SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 632

An act to add Section 125.5 to the Metropolitan Water District Act (Chapter 209 of the Statutes of 1969), relating to water.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 125.5 is added to the Metropolitan Water District Act (Chapter 209 of the Statutes of 1969), to read:

125.5. On or before June 30, 2002, the board of directors of a district shall adopt a resolution establishing guidelines for the intended use of

unreserved fund balances. The guidelines shall require that any disbursement of funds to member public agencies that represents a refund of money paid for the purchase of water shall be distributed based upon each member agency's purchase of water from the district during the previous fiscal year.

SEC. 2. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 633

An act to amend Section 8051.2 of the Fish and Game Code, relating to sea urchins, and making an appropriation therefor.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds that the landing fee collected pursuant to Section 8051.1, as that section read on December 31, 2001, has accumulated a sizable unexpended reserve even though collection of the fee was terminated on March 1, 2001. The landing fee reserve results from the portion of the landing fee dedicated to enhancement projects, pursuant to Section 8051.2, and this revenue has historically been allocated to projects recommended by the Director's Sea Urchin Advisory Committee. It is the intent of the Legislature that the department continue to expend the landing fee reserve for sea urchin enhancement according to the recommendations of the new Sea Urchin Fishery Advisory Committee for any purpose authorized by Section 8051.2. It is further the intent of the Legislature that the Sea Urchin Fishery Advisory Committee serve to advise the department regarding individual and comprehensive sea urchin fishery management actions, development of a fishery management plan, establishment of marine protected areas as they pertain to the sea urchin fishery, and other possible actions that may impact the sea urchin fishery and the marine ecosystem upon which it depends.

SEC. 2. Section 8051.2 of the Fish and Game Code is amended to read:

8051.2. (a) (1) The landing fee collected pursuant to Section 8051.1, as that section read on December 31, 2001, shall be deposited in the Fish and Game Preservation Fund and shall be used to fund a wide range of projects, activities, and programs based on an ecosystem approach to sea urchin management to ensure a sustainable sea urchin fishery. The funds shall be used for sea urchin fishery research, enhancement, and other projects contributing to sustainable fishery management practices, including, but not limited to, educational materials and forums, industry coordination, and communication, and for the purposes described in paragraph (2). The department shall maintain internal accountability necessary to ensure that all restrictions on the expenditure of these funds are met.

(2) After the approval of the Sea Urchin Fishery Advisory Committee, funds collected pursuant to Section 8051.1, as that section read on December 31, 2001, may be paid to the Department of Food and Agriculture to pay the costs of conducting a referendum vote to establish a marketing council or commission for the promotion of sea urchins if the establishment of a marketing council or commission is authorized by the Food and Agricultural Code.

(b) The Sea Urchin Fishery Advisory Committee shall annually submit recommendations to the department for expending the fee revenue collected pursuant to Section 8051.1, as that section read on December 31, 2001, on any authorized project or activity. The committee and the department may establish a formal grant program to annually solicit, review, and select projects for funding.

(c) An amount, not to exceed 20 percent of the remaining fee revenues collected pursuant to Section 8051.1 may be used to administer the programs or projects funded from the revenues collected pursuant to Section 8051.1, as that section read on December 31, 2001, and for the reasonable and necessary expenses of the Sea Urchin Fishery Advisory Committee, including, but not limited to, reimbursing members for travel costs to attend committee meetings, retaining an industry representative, and selecting projects for funding.

(d) (1) The director shall appoint a Sea Urchin Fishery Advisory Committee consisting of 10 members, which shall meet not less than three times annually. Members shall serve at the pleasure of the director for a term of not more than two years and may be reappointed. Members shall be selected by the director from nominations submitted by sea urchin fishermen and processors and by associations representing the commercial sea urchin industry of California. Five of the industry members shall represent processors and five of the industry members shall represent divers. Each of the diver representatives shall hold a valid

sea urchin diving permit. Two of the diver representatives shall be from northern California, and three of the diver representatives shall be from southern California. One of the diver representatives from southern California shall reside in Santa Barbara County, one in Ventura County, and one in either Los Angeles County or San Diego County. All of the California diver representatives shall reside in different geographical areas of the state. Each diver representative shall select an alternate, approved by the director, who may act in that representative's absence. The alternate is not required to hold a current sea urchin diving permit and may reside in any geographical area in the state.

(2) The Sea Urchin Fishery Advisory Committee shall select a chairperson from its membership. The committee may contract with a person to serve as an industry representative, with the concurrence of the department, to work with the department's liaison in carrying out committee actions and recommendations and preparing for committee meetings.

(3) The department shall assign a staff liaison to coordinate with the chairperson and industry representative to ensure the actions of the committee are communicated to the department when undertaking fishery management activities.

(4) Members of the Sea Urchin Fishery Advisory Committee shall be considered for participation in relevant advisory positions and collaborative efforts established pursuant to Part 1.7 (commencing with Section 7050), and the committee may be consulted, as appropriate, regarding interim management or related fishery issues.

(e) The Sea Urchin Fishery Advisory Committee may annually submit to the department proposed projects and a budget for expending the remaining balance of the fee revenue collected pursuant to Section 8051.1, as that section read on December 31, 2001. The department shall report annually to the committee on all expenditures and accomplishments during the previous year for funds collected pursuant to Section 8051.1.

(f) (1) The department may contract with a nonprofit organization, in existence on the effective date of the act adding this section, which is established for the purpose of supporting and assisting the department, to support and assist the department in carrying out its duties pursuant to this section and may use the remainder of any funds collected pursuant to Section 8051.1 for that contract each fiscal year. The nonprofit organization shall be selected by the department with the advice of the Sea Urchin Fishery Advisory Committee.

(2) If the department enters into that contract, the nonprofit organization shall be responsible for carrying out this section, including coordinating activities with the Sea Urchin Fishery Advisory Committee and administering the expenditure of sea urchin landing fees

collected pursuant to Section 8051.1 as that section read on December 31, 2001. The department may not delegate the department's authority to seek and consider the advice of the Sea Urchin Fishery Advisory Committee regarding fishery management and related fishery issues.

(3) A contract awarded by the nonprofit organization for the purposes of this section is exempt from Chapter 1 (commencing with Section 10100) of Part 2 of the Public Contract Code.

(4) The nonprofit organization may, in addition, establish and administer an endowment fund for the purposes of this section. Funds received by the department pursuant to this section, any other funds received from the department, and nonstate funds received for these purposes may be deposited into the endowment fund.

(g) This section shall remain in effect only until January 1, 2007, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2007, deletes or extends that date.

SEC. 3. Notwithstanding subdivision (d) of Section 8051.2 of the Fish and Game Code, the initial members of the Sea Urchin Fishery Advisory Committee shall be the 10 industry representatives from the Director's Sea Urchin Advisory Committee in existence on December 31, 2001. The committee members shall randomly select the length of their initial term on the Sea Urchin Fishery Advisory Committee so that not more than five serve for two years and five serve for one year.

CHAPTER 634

An act to add Section 22793.2 to the Government Code, to add Section 1367.45 to the Health and Safety Code, and to add Section 10145.2 to the Insurance Code, relating to health care coverage.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 22793.2 is added to the Government Code, to read:

22793.2. (a) A plan or contract shall provide coverage for a vaccine for acquired immune deficiency syndrome (AIDS) that is approved for marketing by the federal Food and Drug Administration and that is recommended by the United States Public Health Service.

(b) This section shall not be construed to require a plan or contract to provide coverage for any clinical trials relating to an AIDS vaccine or for any AIDS vaccine that has been approved by the federal Food and

Drug Administration in the form of an investigational new drug application.

(c) Nothing in this section is to be construed in any manner to limit or impede the board's power or responsibility to negotiate the most cost-effective price for vaccine purchases.

SEC. 2. Section 1367.45 is added to the Health and Safety Code, to read:

1367.45. (a) Every individual or group health care service plan contract that is issued, amended, or renewed on or after January 1, 2002, that covers hospital, medical, or surgery expenses shall provide coverage for a vaccine for acquired immune deficiency syndrome (AIDS) that is approved for marketing by the federal Food and Drug Administration and that is recommended by the United States Public Health Service.

(b) This section may not be construed to require a health care service plan to provide coverage for any clinical trials relating to an AIDS vaccine or for any AIDS vaccine that has been approved by the federal Food and Drug Administration in the form of an investigational new drug application.

(c) A health care service plan that contracts directly with an individual provider or provider organization may not delegate the risk adjusted treatment cost of providing services under this section unless the requirements of Section 1375.5 are met.

(d) Nothing in this section is to be construed in any manner to limit or impede a health care service plan's power or responsibility to negotiate the most cost-effective price for vaccine purchases.

SEC. 3. Section 10145.2 is added to the Insurance Code, to read:

10145.2. (a) Every policy of disability insurance that is issued, amended, or renewed on or after July 1, 2002, that covers hospital, medical, or surgery expenses shall provide coverage for a vaccine for acquired immune deficiency syndrome (AIDS) that is approved for marketing by the federal Food and Drug Administration and that is recommended by the United States Public Health Service.

(b) This section may not be construed to require a policy to provide coverage for any clinical trials relating to an AIDS vaccine or for any AIDS vaccine that has been approved by the federal Food and Drug Administration in the form of an investigational new drug application.

(c) This section shall not apply to vision only, dental only, accident only, specified disease, hospital indemnity, Medicare supplement, CHAMPUS supplement, long-term care, or disability income insurance. For hospital indemnity, accident only, or specified disease insurance coverage, benefits under this section shall apply only to the extent that the benefits are covered under the general terms and conditions that apply to all other benefits under the policy or certificate. Nothing in this

section shall be construed as imposing a new benefit mandate on accident only, hospital indemnity, or specified disease insurance.

(d) Nothing in this section is to be construed in any manner to limit or impede a disability insurer's power or responsibility to negotiate the most cost-effective price for vaccine purchases.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 635

An act to add and repeal Division 110 (commencing with Section 130300) of, and to repeal Section 128812 of, the Health and Safety Code, and to add Item 9909-001-0988 to Section 2.00 of the Budget Act of 2001 (Chapter 106 of the Statutes of 2001), relating to the Health Insurance Portability and Accountability Act, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Division 110 (commencing with Section 130300) is added to the Health and Safety Code, to read:

DIVISION 110. THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY IMPLEMENTATION ACT OF 2001

130300. This division shall be known and may be cited as the Health Insurance Portability and Accountability Implementation Act of 2001.

130301. The Legislature finds and declares the following:

(a) The federal Health Insurance Portability and Accountability Act (42 U.S.C. Sec. 300gg), known as HIPAA, was enacted on August 21, 1996.

(b) HIPAA extends health coverage benefits to workers after they terminate or change employment by allowing the worker to participate in existing group coverage plans, thereby avoiding the additional

expense associated with obtaining individual coverage as well as the potential loss of coverage because of a preexisting health condition.

(c) Administrative simplification is a key feature of HIPAA, requiring standard national identifiers for providers, employers, and health plans and the development of uniform standards for the coding and transmission of claims and health care information. Administration simplification is intended to promote the use of information technology, thereby reducing costs and increasing efficiency in the health care industry.

(d) HIPAA also contains new standards for safeguarding the privacy and security of health information. Therefore, the development of policies for safeguarding the privacy and security of health records is a fundamental and indispensable part of HIPAA implementation that must accompany or precede the expansion or standardization of technology for recording or transmitting health information.

(e) The federal Health and Human Services Agency has published, and continues to publish, rules pertaining to the implementation of HIPAA. Following a 60-day congressional concurrence period, health providers and insurers have 24 months in which to implement these rules.

(f) These federal rules directly apply to state and county departments that provide health coverage, health care, mental health services, and alcohol and drug treatment programs. Other state and county departments are subject to these rules to the extent they use or exchange information with the departments to which the federal rules directly apply.

(g) In view of the substantial changes that HIPAA will require in the practices of both private and public health entities and their business associates, the ability of California government to continue the delivery of vital health services will depend upon the implementation of HIPAA in a manner that is coordinated among state departments as well as our partners in county government and the private health sector.

(h) The implementation of HIPAA shall be accomplished as required by federal law and regulations and shall be a priority for state departments.

130302. For the purposes of this division, the following definitions apply:

(a) ''Director'' means the Director of the Office of HIPAA Implementation.

(b) ''HIPAA'' means the federal Health Insurance Portability and Accountability Act.

(c) ''Office'' means the Office of HIPAA Implementation established by the office of the Governor in the Health and Human Services Agency.

(d) ''State entities'' means all state departments, boards, commissions, programs, and other organizational units of the executive branch of state government.

130303. The office shall assume statewide leadership, coordination, policy formulation, direction, and oversight responsibilities for HIPAA implementation. The office shall exercise full authority relative to state entities to establish policy, provide direction to state entities, monitor progress, and report on implementation efforts.

130304. The office shall be under the supervision and control of a director, known as the Director of the Office of HIPAA Implementation, who shall be appointed by, and serve at the pleasure of, the Secretary of the Health and Human Services Agency.

130305. The office shall be staffed, at a minimum, with the following personnel:

(a) Legal counsel to perform activities that may include, but are not limited to, determining the application of federal law pertaining to HIPAA.

(b) Staff with expertise in the rules promulgated by HIPAA.

(c) Staff to oversee the development of training curricula and tools and to modify the curricula and tools as required by the state's ongoing HIPAA compliance effort.

(d) Information technology staff.

(e) Staff, as necessary, to coordinate and monitor the progress made by all state entities in HIPAA implementation.

(f) Administrative staff, as necessary.

130306. (a) The office shall perform the following functions:

(1) Standardizing the HIPAA implementation process used in all state entities, which includes the following:

(A) Developing a master plan and overall state strategy for HIPAA implementation that includes timeframes within which specified activities will be completed.

(B) Specifying tools, such as protocols for assessment and reporting, and any other tools as determined by the director for HIPAA implementation.

(C) Developing uniform policies on privacy, security, and other matters related to HIPAA that shall be adopted and implemented by all state entities. In developing these policies, the office shall consult with representatives from the private sector, state government, and other public entities affected by HIPAA.

(D) Providing an ongoing evaluation of HIPAA implementation in California and refining the plans, tools, and policies as required to effect implementation.

(E) Developing standards for the office to use in determining the extent of HIPAA compliance.

(2) Representing the State of California in HIPAA discussions with the federal Department of Health and Human Services and at the Workgroup for Electronic Data Interchange and other national and regional groups developing standards for HIPAA implementation, including those authorized by the federal Department of Health and Human Services to receive comments related to HIPAA. In preparing comments for submission to these entities, the office shall work in coordination with private and public entities to which the comments relate. The office may review and approve all comments related to HIPAA that state entities or representatives from the University of California, to the extent authorized by its Regents, propose for submission to the federal Department of Health and Human Services or any other body or organization.

(3) Monitoring the HIPAA implementation activities of state entities and requiring these entities to report on their implementation activities at times specified by the director using a format prescribed by the director. The office shall seek the cooperation of counties in monitoring HIPAA implementation in programs that are administered by county government.

(4) Providing state entities with technical assistance as the director deems necessary and appropriate to advance the state's implementation of HIPAA as required by the schedule adopted by the federal Department of Health and Human Services. This assistance shall also include sharing information obtained by the office relating to HIPAA.

(5) Providing the Department of Finance with recommendations on HIPAA implementation expenditures, including proposals submitted by state entities and a recommendation on the amount to be appropriated for allocation by the Department of Finance to entities implementing HIPAA.

(6) Conducting a periodic assessment at least once every three years to determine whether staff positions established in the office and in other state entities to perform HIPAA compliance activities continue to be necessary or whether additional staff positions are required to complete these activities.

(7) Reviewing and approving contracts relating to HIPAA to which a state entity is a party prior to the contract's effective date.

(8) Reviewing and approving all HIPAA legislation proposed by state entities, other than state control agencies, prior to the proposal's review by any other entity and reviewing all analyses and positions, other than those prepared by state control agencies, on HIPAA related legislation being considered by either Congress or the Legislature.

(9) Ensuring state departments claim federal funding for those activities that qualify under federal funding criteria.

(10) Establishing a Web site that is accessible to the public to provide information in a consistent and accessible format concerning state HIPAA implementation activities, timeframes for completing those activities, HIPAA implementation requirements that have been met, and the promulgation of federal regulations pertaining to HIPAA implementation. The office shall update this Web site quarterly.

(b) In performing these functions, the office shall coordinate its activities with the State Office of Privacy Protection.

130307. The director shall establish an advisory committee to obtain information on statewide HIPAA implementation activities, which shall meet at a minimum of two times per year. It is the intent of the Legislature that the committee's membership include representatives from county government, from consumers, and from a broad range of provider groups, such as physicians and surgeons, clinics, hospitals, pharmaceutical companies, health care service plans, disability insurers, long-term care facilities, facilities for the developmentally disabled, and mental health providers. The director shall invite key stakeholders from the federal government, the Judicial Council, health care advocates, nonprofit health care organizations, public health systems, and the private sector to provide information to the committee.

130308. The office may contract for the provision of services required to implement this division. The Legislature finds that these contracts are for a new state function and authorizes the performance of this work by independent contractors, pursuant to paragraph (2) of subdivision (b) of Section 19130 of the Government Code.

130309. (a) All state entities subject to HIPAA shall complete an assessment, in a form specified by the office, prior to January 1, 2002, to determine the impact of HIPAA on their operations. The office shall report the statewide results of the assessment to the appropriate policy and fiscal committees of the Legislature on or before May 15, 2002.

(b) Other state entities shall cooperate with the office to determine whether they are subject to HIPAA, including, but not limited to, providing a completed assessment as prescribed by the office.

130310. All state entities shall cooperate with the efforts of the office to monitor HIPAA implementation activities and to obtain information on those activities.

130311. All state entities affected by HIPAA shall comply with the decisions of the director in achieving compliance with HIPAA.

130312. (a) The Department of Finance shall provide a complete accounting of HIPAA expenditures made by all state entities.

(b) The Department of Finance, in consultation with the office, shall develop and annually publish prior to August 1, guidelines for state entities to obtain additional HIPAA funding. All funding requests from state entities for HIPAA implementation, including, but not limited to,

requests for appropriations through the Budget Act or other legislation and requests for allocation of lump-sum funds from the Department of Finance, shall be reviewed and approved by the office prior to being submitted to the Department of Finance. Funding requests pertaining to information technology activities shall also be reviewed and approved by the Department of Information Technology.

(c) The Department of Finance shall notify the office and the Chairperson of the Senate Committee on Budget and Fiscal Review and the Chairperson of the Assembly Budget Committee of each allocation it approves within 10 working days of the approval. The Department of Finance shall also report to the Legislature quarterly on HIPAA allocations, redirections, and expenditures, categorized by state entity and by project.

130313. To the extent that funds are appropriated in the annual Budget Act, the office shall perform the following functions in order to comply with HIPAA requirements:

(a) The establishment and ongoing support of departmental HIPAA project management offices.

(b) The development, revision, and issuance of HIPAA compliance policies.

(c) Modifications of programs in accordance with any revised policies.

(d) Staff training on HIPAA compliance policies and programs.

(e) Coordination and communication with other affected entities.

(f) Modifications to, or replacement of, information technology systems.

(g) Consultation with appropriate stakeholders.

130314. The office shall report to the Legislature, upon its request, any services or programs that were temporarily reduced or suspended due to the redirection of funds for HIPAA compliance activities.

130315. State entities may adopt emergency regulations in accordance with the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code) to implement HIPAA requirements set forth in final federal regulations. This authority shall terminate one year after the last final rule for HIPAA is issued by the federal government. The adoption of emergency regulations described in this section shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare. An emergency regulation adopted under this section shall remain in effect for not more than two years.

130316. Any funds appropriated for the purpose of this division that remain unexpended or unencumbered on January 1, 2008, shall revert to

the General Fund on that date unless a statute that is enacted before January 1, 2008, extends the provisions of this division.

130317. This division shall remain in effect only until January 1, 2008, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2008, deletes or extends that date.

SEC. 2. (a) Thirty-three million one hundred sixty-eight thousand dollars ($33,168,000) from the Federal Trust Fund is hereby appropriated for transfer to and in augmentation of Item 9909-001-0890 of the Budget Act of 2001 (Chapter 106 of the Statutes of 2001) for allocation to various departments by the Department of Finance in support of HIPAA compliance activities.

(b) Eleven million one hundred twenty thousand dollars ($11,120,000) from the General Fund is hereby appropriated for transfer to and in augmentation of Item 9909-001-0001 of the Budget Act of 2001 (Chapter 106 of the Statutes of 2001) for allocation to various departments by the Department of Finance in support of HIPAA compliance activities.

(c) One million one hundred forty-one thousand dollars ($1,141,000) from the Statewide HIPAA Compliance Fund is hereby appropriated for transfer to and in augmentation of Item 9909-001-0494 of the Budget Act of 2001 (Chapter 106 of the Statutes of 2001) for allocation to various departments by the Department of Finance in support of HIPAA compliance activities.

SEC. 3. Item 9909-001-0988 is added to Section 2.00 of the Budget Act of 2001 (Chapter 106 of the Statutes of 2001), to read:

9909–001–0988—For allocation by the Department of Finance in support of federal Health Insurance Portability and Accountability Act activities for applicant state agencies, departments, boards, commissions, or other entities of state government	10,000,000

Provisions:

1. Provisions 1 and 2 of Item 9909–001–0001 of the Budget Act of 2001 (Chapter 106 of the Statutes of 2001) shall also apply to allocations authorized by this item.
2. Notwithstanding any other provision of law, the Director of the Department of Finance may authorize expenditures in excess of the ten million dollars ($10,000,000) appropriated in this item.

SEC. 4. In the event that expenditures in support of the federal Health Insurance Portability and Accountability Act activities for applicant state agencies, departments, boards, commissions, or other entities of state government exceed the appropriations made by the

Budget Act of 2001 (Chapter 106 of the Statutes of 2001), the Director of Finance shall utilize a process similar to the Section 27 process contained in the Budget Act of 2001 (Chapter 106 of the Statutes of 2001).

SEC. 5. Section 128812 of the Health and Safety Code is repealed.

SEC. 6. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Due to the specified deadlines for complying with the requirements of the federal Health Insurance Portability and Accountability Act, it is necessary that this act take effect immediately.

CHAPTER 636

An act to amend Section 53753 of the Government Code, and to amend Section 35469.6 of the Streets and Highways Code, relating to local agency assessments.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 53753 of the Government Code is amended to read:

53753. (a) The notice, protest, and hearing requirements imposed by this section supersede any statutory provisions applicable to the levy of a new or increased assessment that is in existence on the effective date of this section, whether or not that provision is in conflict with this article. Any agency that complies with the notice, protest, and hearing requirements of this section shall not be required to comply with any other statutory notice, protest, and hearing requirements that would otherwise be applicable to the levy of a new or increased assessment, with the exception of Division 4.5 (commencing with Section 3100) of the Streets and Highways Code. If the requirements of that division apply to the levy of a new or increased assessment, the levying agency shall comply with the notice, protest, and hearing requirements imposed by this section as well as with the requirements of that division.

(b) Prior to levying a new or increased assessment, or an existing assessment that is subject to the procedures and approval process set forth in Section 4 of Article XIII D of the California Constitution, an agency shall give notice by mail to the record owner of each identified

parcel. Each notice shall include the total amount of the proposed assessment chargeable to the entire district, the amount chargeable to the record owner's parcel, the duration of the payments, the reason for the assessment and the basis upon which the amount of the proposed assessment was calculated, and the date, time, and location of a public hearing on the proposed assessment. Each notice shall also include, in a conspicuous place thereon, a summary of the procedures for the completion, return, and tabulation of the assessment ballots required pursuant to subdivision (c), including a statement that the assessment shall not be imposed if the ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment, with ballots weighted according to the proportional financial obligation of the affected property. An agency shall give notice by mail at least 45 days prior to the date of the public hearing upon the proposed assessment.

(c) Each notice given pursuant to subdivision (b) shall contain an assessment ballot that includes the agency's address for receipt of the form and a place where the person returning the assessment ballot may indicate his or her name, a reasonable identification of the parcel, and his or her support or opposition to the proposed assessment. Each assessment ballot shall be in a form that conceals its contents once it is sealed by the person submitting the assessment ballot. Each assessment ballot shall be signed and either mailed or otherwise delivered to the address indicated on the assessment ballot. Regardless of the method of delivery, all assessment ballots shall be received at the address indicated, or the site of the public testimony, in order to be included in the tabulation of a majority protest pursuant to subdivision (e). Assessment ballots shall remain sealed until the tabulation of ballots pursuant to subdivision (e) commences, provided that an assessment ballot may be submitted, or changed, or withdrawn by the person who submitted the ballot prior to the conclusion of the public testimony on the proposed assessment at the hearing required pursuant to subdivision (d). An agency may provide an envelope for the return of the assessment ballot, provided that if the return envelope is opened by the agency prior to the tabulation of ballots pursuant to subdivision (e), the enclosed assessment ballot shall remain sealed as provided in this section.

(d) At the time, date, and place stated in the notice mailed pursuant to subdivision (b), the agency shall conduct a public hearing upon the proposed assessment. At the public hearing, the agency shall consider all objections or protests, if any, to the proposed assessment. At the public hearing, any interested person shall be permitted to present written or oral testimony. The public hearing may be continued from time to time.

(e) (1) At the conclusion of the public hearing conducted pursuant to subdivision (d), an impartial person designated by the agency who does

not have a vested interest in the outcome of the proposed assessment shall tabulate the assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment. In a city, the impartial person may include, but is not limited to, the clerk of the agency. The impartial person may use technological methods of tabulating the assessment ballots, including, but not limited to, punchcard or optically readable (bar-coded) assessment ballots. During and after the tabulation, the assessment ballots shall be treated as disclosable public records, as defined in Section 6252, and equally available for inspection by the proponents and the opponents of the proposed assessment.

In the event that more than one of the record owners of an identified parcel submits an assessment ballot, the amount of the proposed assessment to be imposed upon the identified parcel shall be allocated to each ballot submitted in proportion to the respective record ownership interests or, if the ownership interests are not shown on the record, as established to the satisfaction of the agency by documentation provided by those record owners.

(2) A majority protest exists if the assessment ballots submitted, and not withdrawn, in opposition to the proposed assessment exceed the assessment ballots submitted, and not withdrawn, in its favor, weighting those assessment ballots by the amount of the proposed assessment to be imposed upon the identified parcel for which each assessment ballot was submitted.

(3) If there is a majority protest against the imposition of a new assessment, or the extension of an existing assessment, or an increase in an existing assessment, the agency shall not impose, extend, or increase the assessment.

(4) The majority protest proceedings described in this subdivision shall not constitute an election or voting for purposes of Article II of the California Constitution or of the California Elections Code.

SEC. 2. Section 35469.6 of the Streets and Highways Code is amended to read:

35469.6. At the hearing and prior to consideration of the correctness of the assessment and diagram, the legislative body shall hear and consider all protests to the proceedings for the levy of that assessment. The notice, hearing, and protest procedures shall comply with Section 53753 of the Government Code.

The Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (commencing with Section 2800) shall not apply to proceedings under this chapter.

CHAPTER 637

An act to add Section 12749.95 to the Water Code, relating to water.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 12749.95 is added to the Water Code, to read:

12749.95. (a) (1) The project for flood control on the Whitewater River in Riverside County is adopted and authorized substantially in accordance with the congressional approval and the final report of the Chief of Engineers dated December 29, 2000, as authorized by Section 101(b)(10) of the Water Resources Development Act of 2000 (Public Law 106-541), at an estimated cost to the state of the sum that may be appropriated for state cooperation by statute, upon the recommendation and advice of the department.

(2) The authorization of the project is contingent upon the appropriation of funds in the annual Budget Act to pay for the state's share of costs associated with the project.

(b) The Coachella Valley Water District shall give assurances satisfactory to the Secretary of the Army that the local cooperation required by that final report will be furnished by the district in connection with the project for flood control adopted and authorized in subdivision (a).

(c) The Coachella Valley Water District, in conjunction with the Department of the Army, shall carry out the plans and project and may make modifications and amendments to the plans for the purposes of Chapter 1 (commencing with 12570) and this chapter.

(d) The Coachella Valley Water District shall enter into an agreement with the department pursuant to which the district agrees to indemnify and hold and save the state, its officers, agents, and employees harmless from any and all liability for damages that may arise out of the planning, design, construction, operation, maintenance, repair, and rehabilitation of the project.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district are the result of a program for which legislative authority was requested by that local agency or school district, within the meaning of Section 17556 of the Government Code and Section 6 of Article XIII B of the California Constitution.

CHAPTER 638

An act to add Section 247.1 to the Public Utilities Code, and to amend Section 41020 of the Revenue and Taxation Code, relating to telecommunications.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds that the United States Congress has enacted the Mobile Telecommunications Sourcing Act for the purpose of establishing uniform nationwide sourcing rules for the state and local taxation of mobile telecommunications services. The federal act creates a uniform sourcing rule that was intended to be revenue-neutral among the states. In order to create a single, uniform sourcing rule, the federal act preempts, in part, state and local law. The Legislature desires to adopt implementing legislation with respect to certain tax laws enacted by this state, and to conform those tax laws to the federal uniform sourcing rule to the extent there is otherwise a conflict. By enacting this legislation, the Legislature is not, and is not intending to, enact any new taxes or to increase the tax rate or tax base of any tax.

SEC. 2. Section 247.1 is added to the Public Utilities Code, to read:

247.1. (a) The Mobile Telecommunications Sourcing Act (P.L. 106-252) was enacted for the purpose of establishing nationwide uniform sourcing rules for the imposition of state and local taxes, fees, and surcharges on mobile telecommunications services. In order to establish a single, uniform sourcing rule, the federal act partially preempted state and local law imposing taxes, fees, and surcharges on a mobile telecommunications services customer whose place of primary use is outside of the state in which the state and local taxes, fees, or surcharges are imposed.

(b) In accordance with the Mobile Telecommunications Sourcing Act, which is incorporated herein by reference, and notwithstanding Sections 280, 431, 739.3, 879, and 2881, the surcharges or fees under these sections do not apply to any charges for mobile telecommunications services billed to a customer where those services are provided, or deemed provided, to a customer whose place of primary use is outside this state. Mobile telecommunications services shall be deemed provided by a customer's home service provider to the customer if those services are provided in a taxing jurisdiction to the customer, and the charges for those services are billed by or for the customer's home service provider.

(c) For purposes of this section:

(1) ''Charges for mobile telecommunications services'' means any charge for, or associated with, the provision of commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations, as in effect on June 1, 1999, or any charge for, or associated with, a service provided as an adjunct to a commercial mobile radio service, that is billed to the customer by or for the customer's home service provider, regardless of whether individual transmissions originate or terminate within the licensed service area of a home service provider.

(2) ''Customer'' means either (A) the person or entity that contracts with the home service provider for mobile telecommunications services, or (B) if the end user of mobile telecommunications services is not the contracting party, the end user of the mobile telecommunications service. This paragraph applies only for the purpose of determining the place of primary use. The term ''customer'' does not include either (A) a reseller of mobile telecommunications service, or (B) a serving carrier under an arrangement to serve the customer outside the home service provider's licensed service area.

(3) ''Home service provider'' means the facilities-based carrier or reseller with which the customer contracts for the provision of mobile telecommunications services.

(4) ''Licensed service area'' means the geographic area in which the home service provider is authorized by law or contract to provide commercial mobile radio service to the customer.

(5) ''Mobile telecommunications service'' means commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations, as in effect on June 1, 1999.

(6) ''Place of primary use'' means the street address representative of where the customer's use of the mobile telecommunications service primarily occurs, that must be:

(A) The residential street address or the primary business street address of the customer.

(B) Within the licensed area of the home service provider.

(7) (A) ''Reseller'' means a provider who purchases telecommunications services from another telecommunications service provider and then resells the services, or uses the services as a component part of, or integrates the purchased services into a mobile telecommunications service.

(B) ''Reseller'' does not include a serving carrier with which a home service provider arranges for the services to its customers outside the home service provider's licensed service area.

(8) ''Serving carrier'' means a facilities-based carrier providing mobile telecommunications service to a customer outside a home service provider's or reseller's licensed area.

(9) ''Taxing jurisdiction'' means any of the several states, the District of Columbia, or any territory or possession of the United States, any municipality, city, county, township, parish, transportation district, or assessment jurisdiction, or any other political subdivision within the territorial limits of the United States with the authority to impose a tax, charge, or fee.

SEC. 3. Section 41020 of the Revenue and Taxation Code is amended to read:

41020. (a) A surcharge is hereby imposed on amounts paid by every person in the state for intrastate telephone communication service in this state commencing on July 1, 1977.

(b) The surcharge imposed shall be at the rate of one-half of 1 percent of the charges made for such services to and including November 1, 1982, and thereafter at a rate fixed pursuant to Article 2 (commencing with Section 41030).

(c) The surcharge shall be paid by the service user as hereinafter provided.

(d) In accordance with the Mobile Telecommunications Sourcing Act (P.L. 106-252), which is incorporated herein by reference, the surcharge imposed under this section does not apply to any charges for mobile telecommunications services billed to a customer where those services are provided, or deemed provided, to a customer whose place of primary use is outside this state. Mobile telecommunications services shall be deemed provided by a customer's home service provider to the customer if those services are provided in a taxing jurisdiction to the customer, and the charges for those services are billed by or for the customer's home service provider.

(e) For purposes of this section:

(1) ''Charges for mobile telecommunications services'' means any charge for, or associated with, the provision of commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations, as in effect on June 1, 1999, or any charge for, or associated with, a service provided as an adjunct to a commercial mobile radio service, that is billed to the customer by or for the customer's home service provider, regardless of whether individual transmissions originate or terminate within the licensed service area of the home service provider.

(2) ''Customer'' means (A) the person or entity that contracts with the home service provider for mobile telecommunications services, or (B) if the end user of mobile telecommunications services is not the contracting party, the end user of the mobile telecommunications

service. This paragraph applies only for the purpose of determining the place of primary use. The term ''customer'' does not include (A) a reseller of mobile telecommunications service, or (B) a serving carrier under an arrangement to serve the customer outside the home service provider's licensed service area.

(3) ''Home service provider'' means the facilities-based carrier or reseller with which the customer contracts for the provision of mobile telecommunications services.

(4) ''Licensed service area'' means the geographic area in which the home service provider is authorized by law or contract to provide commercial mobile radio service to the customer.

(5) ''Mobile telecommunications service'' means commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations, as in effect on June 1, 1999.

(6) ''Place of primary use'' means the street address representative of where the customer's use of the mobile telecommunications service primarily occurs, that must be:

(A) The residential street address or the primary business street address of the customer.

(B) Within the licensed service area of the home service provider.

(7) (A) ''Reseller'' means a provider who purchases telecommunications services from another telecommunications service provider and then resells the services, or uses the services as a component part of, or integrates the purchased services into, a mobile telecommunications service.

(B) ''Reseller'' does not include a serving carrier with which a home service provider arranges for the services to its customers outside the home service provider's licensed service area.

(8) ''Serving carrier'' means a facilities-based carrier providing mobile telecommunications service to a customer outside a home service provider's or reseller's licensed area.

(9) ''Taxing jurisdiction'' means any of the several states, the District of Columbia, or any territory or possession of the United States, any municipality, city, county, township, parish, transportation district, or assessment jurisdiction, or any other political subdivision within the territorial limits of the United States with the authority to impose a tax, charge, or fee.

SEC. 4. In conformity with the federal Mobile Telecommunications Sourcing Act, this bill applies only to customer bills issued on or after August 1, 2002.

———

CHAPTER 639

An act to amend Section 4582.7 of the Public Resources Code, relating to timber harvesting plans.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 4582.7 of the Public Resources Code is amended to read:

4582.7. (a) The director shall have 30 days from the date that the initial inspection is completed, (10 of these days shall follow the date of final interagency review) or, if the director determines that the inspection need not be made, 15 days from the date of filing, as specified in Section 4604, or a longer period mutually agreed upon by the director and the person submitting the timber harvesting plan, to review the plan and take public comments. After the final review and public comment period has ended, the director shall have up to 15 working days, or a longer period mutually agreed upon by the director and the person submitting the plan, to review the public input, to consider recommendations and mitigation measures of other agencies, to respond in writing to the issues raised, and to determine if the plan is in conformance with the rules and regulations of the board and with this chapter.

(b) If the director determines that the timber harvesting plan is not in conformance with the rules and regulations of the board or with this chapter, the director shall return the plan, stating his or her reasons in writing, and advising the person submitting the plan of the person's right to a hearing before the board, and timber operations shall not commence.

(c) A person to whom a timber harvesting plan is returned may, within 10 days from the date of receipt of the plan, request of the board a public hearing before the board. The board shall schedule a public hearing to review the plan to determine if the plan is in conformance with the rules and regulations of the board and with this chapter. Timber operations shall await board approval of the plan. Board action shall occur within 30 days from the date of the filing of the appeal, or a longer period mutually agreed upon by the board and the person filing the appeal.

(d) If the timber harvesting plan is not approved on appeal to the board, the plan may be found to be in conformance by the director within 10 days from the date of the board action, provided that the plan is brought into full conformance with the rules and regulations of the board and with this chapter. If the director does not act within 25 days, or a longer period mutually agreed upon by the director and the person submitting the plan, timber operations may commence pursuant to the

plan, and all provisions of the plan shall be followed as provided in this chapter.

(e) Upon the request of a responsible agency, the director shall consult with that agency, pursuant to this chapter, but the director, or his or her designee within the department, shall have the final authority to determine whether a timber harvesting plan is in conformance with the rules and regulations of the board and with this chapter.

SEC. 1.5. Section 4582.7 of the Public Resources Code is amended to read:

4582.7. (a) The director shall have 30 days from the date that the initial inspection is completed, (10 of these days shall follow the date of final interagency review) or, if the director determines that the inspection need not be made, 15 days from the date of filing, as specified in Section 4604, or a longer period mutually agreed upon by the director and the person submitting the timber harvesting plan, to review the plan and take public comments. After the final review and public comment period has ended, the director shall have up to 15 working days, or a longer period mutually agreed upon by the director and the person submitting the plan, to review the public input, to consider recommendations and mitigation measures of other agencies, to respond in writing to the issues raised, and to determine if the plan is in conformance with the rules and regulations of the board and with this chapter.

(b) If the director determines that the timber harvesting plan is not in conformance with the rules and regulations of the board or with this chapter, the director shall return the plan, stating his or her reasons in writing, and advising the person submitting the plan of the person's right to a hearing before the board, and timber operations shall not commence.

(c) A person to whom a timber harvesting plan is returned may, within 10 days from the date of receipt of the plan, request of the board a public hearing before the board. With the concurrence of the person to whom a timber harvesting plan is returned, the board of supervisors of a county in which the proposed timber operations are located may also request of the board a public hearing before the board on behalf of the plan submitter. The board shall schedule a public hearing to review the plan to determine if the plan is in conformance with the rules and regulations of the board and with this chapter. Timber operations shall await board approval of the plan. Board action shall occur within 30 days from the date of the filing of the appeal, or a longer period mutually agreed upon by the board and the person filing the appeal.

(d) If the timber harvesting plan is not approved on appeal to the board, the plan may be found to be in conformance by the director within 10 days from the date of the board action, provided that the plan is brought into full conformance with the rules and regulations of the board and with this chapter. If the director does not act within 25 days, or a

longer period mutually agreed upon by the director and the person submitting the plan, timber operations may commence pursuant to the plan, and all provisions of the plan shall be followed as provided in this chapter.

(e) Upon the request of a responsible agency, the director shall consult with that agency, pursuant to this chapter, but the director, or his or her designee within the department, shall have the final authority to determine whether a timber harvesting plan is in conformance with the rules and regulations of the board and with this chapter.

SEC. 2. Section 1.5 of this bill incorporates amendments to Section 4582.7 of the Public Resources Code proposed by both this bill and SB 540. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2002, (2) each bill amends Section 4582.7 of the Public Resources Code, and (3) this bill is enacted after SB 540, in which case Section 1 of this bill shall not become operative.

CHAPTER 640

An act to amend Sections 1206.5 and 1241 of the Business and Professions Code, relating to clinical laboratory technology.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1206.5 of the Business and Professions Code is amended to read:

1206.5. (a) Notwithstanding subdivision (b) of Section 1206 and except as otherwise provided in Section 1241, no person shall perform a clinical laboratory test or examination classified as waived under CLIA unless the clinical laboratory test or examination is performed under the overall operation and administration of the laboratory director, as described in Section 1209, including, but not limited to, documentation by the laboratory director of the adequacy of the qualifications and competency of the personnel, and the test is performed by any of the following persons:

(1) A licensed physician and surgeon holding a M.D. or D.O. degree.

(2) A licensed podiatrist or a licensed dentist if the results of the tests can be lawfully utilized within his or her practice.

(3) A person licensed under this chapter to engage in clinical laboratory practice or to direct a clinical laboratory.

(4) A person authorized to perform tests pursuant to a certificate issued under Article 5 (commencing with Section 101150) of Chapter 2 of Part 3 of Division 101 of the Health and Safety Code.

(5) A licensed physician assistant if authorized by a supervising physician and surgeon in accordance with Section 3502 or Section 3535.

(6) A person licensed under Chapter 6 (commencing with Section 2700).

(7) A person licensed under Chapter 6.5 (commencing with Section 2840).

(8) A perfusionist if authorized by and performed in compliance with Section 2590.

(9) A respiratory care practitioner if authorized by and performed in compliance with Chapter 8.3 (commencing with Section 3700).

(10) A medical assistant, as defined in Section 2069, if the waived test is performed pursuant to a specific authorization meeting the requirements of Section 2069.

(11) A pharmacist, if ordering drug therapy-related laboratory tests in compliance with clause (ii) of subparagraph (A) of paragraph (5) of, or subparagraph (B) of paragraph (4) of, subdivision (a) of Section 4052.

(12) Other health care personnel providing direct patient care.

(b) Notwithstanding subdivision (b) of Section 1206, no person shall perform clinical laboratory tests or examinations classified as of moderate complexity under CLIA unless the clinical laboratory test or examination is performed under the overall operation and administration of the laboratory director, as described in Section 1209, including, but not limited to, documentation by the laboratory director of the adequacy of the qualifications and competency of the personnel, and the test is performed by any of the following persons:

(1) A licensed physician and surgeon holding a M.D. or D.O. degree.

(2) A licensed podiatrist or a licensed dentist if the results of the tests can be lawfully utilized within his or her practice.

(3) A person licensed under this chapter to engage in clinical laboratory practice or to direct a clinical laboratory.

(4) A person authorized to perform tests pursuant to a certificate issued under Article 5 (commencing with Section 101150) of Chapter 2 of Part 3 of Division 101 of the Health and Safety Code.

(5) A licensed physician assistant if authorized by a supervising physician and surgeon in accordance with Section 3502 or Section 3535.

(6) A person licensed under Chapter 6 (commencing with Section 2700).

(7) A perfusionist if authorized by and performed in compliance with Section 2590.

(8) A respiratory care practitioner if authorized by and performed in compliance with Chapter 8.3 (commencing with Section 3700).

(9) A person performing nuclear medicine technology if authorized by and performed in compliance with Article 6 (commencing with Section 107115) of Chapter 4 of Part 1 of Division 104 of the Health and Safety Code.

(10) Any person if performing blood gas analysis in compliance with Section 1245.

(11) (A) A person certified or licensed as an ''Emergency Medical Technician II'' or paramedic pursuant to Division 2.5 (commencing with Section 1797) of the Health and Safety Code while providing prehospital medical care, a person licensed as a psychiatric technician under Chapter 10 (commencing with Section 4500) of Division 2, as a vocational nurse pursuant to Chapter 6.5 (commencing with Section 2840) of Division 2, or as a midwife licensed pursuant to Article 24 (commencing with Section 2505) of Chapter 5 of Division 2, or certified by the department pursuant to Division 5 (commencing with Section 70001) of Title 22 of the California Code of Regulations as a nurse assistant or a home health aide, who provides direct patient care, if the person is performing the test as an adjunct to the provision of direct patient care by the person, is utilizing a point-of-care laboratory testing device at a site for which a laboratory license or registration has been issued, meets the minimum clinical laboratory education, training, and experience requirements set forth in regulations adopted by the department, and has demonstrated to the satisfaction of the laboratory director that he or she is competent in the operation of the point-of-care laboratory testing device for each analyte to be reported.

(B) Prior to being authorized by the laboratory director to perform laboratory tests or examinations, testing personnel identified in subparagraph (A) shall participate in a preceptor program until they are able to perform the clinical laboratory tests or examinations authorized in this section with results that are deemed accurate and skills that are deemed competent by the preceptor. For the purposes of this section, a ''preceptor program'' means an organized system that meets regulatory requirements in which a preceptor provides and documents personal observation and critical evaluation, including review of accuracy, reliability, and validity, of laboratory testing performed.

(12) Any other person within a physician office laboratory if the test is performed under the supervision of the patient's physician and surgeon or podiatrist who shall be accessible to the laboratory to provide onsite, telephone, or electronic consultation as needed, and shall: (A) ensure that the person is performing test methods as required for accurate and reliable tests; and (B) have personal knowledge of the results of the clinical laboratory testing or examination performed by that person before the test results are reported from the laboratory.

(13) A pharmacist, if ordering drug therapy-related laboratory tests in compliance with clause (ii) of subparagraph (A) of paragraph (5) of, or subparagraph (B) of paragraph (4) of, subdivision (a) of Section 4052.

(c) Notwithstanding subdivision (b) of Section 1206, no person shall perform clinical laboratory tests or examinations classified as of high complexity under CLIA unless the clinical laboratory test or examination is performed under the overall operation and administration of the laboratory director, as described in Section 1209, including, but not limited to, documentation by the laboratory director of the adequacy of the qualifications and competency of the personnel, and the test is performed by any of the following persons:

(1) A licensed physician and surgeon holding a M.D. or D.O. degree.

(2) A licensed podiatrist or a licensed dentist if the results of the tests can be lawfully utilized within his or her practice.

(3) A person licensed under this chapter to engage in clinical laboratory practice or to direct a clinical laboratory if the test or examination is within a specialty or subspecialty authorized by the person's licensure.

(4) A person authorized to perform tests pursuant to a certificate issued under Article 5 (commencing with Section 101150) of Chapter 2 of Part 3 of Division 101 of the Health and Safety Code if the test or examination is within a specialty or subspecialty authorized by the person's certification.

(5) A licensed physician assistant if authorized by a supervising physician and surgeon in accordance with Section 3502 or Section 3535.

(6) A perfusionist if authorized by and performed in compliance with Section 2590.

(7) A respiratory care practitioner if authorized by and performed in compliance with Chapter 8.3 (commencing with Section 3700).

(8) A person performing nuclear medicine technology if authorized by and performed in compliance with Article 6 (commencing with Section 107115) of Chapter 4 of Part 1 of Division 104 of the Health and Safety Code.

(9) Any person if performing blood gas analysis in compliance with Section 1245.

(10) Any other person within a physician office laboratory if the test is performed under the onsite supervision of the patient's physician and surgeon or podiatrist who shall: (A) ensure that the person is performing test methods as required for accurate and reliable tests; and (B) have personal knowledge of the results of clinical laboratory testing or examination performed by that person before the test results are reported from the laboratory.

(d) Clinical laboratory examinations classified as provider-performed microscopy under CLIA may be personally

performed using a brightfield or phase/contrast microscope by one of the following practitioners:

(1) A licensed physician and surgeon using the microscope during the patient's visit on a specimen obtained from his or her own patient or from a patient of a group medical practice of which the physician is a member or employee.

(2) A nurse midwife holding a certificate as specified by Section 2746.5, a licensed nurse practitioner as specified in Section 2835.5, or a licensed physician assistant acting under the supervision of a physician pursuant to Section 3502 using the microscope during the patient's visit on a specimen obtained from his or her own patient or from the patient of a clinic, group medical practice, or other health care provider of which the certified nurse midwife, licensed nurse practitioner, or licensed physician assistant is an employee.

(3) A licensed dentist using the microscope during the patient's visit on a specimen obtained from his or her own patient or from a patient of a group dental practice of which the dentist is a member or an employee.

SEC. 1.5. Section 1206.5 of the Business and Professions Code is amended to read:

1206.5. (a) Notwithstanding subdivision (b) of Section 1206 and except as otherwise provided in Section 1241, no person shall perform a clinical laboratory test or examination classified as waived under CLIA unless the clinical laboratory test or examination is performed under the overall operation and administration of the laboratory director, as described in Section 1209, including, but not limited to, documentation by the laboratory director of the adequacy of the qualifications and competency of the personnel, and the test is performed by any of the following persons:

(1) A licensed physician and surgeon holding a M.D. or D.O. degree.

(2) A licensed podiatrist or a licensed dentist if the results of the tests can be lawfully utilized within his or her practice.

(3) A person licensed under this chapter to engage in clinical laboratory practice or to direct a clinical laboratory.

(4) A person authorized to perform tests pursuant to a certificate issued under Article 5 (commencing with Section 101150) of Chapter 2 of Part 3 of Division 101 of the Health and Safety Code.

(5) A licensed physician assistant if authorized by a supervising physician and surgeon in accordance with Section 3502 or Section 3535.

(6) A person licensed under Chapter 6 (commencing with Section 2700).

(7) A person licensed under Chapter 6.5 (commencing with Section 2840).

(8) A perfusionist if authorized by and performed in compliance with Section 2590.

(9) A respiratory care practitioner if authorized by and performed in compliance with Chapter 8.3 (commencing with Section 3700).

(10) A medical assistant, as defined in Section 2069, if the waived test is performed pursuant to a specific authorization meeting the requirements of Section 2069.

(11) A pharmacist, as defined in Section 4036, if ordering drug therapy-related laboratory tests in compliance with clause (ii) of subparagraph (A) of paragraph (5) of, or subparagraph (B) of paragraph (4) of, subdivision (a) of Section 4052, or if performing skin puncture in the course of performing routine patient assessment procedures in compliance with Section 4052.1.

(12) Other health care personnel providing direct patient care.

(b) Notwithstanding subdivision (b) of Section 1206, no person shall perform clinical laboratory tests or examinations classified as of moderate complexity under CLIA unless the clinical laboratory test or examination is performed under the overall operation and administration of the laboratory director, as described in Section 1209, including, but not limited to, documentation by the laboratory director of the adequacy of the qualifications and competency of the personnel, and the test is performed by any of the following persons:

(1) A licensed physician and surgeon holding a M.D. or D.O. degree.

(2) A licensed podiatrist or a licensed dentist if the results of the tests can be lawfully utilized within his or her practice.

(3) A person licensed under this chapter to engage in clinical laboratory practice or to direct a clinical laboratory.

(4) A person authorized to perform tests pursuant to a certificate issued under Article 5 (commencing with Section 101150) of Chapter 2 of Part 3 of Division 101 of the Health and Safety Code.

(5) A licensed physician assistant if authorized by a supervising physician and surgeon in accordance with Section 3502 or Section 3535.

(6) A person licensed under Chapter 6 (commencing with Section 2700).

(7) A perfusionist if authorized by and performed in compliance with Section 2590.

(8) A respiratory care practitioner if authorized by and performed in compliance with Chapter 8.3 (commencing with Section 3700).

(9) A person performing nuclear medicine technology if authorized by and performed in compliance with Article 6 (commencing with Section 107115) of Chapter 4 of Part 1 of Division 104 of the Health and Safety Code.

(10) Any person if performing blood gas analysis in compliance with Section 1245.

(11) (A) A person certified or licensed as an ‘‘Emergency Medical Technician II’’ or paramedic pursuant to Division 2.5 (commencing with

Section 1797) of the Health and Safety Code while providing prehospital medical care, a person licensed as a psychiatric technician under Chapter 10 (commencing with Section 4500) of Division 2, as a vocational nurse pursuant to Chapter 6.5 (commencing with Section 2840) of Division 2, or as a midwife licensed pursuant to Article 24 (commencing with Section 2505) of Chapter 5 of Division 2, or certified by the department pursuant to Division 5 (commencing with Section 70001) of Title 22 of the California Code of Regulations as a nurse assistant or a home health aide, who provides direct patient care, if the person is performing the test as an adjunct to the provision of direct patient care by the person, is utilizing a point-of-care laboratory testing device at a site for which a laboratory license or registration has been issued, meets the minimum clinical laboratory education, training, and experience requirements set forth in regulations adopted by the department, and has demonstrated to the satisfaction of the laboratory director that he or she is competent in the operation of the point-of-care laboratory testing device for each analyte to be reported.

(B) Prior to being authorized by the laboratory director to perform laboratory tests or examinations, testing personnel identified in subparagraph (A) shall participate in a preceptor program until they are able to perform the clinical laboratory tests or examinations authorized in this section with results that are deemed accurate and skills that are deemed competent by the preceptor. For the purposes of this section, a ''preceptor program'' means an organized system that meets regulatory requirements in which a preceptor provides and documents personal observation and critical evaluation, including review of accuracy, reliability, and validity, of laboratory testing performed.

(12) Any other person within a physician office laboratory if the test is performed under the supervision of the patient's physician and surgeon or podiatrist who shall be accessible to the laboratory to provide onsite, telephone, or electronic consultation as needed, and shall: (A) ensure that the person is performing test methods as required for accurate and reliable tests; and (B) have personal knowledge of the results of the clinical laboratory testing or examination performed by that person before the test results are reported from the laboratory.

(13) A pharmacist, if ordering drug therapy-related laboratory tests in compliance with clause (ii) of subparagraph (A) of paragraph (5) of, or subparagraph (B) of paragraph (4) of, subdivision (a) of Section 4052.

(c) Notwithstanding subdivision (b) of Section 1206, no person shall perform clinical laboratory tests or examinations classified as of high complexity under CLIA unless the clinical laboratory test or examination is performed under the overall operation and administration of the laboratory director, as described in Section 1209, including, but not limited to, documentation by the laboratory director of the adequacy

of the qualifications and competency of the personnel, and the test is performed by any of the following persons:

(1) A licensed physician and surgeon holding a M.D. or D.O. degree.

(2) A licensed podiatrist or a licensed dentist if the results of the tests can be lawfully utilized within his or her practice.

(3) A person licensed under this chapter to engage in clinical laboratory practice or to direct a clinical laboratory if the test or examination is within a specialty or subspecialty authorized by the person's licensure.

(4) A person authorized to perform tests pursuant to a certificate issued under Article 5 (commencing with Section 101150) of Chapter 2 of Part 3 of Division 101 of the Health and Safety Code if the test or examination is within a specialty or subspecialty authorized by the person's certification.

(5) A licensed physician assistant if authorized by a supervising physician and surgeon in accordance with Section 3502 or Section 3535.

(6) A perfusionist if authorized by and performed in compliance with Section 2590.

(7) A respiratory care practitioner if authorized by and performed in compliance with Chapter 8.3 (commencing with Section 3700).

(8) A person performing nuclear medicine technology if authorized by and performed in compliance with Article 6 (commencing with Section 107115) of Chapter 4 of Part 1 of Division 104 of the Health and Safety Code.

(9) Any person if performing blood gas analysis in compliance with Section 1245.

(10) Any other person within a physician office laboratory if the test is performed under the onsite supervision of the patient's physician and surgeon or podiatrist who shall: (A) ensure that the person is performing test methods as required for accurate and reliable tests; and (B) have personal knowledge of the results of clinical laboratory testing or examination performed by that person before the test results are reported from the laboratory.

(d) Clinical laboratory examinations classified as provider-performed microscopy under CLIA may be personally performed using a brightfield or phase/contrast microscope by one of the following practitioners:

(1) A licensed physician and surgeon using the microscope during the patient's visit on a specimen obtained from his or her own patient or from a patient of a group medical practice of which the physician is a member or employee.

(2) A nurse midwife holding a certificate as specified by Section 2746.5, a licensed nurse practitioner as specified in Section 2835.5, or a licensed physician assistant acting under the supervision of a physician

pursuant to Section 3502 using the microscope during the patient's visit on a specimen obtained from his or her own patient or from the patient of a clinic, group medical practice, or other health care provider of which the certified nurse midwife, licensed nurse practitioner, or licensed physician assistant is an employee.

(3) A licensed dentist using the microscope during the patient's visit on a specimen obtained from his or her own patient or from a patient of a group dental practice of which the dentist is a member or an employee.

SEC. 2. Section 1241 of the Business and Professions Code is amended to read:

1241. (a) This chapter applies to all clinical laboratories in California or receiving biological specimens originating in California for the purpose of performing a clinical laboratory test or examination, and to all persons performing clinical laboratory tests or examinations or engaging in clinical laboratory practice in California or on biological specimens originating in California, except as provided in subdivision (b).

(b) This chapter shall not apply to any of the following clinical laboratories, or to persons performing clinical laboratory tests or examinations in any of the following clinical laboratories:

(1) Those owned and operated by the United States of America, or any department, agency, or official thereof acting in his or her official capacity to the extent that the Secretary of the federal Department of Health and Human Services has modified the application of CLIA requirements to those laboratories.

(2) Public health laboratories, as defined in Section 1206.

(3) Those that perform clinical laboratory tests or examinations for forensic purposes only.

(4) Those that perform clinical laboratory tests or examinations for research and teaching purposes only and do not report or use patient-specific results for the diagnosis, prevention, or treatment of any disease or impairment of, or for the assessment of the health of, an individual.

(5) Those that perform clinical laboratory tests or examinations certified by the National Institutes on Drug Abuse only for those certified tests or examinations. However, all other clinical laboratory tests or examinations conducted by the laboratory are subject to this chapter.

(6) Those that register with the State Department of Health Services pursuant to subdivision (c) to perform blood glucose testing for the purposes of monitoring a minor child diagnosed with diabetes if the person performing the test has been entrusted with the care and control of the child by the child's parent or legal guardian and provided that all of the following occur:

(A) The blood glucose monitoring test is performed with a blood glucose monitoring instrument that has been approved by the federal Food and Drug Administration for sale over the counter to the public without a prescription.

(B) The person has been provided written instructions by the child's health care provider or an agent of the child's health care provider in accordance with the manufacturer's instructions on the proper use of the monitoring instrument and the handling of any lancets, test strips, cotton balls, or other items used during the process of conducting a blood glucose test.

(C) The person, receiving written authorization from the minor's parent or legal guardian, complies with written instructions from the child's health care provider, or an agent of the child's health care provider, regarding the performance of the test and the operation of the blood glucose monitoring instrument, including how to determine if the results are within the normal or therapeutic range for the child, and any restriction on activities or diet that may be necessary.

(D) The person complies with specific written instructions from the child's health care provider or an agent of the child's health care provider regarding the identification of symptoms of hypoglycemia or hyperglycemia, and actions to be taken when results are not within the normal or therapeutic range for the child. The instructions shall also contain the telephone number of the child's health care provider and the telephone number of the child's parent or legal guardian.

(E) The person records the results of the blood glucose tests and provides them to the child's parent or legal guardian on a daily basis.

(F) The person complies with universal precautions when performing the testing and posts a list of the universal precautions in a prominent place within the proximity where the test is conducted.

(7) Those individuals who perform clinical laboratory tests or examinations, approved by the federal Food and Drug Administration for sale to the public without a prescription in the form of an over-the-counter test kit, on their own bodies or on their minor children or legal wards.

(8) Those certified emergency medical technicians and licensed paramedics providing basic life support services or advanced life support services as defined in Section 1797.52 of the Health and Safety Code who perform only blood glucose tests that are classified as waived clinical laboratory tests under CLIA, if the provider of those services obtains a valid certificate of waiver and complies with all other requirements for the performance of waived clinical laboratory tests under applicable federal regulations.

(c) Any place where blood glucose testing is performed pursuant to paragraph (6) of subdivision (b) shall register by notifying the State

Department of Health Services in writing no later than 30 days after testing has commenced. Registrants pursuant to this subdivision shall not be required to pay any registration or renewal fees nor shall they be subject to routine inspection by the State Department of Health Services.

SEC. 3. Section 1.5 of this bill incorporates amendments to Section 1206.5 of the Business and Professions Code proposed by both this bill and AB 586. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2002, (2) each bill amends Section 1206.5 of the Business and Professions Code, and (3) this bill is enacted after AB 586, in which case Section 1 of this bill shall not become operative.

CHAPTER 641

An act to amend Sections 109935, 109951, and 109971 of the Health and Safety Code, relating to health.

[Approved by Governor October 8, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 109935 of the Health and Safety Code is amended to read:

109935. ''Food'' means either of the following:

(a) Any article used or intended for use for food, drink, confection, condiment, or chewing gum by man or other animal.

(b) Any article used or intended for use as a component of any article designated in subdivision (a).

SEC. 2. Section 109951 of the Health and Safety Code is amended to read:

109951. ''Infant formula'' shall have the same definition as that term is used in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Sec. 321(z)). The department shall review all changes to the federal definition of ''infant formula'' before those changes are incorporated by reference pursuant to this section. Within six months after the effective date of any changes to the federal definition, the department shall complete its review of the changes, and submit a report to the Senate Health and Human Services Committee and the Assembly Health Committee that describes the changes and makes a recommendation as to whether it is appropriate to incorporate the changes by reference pursuant to this section. Any change to the federal definition shall take effect pursuant to this section one year after the effective date of the

federal change, unless a law that specifically prohibits the change from taking effect is enacted and becomes effective.

SEC. 3. Section 109971 of the Health and Safety Code is amended to read:

109971. ''Medical food'' means any product that meets the definition of medical food in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Sec. 360ee(b)(3)). The department shall review all changes to the federal definition of ''medical food'' before those changes are incorporated by reference pursuant to this section. Within six months after the effective date of any changes to the federal definition, the department shall complete its review of the changes, and submit a report to the Senate Health and Human Services Committee and the Assembly Health Committee that describes the changes and makes a recommendation as to whether it is appropriate to incorporate the changes by reference pursuant to this section. Any change to the federal definition shall take effect pursuant to this section one year after the effective date of the federal change, unless a law that specifically prohibits the change from taking effect is enacted and becomes effective.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 642

An act to amend Section 11010 of the Business and Professions Code, and to amend Section 65867.5 of, and to add Sections 66455.3 and 66473.7 to, the Government Code, relating to land use.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 11010 of the Business and Professions Code is amended to read:

11010. (a) Except as otherwise provided pursuant to subdivision (c) or elsewhere in this chapter, any person who intends to offer subdivided lands within this state for sale or lease shall file with the

Department of Real Estate an application for a public report consisting of a notice of intention and a completed questionnaire on a form prepared by the department.

(b) The notice of intention shall contain the following information about the subdivided lands and the proposed offering:

(1) The name and address of the owner.

(2) The name and address of the subdivider.

(3) The legal description and area of lands.

(4) A true statement of the condition of the title to the land, particularly including all encumbrances thereon.

(5) A true statement of the terms and conditions on which it is intended to dispose of the land, together with copies of any contracts intended to be used.

(6) A true statement of the provisions, if any, that have been made for public utilities in the proposed subdivision, including water, electricity, gas, telephone, and sewerage facilities. For subdivided lands that were subject to the imposition of a condition pursuant to subdivision (b) of Section 66473.7 of the Government Code, the true statement of the provisions made for water shall be satisfied by submitting a copy of the written verification of the available water supply obtained pursuant to Section 66473.7 of the Government Code.

(7) A true statement of the use or uses for which the proposed subdivision will be offered.

(8) A true statement of the provisions, if any, limiting the use or occupancy of the parcels in the subdivision.

(9) A true statement of the amount of indebtedness that is a lien upon the subdivision or any part thereof, and that was incurred to pay for the construction of any onsite or offsite improvement, or any community or recreational facility.

(10) A true statement or reasonable estimate, if applicable, of the amount of any indebtedness which has been or is proposed to be incurred by an existing or proposed special district, entity, taxing area, assessment district, or community facilities district within the boundaries of which, the subdivision, or any part thereof, is located, and that is to pay for the construction or installation of any improvement or to furnish community or recreational facilities to that subdivision, and which amounts are to be obtained by ad valorem tax or assessment, or by a special assessment or tax upon the subdivision, or any part thereof.

(11) (A) As to each school district serving the subdivision, a statement from the appropriate district that indicates the location of each high school, junior high school, and elementary school serving the subdivision, or documentation that a statement to that effect has been requested from the appropriate school district.

(B) In the event that, as of the date the notice of intention and application for issuance of a public report are otherwise deemed to be qualitatively and substantially complete pursuant to Section 11010.2, the statement described in subparagraph (A) has not been provided by any school district serving the subdivision, the person who filed the notice of intention and application for issuance of a public report immediately shall provide the department with the name, address, and telephone number of that district.

(12) The location of all existing airports, and of all proposed airports shown on the general plan of any city or county, located within two statute miles of the subdivision.

(13) A true statement, if applicable, referencing any soils or geologic report or soils and geologic reports that have been prepared specifically for the subdivision.

(14) A true statement of whether or not fill is used, or is proposed to be used in the subdivision and a statement giving the name and the location of the public agency where information concerning soil conditions in the subdivision is available.

(15) Any other information that the owner, his or her agent, or the subdivider may desire to present.

(c) The commissioner may, by regulation, or on the basis of the particular circumstances of a proposed offering, waive the requirement of the submission of a completed questionnaire if the commissioner determines that prospective purchasers or lessees of the subdivision interests to be offered will be adequately protected through the issuance of a public report based solely upon information contained in the notice of intention.

SEC. 2. Section 65867.5 of the Government Code is amended to read:

65867.5. (a) A development agreement is a legislative act that shall be approved by ordinance and is subject to referendum.

(b) A development agreement shall not be approved unless the legislative body finds that the provisions of the agreement are consistent with the general plan and any applicable specific plan.

(c) A development agreement that includes a subdivision, as defined in Section 66473.7, shall not be approved unless the agreement provides that any tentative map prepared for the subdivision will comply with the provisions of Section 66473.7.

SEC. 3. Section 66455.3 is added to the Government Code, to read:

66455.3. Not later than five days after a city or county has determined that a tentative map application for a proposed subdivision, as defined in Section 66473.7, is complete pursuant to Section 65943, the local agency shall send a copy of the application to any water supplier

that is, or may become, a public water system, as defined in Section 10912 of the Water Code, that may supply water for the subdivision.

SEC. 4. Section 66473.7 is added to the Government Code, to read:

66473.7. (a) For the purposes of this section, the following definitions apply:

(1) ''Subdivision'' means a proposed residential development of more than 500 dwelling units, except that for a public water system that has fewer than 5,000 service connections, ''subdivision'' means any proposed residential development that would account for an increase of 10 percent or more in the number of the public water system's existing service connections.

(2) ''Sufficient water supply'' means the total water supplies available during normal, single-dry, and multiple-dry years within a 20-year projection that will meet the projected demand associated with the proposed subdivision, in addition to existing and planned future uses, including, but not limited to, agricultural and industrial uses. In determining ''sufficient water supply,'' all of the following factors shall be considered:

(A) The availability of water supplies over a historical record of at least 20 years.

(B) The applicability of an urban water shortage contingency analysis prepared pursuant to Section 10632 of the Water Code that includes actions to be undertaken by the public water system in response to water supply shortages.

(C) The reduction in water supply allocated to a specific water use sector pursuant to a resolution or ordinance adopted, or a contract entered into, by the public water system, as long as that resolution, ordinance, or contract does not conflict with Section 354 of the Water Code.

(D) The amount of water that the water supplier can reasonably rely on receiving from other water supply projects, such as conjunctive use, reclaimed water, water conservation, and water transfer, including programs identified under federal, state, and local water initiatives such as CALFED and Colorado River tentative agreements, to the extent that these water supplies meet the criteria of subdivision (d).

(3) ''Public water system'' means the water supplier that is, or may become as a result of servicing the subdivision included in a tentative map pursuant to subdivision (b), a public water system, as defined in Section 10912 of the Water Code, that may supply water for a subdivision.

(b) (1) The legislative body of a city or county or the advisory agency, to the extent that it is authorized by local ordinance to approve, conditionally approve, or disapprove the tentative map, shall include as a condition in any tentative map that includes a subdivision a

requirement that a sufficient water supply shall be available. Proof of the availability of a sufficient water supply shall be requested by the subdivision applicant or local agency, at the discretion of the local agency, and shall be based on written verification from the applicable public water system within 90 days of a request.

(2) If the public water system fails to deliver the written verification as required by this section, the local agency or any other interested party may seek a writ of mandamus to compel the public water system to comply.

(3) If the written verification provided by the applicable public water system indicates that the public water system is unable to provide a sufficient water supply that will meet the projected demand associated with the proposed subdivision, then the local agency may make a finding, after consideration of the written verification by the applicable public water system, that additional water supplies not accounted for by the public water system are, or will be, available prior to completion of the subdivision that will satisfy the requirements of this section. This finding shall be made on the record and supported by substantial evidence.

(4) If the written verification is not provided by the public water system, notwithstanding the local agency or other interested party securing a writ of mandamus to compel compliance with this section, then the local agency may make a finding that sufficient water supplies are, or will be, available prior to completion of the subdivision that will satisfy the requirements of this section. This finding shall be made on the record and supported by substantial evidence.

(c) The applicable public water system's written verification of its ability or inability to provide a sufficient water supply that will meet the projected demand associated with the proposed subdivision as required by subdivision (b) shall be supported by substantial evidence. The substantial evidence may include, but is not limited to, any of the following:

(1) The public water system's most recently adopted urban water management plan adopted pursuant to Part 2.6 (commencing with Section 10610) of Division 6 of the Water Code.

(2) A water supply assessment that was completed pursuant to Part 2.10 (commencing with Section 10910) of Division 6 of the Water Code.

(3) Other information relating to the sufficiency of the water supply that contains analytical information that is substantially similar to the assessment required by Section 10635 of the Water Code.

(d) When the written verification pursuant to subdivision (b) relies on projected water supplies that are not currently available to the public water system, to provide a sufficient water supply to the subdivision, the

written verification as to those projected water supplies shall be based on all of the following elements, to the extent each is applicable:

(1) Written contracts or other proof of valid rights to the identified water supply that identify the terms and conditions under which the water will be available to serve the proposed subdivision.

(2) Copies of a capital outlay program for financing the delivery of a sufficient water supply that has been adopted by the applicable governing body.

(3) Securing of applicable federal, state, and local permits for construction of necessary infrastructure associated with supplying a sufficient water supply.

(4) Any necessary regulatory approvals that are required in order to be able to convey or deliver a sufficient water supply to the subdivision.

(e) If there is no public water system, the local agency shall make a written finding of sufficient water supply based on the evidentiary requirements of subdivisions (c) and (d) and identify the mechanism for providing water to the subdivision.

(f) In making any findings or determinations under this section, a local agency, or designated advisory agency, may work in conjunction with the project applicant and the public water system to secure water supplies sufficient to satisfy the demands of the proposed subdivision. If the local agency secures water supplies pursuant to this subdivision, which supplies are acceptable to and approved by the governing body of the public water system as suitable for delivery to customers, it shall work in conjunction with the public water system to implement a plan to deliver that water supply to satisfy the long-term demands of the proposed subdivision.

(g) The written verification prepared under this section shall also include a description, to the extent that data is reasonably available based on published records maintained by federal and state agencies, and public records of local agencies, of the reasonably foreseeable impacts of the proposed subdivision on the availability of water resources for agricultural and industrial uses within the public water system's service area that are not currently receiving water from the public water system but are utilizing the same sources of water. To the extent that those reasonably foreseeable impacts have previously been evaluated in a document prepared pursuant to the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code) or the National Environmental Policy Act (Public Law 91-190) for the proposed subdivision, the public water system may utilize that information in preparing the written verification.

(h) Where a water supply for a proposed subdivision includes groundwater, the public water system serving the proposed subdivision shall evaluate, based on substantial evidence, the extent to which it or

the landowner has the right to extract the additional groundwater needed to supply the proposed subdivision. Nothing in this subdivision is intended to modify state law with regard to groundwater rights.

(i) This section shall not apply to any residential project proposed for a site that is within an urbanized area and has been previously developed for urban uses, or where the immediate contiguous properties surrounding the residential project site are, or previously have been, developed for urban uses, or housing projects that are exclusively for very low and low-income households.

(j) The determinations made pursuant to this section shall be consistent with the obligation of a public water system to grant a priority for the provision of available and future water resources or services to proposed housing developments that help meet the city's or county's share of the regional housing needs for lower income households, pursuant to Section 65589.7.

(k) The County of San Diego shall be deemed to comply with this section if the Office of Planning and Research determines that all of the following conditions have been met:

(1) A regional growth management strategy that provides for a comprehensive regional strategy and a coordinated economic development and growth management program has been developed pursuant to Proposition C as approved by the voters of the County of San Diego in November 1988, which required the development of a regional growth management plan and directed the establishment of a regional planning and growth management review board.

(2) Each public water system, as defined in Section 10912 of the Water Code, within the County of San Diego has adopted an urban water management plan pursuant to Part 2.6 (commencing with Section 10610) of the Water Code.

(3) The approval or conditional approval of tentative maps for subdivisions, as defined in this section, by the County of San Diego and the cities within the county requires written communications to be made by the public water system to the city or county, in a format and with content that is substantially similar to the requirements contained in this section, with regard to the availability of a sufficient water supply, or the reliance on projected water supplies to provide a sufficient water supply, for a proposed subdivision.

(*l*) Nothing in this section shall preclude the legislative body of a city or county, or the designated advisory agency, at the request of the applicant, from making the determinations required in this section earlier than required pursuant to subdivision (a).

(m) Nothing in this section shall be construed to create a right or entitlement to water service or any specific level of water service.

(n) Nothing in this section is intended to change existing law concerning a public water system's obligation to provide water service to its existing customers or to any potential future customers.

(o) Any action challenging the sufficiency of the public water system's written verification of a sufficient water supply shall be governed by Section 66499.37.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act, within the meaning of Section 17556 of the Government Code.

CHAPTER 643

An act to amend Section 21151.9 of the Public Resources Code, and to amend Sections 10631, 10656, 10910, 10911, 10912, and 10915 of, to repeal Section 10913 of, and to add and repeal Section 10657 of, the Water Code, relating to water.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares all of the following:

(1) The length and severity of droughts in California cannot be predicted with any accuracy.

(2) There are various factors that affect the ability to ensure that adequate water supplies are available to meet all of California's water demands, now and in the future.

(3) Because of these factors, it is not possible to guarantee a permanent water supply for all water users in California in the amounts requested.

(4) Therefore, it is critical that California's water agencies carefully assess the reliability of their water supply and delivery systems.

(5) Furthermore, California's overall water delivery system has become less reliable over the last 20 years because demand for water has continued to grow while new supplies have not been developed in amounts sufficient to meet the increased demand.

(6) There are a variety of measures for developing new water supplies including water reclamation, water conservation, conjunctive use, water

transfers, seawater desalination, and surface water and groundwater storage.

(7) With increasing frequency, California's water agencies are required to impose water rationing on their residential and business customers during this state's frequent and severe periods of drought.

(8) The identification and development of water supplies needed during multiple-year droughts is vital to California's business climate, as well as to the health of the agricultural industry, environment, rural communities, and residents who continue to face the possibility of severe water cutbacks during water shortage periods.

(9) A recent study indicates that the water supply and land use planning linkage, established by Part 2.10 (commencing with Section 10910) of Division 6 of the Water Code, has not been implemented in a manner that ensures the appropriate level of communication between water agencies and planning agencies, and this act is intended to remedy that deficiency in communication.

(b) It is the intent of the Legislature to strengthen the process pursuant to which local agencies determine the adequacy of existing and planned future water supplies to meet existing and planned future demands on those water supplies.

SEC. 2. Section 21151.9 of the Public Resources Code is amended to read:

21151.9. Whenever a city or county determines that a project, as defined in Section 10912 of the Water Code, is subject to this division, it shall comply with Part 2.10 (commencing with Section 10910) of Division 6 of the Water Code.

SEC. 3. Section 10631 of the Water Code is amended to read:

10631. A plan shall be adopted in accordance with this chapter and shall do all of the following:

(a) Describe the service area of the supplier, including current and projected population, climate, and other demographic factors affecting the supplier's water management planning. The projected population estimates shall be based upon data from the state, regional, or local service agency population projections within the service area of the urban water supplier and shall be in five-year increments to 20 years or as far as data is available.

(b) Identify and quantify, to the extent practicable, the existing and planned sources of water available to the supplier over the same five-year increments as described in subdivision (a). If groundwater is identified as an existing or planned source of water available to the supplier, all of the following information shall be included in the plan:

(1) A copy of any groundwater management plan adopted by the urban water supplier, including plans adopted pursuant to Part 2.75

(commencing with Section 10750), or any other specific authorization for groundwater management.

(2) A description of any groundwater basin or basins from which the urban water supplier pumps groundwater. For those basins for which a court or the board has adjudicated the rights to pump groundwater, a copy of the order or decree adopted by the court or the board and a description of the amount of groundwater the urban water supplier has the legal right to pump under the order or decree. For basins that have not been adjudicated, information as to whether the department has identified the basin or basins as overdrafted or has projected that the basin will become overdrafted if present management conditions continue, in the most current official departmental bulletin that characterizes the condition of the groundwater basin, and a detailed description of the efforts being undertaken by the urban water supplier to eliminate the long-term overdraft condition.

(3) A detailed description and analysis of the amount and location of groundwater pumped by the urban water supplier for the past five years. The description and analysis shall be based on information that is reasonably available, including, but not limited to, historic use records.

(4) A detailed description and analysis of the location, amount, and sufficiency of groundwater that is projected to be pumped by the urban water supplier. The description and analysis shall be based on information that is reasonably available, including, but not limited to, historic use records.

(c) Describe the reliability of the water supply and vulnerability to seasonal or climatic shortage, to the extent practicable, and provide data for each of the following:

(1) An average water year.

(2) A single dry water year.

(3) Multiple dry water years.

For any water source that may not be available at a consistent level of use, given specific legal, environmental, water quality, or climatic factors, describe plans to replace that source with alternative sources or water demand management measures, to the extent practicable.

(d) Describe the opportunities for exchanges or transfers of water on a short-term or long-term basis.

(e) (1) Quantify, to the extent records are available, past and current water use, over the same five-year increments described in subdivision (a), and projected water use, identifying the uses among water use sectors, including, but not necessarily limited to, all of the following uses:

(A) Single-family residential.

(B) Multifamily.

(C) Commercial.

(D) Industrial.

(E) Institutional and governmental.

(F) Landscape.

(G) Sales to other agencies.

(H) Saline water intrusion barriers, groundwater recharge, or conjunctive use, or any combination thereof.

(I) Agricultural.

(2) The water use projections shall be in the same five-year increments as described in subdivision (a).

(f) Provide a description of the supplier's water demand management measures. This description shall include all of the following:

(1) A description of each water demand management measure that is currently being implemented, or scheduled for implementation, including the steps necessary to implement any proposed measures, including, but not limited to, all of the following:

(A) Water survey programs for single-family residential and multifamily residential customers.

(B) Residential plumbing retrofit.

(C) System water audits, leak detection, and repair.

(D) Metering with commodity rates for all new connections and retrofit of existing connections.

(E) Large landscape conservation programs and incentives.

(F) High-efficiency washing machine rebate programs.

(G) Public information programs.

(H) School education programs.

(I) Conservation programs for commercial, industrial, and institutional accounts.

(J) Wholesale agency programs.

(K) Conservation pricing.

(L) Water conservation coordinator.

(M) Water waste prohibition.

(N) Residential ultra-low-flush toilet replacement programs.

(2) A schedule of implementation for all water demand management measures proposed or described in the plan.

(3) A description of the methods, if any, that the supplier will use to evaluate the effectiveness of water demand management measures implemented or described under the plan.

(4) An estimate, if available, of existing conservation savings on water use within the supplier's service area, and the effect of such savings on the supplier's ability to further reduce demand.

(g) An evaluation of each water demand management measure listed in paragraph (1) of subdivision (f) that is not currently being implemented or scheduled for implementation. In the course of the evaluation, first consideration shall be given to water demand

management measures, or combination of measures, that offer lower incremental costs than expanded or additional water supplies. This evaluation shall do all of the following:

(1) Take into account economic and noneconomic factors, including environmental, social, health, customer impact, and technological factors.

(2) Include a cost-benefit analysis, identifying total benefits and total costs.

(3) Include a description of funding available to implement any planned water supply project that would provide water at a higher unit cost.

(4) Include a description of the water supplier's legal authority to implement the measure and efforts to work with other relevant agencies to ensure the implementation of the measure and to share the cost of implementation.

(h) Include a description of all water supply projects and water supply programs that may be undertaken by the urban water supplier to meet the total projected water use as established pursuant to subdivision (a) of Section 10635. The urban water supplier shall include a detailed description of expected future projects and programs, other than the demand management programs identified pursuant to paragraph (1) of subdivision (f), that the urban water supplier may implement to increase the amount of the water supply available to the urban water supplier in average, single dry, and multiple dry water years. The description shall identify specific projects and include a description of the increase in water supply that is expected to be available from each project. The description shall include an estimate with regard to the implementation timeline for each project or program.

(i) Urban water suppliers that are members of the California Urban Water Conservation Council and submit annual reports to that council in accordance with the ''Memorandum of Understanding Regarding Urban Water Conservation in California,'' dated September 1991, may submit the annual reports identifying water demand management measures currently being implemented, or scheduled for implementation, to satisfy the requirements of subdivisions (f) and (g).

SEC. 3.5. Section 10631 of the Water Code is amended to read:

10631. A plan shall be adopted in accordance with this chapter and shall do all of the following:

(a) Describe the service area of the supplier, including current and projected population, climate, and other demographic factors affecting the supplier's water management planning. The projected population estimates shall be based upon data from the state, regional, or local service agency population projections within the service area of the

urban water supplier and shall be in five-year increments to 20 years or as far as data is available.

(b) Identify and quantify, to the extent practicable, the existing and planned sources of water available to the supplier over the same five-year increments as described in subdivision (a). If groundwater is identified as an existing or planned source of water available to the supplier, all of the following information shall be included in the plan:

(1) A copy of any groundwater management plan adopted by the urban water supplier, including plans adopted pursuant to Part 2.75 (commencing with Section 10750), or any other specific authorization for groundwater management.

(2) A description of any groundwater basin or basins from which the urban water supplier pumps groundwater. For those basins for which a court or the board has adjudicated the rights to pump groundwater, a copy of the order or decree adopted by the court or the board and a description of the amount of groundwater the urban water supplier has the legal right to pump under the order or decree. For basins that have not been adjudicated, information as to whether the department has identified the basin or basins as overdrafted or has projected that the basin will become overdrafted if present management conditions continue, in the most current official departmental bulletin that characterizes the condition of the groundwater basin, and a detailed description of the efforts being undertaken by the urban water supplier to eliminate the long-term overdraft condition.

(3) A detailed description and analysis of the location, amount, and sufficiency of groundwater pumped by the urban water supplier for the past five years. The description and analysis shall be based on information that is reasonably available, including, but not limited to, historic use records.

(4) A detailed description and analysis of the amount and location of groundwater that is projected to be pumped by the urban water supplier. The description and analysis shall be based on information that is reasonably available, including, but not limited to, historic use records.

(c) Describe the reliability of the water supply and vulnerability to seasonal or climatic shortage, to the extent practicable, and provide data for each of the following:

(1) An average water year.

(2) A single dry water year.

(3) Multiple dry water years.

For any water source that may not be available at a consistent level of use, given specific legal, environmental, water quality, or climatic factors, describe plans to supplement or replace that source with alternative sources or water demand management measures, to the extent practicable.

(d) Describe the opportunities for exchanges or transfers of water on a short-term or long-term basis.

(e) (1) Quantify, to the extent records are available, past and current water use, over the same five-year increments described in subdivision (a), and projected water use, identifying the uses among water use sectors, including, but not necessarily limited to, all of the following uses:

(A) Single-family residential.

(B) Multifamily.

(C) Commercial.

(D) Industrial.

(E) Institutional and governmental.

(F) Landscape.

(G) Sales to other agencies.

(H) Saline water intrusion barriers, groundwater recharge, or conjunctive use, or any combination thereof.

(I) Agricultural.

(2) The water use projections shall be in the same five-year increments as described in subdivision (a).

(f) Provide a description of the supplier's water demand management measures. This description shall include all of the following:

(1) A description of each water demand management measure that is currently being implemented, or scheduled for implementation, including the steps necessary to implement any proposed measures, including, but not limited to, all of the following:

(A) Water survey programs for single-family residential and multifamily residential customers.

(B) Residential plumbing retrofit.

(C) System water audits, leak detection, and repair.

(D) Metering with commodity rates for all new connections and retrofit of existing connections.

(E) Large landscape conservation programs and incentives.

(F) High-efficiency washing machine rebate programs.

(G) Public information programs.

(H) School education programs.

(I) Conservation programs for commercial, industrial, and institutional accounts.

(J) Wholesale agency programs.

(K) Conservation pricing.

(L) Water conservation coordinator.

(M) Water waste prohibition.

(N) Residential ultra-low-flush toilet replacement programs.

(2) A schedule of implementation for all water demand management measures proposed or described in the plan.

(3) A description of the methods, if any, that the supplier will use to evaluate the effectiveness of water demand management measures implemented or described under the plan.

(4) An estimate, if available, of existing conservation savings on water use within the supplier's service area, and the effect of the savings on the supplier's ability to further reduce demand.

(g) An evaluation of each water demand management measure listed in paragraph (1) of subdivision (f) that is not currently being implemented or scheduled for implementation. In the course of the evaluation, first consideration shall be given to water demand management measures, or combination of measures, that offer lower incremental costs than expanded or additional water supplies. This evaluation shall do all of the following:

(1) Take into account economic and noneconomic factors, including environmental, social, health, customer impact, and technological factors.

(2) Include a cost-benefit analysis, identifying total benefits and total costs.

(3) Include a description of funding available to implement any planned water supply project that would provide water at a higher unit cost.

(4) Include a description of the water supplier's legal authority to implement the measure and efforts to work with other relevant agencies to ensure the implementation of the measure and to share the cost of implementation.

(h) Include a description of all water supply projects and water supply programs that may be undertaken by the urban water supplier to meet the total projected water use as established pursuant to subdivision (a) of Section 10635. The urban water supplier shall include a detailed description of expected future projects and programs, other than the demand management programs identified pursuant to paragraph (1) of subdivision (f), that the urban water supplier may implement to increase the amount of the water supply available to the urban water supplier in average, single dry, and multiple dry water years. The description shall identify specific projects and include a description of the increase in water supply that is expected to be available from each project. The description shall include an estimate with regard to the implementation timeline for each project or program.

(i) Urban water suppliers that are members of the California Urban Water Conservation Council and submit annual reports to that council in accordance with the ''Memorandum of Understanding Regarding Urban Water Conservation in California,'' dated September 1991, may submit the annual reports identifying water demand management

measures currently being implemented, or scheduled for implementation, to satisfy the requirements of subdivisions (f) and (g).

SEC. 4. Section 10656 of the Water Code is amended to read:

10656. An urban water supplier that does not prepare, adopt, and submit its urban water management plan to the department in accordance with this part, is ineligible to receive funding pursuant to Division 24 (commencing with Section 78500) or Division 26 (commencing with Section 79000), or receive drought assistance from the state until the urban water management plan is submitted pursuant to this article.

SEC. 4.3. Section 10657 is added to the Water Code, to read:

10657. (a) The department shall take into consideration whether the urban water supplier has submitted an updated urban water management plan that is consistent with Section 10631, as amended by the act that adds this section, in determining whether the urban water supplier is eligible for funds made available pursuant to any program administered by the department.

(b) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 4.5. Section 10910 of the Water Code is amended to read:

10910. (a) Any city or county that determines that a project, as defined in Section 10912, is subject to the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code) under Section 21080 of the Public Resources Code shall comply with this part.

(b) The city or county, at the time that it determines whether an environmental impact report, a negative declaration, or a mitigated negative declaration is required for any project subject to the California Environmental Quality Act pursuant to Section 21080.1 of the Public Resources Code, shall identify any water system that is, or may become as a result of supplying water to the project identified pursuant to this subdivision, a public water system, as defined in Section 10912, that may supply water for the project. If the city or county is not able to identify any public water system that may supply water for the project, the city or county shall prepare the water assessment required by this part after consulting with any entity serving domestic water supplies whose service area includes the project site, the local agency formation commission, and any public water system adjacent to the project site.

(c) (1) The city or county, at the time it makes the determination required under Section 21080.1 of the Public Resources Code, shall request each public water system identified pursuant to subdivision (b) to determine whether the projected water demand associated with a proposed project was included as part of the most recently adopted urban

water management plan adopted pursuant to Part 2.6 (commencing with Section 10610).

(2) If the projected water demand associated with the proposed project was accounted for in the most recently adopted urban water management plan, the public water system may incorporate the requested information from the urban water management plan in preparing the elements of the assessment required to comply with subdivisions (d), (e), (f), and (g).

(3) If the projected water demand associated with the proposed project was not accounted for in the most recently adopted urban water management plan, or the public water system has no urban water management plan, the water supply assessment for the project shall include a discussion with regard to whether the public water system's total projected water supplies available during normal, single dry, and multiple dry water years during a 20-year projection will meet the projected water demand associated with the proposed project, in addition to the public water system's existing and planned future uses, including agricultural and manufacturing uses.

(4) If the city or county is required to comply with this part pursuant to subdivision (b), the water supply assessment for the project shall include a discussion with regard to whether the total projected water supplies, determined to be available by the city or county for the project during normal, single dry, and multiple dry water years during a 20-year projection, will meet the projected water demand associated with the proposed project, in addition to existing and planned future uses, including agricultural and manufacturing uses.

(d) (1) The assessment required by this section shall include an identification of any existing water supply entitlements, water rights, or water service contracts relevant to the identified water supply for the proposed project, and a description of the quantities of water received in prior years by the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), under the existing water supply entitlements, water rights, or water service contracts.

(2) An identification of existing water supply entitlements, water rights, or water service contracts held by the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), shall be demonstrated by providing information related to all of the following:

(A) Written contracts or other proof of entitlement to an identified water supply.

(B) Copies of a capital outlay program for financing the delivery of a water supply that has been adopted by the public water system.

(C) Federal, state, and local permits for construction of necessary infrastructure associated with delivering the water supply.

(D) Any necessary regulatory approvals that are required in order to be able to convey or deliver the water supply.

(e) If no water has been received in prior years by the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), under the existing water supply entitlements, water rights, or water service contracts, the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), shall also include in its water supply assessment pursuant to subdivision (c), an identification of the other public water systems or water service contractholders that receive a water supply or have existing water supply entitlements, water rights, or water service contracts, to the same source of water as the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), has identified as a source of water supply within its water supply assessments.

(f) If a water supply for a proposed project includes groundwater, the following additional information shall be included in the water supply assessment:

(1) A review of any information contained in the urban water management plan relevant to the identified water supply for the proposed project.

(2) A description of any groundwater basin or basins from which the proposed project will be supplied. For those basins for which a court or the board has adjudicated the rights to pump groundwater, a copy of the order or decree adopted by the court or the board and a description of the amount of groundwater the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), has the legal right to pump under the order or decree. For basins that have not been adjudicated, information as to whether the department has identified the basin or basins as overdrafted or has projected that the basin will become overdrafted if present management conditions continue, in the most current bulletin of the department that characterizes the condition of the groundwater basin, and a detailed description by the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), of the efforts being undertaken in the basin or basins to eliminate the long-term overdraft condition.

(3) A detailed description and analysis of the amount and location of groundwater pumped by the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), for the past five years from any groundwater basin from which the proposed project will be supplied. The description and analysis shall be

based on information that is reasonably available, including, but not limited to, historic use records.

(4) A detailed description and analysis of the amount and location of groundwater that is projected to be pumped by the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), from any basin from which the proposed project will be supplied. The description and analysis shall be based on information that is reasonably available, including, but not limited to, historic use records.

(5) An analysis of the sufficiency of the groundwater from the basin or basins from which the proposed project will be supplied to meet the projected water demand associated with the proposed project. A water supply assessment shall not be required to include the information required by this paragraph if the public water system determines, as part of the review required by paragraph (1), that the sufficiency of groundwater necessary to meet the initial and projected water demand associated with the project was addressed in the description and analysis required by paragraph (4) of subdivision (b) of Section 10631.

(g) (1) Subject to paragraph (2), the governing body of each public water system shall submit the assessment to the city or county not later than 90 days from the date on which the request was received. The governing body of each public water system, or the city or county if either is required to comply with this act pursuant to subdivision (b), shall approve the assessment prepared pursuant to this section at a regular or special meeting.

(2) Prior to the expiration of the 90-day period, if the public water system intends to request an extension of time to prepare and adopt the assessment, the public water system shall meet with the city or county to request an extension of time, which shall not exceed 30 days, to prepare and adopt the assessment.

(3) If the public water system fails to request an extension of time, or fails to submit the assessment notwithstanding the extension of time granted pursuant to paragraph (2), the city or county may seek a writ of mandamus to compel the governing body of the public water system to comply with the requirements of this part relating to the submission of the water supply assessment.

(h) Notwithstanding any other provision of this part, if a project has been the subject of a water supply assessment that complies with the requirements of this part, no additional water supply assessment shall be required for subsequent projects that were part of a larger project for which a water supply assessment was completed and that has complied with the requirements of this part and for which the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), has concluded that its water supplies are sufficient to

meet the projected water demand associated with the proposed project, in addition to the existing and planned future uses, including, but not limited to, agricultural and industrial uses, unless one or more of the following changes occurs:

(1) Changes in the project that result in a substantial increase in water demand for the project.

(2) Changes in the circumstances or conditions substantially affecting the ability of the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), to provide a sufficient supply of water for the project.

(3) Significant new information becomes available which was not known and could not have been known at the time when the assessment was prepared.

SEC. 5. Section 10911 of the Water Code is amended to read:

10911. (a) If, as a result of its assessment, the public water system concludes that its water supplies are, or will be, insufficient, the public water system shall provide to the city or county its plans for acquiring additional water supplies, setting forth the measures that are being undertaken to acquire and develop those water supplies. If the city or county, if either is required to comply with this part pursuant to subdivision (b), concludes as a result of its assessment, that water supplies are, or will be, insufficient, the city or county shall include in its water supply assessment its plans for acquiring additional water supplies, setting forth the measures that are being undertaken to acquire and develop those water supplies. Those plans may include, but are not limited to, information concerning all of the following:

(1) The estimated total costs, and the proposed method of financing the costs, associated with acquiring the additional water supplies.

(2) All federal, state, and local permits, approvals, or entitlements that are anticipated to be required in order to acquire and develop the additional water supplies.

(3) Based on the considerations set forth in paragraphs (1) and (2), the estimated timeframes within which the public water system, or the city or county if either is required to comply with this part pursuant to subdivision (b), expects to be able to acquire additional water supplies.

(b) The city or county shall include the water supply assessment provided pursuant to Section 10910, and any information provided pursuant to subdivision (a), in any environmental document prepared for the project pursuant to Division 13 (commencing with Section 21000) of the Public Resources Code.

(c) The city or county may include in any environmental document an evaluation of any information included in that environmental document provided pursuant to subdivision (b). The city or county shall determine, based on the entire record, whether projected water supplies

will be sufficient to satisfy the demands of the project, in addition to existing and planned future uses. If the city or county determines that water supplies will not be sufficient, the city or county shall include that determination in its findings for the project.

SEC. 6. Section 10912 of the Water Code is amended to read:

10912. For the purposes of this part, the following terms have the following meanings:

(a) ''Project'' means any of the following:

(1) A proposed residential development of more than 500 dwelling units.

(2) A proposed shopping center or business establishment employing more than 1,000 persons or having more than 500,000 square feet of floor space.

(3) A proposed commercial office building employing more than 1,000 persons or having more than 250,000 square feet of floor space.

(4) A proposed hotel or motel, or both, having more than 500 rooms.

(5) A proposed industrial, manufacturing, or processing plant, or industrial park planned to house more than 1,000 persons, occupying more than 40 acres of land, or having more than 650,000 square feet of floor area.

(6) A mixed-use project that includes one or more of the projects specified in this subdivision.

(7) A project that would demand an amount of water equivalent to, or greater than, the amount of water required by a 500 dwelling unit project.

(b) If a public water system has fewer than 5,000 service connections, then ''project'' means any proposed residential, business, commercial, hotel or motel, or industrial development that would account for an increase of 10 percent or more in the number of the public water system's existing service connections, or a mixed-use project that would demand an amount of water equivalent to, or greater than, the amount of water required by residential development that would represent an increase of 10 percent or more in the number of the public water system's existing service connections.

(c) ''Public water system'' means a system for the provision of piped water to the public for human consumption that has 3000 or more service connections. A public water system includes all of the following:

(1) Any collection, treatment, storage, and distribution facility under control of the operator of the system which is used primarily in connection with the system.

(2) Any collection or pretreatment storage facility not under the control of the operator that is used primarily in connection with the system.

(3) Any person who treats water on behalf of one or more public water systems for the purpose of rendering it safe for human consumption.

SEC. 7. Section 10913 of the Water Code is repealed.

SEC. 8. Section 10915 of the Water Code is amended to read:

10915. The County of San Diego is deemed to comply with this part if the Office of Planning and Research determines that all of the following conditions have been met:

(a) Proposition C, as approved by the voters of the County of San Diego in November 1988, requires the development of a regional growth management plan and directs the establishment of a regional planning and growth management review board.

(b) The County of San Diego and the cities in the county, by agreement, designate the San Diego Association of Governments as that review board.

(c) A regional growth management strategy that provides for a comprehensive regional strategy and a coordinated economic development and growth management program has been developed pursuant to Proposition C.

(d) The regional growth management strategy includes a water element to coordinate planning for water that is consistent with the requirements of this part.

(e) The San Diego County Water Authority, by agreement with the San Diego Association of Governments in its capacity as the review board, uses the association's most recent regional growth forecasts for planning purposes and to implement the water element of the strategy.

(f) The procedures established by the review board for the development and approval of the regional growth management strategy, including the water element and any certification process established to ensure that a project is consistent with that element, comply with the requirements of this part.

(g) The environmental documents for a project located in the County of San Diego include information that accomplishes the same purposes as a water supply assessment that is prepared pursuant to Section 10910.

SEC. 9. Section 3.5 of this bill incorporates amendments to Section 10631 of the Water Code proposed by both this bill and AB 901. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2002, (2) each bill amends Section 10631 of the Water Code, and (3) this bill is enacted after AB 901, in which case Section 3 of this bill shall not become operative.

SEC. 10. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service

mandated by this act, within the meaning of Section 17556 of the Government Code.

CHAPTER 644

An act to amend Sections 10610.2 and 10631 of, and to add Section 10634 to, the Water Code, relating to water.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 10610.2 of the Water Code is amended to read:

10610.2. The Legislature finds and declares all of the following:

(a) The waters of the state are a limited and renewable resource subject to ever-increasing demands.

