatives of recognized employee organizations.

(g) No decision by a court with respect to trial courts or trial court employees shall be binding as to other employers or employees.

SEC. 10. Section 71650 of the Government Code is amended to read:

71650. (a) As of the implementation date of this article, as provided in Section 71658, each trial court shall establish a trial court employment protection system that shall become the minimum employment protection system for all trial court employees and shall become part of the sole trial court employee personnel system. The trial court employment protection system shall replace any county employment protection systems applying to trial court employees prior to the implementation date provided in Section 71658, except as otherwise specified in this article. This article establishes minimum standards, and each trial court employment protection system shall, at a minimum, conform to the requirements of this article.

(b) Nothing in this article shall preclude the establishment of enhanced employment protection systems pursuant to trial court personnel policies, procedures, or plans subject to meet and confer in good faith.

(c) Nothing in this article shall be construed to provide, either explicitly or implicitly, a civil cause of action for breach of contract either express or implied arising out of a termination of employment.

(d) Except as specified in subdivisions (b) and (c), this article shall not apply to either of the following categories of trial court employees:

(1) Subordinate judicial officers.

(2) Managerial, confidential, temporary, limited term, and probationary employees, unless included within the trial court employment protection system in accordance with trial court personnel policies, procedures, or plans subject to meet and confer in good faith.

SEC. 11. Section 71657 of the Government Code is amended to read:

71657. (a) Disciplinary action served on a trial court employee prior to the implementation date of this chapter shall remain in effect in accordance with the procedures established under the trial court's predecessor personnel system.

(b) Appeals of disciplinary action served on a trial court employee prior to the implementation date of this chapter shall be made in accordance with the procedures established under the trial court's predecessor personnel system. Appeals of disciplinary action served on a trial court employee after the implementation date of this chapter shall be made in accordance with the procedures established pursuant to this article. The consequences of past discipline under the trial court's new employment protection system pursuant to this article shall be subject to meet and confer in good faith.

SEC. 12. Section 71675 is added to the Government Code, to read:

71675. (a) Any trial court may adopt a procedure to be used as a preliminary step before petitioning the superior court for relief pursuant to subdivision (b) in matters concerning the release of information by that trial court. The Judicial Council may adopt a procedure to be used as a preliminary step before petitioning the superior court for relief pursuant to subdivision (b) in matters concerning the release of information by the Judicial Council.

(b) Notwithstanding Sections 1085 and 1003 of the Code of Civil Procedure requiring the issuance of a writ to an inferior tribunal, in the event that a trial court employee, an employee organization, or a member of the public believes there has been a violation of Rule 6.702 of the California Rules of Court concerning the maintenance of, and public access to, budget and management information concerning the Judicial Council or the trial courts, that party may petition the superior court for relief.

(c) The Judicial Council shall adopt rules of court to implement this hearing and appeal process. The rules of court shall provide a mechanism for the establishment of a panel of court of appeal justices who shall be qualified to hear these matters, as specified in the rules of court, from which panel a single justice shall be assigned to hear the matter in the superior court. The rules of court shall provide that these matters shall be heard in the superior court, and, if applicable, the court of appeal, on an expedited basis. To the extent permitted by law or rule of court, these

rules shall provide that the justice assigned to hear the matter shall not be from the court of appeal district in which the action is filed, and shall provide that appeals in these matters shall be heard in the court of appeal district where the matter was filed.

CHAPTER 271

An act to add Section 14672.98 to the Government Code, relating to state property.

[Approved by Governor September 8, 2001. Filed with
Secretary of State September 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 14672.98 is added to the Government Code, to read:

14672.98. (a) The Department of General Services shall lease upon terms and conditions deemed in the best interest of the state, any or all of the Preston Castle portion of the Ione Youth Facility as agreed to and designated by the Department of the Youth Authority.

(b) The property shall be let for a term not to exceed 55 years and for the consideration of one dollar (\$1) per year. The property shall be let to the Preston Castle Foundation, a nonprofit public benefit corporation, for uses that include, but are not limited to, museums, art gallery, courtroom, city hall, hostel, adult college classrooms and dormitory, culinary school, senior center, and related retail that shall be consistent with the lease agreement.

(c) The Preston Castle portion of the Ione Youth Facility shall be leased in its "as is" condition and the state shall have no liability for repairs, rehabilitation, or other improvements. The lease shall provide that the lessee shall undertake and accomplish significant repairs, rehabilitation, or other improvements not later than 15 years from the effective date of the lease.

(d) At any time during the lease, at the request of the Preston Castle Foundation, the Director of General Services may determine that the Preston Castle Foundation has successfully rehabilitated the property for the uses specified in subdivision (b) and that those uses are hereby determined to benefit the general public. Upon making that determination, the Director of General Services shall transfer ownership and control of Preston Castle, with the consent of the Director of the Department of the Youth Authority, to the Preston Castle Foundation at no cost, other than the costs incurred for the real estate transfer. These

terms and conditions of the transfer will be deemed to be in the best interest of the state.

(e) However, should the Preston Castle no longer be used for the purposes specified in subdivision (b), a reversion of title to the state may take effect. This reversion clause shall remain in effect for as long as the state operates a youth correctional facility on the adjacent land.

(f) The lease and transfer described in this section are exempt from Division 13 (commencing with Section 21000) of the Public Resources Code. Work performed by the Preston Castle Foundation on the property that is the subject of this section shall not be considered public works.

SECTION 1. Section 149.1 of the Streets and Highways Code is amended to read:

The program, under the circumstances described in subdivision (b), may direct and authorize the entry and use of the I-15 high-occupancy vehicle lanes by single-occupant vehicles during peak periods, as defined by SANDAG, for a fee. The amount of the fee shall be established from time to time by SANDAG, and collected in a manner determined by SANDAG.

(b) Implementation of the program shall ensure that Level of Service C, as measured by the most recent issue of the Highway Capacity Manual, as adopted by the Transportation Research Board, is maintained at all times in the high-occupancy vehicle lanes, except that subject to a written agreement between the department and SANDAG that is based on operating conditions of the high-occupancy vehicle lanes, Level of Service D shall be permitted on the high-occupancy vehicle lanes. If Level of Service D is permitted, the department and SANDAG shall evaluate the impacts of these levels of service of the high-occupancy vehicle lanes, and indicate any effects on the mixed-flow lanes. Continuance of Level of Service D operating conditions shall be subject to the written agreement between the department and SANDAG.

Unrestricted access to the lanes by high-occupancy vehicles shall be available at all times. At least annually, the department shall audit the level of service during peak traffic hours and report the results of that audit at meetings of the program management team.

(d) SANDAG shall carry out the program in cooperation with the department, and shall consult the department in the operation of the project and on matters related to highway design and construction. With the assistance of the department, SANDAG shall establish appropriate traffic flow guidelines for the purpose of ensuring optimal use of the express lanes by high-occupancy vehicles.

(e) (1) Agreements between SANDAG, the department, and the Department of the California Highway Patrol shall identify the respective obligations and liabilities of those entities and assign them responsibilities relating to the program. The agreements entered into pursuant to this section shall be consistent with agreements between the department and the United States Department of Transportation relating to this program and shall include clear and concise procedures for enforcement by the Department of the California Highway Patrol of laws prohibiting the unauthorized use of the high-occupancy vehicle lanes. The agreements shall provide for reimbursement of state agencies, from revenues generated by the program, federal funds specifically allocated to SANDAG for the program by the federal government, or other funding sources that are not otherwise available to state agencies for transportation-related projects, for costs incurred in connection with the implementation or operation of the program. Reimbursement for SANDAG's program-related planning and administrative costs in the operation of the program shall not exceed 3 percent of the revenues.

(2) All remaining revenue shall be used in the I-15 corridor exclusively for (A) the improvement of transit service, including, but not limited to, support for transit operations, and (B) high-occupancy vehicle facilities and shall not be used for any other purpose.

(f) SANDAG, the San Diego Metropolitan Transit Development Board, and the department shall cooperatively develop a single transit capital improvement plan for the I-15 corridor.

The removal of snow from the roadway of state highways shall always take precedence over the removal of snow from designated parking areas.

(e) Using funds appropriated from the Winter Recreation Fund and allocated pursuant to paragraph (3) of subdivision (b) of Section 5091.25, the department may make grants to counties for the removal of snow accumulating on designated parking areas. The department may contract with the appropriate public and private entities for snow removal, provision of sanitary facilities, signage, trash removal, parking lot repairs, and other services. In no event shall the removal of snow on designated parking areas become a county responsibility, except by agreement with the appropriate board of supervisors.

SEC. 2. Section 5091.15 of the Public Resources Code is amended to read:

5091.15. (a) Except as provided in this section, no person shall, from November 1 of any year to May 30 of the next year or for a shorter time as determined by the department, park a vehicle in a designated parking area unless the vehicle displays a parking permit issued by the department. Overnight camping in a vehicle parked in a designated parking area may be authorized by the department when it determines that the use is for a recreational activity, is safe and prudent, and is of limited duration.

(b) No parking permit shall be required under this section for a vehicle owned and operated by the United States, another state or political subdivision thereof, or by this state or by a city, county, district, or political subdivision thereof.

(c) The fee for the issuance of a parking permit under this chapter shall be determined by the department. The department shall hold at least one public hearing and notify the Legislature at least 30 days prior to any

proposal to change the fees. The amounts of the fees shall be limited as follows:

(1) Not more than five dollars (\$5) for a permit that is valid for a period of one day.

(2) Not more than twenty-five dollars (\$25) for a permit that is valid for a period of one year, beginning each November 1.

(d) A person who violates this section is guilty of an infraction punishable by a fine of seventy-five dollars (\$75). Unless the peace officer issuing the citation witnesses the parking of the vehicle, a rebuttable presumption exists that a vehicle parked in violation of this section was parked by the registered owner of the vehicle. If the parking of the vehicle is witnessed by the peace officer, the operator of the vehicle is in violation of this section.

(e) The department may negotiate reciprocity agreements with other states having similar programs if the agreements are in the best interests of the California SNO-PARK program.

(f) The department may contract with appropriate agencies for law enforcement, including, but not limited to, the Department of the California Highway Patrol, the county sheriffs, and the United States Department of Agriculture Forest Service. Enforcement activities may be funded with moneys appropriated from the Winter Recreation Fund.

SEC. 3. Section 5091.25 of the Public Resources Code is amended to read:

5091.25. (a) Proceeds from the sale of SNO-PARK parking permits shall be paid to the State Treasury to the credit of the Winter Recreation Fund, which is hereby created.

(b) The moneys in the Winter Recreation Fund shall be allocated, when appropriated, as follows:

(1) An amount equal to the actual and necessary costs incurred in the removal of snow from designated parking areas shall be paid to the Department of Transportation.

(2) An amount not to exceed 5 percent of total funds available shall be expended for administrative costs directly incurred through the implementation of this chapter.

(3) The balance of the funds shall be expended for the acquisition, lease, development, and maintenance of additional designated parking areas, for sanitation facilities, trailhead markings, and other facilities designed to promote the safety and well-being of persons engaged in winter recreation, and for grants to counties for the actual and necessary costs incurred in the removal of snow from designated parking areas, and to inform and educate the public about the program.

7286.43. In addition to any other authority as provided for by law, the Board of Supervisors of the County of Fresno may establish a special purpose authority for the support of zoos, zoological facilities, and related zoological purposes in that county. Any authority that is so established may, by ordinance, impose a tax at a rate of 0.1 percent in accordance with the Transactions and Use Tax Law (Part 1.6 (commencing with Section 7251)), if all of the following conditions are met:

SEC. 2. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique difficulties being experienced by zoological facilities in the County of Fresno in ensuring their present and future fiscal stability.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

[Approved by Governor September 10, 2001. Filed with Secretary of State September 12, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1612 of the Family Code is amended to read: 1612. (a) Parties to a premarital agreement may contract with respect to all of the following:

(1) The rights and obligations of each of the parties in any of the property of either or both of them whenever and wherever acquired or located.

(2) The right to buy, sell, use, transfer, exchange, abandon, lease, consume, expend, assign, create a security interest in, mortgage, encumber, dispose of, or otherwise manage and control property.

(3) The disposition of property upon separation, marital dissolution, death, or the occurrence or nonoccurrence of any other event.

(4) The making of a will, trust, or other arrangement to carry out the provisions of the agreement.

(5) The ownership rights in and disposition of the death benefit from a life insurance policy.

(6) The choice of law governing the construction of the agreement.

(7) Any other matter, including their personal rights and obligations, not in violation of public policy or a statute imposing a criminal penalty.

(b) The right of a child to support may not be adversely affected by a premarital agreement.

(c) Any provision in a premarital agreement regarding spousal support, including, but not limited to, a waiver of it, is not enforceable if the party against whom enforcement of the spousal support provision is sought was not represented by independent counsel at the time the agreement containing the provision was signed, or if the provision regarding spousal support is unconscionable at the time of enforcement. An otherwise unenforceable provision in a premarital agreement regarding spousal support may not become enforceable solely because the party against whom enforcement is sought was represented by independent counsel.

SEC. 2. Section 1615 of the Family Code is amended to read:

1615. (a) A premarital agreement is not enforceable if the party against whom enforcement is sought proves either of the following:

(1) That party did not execute the agreement voluntarily.

(2) The agreement was unconscionable when it was executed and, before execution of the agreement, all of the following applied to that party:

(A) That party was not provided a fair, reasonable, and full disclosure of the property or financial obligations of the other party.

(B) That party did not voluntarily and expressly waive, in writing, any right to disclosure of the property or financial obligations of the other party beyond the disclosure provided.

(C) That party did not have, or reasonably could not have had, an adequate knowledge of the property or financial obligations of the other party.

(b) An issue of unconscionability of a premarital agreement shall be decided by the court as a matter of law.

(c) For the purposes of subdivision (a), it shall be deemed that a premarital agreement was not executed voluntarily unless the court finds in writing or on the record all of the following:

(1) The party against whom enforcement is sought was represented by independent legal counsel at the time of signing the agreement or, after being advised to seek independent legal counsel, expressly waived, in a separate writing, representation by independent legal counsel.

(2) The party against whom enforcement is sought had not less than seven calendar days between the time that party was first presented with

the agreement and advised to seek independent legal counsel and the time the agreement was signed.

(3) The party against whom enforcement is sought, if unrepresented by legal counsel, was fully informed of the terms and basic effect of the agreement as well as the rights and obligations he or she was giving up by signing the agreement, and was proficient in the language in which the explanation of the party's rights was conducted and in which the agreement was written. The explanation of the rights and obligations relinquished shall be memorialized in writing and delivered to the party prior to signing the agreement. The unrepresented party shall, on or before the signing of the premarital agreement, execute a document declaring that he or she received the information required by this paragraph and indicating who provided that information.

(4) The agreement and the writings executed pursuant to paragraphs (1) and (3) were not executed under duress, fraud, or undue influence, and the parties did not lack capacity to enter into the agreement.

(5) Any other factors the court deems relevant.

CHAPTER 287

An act to amend Sections 2982 and 2985.8 of, and to add Sections 2985.9 and 2992 to, the Civil Code, relating to vehicle sale and lease contracts.

[Approved by Governor September 10, 2001. Filed with
Secretary of State September 12, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 2982 of the Civil Code is amended to read:

2982. Every conditional sale contract subject to this chapter shall contain the disclosures required by Regulation Z, whether or not Regulation Z applies to the transaction. In addition, to the extent applicable, the contract shall contain the other disclosures and notices required by, and shall satisfy the requirements and limitations of, this section. The disclosures required by subdivision (a) may be itemized or subtitled to a greater extent than as required by that subdivision and shall be made together and in the sequence set forth in that subdivision. All other disclosures and notices may appear in the contract in any location or sequence and may be combined or interspersed with other provisions of the contract.

(a) The contract shall contain the following disclosures, as applicable, which shall be labeled “itemization of the amount financed”:

(1) (A) The cash price, exclusive of document preparation fees, taxes imposed on the sale, pollution control certification fees, prior credit or lease balance on property being traded in, and the amount charged for a service contract.

(B) The fee to be retained by the seller for document preparation.

(C) The fee charged by the seller for certifying that the motor vehicle complies with applicable pollution control requirements.

(D) Taxes imposed on the sale.

(E) The amount charged for a service contract.

(F) The prior credit or lease balance remaining on property being traded in, as required by paragraph (6). The disclosure required by this subparagraph shall be labeled “prior credit or lease balance (see downpayment and trade-in calculation).”

(G) The total cash price, which is the sum of subparagraphs (A) to (F), inclusive.

(2) Amounts paid to public officials for the following:

(A) Vehicle license fees.

(B) Registration, transfer, and titling fees.

(C) California tire fees imposed pursuant to Section 42885 of the Public Resources Code.

(3) The aggregate amount of premiums agreed, upon execution of the contract, to be paid for policies of insurance included in the contract, excluding the amount of any insurance premium included in the finance charge.

(4) The amount of the state fee for issuance of a certificate of compliance, noncompliance, exemption, or waiver pursuant to any applicable pollution control statute.

(5) A subtotal representing the sum of the foregoing items.

(6) The amount of the buyer’s downpayment itemized to show the following:

(A) The agreed value of the property being traded in.

(B) The prior credit or lease balance, if any, owing on the property being traded in.

(C) The net agreed value of the property being traded in, which is the difference between the amounts disclosed in subparagraphs (A) and (B). If the prior credit or lease balance of the property being traded in exceeds the agreed value of the property, a negative number shall be stated.

(D) The amount of any portion of the downpayment to be deferred until not later than the due date of the second regularly scheduled installment under the contract and which is not subject to a finance charge.

(E) The amount of any manufacturer's rebate applied or to be applied to the downpayment.

(F) The remaining amount paid or to be paid by the buyer as a downpayment.

(G) The total downpayment. If the sum of subparagraphs (C) to (F), inclusive, is zero or more, that sum shall be stated as the total downpayment and no amount shall be stated as the prior credit or lease balance under subparagraph (F) of paragraph (1). If the sum of subparagraphs (C) to (F), inclusive, is less than zero, then that sum, expressed as a positive number, shall be stated as the prior credit or lease balance under subparagraph (F) of paragraph (1), and zero shall be stated as the total downpayment. The disclosure required by this subparagraph shall be labeled "total downpayment" and shall contain a descriptor indicating that if the total downpayment is a negative number, a zero shall be disclosed as the total downpayment and a reference made that the remainder shall be included in the disclosure required pursuant to subparagraph (F) of paragraph (1).

(7) The amount of any administrative finance charge, labeled "prepaid finance charge."

(8) The difference between item (5) and the sum of items (6) and (7), labeled "amount financed."

(b) No particular terminology is required to disclose the items set forth in subdivision (a) except as expressly provided in that subdivision.

(c) If payment of all or a portion of the downpayment is to be deferred, the deferred payment shall be reflected in the payment schedule disclosed pursuant to Regulation Z.

(d) If the downpayment includes property being traded in, the contract shall contain a brief description of that property.

(e) The contract shall contain the names and addresses of all persons to whom the notice required under Section 2983.2 and permitted under Sections 2983.5 and 2984 is to be sent.

(f) (1) Where the contract includes a finance charge determined on the precomputed basis, the contract shall identify the method of computing the unearned portion of the finance charge in the event of prepayment in full of the buyer's obligation and contain a statement of the amount or method of computation of any charge that may be deducted from the amount of any unearned finance charge in computing the amount that will be credited to the obligation or refunded to the buyer. The method of computing the unearned portion of the finance charge shall be sufficiently identified with a reference to the actuarial method if the computation will be under that method. The method of computing the unearned portion of the finance charge shall be sufficiently identified with a reference to the Rule of 78's, the sum of the digits, or the sum of the periodic time balances method in all other cases,

and those references shall be deemed to be equivalent for disclosure purposes.

(2) Where the contract includes a finance charge which is determined on the simple-interest basis but provides for a minimum finance charge in the event of prepayment in full, the contract shall contain a statement of that fact and the amount of the minimum finance charge or its method of calculation.

(g) (1) Where the contract includes a finance charge which is determined on the precomputed basis and provides that the unearned portion of the finance charge to be refunded upon full prepayment of the contract is to be determined by a method other than actuarial, the contract shall contain a notice, in at least 10-point boldface type if the contract is printed, reading as follows: "Notice to buyer: (1) Do not sign this agreement before you read it or if it contains any blank spaces to be filled in. (2) You are entitled to a completely filled-in copy of this agreement. (3) You can prepay the full amount due under this agreement at any time and obtain a partial refund of the finance charge if it is \$1 or more. Because of the way the amount of this refund will be figured, the time when you prepay could increase the ultimate cost of credit under this agreement. (4) If you default in the performance of your obligations under this agreement, the vehicle may be repossessed and you may be subject to suit and liability for the unpaid indebtedness evidenced by this agreement."

(2) Where the contract includes a finance charge which is determined on the precomputed basis and provides for the actuarial method for computing the unearned portion of the finance charge upon prepayment in full, the contract shall contain a notice, in at least 10-point boldface type if the contract is printed, reading as follows: "Notice to buyer: (1) Do not sign this agreement before you read it or if it contains any blank spaces to be filled in. (2) You are entitled to a completely filled-in copy of this agreement. (3) You can prepay the full amount due under this agreement at any time and obtain a partial refund of the finance charge if it is \$1 or more. (4) If you default in the performance of your obligations under this agreement, the vehicle may be repossessed and you may be subject to suit and liability for the unpaid indebtedness evidenced by this agreement."

(3) Where the contract includes a finance charge which is determined on the simple-interest basis, the contract shall contain a notice, in at least 10-point boldface type if the contract is printed, reading as follows: "Notice to buyer: (1) Do not sign this agreement before you read it or if it contains any blank spaces to be filled in. (2) You are entitled to a completely filled-in copy of this agreement. (3) You can prepay the full amount due under this agreement at any time. (4) If you default in the performance of your obligations under this agreement, the vehicle may

be repossessed and you may be subject to suit and liability for the unpaid indebtedness evidenced by this agreement.”

(h) The contract shall contain a notice in at least 8-point boldface type, acknowledged by the buyer, that reads as follows:

“If you have a complaint concerning this sale, you should try to resolve it with the seller.

Complaints concerning unfair or deceptive practices or methods by the seller may be referred to the city attorney, the district attorney, or an investigator for the Department of Motor Vehicles, or any combination thereof.

After this contract is signed, the seller may not change the financing or payment terms unless you agree in writing to the change. You do not have to agree to any change, and it is an unfair or deceptive practice for the seller to make a unilateral change.

Buyer’s Signature”

(i) (1) The contract shall contain an itemization of any insurance included as part of the amount financed disclosed pursuant to paragraph (3) of subdivision (a) and of any insurance included as part of the finance charge. The itemization shall identify the type of insurance coverage and the premium charged therefor, and, if the insurance expires before the date of the last scheduled installment included in the repayment schedule, the term of the insurance shall be stated.

(2) If any charge for insurance (other than for credit life or disability) is included in the contract balance and disbursement of any part thereof is to be made more than one year after the date of the conditional sale contract, any finance charge on the amount to be disbursed after one year shall be computed from the month the disbursement is to be made to the due date of the last installment under the conditional sale contract.

(j) (1) Except for contracts in which the finance charge or portion thereof is determined by the simple-interest basis and the amount financed disclosed pursuant to paragraph (8) of subdivision (a) is more than two thousand five hundred dollars (\$2,500), the dollar amount of the disclosed finance charge shall not exceed the greater of:

(A) (i) One and one-half percent on so much of the unpaid balance as does not exceed two hundred twenty-five dollars (\$225), $1\frac{1}{6}$ percent on so much of the unpaid balance in excess of two hundred twenty-five dollars (\$225) as does not exceed nine hundred dollars (\$900) and $\frac{5}{6}$ of 1 percent on so much of the unpaid balance in excess of nine hundred dollars (\$900) as does not exceed two thousand five hundred dollars (\$2,500); or

(ii) One percent of the entire unpaid balance; multiplied in either case by the number of months (computed on the basis of a full month for any fractional month period in excess of 15 days) elapsing between the date of the contract and the due date of the last installment; or

(B) If the finance charge is determined by the precomputed basis, twenty-five dollars (\$25); or

(C) If the finance charge or a portion thereof is determined by the simple-interest basis:

(i) Twenty-five dollars (\$25) if the unpaid balance does not exceed one thousand dollars (\$1,000).

(ii) Fifty dollars (\$50) if the unpaid balance exceeds one thousand dollars (\$1,000) but does not exceed two thousand dollars (\$2,000).

(iii) Seventy-five dollars (\$75) if the unpaid balance exceeds two thousand dollars (\$2,000).

(2) The holder of the contract shall not charge, collect, or receive a finance charge which exceeds the disclosed finance charge, except to the extent (A) caused by the holder's receipt of one or more payments under a contract which provides for determination of the finance charge or a portion thereof on the 365-day basis at a time or times other than as originally scheduled whether or not the parties enter into an agreement pursuant to Section 2982.3, (B) permitted by paragraph (2), (3), or (4) of subdivision (c) of Section 226.17 of Regulation Z, or (C) permitted by subdivisions (a) and (c) of Section 2982.8.

(3) If the finance charge or a portion thereof is determined by the simple-interest basis and the amount of the unpaid balance exceeds five thousand dollars (\$5,000), the holder of the contract may, in lieu of its right to a minimum finance charge under subparagraph (C) of paragraph (1), charge, receive, or collect on the date of the contract an administrative finance charge not to exceed seventy-five dollars (\$75), provided that the sum of the administrative finance charge and the portion of the finance charge determined by the simple-interest basis shall not exceed the maximum total finance charge permitted by subparagraph (A) of paragraph (1). Any administrative finance charge which is charged, received, or collected by a holder shall be deemed a finance charge earned on the date of the contract.

(4) When a contract provides for unequal or irregular payments, or payments on other than a monthly basis, the maximum finance charge shall be at the effective rate provided for in paragraph (1), having due regard for the schedule of installments.

(k) The contract may provide that for each installment in default for a period of not less than 10 days the buyer shall pay a delinquency charge in an amount not to exceed in the aggregate 5 percent of the delinquent installment, which amount may be collected only once on any installment regardless of the period during which it remains in default.

Payments timely received by the seller under an extension or deferral agreement shall not be subject to a delinquency charge unless the charge is permitted by Section 2982.3. The contract may provide for reasonable collection costs and fees in the event of delinquency.