(b) The conservation and efficient use of urban water supplies are of statewide concern; however, the planning for that use and the implementation of those plans can best be accomplished at the local level.

(c) A long-term, reliable supply of water is essential to protect the productivity of California's businesses and economic climate.

(d) As part of its long-range planning activities, every urban water supplier should make every effort to ensure the appropriate level of reliability in its water service sufficient to meet the needs of its various categories of customers during normal, dry, and multiple dry water years.

(e) Public health issues have been raised over a number of contaminants that have been identified in certain local and imported water supplies.

(f) Implementing effective water management strategies, including groundwater storage projects and recycled water projects, may require specific water quality and salinity targets for meeting groundwater basins water quality objectives and promoting beneficial use of recycled water.

(g) Water quality regulations are becoming an increasingly important factor in water agencies' selection of raw water sources, treatment alternatives, and modifications to existing treatment facilities.

(h) Changes in drinking water quality standards may also impact the usefulness of water supplies and may ultimately impact supply reliability.

(i) The quality of source supplies can have a significant impact on water management strategies and supply reliability.

(2) This part is intended to provide assistance to water agencies in carrying out their long-term resource planning responsibilities to ensure adequate water supplies to meet existing and future demands for water.

SEC. 2. Section 10631 of the Water Code is amended to read:

10631. A plan shall be adopted in accordance with this chapter and shall do all of the following:

(a) Describe the service area of the supplier, including current and projected population, climate, and other demographic factors affecting the supplier's water management planning. The projected population estimates shall be based upon data from the state, regional, or local service agency population projections within the service area of the urban water supplier and shall be in five-year increments to 20 years or as far as data is available.

(b) Identify and quantify, to the extent practicable, the existing and planned sources of water available to the supplier over the same five-year increments described in subdivision (a).

(c) Describe the reliability of the water supply and vulnerability to seasonal or climatic shortage, to the extent practicable, and provide data for each of the following:

(1) An average water year.

(2) A single dry water year.

(3) Multiple dry water years.

For any water source that may not be available at a consistent level of use, given specific legal, environmental, water quality, or climatic factors, describe plans to supplement or replace that source with alternative sources or water demand management measures, to the extent practicable.

(d) Describe the opportunities for exchanges or transfers of water on a short-term or long-term basis.

(e) (1) Quantify, to the extent records are available, past and current water use, over the same five-year increments described in subdivision (a), and projected water use, identifying the uses among water use sectors including, but not necessarily limited to, all of the following uses:

(A) Single-family residential.

(B) Multifamily.

(C) Commercial.

(D) Industrial.

(E) Institutional and governmental.

(F) Landscape.

(G) Sales to other agencies.

(H) Saline water intrusion barriers, groundwater recharge, or conjunctive use, or any combination thereof.

(I) Agricultural.

(2) The water use projections shall be in the same five-year increments described in subdivision (a).

(f) Provide a description of the supplier's water demand management measures. This description shall include all of the following:

(1) A description of each water demand management measure that is currently being implemented, or scheduled for implementation, including the steps necessary to implement any proposed measures, including, but not limited to, all of the following:

(A) Water survey programs for single-family residential and multifamily residential customers.

(B) Residential plumbing retrofit.

(C) System water audits, leak detection, and repair.

(D) Metering with commodity rates for all new connections and retrofit of existing connections.

(E) Large landscape conservation programs and incentives.

(F) High-efficiency washing machine rebate programs.

(G) Public information programs.

(H) School education programs.

(I) Conservation programs for commercial, industrial, and institutional accounts.

(J) Wholesale agency programs.

(K) Conservation pricing.

(L) Water conservation coordinator.

(M) Water waste prohibition.

(N) Residential ultra-low-flush toilet replacement programs.

(2) A schedule of implementation for all water demand management measures proposed or described in the plan.

(3) A description of the methods, if any, that the supplier will use to evaluate the effectiveness of water demand management measures implemented or described under the plan.

(4) An estimate, if available, of existing conservation savings on water use within the supplier's service area, and the effect of the savings on the supplier's ability to further reduce demand.

(g) An evaluation of each water demand management measure listed in paragraph (1) of subdivision (f) that is not currently being implemented or scheduled for implementation. In the course of the evaluation, first consideration shall be given to water demand management measures, or combination of measures, that offer lower incremental costs than expanded or additional water supplies. This evaluation shall do all of the following:

(1) Take into account economic and noneconomic factors, including environmental, social, health, customer impact, and technological factors.

(2) Include a cost-benefit analysis, identifying total benefits and total costs.

(3) Include a description of funding available to implement any planned water supply project that would provide water at a higher unit cost.

(4) Include a description of the water supplier's legal authority to implement the measure and efforts to work with other relevant agencies to ensure the implementation of the measure and to share the cost of implementation.

(h) Urban water suppliers that are members of the California Urban Water Conservation Council and submit annual reports to that council in accordance with the ''Memorandum of Understanding Regarding Urban Water Conservation in California,'' dated September 1991, may submit the annual reports identifying water demand management measures currently being implemented, or scheduled for implementation, to satisfy the requirements of subdivisions (f) and (g).

SEC. 2.5. Section 10631 of the Water Code is amended to read:

10631. A plan shall be adopted in accordance with this chapter and shall do all of the following:

(a) Describe the service area of the supplier, including current and projected population, climate, and other demographic factors affecting the supplier's water management planning. The projected population estimates shall be based upon data from the state, regional, or local service agency population projections within the service area of the urban water supplier and shall be in five-year increments to 20 years or as far as data is available.

(b) Identify and quantify, to the extent practicable, the existing and planned sources of water available to the supplier over the same five-year increments described in subdivision (a). If groundwater is identified as an existing or planned source of water available to the supplier, all of the following information shall be included in the plan:

(1) A copy of any groundwater management plan adopted by the urban water supplier, including plans adopted pursuant to Part 2.75 (commencing with Section 10750), or any other specific authorization for groundwater management.

(2) A description of any groundwater basin or basins from which the urban water supplier pumps groundwater. For those basins for which a court or the board has adjudicated the rights to pump groundwater, a copy of the order or decree adopted by the court or the board and a description of the amount of groundwater the urban water supplier has the legal right to pump under the order or decree. For basins that have

not been adjudicated, information as to whether the department has identified the basin or basins as overdrafted or has projected that the basin will become overdrafted if present management conditions continue, in the most current official departmental bulletin that characterizes the condition of the groundwater basin, and a detailed description of the efforts being undertaken by the urban water supplier to eliminate the long-term overdraft condition.

(3) A detailed description and analysis of the location, amount, and sufficiency of groundwater pumped by the urban water supplier for the past five years. The description and analysis shall be based on information that is reasonably available, including, but not limited to, historic use records.

(4) A detailed description and analysis of the amount and location of groundwater that is projected to be pumped by the urban water supplier. The description and analysis shall be based on information that is reasonably available, including, but not limited to, historic use records.

(c) Describe the reliability of the water supply and vulnerability to seasonal or climatic shortage, to the extent practicable, and provide data for each of the following:

(1) An average water year.

(2) A single dry water year.

(3) Multiple dry water years.

For any water source that may not be available at a consistent level of use, given specific legal, environmental, water quality, or climatic factors, describe plans to supplement or replace that source with alternative sources or water demand management measures, to the extent practicable.

(d) Describe the opportunities for exchanges or transfers of water on a short-term or long-term basis.

(e) (1) Quantify, to the extent records are available, past and current water use, over the same five-year increments described in subdivision (a), and projected water use, identifying the uses among water use sectors including, but not necessarily limited to, all of the following uses:

(A) Single-family residential.

(B) Multifamily.

(C) Commercial.

(D) Industrial.

(E) Institutional and governmental.

(F) Landscape.

(G) Sales to other agencies.

(H) Saline water intrusion barriers, groundwater recharge, or conjunctive use, or any combination thereof.

(I) Agricultural.

(2) The water use projections shall be in the same five-year increments described in subdivision (a).

(f) Provide a description of the supplier's water demand management measures. This description shall include all of the following:

(1) A description of each water demand management measure that is currently being implemented, or scheduled for implementation, including the steps necessary to implement any proposed measures, including, but not limited to, all of the following:

(A) Water survey programs for single-family residential and multifamily residential customers.

(B) Residential plumbing retrofit.

(C) System water audits, leak detection, and repair.

(D) Metering with commodity rates for all new connections and retrofit of existing connections.

(E) Large landscape conservation programs and incentives.

(F) High-efficiency washing machine rebate programs.

(G) Public information programs.

(H) School education programs.

(I) Conservation programs for commercial, industrial, and institutional accounts.

(J) Wholesale agency programs.

(K) Conservation pricing.

(L) Water conservation coordinator.

(M) Water waste prohibition.

(N) Residential ultra-low-flush toilet replacement programs.

(2) A schedule of implementation for all water demand management measures proposed or described in the plan.

(3) A description of the methods, if any, that the supplier will use to evaluate the effectiveness of water demand management measures implemented or described under the plan.

(4) An estimate, if available, of existing conservation savings on water use within the supplier's service area, and the effect of the savings on the supplier's ability to further reduce demand.

(g) An evaluation of each water demand management measure listed in paragraph (1) of subdivision (f) that is not currently being implemented or scheduled for implementation. In the course of the evaluation, first consideration shall be given to water demand management measures, or combination of measures, that offer lower incremental costs than expanded or additional water supplies. This evaluation shall do all of the following:

(1) Take into account economic and noneconomic factors, including environmental, social, health, customer impact, and technological factors.

(2) Include a cost-benefit analysis, identifying total benefits and total costs.

(3) Include a description of funding available to implement any planned water supply project that would provide water at a higher unit cost.

(4) Include a description of the water supplier's legal authority to implement the measure and efforts to work with other relevant agencies to ensure the implementation of the measure and to share the cost of implementation.

(h) Include a description of all water supply projects and water supply programs that may be undertaken by the urban water supplier to meet the total projected water use as established pursuant to subdivision (a) of Section 10635. The urban water supplier shall include a detailed description of expected future projects and programs, other than the demand management programs identified pursuant to paragraph (1) of subdivision (f), that the urban water supplier may implement to increase the amount of the water supply available to the urban water supplier in average, single-dry, and multiple-dry water years. The description shall identify specific projects and include a description of the increase in water supply that is expected to be available from each project. The description shall include an estimate with regard to the implementation timeline for each project or program.

(i) Urban water suppliers that are members of the California Urban Water Conservation Council and submit annual reports to that council in accordance with the ''Memorandum of Understanding Regarding Urban Water Conservation in California,'' dated September 1991, may submit the annual reports identifying water demand management measures currently being implemented, or scheduled for implementation, to satisfy the requirements of subdivisions (f) and (g).

SEC. 3. Section 10634 is added to the Water Code, to read:

10634. The plan shall include information, to the extent practicable, relating to the quality of existing sources of water available to the supplier over the same five-year increments as described in subdivision (a) of Section 10631, and the manner in which water quality affects water management strategies and supply reliability.

SEC. 4. Section 2.5 of this bill incorporates amendments to Section 10631 of the Water Code proposed by both this bill and SB 610. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2002, (2) each bill amends Section 10631 of the Water Code, and (3) this bill is enacted after SB 610, in which case Section 2 of this bill shall not become operative.

———

CHAPTER 645

An act to amend Section 1011.7 of the Military and Veterans Code, relating to veterans.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 9, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1011.7 of the Military and Veterans Code is amended to read:

1011.7. (a) There is hereby created a Governor's Commission on Veterans Homes to advise the Governor and the Legislature on the establishment of veterans homes in California.

(b) The commission shall consist of 12 members as follows:

(1) A member of the Veterans of Foreign Wars, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the Veterans of Foreign Wars.

(2) A member of the American Legion, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the American Legion.

(3) A member of the Disabled American Veterans, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the Disabled American Veterans.

(4) A member of the AmVets, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the AmVets.

(5) Three veterans, as defined by Section 980, appointed by the Governor.

(6) Two members appointed by the Speaker of the Assembly, one of whom shall be a veteran, as defined by Section 980, and one of whom shall serve as an ex officio, nonvoting member.

(7) Two members appointed by the Senate Committee on Rules, one of whom shall be a veteran, as defined by Section 980, and one of whom shall serve as an ex officio, nonvoting member.

(8) The Secretary of Veterans Affairs or his or her designee.

(c) (1) In making appointments pursuant to paragraphs (1) to (4), inclusive, of subdivision (b), the Governor shall consult with the leadership of the veterans organizations specified in those paragraphs.

(2) Notwithstanding any other provision of law, gubernatorial appointments made pursuant to subdivision (b) shall not be subject to the approval of the Senate.

(d) The Governor shall select one of the members to serve as chairperson.

(e) The commission shall hold a minimum of four public meetings at times and places as it shall determine.

(f) (1) Each member shall receive, for each day's attendance at each meeting of the commission, a per diem of fifty dollars ($50) and shall receive the same per diem for each day spent on official duties assigned by the commission.

(2) Each member shall be reimbursed for his or her necessary traveling and other expenses incurred in the performance of his or her official duties.

State agencies, including those identified in subdivision (j), may pay a portion of the commission's expenses.

(g) (1) The commission shall establish findings and make recommendations to the Governor and the Legislature on the establishment of veterans homes in California. The findings and recommendations may include, but need not be limited to, the following matters:

(A) Possible sites for one or more state veterans homes. This recommendation shall give consideration to the availability of federal surplus property and any property available for no cost, or at less than market value, from public or private sources, and to a competitive site-selection process that would compare the relative merits of all available sites.

(B) Selection of a site specifically for the treatment of veterans who suffer from Alzheimer's disease or other diseases causing dementia. Preference should be given to a site with access to an existing medical teaching or research facility.

(C) The scope and level of health care, residential care, and recreational facilities, and other services and amenities to be provided at each home.

(D) The number of sites to be established and the resident population to be served at each site, including a description of the type, size, and projected population of each of the residential components of the home, including, but not limited to, skilled nursing care beds, intermediate care beds, domiciliary care, independent living facilities, and day care facilities.

(E) Estimates of design and planning costs, land acquisition costs, capital construction costs, and annual operating costs of each home that would be associated with various modes of construction.

(F) Financing options for the development and construction of a home on one or more sites that shall include, but not be limited to, financial assistance available through the federal Department of Veterans Affairs State Home Grants Program.

(G) The management of each home by state or private administration.

(2) For the purposes of paragraph (1), the commission shall hear testimony from interested citizens concerning the needs of veterans in California.

(h) The commission shall report to the Governor and the Legislature on or before October 1, 2001, concerning its findings and recommendations, as specified in subdivision (g), for the development and construction activities associated with veterans homes in California.

(i) (1) Any new veterans homes sites recommended by the Governor's Commission on Veterans Homes shall be in addition to, and any new homes shall be built after, those listed in Section 1011.

(2) Priority for new veterans home sites shall be in areas that have been underserved, specifically in the San Joaquin Valley and the Los Angeles Basin.

(j) State agencies, including, but not limited to, the Governor's Office of Planning and Research, the Department of Veterans Affairs, the office of the Treasurer, and the Project Management Branch within the Real Estate Services Division of the Department of General Services, shall provide staff assistance to the commission upon its request.

(k) The commission may solicit and accept private donations, through the secretary, from any person, association, or entity interested in veterans benefits.

(*l*) This section shall remain in effect only until January 1, 2003, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2003, deletes or extends that date.

SEC. 1.5. Section 1011.7 of the Military and Veterans Code is amended to read:

1011.7. (a) There is hereby created a Governor's Commission on Veterans Homes to advise the Governor and the Legislature on the establishment of veterans homes in California.

(b) The commission shall consist of 12 members as follows:

(1) A member of the Veterans of Foreign Wars, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the Veterans of Foreign Wars.

(2) A member of the American Legion, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the American Legion.

(3) A member of the Disabled American Veterans, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the Disabled American Veterans.

(4) A member of the AmVets, appointed by the Governor from a list of three names submitted to the Governor by the Commander of the AmVets.

(5) Three veterans, as defined by Section 980, appointed by the Governor.

(6) Two members appointed by the Speaker of the Assembly, one of whom shall be a veteran, as defined by Section 980, and one of whom shall serve as an ex officio, nonvoting member.

(7) Two members appointed by the Senate Committee on Rules, one of whom shall be a veteran, as defined by Section 980, and one of whom shall serve as an ex officio, nonvoting member.

(8) The Secretary of Veterans Affairs or his or her designee.

(c) (1) In making appointments pursuant to paragraphs (1) to (4), inclusive, of subdivision (b), the Governor shall consult with the leadership of the veterans organizations specified in those paragraphs.

(2) Notwithstanding any other provision of law, gubernatorial appointments made pursuant to subdivision (b) shall not be subject to the approval of the Senate.

(d) The Governor shall select one of the members to serve as chairperson.

(e) The commission shall hold a minimum of four public meetings at times and places as it shall determine.

(f) (1) Each member shall receive, for each day's attendance at each meeting of the commission, a per diem of fifty dollars ($50) and shall receive the same per diem for each day spent on official duties assigned by the commission.

(2) Each member shall be reimbursed for his or her necessary traveling and other expenses incurred in the performance of his or her official duties.

State agencies, including those identified in subdivision (j), may pay a portion of the commission's expenses.

(g) (1) The commission shall establish findings and make recommendations to the Governor and the Legislature on the establishment of veterans homes in California. The findings and recommendations may include, but need not be limited to, the following matters:

(A) Possible sites for one or more state veterans homes. This recommendation shall give consideration to the availability of federal surplus property and any property available for no cost, or at less than market value, from public or private sources, and to a competitive site-selection process that would compare the relative merits of all available sites including, but not limited to, Shasta County, the Central Valley, and Los Angeles County.

(B) Selection of a site specifically for the treatment of veterans who suffer from Alzheimer's disease or other diseases causing dementia. Preference should be given to a site with access to an existing medical teaching or research facility.

(C) The scope and level of health care, residential care, and recreational facilities, and other services and amenities to be provided at each home.

(D) The number of sites to be established and the resident population to be served at each site, including a description of the type, size, and projected population of each of the residential components of the home, including, but not limited to, skilled nursing care beds, intermediate care beds, domiciliary care, independent living facilities, and day care facilities.

(E) Estimates of design and planning costs, land acquisition costs, capital construction costs, and annual operating costs of each home that would be associated with various modes of construction.

(F) Financing options for the development and construction of a home on one or more sites that shall include, but not be limited to, financial assistance available through the federal Department of Veterans Affairs State Home Grants Program.

(G) The management of each home by state or private administration.

(2) For the purposes of paragraph (1), the commission shall hear testimony from interested citizens concerning the needs of veterans in California.

(h) The commission shall report to the Governor and the Legislature on or before October 1, 2001, concerning its findings and recommendations, as specified in subdivision (g), for the development and construction activities associated with veterans homes in California.

(i) (1) Any new veterans homes sites recommended by the Governor's Commission on Veterans Homes shall be in addition to, and any new homes shall be built after, those listed in Section 1011.

(2) Priority for new veterans home sites shall be in areas that have been underserved, specifically in the San Joaquin Valley and the Los Angeles Basin.

(j) State agencies, including, but not limited to, the Governor's Office of Planning and Research, the Department of Veterans Affairs, the office of the Treasurer, and the Project Management Branch within the Real Estate Services Division of the Department of General Services, shall provide staff assistance to the commission upon its request.

(k) The commission may solicit and accept private donations, through the secretary, from any person, association, or entity interested in veterans benefits.

(*l*) This section shall remain in effect only until January 1, 2003, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2003, deletes or extends that date.

SEC. 2. Section 1.5 of this bill incorporates amendments to Section 1011.7 of the Military and Veterans Code proposed by both this bill and SB 4. It shall only become operative if (1) both bills are enacted and

become effective on or before January 1, 2002, (2) each bill amends Section 1011.7 of the Military and Veterans Code, and (3) this bill is enacted after SB 4, in which case Section 1 of this bill shall not become operative.

CHAPTER 646

An act to amend Section 35294.2 of the Education Code, relating to school safety.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 35294.2 of the Education Code is amended to read:

35294.2. (a) The comprehensive school safety plan shall include, but not necessarily be limited to, the following:

(1) Assessing the current status of school crime committed on school campuses and at school-related functions.

(2) Identifying appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:

(A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Title 1 of Part 4 of the Penal Code.

(B) Disaster procedures, routine and emergency.

(C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27.

(D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.

(E) A sexual harassment policy, pursuant to subdivision (b) of Section 231.5.

(F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing ''gang-related apparel,'' if the school has adopted such a dress code. For those purposes, the comprehensive school safety plan shall define ''gang-related apparel.'' The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health

and safety of the school environment. Any schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For the purposes of this paragraph, ''gang-related apparel'' shall not be considered a protected form of speech pursuant to Section 48950.

(G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.

(H) A safe and orderly environment conducive to learning at the school.

(I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.

(b) It is the intent of the Legislature that schools develop comprehensive school safety plans using existing resources, including the materials and services of the School Safety Partnership, pursuant to Chapter 2.5 (commencing with Section 32260) of Part 19. It is also the intent of the Legislature that schools use the handbook developed and distributed by the School/Law Enforcement Partnership Program entitled ''Safe Schools: A Planning Guide for Action'' in conjunction with developing their plan for school safety.

(c) Grants to assist schools in implementing their comprehensive school safety plan shall be made available through the School Safety Partnership as authorized by Section 32262.

(d) Each schoolsite council or school safety planning committee in developing and updating a comprehensive school safety plan shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.

(e) The comprehensive school safety plan shall be evaluated and amended, as needed, by the school safety planning committee no less than once a year to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.

(f) The comprehensive school safety plan, as written and updated by the schoolsite council or school safety planning committee, shall be submitted for approval under subdivision (a) of Section 35294.8.

(g) The State Department of Education shall develop model policies on the prevention of bullying and on conflict resolution and make the model policies available to school districts. A school district may adopt one or both of these policies for incorporation into its school safety plan.

———

CHAPTER 647

An act to amend Section 17072.12 of the Education Code, relating to school facilities.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 17072.12 of the Education Code is amended to read:

17072.12. (a) In addition to the amount provided in Section 17072.10, the board may provide funding for assistance in site development and acquisition if all of the following are met:

(1) The amount of the site acquisition and development assistance does not exceed 50 percent of the cost of site development to the school district, plus the lesser of the following:

(A) 50 percent of the site cost to the school district.

(B) 50 percent of the appraised value of the site within six months of the time the complete application is submitted.

(2) The school district certifies that there is no alternative available site, or that the district plans to sell an available site in order to use the proceeds of the sale for the purchase of the new site.

(b) Notwithstanding subdivision (a), the board may provide funding for assistance in site development and acquisition to a school district that uses land previously acquired by the school district in an amount equal to 50 percent of the cost of site development to the school district, plus 50 percent of the site's appraised value at the time the application for site acquisition and development is submitted, provided all of the following are met:

(1) The site was acquired no less than five years prior to the date the application is submitted.

(2) The site had been productively used by the school district as other than a schoolsite for the five years immediately preceding the date the application is submitted.

(3) The board determines that the nonschool function currently taking place on the site must be discontinued or relocated in order to utilize the site as a schoolsite.

(c) A school district that receives assistance pursuant to subdivision (b) shall, within one year after the completion of the project, certify in writing to the board that the nonschool function was in fact relocated as set forth in paragraph (4) of subdivision (b).

(d) Pursuant to subdivision (b), an applicant school district shall include in its application to the board a cost-benefit analysis performed

by the school district demonstrating how utilizing existing nonschoolsite district property pursuant to this section would be a more effective method of solving the school district's pupil housing problems than any other method of funding under this chapter. The board shall review and approve the analysis if the board agrees with the findings and shall consider the analysis and findings in approving the project pursuant to this section.

CHAPTER 648

An act to add Part 6.4 (commencing with Section 12699.50) to Division 2 of the Insurance Code, relating to health care coverage, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Part 6.4 (commencing with Section 12699.50) is added to Division 2 of the Insurance Code, to read:

PART 6.4. CHILDREN'S HEALTH INITIATIVE MATCHING FUND

12699.50. This part shall be known and may be cited as the Children's Health Initiative Matching Fund.

12699.51. For the purposes of this part, the following definitions shall apply:

(a) ''Administrative costs'' means those expenses that are not incurred for the direct provision of health benefits.

(b) ''Applicant'' means a county agency, a local initiative, or a county organized health system.

(c) ''Board'' means the Managed Risk Medical Insurance Board.

(d) ''Child'' means a person under 19 years of age.

(e) ''Comprehensive health insurance coverage'' means the coverage described in Section 12693.60.

(f) ''County organized health system'' means a health system implemented pursuant to Article 2.8 (commencing with Section 14087.5) of Chapter 7 of Part 3 of Division 9 of the Welfare and Institutions Code and Article 1 (commencing with Section 101675) of Chapter 3 of Part 4 of Division 101 of the Health and Safety Code.

(g) ''Fund'' means the Children's Health Initiative Matching Fund.

(h) ''Local initiative'' has the same meaning as set forth in Section 12693.08.

12699.52. (a) The Children's Health Initiative Matching Fund is hereby established within the State Treasury. The fund shall accept intergovernmental transfers as the nonfederal matching fund requirement for federal financial participation through the State Children's Health Insurance Program (Subchapter 21 (commencing with Section 1397aa) of Chapter 7 of Title 42 of the United States Code).

(b) The board shall administer this fund and the provisions of this part in collaboration with the State Department of Health Services for the express purpose of allowing local funds to be used to facilitate increasing the state's ability to utilize federal funds available to California. These federal funds shall be used prior to the expiration of their authority for one-time programs designed to improve and expand access for uninsured persons.

12699.53. (a) An applicant that will provide an intergovernmental transfer may submit a proposal to the board for funding for the purpose of providing comprehensive health insurance coverage to any child who meets citizenship and immigration status requirements that are applicable to persons participating in the program established by Title XXI of the Social Security Act, except as specified in Section 12693.76, whose family income is at or below 300 percent of the federal poverty level in specific geographic areas, as published quarterly in the Federal Register by the Department of Health and Human Services, and who does not qualify for either the Healthy Families Program (Part 6.2 (commencing with Section 12693) or the Medi-Cal Act (Chapter 7 (commencing with Section 14000) of Part 3 of Division 9 of the Welfare and Institutions Code). The proposal shall guarantee at least one year of intergovernmental transfer funding by the applicant at a level that ensures compliance with the requirements of an approved federal waiver and shall, on an annual basis, either commit to fully funding the necessary intergovernmental amount to meet the conditions of the waiver or withdraw from the program. The board may identify specific geographical areas that, in comparison to the national level, have a higher cost of living or housing or a greater need for additional health services, using data obtained from the most recent federal census, the federal Consumer Expenditure Survey, or from other sources. The proposal may include an administrative mechanism for outreach and eligibility.

(b) The applicant may include in its proposal reimbursement of medical, dental, vision, or mental health services delivered to children who are eligible under the State Children's Health Insurance Program (Subchapter 21 (commencing with Section 1397aa) of Chapter 7 of Title 42 of the United States Code), if these services are part of an overall

program with the measurable goal of enrolling served children in the Healthy Families Program.

(c) If a child is determined to be eligible for benefits for the treatment of an eligible medical condition under the California Children's Services Program pursuant to Article 5 (commencing with Section 123800) of Chapter 3 of Part 2 of Division 106 of the Health and Safety Code, the applicant shall not be responsible for the provision of, or payment for, those authorized services for that child. The proposal from an applicant shall contain provisions to ensure that a child whom the applicant reasonably believes would be eligible for services under the California Children's Services Program is referred to that program. The California Children's Services Program shall provide case management and authorization of services if the child is found to be eligible for the California Children's Services Program. Diagnosis and treatment services that are authorized by the California Children's Services Program shall be performed by paneled providers for that program and approved special care centers of that program and approved by the California Children's Services Program. All other services provided under the proposal from the applicant shall be made available pursuant to this part to a child who is eligible for services under the California Children's Services Program.

12699.54. (a) The board and the State Department of Health Services, in consultation with participating entities, including the Healthy Families Advisory Committee, and other appropriate parties, shall establish the criteria for evaluating an applicant's proposal, which shall include, but not be limited to, the following:

(1) The extent to which the program described in the proposal provides comprehensive coverage including health, dental, and vision benefits.

(2) Whether the proposal includes a promotional component to notify the public of its provision of health insurance to eligible children.

(3) The simplicity of the proposal's procedures for applying to participate and for determining eligibility for participation in its program.

(4) The extent to which the proposal provides for coordination and conformity with benefits provided through Medi-Cal and the Healthy Families Program.

(5) The extent to which the proposal provides for coordination and conformity with existing Healthy Families Program administrative entities in order to prevent administrative duplication and fragmentation.

(6) The ability of the health care providers designated in the proposal to serve the eligible population and the extent to which the proposal

includes traditional and safety net providers, as defined in regulations adopted pursuant to the Healthy Families Program.

(7) The extent to which the proposal intends to work with the school districts and county offices of education.

(8) The total amount of funds available to the applicant to implement the program described in its proposal, and the percentage of this amount proposed for administrative costs as well as the cost to the state to administer the proposal.

(9) The extent to which the proposal seeks to minimize the substitution of private employer health insurance coverage for health benefits provided through a governmental source.

(10) The extent to which local resources may be available after the depletion of federal funds to continue any current program expansions for persons covered under local health care financing programs or for expanded benefits.

(b) The board, in collaboration with the State Department of Health Services, shall adopt regulations, setting forth the criteria it uses to evaluate an applicant's proposal.

12699.55. The board, in collaboration with the State Department of Health Services, shall review each funding proposal submitted by an applicant in accordance with the criteria described in Section 12699.54 and based on that criteria, approve or reject the proposal.

12699.56. (a) Upon its approval of a proposal, the board, in collaboration with the State Department of Health Services, may provide the applicant reimbursement in an amount equal to the amount that the applicant will contribute to implement the program described in its proposal, plus the appropriate and allowable amount of federal funds under the State Children's Health Insurance Program (Subchapter 21 (commencing with Section 1397aa) of Chapter 7 of Title 42 of the United States Code). Reimbursement provided from the Children's Health Initiative Matching Fund shall consist of intergovernmental transfers from applicants, as defined in subdivision (b) of Section 12699.51, and the appropriate and allowable federal State Children's Health Insurance Program funds. Not more than 10 percent of the Childrens' Health Initiative Matching Fund shall be expended for administrative costs, including the costs to the state to administer the proposal. The board, in collaboration with the State Department of Health Services, may audit the expenses incurred by the applicant in implementing its program to ensure that the expenditures comply with the provisions of this part. No reimbursement may be made to an applicant that fails to meet its financial participation obligation under this part. Reasonable start up costs and ongoing administrative costs for the program shall be reimbursed by those entities applying for funding.

(b) Each applicant that is provided funds under this part shall submit to the board a plan to limit initial and continuing enrollment in its program in the event the amount of moneys for its program is insufficient to maintain health insurance coverage for those participating in the program.

12699.57. Each health care service plan and specialized health care service plan that contracts to provide health care benefits under this part shall be licensed by the Department of Managed Health Care or be a county organized health system.

12699.58. The board, in collaboration with the State Department of Health Services, shall administer the provisions of this part and may do all of the following:

(a) Administer the expenditure of moneys from the fund.

(b) Adopt regulations, including the adoption of emergency regulations, in accordance with the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

12699.59. All expenses incurred by the board and the State Department of Health Services in administering the provisions of this part shall be paid from the fund.

12699.60. Nothing in this part creates a right or an entitlement to the provision of health insurance coverage or health care benefits. No costs shall accrue to the state for the provision of these services.

12699.61. The Governor, in collaboration with the Managed Risk Medical Insurance Board and the State Department of Health Services, shall apply for a waiver pursuant to the federal State Children's Health Insurance Program (Subchapter 21 (commencing with Section 1397aa) of Chapter 7 of Title 42 of the United States Code) in coordination with the Managed Risk Medical Insurance Board and the State Department of Health Services to allow a county agency, local initiative, or county organized health system to apply for matching funds through the federal State Children's Health Insurance Program (Subchapter 21 (commencing with Section 1397aa) of Chapter 7 of Title 42 of the United States Code) using local funds for the state matching funds.

12699.62. (a) The provisions of this part shall be implemented only if all of the following conditions are met:

(1) Federal funds are appropriated for this purpose.

(2) Federal participation is approved.

(3) The Managed Risk Medical Insurance Board determines that federal State Children's Health Insurance Program funds will remain available in the relevant fiscal year after providing funds for the following groups:

(A) All current enrollees and eligible children and parents that are likely to enroll in the Healthy Families Program in that fiscal year, as determined by a Department of Finance estimate.

(B) Rollover funds are determined to be available from the State Children's Health Insurance Program. For this purpose, ''rollover funds'' are those funds that are available on a one-time only basis through the federal State Children's Health Insurance Program (Subchapter 21 (commencing with Section 1397aa) of Chapter 7 of Title 42 of the United States Code) and are not committed for use by those groups described in subparagraph (A).

(b) The State Department of Health Services and the Managed Risk Medical Insurance Board may accept funding necessary for the preparation of the federal waiver application described in Section 12699.61 from a not-for-profit group or foundation.

(c) The submission and approval of federal waivers for State Children's Health Insurance Program funds that use state General Fund moneys for the addition of children or parents shall take precedence over the submittal of the waiver required by Section 12699.61.

12699.63. The state shall be held harmless for any federal disallowance resulting from this part. An applicant receiving supplemental reimbursement pursuant to this part shall be liable for any reduced federal financial participation resulting from the implementation of this part with respect to that applicant. The state may recoup any federal disallowance from the applicant.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to expand the availability of insurance coverage for children in low-income households and to make available funding for that purpose as soon as possible, it is necessary that this act take effect immediately.

CHAPTER 649

An act to add Sections 14176.5 and 14176.6 to the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) There is a demonstrated critical need in the state for traditional safety net providers to continue to provide accessible health care services to low-income, indigent, and medically underserved communities.

(b) Too many hospitals in these communities have already suffered closure.

(c) The loss of yet another provider is not in the best interest of the state.

(d) It is necessary, and in the best interest of the public, to give to the State Department of Health Services more authority to work with these hospitals and clinics regarding debts resulting from Medi-Cal overpayments in an attempt to prevent the further loss of vital services.

SEC. 2. Section 14176.5 is added to the Welfare and Institutions Code, to read:

14176.5. Whenever it has been determined, pursuant to an audit conducted by the department, that an overpayment for Medi-Cal services has been made to a hospital for services rendered from January 1, 1992, to December 31, 1997, the department may forgive all or part of the debt arising from the overpayment, and interest, if the hospital is all of the following:

(a) A disproportionate share hospital, as defined in Section 14105.98.

(b) Located in Kern County or Monterey County.

(c) A nonprofit hospital, as defined in Section 127050 of the Health and Safety Code, or not affiliated with a hospital system.

CHAPTER 650

An act to amend Sections 17052.17, 17052.18, 23617, and 23617.5 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 17052.17 of the Revenue and Taxation Code is amended to read:

17052.17. (a) For each taxable year beginning on or after January 1, 1988, and before January 1, 2007, there shall be allowed as a credit

against the ''net tax'' (as defined by Section 17039) an amount equal to the amount determined in subdivision (b).

(b) (1) The amount of the credit allowed by this section shall be 30 percent of any of the following:

(A) The cost paid or incurred by the taxpayer on or after September 23, 1988, for the startup expenses of establishing a child care program or constructing a child care facility in California, to be used primarily by the children of the taxpayer's employees.

(B) For each taxable year beginning on or after January 1, 1993, the cost paid or incurred by the taxpayer for the startup expenses of establishing a child care program or constructing a child care facility in California, to be used primarily by the children of employees of tenants leasing commercial or office space in a building owned by the taxpayer.

(C) The cost paid or incurred by the taxpayer on or after September 23, 1988, for contributions to California child care information and referral services, including, but not limited to, those that identify local child care services, offer information describing these resources to the taxpayer's employees, and make referrals of the taxpayer's employees to child care services where there are vacancies.

In the case of a child care facility established by two or more taxpayers, the credit shall be allowed to each taxpayer if the facility is to be used primarily by the children of the employees of each of the taxpayers or the children of the employees of the tenants of each of the taxpayers.

(2) The amount of the credit allowed by this section shall not exceed fifty thousand dollars ($50,000) for any taxable year.

(c) For purposes of this section, ''startup expenses'' include, but are not limited to, feasibility studies, site preparation, and construction, renovation or acquisition of facilities for purposes of establishing or expanding onsite or nearsite centers by one or more employers or one or more building owners leasing space to employers.

(d) If two or more taxpayers share in the costs eligible for the credit provided by this section, each taxpayer shall be eligible to receive a tax credit with respect to his, her, or its respective share of the costs paid or incurred.

(e) (1) In the case where the credit allowed and limited under subdivision (b) exceeds the ''net tax,'' the excess may be carried over to reduce the ''net tax'' in the following year, and succeeding years if necessary, until the credit has been exhausted. However, the excess from any one year shall not exceed fifty thousand dollars ($50,000).

(2) If the credit carryovers from preceding taxable years allowed under paragraph (1) plus the credit allowed for the taxable year under subdivision (b) would exceed an aggregate total of fifty thousand dollars ($50,000), then the credit allowed to reduce the ''net tax'' under this section for the taxable year shall be limited to fifty thousand dollars

($50,000) and the amount in excess of the fifty thousand dollar ($50,000) limit may be carried over and applied against the ''net tax'' in the following year, and succeeding years if necessary, in an amount which, when added to the credit allowed under subdivision (b) for that succeeding taxable year, does not exceed fifty thousand dollars ($50,000).

(f) No deduction shall be allowed as otherwise provided in this part for that portion of expenses paid or incurred for the taxable year which is equal to the amount of the credit allowed under this section attributable to those expenses.

(g) In lieu of claiming the tax credit provided by this section, the taxpayer may elect to take depreciation pursuant to Section 17250. In addition, the taxpayer may take depreciation pursuant to that section for the cost of a facility in excess of the amount of the tax credit claimed under this section.

(h) The basis for any child care facility for which a credit is allowed shall be reduced by the amount of the credit attributable to the facility. The basis adjustment shall be made for the taxable year for which the credit is allowed.

(i) No credit shall be allowed under subparagraph (B) of paragraph (1) of subdivision (b) in the case of any taxpayer that is required by any local ordinance or regulation to provide a child care facility.

(j) (1) In order to be eligible for the credit allowed under subparagraph (A) or (B) of paragraph (1) of subdivision (b), the taxpayer shall submit to the Franchise Tax Board upon request a statement certifying that the costs for which the credit is claimed are incurred with respect to the startup expenses of establishing a child care program or constructing a child care facility in California to be used primarily by the children of the taxpayer's employees or the children of the employees of tenants leasing commercial or office space in a building owned by the taxpayer and which will be in operation for at least 60 consecutive months after completion.

(2) If the child care center for which a credit is claimed pursuant to this section is disposed of or ceases to operate within 60 months after completion, that portion of the credit claimed which represents the remaining portion of the 60-month period shall be added to the taxpayer's tax liability in the taxable year of that disposition or nonuse.

(k) In order to be allowed the credit under subparagraph (A) or (B) of paragraph (1) of subdivision (b), the taxpayer shall indicate, in the form and manner prescribed by the Franchise Tax Board, the number of children that the child care program or facility will be able to legally accommodate.

(*l*) This section shall remain in effect only until December 1, 2007, and as of that date is repealed.

SEC. 2. Section 17052.18 of the Revenue and Taxation Code is amended to read:

17052.18. (a) For each taxable year beginning on or after January 1, 1995, and before January 1, 2007, there shall be allowed as a credit against the ''net tax'' (as defined by Section 17039) an amount equal to the amount determined in subdivision (b).

(b) (1) The amount of the credit allowed by this section shall be 30 percent of the cost paid or incurred by the taxpayer for contributions to a qualified care plan made on behalf of any qualified dependent of the taxpayer's qualified employee.

(2) The amount of the credit allowed by this section in any taxable year shall not exceed three hundred sixty dollars ($360) for each qualified dependent.

(c) For purposes of this section:

(1) ''Qualified care plan'' means a plan providing qualified care.

(2) ''Qualified care'' includes, but is not limited to, onsite service, center-based service, in-home care or home-provider care, and a dependent care center as defined by Section 21(b)(2)(D) of the Internal Revenue Code that is a specialized center with respect to short-term illnesses of an employee's dependents. ''Qualified care'' must be provided in this state under the authority of a license when required by California law.

(3) ''Specialized center'' means a facility that provides care to mildly ill children and that may do all of the following:

(A) Be staffed by pediatric nurses and day care workers.

(B) Admit children suffering from common childhood ailments (including colds, flu, and chickenpox).

(C) Make special arrangements for well children with minor problems associated with diabetes, asthma, breaks or sprains, and recuperation from surgery.

(D) Separate children according to their illness and symptoms in order to protect them from cross-infection.

(4) ''Contributions'' include direct payments to child care programs or providers. ''Contributions'' do not include amounts contributed to a qualified care plan pursuant to a salary reduction agreement to provide benefits under a dependent care assistance program within the meaning of Section 129 of the Internal Revenue Code, as applicable, for purposes of Part 11 (commencing with Section 23001) and this part.

(5) ''Qualified employee'' means any employee of the taxpayer who is performing services for the taxpayer in this state, within the meaning of Section 25133, during the period in which the qualified care is performed.

(6) ''Employee'' includes an individual who is an employee within the meaning of Section 401(c)(1) of the Internal Revenue Code (relating to self-employed individuals).

(7) ''Qualified dependent'' means any dependent of a qualified employee who is under the age of 12 years.

(d) If an employer makes contributions to a qualified care plan and also collects fees from parents to support a child care facility owned and operated by the employer, no credit shall be allowed under this section for contributions in the amount, if any, by which the sum of the contributions and fees exceed the total cost of providing care. The Franchise Tax Board may require information about fees collected from parents of children.

(e) If the duration of the child care received is less than 42 weeks, the employer shall claim a prorated portion of the allowable credit. The employer shall prorate the credit using the ratio of the number of weeks of care received divided by 42 weeks.

(f) If the credit allowed by this section exceeds the ''net tax,'' the excess may be carried over to reduce the ''net tax'' in the following year, and succeeding years if necessary until the credit has been exhausted.

(g) The credit shall not be available to an employer if the care provided on behalf of an employee is provided by an individual who:

(1) Qualifies as a dependent of that employee or that employee's spouse under subdivision (d) of Section 17054.

(2) Is (within the meaning of Section 17056) a son, stepson, daughter, or stepdaughter of that employee and is under the age of 19 at the close of that taxable year.

(h) The contributions to a qualified care plan shall not discriminate in favor of employees who are officers, owners, or highly compensated, or their dependents.

(i) No deduction shall be allowed as otherwise provided in this part for that portion of expenses paid or incurred for the taxable year that is equal to the amount of the credit allowed under this section.

(j) If the credit is taken by an employer for contributions to a qualified care plan that is used at a facility owned by the employer, the basis of that facility shall be reduced by the amount of the credit. The basis adjustment shall be made for the taxable year for which the credit is allowed.

(k) This section shall remain in effect only until December 1, 2007, and as of that date is repealed.

SEC. 3. Section 23617 of the Revenue and Taxation Code is amended to read:

23617. (a) For each taxable year beginning on or after January 1, 1988, and before January 1, 2007, there shall be allowed as a credit

against the ''tax'' (as defined by Section 23036) an amount equal to the amount determined in subdivision (b).

(b) (1) The amount of the credit allowed by this section shall be 30 percent of any of the following:

(A) The cost paid or incurred by the taxpayer on or after September 23, 1988, for the startup expenses of establishing a child care program or constructing a child care facility in California, to be used primarily by the children of the taxpayer's employees.

(B) For each taxable year beginning on or after January 1, 1993, the cost paid or incurred by the taxpayer for startup expenses of establishing a child care program or constructing a child care facility in California to be used primarily by the children of employees of tenants leasing commercial or office space in a building owned by the taxpayer.

(C) The cost paid or incurred by the taxpayer on or after September 23, 1988, for contributions to California child care information and referral services, including, but not limited to, those that identify local child care services, offer information describing these resources to the taxpayer's employees, and make referrals of the taxpayer's employees to child care services where there are vacancies.

In the case of a child care facility established by two or more taxpayers, the credit shall be allowed if the facility is to be used primarily by the children of the employees of each of the taxpayers or the children of the employees of tenants of each of the taxpayers.

(2) The amount of the credit allowed by this section shall not exceed fifty thousand dollars ($50,000) for any taxable year.

(c) For purposes of this section, ''startup expenses'' include, but are not limited to, feasibility studies, site preparation, and construction, renovation, or acquisition of facilities for purposes of establishing or expanding onsite or nearsite centers by one or more employers or one or more building owners leasing space to employers.

(d) If two or more taxpayers share in the costs eligible for the credit provided by this section, each taxpayer shall be eligible to receive a tax credit with respect to its respective share of the costs paid or incurred.

(e) (1) In the case where the credit allowed and limited under subdivision (b) for the taxable year exceeds the ''tax,'' the excess may be carried over to reduce the ''tax'' in the following year, and succeeding years if necessary, until the credit has been exhausted. However, the excess from any one year shall not exceed fifty thousand dollars ($50,000).

(2) If the credit carryovers from preceding taxable years allowed under paragraph (1) plus the credit allowed for the taxable year under subdivision (b) would exceed an aggregate total of fifty thousand dollars ($50,000), then the credit allowed to reduce the ''tax'' under this section for the taxable year shall be limited to fifty thousand dollars ($50,000)

and the amount in excess of the fifty thousand dollar ($50,000) limit may be carried over and applied against the ''tax'' in the following year, and succeeding years if necessary, in an amount which, when added to the credit allowed under subdivision (b) for that succeeding taxable year, does not exceed fifty thousand dollars ($50,000).

(f) No deduction shall be allowed as otherwise provided in this part for that portion of expenses paid or incurred for the taxable year which is equal to the amount of the credit allowed under this section attributable to those expenses.

(g) In lieu of claiming the tax credit provided by this section, the taxpayer may elect to take depreciation pursuant to Section 24371.5. In addition, the taxpayer may take depreciation pursuant to that section for the cost of a facility in excess of the amount of the tax credit claimed under this section.

(h) The basis for any child care facility for which a credit is allowed shall be reduced by the amount of the credit attributable to the facility. The basis adjustment shall be made for the taxable year for which the credit is allowed.

(i) No credit shall be allowed under subparagraph (B) of paragraph (1) of subdivision (b) in the case of any taxpayer that is required by any local ordinance or regulation to provide a child care facility.

(j) (1) In order to be eligible for the credit allowed under subparagraph (A) or (B) of paragraph (1) of subdivision (b), the taxpayer shall submit to the Franchise Tax Board upon request a statement certifying that the costs for which the credit is claimed are incurred with respect to the startup expenses of establishing a child care program or constructing a child care facility in California to be used primarily by the children of the taxpayer's employees or the children of the employees of tenants leasing commercial or office space in a building owned by the taxpayer and which will be in operation for at least 60 consecutive months after completion.

(2) If the child care center for which a credit is claimed pursuant to this section is disposed of or ceases to operate within 60 months after completion, that portion of the credit claimed which represents the remaining portion of the 60-month period shall be added to the taxpayer's tax liability in the taxable year of that disposition or nonuse.

(k) In order to be allowed the credit under subparagraph (A) or (B) of paragraph (1) of subdivision (b), the taxpayer shall indicate, in the form and manner prescribed by the Franchise Tax Board, the number of children that the child care program or facility will be able to legally accommodate.

(*l*) This section shall remain in effect only until December 1, 2007, and as of that date is repealed.

SEC. 4. Section 23617.5 of the Revenue and Taxation Code is amended to read:

23617.5. (a) For each taxable year beginning on or after January 1, 1995, and before January 1, 2007, there shall be allowed as a credit against the ''tax'' (as defined by Section 23036) an amount equal to the amount determined in subdivision (b).

(b) (1) The amount of the credit allowed by this section shall be 30 percent of the cost paid or incurred by the taxpayer for contributions to a qualified care plan made on behalf of any qualified dependent of the taxpayer's qualified employee.

(2) The amount of the credit allowed by this section in any taxable year shall not exceed three hundred sixty dollars ($360) for each qualified dependent.

(c) For purposes of this section:

(1) ''Qualified care plan'' means a plan providing qualified care.

(2) ''Qualified care'' includes, but is not limited to, onsite service, center-based service, in-home care or home-provider care, and a dependent care center as defined by Section 21(b)(2)(D) of the Internal Revenue Code that is a specialized center with respect to short-term illnesses of an employee's dependents. ''Qualified care'' must be provided in this state under the authority of a license when required by California law.

(3) ''Specialized center'' means a facility that provides care to mildly ill children and that may do all of the following:

(A) Be staffed by pediatric nurses and day care workers.

(B) Admit children suffering from common childhood ailments (including colds, flu, and chickenpox).

(C) Make special arrangements for well children with minor problems associated with diabetes, asthma, breaks or sprains, and recuperation from surgery.

(D) Separate children according to their illness and symptoms in order to protect them from cross-infection.

(4) ''Contributions'' include direct payments to child care programs or providers. ''Contributions'' do not include amounts contributed to a qualified care plan pursuant to a salary reduction agreement to provide benefits under a dependent care assistance program within the meaning of Section 129 of the Internal Revenue Code, as applicable, for purposes of Part 10 (commencing with Section 17001) and this part.

(5) ''Qualified employee'' means any employee of the taxpayer who is performing services for the taxpayer in this state, within the meaning of Section 25133, during the period in which the qualified care is performed.

(6) ''Employee'' includes an individual who is an employee within the meaning of Section 401(c)(1) of the Internal Revenue Code (relating to self-employed individuals).

(7) ''Qualified dependent'' means any dependent of a qualified employee who is under the age of 12 years.

(d) If an employer makes contributions to a qualified care plan and also collects fees from parents to support a child care facility owned and operated by the employer, no credit shall be allowed under this section for contributions in the amount, if any, by which the sum of the contributions and fees exceed the total cost of providing care. The Franchise Tax Board may require information about fees collected from parents of children served in the facility from taxpayers claiming credits under this section.

(e) If the duration of the child care received is less than 42 weeks, the employer shall claim a prorated portion of the allowable credit. The employer shall prorate the credit using the ratio of the number of weeks of care received divided by 42 weeks.

(f) If the credit allowed under this section exceeds the ''tax,'' the excess may be carried over to reduce the ''tax'' in the following year, and succeeding years if necessary, until the credit has been exhausted.

(g) The credit shall not be available to an employer if the care provided on behalf of an employee is provided by an individual who:

(1) Qualifies as a dependent of that employee or that employee's spouse under subdivision (d) of Section 17054.

(2) Is (within the meaning of Section 17056) a son, stepson, daughter, or stepdaughter of that employee and is under the age of 19 at the close of that taxable year.

(h) The contributions to a qualified care plan shall not discriminate in favor of employees who are officers, owners, or highly compensated, or their dependents.

(i) No deduction shall be allowed as otherwise provided in this part for that portion of expenses paid or incurred for the taxable year that is equal to the amount of the credit allowed under this section.

(j) If the credit is taken by an employer for contributions to a qualified care plan that is used at a facility owned by the employer, the basis of that facility shall be reduced by the amount of the credit. The basis adjustment shall be made for the taxable year for which the credit is allowed.

(k) This section shall remain in effect only until December 1, 2007, and as of that date is repealed.

SEC. 5. This act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect.

———

CHAPTER 651

An act to amend Sections 4504, 5246, and 17500 of, and to add Section 17400.5 to, the Family Code, and to amend Section 19271 of the Revenue and Taxation Code, relating to child support.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 4504 of the Family Code is amended to read:

4504. (a) If the noncustodial parent is receiving payments from the federal government pursuant to the Social Security Act or Railroad Retirement Act, or from the Department of Veterans Affairs because of the retirement or disability of the noncustodial parent and the noncustodial parent notifies the custodial person, or notifies the local child support agency in a case being enforced by the local child support agency pursuant to Title IV-D of the Social Security Act, then the custodial parent or other child support obligee shall contact the appropriate federal agency within 30 days of receiving notification that the noncustodial parent is receiving those payments to verify eligibility for each child to receive payments from the federal government because of the disability of the noncustodial parent. If the child is potentially eligible for those payments, the custodial parent or other child support obligee shall apply for and cooperate with the appropriate federal agency for the receipt of those benefits on behalf of each child. The noncustodial parent shall cooperate with the custodial parent or other child support obligee in making that application and shall provide any information necessary to complete the application.

(b) If the court has ordered a noncustodial parent to pay for the support of a child, payments for the support of the child made by the federal government pursuant to the Social Security Act or Railroad Retirement Act, or by the Department of Veterans Affairs because of the retirement or disability of the noncustodial parent and received by the custodial parent or other child support obligee each month shall be credited toward the amount ordered by the court to be paid for that month by the noncustodial parent for support of the child unless the payments made by the federal government were taken into consideration by the court in determining the amount of support to be paid. If a lump-sum payment which represents payments for more than one month is received by the custodial parent or other child support obligee, credit shall be given for each month for which the lump-sum payment was made.

(c) If the custodial parent or other child support obligee refuses to apply for those benefits or fails to cooperate with the appropriate federal

agency in completing the application but the child or children otherwise are eligible to receive those benefits, the noncustodial parent shall be credited toward the amount ordered by the court to be paid for that month by the noncustodial parent for support of the child or children in the amount of payment that the child or children would have received that month had the custodial parent or other child support obligee completed an application for the benefits if the noncustodial parent provides evidence to the local child support agency indicating the amount the child or children would have received. The credit for those payments shall continue until the child or children would no longer be eligible for those benefits or the order for child support for the child or children is no longer in effect, whichever occurs first.

SEC. 2. Section 5246 of the Family Code is amended to read:

5246. (a) This section applies only to Title IV-D cases where support enforcement services are being provided by the local child support agency pursuant to Section 17400.

(b) In lieu of an earnings assignment order signed by a judicial officer, the local child support agency may serve on the employer a notice of assignment in the manner specified in Section 5232. An order/notice to withhold income for child support shall have the same force and effect as an earnings assignment order signed by a judicial officer. An order/notice to withhold income for child support, when used under this section, shall be considered a notice and shall not require the signature of a judicial officer.

(c) Pursuant to Section 666 of Title 42 of the United States Code, the federally mandated order/notice to withhold income for child support shall be used for the purposes described in this section.

(d) (1) An order/notice to withhold income may not reduce the current amount withheld for court-ordered child support.

(2) If the underlying court order for support does not provide for an arrearage payment, or if an additional arrearage accrues after the date of the court order for support, the local child support agency may send an order/notice to withhold income for child support that shall be used for the purposes described in this section directly to the employer which specifies the updated arrearage amount and directs the employer to withhold an additional amount to be applied towards liquidation of the arrearages not to exceed the maximum amount permitted by Section 1673(b) of Title 15 of the United States Code.

(3) Notwithstanding paragraph (2), if an obligor is disabled, meets the SSI resource test, and is receiving Supplemental Security Income/State Supplementary Payments (SSI/SSP) or, but for excess income as described in Section 416.1100 et seq. of Part 416 of Title 20 of the Code of Federal Regulations, would be eligible to receive SSI/SSP, pursuant to Section 12200 of the Welfare and Institutions

Code, and the obligor has supplied the local child support agency with proof of his or her eligibility for and, if applicable, receipt of, SSI/SSP or Social Security Disability Insurance benefits, then the order/notice to withhold income issued by the local child support agency for the liquidation of the arrearage shall not exceed 5 percent of the obligor's total monthly Social Security Disability payments under Title II of the Social Security Act.

(e) If the obligor requests a hearing, a hearing date shall be scheduled within 20 days of the filing of the request with the court. The clerk of the court shall provide notice of the hearing to the local child support agency and the obligor no later than 10 days prior to the hearing.

(1) If at the hearing the obligor establishes that he or she is not the obligor or good cause or an alternative arrangement as provided in Section 5260, the court may order that service of the order/notice to withhold income for child support be quashed. If the court quashes service of the order/notice to withhold income for child support, the local child support agency shall notify the employer within 10 days.

(2) If the obligor contends at the hearing that the payment of arrearages at the rate specified in the order/notice to withhold income for child support is excessive or that the total arrearages owing is incorrect, and if it is determined that payment of the arrearages at the rate specified in this section creates an undue hardship upon the obligor or that the withholding would exceed the maximum amount permitted by Section 1673(b) of Title 15 of the United States Code Annotated, the rate at which the arrearages must be paid shall be reduced to a rate that is fair and reasonable considering the circumstances of the parties and the best interest of the child. If it is determined at a hearing that the total amount of arrearages calculated is erroneous, the court shall modify the amount calculated to the correct amount. If the court modifies the total amount of arrearages owed or reduces the monthly payment due on the arrearages, the local child support agency shall serve the employer with an amended order/notice to withhold income for child support within 10 days.

(f) If an obligor's current support obligation has terminated by operation of law, the local child support agency may serve an order/notice to withhold income for child support on the employer which directs the employer to continue withholding from the obligor's earnings an amount to be applied towards liquidation of the arrearages, not to exceed the maximum amount permitted by Section 1673(b) of Title 15 of the United States Code, until such time that the employer is notified by the local child support agency that the arrearages have been paid in full. The employer shall provide the obligor with a copy of the order/notice to withhold income for child support and a blank form that the obligor may file with the court to request a hearing to modify or quash

the assignment with instructions on how to file the form and obtain a hearing date. The obligor shall be entitled to the same rights to a hearing as specified in subdivision (e).

(g) The local child support agency shall retain a copy of the order/notice to withhold income for child support and shall file a copy with the court whenever a hearing concerning the order/notice to withhold income for child support is requested.

(h) The local child support agency may transmit an order/notice to withhold income for child support and other forms required by this section to the employer through electronic means.

SEC. 3. Section 17400.5 is added to the Family Code, to read:

17400.5. If an obligor has an ongoing child support order being enforced by a local child support pursuant to Title IV-D of the Social Security Act and the obligor is disabled, meets the SSI resource test, and is receiving Supplemental Security Income/State Supplemental Payments (SSI/SSP) or, but for excess income as described in Section 416.1100 et seq. of Part 416 of Title 20 of the Code of Federal Regulations, would be eligible to receive as SSI/SSP, pursuant to Section 12200 of the Welfare and Institutions Code, and the obligor has supplied the local child support agency with proof of his or her eligibility for, and, if applicable, receipt of, SSI/SSP or Social Security Disability Insurance benefits, then the local child support agency shall prepare and file a motion to modify the support obligation within 30 days of receipt of verification from the noncustodial parent or any other source of the receipt of SSI/SSP or Social Security Disability Insurance benefits. The local child support agency shall serve the motion on both the noncustodial parent and custodial person and any modification of the support order entered pursuant to the motion shall be effective as provided in Section 3653 of the Family Code.

SEC. 4. Section 17500 of the Family Code is amended to read:

17500. (a) In carrying out its obligations under Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.), the local child support agency shall have the responsibility for promptly and effectively collecting and enforcing child support obligations.

(b) The local child support agency is the public agency responsible for administering wage withholding for the purposes of Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.).

(c) Except as provided in paragraph (3) of subdivision (e) of Section 19271 of the Revenue and Taxation Code, the local child support agency shall transfer child support delinquencies to the Franchise Tax Board for collection purposes in the form and manner and at the time prescribed by the Franchise Tax Board. Collection shall be made by the Franchise Tax Board in accordance with Section 19271 of the Revenue and Taxation Code. For purposes of this subdivision, ''child support

delinquency'' means an arrearage or otherwise past due amount that accrues when an obligor fails to make any court-ordered support payment when due, which is more than 60 days past due, and the aggregate amount of which exceeds one hundred dollars ($100).

(1) If a child support delinquency exists at the time a case is opened by the local child support agency, the responsibility for the collection of the child support delinquency shall be transferred to the Franchise Tax Board no later than 30 days after receipt of the case by the local child support agency.

(2) The transfer of child support delinquencies required by this subdivision is in support of the local child support agency for purposes of efficient and effective child support enforcement and shall not in any manner transfer any responsibilities the local child support agency may have and any responsibilities the Department of Child Support Services may have as the Title IV-D agency.

SEC. 5. Section 19271 of the Revenue and Taxation Code is amended to read:

19271. (a) (1) For purposes of this article:

(A) ''Child support delinquency'' means a delinquency defined in subdivision (c) of Section 17500 of the Family Code.

(B) ''Earnings'' may include the items described in Section 5206 of the Family Code.

(2) At least 20 days prior to the date that the Franchise Tax Board commences collection action under this article, the Franchise Tax Board shall mail notice of the amount due to the obligated parent at the last known address and advise the obligated parent that failure to pay will result in collection action. If the obligated parent disagrees with the amount due, the obligated parent shall be instructed to contact the local child support agency to resolve the disagreement.

(b) (1) (A) Except as otherwise provided in subparagraph (B), when a delinquency is transferred to the Franchise Tax Board pursuant to subdivision (c) of Section 17500 of the Family Code, the amount of the child support delinquency shall be collected by the Franchise Tax Board in any manner authorized under the law for collection of a delinquent personal income tax liability. Notwithstanding Sections 5208 and 5246 of the Family Code, the issuance of an order and levy under Article 4 (commencing with Section 706.070) of Chapter 5 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure in the manner provided for earnings withholding orders for taxes is hereby authorized until the California Child Support Automation System is operational in all 58 California counties. When the California Child Support Automation System is operational in all 58 counties, any levy or other withholding of earnings of an employee by the Franchise Tax Board to collect an amount pursuant to this section shall be made in accordance with

Sections 5208 and 5246 of the Family Code. Any other law providing for the collection of a delinquent personal income tax liability shall apply to any child support delinquency transferred to the Franchise Tax Board in the same manner and with the same force and effect and to the full extent as if the language of those laws had been incorporated in full into this article, except to the extent that any provision is either inconsistent with a provision of this article or is not relevant to this article.

(B) When a delinquency is transferred to the Franchise Tax Board, or at any time thereafter, if the obligated parent owes a delinquent personal income tax liability, the Franchise Tax Board shall not engage in, or shall cease, any involuntary collection action to collect the delinquent personal income tax liability, until the child support delinquency is paid in full. At any time, however, the Franchise Tax Board may mail any other notice to the taxpayer for voluntary payment of the delinquent personal income tax liability if the Franchise Tax Board determines that collection of the delinquent personal income tax liability will not jeopardize collection of the child support delinquency. However, the Franchise Tax Board may engage in the collection of a delinquent personal income tax liability if the obligor has entered into a payment agreement for the child support delinquency and is in compliance with that agreement, and the Franchise Tax Board determines that collection of the delinquent personal income tax liability would not jeopardize payments under the child support payment agreement.

(C) For purposes of subparagraph (B):

(i) ''Involuntary collection action'' includes those actions authorized by Section 18670, 18670.5, 18671, or 19264, by Article 3 (commencing with Section 19231), or by Chapter 5 (commencing with Section 706.010) of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure.

(ii) ''Delinquent personal income tax liability'' means any taxes, additions to tax, penalties, interest, fees, or other related amounts due and payable under Part 10 (commencing with Section 17001) or this part.

(iii) ''Voluntary payment'' means any payment made by obligated parents in response to any notice for voluntary payment mailed by the Franchise Tax Board.

(2) Any compensation, fee, commission, expense, or any other fee for service incurred by the Franchise Tax Board in the collection of a child support delinquency authorized under this article shall not be an obligation of, or collected from, the obligated parent. A transferred child support delinquency shall be final and due and payable to the State of California upon written notice to the obligated parent by the Franchise Tax Board.

(3) For purposes of administering this article:

(A) This chapter and Chapter 7 (commencing with Section 19501) shall apply, except as otherwise provided by this article.

(B) Any services, information, or enforcement remedies available to a local child support agency or the Title IV-D agency in collecting child support delinquencies or locating absent or noncustodial parents shall be available to the Franchise Tax Board for purposes of collecting child support delinquencies under this article, including, but not limited to, any information that may be disclosed by the Franchise Tax Board to the California Parent Locator Service under Section 19548. However, in no event shall the Franchise Tax Board take any additional enforcement remedies if a court has ordered an obligor to make scheduled payments on a child support arrearages obligation and the parent is in compliance with that order.

(C) A request by the Franchise Tax Board for information from a financial institution shall be treated in the same manner and to the same extent as a request for information from a local child support agency referring to a support order pursuant to Section 17400 of the Family Code for purposes of Chapter 20 (commencing with Section 7460) of Division 7 of Title 1 of the Government Code (relating to governmental access to financial records), notwithstanding any other provision of law which is inconsistent or contrary to this paragraph.

(D) The amount to be withheld in an order and levy to collect child support delinquencies under Article 4 (commencing with Section 706.070) of Chapter 5 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure is the amount required to be withheld pursuant to an earnings withholding order for support under Section 706.052 of the Code of Civil Procedure.

(E) Nothing in this article shall be construed to modify the tax intercept provisions of Article 8 (commencing with Section 708.710) of Chapter 6 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure.

(c) Interest on the delinquency shall be computed pursuant to Section 685.010 of the Code of Civil Procedure.

(d) (1) In no event shall a collection under this article be construed to be a payment of income taxes imposed under this part.

(2) In the event an obligated parent overpays a liability imposed under this part, the overpayment shall not be credited against any delinquency collected pursuant to this article. In the event an overpayment of a liability imposed under this part is offset and distributed to a local child support agency pursuant to Sections 12419.3 and 12419.5 of the Government Code or Section 708.740 of the Code of Civil Procedure, and thereby reduces the amount of the referred delinquency, the local child support agency shall immediately notify the Franchise Tax Board of that reduction, unless the Franchise Tax Board directs otherwise.

(e) (1) The Franchise Tax Board shall administer this article, in conjunction with regulations adopted by the Department of Child Support Services in consultation with the Franchise Tax Board, including those set forth in Section 17306 of the Family Code.

(2) The Franchise Tax Board may transfer to or allow a local child support agency to retain a child support delinquency for a specified purpose for collection where the Franchise Tax Board determines, pursuant to regulations established by the Department of Child Support Services, that the transfer or retention of the delinquency for the purpose so specified will enhance the collectibility of the delinquency. The Franchise Tax Board, with the concurrence of the Department of Child Support Services, shall establish a process whereby a local child support agency may request and shall be allowed to withdraw, rescind, or otherwise recall the transfer of an account that has been transferred to the Franchise Tax Board.

(3) If an obligor is disabled, meets the SSI resource test, and is receiving Supplemental Security Income/State Supplementary Payments (SSI/SSP), or, but for excess income as described in Section 416.1100 et seq. of Part 416 of Title 20 of the Code of Federal Regulations, would be eligible to receive as Supplemental Security Income/State Supplementary Payments (SSI/SSP), pursuant to Section 12200 of the Welfare and Institutions Code, and the obligor has supplied the local child support agency with proof of his or her eligibility for, and, if applicable, receipt of, SSI/SSP or Social Security Disability Insurance benefits, then the child support delinquency shall not be referred to the Franchise Tax Board for collection, and if referred, shall be withdrawn, rescinded, or otherwise recalled from the Franchise Tax Board by the local child support agency. The Franchise Tax Board shall not take any collection action, or if the agency has already taken collection action, shall cease collection actions in the case of a disabled obligor when the delinquency is withdrawn, rescinded, or otherwise recalled by the local child support agency in accordance with the process established as described in paragraph (2).

(f) Except as otherwise provided in this article, any child support delinquency transferred to the Franchise Tax Board pursuant to this article shall be treated as a child support delinquency for all other purposes, and any collection action by the local child support agency or the Franchise Tax Board with respect to any delinquency referred pursuant to this article shall have the same priority against attachment, execution, assignment, or other collection action as is provided by any other provision of state law.

(g) Except as otherwise specifically provided in subparagraph (B) of paragraph (1) of subdivision (b), the child support collection activities authorized by this article shall not interfere with the primary mission of

the Franchise Tax Board to fairly and efficiently administer the Revenue and Taxation Code for which it is responsible.

(h) Information disclosed to the Franchise Tax Board shall be considered information that may be disclosed by the Franchise Tax Board under the authority of Section 19548 and may be disseminated by the Franchise Tax Board accordingly for the purposes specified in Sections 17505 and 17506 of the Family Code (in accordance with, and to the extent permitted by, Section 17514 of the Family Code and any other state or federal law).

(i) A local child support agency may not apply to the Department of Child Support Services for an exemption from the transfer of responsibilities and authorities to the Franchise Tax Board under the Family Code or participation under Section 19271.6.

(j) Except in those cases meeting the specified circumstances described in the regulations or in accordance with the processes prescribed in paragraphs (2) and (3) of subdivision (e), a local child support agency shall not request or be allowed to retain, withdraw, rescind, or otherwise recall the transfer of a child support delinquency transferred to the Franchise Tax Board.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 652

An act to amend Sections 11320.1, 11322.9, and 11454 of the Welfare and Institutions Code, relating to public social services.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 11320.1 of the Welfare and Institutions Code is amended to read:

11320.1. Subsequent to the commencement of the receipt of aid under this chapter, the sequence of employment related activities

required of participants under this article, unless exempted under Section 11320.3, shall be as follows:

(a) Job search. Recipients shall, and applicants may, at the option of a county and with the consent of the applicant, receive orientation to the welfare-to-work program provided under this article, receive appraisal pursuant to Section 11325.2, and participate in job search and job club activities provided pursuant to Section 11325.22.

(b) Assessment. If employment is not found during the period provided for pursuant to subdivision (a), or at any time the county determines that participation in job search for the period specified in subdivision (a) of Section 11325.22 is not likely to lead to employment, the participant shall be referred to assessment, as provided for in Section 11325.4. Following assessment, the county and the participant shall develop a welfare-to-work plan, as specified in Section 11325.21. The plan shall specify the activities provided for in Section 11322.6 to which the participant shall be assigned, and the supportive services, as provided for pursuant to Section 11323.2, with which the recipient will be provided.

(c) Work activities. A participant who has signed a welfare-to-work plan pursuant to Section 11325.21 shall participate in work activities until he or she has received aid for the period specified in subdivision (a) of Section 11454. If, after the period specified in paragraph (1) of subdivision (a) of Section 11454, the participant has not obtained unsubsidized employment, the county may extend the welfare-to-work plan by up to six months if the county determines that the extension is likely to lead to unsubsidized employment or if local unemployment or other conditions in the local economy are such that employment is not available. If a recipient has received aid for the period specified in subdivision (a) of Section 11454 and returns to aid after a break in aid of at least one month, the county shall determine whether to require the recipient to participate in welfare-to-work activities or in community service.

(d) Community service.

(1) If a participant has received aid for the period specified in subdivision (a) of Section 11454, and the participant has not found unsubsidized employment sufficient to meet the hours of participation required by Section 11322.8 and the county has certified that no job is available for that participant, the participant shall remain eligible for aid under this chapter only if he or she participates in community service activities pursuant to Section 11322.9, or the United States Department of Labor welfare-to-work grant program community service or work experience activities pursuant to Section 403(a)(5)(C)(i) of the Social Security Act (42 U.S.C. Sec. 603(a)(5)(C)(i)) for sufficient hours to meet the participation requirements of Section 11322.8.

(2) The county shall provide community service activities assignments as described in Section 11322.9.

(3) An individual may participate in community service activities until he or she has received aid for a total of 60 months.

SEC. 2. Section 11322.9 of the Welfare and Institutions Code is amended to read:

11322.9. (a) In accordance with the requirements of this section:

(1) Counties may provide for community service activities for individuals who have not completed the period specified in subdivision (a) of Section 11454 and are not employed in unsubsidized employment, sufficient to meet the hours of participation required by Section 11322.8.

(2) Counties shall provide for community service activities or the United States Department of Labor welfare-to-work grant program community service or work experience activities pursuant to Section 403(a)(5)(C)(i) of the Social Security Act (42 U.S.C. Sec. 603(a)(5)(C)(i)) for individuals who have completed the period as specified in subdivision (a) of Section 11454, who cannot find unsubsidized employment sufficient to meet the hours of participation required by Section 11322.8, and the county certifies that no job is currently available to fulfill the hours required by Section 11322.8, and who continue to meet the financial eligibility criteria for aid under this chapter.

(b) Community service activities shall meet all of the following criteria:

(1) Be performed in the public and private nonprofit sector.

(2) Provide participants with job skills that can lead to unsubsidized employment.

(3) Comply with the antidisplacement provisions contained in Section 11324.6.

(c) Participants in community service activities shall do all of the following:

(1) Participate in a community service activity for the number of hours required by Section 11322.8, unless fewer hours of community service participation are required by federal law.

(2) Participate in other work activities for the number of hours equal to the difference between the hours of participation in community service and the number of hours of participation required under Section 11322.8.

(d) The county plan pursuant to Section 10531 shall include a component, developed by the county in collaboration with local private sector employers, local education agencies, county welfare departments, organized labor, recipients of aid under this chapter, and government and community-based organizations providing job training and economic development, in order to identify all of the following:

(1) Unmet community needs that could be met through community service activities.

(2) The target population to be served.

(3) Entities responsible for project development, fiscal administration, and case management services.

(4) The terms of community service activities, that, to the extent feasible, shall be temporary and transitional, and not permanent.

(5) Supportive efforts, including job search, education, and training, which shall be provided to participants in community service activities.

(6) If the county intends to include grant-based on-the-job training in its community service plan, the process by which the county will comply with the voluntary consent form requirement established in subdivision (f) of Section 11322.6, including a list of the languages in which the consent form will be available.

(e) Aid under this chapter for any participant who fails to comply with the requirements of this section without good cause shall be reduced in accordance with Section 11327.5.

(f) Child care as a supportive service shall be provided to participants in community service activities pursuant to Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code, and Section 11323.2. Other supportive services may be provided by the county at the county's option. However, if the county does not provide mental health services pursuant to Section 11325.7, the county shall indicate in its county plan under Chapter 1.3 (commencing with Section 10530) how mental health services needed by participants will be made available during participation in a community service job.

SEC. 3. Section 11454 of the Welfare and Institutions Code is amended to read:

11454. (a) (1) Except as otherwise provided in this chapter and in paragraph (2), a parent or caretaker relative shall not be eligible to receive aid for a cumulative period of more than 18 months after the individual signs, or refuses, without good cause, to sign a welfare-to-work plan, unless it is certified by the county that there is no job currently available for the recipient and the recipient participates in community service activities, pursuant to Section 11322.9, or the United States Department of Labor welfare-to-work grant program community service or work experience activities pursuant to Section 403(a)(5)(C)(i) of the Social Security Act (42 U.S.C. Sec. 603(a)(5)(C)(i)) for sufficient hours to meet the participation requirements of Section 11322.8.

(2) A parent or caretaker relative recipient who is subject to the requirements of paragraph (2) of subdivision (c) of Section 10532 shall not be eligible to receive aid under this chapter for a cumulative period of more than 24 months, unless it is certified by the county that there is no job currently available for the recipient and the recipient participates

in community service activities pursuant to Section 11322.9, or the United States Department of Labor welfare-to-work grant program community service or work experience activities pursuant to Section 403(a)(5)(C)(i) of the Social Security Act (42 U.S.C. Sec. 603(a)(5)(C)(i)) for sufficient hours to meet the participation requirements of Section 11322.8.

(3) For purposes of this subdivision, a job shall not be considered to be currently available if a recipient has taken and continues to take all steps to apply for appropriate positions and has not refused an offer of employment without good cause.

(4) A parent or caretaker relative recipient to whom paragraph (1) or (2) applies, who is in a job for less than the number of hours required by Section 11322.8, and for whom no job is currently available for the required number of hours, shall remain eligible for aid under this chapter and shall participate in community service activities or the United States Department of Labor welfare-to-work grant program community service or work experience activities pursuant to Section 403(a)(5)(C)(i) of the Social Security Act (42 U.S.C. Sec. 603(a)(5)(C)(i)) for the additional number of hours necessary to meet the requirements of Section 11322.8.

(b) A parent or caretaker relative shall not be eligible for aid under this chapter when he or she has received aid under this chapter or from any state under the Temporary Assistance for Needy Families program (Part A (commencing with Section 401) of Title IV of the federal Social Security Act (42 U.S.C. Sec. 601 et seq.) for a cumulative total of 60 months.

(c) No month in which aid has been received prior to January 1, 1998, shall be taken into consideration in computing the 18-month, 24-month, or 60-month limitation provided for in subdivision (a) or (b).

(d) Each county shall adopt criteria for extending the 18-month limitation prescribed by subdivision (a) for up to six months if the extension is likely to result in unsubsidized employment or if local unemployment rates or other conditions in the local economy are such that employment is not available.

(e) Subdivision (b) shall not be applicable when all parent or caretaker relatives of the aided child who are living in the home of the child meet any of the following requirements:

(1) They are 60 years of age or older.

(2) They meet one of the conditions specified in paragraph (4) or (5) of subdivision (b) of Section 11320.3.

(3) They are not included in the assistance unit.

(4) They are receiving benefits under Section 12200 or Section 12300, State Disability Insurance benefits or Workers' Compensation Temporary Disability Insurance, if the disability significantly impairs

the recipient's ability to be regularly employed or participate in welfare-to-work activities.

(5) They are incapable of maintaining employment or participating in welfare-to-work activities, as determined by the county, based on the assessment of the individual and the individual has a history of participation and full cooperation in welfare-to-work activities.

SEC. 4. (a) Notwithstanding the provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, through June 2002, the State Department of Social Services may implement the amendments to Sections 11320.1 and 11454 of the Welfare and Institutions Code contained in this act through county letters or similar instructions from the director.

(b) The director shall adopt regulations, as otherwise necessary, to implement the applicable provisions of the act no later than October 1, 2002.

SEC. 5. No appropriation pursuant to Section 15200 of the Welfare and Institutions Code shall be made for the purpose of funding the amendments made to Sections 11320.1 and 11454 of the Welfare and Institutions Code by this act.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 653

An act to amend Sections 1505, 1521.5, 1521.6, and 1525.5 of the Health and Safety Code, to amend Section 11105.2 of the Penal Code, and to amend Sections 309, 319, 361.2, 361.3, 361.5, 366, 366.1, 727, 11400, 11401, 11402, 11461, 16504.5, 16507.5, and 16518 of, and to add Section 362.7 to, the Welfare and Institutions Code, relating to foster care, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature to continue to promote the successful implementation of the statutory preference for foster care placement with relative caregivers as set forth in Section 7950 of the Family Code. Placement of a child with a relative caregiver most closely meets the statutory requirement of Section 16000 of the Welfare and Institutions Code that a child live in the least restrictive and most familylike setting possible. California's clear mandate for an exhaustive search for available relatives and primary consideration of these relatives for placement is in accord with federal Title IV-E requirements that the ''State shall consider giving preference to an adult relative over a nonrelated caregiver when determining placement for a child.''

The intent of the Legislature is to clarify that California's relative caregiver approval process employs the same standards used to license foster care homes in accordance with the federal Adoption and Safe Families Act of 1997, (P.L. 105-89), and, therefore, California's compliance entitles it to continuous Title IV-E foster care maintenance and administration payments.

SEC. 2. Section 1505 of the Health and Safety Code is amended to read:

1505. This chapter does not apply to any of the following:

(a) Any health facility, as defined by Section 1250.

(b) Any clinic, as defined by Section 1202.

(c) Any juvenile placement facility approved by the California Youth Authority or any juvenile hall operated by a county.

(d) Any place in which a juvenile is judicially placed pursuant to subdivision (a) of Section 727 of the Welfare and Institutions Code.

(e) Any child day care facility, as defined in Section 1596.750.

(f) Any facility conducted by and for the adherents of any well-recognized church or religious denomination for the purpose of providing facilities for the care or treatment of the sick who depend upon prayer or spiritual means for healing in the practice of the religion of the church or denomination.

(g) Any school dormitory or similar facility determined by the department.

(h) Any house, institution, hotel, homeless shelter, or other similar place that supplies board and room only, or room only, or board only, provided that no resident thereof requires any element of care as determined by the director.

(i) Recovery houses or other similar facilities providing group living arrangements for persons recovering from alcoholism or drug addiction where the facility provides no care or supervision.

(j) Any alcoholism or drug abuse recovery or treatment facility as defined by Section 11834.11.

(k) Any arrangement for the receiving and care of persons by a relative or any arrangement for the receiving and care of persons from only one family by a close friend of the parent, guardian, or conservator, if the arrangement is not for financial profit and occurs only occasionally and irregularly, as defined by regulations of the department. For purposes of this chapter, arrangements for the receiving and care of persons by a relative shall include relatives of the child for the purpose of keeping sibling groups together.

(*l*) (1) Any home of a relative caregiver of children who are placed by a juvenile court, supervised by the county welfare or probation department, and the placement of whom is approved according to subdivision (d) of Section 309 of the Welfare and Institutions Code.

(2) Any home of a nonrelative extended family member, as described in Section 362.7 of the Welfare and Institutions Code, providing care to children who are placed by a juvenile court, supervised by the county welfare or probation department, and the placement of whom is approved according to subdivision (d) of Section 309 of the Welfare and Institutions Code.

(m) Any supported living arrangement for individuals with developmental disabilities as defined in Section 4689 of the Welfare and Institutions Code.

(n) (1) Any family home agency or family home, as defined in Section 4689.1 of the Welfare and Institutions Code, that is vendored by the State Department of Developmental Services and that does either of the following:

(A) As a family home approved by a family home agency, provides 24-hour care for one or two adults with developmental disabilities in the residence of the family home provider or providers and the family home provider or providers' family, and the provider is not licensed by the State Department of Social Services or the State Department of Health Services or certified by a licensee of the State Department of Social Services or the State Department of Health Services.

(B) As a family home agency, engages in recruiting, approving, and providing support to family homes.

(2) No part of this subdivision shall be construed as establishing by implication either a family home agency or family home licensing category.

(o) Any facility in which only Indian children who are eligible under the federal Indian Child Welfare Act, Chapter 21 (commencing with Section 1901) of Title 25 of the United States Code are placed and that is one of the following:

(1) An extended family member of the Indian child, as defined in Section 1903 of Title 25 of the United States Code.

(2) A foster home that is licensed, approved, or specified by the Indian child's tribe pursuant to Section 1915 of Title 25 of the United States Code.

(p) Any housing for elderly or disabled persons, or both, that is approved and operated pursuant to Section 202 of Public Law 86-372 (12 U.S.C.A. Sec. 1701g), or Section 811 of Public Law 101-625 (42 U.S.C.A. Sec. 8013), or whose mortgage is insured pursuant to Section 236 of Public Law 90-448 (12 U.S.C.A. Sec. 1715z), or that receives mortgage assistance pursuant to Section 221d (3) of Public Law 87-70 (12 U.S.C.A. Sec. 17151), where supportive services are made available to residents at their option, as long as the project owner or operator does not contract for or provide the supportive services. The project owner or operator may coordinate, or help residents gain access to, the supportive services, either directly, or through a service coordinator.

(q) Any similar facility determined by the director.

SEC. 3. Section 1521.5 of the Health and Safety Code is amended to read:

1521.5. (a) The county welfare director shall, prior to the issuance of any foster family home license, ensure that the county licensing staff, or the placement staff, conducts one or more in-home interviews with the prospective foster parent sufficient to collect information on caregiver qualifications that may be used by the placement agency to evaluate the ability, willingness, and readiness of the prospective foster parent to meet the varying needs of children. The inability of a prospective foster parent to meet the varying needs of children, shall not, in and of itself, preclude a prospective foster parent from obtaining a foster family home license. In counties in which the county has not contracted with the state to license foster family homes, the in-home interview shall be done by the placement agency.

(b) All in-home interviews required by this section shall be on an in-person basis.

(c) If the in-home interview is conducted by the licensing agency, it shall be a part of the licensing record, and shall be shared with the placement agency pursuant to subdivision (e) of Section 1798.24 of the Civil Code.

(d) The in-home interview required by this section shall be completed no later than 120 days following notification by the licensing agency.

(e) No license shall be issued unless an in-home interview has been conducted as required by this section.

SEC. 4. Section 1521.6 of the Health and Safety Code is amended to read:

1521.6. (a) The Legislature recognizes the importance of ensuring that prospective foster family homes meet specified health and safety requirements. Moreover, the Legislature acknowledges that there is a further need to evaluate a licensed foster parent's ability, readiness, and willingness to meet the varying needs of children, including hard-to-place children, in order to ensure competent placement resources. Therefore, it is the intent of the Legislature that the State Department of Social Services, in consultation with county placement agencies, foster care providers, and other interested parties, develop and implement through regulations, a comprehensive home study process that integrates the decision outcome of the home study developed pursuant to Section 16518 of the Welfare and Institutions Code, as a criteria for placement.

(b) This section shall become inoperative on the date the regulations adopted pursuant to this section are filed with the Secretary of State.

SEC. 5. Section 1525.5 of the Health and Safety Code is amended to read:

1525.5. (a) The director may issue provisional licenses to operate community care facilities for facilities which the director determines are in substantial compliance with the provisions of this chapter and the rules and regulations adopted pursuant thereto, provided, that no life safety risks are involved, as determined by the director. In determining whether any life safety risks are involved, the director shall require completion of all applicable fire clearances and criminal record clearances as otherwise required by the department's rules and regulations. The provisional license shall expire six months from the date of issuance, or at any earlier time as the director may determine, and may not be renewed. However, the director may extend the term of a provisional license for an additional six months at time of application, if it is determined that more than six months will be required to achieve full compliance with licensing standards due to circumstances beyond the control of the applicant, provided all other requirements for a license have been met.

(b) This section shall not apply to foster family homes.

SEC. 6. Section 11105.2 of the Penal Code is amended to read:

11105.2. (a) The Department of Justice may provide subsequent arrest notification to any agency authorized by Section 11105 to receive state summary criminal history information to assist in fulfilling employment, licensing, certification duties, or the duties of approving relative caregivers and nonrelative extended family members, upon the arrest of any person whose fingerprints are maintained on file at the Department of Justice as the result of an application for licensing, employment, certification, or approval. The notification shall consist of a current copy of the person's state summary criminal history transcript.

(b) For purposes of this section, ''approval'' means those duties described in subdivision (d) of Section 309 of the Welfare and Institutions Code for approving the home of a relative caregiver or of a nonrelative extended family member for placement of a child supervised by the juvenile court.

(c) Any agency, other than a law enforcement agency employing peace officers as defined in Section 830.1, subdivisions (a) and (e) of Section 830.2, subdivision (a) of Section 830.3, subdivisions (a) and (b) of Section 830.5, and subdivision (a) of Section 830.31, shall enter into a contract with the Department of Justice in order to receive notification of subsequent arrests for licensing, employment, or certification purposes.

(d) Any agency which submits the fingerprints of applicants for licensing, employment, certification, or approval to the Department of Justice for the purpose of establishing a record of the applicant to receive notification of subsequent arrests shall immediately notify the department when the employment of the applicant is terminated, when the applicant's license or certificate is revoked, when the applicant may no longer renew or reinstate the license or certificate, or when a relative caregiver's or nonrelative extended family member's approval is terminated. The Department of Justice shall terminate subsequent arrest notification on any applicant upon the request of the licensing, employment, certifying, or approving authority.

(e) Any agency receiving a notification of subsequent arrest for a person unknown to the agency, or for a person no longer employed by the agency, or no longer eligible to renew the certificate or license for which subsequent arrest notification service was established shall immediately return the subsequent arrest notification to the Department of Justice, informing the department that the agency is no longer interested in the applicant. The agency shall not record or otherwise retain any information received as a result of the subsequent arrest notice.

(f) Any agency which submits the fingerprints of an applicant for employment, licensing, certification, or approval to the Department of Justice for the purpose of establishing a record at the department to receive notification of subsequent arrest shall immediately notify the department if the applicant is not subsequently employed, or if the applicant is denied licensing certification, or approval.

(g) An agency which fails to provide the Department of Justice with notification as set forth in subdivisions (c), (d), and (e) may be denied further subsequent arrest notification service.

(h) Notwithstanding subdivisions (c), (d), and (f), subsequent arrest notification by the Department of Justice and retention by the employing

agency shall continue as to retired peace officers listed in subdivision (c) of Section 830.5.

SEC. 7. Section 309 of the Welfare and Institutions Code is amended to read:

309. (a) Upon delivery to the social worker of a child who has been taken into temporary custody under this article, the social worker shall immediately investigate the circumstances of the child and the facts surrounding the child's being taken into custody and attempt to maintain the child with the child's family through the provision of services. The social worker shall immediately release the child to the custody of the child's parent, guardian, or responsible relative unless one or more of the following conditions exist:

(1) The child has no parent, guardian, or responsible relative; or the child's parent, guardian, or responsible relative is not willing to provide care for the child.

(2) Continued detention of the child is a matter of immediate and urgent necessity for the protection of the child and there are no reasonable means by which the child can be protected in his or her home or the home of a responsible relative.

(3) There is substantial evidence that a parent, guardian, or custodian of the child is likely to flee the jurisdiction of the court.

(4) The child has left a placement in which he or she was placed by the juvenile court.

(5) The parent or other person having lawful custody of the child voluntarily surrendered physical custody of the child pursuant to Section 1255.7 of the Health and Safety Code and did not reclaim the child within the 14-day period specified in subdivision (e) of that section.

(b) In any case in which there is reasonable cause for believing that a child who is under the care of a physician or surgeon or a hospital, clinic, or other medical facility and cannot be immediately moved is a person described in Section 300, the child shall be deemed to have been taken into temporary custody and delivered to the social worker for the purposes of this chapter while the child is at the office of the physician or surgeon or the medical facility.

(c) If the child is not released to his or her parent or guardian, the child shall be deemed detained for purposes of this chapter.

(d) If an able and willing relative, as defined in Section 319, is available and requests temporary placement of the child pending the detention hearing, the county welfare department shall initiate an assessment of the relative's suitability, which shall include an in-home inspection to assess the safety of the home and the ability of the relative to care for the child's needs, and a consideration of the results of a criminal records check and a check of allegations of prior child abuse or neglect concerning the relative and other adults in the home. The

standards used to evaluate and grant or deny approval of the home of the relative and of the home of a nonrelative extended family member, as described in Section 362.7, shall be the same standards set forth in regulations for the licensing of foster family homes which prescribe standards of safety and sanitation for the physical plant and standards for basic personal care, supervision, and services provided by the caregiver. If a relative or nonrelative extended family member meets all other conditions for approval, except for the receipt of the Federal Bureau of Investigation's criminal history information for the relative or nonrelative extended family member, and other adults in the home, as indicated, the county welfare department may approve the home and document that approval, if the relative or nonrelative extended family member, and each adult in the home, has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after the approval has been granted, the department determines that the relative or nonrelative extended family member or other adult in the home has a criminal record, the approval may be terminated.

(e) This section shall be repealed on January 1, 2006, unless a later enacted statute extends or deletes that date.

SEC. 8. Section 309 of the Welfare and Institutions Code is amended to read:

309. (a) Upon delivery to the social worker of a child who has been taken into temporary custody under this article, the social worker shall immediately investigate the circumstances of the child and the facts surrounding the child's being taken into custody and attempt to maintain the child with the child's family through the provision of services. The social worker shall immediately release the child to the custody of the child's parent, guardian, or responsible relative unless one or more of the following conditions exist:

(1) The child has no parent, guardian, or responsible relative; or the child's parent, guardian, or responsible relative is not willing to provide care for the child.

(2) Continued detention of the child is a matter of immediate and urgent necessity for the protection of the child and there are no reasonable means by which the child can be protected in his or her home or the home of a responsible relative.

(3) There is substantial evidence that a parent, guardian, or custodian of the child is likely to flee the jurisdiction of the court.

(4) The child has left a placement in which he or she was placed by the juvenile court.

(b) In any case in which there is reasonable cause for believing that a child who is under the care of a physician or surgeon or a hospital,

clinic, or other medical facility and cannot be immediately moved is a person described in Section 300, the child shall be deemed to have been taken into temporary custody and delivered to the social worker for the purposes of this chapter while the child is at the office of the physician or surgeon or the medical facility.

(c) If the child is not released to his or her parent or guardian, the child shall be deemed detained for purposes of this chapter.

(d) If an able and willing relative, as defined in Section 319, is available and requests temporary placement of the child pending the detention hearing, the county welfare department shall initiate an assessment of the relative's suitability, which shall include an in-home inspection to assess the safety of the home and the ability of the relative to care for the child's needs, and a consideration of the results of a criminal records check and a check of allegations of prior child abuse or neglect concerning the relative and other adults in the home. The standards used to evaluate and grant or deny approval of the home of a relative or a nonrelative extended family member, as described in Section 362.7, shall be the same standards set forth in regulations for licensing foster family homes. These regulations prescribe standards of safety and sanitation for the physical plant and standards for basic personal care, supervision, and services provided by the caregiver. If a relative or nonrelative extended family member meets all other conditions for approval, except for the receipt of the Federal Bureau of Investigations' criminal history information for a relative, or nonrelative extended family member, and other adults in the home, as indicated, the county welfare department may approve the home and document that approval, if the relative, or nonrelative extended family member, and each adult in the home has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after the approval has been granted, the department determines that the relative or nonrelative extended family member or other adult in the home has a criminal record, the approval may be terminated.

SEC. 9. Section 319 of the Welfare and Institutions Code is amended to read:

319. (a) At the initial petition hearing, the court shall examine the child's parents, guardians, or other persons having relevant knowledge and hear the relevant evidence as the child, the child's parents or guardians, the petitioner, or their counsel desires to present. The court may examine the child, as provided in Section 350.

(b) The social worker shall report to the court on the reasons why the child has been removed from the parent's custody; the need, if any, for continued detention; the available services and the referral methods to

those services that could facilitate the return of the child to the custody of the child's parents or guardians; and whether there are any relatives who are able and willing to take temporary custody of the child. The court shall order the release of the child from custody unless a prima facie showing has been made that the child comes within Section 300, the court finds that continuance in the parent's or guardian's home is contrary to the child's welfare, and any of the following circumstances exist:

(1) There is a substantial danger to the physical health of the child or the child is suffering severe emotional damage, and there are no reasonable means by which the child's physical or emotional health may be protected without removing the child from the parents' or guardians' physical custody.

(2) There is substantial evidence that a parent, guardian, or custodian of the child is likely to flee the jurisdiction of the court.

(3) The child has left a placement in which he or she was placed by the juvenile court.

(4) The child indicates an unwillingness to return home, if the child has been physically or sexually abused by a person residing in the home.

(c) If the matter is continued pursuant to Section 322 or for any other reason, the court shall find that the continuance of the child in the parent's or guardian's home is contrary to the child's welfare at the initial petition hearing or order the release of the child from custody.

(d) (1) The court shall also make a determination on the record, referencing the social worker's report or other evidence relied upon, as to whether reasonable efforts were made to prevent or eliminate the need for removal of the child from his or her home, pursuant to subdivision (b) of Section 306, and whether there are available services that would prevent the need for further detention. Services to be considered for purposes of making this determination are case management, counseling, emergency shelter care, emergency in-home caretakers, out-of-home respite care, teaching and demonstrating homemakers, parenting training, transportation, and any other child welfare services authorized by the State Department of Social Services pursuant to Chapter 5 (commencing with Section 16500) of Part 4 of Division 9. The court shall also review whether the social worker has considered whether a referral to public assistance services pursuant to Chapter 2 (commencing with Section 11200) and Chapter 7 (commencing with Section 14000) of Part 3, Chapter 1 (commencing with Section 17000) of Part 5, and Chapter 10 (commencing with Section 18900) of Part 6 of Division 9 would have eliminated the need to take temporary custody of the child or would prevent the need for further detention.

(2) If the child can be returned to the custody of his or her parent or guardian through the provision of those services, the court shall place the

child with his or her parent or guardian and order that the services shall be provided. If the child cannot be returned to the custody of his or her parent or guardian, the court shall determine if there is a relative who is able, approved, and willing to care for the child.

(e) Whenever a court orders a child detained, the court shall state the facts on which the decision is based, shall specify why the initial removal was necessary, shall reference the social worker's report or other evidence relied upon to make its determination whether continuance in the home of the parent or legal guardian in contrary to the child's welfare, shall order temporary placement and care of the child to be vested with the county child welfare department pending the hearing held pursuant to Section 355 or further order of the court, and shall order services to be provided as soon as possible to reunify the child and his or her family if appropriate.

(f) When the child is not released from custody, the court may order that the child shall be placed in the approved home of a relative, in an emergency shelter or other suitable licensed place, in a place exempt from licensure designated by the juvenile court, or in the approved home of a nonrelative extended family member as defined in Section 362.7 for a period not to exceed 15 judicial days.

As used in this section, "relative" means an adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words "great," "great-great," or "grand," or the spouse of any of these persons, even if the marriage was terminated by death or dissolution. However, only the following relatives shall be given preferential consideration for placement of the child: an adult who is a grandparent, aunt, uncle, or sibling of the child.

The court shall consider the recommendations of the social worker based on the approval of the relative's home, including the results of a criminal records check and prior child abuse allegations, if any, prior to ordering that the child be placed with a relative. The court shall order the parent to disclose to the social worker the names, residences, and any known identifying information of any maternal or paternal relatives of the child. The social worker shall initiate the assessment pursuant to Section 361.3 of any relative to be considered for continuing placement.

SEC. 10. Section 361.2 of the Welfare and Institutions Code is amended to read:

361.2. (a) When a court orders removal of a child pursuant to Section 361, the court shall first determine whether there is a parent of the child, with whom the child was not residing at the time that the events or conditions arose that brought the child within the provisions of Section 300, who desires to assume custody of the child. If that parent requests custody, the court shall place the child with the parent unless it

finds that placement with that parent would be detrimental to the safety, protection, or physical or emotional well-being of the child.

(b) If the court places the child with that parent it may do either of the following:

(1) Order that the parent become legal and physical custodian of the child. The court may also provide reasonable visitation by the noncustodial parent. The court shall then terminate its jurisdiction over the child. The custody order shall continue unless modified by a subsequent order of the superior court. The order of the juvenile court shall be filed in any domestic relation proceeding between the parents.

(2) Order that the parent assume custody subject to the supervision of the juvenile court. In that case the court may order that reunification services be provided to the parent or guardian from whom the child is being removed, or the court may order that services be provided solely to the parent who is assuming physical custody in order to allow that parent to retain later custody without court supervision, or that services be provided to both parents, in which case the court shall determine, at review hearings held pursuant to Section 366, which parent, if either, shall have custody of the child.

(c) The court shall make a finding either in writing or on the record of the basis for its determination under subdivisions (a) and (b).

(d) Part 6 (commencing with Section 7950) of Division 12 of the Family Code shall apply to the placement of a child pursuant to paragraphs (1) and (2) of subdivision (e).

(e) When the court orders removal pursuant to Section 361, the court shall order the care, custody, control, and conduct of the child to be under the supervision of the social worker who may place the child in any of the following:

(1) The home of a noncustodial parent as described in subdivision (a).