(l) Notwithstanding any provision of a contract to the contrary, the buyer may pay at any time before maturity the entire indebtedness evidenced by the contract without penalty. In the event of prepayment in full:

(1) If the finance charge was determined on the precomputed basis, the amount required to prepay the contract shall be the outstanding contract balance as of that date, provided, however, that the buyer shall be entitled to a refund credit in the amount of the unearned portion of the finance charge, except as provided in paragraphs (3) and (4). The amount of the unearned portion of the finance charge shall be at least as great a proportion of the finance charge, including any additional finance charge imposed pursuant to Section 2982.8 or other additional charge imposed because the contract has been extended, deferred, or refinanced, as the sum of the periodic monthly time balances payable more than 15 days after the date of prepayment bears to the sum of all the periodic monthly time balances under the schedule of installments in the contract or, if the contract has been extended, deferred, or refinanced, as so extended, deferred, or refinanced. Where the amount of the refund credit is less than one dollar (\$1), no refund credit need be made by the holder. Any refund credit may be made in cash or credited to the outstanding obligations of the buyer under the contract.

(2) If the finance charge or a portion thereof was determined on the simple-interest basis, the amount required to prepay the contract shall be the outstanding contract balance as of that date, including any earned finance charges which are unpaid as of that date and, if applicable, the amount provided in paragraph (3), and provided further that in cases where a finance charge is determined on the 360-day basis, the payments theretofore received will be assumed to have been received on their respective due dates regardless of the actual dates on which the payments were received.

(3) Where the minimum finance charge provided by subparagraph (B) or subparagraph (C) of paragraph (1) of subdivision (j), if either is applicable, is greater than the earned finance charge as of the date of prepayment, the holder shall be additionally entitled to the difference.

(4) The provisions of this subdivision shall not impair the right of the seller or the seller's assignee to receive delinquency charges on delinquent installments and reasonable costs and fees as provided in subdivision (k) or extension or deferral agreement charges as provided in Section 2982.3.

(5) Notwithstanding any provision of a contract to the contrary, whenever the indebtedness created by any contract is satisfied prior to its maturity through surrender of the motor vehicle, repossession of the motor vehicle, redemption of the motor vehicle after repossession, or any judgment, the outstanding obligation of the buyer shall be determined as provided in paragraph (1) or (2); provided further that the buyer's outstanding obligation shall be computed by the holder as of the date the holder recovers the value of the motor vehicle through disposition thereof or judgment is entered or, if the holder elects to keep the motor vehicle in satisfaction of the buyer's indebtedness, as of the date the holder takes possession of the motor vehicle.

(m) Notwithstanding any other provision of this chapter to the contrary, any information required to be disclosed in a conditional sale contract under this chapter may be disclosed in any manner, method, or terminology required or permitted under Regulation Z, as in effect at the time that disclosure is made, except that permitted by paragraph (2) of subdivision (c) of Section 226.18 of Regulation Z, provided that all of the requirements and limitations set forth in subdivision (a) of this section are satisfied. Nothing in this chapter prohibits the disclosure in that contract of additional information required or permitted under Regulation Z, as in effect at the time that disclosure is made.

(n) If the seller imposes a fee for document preparation, the contract shall contain a disclosure that the fee is not a governmental fee.

(o) No seller may impose an application fee for a transaction governed by this chapter.

(p) The seller or holder may charge and collect a fee not to exceed fifteen dollars (\$15) for the return by a depository institution of a dishonored check, negotiated order of withdrawal, or share draft issued in connection with the contract, if the contract so provides or if the contract contains a generalized statement that the buyer may be liable for collection costs incurred in connection with the contract.

(q) The contract shall disclose on its face, by printing the word "new" or "used" within a box outlined in red, that is not smaller than one-half inch high and one-half inch wide, whether the vehicle is sold as a new vehicle, as defined in Section 430 of the Vehicle Code, or a used vehicle, as defined in Section 665 of the Vehicle Code.

(r) The contract shall contain a notice with a heading in at least 12-point bold type and the text in at least 10-point bold type, circumscribed by a line, immediately above the contract signature line, that reads as follows:

THERE IS NO COOLING OFF PERIOD

California law does not provide for a “cooling off” or other cancellation period for vehicle sales. Therefore, you cannot later cancel this contract simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. After you sign below, you may only cancel this contract with the agreement of the seller or for legal cause, such as fraud.

You may cancel this lease only with the agreement of the lessor or for legal cause, such as fraud.”

(f) Every lease contract shall contain, in at least eight-point bold type, the following notice: “You have the right to return the vehicle, and receive a refund of any payments made if the credit application is not approved, unless nonapproval results from an incomplete application or from incorrect information provided by you.”

(g) The lease contract shall be signed by the lessor and lessee, or their authorized representatives, and an exact copy of the fully executed lease contract shall be provided to the lessee at the time of signing.

(h) No motor vehicle shall be delivered under a lease contract subject to this chapter until the lessor provides to the lessee a fully executed copy of the lease contract.

(i) The lessor shall not obtain the signature of the lessee to a contract when it contains blank spaces to be filled in after it has been signed.

(j) If the lease contract contains a provision that holds the lessee liable for the difference between (1) the adjusted capitalized cost disclosed in the lease contract reduced by the amounts described in subparagraph (A) of paragraph (5) of subdivision (b) of Section 2987 and (2) the settlement proceeds of the lessee’s required insurance and deductible in the event

[Approved by Governor September 10, 2001. Filed with Secretary of State September 12, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 12463.1 of the Government Code is amended to read:

12463.1. (a) The Controller shall appoint an advisory committee consisting of seven local governmental officers to assist him or her in developing complete and adequate records.

(b) Whenever, in the opinion of the advisory committee and the Controller, the public welfare demands that the reports of the financial transactions of a district other than a school district be published, the Controller shall notify the district that reports of its financial transactions are required to be furnished to him or her pursuant to Article 9 (commencing with Section 53890) of Chapter 4 of Part 1 of Division 2 of Title 5. A public entity, agency, board, transportation planning agency designated by the Secretary of the Business, Transportation, and Housing Agency pursuant to Section 29532, or commission provided for by a joint powers agreement pursuant to Chapter 5 (commencing with Section 6500) of Division 7 of Title 1, and a nonprofit corporation as defined in subdivision (c), shall be deemed a district within the meaning of this section. The Controller shall compile and publish these reports pursuant to Section 12463.

(c) The Controller shall make available annually, in a separate report, published in an electronic format on the Controller's Web site, certain financial information about selected special districts. The information provided in this report shall be published no later than June 30 following the end of the annual reporting period. This report may be included whenever the Controller publishes a report pursuant to this section. The Controller shall include in his or her report information that best illustrates the assets, liabilities, and equity of selected districts. Specifically, the Controller shall include in this report a breakdown of each special district's (1) fund balance, which shall include the reserved and unreserved funds, typical for a nonenterprise district; (2) retained earnings, which shall include the reserved and unreserved funds, typical for enterprise districts; (3) fixed assets; and (4) cash and investments. The Controller may also include separate line items for "total revenues" and "total expenditures." CHAPTER 289

An act to amend Sections 2725.1, 2746.51, 4040, 4060, 4061, 4076, 4170, and 4175 of the Business and Professions Code, and to amend Sections 11026 and 11150 of the Health and Safety Code, relating to nurse-midwives.

[Approved by Governor September 10, 2001. Filed with
Secretary of State September 12, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) Certified nurse-midwives have provided controlled substances, under the supervision of a physician and surgeon, to patients in licensed facilities for over 20 years. In this role, certified nurse-midwives have served and continue to serve as valuable members of the health care team.

(b) To provide controlled substances, certified nurse-midwives must register with the United States Drug Enforcement Administration and provide, as required, documentation related to controlled substances. Certified nurse-midwives are also required, in providing controlled substances, to operate under standardized procedures or protocols developed through collaboration among organized health care systems, administrators, and health professionals, including physicians and surgeons and nurses.

(c) These standardized procedures and protocols are developed by the health care team, physicians and surgeons, certified nurse-midwives, and health care facility administrators as needed and appropriate for the dynamic health care system to allow the health care team to provide patient care.

(d) This act is intended to codify existing furnishing practices in accordance with the interpretation by the Board of Registered Nursing in its document entitled "Administering, Furnishing, and Prescribing Drugs in Modern Medical and Nursing Practice" of the Nursing Practice Act (Chapter 6 (commencing with Section 2700) of Division 2 of the Business and Professions Code). Nothing in this act is intended to increase the scope of practice of certified nurse-midwives.

SEC. 2. Section 2725.1 of the Business and Professions Code is amended to read:

2725.1. Notwithstanding any other provision of law, a registered nurse may dispense drugs or devices upon an order by a licensed physician and surgeon if the nurse is functioning within a licensed clinic as defined in paragraphs (1) and (2) of subdivision (a) of Section 1204 of, or within a clinic as defined in subdivision (b) or (c) of Section 1206, of the Health and Safety Code.

No clinic shall employ a registered nurse to perform dispensing duties exclusively. No registered nurse shall dispense drugs in a pharmacy, keep a pharmacy, open shop, or drugstore for the retailing of drugs or poisons. No registered nurse shall compound drugs. Dispensing of drugs by a registered nurse, except a certified nurse-midwife who functions pursuant to a standardized procedure or protocol described in Section 2746.51 or a nurse practitioner who functions pursuant to a standardized procedure described in Section 2836.1, or protocol, shall not include substances included in the California Uniform Controlled Substances Act (Division 10 (commencing with Section 11000) of the Health and Safety Code). Nothing in this section shall exempt a clinic from the provisions of Article 13 (commencing with Section 4180) of Chapter 9.

SEC. 3. Section 2746.51 of the Business and Professions Code is amended to read:

2746.51. (a) Neither this chapter nor any other provision of law shall be construed to prohibit a certified nurse-midwife from furnishing or ordering drugs or devices, including controlled substances classified in Schedule III, IV, or V under the California Uniform Controlled Substances Act (Division 10 (commencing with Section 11000) of the Health and Safety Code), when all of the following apply:

(1) The drugs or devices are furnished or ordered incidentally to the provision of any of the following:

(A) Family planning services, as defined in Section 14503 of the Welfare and Institutions Code.

(B) Routine health care or perinatal care, as defined in subdivision (d) of Section 123485 of the Health and Safety Code.

(C) Care rendered to essentially healthy persons within a facility specified in subdivision (a), (b), (c), (d), (i), or (j) of Section 1206 of the Health and Safety Code, a clinic as specified in Section 1204 of the

Health and Safety Code, a general acute care hospital as defined in subdivision (a) of Section 1250 of the Health and Safety Code, a licensed birth center as defined in Section 1204.3 of the Health and Safety Code, or a special hospital specified as a maternity hospital in subdivision (f) of Section 1250 of the Health and Safety Code.

(2) The drugs or devices are furnished or ordered by a certified nurse-midwife in accordance with standardized procedures or protocols. For purposes of this section, standardized procedure means a document, including protocols, developed and approved by the supervising physician and surgeon, the certified nurse-midwife, and the facility administrator or his or her designee. The standardized procedure covering the furnishing or ordering of drugs or devices shall specify all of the following:

(A) Which certified nurse-midwife may furnish or order drugs or devices.

(B) Which drugs or devices may be furnished or ordered and under what circumstances.

(C) The extent of physician and surgeon supervision.

(D) The method of periodic review of the certified nurse-midwife's competence, including peer review, and review of the provisions of the standardized procedure.

(3) If Schedule III controlled substances, as defined in Section 11056 of the Health and Safety Code, are furnished or ordered by a certified nurse-midwife, the controlled substances shall be furnished or ordered in accordance with a patient-specific protocol approved by the treating or supervising physician and surgeon.

(4) The furnishing or ordering of drugs or devices by a certified nurse-midwife occurs under physician and surgeon supervision. For purposes of this section, no physician and surgeon shall supervise more than four certified nurse-midwives at one time. Physician and surgeon supervision shall not be construed to require the physical presence of the physician, but does include all of the following:

(A) Collaboration on the development of the standardized procedure or protocol.

(B) Approval of the standardized procedure or protocol.

(C) Availability by telephonic contact at the time of patient examination by the certified nurse-midwife.

(b) (1) The furnishing or ordering of drugs or devices by a certified nurse-midwife is conditional on the issuance by the board of a number to the applicant who has successfully completed the requirements of paragraph (2). The number shall be included on all transmittals of orders for drugs or devices by the certified nurse-midwife. The board shall maintain a list of the certified nurse-midwives that it has certified pursuant to this paragraph and the number it has issued to each one. The

board shall make the list available to the California State Board of Pharmacy upon its request. Every certified nurse-midwife who is authorized pursuant to this section to furnish or issue a drug order for a controlled substance shall register with the United States Drug Enforcement Administration.

(2) The board has certified in accordance with paragraph (1) that the certified nurse-midwife has satisfactorily completed at least six month's physician and surgeon supervised experience in the furnishing or ordering of drugs or devices and a course in pharmacology covering the drugs or devices to be furnished or ordered under this section. The board shall establish the requirements for satisfactory completion of this paragraph.

(3) A copy of the standardized procedure or protocol relating to the furnishing or ordering of controlled substances by a certified nurse-midwife shall be provided upon request to any licensed pharmacist who is uncertain of the authority of the certified nurse-midwife to perform these functions.

(c) Drugs or devices furnished or ordered by a certified nurse-midwife may include Schedule II controlled substances under the California Uniform Controlled Substances Act, (Division 10 (commencing with Section 11000) of the Health and Safety Code) under the following conditions:

(1) The drugs and devices are furnished or ordered in a hospital as described in subdivision (a) of Section 1250 of the Health and Safety Code and are furnished or ordered in accordance with requirements referenced in paragraphs (2) to (4), inclusive, of subdivision (a) and in paragraphs (1) to (3), inclusive, of subdivision (b).

(2) When Schedule II controlled substances, as defined in Section 11055 of the Health and Safety Code, are furnished or ordered by a certified nurse-midwife, the controlled substances shall be furnished or ordered in accordance with a patient-specific protocol approved by the treating or supervising physician and surgeon.

(d) Furnishing of drugs or devices by a certified nurse-midwife means the act of making a pharmaceutical agent or agents available to the patient in strict accordance with a standardized procedure or protocol. Use of the term "furnishing" in this section shall include the following:

(1) The ordering of a drug or device in accordance with the standardized procedure or protocol.

(2) Transmitting an order of a supervising physician and surgeon.

(e) "Drug order" or "order" for purposes of this section means an order for medication or for a drug or device that is dispensed to or for an ultimate user, issued by a certified nurse-midwife as an individual practitioner, within the meaning of Section 1306.03 of Title 21 of the

Code of Federal Regulations. Notwithstanding any other provision of law, (1) a drug order issued pursuant to this section shall be treated in the same manner as a prescription of the supervising physician; (2) all references to "prescription" in this code and the Health and Safety Code shall include drug orders issued by certified nurse-midwives; and (3) the signature of a certified nurse-midwife on a drug order issued in accordance with this section shall be deemed to be the signature of a prescriber for purposes of this code and the Health and Safety Code.

(f) Nothing in this section, nor any other provision of law, shall be construed to authorize a nurse-midwife in solo practice to furnish drugs or devices, under any circumstances.

SEC. 4. Section 4040 of the Business and Professions Code is amended to read:

4040. (a) "Prescription" means an oral, written, or electronic transmission order that is both of the following:

(1) Given individually for the person or persons for whom ordered that includes all of the following:

(A) The name or names and address of the patient or patients.

(B) The name and quantity of the drug or device prescribed and the directions for use.

(C) The date of issue.

(D) Either rubber stamped, typed, or printed by hand or typeset, the name, address, and telephone number of the prescriber, his or her license classification, and his or her federal registry number, if a controlled substance is prescribed.

(E) A legible, clear notice of the condition for which the drug is being prescribed, if requested by the patient or patients.

(F) If in writing, signed by the prescriber issuing the order, or the certified nurse-midwife, nurse practitioner, or physician assistant who issues a drug order pursuant to Section 2746.51, 2836.1, or 3502.1.

(2) Issued by a physician, dentist, optometrist, podiatrist, or veterinarian or, if a drug order is issued pursuant to Section 2746.51, 2836.1, or 3502.1, by a certified nurse-midwife, nurse practitioner, or physician assistant licensed in this state.

(b) Notwithstanding subdivision (a), a written order of the prescriber for a dangerous drug, except for any Schedule II controlled substance, that contains at least the name and signature of the prescriber, the name and address of the patient in a manner consistent with paragraph (3) of subdivision (b) of Section 11164 of the Health and Safety Code, the name and quantity of the drug prescribed, directions for use, and the date of issue may be treated as a prescription by the dispensing pharmacist as long as any additional information required by subdivision (a) is readily retrievable in the pharmacy. In the event of a conflict between this

subdivision and Section 11164 of the Health and Safety Code, Section 11164 of the Health and Safety Code shall prevail.

(c) “Electronic transmission prescription” includes both image and data prescriptions. “Electronic image transmission prescription” means any prescription order for which a facsimile of the order is received by a pharmacy from a licensed prescriber. “Electronic data transmission prescription” means any prescription order, other than an electronic image transmission prescription, that is electronically transmitted from a licensed prescriber to a pharmacy.

(d) The use of commonly used abbreviations shall not invalidate an otherwise valid prescription.

(e) Nothing in the amendments made to this section (formerly Section 4036) at the 1969 Regular Session of the Legislature shall be construed as expanding or limiting the right that a chiropractor, while acting within the scope of his or her license, may have to prescribe a device.

SEC. 5. Section 4060 of the Business and Professions Code is amended to read:

4060. No person shall possess any controlled substance, except that furnished to a person upon the prescription of a physician, dentist, podiatrist, or veterinarian, or furnished pursuant to a drug order issued by a certified nurse-midwife pursuant to Section 2746.51, a nurse practitioner pursuant to Section 2836.1, or a physician assistant pursuant to Section 3502.1. This section shall not apply to the possession of any controlled substance by a manufacturer, wholesaler, pharmacy, physician, podiatrist, dentist, veterinarian, certified nurse-midwife, nurse practitioner, or physician assistant, when in stock in containers correctly labeled with the name and address of the supplier or producer.

Nothing in this section authorizes a certified nurse-midwife, a nurse practitioner, or a physician assistant to order his or her own stock of dangerous drugs and devices.

SEC. 6. Section 4061 of the Business and Professions Code is amended to read:

4061. No manufacturer’s sales representative shall distribute any dangerous drug or dangerous device as a complimentary sample without the written request of a physician, dentist, podiatrist, or veterinarian. However, a certified nurse-midwife who functions pursuant to a standardized procedure or protocol described in Section 2746.51, a nurse practitioner who functions pursuant to a standardized procedure described in Section 2836.1, or protocol, or a physician assistant who functions pursuant to Section 3502.1, may sign for the delivery or receipt of complimentary samples of a dangerous drug or dangerous device that has been requested in writing by his or her supervising physician. Each written request shall contain the names and addresses of the supplier and

the requester, the name and quantity of the specific dangerous drug desired, the name of the certified nurse-midwife, nurse practitioner, or physician assistant, if applicable, receiving the samples pursuant to this section, the date of receipt, and the name and quantity of the dangerous drugs or dangerous devices provided. These records shall be preserved by the supplier with the records required by Section 4059.

SEC. 7. Section 4076 of the Business and Professions Code is amended to read:

4076. (a) A pharmacist shall not dispense any prescription except in a container that meets the requirements of state and federal law and is correctly labeled with all of the following:

[Approved by Governor September 10, 2001. Filed with

The people of the State of California do enact as follows:

SECTION 1. Section 64591 of the Food and Agricultural Code is amended to read:

Accordingly, the Legislature finds that, with respect to persons who are appointed to such council, the particular agricultural industry concerned is tantamount to, and constitutes, the public generally within the meaning of Section 87103 of the Government Code.

SEC. 6. Section 64662 of the Food and Agricultural Code is amended to read:

64662. No program or activity which is conducted or sponsored pursuant to this chapter shall make false or unwarranted claims, or disparage the quality, value, use, or sale of any commodity authorized by law to be marketed in this state, nor shall any such program be conducted with reference to a private brand or trade name which refers to beef or a beef product, except as provided for in Section 64663.

The secretary shall find that the producers have approved any greater fee, if he or she finds that 60 percent of the producers voting in the referendum voted in favor of charging the greater fee. Ballots shall be provided to producers from a list provided by the council and approved by the secretary, and to other producers who request a ballot that provide proof of eligibility.

SEC. 10. Section 64702 of the Food and Agricultural Code is amended to read:

This subdivision shall not prevent the collection of fees by the secretary on subsequent sales of the cattle or calves.

(b) No fee shall be collected on the sale of cattle or calves if the sale is exempt from the federal act and regulations adopted pursuant thereto.

(c) (1) No person shall be liable for more than a total of one dollar (\$1) per head per sale of cattle or calves under this chapter and the federal act.

(b) (1) Any transactions and use tax imposed pursuant to this section shall be levied in accordance with Part 1.6 (commencing with Section 7251).

(2) The net revenues derived from a tax imposed pursuant to this section shall be expended for general revenue purposes.

SEC. 2. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the uniquely difficult fiscal pressures being experienced by

the City of Sebastopol in providing essential services and funding for city programs and operations.

CHAPTER 293

(1) The marketable skills of the supported party; the job market for those skills; the time and expenses required for the supported party to acquire the appropriate education or training to develop those skills; and the possible need for retraining or education to acquire other, more marketable skills or employment.

(2) The extent to which the supported party's present or future earning capacity is impaired by periods of unemployment that were incurred during the marriage to permit the supported party to devote time to domestic duties.

However, nothing in this section is intended to limit the court's discretion to order support for a greater or lesser length of time, based on any of the other factors listed in this section, Section 4336, and the circumstances of the parties.

(m) The criminal conviction of an abusive spouse shall be considered in making a reduction or elimination of a spousal support award in accordance with Section 4325.

4325. (a) In any proceeding for dissolution of marriage where there is a criminal conviction for an act of domestic violence perpetrated by one spouse against the other spouse entered by the court within five years prior to the filing of the dissolution proceeding, or at any time thereafter, there shall be a rebuttable presumption affecting the burden of proof that any award of temporary or permanent spousal support to the abusive spouse otherwise awardable pursuant to the standards of this part should not be made.

(b) The court may consider documented evidence of a convicted spouse's history as a victim of domestic violence, as defined in Section

(c) The rebuttable presumption created in this section may be rebutted by a preponderance of the evidence.

CHAPTER 294

An act to amend Section 1747.02 of the Civil Code, and to add Chapter 1.3 (commencing with Section 99030) to Part 65 of the Education Code, relating to credit cards.

[Approved by Governor September 12, 2001. Filed with
Secretary of State September 12, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1747.02 of the Civil Code is amended to read: 1747.02. As used in this title:

(a) "Credit card" means any card, plate, coupon book, or other single credit device existing for the purpose of being used from time to time upon presentation to obtain money, property, labor, or services on credit. "Credit card" does not mean any of the following:

(1) Any single credit device used to obtain telephone property, labor, or services in any transaction under public utility tariffs.

(2) Any device that may be used to obtain credit pursuant to an electronic fund transfer, but only if the credit is obtained under an agreement between a consumer and a financial institution to extend credit when the consumer's asset account is overdrawn or to maintain a specified minimum balance in the consumer's asset account.

(3) Any key or card key used at an automated dispensing outlet to obtain or purchase petroleum products, as defined in subdivision (c) of Section 13401 of the Business and Professions Code, that will be used primarily for business rather than personal or family purposes.

(b) "Accepted credit card" means any credit card that the cardholder has requested or applied for and received or has signed, or has used, or has authorized another person to use, for the purpose of obtaining money, property, labor, or services on credit. Any credit card issued in renewal of, or in substitution for, an accepted credit card becomes an accepted credit card when received by the cardholder, whether the credit card is issued by the same or a successor card issuer.

(c) "Card issuer" means any person who issues a credit card or the agent of that person for that purpose with respect to the credit card.

(d) “Cardholder” means a natural person to whom a credit card is issued for consumer credit purposes, or a natural person who has agreed with the card issuer to pay consumer credit obligations arising from the issuance of a credit card to another natural person. For purposes of Sections 1747.05, 1747.10, and 1747.20, the term includes any person to whom a credit card is issued for any purpose, including business, commercial, or agricultural use, or a person who has agreed with the card issuer to pay obligations arising from the issuance of that credit card to another person.

(f) “Unauthorized use” means the use of a credit card by a person, other than the cardholder, (1) who does not have actual, implied, or apparent authority for that use and (2) from which the cardholder receives no benefit. “Unauthorized use” does not include the use of a credit card by a person who has been given authority by the cardholder to use the credit card. Any attempted termination by the cardholder of the person’s authority is ineffective as against the card issuer until the cardholder complies with the procedures required by the card issuer to terminate that authority. Notwithstanding the above, following the card issuer’s receipt of oral or written notice from a cardholder indicating that it wishes to terminate the authority of a previously authorized user of a credit card, the card issuer shall follow its usual procedures for precluding any further use of a credit card by an unauthorized person.

(g) An “inquiry” is a writing that is posted by mail to the address of the card issuer to which payments are normally tendered, unless another address is specifically indicated on the statement for that purpose, then to that other address, and that is received by the card issuer no later than 60 days after the card issuer transmitted the first periodic statement that reflects the alleged billing error, and that does all of the following:

(1) Sets forth sufficient information to enable the card issuer to identify the cardholder and the account.

(2) Sufficiently identifies the billing error.

(3) Sets forth information providing the basis for the cardholder’s belief that the billing error exists.

(h) A “response” is a writing that is responsive to an inquiry and mailed to the cardholder’s address last known to the card issuer.

(i) A “timely response” is a response that is mailed within two complete billing cycles, but in no event later than 90 days, after the card issuer receives an inquiry.

(j) A “billing error” means an error by omission or commission in (1) posting any debit or credit, or (2) in computation or similar error of

an accounting nature contained in a statement given to the cardholder by the card issuer. A “billing error” does not mean any dispute with respect to value, quality, or quantity of goods, services, or other benefit obtained through use of a credit card.

(k) “Adequate notice” means a printed notice to a cardholder that sets forth the pertinent facts clearly and conspicuously so that a person against whom it is to operate could reasonably be expected to have noticed it and understood its meaning.

(l) “Secured credit card” means any credit card issued under an agreement or other instrument that pledges, hypothecates, or places a lien on real property or money or other personal property to secure the cardholder’s obligations to the card issuer.

(m) “Student credit card” means any credit card that is provided to a student at a public or private college or university and is provided to that student solely based on his or her enrollment in a public or private university, or is provided to a student who would not otherwise qualify for that credit card on the basis of his or her income. A “student credit card” does not include a credit card issued to a student who has a cocardholder or cosigner who would otherwise qualify for a credit card other than a student credit card.

CHAPTER 1.3. THE STUDENT FINANCIAL RESPONSIBILITY ACT

(b) That marketers of student credit cards be prohibited from offering gifts to students for filling out credit card applications.

(c) That credit card and debt education and counseling sessions become a regular part of campus orientation of new students. For purposes of this section, colleges and universities shall utilize existing debt education materials prepared by nonprofit entities and thus not incur the expense of preparing new materials.

(d) For the purposes of this chapter, “student credit card” has the meaning set forth in subdivision (m) of Section 1747.02 of the Civil Code.

SECTION 1. In enacting Section 2 of this act, it is the intent of the Legislature to statutorily implement the constitutional protections provided by Section 8 of Article I of the California Constitution, that no person may be disqualified from entering or pursuing a business, profession, vocation, or employment because of national or ethnic origin, among other factors, while also recognizing the statement of policy provided by Section 6 of Article III of the California Constitution, that English is the official language of California.

SEC. 2. Section 12951 is added to the Government Code, to read:

12951. (a) It is an unlawful employment practice for an employer, as defined in subdivision (d) of Section 12926, to adopt or enforce a policy that limits or prohibits the use of any language in any workplace, unless both of the following conditions exist:

(1) The language restriction is justified by a business necessity.

(2) The employer has notified its employees of the circumstances and the time when the language restriction is required to be observed and of the consequences for violating the language restriction.

(b) For the purposes of this section, “business necessity” means an overriding legitimate business purpose such that the language restriction is necessary to the safe and efficient operation of the business, that the language restriction effectively fulfills the business purpose it is supposed to serve, and there is no alternative practice to the language restriction that would accomplish the business purpose equally well with a lesser discriminatory impact.

CHAPTER 296

An act to amend Sections 1063 and 1063.5 of the Insurance Code, relating to insurance, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 12, 2001. Filed with
Secretary of State September 12, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1063 of the Insurance Code is amended to read:

1063. (a) Within 60 days after the original effective date of this article, all insurers, including reciprocal insurers, admitted to transact insurance in this state of any or all of the following classes only in accordance with the provisions of Chapter 1 (commencing with Section 100) of Part 1 of this division: fire (see Section 102), marine (see Section 103), plate glass (see Section 107), liability (see Section 108), workers' compensation (see Section 109), common carrier liability (see Section 110), boiler and machinery (see Section 111), burglary (see Section 112), sprinkler (see Section 114), team and vehicle (see Section 115), automobile (see Section 116), aircraft (see Section 118), and miscellaneous (see Section 120), shall establish the California Insurance Guarantee Association (the association); provided, however, this article shall not apply to the following classes or kinds of insurance: life and annuity (see Section 101), title (see Section 104), fidelity or surety including fidelity or surety bonds, or any other bonding obligations (see Section 105), disability or health (see Section 106), credit (see Section 113), mortgage (see Section 117), mortgage guaranty, insolvency or legal (see Section 119), financial guaranty or other forms of insurance offering protection against investment risks (see Section 124), the ocean marine portion of any marine insurance or ocean marine coverage under any insurance policy including the following: the Jones Act (46 U.S.C. Sec. 688), the Longshore and Harbor Workers' Compensation Act (33 U.S.C. Sec. 901 et seq.), or any other similar federal statutory enactment, or any endorsement or policy affording protection and indemnity coverage, or reinsurance as defined in Section 620, or fraternal fire insurance written by associations organized and operating under Sections 9080 to 9103, inclusive. Any insurer admitted to transact only those classes or kinds of insurance excluded from this article shall not be a member insurer of the association. Each such insurer, including the State Compensation Insurance Fund, as a condition of its authority to transact insurance in this state, shall participate in the association whether established voluntarily or by order of the commissioner after the

elapse of 60 days following the original effective date of this article in accordance with rules to be established as provided in this article. It shall be the purpose of the association to provide for each member insurer insolvency insurance as defined in Section 119.5.

(b) The association shall be managed by a board of governors, composed of nine member insurers, each of which shall be appointed by the commissioner to serve initially for terms of one, two, or three years and thereafter for three-year terms so that three terms shall expire each year on December 31, and shall continue in office until his or her successor shall be appointed and qualified. At least five members of the board shall be domestic insurers. At least three such members shall be stock insurers, and at least three shall be nonstock insurers. The nine members shall be representative, as nearly as possible, of the classes of insurance and of the kinds of insurers covered by this article. In case of a vacancy for any reason on the board, the commissioner shall appoint a member insurer to fill the unexpired term.

(c) The association shall adopt a plan of operations, and any amendments thereto, not inconsistent with the provisions of this article, necessary to assure the fair, reasonable, and equitable manner of administering the association, and to provide for other matters as are necessary or advisable to implement the provisions of this article. The plan of operations and any amendments thereto shall be subject to prior written approval by the commissioner. All members of the association shall adhere to the plan of operation.

(d) If for any reason the association fails to adopt a suitable plan of operation within 90 days following the original effective date of this article, or if at any time thereafter the association fails to adopt suitable amendments to the plan of operation, the commissioner shall after hearing adopt and promulgate reasonable rules as are necessary or advisable to effectuate the provisions of this chapter. These rules shall continue in force until modified by the commissioner after hearing or superseded by a plan of operation, adopted by the association and approved by the commissioner.

(e) In accordance with its plan of operation, the association may designate one or more of its members as a servicing facility, but a member may decline this designation. Each servicing facility shall be reimbursed by the association for all reasonable expenses it incurs and for all payments it makes on behalf of the association. Each servicing facility shall have authority to perform any functions of the association that the board of governors lawfully may delegate to it and to do so on behalf of and in the name of the association. The designation of servicing facilities shall be subject to the approval of the commissioner.

(f) The association shall have authority to borrow funds when necessary to effectuate the provisions of this article.

(g) The association, either in its own name or through servicing facilities, may be sued and may use the courts to assert or defend any rights the association may have by virtue of this article as reasonably necessary to fully effectuate the provisions thereof.

(h) The association shall have the right to intervene as a party in any proceeding instituted pursuant to Section 1016 wherein liquidation of a member insurer as defined in Section 1063.1 is sought.

(i) (1) The association shall have an annual audit of its financial condition conducted by an independent certified public accountant. The audit shall be conducted, to the extent possible, in accordance with generally accepted auditing standards (GAAS) and the report of the audit shall be submitted to the commissioner.

(2) The association shall annually audit at least one-third of the service companies retained by the association to adjust claims of insolvent insurers. The audits shall (A) assure that all covered claims are being investigated, adjusted, and paid in accordance with customary industry standards and practices and all applicable statutes, rules and regulations, and (B) examine the management and supervisory systems overseeing the claims functions. The audits shall be conducted by the association or an independent auditor, provided that the three largest service companies, as measured by the number of claims processed for the association during the previous three fiscal years, shall be audited by an independent auditor at least once every three years. The Association shall implement systems to retain independent auditing firms for the purpose of this paragraph, provided that no one firm is designated or utilized as an exclusive provider. Audits conducted pursuant to this paragraph shall be submitted annually to the commissioner for review.

(j) The commissioner shall examine the association to the same extent as, and in accordance with, the requirements of Article 4 (commencing with Section 730) of Chapter 1 of Part 2 of Division 2, which sets forth the examination requirements applicable to admitted insurers. A copy of the examination report shall be filed with the Chairpersons of the Senate and Assembly Committees on Insurance no later than December 31 of the year the report is completed.

SEC. 2. Section 1063.5 of the Insurance Code is amended to read:

1063.5. Each time an insurer becomes insolvent then, to the extent necessary to secure funds for the association for payment of covered claims of that insolvent insurer and also for payment of reasonable costs of adjusting the claims, the association shall collect premium payments from its member insurers sufficient to discharge its obligations. The association shall allocate its claim payments and costs, incurred or estimated to be incurred, to one or more of the following categories: (a) workers' compensation claims; (b) homeowners' claims, and automobile claims, which shall include: automobile material damage,

automobile liability (both personal injury and death and property damage), medical payments and uninsured motorist claims; and (c) claims other than workers' compensation, homeowners', and automobile, as above defined. Separate premium payments shall be required for each category. The premium payments for each category shall be used to pay the claims and costs allocated to that category. The rate of premium charged shall be a uniform percentage of net direct written premium in the preceding calendar year applicable to that category. The rate of premium charges to each member in the appropriate categories shall initially be based on the written premium of each insurer as shown in the latest year's annual financial statement on file with the commissioner. The initial premium shall be adjusted by applying the same rate of premium charge as initially used to each insurer's written premium as shown on the annual statement for the second year following the year in which the initial premium charge is made. The difference between the initial premium charge and the adjusted premium charge shall be charged or credited to each member insurer by the association as soon as practical after the filing of the annual statements of the member insurers with the commissioner for the year on which the adjusted premium is based. In the case of an insurer that was a member insurer when the initial premium charge was made and that paid the initial assessment but is no longer a member insurer at the time of the adjusted premium charge by reason of its insolvency or its withdrawal from the state and surrender of its certificate of authority to transact insurance in this state, any credit accruing to that insurer shall be refunded to it by the association. "Net direct written premiums" shall mean the amount of gross premiums, less return premiums, received in that calendar year upon business done in this state, other than premiums received for reinsurance. In cases of a dispute as to the amount of the net direct written premium between the association and one of its members the written decision of the commissioner shall be final. The premium charged to any member insurer for any of the three categories or a category established by the association shall not be more than 2 percent of the net direct premium written in that category in this state by that member insurer for one year from the effective date of the amendments made to this section by Assembly Bill No. 1183 of the 2001-02 Regular Session, and thereafter shall not be more than 1 percent of the net direct premium written in that category in this state by that member insurer. The association may exempt or defer, in whole or in part, the premium charge of any member insurer, if the premium charge would cause the member insurer's financial statement to reflect an amount of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. However, during the period of deferment, no

dividends shall be paid to shareholders or policyholders by the company whose premium charge was deferred. Deferred premium charges shall be paid when the payment will not reduce capital or surplus below required minimums. These payments shall be credited against future premium charges to those companies receiving larger premium charges by virtue of the deferment. After all covered claims of the insolvent insurer and expenses of administration have been paid, any unused premiums and any reimbursements or claims dividends from the liquidator remaining in any category shall be retained by the association and applied to reduce future premium charges in the appropriate category. However, an insurer which ceases to be a member of the association, other than an insurer that has become insolvent or has withdrawn from the state and has surrendered its certificate of authority following an initial assessment that is entitled to a refund based upon an adjusted assessment as provided above in this section, shall have no right to a refund of any premium previously remitted to the association. The commissioner may suspend or revoke the certificate of authority to transact business in this state of a member insurer which fails to pay a premium when due and after demand has been made.

Interest at a rate equal to the current federal reserve discount rate plus $2\frac{1}{2}$ percent per annum shall be added to the premium of any member insurer which fails to submit the premium requested by the association within 30 days after the mailing request. However, in no event shall the interest rate exceed the legal maximum.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that the California Insurance Guarantee Association may increase its surcharge rate to ensure prompt and adequate payment to injured California workers in the event of insurer insolvencies, it is necessary for this act to take effect immediately.

CHAPTER 297

An act to add Section 120354 to, to add Article 6 (commencing with Section 132320) to Chapter 2 of Division 12.7 of, and to repeal Section 120265 of, the Public Utilities Code, relating to transportation.

[Approved by Governor September 12, 2001. Filed with
Secretary of State September 12, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 120265 of the Public Utilities Code is repealed.

SEC. 2. Section 120354 is added to the Public Utilities Code, to read:

120354. (a) No other public entity within the area of the board's jurisdiction may file an application for funds for public transportation under Chapter 4 (commencing with Section 99200) of Part 11 of Division 10 of the Public Utilities Code.

(b) The board shall consolidate all available local, state, and federal transit financial resources for public mass transit operators and systems within its jurisdiction and, in coordination with the various operators, shall adopt a policy for annually prioritizing the use of those funds for all of the following:

(1) Services provided pursuant to the Americans with Disabilities Act of 1990 (Public Law 101-336).

(2) Local match requirements for federal and state transit capital grants.

(3) The local and regional service base.

(4) Any additional planning and operation of transit services and development and implementation of capital programs approved by the board.

SEC. 3. Article 6 (commencing with Section 132320) is added to Chapter 2 of Division 12.7 of the Public Utilities Code, to read:

Article 6. Extension or Expansion of Transactions and Use Tax

132320. For the purposes of this article, the following terms have the following meanings:

(a) To "expand" the transactions and use tax means to expand the purposes for which the revenue derived from the tax may be expended to include covering the costs of implementing measures to manage the impacts of regional transportation improvements, including, but not limited to, impacts related to growth, and maximize the efficiency of regional transportation and transit systems. These measures may include, but need not be limited to, any or all of the following:

(1) Acquisition, management, maintenance, and monitoring of natural habitat and open space.

(2) Development and implementation of watershed management.

(3) Construction, repair, replacement, and maintenance of storm water conveyance systems.

(b) To “extend” the transactions and use tax means to extend the imposition of the tax beyond any term stated in the tax ordinance originally imposing the tax.

132322. (a) An ordinance expanding or extending, or both, the retail transactions and use tax imposed under this chapter shall be imposed by the commission and shall be applicable in the incorporated and unincorporated territory of the county, if the constitutionally required percentage of the electors voting on the measure vote to approve its imposition at a special election called for that purpose by the commission. The ordinance shall take effect on the day immediately following the day of the election at which the proposition is adopted.

(b) If at any time the voters do not approve the imposition of the expansion or extension, or both, of the transactions and use tax, this chapter remains in full force and effect. The commission may, at any time thereafter, submit the same, or a different, measure to the voters in accordance with this article.

132324. (a) In the ordinance, the commission shall state the nature of the tax to be imposed, the tax rate or the maximum tax rate, and the purposes for which the revenue derived from the tax will be used.

(b) If the tax is extended, the ordinance shall set forth the new term during which the tax will be imposed.

(c) If the tax is expanded, the ordinance shall contain an expenditure plan that includes the allocation of revenues for the expanded purposes.

132326. (a) The county shall conduct an election called by the commission pursuant to Section 132322.

(b) The election shall be called and conducted in the same manner as provided by law for the conduct of elections by a county.

132328. (a) Any ordinance extending or expanding, or both, the transactions and use tax shall be operative on the day immediately following the day of the election at which the proposition is adopted.

(b) If the ordinance extends the transactions and use tax, the commission shall contract with the State Board of Equalization to perform all functions incident to the extended administration and operation of the ordinance.

132330. Any action or proceeding wherein the validity of the adoption of the extension or expansion, or both, of the retail transactions and use tax, or the issuance of any bonds thereunder, or any of the proceedings in relation thereto is contested, questioned, or denied, shall be commenced within 60 days from the date of the election at which the ordinance is approved; otherwise, the bonds and all proceedings in relation thereto, including the adoption and approval of the ordinance and the levy and collection of the retail transactions and use tax, shall be held to be valid and in every respect legal and incontestable.

132332. The commission has no power to extend or expand, or both, any tax other than the transactions and use tax extended or expanded upon approval of the voters in accordance with this chapter.

132334. All provisions of Article 5 (commencing with Section 132300) relating to allocation of revenues, tax rates, and bonds apply to the expanded or extended, or both, transactions and use tax, except that the revenues derived from the expanded tax may be used for the additional purposes described in subdivision (a) of Section 132320.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district are the result of a program for which legislative authority was requested by that local agency or school district, within the meaning of Section 17556 of the Government Code and Section 6 of Article XIII B of the California Constitution.

CHAPTER 298

An act to add Section 3333.7 to the Civil Code, and to amend Sections 15242, 34520, and 34623, of the Vehicle Code, relating to commercial vehicles.

3333.7. (a) Notwithstanding any other provision of law, any person who suffers injury that is proximately caused by the driver of a commercial motor vehicle shall be entitled to recover treble damages from the driver's employer where it is shown both that the driver of a commercial motor vehicle was under the influence of alcohol or a controlled substance at the time that the injury was caused and that the driver's employer willfully failed at the time of the injury to comply with any of the requirements of federal law described in subdivision (a) of Section 34520 of the Vehicle Code in regard to the involved driver.

(b) For the purposes of subdivision (a), "willfully failed" has the same meaning as "willful failure" as defined in paragraph (3) of subdivision (c) of Section 34623 of the Vehicle Code.

(c) For purposes of subdivision (a), an "employer" is a person or entity who employs the driver or who contracts with an owner-operator, who meets the requirements set forth in subdivision (b) of Section 34624

of the Vehicle Code, to provide transportation services, and who is required to engage in mandatory substance abuse testing pursuant to subdivision (a) of Section 34520 of the Vehicle Code. This subdivision shall not be construed to change the definition of “employer,” “employee,” or “independent contractor” for any purpose.

(d) Nothing in this section is intended to preclude or affect existing rights.

SEC. 2. Section 15242 of the Vehicle Code is amended to read:

15242. (a) A person who is self-employed as a commercial motor vehicle driver shall comply with both the requirements of this chapter pertaining to employers and those pertaining to employees.

(b) Notwithstanding subdivision (a), any motor carrier that engages an owner-operator meeting the requirements of subdivision (b) of Section 34624 to provide transportation services under the direction and control of that motor carrier is responsible for the compliance of that owner-operator with this chapter and for purposes of the regulations adopted by the department pursuant to Section 34501 during the period of that direction and control.

(c) For the purposes of subdivision (b), “direction and control” means either of the following:

(1) The owner-operator is operating under the United States Department of Transportation interstate operating authority of the motor carrier.

(2) The owner-operator has performed transportation services for a minimum of 60 days within the past 90 days for the motor carrier and has been on duty for that carrier for no less than 36 hours within any week in which transportation services were provided.

(d) Subdivision (b) shall not be construed to change the definition of “employer,” “employee,” or “independent contractor” for any purpose.

SEC. 3. Section 34520 of the Vehicle Code is amended to read:

34520. (a) Motor carriers and drivers shall comply with the controlled substances and alcohol use, transportation, and testing requirements of the United States Secretary of Transportation as set forth in Part 382 (commencing with Section 382.101) of, and Sections 392.5(a)(1) and 392.5(a)(3) of, Title 49 of the Code of Federal Regulations.

(2) For the purposes of complying with the return-to-duty alcohol or controlled substances test requirements, or both, of Section 382.309 of Title 49 of the Code of Federal Regulations and the followup alcohol or controlled substances test requirements, or both, of Section 382.311 of that title, the department may use those test results to monitor drivers who are motor carriers.

(3) No evidence derived from a positive test result in the possession of a motor carrier shall be admissible in a criminal prosecution concerning unlawful possession, sale, or distribution of controlled substances.

(c) Any drug or alcohol testing consortium, as defined in Section 382.107 of Title 49 of the Code of Federal Regulations, shall mail a copy of all drug and alcohol positive test result summaries to the department within three days of the test. This requirement applies only to drug and alcohol positive tests of those drivers employed by motor carriers who operate terminals within this state.

(d) A transit agency receiving federal financial assistance under Section 3, 9, or 18 of the Federal Transit Act, or under Section 103(e)(4) of Title 23 of the United States Code, as defined in Section 653.7 of Title 49 of the Code of Federal Regulations, concerning controlled substance use, and Section 654.7 of Title 49 of the Code of Federal Regulations, concerning alcohol abuse, shall comply with the controlled substances and alcohol use and testing requirements of the United States Secretary of Transportation as set forth in Part 653 (commencing with Section 653.1) of, and Part 654 (commencing with Section 654.1) of, Title 49 of the Code of Federal Regulations.

(e) An applicant for employment as a commercial driver or an owner-operator seeking to provide transportation services and, meeting the requirements of subdivision (b) of Section 34624, may not be placed on duty by a motor carrier until a preemployment test for controlled substances and alcohol use meeting the requirements of the federal regulations referenced in subdivision (a) have been completed and a negative test result has been reported.

(f) An applicant for employment as a commercial driver or an owner-operator, seeking to provide transportation services and meeting the requirements of subdivision (b) of Section 34624, may not be placed on duty by a motor carrier until the motor carrier has completed a full investigation of the driver's employment history meeting the requirements of the federal regulations cited under subdivision (a). Every motor carrier, whether making or receiving inquiries concerning a driver's history, shall document all activities it has taken to comply with this subdivision.

(g) A motor carrier that utilizes a preemployment screening service to review applications is in compliance with the employer duties under

subdivisions (e) and (f) if the preemployment screening services that are provided satisfy the requirements of state and federal law and the motor carrier abides by any findings that would, under federal law, disqualify an applicant from operating a commercial vehicle.

(h) It is a misdemeanor punishable by imprisonment in the county jail for six months and a fine not to exceed five thousand dollars (\$5,000), or by both the imprisonment and fine, for any person to willfully violate this section. As used in this subdivision, "willfully" has the same meaning as defined in Section 7 of the Penal Code.

(i) This section does not apply to a peace officer, as defined in Section 830.1 or 830.2 of the Penal Code, who is authorized to drive vehicles described in Section 34500 if that peace officer is participating in a substance abuse detection program within the scope of his or her employment.

SEC. 4. Section 34623 of the Vehicle Code is amended to read:

34623. (a) The Department of the California Highway Patrol has exclusive jurisdiction for the regulation of safety of operation of motor carriers of property.

(b) The motor carrier permit of a motor carrier of property may be suspended for failure to do any of the following:

(1) Maintain any vehicle of the carrier in a safe operating condition or to comply with this code or with applicable regulations contained in Title 13 of the California Code of Regulations, if that failure is either a consistent failure or presents an imminent danger to public safety.

(2) Enroll all drivers in the pull notice system as required by Section 1808.1.

(3) Submit any application or pay any fee required by subdivision (e) or (h) of Section 34501.12 within the timeframes set forth in that section.

(c) The motor carrier permit of a motor carrier of property shall be suspended for failure to either (1) comply with the requirements of federal law described in subdivision (a) of Section 34520 of the Vehicle Code, or (2) make copies of results and other records available as required by subdivision (b) of that section. The suspension shall be as follows:

(1) For a serious violation, which is a willful failure to perform substance abuse testing in accordance with state or federal law:

(A) For a first offense, a mandatory five-day suspension.

(B) For a second offense within three years of a first offense, a mandatory three-month suspension.

(C) For a third offense within three years of a first offense, a mandatory one year suspension.

(2) For a nonserious violation, the time recommended to the department by the Department of the California Highway Patrol.

(3) For the purposes of this subdivision, “willful failure” means any of the following:

(A) An intentional and uncorrected failure to have a controlled substances and alcohol testing program in place.

(B) An intentional and uncorrected failure to enroll an employed driver into the controlled substances and alcohol testing program.

(C) A knowing use of a medically disqualified driver, including the failure to remove the driver from safety-sensitive duties upon notification of the medical disqualification.

(D) An attempt to conceal legal deficiencies in the motor carrier’s controlled substances and alcohol testing program.

(d) The department, pending a hearing in the matter pursuant to subdivision (f), may suspend a carrier’s permit.

(e) (1) A motor carrier whose motor carrier permit is suspended pursuant to subdivision (b) may obtain a reinspection of its terminal and vehicles by the Department of the California Highway Patrol by submitting a written request for reinstatement to the department and paying a reinstatement fee as required by Section 34623.5.

(2) A motor carrier whose motor carrier permit is suspended for failure to submit any application or to pay any fee required by Section 34501.12 shall present proof of having submitted that application or have paid that fee to the Department of the California Highway Patrol before applying for reinstatement of its motor carrier permit.

(3) The department shall deposit all reinstatement fees collected from motor carriers of property pursuant to this section in the fund. Upon receipt of the fee, the department shall forward a request to the Department of the California Highway Patrol, which shall perform a reinspection within a reasonable time, or shall verify receipt of the application or fee or both the application and fee. Following the term of a suspension imposed under Section 34670, the department shall reinstate a carrier’s motor carrier permit suspended under subdivision (b) upon notification by the Department of the California Highway Patrol that the carrier’s safety compliance has improved to the satisfaction of the Department of the California Highway Patrol, or that the required application or fees have been received by the Department of the California Highway Patrol, unless the permit is suspended for another reason or has been revoked.

(f) Whenever the department suspends the permit of any carrier pursuant to subdivision (b) or paragraph (3) of subdivision (i), the department shall furnish the carrier with written notice of the suspension and shall provide for a hearing within a reasonable time, not to exceed 21 days, after a written request is filed with the department. At the hearing, the carrier shall show cause why the suspension should not be continued. Following the hearing, the department may terminate the

suspension, continue the suspension in effect, or revoke the permit. The department may revoke the permit of any carrier suspended pursuant to subdivision (b) at any time that is 90 days or more after its suspension if the carrier has not filed a written request for a hearing with the department or has failed to submit a request for reinstatement pursuant to subdivision (e).

(g) Notwithstanding any other provision of this code, no hearing shall be provided when the suspension of the motor carrier permit is based solely upon the failure of the motor carrier to maintain satisfactory proof of financial responsibility as required by this code, or failure of the motor carrier to submit an application or to pay fees required by Section 34501.12.

(h) A motor carrier of property may not operate a commercial motor vehicle on any public highway in this state during any period its motor carrier of property permit is suspended pursuant to this division.

(i) (1) A motor carrier of property whose motor carrier permit is suspended pursuant to this section or Section 34505.6, which suspension is based wholly or in part on the failure of the motor carrier to maintain any vehicle in safe operating condition, may not lease, or otherwise allow, another motor carrier to operate the vehicles of the carrier subject to the suspension, during the period of the suspension.

(2) A motor carrier of property may not knowingly lease, operate, dispatch, or otherwise utilize any vehicle from a motor carrier of property whose motor carrier permit is suspended, which suspension is based wholly or in part on the failure of the motor carrier to maintain any vehicle in safe operating condition.

(3) The department may immediately suspend the motor carrier permit of any motor carrier that the department determines to be in violation of paragraph (2).