(2) The approved home of a relative.

(3) The approved home of a nonrelative extended family member as defined in Section 362.7.

(4) A foster home in which the child has been placed before an interruption in foster care, if that placement is in the best interest of the child and space is available.

(5) A suitable licensed community care facility.

(6) With a foster family agency to be placed in a suitable licensed foster family home or certified family home which has been certified by the agency as meeting licensing standards.

(7) A home or facility in accordance with the federal Indian Child Welfare Act.

(8) A child under the age of six years may be placed in a community care facility licensed as a group home for children, or a temporary shelter

care facility as defined in Section 1530.8 of the Health and Safety Code, only under any of the following circumstances:

(A) When a case plan indicates that placement is for purposes of providing specialized treatment to the child, the case plan specifies the need for, nature of, and anticipated duration of this treatment, and the facility meets the applicable regulations adopted under Section 1530.8 of the Health and Safety Code and standards developed pursuant to Section 11467.1. The specialized treatment period shall not exceed 120 days, unless additional time is needed pursuant to the case plan as documented by the caseworker and approved by the caseworker's supervisor.

(B) When a case plan indicates that placement is for purposes of providing family reunification services. In addition, the facility offers family reunification services that meet the needs of the individual child and his or her family, permits parents to have reasonable access to their children 24 hours a day, encourages extensive parental involvement in meeting the daily needs of their children, and employs staff trained to provide family reunification services. In addition, one of the following conditions exists:

(i) The child's parent is also a ward of the court and resides in the facility.

(ii) The child's parent is participating in a treatment program affiliated with the facility and the child's placement in the facility facilitates the coordination and provision of reunification services.

(iii) Placement in the facility is the only alternative that permits the parent to have daily 24-hour access to the child in accordance with the case plan, to participate fully in meeting all of the daily needs of the child, including feeding and personal hygiene, and to have access to necessary reunification services.

(f) (1) If the child is taken from the physical custody of the child's parent or guardian and unless the child is placed with relatives, the child shall be placed in foster care in the county of residence of the child's parent or guardian in order to facilitate reunification of the family.

(2) In the event that there are no appropriate placements available in the parent's or guardian's county of residence, a placement may be made in an appropriate place in another county, preferably a county located adjacent to the parent's or guardian's community of residence.

(3) Nothing in this section shall be interpreted as requiring multiple disruptions of the child's placement corresponding to frequent changes of residence by the parent or guardian. In determining whether the child should be moved, the social worker shall take into consideration the potential harmful effects of disrupting the placement of the child and the parent's or guardian's reason for the move.

(4) When it has been determined that it is necessary for a child to be placed in a county other than the child's parent's or guardian's county of residence, the specific reason the out-of-county placement is necessary shall be documented in the child's case plan. If the reason the out-of-county placement is necessary is the lack of resources in the sending county to meet the specific needs of the child, those specific resource needs shall be documented in the case plan.

(5) When it has been determined that a child is to be placed out-of-county either in a group home or with a foster family agency for subsequent placement in a certified foster family home, and the sending county is to maintain responsibility for supervision and visitation of the child, the sending county shall develop a plan of supervision and visitation that specifies the supervision and visitation activities to be performed and specifies that the sending county is responsible for performing those activities. In addition to the plan of supervision and visitation, the sending county shall document information regarding any known or suspected dangerous behavior of the child that indicates the child may pose a safety concern in the receiving county. Upon implementation of the Child Welfare Services Case Management System, the plan of supervision and visitation, as well as information regarding any known or suspected dangerous behavior of the child, shall be made available to the receiving county upon placement of the child in the receiving county. If placement occurs on a weekend or holiday, the information shall be made available to the receiving county on or before the end of the next business day.

(6) When it has been determined that a child is to be placed out-of-county and the sending county plans that the receiving county shall be responsible for the supervision and visitation of the child, the sending county shall develop a formal agreement between the sending and receiving counties. The formal agreement shall specify the supervision and visitation to be provided the child, and shall specify that the receiving county is responsible for providing the supervision and visitation. The formal agreement shall be approved and signed by the sending and receiving counties prior to placement of the child in the receiving county. In addition, upon completion of the case plan, the sending county shall provide a copy of the completed case plan to the receiving county. The case plan shall include information regarding any known or suspected dangerous behavior of the child that indicates the child may pose a safety concern to the receiving county.

(g) Whenever the social worker must change the placement of the child and is unable to find a suitable placement within the county and must place the child outside the county, the placement shall not be made until he or she has served written notice on the parent or guardian at least 14 days prior to the placement, unless the child's health or well-being is

endangered by delaying the action or would be endangered if prior notice were given. The notice shall state the reasons which require placement outside the county. The parent or guardian may object to the placement not later than seven days after receipt of the notice and, upon objection, the court shall hold a hearing not later than five days after the objection and prior to the placement. The court shall order out-of-county placement if it finds that the child's particular needs require placement outside the county.

(h) Where the court has ordered removal of the child from the physical custody of his or her parents pursuant to Section 361, the court shall consider whether the family ties and best interest of the child will be served by granting visitation rights to the child's grandparents. The court shall clearly specify those rights to the social worker.

(i) Where the court has ordered removal of the child from the physical custody of his or her parents pursuant to Section 361, the court shall consider whether there are any siblings under the court's jurisdiction, the nature of the relationship between the child and his or her siblings, the appropriateness of developing or maintaining the sibling relationships pursuant to Section 16002, and the impact of the sibling relationships on the child's placement and planning for legal permanence.

SEC. 11. Section 361.3 of the Welfare and Institutions Code is amended to read:

361.3. (a) In any case in which a child is removed from the physical custody of his or her parents pursuant to Section 361, preferential consideration shall be given to a request by a relative of the child for placement of the child with the relative. In determining whether placement with a relative is appropriate, the county social worker and court shall consider, but shall not be limited to, consideration of all the following factors:

(1) The best interest of the child, including special physical, psychological, educational, medical, or emotional needs.

(2) The wishes of the parent, the relative, and child, if appropriate.

(3) The provisions of Part 6 (commencing with Section 7950) of Division 12 of the Family Code regarding relative placement.

(4) Placement of siblings and half-siblings in the same home, if that placement is found to be in the best interest of each of the children as provided in Section 16002.

(5) The good moral character of the relative and any other adult living in the home, including whether any individual residing in the home has a prior history of violent criminal acts or has been responsible for acts of child abuse or neglect.

(6) The nature and duration of the relationship between the child and the relative, and the relative's desire to care for the child.

(7) The ability of the relative to do the following:

(A) Provide a safe, secure, and stable environment for the child.
(B) Exercise proper and effective care and control of the child.
(C) Provide a home and the necessities of life for the child.
(D) Protect the child from his or her parents.
(E) Facilitate court-ordered reunification efforts with the parents.
(F) Facilitate visitation with the child's other relatives.
(G) Facilitate implementation of all elements of the case plan.
(H) Provide legal permanence for the child if reunification fails.

However, any finding made with respect to the factor considered pursuant to this subparagraph and pursuant to subparagraph (G) shall not be the sole basis for precluding preferential placement with a relative.

(I) Arrange for appropriate and safe child care, as necessary.

(8) The safety of the relative's home. For a relative to be considered appropriate to receive placement of a child under this section, the relative's home shall first be approved pursuant to the process and standards described in subdivision (d) of Section 309.

In this regard, the Legislature declares that a physical disability, such as blindness or deafness, is no bar to the raising of children, and a county social worker's determination as to the ability of a disabled relative to exercise care and control should center upon whether the relative's disability prevents him or her from exercising care and control. The court shall order the parent to disclose to the county social worker the names, residences, and any other known identifying information of any maternal or paternal relatives of the child. This inquiry shall not be construed, however, to guarantee that the child will be placed with any person so identified. The county social worker shall initially contact the relatives given preferential consideration for placement to determine if they desire the child to be placed with them. Those desiring placement shall be assessed according to the factors enumerated in this subdivision. The county social worker shall document these efforts in the social study prepared pursuant to Section 358.1. The court shall authorize the county social worker, while assessing these relatives for the possibility of placement, to disclose to the relative, as appropriate, the fact that the child is in custody, the alleged reasons for the custody, and the projected likely date for the child's return home or placement for adoption or legal guardianship. However, this investigation shall not be construed as good cause for continuance of the dispositional hearing conducted pursuant to Section 358.

(b) In any case in which more than one appropriate relative requests preferential consideration pursuant to this section, each relative shall be considered under the factors enumerated in subdivision (a).

(c) For purposes of this section:

(1) ''Preferential consideration'' means that the relative seeking placement shall be the first placement to be considered and investigated.

(2) ''Relative'' means an adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words ''great,'' ''great-great'' or ''grand'' or the spouse of any of these persons even if the marriage was terminated by death or dissolution. However, only the following relatives shall be given preferential consideration for the placement of the child: an adult who is a grandparent, aunt, uncle, or sibling.

(d) Subsequent to the hearing conducted pursuant to Section 358, whenever a new placement of the child must be made, consideration for placement shall again be given as described in this section to relatives who have not been found to be unsuitable and who will fulfill the child's reunification or permanent plan requirements. In addition to the factors described in subdivision (a), the county social worker shall consider whether the relative has established and maintained a relationship with the child.

(e) If the court does not place the child with a relative who has been considered for placement pursuant to this section, the court shall state for the record the reasons placement with that relative was denied.

SEC. 11.3. Section 361.5 of the Welfare and Institutions Code, as amended by Section 5 of Chapter 824 of the Statutes of 2000, is amended to read:

361.5. (a) Except as provided in subdivision (b) of this section or when the parent has voluntarily relinquished the child and the relinquishment has been filed with the State Department of Social Services, or upon the establishment of an order of guardianship pursuant to Section 360, whenever a child is removed from a parent's or guardian's custody, the juvenile court shall order the social worker to provide child welfare services to the child and the child's mother and statutorily presumed father or guardians. Upon a finding and declaration of paternity by the juvenile court or proof of a prior declaration of paternity by any court of competent jurisdiction, the juvenile court may order services for the child and the biological father, if the court determines that the services will benefit the child. Child welfare services, when provided, shall be provided as follows:

(1) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was three years of age or older, court-ordered services shall not exceed a period of 12 months from the date the child entered foster care, except as otherwise provided in paragraph (3).

(2) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was under the age of three years, court-ordered services shall not exceed a period of six months from the date the child entered foster care.

(3) For the purpose of placing and maintaining a sibling group together in a permanent home should reunification efforts fail, for a child in a sibling group whose members were removed from parental custody at the same time, and in which one member of the sibling group was under the age of three years on the date of initial removal from the physical custody of his or her parent or guardian, court-ordered services to some or all of the sibling group may be limited to a period of six months from the date the child entered foster care. For the purposes of this paragraph, ''a sibling group'' shall mean two or more children who are related to each other as full or half-siblings.

Regardless of the age of the child, a child shall be deemed to have entered foster care on the earlier of the date of the jurisdictional hearing held pursuant to Section 356 or the date that is 60 days after the date on which the child was initially removed from the physical custody of his or her parent or guardian.

Notwithstanding paragraphs (1), (2), and (3), court-ordered services may be extended up to a maximum time period not to exceed 18 months after the date the child was originally removed from physical custody of his or her parent or guardian if it can be shown, at the hearing held pursuant to subdivision (f) of Section 366.21, that the permanent plan for the child is that he or she will be returned and safely maintained in the home within the extended time period. The court shall extend the time period only if it finds that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period or that reasonable services have not been provided to the parent or guardian. If the court extends the time period, the court shall specify the factual basis for its conclusion that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period. The court also shall make findings pursuant to subdivision (a) of Section 366 and subdivision (e) of Section 358.1.

When counseling or other treatment services are ordered, the parent or guardian shall be ordered to participate in those services, unless the parent's or guardian's participation is deemed by the court to be inappropriate or potentially detrimental to the child. Physical custody of the child by the parents or guardians during the applicable time period under paragraph (1), (2), or (3) shall not serve to interrupt the running of the period. If at the end of the applicable time period, a child cannot be safely returned to the care and custody of a parent or guardian without court supervision, but the child clearly desires contact with the parent or guardian, the court shall take the child's desire into account in devising a permanency plan.

In cases where the child was under the age of three years on the date of the initial removal from the physical custody of his or her parent or

guardian or is a member of a sibling group as described in paragraph (3), the court shall inform the parent or guardian that the failure of the parent or guardian to participate regularly in any court-ordered treatment programs or to cooperate or avail himself or herself of services provided as part of the child welfare services case plan may result in a termination of efforts to reunify the family after six months. The court shall inform the parent or guardian of the factors used in subdivision (e) of Section 366.21 to determine whether to limit services to six months for some or all members of a sibling group as described in paragraph (3).

Except in cases where, pursuant to subdivision (b), the court does not order reunification services, the court shall inform the parent or parents of Section 366.26 and shall specify that the parent's or parents' parental rights may be terminated.

(b) Reunification services need not be provided to a parent or guardian described in this subdivision when the court finds, by clear and convincing evidence, any of the following:

(1) That the whereabouts of the parent or guardian is unknown. A finding pursuant to this paragraph shall be supported by an affidavit or by proof that a reasonably diligent search has failed to locate the parent or guardian. The posting or publication of notices is not required in that search.

(2) That the parent or guardian is suffering from a mental disability that is described in Chapter 2 (commencing with Section 7820) of Part 4 of Division 12 of the Family Code and that renders him or her incapable of utilizing those services.

(3) That the child or a sibling of the child has been previously adjudicated a dependent pursuant to any subdivision of Section 300 as a result of physical or sexual abuse, that following that adjudication the child had been removed from the custody of his or her parent or guardian pursuant to Section 361, that the child has been returned to the custody of the parent or guardian from whom the child had been taken originally, and that the child is being removed pursuant to Section 361, due to additional physical or sexual abuse.

(4) That the parent or guardian of the child has caused the death of another child through abuse or neglect.

(5) That the child was brought within the jurisdiction of the court under subdivision (e) of Section 300 because of the conduct of that parent or guardian.

(6) That the child has been adjudicated a dependent pursuant to any subdivision of Section 300 as a result of severe sexual abuse or the infliction of severe physical harm to the child, a sibling, or a half-sibling by a parent or guardian, as defined in this subdivision, and the court makes a factual finding that it would not benefit the child to pursue reunification services with the offending parent or guardian.

A finding of severe sexual abuse, for the purposes of this subdivision, may be based on, but is not limited to, sexual intercourse, or stimulation involving genital-genital, oral-genital, anal-genital, or oral-anal contact, whether between the parent or guardian and the child or a sibling or half-sibling of the child, or between the child or a sibling or half-sibling of the child and another person or animal with the actual or implied consent of the parent or guardian; or the penetration or manipulation of the child's, sibling's, or half-sibling's genital organs or rectum by any animate or inanimate object for the sexual gratification of the parent or guardian, or for the sexual gratification of another person with the actual or implied consent of the parent or guardian.

A finding of the infliction of severe physical harm, for the purposes of this subdivision, may be based on, but is not limited to, deliberate and serious injury inflicted to or on a child's body or the body of a sibling or half-sibling of the child by an act or omission of the parent or guardian, or of another individual or animal with the consent of the parent or guardian; deliberate and torturous confinement of the child, sibling, or half-sibling in a closed space; or any other torturous act or omission that would be reasonably understood to cause serious emotional damage.

(7) That the parent is not receiving reunification services for a sibling or a half-sibling of the child pursuant to paragraph (3), (5), or (6).

(8) That the child was conceived by means of the commission of an offense listed in Section 288 or 288.5 of the Penal Code, or by an act committed outside of this state that, if committed in this state, would constitute one of those offenses. This paragraph only applies to the parent who committed the offense or act.

(9) That the child has been found to be a child described in subdivision (g) of Section 300, that the parent or guardian of the child willfully abandoned the child, and the court finds that the abandonment itself constituted a serious danger to the child; or that the parent or other person having custody of the child voluntarily surrendered physical custody of the child pursuant to Section 1255.7 of the Health and Safety Code. For the purposes of this paragraph, ''serious danger'' means that without the intervention of another person or agency, the child would have sustained severe or permanent disability, injury, illness, or death. For purposes of this paragraph, ''willful abandonment'' shall not be construed as actions taken in good faith by the parent without the intent of placing the child in serious danger.

(10) That the court ordered termination of reunification services for any siblings or half-siblings of the child because the parent or guardian failed to reunify with the sibling or half-sibling after the sibling or half-sibling had been removed from that parent or guardian pursuant to Section 361 and that parent or guardian is the same parent or guardian

described in subdivision (a) and that, according to the findings of the court, this parent or guardian has not subsequently made a reasonable effort to treat the problems that led to removal of the sibling or half-sibling of that child from that parent or guardian.

(11) That the parental rights of a parent over any sibling or half-sibling of the child had been permanently severed, and this parent is the same parent described in subdivision (a), and that, according to the findings of the court, this parent has not subsequently made a reasonable effort to treat the problems that led to removal of the sibling or half-sibling of that child from the parent.

(12) That the parent or guardian of the child has been convicted of a violent felony, as defined in subdivision (c) of Section 667.5 of the Penal Code.

(13) That the parent or guardian of the child has a history of extensive, abusive, and chronic use of drugs or alcohol and has resisted prior treatment for this problem during a three-year period immediately prior to the filing of the petition that brought that child to the court's attention, or has failed or refused to comply with a program of drug or alcohol treatment described in the case plan required by Section 358.1 on at least two prior occasions, even though the programs identified were available and accessible.

(14) That the parent or guardian of the child has advised the court that he or she is not interested in receiving family maintenance or family reunification services or having the child returned to or placed in his or her custody and does not wish to receive family maintenance or reunification services.

The parent or guardian shall be represented by counsel and shall execute a waiver of services form to be adopted by the Judicial Council. The court shall advise the parent or guardian of any right to services and of the possible consequences of a waiver of services, including the termination of parental rights and placement of the child for adoption. The court shall not accept the waiver of services unless it states on the record its finding that the parent or guardian has knowingly and intelligently waived the right to services.

(15) That the parent or guardian has on one or more occasions willfully abducted the child or child's sibling or half-sibling from his or her placement and refused to disclose the child's or child's sibling or half-sibling's whereabouts, refused to return physical custody of the child or child's sibling or half-sibling to his or her placement, or refused to return physical custody of the child or child's sibling or half-sibling to the social worker.

(c) In deciding whether to order reunification in any case in which this section applies, the court shall hold a dispositional hearing. The social worker shall prepare a report that discusses whether reunification

services shall be provided. When it is alleged, pursuant to paragraph (2) of subdivision (b), that the parent is incapable of utilizing services due to mental disability, the court shall order reunification services unless competent evidence from mental health professionals establishes that, even with the provision of services, the parent is unlikely to be capable of adequately caring for the child within the time limits specified in subdivision (a).

The court shall not order reunification for a parent or guardian described in paragraph (3), (4), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) unless the court finds, by clear and convincing evidence, that reunification is in the best interest of the child.

In addition, the court shall not order reunification in any situation described in paragraph (5) of subdivision (b) unless it finds that, based on competent testimony, those services are likely to prevent reabuse or continued neglect of the child or that failure to try reunification will be detrimental to the child because the child is closely and positively attached to that parent. The social worker shall investigate the circumstances leading to the removal of the child and advise the court whether there are circumstances that indicate that reunification is likely to be successful or unsuccessful and whether failure to order reunification is likely to be detrimental to the child.

The failure of the parent to respond to previous services, the fact that the child was abused while the parent was under the influence of drugs or alcohol, a past history of violent behavior, or testimony by a competent professional that the parent's behavior is unlikely to be changed by services are among the factors indicating that reunification services are unlikely to be successful. The fact that a parent or guardian is no longer living with an individual who severely abused the child may be considered in deciding that reunification services are likely to be successful, provided that the court shall consider any pattern of behavior on the part of the parent that has exposed the child to repeated abuse.

(d) If reunification services are not ordered pursuant to paragraph (1) of subdivision (b) and the whereabouts of a parent become known within six months of the out-of-home placement of the child, the court shall order the social worker to provide family reunification services in accordance with this subdivision.

(e) (1) If the parent or guardian is incarcerated or institutionalized, the court shall order reasonable services unless the court determines, by clear and convincing evidence, those services would be detrimental to the child. In determining detriment, the court shall consider the age of the child, the degree of parent-child bonding, the length of the sentence, the nature of the treatment, the nature of the crime or illness, the degree of detriment to the child if services are not offered and, for children 10 years of age or older, the child's attitude toward the implementation of

family reunification services, and any other appropriate factors. Reunification services are subject to the applicable time limitations imposed in subdivision (a). Services may include, but shall not be limited to, all of the following:

(A) Maintaining contact between the parent and child through collect telephone calls.

(B) Transportation services, where appropriate.

(C) Visitation services, where appropriate.

(D) Reasonable services to extended family members or foster parents providing care for the child if the services are not detrimental to the child.

An incarcerated parent may be required to attend counseling, parenting classes, or vocational training programs as part of the service plan if these programs are available.

(2) The presiding judge of the juvenile court of each county may convene representatives of the county welfare department, the sheriff's department, and other appropriate entities for the purpose of developing and entering into protocols for ensuring the notification, transportation, and presence of an incarcerated or institutionalized parent at all court hearings involving proceedings affecting the child pursuant to Section 2625 of the Penal Code.

(3) Notwithstanding any other provision of law, if the incarcerated parent is a woman seeking to participate in the community treatment program operated by the Department of Corrections pursuant to Chapter 4.8 (commencing with Section 1174) of Title 7 of Part 2 of, Chapter 4 (commencing with Section 3410) of Title 2 of Part 3 of, the Penal Code, the court shall determine whether the parent's participation in a program is in the child's best interest and whether it is suitable to meet the needs of the parent and child.

(f) If the court, pursuant to paragraph (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) or paragraph (1) of subdivision (e), does not order reunification services, it shall, at the dispositional hearing, that shall include a permanency hearing, determine if a hearing under Section 366.26 shall be set in order to determine whether adoption, guardianship, or long-term foster care is the most appropriate plan for the child. If the court so determines, it shall conduct the hearing pursuant to Section 366.26 within 120 days after the dispositional hearing. However, the court shall not schedule a hearing so long as the other parent is being provided reunification services pursuant to subdivision (a). The court may continue to permit the parent to visit the child unless it finds that visitation would be detrimental to the child.

(g) Whenever a court orders that a hearing shall be held pursuant to Section 366.26, it shall direct the agency supervising the child and the licensed county adoption agency, or the State Department of Social

Services when it is acting as an adoption agency in counties that are not served by a county adoption agency, to prepare an assessment that shall include:

(1) Current search efforts for an absent parent or parents.

(2) A review of the amount of and nature of any contact between the child and his or her parents and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, ''extended family'' for the purpose of this paragraph shall include, but not be limited to, the child's siblings, grandparents, aunts, and uncles.

(3) An evaluation of the child's medical, developmental, scholastic, mental, and emotional status.

(4) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child's needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3. As used in this paragraph, ''relative'' means an adult who is related to the minor by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words ''great,'' ''great-great,'' or ''grand,'' or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(5) The relationship of the child to any identified prospective adoptive parent or guardian, the duration and character of the relationship, the motivation for seeking adoption or guardianship, and a statement from the child concerning placement and the adoption or guardianship, unless the child's age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(6) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(h) In determining whether reunification services will benefit the child pursuant to paragraph (6) or (7) of subdivision (b), the court shall consider any information it deems relevant, including the following factors:

(1) The specific act or omission comprising the severe sexual abuse or the severe physical harm inflicted on the child or the child's sibling or half-sibling.

(2) The circumstances under which the abuse or harm was inflicted on the child or the child's sibling or half-sibling.

(3) The severity of the emotional trauma suffered by the child or the child's sibling or half-sibling.

(4) Any history of abuse of other children by the offending parent or guardian.

(5) The likelihood that the child may be safely returned to the care of the offending parent or guardian within 12 months with no continuing supervision.

(6) Whether or not the child desires to be reunified with the offending parent or guardian.

(i) The court shall read into the record the basis for a finding of severe sexual abuse or the infliction of severe physical harm under paragraph (6) of subdivision (b), and shall also specify the factual findings used to determine that the provision of reunification services to the offending parent or guardian would not benefit the child.

(j) This section shall be repealed on January 1, 2006, unless a later enacted statute extends or deletes that date.

SEC. 11.6. Section 361.5 of the Welfare and Institutions Code, as added by Section 5.5 of Chapter 824 of the Statutes of 2000, is amended to read:

361.5. (a) Except as provided in subdivision (b) of this section or when the parent has voluntarily relinquished the child and the relinquishment has been filed with the State Department of Social Services, or upon the establishment of an order of guardianship pursuant to Section 360, whenever a child is removed from a parent's or guardian's custody, the juvenile court shall order the social worker to provide child welfare services to the child and the child's mother and statutorily presumed father or guardians. Upon a finding and declaration of paternity by the juvenile court or proof of a prior declaration of paternity by any court of competent jurisdiction, the juvenile court may order services for the child and the biological father, if the court determines that the services will benefit the child. Child welfare services, when provided, shall be provided as follows:

(1) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was three years of age or older, court-ordered services shall not exceed a period of 12 months from the date the child entered foster care, except as otherwise provided in paragraph (3).

(2) For a child who, on the date of initial removal from the physical custody of his or her parent or guardian, was under the age of three years, court-ordered services shall not exceed a period of six months from the date the child entered foster care.

(3) For the purpose of placing and maintaining a sibling group together in a permanent home should reunification efforts fail, for a child in a sibling group whose members were removed from parental custody at the same time, and in which one member of the sibling group was under the age of three years on the date of initial removal from the physical custody of his or her parent or guardian, court-ordered services to some or all of the sibling group may be limited to a period of six months from the date the child entered foster care. For the purposes of this paragraph, ''a sibling group'' shall mean two or more children who are related to each other as full or half-siblings.

Regardless of the age of the child, a child shall be deemed to have entered foster care on the earlier of the date of the jurisdictional hearing held pursuant to Section 356 or the date that is 60 days after the date on which the child was initially removed from the physical custody of his or her parent or guardian.

Notwithstanding paragraphs (1), (2), and (3), court-ordered services may be extended up to a maximum time period not to exceed 18 months after the date the child was originally removed from physical custody of his or her parent or guardian if it can be shown, at the hearing held pursuant to subdivision (f) of Section 366.21, that the permanent plan for the child is that he or she will be returned and safely maintained in the home within the extended time period. The court shall extend the time period only if it finds that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period or that reasonable services have not been provided to the parent or guardian. If the court extends the time period, the court shall specify the factual basis for its conclusion that there is a substantial probability that the child will be returned to the physical custody of his or her parent or guardian within the extended time period. The court also shall make findings pursuant to subdivision (a) of Section 366 and subdivision (e) of Section 358.1.

When counseling or other treatment services are ordered, the parent or guardian shall be ordered to participate in those services, unless the parent's or guardian's participation is deemed by the court to be inappropriate or potentially detrimental to the child. Physical custody of the child by the parents or guardians during the applicable time period under paragraph (1), (2), or (3) shall not serve to interrupt the running of the period. If at the end of the applicable time period, a child cannot be safely returned to the care and custody of a parent or guardian without court supervision, but the child clearly desires contact with the parent or guardian, the court shall take the child's desire into account in devising a permanency plan.

In cases where the child was under the age of three years on the date of the initial removal from the physical custody of his or her parent or

guardian or is a member of a sibling group as described in paragraph (3), the court shall inform the parent or guardian that the failure of the parent or guardian to participate regularly in any court-ordered treatment programs or to cooperate or avail himself or herself of services provided as part of the child welfare services case plan may result in a termination of efforts to reunify the family after six months. The court shall inform the parent or guardian of the factors used in subdivision (e) of Section 366.21 to determine whether to limit services to six months for some or all members of a sibling group as described in paragraph (3).

Except in cases where, pursuant to subdivision (b), the court does not order reunification services, the court shall inform the parent or parents of Section 366.26 and shall specify that the parent's or parents' parental rights may be terminated.

(b) Reunification services need not be provided to a parent or guardian described in this subdivision when the court finds, by clear and convincing evidence, any of the following:

(1) That the whereabouts of the parent or guardian is unknown. A finding pursuant to this paragraph shall be supported by an affidavit or by proof that a reasonably diligent search has failed to locate the parent or guardian. The posting or publication of notices is not required in that search.

(2) That the parent or guardian is suffering from a mental disability that is described in Chapter 2 (commencing with Section 7820) of Part 4 of Division 12 of the Family Code and that renders him or her incapable of utilizing those services.

(3) That the child or a sibling of the child has been previously adjudicated a dependent pursuant to any subdivision of Section 300 as a result of physical or sexual abuse, that following that adjudication the child had been removed from the custody of his or her parent or guardian pursuant to Section 361, that the child has been returned to the custody of the parent or guardian from whom the child had been taken originally, and that the child is being removed pursuant to Section 361, due to additional physical or sexual abuse.

(4) That the parent or guardian of the child has caused the death of another child through abuse or neglect.

(5) That the child was brought within the jurisdiction of the court under subdivision (e) of Section 300 because of the conduct of that parent or guardian.

(6) That the child has been adjudicated a dependent pursuant to any subdivision of Section 300 as a result of severe sexual abuse or the infliction of severe physical harm to the child, a sibling, or a half-sibling by a parent or guardian, as defined in this subdivision, and the court makes a factual finding that it would not benefit the child to pursue reunification services with the offending parent or guardian.

A finding of severe sexual abuse, for the purposes of this subdivision, may be based on, but is not limited to, sexual intercourse, or stimulation involving genital-genital, oral-genital, anal-genital, or oral-anal contact, whether between the parent or guardian and the child or a sibling or half-sibling of the child, or between the child or a sibling or half-sibling of the child and another person or animal with the actual or implied consent of the parent or guardian; or the penetration or manipulation of the child's, sibling's, or half-sibling's genital organs or rectum by any animate or inanimate object for the sexual gratification of the parent or guardian, or for the sexual gratification of another person with the actual or implied consent of the parent or guardian.

A finding of the infliction of severe physical harm, for the purposes of this subdivision, may be based on, but is not limited to, deliberate and serious injury inflicted to or on a child's body or the body of a sibling or half-sibling of the child by an act or omission of the parent or guardian, or of another individual or animal with the consent of the parent or guardian; deliberate and torturous confinement of the child, sibling, or half-sibling in a closed space; or any other torturous act or omission that would be reasonably understood to cause serious emotional damage.

(7) That the parent is not receiving reunification services for a sibling or a half-sibling of the child pursuant to paragraph (3), (5), or (6).

(8) That the child was conceived by means of the commission of an offense listed in Section 288 or 288.5 of the Penal Code, or by an act committed outside of this state that, if committed in this state, would constitute one of those offenses. This paragraph only applies to the parent who committed the offense or act.

(9) That the child has been found to be a child described in subdivision (g) of Section 300, that the parent or guardian of the child willfully abandoned the child, and the court finds that the abandonment itself constituted a serious danger to the child. For the purposes of this paragraph, ''serious danger'' means that without the intervention of another person or agency, the child would have sustained severe or permanent disability, injury, illness, or death. For purposes of this paragraph, ''willful abandonment'' shall not be construed as actions taken in good faith by the parent without the intent of placing the child in serious danger.

(10) That the court ordered termination of reunification services for any siblings or half-siblings of the child because the parent or guardian failed to reunify with the sibling or half-sibling after the sibling or half-sibling had been removed from that parent or guardian pursuant to Section 361 and that parent or guardian is the same parent or guardian described in subdivision (a), and that, according to the findings of the court, this parent or guardian has not subsequently made a reasonable

effort to treat the problems that led to removal of the sibling or half-sibling of that child from that parent or guardian.

(11) That the parental rights of a parent over any sibling or half-sibling of the child had been permanently severed, and this parent is the same parent described in subdivision (a), and that, according to the findings of the court, this parent has not subsequently made a reasonable effort to treat the problems that led to removal of the sibling or half-sibling of that child from the parent.

(12) That the parent or guardian of the child has been convicted of a violent felony, as defined in subdivision (c) of Section 667.5 of the Penal Code.

(13) That the parent or guardian of the child has a history of extensive, abusive, and chronic use of drugs or alcohol and has resisted prior treatment for this problem during a three-year period immediately prior to the filing of the petition that brought that child to the court's attention, or has failed or refused to comply with a program of drug or alcohol treatment described in the case plan required by Section 358.1 on at least two prior occasions, even though the programs identified were available and accessible.

(14) That the parent or guardian of the child has advised the court that he or she is not interested in receiving family maintenance or family reunification services or having the child returned to or placed in his or her custody and does not wish to receive family maintenance or reunification services.

The parent or guardian shall be represented by counsel and shall execute a waiver of services form to be adopted by the Judicial Council. The court shall advise the parent or guardian of any right to services and of the possible consequences of a waiver of services, including the termination of parental rights and placement of the child for adoption. The court shall not accept the waiver of services unless it states on the record its finding that the parent or guardian has knowingly and intelligently waived the right to services.

(15) That the parent or guardian has on one or more occasions willfully abducted the child or child's sibling or half-sibling from his or her placement and refused to disclose the child's or child's sibling or half-sibling's whereabouts, refused to return physical custody of the child or child's sibling or half-sibling to his or her placement, or refused to return physical custody of the child or child's sibling or half-sibling to the social worker.

(c) In deciding whether to order reunification in any case in which this section applies, the court shall hold a dispositional hearing. The social worker shall prepare a report that discusses whether reunification services shall be provided. When it is alleged, pursuant to paragraph (2) of subdivision (b), that the parent is incapable of utilizing services due

to mental disability, the court shall order reunification services unless competent evidence from mental health professionals establishes that, even with the provision of services, the parent is unlikely to be capable of adequately caring for the child within the time limits specified in subdivision (a).

The court shall not order reunification for a parent or guardian described in paragraph (3), (4), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) unless the court finds, by clear and convincing evidence, that reunification is in the best interest of the child.

In addition, the court shall not order reunification in any situation described in paragraph (5) of subdivision (b) unless it finds that, based on competent testimony, those services are likely to prevent reabuse or continued neglect of the child or that failure to try reunification will be detrimental to the child because the child is closely and positively attached to that parent. The social worker shall investigate the circumstances leading to the removal of the child and advise the court whether there are circumstances that indicate that reunification is likely to be successful or unsuccessful and whether failure to order reunification is likely to be detrimental to the child.

The failure of the parent to respond to previous services, the fact that the child was abused while the parent was under the influence of drugs or alcohol, a past history of violent behavior, or testimony by a competent professional that the parent's behavior is unlikely to be changed by services are among the factors indicating that reunification services are unlikely to be successful. The fact that a parent or guardian is no longer living with an individual who severely abused the child may be considered in deciding that reunification services are likely to be successful, provided that the court shall consider any pattern of behavior on the part of the parent that has exposed the child to repeated abuse.

(d) If reunification services are not ordered pursuant to paragraph (1) of subdivision (b) and the whereabouts of a parent become known within six months of the out-of-home placement of the child, the court shall order the social worker to provide family reunification services in accordance with this subdivision.

(e) (1) If the parent or guardian is incarcerated or institutionalized, the court shall order reasonable services unless the court determines, by clear and convincing evidence, those services would be detrimental to the child. In determining detriment, the court shall consider the age of the child, the degree of parent-child bonding, the length of the sentence, the nature of the treatment, the nature of the crime or illness, the degree of detriment to the child if services are not offered and, for children 10 years of age or older, the child's attitude toward the implementation of family reunification services, and any other appropriate factors. Reunification services are subject to the applicable time limitations

imposed in subdivision (a). Services may include, but shall not be limited to, all of the following:

(A) Maintaining contact between the parent and child through collect telephone calls.

(B) Transportation services, where appropriate.

(C) Visitation services, where appropriate.

(D) Reasonable services to extended family members or foster parents providing care for the child if the services are not detrimental to the child.

An incarcerated parent may be required to attend counseling, parenting classes, or vocational training programs as part of the service plan if these programs are available.

(2) The presiding judge of the juvenile court of each county may convene representatives of the county welfare department, the sheriff's department, and other appropriate entities for the purpose of developing and entering into protocols for ensuring the notification, transportation, and presence of an incarcerated or institutionalized parent at all court hearings involving proceedings affecting the child pursuant to Section 2625 of the Penal Code.

(3) Notwithstanding any other provision of law, if the incarcerated parent is a woman seeking to participate in the community treatment program operated by the Department of Corrections pursuant to Chapter 4.8 (commencing with Section 1174) of Title 7 of Part 2 of, Chapter 4 (commencing with Section 3410) of Title 2 of Part 3 of, the Penal Code, the court shall determine whether the parent's participation in a program is in the child's best interest and whether it is suitable to meet the needs of the parent and child.

(f) If the court, pursuant to paragraph (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) of subdivision (b) or paragraph (1) of subdivision (e), does not order reunification services, it shall, at the dispositional hearing, that shall include a permanency hearing, determine if a hearing under Section 366.26 shall be set in order to determine whether adoption, guardianship, or long-term foster care is the most appropriate plan for the child. If the court so determines, it shall conduct the hearing pursuant to Section 366.26 within 120 days after the dispositional hearing. However, the court shall not schedule a hearing so long as the other parent is being provided reunification services pursuant to subdivision (a). The court may continue to permit the parent to visit the child unless it finds that visitation would be detrimental to the child.

(g) Whenever a court orders that a hearing shall be held pursuant to Section 366.26, it shall direct the agency supervising the child and the licensed county adoption agency, or the State Department of Social Services when it is acting as an adoption agency in counties that are not

served by a county adoption agency, to prepare an assessment that shall include:

(1) Current search efforts for an absent parent or parents.

(2) A review of the amount of and nature of any contact between the child and his or her parents and other members of his or her extended family since the time of placement. Although the extended family of each child shall be reviewed on a case-by-case basis, ''extended family'' for the purpose of this paragraph shall include, but not be limited to, the child's siblings, grandparents, aunts, and uncles.

(3) An evaluation of the child's medical, developmental, scholastic, mental, and emotional status.

(4) A preliminary assessment of the eligibility and commitment of any identified prospective adoptive parent or guardian, particularly the caretaker, to include a social history including screening for criminal records and prior referrals for child abuse or neglect, the capability to meet the child's needs, and the understanding of the legal and financial rights and responsibilities of adoption and guardianship. If a proposed guardian is a relative of the minor, and the relative was assessed for foster care placement of the minor prior to January 1, 1998, the assessment shall also consider, but need not be limited to, all of the factors specified in subdivision (a) of Section 361.3. As used in this paragraph, ''relative'' means an adult who is related to the minor by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words ''great,'' ''great-great,'' or ''grand,'' or the spouse of any of those persons even if the marriage was terminated by death or dissolution.

(5) The relationship of the child to any identified prospective adoptive parent or guardian, the duration and character of the relationship, the motivation for seeking adoption or guardianship, and a statement from the child concerning placement and the adoption or guardianship, unless the child's age or physical, emotional, or other condition precludes his or her meaningful response, and if so, a description of the condition.

(6) An analysis of the likelihood that the child will be adopted if parental rights are terminated.

(h) In determining whether reunification services will benefit the child pursuant to paragraph (6) or (7) of subdivision (b), the court shall consider any information it deems relevant, including the following factors:

(1) The specific act or omission comprising the severe sexual abuse or the severe physical harm inflicted on the child or the child's sibling or half-sibling.

(2) The circumstances under which the abuse or harm was inflicted on the child or the child's sibling or half-sibling.

(3) The severity of the emotional trauma suffered by the child or the child's sibling or half-sibling.

(4) Any history of abuse of other children by the offending parent or guardian.

(5) The likelihood that the child may be safely returned to the care of the offending parent or guardian within 12 months with no continuing supervision.

(6) Whether or not the child desires to be reunified with the offending parent or guardian.

(i) The court shall read into the record the basis for a finding of severe sexual abuse or the infliction of severe physical harm under paragraph (6) of subdivision (b), and shall also specify the factual findings used to determine that the provision of reunification services to the offending parent or guardian would not benefit the child.

(j) This section shall become operative on January 1, 2006, unless a later enacted statute extends or deletes that date.

SEC. 12. Section 362.7 is added to the Welfare and Institutions Code, to read:

362.7. When the home of a nonrelative extended family member is being considered for placement of a child, the home shall be evaluated, and approval of that home shall be granted or denied, pursuant to the same standards set forth in the regulations for the licensing of foster family homes which prescribe standards of safety and sanitation for the physical plant and standards for basic personal care, supervision, and services provided by the caregiver.

A ''nonrelative extended family member'' is defined as any adult caregiver who has an established familial or mentoring relationship with the child. The county welfare department shall verify the existence of a relationship through interviews with the parent and child or with one or more third parties. The parties may include relatives of the child, teachers, medical professionals, clergy, neighbors, and family friends.

SEC. 12.3. Section 366 of the Welfare and Institutions Code is amended to read:

366. (a) (1) The status of every dependent child in foster care shall be reviewed periodically as determined by the court but no less frequently than once every six months, as calculated from the date of the original dispositional hearing, until the hearing described in Section 366.26 is completed. The court shall consider the safety of the child and shall determine all of the following:

(A) The continuing necessity for and appropriateness of the placement.

(B) The extent of the agency's compliance with the case plan in making reasonable efforts to return the child to a safe home and to

complete any steps necessary to finalize the permanent placement of the child.

(C) Whether the child has other siblings under the court's jurisdiction, and, if any siblings exist, all of the following:

(i) The nature of the relationship between the child and his or her siblings.

(ii) The appropriateness of developing or maintaining the sibling relationships pursuant to Section 16002.

(iii) If the siblings are not placed together in the same home, why the siblings are not placed together and what efforts are being made to place the siblings together, or why those efforts are not appropriate.

(iv) If the siblings are not placed together, the frequency and nature of the visits between siblings.

(v) The impact of the sibling relationships on the child's placement and planning for legal permanence.

(vi) The continuing need to suspend sibling interaction, if applicable, pursuant to subdivision (c) of Section 16002.

The factors the court may consider in making a determination regarding the nature of the child's sibling relationships may include, but are not limited to, whether the siblings were raised together in the same home, whether the siblings have shared significant common experiences or have existing close and strong bonds, whether either sibling expresses a desire to visit or live with his or her sibling, as applicable, and whether ongoing contact is in the child's best emotional interests.

(D) The extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care.

(2) The court shall project a likely date by which the child may be returned to and safely maintained in the home or placed for adoption, legal guardianship, or in another planned permanent living arrangement.

(b) Subsequent to the hearing, periodic reviews of each child in foster care shall be conducted pursuant to the requirements of Sections 366.3 and 16503.

(c) If the child has been placed out of state, each review described in subdivision (a) and any reviews conducted pursuant to Sections 366.3 and 16503 shall also address whether the out-of-state placement continues to be the most appropriate placement selection and in the best interests of the child.

(d) A child shall not be placed in an out-of-state group home, or remain in an out-of-state group home, unless the group home is in compliance with Section 7911.1 of the Family Code.

SEC. 12.6. Section 366.1 of the Welfare and Institutions Code is amended to read:

366.1. Each supplemental report required to be filed pursuant to Section 366 shall include, but not be limited to, a factual discussion of each of the following subjects:

(a) Whether the county welfare department social worker has considered child protective services, as defined in Chapter 5 (commencing with Section 16500) of Part 4 of Division 9, as a possible solution to the problems at hand, and has offered those services to qualified parents if appropriate under the circumstances.

(b) What plan, if any, for the return and maintenance of the child in a safe home is recommended to the court by the county welfare department social worker.

(c) Whether the subject child appears to be a person who is eligible to be considered for further court action to free the child from parental custody and control.

(d) What actions, if any, have been taken by the parent to correct the problems that caused the child to be made a dependent child of the court.

(e) Whether the child has any siblings under the court's jurisdiction, and, if any siblings exist, all of the following:

(1) The nature of the relationship between the child and his or her siblings.

(2) The appropriateness of developing or maintaining the sibling relationships pursuant to Section 16002.

(3) If the siblings are not placed together in the same home, why the siblings are not placed together and what efforts are being made to place the siblings together, or why those efforts are not appropriate.

(4) If the siblings are not placed together, the frequency and nature of the visits between siblings.

(5) The impact of the sibling relationships on the child's placement and planning for legal permanence.

The factual discussion shall include a discussion of indicators of the nature of the child's sibling relationships including, but not limited to, whether the siblings were raised together in the same home, whether the siblings have shared significant common experiences or have existing close and strong bonds, whether either sibling expresses a desire to visit or live with his or her sibling, as applicable, and whether ongoing contact is in the child's best emotional interests.

SEC. 13. Section 727 of the Welfare and Institutions Code is amended to read:

727. (a) When a minor is adjudged a ward of the court on the ground that he or she is a person described by Section 601 or 602 the court may make any and all reasonable orders for the care, supervision, custody, conduct, maintenance, and support of the minor, including medical treatment, subject to further order of the court. To facilitate coordination and cooperation among government agencies, the court may, after giving

notice and an opportunity to be heard, join in the juvenile court proceedings any agency that the court determines has failed to meet a legal obligation to provide services to the minor. However, no governmental agency shall be joined as a party in a juvenile court proceeding in which a minor has been ordered committed to the Department of the Youth Authority. In any proceeding in which an agency is joined, the court shall not impose duties upon the agency beyond those mandated by law. Nothing in this section shall prohibit agencies which have received notice of the hearing on joinder from meeting prior to the hearing to coordinate services for the minor.

The court has no authority to order services unless it has been determined through the administrative process of an agency that has been joined as a party, that the minor is eligible for those services. With respect to mental health assessment, treatment, and case management services pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code, the court's determination shall be limited to whether the agency has complied with that chapter.

In the discretion of the court, a ward may be ordered to be on probation without supervision of the probation officer. The court, in so ordering, may impose on the ward any and all reasonable conditions of behavior as may be appropriate under this disposition. A minor who has been adjudged a ward of the court on the basis of the commission of any of the offenses described in subdivision (b) or paragraph (2) of subdivision (d) of Section 707, Section 459 of the Penal Code, or subdivision (a) of Section 11350 of the Health and Safety Code, shall not be eligible for probation without supervision of the probation officer. A minor who has been adjudged a ward of the court on the basis of the commission of any offense involving the sale or possession for sale of a controlled substance, except misdemeanor offenses involving marijuana, as specified in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, or of an offense in violation of Section 12220 of the Penal Code, shall be eligible for probation without supervision of the probation officer only when the court determines that the interests of justice would best be served and states reasons on the record for that determination.

In all other cases, the court shall order the care, custody, and control of the minor to be under the supervision of the probation officer who may place the minor in any of the following:

(1) The approved home of a relative, or the approved home of a nonrelative, extended family member as defined in Section 362.7. When a decision has been made to place the minor in the home of a relative, the court may authorize the relative to give legal consent for the minor's medical, surgical, and dental care and education as if the relative caretaker were the custodial parent of the minor.

(2) A suitable licensed community care facility.

(3) With a foster family agency to be placed in a suitable licensed foster family home or certified family home which has been certified by the agency as meeting licensing standards.

(b) When a minor has been adjudged a ward of the court on the ground that he or she is a person described in Section 601 or 602 and the court finds that notice has been given in accordance with Section 661, and when the court orders that a parent or guardian shall retain custody of that minor either subject to or without the supervision of the probation officer, the parent or guardian may be required to participate with that minor in a counseling or education program including, but not limited to, parent education and parenting programs operated by community colleges, school districts, or other appropriate agencies designated by the court.

(c) The juvenile court may direct any and all reasonable orders to the parents and guardians of the minor who is the subject of any proceedings under this chapter as the court deems necessary and proper to carry out subdivisions (a) and (b), including orders to appear before a county financial evaluation officer and orders directing the parents or guardians to ensure the minor's regular school attendance and to make reasonable efforts to obtain appropriate educational services necessary to meet the needs of the minor.

When counseling or other treatment services are ordered for the minor, the parent, guardian, or foster parent shall be ordered to participate in those services, unless participation by the parent, guardian, or foster parent is deemed by the court to be inappropriate or potentially detrimental to the child.

SEC. 14. Section 11400 of the Welfare and Institutions Code is amended to read:

11400. For the purposes of this article, the following definitions shall apply:

(a) ''Aid to Families with Dependent Children-Foster Care (AFDC-FC)'' means the aid provided on behalf of needy children in foster care under the terms of this division.

(b) ''Case plan'' means a written document that, at a minimum, specifies the type of home in which the child shall be placed, the safety of that home, and the appropriateness of that home to meet the child's needs. It shall also include the agency's plan for ensuring that the child receive proper care and protection in a safe environment, and shall set forth the appropriate services to be provided to the child, the child's family, and the foster parents, in order to meet the child's needs while in foster care, and to reunify the child with the child's family. In addition, the plan shall specify the services that will be provided or steps that will

be taken to facilitate an alternate permanent plan if reunification is not possible.

(c) ''Certified family home'' means a family residence certified by a licensed foster family agency and issued a certificate of approval by that agency as meeting licensing standards, and used only by that foster family agency for placements.

(d) ''Family home'' means the family residency of a licensee in which 24-hour care and supervision are provided for children.

(e) ''Small family home'' means any residential facility, in the licensee's family residence, which provides 24-hour care for six or fewer foster children who have mental disorders or developmental or physical disabilities and who require special care and supervision as a result of their disabilities.

(f) ''Foster care'' means the 24-hour out-of-home care provided to children whose own families are unable or unwilling to care for them, and who are in need of temporary or long-term substitute parenting.

(g) ''Foster family agency'' means any individual or organization engaged in the recruiting, certifying, and training of, and providing professional support to, foster parents, or in finding homes or other places for placement of children for temporary or permanent care who require that level of care as an alternative to a group home. Private foster family agencies shall be organized and operated on a nonprofit basis.

(h) ''Group home'' means a nondetention privately operated residential home, organized and operated on a nonprofit basis only, of any capacity, that provides services in a group setting to children in need of care and supervision, as required by paragraph (1) of subdivision (a) of Section 1502 of the Health and Safety Code.

(i) ''Periodic review'' means review of a child's status by the juvenile court or by an administrative review panel, that shall include a consideration of the safety of the child, a determination of the continuing need for placement in foster care, evaluation of the goals for the placement and the progress toward meeting these goals, and development of a target date for the child's return home or establishment of alternative permanent placement.

(j) ''Permanency planning hearing'' means a hearing conducted by the juvenile court in which the child's future status, including whether the child shall be returned home or another permanent plan shall be developed, is determined.

(k) ''Placement and care'' refers to the responsibility for the welfare of a child vested in an agency or organization by virtue of the agency or organization having (1) been delegated care, custody, and control of a child by the juvenile court, (2) taken responsibility, pursuant to a relinquishment or termination of parental rights on a child, (3) taken the responsibility of supervising a child detained by the juvenile court

pursuant to Section 319 or 636, or (4) signed a voluntary placement agreement for the child's placement; or to the responsibility designated to an individual by virtue of his or her being appointed the child's legal guardian.

(*l*) ''Preplacement preventive services'' means services which are designed to help children remain with their families by preventing or eliminating the need for removal.

(m) ''Relative'' means an adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words ''great,'' ''great-great,'' or ''grand'' or the spouse of any of these persons even if the marriage was terminated by death or dissolution.

(n) ''Nonrelative extended family member'' means an adult caregiver who has an established familial or mentoring relationship with the child, as described in Section 362.7.

(o) ''Voluntary placement'' means an out-of-home placement of a child by (1) the county welfare department after the parents or guardians have requested the assistance of the county welfare department and have signed a voluntary placement agreement; or (2) the county welfare department licensed public or private adoption agency, or the department acting as an adoption agency, after the parents have requested the assistance of either the county welfare department, the licensed public or private adoption agency, or the department acting as an adoption agency for the purpose of adoption planning, and have signed a voluntary placement agreement.

(p) ''Voluntary placement agreement'' means a written agreement between either the county welfare department, a licensed public or private adoption agency, or the department acting as an adoption agency, and the parents or guardians of a child that specifies, at a minimum, the following:

(1) The legal status of the child.

(2) The rights and obligations of the parents or guardians, the child, and the agency in which the child is placed.

(q) ''Original placement date'' means the most recent date on which the court detained a child and ordered an agency to be responsible for supervising the child or the date on which an agency assumed responsibility for a child due to termination of parental rights, relinquishment, or voluntary placement.

(r) ''Transitional housing placement facility'' means either of the following:

(1) A community care facility licensed by the State Department of Social Services pursuant to Section 1559.110 of the Health and Safety Code to provide transitional housing opportunities to persons at least 16

years old, and not more than 18 years old unless they satisfy the requirements of Section 11403, who are in out-of-home placement under the supervision of the county department of social services or the county probation department, and who are participating in an independent living program.

(2) A facility certified to provide transitional housing services pursuant to subdivision (e) of Section 1559.110 of the Health and Safety Code.

(s) ''Transitional housing placement program'' means a program that provides supervised housing opportunities to eligible youth pursuant to Article 4 (commencing with Section 16522) of Chapter 5 of Part 4.

SEC. 15. Section 11401 of the Welfare and Institutions Code is amended to read:

11401. Aid in the form of AFDC-FC shall be provided under this chapter on behalf of any child under the age of 18 years, except as provided in Section 11403, who meets the conditions of subdivision (a), (b), (c), (d), (e), or (f):

(a) The child has been relinquished, for purposes of adoption, to a licensed adoption agency, or the department, or the parental rights of either or both of his or her parents have been terminated after an action under the Family Code has been brought by a licensed adoption agency or the department, provided that the licensed adoption agency or the department, if responsible for placement and care, provides to those children all services as required by the department to children in foster care.

(b) The child has been removed from the physical custody of his or her parent, relative, or guardian as a result of a voluntary placement agreement or a judicial determination that continuance in the home would be contrary to the child's welfare and that, if the child was placed in foster care, reasonable efforts were made, consistent with Chapter 5 (commencing with Section 16500) of Part 4, to prevent or eliminate the need for removal of the child from his or her home and to make it possible for the child to return to his or her home, and any of the following applies:

(1) The child has been adjudged a dependent child of the court on the grounds that he or she is a person described by Section 300.

(2) The child has been adjudged a ward of the court on the grounds that he or she is a person described by Sections 601 and 602.

(3) The child has been detained under a court order, pursuant to Section 319 or 636, that remains in effect.

(c) The child has been voluntarily placed by his or her parent or guardian pursuant to Section 11401.1.

(d) The child is living in the home of a nonrelated legal guardian.

(e) The child has been placed in foster care under the federal Indian Child Welfare Act. Sections 11402, 11404, and 11405 shall not be construed as limiting payments to Indian children, as defined in the federal Indian Child Welfare Act, placed in accordance with that act.

(f) To be eligible for federal financial participation, all of the following conditions shall exist:

(1) The child meets the conditions of subdivision (b).

(2) The child has been deprived of parental support or care for any of the reasons set forth in Section 11250.

(3) The child has been removed from the home of a relative as defined in Section 233.90(c)(1) of Title 45 of the Code of Federal Regulations, as amended.

(4) The requirements of Sections 671 and 672 of Title 42 of the United States Code, as amended, have been met.

SEC. 16. Section 11402 of the Welfare and Institutions Code is amended to read:

11402. In order to be eligible for AFDC-FC, a child shall be placed in one of the following:

(a) The approved home of a relative, provided the child is otherwise eligible for federal financial participation in the AFDC-FC payment.

(b) (1) The licensed family home of a nonrelative.

(2) The approved home of a nonrelative extended family member as described in Section 362.7.

(c) A licensed group home, as defined in subdivision (h) of Section 11400, provided that the placement worker has documented that the placement is necessary to meet the treatment needs of the child and that the facility offers those treatment services.

(d) The home of a nonrelated legal guardian or the home of a former nonrelated legal guardian when the guardianship of a child who is otherwise eligible for AFDC-FC has been dismissed due to the child's attaining 18 years of age.

(e) An exclusive-use home.

(f) A licensed transitional housing placement facility as described in Health and Safety Code Section 1559.110 and as defined in Section 11400.

(g) An out-of-state group home, provided that the placement worker, in addition to complying with all other statutory requirements for placing a minor in an out-of-state group home, documents that the requirements of Section 7911.1 of the Family Code have been met.

SEC. 17. Section 11461 of the Welfare and Institutions Code is amended to read:

11461. (a) For children placed in a licensed or approved family home with a capacity of six or less, or in an approved home of a relative or nonrelated legal guardian, or the approved home of a nonrelative

extended family member as described in Section 362.7, the per child per month rates in the following schedule shall be in effect for the period July 1, 1989, through December 31, 1989:

Age	Basic rate
0–4	$ 294
5–8	319
9–11	340
12–14	378
15–20	412

(b) (1) Any county that, as of October 1, 1989, has in effect a basic rate that is at the levels set forth in the schedule in subdivision (a), shall continue to receive state participation, as specified in subdivision (c) of Section 15200, at these levels.

(2) Any county that, as of October 1, 1989, has in effect a basic rate that exceeds a level set forth in the schedule in subdivision (a), shall continue to receive the same level of state participation as it received on October 1, 1989.

(c) The amounts in the schedule of basic rates in subdivision (a) shall be adjusted as follows:

(1) Effective January 1, 1990, the amounts in the schedule of basic rates in subdivision (a) shall be increased by 12 percent.

(2) Effective May 1, 1990, any county that did not increase the basic rate by 12 percent on January 1, 1990, shall do both of the following:

(A) Increase the basic rate in effect December 31, 1989, for which state participation is received by 12 percent.

(B) Increase the basic rate, as adjusted pursuant to subparagraph (A) by an additional 5 percent.

(3) (A) Except as provided in subparagraph (B), effective July 1, 1990, for the 1990–91 fiscal year, the amounts in the schedule of basic rates in subdivision (a) shall be increased by an additional 5 percent.

(B) The rate increase required by subparagraph (A) shall not be applied to rates increased May 1, 1990, pursuant to paragraph (2).

(4) Effective July 1, 1998, the amounts in the schedule of basic rates in subdivision (a) shall be increased by 6 percent. Notwithstanding any other provision of law, the 6-percent increase provided for in this paragraph shall, retroactive to July 1, 1998, apply to every county, including any county to which paragraph (2) of subdivision (b) applies, and shall apply to foster care for every age group.

(5) Notwithstanding any other provision of law, any increase that takes effect after July 1, 1998, shall apply to every county, including any county to which paragraph (2) of subdivision (b) applies, and shall apply to foster care for every age group.

(6) The increase in the basic foster family home rate shall apply only to children placed in a licensed foster family home receiving the basic rate or in an approved home of a relative or nonrelative extended family member, as described in Section 362.7 or nonrelated legal guardian receiving the basic rate. The increased rate shall not be used to compute the monthly amount that may be paid to licensed foster family agencies for the placement of children in certified foster homes.

(d) (1) (A) Beginning with the 1991–92 fiscal year, the schedule of basic rates in subdivision (a) shall be adjusted by the percentage changes in the California Necessities Index, computed pursuant to the methodology described in Section 11453, subject to the availability of funds.

(B) In addition to the adjustment in subparagraph (A) effective January 1, 2000, the schedule of basic rates in subdivision (a) shall be increased by 2.36 percent rounded to the nearest dollar.

(2) (A) Any county that, as of the 1991–92 fiscal year, receives state participation for a basic rate that exceeds the amount set forth in the schedule of basic rates in subdivision (a) shall receive an increase each year in state participation for that basic rate of one-half of the percentage adjustments specified in paragraph (1) until the difference between the county's adjusted state participation level for its basic rate and the adjusted schedule of basic rates is eliminated.

(B) Notwithstanding subparagraph (A), all counties for the 1999–2000 fiscal year shall receive an increase in state participation for the basic rate of the entire percentage adjustment described in paragraph (1).

(3) If a county has, after receiving the adjustments specified in paragraph (2), a state participation level for a basic rate that is below the amount set forth in the adjusted schedule of basic rates for that fiscal year, the state participation level for that rate shall be further increased to the amount specified in the adjusted schedule of basic rates.

(e) (1) As used in this section, ''specialized care increment'' means an approved amount paid with state participation on behalf of an AFDC-FC child requiring specialized care to a home listed in subdivision (a) in addition to the basic rate. On the effective date of this section, the department shall continue and maintain the current ratesetting system for specialized care.

(2) Any county that, as of the effective date of this section, has in effect specialized care increments that have been approved by the department, shall continue to receive state participation for those payments.

(3) Any county that, as of the effective date of this section, has in effect specialized care increments that exceed the amounts that have been approved by the department, shall continue to receive the same

level of state participation as it received on the effective date of this section.

(4) (A) Except for subparagraph (B), beginning January 1, 1990, specialized care increments shall be adjusted in accordance with the methodology for the schedule of basic rates described in subdivision (c) and (d). No county shall receive state participation for any increases in a specialized care increment which exceeds the adjustments made in accordance with this methodology.

(B) Notwithstanding subdivision (e) of Section 11460, for the 1993–94 fiscal year, an amount equal to 5 percent of the State Treasury appropriation for family homes shall be added to the total augmentation for the AFDC-FC program in order to provide incentives and assistance to counties in the area of specialized care. This appropriation shall be used, but not limited to, encouraging counties to implement or expand specialized care payment systems, to recruit and train foster parents for the placement of children with specialized care needs, and to develop county systems to encourage the placement of children in family homes. It is the intent of the Legislature that in the use of these funds, federal financial participation shall be claimed whenever possible.

(f) (1) As used in this section, ''clothing allowance'' means the amount paid with state participation in addition to the basic rate for the provision of additional clothing for an AFDC-FC child, including, but not limited to, an initial supply of clothing and school or other uniforms.

(2) Any county that, as of the effective date of this section, has in effect clothing allowances, shall continue to receive the same level as it received on the effective date of this section.

(3) Beginning January 1, 1990, except as provided in paragraph (4), clothing allowances shall be adjusted annually in accordance with the methodology for the schedule of basic rates described in subdivision (c) and (d). No county shall be reimbursed for any increases in clothing allowances which exceed the adjustments made in accordance with this methodology.

(4) For the 2000–01 fiscal year and each fiscal year thereafter, without a county share of cost, notwithstanding subdivision (c) of Section 15200, each child shall be entitled to receive a supplemental clothing allowance of one hundred dollars ($100) per year subject to the availability of funds. The clothing allowance shall be used to supplement, and not supplant, the clothing allowance specified in paragraph (1).

SEC. 18. Section 16504.5 of the Welfare and Institutions Code is amended to read:

16504.5. (a) Notwithstanding any other provision of law, pursuant to subdivision (b) of Section 11105 of the Penal Code, a child welfare agency may secure from an appropriate governmental agency the state

summary criminal history information, as defined in subdivision (a) of Section 11105 of the Penal Code, through the California Law Enforcement Telecommunications System for the following purposes:

(1) To conduct an investigation pursuant to Section 11166.3 of the Penal Code or an investigation involving a child in which the child is alleged to come within the jurisdiction of the juvenile court under Section 300.

(2) To assess the appropriateness and safety of placing a child who has been detained or is a dependent of the court, in the approved home of a relative pursuant to Section 309 or 361.4, or the approved home of a nonrelative extended family member as described in Section 362.7.

(3) To attempt to locate a parent or guardian pursuant to Section 311 of a child who is the subject of dependency court proceedings.

(b) Any time that a child welfare agency initiates a criminal background check through the California Law Enforcement Telecommunications System, the agency shall ensure that a fingerprint check is initiated within five judicial days of the check, unless the whereabouts of the subject of the check are unknown or the subject of the check refuses to submit to the fingerprint check. The Department of Justice shall provide the requesting agency a copy of all criminal history information regarding an individual that it maintains pursuant to subdivision (b) of Section 11105 of the Penal Code.

(c) Law enforcement personnel shall cooperate with requests for criminal history information authorized pursuant to this section and shall provide the information to the requesting entity in a timely manner.

(d) Any law enforcement officer or person authorized by this section to receive the information who obtains the information in the record and knowingly provides the information to a person not authorized by law to receive the information is guilty of a misdemeanor as specified in Section 11142 of the Penal Code.

(e) Information obtained pursuant to this section shall not be used for any purposes other than those described in subdivision (a).

(f) Nothing in this section shall preclude a relative or other person living in a relative's home from refuting any of the information obtained by law enforcement if the individual believes the criminal records check revealed erroneous information.

SEC. 19. Section 16507.5 of the Welfare and Institutions Code is amended to read:

16507.5. (a) When a minor is separated or is in the process of being separated from the minor's family under the provisions of a voluntary placement agreement, the county welfare department or a licensed private or public adoption agency social worker shall make any and all reasonable and necessary provisions for the care, supervision, custody,

conduct, maintenance, and support of the minor, including medical treatment.

Responsibility for placement and care of the minor shall be with the social worker who may place the minor in any of the following:

(1) The approved home of a relative or the approved home of a nonrelative extended family member as described in Section 362.7.

(2) A suitable licensed community care facility.

(3) With a foster family agency to be placed in a suitable licensed home or other family home which has been certified by the agency as meeting licensing standards.

(4) A home or facility in accordance with the federal Indian Child Welfare Act.

(b) The granting of a community care license or approval status does not entitle the caregiver to the placement of a specific child or children. Placement is based on the child's needs and best interests.

SEC. 20. Section 16518 of the Welfare and Institutions Code is amended to read:

16518. The State Department of Social Services, in consultation with county placement agencies, foster care providers, and other interested community parties, shall establish criteria to be used for conducting a comprehensive home study of a licensed or foster parent that evaluates the ability, readiness, and willingness of the licensed foster parent to meet the varying needs of children, including, but not limited to, hard-to-place children. The department shall consult with the Task Force on Accreditation of Services for Children established pursuant to Section 1565 of the Health and Safety Code, and shall, as appropriate, consider the accreditation standards that are included in the accreditation plan when developing the home study criteria. The home study criteria developed pursuant to this section shall become operative at such time as the regulations adopted pursuant to Section 1521.6 of the Health and Safety Code are filed with the Secretary of State.

SEC. 21. Notwithstanding the provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, on and before June 30, 2002, the State Department of Social Services may implement the applicable provisions of this act through all county letters or similar instructions from the director.

The director shall adopt regulations, as otherwise necessary, to implement the applicable provisions of this act no later than July 1, 2002. Emergency regulations to implement the applicable provisions of this act may be adopted by the director in accordance with the Administrative Procedures Act.

SEC. 22. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains

costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

SEC. 23. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to clarify in statute that the state is in compliance with the federal Adoptions and Safe Families Act of 1997 and entitled to continue claiming foster care administrative and maintenance payments under Title IV-E of the Social Security Act for relatives and nonrelative extended family member placements, it is necessary that this act take effect immediately.

CHAPTER 654

An act to amend Section 19325 of, and to add Section 19325.1 to, the Education Code, relating to the State Library, and making an appropriation therefor.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) Thousands of California citizens have disabilities that prevent them from directly accessing conventional print material due to visual impairments, dyslexia, and orthopedic disabilities, which prevent the physical manipulation of print materials.

(b) For decades there have been governmental and nonprofit organizations dedicated to providing access to reading materials on a wide variety of subjects by way of Braille, large print, or audio tape recordings.

(c) Access to time-sensitive or local or regional publications, or both, is not feasible to produce through these traditional means and formats.

(d) Lack of direct and prompt access to these materials, such as newspapers, magazines, newsletters, broadcast media schedules, and other time-sensitive materials has a detrimental effect on the educational

opportunities, literacy, and opportunity for full participation in governmental and community forums by people with print disabilities.

(e) The California State Library, through the leadership of State Librarian Dr. Kevin Starr, has caused to be established in five locations throughout California high technology systems that provide access to previously inaccessible material by use of a standard telephone.

(f) These telephonic reading systems are currently underutilized because they are capable of serving many more people than can call without incurring long distance telephone charges.

(g) It is not cost-effective to establish the hundreds of locations necessary to give print disabled Californians local telephone call access to those locations.

(h) Toll-free access to current and future telephonic reading systems operated by governmental or nonprofit organizations in California will provide meaningful access to this important print material for all Californians with print disabilities.

SEC. 2. This bill may be known and shall be cited as the Kevin Starr Access to Information Act of 2001.

SEC. 3. Section 19325 of the Education Code is amended to read:

19325. The State Librarian may provide the following:

(a) Toll-free telephone services for registered patrons of the federally designated regional libraries for the blind and physically handicapped, in order to enable those persons to have direct patron access to library services.

(b) Toll-free telephone access to telephonic reading systems for individuals with print disabilities who are registered patrons of the federally designated regional libraries for the blind and physically handicapped.

SEC. 4. Section 19325.1 is added to the Education Code, to read:

19325.1. (a) The State Librarian may operate a telephonic reading system, fund the operation of telephonic reading systems operated by qualifying entities, or both.

(b) As used in this section, the following terms have the following meanings, unless otherwise indicated:

(1) ''Telephonic reading system'' means a system operated by the State Librarian or a qualifying entity, whereby a caller can hear the reading of material such as newspapers, magazines, newsletters, broadcast media schedules, transit route and schedule information, and other reference or time-sensitive materials, as determined by the operator of the system.

(2) ''Qualifying entity'' means any agency, instrumentality, or political subdivision of the state or any nonprofit organization whose primary mission is to provide services to people who are blind or visually impaired.

(c) Qualifying entities that were eligible, as of January 1, 2001, to receive funds from the State Librarian relating to the operation of a telephonic reading system may continue to receive funding from the State Librarian.

(d) The State Librarian, in cooperation with qualifying entities, may expand the type and scope of materials available on telephonic reading systems in order to meet the local, regional, or foreign language needs of print-disabled residents of this state. The State Librarian may also expand the scope of services and availability of telephonic reading services by current methods and technologies or by methods and technologies that may be developed. The State Librarian may inform current and potential patrons of the availability of telephonic reading service through appropriate means, including, but not limited to, direct mailings, direct telephonic contact, and public service announcements.

(f) The State Librarian may enter into contracts or other agreements that he or she determines to be appropriate to provide telephonic reading services pursuant to this section.

SEC. 5. The sum of eight hundred thirty thousand dollars ($830,000) is hereby appropriated from the California Teleconnect Fund Administrative Committee Fund to the California State Library to fund the seven existing telephonic reading centers in Los Angeles, San Diego, Fresno, San Francisco, and Sacramento until July 1, 2002. Any funds appropriated to the California State Library pursuant to this section, which are not encumbered on or before July 1, 2002, shall revert to the California Teleconnect Fund Administrative Committee Fund.

CHAPTER 655

An act to add Section 14115.8 of the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature that the gap in per student recovery for medicaid reimbursements for services by local education agencies between California and the three states recovering the most per student from the federal government be reduced as rapidly as possible. In order to accomplish this intent, the Legislature finds that the activities of the State Department of Health Services, required by this act, are a state priority. Accordingly, to accomplish all of the tasks

required by this act it is recognized that additional staff, contract or otherwise, may be needed initially. Nothing in this act shall be interpreted to affect the Medi-Cal Administrative Activities program.

SEC. 2. Section 14115.8 is added to the Welfare and Institutions Code, to read:

14115.8. (a) (1) The department shall amend the medicaid state plan with respect to the billing option for services by local education agencies, to ensure that schools shall be reimbursed for all eligible services that they provide that are not precluded by federal requirements.

(2) The department shall examine methodologies for increasing school participation in the Medi-Cal billing option for local education agencies so that schools can meet the health care needs of their students.

(3) The department, to the extent possible shall simplify claiming processes for local education agency billing.

(4) The department shall eliminate and modify state plan and regulatory requirements that exceed federal requirements when they are unnecessary.

(b) If a rate study for the LEA Medi-Cal billing option is completed pursuant to Section 52 of Chapter 171 of the Statutes of 2001, the department, in consultation with the entities named in subdivision (c), shall implement the recommendations from the study, to the extent feasible and appropriate.

(c) In order to assist the department in formulating the state plan amendments required by subdivisions (a) and (b), the department shall regularly consult with the State Department of Education, representatives of urban, rural, large and small school districts, and county offices of education, the local education consortium, local education agencies, and the local education agency technical assistance project. It is the intent of the Legislature that the department also consult with staff from Region IX of the federal Centers for Medicare and Medicaid Services, experts from the fields of both health and education, and state legislative staff.

(d) Notwithstanding any other provision of law, or any other contrary state requirement, the department shall take whatever action is necessary to ensure that, to the extent there is capacity in its certified match, a local education agency shall be reimbursed retroactively for the maximum period allowed by the federal government for any department change that results in an increase in reimbursement to local education agency providers.

(e) The department may undertake all necessary activities to recoup matching funds from the federal government for reimbursable services that have already been provided in the state's public schools. The department shall prepare and take whatever action is necessary to

implement all regulations, policies, state plan amendments, and other requirements necessary to achieve this purpose.

(f) The department shall file an annual report with the Legislature that shall include at least all of the following:

(1) A copy of the annual comparison required by subdivision (i).

(2) A state-by-state comparison of school-based medicaid total and per eligible child claims and federal revenues. The comparison shall include a review of the most recent two years for which completed data is available.

(3) A summary of department activities and an explanation of how each activity contributed toward narrowing the gap between California's per eligible student federal fund recovery and the per student recovery of the top three states.

(4) A listing of all school-based services, activities, and providers approved for reimbursement by the federal Centers for Medicare and Medicaid Services in other state plans that are not yet approved for reimbursement in California's state plan and the service unit rates approved for reimbursement.

(5) The official recommendations made to the department by the entities named in subdivision (c) and the action taken by the department regarding each recommendation.

(6) A one-year timetable for state plan amendments and other actions necessary to obtain reimbursement for those items listed in paragraph (4).

(7) Identify any barriers to local education agency reimbursement, including those specified by the entities named in subdivision (c), that are not imposed by federal requirements, and describe the actions that have been, and will be, taken to eliminate them.

(g) (1) These activities shall be funded and staffed by proportionately reducing federal Medi-Cal payments allocable to local educational agencies for the provision of benefits funded by the federal Medi-Cal program under the billing option for services by local educational agencies specified in this section. Moneys collected as a result of the reduction in federal Medi-Cal payments allocable to local educational agencies shall be deposited into the Local Education Agency Medi-Cal Recovery Account, which is hereby established in the Special Deposit Fund established pursuant to Section 16370 of the Government Code. These funds shall be used only to support the department to meet all the requirements of this section. As of January 1, 2006, unless the Legislature enacts a new statute or extends the date beyond January 1, 2006, all funds in the Local Education Agency Medi-Cal Recovery Account shall be returned proportionally to all local educational agencies whose federal Medi-Cal funds were used to create this account.

The annual amount funded shall not exceed one million five hundred thousand dollars ($1,500,000).

(2) Commencing with the 2003–04 fiscal year, funding received pursuant to paragraph (1) shall derive only from federal medicaid funds that exceed the baseline amount of local educational agency medicaid billing option revenues for the 2000–01 fiscal year.

(h) (1) The department may enter into a sole source contract to comply with the requirements of this section.

(2) The level of additional staff to comply with the requirements of this section, including, but not limited to, staff for which the department has contracted for pursuant to paragraph (1), shall be limited to that level that can be funded with revenues derived pursuant to subdivision (g).

(i) The activities of the department shall include all of the following:

(1) An annual comparison of the school-based medicaid systems in comparable states.

(2) Efforts to improve communications with the federal government, the State Department of Education, and local education agencies.

(3) The development and updating of written guidelines to local education agencies regarding best practices to avoid audit exceptions, as needed.

(4) The establishment and maintenance of a local education agency friendly interactive Web site.

(j) Subdivisions (e) to (i), inclusive, shall become inoperative on January 1, 2006.

CHAPTER 656

An act to amend Section 25212 of, and to add Article 10.2 (commencing with Section 25214.5) to Chapter 6.5 of Division 20 of, the Health and Safety Code, and to amend the heading of Division 12.2 (commencing with Section 15000) of, to amend Section 42175.1 of, to add Chapter 5 (commencing with Section 15025) to Division 12.2 of, and to repeal Section 42176 of, the Public Resources Code, relating to mercury.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. This act shall be known and may be cited as the California Mercury Reduction Act of 2001.

SEC. 2. The Legislature finds and declares all of the following:

(a) Mercury is a persistent and toxic pollutant that bioaccumulates in the environment and in the food chain.

(b) Due to the bioaccumulation of mercury and other contaminants in fish, the California Environmental Protection Agency has issued a warning advising that adults and women who are pregnant or who may become pregnant should limit their fish intake from several state waterways.

(c) Increasingly stringent mercury discharge limits for wastewater treatment plants make identification and elimination of unnecessary sources of mercury a critical task where the cost of mercury removal at a wastewater treatment plant is far greater than the societal benefits of continuing use of those products as currently formulated.

(d) The mercury in one fever thermometer is enough to contaminate more than 200 million gallons of water.

(e) There are accurate and safe alternatives to mercury fever thermometers that are readily available and comparable in cost.

(f) Each year, fever thermometers containing an estimated 17 tons of mercury are discarded to municipal solid waste in the United States.

(g) An estimated 130 to 180 tons of mercury are in the hood and trunk switches of automobiles currently in use or at automotive recycling yards throughout the United States.

(h) Mercury from consumer products can enter the environment, and ultimately the state's waterways, directly through vaporization or spillage when broken during use, transportation, or disposal.

(i) Any person or business engaged in the dismantling or crushing of motor vehicles is encouraged to remove mercury-containing motor vehicle light switches that are mounted on the hood or trunk of the vehicle, including any housing of the switch.

SEC. 3. Section 25212 of the Health and Safety Code is amended to read:

25212. (a) Any person who, pursuant to Section 42175 of the Public Resources Code, removes from a major appliance any material that requires special handling, that is a hazardous waste under this chapter, is a hazardous waste generator and shall comply with all provisions of this chapter applicable to generators of hazardous waste.

(b) All materials that require special handling that have been removed from a major appliance pursuant to Section 42175 of the Public Resources Code, and that are hazardous wastes, shall be managed in accordance with this chapter.

(c) Any person who fails to comply with the requirements of Section 42175 of the Public Resources Code is in violation of this chapter.

(d) (1) The department or a local health officer or other public officer authorized pursuant to Article 8 (commencing with Section 25180), including, when applicable, a certified unified program agency (CUPA)

or a unified program agency within the jurisdiction of a CUPA, shall incorporate both of the following into the existing inspection and enforcement activities of the department or the local health officer or other public officer:

(A) The regulation of materials that require special handling that, when removed from a major appliance, is hazardous waste.

(B) The enforcement of the requirements of Section 42175 of the Public Resources Code.

(2) The department, local health officers, or other public officers shall coordinate their activities as needed to identify and regulate materials that require special handling that, when removed from major appliances, are hazardous wastes that are transported from one jurisdiction to another.

SEC. 4. Article 10.2 (commencing with Section 25214.5) is added to Chapter 6.5 of Division 20 of the Health and Safety Code, to read:

Article 10.2. Motor Vehicle Switches

25214.5. For purposes of this article, ''mercury-containing motor vehicle light switch'' means any motor vehicle light switch found in the hood or trunk of a motor vehicle that contains mercury.

25214.6. Any mercury-containing motor vehicle light switch removed from a motor vehicle is subject to Chapter 23 (commencing with Section 66273.1) of Division 4.5 of Title 22 of the California Code of Regulations, and any other applicable regulation adopted by the department pursuant to this chapter, including, but not limited to, standards for the handling of hazardous waste, standards for destination facilities, requirements for the tracking of universal waste shipments, import requirements, and the regulations governing different products.

25214.7. The department shall do all of the following:

(a) Coordinate with local agencies to provide technical assistance to businesses engaged in the dismantling or crushing of motor vehicles concerning the safe removal and proper disposal of mercury-containing light switches from motor vehicles, including information about vehicle makes and models that contain mercury light switches and entities that provide mercury recycling services.

(b) Coordinate and encourage entities, such as associations representing motor vehicle repair shops, to offer to the public the replacement and recycling of mercury-containing motor vehicle light switches.

(c) Make available to the public information concerning services to replace and recycle mercury-containing motor vehicle light switches.

25214.8. On or before January 1, 2004, the department shall report to the appropriate policy and fiscal committees of the Legislature on both of the following:

(a) The success of efforts to remove mercury-containing vehicle light switches from vehicles pursuant to Section 25214.6.

(b) Compliance with the requirement to remove mercury-containing appliance switches pursuant to Section 42175 of the Public Resources Code.

SEC. 5. The heading of Division 12.2 (commencing with Section 15000) of the Public Resources Code is amended to read:

DIVISION 12.2. PRODUCTS CONTAINING TOXIC METALS

SEC. 6. Chapter 5 (commencing with Section 15025) is added to Division 12.2 of the Public Resources Code, to read:

CHAPTER 5. CONSUMER PRODUCTS CONTAINING MERCURY

15025. For purposes of this article, the following terms have the following meanings:

(a) ''Mercury-added novelty'' means a mercury-added product intended mainly for personal or household enjoyment or adornment. A ''mercury-added novelty'' includes, but is not limited to, any item intended for use as a practical joke, figurine, adornment, toy, game, card, ornament, yard statue or figure, candle, jewelry, holiday decoration, and item of apparel, including footwear.

(b) ''Mercury fever thermometer'' means a mercury-added product that is used for measuring body temperature. Mercury fever thermometer does not include a digital thermometer that uses mercuric oxide button cell batteries.

(c) ''School'' means any school used for the purpose of the education of more than 12 children in kindergarten or any of grades 1 to 12, inclusive.

15026. (a) On and after July 1, 2002, no person, other than a person licensed pursuant to Article 9 (commencing with Section 4140) of Chapter 9 of Division 2 of the Business and Professions Code, may sell at retail, or otherwise supply, a mercury fever thermometer to a consumer or patient in this state. A mercury fever thermometer may be sold at retail, or otherwise supplied to a consumer or patient only upon the prescription of a physician, dentist, veterinarian, or podiatrist. A mercury fever thermometer sold at retail shall be accompanied by clear written instructions concerning careful handling to avoid breakage and proper cleanup should breakage occur.

(b) A violation of subdivision (a) is a violation of the requirements of Chapter 9 (commencing with Section 4000) of Division 2 of the Business and Professions Code and the California State Board of Pharmacy shall enforce the requirements of subdivision (a) in accordance with Chapter 9.

15027. (a) On and after January 1, 2003, no person shall manufacture, offer for final sale or use, or distribute for promotional purposes in this state, a mercury-added novelty, if the manufacturer, seller, or distributor knows, or has reason to know, that the product contains mercury. A person who manufactures or distributes any mercury-added novelty shall notify each retailer regarding the requirements of this section and how to dispose of the remaining inventory in accordance with Chapter 6.5 (commencing with Section 25100) of Division 20 of the Health and Safety Code.

(b) A violation of subdivision (a) is a violation of Article 2 (commencing with Section 108550) of Chapter 5 of Part 3 of Division 104 of the Health and Safety Code and, for purposes of that article, ''mercury-added novelties'' shall be deemed to be toys. The State Department of Health Services may take action against mercury-added novelties in the same manner as it is authorized to take action against toys, except that a violation of subdivision (a) is a misdemeanor punishable by a fine not to exceed one thousand dollars ($1,000) for each violation, or by imprisonment in the county jail for a period not to exceed one year, or by both that fine and imprisonment.

15028. No school in this state shall purchase, for use in the classroom, elemental mercury, mercury compounds, or mercury-added laboratory measurement devices, chemicals, and related materials, except measuring devices used in school laboratories for which the school district determines no adequate substitute exists.

15029. No person may sell or offer for sale in this state a vehicle manufactured on or after January 1, 2005, that contains a mercury-containing motor vehicle light switch, as defined in Section 25214.5 of the Health and Safety Code, mounted on the hood or trunk.

SEC. 7. Section 42175.1 of the Public Resources Code is amended to read:

42175.1. (a) Any hazardous material that becomes a hazardous waste when released or removed from any major appliance shall be managed pursuant to Article 10.1 (commencing with Section 25211) of Chapter 6.5 of Division 20 of the Health and Safety Code.

(b) Any mercury-containing motor vehicle light switch that becomes a hazardous waste when released or removed from any vehicle shall be managed pursuant to Article 10.2 (commencing with Section 25214.5) of Chapter 6.5 of Division 20 of the Health and Safety Code.

(c) Failure to comply with the requirements of Section 42175 is a violation of Chapter 6.5 (commencing with Section 25100) of Division 20 of the Health and Safety Code.

SEC. 8. Section 42176 of the Public Resources Code is repealed.

SEC. 9. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 657

An act to amend Section 23401.2 of, and to repeal and add Section 23100 of, the Business and Professions Code, relating to alcoholic beverages.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 23100 of the Business and Professions Code is repealed.

SEC. 2. Section 23100 is added to the Business and Professions Code, to read:

23100. Any person in possession of a stock of lawfully acquired alcoholic beverages following the revocation of, suspension of, voluntary surrender of, or failure to renew, the license may sell the stock, under supervision of the department in the manner as the department by rule provides, to licensees authorized to sell the alcoholic beverages.

SEC. 3. Section 23104.2 of the Business and Professions Code is amended to read:

23104.2. (a) Subject to the exceptions specified in subdivision (b), a retail licensee may return beer to the wholesaler or manufacturer from whom the retail licensee purchased the beer, or any successor thereto, and the wholesaler, manufacturer, or successor thereto may accept that return if the beer is returned in exchange for the identical quantity and brand of beer. No wholesaler or manufacturer, or any successor thereto, shall accept the return of any beer from a retail licensee except when the beer delivered was not the brand or size container ordered by the retail

licensee or the amount delivered was other than the amount ordered, in which case the order may be corrected by the wholesaler or manufacturer who sold the beer, or any successor thereto. If a package had been broken or otherwise damaged prior to or at the time of actual delivery, a credit memorandum may be issued for the returned package by the wholesaler or manufacturer who sold the beer, or any successor thereto, in lieu of exchange for an identical package when the return and corrections are completed within 15 days from the date the beer was delivered to the retail licensee.

(b) Notwithstanding subdivision (a), a wholesaler or manufacturer, or any successor thereto, may accept the return of beer purchased from that wholesaler, manufacturer, or successor thereto, as follows:

(1) (A) From a seasonal or temporary licensee if at the termination of the period of the license the seasonal or temporary licensee has beer remaining unsold, or from an annual licensee operating on a temporary basis if at the termination of the temporary period the annual licensee has beer remaining unsold.

(B) For purposes of subparagraph (A), an annual licensee shall be considered to be operating on a temporary basis if he or she operates at seasonal resorts, including summer and winter resorts, or at sporting or entertainment facilities, including racetracks, arenas, concert halls, and convention centers. Temporary status shall be deemed terminated when operations cease for 15 days or more. No wholesaler or manufacturer, or successor thereto, shall accept the return of beer from an annual licensee considered to be operating on a temporary basis unless the licensee notifies that wholesaler or manufacturer, or successor thereto, within 15 days of the date the licensee's operations ceased.

(2) (A) Subject to subparagraph (B), a wholesaler or manufacturer, or any successor thereto, may, with department approval, accept the return of a brand of beer discontinued in a California market area or a seasonal brand of beer from a retail licensee, provided that the beer is exchanged for a quantity of beer of a brand produced or sold by the same manufacturer with a value no greater than the original sales price to the retail licensee of the returned beer. For purposes of this subparagraph, ''seasonal brand of beer'' means a brand of beer, as defined in Section 23006, that is brewed by a manufacturer to commemorate a specific holiday season and is so identified by appropriate product packaging and labeling.

(B) A discontinued brand of beer may not be reintroduced for a period of 12 months in the same California market area in which a return and exchange of that beer as described in subparagraph (A) has taken place. A seasonal brand of beer may not be reintroduced for a period of six months in the same California market area in which a return and exchange of that beer as described in subparagraph (A) has taken place.

(c) Notwithstanding subdivision (a), a wholesaler or manufacturer, or any successor thereto, may accept the return of beer purchased from that wholesaler or manufacturer, or any successor thereto, by the holder of a retail license following the revocation of, suspension of, voluntary surrender of, or failure to renew the retail license.

(d) A wholesaler or manufacturer, or any successor thereto, may credit the account of the retailer identified in subdivision (c) in an amount not to exceed the original sales price to the retailer of the returned beer, provided that the beer has been paid for in full.

CHAPTER 658

An act to amend Sections 12804.9, 14100, and 35400 of, and to add Sections 2429.3, 12804.10, and 12804.15 to, the Vehicle Code, relating to vehicles, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 2429.3 is added to the Vehicle Code, to read:

2429.3. (a) The commissioner shall appoint a committee of 12 members to develop a public awareness and outreach campaign to educate manufacturers, sellers, and owners of house cars, as described in subdivision (b) of Section 12804.10, regarding locations where those vehicles may be legally operated within the state. The committee shall consist of the commissioner, two members representing owners or operators of house cars, and one representative from each of the following:

(1) The Department of Transportation.
(2) The Department of Motor Vehicles.
(3) The Recreational Vehicle Industry Association.
(4) The California Recreational Vehicle Dealers Association.
(5) The National Recreational Vehicle Dealers Association.
(6) The Family Motor Coach Association.
(7) The Good Sam Club.
(8) The recreational vehicle manufacturing industry.
(9) The California Travel Parks Association.

(b) The committee shall develop a driver education safety video for operators of house cars. The video, as well as a map of the approved highways on which those vehicles may operate, shall be made available

to dealers of house cars. The committee shall encourage dealers to make copies of the video and map available to purchasers of those vehicles. The video shall be produced at no cost to the state.

(c) Committee members shall serve at the pleasure of the commissioner and without compensation.

SEC. 2. Section 12804.9 of the Vehicle Code, as amended by Section 16 of Chapter 1035 of the Statutes of 2000, is amended to read:

12804.9. (a) (1) The examination shall include all of the following:

(A) A test of the applicant's knowledge and understanding of the provisions of this code governing the operation of vehicles upon the highways.

(B) A test of the applicant's ability to read and understand simple English used in highway traffic and directional signs.

(C) A test of the applicant's understanding of traffic signs and signals, including the bikeway signs, markers, and traffic control devices established by the Department of Transportation.

(D) An actual demonstration of the applicant's ability to exercise ordinary and reasonable control in operating a motor vehicle by driving it under the supervision of an examining officer. The applicant shall submit to an examination appropriate to the type of motor vehicle or combination of vehicles he or she desires a license to drive, except that the department may waive the driving test part of the examination for any applicant who submits a license issued by another state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico if the department verifies through any acknowledged national driver record data source that there are no stops, holds, or other impediments to its issuance. The examining officer may request to see evidence of financial responsibility for the vehicle prior to supervising the demonstration of the applicant's ability to operate the vehicle. The examining officer may refuse to examine an applicant who is unable to provide proof of financial responsibility for the vehicle, unless proof of financial responsibility is not required by this code.

(E) A test of the hearing and eyesight of the applicant, and of other matters that may be necessary to determine the applicant's mental and physical fitness to operate a motor vehicle upon the highways, and whether any grounds exist for refusal of a license under this code.

(2) The examination for a class A or class B license under subdivision (b) shall also include a report of a medical examination of the applicant given not more than two years prior to the date of the application by a health care professional. As used in this subdivision, ''health care professional'' means a person who is licensed, certified, or registered in accordance with applicable state laws and regulations to practice medicine and perform physical examinations in the United States of

America. Health care professionals are doctors of medicine, doctors of osteopathy, physician assistants, and advanced practice nurses, or doctors of chiropractic who are clinically competent to perform the medical examination presently required of motor carrier drivers by the Federal Highway Administration. The report shall be on a form approved by the department, the Federal Highway Administration, or the Federal Aviation Administration. In establishing the requirements, consideration may be given to the standards presently required of motor carrier drivers by the Federal Highway Administration.

(3) Any physical defect of the applicant, which, in the opinion of the department, is compensated for to ensure safe driving ability, shall not prevent the issuance of a license to the applicant.

(b) Beginning on January 1, 1989, in accordance with the following classifications, any applicant for a driver's license shall be required to submit to an examination appropriate to the type of motor vehicle or combination of vehicles the applicant desires a license to drive:

(1) Class A includes the following:

(A) Any combination of vehicles, if any vehicle being towed has a gross vehicle weight rating of more than 10,000 pounds.

(B) Any vehicle towing more than one vehicle.

(C) Any trailer bus.

(D) The operation of all vehicles under class B and class C.

(2) Class B includes the following:

(A) Any single vehicle with a gross vehicle weight rating of more than 26,000 pounds.

(B) Any single vehicle with three or more axles, except any three-axle vehicle weighing less than 6,000 pounds.

(C) Any bus except a trailer bus.

(D) Any farm labor vehicle.

(E) Any single vehicle with three or more axles or a gross vehicle weight rating of more than 26,000 pounds towing another vehicle with a gross vehicle weight rating of 10,000 pounds or less.

(F) Any house car over 40 feet in length, excluding safety devices and safety bumpers.

(G) The operation of all vehicles covered under class C.

(3) Class C includes the following:

(A) Any two-axle vehicle with a gross vehicle weight rating of 26,000 pounds or less, including when the vehicle is towing a trailer or semitrailer with a gross vehicle weight rating of 10,000 pounds or less.

(B) Notwithstanding subparagraph (A), any two-axle vehicle weighing 4,000 pounds or more unladen when towing a trailer coach not exceeding 9,000 pounds gross.

(C) Any house car of 40 feet in length or less.

(D) Any three-axle vehicle weighing 6,000 pounds or less gross.

(E) Any house car of 40 feet in length or less or vehicle towing another vehicle with a gross vehicle weight rating of 10,000 pounds or less, including when a tow dolly is used. No vehicle shall tow another vehicle in violation of Section 21715.

(F) (i) Any two-axle vehicle weighing 4,000 pounds or more unladen when towing either a trailer coach or a fifth-wheel travel trailer not exceeding 10,000 pounds gross vehicle weight rating, when the towing of the trailer is not for compensation.

(ii) Any two-axle vehicle weighing 4,000 pounds or more unladen when towing a fifth-wheel travel trailer exceeding 10,000 pounds, but not exceeding 15,000 pounds, gross vehicle weight rating, when the towing of the trailer is not for compensation, and if the person has passed a specialized written examination provided by the department relating to the knowledge of this code and other safety aspects governing the towing of recreational vehicles upon the highway.

The authority to operate combinations of vehicles under this subparagraph shall be granted by endorsement on a class C license upon completion of that written examination.

(G) Any vehicle or combination of vehicles with a gross combination weight rating or a gross vehicle weight rating, as those terms are defined in subdivisions (g) and (h), respectively, of Section 15210, of 26,000 pounds or less, if all of the following conditions are met:

(i) Is operated by a farmer, an employee of a farmer, or an instructor credentialed in agriculture as part of an instructional program in agriculture at the high school, community college, or university level.

(ii) Is used exclusively in the conduct of agricultural operations.

(iii) Is not used in the capacity of a for-hire carrier or for compensation.

(H) Any motor vehicle over 4,000 pounds unladen when towing a boat trailer with a gross combination weight rating, as defined in subdivision (g) of Section 15210, of 26,000 pounds or less under the following conditions:

(i) The combination of vehicles is used to transport a boat for recreational purposes or to and from a place of repair.

(ii) The combination of vehicles is not used in the operations of a common or contract carrier or in the course of any business endeavor.

(iii) The towing of the trailer is not for compensation.

(iv) The combination of vehicles and its load are not of a size that requires a permit pursuant to Section 35780.

(I) Class C does not include any two-wheel motorcycle or any two-wheel motor-driven cycle.

(4) Class M1. Any two-wheel motorcycle or motor-driven cycle. Authority to operate vehicles included in a class M1 license may be

granted by endorsement on a class A, B, or C license upon completion of an appropriate examination.

(5) Class M2. Any motorized bicycle or moped, or any bicycle with an attached motor, except a motorized bicycle described in subdivision (b) of Section 406 and a motorized scooter described in Section 407.5. Authority to operate vehicles included in class M2 may be granted by endorsement on a class A, B, or C license upon completion of an appropriate examination. Persons holding a class M1 license or endorsement may operate vehicles included in class M2 without further examination.

(c) No driver's license or driver certificate shall be valid for operating any commercial motor vehicle, as defined in subdivision (b) of Section 15210, any other motor vehicle defined in paragraph (1) or (2) of subdivision (b), or any other vehicle requiring a driver to hold any driver certificate or any driver's license endorsement under Section 15275, unless a medical certificate approved by the department, the Federal Highway Administration, or the Federal Aviation Administration, that has been issued within two years of the date of the operation of that vehicle, is within the licensee's immediate possession, and a copy of the medical examination report from which the certificate was issued is on file with the department. Otherwise, the license shall be valid only for operating class C vehicles that are not commercial vehicles, as defined in subdivision (b) of Section 15210, and for operating class M1 or M2 vehicles, if so endorsed, that are not commercial vehicles, as defined in subdivision (b) of Section 15210.

(d) A license or driver certificate issued prior to the enactment of Chapter 7 (commencing with Section 15200) shall be valid to operate the class or type of vehicles specified under the law in existence prior to that enactment until the license or certificate expires or is otherwise suspended, revoked, or canceled.

(e) The department may accept a certificate of driving skill that is issued by an employer, authorized by the department to issue a certificate under Section 15250, of the applicant, in lieu of a driving test, on class A or B applications, if the applicant has first qualified for a class C license and has met the other examination requirements for the license for which he or she is applying. The certificate may be submitted as evidence of the applicant's skill in the operation of the types of equipment covered by the license for which he or she is applying.

(f) The department may accept a certificate of competence in lieu of a driving test on class M1 or M2 applications, when the certificate is issued by a law enforcement agency for its officers who operate class M1 or M2 vehicles in their duties, if the applicant has met the other examination requirements for the license for which he or she is applying.

(g) The department may accept a certificate of satisfactory completion of a novice motorcyclist training program approved by the commissioner pursuant to Section 2932 in lieu of a driving test on class M1 or M2 applications, if the applicant has met the other examination requirements for the license for which he or she is applying. The department shall review and approve the written and driving test used by a program to determine whether the program may issue a certificate of completion.

(h) Notwithstanding subdivision (b), any person holding a valid California driver's license of any class may operate a short-term rental motorized bicycle without taking any special examination for the operation of a motorized bicycle, and without having a class M2 endorsement on that license. As used in this paragraph, ''short-term'' means 48 hours or less.

(i) No person under the age of 21 years shall be issued a class M1 or M2 license or endorsement unless he or she provides evidence satisfactory to the department of completion of a motorcycle safety training program that is operated pursuant to Article 2 (commencing with Section 2930) of Chapter 5 of Division 2.

(j) Drivers of vanpool vehicles may operate with class C licenses but shall possess evidence of a medical examination required for a class B license when operating vanpool vehicles. In order to be eligible to drive the vanpool vehicle, the driver shall keep in the vanpool vehicle a statement, signed under penalty of perjury, that he or she has not been convicted of reckless driving, drunk driving, or a hit-and-run offense in the last five years.

(k) A class M license issued between January 1, 1989, and December 31, 1992, shall permit the holder to operate any motorcycle, motor-driven cycle, or motorized bicycle until the expiration of the license.