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 299

SECTION 1. Section 394 of the Military and Veterans Code is amended to read:

394. (a) No person shall discriminate against any officer, warrant officer or enlisted member of the military or naval forces of the state or of the United States because of that membership. No member of the military forces shall be prejudiced or injured by any person, employer, or officer or agent of any corporation, company, or firm with respect to that member's employment, position or status or be denied or disqualified for employment by virtue of membership or service in the military forces of this state or of the United States.

If the license is not renewed within 30 days after its expiration the licensee, as a condition precedent to renewal, shall also pay the delinquency fee prescribed by this chapter. Renewal under this section shall be effective on the date on which the application is filed, on the date on which all renewal fees are paid, or on the date on which the delinquency fee, if any, is paid, whichever last occurs. If so renewed, the license shall continue in effect through the date provided in Section 7725 that next occurs after the effective date of the renewal, when it shall expire if it is not again renewed.

A structural pest control applicator shall not contract for pest control work or perform pest control work in his or her own behalf.

(b) As used in this chapter, "applicator" refers to "structural pest control applicator."

SEC. 12. Section 8513 of the Business and Professions Code is amended to read:

8513. (a) The board shall prescribe a form entitled "Notice to Owner" that shall describe, in nontechnical language and in a clear and coherent manner using words with common and everyday meaning, the pertinent provisions of this state's mechanics' lien laws and the rights and responsibilities of an owner of property and a registered pest control company thereunder. Each company registered under this chapter, prior to entering into a contract with an owner for work for which a company registration is required, shall give a copy of this "Notice to Owner" to the owner, his or her agent, or the payer.

(b) No company that is required to be registered under this chapter shall require or request a waiver of lien rights from any subcontractor, employer, or supplier.

(c) Each company registered under this chapter that acts as a subcontractor for another company registered under this chapter shall, within 20 days of commencement of any work for which a company registration is required, give the preliminary 20-day notice (private work) in accordance with the provisions of Section 3097 of the Civil Code, to the owner, his or her agent, or the payer.

(d) Each company registered under this chapter that acts as a prime contractor for work for which a company registration is required shall, prior to accepting payment for the work, furnish to the owner, his or her agent, or the payer a full and unconditional release from any claim of mechanics' lien by any subcontractor entitled to enforce a mechanics' lien pursuant to Section 3114 of the Civil Code.

(e) Each company registered under this chapter that subcontracts to another company registered under this chapter work for which a company registration is required shall furnish to the subcontractor the name of the owner, his or her agent, or the payer.

(f) The provisions of this section shall be applicable only to those registered companies, as defined in Section 8506.1, operating pursuant to a Branch 1 or Branch 3 registration.

(g) A violation of the provisions of this section is a ground for disciplinary action.

SEC. 13. Section 8516 of the Business and Professions Code is amended to read:

8516. (a) This section, and Section 8519, apply only to wood destroying pests or organisms.

(b) No registered company or licensee shall commence work on a contract, or sign, issue, or deliver any documents expressing an opinion or statement relating to the absence or presence of wood destroying pests or organisms until an inspection has been made by a licensed Branch 3 field representative or operator. The address of each property inspected or upon which work is completed shall be reported on a form prescribed by the board and shall be filed with the board no later than 10 business days after the commencement of an inspection or upon completed work.

Every property inspected pursuant to this subdivision or Section 8518 shall be assessed a filing fee pursuant to Section 8674.

Failure of a registered company to report and file with the board the address of any property inspected or work completed pursuant to Section 8518 or this section is grounds for disciplinary action and shall subject the registered company to a fine of not more than two thousand five hundred dollars (\$2,500).

A written inspection report conforming to this section and on a form approved by the board shall be prepared and delivered to the person requesting the inspection or to the person's designated agent within 10 business days of the inspection, except that an inspection report prepared

for use by an attorney for litigation purposes is not required to be reported to the board. The report shall be delivered before work is commenced on any property. The registered company shall retain for three years all original inspection reports, filed notes, and activity forms.

Reports shall be made available for inspection and reproduction to the executive officer of the board or his or her duly authorized representative during business hours. Original inspection reports or copies thereof shall be submitted to the board upon request within two business days. The following shall be set forth in the report:

(1) The date of the inspection and the name of the licensed field representative or operator making the inspection.

(2) The name and address of the person or firm ordering the report.

(3) The name and address of any person who is a party in interest.

(4) The address or location of the property.

(5) A general description of the building or premises inspected.

(6) A foundation diagram or sketch of the structure or structures or portions of the structure or structures inspected, indicating thereon the approximate location of any infested or infected areas evident, and the parts of the structure where conditions that would ordinarily subject those parts to attack by wood destroying pests or organisms exist.

(7) Information regarding the substructure, foundation walls and footings, porches, patios and steps, air vents, abutments, attic spaces, roof framing that includes the eaves, rafters, fascias, exposed timbers, exposed sheathing, ceiling joists, and attic walls, or other parts subject to attack by wood destroying pests or organisms. Conditions usually deemed likely to lead to infestation or infection, such as earth-wood contacts, excessive cellulose debris, faulty grade levels, excessive moisture conditions, evidence of roof leaks, and insufficient ventilation are to be reported.

(8) One of the following statements, as appropriate, printed in bold type:

(A) The exterior surface of the roof was not inspected. If you want the water tightness of the roof determined, you should contact a roofing contractor who is licensed by the Contractors' State License Board.

(B) The exterior surface of the roof was inspected to determine whether or not wood destroying pests or organisms are present.

(9) Indication or description of any areas that are inaccessible or not inspected with recommendation for further inspection if practicable. If, after the report has been made in compliance with this section, authority is given later to open inaccessible areas, a supplemental report on conditions in these areas shall be made.

(10) Recommendations for corrective measures.

(11) Information regarding the pesticide or pesticides to be used for their control as set forth in subdivision (a) of Section 8538.

(12) The inspection report shall clearly disclose that if requested by the person ordering the original report, a reinspection of the structure will be performed if an estimate or bid for making repairs was given with the original inspection report, or thereafter.

(13) The inspection report shall contain the following statement, printed in boldface type:

“NOTICE: Reports on this structure prepared by various registered companies should list the same findings (i.e. termite infestations, termite damage, fungus damage, etc.). However, recommendations to correct these findings may vary from company to company. You have a right to seek a second opinion from another company.”

An estimate or bid for repairs shall be given separately allocating the costs to perform each and every recommendation for corrective measures as specified in subdivision (c) with the original inspection report if the person who ordered the original inspection report so requests, and if the registered company is regularly in the business of performing corrective measures.

If no estimate or bid was given with the original inspection report, or thereafter, then the registered company shall not be required to perform a reinspection.

A reinspection shall be an inspection of those items previously listed on an original report to determine if the recommendations have been completed. Each reinspection shall be reported on an original inspection report form and shall be labeled “Reinspection” in capital letters by rubber stamp or typewritten. Each reinspection shall also identify the original report by date and stamp numbers.

After four months from an original inspection, all inspections shall be original inspections and not reinspections.

Any reinspection shall be performed for not more than the price of the registered company’s original inspection price and shall be completed within 10 working days after a reinspection has been ordered.

(c) At the time a report is ordered, the registered company or licensee shall inform the person or entity ordering the report, that a separated report is available pursuant to this subdivision. If a separated report is requested at the time the inspection report is ordered, the registered company or licensee shall separately identify on the report each recommendation for corrective measures as follows:

(1) The infestation or infection that is evident.

(2) The conditions that are present that are deemed likely to lead to infestation or infection.

If a registered company or licensee fails to inform as required by this subdivision and a dispute arises, or if any other dispute arises as to whether this subdivision has been complied with, a separated report shall

be provided within 24 hours of the request but, in no event, later than the next business day, and at no additional cost.

(d) When a corrective condition is identified, either as paragraph (1) or (2) of subdivision (c), and the responsible party, as negotiated between the buyer and the seller, chooses not to correct those conditions, the registered company or licensee shall not be liable for damages resulting from a failure to correct those conditions or subject to any disciplinary action by the board. Nothing in this subdivision, however, shall relieve a registered company or a licensee of any liability resulting from negligence, fraud, dishonest dealing, other violations pursuant to this chapter, or contractual obligations between the registered company or licensee and the responsible parties.

(e) The inspection report form prescribed by the board shall separately identify the infestation or infection that is evident and the conditions that are present that are deemed likely to lead to infestation or infection. If a separated form is requested, the form shall explain the infestation or infection that is evident and the conditions that are present that are deemed likely to lead to infestation or infection and the difference between those conditions. In no event, however, shall conditions deemed likely to lead to infestation or infection be characterized as actual “defects” or as actual “active” infestations or infections or in need of correction as a precondition to issuing a certification pursuant to Section 8519.

(f) The report and any contract entered into shall also state specifically when any guarantee for the work is made, and if so, the specific terms of the guarantee and the period of time for which the guarantee shall be in effect.

(g) Control service is defined as the regular reinspection of a property after a report has been made in compliance with this section and any corrections as have been agreed upon have been completed. Under a control service agreement a registered company shall refer to the original report and contract in a manner as to identify them clearly, and the report shall be assumed to be a true report of conditions as originally issued, except it may be modified after a control service inspection. A registered company is not required to issue a report as outlined in paragraphs (1) to (11), inclusive, of subdivision (b) after each control service inspection. If after control service inspection, no modification of the original report is made in writing, then it will be assumed that conditions are as originally reported. A control service contract shall state specifically the particular wood destroying pests or organisms and the portions of the buildings or structures covered by the contract.

(h) A registered company or licensee may enter into and maintain a control service agreement provided the following requirements are met:

(1) The control service agreement shall be in writing, signed by both parties, and shall specifically include the following:

(A) The wood destroying pests and organisms that could infest and infect the structure.

(B) The wood destroying pests and organisms covered by the control service agreement. Any wood destroying pest or organism that is not covered must be specifically listed.

(C) The type and manner of treatment to be used to correct the infestations or infections.

(D) The structures or buildings, or portions thereof, covered by the agreement, including a statement specifying whether the coverage for purposes of periodic inspections is limited or full. Any exclusions from those described in the original report must be specifically listed.

(E) A reference to the original inspection report and agreement.

(F) The frequency of the inspections to be provided, the fee to be charged for each renewal, and the duration of the agreement.

(G) Whether the fee includes structural repairs.

(H) If the services provided are guaranteed, and, if so, the terms of the guarantee.

(I) A statement that all corrections of infestations or infections covered by the control service agreement shall be completed within six months of discovery, unless otherwise agreed to in writing by both parties.

(2) Inspections made pursuant to a control service agreement shall be conducted by a Branch 3 licensee. Section 8506.1 does not modify this provision.

(3) A full inspection of the property covered by the control service agreement shall be conducted and a report filed pursuant to subdivision (b) at least once every three years from the date that the agreement was entered into, unless the consumer cancels the contract within three years from the date the agreement was entered into.

(4) A written report shall be required for the correction of any infestation or infection unless all of the following conditions are met:

(A) The infestation or infection has been previously reported.

(B) The infestation or infection is covered by the control service agreement.

(C) There is no additional charge for correcting the infestation or infection.

(D) Correction of the infestation or infection takes place within 45 days of its discovery.

(E) Correction of the infestation or infection does not include fumigation.

(5) All notice requirements pursuant to Section 8538 shall apply to all pesticide treatments conducted under control service agreements.

(6) For purposes of this section, “control service agreement” means any agreement, including extended warranties, to have a licensee conduct over a period of time regular inspections and other activities related to the control or eradication of wood destroying pests and organisms.

(i) All work recommended by a registered company, where an estimate or bid for making repairs was given with the original inspection report, or thereafter, shall be recorded on this report or a separate work agreement and shall specify a price for each recommendation. This information shall be provided to the person requesting the inspection, and shall be retained by the registered company with the inspection report copy for three years.

SEC. 14. Section 8516.1 of the Business and Professions Code is repealed.

SEC. 15. Section 8516.2 of the Business and Professions Code is repealed.

SEC. 16. Section 8517 of the Business and Professions Code is amended to read:

8517. Any work contract, billing, agreement, letter of work completed, or other correspondence or document expressing an opinion or making a statement relating to the presence or absence of wood destroying pests or organisms or nondecay fungi, shall refer to the inspection report required by Section 8516. These documents shall indicate specifically whether all of the recommended work as set forth in the inspection report was completed, or, if not, the document shall indicate specifically which recommendations were not completed.

SEC. 17. Section 8518 of the Business and Professions Code is amended to read:

8518. When a registered company completes work under a contract, it shall prepare, on a form prescribed by the board, a notice of work completed and not completed, and shall furnish that notice to the owner of the property or the owner’s agent within 10 working days after completing the work. The notice shall include a statement of the cost of the completed work and estimated cost of work not completed.

The address of each property inspected or upon which work was completed shall be reported on a form prescribed by the board and shall be filed with the board no later than 10 working days after completed work.

Every property upon which work is completed shall be assessed a filing fee pursuant to Section 8674.

Failure of a registered company to report and file with the board the address of any property upon which work was completed pursuant to subdivision (b) of Section 8516 or Section 8518 is grounds for

disciplinary action and shall subject the registered company to a fine of not more than two thousand five hundred dollars (\$2,500).

The registered company shall retain for three years all original notices of work completed, work not completed, and activity forms.

Notices of work completed and not completed shall be made available for inspection and reproduction to the executive officer of the board or his or her duly authorized representative during business hours. Original notices of work completed or not completed or copies thereof shall be submitted to the board upon request within two business days.

SEC. 18. Section 8538 of the Business and Professions Code is amended to read:

8538. (a) A registered structural pest control company shall provide the owner, or owner's agent, and tenant of the premises for which the work is to be done with clear written notice which contains the following statements and information using words with common and everyday meaning:

(1) The pest to be controlled.

(2) The pesticide or pesticides proposed to be used, and the active ingredient or ingredients.

(3) "State law requires that you be given the following information: CAUTION—PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Companies are registered and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized."

"If within 24 hours following application you experience symptoms similar to common seasonal illness comparable to the flu, contact your physician or poison control center (telephone number) and your pest control company immediately." (This statement shall be modified to include any other symptoms of overexposure which are not typical of influenza.)

"For further information, contact any of the following: Your Pest Control Company (telephone number); for Health Questions—the County Health Department (telephone number); for Application Information—the County Agricultural Commissioner (telephone number) and for Regulatory Information—the Structural Pest Control Board (telephone number and address)."

(4) If a contract for periodic pest control has been executed, the frequency with which the treatment is to be done.

(b) In the case of Branch 1 applications, the notice, as prescribed by subdivision (a), shall be provided at least 48 hours prior to application unless fumigation follows inspection by less than 48 hours.

In the case of Branch 2 or Branch 3 registered company applications, the notice, as prescribed by subdivision (a) shall be provided no later than prior to application.

In either case, the notice shall be given to the owner, or owner's agent, and tenant, if there is a tenant, in at least one of the following ways:

- (1) First-class mail.
- (2) Posting in a conspicuous place on the real property.
- (3) Personal delivery.

If the building is commercial or industrial, a notice shall be posted in a conspicuous place, unless the owner or owner's agent objects, in addition to any other notification required by this section.

The notice shall only be required to be provided at the time of the initial treatment if a contract for periodic service has been executed. If the pesticide to be used is changed, another notice shall be required to be provided in the manner previously set forth herein.

(c) Any person or licensee who, or registered company which, violates any provision of this section is guilty of a misdemeanor and is punishable as set forth in Section 8553.

SEC. 19. Section 8551.5 of the Business and Professions Code is amended to read:

8551.5. No unlicensed individual in the employ of a registered company shall apply any pesticide, rodenticide, or allied chemicals or substances for the purpose of eliminating, exterminating, controlling, or preventing infestation or infections of pests, or organisms included in Branch 2 or Branch 3. However, an individual may, for 30 days from the date of hire, apply pesticides, rodenticides, or allied chemicals for the purposes of training under the direct supervision of a licensed field representative or operator employed by the company. This direct supervision means in the presence of the licensed field representative or operator at all times. The 30-day time period may not be extended.

(b) The board may issue a license for a combination of two or more branches for which an applicant qualifies under the provisions of this chapter, and the combination license shall be considered one license.

(c) Unless otherwise authorized by the board, all written examinations shall be in ink in books supplied by the board. All examination papers shall be kept for a period of one year, upon the expiration of which these papers may be destroyed on order of the board. Each applicant for license as an operator or a field representative shall be designated by a number instead of by name, and the identity thereof shall not be disclosed until the examination papers are graded. No person shall be admitted to the examination room except members of the board, the examining personnel, and the applicants for license.

(d) The board shall make rules and regulations for the purpose of securing fair, impartial, and proper examinations.

(e) Licensees may be licensed in other branches upon complying with the requirements for qualification and by examination in those other branches. No failure of the licensee to pass examination in the other branch or branches shall have any effect on existing licenses.

(f) The examination shall be in each of the subjects specified in the branch or branches relating to the respective applications. The board shall not accept any application for a field representative's license in Branch 2 unless the applicant submits proof satisfactory to the board that he or she has had training and experience in the practice of pesticide application, Branch 2 pest identification and biology, pesticide application equipment, and pesticide hazards and safety practice under the immediate supervision of an operator or field representative licensed in Branch 2, or the equivalent of that training and experience.

(b) No business establishment of any kind whatsoever may discriminate, with respect to the price charged for services of similar or like kind, against a person because of the person's gender.

(c) Nothing in subdivision (b) prohibits price differences based specifically upon the amount of time, difficulty, or cost of providing the services.

(d) Except as provided in subdivision (f), the remedies for a violation of this section are the remedies provided in subdivision (a) of Section 52. However, an action under this section is independent of any other remedy or procedure that may be available to an aggrieved party.

(e) This act does not alter or affect the provisions of the Health and Safety Code, the Insurance Code, or other laws that govern health care service plan or insurer underwriting or rating practices.

(f) (1) The following business establishments shall clearly and conspicuously disclose to the customer in writing the pricing for each standard service provided:

(A) Tailors or businesses providing aftermarket clothing alterations.

(B) Barbers or hair salons.

(C) Dry cleaners and laundries providing services to individuals.

(2) The price list shall be posted in an area conspicuous to customers. Posted price lists shall be in no less than 14-point boldface type and clearly and completely display pricing for every standard service offered by the business under paragraph (1).

CHAPTER 313

An act to add Section 5558 to the Business and Professions Code, relating to architectural services.

[Approved by Governor September 18, 2001. Filed with Secretary of State September 19, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares:

(a) The California Architects Board is charged with regulating the practice of architecture and licensing qualified individuals to provide architectural services in order to protect the health, safety, and welfare of the public.

(b) Additionally, the board is charged with providing to the public information about licensed architects to allow consumers of architectural services to make informed decisions in selecting a firm or licensee with which to contract for architectural services.

(c) In response to California's diverse business climate and consumer demands, the business structures for providing architectural services have evolved from the traditional sole proprietor to include corporations, professional corporations, partnerships, and limited liability partnerships.

(d) The current information available from the board does not reflect the diverse business structures for providing architectural services in today's marketplace. Therefore, the ability of consumers to obtain information about the architect in responsible control of providing architectural services is unnecessarily impeded.

(e) Furthermore, the board would benefit from information regarding the business entity providing architectural services in order to communicate with licensees and the public in a more efficient and cost-effective manner.

(f) The Legislature hereby intends that this act authorize the board to obtain critical and necessary information for consumers in today's diverse architectural marketplace.

SEC. 2. Section 5558 is added to the Business and Professions Code, to read:

5558. Each person holding a license to practice architecture under this chapter shall file with the board his or her current mailing address and the proper and current name and address of the entity through which he or she provides architectural services. For purposes of this section,

“entity” means any individual, firm, corporation, or limited liability partnership.

(c) The advisory committee shall make recommendations to the director and the director shall use his or her best efforts to implement those recommendations for activities to be conducted with funds collected pursuant to Section 8051.3, and those funds collected from any previous calendar year shall be available for use for those activities.

(d) This section shall remain in effect only until January 1, 2008, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2008, deletes or extends that date.

(b) The complaint shall be served by personal notice or certified mail, and shall inform the party served that the party may request a hearing not

later than 20 days from the date the party was served. The hearing shall be before a member of the board as it may specify.

(c) After any hearing, the member shall report a proposed decision and order to the board and shall supply a copy to the party served with the complaint, the board's executive director, and any other person requesting a copy. The member of the board acting as hearing officer may sit as a member of the board in deciding the matter. The board, after making an independent review of the record and taking any additional evidence as may be necessary that could not reasonably have been offered before the hearing officer, may adopt, with or without revision, the proposed decision and order.

(d) Orders setting administrative civil liability shall become effective and final upon issuance thereof and payment shall be made.

SEC. 2. Section 1055.2 of the Water Code is amended to read:

(b) Any party aggrieved by any decision or order may, not later than 30 days from the date of final action by the board, file a petition for a writ of mandate for review of the decision or order. Except in cases where the decision or order is issued under authority delegated to an officer or employee of the board, reconsideration before the board is not an administrative remedy that is required to be exhausted before filing a petition for writ of mandate. The time for filing the petition for writ of mandate and the time for filing an action or proceeding in which the board is a respondent under Section 21167 of the Public Resources Code shall be extended for any person who seeks reconsideration by the board

pursuant to this article. The amendment of this subdivision made during the 2001 portion of the 2001–02 Regular Session does not constitute a change in, but is declaratory of, existing law.

(d) If the protest is based on an allegation other than injury to a legal user of water, the board may cancel the protest for failure to submit information requested by the board if the board determines both of the following:

(1) The public review period has expired for any draft environmental document or negative declaration required to be circulated for public review and comment pursuant to Division 13 (commencing with Section 21000) of the Public Resources Code.

(2) In the absence of the requested information, there is no substantial evidence in light of the whole record to support the allegation.

(e) If a protest is subject to both subdivisions (c) and (d), the part of the protest subject to subdivision (c) may be canceled pursuant to subdivision (c) and the part of the protest subject to subdivision (d) may be canceled pursuant to subdivision (d).

SEC. 16. Section 1704 of the Water Code is amended to read:

1704. (a) The board, after a hearing, may approve with conditions, or deny, a petition.

(b) Notice of hearing shall be given by mailing the notice not less than 20 days before the date of hearing to the petitioner and to any protestant by registered mail.

(c) (1) The board may, but is not required to, hold a hearing prior to approving an unprotested petition.

(2) The board may, but is not required to, hold a hearing if the board determines that undisputed facts support the approval of the petition and there is no disputed issue of material fact.

(3) The board may, but is not required to, hold a hearing prior to denying a petition, if, after notice, the board determines that the petition is defective, the petition fails to provide information requested by the board, or undisputed facts support the denial of the petition and there is no disputed issue of material fact.

CHAPTER 316

An act to amend Sections 47200, 42845, 42961.5, and 48660 of the Public Resources Code, relating to solid waste.

[Approved by Governor September 19, 2001. Filed with
Secretary of State September 20, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 47200 of the Public Resources Code is amended to read:

47200. (a) The board shall expend funds from the account, upon appropriation by the Legislature, for the making of grants to cities, counties, or other local agencies with responsibility for solid waste management, and for local programs to help prevent the disposal of hazardous wastes at disposal sites, including, but not limited to, programs to expand or initially implement household hazardous waste programs. In making grants pursuant to this section, the board shall give priority to funding programs that provide for the following:

(1) New programs for rural areas, underserved areas, and for small cities.

(2) Expansion of existing programs to provide for the collection of additional waste types, innovative or more cost-effective collection methods, or expanded public education services.

(3) Regional household hazardous waste programs.

(b) (1) The total amount of grants made by the board pursuant to this section shall not exceed, in any one fiscal year, three million dollars (\$3,000,000).

(2) Notwithstanding paragraph (1), the total amount of grants made by the board pursuant to this section may exceed three million dollars (\$3,000,000) but shall not exceed five million dollars (\$5,000,000), in any one fiscal year, if sufficient funds are appropriated from the Integrated Waste Management Account for this purpose.

SEC. 2. Section 42845 of the Public Resources Code is amended to read:

42845. (a) Any person who stores, stockpiles, or accumulates waste tires at a location for which a waste tire facility permit is required pursuant to this chapter, or in violation of the terms and conditions of the permit, the provisions of this chapter, or the regulations adopted under this chapter, shall, upon order of the board, clean up those waste tires or abate the effects thereof, or, in the case of threatened pollution or nuisance, take other necessary remedial action.

(b) (1) Upon failure of any person to comply with the cleanup or abatement order, the Attorney General, at the request of the board, shall petition the superior court for that county for the issuance of an injunction requiring the person to comply with that order. In any suit, the court shall have jurisdiction to grant a prohibitory or mandatory injunction, either preliminary or permanent, as the facts may warrant.

(2) If the Attorney General declines, or is unable, to petition the appropriate superior court for issuance of an injunction within 45 days from the board's request, pursuant to paragraph (1), the district attorney

or county counsel of that county may, at the board's request, petition the superior court for issuance of the injunction specified in paragraph (1).

SEC. 3. Section 42961.5 of the Public Resources Code is amended to read:

42961.5. (a) For purposes of this chapter, the following definitions shall apply:

(1) "California Uniform Waste and Used Tire Manifest" means a shipping document signed by a generator of waste or used tires, a waste and used tire hauler, or the operator of a waste or used tire facility or other destination that contains all of the information required by the board, including, but not limited to, an accurate measurement of the number of tires being shipped, the type or types of the tires, the date the shipment originated, and the origin and intended final destination of the shipment.

(2) "Waste and used tire hauler" means any person required to be registered with the board pursuant to subdivision (a) of Section 42951.

(b) Any person generating waste or used tires that are transported or submitted for transportation, for offsite handling, altering, storage, disposal, or for any combination thereof, shall complete a California Uniform Waste and Used Tire Manifest, as required by the board. The generator shall provide the manifest to the waste and used tire hauler at the time of transfer of the tires. Each generator shall submit to the board, on a quarterly schedule, a legible copy of each manifest. The copy submitted to the board shall contain the signatures of the generator and the waste and used tire hauler.

(c) (1) Any waste and used tire hauler shall have the California Uniform Waste and Used Tire Manifest in his or her possession while transporting waste or used tires. The manifest shall be shown upon demand to any representative of the board, any officer of the California Highway Patrol, any peace officer, as defined in Section 830.1 or 830.2 of the Penal Code, or any local public officer designated by the board.

(2) Any waste and used tire hauler hauling waste or used tires for offsite handling, altering, storage, disposal, or any combination thereof, shall complete the California Uniform Waste and Used Tire Manifest as required by the board. The waste and used tire hauler shall provide the manifest to the waste or used tire facility operator who receives the waste or used tires for handling, altering, storage, disposal, or any combination thereof. Each waste and used tire hauler shall submit to the board, on a quarterly schedule, a legible copy of each manifest. The copy submitted to the board shall contain the signatures of the generator and the facility operator.

(d) Each waste or used tire facility operator that receives waste or used tires for handling, altering, storage, disposal, or any combination thereof, that was transported with a manifest pursuant to this section, shall submit copies of each manifest provided by the waste and used tire

hauler to the board and the generator on a quarterly schedule. The copy submitted to the board shall contain the signatures of each generator, each transporter, and the facility operator. If approved by the board, in lieu of submitting a copy of each manifest used, a facility operator may submit an electronic report to the board meeting the requirements of Section 42814.

(e) The board shall develop and implement a system for auditing manifests submitted to the board pursuant to this section, for the purpose of enforcing this section. The board or its agent shall continuously conduct random sampling and matching of manifests submitted by any person generating waste or used tires, hauling waste or used tires, or operating waste or used tire facilities, to assure compliance with this section.

(f) (1) If approved by the board, any waste and used tire generator, waste and used tire hauler, or operator of a waste tire facility that is subject to the manifest requirements of this section, may submit an electronic report to the board, in lieu of submitting the copy of the manifest required. The electronic report shall include all information required to be on the California Uniform Waste and Used Tire Manifest, and any other information required by the board.

(2) A waste and used tire generator, waste and used tire hauler, or operator of a waste tire facility that is subject to paragraph (1) may submit the electronic reports to the board on a quarterly schedule.

SEC. 4. Section 48660 of the Public Resources Code is amended to read:

48660. (a) No used oil collection center shall be eligible for the payment of recycling incentives until the board has certified that the center is in compliance with the requirements specified in subdivision (b). Before certification, the board may require the center to submit any information that the board determines is necessary to find that the center is in compliance with those requirements. A center shall reapply for certification every two years. The board may cancel the certification of a center if the board finds, after a public hearing, that the center is not, or has not been, in compliance with subdivision (b). The board may withhold the payment of recycling incentives for used lubricating oil collected by a center if the board finds that the center was not in compliance with subdivision (b) during the time in which the used lubricating oil was collected.

(b) To be eligible for certification by the board and for the payment of recycling incentives, the used oil collection center shall do all of the following:

(1) (A) Accept used lubricating oil from the public at no charge during the hours between 8 a.m. and 8 p.m. that the entity operating as the center is open for business.

(B) The board may approve alternative hours for the acceptance of used lubricating oil by an individual center if either of the following conditions is met:

(i) The center accepts used lubricating oil for 12 continuous hours daily.

(ii) The center demonstrates that compliance with Section 279.31 of Title 40 of the Code of Federal Regulations prevents the center from complying with subparagraph (A).

(2) Pay to any person an amount equal to the recycling incentive which the center will receive for used lubricating oil brought to the center in containers by the person. Nothing in this chapter prohibits any person from donating used lubricating oil to a center. With the exception of centers that generate used lubricating oil by servicing motor vehicles, the recycling incentive may be in the form of a credit that may be applied toward the purchase of goods or services offered by the center, as determined by the board. The credit shall be in the form of a voucher or coupon with a value of at least twice the incentive amount to be paid pursuant to Section 48652 and have no other limits for use, unless prescribed by the board.

(3) Provide information to the board for informing the public of the center's acceptance of used lubricating oil.

(4) Provide notice to the public, through onsite signs and periodic advertising in local media, of the center's acceptance of used lubricating oil from the public.

(A) Onsite signs shall be of a design prescribed by the board and exterior signs shall be posted in a location that is easily visible from a public street.

(B) A certified center shall post a combined symbolic and information exterior sign of at least two feet by three feet in size, or shall post an exterior symbolic sign of at least two feet by 18 inches in size. If the exterior symbolic sign is posted, the combined symbolic and informational sign shall be concurrently posted so that it is easily readable from the location where the used oil is received from the public. The exterior symbolic sign shall include the following words in a manner specified by the board: "Used Oil Collection Center."

(C) The informational portion of the combined signs shall include the following words, in a manner specified by the board: "Used Oil Collection Center—Recycling Incentive Paid for Used Lubricating Oil in Containers During Business Hours from Members of the Public Who Change Their Own Oil."

(D) A center that does not accept used lubricating oil from the public during all of its business hours, but meets the requirements of paragraph (1), shall indicate on the exterior sign the hours when that used oil is

accepted at no charge from the public and these hours shall be posted instead of the business hours.

(E) If local zoning ordinances prevent signs of a size consistent with this paragraph, the exterior symbolic sign shall be of the maximum allowable size.

(c) Notwithstanding subdivision (b), a used oil collection center may refuse to accept used lubricating oil which has been contaminated in a manner other than that which would occur through normal use.

(d) Notwithstanding subdivision (b), no used oil collection center shall knowingly accept used lubricating oil for which a payment has not been made pursuant to Section 48650.

CHAPTER 317

An act to amend Sections 48600 and 48632 of, and to add Sections 48618.4, 48620.5, and 48645 to, the Public Resources Code, relating to stormwater runoff, and making an appropriation therefor.

[Approved by Governor September 19, 2001. Filed with
Secretary of State September 20, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 48600 of the Public Resources Code is amended to read:

48600. The Legislature finds and declares the following:

(a) The problem posed by used oil disposal requires a comprehensive, statewide response, including, but not limited to, eliminating illegal disposal, reducing landfill disposal of used oil, reducing pollution from stormwater runoff, recycling of used oil into new uses, and the promotion of secondary markets for recycled oil products.

(b) That the improper or illegal disposal of used oil, often mixed with other solid waste, is a potential source of stormwater pollution and that environmental education and mitigation efforts regarding proper management of used oil and oil byproducts is within the purposes of this chapter.

(c) California currently generates about 161 million gallons of used lubricating and industrial oil each year, and only about 50 percent of that oil is recycled.

(d) The scarcity of used oil collection centers and programs, and the charges imposed on consumers for recycling used oil, create economic disincentives for recycling that could be addressed through a recycling incentive program.

(e) Used oil represents a valuable state resource that should be reclaimed and recycled whenever possible. An abundance of used oil recycling alternatives exist that have been demonstrated to be environmentally safe. These alternatives need to be promoted in order to achieve the maximum use of used oil and prevent damage to the environment.

(f) It is the intent of the Legislature to reduce the illegal disposal of used oil and recycle and reclaim used oil to the greatest extent possible in order to recover valuable natural resources and to avoid damage to the environment and threats to public health.

SEC. 2. Section 48618.4 is added to the Public Resources Code, to read:

48618.4. "Mitigation" is the prevention of stormwater pollution from used oil and oil byproducts and the reduction or alleviation of the effect of stormwater pollution from used oil and oil byproducts by means of action taken on public property. Mitigation includes the installation of devices and implementation of practices that prevent used oil and oil byproducts from causing stormwater pollution. Mitigation does not include the cleanup or restoration of polluted areas.

SEC. 3. Section 48620.5 is added to the Public Resources Code, to read:

48620.5. "Stormwater pollution" for purposes of mitigation does not include runoff at a specific facility even if there is no point source at the facility. This pollution is from used oil and oil byproducts, often mixed with other solid waste, and is typically dispersed by urban stormwater and marina or boating activities, or both.

SEC. 4. Section 48632 of the Public Resources Code is amended to read:

48632. The board may issue grants or loans pursuant to subdivision (b) of Section 48631 for only the following purposes:

(a) To local governments for providing opportunities for used lubricating oil collection, which are in addition to those included in the local used oil collection programs adopted pursuant to Article 10 (commencing with Section 48690). Grants or loans under this subdivision may also be for those purposes identified in subdivision (d).

(b) To nonprofit entities for projects, which may include one or more of the following programs or activities:

(1) Establishing used lubricating oil collection centers.

(2) Providing containers and other materials and supplies that the public can utilize in an environmentally sound manner to store used lubricating oil for pickup or return to a used oil collection center.

(3) Obtaining equipment and establishing procedures to comply with federal, state, and local law regarding the collection, handling, and storage of used oil.

- (4) For the purposes identified in subdivision (d).
- (c) For either or both of the following purposes:
 - (1) Research, testing, and demonstration projects for collection technologies and to develop uses for products resulting from the recycling of used oil.
 - (2) The purposes identified in subdivision (d).
 - (d) (1) For education and mitigation projects relating to stormwater pollution from used oil and oil byproducts, including, but not limited to, use of storm drain inlet filter devices.
 - (2) A local government shall not receive a grant or loan pursuant to this section for any purpose identified in paragraph (1) unless the local government certifies that it has a stormwater management program that is approved by the appropriate California regional water quality control board and that the project approved for funding under paragraph (1) is consistent with that approved stormwater management program.

SEC. 5. Section 48645 is added to the Public Resources Code, to read:

48645. Final approval of applicant and project eligibility standards, scoring and evaluation processes, and awarding of loans or grants under this chapter shall be made in a public meeting of, and pursuant to a vote of, the board.

CHAPTER 318

An act to amend Sections 8420, 8423, and 8429 of, and to repeal and add Sections 8425, 8428, and 8429.7 of, the Fish and Game Code, relating to commercial fishing, and making an appropriation therefor.

[Approved by Governor September 19, 2001. Filed with
Secretary of State September 20, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 8420 of the Fish and Game Code is amended to read:

8420. (a) The Legislature finds and declares that the fishery for market squid (*Loligo opalescens*) is the state's largest fishery by volume, generating millions of dollars of income to the state annually from domestic and foreign sales. In addition to supporting an important commercial fishery, the market squid resource is important to the recreational fishery and is forage for other fish taken for commercial and recreational purposes, as well as for marine mammals, birds, and other marine life. The growing international market for squid and declining

squid production from other parts of the world has resulted in an increased demand for California market squid, which, in turn, has led to newer, larger, and more efficient vessels entering the fishery and increased processing capacity.

(b) The Legislature finds that the lack of research on market squid and the lack of annual at-sea surveys to determine the status of the resource, combined with the increased demand for, and fishing effort on, market squid could result in overfishing of the resource, damaging the resource, and financially harming those persons engaged in the taking, landing, processing, and sale of market squid.

(c) The Legislature further finds that some individuals, vessels, and processing plants engaged in the market squid fishery have no other viable alternative fisheries available to them and that a decline or a loss of the market squid resource would cause economic devastation to the individuals or corporations engaged in the market squid fishery.

(d) The Legislature declares that to prevent excessive fishing effort in the market squid fishery and to develop a plan for the sustainable harvest of market squid, it is necessary to adopt and implement a fishery management plan for the California market squid fishery that sustains both the squid population and the marine life that depends on squid.

(e) The Legislature finds that a sustainable California market squid fishery can best be ensured through ongoing oversight and management of the fishery by the commission. With regard to the market squid fishery, the Legislature urges that any limited entry component of a fishery management plan, if necessary, should be adopted for the primary purpose of protecting the resource and not simply for the purpose of diminishing or advancing the economic interests of any particular individual or group.

SEC. 2. Section 8423 of the Fish and Game Code is amended to read:

8423. (a) No person shall operate a squid light boat unless the owner of the boat has been issued a commercial squid light boat owner's permit by the department and a permit number is affixed to the boat in the manner prescribed by the department.

(b) The department shall issue a commercial squid light boat owner's permit to a person who submits an application, pays the permit fee, and meets the other requirements of this section.

(c) The department may regulate the use of squid light boats consistent with the regulations established for commercial squid vessels.

(d) For the 2002–03 permit year, the fee for a commercial squid light boat owner's permit is four hundred dollars (\$400).

(e) It is unlawful for a person to engage in the following activities, unless the vessel used for the activity has been issued a commercial

market squid vessel permit or the person holds a commercial squid light boat owner's permit:

(1) Attracting squid by light displayed from a vessel, except from a vessel deploying nets for the take, possession, and landing of squid or except from the seine skiff of the vessel deploying nets for the take, possession, and landing of squid.

(2) Attracting squid by light displayed from a vessel whose primary purpose is other than the deployment, or assistance in the deployment, of nets for the take, possession, and landing of squid.

(f) A commercial squid light boat owner's permit shall be issued to a person who is the owner of record of a vessel that is registered with the department pursuant to Section 7881. For purposes of this subdivision, an owner includes any person who has a lease-purchase agreement for the purchase of a vessel.

(g) No person who is issued a commercial squid light boat owner's permit shall sell, trade, or transfer the permit to another person.

SEC. 3. Section 8425 of the Fish and Game Code is repealed.

SEC. 4. Section 8425 is added to the Fish and Game Code, to read: 8425. (a) On or before December 31, 2002, the commission, after consideration of the report and recommendations prepared by the department pursuant to subdivision (c) of Section 8426, and, after public hearings, shall adopt a market squid fishery management plan and regulations to protect the squid resource and manage the squid fishery at a level that sustains healthy squid populations, taking into account the level of fishing effort and ecological factors, including, but not limited to, the species' role in the marine ecosystem and oceanic conditions. The management plan shall be consistent with the requirements of Part 1.7 (commencing with Section 7050). Development of the plan shall be coordinated with the federal Coastal Pelagic Species Fishery Management Plan.

(b) On and after January 1, 2002, the commission shall manage the squid fishery in accordance with the requirements of Part 1.7 (commencing with Section 7050).

SEC. 5. Section 8428 of the Fish and Game Code is repealed.

SEC. 6. Section 8428 is added to the Fish and Game Code, to read: 8428. Commencing April 1, 2003, and annually thereafter, the fees for a commercial market squid vessel permit and for a commercial squid light boat owner's permit shall be established by the commission. The total amount of fees collected pursuant to this section, including any revenue derived from any other appropriate source, as determined and allocated by the commission, shall not exceed the department's and the commission's costs for managing the market squid fishery pursuant to Section 8425. The fees collected pursuant to this article shall be used

only for the management of the market squid fishery pursuant to Section 8425.

SEC. 7. Section 8429 of the Fish and Game Code is amended to read:

8429. Any statement made to the department, orally or in writing, relating to a permit issued under this article, shall be made under penalty of perjury. The commission shall revoke the commercial fishing license, the commercial boat registration of any vessel, and, if applicable, any licenses issued pursuant to Section 8032, 8033, or 8034 that are held by any person submitting material false statements, as determined by the commission, for the purpose of obtaining a commercial market squid vessel permit or a commercial light boat owner's permit.

SEC. 8. Section 8429.7 of the Fish and Game Code is repealed.

SEC. 9. Section 8429.7 is added to the Fish and Game Code, to read:

8429.7. Sections 8420.5 to 8423.5, inclusive, and Sections 8426 and 8427 shall become inoperative upon the adoption by the commission of a market squid fishery management plan and the adoption of implementing regulations pursuant to Section 8425, and are repealed six months thereafter.

SEC. 10. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 319

An act to amend Sections 25160, 25165, and 25205.16 of, to add Sections 25110.9.3, 25110.10.1, and 25160.2 to, and to repeal Section 25250.8 of, the Health and Safety Code, and to amend Section 4 of Chapter 684 of the Statutes of 1992, relating to hazardous waste.

[Approved by Governor September 19, 2001. Filed with
Secretary of State September 20, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 25110.9.3 is added to the Health and Safety Code, to read:

25110.9.3. For purposes of this chapter, “consolidated manifest” means a hazardous waste manifest used by a milk run transporter to combine hazardous waste shipments from multiple generators on one consolidated manifest pursuant to the procedures in Section 25160.2.

SEC. 2. Section 25110.10.1 is added to the Health and Safety Code, to read:

25110.10.1. For purposes of this chapter, “consolidated transporter” means a hazardous waste transporter registered pursuant to Section 25165 and the regulations adopted by the department who has notified the department pursuant to Section 25165 of its intent to use the consolidated manifesting procedures set forth in Section 25160.2.

SEC. 3. Section 25160 of the Health and Safety Code is amended to read:

25160. (a) For purposes of this chapter, “manifest” means a shipping document originated and signed by a generator of hazardous waste that contains all of the information required by the department and that complies with all applicable federal and state regulations.

(b) (1) Except as provided in Section 25160.2 or as otherwise authorized by a variance issued by the department, any person generating hazardous waste that is transported, or submitted for transportation, for offsite handling, treatment, storage, disposal, or any combination thereof, shall complete a manifest prior to the time the waste is transported or offered for transportation, and shall designate on that manifest the facility to which the waste is to be shipped for the handling, treatment, storage, disposal, or combination thereof. The manifest shall be completed as required by the department. The generator shall provide the manifest to the person who will transport the hazardous waste, who is the driver, if the hazardous waste will be transported by vehicle, or the person designated by the railroad corporation or vessel operator, if the hazardous waste will be transported by rail or vessel. The generator shall use the standard California Uniform Hazardous Waste Manifest supplied by the department for all shipments of hazardous waste for which a manifest is required, except as provided in paragraph (2). A manifest shall only be used for the purposes specified in this chapter, including, but not limited to, identifying materials that the person completing the manifest reasonably believes are hazardous waste. Within 30 days from the date of transport, or submission for transport, of hazardous waste, each generator of that hazardous waste shall submit to the department a legible copy of each manifest used. The copy submitted to the department shall contain the signatures of the generator and the transporter. In lieu of submitting a copy of each manifest used, a generator may submit an electronic report to the department meeting the requirements of Section 25160.3.

(2) Except as provided in Section 25160.2 or as otherwise authorized by a variance issued by the department, any person generating hazardous waste that is transported, or submitted for transportation, for offsite handling, treatment, storage, disposal, or any combination thereof, outside of the state, shall complete, whether or not the waste is determined to be hazardous by the importing country or state, a standard California Uniform Hazardous Waste Manifest, or the generator shall complete, in its own form of manifest, the manifest required by the receiving state and shall submit a copy of that manifest to the department within 30 days from the date of the transport, or submission for transport, of the hazardous waste. In lieu of submitting a copy of each manifest used, a generator may submit an electronic report to the department meeting the requirements of Section 25160.3.

(3) Within 30 days from the date of transport, or submission for transport, of hazardous waste out of state, each generator of that hazardous waste shall submit to the department a legible copy of each manifest used. The copy submitted to the department shall contain the signatures of the generator, all transporters, excepting intermediate rail transporters, and the out-of-state facility operator. If within 35 days from the date of the initial shipment, or for exports by water to foreign countries 60 days after the initial shipment, the generator has not received a copy of the manifest signed by all transporters and the facility operator, the generator shall contact the owner or operator of the designated facility to determine the status of the hazardous waste and to request that the owner or operator immediately provide a signed copy of the manifest to the generator. Except as provided otherwise in paragraph (2) of subdivision (h) of Section 25123.3, if within 45 days from the date of the initial shipment or, for exports by water to foreign countries, 90 days from the date of the initial shipment, the generator has not received a copy of the signed manifest from the facility owner or operator, the generator shall submit an exception report to the department.

(4) For shipments of waste that do not require a manifest pursuant to Title 40 of the Code of Federal Regulations, the department, by regulation, may establish manifest requirements that differ from the requirements of this section. The requirements for an alternative form of manifest shall ensure that the hazardous waste is transported by a registered hazardous waste transporter, that the hazardous waste is tracked, and that human health and safety and the environment are protected.

(5) (A) Notwithstanding any other provision of this section, except as provided in subparagraph (B), the generator copy of the manifest is not required to be submitted to the department for any waste transported in compliance with the consolidated manifest procedures in Section 25160.2 or when the transporter is operating pursuant to a variance

issued by the department pursuant to Section 25143 authorizing the use of a consolidated manifest for waste not listed in Section 25160.2, if the generator, transporter, and facility are all identified as the same company on the hazardous waste manifest. If multiple identification numbers are used by a single company, all of the company's identification numbers shall be included in its annual transporter registration application, if those numbers will be used with the consolidated manifest procedure. Nothing in this paragraph affects the obligation of a facility operator to submit to the department a copy of a manifest pursuant to this section.

(B) If the waste subject to subparagraph (A) is transported out of state, the generator shall either ensure that the facility operator submits to the department a copy of the manifest or the generator shall submit a copy to the department that contains the signatures of the generator, all transporters, excepting intermediate rail transporters, and the out-of-state facility operator pursuant to paragraph (3).

(c) (1) The department shall determine the form and manner in which a manifest shall be completed and the information that the manifest shall contain. The information requested on the manifest shall serve as the data dictionary for purposes of the developing of an electronic reporting format pursuant to Section 71062 of the Public Resources Code. The form of each manifest and the information requested on each manifest shall be the same for all hazardous wastes, regardless of whether the hazardous wastes are also regulated pursuant to the federal act or by regulations adopted by the United States Department of Transportation. However, the form of the manifest and the information required shall be consistent with federal regulations.

(2) Pursuant to federal regulations, the department may require information on the manifest in addition to the information required by federal regulations.

(d) (1) Any person who transports hazardous waste in a vehicle shall have a manifest in his or her possession while transporting the hazardous waste. The manifest shall be shown upon demand to any representative of the department, any officer of the California Highway Patrol, any local health officer, any certified unified program agency, or any local public officer designated by the director. If the hazardous waste is transported by rail or vessel, the railroad corporation or vessel operator shall comply with Subchapter C (commencing with Section 171.1) of Chapter 1 of Subtitle B of Title 49 of the Code of Federal Regulations and shall also enter on the shipping papers any information concerning the hazardous waste that the department may require.

(2) Any person who transports any waste, as defined by Section 25124, and who is provided with a manifest for that waste shall, while transporting that waste, comply with all requirements of this chapter, and

the regulations adopted pursuant thereto, concerning the transportation of hazardous waste.

(3) Any person who transports hazardous waste shall transfer a copy of the manifest to the facility operator at the time of delivery, or to the person who will subsequently transport the hazardous waste in a vehicle. Any person who transports hazardous waste and then transfers custody of that hazardous waste to a person who will subsequently transport that waste by rail or vessel shall transfer a copy of the manifest to the person designated by the railroad corporation or vessel operator, as specified by Subchapter C (commencing with Section 171.1) of Chapter 1 of Subtitle B of Title 49 of the Code of Federal Regulations.

(4) Any person transporting hazardous waste by motor vehicle, rail, or water shall certify to the department, at the time of initial registration and at the time of renewal of that registration pursuant to this article, that the transporter is familiar with the requirements of this section, the department regulations, and federal laws and regulations governing the use of manifests.

(e) (1) Any facility operator in the state who receives hazardous waste for handling, treatment, storage, disposal, or any combination thereof, which was transported with a manifest pursuant to this section, shall submit a copy of the manifest to the department within 30 days from the date of receipt of the hazardous waste. The copy submitted to the department shall contain the signatures of the generator, all transporters, excepting intermediate rail transporters, and the facility operator. In instances in which the generator or transporter is not required by the generator's state or federal law to sign the manifest, the facility operator shall require the generator and all transporters, excepting intermediate rail transporters, to sign the manifest before receiving the waste at any facility in this state. In lieu of submitting a copy of each manifest used, a facility operator may submit an electronic report to the department meeting the requirements of Section 25160.3.

(2) Any treatment, storage, or disposal facility receiving hazardous waste generated outside this state may only accept the hazardous waste for treatment, storage, disposal, or any combination thereof, if the hazardous waste is accompanied by a completed standard California Uniform Hazardous Waste Manifest.

(3) A facility operator may accept hazardous waste generated offsite that is not accompanied by a properly completed and signed standard California Uniform Hazardous Waste Manifest if the facility operator meets both of the following conditions:

(A) The facility operator is authorized to accept the hazardous waste pursuant to a hazardous waste facilities permit or other grant of authorization from the department.

(B) The facility operator is in compliance with the regulations adopted by the department specifying the conditions and procedures applicable to the receipt of hazardous waste under these circumstances.

(4) This subdivision applies only to shipments of hazardous waste for which a manifest is required pursuant to this section and the regulations adopted pursuant to this section.

(f) A generator, transporter, or facility operator may comply with the requirements of Sections 66262.40, 66263.22, 66264.71, and 66265.71 of Title 22 of the California Code of Regulations by storing manifest information electronically. A generator, transporter, or facility operator who stores manifest information electronically shall use the standardized electronic format and protocol for the exchange of electronic data established by the Secretary for Environmental Protection pursuant to Part 2 (commencing with Section 71050) of Division 34 of the Public Resources Code and the stored information shall include all the information required to be retained by the department, including all signatures required by this section.

(g) The department shall make available for review, by any interested party, the department's plans for revising and enhancing its system for tracking hazardous waste for the purposes of protecting human health and the environment, enforcing laws, collecting revenue, and generating necessary reports.

SEC. 4. Section 25160.2 is added to the Health and Safety Code, to read:

25160.2. (a) In lieu of the procedures prescribed by Sections 25160 and 25161, transporters and generators of hazardous waste meeting the conditions in this section may use the consolidated manifesting procedure set forth in subdivision (b) to consolidate shipments of waste streams identified in subdivision (c) collected from multiple generators onto a single consolidated manifest.

(b) The following consolidated manifesting procedure may be used only for non-RCRA hazardous waste or for RCRA hazardous waste that is not required to be manifested pursuant to the federal act or the federal regulations adopted pursuant to the federal act and transported by a registered hazardous waste transporter, and used only with the consent of the generator:

(1) A separate manifest shall be completed by each vehicle driver, with respect to each transport vehicle operated by that driver for each date.

(2) The transporter shall complete both the generator's and the transporter's section of the manifest using the transporter's name, identification number, terminal address, and telephone number. The generator's and transporter's sections shall be completed prior to

commencing each day's collections. The driver shall sign and date the generator's and transporter's sections of the manifest.

(3) The transporter shall attach to the front of the manifest legible receipts for each quantity of hazardous waste that is received from a generator. The receipts shall be used to determine the total volume of hazardous waste in the vehicle. After the hazardous waste is delivered, the receipts shall be affixed to the transporter's copy of the manifest. The transporter shall leave a copy of the receipt with the generator of the hazardous waste. The generator shall retain each receipt for at least three years. This period of retention is extended automatically during the course of any unresolved enforcement action regarding the regulated activity or as requested by the department or a certified unified program agency.

(4) All copies of each receipt shall contain all of the following information:

(A) The name, address, identification number, contact person, and telephone number of the generator, and the signature of the generator or the generator's representative.

(B) The date of the shipment.

(C) The manifest number.