(*l*) This section shall remain in effect only until January 1, 2004, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2004, deletes or extends that date.

SEC. 2.5. Section 12804.9 of the Vehicle Code, as added by Section 16.5 of Chapter 1035 of the Statutes of 2000, is amended to read:

12804.9. (a) (1) The examination shall include all of the following:

(A) A test of the applicant's knowledge and understanding of the provisions of this code governing the operation of vehicles upon the highways.

(B) A test of the applicant's ability to read and understand simple English used in highway traffic and directional signs.

(C) A test of the applicant's understanding of traffic signs and signals, including the bikeway signs, markers, and traffic control devices established by the Department of Transportation.

(D) An actual demonstration of the applicant's ability to exercise ordinary and reasonable control in operating a motor vehicle by driving it under the supervision of an examining officer. The applicant shall submit to an examination appropriate to the type of motor vehicle or combination of vehicles he or she desires a license to drive, except that the department may waive the driving test part of the examination for any applicant who submits a license issued by another state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico if the department verifies through any acknowledged national driver record data source that there are no stops, holds, or other impediments to its issuance. The examining officer may request to see evidence of financial responsibility for the vehicle prior to supervising the demonstration of the applicant's ability to operate the vehicle. The examining officer may refuse to examine an applicant who is unable to provide proof of financial responsibility for the vehicle, unless proof of financial responsibility is not required by this code.

(E) A test of the hearing and eyesight of the applicant, and of other matters that may be necessary to determine the applicant's mental and physical fitness to operate a motor vehicle upon the highways, and whether any grounds exist for refusal of a license under this code.

(2) The examination for a class A or class B license under subdivision (b) shall also include a report of a medical examination of the applicant given not more than two years prior to the date of the application by a health care professional. As used in this subdivision, ''health care professional'' means a person who is licensed, certified, or registered in accordance with applicable state laws and regulations to practice medicine and perform physical examinations in the United States of America. Health care professionals are doctors of medicine, doctors of osteopathy, physician assistants, and advanced practice nurses, or doctors of chiropractic who are clinically competent to perform the medical examination presently required of motor carrier drivers by the Federal Highway Administration. The report shall be on a form approved by the department, the Federal Highway Administration, or the Federal Aviation Administration. In establishing the requirements, consideration may be given to the standards presently required of motor carrier drivers by the Federal Highway Administration.

(3) Any physical defect of the applicant, which, in the opinion of the department, is compensated for to ensure safe driving ability, shall not prevent the issuance of a license to the applicant.

(b) In accordance with the following classifications, any applicant for a driver's license shall be required to submit to an examination

appropriate to the type of motor vehicle or combination of vehicles the applicant desires a license to drive:

(1) Class A includes the following:

(A) Any combination of vehicles, if any vehicle being towed has a gross vehicle weight rating of more than 10,000 pounds.

(B) Any vehicle towing more than one vehicle.

(C) Any trailer bus.

(D) The operation of all vehicles under class B and class C.

(2) Class B includes the following:

(A) Any single vehicle with a gross vehicle weight rating of more than 26,000 pounds.

(B) Any single vehicle with three or more axles, except any three-axle vehicle weighing less than 6,000 pounds.

(C) Any bus except a trailer bus.

(D) Any farm labor vehicle.

(E) Any single vehicle with three or more axles or a gross vehicle weight rating of more than 26,000 pounds towing another vehicle with a gross vehicle weight rating of 10,000 pounds or less.

(F) Any house car over 40 feet in length, excluding safety devices and safety bumpers.

(G) The operation of all vehicles covered under class C.

(3) Class C includes the following:

(A) Any two-axle vehicle with a gross vehicle weight rating of 26,000 pounds or less, including when the vehicle is towing a trailer or semitrailer with a gross vehicle weight rating of 10,000 pounds or less.

(B) Notwithstanding subparagraph (A), any two-axle vehicle weighing 4,000 pounds or more unladen when towing a trailer coach not exceeding 9,000 pounds gross.

(C) Any house car of 40 feet in length or less.

(D) Any three-axle vehicle weighing 6,000 pounds or less gross.

(E) Any house car of 40 feet in length or less or vehicle towing another vehicle with a gross vehicle weight rating of 10,000 pounds or less, including when a tow dolly is used. No vehicle shall tow another vehicle in violation of Section 21715.

(F) (i) Any two-axle vehicle weighing 4,000 pounds or more unladen when towing either a trailer coach or a fifth-wheel travel trailer not exceeding 10,000 pounds gross vehicle weight rating, when the towing of the trailer is not for compensation.

(ii) Any two-axle vehicle weighing 4,000 pounds or more unladen when towing a fifth-wheel travel trailer exceeding 10,000 pounds, but not exceeding 15,000 pounds, gross vehicle weight rating, when the towing of the trailer is not for compensation, and if the person has passed a specialized written examination provided by the department relating

to the knowledge of this code and other safety aspects governing the towing of recreational vehicles upon the highway.

The authority to operate combinations of vehicles under this subparagraph shall be granted by endorsement on a class C license upon completion of that written examination.

(G) Any vehicle or combination of vehicles with a gross combination weight rating or a gross vehicle weight rating, as those terms are defined in subdivisions (g) and (h), respectively, of Section 15210, of 26,000 pounds or less, if all of the following conditions are met:

(i) Is operated by a farmer, an employee of a farmer, or an instructor credentialed in agriculture as part of an instructional program in agriculture at the high school, community college, or university level.

(ii) Is used exclusively in the conduct of agricultural operations.

(iii) Is not used in the capacity of a for-hire carrier or for compensation.

(H) Class C does not include any two-wheel motorcycle or any two-wheel motor-driven cycle.

(4) Class M1. Any two-wheel motorcycle or motor-driven cycle. Authority to operate vehicles included in a class M1 license may be granted by endorsement on a class A, B, or C license upon completion of an appropriate examination.

(5) Class M2. Any motorized bicycle or moped, or any bicycle with an attached motor, except a motorized bicycle described in subdivision (b) of Section 406 and a motorized scooter described in Section 407.5. Authority to operate vehicles included in class M2 may be granted by endorsement on a class A, B, or C license upon completion of an appropriate examination. Persons holding a class M1 license or endorsement may operate vehicles included in class M2 without further examination.

(c) No driver's license or driver certificate shall be valid for operating any commercial motor vehicle, as defined in subdivision (b) of Section 15210, any other motor vehicle defined in paragraph (1) or (2) of subdivision (b), or any other vehicle requiring a driver to hold any driver certificate or any driver's license endorsement under Section 15275, unless a medical certificate approved by the department, the Federal Highway Administration, or the Federal Aviation Administration, that has been issued within two years of the date of the operation of that vehicle, is within the licensee's immediate possession, and a copy of the medical examination report from which the certificate was issued is on file with the department. Otherwise, the license shall be valid only for operating class C vehicles that are not commercial vehicles, as defined in subdivision (b) of Section 15210, and for operating class M1 or M2 vehicles, if so endorsed, that are not commercial vehicles, as defined in subdivision (b) of Section 15210.

(d) A license or driver certificate issued prior to the enactment of Chapter 7 (commencing with Section 15200) shall be valid to operate the class or type of vehicles specified under the law in existence prior to that enactment until the license or certificate expires or is otherwise suspended, revoked, or canceled.

(e) The department may accept a certificate of driving skill that is issued by an employer, authorized by the department to issue a certificate under Section 15250, of the applicant, in lieu of a driving test, on class A or B applications, if the applicant has first qualified for a class C license and has met the other examination requirements for the license for which he or she is applying. The certificate may be submitted as evidence of the applicant's skill in the operation of the types of equipment covered by the license for which he or she is applying.

(f) The department may accept a certificate of competence in lieu of a driving test on class M1 or M2 applications, when the certificate is issued by a law enforcement agency for its officers who operate class M1 or M2 vehicles in their duties, if the applicant has met the other examination requirements for the license for which he or she is applying.

(g) The department may accept a certificate of satisfactory completion of a novice motorcyclist training program approved by the commissioner pursuant to Section 2932 in lieu of a driving test on class M1 or M2 applications, if the applicant has met the other examination requirements for the license for which he or she is applying. The department shall review and approve the written and driving test used by a program to determine whether the program may issue a certificate of completion.

(h) Notwithstanding subdivision (b), any person holding a valid California driver's license of any class may operate a short-term rental motorized bicycle without taking any special examination for the operation of a motorized bicycle, and without having a class M2 endorsement on that license. As used in this paragraph, ''short-term'' means 48 hours or less.

(i) No person under the age of 21 years shall be issued a class M1 or M2 license or endorsement unless he or she provides evidence satisfactory to the department of completion of a motorcycle safety training program that is operated pursuant to Article 2 (commencing with Section 2930) of Chapter 5 of Division 2.

(j) Drivers of vanpool vehicles may operate with class C licenses but shall possess evidence of a medical examination required for a class B license when operating vanpool vehicles. In order to be eligible to drive the vanpool vehicle, the driver shall keep in the vanpool vehicle a statement, signed under penalty of perjury, that he or she has not been convicted of reckless driving, drunk driving, or a hit-and-run offense in the last five years.

(k) A class M license issued between January 1, 1989, and December 31, 1992, shall permit the holder to operate any motorcycle, motor-driven cycle, or motorized bicycle until the expiration of the license.

(*l*) This section shall become operative on January 1, 2004.

SEC. 3. Section 12804.10 is added to the Vehicle Code, to read:

12804.10. (a) Notwithstanding any other provision of law, a person issued a class C license under paragraph (3) of subdivision (b) of Section 12804.9 may drive any house car of 40 feet in length or less without obtaining a noncommercial class B driver's license with house car endorsement as described in subdivision (b).

(b) Any person seeking to drive any house car over 40 feet in length, excluding safety devices and safety bumpers, shall obtain a noncommercial class B driver's license with house car endorsement as described in this subdivision. The applicant for that endorsement shall pass a specialized written examination and demonstrate the ability to exercise ordinary and reasonable control in operating that vehicle by driving it under the supervision of an examining officer. Upon satisfactory completion of the examination and demonstration, the applicant shall be issued a noncommercial class B driver's license with house car endorsement by the department. Upon application for an endorsement to operate this vehicle, and every two years thereafter, the applicant shall submit medical information on a form approved by the department.

SEC. 4. Section 12804.15 is added to the Vehicle Code, to read:

12804.15. (a) Notwithstanding Section 362, for purposes of this section ''house car'' means a vehicle described in subdivision (b) of Section 12804.10.

(b) (1) Except as provided under paragraph (2), no person may operate a house car unless that person has in his or her possession a valid driver's license of the appropriate class and an endorsement thereto issued by the department to permit operation of the house car.

(2) A nonresident may not operate a house car in this state unless that person is in possession of an out-of-state driver's license authorizing the operation of that vehicle.

(c) An endorsement to drive a house car may be issued only if the applicant meets all of the following conditions:

(1) The applicant successfully completes an examination prescribed by the department to determine qualification for the endorsement.

(2) Upon initial application and every two years thereafter, the applicant submits medical information on a form approved by the department to verify that the person meets the minimum medical requirements established by the department for operation of a house car.

(3) Upon application for issuance of an original driver's license or renewal driver's license pursuant to subdivision (b) of Section 12804.10, there shall be paid to the department a fee of thirty-four dollars ($34) for a license that will expire on the applicant's fifth birthday following the date of the application.

(d) The department may deny, suspend, or revoke an endorsement to drive a house car when the applicant does not meet any requirement for the issuance or retention of the endorsement.

SEC. 5. Section 14100 of the Vehicle Code is amended to read:

14100. (a) Whenever the department has given notice, or has taken or proposes to take action under Section 12804.15, 13353, 13353.2, 13950, 13951, 13952, or 13953, the person receiving the notice or subject to the action may, within 10 days, demand a hearing which shall be granted, except as provided in Section 14101.

(b) An application for a hearing does not stay the action by the department for which the notice is given.

(c) The fact that a person has the right to request an administrative hearing within 10 days after receipt of the notice of the order of suspension under this section and Section 16070, and that the request is required to be made within 10 days in order to receive a determination prior to the effective date of the suspension shall be made prominent on the notice.

(d) The department shall make available notices, to accompany the notice provided pursuant to this section, that provide the information required pursuant to subdivision (c) in all non-English languages spoken by a substantial number of the public served by the department, and shall distribute the notices as it determines is appropriate.

(e) The department shall implement the provisions of subdivisions (c) and (d) as soon as practicable, but not later than January 1, 1994.

SEC. 6. Section 35400 of the Vehicle Code is amended to read:

35400. (a) No vehicle shall exceed a length of 40 feet.

(b) This section does not apply to any of the following:

(1) A vehicle used in a combination of vehicles when the excess length is caused by auxiliary parts, equipment, or machinery not used as space to carry any part of the load, except that the combination of vehicles shall not exceed the length provided for combination vehicles.

(2) A vehicle when the excess length is caused by any parts necessary to comply with the fender and mudguard regulations of this code.

(3) (A) An articulated bus or articulated trolley coach that does not exceed a length of 60 feet.

(B) An articulated bus or articulated trolley coach described in subparagraph (A) may be equipped with a folding device attached to the front of the bus or trolley if the device is designed and used exclusively for transporting bicycles. The device, including any bicycles transported

thereon, shall be mounted in a manner that does not materially affect efficiency or visibility of vehicle safety equipment, and shall not extend more than 36 inches from the front body of the bus or trolley coach when fully deployed. The handlebars of a bicycle that is transported on a device described in this subparagraph shall not extend more than 42 inches from the front of the bus.

(4) A semitrailer while being towed by a motortruck or truck tractor, if the distance from the kingpin to the rearmost axle of the semitrailer does not exceed 40 feet for semitrailers having two or more axles, or 38 feet for semitrailers having one axle if the semitrailer does not, exclusive of attachments, extend forward of the rear of the cab of the motortruck or truck tractor.

(5) A bus or house car when the excess length is caused by the projection of a front safety bumper or a rear safety bumper, or both. The safety bumper shall not cause the length of the vehicle to exceed the maximum legal limit by more than one foot in the front and one foot in the rear. For the purposes of this chapter, ''safety bumper'' means any device that is fitted on an existing bumper or which replaces the bumper and is constructed, treated, or manufactured to absorb energy upon impact.

(6) A bus when the excess length is caused by a device, located in front of the front axle, for lifting wheelchairs into the bus. That device shall not cause the length of the bus to be extended by more than 18 inches, inclusive of any front safety bumper.

(7) A bus when the excess length is caused by a device attached to the rear of the bus designed and used exclusively for the transporting of bicycles. This device may be up to 10 feet in length, if the device, along with any other device permitted pursuant to this section, does not cause the total length of the bus, including any device or load, to exceed 50 feet.

(8) A bus operated by a public agency or a passenger stage corporation, as defined in Section 226 of the Public Utilities Code, used in transit system service, other than a schoolbus, when the excess length is caused by a folding device attached to the front of the bus which is designed and used exclusively for transporting bicycles. The device, including any bicycles transported thereon, shall be mounted in a manner that does not materially affect efficiency or visibility of vehicle safety equipment, and shall not extend more than 36 inches from the front body of the bus when fully deployed. The handlebars of a bicycle that is transported on a device described in this paragraph shall not extend more than 42 inches from the front of the bus. A device described in this paragraph may not be used on any bus which, exclusive of the device, exceeds 40 feet in length or on any bus having a device attached to the rear of the bus pursuant to paragraph (7).

(9) A bus of a length of up to 45 feet when operating on those highways specified in subdivision (a) of Section 35401.5. The Department of Transportation or local authorities, with respect to highways under their respective jurisdictions, shall not deny reasonable access to a bus of a length of up to 45 feet between the highways specified in subdivision (a) of Section 35401.5 and points of loading and unloading for motor carriers of passengers as required by the federal Intermodal Surface Transportation Efficiency Act of 1991 (P.L. 102-240).

(10) (A) A house car of a length of up to 45 feet when operating on the National System of Interstate and Defense Highways or when using those portions of federal aid primary system highways that have been qualified by the United States Secretary of Transportation for that use, or when using routes appropriately identified by the Department of Transportation or local authorities, with respect to highways under their respective jurisdictions.

(B) A house car described in subparagraph (A) may be operated on a highway that provides reasonable access to facilities for purposes limited to fuel, food, and lodging when that access is consistent with the safe operation of the vehicle and when the facility is within one road mile of identified points of ingress and egress to or from highways specified in subparagraph (A) for use by that vehicle.

(C) As used in this paragraph and paragraph (9), ''reasonable access'' means access substantially similar to that authorized for combinations of vehicles pursuant to subdivision (c) of Section 35401.5.

(D) Any access route established by a local authority pursuant to subdivision (d) of Section 35401.5 is open for access by a house car of a length of up to 45 feet. In addition, local authorities may establish a process whereby access to services by house cars of a length of up to 45 feet may be applied for upon a route not previously established as an access route. The denial of a request for access to services shall be only on the basis of safety and an engineering analysis of the proposed access route. In lieu of processing an access application, local authorities, with respect to highways under their jurisdiction, may provide signing, mapping, or a listing of highways, as necessary, to indicate the use of these specific routes by a house car of a length of up to 45 feet.

(c) The Legislature, by increasing the maximum permissible kingpin to rearmost axle distance to 40 feet effective January 1, 1987, as provided in paragraph (4) of subdivision (b), does not intend this action to be considered a precedent for any future increases in truck size and length limitations.

(d) Any transit bus equipped with a folding device installed on or after January 1, 1999, that is permitted under subparagraph (B) of paragraph

(3) of subdivision (b) or under paragraph (8) of subdivision (b) shall be additionally equipped with any of the following:

(1) An indicator light that is visible to the driver and is activated whenever the folding device is in an extended position.

(2) Any other device or mechanism that provides notice to the driver that the folding device is in an extended position.

(3) A mechanism that causes the folding device to retract automatically from an extended position.

(e) (1) No person shall improperly or unsafely mount a bicycle on a device described in subparagraph (B) of paragraph (3) of subdivision (b), or in paragraph (8) of subdivision (b).

(2) Notwithstanding subdivision (a) of Section 23114 or subdivision (a) of Section 24002 or any other provision of law, when a bicycle is improperly or unsafely loaded by a passenger onto a transit bus, the passenger, and not the driver, is liable for any violation of this code that is attributable to the improper or unlawful loading of the bicycle.

SEC. 7. The Commissioner of the California Highway Patrol shall report to the Legislature not later than February 1, 2003, and February 1, 2004, regarding the number of house cars, as described in subdivision (b) of Section 12804.10 of the Vehicle Code, that are involved in traffic collisions during the calendar year prior to the reporting date.

No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

SEC. 8. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to allow house cars of up to 45 feet in length to be operated on certain highways in accordance with the provisions of this act at the earliest pos2plsible time, it is necessary that this act take effect immediately.

CHAPTER 659

An act relating to public capital facilities.

[Approved by Governor October 9, 2001. Filed with
Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) The Breed Street Shul, which opened in 1915 in the Boyle Heights neighborhood of Los Angeles, was the home of the Congregation Talmud Torah, once the largest orthodox synagogue in Los Angeles.

(b) The Breed Street Shul is currently in disrepair and requires significant renovation and capital improvements in order to bring it into compliance with seismic and building standards, thereby making it available as a museum and community cultural and educational center for children and adults.

(c) Jewish and Latino groups throughout the community are working together to redevelop the Breed Street Shul, preserve its historical legacy and architectural integrity, and create a multipurpose center that responds to the needs of the dynamic area. These groups include the Jewish Historical Society of Southern California, which has acquired the shul, the Boyle Heights Neighbors Organization, the East Los Angeles Community Corporation, Impacto/El Proyecto de Pastoral, Self-Help Graphics, the University of California at Los Angeles School of Public Policy, the University of Southern California School of Architecture, the Jewish Community Relations Committee of the Jewish Federation of Greater Los Angeles, Hebrew Union College, and the Los Angeles Conservancy.

(d) Partial funding for the restoration effort has been made available through the California Endowment, the J. Paul Getty Trust, the National Trust for Historic Preservation-Save America's Treasures Planning Fund, and the Jewish Federation of Greater Los Angeles. The Federal Emergency Management Agency has also awarded partial funding to the Breed Street Shul for seismic retrofitting of the shul's unreinforced masonry building, but requires that matching funds be obtained.

(e) The Breed Street Shul is designated City of Los Angeles Historic-Cultural Monument Number 359, is designated as an Official Site of Save America's Treasures, and has been deemed eligible to be listed on the National Register of Historic Places.

(f) An appropriation of five hundred thousand dollars ($500,000) has been made to the Department of Parks and Recreation in the Budget Act of 2001 for a grant to the Breed Street Shul Project, Inc. to be used for renovation and capital improvements.

CHAPTER 660

An act to add Section 10176.1 to the Business and Professions Code, to add Section 17423.1 to the Financial Code, and to add Section 12414.31 to the Insurance Code, relating to escrow agents.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that:

(a) The escrow industry in California is regulated by several different governmental agencies, depending on who is performing the escrow services, and it is of critical importance for the various regulatory agencies to cooperate with each other, and share information where it is in the public interest to coordinate regulatory action.

(b) It is of particular importance for the various regulators to cooperate when one regulator is taking action against a person for serious malfeasance or misconduct that is resulting in a suspension, restriction, revocation or other prohibition on the person's privilege to work in the escrow industry.

(c) There is a substantial governmental interest in ensuring that persons who are being restricted or barred from one sector of the escrow industry as a result of the harm to the public that they have caused are not able to easily shift to employment in another sector of the escrow industry.

(d) It is the purpose of this legislation to establish a mechanism to enable, and to affirmatively encourage the various regulators to cooperate with each other where enforcement action is being taken against a person employed in the escrow industry.

SEC. 2. Section 10176.1 is added to the Business and Professions Code, to read:

10176.1. (a) (1) Whenever the commissioner takes any enforcement or disciplinary action against a licensee, and the enforcement or disciplinary action is related to escrow services provided pursuant to paragraph (4) of subdivision (a) of Section 17006 of the Financial Code, upon the action becoming final the commissioner shall notify the Insurance Commissioner and the Commissioner of Corporations of the action or actions taken. The purpose of this notification is to alert the departments that enforcement or disciplinary action has been taken, if the licensee seek or obtains employment with entities regulated by the departments.

(2) The commissioner shall provide the Insurance Commissioner and the Commissioner of Corporations, in addition to the notification of the

action taken, with a copy of the written accusation, statement of issues, or order issued or filed in the matter and, at the request of the Insurance Commissioner or the Commissioner of Corporations, with any underlying factual material relevant to the enforcement or disciplinary action. Any confidential information provided by the commissioner to the Insurance Commissioner or the Commissioner of Corporations shall not be made public pursuant to this section. Notwithstanding any other provision of law, the disclosure of any underlying factual material to the Insurance Commissioner or the Commissioner of Corporations shall not operate as a waiver of confidentiality or any privilege that the commissioner may assert.

(b) The commissioner shall establish and maintain, on the Web site maintained by the Department of Real Estate, a database of its licensees, including those who have been subject to any enforcement or disciplinary action that triggers the notification requirements of this section. The database shall also contain a direct link to the databases, described in Section 17423.1 of the Financial Code and Section 12414.31 of the Insurance Code and required to be maintained on the Web sites of the Department of Corporations and the Department of Insurance, respectively, of persons who have been subject to enforcement or disciplinary action for malfeasance or misconduct related to the escrow industry by the Insurance Commissioner and the Commissioner of Corporations.

(c) There shall be no liability on the part of, and no cause of action of any nature shall arise against, the State of California, the Department of Real Estate, the Real Estate Commissioner, any other state agency, or any officer, agent, employee, consultant, or contractor of the state, for the release of any false or unauthorized information pursuant to this section, unless the release of that information was done with knowledge and malice, or for the failure to release any information pursuant to this section.

SEC. 3. Section 17423.1 is added to the Financial Code, to read:

17423.1. (a) (1) Whenever the commissioner takes any enforcement or disciplinary action pursuant to Section 17423, upon the action becoming final the commissioner shall notify the Real Estate Commissioner and the Insurance Commissioner of the action or actions taken. The purpose of this notification is to alert the departments that enforcement or disciplinary action has been taken, if the person seeks or obtains employment with entities regulated by the departments.

(2) The commissioner shall provide the Real Estate Commissioner and the Insurance Commissioner, in addition to the notification of the action taken, with a copy of the written accusation, statement of issues, or order issued or filed in the matter and, at the request of the Real Estate Commissioner or Insurance Commissioner, with any underlying factual

material relevant to the enforcement or disciplinary action. Any confidential information provided by the commissioner to the Insurance Commissioner or the Real Estate Commissioner shall not be made public pursuant to this section. Notwithstanding any other provision of law, the disclosure of any underlying factual material to the Insurance Commissioner or the Real Estate Commissioner shall not operate as a waiver of confidentiality or any privilege that the commissioner may assert.

(b) The commissioner shall establish and maintain, on the Web site maintained by the Department of Corporations, a separate and readily identifiable database of all persons who have been subject to any enforcement or disciplinary action that triggers the notification requirements of this section. The database shall also contain a direct link to the databases, described in Section 10176.1 of the Business and Professions Code and Section 12414.31 of the Insurance Code and required to be maintained on the Web sites of the Department of Real Estate and the Department of Insurance, respectively, of persons who have been subject to enforcement or disciplinary action for malfeasance or misconduct related to the escrow industry by the Insurance Commissioner and the Real Estate Commissioner.

(c) There shall be no liability on the part of, and no cause of action of any nature shall arise against, the State of California, the Department of Corporations, the Commissioner of Corporations, any other state agency, or any officer, agent, employee, consultant, or contractor of the state, for the release of any false or unauthorized information pursuant to this section, unless the release of that information was done with knowledge and malice, or for the failure to release any information pursuant to this section.

SEC. 4. Section 12414.31 is added to the Insurance Code, to read:

12414.31. (a) (1) Whenever the commissioner takes any formal enforcement or disciplinary action directly against an employee of a title insurer, underwritten title company, or controlled escrow company, for malfeasance or misconduct committed by the employee in his or her performance of escrow related services, upon the action becoming final the commissioner shall notify the Real Estate Commissioner and the Commissioner of Corporations of the action or actions taken. The purpose of this notification is to alert the departments that enforcement or disciplinary action has been taken, if the employee seeks or obtains employment with entities regulated by the departments.

(2) The commissioner shall provide the Real Estate Commissioner and the Commissioner of Corporations, in addition to the notification of the action taken, with a copy of the written accusation, statement of issues, or order issued or filed in the matter and, at the request of the Real Estate Commissioner or Commissioner of Corporations, with any

underlying factual material relevant to the enforcement or disciplinary action. Any confidential information provided by the commissioner to the Commissioner of Corporations or the Real Estate Commissioner shall not be made public pursuant to this section. Notwithstanding any other provision of law, the disclosure of any underlying factual material to the Commissioner of Corporations or the Real Estate Commissioner shall not operate as a waiver of confidentiality or any privilege that the commissioner may assert.

(b) The commissioner shall establish and maintain, on the Web site maintained by the Department of Insurance, a separate and readily identifiable database of all persons who have been subject to any enforcement or disciplinary action that triggers the notification requirements of this section. The database shall also contain a direct link to the databases, described in Section 10176.1 of the Business and Professions Code and Section 17423.1 of the Financial Code and required to be maintained on the Web sites of the Department of Real Estate and the Department of Corporations, respectively, of persons who have been subject to enforcement or disciplinary action for malfeasance or misconduct related to the escrow industry by the Commissioner of Corporations and the Real Estate Commissioner.

(c) There shall be no liability on the part of, and no cause of action of any nature shall arise against, the State of California, the Department of Insurance, the Insurance Commissioner, any other state agency, or any officer, agent, employee, consultant, or contractor of the state, for the release of any false or unauthorized information pursuant to this section, unless the release of that information was done with knowledge and malice, or for the failure to release any information pursuant to this section.

CHAPTER 661

An act to amend Section 1936 of the Civil Code, relating to rental vehicles.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1936 of the Civil Code, as added by Section 2 of Chapter 992 of the Statutes of 1996, is amended to read:

1936. (a) For the purpose of this section, the following definitions shall apply:

(1) ''Rental company'' means any person or entity in the business of renting passenger vehicles to the public.

(2) ''Renter'' means any person in any manner obligated under a contract for the lease or hire of a passenger vehicle from a rental company for a period of less than 30 days.

(3) ''Authorized driver'' means (A) the renter, (B) the renter's spouse if that person is a licensed driver and satisfies the rental company's minimum age requirement, (C) the renter's employer or coworker if they are engaged in business activity with the renter, are licensed drivers, and satisfy the rental company's minimum age requirement, and (D) any person expressly listed by the rental company on the renter's contract as an authorized driver.

(A) ''Customer facility charge'' means a fee required by an airport to be collected by a rental company from a renter for any of the following purposes:

(i) The fee shall be used to finance, design, and construct consolidated airport car rental facilities.

(ii) The fee shall be used to finance, design, construct, and provide common use transportation systems that move passengers between airport terminals and those consolidated car rental facilities.

(B) The aggregate amount to be collected shall not exceed the reasonable costs, as determined by an independent audit paid for by the airport, to finance, design, and construct those facilities. Copies of the audit shall be provided to the Assembly and Senate Committees on Judiciary and Committees on Transportation. In the case of a transportation system, the audit shall also consider the reasonable costs of providing the transit system or busing network. At the Burbank Airport, and at all other airports, the fees designated as a Customer Facility Charge may not be used to pay for terminal expansion, gate expansion, runway expansion, changes in hours of operation, or changes in the number of flights arriving or departing from the airport.

(C) The authorization given pursuant to this section for an airport to impose a customer facility charge shall become inoperative when the bonds used for financing are paid.

(5) ''Damage waiver'' means a rental company's agreement not to hold a renter liable for all or any portion of any damage or loss related to the rented vehicle, any loss of use of the rented vehicle, or any storage, impound, towing, or administrative charges.

(6) ''Estimated time for replacement'' means the number of hours of labor, or fraction thereof, needed to replace damaged vehicle parts as set forth in collision damage estimating guides generally used in the vehicle repair business and commonly known as ''crash books.''

(7) ''Estimated time for repair'' means a good faith estimate of the reasonable number of hours of labor, or fraction thereof, needed to repair damaged vehicle parts.

(8) ''Passenger vehicle'' means a passenger vehicle as defined in Section 465 of the Vehicle Code.

(b) Except as limited by subdivision (c), a rental company and a renter may agree that the renter will be responsible for no more than all of the following:

(1) Physical or mechanical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from collision regardless of the cause of the damage.

(2) Loss due to theft of the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, provided that the rental company establishes by clear and convincing evidence that the renter or the authorized driver failed to exercise ordinary care while in possession of the vehicle. In addition, the renter shall be presumed to have no liability for any loss due to theft if (A) an authorized driver has possession of the ignition key furnished by the rental company or an authorized driver establishes that the ignition key furnished by the rental company was not in the vehicle at the time of the theft, and (B) an authorized driver files an official report of the theft with the police or other law enforcement agency within 24 hours of learning of the theft and reasonably cooperates with the rental company and the police or other law enforcement agency in providing information concerning the theft. The presumption set forth in this paragraph is a presumption affecting the burden of proof which the rental company may rebut by establishing that an authorized driver committed, or aided and abetted the commission of, the theft.

(3) Physical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from vandalism occurring after, or in connection with, the theft of the rented vehicle; however, the renter shall have no liability for any damage due to vandalism if the renter would have no liability for theft pursuant to paragraph (2).

(4) Physical damage to the rented vehicle up to a total of five hundred dollars ($500) resulting from vandalism unrelated to the theft of the rented vehicle.

(5) Actual charges for towing, storage, and impound fees paid by the rental company if the renter is liable for damage or loss.

(6) An administrative charge which shall include the cost of appraisal and all other costs and expenses incident to the damage, loss, repair, or replacement of the rented vehicle.

(c) The total amount of the renter's liability to the rental company resulting from damage to the rented vehicle shall not exceed the sum of the following:

(1) The estimated cost of parts which the rental company would have to pay to replace damaged vehicle parts. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(2) The estimated cost of labor to replace damaged vehicle parts which shall not exceed the product of (A) the rate for labor usually paid by the rental company to replace vehicle parts of the type that were damaged and (B) the estimated time for replacement. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(3) (A) The estimated cost of labor to repair damaged vehicle parts which shall not exceed the lesser of the following:

(i) The product of the rate for labor usually paid by the rental company to repair vehicle parts of the type that were damaged and the estimated time for repair.

(ii) The sum of the estimated labor and parts costs determined under paragraphs (1) and (2) to replace the same vehicle parts.

(B) All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(4) For the purpose of converting the estimated time for repair into the same units of time in which the rental rate is expressed, a day shall be deemed to consist of eight hours.

(5) Actual charges for towing, storage, and impound fees paid by the rental company.

(6) The administrative charge described in paragraph (6) of subdivision (b) shall not exceed (A) fifty dollars ($50) if the total estimated cost for parts and labor is more than one hundred dollars ($100) up to and including five hundred dollars ($500), (B) one hundred dollars ($100) if the total estimated cost for parts and labor exceeds five hundred dollars ($500) up to and including one thousand five hundred dollars ($1,500), and (C) one hundred fifty dollars ($150) if the total estimated cost for parts and labor exceeds one thousand five hundred dollars ($1,500). No administrative charge shall be imposed if the total estimated cost of parts and labor is one hundred dollars ($100) or less.

(d) (1) The total amount of an authorized driver's liability to the rental company, if any, for damage occurring during the authorized driver's operation of the rented vehicle shall not exceed the amount of the renter's liability under subdivision (c).

(2) A rental company shall not recover from the renter or other authorized driver an amount exceeding the renter's liability under subdivision (c).

(3) A claim against a renter resulting from damage or loss, excluding loss of use, to a rental vehicle shall be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and may not assert or collect any claim for physical damage which exceeds the actual costs of the repairs performed or the estimated cost of repairs, if the rental company chooses not to repair the vehicle, including all discounts and price reductions. However, if the vehicle is a total loss vehicle, the claim shall not exceed the total loss vehicle value established in accordance with procedures that are customarily used by insurance companies when paying claims on total loss vehicles, less the proceeds from salvaging the vehicle, if those proceeds are retained by the rental company.

(4) If insurance coverage exists under the renter's applicable personal or business insurance policy and the coverage is confirmed during regular business hours, the renter may require that the rental company submit any claims to the renter's applicable personal or business insurance carrier. The rental company shall not make any written or oral representations that it will not present claims or negotiate with the renter's insurance carrier. For purposes of this paragraph, confirmation of coverage includes telephone confirmation from insurance company representatives during regular business hours. Upon request of the renter and after confirmation of coverage, the amount of claim shall be resolved between the insurance carrier and the rental company. The renter shall remain responsible for payment to the rental car company for any loss sustained that the renter's applicable personal or business insurance policy does not cover.

(5) A rental company shall not recover from the renter or other authorized driver for any item described in subdivision (b) to the extent the rental company obtains recovery from any other person.

(6) This section applies only to the maximum liability of a renter or other authorized driver to the rental company resulting from damage to the rented vehicle and not to the liability of any other person.

(e) (1) Except as provided in subdivision (f), every damage waiver shall provide or, if not expressly stated in writing, shall be deemed to provide that the renter has no liability for any damage, loss, loss of use, or any cost or expense incident thereto.

(2) Except as provided in subdivision (f), every limitation, exception, or exclusion to any damage waiver is void and unenforceable.

(f) A rental company may provide in the rental contract that a damage waiver does not apply under any of the following circumstances:

(1) Damage or loss results from an authorized driver's (A) intentional, willful, wanton, or reckless conduct, (B) operation of the vehicle under the influence of drugs or alcohol in violation of Section 23152 of the Vehicle Code, (C) towing or pushing anything, or (D) operation of the vehicle on an unpaved road if the damage or loss is a direct result of the road or driving conditions.

(2) Damage or loss occurs while the vehicle is (A) used for commercial hire, (B) used in connection with conduct that could be properly charged as a felony, (C) involved in a speed test or contest or in driver training activity, (D) operated by a person other than an authorized driver, or (E) operated outside of the United States.

(3) Any authorized driver who has (A) provided fraudulent information to the rental company, or (B) provided false information and the rental company would not have rented the vehicle if it had instead received true information.

(g) (1) A rental company which offers or provides a damage waiver for any consideration in addition to the rental rate shall clearly and conspicuously disclose the following information in the rental contract or holder in which the contract is placed and, also, in signs posted at the place, such as the counter, where the renter signs the rental contract: (A) the nature of the renter's liability, e.g., liability for all collision damage regardless of cause, (B) the extent of the renter's liability, e.g., liability for damage or loss up to a specified amount, (C) the renter's personal insurance policy or the credit card used to pay for the car rental transaction may provide coverage for all or a portion of the renter's potential liability, (D) the renter should consult with his or her insurer to determine the scope of insurance coverage, including the amount of the deductible, if any, for which the renter is obligated, (E) the renter may purchase an optional damage waiver to cover all liability, subject to whatever exceptions the rental company expressly lists that are permitted under subdivision (f), and (F) the range of charges for the damage waiver.

(2) In addition to the requirements of paragraph (1), a rental company that offers or provides damage waiver shall, on that part of the contract where the renter indicates his or her acceptance or declination of the damage waiver, indicate that the purchase of the damage waiver is optional.

(3) The following is an example, for purposes of illustration and not limitation, of a notice fulfilling the requirements of paragraph (1) for a rental company that imposes liability on the renter for collision damage

to the full value of the vehicle:

NOTICE ABOUT YOUR FINANCIAL RESPONSIBILITY AND OPTIONAL DAMAGE WAIVER

You are responsible for all collision damage to the rented vehicle even if someone else caused it or the cause is unknown. You are responsible for the cost of repair up to the value of the vehicle, and towing, storage, and impound fees.

Your own insurance, or the issuer of the credit card you use to pay for the car rental transaction, may cover all or part of your financial responsibility for the rented vehicle. You should check with your insurance company, or credit car issuer, to find out about your coverage and the amount of the deductible, if any, for which you may be liable.

Further, if you use a credit card that provides coverage for your potential liability, you should check with the issuer to determine if you must first exhaust the coverage limits of your own insurance before the credit card coverage applies.

The rental company will not hold you responsible if you buy a damage waiver. But a damage waiver will not protect you if (list exceptions).

(A) When the above notice is printed in the contract or contractholder, the following shall be printed immediately following the notice:

''The cost of an optional damage waiver is $ ____ for every (day or week).''

(B) When the above notice appears on a sign, the following shall appear immediately adjacent to the notice:

''The cost of an optional damage waiver is $ ____ to $ ____ for every (day or week), depending upon the vehicle rented.''

(h) Notwithstanding any other provision of law, a rental company may sell a damage waiver subject to the following rate limitations for each full or partial 24-hour rental day for the damage waiver.

(1) For rental vehicles that the rental company designates as an ''economy car,'' ''subcompact car,'' ''compact car,'' or any other term having similar meaning when offered for rental, or any other vehicle having a manufacturer's suggested retail price of nineteen thousand dollars ($19,000) or less, the rate may not exceed nine dollars ($9).

(2) For rental vehicles that have a manufacturer's suggested retail price from nineteen thousand one dollars ($19,001) to thirty-four thousand nine hundred ninety-nine dollars ($34,999), inclusive, and that is also either a vehicle of the next year's model year or not older than the previous year's model year, the rate may not exceed fifteen dollars ($15). For those rental vehicles older than the previous year's model year, the rate may not exceed nine dollars ($9).

(i) On or after January 1, 2003, the manufacturer's suggested retail prices described in subdivision (h) shall be adjusted annually to reflect changes from the previous year in the Consumer Price Index. For the purposes of this section, ''Consumer Price Index'' means the United States Consumer Price Index for All Urban Consumers, for all items.

(j) A rental company which disseminates in this state an advertisement containing a rental rate shall include in that advertisement a clearly readable statement of the charge for damage waiver and a statement that damage waiver is optional.

(k) (1) A rental company shall not require the purchase of a damage waiver, optional insurance, or any other optional good or service.

(2) A rental company shall not engage in any unfair, deceptive, or coercive conduct to induce a renter to purchase damage waiver, optional insurance, or any other optional good or service, including conduct such as, but not limited to, refusing to honor the renter's reservation, limiting the availability of vehicles, requiring a deposit, or debiting or blocking the renter's credit card account for a sum equivalent to a deposit if the renter declines to purchase damage waiver, optional insurance, or any other optional good or service.

(*l*) (1) In the absence of express permission granted by the renter subsequent to damage to, or loss of, the vehicle, a rental company shall not seek to recover any portion of any claim arising out of damage to, or loss of, the rented vehicle by processing a credit card charge or causing any debit or block to be placed on the renter's credit card account.

(2) A rental company shall not engage in any unfair, deceptive, or coercive tactics in attempting to recover or in recovering on any claim arising out of damage to, or loss of, the rented vehicle.

(m) (1) A customer facility charge may be collected by a rental company under the following circumstances:

(A) Collection of the fee by the rental company is required by an airport operated by a city, a county, a city and county, a joint powers authority, or a special district.

(B) The fee is calculated on a per-contract basis.

(C) The fee is a user fee, not a tax imposed upon real property or an incidence of property ownership under Article XIII D of the California Constitution.

(D) Except as otherwise provided in subparagraph (E), the fee shall be ten dollars ($10) per contract.

(E) If the fee imposed by the airport is for both a consolidated rental car facility and a common use transportation system, the fee collected from customers of on-airport rental car companies shall be ten dollars ($10), but the fee imposed on customers of off-airport rental car companies who are transported on the common use transportation system is proportionate to the costs of the common use transportation

system only. The fee is uniformly applied to each class of on-airport or off-airport customers, provided the airport requires off-airport customers to use the common use transportation system.

(F) Revenues collected from the fee do not exceed the reasonable costs of financing, designing, constructing, or operating the facility or services and may not be used for any other purpose.

(G) The fee is separately identified on the rental agreement.

(H) This paragraph does not apply to airports whose fees are governed by Section 1936.5 of the Civil Code, Section 50474.1 of the Government Code, or Section 57.5 of the San Diego Unified Port District Act.

(2) Notwithstanding any other provision of law, including, but not limited to, Part 1 (commencing with Section 6001) to Part 1.7 (commencing with Section 7280), inclusive, of Division 2 of the Revenue and Taxation Code, the fees collected pursuant to this section, or any other law whereby a local agency operating an airport requires a rental car company to collect a facility financing fee from its customers, shall not be subject to sales, use, or transaction taxes.

(n) (1) A rental company shall only advertise, quote, and charge a rental rate that includes the entire amount except taxes, a customer facility charge, if any, and a mileage charge, if any, which a renter must pay to hire or lease the vehicle for the period of time to which the rental rate applies. A rental company shall not charge in addition to the rental rate, taxes, a customer facility charge, if any, and a mileage charge, if any, any fee which must be paid by the renter as a condition of hiring or leasing the vehicle, such as, but not limited to, required fuel or airport surcharges other than customer facility charges, nor any fee for transporting the renter to the location where the rented vehicle will be delivered to the renter.

(2) In addition to the rental rate, taxes, customer facility charges, if any, and mileage charges, if any, a rental company may charge for an item or service provided in connection with a particular rental transaction if the renter could have avoided incurring the charge by choosing not to obtain or utilize the optional item or service. Items and services for which the rental company may impose an additional charge, include, but are not limited to, optional insurance and accessories requested by the renter, service charges incident to the renter's optional return of the vehicle to a location other than the location where the vehicle was hired or leased, and charges for refueling the vehicle at the conclusion of the rental transaction in the event the renter did not return the vehicle with as much fuel as was in the fuel tank at the beginning of the rental. A rental company also may impose an additional charge based on reasonable age criteria established by the rental company.

(3) A rental company shall not charge any fee for authorized drivers in addition to the rental charge for an individual renter.

(4) If a rental company states a rental rate in print advertisement or in a telephonic, in-person, or computer-transmitted quotation, the rental company shall clearly disclose in that advertisement or quotation the terms of any mileage conditions relating to the advertised or quoted rental rate, including, but not limited to, to the extent applicable, the amount of mileage and gas charges, the number of miles for which no charges will be imposed, and a description of geographic driving limitations within the United States and Canada.

(5) (A) When a rental rate is stated in an advertisement, quotation, or reservation in connection with a car rental at an airport where a customer facility charge is imposed, the rental company shall clearly disclose the existence and amount of the customer facility charge. For the purposes of this subparagraph, advertisements include radio, television, other electronic media, and print advertisements. For purposes of this subparagraph, quotations and reservations include those that are telephonic, in-person, and computer-transmitted. If the rate advertisement is intended to include transactions at more than one airport imposing a customer facility charge, a range of fees may be stated in the advertisement. However, all rate advertisements that include car rentals at airport destinations shall clearly and conspicuously include a toll-free telephone number whereby a customer can be told the specific amount of the customer facility charge to which the customer will be obligated.

(B) If any person or entity other than a rental car company, including a passenger carrier or a seller of travel services, advertises or quotes a rate for a car rental at an airport where a customer facility charge is imposed, that person or entity shall, provided they are provided with information about the existence and amount of the fee, to the extent not specifically prohibited by federal law, clearly disclose the existence and amount of the fee in any telephonic, in-person, or computer-transmitted quotation at the time of making an initial quotation of a rental rate and at the time of making a reservation of a rental car. If a rental car company provides the person or entity with rate and customer facility charge information, the rental car company shall not be responsible for the failure of that person or entity to comply with this subparagraph when quoting or confirming a rate to a third person or entity.

(6) If a rental company delivers a vehicle to a renter at a location other than the location where the rental company normally carries on its business, the rental company shall not charge the renter any amount for the rental for the period before the delivery of the vehicle. If a rental company picks up a rented vehicle from a renter at a location other than the location where the rental company normally carries on its business, the rental company shall not charge the renter any amount for the rental

for the period after the renter notifies the rental company to pick up the vehicle.

(o) A renter may bring an action against a rental company for the recovery of damages and appropriate equitable relief for a violation of this section. The prevailing party shall be entitled to recover reasonable attorney's fees and costs.

(p) A rental company that brings an action against a renter for loss due to theft of the vehicle shall bring the action in the county in which the renter resides or if the renter is not a resident of this state in the jurisdiction in which the renter resides.

(q) Any waiver of any of the provisions of this section shall be void and unenforceable as contrary to public policy.

(r) This section shall become operative on January 1, 2002.

CHAPTER 662

An act to amend Sections 17302, 17304, 17310, 17312, 17314, and 17331.1 of the Financial Code, relating to escrow agents.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 17302 of the Financial Code is amended to read:

17302. ''Trust obligation'' means:

(a) All money and property deposited with a member within the State of California in an escrow or joint control transaction.

(b) All money and property deposited with a member to be held in trust within the State of California pursuant to a federal or state statute or requirements of a governmental agency.

SEC. 2. Section 17304 of the Financial Code is amended to read:

17304. ''Loss,'' within the meaning of this chapter, means the loss of trust obligations held by a member within the State of California as a result of the fraudulent or dishonest abstraction, misappropriation, or embezzlement of trust obligations by an officer, director, trustee, stockholder, manager, or employee of a member.

SEC. 3. Section 17310 of the Financial Code is amended to read:

17310. (a) It shall be the purpose of Fidelity Corporation to indemnify a member within the State of California against loss, subject to the limitations set forth in this chapter.

(b) Fidelity Corporation shall not be liable for any consequential damages sustained by a member, or by any other person, nor for any punitive damages whatsoever.

(c) The indemnification shall be provided by any of the following:

(1) A fund established by Fidelity Corporation pursuant to Section 17320.

(2) A fidelity bond or insurance policy to be approved by the commissioner.

(3) A combination of paragraphs (1) and (2) subject, however, to the maximum coverage specified in subdivision (b) of Section 17314.

SEC. 4. Section 17312 of the Financial Code is amended to read:

17312. (a) Each person licensed pursuant to this division who is engaged in the business of receiving escrows specified in subdivision (c) and whose escrow business location is located within the State of California shall participate as a member in Fidelity Corporation in accordance with this chapter and rules established by the board of directors of Fidelity Corporation. Fidelity Corporation shall not deny membership to any escrow agent holding a valid unrevoked license under the Escrow Law who is required to be a member under this subdivision.

(b) Upon filing a new application for licensure as required by subdivision (b) of Section 17213, persons required to be a member of Fidelity Corporation shall file a copy thereof concurrently with Fidelity Corporation, but no additional membership fee or deposit shall be required.

(c) The required membership in Fidelity Corporation shall be limited to those licensees whose escrow business location is located within the State of California and who engage, in whole or in part, in the business of receiving escrows for deposit or delivery in the following types of transactions:

(1) Real property escrows, including, but not limited to, the sale, encumbrance, lease, exchange, or transfer of title, and loans or other obligations to be secured by a lien upon real property.

(2) Bulk sale escrows, including, but not limited to, the sale or transfer of title to a business entity and the transfer of liquor licenses or other types of business licenses or permits.

(3) Fund or joint control escrows, including, but not limited to, transactions specified in Section 17005.1, and contracts specified in Section 10263 of the Public Contract Code.

(4) The sale, transfer of title, or refinance escrows for manufactured homes or mobilehomes.

(5) Reservation deposits required under Article 2 (commencing with Section 11010) of Chapter 1 of Part 2 of Division 4 of the Business and

Professions Code or by regulation of the Department of Real Estate to be held in an escrow account.

(6) Escrows for sale, transfer, modification, assignment, or hypothecation of promissory notes secured by deeds of trust.

(d) Coverage required to be provided by Fidelity Corporation under this chapter shall be provided to members only for loss of trust obligations with respect to those types of transactions specified in subdivision (c). Indemnity coverage for those types of transactions not specified in subdivision (c) shall be provided by escrow agents in accordance with Section 17203.1.

SEC. 5. Section 17314 of the Financial Code is amended to read:

17314. (a) Fidelity Corporation shall pay a member for loss of trust obligations subject to the limitations set forth in this chapter. Fidelity Corporation shall pay or deny the claim within 90 days of receipt of the proof of loss filed by a member, or a member's successor in interest. Notwithstanding any other provision of this article, the protection to members provided by Fidelity Corporation and by the fidelity bond or insurance policy, if any, shall not extend to any transaction involving any member at any branch or business location outside the State of California, but shall extend only to escrow trust obligations and trust funds located within the State of California.

(b) Coverage shall be provided to members in accordance with the following schedule:

MONTHLY AVERAGE ESCROW LIABILITY PER LOCATION	COVERAGE
$0 – $ 1,000,000	$1,000,000
over $1,000,000 – $ 3,000,000	$2,000,000
over $3,000,000 – $ 5,000,000	$3,000,000
over $5,000,000 – $ 7,500,000	$4,000,000
over $7,500,000 – $10,000,000	$5,000,000

(c) A member shall maintain minimum coverage in accordance with the schedule in subdivision (b) and shall monitor its escrow liability monthly. An increase in escrow liability above the monthly average escrow liability coverage as provided for in subdivision (b) shall be reported immediately to Fidelity Corporation. Upon receipt of this report, Fidelity Corporation shall immediately provide for the increase in coverage, and shall immediately bill and collect pursuant to Section 17321, an amount necessary to provide for the increased coverage.

(d) Any member with a licensed location or locations with a monthly average escrow liability greater than ten million dollars ($10,000,000) shall obtain a bond from a corporate surety which is an admitted insurer in the State of California insuring the balance of trust funds not covered

by Fidelity Corporation, in a ratio of one dollar of coverage for every three dollars of trust obligations not covered by Fidelity Corporation. The Fidelity Corporation shall have the authority to obtain the excess coverage bond. The cost of the bond shall be shared pro rata by those members included in the coverage.

(e) If a member establishes, to the satisfaction of the commissioner, that a bond is not available or is impracticable under subdivision (d), then, at the member's election, either:

(1) The member shall place average trust obligations in excess of ten million dollars ($10,000,000) in a restricted escrow trust account. Each transfer or release of the funds to be made by specific resolution of the member's board of directors and the signature of a neutral third party and written approval of Fidelity Corporation; or

(2) The licensed location of the member with average trust balances in excess of ten million dollars ($10,000,000) shall be subject to examinations to be conducted at a frequency as deemed appropriate and necessary by the commissioner or Fidelity Corporation, but not less frequently than once a year.

(f) Any member subject to subdivision (e) shall within 10 business days after the effective date of this section notify Fidelity Corporation of its election. A member who subsequently becomes subject to subdivision (e) shall within a like period of time notify Fidelity Corporation of its election. Fidelity Corporation shall also be notified of any change of election in a like period of time. Fidelity Corporation shall notify the commissioner within 10 business days of receipt of any notice under this subdivision of the elections made. All notices under this subdivision shall be in writing.

SEC. 6. Section 17331.1 of the Financial Code is amended to read:

17331.1. (a) As of January 1, 1992, any person not previously issued a certificate must, upon employment with an escrow agent within this state, apply to Fidelity Corporation for a certificate within 10 business days. The person may continue employment until or unless denied a certificate by Fidelity Corporation. The member shall submit all applications for certificates to Fidelity Corporation within 10 business days of the date of employment.

(b) Upon written notice by Fidelity Corporation to any or all members that any person has been denied a certificate, or has had a certificate suspended, canceled, or revoked, no member or person acting on behalf of a member shall authorize that person to have access to money or negotiable securities belonging to or in the possession of the escrow agent, or to draw checks upon the escrow agent or the trust accounts of the escrow agent. Any member or person who commits or who causes a violation of this section, which violation was either known or should have been known by the member or the person committing or causing

the violation, may be subject to action by the commissioner and Fidelity Corporation as provided for in this division.

(c) Each member and each person required to have a certificate shall comply with the Fidelity Corporation rules, to be approved by the commissioner, concerning the manner and timing within which Fidelity Corporation shall receive notice of employment, change of the person's name, mailing address, or employment status, the certificate form, and the procedures for the administration thereof. Fidelity Corporation may collect a fee to cover the cost of processing the notices but no fee shall exceed twenty-five dollars ($25).

(d) Fidelity Corporation shall assess the member a penalty at the rate of twenty-five dollars ($25) for every day that the member has not fully complied with this section, Section 17331, or Section 17331.2.

(e) Any member that suffers a loss of trust obligations caused by any person who is required to have a certificate but has (1) failed to apply for a certificate, (2) has had the application for a certificate denied, (3) has a suspended certificate, or (4) whose certificate has been revoked shall be obligated to pay a deductible in the amount of 100 percent of the amount of the loss, notwithstanding the amount of the statutory deductible as prescribed by Section 17314.3. The failure to obtain a certificate, the denial of an application for a certificate, or the suspension, cancellation, or revocation of a certificate shall not limit the obligation of Fidelity Corporation to indemnify a member against loss of trust obligations as defined in this division.

CHAPTER 663

An act to amend Sections 25187 and 25404.8 of the Health and Safety Code, relating to the environment.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 25187 of the Health and Safety Code is amended to read:

25187. (a) (1) The department or a unified program agency, in accordance with subdivision (*l*), may issue an order requiring that the violation be corrected and imposing an administrative penalty, for any violation of this chapter or any permit, rule, regulation, standard, or requirement issued or adopted pursuant to this chapter, whenever the department or unified program agency determines that a person has

violated, is in violation of, or threatens, as defined in subdivision (e) of Section 13304 of the Water Code, to violate, this chapter or Chapter 6.8 (commencing with Section 25300), or any permit, rule, regulation, standard, or requirement issued or adopted pursuant to this chapter or Chapter 6.8 (commencing with Section 25300).

(2) In an order proposing a penalty pursuant to this section, the department or unified program agency shall take into consideration the nature, circumstances, extent, and gravity of the violation, the violator's past and present efforts to prevent, abate, or clean up conditions posing a threat to the public health or safety or the environment, the violator's ability to pay the proposed penalty, and the prophylactic effect that the imposition of the proposed penalty would have on both the violator and the regulated community as a whole.

(b) The department or a unified program agency, in accordance with subdivision (*l*), may issue an order requiring corrective action whenever the department or unified program agency determines that there is or has been a release, as defined in Chapter 6.8 (commencing with Section 25300), of hazardous waste or constituents into the environment from a hazardous waste facility.

(1) In the case of a release of hazardous waste or constituents into the environment from a hazardous waste facility that is required to obtain a permit pursuant to Article 9 (commencing with Section 25200), the department shall pursue the remedies available under this chapter, including the issuance of an order for corrective action pursuant to this section, before using the legal remedies available pursuant to Chapter 6.8 (commencing with Section 25300), except in any of the following circumstances:

(A) Where the person who is responsible for the release voluntarily requests in writing that the department issue an order to that person to take corrective action pursuant to Chapter 6.8 (commencing with Section 25300).

(B) Where the person who is responsible for the release is unable to pay for the cost of corrective action to address the release. For purposes of this subparagraph, the inability of a person to pay for the cost of corrective action shall be determined in accordance with the policies of the Environmental Protection Agency for the implementation of Section 9605 of Title 42 of the United States Code.

(C) Where the person responsible for the release is unwilling to perform corrective action to address the release. For purposes of this subparagraph, the unwillingness of a person to take corrective action shall be determined in accordance with the policies of the Environmental Protection Agency for the implementation of Section 9605 of Title 42 of the United States Code.

(D) Where the release is part of a regional or multisite groundwater contamination problem that cannot, in its entirety, be addressed using the legal remedies available pursuant to this chapter and for which other releases that are part of the regional or multisite groundwater contamination problem are being addressed using the legal remedies available pursuant to Chapter 6.8 (commencing with Section 25300).

(E) Where an order for corrective action has already been issued against the person responsible for the release, or the department and the person responsible for the release have, prior to January 1, 1996, entered into an agreement to address the required cleanup of the release pursuant to Chapter 6.8 (commencing with Section 25300).

(F) Where the hazardous waste facility is owned or operated by the federal government.

(2) The order shall include a requirement that the person take corrective action with respect to the release of hazardous waste or constituents, abate the effects thereof, and take any other necessary remedial action.

(3) If the order requires corrective action at a hazardous waste facility, the order shall require that corrective action be taken beyond the facility boundary, where necessary to protect human health or the environment.

(4) The order shall incorporate, as a condition of the order, any applicable waste discharge requirements issued by the State Water Resources Control Board or a California regional water quality control board, and shall be consistent with all applicable water quality control plans adopted pursuant to Section 13170 of the Water Code and Article 3 (commencing with Section 13240) of Chapter 4 of Division 7 of the Water Code and state policies for water quality control adopted pursuant to Article 3 (commencing with Section 13140) of Chapter 3 of Division 7 of the Water Code existing at the time of the issuance of the order, to the extent that the department or unified program agency determines that those plans and policies are not less stringent than this chapter and regulations adopted pursuant to this chapter. The order may include any more stringent requirement that the department or unified program agency determines is necessary or appropriate to protect water quality.

(5) Persons who are subject to an order pursuant to this subdivision include present and prior owners, lessees, or operators of the property where the hazardous waste is located, present or past generators, storers, treaters, transporters, disposers, and handlers of hazardous waste, and persons who arrange, or have arranged, by contract or other agreement, to store, treat, transport, dispose of, or otherwise handle hazardous waste.

(6) For purposes of this subdivision, ''hazardous waste facility'' includes the entire site that is under the control of an owner or operator engaged in the management of hazardous waste.

(c) Any order issued pursuant to this section shall be served by personal service or certified mail and shall inform the person so served of the right to a hearing. If the unified program agency issues the order pursuant to this section, the order shall state whether the hearing procedure specified in paragraph (2) of subdivision (f) may be requested by the person receiving the order.

(d) Any person served with an order pursuant to this section who has been unable to resolve any violation or deficiency on an informal basis with the department or unified program agency may, within 15 days after service of the order, request a hearing pursuant to subdivision (e) or (f) by filing with the department or unified program agency a notice of defense. The notice shall be filed with the office that issued the order. A notice of defense shall be deemed filed within the 15-day period provided by this subdivision if it is postmarked within that 15-day period. If no notice of defense is filed within the time limits provided by this subdivision, the order shall become final.

(e) Any hearing requested on an order issued by the department shall be conducted within 90 days after receipt of the notice of defense by an administrative law judge of the Office of Administrative Hearings of the Department of General Services in accordance with Chapter 4.5 (commencing with Section 11400) of Part 1 of Division 3 of Title 2 of the Government Code, and the department shall have all the authority granted to an agency by those provisions.

(f) Except as provided in subparagraph (B) of paragraph (2), a person requesting a hearing on an order issued by a unified program agency may select the hearing process specified in either paragraph (1) or (2) in the notice of defense filed with the unified program agency pursuant to subdivision (d). Within 90 days of receipt of the notice of defense by the unified program agency, the hearing shall be conducted using one of the following procedures:

(1) An administrative law judge of the Office of Administrative Hearings of the Department of General Services shall conduct the hearing in accordance with Chapter 4.5 (commencing with Section 11400) of Part 1 of Division 3 of Title 2 of the Government Code.

(2) (A) A hearing officer designated by the unified program agency shall conduct the hearing in accordance with Chapter 4.5 (commencing with Section 11400) of Part 1 of Division 3 of Title 2 of the Government Code, and the unified program agency shall have all the authority granted to an agency by those provisions. When a hearing is conducted by a unified program agency pursuant to this paragraph, the unified program agency shall, within 60 days of the hearing, issue a decision.

(B) A person requesting a hearing on an order issued by a unified program agency may select the hearing process specified in this paragraph in a notice of defense filed pursuant to subdivision (d) only

if the unified program agency has, as of the date the order is issued pursuant to subdivision (c), selected a designated hearing officer and established a program for conducting a hearing in accordance with this paragraph.

(g) The hearing decision issued pursuant to subdivision (f) shall be effective and final upon issuance. Copies of the decision shall be served by personal service or by certified mail upon the party served with the order and upon other persons who appeared at the hearing and requested a copy.

(h) Any provision of an order issued under this section, except the imposition of an administrative penalty, shall take effect upon issuance by the department or unified program agency if the department or unified program agency finds that the violation or violations of law associated with that provision may pose an imminent and substantial endangerment to the public health or safety or the environment, and a request for a hearing shall not stay the effect of that provision of the order pending a hearing decision. However, if the department or unified program agency determines that any or all provisions of the order are so related that the public health or safety or the environment can be protected only by immediate compliance with the order as a whole, then the order as a whole, except the imposition of an administrative penalty, shall take effect upon issuance by the department or unified program agency. A request for a hearing shall not stay the effect of the order as a whole pending a hearing decision.

(i) A decision issued pursuant to this section may be reviewed by the court pursuant to Section 11523 of the Government Code. In all proceedings pursuant to this section, the court shall uphold the decision of the department or unified program agency if the decision is based upon substantial evidence in the whole record. The filing of a petition for writ of mandate shall not stay any action required pursuant to this chapter or the accrual of any penalties assessed pursuant to this chapter. This subdivision does not prohibit the court from granting any appropriate relief within its jurisdiction.

(j) All administrative penalties collected from actions brought by the department pursuant to this section shall be placed in a separate subaccount in the Toxic Substances Control Account and shall be available only for transfer to the Site Remediation Account or the Expedited Site Remediation Trust Fund and for expenditure by the department upon appropriation by the Legislature.

(k) All administrative penalties collected from an action brought by a unified program agency pursuant to this section shall be paid to the city or county whose unified program agency imposed the penalty, and shall be deposited into a special account that shall be expended to fund the

activities of the unified program agency in enforcing this chapter pursuant to Section 25180.

(*l*) The authority granted under this section to a unified program agency is limited to both of the following:

(1) The issuance of orders to impose penalties and to correct violations of the requirements of this chapter and its implementing regulations, only when the violations are violations of requirements applicable to hazardous waste generators and persons operating pursuant to a permit-by-rule, conditional authorization, or conditional exemption, when the violations occur at a unified program facility within the jurisdiction of the CUPA.

(2) The issuance of orders to require corrective action when there has been a release of hazardous waste or constituents only when the unified program agency is authorized to do so pursuant to Section 25404.1.

(m) The CUPA shall annually submit a summary report to the department on the status of orders issued by the unified program agencies under this section and Section 25187.1.

(n) The CUPA shall consult with the district attorney for the county on the development of policies to be followed in exercising the authority delegated pursuant to this section and Section 25187.1, as they relate to the authority of unified program agencies to issue orders.

(o) The CUPA shall arrange to have appropriate legal representation in administrative hearings that are conducted by an administrative law judge of the Office of Administrative Hearings of the Department of General Services, and when a decision issued pursuant to this section is appealed to the superior court.

(p) The department may adopt regulations to implement this section and paragraph (2) of subdivision (a) of Section 25187.1 as they relate to the authority of unified program agencies to issue orders. The regulations shall include, but not be limited to, all of the following requirements:

(1) Provisions to ensure coordinated and consistent application of this section and Section 25187.1 when both the department and the unified program agency have or will be issuing orders under one or both of these sections at the same facility.

(2) Provisions to ensure that the enforcement authority granted to the unified program agencies will be exercised consistently throughout the state.

(3) Minimum training requirements for staff of the unified program agency relative to this section and Section 25187.1.

(4) Procedures to be followed by the department to rescind the authority granted to a unified program agency under this section and Section 25187.1, if the department finds that the unified program agency is not exercising that authority in a manner consistent with this chapter

and Chapter 6.11 (commencing with Section 25404) and the regulations adopted pursuant thereto.

(q) Except for an enforcement action taken pursuant to this chapter or Chapter 6.8 (commencing with Section 25300), this section does not otherwise affect the authority of a local agency to take any action under any other provision of law.

SEC. 2. Section 25404.8 of the Health and Safety Code is amended to read:

25404.8. (a) In a county for which a CUPA has not been certified on or before January 1, 2000, and where the unified program is implemented pursuant to paragraph (2) of subdivision (f) of Section 25404.3, the CUPA is eligible for an allocation pursuant to subdivision (d). The CUPA shall institute a single fee system that meets the requirements of Section 25404.5, except that the amounts to be paid by each person regulated by the unified program under the single fee system shall be set at a level so that the revenues collected under the single fee system and the amount allocated pursuant to subdivision (d) are sufficient to pay the necessary costs incurred by the CUPA in implementing the unified program. The CUPA shall determine the level to be paid by persons regulated under the unified program by conducting a workload analysis that establishes the direct and indirect costs to the CUPA of implementing the unified program.

(b) A CUPA that implements the unified program pursuant to paragraph (2) of subdivision (f) of Section 25404.3 shall use the funding allocated pursuant to subdivision (d) to implement the unified program within the jurisdiction of the CUPA in accordance with the implementation agreement reached with the secretary pursuant to paragraph (2) of subdivision (f) of Section 25404.3.

(c) The Rural CUPA Reimbursement Account is hereby established in the General Fund and the secretary may expend the money in the account to make the allocations specified in subdivision (d).

(d) (1) Except as provided in paragraph (2), the secretary shall allocate the following amounts from the Rural CUPA Reimbursement Account to an eligible county:

(A) If the county has a population of less than 70,000 persons, the amount of the funds allocated from the account shall not exceed 75 percent of the budgeted costs as approved by the local governing body for implementation of the unified program.

(B) If the county has a population of more than 70,000, but less than 100,000 persons, the amount of the funds allocated from the account shall not exceed 50 percent of the budgeted costs as approved by the local governing body for implementation of the unified program.

(C) If the county has a population of more than 100,000, but less than 150,000 persons, the amount of the funds allocated from the account

shall not exceed 35 percent of the budgeted costs as approved by the local governing body for implementation of the unified program.

(2) The secretary shall not allocate more than sixty thousand dollars ($60,000) for all CUPAs in an eligible county.

(e) This section shall become operative July 1, 2001.

SEC. 3. Nothing in this act shall be construed to apply any penalty subject to apportionment by Section 25192 of the Health and Safety Code.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act, within the meaning of Section 17556 of the Government Code.

CHAPTER 664

An act relating to water.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Notwithstanding Section 13260 of the Water Code, or any other provision of law, the State Water Resources Control Board or a regional water quality control board may not impose a fee in connection with prescribing waste discharge requirements for the Replacement Pier and Dredging Project, United States Naval Station, San Diego, Milcon Project P-326.

CHAPTER 665

An act to add and repeal Section 12751.3 of the Public Utilities Code, relating to public utilities.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 12751.3 is added to the Public Utilities Code, to read:

12751.3. (a) The purpose of this section is to provide affected districts with an alternative acquisition process that will result in reduced costs to ratepayers. Notwithstanding Section 12751, when the expenditure for the purchase of supplies and materials exceeds fifty thousand dollars ($50,000) and the district determines that ratepayers reasonably can expect a net benefit in the cost of district services, the district may provide for the purchase of the supplies and materials by contract let in accordance with best value at the lowest cost acquisition policies adopted by the board pursuant to this section.

(b) The best value at the lowest cost acquisition policies adopted pursuant to subdivision (a) shall consider, but not be limited to, all of the following:

(1) Price and service level proposals that reduce the district's overall operating costs.

(2) Supplies and materials standards that support the district's strategic supplies and materials acquisition and management program direction.

(3) A procedure for protest and resolution.

(4) Any other factors the board determines to be relevant.

(c) For purposes of this section, ''best value'' means any factor or criterion established by a district to ensure that its business needs and goals are effectively met and that the district obtains the most value for an authorized acquisition. The term ''best value at the lowest cost acquisition'' means a competitive procurement process whereby the award of a contract for supplies and materials may take into consideration any of the following factors:

(1) The total cost to the district of its use or consumption of supplies and materials.

(2) The operational cost or benefit incurred by the district as a result of contract award.

(3) The value to the district of vendor-added services.

(4) The quality, effectiveness, and innovation of supplies, materials, and services.

(5) The reliability of delivery or installation schedules.

(6) The terms and conditions of product warranties and vendor guarantees.

(7) The financial stability of the vendor.

(8) The vendor's quality assurance program.

(9) The vendor's experience with the provision of supplies, material, and services.

(10) The consistency of the vendor's proposed supplies, materials, and services with the district's overall supplies and materials procurement program.

(11) The economic benefits to the general community, including, but not limited to, job creation or retention.

(d) If a district elects to purchase supplies and materials by contract, let in accordance with best value acquisition policies adopted by the board pursuant to this section, the district shall submit a report to the Legislative Analyst on or before January 1, 2006. The district shall include in the report a summary of the costs and benefits of best value acquisition compared to traditional low bid procurement practices. The report shall also include statistics showing the number of contracts awarded to small businesses, minority-owned businesses, and new businesses and the number of years each contract awardee had been in business. The report shall also include an analysis of the effects of best value procurement practices on these businesses, the nature of any disputes arising from the use of best value procurement practices, and the status of those disputes. On or before April 1, 2006, the Legislative Analyst shall report to the Legislature on the use of ''best value at lowest cost acquisition'' procurement practices used by municipal utility districts. The report may include recommendations for modifying the provisions of this section and extending the operation of this section beyond January 1, 2007.

(e) The district shall ensure that all businesses have a fair and equitable opportunity to compete for, and participate in, district contracts and shall also ensure that discrimination in the award and performance of contracts does not occur on the basis of race, color, sex, national origin, marital status, sexual preference, creed, ancestry, medical condition, or retaliation for having filed a discrimination complaint in the performance of district contractual obligations.

(f) This section shall remain in effect only until January 1, 2007, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2007, deletes or extends that date.

CHAPTER 666

An act to amend Sections 999.2, 999.7, and 999.11 of, and to amend, renumber, and add Section 999.12 of, the Military and Veterans Code, relating to veterans affairs.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 999.2 of the Military and Veterans Code is amended to read:

999.2. Notwithstanding any other provision of law, contracts awarded by any state agency, department, officer, or other state governmental entity, including school districts when they are expending state funds for construction, professional services (except those subject to Chapter 6 (commencing with Section 16850) of Part 3 of Division 4 of Title 2 of the Government Code), materials, supplies, equipment, alteration, repair, or improvement shall have statewide participation goals of not less than 3 percent for disabled veteran business enterprises. These goals apply to the overall dollar amount expended each year by the awarding department.

SEC. 2. Section 999.7 of the Military and Veterans Code is amended to read:

999.7. (a) Notwithstanding Section 7550.5 of the Government Code, on January 1 of each year, each awarding department shall report to the Governor, the Legislature, the Office of Small Business Certification and Resources, and the Department of Veterans Affairs on the level of participation by disabled veteran business enterprises in contracts identified in this article for the previous fiscal year. If the established goals are not met, the awarding department shall report to the Legislature, the Office of Small Business Certification and Resources, and the Department of Veterans Affairs the reasons for the awarding department's inability to achieve the goals and identify steps it shall take in an effort to achieve the goals.

(b) Notwithstanding Section 7550.5 of the Government Code, on April 1 of each year, the Office of Small Business Certification and Resources shall prepare for the Governor, the Legislature, and the Department of Veterans Affairs a statewide statistical summary detailing each awarding department's goal achievement and a statewide total of those goals.

SEC. 3. Section 999.11 of the Military and Veterans Code is amended to read:

999.11. The Department of Veterans Affairs shall appoint an advocate to do all of the following:

(a) Oversee, promote, and coordinate efforts to facilitate implementation of this article.

(b) Disseminate information on this article.

(c) Coordinate reports pursuant to Section 999.7.

(d) Coordinate with administering agencies and existing and potential disabled veteran business enterprises to achieve the goals specified in Sections 999.1 and 999.2.

(e) Coordinate with the disabled veteran business enterprise advocates appointed in all awarding departments pursuant to Section 999.12.

SEC. 4. Section 999.12 of the Military and Veterans Code, is amended and renumbered to read:

999.13. This article includes language similar to that contained in Article 1.5 (commencing with Section 10115) of Chapter 1 of Part 2 of Division 2 of the Public Contract Code and does not create an independent or additional goal or program.

SEC. 5. Section 999.12 is added to the Military and Veterans Code, to read:

999.12. Each awarding department shall appoint an agency disabled veteran business enterprise advocate. This person shall be the same individual appointed pursuant to Section 14846 of the Government Code. The disabled veteran business enterprise advocate shall do all of the following:

(a) Assist certified disabled veteran business enterprises in participating in that agency's contracting process.

(b) Assist contract officers in seeking disabled veteran business enterprises to participate in the agency's contract and procurement activities.

(c) Disseminate information to the agency's contract and procurement staff.

(d) Serve as an advocate for the disabled veteran business enterprises that are utilized as the agency's contractors or subcontractors.

(e) Report to the Office of Small Business Certification and Resources regarding any violation of this article.

(f) Coordinate with the state disabled veteran business enterprise advocate at the Department of Veterans Affairs in an effort to meet the statewide 3-percent goal provided for in Section 999.2.

CHAPTER 667

An act to amend Sections 56375, 56425, 56821, 56821.5, 56822, 56824.1, 56824.7, 56834, 56853, 56863, 56886, and 57114 of, to add Section 56877 to, to add Article 1.5 (commencing with Section 56824.10) to Chapter 5 of Part 3 of Division 3 of Title 5 of, to repeal Sections 56820, 56820.5, 56820.7, and 56821.7 of, and to repeal and add Section 56811 of, the Government Code, relating to local agency formation.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 56375 of the Government Code is amended to read:

56375. The commission shall have all of the following powers and duties subject to any limitations upon its jurisdiction set forth in this part:

(a) To review and approve or disapprove with or without amendment, wholly, partially, or conditionally, proposals for changes of organization or reorganization, consistent with written policies, procedures, and guidelines adopted by the commission. The commission may initiate proposals for (1) consolidation of districts, as defined in Section 56036, (2) dissolution, (3) merger, or (4) establishment of a subsidiary district, or a reorganization that includes any of these changes of organization. A commission shall have the authority to initiate only a (1) consolidation of districts, (2) dissolution, (3) merger, (4) establishment of a subsidiary district, or (5) a reorganization that includes any of these changes of organization, if that change of organization or reorganization is consistent with a recommendation or conclusion of a study prepared pursuant to Section 56378 or 56425, and the commission makes the determinations specified in subdivision (b) of Section 56881. However, a commission shall not have the power to disapprove an annexation to a city, initiated by resolution, of contiguous territory that the commission finds is any of the following:

(1) Surrounded or substantially surrounded by the city to which the annexation is proposed or by that city and a county boundary or the Pacific Ocean if the territory to be annexed is substantially developed or developing, is not prime agricultural land as defined in Section 56064, is designated for urban growth by the general plan of the annexing city, and is not within the sphere of influence of another city.

(2) Located within an urban service area that has been delineated and adopted by a commission, which is not prime agricultural land, as defined by Section 56064, and is designated for urban growth by the general plan of the annexing city.

(3) An annexation or reorganization of unincorporated islands meeting the requirements of Section 56375.3.

As a condition to the annexation of an area that is surrounded, or substantially surrounded, by the city to which the annexation is proposed, the commission may require, where consistent with the purposes of this division, that the annexation include the entire island of surrounded, or substantially surrounded, territory.

A commission shall not impose any conditions that would directly regulate land use density or intensity, property development, or subdivision requirements. When the development purposes are not made known to the annexing city, the annexation shall be reviewed on

the basis of the adopted plans and policies of the annexing city or county. A commission shall require, as a condition to annexation, that a city prezone the territory to be annexed. However, the commission shall not specify how, or in what manner, the territory shall be prezoned. The decision of the commission with regard to a proposal to annex territory to a city shall be based upon the general plan and prezoning of the city.

(b) With regard to a proposal for annexation or detachment of territory to, or from, a city or district or with regard to a proposal for reorganization that includes annexation or detachment, to determine whether territory proposed for annexation or detachment, as described in its resolution approving the annexation, detachment, or reorganization, is inhabited or uninhabited.

(c) With regard to a proposal for consolidation of two or more cities or districts, to determine which city or district shall be the consolidated, successor city or district.

(d) To approve the annexation of unincorporated, noncontiguous territory, subject to the limitations of Section 56742, located in the same county as that in which the city is located, and that is owned by a city and used for municipal purposes and to authorize the annexation of the territory without notice and hearing.

(e) To approve the annexation of unincorporated territory consistent with the planned and probable use of the property based upon the review of general plan and prezoning designations. No subsequent change may be made to the general plan for the annexed territory or zoning that is not in conformance to the prezoning designations for a period of two years after the completion of the annexation, unless the legislative body for the city makes a finding at a public hearing that a substantial change has occurred in circumstances that necessitate a departure from the prezoning in the application to the commission.

(f) With respect to the incorporation of a new city or the formation of a new special district, to determine the number of registered voters residing within the proposed city or special district or, for a landowner-voter special district, the number of owners of land and the assessed value of their land within the territory proposed to be included in the new special district. The number of registered voters shall be calculated as of the time of the last report of voter registration by the county elections official to the Secretary of State prior to the date the first signature was affixed to the petition. The executive officer shall notify the petitioners of the number of registered voters resulting from this calculation. The assessed value of the land within the territory proposed to be included in a new landowner-voter special district shall be calculated as shown on the last equalized assessment roll.

(g) To adopt written procedures for the evaluation of proposals. The commission may adopt standards for any of the factors enumerated in

Section 56668. Any standards adopted by the commission shall be written.

(h) To adopt standards and procedures for the evaluation of service plans submitted pursuant to Section 56653 and the initiation of a change of organization or reorganization pursuant to subdivision (a).

(i) To make and enforce regulations for the orderly and fair conduct of hearings by the commission.

(j) To incur usual and necessary expenses for the accomplishment of its functions.

(k) To appoint and assign staff personnel and to employ or contract for professional or consulting services to carry out and effect the functions of the commission.

(*l*) To review the boundaries of the territory involved in any proposal with respect to the definiteness and certainty of those boundaries, the nonconformance of proposed boundaries with lines of assessment or ownership, and other similar matters affecting the proposed boundaries.

(m) To waive the restrictions of Section 56744 if it finds that the application of the restrictions would be detrimental to the orderly development of the community and that the area that would be enclosed by the annexation or incorporation is so located that it cannot reasonably be annexed to another city or incorporated as a new city.

(n) To waive the application of Section 25210.90 or Section 22613 of the Streets and Highways Code if it finds the application would deprive an area of a service needed to ensure the health, safety, or welfare of the residents of the area and if it finds that the waiver would not affect the ability of a city to provide any service. However, within 60 days of the inclusion of the territory within the city, the legislative body may adopt a resolution nullifying the waiver.

(o) If the proposal includes the incorporation of a city, as defined in Section 56043, or the formation of a district, as defined in Section 2215 of the Revenue and Taxation Code, the commission shall determine the property tax revenue to be exchanged by the affected local agencies pursuant to Section 56810.

(p) To authorize a city or district to provide new or extended services outside its jurisdictional boundaries pursuant to Section 56133.

(q) To enter into an agreement with the commission for an adjoining county for the purpose of determining procedures for the consideration of proposals that may affect the adjoining county or where the jurisdiction of an affected agency crosses the boundary of the adjoining county.

SEC. 2. Section 56425 of the Government Code is amended to read:

56425. (a) In order to carry out its purposes and responsibilities for planning and shaping the logical and orderly development and coordination of local governmental agencies so as to advantageously

provide for the present and future needs of the county and its communities, the commission shall develop and determine the sphere of influence of each local governmental agency within the county and enact policies designed to promote the logical and orderly development of areas within the sphere.

(b) At least 30 days prior to submitting an application to the commission for a determination of a new sphere of influence, or to update an existing sphere of influence for a city, representatives from the city shall meet with county representatives to discuss the proposed sphere, and its boundaries, and explore methods to reach agreement on the boundaries, development standards, and zoning requirements within the sphere to ensure that development within the sphere occurs in a manner that reflects the concerns of the affected city and is accomplished in a manner that promotes the logical and orderly development of areas within the sphere. If no agreement is reached between the city and county within 30 days, then the parties may, by mutual agreement, extend discussions for an additional period of 30 days. If an agreement is reached between the city and county regarding the boundaries, development standards, and zoning requirements within the proposed sphere, the agreement shall be forwarded to the commission, and the commission shall consider and adopt a sphere of influence for the city consistent with the policies adopted by the commission pursuant to this section, and the commission shall give great weight to the agreement in the commission's final determination of the city sphere.

(c) If the commission's final determination is consistent with the agreement reached between the city and county pursuant to subdivision (b), the agreement shall be adopted by both the city and county after a noticed public hearing. Once the agreement has been adopted by the affected local agencies and their respective general plans reflect that agreement, then any development approved by the county within the sphere shall be consistent with the terms of that agreement.

(d) If no agreement is reached pursuant to subdivision (b), the application may be submitted to the commission and the commission shall consider a sphere of influence for the city consistent with the policies adopted by the commission pursuant to this section.

(e) In determining the sphere of influence of each local agency, the commission shall consider and prepare a written statement of its determinations with respect to each of the following:

(1) The present and planned land uses in the area, including agricultural and open-space lands.

(2) The present and probable need for public facilities and services in the area.

(3) The present capacity of public facilities and adequacy of public services that the agency provides or is authorized to provide.

(4) The existence of any social or economic communities of interest in the area if the commission determines that they are relevant to the agency.

(f) Upon determination of a sphere of influence, the commission shall adopt that sphere, and shall review and update, as necessary, the adopted sphere not less than once every five years.

(g) The commission may recommend governmental reorganizations to particular agencies in the county, using the spheres of influence as the basis for those recommendations. Those recommendations shall be made available, upon request, to other agencies or to the public. The commission shall make all reasonable efforts to ensure wide public dissemination of the recommendations.

(h) When adopting, amending, or updating a sphere of influence for a special district, the commission shall do all of the following:

(1) Require existing districts to file written statements with the commission specifying the functions or classes of services provided by those districts.

(2) Establish the nature, location, and extent of any functions or classes of services provided by existing districts.

(i) Subdivisions (b), (c), and (d) shall become inoperative as of January 1, 2007, unless a later enacted statute, that becomes operative on or before January 1, 2007, deletes or extends that date.

SEC. 3. Section 56811 of the Government Code is repealed.

SEC. 4. Section 56811 is added to the Government Code, to read:

56811. (a) If a proposal includes the formation of a new special district, the commission shall determine the appropriations limit of the district in accordance with Section 7902.7 and Article XIII B of the California Constitution. The commission shall determine the provisional appropriations limit of the district in the following manner:

(1) Estimate the amount of revenue anticipated to be received by the district from the proceeds of taxes for the first full fiscal year of operation.

(2) Adjust the amount determined in paragraph (1) for the estimated change in the cost of living and population in the next full fiscal year of operation and any other changes that may be required or permitted by Article XIII B of the California Constitution.

(b) The governing body of the district shall determine the proposed permanent appropriations limit of the district to be submitted to the voters in the following manner:

(1) Determine the amount of revenue actually received by the district from the proceeds of taxes for the first full fiscal year of operation.

(2) Adjust the amount determined in paragraph (1) for the estimated change in the cost of living and population in the next full fiscal year of

operation and any other changes that may be required or permitted by Article XIII B of the California Constitution.

(c) The permanent appropriations limit of the district shall be set at the first district election that is held following the first full fiscal year of operation and shall not be considered to be a change in the appropriations limit of the city pursuant to Section 4 of Article XIII B of the California Constitution.

SEC. 5. Section 56820 of the Government Code is repealed.

SEC. 6. Section 56820.5 of the Government Code is repealed.

SEC. 7. Section 56820.7 of the Government Code is repealed.

SEC. 8. Section 56821 of the Government Code is amended to read:

56821. Either the commission or the legislative body of any independent special district within a county may adopt a resolution initiating proceedings as follows:

(a) It may propose representation of special districts upon the commission.

(b) It may propose the repeal of regulations affecting the functions and services of special districts.

SEC. 9. Section 56821.5 of the Government Code is amended to read:

56821.5. A certified copy of any resolution which has been adopted by an independent special district pursuant to subdivision (b) of Section 56821 shall be filed with the executive officer. If a resolution, or substantially identical resolution, has been filed by a majority of independent special districts within the county, then, not later than 35 days after the filing, the commission shall adopt a resolution of intention in accordance with the filed resolution or resolutions.

SEC. 10. Section 56821.7 of the Government Code is repealed.

SEC. 11. Section 56822 of the Government Code is amended to read.

56822. Whenever the commission, or the independent special districts, as the case may be, have complied with the applicable provisions of Sections 56821, 56821.1, 56821.3, and 56821.5, the commission shall adopt a resolution of intention pursuant to this section. The resolution of intention shall do all of the following:

(a) State whether the proceedings are initiated by the commission or by an independent special district or districts, in which case, the names of those districts shall be set forth.

(b) If the resolution of intention proposes only the repeal of regulations affecting the functions and services of special districts, it shall state that the commission proposes either of the following:

(1) To consider the proposal without reference to a special district advisory committee, in which case the resolution shall contain the text of the regulations proposed to be repealed.

(2) To refer the proposal to a special district advisory committee for study, report, and recommendation, in which case the resolution shall include the regulations proposed to be repealed.

In addition, the resolution of intention adopted pursuant to this subdivision shall also fix a time, not less than 15 or more than 35 days after the adoption of the resolution of intention, and the place of hearing by the commission on the question of whether the proposal made by the resolution should be disapproved, approved, and ordered without reference to a special district advisory committee, or referred to a special district advisory committee for study, report, and recommendation to the commission.

(c) If the resolution of intention proposes representation of special districts on the commission, it shall state that the commission proposes to refer the proposal to a special district advisory committee and the commission shall immediately order the proposal referred to that committee pursuant to Section 56823.

SEC. 12. Section 56824.1 of the Government Code is amended to read:

56824.1. Not later than 35 days after the filing with the executive officer of the report and recommendation of a special district advisory committee, the commission shall take one of the following actions:

(a) If the report concerns only the repeal of regulations affecting the functions and services of special districts, the commission may do either of the following:

(1) Disapprove the report without further notice and hearing.

(2) Adopt a resolution of intention to hold a hearing on the report pursuant to subdivision (c).

(b) If the report concerns a request for special district representation on the commission, the commission shall adopt a resolution declaring its intention to approve the report and recommendation.

(c) A resolution of intention shall do all of the following:

(1) Refer to the report and recommendation of the special district advisory committee, generally describe the nature and contents of the report and recommendation, and refer to the report and recommendation on file with the executive officer for a detailed description report and recommendation.

(2) Declare the intention of the commission to approve the recommendation and report, as filed.

(3) Fix a time, not less than 15 days, or more than 35 days, after the adoption of the resolution of intention, and the place of hearing by the commission, on the question of whether the report and recommendation filed by the special district advisory committee should be approved, either as filed or as ordered changed by the commission after notice and hearing.

SEC. 13. Section 56824.7 of the Government Code is amended to read:

56824.7. Any resolution approving the report and recommendation of a special district advisory committee, either as filed or as changed by the commission, shall order both of the following:

(a) The repeal of regulations, in accordance with the recommendations of the approved report.

(b) The chairperson of the commission to call and give notice of a meeting of the independent special district selection committee to be held within 15 days after the adoption of the resolution if special district representatives on the commission are to be selected pursuant to Section 56332.

SEC. 13.5. Article 1.5 (commencing with Section 56824.10) is added to Chapter 5 of Part 3 of Division 3 of Title 5 of the Government Code, to read:

Article 1.5. New or Different Services

56824.10. Commission proceedings for the exercise of new or different functions or classes of services by special districts may be initiated by a resolution of application in accordance with this article.

56824.12. (a) A proposal by a special district to provide a new or different function or class of services within its jurisdictional boundaries shall be made by the adoption of a resolution of application by the legislative body of the special district and shall include all of the matters specified for a petition in Section 56700, and be submitted with a plan for services prepared pursuant to Section 56653. The plan for services for purposes of this article shall also include all of the following information:

(1) The total estimated cost to provide the new or different function or class of services within the special district's jurisdictional boundaries.

(2) The estimated cost of the new or different function or class of services to customers within the special district's jurisdictional boundaries. The estimated costs may be identified by customer class.

(3) An identification of existing providers, if any, of the new or different function or class of services proposed to be provided and the potential fiscal impact to the customers of those existing providers.

(4) A plan for financing the establishment of the new or different function or class of services within the special district's jurisdictional boundaries.

(5) Alternatives for the establishment of the new or different functions or class of services within the special district's jurisdictional boundaries.

(b) The clerk of the legislative body adopting a resolution of application shall file a certified copy of that resolution with the executive officer. Except as provided in subdivision (c), the commission shall process resolutions of application adopted pursuant to this article in accordance with Section 56824.14.

(c) (1) Prior to submitting a resolution of application pursuant to this article to the commission, the legislative body of the special district shall conduct a public hearing on the resolution. Notice of the hearing shall be published pursuant to Sections 56153 and 56154.

(2) Any affected local agency, affected county, or any interested person who wishes to appear at the hearing shall be given an opportunity to provide oral or written testimony on the resolution.

56824.14. (a) The commission shall review and approve or disapprove with or without amendments, wholly, partially, or conditionally, proposals for the establishment of new or different functions or class of services within the jurisdictional boundaries of a special district after a public hearing called and held for that purpose.

(b) At least 21 days prior to the date of that hearing, the executive officer shall give mailed notice of the hearing to each affected local agency or affected county, and to any interested party who has filed a written request for notice with the executive officer. In addition, at least 21 days prior to the date of that hearing, the executive officer shall cause notice of the hearing to be published in accordance with Section 56153 in a newspaper of general circulation that is circulated within the territory affected by the proposal proposed to be adopted.

(c) The commission may continue from time to time any hearing called pursuant to this section. The commission shall hear and consider oral or written testimony presented by any affected local agency, affected county, or any interested person who appears at any hearing called and held pursuant to this section.

SEC. 14. Section 56834 of the Government Code is amended to read:

56834. From time to time during the course of study upon a proposed plan of reorganization, the commission may do any of the following:

(a) Extend the time for completion and submission of the report and recommendation of a reorganization committee.

(b) Change the scope of the study by the addition or deletion of territory or subject districts, except that the authority granted to a commission under this subdivision shall not apply to a change of organization or reorganization as described in subdivision (a) of Section 56853.

(c) Authorize the committee to develop, study, report, and make recommendations upon alternative plans of reorganization.

SEC. 15. Section 56853 of the Government Code is amended to read:

56853. (a) If a majority of the members of each of the legislative bodies of two or more local agencies adopt substantially similar resolutions of application making proposals either for the consolidation of districts or for the reorganization of all or any part of the districts into a single local agency, the commission shall approve, or conditionally approve, the proposal. The commission shall order the consolidation or reorganization without an election, except as otherwise provided in subdivision (b) of Section 57081.

(b) Except as provided in subdivision (d), a commission may order any material change in the provisions or the terms and conditions of the consolidation or reorganization, as set forth in the proposals of the local agencies. The commission shall direct the executive officer to give each subject agency mailed notice of any change prior to ordering a change. The commission shall not, without the written consent of all subject agencies, take any further action on the consolidation or reorganization for 30 days following that mailing. Upon written demand by any subject agency, filed with the executive officer during that 30-day period, the commission shall make determinations upon the proposals only after notice and hearing on the proposals. If no written demand is filed, the commission may make those determinations without notice and hearing. The application of any provision of this subdivision may be waived by consent of all of the subject agencies.

(c) Where the commission has initiated a change of organization or reorganization affecting more than one special district, the commission may utilize and is encouraged to utilize a reorganization committee to review the proposal.

(d) The commission shall not order a material change in the provisions of a consolidation or reorganization, as set forth in the proposals of the local agencies pursuant to subdivision (a), that would add or delete districts without the written consent of the applicant local agencies.

SEC. 16. Section 56863 of the Government Code is amended to read:

56863. (a) Within 35 days following the conclusion of a hearing on an original and an alternative proposal to form a subsidiary district, the commission shall adopt its resolution of determination, which shall do one of the following:

(1) Deny both the original proposal and the alternative proposal.

(2) Approve one proposal and deny the other.

(b) ''Alternative proposal,'' as used in this section, means an alternative proposal to a subsidiary district proposal as provided for in Section 56861.

SEC. 17. Section 56877 is added to the Government Code, to read:

56877. When a change of organization or a reorganization includes the annexation of inhabited territory to a district and the assessed value of land within the territory equals one-half or more of the assessed value of land within the district, or the number of registered voters residing within the territory equals one-half or more of the number of registered voters residing within the district, the commission may determine as a condition of the proposal that the change of organization or reorganization shall also be subject to confirmation by the voters in an election to be called, held, and conducted within the territory of the district to which annexation is proposed.

SEC. 18. Section 56886 of the Government Code is amended to read:

56886. Any change of organization or reorganization may provide for, or be made subject to one or more of, the following terms and conditions. However, none of the following terms and conditions shall directly regulate land use, property development, or subdivision requirements:

(a) The payment of a fixed or determinable amount of money, either as a lump sum or in installments, for the acquisition, transfer, use or right of use of all or any part of the existing property, real or personal, of any city, county, or district.

(b) The levying or fixing and the collection of any of the following, for the purpose of providing for any payment required pursuant to subdivision (a):

(1) Special, extraordinary, or additional taxes or assessments.

(2) Special, extraordinary, or additional service charges, rentals, or rates.

(3) Both taxes or assessments and service charges, rentals, or rates.

(c) The imposition, exemption, transfer, division, or apportionment, as among any affected cities, affected counties, affected districts, and affected territory of liability for payment of all or any part of principal, interest, and any other amounts which shall become due on account of all or any part of any outstanding or then authorized but thereafter issued bonds, including revenue bonds, or other contracts or obligations of any city, county, district, or any improvement district within a local agency, and the levying or fixing and the collection of any (1) taxes or assessments, or (2) service charges, rentals, or rates, or (3) both taxes or assessments and service charges, rentals, or rates, in the same manner as provided in the original authorization of the bonds and in the amount necessary to provide for that payment.

(d) If, as a result of any term or condition made pursuant to subdivision (c), the liability of any affected city, affected county, or affected district for payment of the principal of any bonded indebtedness

is increased or decreased, the term and condition may specify the amount, if any, of that increase or decrease which shall be included in, or excluded from, the outstanding bonded indebtedness of that entity for the purpose of the application of any statute or charter provision imposing a limitation upon the principal amount of outstanding bonded indebtedness of the entity.

(e) The formation of a new improvement district or districts or the annexation or detachment of territory to, or from, any existing improvement district or districts.

(f) The incurring of new indebtedness or liability by, or on behalf of, all or any part of any local agency, including territory being annexed to any local agency, or of any existing or proposed new improvement district within that local agency. The new indebtedness may be the obligation solely of territory to be annexed if the local agency has the authority to establish zones for incurring indebtedness. The indebtedness or liability shall be incurred substantially in accordance with the laws otherwise applicable to the local agency.

(g) The issuance and sale of any bonds, including authorized but unissued bonds of a local agency, either by that local agency or by a local agency designated as the successor to any local agency which is extinguished as a result of any change of organization or reorganization.

(h) The acquisition, improvement, disposition, sale, transfer, or division of any property, real or personal.

(i) The disposition, transfer, or division of any moneys or funds, including cash on hand and moneys due but uncollected, and any other obligations.

(j) The fixing and establishment of priorities of use, or right of use, of water, or capacity rights in any public improvements or facilities or any other property, real or personal. However, none of the terms and conditions ordered pursuant to this subdivision shall modify priorities of use, or right of use, to water, or capacity rights in any public improvements or facilities that have been fixed and established by a court or an order of the State Water Resources Control Board.

(k) The establishment, continuation, or termination of any office, department, or board, or the transfer, combining, consolidation, or separation of any offices, departments, or boards, or any of the functions of those offices, departments, or boards, if, and to the extent that, any of those matters is authorized by the principal act.

(*l*) The employment, transfer, or discharge of employees, the continuation, modification, or termination of existing employment contracts, civil service rights, seniority rights, retirement rights, and other employee benefits and rights.

(m) The designation of a city, county, or district, as the successor to any local agency which is extinguished as a result of any change of

organization or reorganization, for the purpose of succeeding to all of the rights, duties, and obligations of the extinguished local agency with respect to enforcement, performance, or payment of any outstanding bonds, including revenue bonds, or other contracts and obligations of the extinguished local agency.

(n) The designation of (1) the method for the selection of members of the legislative body of a district or (2) the number of those members, or (3) both, where the proceedings are for a consolidation, or a reorganization providing for a consolidation or formation of a new district and the principal act provides for alternative methods of that selection or for varying numbers of those members, or both.

(o) The initiation, conduct, or completion of proceedings on a proposal made under, and pursuant to, this division.

(p) The fixing of the effective date of any change of organization, subject to the limitations of Section 57202.

(q) Any terms and conditions authorized or required by the principal act with respect to any change of organization.

(r) The continuation or provision of any service provided at that time, or previously authorized to be provided by an official act of the local agency.

(s) The levying of assessments, including the imposition of a fee pursuant to Section 50029 or 66484.3 or the approval by the voters of general or special taxes. For the purposes of this section, imposition of a fee as a condition of the issuance of a building permit does not constitute direct regulation of land use, property development, or subdivision requirements.