(D) The volume or quantity of each waste stream received, its California and RCRA waste codes, the waste stream type listed in subdivision (c), and its proper shipping description, including the hazardous class and United Nations/North America (UN/NA) identification number, if applicable.

(E) The name, address, and identification number of the authorized facility to which the hazardous waste will be transported.

(F) The transporter's name, address, and identification number.

(G) The driver's signature.

(H) A statement, signed by the generator, certifying that the generator has established a program to reduce the volume or quantity and toxicity of the hazardous waste to the degree, as determined by the generator, to be economically practicable.

(5) The transporter shall enter the total volume or quantity of each waste stream transported on the manifest at the change of each date, change of driver, or change of transport vehicle. The total volume or quantity shall be the cumulative amount of each waste stream collected from the generators listed on the individual receipts. In lieu of submitting a copy of each manifest used, a facility operator may submit an electronic report to the department meeting the requirements of Section 25160.3.

(6) The transporter shall submit the generator copy of the manifest to the department within 30 days of each shipment.

(7) The transporter shall retain a copy of the manifest and all receipts for each manifest at a location within the state for three years. This period of retention is extended automatically during the course of any unresolved enforcement action regarding the regulated activity or as requested by the department or a certified unified program agency.

(8) The transporter shall submit all copies of the manifest to the designated facility. A representative of the designated facility that receives the hazardous waste shall sign and date the manifest, return two copies to the transporter, retain one copy, and send the original to the department within 30 days.

(9) All other manifesting requirements of Sections 25160 and 25161 shall be complied with unless specifically exempted under this section. If an out of state receiving facility is not required to submit the signed manifest copy to the department, the consolidated transporter, acting as generator, shall submit a copy of the manifest signed by the receiving facility to the department pursuant to paragraph (3) of subdivision (b) of Section 25160.

(10) Each generator using the consolidated manifesting procedure shall have an identification number, unless exempted from manifesting requirements by action of Section 25143.13 for generators of photographic waste less than 100 kilograms per calendar month.

(c) The consolidated manifesting procedure set forth in subdivision (b) may be used only for the following waste streams and in accordance with the conditions specified below for each waste stream:

(1) Used oil and the contents of an oil/water separator, if the separator is a catch basin, clarifier, or similar collection device that is used to collect water containing residual amounts of one or more of the following: used oil, antifreeze, or other substances and contaminants associated with activities that generate used oil and antifreeze.

(2) The wastes listed in subparagraph (A) may be manifested under the procedures specified in this section only if all of the requirements specified in subparagraphs (B) and (C) are satisfied.

(A) Wastes eligible for consolidated manifesting:

- (i) Solids contaminated with used oil.
- (ii) Brake fluid.
- (iii) Antifreeze.
- (iv) Antifreeze sludge.
- (v) Parts cleaning solvents, including aqueous cleaning solvents.
- (vi) Hydroxide sludge contaminated solely with metals from a wastewater treatment process.
- (vii) "Paint-related" wastes, including paints, thinners, filters, and sludges.
- (viii) Spent photographic solutions.

(ix) Dry cleaning solvents (including perchloroethylene, naphtha, and silicone based solvents).

(x) Filters, lint, and sludges contaminated with dry cleaning solvent.

(xi) Asbestos and asbestos-containing materials.

(xii) Inks from the printing industry.

(xiii) Chemicals and laboratory packs collected from K-12 schools.

(xiv) Absorbents contaminated with other wastes listed in this section.

(xv) Filters from dispensing pumps for diesel and gasoline fuels.

(xvi) Disabled vehicle wastes, as defined in subdivision (a) of Section 25163.2.

(xvii) Any other waste, as specified in regulations adopted by the department.

(B) The generator does not generate more than 1,000 kilograms per calendar month of hazardous waste and meets the conditions of paragraph (1) of subdivision (h) of Section 25123.3. For the purpose of calculating the 1,000 kilograms per calendar month limit described in this section, the generator may exclude the volume of used oil and the contents of the oil/water separator that is managed pursuant to paragraph (1) of subdivision (c).

(C) (i) The generator enters into an agreement with the transporter in which the transporter agrees that the transporter will submit a confirmation to the generator that the hazardous waste was transported to an authorized hazardous waste treatment facility for appropriate treatment. The agreement may provide that the hazardous waste will first be transported to a storage or transfer facility in accordance with the applicable provisions of law.

(ii) The treatment requirement specified in clause (i) does not apply to asbestos, asbestos-containing materials, and chemicals and laboratory packs collected from K-12 schools, or any other waste stream for which the department determines there is no reasonably available treatment methodology or facility. These wastes shall be transported to an authorized facility.

(d) Transporters using the consolidated manifesting procedure set forth in this section shall submit quarterly reports to the department 30 days after the end of each quarter. The first quarterly report shall be submitted on October 31, 2002, covering the July to September 2002 period, and every three months thereafter. Except as otherwise specified in paragraph (1), the quarterly report shall be submitted in an electronic format provided by the department.

The department shall make all of the information in the quarterly reports submitted pursuant to this subdivision available to the public, through its usual means of disclosure, except the department shall not disclose the association between any specific transporter and specific

generator. The list of generators served by a transporter shall be deemed to be a trade secret and confidential business information for purposes of Section 25173 and Section 66260.2 of Title 22 of the California Code of Regulations.

(1) Transporters that use the consolidated manifesting procedure for less than 1,000 tons per calendar year may submit the report in a paper format through October 31, 2003. After that date, they may apply to the department to continue submitting paper format reports.

(2) For each transporter's name, terminal address, and identification number, the quarterly report shall include the following information for each generator for each consolidated manifest:

(A) The name, address, and identification number, the contact persons's name, and the telephone number of each generator.

(B) The date of the shipment.

(C) The manifest number.

(D) The volume or quantity of each waste stream received, its California and RCRA waste code, and the waste stream category listed in subdivision (c).

(e) It is the intent of the Legislature that upon the effective date of the act adding this statute, that Section 66263.42 of Title 22 of the California Code of Regulations, relating to specific requirements for milkrun operations, and subdivision (d) of Section 66262.12, relating to identification numbers for generators, be repealed. The department shall repeal these provisions pursuant to Section 100 of Title 1 of the California Code of Regulations.

SEC. 5. Section 25165 of the Health and Safety Code is amended to read:

25165. (a) A hazardous waste transporter's application for original and renewal registration shall be on a form provided by the department. Any application for an original or renewal registration received on or after January 1, 2002, from a transporter that transports, or intends to transport, any waste stream pursuant to the consolidated manifesting procedure specified in subdivision (c) of Section 25160.2, shall include a statement by the transporter notifying the department of that transportation and shall list the specific category or categories of waste streams to be transported using the consolidated manifesting procedure.

(b) Any application for registration under this section shall be filed with the department.

(c) Following the procedures specified in subdivision (a) of Section 25186.1, the department may revoke or suspend a transporter's authorization to operate pursuant to the consolidated manifesting procedure exemption specified in subdivision (c) of Section 25160.2. The department shall base that decision to revoke or suspend an authorization upon either of the following:

(1) Any factor set forth in Section 25186.

(2) A finding that the transporter operation will endanger human health, domestic livestock, wildlife, or the environment.

SEC. 6. Section 25250.8 of the Health and Safety Code is repealed.

SEC. 7. Section 25205.16 of the Health and Safety Code is amended to read:

25205.16. (a) (1) The department may impose an annual verification fee upon all generators, transporters, and facility operators with 50 or more employees that possess a valid identification number issued either by the department or by the Environmental Protection Agency. The fee charged shall be one hundred fifty dollars (\$150) for each generator, transporter, and facility operator with 50 or more employees, but less than 75 employees; one hundred seventy-five dollars (\$175) for each generator, transporter, and facility operator with 75 or more employees, but less than 100 employees; two hundred dollars (\$200) for each generator, transporter, and facility operator with 100 or more employees, but less than 250 employees; two hundred twenty-five dollars (\$225) for each generator, transporter, and facility operator with 250 or more employees, but less than 500 employees; two hundred fifty dollars (\$250) for each generator, transporter, and facility operator with 500 or more employees. However, no generator, transporter, or facility operator shall be assessed fees pursuant to this section that exceed, in total, five thousand dollars (\$5,000).

(2) The generator, transporter, or facility operator subject to the fee shall submit payment of the fee within 30 days from the date of receiving a notice of assessment from the department. The notice shall be sent once during each fiscal year to each holder of a valid identification number. The fee imposed by this section shall be deposited in the Hazardous Waste Control Account and be available for expenditure, upon appropriation by the Legislature. For purposes of this section, "employee" shall have the same meaning set forth in Section 25205.6.

(b) The department shall establish an identification number certification system to biennially verify the accuracy of information related to generators, transporters, and facilities authorized to treat, store, or dispose of hazardous waste. However, if the number of identification numbers issued since the previous certification exceeds 20 percent of the active identification numbers, the department may implement an annual certification. Each entity issued an identification number shall provide or verify the information specified in paragraphs (1) to (9), inclusive, when requested by the department. The system shall include the provision or verification of all of the following information:

(1) The name, mailing address, facsimile number, fictitious business name, federal employer number, State Board of Equalization identification number, SIC code, electronic mail address, if available,

and telephone number of the firm or organization engaged in hazardous waste activities.

(2) The name, mailing address, facsimile number, and telephone number of the owner of the firm or organization.

(3) The name, title, mailing address, facsimile number, and telephone number of a contact person for the firm or organization.

(4) The identification number assigned to the firm or organization.

(5) The site location address or description associated with the firm or organization's identification number provided in paragraph (4).

(6) The number of employees of the firm or organization.

(7) If the firm or organization is a generator, a statement of whether the generator produces RCRA hazardous waste or non-RCRA hazardous waste.

(8) An identification of any of the following hazardous waste activities in which the firm or organization is engaged:

(A) Generation.

(B) Transportation.

(C) Onsite treatment, storage, or disposal.

(9) The waste codes associated with the four largest hazardous waste streams, by volume, of the firm or organization. The federal waste code shall be verified for RCRA hazardous waste and the California waste code shall be verified for non-RCRA hazardous waste.

(c) Any generator, transporter, and facility operator who fails to comply with this section, or who fails to provide information required by the department to verify the accuracy of hazardous waste activity data, shall be subject to suspension of any and all identification numbers assigned to the generator, transporter, or facility operator and to any other authorized enforcement action.

SEC. 8. Section 4 of Chapter 684 of the Statutes of 1992 is amended to read:

Sec. 4. The Department of Toxic Substances Control shall, notwithstanding Chapter 6.5 (commencing with Section 25100) of Division 20 of the Health and Safety Code, revise Division 4.5 (commencing with Section 60001) of Title 22 of the California Code of Regulations to do both of the following:

(a) Change the collection of the annual facility report, as required by Section 66264.75 of Title 22 of the California Code of Regulations, so that the report is not required for those even-numbered years when the federal biennial report is required to be submitted for activities conducted during the previous calendar year pursuant to Section 264.75 of Title 40 of the Code of Federal Regulations, but the report may be required to be submitted less frequently at the discretion of the Department of Toxic Substances Control. If the department determines to require the facility report to be submitted in odd-numbered years, the

federal biennial report form, or a portion thereof, shall be used as the annual facility report form which is required to be submitted in even-numbered years.

(b) Revise the California Hazardous Waste Code Numbers, as specified in Appendix XII of Section 66261.126 of Title 22 of the California Code of Regulations, to include only non-RCRA hazardous waste, as defined in Section 25117.9 of the Health and Safety Code.

SEC. 9. Clause (xvi) of subparagraph (A) of paragraph (2) of subdivision (c) of Section 25160.2 of the Health and Safety Code shall not become operative unless Section 25163.2 of the Health and Safety Code, as that section is proposed to be added by Assembly Bill No. 1708 of the 2001–02 Regular Session, also becomes operative.

SEC. 10. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 320

An act to amend Section 10620 of, and to add Section 10013 to, the Water Code, relating to water.

[Approved by Governor September 19, 2001. Filed with
Secretary of State September 20, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The Department of Water Resources, through its contracts for delivery of water from the State Water Project, has established water entitlement objectives for approximately 4,200,000 acre feet.

(b) Municipal, agricultural, and environmental water needs have increased beyond levels anticipated in the California Water Plan and the State Water Project has not developed water projects that will yield the quantity of water established as water entitlement objectives.

(c) The health, safety, and well-being of the people of California will best be served by meeting the municipal, agricultural, and environmental water needs of each hydrologic region to the maximum extent practicable without diminishing the resources of other regions

that are necessary to meet the present and future municipal, agricultural, and environmental needs of those regions, and while recognizing the continuing need in the foreseeable future to move surplus supplies between regions in order to meet the municipal, agricultural, and environmental needs of the people of California.

(d) The health, safety, and well-being of the people of the State of California will best be served by employing current and developing water treatment and conservation technologies and by implementing the principles set forth in the Cobey-Porter Saline Water Conservation Law (Chapter 9 (commencing with Section 12945) of Part 6 of Division 6 of the Water Code) to the maximum extent practicable.

SEC. 2. Section 10013 is added to the Water Code, to read:

10013. (a) The department, as a part of the preparation of the department's Bulletin 160-03, shall include in the California Water Plan a report on the development of regional and local water projects within each hydrologic region of the state, as described in the department's Bulletin 160-98, to improve water supplies to meet municipal, agricultural, and environmental water needs and minimize the need to import water from other hydrologic regions. The report shall include, but is not limited to, regional and local water projects that use technologies for desalting brackish groundwater and ocean water, reclaiming water for use within the community generating the water to be reclaimed, the construction of improved potable water treatment facilities so that water from sources determined to be unsuitable can be used, and the construction of dual water systems and brine lines, particularly in connection with new developments and when replacing water piping in developed or redeveloped areas.

SEC. 3. Section 10620 of the Water Code is amended to read:

10620. (a) Every urban water supplier shall prepare and adopt an urban water management plan in the manner set forth in Article 3 (commencing with Section 10640).

(b) Every person that becomes an urban water supplier shall adopt an urban water management plan within one year after it has become an urban water supplier.

(c) An urban water supplier indirectly providing water shall not include planning elements in its water management plan as provided in Article 2 (commencing with Section 10630) that would be applicable to urban water suppliers or public agencies directly providing water, or to their customers, without the consent of those suppliers or public agencies.

(d) (1) An urban water supplier may satisfy the requirements of this part by participation in areawide, regional, watershed, or basinwide urban water management planning where those plans will reduce

preparation costs and contribute to the achievement of conservation and efficient water use.

(2) Each urban water supplier shall coordinate the preparation of its plan with other appropriate agencies in the area, including other water suppliers that share a common source, water management agencies, and relevant public agencies, to the extent practicable.

(e) The urban water supplier may prepare the plan with its own staff, by contract, or in cooperation with other governmental agencies.

(f) An urban water supplier shall describe in the plan water management tools and options used by that entity that will maximize resources and minimize the need to import water from other regions.

CHAPTER 321

An act to amend Section 2401 of the Business and Professions Code, and to amend Sections 11877.6 and 11877.7 of the Health and Safety Code, relating to healing arts.

[Approved by Governor September 23, 2001. Filed with
Secretary of State September 24, 2001.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature that if the State Department of Alcohol and Drug Programs discovers evidence, records, or activities indicative of fraud or abuse, as defined in Section 14043.1 of the Welfare and Institutions Code, the State Department of Alcohol and Drug Programs and the State Department of Health Services shall work cooperatively to investigate and refer fraud or abuse cases to the appropriate law enforcement agencies.

SEC. 2. Section 2401 of the Business and Professions Code is amended to read:

2401. (a) Notwithstanding Section 2400, a clinic operated primarily for the purpose of medical education by a public or private nonprofit university medical school, which is approved by the Division of Licensing or the Osteopathic Medical Board of California, may charge for professional services rendered to teaching patients by licensees who hold academic appointments on the faculty of the university, if the charges are approved by the physician and surgeon in whose name the charges are made.

(b) Notwithstanding Section 2400, a clinic operated under subdivision (p) of Section 1206 of the Health and Safety Code may employ licensees and charge for professional services rendered by those

licensees. However, the clinic shall not interfere with, control, or otherwise direct a physician and surgeon's professional judgment in a manner prohibited by Section 2400 or any other provision of law.

(c) Notwithstanding Section 2400, a narcotic treatment program operated under Section 11876 of the Health and Safety Code and regulated by the State Department of Alcohol and Drug Programs, may employ licensees and charge for professional services rendered by those licensees. However, the narcotic treatment program shall not interfere with, control, or otherwise direct a physician or surgeon's professional judgment in a manner prohibited by Section 2400 or any other provision of law.

SEC. 3. Section 11877.6 of the Health and Safety Code is amended to read:

11877.6. The director may deny the application for initial issuance of a license if the applicant or any partner, officer, director, 10 percent or greater shareholder, or person proposed to be employed by the applicant under the authority of subdivision (c) of Section 2401:

(a) Fails to meet the qualifications for licensure established by the department pursuant to this article. However, the director may waive any established qualification for licensure of a narcotic treatment program if he or she determines that it is reasonably necessary in the interests of the public health and welfare.

(b) Was previously the holder of a license issued under this article, and the license was revoked and never reissued or was suspended and not reinstated, or the holder failed to adhere to applicable laws and regulations regarding narcotic treatment programs while the license was in effect.

(c) Misrepresented any material fact in the application.

(d) Committed any act involving fraud, dishonesty, or deceit, with the intent to substantially benefit himself or herself or another or substantially injure another, and the act is substantially related to the qualification, functions, or duties of, or relating to, a narcotic treatment program license.

(e) Was convicted of any crime substantially related to the qualifications, functions, or duties of, or relating to, a narcotic treatment program license.

(f) The director, in considering whether to deny licensure under subdivision (d) or (e), shall determine whether the applicant is rehabilitated after considering all of the following criteria:

(1) The nature and severity of the act or crime.

(2) The time that has elapsed since the commission of the act or crime.

(3) The commission by the applicant of other acts or crimes constituting grounds for denial of the license under this section.

(4) The extent to which the applicant has complied with terms of restitution, probation, parole, or any other sanction or order lawfully imposed against the applicant.

(5) Other evidence of rehabilitation submitted by the applicant.

(g) With respect to any other license issued to an applicant to provide narcotic treatment services, violated any provision of this article or regulations adopted under this article that relate to the health and safety of patients, the local community, or the general public. Violations include, but are not limited to, violations of laws and regulations applicable to take-home doses of methadone, urinalysis requirements, and security against redistribution of replacement narcotic drugs. In these cases, the department shall deny the application for an initial license unless the department determines that all other licensed narcotic treatment programs maintained by the applicant have corrected all deficiencies and maintained compliance for a minimum of six months.

SEC. 4. Section 11877.7 of the Health and Safety Code is amended to read:

11877.7. (a) The director shall suspend or revoke any license issued under the provisions of this article, or deny an application to renew a license or to modify the terms and conditions of a license, upon any violation by the licensee of any provision of this article or regulations adopted under this article that presents an imminent danger of death or severe harm to any participant of the program or a member of the general public.

(b) The director may suspend or revoke any license issued under this article, or deny an application to renew a license or to modify the terms and conditions of a license, upon any of the following grounds and in the manner provided in this article:

(1) Violation by the licensee of any laws or regulations of the United States Food and Drug Administration or the United States Department of Justice, Drug Enforcement Administration that are applicable to narcotic treatment programs.

(2) Any violation that relates to the operation or maintenance of the program that has an immediate relationship to the physical health, mental health, or safety of the program participants or general public.

(3) Aiding, abetting, or permitting the violation of, or any repeated violation of, any of the provisions set forth in subdivision (a) or in paragraph (1) or (2).

(4) Conduct in the operation of a narcotic treatment program that is inimical to the health, welfare, or safety of either an individual in, or receiving services from, the program, the local community, or the people of the State of California.

(5) The conviction of the licensee or any partner, officer, director, 10 percent or greater shareholder, or person employed under the authority

of subdivision (c) of Section 2401 of the Business and Professions Code at any time during licensure, of a crime substantially related to the qualifications, functions, or duties of, or relating to, a narcotic treatment program licensee.

(6) The commission by the licensee or any partner, officer, director, 10 percent or greater shareholder, or person employed under the authority of subdivision (c) of Section 2401 of the Business and Professions Code at any time during licensure, of any act involving fraud, dishonesty, or deceit, with the intent to substantially benefit himself or herself or another, or substantially to injure another and which act is substantially related to the qualifications, functions, or duties of, or relating to, a narcotic treatment program licensee.

(7) Diversion of narcotic drugs. A program's failure to maintain a narcotic drug reconciliation system that accounts for all incoming and outgoing narcotic drugs, as required by departmental or federal regulations, shall create a rebuttable presumption that narcotic drugs are being diverted.

(8) Misrepresentation of any material fact in obtaining the narcotic treatment program license.

(9) Failure to comply with a department order to cease admitting patients or to cease providing patients with take-home dosages of replacement narcotic drugs.

(10) Failure to pay any civil penalty assessed pursuant to paragraph (3) of subdivision (a) of Section 11877.14 where the penalty has become final, unless payment arrangements acceptable to the department have been made.

(11) The suspension or exclusion of the licensee or any partner, officer, director, 10 percent or greater shareholder, or person employed under the authority of subdivision (c) of Section 2401 of the Business and Professions Code from the Medicare, Medicaid, or Medi-Cal programs.

(c) Prior to issuing an order pursuant to this section, the director shall ensure continuity of patient care by the program's guarantor or through the transfer of patients to other licensed programs. The director may issue any needed license or amend any other license in an effort to ensure that patient care is not impacted adversely by an order issued pursuant to this section.

CHAPTER 322

An act to amend Sections 130105 and 130110 of the Health and Safety Code, relating to child development, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 23, 2001. Filed with
Secretary of State September 24, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 130105 of the Health and Safety Code is amended to read:

130105. The California Children and Families Trust Fund is hereby created in the State Treasury.

(a) The California Children and Families Trust Fund shall consist of moneys collected pursuant to the taxes imposed by Section 30131.2 of the Revenue and Taxation Code.

(b) All costs to implement this act shall be paid from moneys deposited in the California Children and Families Trust Fund.

(c) The State Board of Equalization shall determine within one year of the passage of this act the effect that additional taxes imposed on cigarettes and tobacco products by this act has on the consumption of cigarettes and tobacco products in this state. To the extent that a decrease in consumption is determined by the State Board of Equalization to be the direct result of additional taxes imposed by this act, the State Board of Equalization shall determine the fiscal effect the decrease in consumption has on the funding of any Proposition 99 (the Tobacco Tax and Health Protection Act of 1988) state health-related education or research programs in effect as of November 1, 1998, and the Breast Cancer Fund programs that are funded by excise taxes on cigarettes and tobacco products. Funds shall be transferred from the California Children and Families Trust Fund to those affected programs as necessary to offset the revenue decrease directly resulting from the imposition of additional taxes by this act. Such reimbursements shall occur, and at such times, as determined necessary to further the intent of this subdivision.

(d) Moneys shall be allocated and appropriated from the California Children and Families Trust Fund as follows:

(1) Twenty percent shall be allocated and appropriated to separate accounts of the state commission for expenditure according to the following formula:

(A) Six percent shall be deposited in a Mass Media Communications Account for expenditures for communications to the general public utilizing television, radio, newspapers, and other mass media on subjects

relating to and furthering the goals and purposes of this act, including, but not limited to, methods of nurturing and parenting that encourage proper childhood development, the informed selection of child care, information regarding health and social services, the prevention and cessation of tobacco, alcohol, and drug use by pregnant women, and the detrimental effects of secondhand smoke on early childhood development.

(B) Five percent shall be deposited in an Education Account for expenditures for programs relating to education, including, but not limited to, the development of educational materials, professional and parental education and training, and technical support for county commissions in the areas described in subparagraph (A) of paragraph (1) of subdivision (b) of Section 130125.

(C) Three percent shall be deposited in a Child Care Account for expenditures for programs relating to child care, including, but not limited to, the education and training of child care providers, the development of educational materials and guidelines for child care workers, and other areas described in subparagraph (B) of paragraph (1) of subdivision (b) of Section 130125.

(D) Three percent shall be deposited in a Research and Development Account for expenditures for the research and development of best practices and standards for all programs and services relating to early childhood development established pursuant to this act, and for the assessment and quality evaluation of such programs and services.

(E) One percent shall be deposited in an Administration Account for expenditures for the administrative functions of the state commission. Any funds not needed for the administrative functions of the state commission may be transferred to the Unallocated Account described in subparagraph (F), upon approval by the state commission.

(F) Two percent shall be deposited in an Unallocated Account for expenditure by the state commission for any of the purposes of this act described in Section 130100 provided that none of these moneys shall be expended for the administrative functions of the state commission.

(G) In the event that, for whatever reason, the expenditure of any moneys allocated and appropriated for the purposes specified in subparagraphs (A) to (F), inclusive, is enjoined by a final judgment of a court of competent jurisdiction, then those moneys shall be available for expenditure by the state commission for mass media communication emphasizing the need to eliminate smoking and other tobacco use by pregnant women, the need to eliminate smoking and other tobacco use by persons under 18 years of age, and the need to eliminate exposure to secondhand smoke.

(H) Any moneys allocated and appropriated to any of the accounts described in subparagraphs (A) to (F), inclusive, that are not encumbered

or expended within any applicable period prescribed by law shall (together with the accrued interest on the amount) revert to and remain in the same account for the next fiscal period.

(2) Eighty percent shall be allocated and appropriated to county commissions in accordance with Section 130140.

(A) The moneys allocated and appropriated to county commissions shall be deposited in each local Children and Families Trust Fund administered by each county commission, and shall be expended only for the purposes authorized by this act and in accordance with the county strategic plan approved by each county commission.

(B) Any moneys allocated and appropriated to any of the county commissions that are not encumbered or expended within any applicable period prescribed by law shall (together with the accrued interest on the amount) revert to and remain in the same local Children and Families Trust Fund for the next fiscal period under the same conditions as set forth in subparagraph (A).

(e) All grants, gifts, or bequests of money made to or for the benefit of the state commission from public or private sources to be used for early childhood development programs shall be deposited in the California Children and Families Trust Fund and expended for the specific purpose for which the grant, gift, or bequest was made. The amount of any such grant, gift, or bequest shall not be considered in computing the amount allocated and appropriated to the state commission pursuant to paragraph (1) of subdivision (d).