(t) The extension or continuation of any previously authorized charge, fee, assessment, or tax by the local agency or a successor local agency in the affected territory.

(u) The transfer of authority and responsibility among any affected cities, affected counties, and affected districts for the administration of special tax and special assessment districts, including, but not limited to, the levying and collecting of special taxes and special assessments, including the determination of the annual special tax rate within authorized limits; the management of redemption, reserve, special reserve, and construction funds; the issuance of bonds which are authorized but not yet issued at the time of the transfer, including not yet issued portions or phases of bonds which are authorized; supervision of construction paid for with bond or special tax or assessment proceeds; administration of agreements to acquire public facilities and reimburse advances made to the district; and all other rights and responsibilities with respect to the levies, bonds, funds, and use of proceeds that would have applied to the local agency that created the special tax or special assessment district.

(v) Any other matters necessary or incidental to any of the terms and conditions specified in this section.

SEC. 19. Section 57114 of the Government Code is amended to read:

57114. (a) Notwithstanding Section 56854 and Section 57089, for any proposal for the dissolution of one or more districts and the annexation of all or substantially all of their territory to another district, not initiated by the commission pursuant to subdivision (a) of Section 56375, the commission shall forward the change of organization or reorganization for confirmation by the voters if the commission finds either of the following:

(1) In the case of inhabited territory, that a petition requesting that the proposal be submitted to confirmation by the voters has been signed by either of the following:

(A) At least 25 percent of the number of landowners within any affected district within the affected territory who own at least 25 percent of the assessed value of land within the territory.

(B) At least 25 percent of the voters entitled to vote as a result of residing within, or owning land within, any affected district within the affected territory.

(2) In the case of a landowner-voter district, that the territory is uninhabited and a petition requesting that the proposal be submitted to confirmation by the voters has been signed by at least 25 percent of the number of landowners within any affected district within the affected territory, owning at least 25 percent of the assessed value of land within the territory of that district.

(b) If a petition that meets the requirements of this section has been filed, the commission shall approve the proposal subject to confirmation by the voters of each district that has filed such a petition. The voter confirmation requirements set forth in subdivision (a) shall not apply to any proposal initiated by the commission under Section 56375 or where each affected district has consented to the proposal by a resolution adopted by a majority vote of its board of directors.

SEC. 19.5. Section 57114 of the Government Code is amended to read:

57114. (a) Notwithstanding Sections 56854 and 57111, for any proposal for the dissolution of one or more districts and the annexation of all or substantially all of their territory to another district, not initiated by the commission pursuant to subdivision (a) of Section 56375, the commission shall forward the change of organization or reorganization for confirmation by the voters if the commission finds either of the following:

(1) In the case of inhabited territory, that a petition requesting that the proposal be submitted to confirmation by the voters has been signed by either of the following:

(A) At least 25 percent of the number of landowners within any affected district within the affected territory who own at least 25 percent of the assessed value of land within the territory.

(B) At least 25 percent of the voters entitled to vote as a result of residing within, or owning land within, any affected district within the affected territory.

(2) In the case of a landowner-voter district, that the territory is uninhabited and a petition requesting that the proposal be submitted to confirmation by the voters has been signed by at least 25 percent of the number of landowners within any affected district within the affected territory, owning at least 25 percent of the assessed value of land within the territory of that district.

(b) If a petition that meets the requirements of this section has been filed, the commission shall approve the proposal subject to confirmation by the voters of each district that has filed such a petition. The voter confirmation requirements set forth in subdivision (a) shall not apply to any proposal initiated by the commission under Section 56375 or where each affected district has consented to the proposal by a resolution adopted by a majority vote of its board of directors.

SEC. 20. Section 19.5 of this bill incorporates amendments to Section 57114 of the Government Code proposed by both this bill and AB 720. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2002, (2) each bill amends Section 57114 of the Government Code, and (3) this bill is enacted after AB 720, in which case Section 19 of this bill shall not become operative.

SEC. 21. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act, within the meaning of Section 17556 of the Government Code.

CHAPTER 668

An act to amend Sections 12206, 17058, and 23610.5 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 12206 of the Revenue and Taxation Code is amended to read:

12206. (a) (1) There shall be allowed as a credit against the ''tax'' (as defined by Section 12201) a state low-income housing tax credit in an amount equal to the amount determined in subdivision (c), computed in accordance with Section 42 of the Internal Revenue Code, except as otherwise provided in this section.

(2) ''Taxpayer,'' for purposes of this section, means the sole owner in the case of a C corporation, the partners in the case of a partnership, and the shareholders in the case of an S corporation.

(3) ''Housing sponsor,'' for purposes of this section, means the sole owner in the case of a C corporation, the partnership in the case of a partnership, and the S corporation in the case of an S corporation.

(b) (1) The amount of the credit allocated to any housing sponsor shall be authorized by the California Tax Credit Allocation Committee, or any successor thereof, based on a project's need for the credit for economic feasibility in accordance with the requirements of this section.

(A) The low-income housing project shall be located in California and shall meet either of the following requirements:

(i) The project's housing sponsor shall have been allocated by the California Tax Credit Allocation Committee a credit for federal income tax purposes under Section 42 of the Internal Revenue Code.

(ii) It shall qualify for a credit under Section 42(h)(4)(B) of the Internal Revenue Code.

(B) The California Tax Credit Allocation Committee shall not require fees for the credit under this section in addition to those fees required for applications for the tax credit pursuant to Section 42 of the Internal Revenue Code. The committee may require a fee if the application for the credit under this section is submitted in a calendar year after the year the application is submitted for the federal tax credit.

(2) (A) The California Tax Credit Allocation Committee shall certify to the housing sponsor the amount of tax credit under this section allocated to the housing sponsor for each credit period.

(B) In the case of a partnership or an S corporation, the housing sponsor shall provide a copy of the California Tax Credit Allocation Committee certification to the taxpayer.

(C) The taxpayer shall attach a copy of the certification to any return upon which a tax credit is claimed under this section.

(D) In the case of a failure to attach a copy of the certification for the year to the return in which a tax credit is claimed under this section, no credit under this section shall be allowed for that year until a copy of that certification is provided.

(E) All elections made by the taxpayer pursuant to Section 42 of the Internal Revenue Code shall apply to this section.

(F) No credit shall be allocated under this section to buildings located in a difficult development area or a qualified census tract as defined in Section 42 of the Internal Revenue Code for which the eligible basis of a new building or the rehabilitation expenditure of an existing building is 130 percent of that amount pursuant to Section 42(d)(5)(C) of the Internal Revenue Code, unless the committee reduces the amount of federal credit, with the approval of the applicant, so that the combined amount of federal and state credit shall not exceed the total credit allowable pursuant to this section and Section 42(b) of the Internal Revenue Code, computed without regard to Section 42(d)(5)(C) of the Internal Revenue Code.

(c) Section 42(b) of the Internal Revenue Code shall be modified as follows:

(1) In the case of any qualified low-income building that receives an allocation after 1989 and is a new building not federally subsidized, the term ''applicable percentage'' means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(2) of the Internal Revenue Code, in lieu of the percentage prescribed in Section 42(b)(1)(A) of the Internal Revenue Code.

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(2) In the case of any qualified low-income building that receives an allocation after 1989 and that is a new building that is federally subsidized or that is an existing building that is ''at risk of conversion,'' the term ''applicable percentage'' means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are federally subsidized for the taxable year.

(B) For the fourth year, the difference between 13 percent and the sum of the applicable percentages for the first three years.

(3) For purposes of this section, the term "at risk of conversion,'' with respect to an existing building means a building that satisfies all of the following criteria:

(A) The building is presently owned by a housing sponsor other than a qualified nonprofit organization.

(B) The building is a federally assisted building for which the low-income use restrictions will terminate or the mortgage on the building is eligible for incentives under Subtitle 13 of the Emergency Low Income Housing Assistance Act of 1987 or under Section 502(c)

of the Housing Act of 1949, anytime in the two calendar years after the year of application to the California Tax Credit Allocation Committee, and the purchaser has received preliminary approval from the applicable federal agency for a maximum level of incentives through a plan of action.

(C) The person acquiring the building enters into a regulatory agreement that requires the building to be operated in accordance with the requirements of this section for a period equal to the greater of 55 years or the life of the building.

(D) The building satisfies the requirements of Section 42(e) of the Internal Revenue Code regarding rehabilitation expenditures, except that the provisions of Section 42(e)(3)(A)(ii)(I) shall not apply.

(d) The term ''qualified low-income housing project'' as defined in Section 42(c)(2) of the Internal Revenue Code is modified by adding the following requirements:

(1) The taxpayer shall be entitled to receive a cash distribution from the operations of the project, after funding required reserves, which, at the election of the taxpayer, is equal to:

(A) An amount not to exceed 8 percent of the lesser of:

(i) The owner equity which shall include the amount of the capital contributions actually paid to the housing sponsor and shall not include any amounts until they are paid on an investor note.

(ii) Twenty percent of the adjusted basis of the building as of the close of the first taxable year of the credit period.

(B) The amount of the cash-flow from those units in the building that are not low-income units. For purposes of computing cash-flow under this subparagraph, operating costs shall be allocated to the low-income units using the ''floor space fraction,'' as defined in Section 42 of the Internal Revenue Code.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may accumulate and be distributed any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an S corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term ''credit period'' as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting ''four taxable years'' for ''10 taxable years.''

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(g) The aggregate housing credit dollar amount that may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 17058, and Section 23610.5 shall be an amount equal to the sum of all the following:

(1) Seventy million dollars ($70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars ($70,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term ''Consumer Price Index'' means the last Consumer Price Index for all urban consumers published by the federal Department of Labor.

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a

qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(h) The term ''compliance period'' as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30-consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) (1) Section 42(j) of the Internal Revenue Code shall not be applicable and the provisions in paragraph (2) shall be substituted in its place.

(2) The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, which agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code, shall apply, providing the agreement includes all of the following provisions:

(A) A term not less than the compliance period.

(B) A requirement that the agreement be filed in the official records of the county in which the qualified low-income housing project is located.

(C) A provision stating which state and local agencies can enforce the regulatory agreement in the event the housing sponsor fails to satisfy any of the requirements of this section.

(D) A provision that the regulatory agreement shall be deemed a contract enforceable by tenants as third-party beneficiaries thereto and which allows individuals, whether prospective, present, or former occupants of the building, who meet the income limitation applicable to the building, the right to enforce the regulatory agreement in any state court.

(E) A provision incorporating the requirements of Section 42 of the Internal Revenue Code as modified by this section.

(F) A requirement that the housing sponsor notify the California Tax Credit Allocation Committee or its designee and the local agency that can enforce the regulatory agreement if there is a determination by the Internal Revenue Service that the project is not in compliance with Section 42(g) of the Internal Revenue Code.

(G) A requirement that the housing sponsor, as security for the performance of the housing sponsor's obligations under the regulatory agreement, assign the housing sponsor's interest in rents that it receives from the project, provided that until there is a default under the

regulatory agreement, the housing sponsor is entitled to collect and retain the rents.

(H) The remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period, include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling which may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and the allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code. In adopting this plan, the committee shall comply with the provisions of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code.

(3) Notwithstanding Section 42(m) of the Internal Revenue Code, the California Tax Credit Allocation Committee shall allocate housing credits in accordance with the qualified allocation plan and regulations, which shall include the following provisions:

(A) All housing sponsors, as defined by paragraph (3) of subdivision (a), shall demonstrate at the time the application is filed with the committee that the project meets the following threshold requirements:

(i) The housing sponsor shall demonstrate there is a need and demand for low-income housing in the community or region for which it is proposed.

(ii) The project's proposed financing, including tax credit proceeds, shall be sufficient to complete the project and that the proposed operating income shall be adequate to operate the project for the extended use period.

(iii) The project shall have enforceable financing commitments, either construction or permanent financing, for at least 50 percent of the total estimated financing of the project.

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity to ensure project completion and operation for the extended use period.

(vii) The housing sponsor shall demonstrate the amount of tax credit that is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the extended use period, taking into account operating expenses, a supportable debt service, reserves, funds set aside for rental subsidies, and required equity, and a development fee that does not exceed a specified percentage of the eligible basis of the project prior to inclusion of the development fee in the eligible basis, as determined by the committee.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(i) Projects serving large families in which a substantial number, as defined by the committee, of all residential units is comprised of low-income units with three and more bedrooms.

(ii) Projects providing single room occupancy units serving very low income tenants.

(iii) Existing projects that are ''at risk of conversion,'' as defined by paragraph (4) of subdivision (c).

(iv) Projects for which a public agency provides direct or indirect long-term financial support for at least 15 percent of the total project development costs or projects for which the owner's equity constitutes at least 30 percent of the total project development costs.

(v) Projects that provide tenant amenities not generally available to residents of low-income housing projects.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application except to break a tie when two or more of the projects have an equal rating.

(k) Section 42(*l*) of the Internal Revenue Code shall be modified as follows:

The term ''secretary'' shall be replaced by the term ''California Franchise Tax Board.''

(*l*) In the case where the state credit allowed under this section exceeds the ''tax,'' the excess may be carried over to reduce the ''tax'' in the following year, and succeeding years if necessary, until the credit has been exhausted.

(m) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1993.

(n) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(o) This section shall remain in effect for as long as Section 42 of the Internal Revenue Code, relating to low-income housing credits, remains in effect.

SEC. 2. Section 17058 of the Revenue and Taxation Code is amended to read:

17058. (a) (1) There shall be allowed as a credit against the amount of net tax (as defined in Section 17039) a state low-income housing credit in an amount equal to the amount determined in subdivision (c), computed in accordance with the provisions of Section 42 of the Internal Revenue Code, except as otherwise provided in this section.

(2) ''Taxpayer'' for purposes of this section means the sole owner in the case of an individual, the partners in the case of a partnership, and the shareholders in the case of an S corporation.

(3) ''Housing sponsor'' for purposes of this section means the sole owner in the case of an individual, the partnership in the case of a partnership, and the S corporation in the case of an S corporation.

(b) (1) The amount of the credit allocated to any housing sponsor shall be authorized by the California Tax Credit Allocation Committee, or any successor thereof, based on a project's need for the credit for economic feasibility in accordance with the requirements of this section.

(A) The low-income housing project shall be located in California and shall meet either of the following requirements:

(i) The project's housing sponsor shall have been allocated by the California Tax Credit Allocation Committee a credit for federal income tax purposes under Section 42 of the Internal Revenue Code.

(ii) It shall qualify for a credit under Section 42(h)(4)(B) of the Internal Revenue Code.

(B) The California Tax Credit Allocation Committee shall not require fees for the credit under this section in addition to those fees required for applications for the tax credit pursuant to Section 42 of the Internal Revenue Code. The committee may require a fee if the application for the credit under this section is submitted in a calendar year after the year the application is submitted for the federal tax credit.

(2) (A) The California Tax Credit Allocation Committee shall certify to the housing sponsor the amount of tax credit under this section allocated to the housing sponsor for each credit period.

(B) In the case of a partnership or an S corporation, the housing sponsor shall provide a copy of the California Tax Credit Allocation Committee certification to the taxpayer.

(C) The taxpayer shall, upon request, provide a copy of the certification to the Franchise Tax Board.

(D) All elections made by the taxpayer pursuant to Section 42 of the Internal Revenue Code shall apply to this section.

(E) For buildings located in designated difficult development areas or qualified census tracts as defined in Section 42(d)(5)(C) of the Internal Revenue Code, credits may be allocated under this section in the amounts prescribed in subdivision (c), provided that the amount of credit allocated under Section 42 of the Internal Revenue Code is computed on 100 percent of the qualified basis of the building.

(c) Section 42(b) of the Internal Revenue Code shall be modified as follows:

(1) In the case of any qualified low-income building placed in service by the housing sponsor during 1987, the term ''applicable percentage'' means 9 percent for each of the first three years and 3 percent for the fourth year for new buildings (whether or not the building is federally subsidized) and for existing buildings.

(2) In the case of any qualified low-income building that receives an allocation after 1989 and is a new building not federally subsidized, the term ''applicable percentage'' means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(2) of the Internal Revenue Code, in lieu of the percentage prescribed in Section 42(b)(1)(A) of the Internal Revenue Code.

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(3) In the case of any qualified low-income building that receives an allocation after 1989 and that is a new building that is federally subsidized or that is an existing building that is ''at risk of conversion,'' the term ''applicable percentage'' means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are federally subsidized for the taxable year.

(B) For the fourth year, the difference between 13 percent and the sum of the applicable percentages for the first three years.

(4) For purposes of this section, the term "at risk of conversion," with respect to an existing building means a building that satisfies all of the following criteria:

(A) The building is presently owned by a housing sponsor other than a qualified nonprofit organization.

(B) The building is a federally assisted building for which the low-income use restrictions will terminate or the building is eligible for incentives under Subtitle 13 of the Emergency Low Income Housing Preservation Act of 1987 or under Section 502(c) of the Housing Act of 1949, anytime in the two calendar years after the year of application to the California Tax Credit Allocation Committee, and the purchaser has received preliminary approval from the applicable federal agency for a maximum level of incentives through a plan of action.

(C) The person acquiring the building enters into a regulatory agreement that requires the building to be operated in accordance with the requirements of this section for a period equal to the greater of 55 years or the life of the building.

(D) The building satisfies the requirements of Section 42(e) of the Internal Revenue Code regarding rehabilitation expenditures, except that the provisions of Section 42(e)(3)(A)(ii)(I) shall not apply.

(d) The term ''qualified low-income housing project'' as defined in Section 42(c)(2) of the Internal Revenue Code is modified by adding the following requirements:

(1) The taxpayer shall be entitled to receive a cash distribution from the operations of the project, after funding required reserves, that, at the election of the taxpayer, is equal to:

(A) An amount not to exceed 8 percent of the lesser of:

(i) The owner equity that shall include the amount of the capital contributions actually paid to the housing sponsor and shall not include any amounts until they are paid on an investor note.

(ii) Twenty percent of the adjusted basis of the building as of the close of the first taxable year of the credit period.

(B) The amount of the cash-flow from those units in the building that are not low-income units. For purposes of computing cash-flow under this subparagraph, operating costs shall be allocated to the low-income units using the ''floor space fraction,'' as defined in Section 42 of the Internal Revenue Code.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may be accumulated and distributed any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an S corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term ''credit period'' as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting "four taxable years'' for ''10 taxable years.''

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the taxable year in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable to this section.

(g) The aggregate housing credit dollar amount which may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 12206, and Section 23610.5 shall be an amount equal to the sum of all the following:

(1) Seventy million dollars ($70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars ($70,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term ''Consumer Price Index'' means the last

Consumer Price Index for all urban consumers published by the federal Department of Labor.

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(h) The term ''compliance period'' as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) Section 42(j) of the Internal Revenue Code shall not be applicable and the following requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, which agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code shall apply, providing the agreement includes all of the following provisions:

(1) A term not less than the compliance period.

(2) A requirement that the agreement be filed in the official records of the county in which the qualified low-income housing project is located.

(3) A provision stating which state and local agencies can enforce the regulatory agreement in the event the housing sponsor fails to satisfy any of the requirements of this section.

(4) A provision that the regulatory agreement shall be deemed a contract enforceable by tenants as third-party beneficiaries thereto and which allows individuals, whether prospective, present, or former occupants of the building, who meet the income limitation applicable to the building, the right to enforce the regulatory agreement in any state court.

(5) A provision incorporating the requirements of Section 42 of the Internal Revenue Code as modified by this section.

(6) A requirement that the housing sponsor notify the California Tax Credit Allocation Committee or its designee if there is a determination by the Internal Revenue Service that the project is not in compliance with Section 42(g) of the Internal Revenue Code.

(7) A requirement that the housing sponsor, as security for the performance of the housing sponsor's obligations under the regulatory agreement, assign the housing sponsor's interest in rents that it receives from the project, provided that until there is a default under the regulatory agreement, the housing sponsor is entitled to collect and retain the rents.

(8) The remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period, include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and the allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code. In adopting this plan, the committee shall comply with the provisions of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code.

(3) Notwithstanding Section 42(m) of the Internal Revenue Code, the California Tax Credit Allocation Committee shall allocate housing credits in accordance with the qualified allocation plan and regulations, which shall include the following provisions:

(A) All housing sponsors, as defined by paragraph (3) of subdivision (a), shall demonstrate at the time the application is filed with the committee that the project meets the following threshold requirements:

(i) The housing sponsor shall demonstrate there is a need and demand for low-income housing in the community or region for which it is proposed.

(ii) The project's proposed financing, including tax credit proceeds, shall be sufficient to complete the project and that the proposed

operating income shall be adequate to operate the project for the extended use period.

(iii) The project shall have enforceable financing commitments, either construction or permanent financing, for at least 50 percent of the total estimated financing of the project.

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity to ensure project completion and operation for the extended use period.

(vii) The housing sponsor shall demonstrate the amount of tax credit that is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the extended use period, taking into account operating expenses, a supportable debt service, reserves, funds set aside for rental subsidies, and required equity, and a development fee that does not exceed a specified percentage of the eligible basis of the project prior to inclusion of the development fee in the eligible basis, as determined by the committee.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(i) Projects serving large families in which a substantial number, as defined by the committee of all residential units is comprised of low-income units with three and more bedrooms.

(ii) Projects providing single room occupancy units serving very low income tenants.

(iii) Existing projects that are ''at risk of conversion,'' as defined by paragraph (4) of subdivision (c).

(iv) Projects for which a public agency provides direct or indirect long-term financial support for at least 15 percent of the total project development costs or projects for which the owner's equity constitutes at least 30 percent of the total project development costs.

(v) Projects that provide tenant amenities not generally available to residents of low-income housing projects.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application.

(k) Section 42(*l*) of the Internal Revenue Code shall be modified as follows:

The term ''secretary'' shall be replaced by the term ''California Franchise Tax Board.''

(*l*) In the case where the credit allowed under this section exceeds the net tax, the excess credit may be carried over to reduce the net tax in the following year, and succeeding taxable years, if necessary, until the credit has been exhausted.

(m) A project that received an allocation of a 1989 federal housing credit dollar amount shall be eligible to receive an allocation of a 1990 state housing credit dollar amount, subject to all of the following conditions:

(1) The project was not placed in service prior to 1990.

(2) To the extent the amendments made to this section by the Statutes of 1990 conflict with any provisions existing in this section prior to those amendments, the prior provisions of law shall prevail.

(3) Notwithstanding paragraph (2), a project applying for an allocation under this subdivision shall be subject to the requirements of paragraph (3) of subdivision (j).

(n) The credit period with respect to an allocation of credit in 1989 by the California Tax Credit Allocation Committee of which any amount is attributable to unallocated credit from 1987 or 1988 shall not begin until after December 31, 1989.

(o) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1989.

(p) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(q) Any unused credit may continue to be carried forward, as provided in subdivision (*l*), until the credit has been exhausted.

This section shall remain in effect on and after December 1, 1990, for as long as Section 42 of the Internal Revenue Code, relating to low-income housing credits, remains in effect.

(r) The amendments to this section by the act adding this subdivision shall apply only to taxable years beginning on or after January 1, 1994.

SEC. 3. Section 23610.5 of the Revenue and Taxation Code is amended to read:

23610.5. (a) (1) There shall be allowed as a credit against the ''tax'' (as defined by Section 23036) a state low-income housing tax credit in an amount equal to the amount determined in subdivision (c),

computed in accordance with Section 42 of the Internal Revenue Code of 1986, except as otherwise provided in this section.

(2) ''Taxpayer,'' for purposes of this section, means the sole owner in the case of a C corporation, the partners in the case of a partnership, and the shareholders in the case of an S corporation.

(3) ''Housing sponsor,'' for purposes of this section, means the sole owner in the case of a C corporation, the partnership in the case of a partnership, and the S corporation in the case of an S corporation.

(b) (1) The amount of the credit allocated to any housing sponsor shall be authorized by the California Tax Credit Allocation Committee, or any successor thereof, based on a project's need for the credit for economic feasibility in accordance with the requirements of this section.

(A) The low-income housing project shall be located in California and shall meet either of the following requirements:

(i) The project's housing sponsor has been allocated by the California Tax Credit Allocation Committee a credit for federal income tax purposes under Section 42 of the Internal Revenue Code.

(ii) It qualifies for a credit under Section 42(h)(4)(B) of the Internal Revenue Code.

(B) The California Tax Credit Allocation Committee shall not require fees for the credit under this section in addition to those fees required for applications for the tax credit pursuant to Section 42 of the Internal Revenue Code. The committee may require a fee if the application for the credit under this section is submitted in a calendar year after the year the application is submitted for the federal tax credit.

(2) (A) The California Tax Credit Allocation Committee shall certify to the housing sponsor the amount of tax credit under this section allocated to the housing sponsor for each credit period.

(B) In the case of a partnership or an S corporation, the housing sponsor shall provide a copy of the California Tax Credit Allocation Committee certification to the taxpayer.

(C) The taxpayer shall, upon request, provide a copy of the certification to the Franchise Tax Board.

(D) All elections made by the taxpayer pursuant to Section 42 of the Internal Revenue Code shall apply to this section.

(E) For buildings located in designated difficult development areas or qualified census tracts as defined in Section 42(d)(5)(C) of the Internal Revenue Code, credits may be allocated under this section in the amounts prescribed in subdivision (c), provided that the amount of credit allocated under Section 42 of the Internal Revenue Code is computed on 100 percent of the qualified basis of the building.

(c) Section 42(b) of the Internal Revenue Code shall be modified as follows:

(1) In the case of any qualified low-income building placed in service by the housing sponsor during 1987, the term ''applicable percentage'' means 9 percent for each of the first three years and 3 percent for the fourth year for new buildings (whether or not the building is federally subsidized) and for existing buildings.

(2) In the case of any qualified low-income building that receives an allocation after 1989 and is a new building not federally subsidized, the term ''applicable percentage'' means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(2) of the Internal Revenue Code, in lieu of the percentage prescribed in Section 42(b)(1)(A).

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(3) In the case of any qualified low-income building that receives an allocation after 1989 and that is a new building that is federally subsidized or that is an existing building that is ''at risk of conversion,'' the term ''applicable percentage'' means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are federally subsidized for the taxable year.

(B) For the fourth year, the difference between 13 percent and the sum of the applicable percentages for the first three years.

(4) For purposes of this section, the term "at risk of conversion,'' with respect to an existing building means a building that satisfies all of the following criteria:

(A) The building is presently owned by a housing sponsor other than a qualified nonprofit organization.

(B) The building is a federally assisted building for which the low-income use restrictions will terminate or the building is eligible for prepayment under Subtitle 13 of the Emergency Low Income Housing Assistance Act of 1987 or under Section 502(c) of the Housing Act of 1949, anytime in the two calendar years after the year of application to the California Tax Credit Allocation Committee, and the purchaser has received preliminary approval from the applicable federal agency for a maximum level of incentives through a plan of action.

(C) The person acquiring the building enters into a regulatory agreement that requires the building to be operated in accordance with the requirements of this section for a period equal to the greater of 55 years or the life of the building.

(D) The building satisfies the requirements of Section 42(e) of the Internal Revenue Code regarding rehabilitation expenditures, except that the provisions of Section 42(e)(3)(A)(ii)(I) shall not apply.

(d) The term ''qualified low-income housing project'' as defined in Section 42(c)(2) of the Internal Revenue Code is modified by adding the following requirements:

(1) The taxpayer shall be entitled to receive a cash distribution from the operations of the project, after funding required reserves, which, at the election of the taxpayer, shall be equal to:

(A) An amount not to exceed 8 percent of the lesser of:

(i) The owner equity, which shall include the amount of the capital contributions actually paid to the housing sponsor and shall not include any amounts until they are paid on an investor note.

(ii) Twenty percent of the adjusted basis of the building as of the close of the first taxable year of the credit period.

(B) The amount of the cash-flow from those units in the building that are not low-income units. For purposes of computing cash-flow under this subparagraph, operating costs shall be allocated to the low-income units using the ''floor space fraction,'' as defined in Section 42 of the Internal Revenue Code.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may accumulate and be distributed at any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an S corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term ''credit period'' as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting "four taxable years'' for ''10 taxable years.''

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for

the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(g) The aggregate housing credit dollar amount that may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 12206, and Section 17058 shall be an amount equal to the sum of all the following:

(1) Seventy million dollars ($70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars ($70,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term ''Consumer Price Index'' means the last Consumer Price Index for all urban consumers published by the federal Department of Labor.

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(h) The term ''compliance period'' as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) Section 42(j) of the Internal Revenue Code shall not be applicable and the following shall be substituted in its place:

The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, and this agreement shall be subordinated, when

required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code shall apply, provided that the agreement includes all of the following provisions:

(1) A term not less than the compliance period.

(2) A requirement that the agreement be filed in the official records of the county in which the qualified low-income housing project is located.

(3) A provision stating which state and local agencies can enforce the regulatory agreement in the event the housing sponsor fails to satisfy any of the requirements of this section.

(4) A provision that the regulatory agreement shall be deemed a contract enforceable by tenants as third-party beneficiaries thereto, and that allows individuals, whether prospective, present, or former occupants of the building, who meet the income limitation applicable to the building the right to enforce the regulatory agreement in any state court.

(5) A provision incorporating the requirements of Section 42 of the Internal Revenue Code as modified by this section.

(6) A requirement that the housing sponsor notify the California Tax Credit Allocation Committee or its designee if there is a determination by the Internal Revenue Service that the project is not in compliance with Section 42(g) of the Internal Revenue Code.

(7) A requirement that the housing sponsor, as security for the performance of the housing sponsor's obligations under the regulatory agreement, assign the housing sponsor's interest in rents that it receives from the project, provided that until there is a default under the regulatory agreement, the housing sponsor is entitled to collect and retain the rents.

(8) A provision that the remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of

federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code. In adopting this plan, the committee shall comply with the provisions of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code.

(3) Notwithstanding Section 42(m) of the Internal Revenue Code, the California Tax Credit Allocation Committee shall allocate housing credits in accordance with the qualified allocation plan and regulations, which shall include the following provisions:

(A) All housing sponsors, as defined by paragraph (3) of subdivision (a), shall demonstrate at the time the application is filed with the committee that the project meets the following threshold requirements:

(i) The housing sponsor shall demonstrate that there is a need for low-income housing in the community or region for which it is proposed.

(ii) The project's proposed financing, including tax credit proceeds, shall be sufficient to complete the project and shall be adequate to operate the project for the extended use period.

(iii) The project shall have enforceable financing commitments, either construction or permanent financing, for at least 50 percent of the total estimated financing of the project.

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity to ensure project completion and operation for the extended use period.

(vii) The housing sponsor shall demonstrate the amount of tax credit that is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the extended use period, taking into account operating expenses, a supportable debt service, reserves, funds set aside for rental subsidies, and required equity, and a development fee that does not exceed a specified percentage of the eligible basis of the project prior to inclusion of the development fee in the eligible basis, as determined by the committee.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(i) Projects serving large families in which a substantial number, as defined by the committee, of all residential units are low-income units with three and more bedrooms.

(ii) Projects providing single-room occupancy units serving very low income tenants.

(iii) Existing projects that are ''at risk of conversion,'' as defined by paragraph (4) of subdivision (c).

(iv) Projects for which a public agency provides direct or indirect long-term financial support for at least 15 percent of the total project development costs or projects for which the owner's equity constitutes at least 30 percent of the total project development costs.

(v) Projects that provide tenant amenities not generally available to residents of low-income housing projects.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application except to break a tie when two or more of the projects have an equal rating.

(5) Not less than 20 percent of the low-income housing tax credits available annually under this section, Section 12206, and Section 17058 shall be set aside for allocation to rural areas as defined in Section 50199.21 of the Health and Safety Code. Any amount of credit set aside for rural areas remaining on or after October 31 of any calendar year shall be available for allocation to any eligible project. No amount of credit set aside for rural areas shall be considered available for any eligible project so long as there are eligible rural applications pending on October 31.

(k) Section 42(*l*) of the Internal Revenue Code shall be modified as follows:

The term ''secretary'' shall be replaced by the term ''California Franchise Tax Board.''

(*l*) In the case where the state credit allowed under this section exceeds the ''tax,'' the excess may be carried over to reduce the ''tax'' in the following year, and succeeding years if necessary, until the credit has been exhausted.

(m) A project that received an allocation of a 1989 federal housing credit dollar amount shall be eligible to receive an allocation of a 1990 state housing credit dollar amount, subject to all of the following conditions:

(1) The project was not placed in service prior to 1990.

(2) To the extent the amendments made to this section by the Statutes of 1990 conflict with any provisions existing in this section prior to those amendments, the prior provisions of law shall prevail.

(3) Notwithstanding paragraph (2), a project applying for an allocation under this subdivision shall be subject to the requirements of paragraph (3) of subdivision (j).

(n) The credit period with respect to an allocation of credit in 1989 by the California Tax Credit Allocation Committee of which any amount is attributable to unallocated credit from 1987 or 1988 shall not begin until after December 31, 1989.

(o) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1989.

(p) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(q) (1) A corporation may elect to assign any portion of any credit allowed under this section to one or more affiliated corporations for each taxable year in which the credit is allowed. For purposes of this subdivision, ''affiliated corporation'' has the meaning provided in subdivision (b) of Section 25110, as that section was amended by Chapter 881 of the Statutes of 1993, as of the last day of the taxable year in which the credit is allowed, except that ''100 percent'' is substituted for ''more than 50 percent'' wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993, and ''voting common stock'' is substituted for ''voting stock'' wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993.

(2) The election provided in paragraph (1):

(A) May be based on any method selected by the corporation that originally receives the credit.

(B) Shall be irrevocable for the taxable year the credit is allowed, once made.

(C) May be changed for any subsequent taxable year if the election to make the assignment is expressly shown on each of the returns of the affiliated corporations that assign and receive the credits.

(r) Any unused credit may continue to be carried forward, as provided in subdivision (k), until the credit has been exhausted.

This section shall remain in effect on or after December 1, 1990, for as long as Section 42 of the Internal Revenue Code, relating to low-income housing credits, remains in effect.

(s) The amendments to this section made by the act adding this subdivision shall apply only to taxable years beginning on or after January 1, 1994, except that paragraph (1) of subdivision (q), as amended, shall apply to taxable years beginning on or after January 1, 1993.

SEC. 4. The California Tax Credit Allocation Committee shall review and evaluate the geographic apportionment methodology of the low-income housing tax credit program, taking into account, among other things, an equitable distribution of tax credits in accordance with regional and local housing needs, and shall report back to the Legislature no later than June 30, 2002.

SEC. 5. This act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect.

CHAPTER 669

An act to add Section 21015.6 to the Revenue and Taxation Code, relating to taxation.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 21015.6 is added to the Revenue and Taxation Code, to read:

21015.6. (a) No levy may be made on the principal residence of any innocent investor or the proceeds from the sale or other transaction involving the principal residence of an innocent investor upon notification to the Franchise Tax Board that the residence is the principal residence of an innocent investor and substantiation of both of the following:

(1) The basis for that levy is an underpayment of any tax imposed under Part 10 (commencing with Section 17001) for any taxable year ending on or before December 31, 2000, that is attributable to an abusive tax shelter.

(2) The principal residence is owned by an innocent investor.

(b) Any state tax lien recorded under Chapter 14 (commencing with Section 7150) of Division 7 of Title 1 of the Government Code, including a state tax lien described under Section 522(c)(2)(B) of Title

11 of the United States Code, relating to state tax liens after bankruptcy, on the principal residence of an innocent investor shall be released without satisfaction of the lien upon notification to the Franchise Tax Board that the residence is the principal residence of an innocent investor and substantiation of both of the following:

(1) The basis for that lien is an underpayment of any tax imposed under Part 10 (commencing with Section 17001) for any taxable year ending on or before December 31, 2000, that is attributable to an abusive tax shelter.

(2) The owner of that principal residence is an innocent investor.

(c) For purposes of this section:

(1) ''Abusive tax shelter'' shall satisfy both of the following requirements:

(A) Be a potentially abusive tax shelter within the meaning of Section 6112 of the Internal Revenue Code.

(B) With respect to which either of the following has occurred:

(i) The Internal Revenue Service has imposed a penalty under Section 6700 or 6701 of the Internal Revenue Code.

(ii) The Franchise Tax Board has imposed a penalty under Section 19177 or 19178.

(2) ''Innocent investor'' means any individual (or the spouse or former spouse of that individual) that satisfies each of the following requirements:

(A) Is liable for underpayment of any tax imposed under Part 10 (commencing with Section 17001) for any taxable year ending on or before December 31, 2000, that is attributable to ownership of an interest in an abusive tax shelter.

(B) Had no responsibility for the creation, promotion, operation, management, or control of the abusive tax shelter.

(C) During the tax years to which the underpayment described in subparagraph (A) relates, reasonably believed that the tax treatment of an item attributable to an abusive tax shelter was, more likely than not, the proper tax treatment.

(3) ''Principal residence'' includes any property that qualifies as a declared homestead as defined in Section 704.910 of the Code of Civil Procedure.

(d) Notification required by this section shall be made in the manner prescribed in forms and instructions of the Franchise Tax Board.

(e) (1) If, after January 1, 2002, the Franchise Tax Board has received proceeds from the sale of a principal residence by either levy or the satisfaction of a lien, the amounts received shall be returned to the owner upon notification to the Franchise Tax Board that the residence was the principal residence of an innocent investor and substantiation as specified in subdivision (a) or (b). The notification shall be made in

writing and shall be considered a request for the return of the proceeds from the sale of the principal residence.

(2) If the Franchise Tax Board fails to mail notice of denial of the request for the return of the proceeds from the sale of the principal residence within six months after the date the request was submitted, the owner may, prior to the mailing of the notice of denial of the request, consider the request denied and may, in accordance with subdivision (f), bring an action against the Franchise Tax Board for the return of the proceeds from the sale of the principal residence.

(3) Amounts returned pursuant to paragraph (1) shall include interest at the adjusted annual rate established under Section 19521 from the date the amounts are received by the Franchise Tax Board until the date the amounts are returned.

(4) Any amounts required to be returned pursuant to this subdivision shall first be credited against any amount then due from the owner (other than an underpayment of tax described in subparagraph (A) of paragraph (2) of subdivision (c)) and the balance, if any, shall be returned to the owner.

(5) No amount may be credited or returned pursuant to this subdivision unless the notification and substantiation described in paragraph (1) occur before the expiration of the one-year period beginning on the date the proceeds are received by the Franchise Tax Board.

(f) (1) If the Franchise Tax Board denies a request for the return of the proceeds from the sale of a principal residence, the owner of the residence may bring an action against the Franchise Tax Board for the return, in whole or in part, of the proceeds the Franchise Tax Board received by levy or in satisfaction of a lien.

(2) The action described in paragraph (1) must be filed within one year from the date the proceeds are received by the Franchise Tax Board or within 90 days after the Franchise Tax Board notifies the owner of the denial of his or her request for the return of the proceeds from the sale of the principal residence, whichever period expires later.

(3) Except as otherwise provided in this subdivision, an action brought pursuant to this subdivision shall be governed by the provisions of law applicable to an action authorized under Section 19382.

CHAPTER 670

An act to amend Section 11125.1 of the Government Code, and to amend Sections 7081 and 21002 of the Revenue and Taxation Code, relating to taxation.

[Approved by Governor October 9, 2001. Filed with
Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 11125.1 of the Government Code is amended to read:

11125.1. (a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and other writings, when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are distributed to members of the state body by board staff or individual members prior to or during a meeting shall be: (1) made available for public inspection at that meeting, (2) distributed to all persons who request notice in writing pursuant to subdivision (a) of Section 11125, and (3) made available on the Internet.

(d) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 6257. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall not be construed to limit or delay the public's right to inspect any record required to be disclosed by that act, or to limit the public's right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(e) ''Writing'' for purposes of this section means ''writing'' as defined under Section 6252.

SEC. 2. Section 7081 of the Revenue and Taxation Code is amended to read:

7081. The Legislature finds and declares that taxes are the most sensitive point of contact between citizens and their government, and that there is a delicate balance between revenue collection and freedom from government oppression. It is the intent of the Legislature to place guarantees in California law to ensure that the rights, privacy, and property of California taxpayers are adequately protected during the process of the assessment and collection of taxes.

The Legislature further finds that the California tax system is based largely on voluntary compliance, and the development of understandable tax laws and taxpayers informed of those laws will improve both voluntary compliance and the relationship between taxpayers and government. It is the further intent of the Legislature to promote improved voluntary taxpayer compliance by improving the clarity of tax laws and efforts to inform the public of the proper application of those laws.

The Legislature further finds and declares that the purpose of any tax proceeding between the State Board of Equalization and a taxpayer is the determination of the taxpayer's correct amount of tax liability. It is the intent of the Legislature that, in furtherance of this purpose, the State Board of Equalization may inquire into, and shall allow the taxpayer every opportunity to present, all relevant information pertaining to the taxpayer's liability.

SEC. 3. Section 21002 of the Revenue and Taxation Code is amended to read:

21002. The Legislature finds and declares that taxes are the most sensitive point of contact between citizens and their government, and that there is a delicate balance between revenue collection and freedom from government oppression. It is the intent of the Legislature to place guarantees in California law to ensure that the rights, privacy, and property of California taxpayers are adequately protected during the process of the assessment and collection of taxes.

The Legislature further finds that the California tax system is based largely on self-assessment, and the development of understandable tax laws and taxpayers informed of those laws will improve both self-assessment and the relationship between taxpayers and government. It is the further intent of the Legislature to promote improved taxpayer self-assessment by improving the clarity of tax laws and efforts to inform the public of the proper application of those laws.

The Legislature further finds and declares that the purpose of any tax proceeding between the Franchise Tax Board and a taxpayer is the

determination of the taxpayer's correct tax liability. It is the intent of the Legislature that, in the furtherance of this purpose, the Franchise Tax Board may inquire into, and shall allow the taxpayer every opportunity to present, all relevant information pertaining to the taxpayer's liability.

CHAPTER 671

An act to amend Sections 65008 and 65583 of the Government Code, relating to housing.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature in enacting this act only to clarify existing state requirements and not to establish any new reimbursable state mandate.

SEC. 1.5. Section 65008 of the Government Code is amended to read:

65008. (a) Any action pursuant to this title by any city, county, city and county, or other local governmental agency in this state is null and void if it denies to any individual or group of individuals the enjoyment of residence, landownership, tenancy, or any other land use in this state because of any of the following reasons:

(1) The race, sex, color, religion, ethnicity, national origin, ancestry, lawful occupation, familial status, disability, or age of the individual or group of individuals. For purposes of this section, both of the following definitions apply:

(A) ''Familial status'' as defined in Section 12955.2.

(B) ''Disability'' as defined in Section 12955.3.

(2) The method of financing of any residential development of the individual or group of individuals.

(3) The intended occupancy of any residential development by persons or families of low, moderate, or middle income.

(b) No city, county, city and county, or other local governmental agency shall, in the enactment or administration of ordinances pursuant to this title, prohibit or discriminate against any residential development or emergency shelter because of the method of financing or the race, sex, color, religion, ethnicity, national origin, ancestry, lawful occupation, familial status, disability, or age of the owners or intended occupants of the residential development or emergency shelter.

(c) (1) No city, county, city and county, or other local governmental agency shall, in the enactment or administration of ordinances pursuant to this title, prohibit or discriminate against a residential development or emergency shelter because the development or shelter is intended for occupancy by persons and families of low and moderate income, as defined in Section 50093 of the Health and Safety Code, or persons and families of middle income.

(2) For the purposes of this section, ''persons and families of middle income'' means persons and families whose income does not exceed 150 percent of the median income for the county in which the persons or families reside.

(d) (1) No city, county, city and county, or other local governmental agency may impose different requirements on a residential development or emergency shelter that is subsidized, financed, insured, or otherwise assisted by the federal or state government or by a local public entity, as defined in Section 50079 of the Health and Safety Code, than those imposed on nonassisted developments, except as provided in subdivision (e).

(2) No city, county, city and county, or other local governmental agency may, because of the race, sex, color, religion, ethnicity, national origin, ancestry, lawful occupation, familial status, disability, or age of the intended occupants, or because the development is intended for occupancy by persons and families of low, moderate, or middle income, impose different requirements on these residential developments than those imposed on developments generally, except as provided in subdivision (e).

(e) Notwithstanding subdivisions (a) to (d), inclusive, nothing in this section or this title shall be construed to prohibit either of the following:

(1) The County of Riverside from enacting and enforcing zoning to provide housing for older persons, in accordance with state or federal law, if that zoning was enacted prior to January 1, 1995.

(2) Any city, county, or city and county from extending preferential treatment to residential developments or emergency shelters assisted by the federal or state government or by a local public entity, as defined in Section 50079 of the Health and Safety Code, or other residential developments or emergency shelters intended for occupancy by persons and families of low and moderate income, as defined in Section 50093 of the Health and Safety Code, or persons and families of middle income, or agricultural employees, as defined in subdivision (b) of Section 1140.4 of the Labor Code, and their families. This preferential treatment may include, but need not be limited to, reduction or waiver of fees or changes in architectural requirements, site development and property line requirements, building setback requirements, or vehicle parking requirements that reduce development costs of these developments.

(f) ''Residential development,'' as used in this section, means a single-family residence or a multifamily residence, including manufactured homes, as defined in Section 18007 of the Health and Safety Code.

(g) This section shall apply to chartered cities.

(h) The Legislature finds and declares that discriminatory practices that inhibit the development of housing for persons and families of low, moderate, and middle income, or emergency shelters for the homeless, are a matter of statewide concern.

SEC. 2. Section 65583 of the Government Code is amended to read:

65583. The housing element shall consist of an identification and analysis of existing and projected housing needs and a statement of goals, policies, quantified objectives, financial resources, and scheduled programs for the preservation, improvement, and development of housing. The housing element shall identify adequate sites for housing, including rental housing, factory-built housing, and mobilehomes, and shall make adequate provision for the existing and projected needs of all economic segments of the community. The element shall contain all of the following:

(a) An assessment of housing needs and an inventory of resources and constraints relevant to the meeting of these needs. The assessment and inventory shall include the following:

(1) An analysis of population and employment trends and documentation of projections and a quantification of the locality's existing and projected housing needs for all income levels. These existing and projected needs shall include the locality's share of the regional housing need in accordance with Section 65584.

(2) An analysis and documentation of household characteristics, including level of payment compared to ability to pay, housing characteristics, including overcrowding, and housing stock condition.

(3) An inventory of land suitable for residential development, including vacant sites and sites having potential for redevelopment, and an analysis of the relationship of zoning and public facilities and services to these sites.

(4) An analysis of potential and actual governmental constraints upon the maintenance, improvement, or development of housing for all income levels and for persons with disabilities as identified in the analysis pursuant to paragraph (4) of subdivision (a), including land use controls, building codes and their enforcement, site improvements, fees and other exactions required of developers, and local processing and permit procedures. The analysis shall also demonstrate local efforts to remove governmental constraints that hinder the locality from meeting its share of the regional housing need in accordance with Section 65584

and from meeting the need for housing for persons with disabilities identified pursuant to paragraph (6).

(5) An analysis of potential and actual nongovernmental constraints upon the maintenance, improvement, or development of housing for all income levels, including the availability of financing, the price of land, and the cost of construction.

(6) An analysis of any special housing needs, such as those of the elderly, persons with disabilities, large families, farmworkers, families with female heads of households, and families and persons in need of emergency shelter.

(7) An analysis of opportunities for energy conservation with respect to residential development.

(8) An analysis of existing assisted housing developments that are eligible to change from low-income housing uses during the next 10 years due to termination of subsidy contracts, mortgage prepayment, or expiration of restrictions on use. ''Assisted housing developments,'' for the purpose of this section, shall mean multifamily rental housing that receives governmental assistance under federal programs listed in subdivision (a) of Section 65863.10, state and local multifamily revenue bond programs, local redevelopment programs, the federal Community Development Block Grant Program, or local in-lieu fees. ''Assisted housing developments'' shall also include multifamily rental units that were developed pursuant to a local inclusionary housing program or used to qualify for a density bonus pursuant to Section 65916.

(A) The analysis shall include a listing of each development by project name and address, the type of governmental assistance received, the earliest possible date of change from low-income use and the total number of elderly and nonelderly units that could be lost from the locality's low-income housing stock in each year during the 10-year period. For purposes of state and federally funded projects, the analysis required by this subparagraph need only contain information available on a statewide basis.

(B) The analysis shall estimate the total cost of producing new rental housing that is comparable in size and rent levels, to replace the units that could change from low-income use, and an estimated cost of preserving the assisted housing developments. This cost analysis for replacement housing may be done aggregately for each five-year period and does not have to contain a project by project cost estimate.

(C) The analysis shall identify public and private nonprofit corporations known to the local government which have legal and managerial capacity to acquire and manage these housing developments.

(D) The analysis shall identify and consider the use of all federal, state, and local financing and subsidy programs which can be used to preserve, for lower income households, the assisted housing

developments, identified in this paragraph, including, but not limited to, federal Community Development Block Grant Program funds, tax increment funds received by a redevelopment agency of the community, and administrative fees received by a housing authority operating within the community. In considering the use of these financing and subsidy programs, the analysis shall identify the amounts of funds under each available program which have not been legally obligated for other purposes and which could be available for use in preserving assisted housing developments.

(b) (1) A statement of the community's goals, quantified objectives, and policies relative to the maintenance, preservation, improvement, and development of housing.

(2) It is recognized that the total housing needs identified pursuant to subdivision (a) may exceed available resources and the community's ability to satisfy this need within the content of the general plan requirements outlined in Article 5 (commencing with Section 65300). Under these circumstances, the quantified objectives need not be identical to the total housing needs. The quantified objectives shall establish the maximum number of housing units by income category that can be constructed, rehabilitated, and conserved over a five-year time period.

(c) A program which sets forth a five-year schedule of actions the local government is undertaking or intends to undertake to implement the policies and achieve the goals and objectives of the housing element through the administration of land use and development controls, provision of regulatory concessions and incentives, and the utilization of appropriate federal and state financing and subsidy programs when available and the utilization of moneys in a low- and moderate- income housing fund of an agency if the locality has established a redevelopment project area pursuant to the Community Redevelopment Law (Division 24 (commencing with Section 33000) of the Health and Safety Code). In order to make adequate provision for the housing needs of all economic segments of the community, the program shall do all of the following:

(1) (A) Identify adequate sites which will be made available through appropriate zoning and development standards and with services and facilities, including sewage collection and treatment, domestic water supply, and septic tanks and wells, needed to facilitate and encourage the development of a variety of types of housing for all income levels, including multifamily rental housing, factory-built housing, mobilehomes, housing for agricultural employees, emergency shelters, and transitional housing in order to meet the community's housing goals as identified in subdivision (b).

(i) Where the inventory of sites, pursuant to paragraph (3) of subdivision (a), does not identify adequate sites to accommodate the need for groups of all household income levels pursuant to Section 65584, the program shall provide for sufficient sites with zoning that permits owner-occupied and rental multifamily residential use by right, including density and development standards that could accommodate and facilitate the feasibility of housing for very low and low-income households.

(ii) Where the inventory of sites pursuant to paragraph (3) of subdivision (a) does not identify adequate sites to accommodate the need for farmworker housing, the program shall provide for sufficient sites to meet the need with zoning that permits farmworker housing use by right, including density and development standards that could accommodate and facilitate the feasibility of the development of farmworker housing for low- and very low income households.

(B) For purposes of this paragraph, the phrase ''use by right'' shall mean the use does not require a conditional use permit, except when the proposed project is a mixed-use project involving both commercial or industrial uses and residential uses. Use by right for all rental multifamily residential housing shall be provided in accordance with subdivision (f) of Section 65589.5.

(C) The requirements of this subdivision regarding identification of sites for farmworker housing shall apply commencing with the next revision of housing elements required by Section 65588 following the enactment of this subparagraph.

(2) Assist in the development of adequate housing to meet the needs of low- and moderate-income households.

(3) Address and, where appropriate and legally possible, remove governmental constraints to the maintenance, improvement, and development of housing, including housing for all income levels and housing for persons with disabilities. The program shall remove constraints to, or provide reasonable accommodations for housing designed for, intended for occupancy by, or with supportive services for, persons with disabilities.

(4) Conserve and improve the condition of the existing affordable housing stock, which may include addressing ways to mitigate the loss of dwelling units demolished by public or private action.

(5) Promote housing opportunities for all persons regardless of race, religion, sex, marital status, ancestry, national origin, color, familial status, or disability.

(6) (A) Preserve for lower income households the assisted housing developments identified pursuant to paragraph (8) of subdivision (a). The program for preservation of the assisted housing developments shall utilize, to the extent necessary, all available federal, state, and local

financing and subsidy programs identified in paragraph (8) of subdivision (a), except where a community has other urgent needs for which alternative funding sources are not available. The program may include strategies that involve local regulation and technical assistance.

(B) The program shall include an identification of the agencies and officials responsible for the implementation of the various actions and the means by which consistency will be achieved with other general plan elements and community goals. The local government shall make a diligent effort to achieve public participation of all economic segments of the community in the development of the housing element, and the program shall describe this effort.

(d) The analysis and program for preserving assisted housing developments required by the amendments to this section enacted by the Statutes of 1989 shall be adopted as an amendment to the housing element by July 1, 1992.

(e) Failure of the department to review and report its findings pursuant to Section 65585 to the local government between July 1, 1992, and the next periodic review and revision required by Section 65588, concerning the housing element amendment required by the amendments to this section by the Statutes of 1989, shall not be used as a basis for allocation or denial of any housing assistance administered pursuant to Part 2 (commencing with Section 50400) of Division 31 of the Health and Safety Code.

CHAPTER 672

An act to add Section 8169.6 to the Government Code, relating to state public works.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 8169.6 is added to the Government Code, to read:

8169.6. (a) In furtherance of the Capitol Area Plan, the objectives of Resolution Chapter 131 of the Statutes of 1991, and the legislative findings and declarations contained in Chapter 193 of the Statutes of 1996, relative to the findings by the Urban Land Institute, the director may purchase, exchange, or otherwise acquire real property and construct facilities, including any improvements, betterments, and related facilities, within the jurisdiction of the Capitol Area Plan in the

City of Sacramento pursuant to this section. The total authorized scope of the project shall consist of approximately 1,400,000 gross square feet of office space on state-owned land in the Capitol area in downtown Sacramento on Block 204 (bounded by 7th, 8th, O, and P Streets) or Block 203 (bounded by 7th, 8th, N, and O Streets, or both of those blocks). The project will include associated parking onsite and in a parking garage to be constructed on Block 266 (bounded by 8th, 9th, Q, and R Streets). The project cost shall include the cost of rehabilitation of the Heilbron House currently located on Block 204, and the project cost may include the cost of relocation of the Heilbron House.

(b) (1) The department may contract for the lease, lease-purchase, lease with an option to purchase, acquisition, design, design-build, construction, construction management, and other services related to the design and construction of the office and parking facilities. The State Public Works Board may issue revenue bonds, negotiable notes, or negotiable bond anticipation notes pursuant to Chapter 5 (commencing with Section 15830) of Part 10b of Division 3 to finance all costs associated with the acquisition, design, and construction of office and parking facilities for the purposes of this section. The State Public Works Board and the department may borrow funds for project costs from the Pooled Money Investment Account pursuant to Sections 16312 and 16313. In the event the bonds authorized by the project are not sold, the tenant state agencies identified for the building, as determined by the Department of Finance, shall commit a sufficient amount of their support appropriations to repay any loans made for the project from the Pooled Money Investment Account. It is the intent of the Legislature that this commitment shall be included in future Budget Acts until all outstanding loans from the Pooled Money Investment Account are repaid either through the proceeds from the sale of bonds or from an appropriation.

(2) The amount of revenue bonds, negotiable notes, or negotiable bond anticipation notes to be sold may equal, but shall not exceed, the cost of planning, preliminary plans, working drawings, construction, construction management and supervision, other costs relating to the design and construction of the facilities, and any additional sums necessary to pay interim and permanent financing costs. The additional amount may include interest and a reasonable required reserve fund.

(3) Authorized costs of the facilities for preliminary plans, working drawings, demolition, construction, and other costs shall not exceed three hundred ninety-one million dollars ($391,000,000). Notwithstanding Section 13332.11, the State Public Works Board may authorize the augmentation of the amount authorized under this paragraph by up to 10 percent of the amount authorized.

(4) The net present value of the cost to acquire and operate the facilities authorized by subdivision (a) may not exceed the net present value of the cost to lease and operate an equivalent amount of comparable consolidated office space over the same time period. The department shall perform this analysis and shall obtain interest rates, discount rates, and Consumer Price Index figures from the Treasurer. For purposes of this analysis, the department shall compare the cost of acquiring and operating the proposed facilities with the avoided cost of leasing and operating an equivalent amount of comparable consolidated office space that would no longer need to be leased.

(5) The director may execute and deliver a contract with the State Public Works Board for the lease of the facilities described in this section that are financed with the proceeds of the board's bonds, notes, or bond anticipation notes issued in accordance with this section.

CHAPTER 673

An act to amend Section 1102.6b of the Civil Code, and to amend Section 53340.2 of, and to add Section 53754 to, the Government Code, relating to real estate disclosure.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1102.6b of the Civil Code is amended to read:

1102.6b. (a) This section applies to all transfers of real property for which all of the following apply:

(1) The transfer is subject to this article.

(2) The property being transferred is subject to a continuing lien securing the levy of special taxes pursuant to the Mello-Roos Community Facilities Act (Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5 of the Government Code) or to a fixed lien assessment collected in installments to secure bonds issued pursuant to the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500) of the Streets and Highways Code).

(3) A notice is not required pursuant to Section 53341.5 of the Government Code.

(b) In addition to any other disclosure required pursuant to this article, the seller of any real property subject to this section shall make a good faith effort to obtain a disclosure notice concerning the special tax as provided for in Section 53340.2 of the Government Code, or a disclosure

notice concerning an assessment installment as provided in Section 53754 of the Government Code, from each local agency that levies a special tax pursuant to the Mello-Roos Community Facilities Act, or that collects assessment installments to secure bonds issued pursuant to the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500) of the Streets and Highways Code), on the property being transferred, and shall deliver that notice or those notices to the prospective purchaser, as long as the notices are made available by the local agency.

(c) If a disclosure received pursuant to subdivision (b) has been delivered to the transferee, a seller or his or her agent is not required to provide additional information concerning, and information in the disclosure shall be deemed to satisfy the responsibility of the seller or his or her agent to inform the transferee regarding the special tax or assessment installments and the district. Notwithstanding subdivision (b), nothing in this section imposes a duty to discover a special tax or assessment installments or the existence of any levying district not actually known to the agents.

SEC. 2. Section 53340.2 of the Government Code is amended to read:

53340.2. (a) The legislative body levying the special tax shall designate an office, department, or bureau of the local agency which shall be responsible for annually preparing the current roll of special tax levy obligations by assessor's parcel number on nonexempt property within the district and which will be responsible for estimating future special tax levies. The designated office, department, or bureau shall be the same office, department, or bureau that prepares the ''NOTICE OF ASSESSMENT'' required by Section 53754. If notice is required under both this section and Section 53754, the notices shall, to the extent feasible, be combined into a single notice document. The designated office, department, or bureau shall establish procedures to promptly respond to inquiries concerning current and future estimated tax liability. Neither the designated office, department, or bureau, nor the legislative body, shall be liable if any estimate of future tax liability is inaccurate, nor for any failure of any seller to request a Notice of Special Tax or to provide the notice to a buyer.

(b) For purposes of enabling sellers of real property subject to the levy of special taxes to satisfy the notice requirements of subdivision (b) of Section 1102.6 of the Civil Code, the designated office, department, or bureau shall furnish a Notice of Special Tax to any individual requesting the notice or any owner of property subject to a special tax levied by the local agency within five working days of receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars ($10.00).

(c) The notice shall contain the heading ''NOTICE OF SPECIAL TAX'' in type no smaller than 8-point type, and shall be in substantially the following form. The form may be modified as needed to clearly and accurately describe the tax structure and other characteristics of districts created before January 1, 1993, or to clearly and accurately consolidate information about the tax structure and other characteristics of two or more districts that levy or are authorized to levy special taxes with respect to the lot, parcel, or unit. The notice shall be completed by the designated office, department, or bureau except for the signatures and date of signing:

NOTICE OF SPECIAL TAX

COMMUNITY FACILITIES DISTRICT NO. ____
COUNTY OF _____, CALIFORNIA
TO: THE PROSPECTIVE PURCHASER OF THE REAL PROPERTY KNOWN AS:

_____
_____

THIS IS A NOTIFICATION TO YOU PRIOR TO YOUR PURCHASING THIS PROPERTY.

This property is subject to a special tax, which is in addition to the regular property taxes and any other charges and benefit assessments on the parcel. This special tax may not be imposed on all parcels within the city or county where the property is located. If you fail to pay this tax when due each year, the property may be foreclosed upon and sold. The tax is used to provide public facilities or services that are likely to particularly benefit the property. YOU SHOULD TAKE THIS TAX AND THE BENEFITS FROM THE PUBLIC FACILITIES AND SERVICES FOR WHICH IT PAYS INTO ACCOUNT IN DECIDING WHETHER TO BUY THIS PROPERTY.

(2) The maximum special tax which may be levied against this parcel to pay for public facilities is $____ during the ____–__ tax year. This amount will increase by __ percent per year after that (if applicable). The special tax will be levied each year until all of the authorized facilities are built and all special tax bonds are repaid, but in any case not after the ____–__ tax year.

An additional special tax will be used to pay for ongoing services, if applicable. The maximum amount of this tax is ____ dollars ($____) during the ____–__ tax year. This amount may increase by ____, if applicable, and may be levied until the ____–__ tax year (or forever, as applicable).

(3) The authorized facilities which are being paid for by the special taxes, and by the money received from the sale of bonds which are being repaid by the special taxes, are:

These facilities may not yet have all been constructed or acquired and it is possible that some may never be constructed or acquired.

In addition, the special taxes may be used to pay for costs of the following services:

YOU MAY OBTAIN A COPY OF THE RESOLUTION OF FORMATION WHICH AUTHORIZED CREATION OF THE COMMUNITY FACILITIES DISTRICT, AND WHICH SPECIFIES MORE PRECISELY HOW THE SPECIAL TAX IS APPORTIONED AND HOW THE PROCEEDS OF THE TAX WILL BE USED, FROM THE _____ (name of jurisdiction) BY CALLING _____ (telephone number). THERE MAY BE A CHARGE FOR THIS DOCUMENT NOT TO EXCEED THE ESTIMATED REASONABLE COST OF PROVIDING THE DOCUMENT.

I (WE) ACKNOWLEDGE THAT I (WE) HAVE RECEIVED A COPY OF THIS NOTICE. I (WE) UNDERSTAND THAT I (WE) MAY TERMINATE THE CONTRACT TO PURCHASE OR DEPOSIT RECEIPT AFTER RECEIVING THIS NOTICE FROM THE OWNER OR AGENT SELLING THE PROPERTY. THE CONTRACT MAY BE TERMINATED WITHIN THREE DAYS IF THE NOTICE WAS RECEIVED IN PERSON OR WITHIN FIVE DAYS AFTER IT WAS DEPOSITED IN THE MAIL BY GIVING WRITTEN NOTICE OF THAT TERMINATION TO THE OWNER OR AGENT SELLING THE PROPERTY.

_____

SEC. 3. Section 53754 is added to the Government Code, to read:

53754. (a) The legislative body collecting assessment installments to secure bonds issued pursuant to the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500) of the Streets and Highways Code) shall designate an office, department, or bureau of the local agency that shall be responsible for annually preparing the current tax roll of assessment installment obligations by assessor's parcel number on property within the assessment district. The designated office, department, or bureau shall be the same office, department, or bureau that prepares the ''NOTICE OF SPECIAL TAX'' required by

Section 53340.2. If notice is required under both this section and Section 53340.2, the notices shall, to the extent feasible, be combined into a single notice document. The designated office, department, or bureau shall establish procedures to promptly respond to inquiries concerning installments on the current tax roll. Neither the designated office, department, or bureau, nor the legislative body, shall be liable if any estimate of assessment installments on the current tax roll is inaccurate, nor for any failure of any seller to request a Notice of Special Assessment or to provide the notice to a buyer.

(b) For purposes of enabling sellers of real property subject to the levy of assessments to satisfy the notice requirements of subdivision (b) of Section 1102.6 of the Civil Code, the designated office, department, or bureau shall furnish a Notice of Assessment to any individual requesting the notice or any owner of property subject to an assessment levied by the local agency within five working days of receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars ($10).

(c) The notice shall contain the heading ''NOTICE OF SPECIAL ASSESSMENT'' in type no smaller than 8-point type, and shall be in substantially the following form. The form may be modified as needed to clearly and accurately present the required information or to consolidate information about two or more assessment districts that collect installments of assessments with respect to the lot, parcel, or unit. The notice shall be completed by the designated office, department, or bureau except for the signatures and date of signing:

NOTICE OF SPECIAL ASSESSMENT

ASSESSMENT DISTRICT NO.____ OF

(CITY) (COUNTY) (SPECIAL DISTRICT), CALIFORNIA

TO: THE PROSPECTIVE PURCHASER OF THE REAL PROPERTY KNOWN AS:

Assessor's Parcel Number:____
Street Address:_____
_____.

THIS IS A NOTIFICATION TO YOU PRIOR TO YOUR PURCHASING THIS PROPERTY.

This property is within the above-named assessment district. The assessment district has issued bonds to finance the acquisition or

construction of certain public improvements that are of direct and special benefit to property within the assessment district. The bonds will be repaid from annual assessment installments on property within the assessment district.

This property is subject to annual assessment installments of the assessment district that will appear on your property tax bills, but which are in addition to the regular property taxes and any other charges and levies that will be listed on the property tax bill. If you fail to pay assessment installments when due each year, the property may be foreclosed upon and sold.

The annual assessment installment against this property as shown on the most recent tax bill for the ____-____ tax year is ____ dollars ($____). Assessment installments will be collected each year until the assessment bonds are repaid.

The public facilities that are being paid for by the money received from the sale of bonds that are being repaid by the assessments, are:

(LIST)

These facilities may not yet have all been constructed or acquired and it is possible that some may never be constructed or acquired.
YOU SHOULD TAKE THIS ASSESSMENT AND THE BENEFITS FROM THE PUBLIC FACILITIES FOR WHICH IT PAYS INTO ACCOUNT IN DECIDING WHETHER TO BUY THIS PROPERTY.

YOU MAY OBTAIN A COPY OF THE RESOLUTION CONFIRMING ASSESSMENTS THAT SPECIFIES MORE PRECISELY HOW THE ASSESSMENTS ARE APPORTIONED AMONG PROPERTIES IN THE ASSESSMENT DISTRICT FROM THE ____ (name of jurisdiction) BY CALLING ____ (telephone number). THERE MAY BE A CHARGE FOR THIS DOCUMENT NOT TO EXCEED THE ESTIMATED REASONABLE COST OF PROVIDING THE DOCUMENT.

I (WE) ACKNOWLEDGE THAT I (WE) HAVE RECEIVED A COPY OF THIS NOTICE. I (WE) UNDERSTAND THAT I (WE) MAY TERMINATE THE CONTRACT TO PURCHASE OR DEPOSIT RECEIPT AFTER RECEIVING THIS NOTICE FROM THE OWNER OR AGENT SELLING THE PROPERTY. THE CONTRACT MAY BE TERMINATED WITHIN THREE DAYS IF THE NOTICE WAS RECEIVED IN PERSON OR WITHIN FIVE DAYS AFTER IT WAS

DEPOSITED IN THE MAIL BY GIVING WRITTEN NOTICE OF THAT TERMINATION TO THE OWNER OR AGENT SELLING THE PROPERTY.

CHAPTER 674

An act to amend Section 14060.6 of the Corporations Code, relating to small business programs.

[Approved by Governor October 9, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 14060.6 of the Corporations Code is amended to read:

14060.6. (a) The Legislature finds and declares that the Small Business Loan Guarantee Program has enabled participating small businesses that do not qualify for conventional business loans or Small Business Administration loans to secure funds to expand their businesses. These small businesses would not have been able to expand their businesses in the absence of the program. The program has also provided valuable technical assistance to small businesses to ensure growth and stability. The study commissioned by Section 14069.6, as added by Chapter 919 of the Statutes of 1997, documented the return on investment of the program and the need for its services. The value of the program has also been recognized by the Governor through proposals contained in the May Revision to the Budget Act of 2000 for the 2000–01 fiscal year.

(b) Notwithstanding Section 14060.5, the Technology, Trade, and Commerce Agency shall establish new small business financial development corporations pursuant to the procedures otherwise established by this chapter in the following areas:

(1) San Jose.
(2) Santa Ana.
(3) San Fernando Valley.
(4) Ontario.

(c) Upon an appropriation in the annual Budget Act for this purpose, the Secretary of the Technology, Trade, and Commerce Agency shall establish a small business financial development corporation in southeast Los Angeles.

(d) Each of the small business financial development corporations, upon the recommendation of the board and at least once each year, shall make a presentation and overview of the corporation's business operations to the board.

CHAPTER 675

An act to amend Section 16516.5 of, and to add Section 16516.6 to, the Welfare and Institutions Code, relating to foster care.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 16516.5 of the Welfare and Institutions Code is amended to read:

16516.5. (a) Notwithstanding any other provision of law or regulation, all foster children placed in group homes by county welfare departments or county probation departments shall be visited at least monthly by a county social worker or probation officer. Each visit shall include a private discussion between the foster child and the county social worker or probation officer. The discussion shall not be held in the presence or immediate vicinity of the group home staff. The contents of the private discussion shall not be disclosed to the group home staff, except that the social worker or probation officer may disclose information under any of the following circumstances:

(1) The social worker or probation officer believes that the foster child may be in danger of harming himself or herself, or others.

(2) The social worker or probation officer believes that disclosure is necessary to meet the needs of the child.

(3) The child consents to disclosure of the information.

(b) Notwithstanding Section 10101, the state shall pay 100 percent of the nonfederal costs associated with the monthly visitation requirement in subdivision (a) in excess of the minimum semiannual visits required under current regulations.

SEC. 2. Section 16516.6 is added to the Welfare and Institutions Code, to read:

16516.6. When a county social worker or probation officer makes a regular visit with a child in any licensed, certified, or approved foster home, the visit shall include a private discussion between the foster child and the social worker or probation officer. The discussion shall not be held in the presence or immediate vicinity of the foster parent or caregiver. The contents of the private discussion shall not be disclosed to the foster parent or caregiver, except that the social worker or probation officer may disclose information under any of the following circumstances:

(a) The social worker or probation officer believes that the foster child may be in danger of harming himself or herself, or others.

(b) The social worker or probation officer believes that disclosure is necessary to meet the needs of the child.

(c) The child consents to disclosure of the information.

CHAPTER 676

An act to amend and repeal Section 1808.25 of the Vehicle Code, relating to vehicles.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1808.25 of the Vehicle Code is amended to read:

1808.25. (a) The department shall implement a pilot program to provide residence address information to an accredited degree-granting nonprofit independent institution of higher education incorporated in the state, that has concluded a memorandum of understanding pursuant to subdivision (b) of Section 830.7 of the Penal Code if, under penalty of perjury, the institution requests and uses the information solely for the purpose of enforcing parking restrictions.

(b) The memorandum of understanding executed by the sheriff or chief of police within whose jurisdiction the independent institution is located shall expressly permit the institution to enforce parking restrictions pursuant to subdivision (b) of Section 830.7 of the Penal Code.

For the purposes of this subdivision, a participating institution shall enter into a contractual agreement with the department that, at a minimum, requires the institution to do all of the following:

(1) Establish and maintain procedures, to the satisfaction of the department, for persons to contest parking violation notices issued by the institution.

(2) Remit a fee, as determined by the department, to cover the department's costs of providing each address to the institution.

(3) Agree that access to confidential residence address information from the department's vehicle registration database will be provided only through an approved commercial requester account.

(c) The director may terminate a contract authorized by subdivision (b) at any time the department determines that the independent institution of higher education fails to maintain adequate safeguards to ensure that the operation of the program does not adversely affect those individuals whose records are maintained in the department's files, or that the information is used for any purpose other than that specified in subdivision (a).

(d) Sections 1808.45, 1808.46, and 1808.47 are applicable to persons who obtain department records pursuant to this section and the department may pursue any appropriate civil or criminal action against any individual at an independent institution who violates the provisions of this section.

(e) For purposes of this article only, any confidential information obtained from the department for administration or enforcement of this article shall be held confidential, except to the extent necessary for the enforcement of parking restrictions, and may not be used for any purpose other than the administration or enforcement of parking restrictions.

(f) The department shall submit a report to the Legislature containing its evaluation of the pilot program which shall include a recommendation as to the advisability of continuing the program. The report shall be submitted on or before January 1, 2003.

(g) This section shall remain in effect only until January 1, 2004, and as of that date is repealed unless a later enacted statute, that is enacted before January 1, 2004, deletes or extends that date.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 677

An act to add Section 5811.2 to the Welfare and Institutions Code, relating to mental health.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 5811.2 is added to the Welfare and Institutions Code, to read:

5811.2. The department is encouraged to provide a mental health care provider with training and experience in geriatrics to oversee, monitor, and provide advice to participating counties regarding services for older adults under the counties' mental health system of care developed pursuant to this part.

CHAPTER 678

An act to add Section 10601.2 to the Welfare and Institutions Code, relating to public social services, and making an appropriation therefor.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The State of California has failed in its fundamental obligation to protect and care for children removed from their homes due to parental abuse and neglect.

(b) Despite incremental legislative efforts and laudable pilot projects proven to improve outcomes for the more than 100,000 children in California's child welfare care system and to preserve families, successful programs have not been appropriately replicated or adequately funded to serve all the children and families who need them.

(c) California is not making maximum use of the federal money from Title IV-E of the federal Social Security Act, available to the State of California to improve outcomes for children and families in the child welfare system.

(d) The child welfare system, including the state, the counties, and the courts, suffers from the lack of a cohesive structure, state leadership, communication between agencies serving foster children and youth, and

clear goals. There is no statewide accountability system for child and family outcomes.

(e) The 1994 amendments to the federal Social Security Act (Public Law 103-432) authorize the United States Department of Health and Human Services to review state child and family service programs in order to assure compliance with the state plan requirements in Titles IV-B and IV-E of that act. The reviews cover child protective services, foster care, adoption, family preservation, family support, and independent living. California is scheduled for review in September 2002. Failure to substantially comply with seven specific outcomes measuring child well-being and seven specific systemic factors that affect quality of services delivered to children and families may result in loss of federal dollars provided pursuant to Title IV-E of the federal Social Security Act, the major source of funding for California's child welfare system.

(f) Many abused and neglected children who are removed from their homes have been subject to ''foster care drift,'' moving from placement to placement without desirable family stability, educational stability, or appropriate care. Many children beyond infancy are placed in expensive group homes, without regard to service needs, and a substantial number have been designated as ''unadoptable.''

(g) There is a high correlation between children in the child welfare system and those subsequently in the juvenile and adult corrections systems, with this correlation being linked to such factors as high teen pregnancy and high school dropout rates, unaddressed physical or mental health needs, homelessness, and lack of adequate job skills, education, or training to become or remain employed.

(h) Accordingly, in order to provide greater accountability for child and family outcomes in California's child welfare system and to encourage the state leadership that is necessary to identify and replicate best practices to assure that the unique and critical needs of these children and their families are met, the Legislature enacts the Child Welfare System Improvement and Accountability Act of 2001.

SEC. 2. This act shall be known and may be cited as the Child Welfare System Improvement and Accountability Act of 2001.

SEC. 3. Section 10601.2 is added to the Welfare and Institutions Code, to read:

10601.2. (a) The State Department of Social Services shall establish, by April 1, 2003, the California Child and Family Service Review System in order to review all county child welfare systems. These reviews shall cover child protective services, foster care, adoption, family preservation, family support, and independent living.

(b) Child and family service reviews shall maximize compliance with the federal regulations for the receipt of money from Subtitle E

(commencing with Section 470) of Title IV of the federal Social Security Act (42 U.S.C. Sec. 670 and following) and ensure compliance with state plan requirements set forth in Subtitle B (commencing with Section 421) of Title IV of the federal Social Security Act (42 U.S.C. Sec. 621 and following).

(c) (1) By October 1, 2002, the California Health and Human Services Agency shall convene a workgroup comprised of representatives of the Judicial Council, the State Department of Social Services, the State Department of Health Services, the State Department of Mental Health, the State Department of Education, the Department of Child Support Services, the State Department of Justice, any other state departments or agencies the California Health and Human Services Agency deems necessary, the County Welfare Directors Association, the California State Association of Counties, the Chief Probation Officers of California, the California Youth Connection, and representatives of California Tribes, interested child advocacy organizations, researchers, and foster parent organizations. The workgroup shall establish a work plan by which child and family service reviews shall be conducted pursuant to this section, including a process for qualitative peer reviews of case information.

(2) At a minimum, in establishing the work plan, the workgroup shall consider any existing federal program improvement plans entered into by the state pursuant to federal regulations, the outcome indicators to be measured, compliance thresholds for each indicator, timelines for implementation, county review cycles, uniform processes, procedures and review instruments to be used, a corrective action process, and any funding or staffing increases needed to implement the requirements of this section. The agency shall broadly consider collaboration with all entities to allow the adequate exchange of information and coordination of efforts to improve outcomes for foster youth and families.

(d) (1) The California Child and Family Service Review System outcome indicators shall be consistent with the federal child and family service review measures and standards for child and family outcomes and system factors authorized by Subtitle B (commencing with Section 421) and Subtitle E (commencing with Section 670) of Title IV of the federal Social Security Act and the regulations adopted pursuant to those provisions (Parts 1355 to 1357, inclusive, of Title 45 of the Code of Federal Regulations).

(2) During the first review cycle pursuant to this section, each county shall be reviewed according to the outcome indicators established for the California Child and Family Service Review System.

(3) For subsequent reviews, the workgroup shall consider whether to establish additional outcome indicators that support the federal outcomes and any program improvement plan, and promote good health,

mental health, behavioral, educational, and other relevant outcomes for children and families in California's child welfare services system.

(e) The State Department of Social Services shall identify and promote the replication of best practices in child welfare service delivery to achieve the measurable outcomes established pursuant to subdivision (d).

(f) The State Department of Social Services shall report to the Assembly and Senate Budget Committees and appropriate legislative policy committees annually, beginning with the 2002–03 fiscal year, on both of the following:

(1) The department's progress in planning for the federal child and family service review to be conducted by the United States Department of Health and Human Services and, upon completion of the federal review, the findings of that review, the state's response to the findings, and the details of any program improvement plan entered into by the state.

(2) The department's progress in implementing the California child and family service reviews, including, but not limited to the timelines for implementation, the process to be used, and any funding or staffing increases needed at the state or local level to implement the requirements of this section.

(g) Effective April 1, 2003, the existing county compliance review system shall be suspended to provide to the State Department of Social Services sufficient lead time to provide training and technical assistance to counties for the preparation necessary to transition to the new child and family services review system.

(h) Beginning January 1, 2004, the department shall commence individual child and family service reviews of California counties. County child welfare systems that do not meet the established compliance thresholds for the outcome measures that are reviewed shall receive technical assistance from teams made up of state and peer-county administrators to assist with implementing best practices to improve their performance and make progress toward meeting established levels of compliance.

SEC. 4. The sum of one hundred thousand dollars ($100,000) is appropriated from the General Fund to the California Health and Human Services Agency for expenditure for purposes of convening a workgroup as required pursuant to subdivision (c) of Section 10601.2 of the Welfare and Institutions Code.

———

CHAPTER 679

An act to add Section 1597.467 to the Health and Safety Code, relating to family day care homes.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1597.467 is added to the Health and Safety Code, to read:

1597.467. (a) Whenever any licensee under this chapter has reasonable cause to believe that a child in his or her care has suffered any injury or has been subjected to any act of violence while under the licensee's care, the licensee shall, as soon as possible, report that injury or act of violence to the parent, parents, or guardian of that child.

(b) (1) A report shall be made to the department by telephone or fax during the department's normal business hours before the close of the next working day following the occurrence during the operation of a family day care home of any of the following events:

(A) Death of any child from any cause.

(B) Any injury to any child that requires medical treatment.

(C) Any unusual incident or child absence that threatens the physical or emotional health or safety of any child.

(2) In addition to the report required pursuant to paragraph (1), a written report shall be submitted to the department within seven days following the occurrence of any events specified in paragraph (1). The report shall contain all of the following information:

(A) Child's name, age, sex, and date of admission.

(B) Date and nature of the event.

(C) Attending physician's name and findings and treatment, if any.

(D) Disposition of the case.

(c) The department may develop the report form to be used for reporting purposes pursuant to this section, and shall maintain all reports filed under this section in a manner that allows the department to report the data to the Legislature.

(d) The failure of a licensee to report, as prescribed by this section, any injury of, or act of violence to, a child under the licensee's care may be grounds for the suspension of his or her license pursuant to this chapter, but shall not constitute a misdemeanor.

(e) Nothing in this section shall relieve any licensee of any obligation imposed by other law including, but not limited to, laws relating to seeking medical attention for a child or reporting suspected child abuse.

SEC. 2. The Legislature finds and declares both of the following:

(a) The process for conducting unannounced site visits of licensed family day care homes allows licensees to closely approximate the date of the visit, which may reduce the ability of the State Department of Social Services to observe the normal operation of and activities within the licensee's facility and thereby accurately assess compliance with health and safety regulations.

(b) In order to determine whether an additional unannounced site visit would provide greater protection to children in these facilities, an evaluation is needed of the current process for unannounced visits.

SEC. 3. The State Department of Social Services may, to the extent that funds are available, conduct, either directly or pursuant to a contract with a public or private entity, an evaluation to determine the overall effectiveness of unannounced site visits to licensed family day care homes, including the issue of the frequency of these visits. This evaluation may include, but is not limited to, a comparative evaluation based on information collected in a pilot project in which the effectiveness of the increased frequency of licensed family day care home site visits, among other things, is tested. If the department proceeds with the evaluation, the department shall seek non-General Fund resources for the implementation of the evaluation.

CHAPTER 680

An act to amend Section 1419 of the Health and Safety Code, relating to health.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that:

(a) Over 13,000 oral and written complaints are filed each year with the Licensing and Certification Division of the State Department of Health Services.

(b) Currently, the department is required to respond to all complaints with an onsite investigation to determine if the complaint can be substantiated. A large percentage of these complaints do not allege sufficient facts to constitute a violation of state licensing or federal certification requirements, or the alleged facts cannot be substantiated upon investigation.

(c) As a result of the high volume of complaints, complaints are frequently not resolved within statutory timelines, resulting in consumer dissatisfaction and frustration.

(d) Residents, friends, and family members expect a prompt response to their questions, concerns, and complaints, including the status of the complaint.

SEC. 2. It is the intent of the Legislature to:

(a) Establish a centralized Consumer Response Unit within the Licensing and Certification Division of the State Department of Health Services that is authorized to expedite responses to consumer concerns.

(b) Promote improved public service by addressing consumer concerns as expeditiously as possible.

(c) Provide the public with additional options by allowing flexibility in determining if an informal resolution between the complainant and the facility can be achieved.

(d) Ensure that residents and family members understand their rights, the relevant regulations, and potential referrals to other agencies, so that they may better advocate for their rights.

(e) Ensure that residents and family members have a single point of contact during the progress of the investigation.

SEC. 3. Section 1419 of the Health and Safety Code is amended to read:

1419. (a) The department shall establish a centralized consumer response unit within the Licensing and Certification Division of the department to respond to consumer inquiries and complaints.

(b) Upon receipt of consumer inquiries, the unit shall offer assistance to consumers in resolving concerns about the quality of care and the quality of life in long-term health care facilities.

This assistance may include, but shall not be limited to, all of the following:

(1) Offering to provide to consumers education and information about state licensing and federal certification standards, resident rights, name and address of facilities, referral to other entities as appropriate, and facility compliance history.

(2) Offering to participate in telephone conference calls between consumers and providers to resolve concerns within the scope of the authority of the department. If the inquiry or concern is determined to warrant an onsite investigation, the inquiry or concern shall be considered a complaint and handled pursuant to the complaint investigation process set forth in Section 1420.

(3) Initiating onsite investigations in response to oral or written complaints made pursuant to this section if the unit determines that there is a reasonable basis to believe that the allegations in the complaints describe one or more violations of state law by a long-term care facility.

(c) Nothing in subdivision (a) or (b) shall preclude the department from taking any or all enforcement actions available under state or federal law.

(d) Any person may request an inspection of any long-term health care facility in accordance with this chapter by giving to the department oral or written notice of an alleged violation of applicable requirements of state law. Any written notice may be signed by the complainant setting forth with reasonable particularity the matters complained of. Oral notice may be made by telephone or personal visit. Any oral complaint shall be reduced to writing by the department. The substance of the complaint shall be provided to the licensee no earlier than at the commencement of the inspection.

(e) Neither the substance of the complaint provided the licensee nor any copy of the complaint or record published, released, or otherwise made available to the licensee shall disclose the name of any individual complainant or other person mentioned in the complaint, except the name or names of any duly authorized officer, employee, or agent of the state department conducting the investigation or inspection pursuant to this chapter, unless the complainant specifically requests the release of the name or names or the matter results in a judicial proceeding.

CHAPTER 681

An act to amend Sections 1570.7, 1572, 1572.9, 1574.5, 1575.2, 1576.2, 1581.5, and 1588.7 of, and to add Sections 1575.1, 1575.6, 1578, 1578.1, and 1579 to, the Health and Safety Code, and to amend Sections 9542, 14530, 14552, 14553, 14554, 14570, 14571, 14573, 14574, 14574.1, 14575, and 14576 of, and to repeal Sections 14552.1, 14552.2, and 14580 of, the Welfare and Institutions Code, relating to health care.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1570.7 of the Health and Safety Code is amended to read:

1570.7. As used in this chapter:

(a) ''Adult day health care'' means an organized day program of therapeutic, social, and health activities and services provided pursuant to this chapter to elderly persons with functional impairments, either physical or mental, for the purpose of restoring or maintaining optimal

capacity for self-care. Provided on a short-term basis, adult day health care serves as a transition from a health facility or home health program to personal independence. Provided on a long-term basis, it serves as an option to institutionalization in long-term health care facilities, when 24-hour skilled nursing care is not medically necessary or viewed as desirable by the recipient or his or her family.

(b) ''Adult day health center'' or ''adult day health care center'' means a licensed and certified facility that provides adult day health care.

(c) ''Elderly'' or ''older person'' means a person 55 years of age or older, but also includes other adults who are chronically ill or impaired and who would benefit from adult day health care.

(d) ''Individual plan of care'' means a plan designed to provide recipients of adult day health care with appropriate treatment in accordance with the assessed needs of each individual.

(e) ''License'' means a basic permit to operate an adult day health care center. With respect to a health facility licensed pursuant to Chapter 2 (commencing with Section 1250), ''license'' means a special permit, as defined by Section 1251.5, empowering the health facility to provide adult day health care services.

(f) ''Maintenance program'' means procedures and exercises that are provided to a participant, pursuant to Section 1580, in order to generally maintain existing function. These procedures and exercises are planned by a licensed or certified therapist and are provided by a person who has been trained by a licensed or certified therapist and who is directly supervised by a nurse or by a licensed or certified therapist.

(g) ''Planning council'' or ''council'' means an adult day health care planning council established pursuant to Section 1572.5.

(h) ''Restorative therapy'' means physical, occupational, and speech therapy, and psychiatric and psychological services, that are planned and provided by a licensed or certified therapist. The therapy and services may also be provided by an assistant or aide under the appropriate supervision of a licensed therapist, as determined by the licensed therapist. The therapy and services are provided to restore function, when there is an expectation that the condition will improve significantly in a reasonable period of time, as determined by the multidisciplinary assessment team.

(i) ''Committee'' means the Long-Term Care Committee established pursuant to Section 1572.

(j) ''Department'' or ''state department'' means the State Department of Health Services.

SEC. 2. Section 1572 of the Health and Safety Code is amended to read:

1572. (a) The functions and duties of the State Department of Health Services provided for under this chapter shall be performed by

the California Department of Aging commencing on the date those functions are transferred from the State Department of Health Services to the California Department of Aging. The authority, functions, and responsibility for the administration of the adult day health care program by the California Department of Aging and the State Department of Health Services shall be defined in an interagency agreement between the two departments that specifies how the departments will work together.

(b) The interagency agreement shall specify that the California Department of Aging is designated by the state department as the agency responsible for community long-term care programs. At a minimum, the interagency agreement shall clarify each department's responsibilities on issues involving licensure and certification of adult day health care providers, payment of adult day health care claims, prior authorization of services, promulgation of regulations, and development of adult day health care Medi-Cal rates. In addition, this agreement shall specify that the California Department of Aging is responsible for making recommendations to the State Department of Health Services regarding licensure as specified in subdivision (g). The interagency agreement shall specify that the State Department of Health Services shall delegate to the California Department of Aging the responsibility of performing the financial and cost report audits and the resolution of audit appeals which are necessary to ensure program integrity. This agreement shall also include provisions whereby the State Department of Health Services and the California Department of Aging shall collaborate in the development and implementation of health programs and services for older persons and functionally impaired adults.

(c) As used in this chapter, ''director'' means the Director of Health Services.

(d) (1) A Long-Term Care Committee is hereby established in the California Department of Aging. The committee shall include, but not be limited to, a member of the California Commission on Aging, who shall be a member of the Long-Term Care Committee of the commission, a representative of the California Association for Adult Day Services, a representative of the California Association of Area Agencies on Aging, a representative of the California Conference of Local Health Officers, a member of a local adult day health care planning council, nonprofit representatives and professionals with expertise in Alzheimer's disease or a disease of a related disorder, a member of the California Coalition of Independent Living Centers, and representatives from other appropriate state departments, including the State Department of Health Services, the State Department of Social Services, the State Department of Mental Health, the State Department of Developmental Services and the State Department of Rehabilitation, as

deemed appropriate by the Director of the California Department of Aging. At least one member shall be a person over 60 years of age.

(2) The committee shall function as an advisory body to the California Department of Aging and advise the Director of the California Department of Aging regarding development of community-based long-term care programs. This function shall also include advice to the Director of the California Department of Aging for recommendations to the department on licensure, Medi-Cal reimbursement, and utilization control issues.

(3) The committee shall be responsible for the reviewing of new programs under the jurisdiction of the California Department of Aging.

(4) The committee shall assist the Director of the California Department of Aging in the development of procedures and guidelines for new contracts or grants, as well as review and make recommendations on applicants. The committee shall take into consideration the desirability of coordinating and utilizing existing resources, avoidance of duplication of services and inefficient operations, and locational preferences with respect to accessibility and availability to the economically disadvantaged older person.

(e) The California Department of Aging shall prepare guidelines for adoption by the local planning councils setting forth principles for evaluation of community need for adult day health care, which shall take into consideration the desirability of coordinating and utilizing existing resources, avoidance of duplication of services and inefficient operations, and locational preferences with respect to accessibility and availability to the economically disadvantaged older person.

(f) The California Department of Aging shall review county plans submitted pursuant to Section 1572.9. These county plans shall be approved if consistent with the guidelines adopted by the director pursuant to subdivision (e).

(g) The Director of the California Department of Aging shall make recommendations regarding licensure to the Licensing and Certification Division in the State Department of Health Services. The recommendation shall be based on all of the following criteria:

(1) An evaluation of the ability of the applicant to provide adult day health care in accordance with the requirements of this chapter and regulations adopted hereunder.

(2) Compliance with the local approved plan.

(3) Other criteria that the director deems necessary to protect public health and safety.

(h) A public hearing on each individual proposal for an adult day health care center may be held by the department in conjunction with the local adult day health care council in the county to be served. A hearing shall be held if requested by a local adult day health care council. In order

to provide the greatest public input, the hearing should preferably be held in the service area to be served.

SEC. 3. Section 1572.9 of the Health and Safety Code is amended to read:

1572.9. (a) Each planning council approved by the director as meeting the compositional requirements of Section 1572.5 shall adopt an adult day health care plan for the county or counties represented by the council. The plan shall be consistent with the state guidelines adopted pursuant to subdivision (e) of Section 1572 and may include the council's recommendations respecting providers initially determined to be suitable for approval as adult day health care centers. These initial recommendations shall not bind the council with respect to future consideration of individual applications for licensure.

(b) Prior to adopting the plan, the council shall hold a hearing or hearings thereon at which public comment shall be received and considered. The hearing or hearings shall be noticed in advance in the manner prescribed by the state department. The number of hearings shall be determined by the state department in consultation with the local planning council. The plan shall become effective when approved by the Long-Term Care Committee.

SEC. 4. Section 1574.5 of the Health and Safety Code is amended to read:

1574.5. (a) All adult day health care centers shall maintain compliance with licensing and certification requirements. These requirements shall not prohibit program flexibility for the use of alternate concepts, methods, procedures, techniques, equipment, number and qualifications of personnel, or the conducting of pilot projects, if these alternatives or pilot projects are carried out with provisions for safe and adequate care and with the prior written approval of the state department. This approval shall provide for the terms and conditions under which permission to use an alternative or pilot program is granted. Particular attention shall be given to encourage the development of models appropriate to rural areas. The department may allow the substitution of work experience for academic requirements for the position of administrator, program director, or activity coordinator.

(b) The applicant or licensee may submit a written request to the department for program flexibility, and shall submit with the request substantiating evidence supporting the request.

(c) Any approval by the department granted under this section, or a true copy thereof, shall be posted immediately adjacent to the center's license.

SEC. 5. Section 1575.1 is added to the Health and Safety Code, to read:

1575.1. (a) (1) Each applicant for a license to operate an adult day health care center shall disclose to the department the name and business address of each general partner if the applicant is a partnership, or each director and officer if the applicant is a corporation, and each person having a beneficial ownership or control interest of 5 percent or more in the applicant corporation, company, or partnership.

(2) If any person described in paragraph (1) has served or currently serves as an administrator, general partner, trustee or trust applicant, sole proprietor of any applicant or licensee who is a sole proprietor, executor, or corporate officer or director of, or has held a beneficial ownership or control interest of 5 percent or more in, any health facility as defined in Section 1250, adult day health care center, residential care facility for the elderly, home health agency, clinic, or community care facility licensed pursuant to Chapter 3 (commencing with Section 1500), the applicant shall disclose the relationship to the department, including the name and current or last address of the health facility, adult day health care center, residential care facility for the elderly, home health agency, clinic, or community care facility and the date the relationship commenced and, if applicable, the date it was terminated.

(3) (A) If the center is operated by, or proposed to be operated in whole or in part under, a management contract, the names and addresses of any person or organization, or both, having an ownership or control interest of 5 percent or more in the management company shall be disclosed to the department.

(B) This paragraph shall not apply if the management company has submitted an application for licensure with the department and has complied with paragraph (1).

(4) If the applicant or licensee is a subsidiary of another organization, the information shall include the names and addresses of the parent organization of the subsidiary and the names and addresses of any officer or director of the parent organization.

(b) The information required by subdivision (a) shall be provided to the department upon initial application for licensure, and upon payment of the annual renewal licensure fee.

(c) Failure to comply with subdivision (a) or (b) may result in action to revoke or deny a license. The information required by subdivisions (a) and (b) shall be made available to the public upon request, and shall be included in the public file of the center.

(d) On or after January 1, 2002, no person may acquire a beneficial or control interest of 5 percent or more in any corporation, company, or partnership licensed to operate an adult day health care center or in any management company under contract with a licensee of an adult day health care center, nor may any person become an officer or director of, or a general partner in, a corporation, partnership, or management

company of this type without the prior written approval of the department. Each application for departmental approval pursuant to this subdivision shall include the information specified in subdivision (a) with regard to the person for whom the application is made.

(e) The department may deny approval of a license application or of an application for approval under subdivision (d) or revoke a license if a person named in the application, as required by this section, was suspended as a Medi-Cal provider or excluded as a medicaid or Medicare provider, was an officer, director, general partner, or owner of a 5 percent or greater beneficial or control interest in a licensee of, or in a management company under contract with a licensee of, a health facility, community care facility, residential care facility for the elderly, home health agency, clinic, or adult day health care center at a time when one or more violations of law were committed therein that resulted in suspension or revocation of its license, or at a time when a court-ordered receiver was appointed pursuant to Section 1327, or at a time when a final medicaid decertification action was taken under federal law. However, the prior suspension, revocation, or court-ordered receivership of a license shall not be grounds for denial of the application if the applicant shows to the satisfaction of the department that both of the following conditions exist:

(1) The person in question took every reasonably available action to prevent the violation or violations that resulted in the disciplinary action.

(2) The person in question took every reasonably available action to correct the violation or violations once he or she knew, or with the exercise of reasonable diligence should have known, of the violation or violations.

(f) No application shall be denied pursuant to this section until the department provides the applicant with notice in writing of grounds for the proposed denial of application and affords the applicant an opportunity to submit additional documentary evidence in opposition to the proposed denial.

(g) This section shall not apply to a bank, trust company, financial institution, title insurer, controlled escrow company, or underwritten title company to which a license is issued in a fiduciary capacity.

SEC. 6. Section 1575.2 of the Health and Safety Code is amended to read:

1575.2. An applicant for initial licensure as an adult day health care center shall file with the department, pursuant to its regulations, an application on forms furnished by the department, that shall include, but not be limited to, the following:

(a) Evidence satisfactory to the department that the applicant, its directors, officers, and the person designated to manage the day-to-day

affairs of the proposed adult day health care center are of reputable and responsible character.

(b) Evidence satisfactory to the department of the ability of the applicant to comply with the provisions of this chapter and of rules and regulations adopted pursuant thereto by the department.

(c) Evidence satisfactory to the department that the applicant for a license to operate an adult day health care center possesses financial resources sufficient to operate each licensed center for a period of not less than 30 calendar days and that these resources are identified for adult day health care center operations. The financial reserve requirements may be met, in whole or in part, by a line of credit or a loan.

(d) Any other information as may be required by the department for the proper administration and enforcement of this chapter.

SEC. 6.5. Section 1575.6 is added to the Health and Safety Code, to read:

1575.6. (a) As a prudent business practice, a licensee shall maintain sufficient financial resources for adult day health care operations to enable each licensed facility to operate for 30 calendar days.

(b) The financial resource requirement contained in subdivision (a) may be met, in whole or in part, by a line of credit, grant, or loan.

(c) Whenever a licensee fails to meet the financial resource requirement contained in subdivision (a) for a period of 10 working days, the licensee shall notify the department of that fact within 48 hours.

SEC. 7. Section 1576.2 of the Health and Safety Code is amended to read:

1576.2. (a) Each license issued or renewed pursuant to this chapter shall not be transferable and the initial license shall expire 12 months from the date of its issuance. The director shall be given the discretion to approve applications for relicensure for a period of up to 24 months. Application for annual renewal of a license, accompanied by the required fee, shall be filed with the department not less than 30 days prior to the expiration date. Failure to submit a renewal application prior to that date shall result in expiration of the license.