(f) All grants, gifts, or bequests of money made to or for the benefit of any county commission from public or private sources to be used for early childhood development programs shall be deposited in the local Children and Families Trust Fund and expended for the specific purpose for which the grant, gift, or bequest was made. The amount of any such grant, gift, or bequest shall not be considered in computing the amount allocated and appropriated to the county commissions pursuant to paragraph (2) of subdivision (d).

SEC. 2. Section 130110 of the Health and Safety Code is amended to read:

130110. There is hereby established a California Children and Families Commission composed of seven voting members and two ex officio members. For purposes of mass media communications pursuant to subparagraph (A) of paragraph (1) of subdivision (d) of Section 130105, and statewide dissemination of public information and educational materials pursuant to subdivision (a) of Section 130125, the state commission may also be identified as the California Children and Families Partnership.

(a) The voting members shall be selected, pursuant to Section 130115, from persons with knowledge, experience, and expertise in

early child development, child care, education, social services, public health, the prevention and treatment of tobacco and other substance abuse, behavioral health, and medicine (including, but not limited to, representatives of statewide medical and pediatric associations or societies), upon consultation with public and private sector associations, organizations, and conferences composed of professionals in these fields.

(b) The Secretary of the California Health and Human Services Agency and the Secretary for Education, or their designees, shall serve as ex officio nonvoting members of the state commission.

SEC. 3. The Legislature finds and declares that this act furthers the California Children and Families Act of 1998 enacted by Proposition 10 at the November 3, 1998, general election, and is consistent with its purposes.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

The California Children and Families Act of 1998, enacted by Proposition 10 at the November 3, 1998, general election, requires the California Children and Families Commission and county commissions to create and implement a system of information and services to enhance optimal early childhood development. In order to fully inform the public of the source of the services provided for and available to them, by ensuring that mass media communications and public education programs are released accurately and expeditiously, as well as to ensure that tobacco, alcohol, and drug use cessation, education, and referral services for pregnant women are provided at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 323

An act to amend Section 6603 of the Welfare and Institutions Code, relating to sexually violent predators, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 23, 2001. Filed with
Secretary of State September 24, 2001.]

The people of the State of California do enact as follows:

SECTION 1. (a) It is the intent of the Legislature to do all of the following:

(1) Clarify existing law with respect to the authority of the Director of Mental Health to replace evaluators in sexually violent predator cases.

(2) Prevent courts in sexually violent predator cases from forcing petitioners to use witnesses who have been found unfit or unsuitable by the Director of Mental Health.

(3) Prevent the release of sexually violent predators by ensuring that petitioners in sexually violent predator cases have the ability to present the best available evidence with respect to whether a person meets the criteria for commitment as a sexually violent predator.

(b) It is further the intent of the Legislature that this act apply retroactively to pending sexually violent predator cases as well as prospectively.

SEC. 2. Section 6603 of the Welfare and Institutions Code is amended to read:

6603. (a) A person subject to this article shall be entitled to a trial by jury, to the assistance of counsel, to the right to retain experts or professional persons to perform an examination on his or her behalf, and to have access to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall appoint counsel to assist him or her, and, upon the person's request, assist the person in obtaining an expert or professional person to perform an examination or participate in the trial on the person's behalf.

(b) The attorney petitioning for commitment under this article shall have the right to demand that the trial be before a jury.

(c) (1) If the attorney petitioning for commitment under this article determines that updated evaluations are necessary in order to properly present the case for commitment, the attorney may request the State Department of Mental Health to perform updated evaluations. If one or more of the original evaluators is no longer available to testify for the petitioner in court proceedings, the attorney petitioning for commitment under this article may request the State Department of Mental Health to perform replacement evaluations. When a request is made for updated or replacement evaluations, the State Department of Mental Health shall perform the requested evaluations and forward them to the petitioning attorney and to the counsel for the person subject to this article. However, updated or replacement evaluations shall not be performed except as necessary to update one or more of the original evaluations or to replace the evaluation of an evaluator who is no longer available to testify for the petitioner in court proceedings. These updated or replacement evaluations shall include review of available medical and psychological records, including treatment records, consultation with current treating clinicians, and interviews of the person being evaluated, either voluntarily or by court order. If an updated or replacement evaluation results in a split opinion as to whether the person subject to

this article meets the criteria for commitment, the State Department of Mental Health shall conduct two additional evaluations in accordance with subdivision (f) of Section 6601.

(2) For purposes of this subdivision, “no longer available to testify for the petitioner in court proceedings” means that the evaluator is no longer authorized by the Director of Mental Health to perform evaluations regarding sexually violent predators as a result of any of the following:

(A) The evaluator has failed to adhere to the protocol of the State Department of Mental Health.

(B) The evaluator’s license has been suspended or revoked.

(C) The evaluator is unavailable pursuant to Section 240 of the Evidence Code.

(d) Nothing in this section shall prevent the defense from presenting otherwise relevant and admissible evidence.

(e) If the person subject to this article or the petitioning attorney does not demand a jury trial, the trial shall be before the court without a jury.

(f) A unanimous verdict shall be required in any jury trial.

(g) The court shall notify the State Department of Mental Health of the outcome of the trial by forwarding to the department a copy of the minute order of the court within 72 hours of the decision.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to revise procedures relating to the evaluation of sexually violent predators to ensure the fairness and effectiveness of those procedures at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 324

An act to add Section 120917 to the Health and Safety Code, relating to health care.

[Approved by Governor September 23, 2001. Filed with
Secretary of State September 24, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares as follows:

(a) Approximately 25 million persons each year in the United States are tested for antibody to human immunodeficiency virus (HIV).

(b) Publicly funded counseling and testing programs conduct approximately 2.5 million of these tests each year.

(c) Standard HIV testing protocols typically involve a pretest risk assessment counseling session, during which a blood or oral specimen is obtained and sent to a laboratory for laboratory testing. A posttest appointment is scheduled for one to two weeks after the initial counseling session when the test results are disclosed to the patient.

(d) Annually, 25 percent of persons testing HIV positive, and 33 percent of persons testing HIV negative at publicly funded clinics did not return for their test results.

(e) Using a rapid test for detecting antibody to HIV (rapid HIV test) to provide results on the day of testing can increase the number of persons who learn their HIV status and also reduce the field efforts necessary to locate and counsel HIV-positive persons who do not return.

(f) A rapid HIV test is a screening test that produces results quickly enough to allow for same-day results to be given to the patient. The use of a rapid HIV test with same-day results for HIV screening in clinical-care settings can substantially improve the delivery of counseling and testing program services. Informing patients of their HIV-negative status is beneficial, because they can receive counseling to modify behavior to reduce the future risk of contracting HIV and learn their HIV status in a single visit. In addition, providing positive results also increases the number of infected persons who ultimately learn their infection status and can be referred for medical treatment and additional prevention services.

(g) Decisions about whether to use rapid HIV tests should be based on a combination of prevalence of HIV in the community and return rates for test results. For example, in settings of high prevalence where a low percentage of persons return for their results, use of rapid HIV tests will be most beneficial.

SEC. 2. Section 120917 is added to the Health and Safety Code, to read:

120917. (a) The department, through its Office of AIDS and the authorized agents of the office, may participate in a rapid human immunodeficiency virus test research program conducted with the federal Centers for Disease Control and Prevention, involving innovative HIV testing and counseling programs. Under the rapid HIV test research program, as authorized by this section, the department may do the following:

(1) Perform and report clinical test results using a rapid HIV test for diagnosis, prior to test approval by the federal Food and Drug Administration (FDA). However, test performance and reporting shall only be done to the extent allowed under that device's investigational approval by the FDA and pursuant to a California Health and Human

Services Agency Institutional Review Board-approved research protocol.

(2) Use a second independent HIV test to confirm initially reactive test results to the extent allowed under the investigational approval by the FDA. All rapid tests shall be confirmed using technology approved by the federal Food and Drug Administration. If the results from this confirmatory testing differ from the results of the rapid test, the subject shall be notified. No subject shall participate in the research protocol who does not provide appropriate contact information.

(b) An HIV counselor who is trained by the Office of AIDS and working in an HIV counseling and testing site funded by the department through a local health jurisdiction, or its agents, may do all of the following:

(1) Perform any HIV test that is classified as waived under the federal Clinical Laboratory Improvement Act (CLIA; 42 U.S.C. Sec. 263a and following) if all of the following conditions exist:

(A) The performance of the HIV test meets the requirements of CLIA and Chapter 3 (commencing with Section 1200) of Division 2 of the Business and Professions Code.

(B) The person performing the HIV test meets the requirements for the performance of waived laboratory testing pursuant to subdivision (a) of Section 1206.5 of the Business and Professions Code. For purposes of this subdivision and subdivision (a) of Section 1206.5 of the Business and Professions Code, an HIV counselor trained by the Office of AIDS shall be "other health care personnel providing direct patient care" as referred to in paragraph (12) of subdivision (a) of Section 1206.5 of the Business and Professions Code.

(C) Prior to informing a patient of a test result indicative of HIV infection that was performed pursuant to this paragraph, a second independent HIV test is performed to confirm initially reactive test results. Nothing in this subdivision shall be construed to allow an HIV counselor trained by the Office of AIDS to perform any HIV test that is not classified as waived under the CLIA.

(2) Notwithstanding Sections 1246.5 and 2053 of the Business and Professions Code, order and report HIV test results from tests performed pursuant to paragraph (1) to patients without authorization from a licensed health care professional or his or her authorized representative. Patients with indeterminate or positive test results from tests performed pursuant to paragraph (1) shall be referred to a licensed health care provider whose scope of practice includes the authority to refer patients for laboratory testing for further evaluation.

CHAPTER 325

An act to amend Section 123110 of the Health and Safety Code, relating to medical records.

[Approved by Governor September 23, 2001. Filed with Secretary of State September 24, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 123110 of the Health and Safety Code is amended to read:

123110. (a) Notwithstanding Section 5328 of the Welfare and Institutions Code, and except as provided in Sections 123115 and 123120, any adult patient of a health care provider, any minor patient authorized by law to consent to medical treatment, and any patient representative shall be entitled to inspect patient records upon presenting to the health care provider a written request for those records and upon payment of reasonable clerical costs incurred in locating and making the records available. However, a patient who is a minor shall be entitled to inspect patient records pertaining only to health care of a type for which the minor is lawfully authorized to consent. A health care provider shall permit this inspection during business hours within five working days after receipt of the written request. The inspection shall be conducted by the patient or patient's representative requesting the inspection, who may be accompanied by one other person of his or her choosing.

(b) Additionally, any patient or patient's representative shall be entitled to copies of all or any portion of the patient records that he or she has a right to inspect, upon presenting a written request to the health care provider specifying the records to be copied, together with a fee to defray the cost of copying, that shall not exceed twenty-five cents (\$.25) per page or fifty cents (\$.50) per page for records that are copied from microfilm and any additional reasonable clerical costs incurred in making the records available. The health care provider shall ensure that the copies are transmitted within 15 days after receiving the written request.

(c) Copies of X-rays or tracings derived from electrocardiography, electroencephalography, or electromyography need not be provided to the patient or patient's representative under this section, if the original X-rays or tracings are transmitted to another health care provider upon written request of the patient or patient's representative and within 15 days after receipt of the request. The request shall specify the name and address of the health care provider to whom the records are to be delivered. All reasonable costs, not exceeding actual costs, incurred by

a health care provider in providing copies pursuant to this subdivision may be charged to the patient or representative requesting the copies.

(d) (1) Notwithstanding any provision of this section, and except as provided in Sections 123115 and 123120, any patient or former patient or the patient's representative shall be entitled to a copy, at no charge, of the relevant portion of the patient's records, upon presenting to the provider a written request, and proof that the records are needed to support an appeal regarding eligibility for a public benefit program. These programs shall be the Medi-Cal program, social security disability insurance benefits, and Supplemental Security Income/State Supplementary Program for the Aged, Blind and Disabled (SSI/SSP) benefits. For purposes of this subdivision, "relevant portion of the patient's records" means those records regarding services rendered to the patient during the time period beginning with the date of the patient's initial application for public benefits up to and including the date that a final determination is made by the public benefits program with which the patient's application is pending.

(2) Although a patient shall not be limited to a single request, the patient or patient's representative shall be entitled to no more than one copy of any relevant portion of his or her record free of charge.

(3) This subdivision shall not apply to any patient who is represented by a private attorney who is paying for the costs related to the patient's appeal, pending the outcome of that appeal. For purposes of this subdivision, "private attorney" means any attorney not employed by a nonprofit legal services entity.

(e) If the patient's appeal regarding eligibility for a public benefit program specified in subdivision (d) is successful, the hospital or other health care provider may bill the patient, at the rates specified in subdivisions (b) and (c), for the copies of the medical records previously provided free of charge.

(f) If a patient or his or her representative requests a record pursuant to subdivision (d), the health care provider shall ensure that the copies are transmitted within 30 days after receiving the written request.

(g) This section shall not be construed to preclude a health care provider from requiring reasonable verification of identity prior to permitting inspection or copying of patient records, provided this requirement is not used oppressively or discriminatorily to frustrate or delay compliance with this section. Nothing in this chapter shall be deemed to supersede any rights that a patient or representative might otherwise have or exercise under Section 1158 of the Evidence Code or any other provision of law. Nothing in this chapter shall require a health care provider to retain records longer than required by applicable statutes or administrative regulations.

(h) This chapter shall not be construed to render a health care provider liable for the quality of his or her records or the copies provided in excess of existing law and regulations with respect to the quality of medical records. A health care provider shall not be liable to the patient or any other person for any consequences that result from disclosure of patient records as required by this chapter. A health care provider shall not discriminate against classes or categories of providers in the transmittal of X-rays or other patient records, or copies of these X-rays or records, to other providers as authorized by this section.

Every health care provider shall adopt policies and establish procedures for the uniform transmittal of X-rays and other patient records that effectively prevent the discrimination described in this subdivision. A health care provider may establish reasonable conditions, including a reasonable deposit fee, to ensure the return of original X-rays transmitted to another health care provider, provided the conditions do not discriminate on the basis of, or in a manner related to, the license of the provider to which the X-rays are transmitted.

(i) Any health care provider described in paragraphs (4) to (10), inclusive, of subdivision (a) of Section 123105 who willfully violates this chapter is guilty of unprofessional conduct. Any health care provider described in paragraphs (1) to (3), inclusive, of subdivision (a) of Section 123105 that willfully violates this chapter is guilty of an infraction punishable by a fine of not more than one hundred dollars (\$100). The state agency, board, or commission that issued the health care provider's professional or institutional license shall consider a violation as grounds for disciplinary action with respect to the licensure, including suspension or revocation of the license or certificate.

(j) This section shall be construed as prohibiting a health care provider from withholding patient records or summaries of patient records because of an unpaid bill for health care services. Any health care provider who willfully withholds patient records or summaries of patient records because of an unpaid bill for health care services shall be subject to the sanctions specified in subdivision (i).

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 326

An act to amend Section 1812.509 of, and to add Chapter 8 (commencing with Section 1812.540) to Title 2.91 of Part 4 of Division 3 of the Civil Code, relating to long-term care facilities.

(b) Every employment agency shall notify each jobseeker before sending the jobseeker in response to a request for employment whether a labor contract is in existence at the establishment to which the jobseeker is being sent, and whether union membership is required.

(c) No employment agency shall send a jobseeker to any place where a strike, lockout, or other labor trouble exists without notifying the jobseeker of that fact and shall in addition thereto enter a statement of those conditions upon the contract or receipt given to the jobseeker.

(e) No employment agency that procures temporary employment for long-term health care employers shall refer certified nurse assistants or licensed nursing staff as defined in Section 1812.540, for any employment without first conducting a personal interview of the individual, verifying the experience, training, and references of the individual, and verifying that the individual is in good standing with the appropriate licensing or certification board, including verification that the individual has successfully secured a criminal record clearance.

CHAPTER 328

An act to repeal and add Section 2417 of the Business and Professions Code, to amend Section 1383.15 of the Health and Safety Code, and to amend Section 10192.55 of, and to add Section 10232.65 to, the Insurance Code, relating to health care.

[Approved by Governor September 23, 2001. Filed with
Secretary of State September 24, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 2417 of the Business and Professions Code is repealed.

SEC. 2. Section 2417 is added to the Business and Professions Code, to read:

2417. (a) If the Department of Insurance has evidence that a business is being operated in violation of this chapter, Part 4 (commencing with Section 13400) of Division 3 of the Corporations Code, or Chapter 1 (commencing with Section 1200) of Division 2 of the Health and Safety Code, and that the business may be in violation of Section 1871.4 of the Insurance Code or Section 549 or 550 of the Penal

Code, then the department shall report the business, and any physician and surgeon suspected of knowingly providing medical services for that business relative to a violation of Section 1871.4 of the Insurance Code or Section 549 or 550 of the Penal Code, to the appropriate regulatory agency. Upon receiving a report from the Department of Insurance of a suspected violation, the regulatory agency shall conduct an investigation. The requirement in subdivision (a) of Section 1872.95 of the Insurance Code for investigations to be conducted within existing resources does not apply to investigations required by this section. The Department of Insurance may consult with the appropriate regulatory department or agency prior to making its report to that department or agency, and this consultation shall not be deemed to require the department or agency to conduct an investigation.

(b) A physician and surgeon who practices medicine with a business organization knowing that it is owned or operated in violation of Section 1871.4 of the Insurance Code, Section 14107 or 14107.2 of the Welfare and Institutions Code, or Section 549 or 550 of the Penal Code shall have his or her license to practice permanently revoked.

SEC. 3. Section 1383.15 of the Health and Safety Code is amended to read:

1383.15. (a) When requested by an enrollee or participating health professional who is treating an enrollee, a health care service plan shall provide or authorize a second opinion by an appropriately qualified health care professional. Reasons for a second opinion to be provided or authorized shall include, but are not limited to, the following:

(1) If the enrollee questions the reasonableness or necessity of recommended surgical procedures.

(2) If the enrollee questions a diagnosis or plan of care for a condition that threatens loss of life, loss of limb, loss of bodily function, or substantial impairment, including, but not limited to, a serious chronic condition.

(3) If the clinical indications are not clear or are complex and confusing, a diagnosis is in doubt due to conflicting test results, or the treating health professional is unable to diagnose the condition, and the enrollee requests an additional diagnosis.

(4) If the treatment plan in progress is not improving the medical condition of the enrollee within an appropriate period of time given the diagnosis and plan of care, and the enrollee requests a second opinion regarding the diagnosis or continuance of the treatment.

(5) If the enrollee has attempted to follow the plan of care or consulted with the initial provider concerning serious concerns about the diagnosis or plan of care.

(b) For purposes of this section, an appropriately qualified health care professional is a primary care physician or specialist who is acting within

his or her scope of practice and who possesses a clinical background, including training and expertise, related to the particular illness, disease, condition or conditions associated with the request for a second opinion. For purposes of a specialized health care service plan, an appropriately qualified health care professional is a licensed health care provider who is acting within his or her scope of practice and who possesses a clinical background, including training and expertise, related to the particular illness, disease, condition or conditions associated with the request for a second opinion.

(c) If an enrollee or participating health professional who is treating an enrollee requests a second opinion pursuant to this section, an authorization or denial shall be provided in an expeditious manner. When the enrollee's condition is such that the enrollee faces an imminent and serious threat to his or her health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or lack of timeliness that would be detrimental to the enrollee's ability to regain maximum function, the second opinion shall be authorized or denied in a timely fashion appropriate for the nature of the enrollee's condition, not to exceed 72 hours after the plan's receipt of the request, whenever possible. Each plan shall file with the Department of Managed Health Care timelines for responding to requests for second opinions for cases involving emergency needs, urgent care, and other requests by July 1, 2000, and within 30 days of any amendment to the timelines. The timelines shall be made available to the public upon request.

(d) If a health care service plan approves a request by an enrollee for a second opinion, the enrollee shall be responsible only for the costs of applicable copayments that the plan requires for similar referrals.

(e) If the enrollee is requesting a second opinion about care from his or her primary care physician, the second opinion shall be provided by an appropriately qualified health care professional of the enrollee's choice within the same physician organization.

(f) If the enrollee is requesting a second opinion about care from a specialist, the second opinion shall be provided by any provider of the enrollee's choice from any independent practice association or medical group within the network of the same or equivalent specialty. If the specialist is not within the same physician organization, the plan shall incur the cost or negotiate the fee arrangements of that second opinion, beyond the applicable copayments which shall be paid by the enrollee. If not authorized by the plan, additional medical opinions not within the original physician organization shall be the responsibility of the enrollee.

(g) If there is no participating plan provider within the network who meets the standard specified in subdivision (b), then the plan shall authorize a second opinion by an appropriately qualified health

professional outside of the plan's provider network. In approving a second opinion either inside or outside of the plan's provider network, the plan shall take into account the ability of the enrollee to travel to the provider.

(h) The health care service plan shall require the second opinion health professional to provide the enrollee and the initial health professional with a consultation report, including any recommended procedures or tests that the second opinion health professional believes appropriate. Nothing in this section shall be construed to prevent the plan from authorizing, based on its independent determination, additional medical opinions concerning the medical condition of an enrollee.

(i) If the health care service plan denies a request by an enrollee for a second opinion, it shall notify the enrollee in writing of the reasons for the denial and shall inform the enrollee of the right to file a grievance with the plan. The notice shall comply with subdivision (b) of Section 1368.02.

(j) Unless authorized by the plan, in order for services to be covered the enrollee shall obtain services only from a provider who is participating in, or under contract with, the plan pursuant to the specific contract under which the enrollee is entitled to health care services. The plan may limit referrals to its network of providers if there is a participating plan provider who meets the standard specified in subdivision (b).

(k) This section shall not apply to health care service plan contracts that provide benefits to enrollees through preferred provider contracting arrangements if, subject to all other terms and conditions of the contract that apply generally to all other benefits, access to and coverage for second opinions are not limited.

SEC. 4. Section 10192.55 of the Insurance Code is amended to read:

10192.55. (a) With regard to Medicare supplement policies, all insurers, brokers, agents, and others engaged in the business of insurance owe a policyholder or a prospective policyholder a duty of honesty, and a duty of good faith and fair dealing.

(b) Conduct of an insurer, broker, or agent during the offer and sale of a Medicare supplement policy previous to the purchase is relevant to any action alleging a breach of the duty of honesty, and a duty of good faith and fair dealing set forth in subdivision (a).

SEC. 5. Section 10232.65 is added to the Insurance Code, to read:

10232.65. In addition to any other requirements of law, the following shall apply to a long-term care insurance policy:

(a) The insurer shall not require an amount greater than one month's premium to be submitted with an application for the policy of insurance if interim coverage is not provided. If interim coverage is provided, the insurer shall not require an amount greater than two months' premium

for that purpose. No further premiums may be collected until the policy is delivered to the applicant.

(b) The insurer shall notify the applicant within 60 days from the date the insurer or insurer's authorized representative or producer receives the application and the amount as to whether or not the applicant will be issued a policy of insurance. If the applicant is not so notified, the insurer or insurer's authorized representative or producer shall pay interest to the applicant on the funds that the applicant submitted with the application, at the legal rate of interest on judgments as provided in Section 685.010 of the Code of Civil Procedure, from the date the insurer or insurer's authorized representative or producer received those funds until they are refunded to the applicant or are applied toward the premium.

CHAPTER 332

An act to amend Section 13304 of, and to add Section 13304.1 to, the Water Code, relating to water.

[Approved by Governor September 24, 2001. Filed with
Secretary of State September 25, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature makes all of the following findings and declarations:

(a) Groundwater basins throughout the state are essential and invaluable sources of drinking water supplies.

(b) Drinking water pumped from groundwater basins throughout the state represents a vitally important component of the state's water supplies.

(c) The preservation and restoration of contaminated groundwater basins is of critical importance to achieving the state's objective of ensuring reliable supplies of drinking water for the people of the state without undue reliance on imported water supplies.

(d) The loss or diminishment of drinking water supplies from groundwater basins because of contamination or pollution constitutes waste of water.

SEC. 2. Section 13304 of the Water Code is amended to read:

13304. (a) Any person who has discharged or discharges waste into the waters of this state in violation of any waste discharge requirement or other order or prohibition issued by a regional board or the state board, or who has caused or permitted, causes or permits, or threatens to cause or permit any waste to be discharged or deposited where it is, or probably will be, discharged into the waters of the state and creates, or threatens to create, a condition of pollution or nuisance, shall upon order of the regional board, clean up the waste or abate the effects of the waste, or, in the case of threatened pollution or nuisance, take other necessary remedial action, including, but not limited to, overseeing cleanup and abatement efforts. Upon failure of any person to comply with the cleanup or abatement order, the Attorney General, at the request of the board, shall petition the superior court for that county for the issuance of an

injunction requiring the person to comply with the order. In the suit, the court shall have jurisdiction to grant a prohibitory or mandatory injunction, either preliminary or permanent, as the facts may warrant.

(b) (1) The regional board may expend available money to perform any cleanup, abatement, or remedial work required under the circumstances set forth in subdivision (a), including, but not limited to, supervision of cleanup and abatement activities that, in its judgment, is required by the magnitude of the endeavor or the urgency for prompt action to prevent substantial pollution, nuisance, or injury to any waters of the state. The action may be taken in default of, or in addition to, remedial work by the waste discharger or other persons, and regardless of whether injunctive relief is being sought.

(2) The regional board may perform the work itself, or with the cooperation of any other governmental agency, and may use rented tools or equipment, either with operators furnished or unoperated. Notwithstanding any other provisions of law, the regional board may enter into oral contracts for the work, and the contracts, whether written or oral, may include provisions for equipment rental and in addition the furnishing of labor and materials necessary to accomplish the work. The contracts are not subject to approval by the Department of General Services.

(3) The regional board shall be permitted reasonable access to the affected property as necessary to perform any cleanup, abatement, or other remedial work. The access shall be obtained with the consent of the owner or possessor of the property or, if the consent is withheld, with a warrant duly issued pursuant to the procedure described in Title 13 (commencing with Section 1822.50) of Part 3 of the Code of Civil Procedure. However, in the event of an emergency affecting public health or safety, the regional board may enter the property without consent or the issuance of a warrant.

(4) The regional board may contract with a water agency to perform, under the direction of the regional board, investigations of existing or threatened groundwater pollution or nuisance. The agency's cost of performing the contracted services shall be reimbursed by the regional board from the first available funds obtained from cost recovery actions for the specific site. The authority of a regional board to contract with a water agency is limited to a water agency that draws groundwater from the affected aquifer, a metropolitan water district, or a local public agency responsible for water supply or water quality in a groundwater basin.