(b) A license shall be rescinded for an applicant that has had its Medi-Cal certification for adult day health care revoked.

SEC. 8. Section 1578 is added to the Health and Safety Code, to read:

1578. A provider may share space with another licensed health facility, community care facility, senior center, or other appropriate structure, upon the approval of the department, based upon a determination of all of the following:

(a) The use of the shared space does not jeopardize the welfare of the participant or other clients.

(b) The shared use does not exceed occupancy capacity established for fire safety.

(c) The space used by the adult day health care center is not essential to meet the other program's licensing requirements.

(d) Each entity schedules services and activities at separate times. This subdivision shall not apply to space used for meals or for space used by another licensed adult day services program.

For purposes of this section, ''shared space'' means the mutual use of exits and entrances, offices, hallways, bathrooms, treatment rooms, and dining rooms by an adult day health care center and another program.

SEC. 9. Section 1578.1 is added to the Health and Safety Code, to read:

1578.1. (a) Notwithstanding subdivisions (b) and (c) of Section 1570.7 or any other provision of law, if an adult day health care center licensee also provides adult day care or adult day support center services, the adult day health care license shall be the only license required to provide these additional services. Costs shall be allocated among the programs in accordance with generally accepted accounting practices.

(b) The department, unless otherwise specified by the interagency agreement entered into pursuant to Section 1572 shall evaluate the adult day care or adult day support center services provided for in subdivision (a) for quality of care and compliance with program requirements, concurrent with inspections of the adult day health care facility, using a single survey process.

(c) The department and the California Department of Aging shall jointly develop and adopt regulations pursuant to Section 1580 for the provision of different levels of care under the single adult day health care license.

SEC. 10. Section 1579 is added to the Health and Safety Code, to read:

1579. (a) A rural alternative adult day health care center shall operate its programs a minimum of three days weekly, unless the program can justify, to the satisfaction of the department, fewer days of operation due to space, staff, financial, or participant reasons.

(b) Any program desiring to become a parent center and develop a satellite program may be located in a service area that does not meet the population requirements of the rural service areas and need not be in the same county as a satellite. The satellite shall be located in an area that meets the population requirements of a rural service area, and shall be located within a reasonable distance of the parent center to allow sharing of administration, services, and supervision. Parent and satellite centers shall be located in the same licensing district office.

(c) Notwithstanding any other provision of law, the administrator or program director of a parent center may, with the approval of the

department, serve as the administrator or program director for up to three additional satellite sites.

(d) For the purposes of this section, the following definitions apply:

(1) ''Parent'' means a licensed and certified adult day health care center that establishes one or more satellites. A satellite may be in the county of the parent or rural service areas. The parent center shall provide administration, supervision, and, with the approval of the department, may share services and staff with one or more satellite centers. The parent center's license and certification shall cover adult day health care services at one or more satellites.

(2) ''Rural alternative adult day health care center'' means an adult day health care center located in a rural service area.

(3) ''Rural service area'' means any identified service area in an approved adult day health care county plan with 200 or less estimated adult day health care eligible population and with two or more of the following characteristics:

(A) Is more than one-half hour direct driving time from an urban area of 50,000 population or more.

(B) Has no other adult day health care center within one-half hour direct driving time.

(C) Has geographic or climatic barriers, including, but not limited to, snow, fog, ice, mountains, inadequate highways, or weather, that make transportation to another adult day health care center impractical.

(D) Is located in a county with an overall population density of less than 100 persons per square mile.

(E) Can demonstrate in the application for licensure that a shortage of qualified professionals exists in the county or service area.

(4) ''Satellite'' means an adult day health care center established in a rural service area by an existing licensed and certified adult day health care center for the purposes of extending rural adult day health care services to another location. A satellite shall be located close enough to the adult day health center so that administration, supervision, and services may be shared in a manner that does not compromise care and makes it unnecessary for the satellite to be separately licensed. Each satellite shall meet fire and life safety regulations and laws. Prior approval from the department is required before operating or opening a satellite.

SEC. 11. Section 1581.5 of the Health and Safety Code is amended to read:

1581.5. Any duly authorized officer, employee, or agent of the department or the California Department of Aging may, upon presentation of proper identification, enter and inspect any place providing adult day health care at any time, with or without advance

notice, to secure compliance with, or to prevent a violation of, any provision of this chapter or any regulation adopted hereunder.

SEC. 12. Section 1588.7 of the Health and Safety Code is amended to read:

1588.7. (a) The department, unless otherwise specified in the interagency agreement entered into pursuant to Section 1572 or pursuant to annual Budget Act requirements, shall adopt specific guidelines for the establishment of grant-supported activities, including criteria for evaluation of each activity and monitoring to assure compliance with grant conditions and applicable regulations of the state department. The guidelines shall be developed in consultation with the Long-Term Care Committee. Funds shall be awarded only after the local adult day health care planning council has had opportunity to review and comment on the applicant's proposal pursuant to guidelines established for these grants and is approved by the department, or by the California Department of Aging. If an area does not have an active planning council or an approved planning council, the applicant shall be exempt from this review.

(b) The department, unless otherwise specified by annual Budget Act requirements, shall develop a contract with each selected project.

SEC. 13. Section 9542 of the Welfare and Institutions Code is amended to read:

9542. (a) The Legislature finds and declares that the purpose of the Alzheimer's Day Care-Resource Center Program is to provide access to specialized day care resource centers for individuals with Alzheimer's disease and other dementia-related disorders and support to their families and caregivers.

(b) The following definitions shall govern the construction of this section:

(1) ''Participant'' means an individual with Alzheimer's disease or a disease of a related type, particularly the participant in the moderate to severe stages, whose care needs and behavioral problems may make it difficult for the individual to participate in existing care programs.

(2) ''Other dementia-related disorders'' means those irreversible brain disorders that result in the symptoms described in paragraph (3). This shall include, but is not limited to, multi-infarct dementia and Parkinson's disease.

(3) ''Care needs'' or ''behavioral problems'' means the manifestations of symptoms that may include, but need not be limited to, memory loss, aphasia (communication disorder), becoming lost or disoriented, confusion and agitation, with the potential for combativeness, and incontinence.

(4) ''Alzheimer's day care resource center'' means a center developed pursuant to this section to provide a program of specialized day care for participants with dementia.

(c) The department shall adopt policies and guidelines to carry out the purposes of this section, and the adoption thereof shall not be subject to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

(d) In order to be eligible to receive funds under this section, a direct services contract applicant shall do all of the following:

(1) Provide a program and services to meet the special care needs of, and address the behavioral problems of, participants.

(2) Provide adequate and appropriate staffing to meet the nursing, psychosocial, and recreational needs of participants.

(3) Provide physical facilities that include the safeguards necessary to protect the participants' safety.

(4) Provide a program for assisting individuals who cannot afford the entire cost of the program. This may include, but need not be limited to, utilizing additional funding sources to provide supplemental aid and allowing family members to participate as volunteers at the applicant's facility.

(5) Utilize volunteers and volunteer aides and provide adequate training for those volunteers.

(6) Provide a match of not less than 25 percent of the direct services contract amount consisting of cash or in-kind contributions, identify other potential sources of funding for the applicant's facility, and outline plans to seek additional funding to remain solvent.

(7) Maintain family and caregiver support groups.

(8) Encourage family members and caregivers to provide transportation to and from the applicant's facility for participants.

(9) Concentrate on participants in the moderate to severe ranges of disability.

(10) Provide or arrange for a noon meal to participants.

(11) Establish contact with local educational programs, such as nursing and gerontology programs, to provide onsite training to students.

(12) Provide services to assist family members, including counseling and referral to other resources.

(13) Serve as model centers available to other service providers for onsite training in the care of these patients.

(14) Involve the center in community outreach activities and provide educational and informational materials to the community.

(15) Maintain a systematic means of capturing and reporting all required community-based services program data.

(e) Notwithstanding any provision of the Health and Safety Code, direct services contractors that are not licensed as an adult day care center, adult day support center, or adult day health care center shall be exempt from licensure requirements under this division and shall be

subject exclusively to this chapter for purposes of operating an Alzheimer's day care resource center. However, if a direct service contractor is licensed in one of the above categories at the time the contractor is awarded Alzheimer's day care resource center funds or becomes licensed after the award of the funds, this exemption shall not apply, even if the contractor chooses to subsequently surrender the license. If the license as an adult day care center, adult day support center, or adult day health care center has been surrendered by the direct service contractor or has been terminated as a result of noncompliance with the applicable licensure or certification standards, these actions shall also act to terminate the direct service contractor's Alzheimer's day care resource center contract.

(f) Nothing in this chapter shall be construed to prevent existing adult day care services, including adult day health care centers, from developing a specialized program under this chapter. The applicants shall meet all of the requirements for direct services contractors in this chapter and satisfactorily demonstrate that the direct services contract funding award shall be used to develop a distinct specialized program for this target population.

SEC. 14. Section 14530 of the Welfare and Institutions Code is amended to read:

14530. (a) Individual plans of care shall be submitted to the department. Services for each participant shall be provided as specified in the individual plan of care approved pursuant to Section 14526.

(b) Individual monthly service reports shall be submitted to the department.

(c) Each provider shall supply a written statement to the participant explaining what services will be provided and specifying the scheduled days of attendance. This statement, which shall be known as the participation agreement, shall be signed by the participant and a provider representative and retained in the participant's file.

SEC. 15. Section 14552 of the Welfare and Institutions Code is amended to read:

14552. In order to obtain certification as a provider of adult day health care under this chapter and Chapter 7 (commencing with Section 14000), the following standards shall be met:

(a) The provider shall have met all other requirements of licensure as an adult day health care center pursuant to Chapter 3.3 (commencing with Section 1570) of Division 2 of the Health and Safety Code.

(b) The provider shall comply with requirements of this chapter regarding program and scope of services.

(c) The provider shall have appropriate licensed personnel.

(d) The provider shall employ allied health and social personnel for furnishing of services consistent with good medical practice.

(e) The provider shall afford to each participant all rights, including the right to be free from harm and abuse, identified in the rules and regulations adopted pursuant to Section 1580 of the Health and Safety Code.

(f) A provider serving a substantial number of participants of a particular racial group, or whose primary language is other than English, shall employ staff of that particular racial or linguistic group at all times.

(g) A provider shall have organizational and administrative capacity to provide services under provisions of this chapter.

(h) A provider or applicant shall submit for review and approval by the California Department of Aging a facility program plan for providing adult day health care services that meets the following requirements:

(1) The facility program plan shall be developed, submitted, and approved prior to initial licensure and certification, prior to any change in the specialty or specific population to be served, or as required by the California Department of Aging.

(2) The facility program plan shall include all of the following:

(A) The number of participants to be served.

(B) A profile of the participant population that addresses specific needs of the population, including, but not limited to, frail elderly or specialization in a particular disability.

(C) A summary of the specific program elements, including those that specifically address the population served.

(D) A summary of the specialized professional or program staff who will provide services specific to the specialty population served and their responsibilities.

(E) An in-service training program plan for at least a six-month interval.

(F) A sample of an individual plan of care developed by the multidisciplinary team and under the direction of the program director and a sample of a one-week schedule of daily services based on the individual plan of care.

(G) A plan for any behavior modification program that is used with a specialty population such as developmentally or mentally disabled persons.

(3) The provider or applicant shall be notified in writing of the approval of the facility program plan.

(4) If the facility program plan is not approved, the provider or applicant shall be notified in writing of the components of the plan that need to be clarified or corrected. The provider or applicant may submit a revised plan to the California Department of Aging for reconsideration.

SEC. 16. Section 14552.1 of the Welfare and Institutions Code is repealed.

SEC. 17. Section 14552.2 of the Welfare and Institutions Code is repealed.

SEC. 18. Section 14553 of the Welfare and Institutions Code is amended to read:

14553. An adult day health care provider shall establish written policies and procedures, which shall have prior approval of the department, unless otherwise specified in an interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code, for continuously reviewing the quality of care, performance of all personnel, the utilization of services and facilities, and costs. Information derived from the review shall be made available to the department, unless otherwise specified in an interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code.

SEC. 19. Section 14554 of the Welfare and Institutions Code is amended to read:

14554. The adult day health care provider shall maintain a complete standard medical record for each participant, including records of treatment rendered by a subcontractor, according to specifications established by the department and as may be further specified by the California Department of Aging.

SEC. 20. Section 14570 of the Welfare and Institutions Code is amended to read:

14570. (a) The department shall adopt all necessary rules and regulations providing for quality of care and payment for services rendered under this chapter pursuant to Chapter 7 (commencing with Section 14000). All regulations heretofore adopted by the department pursuant to this chapter, and that are in effect immediately preceding the operative date of the amendment of this section enacted by the Legislature during the 1977–78 Regular Session, shall remain in effect and shall be fully enforceable unless and until readopted, amended, or repealed by the director.

(b) The director shall establish a distinct organizational entity within the department that shall have primary responsibility for the Adult Day Health Care Medi-Cal program. This entity shall coordinate and direct all departmental activities required by this chapter.

SEC. 21. Section 14571 of the Welfare and Institutions Code is amended to read:

14571. The department, in consultation with the California Association for Adult Day Services, shall develop a rate methodology. The methodology shall take into consideration all allowable costs associated with providing adult day health care services. Once a methodology has been approved by the department, it shall be the basis of future annual rate reviews.

Payment shall be for services provided in accordance with an approved individual plan of care. Billing shall be submitted directly to the department. Additionally, the department shall establish a reasonable rate of reimbursement for the initial assessment.

Nothing in this section shall preclude the department from entering into specific prospective budgeting and reimbursement agreements with providers.

SEC. 22. Section 14573 of the Welfare and Institutions Code is amended to read:

14573. (a) Initial Medi-Cal certification for adult day health care providers shall expire 12 months from the date of issuance. The director shall specify any date he or she determines is reasonably necessary because of the record of the applicant and to carry out the purposes of this chapter, but not more than 24 months from the date of issuance, when renewal of the certification shall expire. The certification may be extended for a period of not more than 60 days if the department determines it to be necessary.

(b) Before certification renewal the provider shall submit with the application therefor a report according to department specifications that includes an analysis of income and expenditures, continued demonstrated community need, services, participant statistics and outcome, and adherence to policies and procedures.

(c) Prior to approving renewal of Medi-Cal certification, the department and the California Department of Aging shall conduct a financial review and onsite medical and management reviews with the licensing review. The reviews shall be conducted by a team of persons with appropriate technical skills. The management review shall be performed by the entity responsible for directing and coordinating the program, as specified in the interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code.

(d) Where the director determines that the public interests would be served thereby, a public hearing may be held on any renewal application subject to this section. The findings of the departmental program and licensing reviews and the provider's annual evaluation report shall be presented at the hearing.

SEC. 23. Section 14574 of the Welfare and Institutions Code is amended to read:

14574. (a) The director shall terminate the Medi-Cal certification of any adult day health care provider at any time if he or she finds the provider is not in compliance with standards prescribed by this chapter or Chapter 7 (commencing with Section 14000) or regulations adopted pursuant to these chapters. The director shall give reasonable notice of his or her intention to terminate the certification to the provider and

participants in the center. The notice shall state the effective date of, and the reason for, the termination.

(b) The denial, suspension, or termination of certification shall be considered immediate grounds for denial, suspension, or revocation of the license.

(c) Proceedings to deny an application for certification or licensure, terminate or suspend certification, or revoke or suspend licensure shall be consolidated whenever possible.

(d) The California Department of Aging and the department shall coordinate an action or actions to the extent appropriate to ensure consistency and uniformity.

(e) The provider shall have the right to appeal the department's decision made pursuant to Section 14123.

SEC. 24. Section 14574.1 of the Welfare and Institutions Code is amended to read:

14574.1. (a) Every adult day health care center shall be periodically inspected and evaluated for quality of care by a representative or representatives designated by the director, unless otherwise specified in the interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code. Inspections shall be conducted prior to the expiration of certification, but at least every two years, and as often as necessary to ensure the quality of care being provided. As resources permit, an inspection may be conducted prior to, as well as within, the first 90 days of operation.

(b) If, as a result of the inspection, the department or the California Department of Aging, as specified in the interagency agreement, determines that the adult day health care center has serious deficiencies that pose a risk to the health and safety of the participants, the department or the California Department of Aging, as specified in the interagency agreement, may immediately take any of the following actions, including, but not limited to:

(1) Require a plan of correction.

(2) Limit participant enrollment.

(3) Prohibit new participant enrollment.

(c) The provider shall have the right to dispute an action taken under paragraphs (2) and (3) of subdivision (b). The department or the California Department of Aging, as specified in the interagency agreement, shall accept, consider, and resolve disputes filed pursuant to this subdivision in a timely manner. The dispute resolution process shall be determined by the California Department of Aging in consultation with the department.

(d) The director shall ensure that public records accurately reflect the current status of any potential actions including the resolution of disputes.

SEC. 25. Section 14575 of the Welfare and Institutions Code is amended to read:

14575. Each adult day health care provider shall maintain a uniform accounting and reporting system as developed by the department, in consultation with the provider. The department shall implement a uniform cost accounting system and train providers in this system by July 1, 1987. The California Department of Aging, in coordination with the department may approve an alternative cost accounting system where the provider demonstrates the ability to report comparable and reliable data. The provider shall submit annual cost reports to the department, unless otherwise specified in an interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code, no later than five months after the close of the licensee's fiscal year. The report shall be submitted in the format prescribed by the state. Each facility shall maintain, for a period of four years following the submission of annual cost reports, financial and statistical records of the period covered by the cost reports which are accurate and in sufficient detail to substantiate the cost data reported. These records shall be made available to state or federal representatives upon request. The department, unless otherwise specified in an interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code, may request a financial review performed by an independent certified public accountant as part of the provider's annual cost report. All certified financial statements shall be filed with the department within a period no later than three months after the department's request. The department, unless otherwise specified in an interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code, may require a limited or complete certified public accountant audit when the monitoring activities carried out pursuant to Section 14573 reveal significant financial management deficiencies.

SEC. 26. Section 14576 of the Welfare and Institutions Code is amended to read:

14576. Each adult day health care provider shall furnish to the department, unless otherwise specified by the interagency agreement entered into pursuant to Section 1572 of the Health and Safety Code, all additional information and reports that the department may find necessary in performing its functions under this chapter. The information and reports shall include, but not be limited to, any statistical information regarding utilization of services, individual treatment plans and individual service reports, costs of health care, and administration the department may require.

SEC. 27. Section 14580 of the Welfare and Institutions Code is repealed.

CHAPTER 682

An act to add Chapter 6.5 (commencing with Section 9320) to Division 8.5 of the Welfare and Institutions Code, relating to senior legal services, and making an appropriation therefor.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

I am signing Assembly Bill 830, a bill that will establish a task force to study and recommend innovative measures to improve the delivery of legal services to California's senior citizens.

Many California seniors of low and moderate means are in need of legal advice and assistance to help them navigate through complex issues of daily living. The task force will provide the California Department of Aging and the Legislature with valuable insight and advice regarding uniform standards, accountability in service delivery, and local sources of funding for senior legal services. I support the author's efforts to enhance both the quantity and quality of legal services provided to one of California's most vulnerable populations. I am further directing the California Department of Aging to establish the task force within existing resources.

GRAY DAVIS, Governor

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) California senior citizens of low- and moderate means are in great need of legal advice and assistance.

(b) Existing nonprofit local legal services that are funded by the federal Older Americans Act through local area agencies on aging are unable to meet the demand of senior citizens who cannot afford private attorneys.

(c) There are areas of the state without local legal services for senior citizens.

(d) A senior legal hotline, based in Sacramento and funded until 2002 by the Older Americans Act, has provided legal services in all areas of law to thousands of senior citizens in northern California since 1994. However, this senior legal hotline is unable to fully meet the needs of seniors in its northern California service area at current funding levels.

(e) There is no similar senior legal hotline in southern California.

(f) Due to funding constraints, the California Department of Aging has been unable to allocate sufficient resources for regular communication among the various legal services programs for seniors.

(g) Unlike some other states, California does not provide matching funds specifically for legal services programs that serve seniors.

SEC. 2. Chapter 6.5 (commencing with Section 9320) is added to Division 8.5 of the Welfare and Institutions Code, to read:

CHAPTER 6.5. SENIOR LEGAL SERVICES

9320. (a) The department shall establish a task force to study and make recommendations, including action steps and timelines, on the improvement of legal services delivery to senior citizens in California by exploring the following matters:

(1) Actions to ensure that all area agencies on aging allocate sufficient funding to local legal assistance providers. Actions may include, but not be limited to, the establishment of a minimum percentage of area agency on aging funding for legal assistance providers in California.

(2) Ways to ensure uniformity in the provision of legal services throughout the state, including, but not limited to, possible development of uniform statewide standards for the delivery of legal services in California.

(3) Measures to evaluate and monitor local legal assistance programs to ensure compliance with the federal Older Americans Act and its implementing regulations.

(4) Establishment of statewide reporting system to assess the effectiveness of legal assistance programs for seniors in the state.

(5) The possible establishment of a statewide legal hotline for seniors.

(6) Opportunities to enhance communications among the various service providers and to ensure efficient service delivery involving local programs and a statewide hotline, should it come into existence.

(7) Opportunities for joint training for senior legal services advocates around the state.

(8) Other states' legal services delivery networks.

(b) The director shall serve on or appoint a representative to the task force, and shall appoint the following additional members:

(1) One member of the Legislature or his or her representative.

(2) Three legal services director representatives of existing legal service programs for seniors.

(3) The Legal Services Developer at the California Department of Aging.

(4) Two area agency on aging directors.

(5) Two representatives of senior advocacy organizations.

(6) A representative of the State Bar of California.

(c) The Member of the Legislature, or his or her representative, shall serve on the task force to the extent that the service is compatible with the duties of a Member of the Legislature.

(e) The task force shall report and make its recommendations to the Legislature on or before September 1, 2002.

SEC. 3. The sum of one hundred thousand dollars ($100,000) is hereby appropriated from the General Fund to the California Department of Aging for the purpose of establishing the task force described in Section 9320 of the Welfare and Institutions Code.

CHAPTER 683

An act to add Section 1530.91 to the Health and Safety Code, and to amend Sections 16164 and 16501.1 of, and to add Sections 27 and 16001.9 to, the Welfare and Institutions Code, relating to human services.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature that the rights of children in out-of-home placement are not infringed upon, and when a foster child's rights conflict with the health or safety of the child or others, the Legislature urges counties and foster care providers to find a way to preserve the child's rights in a manner that maintains the health and safety of the child and others.

SEC. 1.5. Section 1530.91 is added to the Health and Safety Code, to read:

1530.91. (a) Except as provided in subdivision (b) any care provider that provides foster care for children pursuant to this chapter shall provide each schoolage child and his or her authorized representative, as defined in regulations adopted by the department, who is placed in foster care, with an age and developmentally appropriate orientation that includes an explanation of the rights of the child, as specified in Section 16001.9 of the Welfare and Institutions Code, and addresses the child's questions and concerns.

(b) Any facility licensed to provide foster care for six or more children pursuant to this chapter shall post a listing of a foster child's rights specified in Section 16001.9 of the Welfare and Institutions Code. The office of the State Foster Care Ombudsperson shall design posters and provide the posters to each facility subject to this subdivision. The

posters shall include the telephone number of the State Foster Care Ombudsperson.

SEC. 2. Section 27 is added to the Welfare and Institutions Code, to read:

27. Each agency and department responsible for listing in regulations the rights of children under this division shall incorporate the rights of foster children, as listed in Section 16001.9 on the list.

SEC. 3. Section 16001.9 is added to the Welfare and Institutions Code, to read:

16001.9. (a) It is the policy of the state that all children in foster care shall have the following rights:

(1) To live in a safe, healthy, and comfortable home where he or she is treated with respect.

(2) To be free from physical, sexual, emotional, or other abuse, or corporal punishment.

(3) To receive adequate and healthy food, adequate clothing, and, for youth in group homes, an allowance.

(4) To receive medical, dental, vision, and mental health services.

(5) To be free of the administration of medication or chemical substances, unless authorized by a physician.

(6) To contact family members, unless prohibited by court order, and social workers, attorneys, foster youth advocates and supporters, Court Appointed Special Advocates (CASA), and probation officers.

(7) To visit and contact brothers and sisters, unless prohibited by court order.

(8) To contact the Community Care Licensing Division of the State Department of Social Services or the State Foster Care Ombudsperson regarding violations of rights, to speak to representatives of these offices confidentially, and to be free from threats or punishment for making complaints.

(9) To make and receive confidential telephone calls and send and receive unopened mail, unless prohibited by court order.

(10) To attend religious services and activities of his or her choice.

(11) To maintain an emancipation bank account and manage personal income, consistent with the child's age and developmental level, unless prohibited by the case plan.

(12) To not be locked in any room, building, or facility premises, unless placed in a community treatment facility.

(13) To attend school and participate in extracurricular, cultural, and personal enrichment activities, consistent with the child's age and developmental level.

(14) To work and develop job skills at an age-appropriate level that is consistent with state law.

(15) To have social contacts with people outside of the foster care system, such as teachers, church members, mentors, and friends.

(16) To attend Independent Living Program classes and activities if he or she meets age requirements.

(17) To attend court hearings and speak to the judge.

(18) To have storage space for private use.

(19) To review his or her own case plan if he or she is over 12 years of age and to receive information about his or her out-of-home placement and case plan, including being told of changes to the plan.

(20) To be free from unreasonable searches of personal belongings.

(21) To confidentiality of all juvenile court records consistent with existing law.

(b) Nothing in this section shall be interpreted to require a foster care provider to take any action that would impair the health and safety of children in out-of-home placement.

SEC. 4. Section 16164 of the Welfare and Institutions Code is amended to read:

16164. (a) The Office of the State Foster Care Ombudsperson shall do all of the following:

(1) Disseminate information on the rights of children and youth in foster care and the services provided by the office. The rights of children and youths in foster care are listed in Section 16001.9. The information shall include notification that conversations with the office may not be confidential.

(2) Investigate and attempt to resolve complaints made by or on behalf of children placed in foster care, related to their care, placement, or services.

(3) Decide, in its discretion, whether to investigate a complaint, or refer complaints to another agency for investigation.

(4) Upon rendering a decision to investigate a complaint from a complainant, notify the complainant of the intention to investigate. If the office declines to investigate a complaint or continue an investigation, the office shall notify the complainant of the reason for the action of the office.

(5) Update the complainant on the progress of the investigation and notify the complainant of the final outcome.

(6) Document the number, source, origin, location, and nature of complaints.

(7) Compile and make available to the Legislature all data collected over the course of the year including, but not limited to, the number of contacts to the toll-free telephone number, the number of complaints made, the number of investigations performed by the office, the number of referrals made, and the number of unresolved complaints.

(8) Have access to any record of a state or local agency that is necessary to carry out his or her responsibilities, and may meet or communicate with any foster child in his or her placement or elsewhere.

(b) The office may establish, in consultation with a committee of interested individuals, regional or local foster care ombudsperson offices for the purposes of expediting investigations and resolving complaints, subject to appropriations in the annual Budget Act.

(c) (1) The office, in consultation with the California Welfare Directors Association, Chief Probation Officers of California, foster youth advocate and support groups, groups representing children, families, foster parents, children's facilities, and other interested parties, shall develop, no later than July 1, 2002, standardized information explaining the rights specified in Section 16001.9. The information shall be developed in an age-appropriate manner, and shall reflect any relevant licensing requirements with respect to foster care providers' responsibilities to adequately supervise children in care.

(2) The office, counties, foster care providers, and others may use the information developed in paragraph (1) in carrying out their responsibilities to inform foster children and youth of their rights pursuant to Section 1530.91 of the Health and Safety Code, Sections 27 and 16501.1, and this section.

SEC. 5. Section 16501.1 of the Welfare and Institutions Code is amended to read:

16501.1. (a) The Legislature finds and declares that the foundation and central unifying tool in child welfare services is the case plan.

(b) The Legislature further finds and declares that a case plan ensures that the child receives protection and safe and proper care and case management, and that services are provided to the child and parents or other caretakers as appropriate in order to improve conditions in the parent's home, to facilitate the safe return of the child to a safe home or the permanent placement of the child, and to address the needs of the child while in foster care. A case plan shall be based upon the principles of this section and shall document that a preplacement assessment of the service needs of the child and family, and preplacement preventive services, have been provided, and that reasonable efforts to prevent out-of-home placement have been made. In determining the reasonable services to be offered or provided, the child's health and safety shall be the paramount concerns. Reasonable services shall be offered or provided to make it possible for a child to return to a safe home environment, unless, pursuant to subdivisions (b) and (e) of Section 361.5, the court determines that reunification services shall not be provided. If reasonable services are not ordered, or are terminated, reasonable efforts shall be made to place the child in a timely manner in

accordance with the permanent plan and to complete all steps necessary to finalize the permanent placement of the child.

(c) When out-of-home placement is used to attain case plan goals, the decision regarding choice of placement shall be based upon selection of a safe setting that is the least restrictive or most familylike and the most appropriate setting that is available and in close proximity to the parent's home, consistent with the selection of the environment best suited to meet the child's special needs and best interest, or both. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 7950 of the Family Code.

(d) A written case plan shall be completed within 30 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever occurs first. The case plan shall be updated, as the service needs of the child and family dictate. At a minimum, the case plan shall be updated in conjunction with each status review hearing conducted pursuant to Section 366.21, and the hearing conducted pursuant to Section 366.26, but no less frequently than once every six months. Each updated case plan shall include a description of the services that have been provided to the child under the plan and an evaluation of the appropriateness and effectiveness of those services.

(e) The child welfare services case plan shall be comprehensive enough to meet the juvenile court dependency proceedings requirements pursuant to Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of Division 2.

(f) The case plan shall be developed as follows:

(1) The case plan shall be based upon an assessment of the circumstances that required child welfare services intervention.

(2) The case plan shall identify specific goals and the appropriateness of the planned services in meeting those goals.

(3) The case plan shall identify the original allegations of abuse or neglect, as defined in Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code, or the conditions cited as the basis for declaring the child a dependent of the court pursuant to Section 300, or all of these, and the other precipitating incidents that led to child welfare services intervention.

(4) The case plan shall include a description of the schedule of the social worker contacts with the child and the family or other caretakers. The frequency of these contacts shall be in accordance with regulations adopted by the State Department of Social Services. If the child has been placed in foster care out of state, the county social worker or a social worker on the staff of the social service agency in the state in which the

child has been placed shall visit the child in a foster family home or the home of a relative at least every 12 months and submit a report to the court on each visit. For children in out-of-state group home facilities, visits shall be conducted at least monthly, pursuant to Section 16516.5. At least once every six months, at the time of a regularly scheduled social worker contact with the foster child, the child's social worker shall inform the child of his or her rights as a foster child, as specified in Section 16001.9. The social worker shall provide the information to the child in a manner appropriate to the age or developmental level of the child.

(5) When out-of-home services are used, the frequency of contact between the natural parents or legal guardians and the child shall be specified in the case plan. The frequency of those contacts shall reflect overall case goals, and consider other principles outlined in this section.

(6) When out-of-home placement is made, the case plan shall include provisions for the development and maintenance of sibling relationships as specified in subdivisions (b), (c), and (d) of Section 16002. If appropriate, when siblings who are dependents of the juvenile court are not placed together, the social worker for each child, if different, shall communicate with each of the other social workers and ensure that the child's siblings are informed of significant life events that occur within their extended family. Unless it has been determined that it is inappropriate in a particular case to keep siblings informed of significant life events that occur within the extended family, the social worker shall determine the appropriate means and setting for disclosure of this information to the child commensurate with the child's age and emotional well-being. These significant life events shall include, but shall not be limited to, the following:

(A) The death of an immediate relative.

(B) The birth of a sibling.

(C) Significant changes regarding a dependent child, unless the child objects to the sharing of the information with his or her siblings, including changes in placement, major medical or mental health diagnoses, treatments, or hospitalizations, arrests, and changes in the permanent plan.

(7) When out-of-home placement is made in a foster family home, group home or other child care institution that is either a substantial distance from the home of the child's parent or out of state, the case plan shall specify the reasons why that placement is in the best interest of the child. When an out-of-state group home placement is recommended or made, the case plan shall, in addition, specify compliance with Section 7911.1 of the Family Code.

(8) When out-of-home services are used, or when parental rights have been terminated and the case plan is placement for adoption, the case

plan shall include a recommendation regarding the appropriateness of unsupervised visitation between the child and any of the child's siblings. This recommendation shall include a statement regarding the child's and the siblings' willingness to participate in unsupervised visitation. If the case plan includes a recommendation for unsupervised sibling visitation, the plan shall also note that information necessary to accomplish this visitation has been provided to the child or to the child's siblings.

(9) When out-of-home services are used and the goal is reunification, the case plan shall describe the services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail. The plan shall also consider the importance of developing and maintaining sibling relationships pursuant to Section 16002.

(10) When out-of-home services are used, the child has been in care for at least 12 months, and the goal is not adoptive placement, the case plan shall include documentation of the compelling reason or reasons why termination of parental rights is not in the child's best interest. A determination completed or updated within the past 12 months by the department when it is acting as an adoption agency or by a licensed adoption agency that it is unlikely that the child will be adopted, or that one of the conditions described in paragraph (1) of subdivision (c) of Section 366.26 applies, shall be deemed a compelling reason.

(11) (A) Parents and legal guardians shall have an opportunity to review the case plan, sign it whenever possible, and then shall receive a copy of the plan. In any voluntary service or placement agreement, the parents or legal guardians shall be required to review and sign the case plan. Whenever possible, parents and legal guardians shall participate in the development of the case plan.

(B) Parents and legal guardians shall be advised that, pursuant to Section 1228.1 of the Evidence Code, neither their signature on the child welfare services case plan nor their acceptance of any services prescribed in the child welfare services case plan shall constitute an admission of guilt or be used as evidence against the parent or legal guardian in a court of law. However, they shall also be advised that the parent's or guardian's failure to cooperate, except for good cause, in the provision of services specified in the child welfare services case plan may be used in any hearing held pursuant to Section 366.21 or 366.22 as evidence.

(12) The case plan shall be included in the court report and shall be considered by the court at the initial hearing and each review hearing. Modifications to the case plan made during the period between review hearings need not be approved by the court if the casework supervisor for that case determines that the modifications further the goals of the plan. When out-of-home services are used with the goal of family

reunification, the case plan shall consider and describe the application of subdivision (b) of Section 11203.

(13) When the case plan has as its goal for the child a permanent plan of adoption or placement in another permanent home, it shall include documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangements for the child; to place the child with an adoptive family, an appropriate and willing relative, a legal guardian, or in another planned permanent living arrangement; and to finalize the adoption or legal guardianship. At a minimum, the documentation shall include child specific recruitment efforts, such as the use of state, regional, and national adoption exchanges, including electronic exchange systems, when the child has been freed for adoption.

(g) If the court finds, after considering the case plan, that unsupervised sibling visitation is appropriate and has been consented to, the court shall order that the child or the child's siblings, and the child's prospective adoptive parents, if applicable, be provided with information necessary to accomplish this visitation. Nothing in this section shall be construed to require or prohibit the social worker's facilitation, transportation, or supervision of visits between the child and his or her siblings.

(h) The case plan documentation on sibling placements required under this section shall not require modification of existing case plan forms until the Child Welfare Services Case Management System is implemented on a statewide basis.

(i) The department, in consultation with the County Welfare Directors Association and other advocates, shall develop standards and guidelines for a model relative placement search and assessment process based on the criteria established in Section 361.3. These guidelines shall be incorporated in the training described in Section 16206. These model standards and guidelines shall be developed by March 1, 1999.

SEC. 6. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because in that regard this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement

does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 684

An act to add Section 1276.65 to the Health and Safety Code, and to amend Section 14126.02 of the Welfare and Institutions Code, relating to health facilities.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares all of the following:

(1) Skilled nursing facilities need adequate staffing levels in order to provide the quality of care that patients deserve.

(2) Compliance with minimum staffing requirements will be increased if residents, residents' families, facility employees, and state inspectors can determine easily whether or not a skilled nursing facility is in compliance.

(3) It is difficult for residents, residents' families, facility employees, and state inspectors to monitor a skilled nursing facility's compliance with a staffing standard based on the nursing hours per patient day provided by a facility.

(4) The State Department of Health Services is responsible for adopting regulations prescribing the staffing requirements for skilled nursing facilities.

(5) The department is required to examine alternative rate methodology models for a new Medi-Cal reimbursement system for skilled nursing facilities.

(b) It is the intent of the Legislature to enact legislation that does all of the following:

(1) Creates a mechanism to increase minimum staffing requirements to a level that assures high quality care for patients.

(2) Requires that minimum staffing requirements be set forth as ratios of patients per direct caregiver, so that residents, residents' families, facility employees, state inspectors, and others may assist in ensuring compliance with the law.

(c) It is further the intent of the Legislature that the department, consistent with its regulatory responsibility and legislative mandates,

act as expenditiously as possible to implement the provisions of this act to ensure compliance with the timeframes set forth in this act.

SEC. 2. Section 1276.65 is added to the Health and Safety Code, to read:

1276.65. (a) For purposes of this section, the following definitions shall apply:

(1) ''Direct caregiver'' means a registered nurse, as referred to in Section 2732 of the Business and Professions Code, a licensed vocational nurse, as referred to in Section 2864 of the Business and Professions Code, a psychiatric technician, as referred to in Section 4516 of the Business and Professions Code, and a certified nurse assistant, as defined in Section 1337.

(2) ''Skilled nursing facility'' means a skilled nursing facility as defined in subdivision (c) of Section 1250.

(b) A person employed to provide services such as food preparation, housekeeping, laundry, or maintenance services shall not provide nursing care to residents and shall not be counted in determining ratios under this section.

(c) (1) Notwithstanding any other provision of law, the State Department of Health Services shall develop regulations that become effective August 1, 2003, that establish staff-to-patient ratios for direct caregivers working in a skilled nursing facility. These ratios shall include separate licensed nurse staff-to-patient ratios in addition to the ratios established for other direct caregivers.

(2) The department in developing staff-to-patient ratios for direct caregivers and licensed nurses required by this section shall convert the existing requirement under Section 1276.5 of this code and Section 14110.7 of the Welfare and Institutions Code for 3.2 nursing hours per patient day of care and shall ensure that no less care is given than is required pursuant to Section 1276.5 of this code and Section 14110.7 of the Welfare and Institutions Code. Further, the department shall develop the ratios in a manner that minimizes additional state costs, maximizes resident access to care, and takes into account the length of the shift worked. In developing the regulations, the department shall develop a procedure for facilities to apply for a waiver that addresses individual patient needs except that in no instance shall the minimum staff-to-patient ratios be less that the 3.2 nursing hours per patient day required under Section 1276.5 of this code and Section 14110.7 of the Welfare and Institutions Code.

(d) The staffing ratios to be developed pursuant to this section shall be minimum standards only. Skilled nursing facilities shall employ and schedule additional staff as needed to ensure quality resident care based on the needs of individual residents and to ensure compliance with all relevant state and federal staffing requirements.

(e) No later than January 1, 2006, and every five years thereafter, the department shall consult with consumers, consumer advocates, recognized collective bargaining agents, and providers to determine the sufficiency of the staffing standards provided in this section and may adopt regulations to increase the minimum staffing ratios to adequate levels.

(f) In a manner pursuant to federal requirements, effective January 1, 2003, every skilled nursing facility shall post information about staffing levels that include the current number of licensed and unlicensed nursing staff directly responsible for resident care in the facility. This posting shall include staffing requirements developed pursuant to this section.

(g) (1) Notwithstanding any other provision of law, the department shall inspect for compliance with this section during state and federal periodic inspections including, but not limited to, those inspections required under Section 1422. This inspection requirement shall not limit the department's authority in other circumstances to cite for violations of this section or to inspect for compliance with this section.

(2) A violation of the regulations developed pursuant to this section may constitute a class ''B'', ''A'', or ''AA'' violation pursuant to the standards set forth in Section 1424.

(h) The requirements of this section are in addition to any requirement set forth in Section 1276.5 of this code and Section 14110.7 of the Welfare and Institutions Code.

(i) Initial implementation of the staffing ratio developed pursuant to requirements set forth in this section shall be contingent on an appropriation in the annual Budget Act or another statute.

(j) In implementing this section, the department may contract as necessary, on a bid or nonbid basis, for professional consulting services from nationally recognized higher education and research institutions, or other qualified individuals and entities not associated with a skilled nursing facility, with demonstrated expertise in long-term care. This subdivision establishes an accelerated process for issuing contracts pursuant to this section and contracts entered into pursuant to this section shall be exempt from the requirements of Chapter 1 (commencing with Section 10100) and Chapter 2 (commencing with Section 10290) of Part 2 of Division 2 of the Public Contracts Code.

(k) This section shall not apply to facilities defined in Section 1276.9.

SEC. 3. Section 14126.02 of the Welfare and Institutions Code is amended to read:

14126.02. (a) It is the intent of the Legislature to devise a Medi-Cal long-term care reimbursement methodology that more effectively ensures individual access to appropriate long-term care services, promotes quality resident care, advances decent wages and benefits for nursing home workers, supports provider compliance with all applicable

state and federal requirements, and encourages administrative efficiency.

(b) (1) The department shall implement a facility-specific rate-setting system by August 1, 2004, subject to federal approval, that reflects the costs and staffing levels associated with quality of care for residents in nursing facilities, as defined in subdivision (k) of Section 1250 of the Health and Safety Code, which shall include hospital-based nursing facilities.

(2) The department shall examine several alternative rate methodology models for a new Medi-Cal reimbursement system for skilled nursing facilities to include, but not be limited to, consideration of the following:

(A) Classification of residents based on the resource utilization group system or other appropriate acuity classification system.

(B) Facility specific case mix factors.

(C) Direct care labor based factors.

(D) Geographic or regional differences in the cost of operating facilities and providing resident care.

(E) Facility-specific cost based rate models used in other states.

(c) The department shall submit to the Legislature a status report on the implementation of this section on April 1, 2002, April 1, 2003, and April 1, 2004.

(d) The alternatives for a new system described in paragraph (2) of subdivision (b) shall be developed in consultation with recognized experts with experience in long-term care reimbursement, economists, the Attorney General, the federal Centers for Medicare and Medicaid Services, and other interested parties.

(e) In implementing this section, the department may contract as necessary, on a bid or nonbid basis, for professional consulting services from nationally recognized higher education and research institutions, or other qualified individuals and entities not associated with a skilled nursing facility, with demonstrated expertise in long-term care reimbursement systems. The rate-setting system specified in subdivision (b) shall be developed with all possible expedience. This subdivision establishes an accelerated process for issuing contracts pursuant to this section and contracts entered into pursuant to this subdivision shall be exempt from the requirements of Chapter 1 (commencing with Section 10100) and Chapter 2 (commencing with Section 10290) of Part 2 of Division 2 of the Public Contracts Code.

SEC. 4. The State Department of Health Services may adopt emergency regulations to implement the applicable provisions of this act in accordance with rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The initial adoption

of emergency regulations and one readoption of the initial regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health, and safety or general welfare. Initial emergency regulations and the first readoption of those regulations shall be exempt from review by the Office of Administrative Law. The initial emergency regulations and the first readoption of those regulations authorized by this section shall be submitted to the Office of Administrative Law for filing with the Secretary of State and publication in the California Code of Regulations and each shall remain in effect for no more than 180 days.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 685

An act to amend Sections 1250, 1265, 1267.5, 1276.5, 1325.5, 1331, 1337.1, 1337.3, 1417.15, 1417.3, 1420, 1421.1, 1421.2, 1422.5, 1423.5, 1424, 1428.1, 1432, 1437.5, and 1438 of, and to add Sections 1250.6 and 1276.9 to, the Health and Safety Code, and to amend Section 14110.7 of the Welfare and Institutions Code, relating to health facilities.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1250 of the Health and Safety Code is amended to read:

1250. As used in this chapter, ''health facility'' means any facility, place, or building that is organized, maintained, and operated for the diagnosis, care, prevention, and treatment of human illness, physical or mental, including convalescence and rehabilitation and including care during and after pregnancy, or for any one or more of these purposes, for one or more persons, to which the persons are admitted for a 24-hour stay or longer, and includes the following types:

(a) ''General acute care hospital'' means a health facility having a duly constituted governing body with overall administrative and

professional responsibility and an organized medical staff that provides 24-hour inpatient care, including the following basic services: medical, nursing, surgical, anesthesia, laboratory, radiology, pharmacy, and dietary services. A general acute care hospital may include more than one physical plant maintained and operated on separate premises as provided in Section 1250.8. A general acute care hospital that exclusively provides acute medical rehabilitation center services, including at least physical therapy, occupational therapy, and speech therapy, may provide for the required surgical and anesthesia services through a contract with another acute care hospital. In addition, a general acute care hospital that, on July 1, 1983, provided required surgical and anesthesia services through a contract or agreement with another acute care hospital may continue to provide these surgical and anesthesia services through a contract or agreement with an acute care hospital.

A ''general acute care hospital'' includes a ''rural general acute care hospital.'' However, a ''rural general acute care hospital'' shall not be required by the department to provide surgery and anesthesia services. A ''rural general acute care hospital'' shall meet either of the following conditions:

(1) The hospital meets criteria for designation within peer group six or eight, as defined in the report entitled Hospital Peer Grouping for Efficiency Comparison, dated December 20, 1982.

(2) The hospital meets the criteria for designation within peer group five or seven, as defined in the report entitled Hospital Peer Grouping for Efficiency Comparison, dated December 20, 1982, and has no more than 76 acute care beds and is located in a census dwelling place of 15,000 or less population according to the 1980 federal census.

(b) ''Acute psychiatric hospital'' means a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical staff that provides 24-hour inpatient care for mentally disordered, incompetent, or other patients referred to in Division 5 (commencing with Section 5000) or Division 6 (commencing with Section 6000) of the Welfare and Institutions Code, including the following basic services: medical, nursing, rehabilitative, pharmacy, and dietary services.

(c) ''Skilled nursing facility'' means a health facility that provides skilled nursing care and supportive care to patients whose primary need is for availability of skilled nursing care on an extended basis.

(d) ''Intermediate care facility'' means a health facility that provides inpatient care to ambulatory or nonambulatory patients who have recurring need for skilled nursing supervision and need supportive care, but who do not require availability of continuous skilled nursing care.

(e) ''Intermediate care facility/developmentally disabled habilitative'' means a facility with a capacity of 4 to 15 beds that

provides 24-hour personal care, habilitation, developmental, and supportive health services to 15 or fewer developmentally disabled persons who have intermittent recurring needs for nursing services, but have been certified by a physician and surgeon as not requiring availability of continuous skilled nursing care.

(f) ''Special hospital'' means a health facility having a duly constituted governing body with overall administrative and professional responsibility and an organized medical or dental staff that provides inpatient or outpatient care in dentistry or maternity.

(g) ''Intermediate care facility/developmentally disabled'' means a facility that provides 24-hour personal care, habilitation, developmental, and supportive health services to developmentally disabled clients whose primary need is for developmental services and who have a recurring but intermittent need for skilled nursing services.

(h) ''Intermediate care facility/developmentally disabled—nursing'' means a facility with a capacity of 4 to 15 beds that provides 24-hour personal care, developmental services, and nursing supervision for developmentally disabled persons who have intermittent recurring needs for skilled nursing care but have been certified by a physician and surgeon as not requiring continuous skilled nursing care. The facility shall serve medically fragile persons who have developmental disabilities or demonstrate significant developmental delay that may lead to a developmental disability if not treated.

(i) (1) ''Congregate living health facility'' means a residential home with a capacity, except as provided in paragraph (4), of no more than six beds, that provides inpatient care, including the following basic services: medical supervision, 24-hour skilled nursing and supportive care, pharmacy, dietary, social, recreational, and at least one type of service specified in paragraph (2). The primary need of congregate living health facility residents shall be for availability of skilled nursing care on a recurring, intermittent, extended, or continuous basis. This care is generally less intense than that provided in general acute care hospitals but more intense than that provided in skilled nursing facilities.

(2) Congregate living health facilities shall provide one of the following services:

(A) Services for persons who are mentally alert, physically disabled persons, who may be ventilator dependent.

(B) Services for persons who have a diagnosis of terminal illness, a diagnosis of a life-threatening illness, or both. Terminal illness means the individual has a life expectancy of six months or less as stated in writing by his or her attending physician and surgeon. A ''life-threatening illness'' means the individual has an illness that can lead to a possibility of a termination of life within five years or less as stated in writing by his or her attending physician and surgeon.

(C) Services for persons who are catastrophically and severely disabled. A catastrophically and severely disabled person means a person whose origin of disability was acquired through trauma or nondegenerative neurologic illness, for whom it has been determined that active rehabilitation would be beneficial and to whom these services are being provided. Services offered by a congregate living health facility to a catastrophically disabled person shall include, but not be limited to, speech, physical, and occupational therapy.

(3) A congregate living health facility license shall specify which of the types of persons described in paragraph (2) to whom a facility is licensed to provide services.

(4) (A) A facility operated by a city and county for the purposes of delivering services under this section may have a capacity of 59 beds.

(B) A congregate living health facility not operated by a city and county servicing persons who are terminally ill, persons who have been diagnosed with a life-threatening illness, or both, that is located in a county with a population of 500,000 or more persons may have not more than 25 beds for the purpose of serving terminally ill persons.

(C) A congregate living health facility not operated by a city and county serving persons who are catastrophically and severely disabled, as defined in subparagraph (C) of paragraph (2) that is located in a county of 500,000 or more persons may have not more than 12 beds for the purpose of serving catastrophically and severely disabled persons.

(5) A congregate living health facility shall have a noninstitutional, homelike environment.

(j) (1) ''Correctional treatment center'' means a health facility operated by the Department of Corrections, the Department of the Youth Authority, or a county, city, or city and county law enforcement agency that, as determined by the state department, provides inpatient health services to that portion of the inmate population who do not require a general acute care level of basic services. This definition shall not apply to those areas of a law enforcement facility that houses inmates or wards that may be receiving outpatient services and are housed separately for reasons of improved access to health care, security, and protection. The health services provided by a correctional treatment center shall include, but are not limited to, all of the following basic services: physician and surgeon, psychiatrist, psychologist, nursing, pharmacy, and dietary. A correctional treatment center may provide the following services: laboratory, radiology, perinatal, and any other services approved by the state department.

(2) Outpatient surgical care with anesthesia may be provided, if the correctional treatment center meets the same requirements as a surgical clinic licensed pursuant to Section 1204, with the exception of the requirement that patients remain less than 24 hours.

(3) Correctional treatment centers shall maintain written service agreements with general acute care hospitals to provide for those inmate physical health needs that cannot be met by the correctional treatment center.

(4) Physician and surgeon services shall be readily available in a correctional treatment center on a 24-hour basis.

(5) It is not the intent of the Legislature to have a correctional treatment center supplant the general acute care hospitals at the California Medical Facility, the California Men's Colony, and the California Institution for Men. This subdivision shall not be construed to prohibit the California Department of Corrections from obtaining a correctional treatment center license at these sites.

(k) ''Nursing facility'' means a health facility licensed pursuant to this chapter that is certified to participate as a provider of care either as a skilled nursing facility in the federal Medicare program under Title XVIII of the federal Social Security Act or as a nursing facility in the federal medicaid program under Title XIX of the federal Social Security Act, or as both.

(*l*) Regulations defining a correctional treatment center described in subdivision (j) that is operated by a county, city, or city and county, the Department of Corrections, or the Department of the Youth Authority, shall not become effective prior to, or if effective, shall be inoperative until January 1, 1996, and until that time these correctional facilities are exempt from any licensing requirements.

SEC. 2. Section 1250.6 is added to the Health and Safety Code, to read:

1250.6. Any requirement placed upon, or reference to, a corporation in this chapter, shall also apply to a limited liability company.

SEC. 3. Section 1265 of the Health and Safety Code is amended to read:

1265. Any person, political subdivision of the state, or governmental agency desiring a license for a health facility, approval for a special service under this chapter, or approval to manage a health facility currently licensed as a skilled nursing facility or intermediate care facility, as defined in subdivision (c) or (d) of Section 1250, that has not filed an application for a license to operate that facility shall file with the state department a verified application on forms prescribed and furnished by the state department, containing all of the following:

(a) The name of the applicant and, if an individual, whether the applicant has attained the age of 18 years.

(b) The type of facility or health facility.

(c) The location thereof.

(d) The name of the person in charge thereof.

(e) Evidence satisfactory to the state department that the applicant is of reputable and responsible character. If the applicant is a firm, association, organization, partnership, business trust, corporation, or company, like evidence shall be submitted as to the members or shareholders thereof, and the person in charge of the health facility for which application for license is made. If the applicant is a political subdivision of the state or other governmental agency, like evidence shall be submitted as to the person in charge of the health facility for which application for license is made.

(f) Evidence satisfactory to the state department of the ability of the applicant to comply with this chapter and of rules and regulations promulgated under this chapter by the state department.

(g) Evidence satisfactory to the department that the applicant to operate a skilled nursing facility or intermediate care facility possesses financial resources sufficient to operate the facility for a period of at least 45 days. A management company shall not be required to submit this information.

(h) Each applicant for a license to operate a skilled nursing facility or intermediate care facility shall disclose to the state department evidence of the right to possession of the facility at the time the application will be granted, that may be satisfied by the submission of a copy of applicable portions of a lease agreement or deed of trust. The names and addresses of any persons or organizations listed as owner of record in the real estate, including the buildings and the grounds appurtenant to the buildings, shall be disclosed to the state department.

(i) Any other information as may be required by the state department for the proper administration and enforcement of this chapter.

(j) Upon submission of an application to the state department by an intermediate care facility/developmentally disabled habilitative or an intermediate care facility/developmentally disabled—nursing, the application shall include a statement of need signed by the chairperson of the area board pursuant to Chapter 4 (commencing with Section 4570) of Division 4.5 of the Welfare and Institutions Code. In the event the area board has not provided the statement of need within 30 days of receipt of the request from the applicant, the state department may process the application for license without the statement.

(k) The information required pursuant to this section, other than individuals' social security numbers, shall be made available to the public upon request, and shall be included in the department's public file regarding the facility.

SEC. 4. Section 1267.5 of the Health and Safety Code is amended to read:

1267.5. (a) (1) Each applicant for a license to operate a skilled nursing facility or intermediate care facility shall disclose to the state

department the name and business address of each general partner if the applicant is a partnership, or each director and officer if the applicant is a corporation, and each person having a beneficial ownership interest of 5 percent or more in the applicant corporation or partnership.

(2) If any person described in paragraph (1) has served or currently serves as an administrator, general partner, trustee or trust applicant, sole proprietor of any applicant or licensee who is a sole proprietorship, executor, or corporate officer or director of, or has held a beneficial ownership interest of 5 percent or more in, any other skilled nursing facility or intermediate care facility or in any community care facility licensed pursuant to Chapter 3 (commencing with Section 1500) of this division, the applicant shall disclose the relationship to the state department, including the name and current or last address of the health facility or community care facility and the date the relationship commenced and, if applicable, the date it was terminated.

(3) (A) If the facility is operated by, or proposed to be operated in whole or part under, a management contract, the names and addresses of any person or organization, or both, having an ownership or control interest of 5 percent or more in the management company shall be disclosed to the state department. This provision shall not apply if the management company has submitted an application for licensure with the state department and has complied with paragraph (1).

(B) If the management company is a subsidiary of one or more other organizations, the information shall include the names and addresses of the parent organizations of the management company and the names and addresses of any officer or director of the parent organizations. The failure to comply with this subparagraph may result in action to revoke or deny a license. However, once the information that is required under this subparagraph is provided, the action to revoke the license shall terminate.

(4) If the applicant or licensee is a subsidiary of one or more other organizations, the information shall include the names and addresses of the parent organizations of the subsidiary and the names and addresses of any officer or director of the parent organizations.

(5) The information required by this subdivision shall be provided to the state department upon initial application for licensure, and any change in the information shall be provided to the state department within 30 calendar days of that change.

(6) Except as provided in subparagraph (B) of paragraph (3), the failure to comply with this section may result in action to revoke or deny a license.

(7) The information required by this section shall be made available to the public upon request, shall be included in the public file of the facility, and by July 1, 2002, shall be included in the department's

automated certification licensing administration information management system.

(b) On and after January 1, 1990, no person may acquire a beneficial interest of 5 percent or more in any corporation or partnership licensed to operate a skilled nursing facility or intermediate care facility, or in any management company under contract with a licensee of a skilled nursing facility or intermediate care facility, nor may any person become an officer or director of, or general partner in, a corporation, partnership, or management company of this type without the prior written approval of the state department. Each application for departmental approval pursuant to this subdivision shall include the information specified in subdivision (a) as regards the person for whom the application is made.

The state department shall approve or disapprove the application within 30 days after receipt thereof, unless the state department, with just cause, extends the application review period beyond 30 days.

(c) The state department may deny approval of a license application or of an application for approval under subdivision (b) if a person named in the application, as required by this section, was an officer, director, general partner, or owner of a 5-percent or greater beneficial interest in a licensee of, or in a management company under contract with a licensee of, a skilled nursing facility, intermediate care facility, community care facility, or residential care facility for the elderly at a time when one or more violations of law were committed therein that resulted in suspension or revocation of its license, or at a time when a court-ordered receiver was appointed pursuant to Section 1327, or at a time when a final Medi-Cal decertification action was taken under federal law. However, the prior suspension, revocation, or court-ordered receivership of a license shall not be grounds for denial of the application if the applicant shows to the satisfaction of the state department (1) that the person in question took every reasonably available action to prevent the violation or violations that resulted in the disciplinary action and (2) that he or she took every reasonably available action to correct the violation or violations once he or she knew, or with the exercise of reasonable diligence should have known of, the violation or violations.

(d) No application shall be denied pursuant to this section until the state department first (1) provides the applicant with notice in writing of grounds for the proposed denial of application, and (2) affords the applicant an opportunity to submit additional documentary evidence in opposition to the proposed denial.

(e) Nothing in this section shall cause any individual to be personally liable for any civil penalty assessed pursuant to Chapter 2.4 (commencing with Section 1417) or create any new criminal or civil liability contrary to general laws limiting that liability.

(f) This section shall not apply to a bank, trust company, financial institution, title insurer, controlled escrow company, or underwritten title company to which a license is issued in a fiduciary capacity.

(g) As used in this section, ''person'' has the same meaning as specified in Section 19.

(h) This section shall not apply to the directors of a nonprofit corporation exempt from taxation under Section 23701d of the Revenue and Taxation Code that operates a skilled nursing facility or intermediate care facility in conjunction with a licensed residential facility, where the directors serve without financial compensation and are not compensated by the nonprofit corporation in any other capacity.

SEC. 5. Section 1276.5 of the Health and Safety Code is amended to read:

1276.5. (a) The department shall adopt regulations setting forth the minimum number of equivalent nursing hours per patient required in skilled nursing and intermediate care facilities, subject to the specific requirements of Section 14110.7 of the Welfare and Institutions Code. However, notwithstanding Section 14110.7 or any other provision of law, commencing January 1, 2000, the minimum number of actual nursing hours per patient required in a skilled nursing facility shall be 3.2 hours, except as provided in Section 1276.9.

(b) (1) For the purposes of this section, ''nursing hours'' means the number of hours of work performed per patient day by aides, nursing assistants, or orderlies plus two times the number of hours worked per patient day by registered nurses and licensed vocational nurses (except directors of nursing in facilities of 60 or larger capacity) and, in the distinct part of facilities and freestanding facilities providing care for the developmentally disabled or mentally disordered, by licensed psychiatric technicians who perform direct nursing services for patients in skilled nursing and intermediate care facilities, except when the skilled nursing and intermediate care facility is licensed as a part of a state hospital, and except that nursing hours for skilled nursing facilities means the actual hours of work, without doubling the hours performed per patient day by registered nurses and licensed vocational nurses.

(2) Concurrent with implementation of the first year of rates established under the Medi-Cal Long Term Care Reimbursement Act of 1990 (Article 3.8 (commencing with Section 14126) of Chapter 7 of Part 3 of Division 9 of the Welfare and Institutions Code), for the purposes of this section, ''nursing hours'' means the number of hours of work performed per patient day by aides, nursing assistants, registered nurses, and licensed vocational nurses (except directors of nursing in facilities of 60 or larger capacity) and, in the distinct part of facilities and freestanding facilities providing care for the developmentally disabled or mentally disordered, by licensed psychiatric technicians who

performed direct nursing services for patients in skilled nursing and intermediate care facilities, except when the skilled nursing and intermediate care facility is licensed as a part of a state hospital.

(c) Notwithstanding Section 1276, the department shall require the utilization of a registered nurse at all times if the department determines that the services of a skilled nursing and intermediate care facility require the utilization of a registered nurse.

(d) (1) Except as otherwise provided by law, the administrator of an intermediate care facility/developmentally disabled, intermediate care facility/developmentally disabled habilitative, or an intermediate care facility/developmentally disabled—nursing shall be either a licensed nursing home administrator or a qualified mental retardation professional as defined in Section 483.430 of Title 42 of the Code of Federal Regulations.

(2) To qualify as an administrator for an intermediate care facility for the developmentally disabled, a qualified mental retardation professional shall complete at least six months of administrative training or demonstrate six months of experience in an administrative capacity in a licensed health facility, as defined in Section 1250, excluding those facilities specified in subdivisions (e), (h), and (i).

SEC. 6. Section 1276.9 is added to the Health and Safety Code, to read:

1276.9. (a) A special treatment program service unit distinct part shall have a minimum 2.3 nursing hours per patient per day.

(b) For purposes of this section, ''special treatment program service unit distinct part'' means an identifiable and physically separate unit of a skilled nursing facility or an entire skilled nursing facility that provides therapeutic programs to an identified mentally disordered population group.

(c) For purposes of this section, ''nursing hours'' means the number of hours of work performed per patient day by aides, nursing assistants, or orderlies, plus two times the number of hours worked per patient day by registered nurses and licensed vocational nurses (except directors of nursing in facilities of 60 or larger capacity), and, in the distinct part of facilities and freestanding facilities providing care for the developmentally disabled or mentally disordered, by licensed psychiatric technicians who perform direct nursing services for patients in skilled nursing and intermediate care facilities, except when the skilled nursing and intermediate care facility is licensed as a part of a state hospital.

(d) A special treatment program service unit distinct part shall also have an overall average weekly staffing level of 3.2 hours per patient per day, calculated without regard to the doubling of nursing hours, as

described in paragraph (1) of subdivision (b) of Section 1276.5, for the special treatment program service unit distinct part.

(e) The calculation of the overall staffing levels in these facilities for the special treatment program service unit distinct part shall include staff from all of the following categories:

(1) Certified nurse assistants.

(2) Licensed vocational nurses.

(3) Registered nurses.

(4) Licensed psychiatric technicians.

(5) Psychiatrists.

(6) Psychologists.

(7) Social workers.

(8) Program staff who provide rehabilitation, counseling, or other therapeutic services.

SEC. 7. Section 1325.5 of the Health and Safety Code is amended to read:

1325.5. (a) It is the intent of the Legislature in enacting this section to empower the state department to take quick, effective action to protect the health and safety of residents of long-term health care facilities and to minimize the effects of transfer trauma that accompany the abrupt transfer of elderly and disabled residents.

(b) For purposes of this section, ''temporary manager'' means the person, corporation, or other entity, appointed temporarily by the state department as a substitute facility manager or administrator with authority to hire, terminate, or reassign staff, obligate facility funds, alter facility procedures, and manage the facility to correct deficiencies identified in the facility's operation.

(c) The director may appoint a temporary manager when any of the following circumstances exist:

(1) The residents of the long-term health care facility are in immediate danger of death or permanent injury by virtue of the failure of the facility to comply with federal or state requirements applicable to the operation of the facility.

(2) As a result of the change in the status of the license or operation of a long-term health care facility, the facility is required to comply with Section 1336.2, the facility fails to comply with Section 1336.2, and the state department has determined that the facility is unwilling or unable to meet the requirements of Section 1336.2.

(d) Upon appointment, the temporary manager shall take all necessary steps and make best efforts to eliminate immediate danger of death or permanent injury to residents or complete transfer of residents to alternative placements pursuant to Section 1336.2.

(e) (1) The appointment of a temporary manager shall become effective immediately and shall continue until any of the following events occurs:

(A) The temporary manager notifies the department, and the department verifies, that the facility meets state and, if applicable, federal standards for operation, and will be able to continue to maintain compliance with those standards after the termination of temporary management.

(B) A receiver is appointed under this article.

(C) The department approves a new management company.

(D) A new operator is licensed.

(E) The state department closes the facility, through an orderly transfer of the residents.

(F) A hearing or court order ends the temporary manager appointment.

(G) The appointment is terminated by the department or the temporary manager.

(2) The appointment of a temporary manager shall authorize the temporary manager to act pursuant to this section. The appointment shall be made pursuant to an agreement between the temporary manager and the state department that outlines the circumstances under which the temporary manager may expend funds. The temporary manager shall make no long-term capital investments to the facility without the permission of the state department. The state department shall provide the licensee and administrator with a statement of allegations at the time of appointment. Within 48 hours, the department shall provide the licensee and the administrator with a formal statement of cause and concerns. The statement of cause and concerns shall specify the factual and legal basis for the imposition of the temporary manager and shall be supported by the declaration of the director or the director's authorized designee. The statement of cause and concerns shall notify the licensee of the licensee's right to petition the Office of Administrative Hearings for a hearing to contest the appointment of the temporary manager and shall provide the licensee with a form and appropriate information for the licensee's use in requesting a hearing.

(f) (1) The licensee of a long-term health care facility may contest the appointment of the temporary manager by filing a petition for an order to terminate the appointment of the temporary manager with the Office of Administrative Hearings, within 60 days from the date of mailing of the statement of cause and concerns. On the same day as the petition is filed with the Office of Administrative Hearings, the licensee shall deliver a copy of the petition to the office of the director.

(2) Upon receipt of a petition of hearing, the Office of Administrative Hearings shall set a hearing date and time within five business days of

the receipt of the petition. The office shall promptly notify the licensee and the state department of the date, time, and place of the hearing. The office shall assign the case to an administrative law judge. At the hearing, relevant evidence may be presented pursuant to Section 11513 of the Government Code. The administrative law judge shall issue a written decision on the petition within five business days of the conclusion of the hearing. The five-day time periods for holding the hearing and rendering a decision may be extended by the agreement of the parties.

(3) The administrative law judge shall uphold the appointment of the temporary manager if the state department proves, by a preponderance of the evidence, that the circumstances specified in subdivision (c) applied to the facility at the time of the appointment. The administrative law judge shall order the termination of the temporary manager if the burden of proof is not satisfied.

(g) The decision of the administrative law judge is subject to judicial review as provided in Section 1094.5 of the Code of Civil Procedure by the superior court sitting in the county where the facility is located. This review may be requested by the licensee of the facility or the state department by filing a petition seeking relief from the order. The petition may also request the issuance of temporary injunctive relief pending the decision on the petition. The superior court shall hold a hearing within five business days of the filing of the petition and shall issue a decision on the petition within five days of the hearing. The state department may be represented by legal counsel within the state department for purposes of court proceedings authorized under this section.

(h) If the licensee of the long-term health care facility does not protest the appointment, it shall continue in accordance with subdivision (e).

(i) (1) If the licensee of the long-term health care facility petitions the Office of Administrative Hearings pursuant to subdivision (f), the appointment of the temporary manager by the director pursuant to this section shall continue until it is terminated by the administrative law judge or by the superior court, or it shall continue for 30 days from the date the administrative law judge or the superior court upholds the appointment of the temporary manager, whichever is earlier.

(2) At any time during the appointment of the temporary manager, the director may request an extension of the appointment by filing a petition for hearing with the Office of Administrative Hearings and serving a copy of the petition on the licensee. The office shall proceed as specified in paragraph (2) of subdivision (f). The administrative law judge may extend the appointment of the temporary manager as follows:

(A) Upon a showing by the state department that the conditions specified in subdivision (c) continue to exist, an additional 60 days.

(B) Upon a finding that the state department is seeking a receiver, until the state department has secured the services of a receiver pursuant to this article.

(3) The licensee or the state department may request review of the administrative law judge's decision on the extension as provided in subdivision (g).

(j) The temporary manager appointed pursuant to this section shall meet the following qualifications:

(1) Be qualified to oversee correction of deficiencies on the basis of experience and education.

(2) Not have been found guilty of misconduct by any licensing board.

(3) Have no financial ownership interest in the facility and have no member of his or her immediate family who has a financial ownership interest in the facility.

(4) Not currently serve, or within the past two years have served, as a member of the staff of the facility.

(5) Be acceptable to the facility.

(k) Payment of the temporary manager's salary or fee shall comply with the following requirements:

(1) Shall be paid directly by the facility while the temporary manager is assigned to that facility.

(2) Shall be equivalent to the sum of the following:

(A) The prevailing salary or fee paid by licensees for positions of the same type in the facility's geographic area.

(B) Additional costs that reasonably would have been incurred by the licensee if the licensee had been in an employment relationship.

(C) Any other reasonable costs incurred by the appointed temporary manager in furnishing services pursuant to this section.

(3) May exceed the amount specified in paragraph (2) if the department is otherwise unable to attract a qualified temporary manager.

(*l*) The state department may use funds from the Health Facilities Citation Penalties Account, pursuant to Section 1417.2, to operate the facility after all other facility revenues are exhausted.

(m) The state department shall adopt regulations for the administration of this section on or before December 31, 2001.

SEC. 8. Section 1331 of the Health and Safety Code is amended to read:

1331. (a) The receiver shall be appointed for an initial period of not more than six months. The initial six-month period may be extended for additional periods not exceeding six months, as determined by the court pursuant to this section. At the end of four months, the receiver shall report to the court on its assessment of the probability that the long-term health care facility will meet state standards for operation by the end of the initial six-month period and will continue to maintain compliance

with those standards after termination of the receiver's management. If it appears that the facility cannot be brought into compliance with state standards within the initial six-month period, the court shall take appropriate action as follows:

(1) Extend the receiver's management for an additional six months if there is a substantial likelihood that the facility will meet state standards within that period and will maintain compliance with the standards after termination of the receiver's management. The receiver shall report to the court in writing upon the facility's progress at the end of six weeks of any extension ordered pursuant to this paragraph.

(2) Order the director to revoke or temporarily suspend, or both, the license pursuant to Section 1296 and extend the receiver's management for the period necessary to transfer patients in accordance with the transfer plan, but for not more than six months from the date of initial appointment of a receiver, or 14 days, whichever is greater. An extension of an additional six months may be granted if deemed necessary by the court.

(b) If it appears at the end of six weeks of an extension ordered pursuant to paragraph (1) of subdivision (a) that the facility cannot be brought into compliance with state standards for operation or that it will not maintain compliance with those standards after the receiver's management is terminated, the court shall take appropriate action as specified in paragraph (2) of subdivision (a).

(c) In evaluating the probability that a long-term health care facility will maintain compliance with state standards of operation after the termination of receiver management ordered by the court, the court shall consider at least the following factors:

(1) The duration, frequency, and severity of past violations in the facility.

(2) History of compliance in other long-term health care facilities operated by the proposed licensee.

(3) Efforts by the licensee to prevent and correct past violations.

(4) The financial ability of the licensee to operate in compliance with state standards.

(5) The recommendations and reports of the receiver.

(d) Management of a long-term health care facility operated by a receiver pursuant to this article shall not be returned to the licensee, to any person related to the licensee, or to any person who served as a member of the facility's staff or who was employed by the licensee prior to the appointment of the receiver unless both of the following conditions are met:

(1) The department believes that it would be in the best interests of the residents of the facility, requests that the court return the operation of the facility to the former licensee, and provides clear and convincing

evidence to the court that it is in the best interests of the facility's residents to take that action.

(2) The court finds that the licensee has fully cooperated with the department in the appointment and ongoing activities of a receiver appointed pursuant to this section, and, if applicable, any temporary manager appointed pursuant to Section 1325.5.

(e) The owner of the facility may at any time sell, lease, or close the facility, subject to the following provisions:

(1) If the owner closes the facility, or the sale or lease results in the closure of the facility, the court shall determine if a transfer plan is necessary. If the court so determines, the court shall adopt and implement a transfer plan of not more than 30 days.

(2) If the licensee proposes to sell or lease the facility and the facility will continue to operate as a long-term health care facility, the court and the state department shall reevaluate any proposed transfer plan. If the court and the state department determine that the sale or lease of the facility will result in compliance with licensing standards, the transfer plan and the receivership shall, subject to those conditions that the court may impose and enforce, be terminated upon the effective date of the sale or lease.

SEC. 9. Section 1337.1 of the Health and Safety Code is amended to read:

1337.1. A skilled nursing or intermediate care facility shall adopt an approved training program that meets standards established by the state department. The approved training program shall consist of at least the following:

(a) An orientation program to be given to newly employed nurse assistants prior to providing direct patient care in skilled nursing or intermediate care facilities.

(b) (1) A precertification training program consisting of at least 60 classroom hours of training on basic nursing skills, patient safety and rights, the social and psychological problems of patients, and resident abuse prevention, recognition, and reporting pursuant to subdivision (e). The 60 classroom hours of training may be conducted within a skilled nursing or intermediate care facility or in an educational institution.

(2) In addition to the 60 classroom hours of training required under paragraph (1), the precertification training program shall consist of at least 100 hours of supervised and on-the-job training clinical practice. The 100 hours may consist of normal employment as a nurse assistant under the supervision of either the director of nurse training or a licensed nurse qualified to provide nurse assistant training who has no other assigned duties while providing the training.

(3) At least two hours of the 60 hours of classroom training and at least four hours of the 100 hours of the supervised clinical training shall

address the special needs of persons with developmental and mental disorders, including mental retardation, Alzheimer's disease, cerebral palsy, epilepsy, dementia, Parkinson's disease, and mental illness.

(4) In a precertification training program subject to this subdivision, credit shall be given for the training received in an approved precertification training program adopted by another skilled nursing or intermediate care facility.

(5) This subdivision shall not apply to a skilled nursing or intermediate care facility that demonstrates to the state department that it employs only nurse assistants with a valid certification.

(c) Continuing in-service training to assure continuing competency in existing and new nursing skills.

(d) Each facility shall consider including training regarding the characteristics and method of assessment and treatment of acquired immune deficiency syndrome (AIDS).

(e) (1) The approved training program shall include, within the 60 hours of classroom training, a minimum of six hours of instruction on preventing, recognizing, and reporting instances of resident abuse utilizing those courses developed pursuant to Section 13823.93 of the Penal Code.

(2) A minimum of four hours of instruction on preventing, recognizing, and reporting instances of resident abuse shall be included within the total minimum hours of continuing education or in-service training required and in effect for certified nursing assistants.

SEC. 10. Section 1337.3 of the Health and Safety Code is amended to read:

1337.3. (a) The state department shall prepare and maintain a list of approved training programs for nurse assistant certification. The list shall include training programs conducted by skilled nursing or intermediate care facilities, as well as local agencies and education programs. In addition, the list shall include information on whether a training center is currently training nurse assistants, their competency test pass rates, and the number of nurse assistants they have trained. Clinical portions of the training programs may be obtained as on-the-job training, supervised by a qualified director of staff development or licensed nurse.

(b) It shall be the duty of the state department to inspect a representative sample of training programs. The state department shall protect consumers and students in any training program against fraud, misrepresentation, or other practices that may result in improper or excessive payment of funds paid for training programs. In evaluating a training center's training program, the state department shall examine each training center's trainees' competency test passage rate, and require each program to maintain an average 60 percent test score passage rate

to maintain its participation in the program. The average test score passage rate shall be calculated over a two-year period. If the state department determines that any training program is not complying with regulations or is not meeting the competency passage rate requirements, notice thereof in writing shall be immediately given to the program. If the program has not been brought into compliance within a reasonable time, the program may be removed from the approved list and notice thereof in writing given to it. Programs removed under this article shall be afforded an opportunity to request reinstatement of program approval at any time. The state department's district offices shall inspect facility-based centers as part of their annual survey.

(c) Notwithstanding Section 1337.1, the approved training program shall consist of at least the following:

(1) A 16-hour orientation program to be given to newly employed nurse assistants prior to providing direct patient care, and consistent with federal training requirements for facilities participating in the Medicare or medicaid programs.

(2) (A) A certification training program consisting of at least 60 classroom hours of training on basic nursing skills, patient safety and rights, the social and psychological problems of patients, and elder abuse recognition and reporting pursuant to subdivision (e) of Section 1337.1. The 60 classroom hours of training may be conducted within a skilled nursing facility, an intermediate care facility, or an educational institution.

(B) In addition to the 60 classroom hours of training required under subparagraph (A), the certification program shall also consist of 100 hours of supervised and on-the-job training clinical practice. The 100 hours may consist of normal employment as a nurse assistant under the supervision of either the director of staff development or a licensed nurse qualified to provide nurse assistant training who has no other assigned duties while providing the training.

(3) At least two hours of the 60 hours of classroom training and at least four hours of the 100 hours of the supervised clinical training shall address the special needs of persons with developmental and mental disorders, including mental retardation, Alzheimer's disease, cerebral palsy, epilepsy, dementia, Parkinson's disease, and mental illness.

(d) The state department, in consultation with the State Department of Education and other appropriate organizations, shall develop criteria for approving training programs, that includes program content for orientation, training, inservice and the examination for testing knowledge and skills related to basic patient care services and shall develop a plan that identifies and encourages career ladder opportunities for certified nurse assistants. This group shall also recommend, and the department shall adopt, regulation changes necessary to provide for

patient care when facilities utilize noncertified nurse assistants who are performing direct patient care. The requirements of this subdivision shall be established by January 1, 1989.

(e) On or before January 1, 2004, the state department, in consultation with the State Department of Education, the American Red Cross, and other appropriate organizations, shall do the following:

(1) Review the current examination for approved training programs for certified nurse assistants to ensure the accurate assessment of whether a nurse assistant has obtained the required knowledge and skills related to basic patient care services.

(2) Develop a plan that identifies and encourages career ladder opportunities for certified nurse assistants, including the application of on-the-job post-certification hours to educational credits.

(f) A skilled nursing or intermediate care facility shall determine the number of specific clinical hours within each module identified by the state department required to meet the requirements of subdivision (d), subject to subdivisions (b) and (c). The facility shall consider the specific hours recommended by the state department when adopting the certification training program required by this chapter.

(g) This article shall not apply to a program conducted by any church or denomination for the purpose of training the adherents of the church or denomination in the care of the sick in accordance with its religious tenets.

(h) The Chancellor of the California Community Colleges shall provide to the state department a standard process for approval of college credit. The state department shall make this information available to all training programs in the state.

SEC. 11. Section 1417.15 of the Health and Safety Code is amended to read:

1417.15. (a) (1) If one or more of the following remedies is actually imposed for violation of state or federal requirements, the long-term health care facility shall post a notice of the imposed remedy or remedies, in the form specified in subdivision (c), on all doors providing ingress to or egress from the facility, except as specified in paragraph (2):

(A) License suspension.

(B) Termination of certification for Medicare or Medi-Cal.

(C) Denial of payment by Medicare or Medi-Cal for all otherwise eligible residents.

(D) Denial of payment by Medicare or Medi-Cal for otherwise eligible incoming residents.

(E) Ban on admission of any type.

(2) For purposes of this subdivision, a distinct part nursing facility shall only be required to post the notice on all main doors providing

ingress to or egress from the distinct part, and not on all of the doors providing ingress to or egress from the facility. An intermediate care facility/developmentally disabled habilitative and an intermediate care facility/developmentally disabled-nursing shall post this notice on the inside of all doors providing ingress to or egress from the facility.

(b) A violation of the requirement of subdivision (a) shall be issued and enforced in the manner of a class ''B'' violation.

(c) The form of the notice established pursuant to subdivision (a) shall be entitled ''Notice of Violation Remedies.'' Each notice shall list the remedy or remedies imposed, as set forth in subdivision (a), and shall include the date the remedy was imposed. The notice shall be typeset on white bond paper, 8 $^{1}/_{2}$ x 11 inches in size, in boldface black type in a 16-point sans serif type font. A facility may remove the notice on or after the date on which the sanction is lifted.

SEC. 12. Section 1417.3 of the Health and Safety Code is amended to read:

1417.3. The department shall promote quality of care and quality of life for residents, clients, and patients in long-term health care facility services through specific activities that include, but are not limited to, all of the following:

(a) Research and evaluation of innovative facility resident care models.

(b) (1) Provision of statewide training on effective facility practices.

(2) Training also shall include topics related to the provision of quality of care and quality of life for facility residents. The topics for training shall be identified by the department through a periodic survey. The curriculum for the training provided under this paragraph shall be developed in consultation with representatives from provider associations, consumer associations, and others, as deemed appropriate by the state department.

(c) The establishment of separate units to respond to facility requests for technical assistance regarding licensing and certification requirements, compliance with federal and state standards, and related operational issues.

(d) State employees providing technical assistance to facilities pursuant to this section are only required to report violations they discover during the provision of the assistance to the appropriate district office if the violations constitute an immediate and serious threat to the health and welfare of, or have resulted in actual harm to, patients, residents, or clients of the facility.

(e) The state department shall measure facility satisfaction and the effectiveness of the technical assistance provided pursuant to subdivision (c).

(f) No person employed in the technical assistance or training units under subdivisions (b) and (c) shall also participate in the licensing, surveying, or direct regulation of facilities.

(g) This section shall not diminish the department's ongoing survey and enforcement process.

SEC. 13. Section 1420 of the Health and Safety Code is amended to read:

1420. (a) (1) Upon receipt of a written or oral complaint, the state department shall assign an inspector to make a preliminary review of the complaint and shall notify the complainant within two working days of the receipt of the complaint of the name of the inspector. Unless the state department determines that the complaint is willfully intended to harass a licensee or is without any reasonable basis, it shall make an onsite inspection or investigation within 10 working days of the receipt of the complaint. In any case in which the complaint involves a threat of imminent danger of death or serious bodily harm, the state department shall make an onsite inspection or investigation within 24 hours of the receipt of the complaint. In any event, the complainant shall be promptly informed of the state department's proposed course of action and of the opportunity to accompany the inspector on the inspection or investigation of the facility. Upon the request of either the complainant or the state department, the complainant or his or her representative, or both, may be allowed to accompany the inspector to the site of the alleged violations during his or her tour of the facility, unless the inspector determines that the privacy of any patient would be violated thereby.

(2) When conducting an onsite inspection or investigation pursuant to this section, the state department shall collect and evaluate all available evidence and may issue a citation based upon, but not limited to, all of the following:

(A) Observed conditions.

(B) Statements of witnesses.

(C) Facility records.

(3) Within 10 working days of the completion of the complaint investigation, the state department shall notify the complainant and licensee in writing of the department's determination as a result of the inspection or investigation.

(b) Upon being notified of the state department's determination as a result of the inspection or investigation, a complainant who is dissatisfied with the state department's determination, regarding a matter which would pose a threat to the health, safety, security, welfare, or rights of a resident, shall be notified by the state department of the right to an informal conference, as set forth in this section. The complainant may, within five business days after receipt of the notice,

notify the director in writing of his or her request for an informal conference. The informal conference shall be held with the designee of the director for the county in which the long-term health care facility which is the subject of the complaint is located. The long-term health care facility may participate as a party in this informal conference. The director's designee shall notify the complainant and licensee of his or her determination within 10 working days after the informal conference and shall apprise the complainant and licensee in writing of the appeal rights provided in subdivision (c).

(c) If the complainant is dissatisfied with the determination of the director's designee in the county in which the facility is located, the complainant may, within 15 days after receipt of this determination, notify in writing the Deputy Director of the Licensing and Certification Division of the state department, who shall assign the request to a representative of the Complainant Appeals Unit for review of the facts that led to both determinations. As a part of the Complainant Appeals Unit's independent investigation, and at the request of the complainant, the representative shall interview the complainant in the district office where the complaint was initially referred. Based upon this review, the Deputy Director of the Licensing and Certification Division of the state department shall make his or her own determination and notify the complainant and the facility within 30 days.

(d) Any citation issued as a result of a conference or review provided for in subdivision (b) or (c) shall be issued and served upon the facility within three working days of the final determination, unless the licensee agrees in writing to an extension of this time. Service shall be effected either personally or by registered or certified mail. A copy of the citation shall also be sent to each complainant by registered or certified mail.

(e) A miniexit conference shall be held with the administrator or his or her representative upon leaving the facility at the completion of the investigation to inform him or her of the status of the investigation. The department shall also state the items of noncompliance and compliance found as a result of a complaint and those items found to be in compliance, provided the disclosure maintains the anonymity of the complainant. In any matter in which there is a reasonable probability that the identity of the complainant will not remain anonymous, the state department shall also notify the facility that it is unlawful to discriminate or seek retaliation against a resident, employee, or complainant.

(f) For purposes of this section, ''complaint'' means any oral or written notice to the state department, other than a report from the facility of an alleged violation of applicable requirements of state or federal law or any alleged facts that might constitute such a violation.

SEC. 14. Section 1421.1 of the Health and Safety Code is amended to read:

1421.1. (a) Within 24 hours of the occurrence of any of the events specified in subdivision (b), the licensee of a skilled nursing facility shall notify the department of the occurrence. This notification may be in written form if it is provided by telephone facsimile or overnight mail, or by telephone with a written confirmation within five calendar days. The information provided pursuant to this subdivision may not be released to the public by the department unless its release is needed to justify an action taken by the department or it otherwise becomes a matter of public record. A violation of this section is a class ''B'' violation.

(b) All of the following occurrences shall require notification pursuant to this section:

(1) The licensee of a facility receives notice that a judgment lien has been levied against the facility or any of the assets of the facility or the licensee.

(2) A financial institution refuses to honor a check or other instrument issued by the licensee to its employees for a regular payroll.

(3) The supplies, including food items and other perishables, on hand in the facility fall below the minimum specified by any applicable statute or regulation.

(4) The financial resources of the licensee fall below the amount needed to operate the facility for a period of at least 45 days based on the current occupancy of the facility. The determination that financial resources have fallen below the amount needed to operate the facility shall be based upon the current number of occupied beds in the facility multiplied by the current daily Medi-Cal reimbursement rate multiplied by 45 days.

(5) The licensee fails to make timely payment of any premiums required to maintain required insurance policies or bonds in effect, or any tax lien levied by any government agency.

SEC. 15. Section 1421.2 of the Health and Safety Code is amended to read:

1421.2. (a) There is hereby established in the state department the Skilled Nursing Facility Financial Solvency Advisory Board.

(b) The board shall be composed of eight members.

The members shall consist of the director, or the director's designee, and seven members appointed by the director.

The seven members appointed by the director may be, but are not necessarily limited to, individuals with training and experience in the following areas or fields:

(1) Medical and health care economics.

(2) Consumer advocacy or representation.

(3) Nursing facility employee organizations.

(4) Accountancy.

(5) Research or actuarial studies in the area of skilled nursing facilities.

(6) Management or administration of skilled nursing facilities.

(c) One of the members appointed by the director shall be a representative of a collective bargaining agent.

(d) The purpose of the board shall be to do all of the following:

(1) Advise the director on matters of financial solvency affecting the delivery of services in skilled nursing facilities.

(2) Develop and recommend to the director financial solvency licensing requirements and standards relating to the operation of skilled nursing facilities.

(3) Periodically monitor and report on the implementation and results of the financial solvency licensing requirements and standards.

(e) The board shall meet at least quarterly and at the call of the chair. In order to preserve the independence of the board, the director shall not serve as chair. The members of the board may establish their own rules and procedures.

(f) All members shall serve without compensation, but shall be reimbursed from department funds for expenses actually and necessarily incurred in the performance of their duties.

(g) For purposes of this section, ''board'' means the Skilled Nursing Facility Financial Solvency Advisory Board.

(h) Financial solvency licensing requirements and standards recommended to the director by the board may be approved by the director after a period of review and comment not to exceed 45 days, for adoption as regulations as proposed or modified under the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). During the director's 45-day review and comment period, the director, in consultation with the board, may postpone the adoption of the licensing requirements and standards pending further review and comment.

(i) The board shall report to the director on or before July 1, 2002, on its recommendations.

(j) This section shall remain in effect only until January 1, 2004, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2004, deletes or extends that date.

SEC. 16. Section 1422.5 of the Health and Safety Code is amended to read:

1422.5. (a) The department shall develop and establish a consumer information service system to provide updated and accurate information to the general public and consumers regarding long-term care facilities in their communities. The consumer information service system shall include, but need not be limited to, all of the following elements:

(1) An on-line inquiry system accessible through a statewide toll-free telephone number and the Internet.

(2) Long-term health care facility profiles, with data on services provided, a history of all citations and complaints for the last two full survey cycles, and ownership information. The profile for each facility shall include, but not be limited to, all of the following:

(A) The name, address, and telephone number of the facility.

(B) The number of units or beds in the facility.

(C) Whether the facility accepts Medicare or Medi-Cal patients.

(D) Whether the facility has a special care unit or program for people with Alzheimer's disease and other dementias, and whether the facility participates in the voluntary disclosure program for special care units.

(E) Whether the facility is a for-profit or not-for-profit provider.

(3) Information regarding substantiated complaints shall include the action taken and the date of action.

(4) Information regarding the state citations assessed shall include the status of the state citation, including the facility's plan or correction, and information as to whether an appeal has been filed.

(5) Any appeal resolution pertaining to a citation or complaint shall be updated on the file in a timely manner.

(b) Where feasible, the department shall interface the consumer information service system with its Automated Certification and Licensure Information Management System.

(c) It is the intent of the Legislature that the department, in developing and establishing the system pursuant to subdivision (a), maximize the use of available federal funds.

(d) (1) Notwithstanding the consumer information service system established pursuant to subdivision (a), by January 1, 2002, the state department shall develop a method whereby information is provided to the public and consumers on long-term health care facilities. The information provided shall include, but not be limited to, all of the following elements:

(A) Substantiated complaints, including the action taken and the date of the action.

(B) State citations assessed, including the status of any citation and whether an appeal has been filed.

(C) State actions, including license suspensions, revocations, and receiverships.

(D) Federal enforcement sanctions imposed, including any denial of payment, temporary management, termination, or civil money penalty of five hundred dollars ($500) or more.

(E) Any information or data beneficial to the public and consumers.

(2) This subdivision shall become inoperative on July 1, 2003.

(e) In implementing this section, the department shall ensure the confidentiality of personal and identifying information of residents and employees and shall not disclose this information through the consumer information service system developed pursuant to this section.

SEC. 17. Section 1423.5 of the Health and Safety Code is amended to read:

1423.5. (a) The state department shall centrally review federal deficiencies and supporting documentation that may require the termination of certification for a nursing facility. The state department shall develop a standardized methodology for conducting the central review of these deficiencies. The standardized methodology shall assess all of the following:

(1) The extent to which the survey team followed established survey protocols.

(2) The thoroughness of the investigation or review.

(3) The quality of documentation.

(4) The consistency in interpreting federal requirements.

(b) The state department shall develop a system for tracking patterns and a quality assurance process for preventing, detecting, and correcting inconsistent or poor quality survey practices.

(c) (1) On or before December 1 of each year, the state department shall provide to the Legislature a summary of federal and state enforcement actions taken against nursing facilities during the previous state fiscal year.

(2) The report summarizing federal and state enforcement actions required under this subdivision shall be combined with the report required under Section 1438 into a single report. The time period for each report shall cover the previous state fiscal year.

SEC. 18. Section 1424 of the Health and Safety Code is amended to read:

1424. Citations issued pursuant to this chapter shall be classified according to the nature of the violation and shall indicate the classification on the face thereof.

(a) In determining the amount of the civil penalty, all relevant facts shall be considered, including, but not limited to, the following:

(1) The probability and severity of the risk that the violation presents to the patient's or resident's mental and physical condition.

(2) The patient's or resident's medical condition.

(3) The patient's or resident's mental condition and his or her history of mental disability or disorder.

(4) The good faith efforts exercised by the facility to prevent the violation from occurring.

(5) The licensee's history of compliance with regulations.

(b) Relevant facts considered by the department in determining the amount of the civil penalty shall be documented by the department on an attachment to the citation and available in the public record. This requirement shall not preclude the department or a facility from introducing facts not listed on the citation to support or challenge the amount of the civil penalty in any proceeding set forth in Section 1428.

(c) Class ''AA'' violations are violations that meet the criteria for a class ''A'' violation and that the state department determines to have been a direct proximate cause of death of a patient or resident of a long-term health care facility. Except as provided in Section 1424.5, a class ''AA'' citation is subject to a civil penalty in the amount of not less than five thousand dollars ($5,000) and not exceeding twenty-five thousand dollars ($25,000) for each citation. In any action to enforce a citation issued under this subdivision, the state department shall prove all of the following:

(1) The violation was a direct proximate cause of death of a patient or resident.

(2) The death resulted from an occurrence of a nature that the regulation was designed to prevent.

(3) The patient or resident suffering the death was among the class of persons for whose protection the regulation was adopted.

If the state department meets this burden of proof, the licensee shall have the burden of proving that the licensee did what might reasonably be expected of a long-term health care facility licensee, acting under similar circumstances, to comply with the regulation. If the licensee sustains this burden, then the citation shall be dismissed.

Except as provided in Section 1424.5, for each class ''AA'' citation within a 12-month period that has become final, the state department shall consider the suspension or revocation of the facility's license in accordance with Section 1294. For a third or subsequent class ''AA'' citation in a facility within that 12-month period that has been sustained following a citation review conference, the state department shall commence action to suspend or revoke the facility's license in accordance with Section 1294.

(d) Class ''A'' violations are violations which the state department determines present either (1) imminent danger that death or serious harm to the patients or residents of the long-term health care facility would result therefrom, or (2) substantial probability that death or serious physical harm to patients or residents of the long-term health care facility would result therefrom. A physical condition or one or more practices, means, methods, or operations in use in a long-term health care facility may constitute a class ''A'' violation. The condition or practice constituting a class ''A'' violation shall be abated or eliminated immediately, unless a fixed period of time, as determined by the state

department, is required for correction. Except as provided in Section 1424.5, a class ''A'' citation is subject to a civil penalty in an amount not less than one thousand dollars ($1,000) and not exceeding ten thousand dollars ($10,000) for each and every citation.

If the state department establishes that a violation occurred, the licensee shall have the burden of proving that the licensee did what might reasonably be expected of a long-term health care facility licensee, acting under similar circumstances, to comply with the regulation. If the licensee sustains this burden, then the citation shall be dismissed.

(e) Class ''B'' violations are violations that the state department determines have a direct or immediate relationship to the health, safety, or security of long-term health care facility patients or residents, other than class ''AA'' or ''A'' violations. Unless otherwise determined by the state department to be a class ''A'' violation pursuant to this chapter and rules and regulations adopted pursuant thereto, any violation of a patient's rights as set forth in Sections 72527 and 73523 of Title 22 of the California Code of Regulations, that is determined by the state department to cause or under circumstances likely to cause significant humiliation, indignity, anxiety, or other emotional trauma to a patient is a class ''B'' violation. A class ''B'' citation is subject to a civil penalty in an amount not less than one hundred dollars ($100) and not exceeding one thousand dollars ($1,000) for each and every citation. A class ''B'' citation shall specify the time within which the violation is required to be corrected. If the state department establishes that a violation occurred, the licensee shall have the burden of proving that the licensee did what might reasonably be expected of a long-term health care facility licensee, acting under similar circumstances, to comply with the regulation. If the licensee sustains this burden, then the citation shall be dismissed.

In the event of any citation under this paragraph, if the state department establishes that a violation occurred, the licensee shall have the burden of proving that the licensee did what might reasonably be expected of a long-term health care facility licensee, acting under similar circumstances, to comply with the regulation. If the licensee sustains this burden, then the citation shall be dismissed.

(f) (1) Any willful material falsification or willful material omission in the health record of a patient of a long-term health care facility is a violation.

(2) ''Willful material falsification,'' as used in this section, means any entry in the patient health care record pertaining to the administration of medication, or treatments ordered for the patient, or pertaining to services for the prevention or treatment of decubitus ulcers or contractures, or pertaining to tests and measurements of vital signs, or notations of input and output of fluids, that was made with the

knowledge that the records falsely reflect the condition of the resident or the care or services provided.

(3) ''Willful material omission,'' as used in this section, means the willful failure to record any untoward event that has affected the health, safety, or security of the specific patient, and that was omitted with the knowledge that the records falsely reflect the condition of the resident or the care or services provided.

(g) Except as provided in subdivision (a) of Section 1425.5, a violation of subdivision (f) may result in a civil penalty not to exceed ten thousand dollars ($10,000), as specified in paragraphs (1) to (3), inclusive.

(1) The willful material falsification or willful material omission is subject to a civil penalty of not less than two thousand five hundred dollars ($2,500) or more than ten thousand dollars ($10,000) in instances where the health care record is relied upon by a health care professional to the detriment of a patient by affecting the administration of medications or treatments, the issuance of orders, or the development of plans of care. In all other cases, violations of this subdivision are subject to a civil penalty not exceeding two thousand five hundred dollars ($2,500).

(2) Where the penalty assessed is one thousand dollars ($1,000) or less, the violation shall be issued and enforced, except as provided in this subdivision, in the same manner as a class ''B'' violation, and shall include the right of appeal as specified in Section 1428. Where the assessed penalty is in excess of one thousand dollars ($1,000), or for skilled nursing facilities or intermediate care facilities as specified in paragraphs (1) and (2) of subdivision (a) of Section 1418, in excess of two thousand dollars ($2,000), the violation shall be issued and enforced, except as provided in this subdivision, in the same manner as a class ''A'' violation, and shall include the right of appeal as specified in Section 1428.

Nothing in this section shall be construed as a change in previous law enacted by Chapter 11 of the Statutes of 1985 relative to this paragraph, but merely as a clarification of existing law.

(3) Nothing in this subdivision shall preclude the state department from issuing a class ''A'' or class ''B'' citation for any violation that meets the requirements for that citation, regardless of whether the violation also constitutes a violation of this subdivision. However, no single act, omission, or occurrence may be cited both as a class ''A'' or class ''B'' violation and as a violation of this subdivision.

(h) Where the licensee has failed to post the notices as required by Section 9718 of the Welfare and Institutions Code in the manner required under Section 1422.6, the state department shall assess the licensee a civil penalty in the amount of one hundred dollars ($100) for each day

the failure to post the notices continues. Where the total penalty assessed is less than two thousand dollars ($2,000), the violation shall be issued and enforced in the same manner as a class ''B'' violation, and shall include the right of appeal as specified in Section 1428. Where the assessed penalty is equal to or in excess of two thousand dollars ($2,000), the violation shall be issued and enforced in the same manner as a class ''A'' violation and shall include the right of appeal as specified in Section 1428. Any fines collected pursuant to this subdivision shall be used to fund the costs incurred by the California Department of Aging in producing and posting the posters.

(i) The director shall prescribe procedures for the issuance of a notice of violation with respect to violations having only a minimal relationship to patient safety or health.

(j) The department shall provide a copy of all citations issued under this section to the affected residents whose treatment was the basis for the issuance of the citation, to the affected residents' designated family member or representative of each of the residents, and to the complainant if the citation was issued as a result of a complaint.

(k) Nothing in this section is intended to change existing statutory or regulatory requirements governing the ability of a licensee to contest a citation pursuant to Section 1428.

(*l*) The department shall ensure that district office activities performed under Sections 1419 to 1424, inclusive, are consistent with the requirements of these sections and all applicable laws and regulations. To ensure the integrity of these activities, the department shall establish a statewide process for the collection of postsurvey evaluations from affected facilities.

SEC. 19. Section 1428.1 of the Health and Safety Code is amended to read:

1428.1. Except as provided in subdivision (b) of Section 1424.5, a licensee may, in lieu of contesting a citation pursuant to Section 1428, transmit to the state department the minimum amount specified by law, or 65 percent of the amount specified in the citation, whichever is greater, for each violation within 15 business days after the issuance of the citation.

SEC. 20. Section 1432 of the Health and Safety Code is amended to read:

1432. (a) No licensee shall discriminate or retaliate in any manner against any complainant, or any patient or employee in its long-term health care facility, on the basis or for the reason that the complainant, patient, employee, or any other person has presented a grievance or complaint, or has initiated or cooperated in any investigation or proceeding of any governmental entity relating to care, services, or conditions at that facility. A licensee who violates this section is subject

to a civil penalty of no more than ten thousand dollars ($10,000), to be assessed by the director and collected in the manner provided in Section 1430.

(b) Any attempt to expel a patient from a long-term health care facility, or any type of discriminatory treatment of a patient by whom, or upon whose behalf, a grievance or complaint has been submitted, directly or indirectly, to any governmental entity or received by a long-term health care facility administrator or any proceeding instituted under or related to this chapter within 180 days of the filing of the complaint or the institution of the action, shall raise a rebuttable presumption that the action was taken by the licensee in retaliation for the filing of the complaint.

(c) Any attempt to terminate the employment, or other discriminatory treatment, of any employee who has presented a grievance or complaint or has initiated, participated, or cooperated in any investigation or proceeding of any governmental entity as specified in subdivision (a), and where the facility or licensee had knowledge of the employee's initiation, participation, or cooperation, shall raise a rebuttable presumption that the action was taken by the licensee in retaliation if it occurs within 120 days of the filing of the grievance or complaint, or the institution of the action.

(d) Presumptions provided for in subdivisions (b) and (c) shall be presumptions affecting the burden of producing evidence as provided in Section 603 of the Evidence Code.

(e) Where the civil penalty assessed is one thousand dollars ($1,000) or less, the violation shall be issued and enforced in the same manner as a class ''B'' violation, except in no case shall the penalty be trebled. Where the civil penalty assessed is in excess of one thousand dollars ($1,000), the violation shall be issued and enforced in the same manner as a class ''A'' violation, except in no case shall the penalty be trebled.

(f) Any person who willfully violates this section is guilty of an infraction punishable by a fine of not more than ten thousand dollars ($10,000).

(g) A licensee who violates this section is subject to a civil penalty or a criminal fine, but not both.

(h) Each long-term health care facility shall prominently post in a facility location accessible to staff, patients, and visitors written notice of the right to request an inspection pursuant to Section 1419, the procedure for doing so, including the right to remain anonymous, and the prohibition against retaliation.

(i) For purposes of this section, ''complainant'' means any person who has filed a complaint, as defined in Section 1420.

SEC. 21. Section 1437.5 of the Health and Safety Code is amended to read:

1437.5. (a) If a facility is certified to participate in the federal Medicare program as a skilled nursing facility under Title XVIII of the Social Security Act, in the medicaid program as a nursing facility under Title XIX of the Social Security Act, or in both and any of the following occurs, the state department may rescind its regular license to operate and issue a provisional license under Section 1437:

(1) The facility's provider agreement is terminated, by the federal government or the department.

(2) A temporary manager is appointed, under federal law, to operate it.

(3) Payment becomes due on a federal civil money penalty of seven thousand dollars ($7,000) per day, or greater, imposed on it.

(4) A federal civil monetary penalty of any amount is imposed and has continued for a period of 30 days or more.

(5) A federal civil monetary penalty of any amount is imposed and has accrued in an amount equal to, or greater than, thirty-five thousand dollars ($35,000).

(b) The state department may not take action pursuant to subdivision (a) until a final administrative decision is issued if the facility has requested a hearing pursuant to federal law, until a facility has waived its right to a hearing under federal law, or until the time for requesting a hearing under federal law has expired and a hearing request was not received by federal authorities.

(c) If a receiver or temporary manager is appointed to operate a skilled nursing facility or an intermediate care facility, specified in paragraphs (1) and (2) of subdivision (a) of Section 1418, pursuant to state law, or as otherwise specified in regulations adopted by the department, the state department may rescind its regular license to operate and issue a provisional license under this section.

(d) (1) A provisional license issued pursuant to this section shall terminate six months from the date of issuance unless extended by the department.

(2) At least 30 days prior to the termination of a provisional license, the department shall give the facility a full and complete inspection. If, at the time of the inspection, it is determined that the facility meets all applicable requirements for licensure, a regular license shall be restored. If, at the time of the inspection, it is determined that the facility does not meet the requirements for licensure, but the facility has made substantial progress towards meeting the requirements, as determined by the department, the provisional license shall be renewed for six months. If, at the time of the first inspection, the department determines that there has not been substantial progress towards meeting the requirements for licensure, or, if at any subsequent inspection the department determines that there has not been substantial progress towards meeting

requirements identified at the most recent previous inspection, a regular license shall not be issued.

(e) The facility may request a hearing in writing within 10 days of the receipt of notice from the department denying a regular license under this section. The provisional license shall remain in effect during the pendency of the hearing. The hearing shall be held in accordance with Section 100171. The hearing officer shall uphold the denial of a regular license if the department proves, by a preponderance of the evidence, that the licensee did not meet the requirements for licensure.

SEC. 22. Section 1438 of the Health and Safety Code is amended to read:

1438. The state department shall review the effectiveness of the enforcement system in maintaining the quality of care provided by long-term health care facilities and shall submit a report thereon to the Legislature on enforcement activities, on or before December 1, 2001, and annually thereafter, together with any recommendations of the state department for additional legislation which it deems necessary to improve the effectiveness of the enforcement system or to enhance the quality of care provided by long-term health care facilities. This report shall be combined with the report required under Section 1423.5 into a single report. The time period for each report shall cover the previous state fiscal year.

SEC. 23. Section 14110.7 of the Welfare and Institutions Code is amended to read:

14110.7. (a) The director shall adopt regulations increasing the minimum number of equivalent nursing hours per patient required in skilled nursing facilities to 3.2, in skilled nursing facilities with special treatment programs to 2.3, in intermediate care facilities to 1.1, and in intermediate care facilities/developmentally disabled to 2.7.

(b) (1) The director shall adopt regulations that shall establish the minimum number of equivalent nursing hours per patient required in the following, for the first year of implementation of the first year of rates established pursuant to this article:

(A) 2.6 hours for skilled nursing facilities.

(B) 1.9 hours for skilled nursing facilities with special treatment programs.

(C) 0.9 hours for intermediate care facilities.

(D) 2.2 hours for intermediate care facilities/developmentally disabled.

(2) The staffing standards established by paragraph (1) shall become effective concurrently with the establishment of the first reimbursement rates under this article.

(3) The director shall adopt regulations that establish the minimum number of equivalent nursing hours per patient required in skilled

nursing facilities at 2.7 for the second year of implementation of rates established pursuant to this article.

(c) (1) The Legislature finds and declares all of the following:

(A) The one-year transition phase from 2.6 to 2.7 equivalent nursing hours allows ample time to restructure staffing.

(B) The 4 percent augmentation to reimburse for direct patient care, as defined in paragraph (2) of subdivision (b) of Section 14126.60, provides funds to cover additional expenses, if any, incurred by facilities to implement this staffing standard.

(2) Subject to the appropriation of sufficient funds, the department may adopt regulations to increase the minimum number of equivalent nursing hours required of facilities subject to this section per patient beyond 2.7 nursing hours per patient day.

(d) (1) The department shall identify those skilled nursing facilities that are in compliance with the 3.0 minimum double nursing hour standards, as defined in subdivision (a) of Section 1276.5 of the Health and Safety Code, but have actual staffing ratios below 2.5, as of July 1, 1990, and shall not enforce the 2.7 equivalent nursing hours with respect to those facilities until the third year of implementation of the rates established under this article.

(2) The department shall periodically review facilities that have actual staffing ratios described in paragraph (1) to ensure that they are making sufficient progress toward 2.7 hours.

(e) Notwithstanding paragraph (1) of subdivision (d), commencing January 1, 2000, the minimum number of nursing hours per patient day required in skilled nursing facilities shall be 3.2, without regard to the doubling of nursing hours as described in paragraph (1) of subdivision (b) of Section 1276.5 of the Health and Safety Code, and except as set forth in Section 1276.9 of the Health and Safety Code.

SEC. 23. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 686

An act to amend Section 11155.5 of the Welfare and Institutions Code, relating to human services.

[Approved by Governor October 10, 2001. Filed with
Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 11155.5 of the Welfare and Institutions Code is amended to read:

11155.5. (a) In addition to the personal property permitted by other provisions of this part, a child declared a ward or dependent child of the juvenile court, who is age 16 years or older, may retain resources with a combined value of not more than ten thousand dollars ($10,000), consistent with Section 472(a) of the federal Social Security Act (42 U.S.C. Sec. 672(a)) as contained in the federal Foster Care Independence Act of 1999 (P.L. 106-169) and the child's transitional independent living plan. Any cash savings shall be the child's own money and shall be deposited by the child or on behalf of the child in any bank or savings and loan institution whose deposits are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation. The cash savings shall be for the child's use for purposes directly related to emancipation pursuant to Part 6 (commencing with Section 7000) of Division 11 of the Family Code.

(b) The withdrawal of the savings shall require the written approval of the child's probation officer or social worker and shall be directly related to the goal of emancipation.

SEC. 2. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 687

An act to amend Sections 101, 144, and 205 of, and to repeal Chapter 8.5 (commencing with Section 3901) of Division 2 of, the Business and Professions Code, to add Chapter 2.35 (commencing with Section 1416) to Division 2 of, and to repeal Section 1429.5 of, the Health and Safety Code, relating to nursing homes, and making an appropriation therefor.

[Approved by Governor October 10, 2001. Filed with
Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 101 of the Business and Professions Code is amended to read:

101. The department is comprised of:

(a) The Dental Board of California.
(b) The Medical Board of California.
(c) The State Board of Optometry.
(d) The California State Board of Pharmacy.
(e) The Veterinary Medical Board.
(f) The California Board of Accountancy.
(g) The California Architects Board.
(h) The Barbering and Cosmetology Program.
(i) The Board for Professional Engineers and Land Surveyors.
(j) The Contractors' State License Board.
(k) The Funeral Directors and Embalmers Program.
(*l*) The Structural Pest Control Board.
(m) The Bureau of Home Furnishings and Thermal Insulation.
(n) The Board of Registered Nursing.
(o) The Board of Behavioral Sciences.
(p) The State Athletic Commission.
(q) The Cemetery Program.
(r) The State Board of Guide Dogs for the Blind.
(s) The Bureau of Security and Investigative Services.
(t) The Court Reporters Board of California.
(u) The Board of Vocational Nursing and Psychiatric Technicians.
(v) The Landscape Architects Technical Committee.
(w) The Bureau of Electronic and Appliance Repair.
(x) The Division of Investigation.
(y) The Bureau of Automotive Repair.
(z) The State Board of Registration for Geologists and Geophysicists.
(aa) The Respiratory Care Board of California.
(ab) The Acupuncture Board.
(ac) The Board of Psychology.
(ad) The California Board of Podiatric Medicine.
(ae) The Physical Therapy Board of California.
(af) The Arbitration Review Program.
(ag) The Committee on Dental Auxiliaries.
(ah) The Hearing Aid Dispensers Advisory Commission.
(ai) The Physician Assistant Committee.
(aj) The Speech-Language Pathology and Audiology Board.
(ak) The Tax Preparers Program.
(a*l*) The California Board of Occupational Therapy.

(am) Any other boards, offices, or officers subject to its jurisdiction by law.

SEC. 1.5. Section 101 of the Business and Professions Code is amended to read:

101. The department is comprised of:

(a) The Dental Board of California.

(b) The Medical Board of California.

(c) The State Board of Optometry.

(d) The California State Board of Pharmacy.

(e) The Veterinary Medical Board.

(f) The California Board of Accountancy.

(g) The California Architects Board.

(h) The Bureau of Barbering and Cosmetology.

(i) The Board for Professional Engineers and Land Surveyors.

(j) The Contractors' State License Board.

(k) The Bureau for Private Postsecondary and Vocational Education.

(*l*) The Structural Pest Control Board.

(m) The Bureau of Home Furnishings and Thermal Insulation.

(n) The Board of Registered Nursing.

(o) The Board of Behavioral Sciences.

(p) The State Athletic Commission.

(q) The Cemetery and Funeral Bureau.

(r) The State Board of Guide Dogs for the Blind.

(s) The Bureau of Security and Investigative Services.

(t) The Court Reporters Board of California.

(u) The Board of Vocational Nursing and Psychiatric Technicians.

(v) The Landscape Architects Technical Committee.

(w) The Bureau of Electronic and Appliance Repair.

(x) The Division of Investigation.

(y) The Bureau of Automotive Repair.

(z) The State Board of Registration for Geologists and Geophysicists.

(aa) The Respiratory Care Board of California.

(ab) The Acupuncture Board.

(ac) The Board of Psychology.

(ad) The California Board of Podiatric Medicine.

(ae) The Physical Therapy Board of California.

(af) The Arbitration Review Program.

(ag) The Committee on Dental Auxiliaries.

(ah) The Hearing Aid Dispensers Bureau.

(ai) The Physician Assistant Committee.

(aj) The Speech-Language Pathology and Audiology Board.

(ak) The California Board of Occupational Therapy.

(a*l*) The Osteopathic Medical Board of California.

(am) Any other boards, offices, or officers subject to its jurisdiction by law.

SEC. 2. Section 144 of the Business and Professions Code is amended to read:

144. (a) Notwithstanding any other provision of law, an agency designated in subdivision (b) shall require an applicant to furnish to the agency a full set of fingerprints for purposes of conducting criminal history record checks. Any agency designated in subdivision (b) may obtain and receive, at its discretion, criminal history information from the Department of Justice and the United States Federal Bureau of Investigation.

(b) Subdivision (a) applies to the following boards or committees:

(1) California Board of Accountancy.

(2) State Athletic Commission.

(3) Board of Behavioral Sciences.

(4) Court Reporters Board of California.

(5) State Board of Guide Dogs for the Blind.

(6) California State Board of Pharmacy.

(7) Board of Registered Nursing.

(8) Veterinary Medical Board.

(9) Registered Veterinary Technician Committee.

(10) Board of Vocational Nursing and Psychiatric Technicians.

(11) Respiratory Care Board of California.

(12) Hearing Aid Dispensers Advisory Commission.

(13) Physical Therapy Board of California.

(14) Physician Assistant Committee of the Medical Board of California.

(15) Speech-Language Pathology and Audiology Board.

(16) Medical Board of California.

(17) State Board of Optometry.

(18) Acupuncture Board.

(19) Cemetery and Funeral Programs.

(20) Bureau of Security and Investigative Services.

(21) Division of Investigation.

(22) Board of Psychology.

(23) The California Board of Occupational Therapy.

SEC. 3. Section 205 of the Business and Professions Code is amended to read:

205. (a) There is in the State Treasury the Professions and Vocations Fund. The fund shall consist of the following special funds:

(1) Accountancy Fund.

(2) California Board of Architectural Examiners' Fund.

(3) Athletic Commission Fund.

(4) Barbering and Cosmetology Contingent Fund.

(5) Cemetery Fund.
(6) Contractors' License Fund.
(7) State Dentistry Fund.
(8) State Funeral Directors and Embalmers Fund.
(9) Guide Dogs for the Blind Fund.
(10) Bureau of Home Furnishings and Thermal Insulation Fund.
(11) California Board of Architectural Examiners-Landscape Architects Fund.
(12) Contingent Fund of the Medical Board of California.
(13) Optometry Fund.
(14) Pharmacy Board Contingent Fund.
(15) Physical Therapy Fund.
(16) Private Investigator Fund.
(17) Professional Engineers' and Land Surveyors' Fund.
(18) Consumer Affairs Fund.
(19) Behavioral Sciences Fund.
(20) Licensed Midwifery Fund.
(21) Court Reporters' Fund.
(22) Structural Pest Control Fund.
(23) Veterinary Medical Board Contingent Fund.
(24) Vocational Nurses Account of the Vocational Nursing and Psychiatric Technicians Fund.
(25) State Dental Auxiliary Fund.
(26) Electronic and Appliance Repair Fund.
(27) Geology and Geophysics Fund.
(28) Dispensing Opticians Fund.
(29) Acupuncture Fund.
(30) Hearing Aid Dispensers Fund.
(31) Physician Assistant Fund.
(32) Board of Podiatric Medicine Fund.
(33) Psychology Fund.
(34) Respiratory Care Fund.
(35) Speech-Language Pathology and Audiology Fund.
(36) Board of Registered Nursing Fund.
(37) Psychiatric Technician Examiners Account of the Vocational Nursing and Psychiatric Technicians Fund.
(38) Animal Health Technician Examining Committee Fund.
(39) Structural Pest Control Education and Enforcement Fund.
(40) Structural Pest Control Research Fund.

(b) For accounting and recordkeeping purposes, the Professions and Vocations Fund shall be deemed to be a single special fund, and each of the several special funds therein shall constitute and be deemed to be a separate account in the Professions and Vocations Fund. Each account

or fund shall be available for expenditure only for the purposes as are now or may hereafter be provided by law.

SEC. 4. Chapter 8.5 (commencing with Section 3901) of Division 2 of the Business and Professions Code is repealed.

SEC. 5. Chapter 2.35 (commencing with Section 1416) is added to Division 2 of the Health and Safety Code, to read:

CHAPTER 2.35. NURSING HOME ADMINISTRATOR PROGRAM

Article 1. General Provisions

1416. This chapter shall be known and may be cited as the Nursing Home Administrators' Act.

1416.1 There is hereby established in the State Department of Health Services a Nursing Home Administrator Program (NHAP), which shall license and regulate nursing home administrators.

1416.2. (a) The following definitions shall apply to this chapter:

(1) ''Department'' means the State Department of Health Services.

(2) ''NHAP'' or ''program'' means the Nursing Home Administrator Program.

(3) ''State'' means California, unless applied to the different parts of the United States. In this latter case, ''state'' includes the District of Columbia and the territories.

(4) ''Nursing home'' means any institution, facility, place, building, or agency, or portion thereof, licensed as a skilled nursing facility, intermediate care facility, or intermediate care facility/developmentally disabled, as defined in Chapter 2 (commencing with Section 1250). ''Nursing home'' also means an intermediate care facility/developmentally disabled habilitative, intermediate care facility/developmentally disabled-nursing, or congregate living health facility, as defined in Chapter 2 (commencing with Section 1250), if a licensed nursing home administrator is charged with the general administration of the facility.

(5) ''Nursing home administrator'' means an individual educated and trained within the field of nursing home administration who carries out the policies of the licensee of a nursing home and is licensed in accordance with this chapter. The nursing home administrator is charged with the general administration of a nursing home, regardless of whether he or she has an ownership interest and whether the administrator's function or duties are shared with one or more other individuals.

(6) ''Administrator-in-Training Program'' or ''AIT Program'' means a program that is approved by the NHAP in which qualified persons participate under the coordination, supervision, and teaching of a

preceptor, as described in Section 1416.57, who has obtained approval from the NHAP.

(b) Nothing in this section shall be construed to allow the program to have jurisdiction over an administrator of an intermediate care facility/developmentally disabled-nursing or an intermediate care facility/developmentally disabled habilitative, if the administrator of the facility is not using licensure under this chapter to qualify as an administrator in accordance with subdivision (d) of Section 1276.5.

(c) Nothing in this section shall be construed to define an intermediate care facility/developmentally disabled-nursing or an intermediate care facility/developmentally disabled habilitative as a nursing home for purposes other than the licensure of nursing home administrators under this chapter.

1416.4. The program shall adopt rules and regulations that are reasonably necessary to carry out this chapter. The rules and regulations shall be adopted, amended, and repealed in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. To the extent that the regulations governing the nursing home administrator program that are in effect prior to January 1, 2002, are not in conflict with this chapter, they shall remain in effect until new regulations are implemented for purposes of this chapter.

1416.6. (a) It shall be a misdemeanor for any person to act or serve in the capacity of a nursing home administrator, unless he or she is the holder of an active nursing home administrator's license issued in accordance with this chapter. Persons carrying out functions and duties delegated by a licensed nursing home administrator shall not be acting in violation of this chapter.

(b) (1) This chapter shall not apply to any person who serves as an acting administrator as provided in this subdivision when a licensed administrator is not available because of death, illness, or any other reason.

(2) A person who is acting as an administrator shall notify the program in writing within five days of acting in this capacity and provide factual information and specific circumstances necessitating the use of an acting administrator.

(3) No person shall act as an administrator for more than 10 days unless arrangements have been made for part-time supervision of his or her activities by a nursing home administrator who holds a license or provisional license under this chapter. Supervision shall include at least 8 hours per week of direct onsite supervision by the licensed administrator. The program shall be notified in writing of the nature of this arrangement. No person shall act as an administrator for more than two months without the written approval of the program. The program

shall not approve a person to act as an administrator for more than six months.

(4) If the acting administrator is an administrator in training, then the supervision required by paragraph (3) may be counted towards the total hours of supervised training required by subdivision (f) of Section 1416.57.

(c) Notwithstanding subdivision (b), an individual acting as an administrator for more than 10 days must have management experience in a health facility.

Article 2. Administration

1416.10. In conformity with the requirements of Section 1908(c) of the Social Security Act (42 U.S.C. Sec. 1396g(c)), the program shall have all of the following powers and duties:

(a) To develop, impose, and enforce standards that shall be met by individuals in order to receive a license as a nursing home administrator. At a minimum, the standards shall be designed to ensure that nursing home administrators shall be individuals who have not committed acts or crimes constituting grounds for denial of licensure and who are qualified by training or experience in the field of institutional administration to serve as nursing home administrators.

(b) To develop and apply procedures, including examinations and investigations, for determining whether an individual meets the standards.

(c) To issue licenses to individuals who have been determined to meet the standards, and to revoke or suspend licenses where grounds exist for those actions.

(d) To establish and carry out procedures designed to ensure that individuals licensed as nursing home administrators will, during any period that they serve as an administrator, comply with the required standards.

(e) To receive, investigate, and take appropriate action with respect to any charge or complaint filed with the program alleging that an individual licensed as a nursing home administrator has failed to comply with the required standards.

(f) To conduct studies of the administration of nursing homes within the state, with a view to the improvement of the standards imposed for the licensing of nursing home administrators, and of procedures and methods for the enforcement of standards with respect to administrators of nursing homes who have been licensed under this chapter.

(g) To receive and administer all funds and grants as are made available to the program in order to carry out the purposes of this chapter.

(h) To encourage qualified educational institutions and other qualified organizations to establish, provide, and conduct training and instruction programs and courses that will enable all otherwise qualified individuals to attain the qualifications necessary to meet the standards set by the program for licensed nursing home administrators, and to enable licensed nursing home administrators to meet the continuing education requirements for the renewal of their licenses.

(i) To consult with and seek the recommendations of the appropriate statewide professional societies, associations, institutional organizations, and educational institutions in the development of educational programs.

(j) To give due consideration to the recommendations of the National Advisory Council on Nursing Home Administration, in accordance with the provisions of subdivision (f) of Section 1908 of Title XIX of the Social Security Act (42 U.S.C. Sec. 1396g(f)).

1416.12. The following enforcement actions taken by the department against a facility and the name of the licensed administrator of the facility shall be reported to the program.

(a) Temporary suspension orders.

(b) Final decertification from the Medi-Cal or Medicare programs based on failure to meet certification requirements.

(c) Service of an accusation to revoke a facility's license.

(d) All class ''AA'' citations and three class ''A'' citations issued to a facility with the same administrator within a one-calendar year period. The department shall notify the program in the event that citations are overturned or modified in citation review conference, through binding arbitration, or on appeal.

Article 3. Licensing

1416.20. (a) The nursing home administrator licensing examination shall cover the broad aspects of nursing home administration.

(b) Unless otherwise provided in this article, every applicant for an initial license as a nursing home administrator shall pass a nursing home administrator licensing examination, which shall consist of a state and national examination. The state examination shall be held at least four times a year, at a time and place determined by the program. The national examination is computer-based and shall be scheduled by the applicant after the applicant is notified by the program of his or her eligibility to take the examination.

(c) If an applicant for licensure under this article, submits an endorsement certificate from another state indicating that he or she scored at least 75 percent on the national examination, the applicant shall

be required to take only the California state part of the licensing examination. If the applicant scored less than 75 percent on the national examination, he or she shall take both the state and national examination.

1416.22. (a) To qualify for the licensing examination, an applicant must be at least 18 years of age, be a citizen of the United States, be of reputable and responsible character, demonstrate an ability to comply with this chapter, and comply with at least one of the following requirements:

(1) Have a master's degree in nursing home administration or a related health administration field. The master's program in which the degree was obtained must have included an internship or residency of at least 480 hours in a skilled nursing facility or intermediate care facility.

(2) (A) With regard to applicants who have a current valid license as a nursing home administrator in another state and apply for licensure in this state, meet the minimum education requirements that existed in this state at the time the applicant was originally licensed in the other state.

(B) The minimum education requirements that have existed in California are as follows:

Prior to 7/1/73	None
From 7/1/73 to 6/30/74	30 semester units
From 7/1/74 to 6/30/75	45 semester units
From 7/1/75 to 6/30/80	60 semester units
From 7/1/80 to 1/1/02	Baccalaureate degree

(3) A doctorate degree in medicine and a current valid license as a physician and surgeon with 10 years of recent work experience, and the completion of a program-approved AIT Program of at least 1,000 hours.

(4) A baccalaureate degree, and the completion of a program-approved AIT Program of at least 1,000 hours.

(5) Ten years of recent full-time work experience, and a current license, as a licensed registered nurse, and the completion of a program-approved AIT Program of at least 1,000 hours. At least the most recent five years of the 10 years of work experience shall be in a supervisory or director of nursing position.

(6) Ten years of full-time work experience in any department of a skilled nursing facility, an intermediate care facility, or an intermediate care facility developmentally/disabled with at least 60 semester units (or 90 quarter units) of college or university courses, and the completion of a program-approved AIT Program of at least 1,000 hours. At least the most recent five years of the 10 years of work experience shall be in a position as a department manager.

(7) Ten years of full-time hospital administration experience in an acute care hospital with at least 60 semester units (or 90 quarter units)

of college or university courses, and the completion of a program-approved AIT Program of at least 1,000 hours. At least the most recent five years of the 10 years of work experience shall be in a supervisory position.

(8) If the applicant and the preceptor provide compelling evidence that previous work experience of the applicant directly relates to nursing home administrator duties, the program may accept a waiver exception to a portion of the AIT program that requires 1,000 hours.

(b) The applicant shall submit an official transcript that evidences the completion of required college and university courses, degrees, or both. An applicant who applies for the licensing examination on the basis of work experience shall submit a declaration signed under penalty of perjury, verifying his or her work experience. This declaration shall be signed by a licensed nursing home administrator, physician and surgeon, chief of staff, director of nurses, or registered nurse who can attest to the applicant's work experience.

1416.24. (a) An application for a nursing home administrator license shall be submitted to the program on a form provided by the program, with the appropriate nonrefundable fee for any required examination, the application, and licensure. The application shall contain information the program deems necessary to determine the applicant's qualifications and a statement whether the individual has been convicted of any crime other than a minor traffic violation. Each applicant shall meet the current requirements for any required examination and licensure. Applicants for licensure shall submit evidence of electronic transmission of fingerprints or fingerprint cards to the program.

(b) A completed application package, together with the examination application, and licensure fees must be received by the program at least 30 days prior to the examination date.

(c) (1) The withdrawal of an application for a license after it has been filed with the department shall not, unless the department consents in writing to the withdrawal, deprive the department of its authority to institute or continue a proceeding against the applicant for the denial of the license upon any ground provided by law or to enter an order denying the license upon that ground.

(2) The suspension, expiration, or forfeiture by operation of law of a license issued by the department, the suspension, forfeiture, or cancellation by order of the department or a court of law of a license, or the surrender without the written consent of the department of a license, shall not deprive the department of its authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the licensee on any grounds.

(d) An application that is submitted to the program is valid for only one year after the date of receipt. An applicant who fails to meet all requirements for licensure, including successfully passing the national and state examinations during that one-year period, shall be required to submit another application and appropriate application and examination fees to the program before attempting further examinations.

(e) The program may extend the one-year period described in subdivision (d) upon a showing of good cause. For purposes of this subdivision, good causes shall include, but shall not be limited to, delays in the processing of the application, or delays in applying for and taking the examination caused by illness, accident, or other extenuating circumstances.

(f) An applicant shall submit documentation and evidence to the program of his or her eligibility for licensure.

(g) At the time of the examination, the applicant shall read and sign the Examination Security Agreement and comply with its terms.

1416.26. (a) As part of the application process for a nursing home administrator license, an applicant shall submit to the department two sets of completed fingerprint cards for a criminal record clearance through the Department of Justice and the Federal Bureau of Investigation. As an alternative, the applicant may also provide proof of electronic transmission of fingerprints to the Department of Justice and the Federal Bureau of Investigation. Upon receipt of the fingerprints, the Department of Justice and the Federal Bureau of Investigation shall notify the department of the criminal record information. If no criminal record information has been recorded, the Department of Justice and the Federal Bureau of Investigation shall provide the department with a statement of that fact.

(b) This criminal record clearance shall be completed prior to issuing a license. Applicants shall be responsible for any costs associated with the criminal record clearance. The fee to cover the processing costs of the Department of Justice, not including the costs associated with rolling the fingerprint cards, shall not exceed thirty-two dollars ($32) per card for state fingerprints, and shall not exceed twenty-four dollars ($24) per card for federal fingerprints.

1416.28. (a) Notwithstanding any other law, the program shall at the time of application, issuance, or renewal of a nursing home administrator license require that the applicant or licensee provide his or her federal employer identification number or his or her social security number.

(b) Any applicant or licensee failing to provide his or her federal identification number or social security number shall be reported by the program to the Franchise Tax Board and, if failing to provide after notification pursuant to paragraph (1) of subdivision (b) of Section

19528 of the Revenue and Taxation Code, shall be subject to the penalty provided in paragraph (2) of subdivision (b) of Section 19528 of the Revenue and Taxation Code.

(c) In addition to the penalty specified in subdivision (b), the program may not process any application, original license, or renewal of a license unless the applicant or licensee provides his or her federal employer identification number or social security number where requested on the application.

(d) The program shall, upon request of the Franchise Tax Board, furnish to the Franchise Tax Board the following information with respect to every licensee:

(1) Name.

(2) Address or addresses of record.

(3) Federal employer identification number or social security number.

(4) Type of license.

(5) Effective date of license or renewal.

(6) Expiration date of license.

(7) Whether license is active or inactive, if known.

(8) Whether license is new or a renewal.

(e) The reports required under this section shall be filed on magnetic media or in other machine-readable form, according to standards furnished by the Franchise Tax Board.

(f) The program shall provide to the Franchise Tax Board the information required by this section at a time that the Franchise Tax Board may require.

(g) Notwithstanding Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code, the social security number and federal employer identification number furnished pursuant to this section shall not be deemed to be a public record and shall not be open to the public for inspection.

(h) Any deputy, agent, clerk, officer, or employee of the program described in this chapter, any former officer or employee, or other individual who in the course of his or her employment or duty has or has had access to the information required to be furnished under this chapter, may not disclose or make known in any manner that information, except as provided in this section to the Franchise Tax Board or as provided in subdivision (j).

(i) It is the intent of the Legislature in enacting this section to utilize the social security account number or federal employer identification number for the purpose of establishing the identification of persons affected by state tax laws and for purposes of compliance with Section 17520 of the Family Code and, to that end, the information furnished pursuant to this section shall be used exclusively for those purposes.

(j) If the program utilizes a national examination to issue a license, and if a reciprocity agreement or comity exists between California and the state requesting release of the social security number, any deputy, agent, clerk, officer, or employee of the program described in this chapter may release a social security number to an examination or licensing entity, only for the purpose of verification of licensure or examination status.

1416.30. (a) The program shall require compliance with any judgment or order for support prior to issuance or renewal of a license.

(b) Each applicant for the issuance or renewal of a nursing home administrator license, who is not in compliance with a judgment or order for support shall be subject to Section 11350.6 of the Welfare and Institutions Code.

(c) ''Compliance with a judgment or order of support'' has the same meaning as specified in paragraph (4) of subdivision (a) of Section 11350.6 of the Welfare and Institutions Code.

1416.32. (a) Prior to admission to the licensing examination, the applicant shall read and sign an examination security agreement and comply with its terms.

(b) The program may deny, suspend, revoke, or otherwise restrict the license of an applicant or a licensee for any of the following acts:

(1) Having or attempting to have an impersonator take the examination on one's behalf.

(2) Impersonating or attempting to impersonate another to take the examination on that person's behalf.

(3) Communicating or attempting to communicate about the examination content with another examinee or with any person other than the examination staff. This includes divulging the content of specific written examination items to examination preparation providers.

(4) Copying questions or making notes of examination materials or revealing the content of the examination to others who are preparing to take the NHAP examination or who are preparing others to take such examination.

(5) Obstructing or attempting to obstruct the administration of the examination in any way.

(c) It is a misdemeanor for any person to engage in any conduct that subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to, the following conduct:

(1) Conduct that violates the security of the examination materials, removing from the examination room any examination materials without authorization, the unauthorized reproduction by any means of any portion of the actual licensing examination, aiding by any means the

unauthorized reproduction of any portion of the actual licensing examination, paying or using professional or paid examination-takers for the purpose of reconstructing any portion of the licensing examination, obtaining examination questions or other examination material, except by specific authorization either before, during, or after an examination, using or purporting to use any examination questions or materials that were improperly removed or taken from any examination for the purpose of instructing or preparing any applicant for examination, or selling, distributing, buying, receiving, or having unauthorized possession of any portion of a future, current, or previously administered licensing examination.

(2) Communicating with any other candidate during the administration of a licensing examination, copying answers from another examinee or permitting one's answers to be copied by another examinee, having in one's possession during the administration of the licensing examination any books, equipment, notes, written or printed materials, or data of any kind, other than the examination materials distributed, or otherwise authorized to be in one's possession during the examination, or impersonating any examinee or having an impersonator take the licensing examination on one's behalf.

(d) Nothing in this section shall preclude prosecution under the authority provided for in any other provision of law.

(e) In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars ($10,000) and the costs of litigation.

(f) The proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure.

(g) The remedy provided for by this section shall be in addition to, and not a limitation on, the authority provided for in any other provision of law.

1416.34. (a) (1) In order to have a passing score on either the national or state examination, an examinee shall earn a score of at least 75 percent.

(2) An applicant who fails to pass either the national or state examination shall retake the entire national or state examination.

(3) An applicant who fails to pass either the state or national examination after three attempts shall receive additional training as outlined by the program from a program-approved preceptor, prior to participating in another examination.

(b) The examination shall be administered and evaluated by either of the following:

(1) The department.

(2) A contractor or vendor pursuant to a written agreement with the program or department.

(c) The results of the examination shall be provided to each applicant in a timely manner, not to exceed 90 days from the date of the examination.

(d) The program shall issue a license to an applicant who successfully passes the required examination and has satisfied all other requirements for licensure.

(e) A license shall be effective for a period of two years from the date of issuance.

(f) The program shall issue a provisional license to candidates who meet the provisional licensure requirements established by this chapter.

(g) The program shall replace a lost, damaged, or destroyed license certificate upon receipt of a written request from a licensee and payment of the duplicate license fee. A licensee shall complete a request for a duplicate license on the required program form, and then submit it to the program.

(h) A licensee shall inform the program of the licensee's current home address, mailing address, and if employed by a nursing facility, the name and address of that employer. A licensee shall report a change in any of this information to the program within 30 calendar days. Failure of the licensee to provide timely notice to the program may result in a citation penalty. A licensee shall provide to the program an address to be included in the public files.

(i) A licensee shall display his or her license and show to anyone upon request in order to inform patients or the public as to the identity of the regulatory agency that they may contact if they have questions or complaints regarding the licensee.

1416.36. (a) The fees prescribed by this chapter are as follows:

(1) The application fee for reviewing an applicant's eligibility to take the examination shall be twenty-five dollars ($25).

(2) The application fee for persons applying for reciprocity consideration licensure under Section 1416.40 shall be fifty dollars ($50).

(3) The application fee for persons applying for the AIT Program shall be one hundred dollars ($100).

(4) The examination fees shall be:

(A) Two hundred seventy-five dollars ($275) for an automated national examination.

(B) Two hundred ten dollars ($210) for an automated state examination or one hundred forty dollars ($140) for a written state examination.

(5) The fee for an initial license shall be one hundred ninety dollars ($190).

(6) The renewal fee for an active or inactive license shall be one hundred ninety dollars ($190).

(7) The delinquency fee shall be fifty dollars ($50).

(8) The duplicate license fee shall be twenty-five dollars ($25).

(9) The fee for a provisional license shall be two hundred fifty dollars ($250).

(10) The fee for endorsement of credentials to the licensing authority of another state shall be twenty-five dollars ($25).

(11) The preceptor certification fee shall be fifty dollars ($50) for each three-year period.

(12) The biennial fee for approval of a continuing education provider shall be one hundred fifty dollars ($150).

(13) The biennial fee for approval of a continuing education course shall be not more than fifteen dollars ($15).

(b) Commencing July 1, 2002, fees provided in this section shall be adjusted annually, as directed by the Legislature in the annual Budget Act. The proposed adjustment in the examination fees shall not exceed the increase in the California Consumer Price Index, except as provided in subdivision (d). The department shall provide an annual fiscal year program fee report to the Legislature each April 1, commencing on April 1, 2002.

(c) The department shall, by July 30 of each year, publish a list of actual numerical fee charges as adjusted pursuant to this section. This adjustment of fees and the publication of the fee list shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

(d) If the revenue projected to be collected is less than the projected costs for the budget year, the department may propose that fees be adjusted by not more than twice the increase in the Consumer Price Index.

1416.38. (a) The Nursing Home Administrator's State License Examining Board Fund in the Professions and Vocations Fund in the State Treasury is hereby renamed the Nursing Home Administrator's State License Examining Fund and continued in existence in the State Treasury.

(b) Within 10 days after the beginning of every month, all fees collected by the program for the month preceding, under this chapter, shall be paid into the Nursing Home Administrator's State License Examining Fund.

(c) The funding paid into the Nursing Home Administrator's State License Examining Fund shall be continuously appropriated to the program for expenditures in the manner prescribed by law to defray the expenses of the program and in carrying out and enforcing the provisions of this chapter.

1416.40. (a) For purposes of this chapter, ''reciprocity applicant'' means any applicant who holds a current license as a nursing home administrator in another state has been licensed and in good standing, has passed the national examination, and the applicant is otherwise qualified.

(b) An applicant who holds a current valid license as a nursing home administrator in another state may be issued a one-year provisional license as a reciprocity applicant pursuant to this section. The provisional license authorizes the holder to work in this state at a licensed nursing facility during the one-year licensure period.

(c) The applicant shall obtain an application form from the program, complete the form accurately, and, under penalty of perjury, certify the experience, education, and criminal record history information supplied in the application. The applicant shall submit the application to the program, along with any supporting documents to substantiate the application and the applicable provisional, examination, and licensure fees.

(d) The provisional license may be granted to a reciprocity applicant who complies with all of the following informational requirements:

(1) Provides a statement of health consistent with an ability to perform the duties of a nursing home administrator.

(2) Discloses the fact of and the circumstances surrounding any of the following:

(A) Conviction of any criminal law violation of any country, state, or municipality, except minor traffic violations. The applicant shall submit appropriate criminal record information for purposes of this subparagraph.

(B) Any discipline affecting nursing home administrator licensure in any state.

(C) Any pending investigations or disciplinary actions concerning, or surrender of, nursing home administrator licensure in any state. The applicant shall submit an endorsement certificate to verify state licensure and substantiate if he or she has no pending investigation, disciplinary action, or surrender under this subparagraph.

(3) Submits official transcripts as evidence of completed college or university courses and degrees.

(4) Provides satisfactory evidence of current or recent employment experience within the last five years as a licensed nursing home administrator.

(5) Submits proof that the applicant is at least 18 years of age.

(e) The reciprocity applicant who holds a provisional license as authorized by this section shall be required to pass the state examination. If the provisional licensee, fails to pass the state examination within the one-year provisional licensure period, the provisional license shall

expire and no further reciprocity accommodations shall be allowed. The provisional license may not be renewed or extended. At the expiration of the provisional license the applicant may seek licensure in this state through standard procedures.

1416.42. (a) Except for provisional licenses issued pursuant to Section 1416.40, each license issued pursuant to this chapter shall expire 24 months from the date of issuance.

(b) To renew an unexpired license the licensee shall, at least 30 days prior to the expiration of the license, submit an application for renewal on a form provided by the program, accompanied by the renewal fee. An applicant may request either an active license or an inactive license. If an applicant requests an active license, he or she shall submit proof of completion of the required hours of program-approved continuing education.

(c) A delinquency fee is payable for license renewals not received by the program one day after the license expires.

(d) A license which has expired may be reinstated within three years following the date of expiration. The licensee shall apply for reinstatement on a form provided by the program and submit the completed form together with the current fee for license renewal. If the licensee requests an active license, he or she shall furnish proof of completion of the required hours of continuing education. The reinstatement shall be effective on the date that the completed application, including required fees, is submitted and approved.

1416.44. (a) Notwithstanding any other provision of law, a licensee who permitted his or her license to expire while serving in any branch of the armed services of the United States during a period of war, as defined in subdivision (e), may, upon application, reinstate his or her license without examination or penalty if the following conditions are met:

(1) His or her license was valid at the time he or she entered the armed services.

(2) The application for reinstatement is made while serving in the armed services, not later than one year from the date of discharge from active service or return to inactive military status, or within three years following the license date of expiration whichever is the most recent time period.

(3) The application for reinstatement is accompanied by an affidavit showing the date of entrance into the service, whether still in the service or date of discharge, and the renewal fee for the current renewal period in which the application is filed is paid.

(4) The application for reinstatement indicates no criminal convictions while absent from the profession.

(b) If application for reinstatement is filed more than one year after discharge or return to inactive status, the applicant, in the discretion of the licensing program, may be required to pass an examination and pay additional fees.

(c) Unless otherwise specifically provided by law, any licensee who, either part time or full time, practices in this state the nursing home administrator profession shall be required to maintain his or her license in good standing even though he or she is in military service.

(d) For the purposes in this section, time spent by a licensee in receiving treatment or hospitalization in any veterans' facility during which he or she is prevented from practicing his or her profession or vocation shall be excluded in determining the periods specified in paragraph (2) of subdivision (a).

(e) As used in this section, ''war'' means any of the following circumstances:

(1) Whenever Congress has declared war and peace has not formally been restored.

(2) Whenever the United States is engaged in active military operations against any foreign power, whether or not war has been formally declared.

(3) Whenever the United States is assisting the United Nations, in actions involving the use of armed force, to restore international peace and security.

1416.45. A licensee may not engage in licensed activity while his or her license is suspended or revoked, or after it has expired.

1416.46. (a) A revoked license may not be renewed.

(b) A licensee whose license has been revoked may petition the program for reinstatement after a period of not less than one year has elapsed from the effective date of the decision or from the date of the denial of a similar petition. The petitioner shall be afforded an opportunity to present either oral or written argument before the program. The program shall decide the petition and the decision shall include the reasons therefor, and any terms and conditions that the program reasonably deems appropriate to impose as a condition of reinstatement.

1416.48. A licensee who does not intend to engage in activity requiring nursing home administrator licensure may file a request to place his or her license in inactive status. An inactive license is subject to all requirements for renewal, including payment of fees, but completion of continuing education is not required to renew an inactive license. However, proof of completion of 40 continuing education credits during the last two years shall be submitted together with an application for reinstatement of an active license.

1416.50. (a) For purposes of this chapter, ''continuing education'' means any course of study offered by an educational institution, association, professional society, or organization for the purpose of providing continuing education for nursing home administrators.

(b) This section shall govern the continuing education requirements needed by a nursing home administrator to renew his or her nursing home administrator license.

(c) In order to renew a license, the applicant shall provide evidence satisfactory to the program that he or she has completed 40 hours of program-approved continuing education courses, of which at least 10 total hours shall be specifically in the area of aging or patient care.

(d) The continuing education courses to be approved for credit toward the continuing education requirements may include the following subject areas offered by accredited colleges, universities, community colleges, or a training entity approved by the department.

(1) Resident care.
(2) Personnel management.
(3) Financial management.
(4) Environmental management.
(5) Regulatory management.
(6) Organizational management.
(7) Patient care and aging.

(e) No continuing education credit shall be allowed for courses failed according to the institution's grading determination.

(f) If the program finds that programs of training and instruction conducted within the state are not sufficient in number or content to enable nursing home administrators to meet requirements established by law and this chapter, the program may approve courses conducted within and without this state as sufficient to meet educational requirements established by law and this chapter. For the purposes of this subdivision, the program shall have the authority to receive funds in a manner consistent with the requirements of the federal government.

Article 4. Training

1416.55. (a) An Administrator-in-Training Program (AIT Program) shall be developed by the NHAP, in consultation with representatives from the long-term care industry and advocacy groups. The AIT Program shall include, but not be limited to, all of the following areas of instruction:

(1) Orientation.
(2) Administration and business office.
(3) State and federal regulations governing long-term care facilities.
(4) Residents' rights and abuse prevention.

(5) Staffing requirements and workforce retention.
(6) Nursing services.
(7) Resident activities.
(8) Resident care.
(9) Social services.
(10) Dietary management.
(11) Environmental care, including housekeeping, laundry, and maintenance.
(12) Financial management.
(13) General management.
(14) Government regulations.
(15) Legal management.
(16) Personnel management and training.
(17) Consultants and contracts.
(18) Medical records.
(19) Public relations and marketing.

(b) A person who seeks to satisfy requirements for admission to licensure examinations through participation in an AIT Program shall first receive approval to begin the AIT Program. An applicant shall successfully complete the AIT Program in a program-approved facility under the coordination, supervision, and teaching of a preceptor who has obtained certification from the program and continues to meet the qualifications set forth in the rules and regulations of the program.

(c) In order to be eligible for the AIT Program, an applicant shall submit an application package on forms provided by the NHAP, and pay the applicable fees established by this chapter. The applicant shall be at least 18 years of age.

(d) In addition to the requirements in subdivision (c), the applicant shall meet one or a combination of the following requirements to be eligible for the AIT Program:

(1) A doctorate degree in medicine and a current valid license as a physician and surgeon with at least 10 years of recent work experience.
(2) A baccalaureate degree.
(3) Ten years of full-time work experience and a current valid license as a registered nurse. At least the most recent five years of the 10 years of work experience shall be in a supervisory or director of nursing position.
(4) Ten years of full-time work experience in any department of a skilled nursing facility, an intermediate care facility, or an intermediate care facility/developmentally disabled with at least 60 semester units (or 90 quarter units) of college or university courses. At least the most recent five years of the 10 years of work experience shall be in a position as a department manager.

(5) Ten years of full-time hospital administration experience in an acute care hospital with at least 60 semester units (or 90 quarter units) of college or university courses. At least the most recent five years of the 10 years of work experience shall be in a supervisory position.

(e) The applicant shall submit an official transcript that evidences the completion of required college or university courses, degrees, or both. An applicant who qualifies for the AIT Program on the basis of work experience shall submit a declaration signed under penalty of perjury verifying his or her work experience. This declaration shall be signed by a licensed nursing home administrator, physician and surgeon, chief of staff, director of nurses, or registered nurse who can attest to the applicant's work experience.

1416.57. (a) An individual may, upon compliance with the requirements of this section, be approved by the program to be a preceptor who is authorized to provide a training program in which the preceptor coordinates, supervises, and teaches persons seeking to meet specified requirements to qualify for the licensing examination under this chapter. The approval obtained under this section shall be effective for a period of two years, after which the preceptor is required to renew his or her preceptor status and attend a preceptor training course provided by the program.

(b) In order to qualify to be a preceptor, a person shall meet all of the following conditions:

(1) Be a current active California licensed nursing home administrator.

(2) Have no pending disciplinary actions.

(3) Have served for at least two years as the designated administrator of a California licensed nursing home or for at least four years as the designated assistant administrator of a California licensed nursing home.

(4) Have gained experience in all administrative functions of a nursing home.

(c) The applicant seeking approval to be a preceptor shall submit an application form provided by the program that requires the applicant's name, address, birth date, the states and dates of issuance of all professional licenses, including those as a nursing home administrator, and any other information required by the program.

(d) At the time of application, for purposes of substantiating that the conditions specified in subdivision (b) have been met, the applicant shall provide satisfactory evidence of his or her education, experience, and knowledge that qualifies him or her to supervise the training of an AIT Program participant and verification that the facilities at which the applicant has had direct management control as an administrator had a

continuous operating history, free from major deficiencies, during the period of the applicant's administration.

(e) An applicant shall not be approved as a preceptor until the applicant attends a preceptor's training seminar provided or approved by the program.

(f) (1) For purposes of this section, ''AIT'' means Administrator-in-Training.

(2) The following requirements shall apply to a preceptor approved pursuant to this section:

(A) The preceptor shall provide a directly supervised training program that will include a minimum of 20 hours per week and a maximum of 60 hours per week and be available at least by telephone at all other times. There shall be regular personal contact between the preceptor and the AIT during the training program. For purposes of this subparagraph, ''a directly supervised training program'' means supervision by a preceptor of an AIT during the performance of duties authorized by this section. The preceptor shall be available during the AIT's performance of those duties.

(B) The preceptor shall be the designated administrator of the facility where the training is conducted.

(C) The preceptor may not supervise more than two AIT trainees during the same time period.

(D) The preceptor shall inform the NHAP of any significant training program changes dealing with his or her specific AIT.

(E) The preceptor shall rate the AIT's training performance and complete an AIT evaluation report at the end of the AIT's training.

(F) The preceptor shall be evaluated by the program based on the examination success and failure history of his or her AIT trainees and the program may revoke or suspend preceptor certificates as appropriate.

Article 5. Enforcement

1416.60. Each licensee shall, within 30 days, after each appointment as the designated administrator of a nursing home and after any termination of that appointment, notify the program. Each notification shall include the name of the administrator, the nursing home administrator number assigned, the name and address of the facility or facilities involved, and the date of the appointment or termination. All information provided pursuant to this section shall be public information.

1416.62. The program shall maintain a current list of nursing home administrators who have been placed on probation or had their licenses suspended or revoked within the last three years. The program shall provide the current list of these administrators to licensed nursing homes

and the department district offices every six months. The current list shall also be available to the general public upon request.

1416.64. (a) The program shall maintain a record of enforcement actions reported to the program, pursuant to Section 1416.12. The program shall routinely review the citation logs and files of nursing home administrators whose facilities have received citations from the department to determine if remedial or disciplinary action against the administrator is warranted based on the administrator's involvement or culpability in the citations. Regardless of the facility's performance record, the program may initiate disciplinary action against an administrator who violates any statute or regulation governing licensed nursing home administrators.

(b) Following receipt of reports on temporary suspension orders, service of an accusation for facility license revocations, or final decertification of a facility from participation in the Medi-Cal or Medicare programs, due to failure to meet certification standards, the program shall make a determination as to whether the evidence available warrants remedial or disciplinary action against the administrator or constitutes grounds for denial, suspension, or revocation pursuant to Section 1416.76.

(c) If the program determines that action against the administrator is not warranted, the program shall document in the file the reasons and specific circumstances for not taking remedial or disciplinary action against the administrator's license.

(d) The program shall consider all of the following prior to making a determination to initiate disciplinary action:

(1) Any information provided to the program by the administrator pursuant to this section.

(2) Whether the administrator was in fact the designated administrator of the facility when the violation occurred, or the designated administrator of the facility during the period of time the citation covered.

(3) Whether the administrator should have or could have prevented the violation or violations that occurred.

(e) Prior to making a final determination to initiate action against an administrator, the program shall notify the administrator that the program is considering action and provide the administrator with an opportunity to show just cause why remedial or disciplinary action should not be initiated.

(f) If the program determines that grounds for remedial or disciplinary action exist, the program may initiate either or both of the following actions, as warranted:

(1) Remedial action, including, but not limited to, a conference with the administrator, a letter of warning, or both.

(2) Disciplinary action, including, but not limited to, citations, fines, formal letters of reprimand, probation, denial, suspension, revocation of the administrator's license, or any combination of these actions.

1416.66. (a) The program shall develop and make available a form that may be utilized at the nursing home administrator's option to provide the program with relevant information, documentation, and background on any actions reported to the program pursuant Section 1416.12.

(b) Any reports received pursuant to Section 1416.12 shall remain in the administrator's file for five years, unless the program is notified that the action has been modified or overturned. Any modification of an action shall be noted and documented in the administrator's file.

1416.68. (a) It is the responsibility of the nursing home administrator as the managing officer of the facility to plan, organize, direct, and control the day-to-day functions of a facility and to maintain the facility's compliance with applicable laws, rules, and regulations.

(b) The administrator shall be vested with adequate authority to comply with the laws, rules, and regulations relating to the management of the facility.

(c) No licensee shall be cited for any violation caused by any person licensed pursuant to the Medical Practice Act (Chapter 5 (commencing with Section 2000) of Division 2 of the Business and Professions Code) if the person is independent of, and not connected with, the facility and the licensee shows that he or she has exercised reasonable care and diligence in notifying these persons of their duties to the patients in the nursing facility.

(d) The delegation of any authority by a licensee shall not diminish the responsibilities of that licensee.

1416.69. (a) Within 24 hours after the nursing home administrator acquires actual knowledge or credible information that any of the events specified in subdivision (b) has occurred, the nursing home administrator shall notify the department's district office for licensing and certification of that knowledge or information. This notification may be in written form if it is provided by telephone facsimile or overnight mail, or by telephone with a written confirmation within five calendar days. The information provided pursuant to this subdivision may not be released to the public by the department unless its release is needed to justify an action taken by the department or it otherwise becomes a matter of public record. A violation of this section may result in a citation.

(b) All of the following occurrences shall require notification pursuant to this section as long as the administrator has actual knowledge of the occurrence:

(1) The licensee of a facility receives notice that a judgment lien has been levied against the facility or any of the assets of the facility or the licensee.

(2) A financial institution refuses to honor a check or other instrument issued by the licensee to its employees for a regular payroll.

(3) The supplies, including food items and other perishables, on hand in the facility fall below the minimum specified by any applicable statute or regulation.

(4) The financial resources of the licensee fall below the amount needed to operate the facility for a period of at least 45 days based on the current occupancy of the facility.

(5) The licensee fails to make timely payment of any premiums required to maintain required insurance policies or bonds in effect, or any tax lien levied by any government agency.

1416.70. (a) The program shall establish a system for the issuance of citations to licensees, examinees, or participants of any program activity offered or approved by the program. The citations may contain an order of abatement, an order to pay an administrative fine assessed by the program chief, or both, where the licensee, examinee, or participant is in violation of any state or federal statute or regulation governing licensed nursing home administrators.

(b) The system shall contain all of the following provisions:

(1) Citations shall be in writing and shall describe with particularity the nature of the violation, including specific reference to the provision of law determined to have been violated.

(2) Where appropriate, the citation shall contain an order of abatement fixing reasonable time for abatement of the violation.

(3) (A) Administrative fines assessed by the program shall be separate from and shall not preclude the levying of any other fines or any civil or criminal penalty.

(B) In no event shall the administrative fine assessed by the program be less than fifty dollars ($50) or exceed two thousand five hundred dollars ($2,500) for each violation. The total assessment shall not exceed ten thousand dollars ($10,000) for each investigation or for counts involving fraudulent billings submitted to insurance companies, Medi-Cal, or Medicare programs.

(4) In assessing a fine, the program shall give due consideration to the appropriateness of the amount of the fine with respect to factors such as the gravity of the violation, the good faith effort of the licensee, examinee, or participant, the unprofessional conduct, including, but not limited to, incompetence and negligence in the performance of the duties and responsibilities of an administrator, the extent to which the cited person has mitigated or attempted to mitigate any damage or injury caused by his or her violation, whether the violation was related to

patient care, the history of any previous violations, and other matters as may be appropriate.

(5) A citation or fine assessment issued pursuant to a citation shall inform the licensee, examinee, or participant, that if he or she desires a hearing to contest the finding of a violation, the hearing shall be requested by written notice to the program within 30 days after the date of issuance of the citation or assessment. A licensee may, in lieu of contesting a citation pursuant to this section, transmit to the state department 75 percent of the amount specified in the citation for each violation within 15 business days after the issuance of the citation.

(6) Failure of a licensee, examinee, or participant to pay a fine within 30 days of the date of the assessment, unless the citation is being appealed, may result in further disciplinary action being taken by the program. Where a citation is not contested and a fine is not paid, the full amount of the assessed fine, along with any accrued penalty interest, shall be added to the fee for renewal of the license. A license shall not be renewed without payment of the renewal fee, fine, and accrued interest penalty. A citation may be issued without the assessment of an administrative fine.

(c) Assessment of administrative fines may be limited to only particular violations of the applicable licensing act. Notwithstanding any other provisions of law, where a fine is paid to satisfy an assessment based on the finding of a violation, payment of the fine shall be represented as satisfactory resolution of the matter for purposes of public disclosures. Administrative fines collected pursuant to this section shall be deposited in the Nursing Home Administrator's State License Examining Fund.

1416.72. (a) The program may issue a citation to any person who holds a license from the program and who violates any statute or regulation governing licensed nursing home administrators.

(b) Any licensee served with a citation may contest the citation by appeal to the program within 30 days of service of the citation. Appeals shall be conducted pursuant to Section 100171.

(c) In addition to requesting a hearing before an administrative law judge, the licensee may, within 10 days after service of the citation, notify the department in writing of his or her request for an informal conference with the department regarding the violations cited in the citation. At the time of requesting an informal conference, the licensee shall inform the department whether he or she shall be represented at the informal conference by legal counsel. Failure to notify the department of legal representation shall not result in forfeiture of the right to have legal counsel present. Unless the request for an informal hearing is made within the 10-day period, the licensee's right to an informal hearing is deemed waived.

(d) The department shall hold an informal conference with the licensee and, if applicable, his or her legal counsel or authorized representatives. At the conclusion of the informal conference the department may affirm, modify, or dismiss the citation, including any administrative fine levied, or order of abatement issued.

(e) The licensee does not waive his or her request for a hearing to contest a citation by requesting an informal conference. If the citation is dismissed after the informal conference, the request for a hearing on the matter of the citation shall be deemed to be withdrawn. If the citation, including any administrative fine levied or order of abatement, is modified or affirmed, the citation shall be upheld and the licensee shall, within 15 working days from the date the citation review conference decision was rendered, notify the director or the director's designee that he or she wishes to appeal the decision through the procedures set forth in Section 100171.

1416.74. (a) The time allowed for abatement of violation shall begin the first day after the order of abatement has been served or received. If a licensee who has been issued an order of abatement is unable to complete the correction within the time set forth in the citation because of conditions beyond his or her control after the exercise of reasonable diligence, the licensee may request from the program an extension of time in which to complete the correction. The request shall be in writing and made within the time set for abatement.

(b) An order of abatement shall either be personally served upon the licensee or mailed by certified mail, return receipt requested.

(c) When an order of abatement is not contested, or if the order is appealed and the licensee does not prevail, failure to abate the violation cited within the time specified in the citation shall constitute a violation and failure to comply with the order of abatement. Where a licensee has failed to correct a violation within the time specified in the citation the department shall assess the licensee a civil penalty in the amount of fifty dollars ($50) for each day that the violation continues beyond the date specified in the citation. If the licensee disputes a determination by the department regarding alleged failure to correct a violation or regarding the reasonableness of the proposed deadline for correction, the licensee may request an informal conference to contest the determination.

(d) Any unpaid administrative fine shall begin accruing a 7-percent interest penalty on the unpaid balance due. This interest shall continue to accrue until the administrative fine and interest are paid in full.

1416.75. The program may deny, or may suspend or revoke, a license upon any of the following grounds:

(a) Gross negligence.

(b) Incompetence.

(c) The conviction of any crime involving dishonesty or which is substantially related to the qualifications, functions, or duties of a nursing home administrator. A conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this section.

(d) Using fraud or deception in applying for a license or in taking the examination provided for in this chapter.

(e) Treating or attempting to treat any physical or mental condition without being currently licensed to do so.

(f) Violating Section 650 of the Business and Professions Code, any provision of this chapter, or any rule or regulation of the program adopted pursuant to this chapter.

(g) Lack of any qualification requirement for the license.

(h) Failure to report under Section 1416.60 to the program, without just cause.

1416.76. (a) The program may deny a nursing home administrator applicant or licensee, a license, based on one of the following grounds:

(1) Conviction of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. The program may take action following the establishment of a conviction after the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.

(2) Commits any act involving dishonesty, fraud, or deceit with the intent to substantially benefit himself or herself or another, or substantially injure another.

(3) Commits any act which, if done by a licentiate, would be grounds for suspension or revocation of license. The program may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of a nursing home administrator.

(b) Notwithstanding any other provision of this chapter, no person shall be denied a license solely on the basis that he or she has been convicted of a felony if he or she has obtained a certificate of rehabilitation under Section 4852.01 of the Penal Code, or that he or she has been convicted of a misdemeanor and has met all applicable requirements of the criteria of rehabilitation developed by the program pursuant to subdivision (f).

(c) The program may deny a nursing home administrator license on the ground that the applicant knowingly made a false statement of fact required to be revealed in the application for the license.

(d) The program may suspend or revoke a license on the ground that the applicant or licensee has been convicted of a crime, as defined in paragraph (1) of subdivision (a), if the crime is substantially related to the qualifications, functions, or duties of a nursing home administrator.

(e) The program shall develop criteria to use to determine whether a crime or act is substantially related to the qualifications, functions, or duties of a nursing home administrator, and shall use the criteria when considering the denial, suspension, or revocation of a license.

(f) The program shall develop criteria to be used by the program to evaluate the rehabilitation of a person when considering the denial, suspension, or revocation of a license under this section.

(g) The program shall take into account all competent evidence of rehabilitation furnished by the applicant or licensee pursuant to the evaluation process set forth in subdivision (f).

1416.77. The program may deny, or may suspend or revoke, a nursing home administrator license or participation in specific training program areas under this chapter upon any of the following grounds:

(a) Misappropriation of funds or property of the facility, the patients, or of others.

(b) Using fraud, deception, or misrepresentation in applying for the AIT Program, the examination for licensure, or any other program functions provided for in this chapter.

(c) Procuring a nursing home license by fraud, deception, or misrepresentation.

(d) Impersonating any applicant or acting as a proxy for an applicant in an examination.

(e) Impersonating any licensed nursing home administrator.

(f) Treating or attempting to treat any physical or mental condition without having a valid license to do so.

(g) Violating Section 650 of the Business and Professions Code, any provisions of this chapter, or any rule or regulation of the program adopted pursuant to this chapter.

(h) Lack of any qualification requirement for a license, participation in the AIT Program or preceptor program.

(i) A pattern of failure to report changes under Section 1416.60 to the program without just cause.

(j) Failure to comply with this chapter or the laws, rules, and regulations relating to health facilities.

(k) The commission of any dishonest, corrupt, or fraudulent act or any act of physical or mental, including sexual, abuse of any person in connection with the administration of, or any patient in, a nursing home.

(*l*) Violation by the licensee of any of the provisions of this chapter or of the rules and regulations promulgated under this chapter.

(m) Aiding, abetting, or conspiring with another person to violate provisions of this chapter or of the rules and regulations promulgated under this chapter.

(n) Violation of the examination security agreement.

1416.78. (a) The program may place a nursing home administrator license on probation in lieu of formal action to suspend or revoke the license if the department determines that probation is the appropriate action. Upon successful completion of the probation period, the license shall be restored to regular status.

(b) The probationary license shall be based upon an agreement entered into between the licensee and the program that specifies terms and conditions of licensure during the probationary period. The terms and conditions shall be related to matters, including, but not limited to, work performance, rehabilitation, training, counseling, progress reports, and treatment programs.

(c) The term of the probationary license shall not exceed two years. If the licensee successfully completes the term of probation, as determined by the department, no further action shall be taken upon the allegations that were the basis for the probationary license. If the licensee fails to comply with the terms and conditions of the probationary license agreement, the department may proceed with a formal action to suspend or revoke the license.

1416.80. Upon the determination to deny application for licensure for grounds specified in Section 1416.77, the program shall immediately notify the applicant in writing by certified mail. A petition for an administrative hearing must be received by the program within 20 business days of receipt of notification. Upon receipt, the department shall set the matter for administrative hearing, pursuant to procedures specified in Section 100171.

1416.82. (a) Proceedings to suspend or revoke licensure for grounds specified in Section 1416.77 shall be conducted in accordance with Section 100171. In the event of conflict between this chapter and Section 100171, Section 100171 shall prevail.

(b) (1) The program may temporarily suspend any license prior to any hearing if the action is necessary to protect the public welfare. The program shall notify the licensee of the temporary suspension and the effective date. Upon receipt of a notice of defense by the licensee, the department shall set the matter within 15 days. The administrative hearing conducted in accordance with Section 100171 shall be held as soon as possible but not later than 30 days after receipt of the notice. The temporary suspension shall remain in effect until the hearing is completed and the department has made a final determination on the merits. However, the temporary suspension shall be deemed vacated if the department fails to make a final determination on the merits of the

action within 60 days after the original hearing has been completed. If the provisions of this chapter or the rules or regulations promulgated by the director are violated by a licensee, the director may suspend the license for the violation.

(2) If the program determines that the temporary suspension shall become an actual suspension, the department shall specify the period of the suspension, not to exceed two years. The program may determine that the suspension shall be stayed, and place the licensee on probation for a period that shall not exceed two years.

(c) The program may suspend or revoke a license prior to any hearing when immediate action is necessary in the judgment of the director to protect the public welfare. Proceedings for immediate revocation shall be conducted in accordance with Section 100171. The department shall set the matter for hearing within 15 days and hold the administrative hearing as soon as possible but not later than 30 calendar days from receipt of the request for a hearing. A written hearing decision upholding or setting aside the action shall be sent by certified mail to the licenseholder within 30 calendar days of the hearing.

1416.84. Whenever any person has engaged, or is about to engage, in any acts or practices that constitute, or will constitute, a violation of this chapter, the superior court in and for the county in which those acts or practices take place, or are about to take place, may issue an injunction or other appropriate order, restraining the conduct, on application of the program, to the Attorney General, or the district attorney.

1416.86. If any provision of this chapter, or the application thereof to any person or circumstance, is held invalid, that invalidity shall not affect other provisions or applications of this chapter that can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

SEC. 6. Section 1429.5 of the Health and Safety Code is repealed.

SEC. 7. Section 1.5 of this bill incorporates amendments to Section 101 of the Business and Professions Code proposed by this bill and SB 26. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2002, (2) each bill amends Section 101 of the Business and Professions Code, and (3) this bill is enacted after SB 26, in which case Section 101 of the Business and Professions Code, as amended by SB 26, shall remain operative only until the operative date of this bill, at which time Section 1.5 of this bill shall become operative, and Section 1 of this bill shall not become operative.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates

a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 688

An act to amend Sections 8801.3 and 8814.5 of the Family Code, relating to adoption.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 8801.3 of the Family Code is amended to read:

8801.3. A child shall not be considered to have been placed for adoption unless each of the following is true:

(a) Each birth parent placing the child for adoption has been advised of his or her rights, and if desired, has been counseled pursuant to Section 8801.5.

(b) The adoption service provider, each prospective adoptive parent, and each birth parent placing the child have signed an adoption placement agreement on a form prescribed by the department. The signing of the agreement shall satisfy all of the following requirements:

(1) Each birth parent shall have been advised of his or her rights pursuant to Section 8801.5 at least 10 days before signing the agreement, unless the adoption service provider finds exigent circumstances that shall be set forth in the adoption placement agreement.

(2) The agreement may not be signed by either the birth parents or the prospective adoptive parents until the time of discharge of the birth mother from the hospital. However, if the birth mother remains hospitalized for a period longer than the hospitalization of the child, the agreement may be signed by all parties at the time of or after the child's discharge from the hospital but prior to the birth mother's discharge from the hospital if her competency to sign is verified by her attending physician and surgeon before she signs the agreement.

(3) The birth parents and prospective adoptive parents shall sign the agreement in the presence of an adoption service provider.

(4) The adoption service provider who witnesses the signatures shall keep the original of the adoption placement agreement and immediately forward it and supporting documentation as required by the department to the department or delegated county adoption agency.

(5) The child is not deemed to be placed for adoption with the prospective adoptive parents until the adoption placement agreement has been signed and witnessed.

(6) If the birth parent is not located in this state or country, the adoption placement agreement shall be signed before an adoption service provider or, for purposes of identification of the birth parent only, before a notary or other person authorized to perform notarial acts in the state or country in which the birth parent is located. This paragraph is not applicable to intercountry adoptions, as defined in Section 8527, which shall be governed by Chapter 4 (commencing with Section 8900).

(c) The adoption placement agreement form shall include all of the following:

(1) A statement that the birth parent received the advisement of rights and the date upon which it was received.

(2) A statement that the birth parent understands that the placement is for the purpose of adoption and that if the birth parent takes no further action, on the 31st day after signing the adoption placement agreement, the agreement shall become a permanent and irrevocable consent to the adoption.

(3) A statement that the birth parent signs the agreement having personal knowledge of certain facts regarding the prospective adoptive parents as provided in Section 8801.

(4) A statement that the adoptive parents have been informed of the basic health and social history of the birth parents.

(5) A consent to the adoption that may be revoked as provided by Section 8814.5.

(d) The adoption placement agreement shall also meet the requirements of the Interstate Compact on the Placement of Children in Section 7901.

(e) This section shall become operative on January 1, 1995.

SEC. 2. Section 8814.5 of the Family Code is amended to read:

8814.5. (a) After a consent to the adoption is signed by the birth parent or parents pursuant to Section 8801.3 or 8814, the birth parent or parents signing the consent shall have 30 days to take one of the following actions:

(1) Sign and deliver to the department or delegated county adoption agency a written statement revoking the consent and requesting the child to be returned to the birth parent or parents. After revoking consent, in cases where the birth parent or parents have not regained custody, or the birth parent or parents have failed to make efforts to exercise their rights under subdivision (b) of Section 8815, a written notarized statement reinstating the original consent may be signed and delivered to the department or delegated county adoption agency, in which case the revocation of consent shall be void and a new 30-day period shall

commence. After revoking consent, in cases in which the birth parent or parents have regained custody, upon the delivery of a written notarized statement reinstating the original consent to the department or delegated county adoption agency, the revocation of consent shall be void and a new 30-day period shall commence. The birth mother shall be informed of the operational timelines associated with this section at the time of signing of the statement reinstating the original consent.

(2) Sign a waiver of the right to revoke consent on a form prescribed by the department in the presence of a representative of the department or delegated county adoption agency. If neither a representative of the department nor a representative of a delegated county adoption agency is reasonably available, the waiver of the right to revoke consent may be signed in the presence of a judicial officer of a court of record if the birth parent is represented by independent legal counsel. ''Reasonably available'' means that a representative from either the department or the delegated county adoption agency is available to accept the signing of the waiver within 10 days and is within 100 miles of the location of the birth mother.

An adoption service provider may assist the birth parent or parents in any activity where the primary purpose of that activity is to facilitate the signing of the waiver with the department, a delegated county agency, or a judicial officer. The adoption service provider or another person designated by the birth parent or parents may also be present at any interview conducted pursuant to this section to provide support to the birth parent or parents.

The waiver of the right to revoke consent may not be signed until an interview has been completed by the department or delegated county adoption agency unless the waiver of the right to revoke consent is signed in the presence of a judicial officer of a court of record as specified in this section, in which case the interview and the witnessing of the signing of the waiver shall be conducted by the judicial officer. Within 10 working days of a request made after the department, the delegated county adoption agency, or the court has received a copy of the petition for the adoption and the names and addresses of the persons to be interviewed, the department, the delegated county adoption agency, or the court shall interview, at the department or agency office or the court, any birth parent requesting to be interviewed. However, the interview, and the witnessing of the signing of a waiver of the right to revoke consent of a birth parent residing outside of California or located outside of California for an extended period of time unrelated to the adoption may be conducted in the state where the birth parent is located, by any of the following:

(A) A representative of a public adoption agency in that state.

(B) A judicial officer in that state where the birth parent is represented by independent legal counsel.

(C) An adoption service provider.

(3) Allow the consent to become a permanent consent on the 31st day after signing.

(b) The consent may not be revoked after a waiver of the right to revoke consent has been signed or after 30 days, beginning on the date the consent was signed or as provided in paragraph (1) of subdivision (a), whichever occurs first.

CHAPTER 689

An act to add Chapter 10.5 (commencing with Section 9650) to Division 8.5 of the Welfare and Institutions Code, relating to seniors.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. This act shall be known, and may be cited as, the Senior Wellness Act of 2001.

SEC. 2. The Legislature finds and declares all of the following:

(a) The well-being of California's five million seniors can be maintained and enhanced by encouraging and promoting healthy lifestyles.

(b) Proper nutrition, exercise, injury prevention, mental health, and physical health are important factors of overall wellness and can help seniors live better and remain independent longer.

(c) It is the policy of the Legislature to promote and encourage the provision of wellness programs at the state and local levels that educate seniors, caregivers, families, and health care professionals in achieving healthy lifestyles.

SEC. 3. The Legislature also finds and declares all of the following:

(a) Injury prevention is integral to maintaining wellness and avoiding hospitalization so that seniors and persons with disabilities can remain independent in their homes.

(b) The prevalence of falls by older persons is a serious public health concern. One in three persons over the age of 65 years experiences one or more falls each year.

(c) The chances that a fall will result in hospitalization or death begins to increase dramatically for persons 80 years of age and older.

(d) When various factors related to the aging process, such as balance, vision, hearing, medications, or health conditions, which in and of themselves can lead to falls, are combined with environmental hazards such as loose, slippery, or irregular walking surfaces, poor lighting, and lack of basic physical supports, the likelihood of falls significantly increases.

(e) Assessment, consultation, and simple home modifications can prevent many accidents, help people avoid disruptive relocation, and minimize the need for costly personal or institutional care.

(f) Current law and public efforts related to injury prevention and home modification are inadequate or nonexistent in most California communities.

SEC. 4. Chapter 10.5 (commencing with Section 9650) is added to Division 8.5 of the Welfare and Institutions Code, to read:

CHAPTER 10.5. SENIOR WELLNESS PROGRAM

Article 1. General

9650. The definitions contained in this article shall govern the construction of this chapter, unless the context requires otherwise.

9651. ''Wellness'' means optimizing opportunities for physical, social, and mental well-being throughout the course, in order to extend healthy life expectancy, productivity, and quality of life in older age.

9652. ''Senior'' means any person 60 years of age or older.

9653. ''Person with a disability'' means the same as the term is defined by regulations established pursuant to Section 504 of the federal Rehabilitation Act of 1973, as amended in 1992 (29 U.S.C. Sec. 12101 et seq.), and the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).

9654. ''StayWell Program'' means the program established pursuant to Article 2 (commencing with Section 9660).

Article 2. StayWell Program

9660. There is in the California Department of Aging a senior wellness program that shall be called the StayWell Program.

9661. The StayWell Program shall have all of the following functions:

(a) Focus on educating California's seniors, as well as caregivers, families, and health care professions, about the importance of living a healthy lifestyle, including, but not limited to, nutrition, exercise, injury prevention, and mental well-being.

(b) Provide information on, and help California's culturally and ethnically diverse seniors and adults with, functional impairments.

(c) Provide educational information on the resources and services available for seniors from both private and public entities in communities throughout the state and the Area Agencies on Aging. The educational material shall accommodate the diverse linguistic needs of various populations in the state, including, but not limited to, English, Spanish, Russian, Chinese, and Braille.

(d) Promote education and training for professionals and caregivers who work directly with seniors in order to maximize wellness.

9662. The department shall deliver, or provide for the delivery of, StayWell Program information through a variety of means, including, but not limited to, the Internet, radio, television, and newspaper advertising, brochures, posters, and newsletters.

9663. This article shall be implemented only to the extent funds are made available for the purposes of this article in the annual Budget Act or another statute.

Article 3. Program for Injury Prevention in the Home Environment

9675. This article shall be known and may be cited as the Program for Injury Prevention in the Home Environment.

9676. The Program for Injury Prevention in the Home Environment is hereby established. The department, through the Senior Housing and Information Support Center in the department, shall provide grants to eligible local level entities for injury prevention information and education programs and services pursuant to this article for the purpose of increasing the awareness and prevention of injuries.

9677. The department may provide a program grant to an eligible local public agency or nonprofit organization for the services specified in Section 9678 and for the following services:

(a) Provision of information and education regarding injury prevention to seniors and persons with disabilities living in the community.

(b) Comprehensive assessment of individual injury prevention needs.

(c) Consultation and instruction in the behavioral, physical, and environmental aspects of injury prevention.

(d) Mitigation of behavioral and physical factors.

9678. (a) The Program for Injury Prevention in the Home Environment shall include funding for injury prevention needs, including injury prevention equipment and activities as well as material and labor costs, for homeowners and renters meeting income requirements established pursuant to subdivision (d). A local level entity

selected to participate in the program shall comply with all of the requirements of this section in implementing the program.

(b) Equipment and activities covered under the program shall include all of the following:

(1) Grab bars, nonskid surfaces, shower seats, and transfer benches.

(2) Indoor and outdoor handrails.

(3) Reconfiguration of furniture and other elements of the physical home environment to reduce hazards.

(c) The payment for injury prevention equipment and services shall not exceed a seven-hundred-dollar ($700) maximum allowance per household.

(d) Eligibility for equipment and services, as described in this section, shall be limited to families, households, and individuals whose incomes do not exceed 80 percent of the county median income, with adjustments for family and household size.

9679. (a) The department, in consultation with groups, including, but not limited to, the State and Local Injury Control section of the State Department of Health Services, and other groups knowledgeable and experienced in senior and disabled injury prevention, such as research-based university gerontology departments with extensive experience and work with the concept of aging in place and the benefits of home modification, a research center on gerontology, as well as local public health agencies, shall develop training and assessment tools necessary for carrying out this article.

(b) The department shall establish service standards that ensure that members of the population needing services under this article are identified and that the services provided assist them in living safely in their homes and apartments. The department shall award grants based upon compliance with these standards. The standards shall include, but not be limited to, a service planning process that is target-population based and includes both of the following:

(1) A determination of the number of clients to be served and the programs and services that will be provided to meet the injury prevention needs of those clients.

(2) Plans for services including outreach, design of injury prevention services, coordination, and access to education and assessment services.

9680. (a) The director shall establish a methodology for awarding grants under this article, in consultation with groups described in subdivision (a) of Section 9679. The director shall consult with these groups to develop criteria for the award of grants and the identification of specific performance measures.

(b) The criteria to be considered in the award of grants shall include, but not be limited to, all of the following:

(1) The description of a plan for providing outreach, prevention, intervention, and evaluation in a cost appropriate manner.

(2) The ability of the local level entities to engage in collaborations with local entities for purposes of program coordination, including, but not limited to, public and private nonprofit agencies that are experienced in injury prevention services, home modification services, home safety services, and services for seniors and persons with disabilities.

(3) The ability of local level entities to gather and utilize other resources to supplant funding provided by the department.

(4) Demonstrated proficiency in, and awareness of, relevant issues in working with senior and disabled populations, particularly in relation to home modification and injury prevention.

(5) The description of the local population to be served, the ability to administer an effective service program, and the degree to which local agencies and advocates will support and collaborate with program efforts.

(6) The geographical representation of the applicants.

(7) The provision of a local match in funds.

(c) The funding provided pursuant to this article shall be sufficient to provide injury prevention education and assessment services and equipment and activities necessary for injury prevention in the home.

9681. (a) Funding of projects pursuant to this article shall be subject to the appropriation of funds by the Legislature in the Budget Act or another statute.

(b) Funds appropriation made pursuant to subdivision (a) shall be expended to fund grants to eligible local public agencies or nonprofit organizations in an amount not to exceed one hundred fifty thousand dollars ($150,000) each.

CHAPTER 690

An act to add Chapter 4.3 (commencing with Section 56400) to Part 30 of the Education Code, relating to children with disabilities, and making an appropriation therefor.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Chapter 4.3 (commencing with Section 56400) is added to Part 30 of the Education Code, to read:

CHAPTER 4.3. FAMILY EMPOWERMENT CENTERS ON DISABILITY

56400. It is the intent of the Legislature, through enactment of this chapter, to the extent feasible, to do all of the following:

(a) Ensure that children and young adults with disabilities are provided a free and appropriate public education in accordance with applicable federal and state law and regulations.

(b) Ensure that children and young adults with disabilities receive the necessary educational support and services they need to complete their education.

(c) Offer parents and guardians of children and young adults with disabilities access to accurate information, specialized training, and peer-to-peer support in their communities.

(d) Ensure that parents, guardians, and families of children and young adults with disabilities are full participants in their child's education, school reform, and comprehensive systems change efforts.

(e) Build upon existing local and regional service delivery systems to improve, expand, and offer coordinated technical assistance to the network of existing resources available for parents, guardians, and families of children and young adults with disabilities.

56402. (a) The State Department of Education shall award grants to establish Family Empowerment Centers on Disability in each of the 32 regions in the state established under the Early Start Family Resource Centers. In the first year of operation, the State Department of Education shall award these grants no later than February 15, 2002. In subsequent years, to the extent funding is available, the State Department of Education shall award these grants no later than February 15 of that year.

(b) Once funding is secured, and annually until all centers are established, the State Department of Education shall submit a report to the appropriate policy committees of the Legislature documenting progress in establishing the centers.

(c) The department shall develop the grant application, with advice from stakeholders, including parents, guardians, and family members of children with disabilities, as well as adults with disabilities and representatives of community agencies serving children and adults with disabilities.

(d) The sum of twenty-five thousand dollars ($25,000) shall be made available to the department, from the funds appropriated for the purposes of this chapter, for the purpose of securing an outside contractor to develop a request for proposal, disseminate the proposal, empanel readers to evaluate the proposals, and cover other costs related to this process.

56404. To be eligible to receive funding to establish Family Empowerment Centers on Disability pursuant to this chapter, applicants shall meet the following organizational requirements:

(a) Be a nonprofit charitable organization organized under the Internal Revenue Code pursuant to paragraph (3) of subdivision (c) of Section 503 of Title 26 of the United States Code.

(b) Be staffed primarily by parents, guardians, and family members of children and young adults with disabilities and by adults with disabilities.

(c) Have as a majority of board members of each center, parents, guardians, and family members of children and young adults with disabilities who have experience with local or regional disability systems and educational resources. Additional members shall include, but not be limited to, persons with disabilities and representatives of community agencies serving adults with disabilities, and other community agencies.

(d) Demonstrate the capacity to provide services in accordance with the family support guidelines developed by the Early Start Family Resource Centers pursuant to Section 95004 of the Government Code and administered by the State Department of Developmental Services, and Parent Training Information Centers established pursuant to Sections 1482 and 1483 of Title 20 of the United States Code.

56406. (a) The State Department of Education shall issue requests for proposals, select grantees, and award grants pursuant to this chapter by not later than February 15, 2002. Grants awarded to Family Empowerment Centers on Disability by the State Department of Education shall be based upon a formula that does the following:

(1) Establishes a minimum base rate of one hundred fifty thousand dollars ($150,000) for each center to provide the basic services pursuant to this chapter and serve parents and guardians of children and young adults from age three years to age 18 years, inclusive, and to those young adults from age 19 years to age 22 years who had an individualized education plan prior to their 18th birthday.

(2) Establishes an allocation mechanism that is determined according to school enrollment of the region served.

(b) Each grant applicant shall demonstrate all of the following:

(1) That the need for training and information for underserved parents and guardians of children and young adults with disabilities in the area to be served will be effectively met.

(2) That services will be delivered in a manner that accomplishes all of the following:

(A) All families have access to services regardless of cultural, linguistic, geographical, socioeconomic, or other similar barriers.

(B) Services are provided in accordance with families' linguistic and cultural preferences and needs.

(C) Services are coordinated with the existing family support organizations within the region.

(D) Promotes positive parent and professional collaboration with local educational agencies, special education local plan areas, and other community agencies.

56408. As a condition of receipt of funds, each Family Empowerment Center on Disability that receives assistance under this chapter and serves the parents and guardians of children and young adults from age three years to age 18 years, inclusive, and those young adults from age 19 years to age 22 years, who had an individualized education plan prior to their 18th birthday shall do all of the following:

(a) Provide training and information that meets the training and information needs of parents and guardians of children and young adults with disabilities living in the area served by the center, particularly those families and individuals who have been underserved .

(b) Work with community-based organizations and state and local agencies serving children with disabilities.

(c) Train and support parents and guardians of children and young adults with disabilities to do the following:

(1) Better understand the nature of their children's disabilities and their children's educational and developmental needs.

(2) Communicate effectively with personnel responsible for providing special education, early intervention, and related services.

(3) Participate in decisionmaking processes and the development of individualized education programs.

(4) Obtain appropriate information regarding the range of options, programs, services, and resources available to assist children and young adults with disabilities and their families.

(5) Participate in school improvement and reform activities.

(6) Advocate for the child's needs in a manner that promotes alternative forms of dispute resolution and positive relationships between parents and professionals .

56410. A statewide Family Empowerment and Disability Council composed of the executive directors for the Family Empowerment Centers on Disability shall be established. Membership on the Family Empowerment and Disability Council may also include the Executive Director or representative from the Family Resource Centers, funded by the Department of Developmental Services, and from the parent centers funded by the Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.). The department shall contract with an outside entity experienced with developing a statewide technical assistance disability network. A base amount of one hundred fifty thousand dollars

($150,000) shall be made available, from the annual appropriation made for the Family Empowerment Centers, to support the work of the council. The Family Empowerment and Disability Council shall, at a minimum, do all of the following:

(a) Provide central coordination of training and information dissemination, content, and materials for Family Empowerment Centers on Disability.

(b) Develop a technical assistance system and activities in accordance with a plan developed in conjunction with the directors of the Family Empowerment Centers on Disability.

(c) Ensure that a periodic assessment and evaluation of the service delivery and management of each Family Empowerment Center on Disability conducted by Family Empowerment Center on Disability directors and includes on the assessment and evaluation team at least one parent advocate from another region. The goal shall be to improve center management and the quality and efficiency of services delivered.

(d) Assist each center to build its capacity to serve its geographic region.

(e) Develop uniform tracking and data collection systems, which are not duplicative and interface with existing special education data systems, to be utilized by each Family Empowerment Center on Disability.

(f) Establish outcome-based evaluation procedures and processes to be used by the State Department of Education.

(g) Conduct media outreach and other public education efforts to promote the goals of the Family Empowerment Centers on Disability.

(h) Support and coordinate system change advocacy efforts at the local, state, and national level.

56412. When at least four Family Empowerment Centers on Disability have been in operation for two years, the State Department of Education shall contract, pursuant to funding made available in that fiscal year's Budget Act, with an outside entity to conduct an evaluation of the effectiveness of the services provided by the centers, including, but not limited to, the number of parents who have been trained, the number of cases handled by the centers, an estimate of the number of lawsuits avoided, and the overall effectiveness of the centers.

56414. The State Department of Education is required to implement this chapter only if an appropriation is made for this purpose in the Budget Act.

SEC. 2. (a) The sum of two million three hundred seventy-two thousand dollars ($2,372,000) is hereby appropriated to the State Department of Education from federal funds received pursuant to Section 1411 of Title 20 of the United States Code, in augmentation of schedule (4) of Item 6110-161-0890 of Section 2.00 of the Budget Act

of 2001. These funds shall be used for purposes of Chapter 4.3 (commencing with Section 56400) of Part 30 of the Education Code.

(b) The funds appropriated in subdivision (a) shall be appropriated to and allocated by the State Department of Education without regard to Provision 1 of Item 6110-161-0890 of Section 2.00 of the Budget Act of 2001.

CHAPTER 691

An act to add Sections 1262.5, 1262.6, 1262.7, and 1367.5 to the Health and Safety Code, and to add Sections 10117.5 and 10233.25 to the Insurance Code, relating to health facilities.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. (a) (1) It is the intent of the Legislature that each hospital patient be given information about his or her continuing health care requirements following discharge from the hospital. This is particularly important for patients transferred from a general acute care hospital to a skilled nursing facility or intermediate care facility.

(2) It is further the intent of the Legislature that each hospital patient be informed in writing of the right to information about continuing health care requirements following discharge from the hospital.

(b) (1) The Legislature finds and declares that patients being transferred to a skilled nursing facility or intermediate care facility need information regarding their continuing health care requirements so that they may advocate for appropriate care for themselves.

(2) The right to information regarding continuing health care requirements following discharge applies to the person who has legal responsibility to make decisions regarding medical care on behalf of the patient, if the patient is unable to make those decisions for himself or herself.

(3) In addition, a patient may request that friends or family members be given this information, even if the patient is able to make his or her own decisions regarding medical care.

SEC. 2. Section 1262.5 is added to the Health and Safety Code, to read:

1262.5. (a) Each hospital shall have a written discharge planning policy and process.

(b) The policy required by subdivision (a) shall require that appropriate arrangements for posthospital care, including, but not limited to, care at home, in a skilled nursing or intermediate care facility, or from a hospice, are made prior to discharge for those patients who are likely to suffer adverse health consequences upon discharge if there is no adequate discharge planning. If the hospital determines that the patient and family members or interested persons need to be counseled to prepare them for posthospital care, the hospital shall provide for that counseling.

(c) The process required by subdivision (a) shall require that the patient be informed, orally or in writing, of the continuing health care requirements following discharge from the hospital. The right to information regarding continuing health care requirements following discharge shall apply to the person who has legal responsibility to make decisions regarding medical care on behalf of the patient, if the patient is unable to make those decisions for himself or herself. In addition, a patient may request that friends or family members be given this information, even if the patient is able to make his or her own decisions regarding medical care.

(d) (1) A transfer summary shall accompany the patient upon transfer to a skilled nursing or intermediate care facility or to the distinct part-skilled nursing or intermediate care service unit of the hospital. The transfer summary shall include essential information relative to the patient's diagnosis, hospital course, pain treatment and management, medications, treatments, dietary requirement, rehabilitation potential, known allergies, and treatment plan, and shall be signed by the physician.

(2) A copy of the transfer summary shall be given to the patient and the patient's legal representative, if any, prior to transfer to a skilled nursing or intermediate care facility.

(e) A hospital shall establish and implement a written policy to ensure that each patient receives, at the time of discharge, information regarding each medication dispensed, pursuant to Section 4074 of the Business and Professions Code.

(f) A contract between a general acute care hospital and a health care service plan that is issued, amended, renewed, or delivered on or after January 1, 2002, may not contain a provision that prohibits or restricts any health care facility's compliance with the requirements of this section.

SEC. 3. Section 1262.6 is added to the Health and Safety Code, to read:

1262.6. (a) Each hospital shall provide each patient, upon admission or as soon thereafter as reasonably practical, written information regarding the patient's right to the following:

(1) To be informed of continuing health care requirements following discharge from the hospital.

(2) To be informed that, if the patient so authorizes, that a friend or family member may be provided information about the patient's continuing health care requirements following discharge from the hospital.

(3) Participate actively in decisions regarding medical care. To the extent permitted by law, participation shall include the right to refuse treatment.

(4) Appropriate pain assessment and treatment consistent with Sections 124960 and 124961.

(b) A hospital may include the information required by this section with other notices to the patient regarding patient rights. If a hospital chooses to include this information along with existing notices to the patient regarding patient rights, this information shall be provided when the hospital exhausts its existing inventory of written materials and prints new written materials.

SEC. 4. Section 1262.7 is added to the Health and Safety Code, to read:

1262.7. (a) A skilled nursing facility, as defined in subdivision (c) of Section 1250, shall admit a patient only upon a physician's order and only if the facility is able to provide necessary care for the patient.

(b) The administrator or designee of a skilled nursing facility shall be responsible for screening patients for admission to the facility to ensure that the facility admits only those patients for whom it can provide necessary care. The administrator, or his or her designee, shall conduct preadmission personal interviews as appropriate with the patient's physician, the patient, the patient's next of kin or sponsor, or the representative of the facility from which the patient is being transferred. A telephone interview may be conducted when a personal interview is not feasible.

SEC. 5. Section 1367.5 is added to the Health and Safety Code, to read:

1367.5. No health care service plan contract that is issued, amended, renewed, or delivered on and after January 1, 2002, shall contain a provision that prohibits or restricts any health facilities' compliance with the requirements of Section 1262.5.

SEC. 6. Section 10117.5 is added to the Insurance Code, to read:

10117.5. No disability insurer contract that covers hospital, medical, or surgical benefits that is issued, amended, renewed, or delivered on and after January 1, 2002, shall contain a provision that prohibits or restricts any health facilities' compliance with the requirements of Section 1262.5 of the Health and Safety Code.

SEC. 7. Section 10233.25 is added to the Insurance Code, immediately following Section 10233.2, to read:

10233.25. No long-term care policy or certificate that is issued, amended, renewed, or delivered on and after January 1, 2002, shall contain a provision that prohibits or restricts any health facilities' compliance with the requirements of Section 1262.5 of the Health and Safety Code.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 692

An act to add and repeal Chapter 7 (commencing with Section 4099) of Part 1 of Division 4 of the Welfare and Institutions Code, relating to mental health, and making an appropriation therefor.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

I am signing Senate Bill 639 which would require the California Health and Human Services Agency to develop a strategic plan for improving access to mental health services for persons with Alzheimer's disease or related dementia.

However, given the rapid decline of our economy and a budget shortfall of $1.1 billion through the first three months of this fiscal year alone, I have no choice but to oppose additional General Fund spending. I am directing the Health and Human Services Agency to develop the strategic plan within existing resources.

GRAY DAVIS, Governor

The people of the State of California do enact as follows:

SECTION 1. Chapter 7 (commencing with Section 4099) is added to Part 1 of Division 4 of the Welfare and Institutions Code, to read:

CHAPTER 7. STRATEGIC PLAN FOR ALZHEIMER'S DISEASE AND RELATED DISORDERS

4099. The Legislature finds and declares all of the following:

(a) There is no cure for Alzheimer's disease, a progressive neurological disease, that slowly robs its victims of their cognitive and physical abilities.

(b) Seventy percent of persons with Alzheimer's disease reside at home in the community and rely on both formal and informal support to maintain dignity and independence.

(c) The predictable progression of the disease eventually leads to cognitive, behavioral, and personality changes that may include psychiatric symptoms such as anxiety, depression, hallucinations, delusions, and agitation.

(d) Both formal and informal caregivers must address increasingly complex needs that arise from the effects of the disease on the person and frequently find themselves faced with a crisis of care.

(e) Persons who suffer from Alzheimer's disease and individuals whose symptoms are suggestive of a dementia-related condition, when in crisis, often present themselves in overcrowded emergency rooms, while others are identified by law enforcement, who do not have the training or expertise to assess the medical and cognitive condition of the individual and who do not have access to expert assistance.

(f) There are numerous examples of avoidable incarceration, hospitalization, or placement in unnecessarily expensive and inappropriate institutional settings as a result of an episode that could have been stabilized with a rapid, interdisciplinary and coordinated crisis response.

(g) Alzheimer's patients often encounter barriers to accessing effective services in the appropriate setting due to uncoordinated, limited, and exclusionary funding streams.

(h) It is in the interest of the state to design and encourage more humane, effective, and efficient solutions to the significant caregiving crisis that arises from the progression of Alzheimer's disease and other related disorders.

4099.1. For purposes of this chapter, the following definitions apply:

(a) ''Alzheimer's disease or related dementia'' means persons with Alzheimer's disease or related dementia or individuals whose symptoms are suggestive of a dementia-related condition.

(b) ''Caregivers'' means both formal and informal caregivers.

4099.3. The California Health and Human Services Agency shall develop a strategic plan for improving access to mental health services by persons with Alzheimer's disease or related disorders, for treatable mental health conditions. The agency may use consultant services for this purpose. The plan shall be developed with consultation and collaboration with the agency's Alzheimer's Disease and Related Disorders Advisory Committee, the California Mental Health Planning

Council, the State Department of Mental Health, the California Department of Aging, the State Department of Health Services, the California Mental Health Directors Association, the California Council of the Alzheimer's Association, and other departments and organizations, as deemed appropriate by the agency, with expertise and experience in the unique needs of this population. The plan shall be completed and a report submitted to the Governor and the Legislature no later than January 1, 2003.

4099.4. (a) This chapter shall become inoperative on January 1, 2003, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2003, deletes or extends the dates on which it becomes inoperative and is repealed.

(b) This chapter shall be implemented only to the extent that funds are appropriated for this purpose.

SEC. 2. The sum of eighty-five thousand dollars ($85,000) is hereby appropriated, without regard to fiscal years, from the General Fund to the California Health and Human Services Agency, for the purposes of implementing Chapter 7 (commencing with Section 4099) of Part 1 of Division 4 of the Welfare and Institutions Code.

CHAPTER 693

An act to amend Section 4426 of the Business and Professions Code, and to add Division 111 (commencing with Section 130400) to the Health and Safety Code, relating to health, and making an appropriation therefor.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 4426 of the Business and Professions Code is amended to read:

4426. The State Department of Health Services shall conduct a study of the adequacy of Medi-Cal pharmacy reimbursement rates including the cost of providing prescription drugs and services. The department shall report the results of the study to the Legislature by July 1, 2002.