(c) (1) If the waste is cleaned up or the effects of the waste are abated, or, in the case of threatened pollution or nuisance, other necessary remedial action is taken by any governmental agency, the person or persons who discharged the waste, discharges the waste, or threatened

to cause or permit the discharge of the waste within the meaning of subdivision (a), are liable to that governmental agency to the extent of the reasonable costs actually incurred in cleaning up the waste, abating the effects of the waste, supervising cleanup or abatement activities, or taking other remedial action. The amount of the costs is recoverable in a civil action by, and paid to, the governmental agency and the state board to the extent of the latter's contribution to the cleanup costs from the State Water Pollution Cleanup and Abatement Account or other available funds.

(2) The amount of the costs constitutes a lien on the affected property upon service of a copy of the notice of lien on the owner and upon the recordation of a notice of lien, that identifies the property on which the condition was abated, the amount of the lien, and the owner of record of the property, in the office of the county recorder of the county in which the property is located. Upon recordation, the lien has the same force, effect, and priority as a judgment lien, except that it attaches only to the property posted and described in the notice of lien, and shall continue for 10 years from the time of the recording of the notice, unless sooner released or otherwise discharged. Not later than 45 days after receiving a notice of lien, the owner may petition the court for an order releasing the property from the lien or reducing the amount of the lien. In this court action, the governmental agency that incurred the cleanup costs shall establish that the costs were reasonable and necessary. The lien may be foreclosed by an action brought by the state board on behalf of the regional board for a money judgment. Money recovered by a judgment in favor of the state board shall be deposited in the State Water Pollution Cleanup and Abatement Account.

(d) If, despite reasonable effort by the regional board to identify the person responsible for the discharge of waste or the condition of pollution or nuisance, the person is not identified at the time cleanup, abatement, or remedial work is required to be performed, the regional board is not required to issue an order under this section.

(e) "Threaten," for purposes of this section, means a condition creating a substantial probability of harm, when the probability and potential extent of harm make it reasonably necessary to take immediate action to prevent, reduce, or mitigate damages to persons, property, or natural resources.

(f) This section does not impose any new liability for acts occurring before January 1, 1981, if the acts were not in violation of existing laws or regulations at the time they occurred.

(g) Nothing in this section limits the authority of any state agency under any other law or regulation to enforce or administer any cleanup or abatement activity.

SEC. 3. Section 13304.1 is added to the Water Code, to read:

13304.1. (a) A groundwater cleanup system that commences operation on or after January 1, 2002, and that is required to obtain a discharge permit from the regional board pursuant to the regional board's jurisdiction, and that discharges treated groundwater to surface water or groundwater, shall treat the groundwater to standards approved by the regional board, consistent with this division and taking into account the beneficial uses of the receiving water and the location of the discharge and the method by which the discharge takes place.

(b) In making its determination of the applicable water quality standards to be achieved by the operator of a groundwater cleanup system that commences operation on or after January 1, 2002, that draws groundwater from an aquifer that is currently being used, or has been used at any time since 1979 as a source of drinking water supply by the owner or operator of a public water system, and that discharges treated groundwater to surface water or groundwater from which a public water system draws drinking water, the regional board shall consult with the affected groundwater management entity, if any, affected public water systems, and the State Department of Health Services to ensure that the discharge, spreading, or injection of the treated groundwater will not adversely affect the beneficial uses of any groundwater basin or surface water body that is or may be used by a public water system for the provision of drinking water.

(d) Take the minor without unnecessary delay before the probation officer of the county in which the minor was taken into custody, or in which the minor resides, or in which the acts take place or the circumstances exist which are alleged to bring the minor within the provisions of Section 601 or 602, and deliver the custody of the minor to the probation officer. An act to amend and repeal Section 44015 of the Health and Safety Code, relating to air pollution.

[Approved by Governor September 24, 2001. Filed with

SECTION 1. Section 44015 of the Health and Safety Code, as amended by Section 1 of Chapter 355 of the Statutes of 1999, is amended to read:

44015. (a) A licensed smog check station shall not issue a certificate of compliance, except as authorized by this chapter, to any vehicle that meets the following criteria:

(1) A vehicle that has been tampered with.

(2) A vehicle that, prior to repairs, has been initially identified by the smog check station as a gross polluter. Certification of a gross polluting vehicle shall be conducted by a designated test-only facility, or a test-and-repair station that is both licensed and certified pursuant to Sections 44014 and 44014.2 and is participating in the pilot program

pursuant to subparagraph (B) of paragraph (2) of subdivision (g) of Section 44014.5.

(3) A vehicle described in subdivision (c).

(b) If a vehicle meets the requirements of Section 44012, a smog check station licensed to issue certificates shall issue a certificate of compliance or a certificate of noncompliance.

(c) (1) A repair cost waiver shall be issued, upon request of the vehicle owner, by an entity authorized to perform referee functions for a vehicle that has been properly tested but does not meet the applicable emission standards when it is determined that no adjustment or repair can be made that will reduce emissions from the inspected motor vehicle without exceeding the applicable repair cost limit established under Section 44017 and that every defect specified by paragraph (2) of subdivision (a) of Section 43204, and by paragraphs (2) and (3) of subdivision (a) of Section 43205, has been corrected. A repair cost waiver issued pursuant to this paragraph shall be accepted in lieu of a certificate of compliance for the purposes of compliance with Section 4000.3 of the Vehicle Code. No repair cost waiver shall exceed two years' duration. No repair cost waiver shall be issued until the vehicle owner has expended an amount equal to the applicable repair cost limit specified in Section 44017.

(2) An economic hardship extension shall be issued, upon request of a qualified low-income motor vehicle owner, by an entity authorized to perform referee functions, for a motor vehicle that has been properly tested but does not meet the applicable emission standards when it is determined that no adjustment or repair can be made that will reduce emissions from the inspected motor vehicle without exceeding the applicable repair cost limit, as established pursuant to Section 44017.1, that every defect specified in paragraph (2) of subdivision (a) of Section 43204, and in paragraphs (2) and (3) of subdivision (a) of Section 43205, has been corrected, that the low-income vehicle owner would suffer an economic hardship if the extension is not issued, and that all appropriate emissions-related repairs up to the amount of the applicable repair cost limit in Section 44017.1 have been performed.

(d) No repair cost waiver or economic hardship extension shall be issued under any of the following circumstances:

(1) If a motor vehicle was issued a repair cost waiver or economic hardship extension in the previous biennial inspection of that vehicle. A repair cost waiver or economic hardship extension may be issued to a motor vehicle owner only once for a particular motor vehicle belonging to that owner. However, a repair cost waiver or economic hardship extension may be issued for a motor vehicle that participated in a previous waiver or extension program prior to January 1, 1998, as determined by the department. For waivers or extensions issued in the

program operative on or after January 1, 1998, a waiver or extension may be issued for a motor vehicle only once per owner.

A certificate issued to a licensed motor vehicle dealer shall be valid for a two-year period, or until the vehicle is sold and registered to a retail buyer, whichever occurs first.

(g) A test may be made at any time within 90 days prior to the date otherwise required.

SEC. 2. Section 44015 of the Health and Safety Code, as added by Section 2 of Chapter 355 of the Statutes of 1999, is repealed.

An act to add Section 12903.1 to the Insurance Code, relating to the Insurance Commissioner.

[Approved by Governor September 24, 2001. Filed with
Secretary of State September 25, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 12903.1 is added to the Insurance Code, to read:

(2) An action under this subdivision shall be filed within five years of the date on which the violation occurred. If the commissioner engages in fraudulent concealment, the five-year period shall be tolled for the period of the concealment. For the purposes of this paragraph, "fraudulent concealment" means the commissioner knowingly concealed facts related to his or her travel expenditures or reimbursements.

CHAPTER 337

An act to amend Section 25310 of the Public Resources Code, relating to public utilities.

[Approved by Governor September 24, 2001. Filed with Secretary of State September 25, 2001.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares all of the following:

(1) Past predictions regarding demand levels for natural gas in the state have underestimated the actual demand.

(2) The incorrect estimates of the actual demand for natural gas may have led to a failure to adequately plan for peak demands in the state, by assuring that the existing natural gas infrastructure in the state could meet those peak demands.

(3) The incorrect estimates may lead to higher natural gas prices, as infrastructure limitations may lead to an imbalance between the demand and supply of natural gas.

(b) It is the intent of the Legislature in enacting this act to do both of the following:

(1) Promote more reliable projections of the demand for natural gas in the state.

(2) Encourage any agency in the state that forecasts natural gas demand in the future to make those projections based on a wide variety of potential scenarios and conditions in the state.

SEC. 2. Section 25310 of the Public Resources Code is amended to read:

25310. (a) Commencing November 1, 1985, and every two years thereafter, the commission shall publish and submit to the Governor and the Legislature a comprehensive report describing emerging trends relating to the use, availability, and pricing of petroleum and petroleum products, natural gas, coal, synthetic and other fuels, and investments in production and refining, and potential alternate fuel technologies. The commission shall include in its report long range forecasts of the anticipated supply and price of these fuels, and the demand for these fuels in the residential, commercial, and industrial sectors, and for electrical generation and transportation. The report shall assess the risk of fuel supply disruption, price shocks, or other events, and shall assess the consequences of these events on the availability and price of fuels and their effects on the state's economy. With respect to long range forecasts of the demand for natural gas, the report shall include an evaluation of average conditions, as well as best and worst case scenarios, and an evaluation of the impact of increasing renewable resources on natural gas demand. The report shall also recommend needed changes in the state's energy shortage contingency plans, and include specific recommendations for legislative or administrative actions to increase production and productivity, improve the efficiency of fuel use, increase conservation, and any other actions needed to maintain sufficient, secure, and affordable fuel supplies for the state. Nothing in this section expands or diminishes the authority contained in Section 25216.

(b) Not less than 60 days prior to publication of the report required by subdivision (a), the commission shall submit a draft copy of the report to the Public Utilities Commission. Not more than 45 days after receiving a copy of the draft report, the Public Utilities Commission shall submit written comments to the commission on any analysis, findings, or recommendations that pertain to the Public Utilities Commission's constitutional, statutory, and other responsibilities. Each final report published and submitted to the Legislature and the Governor pursuant to subdivision (a) shall contain a summary of any written comments adopted and submitted to the commission by the Public Utilities Commission.

CHAPTER 338

(b) Notwithstanding subdivision (a), a person may possess, for bona fide scientific research, as determined by the department, upon authorization by the department, the salt water algae of the *Caulerpa* species: *taxifolia*, *cupressoides*, *mexicana*, *sertulariodes*, *floridana*, *ashmeadii*, *racemosa*, *verticillata*, and *scapelliformis*.

(c) In addition to any other penalty provided by law, any person who violates this section is subject to a civil penalty of not less than five hundred dollars (\$500) and not more than ten thousand dollars (\$10,000) for each violation.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to control the introduction and spread of the salt water algae of the *Caulerpa* species enumerated in Section 2300 of the Fish and Game Code, as proposed to be added by Section 1 of this act, at the

earliest possible time, thereby protecting the marine environment and the health of marine life, it is necessary that this act take effect immediately.

CHAPTER 339

An act to add Section 1263 to the Health and Safety Code, relating to caregiver training.

(b) (1) Any certified nurse assistant employed by a skilled nursing facility or intermediate care facility shall have completed at least two hours of initial dementia-specific training as part of the facility's orientation program. The training shall be completed within the first 40 hours of employment.

(2) The facility shall develop a dementia-specific training component within the existing orientation program, to be implemented no later than July 1, 2002.

(3) The facility's modified orientation program shall be reviewed by the department in a phasein schedule that begins no later than July 1, 2002, and is completed no later than July 1, 2005.

CHAPTER 340

An act to add Section 25210.4h to the Government Code, relating to farm labor housing.

[Approved by Governor September 24, 2001. Filed with
Secretary of State September 25, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The growing of wine grapes represents the predominant industry and the principal agricultural crop in Napa. The harvest and maintenance of these plants are of vital public interest to the County of Napa.

(b) Farmworker housing owned and maintained by a public agency is necessary to assure that sufficient farmworkers will come to the County of Napa to harvest and maintain its principal crop.

(c) It is critical and most important to provide safe, clean housing for farmworkers in the County of Napa.

(d) Therefore, it is in the general public interest in the County of Napa that its board of supervisors be specially authorized to initiate proceedings to create one or more county service areas and zones with the specific single purpose of owning or maintaining, or both, farmworker housing.

(e) The benefit derived from the imposition of an annual fee for farmworker housing pursuant to this act is related to the number of planted vineyard acres, and the benefit derived for the per acreage fee is related to the same.

SEC. 2. Section 25210.4h is added to the Government Code, to read:

25210.4h. (a) In the County of Napa, a county service area may be formed for the sole purpose of acquiring, constructing, leasing, or maintaining, or any combination thereof, farmworker housing. Notwithstanding any other provision of this article, only a county service area formed under this section in the County of Napa may exercise this specific authority. These services and facilities shall be deemed "miscellaneous extended services." Sections 25210.4 and 25210.4a shall not apply to the county service zones or areas established pursuant to this section except to the extent needed to provide farmworker housing, and the procedures to establish the county service areas or zones shall reference an assessment, rather than a tax, as appropriate. If the proposed establishment of a county service area is abandoned, the County of Napa may provide those services from the general fund of the county, notwithstanding Section 25210.18.

(b) Notwithstanding Section 25210.1a, a county service area formed under this section may consist of noncontiguous parcels of planted vineyard land.

(c) The Board of Supervisors of the County of Napa may, following the procedures of Article 4.6 (commencing with Section 53750) of Chapter 4 of Part 1 of Division 2 of Title 5, levy an annual assessment

not to exceed ten dollars (\$10) per planted vineyard acre for the purposes of the county service area formed under this section. An annual assessment levied pursuant to this section may remain in effect for a period not exceeding five years. However, an annual assessment levied pursuant to this section may be reauthorized for additional five-year periods pursuant to that Article 4.6. The board of supervisors shall not impose a new assessment or an extension of an existing assessment if the assessment ballots submitted, and not withdrawn, in opposition to the proposed assessment exceed one-third of all assessment ballots submitted, and not withdrawn, weighting those assessment ballots by the amount of the proposed assessment to be imposed upon the identified parcel for which each assessment ballot was submitted.

(d) No assessment shall be imposed on any parcel that exceeds the reasonable cost of the proportional special benefit conferred on that parcel.

(e) The board of supervisors may allocate the proceeds of the annual assessment, as it deems appropriate, for any or all of the following purposes:

(1) Acquiring farmworker housing.

(2) Building farmworker housing.

(3) Leasing farmworker housing.

(4) Providing maintenance or operations for farmworker housing owned or leased by the Napa Valley Housing Authority or another public agency whose principal purpose is to develop or facilitate the development of farmworker housing in the County of Napa.

(f) The board of supervisors shall appoint an advisory committee that includes, but is not limited to, farmworkers and planted vineyard land owners or agents to advise and counsel the board on the allocation of the proceeds of the annual assessment.

(g) In ascertaining parcels to be included in this county service area, the board of supervisors shall use data gathered by the Napa County Flood Control and Water Conservation District.

(h) Vineyard property owners who present proof to the board of supervisors that they are providing housing for their own workers shall be exempt from the assessment. The board and the advisory committee shall audit the programs receiving the proceeds of the allocation every two years and make recommendations for changes.

SEC. 3. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances of Napa County. The facts

describing the special circumstances are set forth in the findings and declarations of the Legislature in Section 1 of this act.

CHAPTER 341

The board shall consist of five members who shall be registered electors residing within the district or proposed district at the time of their election and shall be elected by the qualified electors of the district. A majority of the seats on the board shall be designated for veterans, as defined in Section 940. Any board seat that is so designated, but is not currently filled by a qualifying individual, shall be filled by a qualified individual at the next election at which that seat is to be filled. The members of each cohort shall enroll in the same campus, and shall be provided by the school district or county office of education with appropriate support and information throughout the course of their studies.

(f) Each selected school district or county office of education shall report to the commission regarding the progress of each cohort of school paraprofessionals, and other information regarding its recruitment program as the commission may direct.

(g) No later than January 1, 1998, and annually thereafter, the commission shall report to the Legislature regarding the status of the pilot program, including, but not limited to, the number of school paraprofessionals recruited, the academic progress of the school paraprofessionals recruited, the number of school paraprofessionals recruited who are subsequently employed as teachers in the public schools, the degree to which the program meets the demand for bilingual and special education teachers, the degree to which the program or similar programs can meet that demand if properly funded and executed, and other effects upon the operation of the public schools.

[Approved by Governor September 24, 2001. Filed with
Secretary of State September 25, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 65004 of the Revenue and Taxation Code is amended to read:

65004. (a) Except as provided in subdivision (b), no city, county, or city and county may impose, assess, or attempt to collect any of the following:

(1) A tax on Internet access, Online Computer Services, or the use of Internet access or any Online Computer Services.

(2) A bit tax or bandwidth tax.

(3) Any discriminatory tax on Online Computer Services or Internet access.

(b) The prohibition in subdivision (a) against the imposition of taxes shall not apply to any new or existing tax of general application, including, but not limited to, any sales and use tax, business license tax, or utility user tax that is imposed or assessed in a uniform and nondiscriminatory manner without regard to whether the activities or transactions taxed are conducted through the use of the Internet, Internet access, or Online Computer Services.

(c) A cable television franchise fee may not be imposed on Online Computer Services or Internet access delivered over a cable television system if the Federal Communications Commission, by issuing a final order, or a court of competent jurisdiction, by rendering a judgment enforceable in California, finds that those are not cable services as defined in Section 522(6) of Title 47 of the United States Code and are, therefore, not subject to a franchise fee. However, if that final order or judgment is overturned or modified by further administrative, legislative, or judicial action, that action shall control. The operation of this subdivision may be suspended by a contract between a cable television franchising authority and a cable television operator.

(d) This part shall remain in effect only until January 1, 2004, and as of that date is repealed, provided that the interim report required by Section 38066 is submitted to the Governor and the Legislature on or before December 1, 2002. CHAPTER 344

An act to amend Section 47605 of the Education Code, relating to charter schools.

[Approved by Governor September 24, 2001. Filed with
Secretary of State September 25, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 47605 of the Education Code is amended to read:

47605. (a) (1) Except as set forth in paragraph (2), a petition for the establishment of a charter school within any school district may be circulated by any one or more persons seeking to establish the charter school. The petition may be submitted to the governing board of the school district for review after either of the following conditions are met:

(A) The petition has been signed by a number of parents or guardians of pupils that is equivalent to at least one-half of the number of pupils that the charter school estimates will enroll in the school for its first year of operation.

(B) The petition has been signed by a number of teachers that is equivalent to at least one-half of the number of teachers that the charter school estimates will be employed at the school during its first year of operation.

(2) In the case of a petition for the establishment of a charter school through the conversion of an existing public school, that would not be eligible for a loan pursuant to subdivision (b) of Section 41365, the petition may be circulated by any one or more persons seeking to establish the converted charter school. The petition may be submitted to the governing board of the school district for review after the petition has been signed by not less than 50 percent of the permanent status teachers currently employed at the public school to be converted.

(3) A petition shall include a prominent statement that a signature on the petition means that the parent or guardian is meaningfully interested in having his or her child, or ward, attend the charter school, or in the case of a teacher's signature, means that the teacher is meaningfully interested in teaching at the charter school. The proposed charter shall be attached to the petition.

(b) No later than 30 days after receiving a petition, in accordance with subdivision (a), the governing board of the school district shall hold a public hearing on the provisions of the charter, at which time the governing board of the school district shall consider the level of support for the petition by teachers employed by the district, other employees of the district, and parents. Following review of the petition and the public hearing, the governing board of the school district shall either grant or deny the charter within 60 days of receipt of the petition, provided, however, that the date may be extended by an additional 30 days if both parties agree to the extension. In reviewing petitions for the

establishment of charter schools pursuant to this section, the chartering authority shall be guided by the intent of the Legislature that charter schools are and should become an integral part of the California educational system and that establishment of charter schools should be encouraged. A school district governing board shall grant a charter for the operation of a school under this part if it is satisfied that granting the charter is consistent with sound educational practice. The governing board of the school district shall not deny a petition for the establishment of a charter school unless it makes written factual findings, specific to the particular petition, setting forth specific facts to support one or more of the following findings:

(1) The charter school presents an unsound educational program for the pupils to be enrolled in the charter school.

(2) The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.

(3) The petition does not contain the number of signatures required by subdivision (a).

(4) The petition does not contain an affirmation of each of the conditions described in subdivision (d).

(5) The petition does not contain reasonably comprehensive descriptions of all of the following:

(A) A description of the educational program of the school, designed, among other things, to identify those whom the school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.

(B) The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program.

(C) The method by which pupil progress in meeting those pupil outcomes is to be measured.

(D) The governance structure of the school, including, but not limited to, the process to be followed by the school to ensure parental involvement.

(E) The qualifications to be met by individuals to be employed by the school.

(F) The procedures that the school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the school furnish the school with a criminal record summary as described in Section 44237.

(G) The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted.

(H) Admission requirements, if applicable.

(I) The manner in which annual, independent, financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority.

(J) The procedures by which pupils can be suspended or expelled.

(K) The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security.

(L) The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools.

(M) A description of the rights of any employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school.

(N) The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter.

(O) A declaration whether or not the charter school shall be deemed the exclusive public school employer of the employees of the charter school for the purposes of the Educational Employment Relations Act (Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code).

(c) (1) Charter schools shall meet all statewide standards and conduct the pupil assessments required pursuant to Section 60605 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in noncharter public schools.

(2) Charter schools shall on a regular basis consult with their parents and teachers regarding the school's educational programs.

(d) (1) In addition to any other requirement imposed under this part, a charter school shall be nonsectarian in its programs, admission policies, employment practices, and all other operations, shall not charge tuition, and shall not discriminate against any pupil on the basis of ethnicity, national origin, gender, or disability. Except as provided in paragraph (2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or guardian, within this state, except that any existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that public school.

(2) (A) A charter school shall admit all pupils who wish to attend the school.

(B) However, if the number of pupils who wish to attend the charter school exceeds the school's capacity, attendance, except for existing pupils of the charter school, shall be determined by a public random drawing. Preference shall be extended to pupils currently attending the charter school and pupils who reside in the district. Other preferences may be permitted by the chartering authority on an individual school basis and only if consistent with the law.

(C) In the event of a drawing, the chartering authority shall make reasonable efforts to accommodate the growth of the charter school and, in no event, shall take any action to impede the charter school from expanding enrollment to meet pupil demand.

(e) No governing board of a school district shall require any employee of the school district to be employed in a charter school.

(f) No governing board of a school district shall require any pupil enrolled in the school district to attend a charter school.

(g) The governing board of a school district shall require that the petitioner or petitioners provide information regarding the proposed operation and potential effects of the school, including, but not limited to, the facilities to be utilized by the school, the manner in which administrative services of the school are to be provided, and potential civil liability effects, if any, upon the school and upon the school district. The petitioner or petitioners shall also be required to provide financial statements that include a proposed first-year operational budget, including startup costs, and cash-flow and financial projections for the first three years of operation.

(h) In reviewing petitions for the establishment of charter schools within the school district, the school district governing board shall give preference to petitions that demonstrate the capability to provide comprehensive learning experiences to pupils identified by the petitioner or petitioners as academically low achieving pursuant to the standards established by the State Department of Education under Section 54032.

(i) Upon the approval of the petition by the governing board of the school district, the petitioner or petitioners shall provide written notice of that approval, including a copy of the petition, to the State Board of Education.

(j) (1) If the governing board of a school district denies a petition, the petitioner may elect to submit the petition for the establishment of a charter school to either the county board of education or directly to the State Board of Education. The county board of education or the State Board of Education, as the case may be, shall review the petition pursuant to subdivision (b). If the petitioner elects to submit a petition

for establishment of a charter school to the county board of education and the county board of education denies the petition, the petitioner may file a petition for establishment of a charter school with the State Board of Education.

(2) In assuming its role as a chartering agency, the State Board of Education shall develop criteria to be used for the review and approval of charter school petitions presented to the State Board of Education. The criteria shall address all elements required for charter approval, as identified in subdivision (b) of Section 47605 and shall define “reasonably comprehensive” as used in paragraph (5) of subdivision (b) of Section 47605 in a way that is consistent with the intent of the Charter Schools Act of 1992. Upon satisfactory completion of the criteria, the State Board of Education shall adopt the criteria on or before June 30, 2001.

(3) A charter school for which a charter is granted by either the county board of education or the State Board of Education pursuant to this subdivision shall qualify fully as a charter school for all funding and other purposes of this part.

(4) If either the county board of education or the State Board of Education fails to act on a petition within 120 days of receipt, the decision of the governing board of the school district, to deny a petition shall, thereafter, be subject to judicial review.

(5) The State Board of Education shall adopt regulations implementing this subdivision.

(6) Upon the approval of the petition by the county board of education, the petitioner or petitioners shall provide written notice of that approval, including a copy of the petition to the State Board of Education.

(k) (1) The State Board of Education may, by mutual agreement, designate its supervisory and oversight responsibilities for a charter school approved by the State Board of Education to any local education agency in the county in which the charter school is located or to the governing board of the school district that first denied the petition.

(2) The designated local education agency shall have all monitoring and supervising authority of a chartering agency, including, but not limited to, powers and duties set forth in Section 47607, except the power of revocation, which shall remain with the State Board of Education.

(3) A charter school that has been granted its charter by the State Board of Education and elects to seek renewal of its charter shall, prior to expiration of the charter, submit its petition for renewal to the governing board of the school district that initially denied the charter. If the governing board of the school district denies the school’s petition for

renewal, the school may petition the State Board of Education for renewal of its charter.

(l) Teachers in charter schools shall be required to hold a Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold. These documents shall be maintained on file at the charter school and shall be subject to periodic inspection by the chartering authority. It is the intent of the Legislature that charter schools be given flexibility with regard to noncore, noncollege preparatory courses.

(m) A charter school shall transmit a copy of its annual, independent, financial audit report for the preceding fiscal year, as described in subparagraph (I) of paragraph (5) of subdivision (b), to its chartering entity and the State Department of Education by December 15 of each year. This subdivision shall not apply if the audit of the charter school is encompassed in the audit of the chartering entity pursuant to Section 41020.