SEC. 2. Division 111 (commencing with Section 130400) is added to the Health and Safety Code, to read:

DIVISION 111. GOLDEN BEAR STATE PHARMACY ASSISTANCE PROGRAM

130400. (a) This division shall be known, and may be cited as, the Golden Bear State Pharmacy Assistance Program.

(b) As used in this division:

(1) ''Department'' means the State Department of Health Services.

(2) ''Fund'' means the Golden Bear State Pharmacy Assistance Program Rebate Fund.

130401. (a) In addition to participating in the program provided for under Article 24 (commencing with Section 4425) of the Business and Professions Code, any Medicare beneficiary may participate in the program provided for under this division.

(b) The department shall conduct an outreach program to inform Medicare beneficiaries of their right to participate in this program. Medicare beneficiaries shall be informed that the amount of the prescription discount shall fluctuate quarterly.

(c) In order to participate in the program provided for under this division, a Medicare beneficiary shall be required to register on a one-time basis. Registration may be made at any pharmacy participating in this program. In order to register for the program, the Medicare beneficiary shall pay to the pharmacy an administrative fee, which the pharmacy shall retain, in an amount to be established by the department. Upon payment of this fee, the pharmacy shall issue a program registration card, which shall be prepared and provided to the pharmacy by the department, to the Medicare beneficiary.

130402. (a) Any pharmacy may participate in the program provided for under this division. However, this division shall apply only to prescriptions dispensed to noninstitutionalized Medicare beneficiaries.

(b) Any drug manufacturer may participate in the program provided for under this division.

130403. (a) The department shall attempt to negotiate rebate amounts with drug manufacturers for all prescription drugs purchased by Medicare beneficiaries.

(b) If the department determines that it is unable to negotiate rebates with a sufficient number of drug manufacturers, it may cease to continue implementation of this division.

130404. (a) With respect to any prescription drug for which a rebate amount has been negotiated pursuant to Section 130403, upon presentation of a program registration card issued pursuant to Section 130401, a participating pharmacy shall charge Medicare beneficiaries a price for a prescription drug that does not exceed the following computed price:

(1) The Medi-Cal reimbursement rate for the prescription drug, and an amount, as set by the department, to cover electronic transmission charges.

(2) The amount ascertained pursuant to paragraph (1) shall be reduced by a percentage to be determined by the department based on the amount of rebate moneys available in the fund.

(b) The pharmacy shall request, and the department shall provide, through electronic means, the price to be charged pursuant to this section.

(c) This division shall not apply to any prescription that is covered by insurance.

130405. Whenever a pharmacy provides a prescription drug to an individual pursuant to Section 130404, the pharmacy shall bill the department for the amount computed pursuant to paragraph (2) of subdivision (a) of Section 130404 and the department shall pay that amount.

130406. (a) The department shall notify a drug manufacturer of all instances in which it has paid a rebate amount pursuant to Section 130405 with respect to one of the manufacturer's drugs.

(b) A drug manufacturer shall pay the department the amount of any rebate of which the drug manufacturer is notified pursuant to subdivision (a).

130407. (a) The department shall deposit all payments received pursuant to Section 130406 into the Golden Bear State Pharmacy Assistance Program Rebate Fund, which is hereby created in the State Treasury.

(b) Notwithstanding Section 13340 of the Government Code, the fund is hereby continuously appropriated to the department without regard to fiscal years for the purpose of paying rebates pursuant to Section 130405 and for defraying the costs of administering this division.

130408. The department shall develop a program to prevent the occurrence of fraud under this division.

130409. The department may hire any staff needed for the implementation of this division. To implement this program, the department may use the contract with the Medi-Cal fiscal intermediary to administer the program and enroll Medicare beneficiaries, collect rebates, and pay claims, only if services provided under this program are specifically identified and reimbursed in a manner that does not claim federal financial reimbursement. For purposes of this division, use of the Medi-Cal program fiscal intermediary shall be exempt from Part 2 (commencing with Section 10100) of Division 1 of the Public Contract Code. This division shall not be implemented unless and until the director executes a declaration, which shall be retained by the director,

stating that all federal approvals necessary for implementation of this division have been received.

SEC. 3. (a) There is hereby appropriated the sum of one million dollars ($1,000,000) from the General Fund to the State Department of Health Services, for deposit in the Golden Bear State Pharmacy Assistance Program Rebate Fund, in order to provide funds for startup costs for implementation of Division 111 (commencing with Section 130400) of the Health and Safety Code. These funds may be used for, among other things, the development of technical systems, and for negotiating rebates with drug manufacturers.

(b) The money appropriated pursuant to this section shall be in the form of a loan. The department shall be required to repay this loan to the General Fund, except to the extent that any moneys have been expended and the provisions of this act are unable to be implemented.

(c) It is the intent of the Legislature to enact legislation that provides for an additional loan of one million dollars ($1,000,000), to be made after the department determines that it has negotiated sufficient rebate agreements to implement this act. The moneys from this second loan would be used for pharmacy rebates until sufficient moneys are paid into the Golden Bear State Pharmacy Assistance Program Rebate Fund.

CHAPTER 694

An act to add and repeal Section 16012 of the Welfare and Institutions Code, relating to foster care, and making an appropriation therefor.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) In 1996, the Early Start to Emancipation Program was established in the County of Los Angeles as a means of identifying foster youth as they transitioned from middle school to high school who needed help to thrive during the high school years.

(b) The intent of the Early Start to Emancipation Program is to address the transitional independent living plan adopted by the State Department of Social Services as part of county child welfare services/case management system requirements that determines the level of emancipation readiness of youth under the care of the state. As the youth complete the program's emancipation preparation assessment, which is provided for under a transitional independent living plan, they

are introduced to a series of activities that build on skills and knowledge necessary for school, community, and interpersonal interactions. The program design involves the youth in multilevel, self-paced team activities.

(c) The basic components for the Early Start to Emancipation Program include, but are not limited to, all of the following:

(1) Outreach, assessment, and transitional independent living plan services.

(2) Workshops in which the youth learn skills.

(3) Field assignments for applying skills learned in workshops.

(4) Tutoring.

(5) Career exposure.

(d) The Early Start to Emancipation Program has assessed several thousand youth since 1996, and has provided direct services to many of them.

(e) The Early Start to Emancipation Program currently operating in the County of Los Angeles has been a valuable means of preparing foster youth 14 and 15 years of age for emancipation in a manner that will maximize their chances of graduating from high school and entering college.

(f) It is the intent of the Legislature that the State Department of Social Services establish and implement a foster youth training institute that will train counties in implementing programs similar to the Early Start to Emancipation Program.

SEC. 2. Section 16012 is added to the Welfare and Institutions Code, to read:

16012. (a) The department shall provide technical assistance and training to help counties that elect to establish Early Start to Emancipation programs similar to a program established in the County of Los Angeles that provides services to foster youth 14 and 15 years of age as they transition from middle school to high school.

(b) Services to be provided by these county programs shall include, but are not limited to, outreach and assessment, workshops for high school preparation, and tutoring. Programs shall also establish emancipation teams, which shall include county social workers, group home staff, probation officers, care providers, and other interested parties.

(c) The department, in consultation with the County of Los Angeles and the Community College Foundation, shall adopt regulations necessary to implement this section.

(d) The department may contract with a qualified entity to carry out the provisions of this section.

(e) This section shall remain in effect only until January 1, 2007, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2007, deletes or extends that date.

SEC. 3. (a) The sum of one hundred twenty-five thousand dollars ($125,000) is hereby appropriated from the General Fund to the State Department of Social Services for the purposes specified in subdivision (b).

(b) Of the funds appropriated pursuant to subdivision (a), up to one hundred thousand dollars ($100,000) may be allocated to a county that has already engaged in planning to develop and implement an Early Start to Emancipation Program, for the purpose of developing and implementing a program pursuant to Section 16012 of the Welfare and Institutions Code and for foster youth in the county. The remainder of the funds appropriated pursuant to subdivision (a) shall be used by the department to provide technical assistance to counties pursuant to Section 16012 of the Welfare and Institutions Code.

CHAPTER 695

An act to add Article 8 (commencing with Section 17590) to Chapter 1 of Part 3 of Division 7 of the Business and Professions Code, relating to advertising.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Article 8 (commencing with Section 17590) is added to Chapter 1 of Part 3 of Division 7 of the Business and Professions Code, to read:

Article 8. Unsolicited and Unwanted Telephone Solicitations

17590. (a) There is a compelling state interest to protect the privacy of residential or wireless telephone subscribers who wish to avoid unsolicited and unwanted telephone solicitations. For the purposes of this article, a residential or wireless telephone subscriber shall be referred to as a subscriber.

(b) The act of becoming a subscriber should not undermine or lessen a person's right of privacy as guaranteed under Section 1 of Article I of the California Constitution.

17591. (a) The Attorney General shall not later than January 1, 2003, maintain a ''do not call'' list, updated no less frequently than quarterly, which shall set forth the California telephone numbers and ZIP Codes, but not the names or addresses, of subscribers, arranged by area code and numerical sequence, who do not wish to receive unsolicited and unwanted telephone calls from telephone solicitors as defined in Section 17592. The ''do not call'' list shall indicate any exclusions designated by the subscriber as provided in subdivision (b).

(b) Subscribers may place their telephone numbers and ZIP Codes on the ''do not call'' list in the manner prescribed by the Attorney General. The subscriber's placement on the ''do not call'' list shall expire three years after the date on which the subscriber's telephone number and ZIP Code first became available on the list to telephone solicitors. The Attorney General shall triennially charge these subscribers a fee not to exceed one dollar ($1.00). A subscriber may exclude from the coverage of the ''do not call'' list telephone calls from entities identified by the subscriber. The subscriber shall designate any exclusions in the manner prescribed by the Attorney General.

(c) Telephone solicitors, as defined in Section 17592, shall obtain copies of the ''do not call'' list by paying a fee to the Attorney General in an amount not to exceed the costs incurred by the Attorney General in the preparation, maintenance, production, and distribution of that list. The Attorney General shall establish a sliding scale fee schedule, charging a telephone solicitor with more than 1,000 employees or independent contractors the maximum fee and charging a telephone solicitor with fewer than five full-time employees no fee. The Attorney General shall provide a telephone solicitor the option of paying this fee on a quarterly or annual basis. The Attorney General shall offer a statewide list and shall also offer lists of areas within the state. The determination of the number and definition of areas shall be within the discretion of the Attorney General.

(d) The Attorney General shall utilize the best available, cost-effective technology to ensure that subscribers may easily place their telephone numbers on the ''do not call'' list. This technology includes, but is not limited to, methods by which a subscriber may effect placement on the list by using a state-designated Internet Web site or a designated, statewide toll-free telephone number. When the subscriber utilizes the toll-free telephone number method, the subscriber shall call from the telephone that is also the number to be included on the list. The Attorney General shall also utilize the best available, cost-effective technology to ensure that telephone solicitors may easily obtain and manipulate the ''do not call'' list. This technology may include, but is not limited to, methods that are computer compatible and that allow the downloading of the list and the sorting of the list by ZIP Code and that

make the list available on CD-ROM. The Attorney General may contract with a private vendor to establish, maintain, and administer the ''do not call'' list and a contract entered into in that regard shall include appropriate provisions to protect the confidentiality of subscriber information. The Attorney General may promulgate regulations to implement the provisions of this article.

(e) It is the intent of the Legislature that the fees paid to the Attorney General by telephone solicitors and subscribers be utilized by the Attorney General in carrying out this article. The Attorney General shall annually reduce the amount of the fee paid by subscribers and telephone solicitors set forth in this section based on revenue history and costs so that the fees do not exceed the actual estimated costs in carrying out this article. The fees obtained by the Attorney General shall be deposited in the Special Telephone Solicitors Fund, which is hereby created. All moneys in the fund shall be subject to annual appropriation in the Budget Act.

(f) A person or entity that obtains a ''do not call'' list shall not use the list for any purpose other than to comply with this article. These unlawful purposes include, but are not limited to, causing a subscriber to participate in and be included on, the ''do not call'' list without the subscriber's knowledge or consent, selling or leasing the ''do not call'' list to a person other than a telephone solicitor, selling or leasing by a telephone solicitor of the ''do not call'' list, and a telephone solicitor, either directly or indirectly, persuading a subscriber with whom it has an established business relationship to place his or her telephone number on the ''do not call'' list, if the solicitation has the effect of preventing competitors from contacting that solicitor's customers.

17592. (a) For purposes of this article, a ''telephone solicitor'' means any person or entity who, on his or her own behalf or through salespersons or agents, announcing devices, or otherwise, makes or causes a telephone call to be made to a California telephone number that does any of the following:

(1) Seeks to offer a prize or to rent, sell, exchange, promote, gift, or lease goods or services or documents that can be used to obtain goods or services.

(2) Offers or solicits or seeks to offer or solicit any extension of credit for personal, family, or household purposes.

(3) Seeks marketing information that will or may be used for the direct solicitation of a sale of goods or services to the subscriber.

(4) Seeks to sell or promote any investment, insurance, or financial services.

(5) Seeks to make any telephone solicitation or attempted telephone solicitation as described in Section 17511.1.

(b) A person or entity does not necessarily qualify as a telephone solicitor if the products or services of the person or entity are sold or marketed by an independent contractor whose business practices are not controlled by the person or entity.

(c) Except for telephone calls described in subdivision (e), beginning on the 31st day after the current ''do not call'' list becomes available, no telephone solicitor shall call any telephone number on the then current ''do not call'' list and do any of the following:

(1) Seek to offer a prize or to rent, sell, exchange, promote, gift, or lease goods or services or documents that can be used to obtain goods or services.

(2) Offer or solicit or seeks to offer or solicit any extension of credit for personal, family, or household purposes.

(3) Seek marketing information that will or may be used for the direct solicitation of a sale of goods or services to the subscriber.

(4) Seek to sell or promote any investment, insurance, or financial services.

(5) Seek to make any telephone solicitation or attempted telephone solicitation as described in Section 17511.1.

Between the time that a new ''do not call'' list becomes available and the 31st day thereafter when it becomes effective, telephone solicitors shall not call any telephone number on the previously available ''do not call'' list, if there was a list.

(d) No person or entity that sells, leases, exchanges, or rents telephone solicitation lists, except for directory assistance and telephone directories sold by telephone companies or their affiliates, shall include in those lists those telephone numbers that appear on the current ''do not call'' list.

(e) Subdivision (c) shall not apply to any of the following:

(1) Telephone calls made in response to the express request of the subscriber called, if the request was made prior to the telephone call to the subscriber; an advertisement by the subscriber; or in response to the express, written or electronically written permission of the subscriber obtained pursuant to subdivision (f). ''Express request'' or ''prior written permission'' does not include any consent or permission included in any contract of adhesion. ''Express request'' may include a telephone call from a person or entity who has been provided the subscriber's telephone number and name as a referral from a solicitor with which the subscriber has an established business relationship, if that solicitor has obtained the subscriber's express request for the referral. A telephone call is presumed not to be made at the express request of a subscriber if one of the following occurs, as applicable:

(A) The call is made 30 business days after the last date on which the subscriber contacted a business with the purpose of inquiring about the potential purchase of goods or services.

(B) The call is made 30 business days after the last date on which the subscriber consented to be contacted.

(C) The call is made after the subscriber has requested that no further telephone calls be made to him or her.

(D) The call is made 30 business days after a product or service becomes available where the subscriber has made a request to the business for that product or service that is not then available, and requests a call when the product or service becomes available.

(2) Telephone calls made in connection with the collection of a debt or the offer by a creditor to the subscriber of an extension of credit to pay a delinquent obligation owed by the subscriber to that creditor.

(3) Telephone calls that the subscriber excluded from the coverage of the ''do not call'' list as provided in subdivision (b) of Section 17591.

(4) Telephone calls made to a subscriber if the telephone solicitor has an established business relationship with the subscriber. As used in this article, ''established business relationship'' means a relationship formed by a voluntary, two-way communication between a telephone solicitor and a subscriber with or without an exchange of consideration, on the basis of an application, purchase, rental, lease, or transaction if the relationship has not been terminated by the subscriber or the solicitor. This term also includes a relationship with a nonprofit entity formed through means such as previous donations to the nonprofit entity or participation in or attendance at, events held by the nonprofit entity. If a subscriber purchases or obtains a product or service through a licensed agent or broker, for purposes of this article an established business relationship is created with the licensed agent or broker individually, apart from and in addition to, any established business relationship that may have been created by a licensed agent or broker acting on behalf of another, and the licensed agent or broker is a telephone solicitor, as defined in subdivision (a). Notwithstanding the provisions of this paragraph, an established business relationship does not exist between the subscriber and any separate legal entity associated with the telephone solicitor not acting as an agent or vendor on behalf of the telephone solicitor, as defined in subdivision (a), unless the separate legal entity shares the brand name of a business with which the subscriber has an otherwise established business relationship. If a separate legal entity with which a subscriber does not otherwise have an established business relationship telephones a subscriber on the basis that the entity shares the brand name, and the subscriber instructs the entity to place the subscriber on the entity's ''do not call'' list pursuant to Section 64.1200 of Title 47 of the Code of Federal Regulations and Part 310 of Title 16 of the Code

of Federal Regulations, that instruction shall be binding on the entity with which the subscriber has the established business relationship, with the entity that has the shared brand name, and all other entities that share that brand name. Separate legal entities include, but are not limited to, any parent company or entity, any subsidiary company or entity, any partnership or copartner, any joint venture or venturer, association member, or comember, or any affiliated company or entity.

(5) Telephone calls made by an individual businessperson or a small business if the individual businessperson or small business employs no more than five full or part-time employees or independent contractors, the individual businessperson or a principal of the small business makes the telephone calls himself or herself for the sale of goods or services offered by that individual businessperson or small business, and the telephone calls are made to subscribers within a 50-mile radius of the location of the individual businessperson or small business. For purposes of this section, the services offered by the individual businessperson or small business cannot be telemarketing services. For purposes of this section, those independent contractors and employees with whom an individual businessperson or a small business is required to have a written independent contractor or employment agreement pursuant to a regulatory scheme to ensure regulatory accountability of those independent contractors or employees, are not counted against the total referenced above.

(6) A telephone call made solely to verify that a subscriber, and not an unauthorized third party, has terminated an established business relationship.

(7) Telephone calls made by a tax-exempt charitable organization.

(f) Nothing in this section prohibits a telephone solicitor from contacting by mail a subscriber whose telephone number appears on the ''do not call'' list to obtain the subscriber's express written permission allowing the telephone solicitor to make the calls described in subdivision (c). In any dispute regarding whether a subscriber has provided this express written permission, the telephone solicitor has the burden of proving that the subscriber has provided this permission by producing the original or a facsimile document, signed by the subscriber, evidencing that permission.

17593. (a) The Attorney General, a district attorney, or a city attorney may bring a civil action in any court of competent jurisdiction against a telephone solicitor to enforce the article and to obtain any one or more of the following remedies:

(1) An order to enjoin the violation.

(2) A civil penalty of up to five hundred dollars ($500) for the first violation and up to one thousand dollars ($1,000) for a second and each subsequent violation. The civil penalties obtained shall be used to defray

any administrative costs associated with the implementation of this article.

(3) Any other relief that the court deems proper.

(b) Any person who has received a telephone solicitation that is prohibited by Section 17592, or whose telephone number was used in violation of subdivision (f) of Section 17591, may bring a civil action in small claims court for an injunction or order to prevent further violations. If a person obtains an injunction or order under this subdivision and service of the injunction or order is properly effected, a person who thereafter receives further solicitations in violation of the injunction or order within 30 days after service of the initial injunction or order, may file a subsequent action in small claims court seeking enforcement of the injunction or order and a civil penalty to be awarded to the person in an amount up to one thousand dollars ($1,000). For purposes of this subdivision, a person's claims may not be aggregated to establish jurisdiction in a court other than small claims court. For purposes of this subdivision, a defendant is not required to personally appear, but may appear by affidavit or by written instrument.

(c) The rights, remedies, and penalties established by this article are in addition to the rights, remedies, or penalties established under other laws.

(d) It shall be an affirmative defense to any action brought under this article that the violation was accidental and in violation of the telephone solicitor's policies and procedures and telemarketer instruction and training.

17594. A ''do not call'' list prepared or maintained by the Attorney General and any information submitted to the Attorney General by a subscriber for use in preparing or maintaining that list shall not be disclosed pursuant to a request made under Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code.

17595. If a federal agency, pursuant to paragraph (3) of subsection (c) of Section 227 of Title 47 of the United States Code, establishes a single national data base of telephone numbers of subscribers who object to receiving telephone solicitations the department shall include the part of that single national data base that relates to California in the ''do not call'' list established by Section 17591.

SEC. 2. The provisions of this act are severable. If any provision of this article or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates

a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 696

An act to add Section 2875.5 to the Public Utilities Code, relating to public utilities.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 10, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 2875.5 is added to the Public Utilities Code, to read:

2875.5. (a) On and after July 1, 2002, no person operating any automatic equipment that incorporates a storage capability of telephone numbers to be called or a random or sequential number generator capable of producing numbers to be called may make a telephone connection for which no person, acting as an agent or telemarketer, is available for the person called.

(b) Notwithstanding subdivision (a), the commission shall establish an acceptable error rate for telephone connections made in violation of subdivision (a). The commission shall determine the error rate, if any, before July 1, 2002.

(c) The commission may require any person operating equipment as described in subdivision (a) to maintain records of telephone connections made for which no person, acting as an agent or telemarketer, is available for the person called. The commission may require copies of those records to be submitted to the commission.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 697

An act to add and repeal Article 4.6 (commencing with Section 44510) of Chapter 3 of Part 25 of the Education Code, relating to certificated school employees.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Article 4.6 (commencing with Section 44510) is added to Chapter 3 of Part 25 of the Education Code, to read:

Article 4.6. Principal Training Program

44510. (a) This article shall be known and may be cited as the Principal Training Program.

(b) The Principal Training Program is hereby created. The Superintendent of Public Instruction, with the approval of the State Board of Education, shall administer the program.

(c) For purposes of this article, the following terms have the following meanings:

(1) ''Hard-to-staff school'' means a school in which teachers holding emergency permits or credential waivers make up 20 percent or more of the teaching staff.

(2) ''Local education agency'' means a school district, a county office of education, or a charter school.

(3) ''Low-performing school'' means a school in the bottom half of all schools based on the Academic Performance Index rankings established pursuant to subdivision (a) of Section 52056.

(4) ''Schoolsite administrator'' means a person employed on a full-time or a part-time basis as a principal or a vice principal at a public school in which kindergarten or any of grades 1 to 12, inclusive, are taught.

44511. (a) From funds appropriated for the purpose of this article, the Superintendent of Public Instruction shall award incentive funding to provide schoolsite administrators with instruction and training in areas including, but not limited to, the following:

(1) School financial and personnel management.

(2) Core academic standards.

(3) Curriculum frameworks and instructional materials aligned to the state academic standards.

(4) The use of pupil assessment instruments, specific ways of mastering the use of assessment data from the Standardized Testing and

Reporting Program, and school management technology to improve pupil performance.

(5) The provision of instructional leadership and management strategies regarding the use of instructional technology to improve pupil performance.

(6) Extension of the knowledge, skills, and abilities acquired in the preliminary administrative preparation program that is designed to strengthen the ability of administrators to serve all pupils in the school to which they are assigned.

(b) The additional instruction and training areas that may be considered to improve pupil learning and achievement based upon the needs of participating schoolsite administrators, include pedagogies of learning, motivating pupil learning, collaboration, conflict resolution, diversity, parental involvement, employee relations, and the creation of effective learning and workplace environments.

(c) All local education agencies are eligible to apply for funds appropriated for the purpose of this article.

44512. (a) To receive incentive funding for the purpose of this article, a local education agency, individually or in partnership with one or more institutions of higher education or other education entities, shall submit a program proposal to the State Board of Education. The program proposal shall contain an expenditure plan and shall specify how the training program for which funding is being requested addresses the program goals specified in paragraphs (1) to (6), inclusive, of subdivision (a) of Section 44511 and how the local education agency plans to continue ongoing schoolsite administrator professional development.

(b) The State Board of Education shall approve or disapprove a local education agency's plan.

(c) Training programs offered pursuant to this article shall have a duration of no fewer than 80 hours and shall involve a minimum of 80 hours of intensive individualized support and professional development in the areas specified in subdivision (a) of Section 44511. The additional 80 hours of intensive individualized support and professional development may be completed over a period of up to two years once the initial 80 hours of training commences.

44513. (a) Before September 15, 2001, the State Board of Education shall convene and commence the process of developing rigorous criteria for the approval of state-qualified training providers. The board shall develop the criteria in consultation with the Commission on Teacher Credentialing or any other individual or group with expertise in the areas set forth in subdivision (a) of Section 44511.

(b) A local education agency that receives funding pursuant to this article shall use a state-qualified provider to offer training that has been approved by the State Board of Education.

(c) The Commission on Teacher Credentialing may approve a program developed pursuant to this article as meeting a portion or all of the requirements to fulfill the standards for a professional clear administrative services credential.

44514. (a) Incentive funding amounts for purposes of this article may not exceed three thousand dollars ($3,000) per schoolsite administrator. This funding shall be received by a local education agency in accordance with the specifications contained in Section 44515 once the local education agency's training plan is approved by the State Board of Education. For each three thousand dollars ($3,000) that is received pursuant to this article, a participating local education agency shall provide one thousand dollars ($1,000) in matching funds that shall be used for costs associated with training offered pursuant to this article. Any combination of local, federal, or private resources or contributions may be used for the local agency's match. In-kind resources or in-kind contributions may not be used for the local agency's match.

(b) If it is determined pursuant to a program audit that a participating local educational agency failed to provide training as described in subdivision (a) of Section 44511 and subdivision (c) of Section 44512 to all school administrators for whom it received funding, the Superintendent of Public Instruction shall withhold from the local education agency's next monthly principal apportionment three thousand dollars ($3,000) for each school administrator who did not receive the training.

(c) The State Board of Education shall establish a procedure and criteria for local education agencies to appeal to the board the finding of a program audit pursuant to this article. The State Board of Education may reduce or eliminate the amount to be withheld pursuant to subdivision (b).

44515. (a) Program funding is intended to serve one-third of the total number of public school principals and vice principals in each of the first two years of program implementation, with the remaining public school principals and vice principals to be served in the third and final year of the program.

(b) A local education agency shall receive program funding to train up to one-third of its schoolsite administrators in the 2001–02 fiscal year, one-third in the 2002–03 fiscal year, and one-third in the 2003–04 fiscal year.

(c) If all of the statewide funding is not expended in a fiscal year, it may be redistributed on a pro rata basis to local education agencies that

have served more than one-third of their schoolsite administrators during that fiscal year.

(d) It is the intent of the Legislature that a local education agency give highest priority to training administrators assigned to, and practicing in, low-performing or hard-to-staff schools.

44516. (a) By July 1, 2004, the State Department of Education shall develop, subject to review and approval by the State Board of Education, an interim report for submission to the Legislature regarding the status of the program established pursuant to this article. The interim report shall, at a minimum, detail the following:

(1) The number of principals and vice principals, respectively, who received training offered pursuant to this article.

(2) The entities that received funds for the purpose of offering training pursuant to this article and the number of principals and vice principals, respectively, that each has trained.

(3) A comparison of the Academic Performance Index scores for schools within participating local education agencies for the year before the school's administrators receive training pursuant to this article and for the first year after the school's administrators complete the training provided pursuant to this article.

(4) Relevant data required to be included in the school accountability report card pursuant to Section 33126.

(b) By June 30, 2005, the State Department of Education shall develop, subject to review and approval by the State Board of Education, a final report for submission to the Legislature regarding the program established pursuant to this article. The final report shall, at a minimum, detail the following:

(1) The number of principals and vice principals, respectively, who received training offered pursuant to this article.

(2) The entities that received funds for the purpose of offering training pursuant to this article and the number of principals and vice principals, respectively, that each has trained.

(3) Information detailing the effectiveness of the program established pursuant to this article. This information, at a minimum, shall incorporate survey data concerning program effectiveness that has been gathered from program participants.

(4) Information detailing the retention rate of principals and vice principals, respectively, who participated in training offered pursuant to this article.

(5) A comparison of the Academic Performance Index scores for schools within participating local education agencies for the year before the school's administrators receive training pursuant to this article and for the second year after the school's administrators complete the training provided pursuant to this article.

(6) Relevant data required to be included in the school accountability report card pursuant to Section 33126.

44517. This article shall become inoperative on July 1, 2006, and, as of January 1, 2007, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2007, deletes or extends the dates on which it becomes inoperative and is repealed.

CHAPTER 698

An act to amend Sections 6380 and 6383 of the Family Code, and to amend Section 136.2 of the Penal Code, relating to victim and witness intimidation.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature recognizes that both criminal courts and civil courts may issue protective orders or restraining orders to prevent domestic violence. Orders issued by the criminal court also serve to protect the safety of a victim or a witness in a criminal proceeding. In addition, a restrained person and the victim or witness may have a child or children in common, and, if a court deems it appropriate to grant visitation, civil protective or restraining orders may permit contact between the parties for exchange of the child or children. In those cases, it is the intent of the Legislature to (a) permit appropriate visitation between a defendant and his or her children pursuant to civil court orders, but at the same time provide for the safety of the victim or witness by ensuring that a ''no contact'' order issued by the criminal court is not violated, and (b) request the Judicial Council to establish a protocol for the timely coordination of multiple orders that involve the same parties. The purpose of the protocol is to protect the rights of all parties and enhance the ability of law enforcement to enforce orders.

SEC. 2. Section 6380 of the Family Code is amended to read:

6380. (a) Each county, with the approval of the Department of Justice, shall, by July 1, 1996, develop a procedure, using existing systems, for the electronic transmission of data, as described in subdivision (b), to the Department of Justice. The data shall be electronically transmitted through the California Law Enforcement Telecommunications System (CLETS) of the Department of Justice by law enforcement personnel, or with the approval of the Department of Justice, court personnel, or another appropriate agency capable of

maintaining and preserving the integrity of both the CLETS and the Domestic Violence Restraining Order System, as described in subdivision (e). Data entry is required to be entered only once under the requirements of this section, unless the order is served at a later time. A portion of all fees payable to the Department of Justice under subdivision (a) of Section 1203.097 of the Penal Code for the entry of the information required under this section, based upon the proportion of the costs incurred by the local agency and those incurred by the Department of Justice, shall be transferred to the local agency actually providing the data. All data with respect to criminal court protective orders issued, modified, extended, or terminated under subdivision (g) of Section 136.2 of the Penal Code shall be transmitted by the court or its designee within one business day to law enforcement personnel by either one of the following methods:

(1) Transmitting a physical copy of the order to a local law enforcement agency authorized by the Department of Justice to enter orders into CLETS.

(2) With the approval of the Department of Justice, entering the order into CLETS directly.

(b) Upon the issuance of a protective order to which this division applies pursuant to Section 6221, or the issuance of a temporary restraining order or injunction relating to harassment or domestic violence pursuant to Section 527.6 or 527.8 of the Code of Civil Procedure, or the issuance of a criminal court protective order under subdivision (g) of Section 136.2 of the Penal Code, or the issuance of a juvenile court restraining order related to domestic violence pursuant to Section 213.5, 304, or 362.4 of the Welfare and Institutions Code, or the issuance of a protective order pursuant to Section 15657.03 of the Welfare and Institutions Code, or upon registration with the court clerk of a domestic violence protective or restraining order issued by the court of another state, as defined in Section 145, or a military tribunal or tribe, and including any of the foregoing orders issued in connection with an order for modification of a custody or visitation order issued pursuant to a dissolution, legal separation, nullity, or paternity proceeding the Department of Justice shall be immediately notified of the contents of the order and the following information:

(1) The name, race, date of birth, and other personal descriptive information of the respondent as required by a form prescribed by the Department of Justice.

(2) The names of the protected persons.

(3) The date of issuance of the order.

(4) The duration or expiration date of the order.

(5) The terms and conditions of the protective order, including stay-away, no-contact, residency exclusion, custody, and visitation provisions of the order.

(6) The department or division number and the address of the court.

(7) Whether or not the order was served upon the respondent.

(8) The terms and conditions of any restrictions on the ownership or possession of firearms.

All available information shall be included; however, the inability to provide all categories of information shall not delay the entry of the information available.

(c) The information conveyed to the Department of Justice shall also indicate whether the respondent was present in court to be informed of the contents of the court order. The respondent's presence in court shall provide proof of service of notice of the terms of the protective order. The respondent's failure to appear shall also be included in the information provided to the Department of Justice.

(d) Immediately upon receipt of proof of service the clerk of the court, and immediately after service any law enforcement officer who served the protective order, shall notify the Department of Justice, by electronic transmission, of the service of the protective order, including the name of the person who served the order and, if that person is a law enforcement officer, the law enforcement agency.

(e) The Department of Justice shall maintain a Domestic Violence Restraining Order System and shall make available to court clerks and law enforcement personnel, through computer access, all information regarding the protective and restraining orders and injunctions described in subdivision (b), whether or not served upon the respondent.

(f) If a court issues a modification, extension, or termination of a protective order, it shall be on forms adopted by the Judicial Council of California and that have been approved by the Department of Justice, and the transmitting agency for the county shall immediately notify the Department of Justice, by electronic transmission, of the terms of the modification, extension, or termination.

(g) The Judicial Council shall assist local courts charged with the responsibility for issuing protective orders by developing informational packets describing the general procedures for obtaining a domestic violence restraining order and indicating the appropriate Judicial Council forms, and shall include a design, that local courts shall complete, that describes local court procedures and maps to enable applicants to locate filing windows and appropriate courts. The court clerk shall provide a fee waiver form to all applicants for domestic violence protective orders. The court clerk shall provide all Judicial Council forms required by this chapter to applicants free of charge. The informational packet shall also contain a statement that the protective

order is enforceable in any state, as defined in Section 145, or on a reservation, and general information about agencies in other jurisdictions that may be contacted regarding enforcement of an order issued by a court of this state.

(h) For the purposes of this part, ''electronic transmission'' shall include computer access through the California Law Enforcement Telecommunications System (CLETS).

(i) Only protective and restraining orders issued on forms adopted by the Judicial Council of California and that have been approved by the Department of Justice shall be transmitted to the Department of Justice. However, this provision shall not apply to a valid protective or restraining order related to domestic or family violence issued by a court of another state, as defined in Section 145, a military tribunal, or a tribe. Those orders shall, upon request, be registered pursuant to Section 6380.5.

SEC. 2.5. Section 6380 of the Family Code is amended to read:

6380. (a) Each county, with the approval of the Department of Justice, shall, by July 1, 1996, develop a procedure, using existing systems, for the electronic transmission of data, as described in subdivision (b), to the Department of Justice. The data shall be electronically transmitted through the California Law Enforcement Telecommunications System (CLETS) of the Department of Justice by law enforcement personnel, or with the approval of the Department of Justice, court personnel, or another appropriate agency capable of maintaining and preserving the integrity of both the CLETS and the Domestic Violence Restraining Order System, as described in subdivision (e). Data entry is required to be entered only once under the requirements of this section, unless the order is served at a later time. A portion of all fees payable to the Department of Justice under subdivision (a) of Section 1203.097 of the Penal Code for the entry of the information required under this section, based upon the proportion of the costs incurred by the local agency and those incurred by the Department of Justice, shall be transferred to the local agency actually providing the data. All data with respect to criminal court protective orders issued, modified, extended, or terminated under subdivision (g) of Section 136.2 of the Penal Code shall be transmitted by the court or its designee within one business day to law enforcement personnel by either one of the following methods:

(1) Transmitting a physical copy of the order to a local law enforcement agency authorized by the Department of Justice to enter orders into CLETS.

(2) With the approval of the Department of Justice, entering the order into CLETS directly.

(b) Upon the issuance of a protective order to which this division applies pursuant to Section 6221, or the issuance of a temporary restraining order or injunction relating to harassment or domestic violence pursuant to Section 527.6 or 527.8 of the Code of Civil Procedure, or the issuance of a criminal court protective order under subdivision (g) of Section 136.2 of the Penal Code, or the issuance of a juvenile court restraining order related to domestic violence pursuant to Section 213.5, 304, or 362.4 of the Welfare and Institutions Code, or the issuance of a protective order pursuant to Section 15657.03 of the Welfare and Institutions Code, or upon registration with the court clerk of a domestic violence protective or restraining order issued by the tribunal of another state, as defined in Section 6401, and including any of the foregoing orders issued in connection with an order for modification of a custody or visitation order issued pursuant to a dissolution, legal separation, nullity, or paternity proceeding the Department of Justice shall be immediately notified of the contents of the order and the following information:

(1) The name, race, date of birth, and other personal descriptive information of the respondent as required by a form prescribed by the Department of Justice.

(2) The names of the protected persons.

(3) The date of issuance of the order.

(4) The duration or expiration date of the order.

(5) The terms and conditions of the protective order, including stay-away, no-contact, residency exclusion, custody, and visitation provisions of the order.

(6) The department or division number and the address of the court.

(7) Whether or not the order was served upon the respondent.

(8) The terms and conditions of any restrictions on the ownership or possession of firearms.

All available information shall be included; however, the inability to provide all categories of information shall not delay the entry of the information available.

(c) The information conveyed to the Department of Justice shall also indicate whether the respondent was present in court to be informed of the contents of the court order. The respondent's presence in court shall provide proof of service of notice of the terms of the protective order. The respondent's failure to appear shall also be included in the information provided to the Department of Justice.

(d) Immediately upon receipt of proof of service the clerk of the court, and immediately after service any law enforcement officer who served the protective order, shall notify the Department of Justice, by electronic transmission, of the service of the protective order, including the name

of the person who served the order and, if that person is a law enforcement officer, the law enforcement agency.

(e) The Department of Justice shall maintain a Domestic Violence Restraining Order System and shall make available to court clerks and law enforcement personnel, through computer access, all information regarding the protective and restraining orders and injunctions described in subdivision (b), whether or not served upon the respondent.

(f) If a court issues a modification, extension, or termination of a protective order, it shall be on forms adopted by the Judicial Council of California and that have been approved by the Department of Justice, and the transmitting agency for the county shall immediately notify the Department of Justice, by electronic transmission, of the terms of the modification, extension, or termination.

(g) The Judicial Council shall assist local courts charged with the responsibility for issuing protective orders by developing informational packets describing the general procedures for obtaining a domestic violence restraining order and indicating the appropriate Judicial Council forms, and shall include a design, that local courts shall complete, that describes local court procedures and maps to enable applicants to locate filing windows and appropriate courts. The court clerk shall provide a fee waiver form to all applicants for domestic violence protective orders. The court clerk shall provide all Judicial Council forms required by this chapter to applicants free of charge. The informational packet shall also contain a statement that the protective order is enforceable in any state, as defined in Section 6401, and general information about agencies in other jurisdictions that may be contacted regarding enforcement of an order issued by a court of this state.

(h) For the purposes of this part, ''electronic transmission'' shall include computer access through the California Law Enforcement Telecommunications System (CLETS).

(i) Only protective and restraining orders issued on forms adopted by the Judicial Council of California and that have been approved by the Department of Justice shall be transmitted to the Department of Justice. However, this provision shall not apply to a valid protective or restraining order related to domestic or family violence issued by a tribunal of another state, as defined in Section 6401. Those orders shall, upon request, be registered pursuant to Section 6404.

SEC. 3. Section 6383 of the Family Code is amended to read:

6383. (a) A temporary restraining order or emergency protective order issued under this part shall, on request of the petitioner, be served on the respondent, whether or not the respondent has been taken into custody, by any law enforcement officer who is present at the scene of reported domestic violence involving the parties to the proceeding.

(b) The petitioner shall provide the officer with an endorsed copy of the order and a proof of service that the officer shall complete and transmit to the issuing court.

(c) It is a rebuttable presumption that the proof of service was signed on the date of service.

(d) Upon receiving information at the scene of a domestic violence incident that a protective order has been issued under this part, or that a person who has been taken into custody is the respondent to such an order, if the protected person cannot produce a certified copy of the order, a law enforcement officer shall immediately inquire of the Department of Justice Domestic Violence Restraining Order System to verify the existence of the order.

(e) If the law enforcement officer determines that a protective order has been issued, but not served, the officer shall immediately notify the respondent of the terms of the order. Verbal notice of the terms of the order is sufficient notice for the purposes of this section and for the purposes of Section 273.6 and subdivision (g) of Section 12021 of the Penal Code.

(f) If a report is required under Section 13730 of the Penal Code, or if no report is required, then in the daily incident log, the officer shall provide the name and assignment of the officer notifying the respondent pursuant to subdivision (e) and the case number of the order.

(g) Upon service of the order outside of the court, a law enforcement officer shall advise the respondent to go to the local court to obtain a copy of the order containing the full terms and conditions of the order.

(h) There shall be no civil liability on the part of, and no cause of action for, false arrest or false imprisonment against any peace officer who makes an arrest pursuant to a protective or restraining order that is regular upon its face, if the peace officer in making the arrest acts in good faith and has reasonable cause to believe that the person against whom the order is issued has notice of the order and has committed an act in violation of the order. If there is more than one civil order regarding the same parties, the peace officer shall enforce the order that was issued last. If there are both civil and criminal orders regarding the same parties, the peace officer shall enforce the criminal order issued last, subject to the provisions of subdivisions (h) and (i) of Section 136.2 of the Penal Code. Nothing in this section shall be deemed to exonerate a peace officer from liability for the unreasonable use of force in the enforcement of the order. The immunities afforded by this section shall not affect the availability of any other immunity which may apply, including, but not limited to, Sections 820.2 and 820.4 of the Government Code.

SEC. 4. Section 136.2 of the Penal Code is amended to read:

136.2. Upon a good cause belief that harm to, or intimidation or dissuasion of, a victim or witness has occurred or is reasonably likely to

occur, any court with jurisdiction over a criminal matter may issue orders including, but not limited to, the following:

(a) Any order issued pursuant to Section 6320 of the Family Code.

(b) An order that a defendant shall not violate any provision of Section 136.1.

(c) An order that a person before the court other than a defendant, including, but not limited to, a subpoenaed witness or other person entering the courtroom of the court, shall not violate any provisions of Section 136.1.

(d) An order that any person described in this section shall have no communication whatsoever with any specified witness or any victim, except through an attorney under any reasonable restrictions that the court may impose.

(e) An order calling for a hearing to determine if an order as described in subdivisions (a) to (d), inclusive, should be issued.

(f) An order that a particular law enforcement agency within the jurisdiction of the court provide protection for a victim or a witness, or both, or for immediate family members of a victim or a witness who reside in the same household as the victim or witness or within reasonable proximity of the victim's or witness' household, as determined by the court. The order shall not be made without the consent of the law enforcement agency except for limited and specified periods of time and upon an express finding by the court of a clear and present danger of harm to the victim or witness or immediate family members of the victim or witness.

For purposes of this subdivision, ''immediate family members'' include the spouse, children, or parents of the victim or witness.

(g) Any order protecting victims of violent crime from contact, with the intent to annoy, harass, threaten, or commit acts of violence, by the defendant. The court or its designee shall transmit orders made under this subdivision to law enforcement personnel within one business day of the issuance, modification, extension, or termination of the order, pursuant to subdivision (a) of Section 6380 of the Family Code. It is the responsibility of the court to transmit the modification, extension, or termination orders made under this subdivision to the same agency that entered the original protective order into the Domestic Violence Restraining Order System.

Any order issued, modified, extended, or terminated by a court pursuant to this subdivision shall be issued on forms adopted by the Judicial Council of California and that have been approved by the Department of Justice pursuant to subdivision (i) of Section 6380 of the Family Code. However, the fact that an order issued by a court pursuant to this section was not issued on forms adopted by the Judicial Council

and approved by the Department of Justice shall not, in and of itself, make the order unenforceable.

Any person violating any order made pursuant to subdivisions (a) to (g), inclusive, may be punished for any substantive offense described in Section 136.1, or for a contempt of the court making the order. A finding of contempt shall not be a bar to prosecution for a violation of Section 136.1. However, any person so held in contempt shall be entitled to credit for any punishment imposed therein against any sentence imposed upon conviction of an offense described in Section 136.1. Any conviction or acquittal for any substantive offense under Section 136.1 shall be a bar to a subsequent punishment for contempt arising out of the same act.

(h) (1) In all cases where the defendant is charged with a crime of domestic violence, as defined in Section 13700, the court shall consider issuing the above-described orders on its own motion. All interested parties shall receive a copy of those orders. In order to facilitate this, the court's records of all criminal cases involving domestic violence shall be marked to clearly alert the court to this issue.

(2) In those cases in which a complaint, information, or indictment charging a crime of domestic violence, as defined in Section 13700, has been issued, a restraining order or protective order against the defendant issued by the criminal court in that case has precedence in enforcement over any civil court order against the defendant.

(3) Custody and visitation with respect to the defendant and his or her minor children may be ordered by a family or juvenile court consistent with the protocol established pursuant to subdivision (i).

(i) On or before January 1, 2003, the Judicial Council shall promulgate a protocol, for adoption by each local court in substantially similar terms, to provide for the timely coordination of all orders against the same defendant and in favor of the same named victim or victims. The protocol shall include, but shall not be limited to, mechanisms for assuring appropriate communication and information sharing between criminal, family, and juvenile courts concerning orders and cases that involve the same parties, and shall permit a family or juvenile court order to coexist with a criminal court protective order subject to the following conditions:

(1) Any order that permits contact between the restrained person and his or her children shall provide for the safe exchange of the children and shall not contain language either printed or handwritten that violates a ''no contact order'' issued by a criminal court.

(2) Safety of all parties shall be the courts' paramount concern. The family or juvenile court shall specify the time, day, place, and manner of transfer of the child, as provided in Section 3100 of the Family Code.

(j) On or before January 1, 2003, the Judicial Council shall modify the criminal and civil court protective order forms consistent with this section.

SEC. 5. The provisions of this act shall be implemented on January 1, 2003.

SEC. 6. Section 2.5 of this bill incorporates amendments to Section 6380 of the Family Code proposed by both this bill and AB 731. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2002, (2) each bill amends Section 6380 of the Family Code, and (3) this bill is enacted after AB 731, in which case Section 2 of this bill shall not become operative.

SEC. 7. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 699

An act to amend Sections 1303, 10800, 10804, and 10810 of the Probate Code, relating to estates and trusts.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1303 of the Probate Code is amended to read:

1303. With respect to a decedent's estate, the grant or refusal to grant the following orders is appealable:

(a) Granting or revoking letters to a personal representative, except letters of special administration or letters of special administration with general powers.

(b) Admitting a will to probate or revoking the probate of a will.

(c) Setting aside a small estate under Section 6609.

(d) Setting apart a probate homestead or property claimed to be exempt from enforcement of a money judgment.

(e) Granting, modifying, or terminating a family allowance.

(f) Determining heirship, succession, entitlement, or the persons to whom distribution should be made.

(g) Directing distribution of property.

(h) Determining that property passes to, or confirming that property belongs to, the surviving spouse under Section 13656.

(i) Authorizing a personal representative to invest or reinvest surplus money under Section 9732.

(j) Determining whether an action constitutes a contest under Chapter 2 (commencing with Section 21320) of Part 3 of Division 11.

(k) Determining the priority of debts under Chapter 3 (commencing with Section 11440) of Part 9 of Division 7.

(*l*) Any final order under Chapter 1 (commencing with Section 20100) or Chapter 2 (commencing with Section 20200) of Division 10.

SEC. 2. Section 10800 of the Probate Code is amended to read:

10800. (a) Subject to the provisions of this part, for ordinary services the personal representative shall receive compensation based on the value of the estate accounted for by the personal representative, as follows:

(1) Four percent on the first one hundred thousand dollars ($100,000).

(2) Three percent on the next one hundred thousand dollars ($100,000).

(3) Two percent on the next eight hundred thousand dollars ($800,000).

(4) One percent on the next nine million dollars ($9,000,000).

(5) One-half of one percent on the next fifteen million dollars ($15,000,000).

(6) For all amounts above twenty-five million dollars ($25,000,000), a reasonable amount to be determined by the court.

(b) For the purposes of this section, the value of the estate accounted for by the personal representative is the total amount of the appraisal value of property in the inventory, plus gains over the appraisal value on sales, plus receipts, less losses from the appraisal value on sales, without reference to encumbrances or other obligations on estate property.

SEC. 3. Section 10804 of the Probate Code is amended to read:

10804. Notwithstanding any provision in the decedent's will, a personal representative who is an attorney shall be entitled to receive the personal representative's compensation as provided in this part, but shall not receive compensation for services as the attorney for the personal representative unless the court specifically approves the right to the compensation in advance and finds that the arrangement is to the advantage, benefit, and best interests of the decedent's estate.

SEC. 4. Section 10810 of the Probate Code is amended to read:

10810. (a) Subject to the provisions of this part, for ordinary services the attorney for the personal representative shall receive

compensation based on the value of the estate accounted for by the personal representative, as follows:

(1) Four percent on the first one hundred thousand dollars ($100,000).

(2) Three percent on the next one hundred thousand dollars ($100,000).

(3) Two percent on the next eight hundred thousand dollars ($800,000).

(4) One percent on the next nine million dollars ($9,000,000).

(5) One-half of 1 percent on the next fifteen million dollars ($15,000,000).

(6) For all amounts above twenty-five million dollars ($25,000,000), a reasonable amount to be determined by the court.

(b) For the purposes of this section, the value of the estate accounted for by the personal representative is the total amount of the appraisal of property in the inventory, plus gains over the appraisal value on sales, plus receipts, less losses from the appraisal value on sales, without reference to encumbrances or other obligations on estate property.

CHAPTER 700

An act to add Section 13286 to the Water Code, relating to water.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The rising nitrate levels in the groundwater of the Whitewater River Subbasin of the Upper Coachella Valley Groundwater Basin are caused by the continued use of individual residential and commercial subsurface disposal systems, which discharge more than one million gallons of wastewater daily into the ground within the Cove area of Cathedral City in Riverside County.

(b) The continued use of individual residential and commercial subsurface disposal systems within the Cove area of Cathedral City will result in violations of water quality objectives, impair present and future beneficial uses of water, and cause pollution and contamination of the groundwater of the Whitewater River Subbasin of the Upper Coachella Valley Groundwater Basin that is used as a water supply for much of the greater Coachella Valley.

(c) Adequate protection of the quality and beneficial use of the groundwater of the Whitewater River Subbasin of the Upper Coachella Valley Groundwater Basin and the prevention of pollution and contamination of that groundwater caused by the use of individual residential and commercial subsurface disposal systems cannot be sufficiently achieved by redesign, relocation, alterations to size and spacing, reconstruction, or increased maintenance of existing individual disposal systems.

(d) The only viable alternative to the continued use of existing substandard individual disposal systems that utilize subsurface disposal within the Cove area of Cathedral City is the construction and installation of a sanitary public domestic and commercial wastewater disposal system in the Cove area and to prohibit the continued discharge of wastewater into the ground through the use of individual subsurface disposal systems.

(e) Without the construction and installation of a sanitary public domestic and commercial wastewater disposal system in the Cove area, the city will be unable to meet the water quality objectives adopted by the regional water quality control board.

(f) A wastewater disposal system is necessary to adequately meet the Coachella Valley's needs for present and probable future beneficial uses of water and to ensure the valley's quality of available water continues to meet or exceed minimum standards.

(g) In the interest of achieving the applicable water quality objectives, it is necessary to protect present and future beneficial uses of the groundwater of the Upper Coachella Valley Groundwater Basin and to prevent any further pollution and contamination of that groundwater by immediately constructing and installing a sanitary public domestic and commercial wastewater disposal system in the Cove area of Cathedral City and prohibiting the discharge of wastewater into the ground through the use of individual subsurface disposal systems.

(h) In order to protect the health and safety of the citizens currently consuming the groundwater of the Upper Coachella Valley Groundwater Basin, a sanitary public domestic and commercial wastewater disposal system should be immediately constructed and installed in the Cove area of Cathedral City and the discharge of wastewater into the ground through the use of individual subsurface disposal systems should be prohibited.

SEC. 2. Section 13286 is added to the Water Code, to read:

13286. (a) On and after January 1, 2012, the appropriate regional board shall prohibit the discharge of wastewater into the ground through the use of individual subsurface disposal systems in the Cove area of Cathedral City in Riverside County for the purposes of protecting the health and safety of the residents consuming the groundwater of the

Upper Coachella Valley Groundwater Basin and achieving the applicable water quality objectives.

(b) The appropriate regional board shall revise its water quality control plan to reflect the prohibition set forth in subdivision (a).

(c) Notwithstanding subdivisions (a) and (b), the appropriate regional board, prior to January 1, 2012, may prohibit the discharge of wastewater through the use of individual subsurface disposal systems in the Cove area of Cathedral City in Riverside County, and if so prohibited, that board shall revise its water quality control plan to reflect the prohibition.

(d) To ensure that the purposes of this section are fulfilled, the state board, using existing resources, shall assist Cathedral City to identify and obtain state and federal funds to establish a sanitary public domestic and commercial wastewater disposal system.

CHAPTER 701

An act to add and repeal Section 21158.6 of the Public Resources Code, relating to environmental quality, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 21158.6 is added to the Public Resources Code, to read:

21158.6. (a) For a project in the City of Oakland that consists of multiple-family residential development, or a residential and commercial or retail mixed-use development with not more than 25 percent of the total floor area of the project utilized as retail space, a focused environmental impact report may be prepared, notwithstanding that the project was not identified in a master environmental impact report, if all of the following conditions are met:

(1) The Oakland City Council does both of the following:

(A) Authorizes the implementation of this section. The city council may authorize the implementation of this section only by voting to approve the practice of preparing focused environmental impact reports for projects in the central business district housing target areas specified in paragraph (10).

(B) Determines that the general plan, zoning ordinance, and related policies and programs are consistent with principles that encourage compact development in a manner that does both of the following:

(i) Promotes efficient transportation systems, economic growth, affordable housing, energy efficiency, and an appropriate balance of jobs and housing.

(ii) Protects the environment, open space, and agricultural areas.

(2) The city submits a draft determination to the Office of Planning and Research that the applicable general plan, zoning ordinance, and any related policies and programs are consistent with the principles described in subparagraph (B) of paragraph (1) prior to the city council making its determination regarding that consistency. The office may submit comments on the draft findings to the city council within 30 days from the date that the city submits the draft determination to the office.

(3) The city has an average population density of at least 5,000 persons per square mile.

(4) The project is consistent with the general plan, any applicable specific plan and community plan, and zoning ordinance, including any variance that is properly granted pursuant to that zoning ordinance, an environmental impact report was prepared for the general plan, and the application for the project is deemed complete pursuant to Section 65943 of the Government Code within 3 years of the date this section is effective.

(5) The lead agency cannot make the finding described in subdivision (c) of Section 21157.1, a negative declaration or mitigated negative declaration cannot be prepared pursuant to Section 21080, 21157.5, or 21158, and Section 21166 does not apply.

(6) The project meets one or both of the following conditions:

(A) The parcel on which the project is to be developed is surrounded by immediately contiguous urban development.

(B) The parcel on which the project is to be developed is, or has been previously, developed with urban uses.

(7) The density of the project is at least 40 units per net acre.

(8) The parcel on which the project is to be developed is within one-half mile of an existing rail transit station.

(9) The project can be adequately served by existing utilities and municipal services, and there will be adequate capacity for infrastructure, utilities, and services to serve other projects approved and proposed in the service area.

(10) The project does not include a single level building that exceeds the square footage limitation specified in subdivision (a) of Section 21158.5.

(11) The project is located in one of the following central business district housing target areas:

(A) The Valdez cluster, which is bounded on the west by Telegraph Avenue, on the south by 23rd Street, on the east by Harrison Street, and on the north by 27th Street. A project located in this cluster that meets

the condition described in paragraph (8) may include a portion up to one acre that does not meet that condition.

(B) The Uptown cluster, which is bounded on the west by Castro Street, on the south by 14th Street from Castro Street to Jefferson Street and 16th Street from Jefferson Street to Broadway, on the east by Jefferson Street from 14th Street to 16th Street and Broadway from 16th Street to 22nd Street, and on the north by 22nd Street.

(C) The 11th Street cluster, which is bounded by Franklin Street from 12th Street to 15th Street, by Webster from 11th Street to 12th Street, by Alice Street from 11th Street to 13th Street, by 12th Street from Franklin Street to Webster Street, by 11th Street from Webster Street to Alice Street and 13th Street from Alice Street to Madison Street, and on the east by Madison Street from 13th Street to 15th Street, and on the north by 15th Street from Franklin Street to Madison Street.

(D) The Old Oakland cluster, which is bounded on the west by Castro Street, on the south by 7th Street, on the east by Broadway, and on the north by 11th Street.

(b) A focused environmental impact report prepared pursuant to this section shall be limited to a discussion of potentially significant effects on the environment specific to the project. No discussion shall be required of alternatives to the project, cumulative impacts of the project, or the growth inducing impacts of the project.

(c) (1) On or before July 1, 2004, the city shall submit a report to the Office of Planning and Research that includes, but that is not necessarily limited to, all of the following information:

(A) The number of focused environmental impact reports prepared pursuant to this section.

(B) The types of projects for which focused environmental impact reports were prepared pursuant to this section.

(C) The time periods for preparing each of the focused environmental impact reports prepared pursuant to this section, and for acting on each project from the date that the application was deemed complete.

(D) A description of any alternatives to a project, cumulative impacts of a project, growth inducing impacts of a project, or other issues that may have been identified and analyzed if an environmental document, other than a focused environmental impact report, had been prepared for the project.

(2) Prior to submitting the report to the office pursuant to paragraph (1), the city shall hold at least one public hearing and shall respond to oral and written comments regarding the draft report. The city shall include the comments and responses in the final report.

(d) This section shall remain in effect only until January 1, 2005, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2005, deletes or extends that date.

SEC. 2. (a) A focused environmental impact report may be prepared for a project if that project fulfills the conditions specified in Section 21158.6 of the Public Resources Code prior to the date that section is repealed.

(b) An action by a city council pursuant to paragraph (1) of subdivision (a) of Section 21158.6 of the Public Resources Code, does not constitute a project for the purposes of Division 13 (commencing with Section 21000) of the Public Resources Code.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act, within the meaning of Section 17556 of the Government Code.

SEC. 4. Due to the unique circumstances within the City of Oakland relating to the critical need for infill development in urban areas, the Legislature hereby finds and declares that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution.

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to assist the City of Oakland in fulfilling responsibilities imposed by the California Environmental Quality Act in a manner that involves the public and public agencies at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 702

An act to amend Section 914 of the Family Code, relating to marital liability.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 914 of the Family Code is amended to read:

914. (a) Notwithstanding Section 913, a married person is personally liable for the following debts incurred by the person's spouse during marriage:

(1) A debt incurred for necessaries of life of the person's spouse while the spouses are living together.

(2) Except as provided in Section 4302, a debt incurred for common necessaries of life of the person's spouse while the spouses are living separately.

(b) The separate property of a married person may be applied to the satisfaction of a debt for which the person is personally liable pursuant to this section. If separate property is so applied at a time when nonexempt property in the community estate or separate property of the person's spouse is available but is not applied to the satisfaction of the debt, the married person is entitled to reimbursement to the extent such property was available.

(c) (1) Except as provided in paragraph (2), the statute of limitations set forth in Section 366.2 of the Code of Civil Procedure shall apply if the spouse for whom the married person is personally liable dies .

(2) If the surviving spouse had actual knowledge of the debt prior to expiration of the period set forth in Section 366.2 and the personal representative of the deceased spouse's estate failed to provide the creditor asserting the claim under this section with a timely written notice of the probate administration of the estate in the manner provided for pursuant to Section 9050 of the Probate Code, the statute of limitations set forth in Section 337 or 339, as applicable, shall apply.

CHAPTER 703

An act to amend Sections 1101, 2100, 2102, 2105, 2106, 2107, and 2122 of the Family Code, relating to dissolution of marriage.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Section 1101 of the Family Code is amended to read:

1101. (a) A spouse has a claim against the other spouse for any breach of the fiduciary duty that results in impairment to the claimant spouse's present undivided one-half interest in the community estate, including, but not limited to, a single transaction or a pattern or series of transactions, which transaction or transactions have caused or will cause a detrimental impact to the claimant spouse's undivided one-half interest in the community estate.

(b) A court may order an accounting of the property and obligations of the parties to a marriage and may determine the rights of ownership

in, the beneficial enjoyment of, or access to, community property, and the classification of all property of the parties to a marriage.

(c) A court may order that the name of a spouse shall be added to community property held in the name of the other spouse alone or that the title of community property held in some other title form shall be reformed to reflect its community character, except with respect to any of the following:

(1) A partnership interest held by the other spouse as a general partner.

(2) An interest in a professional corporation or professional association.

(3) An asset of an unincorporated business if the other spouse is the only spouse involved in operating and managing the business.

(4) Any other property, if the revision would adversely affect the rights of a third person.

(d) (1) Except as provided in paragraph (2), any action under subdivision (a) shall be commenced within three years of the date a petitioning spouse had actual knowledge that the transaction or event for which the remedy is being sought occurred.

(2) An action may be commenced under this section upon the death of a spouse or in conjunction with an action for legal separation, dissolution of marriage, or nullity without regard to the time limitations set forth in paragraph (1).

(3) The defense of laches may be raised in any action brought under this section.

(4) Except as to actions authorized by paragraph (2), remedies under subdivision (a) apply only to transactions or events occurring on or after July 1, 1987.

(e) In any transaction affecting community property in which the consent of both spouses is required, the court may, upon the motion of a spouse, dispense with the requirement of the other spouse's consent if both of the following requirements are met:

(1) The proposed transaction is in the best interest of the community.

(2) Consent has been arbitrarily refused or cannot be obtained due to the physical incapacity, mental incapacity, or prolonged absence of the nonconsenting spouse.

(f) Any action may be brought under this section without filing an action for dissolution of marriage, legal separation, or nullity, or may be brought in conjunction with the action or upon the death of a spouse.

(g) Remedies for breach of the fiduciary duty by one spouse, including those set out in Sections 721 and 1100, shall include, but not be limited to, an award to the other spouse of 50 percent, or an amount equal to 50 percent, of any asset undisclosed or transferred in breach of the fiduciary duty plus attorney's fees and court costs. The value of the

asset shall be determined to be its highest value at the date of the breach of the fiduciary duty, the date of the sale or disposition of the asset, or the date of the award by the court.

(h) Remedies for the breach of the fiduciary duty by one spouse, as set forth in Sections 721 and 1100, when the breach falls within the ambit of Section 3294 of the Civil Code shall include, but not be limited to, an award to the other spouse of 100 percent, or an amount equal to 100 percent, of any asset undisclosed or transferred in breach of the fiduciary duty.

SEC. 2. Section 2100 of the Family Code is amended to read:

2100. The Legislature finds and declares the following:

(a) It is the policy of the State of California (1) to marshal, preserve, and protect community and quasi-community assets and liabilities that exist at the date of separation so as to avoid dissipation of the community estate before distribution, (2) to ensure fair and sufficient child and spousal support awards, and (3) to achieve a division of community and quasi-community assets and liabilities on the dissolution or nullity of marriage or legal separation of the parties as provided under California law.

(b) Sound public policy further favors the reduction of the adversarial nature of marital dissolution and the attendant costs by fostering full disclosure and cooperative discovery.

(c) In order to promote this public policy, a full and accurate disclosure of all assets and liabilities in which one or both parties have or may have an interest must be made in the early stages of a proceeding for dissolution of marriage or legal separation of the parties, regardless of the characterization as community or separate, together with a disclosure of all income and expenses of the parties. Moreover, each party has a continuing duty to immediately, fully, and accurately update and augment that disclosure to the extent there have been any material changes so that at the time the parties enter into an agreement for the resolution of any of these issues, or at the time of trial on these issues, each party will have a full and complete knowledge of the relevant underlying facts.

SEC. 3. Section 2102 of the Family Code is amended to read:

2102. (a) From the date of separation to the date of the distribution of the community or quasi-community asset or liability in question, each party is subject to the standards provided in Section 721, as to all activities that affect the assets and liabilities of the other party, including, but not limited to, the following activities:

(1) The accurate and complete disclosure of all assets and liabilities in which the party has or may have an interest or obligation and all current earnings, accumulations, and expenses, including an immediate,

full, and accurate update or augmentation to the extent there have been any material changes.

(2) The accurate and complete written disclosure of any investment opportunity, business opportunity, or other income-producing opportunity that presents itself after the date of separation, but that results from any investment, significant business activity outside the ordinary course of business, or other income-producing opportunity of either spouse from the date of marriage to the date of separation, inclusive. The written disclosure shall be made in sufficient time for the other spouse to make an informed decision as to whether he or she desires to participate in the investment opportunity, business, or other potential income-producing opportunity, and for the court to resolve any dispute regarding the right of the other spouse to participate in the opportunity. In the event of nondisclosure of an investment opportunity, the division of any gain resulting from that opportunity is governed by the standard provided in Section 2556.

(3) The operation or management of a business or an interest in a business in which the community may have an interest.

(b) From the date that a valid, enforceable, and binding resolution of the disposition of the asset or liability in question is reached, until the asset or liability has actually been distributed, each party is subject to the standards provided in Section 721 as to all activities that affect the assets or liabilities of the other party. Once a particular asset or liability has been distributed, the duties and standards set forth in Section 721 shall end as to that asset or liability.

(c) From the date of separation to the date of a valid, enforceable, and binding resolution of all issues relating to child or spousal support and professional fees, each party is subject to the standards provided in Section 721 as to all issues relating to the support and fees, including immediate, full, and accurate disclosure of all material facts and information regarding the income or expenses of the party.

SEC. 4. Section 2105 of the Family Code is amended to read:

2105. (a) Except by court order for good cause, before or at the time the parties enter into an agreement for the resolution of property or support issues other than pendente lite support, or, if the case goes to trial, no later than 45 days before the first assigned trial date, each party, or the attorney for the party in this matter, shall serve on the other party a final declaration of disclosure and a current income and expense declaration, executed under penalty of perjury on a form prescribed by the Judicial Council, unless the parties mutually waive the final declaration of disclosure. The commission of perjury on the final declaration of disclosure by a party may be grounds for setting aside the judgment, or any part or parts thereof, pursuant to Chapter 10 (commencing with Section 2120), in addition to any and all other

remedies, civil or criminal, that otherwise are available under law for the commission of perjury.

(b) The final declaration of disclosure shall include all of the following information:

(1) All material facts and information regarding the characterization of all assets and liabilities.

(2) All material facts and information regarding the valuation of all assets that are contended to be community property or in which it is contended the community has an interest.

(3) All material facts and information regarding the amounts of all obligations that are contended to be community obligations or for which it is contended the community has liability.

(4) All material facts and information regarding the earnings, accumulations, and expenses of each party that have been set forth in the income and expense declaration.

(c) In making an order setting aside a judgment for failure to comply with this section, the court may limit the set aside to those portions of the judgment materially affected by the nondisclosure.

(d) The parties may stipulate to a mutual waiver of the requirements of subdivision (a) concerning the final declaration of disclosure, by execution of a waiver under penalty of perjury entered into in open court or by separate stipulation. The waiver shall include all of the following representations:

(1) Both parties have complied with Section 2104 and the preliminary declarations of disclosure have been completed and exchanged.

(2) Both parties have completed and exchanged a current income and expense declaration, that includes all material facts and information regarding that party's earnings, accumulations, and expenses.

(3) Both parties have fully complied with Section 2102 and have fully augmented the preliminary declarations of disclosure, including disclosure of all material facts and information regarding the characterization of all assets and liabilities, the valuation of all assets that are contended to be community property or in which it is contended the community has an interest, and the amounts of all obligations that are contended to be community obligations or for which it is contended the community has liability.

(4) The waiver is knowingly, intelligently, and voluntarily entered into by each of the parties.

(5) Each party understands that this waiver does not limit the legal disclosure obligations of the parties, but rather is a statement under penalty of perjury that those obligations have been fulfilled. Each party further understands that noncompliance with those obligations will result in the court setting aside the judgment.

SEC. 5. Section 2106 of the Family Code is amended to read:

2106. Except as provided in subdivision (d) of Section 2105 or in Section 2110, absent good cause, no judgment shall be entered with respect to the parties' property rights without each party, or the attorney for that party in this matter, having executed and served a copy of the final declaration of disclosure and current income and expense declaration. Each party shall execute and file with the court a declaration signed under penalty of perjury stating that service of the final declaration of disclosure and current income and expense declaration was made on the other party or that service of the final declaration of disclosure has been waived pursuant to subdivision (d) of Section 2105 or in Section 2110.

SEC. 6. Section 2107 of the Family Code is amended to read:

2107. (a) If one party fails to serve on the other party a preliminary declaration of disclosure under Section 2104 or a final declaration of disclosure under Section 2105, or fails to provide the information required in the respective declarations with sufficient particularity, and if the other party has served the respective declaration of disclosure on the noncomplying party, the complying party may, within a reasonable time, request preparation of the appropriate declaration of disclosure or further particularity.

(b) If the noncomplying party fails to comply with a request under subdivision (a), the complying party may do either or both of the following:

(1) File a motion to compel a further response.

(2) File a motion for an order preventing the noncomplying party from presenting evidence on issues that should have been covered in the declaration of disclosure.

(c) If a party fails to comply with any provision of this chapter, the court shall, in addition to any other remedy provided by law, impose money sanctions against the noncomplying party. Sanctions shall be in an amount sufficient to deter repetition of the conduct or comparable conduct, and shall include reasonable attorney's fees, costs incurred, or both, unless the court finds that the noncomplying party acted with substantial justification or that other circumstances make the imposition of the sanction unjust.

(d) If a court enters a judgment when the parties have failed to comply with all disclosure requirements of this chapter, the court shall set aside the judgment. The failure to comply with the disclosure requirements does not constitute harmless error.

(e) Upon the motion to set aside judgment, the court may order the parties to provide the preliminary and final declarations of disclosure that were exchanged between them. Absent a court order to the contrary,

the disclosure declarations shall not be filed with the court and shall be returned to the parties.

SEC. 7. Section 2122 of the Family Code is amended to read:

2122. The grounds and time limits for a motion to set aside a judgment, or any part or parts thereof, are governed by this section and shall be one of the following:

(a) Actual fraud where the defrauded party was kept in ignorance or in some other manner was fraudulently prevented from fully participating in the proceeding. An action or motion based on fraud shall be brought within one year after the date on which the complaining party either did discover, or should have discovered, the fraud.

(b) Perjury. An action or motion based on perjury in the preliminary or final declaration of disclosure, the waiver of the final declaration of disclosure, or in the current income and expense statement shall be brought within one year after the date on which the complaining party either did discover, or should have discovered, the perjury.

(c) Duress. An action or motion based upon duress shall be brought within two years after the date of entry of judgment.

(d) Mental incapacity. An action or motion based on mental incapacity shall be brought within two years after the date of entry of judgment.

(e) As to stipulated or uncontested judgments or that part of a judgment stipulated to by the parties, mistake, either mutual or unilateral, whether mistake of law or mistake of fact. An action or motion based on mistake shall be brought within one year after the date of entry of judgment.

(f) Failure to comply with the disclosure requirements of Chapter 9 (commencing with Section 2100). An action or motion based on failure to comply with the disclosure requirements shall be brought within one year after the date on which the complaining party either discovered, or should have discovered, the failure to comply.

SEC. 8. This act shall apply to any judgment that becomes final on or after January 1, 2002.

SEC. 9. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 704

An act to amend Sections 5081, 5082, 5082.1, 5082.3, 5082.4, 5087, and 5088 of, to amend and repeal Sections 5081.1, 5082.2, 5083, and 5084 of, and to add Sections 5076, 5082.5, 5090, 5091, 5092, 5093, 5094, and 5095 to, the Business and Professions Code, relating to accountants.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature that the new education and experience requirements for the certified public accountant license established by this legislation not be revised or amended prior to the next review of the California Board of Accountancy required by Division 1.2 (commencing with Section 473).

Further, it is the intent of the Legislature that this review shall be limited to issues related to implementation of the new licensure requirements. In preparation for that review, the California Board of Accountancy shall collect statistical information including information on the number of applicants applying under Sections 5092 and 5093, the number of applicants passing the examination under Sections 5092 and 5093, the number of applicants applying and qualifying for licensure under Sections 5092 and 5093, and the number of applicants and licensees applying and qualifying for an authorization to sign reports on attest engagements under Section 5095. Also, it is the intent of the Legislature that prior to the next review required by Division 1.2, the California Board of Accountancy develop regulations and procedures to implement the peer review requirement mandated by Section 5076.

SEC. 2. Section 5076 is added to the Business and Professions Code, to read:

5076. (a) In order to renew its registration, a firm providing attest services, other than a sole proprietor or small firm as defined in Section 5000, shall complete a peer review prior to the first registration expiration date after January 1, 2006, and no less frequently than every three years thereafter.

(b) For purposes of this article, the following definitions apply:

(1) ''Peer review'' means a study, appraisal, or review conducted in accordance with professional standards of the professional work of a licensee or registered firm by another licensee unaffiliated with the licensee or registered firm being reviewed. The peer review shall include, but not be limited to, a review of at least one attest engagement representing the highest level of service performed by the firm and may

include an evaluation of other factors in accordance with requirements specified by the board in regulations.

(2) ''Attest services'' include an audit, a review of financial statements, or an examination of prospective financial information, provided, however, ''attest services'' shall not include the issuance of compiled financial statements.

(c) The board shall adopt regulations as necessary to implement, interpret, and make specific the peer review requirements in this section, including, but not limited to, regulations specifying the requirements for the approval of peer review providers, and regulations establishing a peer review oversight committee.

SEC. 3. Section 5081 of the Business and Professions Code is amended to read:

5081. An applicant for admission to the examination for a certified public accountant license shall:

(a) Not have committed acts or crimes constituting grounds for denial of a license under Section 480.

(b) File the application for the examination. An application for the examination shall not be considered filed unless all required supporting documents, fees, and the fully completed board-approved application form are received in the board office or filed by mail in accordance with Section 11003 of the Government Code on or before the specified final filing date.

(c) Meet one of the educational requirements specified in this article.

SEC. 4. Section 5081.1 of the Business and Professions Code is amended to read:

5081.1. Pursuant to subdivision (b) of Section 5090, an applicant for admission to the examination for a certified public accountant certificate may qualify for admission with one of the following:

(a) The applicant shall present satisfactory evidence that the applicant has either of the following:

(1) A baccalaureate degree from a university, college or other four-year institution of learning accredited by a regional institutional accrediting agency included in a list of these agencies published by the United States Secretary of Education under the requirements of the Higher Education Act of 1965 as amended (20 U.S.C. Sec. 1001 and following), with a major in accounting or related subjects requiring a minimum of 45 semester units of instruction in these subjects. If the applicant has received a baccalaureate degree in a nonaccounting major, the applicant shall present satisfactory evidence of study substantially the equivalent of an accounting major, including courses in related business administration subjects.

(2) A degree or degrees from a college, university, or other institution of learning located outside the United States that is approved by the

board as the equivalent of the baccalaureate degree described in paragraph (1). The board may require an applicant under this paragraph to submit documentation of his or her education to a credentials evaluation service approved by the board for evaluation and to cause the results of this evaluation to be reported to the board. The board shall adopt regulations specifying the criteria and procedures for approval of credential evaluation services. These regulations shall, at a minimum, require that the credential evaluation service (A) furnish evaluations directly to the board; (B) furnish evaluations written in English; (C) be a member of the American Association of Collegiate Registrars and Admission Officers, the National Association of Foreign Student Affairs, or the National Association of Credential Evaluation Services; (D) be used by accredited colleges and universities; (E) be reevaluated by the board every five years; (F) maintain a complete set of reference materials as specified by the board; (G) base evaluations only upon authentic, original transcripts and degrees and have a written procedure for identifying fraudulent transcripts; (H) include in the evaluation report, for each degree held by the applicant, the equivalent degree offered in the United States, the date the degree was granted, the institution granting the degree, an English translation of the course titles, and the semester unit equivalence for each of the courses; (I) have an appeal procedure for applicants; and (J) furnish the board with information concerning the credential evaluation service that includes biographical information on evaluators and translators, three letters of references from public or private agencies, statistical information on the number of applications processed annually for the past five years, and any additional information the board may require in order to ascertain that the credential evaluation service meets the standards set forth in this paragraph and in any regulations adopted by the board.

(b) The applicant shall present satisfactory evidence that the applicant has successfully completed a two-year course of college level study or received an associate of arts degree from a community college, either institution accredited by a regional or national accrediting agency or association that is included in a list published by the United States Commissioner of Education under the provisions of federal law specified in paragraph (1) of subdivision (a), and that the applicant has completed a minimum of 120 semester units which includes the study of accounting and related business administration subjects.

(c) The applicant shall show to the satisfaction of the board that he or she has had the equivalent of the educational qualifications required by subdivision (b), or shall pass a preliminary written examination approved and administered by an agency approved by the California State Department of Education and shall have completed a minimum of 10 semester units or the equivalent in accounting subjects. The 10

semester units in accounting subjects shall be completed at a college, university, or other institution of higher learning accredited at the college level by an agency or association that is included in a list published by the United States Commissioner of Education under the federal law specified in paragraph (1) of subdivision (a).

(d) The applicant shall be a public accountant registered under this chapter.

(e) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 5. Section 5082 of the Business and Professions Code is amended to read:

5082. An applicant for a certified public accountant license shall have successfully passed examinations in subjects the board deems appropriate.

SEC. 6. Section 5082.1 of the Business and Professions Code is amended to read:

5082.1. All examinations provided for herein shall be held by the board at places as circumstances may warrant, and as often as may be necessary in the opinion of the board. The board may contract with any organization, governmental or private, for examination material or services. Within 90 days after the examination the board shall notify each candidate of his or her score. All examination records shall be preserved for a period of at least six months after the notification of scoring and any candidate shall, upon request to the board, have access to his or her records.

SEC. 7. Section 5082.2 of the Business and Professions Code is amended to read:

5082.2. For candidates seeking to be reexamined pursuant to subdivision (b) of Section 5090, a candidate who fails an examination provided for herein shall have the right to any number of reexaminations at subsequent examinations held by the board. A candidate who passes an examination in two or more subjects shall have the right to be reexamined in the remaining subject or subjects only, at subsequent examinations held by the board, and if he or she passes in the remaining subject or subjects within a period of time specified in the rules of the board, he or she shall be considered to have passed the examination.

This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 8. Section 5082.3 of the Business and Professions Code is amended to read:

5082.3. An applicant for a license as a certified public accountant may be deemed by the board to have met the examination requirements

of Section 5082, 5092, or 5093 if the applicant satisfies all of the following requirements:

(a) The applicant is licensed or has comparable authority under the laws of any country to engage in the practice of public accountancy.

(b) The International Qualifications Appraisal Board jointly established by the National Association of State Boards of Accountancy and the American Institute of Certified Public Accountants has determined that the standards under which the applicant was licensed or under which the applicant secured comparable authority meet its standards for admission to the International Uniform Certified Public Accountant Qualification Examination.

(c) The applicant has successfully passed the International Uniform Certified Public Accountant Qualification Examination referenced in subdivision (b).

SEC. 9. Section 5082.4 of the Business and Professions Code is amended to read:

5082.4. A Canadian Chartered Accountant in good standing may be deemed by the board to have met the examination requirements of Section 5082, 5092, or 5093, if he or she has successfully passed the Canadian Chartered Accountant Uniform Certified Public Accountant Qualification Examination of the American Institute of Certified Public Accountants or the International Uniform Certified Public Accountant Qualification Examination referenced in subdivision (b) Section 5082.3.

SEC. 10. Section 5082.5 is added to the Business and Professions Code, to read:

5082.5. The board may give credit to a candidate who has passed all or part of the examination in another state or territory, if the members of the board determine that the standards under which the examination was held are as high as the standards established for examination in this chapter.

SEC. 11. Section 5083 of the Business and Professions Code is amended to read:

5083. (a) Pursuant to subdivision (b) of Section 5090, an individual applying for licensure shall meet, to the satisfaction of the board, one of the following requirements:

(1) Four years of experience if the applicant qualified to sit for the exam by meeting the requirements of subdivision (b) or (c) of Section 5081.1.

(2) Three years of experience if the applicant qualified to sit for the exam by meeting the requirements of subdivision (a) or (d) of Section 5081.1 or meets the requirements of Section 5082.3.

(b) In order to be qualifying under this section, experience shall have been performed in accordance with applicable professional standards. Experience in public accounting may be qualifying if completed by, or

in the employ of, a person licensed or otherwise having comparable authority under the laws of any state or country to engage in the practice of public accountancy. Experience in private or governmental accounting or auditing employment may be qualifying provided that this work was performed under the direct supervision of an individual licensed by a state to engage in the practice of public accountancy.

(c) Qualifying experience for licensure includes providing any type of service or advice involving the use of accounting, attest, compilation, management advisory, financial advisory, tax, or consulting skills.

(d) The board shall prescribe rules related to the experience requirements set forth in this section, including a requirement that each applicant demonstrate to the board satisfactory experience in the attest function as it relates to financial statements. For purposes of this subdivision, the attest function includes audit and review of financial statements in this section.

(e) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 12. Section 5084 of the Business and Professions Code is amended to read:

5084. For applicants seeking licensure pursuant to subdivision (b) of Section 5090, the board shall grant one year's credit toward fulfillment of its public accounting experience requirement to a graduate of a college who has completed a four-year course with 45 or more semester units or the equivalent thereof in the study of accounting and related business administration subjects, of which at least 20 semester units or the equivalent thereof shall be in the study of accounting.

The members of the board shall prescribe rules establishing the character and variety of experience necessary to fulfill the experience requirements set forth in this section.

This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 13. Section 5087 of the Business and Professions Code is amended to read:

5087. (a) The board may issue a certified public accountant license to any applicant who is a holder of a valid and unrevoked certified public accountant license issued under the laws of any state, if the board determines that the standards under which the applicant received the license are substantially equivalent to the standards of education, examination, and experience established under this chapter and the applicant has not committed acts or crimes constituting grounds for denial under Section 480. To be authorized to sign reports on attest engagements, the applicant shall meet the requirements of Section 5095.

(b) The board may in particular cases waive any of the requirements regarding the circumstances in which the various parts of the examination were to be passed for an applicant from another state.

SEC. 14. Section 5088 of the Business and Professions Code is amended to read:

5088. (a) Any person who is the holder of a valid and unrevoked license as a certified public accountant issued under the laws of any state and who applies to the board for a license as a certified public accountant under the provisions of Section 5087 may, after application for licensure and after providing evidence of qualifying continuing education, perform the same public accounting services in this state as a certified public accountant licensed under Section 5092 or 5093 until the time his or her application for a license is granted or rejected.

(b) An applicant meeting the requirements of subdivision (a) who certifies that he or she has met the requirements of Section 5095 may perform attest services in this state until the time his or her application for a license is granted or rejected.

SEC. 15. Section 5090 is added to the Business and Professions Code, to read:

5090. (a) An applicant for the certified public accountant license shall comply with the education, examination, and experience requirements in either Section 5092 or 5093.

(b) Notwithstanding subdivision (a), an applicant who applied, qualified, and sat for at least two subjects of the examination for the certified public accountant license before May 15, 2002, may complete the examination and qualify for licensure based on the requirements in Sections 5081.1, 5082, 5082.2, 5083, 5084, and applicable regulations adopted by the board that were in effect on December 31, 2001, or comparable examination requirements adopted by the board in the event the form or format of the examination changes, provided the applicant qualifies and applies for licensure before January 1, 2006.

SEC. 16. Section 5091 is added to the Business and Professions Code, to read:

5091. At the time of application for the examination, the applicant shall choose whether he or she is making an application under Section 5092 or 5093. An applicant making an application under Section 5093 may change and apply under Section 5092 without having to retake sections of the examination already passed provided those sections were passed in accordance with the requirements of Section 5092.

SEC. 17. Section 5092 is added to the Business and Professions Code, to read:

5092. (a) To qualify for the certified public accountant license, an applicant who is applying under this section shall meet the education, examination, and experience requirements in subdivisions (b), (c), and

(d) of this section. The board may adopt regulations as necessary to implement this section.

(b) An applicant for the certified public accountant license shall present satisfactory evidence that the applicant has completed a baccalaureate or higher degree conferred by a college or university, meeting, at a minimum, the standards described in Section 5094, the total educational program to include a minimum of 24 semester units in accounting subjects and 24 semester units in business related subjects. This evidence shall be provided prior to admission to the examination for the certified public accountant license, except that an applicant who passed the examination before December 31, 2001, may provide this evidence at the time of application for licensure provided the applicant applies and qualifies for licensure before January 1, 2006.

(c) An applicant for the certified public accountant license shall pass an examination in accounting, auditing, and other subjects the board deems appropriate. An applicant who fails this examination has the right to reexamination. During the time this examination is a written, paper and pencil examination, an applicant who passes two or more subjects at any examination shall receive a conditional credit for those subjects and does not need to sit for reexamination in those subjects. The applicant shall have the right to be reexamined in the remaining subject or subjects only at the six subsequent consecutive examinations immediately following receipt of the conditional credit. If the remaining subject or subjects are passed during the six subsequent examinations, the candidate shall be considered to have passed the examination.

The conditional credit period provided in this section may be extended by the board upon a showing of extraordinary extenuating circumstances that prevented the applicant from retaking the examination during this period.

(d) The applicant shall show, to the satisfaction of the board, that the applicant has had two years of qualifying experience. This experience may include providing any type of service or advice involving the use of accounting, attest, compilation, management advisory, financial advisory, tax, or consulting skills. To be qualifying under this section, experience shall have been performed in accordance with applicable professional standards. Experience in public accounting shall be completed under the supervision or in the employ of a person licensed or otherwise having comparable authority under the laws of any state or country to engage in the practice of public accountancy. Experience in private or governmental accounting or auditing shall be completed under the supervision of an individual licensed by a state to engage in the practice of public accountancy.

SEC. 18. Section 5093 is added to the Business and Professions Code, to read:

5093. (a) To qualify for the certified public accountant license, an applicant who is applying under this section shall meet the education, examination, and experience requirements specified in subdivisions (b), (c), and (d) of this section. The board may adopt regulations as necessary to implement this section.

(b) (1) An applicant for admission to the certified public accountant examination under the provisions of this section shall present satisfactory evidence that the applicant has completed a baccalaureate or higher degree conferred by a college or university, meeting, at a minimum, the standards described in Section 5094, the total educational program to include a minimum of 24 semester units in accounting subjects and 24 semester units in business related subjects. This evidence shall be provided at the time of application for admission to the examination, except that an applicant who passed the examination before December 31, 2001, may provide this evidence at the time of application for licensure provided the applicant applies and qualifies for licensure before January 1, 2006.

(2) An applicant for issuance of the certified public accountant license under the provision of this section shall present satisfactory evidence that the applicant has completed at least 150 semester units of college education including a baccalaureate or higher degree conferred by a college or university, meeting, at a minimum, the standards described in Section 5094, the total educational program to include a minimum of 24 semester units in accounting subjects and 24 semester units in business related subjects. This evidence shall be presented at the time of application for the certified public accountant license.

(c) An applicant for the certified public accountant license shall pass an examination in accounting, auditing, and other subjects the board deems appropriate. An applicant who fails this examination has the right to reexamination. During the time this examination is a written, paper and pencil examination, the applicant shall pass the examination in accordance with the requirements of paragraphs (1) and (2) of this subdivision.

(1) If at a given sitting of the examination an applicant passes two or more subjects, but does not pass all subjects, the applicant shall be given conditional credit for those subjects and the applicant does not need to sit for reexamination in those subjects, provided that:

(A) At that sitting the applicant sat for all subjects for which the applicant does not have credit.

(B) The applicant attained a minimum standardized score of 50 as determined by the board on each subject taken at that sitting.

(2) In order to pass the examination pursuant to the conditional credit described in paragraph (1), the applicant shall pass the remaining

subjects within six subsequent consecutive examinations given after the one at which the first subjects were passed.

(A) At each subsequent sitting at which the applicant seeks to pass in any additional subjects, the applicant sits for all subjects for which the applicant does not have credit.

(B) In order to receive credit for passing additional subjects in any subsequent sitting, the applicant attains a minimum standardized score of 50 as determined by the board on the subjects taken at that sitting.

The conditional credit period provided in this section may be extended by the board upon a showing of extraordinary extenuating circumstances that prevented the applicant from retaking the examination during this period.

(d) The applicant shall show, to the satisfaction of the board, that the applicant has had one year of qualifying experience. This experience may include providing any type of service or advice involving the use of accounting, attest, compilation, management advisory, financial advisory, tax, or consulting skills. To be qualifying under this section, experience shall have been performed in accordance with applicable professional standards. Experience in public accounting shall be completed under the supervision or in the employ of a person licensed or otherwise having comparable authority under the laws of any state or country to engage in the practice of public accountancy. Experience in private or governmental accounting or auditing shall be completed under the supervision of an individual licensed by a state to engage in the practice of public accountancy.

SEC. 19. Section 5094 is added to the Business and Professions Code, to read:

5094. (a) In order for education to be qualifying, education shall meet the standards described in subdivision (b) or (c) of this section.

(b) At a minimum, education must be from a university, college, or other institution of learning accredited by a regional institutional accrediting agency included in a list of these agencies published by the United States Secretary of Education under the requirements of the Higher Education Act of 1965 as amended (20 U.S.C. Sec. 1001 and following).

(c) Education from a college, university, or other institution of learning located outside the United States may be qualifying provided it is deemed by the board to be equivalent to education obtained under subdivision (b). The board may require an applicant to submit documentation of his or her education to a credentials evaluation service approved by the board for evaluation and to cause the results of this evaluation to be reported to the board in order to assess educational equivalency.

(d) The board shall adopt regulations specifying the criteria and procedures for approval of credential evaluation services. These regulations shall, at a minimum, require that the credential evaluation service (1) furnish evaluations directly to the board, (2) furnish evaluations written in English, (3) be a member of the American Association of Collegiate Registrars and Admission Officers, the National Association of Foreign Student Affairs, or the National Association of Credential Evaluation Services, (4) be used by accredited colleges and universities, (5) be reevaluated by the board every five years, (6) maintain a complete set of reference materials as specified by the board, (7) base evaluations only upon authentic, original transcripts and degrees and have a written procedure for identifying fraudulent transcripts, (8) include in the evaluation report, for each degree held by the applicant, the equivalent degree offered in the United States, the date the degree was granted, the institution granting the degree, an English translation of the course titles, and the semester unit equivalence for each of the courses, (9) have an appeal procedure for applicants, and (10) furnish the board with information concerning the credential evaluation service that includes biographical information on evaluators and translators, three letters of references from public or private agencies, statistical information on the number of applications processed annually for the past five years, and any additional information the board may require in order to ascertain that the credential evaluation service meets the standards set forth in this subdivision and in any regulations adopted by the board.

SEC. 20. Section 5095 is added to the Business and Professions Code, to read:

5095. (a) To be authorized to sign reports on attest engagements, a licensee shall complete a minimum of 500 hours of experience, satisfactory to the board, in attest services.

(b) To be qualifying under this section, attest experience shall have been performed in accordance with applicable professional standards. Experience in public accounting shall be completed under the supervision or in the employ of a person licensed or otherwise having comparable authority under the laws of any state or country to engage in the practice of public accountancy and provide attest services, and this experience shall be verified. Experience in private or governmental accounting or auditing shall be completed under the supervision of an individual licensed by a state to engage in the practice of public accountancy and perform attest services, and this experience shall be verified. An applicant may be required to present work papers or other evidence substantiating that the applicant has met the requirements of this section and applicable regulations.

(c) An individual who qualified for licensure by meeting the requirements of Section 5083 shall be deemed to have satisfied the requirements of this section.

(d) The board shall adopt regulations to implement this section, including, but not limited to, a procedure for applicants under Section 5092 or Section 5093 to qualify under this section.

SEC. 21. This act shall become operative only if Senate Bill No. 133 of the 2001–02 Regular Session is enacted and becomes effective on or before January 1, 2002.

CHAPTER 705

An act to add and repeal Article 3.5 (commencing with Section 51725) of Chapter 5 of Part 28 of the Education Code, relating to high-tech high schools.

[Approved by Governor October 10, 2001. Filed with Secretary of State October 11, 2001.]

The people of the State of California do enact as follows:

SECTION 1. Article 3.5 (commencing with Section 51725) is added to Chapter 5 of Part 28 of the Education Code, to read:

Article 3.5. High-Tech High School Grant Program

51725. (a) The High-Tech High School Grant Program is hereby established to provide 10 one-time grants to eligible school districts or charter schools for purposes of establishing new high-tech high schools.

(b) As used in this article, ''high-tech high school'' means a public comprehensive high school maintained by a school district or charter school that offers a very rigorous college preparation curriculum with an emphasis in science, mathematics, and engineering, and also may include digital arts and media. Technology shall be integrated throughout the curriculum and shall be a fundamental tool for both teaching and learning. Instruction at a high-tech high school shall be consistent with the academic content standards adopted by the State Board of Education and the applicable curriculum framework content standards adopted by the State Board of Education. A high-tech high school may not include a school maintained by the California Youth Authority, or operated by a regional occupational center or program, continuation high school, community day school, a State Special School, distance learning school, or independent study school. An adult

education program may not be offered at a high-tech high school. Nothing in this section prohibits a comprehensive high school that operates a high-tech high school from having an affiliation with a regional occupational center or program, but the regional occupational center or program shall not be eligible for funding under this article and may not establish a high-tech high school under this article.

(c) The Superintendent of Public Instruction shall administer the application process for the award of grants. The Superintendent of Public Instruction, with the approval of the State Board of Education shall award grants on a competitive basis. The amount of each grant is two million dollars ($2,000,000). The award of a grant requires a local match that is at least equal to the amount of the grant. All funds awarded pursuant to this section shall be used solely for the establishment of high-tech high schools. Notwithstanding any other provision of law, the Superintendent of Public Instruction shall not be required to adopt regulations in order to administer the High-Tech High School Grant Program and allocate program funds.

(d) Funding for the purposes of this article is contingent on an appropriation made in the annual Budget Act or other legislation.

51726. (a) The Superintendent of Public Instruction shall develop an application for the High-Tech High School Grant Program.

(b) A school district or charter school that chooses to participate shall submit an application to the Superintendent of Public Instruction. The superintendent, director, or fiscal agent of the school district or charter school shall sign and certify the application.

(c) The Superintendent of Public Instruction shall convene an advisory board to assist in the review of applications. The advisory board shall be comprised of an equal number of members appointed by the Superintendent of Public Instruction and by the Office of the Secretary for Education. The advisory board shall do all of the following:

(1) Review the applications for completeness.

(2) Consider the proposed curriculum of the potential grant recipients to ensure minimum requirements are met in providing mathematics, science, and engineering coursework while integrating technology throughout the curriculum.

(3) Review information provided by the potential grant recipients regarding commitments from educational, business, and or other partners, including, but not limited to, financial assistance, technical assistance, administrative assistance, and internship and job-training assistance.

(4) Verify the local matching requirement.

(5) Review other criteria as deemed necessary by the Superintendent of Public Instruction or the advisory board. These criteria shall include, but not be limited to, all of the following:

(A) Geographic representation among the funded sites.

(B) Consideration for rural schools, urban schools, and other schools that are not located in parts of the state that are typically associated with high technology.

(C) Consideration for schools that will serve high-poverty or educationally disadvantaged pupils.

(d) The advisory board shall make recommendations to the Superintendent of Public Instruction regarding which applicants should be awarded grants under this article. The Superintendent of Public Instruction, with the approval of the State Board of Education, shall select the grant recipients and award the grant funds to the selected school districts and charter schools. At least 40 percent of the applicants recommended by the advisory board and at least 40 percent of the grant recipients selected pursuant to this subdivision shall serve communities where a minimum of 50 percent of the pupils in the elementary schools are eligible for free or reduced price meals through the school lunch program of the United States Department of Agriculture.

(e) Notwithstanding any other provision of law, the Superintendent of Public Instruction may request the Controller to release funds to grant recipients, as determined by the Superintendent of Public Instruction, any time after the effective date of the act adding this section, in order to quickly expedite the establishment of new high-tech high schools.

51727. (a) The Superintendent of Public Instruction shall accept applications and award grants in two phases.

(1) Not more than five grants shall be awarded in the first phase. Applications shall be due February 1, 2002. The Superintendent of Instruction shall complete the review of applications pursuant to subdivision (c) of Section 51726 and make awards pursuant to subdivision (d) of Section 51726 no later than March 31, 2002. The proposed high-tech high school for which a school district or charter school receives funding shall be operational by September 30, 2002. If the Superintendent of Public Instruction does not receive five applications that merit funding pursuant to subdivision (c) of Section 51726, some or all of the phase one grants may be delayed until the second phase with the approval of the State Board of Education.

(2) The remaining grants shall be awarded in the second phase. Applications shall be submitted by February 1, 2003. The Superintendent of Public Instruction shall complete the review of applications pursuant to subdivision (c) of Section 51726 and make awards pursuant to subdivision (d) of Section 51726 no later than March 31, 2003. The proposed high-tech high school for which a school district or charter school receives funding shall be operational by September 30, 2003.

(b) The Superintendent of Public Instruction, with the approval of the State Board of Education, may, upon a showing of good cause and if necessary, extend any of the following dates:

(1) The deadline for application submission.

(2) The date the grant award is to be made.

(3) The date by which a high-tech high school is to be operational.

(c) If a grant recipient fails to make the high-tech high school operational by the specified date, the Superintendent of Public Instruction, with the approval of the State Board of Education may rescind the grant award and award the grant funds to another eligible grant recipient as determined by the Superintendent of Public Instruction, with the approval of the State Board of Education.

(d) If the grant funds awarded pursuant to this article are not used towards the establishment and implementation of a new high-tech high school, the Superintendent of Public Instruction shall withhold an amount equal to the funds the school district or charter school received pursuant to this article from the next monthly principal apportionment payment. Superintendent of Public Instruction shall conduct compliance visits as required to ensure that the funds are used appropriately.

51728. (a) The Superintendent of Public Instruction shall require each high-tech high school grant recipient funded under this article to provide an evaluation which details all of the following:

(1) The academic achievement of pupils enrolled in the high-tech high schools.

(2) The level of support provided by educational, business, and foundation partners.

(3) The feasibility for broad-scale development of similar high-tech high school programs.

(b) The Superintendent of Public Instruction shall report this information to the Legislature, Governor, and the Department of Finance.

51729. This article shall remain in effect only until January 1, 2003, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2003, deletes or extends that date.

SEC. 2. The Superintendent of Public Instruction shall report, by May 1, 2003, to the Assembly Committee on Appropriations, the Senate Committee on Appropriations, the Assembly Committee on Education, and the Senate Committee on Education on the status of the grant program created by Article 3.5 (commencing with Section 51725) of Chapter 5 of Part 28 of the Education Code.
